(c) Formation of a limited liability partnership under this subsection does not restrict the application of the uniform disciplinary act under chapter 18.130 RCW, or any applicable health care professional statutes under Title 18 RCW, including but not limited to restrictions on persons practicing a health profession without being appropriately credentialed and persons practicing beyond the scope of their credential.

Sec. 32. RCW 25.15.045 and 1999 c 128 s 2 are each amended to read as follows:

(3) For purposes of applying the provisions of chapter 18.100 RCW to a professional limited liability company, the terms "director" or "officer" means manager, "shareholder" means member, "corporation" means professional limited liability company, "articles of incorporation" means certificate of formation, "shares" or "capital stock" means a limited liability company interest, "incorporator" means the person who executes the certificate of formation, and "bylaws" means the limited liability company agreement.

(4) The name of a professional limited liability company must contain either the words "Professional Limited Liability Company," or the words "Professional Limited Liability" and the abbreviation "Co.," or the abbreviation "P.L.L.C." or "PLLC" provided that the name of a professional limited liability company organized to render dental services shall contain the full names or surnames of all members and no other word than "chartered" or the words "professional services" or the abbreviation "P.L.L.C." or "PLLC."

(5) Subject to the provisions in article VII of this chapter, the following may be a member of a professional limited liability company and may be the transferee of the interest of an ineligible person or deceased member of the professional limited liability company:

(a) A professional corporation, if its shareholders, directors, and its officers other than the secretary and the treasurer, are licensed or otherwise legally authorized to render the same specific professional services as the professional limited liability company; and

(b) Another professional limited liability company, if the managers and members of both professional limited liability companies are licensed or otherwise legally authorized to render the same specific professional services.

(6)(a) Notwithstanding any other provision of this chapter, health care professionals who are licensed or certified pursuant to chapters 18.06, ~~((18.19,))~~ 18.-- (sections 1 through 16 of this act), 18.22, 18.25, 18.29, 18.34, 18.35, 18.36A, 18.50, 18.53, 18.55, 18.57, 18.57A, 18.64, 18.71, 18.71A, 18.79, 18.83, 18.89, 18.108, and 18.138 RCW may own membership interests in and render their individual professional services through one limited liability company and are to be considered, for the purpose of forming a limited liability company, as rendering the "same specific professional services" or "same professional services" or similar terms.

(b) Notwithstanding any other provision of this chapter, health care professionals who are regulated under chapters 18.59 and 18.74 RCW may own membership interests in and render their individual professional services through one limited liability company formed for the sole purpose of providing professional services within their respective scope of practice.

(c) Formation of a limited liability company under this subsection does not restrict the application of the uniform disciplinary act under chapter 18.130 RCW, or any applicable health care professional statutes under Title 18 RCW, including but not limited to restrictions on persons practicing a health profession without being appropriately credentialed and persons practicing beyond the scope of their credential.

Sec. 33. RCW 48.43.087 and 1996 c 304 s 1 are each amended to read as follows:

(d) "Mental health services" means outpatient services.

(2) Consistent with federal and state law and rule, no contract between a mental health care practitioner and an intermediary or between a mental health care practitioner and a health carrier that is written, amended, or renewed after June 6, 1996, may contain a provision prohibiting a practitioner and an enrollee from agreeing to contract for services solely at the expense of the enrollee as follows:

(a) On the exhaustion of the enrollee's mental health care coverage;

(b) During an appeal or an adverse certification process;

(c) When an enrollee's condition is excluded from coverage; or

(d) For any other clinically appropriate reason at any time.

(3) If a mental health care practitioner provides services to an enrollee during an appeal or adverse certification process, the practitioner must provide to the enrollee written notification that the enrollee is responsible for payment of these services, unless the health carrier elects to pay for services provided.

(4) This section does not apply to a mental health care practitioner who is employed full time on the staff of a health carrier.

MOTION

Senator Thibaudeau moved that the Senate concur in the House amendment to Engrossed Substitute Senate Bill No. 5877.

Debate ensued.

POINT OF INQUIRY

Senator Zarelli: "Senator Thibaudeau, I just wanted to clarify--my original concern over the bill was the privilege and confidentiality between a parent and the child that that bill will allow. Are we saying now, with this House amendment, that that confidentiality and privilege no longer is in the bill and, therefore, the issue that Senator Hargrove has brought up is no longer a matter within this bill?"

Senator Thibaudeau: "Yes, that is true. It is not in this bill. It is true, as Senator Costa said, it is simply not relevant. It simply sets the standards for the educational and professional requirements."

Further debate ensued.

The President declared the question before the Senate to be the motion by Senator Thibaudeau that the Senate concur in the House amendment to Engrossed Substitute Senate Bill No. 5877.

MESSAGE FROM THE HOUSE

April 12, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5606 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to authorize the department of social and health services to investigate the background of current and future department employees to the same extent and with the same effect as it has authorized the state to investigate the background and exclude from the provision of service current and future care providers, contractors, volunteers, and others. The department of social and health services must coordinate with the department of personnel to develop rules that address the procedures for undertaking background checks, and specifically what action would be taken against a current employee who is disqualified from his or her current position because of a background check not previously performed.

Sec. 2. RCW 9.96A.020 and 1999 c 16 s 1 are each amended to read as follows:

(1) Subject to the exceptions in subsections (3) and (4) of this section, and unless there is another provision of law to the contrary, a person is not disqualified from employment by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, nor is a person disqualified to practice, pursue or engage in any occupation, trade, vocation, or business for which a license, permit, certificate or registration is required to be issued by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations solely because of a prior conviction of a felony. However, this section does not preclude the fact of any prior conviction of a crime from being considered.

(2) A person may be denied employment by the state of Washington or any of its counties, cities, towns, municipal corporations, or quasi-municipal corporations, or a person may be denied a license, permit, certificate or registration to pursue, practice or engage in an occupation, trade, vocation, or business by reason of the prior conviction of a felony if the felony for which he or she was convicted directly relates to the position of employment sought or to the specific occupation, trade, vocation, or business for which the license, permit, certificate or registration is sought, and the time elapsed since the conviction is less than ten years. However, for positions in the county treasurer's office, a person may be disqualified from employment because of a prior guilty plea or conviction of a felony involving embezzlement or theft, even if the time elapsed since the guilty plea or conviction is ten years or more.

(3) A person is disqualified for any certificate required or authorized under chapters 28A.405 or 28A.410 RCW, because of a prior guilty plea or the conviction of a felony involving sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW where a minor is the victim, promoting prostitution of a minor under chapter 9A.88 RCW, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

(4) A person is disqualified from employment by school districts, educational service districts, and their contractors hiring employees who will have regularly scheduled unsupervised access to children, because of a prior guilty plea or conviction of a felony involving sexual exploitation of a child under chapter 9.68A RCW, sexual offenses under chapter 9A.44 RCW where a minor is the victim, promoting prostitution of a minor under chapter 9A.88 RCW, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

(5) A person is disqualified from employment by the department of social and health services because of a prior felony guilty plea or conviction if the felony relates to the position of employment sought and the position involves or may involve unsupervised access to children, a person who is under the age of twenty-one and has been sentenced to a term of confinement under the supervision of the department of social and health services under chapter 13.40 RCW, a person who is a vulnerable adult under chapter 74.34 RCW or a person who is a vulnerable person, even if the time elapsed since the guilty plea or conviction is ten years or more. For the purposes of this section, "vulnerable person" means an adult of any age who lacks the functional, mental, or physical ability to care for himself or herself.

(6) Subsections (3) and (4) of this section only apply to a person applying for a certificate or for employment on or after July 25, 1993.

Sec. 3. RCW 28A.400.303 and 1992 c 159 s 2 are each amended to read as follows:

School districts, educational service districts, the state school for the deaf, the state school for the blind, and their contractors hiring employees who will have regularly scheduled unsupervised access to children shall require a record check through the Washington state patrol criminal identification system under RCW 43.43.830 through 43.43.834, 10.97.030, and 10.97.050 and through the federal bureau of investigation before hiring an employee. MOTION

Senator Kline moved that the Senate concur in the House amendment to Engrossed Senate Joint Resolution No. 8208.

Debate ensued.

The President declared the question before the Senate to be the motion by Senator Kline that the Senate concur in the House amendment to Engrossed Senate Joint Resolution No. 8208.

The motion by Senator Kline carried and the Senate concurred in the House amendment to Engrossed Senate Joint Resolution No. 8208. The President declared the question before the Senate to be the roll call on the final passage of Engrossed Senate Joint Resolution No. 8208, as amended by the House.

POINT OF INQUIRY

Senator Benton: "Senator Kline, this measure has been before the Senate before and I am just looking for some clarification. Judges Pro Tempore--the authorization of Judges Pro Tempore in Superior Courts would mean the authorization of someone sitting on a case that had not been elected. Is that correct?"

Senator Kline: "No, that is not correct."

Senator Benton: "Could you explain it to me, please?"

Senator Kline: "It would be a District Court Judge, elected. I believe the term used in the Constitutional amendments text is 'Elected Judge.' It could be an elected judge that would be called up as a practical matter by the Superior Court presiding judge--not to handle the three week long medical malpractice case--but rather to take over

the arraignment calendar, the divorce calendar, the civil motions calendar, while the presiding judge of the Superior Court take the three week-long medical malpractice case. I can assure you the judges are prima donna just like we are. They don't call up junior members to take up the big glorious stuff. They do that themselves. Thank you."

Senator Benton: "In no case, would we have a situation where a judge has not been elected sitting as a pro tempore in a Superior Court?"

Senator Kline: "That is correct. I believe District Court and Municipal Court Judges--but they are elected and I believe that word appears in the text."

Senator Benton: "Okay, thank you."

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Senate Joint Resolution No. 8208, as amended by the House, and the joint resolution passed the Senate by the following vote: Yeas, 39; Nays, 8; Absent, 0; Excused, 2.

Voting yea: Senators Brown, Carlson, Costa, Deccio, Eide, Fairley, Franklin, Fraser, Gardner, Hale, Hargrove, Haugen, Hewitt, Honeyford, Horn, Jacobsen, Johnson, Kastama, Kline, Kohl-Welles, Long, McAuliffe, McCaslin, Morton, Oke, Parlette, Prentice, Rasmussen, Regala, Sheahan, Sheldon, B., Sheldon, T., Shin, Snyder, Spanel, Swecker, Thibaudeau, and Winsley - 39.

(2) The department of social and health services shall not initiate any services that will require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3)(a) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified herein. However, after May 1, 2000, unless specifically prohibited by this act, the department may transfer general fund--state appropriations for fiscal year 2000 among programs after approval by the director of financial management. However, the department shall not transfer state moneys that are provided solely for a specified purpose except as expressly provided in subsection (3)(b) of this section.

(b) After May 1, 2001, after approval by the director of financial management and unless specifically prohibited by this act, the department may transfer moneys among programs, including federal moneys that are provided solely for a specified purpose. However, the department shall not transfer state moneys that are provided for a specified purpose except as expressly provided in subsection (3)(d) of this section.

(c) To the extent that transfers under subsection (3)(a) of this section are insufficient to fund actual expenditures in excess of fiscal year 2000 caseload forecasts and utilization assumptions in the medical assistance, long-term care, foster care, adoption support, voluntary placement, and child support programs, the department may transfer state moneys that are provided solely for a specified purpose after approval by the director of financial management.

((e)) (d) To the extent that transfers under subsection (3)(b) of this section are insufficient to fund actual expenditures in excess of fiscal year 2001 caseload forecasts and utilization assumptions in the medical assistance, long-term care, foster care, adoption support, and child support programs, the department may transfer state moneys that are provided solely for a specified purpose after approval by the director of financial management.

(e) The director of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing prior to approving any allotment modifications.

(b) The mental health program at Western state hospital shall continue to use labor provided by the Tacoma prerelease program of the department of corrections.

(c) The department shall use general fund--local appropriations in this subsection to establish a third-party revenue incentive pool, which shall be used for staff-initiated projects which will increase the quality of care at the state hospitals. For fiscal year 2000, the incentive pool shall be (i) the first \$200,000 by which revenues from third-party payers exceed \$28,000,000; and (ii) fifty percent of any amounts beyond \$28,200,000, up to a maximum of \$500,000. For fiscal year 2001, the incentive pool shall be (iii) the first \$350,000 by which third-party revenues exceed \$28,480,000; and (iv) fifty percent of any amounts beyond \$28,830,000, up to a maximum of \$700,000. For purposes of this subsection, "third-party revenues" does not include disproportionate share hospital payments or the federal share of salaries and benefit allocations. The department may establish separate incentive pools for each hospital. The department may also divide the annual revenue target into quarterly goals, and make funds available from the incentive pool on a quarterly basis.

(d) \$444,000 of the general fund--state appropriation for fiscal year 2000, \$1,866,000 of the general fund--state appropriation for fiscal year 2001, \$196,000 of the general fund--private/local appropriation, and \$157,000 of the general fund--federal appropriation are provided for improved, more specialized care for persons with developmental disabilities during their treatment for a psychiatric illness at the state hospitals.

(e) By March 1, 2001, the department shall modify the treatment approach on at least two state hospital wards to more cost-effective models of care. The models shall place greater emphasis upon community transition, or upon long-term support, than upon intensive psychiatric rehabilitation for residents for whom such an alternative model of care is determined appropriate by their treatment team. The alternative treatment approaches may include closure of a ward and use of hospital staff to provide transitional community services, in coordination with the regional support networks.

Sec. 205. 2000 2nd sp.s. c 1 s 206 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--DEVELOPMENTAL DISABILITIES PROGRAM

(1) COMMUNITY SERVICES	
General Fund--State Appropriation (FY 2000) \$ 185,473,000	
General Fund--State Appropriation (FY 2001) \$ ((205,593,000))	
	<u>212,352,000</u>
General Fund--Federal Appropriation \$ ((325,535,000))

Health Services Account--State Appropriation \$ 262,000	
TOTAL APPROPRIATION \$ ((716,863,000))	
	<u>724,382,000</u>

The appropriations in this subsection are subject to the following conditions and limitations:

(a) The health services account appropriation and \$127,000 of the general fund--federal appropriation are provided solely for health care benefits for home care workers with family incomes below 200 percent of the federal poverty level who are employed through state contracts for twenty hours per week or more. Premium payments for individual provider home care workers shall be made only to the subsidized basic health plan. Home care agencies may obtain coverage either through the basic health plan or through an alternative plan with substantially equivalent benefits.

(b) \$3,100,000 of the general fund--state appropriation for fiscal year 2000, \$4,650,000 of the general fund--state appropriation for fiscal year 2001, and \$8,250,000 of the general fund--federal appropriation are provided solely to increase services and supports for people with developmental disabilities. These funds shall be expended in accordance with priorities established by the stakeholder advisory group established in accordance with chapter 216, Laws of 1998 (developmental disabilities), except that (i) at least 50 percent of these amounts must be used to increase the number of people receiving residential, employment, family support, or other direct services; (ii) the services and supports must be designed and implemented such that the cost of continuing them in the 2001-03 biennium does not exceed \$19.2 million, of which no more than \$9.3 million is from state funds; and (iii) strong consideration shall be given to the need for increased wages for direct care workers in contracted residential programs.

(c) \$413,000 of the general fund--state appropriation for fiscal year 2000, \$1,172,000 of the general fund--state appropriation for fiscal year 2001, and \$694,000 of the general fund--federal appropriation are provided solely for employment, or other day activities and training programs, for young people who complete their high school curriculum in 1999 or 2000.

(d) \$1,919,000 of the general fund--state appropriation for fiscal year 2000, \$6,673,000 of the general fund--state appropriation for fiscal year 2001, and \$7,361,000 of the general fund--federal appropriation are provided solely to improve services for persons with developmental disabilities who would otherwise be at risk of needing involuntary commitment to or prolonged treatment at state psychiatric hospitals. The department shall use these funds to enhance the community crisis response system managed by regional support networks, improve crisis prevention and stabilization services through the developmental disabilities community services system, and expand community residential capacity for persons with developmental disabilities who are ready for discharge from state psychiatric hospitals. Funding for community residential capacity is sufficient to move a biennium total of 48 patients out of the state hospitals at a reasonable pace by June 30, 2001. The department shall manage the intensity of services provided so that the average cost per day does not exceed \$300 per person placed in this expanded community residential capacity. The department shall report to the appropriate committees of the legislature progress towards implementing this subsection after each calendar quarter. The legislature finds that, in addition to the appropriations in this subsection for improvements in services to persons with developmental disabilities who are committed to the custody of the secretary under chapter 71.05 RCW, it is necessary to study long-term treatment alternatives and their legal, fiscal, and policy implications. Therefore, the department shall provide a report to the ways and means committee of the senate and the appropriations committee of the house of representatives by December 1, 2000, containing options and recommendations for secure treatment programs. The report shall identify various treatment models that could be implemented and various types and locations of secure facilities, both state-owned and leased, in which programs could be sited, together with the department's recommendations. The report shall evaluate the potential for siting such programs on the grounds of existing state residential habilitation centers. The report shall also include analysis of advantages and disadvantages associated with contracting for some or all of the new program options identified. The report shall evaluate the options based on short-term and long-term costs, client and community security, efficiency of coordination with other service delivery systems, and how they address specific legal issues. In developing this report, the department shall invite participation by representatives of the Washington protection and advocacy system (WPAS), and shall include in the report WPAS' position on options and recommendations submitted by the department and any additional recommendations made by WPAS. The legislature recognizes a need to improve long-term services provided to individuals with developmental disabilities who are undergoing involuntary treatment under chapter 71.05 RCW. The legislature is committed to providing resources necessary to address issues in the U.S. District Court case of *Allen v. Western State Hospital*.

(e) \$513,000 of the general fund--state appropriation for fiscal year 2000, \$1,421,000 of the general fund--state appropriation for fiscal year 2001, and \$2,033,000 of the general fund--federal appropriation are provided to develop and operate secure residential and day program placements for persons who seem likely to pose a significant risk to the public safety if their current residential arrangement were to continue.

(f) \$209,000 of the general fund--state appropriation for fiscal year 2000, \$664,000 of the general fund--state appropriation for fiscal year 2001, and \$939,000 of the general fund--federal appropriation are provided to increase wages as required by Initiative No. 688 (state minimum wage) for contracted adult family homes, adult residential care facilities, hourly and daily family support providers, and hourly attendant care providers.

(g) \$1,978,000 of the general fund--state appropriation for fiscal year 2000, \$4,475,000 of the general fund--state appropriation for fiscal year 2001, and \$6,989,000 of the general fund--federal appropriation are provided solely to increase compensation for individual and agency home care workers. Payments to individual providers are to be increased from \$6.18 per hour to \$6.68 per hour on July 1, 1999, and to \$7.18 per hour on July 1, 2000. Payments to agency providers are to be increased to \$11.97 per hour on July 1, 1999, and to \$12.62 per hour on July 1, 2000. All but 14 cents per hour of the July 1, 1999, increase to agency providers, and all but 15 cents per hour of the additional July 1, 2000, increase is to be used to increase wages for direct care workers. The appropriations in this subsection also include the funds needed for the employer share of unemployment and social security taxes on the amount of the increase.

(h) Within amounts appropriated in this subsection, the developmental disabilities program shall contract for a pilot program to test an alternative service delivery model for persons with autism. The department must use a competitive process to determine the site of the pilot. The pilot program must be time-limited and subject to an evaluation of client outcomes to determine the effectiveness and efficiency of the pilot program compared to the standard service model for persons with autism.

(i) \$500,000 of the general fund--state appropriation for fiscal year 2001 and \$160,000 of the general fund--federal appropriation are provided solely for increased family support services and related case management support.

(1) The entire health services account appropriation, ~~((\$2,148,000))~~ \$4,756,000 of the general fund--federal appropriation, \$923,000 of the general fund--state appropriation for fiscal year 2000, and ~~((\$958,000))~~ \$1,019,000 of the general fund--state appropriation for fiscal year 2001 are provided solely for health care benefits for home care workers who are employed through state contracts for at least twenty hours per week. Home care agencies may obtain coverage either through the basic health plan or through an alternative plan with substantially equivalent benefits.

(2) \$1,640,000 of the general fund--state appropriation for fiscal year 2000 and \$1,640,000 of the general fund--state appropriation for fiscal year 2001, plus the associated vendor rate increase for each year, are provided solely for operation of the volunteer chore services program.

(3) For purposes of implementing Engrossed Second Substitute House Bill No. 1484 (nursing home payment rates), the weighted average nursing facility payment rate for fiscal year 2000 shall be no more than \$10.85 for the capital portion of the rate and no more than \$108.20 for the noncapital portion of the rate. These rates include vendor rate increases, but exclude nurse's aide training.

(4) In addition to the rates set forth in subsection (3), \$286,000 of the general fund--state appropriation for fiscal year 2000 and \$310,000 of the general fund--federal appropriation are provided solely for supplemental rate adjustments for certain nursing facilities. In accordance with RCW 74.46.431, the department shall use these funds to apply an additional economic trends and conditions adjustment factor to the rate of any facility whose total rate allocation would otherwise be less than its April 1, 1999, total rate, adjusted for case-mix changes. This supplemental adjustment factor shall be the percentage by which the facility's April 1, 1999, rate would otherwise exceed the rate calculated in accordance with chapter 74.46 RCW and subsection (3) of this section, except that (a) no adjustment shall be provided for any amounts by which a facility's rate is lower due to a reduction in its facility-average medicaid case-mix score; and (b) the adjustment factor shall be reduced proportionately for all facilities by the percentage by which total supplemental payments would otherwise exceed the funds provided for such payments in this subsection. This subsection applies only to rates paid for services provided between July 1, 1999, and March 31, 2000.

(5) \$50,000 of the general fund--state appropriation for fiscal year 2000 and \$50,000 of the general fund--state appropriation for fiscal year 2001 are provided solely for payments to any nursing facility licensed under chapter 18.51 RCW which meets all of the following criteria: (a) The nursing home entered into an arm's length agreement for a facility lease prior to January 1, 1980; (b) the lessee purchased the leased nursing home after January 1, 1980; and (c) the lessor defaulted on its loan or mortgage for the assets of the home after January 1, 1991, and prior to January 1, 1992. (6) Funds are appropriated in this section to increase compensation for individual and for agency home care providers. Payments to individual home care providers are to be increased from \$6.18 per hour to \$6.68 per hour on July 1, 1999, and to \$7.18 per hour on July 1, 2000. Payments to agency providers are to increase to \$11.97 per hour on July 1, 1999, and to \$12.62 per hour on July 1, 2000. All but 14 cents per hour of the July 1, 1999, increase to agency providers, and all but 15 cents per hour of the additional July 1, 2000, increase is to be used to increase wages for direct care workers. The appropriations in this subsection also include the funds needed for the employer share of unemployment and social security taxes on the amount of the increase.

(7) \$200,000 of the general fund--state appropriation for fiscal year 2000, \$80,000 of the general fund--state appropriation for fiscal year 2001, and \$280,000 of the general fund--federal appropriation are provided solely for enhancement and integration of existing management information systems to (a) provide data at the local office level on service utilization, costs, and recipient characteristics; and (b) reduce the staff time devoted to data entry.

Sec. 207. 2000 2nd sp.s. c 1 s 208 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--ECONOMIC SERVICES PROGRAM

General Fund--State Appropriation (FY 2000) \$ 427,742,000

General Fund--State Appropriation (FY 2001) \$ ((410,913,000))

General Fund--Private/Local Appropriation \$ 30,807,000

TOTAL APPROPRIATION \$ ((2,099,236,000))

2,105,964,000

The appropriations in this section are subject to the following conditions and limitations:

(1) \$284,083,000 of the general fund--state appropriation for fiscal year 2000, \$268,114,000 of the general fund--state appropriation for fiscal year 2001, \$1,140,342,000 of the general fund--federal appropriation, and \$28,371,000 of the general fund--local appropriation are provided solely for the WorkFirst program and child support operations. WorkFirst expenditures include TANF grants, diversion services, subsidized child care, employment and training, other WorkFirst related services, allocated field services operating costs, and allocated economic services program administrative costs. Within the amounts provided in this subsection, the department shall:

(a) Continue to implement WorkFirst program improvements that are designed to achieve progress against outcome measures specified in RCW 74.08A.410. Valid outcome measures of job retention and wage progression shall be developed and reported quarterly to appropriate fiscal and policy committees of the legislature for families who leave assistance, measured after 12 months, 24 months, and 36 months. An increased attention to job retention and wage progression is necessary to emphasize the legislature's goal that the WorkFirst program succeed in helping recipients gain long-term economic independence and not cycle on and off public assistance. The wage progression measure shall report the median percentage increase in quarterly earnings and hourly wage after 12 months, 24 months, and 36 months. The wage progression report shall also report the percent with earnings above one hundred percent and two hundred percent of the federal poverty level. The report shall compare former WorkFirst participants with similar workers who did not participate in WorkFirst. The department shall also report percentage of families who have returned to temporary assistance for needy families after 12 months, 24 months, and 36 months.

(b) Develop informational materials that educate families about the difference between cash assistance and work support benefits. These materials must explain, among other facts, that the benefits are designed to support their employment, that there are no time limits on the receipts of work support benefits, and that immigration or residency status will not be affected by the receipt of benefits. These materials shall be posted in all community service offices and distributed to families. Materials must be available in multiple languages. When a family leaves the temporary assistance for needy families program, receives cash diversion assistance, or withdraws a temporary assistance for needy families application, the department of social and health services shall educate them about the difference between cash assistance and work support benefits and offering them the opportunity to begin or to continue receiving work support benefits, so long as they are eligible. The department shall provide this information through in-person interviews, over the telephone, and/or through the mail. Work support benefits include food stamps, medicaid for all family members, medicaid or state children's health insurance program for children, and child care assistance. The department shall report annually to the legislature the number of families who have had exit interviews, been reached successfully by phone, and sent mail. The report shall also include the percentage of families who elect to continue each of the benefits and the percentage found ineligible by each substantive reason code. A substantive reason code shall not be "other." The report shall identify barriers to informing families about work support benefits and describe existing and future actions to overcome such barriers.

(c) Provide \$500,000 from the general fund--state appropriation for fiscal year 2000 and \$500,000 from the general fund--state appropriation for fiscal year 2001 for continuation of the WorkFirst evaluation conducted by the joint legislative audit and review committee.

(d) Report to the appropriate committees of the legislature, by December 1, 2000, how the new federal child support incentive system can be used to maximize federal incentive payments and to support the greatest achievement of WorkFirst program goals. In the event that the department earns federal child support incentive payments in excess of amounts budgeted, the department shall use one-half of those additional funds to offset general fund--state allotments and one-half of those additional funds to improve child support services. The department shall also work with the Washington state association of county clerks to identify ways to protect the confidentiality of social security numbers on court documents needed by the child support enforcement system while ensuring the reliability of this information without significantly increasing the cost to administer the child support system. The department shall report its recommendations for protecting the confidentiality of social security numbers to appropriate committees of the legislature by December 1, 2000.

(e) Provide up to \$500,000 of the general fund--federal appropriation to the office of financial management for a study of rate setting methods and policy for subsidized child care, the best method for coordinating and consolidating child care and early education programs currently funded by state government, and for a review of the various state programs for low-income families with children. The child care rate study shall analyze the effects of rate setting policy on the affordability and quality of the overall child care market. The child care and early education program study shall evaluate how current programs may be coordinated and consolidated to provide the most efficient level of administration, grant funding, and increased accessibility by families who are served by these programs. The study of state programs for low-income families shall compare and contrast eligibility and access to these programs and identify ways to coordinate or consolidate these programs to reduce administrative costs and improve access. The office shall submit a report to the department of social and health services and the appropriate committees of the legislature by December 1, 2000.

(f) Convene a working group that includes stakeholders and recipients of public assistance to establish basic customer service performance measures and goals. The customer service measures and goals will seek to make support for working families a priority. Customer service measures and goals may include, but are not limited to: Hours of operation that allow working families to get services without missing work, reduced wait times, systems for answering and returning phone calls in a timely manner, access to benefits that support work, access to job training and education, and, access to services for families with limited literacy or English skills, and families with special needs. The department shall report to the legislature by January 2001 the establishment of customer service measures and goals, and the departmental actions to assure the goals are being met.

(g) Use existing flexibility in federal and state welfare laws and regulations to support, on a limited basis, longer education and training plans that have a strong likelihood to lead to long-term economic independence for recipient.

(h) Provide up to \$1,400,000 of the general fund--federal appropriation for after-school care for middle school youth through programs such as those described in House Bill No. 2530 (after-school care).

(i) Provide up to \$2,710,000 of the general fund--federal appropriation for training and technical assistance for child care providers seeking training to enable them to competently serve children with special needs as described in House Bill No. 2869 (child care provider training).

(j) Provide \$230,000, or as much thereof as may be necessary, to the department of health to expand the vasectomy project to temporary assistance for needy families clients and their partners until such time as a federal family planning waiver is granted that will cover these services.

(k) Ensure that funds provided in this subsection to implement policies that disregard or exempt a portion of recipients' income are designed to achieve stated WorkFirst program goals and outcomes. Income disregards are effective incentives to help WorkFirst families move towards economic independence. Income disregard policy shall not discriminate based on who the specific employer is.

(2) \$43,408,000 of the general fund--state appropriation for fiscal year 2000 and ~~((43,386,000))~~ \$46,420,000 of the general fund--state appropriation for fiscal year 2001 are provided solely for cash assistance and other services to recipients in the general assistance--unemployable program. Within these amounts, the department may expend funds for services that assist recipients to reduce their dependence on public assistance, provided that expenditures for these services and cash assistance do not exceed funds provided. The department shall, by July 1, 2000, begin using federal funds provided in subsection (1) of this section, as allowed by federal rules, for the costs of providing income assistance to children with court-appointed guardians or court-appointed custodians.

(3) \$5,444,000 of the general fund--state appropriation for fiscal year 2000 and \$5,632,000 of the general fund--state appropriation for fiscal year 2001 are provided solely for the food assistance program for legal immigrants. The level of benefits shall be equivalent to the benefits provided by the federal food stamp program.

(4) RCW 74.08A.280 permits the department to develop contracts for state-wide welfare-to-work services. Within amounts available in this section, the department shall provide progress reports on the use of such contracting to the fiscal committees of the legislature by January 1, 2001. Each of these reports shall describe the number of current contracts for temporary assistance for needy families (TANF) or WorkFirst services that the department has with community social service providers and a description of the services being provided through each of those contracts.

(5) The legislature finds that, since the passage of the federal personal responsibility and work opportunity act in 1997, Washington's public assistance population has declined dramatically, and that the currently appropriated level for the temporary assistance for needy families program is sufficient for the 1999-01 biennium. The legislature further finds that federal funding for the temporary assistance for needy families program may decrease after the current five-year block grant has expired. The legislature declares that at least \$60,000,000 of the year-end balance in the federal TANF grant shall be held in reserve by the office of financial management at the close of the 1999-01 biennium.

Sec. 208. 2000 2nd sp.s. c 1 s 209 (uncodified) is amended to read as follows:

Patients meeting the commitment criteria of RCW 70.96A.140 but who voluntarily agree to treatment in lieu of commitment shall also be eligible for treatment in these additional treatment beds. The department shall develop specific placement criteria for these expanded treatment beds to ensure that this new treatment capacity is prioritized for persons incapacitated as a result of chemical dependency and who are also high utilizers of hospital services.

(2) \$18,000 of the general fund--state appropriation for fiscal year 2000, \$88,000 of the general fund--state appropriation for fiscal year 2001, and \$116,000 of the general fund--federal appropriation are provided solely for activities related to chemical dependency services under subsection 202(1) of this act. It is the intent of the legislature to provide state assistance to counties to cover a part of lost federal funding for drug courts for a maximum of three years.

(2) It is the intent of the legislature that Harborview medical center continue to be an economically viable component of the health care system and that the state's financial interest in Harborview medical center be recognized.

(3) Funding is provided in this section for the adult dental program for Title XIX categorically eligible and medically needy persons and to provide foot care services by podiatric physicians and surgeons.

(7) The department shall report to the fiscal committees of the legislature by December 1, 1999, and again by October 1, 2000, on the amount which has been recovered from third-party payers as a result of its efforts to improve coordination of benefits on behalf of "basic health plan-plus" enrollees.

(8) The department shall report to the health care and fiscal committees of the legislature by December 1, 1999, on options for controlling the growth in medicaid prescription drug expenditures through strategies such as but not limited to volume purchasing, selective contracting, supplemental drug discounts, and improved care coordination for high utilizers.

(9) \$3,992,000 of the health services account appropriation and \$7,651,000 of the general fund--federal appropriation are provided solely for health insurance coverage for children with family incomes between 200 percent and 250 percent of the federal

(10) Upon approval from the federal health care financing administration, the department shall implement the section 1115 family planning waiver to provide family planning services to persons with family incomes at or below two hundred percent of the federal poverty level.

Such payments shall be distributed among the participating rural public hospital districts proportional to the number of days of medicaid-funded nursing home care provided by each district during the preceding calendar year, relative to the total number of such days of care provided by all participating rural public hospital districts. Prior to making any supplemental payments, the department shall first obtain federal approval for such payments under the medicaid state plan. The payments shall further be conditioned upon (a) a contractual commitment by the association of public hospital districts and participating rural public hospital districts to make an intergovernmental transfer to the state treasurer, for deposit into the health services account, equal to at least (~~(87)~~) 89 percent of the total supplemental payment amounts received during the 1999-01 fiscal biennium; and (b) a contractual commitment by the participating districts to not allow expenditures covered by the supplemental payments to be used for medicaid nursing home rate-setting. The participating districts shall retain no more than a total of \$30,000,000 for the 1999-01 biennium.

(12) In determining financial eligibility for medicaid-funded services, the department is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

(14) From funds provided in this section, the department shall develop disease state management and therapeutic substitution programs which will substantially maintain or enhance the quality of the drug benefit for medical assistance recipients, while controlling overall health care costs. In designing the disease state management programs, the department shall research programs which have proven effective with similar populations in other states, and shall then work with concerned provider and consumer groups to adapt those strategies to Washington's service delivery system. The department shall work with its drug utilization and education council to develop a therapeutic substitution program for at least two classes of drugs. Under the therapeutic substitution program, the council shall analyze pharmacoeconomic research on the costs and benefits of all drugs within the class, and identify the most cost-effective drug or drugs within the class for placement on the formulary. Other drugs within the class shall be preauthorized when clinically indicated under criteria established by the council. The department shall report to appropriate committees of the legislature by December 1, 2000, prior to implementing its proposed strategies.

(15) (~~(\$14,848,000)~~) \$27,100,000 of the health services account appropriation for fiscal year 2001 and (~~(\$15,269,000)~~) \$27,800,000 of the general fund--federal appropriation are provided solely for additional disproportionate share hospital payments to public hospital districts. Such additional payments shall not be made prior to federal approval of a revision in the medicaid payment methodology for state teaching hospitals, and shall not exceed the increase in medicaid payments which results from that change. The payments shall further be conditioned upon a contractual commitment by the participating public hospital districts to make an intergovernmental transfer to the health services account equal to at least (~~(77)~~) 85 percent of the additional disproportionate share payment. The participating districts shall retain no more than (~~(\$7,000,000)~~) \$7,800,000 of the additional disproportionate share payment. At least 28 percent of the amounts retained by the participating hospital districts shall be allocated to the state teaching hospitals.

(16)(a) \$49,000 of the general fund--state appropriation for fiscal year 2001 and \$49,000 of the general fund--federal appropriation for fiscal year 2001 are provided solely for the medical assistance administration and the health care authority to jointly conduct a state-wide study to:

(i) Determine payment sources and rates paid for primary health care providers performing outpatient primary care services and primary care in hospital emergency rooms for the state's medical assistance programs, including healthy options, and the basic health plan. To determine payment sources and rates paid, the agencies may seek information in relation to such factors as:

(A) The rates paid to primary care providers for their medical assistance programs, including healthy options, and basic health plan contracts; and

(B) How these rates compare with nonpublic pay clients for the same services.

The agencies are authorized to attain this information from health plans or providers. The agencies shall maintain the confidentiality of data collected for the purpose of the study;

(ii) Determine which primary care providers serve a relatively high number of low-income clients, and how that affects their medical practice. For purposes of the study, "primary care providers" includes pediatricians, family practitioners, general practitioners, internists, physician assistants, and advanced registered nurse practitioners; and

(iii) Develop proposals to support these providers' medical practices. The agencies must determine what constitutes a relatively high percentage of low-income clients for individual primary care providers who contract for medical assistance administration programs, including healthy options, and the basic health plan, and recommend whether and at what point this disproportionately high percentage should result in additional compensation to the primary care provider. The agencies shall recommend a method to calculate a payment adjustment designed to help support medical practices, according to the study's findings.

(b) In conducting the study, the agencies shall determine which regions of the state to include in the study, based on factors the agencies determine will provide the most representative data state-wide. The agencies shall also consult with interested parties, including any organization or agency affected by this subsection, throughout the course of the study.

(c) The agencies shall report to the legislature by December 1, 2000, with the results of the primary health care provider study. The report shall include recommendations on: (i) What constitutes a disproportionately high percentage of low-income

clients; (ii) possible payment adjustments for these providers; (iii) methods to implement such a rate adjustment; and (iv) what such a payment adjusted program will cost.

(17) From funds appropriated in this section, the medical assistance program shall assist the Washington state institute for public policy with the assessment of options for expanding medicaid eligibility required in section 607 of this 2000 act. Such assistance shall include analysis of medicaid enrollment and expenditure data needed for enrollment and cost projections; information and advice on state and federal medicaid requirements; and liaison with state and federal officials in other states undertaking similar expansions.

(18) \$290,000 of the general fund--state appropriation for fiscal year 2001 is provided solely for implementation of the asset exemption provisions of House Bill No. 2686. If these provisions are not enacted by June 30, 2000, the amount provided in this subsection shall lapse.

In selecting reductions in the various other programs, the department shall place a higher priority on reductions in administrative support functions as opposed to direct client services. Reductions in positions providing direct client services shall be implemented only if those reductions can be justified by reduced workload or through reorganization or other efficiencies that do not result in a risk of failing to meet federal or state certification or licensing standards. In achieving the level of savings assumed in this subsection, the department shall not eliminate or reduce funding and/or staff that would shift or transfer filing or appeal workload to superior courts. By September 1, 2000, the department shall report its plan to implement the savings in this section to the fiscal committees of the legislature.

Sec. 505. 2000 2nd sp.s. c 1 s 507 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR SPECIAL EDUCATION PROGRAMS

General Fund--State Appropriation (FY 2000) \$ 387,011,000

General Fund--State Appropriation (FY 2001) \$ (~~385,482,000~~)

391,076,000

General Fund--Federal Appropriation \$ (~~174,667,000~~)

176,111,000

TOTAL APPROPRIATION \$ (~~944,160,000~~)

954,198,000

The appropriations in this section are subject to the following conditions and limitations:

(1) Funding for special education programs is provided on an excess cost basis, pursuant to RCW 28A.150.390. School districts shall ensure, to the greatest extent possible, that special education students receive their appropriate share of the general apportionment allocation accruing through sections 502 and 504 of this act. To the extent a school district cannot provide an appropriate education for special education students under chapter 28A.155 RCW through the general apportionment allocation, it shall provide services through the special education allocation funded in this section.

(2) Each general fund--state fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(3) The superintendent of public instruction shall distribute state funds to school districts based on two categories: The optional birth through age two program for special education eligible developmentally delayed infants and toddlers, and the mandatory special education program for special education eligible students ages three to twenty-one. A "special education eligible student" means a student receiving specially designed instruction in accordance with a properly formulated individualized education program.

(4) For the 1999-00 and 2000-01 school years, the superintendent shall distribute state funds to each district based on the sum of:

(a) A district's annual average headcount enrollment of developmentally delayed infants and toddlers ages birth through two, multiplied by the district's average basic education allocation per full-time equivalent student, multiplied by 1.15; and

(b) A district's annual average full-time equivalent basic education enrollment multiplied by the funded enrollment percent determined pursuant to subsection (5)(c) of this section, multiplied by the district's average basic education allocation per full-time equivalent student multiplied by 0.9309.

(5) The definitions in this subsection apply throughout this section.

(a) "Average basic education allocation per full-time equivalent student" for a district shall be based on the staffing ratios required by RCW 28A.150.260 and shall not include enhancements, secondary vocational education, or small schools.

(b) "Annual average full-time equivalent basic education enrollment" means the resident enrollment including students enrolled through choice (RCW 28A.225.225) and students from nonhigh districts (RCW 28A.225.210) and excluding students residing in another district enrolled as part of an interdistrict cooperative program (RCW 28A.225.250).

(c) "Enrollment percent" means the district's resident special education annual average enrollment including those students counted under the special education demonstration projects, excluding the birth through age two enrollment, as a percent of the district's annual average full-time equivalent basic education enrollment. For the 1999-00 and the 2000-01 school years, each district's funded enrollment percent shall be the lesser of the district's actual enrollment percent for the school year for which the allocation is being determined or 12.7 percent.

(6) At the request of any interdistrict cooperative of at least 15 districts in which all excess cost services for special education students of the districts are provided by the cooperative, the maximum enrollment percent shall be 12.7, and shall be calculated in the aggregate rather than individual district units. For purposes of this subsection, the average basic education allocation per full-time equivalent student shall be calculated in the aggregate rather than individual district units.

(7) A maximum of \$12,000,000 of the general fund--state appropriation for fiscal year 2000 and a maximum of \$12,000,000 of the general fund--state appropriation for fiscal year 2001 are provided as safety net funding for districts with demonstrated needs for state special education funding beyond the amounts provided in subsection (4) of this section. Safety net funding shall be awarded by the state safety net oversight committee.

(a) The safety net oversight committee shall first consider the needs of districts adversely affected by the 1995 change in the special education funding formula. Awards shall be based on the amount required to maintain the 1994-95 state special education excess cost allocation to the school district in aggregate or on a dollar per funded student basis.

(b) The committee shall then consider unusual needs of districts due to a special education population which differs significantly from the assumptions of the state funding formula. Awards shall be made to districts that convincingly demonstrate need due to the concentration and/or severity of disabilities in the district. Differences in program costs attributable to district philosophy or service delivery style are not a basis for safety net awards.

(c) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(d) Safety net awards shall be adjusted based on the percent of potential medicaid eligible students billed as calculated by the superintendent in accordance with Substitute Senate Bill No. 5626 (medicaid payments to schools).

(e) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(f) The superintendent may expend up to \$100,000 per year of the amounts provided in this subsection to provide staff assistance to the committee in analyzing applications for safety net funds received by the committee.

(8) The superintendent of public instruction may adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. Prior to revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature.

(9) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) Staff of the office of superintendent of public instruction;

(b) Staff of the office of the state auditor;

(c) Staff of the office of the financial management; and

(d) One or more representatives from school districts or educational service districts knowledgeable of special education programs and funding.

(10) To the extent necessary, \$5,500,000 of the general fund--federal appropriation shall be expended for safety net funding to meet the extraordinary needs of one or more individual special education students. If safety net awards to meet the extraordinary needs of one or more individual special education students exceed \$5,500,000 of the general fund--federal appropriation, the superintendent shall expend all available federal discretionary funds necessary to meet this need. General fund--state funds shall not be expended for this purpose.

(11) A maximum of \$678,000 may be expended from the general fund--state appropriations to fund 5.43 full-time equivalent teachers and 2.1 full-time equivalent aides at children's orthopedic hospital and medical center. This amount is in lieu of money provided through the home and hospital allocation and the special education program.

(12) A maximum of \$1,000,000 of the general fund--federal appropriation is provided for projects to provide special education students with appropriate job and independent living skills, including work experience where possible, to facilitate their successful transition out of the public school system. The funds provided by this subsection shall be from federal discretionary grants.

(13) A school district may carry over from one year to the next year up to 10 percent of general fund--state funds allocated under this program; however, carry over funds shall be expended in the special education program.

(14) The superintendent shall maintain the percentage of federal flow-through to school districts at 85 percent. In addition to other purposes, school districts may use increased federal funds for high-cost students, for purchasing regional special education services from educational service districts, and for staff development activities particularly relating to inclusion issues.

(15) A maximum of \$1,200,000 of the general fund--federal appropriation may be expended by the superintendent for projects related to use of inclusion strategies by school districts for provision of special education services. The superintendent shall prepare an information database on laws, best practices, examples of programs, and recommended resources. The information may be disseminated in a variety of ways, including workshops and other staff development activities.

MOTION

On motion of Senator Kline, the Senate receded from its amendment(s) to House Bill No. 1062.

MOTIONS

On motion of Senator Kline, the rules were suspended, House Bill No. 1062 was returned to second reading and read the second time.

Senator Kline moved that the following striking amendment by Senators Kline, Zarelli and Long be adopted: Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 43.101.010 and 1981 c 132 s 2 are each amended to read as follows:

When used in this chapter:

(1) The term "commission" means the Washington state criminal justice training commission.

(2) The term "boards" means the education and training standards boards, the establishment of which are authorized by this chapter.

(3) The term "criminal justice personnel" means any person who serves in a county, city, state, or port commission agency engaged in crime prevention, crime reduction, or enforcement of the criminal law.

(4) The term "law enforcement personnel" means any public employee or volunteer having as a primary function the enforcement of criminal laws in general or any employee or volunteer of, or any individual commissioned by, any municipal, county, state, or combination thereof, agency having as its primary function the enforcement of criminal laws in general as distinguished from an agency possessing peace officer powers, the primary function of which is the implementation of specialized subject matter areas. For the purposes of this subsection "primary function" means that function to which the greater allocation of resources is made.

(5) The term "correctional personnel" means any employee or volunteer who by state, county, municipal, or combination thereof, statute has the responsibility for the confinement, care, management, training, treatment, education, supervision, or counseling of those individuals whose civil rights have been limited in some way by legal sanction.

(6) A peace officer is "convicted" at the time a plea of guilty has been accepted, or a verdict of guilty or finding of guilt has been filed, notwithstanding the pendency of any future proceedings, including but not limited to sentencing, posttrial or postfact-finding motions and appeals. "Conviction" includes a deferral of sentence and also includes the equivalent disposition by a court in a jurisdiction other than the state of Washington.

(7) "Discharged for disqualifying misconduct" means terminated from employment for: (a) Conviction of (i) any crime committed under color of authority as a peace officer, (ii) any crime involving dishonesty or false statement within the meaning of Evidence Rule 609(a), (iii) the unlawful use or possession of a controlled substance, or (iv) any other crime the conviction of which disqualifies a Washington citizen from the legal right to possess a firearm under state or federal law; (b) conduct that would constitute any of the crimes addressed in (a) of this subsection; or (c) knowingly making materially false statements during disciplinary investigations, where the false statements are the sole basis for the termination.

(8) A peace officer is "discharged for disqualifying misconduct" within the meaning of subsection (7) of this section under the ordinary meaning of the term and when the totality of the circumstances support a finding that the officer resigned in anticipation of discipline, whether or not the misconduct was discovered at the time of resignation, and when such discipline, if carried forward, would more likely than not have led to discharge for disqualifying misconduct within the meaning of subsection (7) of this section.

(9) When used in context of proceedings referred to in this chapter, "final" means that the peace officer has exhausted all available civil service appeals, collective bargaining remedies, and all other such direct administrative appeals, and the officer has not been reinstated as the result of the action. Finality is not affected by the pendency or availability of state or federal administrative or court actions for discrimination, or by the pendency or availability of any remedies other than direct civil service and collective bargaining remedies.

(10) "Peace officer" means any law enforcement personnel subject to the basic law enforcement training requirement of RCW 43.101.200 and any other requirements of that section, notwithstanding any waiver or exemption granted by the commission, and notwithstanding the statutory exemption based on date of initial hire under RCW 43.101.200. Commissioned officers of the Washington state patrol, whether they have been or may be exempted by rule of the commission from the basic training requirement of RCW 43.101.200, are included as peace officers for purposes of this chapter. Fish and wildlife officers with enforcement powers for all criminal laws under RCW 77.12.055 are peace officers for purposes of this chapter.

NEW SECTION. Sec. 2. (1) As a condition of continuing employment as peace officers, all Washington peace officers: (a) Shall timely obtain certification as peace officers, or timely obtain certification or exemption therefrom, by meeting all requirements of RCW 43.101.200, as that section is administered under the rules of the commission, as well by meeting any additional requirements under this chapter; and (b) shall maintain the basic certification as peace officers under this chapter. The commission shall certify peace officers who have satisfied, or have been exempted by statute or by rule from, the basic training requirements of RCW 43.101.200 on or before the effective date of this section. Thereafter, the commission may revoke certification pursuant to this chapter.

(2) The commission shall allow a peace officer to retain status as a certified peace officer as long as the officer: (a) Timely meets the basic law enforcement training requirements, or is exempted therefrom, in whole or in part, under RCW 43.101.200 or under rule of the commission; (b) meets or is exempted from any other requirements under this chapter as administered under the rules adopted by the commission; (c) is not denied certification by the commission under this chapter; and (d) has not had certification revoked by the commission.

(3) As a prerequisite to certification, as well as a prerequisite to pursuit of a hearing under section 9 of this act, a peace officer must, on a form devised or adopted by the commission, authorize the release to the commission of his or her personnel files, termination papers, criminal investigation files, or other files, papers, or information that are directly related to a certification matter or decertification matter before the commission.

NEW SECTION. Sec. 3. Upon request by a peace officer's employer or on its own initiative, the commission may deny or revoke certification of any peace officer, after written notice and hearing, if a hearing is timely requested by the peace officer under section 9 of this act, based upon a finding of one or more of the following conditions:

(1) The peace officer has failed to timely meet all requirements for obtaining a certificate of basic law enforcement training, a certificate of basic law enforcement training equivalency, or a certificate of exemption from the training;

(2) The peace officer has knowingly falsified or omitted material information on an application for training or certification to the commission;

(3) The peace officer has been convicted at any time of a felony offense under the laws of this state or has been convicted of a federal or out-of-state offense comparable to a felony under the laws of this state; except that if a certified peace officer was convicted of a felony before being employed as a peace officer, and the circumstances of the prior felony conviction were fully disclosed to his or her employer before being hired, the commission may revoke certification only with the agreement of the employing law enforcement agency;

(4) The peace officer has been discharged for disqualifying misconduct, the discharge is final, and some or all of the acts or omissions forming the basis for the discharge proceedings occurred on or after the effective date of this section;

(5) The peace officer's certificate was previously issued by administrative error on the part of the commission; or

(6) The peace officer has interfered with an investigation or action for denial or revocation of certificate by: (a) Knowingly making a materially false statement to the commission; or (b) in any matter under investigation by or otherwise before the commission, tampering with evidence or tampering with or intimidating any witness.

NEW SECTION. Sec. 4. (1) A person denied a certification based upon dismissal or withdrawal from a basic law enforcement academy for any reason not also involving discharge for disqualifying misconduct is eligible for readmission and certification upon meeting standards established in rules of the commission, which rules may provide for probationary terms on readmission.

(2) A person whose certification is denied or revoked based upon prior administrative error of issuance, failure to cooperate, or interference with an investigation is eligible for certification upon meeting standards established in rules of the commission, rules which may provide for a probationary period of certification in the event of reinstatement of eligibility.

(3) A person whose certification is denied or revoked based upon a felony criminal conviction is not eligible for certification at any time.

(4) A peace officer whose certification is denied or revoked based upon discharge for disqualifying misconduct, but not also based upon a felony criminal conviction, may, five years after the revocation or denial, petition the commission for reinstatement of the certificate or for eligibility for reinstatement. The commission shall hold a hearing on the petition to consider reinstatement, and the commission may allow reinstatement based upon standards established in rules of the commission. If the certificate is reinstated or eligibility for certification is determined, the commission may establish a probationary period of certification.

(5) A peace officer whose certification is revoked based solely upon a criminal conviction may petition the commission for reinstatement immediately upon a final judicial reversal of the conviction. The commission shall hold a hearing on request to consider reinstatement, and the commission may allow reinstatement based on standards established in rules of the commission. If the certificate is reinstated or if eligibility for certification is determined, the commission may establish a probationary period of certification.

NEW SECTION. Sec. 5. A peace officer's certification lapses automatically when there is a break of more than twenty-four consecutive months in the officer's service as a full-time law enforcement officer. A break in full-time law enforcement service which is due solely to the pendency of direct review or appeal from a disciplinary discharge, or to the pendency of a work-related injury, does not cause a lapse in certification. The officer may petition the commission for reinstatement of certification. Upon receipt of a petition for reinstatement of a lapsed certificate, the commission shall determine under this chapter and any applicable rules of the commission if the peace officer's certification status is to be reinstated, and the commission shall also determine any requirements which the officer must meet for reinstatement. The commission may adopt rules establishing requirements for reinstatement.

NEW SECTION. Sec. 6. Upon termination of a peace officer for any reason, including resignation, the agency of termination shall, within fifteen days of the termination, notify the commission on a personnel action report form provided by the commission. The agency of termination shall, upon request of the commission, provide such additional documentation or information as the commission deems necessary to determine whether the termination provides grounds for revocation under section 3 of this act. The commission shall maintain these notices in a permanent file, subject to section 12 of this act.

NEW SECTION. Sec. 7. In addition to its other powers granted under this chapter, the commission has authority and power to:

(1) Adopt, amend, or repeal rules as necessary to carry out this chapter;

(2) Issue subpoenas and administer oaths in connection with investigations, hearings, or other proceedings held under this chapter;

(3) Take or cause to be taken depositions and other discovery procedures as needed in investigations, hearings, and other proceedings held under this chapter;

(4) Appoint members of a hearings board as provided under section 10 of this act;

(5) Enter into contracts for professional services determined by the commission to be necessary for adequate enforcement of this chapter;

- (6) Grant, deny, or revoke certification of peace officers under the provisions of this chapter;
- (7) Designate individuals authorized to sign subpoenas and statements of charges under the provisions of this chapter;

and

- (8) Employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter.

NEW SECTION. Sec. 8. A law enforcement officer or duly authorized representative of a law enforcement agency may submit a written complaint to the commission charging that a peace officer's certificate should be denied or revoked, and specifying the grounds for the charge. Filing a complaint does not make a complainant a party to the commission's action. The commission has sole discretion whether to investigate a complaint, and the commission has sole discretion whether to investigate matters relating to certification, denial of certification, or revocation of certification on any other basis, without restriction as to the source or the existence of a complaint. A person who files a complaint in good faith under this section is immune from suit or any civil action related to the filing or the contents of the complaint.

NEW SECTION. Sec. 9. (1) If the commission determines, upon investigation, that there is probable cause to believe that a peace officer's certification should be denied or revoked under section 3 of this act, the commission must prepare and serve upon the officer a statement of charges. Service on the officer must be by mail or by personal service on the officer. Notice of the charges must also be mailed to or otherwise served upon the officer's agency of termination and any current law enforcement agency employer. The statement of charges must be accompanied by a notice that to receive a hearing on the denial or revocation, the officer must, within sixty days of communication of the statement of charges, request a hearing before the hearings board appointed under section 10 of this act. Failure of the officer to request a hearing within the sixty-day period constitutes a default, whereupon the commission may enter an order under RCW 34.05.440.

(2) If a hearing is requested, the date of the hearing must be scheduled not earlier than ninety days nor later than one hundred eighty days after communication of the statement of charges to the officer; the one hundred eighty day period may be extended on mutual agreement of the parties or for good cause. The commission shall give written notice of hearing at least twenty days prior to the hearing, specifying the time, date, and place of hearing.

NEW SECTION. Sec. 10. (1) The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern hearings before the commission and govern all other actions before the commission unless otherwise provided in this chapter. The standard of proof in actions before the commission is clear, cogent, and convincing evidence.

(2) On all appeals brought under section 9 of this act, a five-member hearings panel shall both hear the case and make the commission's final administrative decision. Members of the commission or the board on law enforcement training standards and education may but need not be appointed to the hearings panels. The commission shall appoint as follows two or more panels to hear appeals from decertification actions:

(a) When an appeal is filed in relation to decertification of a Washington peace officer who is not a peace officer of the Washington state patrol, the commission shall appoint to the panel: (i) One police chief; (ii) one sheriff; (iii) two peace officers who are at or below the level of first line supervisor, who are from city or county law enforcement agencies, and who have at least ten years' experience as peace officers; and (iv) one person who is not currently a peace officer and who represents a community college or four-year college or university.

(b) When an appeal is filed in relation to decertification of a peace officer of the Washington state patrol, the commission shall appoint to the panel: (i) Either one police chief or one sheriff; (ii) one administrator of the state patrol; (iii) one peace officer who is at or below the level of first line supervisor, who is from a city or county law enforcement agency, and who has at least ten years' experience as a peace officer; (iv) one state patrol officer who is at or below the level of first line supervisor, and who has at least ten years' experience as a peace officer; and (v) one person who is not currently a peace officer and who represents a community college or four-year college or university.

(c) Persons appointed to hearings panels by the commission shall, in relation to any decertification matter on which they sit, have the powers, duties, and immunities, and are entitled to the emoluments, including travel expenses in accordance with RCW 43.03.050 and 43.03.060, of regular commission members.

(3) Where the charge upon which revocation or denial is based is that a peace officer was "discharged for disqualifying misconduct," and the discharge is "final," within the meaning of section 3(4) of this act, and the officer received a civil service hearing or arbitration hearing culminating in an affirming decision following separation from service by the employer, the hearings panel may revoke or deny certification if the hearings panel determines that the discharge occurred and was based on disqualifying misconduct; the hearings panel need not redetermine the underlying facts but may make this determination based solely on review of the records and decision relating to the employment separation proceeding. However, the hearings panel may, in its discretion, consider additional evidence to determine whether such a discharge occurred and was based on such disqualifying misconduct. The hearings panel shall, upon written request by the subject peace officer, allow the peace officer to present additional evidence of extenuating circumstances.

Where the charge upon which revocation or denial of certification is based is that a peace officer "has been convicted at any time of a felony offense" within the meaning of section 3(3) of this act, the hearings panel shall revoke or deny certification if it determines that the peace officer was convicted of a felony. The hearings panel need not redetermine the underlying facts but may make this determination based solely on review of the records and decision relating to the criminal proceeding. However, the hearings panel shall, upon the panel's determination of relevancy, consider additional evidence to determine whether the peace officer was convicted of a felony.

Where the charge upon which revocation or denial is based is under section 3(1), (2), (5), or (6) of this act, the hearings panel shall determine the underlying facts relating to the charge upon which revocation or denial of certification is based.

- (4) The commission's final administrative decision is subject to judicial review under RCW 34.05.510 through 34.05.598.

NEW SECTION. Sec. 11. The commission, its boards, and individuals acting on behalf of the commission and its boards are immune from suit in any civil or criminal action contesting or based upon proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

NEW SECTION. Sec. 12. (1) Except as provided under subsection (2) of this section, the following records of the commission are confidential and exempt from public disclosure: (a) The contents of personnel action reports filed under section 6 of this act; (b) all files, papers, and other information obtained by the commission pursuant to section 2(3) of this act; and (c) all

investigative files of the commission compiled in carrying out the responsibilities of the commission under this chapter. Such records are not subject to public disclosure, subpoena, or discovery proceedings in any civil action, except as provided in subsection (5) of this section.

MESSAGE FROM THE HOUSE

MR. PRESIDENT:

MOTION

On motion of Senator Eide, Senator Snyder was excused.

MOTION

On motion of Senator Kohl-Welles, the rules were suspended, House Bill No. 2126 was returned to second reading and read the second time.

MOTION

Senator Kohl-Welles moved that the following striking amendment by Senator Brown be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.95.020 and 2000 c 14 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Academic year" means the regular nine-month, three-quarter, or two-semester period annually occurring between July 1st and June 30th.

(2) "Account" means the Washington advanced college tuition payment program account established for the deposit of all money received by the board from eligible purchasers and interest earnings on investments of funds in the account, as well as for all expenditures on behalf of eligible beneficiaries for the redemption of tuition units and for the development of any authorized college savings program pursuant to section 2 of this act.

(3) "Board" means the higher education coordinating board as defined in chapter 28B.80 RCW.

(4) "Committee on advanced tuition payment" or "committee" means a committee of the following members: The state treasurer, the director of the office of financial management, the executive director of the higher education coordinating board, or their designees, and two members to be appointed by the governor, one representing program participants and one private business representative with marketing, public relations, or financial expertise.

(5) "Governing body" means the committee empowered by the legislature to administer the Washington advanced college tuition payment program.

(6) "Contractual obligation" means a legally binding contract of the state with the purchaser and the beneficiary establishing that purchases of tuition units will be worth the same number of tuition units at the time of redemption as they were worth at the time of the purchase.

(7) "Eligible beneficiary" means the person for whom the tuition unit will be redeemed for attendance at an institution of higher education. The beneficiary is that person named by the purchaser at the time that a tuition unit contract is accepted by the governing body. With the exception of tuition unit contracts purchased by qualified organizations as future scholarships, the beneficiary must reside in the state of Washington or otherwise be a resident of the state of Washington at the time the tuition unit contract is accepted by the governing body.

(8) "Eligible purchaser" means an individual or organization that has entered into a tuition unit contract with the governing body for the purchase of tuition units for an eligible beneficiary.

(9) "Full-time tuition charges" means resident tuition charges at a state institution of higher education for enrollments between ten credits and eighteen credit hours per academic term.

(10) "Institution of higher education" means an institution that offers education beyond the secondary level and is recognized by the internal revenue service under chapter 529 of the internal revenue code.

(11) "Investment board" means the state investment board as defined in chapter 43.33A RCW.

(12) "State institution of higher education" means institutions of higher education as defined in RCW 28B.10.016.

(13) "Tuition and fees" means undergraduate tuition and services and activities fees as defined in RCW 28B.15.020 and 28B.15.041 rounded to the nearest whole dollar. The maximum tuition and fees charges recognized for beneficiaries enrolled in a state technical college shall be equal to the tuition and fees for the community college system.

(14) "Tuition unit contract" means a contract between an eligible purchaser and the governing body, or a successor agency appointed for administration of this chapter, for the purchase of tuition units for a specified beneficiary that may be redeemed at a later date for an equal number of tuition units.

(15) "Unit purchase price" means the minimum cost to purchase one tuition unit for an eligible beneficiary. Generally, the minimum purchase price is one percent of the undergraduate weighted average tuition and fees for the current year, rounded to the nearest whole dollar, adjusted for the costs of administration and adjusted to ensure the actuarial soundness of the account. The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.

(16) "Weighted average tuition" shall be calculated as the sum of the undergraduate tuition and services and activities fees for each four-year state institution of higher education, multiplied by the respective full-time equivalent student enrollment at each institution divided by the sum total of undergraduate full-time equivalent student enrollments of all four-year state institutions of higher education, rounded to the nearest whole dollar.

(17) "Weighted average tuition unit" is the value of the weighted average tuition and fees divided by one hundred. The weighted average is the basis upon which tuition benefits ~~((are))~~ may be calculated ~~((for graduate program enrollments and for attendance at nonstate institutions of higher education and is))~~ as the basis for any refunds provided from the program.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.95 RCW to read as follows:

(1) The committee may establish a college savings program. If such a program is established, the college savings program shall be established, in such form as may be determined by the committee, to be a qualified state tuition program as defined by the internal revenue service under section 529 of the internal revenue code, and shall be administered in a manner consistent with the Washington advanced college tuition payment program. The committee, in planning and devising the program, shall consult with the state investment board, the state treasurer, a qualified actuarial consulting firm with appropriate expertise to evaluate such plans, the legislative fiscal and higher education committees, and the institutions of higher education.

(2) Up to two hundred thousand dollars of administrative fees collected from guaranteed education tuition program participants may be applied as a loan to fund the development of a college savings program. This loan must be repaid with interest before the conclusion of the biennium in which the committee draws funds for this purpose from the advanced college tuition payment program account.

(3) If such a college savings program is established, the college savings program account is created in the custody of the state treasurer for the purpose of administering the college savings program. If created, the account shall be a discrete nontreasury account in the custody of the state treasurer. Interest earnings shall be retained in accordance with RCW 43.79A.040. Disbursements from the account, except for program administration, are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. Money used for program administration is subject to the allotment provisions, but without appropriation.

(4) The committee, after consultation with the state investment board, shall determine the investment policies for the college savings program. Program contributions may be invested by the state investment board or the committee may contract with an investment company licensed to conduct business in this state to do the investing. The committee shall keep or cause to be kept full and adequate accounts and records of the assets of each individual participant in the college savings program.

(5) Neither the state nor any eligible educational institution may be considered or held to be an insurer of the funds or assets of the individual participant accounts in the college savings program created under this section nor may any such entity be held liable for any shortage of funds in the event that balances in the individual participant accounts are insufficient to meet the educational expenses of the institution chosen by the student for which the individual participant account was intended.

(6) The committee shall adopt rules to implement this section. Such rules shall include but not be limited to administration, investment management, promotion, and marketing; compliance with internal revenue service standards; application procedures and fees; start-up costs; phasing in the savings program and withdrawals therefrom; deterrents to early withdrawals and provisions for hardship withdrawals; and reenrollment in the savings program after withdrawal.

(7) The committee may, at its discretion, determine to cease operation of the college savings program if it determines the continuation is not in the best interest of the state. The committee shall adopt rules to implement this section addressing the orderly distribution of assets.

