Notes

The brief descriptions and digest paragraphs in this digest were prepared by the employees of the legislature as a guide to interested persons concerned with the various measures pending before the legislature. Brief descriptions and digest paragraphs are not offered in substitution of or supplementary to the official titles and official text of the legislative measures. The brief descriptions and digest paragraphs are not intended to constitute any part of the law, are not in any manner adopted or acted upon by the legislature, and are in no way evidence of the intent of the legislature.

If the only action on a bill for a session is "By resolution, reintroduced and retained in present status." and no action other than "By resolution, reintroduced and retained in present status." occurs in subsequent sessions in the two-year legislative cycle for that bill, the history for those sessions will not be printed in this publication.

Companion bills are shown for original bills only.

The brief description for each bill family shows only once on the original bill unless there is a change in the brief description for a later version of the bill.

HOW TO USE
THE "LEGISLATIVE DIGEST AND HISTORY OF BILLS"

The *Legislative Digest and History of Bills* is a joint legislative publication which is published after the final legislative session each year.

During the legislative session, a daily *Legislative Digest* is available. Use the daily *Legislative Digest* to keep up with the new introductions (including substitute bills) and the amendments to the various measures in between publications of the *Legislative Digest and History of Bills*. (A "-S" or "-S2" following the bill number indicates a substitute, e.g., SB 5009-S, HB 1071-S2.) The latest legislative history on the measures is also provided in the *Legislative Digest* publication.

This publication consists of three parts:

(1) Digest paragraphs and legislative actions on all measures (bills);
(2) RCW - Bill Table;
(3) Topical Index; and
(4) Session Law Chapter to Bill Table

DIGEST PARAGRAPHS AND LEGISLATIVE ACTIONS

This portion consists of the following:

(1) The summary digest paragraphs and legislative actions on all bills, joint memorials, joint resolutions, concurrent resolutions, and floor resolutions considered by the House or Senate during the legislative session;
(2) Summary paragraph and legislative actions on gubernatorial appointments submitted to and being considered by the Senate;
(3) The listing of the bills a member has sponsored along with an indication of prime sponsorship; and
(4) The special status of legislation reports for the Senate and the House.

The bulk of the *Legislative Digest and History of Bills* is formed by an in-sequence listing of measures. In this listing are included the measure number, the legislative and "by-request" sponsors, the latest digest paragraphs, and the bill histories. This portion of the publication is divided into two sections: Senate measures and House measures. Initiatives, bills, joint memorials, joint resolutions, concurrent resolutions, floor resolutions, and gubernatorial appointments are included as measures.

Reports on the special status of legislation follow the Senate and House digest history portion of the book. The reports are listed as they become available as legislation progresses down the path toward enactment. A full listing of the reports available in a particular *Legislative Digest and History of Bills* is found on the Index Page of the *Legislative Digest and History of Bills* beginning on page one. Several examples of these reports are:

(1) Senate Bills Introduced by Members
(Prime sponsorship is noted by a bullet (large dot) before the bill number;)
(2) Senate Bills Introduced by Request;
(3) Senate Bills Passed by the Senate;
(4) Senate Bills Passed by the Senate and House;
(5) Senate Bills Failed to Pass the House;
(6) Senate Bills Passed Both Houses Showing Executive Action; and
(7) Governor's Messages on Bills Vetoed or Partially Vetoed
VO - Veto overridden
PV - Partial Veto
V - Veto

Comparable reports are supplied for the House Bills. (See Table of Contents for page numbers.)

RCW - BILL TABLE

The *Legislative Digest and History of Bills* contains a table which lists the statutes being affected by the current bills. This table is widely used by legislative drafters as well as all other attorneys concerned with the legislative process. The "S" found preceding the bill numbers in this table means that the bill being referred to is the substitute version. All first substitutes are noted by an "S" preceding the bill number; second, third, etc., are noted by 2S, 3S, etc.; e.g.,

38.03.030	AMD	SHB	1301*
38.03.040	AMD	SHB	1375+
39.07.060	REP	2SSB	5111

The "RCW (Statute Number) to Bill Number Table" lists in code section number order the sections in the Revised Code of Washington (RCW) that are the subject matter of current legislation. The action the bill takes on the section is listed with the following abbreviations: ADD (adding a new section or section to a code chapter or code title), AMD (amending), DECD (decodifying), RECD (recodifying), REMD (reenacting and amending), REEN (reenacting), and REP (repealing). It is especially useful in the closing days of the session to determine whether a code section currently under consideration by the legislature may already have been repealed or amended during the session, in which event the earlier action must be taken in cognizance. In addition to being included in the *Legislative Digest and History of Bills*, an electronic version of this table is available at Washington State Legislative website. The URL to the website is http://www.leg.wa.gov, choose Bill Info and then RCW to Bill Table.

The symbols on the table indicate whether the amended section or the new section has passed the legislature or has been signed into law or vetoed by the Governor. A "p" following the bill number means that the legislature has passed the bill. An asterisk ("*") means that executive action or inaction has been recorded upon the bill during the first year of the two-year legislative cycle. A plus sign ("+") means that executive action or inaction has been recorded upon the bill during the second year of the two-year legislative cycle. Generally, the "*" and "+" mean that the Governor has signed the bill into law with or without a partial veto.

TOPICAL INDEX

The Topical Index is at the end of the *Legislative Digest and History of Bills*. The Topical Index entries are entered soon after the bills are introduced on the floor, so that researchers can search the text of the index for measures related to their issue. Various symbols are found in the index which aid in determining the type of measures to which the index entry refers. The table of abbreviated symbols for the Topical Index is found on the page beginning the Topical Index section.

Companion Bill: 5097

Concerning the capital budget.

(DIGEST AS ENACTED)

Makes appropriations and authorizes expenditures for capital improvements.

VETO MESSAGE ON 2EHB 1115

June 30, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 3241 and 7044, Second Engrossed House Bill No. 1115 entitled:

"AN ACT Relating to the capital budget."

Section 3241, pages 158-159, Department of Natural Resources, Research on Transfer for Federal Lands to Washington State

This proviso directs the Department of Natural Resources to study the feasibility of acquiring certain federal lands for possible inclusion in the various trust lands managed by the Department. Although additional information about land acquisitions is always helpful, the negative effects of forest health, and the resulting fire danger, are well documented. The Department's primary responsibility is to support the trust beneficiaries, and this study will not support its obligation to generate revenue for school construction. For these reasons, I have vetoed Section 3241.

Section 7044, pages 278-279, Office of Financial Management, Master Plan for Museums and Research Facilities

This proviso requires the Office of Financial Management (OFM) to develop a master plan to address the storage and preservation requirements of the state's historical collections by December 31, 2015. While ensuring the preservation of our state's historical and cultural collections is a priority, this proviso does not provide funding or enough time for a thorough plan to be developed. For these reasons, I have vetoed Section 7044. However, I have directed OFM to work with the Washington State Historical Society and the Eastern Washington Historical Society to address this issue.

For these reasons I have vetoed Sections 3241 and 7044 of Second Engrossed House Bill No. 1115.

