POINT OF PERSONAL PRIVILEGE

Mr. Ehlers: "I know that there are numerous members on this floor who are historians and who always like to share with us little things from United States history and our state's history. I guess it's my turn today. I don't know if this comes under the category of 'thought you'd like to know,' or 'thought you'd like to forget,' or what the category. We have today a new record in this state. This is the 194th day in a two-year biennium, which makes it the second longest legislative session in the history. That's a factual matter. As to whether or not those 194 days are the most productive days in our history is up for some conjecture. When we're back in July and we break the Guinness Book of Records and break our all-time record, then we'll let the historians judge what we've done."

POINT OF PERSONAL PRIVILEGE

Mr. Nelson (G): "I'd like to bring to the attention of the body, if I may, a little historic-type note that the first Regular Session of this 47th Legislature of 105 days was the first time in forty years that the legislature had ever completed its business in a regular session. It is interesting to note that during the last sixty-day session an all-time record was set on the number of measures passed by any regular session in the history of the state of Washington, with 221 measures passed by this legislature. Some very notable things were accomplished that had gone by the wayside for a number of years, especially with regard to helping the people of the state of Washington in seeking jobs. I think it's an historic note that even though some of us may not have wanted to contribute to the process, the majority party was able—even through some of the rhetoric and other insults that were hurled—to be able to get through this process and finish the session in a record-breaking time frame."

The Speaker declared the House recessed until 1:30 p.m.

AFTERNOON SESSION

The House was called to order at 1:30 p.m. by the Speaker. The Clerk called the roll and all members were present except Representatives Barr, Fiske and Winsley, who were excused.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

MOTION

SIXTH DAY

MORNING SESSION

House Chamber, Olympia, Wash., Wednesday, March 17, 1982.

The House was called to order at 10:00 a.m. by the Speaker. The Clerk called the roll and all members were present except Representatives Eng, Martinis, McCormick and Salatino. Representatives Martinis, McCormick and Salatino were excused.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Diane Minion and Karen Coler. Prayer was offered by Father Theodore Marmo, Pastor of St. Michael's Catholic Church of Olympia:

"Lord of all nations and all peoples, we rejoice today in a special holy man of Yours, St. Patrick.

"Irish or not, we all dance a gleeful jig on this his joyous feast day. Lord of bishops, bakers, and bartenders, we thank You for sprinkling saints among us like holy Patrick, Bishop of Ireland.

"His green feast day gives us all a chance to wear the green of spring and life. Four days from now our old friend Winter will loose his lease on life. The green of this day foretells of rich vegetation; proclaims the fresh and new to the tired and weary; announces to one and all that Spring is on her way.

"As Patrick sent snakes slithering out of Ireland by Your blessed touch, may we each be freed from any evil in our lives. As he showered his strong compassion and care, may we, too, show that same compassion and care for our fellow citizens.

"And may justice and peace come to those troubled parts of his beloved country.

"Blessed be St. Patrick, bishop of man of prayer.

"Blessed be All Saints and the Wee Folk as well. Amen."

Reading of the Journal of the preceding day was dispensed with and it was ordered to stand approved.

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Ellis, if I drove into Seattle and I got a parking fine and I didn't pay that, would this legislation enable the state to take away my driver's license?"

Mr. Ellis: "Representative Sanders, this bill does not relate to the driver's license at all. Existing statute tries to tie it to the driver's license, but it is the opinion that nobody's trying to enforce this; it's unconstitutional. The amendment on the bill only relates to your motor vehicle license tabs; it's not tied to the driver's license. Secondly, the basic bill puts the cap on how much penalty can be levied on any traffic violation to twenty-five dollars. That's the basic Senate bill."

Mr. Sanders: "Would the state have the authority to not renew my automobile tabs?"

Mr. Ellis: "Representative Sanders, the bill only triggers: First, if the city wants to use the process by sending notice of unpaid parking tickets to Olympia; and secondly, there has to be a minimum of three parking tickets before the procedure can be instituted. So, if there were three and that particular city had used this process, that is correct."

Mr. Sanders: "If there were three parking tickets in Seattle, for instance, this legislation would authorize the state not to grant me a renewal of my automobile tabs, so I wouldn't be able to drive the car in the state of Washington?"

Mr. Ellis: "Representative Sanders, that is not correct. The procedure is that when you receive notice for the renewal of your license tabs, it would have an entry on it of the amount of the unpaid parking tickets. You would simply pay that and you would get your tabs. So, no, it does not just automatically say that you are not going to get them. Anytime in between this time, you walked into the local agency before you got the notice, then you could pay it in the city of Seattle, and it would never show up on your record. By the way, California law does apply to one ticket, but we thought we should minimize it at three."

Mr. Armstrong spoke in favor of the bill.

Mr. Padden demanded an oral roll call vote and the demand was not sustained.

Mr. Barrett spoke in favor of passage of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 4492 as amended by the House, and the bill passed the House by the following vote: Yeas, 51; nays, 42; not voting, 5.

Beginning on page 1, line 10 after "follows:" strike all material down to and including "exhausted." on page 3, line 2 and insert the following:

"When a cogeneration facility is operational and a certificate pertaining thereto has been issued, a credit may be claimed against taxes imposed under chapter 82.04 RCW, if the due date for payment of the taxes is after the effective date of the certificate: PROVIDED, That the date on which the facility is operational is no more than four years after the date of issuance of the certificate. (4) The total cumulative amount of the credits allowed for any cogeneration facility covered by a certificate shall not exceed fifty percent of the cost of the cogeneration facility less the total amount of federal investment credit or other federal tax credits applicable to the cogeneration facility.

(5) ~~((The total cumulative amount of credits against state taxes authorized by this chapter shall be reduced by the total amount of any federal investment credit or other federal tax credit actually received by the certificate holder applicable to the cogeneration facility. This reduction shall be made as an offset against the credit claimed in the first reporting period following the allowance of the investment credit, or other credit, and thereafter as an offset against any credit balance as it shall become available to the certificate holder))~~ State credits shall not become available until one year after final cost verification by the department."

Representatives Sommers and Barnes spoke in favor of the amendment, and it was adopted.

Nothing in this act affects or impairs any right to benefits existing prior to the effective date of this act. For injuries occurring on and after July 1, 1981, and before the effective date of this act, the statute of limitations for filing claims under this chapter shall begin to run on the effective date of this act.

Sec. 4. Section 1, chapter 24, Laws of 1905 as last amended by section 1, chapter 29, Laws of 1979 and RCW 9.92.060 are each amended to read as follows:

Whenever any person shall be convicted of any crime except murder, burglary in the first degree, arson in the first degree, robbery, carnal knowledge of a female child under the age of ten years, or rape, the court may in its discretion, at the time of imposing sentence upon such person, direct that such sentence be stayed and suspended until otherwise ordered by such court, and that the sentenced person be placed under the charge of a parole or peace officer during the term of such suspension, upon such terms as the court may determine: PROVIDED, That as a condition to suspension of sentence, the court shall require the payment of the penalty assessment required by RCW 7.68.035: PROVIDED FURTHER, That as a condition to suspension of sentence, the court may require the convicted person to make such monetary payments, on such terms as the court deems appropriate under the circumstances, as are necessary (1) to comply with any order of the court for the payment of family support, (2) to make restitution to any person or persons who may have suffered loss or damage by reason of the commission of the crime in question, and (3) to pay any fine imposed and not suspended and the court or other costs incurred in the prosecution of the case, including reimbursement of the state for costs of extradition if return to this state by extradition was required. In no case shall a sentence be suspended under the provisions of this section unless the person if sentenced to confinement in a penal institution be placed under the charge of a parole officer, who is a duly appointed and acting officer of the institution to which the person is sentenced: PROVIDED, That persons convicted in justice court may be placed under supervision of a probation officer employed for that purpose by the board of county commissioners of the county wherein the court is located. If restitution to the victim has been ordered under subsection (2) of this section, the officer supervising the probationer shall make a reasonable effort to ascertain whether restitution has been made as ordered. If restitution has not been made, the officer shall inform the prosecutor of that violation of the terms of the suspended sentence not less than three months prior to the termination of the suspended sentence.

Sec. 5. Section 1, chapter 19, Laws of 1980 as amended by section 42, chapter 136, Laws of 1981 and RCW 9.95.210 are each amended to read as follows:

The court in granting probation, may suspend the imposing or the execution of the sentence and may direct that such suspension may continue for such period of time, not exceeding the maximum term of sentence, except as hereinafter set forth and upon such terms and conditions as it shall determine.

The court in the order granting probation and as a condition thereof, may in its discretion imprison the defendant in the county jail for a period not exceeding one year or may fine the defendant any sum not exceeding one thousand dollars plus the costs of the action, and may in connection with such probation impose both imprisonment in the county jail and fine and court costs. As a condition of probation, the court shall require the payment of the penalty assessment required by RCW 7.68.035. The court may also require the defendant to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (1) to comply with any order of the court for the payment of family support, (2) to make restitution to any person or persons who may have suffered loss or damage by reason of the commission of the crime in question, (3) to pay such fine as may be imposed and court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, and (4) to contribute to a county or interlocal drug fund, and may require bonds for the faithful observance of any and

all conditions imposed in the probation. The court shall order the probationer to report to the secretary of corrections or such officer as the secretary may designate and as a condition of said probation to follow implicitly the instructions of the secretary. If the probationer has been ordered to make restitution, the officer supervising the probationer shall make a reasonable effort to ascertain whether restitution has been made. If restitution has not been made as ordered, the officer shall inform the prosecutor of that violation of the terms of probation not less than three months prior to the termination of the probation period. The secretary of corrections will promulgate rules and regulations for the conduct of such person during the term of his probation: PROVIDED, That for defendants found guilty in justice court, like functions as the secretary performs in regard to probation may be performed by probation officers employed for that purpose by the board of county commissioners of the county wherein the court is located.

NEW SECTION. Sec. 6. There is added to chapter 2.56 RCW a new section to read as follows:

Beginning in 1983, the administrator for the courts shall annually compile a report, covering the previous year, showing: (1) For each superior court district, the number of convictions and the amount of assessments paid and amount due for felonies, gross misdemeanors, and misdemeanors; (2) for each county, the number of gross misdemeanor and misdemeanor convictions in courts of limited jurisdiction and the amount of assessments paid and the amount due. This information shall be provided by class of crime (felony, gross misdemeanor, and misdemeanor). "Assessment" means the crime victims compensation assessment required under RCW 7.68.035.

NEW SECTION. Sec. 7. There is appropriated to the department of labor and industries from the crime victims compensation account in the general fund for the biennium ending June 30, 1983, the sum of three million two hundred thousand dollars, or so much thereof as may be necessary for the purposes of chapter 7.68 RCW.

NEW SECTION. Sec. 8. There is appropriated to the department of labor and industries from the general fund for the biennium ending June 30, 1983, the sum of three hundred thousand dollars, or so much thereof as may be necessary, to carry out the purposes of chapter 7.68 RCW.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately, except sections 2 through 6 of this act shall take effect on January 1, 1983.

NEW SECTION. Sec. 10. The intent of the legislature is that the victim of crime program will be self-funded. Toward that end, the department of labor and industries shall not pay benefits beyond the resources of the account. The department of labor and industries and the administrator for the courts shall cooperatively prepare a report on the collection of penalty assessments and the level of expenditures, and recommend adjustments to the revenue collection mechanism to the legislature before January 1, 1983. It is further the intent of the legislature that the percentage of funds devoted to comprehensive programs for victim assistance, as provided in section 1 of this act, be re-examined to ensure that it does not unreasonably conflict with the higher priority of compensating victims. To that end, the county prosecuting attorneys shall report to the legislature no later than January 1, 1984, either individually or as a group, on their experience and costs associated with such programs, describing the nature and extent of the victim assistance provided."

On page 1, line 1 of the title after "crime;" strike the remainder of the title and insert "amending section 10, chapter 302, Laws of 1977 ex. sess. and RCW 7.68.035; amending section 7, chapter 122, Laws of 1973 1st ex. sess. as last amended by section 26, chapter 6, Laws of 1981 1st ex. sess. and RCW 7.68.070; amending section 1, chapter 24, Laws of 1905 as last amended by section 1, chapter 29, Laws of 1979 and RCW 9.92.060; amending section 1, chapter 19, Laws of 1980 as amended by section 42, chapter 136, Laws of 1981 and RCW 9.95.210; adding new sections to chapter 7.68 RCW; creating a new section; making appropriations; providing an effective date; and declaring an emergency." and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

March 17, 1982

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 987 with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Section 1. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

(1) No school district board of directors or administrators may:

(a) Increase an employee's salary or compensation to include a payment in lieu of providing a fringe benefit;

(b) Allow payment to any employee for unused vacation leave; except, that contracts may provide a mechanism for all accumulated vacation leave to be taken as vacation leave; or

(c) Allow any payment to an employee which is partially or fully conditioned on the termination or retirement of the employee, except as provided in subsection (2) of this section.

(2) A school district board of directors may compensate an employee for termination of the employee's contract in accordance with the termination provisions of the contract. If no such provisions exist the compensation must be reasonable based on the proportion of the uncompleted contract. Compensation received under this subsection shall not be included for the purposes of computing a retirement allowance under any public retirement system in this state.

(3) Provisions of any contract in force on the effective date of this act which conflict with the requirements of this section shall continue in effect until contract expiration. After expiration, any new contract including any renewal, extension, amendment or modification of an existing contract executed between the parties shall be consistent with this section.

The department of retirement systems shall make a review of each member employed by a school district being retired on and after July 1, 1982, and whose benefits are determined by RCW 41.32.497 or 41.32.498. (1) For the retirees average final compensation period, the basis for making the comparison required by this section, shall be a percentage increase equal to one percentage point in excess of the average percentage salary increase granted to certificated employees of such employees district in accordance with the state operating appropriations act in effect at the time the salary is payable, adjusted for incremental increases for seniority and educational attainment and staff position changes.

(2) For all retirees identified in this section, the department of retirement systems shall calculate the increase in the basic retirement benefit which results from any increase in salary granted an employee in excess of the district average certificated salary increase. The department of retirement systems will then, utilizing tables developed by the state actuary, determine the extra pension cost attributable to exceeding such average and shall bill the retiree's employer who shall remit the entire amount determined to the retirement system within thirty days, except that the director of the department of retirement systems shall be empowered to omit billing an amount less than fifty dollars.

(3) Any post-retirement increases resulting from the excess benefit identified in subsection (2) of this section shall be billed to the last employer as they occur on the basis set forth in subsection (2) of this section.

MOTION

Mr. Taylor moved that the House do not concur in the Senate amendments to House Bill No. 1084 and ask the Senate to recede therefrom.

Representatives Greengo and O'Brien spoke against the motion, and Representatives Galloway and Taylor spoke in favor of it.

POINT OF ORDER

Mr. O'Brien: "The question of raising a constitutional issue relative to this proposed amendment seems to me, Mr. Speaker, to be not germane to the subject matter. He's raising another issue on the constitutional question. You have often stated in your rulings that the question of constitutionality is something for the courts to decide, not for the legislative body."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, it states in Reed's Rule 216, 'Nevertheless, a patient presiding officer and a good-natured assembly can do much to confine debate to its proper channels...' In the nature of being a good-natured assembly, Representative O'Brien, I would draw to your attention, Reed's Rule 161 that says, 'So, the question of constitutionality is not for him [that is the presiding officer] to decide. Incompatibility, inconsistency and unconstitutionality are matters of argument.' So, being a very patient presiding officer and expecting a good-natured assembly, I would rule your point of order is not well taken."

Mr. Taylor continued his remarks in favor of the motion, and Representatives Ellis and Stratton spoke against it.

Mr. King (R) spoke in favor of the motion and Representatives Van Dyken and McDonald spoke against it.

Mr. Taylor spoke again in favor of the motion.

MOTION

Mr. King (R) moved that the House do concur in the Senate amendments to House Bill No. 1084.

Mr. King (R) spoke against the motion to concur.

POINT OF ORDER

Mr. Van Dyken: "Is it permissible, while debate has commenced on a motion, for a member to interrupt that debate and offer a contravening motion to concur?"

SPEAKER'S RULING

The Speaker: "Representative Van Dyken, if you would refer to Reed's Rule 247, you will find a relationship between the various motions relating to agreement or disagreement between the two houses, and you will find the motion to concur is of the highest order, and in Reed's Rule 249, you will find that, even when the motion to not concur is pending before the House, a motion to concur would be in order and would be of higher precedence."

Mr. Greengo spoke in favor of the motion.

POINT OF ORDER

Mr. Hastings: "Mr. Speaker, a member gets to speak only twice on an issue without leave of the House. My point is, is the first question not to concur and the second question the motion to concur?"

SPEAKER'S RULING

The Speaker: "I'm afraid so. We have a new question before the House now which is the motion that the House do concur and the members may speak twice on that issue."

Mr. Taylor spoke against the motion, and Representatives O'Brien and Nelson (G) spoke in favor of it.

POINT OF INQUIRY

Mr. Taylor yielded to question by Mr. Heck.

Mr. Heck: "Representative Taylor, you are Chairman of the Education Committee of the House, and I'm wondering if you are aware of whether or not this major substantive change in policy ever received the benefit of either a full public hearing in the Senate or a full public hearing in the House?"

Mr. Taylor: "It certainly didn't in the House, Representative Heck. The bill never came before us; it was never introduced in the House, and it is of great concern to me that an historical move of this sort could not have had the attention of the full House Education Committee. In the Senate, there was very brief, I believe, cursory attention, but most of the action came directly on the floor without the committee. We didn't have a chance to delve into this issue."

Mr. Barrett spoke in favor and Ms. Galloway spoke against the motion.

A division was called.

ROLL CALL

The Clerk called the roll on the motion that the House do concur in the Senate amendments to House Bill No. 1084, and the motion was lost by the following vote: Yeas, 46; nays, 50; not voting, 2.

Voting yea: Representatives Addison, Armstrong, Barr, Barrett, Berleen, Brown, Cantu, Chandler, Eberle, Ellis, Fancher, Fiske, Flanagan, Gallagher, Greeno, Hastings, Hine, Houchen, Isaacson, James, Leonard, Lundquist, Maxie, McCormick, McDonald, McGinnis, Nelson D., Nelson G. A., Nisbet, North, O'Brien, Padden, Patrick, Prince, Rosbach, Sanders, Scott, Smith, Sprague, Stratton, Struthers, Teutsch, Tilly, Van Dyken, Warnke, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Becker, Bender, Bickham, Brekke, Burns, Chamberlain, Clayton, Cole, Dawson, Dickie, Ehlers, Eng, Erak, Galloway, Garrett, Garson, Granlund, Grimm, Hankins, Heck, Johnson, Kaiser, King J., King R., Kreidler, Lewis, Lux, Mitchell, Monohon, Nickell, Owen, Pruitt, Rinehart, Rust, Salatino, Schmidt, Sherman, Sommers, Taylor, Thompson, Tupper, Valle, Vander Stoep, Walk, Wang, Williams, Wilson, Winsley.

Not voting: Representatives Bond, Martinis.

The Speaker declared that the House, by its action, had refused to concur in the Senate amendments to House Bill No. 1084, and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 17, 1982

Mr. Speaker:

MOTION

On motion of Mr. Ellis, the House insisted on its position with regard to Substitute Senate Bill No. 4153, and asked the Senate for a conference thereon.

MESSAGE FROM THE SENATE

March 16, 1982

Mr. Speaker:

The Senate refuses to concur in the House amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 4675, and asks the House to recede therefrom and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Taylor, the House insisted on its position with regard to Engrossed Substitute Senate Bill No. 4675, and again asked the Senate to concur in the House amendments.

MESSAGE FROM THE SENATE

March 17, 1982

Mr. Speaker:

The Senate has concurred in all of the House amendments to ENGROSSED SENATE BILL NO. 4748, except for the amendment to section 3 on page 3, and asks the House to recede therefrom, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Sanders, the House insisted on its position with regard to Engrossed Senate Bill No. 4748, and asked the Senate for a conference thereon.

SIGNED BY THE SPEAKER

The Speaker announced he was signing:

SENATE BILL NO. 4025.

MESSAGE FROM THE SENATE

March 16, 1982

Mr. Speaker:

The Senate refuses to concur in the House amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 4963, and asks the House to recede therefrom, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Sanders moved that the House do recede from its amendments to Engrossed Substitute Senate Bill No. 4963.

Mr. Sanders spoke in favor of the motion, and Mr. Addison spoke against it.

Mr. Sanders spoke again in favor of the motion, and Mr. Brown spoke against it.

Ms. Monohon spoke in favor of the motion, and Mr. Kaiser spoke against it.

On motion of Mr. Hastings, Representative Brown's remarks were ordered inserted in the Journal.

REMARKS BY REPRESENTATIVE BROWN

Mr. Brown: "Speaking against the motion, a few days ago this bill came before us and we voted to add an amendment to the bill which would give the people back home an opportunity to make a decision. That decision is whether or not they want to be taxed. A majority of you voted for that, and by going along with this motion you are going to recede from your position, and I'm saying that's not what we want to do. What we want to do is give the people back home an opportunity to vote on whether or not they want to be taxed. This is a tax; it's nothing less; it's nothing more, but it is a tax. If you want to shove another one out of here without the people back home having an opportunity to say something about it, vote in favor of the motion, but if you want the people to have an opportunity to say 'no' when they have had enough, and God knows they have had enough, then vote against this motion. The only way we can hold this thing together is to insist on our position. So vote 'no' on this motion, then we'll come back, insist and we'll put this in conference. By putting it in conference, we'll make the Senate be as responsible as this body has been when we put it here in the first place. It's very ridiculous to stand out here and tell the people back home we're trying to be responsible, and when we come down here and vote to give them an opportunity to vote, then come back here and take it off. I can't believe we're doing this. It's a very important vote. It's very important for us to vote against this motion, and I'm asking you to do that."

Mr. Addison again opposed the motion, and Mr. King (J) spoke in favor of it.

ROLL CALL

The Clerk called the roll on the motion that the House do recede from its amendments to Engrossed Substitute Senate Bill No. 4963, and the motion was carried by the following vote: Yeas, 57; nays, 38; not voting, 3.

Voting yea: Representatives Amen, Armstrong, Barnes, Barr, Barrett, Becker, Chamberlain, Chandler, Clayton, Cole, Dawson, Dickie, Eberle, Ellis, Erak, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garson, Greengo, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, Johnson, King J., King R., Kreidler, Lundquist, Maxie, McCormick, McDonald, Monohon, Nisbet, O'Brien, Prince, Pruitt, Rosbach, Rust, Salatino, Sanders, Scott, Smith, Stratton, Struthers, Thompson, Tilly, Tupper, Vander Stoep, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Addison, Bender, Berleen, Bickham, Brekke, Brown, Burns, Cantu, Ehlers, Eng, Garrett, Granlund, Grimm, James, Kaiser, Leonard, Lewis, Lux, McGinnis, Mitchell, Nelson D., Nelson G. MOTIONS

On motion of Mr. Nelson (G), HOUSE BILL NO. 1226 was rereferred from Committee on Ways and Means to Committee on Appropriations - General Government.

On motion of Mr. Nelson (G), the House reverted to the sixth order of business.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1230, by Committee on Ways and Means (originally sponsored by Committee on Ways and Means and Representative Chandler):

Modifying appropriations for capital facilities.

The bill was read the second time.

On motion of Mr. Thompson, the following amendments were adopted:

On page 1, line 21 strike "five million four hundred thousand" and insert "six million"

On page 2, line 6 strike "1,900,000" and insert "2,500,000"

On page 2, line 12 strike "6,353,000" and insert "6,953,000"

On page 2, after line 12 insert the following:

"PROVIDED, That six hundred thousand dollars of the appropriated sum, or as much thereof as necessary, shall be used for the construction of a marine fire training structure."

Mr. Wang moved adoption of the following amendment by Representatives Wang, Addison, Berleen, Pruitt and Valle:

On page 6, line 20 after "state." insert:

"(g) No more than \$15 million may be awarded to any municipality if the funds are utilized in any project:

(i) which downgrades the level of sewage treatment from advanced secondary to conventional secondary treatment or from secondary to primary treatment; or

(ii) which would cause effluent to reach and to impact a separate jurisdiction which has not consented to the project: PROVIDED, That this paragraph (g) shall not apply if the department of ecology in cooperation with the municipality commissions an independent comprehensive study of alternative projects for the treatment and discharge of effluent from the service area. The study shall measure the costs of the various alternatives as well as any adverse impacts on environmental quality and human health. The study shall include all aspects of treating and disposing of sewage wastes reasonably anticipated in the area served for at least twenty years and shall include consideration of decentralized treatment facilities, upgrading the level of sewage treatment, and short and long term capital and operating costs. The study shall be conducted by an independent consultant, public or private, which has never contracted with or been employed by the department of ecology or the municipality or which agrees not to be eligible for contracts with the department of ecology or the municipality for a period of three years after commencement of this study. The department of ecology and the municipality shall provide ample opportunity for public hearings on the study."

Representatives Wang, Berleen, Addison, Granlund, Hine, Valle and Pruitt spoke in favor of the amendment, and Representatives Greengo, Sommers and McDonald spoke against it.

Mr. Wang spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Wang yielded to question by Mr. Nelson (D).

Mr. Nelson D): "Representative Wang, how much would this study cost and how long would it take?"

Mr. Wang: "I can't answer specifically in detail how long it would take or how much it would cost. It would depend on what Metro determined was needed to do an adequate job here. There has been some information which has been gathered, and I think Metro can take advantage of that and use it to a great extent. We don't need to reinvest in wheels, but we do need an independent look instead of just having Metro evaluate its own premise, and base things under an original assumption and just pursue that."

POINT OF INQUIRY

Mr. Grimm: "Representative Owen, in your opening remarks you indicated that by requiring this bell-curve structure of performance evaluation, that it would preclude a manager from giving, even if warranted, more than the curve allowed, or a high or above average evaluation. Would it also be true, as you explained the provisions of the bill as it currently stands unamended, that if you had a tough manager or substandard employees, that even though it may be warranted to have everyone, or a majority of the employees, rated poorly, that this amendment would preclude that type of action as well?"

Mr. Owen: "The answer to your question, Representative Grimm, is 'yes.' If I can have the permission of the House, I will read the particular section that brings that out: 'The board shall adopt rules designed to assure that performance evaluations of employees do not result in the undue concentration of ratings in any one or more of the rating classes, i.e. below average, average, or superior.' So the answer to your question is 'yes.'"

Mr. Williams: "There is nothing in this bill which requires a bell-curve regarding what we call the 'merit increases.' It's up to the discretion of the board and the board will report back by January 1, 1983 to the President of the Senate and the Speaker of the House if proposed rules implement this program."

Each county assessor shall maintain an active and systematic program of revaluation on a continuous basis, and shall establish a revaluation schedule which will result in revaluation of all taxable real property within the county at least once each four years and physical inspection of all taxable real property within the county at least once each six years.

Sec. 2. Section 2, chapter 131, Laws of 1974 ex. sess. as amended by section 9, chapter 214, Laws of 1979 ex. sess. and RCW 84.41.041 are each amended to read as follows:

Each county assessor shall cause taxable real property to be physically inspected and valued at least once every ((four)) six years in accordance with RCW 84.41.030, and in accordance with a plan filed with and approved by the department of revenue. Such revaluation plan shall provide that a reasonable portion of all taxable real property within a county shall be revalued and these newly-determined values placed on the assessment rolls each year. If the revaluation plan provides for physical inspection at least once each four years, during the intervals between each physical inspection of real property, the valuation of such property may be adjusted to its current true and fair value, such adjustments to be based upon appropriate statistical

data. If the revaluation plan provides for physical inspection less frequently than once each four years, during the intervals between each physical inspection of real property, the valuation of such property shall be adjusted to its current true and fair value, such adjustments to be made once each year and to be based upon appropriate statistical data.

The assessor may require property owners to submit pertinent data respecting taxable property in their control including data respecting any sale or purchase of said property within the past five years, the cost and characteristics of any improvement on the property and other facts necessary for appraisal of the property.

Sec. 3. Section 84.41.090, chapter 15, Laws of 1961 as amended by section 200, chapter 278, Laws of 1975 1st ex. sess. and RCW 84.41.090 are each amended to read as follows:

The department of revenue shall by rule establish appropriate statistical methods for use by assessors in adjusting the valuation of property between physical inspections. The department of revenue shall make and publish such additional rules, regulations and guides which it determines are needed to supplement materials presently published by the department of revenue for the general guidance and assistance of county assessors. Each assessor is hereby directed and required to value property in accordance with the standards established by RCW 84.40.030 and in accordance with the applicable rules, regulations and valuation manuals published by the department of revenue.

Sec. 4. Section 36.21.080, chapter 4, Laws of 1963 as last amended by section 3, chapter 274, Laws of 1981 and RCW 36.21.080 are each amended to read as follows:

(2) If, on or before December 31 in any calendar year, any real or personal property placed upon the assessment roll of that year is destroyed in whole or in part, or is in an area that has been declared a disaster area by the governor and has been reduced in value by more than twenty percent as a result of a natural disaster, the true cash value of such property shall be reduced for that year by an amount determined as follows, without necessity of taxpayer application under chapter 84.70 RCW:

(a) First take the true cash value of such taxable property before destruction or reduction in value and deduct therefrom the true cash value of the remaining property after destruction or reduction in value.

(b) Then divide any amount remaining by twelve and multiply the quotient by the number of months or major fraction thereof remaining after the date of the destruction or reduction in value of the property.

Sec. 5. Section 84.40.040, chapter 15, Laws of 1961 as last amended by section 97, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.40.040 are each amended to read as follows:

MOTION

Mr. Struthers moved that the House do concur in the Senate amendments to House Bill No. 1092.

POINT OF INQUIRY

Mr. Struthers yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Struthers, could you briefly describe what the Senate amendments do?"

Mr. Struthers: "Representative Ehlers, this increases the fee for a license to be a tobacco distributor at the wholesale level from \$350 to \$600. At the retail level, the license is increased from \$5 to \$10. It is agreed upon within the industry, and the purpose of raising the \$69,000 that this bill will raise is to go to the fund to hire two more auditors for the Department of Revenue to be sure that everybody is complying with the unfair cigarette sales act."

POINT OF INQUIRY

Mr. Struthers yielded to question by Mr. McDonald.

Mr. McDonald: "Representative Struthers, if I understand this right, if we do not adopt this, then they wouldn't be able to administer the act?"

Mr. Struthers: "No, the act would still be administered. We're not making any substantive law, all we're doing here is increasing the fee that goes into the general fund. This way we hope to hire two more auditors in order to keep them in compliance. Really what we're going to do is create more general fund revenue by keeping everybody in compliance."

Mr. McDonald: "But if they didn't have the money to administer it, then they really wouldn't have any ability to administer. Is that correct?"

Mr. Struthers: "Currently there isn't enough money, according to the Department of Revenue, to hire the auditors to administer the law. Our thinking is that if you have a law, enforce the law, so the tobacco industry has imposed this increase of fees upon themselves to be sure the law is administered."

Representatives McDonald, Ehlers, Barnes, Flanagan and Addison spoke against the motion to concur, and Representatives Greengo, Garrett, King (J) and Struthers spoke in favor of it.

~~((In any water district hereafter formed,))~~ Three water district commissioners shall be elected at the same election at which the proposition is submitted to the voters as to whether such water district shall be formed. The commissioner ((residing)) elected in commissioner ((district)) position number one shall hold office for the term of six years; the commissioner ((residing)) elected in commissioner ((district)) position number two shall hold office for the term of four years; and the commissioner ((residing)) elected in commissioner ((district)) position number three shall hold office for the term of two years: PROVIDED, That the members of the first commission shall take office immediately upon their election and qualification. The terms of all commissioners first to be elected ((as above provided)) shall also include the time intervening between the date that the results of their election are declared in the canvass of returns thereof and the first day of January following the next general district election as provided in RCW 29.13.020.

Sec. 15. Section 9, chapter 114, Laws of 1929 as last amended by section 13, chapter 251, Laws of 1953 and RCW 57.16.050 are each amended to read as follows:

A district may establish local improvement districts within its territory; levy special assessments under the mode of annual installments extending over a period not exceeding twenty years, on all property specially benefited by a local improvement, on the basis of special benefits to pay in whole or in part the damage or costs of any improvements ordered in the district; and issue local improvement bonds in the improvement district to be repaid by the collection of local improvement assessments. The levying, collection and enforcement of such assessments and issuance of bonds shall be as provided for the levying, collection, and enforcement of local improvement assessments and the issuance of local improvement bonds by cities of the first class insofar as consistent herewith. The duties devolving upon the city treasurer are hereby imposed upon the county treasurer of the county in which the real property is located for the purposes hereof. The mode of assessment shall be determined by the water commissioners by resolution. When in the petition or resolution for the establishment of a local improvement district, and in the comprehensive plan or amendment thereto or plan providing for additions and betterments to the original plan, previously adopted, it is provided that the assessments shall be for the sole purpose of payment into the revenue bond fund for the payment of revenue bonds, then the local improvement district shall be designated as a 'utility local improvement district.'

No warrants or bonds shall be issued in a utility local improvement district, but the collection of interest and principal on all assessments in the utility local improvement district shall be paid into the revenue bond fund.

Sec. 16. Section 11, chapter 18, Laws of 1959 as last amended by section 7, chapter 299, Laws of 1977 ex. sess. and RCW 57.16.060 are each amended to read as follows:

Local improvement districts or utility local improvement districts to carry out the whole or any portion of the general comprehensive plan of improvements or plan providing for additions and betterments to the original general comprehensive plan previously adopted may be initiated either by resolution of the board of water commissioners or by petition signed by the owners according to the records of the office of the applicable county auditor of at least fifty-one percent of the area of the land within the limits of the local improvement district to be created.