Sec. 3. RCW 28B.95.110 and 2000 c 14 s 8 are each amended to read as follows:

(1) The intent of the Washington advanced college tuition payment program is to redeem tuition units for attendance at an institution of higher education. Refunds shall be issued under specific conditions that may include the following:

(a) Certification that the beneficiary, who is eighteen years of age or older, will not attend an institution of higher education, will result in a refund not to exceed the current weighted average tuition and fees in effect at the time of such certification minus a penalty at the rate established by the internal revenue service under chapter 529 of the internal revenue code. No more than one hundred tuition units may be refunded per year to any individual making this certification. The refund shall be made no sooner than ninety days after such certification, less any administrative processing fees assessed by the governing body;

(b) If there is certification of the death or disability of the beneficiary, the refund shall be equal to one hundred percent of any remaining unused tuition units ~~((valued))~~ at the current ~~((weighted average tuition units))~~ value, as determined by the governing body, at the time that such certification is submitted to the governing body, less any administrative processing fees assessed by the governing body;

(c) If there is certification by the student of graduation or program completion, the refund shall be as great as one hundred percent of any remaining unused ~~((weighted average))~~ tuition units at the current value, as determined by the governing body, at the time that such certification is submitted to the governing body, less any administrative processing fees assessed by the governing body. The governing body may, at its discretion, impose a penalty if needed to comply with federal tax rules;

(d) If there is certification of other tuition and fee scholarships, which will cover the cost of tuition for the eligible beneficiary. The refund shall be equal to one hundred percent of the current ~~((weighted average))~~ value of tuition units, as determined by the governing body, in effect at the time of the refund request, ~~((plus))~~ less any administrative processing fees assessed by the governing body. The refund under this subsection may not exceed the value of the scholarship;

(e) Incorrect or misleading information provided by the purchaser or beneficiaries may result in a refund of the purchaser's investment, less any administrative processing fees assessed by the governing body. The value of the refund will not exceed the actual dollar value of the purchaser's contributions; and

(f) The governing body may determine other circumstances qualifying for refunds of remaining unused tuition units and may determine the value of that refund.

(2) With the exception of subsection (1)(b), (e), and (f) of this section no refunds may be made before the units have been held for two years.

Sec. 4. RCW 43.79A.040 and 2000 c 79 s 45 are each amended to read as follows:

(1) Money in the treasurer's trust fund may be deposited, invested, and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer's trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer's trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The college savings program account, the Washington advanced college tuition payment program account, the agricultural local fund, the American Indian scholarship endowment fund, the basic health plan self-insurance reserve account, the Washington international exchange scholarship endowment fund, the developmental disabilities endowment trust fund, the energy account, the fair fund, the game farm alternative account, the grain inspection revolving fund, the juvenile accountability incentive account, the rural rehabilitation account, the stadium and exhibition center account, the youth athletic facility ((grant)) account, the self-insurance revolving fund, the sulfur dioxide abatement account, and the children's trust fund. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer's service fund pursuant to RCW 43.08.190.

(c) The following accounts and funds shall receive eighty percent of their proportionate share of earnings based upon each account's or fund's average daily balance for the period: The advanced right of way revolving fund, the advanced environmental mitigation revolving account, the federal narcotics asset forfeitures account, the high occupancy vehicle account, the local rail service assistance account, and the miscellaneous transportation programs account.

(5) In conformance with Article II, section 37 of the state Constitution, no trust accounts or funds shall be allocated earnings without the specific affirmative directive of this section.

NEW SECTION. Sec. 5. Section 3 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2001."

SENATE RESOLUTION 2001-8663

WHEREAS, Thousands of dedicated workers provide quality care in Washington's homes, child-care centers and schools; and

WHEREAS, Child-care centers throughout the nation are experiencing a forty percent turnover in staff each year; and

WHEREAS, Programs with high staff turnover rates delay children's language and development skills, which are both critical areas for emotional adjustment and preparations to succeed in school; and

WHEREAS, A good learning environment for children translates into a good working environment for adults; and WHEREAS, The cost of child care is very expensive for most parents, yet insufficient to fully cover the cost of high quality child care and staff; and

WHEREAS, Teachers in child-care centers generally earn one-half of the salary of public school teachers and have limited access to financial support for training; and
WHEREAS, Early childhood care givers, both in centers and family child care homes, have subsidized the provision of services by accepting wages far below the value and importance of their work;
NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate recognize the valuable contribution, devotion and often under-appreciated work of child-care providers across the state – the foundation of our state’s child-care system.

WHEREAS, Huber was attacked by a bull while trying to get his cows out of the road and back into the field early in the morning; and
WHEREAS, Keeler was on a school bus when he saw the bull knock down Huber, then throw Huber six feet into the air; and
WHEREAS, Disregarding the risk to his own safety, Keeler got off the bus, grabbed a garden hose, and started swinging it and yelling at the bull; and
WHEREAS, After hitting the bull on the back and the face with the hose, Keeler stepped in between Huber and the bull and continued to shout until the bull retreated to the field; and
WHEREAS, The bus driver radioed for help, and Keeler waited with Huber until the ambulance arrived;
WHEREAS, Keeler showed quick thinking, courage and immense bravery by running to Huber’s aid;
WHEREAS, Though Huber suffered five broken ribs, a punctured right lung and a broken collar bone, he recovered and survived because of Keeler’s intervention;

PERSONAL PRIVILEGE

Senator Rasmussen: "A point of personal privilege, Mr. President. Mr. President, I would like you and the rest of the Senate to really share in the Governor's presence here today. We are really deeply honored that he chose to come and visit with us. I would also like to mention at this time that Carol Vipperman who has served the state very well as the Trustee for The Evergreen State College, but she has, more importantly now, is President of the Foundation for the Russian American Economic Cooperation and she is just absolutely a wonderful person, but she has also taken over our agreement with OTED (Office of Trade and Economic Development) to participate and take over our trade office in Vladivostok. The Governor might be interested to know we are the only state that has a presence in all of Russia. We are extremely proud of the relationship we have with Carol Vipperman and her group.

"The Governor will be leaving at five o'clock today to go back and while he comes from Moscow, he really has the understanding, as we all do, of our young people's education. Did you notice that his issues were the same as ours--Education, Energy and Transportation? Those are the things, Governor, that we are trying to get done before our session ends on Sunday. It doesn't look like we are going to make it, but it wasn't built in a day, so we have to do like you do. We draw from our natural resources and our human resources and we build an economy. We are all part of that relationship in doing that. We are certainly pleased that you chose to come and visit with us. I know you have been to Boeing, Alaskan Airlines and a lot of our many businesses in our state. While we provide apples, fruit, and all sorts of food for the Russian people--more importantly--or just as important--we provide the industrial and the technology that Russia needs--and your Province needs--in order to truly be a success in your economy. So, while we wish you well, we are very pleased that you are here and we do hope that you will come back. Thank you very much!"

PERSONAL PRIVILEGE

Senator Shin: "A point of personal privilege, Mr. President. Governor, on behalf of the Washington State Legislature, I, too, would like to welcome you to Washington State. Indeed, your country is a large and vast territory and Washington is a small state, but we feel a kinship towards you, because Washington and your country have a trade relationship. In the past, perhaps, there has been kind of an odd relationship, but today life has changed and we are friends and partners. We realize the importance of international trade between your country and our country and we welcome your visit. May your visit, today, continue to enrich the bilateral trade and relations between your country and our country. Therefore, I welcome you today. Thank you."

REMARKS BY THE PRESIDENT

President Owen: "Thank you Governor Abramovich for visiting with us. We look forward to continuing our relationship, not only in business, but culture and education, as well. Thank you very much."

President Pro Tempore Franklin assumed the Chair.

Sec. 4. RCW 89.08.400 and 1992 c 70 s 1 are each amended to read as follows:

For those districts that have chosen to conduct elections of supervisors pursuant to this chapter:

(1) Special assessments are authorized to be imposed for conservation districts as provided in this section. Activities and programs to conserve natural resources, including soil and water, are declared to be of special benefit to lands and may be used as the basis upon which special assessments are imposed.

(2)(a) Special assessments to finance the activities of a conservation district may be imposed by the county legislative authority of the county in which the conservation district is located for a period or periods each not to exceed ten years in duration.

The supervisors of a conservation district shall hold a public hearing on a proposed system of assessments prior to the first day of August in the year prior to which it is proposed that the initial special assessments be collected. At that public hearing, the supervisors shall gather information and shall alter the proposed system of assessments when appropriate, including the number of years during which it is proposed that the special assessments be imposed.

(b) On or before the first day of August in that year, the supervisors of a conservation district shall file the proposed system of assessments, indicating the years during which it is proposed that the special assessments shall be imposed, and a proposed budget for the succeeding year with the county legislative authority of the county within which the conservation district is located. The county legislative authority shall hold a public hearing on the proposed system of assessments. After the hearing, the county legislative authority may accept, or modify and accept, the proposed system of assessments, including the number of years during which the special assessments shall be imposed, if it finds that both the public interest will be served by the imposition of the special assessments and that the special assessments to be imposed on any land will not exceed the special benefit that the land receives or will receive from the activities of the conservation district. The findings of the county legislative authority shall be final and conclusive.

(c) Special assessments may be altered during this period on individual parcels in accordance with the system of assessments if land is divided or land uses or other factors change.

(d) Notice of the public hearings held by the supervisors and the county legislative authority shall be posted conspicuously in at least five places throughout the conservation district, and published once a week for two consecutive weeks in a newspaper in general circulation throughout the conservation district, with the date of the last publication at least five days prior to the public hearing.

(3) A system of assessments shall classify lands in the conservation district into suitable classifications according to benefits conferred or to be conferred by the activities of the conservation district, determine an annual per acre rate of assessment for each classification of land, and indicate the total amount of special assessments proposed to be obtained from each classification of lands. Lands deemed not to receive benefit from the activities of the conservation district shall be placed into a separate classification and shall not be subject to the special assessments. An annual assessment rate shall be stated as either uniform annual per acre amount, or an annual flat rate per parcel plus a uniform annual rate per acre amount, for each classification of land. The maximum annual per acre special assessment rate shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars.

Public land, including lands owned or held by the state, shall be subject to special assessments to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the special assessments of a conservation district.

Forest lands used solely for the planting, growing, or harvesting of trees may be subject to special assessments if such lands benefit from the activities of the conservation district, but the per acre rate of special assessment on benefited forest lands shall not exceed one-tenth of the weighted average per acre assessment on all other lands within the conservation district that are subject to its special assessments. The calculation of the weighted average per acre special assessment shall be a ratio calculated as follows: (a) The numerator shall be the total amount of money estimated to be derived from the imposition of per acre special assessments on the nonforest lands in the conservation district; and (b) the denominator shall be the total number of nonforest land acres in the conservation district that receive benefit from the activities of the conservation district and which are subject to the special assessments of the conservation district. No more than ten thousand acres of such forest lands that is both owned by the same person or entity and is located in the same conservation district may be subject to the special assessments that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forest land parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forest landowner may be imposed on each owner of forest lands whose forest lands are subject to a per acre rate of assessment.

(4) A conservation district shall prepare an assessment roll that implements the system of assessments approved by the county legislative authority. The special assessments from the assessment roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of a special assessment shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest rate and penalty as for delinquent property taxes. The county treasurer shall deduct an amount, as established by the county legislative authority, from the collected special assessments (~~(, as established by the county legislative authority,)~~) to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the special assessments, but not to exceed the actual costs of such work.

(5) The special assessments for a conservation district shall not be spread on the tax rolls and shall not be collected with property tax collections in the following year if, after the system of assessments has been approved by the county legislative authority but prior to the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such special assessments, which petition has been signed by at least twenty percent of the owners of land that would be subject to the special assessments to be imposed for a conservation district.

NEW SECTION. Sec. 5. A new section is added to chapter 89.08 RCW to read as follows:

For those districts that have chosen to conduct elections of supervisors pursuant to Title 29 RCW:

(1) Special assessments are authorized to be imposed for conservation districts as provided in this section. Activities and programs to conserve natural resources, including soil and water, are declared to be of special benefit to lands and may be used as the basis upon which special assessments are imposed.

(2)(a) Special assessments to finance the activities of a conservation district may be imposed by the board of supervisors for a period or periods each not to exceed ten years in duration.

The supervisors of a conservation district shall hold a public hearing on a proposed system of assessments prior to the first day of August in the year prior to which it is proposed that the initial special assessments be collected. At that public hearing, the supervisors shall gather information and shall alter the proposed system of assessments when appropriate, including the number of years during which it is proposed that the special assessments be imposed.

(b) After the public hearing, if the board of supervisors finds that both the public interest will be served by the imposition of the special assessments and that the special assessments to be imposed on any land will not exceed the special benefit that the land receives or will receive from the activities of the conservation district, the board of supervisors shall impose the assessments.

(c) Special assessments may be altered during this period on individual parcels in accordance with the system of assessments if land is divided or land uses or other factors change.

(d) Notice of the public hearings held by the supervisors shall be posted conspicuously in at least five places throughout the conservation district, and published once a week for two consecutive weeks in a newspaper in general circulation throughout the conservation district, with the date of the last publication at least five days prior to the public hearing.

(3) A system of assessments shall classify lands in the conservation district into suitable classifications according to benefits conferred or to be conferred by the activities of the conservation district, determine an annual per acre rate of assessment for each classification of land, and indicate the total amount of special assessments proposed to be obtained from each classification of lands. No more than ten thousand acres of such forest lands that is both owned by the same person or entity and is located in the same conservation district may be subject to the special assessments that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forest land parcels. Nothing in this chapter shall be construed to prohibit the sale of a manufactured home that was altered unless the alteration makes the home unsafe so that its use may constitute a hazard to life, safety, or health.

Sec. 5. RCW 43.22.434 and 1999 c 22 s 10 are each amended to read as follows:

(1) The director or the director's authorized representative may conduct such inspections, investigations, and audits as may be necessary to adopt or enforce manufactured and mobile home, commercial coach, conversion vending units, medical units, recreational vehicle, park trailer, factory built housing, and factory built commercial structure rules adopted under the authority of this chapter or to carry out the director's duties under this chapter.

(2) For purposes of enforcement of this chapter, persons duly designated by the director upon presenting appropriate credentials to the owner, operator, or agent in charge may:

(a) At reasonable times and without advance notice enter any factory, warehouse, or establishment in which manufactured and mobile homes, commercial coaches, conversion vending units, medical units, recreational vehicles, park trailers, factory built housing, and factory built commercial structures are manufactured, stored, or held for sale;

(b) At reasonable times, within reasonable limits, and in a reasonable manner inspect any factory, warehouse, or establishment as required to comply with the standards adopted by the secretary of housing and urban development under the

national ((Mobile)) manufactured home construction and safety standards act of 1974. Each inspection shall be commenced and completed with reasonable promptness; and

(c) As requested by an owner of a conversion vending unit or medical unit, inspect an alteration.

(3) The department shall set a schedule of fees by rule which will cover the costs incurred by the department in the administration of RCW 43.22.335 through 43.22.490.

Sec. 6. RCW 43.22.440 and 1988 c 239 s 5 are each amended to read as follows:

(1) The legislature finds that inspections of manufactured and mobile home installation are not done on a consistent basis. Manufactured and mobile homes provide housing for many people in the state, and improperly installed manufactured or mobile homes are a serious health and safety risk. Where possible and practical, manufactured and mobile homes should be treated the same as any housing inhabited or to be inhabited by persons in this state, including housing built according to the state building code.

(2) In consultation with the factory assembled structures advisory board for ((mobile)) manufactured homes, the director of labor and industries shall by rule establish uniform standards for the performance and workmanship of installation service and warranty service by persons or entities engaged in performing the services within this state for all manufactured and mobile homes, as defined in RCW 46.04.302. The standards shall conform, where applicable, with statutes, rules, and recommendations established under the ((federal)) national ((mobile)) manufactured home construction and safety standards act of 1974 (42 U.S.C. Sec. 5401 et seq.). These rules regarding the installation of manufactured and mobile homes shall be enforced and fees charged by the counties and cities in the same manner the state building code is enforced under RCW 19.27.050.

(3) In addition to and in conjunction with the remedies provided in this chapter, failure to remedy any breach of the standards and rules so established, upon adequate notice and within a reasonable time, is a violation of the consumer protection act, chapter 19.86 RCW and subject to the remedies provided in that chapter.

Sec. 7. RCW 43.22.442 and 1980 c 153 s 2 are each amended to read as follows:

A manufacturer of ((mobile)) manufactured homes who designates a representative within this state to provide consumers with warranty service for ((mobile)) manufactured homes on behalf of the manufacturer shall make reasonable and timely compensation to the representative for performance of the warranty service.

Sec. 8. RCW 43.22.450 and 1973 1st ex.s. c 22 s 1 are each amended to read as follows:

Whenever used in RCW 43.22.450 through 43.22.490:

(1) "Department" means the Washington state department of labor and industries;

(2) "Approved" means approved by the department;

(3) "Factory built housing" means any structure designed primarily for human occupancy other than a manufactured or mobile home the structure or any room of which is either entirely or substantially prefabricated or assembled at a place other than a building site;

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 90.14.140 and 1998 c 258 s 1 are each amended to read as follows:

(1) For the purposes of RCW 90.14.130 through 90.14.180, "sufficient cause" shall be defined as the nonuse of all or a portion of the water by the owner of a water right for a period of five or more consecutive years where such nonuse occurs as a result of:

- (a) Drought, or other unavailability of water;
- (b) Active service in the armed forces of the United States during military crisis;
- (c) Nonvoluntary service in the armed forces of the United States;
- (d) The operation of legal proceedings;
- (e) Federal or state agency leases of or options to purchase lands or water rights which preclude or reduce the use of the right by the owner of the water right;
- (f) Federal laws imposing land or water use restrictions either directly or through the voluntary enrollment of a landowner in a federal program implementing those laws, or acreage limitations, or production quotas;
- (g) Temporarily reduced water need for irrigation use where such reduction is due to varying weather conditions, including but not limited to precipitation and temperature, that warranted the reduction in water use, so long as the water user's diversion and delivery facilities are maintained in good operating condition consistent with beneficial use of the full amount of the water right;
- (h) Temporarily reduced diversions or withdrawals of irrigation water directly resulting from the provisions of a contract or similar agreement in which a supplier of electricity buys back electricity from the water right holder and the electricity is needed for the diversion or withdrawal or for the use of the water diverted or withdrawn for irrigation purposes;
- (i) Water conservation measures implemented under the Yakima river basin water enhancement project, so long as the conserved water is reallocated in accordance with the provisions of P.L. 103-434;

- (k) The reduced use of irrigation water resulting from crop rotation. For purposes of this subsection, crop rotation means the temporary change in the type of crops grown resulting from the exercise of generally recognized sound farming practices. Unused water resulting from crop rotation will not be relinquished if the remaining portion of the water continues to be beneficially used.

(2) Notwithstanding any other provisions of RCW 90.14.130 through 90.14.180, there shall be no relinquishment of any water right:

- (a) If such right is claimed for power development purposes under chapter 90.16 RCW and annual license fees are paid in accordance with chapter 90.16 RCW;
- (b) If such right is used for a standby or reserve water supply to be used in time of drought or other low flow period so long as withdrawal or diversion facilities are maintained in good operating condition for the use of such reserve or standby water supply;
- (c) If such right is claimed for a determined future development to take place either within fifteen years of July 1, 1967, or the most recent beneficial use of the water right, whichever date is later;
- (d) If such right is claimed for municipal water supply purposes under chapter 90.03 RCW;
- (e) If such waters are not subject to appropriation under the applicable provisions of RCW 90.40.030; or
- (f) If such right or portion of the right is leased to another person for use on land other than the land to which the right is appurtenant as long as the lessee makes beneficial use of the right in accordance with this chapter and a transfer or change of the right has been approved by the department in accordance with RCW 90.03.380, 90.03.383, 90.03.390, or 90.44.100.

MESSAGE FROM THE HOUSE

April 17, 2001

MR. PRESIDENT:

Under suspension of the rules ENGROSSED SUBSTITUTE SENATE BILL NO. 5583 was returned to second reading for purpose of an amendment and the House passed the bill with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature affirms its support for those recommendations of the performance audit of the public mental health system conducted by the joint legislative audit and review committee relating to: Improving the coordination of services for clients with multiple needs; improving the consistency of client, service, and fiscal data collected by the mental health division; replacing process-oriented accountability activities with a uniform statewide outcome measurement system; and using outcome information to identify and provide incentives for best practices in the provision of public mental health services.

NEW SECTION. Sec. 2. The legislature supports recommendations 1 through 10 and 12 through 14 of the mental health system performance audit conducted by the joint legislative audit and review committee. The legislature expects the department of social and health services to work diligently within available funds to implement these recommendations.

NEW SECTION. Sec. 3. In addition to any follow-up requirements prescribed by the joint legislative audit and review committee, the department of social and health services shall submit reports to the legislature on the status of the implementation of recommendations 1 through 10 and 12 through 14 of the performance audit report. The implementation status reports must be submitted to appropriate policy and fiscal committees of the legislature by June 1, 2001, and each year thereafter through 2004.

NEW SECTION. Sec. 4. The initial implementation status reports must discuss the status of implementing recommendations 1 through 8, which are due to be implemented by June 2001, and must also include a plan for implementing recommendations 9, 10, and 12 through 14, which are due to be implemented subsequent to June 2001. The initial implementation status report must also discuss what actions the department of social and health services has taken and will take in the future in response to recommendation 11 of the performance audit report.

NEW SECTION. Sec. 5. The Washington institute for public policy shall conduct a longitudinal study of long-term client outcomes to assess any changes in client status at two, five, and ten years. The measures tracked shall include client change as a result of services, employment and/or education, housing stability, criminal justice involvement, and level of services needed. The institute shall report these long-term outcomes to the appropriate policy and fiscal committee of the legislature annually beginning not later than December 31, 2005.

Sec. 6. RCW 71.24.015 and 1999 c 214 s 7 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide for:

(1) Access to mental health services for adults of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. Access to mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of mentally ill children and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of efficient and effective services through statewide standards for monitoring and reporting of client and system outcome information;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

Sec. 7. RCW 71.24.035 and 1999 c 10 s 4 are each amended to read as follows:

(1) The department is designated as the state mental health authority.

(2) The secretary may provide for public, client, and licensed service provider participation in developing the state mental health program.

(3) The secretary shall provide for participation in developing the state mental health program for children and other underserved populations, by including representatives on any committee established to provide oversight to the state mental health program.

(4) The secretary shall be designated as the county authority if a county fails to meet state minimum standards or refuses to exercise responsibilities under RCW 71.24.045.

(5) The secretary shall:

(a) Develop a biennial state mental health program that incorporates county biennial needs assessments and county mental health service plans and state services for mentally ill adults and children. The secretary may also develop a six-year state mental health plan;

(b) Assure that any county community mental health program provides access to treatment for the county's residents in the following order of priority: (i) The acutely mentally ill; (ii) chronically mentally ill adults and severely emotionally disturbed children; and (iii) the seriously disturbed. Such programs shall provide:

(A) Outpatient services;

(B) Emergency care services for twenty-four hours per day;

(C) Day treatment for mentally ill persons which includes training in basic living and social skills, supported work, vocational rehabilitation, and day activities. Such services may include therapeutic treatment. In the case of a child, day treatment includes age-appropriate basic living and social skills, educational and prevocational services, day activities, and therapeutic treatment;

(D) Screening for patients being considered for admission to state mental health facilities to determine the appropriateness of admission;

(E) Employment services, which may include supported employment, transitional work, placement in competitive employment, and other work-related services, that result in mentally ill persons becoming engaged in meaningful and gainful full or part-time work. Other sources of funding such as the division of vocational rehabilitation may be utilized by the secretary to maximize federal funding and provide for integration of services;

(F) Consultation and education services; and

(G) Community support services;

(c) Develop and adopt rules establishing state minimum standards for the delivery of mental health services pursuant to RCW 71.24.037 including, but not limited to:

(i) Licensed service providers;

(ii) Regional support networks; and

(iii) Residential and inpatient services, evaluation and treatment services and facilities under chapter 71.05 RCW, resource management services, and community support services;

(d) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this section;

(e) Establish a standard contract or contracts, consistent with state minimum standards, which shall be used by the counties;

(f) Establish, to the extent possible, a standardized auditing procedure which minimizes paperwork requirements of county authorities and licensed service providers;

(g) Develop and maintain an information system to be used by the state, counties, and regional support networks that includes a tracking method which allows the department and regional support networks to identify mental health clients' participation in any mental health service or public program on an immediate basis. The information system shall not include individual patient's case history files. The plan shall identify and prioritize core administrative functions that must be continued to comply with federal or state statutes. MOTION

On motion of Senator Long, the rules were suspended, Substitute House Bill No. 1650 be returned to second reading and read the second time.

MOTION

On motion of Senator Long, the following striking amendment by Senators Long and Hargrove was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 71.24.015 and 1999 c 214 s 7 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide for:

(1) Access to mental health services for adults of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. Access to mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of mentally ill children and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of efficient and effective services through state of the art outcome and performance measures and statewide standards for monitoring client and system outcomes, performance, and reporting of information. These processes shall be designed so as to maximize the use of available resources for direct care of people with a mental illness;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill consistent with the priorities defined in the statute;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

NEW SECTION. Sec. 2. A new section is added to chapter 71.24 RCW to read as follows:

(2) The department may expend funds defined in subsection (1) of this section in any manner that will effectively accomplish the outcome measures defined in section 5 of this act.

(3) The department shall implement strategies that accomplish the outcome measures identified in section 5 of this act that are within the funding constraints in this section.

Benchmark information shall be published quarterly and provided to the legislature, the governor, regional support networks, and all providers of mental health services.

NEW SECTION. Sec. 6. A new section is added to chapter 71.24 RCW to read as follows:

(11) Notwithstanding the existence or pursuit of any other remedy, the secretary may file an action for an injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, or operation of a regional support network or service provider without certification or a license under this chapter.

(12) The standards for certification of evaluation and treatment facilities shall include standards relating to maintenance of good physical and mental health and other services to be afforded persons pursuant to this chapter and chapters 71.05 and 71.34 RCW, and shall otherwise assure the effectuation of the purposes of these chapters.

(13)(a) The department, in consultation with affected parties, shall establish a distribution formula that reflects county needs assessments based on the number of persons who are acutely mentally ill, chronically mentally ill, severely emotionally disturbed children, and seriously disturbed. The formula shall take into consideration the impact on counties of demographic factors in counties which result in concentrations of priority populations as set forth in subsection (5)(b) of this section. These factors shall include the population concentrations resulting from commitments under chapters 71.05 and 71.34 RCW to state psychiatric hospitals, as well as concentration in urban areas, at border crossings at state boundaries, and other significant demographic and workload factors.

(b) The formula shall also include a projection of the funding allocations that will result for each county, which specifies allocations according to priority populations, including the allocation for services to children and other underserved populations.

(14) The secretary shall assume all duties assigned to the nonparticipating counties under chapters 71.05, 71.34, and 71.24 RCW. Such responsibilities shall include those which would have been assigned to the nonparticipating counties under regional support networks.

The regional support networks, or the secretary's assumption of all responsibilities under chapters 71.05, 71.34, and 71.24 RCW, shall be included in all state and federal plans affecting the state mental health program including at least those required by this chapter, the medicaid program, and P.L. 99-660. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(15) The secretary shall:

(a) Disburse funds for the regional support networks within sixty days of approval of the biennial contract. The department must either approve or reject the biennial contract within sixty days of receipt.

(b) Enter into biennial contracts with regional support networks. The contracts shall be consistent with available resources. No contract shall be approved that does not include progress toward meeting the goals of this chapter by taking responsibility for: (i) Short-term commitments; (ii) residential care; and (iii) emergency response systems.

(c) Allocate one hundred percent of available resources to the regional support networks in accordance with subsection (13) of this section.

(d) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(e) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

~~((f) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.))~~

(16) The department, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. The department shall periodically report its efforts to the ~~((health care and corrections))~~ appropriate committees of the senate and the ~~((human services committee of the))~~ house of representatives.

~~((17) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health.))~~

Sec. 11. RCW 71.24.037 and 1999 c 10 s 5 are each amended to read as follows:

(1) The secretary shall by rule establish state minimum standards for licensed service providers and services.

(2) Minimum standards for licensed service providers shall, at a minimum, establish: Qualifications for staff providing services directly to mentally ill persons, the intended result of each service, and the rights and responsibilities of persons receiving mental health services pursuant to this chapter. The secretary shall provide for deeming of licensed service providers as meeting state minimum standards as a result of accreditation by a recognized behavioral health accrediting body recognized and having a current agreement with the department.

~~(3) ((Minimum standards for residential services shall be based on clients' functional abilities and not solely on their diagnoses, limited to health and safety, staff qualifications, and program outcomes. Minimum standards for residential services shall be developed in collaboration with consumers, families, counties, regulators, and residential providers serving the mentally ill. The minimum standards shall encourage the development of broad-range residential programs, including integrated housing and cross-systems programs where appropriate, and shall not unnecessarily restrict programming flexibility.~~

(4)) Minimum standards for community support services and resource management services shall include at least qualifications for resource management services, client tracking systems, and the transfer of patient information between service providers.

Sec. 12. RCW 71.24.045 and 1992 c 230 s 5 are each amended to read as follows:

The county authority shall:

(1) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(2) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective;

(3) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts~~((, including the minimum standards of service delivery as established by the department))~~;

(4) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this chapter;

(5) Maintain patient tracking information in a central location as required for resource management services and the department's information system;

(6) Use not more than two percent of state-appropriated community mental health funds, which shall not include federal funds, to administer community mental health programs under RCW 71.24.155: PROVIDED, That county authorities serving a county or combination of counties whose population is one hundred twenty-five thousand or more may be entitled to sufficient state-appropriated community mental health funds to employ up to one full-time employee or the equivalent thereof in addition to the two percent limit established in this subsection when such employee is providing staff services to a county mental health advisory board;

(7) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

Sec. 13. RCW 71.24.049 and 1999 c 10 s 6 are each amended to read as follows:

By January 1st of each odd-numbered year, the ~~((county authority))~~ regional support network shall identify: (1) The number of children in each priority group, as defined by this chapter, who are receiving mental health services funded in part or in whole under this chapter, (2) the amount of funds under this chapter used for children's mental health services, (3) an estimate of the number of unserved children in each priority group, and (4) the estimated cost of serving these additional children and their families.

Sec. 14. RCW 71.24.155 and 1987 c 505 s 65 are each amended to read as follows:

Grants shall be made by the department to ~~((counties))~~ regional support networks for community mental health programs totaling not less than ninety-five percent of available resources. The department may use up to forty percent of the remaining five percent to provide community demonstration projects, including early intervention or primary prevention programs for children, and the remainder shall be for emergency needs and technical assistance under this chapter.

Sec. 15. RCW 71.24.160 and 1989 c 205 s 7 are each amended to read as follows:

The ~~((county authority))~~ regional support networks shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990.

Sec. 16. RCW 71.24.250 and 1982 c 204 s 14 are each amended to read as follows:

The ~~((county authority))~~ regional support network may accept and expend gifts and grants received from private, county, state, and federal sources.

Sec. 17. RCW 71.24.300 and 1999 c 214 s 8 and 1999 c 10 s 9 are each reenacted and amended to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. Upon the request of a tribal authority or authorities within a regional support network the joint operating agreement or the county authority shall allow for the inclusion of the tribal authority to be represented as a party to the regional support network. The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that counties and the regional support network do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties:

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Assume the powers and duties of county authorities within its area as described in RCW 71.24.045 (1) through (7).

(c) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

~~((d))~~ (d) Provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each regional support network. Such exceptions are limited to contracts with neighboring or contiguous regions.

~~((e))~~ (e) Administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of persons currently confined at, or under the supervision of, a state mental hospital pursuant to chapter 10.77 RCW, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the state for use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The secretary shall submit a report to the appropriate committees of the senate and house of representatives on the efforts to implement this section by October 1, 2002. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section.

~~((e))~~ (f) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as defined in RCW 71.24.035, and mental health services to children as provided in this chapter designed to achieve the outcomes specified in section 5 of this act.

~~((f))~~ (g) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter. The composition of the board shall be broadly representative of the

demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.

(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary. ~~((Such contracts may include agreements to provide periods of stable community living and work or other day activities for specific chronically mentally ill persons who have completed commitments at state hospitals on ninety-day or one hundred eighty-day civil commitments or who have been residents at state hospitals for no less than one hundred eighty days within the previous year. Periods of stable community living may involve acute care in local evaluation and treatment facilities but may not involve use of state hospitals.))~~

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(6).

~~(7) ((As part of each biennial plan, each regional support network shall establish and submit to the state, procedures and agreements to assure access to sufficient additional local evaluation and treatment facilities to meet the requirements of this chapter while reducing short-term admissions to state hospitals. These shall be commitments to construct and operate, or contract for the operation of, freestanding evaluation and treatment facilities or agreements with local evaluation and treatment facilities which shall include (a) required admission and treatment for short-term inpatient care for any person enrolled in community support or residential services, (b) discharge planning procedures, (c) limitations on admissions or transfers to state hospitals, (d) adequate psychiatric supervision, (e) prospective payment methods, and (f) contractual assurances regarding referrals to local evaluation and treatment facilities from regional support networks.~~

~~(8))~~ Regional support networks may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be fully integrated with the regional support network six-year operating and capital plan, timeline, and budget required by subsection (1) of this section.

Sec. 18. RCW 71.24.400 and 1999 c 10 s 10 are each amended to read as follows:

The legislature finds that the current complex set of federal, state, and local rules and regulations, audited and administered at multiple levels, which affect the community mental health service delivery system, focus primarily on the process of providing mental health services and do not sufficiently address consumer and system outcomes. The legislature finds that the department and the community mental health service delivery system must make ongoing efforts to achieve the purposes set forth in RCW 71.24.015 related to reduced administrative layering, duplication, elimination of process measures not specifically required by the federal government for the receipt of federal funds, and reduced administrative costs.

Sec. 19. RCW 71.24.405 and 1999 c 10 s 11 are each amended to read as follows:

The department shall establish a ~~((single))~~ comprehensive and collaborative ~~((project))~~ effort within regional support networks and with local mental health service providers aimed at creating innovative and streamlined community mental health service delivery systems, in order to carry out the purposes set forth in RCW 71.24.400 and to capture the diversity of the community mental health service delivery system.

The ~~((project))~~ department must accomplish the following:

(1) Identification, review, and cataloging of all rules, regulations, duplicative administrative and monitoring functions, and other requirements that currently lead to inefficiencies in the community mental health service delivery system and, if possible, eliminate the requirements;

(2) The systematic and incremental development of a single system of accountability for all federal, state, and local funds provided to the community mental health service delivery system. Systematic efforts should be made to include federal and local funds into the single system of accountability;

(3) The elimination of process regulations and related contract and reporting requirements. In place of the regulations and requirements, a set of outcomes for mental health adult and children clients according to chapter 71.24 RCW must be used to measure the performance of mental health service providers and regional support networks. Such outcomes shall focus on stabilizing out-of-home and hospital care, increasing stable community living, increasing age-appropriate activities, achieving family and consumer satisfaction with services, and system efficiencies;

(4) Evaluation of the feasibility of contractual agreements between the department of social and health services and regional support networks and mental health service providers that link financial incentives to the success or failure of mental health service providers and regional support networks to meet outcomes established for mental health service clients;

(5) The involvement of mental health consumers and their representatives ~~((in the pilot projects))~~. Mental health consumers and their representatives will be involved in the development of outcome standards for mental health clients ~~((and other related aspects of the pilot projects))~~ under section 5 of this act; and

(6) An independent evaluation component to measure the success of the ((projects)) department in fully implementing the provisions of RCW 71.24.400 and this section.

NEW SECTION. Sec. 20. The legislature finds that an excessive amount of public funds are spent on administrative activities in the community mental health system. The department of social and health services shall develop a plan to reduce administrative expenses in the community mental health system, including the mental health division, to no more than ten percent of available funds. The plan shall identify and prioritize core administrative functions that must be continued to comply with federal or state statutes. The department shall submit their plan to the appropriate committees of the senate and house of representatives no later than December 15, 2001. The plan shall assume an implementation date of July 1, 2003."

MESSAGE FROM THE HOUSE

April 16, 2001

MR. PRESIDENT:

The House refuses to concur in the Senate amendment(s) to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1286 asks the Senate to recede therefrom, and the same are herewith transmitted.

CYNTHIA ZEHNDER, Co-Chief Clerk
TIMOTHY A. MARTIN, Co-Chief Clerk

MOTION

On motion of Senator Jacobsen, the Senate receded from its amendment(s) to Engrossed Substitute House Bill No. 1286.

MOTION

On motion of Senator Jacobsen, the rules were suspended, Engrossed Substitute House Bill No. 1286 was returned to second reading and read the second time.

MOTION

On motion of Senator Jacobsen, the following striking amendment by Senators Jacobsen and Oke was adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 77.95.210 and 2000 c 107 s 11 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the department may supply, at a reasonable charge, surplus salmon eggs to a person for use in the cultivation of salmon. The department shall not intentionally create a surplus of salmon to provide eggs for sale. The department shall only sell salmon eggs from stocks that are not suitable for salmon population rehabilitation or enhancement in state waters in Washington after the salmon harvest on surplus salmon has been first maximized by both commercial and recreational fishers.

(2) The department shall not destroy hatchery origin salmon for the purposes of destroying viable eggs that would otherwise be useful for propagation or salmon recovery purposes, as determined by the department and Indian tribes with treaty fishing rights in a collaborative manner, for replenishing fish runs. Eggs deemed surplus by the state must be provided, in the following order of priority, to:

(a) Voluntary cooperative salmon culture programs under the supervision of the department under chapter 77.100 RCW;

(b) Regional fisheries enhancement group salmon culture programs under the supervision of the department under this chapter;

(c) Salmon culture programs requested by lead entities and approved by the salmon funding recovery board under chapter 77.85 RCW;

(d) Hatcheries of federally approved tribes in Washington to whom eggs are moved, not sold, under the interlocal cooperation act, chapter 39.34 RCW; and

(e) Governmental hatcheries in Washington, Oregon, and Idaho.

The order of priority established in this subsection for distributing surplus eggs does not apply when there is a shortfall in the supply of eggs.

(3) All sales, provisions, distributions, or transfers shall be consistent with the department's egg transfer and aquaculture disease control regulations as now existing or hereafter amended. Prior to department determination that eggs of a salmon stock are surplus and available for sale, the department shall assess the productivity of each watershed that is suitable for receiving eggs.

Sec. 2. RCW 77.95.270 and 1989 c 336 s 6 are each amended to read as follows:

Except as provided in RCW 77.95.210, the department may make available to private contractors salmon eggs in excess of department hatchery needs for the purpose of contract rearing to release the smolts into public waters. However, providing salmon eggs as specified in RCW 77.95.210(2) has the highest priority. The priority of providing eggs surplus after meeting the requirements of RCW 77.95.210(2) to contract rearing ~~((shall be))~~ is a higher priority than providing eggs to aquaculture purposes ~~((which))~~ that are not destined for release into Washington public waters.

Sec. 3. RCW 77.100.050 and 1987 c 505 s 73 are each amended to read as follows:

(1) The department shall:

(a) Encourage and support the establishment of cooperative agreements for the development and operation of cooperative food fish, shellfish, game fish, game bird, game animal, and nongame wildlife projects, and projects which provide an opportunity for volunteer groups to become involved in resource and habitat-oriented activities. All cooperative projects shall be fairly considered in the approval of cooperative agreements;

(b) Identify regions and species or activities that would be particularly suitable for cooperative projects providing benefits compatible with department goals;

(c) Determine the availability of rearing space at operating facilities or of net pens, egg boxes, portable rearing containers, incubators, and any other rearing facilities for use in cooperative projects, and allocate them to volunteer groups as fairly as possible;

(d) Make viable eggs available for replenishing fish runs, and salmon carcasses for nutrient enhancement of streams. If a regional fisheries enhancement group, lead entity, volunteer cooperative group, federally approved tribe in Washington, or a governmental hatchery in Washington, Oregon, or Idaho requests the department for viable eggs, the department must include the request within the brood stock document prepared for review by the regional offices. The eggs shall be distributed in accordance with the priority established in RCW 77.95.210 if they are available. A request for viable eggs may only be denied if the eggs would not be useful for propagation or salmon recovery purposes, as determined under RCW 77.95.210.

~~((e))~~ (e) Exempt volunteer groups from payment of fees to the department for activities related to the project;

~~((f))~~ (f) Publicize the cooperative program;

~~((g))~~ (g) Not substitute a new cooperative project for any part of the department's program unless mutually agreeable to the department and volunteer group;

~~((h))~~ (h) Not approve agreements that are incompatible with legally existing land, water, or property rights.

(2) The department may, when requested, provide to volunteer groups its available professional expertise and assist the volunteer group to evaluate its project. The department must conduct annual workshops in each administrative region of the department that has fish stocks listed as threatened or endangered under the federal endangered species act, 16 U.S.C. Sec. 1531 et seq., in order to assist volunteer groups with egg rearing, share information on successful salmon recovery projects accomplished by volunteers within the state, and provide basic training on monitoring efforts that can be accomplished by volunteers in order to help determine if their efforts are successful.

Sec. 4. RCW 77.100.060 and 2000 c 107 s 112 are each amended to read as follows:

The commission shall establish by rule:

(1) The procedure for entering a cooperative agreement and the application forms for a permit to release fish or wildlife required by RCW 77.12.457. The procedure shall indicate the information required from the volunteer group as well as the process of review by the department. The process of review shall include the means to coordinate with other agencies and Indian tribes when appropriate and to coordinate the review of any necessary hydraulic permit approval applications.

(2) The procedure for providing within forty-five days of receipt of a proposal a written response to the volunteer group indicating the date by which an acceptance or rejection of the proposal can be expected, the reason why the date was selected, and a written summary of the process of review. The response should also include any suggested modifications to the proposal which would increase its likelihood of approval and the date by which such modified proposal could be expected to be accepted. If the proposal is rejected, the department must provide in writing the reasons for rejection. The volunteer group may request the director or the director's designee to review information provided in the response.

(3) The priority of the uses to which eggs, seed, juveniles, or brood stock are put. Use by cooperative projects shall be second in priority only to the needs of programs of the department or of other public agencies within the territorial boundaries of the state. Sales of eggs, seed, juveniles, or brood stock have a lower priority than use for cooperative projects. The rules must identify and implement appropriate protocols for brood stock handling, including the outplanting of adult fish, spawning, incubation, rearing, and release and establish a prioritized schedule for implementation of this act, and shall include directives for allowing more hatchery salmon to spawn naturally in areas where progeny of hatchery fish have spawned, including the outplanting of adult fish, in order to increase the number of viable salmon eggs and restore healthy numbers of fish within the state.

(4) The procedure for the director to notify a volunteer group that the agreement for the project is being revoked for cause and the procedure for revocation. Revocation shall be documented in writing to the volunteer group. Cause for revocation may include: (a) The unavailability of adequate biological or financial resources; (b) the development of unacceptable biological or resource management conflicts; or (c) a violation of agreement provisions. Notice of cause to revoke for a violation of agreement provisions may specify a reasonable period of time within which the volunteer group must comply with any violated provisions of the agreement.

(5) An appropriate method of distributing among volunteer groups fish, bird, or animal food or other supplies available for the program.

NEW SECTION. Sec. 5. A new section is added to chapter 77.04 RCW to read as follows:

(1) The department shall prepare an annual surplus salmon report. This report shall include the disposition of adult salmonids that have returned to salmonid hatchery facilities operated under the jurisdiction of the state that:

- (a) Have not been harvested; and
- (b) Were not allowed to escape for natural spawning.

(2) The report shall include, by species, the number and estimated weight of surplus salmon and steelhead and a description of the disposition of the adult carcasses including, but not limited to, the following categories:

- (a) Disposed in landfills;
- (b) Transferred to another government agency for reproductive purposes;
- (c) Sold to contract buyers in the round;
- (d) Sold to contract buyers after spawning;
- (e) Transferred to Native American tribes;
- (f) Donated to food banks; and
- (g) Used in stream nutrient enrichment programs.

(3) The report shall also include, by species, information on the number of requests for viable salmon eggs, the number of these requests that were granted and the number that were denied, the geographic areas for which these requests were granted or denied, and a brief explanation given for each denial of a request for viable salmon eggs.

(4) The report shall be included in the biennial state of the salmon report required by RCW 77.85.020 and other similar state reports on salmon.

(5) The report shall include an assessment of the infrastructure needs and facility modifications necessary to implement this act.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

MOTIONS

attack, or substantial bodily injury in the immediate future for which there is no time for a complaint to the authorities and no time or opportunity to resort to the courts.

Sec. 5. RCW 9.94A.360 and 2000 c 28 s 15 are each amended to read as follows:

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.

(2) Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.400(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and ½ point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and ½ point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and ½ point for each juvenile prior conviction.

(12) If the present conviction is for a drug offense count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(13) If the present conviction is for (~~Willful Failure to Return from Furlough, RCW 72.66.060, Willful Failure to Return from Work Release, RCW 72.65.070, or~~) Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as ½ point.

(14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as ½ point.

(15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(16) If the present conviction is for a sex offense, count priors as in subsections (7) through (15) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(17) If the present conviction is for an offense committed while the offender was under community placement, add one point.

NEW SECTION. Sec. 6. A new section is added to chapter 10.88 RCW to read as follows:

A law enforcement agency shall deliver a person in custody to the accredited agent or agents of a demanding state without the governor's warrant provided that:

(1) Such person is alleged to have broken the terms of his or her probation, parole, bail, or any other release of the demanding state; and

(2) The law enforcement agency has received from the demanding state an authenticated copy of a prior waiver of extradition signed by such person as a term of his or her probation, parole, bail, or any other release of the demanding state and photographs or fingerprints or other evidence properly identifying the person as the person who signed the waiver.

NEW SECTION. Sec. 7. The following acts or parts of acts are each repealed:

(1) RCW 72.65.070 (Wilfully failing to return--Deemed escapee and fugitive--Penalty) and 1967 c 17 s 7; and

(2) RCW 72.66.060 (Wilfully failing to return--Deemed escapee and fugitive--Penalty) and 1971 ex.s. c 58 s 7.

NEW SECTION. Sec. 8. The laws repealed by this act are repealed except with respect to rights and duties which matured, penalties which were incurred, proceedings which were begun prior to the effective date of this act, or proceedings which are initiated after this act for violations committed prior to the effective date of this act.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2001."

MESSAGE FROM THE HOUSE

April 18, 2001

MR. PRESIDENT:

Under suspension of the rules, ENGROSSED SUBSTITUTE SENATE BILL NO. 5413 was returned to second reading for purpose of an amendment and the bill passed the House with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 13.34 RCW to read as follows:

(1) Following shelter care and no later than twenty-five days prior to fact-finding, the department, upon the parent's request or counsel for the parent's request, shall facilitate a conference to develop and specify in a written service agreement the expectations of both the department and the parent regarding the care and placement of the child.

The department shall invite to the conference the parent, counsel for the parent, the foster parent or other out-of-home care provider, caseworker, guardian ad litem, counselor, or other relevant health care provider, and any other person connected to the development and well-being of the child.

The initial written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific criteria that enables the court to measure the performance of both the department and the parent, and must be updated throughout the dependency process to reflect changes in expectations. The service agreement must serve as the unifying document for all expectations established in the department's various case planning and case management documents and the findings and orders of the court during dependency proceedings.

The court shall review the written service agreement at each stage of the dependency proceedings and evaluate the performance of both the department and the parent for consistent, measurable progress in complying with the expectations identified in the agreement.

The case conference agreement must be agreed to and signed by the parties. The court shall not consider the content of the discussions at the case conference at the time of the fact-finding hearing for the purposes of establishing that the child is a dependent child, and the court shall not consider any documents or written materials presented at the case conference but not incorporated into the case conference agreement, unless the documents or written materials were prepared for purposes other than or as a result of the case conference and are otherwise admissible under the rules of evidence.

(2) At any other stage in a dependency proceeding, the department, upon the parent's request, shall facilitate a case conference.

Sec. 2. RCW 13.34.062 and 2000 c 122 s 5 are each amended to read as follows:

(1) The written notice of custody and rights required by RCW 13.34.060 shall be in substantially the following form:

"NOTICE

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other person or agency). You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody excluding Saturdays, Sundays, and holidays. You should call the court at (insert appropriate phone number here) for specific information about the date, time, and location of the court hearing.

2. You have the right to have a lawyer represent you at the hearing. Your right to representation continues after the shelter care hearing. You have the right to records the department intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

You should be present at any shelter care hearing. If you do not come, the judge will not hear what you have to say.

You may call the Child Protective Services' caseworker for more information about your child. The caseworker's name and telephone number are: (insert name and telephone number).

5. You may request that the department facilitate a case conference to develop a written service agreement following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care. You may request that a multidisciplinary team, family group conference, prognostic staffing, or case conference be convened for your child's case. You may participate in these processes with your counsel present."

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, guardian, or legal custodian.

(2) If child protective services is not required to give notice under RCW 13.34.060(2) and subsection (1) of this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

(3) Reasonable efforts to advise and to give notice, as required in RCW 13.34.060(2) and subsections (1) and (2) of this section, shall include, at a minimum, investigation of the whereabouts of the parent, guardian, or legal custodian. If such reasonable efforts are not successful, or the parent, guardian, or legal custodian does not appear at the shelter care hearing, the petitioner shall testify at the hearing or state in a declaration:

(a) The efforts made to investigate the whereabouts of, and to advise, the parent, guardian, or legal custodian; and

(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used.

(4) The court shall hear evidence regarding notice given to, and efforts to notify, the parent, guardian, or legal custodian and shall examine the need for shelter care. The court shall hear evidence regarding the efforts made to place the child with a relative. The court shall make an express finding as to whether the notice required under RCW 13.34.060(2) and subsections (1) and (2) of this section was given to the parent, guardian, or legal custodian. All parties have the right to present testimony to the court regarding the need or lack of need for shelter care. Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(5) A shelter care order issued pursuant to RCW 13.34.065 may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(6) Any parent, guardian, or legal custodian who for good cause is unable to attend the initial shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

Sec. 3. RCW 13.34.065 and 2000 c 122 s 7 are each amended to read as follows:

(1) The juvenile court probation counselor shall submit a recommendation to the court as to the further need for shelter care unless the petition has been filed by the department, in which case the recommendation shall be submitted by the department.

(2) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(a) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(b)(i) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(ii) The release of such child would present a serious threat of substantial harm to such child; or

(iii) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060(1), the court shall order continued placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized. If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1). If a relative is not available, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order. The court shall enter a finding as to whether RCW 13.34.060(2) and subsections (1) and (2) of this section have been complied with. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090.

(3) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent and give weight to that fact before ordering return of the child to shelter care.

(4) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(5) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 4. RCW 13.34.180 and 2000 c 122 s 25 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (2) or (3) of this section applies:

- (a) That the child has been found to be a dependent child;
- (b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
- (c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
- (d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
- (e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:
 - (i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or
 - (ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; and
- (f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home.

(2) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(3) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

- (a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;
- (b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;
- (c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection;

or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(4) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

2. You have the right to have a lawyer represent you at the hearing. A lawyer can look at the files in your case, talk to the department of social and health services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. Sec. 5. RCW 13.34.138 and 2000 c 122 s 19 are each amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The initial review hearing shall be an in-court review and shall be set six months from the beginning date of the placement episode or no more than ninety days from the entry of the disposition order, whichever comes first. The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(3) or 13.34.134. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. This review shall consider both the agency's and parent's efforts that demonstrate consistent measurable progress over time in meeting the disposition plan requirements. The requirements for the initial review hearing, including the in-court requirement, shall be accomplished within existing resources. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing

pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(2) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

The department shall, within existing resources, provide to parents requesting a multidisciplinary team, family group conference, prognostic staffing, or case conference, information that describes these processes prior to the processes being undertaken.

Sec. 7. RCW 13.34.110 and 2000 c 122 s 11 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2)(a) The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any. If the department of social and health services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court within available resources must inquire and establish on the record that:

(i) The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;

(ii) The parent, guardian, or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child within the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had actual notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parent's, guardian's, or legal custodian's notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court hearing for entry of the stipulated or agreed order of dependency by submitting to the court

through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington state supreme court pursuant to General Rule GR 9.

(3) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: ((4)) (a) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; ((2)) (b) are known to the department as having been in contact with the family or child within the past twelve months; and ((3)) (c) would be an appropriate placement for the child. Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence.

The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement. ((The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.))

NEW SECTION. Sec. 8. A new section is added to chapter 13.34 RCW to read as follows:

The department of social and health services shall promulgate rules that create good cause exceptions to the establishment and enforcement of child support from parents of children in out-of-home placement under chapter 13.34 or 13.32A RCW that do not violate federal funding requirements. The department shall present the rules and the department's plan for implementation of the rules to the appropriate committees of the legislature prior to the 2002 legislative session."

MESSAGE FROM THE HOUSE

April 12, 2001

MR. PRESIDENT:

The House has passed SENATE BILL NO. 5333 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 90.03.290 and 1994 c 264 s 84 are each amended to read as follows:

(1) When an application complying with the provisions of this chapter and with the rules ~~((and regulations))~~ of the department has been filed, the same shall be placed on record with the department, and it shall be its duty to investigate the application, and determine what water, if any, is available for appropriation, and find and determine to what beneficial use or uses it can be applied. If it is proposed to appropriate water for irrigation purposes, the department shall investigate, determine and find what lands are capable of irrigation by means of water found available for appropriation. If it is proposed to appropriate water for the purpose of power development, the department shall investigate, determine and find whether the proposed development is likely to prove detrimental to the public interest, having in mind the highest feasible use of the waters belonging to the public.

(2)(a) If the application does not contain, and the applicant does not promptly furnish sufficient information on which to base such findings, the department may issue a preliminary permit, for a period of not to exceed three years, requiring the applicant to make such surveys, investigations, studies, and progress reports, as in the opinion of the department may be necessary. If the applicant fails to comply with the conditions of the preliminary permit, it and the application or applications on which it is based shall be automatically canceled and the applicant so notified. If the holder of a preliminary permit shall, before its expiration, file with the department a verified report of expenditures made and work done under the preliminary permit, which, in the opinion of the department, establishes the good faith, intent, and ability of the applicant to carry on the proposed development, the preliminary permit may, with the approval of the governor, be extended, but not to exceed a maximum period of five years from the date of the issuance of the preliminary permit.

(b) For any application for which a preliminary permit was issued and for which the availability of water was directly affected by a moratorium on further diversions from the Columbia river during the years from 1990 to 1998, the preliminary permit is extended through June 30, 2002. If such an application and preliminary permit were canceled during the moratorium, the application and preliminary permit shall be reinstated until June 30, 2002, if the application and permit: (i) Are for providing regional water supplies in more than one urban growth area designated under chapter 36.70A RCW and in one or more areas near such urban growth areas, or the application and permit are modified for providing such supplies, and (ii) provide or are modified to provide such regional supplies through the use of existing intake or diversion structures. The authority to modify such a canceled application and permit to accomplish the objectives of (b)(i) and (ii) of this subsection is hereby granted.

(3) The department shall make and file as part of the record in the matter, written findings of fact concerning all things investigated, and if it shall find that there is water available for appropriation for a beneficial use, and the appropriation thereof as proposed in the application will not impair existing rights or be detrimental to the public welfare, it shall issue a permit stating the amount of water to which the applicant shall be entitled and the beneficial use or uses to which it may be applied: PROVIDED, That where the water applied for is to be used for irrigation purposes, it shall become appurtenant only to such land as may be reclaimed thereby to the full extent of the soil for agricultural purposes. But where there is no unappropriated water in the proposed source of supply, or where the proposed use conflicts with existing rights, or threatens to prove detrimental to the public interest, having due regard to the highest feasible development of the use of the waters belonging to the public, it shall be duty of the department to reject such application and to refuse to issue the permit asked for.

(4) If the permit is refused because of conflict with existing rights and such applicant shall acquire same by purchase or condemnation under RCW 90.03.040, the department may thereupon grant such permit. Any application may be approved for a less amount of water than that applied for, if there exists substantial reason therefor, and in any event shall not be approved for more water than can be applied to beneficial use for the purposes named in the application. In determining whether or not a permit shall issue upon any application, it shall be the duty of the department to investigate all facts relevant and material to the application. After the department approves said application in whole or in part and before any permit shall be issued thereon to the applicant, such applicant shall pay the fee provided in RCW 90.03.470: PROVIDED FURTHER, That in the event a permit is issued by the department upon any application, it shall be its duty to notify the director of fish and wildlife of such issuance.", **and the same are herewith transmitted.**

MESSAGE FROM THE HOUSE

April 18, 2001

MR. PRESIDENT:

Under suspension of the rules, SUBSTITUTE SENATE BILL NO. 5637 was returned to second reading for purpose of an amendment and the bill passed the House with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that a comprehensive program of monitoring is fundamental to making sound public policy and programmatic decisions regarding salmon recovery and watershed health. Monitoring provides accountability for results of management actions and provides the data upon which an adaptive management framework can lead to improvement of strategies and programs. Monitoring is also a required element of any salmon recovery plan submitted to the federal government for approval. While numerous agencies and citizen organizations are engaged in monitoring a wide range of salmon recovery and watershed health parameters, there is a greater need for coordination of monitoring efforts, for using limited monitoring resources to obtain information most useful for achieving relevant local, state, and federal requirements regarding watershed health and salmon recovery, and for making the information more accessible to those agencies and organizations

implementing watershed health programs and projects. Regarding salmon recovery monitoring, the state independent science panel has concluded that many programs already monitor indicators relevant to salmonids, but the efforts are largely uncoordinated or unlinked among programs, have different objectives, use different indicators, lack support for sharing data, and lack shared statistical designs to address specific issues raised by listing of salmonid species under the federal endangered species act.

Therefore, it is the intent of the legislature to encourage the refocusing of existing agency monitoring activities necessary to implement a comprehensive watershed health monitoring program, with a focus on salmon recovery. The program should: Be based on a framework of greater coordination of existing monitoring activities; require monitoring activities most relevant to adopted local, state, and federal watershed health objectives; and facilitate the exchange of monitoring information with agencies and organizations carrying out watershed health, salmon recovery, and water resources management planning and programs.

NEW SECTION. Sec. 2. A new section is added to chapter 90.82 RCW to read as follows:

In conducting assessments and other studies that include monitoring components or recommendations, the department and planning units shall implement the monitoring recommendations developed under section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 77.85 RCW to read as follows:

(1) The monitoring oversight committee is hereby established. The committee shall be comprised of the directors or their designated representatives of:

- (a) The salmon recovery office;
- (b) The department of ecology;
- (c) The department of fish and wildlife;
- (d) The conservation commission;
- (e) The Puget Sound action team;
- (f) The department of natural resources;
- (g) The department of transportation; and
- (h) The interagency committee for outdoor recreation.

(2) The director of the salmon recovery office and the chair of the salmon recovery funding board, or their designees, shall cochair the committee. The cochairs shall convene the committee as necessary to develop, for the consideration of the governor and legislature, a comprehensive and coordinated monitoring strategy and action plan on watershed health with a focus on salmon recovery. The committee shall invite representation from the treaty tribes to participate in the committee's efforts. In addition, the committee shall invite participation by other state, local, and federal agencies and other entities as appropriate. The committee shall address the monitoring recommendations of the independent science panel provided under RCW 77.85.040(7) and of the joint legislative audit and review committee in its report number 01-1 on investing in the environment.

(3) The independent science panel shall act as an advisor to the monitoring oversight committee and shall review all work products developed by the committee and make recommendations to the committee cochairs.

(4) A legislative steering committee is created consisting of four legislators. Two of the legislators shall be members of the house of representatives, each representing different major political parties, appointed by the co-speakers of the house of representatives. The other two legislators shall be members of the senate, each representing different major political parties, appointed by the president of the senate. The monitoring oversight committee shall provide briefings to the legislative steering committee on a quarterly basis on the progress that the oversight committee is making on the development of the coordinated monitoring strategy and action plan, and the establishment of an adaptive management framework. The briefings shall include information on how the monitoring strategy will be coordinated with other government efforts, expected benefits and efficiencies that will be achieved, recommended funding sources and funding levels that will ensure stable sources of funding for monitoring, and the efforts and cooperation provided by agencies to improve coordination of their activities.

(5) The committee shall make recommendations to individual agencies to improve coordination of monitoring activities.

(6) The committee shall:

(a) Define the monitoring goals, objectives, and questions that must be addressed as part of a comprehensive statewide salmon recovery monitoring and adaptive management framework;

(b) Identify and evaluate existing monitoring activities for inclusion in the framework, while ensuring data consistency and coordination and the filling of monitoring gaps;

(c) Recommend statistical designs appropriate to the objectives;

(d) Recommend performance measures appropriate to the objectives and targeted to the appropriate geographical, temporal, and biological scales;

(e) Recommend standardized monitoring protocols for salmon recovery and watershed health;

(f) Recommend procedures to ensure quality assurance and quality control of all relevant data;

(g) Recommend data transfer protocols to support easy access, sharing, and coordination among different collectors and users;

(h) Recommend ways to integrate monitoring information into decision making;

(i) Recommend organizational and governance structures for oversight and implementation of the coordinated monitoring framework;

(j) Recommend stable sources of funding that will ensure the continued operation and maintenance of the state's salmon recovery and watershed health monitoring programs, once established; and

(k) Identify administrative actions that will be undertaken by state agencies to implement elements of the coordinated monitoring program.

(7) In developing the coordinated monitoring strategy, the committee shall coordinate with other appropriate state, federal, local, and tribal monitoring efforts, including but not limited to the Northwest power planning council, the Northwest Indian fisheries commission, the national marine fisheries service, and the United States fish and wildlife service. The committee shall also consult with watershed planning units under chapter 90.82 RCW, lead entities under this chapter, professional organizations, and other appropriate groups.

(8) The cochairs shall provide an interim report to the governor and the members of the appropriate legislative committees by March 1, 2002, on the progress made in implementing this section. By December 1, 2002, the committee shall provide a monitoring strategy and action plan to the governor, and the members of the appropriate legislative committees for achieving a comprehensive watershed health monitoring program with a focus on salmon recovery. The strategy and action plan shall

document the results of the committee's actions in addressing the responsibilities described in subsection (6) of this section. In addition, the monitoring strategy and action plan shall include an assessment of existing state agency operations related to monitoring, evaluation, and adaptive management of watershed health and salmon recovery, and shall recommend any operational or statutory changes and funding necessary to fully implement the enhanced coordination program developed under this section. The plan shall make recommendations based upon the goal of fully realizing an enhanced and coordinated monitoring program by June 30, 2007.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this act is null and void."

Correct the title., **and the same are herewith transmitted.**

"NEW SECTION. Sec. 1. The legislature finds and declares:

- (1) Teacher qualifications and effectiveness are the most important influences on student learning in schools.
- (2) Preparation of individuals to become well-qualified, effective teachers must be high quality.
- (3) Teachers who complete high-quality alternative route programs with intensive field-based experience, adequate coursework, and strong mentorship do as well or better than teachers who complete traditional preparation programs.
- (4) High-quality alternative route programs can provide more flexibility and expedience for individuals to transition from their current career to teaching.
- (5) High-quality alternative route programs can help school districts fill subject matter shortage areas and areas with shortages due to geographic location.
- (6) Regardless of route, all candidates for residency teacher certification must meet the high standards required by the state.

The legislature recognizes widespread concerns about the potential for teacher shortages and finds that classified instructional staff in public schools represent a great untapped resource for recruiting the teachers of the future.

NEW SECTION. Sec. 2. There is hereby created a statewide partnership grant program to provide new high-quality alternative routes to residency teacher certification. To the extent funds are appropriated for this specific purpose, funds provided under this partnership grant program shall be used solely for school districts, or consortia of school districts, to partner with state-approved higher education teacher preparation programs to provide one or more of three alternative route programs in section 5 of this act, aimed at recruiting candidates to teaching in subject matter shortage areas and areas with shortages due to geographic location. Districts, or consortia of districts, may also include their educational service districts in their partnership grant program. Partnership programs receiving grants may enroll candidates as early as January 2002.

NEW SECTION. Sec. 3. (1) Each district or consortia of school districts applying for state funds through this program shall submit a proposal to the Washington professional educator standards board specifying:

- (a) The route or routes the partnership program intends to offer and a detailed description of how the routes will be structured and operated by the partnership;
- (b) The number of candidates that will be enrolled per route;
- (c) An identification, indication of commitment, and description of the role of approved teacher preparation programs that are partnering with the district or consortia of districts;

(d) An assurance of district provision of adequate training for mentor teachers either through participation in a state mentor training academy or district-provided training that meets state-established mentor-training standards specific to the mentoring of alternative route candidates;

(e) An assurance that significant time will be provided for mentor teachers to spend with the alternative route teacher candidates throughout the internship. Partnerships must provide each candidate with intensive classroom mentoring until such time as the candidate demonstrates the competency necessary to manage the classroom with less intensive supervision and guidance from a mentor;

(f) A description of the rigorous screening process for applicants to alternative route programs, including entry requirements specific to each route, as provided in section 5 of this act; and

(g) The design and use of a teacher development plan for each candidate. The plan shall specify the alternative route coursework and training required of each candidate and shall be developed by comparing the candidate's prior experience and coursework with the state's new performance-based standards for residency certification and adjusting any requirements accordingly. The plan may include the following components:

(i) A minimum of one-half of a school year, and an additional significant amount of time if necessary, of intensive mentorship, starting with full-time mentoring and progressing to increasingly less intensive monitoring and assistance as the intern demonstrates the skills necessary to take over the classroom with less intensive support. For route one and two candidates, before the supervision is diminished, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the higher education teacher preparation program must both agree that the teacher candidate is ready to manage the classroom with less intensive supervision. For route three candidates, the mentor of the teacher candidate shall make the decision;

(ii) Identification of performance indicators based on the knowledge and skills standards required for residency certification by the state board of education;

(iii) Identification of benchmarks that will indicate when the standard is met for all performance indicators;

(iv) A description of strategies for assessing candidate performance on the benchmarks;

(v) Identification of one or more tools to be used to assess a candidate's performance once the candidate has been in the classroom for about one-half of a school year; and

(vi) A description of the criteria that would result in residency certification after about one-half of a school year but before the end of the program.