With the exception of Sections 3241 and 7044, Second Engrossed House Bill No. 1115 is approved.

Respectfully submitted
Jay Inslee
Governor

HB 1274 by Representatives Cody, Jinkins, Johnson, Harris, and Tharinger

Companion Bill: 5152

Implementing a value-based system for nursing home rates.

(SUBSTITUTED FOR - SEE 1ST SUB)

Adopts a new system for establishing nursing home payment rates.

Requires the department of social and health services, in cooperation with nursing facility provider associations, to design and develop a new system that matches payments to patient care needs, reward efficiency, incentivize controlling costs, and promote quality of care.

HB 1274-S by House Committee on Appropriations (originally sponsored by Representatives Cody, Jinkins, Johnson, Harris, and Tharinger)

(DIGEST AS ENACTED)

Adopts a new system for establishing nursing home payment rates beginning July 1, 2016.

Requires the department of social and health services to: (1) Do a comparative analysis of the facility-based payment rates calculated on July 1, 2015, using the payment methodology defined in chapter 74.46 RCW, to the facility-based rates in effect June 30, 2010;

(2) Institute minimum staffing standards for nursing homes; and

(3) Facilitate a work group process to propose modifications to the price-based nursing facility payment methodology outlined in section 4 of this act and the minimum staffing standards outlined in RCW 74.42.360.

Creates a separate nursing facility quality enhancement account.

VETO MESSAGE ON 2E2SHB 1276

June 30, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 25, Second Engrossed Second Substitute House Bill No. 1276 entitled:

"AN ACT Relating to impaired driving."

The Department of Health has a Medical Assistant-phlebotomist credential that is currently available to law enforcement and corrections personnel. Creating a new sub-category is therefore unnecessary. MA-phlebotomist training programs specific to law enforcement forensic needs can be developed without a change in current law or rules and MA-phlebotomist training is typically on-the-job, and can be completed in a few days.

Section 25 also creates substantial new responsibilities and costs as it requires the Department to inspect every police station, jail, corrections facility, or other location where a law enforcement MA-phlebotomist may take blood samples. The section also sets new ongoing training and minimum procedure standards for law enforcement MA-phlebotomists that no other medical assistants have, and that must be regulated by the Department. For these reasons, I am vetoing this section.

For these reasons I have vetoed Section 25 of Second Engrossed Second Substitute House Bill No. 1276.

With the exception of Section 25, Second Engrossed Second Substitute House Bill No. 1276 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON 2ESHB 1299

June 11, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 102, page 2, lines 29-36, and page 3, lines 1-8; 103(1); 213(3); 920(4); 1005, page 113, lines 26-27 and 1005(2); 1005(4); 1005(5); and 1005(6), Second Engrossed Substitute House Bill No. 1299 entitled:

> "AN ACT Relating to transportation funding and appropriations."

Section 102, page 2, lines 29-36, and page 3, lines 1-8, Utilities and Transportation Commission, State Agency Workgroup

This proviso directs the Utilities and Transportation Commission (UTC) to coordinate a state agency workgroup to identify issues related to consolidating rail employee safety and regulatory functions within the UTC. Funding for this activity would come from the Grade Crossing Protective Account, which is used to install and maintain equipment to make grade crossings safer. Because this is not the appropriate fund source for coordinating a workgroup on the topic identified in the proviso, I have directed the UTC to conduct this activity with other existing resources. For this reason, I have vetoed Section 102, page 2, lines 29-36, and page 3, lines 1-8.

Section 103(1), page 3, Office of Financial Management, Study of Fund Exchange

This proviso directs the Office of Financial Management to perform a study on the feasibility of establishing a fund exchange where federal funds are exchanged for state funds to reduce the administrative burden on local governments which use federal funds. The funding is likely insufficient to provide a thorough report on the issues. In addition, the Joint Transportation Committee is a more appropriate entity to perform this analysis, not the Office of Financial Management. Therefore, I have vetoed Section 103(1).

Section 213(3), pages 18-19, Department of Transportation, Beaver Dams

This proviso creates a complicated process for managing beaver dams on private property that pose a threat to Washington state highways, individual personal property, and public safety. The proposed process would require the Washington State Department of Transportation to notify private property owners of impending threats from beaver dam failure, to produce wildlife management plans, and to provide potential remedies that could create liability for the state. In addition, no funding is provided for this effort. For these reasons, I have vetoed Section 213(3).

Section 920(4), pages 105-106, Department of Transportation, Public Transportation

This proviso prevents the Washington State Department of Transportation from continuing work on regional mobility grant projects previously authorized by the Legislature. The department needs authority to work on these projects to support local efforts to improve transit mobility and reduce congestion on our roadways. The majority of the projects are not yet complete, and expenditures have already been made. Therefore, I have vetoed Section 920(4).

Section 1005, page 113, lines 26-27, and Section 1005(2), page 114, Department of Transportation, Highway Improvements Program

Due to changes in the timing of expenditures for highway improvement projects and insufficient flexibility in the capital program budgets, this reduced appropriation would result in an estimated shortfall of $3.5 million in expenditure authority in the Highway Improvements program. The Washington State Department of Transportation must have ongoing expenditure authority to keep projects within the total spending plan. Therefore, I have vetoed Section 1005, page 113, lines 26-27, and Section 1005(2).

Section 1005(4), 1005(5) and 1005(6), page 115, Department of Transportation, Proceeds from Bond Sales

Section 605 provides the flexibility needed to retroactively assign bond proceeds received in the 2015-17 biennium to associated costs that occurred in the 2013-15 biennium. The reduced appropriations in Section 1005(4), Section 1005(5), and Section 1005(6) negate the flexibility provided in Section 605. For this reason, I have vetoed Section 1005(4), Section 1005(5), and Section 1005(6).

For these reasons I have vetoed Sections 102, page 2, lines 29-36, and page 3, lines 1-8; 103(1); 213(3); 920(4); 1005, page 113, lines 26-27 and 1005(2); 1005(4); 1005(5); and 1005(6) of Second Engrossed Substitute House Bill No. 1299.

With the exception of Sections 102, page 2, lines 29-36, and page 3, lines 1-8; 103(1); 213(3); 920(4); 1005, page 113, lines 26-27 and 1005(2); 1005(4); 1005(5); and 1005(6), Second Engrossed Substitute House Bill No. 1299 is approved.

Respectfully submitted,
Jay Inslee
Governor

Hunt, Tharinger, Senn, Robinson, Moscoso, Pollet, Walkinshaw, McBride, and Jinkins)

Concerning data reported by the office of the superintendent of public instruction for homeless students. (REVISED FOR ENGROSSED: Concerning homeless students.)

(SUBSTITUTED FOR - SEE 3RD SUB)

Requires the office of the superintendent of public instruction to: (1) Include the following data for homeless students in its report to the governor and the legislature: (a) The number of identified unaccompanied homeless students enrolled in public schools; and (b) the academic performance and educational outcomes of unaccompanied homeless students; and

(2) Create a competitive grant process to evaluate and award state-funded grants to school districts to pilot increased identification of homeless students and the capacity of the districts to provide support.

