AN ACT Relating to the support of state government; providing for the planning, acquisition, construction, remodeling, furnishing, and equipping of certain jail buildings and facilities; providing for the financing thereof by the issuance of bonds; creating new sections; making an appropriation; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. In order for the state to provide safe and humane detention and correctional facilities, its long range development goals must include the renovation of jail buildings and facilities.

NEW SECTION. Sec. 2. For the purpose of providing funds for the planning, acquisition, construction, and improvement of jail buildings and necessary supporting facilities within the state, and the state jail commission's operational costs related to the review of physical plant funding applications, award of grants, and construction monitoring, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of one hundred thirty million five hundred thousand dollars, or so much thereof as may be required, to finance the improvements defined in sections 1 through 8 of this act and all costs incidental thereto, including administration, but not including acquisition or preparation of sites. Appropriations for administration shall be determined by the legislature. No bonds authorized by this section may be offered for sale without prior legislative appropriation of the proceeds of the bonds to be sold: **PROVIDED**, That the reappropriation of previously authorized bond moneys and this new appropriation shall constitute full funding of each approved project within the meaning of RCW 70.48.070 and 70.48.110.

NEW SECTION. Sec. 3. The proceeds from the sale of bonds authorized by sections 1 through 8 of this act shall be deposited in the local jail improvement and construction account in the general fund and shall be used exclusively for the purpose specified in sections 1 through 8 of this act and for payment of the expenses incurred in the issuance and sale of the bonds.

NEW SECTION. Sec. 4. The proceeds from the sale of the bonds deposited in the local jail improvement and construction account in the general fund under the terms of sections 1 through 8 of this act shall be administered by the Washington state jail commission subject to legislative appropriation.

NEW SECTION. Sec. 5. None of the bonds authorized in sections 1 through 8 of this act may be sold for less than their par value.

NEW SECTION. Sec. 6. The bonds shall pledge the full faith and credit of the state of Washington and shall contain an unconditional promise to pay the principal and interest when due.

NEW SECTION. Sec. 7. The state general obligation bond retirement fund shall be used for the payment of interest on and retirement of the bonds authorized by sections 1 through 8 of this act.

The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required in the next succeeding twelve months for the payment of the principal of and the interest coming due on the bonds. Not less than thirty days prior to the date on which any interest or principal and interest payment is due, the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the general obligation bond retirement fund an amount equal to the amount certified by the state finance committee to be due on the payment date.

The owner and holder of each of the bonds or the trustee for any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 8. The bonds authorized in sections 1 through 8 of this act shall be a legal investment for all state funds or for funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 9. It is the intent of the legislature that the construction and remodeling of jails proceed without further delay, and the jail commission's review and funding procedures are to reflect this intent. Neither the jail commission nor local governments should order or authorize capital expenditures to improve jails now in use which are scheduled for replacement. Capital expenditures which relate directly to life safety of inmates or jail personnel may be ordered.

NEW SECTION. Sec. 10. (1) There is hereby reappropriated from the general fund—local jail improvement and construction account the sum of ninety-four million three hundred and two thousand two hundred and seventy dollars to the Washington state jail commission for the purposes of this act.

(2) There is hereby appropriated from the general fund—local jail improvement and construction account the sum of one hundred thirty million five hundred thousand dollars, or so much as may be necessary, to the Washington state jail commission for the purposes of this act.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