(2) Districts may apply for program funds to pay stipends to both mentor teachers and interns during their mentored internship. For both intern stipends and accompanying mentor stipends, the per intern district request for funds may not exceed the amount designated by the BA+0 cell on the statewide teacher salary allocation schedule. This amount shall be prorated for internships and mentorships that last less than a full school year. Interns in the program for a full year shall be provided a stipend of at least eighty percent of the amount generated by the BA+0 cell on the statewide teacher salary allocation schedule. This amount shall be prorated for internships that last less than a full school year.

NEW SECTION. Sec. 4. (1) The professional educator standards board, with support from the office of the superintendent of public instruction, shall select school districts and consortia of school districts to receive partnership grants from funds appropriated by the legislature for this purpose. Factors to be considered in selecting proposals include:

(a) The degree to which the district, or consortia of districts in partnership, are currently experiencing teacher shortages;

(b) The degree to which the proposal addresses criteria specified in section 3 of this act and is in keeping with specifications of program routes in section 5 of this act;

(c) The cost-effectiveness of the proposed program; and

(d) Any demonstrated district and in-kind contributions to the program.

(2) Selection of proposals shall also take into consideration the need to ensure an adequate number of candidates for each type of route in order to evaluate their success.

(3) Funds appropriated for the partnership grant program in this chapter shall be administered by the office of the superintendent of public instruction.

NEW SECTION. Sec. 5. Partnership grants funded under this chapter shall operate one to three specific route programs. Successful completion of the program shall make a candidate eligible for residency teacher certification. For route one and two candidates, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the higher education teacher preparation program must both agree that the teacher candidate has successfully completed the program. For route three candidates, the mentor of the teacher candidate shall make the determination that the candidate has successfully completed the program.

(1) Partnership grant programs seeking funds to operate route one programs shall enroll currently employed classified instructional employees with transferable associate degrees seeking residency teacher certification with endorsements in special education, bilingual education, or English as a second language. It is anticipated that candidates enrolled in this route will complete both their baccalaureate degree and requirements for residency certification in two years or less, including a mentored internship to be completed in the final year. In addition, partnership programs shall uphold entry requirements for candidates that include:

(a) District or building validation of qualifications, including three years of successful student interaction and leadership as a classified instructional employee;

(b) Successful passage of the statewide basic skills exam, when available; and

(c) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers.

(2) Partnership grant programs seeking funds to operate route two programs shall enroll currently employed classified staff with baccalaureate degrees seeking residency teacher certification in subject matter shortage areas and areas with shortages due to geographic location. Candidates enrolled in this route must complete a mentored internship complemented by flexibly scheduled training and coursework offered at a local site, such as a school or educational service district, or online or via video-conference over the K-20 network, in collaboration with the partnership program's higher education partner. In addition, partnership grant programs shall uphold entry requirements for candidates that include:

(a) District or building validation of qualifications, including three years of successful student interaction and leadership as classified staff;

(b) A baccalaureate degree from a regionally accredited institution of higher education. The individual's college or university grade point average may be considered as a selection factor;

- (c) Successful completion of the content test, once the state content test is available;
- (d) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers; and
- (e) Successful passage of the statewide basic skills exam, when available.

(3) Partnership grant programs seeking funds to operate route three programs shall enroll individuals with baccalaureate degrees, who are not employed in the district at the time of application, or who hold emergency substitute certificates. When selecting candidates for certification through route three, districts shall give priority to individuals who are seeking residency teacher certification in subject matter shortage areas or shortages due to geographic locations. For route three only, the districts may include additional candidates in nonshortage subject areas if the candidates are seeking endorsements with a secondary grade level designation as defined by rule by the state board of education. The districts shall disclose to candidates in nonshortage subject areas available information on the demand in those subject areas. Cohorts of candidates for this route shall attend an intensive summer teaching academy, followed by a full year employed by a district in a mentored internship, followed, if necessary, by a second summer teaching academy. In addition, partnership programs shall uphold entry requirements for candidates that include:

- (a) Five years' experience in the work force;
- (b) A baccalaureate degree from a regionally accredited institution of higher education. The individual's grade point average may be considered as a selection factor;
- (c) Successful completion of the content test, once the state content test is available;
- (d) External validation of qualifications, including demonstrated successful experience with students or children, such as references letters and letters of support from previous employers;
- (e) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers; and
- (f) Successful passage of statewide basic skills exams, when available.

NEW SECTION. Sec. 6. The alternative route conditional scholarship program is created under the following guidelines:

(1) The program shall be administered by the higher education coordinating board. In administering the program, the higher education coordinating board has the following powers and duties:

- (a) To adopt necessary rules and develop guidelines to administer the program;
- (b) To collect and manage repayments from participants who do not meet their service obligations; and
- (c) To accept grants and donations from public and private sources for the program.

(2) Participation in the alternative route conditional scholarship program is limited to classified staff in routes one and two of the partnership grant programs under section 5 of this act. The Washington professional educator standards board shall select classified staff to receive conditional scholarships.

(3) In order to receive conditional scholarship awards, recipients shall be accepted and maintain enrollment in alternative certification routes through the partnership grant program, as provided in section 5 of this act. Recipients must continue to make satisfactory progress towards completion of the alternative route certification program and receipt of a residency teaching certificate.

(4) For the purpose of this chapter, a conditional scholarship is a loan that is forgiven in whole or in part in exchange for service as a certificated teacher employed in a Washington state K-12 public school. The state shall forgive one year of loan obligation for every two years a recipient teaches in a public school. Recipients that fail to continue a course of study leading to residency teacher certification or cease to teach in a public school in the state of Washington in their endorsement area are required to repay the remaining loan principal with interest.

(5) Recipients who fail to fulfill the required teaching obligation are required to repay the remaining loan principal with interest and any other applicable fees. The higher education coordinating board shall adopt rules to define the terms for repayment, including applicable interest rates, fees, and deferments.

(6) To the extent funds are appropriated for this specific purpose, the annual amount of the scholarship is the annual cost of tuition for the alternative route certification program in which the recipient is enrolled, not to exceed four thousand dollars. The board may adjust the annual award by the average rate of resident undergraduate tuition and fee increases at the state universities as defined in RCW 28B.10.016.

(7) The higher education coordinating board may deposit all appropriations, collections, and any other funds received for the program in this chapter in the student loan account authorized in RCW 28B.102.060.

NEW SECTION. Sec. 7. This chapter expires June 30, 2005.

NEW SECTION. Sec. 8. The Washington state institute for public policy shall submit to the education and fiscal committees of the legislature, the governor, the state board of education, and the Washington professional educator standards board, an interim evaluation of partnership grant programs funded under this chapter by December 1, 2002, and a final evaluation by December 1, 2004. If specific funding for the purposes of this section, referencing this section and this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this section is null and void.

NEW SECTION. Sec. 9. Sections 1 through 8 and 10 of this act constitute a new chapter in Title 28A RCW.

NEW SECTION. Sec. 10. School districts or approved private schools' ability to employ personnel under certification for emergency or temporary, substitute, or provisional duty as authorized by chapter 28A.410 RCW are not affected by the provisions of this act."

On page 1, line 2 of the title, after "certification," strike the remainder of the title and insert "adding a new chapter to Title 28A RCW; creating a new section; and providing an expiration date.", **and the same are herewith transmitted.**

Upon the arrest of a person at least thirteen years of age and not more than twenty-one years of age for violating RCW 9.61.160 by making a threat to bomb, on public or private elementary or secondary school premises, school provided transportation, or areas of facilities while being used exclusively by public or private schools, the person shall be detained or confined in a juvenile or adult facility for up to seventy-two hours. The person shall not be released within the seventy-two hours until after the person has been examined and evaluated by the person or agency designated by the local regional support network unless the court in its discretion releases the person sooner after a determination regarding probable cause or on probation bond or bail.

Within twenty-four hours of the arrest, the arresting law enforcement agency shall refer the person to the person or agency designated by the local regional support network to conduct a mental health examination and evaluation and inform a parent or guardian of the person of the arrest, detention, and examination. Notification to the parent or guardian shall occur prior to any examination or evaluation by the person or agency designated by the local regional support network. The examination and evaluation shall occur within twenty-four hours of receiving the referral. The examination shall occur at the facility in which the person is detained or confined. When a referral is made by the person or agency designated by the local regional support network, the county-designated mental health professional or the county-designated chemical dependency specialist shall examine the person subject to the provisions of chapter 71.05, 71.34, or 70.96A RCW within twenty-four hours of receiving the referral. The examination shall occur at the facility in which the person is detained or confined. If the person has been released on probation bond or bail, the examination shall occur wherever is appropriate.

Upon completion of any examination by the person or agency designated by the local regional support network, the county-designated mental health professional, or the county-designated chemical dependency specialist, the results of the examination shall be sent to the court with jurisdiction, the school, the parents, and to the person if eighteen years of age or older, and the court shall consider those results in making any determination about the person. However, any reference in the examination report or reports to facts or circumstances of the alleged acts which resulted in the arrest of the person shall not be admissible in any criminal or juvenile proceeding if the person was unrepresented by counsel at the time of the examination, or had not been arraigned prior to the examination.

The person or agency designated by the local regional support network, the county-designated mental health professional, and the county-designated chemical dependency specialist shall notify a parent or guardian of the person, if the person is under the age of eighteen, that an examination and evaluation has taken place and the results of the examination. Nothing in this section prohibits the delivery of additional, appropriate mental health examinations to the person while the person is detained or confined.

If the person or agency designated by the local regional support network determines it is appropriate, the person or agency designated by the local regional support network may refer the person to the local regional support network for follow-up services or the department of social and health services or other community providers for other services to the family and individual."

The friend questioned again, 'Well, does she have a lovely home?' The reply was, "No, she is homeless and she is going to come and live with me and live off my pension.' MESSAGE FROM THE GOVERNOR

April 19, 2001

TO THE HONORABLE, THE SENATE AND HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provision of Section 11 of Article III of the Constitution of the state of Washington, the Governor hereby submits his report of each case of reprieve, commutation or pardon that he has granted since the adjournment of the 2000 Second Special Session of the 56th Legislature, copy of which is attached.

Sincerely,
EVERETT H. BILLINGSLEA, General Counsel

FULL AND UNCONDITIONAL PARDON OF ARMANDO GABRIEL GONZALEZ-VILLEGAS

To All to Whom These Presents Shall Come, Greetings:

WHEREAS, on March 15, 1995 Armando Gabriel Gonzalez-Villegas, INS No. A75-101-144, pled guilty to one count of possession of cocaine. In 1990, Mr. Gonzalez-Villegas, then age 19 and a recent immigrant from Mexico, was riding in a car with several acquaintances. Police stopped the car, and one of its occupants (not Mr. Gonzalez-Villegas) was found to possess a small amount of cocaine. Mr. Gonzalez-Villegas was charged with possession of cocaine together with the other occupants of the car. He then returned to Mexico without resolving the legation. On February 18, 1993, Mr. Gonzalez-Villegas married Maricela Hummel, a U.S. citizen but a resident of Mexico. In 1994, Mr. and Mrs. Gonzalez-Villegas moved to the United States. On March 14, 1995, Mr. Gonzalez-Villegas pled guilty to the possession of cocaine charge. He received a sentence of 28 days, which he had already served, and 12 months community supervision. Mr. Gonzalez-Villegas fully completed all terms of his sentence; and

WHEREAS, Mr. Gonzalez-Villegas now has three children, steady employment, is an active and productive member of the community, and is highly regarded by his friends, neighbors and employer. This was the sole criminal offense of his life, and the prosecutor did not oppose the request for this pardon. Mr. Gonzalez-Villegas resides in Washington with his wife, Maricela. They have three children - Priscilla, age 5; Jennifer, age 3; and Sharon, age 23 months. Mr. Gonzalez-Villegas is a dedicated father and husband. Supporting letters from his employers, friends, and his priest describe a strong nuclear family with regular church attendance. There is strong community support for allowing Mr. Gonzalez-Villegas to remain in the United States based upon his contribution to society and dedication to his family, which is clearly evident to others. A family friend and neighbor, Chief Petty Officer Leonard Hartford of the United States Navy, traveled to Olympia and made a strong presentation in person to the Clemency and Pardons Board as to the value of Mr. Gonzalez-Villegas to the community and his family; and

WHEREAS, the United States Immigration and Naturalization Service is seeking to remove Mr. Gonzalez-Villegas from the United States and, if successful, the law would prevent his return for at least ten years. Under current court orders, Mr. Gonzalez-Villegas must be outside of the United States by March 8, 2001. Mr. Gonzalez-Villegas's removal is being sought pursuant to the retroactive application of the federal Illegal Immigration Reform and Immigrant Responsibility Act of 1996, which was passed by Congress on September 30, 1996. A full and unconditional pardon is the only avenue of relief that will allow Mr. Gonzalez-Villegas to continue his life with his family in the United States; and

WHEREAS, the Clemency and Pardons Board was convinced that Mr. Gonzalez-Villegas has fully paid for his actions, is and will continue to be a worthy and productive member of society in the United States, and that removing him from the United States would serve no purpose other than to destroy the hope and opportunity for this young man to live a productive life in the United States with his family; and

WHEREAS, I have reviewed all pertinent facts and circumstances surrounding this matter, the unanimous favorable recommendation of the Washington State Clemency and Pardons Board, and the purpose for Mr. Gonzalez-Villegas's request, and in light of the circumstances of the crime and all other factors, I have determined that the best interests of justice will be served by this action;

NOW, THEREFORE, I, Gary Locke, by virtue of the power vested in me as Governor of the state of Washington, hereby grant to Armando Gabriel Gonzalez-Villegas this Full and Unconditional Pardon for the express purpose of allowing him to lawfully remain in the United States and eventually become a citizen of the United States. This Full and Unconditional Pardon does not restore the right to receive, possess, own, ship or transport firearms, and shall not under any circumstances be construed to remove any disability related to firearms under any state or federal law.

IN WITNESS WHEREOF, I have hereunto set
my hand and caused the seal of the state of
Washington to be affixed at Olympia on this
20th day of February, A.D., two thousand one.

PERSONAL PRIVILEGE

Senator Deccio: "A point of personal privilege, Mr. President. Today is a day that will go down in history when we honor someone who looks older than his years--someone you might have the privilege of not calling a friend over these last twenty years--someone who really needs no introduction and we certainly won't ask him to make one. Today is Bob McCaslin's seventy-fifth birthday and I think it would be appropriate, Mr. President, if we all sang, 'Happy Birthday Bob.'"

The Senate sang Happy Birthday to Senator McCaslin.

PERSONAL PRIVILEGE

Senator Hewitt: "I rise to a point of personal privilege, Mr. President. Well, Senator Deccio, you just blew my entire deal. I stayed up all night and had something fixed for Senator McCaslin, this morning. I was going to keep you all in suspense as to what it was, but since there is no suspense any longer, I will just tell you a few stories about Senator McCaslin. I haven't been here very long, but I have noticed a few things about this gentleman and one of the things that I have noticed about this Senator is he has touched us all in one way or another. You can't help but love this Senator, although sometimes he can strike you the other way. He loves to nibble. In fact, I keep mints out here on the table and he often walks by--there is a little thing you can drop a nickel in here--that is kind of the entrepreneurship in me, but he is one of the few that doesn't drop his nickel in and keeps going. I understand that over the years he has been known to have Wheat Thins snuck in on the floor and he would eat those Wheat Thins on the floor.

"I did hear a very good story from Senator Amondson, who is here with us today to help us celebrate this birthday. Here he is over here in the corner--a retired Senator. The story goes something like this: It seems that when these mints that are around on the tables, Bob walks by and eats them at his leisure. Well, one day, someone stuck in a mint that comes from the dentist that is good for plaque. He stuck this mint in his mouth and this thing started foaming and turning a red color and doing all kinds of things. Senator Amondson then calls on Senator McCaslin to ask him a question and he stands up and his mouth is foaming and there is red stuff coming out of his mouth. It makes for a great story. I was wishing that we could have Senator Amondson come on the floor and tell this story this morning, but we weren't able to. I can tell you that up front we have bags of trail mix and Wheat Thins and we have some Tums for every Senator on the floor, because Bob would like to give back to those who have given to him for the past twenty-one years. Happy Birthday, Bob."

PERSONAL PRIVILEGE

Senator Hargrove: "A point of personal privilege, Mr. President. Well, I have to say that Senator McCaslin is one of the members of the fat-head caucus. He is the only one here on the floor that has a larger neck than me. However, he is wise enough to buy larger shirts, too. Anyway, Bob, Happy Birthday. I appreciate you very much."

PERSONAL PRIVILEGE

Senator Snyder: "Thank you, Mr. President. I just want to make a couple remarks here. I am pleased that his birthday has arrived, because he is now older than I am until July 30. I talked to my wife this morning and she said to wish him a Happy Birthday. She always did like younger men. There is another significant birthday today of someone that has gone down in history and it was Adolf Hitler's birthday today."

Further debate about Senator McCaslin's Birthday continued.

POINT OF INQUIRY

Senator Honeyford: "Senator McCaslin, is there any truth to the rumor that you were an advisor to the movie set of 'Grumpy Old Men?' Senator McCaslin: "Is that out already?"

Senator Honeyford: "Yes, I think there is one that is now 'Grumpier Old Men,' and thought you probably acted in both of them."

PERSONAL PRIVILEGE

Senator McCaslin: "A point of personal privilege, Mr. President. To end debate--Senator Hargrove--what he failed to mention on the fat-head club, he is the president--and I hereby resign. May I say just a couple of words? It is a blessing to reach seventy-five. The only one older than me is Senator Deccio--and the capitol. Senator Snyder is next in July, I believe. Isn't it amazing the wonderful people that were born in 1926--a vintage year?

"Just think for a minute how very, very fortunate and lucky all of us are as State Senators. When we have over five million people in this state--almost six million--aren't we fortunate? Just to be serious for a minute, that you are going to represent one hundred twenty thousand people and we in all represent over five million people--almost six--so you are one of a few. God has blessed us all to be able to represent these people. While we have divergence and a difference of opinion, I think we all want the same thing--better things for our citizens, better things for our state, better things for education, better things for children. So, while we may have a few moments here that we may disagree and get all upset, I think we are brothers under the skin and brothers for a certain cause and that cause is to help people. Consider yourself very lucky. I consider the people you represent very lucky, because you are all very serious and intelligent hard working people. I thank God and I thank you for this day."

MOTION

At 10:04 a.m., on motion of Senator Betti Sheldon, the Senate was declared to be at ease.

The Senate was called to order at 1:35 p.m. by President Owen.

MESSAGE FROM THE HOUSE

April 19, 2001

MR. PRESIDENT:

The House refuses to concur in the Senate amendment(s) to SUBSTITUTE HOUSE BILL NO. 1680 and asks the Senate to recede therefrom, and the same are herewith transmitted..

CYNTHIA ZEHNDER, Co-Chief Clerk
TIMOTHY A. MARTIN, Co-Chief Clerk

MOTIONS

On motion of Senator Haugen, the rules were suspended, Substitute House Bill No. 1680 was returned to second reading and read the second time.

Senator Haugen moved that the Senate reconsider the Committee on Transportation striking amendment adopted April 4, 2001.

The President declared the question before the Senate to be the motion by Senator Haugen that the Senate reconsider the Committee on Transportation striking amendment to Substitute House Bill No. 1680.

The motion by Senator Haugen carried and the Senate will reconsider the Committee on Transportation striking amendment to Substitute House Bill No. 1680.

MOTIONS

On motion of Senator Haugen, the following amendment by Senators Haugen and Benton to the Committee on Transportation striking amendment, on reconsideration, was adopted:

Beginning on page 1, line 7 of the amendment, strike everything through page 9, line 8, and insert the following:

NEW SECTION. Sec. 1. The legislature finds and declares that a contracting procedure that facilitates construction of transportation facilities in a more timely manner may occasionally be necessary to ensure that construction can proceed simultaneously with the design of the facility. The legislature further finds that the design-build process and other alternative project delivery concepts achieve the goals of time savings and avoidance of costly change orders.

The legislature finds and declares that a 2001 audit, conducted by Talbot, Korvola & Warwick, examining the Washington state ferries' capital program resulted in a recommendation for improvements and changes in auto ferry procurement processes. The auditors recommended that auto ferries be procured through use of a modified request for proposals process whereby the prevailing shipbuilder and Washington state ferries engage in a design and build partnership. This process promotes ownership of the design by the shipbuilder while using the department of transportation's expertise in ferry design and operations. Alternative processes like design-build partnerships can promote innovation and create competitive incentives that increase the likelihood of finishing projects on time and within the budget.

The purpose of this act is to authorize the department's use of a modified request for proposals process for procurement of auto ferries, and to prescribe appropriate requirements and criteria to ensure that contracting procedures for this procurement process serve the public interest.

NEW SECTION. Sec. 2. A new section is added to chapter 47.20 RCW to read as follows:

The department of transportation shall develop a process for awarding competitively bid highway construction contracts for projects over ten million dollars that may be constructed using a design-build procedure. As used in this section and section 3 of this act, "design-build procedure" means a method of contracting under which the department of transportation contracts with another party for the party to both design and build the structures, facilities, and other items specified in the contract.

The process developed by the department must, at a minimum, include the scope of services required under the design-build procedure, contractor prequalification requirements, criteria for evaluating technical information and project costs, contractor selection criteria, and issue resolution procedures. This section expires April 30, 2008.

NEW SECTION. Sec. 3. A new section is added to chapter 47.20 RCW to read as follows:

The department of transportation may use the design-build procedure for public works projects over ten million dollars where:

(1) The construction activities are highly specialized and a design-build approach is critical in developing the construction methodology; or

(2) The projects selected provide opportunity for greater innovation and efficiencies between the designer and the builder;

or

(3) Significant savings in project delivery time would be realized.

This section expires April 30, 2008.

NEW SECTION. Sec. 4. A new section is added to chapter 47.60 RCW to read as follows:

(1) The department may purchase new auto ferries through use of a modified request for proposals process whereby the prevailing shipbuilder and the department engage in a design and build partnership for the design and construction of the auto ferries. The process consists of the three phases described in subsection (2) of this section.

(2) The definitions in this subsection apply throughout sections 5 through 10 of this act.

(a) "Phase one" means the evaluation and selection of proposers to participate in development of technical proposals in phase two.

(b) "Phase two" means the preparation of technical proposals by the selected proposers in consultation with the department.

(c) "Phase three" means the submittal and evaluation of bids, the award of the contract to the successful proposer, and the design and construction of the auto ferries.

NEW SECTION. Sec. 5. A new section is added to chapter 47.60 RCW to read as follows:

To commence the request for proposals process, the department shall publish a notice of its intent once a week for at least two consecutive weeks in at least one trade paper and one other paper, both of general circulation in the state. The notice must contain, but is not limited to, the following information:

(1) The number of auto ferries to be procured, the auto and passenger capacities, the delivery dates, and the estimated price range for the contract;

(2) A statement that a modified request for proposals design and build partnership will be used in the procurement process;

(3) A short summary of the requirements for prequalification of proposers including a statement that prequalification is a prerequisite to submittal of a proposal in phase one; and

(4) An address and telephone number that may be used to obtain a prequalification questionnaire and the request for proposals.

NEW SECTION. Sec. 6. A new section is added to chapter 47.60 RCW to read as follows:

Subject to legislative appropriation for the procurement of vessels, the department shall issue a request for proposals to interested parties that must include, at least, the following:

(1) Solicitation of a proposal to participate in a design and build partnership with the department to design and construct the auto ferries;

(2) Instructions on the prequalification process and procedures;

(3) A description of the modified request for proposals process. Under this process, the department may modify any component of the request for proposals, including the outline specifications, by addendum at any time before the submittal of bids in phase three;

(4) A description of the design and build partnership process to be used for procurement of the vessels;

(5) Outline specifications that provide the requirements for the vessels including, but not limited to, items such as length, beam, displacement, speed, propulsion requirements, capacities for autos and passengers, passenger space characteristics, and crew size. The department will produce notional line drawings depicting hull geometry that will interface with Washington state ferries terminal facilities. Notional lines may be modified in phase two, subject to approval by the department;

(6) Instructions for the development of technical proposals in phase two, and information regarding confidentiality of technical proposals;

(7) The vessel delivery schedule, identification of the port on Puget Sound where delivery must take place, and the location where acceptance trials must be held;

(8) The estimated price range for the contract;

(9) The form and amount of the required bid deposit and contract security;

(10) A copy of the contract that will be signed by the successful proposer;

(11) The date by which proposals in phase one must be received by the department in order to be considered;

(12) A description of information to be submitted in the proposals in phase one concerning each proposer's qualifications, capabilities, and experience;

(13) A statement of the maximum number of proposers that may be selected in phase one for development of technical proposals in phase two;

(14) Criteria that will be used for the phase one selection of proposers to participate in the phase two development of technical proposals;

(15) A description of the process that will be used for the phase three submittal and evaluation of bids, award of the contract, and postaward administrative activities;

(16) A requirement that the contractor comply with all applicable laws, rules, and regulations including but not limited to those pertaining to the environment, worker health and safety, and prevailing wages;

(17) A requirement that the vessels be constructed within the boundaries of the state of Washington except that equipment furnished by the state and components, products, and systems that are standard manufactured items are not subject to the in-state requirement under this subsection. For the purposes of this subsection, "constructed" means the fabrication, by the joining together by welding or fastening of all steel parts from which the total vessel is constructed, including, but not limited to, all shell frames, longitudinals, bulkheads, webs, piping runs, wire ways, and ducting. "Constructed" also means the installation of all components and systems, including, but not limited to, equipment and machinery, castings, electrical, electronics, deck covering, lining, paint, and joiner work required by the contract. "Constructed" also means the interconnection of all equipment, machinery, and services, such as piping, wiring, and ducting; and

(18) A requirement that all warranty work on the vessel must be performed within the boundaries of the state of Washington, insofar as practical.

NEW SECTION. Sec. 7. A new section is added to chapter 47.60 RCW to read as follows:

Phase one of the request for proposals process consists of evaluation and selection of prequalified proposers to participate in subsequent development of technical proposals in phase two, as follows:

(1) The department shall issue a request for proposals to interested parties.

(2) The request for proposals must require that each proposer prequalify for the contract under chapter 468-310 WAC, except that the department may adopt rules for the financial prequalification of proposers for this specific contract only. The department shall modify the financial prequalification rules in chapter 468-310 WAC in order to maximize competition among financially capable and otherwise qualified proposers. In adopting these rules, the department shall consider factors including, without limitation: (a) Shipyard resources in Washington state; (b) the cost to design and construct multiple vessels under a single contract without options; and (c) the sequenced delivery schedule for the vessels.

(3) The department may use some, or all, of the nonfinancial prequalification factors as part of the evaluation factors in phase one to enable the department to select a limited number of best qualified proposers to participate in development of technical proposals in phase two.

(4) The department shall evaluate submitted proposals in accordance with the selection criteria established in the request for proposals. Selection criteria may include, but are not limited to, the following:

(a) Shipyard facilities;

(b) Organization components;

(c) Design capability;

(d) Build strategy;

(e) Experience and past performance;

- (f) Ability to meet vessel delivery dates;
- (g) Projected workload; and
- (h) Expertise of project team and other key personnel.

(5) Upon concluding its evaluation of proposals, the department shall select the best qualified proposers in accordance with the request for proposals. The selected proposers must participate in development of technical proposals. Selection must be made in accordance with the selection criteria stated in the request for proposals. All proposers must be ranked in order of preference as derived from the same selection criteria.

NEW SECTION. Sec. 8. A new section is added to chapter 47.60 RCW to read as follows:

Phase two of the request for proposals process consists of preparation of technical proposals in consultation with the department, as follows:

(1) The development of technical proposals in compliance with the detailed instructions provided in the request for proposals, including the outline specifications, and any addenda to them. Technical proposals must include the following:

- (a) Design and specifications sufficient to fully depict the ferries' characteristics and identify installed equipment;
- (b) Drawings showing arrangements of equipment and details necessary for the proposer to develop a firm, fixed price

bid;

- (c) Project schedule including vessel delivery dates; and
- (d) Other appropriate items.

(2) The department shall conduct periodic reviews with each of the selected proposers to consider and critique their designs, drawings, and specifications. These reviews must be held to ensure that technical proposals meet the department's requirements and are responsive to the critiques conducted by the department during the development of technical proposals.

(3) If, as a result of the periodic technical reviews or otherwise, the department determines that it is in the best interests of the department to modify any element of the request for proposals, including the outline specifications, it shall do so by written addenda to the request for proposals.

(4) Proposers must submit final technical proposals for approval that include design, drawings, and specifications at a sufficient level of detail to fully depict the ferries' characteristics and identify installed equipment, and to enable a proposer to deliver a firm, fixed price bid to the department. The department shall reject final technical proposals that modify, fail to conform to, or are not fully responsive to and in compliance with the requirements of the request for proposals, including the outline specifications, as amended by addenda.

NEW SECTION. Sec. 9. A new section is added to chapter 47.60 RCW to read as follows:

Phase three consists of the submittal and evaluation of bids and the award of the contract to the successful proposer for the final design and construction of the auto ferries, as follows:

(1) The department shall request bids for detailed design and construction of the vessels after completion of the review of technical proposals in phase two. The department will review detailed design drawings in phase three for conformity with the technical proposals submitted in phase two. In no case may the department's review replace the builder's responsibility to deliver a product meeting the phase two technical proposal. The department may only consider bids from selected proposers that have qualified to bid by submitting technical proposals that have been approved by the department.

(2) Each qualified proposer must submit its total bid price for all vessels, including certification that the bid is based upon its approved technical proposal and the request for proposals.

(3) Bids constitute an offer and remain open for ninety days from the date of the bid opening. A deposit in cash, certified check, cashier's check, or surety bond in an amount specified in the request for proposals must accompany each bid and no bid may be considered unless the deposit is enclosed.

(4) The department shall evaluate the submitted bids. Upon completing the bid evaluation, the department may select the responsive and responsible proposer that offers the lowest total bid price for all vessels.

(5) The department may waive informalities in the proposal and bid process, accept a bid from the lowest responsive and responsible proposer, reject any or all bids, republish, and revise or cancel the request for proposals to serve the best interests of the department.

(6) The department may:

(a) Award the contract to the proposer that has been selected as the responsive and responsible proposer that has submitted the lowest total bid price;

(b) If a contract cannot be signed with the apparent successful proposer, award the contract to the next lowest responsive and responsible proposer; or

(c) If necessary, repeat this procedure with each responsive and responsible proposer in order of rank until the list of those proposers has been exhausted.

(7) If the department awards a contract to a proposer under this section, and the proposer fails to enter into the contract and furnish satisfactory contract security as required by chapter 39.08 RCW within twenty days from the date of award, its deposit is forfeited to the state and will be deposited by the state treasurer to the credit of the Puget Sound capital construction account. Upon the execution of a ferry design and construction contract all proposal deposits will be returned.

(8) The department may provide an honorarium to reimburse each unsuccessful phase three proposer for a portion of its technical proposal preparation costs at a preset, fixed amount to be specified in the request for proposals. If the department rejects all bids, the department may provide the honoraria to all phase three proposers that submitted bids.

NEW SECTION. Sec. 10. A new section is added to chapter 47.60 RCW to read as follows:

(1) The department shall immediately notify those proposers that are not selected to participate in development of technical proposals in phase one and those proposers who submit unsuccessful bids in phase three.

(2) The department's decision is conclusive unless an aggrieved proposer files an appeal with the superior court of Thurston county within five days after receiving notice of the department's award decision. The court shall hear any such appeal on the department's administrative record for the project. The court may affirm the decision of the department, or it may reverse or remand the administrative decision if it determines the action of the department was arbitrary and capricious."

SENATE RESOLUTION 2001-8676

By Senators McCaslin, Snyder, Kohl-Welles, McAuliffe and Rasmussen

WHEREAS, it is the tradition of the Washington State Senate to recognize individuals who make extraordinary personal contributions for the benefit of the greater good in times of sudden adversity; and

WHEREAS, on February 28, 2001, the 6.8 magnitude Nisqually Earthquake violently shook Western Washington and the Capital Campus, adversely affecting working conditions and threatening to significantly delay the legislative process; and

WHEREAS, Legislators, staff and family members pulled together in the days immediately following the quake to clean up the damage and transition legislative operations into smaller, less conducive settings, so the Legislature could resume the people's work; and

WHEREAS, the teamwork and commitment displayed by all those involved in getting the Legislature operational again was incredibly inspiring and truly indicative of the service oriented attitude so many in the Legislature hold dear; and

WHEREAS, Doug Richards, an artist by hobby, a member of the Senate Security staff, was awestruck by the highly motivated teamwork demonstrated by the Legislature in preparing to finish the public's business, despite significant interruptions caused by the earthquake; and

WHEREAS, Doug Richards, inspired by the collective good done when individuals pulled together to solve shared problems, hand painted a charming mural on the walls of the west stairwell of the John. A. Cherberg Building depicting the efforts of many in cleaning up after the quake; and

WHEREAS, Doug Richards provided a place in the mural for each who experienced the quake on campus to autograph the painting in memory of that experience; and

WHEREAS, the signatures on the mural now number in the hundreds as many of us have visited the stairwell and signed the wall; and

WHEREAS, Doug Richard's mural has become an integral part of the earthquake experience for many who lived it, and an attraction for curious visitors to the campus; and

WHEREAS, the mural reminds each of us of the value of human life, the importance of pulling together in times of trouble and the joy that can come from working together to achieve common goals;

NOW, THEREFORE, BE IT RESOLVED, that the Washington State Senate hereby recognize Doug Richards for his artistic contribution to the Legislature in the aftermath of the Nisqually Earthquake; and

BE IT FURTHER RESOLVED, that the Washington State Senate recommend that the mural be retained after repairs, if safe and feasible, to remind us all of the significance of the quake, the importance of friends and family, and the value of teamwork and cooperation; and

BE IT STILL FURTHER RESOLVED, that immediately upon passage, copies of this resolution be transmitted to the Department of General Administration, Doug Richards, and the Senate Facilities and Operations Committee.

MESSAGE FROM THE HOUSE

April 19, 2001

MR. PRESIDENT:

The House refuses to concur in the Senate amendment(s) to SECOND SUBSTITUTE HOUSE BILL NO. 1041 and asks the Senate to recede therefrom, and the same are herewith transmitted.

CYNTHIA ZEHNDER, Co-Chief Clerk
TIMOTHY A. MARTIN, Co-Chief Clerk

MOTION

On motion of Senator Klein, the Senate receded from its amendment(s) to Second Substitute House Bill No. 1041.

MOTIONS

On motion of Senator Klein, the rules were suspended, Second Substitute House Bill No. 1041 was returned to second reading and read the second time.

On motion of Senator Klein, the following striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that unlawful harassment directed at a child by a person under the age of eighteen is not acceptable and can have serious consequences. The legislature further finds that some interactions between minors, such as "schoolyard scuffles," though not to be condoned, may not rise to the level of unlawful harassment. It is the intent of the legislature that a protection order sought by the parent or guardian of a child as provided for in this chapter be available only when the alleged behavior of the person under the age of eighteen to be restrained rises to the level set forth in chapter 10.14 RCW.

Sec. 2. RCW 10.14.020 and 1999 c 27 s 4 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Unlawful harassment" means a knowing and willful course of conduct directed at a specific person which seriously alarms, annoys, harasses, or is detrimental to such person, and which serves no legitimate or lawful purpose. The course of conduct shall be such as would cause a reasonable person to suffer substantial emotional distress, and shall actually cause substantial emotional distress to the petitioner, or, when the course of conduct (~~is contact by a person over age eighteen that~~) would cause a reasonable parent to fear for the well-being of their child.

(2) "Course of conduct" means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose. "Course of conduct" includes, in addition to any other form of communication, contact, or conduct, the sending of an electronic communication. Constitutionally protected activity is not included within the meaning of "course of conduct."

Sec. 3. RCW 10.14.040 and 1995 c 292 s 2 and 1995 c 127 s 2 are each reenacted and amended to read as follows:

There shall exist an action known as a petition for an order for protection in cases of unlawful harassment.

(1) A petition for relief shall allege the existence of harassment and shall be accompanied by an affidavit made under oath stating the specific facts and circumstances from which relief is sought.

(2) A petition for relief may be made regardless of whether or not there is a pending lawsuit, complaint, petition, or other action between the parties.

(3) All court clerks' offices shall make available simplified forms and instructional brochures. Any assistance or information provided by clerks under this section does not constitute the practice of law and clerks are not responsible for incorrect information contained in a petition.

(4) Filing fees are set in RCW 36.18.020, but no filing fee may be charged for a petition filed in an existing action or under an existing cause number brought

under this chapter in the jurisdiction where the relief is sought. Forms and instructional brochures shall be provided free of charge.

(5) A person is not required to post a bond to obtain relief in any proceeding under this section.

(6) The parent or guardian of a child under age eighteen may petition for an order of protection to restrain a person (~~ever~~) age eighteen years or over from contact with that child upon a showing that contact with the person to be enjoined is detrimental to the welfare of the child.

(7) The parent or guardian of a child under the age of eighteen may petition in superior court for an order of protection to restrain a person under the age of eighteen years from contact with that child only in cases where the person to be restrained has been adjudicated of an offense against the child protected by the order, or is under investigation or has been investigated for such an offense. In issuing a protection order under this subsection, the court shall consider, among the other facts of the case, the

severity of the alleged offense, any continuing physical danger or emotional distress to the alleged victim, and the expense, difficulty, and educational disruption that would be caused by a transfer of the alleged offender to another school. The court may order that the person restrained in the order not attend the public or approved private elementary, middle, or high school attended by the person under the age of eighteen years protected by the order. In the event that the court orders a transfer of the restrained person to another school, the parents or legal guardians of the person restrained in the order are responsible for transportation and other costs associated with the change of school by the person restrained in the order. The court shall send notice of the restriction on attending the same school as the person protected by the order to the public or approved private school the person restrained by the order will attend and to the school the person protected by the order attends.

Sec. 4. RCW 10.14.120 and 1989 c 373 s 14 are each amended to read as follows:

Any willful disobedience by ~~((the respondent))~~ a respondent age eighteen years or over of any temporary antiharassment protection order or civil antiharassment protection order issued under this chapter subjects the respondent to criminal penalties under this chapter. Any respondent age eighteen years or over who willfully disobeys the terms of any order issued under this chapter may also, in the court's discretion, be found in contempt of court and subject to penalties under chapter 7.21 RCW. Any respondent under the age of eighteen years who willfully disobeys the terms of an order issued under this chapter may, in the court's discretion, be found in contempt of court and subject to the sanction specified in RCW 7.21.030(4).

Sec. 5. RCW 10.14.170 and 1987 c 280 s 17 are each amended to read as follows:

Any respondent age eighteen years or over who willfully disobeys any civil antiharassment protection order issued pursuant to this chapter shall be guilty of a gross misdemeanor.

Sec. 6. RCW 7.21.030 and 1998 c 296 s 36 are each amended to read as follows:

(1) The court may initiate a proceeding to impose a remedial sanction on its own motion or on the motion of a person aggrieved by a contempt of court in the proceeding to which the contempt is related. Except as provided in RCW 7.21.050, the court, after notice and hearing, may impose a remedial sanction authorized by this chapter.

(2) If the court finds that the person has failed or refused to perform an act that is yet within the person's power to perform, the court may find the person in contempt of court and impose one or more of the following remedial sanctions:

(a) Imprisonment if the contempt of court is of a type defined in RCW 7.21.010(1) (b) through (d). The imprisonment may extend only so long as it serves a coercive purpose.

(b) A forfeiture not to exceed two thousand dollars for each day the contempt of court continues.

(c) An order designed to ensure compliance with a prior order of the court.

(d) Any other remedial sanction other than the sanctions specified in (a) through (c) of this subsection if the court expressly finds that those sanctions would be ineffectual to terminate a continuing contempt of court.

(e) In cases under chapters 13.32A, 13.34, and 28A.225 RCW, commitment to juvenile detention for a period of time not to exceed seven days. This sanction may be imposed in addition to, or as an alternative to, any other remedial sanction authorized by this chapter. This remedy is specifically determined to be a remedial sanction.

(3) The court may, in addition to the remedial sanctions set forth in subsection (2) of this section, order a person found in contempt of court to pay a party for any losses suffered by the party as a result of the contempt and any costs incurred in connection with the contempt proceeding, including reasonable attorney's fees.

(4) If the court finds that a person under the age of eighteen years has willfully disobeyed the terms of an order issued under chapter 10.14 RCW, the court may find the person in contempt of court and may, as a sole sanction for such contempt, commit the person to juvenile detention for a period of time not to exceed seven days."

MOTIONS

On motion of Senator Klein, the following title amendment was adopted:

On page 1, line 1 of the title, after "harassment;" strike the remainder of the title and insert "amending RCW 10.14.020, 10.14.120, 10.14.170, and 7.21.030; reenacting and amending RCW 10.14.040; and creating a new section."

The department of social and health services must coordinate with the department of personnel to develop rules that address the procedures for undertaking background checks, and specifically what action would be taken against a current employee who is disqualified from his or her current position because of a background check not previously performed.

NEW SECTION. Sec. 2. A new section is added to chapter 9.96A RCW to read as follows:

This chapter is not applicable to the department of social and health services when employing a person, who in the course of his or her employment, has or may have unsupervised access to any person who is under the age of eighteen, who is under the age of twenty-one and has been sentenced to a term of confinement under the supervision of the department of social and health services under chapter 13.40 RCW, who is a vulnerable adult under chapter 74.34 RCW, or who is a vulnerable person. CYNTHIA ZEHNDER, Co-CHIEF CLERK
TIMOTHY A. MARTIN, Co-CHIEF CLERK

MOTION

ON MOTION OF SENATOR WEST, THE RULES WERE SUSPENDED, ENGROSSED SUBSTITUTE HOUSE BILL NO. 1571 WAS RETURNED TO SECOND READING AND READ THE SECOND TIME.

MOTION

SENATOR WEST MOVED THAT THE SENATE RECONSIDER THE COMMITTEE ON LABOR, COMMERCE AND FINANCIAL INSTITUTIONS STRIKING AMENDMENT TO ENGROSSED SUBSTITUTE HOUSE BILL NO. 1571, ADOPTED APRIL 10, 2001.

THE PRESIDENT DECLARED THE QUESTION BEFORE THE SENATE TO BE THE MOTION BY SENATOR WEST TO RECONSIDER THE COMMITTEE ON LABOR, COMMERCE AND FINANCIAL INSTITUTIONS STRIKING AMENDMENT TO ENGROSSED SUBSTITUTE HOUSE BILL NO. 1571.

THE MOTION BY SENATOR WEST CARRIED AND THE SENATE WILL RECONSIDER THE COMMITTEE ON LABOR, COMMERCE AND FINANCIAL INSTITUTIONS STRIKING AMENDMENT TO ENGROSSED SUBSTITUTE HOUSE BILL NO. 1571.

MOTION

SENATOR WEST MOVED THAT THE FOLLOWING AMENDMENT BY SENATORS WEST AND PRENTICE TO THE COMMITTEE ON LABOR, COMMERCE AND FINANCIAL INSTITUTIONS STRIKING AMENDMENT, ON RECONSIDERATION, BE ADOPTED:

BEGINNING ON PAGE 1, STRIKE EVERYTHING AFTER LINE 6 OF THE AMENDMENT AND INSERT THE FOLLOWING:

NEW SECTION. Sec. 1. THE LEGISLATURE FINDS THAT WASHINGTON'S EQUINE RACING INDUSTRY CREATES ECONOMIC, ENVIRONMENTAL, AND RECREATIONAL IMPACTS ACROSS THE STATE AFFECTING AGRICULTURE, HORSE BREEDING, THE HORSE TRAINING INDUSTRY, AGRICULTURAL FAIRS AND YOUTH PROGRAMS, AND TOURISM AND EMPLOYMENT OPPORTUNITIES. THE WASHINGTON EQUINE INDUSTRY HAS INCURRED A FINANCIAL DECLINE COINCIDING WITH INCREASED COMPETITION FROM THE GAMING INDUSTRY IN THE STATE AND FROM THE LACK OF A CLASS 1 RACING FACILITY IN WESTERN WASHINGTON FROM 1993 THROUGH 1995. THIS ACT IS NECESSARY TO PRESERVE, RESTORE, AND REVITALIZE THE EQUINE BREEDING AND RACING INDUSTRIES AND TO PRESERVE IN WASHINGTON THE ECONOMIC AND SOCIAL IMPACTS ASSOCIATED WITH THESE INDUSTRIES. PRESERVING WASHINGTON'S EQUINE BREEDING AND RACING INDUSTRIES, AND IN PARTICULAR THOSE SECTORS OF THE INDUSTRIES THAT ARE DEPENDENT UPON LIVE HORSE RACING, IS IN THE PUBLIC INTEREST OF THE STATE. THE PURPOSE OF THIS ACT IS TO PRESERVE WASHINGTON'S EQUINE BREEDING AND RACING INDUSTRIES AND TO PROTECT THESE INDUSTRIES FROM ADVERSE ECONOMIC IMPACTS. THIS ACT DOES NOT ESTABLISH A NEW FORM OF GAMING IN WASHINGTON OR ALLOW EXPANDED GAMING WITHIN THE STATE BEYOND WHAT HAS BEEN PREVIOUSLY AUTHORIZED. SIMULCAST WAGERING HAS BEEN ALLOWED IN WASHINGTON BEFORE THE EFFECTIVE DATE OF THIS ACT. THEREFORE, THIS ACT DOES NOT ALLOW GAMING OF ANY NATURE OR SCOPE THAT WAS PROHIBITED BEFORE THE EFFECTIVE DATE OF THIS ACT.

Sec. 2. RCW 67.16.200 AND 2000 C 223 S 1 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) A RACING ASSOCIATION LICENSED BY THE COMMISSION TO CONDUCT A RACE MEET MAY SEEK APPROVAL FROM THE COMMISSION TO CONDUCT PARIMUTUEL WAGERING ON ITS PROGRAM AT A SATELLITE LOCATION OR LOCATIONS WITHIN THE STATE OF WASHINGTON. THE SALE OF PARIMUTUEL POOLS AT SATELLITE LOCATIONS SHALL BE CONDUCTED ONLY DURING THE LICENSEE'S RACE MEET AND SIMULTANEOUS TO ALL PARIMUTUEL WAGERING ACTIVITY CONDUCTED AT THE LICENSEE'S LIVE RACING FACILITY IN THE STATE OF WASHINGTON. THE COMMISSION'S AUTHORITY TO APPROVE SATELLITE WAGERING AT A PARTICULAR LOCATION IS SUBJECT TO THE FOLLOWING LIMITATIONS:

(A) THE COMMISSION MAY APPROVE ONLY ONE SATELLITE LOCATION IN EACH COUNTY IN THE STATE; HOWEVER, THE COMMISSION MAY GRANT APPROVAL FOR MORE THAN ONE LICENSEE TO CONDUCT WAGERING AT EACH SATELLITE LOCATION. A SATELLITE LOCATION SHALL NOT BE OPERATED WITHIN TWENTY DRIVING MILES OF ANY CLASS 1 RACING FACILITY. FOR THE PURPOSES OF THIS SECTION, "DRIVING MILES" MEANS MILES MEASURED BY THE MOST DIRECT ROUTE AS DETERMINED BY THE COMMISSION; AND

(B) A LICENSEE SHALL NOT CONDUCT SATELLITE WAGERING AT ANY SATELLITE LOCATION WITHIN SIXTY DRIVING MILES OF ANY OTHER RACING FACILITY CONDUCTING A LIVE RACE MEET.

(2) SUBJECT TO LOCAL ZONING AND OTHER LAND USE ORDINANCES, THE COMMISSION SHALL BE THE SOLE JUDGE OF WHETHER APPROVAL TO CONDUCT WAGERING AT A SATELLITE LOCATION SHALL BE GRANTED.

(3) THE LICENSEE SHALL COMBINE THE PARIMUTUEL POOLS OF THE SATELLITE LOCATION WITH THOSE OF THE RACING FACILITY FOR THE PURPOSE OF DETERMINING ODDS AND COMPUTING PAYOFFS. THE AMOUNT WAGERED AT THE SATELLITE LOCATION SHALL BE COMBINED WITH THE AMOUNT WAGERED AT THE RACING FACILITY FOR THE APPLICATION OF TAKE OUT FORMULAS AND DISTRIBUTION AS PROVIDED IN RCW 67.16.102, 67.16.105, 67.16.170, AND 67.16.175. A SATELLITE EXTENSION OF THE LICENSEE'S RACING FACILITY SHALL BE SUBJECT TO THE SAME APPLICATION OF THE RULES OF RACING AS THE LICENSEE'S RACING FACILITY.

(4) UPON WRITTEN APPLICATION TO THE COMMISSION, A CLASS 1 RACING ASSOCIATION MAY BE AUTHORIZED TO TRANSMIT SIMULCASTS OF LIVE HORSE RACES CONDUCTED AT ITS RACETRACK TO LOCATIONS OUTSIDE OF THE STATE OF WASHINGTON APPROVED BY THE COMMISSION AND IN ACCORDANCE WITH THE INTERSTATE HORSE RACING ACT OF 1978 (15 U.S.C. SEC. 3001 TO 3007) OR ANY OTHER APPLICABLE LAWS. THE COMMISSION MAY PERMIT PARIMUTUEL POOLS ON THE SIMULCAST RACES TO BE COMBINED IN A COMMON POOL. A RACING ASSOCIATION THAT TRANSMITS SIMULCASTS OF ITS RACES TO LOCATIONS OUTSIDE THIS STATE SHALL PAY AT LEAST FIFTY PERCENT OF THE FEE THAT IT RECEIVES FOR SALE OF THE SIMULCAST SIGNAL TO THE HORSEMEN'S PURSE ACCOUNT FOR ITS LIVE RACES AFTER FIRST DEDUCTING THE ACTUAL COST OF SENDING THE SIGNAL OUT OF STATE.

(5) UPON WRITTEN APPLICATION TO THE COMMISSION, A CLASS 1 RACING ASSOCIATION MAY BE AUTHORIZED TO TRANSMIT SIMULCASTS OF LIVE HORSE RACES CONDUCTED AT ITS RACETRACK TO LICENSED RACING ASSOCIATIONS LOCATED WITHIN THE STATE OF WASHINGTON AND APPROVED BY THE COMMISSION FOR THE RECEIPT OF THE SIMULCASTS. THE COMMISSION SHALL PERMIT PARIMUTUEL POOLS ON THE SIMULCAST RACES TO BE COMBINED IN A COMMON POOL. THE FEE FOR IN-STATE, TRACK-TO-TRACK SIMULCASTS SHALL BE FIVE AND ONE-HALF PERCENT OF THE GROSS PARIMUTUEL RECEIPTS GENERATED AT THE RECEIVING LOCATION AND PAYABLE TO THE SENDING RACING ASSOCIATION. A RACING ASSOCIATION THAT TRANSMITS SIMULCASTS OF ITS RACES TO OTHER LICENSED RACING ASSOCIATIONS SHALL PAY AT LEAST FIFTY PERCENT OF THE FEE THAT IT RECEIVES FOR THE SIMULCAST SIGNAL TO THE HORSEMEN'S PURSE ACCOUNT FOR ITS LIVE RACE MEET AFTER FIRST DEDUCTING THE ACTUAL COST OF SENDING THE SIMULCAST SIGNAL. A RACING ASSOCIATION THAT RECEIVES RACES SIMULCAST FROM CLASS 1 RACING ASSOCIATIONS WITHIN THE STATE SHALL PAY AT LEAST FIFTY PERCENT OF ITS SHARE OF THE PARIMUTUEL RECEIPTS TO THE HORSEMEN'S PURSE ACCOUNT FOR ITS LIVE RACE MEET AFTER FIRST DEDUCTING THE PURCHASE PRICE AND THE ACTUAL DIRECT COSTS OF IMPORTING THE RACE.

(6) A CLASS 1 RACING ASSOCIATION MAY BE ALLOWED TO IMPORT SIMULCASTS OF HORSE RACES FROM OUT-OF-STATE RACING FACILITIES. WITH THE PRIOR APPROVAL OF THE COMMISSION, THE CLASS 1 RACING ASSOCIATION MAY PARTICIPATE IN AN INTERSTATE COMMON POOL AND MAY CHANGE ITS COMMISSION AND BREAKAGE RATES TO ACHIEVE A COMMON RATE WITH OTHER PARTICIPANTS IN THE COMMON POOL.

(A) THE CLASS 1 RACING ASSOCIATION SHALL MAKE WRITTEN APPLICATION WITH THE COMMISSION FOR PERMISSION TO IMPORT SIMULCAST HORSE RACES FOR THE PURPOSE OF PARIMUTUEL WAGERING. SUBJECT TO THE TERMS OF THIS SECTION, THE COMMISSION IS THE SOLE AUTHORITY IN DETERMINING WHETHER TO GRANT APPROVAL FOR AN IMPORTED SIMULCAST RACE.

(B) ~~((DURING THE CONDUCT OF ITS RACE MEETING, A CLASS 1 RACING ASSOCIATION MAY BE ALLOWED TO IMPORT NO MORE THAN ONE SIMULCAST RACE CARD PROGRAM DURING EACH LIVE RACE DAY.))~~ A LICENSED RACING ASSOCIATION MAY ALSO BE APPROVED TO IMPORT ONE SIMULCAST RACE OF REGIONAL OR NATIONAL INTEREST ON EACH LIVE RACE DAY. ~~((A CLASS 1 RACING ASSOCIATION MAY BE PERMITTED TO IMPORT TWO SIMULCAST PROGRAMS ON TWO NONLIVE RACE DAYS PER EACH WEEK DURING ITS LIVE MEET. A LICENSEE SHALL NOT OPERATE PARIMUTUEL WAGERING ON MORE THAN FIVE DAYS PER WEEK. PARIMUTUEL WAGERING ON IMPORTED SIMULCAST PROGRAMS SHALL ONLY BE CONDUCTED AT THE LIVE RACING FACILITY OF A CLASS 1 RACING ASSOCIATION.))~~

(C) THE COMMISSION MAY ALLOW SIMULCAST RACES OF REGIONAL OR NATIONAL INTEREST TO BE SENT TO SATELLITE LOCATIONS. THE SIMULCASTS SHALL BE LIMITED TO ONE PER DAY EXCEPT FOR BREEDER'S CUP SPECIAL EVENTS DAY.

(D) WHEN OPEN FOR PARIMUTUEL WAGERING, A CLASS 1 RACING ASSOCIATION WHICH IMPORTS SIMULCAST RACES SHALL ALSO CONDUCT SIMULCAST PARIMUTUEL WAGERING WITHIN ITS LICENSED RACING ENCLOSURE ON ALL RACES SIMULCAST FROM OTHER CLASS 1 RACING ASSOCIATIONS WITHIN THE STATE OF WASHINGTON.

(E) ~~((WHEN NOT CONDUCTING A LIVE RACE MEETING, A CLASS 1 RACING ASSOCIATION MAY BE APPROVED TO CONDUCT SIMULCAST PARIMUTUEL WAGERING ON IMPORTED SIMULCAST RACES.))~~ THE CONDUCT OF ~~((SIMULCAST))~~ PARIMUTUEL WAGERING ON ~~((THE))~~ IMPORTED SIMULCAST RACES SHALL BE FOR NOT MORE THAN FOURTEEN HOURS DURING ANY TWENTY-FOUR HOUR PERIOD, FOR NOT MORE THAN FIVE DAYS PER WEEK AND ONLY AT ~~((#8))~~ THE LIVE RACING FACILITY OF A CLASS 1 RACING ASSOCIATION.

(F) ON ANY IMPORTED SIMULCAST RACE, THE CLASS 1 RACING ASSOCIATION SHALL PAY FIFTY PERCENT OF ITS SHARE OF THE PARIMUTUEL RECEIPTS TO THE HORSEMEN'S PURSE ACCOUNT FOR ITS LIVE RACE MEET AFTER FIRST DEDUCTING THE PURCHASE PRICE OF THE IMPORTED RACE AND THE ACTUAL COSTS OF IMPORTING THE RACE.

(7) FOR PURPOSES OF THIS SECTION, A CLASS 1 RACING ASSOCIATION IS DEFINED AS A LICENSEE APPROVED BY THE COMMISSION TO CONDUCT DURING EACH TWELVE-MONTH PERIOD AT LEAST FORTY DAYS OF LIVE RACING. IF A LIVE RACE DAY IS CANCELED DUE TO REASONS DIRECTLY ATTRIBUTABLE TO ACTS OF GOD, LABOR DISRUPTIONS AFFECTING LIVE RACE DAYS BUT NOT DIRECTLY INVOLVING THE LICENSEE OR ITS EMPLOYEES, OR OTHER CIRCUMSTANCES THAT THE COMMISSION DECIDES ARE BEYOND THE CONTROL OF THE CLASS 1 RACING ASSOCIATION, THEN THE CANCELED DAY COUNTS TOWARD THE FORTY-DAY REQUIREMENT. THE COMMISSION MAY BY RULE INCREASE THE NUMBER OF LIVE RACING DAYS REQUIRED TO MAINTAIN CLASS 1 RACING ASSOCIATION STATUS OR MAKE OTHER RULES NECESSARY TO IMPLEMENT THIS SECTION.

(8) THIS SECTION DOES NOT ESTABLISH A NEW FORM OF GAMING IN WASHINGTON OR ALLOW EXPANDED GAMING WITHIN THE STATE BEYOND WHAT HAS BEEN PREVIOUSLY AUTHORIZED. SIMULCAST WAGERING HAS BEEN ALLOWED IN WASHINGTON BEFORE APRIL 19, 1997. THEREFORE, THIS SECTION DOES NOT ALLOW GAMING OF ANY NATURE OR SCOPE THAT WAS PROHIBITED BEFORE APRIL 19, 1997. THIS SECTION IS NECESSARY TO PROTECT THE WASHINGTON EQUINE BREEDING AND RACING INDUSTRIES, AND IN PARTICULAR THOSE SECTORS OF THESE INDUSTRIES THAT ARE DEPENDENT UPON LIVE HORSE RACING. THE PURPOSE OF THIS SECTION IS TO PROTECT THESE INDUSTRIES FROM ACTUAL AND POTENTIAL ADVERSE ECONOMIC IMPACTS AND TO PROMOTE FAN ATTENDANCE AT CLASS 1 RACING FACILITIES. THEREFORE, IMPORTED SIMULCAST RACE CARD PROGRAMS SHALL NOT BE DISSEMINATED TO ANY LOCATION OUTSIDE THE LIVE RACING FACILITY OF THE CLASS 1 RACING ASSOCIATION AND A CLASS 1 RACING ASSOCIATION IS STRICTLY PROHIBITED FROM SIMULCASTING IMPORTED RACE CARD PROGRAMS TO ANY LOCATION OUTSIDE ITS LIVE RACING FACILITY.

(9) A LICENSEE CONDUCTING SIMULCASTING UNDER THIS SECTION SHALL PLACE SIGNS IN THE LICENSEE'S GAMBLING ESTABLISHMENT UNDER RCW 9.46.071. THE INFORMATIONAL SIGNS CONCERNING PROBLEM AND COMPULSIVE GAMBLING MUST INCLUDE A TOLL-FREE TELEPHONE NUMBER FOR PROBLEM AND COMPULSIVE GAMBLERS AND BE DEVELOPED UNDER RCW 9.46.071.

(10) THIS ACT DOES NOT ESTABLISH A NEW FORM OF GAMING IN WASHINGTON OR ALLOW EXPANDED GAMING WITHIN THE STATE BEYOND WHAT HAS BEEN PREVIOUSLY AUTHORIZED. SIMULCAST WAGERING HAS BEEN ALLOWED IN WASHINGTON BEFORE THE EFFECTIVE DATE OF THIS ACT. THEREFORE, THIS SECTION DOES NOT ALLOW GAMING OF ANY NATURE OR SCOPE THAT WAS PROHIBITED BEFORE THE EFFECTIVE DATE OF THIS ACT. THIS ACT IS NECESSARY TO PROTECT THE WASHINGTON EQUINE BREEDING AND RACING INDUSTRIES, AND IN PARTICULAR THOSE SECTORS OF THESE INDUSTRIES THAT ARE DEPENDENT UPON LIVE HORSE RACING. THE PURPOSE OF THIS ACT IS TO PROTECT THESE INDUSTRIES FROM ADVERSE ECONOMIC IMPACTS AND TO PROMOTE FAN ATTENDANCE AT CLASS 1 RACING FACILITIES. THEREFORE, IMPORTED SIMULCAST RACE CARD PROGRAMS SHALL NOT BE DISSEMINATED TO ANY LOCATION OUTSIDE THE LIVE RACING FACILITY OF THE CLASS 1 RACING ASSOCIATION AND A CLASS 1 RACING ASSOCIATION IS STRICTLY PROHIBITED FROM SIMULCASTING IMPORTED RACE CARD PROGRAMS TO ANY LOCATION OUTSIDE ITS LIVE RACING FACILITY.

(11) IF A STATE OR FEDERAL COURT MAKES A FINDING THAT THE INCREASE IN THE NUMBER OF IMPORTED SIMULCAST RACES THAT MAY BE AUTHORIZED UNDER THIS ACT IS AN EXPANSION OF GAMING BEYOND THAT WHICH IS NOW ALLOWED, THIS ACT IS NULL AND VOID.

(12) IF ANY PROVISION OF THIS ACT OR ITS APPLICATION TO ANY PERSON OR CIRCUMSTANCE IS HELD INVALID, THE REMAINDER OF THIS ACT OR THE APPLICATION OF THE PROVISION TO OTHER PERSONS OR CIRCUMSTANCES IS ALSO INVALID."

ON MOTION OF SENATOR BETTI SHELDON, THE RULES WERE SUSPENDED, SENATE CONCURRENT RESOLUTION NO. 8416 AND SENATE CONCURRENT RESOLUTION NO. 8417 WERE ADVANCED TO SECOND READING AND PLACED ON THE SECOND READING CALENDAR.

PERSONAL PRIVILEGE

SENATOR THIBAudeau: "MR. PRESIDENT, A POINT OF PERSONAL PRIVILEGE. I WOULD JUST LIKE TO SAY 'THANK YOU' TO THE STAFF WHO MADE THIS TRANSITION SO RELATIVELY EFFORTLESS FOR US--AND TO THE MANY MEMBERS WHO, WITHOUT COMPLAINING, MOVED INTO TINY CUBICLES--BUT MOST OF ALL TO THE STAFF WHO REALLY WERE JUST WONDERFUL THROUGH ALL OF THIS. THANK YOU."

PERSONAL PRIVILEGE

SENATOR DECCIO: "MR. PRESIDENT, A POINT OF PRIVILEGE. I WOULD LIKE TO THANK ALL OF THE MEMBERS. I THINK WE HAVE HAD A GREAT COMRADERY HERE AND I THINK WE HAVE BECOME MUCH FRIENDLIER. I HOPE WE CAN CONTINUE THIS SAME RELATIONSHIP AFTER WE GET BACK ON THE FLOOR. CERTAINLY, WE HAVE HAD OUR DIFFERENCES, BUT CERTAINLY I THINK WE HAVE SHOWN SOME GREAT UNANIMITY AND I PERSONALLY WOULD LIKE TO THANK EVERYBODY. THANK YOU."

PERSONAL PRIVILEGE

SENATOR RASMUSSEN: "A POINT OF PERSONAL PRIVILEGE, MR. PRESIDENT. I WOULD REALLY LIKE TO THANK YOU. I THINK THAT YOU HAVE BEEN THE ROCK THAT HAS PUT THIS ALL TOGETHER. YOU HAVE PUT UP WITH US AND INDEED WE HAVE HAD ENTIRELY TOO MUCH FUN AND WE HAVE REALLY MADE GREAT FRIENDSHIPS. I HAVE SEEN CHAIRS SCOOT ACROSS THE AISLE SO FAST THAT YOU WOULDN'T BELIEVE IT. YOU KNOW, THERE USED TO BE A SAYING THAT THERE WAS A SWORD'S LENGTH BETWEEN THE PARTIES. WE DIDN'T NEED A SWORD'S LENGTH BETWEEN THE PARTIES. WE JUST KIND OF WORKED TOGETHER VERY, VERY CAREFULLY AND HAD FUN. WE HAVE HAD A GREAT TIME AND I THINK THAT YOU HAVE BEEN THAT ROCK--THE HEAD MASTER--THAT HAS KIND OF CHIDED US AT TIMES WITH YOUR SWIFT GAVEL. AT TIMES, YOU JUST THREW UP YOUR HANDS AND SAID, 'LET THEM HAVE A GREAT TIME,' AND WE DID. SO, I WOULD REALLY LIKE TO THANK YOU, BECAUSE YOU HAVE JUST BEEN ABSOLUTELY MARVELOUS."

PERSONAL PRIVILEGE

SENATOR OKE: "A POINT OF PERSONAL PRIVILEGE, MR. PRESIDENT. WELL, I THOUGHT THIS CLOSENESS--THIS CLOSENESS--THAT WE DO HAVE REALLY IS BUILDING A BRIDGE TO THE OTHER SIDE."

REPLY BY THE PRESIDENT

PRESIDENT OWEN: "A FLOATING BRIDGE?"

