(3) The apportionment of increases in assessed valuation in an increment area, and the associated distribution to the local government of receipts from regular property taxes that are imposed on the increment value, must cease when tax allocation revenues are no longer necessary or obligated to pay the costs of the public improvements. Any excess tax allocation revenues and earnings on the tax allocation revenues remaining at the time the apportionment of tax receipts terminates must be returned to the county treasurer and distributed to the taxing districts that imposed regular property taxes, or had regular property taxes imposed for it, in the increment area for collection that year, in proportion to the rates of their regular property tax levies for collection that year.

The board may, within the constraints of available rural arterial trust funds, consider additional projects for authorization upon a clear and conclusive showing by the submitting county that the proposed project is of an emergent nature and that its need was unable to be anticipated at the time the six-year program of the county was developed. The proposed projects shall be evaluated on the basis of the priority rating factors specified in RCW 36.79.080.

The total annual cost for each county will be based on the established statewide cost per mile and associated mileage for each category. The mileage to be used for these computations shall be as shown in the county road log as maintained by the county road administration board as of July 1, 1985, and each two years thereafter. Each county shall be responsible for submitting changes, corrections, and deletions as regards the county road log to the county road administration board. Such changes, corrections, and deletions shall be subject to verification and approval by the county road administration board prior to inclusion in the county road log.

(5) The county road administration board, shall compute and provide to the counties the allocation factors of the several counties on or before September 1st of each year based solely upon the sources of information herein before required: PROVIDED, That the allocation factor shall be held to a level not more than five percent above or five percent below the allocation factor in use during the previous calendar year. Upon computation of the actual allocation factors of the several counties, the county road administration board shall provide such factors to the state treasurer to be used in the computation of the counties' fuel tax allocation for the succeeding calendar year. The state treasurer shall adjust the fuel tax allocation of each county on January 1st of every year based solely upon the information provided by the county road administration board.

MOTION

Senator Brown moved that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) It is declared to be the public policy of the state of Washington to promote and facilitate the orderly development and economic stability of its communities. Local governments need the ability to raise revenue to finance public improvements that are designed to encourage economic growth and development in geographic areas characterized by high levels of unemployment and stagnate employment and income growth. The construction of necessary public improvements in accordance with local economic development plans will encourage investment in job-producing private development and expand the public tax base.

(2) It is the purpose of this chapter:

(a) To encourage taxing districts to cooperate in the allocation of future tax revenues that are used to finance public improvements designed to encourage private development in selected areas, in particular in those local governments that are located adjacent to another state or international border;

(b) To assist those local governments that have a competitive disadvantage in its ability to attract business, private investment, or commercial development due to its location near a state or international border; and

(c) To prevent or arrest the decay of selected areas due to the inability of existing financial methods to provide needed public improvements, and to encourage private investment designed to promote and facilitate the orderly redevelopment of selected areas.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Assessed value of real property" means the valuation of real property as placed on the last completed assessment roll.

(5) "Public improvement costs" means the costs of: (a) Design, planning, acquisition, site preparation, construction, reconstruction, rehabilitation, improvement, and installation of public improvements; (b) relocating, maintaining, and operating property pending construction of public improvements; (c) relocating utilities as a result of public improvements; (d) financing public improvements, including interest during construction, legal and other professional services, taxes, insurance, principal and interest costs on general indebtedness issued to finance public improvements, and any necessary reserves for general indebtedness; (e) assessments incurred in revaluing real property for the purpose of determining the tax allocation base value that are in excess of costs incurred by the assessor in accordance with the revaluation plan under chapter 84.41 RCW, and the costs of apportioning the taxes and complying with this chapter and other applicable law; and (f) administrative expenses and feasibility studies reasonably necessary and related to these costs, including related costs that may have been incurred before adoption of the ordinance authorizing the public improvements and the use of community revitalization financing to fund the costs of the public improvements.

(6) "Regular property taxes" means regular property taxes as defined in RCW 84.04.140, except: (a) Regular property taxes levied by port districts or public utility districts specifically for the purpose of making required payments of principal and interest on general indebtedness; and (b) regular property taxes levied by the state for the support of the common schools under RCW 84.52.065. Regular property taxes do not include excess property tax levies that are exempt from the aggregate limits for junior and senior taxing districts as provided in RCW 84.52.043.

(7) "Tax allocation base value" means the true and fair value of real property located within an increment area for taxes imposed in the year in which the increment area is created, plus twenty-five percent of any increase in the true and fair value of real property located within an increment area that is placed on the assessment rolls after the increment area is created.

(8) "Tax allocation revenues" means those tax revenues derived from the imposition of regular property taxes on the increment value and distributed to finance public improvements.

(9) "Increment area" means the geographic area from which taxes are to be appropriated to finance public improvements authorized under this chapter.

(10) "Increment value" means seventy-five percent of any increase in the true and fair value of real property in an increment area that is placed on the tax rolls after the increment area is created.

NEW SECTION. Sec. 3. A local government may finance public improvements using community revitalization financing subject to the following conditions:

(1) The local government adopts an ordinance designating an increment area within its boundaries and specifying the public improvements proposed to be financed in whole or in part with the use of community revitalization financing;

(2) The public improvements proposed to be financed in whole or in part using community revitalization financing are expected to encourage private development within the increment area and to increase the fair market value of real property within the increment area;

(3) Private development that is anticipated to occur within the increment area, as a result of the public improvements, will be consistent with the countywide planning policy adopted by the county under RCW 36.70A.210 and the local government's comprehensive plan and development regulations adopted under chapter 36.70A RCW;

(4) Taxing districts, in the aggregate, that levy at least seventy-five percent of the regular property tax within which the increment area is located approves the community revitalization financing of the project under section 5(1) of this act; and

(5) In an increment area that includes any portion of a fire protection district as defined in Title 52 RCW, the fire protection district must approve their participation in the community revitalization financing of the project under this act. Approval by the fire protection district shall be considered as part of the required participation by taxing districts under subsection (4) of this section.

NEW SECTION. Sec. 4. Public improvements that are financed with community revitalization financing may be undertaken and coordinated with other programs or efforts undertaken by the local government and other taxing districts and may be funded in part from revenue sources other than community revitalization financing.

NEW SECTION. Sec. 5. Before adopting an ordinance creating the increment area, a local government must:

(1) Obtain written agreement for the use of community revitalization financing to finance all or a portion of the costs of the designated public improvements from taxing districts that, in the aggregate, levy at least seventy-five percent of the regular property tax on property within the increment area. A signed, written agreement from taxing districts that in the aggregate levy at least seventy-five percent of the regular property tax within the increment area, constitutes concurrence by all taxing districts in the increment area in the public improvement and participation in the public improvement to the extent of providing limited funding under community revitalization financing authorized under this chapter. The agreement must be authorized by the governing body of taxing districts that in the aggregate levy at least seventy-five percent of the regular property tax on property within the increment area;

(2) Hold a public hearing on the proposed financing of the public improvement in whole or in part with community revitalization financing. Notice of the public hearing must be published in a legal newspaper of general circulation within the proposed increment area at least ten days before the public hearing and posted in at least six conspicuous public places located in the proposed increment area. Notices must describe the contemplated public improvements, estimate the costs of the public improvements, describe the portion of the costs of the public improvements to be borne by community revitalization financing, describe any other sources of revenue to finance the public improvements, describe the boundaries of the proposed increment area, and estimate the period during which community revitalization financing is contemplated to be used. The public hearing may be held by either the governing body of the local government, or a committee of the governing body that includes at least a majority of the whole governing body; and

(3) Adopt an ordinance establishing the increment area that describes the public improvements, describes the boundaries of the increment area, estimates the cost of the public improvements and the portion of these costs to be financed by community revitalization financing, estimates the time during which regular property taxes are to be apportioned, provides the date when the apportionment of the regular property taxes will commence, and finds that the conditions of section 3 of this act are met.

NEW SECTION. Sec. 6. The local government shall:

(1) Publish notice in a legal newspaper of general circulation within the increment area that describes the public improvement, describes the boundaries of the increment area, and identifies the location and times where the ordinance and other public information concerning the public improvement may be inspected; and

(2) Deliver a certified copy of the ordinance to the county treasurer, the county assessor, and the governing body of each taxing district within which the increment area is located.

NEW SECTION. Sec. 7. (1) Commencing in the calendar year following the passage of the ordinance, the county treasurer shall distribute receipts from regular taxes imposed on real property located in the increment area as follows:

(a) Each taxing district shall receive that portion of its regular property taxes produced by the rate of tax levied by or for the taxing district on the tax allocation base value for that community revitalization financing project in the taxing district, or upon the total assessed value of real property in the taxing district, whichever is smaller; and

(b) The local government that created the increment area shall receive an additional portion of the regular property taxes levied by or for each taxing district upon the increment value within the increment area. However, the local government that created the increment area may agree to receive less than the full amount of this portion as long as bond debt service, reserve, and other bond covenant requirements are satisfied, in which case the balance of these tax receipts shall be allocated to the taxing districts that imposed regular property taxes, or have regular property taxes imposed for them, in the increment area for collection that year in proportion to their regular tax levy rates for collection that year. The local government may request that the treasurer transfer this additional portion of the property taxes to its designated agent. The portion of the tax receipts distributed to the local government or its agent under this subsection (1)(b) may only be expended to finance public improvement costs associated with the public improvements financed in whole or in part by community revitalization financing.

(2) The county assessor shall allocate twenty-five percent of any increased real property value occurring in the increment area to the tax allocation base value and seventy-five percent to the increment value. This section does not authorize revaluations of real property by the assessor for property taxation that are not made in accordance with the assessor's revaluation plan under chapter 84.41 RCW or under other authorized revaluation procedures.

(3) The apportionment of increases in assessed valuation in an increment area, and the associated distribution to the local government of receipts from regular property taxes that are imposed on the increment value, must cease when tax allocation revenues are no longer necessary or obligated to pay the costs of the public improvements. Any excess tax allocation revenues and earnings on the tax allocation revenues remaining at the time the apportionment of tax receipts terminates must be returned to the county treasurer and distributed to the taxing districts that imposed regular property taxes, or had regular property taxes imposed for it, in the increment area for collection that year, in proportion to the rates of their regular property tax levies for collection that year.

NEW SECTION. Sec. 8. (1) A local government designating an increment area and authorizing the use of community revitalization financing may incur general indebtedness, and issue general obligation bonds, to finance the public improvements and retire the indebtedness in whole or in part from tax allocation revenues it receives, subject to the following requirements:

(a) The ordinance adopted by the local government creating the increment area and authorizing the use of community revitalization financing indicates an intent to incur this indebtedness and the maximum amount of this indebtedness that is contemplated; and

(b) The local government includes this statement of the intent in all notices required by section 5 of this act.

(2) The general indebtedness incurred under subsection (1) of this section may be payable from other tax revenues, the full faith and credit of the local government, and nontax income, revenues, fees, and rents from the public improvements, as well as contributions, grants, and nontax money available to the local government for payment of costs of the public improvements or associated debt service on the general indebtedness.

(3) In addition to the requirements in subsection (1) of this section, a local government designating an increment area and authorizing the use of community revitalization financing may require the nonpublic participant to provide adequate security to protect the public investment in the public improvement within the increment area.

NEW SECTION. Sec. 9. A direct or collateral attack on a public improvement, public improvement ordinance, or increment area purported to be authorized or created in conformance with applicable legal requirements, including this chapter, may not be commenced more than thirty days after publication of notice as required by section 6 of this act.

MOTION

Senator Tim Sheldon moved that the following Committee on Economic Development and Telecommunication striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 80.04.130 and 1998 c 110 s 1 are each amended to read as follows:

(1) Whenever any public service company shall file with the commission any schedule, classification, rule or regulation, the effect of which is to change any rate, charge, rental or toll theretofore charged, the commission shall have power, either upon its own motion or upon complaint, upon notice, to enter upon a hearing concerning such proposed change and the reasonableness and justness thereof, and pending such hearing and the decision thereon the commission may suspend the operation of such rate, charge, rental or toll for a period not exceeding ten months from the time the same would otherwise go into effect, and after a full hearing the commission may make such order in reference thereto as would be provided in a hearing initiated after the same had become effective. The commission shall not suspend a tariff that makes a decrease in a rate, charge, rental, or toll filed by a telecommunications company pending investigation of the fairness, justness, and reasonableness of the decrease when the filing does not contain any offsetting increase to another rate, charge, rental, or toll and the filing company agrees to not file for an increase to any rate, charge, rental, or toll to recover the revenue deficit that results from the decrease for a period of one year. The filing company shall file with any decrease sufficient information as the commission by rule may require to demonstrate the decreased rate, charge, rental, or toll is above the long run incremental cost of the service. A tariff decrease that results in a rate that is below long run incremental cost, or is contrary to commission rule or order, or the requirements of this chapter, shall be rejected for filing and returned to the company. The commission may prescribe a different rate to be effective on the prospective date stated in its final order after its investigation, if it concludes based on the record that the originally filed and effective rate is unjust, unfair, or unreasonable.

For the purposes of this section, tariffs for the following telecommunications services, that temporarily waive or reduce charges for existing or new subscribers for a period not to exceed sixty days in order to promote the use of the services shall be considered tariffs that decrease rates, charges, rentals, or tolls:

- (a) Custom calling service;
- (b) Second access lines; or

(c) Other services the commission specifies by rule.

The commission may suspend any promotional tariff other than those listed in (a) through (c) of this subsection.

The commission may suspend the initial tariff filing of any water company removed from and later subject to commission jurisdiction because of the number of customers or the average annual gross revenue per customer provisions of RCW 80.04.010. The commission may allow temporary rates during the suspension period. These rates shall not exceed the rates charged when the company was last regulated. Upon a showing of good cause by the company, the commission may establish a different level of temporary rates.

(2) At any hearing involving any change in any schedule, classification, rule or regulation the effect of which is to increase any rate, charge, rental or toll theretofore charged, the burden of proof to show that such increase is just and reasonable shall be upon the public service company.

(3) The implementation of mandatory local measured telecommunications service is a major policy change in available telecommunications service. The commission shall not accept for filing a price list, nor shall it accept for filing or approve, prior to June 1, ((2004)) 2004, a tariff filed by a telecommunications company which imposes mandatory local measured service on any customer or class of customers, except that, upon finding that it is in the public interest, the commission may accept for filing a price list or it may accept for filing and approve a tariff that imposes mandatory measured service for a telecommunications company's extended area service or foreign exchange service. This subsection does not apply to land, air, or marine mobile service, or to pay telephone service, or to any service which has been traditionally offered on a measured service basis.

(4) The implementation of Washington telephone assistance program service is a major policy change in available telecommunications service. The implementation of Washington telephone assistance program service will aid in achieving the stated goal of universal telephone service.

(5) If a utility claims a sales or use tax exemption on the pollution control equipment for an electrical generation facility and abandons the generation facility before the pollution control equipment is fully depreciated, any tariff filing for a rate increase to recover abandonment costs for the pollution control equipment shall be considered unjust and unreasonable for the purposes of this section."

- (1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.
- (2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.
- (3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.
- (4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.
- (5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.
- (6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.
- (7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.
- (8) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.
- (11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and, subject to subsection (23) of this section, order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.
- (12) The court shall grant the motion to seal records made pursuant to subsection (11) of this section if it finds that:
 - (a) For class B offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent ten consecutive years in the community without committing any offense or crime that subsequently results in conviction. For class C offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in conviction. For diversions, since completion of the diversion agreement, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction or diversion and the person is at least eighteen years old;
 - (b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;
 - (c) No proceeding is pending seeking the formation of a diversion agreement with that person;
 - (d) The person has not been convicted of a class A or sex offense; and
 - (e) Full restitution has been paid.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall, subject to subsection (23) of this section, order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and subsection (23) of this section.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order for the purposes of chapter 9.94A RCW.

(17)(a) A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the diversion agreement.

(b) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older, or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(24) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

Sec. 2. RCW 13.40.070 and 1997 c 338 s 17 are each amended to read as follows:

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.

(3) If the requirements of subsections (1)(a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (7) of this section. If the prosecutor finds that the requirements of subsection (1)(a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(5) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:

(a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, a class C felony listed in RCW 9.94A.440(2) as a crime against persons or listed in RCW 9A.46.060 as a crime of harassment, or a class C felony that is a violation of RCW 9.41.080 or 9.41.040(1)(b)(iii); or

(b) An alleged offender is accused of a felony and has a criminal history of any felony, or at least two gross misdemeanors, or at least two misdemeanors; or

(c) An alleged offender has previously been committed to the department; or

(d) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion;

or

(e) An alleged offender has two or more diversion ~~((contracts))~~ agreements on the alleged offender's criminal history; or

(f) A special allegation has been filed that the offender or an accomplice was armed with a firearm when the offense was committed.

(6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense is the offender's first offense or violation. If the alleged offender is charged with a related offense that must or may be filed under subsections (5) and (7) of this section, a case under this subsection may also be filed.

(7) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(8) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversion interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversion unit, the victim shall be notified of the referral and informed how to contact the unit.

(9) The responsibilities of the prosecutor under subsections (1) through (8) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

(10) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to mediation or victim offender reconciliation programs. Such mediation or victim offender reconciliation programs shall be voluntary for victims.

Sec. 3. RCW 13.40.127 and 1997 c 338 s 21 are each amended to read as follows:

(1) A juvenile is eligible for deferred disposition unless he or she:

(a) Is charged with a sex or violent offense;

(b) Has a criminal history which includes any felony;

(c) Has a prior deferred disposition or deferred adjudication; or

(d) Has two or more ~~((diversions))~~ adjudications.

(2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. The court shall consider whether the offender and the community will benefit from a deferred disposition before deferring the disposition.

(3) Any juvenile who agrees to a deferral of disposition shall:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision; and

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses.

The adjudicatory hearing shall be limited to a reading of the court's record.

(4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

(6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.

(7) A juvenile's lack of compliance shall be determined by the judge upon written motion by the prosecutor or the juvenile's juvenile court community supervision counselor. If a juvenile fails to comply with terms of supervision, the court shall enter an order of disposition.

(8) At any time following deferral of disposition the court may, following a hearing, continue the case for an additional one-year period for good cause.

(9) At the conclusion of the period set forth in the order of deferral and upon a finding by the court of full compliance with conditions of supervision and payment of full restitution, the respondent's conviction shall be vacated and the court shall dismiss the case with prejudice."

SUBSTITUTE HOUSE BILL NO. 1891, by House Committee on Appropriations (originally sponsored by Representatives Mulliken, Schoesler, Veloria, B. Chandler, Van Luven, Linville, G. Chandler, Conway and Dunn)

Increasing the international trade of Washington state agricultural products.

The bill was read the second time.

MOTION

On motion of Senator Rasmussen, the following Committee on Agriculture and International Trade striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the growing and processing of food and agricultural products is the dominant industry in Washington state and a major employer in rural Washington. The legislature also finds that agriculture is a critical component of Washington's international trade industry, accounting for billions of dollars in exports every year.

The legislature further finds that the export market for Washington's agricultural products has dropped significantly in recent years and that such a drop has negatively impacted the economy in Washington's agricultural regions. Therefore, it is the intent of the legislature to enhance Washington's international trade of agricultural products by increasing funding for the Washington state department of agriculture's international marketing program in an effort to promote marketing of Washington's products and to assist the agricultural industry in efforts to reduce trade barriers that stand in the way of trade in new and emerging markets.

NEW SECTION. Sec. 2. A new section is added to chapter 43.23 RCW to read as follows:

There is created a market development and promotion matching fund program within the Washington state department of agriculture. The purpose of the program is to allow the department of agriculture and the agricultural industry to combine funds in order to enhance access to markets that are growth sales areas for the industry's product. The goal of the program is to expose buyers to Washington's diverse agricultural products. The agriculture industry may bring in buying missions, perform trade promotions in various markets, hire overseas contractors, and perform other marketing functions that help it target the correct buyer and market for its product.

NEW SECTION. Sec. 3. A new section is added to chapter 43.23 RCW to read as follows:

(1) The legislature finds that trade barriers have become an increasingly important issue in the agricultural arena. Further, the world trade organization highlighted the need for "a fair and level playing field." The legislature finds that both large and small commodity groups need adequate resources to address trade barrier issues.

(2) There is created within the department of agriculture a trade barrier matching fund program to assist agriculture industries in fighting trade barriers. The purpose of the program is to allow the department of agriculture and the agricultural industry to combine funds in order to address trade barriers issues impacting the agricultural industry.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this act is null and void."

A dealer shall complete and maintain for a period of at least five years a record of the purchase and sale or lease of all vehicles purchased (~~or~~), sold, or leased by him or her. The records shall consist of:

- (1) The license and title numbers of the state in which the last license was issued;
- (2) A description of the vehicle;
- (3) The name and address of the person from whom purchased;
- (4) The name of the legal owner, if any;
- (5) The name and address of the purchaser or lessee;
- (6) If purchased from a dealer, the name, business address, dealer license number, and resale tax number of the dealer;
- (7) The price paid for the vehicle and the method of payment;
- (8) The vehicle odometer disclosure statement given by the seller to the dealer, and the vehicle odometer disclosure statement given by the dealer to the purchaser or lessee;
- (9) The written agreement to allow a dealer to sell between the dealer and the consignor, or the listing dealer and the seller;
- (10) Trust account records of receipts, deposits, and withdrawals;
- (11) All sale documents, which shall show the full name of dealer employees involved in the sale or lease; and
- (12) Any additional information the department may require. However, the department may not require a dealer to collect or retain the hardback copy of a temporary license permit after the permanent license plates for a vehicle have been provided to the purchaser or lessee, if the dealer maintains some other copy of the temporary license permit together with a log of the permits issued.

Such records shall be maintained separate from all other business records of the dealer. Records older than two years may be kept at a location other than the dealer's place of business if those records are made available in hard copy for inspection within three calendar days, exclusive of Saturday, Sunday, or a legal holiday, after a request by the director or the director's authorized agent. Records kept at the vehicle dealer's place of business must be available for inspection by the director or the director's authorized agent during normal business hours.

Dealers may maintain their recordkeeping and filing systems in accordance with their own particular business needs and practices. Nothing in this chapter requires dealers to maintain their records in any particular order or manner, as long as the records identified in this section are maintained in the dealership's recordkeeping system.

Sec. 8. RCW 46.70.122 and 1990 c 238 s 5 are each amended to read as follows:

- (1) If the purchaser or transferee is a dealer he or she shall, on selling, leasing, or otherwise disposing of the vehicle, promptly execute the assignment and warranty of title, in such form as the director shall prescribe.
- (2) The assignment and warranty shall show any secured party holding a security interest created or reserved at the time of resale or lease, to which shall be attached the assigned certificates of ownership and license registration received by the dealer. The dealer shall mail or deliver them to the department with the transferee's application for the issuance of new certificates of ownership and license registration. The title certificate issued for a vehicle possessed by a dealer and subject to a security interest shall be delivered to the secured party who upon request of the dealer's transferee shall, unless the transfer was

a breach of the security agreement, either deliver the certificate to the transferee for transmission to the department, or upon receipt from the transferee of the owner's bill of sale or sale document, the transferee's application for a new certificate and the required fee, mail or deliver to the department. Failure of a dealer to deliver the title certificate to the secured party does not affect perfection of the security interest.

Sec. 9. RCW 46.70.130 and 1996 c 282 s 5 are each amended to read as follows:

(1) Before the execution of a contract or chattel mortgage or the consummation of the sale or lease of any vehicle, the seller must furnish the buyer or lessee an itemization in writing signed by the seller separately disclosing to the buyer or lessee the finance charge, insurance costs, taxes, and other charges which are paid or to be paid by the buyer or lessee.

(2) Notwithstanding subsection (1) of this section, an itemization of the various license and title fees paid or to be paid by the buyer or lessee, which itemization must be the same as that disclosed on the registration/application for title document issued by the department, may be required only on the title application at the time the application is submitted for title transfer. A vehicle dealer may not be required to separately or individually itemize the license and title fees on any other document, including but not limited to the purchase order and lease agreement. No fee itemization may be required on the temporary permit.

Sec. 10. RCW 46.70.180 and 1999 c 398 s 10 are each amended to read as follows:

Each of the following acts or practices is unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2) To incorporate within the terms of any purchase and sale or lease agreement any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price or capitalized cost of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold or leased to a person for a consideration and upon further consideration that the purchaser or lessee agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser or lessee being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of "bushing" which is defined as follows: Taking from a prospective buyer or lessee of a vehicle a written order or offer to purchase or lease, or a contract document signed by the buyer or lessee, which:

(a) Is subject to the dealer's, or his or her authorized representative's future acceptance, and the dealer fails or refuses within three calendar days, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer or lessee, either (i) to deliver to the buyer or lessee the dealer's signed acceptance, or (ii) to void the order, offer, or contract document and tender the return of any initial payment or security made or given by the buyer or lessee, including but not limited to money, check, promissory note, vehicle keys, a trade-in, or certificate of title to a trade-in; or

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer or lessee as part of the purchase price or lease, for any reason except:

(i) Failure to disclose that the vehicle's certificate of ownership has been branded for any reason, including, but not limited to, status as a rebuilt vehicle as provided in RCW 46.12.050 and 46.12.075; or

(ii) Substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(iii) Excessive additional miles or a discrepancy in the mileage. "Excessive additional miles" means the addition of five hundred miles or more, as reflected on the vehicle's odometer, between the time the vehicle was first valued by the dealer for purposes of determining its trade-in value and the time of actual delivery of the vehicle to the dealer. "A discrepancy in the mileage" means (A) a discrepancy between the mileage reflected on the vehicle's odometer and the stated mileage on the signed

odometer statement; or (B) a discrepancy between the mileage stated on the signed odometer statement and the actual mileage on the vehicle; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A violation of this subsection is a class C felony punishable under chapter 9A.20 RCW.

(6) For any vehicle dealer or vehicle salesperson to refuse to furnish, upon request of a prospective purchaser or lessee, for vehicles previously registered to a business or governmental entity, the name and address of the business or governmental entity.

(7) To commit any other offense under RCW 46.37.423, 46.37.424, or 46.37.425.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle. However, a dealer may issue a second temporary permit on a vehicle if the following conditions are met:

(a) The lienholder fails to deliver the vehicle title to the dealer within the required time period;

(b) The dealer has satisfied the lien; and

(c) The dealer has proof that payment of the lien was made within two calendar days, exclusive of Saturday, Sunday, or a legal holiday, after the sales contract has been executed by all parties and all conditions and contingencies in the sales contract have been met or otherwise satisfied.

(9) For a dealer, (~~salesman~~) salesperson, or mobile home manufacturer, having taken an instrument or cash "on deposit" from a purchaser or lessee prior to the delivery of the bargained-for vehicle, to commingle the "on deposit" funds with assets of the dealer, (~~salesman~~) salesperson, or mobile home manufacturer instead of holding the "on deposit" funds as trustee in a separate trust account until the purchaser or lessee has taken delivery of the bargained-for vehicle. Delivery of a manufactured home shall be deemed to occur in accordance with RCW 46.70.135(5). Failure, immediately upon receipt, to endorse "on deposit" instruments to such a trust account, or to set aside "on deposit" cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice: PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his or her customary total customer deposits for vehicles for future delivery. For purposes of this section, "on deposit" funds received from a purchaser of a manufactured home means those funds that a seller requires a purchaser to advance before ordering the manufactured home, but does not include any loan proceeds or moneys that might have been paid on an installment contract.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser or lessee, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales or lease agreement signed by the seller and buyer or lessee.

(11) For a vehicle dealer to pay to or receive from any person, firm, partnership, association, or corporation acting, either directly or through a subsidiary, as a buyer's agent for consumers, any compensation, fee, purchase moneys or funds that have been deposited into or withdrawn out of any account controlled or used by any buyer's agent, gratuity, or reward in connection with the purchase (~~of~~) sale, or lease of a new motor vehicle.

(12) For a buyer's agent, acting directly or through a subsidiary, to pay to or to receive from any motor vehicle dealer any compensation, fee, gratuity, or reward in connection with the purchase (~~of~~) sale, or lease of a new motor vehicle. In addition, it is unlawful for any buyer's agent to engage in any of the following acts on behalf of or in the name of the consumer:

(a) Receiving or paying any purchase moneys or funds into or out of any account controlled or used by any buyer's agent;

(b) Signing any vehicle purchase orders, sales contracts, leases, odometer statements, or title documents, or having the name of the buyer's agent appear on the vehicle purchase order, sales contract, lease, or title; or

(c) Signing any other documentation relating to the purchase, sale, lease, or transfer of any new motor vehicle.

It is unlawful for a buyer's agent to use a power of attorney obtained from the consumer to accomplish or effect the purchase, sale, lease, or transfer of ownership documents of any new motor vehicle by any means which would otherwise be prohibited under (a) through (c) of this subsection. However, the buyer's agent may use a power of attorney for physical delivery of motor vehicle license plates to the consumer.

Further, it is unlawful for a buyer's agent to engage in any false, deceptive, or misleading advertising, disseminated in any manner whatsoever, including but not limited to making any claim or statement that the buyer's agent offers, obtains, or guarantees the lowest price on any motor vehicle or words to similar effect.

(13) For a buyer's agent to arrange for or to negotiate the purchase, or both, of a new motor vehicle through an out-of-state dealer without disclosing in writing to the customer that the new vehicle would not be subject to chapter 19.118 RCW. This subsection also applies to leased vehicles. In addition, it is unlawful for any buyer's agent to fail to have a written agreement with the customer that: (a) Sets forth the terms of the parties' agreement; (b) discloses to the customer the total amount of any fees or other compensation being paid by the customer to the buyer's agent for the agent's services; and (c) further discloses whether the fee or any portion of the fee is refundable. ~~((The department of licensing shall by December 31, 1996, in rule, adopt standard disclosure language for buyer's agent agreements under RCW 46.70.011, 46.70.070, and this section.))~~

(14) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.94 RCW, to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his or her capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he or she is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) the cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith.

(c) Encourage, aid, abet, or teach a vehicle dealer to sell or lease vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale or lease of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser or lessee of any new or unused vehicle that has been sold or leased, distributed for sale or lease, or transferred into this state for resale or lease by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (14)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.96 RCW.

(15) Unlawful transfer of an ownership interest in a motor vehicle as defined in RCW 19.116.050.

(16) To knowingly and intentionally engage in collusion with a registered owner of a vehicle to repossess and return or resell the vehicle to the registered owner in an attempt to avoid a suspended license impound under chapter 46.55 RCW. However, compliance with chapter ~~((62A.9))~~ 62A.9A RCW in repossessing, selling, leasing, or otherwise disposing of the vehicle, including providing redemption rights to the debtor, is not a violation of this section.

Sec. 11. RCW 46.70.900 and 1973 1st ex.s. c 132 s 20 are each amended to read as follows:

All provisions of this chapter shall be liberally construed to the end that deceptive practices or commission of fraud or misrepresentation in the sale, lease, barter, or disposition of vehicles in this state may be prohibited and prevented, and irresponsible, unreliable, or dishonest persons may be prevented from engaging in the business of selling, leasing, bartering, or otherwise dealing in vehicles in this state and reliable persons may be encouraged to engage in the business of selling, leasing, bartering and otherwise dealing in vehicles in this state: PROVIDED, That this chapter shall not apply to printers, publishers, or broadcasters who in good faith print, publish or broadcast material without knowledge of its deceptive character.

NEW SECTION. Sec. 12. A new section is added to chapter 46.70 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, the following education requirements apply to an applicant for a vehicle dealer license under RCW 46.70.021:

(a) An applicant for a vehicle dealer license under RCW 46.70.021 must complete a minimum of eight hours of approved education programs described in subsection (3) of this section and pass a test prior to submitting an application for the license; and

(b) An applicant for a renewal of a vehicle dealer license under RCW 46.70.083 must complete a minimum of five hours per year in a licensing period of approved continuing education programs described in subsection (3) of this section prior to submitting an application for the renewal of the vehicle dealer license.

(2) The education and test requirements in subsection (1) of this section do not apply to an applicant for a vehicle dealer license under RCW 46.70.021 if the applicant is:

(b) A nationally franchised or corporate-owned motor vehicle rental company;

(c) A dealer of manufactured dwellings;

(d) A national auction company that holds a vehicle dealer license and a wrecker license whose primary activity in this state is the sale or disposition of totaled vehicles; or

(1) Before issuing a vehicle dealer's license, the department shall require the applicant to file with the department a surety bond in the amount of:

(a) ~~(Fifteen)~~ Thirty thousand dollars for motor vehicle dealers;

(b) Thirty thousand dollars for mobile home, park trailer, and travel trailer dealers~~(: PROVIDED, That if such dealer does not deal in mobile homes or park trailers such bond shall be fifteen thousand dollars);~~

(c) Five thousand dollars for miscellaneous dealers,

running to the state, and executed by a surety company authorized to do business in the state. Such bond shall be approved by the attorney general as to form and conditioned that the dealer shall conduct his or her business in conformity with the provisions of this chapter.

Any retail purchaser, consignee who is not a motor vehicle dealer, or a motor vehicle dealer who has purchased from, sold to, or otherwise transacted business with a wholesale dealer, who has suffered any loss or damage by reason of any act by a dealer which constitutes a violation of this chapter shall have the right to institute an action for recovery against such dealer and the surety upon such bond. However, under this section, motor vehicle dealers who have purchased from, sold to, or otherwise transacted business with wholesale dealers may only institute actions against wholesale dealers and their surety bonds. (e) Development regulations are established to ensure that urban growth will not occur in adjacent nonurban areas;
(f) Provision is made to mitigate adverse impacts on designated agricultural lands, forest lands, and mineral resource lands;

(g) The plan for the major industrial development is consistent with the county's development regulations established for protection of critical areas; and

(h) An inventory of developable land has been conducted as provided in RCW 36.70A.365.

(3) In selecting master planned locations for inclusion in the urban industrial land bank, priority shall be given to locations that are adjacent to, or in close proximity to, an urban growth area.

The major industrial development may not be for the purpose of retail commercial development or multitenant office parks.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 47.60.326 and 1999 c 94 s 27 are each amended to read as follows:

(1) In order to maintain an adequate, fair, and economically sound schedule of charges for the transportation of passengers, vehicles, and commodities on the Washington state ferries, the department of transportation each year shall conduct a full review of such charges.

(2) Prior to February 1st of each odd-numbered year the department shall transmit to the transportation commission a report of its review together with its recommendations for the revision of a schedule of charges for the ensuing biennium. The commission on or before July 1st of that year shall adopt as a rule, in the manner provided by the Washington administrative procedure act, a schedule of charges for the Washington state ferries for the ensuing biennium commencing July 1st. The schedule may initially be adopted as an emergency rule if necessary to take effect on, or as near as possible to, July 1st.

(3) The department in making its review and formulating recommendations and the commission in adopting a schedule of charges may consider any of the following factors:

(a) The amount of subsidy available to the ferry system for maintenance and operation;

(b) The time and distance of ferry runs;

(c) The maintenance and operation costs for ferry runs with a proper adjustment for higher costs of operating outmoded or less efficient equipment;

- (d) The efficient distribution of traffic between cross-sound routes;
- (e) The desirability of reasonable commutation rates for persons using the ferry system to commute daily to work;
- (f) The effect of proposed fares in increasing walk-on and vehicular passenger use;
- (g) The effect of proposed fares in promoting all types of ferry use during nonpeak periods;
- (h) Such other factors as prudent managers of a major ferry system would consider.

(4) If at any time during the biennium it appears that projected revenues from the Puget Sound ferry operations account and any other operating subsidy available to the Washington state ferries will be less than the projected total cost of maintenance and operation of the Washington state ferries for the biennium, the department shall forthwith undertake a review of its schedule of charges to ascertain whether or not the schedule of charges should be revised. The department shall, upon completion of its review report, submit its recommendation to the transportation commission which may in its sound discretion revise the schedule of charges as required to meet necessary maintenance and operation expenditures of the ferry system for the biennium or may defer action until the regular annual review and revision of ferry charges as provided in subsection (2) of this section.

(5) The provisions of RCW 47.60.330 relating to public participation shall apply to the process of revising ferry tolls under this section.

(6) Under RCW 43.135.055, the transportation commission may increase ferry tolls included in the schedule of charges adopted under this section by a percentage that exceeds the fiscal growth factor.

NEW SECTION. Sec. 1. The legislature finds that promoting a financially viable health care system in all parts of the state is a paramount interest. The health care financing administration has recognized the crucial role that hospitals play in providing care in rural areas by creating the critical access hospital program to allow small, rural hospitals that qualify to receive reasonable cost-based reimbursement for medicare services. The legislature further finds that creating a similar reimbursement system for the state's medical assistance programs in small, rural hospitals that qualify will help assure the long-term financial viability of the rural health system in those communities.

NEW SECTION. Sec. 2. A new section is added to chapter 74.09 RCW to read as follows:

Payments for recipients eligible for medical assistance programs under this chapter for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, shall be made based on allowable costs incurred during the year, when services are provided by a rural hospital certified by the health care financing administration as a critical access hospital. Any additional payments made by the medical assistance administration for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

For purposes of this section, "medical assistance programs" means the programs defined in RCW 74.09.010 for which federal matching funds are available.

NEW SECTION. Sec. 3. A new section is added to chapter 74.09 RCW to read as follows:

The department shall implement the program created in section 2 of this act within sixty days of the effective date of this act regardless of the beneficiary's managed care status.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1202, by House Committee on Finance (originally sponsored by Representatives Cairnes and Morris) (by request of Department of Revenue)

Improving property tax administration.

The bill was read the second time.

MOTION

On motion of Senator Brown, the following striking amendment by Senators Brown, Fraser and Rossi was adopted:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 84.14.110 and 1995 c 375 s 14 are each amended to read as follows:

(1) If improvements have been exempted under this chapter, the improvements continue to be exempted and not be converted to another use for at least ten years from date of issuance of the certificate of tax exemption. If the owner intends to convert the multifamily development to another use, the owner shall notify the assessor within sixty days of the change in use. If, after a certificate of tax exemption has been filed with the county assessor the city or assessor or agent discovers that a portion of the property is changed or will be changed to a use that is other than residential or that housing or amenities no longer meet the requirements as previously approved or agreed upon by contract between the governing authority and the owner and that the multifamily housing, or a portion of the housing, no longer qualifies for the exemption, the tax exemption must be canceled and the following must occur:

(a) Additional real property tax must be imposed upon the value of the nonqualifying improvements in the amount that would normally be imposed, plus a penalty must be imposed amounting to twenty percent. This additional tax is calculated based upon the difference between the property tax paid and the property tax that would have been paid if it had included the value of the nonqualifying improvements dated back to the date that the improvements were converted to a nonmultifamily use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory rate charged on delinquent property taxes from the dates on which the additional tax could have been paid without penalty if the improvements had been assessed at a value without regard to this chapter; and

(c) The additional tax owed together with interest and penalty must become a lien on the land and attach at the time the property or portion of the property is removed from multifamily use or the amenities no longer meet applicable requirements, and has priority to and must be fully paid and satisfied before a recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the land may become charged or liable. The lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date of delinquency until paid, interest must be charged at the same rate applied by law to delinquent ad valorem property taxes.

(2) Upon a determination that a tax exemption is to be canceled for a reason stated in this section, the governing authority shall notify the record owner of the property as shown by the tax rolls by mail, return receipt requested, of the determination to cancel the exemption. The owner may appeal the determination to the governing authority within thirty days by filing a notice of appeal with the clerk of the governing authority, which notice must specify the factual and legal basis on which the determination of cancellation is alleged to be erroneous. The governing authority or a hearing examiner or other official authorized by the governing authority may hear the appeal. At the hearing, all affected parties may be heard and all competent evidence received. After the hearing, the deciding body or officer shall either affirm, modify, or repeal the decision of cancellation of exemption based on the evidence received. An aggrieved party may appeal the decision of the deciding body or officer to the superior court under RCW 34.05.510 through 34.05.598.

(3) Upon determination by the governing authority or authorized representative to terminate an exemption, the county officials having possession of the assessment and tax rolls shall correct the rolls in the manner provided for omitted property under RCW 84.40.080. The county assessor shall make such a valuation of the property and improvements as is necessary to permit the correction of the rolls. The owner may appeal the valuation to the county board of equalization under chapter 84.48 RCW and according to the provisions of RCW 84.40.038. If there has been a failure to comply with this chapter, the property must be listed as an omitted assessment for assessment years beginning January 1 of the calendar year in which the noncompliance first occurred, but the listing as an omitted assessment may not be for a period more than three calendar years preceding the year in which the failure to comply was discovered.

Sec. 2. RCW 84.26.130 and 1989 c 175 s 178 are each amended to read as follows:

Any decision by a local review board on an application for classification as historic property eligible for special valuation may be appealed to superior court under RCW 34.05.510 through 34.05.598 in addition to any other remedy at law. Any decision on the disqualification of historic property eligible for special valuation, or any other dispute, may be appealed to the county board of equalization in accordance with RCW 84.40.038.

Sec. 3. RCW 84.33.120 and 1999 sp.s. c 4 s 702 are each amended to read as follows:

(1) In preparing the assessment rolls as of January 1, 1982, for taxes payable in 1983 and each January 1st thereafter, the assessor shall list each parcel of forest land at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (2) of this section and shall compute the assessed value of the land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. Values for the several grades of bare forest land shall be as follows.

LAND GRADE	OPERABILITY VALUES	CLASS PER ACRE	
			1 \$141
1	2 136		3 131 4 95
			1 118
2	2 114		3 110 4 80
			1 93
3	2 90		3 87 4 66
			1 70
4	2 68		3 66 4 52
			1 51
5	2 48		3 46 4 31
			1 26
6	2 25		3 25 4 23
			1 12
7	2 12		3 11 4 11

(2) On or before December 31, 1981, the department shall adjust, by rule under chapter 34.05 RCW, the forest land values contained in subsection (1) of this section in accordance with this subsection, and shall certify these adjusted values to the county assessor for his or her use in preparing the assessment rolls as of January 1, 1982. For the adjustment to be made on or before December 31, 1981, for use in the 1982 assessment year, the department shall:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1976, and June 30, 1981, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1975, and June 30, 1980, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and

(c) Adjust the forest land values contained in subsection (1) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

For the adjustments to be made on or before December 31, 1982, and each succeeding year thereafter, the same procedure shall be followed as described in this subsection utilizing harvester excise tax returns filed under RCW 82.04.291 and this chapter except that this adjustment shall be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values shall be successively one year more recent.

(3) In preparing the assessment roll for 1972 and each year thereafter, the assessor shall enter as the true and fair value of each parcel of forest land the appropriate grade value certified to him or her by the department of revenue, and he or she shall compute the assessed value of such land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. In preparing the assessment roll for 1975 and each year thereafter, the assessor shall assess and value as classified forest land all forest land that is not then designated pursuant to RCW 84.33.120(4) or 84.33.130 and shall make a notation of such classification upon the assessment and tax rolls. On or before January 15 of the first year in which such notation is made, the assessor shall mail notice by certified mail to the owner that such land has been classified as forest land and is subject to the compensating tax imposed by this section. If the owner desires not to have such land assessed and valued as classified forest land, he or she shall give the assessor written notice thereof on or before March 31 of such year and the assessor shall remove from the assessment and tax rolls the classification notation entered pursuant to this subsection, and shall thereafter assess and value such land in the manner provided by law other than this chapter 84.33 RCW.

(4) In any year commencing with 1972, an owner of land which is assessed and valued by the assessor other than pursuant to the procedures set forth in RCW 84.33.110 and this section, and which has, in the immediately preceding year, been assessed and valued by the assessor as forest land, may appeal to the county board of equalization by filing an application with the board in the manner prescribed in subsection (2) of RCW 84.33.130. The county board shall afford the applicant an opportunity to be heard if the application so requests and shall act upon the application in the manner prescribed in subsection (3) of RCW 84.33.130.

(5) Land that has been assessed and valued as classified forest land as of any year commencing with 1975 assessment year or earlier shall continue to be so assessed and valued until removal of classification by the assessor only upon the occurrence of one of the following events:

(a) Receipt of notice from the owner to remove such land from classification as forest land;

(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that, because of actions taken by the owner, such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from classification if a governmental agency, organization, or other recipient identified in subsection (9) or (10) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in classified forest land by means of a transaction that qualifies for an exemption under subsection (9) or (10) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the classified land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(d) Determination that a higher and better use exists for such land than growing and harvesting timber after giving the owner written notice and an opportunity to be heard;

(e) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (7) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (7) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals.

The assessor shall remove classification pursuant to (c) or (d) of this subsection prior to September 30 of the year prior to the assessment year for which termination of classification is to be effective. Removal of classification as forest land upon occurrence of (a), (b), (d), or (e) of this subsection shall apply only to the land affected, and upon occurrence of (c) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber: PROVIDED, That any remaining classified forest land meets necessary definitions of forest land pursuant to RCW 84.33.100.

(6) Within thirty days after such removal of classification as forest land, the assessor shall notify the owner in writing setting forth the reasons for such removal. The owner of such land shall thereupon have the right to apply for designation of such land as forest land pursuant to subsection (4) of this section or RCW 84.33.130. The seller, transferor, or owner may appeal such removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(7) Unless the owner successfully applies for designation of such land or unless the removal is reversed on appeal, notation of removal from classification shall immediately be made upon the assessment and tax rolls, and commencing on January 1 of the year following the year in which the assessor made such notation, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (5)(e), (9), or (10) of this section and unless the assessor shall not have mailed notice of classification pursuant to subsection (3) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to the difference, if any, between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by a number, in no event greater than ten, equal to the number of years, commencing with assessment year 1975, for which such land was assessed and valued as forest land.

(8) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from classification as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(9) The compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:

- (a) Transfer to a government entity in exchange for other forest land located within the state of Washington;
- (b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;
- (c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (7) of this section shall be imposed upon the current owner;
- (d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;
- (e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of such land;
- (f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or
- (g) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(10) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:

- (a) An action described in subsection (9) of this section; or
- (b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner.

(11) With respect to any land that has been designated prior to May 6, 1974, pursuant to RCW 84.33.120(4) or 84.33.130, the assessor may, prior to January 1, 1975, on his or her own motion or pursuant to petition by the owner, change, without imposition of the compensating tax provided under RCW 84.33.140, the status of such designated land to classified forest land.

Sec. 4. RCW 84.33.130 and 1994 c 301 s 32 are each amended to read as follows:

(1) An owner of land desiring that it be designated as forest land and valued pursuant to RCW 84.33.120 as of January 1 of any year shall make application to the county assessor before such January 1.

(2) The application shall be made upon forms prepared by the department of revenue and supplied by the county assessor, and shall include the following:

- (a) A legal description of or assessor's tax lot numbers for all land the applicant desires to be designated as forest land;
- (b) The date or dates of acquisition of such land;
- (c) A brief description of the timber on such land, or if the timber has been harvested, the owner's plan for restocking;
- (d) Whether there is a forest management plan for such land;
- (e) If so, the nature and extent of implementation of such plan;
- (f) Whether such land is used for grazing;
- (g) Whether such land has been subdivided or a plat filed with respect thereto;
- (h) Whether such land and the applicant are in compliance with the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder;
- (i) Whether such land is subject to forest fire protection assessments pursuant to RCW 76.04.610;
- (j) Whether such land is subject to a lease, option or other right which permits it to be used for any purpose other than growing and harvesting timber;

(k) A summary of the past experience and activity of the applicant in growing and harvesting timber;
(l) A summary of current and continuing activity of the applicant in growing and harvesting timber;
(m) A statement that the applicant is aware of the potential tax liability involved when such land ceases to be designated as forest land;

(n) An affirmation that the statements contained in the application are true and that the land described in the application is, by itself or with other forest land not included in the application, in contiguous ownership of twenty or more acres which is primarily devoted to and used for growing and harvesting timber.

The assessor shall afford the applicant an opportunity to be heard if the application so requests.

(3) The assessor shall act upon the application with due regard to all relevant evidence and without any one or more items of evidence necessarily being determinative, except that the application may be denied for one of the following reasons, without regard to other items:

(a) The land does not contain either a "merchantable stand of timber" or an "adequate stocking" as defined by rule adopted by the forest practices board, except this reason (a) shall not alone be sufficient for denial of the application (i) if such land has been recently harvested or supports a growth of brush or noncommercial type timber, and the application includes a plan for restocking within three years or such longer period necessitated by unavailability of seed or seedlings, or (ii) if only isolated areas within such land do not meet such minimum standards due to rock outcroppings, swamps, unproductive soil or other natural conditions;

(b) The applicant, with respect to such land, has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder;

(c) The land abuts a body of salt water and lies between the line of ordinary high tide and a line paralleling such ordinary high tide line and two hundred feet horizontally landward therefrom, except that if the higher and better use determined by the assessor to exist for such land would not be permitted or economically feasible by virtue of any federal, state or local law or regulation such land shall be assessed and valued pursuant to the procedures set forth in RCW 84.33.110 and 84.33.120 without being designated. The application shall be deemed to have been approved unless, prior to May 1, of the year after such application was mailed or delivered to the assessor, the assessor shall notify the applicant in writing of the extent to which the application is denied.

(4) An owner who receives notice pursuant to subsection (3) of this section that his or her application has been denied may appeal such denial to the county board of equalization in accordance with the provisions of RCW 84.40.038.

Sec. 5. RCW 84.33.140 and 1999 sp.s. c 4 s 703 are each amended to read as follows:

(1) When land has been designated as forest land pursuant to RCW 84.33.120(4) or 84.33.130, a notation of such designation shall be made each year upon the assessment and tax rolls, a copy of the notice of approval together with the legal description or assessor's tax lot numbers for such land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and such land shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120 until removal of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove such designation;

(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:

(i) Such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (5) or (6) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in designated forest land by means of a transaction that qualifies for an exemption under subsection (5) or (6) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder; or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land. Removal of designation upon occurrence of any of (a) through (c) of this subsection shall apply only to the land affected, and upon occurrence of (d) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber, without regard to other land that may have been included in the same application and approval for designation: PROVIDED, That any remaining designated forest land meets necessary definitions of forest land pursuant to RCW 84.33.100.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(3) Unless the removal is reversed on appeal a copy of the notice of removal with notation of the action, if any, upon appeal, together with the legal description or assessor's tax lot numbers for the land removed from designation shall, at the

expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (1)(c), (5), or (6) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to the difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by a number, in no event greater than ten, equal to the number of years for which such land was designated as forest land.

(4) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (3) of this section shall be imposed upon the current owner;

(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of such land;

(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(g) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(6) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (3) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (1) of this section resulted solely from:

(a) An action described in subsection (5) of this section; or

(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner.

Sec. 6. RCW 84.34.035 and 1992 c 69 s 5 are each amended to read as follows:

The assessor shall act upon the application for current use classification of farm and agricultural lands under RCW 84.34.020(2), with due regard to all relevant evidence. The application shall be deemed to have been approved unless, prior to the first day of May of the year after such application was mailed or delivered to the assessor, the assessor shall notify the applicant in writing of the extent to which the application is denied. An owner who receives notice that his or her application has been denied may appeal such denial to the board of equalization in the county where the property is located. The appeal shall be filed in accordance with RCW 84.40.038(, within thirty days after the mailing of the notice of denial). Within ten days following approval of the application, the assessor shall submit notification of such approval to the county auditor for recording in the place and manner provided for the public recording of state tax liens on real property. The assessor shall retain a copy of all applications.

The assessor shall, as to any such land, make a notation each year on the assessment list and the tax roll of the assessed value of such land for the use for which it is classified in addition to the assessed value of such land were it not so classified.

Sec. 7. RCW 84.34.108 and 1999 sp.s. c 4 s 706 and 1999 c 233 s 22 are each reenacted and amended to read as follows:

(1) When land has once been classified under this chapter, a notation of such classification shall be made each year upon the assessment and tax rolls and such land shall be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of such classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of such classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner shall not, by itself, result in removal of classification. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (4) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified land for filing or recording unless the new owner has signed the

notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization in accordance with the provisions of RCW 84.40.038. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of such land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

The granting authority, upon request of an assessor, shall provide reasonable assistance to the assessor in making a determination whether such land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance shall be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:

(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after such removal of all or a portion of such land from current use classification, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization in accordance with the provisions of RCW 84.40.038.

(4) Unless the removal is reversed on appeal, the assessor shall revalue the affected land with reference to full market value on the date of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor shall compute the amount of such an additional tax, applicable interest, and penalty and the treasurer shall mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such additional tax, applicable interest, and penalty shall be determined as follows:

(a) The amount of additional tax shall be equal to the difference between the property tax paid as "open space land", "farm and agricultural land", or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest shall be equal to the interest upon the amounts of such additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which such additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty shall be as provided in RCW 84.34.080. The penalty shall not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty, shall become a lien on such land which shall attach at the time such land is removed from classification under this chapter and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050 now or as hereafter amended. Any additional tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section shall not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of such land;

(e) Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections: PROVIDED, That at such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section shall be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(j) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

Sec. 8. RCW 84.36.385 and 1992 c 206 s 13 are each amended to read as follows:

(1) A claim for exemption under RCW 84.36.381 as now or hereafter amended, shall be made and filed at any time during the year for exemption from taxes payable the following year and thereafter and solely upon forms as prescribed and furnished by the department of revenue. However, an exemption from tax under RCW 84.36.381 shall continue for no more than four years unless a renewal application is filed as provided in subsection (3) of this section. The county assessor may also require, by written notice, a renewal application following an amendment of the income requirements set forth in RCW 84.36.381. Renewal applications shall be on forms prescribed and furnished by the department of revenue.

(2) A person granted an exemption under RCW 84.36.381 shall inform the county assessor of any change in status affecting the person's entitlement to the exemption on forms prescribed and furnished by the department of revenue.

(3) Each person exempt from taxes under RCW 84.36.381 in 1993 and thereafter, shall file with the county assessor a renewal application not later than December 31 of the year the assessor notifies such person of the requirement to file the renewal application.

(4) Beginning in 1992 and in each of the three succeeding years, the county assessor shall notify approximately one-fourth of those persons exempt from taxes under RCW 84.36.381 in the current year who have not filed a renewal application within the previous four years, of the requirement to file a renewal application.

(5) If the assessor finds that the applicant does not meet the qualifications as set forth in RCW 84.36.381, as now or hereafter amended, the claim or exemption shall be denied but such denial shall be subject to appeal under the provisions of RCW 84.48.010(5) and in accordance with the provisions of RCW 84.40.038. If the applicant had received exemption in prior years based on erroneous information, the taxes shall be collected subject to penalties as provided in RCW 84.40.130 for a period of not to exceed three years.

(6) The department and each local assessor is hereby directed to publicize the qualifications and manner of making claims under RCW 84.36.381 through 84.36.389, through communications media, including such paid advertisements or notices as it deems appropriate. Notice of the qualifications, method of making applications, the penalties for not reporting a change in status, and availability of further information shall be included on or with property tax statements and revaluation notices for all residential property including mobile homes, except rental properties.

Sec. 9. RCW 84.36.812 and 1984 c 220 s 9 are each amended to read as follows:

All additional taxes imposed under RCW 84.36.262 or 84.36.810 shall become due and payable by the seller or transferor at the time of sale. The county auditor shall not accept an instrument of conveyance unless the additional tax has been paid or the department of revenue has determined that the property is not subject to RCW 84.36.262 or 84.36.810. The seller, the transferor, or the new owner may appeal the assessed values upon which the additional tax is based to the county board of equalization in accordance with the provisions of RCW 84.40.038.

