

"AN ACT Relating to higher education."

The bill establishes the Washington Distinguished Professorship Trust Fund. This fund would provide state challenge grants of \$250,000 each to match an equal amount in private donations raised by the four-year institutions to create endowments for distinguished scholars.

Section 7 would make the entire act null and void if the Legislature does not provide specific funding for the distinguished professorship program by July 1, 1987. The bill requires the Legislature to appropriate a sum to the trust fund for the purpose of making the state challenge grants. Obviously, such grants cannot be made or promised until such funds are appropriated by the Legislature. Moreover, since state funds from the trust fund cannot be disbursed until the requisite private donations are deposited, Section 7 is unnecessary. Further, I believe the program is of sufficient merit to survive until state funds are made available, for these reasons, I have vetoed Section 7.

With the exception of Section 7, which is vetoed, Substitute House Bill No. 781 is approved."