Requires the department of commerce to: (1) In consultation with the office of the superintendent of public instruction, administer a grant program that links homeless students and their families, or unaccompanied homeless students, with stable housing located in the homeless student's school district; and

(2) Working with the office of the superintendent of public instruction, develop a competitive grant process to make grant awards to school districts partnered with eligible organizations on implementation of the proposal.

Authorizes school districts to access both federal and state funding to identify and support homeless students.

Provides that sections 2 and 3 of this act are null and void if appropriations are not approved.

HB 1682-S3 by House Committee on Appropriations (originally sponsored by Representatives Fey, Stambaugh, Walsh, Riccelli, Goodman, Orwall, Zeiger, Appleton, Van De Wege, Lytton, Gregerson, Reykdal, Tarleton, Ortiz-Self, Kagi, Carlyle, Wylie, Bergquist, S. Hunt, Tharinger, Senn, Robinson, Moscoso, Pollet, Walkinshaw, McBride, and Jinkins)

Improving educational outcomes for homeless students through increased in-school guidance supports, housing stability, and identification services.

(DIGEST AS ENACTED)

Establishes the homeless student stability and opportunity gap act.

Requires the office of the superintendent of public instruction to: (1) Create a competitive grant process to evaluate and award state-funded grants to school districts to increase identification of homeless students and the capacity of the districts to provide support; and

(2) Include in its report to the governor and the legislature the following data for homeless students: The number of identified homeless students of color.

Requires the department of commerce to: (1) In consultation with the office of the superintendent of public instruction, administer a grant program that links homeless students and their families with stable housing located in the homeless student's school district; and

(2) Working with the office of the superintendent of public instruction, develop a competitive grant process to make grant awards of no more than one hundred thousand dollars per school, not to exceed five hundred thousand dollars per school district, to school districts partnered with eligible organizations on implementation of the proposal.

Prohibits the grants awarded to school districts from exceeding fifteen school districts per school year.

Requires school districts to: (1) If they are receiving grants, measure during the academic year how often each student physically moves, what services families or unaccompanied youth could access, and whether or not a family or unaccompanied youth received stable housing by the end of the school year; and

(2) If they have identified more than ten unaccompanied youth, establish a building point of contact in each middle school and high school.

Authorizes a school nurse, a school counselor, or a homeless student liaison to provide informed consent for health care for a patient under the age of majority if certain conditions are met.

HB 1728 by Representatives Ormsby, Walsh, Ortiz-Self, Senn, Kagi, S. Hunt, Farrell, Dent, Zeiger, and Gregerson

Companion Bill: 5486

Creating the parents for parents program.

(SEE ALSO PROPOSED 2ND SUB)

Specifies that the parents for parents program currently exists in seven counties and has been shown to increase the number of family reunifications, where appropriate, while decreasing the length of time needed to establish permanence. The goal is to: (1) Continue to support the program in those counties;

(2) Standardize the parents for parents curriculum among counties in which it is currently used; and

(3) Replicate the program statewide by the end of the 2019-2021 biennium.

Requires the parents for parents program to provide structured peer mentoring, administered by veteran parents, for families entering the dependency court system.

Requires funding for the parents for parents program to be through the office of public defense and centrally administered through a pass-through to a state nonprofit-lead organization that has extensive experience supporting veteran parents.

Requires a child welfare research entity based at the University of Washington to conduct an evaluation of the parents for parents program.

Concerning video and/or sound recordings made by law enforcement or corrections officers.

(SEE ALSO PROPOSED 1ST SUB)

Allows individuals who interact with law enforcement or corrections officers to access the video and/or sound recordings of these interactions under certain circumstances.

HB 1917-S by House Committee on Judiciary (originally sponsored by Representatives Hansen, Pettigrew, Ortiz-Self, and Appleton)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Allows individuals who interact with law enforcement or corrections officers to access the video and/or sound recordings of these interactions under certain circumstances.

Provides that video and/or sound recordings, of any kind, made by uniformed law enforcement or corrections officers while in the course of their official duties are not subject to the privacy act.

Exempts from public inspection and copying under the public records act, video and/or sound recordings made by law enforcement or corrections officers, of jurisdictions that have deployed body cameras, while in the course of their official duties.

Requires a law enforcement agency that equips its officers with body worn cameras to establish policies regarding the use of the cameras.

Requires the legislature to convene a task force to examine law enforcement agencies' use of vehicle-mounted and body worn cameras.

HB 1940 by Representatives Stokesbary, Fitzgibbon, Ryu, Magendanz, Kochmar, Hargrove, Rodne, Bergquist, Hurst, Gregerson, Orwall, and Jinkins

Companion Bill: 5799

Exempting levies imposed by qualifying flood control zone districts from certain limitations upon regular property tax levies.

(DIGEST AS ENACTED)

Exempts levies imposed by qualifying flood control zone districts from certain limitations upon regular property tax levies.

VETO MESSAGE ON HB 1940

May 6, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 7, House Bill No. 1940 entitled:

> "AN ACT Relating to exempting levies imposed by qualifying flood control zone districts from certain limitations upon regular property tax levies."

Section 7 of House Bill No. 1940 expires the protection of flood control zone district levies from prorationing on January 1, 2023. This expiration date is problematic and restricts the flexibility of flood control zone districts to select and appropriately finance flood control projects. With the expiration date, any bonds will very likely be more expensive for flood control zone districts. There is also greater risk of insufficient revenues for flood control projects regardless of financing method in the event the levy is prorationed. To allow for maximum flexibility in financing flood control projects to protect the citizens of Washington state from flooding, I am vetoing section 7 of this bill.

For these reasons I have vetoed Section 7 of House Bill No. 1940.

With the exception of Section 7, House Bill No. 1940 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON ESHB 1980

May 11, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, Engrossed Substitute House Bill No. 1980 entitled:

"AN ACT Relating to implementing recommendations of the sunshine committee."

Guardian Ad Litems undergo a rigorous evaluation of their backgrounds and qualifications, which include background checks that are required by law. There is no need for this information to be distributed to parties. I believe that enactment of this law would have a chilling effect on GAL programs and their ability to recruit volunteers if this information were shared with parties in dependency actions.

For these reasons I have vetoed Section 1 of Engrossed Substitute House Bill No. 1980.

With the exception of Section 1, Engrossed Substitute House Bill No. 1980 is approved.

Respectfully submitted,
Jay Inslee
Governor

Concerning the implementation of practical design by the department of transportation.

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the department of transportation to approach project development by applying principles of practical design in appropriate situations so that projects are based on cost efficiencies, community needs, and performance without impacting safety or operations. "Practical design" is a lean, performance-based approach to determining project investments.