Sec. 10. RCW 84.38.040 and 1994 c 301 s 34 are each amended to read as follows:

(1) Each claimant electing to defer payment of special assessments and/or real property tax obligations under this chapter shall file with the county assessor, on forms prescribed by the department and supplied by the assessor, a written declaration thereof. The declaration to defer special assessments and/or real property taxes for any year shall be filed no later than thirty days before the tax or assessment is due or thirty days after receiving notice under RCW 84.64.050, whichever is later: PROVIDED, That for good cause shown, the department may waive this requirement.

(2) The declaration shall designate the property to which the deferral applies, and shall include a statement setting forth (a) a list of all members of the claimant's household, (b) the claimant's equity value in his residence, (c) facts establishing the eligibility for the deferral under the provisions of this chapter, and (d) any other relevant information required by the rules of the department. Each copy shall be signed by the claimant subject to the penalties as provided in chapter 9A.72 RCW for false swearing. The first declaration to defer filed in a county shall include proof of the claimant's age acceptable to the assessor.

(3) The county assessor shall determine if each claimant shall be granted a deferral for each year but the claimant shall have the right to appeal this determination to the county board of equalization, in accordance with the provisions of RCW 84.40.038, whose decision shall be final as to the deferral of that year.

Sec. 11. RCW 84.40.038 and 1997 c 294 s 1 are each amended to read as follows:

(1) The owner or person responsible for payment of taxes on any property may petition the county board of equalization for a change in the assessed valuation placed upon such property by the county assessor or for any other reason specifically authorized by statute. Such petition must be made on forms prescribed or approved by the department of revenue and any petition not conforming to those requirements or not properly completed shall not be considered by the board. The petition must be filed with the board on or before July 1st of the year of the assessment or determination, within thirty days after the date an assessment ~~((or))~~, value change notice, or other notice has been mailed, or within a time limit of up to sixty days adopted by the county legislative authority, whichever is later. If a county legislative authority sets a time limit, the authority may not change the limit for three years from the adoption of the limit.

(2) The board of equalization may waive the filing deadline if the petition is filed within a reasonable time after the filing deadline and the petitioner shows good cause for the late filing. The decision of the board of equalization regarding a waiver of the filing deadline is final and not appealable under RCW 84.08.130. Good cause may be shown by one or more of the following events or circumstances:

(a) Death or serious illness of the taxpayer or his or her immediate family;

(b) The taxpayer was absent from the address where the taxpayer normally receives the assessment or value change notice, was absent for more than fifteen days of the days allowed in subsection (1) of this section before the filing deadline, and the filing deadline is after July 1;

(d) Natural disaster such as flood or earthquake;

(e) Delay or loss related to the delivery of the petition by the postal service, and documented by the postal service; or

(f) Other circumstances as the department may provide by rule.

(3) The owner or person responsible for payment of taxes on any property may request that the appeal be heard by the state board of tax appeals without a hearing by the county board of equalization when the assessor, the owner or person responsible for payment of taxes on the property, and a majority of the county board of equalization agree that a direct appeal to the state board of tax appeals is appropriate. The state board of tax appeals may reject the appeal, in which case the county board of equalization shall consider the appeal under RCW 84.48.010. Notice of such a rejection, together with the reason therefor, shall be provided to the affected parties and the county board of equalization within thirty days of receipt of the direct appeal by the state board.

Sec. 12. RCW 84.48.080 and 1997 c 3 s 112 are each amended to read as follows:

(1) Annually during the months of September and October, the department of revenue shall examine and compare the returns of the assessment of the property in the several counties of the state, and the assessment of the property of railroad and other companies assessed by the department, and proceed to equalize the same, so that each county in the state shall pay its

due and just proportion of the taxes for state purposes for such assessment year, according to the ratio the ((assessed)) valuation of the property in each county bears to the ((correct)) total ((assessed)) valuation of all property in the state.

~~((First:))~~ (a) The department shall classify all property, real and personal, and shall raise and lower the ((assessed)) valuation of any class of property in any county to a value that shall be equal, so far as possible, to the ((correct-assessed)) true and fair value of such class as of January 1st of the current year~~((after determining the correct appraised value, and any adjustment applicable under RCW 84.40.0305 for the property,))~~ for the purpose of ascertaining the just amount of tax due from each county for state purposes. ~~((In equalizing personal property as of January 1st of the current year, the department shall use the assessment level of the preceding year.))~~ In equalizing personal property as of January 1st of the current year, the department shall use valuation data with respect to personal property from the three years immediately preceding the current assessment year in a manner it deems appropriate. Such classification may be on the basis of types of property, geographical areas, or both. For purposes of this section, for each county that has not provided the department with an assessment return by December 1st, the department shall proceed, using facts and information and in a manner it deems appropriate, to estimate the value of each class of property in the county.

~~((Second:))~~ (b) The department shall keep a full record of its proceedings and the same shall be published annually by the department.

(2) The department shall levy the state taxes authorized by law. The amount levied in any one year for general state purposes shall not exceed the lawful dollar rate on the dollar of the assessed value of the property of the entire state ~~((as equalized under this section)),~~ which assessed value shall be one hundred percent of the true and fair value of the property in money. The department shall apportion the amount of tax for state purposes levied by the department, among the several counties, in proportion to the ((assessed)) valuation of the taxable property of the county for the year as equalized by the department: PROVIDED, That for purposes of this apportionment, the department shall recompute the previous year's levy and the apportionment thereof to correct for changes and errors in taxable values reported to the department after October 1 of the preceding year and shall adjust the apportioned amount of the current year's state levy for each county by the difference between the apportioned amounts established by the original and revised levy computations for the previous year. For purposes of this section, changes in taxable values mean a final adjustment made by a county board of equalization, the state board of tax appeals, or a court of competent jurisdiction and shall include additions of omitted property, other additions or deletions from the assessment or tax rolls, any assessment return provided by a county to the department subsequent to December 1st, or a change in the indicated ratio of a county. Errors in taxable values mean errors corrected by a final reviewing body.

In addition to computing a levy under this subsection that is reduced under RCW 84.55.012, the department shall compute a hypothetical levy without regard to the reduction under RCW 84.55.012. This hypothetical levy shall also be apportioned among the several counties in proportion to the valuation of the taxable property of the county for the year, as equalized by the department, in the same manner as the actual levy and shall be used by the county assessors for the purpose of recomputing and establishing a consolidated levy under RCW 84.52.010.

(3) The department shall have authority to adopt rules and regulations to enforce obedience to its orders in all matters in relation to the returns of county assessments, the equalization of values, and the apportionment of the state levy by the department.

(4) After the completion of the duties prescribed in this section, the director of the department shall certify the record of the proceedings of the department under this section, the tax levies made for state purposes and the apportionment thereof among the counties, and the certification shall be available for public inspection.

Sec. 13. RCW 84.40.190 and 1993 c 33 s 4 are each amended to read as follows:

Every person required by this title to list property shall make out and deliver to the assessor, or to the department as required by RCW 84.40.065, either in person ~~((or))~~, by mail, or by electronic transmittal, a statement, verified under penalty of perjury, of all the personal property in his or her possession or under his or her control, and which, by the provisions of this title, he or she is required to list for taxation, either as owner or holder thereof. Each list, schedule or statement required by this chapter shall be signed by the individual if the person required to make the same is an individual; by the president, vice-president, treasurer, assistant treasurer, chief accounting officer or any other officer duly authorized to so act if the person required to make the same is a corporation; by a responsible and duly authorized member or officer having knowledge of its affairs, if the person required to make the same is a partnership or other unincorporated organization; or by the fiduciary, if the person required to make the same is a trust or estate. The list, schedule, or statement may be made and signed for the person required to make the same by an agent who is duly authorized to do so by a power of attorney filed with and approved by the assessor. When any list, schedule, or statement is made and signed by such agent, the principal required to make out and deliver the same shall be responsible for the contents and the filing thereof and shall be liable for the penalties imposed pursuant to RCW 84.40.130. No person shall be required to list for taxation in his statement to the assessor any share or portion of the capital stock, or of any of the property of any company, association or corporation, which such person may hold in whole or in part, where such company, being required so to do, has listed for assessment and taxation its capital stock and property with the department of revenue, or as otherwise required by law.

NEW SECTION. Sec. 14. A new section is added to chapter 84.52 RCW to read as follows:

(1) If an error has occurred in the levy of property taxes that has caused all taxpayers within a taxing district, other than the state, to pay an incorrect amount of property tax, the assessor shall correct the error by making an appropriate adjustment to the levy for that taxing district in the succeeding year. The adjustment shall be made without including any interest. If the governing authority of the taxing district determines that the amount of the adjustment in the succeeding year is so large as to cause a hardship for the taxing district or the taxpayers within the district, the adjustment may be made on a proportional basis over a period of not more than three consecutive years.

(a) A correction of an error in the levying of property taxes shall not be made for any period more than three years preceding the year in which the error is discovered.

(b) When calculating the levy limitation under chapter 84.55 RCW for levies made following the discovery of an error, the assessor shall determine and use the correct levy amount for the year or years being corrected as though the error had not occurred. The amount of the adjustment determined under this subsection (1) shall not be considered when calculating the levy limitation.

(c) If the taxing district in which a levy error has occurred does not levy property taxes in the year the error is discovered, or for a period of more than three years subsequent to the year the error was discovered, an adjustment shall not be made.

(2) If an error has occurred in the distribution of property taxes so that property tax collected has been incorrectly distributed to a taxing district or taxing districts wholly or partially within a county, the treasurer of the county in which the error occurred shall correct the error by making an appropriate adjustment to the amount distributed to that taxing district or districts in the succeeding year. The adjustment shall be made without including any interest. If the treasurer, in consultation with the governing authority of the taxing district or districts affected, determines that the amount of the adjustment in the succeeding year is so large as to cause a hardship for the taxing district or districts, the adjustment may be made on a proportional basis over a period of not more than three consecutive years. A correction of an error in the distribution of property taxes shall not be made for any period more than three years preceding the year in which the error is discovered.

~~((First.))~~ (a) The department shall classify all property, real and personal, and shall raise and lower the assessed valuation of any class of property in any county to a value that shall be equal, so far as possible, to the correct assessed value of such class as of January 1st of the current year, after determining the correct appraised value, and any adjustment applicable under RCW 84.40.0305 for the property, for the purpose of ascertaining the just amount of tax due from each county for state purposes. In equalizing personal property as of January 1st of the current year, the department shall use ~~((the assessment level of the preceding year))~~ valuation data with respect to personal property from the three years immediately preceding the current assessment year in a manner it deems appropriate. MOTION

Senator Hargrove moved that the following Committee on Human Services and Corrections striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature affirms its support for those recommendations of the performance audit of the public mental health system conducted by the joint legislative audit and review committee relating to: Improving the coordination of services for clients with multiple needs; improving the consistency of client, service, and fiscal data collected by the mental health division; replacing process-oriented accountability activities with a uniform statewide outcome measurement system; and using outcome information to identify and provide incentives for best practices in the provision of public mental health services.

NEW SECTION. Sec. 2. The legislature supports recommendations 1 through 10 and 12 through 14 of the mental health system performance audit conducted by the joint legislative audit and review committee. The legislature expects the department of social and health services to work diligently within available funds to implement these recommendations.

NEW SECTION. Sec. 3. In addition to any follow-up requirements prescribed by the joint legislative audit and review committee, the department of social and health services shall submit reports to the legislature on the status of the implementation of recommendations 1 through 10 and 12 through 14 of the performance audit report. The implementation status reports must be submitted to appropriate policy and fiscal committees of the legislature by June 1, 2001, and each year thereafter through 2004.

NEW SECTION. Sec. 4. The initial implementation status reports must discuss the status of implementing recommendations 1 through 8, which are due to be implemented by June 2001, and must also include a plan for implementing recommendations 9, 10, and 12 through 14, which are due to be implemented subsequent to June 2001. The initial implementation status report must also discuss what actions the department of social and health services has taken and will take in the future in response to recommendation 11 of the performance audit report.

NEW SECTION. Sec. 5. The department of social and health services shall conduct a longitudinal study of long-term client outcomes to assess any changes in client status at two, five, and ten years. The measures tracked shall include client change as a result of services, employment and/or education, housing stability, criminal justice involvement, and level of services needed. The department shall report these long-term outcomes to the appropriate policy and fiscal committee of the legislature annually beginning not later than December 31, 2004.

Sec. 6. RCW 71.24.015 and 1999 c 214 s 7 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide for:

(1) Access to mental health services for adults of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. Access to mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of mentally ill children and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of efficient and effective services through statewide standards for monitoring and reporting of client and system outcome information;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

Sec. 7. RCW 71.24.035 and 1999 c 10 s 4 are each amended to read as follows:

(1) The department is designated as the state mental health authority.

(2) The secretary may provide for public, client, and licensed service provider participation in developing the state mental health program.

(3) The secretary shall provide for participation in developing the state mental health program for children and other underserved populations, by including representatives on any committee established to provide oversight to the state mental health program.

(4) The secretary shall be designated as the county authority if a county fails to meet state minimum standards or refuses to exercise responsibilities under RCW 71.24.045.

(A) Outpatient services;

(B) Emergency care services for twenty-four hours per day;

(D) Screening for patients being considered for admission to state mental health facilities to determine the appropriateness of admission;

(E) Employment services, which may include supported employment, transitional work, placement in competitive employment, and other work-related services, that result in mentally ill persons becoming engaged in meaningful and gainful full or part-time work. Other sources of funding such as the division of vocational rehabilitation may be utilized by the secretary to maximize federal funding and provide for integration of services;

The information system shall not include individual patient's case history files. Confidentiality of client information and records shall be maintained as provided in this chapter and in RCW 71.05.390, 71.05.400, 71.05.410, 71.05.420, 71.05.430, and 71.05.440;

(l) Monitor and audit counties, regional support networks, and licensed service providers as needed to assure compliance with contractual agreements authorized by this chapter; and

(m) Adopt such rules as are necessary to implement the department's responsibilities under this chapter.

(6) The secretary shall use available resources only for regional support networks.

(7) Each certified regional support network and licensed service provider shall file with the secretary, on request, such data, statistics, schedules, and information as the secretary reasonably requires. A certified regional support network or licensed service provider which, without good cause, fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent reports thereof, may have its certification or license revoked or suspended.

(8) The secretary may suspend, revoke, limit, or restrict a certification or license, or refuse to grant a certification or license for failure to conform to: (a) The law; (b) applicable rules and regulations; (c) applicable standards; or (d) state minimum standards.

(9) The superior court may restrain any regional support network or service provider from operating without certification or a license or any other violation of this section. The court may also review, pursuant to procedures contained in chapter 34.05 RCW, any denial, suspension, limitation, restriction, or revocation of certification or license, and grant other relief required to enforce the provisions of this chapter.

(10) Upon petition by the secretary, and after hearing held upon reasonable notice to the facility, the superior court may issue a warrant to an officer or employee of the secretary authorizing him or her to enter at reasonable times, and examine the records, books, and accounts of any regional support network or service provider refusing to consent to inspection or examination by the authority.

(11) Notwithstanding the existence or pursuit of any other remedy, the secretary may file an action for an injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, or operation of a regional support network or service provider without certification or a license under this chapter.

(12) The standards for certification of evaluation and treatment facilities shall include standards relating to maintenance of good physical and mental health and other services to be afforded persons pursuant to this chapter and chapters 71.05 and 71.34 RCW, and shall otherwise assure the effectuation of the purposes of these chapters.

(13)(a) The department, in consultation with affected parties, shall establish a distribution formula that reflects county needs assessments based on the number of persons who are acutely mentally ill, chronically mentally ill, severely emotionally disturbed children, and seriously disturbed. The formula shall take into consideration the impact on counties of demographic factors in counties which result in concentrations of priority populations as set forth in subsection (5)(b) of this section. These factors shall include the population concentrations resulting from commitments under chapters 71.05 and 71.34 RCW to state psychiatric hospitals, as well as concentration in urban areas, at border crossings at state boundaries, and other significant demographic and workload factors.

(b) The formula shall also include a projection of the funding allocations that will result for each county, which specifies allocations according to priority populations, including the allocation for services to children and other underserved populations.

(c) The department may allocate up to two percent of total funds to be distributed to the regional support networks for incentive payments to reward the achievement of superior outcomes, or significantly improved outcomes, as measured by a statewide performance measurement system consistent with the framework recommended in the joint legislative audit and review committee's performance audit of the mental health system. The department shall annually report to the legislature on its criteria and allocation of the incentives provided under this subsection.

(14) The secretary shall assume all duties assigned to the nonparticipating counties under chapters 71.05, 71.34, and 71.24 RCW. Such responsibilities shall include those which would have been assigned to the nonparticipating counties under regional support networks.

The regional support networks, or the secretary's assumption of all responsibilities under chapters 71.05, 71.34, and 71.24 RCW, shall be included in all state and federal plans affecting the state mental health program including at least those required by this chapter, the medicaid program, and P.L. 99-660. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(15) The secretary shall:

(b) Enter into biennial contracts with regional support networks. The contracts shall be consistent with available resources. (c) Allocate one hundred percent of available resources to the regional support networks in accordance with subsection (13) of this section. Incentive payments authorized under subsection (13) of this section may be allocated separately from other available resources.

(d) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(e) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

(f) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.

(g) Establish a maximum percentage for the reasonable administrative costs, not including direct service support, of licensed service providers.

The department shall periodically report its efforts to the health care and corrections committee of the senate and the human services committee of the house of representatives.

(17) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Failure to register within twenty-four hours of release, or of receiving notice, constitutes a violation of this section and is punishable as provided in subsection (10) of this section.

(vii) OFFENDERS WHO LACK A FIXED RESIDENCE. Any person who lacks a fixed residence and leaves the county in which he or she is registered and enters and remains within a new county for twenty-four hours is required to register with the county sheriff not more than twenty-four hours after entering the county and provide the information required in subsection (3)(b) of this section.

(viii) OFFENDERS WHO LACK A FIXED RESIDENCE AND WHO ARE UNDER SUPERVISION. Offenders who lack a fixed residence and who are under the supervision of the department shall register in the county of their supervision.

(ix) OFFENDERS WHO MOVE TO, WORK, CARRY ON A VOCATION, OR ATTEND SCHOOL IN ANOTHER STATE. Offenders required to register in Washington, who move to another state, or who work, carry on a vocation, or attend school in another state shall register a new address, fingerprints, and photograph with the new state within ten days after establishing residence, or after beginning to work, carry on a vocation, or attend school in the new state. The person must also send written notice within ten days of moving to the new state or to a foreign country to the county sheriff with whom the person last registered in Washington state. The county sheriff shall promptly forward this information to the Washington state patrol.

(b) Failure to register within the time required under this section constitutes a per se violation of this section and is punishable as provided in subsection (10) of this section. The county sheriff shall not be required to determine whether the person is living within the county.

(c) An arrest on charges of failure to register, service of an information, or a complaint for a violation of this section, or arraignment on charges for a violation of this section, constitutes actual notice of the duty to register. Any person charged with the crime of failure to register under this section who asserts as a defense the lack of notice of the duty to register shall register immediately following actual notice of the duty through arrest, service, or arraignment. Failure to register as required under this subsection (4)(c) constitutes grounds for filing another charge of failing to register. Registering following arrest, service, or arraignment on charges shall not relieve the offender from criminal liability for failure to register prior to the filing of the original charge.

(d) The deadlines for the duty to register under this section do not relieve any sex offender of the duty to register under this section as it existed prior to July 28, 1991.

(5)(a) If any person required to register pursuant to this section changes his or her residence address within the same county, the person must send written notice of the change of address to the county sheriff within seventy-two hours of moving. If any person required to register pursuant to this section moves to a new county, the person must send written notice of the change of address at least fourteen days before moving to the county sheriff in the new county of residence and must register with that county sheriff within twenty-four hours of moving. The person must also send written notice within ten days of the change of address in the new county to the county sheriff with whom the person last registered. The county sheriff with whom the person last registered shall promptly forward the information concerning the change of address to the county sheriff for the county of the person's new residence. Upon receipt of notice of change of address to a new state, the county sheriff shall promptly forward the information regarding the change of address to the agency designated by the new state as the state's offender registration agency.

(b) It is an affirmative defense to a charge that the person failed to send a notice at least fourteen days in advance of moving as required under (a) of this subsection that the person did not know the location of his or her new residence at least fourteen days before moving. The defendant must establish the defense by a preponderance of the evidence and, to prevail on the defense, must also prove by a preponderance that the defendant sent the required notice within twenty-four hours of determining the new address.

(6)(a) Any person required to register under this section who lacks a fixed residence shall provide written notice to the sheriff of the county where he or she last registered within ~~((fourteen days))~~ forty-eight hours excluding weekends and holidays after ceasing to have a fixed residence. The notice shall include the information required by subsection (3)(b) of this section, except the photograph and fingerprints. The county sheriff may, for reasonable cause, require the offender to provide a photograph and fingerprints. The sheriff shall forward this information to the sheriff of the county in which the person intends to reside, if the person intends to reside in another county.

(b) A person who lacks a fixed residence must report weekly in person to the sheriff of the county where he or she is registered. ~~((If he or she has been classified as a risk level I sex or kidnapping offender, he or she must report monthly. If he or she has been classified as a risk level II or III sex or kidnapping offender, he or she must report weekly.))~~ The weekly report shall be on a day specified by the county sheriff's office, and shall occur during normal business hours. The county sheriff's office may require the person to list the locations where the person has stayed during the last seven days. The lack of a fixed residence is a factor that may be considered in determining ~~((a sex))~~ an offender's risk level and shall make the offender subject to disclosure of information to the public at large pursuant to RCW 4.24.550.

(c) If any person required to register pursuant to this section does not have a fixed residence, it is an affirmative defense to the charge of failure to register, that he or she provided written notice to the sheriff of the county where he or she last registered within ~~((fourteen days))~~ forty-eight hours excluding weekends and holidays after ceasing to have a fixed residence and has subsequently complied with the requirements of subsections (4)(a)(vii) or (viii) and (6) of this section. To prevail, the person must prove the defense by a preponderance of the evidence.

(7) A sex offender subject to registration requirements under this section who applies to change his or her name under RCW 4.24.130 or any other law shall submit a copy of the application to the county sheriff of the county of the person's residence and to the state patrol not fewer than five days before the entry of an order granting the name change. No sex offender under the requirement to register under this section at the time of application shall be granted an order changing his or her name if the court finds that doing so will interfere with legitimate law enforcement interests, except that no order shall be denied when the name

change is requested for religious or legitimate cultural reasons or in recognition of marriage or dissolution of marriage. A sex offender under the requirement to register under this section who receives an order changing his or her name shall submit a copy of the order to the county sheriff of the county of the person's residence and to the state patrol within five days of the entry of the order.

(8) The county sheriff shall obtain a photograph of the individual and shall obtain a copy of the individual's fingerprints.

(9) For the purpose of RCW 9A.44.130, 10.01.200, 43.43.540, 70.48.470, and 72.09.330:

(b) "Kidnapping offense" means the crimes of kidnapping in the first degree, kidnapping in the second degree, and unlawful imprisonment as defined in chapter 9A.40 RCW, where the victim is a minor and the offender is not the minor's parent.

(c) "Employed" or "carries on a vocation" means employment that is full-time or part-time for a period of time exceeding fourteen days, or for an aggregate period of time exceeding thirty days during any calendar year. A person is employed or carries on a vocation whether the person's employment is financially compensated, volunteered, or for the purpose of government or educational benefit.

(d) "Student" means a person who is enrolled, on a full-time or part-time basis, in any public or private educational institution. An educational institution includes any secondary school, trade or professional institution, or institution of higher education.

(10) A person who knowingly fails to register with the county sheriff or notify the county sheriff, or who changes his or her name without notifying the county sheriff and the state patrol, as required by this section is guilty of a class C felony if the crime for which the individual was convicted was a felony sex offense as defined in subsection (9)(a) of this section or a federal or out-of-state conviction for an offense that under the laws of this state would be a felony sex offense as defined in subsection (9)(a) of this section. If the crime was other than a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be other than a felony, violation of this section is a gross misdemeanor.

(11) A person who knowingly fails to register or who moves within the state without notifying the county sheriff as required by this section is guilty of a class C felony if the crime for which the individual was convicted was a felony kidnapping offense as defined in subsection (9)(b) of this section or a federal or out-of-state conviction for an offense that under the laws of this state would be a felony kidnapping offense as defined in subsection (9)(b) of this section. If the crime was other than a felony or a federal or out-of-state conviction for an offense that under the laws of this state would be other than a felony, violation of this section is a gross misdemeanor.

Sec. 2. RCW 4.24.550 and 1998 c 220 s 6 are each amended to read as follows:

(1) Public agencies are authorized to release information to the public regarding sex offenders and kidnapping offenders when the agency determines that disclosure of the information is relevant and necessary to protect the public and counteract the danger created by the particular offender. This authorization applies to information regarding: (a) Any person adjudicated or convicted of a sex offense as defined in RCW 9A.44.130 or a kidnapping offense as defined by RCW 9A.44.130; (b) any person under the jurisdiction of the indeterminate sentence review board as the result of a sex offense or kidnapping offense; (c) any person committed as a sexually violent predator under chapter 71.09 RCW or as a sexual psychopath under chapter 71.06 RCW; (d) any person found not guilty of a sex offense or kidnapping offense by reason of insanity under chapter 10.77 RCW; and (e) any person found incompetent to stand trial for a sex offense or kidnapping offense and subsequently committed under chapter 71.05 or 71.34 RCW.

(2) The extent of the public disclosure of relevant and necessary information shall be rationally related to: (a) The level of risk posed by the offender to the community; (b) the locations where the offender resides, expects to reside, or is regularly found; and (c) the needs of the affected community members for information to enhance their individual and collective safety.

(3) Local law enforcement agencies shall consider the following guidelines in determining the extent of a public disclosure made under this section: (a) For offenders classified as risk level I, the agency shall share information with other appropriate law enforcement agencies and may disclose, upon request, relevant, necessary, and accurate information to any victim or witness to the offense and to any individual community member who lives near the residence where the offender resides, expects to reside, or is regularly found; (b) for offenders classified as risk level II, the agency may also disclose relevant, necessary, and accurate information to public and private schools, child day care centers, family day care providers, businesses and organizations that serve primarily children, women, or vulnerable adults, and neighbors and community groups near the residence where the offender resides, expects to reside, or is regularly found; ~~((and))~~ (c) for offenders classified as risk level III, the agency may also disclose relevant, necessary, and accurate information to the public at large; and (d) because more localized notification is not feasible and homeless and transient offenders may present unique risks to the community, the agency may also disclose relevant, necessary, and accurate information to the public at large for offenders registered as homeless or transient.

(4) Local law enforcement agencies that disseminate information pursuant to this section shall: (a) Review available risk level classifications made by the department of corrections, the department of social and health services, and the indeterminate sentence review board; (b) assign risk level classifications to all offenders about whom information will be disseminated; and (c) make a good faith effort to notify the public and residents at least fourteen days before the offender is released from confinement or, where an offender moves from another jurisdiction, as soon as possible after the agency learns of the offender's move, except that in no case may this notification provision be construed to require an extension of an offender's release date. The juvenile court shall provide local law enforcement officials with all relevant information on offenders allowed to remain in the community in a timely manner.

(5) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for damages for any discretionary risk level classification decisions or release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity in this section applies to risk level classification decisions and the release of relevant and necessary information regarding any individual for whom disclosure is authorized. The decision of a local law enforcement agency or official to classify an offender to a risk level other than the one assigned by the department of corrections, the department of social and health services, or the indeterminate sentence

review board, or the release of any relevant and necessary information based on that different classification shall not, by itself, be considered gross negligence or bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the general public.

(6) Except as may otherwise be provided by law, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section.

(7) Nothing in this section implies that information regarding persons designated in subsection (1) of this section is confidential except as may otherwise be provided by law.

(8) When a local law enforcement agency or official classifies an offender differently than the offender is classified by the department of corrections, the department of social and health services, or the indeterminate sentence review board, the law enforcement agency or official shall notify the appropriate department or the board and submit its reasons supporting the change in classification."

The prosecuting attorney of the county shall be named and served as the respondent in any such petition. The court shall consider the nature of the registrable offense committed, and the criminal and relevant noncriminal behavior of the petitioner both before and after conviction, and may consider other factors. Except as provided

in subsection (4) of this section, the court may relieve the petitioner of the duty to register only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1571, by House Committee on Commerce and Labor (originally sponsored by Representatives Wood, Clements and Conway)

Changing provisions on simulcast horse racing.

The bill was read the second time.

MOTION

On motion of Senator Prentice. the following Committee on Labor, Commerce and Financial Institutions striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 67.16.200 and 2000 c 223 s 1 are each amended to read as follows:

(1) A racing association licensed by the commission to conduct a race meet may seek approval from the commission to conduct parimutuel wagering on its program at a satellite location or locations within the state of Washington. The sale of parimutuel pools at satellite locations shall be conducted only during the licensee's race meet and simultaneous to all parimutuel wagering activity conducted at the licensee's live racing facility in the state of Washington. The commission's authority to approve satellite wagering at a particular location is subject to the following limitations:

(a) The commission may approve only one satellite location in each county in the state; however, the commission may grant approval for more than one licensee to conduct wagering at each satellite location. A satellite location shall not be operated within twenty driving miles of any class 1 racing facility. For the purposes of this section, "driving miles" means miles measured by the most direct route as determined by the commission; and

(b) A licensee shall not conduct satellite wagering at any satellite location within sixty driving miles of any other racing facility conducting a live race meet.

(2) Subject to local zoning and other land use ordinances, the commission shall be the sole judge of whether approval to conduct wagering at a satellite location shall be granted.

(3) The licensee shall combine the parimutuel pools of the satellite location with those of the racing facility for the purpose of determining odds and computing payoffs. The amount wagered at the satellite location shall be combined with the amount wagered at the racing facility for the application of take out formulas and distribution as provided in RCW 67.16.102, 67.16.105, 67.16.170, and 67.16.175. A satellite extension of the licensee's racing facility shall be subject to the same application of the rules of racing as the licensee's racing facility.

(4) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to locations outside of the state of Washington approved by the commission and in accordance with the interstate horse racing act of 1978 (15 U.S.C. Sec. 3001 to 3007) or any other applicable laws. The commission may permit parimutuel pools on the simulcast races to be combined in a common pool. A racing association that transmits simulcasts of its races to locations outside this state shall pay at least fifty percent of the fee that it receives for sale of the simulcast signal to the horsemen's purse account for its live races after first deducting the actual cost of sending the signal out of state.

(5) Upon written application to the commission, a class 1 racing association may be authorized to transmit simulcasts of live horse races conducted at its racetrack to licensed racing associations located within the state of Washington and approved by the commission for the receipt of the simulcasts. The commission shall permit parimutuel pools on the simulcast races to be combined in a common pool. The fee for in-state, track-to-track simulcasts shall be five and one-half percent of the gross parimutuel receipts generated at the receiving location and payable to the sending racing association. A racing association that transmits simulcasts of its races to other licensed racing associations shall pay at least fifty percent of the fee that it receives for the simulcast signal. A racing association that receives races simulcast from class 1 racing associations within the state shall pay at least fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price and the actual direct costs of importing the race.

(6) A class 1 racing association may be allowed to import simulcasts of horse races from out-of-state racing facilities. With the prior approval of the commission, the class 1 racing association may participate in an interstate common pool and may change its commission and breakage rates to achieve a common rate with other participants in the common pool.

(a) The class 1 racing association shall make written application with the commission for permission to import simulcast horse races for the purpose of parimutuel wagering. Subject to the terms of this section, the commission is the sole authority in determining whether to grant approval for an imported simulcast race.

(b) ~~((During the conduct of its race meeting, a class 1 racing association may be allowed to import no more than one simulcast race card program during each live race day.))~~ A licensed racing association may also be approved to import one simulcast race of regional or national interest on each live race day. ~~((A class 1 racing association may be permitted to import two simulcast programs on two nonlive race days per each week during its live meet. A licensee shall not operate parimutuel wagering on more than five days per week. Parimutuel wagering on imported simulcast programs shall only be conducted at the live racing facility of a class 1 racing association.))~~

(c) The commission may allow simulcast races of regional or national interest to be sent to satellite locations. The simulcasts shall be limited to one per day except for Breeder's Cup special events day.

(d) When open for parimutuel wagering, a class 1 racing association which imports simulcast races shall also conduct simulcast parimutuel wagering within its licensed racing enclosure on all races simulcast from other class 1 racing associations within the state of Washington.

(e) ~~((When not conducting a live race meeting, a class 1 racing association may be approved to conduct simulcast parimutuel wagering on imported simulcast races.))~~ The conduct of ~~((simulcast))~~ parimutuel wagering on ~~((the))~~ imported simulcast races shall be for not more than fourteen hours during any twenty-four hour period, for not more than five days per week and only at ~~((the))~~ the live racing facility of a class 1 racing association.

(f) On any imported simulcast race, the class 1 racing association shall pay fifty percent of its share of the parimutuel receipts to the horsemen's purse account for its live race meet after first deducting the purchase price of the imported race and the actual costs of importing the race.

(7) For purposes of this section, a class 1 racing association is defined as a licensee approved by the commission to conduct during each twelve-month period at least forty days of live racing. If a live race day is canceled due to reasons directly attributable to acts of God, labor disruptions affecting live race days but not directly involving the licensee or its employees, or other circumstances that the commission decides are beyond the control of the class 1 racing association, then the canceled day counts toward the forty-day requirement. The commission may by rule increase the number of live racing days required to maintain class 1 racing association status or make other rules necessary to implement this section.

(8) This section does not establish a new form of gaming in Washington or allow expanded gaming within the state beyond what has been previously authorized. Simulcast wagering has been allowed in Washington before April 19, 1997. Therefore, this section does not allow gaming of any nature or scope that was prohibited before April 19, 1997. This section is necessary to protect the Washington equine breeding and racing industries, and in particular those sectors of these industries that are dependent upon live horse racing. The purpose of this section is to protect these industries from adverse economic impacts and to promote fan attendance at class 1 racing facilities. Therefore, imported simulcast race card programs shall not be disseminated to any location outside the live racing facility of the class 1 racing association and a class 1 racing association is strictly prohibited from simulcasting imported race card programs to any location outside its live racing facility."

MOTIONS

On motion of Senator Prentice, the following title amendment was adopted:

On line 3 of the title, after "facilities;" strike the remainder of the title and insert "and amending RCW 67.16.200."

On motion of Senator Prentice, the rules were suspended, Engrossed Substitute House Bill No. 1571, as amended by the Senate, was advanced to third reading, the second reading considered the third and the bill was placed on final passage.

PARLIAMENTARY INQUIRY

Senator Hochstatter: "A point of parliamentary inquiry, Mr President. Because this bill removes the provisions that say how often Class 1 Racing may be imported and simulcasting, does this bill increase gambling in the state of Washington and require a sixty percent majority vote on final passage?"

Debate ensued.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the parliamentary inquiry of Senator Hochstatter concerning the number of votes necessary to pass Engrossed Substitute House Bill No. 1571, as amended by the Senate, the President finds that the measure would remove restrictions on the number of simulcast races that may be imported by horse racing associations on live race days. Because the measure would permit increased occurrences of gambling, the President rules that a sixty percent vote is required on final passage in accordance with Article II, Section 24 of the State Constitution.

"Senator West is correct that tracks already have the prior authority under the law to adjust their live and dark day race schedules to increase the number of simulcast races they may import. However, for purposes of this inquiry, the President's analysis must start with the fact that tracks do not have prior authority to offer unlimited simulcasts on a given live race day."

The President ruled that Engrossed Substitute House Bill No. 1571, as amended by the Senate, would require a sixty percent majority vote on final passage.

Further debate ensued.

The President declared the question before the Senate to be the roll call on the final passage of Engrossed Substitute House Bill No. 1571, as amended by the Senate.

ROLL CALL

The Secretary called the roll on the final passage of Engrossed Substitute House Bill No. 1571, as amended by the Senate, and the bill having received the constitutional majority, passed the Senate by the following vote: Yeas, 36; Nays, 12; Absent, 1; Excused, 0.

Voting yea: Senators Benton, Constantine, Costa, Deccio, Eide, Finkbeiner, Franklin, Fraser, Gardner, Hale, Hewitt, Honeyford, Horn, Jacobsen, Johnson, Kastama, Kline, Kohl-Welles, McAuliffe, McCaslin, Morton, Patterson, Prentice, Rasmussen, Roach, Rossi, Sheahan, Sheldon, B., Sheldon, T., Shin, Snyder, Spanel, Swecker, West, Winsley and Zarelli - 36.

Voting nay: Senators Carlson, Fairley, Hargrove, Haugen, Hochstatter, Long, McDonald, Oke, Parlette, Regala, Stevens and Thibaudeau - 12.

Absent: Senator Brown - 1.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This chapter may be known and cited as the structured settlement protection act.

(1) "Annuity issuer" means an insurer that has issued a contract to fund periodic payments under a structured settlement.
(2) "Dependents" means a payee's spouse and minor children and all other persons for whom the payee is legally obligated to provide support, including alimony.

(3) "Discounted present value" means the present value of future payments determined by discounting such payments to the present using the most recently published applicable federal rate for determining the present value of an annuity, as issued by the United States internal revenue service.

(4) "Gross advance amount" means the sum payable to the payee or for the payee's account as consideration for a transfer of structured settlement payment rights before any reductions for transfer expenses or other deductions to be made from such consideration.

(5) "Independent professional advice" means advice of an attorney, certified public accountant, actuary, or other licensed professional adviser.

(6) "Interested parties" means, with respect to any structured settlement, the payee, any beneficiary irrevocably designated under the annuity contract to receive payments following the payee's death, the annuity issuer, the structured settlement obligor, and any other party that has continuing rights or obligations under such structured settlement.

(7) "Net advance amount" means the gross advance amount less the aggregate amount of the actual and estimated transfer expenses required to be disclosed under section 3(5) of this act.

(8) "Payee" means an individual who is receiving tax-free payments under a structured settlement and proposes to make a transfer of payment rights thereunder.

(9) "Periodic payments" means (a) recurring payments and (b) scheduled future lump sum payments.

(10) "Qualified assignment agreement" means an agreement providing for a qualified assignment within the meaning of section 130 of the United States Internal Revenue Code (26 U.S.C. Sec. 130), as amended.

(11) "Responsible administrative authority" means, with respect to a structured settlement, any government authority vested by law with exclusive jurisdiction over the settled claim resolved by such structured settlement.

NEW SECTION. Sec. 4. A direct or indirect transfer of structured settlement payment rights is not effective and a structured settlement obligor or annuity issuer is not required to make any payment directly or indirectly to any transferee of structured settlement payment rights unless the transfer has been approved in advance in a final court order or order of a responsible administrative authority based on express findings by such court or responsible administrative authority that:

- (1) The transfer is in the best interest of the payee, taking into account the welfare and support of the payee's dependents;

- (3) Neither the annuity issuer nor the structured settlement obligor may be required to divide any periodic payment between the payee and any transferee or assignee or between two, or more, transferees or assignees; and
- (4) Any further transfer of structured settlement payment rights by the payee may be made only after compliance with all of the requirements of this chapter.

NEW SECTION. Sec. 6. (1) An application under this chapter for approval of a transfer of structured settlement payment rights shall be made by the transferee and may be brought in the county in which the payee resides, in the county in which the structured settlement obligor or the annuity issuer maintains its principal place of business, or in any court or before any responsible administrative authority which approved the structured settlement agreement.

(2) Not less than twenty days prior to the scheduled hearing on any application for approval of a transfer of structured settlement payment rights under section 4 of this act, the transferee shall file with the court or responsible administrative authority and serve on all interested parties a notice of the proposed transfer and the application for its authorization, including with such notice:

- (f) Notification of the time and place of the hearing and notification of the manner in which and the time by which written responses to the application must be filed, which may not be less than fifteen days after service of the transferee's notice, in order to be considered by the court or responsible administrative authority.

NEW SECTION. Sec. 7. (1) The provisions of this chapter may not be waived by any payee.

(2) Any transfer agreement entered into on or after the effective date of this act by a payee who resides in this state shall provide that disputes under such transfer agreement, including any claim that the payee has breached the agreement, shall be determined in and under the laws of this state. Such a transfer agreement may not authorize the transferee or any other party to confess judgment or consent to entry of judgment against the payee.

(3) Transfer of structured settlement payment rights do not extend to any payments that are life contingent unless, prior to the date on which the payee signs the transfer agreement, the transferee has established and has agreed to maintain procedures reasonably satisfactory to the annuity issuer and the structured settlement obligor for (a) periodically confirming the payee's survival, and (b) giving the annuity issuer and the structured settlement obligor prompt written notice in the event of the payee's death.

(4) No payee who proposes to make a transfer of structured settlement payment rights may incur any penalty, forfeit any application fee or other payment, or otherwise incur any liability to the proposed transferee or any assignee based on any failure of such a transfer to satisfy the conditions of this chapter.

(5) This chapter does not authorize any transfer of structured settlement payment rights in contravention of any law, nor does it imply that any transfer under a transfer agreement entered into prior to the effective date of this act is valid or invalid.

(6) Compliance with the requirements set forth in section 3 of this act and fulfillment of the conditions set forth in section 4 of this act is the sole responsibility of the transferee in any transfer of structured settlement payment rights, and neither the

structured settlement obligor nor the annuity issuer bear any responsibility for, or any liability arising from, noncompliance with the requirements or failure to fulfill the conditions.

(4) The commissioner may not disapprove or otherwise impede the implementation of the filed rates.

(5) By the last day of May each year any insurer (~~(providing)~~) issuing or renewing individual health benefit plans in this state during the preceding calendar year shall file for review by the commissioner supporting documentation of its actual loss ratio for its individual health benefit plans offered or renewed in the state in aggregate for the preceding calendar year. (b) If the commissioner contests the calculation of the actual loss ratio, the commissioner shall state in writing the grounds for contesting the calculation to the insurer.

(c) Any dispute regarding the calculation of the actual loss ratio shall, upon written demand of either the commissioner or the insurer, be submitted to hearing under chapters 48.04 and 34.05 RCW.

(6) If the actual loss ratio for the preceding calendar year is less than the loss ratio established in subsection (7) of this section, a remittance is due and the following shall apply:

(a) The insurer shall calculate a percentage of premium to be remitted to the Washington state health insurance pool by subtracting the actual loss ratio for the preceding year from the loss ratio established in subsection (7) of this section.

(b) The remittance to the Washington state health insurance pool is the percentage calculated in (a) of (~~(the [this])~~) this subsection, multiplied by the premium earned from each enrollee in the previous calendar year. Interest shall be added to the remittance due at a five percent annual rate calculated from the end of the calendar year for which the remittance is due to the date the remittance is made.

(c) All remittances shall be aggregated and such amounts shall be remitted to the Washington state high risk pool to be used as directed by the pool board of directors.

(d) Any remittance required to be issued under this section shall be issued within thirty days after the actual loss ratio is deemed approved under subsection (5)(a) of this section or the determination by an administrative law judge under subsection (5)(c) of this section.

(7) The loss ratio applicable to this section shall be seventy-four percent minus the premium tax rate applicable to the insurer's individual health benefit plans under RCW 48.14.0201.

(1) The following persons who are residents of this state are eligible for pool coverage:

(a) Any person who provides evidence of a carrier's decision not to accept him or her for enrollment in an individual health benefit plan as defined in RCW 48.43.005 based upon, and within ninety days of the receipt of, the results of the standard health questionnaire designated by the board and administered by health carriers under RCW 48.43.018;

(b) Any person who continues to be eligible for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator pursuant to subsection (3) of this section;

(c) Any person who resides in a county of the state where no carrier or insurer (~~regulated~~) eligible under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool, and who makes direct application to the pool; and

(d) Any medicare eligible person upon providing evidence of rejection for medical reasons, a requirement of restrictive riders, an up-rated premium, or a preexisting conditions limitation on a medicare supplemental insurance policy under chapter 48.66 RCW, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk by at least one member within six months of the date of application.

(2) The following persons are not eligible for coverage by the pool:

(a) Any person having terminated coverage in the pool unless (i) twelve months have lapsed since termination, or (ii) that person can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(d) Any person who resides in a county of the state where any carrier or insurer regulated under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool and who does not qualify for pool coverage based upon the results of the standard health questionnaire, or pursuant to subsection (1)(d) of this section.

(3) When a carrier or insurer regulated under chapter 48.15 RCW begins to offer an individual health benefit plan in a county where no carrier had been offering an individual health benefit plan:

(a) If the health benefit plan offered is other than a catastrophic health plan as defined in RCW 48.43.005, any person enrolled in a pool plan pursuant to subsection (1)(c) of this section in that county shall no longer be eligible for coverage under that plan pursuant to subsection (1)(c) of this section, but may continue to be eligible for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator. The pool administrator shall offer to administer the questionnaire to each person no longer eligible for coverage under subsection (1)(c) of this section within thirty days of determining that he or she is no longer eligible;

(b) Losing eligibility for pool coverage under this subsection (3) does not affect a person's eligibility for pool coverage under subsection (1)(a), (b), or (d) of this section; and

(c) The pool administrator shall provide written notice to any person who is no longer eligible for coverage under a pool plan under this subsection (3) within thirty days of the administrator's determination that the person is no longer eligible. Sec. 4. RCW 48.41.110 and 2000 c 80 s 2 are each amended to read as follows:

(1) The pool shall offer one or more care management plans of coverage. Such plans may, but are not required to, include point of service features that permit participants to receive in-network benefits or out-of-network benefits subject to differential cost shares. Covered persons enrolled in the pool on January 1, 2001, may continue coverage under the pool plan in which they are enrolled on that date. However, the pool may incorporate managed care features into such existing plans.

(2) The administrator shall prepare a brochure outlining the benefits and exclusions of the pool policy in plain language. After approval by the board, such brochure shall be made reasonably available to participants or potential participants.

(3) The health insurance policy issued by the pool shall pay only reasonable amounts for medically necessary eligible health care services rendered or furnished for the diagnosis or treatment of illnesses, injuries, and conditions which are not otherwise limited or excluded. Eligible expenses are the reasonable amounts for the health care services and items for which benefits are extended under the pool policy. Such benefits shall at minimum include, but not be limited to, the following services or related items:

(a) Hospital services, including charges for the most common semiprivate room, for the most common private room if semiprivate rooms do not exist in the health care facility, or for the private room if medically necessary, but limited to a total of one hundred eighty inpatient days in a calendar year, and limited to thirty days inpatient care for mental and nervous conditions, or alcohol, drug, or chemical dependency or abuse per calendar year;

(b) Professional services including surgery for the treatment of injuries, illnesses, or conditions, other than dental, which are rendered by a health care provider, or at the direction of a health care provider, by a staff of registered or licensed practical nurses, or other health care providers;

(c) The first twenty outpatient professional visits for the diagnosis or treatment of one or more mental or nervous conditions or alcohol, drug, or chemical dependency or abuse rendered during a calendar year by one or more physicians, psychologists, or community mental health professionals, or, at the direction of a physician, by other qualified licensed health care practitioners, in the case of mental or nervous conditions, and rendered by a state certified chemical dependency program approved under chapter 70.96A RCW, in the case of alcohol, drug, or chemical dependency or abuse;

(d) Drugs and contraceptive devices requiring a prescription;

(e) Services of a skilled nursing facility, excluding custodial and convalescent care, for not more than one hundred days in a calendar year as prescribed by a physician;

(q) Professional ambulance service to the nearest health care facility qualified to treat the illness or injury; and

(r) Other medical equipment, services, or supplies required by physician's orders and medically necessary and consistent with the diagnosis, treatment, and condition.

(4) The board shall design and employ cost containment measures and requirements such as, but not limited to, care coordination, provider network limitations, preadmission certification, and concurrent inpatient review which may make the pool more cost-effective.

(5) The pool benefit policy may contain benefit limitations, exceptions, and cost shares such as copayments, coinsurance, and deductibles that are consistent with managed care products, except that differential cost shares may be adopted by the board for nonnetwork providers under point of service plans. The pool benefit policy cost shares and limitations must be consistent with those that are generally included in health plans approved by the insurance commissioner; however, no limitation, exception, or reduction may be used that would exclude coverage for any disease, illness, or injury.

(6) The pool may not reject an individual for health plan coverage based upon preexisting conditions of the individual or deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that it shall impose a six-month benefit waiting period for preexisting conditions for which medical advice was given, for which a health care provider recommended or provided treatment, or for which a prudent layperson would have sought advice or treatment, within six months before the effective date of coverage. The preexisting condition waiting period shall not apply to prenatal care services. The pool may not avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. Credit against the waiting period shall be as provided in subsection (7) of this section.

(7)(a) Except as provided in (b) of this subsection, the pool shall credit any preexisting condition waiting period in its plans for a person who was enrolled at any time during the sixty-three day period immediately preceding the date of application for the new pool plan ~~((in a group health benefit plan or an individual health benefit plan other than a catastrophic health plan. The pool must credit the period of coverage the person was continuously covered under the immediately preceding health plan)). For the person previously enrolled in a group health benefit plan, the pool must credit the aggregate of all periods of preceding coverage not separated by more than sixty-three days toward the waiting period of the new health plan. For the person previously enrolled in an individual health benefit plan other than a catastrophic health plan, the pool must credit the period of coverage the person was continuously covered under the immediately preceding health plan toward the waiting period of the new health plan.~~ For the purposes of this subsection, a preceding health plan includes an employer-provided self-funded health plan.

(b) The pool shall waive any preexisting condition waiting period for a person who is an eligible individual as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. 300gg-41(b)).

(8) If an application is made for the pool policy as a result of rejection by a carrier, then the date of application to the carrier, rather than to the pool, should govern for purposes of determining preexisting condition credit.

If the person was continuously covered for at least nine months under the immediately preceding health plan, the carrier may not impose a waiting period for coverage of preexisting conditions. Sec. 300gg).~~

~~(2) For a health benefit plan offered to a group other than a small group:~~

~~(a) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for at least three months, then the carrier shall not impose a waiting period for coverage of preexisting conditions under the new health plan.~~

~~(b) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for less than three months, then the carrier shall credit the time covered under the immediately preceding health plan toward any preexisting condition waiting period under the new health plan.~~

~~(c) For the purposes of this subsection, a preceding health plan includes an employer-provided self-funded health plan and plans of the Washington state health insurance pool.~~

~~(3) For a health benefit plan offered to a small group:~~

~~(a) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for at least nine months, then the carrier shall not impose a waiting period for coverage of preexisting conditions under the new health plan.~~

~~(b) If the individual applicant's immediately preceding health plan coverage terminated during the period beginning ninety days and ending sixty-four days before the date of application for the new plan and such coverage was similar and continuous for less than nine months, then the carrier shall credit the time covered under the immediately preceding health plan toward any preexisting condition waiting period under the new health plan.~~

~~(c) For the purpose of this subsection, a preceding health plan includes an employer-provided self-funded health plan and plans of the Washington state health insurance pool.~~

(4) For a health benefit plan offered to an individual, other than an individual to whom subsection ~~((4))~~ (5) of this section applies, every health carrier shall credit any preexisting condition waiting period in that plan for a person who was enrolled at any time during the sixty-three day period immediately preceding the date of application for the new health plan in a group health benefit plan or an individual health benefit plan, other than a catastrophic health plan, and (a) the benefits under the previous plan provide equivalent or greater overall benefit coverage than that provided in the health benefit plan the individual seeks to purchase; or (b) the person is seeking an individual health benefit plan due to his or her change of residence from one geographic area in Washington state to another geographic area in Washington state where his or her current health plan is not offered, if application

for coverage is made within ninety days of relocation; or (c) the person is seeking an individual health benefit plan: (i) Because a health care provider with whom he or she has an established care relationship and from whom he or she has received treatment within the past twelve months is no longer part of the carrier's provider network under his or her existing Washington individual health benefit plan; and (ii) his or her health care provider is part of another carrier's provider network; and (iii) application for a health benefit plan under that carrier's provider network individual coverage is made within ninety days of his or her provider leaving the previous carrier's provider network. The carrier must credit the period of coverage the person was continuously covered under the immediately preceding health plan toward the waiting period of the new health plan. For the purposes of this subsection ~~((3))~~ (4), a preceding health plan includes an employer-provided self-funded health plan and plans of the Washington state health insurance pool.

~~((4))~~ (5) Every health carrier shall waive any preexisting condition waiting period in its individual plans for a person who is an eligible individual as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b)).

~~((5))~~ (6) Subject to the provisions of subsections (1) through ~~((4))~~ (5) of this section, nothing contained in this section requires a health carrier to amend a health plan to provide new benefits in its existing health plans. In addition, nothing in this section requires a carrier to waive benefit limitations not related to an individual or group's preexisting conditions or health history.

Sec. 8. RCW 48.43.018 and 2000 c 80 s 4 are each amended to read as follows:

(1) Except as provided in (a) through (c) of this subsection, a health carrier may require any person applying for an individual health benefit plan to complete the standard health questionnaire designated under chapter 48.41 RCW.

(a) If a person is seeking an individual health benefit plan due to his or her change of residence from one geographic area in Washington state to another geographic area in Washington state where his or her current health plan is not offered, completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of relocation.

(b) If a person is seeking an individual health benefit plan:

(i) Because a health care provider with whom he or she has an established care relationship and from whom he or she has received treatment within the past twelve months is no longer part of the carrier's provider network under his or her existing Washington individual health benefit plan; and

(ii) His or her health care provider is part of another carrier's provider network; and

(iii) Application for a health benefit plan under that carrier's provider network individual coverage is made within ninety days of his or her provider leaving the previous carrier's provider network; then completion of the standard health questionnaire shall not be a condition of coverage.

(c) If a person is seeking an individual health benefit plan due to his or her having exhausted continuation coverage provided under 29 U.S.C. Sec. 1161 et seq., completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of exhaustion of continuation coverage. A health carrier shall accept an application without a standard health questionnaire from a person currently covered by such continuation coverage if application is made within ninety days prior to the date the continuation coverage would be exhausted and the effective date of the individual coverage applied for is the date the continuation coverage would be exhausted, or within ninety days thereafter.

(2) If, based upon the results of the standard health questionnaire, the person qualifies for coverage under the Washington state health insurance pool, the following shall apply:

(a) The carrier may decide not to accept the person's application for enrollment in its individual health benefit plan; and

(b) Within fifteen business days of receipt of a completed application, the carrier shall provide written notice of the decision not to accept the person's application for enrollment to both the person and the administrator of the Washington state health insurance pool. The notice to the person shall state that the person is eligible for health insurance provided by the Washington state health insurance pool, and shall include information about the Washington state health insurance pool and an application for such coverage. If the carrier does not provide or postmark such notice within fifteen business days, the application is deemed approved.

(3) If the person applying for an individual health benefit plan: (a) Does not qualify for coverage under the Washington state health insurance pool based upon the results of the standard health questionnaire; (b) does qualify for coverage under the Washington state health insurance pool based upon the results of the standard health questionnaire and the carrier elects to accept the person for enrollment; or (c) is not required to complete the standard health questionnaire designated under this chapter under subsection (1)(a) or (b) of this section, the carrier shall accept the person for enrollment if he or she resides within the carrier's service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of RCW 49.60.174(2). The commissioner may grant a temporary exemption from this subsection if, upon application by a health carrier, the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a health carrier is required to continue enrollment of additional eligible individuals.

Sec. 9. RCW 48.43.025 and 2000 c 79 s 23 are each amended to read as follows:

(1) For group health benefit plans for groups other than small groups, no carrier may reject an individual for health plan coverage based upon preexisting conditions of the individual and no carrier may deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that a carrier may impose a three-month benefit waiting period for preexisting conditions for which medical advice was given, or for which a health care provider recommended or provided treatment ~~((, or for which a prudent layperson would have sought advice or treatment,))~~ within three months before the effective date of coverage. Any preexisting condition waiting period or limitation relating to pregnancy as a preexisting condition shall be imposed only to the extent allowed in the federal health insurance portability and accountability act of 1996.