PERSONAL PRIVILEGE

SENATOR ROACH: "MR. PRESIDENT, A POINT OF PERSONAL PRIVILEGE. I JUST WANTED TO SAY THAT WHILE I HAVE ENJOYED THE CLOSE QUARTERS--ACTUALLY IT HAS BEEN A LOT MORE FUN HERE ON THIS SIDE. WHEN IT GETS RIGHT DOWN TO IT, CONFRONTATION IS THE LIFE BLOOD OF POLITICS AND I THINK IT IS THAT GIVE AND TAKE THAT COMES KNOWING THAT WE HAVE SEPARATE POSITIONS ON ISSUES. THE LAST THING THAT I WANT TO DO IS LEAVE THE PUBLIC WITH THE THOUGHT THAT IN FACT THERE AREN'T, ON MANY OCCASIONS, DIFFERENT SIDES TO ISSUES AND THAT WE STILL FEEL STRONGLY ABOUT THEM. THERE IS NO COMPROMISING OF POSITIONS AND AT THE SAME TIME BEING ABLE TO WORK ON A FRIENDLY BASIS."

MOTION

ON MOTION OF SENATOR SNYDER, THE FOLLOWING RESOLUTION WAS ADOPTED:

SENATE RESOLUTION 2001-8682

BY SENATORS SNYDER AND WEST

THIRD READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 5749, by Senate Committee on Transportation (originally sponsored by Senators McAuliffe, Horn, Winsley, Oke and Haugen) (by request of The Blue Ribbon Commission on Transportation)

Adopting cost-benefit analysis for transportation planning.

MOTIONS

On motion of Senator Haugen, the rules were suspended, Engrossed Substitute Senate Bill No. 5749 was returned to second reading and read the second time.

Senator Haugen moved that the following striking amendment be adopted: Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 47.05.010 and 1993 c 490 s 1 are each amended to read as follows:

The legislature finds that solutions to state highway deficiencies have become increasingly complex and diverse and that anticipated transportation revenues will fall substantially short of the amount required to satisfy all transportation needs. Difficult investment trade-offs will be required.

It is the intent of the legislature that investment of state transportation funds to address deficiencies on the state highway system be based on a policy of priority programming having as its basis the rational selection of projects and services according to factual need and an evaluation of life cycle costs and benefits ~~((and which))~~ that are systematically scheduled to carry out defined objectives within available revenue. The state must develop analytic tools to use a common methodology to measure benefits and costs for all modes.

The priority programming system ~~((shall))~~ must ensure preservation of the existing state highway system, relieve congestion, provide mobility for people and goods, support the state's economy, and promote environmental protection and energy conservation.

The priority programming system ~~((shall))~~ must implement the state-owned highway component of the statewide ~~((multimodal))~~ transportation plan, consistent with local and regional transportation plans, by targeting state transportation investment to appropriate multimodal solutions ~~((which))~~ that address identified state highway system deficiencies.

The priority programming system for improvements ~~((shall))~~ must incorporate a broad range of solutions that are identified in the statewide ~~((multimodal))~~ transportation plan as appropriate to address state highway system deficiencies, including but not limited to highway expansion, efficiency improvements, nonmotorized transportation facilities, high occupancy vehicle facilities, transit facilities and services, rail facilities and services, and transportation demand management programs.

"**Sec. 2.** RCW 47.05.030 and 1998 c 171 s 6 are each amended to read as follows:

The transportation commission shall adopt a comprehensive six-year investment program specifying program objectives and performance measures for the preservation and improvement programs defined in this section. In the specification of investment program objectives and performance measures, the transportation commission, in consultation with the Washington state department of transportation, shall define and adopt standards for effective programming and prioritization practices including a needs analysis process. The ~~((needs))~~ analysis process ~~((shall))~~ must ensure the identification of problems and deficiencies, the evaluation of alternative solutions and trade-offs, and estimations of the costs and benefits of prospective projects. The investment program ~~((shall))~~ must be revised biennially, effective on July 1st of odd-numbered years. The investment program ~~((shall))~~ must be based upon the needs identified in the state-owned highway component of the statewide ~~((multimodal))~~ transportation plan as defined in RCW 47.01.071(3).

(1) The preservation program ~~((shall))~~ consists of those investments necessary to preserve the existing state highway system and to restore existing safety features, giving consideration to lowest life cycle costing. The preservation program must require use of the most cost-effective pavement surfaces, considering:

(a) Life-cycle cost analysis;

(b) Traffic volume;

- (c) Subgrade soil conditions;
- (d) Environmental and weather conditions;
- (e) Materials available; and
- (f) Construction factors.

The comprehensive six-year investment program for preservation ((shall)) must identify projects for two years and an investment plan for the remaining four years.

(2) The improvement program ((shall)) consists of investments needed to address identified deficiencies on the state highway system to increase mobility, address congestion, and improve ((mobility,)) safety, support for the economy, and protection of the environment. The six-year investment program for improvements ((shall)) must identify projects for two years and major deficiencies proposed to be addressed in the six-year period giving consideration to relative benefits and life cycle costing. The transportation commission shall give higher priority for correcting identified deficiencies on those facilities classified as facilities of statewide significance as defined in RCW 47.06.140. Project prioritization must be based primarily upon cost-benefit analysis, where appropriate.

The transportation commission shall approve and present the comprehensive six-year investment program to the legislature in support of the biennial budget request under RCW 44.40.070 and 44.40.080.

Sec. 3. RCW 47.05.035 and 1993 c 490 s 4 are each amended to read as follows:

(1) The department and the commission shall use the transportation demand modeling tools developed under subsection (2) of this section to evaluate investments based on the best mode or improvement, or mix of modes and improvements, to meet current and future long-term demand within a corridor or system for the lowest cost. The end result of these demand modeling tools is to provide a cost-benefit analysis by which the department and the commission can determine the relative mobility improvement and congestion relief each mode or improvement under consideration will provide and the relative investment each mode or improvement under consideration will need to achieve that relief.

(2) The department will participate in the refinement, enhancement, and application of existing transportation demand modeling tools to be used to evaluate investments. This participation and use of transportation demand modeling tools will be phased in. The first phase will build upon the modeling work initiated by the four-county Puget Sound regional council.

(3) In developing program objectives and performance measures, the transportation commission shall evaluate investment trade-offs between the preservation and improvement programs. In making these investment trade-offs, the commission shall evaluate, using cost-benefit techniques, roadway and bridge maintenance activities as compared to roadway and bridge preservation program activities and adjust those programs accordingly.

(4) The commission shall allocate the estimated revenue between preservation and improvement programs giving primary consideration to the following factors:

((4)) (a) The relative needs in each of the programs and the system performance levels that can be achieved by meeting these needs;

((2)) (b) The need to provide adequate funding for preservation to protect the state's investment in its existing highway system;

((3)) (c) The continuity of future transportation development with those improvements previously programmed; and

((4)) (d) The availability of dedicated funds for a specific type of work.

Sec. 4. RCW 47.05.051 and 1998 c 175 s 12 are each amended to read as follows:

The comprehensive six-year investment program shall be based upon the needs identified in the state-owned highway component of the statewide multimodal transportation plan as defined in RCW 47.01.071(3) and priority selection systems that incorporate the following criteria:

(1) Priority programming for the preservation program shall take into account the following, not necessarily in order of importance:

(a) Extending the service life of the existing highway system, including using the most cost-effective pavement surfaces, considering:

(i) Life-cycle cost analysis;

(ii) Traffic volume;

(iii) Subgrade soil conditions;

(iv) Environmental and weather conditions;

(v) Materials available; and

(vi) Construction factors;

(b) Ensuring the structural ability to carry loads imposed upon highways and bridges; and

(c) Minimizing life cycle costs. The transportation commission in carrying out the provisions of this section may delegate to the department of transportation the authority to select preservation projects to be included in the six-year program.

(2) Priority programming for the improvement program shall take into account the following:

(a) Support for the state's economy, including job creation and job preservation;

(b) The cost-effective movement of people and goods;

(c) Accident and accident risk reduction;

(d) Protection of the state's natural environment;

(e) Continuity and systematic development of the highway transportation network;

(f) Consistency with local comprehensive plans developed under chapter 36.70A RCW;

(g) Consistency with regional transportation plans developed under chapter 47.80 RCW;

(h) Public views concerning proposed improvements;

(i) The conservation of energy resources;

(j) Feasibility of financing the full proposed improvement;

(k) Commitments established in previous legislative sessions;

(l) Relative costs and benefits of candidate programs;

(m) Major projects addressing capacity deficiencies which prioritize allowing for preliminary engineering shall be reprioritized during the succeeding biennium, based upon updated project data. Reprioritized projects may be delayed or canceled by the transportation commission if higher priority projects are awaiting funding; ((and))

(n) Major project approvals which significantly increase a project's scope or cost from original prioritization estimates shall include a review of the project's estimated revised priority rank and the level of funding provided. Projects may be delayed or canceled by the transportation commission if higher priority projects are awaiting funding; and

(o) Congestion reduction.

(3) The commission may depart from the priority programming established under subsections (1) and (2) of this section: (a) To the extent that otherwise funds cannot be utilized feasibly within the program; (b) as may be required by a court judgment, legally binding agreement, or state and federal laws and regulations; (c) as may be required to coordinate with federal, local, or other state agency construction projects; (d) to take advantage of some substantial financial benefit that may be available; (e) for continuity of route development; or (f) because of changed financial or physical conditions of an unforeseen or emergent nature. The commission or secretary of transportation shall maintain in its files information sufficient to show the extent to which the commission has departed from the established priority.

(4) The commission shall identify those projects that yield freight mobility benefits or that alleviate the impacts of freight mobility upon affected communities.

Sec. 5. RCW 47.06.130 and 1993 c 446 s 13 are each amended to read as follows:

(1) The department may carry out special transportation planning studies to resolve specific issues with the development of the state transportation system or other statewide transportation issues.

(2) The department shall conduct multimodal corridor analyses on major congested corridors where needed improvements are likely to cost in excess of one hundred million dollars. Analysis will include the cost-effectiveness of all feasible strategies in addressing congestion or improving mobility within the corridor, and must recommend the most effective strategy or mix of strategies to address identified deficiencies. A long-term view of corridors must be employed to determine whether an existing corridor should be expanded, a city or county road should become a state route, and whether a new corridor is needed to alleviate congestion and enhance mobility based on travel demand. To the extent practicable, full costs of all strategies must be reflected in the analysis. At a minimum, this analysis must include:

(a) The current and projected future demand for total person trips on that corridor;

(b) The impact of making no improvements to that corridor;

(c) The daily cost per added person served for each mode or improvement proposed to meet demand;

(d) The cost per hour of travel time saved per day for each mode or improvement proposed to meet demand; and

(e) How much of the current and anticipated future demand will be met and left unmet for each mode or improvement proposed to meet demand.

The end result of this analysis will be to provide a cost-benefit analysis by which policymakers can determine the most cost-effective improvement or mode, or mix of improvements and modes, for increasing mobility and reducing congestion.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2001."

Senator Haugen moved that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends that funding for transportation improvements be allocated to the worst traffic chokepoints in the state. Furthermore, the legislature intends to fund projects that provide systemic relief throughout a transportation corridor, rather than spot improvements that fail to improve overall mobility within a corridor.

Sec. 2. RCW 47.05.051 and 1998 c 175 s 12 are each amended to read as follows:

(1) The comprehensive six-year investment program shall be based upon the needs identified in the state-owned highway component of the statewide multimodal transportation plan as defined in RCW 47.01.071(3) and priority selection systems that incorporate the following criteria:

~~((1))~~ **(a)** Priority programming for the preservation program shall take into account the following, not necessarily in order of importance:

~~((a))~~ **(i)** Extending the service life of the existing highway system;

~~((b))~~ **(ii)** Ensuring the structural ability to carry loads imposed upon highways and bridges; and

~~((c))~~ **(iii)** Minimizing life cycle costs. The transportation commission in carrying out the provisions of this section may delegate to the department of transportation the authority to select preservation projects to be included in the six-year program.

~~((2))~~ **(b)** Priority programming for the improvement program ~~((shall take into account))~~ must be based primarily upon the following:

~~((a))~~ **(i)** Traffic congestion, delay, and accidents;

(ii) Location within a heavily traveled transportation corridor;

(iii) Synchronization with other potential transportation projects, including transit and multimodal projects, within the heavily traveled corridor; and

(iv) Use of benefit/cost analysis wherever feasible to determine the value of the proposed project.

(c) Priority programming for the improvement program may also take into account:

(i) Support for the state's economy, including job creation and job preservation;

~~((b))~~ **(ii)** The cost-effective movement of people and goods;

~~((c))~~ **(iii)** Accident and accident risk reduction;

~~((d))~~ **(iv)** Protection of the state's natural environment;

~~((e))~~ **(v)** Continuity and systematic development of the highway transportation network;

~~((f))~~ **(vi)** Consistency with local comprehensive plans developed under chapter 36.70A RCW;

~~((g))~~ **(vii)** Consistency with regional transportation plans developed under chapter 47.80 RCW;

~~((h))~~ **(viii)** Public views concerning proposed improvements;

~~((i))~~ **(ix)** The conservation of energy resources;

~~((j))~~ **(x)** Feasibility of financing the full proposed improvement;

~~((k))~~ **(xi)** Commitments established in previous legislative sessions;

~~((l))~~ **(xii)** Relative costs and benefits of candidate programs~~((;))~~;

~~((m))~~ **(d)** Major projects addressing capacity deficiencies which prioritize allowing for preliminary engineering shall be reprioritized during the succeeding biennium, based upon updated project data. Reprioritized projects may be delayed or canceled by the transportation commission if higher priority projects are awaiting funding~~((; and))~~;

~~((n))~~ **(e)** Major project approvals which significantly increase a project's scope or cost from original prioritization estimates shall include a review of the project's estimated revised priority rank and the level of funding provided. Projects may be delayed or canceled by the transportation commission if higher priority projects are awaiting funding.

~~((3))~~ **(2)** The commission may depart from the priority programming established under subsection~~((s))~~ (1) ~~((and-2))~~ of this section: (a) To the extent that otherwise funds cannot be utilized feasibly within the program; (b) as may be required by a court judgment, legally binding agreement, or state and federal laws and regulations; (c) as may be required to coordinate with federal, local, or other state agency construction projects; (d) to take advantage of some substantial financial benefit that may be available; (e) for continuity of route development; or (f) because of changed financial or physical conditions of an unforeseen or emergent nature. The commission or secretary of transportation shall maintain in its files information sufficient to show the extent to which the commission has departed from the established priority.

~~((4))~~ **(3)** The commission shall identify those projects that yield freight mobility benefits or that alleviate the impacts of freight mobility upon affected communities.

NEW SECTION. Sec. 3. The department of transportation shall report the results of its priority programming under RCW 47.05.051 to the transportation committees of the senate and house of representatives by December 1, 2002, and December 1, 2004."

Debate ensued.

POINT OF INQUIRY

Senator Deccio: "Senator Haugen, traffic chokepoints have a different meaning on the west side of the mountains than on the east side. We don't have that particular problem, even though we have a lot of other problems. Does this mean then that the priority program is going to be to relieve traffic chokepoints--is that going to be the priority?"

Senator Haugen: "This congestion will certainly become one of the issues dealing with setting priorities. However, most of the problems that occur in your area and the area that I represent--primarily rural areas of the state--are generally covered under preservation. This is truly about major new improvements and certainly I know that in your area, like in my area, we also have some chokepoint areas. They aren't the same as they are in central Puget Sound, but there are chokepoints. You will see some change, but not in the programs that are most important to you and I."

Further debate ensued.

The President declared the question before the Senate to be the adoption of the striking amendment by Senator Haugen to Substitute Senate Bill No. 5759, under suspension of the rules.

The motion by Senator Haugen carried and the striking amendment was adopted.

On motion of Senator Haugen, the following striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that roads, streets, bridges, and highways in the state represent public assets worth over one hundred billion dollars. These investments require regular maintenance and preservation, or rehabilitation, to provide cost-effective transportation services. Many of these facilities are in poor condition. Given the magnitude of public investment and the importance of safe, reliable roadways to the motoring public, the legislature intends to create stronger accountability to ensure that cost-effective maintenance and preservation is provided for these transportation facilities.

Sec. 2. RCW 35.84.060 and 1969 ex.s. c 281 s 26 are each amended to read as follows:

Every municipal corporation which owns or operates an urban public transportation system as defined in RCW 47.04.082 within its corporate limits, may acquire, construct, extend, own, or operate such urban public transportation system to any point or points not to exceed fifteen miles outside of its corporate limits: PROVIDED, That no municipal corporation shall extend its urban

public transportation system beyond its corporate limits to operate in any territory already served by a privately operated auto transportation company holding a certificate of public convenience and necessity from the utilities and transportation commission.

As a condition of receiving state funding, the municipal corporation shall submit a maintenance management plan for certification by the transportation commission or its successor entity. The plan must inventory all transportation system assets within the direction and control of the municipality, and provide a preservation plan based on lowest life cycle cost methodologies.

NEW SECTION. Sec. 3. A new section is added to chapter 36.56 RCW to read as follows:

As a condition of receiving state funding, a county that has assumed the transportation functions of a metropolitan municipal corporation shall submit a maintenance and preservation management plan for certification by the transportation commission or its successor entity. The plan must inventory all transportation system assets within the direction and control of the county, and provide a preservation plan based on lowest life cycle cost methodologies.

NEW SECTION. Sec. 4. A new section is added to chapter 36.57A RCW to read as follows:

As a condition of receiving state funding, a public transportation benefit area authority shall submit a maintenance and preservation management plan for certification by the transportation commission or its successor entity. The plan must inventory all transportation system assets within the direction and control of the authority, and provide a preservation plan based on lowest life cycle cost methodologies.

NEW SECTION. Sec. 5. A new section is added to chapter 46.68 RCW to read as follows:

During the 2001-2003 biennium, cities and towns shall provide to the transportation commission, or its successor entity, preservation rating information on at least seventy percent of the total city and town arterial network. Thereafter, the preservation rating information requirement shall increase in five percent increments in subsequent biennia. The rating system used by cities and towns must be based upon the Washington state pavement rating method or an equivalent standard approved by the transportation commission or its successor entity.

Sec. 6. RCW 47.06.050 and 1993 c 446 s 5 are each amended to read as follows:

The state-owned facilities component of the statewide transportation plan shall consist of:

(1) The state highway system plan, which identifies program and financing needs and recommends specific and financially realistic improvements to preserve the structural integrity of the state highway system, ensure acceptable operating conditions, and provide for enhanced access to scenic, recreational, and cultural resources. The state highway system plan shall contain the following elements:

(a) A system preservation element, which shall establish structural preservation objectives for the state highway system including bridges, identify current and future structural deficiencies based upon analysis of current conditions and projected future deterioration, and recommend program funding levels and specific actions necessary to preserve the structural integrity of the state highway system consistent with adopted objectives. Lowest life cycle cost methodologies must be used in developing a pavement management system. This element shall serve as the basis for the preservation component of the six-year highway program and the two-year biennial budget request to the legislature;

(b) A highway maintenance element, establishing service levels for highway maintenance on state-owned highways that meet benchmarks established by the transportation commission. The highway maintenance element must include an estimate of costs for achieving those service levels over twenty years. This element will serve as the basis for the maintenance component of the six-year highway program and the two-year biennial budget request to the legislature.

(c) A capacity and operational improvement element, which shall establish operational objectives, including safety considerations, for moving people and goods on the state highway system, identify current and future capacity, operational, and safety deficiencies, and recommend program funding levels and specific improvements and strategies necessary to achieve the operational objectives. In developing capacity and operational improvement plans the department shall first assess strategies to enhance the operational efficiency of the existing system before recommending system expansion. Strategies to enhance the operational efficiencies include but are not limited to access management, transportation system management, demand management, and high-occupancy vehicle facilities. The capacity and operational improvement element must conform to the state implementation plan for air quality and be consistent with regional transportation plans adopted under chapter 47.80 RCW, and shall serve as the basis for the capacity and operational improvement portions of the six-year highway program and the two-year biennial budget request to the legislature;

((e)) (d) A scenic and recreational highways element, which shall identify and recommend designation of scenic and recreational highways, provide for enhanced access to scenic, recreational, and cultural resources associated with designated routes, and recommend a variety of management strategies to protect, preserve, and enhance these resources. The department, affected counties, cities, and towns, regional transportation planning organizations, and other state or federal agencies shall jointly develop this element;

((d)) (e) A paths and trails element, which shall identify the needs of nonmotorized transportation modes on the state transportation systems and provide the basis for the investment of state transportation funds in paths and trails, including funding provided under chapter 47.30 RCW.

(2) The state ferry system plan, which shall guide capital and operating investments in the state ferry system. The plan shall establish service objectives for state ferry routes, forecast travel demand for the various markets served in the system, ((and)) develop strategies for ferry system investment that consider regional and statewide vehicle and passenger needs, support local land use plans, and assure that ferry services are fully integrated with other transportation services. The plan must provide for maintenance of capital assets. The plan must also provide for preservation of capital assets based on lowest life cycle cost methodologies. The plan shall assess the role of private ferries operating under the authority of the utilities and transportation commission and shall coordinate ferry system capital and operational plans with these private operations. The ferry system plan must be consistent with the regional transportation plans for areas served by the state ferry system, and shall be developed in conjunction with the ferry advisory committees.

Sec. 7. RCW 47.06.090 and 1993 c 446 s 9 are each amended to read as follows:

The state-interest component of the statewide multimodal transportation plan shall include an intercity passenger rail plan, which shall analyze existing intercity passenger rail service and recommend improvements to that service under the state passenger rail service program including depot improvements, potential service extensions, and ways to achieve higher train speeds.

For purposes of maintaining and preserving any state-owned component of the state's passenger rail program, the statewide multimodal transportation plan must identify all such assets and provide a preservation plan based on lowest life cycle cost methodologies.

NEW SECTION. Sec. 8. A new section is added to chapter 81.112 RCW to read as follows:

As a condition of receiving state funding, a regional transit authority shall submit a maintenance and preservation management plan for certification by the transportation commission or its successor entity. The plan must inventory all transportation system assets within the direction and control of the transit authority, and provide a plan for preservation of assets based on lowest life cycle cost methodologies.

NEW SECTION. Sec. 9. A new section is added to chapter 36.78 RCW to read as follows:

The board shall establish a standard of good practice for maintenance of transportation system assets. This standard must be implemented by all counties no later than December 31, 2006. The board shall develop a model maintenance management system for use by counties. The board shall develop rules to assist the counties in the implementation of this system. Counties shall annually submit their maintenance plans to the board. The board shall compile the county data regarding maintenance management and annually submit it to the transportation commission or its successor entity."

(4) \$10,000,000 of the multimodal transportation account--state appropriation is provided solely to fund the first phase of a multiphase cooperative project with the state of Oregon to dredge the Columbia river. The department shall not expend the appropriation in this section unless agreement on ocean disposal sites has been reached which protects the state's commercial crab fishery. The amount provided in this subsection shall lapse unless the state of Oregon appropriates a dollar-for-dollar match to fund its share of the project.

(5) The motor vehicle account--state appropriation includes \$1,167,000 in proceeds from the sale of bonds authorized by RCW 47.10.819(1). The transportation commission may authorize the use of current revenues available to the department of transportation in lieu of bond proceeds for any part of the state appropriation.

(6) \$5,000,000 of the urban arterial trust account--state appropriation is provided solely for a small city pavement preservation program, to be administered by the department's highways and local programs division. The department, in consultation with stakeholders, shall establish program guidelines. The guidelines should include but not be limited to a provision limiting program eligibility to cities with a population of 2,500 or less.

(7) \$15,000,000 of the motor vehicle account--state appropriation is provided solely for a county corridor congestion relief program, to be administered by the department's highways and local programs division. Urban corridors must connect to urban or

significant activity centers; begin or end at the intersection of another arterial, state highway, or limited access freeway system; and provide an alternate route to the limited access freeway system. The purpose of the program is to provide funding for congested urban corridors, as defined and selected by the department of transportation in consultation with counties and regional transportation planning organizations. At a minimum, project selection criteria should include: Consistency with regional transportation plans; measurable improvements in mobility; cost effectiveness; systematic corridor mobility improvements rather than isolated "spot" improvements; and optimal timing for construction.

(8) \$5,000,000 of the motor vehicle account--state appropriation is provided solely for improving traffic and pedestrian safety near schools. The highways and local programs division within the department of transportation shall administer this program. Funds should be used for traffic and pedestrian improvements near schools, including roadway channelization and signalization.

(9) The highways and local programs division within the department of transportation shall develop a prequalification procedure for potential bidders on projects administered or approved by the transportation improvement board. The board shall work with other interested parties including but not limited to associations representing general contractors and the office of minority and women's business enterprises. The prequalification procedure's goal is to ascertain that bidders are qualified by experience, financing, equipment, and organization to do the work called for in the contract documents. The prequalification procedure may require a bidder to (1) satisfy threshold requirements established by the board prior to being furnished a proposal form on any contract; or (2) complete a preaward survey of the bidder's qualification prior to award.

(10) \$2,000,000 of the motor vehicle account--state appropriation is provided solely for city fish passage barrier removal and habitat restoration. Funds should be used for eliminating fish passage barriers, including stormwater facilities, and providing for habitat restoration for salmonid species that are listed as threatened or endangered. The amount provided in this section may only be expended upon authorization from the department of transportation's environmental affairs office.

(11) \$10,000,000 of the motor vehicle fund--state appropriation is provided solely for a city corridor congestion relief program, to be administered by the department's highways and local programs division. Urban corridors must connect to urban or significant activity centers, begin or end at the intersection of another arterial, state highway or limited access freeway system, and provide an alternate route to the limited access freeway system. The purpose of the program is to provide funding for congested urban corridors as defined and selected by the department of transportation in consultation with counties and regional transportation planning organizations. At a minimum, project selection criteria should include: Consistency with regional transportation plans; measurable improvements in mobility; cost effectiveness; systematic corridor mobility improvements rather than isolated "spot" improvements; and optimal timing for construction.

SENATE RESOLUTION 2001-8687

By Senators Oke, Snyder, Constantine, Benton, Brown, Carlson, Costa, Deccio, Eide, Fairley, Finkbeiner, Franklin, Fraser, Gardner, Hale, Hargrove, Haugen, Hewitt, Hochstatter, Honeyford, Horn, Jacobsen, Johnson, Kastama, Kline, Kohl-Welles, Long, McAuliffe, McCaslin, McDonald, Morton, Parlette, Patterson, Prentice, Rasmussen, Regala, Roach, Rossi, Sheahan, Sheldon, B., Sheldon, T., Shin, Spanel, Stevens, Swecker, Thibaudeau, West, Winsley and Zarelli

WHEREAS, until the 2001 Major League Baseball Season, only the 1997 Atlanta Braves had won as many as nineteen games in the month of April, and

WHEREAS, the Seattle Mariners have eclipsed that record by winning twenty games this April, including a 15-0 record in games in which the opposing team started a right-handed pitcher, using a combination of solid pitching, timely hitting and outstanding defense, and

WHEREAS, in setting the record for wins during the season's first month, the Mariners have equaled the 20-4 starts achieved by only eleven other major league teams in baseball history and became the first team to record that feat since the 1987 Milwaukee Brewers, and

WHEREAS, the Mariners' outstanding start places them well ahead of their American League Western Division opponents in the standings, something that almost nobody anticipated prior to the start of the season, and

WHEREAS, while we all miss watching Junior, A-Rod and Randy, we sure are having a lot of fun without them, and

WHEREAS, the 2000 American League Rookie-of-the Year, Kazuhiro Sasaki, has added his name to the baseball record books by becoming the first pitcher in the history of the game to record thirteen saves during the month of April, beating the old record of twelve established by Lee Smith of the Baltimore Orioles in 1994, and

THIRD READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 6151, by Senate Committee on Human Services and Corrections (originally sponsored by Senators Long and Hargrove)

Revising provisions relating to high-risk sex offenders.

MOTIONS

On motion of Senator Hargrove, the rules were suspended, Engrossed Substitute Senate Bill No. 6151 was returned to second reading and read the second time.

Senator Hargrove moved that the following striking amendment by Senators Hargrove, Long and Costa be adopted:

Strike everything after the enacting clause and insert the following:

"PART I GENERAL PROVISIONS

NEW SECTION. Sec. 101. (1) The legislature makes the following findings:

(a) The effective management of high-risk sex offenders requires a comprehensive approach that includes appropriate sentencing for sex offenses and a plan to address both the immediate and long-term need to establish secure community transition facilities throughout the state.

(b) The individualized treatment required for constitutional civil commitment includes the realistic possibility of release to a less restrictive alternative in appropriate cases. Most persons civilly committed under chapter 71.09 RCW who become eligible for release to a less restrictive alternative do not have housing. Because a lack of housing may unduly restrict a person's ability to obtain an order to a less restrictive alternative, the legislature recognizes that the state must provide some housing facilities. Facilities to house persons conditionally released to a less restrictive alternative under chapter 71.09 RCW are essential public facilities. Public protests and local government moratoriums on zoning and permitting processes have hampered the state's ability to comply with constitutional and statutory requirements and with court orders to create housing for less restrictive alternative placements. The legislature, therefore, intends to provide statewide guidance and assistance in the siting of secure community transition facilities for persons conditionally released to less restrictive alternatives under chapter 71.09 RCW.

(c) Some high-risk sex offenders are most appropriately managed through an indeterminate sentencing structure in which they will be supervised and can be retained in or returned to a state correctional institution until the statutory maximum sentence has expired. The state does not currently have an indeterminate sentencing structure. Consequently, the state must make changes to its sentencing structure to effectively manage these high-risk sex offenders.

(2) Therefore, the legislature intends to:

(a) Manage high-risk sex offenders to the greatest extent possible through the criminal justice system by establishing an indeterminate sentencing structure for those offenders who present a high risk to the community, based on their sex offense history;

(b) Ensure the continued operation and any necessary and authorized expansion of state correctional facilities for sex offenders and other offenders on McNeil Island;

(c) Ensure the prompt siting and timely operation of a secure community transition facility on McNeil Island, ensure the continued progress toward the construction and operation of the total confinement facility already planned for McNeil Island, to further the treatment and management of persons civilly committed under chapter 71.09 RCW, and establish a framework for the establishment of additional secure community transition facilities;

(d) Maximize public safety and enhance the potential for successful treatment of sexually violent predators through the tightly managed use of less restrictive alternatives in secure community transition facilities;

(e) Maximize the safety of communities in which secure community transition facilities are located and ensure public input into decisions involving the siting and ongoing operation of these essential public facilities; strengthening the safeguards in placement, oversight, and monitoring of conditionally released persons; and establishing minimum standards for the siting and operation of secure community transition facilities; and

(f) Comply with federal court orders and require the siting of secure community transition facilities and thereby preclude the possibility that the department of social and health services would be unable to site a facility due to local moratoriums and requirements.

Sec. 102. RCW 71.09.020 and 1995 c 216 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

PART II SITING

NEW SECTION. Sec. 201. A new section is added to chapter 71.09 RCW to read as follows:

(1) The secretary is authorized to site, construct, occupy, and operate a secure community transition facility for persons authorized to petition for court-ordered conditional release under RCW 71.09.090(1) and a special commitment center with up to four hundred four beds as a total confinement facility under this chapter, on McNeil Island subject to appropriated funding for those purposes. The secure community transition facility shall be authorized for the number of beds needed to ensure compliance with the orders of the superior courts under this chapter and the federal district court for the western district of Washington, but in no case more than nine occupied beds before July 1, 2002, or thirty-six occupied beds thereafter.

(2) Notwithstanding RCW 36.70A.103 or any other law, this statute preempts and supersedes local plans, development regulations, permitting requirements, inspection requirements, and other laws as necessary to enable the secretary to site, construct, occupy, and operate a secure community transition facility and a total confinement facility on McNeil Island.

(3) The provisions of this act do not limit the state's authority to site any other essential public facility under RCW 36.70A.200 in conformance with local comprehensive plans and development regulations adopted pursuant to chapter 36.70A RCW.

(4) The number of residents at the secure community transition facility established by this section shall not exceed thirty-six persons.

(5) No additional secure community transition facilities designed for more than three persons may be sited in a county where the special commitment center and the secure community transition facility established pursuant to this section are located.

NEW SECTION. Sec. 202. A new section is added to chapter 72.09 RCW to read as follows:

The secretary is authorized to operate a correctional facility on McNeil Island for the confinement of sex offenders and other offenders sentenced by the courts, and to make necessary repairs, renovations, additions, and improvements to state property for that purpose, notwithstanding any local comprehensive plans, development regulations, permitting requirements, or other local laws. Operation of the correctional facility and other state facilities authorized by this section and other law includes access to adequate docking facilities on state-owned tidelands at the town of Steilacoom.

NEW SECTION. Sec. 203. Beginning on the effective date of this section, the state shall immediately enter into negotiations for a mitigation agreement with the county in which the secure community transition facility established pursuant to section 201 of this act is located, and with each community in which the persons will reside or regularly spend time in the community pursuant to court orders for regular work or education, or to receive social services, or will regularly be transported through to reach those communities. The negotiations must be toward an agreement that will provide state funding, as appropriated for this purpose, in an amount adequate to mitigate anticipated or realized increased costs in law enforcement resulting from any increased risks to public safety brought about by the presence of sexually violent predators in those communities due to the siting of the secure community transition facility established pursuant to section 201 of this act.

NEW SECTION. Sec. 204. A new section is added to chapter 71.09 RCW to read as follows:

When a person civilly committed under this chapter is conditionally released to a less restrictive alternative placement at a facility owned or operated under contract with the state, any employer who hires the person for a position or any educational institution that enrolls the person for a program is eligible for an incentive grant from the state up to five thousand dollars per year that the person remains employed or enrolled on at least a half-time basis in a job or program that meets requirements approved by the court. The provisions of this section may not establish employer or educational institution liability for the subsequent criminal acts of a conditionally released person for the decision to hire or enroll that person. An employer or educational institution that

accepts an incentive grant under this section shall not be civilly liable for the subsequent criminal acts of a conditionally released person unless the employer's or educational institution's conduct constitutes gross negligence or intentional misconduct. An employer that hires a conditionally released person must notify all other employees of the conditionally released person's status. Notification for conditionally released persons who enroll in an institution of higher education shall be made pursuant to the provisions of RCW 9A.44.130 related to sex offenders enrolled in institutions of higher education and RCW 4.24.550. This section applies only to conditionally released persons whose court approved treatment plan includes permission or a requirement for the person to obtain education or employment and to employment positions or educational programs that meet the requirements of the court-approved treatment plan.

NEW SECTION. Sec. 205. On or before December 1, 2002, the department of social and health services shall submit a report to the appropriate committees of the legislature regarding policies for the subsequent placement of sexually violent predators on court-ordered conditional release residing in the secure community transition facility established pursuant to section 201 of this act. The report shall address the following:

(1) The anticipated number of persons who may be eligible for conditional release to a setting less restrictive than the facility established pursuant to section 201 of this act during the 2003-2005 and 2005-2007 biennia;

(2) The anticipated need, if any, for secure community transition facilities smaller than the facility established pursuant to section 201 of this act;

(3) Policies that will be implemented to ensure that placement of persons eligible in the future for conditional release to a setting less restrictive than the facility established pursuant to section 201 of this act will be equitably distributed among the counties, and within each county, among jurisdictions in the county.

NEW SECTION. Sec. 206. A new section is added to chapter 71.09 RCW to read as follows:

(1) The department shall make reasonable efforts to distribute the impact of the employment, education, and social services needs of the residents of the secure community transition facility established pursuant to section 201 of this act among the adjoining counties and not to concentrate the residents' use of resources in any one community.

(2) The department shall provide the sheriff of a county in which a resident of the secure community transition facility established pursuant to section 201 of this act is regularly participating in employment, education, or social services, or through which such a person is regularly transported with a copy of the court's order of conditional release.

NEW SECTION. Sec. 207. The department of social and health services shall, by August 1, 2001, and prior to operating the secure community transition facility established pursuant to section 201 of this act, hold at least three public hearings in the affected communities within the county where the facility is located.

The purpose of the public hearings is to seek input from county and city officials, local law enforcement officials, and the public regarding operations and security measures needed to adequately protect the community from any increased risk to public safety brought about by the presence of persons conditionally released from the special commitment center in these communities due to the siting of the facility. The department shall ensure that persons have a full opportunity to speak to the issues to be addressed during each hearing.

NEW SECTION. Sec. 208. A new section is added to chapter 71.09 RCW to read as follows:

To the greatest extent possible, persons who were not residents of the county in which both the special commitment center and the secure community transition facility established pursuant to section 201 of this act are located prior to the conviction for which they were incarcerated at the time the petition for civil commitment was filed may not be released to that county.

NEW SECTION. Sec. 209. A new section is added to chapter 71.09 RCW to read as follows:

When considering whether a person civilly committed under this chapter and conditionally released to the secure community transition facility established pursuant to section 201 of this act is appropriate for release to a placement that is less restrictive than the facility established pursuant to section 201 of this act, the court shall consider whether the person has progressed in treatment to the point that a significant change in the person's routine, including but not limited to a change of employment, education, residence, or sex offender treatment provider will not cause the person to regress to the point that the person presents a greater risk to the community than can reasonably be addressed in the proposed placement.

Sec. 210. RCW 36.70A.103 and 1991 sp.s. c 32 s 4 are each amended to read as follows:

State agencies shall comply with the local comprehensive plans and development regulations and amendments thereto adopted pursuant to this chapter except as otherwise provided in sections 201 and 202 of this act.

NEW SECTION. Sec. 211. The secretary of social and health services shall coordinate with the secretary of corrections and the appropriate local or state law enforcement agency or agencies to establish a twenty-four-hour law enforcement presence on McNeil Island before any person is admitted to the secure community transition facility established under section 201 of this act. Law enforcement shall coordinate with the emergency response team for McNeil Island to provide planning and coordination in the event of an escape from the special commitment center or the secure community transition facility.

In addition, or if no law enforcement agency will provide a law enforcement presence on the island, not more than ten correctional employees, as selected by the secretary of corrections, who are members of the emergency response team for the McNeil Island correctional facility, shall have the powers and duties of a general authority peace officer while acting in a law enforcement capacity. If there is no law enforcement agency to provide the law enforcement presence, those correctional employees selected as peace officers shall provide a twenty-four-hour presence and shall not have correctional duties at the correctional facility in addition to the emergency response team while acting in a law enforcement capacity.

NEW SECTION. Sec. 212. A new section is added to chapter 71.09 RCW to read as follows:

NEW SECTION. Sec. 213. A new section is added to chapter 71.09 RCW to read as follows:

The secure community transition facility established pursuant to section 201 of this act shall meet the following minimum staffing requirements:

(1) At any time the census of the facility is six or fewer residents, a minimum staffing ratio of one staff per resident during normal waking hours and two awake staff per three residents during normal sleeping hours.

(2) By December 1, 2001, the department will provide a staffing plan to the appropriate committees of the legislature that will cover the growth of the facility to its full capacity.

(3) At any time the census of any secure community transition facility is six or fewer residents, all staff shall be classified as residential rehabilitation counselor II or have a classification that indicates a higher level of skill, experience, and training. Before being assigned to a secure community transition facility all staff shall have training in sex offender issues, self-defense, and crisis de-escalation skills in addition to departmental orientation and, as appropriate management training. All staff with resident treatment or care duties must participate in ongoing in-service training.

(4) All staff must pass a departmental background check and the check is not subject to the limitations in chapter 9.96A RCW.

NEW SECTION. Sec. 214. A new section is added to chapter 71.09 RCW to read as follows:

(1) By July 1, 2001, the department must provide the appropriate committees of the legislature with a transportation plan to address the issues of coordinating the movement of residents of the secure community transition facility established pursuant to section 201 of this act between McNeil Island and the mainland with the movement of others who must use the same docks or equipment within the funds appropriated for this purpose.

(2) If the department does not provide a separate vessel for transporting residents of the secure community transition facility established in section 201 of this act between McNeil Island and the mainland, the plan shall include at least the following components:

(a) The residents shall be separated from minors and vulnerable adults, except vulnerable adults who have been found to be sexually violent predators.

(b) The residents shall not be transported during times when children are normally coming to and from the mainland for school.

(3) The department shall designate a separate waiting area at the points of debarkation, and residents shall be required to remain in this area while awaiting transportation.

NEW SECTION. Sec. 215. A new section is added to chapter 71.09 RCW to read as follows:

(1) The secretary shall develop a process with local governments that allows each community in which a secure community transition facility is located to establish operational advisory boards of at least seven persons for the secure community transition facilities. The department may conduct community awareness activities to publicize this opportunity. The operational advisory boards developed under this section shall be implemented following the decision to locate a secure community transition facility in a particular community.

(2) The operational advisory boards may review and make recommendations regarding the security and operations of the secure community transition facility and conditions or modifications necessary with relation to any person who the secretary proposes to place in the secure community transition facility.

(3) The facility management must consider the recommendations of the community advisory boards. Where the facility management does not implement an operational advisory board recommendation, the management must provide a written response to the operational advisory board stating its reasons for its decision not to implement the recommendation.

(4) The operational advisory boards, their members, and any agency represented by a member shall not be liable in any cause of action as a result of its recommendations unless the advisory board acts with gross negligence or bad faith in making a recommendation.

NEW SECTION. Sec. 216. A new section is added to chapter 71.09 RCW to read as follows:

(1) The secretary shall adopt a violation reporting policy for persons conditionally released to less restrictive alternative placements. The policy shall require written documentation by the department and service providers of all violations of conditions set by the department, the department of corrections, or the court and establish criteria for returning a violator to the special commitment center or a secure community transition facility with a higher degree of security. Any conditionally released person who commits a serious violation of conditions shall be returned to the special commitment center, unless arrested by a law enforcement officer, and the court shall be notified immediately and shall initiate proceedings under RCW 71.09.098 to revoke or modify the less restrictive alternative placement. Nothing in this section limits the authority of the department to return a person to the special commitment center based on a violation that is not a serious violation as defined in this section. For the purposes of this section, "serious violation" includes but is not limited to:

(a) The commission of any criminal offense;

(b) Any unlawful use or possession of a controlled substance; and

(c) Any violation of conditions targeted to address the person's documented pattern of offense that increases the risk to public safety.

When a person is conditionally released to a less restrictive alternative under this chapter and is under the supervision of the department of corrections, notice of any violation of the person's conditions of release must also be made to the department of corrections.

(2) Whenever the secretary contracts with a service provider to operate a secure community transition facility, the contract shall include a requirement that the service provider must report to the department of social and health services any known violation of conditions committed by any resident of the secure community transition facility.

(3) The secretary shall document in writing all violations, penalties, actions by the department of social and health services to remove persons from a secure community transition facility, and contract terminations. The secretary shall give great weight to a service provider's record of violations, penalties, actions by the department of social and health services or the department of corrections to remove persons from a secure community transition facility, and contract terminations in determining whether to execute, renew, or renegotiate a contract with a service provider.

NEW SECTION. Sec. 217. A new section is added to chapter 71.09 RCW to read as follows:

NEW SECTION. Sec. 218. A new section is added to chapter 71.09 RCW to read as follows:

(1) Unless otherwise ordered by the court:

(a) Residents of a secure community transition facility must wear electronic monitoring devices at all times. To the extent that electronic monitoring devices that employ global positioning system technology are available and funds for this purpose are appropriated by the legislature, the department shall use these devices; and

(b) At least one staff member, or other court-authorized and department-approved person must escort each resident when the resident leaves the secure community transition facility for appointments, employment, or other approved activities. Escorting persons must supervise the resident closely and maintain close proximity to the resident.

(2) Staff members of the special commitment center and any other total confinement facility and any secure community transition facility must be trained in self-defense and appropriate crisis responses including incident de-escalation. Prior to escorting a person outside of a facility, staff members must also have training in the offense pattern of the offender they are escorting.

(3) Any escort must carry a cellular telephone or a similar device at all times when escorting a resident of a secure community transition facility.

(4) The department shall require training in offender pattern, self-defense, and incident response for all court-authorized escorts who are not employed by the department or the department of corrections.

NEW SECTION. Sec. 219. A new section is added to chapter 71.09 RCW to read as follows:

A conditional release from a total confinement facility to a less restrictive alternative is a release that subjects the conditionally released person to the registration requirements specified in RCW 9A.44.130 and to community notification under RCW 4.24.550.

When a person is conditionally released to the secure community transition facility established pursuant to section 201 of this act, the sheriff must provide each household on McNeil Island with the community notification information provided for under RCW 4.24.550.

NEW SECTION. Sec. 220. (1) A joint select committee on the equitable distribution of secure community transition facilities is established.

(2) The task force shall consist of the following persons:

(a) One member from each of the two largest caucuses of the senate, appointed by the president of the senate, at least one member being a member of the senate human services and corrections committee;

(c) One member from the department of social and health services;

(4) The joint select committee shall review and develop recommendations for the equitable distribution of secure community transition facilities, as defined in RCW 71.09.020, among counties, and among jurisdictions within counties. The joint select committee shall also review and make recommendations for any necessary revisions to the criteria for secure community transition facilities.

(5) The joint select committee shall present a report of its findings and recommendations to the governor and the appropriate committees of the legislature, including any proposed legislation, not later than November 15, 2001.

(6) The task force may, where feasible, consult with individuals from the public and private sector in carrying out its duties under this section.

(7) Nonlegislative members of the task force shall serve without compensation, but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060. Legislative members of the task force shall be reimbursed for travel expenses as provided in RCW 44.04.120.

(8) Staff of senate committee services and the office of program research of the house of representatives shall provide support to the task force.

(9) This section expires March 1, 2002.

NEW SECTION. Sec. 221. A new section is added to chapter 71.09 RCW to read as follows:

(1) Except with respect to the secure community transition facility established pursuant to section 201 of this act, the secretary shall adopt rules that balance the average response time of emergency services to the general area of a proposed secure community transition facility against the proximity of the proposed site to risk potential activities and facilities in existence at the time the site is listed for consideration.

(2) In balancing the competing criteria of proximity and response time the rule shall endeavor to achieve an average law enforcement response time not greater than five minutes and in no case shall the rule permit location of a facility adjacent to, immediately across a street or parking lot from, or within the line of sight of a risk potential activity or facility in existence at the time a site is listed for consideration. "Within the line of sight" means that it is possible to reasonably visually distinguish and recognize individuals.

(3) The rule shall require that great weight be given to sites that are the farthest removed from any risk potential activity.

(4) The rule shall specify how distance from the location is measured and any variations in the measurement based on the size of the property within which a proposed facility is to be located.

(5) The rule shall establish a method to analyze and compare the criteria for each site in terms of public safety and security, site characteristics, and program components. In making a decision regarding a site following the analysis and comparison, the secretary shall give priority to public safety and security considerations. The analysis and comparison of the criteria are to be documented and made available at the public hearings prescribed in section 225 of this act.

NEW SECTION. Sec. 222. By December 1, 2001, the secretary of the department of social and health services shall determine and report to the legislature whether there is a significant group of potential locations that are outside of a five-minute law enforcement response time zone that are more than two miles from any risk potential activities and whether, in the secretary's judgment, the legislature should require the rule to be revised to permit consideration of these properties.

NEW SECTION. Sec. 223. A new section is added to chapter 71.09 RCW to read as follows:

The secretary shall establish criteria for the siting of secure community transition facilities, other than the secure community transition facility established pursuant to section 201 of this act, which shall include at least the following minimum requirements:

(1) Any real property listed for consideration for the location of or use as a secure community transition facility must meet all of the following criteria:

- (a) The proximity and response time criteria established under section 221 of this act;
- (b) The site or building is available for lease for the anticipated use period or for purchase;
- (c) Security monitoring services and appropriate back-up systems are available and reliable;
- (d) Appropriate mental health and sex offender treatment providers must be available within a reasonable commute; and
- (e) Appropriate permitting for a secure community transition facility must be possible under the zoning code of the local jurisdiction.

(2) For sites which meet the criteria of subsection (1) of this section, the department shall analyze and compare the criteria in subsections (3) through (5) of this section using the method established in section 221 of this act.

(3) Public safety and security criteria shall include at least the following:

(a) Whether limited visibility between the facility and adjacent properties can be achieved prior to placement of any person;

(b) The distance from, and number of, risk potential activities and facilities, as measured using the rules adopted under section 221 of this act;

(c) The existence of or ability to establish barriers between the site and the risk potential facilities and activities;

(d) Suitability of the buildings to be used for the secure community transition facility with regard to existing or feasibly modified features; and

(e) The availability of electronic monitoring that allows a resident's location to be determined with specificity.

(4) Site characteristics criteria shall include at least the following:

(a) Reasonableness of rental, lease, or sale terms including length and renewability of a lease or rental agreement;

(b) Traffic and access patterns associated with the real property;

(c) Feasibility of complying with zoning requirements within the necessary time frame; and

(d) A contractor or contractors are available to install, monitor, and repair the necessary security and alarm systems.

(5) Program characteristics criteria shall include at least the following:

(a) Reasonable proximity to available medical, mental health, sex offender, and chemical dependency treatment providers and facilities;

(b) Suitability of the location for programming, staffing, and support considerations;

(c) Proximity to employment, educational, vocational, and other treatment plan components; and

(6) For purposes of this section "available" or "availability" of qualified treatment providers includes provider qualifications and willingness to provide services, average commute time, and cost of services.

NEW SECTION. Sec. 224. A new section is added to chapter 71.09 RCW to read as follows:

Security systems for secure community transition facilities designed to house five or fewer residents shall meet the following minimum qualifications:

(1)(a) The security panel must be a commercial grade panel with tamper-proof switches and a key-lock to prevent unauthorized access.

(b) There must be an emergency electrical supply system which shall include a battery back-up system and a generator.

(2) The system must include personal panic devices for all staff.

(3) The security system must be capable of being monitored and signaled either by telephone through either a land or cellular telephone system or by private radio network in the event of a total dial-tone failure or through equivalent technologies.

(4) The department shall issue photo-identification badges to all staff which must be worn at all times.

NEW SECTION. Sec. 225. A new section is added to chapter 71.09 RCW to read as follows:

(1) Whenever the department operates, or the secretary enters into a contract to operate, a secure community transition facility except the secure community transition facility established pursuant to section 201 of this act, the secure community transition facility may be operated only after the public notification and opportunities for review and comment as required by this section.

(2) The secretary shall establish a process for early and continuous public participation in establishing or relocating secure community transition facilities. The process shall include, at a minimum, public meetings in the local communities affected, as well as opportunities for written and oral comments, in the following manner:

(a) If there are more than three sites initially selected as potential locations and the selection process by the secretary or a service provider reduces the number of possible sites for a secure community transition facility to no fewer than three, the secretary or the chief operating officer of the service provider shall notify the public of the possible siting and hold at least two public hearings in each community where a secure community transition facility may be sited.

(b) When the secretary or service provider has determined the secure community transition facility's location, the secretary or the chief operating officer of the service provider shall hold at least one additional public hearing in the community where the secure community transition facility will be sited.

(c) When the secretary has entered negotiations with a service provider and only one site is under consideration, then at least two public hearings shall be held.

(d) To provide adequate notice of, and opportunity for interested persons to comment on, a proposed location, the secretary or the chief operating officer of the service provider shall provide at least fourteen days' advance notice of the meeting to all newspapers of general circulation in the community, all radio and television stations generally available to persons in the community, any school district in which the secure community transition facility would be sited or whose boundary is within two miles of a proposed secure community transition facility, any library district in which the secure community transition facility would be

sited, local business or fraternal organizations that request notification from the secretary or agency, and any person or property owner within a one-half mile radius of the proposed secure community transition facility. Before initiating this process, the department of social and health services shall contact local government planning agencies in the communities containing the proposed secure community transition facility. The department of social and health services shall coordinate with local government agencies to ensure that opportunities are provided for effective citizen input and to reduce the duplication of notice and meetings.

(3) This section applies only to secure community transition facilities sited after the effective date of this section.

NEW SECTION. Sec. 226. A new section is added to chapter 36.70A RCW to read as follows:

(1) The department of social and health services shall prepare a projected list of counties in which secure community transition facilities will need to be sited over the next six years and transmit that to the office of financial management for inclusion on the list of projected essential public facilities kept under RCW 36.70A.200. In preparing the list the department must give great weight to the equitable distribution criteria established by the joint select committee under section 220 of this act.

(2) When a county is notified by the department of social and health services of the projected need to site secure community transition facilities, the county shall review and shall, if necessary, take action to revise the countywide planning policies adopted under RCW 36.70A.210 to address the siting of such facilities. The county must include all cities in such review and must solicit the participation of the department of social and health services regarding policies, statutes, and rules applicable to the siting of secure community transition facilities.

(3) Each county and city identified in the countywide planning policies developed under subsection (2) of this section for projected siting of secure community transition facilities within such county or city shall make any necessary revisions to its comprehensive plan and development regulations. The provisions of the comprehensive plan and development regulations shall be consistent with the policies, statutes, and rules applicable to the siting of secure community transition facilities. Any amendments may be combined with the next scheduled adoption of revisions, but in any event not later than the date provided for comprehensive review and revision of plans pursuant to RCW 36.70A.130(1).

(4) Nothing in this section precludes a local government from requiring that a special use or a conditional use permit be obtained to site a secure community transition facility that does not comply with its comprehensive plan and development regulations, provided that the comprehensive plan and development regulations are consistent with this section. The local government shall establish timelines for processing any required permits that are no longer than those established for other comparable project permits under RCW 36.70B.080.

Sec. 227. RCW 36.70A.200 and 1998 c 171 s 3 are each amended to read as follows:

(1) The comprehensive plan of each county and city that is planning under this chapter shall include a process for identifying and siting essential public facilities. Essential public facilities include those facilities that are typically difficult to site, such as airports, state education facilities and state or regional transportation facilities as defined in RCW 47.06.140, state and local correctional facilities, solid waste handling facilities, and in-patient facilities including substance abuse facilities, mental health facilities, ~~(and) group homes, and secure community transition facilities as defined in RCW 71.09.020.~~

(2) The office of financial management shall maintain a list of those essential state public facilities that are required or likely to be built within the next six years. The office of financial management may at any time add facilities to the list. No local comprehensive plan or development regulation may preclude the siting of essential public facilities.

NEW SECTION. Sec. 228. A new section is added to chapter 71.09 RCW to read as follows:

Nothing in this act shall operate to restrict a court's authority to make less restrictive alternative placements to a committed person's individual residence or to a setting less restrictive than the secure community transition facility established pursuant to section 201 of this act. A court-ordered less restrictive alternative placement to a committed person's individual residence is not a less restrictive alternative placement to a secure community transition facility.

PART III SENTENCING STRUCTURE

Sec. 301. RCW 9.94A.030 and 2000 c 28 s 2 are each amended to read as follows:

~~(2)~~ **"Collect,"** or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.145, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

~~((5))~~ ~~(6)~~ **"Community custody range"** means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.040, for crimes committed on or after July 1, 2000.

~~((6))~~ ~~(7)~~ **"Community placement"** means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision)

or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

~~((7))~~ (8) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

~~((8))~~ (9) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

~~((17))~~ (18) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(1) When a court sentences a person to the custody of the department for a sex offense not sentenced under section 303 of this act, a violent offense, any crime against persons under RCW 9.94A.440(2), or a felony offense under chapter 69.50 or 69.52 RCW, committed on or after July 1, 2000, the court shall in addition to the other terms of the sentence, sentence the offender to community custody for the community custody range established under RCW 9.94A.040 or up to the period of earned release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community custody shall begin: (a) Upon completion of the term of confinement; (b) at such time as the offender is transferred to community custody in lieu of earned release in accordance with RCW 9.94A.150 (1) and (2); or (c) with regard to offenders sentenced under RCW 9.94A.660, upon failure to complete or administrative termination from the special drug offender sentencing alternative program.

(2)(a) Unless a condition is waived by the court, the conditions of community custody shall include those provided for in RCW 9.94A.700(4). The conditions may also include those provided for in RCW 9.94A.700(5). The court may also order the offender to participate in rehabilitative programs or otherwise perform affirmative conduct reasonably related to the circumstances of the offense, the offender's risk of reoffending, or the safety of the community, and the department shall enforce such conditions pursuant to subsection (6) of this section.

(b) As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department under RCW 9.94A.720. The department shall assess the offender's risk of reoffense and may establish and modify additional conditions of the offender's community custody based upon the risk to community safety. In addition, the department may require the offender to participate in rehabilitative programs, or otherwise perform affirmative conduct, and to obey all laws.

(c) The department may not impose conditions that are contrary to those ordered by the court and may not contravene or decrease court imposed conditions. The department shall notify the offender in writing of any such conditions or modifications. In setting, modifying, and enforcing conditions of community custody, the department shall be deemed to be performing a quasi-judicial function.

(3) If an offender violates conditions imposed by the court or the department pursuant to this section during community custody, the department may transfer the offender to a more restrictive confinement status and impose other available sanctions as provided in RCW 9.94A.205 and 9.94A.207.

(4) Except for terms of community custody under RCW 9.94A.670, the department shall discharge the offender from community custody on a date determined by the department, which the department may modify, based on risk and performance of the offender, within the range or at the end of the period of earned release, whichever is later.

If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.195 and may be punishable as contempt of court as provided for in RCW 7.21.040. If the court extends a condition beyond the expiration of the term of community custody, the department is not responsible for supervision of the offender's compliance with the condition.

(6) Within the funds available for community custody, the department shall determine conditions and duration of community custody on the basis of risk to community safety, and shall supervise offenders during community custody on the basis of risk to community safety and conditions imposed by the court. The secretary shall adopt rules to implement the provisions of this subsection.

(7) By the close of the next business day after receiving notice of a condition imposed or modified by the department, an offender may request an administrative review under rules adopted by the department. The condition shall remain in effect unless the reviewing officer finds that it is not reasonably related to any of the following: (a) The crime of conviction; (b) the offender's risk of reoffending; or (c) the safety of the community.

(ii) Has a prior conviction for an offense listed in RCW 9.94A.030(32)(b), and is convicted of any sex offense, which the trier of fact finds was predatory and which was committed after the effective date of this section.

(b) An offender convicted of rape of a child in the first or second degree who was seventeen years of age or younger at the time of the offense shall not be sentenced under this section unless the trier of fact finds that the offense was predatory or committed using forcible compulsion.

For purposes of (a)(ii) of this subsection, failure to register is not a sex offense.

(2) Upon a finding that the offender is subject to sentencing under this section, the court shall impose a sentence to a maximum term consisting of the statutory maximum sentence for the offense and a minimum term either within the standard sentence range for the offense, or outside the standard sentence range pursuant to RCW 9.94A.390, if the offender is otherwise eligible for such a sentence.

(3) A person sentenced under subsection (2) of this section shall serve the sentence in a facility or institution operated, or utilized under contract, by the state.

(4) When a court sentences a person to the custody of the department under this section, the court shall, in addition to the other terms of the sentence, sentence the offender to community custody under the supervision of the department and the authority of the board for any period of time the person is released from total confinement before the expiration of the maximum sentence.

The conditions may also include those provided for in RCW 9.94A.700(5). The court may also order the offender to participate in rehabilitative programs or otherwise perform affirmative conduct reasonably related to the circumstances of the offense, the offender's risk of reoffending, or the safety of the community, and the department and the board shall enforce such conditions pursuant to sections 305, 308, and 309 of this act.

(b) As part of any sentence under this section, the court shall also require the offender to comply with any conditions imposed by the board under sections 305 and 307 through 310 of this act.

NEW SECTION. Sec. 304. A new section is added to chapter 9.94A RCW to read as follows:

(1)(a) The prosecuting attorney shall file a special allegation that the offense was predatory in every criminal case in which a defendant is charged with rape of a child in the first or second degree and the defendant is seventeen years of age or younger, and in every criminal case in which a defendant is charged with any sex offense when the offender has a prior conviction for an offense listed in RCW 9.94A.030(32)(b), when sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify a finding that the offense was predatory by a reasonable and objective fact-finder.

(b) The prosecuting attorney may file a special allegation that the offense was committed by forcible compulsion in every criminal case in which a defendant is charged with rape of a child in the first or second degree and the defendant is seventeen years of age or younger, when sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify a finding that the offense was committed by forcible compulsion by a reasonable and objective fact-finder.

(2) In a criminal case wherein a special allegation has been filed pursuant to this section, the state shall prove beyond a reasonable doubt that the offense was predatory or was committed by forcible compulsion. The court shall make a finding of fact of whether or not an offense was predatory or was committed by forcible compulsion, or if a jury trial is had, the jury shall, if it finds the defendant guilty, also find a special verdict as to whether or not the offense was predatory or was committed by forcible compulsion.

(3) The prosecuting attorney shall not withdraw the special allegation that an offense was predatory due to court congestion or lack of prosecutorial resources. The prosecuting attorney may, with the consent of the court, withdraw the special allegation if the circumstances of the offense do not warrant lifetime parole or in the interest of justice.

NEW SECTION. Sec. 305. A new section is added to chapter 9.94A RCW to read as follows:

(1) When an offender is sentenced under section 303 of this act, the department shall assess the offender's risk of recidivism and shall recommend to the board any additional or modified conditions of the offender's community custody based upon the risk to community safety. In addition, the department shall make a recommendation with regard to, and the board may require the offender to participate in, rehabilitative programs, or otherwise perform affirmative conduct, and obey all laws. The board must consider and may impose department-recommended conditions.

(2) The department may not recommend and the board may not impose conditions that are contrary to those ordered by the court and may not contravene or decrease court-imposed conditions. The board shall notify the offender in writing of any such conditions or modifications.

(3) In setting, modifying, and enforcing conditions of community custody, the department shall be deemed to be performing a quasi-judicial function.

(4) If an offender violates conditions imposed by the court, the department, or the board during community custody, the board or the department may transfer the offender to a more restrictive confinement status and impose other available sanctions as provided in section 310 of this act.

(5) By the close of the next business day, after receiving notice of a condition imposed by the board or the department, an offender may request an administrative hearing under rules adopted by the board. The condition shall remain in effect unless the hearing examiner finds that it is not reasonably related to any of the following:

- (a) The crime of conviction;
- (b) The offender's risk of reoffending; or
- (c) The safety of the community.

(6) An offender released by the board under section 307 of this act shall be subject to the supervision of the department until the expiration of the maximum term of the sentence. The department shall monitor the offender's compliance with conditions of community custody imposed by the court, department, or board, and promptly report any violations to the board. Any violation of conditions of community custody established or modified by the board shall be subject to the provisions of sections 308 through 311 of this act.

(7) If the department finds that an emergency exists requiring the immediate imposition of conditions of release in addition to those set by the board under section 307 of this act and subsection (1) of this section in order to prevent the offender from committing a crime, the department may impose additional conditions. The department may not impose conditions that are contrary to those set by the board or the court and may not contravene or decrease court-imposed or board-imposed conditions. Conditions

imposed under this subsection shall take effect immediately after notice to the offender by personal service, but shall not remain in effect longer than seven working days unless approved by the board under subsection (1) of this section within seven working days.

(b) The board may contract for an additional, independent examination, subject to the standards in this section.

(2) The board shall impose the conditions and instructions provided for in RCW 9.94A.720. The board shall consider the department's recommendations and may impose conditions in addition to those recommended by the department. The board may impose or modify conditions of community custody following notice to the offender.

(3) No later than ninety days before expiration of the minimum term, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender. The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term, not to exceed an additional two years.

NEW SECTION. Sec. 308. A new section is added to chapter 9.95 RCW to read as follows:

(1) Whenever the board or a community corrections officer of this state has reason to believe an offender released under section 307 of this act has violated a condition of community custody or the laws of this state, any community corrections officer may arrest or cause the arrest and detention of the offender pending a determination by the board whether sanctions should be imposed or the offender's community custody should be revoked. The community corrections officer shall report all facts and circumstances surrounding the alleged violation to the board, with recommendations.

(2) If the board or the department causes the arrest or detention of an offender for a violation that does not amount to a new crime and the offender is arrested or detained by local law enforcement or in a local jail, the board or department, whichever caused the arrest or detention, shall be financially responsible for local costs. Jail bed costs shall be allocated at the rate established under RCW 9.94A.207(3).

Any offender released under section 307 of this act who is arrested and detained in physical custody by the authority of a community corrections officer, or upon the written order of the board, shall not be released from custody on bail or personal recognizance, except upon approval of the board and the issuance by the board of an order reinstating the offender's release on the same or modified conditions. All chiefs of police, marshals of cities and towns, sheriffs of counties, and all police, prison, and peace officers and constables shall execute any such order in the same manner as any ordinary criminal process.

The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The board shall develop hearing procedures and a structure of graduated sanctions consistent with the hearing procedures and graduated sanctions developed pursuant to RCW 9.94A.205. The board may suspend the offender's release to community custody and confine the offender in a correctional institution owned, operated by, or operated under contract with the state prior to the hearing unless the offender has been arrested and confined for a new criminal offense.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

The notice shall include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision of the board;

For offenders in total confinement, the hearing shall be held within five working days, but not less than twenty-four hours after notice of the violation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing examiner if the offender has a language or communications barrier; (iii)

testify or remain silent; (iv) call witnesses and present documentary evidence; (v) question witnesses who appear and testify; and (vi) be represented by counsel if revocation of the release to community custody is a possible sanction for the violation; and

(e) The sanction shall take effect if affirmed by the hearing examiner. Within seven days after the hearing examiner's decision, the offender may appeal the decision to a panel of three reviewing examiners designated by the chair of the board or by the chair's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (i) The crime of conviction; (ii) the violation committed; (iii) the offender's risk of reoffending; or (iv) the safety of the community.

(5) For purposes of this section, no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations.

NEW SECTION. Sec. 311. A new section is added to chapter 9.95 RCW to read as follows:

In the event the board suspends release status of an offender released under section 307 of this act by reason of an alleged violation of a condition of release, or pending disposition of a new criminal charge, the board may nullify the suspension order and reinstate release under previous conditions or any new conditions the board determines advisable. Before the board may nullify a suspension order and reinstate release, it shall determine that the best interests of society and the offender shall be served by such reinstatement rather than return to confinement.

