Prior to January 1 of each odd-numbered year, the council for postsecondary education, in cooperation with the state board for community college education and in consultation with appropriate agencies and officials in the state of Idaho, shall determine for the purposes of section 1 of this act the number of students for whom nonresident tuition and fees have been waived for the first academic year of the biennium and the fall term of the second academic year, and make an estimate of the number of such students for the remainder of the second academic year, and the difference between the aggregate amount of tuition and fees that would have been paid to the respective states by residents of the other state had such waivers not been made, and the aggregate amount of tuition and fees paid by residents of the other state. Should the council determine that the state of Idaho has experienced a greater net tuition and fee revenue loss than institutions in Washington, it shall pay from funds appropriated for this purpose to the appropriate agency or institution in Idaho an amount determined by subtracting the net tuition and fee revenue loss of Washington from the net tuition and fee revenue loss of Idaho, minus twenty-five thousand dollars for