(2) For group health benefit plans for small groups, no carrier may reject an individual for health plan coverage based upon preexisting conditions of the individual and no carrier may deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions. Except that a carrier may impose a nine-month benefit waiting period for preexisting conditions for which medical advice was given, or for which a health care provider recommended or provided treatment ~~((, or for which a prudent layperson would have sought advice or treatment,))~~ within six months before the effective date of coverage. Any preexisting condition waiting period or limitation relating to pregnancy as a preexisting condition shall be imposed only to the extent allowed in the federal health insurance portability and accountability act of 1996.

(3) No carrier may avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. A new or changed rate classification will be deemed an attempt to avoid the provisions of this section if the new or changed classification would substantially discourage applications for coverage from individuals or groups who are higher than average health risks. These provisions apply only to individuals who are Washington residents.

NEW SECTION. Sec. 10. A new section is added to chapter 48.43 RCW to read as follows:

To the extent required of the federal health insurance portability and accountability act of 1996, the eligibility of an employer or group to purchase a health benefit plan set forth in RCW 48.21.045(1)(b), 48.44.023(1)(b), and 48.46.066(1)(b) must be extended to all small employers and small groups as defined in RCW 48.43.005.

(c) The percentage of premium attributable in aggregate for nonclaims expenses used to determine the adjusted community rates charged; and

(4) The commissioner may not disapprove or otherwise impede the implementation of the filed rates.

(5) By the last day of May each year any health care service contractor (~~(providing)~~) issuing or renewing individual health benefit plans in this state during the preceding calendar year shall file for review by the commissioner supporting documentation of its actual loss ratio for its individual health benefit plans offered or renewed in this state in aggregate for the preceding calendar year. (b) If the commissioner contests the calculation of the actual loss ratio, the commissioner shall state in writing the grounds for contesting the calculation to the health care service contractor.

(c) Any dispute regarding the calculation of the actual loss ratio shall upon written demand of either the commissioner or the health care service contractor be submitted to hearing under chapters 48.04 and 34.05 RCW.

(6) If the actual loss ratio for the preceding calendar year is less than the loss ratio standard established in subsection (7) of this section, a remittance is due and the following shall apply:

(a) The health care service contractor shall calculate a percentage of premium to be remitted to the Washington state health insurance pool by subtracting the actual loss ratio for the preceding year from the loss ratio established in subsection (7) of this section.

(b) The remittance to the Washington state health insurance pool is the percentage calculated in (a) of this subsection, multiplied by the premium earned from each enrollee in the previous calendar year. Interest shall be added to the remittance due at a five percent annual rate calculated from the end of the calendar year for which the remittance is due to the date the remittance is made.

(c) All remittances shall be aggregated and such amounts shall be remitted to the Washington state high risk pool to be used as directed by the pool board of directors.

(d) Any remittance required to be issued under this section shall be issued within thirty days after the actual loss ratio is deemed approved under subsection (5)(a) of this section or the determination by an administrative law judge under subsection (5)(c) of this section.

(7) The loss ratio applicable to this section shall be seventy-four percent minus the premium tax rate applicable to the health care service contractor's individual health benefit plans under RCW 48.14.0201.

Sec. 12. RCW 48.46.062 and 2000 c 79 s 32 are each amended to read as follows:

The filing shall include aggregate earned premiums, aggregate incurred claims, and a certification by a member of the American academy of actuaries, or other person approved by the commissioner, that the actual loss ratio has been calculated in accordance with accepted actuarial principles.

(a) At the expiration of a thirty-day period beginning with the date the filing is (~~delivered to~~) received by the commissioner, the filing shall be deemed approved unless prior thereto the commissioner contests the calculation of the actual loss ratio.

(7) The loss ratio applicable to this section shall be seventy-four percent minus the premium tax rate applicable to the health maintenance organization's individual health benefit plans under RCW 48.14.0201.

Sec. 13. RCW 70.47.060 and 2000 c 79 s 34 are each amended to read as follows:

The administrator has the following powers and duties:

(1) To design and from time to time revise a schedule of covered basic health care services, including physician services, inpatient and outpatient hospital services, prescription drugs and medications, and other services that may be necessary for basic health care. In addition, the administrator may, to the extent that funds are available, offer as basic health plan services chemical dependency services, mental health services and organ transplant services; however, no one service or any combination of these three services shall increase the actuarial value of the basic health plan benefits by more than five percent excluding inflation, as determined by the office of financial management. All subsidized and nonsubsidized enrollees in any participating managed health care system under the Washington basic health plan shall be entitled to receive covered basic health care services in return for premium payments to the plan. The schedule of services shall emphasize proven preventive and primary health care and shall include all services necessary for prenatal, postnatal, and well-child care. However, with respect to coverage for subsidized enrollees who are eligible to receive prenatal and postnatal services through the medical assistance program under chapter 74.09 RCW, the administrator shall not contract for such services except to the extent that such services are necessary over not more than a one-month period in order to maintain continuity of care after diagnosis of pregnancy by the managed care provider. The schedule of services shall also include a separate schedule of basic health care services for children, eighteen years of age and younger, for those subsidized or nonsubsidized enrollees who choose to secure basic coverage through the plan only for their

dependent children. In designing and revising the schedule of services, the administrator shall consider the guidelines for assessing health services under the mandated benefits act of 1984, RCW 48.47.030, and such other factors as the administrator deems appropriate.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (9) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (10) of this section.

(b) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201.

(c) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator.

(d) To develop, as an offering by every health carrier providing coverage identical to the basic health plan, as configured on January 1, 2001, a basic health plan model plan with uniformity in enrollee cost-sharing requirements.

(3) To design and implement a structure of enrollee cost-sharing due a managed health care system from subsidized and nonsubsidized enrollees. The structure shall discourage inappropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(4) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists.

(5) To limit the payment of subsidies from managed health care systems, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(6) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(7) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan for either subsidized enrollees, or nonsubsidized enrollees, or both. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, continue to receive services from their existing providers within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(8) To receive periodic premiums from or on behalf of subsidized and nonsubsidized enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(9) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized or nonsubsidized enrollees, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. Funds received by a family as part of participation in the adoption support program authorized under RCW 26.33.320 and 74.13.100 through 74.13.145 shall not be counted toward a family's current gross family income for the purposes of this chapter. When an enrollee fails to report income or income changes accurately, the administrator shall have the authority either to bill the enrollee for the amounts overpaid by the state or to impose civil penalties of up to two hundred percent of the amount of subsidy overpaid due to the enrollee incorrectly reporting income. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(10) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to obtain the basic health care coverage and services from a managed care system participating in the plan. The administrator shall adjust the amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees changes.

(11) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be

the same or actuarially equivalent for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(12) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure enrollee access to good quality basic health care, to require periodic data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees, the administrator shall endeavor to minimize costs, both to the managed health care systems and to the plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(13) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(14) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(15) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

(16) In consultation with appropriate state and local government agencies, to establish criteria defining eligibility for persons confined or residing in government-operated institutions.

(17) To administer the premium discounts provided under RCW 48.41.200(3)(a) (i) and (ii) pursuant to a contract with the Washington state health insurance pool.

The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

- (1) "Academic year" means the regular nine-month, three-quarter, or two-semester period annually occurring between July 1st and June 30th.
 - (2) "Account" means the Washington advanced college tuition payment program account established for the deposit of all money received by the board from eligible purchasers and interest earnings on investments of funds in the account, as well as for all expenditures on behalf of eligible beneficiaries for the redemption of tuition units.
 - (3) "Board" means the higher education coordinating board as defined in chapter 28B.80 RCW.

 - (5) "Governing body" means the committee empowered by the legislature to administer the Washington advanced college tuition payment program.
 - (6) "Contractual obligation" means a legally binding contract of the state with the purchaser and the beneficiary establishing that purchases of tuition units will be worth the same number of tuition units at the time of redemption as they were worth at the time of the purchase.
 - (7) "Eligible beneficiary" means the person for whom the tuition unit will be redeemed for attendance at an institution of higher education. The beneficiary is that person named by the purchaser at the time that a tuition unit contract is accepted by the governing body. With the exception of tuition unit contracts purchased by qualified organizations as future scholarships, the beneficiary must reside in the state of Washington or otherwise be a resident of the state of Washington at the time the tuition unit contract is accepted by the governing body.

The analysis for price setting shall also include, but not be limited to consideration of past and projected patterns of tuition increases, program liability, past and projected investment returns, and the need for a prudent stabilization reserve.
 - (16) "Weighted average tuition" shall be calculated as the sum of the undergraduate tuition and services and activities fees for each four-year state institution of higher education, multiplied by the respective full-time equivalent student enrollment at each institution divided by the sum total of undergraduate full-time equivalent student enrollments of all four-year state institutions of higher education, rounded to the nearest whole dollar.

If created, the account shall be a discrete nontreasury account in the custody of the state treasurer. Interest earnings shall be retained in accordance with RCW 43.79A.040. The value of the refund will not exceed the actual dollar value of the purchaser's contributions; and

(f) The governing body may determine other circumstances qualifying for refunds of remaining unused tuition units and may determine the value of that refund.

(1) In preparing the assessment rolls as of January 1, 1982, for taxes payable in 1983 and each January 1st thereafter, the assessor shall list each parcel of forest land at a value with respect to the grade and class provided in this subsection and adjusted as provided in subsection (2) of this section and shall compute the assessed value of the land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. Values for the several grades of bare forest land shall be as follows.

LAND GRADE	OPERABILITY CLASS	VALUES PER ACRE
1	2 136	1 \$141 3 131 4 95
2	2 114	1 118 3 110 4 80
3	2 90	1 93 3 87 4 66
4	2 68	1 70 3 66 4 52
5	2 48	1 51 3 46 4 31
6	2 25	1 26 3 25 4 23
7	2 12	1 12 3 11 4 11
8	1	

(2) On or before December 31, 1981, the department shall adjust, by rule under chapter 34.05 RCW, the forest land values contained in subsection (1) of this section in accordance with this subsection, and shall certify these adjusted values to the county assessor for his or her use in preparing the assessment rolls as of January 1, 1982. For the adjustment to be made on or before December 31, 1981, for use in the 1982 assessment year, the department shall:

(a) Divide the aggregate value of all timber harvested within the state between July 1, 1976, and June 30, 1981, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and

(b) Divide the aggregate value of all timber harvested within the state between July 1, 1975, and June 30, 1980, by the aggregate harvest volume for the same period, as determined from the harvester excise tax returns filed with the department under RCW 82.04.291 and 84.33.071; and

(c) Adjust the forest land values contained in subsection (1) of this section by a percentage equal to one-half of the percentage change in the average values of harvested timber reflected by comparing the resultant values calculated under (a) and (b) of this subsection.

For the adjustments to be made on or before December 31, 1982, and each succeeding year thereafter, the same procedure shall be followed as described in this subsection utilizing harvester excise tax returns filed under RCW 82.04.291 and this chapter except that this adjustment shall be made to the prior year's adjusted value, and the five-year periods for calculating average harvested timber values shall be successively one year more recent.

(3) In preparing the assessment roll for 1972 and each year thereafter, the assessor shall enter as the true and fair value of each parcel of forest land the appropriate grade value certified to him or her by the department of revenue, and he or she shall compute the assessed value of such land by using the same assessment ratio he or she applies generally in computing the assessed value of other property in his or her county. In preparing the assessment roll for 1975 and each year thereafter, the assessor shall assess and value as classified forest land all forest land that is not then designated pursuant to RCW 84.33.120(4) or 84.33.130 and shall make a notation of such classification upon the assessment and tax rolls. On or before January 15 of the first year in which such notation is made, the assessor shall mail notice by certified mail to the owner that such land has been classified as forest land and is subject to the compensating tax imposed by this section. If the owner desires not to have such land assessed and valued as classified forest land, he or she shall give the assessor written notice thereof on or before March 31 of such year and the assessor shall remove from the assessment and tax rolls the classification notation entered pursuant to this subsection, and shall thereafter assess and value such land in the manner provided by law other than this chapter 84.33 RCW.

(4) In any year commencing with 1972, an owner of land which is assessed and valued by the assessor other than pursuant to the procedures set forth in RCW 84.33.110 and this section, and which has, in the immediately preceding year, been assessed and valued by the assessor as forest land, may appeal to the county board of equalization by filing an application with the board in the manner prescribed in subsection (2) of RCW 84.33.130. The county board shall afford the applicant an opportunity to be heard if the application so requests and shall act upon the application in the manner prescribed in subsection (3) of RCW 84.33.130.

(5) Land that has been assessed and valued as classified forest land as of any year commencing with 1975 assessment year or earlier shall continue to be so assessed and valued until removal of classification by the assessor only upon the occurrence of one of the following events:

(a) Receipt of notice from the owner to remove such land from classification as forest land;

(b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(c) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that, because of actions taken by the owner, such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from classification if a governmental agency, organization, or other recipient identified in subsection (9) or (10) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in classified forest land by means of a transaction that qualifies for an exemption under subsection (9) or (10) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the classified land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(d) Determination that a higher and better use exists for such land than growing and harvesting timber after giving the owner written notice and an opportunity to be heard;

(e) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (7) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of classified forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (7) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals.

The assessor shall remove classification pursuant to (c) or (d) of this subsection prior to September 30 of the year prior to the assessment year for which termination of classification is to be effective. Removal of classification as forest land upon occurrence of (a), (b), (d), or (e) of this subsection shall apply only to the land affected, and upon occurrence of (c) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber: PROVIDED, That any remaining classified forest land meets necessary definitions of forest land pursuant to RCW 84.33.100.

(6) Within thirty days after such removal of classification as forest land, the assessor shall notify the owner in writing setting forth the reasons for such removal. The owner of such land shall thereupon have the right to apply for designation of such land as forest land pursuant to subsection (4) of this section or RCW 84.33.130. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(7) Unless the owner successfully applies for designation of such land or unless the removal is reversed on appeal, notation of removal from classification shall immediately be made upon the assessment and tax rolls, and commencing on January 1 of the year following the year in which the assessor made such notation, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (5)(e), (9), or (10) of this section and unless the assessor shall not have mailed notice of classification pursuant to subsection (3) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to the difference, if any, between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by a number, in no event greater than ten, equal to the number of years, commencing with assessment year 1975, for which such land was assessed and valued as forest land.

(8) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from classification as forest land and shall have priority to and shall be fully paid and satisfied before any

recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(9) The compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:

- (a) Transfer to a government entity in exchange for other forest land located within the state of Washington;
- (b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;
- (c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (7) of this section shall be imposed upon the current owner;
- (d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;
- (e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of such land;
- (f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; ((or))
- (g) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040; or

(h) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993 and the sale or transfer takes place within two years after the effective date of this section and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purpose of this subsection.

(10) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (7) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (5) of this section resulted solely from:

- (a) An action described in subsection (9) of this section; or
- (b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner.

(11) With respect to any land that has been designated prior to May 6, 1974, pursuant to RCW 84.33.120(4) or 84.33.130, the assessor may, prior to January 1, 1975, on his or her own motion or pursuant to petition by the owner, change, without imposition of the compensating tax provided under RCW 84.33.140, the status of such designated land to classified forest land.

Sec. 2. RCW 84.33.140 and 1999 sp.s. c 4 s 703 are each amended to read as follows:

(1) When land has been designated as forest land pursuant to RCW 84.33.120(4) or 84.33.130, a notation of such designation shall be made each year upon the assessment and tax rolls, a copy of the notice of approval together with the legal description or assessor's tax lot numbers for such land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and such land shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120 until removal of such designation by the assessor upon occurrence of any of the following:

- (a) Receipt of notice from the owner to remove such designation;
- (b) Sale or transfer to an ownership making such land exempt from ad valorem taxation;
- (c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of forest land designation continuance, except transfer to an owner who is an heir or devisee of a deceased owner, shall not, by itself, result in removal of classification. The signed notice of continuance shall be attached to the real estate excise tax affidavit provided for in RCW 82.45.150. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all compensating taxes calculated pursuant to subsection (3) of this section shall become due and payable by the seller or transferor at time of sale. The county auditor shall not accept an instrument of conveyance of designated forest land for filing or recording unless the new owner has signed the notice of continuance or the compensating tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (3) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that:

- (i) Such land is no longer primarily devoted to and used for growing and harvesting timber. However, land shall not be removed from designation if a governmental agency, organization, or other recipient identified in subsection (5) or (6) of this section as exempt from the payment of compensating tax has manifested its intent in writing or by other official action to acquire a property interest in designated forest land by means of a transaction that qualifies for an exemption under subsection (5) or (6) of this section. The governmental agency, organization, or recipient shall annually provide the assessor of the county in which the land is located reasonable evidence in writing of the intent to acquire the designated land as long as the intent continues or within sixty days of a request by the assessor. The assessor may not request this evidence more than once in a calendar year;

(ii) The owner has failed to comply with a final administrative or judicial order with respect to a violation of the restocking, forest management, fire protection, insect and disease control and forest debris provisions of Title 76 RCW or any applicable regulations thereunder; or

(iii) Restocking has not occurred to the extent or within the time specified in the application for designation of such land.

Removal of designation upon occurrence of any of (a) through (c) of this subsection shall apply only to the land affected, and upon occurrence of (d) of this subsection shall apply only to the actual area of land no longer primarily devoted to and used for growing and harvesting timber, without regard to other land that may have been included in the same application and approval for designation: PROVIDED, That any remaining designated forest land meets necessary definitions of forest land pursuant to RCW 84.33.100.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal a copy of the notice of removal with notation of the action, if any, upon appeal, together with the legal description or assessor's tax lot numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (1)(c), (5), or (6) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the compensating tax. As soon as possible, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to the difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the dollar rate of the last levy extended against such land, multiplied by a number, in no event greater than ten, equal to the number of years for which such land was designated as forest land.

(4) Compensating tax, together with applicable interest thereon, shall become a lien on such land which shall attach at the time such land is removed from designation as forest land and shall have priority to and shall be fully paid and satisfied before any recognition, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. Any compensating tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) A donation of fee title, development rights, or the right to harvest timber, to a government agency or organization qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections, or the sale or transfer of fee title to a governmental entity or a nonprofit nature conservancy corporation, as defined in RCW 64.04.130, exclusively for the protection and conservation of lands recommended for state natural area preserve purposes by the natural heritage council and natural heritage plan as defined in chapter 79.70 RCW: PROVIDED, That at such time as the land is not used for the purposes enumerated, the compensating tax specified in subsection (3) of this section shall be imposed upon the current owner;

(d) The sale or transfer of fee title to the parks and recreation commission for park and recreation purposes;

(e) Official action by an agency of the state of Washington or by the county or city within which the land is located that disallows the present use of such land;

(f) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; ((e~~r~~))

(g) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040; or

(h) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under this chapter, or classified under chapter 84.34 RCW continuously since 1993 and the sale or transfer takes place within two years after the effective date of this section and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purpose of this subsection.

(6) In a county with a population of more than one million inhabitants, the compensating tax specified in subsection (3) of this section shall not be imposed if the removal of classification as forest land pursuant to subsection (1) of this section resulted solely from:

(a) An action described in subsection (5) of this section; or

(b) A transfer of a property interest to a government entity, or to a nonprofit historic preservation corporation or nonprofit nature conservancy corporation, as defined in RCW 64.04.130, to protect or enhance public resources, or to preserve, maintain, improve, restore, limit the future use of, or otherwise to conserve for public use or enjoyment, the property interest being transferred. At such time as the property interest is not used for the purposes enumerated, the compensating tax shall be imposed upon the current owner.

Sec. 3. RCW 84.34.108 and 1999 sp.s. c 4 s 706 and 1999 c 233 s 22 are each reenacted and amended to read as follows:

(1) When land has once been classified under this chapter, a notation of such classification shall be made each year upon the assessment and tax rolls and such land shall be valued pursuant to RCW 84.34.060 or 84.34.065 until removal of all or a portion of such classification by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove all or a portion of such classification;

(b) Sale or transfer to an ownership, except a transfer that resulted from a default in loan payments made to or secured by a governmental agency that intends to or is required by law or regulation to resell the property for the same use as before, making all or a portion of such land exempt from ad valorem taxation;

(c) Sale or transfer of all or a portion of such land to a new owner, unless the new owner has signed a notice of classification continuance, except transfer to an owner who is an heir or devisee of a deceased owner shall not, by itself, result in removal of classification. The notice of continuance shall be on a form prepared by the department of revenue. If the notice of continuance is not signed by the new owner and attached to the real estate excise tax affidavit, all additional taxes calculated pursuant to subsection (4) of this section shall become due and payable by the seller or transferor at time of sale. The county

auditor shall not accept an instrument of conveyance of classified land for filing or recording unless the new owner has signed the notice of continuance or the additional tax has been paid, as evidenced by the real estate excise tax stamp affixed thereto by the treasurer. The seller, transferor, or new owner may appeal the new assessed valuation calculated under subsection (4) of this section to the county board of equalization. Jurisdiction is hereby conferred on the county board of equalization to hear these appeals;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that all or a portion of such land no longer meets the criteria for classification under this chapter. The criteria for classification pursuant to this chapter continue to apply after classification has been granted.

The granting authority, upon request of an assessor, shall provide reasonable assistance to the assessor in making a determination whether such land continues to meet the qualifications of RCW 84.34.020 (1) or (3). The assistance shall be provided within thirty days of receipt of the request.

(2) Land may not be removed from classification because of:

(a) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; or

(b) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040.

(3) Within thirty days after such removal of all or a portion of such land from current use classification, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The seller, transferor, or owner may appeal such removal to the county board of equalization.

(4) Unless the removal is reversed on appeal, the assessor shall revalue the affected land with reference to full market value on the date of removal from classification. Both the assessed valuation before and after the removal of classification shall be listed and taxes shall be allocated according to that part of the year to which each assessed valuation applies. Except as provided in subsection (6) of this section, an additional tax, applicable interest, and penalty shall be imposed which shall be due and payable to the county treasurer thirty days after the owner is notified of the amount of the additional tax. As soon as possible, the assessor shall compute the amount of such an additional tax, applicable interest, and penalty and the treasurer shall mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such additional tax, applicable interest, and penalty shall be determined as follows:

(a) The amount of additional tax shall be equal to the difference between the property tax paid as "open space land", "farm and agricultural land", or "timber land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified;

(b) The amount of applicable interest shall be equal to the interest upon the amounts of such additional tax paid at the same statutory rate charged on delinquent property taxes from the dates on which such additional tax could have been paid without penalty if the land had been assessed at a value without regard to this chapter;

(c) The amount of the penalty shall be as provided in RCW 84.34.080. The penalty shall not be imposed if the removal satisfies the conditions of RCW 84.34.070.

(5) Additional tax, applicable interest, and penalty, shall become a lien on such land which shall attach at the time such land is removed from classification under this chapter and shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050 now or as hereafter amended. Any additional tax unpaid on its due date shall thereupon become delinquent. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(6) The additional tax, applicable interest, and penalty specified in subsection (4) of this section shall not be imposed if the removal of classification pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other land located within the state of Washington;

(b)(i) A taking through the exercise of the power of eminent domain, or (ii) sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power, said entity having manifested its intent in writing or by other official action;

(c) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the landowner changing the use of such property;

(d) Official action by an agency of the state of Washington or by the county or city within which the land is located which disallows the present use of such land;

(e) Transfer of land to a church when such land would qualify for exemption pursuant to RCW 84.36.020;

(f) Acquisition of property interests by state agencies or agencies or organizations qualified under RCW 84.34.210 and 64.04.130 for the purposes enumerated in those sections: PROVIDED, That at such time as these property interests are not used for the purposes enumerated in RCW 84.34.210 and 64.04.130 the additional tax specified in subsection (4) of this section shall be imposed;

(g) Removal of land classified as farm and agricultural land under RCW 84.34.020(2)(d);

(h) Removal of land from classification after enactment of a statutory exemption that qualifies the land for exemption and receipt of notice from the owner to remove the land from classification;

(i) The creation, sale, or transfer of forestry riparian easements under RCW 76.13.120; ((e#))

(j) The creation, sale, or transfer of a fee interest or a conservation easement for the riparian open space program under RCW 76.09.040; or

(k) The sale or transfer of land after the death of the owner of at least a fifty percent interest in the land if the land has been assessed and valued as classified forest land, designated as forest land under chapter 84.33 RCW, or classified under this chapter continuously since 1993 and the sale or transfer takes place within two years after the effective date of this section and the death of the owner occurred after January 1, 1991. The date of death shown on a death certificate is the date used for the purpose of this subsection."

(1) Development regulations adopted pursuant to RCW 36.70A.040 shall establish time periods for local government actions on specific project permit applications and provide timely and predictable procedures to determine whether a completed project permit application meets the requirements of those development regulations. The time periods for local government actions on specific complete project permit applications or project types should not exceed one hundred twenty days, unless the local government makes written findings that a specified amount of additional time is needed for processing of specific complete project permit applications or project types.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1458, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill will stand as the title of the act.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1286, by House Committee on Natural Resources (originally sponsored by Representatives Lisk, Grant, Sump, Cox, Doumit, G. Chandler, Mulliken, Mielke, Clements, Lambert, Hankins, Pflug, Dunn, B. Chandler, Buck, Cairnes, Pennington, Boldt, Hatfield, Delvin, Armstrong, Skinner, Alexander, Kessler, Pearson, D. Schmidt, Anderson, Rockefeller and Esser)

Providing hatchery origin salmon eggs in order to replenish fish runs.

The bill was read the second time.

MOTION

Senator Jacobsen moved that the following Committee on Natural Resources, Parks and Shoreline striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 77.95.210 and 2000 c 107 s 11 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the department may supply, at a reasonable charge, surplus salmon eggs to a person for use in the cultivation of salmon. The department shall not intentionally create a surplus of salmon to provide eggs for sale. The department shall only sell salmon eggs from stocks that are not suitable for salmon population rehabilitation or enhancement in state waters in Washington after the salmon harvest on surplus salmon has been first maximized by both commercial and recreational fishers.

(2) The department shall not destroy hatchery origin salmon for the purposes of destroying viable eggs that would otherwise be useful for propagation or salmon recovery purposes, as determined by the department and Indian tribes with treaty fishing rights in a collaborative manner, for replenishing fish runs. Eggs deemed surplus by the state must be provided, in the following order of priority, to:

(a) Hatcheries of federally approved tribes in Washington to whom eggs are moved, not sold, under the interlocal cooperation act, chapter 39.34 RCW;

(b) Voluntary cooperative salmon culture programs under the supervision of the department under chapter 77.100 RCW;

(c) Regional fisheries enhancement group salmon culture programs under supervision of the department under this chapter;

(d) Governmental hatcheries in Washington, Oregon, and Idaho;

(e) Salmon culture programs requested by lead entities and approved by the salmon funding recovery board under chapter 77.85 RCW.

The order of priority established in this subsection for distributing surplus eggs does not apply when there is a shortfall in the supply of eggs.

(3) All sales, provisions, distributions, or transfers shall be consistent with the department's egg transfer and aquaculture disease control regulations as now existing or hereafter amended. Prior to department determination that eggs of a salmon stock are surplus and available for sale, the department shall assess the productivity of each watershed that is suitable for receiving eggs.

Sec. 2. RCW 77.95.270 and 1989 c 336 s 6 are each amended to read as follows:

Except as provided in RCW 77.95.210, the department may make available to private contractors salmon eggs in excess of department hatchery needs for the purpose of contract rearing to release the smolts into public waters. However, providing salmon eggs as specified in RCW 77.95.210(2) has the highest priority. The priority of providing eggs surplus after meeting the requirements of RCW 77.95.210(2) to contract rearing ((shall-be)) is a higher priority than providing eggs to aquaculture purposes ((which)) that are not destined for release into Washington public waters.

Sec. 3. RCW 77.100.050 and 1987 c 505 s 73 are each amended to read as follows:

(1) The department shall:

(a) Encourage and support the establishment of cooperative agreements for the development and operation of cooperative food fish, shellfish, game fish, game bird, game animal, and nongame wildlife projects, and projects which provide an opportunity for volunteer groups to become involved in resource and habitat-oriented activities. All cooperative projects shall be fairly considered in the approval of cooperative agreements;

(b) Identify regions and species or activities that would be particularly suitable for cooperative projects providing benefits compatible with department goals;

(c) Determine the availability of rearing space at operating facilities or of net pens, egg boxes, portable rearing containers, incubators, and any other rearing facilities for use in cooperative projects, and allocate them to volunteer groups as fairly as possible;

(d) Make viable eggs available for replenishing fish runs, and salmon carcasses for nutrient enhancement of streams. If a regional fisheries enhancement group, lead entity, volunteer cooperative group, federally approved tribe in Washington, or a governmental hatchery in Washington, Oregon, or Idaho requests the department for viable eggs, the department must include the request within the brood stock document prepared for review by the regional offices. The eggs shall be distributed in accordance with the priority established in RCW 77.95.210 if they are available. A request for viable eggs may only be denied if the eggs would not be useful for propagation or salmon recovery purposes, as determined under RCW 77.95.210.

~~((e))~~ (e) Exempt volunteer groups from payment of fees to the department for activities related to the project;

~~((e))~~ (f) Publicize the cooperative program;

~~((f))~~ (g) Not substitute a new cooperative project for any part of the department's program unless mutually agreeable to the department and volunteer group;

~~((g))~~ (h) Not approve agreements that are incompatible with legally existing land, water, or property rights.

(2) The department may, when requested, provide to volunteer groups its available professional expertise and assist the volunteer group to evaluate its project. The department must conduct annual workshops in each administrative region of the department that has fish stocks listed as threatened or endangered under the federal endangered species act, 16 U.S.C. Sec. 1531 et seq., in order to assist volunteer groups with egg rearing, share information on successful salmon recovery projects accomplished by volunteers within the state, and provide basic training on monitoring efforts that can be accomplished by volunteers in order to help determine if their efforts are successful.

Sec. 4. RCW 77.100.060 and 2000 c 107 s 112 are each amended to read as follows:

The commission shall establish by rule:

(1) The procedure for entering a cooperative agreement and the application forms for a permit to release fish or wildlife required by RCW 77.12.457. The procedure shall indicate the information required from the volunteer group as well as the process of review by the department. The process of review shall include the means to coordinate with other agencies and Indian tribes when appropriate and to coordinate the review of any necessary hydraulic permit approval applications.

(2) The procedure for providing within forty-five days of receipt of a proposal a written response to the volunteer group indicating the date by which an acceptance or rejection of the proposal can be expected, the reason why the date was selected, and a written summary of the process of review. The response should also include any suggested modifications to the proposal which would increase its likelihood of approval and the date by which such modified proposal could be expected to be accepted. If the proposal is rejected, the department must provide in writing the reasons for rejection. The volunteer group may request the director or the director's designee to review information provided in the response.

(3) The priority of the uses to which eggs, seed, juveniles, or brood stock are put. Use by cooperative projects shall be second in priority only to the needs of programs of the department or of other public agencies within the territorial boundaries of the state. Sales of eggs, seed, juveniles, or brood stock have a lower priority than use for cooperative projects. The rules must identify and implement appropriate protocols for brood stock handling, including the outplanting of adult fish, spawning, incubation, rearing, and release and establish a prioritized schedule for implementation of this act, and shall include directives for allowing more hatchery salmon to spawn naturally in areas where progeny of hatchery fish have spawned, in order to increase the number of viable salmon eggs and restore healthy numbers of fish within the state.

(4) The procedure for the director to notify a volunteer group that the agreement for the project is being revoked for cause and the procedure for revocation. Revocation shall be documented in writing to the volunteer group. Cause for revocation may include: (a) The unavailability of adequate biological or financial resources; (b) the development of unacceptable biological or resource management conflicts; or (c) a violation of agreement provisions. Notice of cause to revoke for a violation of agreement provisions may specify a reasonable period of time within which the volunteer group must comply with any violated provisions of the agreement.

(5) An appropriate method of distributing among volunteer groups fish, bird, or animal food or other supplies available for the program.

NEW SECTION. Sec. 5. A new section is added to chapter 77.04 RCW to read as follows:

(1) The department shall prepare an annual surplus salmon report. This report shall include the disposition of adult salmonids that have returned to salmonid hatchery facilities operated under the jurisdiction of the state that:

(a) Have not been harvested; and

(b) Were not allowed to escape for natural spawning.

(2) The report shall include by species, the number and estimated weight of surplus salmon and steelhead and a description of the disposition of the adult carcasses including, but not limited to, the following categories:

(a) Disposed in landfills;

(b) Transferred to another government agency for reproductive purposes;

- (c) Sold to contract buyers in the round;
- (d) Sold to contract buyers after spawning;
- (e) Transferred to Native American tribes;
- (f) Donated to food banks; and
- (g) Used in stream nutrient enrichment programs.

(3) The report shall also include by species, information on the number of requests for viable salmon eggs, the number of these requests that were granted and the number that were denied, the geographic areas for which these requests were granted or denied, and a brief explanation given for each denial of a request for viable salmon eggs.

(4) The report shall also be included in the biennial state of the salmon report required by RCW 77.85.020 and other similar state reports on salmon.

(5) The report shall include an assessment of the infrastructure needs and facility modifications necessary to implement this act.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

Every school district board of directors shall, after following established procedure, adopt a policy assuring parents access to their child's classroom and/or school sponsored activities for purposes of observing class procedure, teaching material, and class conduct(~~(= PROVIDED, That such observation shall not disrupt the classroom procedure or learning activity))~~).

POINT OF ORDER

Senator McAuliffe: "Mr. President, I rise to a point of order. I submit that the amendment proposed by Senators Hochstatter and Swecker changes the scope and object of Second Substitute Senate Bill No. 5625. The underlying bill establishes a process to hold schools and school districts accountable based upon the test scores and other indicators. It is a systems-level process. The bill does not address the role of parents. It is a systems bill. The amendment is outside the scope, because it creates a new crime regarding parental access to the classroom."

Further debate ensued.

MOTION

On motion of Senator Betti Sheldon, further consideration of Second Substitute Senate Bill No. 5625 was deferred.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 2105, by House Committee on Natural Resources (originally sponsored by Representatives Sump, Doumit, Pearson, Rockefeller and Woods)

Modifying provisions related to small forest landowners.

The bill was read the second time.

MOTION

On motion of Senator Jacobsen, the following Committee on Natural Resources, Parks and Shorelines striking amendment was not adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 76.13.110 and 2000 c 11 s 12 are each amended to read as follows:

(1) The department of natural resources shall establish and maintain a small forest landowner office. The small forest landowner office shall be a resource and focal point for small forest landowner concerns and policies, and shall have significant expertise regarding the management of small forest holdings, governmental programs applicable to such holdings, and the forestry riparian easement program.

(2) The small forest landowner office shall administer the provisions of the forestry riparian easement program created under RCW 76.13.120. With respect to that program, the office shall have the authority to contract with private consultants that the office finds qualified to perform timber cruises of forestry riparian easements or to lay out streamside buffers and comply with other forest and fish regulatory requirements related to the forest riparian easement program.

(3) The small forest landowner office shall assist in the development of small landowner options through alternate management plans or alternate harvest restrictions appropriate to small landowners. The small forest landowner office shall develop criteria to be adopted by the forest practices board in rules and a manual for alternate management plans or alternate harvest restrictions. These alternate plans or alternate harvest restrictions shall meet riparian functions while requiring less costly regulatory prescriptions. At the landowner's option, alternate plans or alternate harvest restrictions may be used to further meet riparian functions.

The small forest landowner office shall evaluate the cumulative impact of such alternate management plans or alternate harvest restrictions on essential riparian functions at the subbasin or watershed level. The small forest landowner office shall adjust future alternate management plans or alternate harvest restrictions in a manner that will minimize the negative impacts on essential riparian functions within a subbasin or watershed.

(4) An advisory committee is established to assist the small forest landowner office in developing policy and recommending rules to the forest practices board. The advisory committee shall consist of seven members, including a representative from the department of ecology, the department of fish and wildlife, and a tribal representative. Four additional committee members shall be small forest landowners who shall be appointed by the commissioner of public lands from a list of candidates submitted by the board of directors of the Washington farm forestry association or its successor organization. The association shall submit more than one candidate for each position. Appointees shall serve for a term of four years. The small forest landowner office shall review draft rules or rule concepts with the committee prior to recommending such rules to the forest practices board. The office shall reimburse nongovernmental committee members for reasonable expenses associated with attending committee meetings as provided in RCW 43.03.050 and 43.03.060.

(5) By December 1, ((2000)) 2002, the small forest landowner office shall provide a report to the board and the legislature containing:

(a) Estimates of the amounts of nonindustrial forests and woodlands in holdings of twenty acres or less, twenty-one to one hundred acres, one hundred to one thousand acres, and one thousand to five thousand acres, in western Washington and eastern Washington, and the number of persons having total nonindustrial forest and woodland holdings in those size ranges;

(b) Estimates of the number of parcels of nonindustrial forests and woodlands held in contiguous ownerships of twenty acres or less, and the percentages of those parcels containing improvements used: (i) As primary residences for half or more of most years; (ii) as vacation homes or other temporary residences for less than half of most years; and (iii) for other uses;

(c) The watershed administrative units in which significant portions of the riparian areas or total land area are nonindustrial forests and woodlands;

(d) Estimates of the number of forest practices applications and notifications filed per year for forest road construction, silvicultural activities to enhance timber growth, timber harvest not associated with conversion to nonforest land uses, with estimates of the number of acres of nonindustrial forests and woodlands on which forest practices are conducted under those applications and notifications; and

(e) Recommendations on ways the board and the legislature could provide more effective incentives to encourage continued management of nonindustrial forests and woodlands for forestry uses in ways that better protect salmon, other fish and wildlife, water quality, and other environmental values.

(6) By December 1, (~~2002~~) 2004, and every four years thereafter, the small forest landowner office shall provide to the board and the legislature an update of the report described in subsection (5) of this section, containing more recent information and describing:

(a) Trends in the items estimated under subsection (5)(a) through (d) of this section;

(b) Whether, how, and to what extent the forest practices act and rules contributed to those trends; and

(c) Whether, how, and to what extent: (i) The board and legislature implemented recommendations made in the previous report; and (ii) implementation of or failure to implement those recommendations affected those trends.

Sec. 2. RCW 76.13.120 and 2000 c 11 s 13 are each amended to read as follows:

(1) The legislature finds that the state should acquire easements along riparian and other sensitive aquatic areas from small forest landowners willing to sell or donate such easements to the state provided that the state will not be required to acquire such easements if they are subject to unacceptable liabilities. The legislature therefore establishes a forestry riparian easement program.

(2) The definitions in this subsection apply throughout this section and RCW 76.13.100 and 76.13.110 unless the context clearly requires otherwise.

(a) "Forestry riparian easement" means an easement covering qualifying timber granted voluntarily to the state by a small forest landowner.

(b) "Qualifying timber" means those trees covered by a forest practices application that the small forest landowner is required to leave unharvested under the rules adopted under RCW 76.09.055 and 76.09.370 or that is made uneconomic to harvest by those rules, and for which the small landowner is willing to grant the state a forestry riparian easement. "Qualifying timber" is timber within or bordering a commercially reasonable harvest unit as determined under rules adopted by the forest practices board, or timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules.

(c) "Small forest landowner" means a landowner meeting all of the following characteristics: (i) A forest landowner as defined in RCW 76.09.020 whose interest in the land and timber is in fee or who has rights to the timber to be included in the forestry riparian easement that extend at least fifty years from the date the forest practices application associated with the easement is submitted; (ii) an entity that has harvested from its own lands in this state during the three years prior to the year of application an average timber volume that would qualify the owner as a small timber harvester under RCW 84.33.073(1); and (iii) an entity that certifies at the time of application that it does not expect to harvest from its own lands more than the volume allowed by RCW 84.33.073(1) during the ten years following application. If a landowner's prior three-year average harvest exceeds the limit of RCW 84.33.073(1), or the landowner expects to exceed this limit during the ten years following application, and that landowner establishes to the department of natural resources' reasonable satisfaction that the harvest limits were or will be exceeded to raise funds to pay estate taxes or equally compelling and unexpected obligations such as court-ordered judgments or extraordinary medical expenses, the landowner shall be deemed to be a small forest landowner.

For purposes of determining whether a person qualifies as a small forest landowner, the small forest landowner office, created in RCW 76.13.110, shall evaluate the landowner under this definition as of the date that the forest practices application is submitted or the date the landowner notifies the department that the harvest is to begin with which the forestry riparian easement is associated. A small forest landowner can include an individual, partnership, corporate, or other nongovernmental legal entity. If a landowner grants timber rights to another entity for less than five years, the landowner may still qualify as a small forest landowner under this section. If a landowner is unable to obtain an approved forest practices application for timber harvest for any of his or her land because of restrictions under the forest practices rules, the landowner may still qualify as a small forest landowner under this section.

(d) "Completion of harvest" means that the trees have been harvested from an area and that further entry into that area by mechanized logging or slash treating equipment is not expected.

(3) The department of natural resources is authorized and directed to accept and hold in the name of the state of Washington forestry riparian easements granted by small forest landowners covering qualifying timber and to pay compensation to such landowners in accordance with subsections (6) and (7) of this section. The department of natural resources may not transfer the easements to any entity other than another state agency.

(4) Forestry riparian easements shall be effective for fifty years from the date the forest practices application associated with the qualifying timber is submitted to the department of natural resources, unless the easement is terminated earlier by the department of natural resources voluntarily, based on a determination that termination is in the best interest of the state, or under the terms of a termination clause in the easement.

(5) Forestry riparian easements shall be restrictive only, and shall preserve all lawful uses of the easement premises by the landowner that are consistent with the terms of the easement and the requirement to protect riparian functions during the term of the easement, subject to the restriction that the leave trees required by the rules to be left on the easement premises may not be cut during the term of the easement. No right of public access to or across, or any public use of the easement premises is created by

this statute or by the easement. Forestry riparian easements shall not be deemed to trigger the compensating tax of or otherwise disqualify land from being taxed under chapter 84.33 or 84.34 RCW.

(6) Upon application of a small forest landowner for a riparian easement that is associated with a forest practices application and the landowner's marking of the qualifying timber on the qualifying lands, the small forest landowner office shall determine the compensation to be offered to the small forest landowner as provided for in this section. The small forest landowner office shall also determine the compensation to be offered to a small forest landowner for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules. The legislature recognizes that there is not readily available market transaction evidence of value for easements of this nature, and thus establishes the following methodology to ascertain the value for forestry riparian easements. Values so determined shall not be considered competent evidence of value for any other purpose.

The small forest landowner office shall establish the volume of the qualifying timber. Based on that volume and using data obtained or maintained by the department of revenue under RCW 84.33.074 and 84.33.091, the small forest landowner office shall attempt to determine the fair market value of the qualifying timber as of the date the forest practices application associated with the qualifying timber was submitted. If, under the forest practices rules adopted under chapter 4, Laws of 1999 sp. sess., some qualifying timber may be removed prior to the expiration of the fifty-year term of the easement, the small forest landowner office shall apply a reduced compensation factor to ascertain the value of those trees based on the proportional economic value, considering income and growth, lost to the landowner.

(7) Except as provided in subsection (8) of this section, the small forest landowner office shall, subject to available funding, offer compensation to the small forest landowner in the amount of fifty percent of the value determined in subsection (6) of this section, plus the compliance costs as determined in accordance with section 3 of this act. If the landowner accepts the offer for qualifying timber that will be harvested pursuant to an approved forest practices application, the department of natural resources shall pay the compensation promptly upon (a) completion of harvest in the area covered by the forestry riparian easement; (b) verification that there has been compliance with the rules requiring leave trees in the easement area; and (c) execution and delivery of the easement to the department of natural resources. If the landowner accepts the offer for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules, the department of natural resources shall pay the compensation promptly upon (i) verification that there has been compliance with the rules requiring leave trees in the easement area; and (ii) execution and delivery of the easement to the department of natural resources. Upon donation or payment of compensation, the department of natural resources may record the easement.

(8) For approved forest practices applications where the regulatory impact is greater than the average percentage impact for all small landowners as determined by the department of natural resources analysis under the regulatory fairness act, chapter 19.85 RCW, the compensation offered will be increased to one hundred percent for that portion of the regulatory impact that is in excess of the average. Regulatory impact includes trees left in buffers, special management zones, and those rendered uneconomic to harvest by these rules. A separate average or high impact regulatory threshold shall be established for western and eastern Washington. Criteria for these measurements and payments shall be established by the small forest landowner office.

(9) The forest practices board shall adopt rules under the administrative procedure act, chapter 34.05 RCW, to implement the forestry riparian easement program, including the following:

(a) A standard version or versions of all documents necessary or advisable to create the forestry riparian easements as provided for in this section;

(b) Standards for descriptions of the easement premises with a degree of precision that is reasonable in relation to the values involved;

(c) Methods and standards for cruises and valuation of forestry riparian easements for purposes of establishing the compensation. The department of natural resources shall perform the timber cruises of forestry riparian easements required under this chapter and chapter 76.09 RCW. Any rules concerning the methods and standards for valuations of forestry riparian easements shall apply only to the department of natural resources, small forest landowners, and the small forest landowner office;

(d) A method to determine that a forest practices application involves a commercially reasonable harvest, and adopt criteria for entering into a forest riparian easement where a commercially reasonable harvest is not possible or a forest practices application that has been submitted cannot be approved because of restrictions under the forest practices rules;

(e) A method to address blowdown of qualified timber falling outside the easement premises;

(f) A formula for sharing of proceeds in relation to the acquisition of qualified timber covered by an easement through the exercise or threats of eminent domain by a federal or state agency with eminent domain authority, based on the present value of the department of natural resources' and the landowner's relative interests in the qualified timber;

(g) High impact regulatory thresholds;

(h) A method to determine timber that is qualifying timber because it is rendered uneconomic to harvest by the rules adopted under RCW 76.09.055 and 76.09.370; and

(i) A method for internal department of natural resources review of small forest landowner office compensation decisions under subsection (7) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 76.13 RCW to read as follows:

In order to assist small forest landowners to remain economically viable, the legislature intends that the small forest landowners be able to net fifty percent of the value of the trees left in the buffer areas. The amount of compensation offered in RCW 76.13.120 shall also include the compliance costs for participation in the riparian easement program. For purposes of this section, "compliance costs" includes the cost of preparing and recording the easement, and any business and occupation tax and real estate excise tax imposed because of entering into the easement."

MOTION

On motion of Senator Jacobsen, the following striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 76.13.110 and 2000 c 11 s 12 are each amended to read as follows:

(1) The department of natural resources shall establish and maintain a small forest landowner office. The small forest landowner office shall be a resource and focal point for small forest landowner concerns and policies, and shall have significant expertise regarding the management of small forest holdings, governmental programs applicable to such holdings, and the forestry riparian easement program.

(2) The small forest landowner office shall administer the provisions of the forestry riparian easement program created under RCW 76.13.120. With respect to that program, the office shall have the authority to contract with private consultants that the office finds qualified to perform timber cruises of forestry riparian easements or to lay out streamside buffers and comply with other forest and fish regulatory requirements related to the forest riparian easement program.

(3) The small forest landowner office shall assist in the development of small landowner options through alternate management plans or alternate harvest restrictions appropriate to small landowners. The small forest landowner office shall develop criteria to be adopted by the forest practices board in rules and a manual for alternate management plans or alternate harvest restrictions. These alternate plans or alternate harvest restrictions shall meet riparian functions while requiring less costly regulatory prescriptions. At the landowner's option, alternate plans or alternate harvest restrictions may be used to further meet riparian functions.

The small forest landowner office shall evaluate the cumulative impact of such alternate management plans or alternate harvest restrictions on essential riparian functions at the subbasin or watershed level. The small forest landowner office shall adjust future alternate management plans or alternate harvest restrictions in a manner that will minimize the negative impacts on essential riparian functions within a subbasin or watershed.

(4) An advisory committee is established to assist the small forest landowner office in developing policy and recommending rules to the forest practices board. The advisory committee shall consist of seven members, including a representative from the department of ecology, the department of fish and wildlife, and a tribal representative. Four additional committee members shall be small forest landowners who shall be appointed by the commissioner of public lands from a list of candidates submitted by the board of directors of the Washington farm forestry association or its successor organization. The association shall submit more than one candidate for each position. Appointees shall serve for a term of four years. The small forest landowner office shall review draft rules or rule concepts with the committee prior to recommending such rules to the forest practices board. The office shall reimburse nongovernmental committee members for reasonable expenses associated with attending committee meetings as provided in RCW 43.03.050 and 43.03.060.

(5) By December 1, (~~2000~~) 2002, the small forest landowner office shall provide a report to the board and the legislature containing:

(a) Estimates of the amounts of nonindustrial forests and woodlands in holdings of twenty acres or less, twenty-one to one hundred acres, one hundred to one thousand acres, and one thousand to five thousand acres, in western Washington and eastern Washington, and the number of persons having total nonindustrial forest and woodland holdings in those size ranges;

(b) Estimates of the number of parcels of nonindustrial forests and woodlands held in contiguous ownerships of twenty acres or less, and the percentages of those parcels containing improvements used: (i) As primary residences for half or more of most years; (ii) as vacation homes or other temporary residences for less than half of most years; and (iii) for other uses;

(c) The watershed administrative units in which significant portions of the riparian areas or total land area are nonindustrial forests and woodlands;

(d) Estimates of the number of forest practices applications and notifications filed per year for forest road construction, silvicultural activities to enhance timber growth, timber harvest not associated with conversion to nonforest land uses, with estimates of the number of acres of nonindustrial forests and woodlands on which forest practices are conducted under those applications and notifications; and

(e) Recommendations on ways the board and the legislature could provide more effective incentives to encourage continued management of nonindustrial forests and woodlands for forestry uses in ways that better protect salmon, other fish and wildlife, water quality, and other environmental values.

(6) By December 1, (~~2002~~) 2004, and every four years thereafter, the small forest landowner office shall provide to the board and the legislature an update of the report described in subsection (5) of this section, containing more recent information and describing:

(a) Trends in the items estimated under subsection (5)(a) through (d) of this section;

(b) Whether, how, and to what extent the forest practices act and rules contributed to those trends; and

(c) Whether, how, and to what extent: (i) The board and legislature implemented recommendations made in the previous report; and (ii) implementation of or failure to implement those recommendations affected those trends.

Sec. 2. RCW 76.13.120 and 2000 c 11 s 13 are each amended to read as follows:

(1) The legislature finds that the state should acquire easements along riparian and other sensitive aquatic areas from small forest landowners willing to sell or donate such easements to the state provided that the state will not be required to acquire such easements if they are subject to unacceptable liabilities. The legislature therefore establishes a forestry riparian easement program.

(2) The definitions in this subsection apply throughout this section and RCW 76.13.100 and 76.13.110 unless the context clearly requires otherwise.

(a) "Forestry riparian easement" means an easement covering qualifying timber granted voluntarily to the state by a small forest landowner.

(b) "Qualifying timber" means those trees covered by a forest practices application that the small forest landowner is required to leave unharvested under the rules adopted under RCW 76.09.055 and 76.09.370 or that is made uneconomic to harvest by those rules, and for which the small landowner is willing to grant the state a forestry riparian easement. "Qualifying timber" is timber within or bordering a commercially reasonable harvest unit as determined under rules adopted by the forest practices board, or timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules.

(c) "Small forest landowner" means a landowner meeting all of the following characteristics: (i) A forest landowner as defined in RCW 76.09.020 whose interest in the land and timber is in fee or who has rights to the timber to be included in the forestry riparian easement that extend at least fifty years from the date the forest practices application associated with the easement is submitted; (ii) an entity that has harvested from its own lands in this state during the three years prior to the year of application an

average timber volume that would qualify the owner as a small timber harvester under RCW 84.33.073(1); and (iii) an entity that certifies at the time of application that it does not expect to harvest from its own lands more than the volume allowed by RCW 84.33.073(1) during the ten years following application. If a landowner's prior three-year average harvest exceeds the limit of RCW 84.33.073(1), or the landowner expects to exceed this limit during the ten years following application, and that landowner establishes to the department of natural resources' reasonable satisfaction that the harvest limits were or will be exceeded to raise funds to pay estate taxes or equally compelling and unexpected obligations such as court-ordered judgments or extraordinary medical expenses, the landowner shall be deemed to be a small forest landowner.

For purposes of determining whether a person qualifies as a small forest landowner, the small forest landowner office, created in RCW 76.13.110, shall evaluate the landowner under this definition as of the date that the forest practices application is submitted or the date the landowner notifies the department that the harvest is to begin with which the forestry riparian easement is associated. A small forest landowner can include an individual, partnership, corporate, or other nongovernmental legal entity. If a landowner grants timber rights to another entity for less than five years, the landowner may still qualify as a small forest landowner under this section. If a landowner is unable to obtain an approved forest practices application for timber harvest for any of his or her land because of restrictions under the forest practices rules, the landowner may still qualify as a small forest landowner under this section.

(d) "Completion of harvest" means that the trees have been harvested from an area and that further entry into that area by mechanized logging or slash treating equipment is not expected.

(3) The department of natural resources is authorized and directed to accept and hold in the name of the state of Washington forestry riparian easements granted by small forest landowners covering qualifying timber and to pay compensation to such landowners in accordance with subsections (6) and (7) of this section. The department of natural resources may not transfer the easements to any entity other than another state agency.

(4) Forestry riparian easements shall be effective for fifty years from the date the forest practices application associated with the qualifying timber is submitted to the department of natural resources, unless the easement is terminated earlier by the department of natural resources voluntarily, based on a determination that termination is in the best interest of the state, or under the terms of a termination clause in the easement.

(5) Forestry riparian easements shall be restrictive only, and shall preserve all lawful uses of the easement premises by the landowner that are consistent with the terms of the easement and the requirement to protect riparian functions during the term of the easement, subject to the restriction that the leave trees required by the rules to be left on the easement premises may not be cut during the term of the easement. No right of public access to or across, or any public use of the easement premises is created by this statute or by the easement. Forestry riparian easements shall not be deemed to trigger the compensating tax of or otherwise disqualify land from being taxed under chapter 84.33 or 84.34 RCW.

(6) Upon application of a small forest landowner for a riparian easement that is associated with a forest practices application and the landowner's marking of the qualifying timber on the qualifying lands, the small forest landowner office shall determine the compensation to be offered to the small forest landowner as provided for in this section. The small forest landowner office shall also determine the compensation to be offered to a small forest landowner for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules. The legislature recognizes that there is not readily available market transaction evidence of value for easements of this nature, and thus establishes the following methodology to ascertain the value for forestry riparian easements. Values so determined shall not be considered competent evidence of value for any other purpose.

The small forest landowner office shall establish the volume of the qualifying timber. Based on that volume and using data obtained or maintained by the department of revenue under RCW 84.33.074 and 84.33.091, the small forest landowner office shall attempt to determine the fair market value of the qualifying timber as of the date the forest practices application associated with the qualifying timber was submitted or the date the landowner notifies the department that the harvest is to begin. If, under the forest practices rules adopted under chapter 4, Laws of 1999 sp. sess., some qualifying timber may be removed prior to the expiration of the fifty-year term of the easement, the small forest landowner office shall apply a reduced compensation factor to ascertain the value of those trees based on the proportional economic value, considering income and growth, lost to the landowner.

