

state funding shall not exceed the projected total cost of offering the educational service: PROVIDED FURTHER, That enrollments generated by courses offered on the basis of contracts requiring payment of a share of the normal costs of the course will be discounted to the percentage provided by the college;

(18) Shall be authorized to pay dues to any association of trustees that may be formed by the various boards of trustees; such association may expend any or all of such funds to submit biennially, or more often if necessary, to the governor and to the legislature, the recommendations of the association regarding changes which would affect the efficiency of such association;

(19) Subject to the approval of the higher education coordinating board pursuant to RCW 28B.80.340(4), may participate in higher education centers and consortia that involve any four-year public or independent college or university; and

(20) Shall perform any other duties and responsibilities imposed by law or rule and regulation of the state board.

NEW SECTION, Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House February 13, 1990.

Passed the Senate March 1, 1990.

Approved by the Governor March 21, 1990.

Filed in Office of Secretary of State March 21, 1990.

CHAPTER 136

[Senate Bill No. 6559]

WINTER RECREATIONAL FACILITIES—REIMBURSEMENT OF COSTS

AN ACT Relating to reimbursement for costs of plan review and construction approval of winter recreational facilities; and amending RCW 70.88.070, 43.51.290, and 70.88.080.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 7, chapter 327, Laws of 1959 as last amended by section 1, chapter 74, Laws of 1975 1st ex. sess. and RCW 70.88.070 are each amended to read as follows:

The expenses incurred in connection with making inspections under this chapter shall be paid by the owner or operator of such recreational devices either by reimbursing the commission for the costs incurred or by paying directly such individuals or firms that may be engaged by the commission to accomplish the inspection service. Payment shall be made only upon notification by the commission of the amount due. The commission shall maintain accurate and complete records of the costs incurred for each

inspection and plan review for construction approval and shall assess the respective owners or operators of said recreational devices only for the actual costs incurred by the commission for such safety inspections and plan review for construction approval. The costs as assessed by the commission shall be a lien on the equipment of the owner or operator of the recreational devices so inspected. Such moneys collected by the commission hereunder shall be paid into the parks and parkways account of the general fund.

Sec. 2. Section 1, chapter 209, Laws of 1975 1st ex. sess. as amended by section 1, chapter 11, Laws of 1982 and RCW 43.51.290 are each amended to read as follows:

In addition to its other powers, duties, and functions the state parks and recreation commission may:

(1) Plan, construct, and maintain suitable facilities for winter recreational activities on lands administered or acquired by the commission or as authorized on lands administered by other public agencies or private landowners by agreement;

(2) Provide and issue upon payment of the proper fee, with the assistance of such authorized agents as may be necessary for the convenience of the public, a permit to park in designated winter recreational area parking spaces;

(3) Administer the snow removal operations for all designated winter recreational area parking spaces; and

(4) Compile, publish, and distribute maps indicating such parking spaces, adjacent trails, and areas and facilities suitable for winter recreational activities.

The commission may contract with any public or private agency for the actual conduct of such duties, but shall remain responsible for the proper administration thereof. The commission is not liable for unintentional injuries to users of lands administered for winter recreation purposes under this section or under RCW 46.10.210, whether the lands are administered by the commission, by other public agencies, or by private landowners through agreement with the commission. Nothing in this section prevents the liability of the commission for injuries sustained by a user by reason of a known dangerous artificial latent condition for which warning signs have not been conspicuously posted. A road covered with snow and groomed for the purposes of winter recreation consistent with this chapter and chapter 46.10 RCW shall not be presumed to be a known dangerous artificial latent condition for the purposes of this chapter.

Sec. 3. Section 8, chapter 327, Laws of 1959 and RCW 70.88.080 are each amended to read as follows:

Inspections, rules, and orders of the ((department)) state parks and recreation commission resulting from the exercise of the provisions of this chapter, as well as under RCW 70.88.020, shall not in any manner be deemed to impose liability upon the state for any injury or damage resulting

from the operation of the facilities regulated by this chapter, and all actions of the ((department)) state parks and recreation commission and its personnel shall be deemed to be an exercise of the police power of the state.

Passed the Senate March 8, 1990.

Passed the House March 2, 1990.

Approved by the Governor March 21, 1990.

Filed in Office of Secretary of State March 21, 1990.

CHAPTER 137

[Senate Bill No. 6172]

ENVIRONMENTAL COORDINATION PROCEDURES

AN ACT Relating to environmental coordination procedures; and amending RCW 90.62.040.

Be it enacted by the Legislature of the State of Washington:

Sec. 1. Section 4, chapter 185, Laws of 1973 1st ex. sess. as amended by section 3, chapter 54, Laws of 1977 and RCW 90.62.040 are each amended to read as follows:

(1) Any person proposing a project may submit a master application to the department requesting the issuance of all permits necessary prior to the construction and operation of the project in the state of Washington. The master application shall be on a form furnished by the department and shall contain precise information as to the location of the project, and shall describe the nature of the project including any discharges of wastes proposed therefrom and any uses of, or interferences with, natural resources contemplated.

(2) Upon receipt of a properly completed master application, the department shall immediately notify in writing each state agency having a possible interest in the master application arising from requirements pertaining to a permit program under its jurisdiction. The notification from the department shall be accompanied by a copy of the master application together with the date by which the agency shall respond to the notice. Each notified agency shall respond in writing to the department within the specified date, not exceeding fifteen days from receipt, as determined by the department, advising (a)(i) whether the agency does or does not have an interest in the master application, and (a)(ii) if the response to (a)(i) of this subsection is affirmative, the permit program or programs under the agency's jurisdiction to which the project described in the master application is pertinent, and whether, in relation to the master application, a public hearing as provided in RCW 90.62.050 and 90.62.060 would or would not be of value taking into consideration the overall public interest. Each notified state agency which (b)(i) responds within the specified date that it does not
