(29) \$1,858,000 of the general fund—state appropriation for fiscal year 2022 and \$1,857,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for operation of the volunteer services program. Funding must be prioritized towards serving populations traditionally served by long-term care services to include senior citizens and persons with disabilities.

(30) \$479,000 of the general fund—state appropriation for fiscal year 2022 and \$479,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the kinship navigator program in the Colville Indian reservation, Yakama Nation, and other tribal areas.

(31) Within available funds, the aging and long term support administration must maintain a unit within adult protective services that specializes in the investigation of financial abuse allegations and self-neglect allegations.

(32) \$1,344,000 of the general fund—state appropriation for fiscal year 2022 and \$1,344,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the kinship care support program.

(33) \$7,938,000 of the general fund—state appropriation for fiscal year 2022, \$13,412,000 of the general fund—state appropriation for fiscal year 2023, and \$22,456,000 of the general fund—federal appropriation are provided solely for nursing home services and emergent building costs at the transitional care center of Seattle. No later than December 1, 2022, the department must submit to the appropriate fiscal committees of the legislature a report that includes, but is not limited to:

(a) An itemization of the costs associated with providing direct care services to residents and managing and caring for the facility; and

(b) An examination of the impacts of this facility on clients and providers of the long-term care and medical care sectors of the state that includes, but is not limited to:

(i) An analysis of areas that have realized cost containment or savings as a result of this facility;

(ii) A comparison of individuals transitioned from hospitals to this facility compared to other skilled nursing facilities over the same period of time; and

(iii) Impacts of this facility on lengths of stay in acute care hospitals, other skilled nursing facility, and transitions to home and community-based settings.

(34) \$58,000 of the general fund—state appropriation for fiscal year 2022 and \$90,000 of the general fund—federal appropriation are provided solely for implementation of Engrossed Substitute Senate Bill No. 5229 (health equity continuing education).

(35) \$50,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for fall prevention training. The department of social and health services will provide one-time grant funding to an association representing long-term care facilities to develop and provide fall prevention training for long-term care facilities. The training must include information about environmental modifications to help reduce falls, tools to assess an individual's risk for falling, and evidence-based interventions for reducing falls amongst individuals with dementia or cognitive impairments. The training must be offered at no cost and made available online for the general public to access at any time. The recipient of the grant funds must work with the department of social and health services and the department of health on developing and promoting the training.

(36) \$4,504,000 of the general fund—state appropriation for fiscal year 2022, \$9,072,000 of the general fund—state appropriation for fiscal year 2023, and \$452,000 of the general fund—federal appropriation are provided solely for behavioral health personal care services for individuals with exceptional care needs due to their psychiatric diagnosis as determined through the department's CARE assessment and for three full-time positions to coordinate with the health care authority and medicaid managed care organizations for the care of these individuals. Future caseload and per capita changes for behavioral health personal care services will be incorporated into the department's medicaid forecast. The department shall coordinate with the authority for purposes of developing and submitting to the centers for medicare and medicaid, a 1915(i) state plan.

(37) Within existing appropriations, and no later than December 31, 2021, the department of social and health services must work with stakeholders to consider modifications to current practices that address the current challenges adult family homes are facing with acquiring and maintaining liability insurance coverage. In consultation with stakeholders, the department of social and health services must:

(a) Transition language contained in citation and enforcement actions to plain talk language that helps insurers and consumers understand the nature of the regulatory citations; and

(b) Display the severity and resolution of citation and enforcement actions in plain talk language for consumers and insurers to better understand the nature of the situation.

(38) \$435,000 of the general fund—state appropriation for fiscal year 2022 and \$435,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to continue the current pilot project in Pierce county to provide personal care services to homeless seniors and people with disabilities from the time the person presents at a shelter to the time they become eligible for medicaid and to establish two new pilot project sites in King county, one site in Clark county, and one site in Spokane county. The department of social and health services shall submit a report by December 1, 2022, to the governor and appropriate legislative committees that addresses the following for each site:

(a) The number of people served in the pilot;

(b) The number of people served in the pilot who transitioned to medicaid personal care;

(c) The number of people served in the pilot who found stable housing; and

(d) Any additional information or data deemed relevant by the contractors or the department of social and health services.

(39) \$3,063,000 of the general fund—state appropriation for fiscal year 2022 and \$4,517,000 of the general fund—federal appropriation is provided solely to offset COVID-19 related cost impacts on the in-home medicaid long-term care case management program operated by area agencies on aging.

(40) Appropriations provided in this section are sufficient to implement Substitute Senate Bill No. 5258 (consumer directed employers).

(41) \$69,000 of the general fund—state appropriation for fiscal year 2022, \$65,000 of the general fund—state appropriation for fiscal year 2023, and \$98,000 of the general fund—federal appropriation are provided solely to implement Engrossed Second Substitute Senate Bill No. 5163 (conditionally released sexually violent predators).