(7) Except as provided in subsection (8) of this section, the small forest landowner office shall, subject to available funding, offer compensation to the small forest landowner in the amount of fifty percent of the value determined in subsection (6) of this section, plus the compliance costs as determined in accordance with section 3 of this act. If the landowner accepts the offer for qualifying timber that will be harvested pursuant to an approved forest practices application, the department of natural resources shall pay the compensation promptly upon (a) completion of harvest in the area covered by the forestry riparian easement; (b) verification that there has been compliance with the rules requiring leave trees in the easement area; and (c) execution and delivery of the easement to the department of natural resources. If the landowner accepts the offer for qualifying timber for which an approved forest practices application for timber harvest cannot be obtained because of restrictions under the forest practices rules, the department of natural resources shall pay the compensation promptly upon (i) verification that there has been compliance with the rules requiring leave trees in the easement area; and (ii) execution and delivery of the easement to the department of natural resources. Upon donation or payment of compensation, the department of natural resources may record the easement.

(8) For approved forest practices applications where the regulatory impact is greater than the average percentage impact for all small landowners as determined by the department of natural resources analysis under the regulatory fairness act, chapter 19.85 RCW, the compensation offered will be increased to one hundred percent for that portion of the regulatory impact that is in excess of the average. Regulatory impact includes trees left in buffers, special management zones, and those rendered uneconomic to harvest by these rules. A separate average or high impact regulatory threshold shall be established for western and eastern Washington. Criteria for these measurements and payments shall be established by the small forest landowner office.

(9) The forest practices board shall adopt rules under the administrative procedure act, chapter 34.05 RCW, to implement the forestry riparian easement program, including the following:

(a) A standard version or versions of all documents necessary or advisable to create the forestry riparian easements as provided for in this section;

(b) Standards for descriptions of the easement premises with a degree of precision that is reasonable in relation to the values involved;

(c) Methods and standards for cruises and valuation of forestry riparian easements for purposes of establishing the compensation. The department of natural resources shall perform the timber cruises of forestry riparian easements required under this chapter and chapter 76.09 RCW. Any rules concerning the methods and standards for valuations of forestry riparian easements shall apply only to the department of natural resources, small forest landowners, and the small forest landowner office;

(d) A method to determine that a forest practices application involves a commercially reasonable harvest, and adopt criteria for entering into a forest riparian easement where a commercially reasonable harvest is not possible or a forest practices application that has been submitted cannot be approved because of restrictions under the forest practices rules;

(e) A method to address blowdown of qualified timber falling outside the easement premises;

(f) A formula for sharing of proceeds in relation to the acquisition of qualified timber covered by an easement through the exercise or threats of eminent domain by a federal or state agency with eminent domain authority, based on the present value of the department of natural resources' and the landowner's relative interests in the qualified timber;

(g) High impact regulatory thresholds;

(h) A method to determine timber that is qualifying timber because it is rendered uneconomic to harvest by the rules adopted under RCW 76.09.055 and 76.09.370; and

(i) A method for internal department of natural resources review of small forest landowner office compensation decisions under subsection (7) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 76.13 RCW to read as follows:

In order to assist small forest landowners to remain economically viable, the legislature intends that the small forest landowners be able to net fifty percent of the value of the trees left in the buffer areas. The amount of compensation offered in RCW 76.13.120 shall also include the compliance costs for participation in the riparian easement program. For purposes of this section, "compliance costs" includes the cost of preparing and recording the easement, and any business and occupation tax and real estate excise tax imposed because of entering into the easement."

The offender score is measured on the horizontal axis of the sentencing grid. The offender score rules are as follows:

The offender score is the sum of points accrued under this section rounded down to the nearest whole number.

(1) A prior conviction is a conviction which exists before the date of sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed shall be deemed "other current offenses" within the meaning of RCW 9.94A.400.

(2) Class A and sex prior felony convictions shall always be included in the offender score. Class B prior felony convictions other than sex offenses shall not be included in the offender score, if since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction. Class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent five consecutive years in the community without committing any crime that subsequently results in a conviction. Serious traffic convictions shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction. This subsection applies to both adult and juvenile prior convictions.

(3) Out-of-state convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. Federal convictions for offenses shall be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as if they were convictions for completed offenses.

(5)(a) In the case of multiple prior convictions, for the purpose of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.400(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.400(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each adult prior felony conviction and one point for each juvenile prior violent felony conviction and ½ point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and ½ point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and ½ point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and ½ point for each juvenile prior conviction.

(12) If the present conviction is for a drug offense count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felonies are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(13) If the present conviction is for (~~Willful Failure to Return from Furlough, RCW 72.66.060, Willful Failure to Return from Work Release, RCW 72.65.070, or~~) Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as ½ point.

(14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as ½ point.

(15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(16) If the present conviction is for a sex offense, count priors as in subsections (7) through (15) of this section; however count three points for each adult and juvenile prior sex offense conviction.

(17) If the present conviction is for an offense committed while the offender was under community placement, add one point.

MOTION

On motion of Senator Jacobsen, the following Committee on Natural Resources, Parks and Shoreline striking amendment was adopted:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 77.60 RCW to read as follows:

(1) The department shall initiate a pilot project to evaluate the feasibility and potential of intensively culturing shellfish on currently nonproductive oyster reserve land in Puget Sound. The pilot program shall include no fewer than three long-term lease agreements with commercial shellfish growers. Except as provided in subsection (4) of this section, revenues from the lease of such lands shall be deposited in the oyster reserve land account created in section 2 of this act.

(2) The department shall form one advisory committee each for the Willapa Bay oyster reserve lands and the Puget Sound oyster reserve lands. The advisory committees shall make recommendations on management practices to conserve, protect, and develop oyster reserve lands. The advisory committees may make recommendations regarding the management practices on oyster reserve lands, in particular to ensure that they are managed in a manner that will: (a) increase revenue through production of high-value shellfish; (b) not be detrimental to the market for shellfish grown on nonreserve lands; and (c) avoid negative impacts to existing shellfish populations. The advisory committees may also make recommendation on the distribution of funds in section 2(2)(a) of this act. The department shall attempt to structure each advisory committee to include equal representation between shellfish growers that participate in reserve sales and shellfish growers that do not.

(3) The department shall submit a brief progress report on the status of the pilot programs to the appropriate standing committees of the legislature by January 7, 2003.

(4) The department of natural resources, in consultation with the department of fish and wildlife, shall administer the leases for oyster reserves entered into under this chapter. In administering the leases, the department of natural resources shall exercise its authority under RCW 79.96.090. Vacation of state oyster reserves by the department of fish and wildlife shall not be a requirement for the department of natural resources to lease any oyster reserves under this section. The department of natural resources may recover reasonable costs directly associated with the administration of the leases for oyster reserves entered into under this chapter. All administrative fees collected by the department of natural resources pursuant to this section shall be deposited into the resource management cost account established in RCW 79.64.020. The department of fish and wildlife may not assess charges to recover the costs of consulting with the department of natural resources under this subsection.

(5) The Puget Sound pilot program shall not include the culture of geoduck.

NEW SECTION. Sec. 2. A new section is added to chapter 77.60 RCW to read as follows:

(1) The oyster reserve land account is created in the state treasury. All receipts from revenues from the lease of land or sale of shellfish from oyster reserve lands must be deposited into the account. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only as provided in this section.

(2) Funds in the account shall be used for the purposes provided for in this subsection:

(a) Up to forty percent for the management expenses incurred by the department that are directly attributable to the management of the oyster reserve lands and for the expenses associated with new research and development activities at the Pt. Whitney and Nahcotta shellfish laboratories managed by the department. As used in this subsection, "new research and development activities" includes an emphasis on the control of aquatic nuisance species and burrowing shrimp;

(b) Up to ten percent may be deposited into the state general fund; and

(c) All remaining funds in the account shall be used for the shellfish - on-site sewage grant program established in section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 90.71 RCW to read as follows:

(1) The action team shall establish a shellfish - on-site sewage grant program in Puget Sound and for Pacific and Grays Harbor counties. The action team shall provide funds to local health jurisdictions to be used as grants to individuals for improving their on-site sewage systems. The grants may be provided only in areas that have the potential to adversely affect water quality in commercial and recreational shellfish growing areas. A recipient of a grant shall enter into an agreement with the appropriate local health jurisdiction to maintain the improved on-site sewage system according to specifications required by the local health jurisdiction. The action team shall work closely with local health jurisdictions and shall endeavor to attain geographic equity between Willapa Bay and the Puget Sound when making funds available under this program. For the purposes of this subsection, "geographic equity" means issuing on-site sewage grants at a level that matches the funds generated from the oyster reserve lands in that area.

(2) In the Puget Sound, the action team shall give first priority to areas that are:

(a) Identified as "areas of special concern" under WAC 246-272-01001; or

(b) Included within a shellfish protection district under chapter 90.72 RCW.

(3) In Grays Harbor and Pacific counties, the action team shall give first priority to preventing the deterioration of water quality in areas where commercial or recreational shellfish are grown.

(4) The action team and each participating local health jurisdiction shall enter into a memorandum of understanding that will establish an applicant income eligibility requirement for individual grant applicants from within the jurisdiction and other mutually agreeable terms and conditions of the grant program.

(5) The action team may recover the costs to administer this program not to exceed ten percent of the shellfish - on-site sewage grant program.

(6) For the 2001-2003 biennium, the action team may use up to fifty percent of the shellfish - on-site sewage grant program funds for grants to local health jurisdictions to establish areas of special concern under WAC 246-272-01001, or for operation and maintenance programs therein, where commercial and recreational uses are present.

RULING BY THE PRESIDENT

President Owen: "In ruling upon the point of order raised by Senator McAuliffe to the scope and object of the amendment by Senator Hochstatter on page 2, after line 36, to Second Substitute Senate Bill No. 5625, the President finds that Second Substitute Senate Bill No. 5625 is a measure which relates solely to the changes to the academic achievement and accountability system, including permitting changes to performance improvement goals, providing for intervention for failing schools and establishing consequences for continued failure.

"The amendment by Senator Hochstatter would do two things unrelated to the bill: (1) eliminate the requirement that classroom observation by parents must not disrupt the classroom; and (2) make it a crime for school districts to contract with third parties to separate children from their parents.

"Therefore, the President finds that the amendment by Senator Hochstatter does change the scope and object of the bill and that the point of order if well taken."

The President ruled that the amendment by Senator Hochstatter on page 2, after line 36, to Second Substitute Senate Bill No. 5625 to be out of order.

PARLIAMENTARY INQUIRY

Senator Finkbeiner: "A parliamentary inquiry, Mr. President. Did the President just state that the point of order raised by the Senator from the First District, Senator McAuliffe, was not well taken?"

UPDATING PROCEDURES FOR ACTIONS AGAINST DRIVING SCHOOL LICENSEES.

THE BILL WAS READ THE SECOND TIME.

MOTION

SENATOR FINKBEINER MOVED THAT THE FOLLOWING AMENDMENT BE ADOPTED:

ON PAGE 2, AFTER LINE 16, INSERT THE FOLLOWING:

"Sec. 2. RCW 28A.220.020 AND 1990 C 33 S 218 ARE EACH AMENDED TO READ AS FOLLOWS:

THE FOLLOWING WORDS AND PHRASES WHENEVER USED IN CHAPTER 28A.220 RCW SHALL HAVE THE FOLLOWING MEANING:

THE SENATOR'S AMENDMENT DEALS WITH A DIFFERENT TYPE OF INSTRUCTION AND SPECIFICALLY TRAFFIC SAFETY AND EDUCATION. THIS BILL THAT WE ARE TALKING ABOUT TODAY MAKES

TECHNICAL CORRECTIONS IN STATUTE GOVERNING WHEN LICENSES CAN BE SUSPENDED, REVOKED OR DENIED AND HAS NOTHING TO DO WITH EDUCATION.”

“THE AMENDMENT BY SENATOR FINKBEINER WOULD PERMIT SCHOOL DISTRICTS TO OFFER TRAFFIC SAFETY EDUCATION COURSES ON LINE OR THROUGH OTHER ELECTRONIC MEDIA.

“THE PRESIDENT, THEREFORE, FINDS THAT THE AMENDMENT DOES CHANGE THE SCOPE AND OBJECT OF THE BILL AND THE POINT OF ORDER IS WELL TAKEN.”

THE PRESIDENT RULED THAT THE AMENDMENT BY SENATOR FINKBEINER ON PAGE 2, AFTER LINE 16, TO HOUSE BILL NO. 1568 TO BE OUT OF ORDER.

POINT OF ORDER

SENATOR HONEYFORD: "A POINT OF ORDER, MR. PRESIDENT. THE STRIKING AMENDMENT BY SENATORS RASMUSSEN, GARDNER, SWECKER, SPANEL, KASTAMA AND ZARELLI CHANGES THE SCOPE AND OBJECT OF THE UNDERLYING BILL, SENATE BILL No. 5613, AND THEREFORE I REQUEST A RULING ON THE SCOPE AND OBJECT. THE UNDERLYING BILL IS REALLY A SIMPLE BILL WITH THREE SECTIONS THAT ESTABLISH A FARM DIRECT MARKETING PROGRAM WITHIN THE DEPARTMENT OF AGRICULTURE. IN CONTRAST, YOU LOOK AT THE STRIKING AMENDMENT AND IT DEALS EXCLUSIVELY WITH REGULATORY PROVISIONS FOR RED RASPBERRIES. THE UNDERLYING BILL MAKES NO MENTION OF RED RASPBERRIES. THIS AMENDMENT ATTEMPTS TO ADD ON TWENTY-FOURS SECTIONS, WHICH SPECIFICALLY ADDRESS REGULATORY REQUIREMENTS FOR RED RASPBERRIES. IN ADDITION, THE AMENDMENT MAKES NO MENTION OF THE DIRECT MARKETING ASSISTANCE PROGRAM, THE SUBJECT OF THE BILL. GIVEN THE AMENDMENT AND THE EXPANSION OF THE BILL, I BELIEVE THE STRIKING AMENDMENT CHANGES THE SCOPE AND OBJECT OF THE UNDERLYING BILL IN VIOLATION OF SENATE RULE 66."

THE LEGISLATURE FURTHER FINDS THAT APPROPRIATE SUBSTANCE ABUSE TREATMENT IS EFFECTIVE, BUT THAT ADULT OFFENDERS WITH SUBSTANCE ABUSE PROBLEMS OFTEN DO NOT HAVE ACCESS TO THE TREATMENT NEEDED TO HELP THEM LIVE HEALTHIER, MORE STABLE, AND PRODUCTIVE LIVES.

THE LEGISLATURE INTENDS TO INCREASE THE CAPACITY OF THE CRIMINAL JUSTICE SYSTEM TO PROVIDE ACCESS TO APPROPRIATE SUBSTANCE ABUSE TREATMENT, AT THE LOCAL LEVEL, FOR ALL TYPES OF OFFENDERS WHO ARE DIAGNOSED WITH AN ADDICTION OR A SUBSTANCE ABUSE PROBLEM THAT IF NOT TREATED WOULD RESULT IN ADDICTION. THE LEGISLATURE INTENDS TO FUND THE INCREASED ACCESS BY SENTENCING DRUG OFFENDERS COMMENSURATE TO THE SERIOUSNESS OF THEIR OFFENSES WHILE CONTINUING TO PUNISH OFFENDERS WHO MANUFACTURE METHAMPHETAMINE OR SELL DRUGS FOR PROFIT AT CURRENT LEVELS.

IT IS THE INTENT OF THE LEGISLATURE TO ENSURE, AS MUCH AS POSSIBLE, THAT THE TREATMENT IS EFFECTIVE BY REQUIRING THE USE OF RESEARCH PROVEN AND APPROVED TREATMENT PROGRAMS UNDER CHAPTER 70.96A RCW. AT THE SAME TIME, THROUGH A DISTRIBUTION FORMULA AND GRANTS, THE LEGISLATURE INTENDS TO PROVIDE COUNTIES WITH THE FLEXIBILITY TO TAILOR THEIR APPROACH AND SEEK LOCAL SOLUTIONS TO TREATMENT ISSUES WHILE PROVIDING ADEQUATE OVERSIGHT TO MAKE SURE THAT FUNDS ARE EFFECTIVELY USED.

SEC. 3. RCW 9.94A.360 AND 2000 C 28 S 15 ARE EACH AMENDED TO READ AS FOLLOWS:

THE OFFENDER SCORE IS MEASURED ON THE HORIZONTAL AXIS OF THE SENTENCING GRID. THE OFFENDER SCORE RULES ARE AS FOLLOWS:

THE OFFENDER SCORE IS THE SUM OF POINTS ACCRUED UNDER THIS SECTION ROUNDED DOWN TO THE NEAREST WHOLE NUMBER.

(1) A PRIOR CONVICTION IS A CONVICTION WHICH EXISTS BEFORE THE DATE OF SENTENCING FOR THE OFFENSE FOR WHICH THE OFFENDER SCORE IS BEING COMPUTED. CONVICTIONS ENTERED OR SENTENCED ON THE SAME DATE AS THE CONVICTION FOR WHICH THE OFFENDER SCORE IS BEING COMPUTED SHALL BE DEEMED "OTHER CURRENT OFFENSES" WITHIN THE MEANING OF RCW 9.94A.400.

(2) CLASS A AND SEX PRIOR FELONY CONVICTIONS SHALL ALWAYS BE INCLUDED IN THE OFFENDER SCORE. CLASS B PRIOR FELONY CONVICTIONS OTHER THAN SEX OFFENSES SHALL NOT BE INCLUDED IN THE OFFENDER SCORE, IF SINCE THE LAST DATE OF RELEASE FROM CONFINEMENT (INCLUDING FULL-TIME RESIDENTIAL TREATMENT) PURSUANT TO A FELONY CONVICTION, IF ANY, OR ENTRY OF JUDGMENT AND SENTENCE, THE OFFENDER HAD SPENT TEN CONSECUTIVE YEARS IN THE COMMUNITY WITHOUT COMMITTING ANY CRIME THAT SUBSEQUENTLY RESULTS IN A CONVICTION. CLASS C PRIOR FELONY CONVICTIONS OTHER THAN SEX OFFENSES SHALL NOT BE INCLUDED IN THE OFFENDER SCORE IF, SINCE THE LAST DATE OF RELEASE FROM CONFINEMENT (INCLUDING FULL-TIME RESIDENTIAL TREATMENT) PURSUANT TO A FELONY CONVICTION, IF ANY, OR ENTRY OF JUDGMENT AND SENTENCE, THE OFFENDER HAD SPENT FIVE CONSECUTIVE YEARS IN THE COMMUNITY WITHOUT COMMITTING ANY CRIME THAT SUBSEQUENTLY RESULTS IN A CONVICTION. SERIOUS TRAFFIC CONVICTIONS SHALL NOT BE INCLUDED IN THE OFFENDER SCORE IF, SINCE THE LAST DATE OF RELEASE FROM CONFINEMENT (INCLUDING FULL-TIME RESIDENTIAL TREATMENT) PURSUANT TO A FELONY CONVICTION, IF ANY, OR ENTRY OF JUDGMENT AND SENTENCE, THE OFFENDER SPENT FIVE YEARS IN THE COMMUNITY WITHOUT COMMITTING ANY CRIME THAT SUBSEQUENTLY RESULTS IN A CONVICTION. THIS SUBSECTION APPLIES TO BOTH ADULT AND JUVENILE PRIOR CONVICTIONS.

(3) OUT-OF-STATE CONVICTIONS FOR OFFENSES SHALL BE CLASSIFIED ACCORDING TO THE COMPARABLE OFFENSE DEFINITIONS AND SENTENCES PROVIDED BY WASHINGTON LAW. FEDERAL CONVICTIONS FOR OFFENSES SHALL BE CLASSIFIED ACCORDING TO THE COMPARABLE OFFENSE DEFINITIONS AND SENTENCES PROVIDED BY WASHINGTON LAW. IF THERE IS NO CLEARLY COMPARABLE OFFENSE UNDER WASHINGTON LAW OR THE OFFENSE IS ONE THAT IS USUALLY CONSIDERED SUBJECT TO EXCLUSIVE FEDERAL JURISDICTION, THE OFFENSE SHALL BE SCORED AS A CLASS C FELONY EQUIVALENT IF IT WAS A FELONY UNDER THE RELEVANT FEDERAL STATUTE.

(4) SCORE PRIOR CONVICTIONS FOR FELONY ANTICIPATORY OFFENSES (ATTEMPTS, CRIMINAL SOLICITATIONS, AND CRIMINAL CONSPIRACIES) THE SAME AS IF THEY WERE CONVICTIONS FOR COMPLETED OFFENSES.

(5)(A) IN THE CASE OF MULTIPLE PRIOR CONVICTIONS, FOR THE PURPOSE OF COMPUTING THE OFFENDER SCORE, COUNT ALL CONVICTIONS SEPARATELY, EXCEPT:

(i) PRIOR OFFENSES WHICH WERE FOUND, UNDER RCW 9.94A.400(1)(A), TO ENCOMPASS THE SAME CRIMINAL CONDUCT, SHALL BE COUNTED AS ONE OFFENSE, THE OFFENSE THAT YIELDS THE HIGHEST OFFENDER SCORE. THE CURRENT SENTENCING COURT SHALL DETERMINE WITH RESPECT TO OTHER PRIOR ADULT OFFENSES FOR WHICH SENTENCES WERE SERVED CONCURRENTLY OR PRIOR JUVENILE OFFENSES FOR WHICH SENTENCES WERE SERVED CONSECUTIVELY, WHETHER THOSE OFFENSES SHALL BE COUNTED AS ONE OFFENSE OR AS SEPARATE OFFENSES USING THE "SAME CRIMINAL CONDUCT" ANALYSIS FOUND IN RCW 9.94A.400(1)(A), AND IF THE COURT FINDS THAT THEY SHALL BE COUNTED AS ONE OFFENSE, THEN THE OFFENSE THAT YIELDS THE HIGHEST OFFENDER SCORE SHALL BE USED. THE CURRENT SENTENCING COURT MAY PRESUME THAT SUCH OTHER PRIOR OFFENSES WERE NOT THE SAME CRIMINAL CONDUCT FROM SENTENCES IMPOSED ON SEPARATE DATES, OR IN SEPARATE COUNTIES OR JURISDICTIONS, OR IN SEPARATE COMPLAINTS, INDICTMENTS, OR INFORMATIONS;

(ii) IN THE CASE OF MULTIPLE PRIOR CONVICTIONS FOR OFFENSES COMMITTED BEFORE JULY 1, 1986, FOR THE PURPOSE OF COMPUTING THE OFFENDER SCORE, COUNT ALL ADULT CONVICTIONS SERVED CONCURRENTLY AS ONE OFFENSE, AND COUNT ALL JUVENILE CONVICTIONS ENTERED ON THE SAME DATE AS ONE OFFENSE. USE THE CONVICTION FOR THE OFFENSE THAT YIELDS THE HIGHEST OFFENDER SCORE.

(B) AS USED IN THIS SUBSECTION (5), "SERVED CONCURRENTLY" MEANS THAT: (i) THE LATTER SENTENCE WAS IMPOSED WITH SPECIFIC REFERENCE TO THE FORMER; (ii) THE CONCURRENT RELATIONSHIP OF THE SENTENCES WAS JUDICIALLY IMPOSED; AND (iii) THE CONCURRENT TIMING OF THE SENTENCES WAS NOT THE RESULT OF A PROBATION OR PAROLE REVOCATION ON THE FORMER OFFENSE.

(6) IF THE PRESENT CONVICTION IS ONE OF THE ANTICIPATORY OFFENSES OF CRIMINAL ATTEMPT, SOLICITATION, OR CONSPIRACY, COUNT EACH PRIOR CONVICTION AS IF THE PRESENT CONVICTION WERE FOR A COMPLETED OFFENSE. WHEN THESE CONVICTIONS ARE USED AS CRIMINAL HISTORY, SCORE THEM THE SAME AS A COMPLETED CRIME.

(7) IF THE PRESENT CONVICTION IS FOR A NONVIOLENT OFFENSE AND NOT COVERED BY SUBSECTION (11) OR (12) OF THIS SECTION, COUNT ONE POINT FOR EACH ADULT PRIOR FELONY CONVICTION AND ONE POINT FOR EACH JUVENILE PRIOR VIOLENT FELONY CONVICTION AND ½ POINT FOR EACH JUVENILE PRIOR NONVIOLENT FELONY CONVICTION.

(8) IF THE PRESENT CONVICTION IS FOR A VIOLENT OFFENSE AND NOT COVERED IN SUBSECTION (9), (10), (11), OR (12) OF THIS SECTION, COUNT TWO POINTS FOR EACH PRIOR ADULT AND JUVENILE VIOLENT FELONY CONVICTION, ONE POINT FOR EACH PRIOR ADULT NONVIOLENT FELONY CONVICTION, AND ½ POINT FOR EACH PRIOR JUVENILE NONVIOLENT FELONY CONVICTION.

(9) IF THE PRESENT CONVICTION IS FOR A SERIOUS VIOLENT OFFENSE, COUNT THREE POINTS FOR PRIOR ADULT AND JUVENILE CONVICTIONS FOR CRIMES IN THIS CATEGORY, TWO POINTS FOR EACH PRIOR ADULT AND JUVENILE VIOLENT CONVICTION (NOT ALREADY

COUNTED), ONE POINT FOR EACH PRIOR ADULT NONVIOLENT FELONY CONVICTION, AND ½ POINT FOR EACH PRIOR JUVENILE NONVIOLENT FELONY CONVICTION.

(10) IF THE PRESENT CONVICTION IS FOR BURGLARY 1, COUNT PRIOR CONVICTIONS AS IN SUBSECTION (8) OF THIS SECTION; HOWEVER COUNT TWO POINTS FOR EACH PRIOR ADULT BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION, AND ONE POINT FOR EACH PRIOR JUVENILE BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION.

(11) IF THE PRESENT CONVICTION IS FOR A FELONY TRAFFIC OFFENSE COUNT TWO POINTS FOR EACH ADULT OR JUVENILE PRIOR CONVICTION FOR VEHICULAR HOMICIDE OR VEHICULAR ASSAULT; FOR EACH FELONY OFFENSE COUNT ONE POINT FOR EACH ADULT AND ½ POINT FOR EACH JUVENILE PRIOR CONVICTION; FOR EACH SERIOUS TRAFFIC OFFENSE, OTHER THAN THOSE USED FOR AN ENHANCEMENT PURSUANT TO RCW 46.61.520(2), COUNT ONE POINT FOR EACH ADULT AND ½ POINT FOR EACH JUVENILE PRIOR CONVICTION.

(12) IF THE PRESENT CONVICTION IS FOR ((A DRUG OFFENSE)) MANUFACTURE OF METHAMPHETAMINE COUNT THREE POINTS FOR EACH ADULT PRIOR ((FELONY DRUG OFFENSE)) MANUFACTURE OF METHAMPHETAMINE CONVICTION AND TWO POINTS FOR EACH JUVENILE ((DRUG)) MANUFACTURE OF METHAMPHETAMINE OFFENSE. ALL OTHER ADULT AND JUVENILE FELONIES ARE SCORED AS IN SUBSECTION (8) OF THIS SECTION IF THE CURRENT DRUG OFFENSE IS VIOLENT, OR AS IN SUBSECTION (7) OF THIS SECTION IF THE CURRENT DRUG OFFENSE IS NONVIOLENT.

(13) IF THE PRESENT CONVICTION IS FOR WILLFUL FAILURE TO RETURN FROM FURLOUGH, RCW 72.66.060, WILLFUL FAILURE TO RETURN FROM WORK RELEASE, RCW 72.65.070, OR ESCAPE FROM COMMUNITY CUSTODY, RCW 72.09.310, COUNT ONLY PRIOR ESCAPE CONVICTIONS IN THE OFFENDER SCORE. COUNT ADULT PRIOR ESCAPE CONVICTIONS AS ONE POINT AND JUVENILE PRIOR ESCAPE CONVICTIONS AS ½ POINT.

(14) IF THE PRESENT CONVICTION IS FOR ESCAPE 1, RCW 9A.76.110, OR ESCAPE 2, RCW 9A.76.120, COUNT ADULT PRIOR CONVICTIONS AS ONE POINT AND JUVENILE PRIOR CONVICTIONS AS ½ POINT.

(15) IF THE PRESENT CONVICTION IS FOR BURGLARY 2 OR RESIDENTIAL BURGLARY, COUNT PRIORS AS IN SUBSECTION (7) OF THIS SECTION; HOWEVER, COUNT TWO POINTS FOR EACH ADULT AND JUVENILE PRIOR BURGLARY 1 CONVICTION, TWO POINTS FOR EACH ADULT PRIOR BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION, AND ONE POINT FOR EACH JUVENILE PRIOR BURGLARY 2 OR RESIDENTIAL BURGLARY CONVICTION.

(16) IF THE PRESENT CONVICTION IS FOR A SEX OFFENSE, COUNT PRIORS AS IN SUBSECTIONS (7) THROUGH (15) OF THIS SECTION; HOWEVER COUNT THREE POINTS FOR EACH ADULT AND JUVENILE PRIOR SEX OFFENSE CONVICTION.

(17) IF THE PRESENT CONVICTION IS FOR AN OFFENSE COMMITTED WHILE THE OFFENDER WAS UNDER COMMUNITY PLACEMENT, ADD ONE POINT.

NEW SECTION. Sec. 4. A NEW SECTION IS ADDED TO CHAPTER 70.96A RCW TO READ AS FOLLOWS:

BY DECEMBER 1, 2001, THE PROPOSED METHODOLOGY SHALL BE SUBMITTED TO THE GOVERNOR AND THE APPROPRIATE COMMITTEES OF THE LEGISLATURE. THE AMOUNTS TRANSFERRED PURSUANT TO THIS SECTION SHALL BE USED SOLELY FOR PROVIDING DRUG AND ALCOHOL TREATMENT SERVICES TO OFFENDERS RECEIVING A REDUCED SENTENCE AS A RESULT OF SECTIONS 2 AND 3, CHAPTER . . . , LAWS OF 2001 (SECTIONS 2 AND 3 OF THIS ACT) AND WHO ARE ASSESSED WITH AN ADDICTION OR A SUBSTANCE ABUSE PROBLEM THAT IF NOT TREATED WOULD RESULT IN ADDICTION. ANY EXCESS FUNDS REMAINING AFTER PROVIDING DRUG AND ALCOHOL TREATMENT SERVICES TO OFFENDERS RECEIVING A REDUCED SENTENCE AS A RESULT OF SECTIONS 2 AND 3, CHAPTER . . . , LAWS OF 2001 (SECTIONS 2 AND 3 OF THIS ACT), MAY BE EXPENDED TO PROVIDE TREATMENT FOR SEX OR VIOLENT OFFENDERS ASSESSED WITH AN ADDICTION OR A SUBSTANCE ABUSE PROBLEM THAT CONTRIBUTED TO THE CRIME.

(E) IN EACH ODD-NUMBERED YEAR, THE LEGISLATURE SHALL APPROPRIATE THE AMOUNT TRANSFERRED TO THE CRIMINAL JUSTICE TREATMENT ACCOUNT IN (C) OF THIS SUBSECTION TO THE DIVISION OF ALCOHOL AND SUBSTANCE ABUSE FOR THE PURPOSES OF SUBSECTION (4) OF THIS SECTION.

SENATOR GARDNER MOVED THAT THE FOLLOWING COMMITTEE ON TRANSPORTATION STRIKING AMENDMENT BE ADOPTED:

STRIKE EVERYTHING AFTER THE ENACTING CLAUSE AND INSERT THE FOLLOWING:

"NEW SECTION. Sec. 1. THE LEGISLATURE RECOGNIZES THAT PROJECTS THAT REMOVE IMPEDIMENTS TO FISH PASSAGE CAN GREATLY INCREASE ACCESS TO SPAWNING AND REARING HABITAT FOR DEPRESSED, THREATENED, AND ENDANGERED FISH STOCKS. ALTHOUGH COUNTIES ARE AUTHORIZED TO USE COUNTY ROAD FUNDS TO REPLACE CULVERTS AND OTHER BARRIERS TO FISH PASSAGE, AND MAY CONDUCT STREAMBED AND STREAM BANK RESTORATION AND STABILIZATION WORK IN CONJUNCTION WITH REMOVAL OF THESE FISH

BARRIERS, COUNTIES ARE RELUCTANT TO SPEND COUNTY ROAD FUNDS BEYOND THE COUNTY RIGHT-OF-WAY BECAUSE IT IS UNCLEAR WHETHER THE USE OF ROAD FUNDS FOR THIS PURPOSE IS AUTHORIZED. THE PURPOSE OF THIS ACT IS TO CLARIFY THAT STREAMBED AND STREAM BANK RESTORATION AND STABILIZATION ACTIVITIES CONDUCTED IN CONJUNCTION WITH REMOVAL OF EXISTING BARRIERS TO FISH PASSAGE WITHIN COUNTY RIGHTS-OF-WAY CONSTITUTE A COUNTY ROAD PURPOSE EVEN IF THIS WORK EXTENDS BEYOND THE COUNTY RIGHT-OF-WAY. THE LEGISLATURE INTENDS THIS ACT TO BE PERMISSIVE LEGISLATION. NOTHING IN THIS ACT IS INTENDED TO CREATE OR IMPOSE A LEGAL DUTY UPON COUNTIES FOR SALMON RECOVERY WORK BEYOND THE COUNTY RIGHT-OF-WAY.

Sec. 2. RCW 36.79.140 AND 1997 C 81 S 6 ARE EACH AMENDED TO READ AS FOLLOWS:

ONLY THOSE COUNTIES THAT DURING THE PRECEDING TWELVE MONTHS HAVE SPENT ALL REVENUES COLLECTED FOR ROAD PURPOSES ONLY FOR SUCH PURPOSES, INCLUDING REMOVAL OF BARRIERS TO FISH PASSAGE AND ACCOMPANYING STREAMBED AND STREAM BANK REPAIR AS SPECIFIED IN RCW 36.82.070, AND INCLUDING TRAFFIC LAW ENFORCEMENT, AS ARE ALLOWED TO THE STATE BY ARTICLE II, SECTION 40 OF THE STATE CONSTITUTION ARE ELIGIBLE TO RECEIVE FUNDS FROM THE RURAL ARTERIAL TRUST ACCOUNT: PROVIDED HOWEVER, THAT COUNTIES WITH A POPULATION OF LESS THAN EIGHT THOUSAND ARE EXEMPT FROM THIS ELIGIBILITY RESTRICTION: AND PROVIDED FURTHER, THAT COUNTIES EXPENDING REVENUES COLLECTED FOR ROAD PURPOSES ONLY ON OTHER GOVERNMENTAL SERVICES AFTER AUTHORIZATION FROM THE VOTERS OF THAT COUNTY UNDER RCW 84.55.050 ARE ALSO EXEMPT FROM THIS ELIGIBILITY RESTRICTION. THE BOARD SHALL AUTHORIZE RURAL ARTERIAL TRUST ACCOUNT FUNDS FOR THE CONSTRUCTION PROJECT PORTION OF A PROJECT PREVIOUSLY AUTHORIZED FOR A PRELIMINARY PROPOSAL IN THE SEQUENCE IN WHICH THE PRELIMINARY PROPOSAL HAS BEEN COMPLETED AND THE CONSTRUCTION PROJECT IS TO BE PLACED UNDER CONTRACT. ON MOTION OF SENATOR WEST, FURTHER CONSIDERATION OF HOUSE BILL NO. 1394 WAS DEFERRED.

SECOND READING

SECOND SUBSTITUTE HOUSE BILL NO. 1752, BY HOUSE COMMITTEE ON AGRICULTURE AND ECOLOGY (ORIGINALLY SPONSORED BY REPRESENTATIVES CLEMENTS, GRANT, G. CHANDLER, B. CHANDLER, LINVILLE, LISK, McMORRIS, ARMSTRONG, SCHOESLER AND MULLIKEN)

ALLOWING FOR CLAIMS FOR WILDLIFE DAMAGE ON RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK.

THE BILL WAS READ THE SECOND TIME.

MOTION

SENATOR RASMUSSEN MOVED THAT THE FOLLOWING COMMITTEE ON AGRICULTURE AND INTERNATIONAL TRADE STRIKING AMENDMENT NOT BE ADOPTED:

STRIKE EVERYTHING AFTER THE ENACTING CLAUSE AND INSERT THE FOLLOWING:

Sec. 1. RCW 77.36.005 AND 1996 C 54 S 1 ARE EACH AMENDED TO READ AS FOLLOWS:

THE LEGISLATURE FINDS THAT:

(1) AS THE NUMBER OF PEOPLE IN THE STATE GROWS AND WILDLIFE HABITAT IS ALTERED, PEOPLE WILL ENCOUNTER WILDLIFE MORE FREQUENTLY. AS A RESULT, CONFLICTS BETWEEN HUMANS AND WILDLIFE WILL ALSO INCREASE. WILDLIFE IS A PUBLIC RESOURCE OF SIGNIFICANT VALUE TO THE PEOPLE OF THE STATE AND THE RESPONSIBILITY TO MINIMIZE AND RESOLVE THESE CONFLICTS IS SHARED BY ALL CITIZENS OF THE STATE.

(2) IN PARTICULAR, THE STATE RECOGNIZES THE IMPORTANCE OF COMMERCIAL AGRICULTURAL AND HORTICULTURAL CROP PRODUCTION, RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK, AND THE VALUE OF HEALTHY DEER AND ELK POPULATIONS, WHICH CAN DAMAGE SUCH CROPS. THE LEGISLATURE FURTHER FINDS THAT DAMAGE PREVENTION IS KEY TO MAINTAINING HEALTHY DEER AND ELK POPULATIONS, WILDLIFE-RELATED RECREATIONAL OPPORTUNITIES, ~~((AND))~~ COMMERCIALLY PRODUCTIVE AGRICULTURAL AND HORTICULTURAL CROPS, AND RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK, AND THAT THE STATE, PARTICIPANTS IN WILDLIFE RECREATION, AND PRIVATE LANDOWNERS AND TENANTS SHARE THE RESPONSIBILITY FOR DAMAGE PREVENTION. TOWARD THIS END, THE LEGISLATURE ENCOURAGES LANDOWNERS AND TENANTS TO CONTRIBUTE THROUGH THEIR LAND MANAGEMENT PRACTICES TO HEALTHY WILDLIFE POPULATIONS AND TO PROVIDE ACCESS FOR RELATED RECREATION. IT IS IN THE BEST INTERESTS OF THE STATE FOR THE DEPARTMENT OF FISH AND WILDLIFE TO RESPOND QUICKLY TO WILDLIFE DAMAGE COMPLAINTS AND TO WORK WITH THESE LANDOWNERS AND TENANTS TO MINIMIZE AND/OR PREVENT DAMAGES AND CONFLICTS WHILE MAINTAINING DEER AND ELK POPULATIONS FOR ENJOYMENT BY ALL CITIZENS OF THE STATE.

(3) A TIMELY AND SIMPLIFIED PROCESS FOR RESOLVING CLAIMS FOR DAMAGES CAUSED BY DEER AND ELK FOR COMMERCIAL AGRICULTURAL OR HORTICULTURAL PRODUCTS, AND RANGELAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK IS BENEFICIAL TO THE CLAIMANT AND THE STATE.

Sec. 2. RCW 77.36.010 AND 1996 C 54 S 2 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) "CROP" MEANS ~~((A COMMERCIALLY RAISED HORTICULTURAL AND/OR AGRICULTURAL PRODUCT AND INCLUDES GROWING OR HARVESTED PRODUCT BUT DOES NOT INCLUDE LIVESTOCK))~~ ((A) A GROWING OR HARVESTED HORTICULTURAL AND/OR AGRICULTURAL PRODUCT FOR COMMERCIAL PURPOSES; OR ((B) RANGELAND FORAGE ON PRIVATELY OWNED LAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK FOR AT LEAST A PORTION OF THE YEAR FOR COMMERCIAL PURPOSES. FOR THE PURPOSES OF THIS CHAPTER ALL PARTS OF HORTICULTURAL TREES SHALL BE CONSIDERED A CROP AND SHALL BE ELIGIBLE FOR CLAIMS.

(2) "EMERGENCY" MEANS AN UNFORESEEN CIRCUMSTANCE BEYOND THE CONTROL OF THE LANDOWNER OR TENANT THAT PRESENTS A REAL AND IMMEDIATE THREAT TO CROPS, DOMESTIC ANIMALS, OR FOWL.

(3) "IMMEDIATE FAMILY MEMBER" MEANS SPOUSE, BROTHER, SISTER, GRANDPARENT, PARENT, CHILD, OR GRANDCHILD.

Sec. 3. RCW 77.36.080 AND 1996 C 54 S 9 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) THE DEPARTMENT MAY PAY NO MORE THAN THIRTY THOUSAND DOLLARS PER FISCAL YEAR FROM THE GENERAL FUND FOR CLAIMS UNDER RCW 77.36.040 AND FOR ASSESSMENT COSTS AND COMPROMISE OF CLAIMS UNLESS THE LEGISLATURE DECLARES AN EMERGENCY. SUCH MONEY SHALL BE USED TO PAY ANIMAL DAMAGE CLAIMS ONLY IF THE CLAIM MEETS THE CONDITIONS OF RCW 77.36.040 AND THE DAMAGE OCCURRED IN A PLACE WHERE THE OPPORTUNITY TO HUNT WAS RESTRICTED OR PROHIBITED BY A COUNTY, MUNICIPALITY, OR OTHER PUBLIC ENTITY DURING THE SEASON PRIOR TO THE OCCURRENCE OF THE DAMAGE.

(2) THE LEGISLATURE MAY DECLARE AN EMERGENCY, DEFINED FOR THE PURPOSES OF THIS SECTION AS ANY HAPPENING ARISING FROM WEATHER, OTHER NATURAL CONDITIONS, OR FIRE THAT CAUSES UNUSUALLY GREAT DAMAGE BY DEER OR ELK TO COMMERCIALLY RAISED AGRICULTURAL OR HORTICULTURAL CROPS ~~((BY DEER OR ELK))~~, OR RANGELAND FORAGE ON PRIVATELY OWNED LAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK FOR AT LEAST A PORTION OF THE YEAR. IN AN EMERGENCY, THE DEPARTMENT MAY PAY AS MUCH AS MAY BE SUBSEQUENTLY APPROPRIATED, IN ADDITION TO THE FUNDS AUTHORIZED UNDER SUBSECTION (1) OF THIS SECTION, FOR CLAIMS UNDER RCW 77.36.040 AND FOR ASSESSMENT AND COMPROMISE OF CLAIMS. POINT OF ORDER

SENATOR WEST: "A POINT OF ORDER, MR. PRESIDENT. I RESEARCHED THE BUDGET AND I'VE LOOKED TO SEE IF THIS BILL IS REFERENCED. I DIDN'T FIND IT. MAYBE IT IS THERE, BUT I DON'T BELIEVE IT IS THERE. THIS BILL WAS NOT ANTICIPATED IN THE BUDGET THAT THIS BODY PASSED. IN THE CUTOFF RESOLUTION THAT THIS BODY PASSED MONTHS AGO, IT STIPULATED THAT NO SENATE BILLS WOULD BE CONSIDERED AFTER THE CUTOFF DATE THAT WERE NOT RELEVANT TO THE BUDGET OR, I BELIEVE, TRANSPORTATION ISSUES. THEREFORE, MR. PRESIDENT, I DO NOT BELIEVE THAT THIS BILL IS CURRENTLY PROPERLY BEFORE US AND WOULD ASK THE PRESIDENT TO SO RULE."

MOTION

ON MOTION OF SENATOR BETTI SHELDON, ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5419 WAS DEFERRED ON THIRD READING.

THERE BEING NO OBJECTION, THE SENATE RESUMED CONSIDERATION OF HOUSE BILL NO. 1394 AND THE PENDING COMMITTEE ON TRANSPORTATION AMENDMENT DEFERRED EARLIER TODAY.

MOTION

SENATOR BENTON MOVED THAT THE FOLLOWING AMENDMENT BY SENATORS BENTON AND HOCHSTATTER TO THE COMMITTEE ON TRANSPORTATION STRIKING AMENDMENT BE ADOPTED:

ON PAGE 3, LINE 24, AFTER "RIGHT-OF-WAY." INSERT "UNDER NO CIRCUMSTANCES MAY FUNDS BE ALLOCATED UNDER THE PROVISIONS OF THIS SECTION WHILE COMMERCIAL NET FISHING IS ALLOWED ON THE COLUMBIA RIVER OR ITS TRIBUTARIES."

RENUMBER THE SECTIONS CONSECUTIVELY AND CORRECT ANY INTERNAL REFERENCES ACCORDINGLY.

POINT OF ORDER

SENATOR JACOBSEN: "A POINT OF ORDER, MR. PRESIDENT. I AM ON THE TRANSPORTATION COMMITTEE AND I ASK IF THIS AMENDMENT IS WITHIN THE SCOPE AND OBJECT OF THE ORIGINAL BILL, WHICH DEALS WITH CULVERTS AND ALLOWS THE COUNTY TO SPEND PART OF IT ON HABITAT RESTORATION. THIS SOUNDS LIKE IT DEALS WITH FISHING SEASON."

REPLY BY THE PRESIDENT

PRESIDENT OWEN: "SENATOR JACOBSEN, ARE YOU RAISING THE POINT OF ORDER THAT THE AMENDMENT TO THE COMMITTEE AMENDMENT RAISES THE SCOPE AND OBJECT OF THE BILL?"

SENATOR JACOBSEN: "I AM."

DEBATE ENSUED.

MOTION

ON MOTION OF SENATOR BETTI SHELDON FURTHER CONSIDERATION OF HOUSE BILL NO. 1394 WAS DEFERRED.

THERE BEING NO OBJECTION, THE SENATE RESUMED CONSIDERATION OF SENATE BILL NO. 5613 AND THE PENDING AMENDMENT BY SENATOR RASMUSSEN, GARDNER, SWECKER AND ZARELLI ON PAGE 3, AFTER LINE 3, DEFERRED EARLIER TODAY.

RULING BY THE PRESIDENT

PRESIDENT OWEN: "IN RULING UPON THE POINT OF ORDER RAISED BY SENATOR HONEYFORD TO THE SCOPE AND OBJECT OF THE AMENDMENT BY SENATORS RASMUSSEN, GARDNER, SWECKER, SPANEL, KASTAMA AND ZARELLI ON PAGE 3, AFTER LINE 3, TO SENATE BILL NO. 5613, THE PRESIDENT FINDS THAT SENATE BILL NO. 5613 IS A MEASURE WHICH CREATES A PROGRAM TO ASSIST SMALL FARMS IN THEIR DIRECT MARKETING EFFORTS.

"THE AMENDMENT ON PAGE 3, AFTER LINE 3, WOULD REGULATE THE PROCESSING OF RED RASPBERRIES. WHILE THE AMENDMENT MAY MAKE RASPBERRIES MORE MARKETABLE ULTIMATELY, AS SENATOR RASMUSSEN ARGUES, THE AMENDMENT DOES NOT RELATE IN ANY WAY TO THE ESTABLISHMENT OF THE SMALL FARM DIRECT MARKETING ASSISTANCE PROGRAM.

"THE PRESIDENT, THEREFORE, FINDS THAT THE AMENDMENT IS BEYOND THE SCOPE AND OBJECT OF THE BILL AND THE POINT OF ORDER IF WELL TAKEN."

THE PRESIDENT RULED THAT THE AMENDMENT BY SENATORS RASMUSSEN, GARDNER, SWECKER, SPANEL, KASTAMA AND ZARELLI ON PAGE 3, AFTER LINE 3, TO SENATE BILL NO. 5613 TO BE OUT OF ORDER.

MOTION

ON MOTION OF SENATOR BETTI SHELDON, FURTHER CONSIDERATION OF SENATE BILL NO. 5613 WAS DEFERRED.

NEW SECTION. Sec. 1. THE LEGISLATURE FINDS THAT UNLAWFUL HARASSMENT DIRECTED AT A CHILD BY A PERSON UNDER THE AGE OF EIGHTEEN IS NOT ACCEPTABLE AND CAN HAVE SERIOUS CONSEQUENCES. THE LEGISLATURE FURTHER FINDS THAT SOME INTERACTIONS BETWEEN MINORS, SUCH AS "SCHOOLYARD SCUFFLES," THOUGH NOT TO BE CONDONED, MAY NOT RISE TO THE LEVEL OF UNLAWFUL HARASSMENT. IT IS THE INTENT OF THE LEGISLATURE THAT A PROTECTION ORDER SOUGHT BY THE PARENT OR GUARDIAN OF A CHILD AS PROVIDED FOR IN THIS CHAPTER BE AVAILABLE ONLY WHEN THE ALLEGED BEHAVIOR OF THE PERSON UNDER THE AGE OF EIGHTEEN TO BE RESTRAINED RISES TO THE LEVEL SET FORTH IN CHAPTER 10.14 RCW.

Sec. 2. RCW 10.14.020 AND 1999 C 27 S 4 ARE EACH AMENDED TO READ AS FOLLOWS:

UNLESS THE CONTEXT CLEARLY REQUIRES OTHERWISE, THE DEFINITIONS IN THIS SECTION APPLY THROUGHOUT THIS CHAPTER.

THE COURSE OF CONDUCT SHALL BE SUCH AS WOULD CAUSE A REASONABLE PERSON TO SUFFER SUBSTANTIAL EMOTIONAL DISTRESS, AND SHALL ACTUALLY CAUSE SUBSTANTIAL EMOTIONAL DISTRESS TO THE PETITIONER, OR, WHEN THE COURSE OF CONDUCT ((IS CONTACT BY A PERSON OVER AGE EIGHTEEN THAT)) WOULD CAUSE A REASONABLE PARENT TO FEAR FOR THE WELL-BEING OF THEIR CHILD.

(2) "COURSE OF CONDUCT" MEANS A PATTERN OF CONDUCT COMPOSED OF A SERIES OF ACTS OVER A PERIOD OF TIME, HOWEVER SHORT, EVIDENCING A CONTINUITY OF PURPOSE. "COURSE OF CONDUCT" INCLUDES, IN ADDITION TO ANY OTHER FORM OF COMMUNICATION, CONTACT, OR CONDUCT, THE SENDING OF AN ELECTRONIC COMMUNICATION. CONSTITUTIONALLY PROTECTED ACTIVITY IS NOT INCLUDED WITHIN THE MEANING OF "COURSE OF CONDUCT."

Sec. 3. RCW 10.14.040 AND 1995 C 292 S 2 AND 1995 C 127 S 2 ARE EACH REENACTED AND AMENDED TO READ AS FOLLOWS:

(1) A PETITION FOR RELIEF SHALL ALLEGE THE EXISTENCE OF HARASSMENT AND SHALL BE ACCOMPANIED BY AN AFFIDAVIT MADE UNDER OATH STATING THE SPECIFIC FACTS AND CIRCUMSTANCES FROM WHICH RELIEF IS SOUGHT.

(2) A PETITION FOR RELIEF MAY BE MADE REGARDLESS OF WHETHER OR NOT THERE IS A PENDING LAWSUIT, COMPLAINT, PETITION, OR OTHER ACTION BETWEEN THE PARTIES.

(3) ALL COURT CLERKS' OFFICES SHALL MAKE AVAILABLE SIMPLIFIED FORMS AND INSTRUCTIONAL BROCHURES. ANY ASSISTANCE OR INFORMATION PROVIDED BY CLERKS UNDER THIS SECTION DOES NOT CONSTITUTE THE PRACTICE OF LAW AND CLERKS ARE NOT RESPONSIBLE FOR INCORRECT INFORMATION CONTAINED IN A PETITION.

(4) FILING FEES ARE SET IN RCW 36.18.020, BUT NO FILING FEE MAY BE CHARGED FOR A PETITION FILED IN AN EXISTING ACTION OR UNDER AN EXISTING CAUSE NUMBER BROUGHT UNDER THIS CHAPTER IN THE JURISDICTION WHERE THE RELIEF IS SOUGHT. FORMS AND INSTRUCTIONAL BROCHURES SHALL BE PROVIDED FREE OF CHARGE.

(5) A PERSON IS NOT REQUIRED TO POST A BOND TO OBTAIN RELIEF IN ANY PROCEEDING UNDER THIS SECTION.

(6) THE PARENT OR GUARDIAN OF A CHILD UNDER AGE EIGHTEEN MAY PETITION FOR AN ORDER OF PROTECTION TO RESTRAIN A PERSON ((OVER)) AGE EIGHTEEN YEARS OR OVER FROM CONTACT WITH THAT CHILD UPON A SHOWING THAT CONTACT WITH THE PERSON TO BE ENJOINED IS DETRIMENTAL TO THE WELFARE OF THE CHILD.

(7) THE PARENT OR GUARDIAN OF A CHILD UNDER THE AGE OF EIGHTEEN MAY PETITION FOR AN ORDER OF PROTECTION TO RESTRAIN A PERSON UNDER THE AGE OF EIGHTEEN YEARS FROM CONTACT WITH THAT CHILD ONLY IN CASES WHERE THE PERSON TO BE RESTRAINED HAS BEEN CONVICTED OF AN OFFENSE AGAINST THE CHILD PROTECTED BY THE ORDER OR IS UNDER INVESTIGATION FOR SUCH AN OFFENSE.

SEC. 4. RCW 10.14.120 AND 1989 C 373 S 14 ARE EACH AMENDED TO READ AS FOLLOWS:

ANY WILLFUL DISOBEDIENCE BY ((THE RESPONDENT)) A RESPONDENT AGE EIGHTEEN YEARS OR OVER OF ANY TEMPORARY ANTIHARASSMENT PROTECTION ORDER OR CIVIL ANTIHARASSMENT PROTECTION ORDER ISSUED UNDER THIS CHAPTER SUBJECTS THE RESPONDENT TO CRIMINAL PENALTIES UNDER THIS CHAPTER. ANY RESPONDENT AGE EIGHTEEN YEARS OR OVER WHO WILLFULLY DISOBEYS THE TERMS OF ANY ORDER ISSUED UNDER THIS CHAPTER MAY ALSO, IN THE COURT'S DISCRETION, BE FOUND IN CONTEMPT OF COURT AND SUBJECT TO PENALTIES UNDER CHAPTER 7.21 RCW. SEC. 6. RCW 7.21.030 AND 1998 C 296 S 36 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) THE COURT MAY INITIATE A PROCEEDING TO IMPOSE A REMEDIAL SANCTION ON ITS OWN MOTION OR ON THE MOTION OF A PERSON AGGRIEVED BY A CONTEMPT OF COURT IN THE PROCEEDING TO WHICH THE CONTEMPT IS RELATED. EXCEPT AS PROVIDED IN RCW 7.21.050, THE COURT, AFTER NOTICE AND HEARING, MAY IMPOSE A REMEDIAL SANCTION AUTHORIZED BY THIS CHAPTER.

(2) IF THE COURT FINDS THAT THE PERSON HAS FAILED OR REFUSED TO PERFORM AN ACT THAT IS YET WITHIN THE PERSON'S POWER TO PERFORM, THE COURT MAY FIND THE PERSON IN CONTEMPT OF COURT AND IMPOSE ONE OR MORE OF THE FOLLOWING REMEDIAL SANCTIONS:

(A) IMPRISONMENT IF THE CONTEMPT OF COURT IS OF A TYPE DEFINED IN RCW 7.21.010(1) (B) THROUGH (D). THE IMPRISONMENT MAY EXTEND ONLY SO LONG AS IT SERVES A COERCIVE PURPOSE.

(B) A FORFEITURE NOT TO EXCEED TWO THOUSAND DOLLARS FOR EACH DAY THE CONTEMPT OF COURT CONTINUES.

(C) AN ORDER DESIGNED TO ENSURE COMPLIANCE WITH A PRIOR ORDER OF THE COURT.