In case the board of water commissioners shall desire to initiate the formation of a local improvement district or a utility local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed local improvement district or utility local improvement district, and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

In case any such local improvement district or utility local improvement district shall be initiated by petition, such petition shall set forth the nature and territorial extent of the proposed improvement requested to be ordered and the fact that the signers thereof are the owners according to the records of the applicable county auditor of at least fifty-one percent of the area of land within the limits of the local improvement district or utility local improvement district to be created. Upon the filing of such petition the board shall determine whether the same shall be sufficient, and the board's determination thereof shall be conclusive upon all persons. No person shall withdraw his name from the petition after the same has been filed with the board of water commissioners. If the board shall find the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of said improvement, designating the number of the proposed local district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time and place for a public hearing on the formation of the proposed local district.

Notice of the adoption of the resolution of intention, whether the resolution was adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of water commissioners. Notice of the adoption of the resolution of intention shall also be given each owner or reputed owner of any lot, tract, parcel of land or other property within the proposed improvement district by mailing said notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer of the county in which the real property is located at the address shown thereon. Whenever such notices are mailed, the water commissioners shall maintain a list of such reputed property owners, which list shall be kept on file at a location within the water district and shall be made available for public perusal. The notices shall refer to the resolution of intention and designate the proposed improvement district by number. Said notices shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the date, time and place of the hearing before the board of water commissioners. In the case of improvements initiated by resolution, said notice shall also: (1) State that all persons desiring to object to the formation of the proposed district must file their written protests with the secretary of the board of water commissioners before the time fixed for said public hearing; (2) state that if owners of at least forty percent of the area of land within the proposed district file written protests with the secretary of the board, the power of the water commissioners to proceed with the creation of the proposed district shall be divested; (3) provide the name and address of the secretary of the board; and (4) state the hours and location within the water district where the names of the property owners within the proposed district are kept available for public perusal. In the case of the notice given each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract, parcel of land or other property.

Whether the improvement is initiated by petition or resolution, the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary: PROVIDED, That the board may not change the boundaries of the district to include property not previously included therein without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time herein provided for the original notice.

After said hearing the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution: PROVIDED, That the jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested by protests filed with the secretary of the board prior to said public hearing signed by the owners, according to the records of the applicable county auditor, of at least forty percent of the area of land within the proposed local district.

If the commissioners find that the district should be formed, they shall by resolution order the improvement, provide the general funds of the water district to be applied thereto, adopt detailed plans of the local improvement district or utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the water district such eminent domain proceedings as may be necessary to entitle the district to proceed with the work. The board shall thereupon proceed with the work and file with the county treasurer of the county in which the real property is located its roll levying special assessments in the amount to be paid by special assessment against the property situated within the improvement district in proportion to the special benefits to be derived by the property therein from the improvement.

Sec. 17. Section 12, chapter 18, Laws of 1959 and RCW 57.16.070 are each amended to read as follows:

Before approval of the roll a notice shall be published once a week for two consecutive weeks in a newspaper of general circulation in the local district, stating that the roll is on file and open to inspection in the office of the secretary, and fixing the time, not less than fifteen or more than thirty days from the date of the first publication of the notice, within which protests must be filed with the secretary against any assessments shown thereon, and fixing a time when a hearing will be held by the commissioners on the protests. Notice shall also be given by mailing, at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county in which the ~~((water district))~~ real property is located. At the hearing, or any adjournment thereof, the commissioners may correct, change or modify the roll, or any part thereof, or set aside the roll and order a new assessment, and may then by resolution approve it. If an assessment is raised a new notice similar to the first shall be given, after which final approval of the roll may be made. When property has been entered originally upon the roll and the assessment thereon is not raised, no objection thereto shall be considered by the commissioners or by any court on appeal unless the objection is made in writing at, or prior, to the date fixed for the original hearing upon the roll.

Sec. 18. Section 13, chapter 114, Laws of 1929 as last amended by section 126, chapter 81, Laws of 1971 and RCW 57.16.090 are each amended to read as follows:

The decision of the water district commission upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the secretary of said water district commission and with the clerk of the superior court in the county in which ~~((such water district))~~ the real property is situated within ten days after publication of a notice that the resolution confirming such assessment roll has been adopted, and such notice of appeal shall describe the property and set forth the objections of such appellant to such assessment; and within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of ~~((said))~~ the court, a transcript consisting of the assessment roll and ~~((his))~~ the appellant's objections thereto, together with the resolution confirming such assessment roll and the record of the water district commission with reference to ~~((said))~~ the assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by ~~((such))~~ the secretary of ~~((said))~~ the water district commission ~~((and by him))~~ certified by the secretary to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with at least two sureties, to be approved by the judge of said court, conditioned to prosecute such appeal without delay, and if unsuccessful to pay all costs to which the water district is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, ~~((as aforesaid;))~~ the appellant shall give written notice to the secretary of such water district, that such transcript is filed. ~~((Said))~~ The notice shall state a time ~~((t))~~, not less than three days from the service thereof ~~((t))~~, when the appellant will call up the ~~((said))~~ cause for hearing; and the superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury; and such cause shall have preference over all civil causes pending in ~~((said))~~ the court, except proceedings under an act relating to eminent domain ~~((in such water district))~~ and actions of forcible entry and detainer. The judgment of the court shall confirm, correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have custody of the assessment roll, ~~((and he))~~ who shall modify and correct such assessment roll in accordance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases: PROVIDED, HOWEVER, That such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior court; and the record and opening brief of the appellant in ~~((said))~~ the cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this ~~((act))~~ title. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. ~~((And))~~ The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision.

Sec. 19. Section 23, chapter 251, Laws of 1953 and RCW 57.16.110 are each amended to read as follows:

Whenever any land against which there has been levied any special assessment by any water district shall have been sold in part or subdivided, the board of water commissioners of such district shall have the power to order a segregation of the assessment.

Any person desiring to have such a special assessment against a tract of land segregated to apply to smaller parts thereof shall apply to the board of commissioners of the water district which levied the assessment. If the water commissioners determine that a segregation should be made, they shall by resolution order the ((county)) treasurer of the county in which the real property is located to make segregation on the original assessment roll as directed in the resolution. The segregation shall be made as nearly as possible on the same basis as the original assessment was levied, and the total of the segregated parts of the assessment shall equal the assessment before segregation. The resolution shall describe the original tract, the amount and date of the original assessment, and shall define the boundaries of the divided parts and the amount of the assessment chargeable to each part. A certified copy of the resolution shall be delivered to the ((county)) treasurer of the county in which the real property is located who shall proceed to make the segregation ordered upon being tendered a fee of three dollars for each tract of land for which a segregation is to be made. In addition to such charge the board of water commissioners may require as a condition to the order of segregation that the person seeking it pay the district the reasonable engineering and clerical costs incident to making the segregation.

Sec. 20. Section 1, chapter 82, Laws of 1935 as last amended by section 20, chapter 156, Laws of 1981 and RCW 57.20.030 are each amended to read as follows:

Every water district in the state is hereby authorized to create a fund for the purpose of guaranteeing, to the extent of such fund, and in the manner hereinafter provided, the payment of all of its local improvement bonds issued, subsequent to ((the effective date of this act)) June 9, 1937, to pay for any local improvement within its confines. Such fund shall be designated 'Local Improvement Guaranty Fund, Water District No.', and shall be established by resolution of the board of water commissioners. For the purpose of maintaining such fund, every water district, after the establishment thereof, shall at all times set aside and pay into such a fund such proportion of the monthly gross revenues of the water supply system of such water district as the commissioners thereof may direct by resolution. This proportion may be varied from time to time as the commissioners deem expedient or necessary: PROVIDED, HOWEVER, That under the existence of the conditions set forth in subsections (1) and (2) next hereunder, then the proportion must be as therein specified, to wit:

(1) Whenever any bonds of any local improvement district have been guaranteed under this act and the guaranty fund does not have a cash balance equal to twenty percent of all bonds originally guaranteed under this act, (excluding issues which have been retired in full) then twenty percent of the gross monthly revenues derived from all water users in the territory included in said local improvement district (but not necessarily from users in other parts of the water district as a whole) shall be set aside and paid into the guaranty fund: PROVIDED, HOWEVER, That whenever, under the requirements of this subsection, said cash balance accumulates so that it is equal to twenty percent of all bonds guaranteed, or to the full amount of all bonds guaranteed, outstanding and unpaid (which amount might be less than twenty percent of the original total guaranteed), then no further moneys need be set aside and paid into said guaranty fund so long as said condition shall continue.

(2) Whenever any warrants issued against the guaranty fund, as hereinbelow provided, remain outstanding and uncalled for lack of funds for six months from date of issuance thereof; or whenever any coupons or bonds guaranteed under this act have been matured for six months and have not been redeemed either in cash or by issuance and delivery of warrants upon the guaranty fund, then twenty percent of the gross monthly revenues (or such portion thereof as the commissioners of the water district determine will be sufficient to retire said warrants or redeem said coupons or bonds in the ensuing six months) derived from all water users in the water district shall be set aside and paid into the guaranty fund: PROVIDED, HOWEVER, That whenever under the requirements of this subsection all warrants, coupons, or bonds specified in this subsection above have been redeemed, no further income need be set aside and paid into said guaranty fund under the requirements of this subsection until and unless other warrants remain outstanding and unpaid for six months or other coupons or bonds default.

(3) For the purpose of complying with the requirements of setting aside and paying into the local improvement guaranty fund a proportion of the monthly gross revenues of the water supply system of any water district, as hereinabove provided, said water district shall bind and obligate itself to maintain and operate said system and further bind and obligate itself to establish, maintain and collect such rates, for water as will produce gross revenues sufficient to maintain and operate said water supply system and to make necessary provision for the local improvement guaranty fund as specified by this section and RCW 57.20.080 and 57.20.090. And said water district shall alter its rates for water from time to time and shall vary the same in different portions of its territory to comply with the said requirements.

(4) Whenever any coupon or bond guaranteed by this act shall mature and there shall not be sufficient funds in the appropriate local improvement district bond redemption fund to pay same, then the applicable county treasurer shall pay same from the local improvement guaranty fund of the water district; if there shall not be sufficient funds in the said guaranty fund to pay same, then the same may be paid by issuance and delivery of a warrant upon the local improvement guaranty fund.

(5) Whenever the cash balance in the local improvement guaranty fund is insufficient for the required purposes, warrants drawing interest at a rate determined by the commissioners may be issued by the applicable county auditor (~~(of the county in which the water district is located)~~), against the said fund to meet any liability accrued against it and must be issued upon demand of the holders of any maturing coupons and/or bonds guaranteed by this (~~(act)~~) section, or to pay for any certificates of delinquency for delinquent installments of assessments as provided in subsection (6) (~~(hereunder)~~) of this section. Guaranty fund warrants shall be a first lien in their order of issuance upon the gross revenues set aside and paid into said fund.

(6) Within twenty days after the date of delinquency of any annual installment of assessments levied for the purpose of paying the local improvement bonds of any water district guaranteed under the provisions of this act, it shall be mandatory for the county treasurer of the county in which (~~(said water district)~~) the real property is located to compile a statement of all installments delinquent, together with the amount of accrued interest and penalty appurtenant to each of said installments. Thereupon the applicable county treasurer shall forthwith purchase (for the water district) certificates of delinquency for all such delinquent installments. Payment for all such certificates of delinquency shall be made from the local improvement guaranty fund and if there shall not be sufficient moneys in said fund to pay for such certificates of delinquency, the applicable county treasurer shall accept said local improvement guaranty fund warrants in payment thereof. All such certificates of delinquency shall be issued in the name of the local improvement guaranty fund and all guaranty fund warrants issued in payment thereof shall be issued in the name of the appropriate local improvement district fund. Whenever any market is available and the commissioners of the water district so direct, the applicable county treasurer shall sell any certificates of delinquency belonging to the local improvement guaranty fund: PROVIDED, That any such sale must not be for less than face value thereof plus accrued interest from date of issuance to date of sale.

Such certificates of delinquency, as above provided, shall be issued by the county treasurer of the county in which the (~~(water district)~~) real property is located, shall bear interest at the rate of ten percent per annum, shall be in each instance for the face value of the delinquent installment, plus accrued interest to date of issuance of certificate of delinquency, plus a penalty of five percent of such face value, and shall set forth:

- (a) Description of property assessed;
- (b) Date installment of assessment became delinquent;
- (c) Name of owner or reputed owner, if known.

Such certificates of delinquency may be redeemed by the owner of the property assessed at any time up to two years from the date of foreclosure of such certificate of delinquency.

If any such certificate of delinquency be not redeemed on the second occurring first day of January subsequent to its issuance, the county treasurer who issued the certificate of delinquency shall then proceed to foreclose such certificate of delinquency in the manner specified for the foreclosure of the lien of local improvement assessments, pursuant to (~~(chapter 9 of the Session Laws of 1933 and amendments thereto);~~) chapter 35.50 RCW and if no redemption be made within the succeeding two years shall execute and deliver a deed conveying fee simple title to the property described in the foreclosed certificate of delinquency.

Sec. 21. Section 15, chapter 18, Laws of 1959 and RCW 57.24.010 are each amended to read as follows:

The territory adjoining or in close proximity to (~~(and in the same county with)~~) a district may be annexed to and become a part of the district in the following manner: Twenty percent of the number of registered voters residing in the territory proposed to be annexed who voted at the last election may file a petition with the district commissioners and cause the question to be submitted to the electors of the territory whether such territory will be annexed and become a part of the district. If the commissioners concur in the petition, they shall file it with the county (~~(auditor)~~) election officer of each county in which the real property proposed to be annexed is located, who shall, within ten days, examine and validate the signatures thereon and certify to the sufficiency or insufficiency thereof; and for such purpose (~~(he)~~) the county election officer shall have access to all registration books in the possession of the officers of any city or town in the proposed district. If the petition contains a sufficient number of signatures, the (~~(auditor)~~) county election officer of the county in which the real property proposed to be annexed is located shall transmit it, together with (~~(his)~~) a certificate of sufficiency attached thereto to the water commissioners of the district. If there are no electors residing in the territory to be annexed, the petition may be signed by such a number as appear of record to own at least a majority of the acreage in the territory, and the petition shall disclose the total number of acres of land in the territory and the names of all record owners of land therein. If the commissioners are satisfied as to the sufficiency of the petition and concur therein, they shall send it, together with their certificate of concurrence attached thereto to the (~~(board of)~~) county (~~(commissioners)~~) legislative authority of each county in which the territory proposed to be annexed is located.

The county (~~(commissioners)~~) legislative authority, upon receipt of a petition certified to contain a sufficient number of signatures of electors, or upon receipt of a petition signed by such a number as own at least a majority of the acreage, together with a certificate of concurrence signed by the water commissioners, at a regular or special meeting shall cause to be published once a week for at least two weeks in (~~(two successive issues of some weekly)~~) a newspaper ((printed in the county, and)) in general circulation throughout the territory proposed to be annexed (~~(, and in case no such newspaper is printed in the county, then in some such newspaper of general circulation therein;)~~) a notice that the petition has been filed, stating the time of the meeting at which it shall be presented, and setting forth the boundaries of the territory proposed to be annexed.

SENATE AMENDMENTS TO HOUSE BILL

March 21, 1982

Mr. Speaker:

The Senate has passed REENGROSSED HOUSE BILL NO. 286 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Section 1. Section 2, chapter 73, Laws of 1979 and RCW 28B.04.020 are each amended to read as follows:

The legislature finds that homemakers are an unrecognized part of the work force who make an invaluable contribution to the strength, durability, and purpose of our state.

The legislature further finds that there is an increasing number of persons in this state who, having fulfilled a role as homemaker, find themselves "displaced" in their middle years through divorce, death of spouse, disability of spouse, or other loss of family income of a spouse. As a consequence, displaced homemakers are very often left with little or no income; they are ineligible for categorical welfare assistance; they are subject to the highest rate of unemployment of any sector of the work force; they face continuing discrimination in employment because of their age and lack of recent paid work experience; they are ineligible for unemployment insurance because they have been engaged in unpaid labor in the home; they are ineligible for social security benefits because they are too young, and many never qualify because they have been divorced from the family wage earner; they may have lost beneficiaries' rights under employer's pension and health plans through divorce or death of spouse; and they are often unacceptable to private health insurance plans because of their age.

It is the purpose of this chapter to establish ~~((a two-year pilot project))~~ guidelines under which the council for postsecondary education shall contract to establish multipurpose service centers and programs to provide necessary training opportunities, counseling, and services for displaced homemakers so that they may enjoy the independence and economic security vital to a productive life.

Sec. 2. Section 4, chapter 73, Laws of 1979 and RCW 28B.04.040 are each amended to read as follows:

(1) The council, in consultation with state and local governmental agencies, community groups, and local and national organizations concerned with displaced homemakers, shall receive applications and may contract with public or private nonprofit organizations to establish multipurpose service centers for displaced homemakers. In determining sites and administering agencies or organizations for the centers, the council shall consider the experience and capabilities of the public or private nonprofit organizations making application to provide services to a center.

(2) Not later than ninety days after June 7, 1979, the council shall issue rules prescribing the standards to be met by each center in accordance with the ~~((policies))~~ policies set forth in this chapter. Continuing funds for the maintenance of each center shall be contingent upon the determination by the council that the center is in compliance with the contractual conditions and with the rules prescribed by the council.

Sec. 3. Section 5, chapter 73, Laws of 1979 and RCW 28B.04.050 are each amended to read as follows:

(1) Each center contracted for under this chapter shall include or provide information and referral to the following services:

(a) Job counseling services which shall:

(i) Be specifically designed for displaced homemakers;

(ii) Counsel displaced homemakers with respect to appropriate job opportunities; and

(iii) Take into account and build upon the skills and experience of a homemaker and emphasize job readiness as well as skill development;

(b) Job training and job placement services which shall:

(i) Emphasize short-term training programs and programs which expand upon homemaking skills and volunteer experience and which lead to gainful employment;

(ii) Develop, through cooperation with state and local government agencies and private employers, model training and placement programs for jobs in the public and private sectors;

(iii) Assist displaced homemakers in gaining admission to existing public and private job training programs and opportunities, including vocational education and apprenticeship training programs; and

(iv) Assist in identifying community needs and creating new jobs in the public and private sectors;

(c) Health counseling services, including referral to existing health programs, with respect to:

(i) General principles of preventative health care;

(ii) Health care consumer education, particularly in the selection of physicians and health care services, including, but not limited to, health maintenance organizations and health insurance;

(iii) Family health care and nutrition;

(iv) Alcohol and drug abuse; and

(v) Other related health care matters;

(d) Financial management services which provide information and assistance with respect to insurance, taxes, estate and probate problems, mortgages, loans, and other related financial matters;

(e) Educational services, including:

(i) Outreach and information about courses offering credit through secondary or postsecondary education programs, and other re-entry programs, including bilingual programming where appropriate; and

(ii) Information about such other programs as are determined to be of interest and benefit to displaced homemakers by the council;

(f) Legal counseling and referral services; and

(g) Outreach and information services with respect to federal and state employment, education, health, public assistance, and unemployment assistance programs which the council determines would be of interest and benefit to displaced homemakers.

(2) The staff positions of each multipurpose center contracted for in accordance with RCW ~~((28B-04-030))~~ 28B.04.040, including supervisory, technical, and administrative positions, shall, to the maximum extent possible, be filled by displaced homemakers.

Sec. 4. Section 6, chapter 73, Laws of 1979 and RCW 28B.04.060 are each amended to read as follows:

The council may contract, where appropriate, with public or private nonprofit groups or organizations serving the needs of displaced homemakers for programs designed to:

(1) Provide direct services to displaced homemakers, including job counseling, job training and placement, health counseling, financial management, educational counseling, legal counseling, and referral services as described in RCW ~~((28B-04-040))~~ 28B.04.050;

(2) Provide state-wide outreach and information services for displaced homemakers; and

(3) Provide training opportunities for persons serving the needs of displaced homemakers, including those persons in areas not directly served by programs and centers established under this chapter.

Sec. 5. Section 7, chapter 73, Laws of 1979 and RCW 28B.04.070 are each amended to read as follows:

The council shall submit to the legislature ~~((a final))~~ an evaluation at the end of the ~~((two-year project))~~ first two years and a biennial evaluation beginning in January 1984. The evaluations may include recommendation for future programs as ~~((submitted by the centers established under this chapter))~~ determined by the council.

Sec. 6. Section 8, chapter 73, Laws of 1979 and RCW 28B.04.080 are each amended to read as follows:

(1) The council shall consult and cooperate with the department of social and health services; the state board for community college education; the superintendent of public instruction; the commission for vocational education; the employment security department; the department of labor and industries; sponsoring agencies under the federal comprehensive employment and training act (87 Stat. 839; 29 U.S.C. Sec. 801 et seq.), and any other persons or agencies as the council deems appropriate to facilitate the coordination of centers established under this chapter with existing programs of a similar nature.

(2) Annually on July 1st, each agency listed in subsection (1) of this section shall submit a description of each service or program under its jurisdiction which would support the programs and centers established by this chapter and the funds available for such support.

(3) The council shall serve as a clearinghouse for displaced homemaker information and resources and shall compile and disseminate ((the)) state-wide information to the centers, related agencies, and interested persons upon request.

NEW SECTION. Sec. 10. There is added to chapter 84.40 RCW a new section to read as follows:

For the purpose of assessment and valuation of all taxable property in each county, any real or personal property in each county shall be subject to visitation, investigation, examination, discovery, and listing at any reasonable time by the county assessor of the county or by any employee thereof designated for this purpose by the assessor.

In any case of refusal to such access, the assessor shall request assistance from the department of revenue which may invoke the power granted by chapter 84.08 RCW.

NEW SECTION. Sec. 11. Sections 1 through 5 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Mr. Greengo spoke in favor of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Greengo yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Greengo, could you comment on the similarity between this amendment and Substitute House Bill No. 612, which is on the third reading calendar?"

Mr. Greengo: "My understanding is that it's very similar."

Ms. Rinehart spoke in favor of the amendment.

The amendment to the committee amendment was adopted.

The Speaker stated the question before the House to be the committee amendment as amended.

Mr. Greengo spoke in favor of the amendment as amended, and it was adopted.

Mr. Greengo moved adoption of the committee amendment to the title of the bill.

On motion of Mr. Greengo, the following amendment to the title amendment was adopted:

On page 8 of the title amendment, on line 7, after "84.40.040;" insert "amending section 42, chapter 26, Laws of 1967 ex. sess. as amended by section 2, chapter 284, Laws of 1977 ex. sess. and RCW 82.03.130; amending section 3, chapter 284, Laws of 1977 ex. sess. and RCW 84.48.075; amending section 43, chapter 26, Laws of 1967 ex. sess. and RCW 82.03.140; amending section 47, chapter 26, Laws of 1967 ex. sess. and RCW 82.03.180; adding a new section to chapter 84.40 RCW;"

The committee amendment to the title as amended was adopted.

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Greengo, Van Dyken, Nisbet and Addison spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Greengo yielded to question by Ms. Hine.

Ms. Hine: "Representative Greengo, the statistical basis for making this assessment concerns me a little. I wonder if you could explain a bit more about what that is? I'm concerned because I've seen instances where property has been assessed at a high level based upon the sale of another piece of property. Sometimes there are agreements made when property is sold so that the price doesn't necessarily show what an honest market price might be. Is there any way that kind of thing is covered in the statistical basis?"

Mr. Greengo: "At the request of the Association of County Officials, we have in the bill the requirement that the Department of Revenue will come up with a rule as to how this is to be implemented so that we will be well aware of the local idiosyncrasies that could occur and will be accounted for. It's left open in the bill as to exactly what this procedure will be, but it will be a uniform procedure for all counties. We're advised that we could get into some rather weird variations from county to county if we don't do that, and many of the county assessors might not have the capability to set up a good system. I think, with the county assessors advising and looking over the shoulders of the Department of Revenue, that—I'm assured anyway—we will have an equitable system that will be workable."

Ms. Rust spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Greengo, has the King County Assessor indicated his interest in this bill?"

Mr. Greengo: "Yes, he has. The amendment offered by Representative Addison and myself was in response to a concern of his."

Mr. Nelson (D): "He will support the bill then?"

Mr. Greengo: "Well, let's put it this way: He did not come down and testify on the bill, either for or against it, and I have not heard from him in either support of or opposition to the bill, other than this one point which we have clarified for him by the amendment."

Mr. Heck: "Mr. Speaker, at what point on the calendar, either the second or third reading, is it timely to raise the issue of whether or not the bill before us falls within the purview of the cutoff resolution?"

SPEAKER'S RULING

The Speaker: "Representative Heck, the language of Engrossed Senate Concurrent Resolution No. 150, states, 'The subject to be considered at the special session be limited to the following:...' Therefore, it would seem to me that it could be raised on either second reading or any reading—first, second or third."

Mr. Kreidler spoke against the committee amendments to page 8, line 8 and page 9, line 8.

The committee amendments were not adopted.

Mr. Nisbet moved adoption of the committee amendment to page 9, line 22.

Engrossed Substitute Senate Bill No. 4285 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 4705, by Senators Gallagher, Rasmussen, Shinpoch, Deccio, Metcalf, Quigg, Vognild and Haley:

Authorizing the use of credit cards for state purchases.

The bill was read the second time.

Committee on State Government recommendation: Majority, do pass with the following amendment:

On page 1, line 10 after "institution" insert "or institutions"

On motion of Mr. Addison, the committee amendment was adopted.

Mr. Kaiser moved adoption of the following amendment by Representatives Kaiser and Walk:

On page 1, line 18 after "cards;" insert:

"(d) Instructing users of gasoline credit cards to use self-service islands whenever possible;"
Reletter the remaining subsections consecutively.

Mr. Kaiser spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Kaiser yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Kaiser, 'whenever possible' is a pretty vague term; could you give me an idea of what the frequency would be?"

Mr. Kaiser: "I can't exactly answer that except to say the reason it's worded like that is that I wanted to take care of those people who are disabled and those situations where there isn't a self-service island."

POINT OF INQUIRY

Mr. Addison yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Addison, could you clarify the term 'whenever possible,' or, at least, explain how it looks to the Chairman of the State Government Committee?"

Mr. Addison: "Representative Hastings, I think that's a good question. I would say that if a car—a state car—is driven in to a service station and there's a self-service island at that station, that state employee should use the self-service pump, in that instance. If they go into a station that doesn't have one, of course, they probably wouldn't be able to do it, but when reasonable. Clearly, in a case where there are two islands, they should go to the self-service one."

Mr. Hastings spoke in favor of the amendment, and it was adopted.

Engrossed Senate Bill No. 4705 as amended by the House was passed to Committee on Rules for third reading.

ENGROSSED SENATE BILL NO. 4733, by Senator Hayner:

Modifying certain methods of handling juvenile offenders.

The bill was read the second time.

POINT OF ORDER

Mr. Owen: "Mr. Speaker, in this process, do we go back and reread the committee amendments that were passed in the regular session?"

SPEAKER'S RULING

The Speaker: "Representative Owen, the procedure that the House has been following on the bills that have been passed by the Senate that previously had House amendments adopted in the first session, is that we've been making a motion on the floor that all the amendments previously adopted by the House be again adopted. The question then can be decided as to whether or not the body wishes to reread those amendments."

MOTION

Ms. Houchen moved that the House adopt all amendments previously adopted to Engrossed Senate Bill No. 4733.

Representatives Houchen, Lewis, Struthers, Granlund and Nisbet spoke against the motion, and Representatives Van Dyken, Owen, Padden, Becker and Scott spoke in favor of it.

Mr. Van Dyken spoke again in favor of the motion, and Ms. Houchen again opposed it.

A division was called.

ROLL CALL

The Clerk called the roll on the motion that the House readopt the amendments to Engrossed Senate Bill No. 4733, and the motion was carried by the following vote: Yeas, 51; nays, 43; not voting, 4.

ENGROSSED SENATE BILL NO. 4733, by Senator Hayner:

Modifying certain methods of handling juvenile offenders.

The House resumed consideration of the bill on second reading. (For previous action, see yesterday's Journal.)

MOTION FOR RECONSIDERATION

Ms. Schmidt moved that the House reconsider the vote by which the committee amendments were adopted.

POINT OF ORDER

Ms. Becker: "Mr. Speaker, House Rule 25 provides that notice of reconsideration may be made only on the day the vote to be reconsidered was made. Reed's Rule 205 provides a motion to reconsider must be made on the day on which the action sought to be revised was had. The action sought to be revised was had yesterday; the vote to be reconsidered was made yesterday. By both of these rules, a motion to reconsider is now untimely and may not be considered."

SPEAKER'S RULING

The Speaker: "Representative Becker, House Rule 25D states a notice of a motion for reconsideration of any vote may be made only on the day the vote to be reconsidered was made. The term 'notice of motion for reconsideration' has long reflected the action on third reading. The reason for that has been, as one turns to Reed's 204, 'A motion to reconsider is not in order after action has been had by the assembly in consequence of the decision proposed to be reconsidered. For instance, a motion to commit may not be reconsidered after the committee has taken the papers...' Therefore, on second reading if an action has sent it to the Rules Committee, for example, it would be too late for reconsideration. This body has never allowed a notice of reconsideration to be issued on second reading because it would make it impossible for the House to proceed with consideration of the bill. In Reed's 205, cited by you, and further down in the same paragraph, it states, 'It has been laid down by very good authority that motions to reconsider can be made any time during the session, that is, during the whole period for which the assembly sits.' I would also bring to your attention a Speaker having ruled with Representative O'Brien presiding, 'Anytime a bill is pending before the House it may be reconsidered.' You will find that citation in the Journal for 1980, page 702. So with those authorities, Representative Becker, I would rule that your point of order is not well taken."

POINT OF ORDER

Ms. Becker: "Mr. Speaker, in the section of Reed's 205 that you cited, where it says: 'It has been laid down by very good authority that motions to reconsider can be made any time during the session, that is, during the whole period for which the assembly sits'; it is followed by the sentence which reads, 'But this would lead to such abuse and to so many bad practices, that modern opinion has become settled as stated above.' I further raise a point of parliamentary inquiry, with respect to the ruling by former Speaker O'Brien, as to whether or not that ruling affected a bill on final passage or affected an amendment."

The Speaker: "It did affect an amendment."

The Speaker stated the question before the House to be the motion by Representative Schmidt that the House reconsider the vote by which the committee amendments were adopted.

Ms. Schmidt spoke in favor of the motion, and Ms. Cole spoke against it.

POINT OF ORDER

Ms. Schmidt: "Mr. Speaker, I don't believe the speaker is addressing the question of reconsideration. I was simply giving my reasons why I asked for reconsideration, but she is arguing the amendments."

SPEAKER'S RULING

The Speaker: "Representative Schmidt, it has generally been the practice here that the motion to reconsider would open up the entire question to debate."

Ms. Cole continued her remarks in opposition to the motion. Representatives Ehlers, Van Dyken and Becker spoke against the motion, and Representatives Struthers and Houchen spoke in favor.

Mr. Brown demanded an electric roll call vote on the motion, and the demand was sustained.

Ms. Stratton spoke against the motion.

ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which the committee amendments to Engrossed Senate Bill No. 4733 were adopted, and the motion was carried by the following vote: Yeas, 48; nays, 46; not voting, 4.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Flanagan, Galloway, Garrett, Garson, Granlund, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lewis, Lundquist, McGinnis, Mitchell, Nelson G. A., Nickell, Nisbet, Patrick, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Tilly, Vander Stoep, Williams, Wilson, and Mr. Speaker.

Voting nay: Representatives Armstrong, Becker, Bender, Brekke, Brown, Burns, Cole, Ehlers, Eng, Erak, Gallagher, Grimm, Heck, Hine, Kaiser, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, McDonald, Monohon, Nelson D., North, O'Brien, Owen, Padden, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Taylor, Teutsch, Thompson, Tupper, Valle, Van Dyken, Walk, Wang, Warnke.

Not voting: Representatives Berleen, Fiske, Leonard, Winsley.

The Speaker stated the question before the House to be reconsideration of the adoption of the committee amendments.

Ms. Houchen spoke against the amendments, and Ms. Cole spoke in favor of them.

POINT OF INQUIRY

Ms. Cole yielded to question by Mr. Nisbet.

Mr. Nisbet: "Representative Cole, you mentioned that you are intimately and closely involved with this diversion system; is that correct?"

Ms. Cole: "Yes."

Mr. Nisbet: "Would you lobby fines in your area? Would you engage in a bounty system?"

Ms. Cole: "Well, the board would set up the policy. I am on the board that the state law provides for."

Mr. Nisbet: "Would you set up a policy of this bounty system?"

Ms. Cole: "I think the records of the youth services would certainly be pressured to encourage their boards to do this because they are always starving for funds to keep the program going."

Mr. Nisbet: "My question is, would you, as a member of this board, be unduly influenced if it wasn't in the best interest of the child to do this? Would you be unduly influenced to put this system in effect?"

Ms. Cole: "I don't believe I can answer that question. It would depend on the particular situation and that sort of thing. I simply do not think the program replaces community service."

Representatives Nisbet and Struthers spoke against adoption of the amendments, and Representatives Becker, Brekke and Van Dyken spoke in favor of them.

POINT OF INQUIRY

Mr. Nisbet yielded to question by Ms. Stratton.

Ms. Stratton: "Representative Nisbet, we talked the other day about pending legislation or some authority for the counties to levy some type of taxation to support the programs we are giving to them. Do you see, in your committee work in that area, a possibility that if a county

does not get a tax or some sort of revenue coming in to cover these programs, that perhaps this, in fact, would be a user fee that would be given out of the diversion program working in a community?"

