### SOCIAL AND HEALTH SERVICES FACILITIES—BOND ISSUE

AN ACT Relating to the support of state government; providing for the planning, acquisition, construction, remodeling, improving, and equipping of social and health services facilities; providing for the financing thereof by the issuance of bonds and anticipation notes; creating new sections; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. For the purpose of providing needed capital improvements consisting of the planning, acquisition, construction, remodeling, improving, and equipping of social and health services facilities, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of one hundred and two million dollars, or so much thereof as may be required, to finance these projects, and all costs incidental thereto. No bonds authorized by this act shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

The state finance committee is authorized to prescribe the form of the bonds, the time of sale of all or any portion or portions of the bonds, and the conditions of sale and issuance thereof.

The bonds shall pledge the full faith and credit of the state of Washington and contain an unconditional promise to pay the principal and interest when due. The committee may provide that the bonds, or any of them, may be called prior to the due date thereof under such terms and conditions as it may determine. The state finance committee may authorize the use of facsimile signatures in the issuance of the bonds.

NEW SECTION. Sec. 2. As used in this act, the term "social and health services facilities", shall include, without limitation, facilities for use in adult correction programs, juvenile rehabilitation programs, mental

health programs, and developmental disabilities programs for which an appropriation is made from the state social and health services construction account in the general fund by the capital appropriations act, or subsequent capital appropriations acts.

NEW SECTION. Sec. 3. At the time the state finance committee determines to issue the bonds authorized in section 1 of this act, or a portion thereof, it may, pending the issuance thereof, issue in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which notes shall be designated as "bond anticipation notes". The proceeds from the sale of bonds and notes authorized by this act shall be deposited in the state social and health services construction account of the general fund in the state treasury and shall be used exclusively for the purposes specified in this act and for the payment of expenses incurred in the issuance and sale of the bonds and notes: PROVIDED, That such portion of the proceeds of the sale of the bonds as may be required for the payment of the principal and interest on the anticipation notes as have been issued shall be deposited in the state social and health services bond redemption fund of 1979, hereby created, in the state treasury.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds authorized in this act and deposited in the state social and health services construction account in the general fund shall be administered by the secretary of the department of social and health services.

NEW SECTION. Sec. 5. The state social and health services bond redemption fund of 1979 hereby created in the state treasury shall be used for the purpose of the payment of interest on and retirement of the bonds and notes authorized to be issued by this act. The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amount needed in the ensuing twelve months, to meet bond retirement and interest requirements. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the 1979 state social and health services bond redemption fund an amount equal to the amount certified by the state finance committee to be due on the payment date.

If a state general obligation bond retirement fund is created in the state treasury by chapter ... (SB 2361 or HB 569), Laws of 1979 1st ex. sess. and becomes effective by statute prior to the issuance of any of the bonds authorized by this act, the state general obligation bond retirement fund shall be used for purposes of this act in lieu of the state social and health services bond redemption fund of 1979, and the state social and health services bond redemption fund of 1979 shall cease to exist.

The owner and holder of each of the bonds or the trustee for any of the bonds, by mandamus or other appropriate proceeding, may require and compel the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 6. The bonds authorized by this act shall be a legal investment for all state funds or for funds under state control and all funds of municipal corporations.

NEW SECTION. Sec. 7. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.