HB 2012-S by House Committee on Transportation (originally sponsored by Representatives Orcutt, Clibborn, Hargrove, Hayes, Pike, Zeiger, Muri, and Wilson)

(DIGEST AS ENACTED)

Provides that: (1) It is the priority of the legislature that, for projects identified as connecting Washington projects and supported by revenues under Engrossed Substitute Senate Bill No. 5987, the department of transportation deliver the named projects;

(2) The legislature encourages the department to continue to institutionalize innovation and collaboration in design and project delivery with an eye toward the most efficient use of resources;

(3) The transportation future funding program is intended to provide for future emergent transportation projects, accelerating the schedule for existing connecting Washington projects, and highway preservation investments, beginning in fiscal year 2024; and

(4) The department of transportation must submit a report every six months identifying the amount of savings attributable to the application of practical design, retired risk, and unused contingency funding, and report when the savings become available.

Creates the transportation future funding program account in the connecting Washington account established in Engrossed Substitute Senate Bill No. 5987.

Prohibits money in the account from being expended on the state route number 99 Alaskan Way viaduct replacement project.

Modifies provisions relating to explanatory statements and fiscal impact statements for ballot measures.

VETO MESSAGE ON HB 2055

May 6, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, House Bill No. 2055 entitled:

"AN ACT Relating to statements on ballot measures in voters' pamphlets."

The intent of this bill is to provide voters with more information about the potential fiscal impact of a ballot initiative. The bill moves forward the deadline for the Attorney General to prepare the explanatory statement and the Office of Financial Management to prepare the fiscal impact statement so that the information is available to the pro and con committees when drafting their statements for the voters pamphlet.

In addition to moving forward the deadline for the Office of Financial Management to prepare the fiscal impact statement, Section 3 also creates a new cause of action for any person dissatisfied with the fiscal impact statement to challenge the statement in superior court. This new cause of action would frustrate the intent of this bill and cause unnecessary delay. It would also place the court in the untenable position of having to make advisory rulings on the initiative at issue in the fiscal impact statement. The Office of Financial Management identifies the assumptions made in preparation of the fiscal impact statement. Under this new cause of action, the court would have to make a legal ruling on these assumptions, which would constitute an advisory opinion on the initiative. There are current legal options available to those who wish to challenge a fiscal impact statement without creating a new cause of action. For these reasons, I am vetoing section 3 of House Bill 2055.

While I am vetoing Section 3, I am instructing the Office of Financial Management to work cooperatively with the Secretary of State to ensure any fiscal impact statement is completed in time to share with the pro and con committees before they complete their statements for the voters' pamphlet. This will ensure the intent of the legislation is fulfilled.

For these reasons I have vetoed Section 3 of House Bill No. 2055.

With the exception of Section 3, House Bill No. 2055 is approved.

Respectfully submitted,
Jay Inslee
Governor

HB 2061-S2 by House Committee on Environment (originally sponsored by Representatives Short and Kretz)

(DIGEST AS PASSED LEGISLATURE)

Authorizes the county legislative authority of a certain county in eastern Washington to: (1) Act to approve the operation of a group B public water system serving less than ten connections if certain conditions are met;

(2) Choose to seek the advice of a local health jurisdiction in determining whether to approve the operation of a group B public water system; and

(3) Approve the operation of the water system.

Requires a group B public water system, under certain circumstances, to submit test results to the county legislative authority each year demonstrating that the potable water delivered meets local potable water standards.

Requires the county legislative authority to: (1) Designate at least one county employee as a point of contact for questions, problems, and other issues relating to group B public water systems; and

(2) Provide a notice identifying the county's point of contact to a group B public water system owner and operator upon the system's approval, and either party must notify the other if there is a change in ownership, operator, or the county's point of contact.

VETO MESSAGE ON E2SHB 2061

April 1, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Second Substitute House Bill No. 2061 entitled:

> "AN ACT Relating to authorizing county legislative authorities to approve certain group B water systems based upon their delivery of water meeting safe drinking water standards."

This bill would remove public health standards for small drinking water systems and eliminate local health professionals from the approval process. Moving the authority for these smaller systems away from these partners erodes their ability to prevent and respond to waterborne illness in their communities.

We have a strong process in place to ensure that safe and reliable drinking water is provided for all Washington communities. We also understand that smaller systems need flexibility and a reasonable path to get their systems approved. Therefore, I am directing the Department of Health to work with the four counties identified in this bill in developing local programs to provide that flexibility without sacrificing public health protection.

For these reasons I have vetoed Engrossed Second Substitute House Bill No. 2061 in its entirety.

Respectfully submitted,
Jay Inslee
Governor

Modifying the maximum speed limit on highways.

(DIGEST AS ENACTED)

Authorizes the secretary of the department of transportation to increase the maximum speed limit on any highway to seventy-five miles per hour.

VETO MESSAGE ON HB 2181

April 22, 2015

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 1, House Bill No. 2181 entitled:

> "AN ACT Relating to the maximum speed limit on highways."

This bill presumes that there are portions of Interstate 90 -- and other portions of the state highway system -- where the speed limit could be increased to 75 mph without compromising safety.

According to the Washington Traffic Safety Commission, speeding or driving too fast for conditions accounts for more than one-third of all deadly crashes in Washington. It's a fact that as vehicle speed increases, the amount of energy generated

increases exponentially, and the risk of death and injury increases substantially as collision speed increases. Our state's Target Zero Plan aims to reduce traffic death and serious injuries to zero by 2030. Although the number of speeding-involved crashes is declining due to the Target Zero program, there are still far too many people dying on our roadways. An increase in allowable speeds *before* a thorough safety assessment is performed is simply premature.

Therefore, I am vetoing Section 1 of House Bill 2181.

However, I am directing the Department of Transportation to consult with the Traffic Safety Commission and the State Patrol to assess whether the speed limit could be increased without any compromise in safety.

Moreover, I strongly encourage the Legislature to reconsider the Traffic Safety Commission's distracted driving bill in the upcoming session as a way to further reduce traffic fatalities. It's vital that we make progress improving safety this year.

For these reasons I have vetoed Section 1 of House Bill No. 2181.

With the exception of Section 1, House Bill No. 2181 is approved.

Respectfully submitted,
Jay Inslee
Governor

Increasing academic rigor and streamlining assessment requirements for high school students.

(SUBSTITUTED FOR - SEE 1ST SUB)

Eliminates the tenth grade assessments in reading, writing, and mathematics and alternative assessments that students may use to obtain a certificate of academic achievement.

Requires students to meet the standard on the smarter balanced English language arts and mathematics assessments administered in high school, or demonstrate by the beginning of their senior year that they have met state standards using the SAT or ACT.

Intends for students who fail to meet the standard to take and pass locally determined courses in their senior year that align with their college or career goals, including, when available, high school transition courses.

Declares it is the intent of the legislature for Washington to administer only the following for high school graduation: The smarter balanced assessment in English language arts; the smarter balanced assessment in mathematics; and the statewide assessment in science, including, when operational, the comprehensive next generation science standards assessment.

HB 2225 by Representatives Smith, Schmick, Johnson, Young, Magendanz, Hayes, Haler, Fagan, Short, Griffey, and Pike

Requiring a comprehensive study of the costs and benefits of accelerated retirement of certain coal-fired generation units.