Mr. Nisbet: "Representative Stratton, unless there is a source of funding for this passed down to the communities, we won't do anything on that. The only way that we will shift those programs to the local level is if we provide an adequate funding base. Right now the computer runs come out to about .12 of one percent in order to do this. We are also finding as we run the computer runs that, in some cases, counties do not have a sufficient tax base to offset the amount of the programs now; we're now reexamining some of the programs that we would incorporate into this bill, and quite frankly, the juvenile parole portion, for example, is one that we may drop out because of the imbalance as far as county funding is concerned. I can assure you that I am a firm supporter of the diversion program, and we will not harm the program by way of passing these down to the counties."

Mr. Scott spoke in favor of the committee amendments.

Mr. Hastings demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on reconsider of the committee amendments to Engrossed Senate bill No. 4733, and the amendments were adopted by the following vote: Yeas, 51; nays, 42; not voting, 5.

Voting yea: Representatives Addison, Armstrong, Becker, Bender, Brekke, Brown, Burns, Cole, Ehlers, Ellis, Eng, Erak, Gallagher, Garson, Greengo, Grimm, Heck, Hine, Kaiser, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, McDonald, Monohon, Nelson D., North, O'Brien, Owen, Padden, Patrick, Pruitt, Rinehart, Rust, Scott, Sherman, Sommers, Stratton, Taylor, Teutsch, Thompson, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke.

Voting nay: Representatives Amen, Barnes, Barr, Barrett, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Fancher, Flanagan, Galloway, Garrett, Granlund, Hankins, Hastings, Houchen, Isaacson, James, Johnson, Lewis, Lundquist, McGinnis, Mitchell, Nelson G. A., Nickell, Nisbet, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Tilly, Williams, Wilson, and Mr. Speaker.

Not voting: Representatives Berleen, Fiske, Leonard, Salatino, Winsley.

SENATE AMENDMENT TO HOUSE BILL

March 24, 1982

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1156 with the following amendment:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Section 1. PURPOSE. The legislature finds that expansion of a cultural tourism would attract new visitors to our state and aid the development of a nonpolluting industry. The creation or renovation, and operation of cultural arts, stadium and convention facilities benefiting all the citizens of this state would enhance the recreational industry's ability to attract such new visitors. The additional income and employment resulting therefrom would strengthen the economic base of the state.

It is declared that the construction, modification, renovation, and operation of facilities for cultural arts, stadium and convention uses will enhance the progress and economic growth of this state. The continued growth and development of this recreational industry provides for the general welfare and is an appropriate matter of concern to the people of the state of Washington.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly indicates otherwise, for the purposes of this chapter the following definitions shall apply:

(1) 'Cultural arts, stadium and convention district,' or 'district,' means a quasi municipal corporation of the state of Washington created pursuant to this chapter.

(2) 'Component city' means an incorporated city within a public cultural arts, stadium and convention benefit area.

(3) 'City' means any city or town.

(4) 'City council' means the legislative body of any city.

(5) 'Municipality' means a port district, public school district or community college district.

NEW SECTION. Sec. 3. CULTURAL ARTS, STADIUM AND CONVENTION DISTRICT—
CREATION. (1) The process to create a cultural arts, stadium and convention district may be initiated by:

(a) The adoption of a resolution by the county legislative authority calling for a public hearing on the proposed creation of such a district and delineating proposed boundaries of the district; or

(b) The governing bodies of two or more cities located within the same county adopting resolutions calling for a public hearing on the proposed creation of such a district and delineating proposed boundaries of such a district: PROVIDED, That this method may not be used more frequently than once in any twelve month period in the same county; or

(c) The filing of a petition with the county legislative authority, calling for a public hearing on the proposed creation of such a district and delineating proposed boundaries of the district, that is signed by at least ten percent of the registered voters residing in the proposed district at the last general election. Such signatures will be certified by the county auditor or the county elections department.

(2) Within sixty days of the adoption of such resolutions, or presentation of such a petition, the county legislative authority shall hold a public hearing on the proposed creation of such a district. Notice of the hearing shall be published at least once a week for three consecutive weeks in one or more newspapers of general circulation within the proposed boundaries of the district. The notice shall include a general description and map of the proposed boundaries. Additional notice shall also be mailed to the governing body of each city and municipality located all or partially within the proposed district. At such hearing, or any continuation thereof, any interested party may appear and be heard on the formation of the proposed district.

The county legislative authority shall delete the area included within the boundaries of a city from the proposed district if prior to the public hearing the city submits to the county legislative authority a copy of an adopted resolution requesting its deletion from the proposed district. The county legislative authority may delete any other areas from the proposed boundaries. Additional territory may be included within the proposed boundaries, but only if such inclusion is subject to a subsequent hearing, with notice provided in the same manner as for the original hearing.

(3) A proposition to create a cultural arts, stadium and convention district shall be submitted to the voters of the proposed district within two years of the adoption of a resolution providing for such submittal by the county legislative authority at the conclusion of such hearings. The resolution shall establish the boundaries of the district and include a finding that the creation of the district is in the public interest and that the area included within the district can reasonably be expected to benefit from its creation. No portion of a city may be included in such a district unless the entire city is included. The boundaries of such a district shall follow school district or community college boundaries in as far as practicable.

(4) The proposition to create a cultural arts, stadium and convention district shall be submitted to the voters of the proposed district at the next general election held sixty or more days after the adoption of the resolution. The district shall be created upon approval of the proposition by simple majority vote. The ballot proposition submitted to the voters shall be in substantially the following form:

Shall a cultural arts, stadium and convention district be established for the area described in a resolution of the legislative authority of county, adopted on the day of, 19..?

NEW SECTION. Sec. 4. MULTI-COUNTY DISTRICT—CREATION. A joint hearing by the legislative authorities of two or more counties on the proposed creation of a cultural arts, stadium and convention district including areas within such counties may be held as provided herein:

(1) The process to initiate such a hearing shall be identical with the process provided in section 3(1) of this amendatory act, except a resolution of all the legislative authorities of each county with territory proposed to be included shall be necessary.

(2) No territory may be added to or deleted from such a proposed district, except by action of the county legislative authority of the county within whose boundaries the territory lies pursuant to the process provided in section 3 of this amendatory act.

(3) The resolutions shall each contain identical provisions concerning the governing body, as delineated in section 5 of this amendatory act.

NEW SECTION. Sec. 5. GOVERNING BODY. The number of persons on the governing body of the district and how such persons shall be selected and replaced shall be included in the resolution of the county legislative authority providing for the submittal of the proposition to create the district to the voters. Members of the governing body may only consist of a combination of city council members or mayors of the city or cities included within the district, members of the county legislative authority, the county executive of a county operating under a home rule charter, elected members of the governing bodies of municipalities located within the district, and members of the board of regents of a community college district. No governing body may consist of more than nine members. The resolution may also provide for additional, ex officio, nonvoting members consisting of elected officials or appointed officials from the counties, cities, or municipalities which are located all or partially within the boundaries of such a district and who do not have elected or appointed officials sitting on the governing body.

Any member of the governing body, or any ex officio member, who is not an elective official whose office is a full-time position may be reimbursed for reasonable expenses actually incurred in attending meetings or engaging in other district business as provided in RCW 42.24.090.

NEW SECTION. Sec. 6. COMPREHENSIVE PLAN—DEVELOPMENT—ELEMENTS. The cultural arts, stadium and convention district, as authorized in this chapter, shall develop a comprehensive cultural arts, stadium and convention plan for the district. Such plan shall include, but not be limited to the following elements:

(1) The levels of cultural arts, stadium and convention services that can be reasonably provided for various portions of the district.

(2) The funding requirements, including local tax sources or federal funds, necessary to provide various levels of service within the district.

(3) The impact of such a service on other cultural arts, stadium and convention systems operating within that county or adjacent counties.

NEW SECTION. Sec. 7. COMPREHENSIVE PLAN—REVIEW—APPROVAL OR DISAPPROVAL—RESUBMISSION. The comprehensive cultural arts, stadium and convention plan adopted by the district shall be reviewed by the state planning and community affairs agency, or its successor, to determine:

(1) Whether the plan will enhance the progress of the state and provide for the general welfare of the population; and

(2) Whether such plan is eligible for matching federal funds.

After reviewing the comprehensive cultural arts, stadium and convention plan, the state planning and community affairs agency, or its successor, shall have sixty days in which to approve such plan and to certify to the state treasurer that such district shall be eligible to receive funds. To be approved a plan shall provide for coordinated cultural arts, stadium and convention planning, and be consistent with the public cultural arts, stadium and convention coordination criteria in a manner prescribed by chapter 35.60 RCW. In the event such comprehensive plan is disapproved and ruled ineligible to receive funds, the state planning and community affairs agency, or its successor, shall provide written notice to the district within thirty days as to the reasons for such plan's disapproval and such ineligibility. The district may resubmit such plan upon reconsideration and correction of such deficiencies cited in such notice of disapproval.

NEW SECTION. Sec. 8. ANNEXATION ELECTION. An election to authorize the annexation of contiguous territory to a cultural arts, stadium and convention district may be submitted to the voters of the area proposed to be annexed upon the passage of a resolution of the governing body of the district. Approval by simple majority vote shall authorize such annexation.

NEW SECTION. Sec. 9. DISTRICT AS QUASI MUNICIPAL CORPORATION—GENERAL POWERS. A cultural arts, stadium and convention district is a quasi municipal corporation, an independent taxing 'authority' within the meaning of Article VII, section 1, of the state Constitution, and a 'taxing district' within the meaning of Article VII, section 2, of the state Constitution. A district shall constitute a body corporate and shall possess all the usual powers of a corporation for public purpose. In addition to the powers specifically granted by this chapter, a district shall have all powers which are necessary to carry out the purposes of this chapter. A cultural arts, stadium and convention district may contract with the United States or any agency thereof, any state or agency thereof, any other cultural arts, stadium and convention district, any county, city, metropolitan municipal corporation, special district, or governmental agency, within or without the state, and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or renovation or operation of cultural arts, stadium and convention facilities. In addition, a district may contract with any governmental agency or with any private person, firm or corporation for the use by

either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands and rights of way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the cultural arts, stadium and convention district may be authorized to operate or perform, on such terms as may be agreed upon by the contracting parties. Before any contract for the lease or operation of any cultural arts, stadium and convention district facilities shall be let to any private person, firm or corporation, competitive bids shall be called upon such notice, bidder qualifications and bid conditions as the district shall determine.

A district may sue and be sued in its corporate capacity in all courts and in all proceedings.

NEW SECTION. Sec. 10. ADDITIONAL POWERS. The governing body of a cultural arts, stadium and convention district shall have the following powers in addition to the general powers granted by this chapter:

(1) To prepare, adopt and carry out a general comprehensive plan for cultural arts, stadium and convention service which will best serve the residents of the district and to amend said plan from time to time to meet changed conditions and requirements.

(2) To acquire by purchase, gift or grant and to lease, convey, construct, add to, improve, replace, repair, maintain, and operate cultural arts, stadium and convention facilities and properties within the district, including portable and mobile facilities and parking facilities and properties and such other facilities and properties as may be necessary for passenger and vehicular access to and from such facilities and properties, together with all lands, rights of way, property, equipment and accessories necessary for such systems and facilities. Cultural arts, stadium and convention facilities and properties which are presently owned by any component city, county or municipality may be acquired or used by the district only with the consent of the legislative authority, council or governing body of the component city, county or municipality owning such facilities. A component city, county or municipality is hereby authorized to convey or lease such facilities to a district or to contract for their joint use on such terms as may be fixed by agreement between the component city, county or municipality and the district, without submitting the matter to the voters of such component city, county or municipality.

(3) To fix rates and charges for the use of such facilities.

NEW SECTION. Sec. 11. ISSUANCE OF GENERAL OBLIGATION BONDS—MATURITY—METHODS OF PAYMENT. To carry out the purpose of this chapter, any cultural arts, stadium and convention district shall have the power to issue general obligation bonds for capital purposes only, not to exceed an amount, together with any outstanding general obligation indebtedness equal to three-eighths of one percent of the value of taxable property within such district, as the term 'value of taxable property' is defined in RCW 39.36.015. A cultural arts, stadium and convention district is additionally authorized to issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to three-fourths of one percent of the value of the taxable property within the district, as the term 'value of taxable property' is defined in RCW 39.36.015, and to provide for the retirement thereof by excess levies when approved by the voters at a special election called for that purpose in the manner prescribed by section 6, Article VIII and section 2, Article VII of the Constitution and by RCW 84.52.056. General obligation bonds may not be issued with a maturity in excess of forty years.

NEW SECTION. Sec. 12. REVENUE BONDS—ISSUANCE, SALE, TERM, PAYMENT. To carry out the purposes of this chapter, the cultural arts, stadium and convention district shall have the power to issue revenue bonds: **PROVIDED**, That the district governing body shall create or have created a special fund or funds for the sole purpose of paying the principal of and interest on the bonds of each such issue, into which fund or funds the governing body may obligate the district to pay such amounts of the gross revenue of all or any part of the facilities constructed, acquired, improved, repaired or replaced pursuant to this chapter, as the governing body shall determine: **PROVIDED FURTHER**, That the principal of and interest on such bonds shall be payable only out of such special fund or funds, and the owners and holders of such bonds shall have a lien and charge against the gross revenue pledged to such fund.

The governing body of a district shall have such further powers and duties in carrying out the purposes of this chapter as provided in RCW 67.28.160.

NEW SECTION. Sec. 13. CULTURAL ARTS, STADIUM AND CONVENTION DISTRICT TAX LEVIES. The governing body of a cultural arts, stadium and convention district may levy or cause to levy the following ad valorem taxes:

(1) A regular ad valorem property tax levy in an amount equal to twenty-five cents or less per thousand dollars of the assessed value of property in the district in each year for six consecutive years. This six year levy must be approved by a majority of at least three-fifths of the electors thereof voting on the proposition, at which election the number of persons voting 'yes' on the proposition shall constitute three-fifths of a number equal to forty percentum of the total votes cast in such taxing district at the last preceding general election; or by a majority of at least three-fifths of the electors thereof voting on the proposition to levy when the number of electors voting yes on the proposition exceeds forty percentum of the total votes cast in such taxing district in the last preceding general election.

In the event cultural arts, stadium and convention districts are levying property taxes, which in combination with property taxes levied by other taxing districts result in taxes in excess of the one percent limitation provided for in Article VII, section 2, of our state Constitution, the cultural arts, stadium and convention district property tax levy shall be reduced or eliminated before the property tax levies of other taxing districts are reduced: **PROVIDED**, That no cultural arts, stadium, and convention district may pledge anticipated revenues derived from the property tax herein authorized as security for payments of bonds

issued pursuant to subsection (1) of this section: PROVIDED, FURTHER, That such limitation shall not apply to property taxes approved pursuant to subsections (2) and (3) of this section.

The limitation in RCW 84.55.010 shall apply to levies after the first levy authorized under this section following the approval of such levy by voters pursuant to this section.

(2) An annual excess ad valorem property tax for general district purposes when authorized by the district voters in the manner prescribed by section 2, Article VII of the Constitution and by RCW 84.52.052.

(3) Multi-year excess ad valorem property tax levies used to retire general obligation bond issues when authorized by the district voters in the manner prescribed by section 2, Article VII of the Constitution and by RCW 84.52.056.

The district shall include in its regular property tax levy for each year a sum sufficient to pay the interest and principal on all outstanding general obligation bonds issued without voter approval pursuant to section 11 of this amendatory act and may include a sum sufficient to create a sinking fund for the redemption of all outstanding bonds.

NEW SECTION. Sec. 14. CONTRIBUTION OF SUMS FOR EXPENSES. The county or counties and each component city included in the district collecting or planning to collect the hotel/motel tax pursuant to RCW 67.28.180 may contribute such revenue towards the expense for maintaining and operating the cultural arts, stadium and convention system in such manner as shall be agreed upon between them.

NEW SECTION. Sec. 15. TREASURER AND AUDITOR—BOND—DUTIES—FUNDS—DEPOSITARIES. Unless the cultural arts, stadium and convention district governing body, by resolution, designates some other person having experience in financial or fiscal matters as treasurer of the district, the treasurer of the county in which a cultural arts, stadium and convention district is located shall be ex officio treasurer of the district: PROVIDED, That in the case of a multicounty cultural arts, stadium and convention district, the county treasurer of the county with the greatest amount of area within the district shall be the ex officio treasurer of the district. The district may, and if the treasurer is not a county treasurer shall, require a bond for such treasurer with a surety company authorized to do business in the state of Washington, in an amount and under the terms and conditions as agreed to by the district, by resolution, in such amount from time to time which will protect the authority against loss. The premium on any such bond shall be paid by the authority.

All district funds shall be paid to the treasurer and shall be disbursed by the treasurer only on warrants issued by an auditor appointed by the district, upon orders or vouchers approved by the governing body. The treasurer shall establish a 'cultural arts, stadium and convention fund,' into which shall be paid district funds as provided in section 14 of this amendatory act and the treasurer shall maintain such special funds as may be created by the governing body into which said treasurer shall place all moneys as the governing body may, by resolution, direct.

If the treasurer of the district is a treasurer of the county, all district funds shall be deposited with the county depository under the same restrictions, contracts, and security as provided for county depositories; the county auditor of such county shall keep the records of the receipts and disbursements, and shall draw, and such county treasurer shall honor and pay all warrants, which shall be approved before issuance and payment as directed by the district.

NEW SECTION. Sec. 16. DISSOLUTION AND LIQUIDATION. A cultural arts, stadium and convention district established in accordance with this chapter shall be dissolved and its affairs liquidated when so directed by a majority of persons in the district voting on such question. An election placing such question before the voters may be called in the following manner:

- (1) By resolution of the cultural arts, stadium and convention district governing authority;
- (2) By resolution of the county legislative body or bodies with the concurrence therein by resolution of the city council of a component city; or
- (3) By petition calling for such election signed by at least ten percent of the qualified voters residing within the district filed with the auditor of the county wherein the largest portion of the district is located. The auditor shall examine the same and certify to the sufficiency of the signatures thereon: PROVIDED, That to be validated, signatures must have been collected within a ninety-day period as designated by the petition sponsors.

With dissolution of the district, any outstanding obligations and bonded indebtedness of the district shall be satisfied or allocated by mutual agreement to the county or counties and component cities of the cultural arts, stadium and convention district.

Sec. 17. Section 84.52.052, chapter 15, Laws of 1961 as last amended by section 20, chapter 210, Laws of 1981 and RCW 84.52.052 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by any taxing district except school districts in which a larger levy is necessary in order to prevent the impairment of the obligation of contracts. Any county, metropolitan park district, park and recreation service area, park and recreation district, sewer district, water district, public hospital district, road district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city, or town may levy taxes at a rate in excess of the rate specified in RCW 84.52.050 through 84.52.056 and RCW 84.52.043, or RCW 84.55.010 through 84.55.050, when authorized so to do by the electors of such county, metropolitan park district, park and recreation service area, park and recreation district, sewer district, water district, public hospital district, road district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city, (or) town, or cultural arts, stadium and convention district in the manner set forth in Article VII, section 2(a) of the Constitution of

this state, as amended by Amendment 64 and as thereafter amended, at a special or general election to be held in the year in which the levy is made.

A special election may be called and the time thereof fixed by the county legislative authority, or council, board of commissioners, or other governing body of any metropolitan park district, park and recreation service area, park and recreation district, sewer district, water district, public hospital district, road district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city ((or)), town, or cultural arts, stadium and convention district, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote 'yes' and those opposed thereto to vote 'no'.

NEW SECTION. Sec. 18. LEGISLATIVE DIRECTIVE. Sections 1 through 17 of this amendatory act are added to Title 67 RCW as a new chapter thereof.

NEW SECTION. Sec. 19. CAPTIONS NOT LAW. Section captions as used in this amendatory act shall not be construed as and do not constitute any part of the law.

NEW SECTION. Sec. 20. There is added to chapter 35.21 RCW a new section to read as follows:

Any city with a population of twenty-five thousand or more, but less than four hundred thousand, may impose a special excise tax of up to three percent on the sale or charge made for the furnishing of lodging by a hotel, rooming house, tourist court, motel, or trailer camp, and the granting of any similar license to use real property, as distinguished from the renting or leasing of real property, except that no such tax may be levied on any premises having fewer than fifteen lodging units. It shall be presumed that the occupancy of real property for a continuous period of one month or more constitutes rental or lease of real property and not a mere license to use or enjoy the same. The proceeds of this tax may only be used to fund the acquisition, design, and construction of convention or trade facilities.

This tax is in addition to the sales taxes that cities are authorized to impose in chapter 82.14 RCW and RCW 67.28.180. The tax shall not be a deduction from sales taxes imposed by the state.

Any city imposing the sales tax authorized in this section may contract with the state department of revenue for its collection and distribution as provided in chapter 82.14 RCW for the collection and distribution of general sales taxes imposed by cities.

NEW SECTION. Sec. 21. SEVERABILITY. If any provision of this amendatory act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

To The Honorable,
 The House of Representatives
 of the State of Washington
 Ladies and Gentlemen:

I am returning herewith without my approval as to Section 1(1)(b), SECOND SUBSTITUTE HOUSE BILL NO. 987, entitled: "An Act Relating to school district employees."

This section would prohibit school boards from paying school employees for unused vacation leave.

Since other state employees are not similarly restricted, it is inequitable to single out one group of employees for differential treatment. Any reform in this area should be uniform.

With the exception of Section 1(1)(b), which I have vetoed, the remainder of Second Substitute House Bill No. 987 is approved.

Respectfully submitted,
 JOHN SPELLMAN, Governor.

The Speaker announced he was signing:

REPORTS OF STANDING COMMITTEES

On motion of Mr. Nelson (G), HOUSE BILL NO. 784 was rereferred from Committee on Rules to Committee on Ways and Means.

March 26, 1982

ENGROSSED SUBSTITUTE SENATE BILL NO. 4216, Prime Sponsor: Committee on Commerce and Labor, modifying provisions relating to unemployment compensation. Reported by Committee on Labor and Economic Development.

MAJORITY recommendation: Do pass with the following amendments:

On page 9, after line 21 insert the following:

*Sec. 6. Section 73, chapter 35, Laws of 1945 as last amended by section 4, chapter 35, Laws of 1981 and RCW 50.20.050 are each amended to read as follows:

(1) An individual shall be disqualified from benefits beginning with the first day of the calendar week in which he or she has left work voluntarily without good cause and thereafter until he or she has obtained bona fide work and earned wages of not less than his or her suspended weekly benefit amount in each of five calendar weeks.

The disqualification shall continue if the work obtained is a mere sham to qualify for benefits and is not bona fide work. In determining whether work is of a bona fide nature, the commissioner shall consider factors including but not limited to the following:

- (a) The duration of the work;
 - (b) The extent of direction and control by the employer over the work; and
 - (c) The level of skill required for the work in light of the individual's training and experience.
- (2) An individual shall not be considered to have left work voluntarily without good cause when:

(a) He or she has left work to accept a bona fide offer of bona fide work as described in subsection (1) of this section; or

(b) The separation was because of the illness or disability of the claimant or the death, illness, or disability of a member of the claimant's immediate family if the claimant took all reasonable precautions, in accordance with any regulations that the commissioner may prescribe, to protect his or her employment status by having promptly notified the employer of the reason for the absence and by having promptly requested reemployment when again able to assume employment: PROVIDED, That these precautions need not have been taken when they would have been a futile act, including those instances when the futility of the act was a result of a recognized labor/management dispatch system.

(3) In determining under this section whether an individual has left work voluntarily without good cause, the commissioner shall only consider work-connected factors such as the degree of risk involved to the individual's health, safety, and morals, the individual's physical fitness for the work, the individual's ability to perform the work, and such other work connected factors as the commissioner may deem pertinent, including state and national emergencies. Good cause shall not be established for voluntarily leaving work because of its distance from an individual's residence where the distance was known to the individual at the time he or she accepted the employment and where, in the judgment of the department, the distance is customarily traveled by workers in the individual's job classification and labor market, nor because of any other significant work factor which was generally known and present at the time he or she accepted employment, unless the related circumstances have so changed as to amount to a substantial involuntary deterioration of the work factor or unless the commissioner determines that other related circumstances would work an unreasonable hardship on the individual were he or she required to continue in the employment.

(4) Subsections (1) and (3) of this section shall not apply to an individual whose marital status or domestic responsibilities cause him or her to leave employment. Such an individual shall not be eligible for unemployment insurance benefits until he or she has requalified, either by obtaining bona fide work and earning wages of not less than the suspended weekly benefit amount in each of five calendar weeks or by reporting in person to the department during ten different calendar weeks and certifying on each occasion that he or she is ready, able, and willing to immediately accept any suitable work which may be offered, is actively seeking work pursuant to customary trade practices, and is utilizing such employment counseling and placement services as are available through the department."

Renumber the sections consecutively and correct any internal references accordingly.

On page 1, line 5 of the title, after "50.12.200;" insert "amending section 73, chapter 35, Laws of 1945 as last amended by section 4, chapter 35, Laws of 1981 and RCW 50.20.050;"

Signed by Representatives Sanders, Chairman; Patrick, Vice Chairman; King (J), Ranking Minority Member; Barr, Barrett, Brekke, Brown, Clayton, Cole, Eberle, Flanagan, Garrett, Hankins, Lux, Monohon, Smith.

Passed to Committee on Rules for second reading.

(5) 'Ferry employee' means any employee of the marine transportation division of the department of transportation who is a member of a collective bargaining unit represented by a ferry employee organization and shall not include an exempt employee pursuant to RCW 41.06.079.

(6) 'Ferry employee organization' means any labor organization recognized to represent a collective bargaining unit of ferry employees.

(7) 'Ferry system management' means those management personnel of the marine transportation division of the department of transportation who have been vested with the day-to-day management responsibilities of the Washington state ferry system by the transportation commission and who are not members of a collective bargaining unit represented by a ferry employee organization.

(8) 'Lockout' means the refusal of ferry system management to furnish work to ferry employees in an effort to get ferry employee organizations to make concessions during collective bargaining, grievance, or other labor relation negotiations. Curtailment of employment of ferry employees due to lack of work resulting from a strike or work stoppage, as defined in subsection (11) of this section, shall not be considered a lockout.

(9) 'Marine employees' commission' means the commission created in section 18 of this act.

(10) 'Office of financial management' means the office as created in RCW 43.41.050.

(11) 'Strike or work stoppage' means a ferry employee's refusal, in concerted action with others, to report to duty, or his or her wilful absence from his or her position, or his or her stoppage or slowdown of work, or his or her abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in conditions, compensation, rights, privileges, or obligations of his, her, or any other ferry employee's employment. A refusal, in good faith, to work under conditions which pose an endangerment to the health and safety of ferry employees or the public, as determined by the master of the vessel, shall not be considered a strike for the purposes of this chapter.

(12) 'Transportation commission' means the commission as defined in RCW 47.01.021.

NEW SECTION. Sec. 3. SCOPE OF NEGOTIATIONS. Ferry system management and ferry system employee organizations, through their collective bargaining representatives, shall meet at reasonable times, to negotiate in good faith with respect to wages, hours, working conditions, automatic employee deductions, insurance, and health care benefits as limited by section 17 of this act, and other matters mutually agreed upon. Employer funded retirement benefits shall be provided under the public employees retirement system under chapter 41.40 RCW and shall not be included in the scope of collective bargaining. Negotiations shall also include grievance procedures for resolving any questions arising under the agreement, which shall be embodied in a written agreement and signed by the parties. The payroll statement for ferry employees shall set forth the full amount of any automatic employee deduction and the full amount of any employer contribution to insurance and health care plans for such employees.

NEW SECTION. Sec. 4. UNFAIR LABOR PRACTICES FOR EMPLOYER, EMPLOYEE ORGANIZATION, ENUMERATED. (1) It is an unfair labor practice for ferry system management or its representatives:

(a) To interfere with, restrain, or coerce employees in the exercise of the rights guaranteed by this chapter;

(b) To dominate or interfere with the formation or administration of any employee organization or contribute financial or other support to it;

(c) To discharge or otherwise discriminate against an employee because he has filed charges or given testimony under this chapter;

(d) To refuse to bargain collectively with the representatives of its employees.

(2) It is an unfair labor practice for an employee organization:

(a) To restrain or coerce (i) employees in the exercise of the rights guaranteed by this chapter: **PROVIDED**, That this paragraph does not impair the right of an employee organization to prescribe its own rules with respect to the acquisition or retention of membership therein, or (ii) an employer in the selection of his representatives for the purposes of collective bargaining or the adjustment of grievances;

(b) To refuse to bargain collectively with an employer, when it is the representative of its employees subject to section 8 of this act.

(3) The expression of any view, argument, or opinion, or the dissemination thereof to the public, whether in written, printed, graphic, or visual form, shall not constitute or be evidence of an unfair labor practice under any of the provisions of this chapter, if such expression contains no threat of reprisal or force or promise of benefit.

NEW SECTION. Sec. 5. STRIKES, WORK STOPPAGES, AND LOCKOUTS PROHIBITED. (1) It is unlawful for any ferry system employee or any employee organization, directly or indirectly, to induce, instigate, encourage, authorize, ratify, or participate in a strike or work stoppage against the ferry system.

(2) It is unlawful for ferry system management to authorize, consent to, or condone a strike or work stoppage; or to conduct a lockout; or to pay or agree to pay any ferry system employee for any day in which the employee participates in a strike or work stoppage; or to pay or agree to pay any increase in compensation or benefits to any ferry system employee in response to or as a result of any strike or work stoppage or any act which violates subsection (1) of this section. It is unlawful for any official, director, or representative of the ferry system to authorize, ratify, or participate in any violation of this subsection. Nothing in this subsection prevents new or renewed bargaining and agreement within the scope of negotiations as defined by this chapter, at any time. No collective bargaining agreement provision regarding suspension or modification of any court-ordered penalty provided in this section shall be binding on the courts.

(3) In the event of any violation or imminently threatened violation of subsection (1) or (2) of this section, any citizen domiciled within the jurisdictional boundaries of the state may petition the superior court of any county in which the violation has occurred or is imminently threatened for an injunction restraining such

violation or imminently threatened violation. Rules of civil procedure regarding injunctions shall apply. However, the court shall grant a temporary injunction if it appears to the court that a violation has occurred or is imminently threatened; the plaintiff need not show that the violation or threatened violation would greatly or irreparably injure him or her; and no bond shall be required of the plaintiff unless the court determines that a bond is necessary in the public interest. Failure to comply with any temporary or permanent injunction granted pursuant to this section shall constitute a punishable contempt. The punishment shall not exceed ten thousand dollars for an employee organization or the ferry system, for each day during which the failure to comply continues, or imprisonment in a county jail for officials thereof not exceeding six months, or both such fine and imprisonment. The punishment for a ferry employee found to be in contempt shall be as provided in chapter 7.20 RCW, except that the fine fixed by the court may be in an amount up to but not exceeding three hundred dollars for each day during which the ferry employee participates or engages in a strike or work stoppage. An individual or an employee organization which makes an active good faith effort to comply fully with the injunction shall not be deemed to be in contempt.

(4) Every person sustaining any loss which is directly caused by a strike or other work stoppage by employees of the Washington state ferries is entitled to recover for such loss against the employees engaged in such strike or work stoppage and against any ferry employee organization organizing or otherwise participating in such strike or work stoppage. Neither the state nor the ferry system may be a party in any suit brought pursuant to this subsection.

(5) No ferry system employee may engage in a strike or work stoppage or work slowdown.

(6) Each of the remedies and penalties provided by this section is separate and several, and is in addition to any other legal or equitable remedy or penalty.

(7) Every person sustaining any loss which is directly caused by a lockout by the Washington state ferries is entitled to recover for such loss against the state ferry system. Neither individual ferry employees nor any ferry employee organization may be a party in any suit brought pursuant to this subsection.

(8) In addition to the remedies and penalties provided by this section the successful litigant shall be entitled to recover reasonable attorney fees and costs incurred in the litigation.

NEW SECTION. Sec. 6. UNION SECURITY PROVISIONS—SCOPE—AGENCY SHOP PROVISION, COLLECTION OF DUES OR FEES. A collective bargaining agreement may include union security provisions, but not a union or closed shop. At any time after an agency shop provision is agreed to, members of any bargaining unit may decertify the unit by the majority vote of the members. Such vote shall be conducted by the marine employees' commission not less than one month nor more than two months after a petition requesting such a vote and signed by thirty percent of the members is filed with the marine employees' commission. Upon decertification, agency shop status shall immediately terminate and may not be included in any future bargaining agreement without the approval of a majority of the employees who would be members of the proposed bargaining unit. All union security provisions shall safeguard the right of nonassociation of employees based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member. Such employee shall pay an amount of money equivalent to regular dues and fees to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the dues and fees. The employee shall furnish written proof that such payment has been made. If the employee and the bargaining representative do not reach agreement on such matter, the commission shall designate the charitable organization.

NEW SECTION. Sec. 7. GRIEVANCE PROCEDURES. An agreement with a ferry employee organization which is the exclusive representative of ferry employees in an appropriate unit may provide procedures for the consideration of ferry employee grievances and of disputes over the interpretation and application of agreements. Negotiated procedures may provide for binding arbitration of ferry employee grievances and of disputes over the interpretation and application of existing agreements. An arbitrator's decision on a grievance may not change or amend the terms, conditions, or applications of the collective bargaining agreement. Such procedures shall provide for the invoking of arbitration only with the approval of the employee organization. The costs of arbitrators shall be shared equally by the parties.

Ferry system employees shall follow either the grievance procedures provided in a collective bargaining agreement, or in the event that no such procedures are so provided, shall submit such grievances to the marine employees' commission as provided in section 18 of this act.

NEW SECTION. Sec. 8. COLLECTIVE BARGAINING PROCEDURES. (1) Any ferry employee organization certified as the bargaining representative shall be the exclusive representative of all ferry employees in the bargaining unit and shall represent all such employees fairly.

(2) All ferry employee organizations shall collectively designate an individual or individuals as their representative to engage in collective bargaining negotiations with the representative or representatives designated by the secretary of transportation.