Sec. 312. RCW 9.94A.060 and 1996 c 232 s 3 are each amended to read as follows:

(1) The commission consists of twenty voting members, one of whom the governor shall designate as chairperson. With the exception of ex officio voting members, the voting members of the commission shall be appointed by the governor, subject to confirmation by the senate.

(2) The voting membership consists of the following:

(a) The head of the state agency having general responsibility for adult correction programs, as an ex officio member;

(b) The director of financial management or designee, as an ex officio member;

(c) ~~((Until the indeterminate sentence review board ceases to exist pursuant to RCW 9.95.0011,))~~ The chair of the indeterminate sentence review board, as an ex officio member;

(d) The head of the state agency, or the agency head's designee, having responsibility for juvenile corrections programs, as an ex officio member;

(i) Four members of the public who are not prosecutors, defense attorneys, judges, or law enforcement officers, one of whom is a victim of crime or a crime victims' advocate;

(j) One person who is an elected official of a county government, other than a prosecuting attorney or sheriff;

(k) One person who is an elected official of a city government;

(l) One person who is an administrator of juvenile court services.

In making the appointments, the governor shall endeavor to assure that the commission membership includes adequate representation and expertise relating to both the adult criminal justice system and the juvenile justice system. In making the appointments, the governor shall seek the recommendations of Washington prosecutors in respect to the prosecuting attorney members, of the Washington state bar association in respect to the defense attorney members, of the association of superior court judges in respect to the members who are judges, of the Washington association of sheriffs and police chiefs in respect to the member who is a law enforcement officer, of the Washington state association of counties in respect to the member who is a county official, of the association of Washington cities in respect to the member who is a city official, of the office of crime victims advocacy and other organizations of crime victims in respect to the member who is a victim of crime or a crime victims' advocate, and of the Washington association of juvenile court administrators in respect to the member who is an administrator of juvenile court services.

(3)(a) All voting members of the commission, except ex officio voting members, shall serve terms of three years and until their successors are appointed and confirmed.

(b) The governor shall stagger the terms of the members appointed under subsection (2)(j), (k), and (l) of this section by appointing one of them for a term of one year, one for a term of two years, and one for a term of three years.

(4) The speaker of the house of representatives and the president of the senate may each appoint two nonvoting members to the commission, one from each of the two largest caucuses in each house. The members so appointed shall serve two-year terms, or until they cease to be members of the house from which they were appointed, whichever occurs first.

(5) The members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060. Legislative members shall be reimbursed by their respective houses as provided under RCW 44.04.120 ~~((, as now existing or hereafter amended))~~. Members shall be compensated in accordance with RCW 43.03.250.

Sec. 313. RCW 9.94A.120 and 2001 c 10 s 2 are each amended to read as follows:

(1) When a person is convicted of a felony, the court shall impose punishment as provided in this chapter.

(2)(a) The court shall impose a sentence as provided in the following sections and as applicable in the case:

(i) Unless another term of confinement applies, the court shall impose a sentence within the standard sentence range established in RCW 9.94A.310;

(ii) RCW 9.94A.700 and 9.94A.705, relating to community placement;

(iii) RCW 9.94A.710 and 9.94A.715, relating to community custody;

(iv) RCW 9.94A.383, relating to community custody for offenders whose term of confinement is one year or less;

(v) RCW 9.94A.560, relating to persistent offenders;

(vi) RCW 9.94A.590, relating to mandatory minimum terms;

(vii) RCW 9.94A.650, relating to the first-time offender waiver;

(viii) RCW 9.94A.660, relating to the drug offender sentencing alternative;

(ix) RCW 9.94A.670, relating to the special sex offender sentencing alternative;

(x) Section 303 of this act, relating to certain sex offenses;

(xi) RCW 9.94A.390, relating to exceptional sentences;

~~((xii))~~ (xii) RCW 9.94A.400, relating to consecutive and concurrent sentences.

(b) If a standard sentence range has not been established for the offender's crime, the court shall impose a determinate sentence which may include not more than one year of confinement; community service work; until July 1, 2000, a term of community supervision not to exceed one year and on and after July 1, 2000, a term of community custody not to exceed one year, subject to conditions and sanctions as authorized in RCW 9.94A.710 (2) and (3); and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.390.

(3) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(4) If a sentence imposed includes payment of a legal financial obligation, it shall be imposed as provided in RCW 9.94A.140, 9.94A.142, and 9.94A.145.

(5) Except as provided under RCW 9.94A.140(4) and 9.94A.142(4), a court may not impose a sentence providing for a term of confinement or community supervision, community placement, or community custody which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(6) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(7) The court shall order restitution as provided in RCW 9.94A.140 and 9.94A.142.

(8) As a part of any sentence, the court may impose and enforce crime-related prohibitions and affirmative conditions as provided in this chapter.

(9) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.

(10) In any sentence of partial confinement, the court may require the offender to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(11) In sentencing an offender convicted of a crime of domestic violence, as defined in RCW 10.99.020, if the offender has a minor child, or if the victim of the offense for which the offender was convicted has a minor child, the court may, as part of any term of community supervision, community placement, or community custody, order the offender to participate in a domestic violence perpetrator program approved under RCW 26.50.150.

Sec. 314. RCW 9.94A.190 and 2000 c 28 s 4 are each amended to read as follows:

(1) A sentence that includes a term or terms of confinement totaling more than one year shall be served in a facility or institution operated, or utilized under contract, by the state. Except as provided in subsection (3) or (5) of this section, a sentence of not more than one year of confinement shall be served in a facility operated, licensed, or utilized under contract, by the county, or if home detention or work crew has been ordered by the court, in the residence of either the offender or a member of the offender's immediate family.

(2) If a county uses a state partial confinement facility for the partial confinement of a person sentenced to confinement for not more than one year, the county shall reimburse the state for the use of the facility as provided in this subsection. The office of financial management shall set the rate of reimbursement based upon the average per diem cost per offender in the facility. The office of financial management shall determine to what extent, if any, reimbursement shall be reduced or eliminated because of funds provided by the legislature to the department for the purpose of covering the cost of county use of state partial confinement facilities. The office of financial management shall reestablish reimbursement rates each even-numbered year.

(3) A person who is sentenced for a felony to a term of not more than one year, and who is committed or returned to incarceration in a state facility on another felony conviction, either under the indeterminate sentencing laws, chapter 9.95 RCW, or under this chapter shall serve all terms of confinement, including a sentence of not more than one year, in a facility or institution operated, or utilized under contract, by the state, consistent with the provisions of RCW 9.94A.400.

(4) Notwithstanding any other provision of this section, a sentence imposed pursuant to RCW 9.94A.660 which has a standard sentence range of over one year, regardless of length, shall be served in a facility or institution operated, or utilized under contract, by the state.

(5) Sentences imposed pursuant to section 303 of this act shall be served in a facility or institution operated, or utilized under contract, by the state.

Sec. 315. RCW 9.94A.390 and 2000 c 28 s 8 are each amended to read as follows:

The court may impose a sentence outside the standard sentence range for an offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence. Whenever a sentence outside the standard sentence range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard sentence range shall be a determinate sentence unless it is imposed on an offender sentenced under section 303 of this act. An exceptional sentence imposed on an offender sentenced under section 303 of this act shall be to a minimum term set by the court and a maximum term equal to the statutory maximum sentence for the offense of conviction under chapter 9A.20 RCW.

If the sentencing court finds that an exceptional sentence outside the standard sentence range should be imposed, the sentence is subject to review only as provided for in RCW 9.94A.210(4).

A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in this section, and may be appealed by the offender or the state as set forth in RCW 9.94A.210 (2) through (6).

The following are illustrative factors which the court may consider in the exercise of its discretion to impose an exceptional sentence. The following are illustrative only and are not intended to be exclusive reasons for exceptional sentences.

(1) Mitigating Circumstances

(a) To a significant degree, the victim was an initiator, willing participant, aggressor, or provoker of the incident.

(b) Before detection, the defendant compensated, or made a good faith effort to compensate, the victim of the criminal conduct for any damage or injury sustained.

(c) The defendant committed the crime under duress, coercion, threat, or compulsion insufficient to constitute a complete defense but which significantly affected his or her conduct.

(d) The defendant, with no apparent predisposition to do so, was induced by others to participate in the crime.

(e) The defendant's capacity to appreciate the wrongfulness of his or her conduct, or to conform his or her conduct to the requirements of the law, was significantly impaired. Voluntary use of drugs or alcohol is excluded.

(f) The offense was principally accomplished by another person and the defendant manifested extreme caution or sincere concern for the safety or well-being of the victim.

(g) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly excessive in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(h) The defendant or the defendant's children suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(2) Aggravating Circumstances

(a) The defendant's conduct during the commission of the current offense manifested deliberate cruelty to the victim.

(b) The defendant knew or should have known that the victim of the current offense was particularly vulnerable or incapable of resistance due to extreme youth, advanced age, disability, or ill health.

(c) The current offense was a violent offense, and the defendant knew that the victim of the current offense was pregnant.

(d) The current offense was a major economic offense or series of offenses, so identified by a consideration of any of the following factors:

(i) The current offense involved multiple victims or multiple incidents per victim;

(ii) The current offense involved attempted or actual monetary loss substantially greater than typical for the offense;

(iii) The current offense involved a high degree of sophistication or planning or occurred over a lengthy period of time; or

(iv) The defendant used his or her position of trust, confidence, or fiduciary responsibility to facilitate the commission of the current offense.

(e) The current offense was a major violation of the Uniform Controlled Substances Act, chapter 69.50 RCW (VUCSA), related to trafficking in controlled substances, which was more onerous than the typical offense of its statutory definition: The presence of ANY of the following may identify a current offense as a major VUCSA:

(i) The current offense involved at least three separate transactions in which controlled substances were sold, transferred, or possessed with intent to do so;

(ii) The current offense involved an attempted or actual sale or transfer of controlled substances in quantities substantially larger than for personal use;

(iii) The current offense involved the manufacture of controlled substances for use by other parties;

(iv) The circumstances of the current offense reveal the offender to have occupied a high position in the drug distribution hierarchy;

(v) The current offense involved a high degree of sophistication or planning, occurred over a lengthy period of time, or involved a broad geographic area of disbursement; or

(vi) The offender used his or her position or status to facilitate the commission of the current offense, including positions of trust, confidence or fiduciary responsibility (e.g., pharmacist, physician, or other medical professional).

(f) The current offense included a finding of sexual motivation pursuant to RCW 9.94A.127.

(g) The offense was part of an ongoing pattern of sexual abuse of the same victim under the age of eighteen years manifested by multiple incidents over a prolonged period of time.

(h) The current offense involved domestic violence, as defined in RCW 10.99.020, and one or more of the following was present:

(i) The offense was part of an ongoing pattern of psychological, physical, or sexual abuse of the victim manifested by multiple incidents over a prolonged period of time;

(ii) The offense occurred within sight or sound of the victim's or the offender's minor children under the age of eighteen years; or

(iii) The offender's conduct during the commission of the current offense manifested deliberate cruelty or intimidation of the victim.

(i) The operation of the multiple offense policy of RCW 9.94A.400 results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(j) The defendant's prior unscored misdemeanor or prior unscored foreign criminal history results in a presumptive sentence that is clearly too lenient in light of the purpose of this chapter, as expressed in RCW 9.94A.010.

(k) The offense resulted in the pregnancy of a child victim of rape.

(l) The defendant knew that the victim of the current offense was a youth who was not residing with a legal custodian and the defendant established or promoted the relationship for the primary purpose of victimization.

Sec. 316. RCW 9.94A.590 and 2000 c 28 s 7 are each amended to read as follows:

(1) The following minimum terms of total confinement are mandatory and shall not be varied or modified under RCW 9.94A.390:

(a) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years.

(b) An offender convicted of the crime of assault in the first degree or assault of a child in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years.

(c) An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years.

(d) An offender convicted of the crime of sexually violent predator escape shall be sentenced to a minimum term of total confinement not less than sixty months.

(2) During such minimum terms of total confinement, no offender subject to the provisions of this section is eligible for community custody, earned release time, furlough, home detention, partial confinement, work crew, work release, or any other form of early release authorized under RCW 9.94A.150, or any other form of authorized leave of absence from the correctional facility while not in the direct custody of a corrections officer. The provisions of this subsection shall not apply: (a) In the case of an offender in need of emergency medical treatment; (b) for the purpose of commitment to an inpatient treatment facility in the case of an offender convicted of the crime of rape in the first degree; or (c) for an extraordinary medical placement when authorized under RCW 9.94A.150(4).

NEW SECTION. Sec. 317. A new section is added to chapter 9.95 RCW to read as follows:

(1) "Board" means the indeterminate sentence review board.

(2) "Community custody" means that portion of an offender's sentence subject to controls including crime-related prohibitions and affirmative conditions from the court, the board, or the department of corrections based on risk to community safety, that is served under supervision in the community, and which may be modified or revoked for violations of release conditions.

(3) "Crime-related prohibition" has the meaning defined in RCW 9.94A.030.

(4) "Department" means the department of corrections.

(5) "Parole" means that portion of a person's sentence for a crime committed before July 1, 1984, served on conditional release in the community subject to board controls and revocation and under supervision of the department.

(6) "Secretary" means the secretary of the department of corrections or his or her designee.

Sec. 318. RCW 9.95.005 and 1986 c 224 s 4 are each amended to read as follows:

The board shall meet at ~~((the penitentiary and the reformatory))~~ major state correctional institutions at such times as may be necessary for a full and complete study of the cases of all convicted persons whose durations of confinement are to be determined by it ~~((or))~~; whose community custody supervision is under the board's authority; or whose applications for parole come before it. Other times and places of meetings may also be fixed by the board.

The superintendents of the different institutions shall provide suitable quarters for the board and assistants while in the discharge of their duties.

Sec. 319. RCW 9.95.010 and 1955 c 133 s 2 are each amended to read as follows:

When a person, whose crime was committed before July 1, 1984, is convicted of any felony, except treason, murder in the first degree, or carnal knowledge of a child under ten years, and a new trial is not granted, the court shall sentence such person to the penitentiary, or, if the law allows and the court sees fit to exercise such discretion, to the reformatory, and shall fix the maximum term of such person's sentence only.

The maximum term to be fixed by the court shall be the maximum provided by law for the crime of which such person was convicted, if the law provides for a maximum term. If the law does not provide a maximum term for the crime of which such person was convicted the court shall fix such maximum term, which may be for any number of years up to and including life imprisonment but in any case where the maximum term is fixed by the court it shall be fixed at not less than twenty years.

Sec. 320. RCW 9.95.011 and 1993 c 144 s 3 are each amended to read as follows:

(1) When the court commits a convicted person to the department of corrections on or after July 1, 1986, for an offense committed before July 1, 1984, the court shall, at the time of sentencing or revocation of probation, fix the minimum term. The term so fixed shall not exceed the maximum sentence provided by law for the offense of which the person is convicted.

The court shall attempt to set the minimum term reasonably consistent with the purposes, standards, and sentencing ranges adopted under RCW 9.94A.040, but the court is subject to the same limitations as those placed on the board under RCW 9.92.090, 9.95.040 (1) through (4), 9.95.115, 9A.32.040, 9A.44.045, and chapter 69.50 RCW. The court's minimum term decision is subject to review to the same extent as a minimum term decision by the parole board before July 1, 1986.

Thereafter, the expiration of the minimum term set by the court minus any time credits earned under RCW 9.95.070 and 9.95.110 constitutes the parole eligibility review date, at which time the board may consider the convicted person for parole under RCW 9.95.100 and 9.95.110 and chapter 72.04A RCW. Nothing in this section affects the board's authority to reduce or increase the minimum term, once set by the court, under RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, or 9.95.047.

(2) Not less than ninety days prior to the expiration of the minimum term of a person sentenced under section 303 of this act, for a sex offense committed on or after July 1, 2001, less any time credits permitted by statute, the board shall review the person for conditional release to community custody as provided in section 307 of this act. If the board does not release the person, it shall set a new minimum term not to exceed an additional two years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

Sec. 321. RCW 9.95.017 and 1986 c 224 s 11 are each amended to read as follows:

(1) The board shall cause to be prepared criteria for duration of confinement, release on parole, and length of parole for persons committed to prison for crimes committed before July 1, 1984.

The proposed criteria should take into consideration RCW 9.95.009(2). Before submission to the governor, the board shall solicit comments and review on their proposed criteria for parole release. These proposed criteria shall be submitted for consideration by the 1987 legislature.

(2) Persons committed to the department of corrections and who are under the authority of the board for crimes committed on or after July 1, 2001, are subject to the provisions for duration of confinement, release to community custody, and length of community custody established in sections 303 through 311 of this act.

Sec. 322. RCW 9.95.020 and 1955 c 133 s 3 are each amended to read as follows:

If the sentence of a person so convicted is not suspended by the court, the superintendent of ~~((the penitentiary or the superintendent of the reformatory))~~ a major state correctional institution shall receive such person, if committed to his or her institution, and imprison ~~((him))~~ the person until released under the provisions of this chapter, under section 307 of this act, upon the completion of the statutory maximum sentence, or through the action of the governor.

Sec. 323. RCW 9.95.032 and 1984 c 114 s 3 are each amended to read as follows:

Such statement shall be signed by the prosecuting attorney and approved by the judge by whom the judgment was rendered and shall be delivered to the sheriff, traveling guard, department of corrections personnel, or other officer executing the sentence, and a copy of such statement shall be furnished to the defendant or his or her attorney. Such officer shall deliver the statement, at the time of the prisoner's commitment, to the superintendent of the institution to which such prisoner has been

~~((sentenced and))~~ committed. The superintendent shall make such statement available for use by the board ~~((of prison terms and paroles))~~.

Sec. 324. RCW 9.95.052 and 1986 c 224 s 10 are each amended to read as follows:

At any time after the board (or the court after July 1, 1986) has determined the minimum term of confinement of any person subject to confinement in a state correctional institution for a crime committed before July 1, 1984, the board may request the superintendent of such correctional institution to conduct a full review of such person's prospects for rehabilitation and report to the board the facts of such review and the resulting findings. Upon the basis of such report and such other information and investigation that the board deems appropriate, the board may redetermine and refix such convicted person's minimum term of confinement whether the term was set by the board or the court.

The board shall not reduce a person's minimum term of confinement unless the board has received from the department of corrections all institutional conduct reports relating to the person.

Sec. 325. RCW 9.95.055 and 1992 c 7 s 25 are each amended to read as follows:

The indeterminate sentence review board is hereby granted authority, in the event of a declaration by the governor that a war emergency exists, including a general mobilization, and for the duration thereof only, to reduce downward the minimum term, as set by the board, of any inmate under the jurisdiction of the board confined in a state correctional facility, who will be accepted by and inducted into the armed services: PROVIDED, That a reduction downward shall not be made under this section for those inmates who are confined for treason, murder in the first degree or carnal knowledge of a female child under ten years: AND PROVIDED FURTHER, That no such inmate shall be released under this section who is ~~((found to be a sexual psychopath under the provisions of and as defined by chapter 71.42 RCW))~~ being considered for civil commitment as a sexually violent predator under chapter 71.09 RCW or was sentenced under section 303 of this act for a crime committed on or after July 1, 2001.

Sec. 326. RCW 9.95.064 and 1989 c 276 s 4 are each amended to read as follows:

(1) In order to minimize the trauma to the victim, the court may attach conditions on release of ~~((a defendant))~~ an offender under RCW 9.95.062, convicted of a crime committed before July 1, 1984, regarding the whereabouts of the defendant, contact with the victim, or other conditions.

(2) Offenders released under section 307 of this act are subject to crime-related prohibitions and affirmative conditions established by the court, the department of corrections, or the board pursuant to RCW 9.94A.715 and sections 303 through 311 of this act.

Sec. 327. RCW 9.95.070 and 1999 c 143 s 19 are each amended to read as follows:

(1) Every prisoner, convicted of a crime committed before July 1, 1984, who has a favorable record of conduct at the penitentiary or the reformatory, and who performs in a faithful, diligent, industrious, orderly and peaceable manner the work, duties, and tasks assigned to him or her to the satisfaction of the superintendent of the penitentiary or reformatory, and in whose behalf the superintendent of the penitentiary or reformatory files a report certifying that his or her conduct and work have been meritorious and recommending allowance of time credits to him or her, shall upon, but not until, the adoption of such recommendation by the indeterminate sentence review board, be allowed time credit reductions from the term of imprisonment fixed by the board.

(2) Offenders sentenced under section 303 of this act for a crime committed on or after July 1, 2001, are subject to the earned release provisions for sex offenders established in RCW 9.94A.150.

Sec. 328. RCW 9.95.080 and 1992 c 7 s 26 are each amended to read as follows:

In case any ~~((convicted))~~ person convicted of a crime committed before July 1, 1984, and under the jurisdiction of the indeterminate sentence review board undergoing sentence in a state correctional ~~((facility))~~ institution commits any infractions of the rules and regulations of the institution, the board may revoke any order theretofore made determining the length of time such convicted person shall be imprisoned, including the forfeiture of all or a portion of credits earned or to be earned, pursuant to the provisions of RCW 9.95.110, and make a new order determining the length of time the person shall serve, not exceeding the maximum penalty provided by law for the crime for which the person was convicted, or the maximum fixed by the court. Such revocation and redetermination shall not be had except upon a hearing before the indeterminate sentence review board. At such hearing the convicted person shall be present and entitled to be heard and may present evidence and witnesses in his or her behalf.

Sec. 329. RCW 9.95.090 and 1999 c 143 s 20 are each amended to read as follows:

(1) The board shall require of every able bodied ~~((convicted person imprisoned in the penitentiary or the reformatory))~~ offender confined in a state correctional institution for a crime committed before July 1, 1984, as many hours of faithful labor in each and every day during his or her term of imprisonment as shall be prescribed by the rules and regulations of the institution in which he or she is confined.

(2) Offenders sentenced under section 303 of this act for crimes committed on or after July 1, 2001, shall perform work or other programming as required by the department of corrections during their term of confinement.

Sec. 330. RCW 9.95.100 and 1955 c 133 s 11 are each amended to read as follows:

All facts and circumstances surrounding the violation by such convicted person shall be reported to the board by the ~~((probation and parole))~~ community corrections officer, with recommendations. The board, after consultation with the secretary of corrections, shall make all rules and regulations concerning procedural matters, which shall include the time when state ~~((probation and parole))~~ community corrections officers shall file with the board reports required by this section, procedures pertaining thereto and the filing of such information as may be necessary to enable the board to perform its functions under this section. On the basis of the report by the ~~((probation and parole))~~ community corrections officer, or at any time upon its own discretion, the board may revise or modify the conditions of parole or order the suspension of parole by the issuance of a written order bearing its seal, which order shall be sufficient warrant for all peace officers to take into custody any convicted person who may be on parole and retain such person in their custody until arrangements can be made by the board for his or her return to a state correctional institution for convicted felons. Any such revision or modification of the conditions of parole or the order suspending parole shall be personally served upon the parolee.

Any parolee arrested and detained in physical custody by the authority of a state ~~((probation and parole))~~ community corrections officer, or upon the written order of the board, shall not be released from custody on bail or personal recognizance, except upon approval of the board and the issuance by the board of an order of reinstatement on parole on the same or modified conditions of parole.

The hearing shall be held before one or more members of the board at a place or places, within this state, reasonably near the site of the alleged violation or violations of parole.

Before the board shall nullify an order of suspension and reinstate a parole they shall have determined that the best interests of society and the individual shall best be served by such reinstatement rather than a return to a penal institution.

The court, upon such petition, shall enter an order directing the witness to appear before the court at a time and place to be fixed in such order and then and there to show cause why he or she has not responded to the subpoena or has refused to testify. A copy of the order shall be served upon the witness. If it appears to the court that the subpoena was properly issued and that the particular questions which the witness refuses to answer are reasonable and relevant, the court shall enter an order that the witness appear at the time and place fixed in the order and testify or produce the required papers, and on failing to obey ((said)) the order, the witness shall be dealt with as for contempt of court.

The attorney general may make independent recommendations to the board about whether the violations constitute sufficient cause for the revocation of the parole and the return of the parolee to a state correctional institution for convicted felons. The hearings shall be open to the public unless the board for specifically stated reasons closes the hearing in whole or in part. The hearings shall be recorded either manually or by a mechanical recording device. An alleged parole violator may be requested to testify and any such testimony shall not be used against him or her in any criminal prosecution. The board shall adopt rules governing the formal and informal procedures authorized by this chapter and make rules of practice before the board in on-site parole revocation hearings, together with forms and instructions.

If the member, or members having heard the matter, should conclude that the allegations of violation of the conditions of parole have not been proven by a preponderance of the evidence, or, those which have been proven by a preponderance of the evidence are not sufficient cause for the revocation of parole, then the parolee shall be reinstated on parole on the same or modified conditions of parole. For parole violations not resulting in new convictions, modified conditions of parole may include sanctions according to an administrative sanction grid. If the member or members having heard the matter should conclude that the allegations of violation of the conditions of parole have been proven by a preponderance of the evidence and constitute sufficient cause for the revocation of parole, then such member or members shall enter an order of parole revocation and return the parole violator to state custody. (1) The secretary shall identify offenders in confinement or partial confinement who: (a) Are reasonably believed to be dangerous to themselves or others; and (b) have a mental disorder. In determining an offender's dangerousness, the secretary shall consider behavior known to the department and factors, based on research, that are linked to an increased risk for dangerousness of mentally ill offenders and shall include consideration of an offender's chemical dependency or abuse.

(2) Prior to release of an offender identified under this section, a team consisting of representatives of the department of corrections, the division of mental health, and, as necessary, the indeterminate sentence review board, other divisions or administrations within the department of social and health services, specifically including the division of alcohol and substance abuse and the division of developmental disabilities, the appropriate regional support network, and the providers, as appropriate, shall develop a plan, as determined necessary by the team, for delivery of treatment and support services to the offender upon release. The team may include a school district representative for offenders under the age of twenty-one. The team shall consult with the offender's counsel, if any, and, as appropriate, the offender's family and community. The team shall notify the crime victim/witness program, which shall provide notice to all people registered to receive notice under RCW 9.94A.155 of the proposed release plan developed by the team. Victims, witnesses, and other interested people notified by the department may provide information and comments to the department on potential safety risk to specific individuals or classes of individuals posed by the specific offender. The team may recommend: (a) That the offender be evaluated by the county designated mental health professional, as defined in chapter 71.05 RCW; (b) department-supervised community treatment; or (c) voluntary community mental health or chemical dependency or abuse treatment.

(3) Prior to release of an offender identified under this section, the team shall determine whether or not an evaluation by a county designated mental health professional is needed. If an evaluation is recommended, the supporting documentation shall be immediately forwarded to the appropriate county designated mental health professional. The supporting documentation shall include the offender's criminal history, history of judicially required or administratively ordered involuntary antipsychotic medication while in confinement, and any known history of involuntary civil commitment.

(4) If an evaluation by a county designated mental health professional is recommended by the team, such evaluation shall occur not more than ten days, nor less than five days, prior to release.

(5) A second evaluation by a county designated mental health professional shall occur on the day of release if requested by the team, based upon new information or a change in the offender's mental condition, and the initial evaluation did not result in an emergency detention or a summons under chapter 71.05 RCW.

(6) If the county designated mental health professional determines an emergency detention under chapter 71.05 RCW is necessary, the department shall release the offender only to a state hospital or to a consenting evaluation and treatment facility. The department shall arrange transportation of the offender to the hospital or facility.

(7) If the county designated mental health professional believes that a less restrictive alternative treatment is appropriate, he or she shall seek a summons, pursuant to the provisions of chapter 71.05 RCW, to require the offender to appear at an evaluation and treatment facility. If a summons is issued, the offender shall remain within the corrections facility until completion of his or her term of confinement and be transported, by corrections personnel on the day of completion, directly to the identified evaluation and treatment facility.

(8) The secretary shall adopt rules to implement this section.

THIRD READING

SUBSTITUTE SENATE BILL NO. 5465, by Senate Committee on Human Services and Corrections (originally sponsored by Senators Costa, Hargrove and Long)

Changing provisions relating to sex offender treatment providers.

MOTIONS

On motion of Senator Costa, the rules were suspended, Senate Bill No. 5465 was returned to second reading and read the second time.

On motion of Senator Costa, the following amendment was adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the state needs an increasing number of certified sex offender treatment providers to treat sexually violent predators and meet the state's commitment to long-term treatment, help reduce recidivism, and more adequately provide for the community. The legislature recognizes that these treatment providers offer a valuable service to the people of Washington and may experience difficulty maintaining adequate liability protection given the inherent uncertainties of providing treatment to sexually violent predators. The legislature intends to provide very limited immunity, for instances of simple negligence only, to certified sex offender treatment providers for their treatment decisions involving sexually violent predators released to a less restrictive alternative under chapter 71.09 RCW.

Sec. 2. RCW 18.155.020 and 2000 c 171 s 33 and 2000 c 28 s 38 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter:

(1) "Certified sex offender treatment provider" means a licensed, certified, or registered health professional who is certified to examine and treat sex offenders pursuant to chapters 9.94A and 13.40 RCW ((9.94A.670 and 13.40.160)) and sexually violent predators under chapter 71.09 RCW.

(2) "Department" means the department of health.

(3) "Secretary" means the secretary of health.

(4) "Sex offender treatment provider" means a person who counsels or treats sex offenders accused of or convicted of a sex offense as defined by RCW 9.94A.030.

Sec. 3. RCW 18.155.030 and 2000 c 171 s 34 and 2000 c 28 s 39 are each reenacted and amended to read as follows:

(1) No person shall represent himself or herself as a certified sex offender treatment provider without first applying for and receiving a certificate pursuant to this chapter.

(2) Only a certified sex offender treatment provider may perform or provide the following services:

(a) Evaluations conducted for the purposes of and pursuant to RCW 9.94A.670 and 13.40.160;

(b) Treatment of convicted sex offenders who are sentenced and ordered into treatment pursuant to ~~((RCW 9.94A.670))~~ chapter 9.94A RCW and adjudicated juvenile sex offenders who are ordered into treatment pursuant to ~~((RCW 13.40.160))~~ chapter 13.40 RCW;

~~(c) Except as provided under subsection (3) of this section, treatment of sexually violent predators who are conditionally released to a less restrictive alternative pursuant to chapter 71.09 RCW.~~

~~(3) A certified sex offender treatment provider may not perform or provide treatment of sexually violent predators under subsection (2)(c) of this section if the certified sex offender treatment provider has been:~~

~~(a) Convicted of a sex offense, as defined in RCW 9.94A.030;~~

~~(b) Convicted in any other jurisdiction of an offense that under the laws of this state would be classified as a sex offense as defined in RCW 9.94A.030; or~~

~~(c) Suspended or otherwise restricted from practicing any health care profession by competent authority in any state, federal, or foreign jurisdiction.~~

NEW SECTION. Sec. 4. A new section is added to chapter 4.24 RCW to read as follows:

(1) A certified sex offender treatment provider, acting in the course of his or her duties, providing treatment to a person who has been released to a less restrictive alternative under chapter 71.09 RCW or to a level III sex offender on community custody as a court or department ordered condition of sentence is not negligent because he or she treats a high risk offender; sex offenders are known to have a risk of reoffense. The treatment provider is not liable for civil damages resulting from the reoffense of a client unless the treatment provider's acts or omissions constituted gross negligence or willful or wanton misconduct. This limited liability provision does not eliminate the treatment provider's duty to warn of and protect from a client's threatened violent behavior if the client communicates a serious threat of physical violence against a reasonably ascertainable victim or victims. This limited liability provision applies only to the conduct of certified sex offender treatment providers and not the conduct of the state.

(2) Sex offender treatment providers who provide services to the department of corrections by identifying risk factors and notifying the department of risks for the subset of high risk offenders who are not amenable to treatment and who are under court order for treatment or supervision are practicing within the scope of their profession.

NEW SECTION. Sec. 5. A new section is added to chapter 71.09 RCW to read as follows:

(1) Examinations and treatment of sexually violent predators who are conditionally released to a less restrictive alternative under this chapter shall be conducted only by sex offender treatment providers certified by the department of health under chapter 18.155 RCW unless the court or the department of social and health services finds that: (a) The court-ordered less restrictive alternative placement is located in another state; (b) the treatment provider is employed by the department; or (c)(i) all certified treatment providers become unavailable to provide treatment within a reasonable geographic distance of the person's home, as determined in rules adopted by the department of social and health services; and (ii) the evaluation and treatment plan comply with the rules adopted by the department of social and health services.

A treatment provider approved by the department of social and health services under (c) of this subsection, who is not certified by the department of health, shall consult with a certified provider during the person's period of treatment to ensure compliance with the rules adopted by the department of health. The frequency and content of the consultation shall be based on the recommendation of the certified provider.

(2) A treatment provider, whether or not he or she is employed or approved by the department of social and health services under subsection (1) of this section or otherwise certified, may not perform or provide treatment of sexually violent predators under this section if the treatment provider has been:

(a) Convicted of a sex offense, as defined in RCW 9.94A.030;

(b) Convicted in any other jurisdiction of an offense that under the laws of this state would be classified as a sex offense as defined in RCW 9.94A.030; or

(c) Suspended or otherwise restricted from practicing any health care profession by competent authority in any state, federal, or foreign jurisdiction.

(3) Nothing in this section prohibits a qualified expert from examining or evaluating a sexually violent predator who has been conditionally released for purposes of presenting an opinion in court proceedings."

On page 1, line 1 of the title, after "providers;" strike the remainder of the title and insert "reenacting and amending RCW 18.155.020 and 18.155.030; adding a new section to chapter 4.24 RCW; adding a new section to chapter 71.09 RCW; and creating a new section."

PERSONAL PRIVILEGE

Senator Oke: "Mr. President, a point of personal privilege. To the body, again, I want to thank you for your vote. I think that was the best speech I have ever made. Senator McCaslin told me that if I said nothing that we would get more votes and less against it and that happened. I truly again thank you. We had a vote back on Valentine's Day and I appreciated that vote and I especially appreciated Senator Hale's prayer this morning. I sleep well at night, but I tell you that every morning when I wake up, the first thing--the very first thing--and Judy will probably not like this--is that bridge issue and it has been going on for eight years. I hope and pray that we pass this bill quickly to the House and they can take action on it. I hope we never have to vote on it again. We could have had thi

.s bridge built--eight years we have been on this project.

"It could have been started; it could have been completed by today. I just hope we have the courage in this body and the other body and the Governor to make this thing go and get on with projects that really are important in this state. If we can't do this project, I am convinced, that we will not do other major transportation projects in the state of Washington. If this project doesn't get through this session, I am really afraid that it might not ever be completed in my life anyway. So, thank you again and God Bless each one of you."

PERSONAL PRIVILEGE

Senator Rasmussen: "A point of personal privilege, Mr. President. Well, ladies and gentlemen of the Senate. I passed out an amendment. Obviously, we didn't roll it back to second reading for purpose on an amendment, but if I can, Mr. President, I would like to explain the reason why I voted 'no' and why I passed out the amendment. I would like to have you read it, because it says, 'When the rate on a toll bridge go above those of an advisory vote, it automatically goes under the governance of the UTC.' You have to understand that the rates--the tolls on this bridge are set by a public/private partnership. There is an advisory board that is set up to make sure that the bonds are solvent, but there is nothing there to protect the public interest. That was my reason for passing out the amendment. Thank you."

PERSONAL PRIVILEGE

Senator Oke: "Another point of personal privilege, Mr. President, if I might. On the last comment--is that alright Mr. President? This last comment that said there was no oversight, there is oversight. This contract, and I have watched it in its preparation and how thick it is. It has more oversights in this contract than any contract I have ever seen go through for the state. I passed out to you, the individuals that are on the non-profit board and every meeting that they have will be open to the public. These people, we know them. We know that they are living right next to that bridge and we know they will make the best decisions for that bridge and that community. I am convinced that we have a good plan and I appreciate your pulling back your amendment. Thank you."

PERSONAL PRIVILEGE

Senator Kastama: "Mr. President, a point of personal privilege. I would like to thank all the members of the body for their prayers and their cards and for their gifts during the last week. I was in an auto accident a week ago yesterday. Just so I don't have to describe to everybody on the one on one detail, I will go on and share with you what actually happened. I was going home from the Legislature; I left here about five o'clock. I was on I 5 and at the 512 exit, there is a sign that says, 'Puyallup exit a half mile.' Well, I happened to stop my car right there. It was

backed all the way up to that half-way marker. I looked at the sign and thought to myself, 'Doggone, a half mile sitting in this traffic.'

"At that moment, a grey Chevy Blazer pulled up to my right on the shoulder. I was thinking why would she be doing that--I'm looking at the lady now. She had done that because right behind her car was a car going--it was reported at fifty or sixty miles an hour--and did not know that the traffic was backed up, so this lady pulled off to the side. All I can tell you is that I saw my car visually expand in front of me. I thought it had exploded. The back of my seat snapped off and I went into the back. That is the last I remember.

"When I woke up, I went ahead and got out the drivers's side--it was open maybe because it had been crushed so much. I got out; I saw head lights all over the ground. A pretty tough time! I have to tell you this, though, they did carry me away and took me to an emergency room and I was strapped up, because they were fearful there might be spinal problems, which there were none.

"A comical thing, I was always wondering about how my wife would take this. I kept insisting I talk to my wife. I was in the emergency room all strapped down, can't move my head, can't move my arms or my legs, but I insisted on talking to my wife. They put a phone up next to me and I started my conversation by saying, 'Well, honey, how are you doing today?' I said, 'I just want you to know that I am doing okay.' I didn't want her to be fearful, but finally I let her know that I was strapped down and couldn't move any part of my body, but she could come and get me at that time.

"Your prayers really did help. It has been a very difficult week and somewhat life changing for me. The State Patrol was very good. Everyone that was involved in the accident--it was just an experience. Anyway, thank you, Mr. President. Thank you members of the body."

REPLY BY THE PRESIDENT

President Owen: "Well, we are glad you are back and all in one piece, Senator. Welcome back!"

PERSONAL PRIVILEGE

Senator Honeyford: "A point of personal privilege, Mr. President. Senator Prentice just pointed out my mistake. I provided for all of you, on your desks, some asparagus packets. I have some IOUs to some of my Republican friends, because I didn't count the bundles of asparagus. I did find that technology failed in the little wrapper I put on there and Senator Prentice did correct me on this in that Chile is spelled two ways. My spell checker didn't catch it, my LA didn't catch it and my wife didn't catch it, but Senator Prentice did.

"This is the country, not the spicy food. I put this on your desk with a little bit of an explanation of what is happening to the asparagus industry in the state of Washington. I would suspect we may have some fresh markets left in the state, but in all probability, I think we are going to find canneries going out of state and maybe out of the country due to many things. One of them is the minimum wage, which is increasing the costs--the competition from the foreign countries, regulatory costs, payroll taxes and things like that that boils down to the fact that we would have to be selling asparagus for a dollar a pound to break even. That is not happening. You can buy it in the grocery store for around seventy-five cents up to two ninety-nine cents a pound. The farmer is getting somewhere, as I mentioned, somewhere around twenty-eight to thirty cents a pound. That is generally, depending on the financial situation of the farmer, below market price or below the break even price for him.

"Anyway enjoy. It is good asparagus. For my Republican friends that I missed, I will make it up next week. Thank you."

REPLY BY THE PRESIDENT

President Owen: "Thank you, Senator."

PERSONAL PRIVILEGE

Senator Rasmussen: "I want to rise to a point of personal privilege. I would like to thank Herman te Velde who grew the asparagus.

Herman te Velde is a dairyman--or he was a dairyman from my valley. If you think picking asparagus is hard, he went from dairying to asparagus. Apparently, dairying really didn't pay back either. I do want to commend him for providing the asparagus. He certainly is a very fine gentlemen."

PERSONAL PRIVILEGE

SENATOR TIM SHELDON: "MR. PRESIDENT, I RISE TO A POINT OF PERSONAL PRIVILEGE. BEFORE THE SESSION BEGAN, I HAD THE OPPORTUNITY TO ATTEND A GROUND BREAKING CEREMONY FOR THE SQUAXIN ISLAND TRIBE IN MY DISTRICT JUST NORTH OF OLYMPIA. THEY WERE BREAKING GROUND ON A MUSEUM BASICALLY--THE SQUAXIN ISLAND MUSEUM, LIBRARY AND RESEARCH CENTER. IT IS QUITE AN IMPRESSIVE BUILDING. THE CONSTRUCTION IS NOW UNDER WAY AND THERE IS SOME MONEY IN OUR CAPITAL BUDGET, ALSO, FOR FIXTURES AND OTHER IMPROVEMENTS TO THIS BUILDING.

"DURING THE CEREMONY, I LEARNED A LOT. AT ANY OF THE GATHERINGS OF INDIAN PEOPLE-- THAT AT THE CEREMONY --IT IS A LONG TRADITION OF THE TRIBE THAT SOME PEOPLE ARE DESIGNATED AS WITNESSES AND THOSE WITNESSES WOULD GO BACK TO THEIR COMMUNITY AND SHARE WITH THEIR COMMUNITY WHAT HAPPENED AT THE GROUND BREAKING OR WHAT HAPPENED AT THE POTLATCH OR WHAT HAPPENED AT THE EVENT THAT THEY ALL ATTENDED AND SHARE THAT WORD WITH THE PEOPLE IN THE COMMUNITY. MY JOB THAT I TOOK ON THAT DAY WAS TO COME BACK TO THE STATE SENATE AND ALSO SHARE WITH YOU, SO THAT YOU MIGHT SHARE WITH YOUR DISTRICT AND YOUR CONSTITUENTS ABOUT THIS FINE MUSEUM AND LIBRARY AND RESEARCH CENTER THAT IS UNDER CONSTRUCTION AND HOPEFULLY TO ENCOURAGE YOU TO VISIT AND UTILIZE THE CENTER. THE PURPOSE, AS I READ, IS TO PROTECT AND REAFFIRM THE TRADITIONS AND BELIEFS OF THE TRIBE, TO ENCOURAGE CONTEMPORARY ARTISTIC EXPRESSION, EMPOWERING THE INDIAN VOICE ENSURING THAT THE KNOWLEDGE OF THEIR ANCESTORS, PAST AND PRESENT, WILL SURVIVE AND FLOURISH FOR PRESENT AND FUTURE GENERATIONS.

"SO, MY POINT OF PERSONAL PRIVILEGE TODAY IS ACCOMPLISHED, I BELIEVE, TO SPREAD THE WORD ABOUT THIS FINE MUSEUM THAT IS UNDER CONSTRUCTION JUST NORTH OF HERE. THANK YOU"

MESSAGE FROM THE GOVERNOR
VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5187

MAY 11, 2001

TO THE HONORABLE PRESIDENT AND MEMBERS,
THE SENATE OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I AM RETURNING HEREWITH, WITHOUT MY APPROVAL, SUBSTITUTE SENATE BILL NO. 5187 ENTITLED:

"AN ACT RELATING TO UPDATING CREDITOR/DEBTOR PERSONAL PROPERTY EXEMPTIONS:"
SUBSTITUTE SENATE BILL NO. 5187 WOULD HAVE INCREASED AND EXPANDED THE EXEMPTIONS FROM EXECUTION, ATTACHMENT OR GARNISHMENT FOR CERTAIN HOUSEHOLD GOODS, VEHICLES, AND CERTAIN OTHER ASSETS.

I AGREE WITH THE UNDERLYING THEORY THAT PROMPTED THIS BILL. HOWEVER, BECAUSE THIS BILL LACKS AN EXEMPTION FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES (DSHS) FOR THE COLLECTION OF COURT-ORDERED CHILD SUPPORT PAYMENTS, IT IS NOT GOOD PUBLIC POLICY. THE PRIMARY FINANCIAL RESPONSIBILITY OF DEBTORS SHOULD BE THAT OF THEIR DEPENDENT CHILDREN.

THIS LEGISLATION WOULD HAVE PREVENTED DSHS FROM TAKING COLLECTION ACTION AGAINST CERTAIN LIQUID ASSETS OF A CHILD SUPPORT DEBTOR, WITH NO CONSIDERATION OF THE NEEDS OF DEPENDENT CHILDREN WHO DO NOT RESIDE WITH THE DEBTOR. THE RESULT WOULD HAVE BEEN A NET LOSS OF SUPPORT AVAILABLE FOR CHILDREN AND CUSTODIAL PARENTS.

DSHS PROVIDED THE APPROPRIATE LEGISLATIVE COMMITTEES WITH LANGUAGE THAT WOULD HAVE CORRECTED THE DEFECTS OF THIS BILL. IF THIS BILL IS PASSED IN THE NEXT LEGISLATIVE SESSION WITH THE CORRECTIVE LANGUAGE, I WILL BE GLAD TO SIGN IT.

FOR THESE REASONS, I HAVE VETOED SUBSTITUTE SENATE BILL NO. 5187 IN ITS ENTIRETY.

RESPECTFULLY SUBMITTED,
GARY LOCKE, GOVERNOR

MOTION

ON MOTION OF SENATOR BETTI SHELDON, THE VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5187 WAS HELD ON THE DESK.

MESSAGE FROM THE GOVERNOR PARTIAL VETO MESSAGE ON SENATE BILL NO. 5275

MAY 11, 2001

TO THE HONORABLE PRESIDENT AND MEMBERS,
THE SENATE OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I AM RETURNING HEREWITH, WITHOUT MY APPROVAL AS TO SECTION 23, SENATE BILL NO. 5275 ENTITLED:

"AN ACT RELATING TO BALLOTS CAST BY MAIL;"

SENATE BILL NO. 5275 REORGANIZES AND CLARIFIES THE LAWS GOVERNING ABSENTEE AND MAIL BALLOTING. SECTION 23 OF THE BILL WOULD HAVE AMENDED RCW 29.62.090, AND CLARIFIED REPORTING REQUIREMENTS AND SUBMITTAL DEADLINES FOR OFFICIAL ELECTION RESULTS. HOWEVER, THE LEGISLATURE ALSO SENT TO ME SUBSTITUTE HOUSE BILL NO. 1644, WHICH AMENDS THE SAME STATUTE SECTION IN A SLIGHTLY DIFFERENT WAY - MOST NOTABLY BY PROVIDING FOR ELECTRONIC TRANSMISSION OF ELECTION RESULTS.

BECAUSE I SIGNED SUBSTITUTE HOUSE BILL NO. 1644 IN ITS ENTIRETY ON MAY 9, 2001, I HAVE VETOED SECTION 23 OF SENATE BILL NO. 5275 IN ORDER TO AVOID A CONFLICTING DOUBLE AMENDMENT.

FOR THESE REASONS, I HAVE VETOED SECTION 23 OF SENATE BILL NO. 5275.

WITH THE EXCEPTION OF SECTION 23, SENATE BILL NO. 5275 IS APPROVED.

RESPECTFULLY SUBMITTED,
GARY LOCKE, GOVERNOR

MOTION

ON MOTION OF SENATOR BETTI SHELDON, THE PARTIAL VETO MESSAGE ON SENATE BILL NO. 5275 WAS HELD ON THE DESK.

SECOND READING

SENATE BILL NO. 6183, BY SENATORS SNYDER, SWECKER, KOHL-WELLES, ROACH, PRENTICE, HORN, JACOBSEN, STEVENS, CONSTANTINE AND KLINE

REVISING PRIMARY ELECTION LAW.

THE BILL WAS READ THE SECOND TIME.

MOTION

SENATOR SNYDER MOVED THAT THE FOLLOWING AMENDMENTS BY SENATORS SNYDER, SWECKER AND KOHL-WELLES BE CONSIDERED SIMULTANEOUSLY AND BE ADOPTED:

BEGINNING ON PAGE 7, AFTER LINE 33, STRIKE ALL MATERIAL THROUGH "VACANCY." ON PAGE 8, LINE 8 AND INSERT THE FOLLOWING: "IF THE VACANCY OCCURS NO LATER THAN THE SIXTH TUESDAY BEFORE THE PRIMARY OR GENERAL ELECTION CONCERNED AND THE BALLOTS HAVE BEEN PRINTED, THE APPROPRIATE ELECTION OFFICERS SHALL CORRECT THE BALLOTS. IN MAKING THE CORRECTION, IT IS NOT NECESSARY TO REPRINT COMPLETE BALLOTS IF ANY OTHER LESS EXPENSIVE TECHNIQUE CAN BE USED AND THE RESULTING CORRECTION IS REASONABLY CLEAR.

IF THE VACANCY OCCURS AFTER THE SIXTH TUESDAY BEFORE THE PRIMARY OR GENERAL ELECTION AND TIME DOES NOT EXIST IN WHICH TO CORRECT BALLOTS (INCLUDING ABSENTEE BALLOTS), EITHER IN TOTAL OR IN PART, THEN THE VOTES CAST OR RECORDED FOR THE PERSON WHO HAS DIED OR BECOME DISQUALIFIED MUST BE COUNTED FOR THE PERSON WHO HAS BEEN NAMED TO FILL THE VACANCY."

ON PAGE 10, LINE 7, AFTER "VOTES CAST" INSERT "BY ALL VOTERS AFFILIATED WITH THAT PARTY"

REMARKS BY SENATOR SNYDER

SENATOR SNYDER: "THANK YOU, MR. PRESIDENT. THESE ARE TECHNICAL AMENDMENTS. THE LANGUAGE HAS ALREADY BEEN PASSED AND SENT TO THE GOVERNOR IN SENATE BILL NO. 5273 AND WAS INADVERTENTLY MISSED IN THE BILL THAT WAS INTRODUCED."

REMARKS BY SENATOR HARGROVE

SENATOR HARGROVE: "THANK YOU, MR. PRESIDENT. THESE ARE TECHNICAL AMENDMENTS."

THE PRESIDENT DECLARED THE QUESTION BEFORE THE SENATE TO BE THE ADOPTION OF THE AMENDMENTS BY SENATORS SNYDER, SWECKER AND KOHL-WELLES ON PAGE 7, AFTER LINE 33, AND PAGE 10, LINE 7, TO SENATE BILL NO. 6183.

THE MOTION BY SENATOR SNYDER CARRIED AND THE AMENDMENTS WERE ADOPTED.

MOTION

SENATOR SNYDER MOVED THAT THE FOLLOWING AMENDMENT BY SENATORS SNYDER, SWECKER AND KOHL-WELLS BE ADOPTED: ON PAGE 21, AFTER LINE 13, INSERT THE FOLLOWING:

NEW SECTION. Sec. 29. NOTHING IN THIS ACT MAY BE CONSTRUED BY THE SECRETARY OF STATE OR A COUNTY AUDITOR TO MEAN THAT A VOTER MAY CAST MORE THAN ONE VOTE FOR CANDIDATES FOR A GIVEN OFFICE.

NEW SECTION. Sec. 30. (1) THE LEGISLATURE RECOGNIZES THAT THIS ACT SIGNIFICANTLY CHANGES THE WAY IN WHICH A PRIMARY FOR PARTISAN OFFICE SHALL BE CONDUCTED, AND THUS IT INTENDS TO EASE THE TRANSITION AND ALLOW ANY PRIMARY HELD PRIOR TO JULY 1, 2002, TO BE IMPLEMENTED WITH EXISTING SYSTEMS CURRENTLY IN USE BY EACH COUNTY AUDITOR.

(2) NOTWITHSTANDING ANY LANGUAGE TO THE CONTRARY FOUND ELSEWHERE IN THIS ACT OR IN EXISTING STATUTE, ONLY A VOTER WHO CHOOSES NOT TO AFFILIATE WITH ANY MAJOR POLITICAL PARTY MAY VOTE FOR A MINOR POLITICAL PARTY OR INDEPENDENT CANDIDATE. ANY VOTE FOR A MINOR POLITICAL PARTY OR INDEPENDENT CANDIDATE BY A VOTER WHO CHOOSES TO AFFILIATE WITH A MAJOR POLITICAL PARTY SHALL NOT BE TABULATED OR REPORTED. THE NAME OF A MINOR POLITICAL PARTY OR INDEPENDENT CANDIDATE SHALL NOT APPEAR ON THE GENERAL ELECTION BALLOT UNLESS THE CANDIDATE RECEIVES AT LEAST THREE PERCENT OF ALL VOTES CAST FOR CANDIDATES FOR THAT OFFICE BY VOTERS WHO CHOOSE NOT TO AFFILIATE WITH ANY MAJOR POLITICAL PARTY.

(3) EACH COUNTY AUDITOR MAY DESIGN A BALLOT AND UTILIZE PROCEDURES OTHER THAN THOSE DETAILED IN THIS ACT WHEN CONDUCTING A PARTISAN PRIMARY PROVIDED THAT THE DESIGN OF THE BALLOT AND THE PROCEDURES ARE SPECIFICALLY ALLOWED BY A RULE ADOPTED BY THE SECRETARY OF STATE UNDER CHAPTER 34.05 RCW, AND THAT THE FOLLOWING CRITERIA ARE MET:

(A) A VOTER SHALL HAVE THE OPTION TO AFFILIATE WITH A MAJOR POLITICAL PARTY, OR TO NOT AFFILIATE WITH ANY MAJOR POLITICAL PARTY;

(B) VOTER PRIVACY, INCLUDING SELECTION OF PARTY AFFILIATION, IS PRESERVED;

(C) A VOTER WHO AFFILIATES WITH A MAJOR POLITICAL PARTY MAY ONLY CAST VOTES FOR PARTISAN OFFICE FOR CANDIDATES THAT INDICATED THAT SAME-PARTY AFFILIATION WHEN FILING A DECLARATION OF CANDIDACY, AND ANY VOTES CAST FOR A CANDIDATE THAT INDICATED A DIFFERENT PARTY AFFILIATION WHEN FILING A DECLARATION OF CANDIDACY SHALL NOT BE TABULATED AND REPORTED;

(D) A VOTER WHO CHOOSES NOT TO AFFILIATE WITH ANY MAJOR POLITICAL PARTY MAY VOTE FOR ANY CANDIDATE REGARDLESS OF THE CANDIDATE'S POLITICAL PARTY DESIGNATION, AND VOTES CAST BY SUCH VOTER SHALL BE TABULATED AND REPORTED; AND

(E) VOTES CAST FOR A CANDIDATE BY VOTERS WHO CHOOSE TO AFFILIATE WITH A MAJOR POLITICAL PARTY SHALL BE REPORTED SEPARATELY FROM VOTES CAST FOR THE SAME CANDIDATE BY VOTERS WHO CHOOSE NOT TO AFFILIATE WITH ANY MAJOR POLITICAL PARTY.

(4) THIS SECTION EXPIRES JULY 1, 2002."

RENUMBER THE REMAINING SECTIONS CONSECUTIVELY AND CORRECT ANY INTERNAL REFERENCES ACCORDINGLY.

REMARKS BY SENATOR SNYDER

SENATOR SNYDER: "THANK YOU, MR. PRESIDENT. THESE ARE TWO NEW SECTIONS THAT RESPOND TO QUESTIONS RAISED BY THE SECRETARY OF STATE AND THE COUNTY AUDITORS LAST WEEK. NEW SECTION 29 MAKES IT CLEAR THAT NO VOTER CAN CAST MORE THAN ONE VOTE FOR A CANDIDATE FOR A GIVEN OFFICE AND SECTION 30 DOES TWO THINGS. FIRST, IT GIVES THE SECRETARY OF STATE THE ABILITY TO ADOPT RULES THAT INSURE FLEXIBILITY FOR AUDITORS IMPLEMENTING THIS ACT THIS YEAR. SECONDLY, IT ADDRESSES SPECIFIC CONCERNS THAT VOTING SOFTWARE COULD NOT BE CHANGED UNLESS VOTES FOR MINOR OR INDEPENDENT PARTY CANDIDATES COULD BE COUNTED WHEN CAST BY VOTER AFFILIATION WITH A MAJOR PARTY. FOR, THE NEXT YEAR ONLY, MINOR AND INDEPENDENT CANDIDATES WILL APPEAR ONLY ON THE UNAFFILIATED BALLOT. THOSE CANDIDATES WILL ADVANCE TO THE GENERAL ELECTION IF THEIR VOTE TOTAL IS AT LEAST THREE PERCENT OF THE TOTAL CAST BY UNAFFILIATED VOTERS. I URGE YOUR ADOPTION OF THE AMENDMENT."

REMARKS BY SENATOR HARGROVE

SENATOR HARGROVE: "THANK YOU, MR. PRESIDENT. THIS IS ESSENTIALLY A TECHNICAL AMENDMENT TO THE UNDERLYING BILL BECAUSE OF THE TIME FRAME."

THE PRESIDENT DECLARED THE QUESTION BEFORE THE SENATE TO BE THE ADOPTION OF THE AMENDMENT BY SENATORS SNYDER, SWECKER AND KOHL-WELLES ON PAGE 21, AFTER LINE 13, TO SENATE BILL No. 6183.

THE MOTION BY SENATOR SNYDER CARRIED AND THE AMENDMENT WAS ADOPTED.

MOTION

ON MOTION OF SENATOR ROACH, THE FOLLOWING AMENDMENT BY SENATORS ROACH AND CONSTANTINE WAS ADOPTED:

ON PAGE 13, AFTER LINE 13, INSERT THE FOLLOWING:

"**Sec. 27.** RCW 29.42.070 AND 1991 c 363 s 35 ARE EACH AMENDED TO READ AS FOLLOWS:

WITHIN FORTY-FIVE DAYS AFTER THE STATE-WIDE GENERAL ELECTION IN EVEN-NUMBERED YEARS, OR WITHIN THIRTY DAYS FOLLOWING JULY 30, 1967, FOR THE BIENNIUM ENDING WITH THE 1968 GENERAL ELECTIONS, THE COUNTY CHAIR OF EACH MAJOR POLITICAL PARTY SHALL CALL SEPARATE MEETINGS OF ALL ELECTED PRECINCT COMMITTEE OFFICERS IN EACH LEGISLATIVE DISTRICT ((A MAJORITY OF THE PRECINCTS OF WHICH ARE WITHIN A COUNTY WITH A POPULATION OF ONE MILLION OR MORE)) FOR THE PURPOSE OF ELECTING A LEGISLATIVE DISTRICT CHAIR IN SUCH DISTRICT. THE DISTRICT CHAIR SHALL HOLD OFFICE UNTIL THE NEXT LEGISLATIVE DISTRICT REORGANIZATIONAL MEETING TWO YEARS LATER, OR UNTIL A SUCCESSOR IS ELECTED.

THE LEGISLATIVE DISTRICT CHAIR CAN ONLY BE REMOVED BY THE MAJORITY VOTE OF THE ELECTED PRECINCT COMMITTEE OFFICERS IN THE CHAIR'S DISTRICT."

RENUMBER THE SECTIONS CONSECUTIVELY AND CORRECT ANY INTERNAL REFERENCES ACCORDINGLY.

REMARKS BY SENATOR ROACH

SENATOR ROACH: "THANK YOU, MR. PRESIDENT. THIS PARTICULAR AMENDMENT WOULD REQUIRE THAT ALL COUNTIES, NOT JUST THE COUNTY OF KING, HAVE THEIR DISTRICT CHAIR ELECTED BY THE ELECTED OFFICIALS AND STATE OFFICERS."

THE PRESIDENT DECLARED THE QUESTION BEFORE THE SENATE TO BE THE ADOPTION OF THE AMENDMENT BY SENATORS ROACH AND CONSTANTINE ON PAGE 13, AFTER LINE 13, TO SUBSTITUTE SENATE BILL No. 61G13 83.

THE MOTION BY SENATOR ROACH CARRIED AND THE AMENDMENT WAS ADOPTED.

MOTION

IF A PRIMARY WAS CONDUCTED, NO CANDIDATE'S NAME MAY BE PRINTED ON THE SUBSEQUENT GENERAL ELECTION BALLOT UNLESS HE OR SHE RECEIVES AT LEAST ONE PERCENT OF THE TOTAL VOTES CAST FOR THAT OFFICE AT THE PRECEDING PRIMARY. BASED UPON VOTES CAST AT THE PRIMARY, EITHER ONE OR TWO CANDIDATES MUST BE CERTIFIED AS QUALIFIED TO APPEAR ON THE GENERAL ELECTION BALLOT, UNDER RCW 29.27.050 AND 29.30.085.

(3) IF A CANDIDATE EXPRESSES A PARTY PREFERENCE ON HIS OR HER DECLARATION OF CANDIDACY, THEN THE PREFERENCE WILL BE LISTED FOR THE CANDIDATE ON THE PRIMARY AND GENERAL ELECTION BALLOTS. EACH CANDIDATE WHO DOES NOT EXPRESS A PREFERENCE FOR A POLITICAL PARTY WILL BE LISTED AS AN INDEPENDENT CANDIDATE ON THE PRIMARY AND GENERAL ELECTION BALLOTS. PARTY PREFERENCES WILL BE LISTED FOR THE INFORMATION OF VOTERS ONLY, AND MAY NOT BE USED FOR ANY PURPOSE RELATING TO THE CONDUCT, CANVASSING, OR CERTIFICATION OF THE PRIMARY, AND MAY IN NO WAY LIMIT THE OPTIONS AVAILABLE TO VOTERS IN DECIDING FOR WHOM TO CAST A VOTE.

Sec. 4. RCW 29.01.090 AND 1977 EX.S. C 329 S 9 ARE EACH AMENDED TO READ AS FOLLOWS:

Sec. 38. RCW 29.62.180 AND 1999 C 157 S 3 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) FOR ANY OFFICE AT ANY ELECTION OR PRIMARY, ANY VOTER MAY WRITE IN ON THE BALLOT THE NAME OF ANY PERSON FOR AN OFFICE WHO HAS FILED AS A WRITE-IN CANDIDATE FOR THE OFFICE IN THE MANNER PROVIDED BY RCW 29.04.180 AND SUCH VOTE SHALL BE COUNTED THE SAME AS IF THE NAME HAD BEEN PRINTED ON THE BALLOT AND MARKED BY THE VOTER. NO WRITE-IN VOTE MADE FOR ANY PERSON WHO HAS NOT FILED A DECLARATION OF CANDIDACY PURSUANT TO RCW 29.04.180 IS VALID IF THAT PERSON FILED FOR THE SAME OFFICE, EITHER AS A REGULAR CANDIDATE OR A WRITE-IN CANDIDATE, AT THE PRECEDING PRIMARY, EXCEPT THAT NOTHING IN THIS SECTION INVALIDATES A VOTE FOR THE SOLE REASON THAT THE VOTE WAS CAST AS A WRITE-IN FOR A CANDIDATE WHOSE NAME APPEARS ON THE SAME BALLOT FOR THE SAME OFFICE. ANY ABBREVIATION USED TO DESIGNATE OFFICE, POSITION, OR POLITICAL PARTY SHALL BE ACCEPTED IF THE CANVASSING BOARD CAN DETERMINE, TO THEIR SATISFACTION, THE VOTER'S INTENT.

(2) THE NUMBER OF WRITE-IN VOTES CAST FOR EACH OFFICE MUST BE RECORDED AND REPORTED WITH THE CANVASS FOR THE ELECTION.

(3) WRITE-IN VOTES CAST FOR AN INDIVIDUAL CANDIDATE FOR AN OFFICE NEED NOT BE TALLIED IF THE TOTAL NUMBER OF WRITE-IN VOTES CAST FOR THE OFFICE IS NOT GREATER THAN THE NUMBER OF VOTES CAST FOR ~~((THE))~~ A CANDIDATE APPARENTLY ~~((NOMINATED))~~ QUALIFIED TO APPEAR ON THE GENERAL ELECTION BALLOT OR ELECTED, AND THE WRITE-IN VOTES COULD NOT HAVE ALTERED THE OUTCOME OF THE PRIMARY OR ELECTION. IN THE CASE OF WRITE-IN VOTES FOR STATEWIDE OFFICE OR FOR ANY OFFICE WHOSE JURISDICTION ENCOMPASSES MORE THAN ONE COUNTY, WRITE-IN VOTES FOR AN INDIVIDUAL CANDIDATE MUST BE TALLIED WHENEVER THE COUNTY AUDITOR IS NOTIFIED BY EITHER THE OFFICE OF THE SECRETARY OF STATE OR ANOTHER AUDITOR IN A MULTICOUNTY JURISDICTION THAT IT APPEARS THAT THE WRITE-IN VOTES COULD ALTER THE OUTCOME OF THE PRIMARY OR ELECTION.

(4) IN THE CASE OF STATEWIDE OFFICES OR JURISDICTIONS THAT ENCOMPASS MORE THAN ONE COUNTY, IF THE TOTAL NUMBER OF WRITE-IN VOTES CAST FOR AN OFFICE WITHIN A COUNTY IS GREATER THAN THE NUMBER OF VOTES CAST FOR A CANDIDATE APPARENTLY ~~((NOMINATED))~~ QUALIFIED TO APPEAR ON THE GENERAL ELECTION BALLOT OR ELECTED IN A PRIMARY OR ELECTION, THE AUDITOR SHALL TALLY ALL WRITE-IN VOTES FOR INDIVIDUAL CANDIDATES FOR THAT OFFICE AND NOTIFY THE OFFICE OF THE SECRETARY OF STATE AND THE AUDITORS OF THE OTHER COUNTIES WITHIN THE JURISDICTION, THAT THE WRITE-IN VOTES FOR INDIVIDUAL CANDIDATES SHOULD BE TALLIED.

Sec. 39. RCW 29.64.010 AND 2001 C 225 S 3 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) AN OFFICER OF A POLITICAL PARTY OR ANY PERSON FOR WHOM VOTES WERE CAST IN A PRIMARY WHO WAS NOT DECLARED ~~((NOMINATED))~~ QUALIFIED TO APPEAR ON THE GENERAL ELECTION BALLOT MAY FILE A WRITTEN APPLICATION FOR A RECOUNT OF THE VOTES OR A PORTION OF THE VOTES CAST AT THAT PRIMARY FOR ALL PERSONS FOR WHOM VOTES WERE CAST FOR ~~((NOMINATION TO))~~ THAT OFFICE.