Prohibits the utilities and transportation commission from issuing a financing order or otherwise authorizing an electrical company or its financing subsidiary to issue securitized bonds or to recover from ratepayers capital expenditures, operating costs, or other costs related to the acquisition of an increased interest in or accelerated retirement of an eligible coal plant until the commission has completed and submitted to the legislature a comprehensive assessment of the costs and benefits of retirement of all eligible generating units of the eligible coal plant.

Requires the utilities and transportation commission to: (1) Analyze traditional regulatory and tax treatment of decommissioning and retirement of coal-fired power plants and how cost-effective retirement of a coal-fired power plant may be affected, depending on the impact of different regulations and accounting treatments at the county, state, and federal levels;

(2) In consultation with state environmental regulators in Washington and Montana, assess the impact of current and anticipated federal environmental laws, rules, and regulations on the economics of continuing to operate the generating unit;

(3) Coordinate with other agencies, entities, and proceedings; and

(4) Consult with each of the state's electrical companies, to assess the relative costs, benefits, and risks of replacement power alternatives, such as renewable energy, natural gas combined cycle units, or others.

VETO MESSAGE ON SHB 2359

April 1, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 60, Substitute House Bill No. 2359 entitled:

"AN ACT Relating to updating obsolete provisions and making technical corrections."

This section is a duplicate of House Bill 2800, so it is unnecessary.

For these reasons I have vetoed Section 60 of Substitute House Bill No. 2359.

With the exception of Section 60, Substitute House Bill No. 2359 is approved.

Respectfully submitted,
Jay Inslee
Governor

Addresses awareness and transparency in the health care market with regard to pharmaceutical drug cost and use.

Requires the following information to be included in health care data reports that use claims data prepared by the lead organization for the legislature and the public: (1) The total amount spent by state and local government entities on the purchase of prescription drugs for employees and dependents, including as a percentage of total amount on medical care;

(2) A list of the twenty prescription drugs with the highest cost to state and local government in terms of total amount spent and amount spent per prescription, including a comparison of the costs of the prescription drugs to the price paid by the United States department of veterans affairs and the price paid under the 340B drug discount program; and

(3) Trend data over time on the amount spent by medicaid programs, the public employees' benefits board, and city and county governments as measured by claims for classes of prescription drugs, including generic, brand name, and specialty drugs.

Requires the office of financial management and the lead organization to require manufacturers of a pharmaceutical drug that has an average wholesale price of ten thousand dollars or more annually or per course of treatment to file a report on the component costs for each qualifying drug.

Making 2016 supplemental operating appropriations.

(SUBSTITUTED FOR - SEE 1ST SUB)

Makes 2016 supplemental operating appropriations.

HB 2376-S by House Committee on Appropriations (originally sponsored by Representatives Dunshee and Chandler; by request of Office of Financial Management)

(DIGEST AS ENACTED)

Makes 2016 supplemental operating appropriations.

VETO MESSAGE ON 2ESHB 2376

April 18, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 113, page 7, lines 24-25; 123(5); 126(38); 128, page 35, lines 16-19; 128(8); 128(10); 134, page 41, lines 29-32 and page 42, lines 6-7; 134(4); 206, page 90, lines 3-5; 207(9); 220(2)(h); 302(14); 308(22); 402, page 180, lines 22-25; 402(2); 612, page 265, lines 11-12; 901; 920; 921; 929; 935; and 939, Second Engrossed Substitute House Bill No. 2376 entitled:

"AN ACT Relating to fiscal matters."

Section 113, page 7, lines 24-25, Administrator for the Courts, Fiscal Year 2017 Appropriation Reduction Affecting Thurston County Court Funding
Certain types of court cases are required by statute to be filed in Thurston County. The Administrative Office of the Courts (AOC) provides funding to Thurston County to help offset the state impacts to the county's courts. The budget eliminates $811,000 allocated to AOC to reimburse the county for these state impacts. Vetoing the fiscal year 2017 supplemental appropriation in Section 113, lines 24 through 25, will restore $584,000 to the original fiscal year 2017 appropriation. For these reasons, I have vetoed Section 113, page 7, lines 24 through 25.

Section 123(5), page 20, State Auditor, WWAMI Medical School Study
Section 123(5) provides $600,000 for a study of the Washington, Wyoming, Alaska, Montana, and Idaho (WWAMI) medical school. Consistent with the underlying 2015-17 biennial budget, the Auditor's Office will perform the study within the original amounts appropriated. For this reason, I have vetoed Section 123(5).

Section 126(38), page 33, Department of Commerce, Incremental Energy
Funding is provided solely for the implementation of Engrossed Senate Bill No. 6166 (incremental energy). I vetoed this bill. For this reason, I have vetoed Section 126(38).

Section 128, page 35, lines 16-19, Office of Financial Management, Central Service Charges
The General Fund-State (GF-S) appropriations for the Office of Financial Management (OFM) are decreased to reflect the agency's budget, accounting, and forecasting functions being billed to state agencies as a central service charge. Charging agencies for these services could create the perception of unfairness, as agencies would likely receive services disproportionate to the amounts they would be charged. Agencies are provided GF-S appropriations to cover their share of the new OFM central service charge, but the change would negatively impact dedicated funds for which no new revenues are authorized. Vetoing changes to these appropriation line items does not fully restore the expenditure authority required for OFM to continue providing its current level of services. Therefore, OFM will bill agencies only for the difference between the original cost of providing these services and the amount of funding restored by the veto. For these reasons, I have vetoed Section 128, page 35, lines 16 through 19.

Section 128(8), pages 37-38, Office of Financial Management, Infrastructure Investment Strategy Workgroup
Section 128(8) directs OFM to convene a workgroup including local governments, state agencies, and legislators to develop a local government infrastructure investment strategy. A formal workgroup is not necessary to accomplish this task. For this reason, I have vetoed Section 128(8).

Section 128(10), pages 38-39, Office of Financial Management, Proposal for Pacific Tower

Section 128(10) directs OFM to work with the Department of Enterprise Services, Department of Commerce, and Office of the State Treasurer to develop a proposal for the purchase of the Pacific Tower. Preparing such a proposal will require significant legal and real estate professional services that are not funded in the budget. For this reason, I have vetoed Section 128(10).

Section 134, page 41, lines 29-32, and page 42, lines 6-7, Department of Revenue, Performance Audits of Government Account
These appropriations shift $10 million for Department of Revenue (DOR) audit functions from the state General Fund to the Performance Audits of Government Account. To preserve performance audit functions of the State Auditor's Office at their anticipated activity levels for the current biennium, I am vetoing the appropriation from the Performance Audits of Government Account in this section. To preserve audit functions at DOR, I am also vetoing supplemental changes to the agency's General Fund-State appropriations. While I am vetoing Section 134, page 41, lines 29 through 32, I am directing DOR to place excess state General Fund appropriations as a result of this veto in unallotted status in an amount to be determined by the Office of Financial Management. For these reasons, I have vetoed Section 134, page 41, lines 29 through 32 and page 42, lines 6 through 7.