(3) Negotiating sessions, including strategy meetings of ferry system management or employee organizations, mediation, and the deliberative process of arbitrators are exempt from the provisions of chapter 42.30 RCW. Hearings conducted by arbitrators may be open to the public by mutual consent of the parties. Any meeting of the transportation commission, during which a collective bargaining agreement is subject to ratification, shall be open to the public.

(4) Terms of any collective bargaining agreement may be enforced by civil action in Thurston county superior court upon the initiative of either party.

(5) Ferry system employees or any employee organization shall not negotiate or attempt to negotiate directly with a member of the transportation commission if the commission has appointed or authorized a

bargaining representative for the purpose of bargaining with the ferry employees or their representative, unless the member of the commission is the designated bargaining representative of the ferry system.

(6) The negotiation of a proposed collective bargaining agreement by the representative or representatives of management and the representative or representatives designated by all the organizations representing ferry employees to represent them collectively shall commence in each odd-numbered year immediately following adoption by the legislature and approval by the governor of the biennial budget.

(7) Until a new collective bargaining agreement is negotiated, or until an award is made by the arbitrator, the terms and conditions of the previous collective bargaining agreement shall remain in force. The wage and benefit provisions of any collective bargaining agreement, or arbitrator's award in lieu thereof, which is concluded after July 1st of an odd-numbered year shall be retroactive to July 1st. It is the intent of this section that the collective bargaining agreement or arbitrator's award shall commence on July 1st of each odd-numbered year and shall terminate on June 30th of the next odd-numbered year to coincide with the ensuing biennial budget year, as defined by RCW 43.88.020(7), to the extent practical.

(8) Any ferry union contract terminating prior to July 1, 1983, shall, with the agreement of the parties, remain in effect until a contract can be concluded under sections 1 through 18 of this act. Such contract shall be retroactive to the expiration date of the prior contract, and the cost to the department of three months retroactive compensation and benefits shall not be included in calculating the limitation imposed by section 9 of this act. If the parties cannot agree to contract extension, any increase agreed to for the three month period shall be included in calculating the limit imposed by section 9 of this act.

(9) Any ferry union contract which would terminate after July 1, 1983, may, by agreement of the parties, be terminated as of July 1, 1983, and a new contract concluded pursuant to sections 1 through 18 of this act. Any contract terminating after July 1, 1983, shall be subject to this act only upon its expiration and shall not be renewed for a period beyond July 1, 1985.

NEW SECTION. Sec. 9. AGREEMENTS AND AWARDS LIMITED BY APPROPRIATION. (1) No collective bargaining agreement or arbitrator's award or combination of collective bargaining agreements or arbitrator's awards is valid or enforceable if its implementation would be inconsistent with any statutory limitation on the department of transportation's funds, spending, or budget. The department of transportation shall, in good faith, exercise its administrative discretion with full public participation as required by section 24 of this act, subject only to legislative limitations and conditions, to implement the terms of any collective bargaining agreement or arbitrator's award.

(2) In no event shall the transportation commission or the department of transportation authorize an increase in tolls subsequent to the enactment of the budget which, together with any increase previously adopted within the preceding twelve months, is in excess of the implicit price deflator for the preceding twelve months for the purpose of providing revenue to fund a collective bargaining agreement or arbitrator's award. This subsection shall not apply to fare increases under RCW 47.60.326(4) which are due to increased operating expenses, such as fuel price escalation, which are not labor-related and which are beyond the direct control of the department.

NEW SECTION. Sec. 10. IMPASSE PROCEDURES. As the first step in the performance of their duty to bargain, ferry system management and the employee organization shall endeavor to agree upon impasse procedures. Such agreement shall provide for implementation of these impasse procedures not later than July 1st in each odd-numbered year following enactment of the biennial budget. If the parties fail to agree upon impasse procedures under this section, the impasse procedures provided in sections 11 through 14 of this act shall apply. It is unlawful for either party to refuse to participate in the impasse procedures provided in sections 11 through 14 of this act.

NEW SECTION. Sec. 11. MEDIATION. In the absence of an impasse agreement between the parties or the failure of either party to utilize its procedures by August 1st in each odd-numbered year, the marine employees' commission shall, upon the request of either party, appoint an impartial and disinterested person to act as mediator pursuant to section 18 of this act. It shall be the function of the mediator to bring the parties together to effectuate a settlement of the dispute, but the mediator may not compel the parties to agree.

NEW SECTION. Sec. 12. FACT-FINDING. Prior to collective bargaining, the marine employees' commission shall conduct a salary survey which shall be a public document comparing wages, hours, employee benefits, and conditions of employment of involved ferry employees with those of private sector employees within the state and Washington state employees doing directly comparable work, giving consideration to factors peculiar to the area and the classifications involved. The commission shall make such other findings of fact as the parties may request during bargaining or impasse.

NEW SECTION. Sec. 13. WAIVER OF MEDIATION AND FACT-FINDING. By mutual agreement, the parties may waive mediation and fact-finding, as provided for in sections 11 and 12 of this act, and proceed with binding arbitration as provided for in section 14 of this act. Such waiver shall be in writing and signed by the representatives of the parties.

NEW SECTION. Sec. 14. BINDING ARBITRATION. (1) If impasse persists fourteen days after the mediator has been appointed, or beyond any other date mutually agreed to by the parties, the dispute shall be submitted to arbitration pursuant to this section, and such arbitration shall be binding upon the parties.

(2) Each party shall submit to the other within four days of request a final offer with proof of service of a copy upon the other party. The final offer shall consist of the party's proposal for a total collective bargaining agreement, excluding those items upon which the parties have reached agreement. Each party shall

also submit a copy of a draft of the proposed collective bargaining agreement to the extent to which agreement has been reached and the name of its selected arbitrator. The parties may continue to negotiate until an agreement is reached or a decision rendered by the panel of arbitrators.

As an alternative procedure, the two parties may agree to submit the dispute to a single arbitrator. If the parties cannot agree on the arbitrator within four days, the selection shall be made pursuant to subsection (4) of this section. The full costs of arbitration under this provision shall be shared equally by the parties to the dispute.

(3) The panel of arbitrators shall consist of three members appointed in the following manner:

(a) One member shall be appointed by the secretary of transportation;

(b) One member shall be appointed by the ferry employee organization;

(c) One member shall be appointed mutually by the members appointed by the secretary of transportation and the employee organization. The last member appointed shall be the chairman of the panel of arbitrators. No member appointed shall be an employee of the parties;

(d) Ferry system management and the employee organization shall each pay the fees and expenses incurred by the arbitrator each selected. The fee and expenses of the chairman of the panel shall be shared equally by each party.

(4) If the third member has not been selected within four days of notification as provided in subsection (2) of this section, a list of seven arbitrators shall be submitted to the parties by the marine employees' commission. The two arbitrators selected by ferry system management and the ferry employee organization shall determine by lot which arbitrator shall remove the first name from the list submitted by the marine employees' commission. The second arbitrator and the first arbitrator shall alternately remove one additional name until only one name remains. The person whose name remains shall become the chairman of the panel of arbitrators and shall call a meeting within thirty days, or at such time mutually agreed to by the parties, at a location designated by him or her. In lieu of a list of seven nominees for the third member being submitted by the marine employees' commission, the parties may mutually agree to have either the Federal Mediation and Conciliation Service or the American Arbitration Association submit a list of seven nominees.

(5) If a vacancy occurs on the panel of arbitrators, the selection for replacement of such member shall be in the same manner and within the same time limits as the original member was chosen. No final award under subsection (12) of this section shall be made by the panel until three arbitrators have been chosen.

(6) The panel of arbitrators shall at no time engage in an effort to mediate or otherwise settle the dispute in any manner other than that prescribed in this section.

(7) From the time of appointment until such time as the panel of arbitrators makes its final determination, there shall be no discussion concerning recommendations for settlement of the dispute by the members of the panel of arbitrators with parties other than those who are direct parties to the dispute. The panel of arbitrators may conduct formal or informal hearings to discuss offers submitted by both parties.

(8) The panel of arbitrators shall consider, in addition to any other relevant factors, the following factors:

(a) Past collective bargaining contracts between the parties including the bargaining that led up to such contracts;

(b) Comparison of wages, hours, employee benefits, and conditions of employment of the involved ferry employees with those of private sector employees within the state and Washington state employees doing directly comparable work, giving consideration to factors peculiar to the area and the classifications involved;

(c) The interests and welfare of the public, the ability of the ferry system to finance economic adjustments, and the effect of such adjustments on the normal standard of services;

(d) The right of the legislature to appropriate and to limit funds for the conduct of the ferry system;

(e) The limitations on ferry toll increases and operating subsidies as may be imposed by the legislature; and

(f) The aggregate fiscal effect of all contracts negotiated or arbitrated under this chapter.

(9) The chairman of the panel of arbitrators may hold hearings and administer oaths, examine witnesses and documents, take testimony and receive evidence, issue subpoenas to compel the attendance of witnesses and the production of records, and delegate such powers to other members of the panel of arbitrators. The chairman of the panel of arbitrators may petition the superior court in Thurston county, or any county in which any hearing is held, to enforce the order of the chairman compelling the attendance of witnesses and the production of records.

(10) A majority of the panel of arbitrators shall select within thirty days after its first meeting the most reasonable offer, in its judgment, of the final offers submitted by the parties. The arbitration panel award shall be restricted to the final offer selected by the panel.

(11) The final offer selected by the panel of arbitrators and items agreed upon by the ferry system management and the employee organization shall be deemed to be the collective bargaining agreement between the parties.

(12) The determination of the panel of arbitrators shall be by majority vote and shall be final and binding, subject to section 9 of this act. The panel of arbitrators shall give written explanation for its selection and inform the parties of its decision.

NEW SECTION. Sec. 15. LEGAL ACTIONS. (1) Any ferry employee organization and the department of transportation may sue or be sued as an entity under this chapter. Service upon any party shall be in accordance with law or the rules of civil procedure. Nothing in this chapter shall be construed to make any individual or his assets liable for any judgment against the department of transportation or a ferry employee organization if such individual was acting in his official capacity.

(2) Any legal action by any ferry employee organization or the department of transportation under this chapter shall be filed in Thurston county superior court within ten days of when the cause of action arose. The court shall consider such actions on a priority basis and determine the merits of such actions within thirty days of filing.

NEW SECTION. Sec. 16. NOTICE AND SERVICE. Any notice required under this chapter shall be in writing, but service thereof shall be sufficient if mailed by restricted certified mail, return receipt requested, addressed to the last known address of the parties, unless otherwise provided in this chapter. Refusal of restricted certified mail by any party shall be considered service. Prescribed time periods shall commence from the date of the receipt of the notice. Any party may at any time execute and deliver an acceptance of service in lieu of mailed notice.

NEW SECTION. Sec. 17. INSURANCE AND HEALTH CARE. Absent a collective bargaining agreement to the contrary, the department of transportation shall provide contributions to insurance and health care plans for ferry system employees and dependents, as determined by the state employees' insurance board, pursuant to chapter 41.05 RCW. The ferry system management and employee organizations may collectively bargain for other insurance and health care plans, and employer contributions may exceed that of other state agencies as provided in RCW 41.05.050. However, any amount by which the employer contribution exceeds that provided for other state agencies shall reduce the funds available for compensation purposes, pursuant to section 9 of this act.

NEW SECTION. Sec. 18. MARINE EMPLOYEES' COMMISSION. (1) There is created the marine employees' commission. The governor shall appoint the commission with the consent of the senate. The commission shall consist of three members: One member to be appointed from labor, one member from industry, and one member from the public who has significant knowledge of maritime affairs. The public member shall be chairman of the commission. One of the original members shall be appointed for a term of three years, one for a term of four years, and one for a term of five years. Their successors shall be appointed for terms of five years each, except that any person chosen to fill a vacancy shall be appointed only for the unexpired term of the member whom he succeeds. Commission members shall be eligible for reappointment. Any member of the commission may be removed by the governor, upon notice and hearing, for neglect of duty or malfeasance in office, but for no other cause. Commission members shall not be eligible for state retirement under chapter 41.40 RCW by virtue of their service on the commission. Members of the commission shall be compensated and receive reimbursement for official travel and other expenses at the same rate and on the same terms as provided for the transportation commission by RCW 47.01.061, as now or hereafter amended. Such payments shall be made from the Puget Sound ferry operations account.

(2) The marine employees' commission shall: (a) Adjust all complaints, grievances, and disputes between labor and management arising out of the operation of the ferry system as provided in section 7 of this act; (b) provide for impasse mediation as required in section 11 of this act; (c) conduct fact-finding and provide salary surveys as required in section 12 of this act; and (d) provide for the selection of an impartial arbitrator as required in section 14(4) of this act.

(3) In adjudicating all complaints, grievances, and disputes, the party claiming labor disputes shall, in writing, notify the marine employees' commission who shall make careful inquiry into the cause thereof and issue an order advising the ferry employee, or the ferry employee organization representing him or her, and the department of transportation, as to the decision of the commission.

The parties shall be entitled to offer evidence relating to disputes at all hearings conducted by the commission. The orders and awards of the commission shall be final and binding upon any ferry employee or employees or their representative affected thereby and upon the department.

The commission shall by regulation prescribe its rules of procedure.

The commission shall have the authority to subpoena any ferry employee or employees, or their representatives, and any member or representative of the department, and any witnesses. The commission may require attendance of witnesses and the production of all pertinent records at any hearings held by the commission. The subpoenas of the commission shall be enforceable by order of any superior court in the state of Washington for the county within which such proceeding may be pending.

Sec. 19. Section 5, chapter 39, Laws of 1970 ex. sess. as last amended by section 6, chapter 344, Laws of 1981 and RCW 41.05.050 are each amended to read as follows:

(1) Every department, division, or separate agency of state government, and such county, municipal, or other political subdivisions as are covered by this chapter, shall provide contributions to insurance and health care plans for its employees and their dependents, the content of such plans to be determined by the state employees insurance board. Such contributions, which shall be paid by the county, the municipality, or other political subdivision for their employees, shall include an amount determined by the state employee's insurance board to pay the administrative expenses of the board and the salaries and wages and expenses of the benefits supervisor and other necessary personnel: PROVIDED, That this administrative service charge for state employees shall not result in an employer contribution in excess of the amount authorized by the governor and the legislature as prescribed in RCW 41.05.050(2), and that the sum of an employee's insurance premiums and administrative service charge in excess of such employer contribution shall be paid by the employee. All such contributions will be paid into the state employees insurance fund to be expended in accordance with RCW 41.05.030.

(2) The contributions of any department, division, or separate agency of the state government, and such county, municipal, or other political subdivisions as are covered by this chapter, shall be set by the state employees insurance board, subject to the approval of the governor for availability of funds as specifically appropriated by the legislature for that purpose: PROVIDED, That provision for school district personnel

shall not be made under this chapter: PROVIDED FURTHER, That insurance and health care contributions for ferry employees shall be governed by section 17 of this 1982 act.

(3) The trustee with the assistance of the department of personnel shall annually survey private industry and public employers in the state of Washington to determine the average employer contribution for group insurance programs under the jurisdiction of the state employees insurance board. Such survey shall be reported to the board for its use in setting the amount of the recommended employer contribution to the employee insurance benefit program covered by this chapter. The board shall transmit a recommendation for the amount of the employer contribution to the governor and the director of financial management for inclusion in the proposed budgets submitted to the legislature.

NEW SECTION. Sec. 20. There is added to chapter 41.58 RCW a new section to read as follows:

For any matter concerning the state ferry system and employee relations, collective bargaining, or labor disputes or stoppages, the provisions of chapter 47.64 RCW shall govern.

Sec. 21. Section 46.68.030, chapter 12, Laws of 1961 as last amended by section 9, chapter 342, Laws of 1981 and RCW 46.68.030 are each amended to read as follows:

All fees received by the director for vehicle licenses under the provisions of chapter 46.16 RCW shall be forwarded to the state treasurer, accompanied by a proper identifying detailed report, and be by him deposited to the credit of the motor vehicle fund, except that the proceeds from the vehicle license fee and renewal license fee shall be deposited by the state treasurer as hereinafter provided. After July 1, 1981, that portion of each vehicle license fee in excess of \$7.40 and that portion of each renewal license fee in excess of \$3.40 shall be deposited in the state patrol highway account in the motor vehicle fund, hereby created. Vehicle license fees, renewal license fees, and all other funds in the state patrol highway account shall be for the sole use of the Washington state patrol for highway activities of the Washington state patrol, subject to proper appropriations and reappropriations therefor, for any fiscal biennium after June 30, 1981, and twenty-seven and three-tenths percent of the proceeds from \$7.40 of each vehicle license fee and \$3.40 of each renewal license fee shall be deposited each biennium in the Puget Sound ferry operations account to partially finance, together with other funds in the account, any budgeted state ferry system maintenance and operating deficit for that biennium. The deficit shall be calculated by subtracting from total costs the sum of all unappropriated funds available to the state ferry system, including revenues from tolls that are adjusted (~~annually~~) by the transportation commission (~~(to correspond with changes in the consumer price index for the city of Seattle pursuant to RCW 47.60.325)~~). Any remaining amounts of vehicle license fees and renewal license fees that are not deposited in the Puget Sound ferry operations account shall be deposited in the motor vehicle fund.

Sec. 22. Section 47.60.310, chapter 13, Laws of 1961 as amended by section 1, chapter 29, Laws of 1977 and RCW 47.60.310 are each amended to read as follows:

(1) The (~~(authority)~~) department is further directed to conduct such review by soliciting and obtaining expressions from local community groups in order to be properly informed as to problems being experienced within the area served by the Washington state ferries. In order that local representation may be established, the (~~(authority)~~) department shall give prior notice of the review to the (~~(board of county commissioners of each county wherein a terminal of the Washington state ferries is located and the board of county commissioners of any other county adjacent to Puget Sound or the Strait of Juan de Fuca which by resolution has notified the authority of its intent to participate in the review)~~) legislative authorities of Clallam, Island, Jefferson, King, Kitsap, Pierce, San Juan, Skagit, and Snohomish counties.

(2) Each such (~~(board of)~~) county (~~(commissioners is hereby directed to)~~) legislative authority shall appoint a committee to consist of (no more than) five members to serve as an advisory committee to the (authority) department or its designated representative in such review.

(3) The members of each county ferry advisory committee shall be appointed for four-year terms. The initial terms shall commence on July 1, 1982, and end on June 30, 1986. Any vacancy shall be filled for the remainder of the unexpired term by the appointing authority. At least one person appointed to each advisory committee shall be representative of an established ferry-user group or of frequent users of the ferry system, at least one shall be representative of persons or firms using or depending upon the ferry system for commerce, and one member shall be representative of a local government transportation planning body or its staff. Every member shall be a resident of the county upon whose advisory committee he or she sits, and not more than three members shall at the time of their appointment be members of the same major political party.

(4) The committees to be appointed by the ((boards of)) county ((commissioners)) legislative authorities shall serve without fee or compensation. ((It is not the intent of RCW 47.60.290 through 47.60.320 that any powers or duties now prescribed and delegated to the authority shall be assumed by any other board or committee.))

Sec. 23. Section 5, chapter 344, Laws of 1981 and RCW 47.60.326 are each amended to read as follows:

(1) In order to maintain an adequate, fair, and economically sound schedule of charges for the transportation of passengers, vehicles, and commodities on the Washington state ferries, including the Hood Canal bridge, the department of transportation each year shall conduct a full review of such charges.

(2) Prior to February 1st of each odd-numbered year the department shall transmit to the transportation commission a report of its review together with its recommendations for the revision of a schedule of charges for the ensuing (~~(fiscal year)~~) biennium. The commission on or before (~~(April)~~) July 1st of that year shall adopt as a rule, in the manner provided by the Washington administrative procedure act, a schedule of charges for the Washington state ferries for the ensuing (~~(twelve-month period)~~) biennium commencing

((May)) July 1st. The schedule may initially be adopted as an emergency rule if necessary to take effect on, or as near as possible to, ((May)) July 1st.

(3) The department in making its review and formulating recommendations and the commission in adopting a schedule of charges may consider any of the following factors:

- (a) The amount of subsidy available to the ferry system for maintenance and operation;
- (b) The time and distance of ferry runs;
- (c) The maintenance and operation costs for ferry runs with a proper adjustment for higher costs of operating outmoded or less efficient equipment;
- (d) The efficient distribution of traffic between cross-sound routes;
- (e) The desirability of reasonable commutation rates for persons using the ferry system to commute daily to work;

(f) The effect of proposed fares in increasing walk-on and vehicular passenger use;

(g) The effect of proposed fares in promoting all types of ferry use during nonpeak periods;

(h) Such other factors as prudent managers of a major ferry system would consider.

(4) If at any time during the biennium it appears that projected toll revenues from the ferry system, together with the appropriation from the Puget Sound ferry operations account and any other operating subsidy available to the Washington state ferries, will be less than the projected total cost of maintenance and operation of the Washington state ferries for the biennium, the department shall forthwith undertake a review of its schedule of charges to ascertain whether or not the schedule of charges should be revised. The department shall, upon completion of its review report, submit its recommendation to the transportation commission which may in its sound discretion revise the schedule of charges as required to meet necessary maintenance and operation expenditures of the ferry system for the biennium or may defer action until the regular annual review and revision of ferry charges as provided in subsection (2) of this section.

(5) The provisions of section 24 of this 1982 act relating to public participation shall apply to the process of revising ferry tolls under this section.

NEW SECTION. Sec. 24. There is added to chapter 47.60 RCW a new section to read as follows:

PUBLIC PARTICIPATION. (1) Prior to a substantial expansion or curtailment in the level of service provided to ferry users, or a revision in the schedule of ferry tolls or charges, the department of transportation shall consult with affected ferry users. Such consultation shall be: (a) By public hearing in affected local communities; (b) by review with the affected ferry advisory committees pursuant to RCW 47.60.310; (c) by conducting a survey of affected ferry users; or (d) by any combination of (a) through (c).

(2) There is created a ferry system productivity council consisting of a representative of each ferry advisory committee empanelled under RCW 47.60.310, elected by the members thereof, and two representatives of employees of the ferry system appointed by mutual agreement of all of the unions representing ferry employees, which shall meet from time to time with ferry system management to discuss means of improving ferry system productivity.

(3) Prior to increasing ferry tolls the department of transportation shall consider all possible cost reductions with full public participation as provided in subsection (1) of this section and, consistent with public policy, shall consider adapting service levels equitably on a route-by-route basis to reflect trends in and forecasts of traffic usage. Forecasts of traffic levels shall be developed by the bond covenant traffic engineering firm appointed under and pursuant to the provisions of RCW 47.60.450. Provisions of this section shall not alter obligations under RCW 47.60.450. Prior to including any toll increase into a budget proposal by the commission, the department of transportation shall consult with affected ferry users in the manner prescribed in (1)(b) of this section plus the procedure of either (1) (a) or (c) of this section.

Sec. 25. Section 47.64.090, chapter 13, Laws of 1961 and RCW 47.64.090 are each amended to read as follows:

Should any party assume the operation and maintenance of any ferry or ferry system by rent, lease or charter from the ((Washington toll bridge authority)) department of transportation, such party shall assume and be bound by all the provisions herein and any agreement or contract for such operation of any ferry or ferry system entered into by the ((Washington toll bridge authority)) department shall provide that the wages to be paid, hours of employment, working conditions and seniority rights of employees will be established by the marine employees' commission in accordance with the terms and provisions of this chapter and it shall further provide that all labor disputes shall be adjudicated ((by the marine employees commission)) in accordance with chapter 47.64 RCW.

Sec. 26. Section 9, chapter 344, Laws of 1981 (uncodified) is amended to read as follows:

There is appropriated to the ((department of personnel)) marine employees' commission for the biennium ending June 30, 1983, from the motor vehicle fund, the sum of twenty thousand dollars or so much thereof as may be necessary, to prepare recommendations ((to the state personnel board)) for the classification of the positions of employees of the Washington state ferries in accordance with section ((7)) 12 of this 1982 act.

NEW SECTION. Sec. 27. Section captions used in this act constitute no part of the law.

NEW SECTION. Sec. 28. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 29. The following acts or parts of acts are each repealed:

(1) Section 7, chapter 344, Laws of 1981 and RCW 41.06.166;

(2) Section 8, chapter 24, Laws of 1972 ex. sess., section 10, chapter 342, Laws of 1981 and RCW 47.60.325;

(7) Section 47.64.040, chapter 13, Laws of 1961, section 35, chapter 296, Laws of 1975 1st ex. sess., section 1, chapter 73, Laws of 1979 ex. sess. and RCW 47.64.040.

NEW SECTION. Sec. 30. Sections 1 through 18 of this act shall be added to chapter 47.64 RCW."

In line 26 of the title, after "47.64.040;" insert "and"

In line 27 of the title, after "penalties" strike "; and declaring an emergency"

MOTION

On motion of Mr. Hastings, the House advanced to the seventh order of business.

THIRD READING

SUBSTITUTE HOUSE BILL NO. 17, by Committee on Revenue (originally sponsored by Representative Sprague):

Modifying the 106% limit.

The bill was read the third time and placed on final passage.

Mr. Sprague spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 17, and the bill passed the House by the following vote: Yeas, 97; nays, 0; not voting, 1.

Voting yea: Representatives Addison, Amen, Armstrong, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Cole, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, Kaiser, King J., Kreidler, Leonard, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Owen, Padden, Patrick, Prince, Pruitt, Rinehart, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Not voting: Representative King R.

Substitute House Bill No. 17, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED HOUSE BILL NO. 755, by Representatives Prince, Fiske and Erickson:

Deducting trade-in allowances from the selling price for sales tax purposes.

The bill was read the third time and placed on final passage.

Representatives Prince and Tilly spoke in favor of passage of the bill, and Representatives Rust and Rinehart spoke against it.

POINT OF INQUIRY

Mr. Prince yielded to question by Mr. Lux.

Mr. Lux: "Representative Prince, if you had a used automobile or a used combine and you traded it in, you wouldn't pay the sales tax on the used piece of equipment, but if you bought a used combine or a used automobile, you would pay the sales tax on that?"

Mr. Prince: "Did you have a trade-in when you bought the used piece?"

Mr. Lux: "No."

Mr. Prince: "If you don't have a trade-in, there's no credit, but if you do have a trade-in there would be a credit."

Mr. Lux: "So if you had a used automobile you could take it and trade it in on another used automobile that was fifty dollars more and you'd only pay sales tax on the fifty dollars?"

Mr. Prince: "That's correct."

Mr. Lux spoke against passage of the bill, and Mr. Barr spoke in favor of it.

POINT OF INQUIRY

Mr. Prince yielded to question by Ms. Galloway.

Ms. Galloway: "Representative Prince, I live in a community which borders on the state of Oregon. If someone purchased a car in Oregon under our current law, he/she would pay sales tax to our state. Would this law apply if it was passed? Would they have the same option of trading in and only paying sales tax on the balance?"

Mr. Prince: "My understanding is that it would be completely dependent on how they made the trade. If you purchased a car in Oregon and came back to Washington to buy the license without ever having licensed it in Oregon first, then as you came into the state you would have the bill of sale from the dealer which would show the trade-in, and you'd probably get the credit, but if you licensed it in Oregon first and used it in Oregon, in essence, it would be a new vehicle with no trade-in."

Mr. Nelson (D) spoke against passage of the bill, and Representatives Lewis, McGinnis and Clayton spoke in favor of it.

Ms. Rinehart spoke again in opposition to the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 755, and the bill passed the House by the following vote: Yeas, 67; nays, 29; not voting, 2.

Mr. Smith spoke in favor of the amendments.

MOTION

Mr. Heck moved that the Rules Committee be relieved of ENGROSSED SUBSTITUTE SENATE BILL NO. 4216, and that it be placed on today's second reading calendar.

QUESTION OF CONSIDERATION

Mr. Nelson (G) raised a question of consideration of the motion.

POINT OF ORDER

Mr. Heck: "I don't believe it's appropriate to interrupt a speech once it has begun for a point such as raised by Representative Nelson. It's not appropriate for the Chair to recognize him for that."

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Heck, you had not started on the debate, and if you had, the question of consideration is of higher rank."

Mr. Heck demanded an oral roll call and the demand was sustained.

The Speaker resumed the Chair.

POINT OF ORDER

Mr. Ehlers: "Mr. Speaker, it's my understanding that once debate has begun, no matter what may have higher rank, Representative Nelson could not interrupt the speaker. If I understand, Representative Amen's ruling was that it was of higher order."

The Speaker: "From what I understand, Representative Ehlers, the debate had not begun in Speaker Amen's view."

ROLL CALL

The Clerk called the roll on the question of consideration of the motion to relieve Rules Committee of Engrossed Substitute Senate Bill No. 4216, and the House indicated they wished not to consider the motion by the following vote: Yeas, 42; nays, 55; not voting, 1.

Voting yea: Representatives Armstrong, Becker, Bender, Brekke, Brown, Burns, Cole, Ehlers, Eng, Erak, Gallagher, Galloway, Garrett, Granlund, Grimm, Heck, Hine, Kaiser, King J., Kroidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Thompson, Valle, Walk, Wang, Warnke.

A., Nickell, Nisbet, Padden, Patrick, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vander Stoep, Williams, Wilson, Winsley, and Mr. Speaker.

Not voting: Representative King R.

The Speaker stated the question before the House to be the amendments by Representative Smith to Engrossed Senate Concurrent Resolution No. 143.

Mr. Ehlers demanded an oral roll call and the demand was sustained.

Representatives Scott and Kreidler spoke against the amendments, and Mr. Tilly spoke in favor of them.

ROLL CALL

The Clerk called the roll on adoption of the amendments by Representative Smith to Engrossed Senate Concurrent Resolution No. 143, and the amendments were adopted by the following vote: Yeas, 51; nays, 45; not voting, 2.

Voting yea: Representatives Addison, Amen, Armstrong, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Garrett, Hankins, Hastings, Heck, Houchen, Isaacson, James, Johnson, Lewis, Lundquist, McDonald, McGinnis, Monohon, Nelson G. A., Nickell, Nisbet, Padden, Prince, Rosbach, Schmidt, Smith, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vander Stoep, Wilson, Winsley.

Not voting: Representatives King R., and Mr. Speaker.

Mr. Tilly moved adoption of the following amendment:

On page 1, line 26 after "Office," insert "the Association of Washington Counties,"

Mr. Tilly spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Tilly yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Tilly, I'm curious about this amendment. I have no problem with this notion of local government on it, but I'm just trying to remember another instance when we've named a particular organization specifically in the statutes. I don't believe that's customary. Normally don't we say 'representatives from local government'? Is this customary to put the name of a specific organization into the statutes?"

Mr. Tilly: "I don't know about custom, but the county officials have been in contact with me—the county commissioners—and I feel they are the ones, especially in the more rural areas, who we should use in a resolution of this type. This is a study resolution rather than a statute."

Mr. Brown demanded an oral roll call vote and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Tilly to Engrossed Senate Concurrent Resolution No. 143, and the amendment was adopted by the following vote: Yeas, 73; nays, 24; not voting, 1.

Voting yea: Representatives Addison, Amen, Armstrong, Barnes, Barr, Barrett, Becker, Bickham, Bond, Brown, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Hankins, Hastings, Heck, Hine, Houchen, Johnson, Kaiser, Lewis, Lundquist, Maxie, McCormick, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Patrick, Prince, Pruitt, Rosbach, Schmidt, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Wang, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Bender, Berleen, Brekke, Burns, Cole, Grimm, Isaacson, James, King J., Kreidler, Leonard, Lux, Martinis, McDonald, Owen, Padden, Rinehart, Rust, Salatino, Sanders, Scott, Sherman, Walk, Warnke.

Not voting: Representative King R.

Mr. Hastings moved that the rules be suspended, the second reading considered the third and the resolution be placed on final passage.

POINT OF PERSONAL PRIVILEGE

Mr. Ehlers: "Earlier Representative Heck attempted to make a motion to relieve the Rules Committee of the unemployment compensation bill. In our view he had begun his remarks, was interrupted by a motion raising a question of consideration, which is a gag rule. It's our feeling that we have tried to operate in our caucus in a courteous manner. I believe that our caucus, from the very beginning, has been understanding and that we were not going to obstruct the process. There have been very few bills that we have not agreed to bump to final passage and my recollection is that this is the third time—the second time on this particular issue—to raise to relieve the Rules Committee of a bill. It has not been our policy to do so. Representative Heck was not given the opportunity to complete his remarks on the motion because it was ruled that the question of consideration had a higher rank. We don't want to quibble over that particular issue, except to say that we feel Representative Heck was not dealt with in a fair manner. That was why this caucus decided to go through a period of oral roll calls. It's my understanding that this body is going to have an opportunity to vote on the unemployment compensation bill tomorrow, and that's all well and good, but it does not, in fact, condone what I consider to be a discourtesy to one of our members."

POINT OF PERSONAL PRIVILEGE

Mr. Amen: "I was presiding at the time that Representative Ehlers is commenting about. I did not hear Representative Heck start making any remarks whatsoever. I think I resent the implication that was being made by Representative Ehlers. I did not hear any remarks at all."

The motion to suspend the rules and advance Engrossed Senate Concurrent Resolution No. 143 as amended by the House to final passage was carried.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Concurrent Resolution No. 143 as amended by the House, and the resolution was adopted by the following vote: Yeas, 92; nays, 4; not voting, 2.

Voting yea: Representatives Addison, Armstrong, Barnes, Barr, Barrett, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Cole, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, Kaiser, King J., Kreidler, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Owen, Padden, Patrick, Pruitt, Rinehart, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Leonard, Prince, Struthers.

Not voting: Representatives Becker, King R.

Engrossed Senate Concurrent Resolution No. 143 as amended by the House, was declared adopted.

SIGNED BY THE SPEAKER

The Speaker announced he was signing:

SUBSTITUTE HOUSE BILL NO. 1156.