(D) ANY OTHER REMEDIAL SANCTION OTHER THAN THE SANCTIONS SPECIFIED IN (A) THROUGH (C) OF THIS SUBSECTION IF THE COURT EXPRESSLY FINDS THAT THOSE SANCTIONS WOULD BE INEFFECTUAL TO TERMINATE A CONTINUING CONTEMPT OF COURT.

(E) IN CASES UNDER CHAPTERS 13.32A, 13.34, AND 28A.225 RCW, COMMITMENT TO JUVENILE DETENTION FOR A PERIOD OF TIME NOT TO EXCEED SEVEN DAYS. (3) THE COURT MAY, IN ADDITION TO THE REMEDIAL SANCTIONS SET FORTH IN SUBSECTION (2) OF THIS SECTION, ORDER A PERSON FOUND IN CONTEMPT OF COURT TO PAY A PARTY FOR ANY LOSSES SUFFERED BY THE PARTY AS A RESULT OF THE CONTEMPT AND ANY COSTS INCURRED IN CONNECTION WITH THE CONTEMPT PROCEEDING, INCLUDING REASONABLE ATTORNEY'S FEES.

(4) IF THE COURT FINDS THAT A PERSON UNDER THE AGE OF EIGHTEEN YEARS HAS WILLFULLY DISOBEYED THE TERMS OF AN ORDER ISSUED UNDER CHAPTER 10.14 RCW, THE COURT MAY FIND THE PERSON IN CONTEMPT OF COURT AND MAY, AS A SOLE SANCTION FOR SUCH CONTEMPT, COMMIT THE PERSON TO JUVENILE DETENTION FOR A PERIOD OF TIME NOT TO EXCEED SEVEN DAYS.

NEW SECTION. Sec. 7. IF SPECIFIC FUNDING FOR THE PURPOSES OF THIS ACT, REFERENCING THIS ACT BY BILL OR CHAPTER NUMBER, IS NOT PROVIDED BY JUNE 30, 2001, IN THE OMNIBUS APPROPRIATIONS ACT, THIS ACT IS NULL AND VOID."

"PART I GENERAL PROVISIONS

NEW SECTION. Sec. 101. (1) THE LEGISLATURE MAKES THE FOLLOWING FINDINGS:

(A) THE EFFECTIVE MANAGEMENT OF HIGH-RISK SEX OFFENDERS REQUIRES A COMPREHENSIVE APPROACH THAT INCLUDES APPROPRIATE SENTENCING FOR SEX OFFENSES AND A PLAN TO ADDRESS BOTH THE IMMEDIATE AND LONG-TERM NEED TO ESTABLISH SECURE COMMUNITY TRANSITION FACILITIES THROUGHOUT THE STATE.

(B) THE INDIVIDUALIZED TREATMENT REQUIRED FOR CONSTITUTIONAL CIVIL COMMITMENT INCLUDES THE REALISTIC POSSIBILITY OF RELEASE TO A LESS RESTRICTIVE ALTERNATIVE IN APPROPRIATE CASES. MOST PERSONS CIVILLY COMMITTED UNDER CHAPTER 71.09 RCW WHO BECOME ELIGIBLE FOR RELEASE TO A LESS RESTRICTIVE ALTERNATIVE DO NOT HAVE HOUSING. BECAUSE A LACK OF HOUSING MAY UNDULY RESTRICT A PERSON'S ABILITY TO OBTAIN AN ORDER TO A LESS RESTRICTIVE ALTERNATIVE, THE LEGISLATURE RECOGNIZES

THAT THE STATE MUST PROVIDE SOME HOUSING FACILITIES. FACILITIES TO HOUSE PERSONS CONDITIONALLY RELEASED TO A LESS RESTRICTIVE ALTERNATIVE UNDER CHAPTER 71.09 RCW ARE ESSENTIAL PUBLIC FACILITIES. PUBLIC PROTESTS AND LOCAL GOVERNMENT MORATORIUMS ON ZONING AND PERMITTING PROCESSES HAVE HAMPERED THE STATE'S ABILITY TO COMPLY WITH CONSTITUTIONAL AND STATUTORY REQUIREMENTS AND WITH COURT ORDERS TO CREATE HOUSING FOR LESS RESTRICTIVE ALTERNATIVE PLACEMENTS. THE LEGISLATURE, THEREFORE, INTENDS TO PROVIDE STATEWIDE GUIDANCE AND ASSISTANCE IN THE SITING OF SECURE COMMUNITY TRANSITION FACILITIES FOR PERSONS CONDITIONALLY RELEASED TO LESS RESTRICTIVE ALTERNATIVES UNDER CHAPTER 71.09 RCW.

(C) SOME HIGH-RISK SEX OFFENDERS ARE MOST APPROPRIATELY MANAGED THROUGH AN INDETERMINATE SENTENCING STRUCTURE IN WHICH THEY WILL BE SUPERVISED AND CAN BE RETAINED IN OR RETURNED TO A STATE CORRECTIONAL INSTITUTION UNTIL THE STATUTORY MAXIMUM SENTENCE HAS EXPIRED. THE STATE DOES NOT CURRENTLY HAVE AN INDETERMINATE SENTENCING STRUCTURE. CONSEQUENTLY, THE STATE MUST MAKE CHANGES TO ITS SENTENCING STRUCTURE TO EFFECTIVELY MANAGE THESE HIGH-RISK SEX OFFENDERS.

(2) THEREFORE, THE LEGISLATURE INTENDS TO:

(A) MANAGE HIGH-RISK SEX OFFENDERS TO THE GREATEST EXTENT POSSIBLE THROUGH THE CRIMINAL JUSTICE SYSTEM BY ESTABLISHING AN INDETERMINATE SENTENCING STRUCTURE FOR THOSE OFFENDERS WHO PRESENT A HIGH RISK TO THE COMMUNITY, BASED ON THEIR SEX OFFENSE HISTORY;

(B) ENSURE THE PROMPT SITING AND TIMELY OPERATION OF A SECURE COMMUNITY TRANSITION FACILITY ON McNEIL ISLAND, ENSURE THE CONTINUED PROGRESS TOWARD THE CONSTRUCTION AND OPERATION OF THE TOTAL CONFINEMENT FACILITY ALREADY PLANNED FOR McNEIL ISLAND, TO FURTHER THE TREATMENT AND MANAGEMENT OF PERSONS CIVILLY COMMITTED UNDER CHAPTER 71.09 RCW, AND ESTABLISH A FRAMEWORK FOR THE ESTABLISHMENT OF ADDITIONAL SECURE COMMUNITY TRANSITION FACILITIES;

(C) MAXIMIZE PUBLIC SAFETY AND ENHANCE THE POTENTIAL FOR SUCCESSFUL TREATMENT OF SEXUALLY VIOLENT PREDATORS THROUGH THE TIGHTLY MANAGED USE OF LESS RESTRICTIVE ALTERNATIVES IN SECURE COMMUNITY TRANSITION FACILITIES;

(D) MAXIMIZE THE SAFETY OF COMMUNITIES IN WHICH SECURE COMMUNITY TRANSITION FACILITIES ARE LOCATED AND ENSURE PUBLIC INPUT INTO DECISIONS INVOLVING THE SITING AND ONGOING OPERATION OF THESE ESSENTIAL PUBLIC FACILITIES; STRENGTHENING THE SAFEGUARDS IN PLACEMENT, OVERSIGHT, AND MONITORING OF CONDITIONALLY RELEASED PERSONS; AND ESTABLISHING MINIMUM STANDARDS FOR THE SITING AND OPERATION OF SECURE COMMUNITY TRANSITION FACILITIES; AND

(E) COMPLY WITH FEDERAL COURT ORDERS AND REQUIRE THE SITING OF SECURE COMMUNITY TRANSITION FACILITIES AND THEREBY PRECLUDE THE POSSIBILITY THAT THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES WOULD BE UNABLE TO SITE A FACILITY DUE TO LOCAL MORATORIUMS AND REQUIREMENTS.

NEW SECTION. Sec. 202. BEGINNING ON THE EFFECTIVE DATE OF THIS SECTION, THE STATE SHALL IMMEDIATELY ENTER INTO NEGOTIATIONS FOR A MITIGATION AGREEMENT WITH THE COUNTY IN WHICH THE SECURE COMMUNITY TRANSITION FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT IS LOCATED, AND WITH EACH COMMUNITY IN WHICH THE PERSONS WILL RESIDE OR REGULARLY SPEND TIME IN THE COMMUNITY PURSUANT TO COURT ORDERS FOR REGULAR WORK OR EDUCATION, OR TO RECEIVE SOCIAL SERVICES, OR WILL REGULARLY BE TRANSPORTED THROUGH TO REACH THOSE COMMUNITIES. THE NEGOTIATIONS MUST BE TOWARD AN AGREEMENT THAT WILL PROVIDE STATE FUNDING, AS APPROPRIATED FOR THIS PURPOSE, IN AN AMOUNT ADEQUATE TO MITIGATE ANTICIPATED OR REALIZED INCREASED COSTS IN LAW ENFORCEMENT RESULTING FROM ANY INCREASED RISKS TO PUBLIC SAFETY BROUGHT ABOUT BY THE PRESENCE OF SEXUALLY VIOLENT PREDATORS IN THOSE COMMUNITIES DUE TO THE SITING OF THE STEP-DOWN FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT.

ANY CONDITIONALLY RELEASED PERSON WHO COMMITS A SERIOUS VIOLATION OF CONDITIONS SHALL BE RETURNED TO THE SPECIAL COMMITMENT CENTER, UNLESS ARRESTED BY A LAW ENFORCEMENT OFFICER, AND THE COURT SHALL BE NOTIFIED IMMEDIATELY AND SHALL INITIATE PROCEEDINGS UNDER RCW 71.09.098 TO REVOKE OR MODIFY THE LESS RESTRICTIVE ALTERNATIVE PLACEMENT. NOTHING IN THIS SECTION LIMITS THE AUTHORITY OF THE DEPARTMENT TO RETURN A PERSON TO THE SPECIAL COMMITMENT CENTER BASED ON A VIOLATION THAT IS NOT A SERIOUS VIOLATION AS DEFINED IN THIS SECTION. FOR THE PURPOSES OF THIS SECTION, "SERIOUS VIOLATION" INCLUDES BUT IS NOT LIMITED TO:

(A) THE COMMISSION OF ANY CRIMINAL OFFENSE;

NEW SECTION. Sec. 214. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

THE SECRETARY SHALL ADOPT RULES THAT CONTAIN A SCHEDULE OF MONETARY PENALTIES FOR CONTRACTORS OPERATING SECURE COMMUNITY TRANSITION FACILITIES, NOT TO EXCEED THE TOTAL COMPENSATION SET FORTH IN THE CONTRACT, AND INCLUDE PROVISIONS FOR TERMINATION OF ALL CONTRACTS WITH A SERVICE PROVIDER THAT HAS REPEATED OR SERIOUS VIOLATIONS OF SECTION 213 OF THIS ACT.

PRIOR TO ESCORTING A PERSON OUTSIDE OF A FACILITY, STAFF MEMBERS MUST ALSO HAVE TRAINING IN THE OFFENSE PATTERN OF THE OFFENDER THEY ARE ESCORTING.

(3) ANY ESCORT MUST CARRY A CELLULAR TELEPHONE OR A SIMILAR DEVICE AT ALL TIMES WHEN ESCORTING A RESIDENT OF THE STEP-DOWN FACILITY.

NEW SECTION. Sec. 216. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

(1) EXCEPT WITH RESPECT TO THE SECURE COMMUNITY TRANSITION FACILITY ESTABLISHED PURSUANT TO SECTION 201 OF THIS ACT, THE SECRETARY SHALL ADOPT RULES THAT BALANCE THE AVERAGE RESPONSE TIME OF EMERGENCY SERVICES TO THE GENERAL AREA OF A PROPOSED SECURE COMMUNITY TRANSITION FACILITY AGAINST THE PROXIMITY OF THE PROPOSED SITE TO RISK POTENTIAL ACTIVITIES AND FACILITIES IN EXISTENCE AT THE TIME THE SITE IS LISTED FOR CONSIDERATION.

(2) IN BALANCING THE COMPETING CRITERIA OF PROXIMITY AND RESPONSE TIME THE RULE SHALL ENDEAVOR TO ACHIEVE AN AVERAGE LAW ENFORCEMENT RESPONSE TIME NOT GREATER THAN FIVE MINUTES AND IN NO CASE SHALL THE RULE PERMIT LOCATION OF A FACILITY ADJACENT TO, IMMEDIATELY ACROSS A STREET OR PARKING LOT FROM, OR WITHIN THE LINE OF SIGHT OF A RISK POTENTIAL ACTIVITY OR FACILITY IN EXISTENCE AT THE TIME A SITE IS LISTED FOR CONSIDERATION. "WITHIN THE LINE OF SIGHT" MEANS THAT IT IS POSSIBLE TO REASONABLY VISUALLY DISTINGUISH AND RECOGNIZE INDIVIDUALS.

(3) THE RULE SHALL REQUIRE THAT GREAT WEIGHT BE GIVEN TO SITES THAT ARE THE FARTHEST REMOVED FROM ANY RISK POTENTIAL ACTIVITY.

(5) THE RULE SHALL ESTABLISH A METHOD TO ANALYZE AND COMPARE THE CRITERIA FOR EACH SITE IN TERMS OF PUBLIC SAFETY AND SECURITY, SITE CHARACTERISTICS, AND PROGRAM COMPONENTS. IN MAKING A DECISION REGARDING A SITE FOLLOWING THE ANALYSIS AND COMPARISON, THE SECRETARY SHALL GIVE PRIORITY TO PUBLIC SAFETY AND SECURITY CONSIDERATIONS. THE ANALYSIS AND

COMPARISON OF THE CRITERIA ARE TO BE DOCUMENTED AND MADE AVAILABLE AT THE PUBLIC HEARINGS PRESCRIBED IN SECTION 220 OF THIS ACT.

NEW SECTION. Sec. 217. BY DECEMBER 1, 2001, THE SECRETARY OF THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES SHALL DETERMINE AND REPORT TO THE LEGISLATURE WHETHER THERE IS A SIGNIFICANT GROUP OF POTENTIAL LOCATIONS THAT ARE OUTSIDE OF A FIVE-MINUTE LAW ENFORCEMENT RESPONSE TIME ZONE THAT ARE MORE THAN TWO MILES FROM ANY RISK POTENTIAL ACTIVITIES AND WHETHER, IN THE SECRETARY'S JUDGMENT, THE LEGISLATURE SHOULD REQUIRE THE RULE TO BE REVISED TO PERMIT CONSIDERATION OF THESE PROPERTIES.

NEW SECTION. Sec. 218. A NEW SECTION IS ADDED TO CHAPTER 71.09 RCW TO READ AS FOLLOWS:

(2) THE SECRETARY SHALL ESTABLISH A PROCESS FOR EARLY AND CONTINUOUS PUBLIC PARTICIPATION IN ESTABLISHING OR RELOCATING SECURE COMMUNITY TRANSITION FACILITIES. THE PROCESS SHALL INCLUDE, AT A MINIMUM, PUBLIC MEETINGS IN THE LOCAL COMMUNITIES AFFECTED, AS WELL AS OPPORTUNITIES FOR WRITTEN AND ORAL COMMENTS, IN THE FOLLOWING MANNER:

BEFORE INITIATING THIS PROCESS, THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES SHALL CONTACT LOCAL GOVERNMENT PLANNING AGENCIES IN THE COMMUNITIES CONTAINING THE PROPOSED SECURE COMMUNITY TRANSITION FACILITY. THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES SHALL COORDINATE WITH LOCAL GOVERNMENT AGENCIES TO ENSURE THAT OPPORTUNITIES ARE PROVIDED FOR EFFECTIVE CITIZEN INPUT AND TO REDUCE THE DUPLICATION OF NOTICE AND MEETINGS.

(2)(A) UNLESS A CONDITION IS WAIVED BY THE COURT, THE CONDITIONS OF COMMUNITY CUSTODY SHALL INCLUDE THOSE PROVIDED FOR IN RCW 9.94A.700(4). THE CONDITIONS MAY ALSO INCLUDE THOSE PROVIDED FOR IN RCW 9.94A.700(5). THE COURT MAY ALSO ORDER THE OFFENDER TO PARTICIPATE IN REHABILITATIVE PROGRAMS OR OTHERWISE PERFORM AFFIRMATIVE CONDUCT REASONABLY RELATED TO THE CIRCUMSTANCES OF THE OFFENSE, THE OFFENDER'S RISK OF REOFFENDING, OR THE SAFETY OF THE COMMUNITY, AND THE DEPARTMENT SHALL ENFORCE SUCH CONDITIONS PURSUANT TO SUBSECTION (6) OF THIS SECTION.

(C) THE DEPARTMENT MAY NOT IMPOSE CONDITIONS THAT ARE CONTRARY TO THOSE ORDERED BY THE COURT AND MAY NOT CONTRAVENE OR DECREASE COURT-IMPOSED CONDITIONS. THE SECRETARY SHALL ADOPT RULES TO IMPLEMENT THE PROVISIONS OF THIS SUBSECTION.

FOR PURPOSES OF (A)(II) OF THIS SUBSECTION, FAILURE TO REGISTER IS NOT A SEX OFFENSE.

(2) UPON A FINDING THAT THE OFFENDER IS SUBJECT TO SENTENCING UNDER THIS SECTION, THE COURT SHALL IMPOSE A SENTENCE TO A MAXIMUM TERM CONSISTING OF THE STATUTORY MAXIMUM SENTENCE FOR THE OFFENSE AND A MINIMUM TERM EITHER WITHIN THE STANDARD SENTENCE RANGE FOR THE OFFENSE, OR OUTSIDE THE STANDARD SENTENCE RANGE PURSUANT TO RCW 9.94A.390, IF THE OFFENDER IS OTHERWISE ELIGIBLE FOR SUCH A SENTENCE.

(3) A PERSON SENTENCED UNDER SUBSECTION (2) OF THIS SECTION SHALL SERVE THE SENTENCE IN A FACILITY OR INSTITUTION OPERATED, OR UTILIZED UNDER CONTRACT, BY THE STATE.

(4) WHEN A COURT SENTENCES A PERSON TO THE CUSTODY OF THE DEPARTMENT UNDER THIS SECTION, THE COURT SHALL, IN ADDITION TO THE OTHER TERMS OF THE SENTENCE, SENTENCE THE OFFENDER TO COMMUNITY CUSTODY UNDER THE SUPERVISION OF THE DEPARTMENT AND THE AUTHORITY OF THE BOARD FOR ANY PERIOD OF TIME THE PERSON IS RELEASED FROM TOTAL CONFINEMENT BEFORE THE EXPIRATION OF THE MAXIMUM SENTENCE.

(2) IN A CRIMINAL CASE WHEREIN THERE HAS BEEN A SPECIAL ALLEGATION THE STATE SHALL PROVE BEYOND A REASONABLE DOUBT THAT THE OFFENSE WAS PREDATORY. THE COURT SHALL MAKE A FINDING OF FACT OF WHETHER OR NOT AN OFFENSE WAS PREDATORY OR WAS COMMITTED BY FORCIBLE COMPULSION, OR IF A JURY TRIAL IS HAD, THE JURY SHALL, IF IT FINDS THE DEFENDANT GUILTY, ALSO FIND A SPECIAL VERDICT AS TO WHETHER OR NOT THE OFFENSE WAS PREDATORY OR WAS COMMITTED BY FORCIBLE COMPULSION.

(3) THE PROSECUTING ATTORNEY SHALL NOT WITHDRAW THE SPECIAL ALLEGATION THAT AN OFFENSE WAS PREDATORY OR WAS COMMITTED BY FORCIBLE COMPULSION WITHOUT APPROVAL OF THE COURT THROUGH AN ORDER OF DISMISSAL OF THE SPECIAL ALLEGATION. THE COURT SHALL NOT DISMISS THIS SPECIAL ALLEGATION UNLESS IT FINDS THAT SUCH AN ORDER IS NECESSARY TO CORRECT AN ERROR IN THE INITIAL CHARGING DECISION OR UNLESS THERE ARE EVIDENTIARY PROBLEMS WHICH MAKE PROVING THE SPECIAL ALLEGATION DOUBTFUL.

NEW SECTION. Sec. 305. A NEW SECTION IS ADDED TO CHAPTER 9.94A RCW TO READ AS FOLLOWS:

(5) BY THE CLOSE OF THE NEXT BUSINESS DAY, AFTER RECEIVING NOTICE OF A CONDITION IMPOSED BY THE BOARD OR THE DEPARTMENT, AN OFFENDER MAY REQUEST AN ADMINISTRATIVE HEARING UNDER RULES ADOPTED BY THE BOARD. THE DEPARTMENT MAY NOT IMPOSE CONDITIONS THAT ARE CONTRARY TO THOSE SET BY THE BOARD OR THE COURT AND MAY NOT CONTRAVENE OR DECREASE COURT-IMPOSED OR BOARD-IMPOSED CONDITIONS. (E) THE SANCTION SHALL TAKE EFFECT IF AFFIRMED BY THE HEARING EXAMINER. WITHIN SEVEN DAYS AFTER THE HEARING EXAMINER'S DECISION, THE OFFENDER MAY APPEAL THE DECISION TO A PANEL OF THREE REVIEWING EXAMINERS DESIGNATED BY THE CHAIR OF THE BOARD OR BY THE CHAIR'S DESIGNEE. THE SANCTION SHALL BE REVERSED OR MODIFIED IF A MAJORITY OF THE PANEL FINDS THAT THE SANCTION WAS NOT REASONABLY RELATED TO ANY OF THE FOLLOWING: (I) THE CRIME OF CONVICTION; (II) THE VIOLATION COMMITTED; (III) THE OFFENDER'S RISK OF REOFFENDING; OR (IV) THE SAFETY OF THE COMMUNITY.

(5) FOR PURPOSES OF THIS SECTION, NO FINDING OF A VIOLATION OF CONDITIONS MAY BE BASED ON UNCONFIRMED OR UNCONFIRMABLE ALLEGATIONS.

(1) A SENTENCE THAT INCLUDES A TERM OR TERMS OF CONFINEMENT TOTALING MORE THAN ONE YEAR SHALL BE SERVED IN A FACILITY OR INSTITUTION OPERATED, OR UTILIZED UNDER CONTRACT, BY THE STATE. EXCEPT AS PROVIDED IN SUBSECTION (3) OR (5) OF THIS SECTION, A SENTENCE OF NOT MORE THAN ONE YEAR OF CONFINEMENT SHALL BE SERVED IN A FACILITY OPERATED, LICENSED, OR UTILIZED UNDER CONTRACT, BY THE COUNTY, OR IF HOME DETENTION OR WORK CREW HAS BEEN ORDERED BY THE COURT, IN THE RESIDENCE OF EITHER THE OFFENDER OR A MEMBER OF THE OFFENDER'S IMMEDIATE FAMILY.

THE OFFICE OF FINANCIAL MANAGEMENT SHALL SET THE RATE OF REIMBURSEMENT BASED UPON THE AVERAGE PER DIEM COST PER OFFENDER IN THE FACILITY. THE OFFICE OF FINANCIAL MANAGEMENT SHALL DETERMINE TO WHAT EXTENT, IF ANY, REIMBURSEMENT SHALL BE REDUCED OR ELIMINATED BECAUSE OF FUNDS PROVIDED BY THE LEGISLATURE TO THE DEPARTMENT FOR THE PURPOSE OF COVERING THE COST OF COUNTY USE OF STATE PARTIAL CONFINEMENT FACILITIES. THE OFFICE OF FINANCIAL MANAGEMENT SHALL REESTABLISH REIMBURSEMENT RATES EACH EVEN-NUMBERED YEAR.

(3) A PERSON WHO IS SENTENCED FOR A FELONY TO A TERM OF NOT MORE THAN ONE YEAR, AND WHO IS COMMITTED OR RETURNED TO INCARCERATION IN A STATE FACILITY ON ANOTHER FELONY CONVICTION, EITHER UNDER THE INDETERMINATE SENTENCING LAWS, CHAPTER 9.95 RCW, OR UNDER THIS CHAPTER SHALL SERVE ALL TERMS OF CONFINEMENT, INCLUDING A SENTENCE OF NOT MORE THAN ONE YEAR, IN A FACILITY OR INSTITUTION OPERATED, OR UTILIZED UNDER CONTRACT, BY THE STATE, CONSISTENT WITH THE PROVISIONS OF RCW 9.94A.400.

(5) SENTENCES IMPOSED PURSUANT TO SECTION 303 OF THIS ACT SHALL BE SERVED IN A FACILITY OR INSTITUTION OPERATED, OR UTILIZED UNDER CONTRACT, BY THE STATE.

Sec. 315. RCW 9.94A.390 AND 2000 C 28 S 8 ARE EACH AMENDED TO READ AS FOLLOWS:

THE COURT MAY IMPOSE A SENTENCE OUTSIDE THE STANDARD SENTENCE RANGE FOR AN OFFENSE IF IT FINDS, CONSIDERING THE PURPOSE OF THIS CHAPTER, THAT THERE ARE SUBSTANTIAL AND COMPELLING REASONS JUSTIFYING AN EXCEPTIONAL SENTENCE. WHENEVER A SENTENCE OUTSIDE THE STANDARD SENTENCE RANGE IS IMPOSED, THE COURT SHALL SET FORTH THE REASONS FOR ITS DECISION IN WRITTEN FINDINGS OF FACT AND CONCLUSIONS OF LAW. A SENTENCE OUTSIDE THE STANDARD SENTENCE RANGE SHALL BE A DETERMINATE SENTENCE UNLESS IT IS IMPOSED ON AN OFFENDER SENTENCED UNDER SECTION 303 OF THIS ACT. AN EXCEPTIONAL SENTENCE IMPOSED ON AN OFFENDER SENTENCED UNDER SECTION 303 OF THIS ACT SHALL BE TO A MINIMUM TERM SET BY THE COURT AND A MAXIMUM TERM EQUAL TO THE STATUTORY MAXIMUM SENTENCE FOR THE OFFENSE OF CONVICTION UNDER CHAPTER 9A.20 RCW.

IF THE SENTENCING COURT FINDS THAT AN EXCEPTIONAL SENTENCE OUTSIDE THE STANDARD SENTENCE RANGE SHOULD BE IMPOSED, THE SENTENCE IS SUBJECT TO REVIEW ONLY AS PROVIDED FOR IN RCW 9.94A.210(4).

A DEPARTURE FROM THE STANDARDS IN RCW 9.94A.400 (1) AND (2) GOVERNING WHETHER SENTENCES ARE TO BE SERVED CONSECUTIVELY OR CONCURRENTLY IS AN EXCEPTIONAL SENTENCE SUBJECT TO THE LIMITATIONS IN THIS SECTION, AND MAY BE APPEALED BY THE OFFENDER OR THE STATE AS SET FORTH IN RCW 9.94A.210 (2) THROUGH (6).

THE FOLLOWING ARE ILLUSTRATIVE FACTORS WHICH THE COURT MAY CONSIDER IN THE EXERCISE OF ITS DISCRETION TO IMPOSE AN EXCEPTIONAL SENTENCE. THE FOLLOWING ARE ILLUSTRATIVE ONLY AND ARE NOT INTENDED TO BE EXCLUSIVE REASONS FOR EXCEPTIONAL SENTENCES.

(1) MITIGATING CIRCUMSTANCES

(A) TO A SIGNIFICANT DEGREE, THE VICTIM WAS AN INITIATOR, WILLING PARTICIPANT, AGGRESSOR, OR PROVOKER OF THE INCIDENT.

(B) BEFORE DETECTION, THE DEFENDANT COMPENSATED, OR MADE A GOOD FAITH EFFORT TO COMPENSATE, THE VICTIM OF THE CRIMINAL CONDUCT FOR ANY DAMAGE OR INJURY SUSTAINED.

(C) THE DEFENDANT COMMITTED THE CRIME UNDER DURESS, COERCION, THREAT, OR COMPULSION INSUFFICIENT TO CONSTITUTE A COMPLETE DEFENSE BUT WHICH SIGNIFICANTLY AFFECTED HIS OR HER CONDUCT.

(D) THE DEFENDANT, WITH NO APPARENT PREDISPOSITION TO DO SO, WAS INDUCED BY OTHERS TO PARTICIPATE IN THE CRIME.

(E) THE DEFENDANT'S CAPACITY TO APPRECIATE THE WRONGFULNESS OF HIS OR HER CONDUCT, OR TO CONFORM HIS OR HER CONDUCT TO THE REQUIREMENTS OF THE LAW, WAS SIGNIFICANTLY IMPAIRED. VOLUNTARY USE OF DRUGS OR ALCOHOL IS EXCLUDED.

(F) THE OFFENSE WAS PRINCIPALLY ACCOMPLISHED BY ANOTHER PERSON AND THE DEFENDANT MANIFESTED EXTREME CAUTION OR SINCERE CONCERN FOR THE SAFETY OR WELL-BEING OF THE VICTIM.

(G) THE OPERATION OF THE MULTIPLE OFFENSE POLICY OF RCW 9.94A.400 RESULTS IN A PRESUMPTIVE SENTENCE THAT IS CLEARLY EXCESSIVE IN LIGHT OF THE PURPOSE OF THIS CHAPTER, AS EXPRESSED IN RCW 9.94A.010.

(H) THE DEFENDANT OR THE DEFENDANT'S CHILDREN SUFFERED A CONTINUING PATTERN OF PHYSICAL OR SEXUAL ABUSE BY THE VICTIM OF THE OFFENSE AND THE OFFENSE IS A RESPONSE TO THAT ABUSE.

(2) AGGRAVATING CIRCUMSTANCES

(A) THE DEFENDANT'S CONDUCT DURING THE COMMISSION OF THE CURRENT OFFENSE MANIFESTED DELIBERATE CRUELTY TO THE VICTIM.

(B) THE DEFENDANT KNEW OR SHOULD HAVE KNOWN THAT THE VICTIM OF THE CURRENT OFFENSE WAS PARTICULARLY VULNERABLE OR INCAPABLE OF RESISTANCE DUE TO EXTREME YOUTH, ADVANCED AGE, DISABILITY, OR ILL HEALTH.

(C) THE CURRENT OFFENSE WAS A VIOLENT OFFENSE, AND THE DEFENDANT KNEW THAT THE VICTIM OF THE CURRENT OFFENSE WAS PREGNANT.

(D) THE CURRENT OFFENSE WAS A MAJOR ECONOMIC OFFENSE OR SERIES OF OFFENSES, SO IDENTIFIED BY A CONSIDERATION OF ANY OF THE FOLLOWING FACTORS:

- (I) THE CURRENT OFFENSE INVOLVED MULTIPLE VICTIMS OR MULTIPLE INCIDENTS PER VICTIM;
- (II) THE CURRENT OFFENSE INVOLVED ATTEMPTED OR ACTUAL MONETARY LOSS SUBSTANTIALLY GREATER THAN TYPICAL FOR THE OFFENSE;
- (III) THE CURRENT OFFENSE INVOLVED A HIGH DEGREE OF SOPHISTICATION OR PLANNING OR OCCURRED OVER A LENGTHY PERIOD OF TIME; OR
- (IV) THE DEFENDANT USED HIS OR HER POSITION OF TRUST, CONFIDENCE, OR FIDUCIARY RESPONSIBILITY TO FACILITATE THE COMMISSION OF THE CURRENT OFFENSE.

(E) THE CURRENT OFFENSE WAS A MAJOR VIOLATION OF THE UNIFORM CONTROLLED SUBSTANCES ACT, CHAPTER 69.50 RCW (VUCSA), RELATED TO TRAFFICKING IN CONTROLLED SUBSTANCES, WHICH WAS MORE ONEROUS THAN THE TYPICAL OFFENSE OF ITS STATUTORY DEFINITION: THE PRESENCE OF ANY OF THE FOLLOWING MAY IDENTIFY A CURRENT OFFENSE AS A MAJOR VUCSA:

- (I) THE CURRENT OFFENSE INVOLVED AT LEAST THREE SEPARATE TRANSACTIONS IN WHICH CONTROLLED SUBSTANCES WERE SOLD, TRANSFERRED, OR POSSESSED WITH INTENT TO DO SO;
- (II) THE CURRENT OFFENSE INVOLVED AN ATTEMPTED OR ACTUAL SALE OR TRANSFER OF CONTROLLED SUBSTANCES IN QUANTITIES SUBSTANTIALLY LARGER THAN FOR PERSONAL USE;
- (III) THE CURRENT OFFENSE INVOLVED THE MANUFACTURE OF CONTROLLED SUBSTANCES FOR USE BY OTHER PARTIES;
- (IV) THE CIRCUMSTANCES OF THE CURRENT OFFENSE REVEAL THE OFFENDER TO HAVE OCCUPIED A HIGH POSITION IN THE DRUG DISTRIBUTION HIERARCHY;
- (V) THE CURRENT OFFENSE INVOLVED A HIGH DEGREE OF SOPHISTICATION OR PLANNING, OCCURRED OVER A LENGTHY PERIOD OF TIME, OR INVOLVED A BROAD GEOGRAPHIC AREA OF DISBURSEMENT; OR
- (VI) THE OFFENDER USED HIS OR HER POSITION OR STATUS TO FACILITATE THE COMMISSION OF THE CURRENT OFFENSE, INCLUDING POSITIONS OF TRUST, CONFIDENCE OR FIDUCIARY RESPONSIBILITY (E.G., PHARMACIST, PHYSICIAN, OR OTHER MEDICAL PROFESSIONAL).

(F) THE CURRENT OFFENSE INCLUDED A FINDING OF SEXUAL MOTIVATION PURSUANT TO RCW 9.94A.127.

(G) THE OFFENSE WAS PART OF AN ONGOING PATTERN OF SEXUAL ABUSE OF THE SAME VICTIM UNDER THE AGE OF EIGHTEEN YEARS MANIFESTED BY MULTIPLE INCIDENTS OVER A PROLONGED PERIOD OF TIME.

(H) THE CURRENT OFFENSE INVOLVED DOMESTIC VIOLENCE, AS DEFINED IN RCW 10.99.020, AND ONE OR MORE OF THE FOLLOWING WAS PRESENT:

- (I) THE OFFENSE WAS PART OF AN ONGOING PATTERN OF PSYCHOLOGICAL, PHYSICAL, OR SEXUAL ABUSE OF THE VICTIM MANIFESTED BY MULTIPLE INCIDENTS OVER A PROLONGED PERIOD OF TIME;
- (II) THE OFFENSE OCCURRED WITHIN SIGHT OR SOUND OF THE VICTIM'S OR THE OFFENDER'S MINOR CHILDREN UNDER THE AGE OF EIGHTEEN YEARS; OR
- (III) THE OFFENDER'S CONDUCT DURING THE COMMISSION OF THE CURRENT OFFENSE MANIFESTED DELIBERATE CRUELTY OR INTIMIDATION OF THE VICTIM.

(I) THE OPERATION OF THE MULTIPLE OFFENSE POLICY OF RCW 9.94A.400 RESULTS IN A PRESUMPTIVE SENTENCE THAT IS CLEARLY TOO LENIENT IN LIGHT OF THE PURPOSE OF THIS CHAPTER, AS EXPRESSED IN RCW 9.94A.010.

(J) THE DEFENDANT'S PRIOR UNSCORED MISDEMEANOR OR PRIOR UNSCORED FOREIGN CRIMINAL HISTORY RESULTS IN A PRESUMPTIVE SENTENCE THAT IS CLEARLY TOO LENIENT IN LIGHT OF THE PURPOSE OF THIS CHAPTER, AS EXPRESSED IN RCW 9.94A.010.

(K) THE OFFENSE RESULTED IN THE PREGNANCY OF A CHILD VICTIM OF RAPE.

(L) THE DEFENDANT KNEW THAT THE VICTIM OF THE CURRENT OFFENSE WAS A YOUTH WHO WAS NOT RESIDING WITH A LEGAL CUSTODIAN AND THE DEFENDANT ESTABLISHED OR PROMOTED THE RELATIONSHIP FOR THE PRIMARY PURPOSE OF VICTIMIZATION.

OTHER TIMES AND PLACES OF MEETINGS MAY ALSO BE FIXED BY THE BOARD.

THE SUPERINTENDENTS OF THE DIFFERENT INSTITUTIONS SHALL PROVIDE SUITABLE QUARTERS FOR THE BOARD AND ASSISTANTS WHILE IN THE DISCHARGE OF THEIR DUTIES.

Sec. 318. RCW 9.95.010 AND 1955 C 133 S 2 ARE EACH AMENDED TO READ AS FOLLOWS:

THE MAXIMUM TERM TO BE FIXED BY THE COURT SHALL BE THE MAXIMUM PROVIDED BY LAW FOR THE CRIME OF WHICH SUCH PERSON WAS CONVICTED, IF THE LAW PROVIDES FOR A MAXIMUM TERM. IF THE LAW DOES NOT PROVIDE A MAXIMUM TERM FOR THE CRIME OF WHICH SUCH PERSON WAS CONVICTED THE COURT SHALL FIX SUCH MAXIMUM TERM, WHICH MAY BE FOR ANY NUMBER OF YEARS UP TO AND INCLUDING LIFE IMPRISONMENT BUT IN ANY CASE WHERE THE MAXIMUM TERM IS FIXED BY THE COURT IT SHALL BE FIXED AT NOT LESS THAN TWENTY YEARS.

THE COURT'S MINIMUM TERM DECISION IS SUBJECT TO REVIEW TO THE SAME EXTENT AS A MINIMUM TERM DECISION BY THE PAROLE BOARD BEFORE JULY 1, 1986.

THEREAFTER, THE EXPIRATION OF THE MINIMUM TERM SET BY THE COURT MINUS ANY TIME CREDITS EARNED UNDER RCW 9.95.070 AND 9.95.110 CONSTITUTES THE PAROLE ELIGIBILITY REVIEW DATE, AT WHICH TIME THE BOARD MAY CONSIDER THE CONVICTED PERSON FOR PAROLE UNDER RCW 9.95.100 AND 9.95.110 AND CHAPTER 72.04A RCW. NOTHING IN THIS SECTION AFFECTS THE BOARD'S AUTHORITY TO REDUCE OR INCREASE THE MINIMUM TERM, ONCE SET BY THE COURT, UNDER RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, OR 9.95.047.

(2) NOT LESS THAN NINETY DAYS PRIOR TO THE EXPIRATION OF THE MINIMUM TERM OF A PERSON SENTENCED UNDER SECTION 303 OF THIS ACT, FOR A SEX OFFENSE COMMITTED ON OR AFTER JULY 1, 2001, LESS ANY TIME CREDITS PERMITTED BY STATUTE, THE BOARD SHALL REVIEW THE PERSON FOR CONDITIONAL RELEASE TO COMMUNITY CUSTODY AS PROVIDED IN SECTION 307 OF THIS ACT. Sec. 323. RCW 9.95.052 AND 1986 C 224 S 10 ARE EACH AMENDED TO READ AS FOLLOWS:

AT ANY TIME AFTER THE BOARD (OR THE COURT AFTER JULY 1, 1986) HAS DETERMINED THE MINIMUM TERM OF CONFINEMENT OF ANY PERSON SUBJECT TO CONFINEMENT IN A STATE CORRECTIONAL INSTITUTION FOR A CRIME COMMITTED BEFORE JULY 1, 1984, THE BOARD MAY REQUEST THE SUPERINTENDENT OF SUCH CORRECTIONAL INSTITUTION TO CONDUCT A FULL REVIEW OF SUCH PERSON'S PROSPECTS FOR REHABILITATION AND REPORT TO THE BOARD THE FACTS OF SUCH REVIEW AND THE RESULTING FINDINGS. (2) PRIOR TO RELEASE OF AN OFFENDER IDENTIFIED UNDER THIS SECTION, A TEAM CONSISTING OF REPRESENTATIVES OF THE DEPARTMENT OF CORRECTIONS, THE DIVISION OF MENTAL HEALTH, AND, AS NECESSARY, THE INDETERMINATE SENTENCE REVIEW BOARD, OTHER DIVISIONS OR ADMINISTRATIONS WITHIN THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES, SPECIFICALLY INCLUDING THE DIVISION OF ALCOHOL AND SUBSTANCE ABUSE AND THE DIVISION OF DEVELOPMENTAL DISABILITIES, THE APPROPRIATE REGIONAL SUPPORT NETWORK, AND THE PROVIDERS, AS APPROPRIATE, SHALL DEVELOP A PLAN, AS DETERMINED NECESSARY BY THE TEAM, FOR DELIVERY OF TREATMENT AND SUPPORT SERVICES TO THE OFFENDER UPON RELEASE. (5) A SECOND EVALUATION BY A COUNTY DESIGNATED MENTAL HEALTH PROFESSIONAL SHALL OCCUR ON THE DAY OF RELEASE IF REQUESTED BY THE TEAM, BASED UPON NEW INFORMATION OR A CHANGE IN THE OFFENDER'S MENTAL CONDITION, AND THE INITIAL EVALUATION DID NOT RESULT IN AN EMERGENCY DETENTION OR A SUMMONS UNDER CHAPTER 71.05 RCW.

(6) IF THE COUNTY DESIGNATED MENTAL HEALTH PROFESSIONAL DETERMINES AN EMERGENCY DETENTION UNDER CHAPTER 71.05 RCW IS NECESSARY, THE DEPARTMENT SHALL RELEASE THE OFFENDER ONLY TO A STATE HOSPITAL OR TO A CONSENTING EVALUATION AND TREATMENT FACILITY. THE DEPARTMENT SHALL ARRANGE TRANSPORTATION OF THE OFFENDER TO THE HOSPITAL OR FACILITY.

(7) IF THE COUNTY DESIGNATED MENTAL HEALTH PROFESSIONAL BELIEVES THAT A LESS RESTRICTIVE ALTERNATIVE TREATMENT IS APPROPRIATE, HE OR SHE SHALL SEEK A SUMMONS, PURSUANT TO THE PROVISIONS OF CHAPTER 71.05 RCW, TO REQUIRE THE OFFENDER TO APPEAR AT AN EVALUATION AND TREATMENT FACILITY. IF A SUMMONS IS ISSUED, THE OFFENDER SHALL REMAIN WITHIN THE CORRECTIONS FACILITY UNTIL COMPLETION OF HIS OR HER TERM OF CONFINEMENT AND BE TRANSPORTED, BY CORRECTIONS PERSONNEL ON THE DAY OF COMPLETION, DIRECTLY TO THE IDENTIFIED EVALUATION AND TREATMENT FACILITY.

SEC. 1. RCW 77.36.005 AND 1996 C 54 S 1 ARE EACH AMENDED TO READ AS FOLLOWS:

THE LEGISLATURE FINDS THAT:

(1) AS THE NUMBER OF PEOPLE IN THE STATE GROWS AND WILDLIFE HABITAT IS ALTERED, PEOPLE WILL ENCOUNTER WILDLIFE MORE FREQUENTLY. AS A RESULT, CONFLICTS BETWEEN HUMANS AND WILDLIFE WILL ALSO INCREASE. WILDLIFE IS A PUBLIC RESOURCE OF SIGNIFICANT VALUE TO THE PEOPLE OF THE STATE AND THE RESPONSIBILITY TO MINIMIZE AND RESOLVE THESE CONFLICTS IS SHARED BY ALL CITIZENS OF THE STATE.

(2) IN PARTICULAR, THE STATE RECOGNIZES THE IMPORTANCE OF COMMERCIAL AGRICULTURAL AND HORTICULTURAL CROP PRODUCTION, RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK, AND THE VALUE OF HEALTHY DEER AND ELK POPULATIONS, WHICH CAN DAMAGE SUCH CROPS. THE LEGISLATURE FURTHER FINDS THAT DAMAGE PREVENTION IS KEY TO MAINTAINING HEALTHY DEER AND ELK POPULATIONS, WILDLIFE-RELATED RECREATIONAL OPPORTUNITIES, ~~((AND))~~ COMMERCIALY PRODUCTIVE AGRICULTURAL AND HORTICULTURAL CROPS, AND RANGELAND SUITABLE FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK, AND THAT THE STATE, PARTICIPANTS IN WILDLIFE RECREATION, AND PRIVATE LANDOWNERS AND TENANTS SHARE THE RESPONSIBILITY FOR DAMAGE PREVENTION. TOWARD THIS END, THE LEGISLATURE ENCOURAGES LANDOWNERS AND TENANTS TO CONTRIBUTE THROUGH THEIR LAND MANAGEMENT PRACTICES TO HEALTHY WILDLIFE POPULATIONS AND TO PROVIDE ACCESS FOR RELATED RECREATION. IT IS IN THE BEST INTERESTS OF THE STATE FOR THE DEPARTMENT OF FISH AND WILDLIFE TO RESPOND QUICKLY TO WILDLIFE DAMAGE COMPLAINTS AND TO WORK WITH THESE LANDOWNERS AND TENANTS TO MINIMIZE AND/OR PREVENT DAMAGES AND CONFLICTS WHILE MAINTAINING DEER AND ELK POPULATIONS FOR ENJOYMENT BY ALL CITIZENS OF THE STATE.

(3) A TIMELY AND SIMPLIFIED PROCESS FOR RESOLVING CLAIMS FOR DAMAGES CAUSED BY DEER AND ELK FOR COMMERCIAL AGRICULTURAL OR HORTICULTURAL PRODUCTS, AND RANGELAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK IS BENEFICIAL TO THE CLAIMANT AND THE STATE.

SEC. 2. RCW 77.36.010 AND 1996 C 54 S 2 ARE EACH AMENDED TO READ AS FOLLOWS:

~~((UNLESS OTHERWISE SPECIFIED,))~~ THE ~~((FOLLOWING))~~ DEFINITIONS IN THIS SECTION APPLY THROUGHOUT THIS CHAPTER ~~((:))~~ UNLESS THE CONTEXT CLEARLY REQUIRES OTHERWISE.

(1) "CROP" MEANS ~~((A COMMERCIALY RAISED HORTICULTURAL AND/OR AGRICULTURAL PRODUCT AND INCLUDES GROWING OR HARVESTED PRODUCT BUT DOES NOT INCLUDE LIVESTOCK))~~ (A) A GROWING OR HARVESTED HORTICULTURAL AND/OR AGRICULTURAL PRODUCT FOR COMMERCIAL PURPOSES; OR (B) RANGELAND FORAGE ON PRIVATELY OWNED LAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK FOR AT LEAST A PORTION OF THE YEAR FOR COMMERCIAL PURPOSES. FOR THE PURPOSES OF THIS CHAPTER ALL PARTS OF HORTICULTURAL TREES SHALL BE CONSIDERED A CROP AND SHALL BE ELIGIBLE FOR CLAIMS.

(2) "EMERGENCY" MEANS AN UNFORESEEN CIRCUMSTANCE BEYOND THE CONTROL OF THE LANDOWNER OR TENANT THAT PRESENTS A REAL AND IMMEDIATE THREAT TO CROPS, DOMESTIC ANIMALS, OR FOWL.

(3) "IMMEDIATE FAMILY MEMBER" MEANS SPOUSE, BROTHER, SISTER, GRANDPARENT, PARENT, CHILD, OR GRANDCHILD.

SEC. 3. RCW 77.36.080 AND 1996 C 54 S 9 ARE EACH AMENDED TO READ AS FOLLOWS:

(1) THE DEPARTMENT MAY PAY NO MORE THAN THIRTY THOUSAND DOLLARS PER FISCAL YEAR FROM THE GENERAL FUND FOR CLAIMS UNDER RCW 77.36.040 AND FOR ASSESSMENT COSTS AND COMPROMISE OF CLAIMS UNLESS THE LEGISLATURE DECLARES AN EMERGENCY. SUCH MONEY SHALL BE USED TO PAY ANIMAL DAMAGE CLAIMS ONLY IF THE CLAIM MEETS THE CONDITIONS OF RCW 77.36.040 AND THE DAMAGE OCCURRED IN A PLACE WHERE THE OPPORTUNITY TO HUNT WAS RESTRICTED OR PROHIBITED BY A COUNTY, MUNICIPALITY, OR OTHER PUBLIC ENTITY DURING THE SEASON PRIOR TO THE OCCURRENCE OF THE DAMAGE.

(2) THE LEGISLATURE MAY DECLARE AN EMERGENCY, DEFINED FOR THE PURPOSES OF THIS SECTION AS ANY HAPPENING ARISING FROM WEATHER, OTHER NATURAL CONDITIONS, OR FIRE THAT CAUSES UNUSUALLY GREAT DAMAGE BY DEER OR ELK TO COMMERCIALY RAISED AGRICULTURAL OR HORTICULTURAL CROPS ~~((BY DEER OR ELK)),~~ OR RANGELAND FORAGE ON PRIVATELY OWNED LAND USED FOR GRAZING OR BROWSING OF DOMESTIC LIVESTOCK FOR AT LEAST A PORTION OF THE YEAR. IN AN EMERGENCY, THE DEPARTMENT MAY PAY AS MUCH AS MAY BE SUBSEQUENTLY APPROPRIATED, IN ADDITION TO THE FUNDS AUTHORIZED UNDER SUBSECTION (1) OF THIS SECTION, FOR CLAIMS UNDER RCW 77.36.040 AND FOR ASSESSMENT AND COMPROMISE OF CLAIMS. SUCH MONEY SHALL BE USED TO PAY ANIMAL DAMAGE CLAIMS ONLY IF THE CLAIM MEETS THE CONDITIONS OF RCW 77.36.040 AND THE DEPARTMENT HAS EXPENDED ALL FUNDS AUTHORIZED UNDER RCW 77.36.070 OR SUBSECTION (1) OF THIS SECTION.

(3) OF THE TOTAL FUNDS AVAILABLE EACH FISCAL YEAR UNDER SUBSECTION (1) OF THIS SECTION AND RCW 77.36.070, NO MORE THAN ONE-THIRD OF THIS TOTAL MAY BE USED TO PAY ANIMAL DAMAGE CLAIMS FOR RANGELAND FORAGE ON PRIVATELY OWNED LAND.

NEW SECTION. SEC. 4. A NEW SECTION IS ADDED TO CHAPTER 43.131 RCW TO READ AS FOLLOWS:

THE REVIEW MUST BE COMPLETED BY JANUARY 1, 2004.

PERSONAL PRIVILEGE

SENATOR BROWN: "A POINT OF PERSONAL PRIVILEGE, MR. PRESIDENT. IN THE FLOOR DEBATE ON SECOND SUBSTITUTE SENATE BILL NO. 5419, THE PRIME SPONSOR, SENATOR PATTERSON, REFERRED TO SOME PERSONAL CIRCUMSTANCES TO SOME OF THE MEMBERS OF THE SENATE IN TERMS OF THE EFFECTS ON THEM AND THEIR FAMILIES OF DRUG AND ALCOHOL USE AND ABUSE. I JUST WANTED TO SAY THAT I WAS ONE OF THE INDIVIDUALS THAT SHE REFERENCED AND I FEEL LIKE I WANT TO GIVE HER A DEBT OF GRATITUDE FOR BRINGING SOME OF THOSE THINGS FORWARD. OFTEN WE FAIL TO, MAYBE, MENTION THOSE THINGS OURSELVES, BUT IT IS PART OF THE PASSION THAT BRINGS US HERE AND IT IS PART OF THE THINGS THAT ARE BEHIND THE POLICIES THAT WE PASS. EVEN THOUGH WE HAVE VERY STRONG DIFFERENCES OF OPINION, I REALLY RESPECT THE VIEWS OF THE PEOPLE AND THE WAYS THEIR PERSONAL EXPERIENCES HAVE SHAPED THEIR VIEWS AND HAVE CAUSED THEM TO VOTE THEIR CONSCIENCE ON THIS ISSUE. THANK YOU, MR. PRESIDENT."

PERSONAL PRIVILEGE

SENATOR GARDNER: "A POINT OF PERSONAL PRIVILEGE, MR. PRESIDENT. I WANTED TO EXPRESS MY APPRECIATION TO MY COLLEAGUES AND MY FRIENDS. AS YOU KNOW, I HAVE BEEN THROUGH THE LENGTHY ILLNESS AND DEATH OF MY SIGNIFICANT OTHER, GEORGE MEADOR. AFTER SIXTEEN LONG YEARS OF THINKING IT OVER, WE FINALLY DECIDED TO MARRY THIS SPRING. THAT ISN'T TO BE. I AM SORRY THAT MORE OF YOU DIDN'T GET TO KNOW GEORGE, BECAUSE HE WAS A WONDERFUL MAN. YOUR KINDNESS AND YOUR CONSIDERATION HELPED ME THROUGH THIS TIME. IT IS SOMETHING THAT I DID WANT TO ACKNOWLEDGE, SO I DO APPRECIATE THAT VERY MUCH. THANK YOU."

SENATE BILL NO. 5270,
SENATE BILL NO. 5440.

MOTION

On motion of Senator Sheahan, the following resolution was adopted:

SENATE RESOLUTION 2001-8670

By Senator Finkbeiner

WHEREAS, Of all muscular dystrophies, Duchenne Muscular Dystrophy is the world's most common and lethal form of genetic childhood disease, affecting, according to one study, one in every 3,500 newborn males worldwide, and is characterized by a rapidly progressive form of genetic weakness that results in death, usually by late teens or early twenties; and

WHEREAS, If a female is a carrier of the dystrophin gene with a mutation, there is a fifty percent chance per birth that her male offspring will have Duchenne Muscular Dystrophy, and a fifty percent chance per birth that her female offspring will be a carrier; and

WHEREAS, Other forms of muscular dystrophy affecting children include Becker, limb-girdle, congenital, facioscapulohumeral, mytonic, oculopharyngeal, distal, and Emery-Dreifuss muscular dystrophies and spinal muscular atrophy; and

WHEREAS, Each of these muscular dystrophies, though distinct in progressivity and severity of symptoms, has a devastating impact on thousands of children throughout the United States and worldwide; and

WHEREAS, Children with muscular dystrophy exhibit extreme symptoms of weakness, delay in walking, waddling gait, difficulty in climbing stairs, and progressive mobility problems often in combination with muscle hypertrophy; and

WHEREAS, Because of limited medical research specific to the muscular dystrophies, current treatment options are minimal in efficacy and palliation, and with respect to Duchenne Muscular Dystrophy, are aimed at simply managing the symptoms in an effort to optimize the quality of life; and

WHEREAS, Many family physicians and health care professionals lack the knowledge and resources to detect and properly diagnosis the disease as early as possible, thus exacerbating the progression of symptoms in cases that go undetected or misdiagnosed; and

WHEREAS, This disease has a significant impact on quality of life -- not only for the individual who experiences its painful symptoms and resulting disability, but also for the family members and caregivers; and

WHEREAS, Currently there exists only a small quantity of public information about the various forms of muscular dystrophy, and what little information does exist remains inadequately disseminated and insufficient in addressing the needs of specific diverse populations and other underserved groups; and

WHEREAS, Educating the public and health care community throughout the state and country about this devastating disease is of paramount importance and is in every respect in the public interest and to the benefit of all communities;

NOW, THEREFORE, BE IT RESOLVED, That the Senate of the state of Washington recognize, honor and express appreciation for the courage and efforts of parents of children with muscular dystrophies and other people in our state who work tirelessly to raise public awareness of the needs of children and their families with this disease so that they can survive, thrive and fully participate into adult age; and

BE IT FURTHER RESOLVED, That the Senate of the state of Washington also recognize the collaborative efforts of families and others to disseminate information about muscular dystrophies and marshal private and public resources focused on learning more about causes, treatments and a cure for the various forms of muscular dystrophy; and

BE IT FURTHER RESOLVED, That the Senate of the state of Washington also recognize the plight of all people afflicted with Duchenne Muscular Dystrophy, Becker Muscular Dystrophy and other muscular dystrophies.