Section 134(4), page 42, Department of Revenue, Waiver of Penalties on Unpaid Royalty Tax
This proviso authorizes the Department of Revenue (DOR) to waive unpaid penalties for outstanding Business and Occupation tax on royalty income. Under current law, DOR already has the authority to waive unpaid penalties. Therefore, this proviso is unnecessary. For this reason, I have vetoed Section 134(4).

Section 206, page 90, lines 3-5, Department of Social and Health Services, Aging and Adult Services
These two appropriations are identified as federal; however, no federal dollars are received into these accounts. The Assisted Living Facility Temporary Management Account and Adult Family Home Account are created in statute as not requiring an appropriation; therefore, the department can spend revenue received into the accounts upon approval of an allotment. For these reasons, I have vetoed Section 206, page 90, lines 3 through 5.

Section 207(9), page 104, Department of Social and Health Services, Economic Services Administration
Funding is provided solely for the implementation of Senate Bill No. 6499 (electronic child support payments). The bill was not enacted. For this reason, I have vetoed Section 207(9).

Section 220(2)(h), page 150, Department of Corrections, Correctional Operations
Funding is provided solely for the implementation of Second Substitute Senate Bill No. 5105 (felony DUI). The bill was not enacted. For this reason, I have vetoed Section 220(2)(h).

Section 302(14), page 161, Department of Ecology, Rain Gauges
This proviso requires the Department of Ecology to transfer responsibility for ongoing operation and maintenance of the rain gauge network in Okanogan County to the Okanogan Conservation District. The Okanogan Conservation District has neither the funding nor expertise needed to operate the network reliably. For this reason, I have vetoed Section 302(14). However, I have directed the Department of Ecology and the State Conservation Commission to work with local authorities in Okanogan County to provide funding, including local funding, to continue network operations to ensure public safety.

Section 308(22), page 175, Department of Natural Resources, Natural Area Preserves
This proviso prohibits the Department of Natural Resources from using any appropriation in this section for activities related to increasing the amount of land managed by the department as natural area preserves. The department has several existing capital projects to expand natural area preserves, and this proviso inhibits its ability to move forward with those projects. For these reasons, I have vetoed Section 308(22).

Section 402, page 180, lines 22-25 and Section 402(2), page 181, Washington State Patrol, Fire Service Training Account
These provisions authorize the use of $1.611 million from the Fire Service Training Account for fire mobilization costs. This account has never been used for fire mobilizations. Its primary purpose is to pay for firefighter training and is used mainly by local government fire agencies. For this reason, I have vetoed Section 402, page 180, lines 22 through 25 and Section 402(2).

Section 612, page 265, lines 11-12, Department of Early Learning, General Fund-State Appropriation (FY16)
This section decreases the General Fund-State appropriation for the Department of Early Learning in fiscal year 2016. This includes a significant reduction in full time employees which cannot be realized within the next two months. Decreased funding may prevent the Department from maintaining and advancing my Healthiest Next Generation initiative to increase coordination of comprehensive health services between state agencies and to improve nutrition and physical activity for young children in early learning settings. Reduced funding also will prevent the Department of Early Learning from investing resources in fraud prevention and meeting new child care provider monitoring requirements of the Child Care and Development Block Grant Reauthorization Act of 2014. For these reasons, I have vetoed Section 612, page 265, lines 11 through 12.

Section 901, page 293, Agency, Collective Bargaining Agreement -- Coalition of Unions
This section rejects funding a Memorandum of Understanding with the Union of Physicians of Washington and directs the terms for an alternative if an agreement is reached by June 30, 2016. This is not in keeping with the state's collective bargaining law, RCW 41.80.010, that specifies the process to be used if the Legislature does not approve funding a tentative agreement. Collective bargaining will proceed in accordance with statutory requirements. For this reason, I have vetoed Section 901.

Section 920, pages 305-307, Fire Insurance Premium Tax
This section limits the distribution of fire insurance premium tax to local governments and requires reports and audits of information about local governments' firefighters' pension funds. Changes in the distribution of this tax should follow, rather than precede, collection of this information and review of potential changes in distribution. For this reason, I have vetoed Section 920. I encourage the affected local governments to provide the information specified in this section and direct the Department of Revenue and the Department of Retirement Systems to review the information submitted.

Section 921, pages 307-308, Law Enforcement Officers' and Firefighters' Retirement System (LEOFF), Distribution in 2017
Section 921 declares the Legislature's intent to fund a 2017 distribution to the Local Law Enforcement Officers' and Firefighters' Retirement System Benefits Improvement Account through "alternate means" which may include transfers from the LEOFF 2 pension fund itself. I vetoed similar language in the 2015-17 biennial budget because I believe that this is not an appropriate use of a pension fund. While I signed the actual transfer language at that time, I indicated that this should be a one-time event to avoid weakening the pension fund. I continue to think that this is unwise, particularly when used to help balance the budget over four years. For these reasons, I have vetoed Section 921.

Section 929, pages 318-319, Fire Services Training Account
This section authorizes use of the Fire Services Training Account for fire mobilization cost of the Washington State Patrol. Because I have vetoed Section 402, page 180, lines 22

through 25 and Section 402(2), this authority is unnecessary. For this reason, I have vetoed Section 929.

Section 935, page 323, Public Works Assistance Account
This section provides a statement of intent that the Legislature will not authorize new loans for public works from the Public Works Assistant [Assistance] Account in the 2017-19 biennium. Use of funding in the account next biennium is a decision for the next Legislature. In addition, there is a clear need for future public infrastructure improvement throughout the state. For these reasons, I have vetoed Section 935.

Section 939, pages 325-326, Parking Enforcement
This section amends current law to authorize the Department of Enterprise Services to contract with the City of Olympia to enforce parking on the Capital [Capitol] campus. This amendment changes substantive law related to parking violations and enforcement, which is more appropriate for a policy bill. For this reason, I have vetoed Section 939.

For these reasons I have vetoed Sections 113, page 7, lines 24-25; 123(5); 126(38); 128, page 35, lines 16-19; 128(8); 128(10); 134, page 41, lines 29-32 and page 42, lines 6-7; 134(4); 206, page 90, lines 3-5; 207(9); 220(2)(h); 302(14); 308(22); 402, page 180, lines 22-25; 402(2); 612, page 265, lines 11-12; 901; 920; 921; 929; 935; and 939 of Second Engrossed Substitute House Bill No. 2376.

With the exception of Sections 113, page 7, lines 24-25; 123(5); 126(38); 128, page 35, lines 16-19; 128(8); 128(10); 134, page 41, lines 29-32 and page 42, lines 6-7; 134(4); 206, page 90, lines 3-5; 207(9); 220(2)(h); 302(14); 308(22); 402, page 180, lines 22-25; 402(2); 612, page 265, lines 11-12; 901; 920; 921; 929; 935; and 939, Second Engrossed Substitute House Bill No. 2376 is approved.

Respectfully submitted,
Jay Inslee

VETO MESSAGE ON ESHB 2380

April 18, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 6009 and 6011, Engrossed Substitute House Bill No. 2380 entitled:

"AN ACT Relating to the capital budget."

