Be it enacted by the Legislature of the State of Washington:

NEW SECTION. Section 1. For the purpose of providing funds for the planning, acquisition, construction, remodeling, and furnishing, together with all improvements, enhancements, and fixed equipment of capital campus facilities and

such other buildings and facilities as are determined to be necessary to provide space for the legislature by way of offices, committee rooms, hearing rooms, and work rooms and such other state agencies as may be necessary, as provided in the capital appropriations act, chapter ..., Laws of 1975, for such purposes, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the aggregate principal amount of six million four hundred thousand dollars or so much thereof as may be required to finance said projects, to be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the Constitution of the state of Washington.

NEW SECTION. Sec. 2. The issuance, sale and retirement of said bonds as authorized in section 1 of this 1975 act shall be under the supervision and control of the state finance committee. The committee is authorized to prescribe the form, terms, conditions, and covenants of the bonds, the time or times of sale of all or any portion of such bonds and the conditions of sale and issuance thereof. None of the bonds herein authorized shall be sold for less than the par value thereof.

The committee may provide that the bonds, or any of them, may be called prior to the maturity date thereof under such terms, conditions, and provisions as it may determine and may authorize the use of facsimile signatures in the issuance of such bonds and notes, if any. Such bonds shall be payable at such places as the committee may provide.

NEW SECTION. Sec. 3. At the time the state finance committee determines to issue such bonds as authorized in this 1975 act or a portion thereof, pending the issuance of such bonds, it may issue, in the name of the state, temporary notes in anticipation of the money to be derived from the sale of the bonds, which notes shall be designated as "anticipation notes". The proceeds from the sale of bonds and notes authorized by this 1975 act shall be deposited in the state building construction account of the general fund in the state treasury and shall be used exclusively for the purposes specified in this 1975 act and for the payment of expenses incurred in the issuance and sale of such bonds and notes: PROVIDED, That such portion of the proceeds of the sale of such bonds as may be required for the payment of the principal and interest on such anticipation notes as have been issued, shall be deposited in the bond redemption fund created in section 5 of this 1975 act.

NEW SECTION. Sec. 4. The principal proceeds from the sale of the bonds or notes authorized in this 1975 act and deposited in the state building construction account of the general fund shall be administered by the state department of general administration, subject to legislative appropriation.

NEW SECTION. Sec. 5. The state building bond redemption fund, 1975, is hereby created in the state treasury, which fund shall be exclusively devoted to the payment of the principal of and interest on the bonds and notes authorized by this 1975 act. The state finance committee, on or before June 30th of each year, shall certify to the state treasurer the amount needed in the ensuing twelve months to meet such bond retirement and interest requirements and on July 1st of each year the state treasurer shall deposit such amount in such state building bond redemption fund from any general state revenues received in the state treasury and certified by the state treasurer to be general state revenues.

The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds, by a mandamus or other appropriate proceeding, may require the transfer and payment of funds as directed herein.

NEW SECTION. Sec. 7. In addition to any other charges authorized by law and to assist in reimbursing the state general fund for expenditures from the general state revenues in paying the principal and interest on the bonds and notes authorized in this 1975 act, the director of general administration may assess a charge against each state board, commission, agency, office, department, activity, or other occupant or user of any facility or other building as authorized in section 1 of this 1975 act for payment of a proportion of costs for each square foot of floor space assigned to or occupied by it. Payment of the amount so billed to the entity for such occupancy shall be made annually and in advance at the beginning of each fiscal year. The director of general administration shall cause the same to be deposited in the state treasury to the credit of the general fund.

NEW SECTION. Sec. 8. The legislature may provide additional means for raising moneys for the payment of the principal of an interest on the bonds authorized in this 1975 act, and this 1975 act shall not be deemed to provide an exclusive method for such payment.