THE COUNTY SHALL ALSO PROVIDE FOR A TEST OF THE LOGIC AND ACCURACY OF THAT PROGRAM.

(6) AN APPLICATION FOR A RECOUNT SHALL BE FILED WITHIN THREE BUSINESS DAYS AFTER THE COUNTY CANVASSING BOARD OR SECRETARY OF STATE HAS DECLARED THE OFFICIAL RESULTS OF THE PRIMARY OR ELECTION FOR THE OFFICE OR ISSUE FOR WHICH THE RECOUNT IS REQUESTED.

(7) THIS CHAPTER APPLIES TO THE RECOUNTING OF VOTES CAST BY PAPER BALLOTS AND TO THE RECOUNTING OF VOTES RECORDED ON BALLOTS COUNTED BY A VOTE TALLY SYSTEM.

Sec. 40. RCW 29.64.015 AND 2001 C 225 S 4 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) IF THE OFFICIAL CANVASS OF ALL OF THE RETURNS FOR ANY OFFICE AT ANY PRIMARY OR ELECTION REVEALS THAT THE DIFFERENCE IN THE NUMBER OF VOTES CAST FOR A CANDIDATE APPARENTLY ~~((NOMINATED))~~ QUALIFIED TO APPEAR ON THE GENERAL ELECTION BALLOT OR ELECTED TO ANY OFFICE AND THE NUMBER OF VOTES CAST FOR THE CLOSEST APPARENTLY DEFEATED OPPONENT IS LESS THAN TWO THOUSAND VOTES AND ALSO LESS THAN ONE-HALF OF ONE PERCENT OF THE TOTAL NUMBER OF VOTES CAST FOR BOTH CANDIDATES, THE COUNTY CANVASSING BOARD SHALL CONDUCT A RECOUNT OF ALL VOTES CAST ON THAT POSITION.

(A) WHENEVER SUCH A DIFFERENCE OCCURS IN THE NUMBER OF VOTES CAST FOR CANDIDATES FOR A POSITION THE DECLARATION OF CANDIDACY FOR WHICH WAS FILED WITH THE SECRETARY OF STATE, THE SECRETARY OF STATE SHALL, WITHIN THREE BUSINESS DAYS OF THE DAY THAT THE RETURNS OF THE PRIMARY OR ELECTION ARE FIRST CERTIFIED BY THE CANVASSING BOARDS OF THOSE COUNTIES, DIRECT THOSE BOARDS TO RECOUNT ALL VOTES CAST ON THE POSITION.

(B) IF THE DIFFERENCE IN THE NUMBER OF VOTES CAST FOR THE APPARENT WINNER AND THE CLOSEST APPARENTLY DEFEATED OPPONENT IS LESS THAN ONE HUNDRED FIFTY VOTES AND ALSO LESS THAN ONE-FOURTH OF ONE PERCENT OF THE TOTAL NUMBER OF VOTES CAST FOR BOTH CANDIDATES, THE VOTES SHALL BE RECOUNTED MANUALLY OR AS PROVIDED IN SUBSECTION (3) OF THIS SECTION.

(2) A MANDATORY RECOUNT SHALL BE CONDUCTED IN THE MANNER PROVIDED BY RCW 29.64.020, 29.64.030, AND 29.64.040. NO COST OF A MANDATORY RECOUNT MAY BE CHARGED TO ANY CANDIDATE.

(3) THE APPARENT WINNER AND CLOSEST APPARENTLY DEFEATED OPPONENT FOR AN OFFICE FOR WHICH A MANUAL RECOUNT IS REQUIRED UNDER SUBSECTION (1)(B) OF THIS SECTION MAY SELECT AN ALTERNATIVE METHOD OF CONDUCTING THE RECOUNT. TO SELECT SUCH AN ALTERNATIVE, THE TWO CANDIDATES SHALL AGREE TO THE ALTERNATIVE IN A SIGNED, WRITTEN STATEMENT FILED WITH THE ELECTION OFFICIAL FOR THE OFFICE. THE RECOUNT SHALL BE

CONDUCTED USING THE ALTERNATIVE METHOD IF: IT IS SUITED TO THE BALLOTING SYSTEM THAT WAS USED FOR CASTING THE VOTES FOR THE OFFICE; IT INVOLVES THE USE OF A VOTE TALLYING SYSTEM THAT IS APPROVED FOR USE IN THIS STATE BY THE SECRETARY OF STATE; AND THE VOTE TALLYING SYSTEM IS READILY AVAILABLE IN EACH COUNTY REQUIRED TO CONDUCT THE RECOUNT. IF MORE THAN ONE BALLOTING SYSTEM WAS USED IN CASTING VOTES FOR THE OFFICE, AN ALTERNATIVE TO A MANUAL RECOUNT MAY BE SELECTED FOR EACH SYSTEM.

UPON COMPLETION OF THE CANVASS OF A RECOUNT, THE CANVASSING BOARD SHALL PREPARE AND CERTIFY AN AMENDED ABSTRACT SHOWING THE VOTES CAST IN EACH PRECINCT FOR WHICH THE RECOUNT WAS CONDUCTED. IF THE ~~((NOMINATION, ELECTION,))~~ OFFICE OR ISSUE FOR WHICH THE RECOUNT WAS CONDUCTED WAS SUBMITTED ONLY TO THE VOTERS OF A COUNTY, THE CANVASSING BOARD SHALL FILE THE AMENDED ABSTRACT WITH THE ORIGINAL RESULTS OF THAT ELECTION OR PRIMARY.

REMARKS BY SENATOR HARGROVE

SENATOR HARGROVE: "THANK YOU, MR. PRESIDENT. THIS IS A STRIKING AMENDMENT AND THIS IS BASICALLY THE ALTERNATIVE TO THE UNDERLYING BILL THAT HAS BEEN PRESENTED BY SENATORS SNYDER AND SWECKER. WE WOULD LIKE TO CALL IT THE PEOPLE'S CHOICE ALTERNATIVE. SOME PEOPLE HAVE CALLED IT TWO FORWARD, OTHERS HAVE CALLED IT THE LOUISIANA OR CAJUN. HOWEVER, IT IS NOT EXACTLY LIKE THE LOUISIANA. IT IS KIND OF A HYBRID. WHAT IT WOULD DO WOULD BE, IT WOULD LEAVE OUR FILING PROCESS IN THIS STATE EXACTLY THE SAME AS IT IS NOW. IN OTHER WORDS, YOU YOU CAN WALK IN AND PAY YOUR FEE AND FILE AND YOU GET ON THE PRIMARY BALLOT. WHAT IT WOULD SAY WOULD BE THAT THE TOP TWO VOTE

GETTERS IN ANY PRIMARY ELECTION WOULD GO ON TO THE GENERAL ELECTION. IN RARE CASES, THAT COULD BE TWO DEMOCRATS OR TWO REPUBLICANS. I THINK IN MOST CASES, IT WOULD BE A DEMOCRAT AND A REPUBLICAN.

"I GUESS WHAT I SHOULD SPEAK ABOUT A LITTLE BIT IS HOW WE GOT HERE AND WHAT THE ALTERNATIVE IS. HOW WE GOT HERE IS THAT WE HAVE HAD A BLANKET PRIMARY IN THIS STATE SINCE, I THINK, 1935. IT WAS PASSED BY AN INITIATIVE BY THE PEOPLE AND I THINK THAT THE VAST MAJORITY OF OUR CITIZENS OF OUR STATE, AS I SPOKE AROUND THE BUILDING HERE, THE VAST MAJORITY OF OUR LEGISLATORS WOULD JUST AS SOON LEAVE IT THE WAY IT IS. IN FACT, WE HAD A NUMBER OF POLLS TAKEN THAT SUGGEST THAT OUR CITIZENRY IS STILL IN THAT POSITION. WELL, CALIFORNIA MADE THAT CHANGE. CALIFORNIA IS OBVIOUSLY THE EIGHT HUNDRED POUND GORILLA. THE PARTIES WENT TO COURT AND SUED AND THE U.S. SUPREME COURT OVERTURNED OUR BLANKET PRIMARY. THE STATE OF WASHINGTON--THE REPUBLICAN AND THE DEMOCRAT PARTIES--STILL HAD THE OPPORTUNITY TO LEAVE OUR EXISTING BLANKET PRIMARY STAND. THEY DID NOT HAVE TO STRIKE IT DOWN, BECAUSE IT WAS ONLY OVERTURNED IN CALIFORNIA.

"IN FACT, YOU MAY REMEMBER MANY OF THE DISCUSSIONS LAST SUMMER WHEN I THINK VIRTUALLY EVERY ELECTED OFFICIAL, DEMOCRAT AND REPUBLICAN WENT IN AND SAID, 'PLEASE DON'T CHANGE OUR BLANKET PRIMARY SYSTEM--DON'T DO ANYTHING--LET IT STAY AS IT IS--EVERYTHING WILL WORK JUST FINE.' WELL, THE PARTIES SUED ANYWAY AND OUR PRIMARY SYSTEM IS IN JEOPARDY FOR THE SAME REASON THAT THE CALIFORNIA PRIMARY SYSTEM IS. SO, THAT BRINGS US TO THE POINT WHERE WE CAN COME UP WITH AN ALTERNATIVE. THE ALTERNATIVE, IN THE UNDERLYING BILL, THE SNYDER/SWECKER BILL, WOULD BE TO PUT THREE BOXES AT THE TOP OF THE BALLOT. THERE IS ONE THAT SAYS THAT YOU CHECK IT IF YOU WANT THE DEMOCRATS, ONE IF YOU UNAFFILIATED AND ONE IF YOU ARE REPUBLICAN. IN OUR PRESIDENTIAL PRIMARY, WHERE WE HAVE ESSENTIALLY THE SAME CHOICES, OVER EIGHTY PERCENT OF OUR CITIZENRY CHECKED 'UNAFFILIATED.' THE PARTIES HAVE ALREADY SAID THEY WERE NOT GOING TO COUNT THE UNAFFILIATED VOTES IN THESE PRIMARY ELECTIONS. THEY DIDN'T COUNT THEM IN THE PRESIDENTIAL PRIMARY--TWO PRESIDENTIAL PRIMARIES THAT WE HAD. TO THEIR CREDIT, THEY HAVE NOT TRIED TO TRICK US, THEY HAVE BEEN VERY CLEAR AND THEY DON'T INTEND ON COUNTING THEM IN THE FUTURE. NOW, THAT DOESN'T MEAN THAT CAN'T CHANGE. I MEAN IT CAN CHANGE, OF COURSE IT CAN CHANGE. OF COURSE, THERE COULD BE A MOVE, THERE COULD BE FULL PRESSURE BROUGHT ON THE PARTY TO COUNT THE UNAFFILIATED VOTERS IN THE PRIMARY. I THINK THAT HAVING THE PRESIDENTIAL PRIMARY TWICE AND NOT COUNTED, HAVING EVERY ELECTED OFFICIAL ASK THE PARTY, 'PLEASE DO NOT OVERTURN OUR BLANKET PRIMARY SYSTEM,' AND THEY DID ANYWAY. HAVING THEM SAY, EVERY TIME I HAVE HEARD THEM TALK ABOUT IT, THAT THEY DO NOT INTEND ON COUNTING THOSE BALLOTS NOW, IS A PRETTY GOOD TRACK RECORD THAT IT IS NOT LIKELY THAT THOSE UNAFFILIATED BALLOTS WILL BE COUNTED.

"CERTAINLY, IF THAT MEASURE PASSES, WE ARE IN A SITUATION WHERE IT IS TOTALLY UP TO THE PARTIES AS TO WHETHER OR NOT, THEY WILL COUNT ANYBODY THAT CHECKS 'UNAFFILIATED.' 'UNAFFILIATED,' REMEMBER, WAS AN EIGHTY PERCENT CHECK OF THE CITIZENS OF OUR STATE. WE HAVE A VERY INDEPENDENT STATE. IN FACT, I CAN'T EVEN REMEMBER TALKING TO SOMEBODY THAT HASN'T SAID, 'YOU KNOW I VOTE FOR THE PERSON, NOT FOR THE PARTY.' YOU KNOW, I THINK THAT IS A UNIVERSAL THOUGHT IN OUR STATE IS THAT WE HAVE VERY FEW STRAIGHT PARTY LINE VOTERS. SO, WHAT WE WOULD BE DOING IN MAKING THE CHANGE IN THE UNDERLYING BILL INSTEAD OF THE STRIKING AMENDMENT, WOULD BE TO GIVE THE PARTY THE OPPORTUNITY NOT TO COUNT THOSE UNAFFILIATED VOTERS, WHICH I BELIEVE THEY WON'T. THAT IS MY OPINION, BUT I BELIEVE THEY WON'T.

"IN THE STRIKING AMENDMENT, WHAT WE HAVE, IS THE PEOPLE'S CHOICE--OR THE TWO FORWARD. BASICALLY, YOU FILE JUST AS YOU HAVE FILED IN THE PAST AND THE TOP TWO VOTE GETTERS MOVE FORWARD. I THINK IF YOU LOOK AT VIRTUALLY EVERY ELECTION IN THE STATE, THAT WOULD TECHNICALLY BE REPUBLICAN AND DEMOCRAT, WITH A FEW EXCEPTIONS. EVEN WITH A FEW OF THOSE EXCEPTIONS, I THINK IF YOU LOOK AT IT AND FOUND IT WAS A CONTESTED PRIMARY ELECTION ON ONE SIDE AND MAYBE THE OTHER PARTY WAS NOT RUNNING VERY HARD IN THE PRIMARY AND IF THEY KNEW THEY HAD TO GET UP TO THE TOP TWO, THAT MIGHT CHANGE SOME OF THOSE RACES, ALSO.

"REALLY, THAT IS NOT THE ISSUE FROM MY PERSPECTIVE, IT IS HOW EACH OF US WOULD TURN OUT IN ALL OF THIS. THERE IS CERTAINLY NO WAY TO PREDICT AT THE POLLS HOW THAT IS GOING TO HAPPEN IN ANY ONE OF THESE RACES--WHO WE ARE GOING TO GET AS AN OPPONENT OR HOW MANY ARE GOING TO FILE AND WHAT IS GOING TO HAPPEN. I THINK THE UNDERLYING ISSUE FOR ME TO SUPPORT THIS AMENDMENT IS THAT EVERYBODY'S VOTE WILL COUNT AND CERTAINLY AFTER THIS LAST FALL AND THE PRESIDENTIAL ELECTION WHERE DESPITE THE OUTCOME OF WHAT YOU THOUGHT OF THE OUTCOME, THE CONTROVERSY OVER WHAT VOTES WILL COUNT AND NOT COUNT HAS CERTAINLY LEFT AN INDELIBLE IMPRINT ON THE MINDS OF THE PEOPLE IN THIS NATION AND OTHER STATES.

"I CANNOT IMAGINE, MYSELF, VOTING FOR A BILL THAT WOULD ALLOW VOTES TO NOT BE COUNTED. THAT IS THE ISSUE FOR ME--THAT IF WE TALK TO PEOPLE AND READ IN THE PRESS, IT SEEMS LIKE PARTISANSHIP AND POLITICS ARE THE DIRTY WORDS--AND BIPARTISANSHIP AND NONPARTISANSHIP AND WORKING TOGETHER IS WHAT EVERYBODY IS STRIVING FOR IN THIS COUNTRY. IF WE GO TO A SYSTEM WHERE THE PARTY CAN EXCLUDE VOTES IN THE PRIMARY, THEN WE ARE GOING TO BE SETTING UP A SITUATION WHICH IS MORE PARTISAN, IS MORE POLITICAL, AND I BELIEVE LESS LIKELY TO SOLVE PROBLEMS IN THE LONG RUN.

"ONE LAST THING I WOULD LIKE TO SAY IN FAVOR OF THE TWO-FORWARD OR THE PEOPLE'S CHOICE--THE STRIKING AMENDMENT--WHICH I HAVE SPONSORED HERE IS THAT IT WILL NOT COST US ANY EXTRA MONEY. IT IS SO SIMILAR TO THE SYSTEM THAT WE HAVE THAT THE COUNTY AUDITORS HAVE SAID THEY COULD DO THAT WITH WHAT THEY HAVE. THE UNDERLYING BILL--THE SNYDER/SWECKER BILL--THE FISCAL NOTE IS FOURTEEN POINT THREE MILLION DOLLARS. THAT IS PRETTY EXPENSIVE IN ORDER TO COME UP WITH A SYSTEM TO NOT COUNT VOTES. I WOULD SUGGEST THAT WE ALL VOTE FOR THE STRIKING AMENDMENT AND WE ALLOW THE CITIZENS VOTES OF THIS STATE--THIS VERY POPULATED, VERY INDEPENDENT STATE TO CONTINUE TO COUNT IN THE PRIMARY, SO THE CANDIDATES CAN COME FORWARD THAT APPEAL TO THE GREAT MAJORITY OF THE CENTER, IF YOU WILL, INSTEAD OF SOME VERY EXTREME PARTY PEOPLE THAT WOULD END UP MAKING OUR SYSTEM MORE POLITICAL AND MORE PARTISAN AND CERTAINLY, IN MY OPINION, GO TO FRUSTRATE THE WILL OF THE PEOPLE IN THE ELECTION PROCESS. I URGE YOUR SUPPORT FOR THE STRIKING AMENDMENT."

REMARKS BY SENATOR KOHL-WELLES

SENATOR KOHL-WELLES: "THANK YOU, MR. PRESIDENT. I RISE IN OPPOSITION TO THE STRIKING AMENDMENT. AND I HAVE TO AGREE WITH SENATOR HARGROVE THAT THE PEOPLE, AS WELL AS WE LEGISLATORS, WOULD LIKELY PREFER TO KEEP OUR PRIMARY SYSTEM AS IT IS, BUT WE CAN'T DO THAT. IF WE DO NOT PASS LEGISLATION THAT THE GOVERNOR WOULD SIGN, THEN IT WILL BE UP TO A FEDERAL COURT JUDGE AND THERE'S A VERY STRONG LIKELIHOOD THAT THE PARTIES WOULD PREVAIL AND THAT WE WOULD END UP WITH REGISTRATION BY PARTY, CLOSED PRIMARY BALLOTS AND I DON'T BELIEVE THAT THAT IS WHAT MOST OF US WOULD LIKE.

"SENATOR HARGROVE SAID THAT HE IS IN FAVOR OF EVERYBODY'S VOTE COUNTING. BUT WHO IS EVERYBODY? IN THE HISTORY OF OUR STATE, PRIMARY ELECTIONS HAVE A MUCH LOWER TURNOUT THAT DO ELECTIONS IN THE GENERAL ELECTION IN NOVEMBER. IN FACT, OVER THE PAST DECADE OR SO, THE AVERAGE FOR PRIMARY ELECTION TURNOUT IS FORTY PERCENT. FOR THE GENERAL ELECTION, IT IS SEVENTY-ONE PERCENT. SO WHO IS EVERYBODY? IF WE HAVE THE PRIMARY ELECTION VOTERS MAKE THE DETERMINATION THAT TWO PEOPLE, TWO CANDIDATES, ADVANCE AND IF THEY ARE OF THE SAME PARTY, THEN WHAT ARE OUR CONSTITUENTS GOING TO FEEL WHEN THEY GO TO VOTE IN THE GENERAL ELECTION AND THERE ARE TWO REPUBLICANS ONLY? OR THERE ARE TWO DEMOCRATS ONLY? AND THAT THERE WILL NOT BE ANY MINOR PARTY CANDIDATES ON THE GENERAL ELECTION BALLOT UNLESS A MINORITY PARTY CANDIDATE IS ONE OF ONLY TWO CANDIDATES ON THE PRIMARY ELECTION BALLOT. MINOR PARTY CANDIDATES CAN SERVE A PURPOSE. THEY CONTRIBUTE TO THE DEBATE. THEY CONTRIBUTE TO A FULLER DISCUSSION AND DELIBERATION OF THE ISSUES. NOW, WHEN IN HISTORY HAVE WE HAD TWO PARTIES, EXCUSE ME, TWO CANDIDATES OF THE SAME PARTY BE THE ONES TO ADVANCE? WE HAVEN'T. BUT WHAT WOULD HAPPEN, HAS HAPPENED IN SOME CRITICAL RACES. IN 1980, JOHN SPELLMAN WOULD NOT HAVE ADVANCED TO THE GENERAL ELECTION FOR GOVERNOR. IT WOULD HAVE BEEN TWO DEMOCRATS WHO WOULD HAVE ADVANCED. YET, SPELLMAN WON FOR GOVERNOR.

"I WOULD IMAGINE THAT THERE WOULD HAVE BEEN REPUBLICANS ACROSS THE STATE WHO WOULD HAVE BEEN VERY UNHAPPY IF THEY HAD NOT HAD A CHOICE IN THE GENERAL ELECTION TO VOTE FOR A REPUBLICAN. IN 1996, IF THE TOP TWO VOTE GETTERS HAD ADVANCED FOR GOVERNOR, THEN THE VOTERS OF WASHINGTON STATE WOULD ONLY HAVE BEEN ABLE TO SELECT FROM GARY LOCKE AND FROM NORM RICE. AGAIN, HOW MANY REPUBLICANS IN THIS STATE WOULD HAVE BEEN PLEASED WITH THEIR CHOICES? NOW, WE DO KNOW THAT IN LOUISIANA THROUGHOUT THE NINETIES, THE STATE RANKED AT THE BOTTOM OF VOTER TURNOUT IN MOST ELECTIONS. AND THE THOUGHT IS BECAUSE THERE WAS SO LITTLE CHOICE AND VOTERS JUST DID NOT TURN OUT BECAUSE THEY WEREN'T INTERESTED IN VOTING AS THEY WOULD HAVE IF THERE HAD BEEN A COMPETITIVE RACE.

"THE ELWAY POLL CONDUCTED IN MARCH OF THIS YEAR ASKS A LOT OF QUESTIONS. ONE QUESTION POSED WAS WOULD YOU FAVOR A SYSTEM IN WHICH THE TWO TOP VOTE GETTERS WOULD ADVANCE EVEN IF THEY WERE OF THE SAME PARTY? FIFTY-SEVEN PERCENT INDICATED THEY WOULD NOT FAVOR THAT. I BELIEVE THAT WE NEED TO TURN DOWN THIS STRIKING AMENDMENT. WE NEED TO GIVE VOTERS CHOICE, BUT THE GENERAL ELECTION IS WHERE THAT IS MOST CRITICAL. THE PARTIES HAVE INDICATED THAT THEY WOULD INDEED CONSIDER COUNTING THE UNAFFILIATED VOTER'S BALLOTS. IF THEY WERE NOT TO AND THAT IS KNOWN ON THE VOTER PAMPHLET; IT'S KNOWN ON THE PARTIES' WEB SITE; IT'S STATED AT THE TOP OF THE BALLOT; AND IT'S IN THE CAMPAIGN; THEN THEY WOULD HAVE TO PAY THE PRICE FOR THAT. I BELIEVE THAT SYSTEM WOULD CHANGE INDEED. I URGE YOU TO DEFEAT THE STRIKING AMENDMENT."

REMARKS BY SENATOR SWECKER

"SENATOR SWECKER: "THANK YOU, MR. PRESIDENT. I RISE TO SPEAK RELUCTANTLY IN OPPOSITION TO THIS MEASURE. IN A PERFECT WORLD, I'D LIKE TO STAY WITH THE BLANKET PRIMARY THAT WE CURRENTLY HAVE AND IN THE NEAR PERFECT WORLD, I'D PROBABLY WOULD BE VOTING FOR THIS AMENDMENT AS IT'S STATED. THE ONE OUTCOME THAT I DREAD MOST SHOULD THIS AMENDMENT BE ADOPTED IS THAT THE PARTIES HAVE ALREADY INDICATED THAT THEY WOULD BE FORCED TO

GO TO A CONVENTION SYSTEM TO SELECT THEIR NOMINEES. IN A CONVENTION SYSTEM, YOU SIMPLY HAVE A SMALL HANDFUL OF DELEGATES WHO DETERMINE WHO THE PARTIES' NOMINEES WOULD BE. SO, THE LOGIC THAT EVERY VOTE WOULD COUNT, I THINK, IS A MISNOMER. IN FACT, EVEN FEWER VOTES WOULD COUNT THAN THE UNDERLYING BILL. IT'S UNFORTUNATE THAT OUR BLANKET PRIMARY SYSTEM WASN'T DEEMED TO BE CONSTITUTIONAL.

"YOU KNOW, I'VE DECIDED I CAN'T PICK AND CHOOSE WHAT PARTS OF THE CONSTITUTION I WANT TO SUPPORT AND WHAT PARTS I DON'T WANT TO SUPPORT. I CAN'T SAY THAT I LIKE THE SECOND AMENDMENT, BUT I DON'T LIKE THE FIRST AMENDMENT. SO, WHAT I THINK WE NEED TO DO IS COME UP WITH A SYSTEM THAT OBSERVES THE CONSTITUTIONAL RIGHTS OF THE PARTIES--THE PEOPLE IN THE PARTIES TO AFFILIATE--AND TO PUT FORWARD THEIR CANDIDATE. THE PARTIES REALLY HAVE ASKED FOR ALL KINDS OF THINGS IN THEIR SUIT BEFORE THE COURT, BUT REALLY THIS BILL ONLY GIVES THEM ONE OF THE FOUR THINGS THAT THEY ASKED FOR. BUT, ONE THING IT GIVES THEM IS SOME VERY LIMITED AMOUNT OF CONTROL OVER WHO GETS TO VOTE FOR THEIR CANDIDATES. PEOPLE CAN STILL REGISTER AS REPUBLICANS OR DEMOCRATS OR INDEPENDENTS OR ANYBODY ELSE. EVERYBODY CAN GET ON THE BALLOT. YOU CAN CHOOSE WHETHER YOU WANT TO VOTE FOR REPUBLICANS OR DEMOCRATS, YOU DON'T HAVE TO REGISTER. THERE'S NO LIST PUBLISHED. IT'S REALLY A VERY SMALL, MINIMAL FIX TO THE SYSTEM THAT WE HAVE TODAY.

"I HAVE A BIG CONCERN THAT IF WE PASS THIS AMENDMENT AND THEN PASS THE BILL, WE'RE JUST GOING TO END UP GOING BACK TO COURT. WE HAVE THREE PARTIES WHO'VE ALREADY SAID THEY ARE GOING TO SUE IF THIS BILL PASSES. THEY'RE GOING TO GO RIGHT TO COURT AND TRY TO CONTROL WHO ACTUALLY GETS ON THE BALLOT WITH THEIR PARTY NAME AFFILIATED, AND I'VE HEARD VERY GOOD ARGUMENTS THAT THEY WILL BE SUCCESSFUL IN THAT. IN FACT, THE ATTORNEY GENERAL SAID THAT WE HAVE ONE OF TWO THINGS, BUT WE CAN'T HAVE BOTH. THE PARTIES EITHER HAVE TO BE ABLE TO CHOOSE WHO GETS ON THE BALLOT OR THEY HAVE TO BE ABLE TO CHOOSE WHO VOTES FOR THEM. NOW, UNDER THIS SYSTEM, THEY AREN'T CONTROLLING WHO GETS ON--WHO VOTES FOR THEM--SO THEY DEFINITELY WILL HAVE THE CHANCE TO CONTROL WHO GETS ON IT. LET'S STAY OUT OF COURT. LET'S VOTE 'NO' ON THIS AMENDMENT AND PASS THE UNDERLYING BILL AND GO HOME. THANK YOU."

REMARKS BY SENATOR GARDNER

SENATOR GARDNER: "THANK YOU, MR. PRESIDENT. WE ACTUALLY HAVE TWO ELECTION SYSTEMS IN THE STATE OF WASHINGTON. WE HAVE THE EVEN NUMBERED YEAR SYSTEM AND WE HAVE THE ODD NUMBERED YEAR SYSTEM AND IT'S ONLY THE ODDNUMBERED YEAR SYSTEM THAT HAS BEEN JUDGED UNCONSTITUTIONAL AND ABOUT WHICH WE DEBATE TODAY. THE EVEN-NUMBERED SYSTEM IS EXACTLY WHAT THE STRIKER IS ALL ABOUT. IN MUNICIPAL LOCAL ELECTIONS WHICH OCCUR THIS YEAR, ALL THE CANDIDATES' NAMES WILL BE ON THE BALLOT. ANYBODY WHO WANTS TO FILE TO RUN CAN RUN. THEY CAN SAY THAT THEY'RE A REPUBLICAN; THEY CAN SAY THEY'RE A DEMOCRAT; THEY CAN SAY THEY'RE A LIBERTARIAN; THEY CAN SAY ANYTHING THEY WANT TO SAY. THE PRIMARY ELECTION IS HELD AND THE TOP TWO ADVANCE TO THE GENERAL ELECTION BALLOT. THAT IS EXACTLY WHAT THIS STRIKING AMENDMENT PROPOSES. THIS ISN'T A LOUISIANA PRIMARY. IT ISN'T A CAJUN PRIMARY. THIS IS A WASHINGTON STATE PRIMARY. ALL WE'RE SAYING IS, WE'RE GOING TO RUN OUR PRIMARY ELECTIONS THE SAME IN BOTH YEARS.

"NOW, I UNDERSTAND THAT THERE ARE SOME QUESTIONS ABOUT WHETHER OR NOT THIS IS CONSTITUTIONAL. THE ATTORNEY GENERAL, WHEN SHE TALKED TO ME AND IT WAS IN A LARGE GROUP, SO I ASSUME OTHERS HEARD IT AS WELL AS I DID, BUT IT'S MY UNDERSTANDING THAT SHE SAID SHE COULD DEFEND IT IN COURT--THAT SHE FELT THAT IT WAS LEGAL. SO, I'M NOT CONCERNED ABOUT THAT. IT CERTAINLY WOULD APPEAR TO BE LEGAL SINCE WE'VE HAD THIS KIND OF PRIMARY ELECTION FOR MANY YEARS NOW FOR THE LOCALLY ELECTED OFFICIALS, AND NO ONE HAS CHALLENGED IT. I'M SORRY THAT WE HAVE TO RELY ON NEWSPAPER REPORTS AND POLLS AND THE WAY WE JUDGE OUR OWN E-MAILS AND HOTLINE CALLS AND LETTERS AND PEOPLE WE TALK TO. I'M SORRY WE DIDN'T HAVE THE ABILITY TO HAVE A PUBLIC HEARING ON THIS ISSUE.

"THOUGH WE'RE ALL TRYING TO MAKE UP OUR MINDS ABOUT WHAT THE PUBLIC WANTS AND HOW THE PUBLIC FEELS OR WHAT THE PUBLIC SUPPORTS, BUT I THINK THAT LABELING IT WITH ANOTHER STATE'S NAME IS A MISLEADING TITLE AND WE REALLY JUST NEED TO LOOK AT WHAT WE'VE BEEN DOING IN THE STATE OF WASHINGTON EVERY OTHER YEAR FOREVER. THAT IS THAT ANYBODY WHO WANTS TO RUN FOR ELECTION SIGNS UP TO RUN. WE HAVE A PRIMARY ELECTION ON WHICH ALL NAMES APPEAR ON THE BALLOT. ANYBODY CAN VOTE FOR ANYBODY. ALL THE VOTES ARE COUNTED AND THE TOP TWO VOTERS--VOTER GETTERS--MOVE ON TO THE GENERAL ELECTION. WE HAVEN'T BEEN HORRIFIED BY THAT PROCESS TO DATE. IT'S WORKED. IT'S ACCEPTED AND ALL WE'RE SAYING IS THAT WE'RE GOING TO EXTEND IT TO EVERY YEAR.

"NOW, I UNDERSTAND. I UNDERSTAND AS A LEGISLATOR THAT THIS MAY NOT BE POPULAR WITH MY PARTY. I UNDERSTAND THAT THEY MIGHT EVEN BE CONCERNED ABOUT MY REMARKS. I UNDERSTAND IT'S GOING TO BE MORE DIFFICULT FOR US TO DO FUND RAISING. I UNDERSTAND IT'S GOING TO BE MORE DIFFICULT FOR PEOPLE WHO ARE USED TO NOT HAVING A GENERAL ELECTION. BUT THE FOCUS IS NOT ON THOSE OF US WHO RUN. THE FOCUS IS ON THE VOTERS. IT'S HARD FOR ME TO STAND UP AND DO SOMETHING THAT IS GOING TO ANGER SOME OF MY COLLEAGUES AND CERTAINLY THE PEOPLE THAT I'VE

WORKED WITH OVER THE YEARS, BUT I HAVE NO CHOICE. I HAVE NO CHOICE. WHAT THE PEOPLE ARE SAYING TO ME, AND I CAN ONLY JUDGE WHAT THE PEOPLE SAY TO ME, IS THAT THEY WANT TWO THINGS. THEY WANT TO VOTE FOR WHOMEVER THEY CHOOSE AND THEY WANT THEIR VOTE TO COUNT. BOTTOM LINE. THAT'S IT. THIS ISN'T A CAJUN PRIMARY. THIS ISN'T A LOUISIANA PRIMARY. THIS IS A WASHINGTON PRIMARY AND ALL WE'RE SAYING IS GIVE THE PEOPLE THE RIGHT TO DO WHAT THEY ALREADY DO EVERY OTHER YEAR--THAT THEY CAN VOTE FOR ANYONE THAT THEY CHOOSE AND THAT THEIR VOTE WILL COUNT. GUARANTEED THAT THEIR VOTE WILL COUNT. NOT IF SOMEBODY DECIDES IF THEIR VOTE WILL COUNT, BUT GUARANTEED THAT THEIR VOTE WILL COUNT. I HAVE NO CHOICE BUT TO SUPPORT THIS STRIKING AMENDMENT BECAUSE THIS IS THE ONLY METHOD THAT DELIVERS. MAKE OUR PRIMARIES EVERY YEAR THE SAME. IT'S WORKED FOR US FOR MANY, MANY YEARS AND IT WILL WORK FOR US IN THE FUTURE. SO, I DO ASK FOR YOUR SUPPORT FOR THIS STRIKING AMENDMENT. THANK YOU."

REMARKS BY SENATOR CARLSON

SENATOR CARLSON: "THANK YOU, MR. PRESIDENT AND LADIES AND GENTLEMEN OF THE SENATE. SPEAKING IN SUPPORT OF THE STRIKING AMENDMENT BEFORE US, I AM GOING TO REFER TO THIS AS THE WASHINGTON VOTER PREFERENCE PRIMARY AND I HOPE THE PRESS WILL PAY ATTENTION TO THE LANGUAGE OF THIS TERM. PLEASE DO NOT REFER TO IT--TO WHAT IT IS NOT. IT IS NOT LOUISIANA. IT IS NOT CAJUN. IT IS NOT SOME SYSTEM THAT'S OFTEN IDENTIFIED AS SOME CORRUPT FORM THAT POSSIBLY MAY BE IN SOME OTHER STATE. IT IS THE WASHINGTON VOTER PREFERENCE PRIMARY, WHICH IS ASSOCIATED WITH WHAT THE CITIZENS HAVE CHOSEN TO HAVE FOR THE LAST SIXTY YEARS WITH A GREAT DISTINCTION AND PRIDE.

"I'VE HAD THE PLEASURE OF TEACHING U.S. HISTORY AND CIVICS IN GOVERNMENT IN THIS STATE IN THE HIGH SCHOOL FOR THIRTY YEARS. AS WE DISCUSSED AND TALKED FOR THIRTY YEARS ABOUT THE BLANKET PRIMARY AND HOW WE GOT THE BLANKET PRIMARY AND THE FACT THAT THE CITIZENS OF THIS STATE COULD CHOOSE WHOMEVER THEY WANTED TO VOTE FOR ON THE BALLOT TIME AND AGAIN, THE HUGE, LARGE PERCENTAGE OF STUDENTS SAID, 'WHY WOULDN'T YOU WANT TO DO THIS?' THIS IS WHAT FREEDOM IS ALL ABOUT. THIS IS WHAT REPUBLICAN FORM OF GOVERNMENT GIVES US A CHOICE TO HAVE AND THAT'S WHAT THIS STRIKER PROPOSES--TO ALLOW CITIZENS THEIR CHOICE IN MAKING THE OPPORTUNITY OF A PRIMARY ELECTION THAT WILL CONTINUE TO BE SIGNIFICANT AND IMPORTANT AND TRYING TO ENCOURAGE PEOPLE TO VOTE FOR THEIR CHOICE.

"NOW, I RECOGNIZE THAT INDEED THE INTEGRITY OF THE SYSTEM IS PART OF THE ISSUES THAT ARE BEING DISCUSSED WHEN THE AUDITORS RECOMMEND THE CHOICE ON THE PART OF THE CITIZENS. OUR AUDITORS ARE PROUD TO HAVE A VOTING SYSTEM IN THIS STATE WHERE THE CITIZENS KNOW THAT THERE IS A RESPONSIBLE CHOICE AND OPTION CLEARLY IDENTIFIED AND EASILY IDENTIFIED AND WE HAVE NOT HAD PROBLEMS THAT EXISTED IN SOME OTHER STATES. THE SELECTION OF THE STRIKING AMENDMENT PROVIDES A CONTINUATION OF THAT SYSTEM. IN ADDITION, I'D LIKE TO SUGGEST TO YOU THAT THERE IS AN ANSWER TO THE DILEMMA OF WHAT FOLKS CROSSING OVER THE VOTE TO VOTE FOR SPELLMAN OR VOTE FOR LOCKE IN PAST HISTORY. PART OF THE REASON THEY DID THAT IS BECAUSE THAT THEY THOUGHT THAT THEY COULD VOTE FOR A WEAKER CANDIDATE, BUT THE STRIKING AMENDMENT WE HAVE BEFORE US SUGGESTS THAT YOU BETTER NOT DO THAT, BECAUSE YOU'D BETTER VOTE FOR THE ONE THAT YOU CARE MOST ABOUT BECAUSE YOUR CANDIDATE MAY NOT GET ELECTED IF YOU DON'T. "THAT'S THE WEAKNESS OF THE BLANKET PRIMARY--THAT THOSE FOLKS WHO PLAY POLITICAL GAMES COULD THINK THAT THEY COULD VOTE FOR THE WEAKER CANDIDATE ON THE OTHER SIDE. THE STRIKING AMENDMENT SAYS THAT WON'T WORK ANYMORE CAUSE IF YOU DO THAT, YOU'RE LIABLE TO HAVE TWO FROM THE SAME PARTY. SO THEREFORE, KEEP YOUR VOTE ON THE SIDE THAT'S GOING TO COUNT AND WHAT IS GOING TO BE VERY SIGNIFICANT IN YOUR PARTICULAR VOTING ELECTION. IT IS TRUE THAT YOU MIGHT HAVE FOLKS IN A CONVENTION SYSTEM BE SELECTED AS A PARTY PREFERENCE, BUT THAT DOES NOT PREVENT CITIZENS FROM REGISTERING AS A REPUBLICAN, AS A DEMOCRAT, AS A LIBERTARIAN, WHATEVER YOU LIKE. YOU HAVE THE RIGHT TO PUT YOUR NAME WITH YOUR PARTY BEHIND THAT ON THE BALLOT AND YOU CAN VOTE AS YOU CHOOSE, BUT IF WE DON'T VOTE FOR A SYSTEM THAT ONLY ALLOWS ONE SIDE, WE HAVE TAKEN CHOICE AWAY FROM THE CITIZENS. ONE OF THE THINGS THAT I'M PROUD ABOUT IN THIS STATE IS THAT WE'VE ENCOURAGED CHOICE. WE'VE ENCOURAGED PEOPLE TO MAKE THAT VOTE COUNT AND BE SIGNIFICANT FOR THEM.

"THE GOVERNOR, IN AN INTERVIEW, THAT TOOK PLACE LAST WEEK INDICATED THAT ALTHOUGH HE HAD SOME PREFERENCES, HE WOULD SIGN WHATEVER OF THESE TWO BILLS THE LEGISLATURE CHOSE TO RECOMMEND. SO, THE FACT THAT WHETHER WE CHOOSE THE PRIMARY BILL THAT'S BEFORE US OR THE STRIKING AMENDMENT, THE GOVERNOR HAS ALREADY INDICATED THAT HE WOULD VOTE FOR WHATEVER WAS PUT BEFORE HIM.

"AS I'VE READ THE ELWAY POLLS, I SEE SEVENTY-TWO TO EIGHTY PERCENT OF THE CITIZENS OF THIS STATE INDICATING THAT THEY WOULD LIKE TO BE ABLE TO CHOOSE FOR THEMSELVES THE CANDIDATE THAT THEY BELIEVE IN. SURE THERE MAY BE A PREFERENCE TO ONE PARTY OR THE OTHER, BUT THE FACT IS THAT MANY TIMES, BECAUSE OF FRIENDS THAT THEY'VE TALKED TO, BECAUSE OF INDIVIDUALS THAT ARE IMPORTANT TO THEM, THEY HAVE DECIDED THAT THERE IS A CANDIDATE OR A COUPLE OF CANDIDATES ON THE OTHER SIDE OF THEIR BALLOT THAT THEY THINK ARE THE BEST CANDIDATES. ARE WE GOING TO SAY TO OUR CITIZENS THAT THEY CANNOT VOTE FOR WHAT THEY THINK IS THE BEST? I THINK WE WANT TO ENCOURAGE THE BEST PEOPLE TO

REPRESENT US FROM THE PRIMARY, AS WELL AS IN THE GENERAL ELECTION, AND I URGE YOUR SUPPORT FOR THE PASSAGE OF THE STRIKING AMENDMENT.”

REMARKS BY SENATOR FINKBEINER

“SENATOR FINKBEINER: “THANK YOU, MR. PRESIDENT AND MEMBERS OF THE SENATE. I THINK WE’RE REALLY FACED HERE WITH A VERY STARK AND CLEAR CHOICE BETWEEN TWO OPTIONS. I THINK TO SOME EXTENT FOLKS HAVE TOUCHED ON THAT, BUT I THINK TO REALLY UNDERSTAND AND TO REALLY MAKE A DECISION ABOUT WHICH OF THESE TWO OPTIONS WE WISH TO GO FOR, WE HAVE TO STOP THINKING ABOUT OURSELVES AND STOP THINKING ABOUT THE ONE HUNDRED AND FIFTY PEOPLE HERE THAT ARE ELECTED AND START THINKING ABOUT THE SIX MILLION PEOPLE IN WASHINGTON STATE AND START THINKING ABOUT THE PEOPLE THAT HAVE THE RIGHT TO VOTE IN A SYSTEM OF GOVERNMENT LIKE OURS. THE MOST SACRED RIGHT IS THE RIGHT TO VOTE. THERE’S AN OLD SAYING THAT IN A DEMOCRACY IS NOT THE VOTING THAT MATTERS, IT’S THE COUNTING. IT IS ESPECIALLY APPLICATIVE HERE. IF WE’RE GOING TO ASK THE CITIZENS FOR THE OTHER SIDE OF THAT VOTING CONTRAST WHICH IS DO WE WANT TO RIGHT TO TAKE YOUR MONEY? WE WANT TO HAVE THE RIGHT TO REGULATE YOUR BUSINESS, TO REGULATE THE PROPERTY THAT YOU OWN. EVEN IN THE CASES OF THE MOST HEINOUS CRIMES, TO HAVE THE RIGHT TO DECIDE HERE IN THE CHAMBER WHETHER OR NOT WE CHOOSE PEOPLE TO HAVE PEOPLE PUT TO DEATH FOR CERTAIN CRIMES. IF WE’RE GOING TO HAVE THAT RESPONSIBILITY GIVEN TO US BY THE PEOPLE, I THINK WE HAVE TO TURN AROUND AND LOOK AT THE RIGHTS THAT THOSE PEOPLE HAVE--TO VOTE AND TO HAVE THEIR VOTE COUNTED.

“NOW, SOME PEOPLE MIGHT SAY, ‘WELL, YOU’RE GETTING THIS CONFUSED WITH A NOMINATION AND ELECTION. YOU KNOW, WELL, THIS REALLY ISN’T THE ELECTION, REALLY THE GENERAL ELECTION IS WHERE IT HAPPENS.’ YOU KNOW, I REALLY DON’T THINK THAT’S THE CASE. NUMBER ONE, I THINK--LET’S LOOK AT WHAT WE ALL CALL THIS. WE CALL IT THE PRIMARY ELECTION. HAVE YOU EVER HEARD ANYBODY REFER TO IT AS THE PRIMARY NOMINATING SYSTEM? I THINK NOT. NUMBER TWO, I’D SAY THIS IS THE ONLY WAY THAT YOU GET TO THE GENERAL. IF YOU CONTROL THE PRIMARY, YOU CONTROL THE GENERAL, BECAUSE YOU DON’T GET TO THE GENERAL ELECTION BALLOT THROUGH ANY OTHER ROUTE EXCEPT THROUGH THE PRIMARY ELECTION, AND IF WE GIVE UP THE RIGHT OF SOME PEOPLE TO HAVE THEIR VOTE COUNTED IN THAT PRIMARY, WE’RE REALLY GIVING UP THEIR RIGHT TO SELECT THE PERSON THEY WISH TO HAVE REPRESENTING THEM IN THAT ELECTION.

“FINALLY, YOU KNOW, WE CAN ALL TALK ABOUT POLLS AND WE CAN ALL READ POLLS AND WE CAN ALL READ DIFFERENT THINGS IN THE POLLS, BUT I THINK WHAT THE PEOPLE HAVE CLEARLY SAID, AND I THINK WE ALL UNDERSTAND IT, IS WE WANT WHAT WE’VE GOT. OKAY. THE PARTIES TOOK US TO COURT. THEY DON’T WANT WHAT WE’VE GOT. THEY WANT US TO GIVE THEM A BUNCH OF POWER, BUT LET’S LOOK AT BETWEEN THE TWO OF THESE SYSTEMS THAT WE HAVE BEFORE US TODAY AND WHICH ONE MORE CLOSELY ALIGNS ITSELF WITH OUR CURRENT PRIMARY SYSTEM. WE PASSED OUT HERE FOR ALL OF YOU TO SEE A PROPOSAL FOR A SAMPLE BALLOT THAT YOU’D GET UNDER THIS UNDERLYING BILL. YOU CAN READ THROUGH HERE AND UNLIKE OUR CURRENT SYSTEM, IT’S GOT FINE PRINT ALL OVER THE PLACE. IT SAYS, ‘IF YOU SELECTED UNAFFILIATED, THEN ALL VOTES WILL BE TABULATED.’ AND I CAN’T EVEN READ THIS--THE PRINT’S SO SMALL--‘BECAUSE NEITHER THE DEMOCRATIC PARTY OR REPUBLICAN PARTY HAS AGREED TO ALLOW ANY AFFILIATED VOTERS TO PARTICIPATE IN THE REPRESENTATIVE NOMINATION PROCESS, VOTES CAST FOR CANDIDATES OF THOSE PARTIES WILL NOT HELP NOMINATE THE CANDIDATES FOR THE GENERAL ELECTION. VOTES CAST FOR MINOR POLITICAL PARTIES--INDEPENDENT POLITICAL CANDIDATES, AS WELL AS CANDIDATES FOR NONPARTISAN OFFICE AND BALLOT MEASURES AREN’T AFFECTED BY YOUR PARTY AFFILIATION.’ THAT SOUNDS LIKE WARRANT LANGUAGE THAT YOU GET WHEN YOU GO BUY SOMETHING AT SEARS. YOU KNOW. THAT DOES NOT SOUND LIKE CLEAR INFORMATION THAT LETS YOU VOTE AND LETS YOU SELECT THE PERSON WHO YOU WANT TO REPRESENT YOU IN THAT ELECTION.

“NOW, CONTRAST THAT TO THE SYSTEM THAT WOULD BE SET UP WITH THE STRIKER THAT WE ARE PROPOSING HERE. YOU WOULD GO INTO VOTE; YOUR BALLOT WOULD LOOK EXACTLY THE SAME; YOU’D VOTE EXACTLY THE SAME. EVERYTHING WOULD BE THE SAME AS IT HAS BEEN FOR SIXTY-FIVE YEARS. YOU WOULDN’T BE CONFUSED BY THE FINE PRINT. YOU WOULDN’T HAVE TO FIGURE OUT WHAT THE HECK WAS GOING ON--WHEN DOES MY VOTE COUNT--IS IT GOING TO COUNT IF I VOTE FOR A MINOR PARTY-- DOES IT COUNT IF I VOTE FOR A DEMOCRAT OR A REPUBLICAN--ALL THIS STUFF. WE CLEARLY FOLLOW WHAT THE PEOPLE HAVE ASKED FOR, WHICH IS CLARITY AND CLOSEST TO OUR VOTING SYSTEM. REALLY, AT THE END OF THIS, I THINK WE HAVE TO CHOOSE, WHO ARE WE REPRESENTING HERE? ARE WE REPRESENTING THE PARTIES’ ABILITY TO CHOOSE WHO IS GOING TO REPRESENT THE SYSTEM--THE PEOPLE OF THIS STATE? THEY CAN STILL NOMINATE; THEY CAN DO THAT NOW. THEY CAN HOLD CONVENTIONS; THEY CAN DO THAT NOW. THEY’LL PROBABLY DO IT NO MATTER WHAT WE DO, BUT THE QUESTION IS ARE WE GOING TO GIVE THEM MORE CONTROL OVER OUR ELECTIONS, OR ARE WE GOING TO LEAVE THAT CONTROL TO THE PEOPLE? I THINK THIS IS A GREAT DEBATE FOR THE SENATE TO HAVE AND WHEN IT COMES DOWN TO WHAT WE’RE GOING TO DO, WHAT THE PEOPLE--NOT THE FORTY-NINE OF US IN THIS CHAMBER--BUT WHAT THE OTHER SIX MILLION PEOPLE OF THIS STATE WOULD LIKE US TO DO AND I URGE YOUR SUPPORT OF THIS STRIKER.”

REMARKS BY SENATOR CONSTANTINE

“SENATOR CONSTANTINE: “THANK YOU, MR. PRESIDENT. WELL, OF ALL THE DAYS I’VE SPENT IN THE LEGISLATURE SO FAR, THIS ONE IS, IN MANY WAYS, THE MOST REFRESHING. THIS IS WHAT I THOUGHT BEING IN THE LEGISLATURE WOULD BE LIKE WHEN I WAS IN MY ELEVENTH GRADE SOCIAL STUDIES CLASS. HERE WE ARE. WE’RE REALLY DISCUSSING CIVICS FINALLY. I APPRECIATE ALL THE SPEECHES ON BOTH SIDES. I THINK THEY’VE BEEN VERY CLEAR, VERY FORTHRIGHT AND I THINK ALL IN THE BEST INTERESTS OF THE PEOPLE. WE ALL LIKED THE PRIMARY ELECTION. IT WAS GOOD. IT WAS FAIR AND IT GOT EVERY PERSON IN THIS CHAMBER ELECTED TO OFFICE AND IT’S UNCONSTITUTIONAL AND SO WE ARE FACED WITH A PRETTY CLEAR CHOICE BETWEEN TWO COMPUTING SYSTEMS TO REPLACE IT.

“IT’S STATED THAT THE LOUISIANA SYSTEM PRESERVES, AS MUCH AS POSSIBLE, THE BLANKET PRIMARY THAT WE ARE LOSING. I WOULD SUGGEST TO YOU THAT WHILE IT MAY RESEMBLE IT MORE IN FORM, IT DEPARTS IN SUBSTANCE A GREAT DEAL FROM OUR CURRENT PRIMARY SYSTEM. IT DEPARTS IN SUBSTANCE BECAUSE IT IS A FACT THAT THERE WILL BE FEW, IF ANY, SITUATIONS WHERE A MINOR PARTY CANDIDATE APPEARS ON THE GENERAL ELECTION BALLOT. IT DEPARTS IN SUBSTANCE BECAUSE THERE WILL BE MANY DISTRICTS WHERE IN THE GENERAL ELECTION YOU HAVE YOUR CHOICE BETWEEN TWO REPUBLICANS OR TWO DEMOCRATS. IN FACT, THE FIRST TIME I RAN FOR THE HOUSE OF REPRESENTATIVES, MR. PRESIDENT, THE FORTY PERCENT OF THE VOTERS OR THIRTY-FIVE PERCENT OF THE VOTERS IN MY DISTRICT WHO GENERALLY VOTE REPUBLICAN WOULD HAVE BEEN FACED WITH A CHOICE BETWEEN TWO DEMOCRATS AND THEY WOULD HAVE HAD TO GUESS WHICH ONE WAS THE MORE REPUBLICAN DEMOCRAT. THAT IS NOT A FAIR SITUATION FOR THEM AND THE SAME IS TRUE IN A REPUBLICAN-LEANING DISTRICT. IT IS NOT FAIR FOR MY DEMOCRATIC FRIENDS IN SOME OF YOUR DISTRICTS TO HAVE TO CHOOSE BETWEEN TWO REPUBLICANS AND GUESS WHICH ONE IS THE MORE DEMOCRATIC.

“ELECTIONS, MR. PRESIDENT, SHOULD BE ABOUT IDEAS. THIS SYSTEM WITH TWO PEOPLE MOVING FORWARD BASED ON THEIR POPULARITY IN A PRIMARY ELECTION FORCES THE CANDIDATES TO AVOID CONTROVERSIAL STANDS AND MOVE AS QUICKLY TOWARDS THE CENTER AND AWAY FROM DEBATE AS POSSIBLE. THIS IS WHY PEOPLE CRITICIZE OUR ELECTORAL SYSTEM ALREADY. THEY SAY THAT WE’RE DEVOID OF SUBSTANCE--THAT IT’S ALL GLOSSY BROCHURES AND IMAGE. THIS EXACERBATES THAT PROBLEM. WHAT WE WANT IS FOR PEOPLE TO STAND UP AND SAY WHAT THEY BELIEVE IN AND DRAW A CONTRAST SO THAT AT THE GENERAL ELECTION THE VOTERS CAN GO IN AND SAY, ‘YOU KNOW, I’M AGAINST ABORTION AND I’M IN FAVOR OF MORE DEFENSE SPENDING AND WHATEVER OTHER LABELS YOU WANT TO PUT ON IT, AND I BELIEVE THAT THIS PARTY REPRESENTS THOSE VALUES EVEN THOUGH I DON’T KNOW MUCH ABOUT THIS PERSON.’ DON’T BE FOOLED, NOBODY IN YOUR DISTRICT KNOWS MUCH ABOUT YOU UNLESS YOU’VE BEEN AROUND FOR FIFTY YEARS. THIS PARTY REPRESENTS THE THINGS I BELIEVE IN MORE AND THEREFORE, I’M GOING TO RELY ON THAT PARTY LABEL AS BEING ABLE TO CHOOSE SOMEONE WHO AGREES WITH MY BELIEFS.’ THE SYSTEM REPRESENTED BY THE AMENDMENT DRAGS US AWAY FROM THAT KIND OF CHOICE. LINCOLN ONCE SAID, ‘FOR EVERY PROBLEM, THERE’S A SOLUTION THAT IS NEAT AND SIMPLE AND WRONG.’ I BELIEVE THE STRIKING AMENDMENT REPRESENTS JUST SUCH A SOLUTION. I URGE YOU TO DEFEAT IT.”

REMARKS BY SENATOR SHIN

“SENATOR SHIN: “THANK YOU VERY MUCH, MR. PRESIDENT AND MEMBERS OF THE SENATE. DAVID HUME SPENCER SAID, ‘WHEN I SAY DEMOCRACY IS GOOD THAT MEANS I LIKE DEMOCRACY.’ I FOR ONE--I BELIEVE AND I LIKE AMERICAN DEMOCRACY WHICH I STAND FOR. IN THE LAST WEEK AND A HALF, I TALKED TO MANY OF YOU WHO CAME TO TALK TO ME ABOUT THE CONCERN ABOUT THIS LEGISLATION. MOST OF THAT DISCUSSION HAS BEEN ACADEMIC, PERSONAL CONVICTION AND EMOTIONAL. THEREFORE, I DECIDED TO GO TO THE BEST PRIMARY SOURCE. I READ IN U.S. CONSTITUTION FROM THE BEGINNING TO THE END AND ALSO THE STATE CONSTITUTION AND THE AMENDMENTS. NOWHERE IN THE CONSTITUTION DOES IT SAY ANYTHING ABOUT ONE PARTY OR ONE INDIVIDUAL SHALL CONTROL THE ELECTION. IT SAYS, ‘IN THE GOVERNMENT OF A DEMOCRACY THE POWER DERIVES FROM THE CONSENT OF THE PEOPLE.’ TO ME THAT’S THE KEY OF THE ISSUE--HOW THE POWER CONCERNS THE PEOPLE. I LOOKED AT THE TWO OPTIONS. ONE IS OUR PRIMARIES. FIRST OF ALL, WE TRY TO PROTECT. LET- LET ME PREFACE MY REMARKS. I LIKE THE TWO-PARTY SYSTEM BECAUSE WE BRING A BALANCE. BALANCE AND CHECKING IS WHAT WE NEED IN DEMOCRACY. I LIKE THE TWO-PARTY SYSTEM BECAUSE IT PROVIDES US TWO PHILOSOPHICAL CONCEPTS IN INTERPRETATION AND GIVES US A DECISION TO MAKE AND I LIKE THAT.

“TO REVIEW WHAT I LIKE, DEMOCRACY AND THE TWO-PARTY SYSTEM. IN THE CAJUN PRIMARY SYSTEM WHICH WE LIKE TO CALL PEOPLE’S DEMOCRACY, YOU COULD CHOOSE WHOMEVER YOU PLEASE. IT’S A PEOPLE’S CHOICE, BUT AT THE END--FINAL PRODUCT--YOU MAY END UP WITH TWO CANDIDATES FROM THE SAME PARTY. I PREFER NOT TO DO THAT.

“I THINK THERE’S A VERY SHORTCOMING THERE. AT THE SAME TIME, I LOOK AT SENATE BILL 6183, WHICH SAYS THAT THE PARTY CHOOSES AND NOMINATES THE CANDIDATES. THE QUESTION IS THE PARTY PEOPLE. I’M PROUD TO BE WHAT I AM AND I’M PROUD OF THE PARTY MEMBERS, BUT AT THE SAME TIME, WHEN YOU TALK ABOUT CONSENT OF THE GOVERNED, IT HAS TO

COME FROM THE PEOPLE. MANY OF YOU DO NOT BELIEVE IN POLLS AND I BELIEVE THAT THE POLLS ARE OFTENTIMES MANUFACTURED RESULTS AND IT DEPENDS ON WHAT YOU LIKE AND WHAT YOU VOTE FOR. I REPRESENT MY DISTRICT. MY PEOPLE, WHEN THEY HAVE CALLED ME, MANY SAY THAT WE VOTE FOR THE PEOPLE WE LIKE. THEY SEND ME HERE. I'M HERE TO DO MY JOB. WHAT MY PEOPLE SAY IN MY DISTRICT MEANS A LOT TO ME, BECAUSE I'M HERE TO REPRESENT THEM. THEREFORE, I'D LIKE TO HAVE YOU SUPPORT THIS STRIKING AMENDMENT. THANK YOU."

REMARKS BY SENATOR ROACH

SENATOR ROACH: "MEMBERS OF THE SENATE. FIRST OF ALL, I JUST WANTED TO MENTION SOMETHING. THE UNDERLYING BILL, SENATE BILL 6183, DOES HAVE SOMETHING THAT I LIKE AND THAT HAS TO DO WITH GETTING RID OF THE PUNCH CARD VOTING. IT WAS BROUGHT UP EARLIER IN OUR DEBATE THAT IT WOULD BE FOURTEEN MILLION DOLLARS MORE FOR THE IMPLEMENTATION OF THE UNDERLYING BILL. THE AUDITORS MET THIS MORNING AND REVIEWED MATERIAL THAT WAS WORKED OUT LAST FRIDAY NIGHT AND I DO NOT THINK THAT FISCAL NOTE WOULD BE THE SAME AFTER SOME OF THE CHANGES THAT HAVE BEEN MADE. IT'S ALSO TRUE THAT THE AMENDMENT THAT WAS ADOPTED EARLIER WOULD REQUIRE COUNTIES TO LEAVE THE PUNCH CARD VOTING ASIDE, WHICH IS, IF YOU REMEMBER WHEN WE CAME INTO THIS LEGISLATIVE SESSION, SOMETHING THAT WAS VERY IMPORTANT TO US ALL AFTER WHAT HAPPENED IN THE STATE OF FLORIDA. SO, I THINK THAT WOULD BE A GOOD THING. I THINK THE VOTERS OF THIS STATE WOULD AGREE THAT WE WANT TO MOVE AWAY FROM PUNCH CARD VOTING.

"THIS HAS BEEN ONE OF THE MOST INVIGORATING, INTERESTING AND IMPORTANT ISSUES THAT THE STATE OF WASHINGTON HAS FACED THIS YEAR AND IN DECADES, QUITE FRANKLY. IT IS EXTREMELY IMPORTANT. FOR THE MEMBERS OF THE PUBLIC THAT MIGHT BE LISTENING TO THIS DEBATE, TRULY OUT OF THE FORTY-NINE PEOPLE ON THIS FLOOR TODAY, ONLY ABOUT FOUR WANTED SOMETHING OTHER THAN OUR CURRENT BLANKET PRIMARY. FOR THE LAST SEVERAL MONTHS, WE HAVE BEEN WORKING VERY HARD, FIRST OF ALL, TO TRY TO KEEP WHAT WE HAVE; THEN REALIZING OF COURSE, WE CAN'T. THE REASON WE CAN'T IS NOT BECAUSE OUR CURRENT BLANKET PRIMARY SYSTEM IS UNCONSTITUTIONAL. IT HAS BEEN MISSTATED EVEN ON THIS FLOOR TODAY. IT IS NOT UNCONSTITUTIONAL. WHAT THE U.S. SUPREME COURT SAID WAS THE PARTIES HAD THE RIGHT TO FREELY ASSOCIATE. IF THE PARTIES DO NOT GO TO COURT AND DEMAND THAT RIGHT, THEN WE CAN STILL HAVE A BLANKET PRIMARY. THE FACT IS THAT THEY WANT THE RIGHT FOR SOMETHING THAT IS NOT UNCONSTITUTIONAL--WILL NOT BE A PART OF OUR VOTING IN THE FUTURE. AS WE REALIZE THAT, WE MOVE TO FIND SOMETHING THAT WILL SATISFY WHAT THE U. S. SUPREME COURT SAYS.

"I TOOK BOTH OF THE CURRENT MEASURES BEFORE US, THE STRIKING AMENDMENT WHICH IS A WASHINGTON PRIMARY SYSTEM AND THE UNDERLYING BILL, 6183, AND PUT THEM SIDE BY SIDE ON A LITTLE GRID, EXACTLY WHAT WE HAVE IN FRONT OF US. AFTER WE WORKED ON THESE BILLS FOR ALL THIS TIME, WE FOUND OUT THAT BOTH OF THESE BILLS ONLY REQUIRE ONE BALLOT, THAT WAS NOT THE CASE LAST WEEK. SO WE CAN'T SAY, 'WELL, ONE'S MORE EXPENSIVE, ONE'S MORE COMPLICATED,' BECAUSE NOW BOTH OF THEM REQUIRE JUST ONE BALLOT WHEN A PERSON GOES INTO THE POLLS, THEY ASK FOR ONE BALLOT AND THEY DON'T HAVE TO DECLARE IN EITHER CASE WHO IT IS OR WHAT PARTY THEY'RE GOING TO BE VOTING FOR. SECONDLY, BOTH OF THESE METHODS ALLOW FOR PRIVACY, WHICH WAS A VERY IMPORTANT THING FOR THE PEOPLE. THEY DON'T WANT PARTIES OR ANYONE KNOWING HOW THEY VOTED. IF, IN FACT, WE ADOPT EITHER ONE, WE WOULD HAVE PRIVACY, BECAUSE NO LIST WILL BE KEPT. PARTIES WON'T HAVE THE LIST. THEY WON'T BE GIVEN OUT BY AUDITORS AND IT'S JUST A GOOD THING THAT THE PEOPLE HAVE PRIVACY. PARTIES WOULDN'T AGREE, THEY WOULD LIKE THE NAMES OBVIOUSLY.

"BOTH OF THESE PARTICULAR METHODS WILL REQUIRE OR WILL RESULT IN HAVING CONVENTIONS AND THAT NOMINEES COME OUT OF CONVENTIONS. THAT IS POLITICAL REALITY. ONCE YOU RING THE BELL, YOU CAN'T UNRING IT. YOU KNOW, THE CAT'S OUT OF THE BAG, DOGGONE IT, YOU'RE NOT GOING TO CATCH THIS ONE. IN THE WASHINGTON PRIMARY SYSTEM THAT WE HAVE NOW BEFORE US AS A STRIKING AMENDMENT, IT WILL VIRTUALLY REQUIRE THAT THE PARTIES HAVE A CONVENTION BECAUSE IT IS THERE THAT THERE WILL BE A NOMINATING PROCESS, IT'LL BE AN ELECTION WHEN YOU GO TO THE BALLOT. SO YOU WILL HAVE TO HAVE ONE. NOW, WHILE I BELIEVE THAT YOU WILL, AS A MATTER OF POLITICAL FACT, HAVE ONE IF THE UNDERLYING BILL, 6183, IS ADOPTED. YOU DON'T HAVE TO HAVE ONE. THE PARTIES CAN, IF THEY WANT TO, AND I WOULD THINK IN SMALLER COUNTIES, PARTICULARLY, MAYBE THEY WOULD WANT TO GO AHEAD AND INCLUDE THE PUBLIC THE WAY WE HAVE DONE IN THE PAST WHERE WE DON'T HAVE TO GET OUR NOMINEES OUT OF A CONVENTION.