MOTION

On motion of Senator Sheahan, the following resolution was adopted:

WHEREAS, only five such awards are presented annually across the nation; and

WHEREAS, Walla Walla turned around its downtown and reduced empty storefronts from thirty percent in 1985 to only four percent today by undertaking a major streetscape project; and

WHEREAS, Walla Walla's revitalization project proves that Main Street can not only compete with big box retail, it can also change an entire community; and

WHEREAS, by attacking its economic problems head-on, the people of Walla Walla honored their city's past and gave it a future; and

WHEREAS, historic and landmark buildings have been renovated, redeveloped, and expanded to attract high-tech office space, restaurants; and retail businesses;

WHEREAS, downtown Walla Walla provides tourists and residents a place to enjoy festivals, concerts, farmer's markets, celebrations, and parades;

NOW, THEREFORE, BE IT RESOLVED, By the Senate of the state of Washington, that the citizens, community leaders, and business owners of Walla Walla be recognized for investing in their city's heart and soul and for achieving recognition as a Great American Main Street;

BE IT FURTHER RESOLVED, that a copy of this resolution be immediately transmitted by the Secretary of the Senate to the Mayor and City Council of Walla Walla, to the Walla Walla Chamber of Commerce, to the Walla Walla County Commissioners, to the Washington State Tourism Council and to the Director of Walla Walla Downtown Foundation, Timothy Bishop.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5413 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 13.34 RCW to read as follows:

(1) Following shelter care and no later than twenty-five days prior to fact-finding, the department, upon the parent's request, shall facilitate a conference to develop and specify in a written service agreement the expectations of both the department and the parent regarding the care and placement of the child.

The department shall invite to the conference the parent, the foster parent or other out-of-home care provider, caseworker, counselor, or other relevant health care provider, and any other person connected to the development and well-being of the child.

The initial written service agreement expectations must correlate with the court's findings at the shelter care hearing. The written service agreement must set forth specific criteria that enables the court to measure the performance of both the department and the parent, and must be updated throughout the dependency process to reflect changes in expectations. The service agreement must serve as the unifying document for all expectations established in the department's various case planning and case management documents and the findings and orders of the court during dependency proceedings.

The court shall review the written service agreement at each stage of the dependency proceedings and evaluate the performance of both the department and the parent for consistent, measurable progress in complying with the expectations identified in the agreement.

(2) At any other stage in a dependency proceeding, the department, upon the parent's request, shall facilitate a case conference.

Sec. 2. RCW 13.34.062 and 2000 c 122 s 5 are each amended to read as follows:

(1) The written notice of custody and rights required by RCW 13.34.060 shall be in substantially the following form:

"NOTICE

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other person or agency). You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody excluding Saturdays, Sundays, and holidays. You should call the court at (insert appropriate phone number here) for specific information about the date, time, and location of the court hearing.

2. You have the right to have a lawyer represent you at the hearing. You have the right to records the department intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

You should be present at any shelter care hearing. If you do not come, the judge will not hear what you have to say.

You may call the Child Protective Services' caseworker for more information about your child. The caseworker's name and telephone number are: (insert name and telephone number).

5. You may request that the department facilitate a case conference to develop a written service agreement following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care. You may participate in the case conference.

Upon receipt of the written notice, the parent, guardian, or legal custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parents, guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, guardian, or legal custodian.

(2) If child protective services is not required to give notice under RCW 13.34.060(2) and subsection (1) of this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

(3) Reasonable efforts to advise and to give notice, as required in RCW 13.34.060(2) and subsections (1) and (2) of this section, shall include, at a minimum, investigation of the whereabouts of the parent, guardian, or legal custodian. If such reasonable efforts are not successful, or the parent, guardian, or legal custodian does not appear at the shelter care hearing, the petitioner shall testify at the hearing or state in a declaration:

(a) The efforts made to investigate the whereabouts of, and to advise, the parent, guardian, or legal custodian;
and

(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used.

(4) The court shall hear evidence regarding notice given to, and efforts to notify, the parent, guardian, or legal custodian and shall examine the need for shelter care. The court shall hear evidence regarding the efforts made to place the child with a relative. The court shall make an express finding as to whether the notice required under RCW 13.34.060(2) and subsections (1) and (2) of this section was given to the parent, guardian, or legal custodian. All parties have the right to present testimony to the court regarding the need or lack of need for shelter care. Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(5) A shelter care order issued pursuant to RCW 13.34.065 may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(6) Any parent, guardian, or legal custodian who for good cause is unable to attend the initial shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

Sec. 3. RCW 13.34.065 and 2000 c 122 s 7 are each amended to read as follows:

(1) The juvenile court probation counselor shall submit a recommendation to the court as to the further need for shelter care unless the petition has been filed by the department, in which case the recommendation shall be submitted by the department.

(2) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian unless the court finds there is reasonable cause to believe that:

(a) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and

(b)(i) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(ii) The release of such child would present a serious threat of substantial harm to such child; or

(iii) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060(1), the court shall order continued placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized. If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1). If a relative is not available, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order. The court shall enter a finding as to whether RCW 13.34.060(2) and subsections (1) and (2) of this section have been complied with. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090.

(3) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent and give weight to that fact before ordering return of the child to shelter care.

(4) If a child is returned home from shelter care a second time, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(5) If a child is returned home from shelter care a second time, a law enforcement officer must be present and file a report.

Sec. 4. RCW 13.34.180 and 2000 c 122 s 25 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (2) or (3) of this section applies:

(a) That the child has been found to be a dependent child;

(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;

(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;

(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;

(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental deficiencies within twelve months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within

the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied the court may consider, but is not limited to, the following factors:

(i) Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or

(ii) Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation that there is no treatment that can render the parent capable of providing proper care for the child in the near future; and

(f) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home.

(2) In lieu of the allegations in subsection (1) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found.

(3) In lieu of the allegations in subsection (1)(b) through (f) of this section, the petition may allege that the parent has been convicted of:

(a) Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;

(b) Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;

(c) Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent.

(4) Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

Sec. 5. RCW 13.34.138 and 2000 c 122 s 19 are each amended to read as follows:

(1) Except for children whose cases are reviewed by a citizen review board under chapter 13.70 RCW, the status of all children found to be dependent shall be reviewed by the court at least every six months from the beginning date of the placement episode or the date dependency is established, whichever is first, at a hearing in which it shall be determined whether court supervision should continue. The initial review hearing shall be set six months from the beginning date of the placement episode or no more than sixty to ninety days from the entry of the disposition order, whichever comes first. The initial review hearing may be a permanency planning hearing when necessary to meet the time frames set forth in RCW 13.34.145(3) or 13.34.134. The review shall include findings regarding the agency and parental completion of disposition plan requirements, and if necessary, revised permanency time limits. This review shall consider both the agency's and parent's efforts that demonstrate consistent measurable progress over time in meeting the disposition plan requirements. The requirements for the initial review hearing shall be accomplished within existing resources. The supervising agency shall provide a foster parent, preadoptive parent, or relative with notice of, and their right to an opportunity to be heard in, a review hearing pertaining to the child, but only if that person is currently providing care to that child at the time of the hearing. This section shall not be construed to grant party status to any person who has been provided an opportunity to be heard.

(a) A child shall not be returned home at the review hearing unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists. The parents, guardian, or legal custodian shall report to the court the efforts they have made to correct the conditions which led to removal. If a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) Whether reasonable services have been provided to or offered to the parties to facilitate reunion, specifying the services provided or offered;

(ii) Whether the child has been placed in the least-restrictive setting appropriate to the child's needs, including whether consideration and preference has been given to placement with the child's relatives;

(iii) Whether there is a continuing need for placement and whether the placement is appropriate;

(iv) Whether there has been compliance with the case plan by the child, the child's parents, and the agency supervising the placement;

(v) Whether progress has been made toward correcting the problems that necessitated the child's placement in out-of-home care;

(vi) Whether the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(vii) Whether additional services, including housing assistance, are needed to facilitate the return of the child to the child's parents; if so, the court shall order that reasonable services be offered specifying such services; and

(viii) The projected date by which the child will be returned home or other permanent plan of care will be implemented.

(c) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

(2) The court's ability to order housing assistance under RCW 13.34.130 and this section is: (a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and (b) subject to the availability of funds appropriated for this specific purpose.

NEW SECTION. Sec. 6. A new section is added to chapter 13.34 RCW to read as follows:

The department shall inform parents who request a case conference about the process prior to the process being undertaken.

Sec.7. RCW 13.34.110 and 2000 c 122 s 11 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2)(a) The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any. If the department of social and health services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must complete a Stipulated/Agreed Dependency Fact-Finding/Disposition Statement. The form of this statement shall be determined by the Washington state supreme court pursuant to General Rule GR 9 and shall include the following:

(i) The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;

(ii) The parent, guardian, or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child within the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

(3) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: ((4)) (a) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; ((2)) (b) are known to the department as having been in contact with the family or child within the past twelve months; and ((3)) (c) would be an appropriate placement for the child. Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence.

The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement. ((The court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in

connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.))"

Correct the title., and the same are herewith transmitted.

MOTION

On motion of Senator Gardner, the Senate refuses to concur in the House amendment to Substitute Senate Bill No. 5443 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

April 6, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5583 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 71.24.015 and 1999 c 214 s 7 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide for:

(1) Access to mental health services for adults of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed, which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. Access to mental health services shall not be limited by a person's history of confinement in a state, federal, or local correctional facility. It is also the purpose of this chapter to promote the early identification of mentally ill children and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and should enable treatment decisions to be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of efficient and effective services through state of the art outcome and performance measures and statewide standards for monitoring client and system outcomes, performance, and reporting of information. These processes shall be designed so as to maximize the use of available resources for direct care of people with a mental illness;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill consistent with the priorities defined in the statute;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

NEW SECTION. Sec. 2. A new section is added to chapter 71.24 RCW to read as follows:

The department shall operate the community mental health service delivery system authorized under this chapter within the following constraints:

(1) The full amount of federal funds for mental health services, plus qualifying state expenditures as appropriated in the biennial operating budget, shall be appropriated to the department each year in the biennial appropriations act to carry out the provisions of the community mental health service delivery system authorized in this chapter.

(2) The department may expend funds defined in subsection (1) of this section in any manner that will effectively accomplish the outcome measures defined in section 4 of this act. No more than twenty percent of the amount provided in subsection (1) of this section may be spent cumulatively for administrative purposes by the department, regional support networks, and providers. For the purpose of this subsection, "administrative purposes" does not include expenditures for information technology and computerization needed for tracking and monitoring required under RCW 71.24.035.

(3) The department shall implement strategies that accomplish the outcome measures identified in section 4 of this act that are within the funding constraints in this section. The department may transfer appropriation authority between funding categories within the health and rehabilitation services administration, the children and family services administration, the aging and adult services administration, and the medical assistance administration in order to carry out the requirements of this subsection.

(4) The department shall monitor expenditures against the appropriation levels provided for in subsection (1) of this section.

NEW SECTION. Sec. 3. A new section is added to chapter 71.24 RCW to read as follows:

It is the intent of the legislature that the community mental health service delivery system focus on maintaining mentally ill individuals in the community. NEW SECTION. Sec. 4. A new section is added to chapter 71.24 RCW to read as follows:

(1) The department, in collaboration with a work group made up of consumers, service providers, and representatives of regional support networks shall develop performance measures for use in evaluating and managing the community mental health service delivery system authorized under this chapter. The performance measures shall be reviewed, and updated as needed, by January 15th of each odd-numbered year. The performance measures shall be consistent with the provisions of RCW 71.24.405(3) which may include but are not limited to:

- (a) Access to services;

 - (vii) Percent of consumers without a psychiatric hospitalization; and
- (d) Structure and plan management.

(2) The department shall require that service providers and regional support networks collect uniform performance measure information and report it to the department regularly. The department shall develop benchmarks that compare performance measure information from all regional support networks and providers to provide a clear indication of the most effective regional support networks and providers. Benchmark information shall be published quarterly and provided to the legislature, the governor, regional support networks, and all providers of mental health services.

NEW SECTION. Sec. 5. A new section is added to chapter 71.24 RCW to read as follows:

Every regional support network and mental health services provider shall be evaluated using the criteria in section 4 of this act.

NEW SECTION. Sec. 6. A new section is added to chapter 71.24 RCW to read as follows:

The department shall provide a report to the appropriate committees of the legislature on the development, implementation, and achievement of the performance measures by regional support networks and service providers on an annual basis, no later than June 30th of each year, beginning in 2002. - (3) The secretary shall provide for participation in developing the state mental health program for children and other underserved populations, by including representatives on any committee established to provide oversight to the state mental health program.
- (4) The secretary shall be designated as the county authority if a county fails to meet state minimum standards or refuses to exercise responsibilities under RCW 71.24.045.
- (5) The secretary shall:
 - (a) Develop a biennial state mental health program that incorporates county biennial needs assessments and county mental health service plans and state services for mentally ill adults and children. The secretary may also develop a six-year state mental health plan;
 - (b) Assure that any regional or county community mental health program provides access to treatment for the county's residents in the following order of priority: (i) The acutely mentally ill; (ii) chronically mentally ill adults and severely emotionally disturbed children; and (iii) the seriously disturbed. Such programs shall provide:
 - (A) Outpatient services;
 - (B) Emergency care services for twenty-four hours per day;
 - (C) Day treatment for mentally ill persons which includes training in basic living and social skills, supported work, vocational rehabilitation, and day activities. Such services may include therapeutic treatment. In the case of a child, day treatment includes age-appropriate basic living and social skills, educational and prevocational services, day activities, and therapeutic treatment;
 - (D) Screening for patients being considered for admission to state mental health facilities to determine the appropriateness of admission;
 - (E) Employment services, which may include supported employment, transitional work, placement in competitive employment, and other work-related services, that result in mentally ill persons becoming engaged in meaningful and gainful full or part-time work. Other sources of funding such as the division of vocational rehabilitation may be utilized by the secretary to maximize federal funding and provide for integration of services;
 - (F) Consultation and education services; and
 - (G) Community support services;
 - (c) Develop and adopt rules establishing state minimum standards for the delivery of mental health services pursuant to RCW 71.24.037 including, but not limited to:
 - (i) Licensed service providers. The secretary shall provide for deeming of compliance with state minimum standards for those entities accredited by recognized behavioral health accrediting bodies;
 - (ii) Regional support networks; and
 - (iii) ~~((Residential and))~~ Inpatient services, evaluation and treatment services and facilities under chapter 71.05 RCW, resource management services, and community support services;
 - (d) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this section;
 - (e) Establish a standard contract or contracts, consistent with state minimum standards, which shall be used ~~((by the))~~ in contracting with regional support networks or counties. The standard contract shall include a maximum fund balance, which shall not exceed ten percent;
 - (f) Establish, to the extent possible, a standardized auditing procedure which minimizes paperwork requirements of county authorities and licensed service providers. The audit procedure shall focus on the outcomes of service and not the processes for accomplishing them;
 - (g) Develop and maintain an information system to be used by the state, counties, and regional support networks that includes a tracking method which allows the department and regional support networks to identify mental health clients' participation in any mental health service or public program on an immediate basis. The information system shall not include individual patient's case history files. Confidentiality of client information and records shall be maintained as provided in this chapter and in RCW 71.05.390, 71.05.400, 71.05.410, 71.05.420, 71.05.430, and 71.05.440. The design of the system and the data elements to be collected shall be reviewed each biennium by a committee appointed by the secretary and representing the department, regional support networks, service providers, consumers, and advocates. The data elements shall be designed to provide information that is needed to measure performance and achieve the service outcomes identified in section 4 of this act;
 - (h) License service providers who meet state minimum standards;
 - (i) Certify regional support networks that meet state minimum standards;
 - (j) Periodically ~~((inspect))~~ monitor the compliance of certified regional support networks and their network of licensed service providers for compliance with the contract between the department and the regional support network at reasonable times and in a reasonable manner;
 - (k) Fix fees to be paid by evaluation and treatment centers to the secretary for the required inspections;
 - (l) Monitor and audit counties, regional support networks, and licensed service providers as needed to assure compliance with contractual agreements authorized by this chapter; and
 - (m) Adopt such rules as are necessary to implement the department's responsibilities under this chapter. The secretary may not adopt rules that divert resources from the direct care of people with a mental illness unless they are directly required for the health and safety of consumers, the implementation of this chapter, or other state or federal requirements.
- (6) The secretary shall use available resources only for regional support networks.
- (7) Each certified regional support network and licensed service provider shall file with the secretary, on request, such data, statistics, schedules, and information as the secretary reasonably requires. A certified regional support network or licensed service provider which, without good cause, fails to furnish any data, statistics, schedules, or information as requested, or files fraudulent reports thereof, may have its certification or license revoked or suspended.

(8) The secretary may suspend, revoke, limit, or restrict a certification or license, or refuse to grant a certification or license for failure to conform to: (a) The law; (b) applicable rules and regulations; (c) applicable standards; or (d) state minimum standards.

(9) The superior court may restrain any regional support network or service provider from operating without certification or a license or any other violation of this section. The court may also review, pursuant to procedures contained in chapter 34.05 RCW, any denial, suspension, limitation, restriction, or revocation of certification or license, and grant other relief required to enforce the provisions of this chapter.

(10) Upon petition by the secretary, and after hearing held upon reasonable notice to the facility, the superior court may issue a warrant to an officer or employee of the secretary authorizing him or her to enter at reasonable times, and examine the records, books, and accounts of any regional support network or service provider refusing to consent to inspection or examination by the authority.

(11) Notwithstanding the existence or pursuit of any other remedy, the secretary may file an action for an injunction or other process against any person or governmental unit to restrain or prevent the establishment, conduct, or operation of a regional support network or service provider without certification or a license under this chapter.

(12) The standards for certification of evaluation and treatment facilities shall include standards relating to maintenance of good physical and mental health and other services to be afforded persons pursuant to this chapter and chapters 71.05 and 71.34 RCW, and shall otherwise assure the effectuation of the purposes of these chapters.

(13)(a) The department, in consultation with affected parties, shall establish a distribution formula that reflects county needs assessments based on the number of persons who are acutely mentally ill, chronically mentally ill, severely emotionally disturbed children, and seriously disturbed. The formula shall take into consideration the impact on counties of demographic factors in counties which result in concentrations of priority populations as set forth in subsection (5)(b) of this section. These factors shall include the population concentrations resulting from commitments under chapters 71.05 and 71.34 RCW to state psychiatric hospitals, as well as concentration in urban areas, at border crossings at state boundaries, and other significant demographic and workload factors.

(b) The formula shall also include a projection of the funding allocations that will result for each county, which specifies allocations according to priority populations, including the allocation for services to children and other underserved populations.

(14) The secretary shall assume all duties assigned to the nonparticipating counties under chapters 71.05, 71.34, and 71.24 RCW. Such responsibilities shall include those which would have been assigned to the nonparticipating counties under regional support networks.

The regional support networks, or the secretary's assumption of all responsibilities under chapters 71.05, 71.34, and 71.24 RCW, shall be included in all state and federal plans affecting the state mental health program including at least those required by this chapter, the medicaid program, and P.L. 99-660. Nothing in these plans shall be inconsistent with the intent and requirements of this chapter.

(15) The secretary shall:

(a) Disburse funds for the regional support networks within sixty days of approval of the biennial contract. The department must either approve or reject the biennial contract within sixty days of receipt.

(b) Enter into biennial contracts with regional support networks. The contracts shall be consistent with available resources. No contract shall be approved that does not include progress toward meeting the goals of this chapter by taking responsibility for: (i) Short-term commitments; (ii) residential care; and (iii) emergency response systems.

(c) Allocate one hundred percent of available resources to the regional support networks in accordance with subsection (13) of this section.

(d) Notify regional support networks of their allocation of available resources at least sixty days prior to the start of a new biennial contract period.

(e) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

~~((f) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.))~~

(16) The department, in cooperation with the state congressional delegation, shall actively seek waivers of federal requirements and such modifications of federal regulations as are necessary to allow federal medicaid reimbursement for services provided by free-standing evaluation and treatment facilities certified under chapter 71.05 RCW. It is the intent of the legislature that the department take great care to avoid, in the processing of a waiver request, creating requirements that divert available resources from direct care. The department shall periodically report its efforts to the ~~((health care and corrections))~~ appropriate committees of the senate and the ~~((human services committee of the))~~ house of representatives.

~~((17) The secretary shall establish a task force to examine the recruitment, training, and compensation of qualified mental health professionals in the community, which shall include the advantages and disadvantages of establishing a training academy, loan forgiveness program, or educational stipends offered in exchange for commitments of employment in mental health.))~~

Sec. 10. RCW 71.24.037 and 1999 c 10 s 5 are each amended to read as follows:

(1) The secretary shall by rule establish state minimum standards for licensed service providers and services.

(2) Minimum standards for licensed service providers shall, at a minimum, establish: Qualifications for staff providing services directly to mentally ill persons, the intended result of each service, and the rights and responsibilities of persons receiving mental health services pursuant to this chapter. The secretary shall provide for deeming of licensed service providers as meeting state minimum standards as a result of accreditation by a recognized behavioral health accrediting body.

(3) ~~((Minimum standards for residential services shall be based on clients' functional abilities and not solely on their diagnoses, limited to health and safety, staff qualifications, and program outcomes. Minimum standards for residential services shall be developed in collaboration with consumers, families, counties, regulators, and residential providers serving the mentally ill. The minimum standards shall encourage the development of broad-range residential programs, including integrated housing and cross-systems programs where appropriate, and shall not unnecessarily restrict programming flexibility.))~~

(4)) Minimum standards for community support services and resource management services shall include at least qualifications for resource management services, client tracking systems, and the transfer of patient information between service providers.

Sec. 11. RCW 71.24.045 and 1992 c 230 s 5 are each amended to read as follows:

The county authority shall:

(1) Contract as needed with licensed service providers. The county authority may, in the absence of a licensed service provider entity, become a licensed service provider entity pursuant to minimum standards required for licensing by the department for the purpose of providing services not available from licensed service providers;

(2) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective;

(3) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts(~~(, including the minimum standards of service delivery as established by the department)~~);

(4) Assure that the special needs of minorities, the elderly, disabled, children, and low-income persons are met within the priorities established in this chapter;

(5) Maintain patient tracking information in a central location as required for resource management services and the department's information system;

(6) Use not more than two percent of state-appropriated community mental health funds, which shall not include federal funds, to administer community mental health programs under RCW 71.24.155: PROVIDED, That county authorities serving a county or combination of counties whose population is one hundred twenty-five thousand or more may be entitled to sufficient state-appropriated community mental health funds to employ up to one full-time employee or the equivalent thereof in addition to the two percent limit established in this subsection when such employee is providing staff services to a county mental health advisory board;

(7) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

Sec. 12. RCW 71.24.049 and 1999 c 10 s 6 are each amended to read as follows:

By January 1st of each odd-numbered year, the (~~county authority~~) regional support network shall identify: (1) The number of children in each priority group, as defined by this chapter, who are receiving mental health services funded in part or in whole under this chapter, (2) the amount of funds under this chapter used for children's mental health services, (3) an estimate of the number of unserved children in each priority group, and (4) the estimated cost of serving these additional children and their families.

Sec. 13. RCW 71.24.155 and 1987 c 505 s 65 are each amended to read as follows:

Grants shall be made by the department to (~~counties~~) regional support networks for community mental health programs totaling not less than ninety-five percent of available resources. The department may use up to forty percent of the remaining five percent to provide community demonstration projects, including early intervention or primary prevention programs for children, and the remainder shall be for emergency needs and technical assistance under this chapter.

Sec. 14. RCW 71.24.160 and 1989 c 205 s 7 are each amended to read as follows:

The (~~county authority~~) regional support networks shall make satisfactory showing to the secretary that state funds shall in no case be used to replace local funds from any source being used to finance mental health services prior to January 1, 1990.

Sec. 15. RCW 71.24.250 and 1982 c 204 s 14 are each amended to read as follows:

The (~~county authority~~) regional support network may accept and expend gifts and grants received from private, county, state, and federal sources.

Sec. 16. RCW 71.24.300 and 1999 c 214 s 8 and 1999 c 10 s 9 are each reenacted and amended to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. Upon the request of a tribal authority or authorities within a regional support network the joint operating agreement or the county authority shall allow for the inclusion of the tribal authority to be represented as a party to the regional support network. The roles and responsibilities of the county and tribal authorities shall be determined by the terms of that agreement including a determination of membership on the governing board and advisory committees, the number of tribal representatives to be party to the agreement, and the provisions of law and shall assure the provision of culturally competent services to the tribes served. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that counties and the regional support network do not duplicate functions and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

(1) Regional support networks shall submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties:

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.

(b) Assume the powers and duties of county authorities within its area as described in RCW 71.24.045 (1) through (7).

(c) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.

(~~(e)~~) (d) Provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. Insofar as the original intent of serving persons in the community is maintained, the secretary is authorized to approve exceptions on a case-by-case basis to the requirement to provide evaluation and treatment services within the boundaries of each regional support network. Such exceptions are limited to contracts with neighboring or contiguous regions.

(~~(d)~~) (e) Administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of persons currently confined at, or under

the supervision of, a state mental hospital pursuant to chapter 10.77 RCW, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the state for use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The secretary shall submit a report to the appropriate committees of the senate and house of representatives on the efforts to implement this section by October 1, 2002. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section.

~~((e))~~ (f) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, employment services as defined in RCW 71.24.035, and mental health services to children as provided in this chapter designed to achieve the outcomes specified in section 4 of this act.

~~((f))~~ (g) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter. The composition of the board shall be broadly representative of the demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.

(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary. ~~((Such contracts may include agreements to provide periods of stable community living and work or other day activities for specific chronically mentally ill persons who have completed commitments at state hospitals on ninety-day or one hundred eighty-day civil commitments or who have been residents at state hospitals for no less than one hundred eighty days within the previous year. Periods of stable community living may involve acute care in local evaluation and treatment facilities but may not involve use of state hospitals.))~~

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(6).

~~(7) ((As part of each biennial plan, each regional support network shall establish and submit to the state, procedures and agreements to assure access to sufficient additional local evaluation and treatment facilities to meet the requirements of this chapter while reducing short-term admissions to state hospitals. These shall be commitments to construct and operate, or contract for the operation of, freestanding evaluation and treatment facilities or agreements with local evaluation and treatment facilities which shall include (a) required admission and treatment for short-term inpatient care for any person enrolled in community support or residential services, (b) discharge planning procedures, (c) limitations on admissions or transfers to state hospitals, (d) adequate psychiatric supervision, (e) prospective payment methods, and (f) contractual assurances regarding referrals to local evaluation and treatment facilities from regional support networks.~~

~~(8))~~ Regional support networks may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be fully integrated with the regional support network six-year operating and capital plan, timeline, and budget required by subsection (1) of this section.

Sec. 17. RCW 71.24.310 and 1989 c 205 s 6 are each amended to read as follows:

The legislature finds that administration of chapter 71.05 RCW and this chapter can be most efficiently and effectively implemented as part of the regional support network defined in RCW 71.24.025. For this reason, the legislature intends that any enhanced program funding for implementation of chapter 71.05 RCW or this chapter, except for funds allocated for implementation of mandatory statewide programs as required by federal statute, be made available ~~((primarily))~~ only to those counties participating in regional support networks.

Sec. 18. RCW 71.24.400 and 1999 c 10 s 10 are each amended to read as follows:

The legislature finds that the current complex set of federal, state, and local rules and regulations, audited and administered at multiple levels, which affect the community mental health service delivery system, focus primarily on the process of providing mental health services and do not sufficiently address consumer and system outcomes. The legislature finds that the department and the community mental health service delivery system must make ongoing efforts to achieve the purposes set forth in RCW 71.24.015 related to reduced administrative layering, duplication, elimination of process measures, and reduced administrative costs.

Sec. 19. RCW 71.24.405 and 1999 c 10 s 11 are each amended to read as follows:

The department shall establish a ~~((single))~~ comprehensive and collaborative ~~((project))~~ effort within regional support networks and with local mental health service providers aimed at creating innovative and streamlined community mental health service delivery systems, in order to carry out the purposes set forth in RCW 71.24.400 and to capture the diversity of the community mental health service delivery system.

The ~~((project))~~ department must accomplish the following:

(1) Identification, review, and cataloging of all rules, regulations, duplicative administrative and monitoring functions, and other requirements that currently lead to inefficiencies in the community mental health service delivery system and, if possible, eliminate the requirements;

(2) The systematic and incremental development of a single system of accountability for all federal, state, and local funds provided to the community mental health service delivery system. Systematic efforts should be made to include federal and local funds into the single system of accountability;

(3) The elimination of process regulations and related contract and reporting requirements. In place of the regulations and requirements, a set of outcomes for mental health adult and children clients according to chapter 71.24 RCW must be used to measure the performance of mental health service providers and regional support networks. Such outcomes shall focus on

stabilizing out-of-home and hospital care, increasing stable community living, increasing age-appropriate activities, achieving family and consumer satisfaction with services, and system efficiencies;

(4) Evaluation of the feasibility of contractual agreements between the department of social and health services and regional support networks and mental health service providers that link financial incentives to the success or failure of mental health service providers and regional support networks to meet outcomes established for mental health service clients;

(5) The involvement of mental health consumers and their representatives (~~(in the pilot projects)~~). Mental health consumers and their representatives will be involved in the development of outcome standards for mental health clients (~~and other related aspects of the pilot projects~~) under section 4 of this act; and

(6) An independent evaluation component to measure the success of the (~~projects~~) department in fully implementing the provisions of RCW 71.24.400 and this section."

Correct the title., and the same are herewith transmitted.

MOTION

On motion of Senator Gardner, the Senate refuses to concur in the House amendment to Engrossed Substitute Senate Bill No. 5583 and asks the House to recede therefrom.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 5695 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds and declares:

- (1) Teacher qualifications and effectiveness are the most important influences on student learning in schools.
- (2) Preparation of individuals to become well-qualified, effective teachers must be high quality.
- (3) Teachers who complete high-quality alternative route programs with intensive field-based experience, adequate coursework, and strong mentorship do as well or better than teachers who complete traditional preparation programs.
- (4) High-quality alternative route programs can provide more flexibility and expedience for individuals to transition from their current career to teaching.
- (5) High-quality alternative route programs can help school districts fill subject matter shortage areas and areas with shortages due to geographic location.
- (6) Regardless of route, all candidates for residency teacher certification must meet the high standards required by the state.

The legislature recognizes widespread concerns about the potential for teacher shortages and finds that classified instructional staff in public schools represent a great untapped resource for recruiting the teachers of the future.

NEW SECTION. Sec. 2. There is hereby created a statewide partnership grant program to provide new high-quality alternative routes to residency teacher certification. To the extent funds are appropriated for this specific purpose, funds provided under this partnership grant program shall be used solely for school districts, or consortia of school districts, to partner with state-approved higher education teacher preparation programs to provide one or more of three alternative route programs in section 5 of this act, aimed at recruiting candidates to teaching in subject matter shortage areas and areas with shortages due to geographic location. Districts, or consortia of districts, may also include their educational service districts in their partnership grant program. Partnership programs receiving grants may enroll candidates as early as January 2002.

NEW SECTION. Sec. 3. (1) Each district or consortia of school districts applying for state funds through this program shall submit a proposal to the Washington professional educator standards board specifying:

- (a) The route or routes the partnership program intends to offer and a detailed description of how the routes will be structured and operated by the partnership;
- (b) The number of candidates that will be enrolled per route;
- (c) An identification, indication of commitment, and description of the role of approved teacher preparation programs that are partnering with the district or consortia of districts;
- (d) An assurance of district provision of adequate training for mentor teachers either through participation in a state mentor training academy or district-provided training that meets state-established mentor-training standards specific to the mentoring of alternative route candidates;
- (e) An assurance that significant time will be provided for mentor teachers to spend with the alternative route teacher candidates throughout the internship. Partnerships must provide each candidate with intensive classroom mentoring until such time as the candidate demonstrates the competency necessary to manage the classroom with less intensive supervision and guidance from a mentor;
- (f) A description of the rigorous screening process for applicants to alternative route programs, including entry requirements specific to each route, as provided in section 5 of this act; and
- (g) The design and use of a teacher development plan for each candidate. The plan shall specify the alternative route coursework and training required of each candidate and shall be developed by comparing the candidate's prior experience and coursework with the state's new performance-based standards for residency certification and adjusting any requirements accordingly. The plan shall include the following components:
 - (i) A minimum of one-half of a school year, and an additional significant amount of time if necessary, of intensive mentorship, starting with full-time mentoring and progressing to increasingly less intensive monitoring and assistance as the intern demonstrates the skills necessary to take over the classroom with less intensive support. For route one and two candidates, before

the supervision is diminished, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the higher education teacher preparation program must both agree that the teacher candidate is ready to manage the classroom with less intensive supervision. For route three candidates, the mentor of the teacher candidate shall make the decision;

(ii) Identification of performance indicators based on the knowledge and skills standards required for residency certification by the state board of education;

(iii) Identification of benchmarks that will indicate when the standard is met for all performance indicators;

(iv) A description of strategies for assessing candidate performance on the benchmarks;

(v) Identification of one or more tools to be used to assess a candidate's performance once the candidate has been in the classroom for about one-half of a school year; and

(vi) A description of the criteria that would result in residency certification after about one-half of a school year but before the end of the program.

(2) Districts may apply for program funds to pay stipends to both mentor teachers and interns during their mentored internship. For both intern stipends and accompanying mentor stipends, the per intern district request for funds may not exceed the amount designated by the BA+0 cell on the statewide teacher salary allocation schedule. This amount shall be prorated for internships and mentorships that last less than a full school year. Interns in the program for a full year shall be provided a stipend of at least eighty percent of the amount generated by the BA+0 cell on the statewide teacher salary allocation schedule. This amount shall be prorated for internships that last less than a full school year.

NEW SECTION. Sec. 4. (1) The professional educator standards board, with support from the office of the superintendent of public instruction, shall select school districts and consortia of school districts to receive partnership grants from funds appropriated by the legislature for this purpose. Factors to be considered in selecting proposals include:

(a) The degree to which the district, or consortia of districts in partnership, are currently experiencing teacher shortages;

(b) The degree to which the proposal addresses criteria specified in section 3 of this act and is in keeping with specifications of program routes in section 5 of this act;

(c) The cost-effectiveness of the proposed program; and

(d) Any demonstrated district and in-kind contributions to the program.

(2) Selection of proposals shall also take into consideration the need to ensure an adequate number of candidates for each type of route in order to evaluate their success.

(3) Funds appropriated for the partnership grant program in this chapter shall be administered by the office of the superintendent of public instruction.

NEW SECTION. Sec. 5. Partnership grants funded under this chapter shall operate one to three specific route programs. Successful completion of the program shall make a candidate eligible for residency teacher certification. For route one and two candidates, the mentor of the teacher candidate at the school and the supervisor of the teacher candidate from the higher education teacher preparation program must both agree that the teacher candidate has successfully completed the program. For route three candidates, the mentor of the teacher candidate shall make the determination that the candidate has successfully completed the program.

(1) Partnership grant programs seeking funds to operate route one programs shall enroll currently employed classified instructional employees with transferable associate degrees seeking residency teacher certification with endorsements in special education, bilingual education, or English as a second language. It is anticipated that candidates enrolled in this route will complete both their baccalaureate degree and requirements for residency certification in two years or less, including a mentored internship to be completed in the final year. In addition, partnership programs shall uphold entry requirements for candidates that include:

(a) District or building validation of qualifications, including three years of successful student interaction and leadership as a classified instructional employee;

(b) Successful passage of the statewide basic skills exam, when available; and

(c) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers.

(2) Partnership grant programs seeking funds to operate route two programs shall enroll currently employed classified staff with baccalaureate degrees seeking residency teacher certification in subject matter shortage areas and areas with shortages due to geographic location. Candidates enrolled in this route must complete a mentored internship complemented by flexibly scheduled training and coursework offered at a local site, such as a school or educational service district, or online or via video-conference over the K-20 network, in collaboration with the partnership program's higher education partner. In addition, partnership grant programs shall uphold entry requirements for candidates that include:

(a) District or building validation of qualifications, including three years of successful student interaction and leadership as classified staff;

(b) A baccalaureate degree from a regionally accredited institution of higher education. The individual's college or university grade point average may be considered as a selection factor;

(c) Successful completion of the content test, once the state content test is available;

(d) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers; and

(e) Successful passage of the statewide basic skills exam, when available.

(3) Partnership grant programs seeking funds to operate route three programs shall enroll individuals with baccalaureate degrees, who are not employed in the district at the time of application, or who hold emergency substitute certificates. When selecting candidates for certification through route three, districts shall give priority to individuals who are seeking residency teacher certification in subject matter shortage areas or shortages due to geographic locations. For route three only, the districts may include additional candidates in nonshortage subject areas if the candidates are seeking endorsements with a secondary grade level designation as defined by rule by the state board of education. The districts shall disclose to candidates in nonshortage subject areas available information on the demand in those subject areas. Cohorts of candidates for this route shall attend an intensive summer teaching academy, followed by a full year employed by a district in a mentored internship, followed, if necessary, by a second summer teaching academy. In addition, partnership programs shall uphold entry requirements for candidates that include:

(a) Five years' experience in the work force;

(b) A baccalaureate degree from a regionally accredited institution of higher education. The individual's grade point average may be considered as a selection factor;

- (c) Successful completion of the content test, once the state content test is available;
- (d) External validation of qualifications, including demonstrated successful experience with students or children, such as references letters and letters of support from previous employers;
- (e) Meeting the age, good moral character, and personal fitness requirements adopted by rule for teachers; and
- (f) Successful passage of statewide basic skills exams, when available.

NEW SECTION. Sec. 6. The alternative route conditional scholarship program is created under the following guidelines:

(1) The program shall be administered by the higher education coordinating board. In administering the program, the higher education coordinating board has the following powers and duties:

- (a) To adopt necessary rules and develop guidelines to administer the program;
- (b) To collect and manage repayments from participants who do not meet their service obligations; and
- (c) To accept grants and donations from public and private sources for the program.

(2) The Washington professional educator standards board shall select participants who are eligible to receive conditional scholarships.

(3) In order to receive conditional scholarship awards, recipients shall be accepted and maintain enrollment in alternative certification routes through the partnership grant program, as provided in section 5 of this act. Recipients must continue to make satisfactory progress towards completion of the alternative route certification program and receipt of a residency teaching certificate.

(4) For the purpose of this chapter, a conditional scholarship is a loan that is forgiven in whole or in part in exchange for service as a certificated teacher employed in a Washington state K-12 public school. The state shall forgive one year of loan obligation for every two years a recipient teaches in a public school. Recipients that fail to continue a course of study leading to residency teacher certification or cease to teach in a public school in the state of Washington in their endorsement area are required to repay the remaining loan principal with interest.

(5) Recipients who fail to fulfill the required teaching obligation are required to repay the remaining loan principal with interest and any other applicable fees. The higher education coordinating board shall adopt rules to define the terms for repayment, including applicable interest rates, fees, and deferments.

(6) To the extent funds are appropriated for this specific purpose, the annual amount of the scholarship is the annual cost of tuition for the alternative route certification program in which the recipient is enrolled, not to exceed four thousand dollars. The board may adjust the annual award by the average rate of resident undergraduate tuition and fee increases at the state universities as defined in RCW 28B.10.016.

(7) The higher education coordinating board may deposit all appropriations, collections, and any other funds received for the program in this chapter in the student loan account authorized in RCW 28B.102.060.

NEW SECTION. Sec. 7. This chapter expires June 30, 2005.

NEW SECTION. Sec. 8. The Washington state institute for public policy shall submit to the education and fiscal committees of the legislature, the governor, the state board of education, and the Washington professional educator standards board, an interim evaluation of partnership grant programs funded under this chapter by December 1, 2002, and a final evaluation by December 1, 2004. If specific funding for the purposes of this section, referencing this section and this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this section is null and void.

NEW SECTION. Sec. 9. Sections 1 through 8 and 10 of this act constitute a new chapter in Title 28A RCW.

NEW SECTION. Sec. 10. School districts or approved private schools' ability to employ personnel under certification for emergency or temporary, substitute, or provisional duty as authorized by chapter 28A.410 RCW are not affected by the provisions of this act."

MESSAGE FROM THE HOUSE

April 12, 2001

MR. PRESIDENT:

The House has passed SENATE BILL NO. 5637 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a comprehensive program of monitoring is fundamental to making sound public policy and programmatic decisions regarding salmon recovery and watershed health. Monitoring provides accountability for results of management actions and provides the data upon which an adaptive management framework can lead to improvement of strategies and programs. Monitoring is also a required element of any salmon recovery plan submitted to the federal government for approval. While numerous agencies and citizen organizations are engaged in monitoring a wide range of salmon recovery and watershed health parameters, there is a greater need for coordination of monitoring efforts, for using limited monitoring resources to obtain information most useful for achieving relevant local, state, and federal requirements regarding watershed health and salmon recovery, and for making the information more accessible to those agencies and organizations implementing watershed health programs and projects. Regarding salmon recovery monitoring, the state independent science panel has concluded that many programs already monitor indicators relevant to salmonids, but the efforts are largely uncoordinated or unlinked among programs, have different objectives, use different indicators, lack support for sharing data, and lack shared statistical designs to address specific issues raised by listing of salmonid species under the federal endangered species act.

Therefore, it is the intent of the legislature to encourage the refocusing of existing agency monitoring activities necessary to implement a comprehensive watershed health monitoring program, with a focus on salmon recovery. The program should: Be based on a framework of greater coordination of existing monitoring activities; require monitoring activities most relevant to adopted local, state, and federal watershed health objectives; and facilitate the exchange of monitoring information with agencies and organizations carrying out watershed health, salmon recovery, and water resources management planning and programs.

NEW SECTION. Sec. 2. A new section is added to chapter 90.82 RCW to read as follows:

In conducting assessments and other studies that include monitoring components or recommendations, the department and planning units shall implement the monitoring recommendations developed under section 3 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 77.85 RCW to read as follows:

(1) The monitoring oversight committee is hereby established. The committee shall be comprised of the directors or their designated representatives of:

- (a) The salmon recovery office;
- (b) The department of ecology;
- (c) The department of fish and wildlife;
- (d) The conservation commission;
- (e) The Puget Sound action team;
- (f) The department of natural resources;
- (g) The department of transportation;
- (h) The interagency committee for outdoor recreation; and

(i) Eight legislators designated as follows: The cochair of the natural resources committee of the house of representatives; the chair and the ranking minority member of the senate natural resources, parks, and shorelines committee; the cochair of the agriculture and ecology committee of the house of representatives; and the chair and the ranking minority member of the senate environment, energy, and water committee. A legislator designated as a member of the monitoring oversight committee pursuant to this subsection may designate an alternate legislator to serve on the oversight committee in his or her place. The alternate legislator must be a member of the same standing committee listed in this subsection as the legislator who is designating the alternate.

(2) The director of the salmon recovery office and the chair of the salmon recovery funding board, or their designees, shall cochair the committee. The cochair shall convene the committee as necessary to develop, for the consideration of the governor and legislature, a comprehensive and coordinated monitoring strategy and action plan on watershed health with a focus on salmon recovery. The committee shall invite representation from the treaty tribes to participate in the committee's efforts. In addition, the committee shall invite participation by other state, local, and federal agencies and other entities as appropriate. The committee shall address the monitoring recommendations of the independent science panel provided under RCW 77.85.040(7) and of the joint legislative audit and review committee in its report number 01-1 on investing in the environment.

(3) The independent science panel shall act as an advisor to the monitoring oversight committee and shall review all work products developed by the committee and make recommendations to the committee cochair.

(4) The committee shall make recommendations to individual agencies to improve coordination of monitoring activities.

(5) The committee shall:

(a) Define the monitoring goals, objectives, and questions that must be addressed as part of a comprehensive statewide salmon recovery monitoring and adaptive management framework;

(b) Identify and evaluate existing monitoring activities for inclusion in the framework, while ensuring data consistency and coordination and the filling of monitoring gaps;

(c) Recommend statistical designs appropriate to the objectives;

(d) Recommend performance measures appropriate to the objectives and targeted to the appropriate geographical, temporal, and biological scales;

(e) Recommend standardized monitoring protocols for salmon recovery and watershed health;

(f) Recommend procedures to ensure quality assurance and quality control of all relevant data;

(g) Recommend data transfer protocols to support easy access, sharing, and coordination among different collectors and users;

(h) Recommend ways to integrate monitoring information into decision making;

(i) Recommend organizational and governance structures for oversight and implementation of the coordinated monitoring framework;

(j) Recommend stable sources of funding that will ensure the continued operation and maintenance of the state's salmon recovery and watershed health monitoring programs, once established; and

(k) Identify administrative actions that will be undertaken by state agencies to implement elements of the coordinated monitoring program.

(6) In developing the coordinated monitoring strategy, the committee shall coordinate with other appropriate state, federal, local, and tribal monitoring efforts, including but not limited to the Northwest power planning council, the Northwest Indian fisheries commission, the national marine fisheries service, and the United States fish and wildlife service. The committee shall also consult with watershed planning units under chapter 90.82 RCW, lead entities under this chapter, professional organizations, and other appropriate groups.

(7) The cochair shall provide an interim report to the governor and the members of the appropriate legislative committees by March 1, 2002, on the progress made in implementing this section. By December 1, 2002, the committee shall provide a monitoring strategy and action plan to the governor, and the members of the appropriate legislative committees for achieving a comprehensive watershed health monitoring program with a focus on salmon recovery. The strategy and action plan shall document the results of the committee's actions in addressing the responsibilities described in subsection (5) of this section. In addition, the monitoring strategy and action plan shall include an assessment of existing state agency operations related to monitoring, evaluation, and adaptive management of watershed health and salmon recovery, and shall recommend any operational or statutory changes and funding necessary to fully implement the enhanced coordination program developed under this section. The plan shall make recommendations based upon the goal of fully realizing an enhanced and coordinated monitoring program by June 30, 2007.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2001, in the omnibus appropriations act, this act is null and void."

Correct the title., and the same are herewith transmitted.

(1) Notwithstanding any other provision of law, and after complying with RCW 39.10.030, the following public bodies may utilize the design-build procedure of public works contracting for public works projects authorized under this section: The state department of general administration; the University of Washington; Washington State University; every city with a population greater than seventy thousand and any public authority chartered by such city under RCW 35.21.730 through 35.21.755 and specifically authorized as provided in RCW 39.10.120(4); every county with a population greater than four hundred fifty thousand; every public utility district with revenues from energy sales greater than twenty-three million dollars per year; and every port district with total revenues greater than fifteen million dollars per year. The authority granted to port districts in this section is in addition to and does not affect existing contracting authority under RCW 53.08.120 and 53.08.130. For the purposes of this section, "design-build procedure" means a contract between a public body and another party in which the party agrees to both design and build the facility, portion of the facility, or other item specified in the contract.

(2) Public bodies authorized under this section may utilize the design-build procedure for public works projects valued over twelve million dollars where:

(a) The construction activities or technologies to be used are highly specialized and a design-build approach is critical in developing the construction methodology or implementing the proposed technology; or

(b) The project design is repetitive in nature and is an incidental part of the installation or construction; or

(c) Regular interaction with and feedback from facilities users and operators during design is not critical to an effective facility design.

(3) Public bodies authorized under this section may also use the design-build procedure for the following projects that meet the criteria in subsection (2)(b) and (c) of this section:

(a) The construction or erection of preengineered metal buildings or prefabricated modular buildings, regardless of cost; or

(b) The construction of new student housing projects valued over five million dollars.

(4) Contracts for design-build services shall be awarded through a competitive process utilizing public solicitation of proposals for design-build services. The public body shall publish at least once in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done, a notice of its request for proposals for design-build services and the availability and location of the request for proposal documents. The request for proposal documents shall include:

(a) A detailed description of the project including programmatic, performance, and technical requirements and specifications, functional and operational elements, minimum and maximum net and gross areas of any building, and, at the discretion of the public body, preliminary engineering and architectural drawings;

(b) The reasons for using the design-build procedure;

(c) A description of the qualifications to be required of the proposer including, but not limited to, submission of the proposer's accident prevention program;

(d) A description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors. Evaluation factors shall include, but not be limited to: Proposal price; ability of professional personnel; past performance on similar projects; ability to meet time and budget requirements; ability to provide a performance and payment bond for the project; recent, current, and projected work loads of the firm; location; and the concept of the proposal;

(e) The form of the contract to be awarded;

(f) The amount to be paid to finalists submitting best and final proposals who are not awarded a design-build contract; and

(g) Other information relevant to the project.

(5) The public body shall establish a committee to evaluate the proposals based on the factors, weighting, and process identified in the request for proposals. Based on its evaluation, the public body shall select not fewer than three nor more than five finalists to submit best and final proposals. The public body may, in its sole discretion, reject all proposals. Design-build contracts shall be awarded using the procedures in (a) or (b) of this subsection.

(a) Best and final proposals shall be evaluated and scored based on the factors, weighting, and process identified in the initial request for proposals. The public body may score the proposals using a system that measures the quality and technical merits of the proposal on a unit price basis. Final proposals may not be considered if the proposal cost is greater than the maximum allowable construction cost identified in the initial request for proposals. The public body shall initiate negotiations with the firm

submitting the highest scored best and final proposal. If the public body is unable to execute a contract with the firm submitting the highest scored best and final proposal, negotiations with that firm may be suspended or terminated and the public body may proceed to negotiate with the next highest scored firm. Public bodies shall continue in accordance with this procedure until a contract agreement is reached or the selection process is terminated.

(b) If the public body determines that all finalists are capable of producing plans and specifications that adequately meet project requirements, the public body may award the contract to the firm that submits the responsive best and final proposal with the lowest price.

(6) The firm awarded the contract shall provide a performance and payment bond for the contracted amount. The public body shall provide appropriate honorarium payments to finalists submitting best and final proposals who are not awarded a design-build contract. Honorarium payments shall be sufficient to generate meaningful competition among potential proposers on design-build projects.

NEW SECTION. Sec. 3. A new section is added to chapter 39.10 RCW to read as follows:

(1) Notwithstanding any other provision of law, and after complying with RCW 39.10.030, a public body may utilize the general contractor/construction manager procedure of public works contracting for public works projects authorized under subsection (2) of this section. For the purposes of this section, "general contractor/construction manager" means a firm with which a public body has selected and negotiated a maximum allowable construction cost to be guaranteed by the firm, after competitive selection through formal advertisement and competitive bids, to provide services during the design phase that may include life-cycle cost design considerations, value engineering, scheduling, cost estimating, constructability, alternative construction options for cost savings, and sequencing of work, and to act as the construction manager and general contractor during the construction phase.

(2) Except those school districts proposing projects that are considered and approved by the school district project review board, public bodies authorized under this section may utilize the general contractor/construction manager procedure for public works projects valued over twelve million dollars where:

(a) Implementation of the project involves complex scheduling requirements; or

(b) The project involves construction at an existing facility which must continue to operate during construction; or

(c) The involvement of the general contractor/construction manager during the design stage is critical to the success of the project.

(3) Public bodies should select general contractor/construction managers early in the life of public works projects, and in most situations no later than the completion of schematic design.

(4) Contracts for the services of a general contractor/construction manager under this section shall be awarded through a competitive process requiring the public solicitation of proposals for general contractor/construction manager services. The public solicitation of proposals shall include: A description of the project, including programmatic, performance, and technical requirements and specifications when available; the reasons for using the general contractor/construction manager procedure; a description of the qualifications to be required of the proposer, including submission of the proposer's accident prevention program; a description of the process the public body will use to evaluate qualifications and proposals, including evaluation factors and the relative weight of factors; the form of the contract to be awarded; the estimated maximum allowable construction cost; and the bid instructions to be used by the general contractor/construction manager finalists. Evaluation factors shall include, but not be limited to: Ability of professional personnel, past performance in negotiated and complex projects, and ability to meet time and budget requirements; the scope of work the general contractor/construction manager proposes to self-perform and its ability to perform it; location; recent, current, and projected work loads of the firm; and the concept of their proposal. A public body shall establish a committee to evaluate the proposals. After the committee has selected the most qualified finalists, these finalists shall submit final proposals, including sealed bids for the percent fee, which is the percentage amount to be earned by the general contractor/construction manager as overhead and profit, on the estimated maximum allowable construction cost and the fixed amount for the detailed specified general conditions work. The public body shall select the firm submitting the highest scored final proposal using the evaluation factors and the relative weight of factors published in the public solicitation of proposals.

(5) The maximum allowable construction cost may be negotiated between the public body and the selected firm after the scope of the project is adequately determined to establish a guaranteed contract cost for which the general contractor/construction manager will provide a performance and payment bond. The guaranteed contract cost includes the fixed amount for the detailed specified general conditions work, the negotiated maximum allowable construction cost, the percent fee on the negotiated maximum allowable construction cost, and sales tax. If the public body is unable to negotiate a satisfactory maximum allowable construction cost with the firm selected that the public body determines to be fair, reasonable, and within the available funds, negotiations with that firm shall be formally terminated and the public body shall negotiate with the next highest scored firm and continue until an agreement is reached or the process is terminated. If the maximum allowable construction cost varies more than fifteen percent from the bid estimated maximum allowable construction cost due to requested and approved changes in the scope by the public body, the percent fee shall be renegotiated.

(6) All subcontract work shall be competitively bid with public bid openings. When critical to the successful completion of a subcontractor bid package and after publication of notice of intent to determine bidder eligibility in a legal newspaper of general circulation published in or as near as possible to that part of the county in which the public work will be done at least twenty days before requesting qualifications from interested subcontract bidders, the owner and general contractor/construction manager may determine subcontractor bidding eligibility using the following evaluation criteria:

(a) Adequate financial resources or the ability to secure such resources;

(b) History of successful completion of a contract of similar type and scope;

(c) Project management and project supervision personnel with experience on similar projects and the availability of such personnel for the project;

(d) Current and projected workload and the impact the project will have on the subcontractor's current and projected workload;

(e) Ability to accurately estimate the subcontract bid package scope of work;

(f) Ability to meet subcontract bid package shop drawing and other coordination procedures;

(g) Eligibility to receive an award under applicable laws and regulations; and

(h) Ability to meet subcontract bid package scheduling requirements.

The owner and general contractor/construction manager shall weigh the evaluation criteria and determine a minimum acceptable score to be considered an eligible subcontract bidder.

After publication of notice of intent to determine bidder eligibility, subcontractors requesting eligibility shall be provided the evaluation criteria and weighting to be used by the owner and general contractor/construction manager to determine eligible subcontract bidders. After the owner and general contractor/construction manager determine eligible subcontract bidders, subcontractors requesting eligibility shall be provided the results and scoring of the subcontract bidder eligibility determination.

Subcontract bid packages shall be awarded to the responsible bidder submitting the low responsive bid. The requirements of RCW 39.30.060 apply to each subcontract bid package. All subcontractors who bid work over three hundred thousand dollars shall post a bid bond and all subcontractors who are awarded a contract over three hundred thousand dollars shall provide a performance and payment bond for their contract amount. All other subcontractors shall provide a performance and payment bond if required by the general contractor/construction manager. A low bidder who claims error and fails to enter into a contract is prohibited from bidding on the same project if a second or subsequent call for bids is made for the project. Except as provided for under subsection (7) of this section, bidding on subcontract work by the general contractor/construction manager or its subsidiaries is prohibited. The general contractor/construction manager may negotiate with the low-responsive bidder in accordance with RCW 39.10.080 or, if unsuccessful in such negotiations, rebid.

