### MOTIONS

Representative Fitzgibbon moved that the measures printed on today's introductions sheet be considered first reading under the fourth order of business and be referred to the committees so designated.

Representative Stokesbary moved to amend the motion to add instructions to the Community Safety, Justice, and Reentry Committee to promptly hold a public hearing on HI-2113 with public notice requirements in House Rules 26(A).

### POINT OF ORDER

Representative Stonier requested a Point of Order on the motion to amend as out of order under the House Rules and Joint Rule 16.

### SPEAKER'S RULING

"Neither the House Rules nor the Joint Rules adopted by this body permit directing a committee and its operations upon introduction, first reading, and referral of measures.

The House Rules and Joint Rule 16 do respectively require referring measures to the 'appropriate' or 'proper' committee.

Had the motion challenged the committee to which the measure is sought to be referred, that motion would have been in order. That is not the subject of the motion to amend here.

The Speaker therefore finds that under the House Rules and Joint Rule 16, the motion to amend is out of order.

The point of order is well taken."