(42) \$75,000 of the general fund—state appropriation for fiscal year 2022, \$54,000 of the general fund—state appropriation for fiscal year 2023, and \$130,000 of the general fund—federal appropriation are provided solely to implement Substitute House Bill No. 1411 (health care workforce).

(43) \$15,000 of the general fund—state appropriation for fiscal year 2022, \$111,000 of the general fund—state appropriation for fiscal year 2023, and \$61,000 of the general fund—federal appropriation are provided solely for a cost of living adjustment to the personal needs allowance pursuant to RCW 74.09.340.

(44) \$12,890,000 of the general fund—state appropriation for fiscal year 2023 and \$12,891,000 of the general fund—federal appropriation are provided solely to adjust the minimum occupancy assumption used to calculate the indirect care median to 75 percent.

(45) \$38,265,000 of the general fund—state appropriation for fiscal year 2023 and \$48,666,000 of the general fund—federal appropriation are provided solely for the purposes of settling all claims in the two related cases *Liang et al v. Washington DSHS et al*, Thurston county superior court case no. 20-2-02506-34 and *SEIU 775 v. Washington DSHS et al*, Thurston county superior court case no. 18-2-05584-34, Washington supreme court case no. 99658-8. The expenditure of these amounts is contingent upon the release of all claims in both cited cases, and total settlement costs shall not exceed the amounts provided in this

subsection and section 203(1)(y) of this act. If the settlement agreement is not fully executed and approved by the Thurston county superior court by June 30, 2023, the amounts provided in this subsection shall lapse.

(46) \$799,000 of the general fund—state appropriation for fiscal year 2023 and \$1,016,000 of the general fund—federal appropriation are provided solely to make up for a gap in the employer tax rates paid to agency providers. Funds must be used to ensure wages and benefits of home care agency workers who provide direct care are increased to satisfy wage parity requirements set forth in RCW 74.39A.310, except in situations where agency providers covered the gap in the tax rate by reducing agency administrative expenses.

(47) \$133,000 of the general fund—state appropriation for fiscal year 2022, \$181,000 of the general fund—state appropriation for fiscal year 2023, and \$313,000 of the general fund—federal appropriation are provided solely to continue the overpayment resolution team through the 2021-2023 fiscal biennium. No later than June 30, 2023, the department shall submit to the appropriate committees of the legislature a report describing the work undertaken by this team and the associated outcomes.

(48) \$1,081,000 of the general fund—state appropriation for fiscal year 2023 and \$1,200,000 of the general fund—federal appropriation are provided solely to increase rates by 20 percent for in-home private duty nursing agencies and to increase rates by 10 percent for private duty nursing adult family homes effective July 1, 2022.

(49) \$1,750,000 of the general fund—state appropriation for fiscal year 2023 and \$350,000 of the general fund—federal appropriation are provided solely for area agency on aging care coordinators stationed in acute care hospitals to help transition clients ready for hospital discharge into home and community-based settings. Care coordinators shall keep data on numbers of patients discharged and readmission impacts and report that information to the department of social and health services.

(50) \$23,000 of the general fund—state appropriation for fiscal year 2022, \$15,879,000 of the general fund—state appropriation for fiscal year 2023, and \$17,378,000 of the general fund—federal appropriation are provided solely to increase funding of the assisted living medicaid methodology established in RCW 74.39A.032 and of the specialized dementia care rate methodology to 68 percent of full methodology funding, effective July 1, 2022.

(a) Of the amounts provided in this subsection, \$23,000 of the general fund—state appropriation for fiscal year 2022, \$39,000 of the general fund—state appropriation for fiscal year 2023, and \$62,000 of the general fund—federal appropriation are provided solely for a one-time project staff position at the department to develop and submit a report to the governor and appropriate legislative committees no later than December 30, 2022. The report must include a review and summary of discharge regulations and notification requirements for assisted living providers and include recommendations related to disclosure of providers' terms and conditions for medicaid acceptance.

(b) Following the submission of the report in (a) of this subsection and through the end of the 2021-2023 fiscal biennium, the department shall regularly review and report on medicaid resident utilization of and access to assisted living facilities.

(51) \$12,000,000 of the general fund—state appropriation for fiscal year 2023 and \$12,000,000 of the general fund—federal appropriation are provided solely to increase the rate paid for area agency on aging case management services by 23 percent.

(52) \$68,000 of the general fund—state appropriation for fiscal year 2023 and \$67,000 of the general fund—federal appropriation are provided solely for implementation of Senate Bill No. 5866 (medicaid LTSS/tribes). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

(53) \$24,138,000 of the general fund—state appropriation for fiscal year 2023 and \$24,138,000 of the general fund—federal appropriation are provided solely to increase skilled nursing facility medicaid rates in order to increase low-wage direct and indirect care worker wages by up to four dollars per hour effective July 1, 2022. Funding provided in this subsection is provided for purposes of wage equity.