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 4603, by Committee on Ways and Means (originally sponsored by Senators Zimmerman, Fleming, Bottiger, Hemstad, Bauer, Benitz and Fuller – by Governor Spellman request):

Providing the means for the payment of public indebtedness on public improvements.

The bill was read the second time.

Committee on Revenue recommendation: Majority, do pass as amended. (For amendment, see Journal, 1st Day, 1st ex. sess., March 12, 1982.)

Mr. Greengo moved adoption of the committee amendment.

Mr. Addison moved adoption of the following amendments by Representatives Addison and Flanagan to the committee amendment:

On page 4, after line 12 strike all material down through "established." on line 18 and insert the following:

"(10) 'Tax allocation base' means the value of property within an apportionment district as established in section 9 of this act for tax allocation purposes."

On page 4, line 22 strike "10" and insert "11"

On page 12, beginning on line 1, strike "value of real property"

On page 12, beginning on line 13, strike "value of real property"

On page 12, beginning on line 29, strike all of subsection (2) and renumber the subsections consecutively

On page 14, after line 3, insert the following:

***NEW SECTION.** Sec. 9. The tax allocation base of an apportionment district shall be established as provided in this section:

(1) The initial tax allocation base shall be established by the assessor revaluing real property within the apportionment district as soon as practicable after the assessor receives notice of the public improvement ordinance. The initial tax allocation base shall be the true and fair value of the real property within the apportionment district for the year in which the apportionment district is established.

(2) During each subsequent year in which the assessor revalues real property within the apportionment district, in accordance with the assessor's plan under chapter 84.41 RCW, a new tax allocation base shall be calculated by the assessor. The new tax allocation base shall be equal to the existing tax allocation base multiplied by the sum of one plus seventy-five one-hundredths of the sum of the annual county-wide percentage changes in market value of locally assessed real property, excluding increased value resulting from new construction and improvements, since the existing tax allocation base was calculated.

(3) The department of revenue shall for each year following 1982 annually calculate the county-wide percentage change in market value of locally assessed real property for each county, excluding increased value resulting from new construction and improvements.

(4) The initial tax allocation base shall remain in effect until the tax allocation base is recalculated pursuant to subsection (2) of this section. Any recalculated tax allocation base shall remain in effect until subsequently recalculated pursuant to subsection (2) of this section.

(5) Nothing in this section authorizes revaluation of real property by the assessor for property taxation purposes that are not made in accordance with the assessor's revaluation plan under chapter 84.41 RCW."

Renumber the sections consecutively.

On page 17, beginning on line 27, strike "10 and 12 through 15" and insert "11 and 13 through 16"

On page 18, line 6, strike "8(4)" and insert "8(3)"

On page 19, beginning on line 24, strike "10 and 12 through 15" and insert "11 and 13 through 16"

Mr. Addison spoke in favor of the amendments.

Mr. Addison yielded to question by Mr. Barrett.

Mr. Barrett: "Representative Addison, as I read the language on line 12, page 3, where we figure what the tax allocation base shall be for the property in question, it says that we take the tax allocation base as of the day the project was most previously tax assessed, then it says to take the sum of one plus three-fourths of the county-wide percentage change. Let's assume the county-wide percentage increase is eight percent, so that would say we would take one plus six making the sum of seven; then we take seven times the tax allocation base. If the tax allocation base is \$100,000, does that mean that we take seven times that and give this property a \$700,000 tax base for next year?"

Mr. Addison: "Let me clarify how the bill works. If the county-wide inflation, just general inflation, not counting new construction, goes up by ten percent, then you would assume that the property values within the district are also increasing by ten percent, so that would raise the tax allocation base by ten percent. Let me clarify a bit further: The language says to take seventy-five one-hundredths of that change, and the philosophy behind that is these properties are supposed to be coming from a depressed area, the amendments make the assumption that their values are not raising at exactly the same rate as the county's, so what the amendment does, is you only take seventy-five percent of the increased value due to inflation. If there was a ten percent general increase in the county, you would take seventy-five percent of that or three-fourths."

Mr. Barrett: "I guess one of my problems is that it doesn't say anything about percentages in here. It says you add one and then take three-fourths of whatever the percentage. Let's say the percentage is eight, so three-fourths of that would be six. It says you take one plus six. It doesn't say anything about a percentage. It doesn't say one hundred six percent or one hundred four percent. It says the sum of one plus three-fourths and you multiply the allocation base by seven, not by one hundred seven percent. Is there an error in the drafting?"

Mr. Addison: "In your example where you say there's an eight percent general inflation rate, you would add one to, in essence, .06, so the inflated value would be one times 1.06, so it would be one hundred six percent."

Representatives Rust and Greengo spoke against the amendments.

The amendments to the committee amendment were not adopted.

Mr. Greengo moved adoption of the following amendment by Representatives Greengo, Rinehart and Bond to the committee amendment:

On page 14, after line 24 insert a new section to read as follows:

"NEW SECTION. Sec. 10. GENERAL OBLIGATION BONDS. General obligation bonds which are issued to finance public facilities that are specified in the public improvement ordinance, and for which part or all of the principal or interest is paid by tax allocation revenues, shall be subject to the following requirements:

(1) The intent to issue such bonds and the maximum amount which the sponsor contemplates issuing are specified in the public improvement ordinance; and

(2) A statement of the intent of the sponsor to issue such bonds is included in all notices required by sections 5 and 6 of this act.

In addition, the ordinance or resolution authorizing the issuance of such general obligation bonds shall be subject to potential referendum approval by the voters of the issuing entity when the bonds are part of the nonvoter approved indebtedness limitation established pursuant to RCW 39.36.020. If the voters of the county or city issuing such bonds otherwise possess the general power of referendum on county or city matters, the ordinance or resolution shall be subject to that procedure. If the voters of the county or city issuing such bonds do not otherwise possess the general power of referendum on county or city matters, the referendum shall conform to the requirements and procedures for referendum petitions provided for code cities in RCW 35A.11.100."

Remember the sections consecutively and correct internal references accordingly.

Mr. Greengo spoke in favor of the amendment, and Mr. Flanagan spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Lux.

Mr. Lux: "Representative Greengo, is it true that the limit in the local areas where you're going to have councilmatic bonds, is based on three-fourths of a percent of the total valuation, that you can do that without a vote of the people, and now you are saying here that it would—where would these bonds fall—in the first limitation or the second limitation?"

Mr. Greengo: "Representative Lux, I cannot, off the top of my head, tell you what the limits are of putting out GO bonds without a vote of the people, but what this amendment says is that even if you are under that limit, so that you'd normally not have to have a vote of the people—you could have something like councilmatic bonds—even if you are under those conditions. If these bonds are to support that particular development, they must be made a part of the package from the beginning, and you must notify and it must be in all of the publicity and it is subject to the initiative process, if they want to have a vote."

Mr. Lux spoke against the amendment, and Mr. Flanagan again opposed it.

ROLL CALL

MESSAGE FROM THE SENATE

March 30, 1982

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 4675, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

REPORT OF FREE CONFERENCE COMMITTEE

March 26, 1982

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 4675, modifying the funding method for pupil transportation, have had the same under consideration, and we recommend that the House amendment not be adopted and the following amendment be adopted:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 7, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.162 are each amended to read as follows:

In addition to those state funds provided to school districts for basic education, the legislature shall appropriate funds for pupil transportation, in accordance with ((RCW 28A.41.160)) this chapter, and for programs for handicapped students, in accordance with chapter 28A.13 RCW. The legislature may appropriate funds to be distributed to school districts for population factors such as urban costs, enrollment fluctuations and for special programs, including but not limited to, vocational-technical institutes, compensatory programs, bilingual education, urban, rural, racial and disadvantaged programs, programs for gifted students, and other special programs.

Sec. 2. Section 4, chapter 265, Laws of 1981 and RCW 28A.41.520 are each amended to read as follows:

Each district's annual student transportation allocation shall be based on differential rates determined by the superintendent of public instruction in the following manner:

(1) The superintendent shall annually calculate a standard student mile allocation rate for each district. 'Standard student mile allocation rate,' as used in this ((section)) chapter, means the per mile allocation rate for transporting an eligible student. The standard student mile allocation rate may consist of no more than ((five)) eight differential rates state-wide, as determined by the superintendent, and shall include but not be limited to such factors as climate and terrain; restricted passenger load; nonpassenger miles; and the costs of insurance, district or contracted employee salaries, and benefits, maintenance, fuel, supplies, and materials to the extent that they are not under the direct control of the district. The standard student mile allocation rate shall be used to determine the transportation allocation for those services provided for in RCW 28A.41.505(1).

(2) The superintendent shall annually calculate a standard unit mile rate for each district. 'Standard unit mile rate,' as used in this section, means the cost of operating an approved transportation vehicle for one mile. The standard unit mile rate may consist of no more than ((five)) eight differential rates state-wide, as determined by the superintendent, and shall be based on the factors used in subsection (1) of this section. The standard unit mile rate shall be used to determine the transportation allocation for those services provided for in RCW 28A.41.505(2) and (3). For purposes of allocating funds for RCW 28A.41.505(2), the superintendent shall use the average number of miles reported by the district for the two school years, excluding field trips.

(3) Prior to June 1st of each year the superintendent shall submit to the office of financial management, and the committees on education and ways and means of the senate and house of representatives a report

outlining the methodology and rationale used in determining the student mile and unit mile rates to be used the following year.

Sec. 3. Section 5, chapter 265, Laws of 1981 and RCW 28A.41.525 are each amended to read as follows:

The superintendent shall determine the preliminary, estimated student transportation allocation for each district and notify districts of their preliminary student transportation allocation by June 15. ~~(The superintendent shall include not less than twenty-five percent of the estimated student transportation allocation in the following September apportionment payment to school districts.)~~ By the following October 15th, every district shall notify the superintendent of any changes in the data utilized in calculating the preliminary student transportation allocation. The superintendent shall then make necessary corrections and shall notify districts of their final student transportation allocation before the following December 1st ~~(and shall make the balance of the student transportation allocation in approximately equal parts as a part of the December, February, and April apportionment payments to school districts)~~. If the number of eligible students in a school district changes ten percent or more from the final October 15 number, and the change is maintained for a period of twenty consecutive school days or more, the district may submit revised eligible student data to the superintendent of public instruction. The superintendent shall, to the extent funds are available, recalculate the district's allocation for the transportation of pupils to and from school.

The superintendent shall make the student transportation allocation in accordance with the apportionment payment schedule in RCW 28A.48.010, as now or hereafter amended. For the 1982-83 school year, no school district shall receive a reduction or increase in funds of over three percent of what it received the previous year as adjusted to its proportional share of funds appropriated by the legislature for 1982-83 transportation services.

NEW SECTION. Sec. 4. The superintendent of public instruction shall submit a report to the legislature which shall:

(1) Identify the factors that will be used to recognize cost differentials between districts, and the data elements that will be used to measure the factors that contribute to these cost differentials;

(2) Collect the appropriate financial and workload data necessary to measure cost differentials between districts;

(3) Describe and analyze the differential rates associated with the standard student mile allocation under the eligibility formula along with an analysis of each school district's eligibility for a differential rate. The rationale for choosing specific rates and the procedures used in evaluating district requests for differential rates shall also be included;

(4) Compare and analyze the difference in costs of changing the 'eligible student' definition in RCW 28A.41.510 to include only those students whose residence or assigned route stop is more than one and one-half miles from the student's school, while still excepting handicapped students;

(5) Present a method of measuring potential ridership of eligible students within the formula utilizing factors which account for the variations associated with student demand on the district's transportation system;

(6) Compare the distribution of pupil transportation resources utilizing eligible student data, eligible student data modified by the student demand factor specified in (5) above, and eligible students actually transported plus ten percent, with an analysis of the fiscal and program implications of each distribution method; and

(7) Present options for a continued phase-in of the eligible student allocation formula, with a description of the fiscal impact on school districts.

The report shall be submitted to the senate and house committees on education no later than December 15, 1982.

All data collected by the superintendent and requested by the committees on ways and means or education of the house or senate pertaining to the funding of pupil transportation shall be delivered to the legislative evaluation and accountability program (LEAP) as soon as possible in a machine readable form acceptable to the LEAP committee.

NEW SECTION. Sec. 5. Section 13, chapter 265, Laws of 1981 (uncodified) is hereby repealed.

NEW SECTION. Sec. 6. Sections 2 and 3 of this amendatory act shall take effect September 1, 1982.

SECOND READING

HOUSE BILL NO. 1196, by Representatives Maxie, Sprague, O'Brien, Johnson, Rinehart and Lux:

Establishing the anniversary of the birth of Martin Luther King, Jr., as a state holiday.

POINT OF ORDER

Mr. Hastings: "Mr. Speaker, is this within the cut-off resolution?"

SPEAKER'S RULING

The Speaker: "Engrossed Senate Concurrent Resolution No. 150 states that a special session shall be limited to the Washington Public Power Supply System; government reorganization; fiscal issues; bills referenced as being necessary to the implementation of the budget; bills in dispute in the 1982 regular session; Substitute Senate Bill No. 4609, the ferry labor legislation, and resolutions and matters relating to the operation of the legislature. House Bill 1196, which would designate Martin Luther King's birthday as a state holiday, does not appear to fit reasonably into any of the subject categories which may be considered under this resolution. The Speaker will rule that House Bill 1196 does not represent a government reorganization or any of the other permitted subjects and, therefore, in accordance with ESCR 150 which was adopted by this body and by the Senate, may not be properly considered. Your point is well taken, Representative Hastings."

The Speaker called on Mr. Amen to preside.

ENGROSSED SUBSTITUTE SENATE JOINT RESOLUTION NO. 143, by Committee on Local Government (originally sponsored by Senators Gallagher, Fleming, Bottiger, Zimmerman, Hemstad, Bauer and Benitz - by Governor Spellman request):

Ms. Galloway moved adoption of the following amendment to the committee amendment: On page 1, line 30 after "improvements" strike all material down through "areas" on line 31.

Representatives Galloway and O'Brien spoke in favor of the amendment to the amendment, and Representatives Greengo and Addison spoke against it.

Ms. Galloway spoke again in favor of the amendment.

The amendment to the committee amendment was not adopted.

Mr. Addison moved adoption of the following amendment by Representatives Addison, McDonald and Brown to the committee amendment:

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Flanagan and Addison to the Revenue Committee amendment to Engrossed Substitute Senate Joint Resolution No. 143, and the amendment to the amendment was not adopted by the following vote: Yeas, 31; nays, 58; not voting, 9.

Voting yea: Representatives Addison, Barr, Berleen, Bond, Brekke, Cantu, Clayton, Dawson, Dickie, Eberle, Fancher, Fiske, Flanagan, Hankins, Hastings, Isaacson, James, Johnson, Leonard, Lundquist, Lux, McDonald, McGinnis, North, Padden, Patrick, Sanders, Schmidt, Sherman, Smith, Tilly.

With the consent of the House, Mr. Greengo withdrew the amendment to the committee amendment.

Mr. Greengo moved adoption of the following amendment by Representatives Greengo and Flanagan to the committee amendment:

On page 3, line 14 beginning with "without" strike all matter down to and including "purpose" on line 18 and insert "unless a public hearing on the issue of such bonds is held prior to the time boundaries are created pursuant to this section. The notice for such a public hearing shall include: (1) A statement that the county, city or town must pledge its full faith and credit toward the payment of any general indebtedness which uses the funding mechanism contained in the section; (2) A statement that in the absence of sufficient revenues under this funding mechanism, the debt service must be made from then existing taxes or other revenues, which may result in an increase in taxes or reduction in existing programs; and (3) An estimate of the dollar amount of debt service on such bonds per year, and an estimate of the total principal and interest payments required for the full term of the bonds. The use of the funding mechanism contained in this section to pay principal and interest on general indebtedness, which is not required to be approved by the voters pursuant to Article VIII, section 6, shall be subject to potential referendum approval by simple majority vote of the voters of the county, city or town."

Mr. Greengo spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Erak.

Mr. Erak: "Representative Greengo, I understand what you are saying here all the way down to that potential referendum item and your definition of it. I've asked a couple of lawyers what a potential referendum is, and neither one of them gave me the description that you've given to us. If lay citizens or someone else were to pick this up, I don't think they could tell us exactly what a potential referendum is. That is the only section that I have a hang-up with. I don't think that's spelled out with clarity. Could you be more definite?"

Mr. Greengo: "Representative Erak, it refers to Article VIII of the Constitution, section 6, which, in my understanding, addresses the referendum procedure, and then the implementing statute which we worked yesterday, 4603, spells out the specific RCW section wherein if you have the initiative and referendum procedure in your local counties and cities, whatever the class is—and there is some variation there—then you use that. If you don't have that, you use the state authority, but in any case, you will have the availability to gather signatures to force a vote of the people on this particular issue before it goes into effect."

Mr. Erak spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. Greengo yielded to question by Ms. Leonard.

Ms. Leonard: "Representative Greengo, I read in this amendment that it says, '...shall be subject to potential referendum.' In your remarks you referred to an initiative, and an initiative process is very different from a referendum process. You are correct in that a referendum process allows thirty days to gather the signatures, but in first class cities, and those particularly with the initiative and referendum provided in their charters, an initiative has an unlimited amount of time in which to gather the signatures. Which are we really talking about here? Potential referendums or initiatives?"

Mr. Greengo: "In my talks with Mr. Lundin, my understanding is that it is a referendum process. A referendum can occur in two ways: Either the local governing authority can refer an issue to the voters; or the voters can petition the council by getting a certain number of signatures to submit it to a referendum. That's what I'm talking about."

Ms. Galloway spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Van Dyken.

Mr. Van Dyken: "Representative Greengo, as I read the amendment, it appears that in an effort to have a public hearing and public disclosure of the impact of general obligation bonds, you have required that a hearing on those bonds be held prior to the time that the boundaries are drawn. Is it your intent then that once the boundaries are drawn that unless a hearing on the general obligation bonds had been included prior to that time, there would be no obligation for the city to hold, at a later time, a hearing and submit general obligation bonds?"

Mr. Greengo: "My understanding is that when you first pass the enabling ordinance to do this, you would have to have in that ordinance the disclosure that you may want to use G.O. bonds so that when you hold your hearings and talk about boundaries, you talk about the financing methods, and you would also be discussing the fact that you might want to use G.O. bonds, and if you don't do all of that, I think it would be subject to court challenge."

Mr. Van Dyken: "Then I would interpret subparagraph (3) of your amendment, where it refers to an estimate of the dollar amount for the debt service on such general obligation bonds, that would be in a general and not a specific nature, since the specific amount of the general obligation bonds would not necessarily be known at that time?"

Mr. Greengo: "I think that's correct. This would have to be something that would develop as you developed the proposal and got it more refined so you could make more refined projections as to what it was going to cost."

Mr. Flanagan spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. O'Brien.

Mr. O'Brien: "Representative Flanagan, this full disclosure matter that you would like to pass and have passed as a constitutional amendment on your debt service obligations, whatever happened to those constitutional amendments in the Senate? Do they see it differently than we do?"

Mr. Flanagan: "No, I just didn't get over there and lobby it enough. I was told by one of the Senators that he had it taken care of, and so I didn't bother to look at the voter's pamphlet for a week, and then I woke up and found out that the bill was on the calendar but never passed. It went through all the committees, and the Rules Committee, but still didn't pass."

Representatives Hastings, Padden, Addison, Lux, McDonald and Leonard spoke against the amendment to the committee amendment, and Representatives Rust, Galloway, Van Dyken and Flanagan spoke in favor of it.

Mr. McDonald again opposed the amendment to the amendment, and Mr. Greengo spoke again in favor of it.

Mr. Struthers demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Greengo and Flanagan to the committee amendment to Engrossed Substitute Senate Joint Resolution No. 143, and the amendment to the amendment was adopted by the following vote: Yeas, 53; nays, 37; not voting, 8.

Voting yea: Representatives Amen, Armstrong, Barnes, Barr, Barrett, Becker, Bender, Bickham, Brown, Burns, Chamberlain, Clayton, Cole, Ehlers, Erak, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Heck, Hine, Johnson, King J., Kreidler, Lewis, Maxie, Mitchell, Nickell, Nisbet, O'Brien, Owen, Pruitt, Rinehart, Rosbach, Rust, Salatino, Scott, Smith, Stratton, Struthers, Taylor, Teutsch, Thompson, Tupper, Valle, Van Dyken, Vander Stoep, Wang, Williams, and Mr. Speaker.

Voting nay: Representatives Addison, Berleen, Bond, Brekke, Cantu, Dawson, Dickie, Eberle, Fancher, Grimm, Hankins, Hastings, Houchen, Isaacson, James, Kaiser, Leonard, Lundquist, Lux, Martinis, McCormick, McDonald, McGinnis, Nelson D., Nelson G. A., North, Padden, Patrick, Prince, Sanders, Schmidt, Sherman, Sprague, Tilly, Walk, Warnke, Wilson.

Not voting: Representatives Chandler, Ellis, Eng, Fiske, King R., Monohon, Sommers, Winsley.

The Speaker stated the question before the House to be the amendment by Representative Addison to page 2, line 2.

With the consent of the House, Mr. Addison moved adoption of the following amendment to replace the previous amendment:

On page 2, line 2 after "property" insert ", if such increases in value may reasonably be construed to have resulted from the specified public improvements."

Mr. Addison spoke in favor of the amendment to the committee amendment, and Ms. Galloway spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Addison to the committee amendment to Engrossed Substitute Senate Joint Resolution No. 143, and the amendment to the amendment was not adopted by the following vote: Yeas, 38; nays, 52; not voting, 8.

Voting yea: Representatives Addison, Becker, Berleen, Bond, Brekke, Cantu, Clayton, Dickie, Eberle, Fancher, Fiske, Flanagan, Hankins, Hastings, Houchen, Isaacson, James, Leonard, Lundquist, Lux, McDonald, McGinnis, Mitchell, Nelson D., Nelson G. Not voting: Representatives Barr, Chandler, Ellis, Eng, King R., Monohon, Prince, Stratton.

The Clerk read the following amendment by Representative Galloway to the committee amendment:

On page 3, line 8 after "Article" strike all material down through "purpose" on line 18.

With the consent of the House, Ms. Galloway withdrew the amendment.

The Speaker (Mr. Amen presiding) stated the question before the House to be the committee amendment as amended.

Mr. Greengo spoke in favor of the amended amendment, and it was adopted.

The (~~(retirement board)~~) director on behalf of the retirement system is hereby authorized to accept gifts and bequests. Any funds that may come into the possession of the retirement system in such manner, or any funds which may be transferred from the employees' savings fund by reason of lack of claimant, or because of a surplus in any fund created by this chapter, or any other moneys the disposition of which is not otherwise provided for (~~(herein))~~), shall be credited to the income fund.

(~~(The board shall have sole discretion to determine the amount of interest to be credited to the employees' savings fund which will thereupon be credited as regular interest to the individual members' accounts. (2) Benefits under this chapter shall be payable to a spouse or ex-spouse to the extent expressly provided for in any court decree of dissolution or legal separation or in any court order or court-approved property settlement agreement incident to any court decree of dissolution or legal separation.

(3) Subsection (1) of this section shall not be deemed to prohibit a beneficiary of a retirement allowance from authorizing deductions therefrom for payment of premiums due on any group insurance policy or plan issued for the benefit of a group comprised of members of the Washington state patrol or other public employees of the state of Washington.

~~((Deductions made in the past from retirement benefits are hereby expressly recognized, ratified and affirmed. Future deductions may only be made in accordance with this section.))~~

NEW SECTION. Sec. 32. There is added to chapter 2.12 RCW a new section to read as follows:

(1) The right of any person to a retirement allowance or optional retirement allowance under the provisions of this chapter and all moneys and investments and income thereof are exempt from any state, county, municipal, or other local tax and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or the insolvency laws, or other processes of law whatsoever and shall be unassignable except as herein specifically provided.

(2) Benefits under this chapter shall be payable to a spouse or ex-spouse to the extent expressly provided for in any court decree of dissolution or legal separation or in any court order or court-approved property settlement agreement incident to any court decree of dissolution or legal separation.

(3) Subsection (1) of this section shall not be deemed to prohibit a beneficiary of a retirement allowance from authorizing deductions therefrom for payment of premiums due on any group insurance policy or plan issued for the benefit of a group comprised of public employees of the state of Washington.

(4) Deductions made in the past from retirement benefits are hereby expressly recognized, ratified, and affirmed. Future deductions may only be made in accordance with this section.

NEW SECTION. Sec. 33. There is added to chapter 41.50 RCW a new section to read as follows:

(1) Every employer participating in one or more of the retirement systems listed in RCW 41.50.030 shall fully cooperate in the administration of the systems in which its employees participate, including the distribution of information to employees, and shall accept and carry out all other duties as required by law, regulation, or administrative instruction.

(2) If an employee is entitled to retroactive service credit which was not previously established through no fault of the employee, or through an employer error which has caused a member's compensation or contributions to be understated or overstated so as to cause a loss to the retirement funds, the director may bill the employer for the loss, to include interest, if applicable. The employer contributions, with interest thereon, will be treated as if in fact the interest was part of the normal employer contribution and no distribution of interest received shall be required.

(3) Employer-paid employee contributions will not be credited to a member's account until the employer notifies the director in writing that the employer has been reimbursed by the employee or beneficiary for the payment. The employer shall have the right to collect from the employee the amount of the employee's obligation. Failure on the part of the employer to collect all or any part of the sums which may be due from the employee or beneficiary shall in no way cause the employer obligation for the total liability to be lessened.

The department of retirement systems shall make a review of each member employed by an employer being retired on and after July 1, 1982, and whose benefits are determined by RCW 41.40.185. The purpose of the review is to identify any retiree whose average compensation earnable for purposes of determining retirement benefits exceeds the average annual compensation during the two-year period immediately preceding the years used in computing retirement benefits by more than the percentage increase determined in subsection (1) of this section.

(1) For the retiree's average final compensation period, the basis for making the comparison required by this section shall be a percentage increase equal to one percentage point in excess of each of the average percentage general salary increases granted during such average final compensation period to all employees of that employer who are members of the retirement system under this chapter, adjusted for incremental increases for seniority and/or performance, and staff position changes.

(2) For all retirees identified in this section, the department shall calculate the increase in the basic retirement benefit which results from any increase in salary granted an employee in excess of the authorized salary increase. The department will then, utilizing tables developed by the state actuary, determine the extra pension cost attributable to exceeding such average and shall bill the retiree's employer, who shall remit the entire amount determined to the retirement system within thirty days, except that the director is empowered to omit billing for an amount less than fifty dollars.

(3) Any post-retirement increases resulting from the excess benefit identified in subsection (2) of this section shall be billed to the last employer as they occur on the basis set forth in subsection (2) of this section.

NEW SECTION. Sec. 35. There is hereby created a select committee which shall review the law enforcement officers' and fire fighters' (LEOFF) retirement system. The committee shall be made up of the following individuals: Four members of the Washington senate, two from each caucus, chosen by the president of the senate; four members of the house of representatives, two from each caucus, chosen by the speaker of the house; three members chosen by the governor, at least one of whom shall be a member of the LEOFF II system. (2) The contributions required under this section are payable and shall be deducted, as prescribed by the commissioner by rule, from the individual's wages by his or her employer and shall be held in trust by the employer for the commissioner until they are paid to the commissioner, in the manner prescribed by the commissioner by rule, for deposit in the unemployment compensation fund. These contributions are not subject to garnishment or attachment and are not considered assets of the employer for the purposes of liens, judgments, or bankruptcy proceedings. The contributions required under this section shall be collected from the employer in the manner provided under this title for employer contributions.

(3) Any employer who fails to make the deductions required under this section is liable to the commissioner for payment of the amount of the required contributions. Any employer who misappropriates or converts to his or her own use any funds held in trust under this section shall pay the amount misappropriated or converted, plus a penalty equal to five times that amount or twenty-five dollars, whichever is greater. Any amount required under this subsection shall be paid to the commissioner for deposit in the unemployment compensation fund.

(4) Employers shall maintain a record of the amount deducted from each employee's wages for contributions under this section and shall furnish a statement of the deductions to each employee at the times and in the manner the commissioner prescribes by rule. No deduction may be made from those wages paid to an employee during a calendar year which are in excess of the wages subject to contributions for that year under this section. If an employee in the employ of two or more employers earns wages totaling more than \$10,800 in calendar year 1982 or \$11,400 in calendar year 1983, or if an employer makes a deduction from an employee's wages in excess of the wages subject to contributions by the employee during a calendar year, the amount deducted in excess of that amount required by this section shall be refunded to the employee upon application under rules prescribed by the commissioner. An application for a refund under this section must be made during the calendar year after the calendar year in which the deductions are made.

(5) This section shall apply to wages paid on or after July 1, 1982, through December 31, 1983. In determining contributions payable under this section for July 1, 1982, through December 31, 1982, individuals shall be given credit as if contributions had been paid under this section on wages paid on or after January 1, 1982, through June 30, 1982.

If the amount in the unemployment compensation fund on any June 30th, after January 1, 1971, is less than four and one-half percent of total remuneration paid by all employers during the preceding calendar year and reported on or before the March 31st following such year, the amount of wages subject to tax shall increase on the January 1st next following by six hundred dollars: PROVIDED, That the amount of wages subject to tax in any calendar year shall not exceed eighty percent of the 'average annual wage' for the second preceding calendar year rounded to the next lower multiple of three hundred dollars.

In making computations under this section and RCW 50.29.010, wages paid based on services for employers making payments in lieu of contributions shall not be considered remuneration. Moneys paid from the fund, based on services performed for employers who make payments in lieu of contributions, which have not been reimbursed to the fund as of any June 30 shall be deemed an asset of the unemployment compensation fund, to the extent that such moneys exceed the amount of payments in lieu of contributions which the commissioner has previously determined to be uncollectible: PROVIDED, FURTHER, That the amount attributable to employment with the state shall also include interest as provided for in RCW 50.44.020.

Contributions shall become due and be paid by each employer to the treasurer for the unemployment compensation fund in accordance with such regulations as the commissioner may prescribe(;-and). Contributions required under this section shall not be deducted, in whole or in part, from the remuneration of individuals in employment of the employer. Any deduction in violation of the provisions of this section shall be unlawful.

In the payment of any contributions, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

NEW SECTION. Sec. 23. Sections 20, 21, and 22 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

The managing director's employment is terminable at the will of the executive board.

(7) ~~((Any executive board created under this section shall cease to function upon the initiation of regular operations of the nuclear power plant over which it has exercised construction management powers and duties. If the operating agency is constructing two or more nuclear power plants simultaneously, the executive board shall cease exercising all powers as to each plant as it becomes operational.))~~ Members of the executive board shall be immune from civil liability for mistakes and errors of judgment in the good faith

performance of acts within the scope of their official duties involving the exercise of judgment and discretion. This grant of immunity shall not be construed as modifying the liability of the operating agency.

The operating agency shall undertake the defense of and indemnify each executive board member made a party to any civil proceeding including any threatened, pending, or completed action, suit, or proceeding, whether civil, administrative, or investigative, by reason of the fact he or she is or was a member of the executive board, against judgments, penalties, fines, settlements, and reasonable expenses, actually incurred by him or her in connection with such proceeding if he or she had conducted himself or herself in good faith and reasonably believed his or her conduct to be in the best interest of the operating agency.

WHEREAS, Most retirees in the state's pension systems do not get automatic postretirement cost-of-living increases; and

WHEREAS, The dramatic increases in the cost of living in recent years have eroded the purchasing power of retirement allowances; and

WHEREAS, Increases in the cost of living have had significant impact on the purchasing power of long-time retirees in particular; and

WHEREAS, The anticipated report from the executive branch of government on the issue of postretirement increases has not been forthcoming;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Committee on Appropriations-General Government shall proceed with an immediate interim study regarding options for postretirement increases for retirees, costs involved, methods of funding, and any other pertinent information. POINT OF INQUIRY

Mr. Williams yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Williams, in reading through the resolution, I've noticed a lack of any mention of a question I had asked in Ways and Means Committee the other day. All of our retired citizens have had dramatic increases in the cost of living. Many of them are on fixed incomes, and I had asked about the feasibility of this study addressing the question of what special obligation does state government have to exstate employees that they do not have to other retired citizens, period? I notice that question is not covered in the resolution."

 Ladies and Gentlemen:

I have signed in its entirety SUBSTITUTE HOUSE BILL NO. 268, entitled "An Act Relating to motor vehicles." This bill requires the state to refuse to renew vehicle licenses until parking tickets on the vehicles have been paid.

Between now and July 1, 1984 — the effective date of the act — I encourage the legislature and the Department of Licensing to work together toward an efficient and adequately funded method of administering the program.

Respectfully submitted,

Mr. Van Dyken spoke again in favor of the amendment, and Mr. Taylor spoke against it.

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Mr. Ellis.

Mr. Ellis: "Representative Van Dyken, if your amendment hangs, how are those costs going to be paid?"

Mr. Van Dyken: "Representative Ellis, you pose an excellent question and part of the point of the amendment. If, as the proponents of the bill maintain, new development is good for the communities, then there isn't going to be any other indirect costs for that; all of the cost of the development will be paid for by the development. But if that is not true—if, indeed, there is a subsidy that's going to have to be paid in order to bring in that new development—all this says is that it's not going to be paid by the existing homeowners. If there are some fees in there—and everyone has been saying there really aren't costs associated with it—they had better figure out who is really going to pay for it. All this amendment says is who is not going to pay for it."

Mr. Nelson (G) spoke against the amendment.

The amendment was not adopted.

Substitute House Bill No. 312 was ordered engrossed and passed to Committee on Rules for third reading.

