NEW SECTION. Sec. 24. There is hereby reappropriated from the Community College Capital Project Account to the State Board for Community College Education for allocation to Big Bend Community College (District 18) the sum of \$990,000 to construct and equip a science building on the north campus and to remodel various other existing structures.

NEW SECTION. Sec. 25. There is hereby reappropriated from the general fund to the state board for community college education the sum of \$350,000 or so much thereof as may be required for construction and equipping the final unit of the engineering technology building on the south campus of the Seattle Community College: PROVIDED, That the director of the office of program planning and fiscal management may allocate from this appropriation no more than shall be realized from the pending sale of the real property and improvements thereto known as the Holgate branch of the Seattle community college.

NEW SECTION. Sec. 26. There is hereby reappropriated from the general fund to the State Board for Community College Education the sum of \$950,000 or so much thereof as is deposited in the state general fund from the pending sale of the following described real property and any fixtures thereon, whichever amount is the lesser, for the construction, repairs, remodeling, land acquisition, equipment and other capital improvements for Seattle community college district number 6:

All of Block numbered 11 of Hill Tract Addition to the City of Seattle, King County, Washington; bounded on the East by 19th Avenue, on the South by Main Street, on the West by 18th Avenue, and on the North by the imaginary center line of Washington Street, extended Easterly to its intersection with 19th Avenue.

NEW SECTION. Sec. 27. The words "capital improvements" or "capital projects" used herein shall mean acquisition of sites, easements, rights of way or improvements thereon and appurtenances thereto, construction and initial equipment, reconstruction, demolition or major alterations of new or presently owned capital assets.

NEW SECTION. Sec. 28. Before a capital project shall begin or an obligation incurred or contract entered into, the Director of the Office of Program Planning and Fiscal Management, with the

approval of the Governor, shall first allot funds therefor or so much as may be necessary from the appropriation made herein.

NEW SECTION. Sec. 29. Additional federal funds or other receipts, gifts and grants may be received and allotted by the Governor for capital projects in compliance with RCW 43.79.260 through 43.79.280 inclusive as now or hereafter amended. Whenever possible, funds or unanticipated receipts from these other available sources shall be used in lieu of appropriations from the general fund or other funds or accounts provided by this act. Unless required by federal laws or regulations or the terms of other gifts or grants, these additional revenues shall not be used to expand the scope of the project as approved by the Legislature, the capacity of any facility or the overall amount spent beyond the scope, capacity or overall cost anticipated by the Legislature in making the appropriation without prior legislative approval. If unanticipated receipts are substituted for appropriated funds pursuant to this section, it is the intent of the Legislature that the appropriation balance revert to the fund of origin.

NEW SECTION. Sec. 30. To effectively carry out the provisions of this act, the Governor may assign responsibility for planning, engineering and construction and other related activities to any appropriate agency.

NEW SECTION. Sec. 31. Reappropriations shall be limited to the unexpended balances remaining June 30, 1973, in the current appropriation for each project.

NEW SECTION. Sec. 32. The Governor, through the Director of the Office of Program Planning and Fiscal Management, may authorize a transfer of funds appropriated for a capital project in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient only within the Division of Institutions, Department of Social and Health Services, or between appropriations for a specific department, commission or institution of higher education. No such transfer shall be used to expand the capacity of any facility beyond that anticipated by the legislature in making the appropriation. A report of any transfer effected under this section shall be filed with the Legislative Auditor for transmittal to the Legislative Budget Committee by the Director of the Office of Program Planning and Fiscal Management within thirty days of the date the transfer is effected.

NEW SECTION. Sec. 33. Any capital improvement or capital project for construction, repair or maintenance authorized by this act, unless constructed pursuant to the provisions of chapter 39.04 RCW, shall be done by contract after public notice and competitive bid: PROVIDED, That this section shall not apply to the acquisition of sites, easements, or rights of way; nor to contracts for

architectural or engineering services; nor to emergency repairs; nor to portions of projects involving inmate labor at a state institution.

NEW SECTION. Sec. 34. Except as provided in section 32 of this act none of the funds appropriated in this act shall be used by any community college for satellite or secondary campuses, nor any facilities acquired therefor; a satellite or secondary campus for the purposes of this act shall be any location having facilities to carry on instructional programs away from the primary campus of a community college district, with the exception of those facilities of a temporary nature, including facilities in local high schools, in community or privately owned buildings, mobile units, or in any other facility or location which is rented or leased for a period not to exceed two years.

NEW SECTION. Sec. 35. None of the funds appropriated in this act shall be used for new dormitory facilities at community colleges. In addition, any proposals to establish new dormitory facilities at any community college shall be included in the capital budget request of the state board for community colleges as submitted to the office of program planning and fiscal management, and thereafter shall be included in the executive budget for review by the legislature. Such facilities shall not be established unless authorized by the legislature.

NEW SECTION. Sec. 36. No expenditures of appropriated funds for minor capital outlays and/or repairs approved in this act shall be made by any state institution of higher learning offering post-high school educational programs until such anticipated expenditures have been reported to the office of program planning and fiscal management and the legislative budget committee.

NEW SECTION. Sec. 37. Notwithstanding any other provision of law, it is the intention of the Legislature that the Institutions of Higher Education not expend any local plant funds or any other moneys for construction of married student housing during the 1973-75 biennium.

NEW SECTION. Sec. 38. The Council on Higher Education is directed to prepare a fiscal note indicating the estimated operating cost impact of each capital project of the institutions of higher education and the community colleges. The fiscal notes shall be made available to the appropriate committees of the Legislature not later than thirty days following submission of the proposed capital budget requests to the Governor and the Office of Program Planning and Fiscal Management. The institutions of higher education and the State Board for Community College Education are directed to supply, on forms prescribed by the Council, such information as is required to prepare the fiscal notes.

NEW SECTION. Sec. 39. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Passed the Senate April 13, 1973.  
Passed the House April 11, 1973.  
Approved by the Governor April 23, 1973.  
Filed in Office of Secretary of State April 24, 1973.

CHAPTER 115  
[Engrossed Senate Bill No. 2289]  
SCHOOL DISTRICTS--EMPLOYEE NEGOTIATIONS--  
PRINCIPALS AND ASSISTANT PRINCIPALS--  
OPTIONAL CLASSIFICATION

AN ACT Relating to negotiations of school districts with their certificated personnel; and adding a new section to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. A new section is hereby added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.72 RCW to read as follows:

Notwithstanding the provisions of chapter 28A.72 RCW or any other law, rule or regulation, school principals and assistant principals shall be considered to be certificated employees unless a majority elect by secret ballot to be excluded from this definition at an election conducted pursuant to rules and regulations of the office of the superintendent of public instruction. Should the principals and assistant principals within a school district choose pursuant to this 1973 act to be excluded from the definition of certificated employee, the provisions of chapter 28A.72 RCW shall have equal application to them separately and the term "certificated employee" as used in chapter 28A.72 RCW shall be used interchangeably to also refer to principals and assistant principals: PROVIDED, That negotiations between the employer and the bargaining representative of the principals and assistant principals shall be limited in scope to school district policies respecting solely the compensation, hours of work and the duration of employment contracts, of principals and assistant principals. Nothing in this section shall be construed to annul or modify, or to preclude the renewal or continuation of, any lawful agreement heretofore entered into between any school district