(7) The general contractor/construction manager, or its subsidiaries, may bid on subcontract work if:

(a) The work within the subcontract bid package is customarily performed by the general contractor/construction manager;

(b) The bid opening is managed by the public body; and

(c) Notification of the general contractor/construction manager's intention to bid is included in the public solicitation of bids for the bid package.

In no event may the value of subcontract work performed by the general contractor/construction manager exceed thirty percent of the negotiated maximum allowable construction cost.

(8) A public body may include an incentive clause in any contract awarded under this section for savings of either time or cost or both from that originally negotiated. No incentives granted may exceed five percent of the maximum allowable construction cost. If the project is completed for less than the agreed upon maximum allowable construction cost, any savings not otherwise negotiated as part of an incentive clause shall accrue to the public body. If the project is completed for more than the agreed upon maximum allowable construction cost, excepting increases due to any contract change orders approved by the public body, the additional cost shall be the responsibility of the general contractor/construction manager.

Sec. 4. RCW 39.10.115 and 2000 c 209 s 4 are each amended to read as follows:

(1) The school district project review board is established to review school district proposals submitted by school districts to use alternative public works contracting procedures. The board shall select and approve qualified projects based upon an evaluation of the information submitted by the school district under subsection (2) of this section. ~~((The membership of the board shall be selected by the independent oversight committee as established under RCW 39.10.110))~~ After July 1, 2001, any appointments for full terms or to fill a vacancy shall be made by the governor and shall include the following representatives, each having experience with public works or commercial construction: One representative from the office of the superintendent of public instruction; one representative from the office of financial management; two representatives from the construction industry, one of whom works for a construction company with gross annual revenues of twenty million dollars or less; one representative from the specialty contracting industry; one representative from organized labor; one representative from the design industry; one representative from a public body previously authorized under this chapter to use an alternative public works contracting procedure who has experience using such alternative contracting procedures; one representative from school districts with ten thousand or more annual average full-time equivalent pupils; and one representative from school districts with fewer than ten thousand average full-time equivalent pupils. Each member shall be appointed for a term of three years, with the first three-year term commencing after June 8, 2000. Any member of the school district project review board who is directly affiliated with any applicant before the board must recuse him or herself from consideration of the application.

(2) A school district seeking to use alternative contracting procedures authorized under this chapter shall file an application with the school district project review board. The application form shall require the district to submit a detailed statement of the proposed project, including the school district's name; student population based upon October full-time equivalents; the current projected total budget for the project, including the estimated construction costs, costs for professional services, equipment and furnishing costs, off-site costs, contract administration costs, and other related project costs; the anticipated project design and construction schedule; a summary of the school district's construction activity for the preceding six years; and an explanation of why the school district believes the use of an alternative contracting procedure is in the public interest and why the school district is qualified to use an alternative contracting procedure, including a summary of the relevant experience of the school district's management team. The applicant shall also provide in a timely manner any other information concerning implementation of projects under this chapter requested by the school district project review board to assist in its consideration.

(3) Any school district whose application is approved by the school district project review board shall comply with the public notification and review requirements in RCW 39.10.030.

(4) Any school district whose application is approved by the school district project review board shall not use as an evaluation factor whether a contractor submitting a bid for the approved project has had prior general contractor/construction manager procedure experience.

~~((5) The school district project review board shall prepare and issue a report reviewing the use of the alternative public works contracting procedures by school districts. The board shall report to the independent oversight committee at least sixty days before the oversight committee is required to report to the legislature under RCW 39.10.110(4).))~~

Sec. 5. RCW 39.10.120 and 1997 c 376 s 7 and 1997 c 220 s 404 are each reenacted and amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, the alternative public works contracting procedures authorized under this chapter are limited to public works contracts signed before July 1, ~~((2004))~~ 2007. Methods of public works contracting authorized by RCW 39.10.050 and 39.10.060 or sections 2 and 3 of this act shall remain in full force and effect until completion of contracts signed before July 1, ~~((2004))~~ 2007.

(2) For the purposes of a baseball stadium as defined in RCW 82.14.0485, the design-build contracting procedures under RCW 39.10.050 shall remain in full force and effect until completion of contracts signed before December 31, 1997.

(4) A public authority chartered by a city that is a public body may utilize an alternative public works contracting procedure under this chapter only after receiving specific authorization on a project-by-project basis from the governing body of the city. For purposes of public authorities authorized to use alternative public works contracting procedures under this chapter, the city chartering any such public authority shall itself comply with RCW 39.10.030 on behalf of the public authority.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed SENATE BILL NO. 5063 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

*Sec. 1. RCW 39.04.155 and 2000 c 138 s 101 are each amended to read as follows:

(1) This section provides uniform small works roster provisions to award contracts for construction, building, renovation, remodeling, alteration, repair, or improvement of real property that may be used by state agencies and by any local government that is expressly authorized to use these provisions. These provisions may be used in lieu of other procedures to award contracts for such work with an estimated cost of two hundred thousand dollars or less. The small works roster process includes the limited public works process authorized under subsection (3) of this section and any local government authorized to award contracts using the small works roster process under this section may award contracts using the limited public works process under subsection (3) of this section.

(2)(a) A state agency or authorized local government may create a single general small works roster, or may create a small works roster for different specialties or categories of anticipated work. Where applicable, small works rosters may make distinctions between contractors based upon different geographic areas served by the contractor. The small works roster or rosters shall consist of all responsible contractors who have requested to be on the list, and where required by law are properly licensed or registered to perform such work in this state. A state agency or local government establishing a small works roster or rosters may require eligible contractors desiring to be placed on a roster or rosters to keep current records of any applicable licenses, certifications, registrations, bonding, insurance, or other appropriate matters on file with the state agency or local government as a condition of being placed on a roster or rosters. At least once a year, the state agency or local government shall publish in a newspaper of general circulation within the jurisdiction a notice of the existence of the roster or rosters and solicit the names of contractors for such roster or rosters. In addition, responsible contractors shall be added to an appropriate roster or rosters at any time they submit a written request and necessary records. Master contracts may be required to be signed that become effective when a specific award is made using a small works roster.

~~((3))~~ (b) A state agency establishing a small works roster or rosters shall adopt rules implementing this ~~((section))~~ subsection. A local government establishing a small works roster or rosters shall adopt an ordinance or resolution implementing this ~~((section))~~ subsection. Procedures included in rules adopted by the department of general administration in implementing this ~~((section))~~ subsection must be included in any rules providing for a small works roster or rosters that is adopted by another state agency, if the authority for that state agency to engage in these activities has been delegated to it by the department of general administration under chapter 43.19 RCW. An interlocal contract or agreement between two or more state agencies or local governments establishing a small works roster or rosters to be used by the parties to the agreement or contract must clearly identify the lead entity that is responsible for implementing the provisions of this ~~((section))~~ subsection.

~~((4))~~ (c) Procedures shall be established for securing telephone, written, or electronic quotations from contractors on the appropriate small works roster to assure that a competitive price is established and to award contracts to the lowest responsible bidder, as defined in RCW 43.19.1911. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This ~~((section))~~ subsection does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Quotations may be invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be invited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. However, if the estimated cost of the work is from one hundred thousand dollars to two hundred thousand dollars, a state agency or local government, other than a port district, that chooses to solicit bids from less than all the appropriate contractors on the appropriate small works roster must also notify the remaining contractors on the appropriate small works roster that quotations on the work are being sought. The government has the sole option of determining whether this notice to the remaining contractors is made by: ~~((a))~~ (i) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done; ~~((b))~~ (ii) mailing a notice to these contractors; or ~~((c))~~ (iii) sending a notice to these contractors by facsimile or other electronic means. For purposes of this subsection ~~(2)(c)~~, "equitably distribute" means that a state agency or local government soliciting bids may not favor certain contractors on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services.

~~((5))~~ (d) A contract awarded from a small works roster under this section need not be advertised.

~~((6))~~ (e) Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

~~((7))~~ (3) In lieu of awarding contracts under subsection (2) of this section, a state agency or authorized local government may award a contract for work, construction, alteration, repair, or improvement project estimated to cost less than thirty-five thousand dollars using the limited public works process provided under this subsection. Public works projects awarded under this subsection are exempt from the other requirements of the small works roster process provided under subsection (2) of this section and are exempt from the requirement that contracts be awarded after advertisement as provided under RCW 39.04.010.

For limited public works projects, a state agency or authorized local government shall solicit electronic or written quotations from a minimum of three contractors from the appropriate small works roster and shall award the contract to the lowest responsible bidder as defined under RCW 43.19.1911. After an award is made, the quotations shall be open to public inspection and available by electronic request. A state agency or authorized local government shall attempt to distribute opportunities for limited public works projects equitably among contractors willing to perform in the geographic area of the work. A state agency or authorized local government shall maintain a list of the contractors contacted and the contracts awarded during the previous twenty-four months under the limited public works process, including the name of the contractor, the contractor's registration number, the amount of the contract, a brief description of the type of work performed, and the date the contract was awarded. For limited public works projects, a state agency or authorized local government may waive the payment and performance bond requirements of chapter 39.08 RCW and the retainage requirements of chapter 60.28 RCW, thereby assuming the liability for the contractor's nonpayment of laborers, mechanics, subcontractors, materialmen, suppliers, and taxes imposed under Title 82 RCW that may be due from the contractor for the limited public works project, however the state agency or authorized local government shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

(4) The breaking of any project into units or accomplishing any projects by phases is prohibited if it is done for the purpose of avoiding the maximum dollar amount of a contract that may be let using the small works roster process or limited public works process.

~~((8))~~ (5) As used in this section, "state agency" means the department of general administration, the state parks and recreation commission, the department of natural resources, the department of fish and wildlife, the department of transportation, any institution of higher education as defined under RCW 28B.10.016, and any other state agency delegated authority by the department of general administration to engage in construction, building, renovation, remodeling, alteration, improvement, or repair activities."

Correct the title., and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 12, 2001

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5101 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 18.27.010 and 1997 c 314 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Contractor" means any person, firm, or corporation who or which, in the pursuit of an independent business undertakes to, or offers to undertake, or submits a bid to, construct, alter, repair, add to, subtract from, improve, move, wreck or demolish, for another, any building, highway, road, railroad, excavation or other structure, project, development, or improvement attached to real estate or to do any part thereof including the installation of carpeting or other floor covering, the erection of scaffolding or other structures or works in connection therewith or who installs or repairs roofing or siding; or, who, to do similar work upon his or her own property, employs members of more than one trade upon a single job or project or under a single building permit except as otherwise provided herein. ~~((e))~~ (f) Unified business identifier (UBI) account number may be substituted for the information required by ~~((b))~~ (c) of this subsection if the applicant will not employ employees in Washington, and by ~~((e))~~ (d) and ~~((d))~~ (e) of this subsection.

~~((f))~~ (g) Type of contracting activity, whether a general or a specialty contractor and if the latter, the type of specialty.

~~((g))~~ (h) The name and address of each partner if the applicant is a firm or partnership, or the name and address of the owner if the applicant is an individual proprietorship, or the name and address of the corporate officers and statutory agent, if any, if the applicant is a corporation or the name and address of all members of other business entities. The information contained in such application is a matter of public record and open to public inspection.

(2) The department may verify the workers' compensation coverage information provided by the applicant under subsection (1)~~((b))~~ (c) of this section, including but not limited to information regarding the coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3)~~(a)~~ The department shall deny an application for registration if: (i) The applicant has been previously ~~((registered))~~ performing work subject to this chapter as a sole proprietor, partnership, ~~((or))~~ corporation, or other entity and the department has notice that the applicant has an unsatisfied final judgment against him or her in an action based on this chapter ~~((that was incurred during a previous registration under this chapter))~~ or the applicant owes the department money for penalties assessed or fees due under this chapter as a result of a final judgment; (ii) the applicant was a principal or officer of a partnership, corporation, or other entity that either has an unsatisfied final judgment against it in an action that was incurred for work performed subject to this chapter or owes the department money for penalties assessed or fees due under this chapter as a result of a final judgment; or (iii) the applicant does not have a valid unified business identifier number, if required by the department of revenue.

(b) The department shall suspend an active registration if (i) the department has notice that the registrant is a sole proprietor or a principal or officer of a registered contractor that has an unsatisfied final judgment against it for work within the scope of this chapter; or (ii) the applicant does not maintain a valid unified business identifier number, if required by the department of revenue.

(4) The department shall not deny an application or suspend a registration because of an unsatisfied final judgment if the applicant's or registrant's unsatisfied final judgment was determined by the director to be the result of the fraud or negligence of another party.

Sec. 3. RCW 18.27.040 and 1997 c 314 s 5 are each amended to read as follows:

(1) Each applicant shall file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in the sum of ~~((six))~~ twelve thousand dollars if the applicant is a general contractor and ~~((four))~~ six thousand dollars if the applicant is a specialty contractor. If no valid bond is already on file with the department at the time the application is filed, a bond must accompany the registration application. The bond shall have the state of Washington named as obligee with good and sufficient surety in a form to be approved by the department. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director ~~((of its intent to cancel the bond))~~. A cancellation or revocation of the bond or withdrawal of the surety from the bond automatically suspends the registration issued to the registrant until a new bond or reinstatement notice has been filed and approved as provided in this section. The bond shall be conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing labor or material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of breach of contract including negligent or improper work in the conduct of the contracting business. A change in the name of a business or a change in the type of business entity shall not impair a bond for the purposes of this section so long as one of the original applicants for such bond maintains partial ownership in the business covered by the bond.

(2) ~~((Any contractor registered as of July 1, 1997, who maintains such registration in accordance with this chapter shall be in compliance with this chapter until the next annual renewal of the contractor's certificate of registration. At that time))~~ At the time of initial registration or renewal, the contractor shall provide a bond~~((, cash deposit,))~~ or other security deposit as required by this

chapter and comply with all of the other provisions of this chapter before the department shall issue or renew the contractor's certificate of registration. Any contractor registered as of July 1, 2001, who maintains that registration in accordance with this chapter is in compliance with this chapter until the next renewal of the contractor's certificate of registration.

(3) Any person, firm, or corporation having a claim against the contractor for any of the items referred to in this section may bring suit upon the bond or deposit in the superior court of the county in which the work was done or of any county in which jurisdiction of the contractor may be had. The surety issuing the bond shall be named as a party to any suit upon the bond. Action upon the bond or deposit ~~((shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date of expiration of the certificate of registration in force at the time))~~ brought by a residential homeowner for breach of contract by a party to the construction contract shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within two years from the date the claimed contract work was substantially completed or abandoned. Action upon the bond or deposit brought by any other authorized party shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date the claimed labor was performed and benefits accrued, taxes and contributions owing the state of Washington became due, materials and equipment were furnished, or the claimed contract work was substantially completed or abandoned. Service of process in an action against the contractor, the contractor's bond, or the deposit shall be exclusively by service upon the department. Three copies of the summons and complaint and a fee ~~((of ten))~~ adopted by rule of not less than twenty dollars to cover the ((handling)) costs shall be served by registered or certified mail, or other delivery service requiring notice of receipt, upon the department at the time suit is started and the department shall maintain a record, available for public inspection, of all suits so commenced. Service is not complete until the department receives the ~~((ten-dollar))~~ fee and three copies of the summons and complaint. The service shall constitute service on the registrant and the surety for suit upon the bond or deposit and the department shall transmit the summons and complaint or a copy thereof to the registrant at the address listed in the registrant's application and to the surety within ~~((forty-eight hours))~~ two days after it shall have been received.

(4) The surety upon the bond shall not be liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction. The liability of the surety shall not cumulate where the bond has been renewed, continued, reinstated, reissued or otherwise extended. The surety upon the bond may, upon notice to the department and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated but if the actions commenced and pending at any one time exceed the amount of the bond then unimpaired, claims shall be satisfied from the bond in the following order:

- (a) Employee labor and claims of laborers, including employee benefits;
- (b) Claims for breach of contract by a party to the construction contract;
- (c) Registered or licensed subcontractors, material, and equipment;
- (d) Taxes and contributions due the state of Washington;
- (e) Any court costs, interest, and attorney's fees plaintiff may be entitled to recover. The surety is not liable for any

amount in excess of the penal limit of its bond.

A payment made by the surety in good faith exonerates the bond to the extent of any payment made by the surety.

(5) The total amount paid from a bond or deposit required of a general contractor by this section to claimants other than residential homeowners must not exceed one-half of the bond amount. The total amount paid from a bond or deposit required of a specialty contractor by this section to claimants other than residential homeowners must not exceed one-half of the bond amount or four thousand dollars, whichever is greater.

(6) The prevailing party in an action filed under this section against the contractor and contractor's bond or deposit, for breach of contract by a party to a construction contract, is entitled to costs, interest, and reasonable attorneys' fees. The surety upon the bond is not liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction.

(7) If a final judgment impairs the liability of the surety upon the bond so furnished that there ~~((shall not be))~~ is not in effect a bond ~~((undertaking))~~ in the full amount prescribed in this section, ~~((the department shall suspend))~~ the registration of the contractor is automatically suspended until the bond liability in the required amount unimpaired by unsatisfied judgment claims is furnished. ~~((If the bond becomes fully impaired, a new bond must be furnished at the rates prescribed by this section.~~

~~((6))~~ (8) In lieu of the surety bond required by this section the contractor may file with the department a deposit consisting of cash or other security acceptable to the department.

~~((7))~~ (9) Any person having filed and served a summons and complaint as required by this section having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department shall be the order of receipt by the department, but the department shall have no liability for payment in excess of the amount of the deposit.

~~((8))~~ (10) The director may require an applicant applying to renew or reinstate a registration or applying for a new registration to file a bond of up to three times the normally required amount, if the director determines that an applicant, or a previous registration of a corporate officer, owner, or partner of a current applicant, has had in the past five years a total of six final judgments in actions under this chapter involving a residential single-family dwelling on two or more different structures.

(11) The director may adopt rules necessary for the proper administration of the security.

Sec. 4. RCW 18.27.050 and 1987 c 303 s 1 are each amended to read as follows:

(1) At the time of registration and subsequent reregistration, the applicant shall furnish insurance or financial responsibility in the form of an assigned account in the amount of ~~((twenty))~~ fifty thousand dollars for injury or damages to property, and ~~((fifty))~~ one hundred thousand dollars for injury or damage including death to any one person, and ~~((one))~~ two hundred thousand dollars for injury or damage including death to more than one person ~~((or financial responsibility to satisfy these amounts)).~~

(2) ~~((Failure to maintain insurance or financial responsibility relative to the contractor's activities shall be cause to suspend or deny the contractor his or her or their registration.))~~ An expiration, cancellation, or revocation of the insurance policy or withdrawal

of the insurer from the insurance policy automatically suspends the registration issued to the registrant until a new insurance policy or reinstatement notice has been filed and approved as provided in this section.

(3)(a) Proof of financial responsibility authorized in this section may be given by providing, in the amount required by subsection (1) of this section, an assigned account acceptable to the department. The assigned account shall be held by the department to satisfy any execution on a judgment issued against the contractor for damage to property or injury or death to any person occurring in the contractor's contracting operations, according to the provisions of the assigned account agreement. The department shall have no liability for payment in excess of the amount of the assigned account.

(b) The assigned account filed with the director as proof of financial responsibility shall be canceled at the expiration of three years after:

(i) The contractor's registration has expired or been revoked; or

(ii) The contractor has furnished proof of insurance as required by subsection (1) of this section;

if, in either case, no legal action has been instituted against the contractor or on the account at the expiration of the three-year period.

(c) If a contractor chooses to file an assigned account as authorized in this section, the contractor shall, on any contracting project, notify each person with whom the contractor enters into a contract or to whom the contractor submits a bid that the contractor has filed an assigned account in lieu of insurance and that recovery from the account for any claim against the contractor for property damage or personal injury or death occurring in the project requires the claimant to obtain a court judgment.

Sec. 5. RCW 18.27.060 and 1997 c 314 s 6 and 1997 c 58 s 817 are each reenacted and amended to read as follows:

(1) A certificate of registration shall be valid for ~~((one))~~ two years and shall be renewed on or before the expiration date. The department shall issue to the applicant a certificate of registration upon compliance with the registration requirements of this chapter.

(2) If the department approves an application, it shall issue a certificate of registration to the applicant. ~~((The certificate shall be valid for:~~

~~(a) One year;~~

~~(b) Until the bond expires; or~~

~~(c) Until the insurance expires, whichever comes first. The department shall place the expiration date on the certificate.~~

~~(3) A contractor may supply a short-term bond or insurance policy to bring its registration period to the full one year.~~

~~(4))~~ (3) If a contractor's surety bond or other security has an unsatisfied judgment against it or is canceled, or if the contractor's insurance policy is canceled, the contractor's registration shall be automatically suspended on the effective date of the impairment or cancellation. The department shall mail notice of the suspension to the contractor's address on the certificate of registration by certified and by first class mail within ~~((forty-eight hours))~~ two days after suspension.

~~((5))~~ (4) Renewal of registration is valid on the date the department receives the required fee and proof of bond and liability insurance, if sent by certified mail or other means requiring proof of delivery. The receipt or proof of delivery shall serve as the contractor's proof of renewed registration until he or she receives verification from the department.

~~((6))~~ (5) The department shall immediately suspend the certificate of registration of a contractor who has been certified by the department of social and health services as a person who is not in compliance with a support order or a residential or visitation order as provided in RCW 74.20A.320. The certificate of registration shall not be reissued or renewed unless the person provides to the department a release from the department of social and health services stating that he or she is in compliance with the order and the person has continued to meet all other requirements for certification during the suspension.

NEW SECTION. Sec. 6. A new section is added to chapter 18.27 RCW to read as follows:

(1) If an unregistered contractor defaults in a payment, penalty, or fine due to the department, the director or the director's designee may issue a notice of assessment certifying the amount due. The notice must be served upon the unregistered contractor by mailing the notice to the unregistered contractor by certified mail to the unregistered contractor's last known address or served in the manner prescribed for the service of a summons in a civil action.

(2) A notice of assessment becomes final thirty days from the date the notice was served upon the unregistered contractor unless a written request for reconsideration is filed with the department or an appeal is filed in a court of competent jurisdiction in the manner specified in RCW 34.05.510 through 34.05.598. The request for reconsideration must set forth with particularity the reason for the unregistered contractor's request. The department, within thirty days after receiving a written request for reconsideration, may modify or reverse a notice of assessment, or may hold a notice of assessment in abeyance pending further investigation. If a final decision of a court in favor of the department is not appealed within the time allowed by law, then the amount of the unappealed assessment, or such amount of the assessment as is found due by the final decision of the court, is final.

(3) The director or the director's designee may file with the clerk of any county within the state, a warrant in the amount of the notice of assessment, plus interest, penalties, and a filing fee of twenty dollars. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the unregistered contractor mentioned in the warrant, the amount of payment, penalty, fine due on it, or filing fee, and the date when the warrant was filed. The aggregate amount of the warrant as docketed shall become a lien upon the title to, and interest in, all real and personal property of the unregistered contractor against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of the clerk. The sheriff shall proceed upon the warrant in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in a court of competent jurisdiction. The warrant so docketed is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee which will be added to the amount of the warrant. A copy of the warrant shall be mailed to the unregistered contractor within three days of filing with the clerk.

(4) The director or the director's designee may issue to any person, firm, corporation, other entity, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind whatsoever when he or she has reason to believe that there is in the possession of the person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is or will become due, owing, or belonging to an unregistered contractor upon whom a notice of assessment has been served by the department for payments, penalties, or fines due to the department. The effect of a notice and order is continuous from the date the notice and order is first made until the liability out of which the notice and order arose is satisfied or becomes unenforceable.

because of lapse of time. The department shall release the notice and order when the liability out of which the notice and order arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order was made that the notice and order has been released.

The notice and order to withhold and deliver must be served by the sheriff of the county or by the sheriff's deputy, by certified mail, return receipt requested, or by an authorized representative of the director. A person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order. Upon service of the notice and order, if the party served possesses any property that may be subject to the claim of the department, the party shall promptly deliver the property to the director or the director's authorized representative. The director shall hold the property in trust for application on the unregistered contractor's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review. In the alternative, the party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. If a party served and named in the notice fails to answer the notice within the time prescribed in this section, the court may render judgment by default against the party for the full amount claimed by the director in the notice, together with costs. If a notice is served upon an unregistered contractor and the property subject to it is wages, the unregistered contractor may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner is entitled.

(5) In addition to the procedure for collection of a payment, penalty, or fine due to the department as set forth in this section, the department may recover civil penalties imposed under this chapter in a civil action in the name of the department brought in a court of competent jurisdiction of the county where the violation is alleged to have occurred.

Sec. 4. RCW 9.94A.030 and 2000 c 28 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.145, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(4) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.120(2)(b), 9.94A.650 through 9.94A.670, 9.94A.137, 9.94A.700 through 9.94A.715, or 9.94A.383, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of

reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(5) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.040, for crimes committed on or after July 1, 2000.

(6) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(7) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(8) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(9) "Confinement" means total or partial confinement.

(10) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(12) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (a) whether the defendant has been placed on probation and the length and terms thereof; and (b) whether the defendant has been incarcerated and the length of incarceration.

(13) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(14) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(15) "Department" means the department of corrections.

MR. PRESIDENT:

The House has passed ENGROSSED SENATE BILL NO. 5143 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.43.040 and 1998 c 194 s 1 are each amended to read as follows:

(1) The chief of the Washington state patrol shall relieve from active duty Washington state patrol officers who, while in the performance of their official duties, or while on standby or available for duty, have been or hereafter may be injured or incapacitated to such an extent as to be mentally or physically incapable of active service: PROVIDED, That:

(a) Any officer disabled while performing line duty who is found by the chief to be physically incapacitated shall be placed on disability leave for a period not to exceed six months from the date of injury or the date incapacitated. During this period, the officer shall be entitled to all pay, benefits, insurance, leave, and retirement contributions awarded to an officer on active status, less any compensation received through the department of labor and industries. No such disability leave shall be approved until an officer has been unavailable for duty for more than forty consecutive work hours. Prior to the end of the six-month period, the chief shall either place the officer on disability status or return the officer to active status.

For the purposes of this section, "line duty" is active service which encompasses the traffic law enforcement duties and/or other law enforcement responsibilities of the state patrol. These activities encompass all enforcement practices of the laws, accident and criminal investigations, or actions requiring physical exertion or exposure to hazardous elements.

The chief shall define by rule the situations where a disability has occurred during line duty;

(b) Benefits under this section for a disability that is incurred while in other employment will be reduced by any amount the officer receives or is entitled to receive from workers' compensation, social security, group insurance, other pension plan, or any other similar source provided by another employer on account of the same disability;

(c) An officer injured while engaged in willfully tortious or criminal conduct shall not be entitled to disability benefits under this section; and

(d) For members commissioned prior to January 1, 2003, should a disability beneficiary whose disability was not incurred in line of duty, prior to attaining age fifty, engage in a gainful occupation, the chief shall reduce the amount of his retirement allowance to an amount which when added to the compensation earned by him in such occupation shall not exceed the basic salary currently being paid for the rank the retired officer held at the time he was disabled. All such disability beneficiaries under age fifty shall file with the chief every six months a signed and sworn statement of earnings and any person who shall knowingly swear falsely on such statement shall be subject to prosecution for perjury. Should the earning capacity of such beneficiary be further

altered, the chief may further alter his disability retirement allowance as indicated above. The failure of any officer to file the required statement of earnings shall be cause for cancellation of retirement benefits.

(2) ((Officers)) (a) Members commissioned prior to January 1, 2003, on disability status shall receive one-half of their compensation at the existing wage, during the time the disability continues in effect, less any compensation received through the department of labor and industries. They shall be subject to mental or physical examination at any state institution or otherwise under the direction of the chief of the patrol at any time during such relief from duty to ascertain whether or not they are able to resume active duty.

(b) Members commissioned on or after January 1, 2003, on disability status as a result of a line duty disability shall receive a line duty disability allowance of one-half of their compensation at the existing wage, during the time the disability continues in effect, less any compensation received through the department of labor and industries, and any retirement allowance under section 2 of this act. They shall be subject to such comprehensive medical examinations as required by the chief of the patrol at any time during such relief from duty. If these medical examinations reveal that a member has recovered from the incapacitating disability and the member is offered reemployment by the chief at a comparable compensation, the member shall cease to be eligible for this line duty disability allowance.

NEW SECTION. Sec. 2. (1) A member of the retirement system commissioned on or after January 1, 2003, who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the department shall be eligible to receive an allowance under RCW 43.43.260. The member shall receive a monthly disability allowance computed as provided for in RCW 43.43.260 and shall have this allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-five or from when the member could have attained twenty-five years of service, whichever is less.

Any member who receives an allowance under the provisions of this section shall be subject to comprehensive medical examinations as required by the department. If these medical examinations reveal that a member has recovered from the incapacitating disability and the member is offered reemployment by the chief at a comparable compensation, the member shall cease to be eligible for the allowance.

(2) If the recipient of a monthly retirement allowance under this section dies before the total of the retirement allowance paid to the recipient equals the amount of the accumulated contributions at the date of retirement, then the balance shall be paid to the member's estate, or the person or persons, trust, or organization as the recipient has nominated by written designation duly executed and filed with the director, or if there is no designated person or persons still living at the time of the recipient's death, then to the surviving spouse, or if there is no designated person or persons still living at the time of his or her death nor a surviving spouse, then to his or her legal representative.

(iii) The contributions required under (b)(i)(B) of this subsection shall be based on the compensation the member would have earned if not on leave, or if that cannot be estimated with reasonable certainty, the compensation reported for the member in the year prior to when the member went on military leave.

(4) In no event shall the total retirement benefits from subsections (1), (2), and (3) of this section, of any member exceed seventy-five percent of the member's average final salary.

~~(5) ((A yearly increase in retirement allowance which shall amount to two percent of the retirement allowance computed at the time of retirement. This yearly increase shall be added to the retirement allowance on July 1st of each calendar year.))~~

Beginning July 1, 2001, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

(a) The original dollar amount of the retirement allowance;

(b) The index for the calendar year prior to the effective date of the retirement allowance, to be known as "index A";

(c) The index for the calendar year prior to the date of determination, to be known as "index B"; and

(d) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(i) Produce a retirement allowance which is lower than the original retirement allowance;

(ii) Exceed three percent in the initial annual adjustment; or

(iii) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index for the Seattle-Tacoma-Bremerton Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

The provisions of this section shall apply to all members presently retired and to all members who shall retire in the future.

NEW SECTION. Sec. 5. (1) A member commissioned on or after January 1, 2003, upon retirement for service as prescribed in RCW 43.43.250 or disability retirement under RCW 43.43.040, shall elect to have the retirement allowance paid pursuant to the following options, calculated so as to be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout the member's life. However, if the retiree dies before the total of the retirement allowance paid to the retiree equals the amount of the retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

(2)(a) A member, if married, must provide the written consent of his or her spouse to the option selected under this section, except as provided in (b) of this subsection. If a member is married and both the member and member's spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse as the beneficiary. This benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) of this subsection.

(b) If a copy of a dissolution order designating a survivor beneficiary under RCW 41.50.790 has been filed with the department at least thirty days prior to a member's retirement:

(i) The department shall honor the designation as if made by the member under subsection (1) of this section; and
(ii) The spousal consent provisions of (a) of this subsection do not apply.

(3) No later than January 1, 2003, the department shall adopt rules that allow a member additional actuarially equivalent survivor benefit options, and shall include, but are not limited to:

(a)(i) A retired member who retired without designating a survivor beneficiary shall have the opportunity to designate their spouse from a postretirement marriage as a survivor during a one-year period beginning one year after the date of the postretirement marriage provided the retirement allowance payable to the retiree is not subject to periodic payments pursuant to a property division obligation as provided for in RCW 41.50.670.

(ii) A member who entered into a postretirement marriage prior to the effective date of the rules adopted pursuant to this subsection and satisfies the conditions of (a)(i) of this subsection shall have one year to designate their spouse as a survivor beneficiary following the adoption of the rules.

(b) A retired member who elected to receive a reduced retirement allowance under this section and designated a nonspouse as survivor beneficiary shall have the opportunity to remove the survivor designation and have their future benefit adjusted.

(c) The department may make an additional charge, if necessary, to ensure that the benefits provided under this subsection remain actuarially equivalent.

Sec. 6. RCW 43.43.270 and 1989 c 108 s 1 are each amended to read as follows:

For members commissioned prior to January 1, 2003:

(1) The normal form of retirement allowance shall be an allowance which shall continue as long as the member lives.

(2) If a member should die while in service the member's lawful spouse shall be paid an allowance which shall be equal to fifty percent of the average final salary of the member. If the member should die after retirement the member's lawful spouse shall be paid an allowance which shall be equal to the retirement allowance then payable to the member or fifty percent of the final average salary used in computing the member's retirement allowance, whichever is less. The allowance paid to the lawful spouse shall continue as long as the spouse lives: PROVIDED, That if a surviving spouse who is receiving benefits under this subsection marries another member of this retirement system who subsequently predeceases such spouse, the spouse shall then be entitled to receive the higher of the two survivors' allowances for which eligibility requirements were met, but a surviving spouse shall not receive more than one survivor's allowance from this system at the same time under this subsection. To be eligible for an allowance the lawful surviving spouse of a retired member shall have been married to the member prior to the member's retirement and continuously thereafter until the date of the member's death or shall have been married to the retired member at least two years prior to the member's death.

(3) If a member should die, either while in service or after retirement, the member's surviving unmarried children under the age of eighteen years shall be provided for in the following manner:

(a) If there is a surviving spouse, each child shall be entitled to a benefit equal to five percent of the final average salary of the member or retired member. The combined benefits to the surviving spouse and all children shall not exceed sixty percent of the final average salary of the member or retired member; and

(b) If there is no surviving spouse or the spouse should die, the child or children shall be entitled to a benefit equal to thirty percent of the final average salary of the member or retired member for one child and an additional ten percent for each additional child. The combined benefits to the children under this subsection shall not exceed sixty percent of the final average salary of the member or retired member. Payments under this subsection shall be prorated equally among the children, if more than one.

(4) If a member should die in the line of duty while employed by the Washington state patrol, the member's surviving children under the age of twenty years and eleven months if attending any high school, college, university, or vocational or other educational institution accredited or approved by the state of Washington shall be provided for in the following manner:

(a) If there is a surviving spouse, each child shall be entitled to a benefit equal to five percent of the final average salary of the member. The combined benefits to the surviving spouse and all children shall not exceed sixty percent of the final average salary of the member;

(b) If there is no surviving spouse or the spouse should die, the unmarried child or children shall be entitled to receive a benefit equal to thirty percent of the final average salary of the member or retired member for one child and an additional ten percent

for each additional child. The combined benefits to the children under this subsection shall not exceed sixty percent of the final average salary. Payments under this subsection shall be prorated equally among the children, if more than one; and

(c) If a beneficiary under this subsection reaches the age of twenty-one years during the middle of a term of enrollment the benefit shall continue until the end of that term.

(5) The provisions of this section shall apply to members who have been retired on disability as provided in RCW 43.43.040 if the officer was a member of the Washington state patrol retirement system at the time of such disability retirement.

NEW SECTION. Sec. 7. (1) For members commissioned on or after January 1, 2003, except as provided in RCW 11.07.010, if a member or a vested member who has not completed at least ten years of service dies, the amount of the accumulated contributions standing to such member's credit in the retirement system at the time of such member's death, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670, shall be paid to the member's estate, or such person or persons, trust, or organization as the member shall have nominated by written designation duly executed and filed with the department. If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670, shall be paid to the member's estate, or such person or persons, trust, or organization as the member shall have nominated by written designation duly executed and filed with the department. withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670, shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

(2) If a member who is eligible for retirement or a member who has completed at least ten years of service dies, the surviving spouse or eligible child or children shall elect to receive either:

(a) A retirement allowance computed as provided for in RCW 43.43.260, actuarially reduced by the amount of any lump sum benefit identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670 and actuarially adjusted to reflect a joint and one hundred percent survivor option under RCW 43.43.278 and if the member was not eligible for normal retirement at the date of death a further reduction from age fifty-five or when the member could have attained twenty-five years of service, whichever is less; if a surviving spouse who is receiving a retirement allowance dies leaving a child or children of the member under the age of majority, then such child or children shall continue to receive an allowance in an amount equal to that which was being received by the surviving spouse, share and share alike, until such child or children reach the age of majority; if there is no surviving spouse eligible to receive an allowance at the time of the member's death, such member's child or children under the age of majority shall receive an allowance share and share alike calculated under this section making the assumption that the ages of the spouse and member were equal at the time of the member's death; or

(b)(i) The member's accumulated contributions, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670; or

(ii) If the member dies, one hundred fifty percent of the member's accumulated contributions, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670. Any accumulated contributions attributable to restorations made under RCW 41.50.165(2) shall be refunded at one hundred percent.

(3) If a member who is eligible for retirement or a member who has completed at least ten years of service dies, and is not survived by a spouse or an eligible child, then the accumulated contributions standing to the member's credit, less any amount identified as owing to an obligee upon withdrawal of accumulated contributions pursuant to a court order filed under RCW 41.50.670, shall be paid:

(a) To an estate, a person or persons, trust, or organization as the member shall have nominated by written designation duly executed and filed with the department; or

(b) If there is no such designated person or persons still living at the time of the member's death, then to the member's legal representatives.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5182 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The intent of this act is to ensure a sustainable, comprehensive, pipeline safety program, to protect the health and safety of the citizens of the state of Washington, and maintain the quality of the state's environment. The legislature finds that public safety and the environment are best protected by securing permanent funding for this program through establishment of a regulatory fee imposed on hazardous liquids and gas pipelines.

NEW SECTION. Sec. 2. A new section is added to chapter 80.24 RCW to read as follows:

(1)(a) Every gas company and every interstate gas pipeline company subject to inspection or enforcement by the commission shall pay an annual pipeline safety fee to the commission. The pipeline safety fees received by the commission shall be deposited in the pipeline safety account created in RCW 81.88.050.

(b) The aggregate amount of fees set shall be sufficient to recover the reasonable costs of administering the pipeline safety program, taking into account federal funds used to offset the costs. The fees established under this section shall be designed to generate revenue not exceeding appropriated levels of funding for the current fiscal year. At a minimum, the fees established under this section shall be sufficient to adequately fund pipeline inspection personnel, the timely review of pipeline safety and integrity plans, the timely development of spill response plans, the timely development of accurate maps of pipeline locations, participation in federal pipeline safety efforts to the extent allowed by law, and the staffing of the citizens committee on pipeline safety.

(c) Increases in the aggregate amount of fees over the immediately preceding fiscal year are subject to the requirements of RCW 43.135.055.

(2) The commission shall by rule establish the methodology it will use to set the appropriate fee for each entity subject to this section. The methodology shall provide for an equitable distribution of program costs among all entities subject to the fee. The fee methodology shall provide for:

(a) Direct assignment of average costs associated with annual standard inspections, including the average number of inspection days per year. In establishing these directly assignable costs, the commission shall consider the requirements and guidelines of the federal government, state safety standards, and good engineering practice; and

(b) A uniform and equitable means of estimating and allocating costs of other duties relating to inspecting pipelines for safety that are not directly assignable, including but not limited to design review and construction inspections, specialized inspections, incident investigations, geographic mapping system design and maintenance, and administrative support.

(3) The commission shall require reports from those entities subject to this section in the form and at such time as necessary to set the fees. After considering the reports supplied by the entities, the commission shall set the amount of the fee payable by each entity by general order entered before July 1st of each year.

(4) For companies subject to RCW 80.24.010, the commission shall collect the pipeline safety fee as part of the fee specified in RCW 80.24.010. The commission shall allocate the moneys collected under RCW 80.24.010 between the pipeline safety program and for other regulatory purposes. The commission shall adopt rules that assure that fee moneys related to the pipeline safety program are maintained separately from other moneys collected by the commission under this chapter.

(5) Any payment of the fee imposed by this section made after its due date must include a late fee of two percent of the amount due. Delinquent fees accrue interest at the rate of one percent per month.

(6) The commission shall keep accurate records of the costs incurred in administering its gas pipeline safety program, and the records are open to inspection by interested parties. The records and data upon which the commission's determination is made shall be prima facie correct in any proceeding to challenge the reasonableness or correctness of any order of the commission fixing fees and distributing regulatory expenses.

(7) If any entity seeks to contest the imposition of a fee imposed under this section, that entity shall pay the fee and request a refund within six months of the due date for the payment by filing a petition for a refund with the commission. The commission shall establish by rule procedures for handling refund petitions and may delegate the decisions on refund petitions to the secretary of the commission.

(8) After establishing the fee methodology by rule as required in subsection (2) of this section, the commission shall create a regulatory incentive program for pipeline safety programs in collaboration with the citizens committee on pipeline safety. The regulatory incentive program created by the commission shall not shift costs among companies paying pipeline safety fees and shall not decrease revenue to pipeline safety programs. The regulatory incentive program shall not be implemented until after the review conducted according to section 4 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 81.24 RCW to read as follows:

(1)(a) Every hazardous liquid pipeline company as defined in RCW 81.88.010 shall pay an annual pipeline safety fee to the commission. The pipeline safety fees received by the commission shall be deposited in the pipeline safety account created in RCW 81.88.050.

(b) The aggregate amount of fees set shall be sufficient to recover the reasonable costs of administering the pipeline safety program, taking into account federal funds used to offset the costs. The fees established under this section shall be designed to generate revenue not exceeding appropriated levels of funding for the current fiscal year. At a minimum, the fees established under this section shall be sufficient to adequately fund pipeline inspection personnel, the timely review of pipeline safety and integrity plans, the timely development of spill response plans, the timely development of accurate maps of pipeline locations, participation in federal pipeline safety efforts to the extent allowed by law, and the staffing of the citizens committee on pipeline safety.

(c) Increases in the aggregate amount of fees over the immediately preceding fiscal year are subject to the requirements of RCW 43.135.055.

(2) The commission shall by rule establish the methodology it will use to set the appropriate fee for each entity subject to this section. The methodology shall provide for an equitable distribution of program costs among all entities subject to the fee. The fee methodology shall provide for:

(a) Direct assignment of average costs associated with annual standard inspections, including the average number of inspection days per year. In establishing these directly assignable costs, the commission shall consider the requirements and guidelines of the federal government, state safety standards, and good engineering practice; and

(b) A uniform and equitable means of estimating and allocating costs of other duties relating to inspecting pipelines for safety that are not directly assignable, including but not limited to design review and construction inspections, specialized inspections, incident investigations, geographic mapping system design and maintenance, and administrative support.

(3) The commission shall require reports from those entities subject to this section in the form and at such time as necessary to set the fees. After considering the reports supplied by the entities, the commission shall set the amount of the fee payable by each entity by general order entered before July 1st of each year.

(4) For companies subject to RCW 81.24.010, the commission shall collect the pipeline safety fee as part of the fee specified in RCW 81.24.010. The commission shall allocate the moneys collected under RCW 81.24.010 between the pipeline safety program and for other regulatory purposes. The commission shall adopt rules that assure that fee moneys related to the pipeline safety program are maintained separately from other moneys collected by the commission under this chapter.

(5) Any payment of the fee imposed by this section made after its due date must include a late fee of two percent of the amount due. Delinquent fees accrue interest at the rate of one percent per month.

(6) The commission shall keep accurate records of the costs incurred in administering its hazardous liquid pipeline safety program, and the records are open to inspection by interested parties. The records and data upon which the commission's determination is made shall be prima facie correct in any proceeding to challenge the reasonableness or correctness of any order of the commission fixing fees and distributing regulatory expenses.

(7) If any entity seeks to contest the imposition of a fee imposed under this section, that entity shall pay the fee and request a refund within six months of the due date for the payment by filing a petition for a refund with the commission. The commission shall establish by rule procedures for handling refund petitions and may delegate the decisions on refund petitions to the secretary of the commission.

(8) After establishing the fee methodology by rule as required in subsection (2) of this section, the commission shall create a regulatory incentive program for pipeline safety programs in collaboration with the citizens committee on pipeline safety. The regulatory incentive program created by the commission shall not shift costs among companies paying pipeline safety fees and shall not decrease revenue to pipeline safety programs. The regulatory incentive program shall not be implemented until after the review conducted according to section 4 of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 81.88 RCW to read as follows:

The joint legislative audit and review committee shall review staff use, inspection activity, fee methodology, and costs of the hazardous liquid and gas pipeline safety programs and report to the appropriate legislative committees by July 1, 2003. The report shall include a comparison of interstate and intrastate programs, including but not limited to the number and complexity of regular and specialized inspections, mapping requirements for each program, and allocation of administrative costs to each program.

MR. PRESIDENT:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 73.16 RCW to read as follows:

(1) It is the intent of the legislature to guarantee employment rights of members of the reserve and national guard forces who are called to active duty. The federal uniformed services employment and reemployment rights act of 1994 protects all such federal personnel. The legislature intends that similar provisions should apply to all such state personnel. Therefore, the legislature intends for this act to ensure protections for state-activated personnel similar to those provided by federal law for federal-activated personnel.

(2) The purposes of this chapter are to:

(a) Encourage noncareer service in the uniformed services by eliminating or minimizing the disadvantages to civilian careers and employment that can result from such service;

(b) Minimize the disruption to the lives of persons performing service in the uniformed services as well as to their employers, their fellow employees, and their communities, by providing for the prompt reemployment of such persons upon their completion of such service; and

(c) Prohibit discrimination against persons because of their service in the uniformed services.

(3) Therefore, the legislature intends that the governmental agencies of the state of Washington, and all the political subdivisions thereof, should be model employers in carrying out the provisions of this chapter.

(1) A person who is a member of, applies to be a member of, performs, has performed, applies to perform, or has an obligation to perform service in a uniformed service shall not be denied initial employment, retention in employment, promotion, or any benefit of employment by an employer on the basis of that membership, application for membership, performance of service, application for service, or obligation.

(2) An employer may not discriminate in employment against or take any adverse employment action against any person because such person (a) has taken an action to enforce a protection afforded any person under this chapter, (b) has testified or otherwise made a statement in or in connection with any proceeding under this chapter, (c) has assisted or otherwise participated in an investigation under this chapter, or (d) has exercised a right provided for in this chapter. The prohibition in this subsection (2) applies with respect to a person regardless of whether that person has performed service in the uniformed services.

(3) An employer shall be considered to have engaged in actions prohibited:

(a) Under subsection (1) of this section, if the person's membership, application for membership, service, application for service, or obligation for service in the uniformed services is a motivating factor in the employer's action, unless the employer can prove that the action would have been taken in the absence of such membership, application for membership, service, application for service, or obligation for service; or

(b) Under subsection (2) of this section if the person's (i) action to enforce a protection afforded any person under this chapter, (ii) testimony or making of a statement in or in connection with any proceeding under this chapter, (iii) assistance or other participation in an investigation under this chapter, or (iv) exercise of a right provided for in this chapter, is a motivating factor in the employer's action, unless the employer can prove that the action would have been taken in the absence of such person's enforcement action, testimony, statement, assistance, participation, or exercise of a right.

Sec. 5. RCW 73.16.033 and 1953 c 212 s 2 are each amended to read as follows:

Any person who is a resident of this state or is employed within this state, and who voluntarily or upon (~~(demand)~~) order from competent authority, vacates a position of employment (~~(to determine his physical fitness to enter, or, who actually does enter upon active duty or training in the Washington National Guard, the armed forces of the United States, or the United States public health service)~~) for service in the uniformed services, shall, provided he or she meets the requirements of RCW 73.16.035, be reemployed forthwith: PROVIDED, That the employer need not reemploy such person if circumstances have so changed (~~(as to make it impossible, unreasonable, or against the public interest for him to do so)~~) such that reemployment would be impossible or unreasonable due to a change in the employer's circumstances, or would impose an undue hardship on the employer: PROVIDED FURTHER, That this section shall not apply to a temporary position.

If such person is still qualified to perform the duties of his or her former position, he or she shall be restored to that position or to a position of like seniority, status and pay. If he or she is not so qualified as a result of disability sustained during his or her service (~~(, or during the determination of his fitness for service)~~) in the uniformed services, but is nevertheless qualified to perform the duties of another position, under the control of the same employer, he or she shall be reemployed in such other position: PROVIDED, That such position shall provide him or her with like seniority, status, and pay, or the nearest approximation thereto consistent with the circumstances of the case.

Sec. 6. RCW 73.16.035 and 1969 c 16 s 1 are each amended to read as follows:

(1) In order to be eligible for the benefits of ((RCW 73.16.031 through 73.16.064)) this chapter, an applicant must comply with the following requirements:

((4-He)) (a) The applicant must notify his or her employer as to his or her membership in the uniformed services within a reasonable time of accepting employment or becoming a member of the uniformed services. An employer may not take any action prohibited in section 4 of this act against a person because the person provided notice of membership in the uniformed services to the employer.

(b) The applicant must furnish a receipt of an honorable, or under honorable conditions discharge, report of separation, certificate of satisfactory service, or other proof of having satisfactorily completed his or her service. Rejectees must furnish proof of orders for examination and rejection.

((2-He)) (c) The applicant must make written application to the employer or his or her representative ((within ninety days of the date of his separation or release from training and service. Rejectees must apply within thirty days from date of rejection)) as follows:

(i) In the case of an applicant whose period of service in the uniformed services was less than thirty-one days, by reporting to the employer:

(A) Not later than the beginning of the first full regularly scheduled work period on the first full calendar day following the completion of the period of service and the expiration of eight hours after a period allowing for the safe transportation of the applicant from the place of that service to the applicant's residence; or

(B) As soon as possible after the expiration of the eight-hour period in (c)(i)(A) of this subsection, if reporting within that period is impossible or unreasonable through no fault of the applicant;

(ii) In the case of an applicant who is absent from a position of employment for a period of any length for the purposes of an examination to determine the applicant's fitness to perform service in the uniformed services, by reporting in the manner and time referred to in (c)(i) of this subsection;

(iii) In the case of an applicant whose period of service in the uniformed services was for more than thirty days but less than one hundred eighty-one days, by submitting an application for reemployment with the employer not later than fourteen days after the completion of the period of service or if submitting such application within such period is impossible or unreasonable through no fault of the applicant, the next first full calendar day when submission of such application becomes possible;

(iv) In the case of an applicant whose period of service in the uniformed services was for more than one hundred eighty days, by submitting an application for reemployment with the employer not later than ninety days after the completion of the period of service;

(v) In the case of an applicant who is hospitalized for, or convalescing from, an illness or injury incurred or aggravated during the performance of service in the uniformed services, at the end of the period that is necessary for the applicant to recover from such illness or injury, the applicant shall submit an application for reemployment with such employer. The period of recovery may not exceed two years. This two-year period shall be extended by the minimum time required to accommodate the circumstances beyond the applicant's control that make reporting within the two-year period impossible or unreasonable;

(vi) In the case of an applicant who fails to report or apply for employment or reemployment within the appropriate period specified in this subsection (1)(c), the applicant does not automatically forfeit his or her entitlement to the rights and benefits conferred by this chapter, but is subject to the conduct rules, established policy, and general practices of the employer pertaining to explanations and discipline with respect to absence from scheduled work.

(d) An applicant who submits an application for reemployment shall provide to the applicant's employer, upon the request of that employer, documentation to establish that:

(i) The application is timely;

(ii) The applicant has not exceeded the service limitations set forth in this section, except as permitted under (c)(v) of this subsection; and

(iii) The applicant's entitlement to the benefits under this chapter has not been terminated pursuant to (e) of this subsection.

((3) If, due to the necessity of hospitalization, while on active duty, he is released or placed on inactive duty and remains hospitalized, he is eligible for the benefits of RCW 73.16.031 through 73.16.064: PROVIDED, That such hospitalization does not continue for more than one year from date of such release or inactive status: PROVIDED FURTHER, That he applies for his former position within ninety days after discharge from such hospitalization.

(4-He) (e) The applicant must return and reenter the office or position within ((three months)) the appropriate period specified in (c) of this subsection after serving four years or less in the uniformed services other than state-ordered active duty: PROVIDED, That any period of additional service imposed by law, from which one is unable to obtain orders relieving him or her from active duty, will not affect ((his)) reemployment rights.

(f) The applicant must return and reenter the office or position within the appropriate period specified in (c) of this subsection after serving twelve weeks or less in a calendar year in state-ordered active duty: PROVIDED, That the governor, when declaring an emergency that necessitates a longer period of service, may extend the period of service in state-ordered active duty to up to twelve months after which the applicant is eligible for the benefits of this chapter.

(2) The failure of an applicant to provide documentation that satisfies rules adopted pursuant to subsection (1)(c) of this section shall not be a basis for denying reemployment in accordance with the provisions of this chapter if the failure occurs because such documentation does not exist or is not readily available at the time of the request of the employer. If, after such reemployment, documentation becomes available that establishes that the applicant does not meet one or more of the requirements referred to in subsection (1)(d) of this section, that applicant's employer may terminate the employment of the person and the provision of any rights or benefits afforded the person under this chapter.

(3) An employer may not delay or attempt to defeat a reemployment obligation by demanding documentation that does not then exist or is not then readily available.

(4) The application in subsection (1) of this section is not required if the giving of such application is precluded by military necessity or, under all of the relevant circumstances, the giving of such notice is otherwise impossible or unreasonable. A determination of military necessity for the purposes of this subsection shall be made by the adjutant general of the state of Washington military department and is not subject to judicial review.

(5) In any proceeding involving an issue of whether (a) reemployment is impossible or unreasonable because of a change in an employer's circumstances, (b) reemployment would impose an undue hardship on the employer, or (c) the employment is for a temporary position, the employer has the burden of proving the impossibility or unreasonableness, undue hardship, or the brief or nonrecurrent nature of the employment without a reasonable expectation of continuing indefinitely or for a significant period.

Sec. 7. RCW 73.16.051 and 1953 c 212 s 5 are each amended to read as follows:

Any person who is entitled to be restored to a position in accordance with ~~((the provisions of RCW 73.16.031, 73.16.033, 73.16.035, and 73.16.041))~~ this chapter shall be considered as having been on furlough or leave of absence, from his or her position of employment, during his or her period of active military duty or service, and he or she shall be so restored without loss of seniority. He or she shall further be entitled to participate in insurance, vacations, retirement pay, and other benefits offered by the employer pursuant to established rules and practices relating to employees on furlough or leave of absence in effect with the employer at the time such person was ordered into the service; and he or she shall not be discharged from such position without cause within one year after restoration ~~((: PROVIDED, That no employer shall be required to make any payment to keep insurance or retirement rights current during such period of military service))~~.

NEW SECTION. Sec. 8. A new section is added to chapter 73.16 RCW to read as follows:

(1) If a person, or the person's dependents, have coverage under a health plan in connection with the person's position of state employment, and the person is absent from his or her position of state employment by reason of service in the uniformed services, the plan shall provide that the person may elect to continue the coverage as provided in this section. The maximum period of coverage of a person and person's dependents under such an election shall be the lesser of:

(a) The eighteen-month period beginning on the date on which the person's absence begins; or

(b) The day after the date on which the person fails to apply for or return to a position of state employment, as determined under RCW 73.16.035.

(2) A person who elects to continue health plan coverage under this section may be required to pay not more than one hundred two percent of the full premium under the plan associated with the coverage for the state employer's other employees, except that in the case of a person who performs service in the uniformed services for less than thirty-one days, the person may not be required to pay more than the employee share, if any, for the coverage.

(3) Except as provided in subsection (2) of this section, if a person's coverage under a health plan was terminated because of service in the uniformed services, an exclusion or waiting period may not be imposed in connection with the reinstatement of the coverage upon reemployment under this chapter if an exclusion or waiting period would not have been imposed under a health plan had coverage of the person by the plan not been terminated as a result of his or her service. This subsection applies to the person who is reemployed and to any dependent who is covered by the plan because of the reinstatement of the coverage of the person.