"BUT, AS PRACTICAL POLITICS HERE, EACH ONE OF US HAS RUN RACES, GONE TO CONVENTIONS, BEEN PRECINCT COMMITTEE OFFICERS, ALL WE'VE DONE, THE BOTTOM LINE HERE, WHAT WE'RE ARGUING ABOUT, WE CAN TALK ABOUT PRIVACY. WE CAN TALK ABOUT THE PEOPLE HAVING THE ABILITY TO VOTE AND EVERYTHING ELSE. THE REAL ISSUE HERE IS POWER. THE PARTIES WANT POWER AND THE ONLY PLACE YOU CAN TAKE THAT POWER IS FROM THE PEOPLE. WE STOOD TOGETHER, VIRTUALLY TOGETHER, TO KEEP A BLANKET PRIMARY WHICH GAVE THE PEOPLE THAT POWER WHICH WAS GRANTED TO THEM THEMSELVES AS THEY WENT OUT AND GOT IT WITH AN INITIATIVE SEVENTY-FIVE YEARS AGO. WHAT WE HAD IN CALIFORNIA WAS A SITUATION OF STRONG PARTIES WHERE THEY WOULD WALK THE WING, PARTY HATS WALKING THE WING SAYING--'YOU, SENATOR,

VOTE YES. YOU, SENATOR, YOU VOTE NO. BECAUSE IF YOU DON'T DO WHAT WE SAY, YOU'RE NOT GOING TO GET OUR ENDORSEMENT IN THE NEXT ELECTION.' YOU THINK YOU WANT TO RUN FOR CONGRESS, SENATOR? BETTER BE WATCHING WHAT THE PARTIES ARE DOING IN THE WINGS. THE PEOPLE SO DISLIKED THAT, THAT THEY LOOKED AROUND THE NATION AND FOUND WHAT WE WERE DOING HERE IN WASHINGTON STATE. WASHINGTON STATE HAS NOT HAD THAT HAPPEN. EACH ONE OF US KNOW THAT WE STAND AND VOTE THE CONSCIENCE OF OUR ELECTED POSITION BASED ON WHAT THE PEOPLE HAVE SENT US HERE TO DO. CALIFORNIA'S SYSTEM GETS CHALLENGED AND NOW WE ARE ON THE VERGE OF HAVING THE PROBLEMS THAT CALIFORNIA TRIED TO ESCAPE. THIS IS REALLY, REALLY A CROSSROADS FOR US IN WASHINGTON STATE. IN 1992, WHEN WE PASSED INITIATIVE 134, WHICH WAS A CAMPAIGN FINANCE REFORM BILL, REMEMBER WE GAVE THE PARTIES SPECIFIC ABILITIES TO BRING IN MUCH MORE MONEY THAN ANY OTHER ENTITY--AND THEN TURN AROUND AND GIVE TO CANDIDATES. SO, TWO THINGS, THE ABILITY TO RAISE AND GIVE A LOT OF MONEY AND THE ABILITY TO DEFINE CANDIDATES IN CONVENTIONS, GIVE ALMOST TOTAL POWER, NOT TO THE PEOPLE, BUT TO THE PARTY. THAT'S WHY THEY'RE EXERTING THEIR CONSTITUTIONAL RIGHT TO HAVE FREE ASSOCIATION. THAT'S WHY THEY DECIDED NOT TO ALLOW THE CONSTITUTIONAL PROCESS OF HAVING A BLANKET PRIMARY.

"BUT IN MY GRID THAT I WROTE OUT, I HAD TO ALSO CONSIDER POLITICAL REALITY, BECAUSE I THINK WE ALL KNOW WHEN THAT LITTLE NECESSITY COMES AROUND. WE HAVE A COURT THAT IS WAITING TO MAKE A DECISION AND WE'RE NOT THE ONLY PLAYERS IN THIS. WE HAVE ANOTHER HOUSE AND WE HAVE A GOVERNOR AND WE HAVE BEEN, UNFORTUNATELY, DELAYED IN THIS PROCESS MONTH AFTER MONTH, AND HOPEFULLY, WE CAN STILL GET SOMETHING DONE IN TIME. WE HAVE GOT TO SEND SOMETHING TO THE OTHER BODY THAT THEY WILL IN TURN SEND TO THE GOVERNOR, HOPEFULLY UNAMENDED. IF WE DON'T DO THAT, THEN THE COURTS WILL DECIDE AND THE PEOPLE IN THE WINGS WALKING WITH THEIR THUMBS GOING UP AND DOWN WILL BE DELIGHTED. WHEN I PUT IT OUT ON THE GRID, IT WAS A TOUGH DECISION BECAUSE IN MANY WAYS I COULD GO WITH BOTH--SAME OUTCOME IN A LOT OF THESE THINGS. I WILL SAY TO YOU THAT WE MUST MOVE FORWARD. I DO NOT THINK THE OTHER BODY WILL PASS THE STRIKING AMENDMENT BEFORE US, SO RELUCTANTLY, BECAUSE I DON'T HAVE ANY REAL

COMPLAINTS AGAINST EITHER, BUT I BELIEVE WE NEED TO GO WITH WHAT'S GOING TO PASS OR FIND OURSELVES COLLECTIVELY IN A REAL MESS. SO, I WOULD URGE YOU TO DEFEAT THE AMENDMENT."

REMARKS BY SENATOR KLINE

"SENATOR KLINE: "THANK YOU, MR. PRESIDENT AND MEMBERS. MR. PRESIDENT, I HOPE WE'RE PREPARED TO PAY MORE THAN LIP SERVICE TO THE NOTION THAT THE MAJOR FUNCTION OF AN ELECTION IS NOT SIMPLY TO ALLOCATE POWER, BUT TO BRING PEOPLE TO THE POLLS, TO ACTIVATE THE PUBLIC INTELLIGENCE, TO HAVE A CONTROVERSY AND HAVE A WAY ULTIMATELY IN NOVEMBER OF RESOLVING THAT CONTROVERSY, THAT RAISES THE LEVEL OF PUBLIC DISCOURSE AND MAKES PEOPLE PROUD TO BE AMERICANS AND WASHINGTONIANS. IF WE'RE PREPARED TO SIMPLY TO PAY MORE THAN LIP SERVICE TO THAT, I THINK WE NEED TO REJECT THE STRIKING AMENDMENT. MINOR PARTIES ARE AN INTEGRAL PART OF THAT GREATER HIGHER LEVEL OF PUBLIC DISCOURSE THAN WE ARE.

"BETWEEN THE TWO OF US, REPUBLICANS AND DEMOCRATS, WE CAN SOMETIMES BE TWEEDLEDUM AND TWEEDLEDEE. IT'S NOT JUST PEOPLE AT THE POLITICAL FRINGES TO WHOM THAT APPEARS TO BE TRUE. QUITE A FEW PEOPLE--RESPONSIBLE MEMBERS OF OUR COMMUNITIES--WHO CONSIDER THEMSELVES LIBERTARIANS, PERHAPS IN YOUR DISTRICT, GREENS IN MINE, WHO FEEL THAT WE DEMOCRATS AND REPUBLICANS ARE SOMEHOW SO INTERTWINED AND SO INTERDEPENDENT, WE'VE BECOME INDISTINGUISHABLE FROM ONE ANOTHER. THOSE SMALL PARTIES LOSE OUT IN THIS LOUISIANA-STYLE PRIMARY. NEITHER OF THE GREENS NOR THE LIBERTARIANS ARE EVER GOING TO FIND THEMSELVES IN A GENERAL ELECTION IN NOVEMBER IN THIS STATE UNDER THE SYSTEM SET OUT IN THE STRIKING AMENDMENT. IT'S LESS LIKELY THAN I WOULD PREFER TO BE TRUE EVEN UNDER THE UNDERLYING BILL. I'M NOT GOING TO TELL YOU THAT THE UNDERLYING BILL INCREASES THAT, BUT IT CERTAINLY DOES NOT FREEZE OUT OUR FRIENDS FROM THE LEFT AND RIGHT THE WAY THE STRIKING AMENDMENT DOES. I URGE YOU REJECT THIS. LET'S RAISE THE LEVEL OF DISCOURSE. LET'S PREVENT OURSELVES FROM BECOMING EVEN MORE TWEEDLEDUM AND TWEEDLEDEE. LET'S VOTE NO. THANK YOU."

REMARKS BY SENATOR HALE

"SENATOR HALE: "MR. PRESIDENT, LADIES AND GENTLEMEN. YOU KNOW WE'VE HAD A VERY HEALTHY DEBATE HERE TODAY AND THERE ARE A LOT OF ELEMENTS AND A LOT OF COMPLEXITIES TO THIS ISSUE, BUT THE BOTTOM LINE IS VERY SIMPLE. THE BOTTOM LINE IS WHAT THE PEOPLE ARE TALKING TO US ABOUT AND IT IS THE FREEDOM TO VOTE FOR WHOMEVER WE CHOOSE. I STRONGLY SUPPORT THE STRIKING AMENDMENT, BECAUSE THE UNDERLYING BILL DOES NOT DO IT. IT DOES NOT ALLOW YOU TO VOTE. OH, YOU CAN VOTE FOR WHOMEVER YOU CHOOSE, BUT YOU KNOW YOUR VOTE WON'T COUNT IF YOU VOTE FOR SOMEONE OTHER THAN THE STATED PARTY.

“YOU KNOW, THIS IS THE TIME WHEN POLITICIANS ARE NOT HELD IN VERY HIGH REGARD. WE’RE SEEN AS PURSUING OUR OWN ENDS, OUR OWN SELF INTEREST AND MAKING OURSELVES LOOK GOOD RATHER THAN LOOKING OUT FOR THE PEOPLE. I CAN THINK OF NO GREATER WAY TO RAISE PUBLIC OUTRAGE THAN TO HAVE OVER HALF OF THE ELECTORATE PASS THE VOTE FOR AN INDIVIDUAL CANDIDATE FULLY KNOWING, OR MAYBE NOT REALIZING, THAT THEIR VOTE SIMPLY WON’T COUNT. THE PARTIES HAVE BEEN VERY CLEAR ABOUT THEIR INTENTION TO DISREGARD VOTES CAST FOR PEOPLE OTHER THAN THEIR OWN PARTY. IT’S VERY BASIC. THE DECISION IS VERY SIMPLE. IT’S THE RIGHT TO VOTE FOR WHOMEVER YOU CHOOSE. I URGE YOUR SUPPORT FOR THE STRIKING AMENDMENT.”

REMARKS BY SENATOR HORN

SENATOR HORN: “THANK YOU VERY MUCH, MR. PRESIDENT AND LADIES AND GENTLEMEN OF THE SENATE. THE PEOPLE WHO ARE SUPPORTING THE STRIKING AMENDMENT WOULD HAVE YOU BELIEVE THAT WE SHOULD VOTE FOR TO MAINTAIN OUR CHOICES TO KEEP THE SYSTEM MOST LIKE WHAT WE HAVE TODAY, THE BLANKET PRIMARY, WHICH MANY PEOPLE WANT TO DO. DO NOT BE MISLEAD, BECAUSE THAT SYSTEM THAT WOULD GIVE YOU CHOICES IN THE PRIMARY WOULD BE AT WHAT PRICE? IT WOULD ROB YOU OF YOUR CHOICES IN THE GENERAL. AND WHICH IS THE ELECTION THAT REALLY COUNTS? THE PRIMARY ELECTION OR THE GENERAL ELECTION THAT ELECTS YOU TO THE OFFICE. HOW MANY DISTRICTS WOULD YOU HAVE WHERE YOU WOULD HAVE TWO REPUBLICANS OR TWO DEMOCRATS RUNNING FOR THE OFFICE? SO, AS PEOPLE WOULD HAVE YOU BELIEVE THAT PRESERVING THE CHOICES IS THE PRIMARY, IS THE KEY THING, IS IT WORTH THE PRICE OF ROBBING YOU OF YOUR CHOICES IN THE GENERAL.

“IF YOU LOOK AT THE COURSE OF ACTION THAT WOULD FOLLOW THROUGH, AS YOU WOULD HAVE TWO PEOPLE--TWO REPUBLICANS RUNNING IN THE GENERAL OR TWO DEMOCRATS--IT WOULD LEAD TO CONFUSION OF THE PEOPLE AND LEAD TO THE POSITION WITH THE REAL REPUBLICAN OR THE REAL DEMOCRAT PLEASE STAND UP. THAT, IN TURN, WOULD LEAD THE PARTIES FROM TAKING A POSITION AND SAY, ‘WE MUST ELECT OUR DELEGATE IN A CAUCUS SITUATION SO WE CAN IDENTIFY WHICH IS THE REAL REPUBLICAN OR WHICH IS THE REAL DEMOCRAT.’ ONCE THAT HAPPENS, YOU NOW HAVE NOT ONLY LOST YOUR CHOICES IN THE GENERAL, BUT YOU HAVE ALSO LOST YOUR CHOICES IN THE PRIMARY. SO, THIS IDEAL THAT YOU VOTE FOR THE STRIKING AMENDMENT, BECAUSE IT PRESERVES YOUR CHOICES IS BRINGING YOU DOWN A PATH THAT ROBBS YOU OF THAT VERY THING.

“NOW, THE UNDERLYING BILL WHICH IS 6183 IS A BILL THAT GIVES YOU THE CHOICES. YOU CAN GO TO THE POLLS, VOTE AS A REPUBLICAN, VOTE AS A DEMOCRAT OR VOTE AS A NON-IDENTIFIED INDIVIDUAL. IT STILL GIVES THE CHOICES OF PEOPLE TO REGISTER FOR THE PARTY AS MUCH AS THEY DO TODAY AND IT ENSURES THAT THE GREATEST NUMBER OF PEOPLE, NOT A CAUCUS, WOULD BE SELECTING THE CANDIDATE THAT ADVANCES TO THE GENERAL. THEN IT ENSURES THAT WHEN YOU GO TO THAT GENERAL, THAT YOU WOULD HAVE THOSE CHOICES OF VOTING FOR A REPUBLICAN OR A DEMOCRAT. I BELIEVE IN THE TWO-PARTY SYSTEM, BECAUSE I THINK THAT’S WHAT HAS MADE AMERICA GREAT. IT MEANS THAT IT’S OKAY TO TALK ABOUT THE OPPOSING VIEWPOINT. IT’S OKAY TO BE THE LOYAL MINORITY, SO THE PEOPLE CAN HEAR THE ARGUMENT FOR AND A CREDIBLE ARGUMENT AGAINST. I THINK THAT’S A VERY IMPORTANT THING THAT HAS MADE AMERICA GREAT AND MADE OUR STATE OF WASHINGTON GREAT.

“SO, I THINK THAT, TRUE, IT’S VERY, VERY CONCERNING TO HAVE A SYSTEM THAT ALLOWS THE PARTIES TO GET SO STRONG THAT THEY DICTATE WHO VOTES FOR WHAT. IT’S ALSO VERY CONCERNING ABOUT HAVING A SITUATION THAT HAVE PARTIES SO WEAK THAT THEY ARE NONFUNCTIONAL. I THINK THE UNDERLYING BILL, 6183, BRINGS THAT BALANCE TO THAT SITUATION. I THINK THE STRIKING AMENDMENT IS FAR FROM KEEPING YOUR CHOICES, ROBBS YOU OF YOUR CHOICES AND AS THE ELWAY POLL SHOWED, THAT WHEN THEY LOOK AT IT, FIFTY-SEVEN PERCENT OF THE PEOPLE OPPOSED A SITUATION THAT WOULD HAVE YOU VOTING FOR TWO DEMOCRATS OR TWO REPUBLICANS IN THE GENERAL ELECTION. WHY DO WE WANT TO PATTERN A SYSTEM AFTER THE LOUISIANA PRIMARY? IS THAT THE GREAT SYSTEM THAT HAS A GREAT TURNOUT--THAT GREAT SYSTEM THAT GAVE US DAVID DUKE RUNNING AS A REPUBLICAN? NO, I DON’T THINK THAT’S A SYSTEM THAT WE WANT TO PATTERN OUR GREAT STATE OF WASHINGTON AFTER. I WOULD RECOMMEND THAT YOU VOTE AGAINST THE STRIKING AMENDMENT.”

REMARKS BY SENATOR JACOBSEN

SENATOR JACOBSEN: “THANK YOU, MR. PRESIDENT. I’M GOING TO ASK YOU TO VOTE DOWN THE AMENDMENT AND FIRST, OF COURSE, I CAN SAY BECAUSE OF CONSTITUTIONAL REASONS. EVERYBODY HAS THE RIGHT OF FREEDOM OF ASSOCIATION AND I THINK TO SHOW THE IRONY OF THE SITUATION AND THE FRUSTRATIONS OF A PARTY--THE LIBERTARIAN PARTY--THEY WANT TO ELECT A CANDIDATE THAT SHARES THEIR PHILOSOPHY AND ESPOUSES AT THE POLLS. ON THAT SYSTEM, THEY MIGHT NOT BE ON THE POLLS, THEY MIGHT NOT MAKE IT PAST. BUT TWO, AND MORE IMPORTANTLY, AFTER WE GET DONE PICKING, THEY MIGHT NOT HAVE A TRUE LIBERTARIAN, BUT SOMEBODY THAT REFLECTS THE VIEWS OF THE DEMOCRATS OR THE REPUBLICANS.

"THE ONLY OTHER THING I WANT TO RELATE TO YOU, AND I LIKE TO READ HISTORY, AND I HAVE A HANDOUT ON YOUR DESK HERE. IT'S FROM *BATTLE CRY OF FREEDOM*. IT'S BY JAMES M. MCPHERSON. I READ THIS MANY, MANY YEARS AGO, BUT I SET THIS BOOK ASIDE AND THIS CHAPTER BECAUSE I HAVE NEVER LOOKED AT IT THIS WAY BEFORE. IT'S ROUGHLY ONE CHAPTER LOOKING AT THE ELECTIONS IN THE MIDDLE OF THE CIVIL WAR AND BOTH THE NORTH AND THE SOUTH HAD TO GO TO ELECTIONS. MCPHERSON OBSERVES HERE THAT THE SOUTH PRIDED THEMSELVES ON THE FACT THAT THEY DIDN'T HAVE PARTIES--DIDN'T HAVE PARTIES. HE WROTE, 'NOW, LOOKING BACK WITH HINDSIGHT, MOST HISTORIANS NOW RECOGNIZE THE ABSENCE OF PARTY WAS ACTUALLY A SOURCE OF WEAKNESS. IN THE NORTH, THE TWO-PARTY SYSTEM DISCIPLINED AND CHanneLED POLITICAL ACTIVITIES. THE REPUBLICAN PARTY BECAME THE MEANS FOR MOBILIZING WAR RESOURCES, RAISING TAXES, CREATING A NEW FINANCIAL SYSTEM, INITIATING EMANCIPATION AND ENACTING CONSCRIPTION. DEMOCRATS OPPOSED MOST OF THESE MEASURES, THE EXISTENCE OF THIS WELL DEFINED OPPOSITION CAUSED THE REPUBLICANS TO CLOSE RANKS WHEN THE CHIPS WERE DOWN. BECAUSE MEASURES WERE SUPPORTED OR OPPOSED BY PARTIES, VOTERS COULD IDENTIFY THOSE RESPONSIBLE FOR THEM AND REGISTER THEIR APPROVAL OR DISAPPROVAL AT THE POLLS BY VOTING THE PARTY TICKET. BOTH PARTIES, OF COURSE, USED THEIR WELL-OILED MACHINERY TO RALLY VOTERS TO THEIR SIDE. IN THE CONFEDERACY BY CONTRAST, THE DAVIS ADMINISTRATION HAD NO SUCH MEANS TO MOBILIZE SUPPORT. NO PARTIES MEANT NO INSTITUTIONAL DISCIPLINE OVER CONGRESS AND THEIR GOVERNORS. OPPOSITION TO THE DAVIS ADMINISTRATION, BECAME PERSONAL OR FACTIONAL AND THEREFORE DIFFICULT TO DEAL WITH.' THEN HE CLOSES WITH ONE LAST POINT HERE. I'M NOT GOING TO READ THE REST OF IT, BUT IN THE SOUTH, OPPOSITION CANDIDATES RAN ON INDIVIDUAL RATHER THAN A PARTY BASIS, AND THE GOVERNMENT COULD NOT MUSTER POLITICAL ARTILLERY TO SHOOT AT ALL THESE SCATTERED TARGETS.

"I THINK HERE A LOT OF TIMES OUR VOTERS EXPERIENCE THIS FRUSTRATION OVER AND OVER AGAIN. I'VE HAD PEOPLE COMMENT TO ME ALL THE TIME. YOUR PARTY SURE DOES PICK BAD CANDIDATES AND I HAVE TO POINT OUT TO THEM THAT WE DIDN'T PICK OUR CANDIDATES. THE VOTERS PICKED THE CANDIDATES AND SOMETIMES I AGREE WITH THE GENTLEMEN FROM MERCER ISLAND, WE NEED A CLEAR CHOICE. THERE'S A MAJORITY AND A MINORITY ROLE IN THIS THING AND WE SHOULD BE PROUD OF THE ROLE WE PLAY IN EITHER POSITION. THIS IS GOING TO GIVE OUR VOTERS A CHANCE IN THE GENERAL ELECTION TO PICK THE DIRECTION THEY WANT TO GO AND I URGE EVERYBODY TO REJECT THIS AMENDMENT AND VOTE FOR THE UNDERLYING BILL. THANK YOU."

REMARKS BY SENATOR PRENTICE

SENATOR PRENTICE: "THANK YOU, MR. PRESIDENT. AS ONE OF THE PEOPLE WHOSE NAME WAS ON THE LAWSUIT, I FEEL AN OBLIGATION SIMPLY TO EXPLAIN FOR A MOMENT WHY WE CHOSE TO DO WHAT WE DID AND I THINK I ALSO NEED TO ASK, AS WE ARE REFERRING TO THE PARTIES, I THINK WE NEED TO ASK OURSELVES WHO ARE WE TALKING ABOUT? THE PARTIES ARE JUST MADE UP OF PEOPLE WHO HAVE CHOSEN TO BE ACTIVE ON BEHALF OF A POLITICAL PARTY. IT HAS NEVER BEEN OUR OPTION SIMPLY TO GET THE PARTY LEADERS TO CHANGE THEIR MINDS. I CAN TELL YOU THAT WAS NOT POSSIBLE. WHAT WE WERE REACTING TO WAS THE VERY CLEAR SEVEN TO TWO DECISION OF THE UNITED STATES SUPREME COURT, AND THEY SIMPLY SAID THE PARTIES HAVE THE RIGHT TO DECIDE WHO RUNS AS THEIR CANDIDATE.

"SOME OF THE ARGUMENTS THAT WERE MADE AND AS WE'RE HEARING THAT THAT DID NOT APPLY TO THE STATE OF WASHINGTON, OUR SECRETARY OF STATE AT THAT TIME FILED AN AMICUS BRIEF AND SOMEONE WAS SENT FROM THIS STATE, GARY MCINTOSH, WHO MADE THE ARGUMENT THAT THE CURRENT SYSTEM RESULTS IN OUR HAVING MORE CENTRIST CANDIDATES. 'WELL IT'S PRETTY CLEAR,' THE SUPREME COURT SAID, 'IT'S NOT THE BUSINESS OF THE GOVERNMENT TO DECIDE WHICH PHILOSOPHIES ARE GOING TO BE REPRESENTED.' WE KEEP HEARING THAT THIS IS AN UNPOPULAR MOVE. WELL, I GUESS IF I WERE TO BASE IT ON THAT, I REMEMBER IN THE SIXTIES, WHEN THE UNITED STATES SUPREME COURT STRUCK DOWN SEGREGATION LAWS. IF YOU'D HAD POLLS, IF YOU'D HAD ELECTIONS, THE RESULT WOULD HAVE BEEN THE PEOPLE DIDN'T WANT TO CHANGE. MANY OF US WHO WERE ADULTS AT THAT TIME REMEMBER THAT IT WAS A VERY DIFFICULT CHANGE, BUT A CHANGE NEVERTHELESS.

"I'M WONDERING IS IT REALLY SO THAT HAVING THIS CURRENT SYSTEM PUTS US IN A BETTER POSITION TO SOLVE PROBLEMS THAN ANOTHER THAT'S BEEN PROPOSED. I GUESS I'D HAVE TO ASK TODAY AS WE'RE IN SPECIAL SESSION, 'ARE WE REALLY DOING SO WELL IN SOLVING THOSE PROBLEMS?' CHANGE MIGHT AGGRAVATE YOU. EVERYONE OF US--THERE ISN'T A SINGLE ONE OF US SITTING HERE WHO DIDN'T IMMEDIATELY THINK WHAT IT WILL MEAN IN MY RACE? WE ALL THOUGHT THAT. I ALSO REMEMBER IN MY LAST ELECTION AND THE ELECTION BEFORE THAT IN '96, THERE WAS A DEMOCRAT IN THE PRIMARY WHO WAS RECRUITED BY SOME LOCAL REPUBLICANS, NOT OUR FRIENDS HERE, WHO SENT OUT A MAILING CALLING HIMSELF A REAGAN DEMOCRAT, SENDING IT OUT TO REPUBLICANS. NOW, I'VE MAINTAINED THAT THAT'S A DISHONEST SYSTEM THAT WE'VE HAD, BUT PEOPLE TELL ME, 'OH WELL, IT DIDN'T HURT YOU.' THAT ISN'T REALLY THE POINT. THE POINT IS THAT IT WAS A DISHONEST MOVE FOR SOMEONE TO PRETEND HE WAS A DEMOCRAT WHEN HE REALLY WASN'T. LUCKILY, FOR ME, MAYBE NOT FOR YOU, BUT PEOPLE REJECTED THAT BY A SEVEN TO TWO DECISION. IT WASN'T EVEN CLOSE. THE SUPREME COURT CAME DOWN ON THE SIDE

THAT THE PARTIES HAVE THE RIGHT TO DECIDE WHO RUNS AS THEIR CANDIDATE. I WOULD SAY, 'OKAY, THE JIG IS UP.' IT'S TIME TO MAKE THE DECISIONS. PLEASE REJECT THE AMENDMENT."

REMARKS BY SENATOR HOCHSTATTER

SENATOR HOCHSTATTER: "THANK YOU, MR. PRESIDENT. I FEEL LIKE THE WOMAN WHO WAS TAKING A MEDICATION THAT ONLY HAD SIDE EFFECTS. THIS IS PERFECT LEGISLATION BECAUSE NOBODY'S GOING TO GET WHAT THEY WANT. I SUPPORT THIS PARTICULAR PIECE OF LEGISLATION. IF WE DENY OR IF IT TURNS OUT THAT THERE ARE TWO PEOPLE OF THE SAME PARTY ON THE BALLOT, THAT IS NOT A MESS OF OUR MAKING, IS IT? THE VOTERS DID THAT. YEAH, WE GIVE THEM THE OPPORTUNITY TO DO THAT. BUT THEY DID IT, BUT WE DIDN'T CAUSE IT. I WOULD LIKE--I DON'T SEE WHY WE HAVE TO BREAK THIS IN THE FIRST PLACE. I'D LIKE TO SEE THE COURTS BREAK IT. WE MENTIONED ABOUT CONSTITUTIONALITY. I DON'T THINK THE COURTS EVER OBSERVED CONSTITUTIONALITY. HOW CAN A JUDGE COME IN HERE AND CHANGE OUR LAW? THE THREAT IS, 'WELL, IF YOU DON'T DO SOMETHING, THE FEDERAL JUDGE WILL COME IN HERE AND GIVE YOU A SYSTEM THAT YOU DON'T WANT.'

"THE CONSTITUTION--OUR STATE CONSTITUTION SAYS THERE WILL BE NO LAW EXCEPT THAT IT IS A BILL. IS A JUDGE GOING TO RUN AGAINST SENATOR KLINE AND SENATOR SHEAHAN AND THEN COME DOWN HERE AND DO OUR JOB? BOY, THAT REALLY GETS UNDER MY HIDE. I THINK THAT IF THE COURT AND THE PARTIES WOULD APPEAR ON THE BALLOT, THEY'D BOTH LOSE. FOUR GOOD REASONS TO SUPPORT THIS AND THEN I'M DONE. FIRST OF ALL, PRIVACY OF THE BALLOTS. SECONDLY, THE BROADEST, BROADEST POSSIBLE CHOICE. THIRDLY, NO VOTES THROWN OUT AND FOURTHLY, \$14 MILLION IS GOING TO HAVE TO BE WRUNG OUT OF THE HIDE OF THE COUNTIES. DON'T DO THAT. THIS AMENDMENT, IF YOU SUPPORT THIS AMENDMENT, THAT WILL NOT HAPPEN. LASTLY, AND I'M PAINED TO SAY IT, TINKERING WITH THE SYSTEM WILL NOT KEEP US FREE. THE PEOPLE DON'T REALLY CARE IF THEY DON'T TURN OUT. IF THEY DON'T CARE ABOUT THE DIRECTION OF THEIR COUNTRY, IT'S OVER ANYWAY. THANK YOU FOR LISTENING TO ME."

REMARKS BY SENATOR HARGROVE

SENATOR HARGROVE: "THANK YOU, MR. PRESIDENT. HOPEFULLY TO CLOSE NOW. THIS HAS BEEN A GREAT DEBATE AND FRANKLY, I THINK IT'S BEEN VERY CIVIL ON ALL SIDES. I WANTED TO JUST CLEAR UP A COUPLE OF THINGS THAT I'VE HEARD. THERE WAS SOME MENTION MADE ABOUT IF YOU WANT TO STAY OUT OF COURT, YOU KNOW, VOTE FOR THE UNDERLYING BILL. WE'RE ALREADY IN COURT, SO THERE'S NO STAYING OUT OF COURT. THE AG HAS GIVEN ME A MEMO HERE SAYING THAT THIS STRIKING AMENDMENT, IN THEIR OPINION, WOULD BE CONSTITUTIONAL, SO THAT SHOULD TAKE CARE OF THAT.

"THE OTHER THING THAT I'D LIKE TO SAY IS THE GOVERNOR, IN A PRESS CONFERENCE, SAID HE WOULD SIGN WHATEVER GOT TO HIS DESK. SO, IT'S NOT LIKE THE GOVERNOR'S HOLDING A VETO PEN OVER THE STRIKING AMENDMENT. OUR SECRETARY OF STATE AND MANY OF OUR AUDITORS SUPPORT THE STRIKING AMENDMENT BECAUSE OF ITS CLARITY AND BECAUSE OF THE SIMPLICITY AND BECAUSE OF THE LACK OF COST--FOURTEEN MILLION DOLLARS--TO TRY TO CHANGE OUR SYSTEM OVER. I DON'T THINK WE CAN PREDICT WHAT THE HOUSE IS GOING TO DO. IN MY PRIVATE CONVERSATIONS WITH SOME OF THE POWERS TO BE OVER THERE, THEY HAVE SAID, 'SEND US THE BILL AND WE'LL WORK ON IT. IT'S NOT DEAD ON ARRIVAL IN ANY FORM. IT'S NOT ALIVE IN ANY FORM,' SO I DON'T THINK WE CAN BASE OUR VOTES ON THAT.

"I GUESS THE BOTTOM LINE HERE, AGAIN, IS DO YOU WANT PEOPLE'S VOTES TO COUNT OR DO YOU WANT TO HAVE A BALLOT OUT THERE WHERE SOMEBODY CAN CHECK AN UNAFFILIATED BOX AND THEIR VOTES ALL COUNT? THEY WILL BE COUNTED, BUT THEY WON'T COUNT. THAT'S THE BOTTOM LINE FOR ME. CERTAINLY, RURAL DEMOCRATS AND URBAN DEMOCRATS AND RURAL REPUBLICANS AND URBAN REPUBLICANS--I MEAN--WE ALL FIT UNDER THOSE TENTS SOMEHOW AND YET WE'RE QUITE DIFFERENT, YOU KNOW. SOME OF MY CLOSEST FRIENDS OVER HERE ON THIS SIDE ARE SOME OF THE MOST LIBERAL--I'M LOOKING AT SENATOR FAIRLEY--AND SOME OF THE MOST CONSERVATIVE ON THIS SIDE, YOU KNOW, LIKE SENATOR HOCHSTATTER AND STEVENS. I THINK WE HAVE A FINE MIX AND FINE DEBATE AND FINE CONTROVERSY AND FINE-- NOT ALL GETTING UPSET AT EACH OTHER AS IT IS. I THINK THAT THE STRIKING AMENDMENT WILL PRESERVE THAT AND I WOULD URGE YOUR SUPPORT."

THE PRESIDENT DECLARED THE QUESTION BEFORE THE SENATE TO BE THE ROLL CALL ON THE ADOPTION OF THE STRIKING AMENDMENT BY SENATORS HARGROVE AND FINKBEINER TO SENATE BILL NO. 6183.

SENATOR HARGROVE DEMANDED A ROLL CALL AND THE DEMAND WAS SUSTAINED.

MESSAGE FROM THE GOVERNOR
VETO MESSAGE ON ENGROSSED SENATE BILL NO. 5289

May 15, 2001

To the Honorable President and Members,
The Senate of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval, Engrossed Senate Bill No. 5289 entitled:

"AN ACT Relating to public facilities in rural counties;"

Although the original intent of Engrossed Senate Bill No. 5289 was meritorious, in its final form the bill would have undermined the intent of the rural sales tax credit program.

The prime sponsor requested this veto.

I support the original intent of this bill, which was to clarify and expand the use of the rural sales tax credit funding program. The bill sought to provide rural counties with a source of funds for the development of public facilities that are important for creating economic opportunity. However, this bill was amended to prevent any electric utility, including many of our public utility districts from using the money.

Public utility districts are key partners in economic development efforts. They provide not only electrical service, but also sewer, water, and telecommunications services. At a time when funding is limited, we must pool our resources whenever possible to accomplish important economic goals. Removing an important partner from eligibility for these funds unnecessarily ties the hands of the counties in promoting the vitality of their economies.

Additionally, the bill would have undermined the ability to develop electrical generation and distribution facilities that may be important during a time of energy shortage.

For these reasons, I have vetoed Engrossed Senate Bill No. 5289 in its entirety.

Respectfully submitted,
GARY LOCKE, Governor

MOTION

On motion of Senator Betti Sheldon, the veto message on Engrossed Senate Bill No 5289 was held on the desk.

MESSAGE FROM THE GOVERNOR
PARTIAL VETO MESSAGE ON ENGROSSED SENATE BILL NO. 5143

May 15, 2001

To the Honorable President and Members,
The Senate of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 1 and 2, Engrossed Senate Bill No. 5143 entitled:

"AN ACT Relating to the Washington state patrol retirement system retirement and survivor benefits;"
Engrossed Senate Bill No. 5143 restructures the Washington State Patrol retirement plan. It increases cost-of-living adjustments, reduces contribution rates and makes several other worthwhile changes.

Sections 1 and 2 of the bill would have created a new "Plan II" that would have greatly reduced non-duty disability benefits for newly hired Washington State Patrol officers. While I understand the legislature's desire for uniformity among public pension systems, I think these changes require further consideration.

While similar benefit provisions exist for other state employees who are members of Plan II retirement systems, those employees are also eligible for disability coverage through the social security system. State Patrol officers are not covered by social security, and the new provisions proposed in this bill would have left them and their families vulnerable. All State Patrol officers should be assured of benefits that are at least equal to those of other state employees.

People who serve the state deserve fair and equitable protection against loss of their ability to work. This gap could be addressed in a number of ways, and I am willing to consider alternative approaches to meeting this need. I would be happy to work with the legislature in developing a revised plan.

In the meantime, however, drastically reducing the disability coverage for the newest members of the Washington State Patrol without due consideration of how it will be replaced is too great a risk.

For these reasons, I have vetoed sections 1 and 2 of Engrossed Senate Bill No. 5143.

With the exception of sections 1 and 2, Engrossed Senate Bill No. 5143 is approved.

Respectfully submitted,
GARY LOCKE, Governor

MESSAGE FROM THE GOVERNOR
PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5533

May 15, 2001

To the Honorable President and Members,
The Senate of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 7, Substitute Senate Bill No. 5533 entitled:

"AN ACT Relating to posting and notification of pesticide applications at schools;"

Substitute Senate Bill No. 5533 clarifies and improves the laws governing the application of pesticides near schools, and provides for advance notification of parents and school employees.

Section 7 of this bill would have stopped these important improvements from going into effect unless funding were provided in the 2001-2003 budget. While there may have been significant budget implications in the original draft of this bill, the affected entities concluded in their final fiscal analysis that there will be no material costs associated with compliance. Therefore, no funding is needed in the budget for implementation of this act.

I have vetoed section 7 to ensure that this important measure for improving parental awareness of pesticide uses in schools and day care facilities will go into effect.

For these reasons, I have vetoed section 7 of Substitute Senate Bill No. 5533.

With the exception of section 7, Substitute Senate Bill No. 5533 is approved.

Respectfully submitted,
GARY LOCKE, Governor

MESSAGE FROM THE GOVERNOR
PARTIAL VETO MESSAGE ON ENGROSSED SUBSTITUTE SENATE BILL NO. 5583

May 15, 2001

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to section 8, Engrossed Substitute Senate Bill No. 5583 entitled:

"AN ACT Relating to the implementation of recommendations of the joint legislative audit and review committee's performance audit of the public mental health system;"

Engrossed Substitute Senate Bill No. 5583 expresses the legislature's support for most of the recommendations of a recent performance audit of the community mental health system by the Joint Legislative Audit and Review Committee (JLARC). I too support those recommendations, relating to funding flexibility, performance measurement, performance incentives, and other improvements. I also support the bill's goal of minimizing the percentage of available funding that is spent on administrative activities at all levels of the mental health system.

However, section 8 of the bill would have required the Department of Social and Health Services (DSHS) to develop a plan to reduce administrative expenses in the system, including the Regional Support Networks and community-based treatment providers, to ten percent of available funds, and submit the plan to the legislature by December 15, 2001, with an assumed implementation date of July 1, 2003.

Minimizing administrative costs is an important goal for any program. But the Secretary of DSHS advises me that developing a realistic plan to achieve that goal for the mental health system as a whole will take longer than seven months, in part because it requires the active participation of mental health providers and Regional Support Networks.

The legislature's intent to see a plan implemented in July 2003 allows enough time to develop such a plan properly. Therefore, I have vetoed section 8 and direct DSHS to work with appropriate stakeholders to complete the plan, and make recommendations to me and to the legislature by October 1, 2002.

For these reasons, I have vetoed section 8 of Engrossed Substitute Senate Bill No. 5583.

With the exception of section 8, Engrossed Substitute Senate Bill No. 5583 is approved.

Respectfully submitted,
GARY LOCKE, Governor

MESSAGE FROM THE GOVERNOR
PARTIAL VETO MESSAGE ON SUBSTITUTE SENATE BILL NO. 5940

May 15, 2001

To the Honorable President and Members,
The Senate of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 1, Substitute Senate Bill No. 5940 entitled:
"AN ACT Relating to career and technical education;"

Substitute Senate Bill No. 5940 aligns the K-12 career and technical education programs with education reform and workforce planning efforts. These changes will integrate K-12 and higher education technical programs to better address skills gaps in our state's workforce.

Section 1 of the bill would have established different expectations for school districts based on their current program offering. School districts currently offering career and technical education programs would be required to continue those programs, while districts that are not currently offering those programs are only encouraged to establish them. I urge all school districts to establish career and technical education programs, but cannot support a provision that requires some, but not all, school districts to do so. In addition, the requirement to provide career and technical education programs infringes on local school board decision-making.

For these reasons, I have vetoed section 1 of Substitute Senate Bill No. 5940.

With the exception of section 1, Substitute Senate Bill No. 5940 is approved.

Respectfully submitted,
GARY LOCKE, Governor

MESSAGE FROM THE HOUSE

May 15, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SENATE BILL NO. 6183 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature to create a primary for all partisan elected offices, except for president and vice president, precinct committee officer, and offices exempted from the primary under RCW 29.15.150, that:

- (1) Allows each voter, including those who choose not to affiliate with any major political party, to participate;
- (2) Preserves the privacy of each voter's party affiliation, if any;
- (3) Rejects mandatory voter registration by political party;
- (4) Protects ballot access for minor political party and independent candidates;
- (5) Maintains a candidate's right to self-identify with any major political party; and
- (6) Upholds a political party's First Amendment right of association.

Sec. 2. RCW 29.01.090 and 1977 ex.s. c 329 s 9 are each amended to read as follows:

"Major political party" means a political party of which at least one nominee for president, vice president, United States senator, or a statewide office received at least five percent of the total vote cast at the last preceding state general election in an even-numbered year(~~(: PROVIDED, That any political party qualifying as a major political party under the previous subsection (2) or subsection (3) of this section prior to its 1977 amendment shall retain such status until after the next state general election following June 30, 1977).~~ However, a political party of which no nominee received at least ten percent of the total vote cast may forgo its status as a major political party by filing with the secretary of state an appropriate party rule within sixty days of attaining major party status under this section or thirty days of the effective date of this act, whichever is later.

NEW SECTION. Sec. 3. A new section is added to chapter 29.07 RCW to read as follows:

Under no circumstances may an individual be required to affiliate with, join, adhere to, express faith in, or declare a preference for, a political party or organization upon registering to vote.

NEW SECTION. Sec. 4. Candidates for all partisan elected offices, except for president and vice president, precinct committee officer, and offices exempted from the primary under RCW 29.15.150, will be nominated at primaries held under this chapter.

NEW SECTION. Sec. 5. So far as applicable, the provisions of this title relating to conducting general elections govern the conduct of primaries.

NEW SECTION. Sec. 6. A new section is added to chapter 29.30 RCW to read as follows:

Each primary ballot that includes one or more partisan offices must include a party identification checkoff box that allows a voter to select the party with which the voter chooses to affiliate from a list of the major political parties, or the option to indicate that the voter chooses not to affiliate with any major political party. If a voter makes no selection or selects more than one option, then the voter is presumed to have selected the option indicating that the voter chooses not to affiliate with any major political party.

NEW SECTION. Sec. 7. A new section is added to chapter 29.30 RCW to read as follows:

The party identification checkoff box required under section 6 of this act must appear on the primary ballot before the names of candidates and ballot measures. Clear and concise instructions to the voter must be prominently displayed immediately before the list of major political parties, and must include:

- (1) A question asking the voter to indicate the major political party, if any, with which the voter chooses to affiliate;
- (2) A statement indicating that votes cast for a candidate who indicated a major political party designation when filing a declaration of candidacy by a voter who chooses to affiliate with a different major political party will not be tabulated or reported;

(3) An explanation, for each major political party, of whether or not votes cast by a voter who chooses not to affiliate with any major political party will be used to determine the major political party's nominees;

(4) A statement that votes cast for minor party candidates or independent candidates by voters who choose to affiliate with a major political party will not be tabulated or reported; and

(5) A statement that the party identification option will not affect votes cast for candidates for nonpartisan offices or for or against ballot measures.

NEW SECTION. Sec. 8. No record may be created or maintained by a state or local governmental agency or a political organization that identifies a voter with the information provided on the voter's ballot, including the choice that the voter makes regarding political party affiliation.

NEW SECTION. Sec. 9. (1) A major political party may choose, by rule adopted under chapter 29.42 RCW, to allow voters who choose not to affiliate with any major political party to cast votes that will be used to determine the major political party's nominees. The rule may only be made on a statewide basis and with respect to all of the votes cast by unaffiliated voters rather than with respect to votes cast in specific districts, in specific races, or for specific candidates.

(2) A major political party that has adopted a rule under subsection (1) of this section may repeal that rule at any time. However, the effect of the repeal is subject to the time requirements of subsection (6) of this section.

(3) A major political party shall provide the secretary of state with written notification of an action taken under this section before the end of the first business day that immediately follows the day during which the action is taken.

(4) If a major political party adopts an appropriate rule under subsection (1) of this section, then the major political party's nominee will be the candidate who receives a plurality of votes from the aggregation of votes cast by voters who choose to affiliate with that major political party and votes cast by voters who choose not to affiliate with any major political party.

(5) Unless a major political party adopts a rule under subsection (1) of this section, or if a rule so adopted is repealed under subsection (2) of this section, then the major political party's nominee will be the candidate who receives a plurality of votes cast by voters who choose to affiliate with that major political party.

(6) The adoption of a rule under subsection (1) of this section or the repeal of the rule under subsection (2) of this section must occur on or before March 1st in order to be in effect at any primary conducted between September 1st of the same year and August 30th of the following year. However, a major political party may adopt a rule under subsection (1) of this section no later than thirty days after the effective date of this act that becomes effective at the primary conducted in September of 2001.

(7) The decision by a major political party to accept votes cast by voters who choose not to affiliate with any major political party does not affect the rights of any other major political party.

NEW SECTION. Sec. 10. For each major political party, prominent notification regarding whether or not the major political party will allow voters who choose not to affiliate with any major political party to participate in the major political party's nomination process must be made, at the very least, in:

(1) Any primary voters' pamphlet prepared by the secretary of state or a local government;

(2) Instructions that accompany any ballot sent by a county auditor to an absentee voter;

(3) Any notice of primary published in compliance with RCW 29.27.030;

(4) A sample ballot prepared by a county auditor under RCW 29.30.060;

(5) The content of the web site of the office of the secretary of state; and

(6) The content of each county auditors' web site that is in existence.

NEW SECTION. Sec. 11. Votes cast by a voter who chooses to affiliate with a major political party for a candidate who indicated a different major political party designation when filing a declaration of candidacy, or for a minor party candidate or independent candidate, may not be tabulated or reported. However, votes cast by that voter for candidates for other offices are not affected in any way.

NEW SECTION. Sec. 12. (1) All votes cast for a candidate who indicated a major political party designation when filing a declaration of candidacy by voters who choose to affiliate with that major political party must be tabulated and reported separately from any other votes cast for that candidate.

(2) All votes cast for a candidate who indicated a major political party designation when filing a declaration of candidacy by voters who choose not to affiliate with any major political party must be tabulated and reported separately from any other votes cast for that candidate.

NEW SECTION. Sec. 13. The secretary of state as chief election officer shall adopt rules under chapter 34.05 RCW to facilitate the operation, accomplishment, and purpose of this chapter.

Sec. 14. RCW 29.04.180 and 1999 c 157 s 1 are each amended to read as follows:

Any person who desires to be a write-in candidate and have such votes counted at a primary or election may, if the jurisdiction of the office sought is entirely within one county, file a declaration of candidacy with the county auditor not later than the day before the primary or election. If the jurisdiction of the office sought encompasses more than one county the declaration of candidacy shall be filed with the secretary of state not later than the day before the primary or election. Declarations of candidacy for write-in candidates must be accompanied by a filing fee in the same manner as required of other candidates filing for the office as provided in RCW 29.15.050.

Votes cast for write-in candidates who have filed such declarations of candidacy and write-in votes for persons appointed by political parties (~~pursuant to RCW 29.18.160~~) under section 16 of this act need only specify the name of the candidate in the appropriate location on the ballot in order to be counted. Write-in votes cast for any other candidate, in order to be counted, must designate the office sought and position number or political party, if applicable. In order for write-in votes to be valid in jurisdictions employing optical-scan mark sense ballot systems the voter must complete the proper mark next to the write-in line for that office.

No person may file as a write-in candidate where:

(1) At a general election, the person attempting to file either filed as a write-in candidate for the same office at the preceding primary or the person's name appeared on the ballot for the same office at the preceding primary;

(2) The person attempting to file as a write-in candidate has already filed a valid write-in declaration for that primary or election, unless one or the other of the two filings is for the office of precinct committeeperson;

(3) The name of the person attempting to file already appears on the ballot as a candidate for another office, unless one of the two offices for which he or she is a candidate is precinct committeeperson.

The declaration of candidacy shall be similar to that required by RCW 29.15.010. No write-in candidate filing under RCW 29.04.180 may be included in any voter's pamphlet produced under chapter ((29.80)) 29.81 RCW unless that candidate qualifies to have his or her name printed on the general election ballot. The legislative authority of any jurisdiction producing a local voter's pamphlet under chapter 29.81A RCW may provide, by ordinance, for the inclusion of write-in candidates in such pamphlets.

NEW SECTION. Sec. 15. A new section is added to chapter 29.15 RCW to read as follows:

If a place on the ticket of a major political party is vacant because no person has filed for nomination as the candidate of that major political party after the last day allowed for candidates to withdraw under RCW 29.15.120, and if the vacancy is for a state or county office to be voted on solely by the electors of a single county, the county central committee of the major political party may select and certify a candidate to fill the vacancy. If the vacancy is for any other office the state central committee of the major political party may select and certify a candidate to fill the vacancy. The certificate must set forth the cause of the vacancy, the name of the person nominated, the office for which nominated, and other pertinent information required in an ordinary certificate of nomination and be filed in the proper office no later than the first Friday after the last day allowed for candidates to withdraw, together with the candidate's fee applicable to that office and a declaration of candidacy.

NEW SECTION. Sec. 16. A new section is added to chapter 29.15 RCW to read as follows:

A vacancy caused by the death or disqualification of a candidate or nominee of a major or minor political party may be filled at any time up to and including the day before the election for that position. For state partisan offices in a political subdivision voted on solely by electors of a single county, the county central committee in the case of a major political party or the state central committee or comparable governing body in the case of a minor political party shall appoint a person to fill the vacancy. For other partisan offices, including federal or statewide offices, the state central committee or comparable governing body of the appropriate political party shall appoint a person to fill the vacancy.

If the vacancy occurs no later than the sixth Tuesday before the primary or general election concerned and the ballots have been printed, the appropriate election officers shall correct the ballots. In making the correction, it is not necessary to reprint complete ballots if any other less expensive technique can be used and the resulting correction is reasonably clear.

If the vacancy occurs after the sixth Tuesday before the primary or general election and time does not exist in which to correct ballots (including absentee ballots), either in total or in part, then the votes cast or recorded for the person who has died or become disqualified must be counted for the person who has been named to fill the vacancy.

When the secretary of state is the person with whom the appointment by the major or minor political party is filed, the secretary of state shall, in certifying candidates or nominations to the various county officers insert the name of the person appointed to fill a vacancy.

If the secretary of state has already sent forth the certificate when the appointment to fill a vacancy is filed, the secretary of state shall immediately certify to the county auditors of the proper counties the name and place of residence of the person appointed to fill a vacancy, the office for which the person is a candidate or nominee, the party represented, and all other pertinent facts pertaining to the vacancy.

Sec. 17. RCW 29.27.020 and 1990 c 59 s 8 are each amended to read as follows:

On or before the day following the last day for political parties to fill vacancies in the ticket as provided by ((RCW 29.18.450)) section 15 of this act, the secretary of state shall certify to each county auditor a list of the candidates who have filed declarations of candidacy in his or her office for the primary. For each office, the certificate shall include the name of each candidate, his or her address, and his or her party designation, if any.

Sec. 18. RCW 29.27.030 and 1965 c 9 s 29.27.030 are each amended to read as follows:

Not more than ten nor less than three days prior to the primary election the county auditor shall publish notice of such primary in one or more newspapers of general circulation within the county. ((Said)) The notice shall contain the proper party designations, the names and addresses of all persons who have filed a declaration of

candidacy to be voted upon at that primary election, the notification that is required for each major political party under section 10 of this act, the hours during which the polls will be open, and that the election will be held in the regular polling place in each precinct, giving the address of each polling place((:-PROVIDED, That)). The names of all candidates for nonpartisan offices shall be published separately with designation of the offices for which they are candidates but without party designation. This shall be the only notice required for the holding of any primary election.

Sec. 19. RCW 29.30.005 and 1990 c 59 s 93 are each amended to read as follows:

Except for the candidates for the positions of president and vice president or for ((a partisan or nonpartisan)) an office for which no primary is required, the names of all candidates who have filed for ((nomination under chapter 29.18 RCW and those independent candidates and candidates of minor political parties who have been nominated under chapter 29.24 RCW shall)) office under chapter 29.15 RCW must appear on the appropriate ballots at the primary throughout the jurisdiction in which they are to be nominated.

Sec. 20. RCW 29.30.025 and 1990 c 59 s 80 are each amended to read as follows:

After the close of business on the last day for candidates to file for office, the filing officer shall, from among those filings made in person and by mail, determine by lot the order in which the names of those candidates will appear on all primary, sample,

and absentee ballots. ((In the case of candidates for city, town, and district office, this procedure shall also determine the order for candidate names on the official primary ballot used at the polling place.)) The determination shall be done publicly and may be witnessed by the media and by any candidate. If no primary is required for any nonpartisan office under RCW 29.15.150 or 29.21.015, the names shall appear on the general election ballot in the order determined by lot.

Sec. 21. RCW 29.30.095 and 1990 c 59 s 96 are each amended to read as follows:

(1) The name of a candidate for a partisan office for which a primary was conducted shall not be printed on the ballot for that office at the subsequent general election unless the candidate receives a number of votes equal to at least one percent of the total number cast for all candidates for that position sought and a plurality of the votes cast for the candidates of his or her party for that office at the preceding primary.

(2) If, under section 9 of this act, a major political party has chosen to allow voters who choose not to affiliate with any major political party to participate in that major political party's nomination process, then votes cast by all voters affiliated with that party for candidates who indicated that major political party designation when filing a declaration of candidacy must be aggregated with votes cast by unaffiliated voters before comparing vote totals in order to determine a plurality. If not, then a plurality is determined by comparing only the tabulations of votes cast by voters who choose to affiliate with that major political party.

Sec. 22. RCW 29.30.101 and 1999 c 298 s 11 are each amended to read as follows:

The names of the persons certified as nominees by the secretary of state or the county canvassing board shall be printed on the ballot at the ensuing election.

No name of any candidate whose nomination at a primary is required by law shall be placed upon the ballot at a general or special election unless it appears upon the certificate of either (1) the secretary of state, or (2) the county canvassing board, or (3) a minor political party convention or the state or county central committee of a major political party to fill a vacancy on its ticket under ((RCW 29.18.160)) section 16 of this act.

Excluding the office of precinct committee officer or a temporary elected position such as a charter review board member or freeholder, a candidate's name shall not appear more than once upon a ballot for a position regularly nominated or elected at the same election.

Sec. 23. RCW 29.33.320 and 1990 c 59 s 28 are each amended to read as follows:

The secretary of state shall not approve a vote tallying system unless it:

- (1) Correctly counts votes on ballots on which the proper number of votes have been marked for any office or issue;
- (2) Ignores votes marked for any office or issue where more than the allowable number of votes have been marked, but correctly counts the properly voted portions of the ballot;
- (3) Accumulates a count of the specific number of ballots tallied for each precinct, total votes by candidate for each office, and total votes for and against each issue of the ballot in that precinct;
- (4) ~~((Accommodates rotation of candidates' names on the ballot under RCW 29.30.040;~~
- ~~(5))~~ Produces precinct and cumulative totals in printed form; and
- ~~((6))~~ (5) Except for functions or capabilities unique to this state, has been tested, certified, and used in at least one other state or election jurisdiction.

Sec. 24. RCW 29.36.045 and 2001 c 241 s 8 are each amended to read as follows:

The county auditor shall send each absentee voter a ballot, a security envelope in which to seal the ballot after voting, a larger envelope in which to return the security envelope, and instructions on how to mark the ballot and how to return it to the county auditor. The instructions that accompany absentee ballots for primaries must include the notification that is required for each major political party under section 10 of this act. The larger return envelope must contain a declaration by the absentee voter reciting his or her qualifications and stating that he or she has not voted in any other jurisdiction at this election, together with a summary of the penalties for any violation of any of the provisions of this chapter. The return envelope must provide space for the voter to indicate the date on which the ballot was voted and for the voter to sign the oath. A summary of the applicable penalty provisions of this chapter must be printed on the return envelope immediately adjacent to the space for the voter's signature. The signature of the voter on the return envelope must affirm and attest to the statements regarding the qualifications of that voter and to the validity of the ballot. For out-of-state voters, overseas voters, and service voters, the signed declaration on the return envelope constitutes the equivalent of a voter registration for the election or primary for which the ballot has been issued. The voter must be instructed to either return the ballot to the county auditor by whom it was issued or attach sufficient first class postage, if applicable, and mail the ballot to the appropriate county auditor no later than the day of the election or primary for which the ballot was issued.

If the county auditor chooses to forward absentee ballots, he or she must include with the ballot a clear explanation of the qualifications necessary to vote in that election and must also advise a voter with questions about his or her eligibility to contact the county auditor. This explanation may be provided on the ballot envelope, on an enclosed insert, or printed directly on the ballot itself. If the information is not included, the envelope must clearly indicate that the ballot is not to be forwarded and that return postage is guaranteed.

Sec. 25. RCW 29.42.010 and 1977 ex.s. c 329 s 16 are each amended to read as follows:

Sec. 26. RCW 29.42.050 and 1991 c 363 s 34 are each amended to read as follows:

The statutory requirements for filing as a candidate at the primaries shall apply to candidates for precinct committee officer except that the filing period for this office alone shall be extended to and include the Friday immediately following the last day for political parties to fill vacancies in the ticket as provided by ~~((RCW 29.18.150))~~ section 15 of this act, and the office shall not be voted upon at the primaries, but the names of all candidates must appear under the proper party and office designations on the ballot for the general November election for each even-numbered year and the one receiving the highest number of votes shall be

declared elected: PROVIDED, That to be declared elected, a candidate must receive at least ten percent of the number of votes cast for the candidate of the candidate's party receiving the greatest number of votes in the precinct. Any person elected to the office of precinct committee officer who has not filed a declaration of candidacy shall pay the fee of one dollar to the county auditor for a certificate of election. The term of office of precinct committee officer shall be for two years, commencing upon completion of the official canvass of votes by the county canvassing board of election returns. Should any vacancy occur in this office by reason of death, resignation, or disqualification of the incumbent, or because of failure to elect, the respective county chair of the county central committee shall be empowered to fill such vacancy by appointment: PROVIDED, HOWEVER, That in legislative districts having a majority of its precincts in a county with a population of one million or more, such

Sec. 27. RCW 29.42.070 and 1991 c 363 s 35 are each amended to read as follows:

Within forty-five days after the statewide general election in even-numbered years, (~~or within thirty days following July 30, 1967, for the biennium ending with the 1968 general elections,;~~) the county chair of each major political party shall call separate meetings of all elected precinct committee officers in each legislative district (~~(a majority of the precincts of which are within a county with a population of one million or more)~~) for the purpose of electing a legislative district chair in such district. The district chair shall hold office until the next legislative district reorganizational meeting two years later, or until a successor is elected.

The legislative district chair can only be removed by the majority vote of the elected precinct committee officers in the chair's district.

CYNTHIA ZEHNDER, Co-Chief Clerk

MOTION

Senator Tim Sheldon moved that the Senate do not concur in the House amendment to Engrossed Senate Bill No 6183.

MOTION

Senator Snyder moved that the Senate do concur in the House amendment to Engrossed Senate Bill No. 6183.

MOTION

Senator Snyder moved that Engrossed Senate Bill No. 6183 be made a special order of business for 10:30 a.m. on Friday, May 18.

REMARKS BY SENATOR HARGROVE

Senator Hargrove: "Thank you, Mr. President. I would object to that motion. There are a number of people leaving town. This is a very important issue. I think we ought to do it. So, I object to the motion."

REMARKS BY SENATOR WEST

Senator West: "Mr. President, I request that the motion be divided. There is a motion to concur and there is a motion to make it a special order of business. What are we doing here?"

REPLY BY THE PRESIDENT

President Owen: "Senator West, it is not necessary to divide the question. The motion before the Senate is the motion by Senator Snyder to make Engrossed Senate Bill No. 6183 a special order of business for 10:30 a.m. on Friday, May 18."

REMARKS BY SENATOR FINKBEINER

Senator Finkbeiner: "Thank you, Mr. President, speaking against the motion. I think the Attorney General visited both of our caucuses and urged us to resolve this matter as quickly as possible. What she told us was that the longer we wait, the more difficult it is going to be to for her to argue anything in front of the court. The position that the people who want to put this debate off, that's going to be harder to argue and the position that those of us who don't want to put it off, that's going to be harder to argue also. If nothing gets passed, that's still going to be hard for her to put something together in the next--what is it--eight days from now that the court is going to make a decision?"

"I think we've debated this enough all through the year. I think we've put it off enough. We've put off committee hearings. We've put off debate on the floor. The House has made their position, and I think we've made our position. I think we still believe in our position. I think we need to send this back over to the House and let them know today, and quit delaying, because the longer we delay, the more we're handing this issue from the Legislature, where I think it deserves to be resolved--over to the courts--where I don't think most of us want to see it resolved. So, I urge a 'no' vote on this motion."

REMARKS BY SENATOR SNYDER

Senator Snyder: "Thank you, Mr. President. Well, just a few moments ago, the proponents of the bill that left here were saying they got jammed in the House of Representatives. They should have waited a few days over there before they ran the bill. Now, we're being told that if we postpone this until Friday, it isn't the thing to do, we should jump up and pass it real fast. So, I think the proper thing to do is just to wait until Friday. We talk about members not being here on Friday and being gone, I think our obligation is to be here. We're in a special session and there are people gone all the time. I think this is the number one priority for all of us unless they have a real emergency to be gone from Olympia. I think we need to take a look; I don't even know fully what the House of Representatives passed. I understand they amended 6183 that we originally had over here and made some changes in that and we haven't even had a chance to discuss those at all. I think it's just reasonable that we wait until Friday to consider this. Also, I'll talk about something else later if it comes to that."

REMARKS BY SENATOR EIDE

Senator Eide: "Thank you, Mr. President, I too stand in favor of the motion. I would like a chance to read the bill. Unfortunately, I believe it passed the House of Representatives yesterday, and I don't think it is unreasonable to wait until 10:30 on Friday morning to give each and every one of us a chance to at least read it to see what's in it, and if there were any changes made."

REMARKS BY SENATOR CARLSON

Senator Carlson: "Mr. President, ladies and gentlemen of the Senate. This bill that we passed originally from the Senate two days ago, was passed by the other body in one day and then they sent it back to us. Have they made changes? Sure. I'm speaking against the motion to delay, because I believe that we knew what we voted on two days ago. We had an excellent debate on that issue two days ago. We can still vote the same; we could vote differently. We can understand what we voted on already two days ago, and if I heard the motion correctly before we were asked to consider to delay this until Friday, there was an opportunity to have the differences explained.

"I know that we have looked at this issue for months. We understand the basic concept of the bill and the revisions of the bill that we voted on two days ago. I believe we're putting off a very crucial vote that the Attorney General needs to have direction on. I believe we should make it very clear that we understand what we are and what we have already voted on, and therefore, I urge you to vote against the motion to delay."

REMARKS BY SENATOR ROACH

Senator Roach: "Thank you, Mr. President. I urge that we do vote for delay and I want to explain to the members why. I think that the Senator that just spoke is definitely correct. We all know the issues and we all know what both the underlying bill that 6183 was, and we also know what it was when it left for the House. Most of us, I think, have a good feeling for what has come back for us to consider. But, that's not the issue anymore. That's not the issue for the delay. The issue for the delay is not the content of 6183. The issue for a delay is so that we can now discuss something even more important and that issue is, shall we in fact allow for the courts to take over the responsibility that we have as legislators--and that we will never ever be able to inject our own or the people's will into this subject.

"Remember the Boldt Decision--remember when that issue went to the court, it closed off any access that the state of Washington's Legislature, and therefore the people, had in that debate forever. If we don't get a bill for the Governor's desk, we will have no more input on the issue, because it will go to court. So, I would suggest this, that even if we do not like the version that the House is coming back with, and remember I voted for 6183 as it left the Senate--even if we do not prefer that version, it is much preferable in these few remaining days to get a bill to the Governor's office that he will sign, so that we can, and future legislatures, can, continue to address this. If we don't, we've closed the door.

"That, ladies and gentlemen of the Senate, is the issue before us today and the issue of the delay. Mr. President, I move that the whole debate on 6183 that occurred Monday and today and as it will come up in the future hopefully, be spread upon the record of the Journal for the purposes of easy access for our prosperity to look and understand what's happening in this extremely historical point."

REPLY BY THE PRESIDENT

President Owen: "Senator Roach, your motion, at this time, would be out of order. You will have to make it after we dispose of this motion."

REMARKS BY SENATOR KOHL-WELLES

Senator Kohl-Welles: "Thank you, Mr. President. I also support the motion to delay the vote until Friday. We have two very different proposals before us. One, that the Senate has passed out and secondly, the amended bill that came over from the House. Now, indeed there may be some resolution to this, where we're not having to select between these two options. Some people are working on trying to find a compromise here that could be embraced by all of us here in the Senate and everybody in the House. Delaying this for two days would give the opportunity for us all to work on crafting such a compromise. If nothing else, I believe we can wait for two days to see if we can come up with that compromise."

The President declared the question before the Senate to be the motion by Senator Snyder to make Engrossed Senate Bill No. 6183 a special order business at 10:30 a.m. on Friday, May 18.

The motion by Senator Snyder to make Engrossed Senate Bill No. 6183 a special order of business for Friday, May 18, failed on a rising vote.

The President declared the question before the Senate to be the motion by Senator Snyder to concur in the House amendment to Engrossed Senate Bill No. 6183.

REMARKS BY SENATOR HARGROVE

Senator Hargrove: "Thank you, Mr. President. I would like to speak against that motion. The bill we have before us here is essentially the same decision we made yesterday. It was whether we were going to have the Washington primary--the people's choice primary--or the modified Montana plan. I believe there was some very minor amendments made, but the substance of the main debate is still here. So, I would urge that we vote against this motion to concur."