Section 6009, page 86, Life Cycle Cost Analyses
Section 6009 requires the Office of Financial Management (OFM) to verify the results of its life cycle cost analyses with an independent consultant selected by the chairs of the House and Senate capital budget committees. Engaging a third party will add cost and time, and funding for the consultant was not provided. For these reasons, I have vetoed Section 6009. However, I have directed OFM to post completed life cycle cost analyses on its website to make them more accessible to the public.

Section 6011, page 87, State Drought Preparedness Account
Section 6011 amends the State Drought Preparedness Account to be used for drought response. It is redundant with Section 933 in Second Engrossed Substitute House Bill 2376 (supplemental operating budget) and, therefore, is unnecessary. For this reason, I have vetoed Section 6011.

For these reasons I have vetoed Sections 6009 and 6011 of Engrossed Substitute House Bill No. 2380.

With the exception of Sections 6009 and 6011, Engrossed Substitute House Bill No. 2380 is approved.

Respectfully submitted,
Jay Inslee
Governor

Requires the joint legislative audit and review committee to conduct an inventory of the mental health service models available to students in schools, school districts, and educational service districts.

Requires Forefront at the University of Washington to: (1) Convene a one-day in-person training of student support staff from the educational service districts to deepen the staff's capacity to assist schools in their districts in responding to concerns about suicide;

(2) After establishing these relationships with the educational service districts, continue to meet with the educational service districts via videoconference on a monthly basis to answer questions that arise for the educational service districts and to assess the feasibility of collaborating with the educational service districts to develop a multiyear, statewide rollout of a comprehensive school suicide prevention model; and

(3) Work to develop public-private partnerships to support the rollout of a comprehensive school suicide prevention model across the state's middle schools and high schools.

Provides that sections 4 and 5 of this act are null and void if appropriations are not approved.

VETO MESSAGE ON 2SHB 2449

April 1, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 1, 13-15, and 21, Second Substitute House Bill No. 2449 entitled:

> "AN ACT Relating to court-based and school-based intervention and prevention efforts to promote attendance and reduce truancy."

Section 1 is an intent section that is not necessary for the policy implementation of the bill.

Sections 13-15 and 21 of the bill reduce funding for the state Learning Assistance Program (LAP), which supports academic achievement for low-income students. LAP resources are allocated based on school poverty rates and by law must be focused first on evidence-based instructional strategies to teach elementary school students to read. Before rededicating these funds, we need evidence that prioritizing the reduction of absenteeism over early reading readiness and acquisition is a more effective means to promote academic achievement for low-income students.

For these reasons I have vetoed Sections 1, 13-15, and 21 of Second Substitute House Bill No. 2449.

With the exception of Sections 1, 13-15, and 21, Second Substitute House Bill No. 2449 is approved.

Respectfully submitted,
Jay Inslee
Governor

Supporting agricultural production, including that of apiarists, through the preservation of forage for pollinators.

(DIGEST AS ENACTED)

Requires the state noxious weed control board to conduct a pilot project that evaluates the options, methods, and costs of purposefully replacing pollen-rich and nectar-rich noxious weeds with either native or noninvasive, nonnative forage plants that can produce similar levels of pollen and nectar with a similar bloom succession to support populations of honey bees and other pollinators.

Requires all agencies, while conducting planned projects to ensure compliance with chapter 17.10 RCW, to give preference to replacing pollen-rich or nectar-rich noxious weeds with native forage plants that are beneficial for all pollinators, including honey bees.

Requires any corps project that involves the removal of noxious weeds to include the planting of pollen-rich and nectar-rich native plants to provide forage for all pollinators, including honey bees.

HB 2479 by Representatives Lytton, Reykdal, Jinkins, Frame, Ormsby, and S. Hunt; by request of Office of Financial Management

Investing in education by modifying and improving the fairness of Washington's excise tax system by narrowing or eliminating tax preferences.

Invests in education by: (1) Narrowing the use tax exemption for extracted fuel;

(2) Repealing the nonresident sales and use tax exemption;

(3) Eliminating the sales and use tax exemption for bottled water; and

(4) Eliminating the real estate excise tax exemption for transfers that occur in foreclosures except in circumstances where the tax would impact the owner of the property and restructuring the existing statute to preserve the exemption for deeds given in lieu of the foreclosure process and transfers made to extinguish existing security interests.

Supports education-related expenditures from the education legacy trust account. General state revenues transferred to the education legacy trust account under this act are excluded from the calculation of general state revenues for purposes of Article VIII, section 1 of the state Constitution.

HB 2524-S by House Committee on Transportation (originally sponsored by Representatives Clibborn, Orcutt, Fey, and McBride; by request of Office of Financial Management)

(DIGEST AS ENACTED)

Makes 2015-2017 supplemental transportation appropriations.

VETO MESSAGE ON ESHB 2524

March 25, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 214(2), 215(8), 218(6), and 302(13), Engrossed Substitute House Bill No. 2524 entitled:

"AN ACT Relating to transportation funding and appropriations."

Section 214(2), pages 28-29, Department of Transportation, Economic Partnerships
This proviso directs the Department of Transportation's Economic Partnerships Program to study and report to the transportation committees of the Legislature on the feasibility of contracting with the private sector to collect tolls and provide services to drivers crossing the Tacoma Narrows Bridge. No funding was provided for the study, and the in-depth analysis and research required for such a study is beyond the capacity of the current two program staff. The program is already consulting with the department's Tolling Division on its ongoing efforts to reduce costs associated with the Tacoma Narrows Bridge consistent with previous legislative direction in the underlying biennial budget. The Tolling Division will report on this work prior to the 2017 legislative session. For these reasons, I have vetoed Section 214(2).

Section 215(8), page 30, Department of Transportation, Highway Maintenance
Section 215(8) requires the department to use $100,000 of existing resources to submit a request for proposals as part of a pilot project to explore the use of rotary auger ditch cleaning and reshaping service technology. No new funding was provided for the department to conduct this activity and the proviso represents a cut to the current maintenance budget. For these reasons, I have vetoed Section 215(8).

Section 218(6), pages 35-36, Department of Transportation, Transportation Planning, Data, and Research
This proviso directs the department within existing resources to report on state options for addressing the removal of the Eastside Freight railroad line, which runs from the city of Snohomish to the city of Woodinville. The state has no jurisdiction over the preservation and maintenance of this rail corridor and has no jurisdiction over future freight rail service or projects underway or planned for the corridor. For these reasons, I have vetoed Section 218(6).

Section 302(13), page 45, Washington State Patrol, Whiskey Ridge Radio Communications Site
The $80,000 appropriated for this project is insufficient and less than half of the agency request amount of $175,000, which was also included in my budget proposal. The proviso language prohibiting the use of other funds to complete the project also unduly restricts the agency's ability to manage its appropriations. The Washington State Patrol will not use the funding provided for this project and will instead look at other options to address the need for a shelter at this site, including a potential future budget request. For these reasons, I have vetoed Section 302(13).