RESOLUTION

HOUSE RESOLUTION NO. 82-174, by Representatives Tilly and Ehlers:

WHEREAS, Washington State is in a fiscal crisis equal to or greater than any faced before; and

WHEREAS, All state agencies have been severely cut back and required to use remaining funds and human resources in the most prudent and efficient manner possible; and

WHEREAS, The number of employees in the Washington State Parks and Recreation Commission maintaining the 102 state parks has steadily declined, reducing important protec- tions and services to a growing number of families who find camping their only affordable rec- reation; and

WHEREAS, The Washington State Parks and Recreation Commission has recently approved a resolution which purports to increase efficiency by eliminating local level district supervisors and creating two new regional headquarters in addition to the three now existing; and

WHEREAS, The proposed elimination of district supervisors and creation of more regional managers, assistant managers and other office staff has resulted in a deterioration of morale as evidenced by a recent overwhelming no-confidence vote; and

WHEREAS, The proposed reorganization would result in increased bureaucracy and additional costs by adding regional directors, assistant directors and office staff, while decreas- ing the number of uniformed on-site personnel;

NOW, THEREFORE, BE IT RESOLVED, That the Director and members of the Washington State Parks and Recreation Commission be hereby admonished to discontinue plans for increasing the number of administrative personnel and instead make every effort to maintain or improve the level of services at on-site park locations; and

BE IT FURTHER RESOLVED, That the Governor be requested to investigate the proposed reorganization as well as the management performance of the Parks and Recreation Commission and take whatever action is needed to correct the problem; and

BE IT FURTHER RESOLVED, That the Washington State Parks and Recreation Commission be directed to report to the House Natural Resources and Environmental Affairs Committee within sixty days with full details on the proposed reorganization and justification, after the House Natural Resources and Environmental Affairs Committee has received the reports from the Parks Commission and after the Governor has had sufficient time to complete his investigation, and if either find cause not to implement such reorganization, then the Parks and Recreation Commission shall take no action to implement such reorganization.

Mr. Tilly moved adoption of the resolution.

POINT OF INQUIRY

Mr. Tilly yielded to question by Ms. Stratton.

Ms. Stratton: "Representative Tilly, is this going to start a precedent in our having other commissions having to do the same thing? What kind of a bottleneck in processing are we going to have down the road?"

Mr. Tilly: "Representative Stratton, it really depends on each particular member, I think, and our body and the body on the other side of the rotunda, as to how strongly we feel or how strongly we question what a commission is doing. This is strictly a request of this legislative body that the commission respond to our question. There's no precedent, except this legislature, in its budget, is taking the strong action of eliminating the regional offices of DSHS, which, I believe, is about \$1.9 million savings."

House Resolution No. 82-174 was adopted.

Representative King (J) appeared at the bar of the House.

NOTICE OF RECONSIDERATION

Mr. Ehlers, having voted on the prevailing side, served notice that he would, on the next working day, move for reconsideration of the vote by which House Resolution No. 82-174 was adopted.

On motion of Mr. Nelson (G), the House adjourned until 9:00 a.m., Monday, April 5, 1982.

NEW SECTION. Sec. 2. 'Eligible members' means members of the retirement system as established by chapter 41.32 RCW who are employed by an employer on the effective date of this act.

NEW SECTION. Sec. 3. (1) From the effective date of this act through November 30, 1982, eligible members of the retirement system may elect special early retirement, such retirement to be effective no later than January 1, 1983, under the following conditions:

Any eligible member who (a) has attained the age of fifty-five years, with at least five years creditable service, or (b) has at least twenty-five years creditable service, is eligible to retire, and receive a combined pension and annuity service retirement allowance which shall be equal to two percent of the member's average final compensation multiplied by the total years of creditable service established with the retirement system to a maximum of sixty percent of such average earnable compensation. The director of the department of retirement systems shall establish contribution rates pursuant to chapter 41.40 RCW consistent with this section: **PROVIDED**, That the director may establish contribution rates for political subdivisions which include an allowance for the cost of any post-retirement adjustment granted in the 1981 regular session of the legislature under chapter 41.40 RCW.

MOTION

On motion of Mr. Williams, the House concurred in the Senate amendments to Engrossed Substitute House Bill No. 1226.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker declared the question before the House to be the final passage of Engrossed Substitute House Bill No. 1226 as amended by the Senate.

Mr. Hastings demanded an oral roll call vote and the demand was sustained.

Mr. Williams spoke in favor of passage of the bill, and Mr. Heck spoke against it.

POINT OF INQUIRY

Mr. Williams yielded to question by Mr. Kreidler.

Mr. Kreidler: "Representative Williams, as I take a look at this bill as it has come over from the Senate, it appears to call for a number of things to be developed. It's going to entail a significant amount of work in the Department of Personnel, yet I haven't seen a fiscal note. Could you give us some indication of what this measure is going to cost?"

Mr. Williams: "No, I can't, Representative Kreidler. I can't tell you how much this will save by having great productivity in state government. I estimate it will save us millions of dollars, but as you know, in referring to House Bill 124, which we just approved, it depends upon your persuasion because each person who looks at it will say a greater number of people will take advantage of the system. It's the same with this. We're not sure how much productivity will increase, but we do know that we can increase productivity in state government. A minor savings in productivity increase translates into millions of dollars for the state."

Mr. Kreidler spoke against passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1226 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 50; nays, 43; not voting, 5.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Greengo, Hankins, Hastings, Houchen, Isaacson, James, Lewis, Lundquist, McDonald, McGinnis, Mitchell, Nelson G.

A., Nickell, Nisbet, Padden, Prince, Rosbach, Sanders, Schmidt, Smith, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vander Stoep, Williams, Wilson, and Mr. Speaker.

Voting nay: Representatives Armstrong, Becker, Bender, Brekke, Burns, Cole, Ehlers, Eng, Erak, Gallagher, Galloway, Garrett, Garson, Granlund, Grimm, Heck, Hine, Johnson, Kaiser, King J., King R., Kreidler, Leonard, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., O'Brien, Owen, Patrick, Pruitt, Rinehart, Rust, Scott, Sherman, Sommers, Stratton, Thompson, Valle, Walk, Warnke.

Not voting: Representatives Brown, North, Salatino, Wang, Winsley.

Engrossed Substitute House Bill No. 1226 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

They would reflect it to the extent that this budget revision will not substantially change any of these numbers, and, in your words, this budget revision is downward by \$150 million, and reflects those factors at work. This budget revision will not change the overall negative decline of state budget from the last biennium to this biennium."

Mr. Ehlers: "Representative Williams, I don't understand, and I've been a supporter of pension reform myself and have had the opportunity to vote for that, and I am also concerned about the state system and the local system. I missed your point on why you believe that the state should interfere with what is a local system. As a believer in local control, why should we do this?"

Mr. Williams: "The founding fathers of the state of Washington vested the powers of local government to the state legislature, and the local governments have those powers expressly delegated to them by the state. One of the major issues in the state at the present time in cities, counties, PUD's, is the fact of stability. One of the things happening across the state is that elected officials and elected city councils are passing off benefits and not telling the voters what the costs will be. They are not computing the actuarial values; they are not fully funding the pension systems. Then they are coming before the legislature and saying that they are poor and they need additional taxes. We're finding this, not only in our state pension systems, but also, as you will see in later amendments, we're finding out where small agencies in the state are passing off pension benefits and hoping the state will pick up the tab. I'm sure you're familiar with the 1970-71 time frame when the state of Washington inherited the State

Law Enforcement and Firefighters' Retirement System, and with that we inherited a mammoth debt. The same thing could happen to Tacoma's system, the Seattle system, et cetera."

Representatives Ehlers and Armstrong spoke in favor of the amendment, and Mr. Greengo spoke against it.

On page 2, after line 27 insert the following:

NEW SECTION. Sec. 3. It is the intent of this chapter to provide an incentive for state personnel to effect a savings in the operation of state government by curtailing the practice of expending all appropriated funds when such expenditures are unnecessary for the operation of the agency. To end this wasteful practice, the legislature intends to provide for the payment of cash bonus awards to employees whose actions enable the agency to control spending during the last quarter of each biennium and thereby revert part of its appropriation to the general fund.

NEW SECTION. Sec. 4. As used in this chapter, 'agency' means every department, board, commission, and agency of the executive branch of state government to which funds are appropriated by the legislature.

NEW SECTION. Sec. 5. By October 1 of each even-numbered year, each agency shall have adopted a program to prevent disproportionate spending during the last quarter of the biennium. The agency shall provide the director of financial management with a copy of its program. The director of financial management shall compile such programs and make them available for public inspection.

NEW SECTION. Sec. 6. Any executive head of an agency may apply for a bonus award under this chapter by submitting an application to the governor during the month of August next following the end of the biennium for which the award is sought. The application shall be on forms prescribed by the governor and shall include the amount of the savings and the employees for which the cash bonus is being requested.

NEW SECTION. Sec. 7. The governor shall pay a bonus, from funds appropriated therefor, to each agency from which funds were reverted to the general fund for the previous biennium if the executive head of the agency can establish, to the governor's satisfaction, that the agency did revert the funds due to its efforts to implement its program adopted under section 5 of this act.

The governor shall prescribe the amount of the bonus and, in consultation with the executive agency head, the distribution to those employees who made the key decisions which resulted in the savings. The total amount of the bonus shall not exceed ten percent of the funds which reverted to the general fund from the agency for the biennium or twenty-five thousand dollars, whichever is less. The funds shall not be distributed to more than fifteen employees or ten percent of the agency's average number of full time equivalent employees during the last fiscal year, whichever is less. (4) A prior service pension which shall be equal to one-seventieth of his average final compensation for each year or fraction of a year of prior service not to exceed thirty years credited to his service accounts. In no event shall any original member upon retirement at age seventy with ten or more years of service credit receive less than nine hundred dollars per annum as a retirement allowance, nor shall any member upon retirement at any age receive a retirement allowance of less than nine hundred dollars per annum if such member has twelve or more years of service credit, or less than one thousand and two hundred dollars per annum if such member has sixteen or more years of service credit, or less than one thousand five hundred and sixty dollars per annum if such member has twenty or more years of service credit. (5) Notwithstanding the provisions of subsections (1) through (4) of this section, the retirement allowance payable for service where a member was elected or appointed pursuant to Articles II or III of the Constitution of the state of Washington or RCW 48.02.010 and the implementing statutes shall be a combined pension and annuity. Said retirement allowance shall be equal to three percent of the average final compensation for each year of such service; PROVIDED, That average final compensation under this subsection applies to or includes only compensation earned during the member's period of service in positions established under Articles II or III of the state Constitution or RCW 48.02.010. Option IA. A member electing this option shall receive a retirement allowance payable throughout his life only with termination at death, which shall be computed as provided for in subsections (1) through (4) or (5) of this section.

Option I. If he dies before the total of the annuity portions of the retirement allowance paid to him equals the amount of his accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the retirement board, or if there be no such designated person or persons, still living at the time of his death, then to his surviving spouse, or if there be neither such designated person or persons still living at the time of his death nor a surviving spouse, then to his legal representative; or

Option II. Upon his death his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the retirement board at the time of his retirement. Unless payment shall be made under RCW 41.40.270, option II shall automatically be given effect as if selected for the benefit of the surviving spouse upon the death in service, or while on authorized leave of absence for a period not to exceed one hundred and twenty days from the date of payroll separation, of any member who is qualified for a service retirement allowance or has completed ten years of service at the time of death, except that if the member is not then qualified for a service retirement allowance, such option II benefit shall be based upon the actuarial equivalent of the sum necessary to pay the accrued regular retirement allowance commencing when the deceased member would have first qualified for a service retirement allowance; or

Option III. Upon his death, one-half of his reduced retirement allowance shall be continued throughout the life of and paid to such person, having an insurable interest in his life, as he shall have nominated by written designation duly executed and filed with the retirement board at the time of his retirement."

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.020(5), 82.44.030, and 82.44.070, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund except taxes collected under RCW 82.44.020(5). A sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth; a sum equal to seventy percent of all motor vehicle excise tax receipts, except taxes collected under RCW 82.44.020(5), shall be allocable to the state school equalization fund and credited and transferred each year in the following order of priority:

(b) Any remaining amounts in the state school equalization fund from the motor vehicle excise taxes not required for debt service on the above bond issues shall be transferred and credited to the general fund.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state ratably, on the basis of the population as last determined by the office of financial management.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

For the purposes of this section the consideration received by an insurer for the granting of an annuity shall not be deemed to be a premium.

(2) In the case of insurers which require the payment by their policyholders at the inception of their policies of the entire premium thereon in the form of premiums or premium deposits which are the same in amount, based on the character of the risks, regardless of the length of term for which such policies are written, such tax shall be in the amount of two percent of the gross amount of such premiums and premium deposits upon policies on risks resident, located, or to be performed in this state, in force as of the thirty-first day of December next preceding, less the unused or unabsorbed portion of such premiums and premium deposits computed at the average rate thereof actually paid or credited to policyholders or applied in part payment of any renewal premiums or premium deposits on one-year policies expiring during such year.

In the case of insurers issuing participating contracts, such gross underwriting profit shall not include, for computation of the tax prescribed by this subsection, the amounts refunded, or paid as participation dividends, by such insurers to the holders of such contracts.

When tangible personal property is rented or leased under circumstances that the consideration paid does not represent a reasonable rental for the use of the articles so rented or leased, the 'selling price' shall be determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules as the department of revenue may prescribe;

(2) 'Seller' means every person making sales at retail or retail sales to a buyer or consumer, whether as agent, broker, or principal;

The term includes, in addition to the consideration paid or given or contracted to be paid or given, the amount of any tariff or duty paid with respect to the importation of the article used. In case the article used is acquired by lease or by gift or is extracted, produced, or manufactured by the person using the same or is sold under conditions wherein the purchase price does not represent the true value thereof, the value of the article used shall be determined as nearly as possible according to the retail selling price at place of use of similar products of like quality and character under such rules and regulations as the department of revenue may prescribe.

In case the articles used are acquired by bailment, the value of the use of the articles so used shall be in an amount representing a reasonable rental for the use of the articles so bailed, determined as nearly as possible according to the value of such use at the places of use of similar products of like quality and character under such rules and regulations as the department of revenue may prescribe: PROVIDED, That in case any such articles of tangible personal property are used in respect to the construction, repairing, decorating, or improving of, and which become or are to become an ingredient or component of, new or existing buildings or other structures under, upon, or above real property of or for the United States, any instrumentality thereof, or a county or city housing authority created pursuant to chapter 35.82 RCW, including the installing or attaching of any such articles therein or thereto, whether or not such personal property becomes a part of the realty by virtue of installation, then the value of the use of such articles so used shall be determined according to the retail selling price of such articles, or in the absence of such a selling price, as nearly as possible according to the retail selling price at place of use of similar products of like quality and character or, in the absence of either of these selling price measures, such value may be determined upon a cost basis, in any event under such rules and regulations as the department of revenue may prescribe.

In the case of articles manufactured or produced by the user and used in the manufacture or production of products sold or to be sold to the department of defense of the United States, the value of the articles used shall be determined according to the value of the ingredients of such articles.

(2) 'Use,' 'used,' 'using,' or 'put to use' shall have their ordinary meaning, and shall mean the first act within this state by which the taxpayer takes or assumes dominion or control over the article of tangible personal property (as a consumer), and include installation, storage, withdrawal from storage, or any other act preparatory to subsequent actual use or consumption within this state;

(3) 'Taxpayer' and 'purchaser' include all persons included within the meaning of the word 'buyer' and the word 'consumer' as defined in chapters 82.04 and 82.08 RCW;

(5) The meaning ascribed to words and phrases in chapters 82.04 and 82.08 RCW, insofar as applicable, shall have full force and effect with respect to taxes imposed under the provisions of this chapter. REPORT OF FREE CONFERENCE COMMITTEE

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 3783, authorizing the physical revaluation of property every six years if statistical adjustments are made, have had the same under consideration and we recommend the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 84.41.030, chapter 15, Laws of 1961 as amended by section 6, chapter 288, Laws of 1971 ex. sess. and RCW 84.41.030 are each amended to read as follows:

Each county assessor shall maintain an active and systematic program of revaluation on a continuous basis, and shall establish a revaluation schedule which will result in revaluation of all taxable real property within the county at least once each four years and physical inspection of all taxable real property within the county at least once each six years.

Sec. 2. Section 2, chapter 131, Laws of 1974 ex. sess. as amended by section 9, chapter 214, Laws of 1979 ex. sess. and RCW 84.41.041 are each amended to read as follows:

Each county assessor shall cause taxable real property to be physically inspected and valued at least once every (~~four~~) six years in accordance with RCW 84.41.030, and in accordance with a plan filed with and approved by the department of revenue. Such revaluation plan shall provide that a reasonable portion of all taxable real property within a county shall be revalued and these newly-determined values placed on the assessment rolls each year. If the revaluation plan provides for physical inspection at least once each four years, during the intervals between each physical inspection of real property, the valuation of such property may be adjusted to its current true and fair value, such adjustments to be based upon appropriate statistical data. If the revaluation plan provides for physical inspection less frequently than once each four years, during the intervals between each physical inspection of real property, the valuation of such property shall be

adjusted to its current true and fair value, such adjustments to be made once each year and to be based upon appropriate statistical data.

The assessor may require property owners to submit pertinent data respecting taxable property in their control including data respecting any sale or purchase of said property within the past five years, the cost and characteristics of any improvement on the property and other facts necessary for appraisal of the property.

Sec. 3. Section 84.41.090, chapter 15, Laws of 1961 as amended by section 200, chapter 278, Laws of 1975 1st ex. sess. and RCW 84.41.090 are each amended to read as follows:

The department of revenue shall make and publish such additional rules, regulations and guides which it determines are needed to supplement materials presently published by the department of revenue for the general guidance and assistance of county assessors. Each assessor is hereby directed and required to value property in accordance with the standards established by RCW 84.40.030 and in accordance with the applicable rules, regulations and valuation manuals published by the department of revenue.

Sec. 4. Section 36.21.080, chapter 4, Laws of 1963 as last amended by section 3, chapter 274, Laws of 1981 and RCW 36.21.080 are each amended to read as follows:

The assessed valuation of property under the provisions of RCW 36.21.040 through 36.21.080 shall be considered as of ~~((the April 30th immediately preceding the date that the property is placed on the assessment rolls))~~ July 31st of that year.

(2) If, on or before December 31 in any calendar year, any real or personal property placed upon the assessment roll of that year is destroyed in whole or in part, or is in an area that has been declared a disaster area by the governor and has been reduced in value by more than twenty percent as a result of a natural disaster, the true cash value of such property shall be reduced for that year by an amount determined as follows, without necessity of taxpayer application under chapter 84.70 RCW:

(a) First take the true cash value of such taxable property before destruction or reduction in value and deduct therefrom the true cash value of the remaining property after destruction or reduction in value.

(b) Then divide any amount remaining by twelve and multiply the quotient by the number of months or major fraction thereof remaining after the date of the destruction or reduction in value of the property.

The assessor shall on or before the 1st day of January of each year mail a notice to all such persons at their last known address that such statement and list is required, such notice to be accompanied by the form on which the statement or list is to be made: **PROVIDED**, That the notice mailed by the assessor to each taxpayer each year shall, if practicable, include the statement and list of personal property of the taxpayer for the preceding year. (1) The department of revenue shall annually, prior to the first Monday in August, determine (~~the~~) and submit to each assessor a preliminary indicated ratio for each county: PROVIDED, That the department shall establish rules and regulations pertinent to the determination of the indicated ratio, the indicated real property ratio and the indicated personal property ratio: PROVIDED FURTHER, That these rules and regulations may provide that data, as is necessary for said determination, which is available from the county assessor of any county and which has been audited as to its validity by the department, (~~may~~) shall be utilized by the department in determining the indicated ratio.

(2) To such extent as is reasonable, the department may define use classes of property for the purposes of determination of the indicated ratio. Such use classes may be defined with respect to property use and may include agricultural, open space, timber and forest lands.

(3) ~~The department shall review each county's preliminary ratio with the assessor, a landowner, or an owner of an intercounty public utility or private car company of that county, if requested by the assessor, a landowner, or an owner of an intercounty public utility or private car company of that county, respectively, between the first and third Mondays of August. Prior to equalization of assessments pursuant to RCW 84.48.080(~~~~-but no later than August 1st, the department shall submit its findings or preliminary findings to each of the county assessors allowing a reasonable time for review by the assessor)) and after the third Monday of August, the department shall certify to each county assessor the real and personal property ratio for that county.~~

(4) The department of revenue shall also examine procedures used by the assessor to assess real and personal property in the county, including calculations, use of prescribed value schedules, and efforts to locate all taxable property in the county. If any examination by the department discloses other than market value is being listed on the county assessment rolls of the county by the assessor and, after due notification by the department, is not corrected, the department of revenue shall, in accordance with rules adopted by the department, adjust the ratio of that type of property, which adjustment shall be used for determining the county's indicated ratio.

Sec. 8. Section 43, chapter 26, Laws of 1967 ex. sess. and RCW 82.03.140 are each amended to read as follows:

In all appeals over which the board has jurisdiction under RCW 82.03.130, a party taking an appeal may elect either a formal or an informal hearing, such election to be made according to rules of practice and procedure to be promulgated by the board: PROVIDED, HOWEVER, That nothing herein shall be construed to modify the provisions of RCW 82.03.190: AND PROVIDED FURTHER, That upon an appeal under RCW 82.03.130(5), the director of revenue may, within ten days from the date of its receipt of the notice of appeal, file with the clerk of the board notice of its intention that the hearing be held pursuant to chapter 34.04 RCW. In the event that appeals are taken from the same decision, order, or determination, as the case may be, by different parties and only one of such parties elects a formal hearing, a formal hearing shall be granted.

Sec. 9. Section 47, chapter 26, Laws of 1967 ex. sess. and RCW 82.03.180 are each amended to read as follows:

Judicial review of a decision of the board of tax appeals shall be de novo in accordance with the provisions of RCW 82.32.180 or 84.68.020 as applicable except when the decision has been rendered pursuant to a formal hearing elected under RCW 82.03.140 or 82.03.190, in which event judicial review may be obtained only pursuant to RCW 34.04.130 and 34.04.140: PROVIDED, HOWEVER, That nothing herein shall be construed to modify the rights of a taxpayer conferred by RCW 82.32.180 and 84.68.020 to sue for tax refunds: AND PROVIDED FURTHER, That no review from a decision made pursuant to RCW 82.03.130(1) may be obtained by a taxpayer unless within the petition period provided by RCW 34.04.130 the taxpayer shall have first paid in full the contested tax, together with all penalties and interest thereon, if any. The director of revenue shall have the same right of review from a decision made pursuant to RCW 82.03.130(1) as does a taxpayer; and the director of revenue and all parties to an appeal under RCW 82.03.130(5) shall have the right of review from a decision made pursuant to RCW 82.03.130(5).

NEW SECTION, Sec. 10. There is added to chapter 84.40 RCW a new section to read as follows:

For the purpose of assessment and valuation of all taxable property in each county, any real or personal property in each county shall be subject to visitation, investigation, examination, discovery, and listing at any reasonable time by the county assessor of the county or by any employee thereof designated for this purpose by the assessor.

In any case of refusal to such access, the assessor shall request assistance from the department of revenue which may invoke the power granted by chapter 84.08 RCW.

Sec. 11. Section 84.08.060, chapter 15, Laws of 1961 as amended by section 150, chapter 278, Laws of 1975 1st ex. sess. and RCW 84.08.060 are each amended to read as follows:

The department of revenue shall have power to direct and to order any county board of equalization to raise or lower the valuation of any taxable property, or to add any property to the assessment list, or to perform or complete any other duty required by statute. The department of revenue may require any such board of equalization to reconvene after its adjournment for the purpose of performing any order or requirement made by the department of revenue and may make such orders as it shall determine to be just and necessary. The department may require any county board of equalization to reconvene at any time for the purpose of performing or completing any duty or taking any action it might lawfully have performed or taken at any of its previous regular July, November or April meetings. If such board of equalization shall fail or refuse forthwith to comply with any such order or requirement of the department of revenue, the department of revenue shall have power to take any other appropriate action, or to make such correction or change in the assessment list, and such corrections and changes shall be a part of the record of the proceedings of the said board of equalization: **PROVIDED**, That in all cases where the department of revenue shall raise the valuation of any property or add property to the assessment list, it shall give notice either for the same time and in the same manner as is now required in like cases of county boards of equalization, or if it shall deem such method of giving notice impracticable it shall give notice by publication thereof in a newspaper of general circulation within the county in which the property affected is situated once each week for two consecutive weeks, and the department of revenue shall not proceed to raise such valuation or add such property to the assessment list until a period of five days shall have elapsed subsequent to the date of the last publication of such notice: **PROVIDED FURTHER**, That appeals to the board of tax appeals by any taxpayer or taxing unit concerning any action of the county board of equalization shall not raise the valuation of the property to an amount greater than the larger of either the valuation of the property by the county assessor or the valuation of the property assigned by the county board of equalization. Such notice shall give the legal description of each tract of land involved, or a general description in case of personal property; the tax record-owner thereof; the assessed value thereof determined by the county board of equalization in case the property is on the assessment roll; and the assessed value thereof as determined by the department of revenue and shall state that the department of revenue proposes to increase the assessed valuation of such property to the amount stated and to add such property to the assessment list at the assessed valuation stated. The necessary expense incurred by the department of revenue in making such reassessment and/or adding such property to the assessment list shall be borne by the county or township in which the property as reassessed and/or so added to the assessment list is situated and shall be paid out of the proper funds of such county upon the order of the department of revenue.

NEW SECTION. Sec. 12. Sections 1 through 5 of this act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Signed by Senators Craswell, Ridder, Newhouse; Representatives Greengo, Amen.

MOTION

Mr. Greengo moved that the Report of the Free Conference Committee be adopted.

Mr. Greengo spoke in favor of the motion.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Padden.

Mr. Padden: "Representative Greengo, on page 12, new section 10, there is language regarding the assessor's right to demand visitation on real property, and this body has previously shown quite a concern about units of government being able to go onto private or real property. Is this going to allow an assessor to demand to go onto a citizen's property and go into the house whether the citizen wants that or not?"

Mr. Greengo: "My understanding is that the answer is 'no.' The county assessor would have the same powers as the Department of Revenue, and no more."

Mr. Padden spoke against the motion to concur, and Ms. Sommers spoke in favor of it.

The motion was carried.

MOTION

On motion of Mr. Hastings, further consideration of the Free Conference Committee Report on Engrossed Substitute Senate bill No. 3783 was deferred, and the bill was placed on the third reading calendar.

On page 29, after line 36 insert the following:

NEW SECTION. Sec. 32. The legislature recognizes that tax preferences are enacted by the legislature to meet objectives which are determined to be in the public interest. The legislature finds, however, that some tax preferences may not be efficient or equitable tools for the achievement of current legislative objectives. The legislature finds that unless it can be demonstrated that the public interest is served by the continued existence of tax preferences, they should be terminated or modified. The legislature further finds that periodic evaluations of tax preferences are needed to determine if their continued existence is in the public interest.

It is the intent of the legislature to establish a mechanism for scheduling periodic evaluations of tax preferences together with a system for their termination, continuation, or modification. By this mechanism, the legislature intends to ensure that thorough periodic evaluations are made and that those tax preferences which do not continue to serve the public interest are terminated or modified.

NEW SECTION. Sec. 33. As used in this chapter, 'tax preference' means an exemption, exclusion, or deduction from the base of a state tax; a credit against a state tax; a deferral of a state tax; or a preferential state tax rate.

NEW SECTION. Sec. 34. The legislative budget committee shall review each tax preference for termination by the processes provided in this chapter. The review shall be completed and a report prepared on or before June 30th of the year prior to the date established for termination. Upon completion of its report, the legislative budget committee shall transmit copies of the report to the department of revenue. The department of revenue may then conduct its own review of the tax preference scheduled for termination and shall prepare a report on or before September 30th of the year prior to the date established for termination. Upon completion of its report the department of revenue shall transmit copies of its report to the legislative budget committee. The legislative budget committee shall prepare a final report that includes the reports of both the department of revenue and the legislative budget committee. The legislative budget committee and the department of revenue shall, upon request, make available to each other all working papers, studies, and other documents which relate to reports required under this section. The legislative budget committee shall transmit the final report to all members of the legislature, to the governor, and to the state library.

NEW SECTION. Sec. 35. In reviewing a tax preference, the legislative budget committee shall develop information needed by the legislature to determine if the tax preference should be terminated as scheduled, modified, or reestablished without modification. The legislative budget committee shall consider, but not be limited to, the following factors in the review.

- (1) The persons or organizations whose state tax liabilities are directly affected by the tax preference.
- (2) Legislative objectives that might provide a justification for the tax preference.
- (3) Evidence that the existence of the tax preference has contributed to the achievement of any of the objectives identified in subsection (2) of this section.
- (4) The extent to which continuation of the tax preference beyond its scheduled termination date might contribute to any of the objectives identified in subsection (2) of this section.
- (5) Fiscal impacts of the tax preference, including past impacts and expected future impacts if it is not terminated as scheduled.
- (6) The extent to which termination of the tax preference would affect the distribution of liability for payment of state taxes.

NEW SECTION. Sec. 36. (1) Following receipt of the final report from the legislative budget committee, the ways and means committees of the house of representatives and the senate shall jointly hold a public hearing to consider the final report and any related data. The committees shall also receive testimony from the governor, or the governor's designee, and other interested parties, including the general public.

(2) Following the joint hearing, the committees may separately hold additional meetings or hearings to come to a final determination as to whether a continuation, modification, or termination of a tax preference is in the public interest. If a committee determines that a tax preference should be continued or modified, it shall make the determination as a bill. No more than one tax preference shall be reestablished or modified in any one bill.

NEW SECTION. Sec. 37. The select joint committee established under RCW 43.131.120 shall be responsible for the development of legislation which provides a schedule for the termination of tax preferences in a manner consistent with the terms of this chapter. The termination of tax preferences shall occur over a period of four years, beginning on June 30, 1984. In the development of this legislation, the select joint committee shall identify tax preferences which might appropriately be scheduled for termination and arrange for automatic termination of tax preferences, with a reasonable number of tax preferences to be terminated on June 30, 1984, including appropriate tax exemptions identified as eligible for termination by the department of revenue in the study conducted pursuant to section 26(3), chapter 340, Laws of 1981 (uncodified), a reasonable number of tax preferences to be terminated on June 30, 1985, a reasonable number of tax preferences to be terminated on June 30, 1986, and a reasonable number of tax preferences to be terminated on June 30, 1987.

Proposed legislation, recommendations, and findings shall be submitted to the legislature as soon as is practicable, but no later than the first day the legislature is in session after January 1, 1983.

NEW SECTION. Sec. 38. On or before September 30, 1982, the department of revenue shall provide the select joint committee with a report on existing tax preferences. The report shall include a list of tax preferences and a description of each one. Upon request of the select joint committee, the department of revenue shall provide additional information needed by the select joint committee to meet its responsibilities under this chapter.

NEW SECTION. Sec. 39. Sections 32 through 38 of this act shall constitute a new chapter in Title 43 RCW."

Renumber the sections consecutively and correct internal references accordingly.

Representatives Ehlers and Greengo spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Amen.

Mr. Amen: "Representative Ehlers, on page 2, you have stated that the Legislative Budget Committee shall review each tax preference. What do you see in this? Is this a one-time study or what is the proposal on this? By when does it have to be done?"

Mr. Ehlers: "Representative Amen, this particular amendment is the subject of a bill which I have requested a hearing on for the last year on four different occasions. What it essentially calls for is a recommendation to be made to the legislature as soon as practical, but no later than January 1, 1983. That would be the recommendation, and then the workload would not come until much later than that. There are dates—if you look further into the bill—dealing with tax preferences in 1984, 1985 and 1987 and so forth, to distribute the workload over a larger period of time and also for the legislature to apply some criteria to the decision making. I believe the time-line in here could very easily fit into the workload of the Legislative Budget Committee. The gist of it is, much like the original Sunset legislation, that a recommendation would be made to the next legislature in bill form, and then the specific ones would be identified and passed by the next legislature."

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Dickie.

Mr. Dickie: "Representative Ehlers, I have been looking through this hurriedly, and I'm wondering if it might be construed to apply to examination of public employee contracts, and whether or not it would apply to federal income tax, as well as state?"

Mr. Ehlers: "No, I don't believe so. I think specifically, if you look at the RCW citations, it refers to specific tax exemptions, tax credits, given by the Washington State Legislature and not federal."

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Nisbet.

Mr. Nisbet: "Representative Sommers, I always feel more secure dealing with revenue matters when I've heard your viewpoints on a particular measure, especially one coming from the opposite side of the aisle. I see you have signed on this. Would you care to give the body the benefit of your remarks pertaining to this particular amendment?"

Ms. Sommers: "I think that this is the kind of review we need very badly. We need a thorough, analytical look at so many of the figures that have been made in the past, and I would hope you would support it. It doesn't wipe anything out; it says we're going to review them."

Mr. Nisbet spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Ms. Teutsch.

Ms. Teutsch: "Representative Ehlers, would the work of this group parallel or duplicate the work of the Tax Advisory Council? If not, what type of coordination would exist between these two groups that will be looking at many of the same issues?"

Mr. Ehlers: "I really don't know what the Tax Advisory Council is. It's probably one of a number of others that ought to come under some Sunset review. I'm not aware of it. Did we just create it?"

Ms. Teutsch: "It is a commission appointed by the Governor and currently has sixteen members that come from a cross-section of the state. We had an amendment here on the floor several days ago to reduce it to twelve and to have members from each caucus of the House to work and to look into revenue measures in the state."

Mr. Ehlers: "I would assume that they would, in fact, have an opportunity to make their recommendations for the various tax exemptions, loopholes, to be included in the recommendations to the legislature. This is similar to the Sunset process where a number of commissions and boards and the governor's office and AWB and everybody else, has an opportunity to submit a list and have some input into the list of what's before the legislature. So yes, I would encourage such an organization to be part of those recommendations to the legislature, just as I would suggest that they, of course, make use of the Department of Revenue study that lists all of the various exemptions."