REMARKS BY SENATOR FRANKLIN

Senator Franklin: "Thank you, Mr. President. I move that we do concur with the motion, because after watching very, very closely the debate on both sides, and knowing what the outcome has been, it has been one of the toughest votes that members have had to take. So, concurring with the amendment certainly would then answer not only the question which confronts us, but would be most appropriate for the voters. We have been trying to address the issue before it is turned over to the court."

REMARKS BY SENATOR TIM SHELDON

Senator Tim Sheldon: "Thank you, Mr. President. I move that we vote 'no' on this motion and that we not concur and defeat this motion and then subsequently we pass a motion to not concur and to adhere to our position. Really, this is a battle between the people and the parties. It really gets down to this vote today. You've read the newspaper articles, you're starting to hear from your constituents and I can't think of a constituent that I have that wants their vote not to count.

"How would it be in this body if someone was chosen--if someone said, the body said, you in District X or you in District Y, your vote will not count today. You can go to the polls, you can go through the motions, you can take a ballot, you can do that most sacred thing that we do in America--vote, but your vote will not count. That's the basic difference between these two plans. There's no changing it. There's no getting around it. There's no begging the parties to count the votes. There's no deal that can be made. It's all left to someone else to decide and that's not what we do in America. Our Constitution says, 'We, the people,' it doesn't say, 'We, the party.' Please vote 'no' on this motion. Bring the next motion up. We'll send the bill that we passed that favors the people, back to the House where it was defeated by a small margin. Given time, I believe that will also pass, because the power of the people will prevail."

REMARKS BY SENATOR CONSTANTINE

Senator Constantine: "Thank you, Mr. President. The bill before us is the one alternative that we have to a judicially imposed primary election system in the state of Washington. The Cajun system is not going to pass the House of Representatives--I'm sorry Mr. President. I know we're not supposed to discuss deliberations over there, but it's part of the reality of what we vote on today. If we do not concur, then we say that a federal judge can impose whatever system you will on this state. Instead of a moderate system as represented by the bill before us right now, one which protects individual privacy, one which recognizes the right of people to vote across party lines, we're going to have a system where it's likely based on what the Attorney General told us recently, that we'll go to a convention to choose the candidates for the general election. Do your voters prefer to go to a party convention than to go to the polls and vote?

"The bill we have before us is the most modern option that is going to pass. Nothing else short of this is going to pass, so you can vote the way you voted last time. You can remain wedded to that position, but you need to recognize you're not actually going to make a change in the law, you're not actually going to solve the problem, and you're not going to do a darn thing for the voters of this state. I would urge you to vote to concur."

REMARKS BY SENATOR FINKBEINER

Senator Finkbeiner: "Thank you, Mr. President and members of the Senate. You know the folks that want to denigrate the Washington choice model and call it the Cajun model or call it the Louisiana system, even though it's clearly not that, even though it's clearly the same model that we use to elect all of our local folks. Along those lines, I think if you're going to characterize this bill as what does it in essence really represent? I think this is a Tammany Hall model. This is a let's go back to the smoke-filled back rooms and pick out who's going to be the party nominee.

Let's take the votes away from the people and give them to the party. I think we had enough debate on this yesterday, so speaking directly to this motion on whether or not we want to concur. I guess I think that despite some of the claims that have been made today, I think it's a little early to call this the only version that could be passed.

"In fact, I think there's a very slim majority that passed the current bill that we're currently looking at and I think the Senate gave much more deliberation and debate over the course of the session to this topic. I don't think anybody was rushed in their decision making. I think we owe it to ourselves to hold the position that we had yesterday--to say that we're going to place the voters above the party and to give the other body a chance to really consider this debate. In fact I don't know how many of those of you who listened to the debate yesterday, but something I was very surprised at as I heard over and over again, well let's really talk to those parties. We'll just really put a lot of pressure on them. I heard it on the news today, one of the folks who supported this bill saying, 'We'll just really tell those parties one more time,' just like we did in our last presidential election where they threw out over fifty percent of the votes--didn't count them because people had to pick their parties.

"It is just like we've done all session until now where we've said over and over again, 'Please don't sue the state, please don't put us in this position,' and we've ignored it all the way until now. So, I think it's time and the right time to say 'no.' The other body should consider this and we're going to continue to stand with the people. So I urge a 'no' vote."

REMARKS BY SENATOR KOHL-WELLES

Senator Kohl-Welles: "Thank you, Mr. President. I speak in favor of concurring in the House amendment. I find it very interesting when I hear people say that voting for the House amendment is tantamount to wanting to go to Tammany Hall and have the situation in our state where the party bosses decide who's going to be advanced to the general election. I would like to tell you a little bit of background here. The model for this came from a constituent of mine from Queen Anne in Seattle back in early February. He brought the idea to me. He's been an elections inspector for years and he's observed what happens at the polling places. He knows that people want to preserve privacy of whom they vote for and which party they identify with, but he also has believed that the parties have some rights to be involved with who goes on to represent the party in the general election.

"I tried to take this to the democratic party. I tried over and over again to talk about this proposal here. No one really paid attention, because we legislators did not want to deal with the situation. We did not want our constituents to be angry with us for making a change in their beloved blanket primary, which no one has wanted to change. Eventually, this got on the radar screen and I talked with party officials. I asked them to give me input. They didn't get back to me. This is not something that the parties have put us up to. I think they prefer this over the Louisiana primary approach, but this is not what they want either. They would like full registration by party with closed primary ballots. Now this option--this model--is not ideal. How many times do we vote on a compromise bill in this body that we love? Usually, we don't love compromises, but a compromise is something that can work--and this can work. It passes constitutional muster according to the Attorney General's office.

"Believe me, if this does not go forward and the Louisiana model does, just wait until you hear from outraged constituents when they go to vote in the general election and there are only two people on the ballot from one party. Are they going to have a choice before them? Just wait until there are no minor candidates on the general election ballot. Are people going to be very pleased then and like what we have done? We need to approve the House amendment. The best approach is the one that will work even though none of us loves it."

REMARKS BY SENATOR DECCIO

Senator Deccio: "Thank you, Mr. President. I haven't weighed in on this, but reducing it down to a plain simple fact, that number one, I don't want the parties telling me what to do, whether I can run, whether I can't run, whether I get nominated, whether I don't get nominated. Number two, we cannot disenfranchise anyone. Senator Kohl said that the electorate would be outraged if we don't go with the House. They will be more outraged when they find out that they cannot vote--that their vote does not count. That's the bottom line for me. We just went through the Florida fiasco where votes were counted, some were not counted. We don't want to do that again in the state of Washington. We need to go with the Senate version and let's get this thing over with. Thank you."

REMARKS BY SENATOR KLINE

Senator Kline: "Mr. President and members, I'm somewhat offended as a New Yorker to hear Tammany Hall brought into this. Tammany Hall was a political machine comparable in its day to the recent Chicago political machine. If there's any bill that would make the political machinery work, it's a bill that would take away from this Legislature the authority to write legislation and give it--not to a group of people around a table in a back room all smoking cigars-- but to one person, a federal judge. If we don't exercise legislative power, we're going to have legislative power exercised on us by a judge--a single person. I can't see any other alternative that could possibly pass both houses of this Legislature that would take it away from Judge Burgess, other than this bill.

"This bill has more merit to it than simply--well it's an alternative to taking it away from a judge. There is a point to having both parties, possibly minor parties as well, in the mix, in election day, in November when the largest number of people come out to vote. The real choice is made not in September, but in November. Every other even numbered November, we have a president and vice president to be elected. We have large numbers of people every even-numbered November when our congressional delegation is up. That's when people come to the polls. That's when choice matters--choice between ideologically different candidates. This bill, I believe--if we concur--would give us that and it would be our decision to make."

REMARKS BY SENATOR HEWITT

Senator Hewitt: "Thank you, Mr. President. Yesterday, I voted for the amendment basically because I want the people to have the choice and I think that's the method to do it. I don't think any country should allow any vote to be cast out by a handful of people. I want to read you something that I received yesterday and here's what's important about this. This came from the treasurer of my campaign last year. He's

also a party official; his wife is a state committeewoman. I think you'll appreciate this, I'm going to quote this. 'Yesterday, our sorry State Senator voted on a striking amendment which gutted Senator Snyder's Bill No. 6183. Our sorry Senator voted both for the amendment and the final bill,' which was addressed to the officials of the Republican party in Walla County. That ladies and gentlemen is part of the problem here.

"We're not only taking the choice away from the people that we want to make the choice for, but we're also handing over some of the choices to the people that helped to get us here. I don't think it's correct. I spent last night on the phone talking to the county officials, trying to explain my position and why I think it's so important to allow the people of this state to cast their vote and have their vote counted. I want something to come out of this body. I don't care what it is. I want something to come out of this body, but I would prefer to have the people of this state have their votes counted. I'm willing to take another risk to get it back to the House to let them have the message a second time. Thank you."

REMARKS BY SENATOR CARLSON

Senator Carlson: "Thank you, Mr. President. Ladies and gentlemen of the Senate, I stand in opposition to the bill before you. In fact, if I had the opportunity, I would request that we adhere to our position and insist that they recede from their position. We are about the people's business and the legislation that we passed two years ago-- sorry, two days ago--is certainly a desire and attempt to recognize the will of the people as they described their view on the issue of a Washington preferential primary vote. The press--you ought to be ashamed of yourselves, ashamed of yourselves for calling it the Cajun system, the Louisiana system. It's our state's people's preference. If you wouldn't keep calling it Cajun and Louisiana, maybe we'd have an opportunity for the citizens to understand that we're trying to provide them their choice. They have indicated many times the desire to be able to vote as they choose. We sent, by a majority vote in an excellent civics discussion on this floor two days ago, what we thought was the right thing to do. We sent it to the other body. They had an interesting discussion, but they couldn't even discuss what we sent them because one person says it's not going to be allowed.

"Well, if we're a representative democracy then we need to stand up for what we believe in, a democratic/republican government and send it back the way we sent it to them, because I believe, if we gave this opportunity for the folks to vote on it in a different body, they would pass this bill-- if they were given the opportunity. Please vote this down and adhere to our position."

REMARKS BY SENATOR THIBAudeau

Senator Thibaudeau: "Thank you, Mr. President and members of the Senate. I find it somewhat ironic that you're talking about the people's' choice about this particular measure and I'm rising in support of the motion. I want people to have a choice, too, and I want people to have a choice at the general as well as the primary. We all know, relative to the general, how relatively few people vote in the primary. I also find it ironic, and sometimes much to the despair of my party how bipartisan I am, that you cite Tammany Hall. How many of you have been to your district meetings lately, people? How many people are there on a regular basis? How often? I ran against a party candidate and incidently won. I too listened to the debate. There was something like almost twenty votes against it. There were a lot that were excused, but it wouldn't have made the difference. Over and over and over again, the people said, rather the members of that other body said, 'We really appreciate the work you've all done'--the Co-

Chairs that is. Furthermore, in spite of the statements from the other day, the Co-Speakers both voted for it. They gave it considerable thought. It was a long time, because they were in caucus for a long time and I urge you, urge you, to give the people a choice in the general, as well as the other elections. Thank you."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Thank you, Mr. President. Well, I rise to ask you to not support this and one of the biggest reasons is that if we support this, it goes to the Governor's desk. We don't get another chance to bring this issue back to negotiate any further. This goes to the Governor's desk--doesn't go back to the House. I think that this is so important. We need to send a message to the House that we need to continue to negotiate. I represent one hundred thirty-five thousand people. It's almost entirely unincorporated Pierce County. They look to their legislators to be their real voice, and they look to voting as their choice. They want to vote. If I told them that I voted for a system that said their vote may or may not count, they would be very, very disappointed and ashamed of me as a legislator.

"This morning, I was at the Graham Business Association. Forty-five thousand people live in the community of Graham, which is unincorporated. Most of your areas, if you have forty-five thousand people in an area, it's a city or a town, at least. They pleaded with me to please let their vote count. I cannot overlook their choice. So, I ask you to please send this back to the House and let's negotiate further, because we have to look at what the people want. They're the final ones that are going to choose who they want to elect them--to represent them--and I want to give them that choice."

REMARKS BY SENATOR SPANEL

Senator Spanel: "Thank you, Mr. President. The word 'choice' has been mentioned many times and it's also been mentioned that it's not a choice, but I just want to restate that. Yes, in the other system, there is a choice in the first election, which I would hesitate to call a primary choice if you're talking about the Louisiana system. In that system, there is no choice for a lot of people in the general election and it has been stated many times that is when most of the people are voting. Someone could go to that ballot and there could be two people from one party, no minor candidates in most elections. I think there might have been a couple in this past election, at least on our side where the minority party candidate was on the general election ballot. There is no choice in that system and so I'm asking you to concur with the bill the House has sent back to us, because that does give people the choice in that last election. One of the things that was mentioned the other day is the minority party candidates do add something to our system and those discussions when we're in the forums in the fall before an election. It is important that they are there. If you have only two people from one party on that general election, it may not be much of a choice at all and there may not be many disagreements on the issues.

"I also sense from much of the discussion that there's a big great, fear of the 'party' out there. You know the party structure is a few people. The people who identify with a particular party are lots of people and they vote in elections. I guess that's also what ties in the choice. I come from a swing district, and it could really go either way and it has at various times, so I know that I get elected because people have made a choice to vote for me on that general election ballot in November, whether they were a Democrat or not. I think we forget there are a lot of people out there who consider themselves associated with one party or the other, but they don't go to the party functions, they vote for a particular party. I think we're sort of saying to them that you won't have a choice or you may not have a choice in that November election. Please vote to concur with the House amendment and give everybody a choice in the general election."

REMARKS BY SENATOR MORTON

Senator Morton: "Thank you, Mr. President, ladies and gentlemen of the Senate. I could not--cannot help but reflect back on the history of our country and on my own mother. How proudly she wore--and there was a whole batch of badges--they strung out probably eight to ten inches in length, of the names of the eleven ancestors on her side of the family that fought in the American Revolution. Why did they fight? And all those since? It's been mentioned one of their primary purposes was to preserve the right for the individual's vote, and that that vote be counted. I believe that's one of the key things before us. Not that a vote be tallied, but that a vote be counted when it is cast. That's one of the primary differences in these two systems.

"When I was a young man, my father was in politics and in his last three campaigns, I was his campaign chairman. I was just a young squirt in college, but we lived in a state then where the parties ran the state. I'm telling you we don't want to go that way. That state has suffered because of it. If you did not have the support of the county political party chairman, you didn't get anywhere. Then there was the state chairman, and all the precinct committee people and the party members in between. It was a bad system. Now, of the two proposals that we have before us, the one leans very heavily, in my opinion, in that direction--the wrong direction. I would call it the Montana manipulation by masters of politics. We don't want to go that way. I think rather we would stay with that which our

history has prevailed to be the best that each individual citizen's vote counts. We don't need, in this Legislature or at the county councils, party pawns. We need those who are individuals representing the people who elected them. I heavily believe that we have the one system which we sent to the House and needs to be returned to them for their further analyzation. That's the one I would encourage you to vote for."

REMARKS BY SENATOR ROACH

Senator Roach: "Thank you Mr. President. Members of the Senate, I completely concur with everything the previous speaker has stated. It is interesting, though, because I come down on the other side of this particular bill that's before us and I want to explain the reason. First, let me preface that reason by stating that in King County, right now, our King County chairman goes around and appoints district chairs. They are not elected from the PCOs. These appointed district chairs sit on the executive board and this executive board is making pre-primary endorsements without consulting the PCOs. I hope you all heard that, because it's a new thing we're seeing, but it's going to happen all over the state.

"Now just let me add another little tweak here. Because those appointed district chairs are now going in and appointing precinct committee officers who are given full voting rights just as you had been an elected PCO. So, we have a county chair who is appointing district chairs, the district chair is appointing and filling all vacant seats, and if you don't think that's an organization coming out of Chicago, I don't know what. It's going to be that way all over the state of Washington. This is an extremely, extremely important issue. Both parties would claim to be the party of the people and the party with grass roots input, right? If I ask Democrats and I ask Republicans--absolutely, we are the party of the people, we are the grass roots party. That will not be the case. No one will be able to claim it because we'll have big time party bosses again, as I mentioned Monday, walking these wings, telling us what to do up or down, because they control the machine that they have appointed.

"Now, the reason that I am suggesting we concur with this amendment is not because I think this--or concur with this bill that the House has sent back--is not because I think it's necessarily the greatest option, but it is an option that will go to the Governor's desk. Again, if we risk--this is a game, a very high stakes game. If we send a 'do not concur' back to the House, we may find that this ends up in the courts and you will have just exactly what I just mentioned to you for sure. There will be no ability for legislators in the future to ever address this area of law in Washington State again, because the courts will have purview over it.

"Again, this is a strategy issue on how to keep some finger in what's going on. If you do not do that, then I fear that we will have party control from the top-down, not bottom-up--not bottom-up--not from the people, which many people here today, many legislators here today are saying that they really want to support. If you really want to support the people of the state of Washington, you will allow that they have an input in the parties that they choose to be beholding to. They will not have that input as long as you have somebody at the top in a county appointing district chairs who appoint people that in sixty days have full voting rights as any elected member of the party organization. I urge that we do concur for purposes of sending something to the Governor's desk. If we want to change this method later on in another Legislature next year, we can do it. If we don't get something on his desk, there will be no change and we will not have the Washington primary as has been spoken of here, because there will be no opportunity to have it. The parties will have what they want and they will validate the system which I have just mentioned to you and is occurring right now in King County."

REMARKS BY SENATOR BROWN

Senator Brown: "Thank you, Mr. President. I haven't weighed on this issue because I've been working on budget negotiations, but I'd like to because I'm not sure if I'm going to have another opportunity. First of all, I agree with the last speaker in that I believe it would be a big mistake for this branch of government to give up our input over these fundamental issues, which is all about why we are here. The other branch of government that would be taking over is not the one I think that should be making the decision. I think we should be making the decision. Second, after giving it a lot of thought, neither of the systems are perfect that have been put before us. Both of them have some fairly glaring disadvantages when compared with our status quo. I will support and move to concur, and the reason why is because I care a lot about the general election.

"The general election is the place where people make the decision that counts the most, because it's the one that puts the man or the woman in office who is going to be making the decisions upon which the fate of our state and our country and our communities rest. I believe that the form of that election is absolutely key and that choice there matters more than anywhere else in the process. If I walked up to a fast food restaurant and was asked what I would like to drink, and I said what are my choices, and they said Coke or Pepsi, I would say that's not enough choice. My concern is that the general election, under the opposing system that passed the Senate floor the other day, could become a Coke or Pepsi type selection process. Frankly, I think that's what's wrong with our political system today is that many voters are feeling that they don't get real choices because they are getting Coke and Pepsi. That's like two people who convey image and popularity, and not enough about substance and issues and positions and philosophies, because that's too risky.

"Frankly, I was appalled that more Americans knew whether Clinton wore boxers or briefs, than what his position on China was. In the general election, I want voters to have not just a couple of people to choose from, but some vigorous, intellectual positions and debates and values to choose from. In the general election, I think people should be able to choose a Libertarian. I don't support Libertarianism. I believe that, in fact, their philosophy about individual freedom is very appealing, but their philosophy about unrestrained markets is very dangerous and could lead to concentrations of private power that can exploit people. But, I believe having that position represented on the ballot strengthens me and it strengthens the party across the aisle, because we have to debate it and we have to respond to it and we have to say why do I restrain, why am I in favor of restraining freedom in this way, but not in this way.

"Many of the minor parties, I think, have a healthy, invigorating influence on our process, which in comparison with other countries processes, does not produce as broad a debate as I think voters would appreciate having the options to choose from. So, given that position and given how strongly I feel that the general election should not offer just two choices. Americans want more than two choices. I believe that we should vote to concur."

REMARKS BY SENATOR WEST

Senator West: "Thank you, Mr. President. I sat through the debate the other day and sat through the debate today and as the good Senator from West Seattle said, the other day the debate was incredible. It was very much like what we thought in high school and what we all imagined a deliberative body of the Senate--Legislature would be. It's pretty remarkable and I compliment everybody here--people on all sides of the issues for that debate. There are a couple of points that have been made today and were made the other day and I sat and I listened to them. I did not come to my position on this issue, actually firm, until after the debate and that's rare. Many times we all come to the floor knowing exactly where we're going to end up when we come to the floor. I know some of the vote counters were a little disappointed with me from time to time when I wouldn't--couldn't--give them a straight answer as to which way I would default on the vote.

"There's a couple of points here that have been made, or a couple of statements that have made by many, many Senators that frankly left unchallenged are left to be true. And I don't believe that they are. First of all, I find it incredibly ironic that Senators who have no opposition at all and appear on the ballot unopposed would stand up and say that they are for choice in the general election, and the choice should not be made in the primary. In fact, for a few of those Senators the choice was made at the primary and it was a very spirited race and a very spirited debate in the primary. Then, once the primary was over, the race was over because there was no opposing party candidate. It is more likely, ladies and gentlemen--it is more likely the Libertarian or Green Party could make the general election under the Cajun or the people's choice primary, than under the current system, because the major parties will always keep them down. They may make the general election, but they'll never get enough votes to get elected.

"It won't happen, because the major parties won't let them. Where in the primary election, where you have a wide field of candidates, you can have a popular, independent candidate garner enough support that twenty percent--twenty-five percent--thirty percent, to be number two and advance. Where you may have a Republican and a Green Party on the ballot and the Democrats would swing behind the Green Party and the Green Party candidate would be elected. Or you may have a Libertarian and a Democrat on the ballot and the Republicans would swing behind the Libertarian and you would have a Libertarian elected. That is more likely under this system than under the current system or the system that the House has sent to us--more likely.

"That argument is fallacious--to suggest that people would come to the middle and rush to the middle for popularity to see who would be more popular. It flies in the face of a memo one of the Senators from Seattle sent us the other day from this distinguished person that studies elections, who said that it's proven with this type of primary that the Senate passed, you get no, not the middle, you get the extremes. So which is it? Do you get the extremes or do you get a marshmallow middle, because you're arguing both sides of the argument? You can't predict what you get. In fact, actually, you probably do get a wider sense of issues. Right now in Louisiana, there's a Republican Governor--the first Republican Governor elected--re-elected since reconstruction. First one since reconstruction re-elected. He got elected--I don't know if he was number one or number two in the primary four years ago. When he went to the general election, four Democrats endorsed him for election, because they disliked the candidate over the Democrat, that was on the ballot. They swung behind him. You get that kind of effect when you have a people's choice election, where people aren't beholden totally to the party. I know for a leader, these are dangerous words to speak, but when you aren't totally beholden to the party, you get the people's choice.

"When the Senator from the Forty-fifth District got up the other day and made a speech, that was almost worthy of a Philadelphia speech of the convention--the Downing Convention--talking about the people who were sent here to serve, who we should be listening to first and foremost. We come together at caucuses, we come together as parties to strengthen each other around common principles and common sense of ideas, but when the day is done--when the day is done--our responsibility is to our constituents. I've got to tell you, telling my constituents that their votes don't count in the general, their votes don't count in the final election--that they just don't count--I don't think is a very good idea. I just don't think it's a good idea.

"So, you know, it's really ironic, at the very first press briefing over in the GA building this session, I can't remember who the moderator was, but he asked about the primary, and as he was going down the line everybody was kind of saying what they thought would happen and this is the furthest thing that I could have predicted. In fact, I think I said it couldn't happen. Senator Snyder, on the other hand, excuse me for mentioning your name sir--the good Senator from the Nineteenth District--it is legal now, isn't it? He on the other hand said, 'Well, I think we're going to give a good strong look at that Louisiana thing,' and I about fell out of my chair and said, 'There is no way in hell we'll ever consider it--there's no way, forget it, it's off the table.'

"Well, after looking at it and hearing some misrepresentations made about it, I didn't even know it had come into existence until 1975. I had no idea. When I heard people say, 'Well it's a racist system and it's to keep the minorities down,' I had our staff call back there and get the numbers. There is a three hundred percent increase in African-Americans in the Louisiana Legislature since they installed the system. And that was designed to keep them down? There is a huge increase in the number of women moving to the Legislature since they put the system in place. These were things contrary to what I was told. These were facts, statistical facts now, but they're certainly not the facts that I was given when I was first presented with the issue. So, I've come to the conclusion that we should not concur. We should send it back to the House and we should continue to work the issue. Thank you."

REMARKS BY SENATOR SNYDER

Senator Snyder: "Thank you, Mr. President. There's been another great day of debate on this subject. I don't like either choice very much. But, we're in a position that we have to make a choice, and we've had a lot of hypothetical situations about what would happen and we might have a Libertarian advance and be on with one of the major parties and the minor parties are going to be better off than before. I just want to mention reality. If the Cajun primary would have been in effect, and this was brought out the other day, in 1996, there would have been two names on the ballot for Governor in the general election--Gary Locke and Norm Rice--two Democrats. Do you think we would have some outcry from the people, if that's going to happen in the future? You bet your life we will. And it's going to happen in the future. Maybe two Republicans and maybe two Democrats, but let's roll back a little further in history. In 1980, when John Spellman was elected Governor. Under the Cajun system, his name wouldn't have even been on the ballot in the general election. There would have been two names--Dixy Lee Ray and Jim McDermott. Would you have heard an outcry from the people if that would have happened? Oh, I'll tell you, they would have probably started heating up the tar pot and plucking a lot of feathers to plant on all the legislators that had voted for that Cajun primary. It's a tough decision to make today, but the correct one is to concur."

REMARKS BY SENATOR OKE

Senator Oke: "Thank you, Mr. President, Senators. I really appreciate your comments, Senator West. They really touched me. Those were great comments to be heard on this floor about how important a vote is. Senator Snyder, I appreciate your comments, but I'm more afraid of what's going to happen in the primary. I'm more afraid that people are going to walk away from the primary, those that should be involved and those cases you brought up, they're true. They might have occurred, but if they occur, it will be the people's choice. That's what we need to do here--very simply--give the people a choice in the primary."

REMARKS BY SENATOR REGALA

Senator Regala: "Thank you, Mr. President. This has been a very interesting debate over the last three days, and I am standing to ask you to concur in the House amendment. I've heard a lot of things and I've made some notes down here. I will make the point that 'no' I don't like either of these systems really well. I do think that the system that has come over from the House is the preferable one. I certainly don't want to see the party's control; I want the people to be in control. I believe that happens when there are more choices in November, because after all, November is the final decision. Now, I come from one of those districts where the choice is not between Sprite and Coke and Pepsi. I think that some people would say that the choices are between Diet Pepsi and Pepsi. Yes, Senator West, I'm one of those people who had no opposition this last time, but I do believe that once I am elected I represent all of my constituents.

"I've been hearing from my constituents on this particular issue and what they have said to me is do not support the Cajun primary. We want choices in November. Because I know my constituents fairly well, I know that those messages are coming from the people in my district who are Libertarians, who are Republicans, and who are Natural Law members. They are urging me to please do not support the Cajun primary. Give us choices in November. That's what the people want. That's what I'm going to do, and I urge you all to concur."

REMARKS BY SENATOR KOHL-WELLES

Senator Kohl-Welles: "Thank you, Mr. President. I'd like to wrap things up here. In summarizing, what is in this House amendment and why we should vote to concur, the House amendment provides for private choice. They provide for an open primary; they provide for a tabulation of all votes cast; they provide for--in fact, require that the political parties promulgate by July 1 what they will do with the votes that are tabulated for the unaffiliated voters. Voters will know in advance and they will know on the primary ballot. The parties would have to live with the consequences if they were to choose not to count all votes cast--not to use all votes cast. Now, the analogies have been given about Coke and Pepsi and Sprite, and I'd like to put another cast on that. Senator Roach and I were talking last week about this and she mentioned it being like a Milky Way bar and a Nestle's bar, both chocolates. I said, 'Well, if we can't have any other choice in the general election, such as jelly beans being offered, then the voters really are short-changed.'

"Keep in mind, the average voter turnout in the primary election in this state is forty percent. The highest two vote-getters advancing by very few votes cast by the voters of Washington State. The average turnout in the general election is seventy percent, and I would expect that would fall dramatically if voters are not given choices in the general election. One more thing just to bring this home, we all know that in Seattle, Democrats win. We all know that in Eastern Washington, for the most part Republicans win, but things change and things have changed. Thirty year ago--twenty-five years ago--Seattle was Republican. It was the Republicans who represented the Seattle in the Legislature. Yet, by having the opportunity for Democrats to be on the ballot in the general election, there was full discussion of positions and gradually things changed. We need to have that opportunity. Please vote to concur in the House amendment."

REMARKS BY SENATOR TIM SHELDON

Senator Tim Sheldon: "Thank you. I can't let some of those comments be made that probably weren't challenged, because a lot of people make examples. Let's say there is a primary election and in the state of Louisiana their average is a fifty-five percent turnout in the primary,

which is very good. But, as the Senator from Seattle mentioned, say the primary is forty percent, what will be the result of that forty percent primary? It will say that the Republican gets two hundred votes, the Democrat gets two hundred votes, and two thousand votes are not counted. That will be the result, so making sure that every vote counts is the thing that really matters in this vote today.

"Another thing was brought up. In the 1996 election, Gary Locke, Ellen Craswell and Norm Rice were the candidates. Under the two-forward system, Gary Locke and Norm Rice would have moved forward to the general election. Well the headline was when Gary Locke won and went ahead with Ellen Craswell, guess what, he won two elections in one day. He won two elections in one day. Under this system, the people's choice system, that would be another day and it would be another choice, but it would be two popular candidates, the most popular candidates that would have to win the vote of the people. So, vote 'no.' Do not concur in the House amendment. Let's send this bill back to the House. Given time, I think the people will win."

REMARKS BY SENATOR RASMUSSEN

Senator Rasmussen: "Thank you, Mr. President. I just want to state what I have said earlier. If we vote to concur today, we won't have another chance, another choice to debate to further explore this issue--to negotiate. It's over. Now we're a long ways from being over in this special session for what we've been negotiating on budgets, transportation, general fund. I would like to make sure this issue is kept open, so that we can further negotiate and further let the people know our opinions and hear from the people of our districts. If we vote to concur, it's over, no more debate, no more negotiations, no more choice. We've made the final decision. I suggest to you that we not concur."

REMARKS BY SENATOR HOCHSTATTER

Senator Hochstatter: "Thank you, Mr. President and forgive me, I think we all wanted to try and stop this. Let me give you a line from a song that I think maybe will get us all on board. You might remember the line, *Playing solitaire til dawn with a deck of fifty-one*. We don't have all the cards, do we? We don't have all the cards. The court kept a card. They gave us a rum deck, so we have the opportunity now to disappoint all the people. I'm really sorry for us and I suspect that we'll deal something out of here that will make us all intensely unpopular. I hope that we can all get on board and say, 'We didn't start this mess.' I hope that the people can get something that pleases them. Thank you for indulging me and all the rest of us. God bless you."

REMARKS BY SENATOR SHIN

Senator Shin: "Thank you, Mr. President and members of the Senate. Two days ago I made a speech. I wasn't going to say anything, but both sides have been very convincing. It's all based upon personal rendition, academia and personal convictions. Those things notwithstanding. I mentioned two days ago, quoting David Hume who says, 'when I say democracy is good, that means I like democracy.' I like democracy, in this country particularly. I believe American democracy at least is the best of all so far. If you see better, let me know.

"This nation stands for government by the people, of the people, and for the people. This is what I learned. This is what I like. Also, in trying to decide which side--both sides are very convincing. I listened to one side and I listened to the other side, but in the final analysis, the Constitution says, 'This government is governed by consent of the governed, the people's choice.' I'd like to support that choice that allows the people to make the final decision, whether for the primary or for the general election. Therefore, this is my conviction. I'd like to convey this feeling to you."

SUBSTITUTE SENATE BILL NO. 6166, by Senate Committee on Ways and Means (originally sponsored by Senators Brown, Snyder, Long, Fraser, Rossi, Constantine, Spanel, B. Sheldon and Carlson)

Restating plan 1 of the law enforcement officers' and fire fighters' retirement system.

MOTION

On motion of Senator Brown, the rules were suspended, Substitute Senate Bill No. 6166 was returned to second reading and read the second time.

MOTION

Senator Brown moved that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. LEGISLATIVE FINDINGS AND DECLARATION. Plan 1 of the Washington law enforcement officers' and fire fighters' retirement system (LEOFF plan 1) has been closed to new members for nearly a quarter of a century. During that time, LEOFF plan 1 has achieved full funding and has assets which exceed all projected future liabilities and has a surplus approaching one billion dollars. In recognition of the contributions of working fire fighters and police officers to LEOFF plan 1, it is the purpose of this chapter, in part, to provide for an enhanced retirement benefit to LEOFF plan 1 members.

LEOFF plan 1 also provides substantial postretirement health and long-term care benefits. The financial burden of this benefit, which is an integral part of LEOFF plan 1, falls exclusively on the cities, counties, and fire districts that employed the retired fire fighters and police officers. In recognition of the fiscal burdens facing these political subdivisions, it is appropriate to provide an additional source of funding to ensure the integrity of the benefit without undermining the financial stability of the employing governments.

The supreme court of the state of Washington, in the 1956 decision *Bakenhus v. City of Seattle*, established that the fire fighters and police officers, active and retired, have a constitutionally protected contractual right to a secure retirement benefit, funded on a sound actuarial basis. The legislature recognizes that the state of Washington is the ultimate guarantor of the LEOFF plan 1 retirement benefits. While members have a constitutionally protected right to the pension benefits that are provided as part of their contract of employment, there is no such right in surplus assets which are unnecessary to the actuarial soundness of the retirement plan.

The state retains the inherent power to terminate a retirement plan and, upon the dedication of sufficient resources to ensure the actuarial soundness of the benefits promised, is entitled to a reversion of the surplus assets upon termination of the plan.

The legislature has determined that, in order to accomplish the foregoing goals and objectives, it is in the best interest of the members and beneficiaries of LEOFF plan 1 that the plan be terminated and that a restated retirement plan with enhanced benefits be created. It is further determined to be in the best interest of the health, safety, and welfare of the citizens of the state that surplus assets remaining after adequate actuarial provision for the obligated retirement benefits revert to the state and be allocated for the purposes outlined in this chapter.

It is the intent of the legislature that the LEOFF plan 1 termination be performed in accordance with the applicable provisions of the federal internal revenue code and in recognition of the contract rights of the members and beneficiaries of the plan to an actuarially sound retirement program.

The legislature reserves the right to make such amendments and modifications as may be necessary in the future to accomplish the goals of this section, without any diminution of the rights and benefits of the LEOFF plan 1 members, retirees, and surviving spouses, as they existed prior to July 1, 2001.

NEW SECTION. Sec. 2. TERMINATION OF LEOFF PLAN 1. Plan 1 of the Washington law enforcement officers' and fire fighters' retirement system (LEOFF plan 1) is hereby terminated. During the transition between the termination of LEOFF plan 1 and the establishment of the restated law enforcement officers' and fire fighters' retirement system, all LEOFF plan 1 benefits, as they existed prior to July 1, 2001, shall continue without interruption.

NEW SECTION. Sec. 3. RESTATED LAW ENFORCEMENT OFFICERS' AND FIRE FIGHTERS' RETIREMENT SYSTEM ESTABLISHED. The restated law enforcement officers' and fire fighters' retirement system is hereby established as

provided in this chapter. The restated law enforcement officers' and fire fighters' retirement system established by this chapter may also be referred to by statute and rule as the law enforcement officers' and fire fighters' retirement system plan 1.

NEW SECTION. Sec. 4. RESTATED LAW ENFORCEMENT OFFICERS' AND FIRE FIGHTERS' DEFINED BENEFIT RETIREMENT FUND ESTABLISHED. (1) The restated law enforcement officers' and fire fighters' defined benefit retirement fund is created in the custody of the state treasurer. The fund shall consist of assets transferred from the Washington law enforcement officers' and fire fighters' system plan 1 retirement fund, investment earnings, and other amounts deposited to the fund. The state treasurer shall transfer to the restated defined benefit retirement fund an amount equal to the actuarial present value of the fully projected liabilities of plan 1 of the Washington law enforcement officers' and fire fighters' retirement system based on the actuarial valuation for calendar year 2000, adjusted to the transfer date, and the long-term economic assumptions in effect on July 1, 2001, under chapter 41.45 RCW. For purposes of funding the plan 1 lump-sum defined benefit created in section 6 of this act, the state treasurer shall also transfer an amount to the restated defined benefit retirement fund equal to twelve percent of the assets in the Washington law enforcement officers' and fire fighters' system plan 1 retirement fund in excess of the actuarial present value of the fully projected liabilities of plan 1, as calculated under this subsection.

(2) The pension funding council shall conduct an independent audit of the calculation of the present value amount determined by the state actuary. The transfer of these assets to the restated defined benefit retirement fund shall occur as soon as practical after July 1, 2001. The remaining assets in the law enforcement officers' and fire fighters' system plan 1 retirement fund shall be invested in the same manner as the restated defined benefit retirement fund until the transfers occur under sections 5 and 8 of this act.

(3) Expenditures from the restated law enforcement officers' and fire fighters' defined benefit retirement fund may be used only for the purposes of this chapter. Only the director of retirement systems or the director's designee may authorize expenditures from the fund. No appropriation is required for expenditures.

NEW SECTION. Sec. 5. STATE SURPLUS ASSETS RESERVE FUND ESTABLISHED. (1) The state surplus assets reserve fund is created in the state treasury. By June 1, 2002, the state surplus assets reserve fund shall receive all assets of the Washington law enforcement officers' and fire fighters' system plan 1 retirement fund remaining after (a) the distributions to the restated law enforcement officers' and fire fighters' defined benefit retirement fund required by section 4 of this act; and (b) the distribution to the law enforcement officers' and fire fighters' medical benefits risk pool under section 8 of this act and chapter 41.---RCW (sections 301 through 310 of this act).

(2) Sufficient assets shall be maintained in the state surplus assets reserve fund at all times to ensure the actuarial soundness of the defined benefits of the restated law enforcement officers' and fire fighters' defined benefit retirement plan without the necessity of further employee or employer contributions. Any actuarial shortfall in the defined benefit plan shall be offset first from the assets of the state surplus assets reserve fund. The state investment board shall develop an investment policy, taking into account the purposes of the reserve fund and the preservation of capital, for the purpose of accomplishing the objective of this section.

(3) The office of the state actuary shall perform an annual actuarial valuation of the restated law enforcement officers' and fire fighters' defined benefit plan to determine its continued actuarial soundness. Such sums shall be transferred by the legislature from the state surplus assets reserve fund as may be necessary from time to time to maintain the actuarial soundness of the defined benefit plan.

(4) The remaining assets of the reserve fund shall be retained as a budget reserve subject to the actuarial needs of the restated law enforcement officers' and fire fighters' defined benefit plan. No appropriation shall be made from the reserve fund for any fiscal year unless the office of the state actuary has certified that the restated law enforcement officers' and fire fighters' defined benefit plan remains fully funded on a sound actuarial basis. No appropriation shall be made from the reserve fund that would reduce the fund balance below two hundred twenty million dollars unless the state actuary has certified that the defined benefit plan assets are greater than one hundred twenty-five percent of the present value of the fully projected liabilities of the defined benefit plan.

NEW SECTION. Sec. 6. LUMP-SUM DEFINED BENEFIT. (1) The amount equal to twelve percent of the excess assets of the Washington law enforcement officers' and fire fighters' system plan 1 retirement fund transferred to the restated defined benefit retirement fund by section 4 of this act shall fund the plan 1 lump-sum defined benefit created by this section.

(2) Law enforcement officers' and fire fighters' plan 1 active members, term-vested members, retirees, and spousal survivors eligible for benefits under sections 226, 227, and 228 of this act shall be eligible to receive the plan 1 lump-sum defined benefit pursuant to the conditions established in this section. All assets identified in subsection (1) of this section shall be allocated to the eligible recipients of the plan 1 lump-sum defined benefit. The allocation to each eligible recipient shall be based on the number of months of service credit earned under chapter 41.26 RCW through June 30, 2000, in proportion to the total months of such service credit earned by all eligible recipients. The allocations for eligible recipients who are spousal survivors shall be based on the number of months of such service credit earned by the deceased member. This allocation shall occur on the date of the transfer of assets to the restated defined benefit retirement fund in section 4 of this act.

(3) If a member is active or term-vested, interest as determined by the director shall accumulate from the date the lump-sum defined benefit is allocated until distribution to the participant upon retirement from service or for disability. For the purposes of this section, a term-vested member is a member who has rendered five years of service, has not withdrawn his or her member contributions, and who has not applied for retirement.

(4) The lump-sum defined benefit shall be paid to a retiree or eligible spousal survivor upon application to the department; however no interest shall accumulate on the benefits allocated to retirees or spousal survivors.

(5) If a member dies before distribution of the lump-sum benefit created in this section occurs, the distribution shall be made according to the member's designation in section 216 of this act.

(6) The lump-sum benefit created in this section is subject to the provisions of section 209 of this act.

(7) If this section is held to be invalid, by section 503 of this act or otherwise, recipients of the lump-sum benefit provided by this section shall no longer be entitled to this benefit and shall be required to return any funds received according to the provisions of RCW 41.50.135, 41.50.136, 41.50.137, and 41.50.138.

NEW SECTION. Sec. 7. INVESTMENT OF FUNDS. (1) The state investment board has the full power to invest, reinvest, manage, contract, sell, or exchange investment money in (a) the restated law enforcement officers' and fire fighters' defined benefit retirement fund, (b) the law enforcement officers' and fire fighters' medical benefits risk pool account, and (c) the state surplus assets reserve fund. All investment and operating costs of the state investment board and the state treasurer associated with these funds shall be paid under RCW 43.08.190, 43.33A.160, 43.79A.040, and 43.84.160. With the exception of these expenses, the earnings from the investment of the funds shall be retained by the funds.

(2) All investments made by the state investment board shall be made with the exercise of that degree of judgment and care under RCW 43.33A.140 and the investment policy established by the state investment board.

(3) As deemed appropriate by the state investment board, money in the funds may be commingled for investment with other funds under the investment authority of the board.

NEW SECTION. Sec. 8. TRANSFER TO LEOFF MEDICAL BENEFITS RISK POOL. By June 1, 2002, the state treasurer shall transfer from the Washington law enforcement officers' and fire fighters' system plan 1 retirement fund to the law enforcement officers' and fire fighters' medical benefits risk pool account under chapter 41.--- RCW (sections 301 through 310 of this act) an amount equal to the transfer to the restated law enforcement officers' and fire fighters' defined benefit fund made for purposes of funding the plan 1 lump-sum defined benefit required by section 6 of this act. The distribution shall be for the exclusive purposes of chapter 41.--- RCW (sections 301 through 310 of this act).

NEW SECTION. Sec. 9. STATUTE OF LIMITATIONS. Any claim filed challenging the validity of sections 1 through 8 of this act not filed before July 1, 2002, is forever barred, if not already barred by an otherwise applicable statute of limitations. By December 31, 2001, the department of retirement systems shall send notification of the provisions of sections 1 through 9 of this act, by first class mail, to the last known address of each plan 1 active member, retiree, and spousal survivor.

The department may amend the minimum medical and health standards as experience indicates, even if the standards as so amended are lower or less rigid than those recommended by the international associations mentioned above. The cost of the medical examination contemplated by this section is to be paid by the employer.

NEW SECTION. Sec. 207. MINIMUM MEDICAL AND HEALTH STANDARDS--EXEMPTIONS--EMPLOYER MAY ADOPT HIGHER STANDARDS. Retired members who are subject to the jurisdiction of the board have both the right to elect and the right to be elected under this section. Each of the elected members shall serve a two-year term. The members appointed pursuant to this subsection shall serve for two-year terms: PROVIDED, That cities of the first class only, shall retain existing firemen's pension boards

No disability boards shall be established under the authority of this subsection (1)(a) after December 31, 2001.

However, in counties with a population less than sixty thousand, the member of the disability board appointed by a majority of the mayors of the cities and towns within the county that do not contain a city disability board must be a resident of one of the cities and towns but need not be a member of a city or town legislative body. Retired members who are subject to the jurisdiction of the board have both the right to elect and the right to be elected under this section. All members appointed or elected pursuant to this subsection shall serve for two-year terms.

(2) The members of both the county and city disability boards shall not receive compensation for their service upon the boards but the members shall be reimbursed by their respective county or city for all expenses incidental to such service as to the amount authorized by law.

(3) The disability boards authorized for establishment by this section shall perform all functions, exercise all powers, and make all such determinations as specified in this chapter.

NEW SECTION. Sec. 219. DIRECTOR TO ADOPT RULES GOVERNING DISABILITY BOARDS. (1) The director shall adopt rules, in accordance with chapter 34.05 RCW, under which each disability board shall execute its disability retirement duties under this chapter. NEW SECTION. Sec. 220. RETIREMENT FOR DISABILITY INCURRED IN THE LINE OF DUTY. Any member, regardless of age or years of service, may be retired by the disability board, subject to approval by the director, for any disability incurred in the line of duty which has been continuous since his or her discontinuance of service and which renders the member unable to continue service. No disability retirement allowance shall be paid until the expiration of a period of six months after the discontinuance of service during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of his or her application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to the full monthly salary and shall continue to receive all other benefits provided to active employees from the employer for such period. However, if, at any time during the initial six-month period, the disability board finds the beneficiary is no longer disabled, the disability leave allowance shall be canceled and the member shall be restored to duty in the same rank or position, if any, held by the beneficiary at the time the member became disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, that such disability was incurred in the line of duty, and that such disability has been continuous from the discontinuance of service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter, granting the member a disability retirement allowance; otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the director in accordance with section 235 of this act: PROVIDED, That in any order granting a duty disability retirement allowance, the disability board shall make a finding that the disability was incurred in line of duty.

(3) Every order of a disability board granting a duty disability retirement allowance shall immediately be reviewed by the director except the finding that the disability was incurred in the line of duty. The director may affirm the decision of the disability board or remand the case for further proceedings, or the director may reverse the decision of the disability board if the director finds the disability board's findings, inferences, conclusions, or decisions are:

- (c) Made upon unlawful procedure;
- (d) Affected by other error of law;

No disability retirement allowance may be paid until the expiration of a period of six months after the discontinuance of service during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of the member's application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to the member's full monthly salary and shall continue to receive all other benefits provided to active employees from the member's employer for the period. However, if, at any time during the initial six-month period, the disability board finds the beneficiary is no longer disabled, the disability leave allowance shall be canceled and the member shall be restored to duty in the same rank or position, if any, held by the member at the time the member became disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(1) Any member who believes he or she is, or is believed to be, physically or mentally disabled shall be examined by such medical authority as the disability board shall employ, upon application of the member, or a person acting in the member's behalf, stating that the member is disabled, either physically or mentally: PROVIDED, That no such application shall be considered unless the member or someone acting in the member's behalf, in case of the incapacity of a member, has filed the application within a period of one year from and after the discontinuance of service of the member.

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, that such disability was not incurred in the line of duty, and that such disability had been continuous from the discontinuance of service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter, granting the member a disability retirement allowance. Otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the director in accordance with section 235 of this act: PROVIDED, That in any order granting a nonduty disability retirement allowance, the disability board shall make a finding that the disability was not incurred in the line of duty.

(3) Every order of a disability board granting a nonduty disability retirement allowance shall immediately be reviewed by the director except the finding that the disability was not incurred in the line of duty. The director may affirm the decision of the disability board or remand the case for further proceedings, or the director may reverse the decision of the disability board if the director finds the disability board's findings, inferences, conclusions, or decisions are:

- (a) In violation of constitutional provisions;
- (b) In excess of the statutory authority or jurisdiction of the disability board;
- (c) Made upon unlawful procedure;
- (d) Affected by other error of law;
- (e) Clearly erroneous in view of the entire record as submitted and the public policy contained in this chapter; or
- (f) Arbitrary or capricious.

(4) Every member who can establish to the disability board that the member is physically or mentally disabled from the further performance of duty, that such disability was not incurred in the line of duty, and that such disability will be in existence for a period of at least six months, may waive the six-month period of disability leave and be immediately granted a nonduty disability retirement allowance, subject to the approval of the director as provided in subsection (3) of this section.

NEW SECTION. Sec. 222. ALLOWANCE ON RETIREMENT FOR DISABILITY. (4) Benefits under this section for a disability that is incurred while in other employment will be reduced by any amount the member receives or is entitled to receive from workers' compensation, social security, group insurance, other pension plan, or any other similar source provided by another employer on account of the same disability.

(5) A member retired for disability shall be subject to periodic examinations by a physician approved by the disability board prior to attainment of age fifty, pursuant to rules adopted by the director under section 219 of this act. Examinations of members who retired for disability prior to July 26, 1981, shall not exceed two medical examinations per year.

(2) Every order of a disability board determining that a member's disability has ceased pursuant to section 222(3) of this act shall immediately be reviewed by the director. The director may affirm the decision of the disability board or remand the case for further proceedings if the director finds the disability board's findings, inferences, conclusions, or decisions are:

(2) If the disability board determines that the beneficiary is not so incapacitated the retirement allowance shall be canceled and the member shall be restored to duty in the same civil service rank, if any, held by the beneficiary at the time of his or her retirement or if unable to perform the duties of that rank, then, at his or her request, in such other like or lesser rank as may be or become open and available, the duties of which he or she is then able to perform. In no event, shall a beneficiary previously drawing a disability allowance be returned or be restored to duty at a salary or rate of pay less than the current salary attached to the rank or position held by the beneficiary at the date of retirement for disability. (3) Upon making the payments provided for in subsection (1) of this section, the employer shall be subrogated to all rights of the member against any third party who may be held liable for the member's injuries or for payment of the cost of medical services in connection with a member's sickness or disability to the extent necessary to recover the amount of payments made by the employer.

When there cease to be any eligible children as defined in section 202(7) of this act, there shall be paid to the legal heirs of the member the excess, if any, of accumulated contributions of the member at the time of death over all payments made to survivors on his or her behalf under this chapter: PROVIDED, That payments under this subsection to children shall be prorated equally among the children, if more than one. If the member has created a trust for the benefit of the child or children, the payment shall be made to the trust.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of the member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies and there are children as defined in section 202(7) of this act, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) of this section.

(6) The payment provided by this section shall become due the day following the date of death and payments shall be retroactive to that date.

NEW SECTION. Sec. 227. DEATH BENEFITS--NONDUTY CONNECTED. (2) If at the time of the death of a vested member with twenty or more service credit years of service as provided in subsection (1) of this section or a member retired for service or disability, the surviving spouse has not been lawfully married to such

member for one year prior to retirement or separation from service if a vested member, the surviving spouse shall not be eligible to receive the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in section 202(7) of this act, there shall be paid to the legal heirs of the member the excess, if any, of accumulated contributions of the member at the time of death over all payments made to survivors on his or her behalf under this chapter: PROVIDED, That payments under this subsection to children shall be prorated equally among the children, if more than one. (3) If the member fails to meet the time limitations of subsection (2) of this section, the member may make the payment required under RCW 41.50.165(2) prior to retirement. The member shall then receive credit toward retirement for the period of previous service that the withdrawn contributions cover.

NEW SECTION. Sec. 230. CREDIT FOR MILITARY SERVICE. Each person affected by this chapter who at the time of entering the armed services was a member of this system or plan 1 under chapter 41.26 RCW, and has honorably served in the armed services of the United States, shall have added to the period of service as computed under this chapter, the period of service in the armed forces: PROVIDED, That such credited service shall not exceed five years.

(1) If the individual is employed by an employer in an eligible position, as of July 1, 1997, the election to transfer service must be filed in writing with the department no later than July 1, 1998. If the individual is not employed by an employer in an eligible position, as of July 1, 1997, the election to transfer service must be filed in writing with the department no later than one year from the date they are employed by an employer in an eligible position.

(2) An individual transferring service under this section forfeits the rights to all benefits as a member of the restated law enforcement officers' and fire fighters' retirement system and will be permanently excluded from membership.

(3) Any individual choosing to transfer service under this section will have transferred to their current retirement system and plan: (a) All the individual's accumulated contributions; (b) an amount sufficient to ensure that the employer contribution rate in the individual's current system and plan will not increase due to the transfer; and (c) all applicable months of service, as defined in section 202(14) of this act.

(4) If an individual has withdrawn contributions from the law enforcement officers' and fire fighters' retirement system plan 1 or the plan established by this chapter, the individual may restore the contributions, together with interest as determined by the director, and recover the service represented by the contributions for the sole purpose of transferring service under this section. (5) Any service transferred under this section does not apply to the eligibility requirements for military service credit as defined in RCW 41.40.170(3) or 43.43.260(3).

(6) If an individual does not meet the time limitations of subsection (1) of this section, the individual may elect to restore any withdrawn contributions and transfer service under this section by paying the amount required under subsection (3)(b) of this section less any employee contributions transferred.

(1) "Index" means, for any calendar year, that year's average consumer price index for the Seattle, Washington area for urban wage earners and clerical workers, all items (1957-1959=100), compiled by the bureau of labor statistics of the United States department of labor;

(2) "Retirement allowance" means the retirement allowance provided for in sections 217 and 222 of this act, and the monthly allowance provided for in section 226 of this act.

On April 1st of each year, every retirement allowance which has been in effect for more than one year shall be adjusted to that dollar amount which exceeds its original dollar amount by the percentage difference which the department finds to exist between the index for the previous calendar year and the index for the calendar year prior to the effective retirement date of the person to whom, or on behalf of whom, such retirement allowance is being paid.

For the purposes of this section, "basic allowance" means that portion of a total retirement allowance, and any cost-of-living adjustment thereon, attributable to a member (individually) and shall not include the increased amounts attributable to the existence of a child or children. In those cases where a child ceases to be qualified as an eligible child, so as to lessen the total allowance, the allowance shall, at that time, be reduced to the basic allowance plus the amount attributable for the appropriate number of eligible children. In those cases where a child qualifies as an eligible child subsequent to the retirement of a member so as to increase the total allowance payable, such increased allowance shall at the time of the next and appropriate subsequent cost-of-living adjustments, be considered the original dollar amount of the allowance.

NEW SECTION. Sec. 239. INCREASE IN PRESENTLY PAYABLE BENEFITS FOR SERVICE OR DISABILITY AUTHORIZED. All benefits presently payable pursuant to the provisions of RCW 41.20.050, 41.20.060, and 41.20.080 as such RCW sections existed prior to the effective date of the amendment of such RCW sections by sections 1, 2, 3, chapter 191, Laws of 1961 to persons who retired prior to the effective date of the 1961 amendatory act, shall be increased annually as provided in this section. The local pension board shall meet subsequent to March 31st but prior to June 30th of each year for the purpose of adjusting benefit allowances payable pursuant to RCW 41.20.050, 41.20.060, and 41.20.080. The local board shall determine the increase in the consumer price index between January 1st and December 31st of the previous year and increase in dollar amount the benefits payable subsequent to July 1st of the year in which the board makes such determination by a dollar amount proportionate to the increase in the consumer price index: PROVIDED, That regardless of the change in the consumer price index, such increase shall be at least two percent each year such adjustment is made.

Each year effective with the July payment all benefits specified in this section, shall be increased as authorized by this section. This benefit increase shall be paid monthly as part of the regular pension payment and shall be cumulative.

For the purpose of this section, "consumer price index" means, for any calendar year, the consumer price index for the Seattle, Washington area as compiled by the bureau of labor statistics of the United States department of labor.

NEW SECTION. Sec. 241. DECLARATION OF POLICY RESPECTING BENEFITS FOR INJURY OR DEATH--CIVIL ACTIONS ABOLISHED. The legislature of the state of Washington hereby declares that the relationship between members of the restated law enforcement officers' and fire fighters' retirement system and their governmental employers is similar to that of workers to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workers' compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workers' compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for personal injuries incurred in the course of employment or occupational disease, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to this end the legislature further declares that the benefits and remedies conferred by this chapter upon law enforcement officers and fire fighters covered under this chapter shall be to the exclusion of any other remedy, proceeding, or compensation for personal injuries or sickness, caused by the governmental employer except as otherwise provided by this chapter; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries or sickness are hereby abolished, except as otherwise provided in this chapter.

NEW SECTION. Sec. 242. CAUSE OF ACTION FOR INJURY OR DEATH, WHEN. If injury or death results to a member from the intentional or negligent act or omission of a member's governmental employer, the member, the widow, widower, child, or dependent of the member shall have the privilege to benefit under this chapter and also have cause of action against the governmental employer as otherwise provided by law, for any excess of damages over the amount received or receivable under this chapter.

NEW SECTION. Sec. 243. Sections 1 through 8 and 201 through 242 of this act constitute a new chapter in Title 41 RCW, to be designated chapter 41.26A RCW.

(4) The department shall adopt rules implementing this section.

Sec. 402. RCW 6.15.020 and 1999 c 81 s 1 and 1999 c 42 s 603 are each reenacted and amended to read as follows:

(1) It is the policy of the state of Washington to ensure the well-being of its citizens by protecting retirement income to which they are or may become entitled. For that purpose generally and pursuant to the authority granted to the state of Washington under 11 U.S.C. Sec. 522(b)(2), the exemptions in this section relating to retirement benefits are provided.

(2) Unless otherwise provided by federal law, any money received by any citizen of the state of Washington as a pension from the government of the United States, whether the same be in the actual possession of such person or be deposited or loaned, shall be exempt from execution, attachment, garnishment, or seizure by or under any legal process whatever, and when a debtor dies, or absconds, and leaves his or her family any money exempted by this subsection, the same shall be exempt to the family as provided in this subsection. This subsection shall not apply to child support collection actions issued under chapter 26.18, 26.23, or 74.20A RCW, if otherwise permitted by federal law.

(3) The right of a person to a pension, annuity, or retirement allowance or disability allowance, or death benefits, or any optional benefit, or any other right accrued or accruing to any citizen of the state of Washington under any employee benefit plan, and any fund created by such a plan or arrangement, shall be exempt from execution, attachment, garnishment, or seizure by or under any legal process whatever. This subsection shall not apply to child support collection actions issued under chapter 26.18, 26.23, or 74.20A RCW if otherwise permitted by federal law. This subsection shall permit benefits under any such plan or arrangement to be payable to a spouse, former spouse, child, or other dependent of a participant in such plan to the extent expressly provided for in a qualified domestic relations order that meets the requirements for such orders under the plan, or, in the case of benefits payable under a plan described in sections 403(b) or 408 of the internal revenue code of 1986, as amended, or section 409 of such code as in effect before January 1, 1984, to the extent provided in any order issued by a court of competent jurisdiction that provides for maintenance or support. This subsection shall not prohibit actions against an employee benefit plan, or fund for valid obligations incurred by the plan or fund for the benefit of the plan or fund.

(4) For the purposes of this section, the term "employee benefit plan" means any plan or arrangement that is described in RCW 49.64.020, including any Keogh plan, whether funded by a trust or by an annuity contract, and in sections 401(a) or 403(a) of the internal revenue code of 1986, as amended; or that is a tax-sheltered annuity described in section 403(b) of such code or an individual retirement account described in section 408 of such code; or a Roth individual retirement account described in section 408A of such code; or a medical savings account described in section 220 of such code; or an education individual retirement account described in section 530 of such code; or a retirement bond described in section 409 of such code as in effect before January 1, 1984. The term "employee benefit plan" also means any rights accruing on account of money paid currently or in advance for purchase of tuition units under the advanced college tuition payment program in chapter 28B.95 RCW. The term "employee benefit plan" shall not include any employee benefit plan that is established or maintained for its employees by the government of the United States, by the state of Washington under chapter 2.10, 2.12, 41.26, 41.26A, 41.32, 41.34, 41.35, 41.40 or 43.43 RCW or RCW 41.50.770, or by any agency or instrumentality of the government of the United States.

(5) An employee benefit plan shall be deemed to be a spendthrift trust, regardless of the source of funds, the relationship between the trustee or custodian of the plan and the beneficiary, or the ability of the debtor to withdraw or borrow or otherwise become entitled to benefits from the plan before retirement. This subsection shall not apply to child support collection actions issued under chapter 26.18, 26.23, or 74.20A RCW, if otherwise permitted by federal law. This subsection shall permit benefits under any such plan or arrangement to be payable to a spouse, former spouse, child, or other dependent of a participant in such plan to the extent expressly provided for in a qualified domestic relations order that meets the requirements for such orders under the plan, or, in the case of benefits payable under a plan described in sections 403(b) or 408 of the internal revenue code of 1986, as amended, or section 409 of such code as in effect before January 1, 1984, to the extent provided in any order issued by a court of competent jurisdiction that provides for maintenance or support.

(6) Unless contrary to applicable federal law, nothing contained in subsection (3), (4), or (5) of this section shall be construed as a termination or limitation of a spouse's community property interest in an individual retirement account held in the name of or on account of the other spouse, the account holder spouse. At the death of the nonaccount holder spouse, the nonaccount holder spouse may transfer or distribute the community property interest of the nonaccount holder spouse in the account holder spouse's individual retirement account to the nonaccount holder spouse's estate, testamentary trust, inter vivos trust, or other successor or successors pursuant to the last will of the nonaccount holder spouse or the law of intestate succession, and that distributee may, but shall not be required to, obtain an order of a court of competent jurisdiction, including a nonjudicial dispute resolution agreement entered into pursuant to RCW 11.96.170 or other order entered under chapter 11.96A RCW, to confirm the distribution. For purposes of subsection (3) of this section, the distributee of the nonaccount holder spouse's community property interest in an individual retirement account shall be considered a person entitled to the full protection of subsection (3) of this section. The nonaccount holder spouse's consent to a beneficiary designation by the account holder spouse with respect to an individual retirement account shall not, absent clear and convincing evidence to the contrary, be deemed a release, gift, relinquishment, termination, limitation, or transfer of the nonaccount holder spouse's community property interest in an individual retirement account. For purposes of this subsection, the term "nonaccount holder spouse" means the spouse of the person in whose name the individual retirement account is maintained. The term "individual retirement account" includes an individual retirement account and an individual retirement annuity both as described in section 408 of the internal revenue code of 1986, as amended, a Roth individual retirement account as described in section 408A of the internal revenue code of 1986, as amended, and an individual retirement bond as described in section 409 of the internal revenue code as in effect before January 1, 1984. As used in this subsection, an order of a court of competent jurisdiction includes an agreement, as that term is used under RCW 11.96A.220.

Sec. 403. RCW 26.09.138 and 1991 c 365 s 24 are each amended to read as follows:

(1) Any obligee of a court order or decree establishing a spousal maintenance obligation may seek a mandatory benefits assignment order under chapter 41.50 RCW if any spousal maintenance payment is more than fifteen days past due and the total of such past due payments is equal to or greater than one hundred dollars, or if the obligor requests a withdrawal of accumulated contributions from the department of retirement systems.

(2) Any court order or decree establishing a spousal maintenance obligation may state that, if any spousal maintenance payment is more than fifteen days past due and the total of such past due payments is equal to or greater than one hundred dollars, or if the obligor requests a withdrawal of accumulated contributions from the department of retirement systems, the obligee may seek a mandatory benefits assignment order under chapter 41.50 RCW without prior notice to the obligor. Any such court order or decree may also, or in the alternative, contain a provision that would allow the department to make a direct payment of all or part of a withdrawal of accumulated contributions pursuant to RCW 41.50.550(3). Failure to include this provision does not affect the validity of the court order or decree establishing the spousal maintenance, nor does such failure affect the general applicability of RCW 41.50.500 through 41.50.650 to such obligations.

(3) The remedies in RCW 41.50.530 through 41.50.630 are the exclusive provisions of law enforceable against the department of retirement systems in connection with any action for enforcement of a spousal maintenance obligation ordered pursuant to a divorce, dissolution, or legal separation, and no other remedy ordered by a court under this chapter shall be enforceable against the department of retirement systems for collection of spousal maintenance.

(4)(a) Nothing in this section regarding mandatory assignment of benefits to enforce a spousal maintenance obligation shall abridge the right of an ex spouse to receive direct payment of retirement benefits payable pursuant to: (i) A court decree of dissolution or legal separation; or (ii) any court order or court-approved property settlement agreement; or (iii) incident to any court decree of dissolution or legal separation, if such dissolution orders fully comply with RCW 41.50.670 and 41.50.700, or as applicable, RCW 2.10.180, 2.12.090, 41.04.310, 41.04.320, 41.04.330, (~~41.26.180~~) 41.26.053, section 209 of this act, 41.32.052, 41.40.052, or 43.43.310 as those statutes existed before July 1, 1987, and as those statutes exist on and after July 28, 1991.

(b) Persons whose dissolution orders as defined in RCW 41.50.500(3) were entered between July 1, 1987, and July 28, 1991, shall be entitled to receive direct payments of retirement benefits to satisfy court-ordered property divisions if the dissolution orders filed with the department comply or are amended to comply with RCW 41.50.670 through 41.50.720 and, as applicable, RCW 2.10.180, 2.12.090, (~~41.26.180~~) 41.26.053, section 209 of this act, 41.32.052, 41.40.052, or 43.43.310.

In the event of a special district employee transfer pursuant to this section, members of the governing authority shall be eligible to be included in such transfer if such members are authorized by law as of June 25, 1976, to participate in the insurance program being transferred from and subject to payment by such members of all costs of insurance for members.

(2) When the legislative authority of a county, municipality, or other political subdivision determines to so transfer, the state health care authority shall:

- (a) Establish the conditions for participation; and
- (b) Have the sole right to reject the application.

Approval of the application by the state health care authority shall effect a transfer of the employees involved to the insurance, self-insurance, or health care program applied for.

(3) Any application of this section to members of the law enforcement officers' and fire fighters' retirement system under chapter 41.26 or 41.26A RCW is subject to chapter 41.56 RCW.