For these reasons I have vetoed Sections 214(2), 215(8), 218(6), and 302(13) of Engrossed Substitute House Bill No. 2524.

With the exception of Sections 214(2), 215(8), 218(6), and 302(13), Engrossed Substitute House Bill No. 2524 is approved.

Respectfully submitted,
Jay Inslee
Governor

VETO MESSAGE ON E2SHB 2793

March 31, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 3 and 9, Engrossed Second Substitute House Bill No. 2793 entitled:

"AN ACT Relating to providing for suicide awareness and prevention education for safer homes."

Section 3 of this bill creates the safe homes project and Section 9 provides for the expiration [of] that section. These two sections are from a prior version of the bill and the final bill was not properly amended to remove them. The bill's prime sponsor and other advocates requested this veto because the work on the safe homes project is premature. The task force created in Section 2 of the bill will begin a pilot and provide the necessary ground work to better analyze the potential of this project.

For these reasons I have vetoed Sections 3 and 9 of Engrossed Second Substitute House Bill No. 2793.

With the exception of Sections 3 and 9, Engrossed Second Substitute House Bill No. 2793 is approved.

Respectfully submitted,
Jay Inslee
Governor

Concerning the recruitment and retention of Washington state patrol commissioned officers.

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the office of financial management to: (1) Perform an organization study through a third-party independent consultant to implement the changes in the joint transportation committee recruitment and retention study, dated January 7, 2016, affecting each organization in the study; and

(2) Conduct a survey of the law enforcement agencies described below and share the results with the collective bargaining units of the Washington state patrol.

Requires the state to consider, during the collective bargaining process for commissioned officers of the Washington state patrol, the estimated average total compensation for each corresponding rank from the Seattle police department, King county sheriff's office, Tacoma police department, Snohomish county sheriff's office, Spokane police department, and Vancouver police department.

Requires Washington state patrol management to work actively with the independent consultant to implement the recommended changes.

Requires the select committee on pension policy to review the pension-related items in the study and make recommendations to the governor's office and the legislature.

Requires the legislature to provide different funding options to start implementing the study recommendations.

Requires the Washington association of sheriffs and police chiefs to work with the office of financial management on the survey.

Requires the collective bargaining units of the Washington state patrol and the office of financial management to consider the results of the survey and the dedicated compensation funding provided for in the Washington state patrol highway account during negotiations.

HB 2872-S by House Committee on Transportation (originally sponsored by Representatives Fey, Hayes, Clibborn, Moscoso, Rodne, Tarleton, Kilduff, Muri, Fitzgibbon, Appleton, Stokesbary, Stanford, Griffey, Senn, Bergquist, S. Hunt, Ortiz-Self, Gregerson, and Ormsby)

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the office of financial management to: (1) Perform an organization study through a third-party independent consultant to implement the changes in the joint transportation committee recruitment and retention study, dated January 7, 2016, affecting each organization in the study; and

(2) Conduct a survey of the law enforcement agencies described below and share the results with the collective bargaining units of the Washington state patrol.

Requires the state to consider, during the collective bargaining process for commissioned officers of the Washington state patrol, the average total compensation for each corresponding rank from the Seattle police department, King county sheriff's office, Tacoma police department, Snohomish county sheriff's office, Spokane police department, and Vancouver police department.

Requires the minimum monthly salary paid to Washington state patrol officers to be competitive with law enforcement agencies within the boundaries of the state.

Requires the salary levels to be the average of compensation paid to the corresponding rank from the law enforcement agencies mentioned above.

Requires Washington state patrol management to work actively with the independent consultant to implement the recommended changes.

Requires the select committee on pension policy to review the pension-related items in the study and make recommendations to the governor's office and the legislature.

Requires the legislature to provide different funding options to start implementing the study recommendations.

Requires the Washington association of sheriffs and police chiefs to work with the office of financial management on the survey.

Requires the collective bargaining units of the Washington state patrol and the office of financial management to consider the results of the survey and the dedicated compensation funding provided for in the Washington state patrol highway account during negotiations.

HB 2872-S2 by House Committee on Appropriations (originally sponsored by Representatives Fey, Hayes, Clibborn, Moscoso, Rodne, Tarleton, Kilduff, Muri, Fitzgibbon, Appleton, Stokesbary, Stanford, Griffey, Senn, Bergquist, S. Hunt, Ortiz-Self, Gregerson, and Ormsby)

(DIGEST AS ENACTED)

Declares an intent, in the 2017-2019 fiscal biennium, to: (1) Increase the thirty-dollar vehicle license fee distribution to the Washington state patrol for the salaries and benefits of state patrol officers; and

(2) Make adjustments as needed in the 2019-2021 fiscal biennium.

Requires the office of financial management to perform an organization study through a third-party independent consultant to implement the changes in the joint transportation committee recruitment and retention study, dated January 7, 2016, affecting each organization in the study.

Requires the Washington state patrol to develop an action plan and implementation strategy for each of the recommendations that are outlined in the study.

Requires the select committee on pension policy to review the pension-related items in the study and make recommendations to the governor's office and the legislature.

Requires Washington state patrol troopers, sergeants, lieutenants, and captains to receive a one-time five percent compensation increase effective July 1, 2016.

Requires the minimum monthly salary paid to Washington state patrol troopers and sergeants on July 1, 2017, to be competitive with law enforcement agencies within the boundaries of the state, guided by the results of a survey undertaken in the collective bargaining process during 2016.

Requires the salary levels on July 1, 2017, to be guided by the average of compensation paid to the corresponding rank from the Seattle police department, King county sheriff's office, Tacoma police department, Snohomish county sheriff's office, Spokane police department, and Vancouver police department.

Requires the office of financial management, the Washington state patrol troopers association, and the Washington state patrol lieutenants association, during the 2017-2019 collective bargaining process, to evaluate regional differences in the cost-of-living to determine areas of the state where geographic pay may be needed.

Requires the Washington state patrol, in order to ensure that it is adequately and thoroughly reaching potential recruits, to develop a comprehensive outreach and marketing strategic plan that expands on the success of current strategies and looks for ways to tap into groups or individuals that do not currently show an interest in the Washington state patrol or law enforcement as a career.

VETO MESSAGE ON SHB 2900

April 1, 2016

To the Honorable Speaker and Members,
The House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 2 and 3, Substitute House Bill No. 2900 entitled:

> "AN ACT Relating to prohibiting marijuana, alcohol, or other intoxicant, or a cell phone while confined or incarcerated in a state correctional institution."

Sections 2 and 3 of this bill disallow earned time on the sentences imposed under this statute, something currently only done on special sex offender sentencing alternatives. It is highly unlikely that disallowing earned time would add to the deterrent effect of this bill, but it will certainly drive additional complications in sentencing calculation. If there is a desire to change the statutes regarding earned time, we should look at this holistically rather than in piecemeal.

For these reasons I have vetoed Sections 2 and 3 of Substitute House Bill No. 2900.

With the exception of Sections 2 and 3, Substitute House Bill No. 2900 is approved.

Respectfully submitted,
Jay Inslee
Governor