Mr. Nelson (G) spoke in favor of the amendment to the amendment.

On motion of Mr. Nelson (G), the rules were suspended, to allow additional members to sign on the amendment to the amendment.

Representatives Sprague, Hankins, Smith, McDonald, Tilly, Addison and Nelson (G) signed onto the amendment to the amendment.

POINT OF PARLIAMENTARY INQUIRY

Mr. Chandler: "Mr. Speaker, I haven't had a chance to read this amendment, but on page 4, line 30, it says, 'If a committee determines that a tax preference should be continued or modified, it shall make the determination as a bill.' My question is: Does that language mean that if the committee does not determine that the tax should be continued, that absent preference and absence of a bill would mean the preference would no longer be in effect?"

The Speaker: "Representative Chandler, a state law cannot be repealed without a bill with a repealer clause."

Representatives Ehlers and Greengo again spoke in favor of the amendment to the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Ehlers and others to the Greengo amendment to Engrossed Senate Bill No. 4250, and the amendment to the amendment was adopted by the following vote: Yeas, 95; nays, 2; not voting, 1.

Voting yea: Representatives Addison, Amen, Armstrong, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brekke, Brown, Burns, Cantu, Chamberlain, Chandler, Clayton, Cole, Dawson, Dickie, Eberle, Ehlers, Ellis, Eng, Erak, Fiske, Flanagan, Gallagher, Galloway, Garrett, Garson, Granlund, Greengo, Grimm, Hankins, Hastings, Heck, Hine, Houchen, Isaacson, James, Johnson, Kaiser, King J., King R., Kreidler, Leonard, Lewis, Lundquist, Lux, Martinis, Maxie, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. A., Nickell, Nisbet, North, O'Brien, Owen, Patrick, Prince, Pruitt, Rinehart, Rosbach, Rust, Salatino, Sanders, Schmidt, Scott, Sherman, Smith, Sommers, Sprague, Stratton, Struthers, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Walk, Wang, Warnke, Williams, Wilson, and Mr. Speaker.

Voting nay: Representatives Fancher, Padden.

Not voting: Representative Winsley.

Mr. Lux moved adoption of the following amendments by Representatives Lux and Eng to the Greengo amendment:

On page 25, after line 6 strike all of sections 28 and 29.

Renumber the remaining sections consecutively and correct internal references accordingly.

On page 30, beginning on line 8 strike ", except sections 28 and 29 of this act which shall take effect May 1, 1982"

Representatives Lux, Sommers, Rust and Rinehart spoke in favor of the amendments to the amendment, and Representatives Prince, Taylor, Tilly, Struthers and McGinnis spoke against them.

Mr. Lux spoke again in favor of the amendments.

ROLL CALL

The Clerk called the roll on adoption of the amendments by Representatives Lux and Eng to the Greengo amendment to Engrossed Senate Bill No. 4250, and the amendments were not adopted by the following vote: Yeas, 26; nays, 70; not voting, 2.

Voting yea: Representatives Armstrong, Barnes, Becker, Brekke, Burns, Cole, Eng, Garrett, Granlund, Hine, King J., Kreidler, Lux, Maxie, Nelson D., North, Pruitt, Rinehart, Rust, Schmidt, Sherman, Sommers, Thompson, Valle, Van Dyken, Wang.

Voting nay: Representatives Addison, Amen, Barr, Barrett, Bender, Berleen, Bickham, Bond, Brown, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ehlers, Ellis, Erak, Fancher, Fiske,

On page 28, after line 18 strike all material down through line 36 on page 29 and insert the following:

*Sec. 30. Section 1, chapter 347, Laws of 1977 ex. sess. as last amended by section 1, chapter 148, Laws of 1981 and RCW 84.33.071 are each amended to read as follows:

(1) Upon every person engaging within this state in business as a harvester of timber; as to such persons the amount of tax imposed with respect to such business shall be equal to ((the stumpage value of timber harvested for sale or for commercial or industrial use multiplied by the appropriate rate as follows)):

(a) For timber harvested between October 1, 1974, and June 30, 1983, inclusive, the stumpage value of timber harvested for sale or for commercial or industrial use multiplied by six and one-half percent; plus

(b) For timber harvested between April 1, 1982, and June 30, 1983, inclusive, an additional tax equal to the rate specified in section 32 of this 1982 act multiplied by the tax payable under subsection (1)(a) of this section. To facilitate collection of this additional tax, the department of revenue is authorized to adjust the total tax rate under this section to the nearest one-tenth of one percent, adjusting one-hundredths equal to or greater than five one-hundredths to the greater tenth.

(2) For purposes of this section:

(a) 'Harvester' means every person who from his own privately owned land or from the privately owned land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services fells, cuts or takes timber for sale or for commercial or industrial use. It does not include persons performing under contract the necessary labor or mechanical services for a harvester.

(b) 'Timber' means forest trees, standing or down on privately owned land, and except as provided in RCW 84.33.170 includes Christmas trees.

(c) 'Stumpage value of timber' means the appropriate stumpage value shown on tables to be prepared by the department of revenue pursuant to subsection (3) of this section.

(d) Timber shall be considered harvested at the time when in the ordinary course of business the quantity thereof by species is first definitely determined. The amount harvested shall be determined by the Scribner Decimal C Scale or other prevalent measuring practice adjusted to arrive at substantially equivalent measurements, as approved by the department of revenue.

(3) The department of revenue shall designate areas containing timber having similar growing, harvesting and marketing conditions to be used as units for the preparation and application of stumpage values. Each year on or before December 31 for use the following January through June 30, and on or before June 30 for use the following July through December 31, the department shall prepare tables of stumpage values of each species or subclassification of timber within such units, which values shall be the amount that each such species or subclassification would sell for at a voluntary sale made in the ordinary course of business for purposes of immediate harvest. Such stumpage values, expressed in terms of a dollar amount per thousand board feet or other unit measure, shall be determined from (a) gross proceeds from sales on the stump of similar timber of like quality and character at similar locations, and in similar quantities, or from (b) gross proceeds from sales of logs adjusted to reflect only the portion of such proceeds attributable to value on the stump immediately prior to harvest, or from a combination of (a) and (b), and shall be determined in a manner which makes reasonable and adequate allowances for age, size, quality, costs of removal, accessibility to point of conversion, market conditions and all other relevant factors. Upon application from any person who plans to harvest damaged timber, the stumpage values for which have been materially reduced from the values shown in the applicable tables due to damage resulting from fire, blow down, ice storm, flood or other sudden unforeseen cause, the department shall revise such tables for any area in which such timber is located and shall specify any additional accounting or other requirements to be complied with in reporting and paying such tax. The preliminary area designations and stumpage value tables and any revisions thereof shall be subject to review by the ways and means committees of the house and senate prior to finalization. Tables of stumpage values shall be signed by the director or his designee and authenticated by the official seal of the department. A copy thereof shall be mailed to anyone who has submitted to the department a written request therefor.

(4) On or before the sixtieth day after the date of final adoption of any stumpage value tables, any harvester may appeal to the board of tax appeals for a revision of stumpage values for an area determined pursuant to subsection (3) of this section.

(5) There are hereby created in the state treasury a state timber tax account A and a state timber tax reserve account in the state general fund and any interest earned on the investment of cash balances shall be deposited in these accounts. The revenues from the tax imposed by subsection (1)(a) of this section shall be deposited in state timber tax account A and state timber tax reserve account as follows:

YEAR OF COLLECTION	ACCOUNT A	RESERVE ACCOUNT
1973 and thereafter	100%	0%

The revenues from the tax imposed by subsection (1)(b) of this section shall be deposited in the state general fund.

(6) The tax imposed under this section shall be computed with respect to timber harvested each calendar quarter and shall be due and payable in quarterly installments and remittance therefor shall be made on or before the last day of the month next succeeding the end of the quarterly period in which the tax accrued. The taxpayer on or before such date shall make out a return, upon such forms and setting forth such information as the department of revenue may require, showing the amount of the tax for which he is liable for the preceding quarterly period, and shall sign and transmit the same to the department of revenue, together with a remittance for such amount.

(7) The taxes imposed by this section shall be in addition to any taxes imposed upon the same persons pursuant to one or more of sections RCW 82.04.230 to 82.04.290, inclusive, and RCW 82.04.440, and none of such sections shall be construed to modify or interact with this section in any way, except RCW 82.04.450 and 82.04.490 shall not apply to the taxes imposed by this section.

(8) Any harvester incurring less than ten dollars tax liability under this section in any calendar quarter shall be excused from the payment of such tax, but may be required by the department of revenue to file a return even though no tax may be due.

NEW SECTION. Sec. 31. (1) At the end of the fiscal biennium beginning July 1, 1981, the state treasurer shall transfer from the general fund to the budget stabilization account created under RCW 43.88.525 an amount equal to the biennial revenue collections minus \$5,210,000,000.

(2) As used in this section, 'biennial revenue collections' means all revenues, penalties, and interest actually collected for credit to the fiscal biennium beginning July 1, 1981, for the taxes imposed under chapters 82.04, 82.08, 82.12, 82.16, 82.24, 82.26, and 82.45 RCW and RCW 28A.47.440, as amended by this act, and deposited with the state treasurer for credit to the general fund.

Mr. Nelson (D) moved that the rules be suspended, to allow the following amendment to the amendment to the Greengo amendment:

On page 2, line 16, and page 5, line 3 after "material," insert "caviar, pate, truffles, escargot,"

A division was called.

Voting yea: Representatives Addison, Armstrong, Becker, Bender, Brekke, Brown, Burns, Cole, Ehlers, Erak, Gallagher, Galloway, Garrett, Granlund, Grimm, Heck, Hine, Kaiser, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Padden, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Stratton, Thompson, Valle, Van Dyken, Walk, Wang, Warnke.

The Speaker stated the question before the House to be the amendment by Representatives Van Dyken and Galloway to the Greengo amendment.

Representatives Van Dyken and Greengo spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Mr. Nelson (D).

Mr. Nelson (D): Representative Van Dyken, you used the term 'essentials of life' in describing food that should not bear the sales tax. By your list, you seem to exclude a number of things—ice cream, snack foods, other so-called junk food—from that list that's essential to life. I wonder if you would include items like caviar, pate, truffles, escargot, frog legs, those kinds of items which are not very usual in most people's diets, yet under your amendment, I would assume, would still be exempt from taxation. Maybe I missed something; maybe they are taxable under your amendment, but could you clarify for me how the sales tax would apply on those items and whether or not they are essential for life?"

Mr. Van Dyken: "Representative Nelson, when drafting this amendment, we took those major categories which were generally high ticket items and which are generally considered not to be truly essential. It is not, by any means, intended to be an exclusive list identifying all those items which are not essential for life. If we did that, we would probably have an amendment that would not fit on our desks. It is intended to name those major categories."

Representatives Nelson (D), Taylor, O'Brien, Tilly and Owen spoke against the amendment to the amendment, and Representatives Greengo, Galloway and Lux spoke in favor of it.

Mr. Van Dyken spoke again in favor of the amendment to the amendment.

The amendment to the amendment was not adopted.

Mr. Amen moved adoption of the following amendments by Representatives Flanagan and Amen to the Greengo amendment:

On page 24, line 2 after "amount of" strike "ten" and insert "four"

On page 25, beginning on line 7 strike all material down through "Constitution." on page 30, line 13 and insert the following:

The Speaker declared the House recessed until 7:00 p.m.

EVENING SESSION

The House was called to order at 7:00 p.m. by the Speaker. The Clerk called the roll and all members were present.

On motion of Mr. Hastings, ENGROSSED SUBSTITUTE SENATE BILL NO. 3783 as amended by Free Conference Committee was placed at the top of the calendar for immediate consideration.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Addison.

Mr. Addison: "Representative Greengo, for the purpose of establishing legislative intent, on page 10, line 3 it states that if the Department of Revenue determines that 'other than market value is being listed on the county assessment roles of the county by the assessor, and if the assessor fails to take corrective action once notified, the Department of Revenue can adjust the ratio of that type of property.' Do you feel that such an adjustment could be made by the Department based on the determination that a single parcel or a few parcels are not at market value?"

Mr. Greengo: "Representative Addison, the answer to that is 'no.' Before the Department of Revenue could adjust the ratio of a type of property, the Department would have had to determine that the majority of the parcels in that category or type of property were improperly valued."

Ms. Leonard spoke against passage of the bill.

Representatives Amen and Thompson spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Amen yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Amen, you've indicated that you feel this will broaden the base and, in the compromise, you have added a sunset date at the end of the biennium. I wonder how that squares with the comments and recommendations of those banking representatives from New York and the representatives from Seattle who indicated that it would be four or five years until we could expect our state's credit rating to turn around and be increased. If we sunset at the end of the biennium, it would seem to me that we're telling them we're not serious about maintaining a broadened base long enough to see it be in place when that time limit of four or five years comes up."

Mr. Amen: "Representative Nelson, I think adding something like this certainly is a better indication to the bankers in New York and other places that we're trying to accomplish what they are asking for. Even with the sunset, I think it's preferable to a surtax. Again, I think it's a preference and I think it's a better one even for the banks. I would think they would look at it with more favor than the other."

Mr. Nelson (D): "Do you have any indication from any representatives of either New York or Washington that it is more favorable?"

Mr. Amen: "Only what was given to us when the bankers were here."

Mr. Nelson (G) spoke in favor of the amendment to the amendment.

POINT OF PARLIAMENTARY INQUIRY

Mr. King (R): "If I recall correctly, the amendment Representative Nelson is referring to was made to an amendment which has just been deferred and is in limbo out there, or was it made to the original bill?"

The Speaker: "It was made to the Greengo amendment, I believe, Representative King."

Mr. King (R): "Then the amendment we have before us now is an amendment to the Greengo amendment?"

The Speaker: "Yes, it is."

Mr. King (R): "So the Ehlers' amendment is there and if this amendment passes, the Ehlers' amendment will still be in the bill?"

The Speaker: "If the Greengo amendment is adopted as amended by the Amen amendment before us and by the Ehlers' amendment, then that's what we will be voting on on final passage."

Representatives King (R) and Lux spoke against the amendment to the amendment.

Mr. Brown demanded an electric roll call vote and the demand was sustained.

Mr. Nisbet spoke in favor of the amendment to the amendment, and Ms. Rinehart spoke against it.

(6) A material change, since issuance of the license with respect to any matters required to be considered by the director under section 36 of this act.

For the purpose of reviewing any application for a license and for considering the denial, suspension, or revocation of any license the gambling commission may consider any prior criminal conduct of the applicant or licensee and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.

NEW SECTION. Sec. 39. No right of any person to a prize drawn shall be assignable, except that payment of any prize drawn may be paid to the estate of a deceased prize winner, and except that any person pursuant to an appropriate judicial order may be paid the prize to which the winner is entitled. The commission and the director shall be discharged of all further liability upon payment of a prize pursuant to this section.

NEW SECTION. Sec. 40. A person shall not sell a ticket or share at a price greater than that fixed by rule of the commission. No person other than a licensed lottery sales agent shall sell lottery tickets, except that nothing in this section shall be construed to prevent any person from giving lottery tickets or shares to another as a gift.

Any person convicted of violating this section shall be guilty of a misdemeanor.

NEW SECTION. Sec. 41. A ticket or share shall not be sold to any person under the age of eighteen, but this shall not be deemed to prohibit the purchase of a ticket or share for the purpose of making a gift by a person eighteen years of age or older to a person less than that age. Any licensee who knowingly sells or offers to sell a lottery ticket or share to any person under the age of eighteen, and is convicted of such, shall be guilty of misdemeanor. In the event that a person under the age of eighteen years directly purchases a ticket in violation of this section, no prize will be paid and the prize money will be treated as unclaimed pursuant to section 18 of this act.

NEW SECTION. Sec. 42. A person shall not alter or forge a lottery ticket. A person shall not claim a lottery prize or share of a lottery prize by means of fraud, deceit, or misrepresentation. A person shall not conspire, aid, abet, or agree to aid another person or persons to claim a lottery prize or share of a lottery prize by means of fraud, deceit, or misrepresentation. Any person convicted of violating this section shall be guilty of a felony.

NEW SECTION. Sec. 43. Any person who conducts any activity for which a license is required by this chapter, or by rule of the commission, without the required license issued by the commission, and is convicted of such, shall be guilty of a felony. Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Greengo: "Mr. Speaker, I would raise the question of scope and object on this amendment."

SPEAKER'S RULING

The Speaker: "Representative Greengo, the bill deals with Title 82 RCW, revenue and taxation. The amendment that has been placed before us deals with Title 9, which deals with gambling. In looking at the title amendment, it also deals with Title 67, which is the Gambling Commission, but does not deal in any part with the section on revenue and taxation. On that point, I would rule that your point of order is well taken. The amendment is beyond the scope and object of the bill."

The Speaker stated the question before the House to be reconsideration of the amendment by Representatives Flanagan and Amen to the Greengo amendment.

The Clerk called the roll on reconsideration of the amendment by Representatives Flanagan and Amen to the Greengo amendment to Engrossed Senate Bill No. 4250, and the amendment was not adopted by the following vote: Yeas, 32; nays, 66; not voting, 0.

Mr. Greengo: "Very frankly, Representative Valle, at this time of the night, I'm hard put to tell you what we have heard in Revenue Committee. We've heard just about everything. I don't believe we have heard this, nor have we heard the surtax either. We're probably going to

have to vote on both of them. We've talked about them an awful lot and so I guess it's kind of irrelevant, isn't it."

Ms. Valle spoke against the amendment to the amendment, and Mr. Dawson spoke in favor of it.

Mr. Nelson (D) spoke in favor of the motion.

POINT OF PARLIAMENTARY INQUIRY

Mr. Nelson (G): "Mr. Speaker, Engrossed Senate Concurrent Resolution No. 150 had specific items with regard to what this legislature would address in a special session. The Speaker: "It doesn't sound like it would, Representative Nelson."

Mr. Nelson (G): "Mr. Speaker, I would then ask the Chair whether or not that motion would be in order to be placed before this body?"

The House resumed consideration of Engrossed Senate Bill No. 4250.

Mr. Greengo moved adoption of the following amendment to the Greengo amendment:

On page 24, line 2 after "amount of" strike "ten" and insert "eight"

Beginning on page 28, line 33 strike all material down to and including line 36 on page 29 and insert:

"(1) Until and including the day before the change date, the rate of the sales and use taxes under section 1 of this act shall be five and nine-tenths percent and the rate of the additional taxes under sections 2 through 24 of this act shall be eight percent.

(2) From and after the change date until and including the thirtieth day of June, 1983, the rate of tax shall be as follows:

(a) If the November revenue collections are less than \$3,075,000,000, the rate of sales and use taxes under section 1 of this act shall be six and one-tenth percent and the rate of the additional taxes under sections 2 through 24 of this act shall be ten percent.

(b) If the November revenue collections equal or exceed \$3,075,000,000 and are less than \$3,100,000,000 the rate of sales and use taxes under section 1 of this act shall be five and nine-tenths percent and the rate of the additional taxes under sections 2 through 24 of this act shall be eight percent.

(c) If the November revenue collections equal or exceed \$3,100,000,000 and are less than \$3,125,000,000, the rate of sales and use taxes under section 1 of this act shall be five and eight-tenths percent and the rate of the additional taxes under sections 2 through 24 of this act shall be five percent.

(d) If the November revenue collections equal or exceed \$3,125,000,000, the rate of sales and use taxes under section 1 of this act shall be five and five-tenths percent and the rate of the additional taxes under sections 2 through 24 of this act shall be zero percent.

(3) As used in this section:

(a) 'November revenue collections' means revenues, penalties, and interest actually collected for credit to the fiscal biennium beginning July 1, 1981, for the taxes imposed under the following statutes, as amended by this act, and deposited with the state treasurer for credit to the general fund during the period beginning July 1, 1981, and ending with the specified date:

(i) Chapters 82.04, 82.08, 82.12, 82.16, and 82.26 RCW: November 10, 1982.

(ii) Chapters 82.24 and 82.45 RCW, and RCW 28A.47.440: October 31, 1982.

(b) 'Change date' for the taxes under sections 1 through 9 and 12 through 24 of this act means December 1, 1982; and for the taxes under section 10 and 11 of this act means January 1, 1983."

Mr. Greengo spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Greengo yielded to question by Ms. Rust.

Ms. Rust: "Representative Greengo, after line 10 (b), it says, 'If the November revenue collections equal or exceed \$3,075,000,000 and are less than \$3,100,000,000...' and you have 'the rate will be five and nine-tenths percent and the rate of the additional taxes under sections 2 through 24 of this act shall be eight percent.' That is the same, I believe, as it is above. Do you mean to have it that way?"

Mr. Greengo: "Yes. That is the median money that fits our revenue projections. That says the sales tax will stay at five and nine-tenths percent, which is an eight percent surcharge. If you take 5.5 and multiply it by 1.08 you come up with 5.94, rounded off to the nearest tenth is 5.9 percent, but all of the other taxes that are included under the surcharge are at eight percent and they stay there."

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Greengo, you made a statement that the Department of Revenue could notify all the stores in time so the rate could be changed. I thought this included all these taxes and not just the sales tax."

Mr. Greengo: "Representative Flanagan, whatever business entities, or whoever is paying a sales tax, will have that period between November 10 when we close the books until December 1 to change."

Mr. Flanagan: "I thought this figure applied to all the taxes—B&O, utilities and real estate?"

Mr. Greengo: "I was using the word 'stores' in the generic sense. All of those who are paying a sales tax will be notified of that change, or if they are collecting other taxes, such as the cigarette tax or the liquor tax, they would also be notified that there is a change of rate. It could change or it could stay the same."

Mr. Flanagan: "Don't any of the others—real estate, excise, electric utilities, PUD's—don't they change, too?"

Mr. Greengo: "Of course they do. I said I was using the word 'stores' in a generic sense of all those entities that will be paying the tax."

The amendment to the amendment was adopted.

The Greengo amendment as amended was adopted.

On motion of Mr. Nelson (G), the following amendment to the title was adopted:

On page 1, line 1 of the title after "taxation;" strike the remainder of the title and insert: "amending section 5, chapter 91, Laws of 1947 as last amended by section 1, chapter 42, Laws of 1967 and RCW 41.16.050; amending section 3, chapter 261, Laws of 1945 as last amended by section 26, chapter 3, Laws of 1981 and RCW 41.24.030; amending section .14.02, chapter 79, Laws of 1947 as last amended by section 2, chapter 233, Laws of 1979 ex. sess. and RCW 48.14.020; amending section 2, chapter 278, Laws of 1957 as last amended by section 2, chapter 366, Laws of 1977 ex. sess. and RCW 54.28.020; amending section 6, chapter 366, Laws of 1977 ex. sess. and RCW 54.28.025; amending section 4, chapter 278, Laws of 1957 as amended by section 31, chapter 278, Laws of 1975 1st ex. sess. and RCW 54.28.040; amending section 5, chapter 278, Laws of 1957 as last amended by section 8, chapter 154, Laws of 1980 and RCW 54.28.050; amending section 7, chapter 366, Laws of 1977 ex. sess. as amended by section 165, chapter 151, Laws of 1979 and RCW 54.28.055; amending section 73, chapter 62, Laws of 1933 ex. sess. as amended by section 1, chapter 6, Laws of 1961 ex. sess. and RCW 66.08.170; amending section 24-A added to chapter 62, Laws of 1933 ex. sess. by section 3, chapter 158, Laws of 1935 as last amended by section 12, chapter 5, Laws of 1981 1st ex. sess. and RCW 66.24.210; amending section 24, chapter 62, Laws of 1933 ex. sess. as last

(a) Seven members of the executive board shall be elected to four-year terms by the board of directors from among the members of the board of directors. The board of directors may provide by rule for the composition of the seven members of the executive board elected from among the members of the board of directors so as to ~~((afford fair representation which reflects))~~ reflect the member public utility districts' and cities' participation in the joint operating agency's projects. For purposes of this subsection, misconduct shall include, but not be limited to, nonfeasance and misfeasance.

(2) Nothing in this chapter shall be construed to mean that an operating agency is in any manner an agency of the state. (6) The executive board shall select and employ a managing director of the operating agency and may delegate to the managing director such authority for the management and control of the operating agency as the executive board deems appropriate. The managing director's employment is terminable at the will of the executive board.

If the operating agency is constructing two or more nuclear power plants simultaneously, the executive board shall cease exercising all powers as to each plant as it becomes operational.))~~ Members of the executive board shall be immune from civil liability for mistakes and errors of judgment in the good faith performance of acts within the scope of their official duties involving the exercise of judgment and discretion. MOTION

On motion of Mr. Chandler, the House concurred in the Senate amendments to Engrossed Substitute House Bill No. 1230.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 1230 as amended by the Senate.

POINT OF PARLIAMENTARY INQUIRY

Mr. Chandler: "Mr. Speaker, how many votes are required to pass this bill?"

The Speaker: "To make the bond provisions of this act effective, it will take fifty-nine votes."

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Lux.

Mr. Lux: "Representative Chandler, how many dollars in new bond authorization are in this bill and how many total dollars of reauthorization are in the bill?"

Mr. Chandler: "In our original authorization, we went from \$3.5 million to \$6 million on the fire services training center. The Senate has added \$900,000 for a variety of projects, most of them here on the capitol campus, and I just don't have the figure for the reauthorization."

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Chandler, in this bill I notice that the last priority is the water facilities. I also notice that we hit the seven percent taxpayer debt limit for fiscal year 1984, and then it says that the State Finance Committee will make changes in priorities when they get to that debt limit. How much do you think that may affect the last priority and the fact that we hit that statutory deadline of 1984?"

Mr. Chandler: "By then, you will have sold around \$255 million, and, of course, a lot depends on what the 1983 session of the Legislature does about taxation."

Mr. Lux spoke against passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1230 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 63; nays, 32; not voting, 3.

House Concurrent Resolution No. 53, having received the constitutional majority, was declared adopted.

SIGNED BY THE SPEAKER

The Speaker announced he was signing:

SUBSTITUTE HOUSE BILL NO. 1230,
SENATE BILL NO. 4250,
SENATE BILL NO. 4995,
SENATE JOINT MEMORIAL NO. 115.

Representatives Owen and Salatino appeared at the bar of the House.

ENGROSSED SENATE BILL NO. 4972, by Senator Zimmerman:

Relating to local government finance.

The bill was read the second time.

Mr. Padden moved adoption of the following amendments:

On page 6, line 28 after "shall" strike the balance of the section and insert "refer such tax or increase to a vote of the people and shall not collect such tax or increase unless approved by a majority of the voters of the city or town voting on the proposition."

On page 8, line 3 after "shall" strike the balance of the section and insert "refer such tax proposal to a vote of the people and shall not collect such tax unless approved by a majority of the voters of the county or city voting on the proposition."

On page 11, line 24 after "shall" strike the balance of the section and insert "refer such tax proposal to a vote of the people and shall not collect such tax unless approved by a majority of the voters of the county or city voting on the proposition."

Representatives Padden and Taylor spoke in favor of the amendments, and Representatives Barrett, Hine, Heck, Nelson (G) and Isaacson spoke against them.

The amendments were not adopted.

Mr. Bickham moved adoption of the following amendment by Representatives Bickham, Barrett, Lundquist, Tilly and McCormick:

On page 7, beginning on line 11 strike all of sections 11, 12, 13, 14, 15 and 16 and renumber the remaining sections consecutively and correct internal references accordingly.

Representatives Bickham, James, Lux and King (R) spoke in favor of the amendment, and Representatives Greengo, Barrett, Hine, Flanagan and King (J) spoke against it.

The amendment was not adopted.

Ms. Sommers moved adoption of the following amendment:

On page 10, beginning on line 22 strike all material down through "tax)" on line 28 and insert "The rate of such additional tax imposed by a county shall be up to three-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of such additional tax imposed by a city shall be up to three-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax)."

Ms. Sommers spoke in favor of the amendment, and Mr. Nelson (G) spoke against it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. North.

Ms. North: "I'm aware of your words that it's up to the cities to make the decision whether or not to elect to impose this tax. If one city does so and is very close to another city, does that not create what we would call a 'hot spot,' and then people will go to the city which does not impose the sales tax? Then you almost create a situation where everyone must impose this."

Mr. Nelson (G): "Representative North, as a past city councilwoman yourself, I'm sure you understand that when you do have differences among bordering cities there is a tendency on occasion for people to go to where they think the lower rate might be imposed, but I believe there are so many varieties of services and so many differences in just the base prices that it's difficult to say that the one-half of one percent or the one-quarter of one percent is going to make such a difference that the consumers are going to look at only that as the reason why they may go to the adjoining city or the adjoining or, in some cases, to the adjoining state. Therefore, I don't feel that this local option sales tax makes any difference at all. I think it's so miniscule that it doesn't come into play. In the community where I happen to live, there are a number of large shopping centers that have a tremendous marketing capability for drawing

people. I might point out that those larger cities have a lower rate of taxation on almost everything else—no B&O tax to any extent, no utility tax, very small kinds of taxes that would be incidental—so essentially it is an additional drawing power even though the city may have the one-half of one percent greater sales tax than that larger city, and the one that has no commercial establishment may not have any of that one-half of one percent."

Representatives Hine, Barrett and Barr spoke against the amendment, and Representatives Taylor and Flanagan spoke in favor of it.

The amendment was not adopted.

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Nelson (G) spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Eberle yielded to question by Mr. Barrett.

Mr. Barrett: "Representative Eberle, along the lines that Representative Nelson just talked about, I know that you have been working with a particular section on page 4, line 11 of this bill. It says, 'This section does not prohibit voluntary agreement with counties, cities, towns or of municipal corporations....' What is the explanation of 'voluntary agreement' in this case?"

Mr. Eberle: "Representative Barrett, that question has been decided in court. Justice Marshall Neill of the Washington State Supreme Court and a former member of this body, states in Chrobuck vs. Snohomish County (1971) the following: "...The indicia of validity in such agreements include (1) The performance called for is directly related to public needs which may be expected to result from the proposed usage of the property to be rezoned. (2) Fulfillment of these needs is an appropriate function of the contracting governmental body. (3) Performance will mitigate the public burden in meeting those resulting needs by placing it more directly on the party whose property use will give rise to them. (4) The agreement involves no purported relinquishment by the governing body of its discretionary zoning power.

"Basically, a valid concomitant agreement operated to materialize any expected negative impact of the proposed property usage. In this, it is distinguished from an agreement which seeks to extract some collateral benefit from the property owner...."

Representatives Barrett and Hine spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Maxie.

Ms. Maxie: "Representative Nelson, does this bill preclude developers from paying water rights or water fees for a given area, or would this be spread out for property owners as opposed to new developers coming in?"

Mr. Nelson (G): "Representative Maxie, the reference on the development fees is shown in section 5. It will be pointed out, as it was in both House Bill No. 1014 and House Bill No. 323, that the cities and counties would be able to collect fees for hook-ups and the necessary waterpipe, and so on, that would be placed there by the developer in a new plat. It should also be pointed out that this section does not apply (this is on page 5, line 18) to special purpose districts that are formed, and those are basically the water and sewer districts which impose the same kinds of fees for the utilities that they handle."

Representatives Sommers and Lux spoke against passage of the bill.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Berleen.

Ms. Berleen: "Representative Nelson, we, in this Legislature, have proposed in this session that some of the responsibility for social services be transferred from the state to the counties. The original House budget reduction plan had such a proposal, as did House Bill 1235. Because Initiative 62 requires that additional responsibility given local government by the state government be accompanied by enough revenue to support these programs, would the additional revenue generated by the enactment of this bill, Engrossed Senate Bill No. 4972, be considered as revenue to support the services transferred by the 1983 Legislature?"

Mr. Nelson (G): "Representative Berleen, the answer would be 'yes.' There are no additional responsibilities transferred or required of local governments in this act, and a tremendous amount of revenue can be generated for local government through this act. So long as the cost of programs transferred did not exceed the amount of revenues allowed by this act, it would appear that this tax authorization could be referenced in future years as support for transferred programs."

Ms. Hine spoke again in favor of the bill.

POINT OF PARLIAMENTARY INQUIRY

Mr. Chandler: "When a question is asked of another member, as with the case of Representative Nelson, is there some special note made of that question and answer in the Journal?"

The Speaker: "The question and the answer are inserted in the Journal, Representative Chandler."

Mr. Chandler: "How would a member get the remarks of Representative Hine entered into the Journal?"

The Speaker: "Basically in two ways, Representative Chandler; it could be inserted by a motion or Representative Hine could request of the Clerk that her remarks be inserted verbatim."

MOTION

On motion of Mr. Chandler, Ms. Hine's remarks were ordered inserted into the Journal.

Ms. Hine: "The response to that last question disturbs me a great deal. I do not believe that the intent of this legislation is to give the locals the ability to handle state programs. The fiscal relief option for local governments, which I have mentioned to you, has really turned out to be a rather small portion of this bill and was to respond to the fiscal crisis that they are going through which is very much the same as we are experiencing in the state. They have had revenue shortfalls; they have had programs from the federal government and the state that have been taken away; they have, over the years, had to absorb mandated costs for many programs, such as CEPA, shorelines management, and many other things. Essentially, they have had to live with labor costs different from the state. The state has been able to cut back the employees' proposed salary increases. Local governments—due to the wisdom of this body which has said that local fire, police and some others—must have compulsory arbitration; therefore, the increases that we have to grant to employees on the local level cannot reflect our true financial picture all the time. We have, in fact, put lids on local government. We've imposed the 106% property tax lid; we have continuously cut back the ability to respond to the needs of the communities. Our local governments have been cutting back. My city cut 17% last year and will cut 17% again this year. This bill was intended to give some flexibility to deal with existing and future local fiscal problems, not to handle state problems on the local level."

MOTION

On motion of Mr. King (R), the following remarks by Representative Chandler were ordered inserted into the Journal.