NEW SECTION. Sec. 9. A new section is added to chapter 73.16 RCW to read as follows:

(1)(a) In the case of a right provided under any state law governing pension benefits for state employees, the right to pension benefits of a person reemployed under this chapter shall be determined under this section.

(b) A person reemployed under this chapter shall be treated as not having incurred a break in service with the state because of the person's period of service in the uniformed services.

(c) Each period served by a person in the uniformed services shall, upon reemployment under this chapter, be deemed to constitute service with the state for the purpose of determining the nonforfeitable of the person's accrued benefits and for the purpose of determining the accrual of benefits under the plan.

(2) When the state is reemploying a person under this chapter, the state is liable to an employee pension benefit plan for funding any obligation of the plan to provide the pension benefits described in this section and shall allocate the amounts of any employer contribution for the person in the same manner and to the same extent the allocation occurs for other employees during the period of service. For purposes of determining the amount of such liability and any obligation of the plan, earnings and forfeitures shall not be included. For purposes of determining the amount of such liability and purposes of a state law governing pension benefits for state employees, service in the uniformed services that is deemed under subsection (1) of this section to be service with the state shall be deemed to be service with the state under the terms of the plan or any applicable collective bargaining agreement.

(3) A person reemployed by the state under this chapter is entitled to accrued benefits pursuant to subsection (1)(a) of this section that are contingent on the making of, or derived from, employee contributions or elective deferrals (as defined in section 402(g)(3) of the internal revenue code of 1986) only to the extent the person makes payment to the plan with respect to such contributions or deferrals. No such payment may exceed the amount the person would have been permitted or required to contribute had the person remained continuously employed by the state throughout the period of uniformed service. Any payment to the plan described in this subsection shall be made during the period beginning with the date of reemployment and whose duration is three times the period of the person's services, such payment period in the uniformed services, not to exceed five years.

(4) For purposes of computing an employer's liability of the employee's contributions under subsection (2) of this section, the employee's compensation during the period of service shall be computed:

(a) At the rate the employee would have received but for the period of service in subsection (1)(b) of this section; or

(b) In the case that the determination of such rate is not reasonably certain, on the basis of the employee's average rate of compensation during the twelve-month period immediately preceding such period or if shorter, the period of employment immediately preceding such period.

Sec. 10. RCW 73.16.061 and 1953 c 212 s 6 are each amended to read as follows:

(1) In case any employer, his or her successor or successors fails or refuses to comply with the provisions of RCW 73.16.031 through 73.16.061 and sections 4, 8, 9, and 13 of this act, the ~~((prosecuting attorney of the county in which the employer is located))~~ attorney general shall bring action in the superior court in the county in which the employer is located or does business to obtain an order to specifically require such employer to comply with the provisions ~~((hereof))~~ of this chapter, and, as an incident thereto, to compensate such person for any loss of wages or benefits suffered by reason of such employer's unlawful act if:

(a) The service in question was state duty not covered by the uniformed services employment and reemployment rights act of 1994, P.L. 103-353 (38 U.S.C. Sec. 4301 et seq.); and

(b) The employer support for guard and reserve ombudsman, or his or her designee, has inquired in the matter and has been unable to resolve it.

(2) If the conditions in subsection (1)(a) and (b) of this section are met, any such person who does not desire the services of the ((prosecuting) attorney general may, by private counsel, bring such action.

Sec. 11. RCW 73.16.070 and 1941 c 201 s 5 are each amended to read as follows:

The federal soldiers' and sailors' civil relief act of 1940, Public Act No. 861((, 76th congress)), is hereby specifically declared to apply in proper cases in all the courts of this state.

NEW SECTION. Sec. 12. A new section is added to chapter 73.16 RCW to read as follows:

An offset of any military pay for temporary service in the uniformed services in a particular week against the salary of a bona fide executive, administrative, or professional employee in a particular week shall not be a factor in determining whether the employee is exempt under RCW 49.46.010(5)(c).

NEW SECTION. Sec. 13. A new section is added to chapter 73.16 RCW to read as follows:

This chapter shall not supersede, nullify, or diminish any federal or state law, ordinance, rule, regulation, contract, agreement, policy, plan, practice, or other matter that establishes a right or benefit that is more beneficial to, or is in addition to, a right or benefit provided for such person in this chapter.

NEW SECTION. Sec. 14. A new section is added to chapter 73.16 RCW to read as follows:

The legislature declares that the public policies articulated in chapter ..., Laws of 2001 (this act) depend on the procedures established in chapter ..., Laws of 2001 (this act). No civil or criminal action may be maintained relying on the public policies articulated in chapter ..., Laws of 2001 (this act) without complying with the procedures in this chapter. To that end, all civil actions and civil causes of action for such injuries and all jurisdiction of the courts of this state over such causes are hereby abolished, except as provided in this chapter.

NEW SECTION. Sec. 15. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

The assessment required by this section shall not be suspended or waived by the court.

(2) There shall be assessed and collected in addition to any fines, forfeitures, or penalties assessed, other than for parking infractions and for fines levied under RCW 46.61.5055, and in addition to the public safety and education assessment required under subsection (1) of this section, by all courts organized under Title 3 or 35 RCW, an additional public safety and education assessment equal to fifty percent of the public safety and education assessment required under subsection (1) of this section, which shall be remitted to the state treasurer and deposited as provided in RCW 43.08.250. The additional assessment required by this subsection shall not be suspended or waived by the court.

(2) The supreme court shall prescribe by rule a schedule of monetary penalties for designated traffic infractions. This rule shall also specify the conditions under which local courts may exercise discretion in assessing fines and penalties for traffic infractions. The legislature respectfully requests the supreme court to adjust this schedule every two years for inflation.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed ENGROSSED SUBSTITUTE SENATE BILL NO. 5372 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature intends to further the government-to-government relationship between the state of Washington and Indians in the state of Washington by authorizing the governor to enter into contracts concerning the sale of cigarettes. The legislature finds that these cigarette tax contracts will provide a means to promote economic development, provide needed revenues for tribal governments and Indian persons, and enhance enforcement of the state's cigarette tax law, ultimately saving the state money and reducing conflict. In addition, it is the intent of the legislature that the negotiations and the ensuing contracts shall have no impact on the state's share of the proceeds under the master settlement agreement entered into on November 23, 1998, by the state. This act does not constitute a grant of taxing authority to any Indian tribe nor does it provide precedent for the taxation of non-Indians on fee land.

NEW SECTION. Sec. 2. A new section is added to chapter 43.06 RCW to read as follows:

(1) The governor may enter into cigarette tax contracts concerning the sale of cigarettes. All cigarette tax contracts shall meet the requirements for cigarette tax contracts under this section. Except for cigarette tax contracts under section 3 of this act, the rates, revenue sharing, and exemption terms of a cigarette tax contract are not effective unless authorized in a bill enacted by the legislature.

(2) Cigarette tax contracts shall be in regard to retail sales in which Indian retailers make delivery and physical transfer of possession of the cigarettes from the seller to the buyer within Indian Country, and are not in regard to transactions by non-Indian retailers. In addition, contracts shall provide that retailers shall not sell or give, or permit to be sold or given, cigarettes to any person under the age of eighteen years.

(3) A cigarette tax contract with a tribe shall provide for a tribal cigarette tax in lieu of all state cigarette taxes and state and local sales and use taxes on sales of cigarettes in Indian Country by Indian retailers. The tribe may allow an exemption for sales to tribal members.

(4) Cigarette tax contracts shall provide that all cigarettes possessed or sold by a retailer shall bear a cigarette stamp obtained by wholesalers from a bank or other suitable stamp vendor and applied to the cigarettes. The procedures to be used by the tribe in obtaining tax stamps must include a means to assure that the tribal tax will be paid by the wholesaler obtaining such cigarettes. Tribal stamps must have serial numbers or some other discrete identification so that each stamp can be traced to its source.

(5) Cigarette tax contracts shall provide that retailers shall purchase cigarettes only from:

(a) Wholesalers or manufacturers licensed to do business in the state of Washington;

(b) Out-of-state wholesalers or manufacturers who, although not licensed to do business in the state of Washington, agree to comply with the terms of the cigarette tax contract, are certified to the state as having so agreed, and who do in fact so comply. However, the state may in its sole discretion exercise its administrative and enforcement powers over such wholesalers or manufacturers to the extent permitted by law;

(c) A tribal wholesaler that purchases only from a wholesaler or manufacturer described in (a), (b), or (d) of this subsection; and

(d) A tribal manufacturer.

(6) Cigarette tax contracts shall be for renewable periods of no more than eight years. A renewal may not include a renewal of the phase-in period.

(7) Cigarette tax contracts shall include provisions for compliance, such as transport and notice requirements, inspection procedures, stamping requirements, recordkeeping, and audit requirements.

(8) Tax revenue retained by a tribe must be used for essential government services. Use of tax revenue for subsidization of cigarette and food retailers is prohibited.

(9) The cigarette tax contract may include provisions to resolve disputes using a nonjudicial process, such as mediation.

(10) The governor may delegate the power to negotiate cigarette tax contracts to the department of revenue. The department of revenue shall consult with the liquor control board during the negotiations.

(11) Information received by the state or open to state review under the terms of a contract is subject to the provisions of RCW 82.32.330.

(12) It is the intent of the legislature that the liquor control board and the department of revenue continue the division of duties and shared authority under chapter 82.24 RCW and therefore the liquor control board is responsible for enforcement activities that come under the terms of chapter 82.24 RCW.

(13) Each cigarette tax contract shall include a procedure for notifying the other party that a violation has occurred, a procedure for establishing whether a violation has in fact occurred, an opportunity to correct such violation, and a provision providing for termination of the contract should the violation fail to be resolved through this process, such termination subject to mediation should the terms of the contract so allow. A contract shall provide for termination of the contract if resolution of a dispute does not occur within twenty-four months from the time notification of a violation has occurred. Intervening violations do not extend this time period. In addition, the contract shall include provisions delineating the respective roles and responsibilities of the tribe, the department of revenue, and the liquor control board.

(14) For purposes of this section and sections 3 through 6 of this act:

(a) "Essential government services" means services such as tribal administration, public facilities, fire, police, public health, education, job services, sewer, water, environmental and land use, transportation, utility services, and economic development;

(b) "Indian retailer" or "retailer" means (i) a retailer wholly owned and operated by an Indian tribe, (ii) a business wholly owned and operated by a tribal member and licensed by the tribe, or (iii) a business owned and operated by the Indian person or persons in whose name the land is held in trust; and

(c) "Indian tribe" or "tribe" means a federally recognized Indian tribe located within the geographical boundaries of the state of Washington.

NEW SECTION. Sec. 3. A new section is added to chapter 43.06 RCW to read as follows:

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5442 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 77.50 RCW to read as follows:

It is the intent of the legislature to ensure that a sustainable level of salmon is made available for harvest for commercial fishers in the state. Maintaining consistent harvest levels has become increasingly difficult with the listing of salmonid species under the federal endangered species act. Without a stable level of harvest, fishers cannot develop niche markets that maximize the

economic value of the harvest. New tools and approaches are needed by fish managers to bring increased stability to the fishing industry.

In the short term, it is the legislature's intent to provide managers with tools to assure that commercial harvest of targeted stocks can continue and expand under the constraints of the federal endangered species act. There are experimental types of commercial fishing gear that could allow fishers to stabilize harvest levels by selectively targeting healthy salmon stocks.

For the longer term, the department of fish and wildlife shall proceed with changes to the operation of certain hatcheries in order to stabilize harvest levels by allowing naturally spawning and hatchery origin fish to be managed as a single run. Scientific information from such hatcheries would guide the department's approach to reducing the need to mass mark hatchery origin salmon where appropriate.

Sec. 2. RCW 77.50.030 and 1998 c 190 s 77 are each amended to read as follows:

(1) A person shall not use, operate, or maintain a gill net which exceeds (~~1500~~) one thousand five hundred feet in length or a drag seine in the waters of the Columbia river for catching salmon.

(2) A person shall not construct, install, use, operate, or maintain within state waters a pound net, round haul net, lampara net, fish trap, fish wheel, scow fish wheel, set net, weir, or fixed appliance for catching salmon or steelhead except under the authority of a trial or experimental fishery permit, when an emerging commercial fishery has been designated allowing use of one or more of these gear types. The director must consult with the commercial fishing interests that would be affected by the trial or experimental fishery permit. The director may authorize the use of this gear for scientific investigations.

(3) The department, in coordination with the Oregon department of fish and wildlife, shall adopt rules to regulate the use of monofilament in gill net webbing on the Columbia river.

Sec. 3. RCW 77.70.180 and 1993 c 340 s 43 are each amended to read as follows:

(1) Within five years after adopting rules to govern the number and qualifications of participants in an emerging commercial fishery, the director shall provide to the appropriate senate and house of representatives committees a report which outlines the status of the fishery and a recommendation as to whether a separate commercial fishery license, license fee, or limited harvest program should be established for that fishery.

(2) For any emerging commercial fishery designated under RCW 77.50.030, the report must also include:

(a) Information on the extent of the program, including to what degree mass marking and supplementation programs have been utilized in areas where emerging commercial fisheries using selective fishing gear have been authorized;

(b) Information on the benefit provided to commercial fishers including information on the effectiveness of emerging commercial fisheries using selective fishing gear in providing expanded fishing opportunity within mixed stocks of salmon;

(c) Information on the effectiveness of selective fishing gear in minimizing postrelease mortality for nontarget stocks, harvesting fish so that they are not damaged by the gear, and aiding the creation of niche markets; and

(d) Information on the department's efforts at operating hatcheries in an experimental fashion by managing wild and hatchery origin fish as a single run as an alternative to mass marking and the utilization of selective fishing gear. The department shall consult with commercial fishers, recreational fishers, federally recognized treaty tribes with a fishing right, regional fisheries enhancement groups, and other affected parties to obtain their input in preparing the report under this subsection (2)."

(1) Every motor vehicle shall at all times be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise, and no person shall use a muffler cut-out, bypass, or similar device upon a motor vehicle on a highway.

(2)(a) No motor vehicle first sold and registered as a new motor vehicle on or after January 1, 1971, shall discharge into the atmosphere at elevations of less than three thousand feet any air contaminant for a period of more than ten seconds which is:

(i) As dark as or darker than the shade designated as No. 1 on the Ringelmann chart, as published by the United States bureau of mines; or

(ii) Of such opacity as to obscure an observer's view to a degree equal to or greater than does smoke described in subsection (a)(i) above.

(b) No motor vehicle first sold and registered prior to January 1, 1971, shall discharge into the atmosphere at elevations of less than three thousand feet any air contaminant for a period of more than ten seconds which is:

(ii) Of such opacity as to obscure an observer's view to a degree equal to or greater than does smoke described in subsection (b)(i) above.

(c) For the purposes of this subsection the following definitions shall apply:

(i) "Opacity" means the degree to which an emission reduces the transmission of light and obscures the view of an object in the background;

(ii) "Ringelmann chart" means the Ringelmann smoke chart with instructions for use as published by the United States bureau of mines in May 1967 and as thereafter amended, information circular 7718.

It is not a violation of this subsection unless proven by proper authorities that the exhaust system modification results in noise amplification in excess of ninety-five decibels under the prescribed SAE test standard. A court may dismiss an infraction notice for a violation of this subsection if there is reasonable grounds to believe that the vehicle was not operated in violation of this subsection.

This subsection (3) does not apply to vehicles twenty-five or more years old or to passenger vehicles being operated off the highways in an organized racing or competitive event conducted by a recognized sanctioning body.", and the same are herewith transmitted.

MOTION

The motion by Senator Sheahan carried and the Committee on Environment, Energy and Water was relieved of further consideration of Engrossed Substitute House Bill No. 1832.

EDITOR'S NOTE: Rule 48 states: 'Any standing committee of the senate may be relieved of further consideration of any bill, regardless of prior action of the committee, by a majority vote of the senators elected. The senate may then make such orderly disposition of the bill as they may direct by a majority vote of the members of the senate.'

MOTION

Senator Snyder moved that Engrossed Substitute House Bill No. 1832 be referred to the Committee on Ways and Means.

REPLY BY THE PRESIDENT

President Owen: "A very interesting question. Senator Sheahan's motion to return to the sixth order of business is a privileged motion and would have a higher rank. His motion to immediately consider the bill, as well as Senator's Snyder's motion to refer the bill to Ways and Means are of equal rank. The privileged motion, obviously, is the one we have to deal with first--the motion to revert to the sixth order of business, which carries with it also the motion, unless divided, to immediately consider Engrossed Substitute House Bill No. 1832."

The President declared the question before the Senate to be the motion by Senator Sheahan to revert to the sixth order of business and to immediately consider Engrossed Substitute House Bill No. 1832.

MOTION

Senator Snyder moved that the motion be divided and we vote separately on the privileged motion--the one to revert to the sixth order of business and then vote separately on the motion to immediately consider the bill. Debate ensued.

PARLIAMENTARY INQUIRY

Senator West: "A point of parliamentary inquiry. Just so that people understand, once we revert to the sixth order of business, then Senator's Snyder's motion would not be in order. A motion to relieve a committee in the sixth order would not, I don't believe, be in order, Sir."

REPLY BY THE PRESIDENT

President Owen: "Senator West, he moved to--"

Senator West: "Or to move the bill. I am sorry. Excuse me."

President Owen: "He moved to--"

Senator West: "That is correct. I am sorry."

The President declared the question before the Senate to be the motion by Senator Sheahan that the Senate revert to the sixth order of business.

The motion by Senator Sheahan carried on a rising vote and the Senate reverted to the sixth order of business.

MOTION

Senator West: "Mr. President, I move that Engrossed Substitute House Bill No. 1832 be made a special order of business for 11:15 this morning to allow people to prepare amendments."

MOTION

Senator Snyder: "I would like to speak against the motion. I was going to make a motion myself to make it a special order of business at 1:30 this afternoon."

REPLY BY SENATOR WEST

Senator West: "I would agree to that."

The President declared the question before the Senate to be the motion by Senator Snyder to make Engrossed Substitute House Bill No. 1832 a special order of business at 1:30 p.m. this afternoon.

When the legislative authority desires to sell any such property it may, if deemed advantageous to the county, combine any or all of the several lots and tracts of such property in one or more units, and may reserve from sale coal, oil, gas, gravel, minerals, ores, fossils, timber, or other resources on or in the lands, and the right to mine for and remove the same, and it shall then enter an order on its records fixing the unit or units in which the property shall be sold and the minimum price for each of such units, and whether the sale will be for cash or whether a contract will be offered, and reserving from sale such of the

resources as it may determine and from which units such reservations shall apply, and directing the county treasurer to sell such property in the unit or units and at not less than the price or prices and subject to such reservations so fixed by the county legislative authority. The order shall be subject to the approval of the county treasurer if several lots or tracts of land are combined in one unit.

Except in cases where the sale is to be by direct negotiation as provided in ~~((this chapter))~~ RCW 36.35.150, it shall be the duty of the county treasurer upon receipt of such order to publish once a week for three consecutive weeks a notice of the sale of such property in a newspaper of general circulation in the county where the land is situated. The notice shall describe the property to be sold, the unit or units, the reservations, and the minimum price fixed in the order, together with the time and place and terms of sale, in the same manner as foreclosure sales as provided by RCW 84.64.080.

The person making the bid shall state whether he or she will pay cash for the amount of his or her bid or accept a real estate contract of purchase in accordance with the provisions hereinafter contained. The person making the highest bid shall become the purchaser of the property. If the highest bidder is a contract bidder the purchaser shall be required to pay thirty percent of the total purchase price at the time of the sale and shall enter into a contract with the county as vendor and the purchaser as vendee which shall obligate and require the purchaser to pay the balance of the purchase price in ten equal annual installments commencing November 1st and each year following the date of the sale, and shall require the purchaser to pay twelve percent interest on all deferred payments, interest to be paid at the time the annual installment is due; and may contain a provision authorizing the purchaser to make payment in full at any time of any balance due on the total purchase price plus accrued interest on such balance. The contract shall contain a provision requiring the purchaser to pay before delinquency all subsequent taxes and assessments that may be levied or assessed against the property subsequent to the date of the contract, and shall contain a provision that time is of the essence of the contract and that in event of a failure of the vendee to make payments at the time and in the manner required and to keep and perform the covenants and conditions therein required of him or her that the contract may be forfeited and terminated at the election of the vendor, and that in event of the election all sums theretofore paid by the vendee shall be forfeited as liquidated damages for failure to comply with the provisions of the contract; and shall require the vendor to execute and deliver to the vendee a deed of conveyance covering the property upon the payment in full of the purchase price, plus accrued interest.

The county legislative authority may, by order entered in its records, direct the coal, oil, gas, gravel, minerals, ores, timber, or other resources sold apart from the land, such sale to be conducted in the manner hereinabove prescribed for the sale of the land. Any such reserved minerals or resources not exceeding two hundred dollars in value may be sold, when the county legislative authority deems it advisable, either with or without such publication of the notice of sale, and in such manner as the county legislative authority may determine will be most beneficial to the county.

Sec. 11. RCW 36.35.150 and 1997 c 244 s 2 are each amended to read as follows:

The county legislative authority may dispose of tax foreclosed property by private negotiation, without a call for bids, for not less than the principal amount of the unpaid taxes in any of the following cases: (1) When the sale is to any governmental agency and for public purposes; (2) when the county legislative authority determines that it is not practical to build on the property due to the physical characteristics of the property or legal restrictions on construction activities on the property; (3) when the property has an assessed value of less than five hundred dollars and the property is sold to an adjoining landowner; or (4) when no acceptable bids were received at the attempted public auction of the property, if the sale is made within ~~((six))~~ twelve months from the date of the attempted public auction.

Sec. 12. RCW 36.96.040 and 1979 ex.s. c 5 s 4 are each amended to read as follows:

After such hearings, the county legislative authority shall make written findings whether each of the special purpose districts that was a subject of the hearings meets each of the criteria of being "inactive." Whenever a special purpose district other than a public utility district has been found to meet a criterion of being inactive, or a public utility district has been found to meet both criteria of being inactive, the county legislative authority shall adopt an ordinance dissolving the special purpose district if it also makes additional written findings detailing why it is in the public interest that the special purpose district be dissolved, and shall provide a copy of the ordinance to the county treasurer. Except for the purpose of winding up its affairs as provided by this chapter, a special purpose district that is so dissolved shall cease to exist and the authority and obligation to carry out the purposes for which it was created shall cease thirty-one days after adoption of the dissolution ordinance.

Sec. 13. RCW 36.96.070 and 1979 ex.s. c 5 s 7 are each amended to read as follows:

Any moneys or funds of the dissolved special purpose district and any moneys or funds received by the board of trustees from the sale or other disposition of any property of the dissolved special purpose district shall be used, to the extent necessary, for the payment or settlement of any outstanding obligations of the dissolved special purpose district. Any remaining moneys or funds shall be used to pay the county legislative authority for all costs and expenses incurred in the dissolution and liquidation of the dissolved special purpose district. Thereafter, any remaining moneys, funds, or property shall become that of the county in which the dissolved special purpose district was located ~~((--PROVIDED, That))~~. However, if the territory of the dissolved special purpose district was located within more than one county, the remaining moneys, funds, and personal property shall be apportioned and distributed to each county in the proportion that the geographical area of the dissolved special purpose district within the county bears to the total geographical area of the dissolved special purpose district, and any remaining real property or improvements to real property shall be transferred to the county within whose boundaries it lies. A county to which real property or improvements to real property are transferred under this section does not have an obligation to use the property or improvements for the purposes for which the dissolved special purpose district used the property or improvements and the county does not assume the obligations or liabilities of the dissolved special purpose district as a result of the transfer.

Notice of the public hearing shall be posted and published as provided for the public hearing on a proposed suspension of a special district's operations. The governing body of a reactivated special district shall be appointed as in a newly created special district.

No special district that owns drainage or flood control improvements may be ~~((dissolved))~~ suspended unless the legislative authority of a county accepts responsibility for operation and maintenance of the improvements during the suspension period.

Sec. 21. RCW 85.38.225 and 1991 c 28 s 2 are each amended to read as follows:

As an alternative to this chapter a drainage district or drainage improvement district located within the boundaries of a county storm drainage and surface water management utility, and which is not currently imposing assessments, may be dissolved by ordinance of the county legislative authority. If the alternative dissolution procedure in this section is used the following shall apply:

(1) The county storm drainage and surface water management utility shall assume responsibility for payment or settlement of outstanding debts of the dissolved drainage district or drainage improvement district, and shall notify the county treasurer at such time of the assumption of responsibility.

(2) All assets, including money, funds, improvements, or property, real or personal, shall become assets of the county in which the dissolved drainage district or drainage improvement district was located.

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5862 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

The commissioner of public lands shall cause to be prepared, and furnish to applicants, blank forms of applications for the appraisal, transfer, and purchase of any state lands and the purchase of ~~((timber, fallen timber, stone, gravel, or other))~~ valuable materials situated thereon, and for the lease of state lands~~((, which))~~. These forms shall contain ~~((such))~~ instructions ~~((as will))~~ to inform and aid ~~((intending))~~ applicants ~~((in making applications))~~.

Sec. 2. RCW 79.01.116 and 1982 1st ex.s. c 21 s 152 are each amended to read as follows:

(1) In no case shall any lands granted to the state be offered for sale unless the same shall have been appraised by the board of natural resources within ninety days prior to the date fixed for the sale~~((, and in no case shall any other state lands, or any materials on any state lands, be offered for sale unless the same shall have been appraised by the commissioner of public lands within ninety days prior to the date fixed for the sale))~~.

(2) For the sale of valuable materials from state land under this title, if the board of natural resources is required by law to appraise the sale, the board must establish a minimum appraisal value that is valid for a period of one hundred eighty days, or a longer period as may be established by resolution. The board may reestablish the minimum appraisal value at any time. For any valuable materials sales that the board is required by law to appraise, the board may by resolution transfer this authority to the commissioner of public lands.

(3) Where the board of natural resources has set a minimum appraisal value for a valuable materials sale, the commissioner of public lands may set the final appraisal value of valuable materials for auction, which must be equal to or greater than the board of natural resources' minimum appraisal value. The commissioner may also appraise any valuable materials sale not required by law to be approved by the board of natural resources.

Sec. 3. RCW 79.01.124 and 1982 1st ex.s. c 21 s 154 are each amended to read as follows:

((Timber, fallen timber, stone, gravel, or other)) Valuable material situated upon state lands may be sold separate from the land, when in the judgment of the commissioner of public lands, it is for the best interest of the state so to sell the same~~((, and in case the estimated amount of timber on any tract of state lands, shall exceed one million feet to the quarter section, the timber shall be sold separate from the land))~~. When application is made for the purchase of any valuable materials (situated upon state lands, the same inspection and report shall be had as upon an application for the appraisal and sale of such lands, and), the commissioner of public lands shall appraise the value of the valuable materials ~~((applied for))~~ if the commissioner determines it is in the best interest of the state to sell. No ~~((timber, fallen timber, stone, gravel, or other))~~ valuable materials~~((;))~~ shall be sold for less than the appraised value thereof.

Sec. 4. RCW 79.01.132 and 1999 c 51 s 1 are each amended to read as follows:

(1) When ~~((any timber, fallen timber, stone, gravel, or other))~~ valuable materials on state lands ~~((is))~~ are sold separate from the land, ~~((it))~~ they may be sold as a lump sum sale or as a scale sale. Lump sum sales under five thousand dollars appraised value shall be paid for in cash on the day of sale. The initial deposit shall be maintained until all contract obligations of the purchaser are satisfied. However, all or a portion of the initial deposit may be applied as the final payment for the valuable materials in the event the department of natural resources determines that adequate security exists for the performance or fulfillment of any remaining obligations of the purchaser under the sale contract.

(2) The initial deposits required in RCW 79.01.204~~((;))~~ may not ~~((te))~~ exceed twenty-five percent of the actual or projected purchase price, but in the case of lump sum sales appraised at over five thousand dollars the initial deposit may not be less than five thousand dollars, and shall be made on the day of the sale~~((, and in the case of))~~. For those sales appraised below the amount specified in RCW 79.01.200, the department of natural resources may require full cash payment on the day of sale.

Upon notification, the department of natural resources ~~((may))~~ shall determine and require~~((, in the amount determined by the department,))~~ advance payment for the cutting, removal, or processing~~((, and/or cutting))~~ of ~~((timber or other))~~ the valuable materials, ~~((or))~~ or may allow purchasers to guarantee payment by submitting as adequate security bank letters of credit, payment bonds, ~~((or))~~ assignments of savings accounts, assignments of certificates of deposit, or other methods acceptable to the department as adequate security. The amount of such advance payments and/or security shall be determined by the department and at all times equal or exceed the value of timber cut and other valuable materials processed or removed until paid for. ~~((The initial deposit shall be maintained until all contract obligations of the purchaser are satisfied. PROVIDED HOWEVER, That all or a portion of said initial deposit may be applied as the final payment for said materials in the event the department of natural resources determines that adequate security exists for the performance or fulfillment of any remaining obligations of the purchaser under the sale contract.))~~

(4) In all cases where ~~((timber, fallen timber, stone, gravel, or other))~~ valuable materials (is)) are sold separate from the land, the same shall revert to the state if not removed from the land within the period specified in the sale contract. ~~((Said))~~ The

specified period shall not exceed five years from the date of the purchase thereof: PROVIDED, That the specified periods in the sale contract for stone, sand, fill material, or building stone shall not exceed ~~((twenty))~~ thirty years ~~((: PROVIDED FURTHER, That))~~.

Extension of a contract is contingent upon payment to the state of a sum to be fixed by the department of natural resources, based on the estimated loss of income per acre to the state resulting from the granting of the extension ~~((but))~~. In no event may the extension payment be less than fifty dollars per extension, plus interest on the unpaid portion of the contract. The interest rate shall be fixed, from time to time, by rule adopted by the board of natural resources and shall not be less than six percent per annum. The applicable rate of interest as fixed at the date of sale ~~((and))~~, the maximum extension payment ~~((shall be set forth in the contract))~~, and the method for calculating the unpaid portion of the contract upon which such interest shall be paid by the purchaser shall be set forth in the contract. The department of natural resources shall pay into the state treasury all sums received for such extension and the same shall be credited to the fund to which was credited the original purchase price of the material so sold.

The board of natural resources shall, by resolution, establish the value amount of a direct sale not to exceed twenty thousand dollars in appraised sale value, and establish procedures to assure that competitive market prices and accountability will be guaranteed.

(7) The department may, in addition to any other securities, require a performance security to guarantee compliance with all contract requirements. The security is limited to those types listed in subsection (3) of this section. The value of the performance security will, at all times, equal or exceed the value of work performed or to be performed by the purchaser.

(8) Any time that the department of natural resources sells timber by contract that includes a performance bond, the department shall require the purchaser to present proof of any and all taxes paid prior to the release of the performance bond. ~~((However,))~~ The advertisement is for informational purposes only, and under no circumstances does the information in the notice of sale constitute a warranty that the purchaser will receive the stated values, volumes, or acreage. All purchasers are expected to make their own measurements, evaluations, and appraisals.

A direct sale of valuable materials may be sold to the applicant for cash at full appraised value without notice or advertising. The board of natural resources shall, by resolution, establish the value amount of a direct sale not to exceed twenty thousand dollars in appraised sale value, and establish procedures to ~~((assure))~~ ensure that competitive market prices and accountability will be guaranteed.

The commissioner of public lands shall retain for free distribution in his or her office and the ~~((district))~~ region offices sufficient copies of ~~((said lists))~~ the pamphlet, to be kept in a

conspicuous place ((or receptacle on the counter of the general office of the commissioner of public lands, and the districts)), and, when requested so to do, shall mail copies of ((said lists)) the pamphlet as issued to any requesting applicant ((therefor)). ((Proof of publication of the notice of sale shall be made by affidavit of the publisher, or person in charge, of the newspaper publishing the same and proof of posting the notice of sale and the receipt of the lists shall be made by certificate of the county auditor which shall forthwith be sent to and filed with the commissioner of public lands.)) The commissioner of public lands may seek additional means of publishing the information in the pamphlet, such as on the internet, to increase the number of prospective buyers.

Sec. 8. RCW 79.01.204 and 1982 c 27 s 2 are each amended to read as follows:

Sales by public auction under this chapter shall be conducted under the direction of the department of natural resources((,-by)) or its authorized representative ((or by the county auditor of the county in which the sale is held)). The department or department's representative ((and the county auditor)) are hereinafter referred to as auctioneers. On or before the time specified in the notice of sale each bidder shall deposit with the auctioneer, in cash or by certified check, cashier's check, ((or postal)) money order payable to the order of the department of natural resources, or by bid guarantee in the form of bid bond acceptable to the department, an amount equal to the deposit specified in the notice of sale. The deposit shall include a specified amount of the appraised price for the land or valuable materials offered for sale, together with any fee required by law for the issuance of contracts, deeds, or bills of sale. Said deposit may, when prescribed in notice of sale, be considered an opening bid of an amount not less than the minimum appraised price established in the notice of sale. The successful bidder's deposit will be retained by the auctioneer and the difference, if any, between the deposit and the total amount due shall on the day of the sale be paid in cash, certified check, cashier's check, bank draft, ((postal)) or money order, ((or by personal check)) made payable to the department. If a bid bond is used, the share of the total deposit due guaranteed by the bid bond shall, within ten days of the day of sale, be paid in cash, certified check, cashier's check, ((or postal)) money order, or other acceptable payment method payable to the department. Other deposits, if any, shall be returned to the respective bidders at the conclusion of each sale. The auctioneer shall deliver to the purchaser a memorandum of his or her purchase containing a description of the land or materials purchased, the price bid, and the terms of the sale. The auctioneer shall at once send to the department the cash, certified check, cashier's check, bank draft, ((postal)) money order, ((or)) bid guarantee, or other acceptable payment method received from the purchaser, and a copy of the memorandum delivered to the purchaser, together with such additional report of his or her proceedings with reference to such sales as may be required by the department.

Sec. 9. RCW 79.01.232 and 1927 c 255 s 58 are each amended to read as follows:

When ((timber, fallen timber, stone, gravel, or other)) valuable materials((,- shall have been)) are sold separate from the land and the purchase price is paid in full, the commissioner of public lands shall cause a bill of sale, signed by the commissioner and attested by the seal of his or her office, setting forth the time within which such material shall be removed, to be issued to the purchaser and to be recorded in the office of the commissioner of public lands, upon the payment of the fee provided for in this chapter.

NEW SECTION. Sec. 10. A new section is added to chapter 79.01 RCW to read as follows:

For the purposes of this title, "appraisal" means an estimate of the market value of land or valuable materials. The estimate must reflect the value based on market conditions at the time of the sale or transfer offering. The appraisal must reflect the department of natural resources' best effort to establish a reasonable market value for the purpose of setting a minimum bid at auction or transfer. A purchaser of state lands or valuable materials may not rely upon the appraisal prepared by the department of natural resources for purposes of deciding whether to make a purchase from the department. All purchasers are required to make their own independent appraisals.

Sec. 11. RCW 79.01.240 and 1982 1st ex.s. c 21 s 164 are each amended to read as follows:

Any sale, transfer, or lease of state lands ((made by mistake, or not in accordance with law, or obtained)) in which the purchaser, transfer recipient, or lessee obtains the sale or lease by fraud or misrepresentation((- shall be)) is void, and the contract of purchase((-)) or lease((- issued thereon,)) shall be of no effect((- and the holder of such contract, or lease, shall be required to surrender the same to the department of natural resources, which, except in the case of fraud on the part of the purchaser, or lessee, shall cause the money paid on account of such surrendered contract, or lease, to be refunded to the holder thereof, provided the same has

not been paid into the state treasury)). In the event of fraud, the contract, transferred property, or lease must be surrendered to the department of natural resources, but the purchaser, transfer recipient, or lessee may not be refunded any money paid on account of the surrendered contract, transfer, or lease. In the event that a mistake is discovered in the sale or lease of state lands, or in the sale of valuable materials on state lands, the department may take action to correct the mistake in accordance with RCW 79.01.740 if maintaining the corrected contract, transfer, or lease is in the best interests of the affected trust or trusts.

Sec. 12. RCW 79.01.340 and 1982 1st ex.s. c 21 s 171 are each amended to read as follows:

Any county or city or the United States of America or state agency desiring to locate, establish, and construct a road or street over and across any state lands of the state of Washington shall by resolution of the board of county commissioners of such county, or city council or other governing body of such city, or proper agency of the United States of America, or state agency, cause to be filed in the office of the department of natural resources a petition for a right of way for such road or street, setting forth the reasons for the establishment thereof, accompanied by a duly attested copy of a plat made by the county or city engineer or proper agency of the United States of America, or state agency, showing the location of the proposed road or street with reference to the legal subdivisions, or lots and blocks of the official plat, or the lands, over and across which such right of way is desired, the amount of land to be taken and the amount of land remaining in each portion of each legal subdivision or lot or block bisected by such proposed road or street.

Upon the filing of such petition and plat the department of natural resources, if deemed for the best interest of the state to grant the petition, shall cause the land proposed to be taken to be inspected and shall appraise the value of ((any timber)) the land and valuable materials thereon and notify the petitioner of such appraised value.

If there ((be)) are no ((timber)) valuable materials on the proposed right of way, or upon the payment of the appraised value of ((any timber)) the land and valuable materials thereon, to the department of natural resources in cash, or by certified check drawn upon any bank in this state, or ((postal)) money order, except for all rights of way granted to the department of

natural resources on which the ~~((timber))~~ valuable materials, if any, shall be sold at public auction or by sealed bid, the department may approve the plat filed with the petition and file and enter the same in the records of his or her office, and such approval and record shall constitute a grant of such right of way from the state.

Sec. 13. RCW 79.01.392 and 1961 c 73 s 8 are each amended to read as follows:

Upon the filing of the plat and field notes, as provided in RCW 79.01.388, the land applied for and the ~~((standing timber and/or reproduction))~~ valuable materials on the right of way applied for, and the marked danger trees to be felled off the right of way, if any, and the improvements included in the right of way applied for, if any, shall be appraised as in the case of an application to purchase state lands. Upon full payment of the appraised value of the land applied for, or upon payment of an annual rental when the department of natural resources deems a rental to be in the best interests of the state, and upon full payment of the appraised value of the ~~((standing timber, reproduction,))~~ valuable materials and improvements, if any, the commissioner of public lands shall issue to the applicant a certificate of the grant of such right of way stating the terms and conditions thereof and shall enter the same in the abstracts and records in his or her office, and thereafter any sale or lease of the lands affected by such right of way shall be subject to the easement of such right of way. Should the corporation, company, association, individual, state agency, political subdivision of the state, or the United States of America, securing such right of way ever abandon the use of the same for a period of sixty months or longer for the purposes for which it was granted, the right of way shall revert to the state, or the state's grantee.

Sec. 14. RCW 79.01.795 and 1987 c 126 s 2 are each amended to read as follows:

When the department finds ~~((timber))~~ valuable materials on state land that ~~((is))~~ are damaged by fire, wind, flood, or from any other cause, it shall determine if the ~~((sale))~~ salvage of the damaged ~~((timber))~~ valuable materials is in the best interest of the trust for which the land is held. If ~~((selling))~~ salvaging the ~~((timber))~~ valuable materials is in the best interest of the trust, the department shall proceed to offer the ~~((timber))~~ valuable materials for sale ~~((within a period not to exceed seven months from the date of first identifying the damaged timber)).~~ The valuable materials, when offered for sale, must be sold in the most expeditious and efficient manner as determined by the department. In determining if the sale is in the best interest of the trust the department shall consider the net value of the ~~((timber))~~ valuable materials and relevant elements of the physical and social environment. ~~((If selling the timber is not in the best interest of the trust, the department shall not offer it for sale until such time as in the department's determination it is in the trust's best interest.~~

~~If elements of the physical or social environment extend the time required to prepare the timber for sale beyond seven months from the date of first identifying the damaged timber, the department shall prepare the timber for sale at the earliest time practicable.))~~

Sec. 15. RCW 79.64.030 and 1999 c 279 s 1 are each amended to read as follows:

Funds in the account ~~((derived))~~ from the ~~((gross proceeds of))~~ moneys received from leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting school lands, university lands, scientific school lands, normal school lands, capitol building lands, or institutional lands shall be pooled and expended by the department solely for the purpose of defraying the costs and expenses necessarily incurred in managing and administering all of the trust lands enumerated in this section. Such funds may be used for similar costs and expenses in managing and administering other lands managed by the department provided that such expenditures that have been or may be made on such other lands shall be repaid to the resource management cost account together with interest at a rate determined by the board of natural resources.

Costs and expenses necessarily incurred in managing and administering agricultural college lands shall not be deducted from proceeds ~~((derived))~~ received from the sale of such lands or from the sale of resources that are part of the lands. Costs and expenses incurred in managing and administering agricultural college trust lands shall be funded by appropriation under RCW 79.64.090.

An accounting shall be made annually of the accrued expenditures from the pooled trust funds in the account. In the event the accounting determines that expenditures have been made from moneys ~~((derived))~~ received from trust lands for the benefit of other lands, such expenditure shall be considered a debt and an encumbrance against the property benefitted, including property held under chapter 76.12 RCW. The results of the accounting shall be reported to the legislature at the next regular session. The state treasurer is authorized, upon request of the department, to transfer funds between the forest development account and the resource management cost account solely for purpose of repaying loans pursuant to this section.

Sec. 16. RCW 79.64.040 and 1999 c 279 s 2 are each amended to read as follows:

The board shall determine the amount deemed necessary in order to achieve the purposes of this chapter and shall provide by rule for the deduction of this amount from the ~~((gross proceeds of))~~ moneys received from all leases, sales, contracts, licenses, permits, easements, and rights of way issued by the department and affecting public lands, provided that no deduction shall be made from the proceeds from agricultural college lands. Moneys received as deposits from successful bidders, advance payments, and security under RCW 79.01.132 and 79.01.204 prior to December 1, 1981, which have not been subjected to deduction under this section are not subject to deduction under this section. The deductions authorized under this section shall in no event exceed twenty-five percent of the ~~((total sum))~~ moneys received by the department in connection with any one transaction pertaining to public lands other than second class tide and shore lands and the beds of navigable waters, and fifty percent of the ~~((total gross proceeds))~~ moneys received by the department pertaining to second class tide and shore lands and the beds of navigable waters.

Sec. 17. RCW 79.64.050 and 1961 c 178 s 5 are each amended to read as follows:

All deductions from ~~((gross proceeds))~~ moneys received made in accordance with RCW 79.64.040 shall be paid into the account and the balance shall be paid into the state treasury to the credit of the fund otherwise entitled to the proceeds.

NEW SECTION. Sec. 18. A new section is added to chapter 79.01 RCW to read as follows:

(1) In the event that the department of natural resources determines that regulatory requirements or some other circumstance beyond the control of both the department and the purchaser has made a valuable materials contract wholly or partially impracticable to perform, the department may cancel any portion of the contract which could not be performed. In the event of such a cancellation, the purchaser shall not be liable for the purchase price of any portions of the contract so canceled. Market price fluctuations shall not constitute an impracticable situation for valuable materials contracts.

(2) Alternatively, and notwithstanding any other provision in this title, the department of natural resources may substitute valuable materials from another site in exchange for any valuable materials which the department determines have become impracticable to remove under the original contract. Any substituted valuable materials must belong to the identical trust involved

in the original contract, and the substitute materials shall be determined by the department of natural resources to have an appraised value that is not greater than the valuable materials remaining under the original contract. The substitute valuable materials and site shall remain subject to all applicable permitting requirements and the state environmental policy act, chapter 43.21C RCW, for the activities proposed at that site. In any such substitution, the value of the materials substituted shall be fixed at the purchase price of the original contract regardless of subsequent market changes. Consent of the purchaser shall be required for any substitution under this section."

Correct the title., and the same are herewith transmitted.

MESSAGE FROM THE HOUSE

April 5, 2001

MR. PRESIDENT:

The House has passed SUBSTITUTE SENATE BILL NO. 5940 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that Washington requires strong career and technical education programs to meet the academic and career preparation needs of secondary students. The legislature further finds that career and technical education programs, including the vocational skills centers, provide:

(a) Support for achievement of the certificate of mastery, particularly by students requiring applied learning opportunities for academic success;

(b) Support for special needs students to fulfill the occupational preparation required for self-sufficiency in adult life;

(c) Increases in the number of students who complete high school; and

(d) Assistance with students' transitions from secondary schools to postsecondary education, training, and employment.

(2) In order to provide students with a variety of learning experiences that will assist them in achieving the higher standards of education reform, school districts currently offering career and technical education programs shall continue to provide career and technical education programs and school districts not offering career and technical education programs are encouraged to begin providing such programs.

NEW SECTION. Sec. 2. A new section is added to chapter 28C.04 RCW to read as follows:

(1) To ensure high quality career and technical programs, the office of the superintendent of public instruction shall review and approve the plans of local districts for the delivery of career and technical education. Standards for career and technical programs shall be established by the office of the superintendent of public instruction. These standards should:

(a) Demonstrate how career and technical education programs will ensure academic rigor; align with the state's education reform requirements; help address the skills gap of Washington's economy; and maintain strong relationships with local career and technical education advisory councils for the design and delivery of career and technical education; and

(b) Demonstrate a strategy to align the five-year planning requirement under the federal Carl Perkins act with the state and district vocational program planning requirements that include:

(i) An assessment of equipment and technology needs to support the skills training of technical students;

(ii) An assessment of industry internships required for teachers to ensure the ability to prepare students for industry-defined standards or certifications, or both;

(iii) An assessment of the costs of supporting job shadows, mentors, community service and industry internships, and other activities for student learning in the community; and

(iv) A description of the leadership activities to be provided for technical education students.

(2) To ensure high quality career education programs and services in secondary schools, the office of the superintendent of public instruction may provide technical assistance to local districts and develop state guidelines for the delivery of career guidance in secondary schools.

(3) To ensure leadership development, the staff of the office of the superintendent of public instruction may serve as the state advisors to Washington state FFA, Washington future business leaders of America, Washington DECA, Washington SkillsUSA-VICA, Washington family, career and community leaders, and Washington technology students association, and any additional career or technical student organizations that are formed. Working with the directors or executive secretaries of these organizations, the office of the superintendent of public instruction may develop tools for the coordination of leadership activities with the curriculum of technical education programs.

(4) As used in this section, "career and technical education" means a planned program of courses and learning experiences that begins with exploration of career options; supports basic academic and life skills; and enables achievement of high academic standards, leadership, options for high skill, high wage employment preparation, and advanced and continuing education."

SPECIAL ORDER OF BUSINESS

MOTION

On motion of Senator Betti Sheldon, the Senate reverted to the sixth order of business.

STATEMENT FOR THE JOURNAL

EXPLANATION WHY SENATE REPUBLICANS OPPOSED FLOOR AMENDMENTS TO ENGROSSED SUBSTITUTE HOUSE BILL NO. 1832

Senate Republicans opposed the amendments to Engrossed Substitute House Bill No. 1832 because if the measure was amended by the Senate, several House members warned that the House likely would fail to approve an altered version of the bill. Over the past few years, the House and Senate have had lengthy negotiations to find compromises on a handful of important water policy bills.

However, nearly all these compromise bills failed to be approved by both chambers because time ran out due to the end of session. Engrossed Substitute House Bill No. 1832 represents our best opportunity in years for the Legislature to pass a meaningful water policy bill. In addition, Governor Locke has said he supports this measure in its current form and that he intends to sign it into law. Any technical amendments to improve this measure can be made in a subsequent bill. This issue is very important to residents in rural Washington, especially Eastern Washington. We can't afford to wait another year to pass a meaningful bill that strengthens water policy. People have waited years for their water rights applications to be processed. This measure will help make this happen.

PERSONAL PRIVILEGE

Senator Honeyford: "A point of personal privilege, Mr. President. You were faster than we were. We had planned on a colloquy here and I just wanted to mention one of the problems that we have. The conservancy boards, through the court decisions, had applications in the process. When the judge ruled on that process, those applications stopped. Some of them had newspaper notification and everything else in order to go forward, so we wanted to insure that they could start from the point that they stopped and go forward from there. I just wanted to mention that is a problem that we need to be looking at. Thank you, Mr. President."

PERSONAL PRIVILEGE

Senator Fraser: "A point of personal privilege, Mr. President. Just a point of information responding to the prior comment on what about applications that got halted as the result of a court decision. I would just like to say that I don't know of any language--verbal discussion on this floor--that would affect the legal status of those and it would have been nice to have an amendment dealing with that."

(2) In any action, claim, or counterclaim brought by a judicial officer, prosecuting authority, or law enforcement officer for malicious prosecution arising out of the performance or purported performance of the public duty of such officer, an arrest or seizure of property need not be an element of the claim, nor do special damages need to be proved. A judicial officer, prosecuting authority, or law enforcement officer prevailing in such an action may be allowed an amount up to one thousand dollars as liquidated damages, together with a reasonable attorneys' fee, and other costs of suit. A government entity which has provided legal services to the prevailing judicial officer, prosecuting authority, or law enforcement officer has reimbursement rights to any award for reasonable attorneys' fees and other costs, but shall have no such rights to any liquidated damages allowed.

The department may take any reasonably necessary samples to determine whether such species or any lot, batch, or quantity of such species is safe for human consumption.

- (c) Stock game fish; or
- (d) Conduct commercial activities on department-owned or controlled lands.

(3) Aquaculture as defined in RCW 15.85.020 is exempt from the requirements of this section, except when being stocked in public waters under contract with the department.

Sec. 57. RCW 77.70.010 and 1997 c 58 s 884 are each amended to read as follows:

(1) A license renewed under the provisions of this chapter that has been suspended under RCW ((75.28.042)) 77.65.080 shall be subject to the following provisions:

(a) A license renewal fee shall be paid as a condition of maintaining a current license; and

(b) The department shall waive any other license requirements, unless the department determines that the license holder has had sufficient opportunity to meet these requirements.

(2) The provisions of subsection (1) of this section shall apply only to a license that has been suspended under RCW ((75.28.042)) 77.65.080 for a period of twelve months or less. A license holder shall forfeit a license subject to this chapter and may not recover any license renewal fees previously paid if the license holder does not meet the requirements of RCW 74.20A.320(9) within twelve months of license suspension.

Sec. 58. RCW 77.70.150 and 1999 c 126 s 1 are each amended to read as follows:

(1) A sea urchin dive fishery license is required to take sea urchins for commercial purposes. A sea urchin dive fishery license authorizes the use of only one diver in the water at any time during sea urchin harvest operations. If the same vessel has been designated on two sea urchin dive fishery licenses, two divers may be in the water. A natural person may not hold more than two sea urchin dive fishery licenses.

(2) Except as provided in subsection (6) of this section, the director shall issue no new sea urchin dive fishery licenses. For licenses issued for the year 2000 and thereafter, the director shall renew existing licenses only to a natural person who held the license at the end of the previous year. If a sea urchin dive fishery license is not held by a natural person as of December 31, 1999, it is not renewable. However, if the license is not held because of revocation or suspension of licensing privileges, the director shall renew the license in the name of a natural person at the end of the revocation or suspension if the license holder applies for renewal of the license before the end of the year in which the revocation or suspension ends.

(3) Where a licensee failed to obtain the license during the previous year because of a license suspension or revocation by the ((department)) director or the court, the licensee may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) Surcharges as provided for in this section shall be collected and deposited into the sea urchin dive fishery account hereby created in the custody of the state treasurer. Only the director or the director's designee may authorize expenditures from the account. The sea urchin dive fishery account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures. Expenditures from the account shall only be used to retire sea urchin licenses until the number of licenses is reduced to twenty-five, and thereafter shall only be used for sea urchin management and enforcement.

(a) A surcharge of one hundred dollars shall be charged with each sea urchin dive fishery license renewal for licenses issued in 2000 through 2005.

(b) For licenses issued for the year 2000 and thereafter, a surcharge shall be charged on the sea urchin dive fishery license for designating an alternate operator. The surcharge shall be as follows: Five hundred dollars for the first year or each of the first two consecutive years after 1999 that any alternate operator is designated and two thousand five hundred dollars each year thereafter that any alternate operator is designated.

(5) Sea urchin dive fishery licenses are transferable. After December 31, 1999, there is a surcharge to transfer a sea urchin dive fishery license. The surcharge is five hundred dollars for the first transfer of a license valid for calendar

year 2000, and two thousand five hundred dollars for any subsequent transfer, whether occurring in the year 2000 or thereafter. Notwithstanding this subsection, a one-time transfer exempt from surcharge applies for a transfer from the natural person licensed on January 1, 2000, to that person's spouse or child.

(6) If fewer than twenty-five natural persons are eligible for sea urchin dive fishery licenses, the director may accept applications for new licenses. The additional licenses may not cause more than twenty-five natural persons to be eligible for a sea urchin dive fishery license. New licenses issued under this section shall be distributed according to rules of the department that recover the value of such licensed privilege.

Sec. 59. RCW 77.70.190 and 1999 c 126 s 2 are each amended to read as follows:

(1) A sea cucumber dive fishery license is required to take sea cucumbers for commercial purposes. A sea cucumber dive fishery license authorizes the use of only one diver in the water at any time during sea cucumber harvest operations. If the same vessel has been designated on two sea cucumber dive fishery licenses, two divers may be in the water. A natural person may not hold more than two sea cucumber dive fishery licenses.

(2) Except as provided in subsection (6) of this section, the director shall issue no new sea cucumber dive fishery licenses. For licenses issued for the year 2000 and thereafter, the director shall renew existing licenses only to a natural person who held the license at the end of the previous year. If a sea cucumber dive fishery license is not held by a natural person as of December 31, 1999, it is not renewable. However, if the license is not held because of revocation or suspension of licensing privileges, the director shall renew the license in the name of a natural person at the end of the revocation or suspension if the license holder applies for renewal of the license before the end of the year in which the revocation or suspension ends.

(3) Where a licensee failed to obtain the license during either of the previous two years because of a license suspension by the ~~((department))~~ director or the court, the licensee may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) Surcharges as provided for in this section shall be collected and deposited into the sea cucumber dive fishery account hereby created in the custody of the state treasurer. Only the director or the director's designee may authorize expenditures from the account. The sea cucumber dive fishery account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures. Expenditures from the account shall only be used to retire sea cucumber licenses until the number of licenses is reduced to twenty-five, and thereafter shall only be used for sea cucumber management and enforcement.

(a) A surcharge of one hundred dollars shall be charged with each sea cucumber dive fishery license renewal for licenses issued in 2000 through 2005.

(b) For licenses issued for the year 2000 and thereafter, a surcharge shall be charged on the sea cucumber dive fishery ~~((license))~~ license for designating an alternate operator. The surcharge shall be as follows: Five hundred dollars for the first year or each of the first two consecutive years after 1999 that any alternate operator is designated and two thousand five hundred dollars each year thereafter that any alternate operator is designated.

(5) Sea cucumber dive fishery licenses are transferable. After December 31, 1999, there is a surcharge to transfer a sea cucumber dive fishery license. The surcharge is five hundred dollars for the first transfer of a license valid for calendar year 2000 and two thousand five hundred dollars for any subsequent transfer whether occurring in the year 2000 or thereafter. Notwithstanding this subsection, a one-time transfer exempt from surcharge applies for a transfer from the natural person licensed on January 1, 2000, to that person's spouse or child.

(6) If fewer than twenty-five persons are eligible for sea cucumber dive fishery licenses, the director may accept applications for new licenses. The additional licenses may not cause more than twenty-five natural persons to be eligible for a sea cucumber dive fishery license. New licenses issued under this section shall be distributed according to rules of the department that recover the value of such licensed privilege.
