Passed the House February 26, 1988.

Approved by the Governor March 21, 1988.

Filed in Office of Secretary of State March 21, 1988.

CHAPTER 165

[House Bill No. 1710]

PUBLIC WORKS BOARD RECOMMENDED PROJECTS

AN ACT Relating to projects recommended by the public works board; creating a new section; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. Pursuant to chapter 43.155 RCW, the following public works projects are approved for loans with funds previously appropriated from the public works assistance account:

- (1) City of Anacortes—Sewer project—repair, rehabilitation, or replacement of aging sanitary sewer lines \$319,307
- (2) City of Battleground—water project—new well, storage tank, and transmission lines to connect to existing system \$210,000
- (3) City of Bellevue—road project—arterial street widening to include sidewalks, lighting, and traffic signals \$1,000,000
- (4) City of Bellingham—road project—arterial street widening to include bridge replacement and a traffic signal \$1,000,000
- (5) Clark County—sanitary sewer project—expansion and modifications to the Salmon Creek wastewater treatment plant \$877,532
- (6) Cowlitz County Public Utility District No. 1—water project—replacement of undersized and deteriorated lines \$661,800
- (7) Crockett Lake Water District—water project—new reservoir, piping, and chlorination unit \$147,000
- (8) City of Deer Park—water project—new well and transmission lines to connect to existing system \$260,555

- (9) City of Des Moines—road project—reconstruction and widening to include new storm drainage system \$384,000
- (10) City of Ellensburg—road project—removal of an abandoned railroad overpass followed by reconstruction to include sidewalks, lighting, and landscaping \$280,000
- (11) City of Entiat—water project—replacement of water distribution system to include additional fire hydrants \$262,350
- (12) City of Everett—water project—replacement of 52-inch diameter wooden supply line \$1,000,000
- (13) Federal Way Water and Sewer District—water project—purchase and installation of emergency power generators and reservoir improvements \$347,070
- (14) Federal Way Water and Sewer District—sanitary sewer project—purchase and installation of emergency power generators \$312,181
- (15) City of Ferndale—road project—replacement of existing traffic signal controllers and installation of two new traffic signals and controllers on an arterial street \$155,085
- (16) Franklin County—road project—arterial road reconstruction to include lighting and drainage improvements \$220,000
- (17) City of Goldendale—road project—reconstruction, drainage improvements, and sealing of ten miles of roadway \$1,000,000
- (18) City of Grandview—sanitary sewer project—purchase and installation of additional lagoon aerators and construction of new chlorine chamber \$1,000,000
- (19) Town of Granger—water project—renovation of a well, installation of manganese sequestering and chlorination equipment, reservoir modifications, and distribution system improvements \$32,535
- (20) Town of Granger—sanitary sewer project—treatment plant improvements and replacement of collection lines \$188,334

- | | |
|--|-------------|
| (21) Town of Granite Falls—water project—replacement of transmission line from reservoir to distribution system | \$162,730 |
| (22) City of Kennewick—road project—arterial street reconstruction to include sidewalks and lighting | \$871,780 |
| (23) King County—storm sewer project—installation of stormwater control structure, including environmental controls | \$496,495 |
| (24) Klickitat County Public Utility District No. 1—sanitary sewer project—treatment plant and lagoon improvements | \$104,077 |
| (25) Klickitat County Public Utility District No. 1—water project—new wells, water softeners, reservoir and distribution system improvements | \$243,079 |
| (26) City of Leavenworth—water project—new well, reservoir and transmission lines, to include chlorination improvements | \$686,984 |
| (27) City of Longview—sanitary sewer project—flow monitoring, testing, and repair or replacement of the collection system | \$1,000,000 |
| (28) City of Lynden—water project—upgrade of water treatment plant to include standby pumping units | \$672,480 |
| (29) City of Mercer Island—sanitary sewer project—purchase and installation of emergency generators at lift stations | \$315,000 |
| (30) City of Mercer Island—road project—re-design, widen, and repair of an arterial street | \$315,000 |
| (31) City of Mercer Island—water project—construction of a new pumping station | \$315,000 |
| (32) City of Mount Vernon—sanitary sewer project—modification and expansion of the sewage treatment plant | \$1,000,000 |
| (33) Northeast Lake Washington Sewer and Water District—water project—major replacement of distribution system | \$1,000,000 |
| (34) Town of Oakesdale—sanitary sewer project—replacement of collection system and improvements to the treatment lagoon | \$449,325 |

(35) City of Ocean Shores—water project— new well, sand trap, and replacement of the filter media	\$729,000
(36) City of Olympia—road project—arterial street widening to include sidewalks and lighting	\$1,000,000
(37) City of Poulsbo—street reconstruction to include sidewalks and utility replacement	\$398,075
(38) City of Redmond—road project—arterial street widening to include sidewalks and drainage improvements	\$714,100
(39) City of Seattle—road project—arterial re- construction to include drainage improve- ments	\$975,240
(40) City of Shelton—sanitary sewer project— replacement of part of collection system	\$900,000
(41) City of Snohomish—road project—street reconstruction to include sidewalks and drainage	\$94,400
(42) City of Snohomish—water project—con- struction of new reservoir and installation of transmission line	\$737,000
(43) City of Spokane—bridge project—design and first phase of construction of a re- placement bridge	\$753,300
(44) City of Spokane—water project—replac- ement of a transmission line on a bridge	\$155,137
(45) Spokane County—bridge project—design and right of way purchase for a railroad undercrossing	\$189,000

(49) City of Tacoma—road project—repair and replacement of sidewalk to include retain- ing wall work	\$914,670
(50) Thurston County—water project—new wells, reservoirs, and distribution system	\$808,000

- (51) City of Vancouver—road project—arterial street reconstruction and overlay \$1,000,000
- (52) City of Waitsburg—sanitary sewer project—improvements to the wastewater treatment lagoon \$113,560
- (53) Town of Wilkeson—sanitary sewer project—replacement of sewer lines to include street reconstruction \$91,990
- (54) Town of Winthrop—sanitary sewer project—improvements to the wastewater treatment lagoon \$101,450
- (55) City of Yakima—sanitary sewer project—pumping station and connecting piping at the wastewater treatment plant \$945,000

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the House February 13, 1988.
 Passed the Senate March 3, 1988.
 Approved by the Governor March 21, 1988.
 Filed in Office of Secretary of State March 21, 1988.

CHAPTER 166

[Engrossed House Bill No. 1581]

BANDED RATES—NATURAL GAS AND ELECTRIC SERVICES

AN ACT Relating to authorization for the utilities and transportation commission to approve tariffs for gas companies and electrical companies that include banded rates; adding new sections to chapter 80.28 RCW; and declaring an emergency.

Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Sec. 1. The legislature declares it is the policy of the state to:

- (1) Preserve affordable natural gas and electric services to the residents of the state;
- (2) Maintain and advance the efficiency and availability of natural gas and electric services to the residents of the state of Washington;
- (3) Ensure that customers pay only reasonable charges for natural gas and electric service;
- (4) Permit flexible pricing of natural gas and electric services.

NEW SECTION. Sec. 2. Upon request by a natural gas company or an electrical company, the commission may approve a tariff that includes banded rates for any nonresidential natural gas or electric service that is