Mr. Chandler: "I think there is very definitely a difference of opinion here on what the response to Representative Berleen's question would be. I intend to vote for this bill, and I do so gladly, but I do not do so with the understanding that subsequent legislatures can shift the local government responsibilities which, under the provisions of Initiative 62, would require that revenues go with them, and then come back and say that we did that in the 1982 Legislature with the adoption of the local option sales tax. I do hope that view is shared by the majority here, and that we will, at least, show in the record that there is a difference of opinion should anyone care to look in the future."

Ms. Teutsch spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 4972, and the bill passed the House by the following vote: Yeas, 75; nays, 23; not voting, 0.

Voting yea: Representatives Amen, Armstrong, Barnes, Barr, Barrett, Becker, Bender, Berleen, Bickham, Bond, Brown, Burns, Chamberlain, Chandler, Clayton, Cole, Dawson, Dickie, Eberle, Ehlers, Ellis, Erak, Fancher, Fiske, Flanagan, Gallagher, Galloway, Garson, Granlund, Greengo, Grimm, Hankins, Heck, Hine, Houchen, Isaacson, Johnson, Kaiser, King J., King R., Kreedler, Lewis, Martinis, Maxie,

Voting nay: Representatives Addison, Brekke, Cantu, Eng, Garrett, Hastings, James, Leonard, Lundquist, Lux, McCormick, McGinnis, Nelson D., Nickell, North, Padden, Patrick, Pruitt, Salatino, Sanders, Schmidt, Sommers, Taylor.

Engrossed Senate Bill No. 4972, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Mr. Nelson (G), Engrossed Senate Bill No. 4972 was ordered immediately transmitted to the Senate.

On motion of Mr. Nelson (G), the House advanced to the seventh order of business.

THIRD READING

ENGROSSED SENATE BILL NO. 4705 as amended by the House, by Senators Gallagher, Rasmussen, Shipoch, Deccio, Metcalf, Quigg, Vognild and Haley:

Authorizing the use of credit cards for state purchases.

The bill was read the third time and placed on final passage.

The Speaker stated the question before the House to be a Point of Order raised by Representative Heck.

SPEAKER'S RULING

The Speaker: "Representative Heck raised a point of order challenging this bill under the terms of Senate Concurrent Resolution No. 150. The Speaker has examined Senate Concurrent Resolution No. 150 and finds that it exempts fiscal issues. In reading Senate Bill 4705, it is an act relating to state purchasing. In examining the bill reports and other data by the committee, I find it will significantly enhance auditing of state expenditures and can save substantial moneys by allowing the state to benefit from cash purchasers subsidizing the credit industry. I would find, under those terms, Representative Heck, that your point of order is not well taken."

Representatives Addison and Kaiser spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 4705 as amended by the House, and the bill passed the House by the following vote: Yeas, 97; nays, 1; not voting, 0.

ELECTION OF CHIEF CLERK

On motion of Mr. Nelson (G), a unanimous ballot was cast to declare the Office of Chief Clerk vacant for the purpose of electing a Chief Clerk.

POINT OF PERSONAL PRIVILEGE

Mr. Nelson (G): "Mr. Speaker, for the last week we have been served by a lady who, I think, has just done a tremendous job of keeping order at the bar of the House. One who certainly has done a tremendous job during the final week in which we undergo an awful lot of pressure processing papers that very few of us ever really see. I'd like to compliment Patsy Williams for a great job of keeping things in order, especially all those pieces of paper that are amendments to these bills. They quite often end up coming up late and require a great deal of expediting, and I think the body should recognize the tremendous work she has done for us."

POINT OF PERSONAL PRIVILEGE

Mr. Williams: "I would like to add to Representative Nelson's remarks. We really need to take this opportunity to congratulate Patsy for the fine job she has done in taking over in a

very hectic time of the session and being able to keep order up there, particularly with the tremendous amount to do and the large amount of paperwork. It is significant that Patsy stepped into the Chief Clerk's position, after being unanimously elected, as the youngest Chief Clerk we have had in the House. That she did this, I think, speaks well for her integrity. She was recognized by both sides of the aisle as someone who would fill in the role at a very key time of the session and do an excellent job. Pasty has had the opportunity to work for the house for a little over three years and she has been a secretary; worked in the office of the ombudsman; she has been a researcher; assistant to the Chief Clerk and Chief Clerk. Mr. Speaker, I asked her what she wants to do next, and I think maybe you should worry a little because she informed me her next goal is to be Speaker since it does not require a person to be elected."

The Speaker declared that nominations for the office of Chief Clerk were in order.

Mr. Nelson (G) nominated Franz J. Wiechers—Gregory for the position of Chief Clerk.

On motion of Mr. Struthers, the nominations were closed.

On motion of Mr. Nelson (G), a unanimous ballot was cast for Franz J. Wiechers—Gregory for Chief Clerk.

ELECTION OF ASSISTANT CHIEF CLERK

The Speaker declared that nominations for the office of Assistant Chief Clerk were in order.

POINT OF ORDER

Mr. O'Brien: "I'm looking at Rule 3, and I don't see any provision for Assistant Chief Clerk. It would appear to me that you would have to amend Rule 3 to provide for the election of Assistant Chief Clerk."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, the House can elect any officer without having it specifically mentioned in the House Rules."

Mr. Amen nominated Donald Meyer for the office of Assistant Chief Clerk.

On motion of Mr. Struthers, the nominations were closed and a unanimous ballot was cast for Donald Meyer for Assistant Chief Clerk.

The Speaker instructed the Sergeant at Arms to escort Franz J. Wiechers—Gregory and Donald Meyer to the rostrum. The Speaker administered the oath of office to them.

June 24, 1982

The Honorable William Polk
Speaker of the House of Representatives
Olympia, Washington
Dear Mr. Speaker:

I, Ralph Munro, Secretary of State of the State of Washington and custodian of the official seal of the State, do hereby certify that the attached copy of the Proclamation of the Governor calling an extraordinary session of the Legislature of the State of Washington to convene on the 26th Day of June, 1982, is a true, correct and complete copy of the original of said proclamation now on file in this office.

Ralph Munro, Secretary of State

PROCLAMATION BY THE GOVERNOR

The State of Washington is in a fiscal and budgetary crisis. Revenues continue to fall short of previously anticipated levels, and will not meet the needs of the state and its people. It

is therefore necessary for me to convene the legislature in extraordinary session for the purpose of modifying laws relating to the revenues and expenditures of the state.

NOW, THEREFORE, I, John Spellman, Governor of the State of Washington, by virtue of the authority vested in me by Article II, Section 12 and Article III, Section 7 of the State Constitution, do hereby convene the Washington State Legislature in extraordinary session in the Capitol at Olympia at 9:00 a.m. on June 26, 1982.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the state of Washington to be affixed at Olympia this 24th date of June, A.D., nineteen hundred and eighty-two.

(Seal)

JOHN SPELLMAN, Governor

MESSAGE FROM THE GOVERNOR

June 26, 1982

To the 47th Legislature in its Second Extraordinary Session of 1982

Only twice before in the history of Washington has its legislature been called into a summer session in an election year. And never before in the history of our state has a legislature had to deal with an emergency as profound and protracted as the budget crisis that has brought the 47th Legislature back to Olympia for its fourth special session.

During the past two weeks, your leadership and I have been meeting regularly in order to lay the foundation for a bipartisan, bicameral solution to the crisis we face. These meetings have been characterized by a tremendous spirit of cooperation, and great progress toward consensus has been the fruit of our labor. It is my fervent hope that this spirit will continue and will ensure a successful session.

Each of us may have a pet plan for resolving this emergency - a plan that reflects our personal philosophies or the desires of our political constituencies. But such concerns must now yield to the spirit of cooperation that has emerged. The likelihood that any individual point of view will find a complete victory in this special session is minimal.

This special session presents the opportunity to mitigate the across-the-board chaos of an 8.2 percent reduction in state services. The executive order imposing those cuts defined the "worst case;" it is the fourth such order I have had to issue in compliance with state law.

Some improvement of this situation is better than no improvement. Any solution is better than no solution.

I assure you of my support for any solution that, together, we are able to achieve. And I wish you Godspeed in your crucial deliberations.

JOHN SPELLMAN, Governor

NEW SECTION. Sec. 6. No license as an agent to sell lottery tickets or shares shall be issued to any person to engage in business exclusively as a lottery sales agent. Before issuing such license the director shall consider such factors as: (1) The financial responsibility and security of the person and his business or activity, (2) the accessibility of his place of business or activity to the public, (3) the sufficiency of existing licenses to serve the public convenience, and (4) the volume of expected sales.

'Person' shall not be construed to mean or include any department, commission, agency, or instrumentality of the state, or any county or municipality or any agency or instrumentality thereof.

NEW SECTION. Sec. 7. Any person licensed as provided in this chapter is hereby authorized and empowered to act as a lottery sales agent.

NEW SECTION. Sec. 8. The commission may deny an application for, or suspend or revoke, after notice and hearing, any license issued pursuant to this chapter. Such license may, however, be temporarily suspended by the director without prior notice, pending any prosecution, investigation, or hearing. A license may be suspended or revoked or an application may be denied by the commission for one or more of the following reasons:

(1) Failure to account for lottery tickets received or the proceeds of the sale of lottery tickets or to file a bond if required by the director or to comply with the instructions of the director concerning the licensed activity;

(2) For any of the reasons or grounds stated in RCW 9.46.075 or violation of the rules of the commission;

(3) Failure to file any return or report or to keep records or to pay any tax required by this chapter;

(6) A material change, since issuance of the license with respect to any matters required to be considered by the director under section 6 of this act.

For the purpose of reviewing any application for a license and for considering the denial, suspension, or revocation of any license the gambling commission may consider any prior criminal conduct of the applicant or licensee and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.

NEW SECTION. Sec. 9. No right of any person to a prize drawn shall be assignable, except that payment of any prize drawn may be paid to the estate of a deceased prize winner, and except that any person pursuant to an appropriate judicial order may be paid the prize to which the winner is entitled. The commission and the director shall be discharged of all further liability upon payment of a prize pursuant to this section.

NEW SECTION. Sec. 10. A person shall not sell a ticket or share at a price greater than that fixed by rule of the commission. No person other than a licensed lottery sales agent shall sell lottery tickets, except that nothing in this section shall be construed to prevent any person from giving lottery tickets or shares to another as a gift.

Any person convicted of violating this section shall be guilty of a misdemeanor.

NEW SECTION. Sec. 11. A ticket or share shall not be sold to any person under the age of eighteen, but this shall not be deemed to prohibit the purchase of a ticket or share for the purpose of making a gift by

a person eighteen years of age or older to a person less than that age. Any licensee who knowingly sells or offers to sell a lottery ticket or share to any person under the age of eighteen, and is convicted of such, shall be guilty of misdemeanor. In the event that a person under the age of eighteen years directly purchases a ticket in violation of this section, no prize will be paid and the prize money will be treated as unclaimed pursuant to section 18 of this act.

NEW SECTION. Sec. 12. A person shall not alter or forge a lottery ticket. A person shall not claim a lottery prize or share of a lottery prize by means of fraud, deceit, or misrepresentation. A person shall not conspire, aid, abet, or agree to aid another person or persons to claim a lottery prize or share of a lottery prize by means of fraud, deceit, or misrepresentation. Any person convicted of violating this section shall be guilty of a felony.

NEW SECTION. Sec. 13. Any person who conducts any activity for which a license is required by this chapter, or by rule of the commission, without the required license issued by the commission, and is convicted of such, shall be guilty of a felony. If any corporation conducts any activity for which a license is required by this chapter, or by rule of the commission, without the required license issued by the commission, it may be punished by forfeiture of its corporate charter, in addition to the other penalties set forth in this section.

NEW SECTION. Sec. 14. Whoever, in any application for a license or in any book or record required to be maintained by the commission or in any report required to be submitted to the commission, shall make any false or misleading statement, or make any false or misleading entry or wilfully fail to maintain or make any entry required to be maintained or made, or who wilfully refuses to produce for inspection by the commission, or its designee, any book, record, or document required to be maintained or made by federal or state law, and is convicted of such, shall be guilty of a gross misdemeanor.

NEW SECTION. Sec. 15. Any person who violates any provision of this chapter for which no penalty is otherwise provided, or knowingly causes, aids, abets, or conspires with another to cause any person to violate any provision of this chapter, and is convicted of such, shall be guilty of a class C felony, except where other penalties are specifically provided for in this chapter.

NEW SECTION. Sec. 16. Any person who violates any rule adopted pursuant to this chapter for which no penalty is otherwise provided, or knowingly causes, aids, abets, or conspires with another to cause any person to violate any rule adopted pursuant to this chapter, and is convicted of such, shall be guilty of a gross misdemeanor, except where other penalties are specifically provided for in this chapter.

NEW SECTION. Sec. 17. A ticket or share shall not be purchased by, and a prize shall not be paid to any member or employee of the commission or to any spouse, child, brother, sister, or parent residing as a member of the same household in the principal place of abode of any member or employee of the commission. Any person convicted of violating this section shall be guilty of a misdemeanor.

NEW SECTION. Sec. 18. Unclaimed prize money for the prize on a winning ticket or share shall be retained in the state lottery fund for the person entitled thereto for one year after the drawing in which the prize was won. If no claim is made for said money within such year, the prize money shall be retained in the state lottery fund for distribution pursuant to section 3 of this act and all rights to the prize shall be extinguished.

NEW SECTION. Sec. 19. The director, in his discretion, may require any or all lottery sales agents to deposit to the credit of the state lottery fund in banks designated by the state treasurer, all moneys received by such agents from the sale of lottery tickets or shares, less the amount, if any, retained as compensation for the sale of the tickets or shares, and to file with the director or his designated agents, reports of their receipts and transactions in the sale of lottery tickets in such form and containing such information as he may require. The director may make such arrangements for any person, including a bank, to perform such functions, activities, or services in connection with the operation of the lottery as he or she may deem advisable pursuant to this chapter and the rules of the commission, and such functions, activities, or services shall constitute lawful functions, activities, and services of such person.

NEW SECTION. Sec. 20. No other law providing any penalty or disability for the sale of lottery tickets or any acts done in connection with a lottery shall apply to the sale of tickets or shares performed pursuant to this chapter.

NEW SECTION. Sec. 21. If the person entitled to a prize or any winning ticket is under the age of eighteen years, and such prize is less than five thousand dollars, the director may direct payment of the prize by delivery to an adult member of the minor's family or a guardian of the minor of a check or draft payable to the order of such minor. If the person entitled to a prize or any winning ticket is under the age of eighteen years, and such prize is five thousand dollars or more, the director may direct payment to such minor by depositing the amount of the prize in any bank to the credit of an adult member of the minor's family or a guardian of the minor as custodian for such minor. The person so named as custodian shall have the same duties and powers as a person designated as a custodian in a manner prescribed by the Washington uniform gifts to minors act, chapter 21.24 RCW, and for the purposes of this section the terms 'adult member of a minor's family,' 'guardian of a minor,' and 'bank' shall have the same meaning as in chapter 21.24 RCW. The commission and the director shall be discharged of all further liability upon payment of a prize to a minor pursuant to this section.

NEW SECTION. Sec. 22. There is hereby created and established a separate fund, to be known as the state lottery fund. Such fund shall be managed, maintained, and controlled by the commission and shall consist of all revenues received from the sale of lottery tickets or shares, and all other moneys credited or transferred thereto from any other fund or source pursuant to law. The fund shall be a separate fund outside

the state treasury. No appropriation is required to permit expenditures and payment of obligations from the fund.

NEW SECTION. Sec. 23. The moneys in the state lottery fund shall be used only: (1) For the payment of prizes to the holders of winning lottery tickets or shares; (2) for purposes of making deposits into the reserve account created by section 24 of this act and into the revolving fund created by section 25 of this act; (3) for purposes of making deposits into the state's general fund; and (4) for the repayment to the state's general fund of the amount appropriated to the fund pursuant to section 31 of this act.

NEW SECTION. Sec. 24. In the event the commission decides to pay any portion of or all of the prizes in the form of installments over a period of years, it shall provide for the payment of all such installments by one, but not both, of the following methods:

(1) It may enter into contracts with any financially responsible person or firm providing for the payment of such installments; or

(2) It may establish and maintain a reserve account into which shall be placed sufficient moneys for the director to pay such installments as they become due. Such reserve account shall be maintained as a separate and independent fund outside the state treasury.

NEW SECTION. Sec. 25. There is hereby created a revolving fund into which the commission shall deposit sufficient money to provide for the payment of the costs incurred in the operation and administration of the lottery: PROVIDED, That the amount deposited in such revolving fund shall never exceed fifteen percent of the total revenues accruing from the sale of lottery tickets or shares. Such revolving fund shall be managed, controlled, and maintained by the commission and shall be a separate and independent fund outside the state treasury.

NEW SECTION. Sec. 26. Each member of the commission shall receive compensation of fifty dollars per day for each day actually spent in the performance of duties, and actual necessary traveling and other expenses in going to, attending, and returning from meetings of the commission, and actual and necessary traveling and other expenses incurred in the discharge of such duties as may be requested by a majority vote of the commission or by the director.

NEW SECTION. Sec. 27. The provisions of the administrative procedure act, chapter 34.04 RCW, shall apply to administrative actions taken by the commission or the director pursuant to this chapter.

NEW SECTION. Sec. 9. The director may deny an application for, or suspend or revoke, after notice and hearing, any license issued pursuant to this chapter. Such license may, however, be temporarily suspended by the director without prior notice, pending any prosecution, investigation, or hearing. A license may be suspended or revoked or an application may be denied by the director for one or more of the following reasons:

(1) Failure to account for lottery tickets received or the proceeds of the sale of lottery tickets or to file a bond if required by the director or to comply with the instructions of the director concerning the licensed activity;

(2) For any of the reasons or grounds stated in RCW 9.46.075 or violation of this chapter or the rules of the commission;

For the purpose of reviewing any application for a license and for considering the denial, suspension, or revocation of any license the director may consider any prior criminal conduct of the applicant or licensee and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.

NEW SECTION. Sec. 10. The commission and the director shall be discharged of all further liability upon payment of a prize pursuant to this section.

NEW SECTION. Sec. 11. A person shall not sell a ticket or share at a price greater than that fixed by rule of the commission. NEW SECTION. Sec. 12. A ticket or share shall not be sold to any person under the age of eighteen, but this shall not be deemed to prohibit the purchase of a ticket or share for the purpose of making a gift by a person eighteen years of age or older to a person less than that age. Any licensee who knowingly sells or offers to sell a lottery ticket or share to any person under the age of eighteen is guilty of a misdemeanor. In the event that a person under the age of eighteen years directly purchases a ticket in violation of this section, no prize will be paid to such person and the prize money otherwise payable on the ticket will be treated as unclaimed pursuant to section 19 of this act.

NEW SECTION. Sec. 13. A person shall not alter or forge a lottery ticket. A person shall not claim a lottery prize or share of a lottery prize by means of fraud, deceit, or misrepresentation. A person shall not conspire, aid, abet, or agree to aid another person or persons to claim a lottery prize or share of a lottery prize by means of fraud, deceit, or misrepresentation.

A violation of this section is a felony.

NEW SECTION. Sec. 14. Any person who conducts any activity for which a license is required by this chapter, or by rule of the commission, without the required license, is guilty of a felony. NEW SECTION. Sec. 16. Any person who violates any provision of this chapter for which no penalty is otherwise provided, or knowingly causes, aids, abets, or conspires with another to cause any person to violate any provision of this chapter is guilty of a class C felony, except where other penalties are specifically provided for in this chapter.

NEW SECTION. Sec. 17. A violation of this section is a misdemeanor.

NEW SECTION. Sec. 19. Unclaimed prizes shall be retained in the state lottery fund for the person entitled thereto for one hundred eighty days after the drawing in which the prize is won. If no claim is made for the prize within this time, the prize shall be retained in the state lottery fund for further use as prizes and all rights to the prize shall be extinguished.

The director may make such arrangements for any person, including a bank, to perform such functions, activities, or services in connection with the operation of the lottery as he or she may deem advisable pursuant to this chapter and the rules of the commission, and such functions, activities, or services shall constitute lawful functions, activities, and services of such person.

NEW SECTION. Sec. 22. If the person entitled to a prize is under the age of eighteen years, and such prize is less than five thousand dollars, the director may direct payment of the prize by delivery to an adult member of the minor's family or a guardian of the minor of a check or draft payable to the order of such minor. If the person entitled to a prize is under the age of eighteen years, and such prize is five thousand dollars or more, the director may direct payment to such minor by depositing the amount of the prize in any bank to the credit of an adult member of the minor's family or a guardian of the minor as custodian for such minor. The person so named as custodian shall have the same duties and powers as a person designated as a custodian in a manner prescribed by the Washington uniform gifts to minors act, chapter 21.24 RCW, and for the purposes of this section the terms 'adult member of a minor's family,' 'guardian of a minor,' and 'bank' shall have the same meaning as in chapter 21.24 RCW. The commission and the director shall be discharged of all further liability upon payment of a prize to a minor pursuant to this section.

POINT OF INQUIRY

Ms. Brekke yielded to question by Ms. Galloway.

Ms. Galloway: "Representative Brekke, we have a sheet of paper on our desks that refers to the social services cuts. I wonder if you might give some brief explanation of how the cuts in this budget might effect these programs with the expected cuts on the federal level?"

Ms. Brekke: "Representative Galloway, I'd like to point out that the concern I have is with the social service budget cuts that are embodied in this budget bill. The ones in this bill look innocuous enough in section 1, the decision package recommended by the Department of Social and Health Services. My concern is with the expected budget cuts on the federal level. They can be as high as \$55 million. These will be directed cuts. The expected impact upon our system will be \$30 to \$40 million of state funds. That will be effective in October. I certainly hope that we will not be here in October. Therefore, this is the one and only time that we have to deal with the potential effect of both cuts. I have gone back to the priority limiting that Department of Social and Health Services Secretary Gibbs has recommended and has indicated that he will continue this prioritization. On this paper are listed many—not all—of the cuts in section 2, which will, in fact, occur in October. It will be a delayed effect of what is done here tonight. I'll mention a few, but you can read the rest for yourself. Mental health—community mental health—the seriously disturbed clients will be reduced by ten percent—4700 seriously disturbed patients will not receive basic mental health services. The portal program at Northern State [Hospital] will be closed. One hundred thirty chronically disturbed adults who are presently being served will be removed from there. The long-term residential treatment section of the alcohol abuse program will be eliminated. That will impact 1,100 clients and in the DSHS remarks, it indicated that these clients 'do not recover without treatment, will continue to degenerate and eventually die.' The aging and adult services, the senior citizen services, which has three years to go, fifty percent cut. Chore services, the contracting of all these chore services that was instituted about three years ago is now eliminated in this program. 6,700 chore service recipients on the contracted program will be transferred to the individual provider program. The department estimates that 1,500 of these individuals would soon terminate as a consequence of the difficulty in finding and employing providers, which the individuals would have to do. Another one of note that was exempted is the medically indigent deductible which would return from \$500 to \$1500. I hope you'll look at the rest."

Mr. Nisbet spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Lundquist.

Mr. Lundquist: "Representative Chandler, is there any situation in this bill that's being passed here that the portal program will be closed?"

Mr. Chandler: "No, Representative Lundquist, there is no stipulation for that or any of the other things. What the previous speaker was referring to was the reprioritization or a list of anticipated actions which would be taken by the secretary of the Department of Social and Health Services. As my colleague, Representative Nisbet, has pointed out, it's a 'what-if' list. There is nothing here that says anything specific about the portal program or any other."

Mr. Grimm spoke in favor of passage of the bill.

POINT OF PERSONAL PRIVILEGE

Mr. Taylor: "Since this is the last session for Representative Amen, I would like to make a few remarks. We've talked about working together; we've talked about understanding, and we've even talked about kindness and compassion. I think tonight, as Speaker Pro Tem Otto Amen observes his last sine die, I would like to pay tribute to him. I had my office next door to him when I was a freshman, albeit a rather old freshman, but I learned so much. It took Otto awhile to teach me some things, but I think all of us tonight will look with real regret upon the leaving of a man who has been regarded as one of the most respected legislators and nicest people in the history of the state of Washington who has ever sat in this body. I'd like you to join me in a standing ovation for Otto Amen."

Mr. O'Brien: "Mr. Speaker and ladies and gentlemen of the House, I've known Otto Amen for a good number of years, too, and I can tell you that I enjoyed working with Representative Amen, your Speaker Pro Tem. He's always been a gentleman of the highest caliber. He was always fair and impartial. You could talk to Otto, and he would understand your feelings. I think this is a remarkable trait for anyone—his complete understanding of human nature. I know that since we've been in the minority that it was always very pleasant to talk to someone on your side who would look to our problems and give us a friendly ear. I know the State Legislature is going to miss Representative Amen because he made a great contribution here. I certainly wish you well, Otto, in the years to come because you've been a real gentleman and friend to me."

The Speaker appointed Representatives Armstrong and Ellis to the Law Revision Commission.

POINT OF PERSONAL PRIVILEGE

Mr. Nelson (G): "Mr. Speaker, I would like to take this opportunity to compliment you and to thank you for a lot of long hours on behalf of this body. I'm sure that I say so on behalf of members of the House of Representatives, because, I think, we all realize the amount of effort you have had to place into the job of Speaker of the House of Representatives. You have set a tremendous example for those who may follow in your footsteps in having set some fantastic goals for a legislature such as this one and having accomplished so many of them in a style of leadership that, I think, a lot of us would like to have as part of our repertoire in seeing things accomplished in these Chambers. I think we are especially happy with the fact, that during the course of this Speaker's term, he has been quick of wit; has always had a smile on his face, which broke a lot of tensions in these chambers in many cases in negotiating processes. I think that is certainly a characteristic that we're not going to forget. We're thankful, also, that you've had the opportunity to extend to this body the effort for obtaining a great number of things that perhaps we would have never had the opportunity to pursue—the changes in many of the administrative activities and the new voting board that will benefit future legislatures. Perhaps, we don't recognize how valuable that is now, but once we get started, I think everybody will realize that you were the one who was serving at the time we instituted some streamlined processes.

"In saying my final thank you to you, we hope you enjoy your career in which you will now be able to participate one-hundred percent. I'm sure your family will be happy to share more of your time. Thank you very much."

A committee from the Senate, consisting of Senators Bottiger, Jones and Woody, appeared at the bar of the House and reported that the Senate was ready to adjourn sine die.

**GOVERNOR'S MESSAGES ON HOUSE BILLS
VETOED AND PARTIALLY VETOED**

April 3, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Sections 6 and 7 of
SUBSTITUTE HOUSE BILL NO. 58 entitled:

"AN ACT Relating to local government."

Sections 6 and 7 would restrict the membership of joint city-county housing authorities. Absent fuller discussion of the issue — which did not occur during public hearings on this bill — my inclination is to allow the local governments that establish the joint authorities to determine the most appropriate membership of the authorities.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 20, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Sections 14, 15 and 16(2), SECOND SUBSTITUTE HOUSE BILL NO. 124, entitled:

"AN ACT Relating to public employment; amending certain sections of RCW 28B and RCW 41.04 and other sections and declaring an emergency."

Section 14 directs that the state general fund full-time equivalent employment of any state agency during any month not exceed the average monthly state general fund FTE employment of the previous calendar year or the state general fund FTE employment of the same month of the previous year. Section 14 also limits replacement of state general fund-supported employees to 50 percent of those leaving employment after December 31, 1981.

Employee attrition does not occur evenly between agencies. Agencies with high turnover would be severely affected, particularly in view of staffing reductions that have already occurred. The hiring freeze imposed by Section 14 is overly restrictive; it does not allow for exceptions to meet critical needs, nor does it allow for the planning and control that is essential to good management. In addition, the exempting provisions of this bill will result in an unfair burden being placed on the remainder of state government. For these reasons, I have vetoed Section 14.

Section 15 requires agencies to report every six months to the Office of Financial Management (OFM) the number of vacancies created and positions filled. OFM must present this information to the legislature 15 days thereafter. To require additional paperwork of questionable purpose and value is not appropriate during times of budgetary and staffing reductions. The OFM presently collects and distributes sufficient information to keep the legislature and me adequately informed as to the status of state agency staffing.

Subsection (2) of Section 16 is a study requirement related to Section 14 and is therefore unnecessary.

With the exceptions noted above, Second Substitute House Bill No. 124 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one paragraph of SECOND SUBSTITUTE HOUSE BILL NO. 378 entitled:

"AN ACT Relating to the regulation of cosmetology."

The paragraph beginning on page 10, line 24, and ending on page 11, line 2, would require public postsecondary schools, as a precondition for the issuance of a cosmetology school location license, to perform extensive market surveys. The purpose of these market surveys would be to demonstrate either unmet demand for cosmetologists or unsatisfactory servicing of current students.

Our community colleges routinely conduct market surveys before establishing new programs. This is a matter of prudent management. Thus, this statutory requirement is not necessary. In addition, this paragraph contains standards which would be difficult to enforce, creates duplicate roles for the Department of Licensing and the Community College Board, and may lead to inequitable treatment of students in certain areas of the state.

With the exception of the paragraph referenced above, Second Substitute Bill No. 378 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 20, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 30 of HOUSE BILL NO. 600, entitled:

"AN ACT Relating to crimes."

The Implied Consent Law, passed by the voters of this state in 1969, provides that a person's privilege to drive is conditioned on a promise to take a breathalyzer test when suspected of driving under the influence of alcohol. Failure to take the test results in a six-month loss of license.

Section 30 would undermine the Implied Consent Law. It would permit persons who refuse the breathalyzer and who subsequently are found guilty of DWI to apply for an occupational driver's license. Ironically, those who were acquitted of the charges could not apply for the occupational permit.

If we are to have an Implied Consent Law—and I believe we should—we must enforce it. There must be a clear consequence to refusing the breathalyzer; otherwise, the Implied Consent Law will be intolerably weakened.

With the exception of Section 30, which I have vetoed, House Bill No. 600 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 20, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval HOUSE BILL NO. 829, entitled:

"AN ACT Relating to elected officials."

The words "or identifying information" on page 1, line 15, are ambiguous. It is not clear whether they refer to information identifying an elected official or information identifying a ballot issue. If the latter interpretation were accepted, the previous part of the sentence would prohibit local elected officials from using standard letterhead to distribute any printed information to the electorate within 90 days of an election.

There are proper administrative functions, including the general distribution of government information on a wide variety of subjects, that should not come to a 90-day standstill simply because the official in charge is facing an election.

While the intent of preventing mailing abuses by elected officials is admirable, this bill goes too far and would inhibit legitimate functions of government. I would welcome more carefully drawn legislation.

For these reasons I have vetoed House Bill No. 829.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 3, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Sections 3 and 4 of HOUSE BILL NO. 851, entitled:

"AN ACT Relating to eligibility for services from the developmental disabilities division of the department of social and health services."

Section 3 of this Act is the current federal definition of developmental disabilities, which is designated in Section 4 to take effect March 1, 1983. When this occurs, the federal definition will be in conflict with another definition of developmental disabilities also contained in the bill. I have vetoed Sections 3 and 4 to avoid difficulties in the future interpretation of this section of the Code.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 3, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Sections 11, 12 and 17 of SUBSTITUTE HOUSE BILL NO. 875, entitled:

"AN ACT Relating to state government."

Sections 11, 12 and 17 would effect the termination of the Model Litter Control and Recycling Program on June 30, 1983. In order to comply with the provisions of the Sunset Act, a review of the program would have to be completed by June 30, 1982. Such a short time period is not adequate for a full review of the program.

With the exception of Sections 11, 12 and 17, Substitute House Bill No. 875 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 3, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to subsections (1) and (3) of Section 4 of SUBSTITUTE HOUSE BILL NO. 891, entitled:

"AN ACT Relating to medicare supplemental health insurance."

I have signed into law the main body of the bill. However, subsections (1) and (3) of Section 4 would repeal two current statutes which I feel should remain law. These are RCW 48.66.030 and RCW 48.66.140, both of which contain important consumer protections.

Respectfully submitted,
JOHN SPELLMAN, Governor.

March 27, 1982

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 1(1)(b), SECOND SUBSTITUTE HOUSE BILL NO. 987, entitled:

"An Act Relating to school district employees."

This section would prohibit school boards from paying school employees for unused vacation leave.

Since other state employees are not similarly restricted, it is inequitable to single out one group of employees for differential treatment. Any reform in this area should be uniform.

With the exception of Section 1(1)(b), which I have vetoed, the remainder of Second Substitute House Bill No. 987 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 20, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 30 of SUBSTITUTE HOUSE BILL NO. 1226, entitled:

"AN ACT Relating to public employees."

I have vetoed Section 30 on pages 27 and 28, and all references to Section 30 on pages 13, 15, 23, 24, 25 and 27.

Section 30 calls for legislative review and approval of the proposed administrative rules for implementing the act. Failure of the legislature to approve the rules would void several sections of the act. In addition to presenting some constitutional issues relating to the functions of the legislative and executive branches, implementation of this section creates too much uncertainty as to when or whether the law will become effective.

With the exception of Section 30 and the references to it, which I have vetoed, Substitute House Bill No. 1226 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 20, 1982

To the Honorable,
the House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 16, subsection (60) of SUBSTITUTE HOUSE BILL NO. 1230, entitled:

"AN ACT Relating to appropriations."

New language in Section 16, subsection (60) would require the Department of Fisheries to locate eight salmon-rearing pens at McNeil Island. This is a good idea which the Department of Fisheries is working to implement. But such a project may violate our agreement with the federal government regarding the use of McNeil Island. If, for this reason, the pens at McNeil Island are not possible, the funds should be used for pens elsewhere. The new language would not permit this; vetoing it will permit the Director of Fisheries to make the best use of his limited funds.

With the exception of Section 16, subsection (60), which I have vetoed, House Bill No. 1230 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.