(a) Of the amounts provided in this subsection, \$21,910,000 of the general fund—state appropriation for fiscal year 2023 and \$21,910,000 of the general fund—federal appropriation are provided solely to increase the fixed rate paid for direct care to no less than 111 percent of statewide case mix neutral median costs to increase low-wage direct care worker wages by up to four dollars per hour effective July 1, 2022. For the purpose of this subsection, "low-wage direct care workers" means certified nursing assistants, dietary workers, laundry workers, and other workers who provide direct care to patients and who have no managerial roles. The department shall determine each facility-specific wage equity funding amount in the direct care rate component by comparing the rate at 105 percent of the direct care median to the rate at 111 percent of the direct care median, and by multiplying the rate difference by the actual paid medicaid days over the July 1, 2022, through June 30, 2023 period.

(b) Of the amounts provided in this subsection, \$2,229,000 of the general fund—state appropriation for fiscal year 2023 and \$2,228,000 of the general fund—federal appropriation are provided solely to increase the fixed rate paid for indirect care to no less than 92 percent of statewide median costs to increase low-wage indirect care worker wages by up to four dollars per hour effective July 1, 2022. For the purpose of this subsection, "low-wage indirect care workers" means central supply workers and housekeeping workers. The department shall determine each facility-specific wage equity funding amount for the indirect care rate component by comparing the rate at 90 percent of the indirect care median to the rate at 92

percent of the indirect care median, and by multiplying the rate difference by the actual paid medicaid days over the July 1, 2022, through June 30, 2023 period.

(c) Working with stakeholders, the department shall develop and adopt rules to establish a verification process for each skilled nursing facility provider to demonstrate how the provider has used its wage equity funding to increase wages for low-wage workers by up to four dollars per hour, and for the department to recover any funding difference between each provider's wage equity funding and the amount of wage equity funding that the provider utilizes to increase low-wage worker wages. The verification process must use wages paid as of December 31, 2021, as the base wage to compare providers' wage spending in the designated job categories to the facility-specific amounts of wage equity funding provided in (a) and (b) of this subsection, excluding any amounts adjusted by settlement. The verification and recovery process in this subsection is a distinct and separate process from the settlement process described in RCW 74.46.022.

(d) It is the intent of the legislature that wage equity funding provided in this subsection be carried forward into the department's appropriation for the 2023-2025 fiscal biennium.

(54) \$350,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a study of the feasibility of placing individuals under the jurisdiction of the department of corrections in nursing home facilities licensed or to be licensed by the department to better meet the client's care needs. By October 1, 2022, in collaboration with the department of corrections and the health care authority, the department must submit a preliminary report to the governor and the relevant fiscal and policy committees of the legislature. At a minimum, the preliminary report must review the medical, behavioral health, and long-term care needs of the individuals and assess whether the state could obtain and be eligible for federal funding for providing health care and long-term care services for individuals under the jurisdiction of the department of corrections placed in nursing home facilities. By June 30, 2023, the department, in collaboration with the department of corrections, must submit a final report to the governor and the relevant fiscal and policy committees of the legislature. The final report shall:

(a) Assess the relevant characteristics and needs of the potential patient population;

(b) Assess the feasibility, daily operating costs, staffing needs, and other relevant factors of potential locations or contractors, including the Maple Lane corrections center, for placement of long-term care individuals under the jurisdiction of the department of corrections for a potential nursing home facility to be licensed by the department;

(c) A cost-benefit analysis of placing individuals under the jurisdiction of department of corrections clients in potential facilities identified in subsection (b) of this subsection, including the possibility or absence of federal funding for operations. The department of corrections must provide daily operating costs of prisons where these individuals may be coming from, the fiscal year 2021 daily costs per incarcerated individual assigned to the sage living unit, and the costs associated with electronic home monitoring costs per individual. This analysis shall take into account both state-run and privately contracted options;

(d) Assess the ability of potential facilities identified in subsection (b) of this subsection to better meet clients' medical and personal needs; and

(e) Assess the ability to provide medicaid funded services to meet the health care needs of these individuals.

(55) \$438,000 of the general fund—state appropriation for fiscal year 2023 and \$558,000 of the general fund—federal appropriation are provided solely to increase the rates paid for adult day health and adult day care providers effective July 1, 2022, by the amount of the temporary rate add-on in effect through June 30, 2022.

(56) \$900,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to expand the availability of home-delivered meals for eligible long-term care clients.

(57) \$82,000 of the general fund—state appropriation for fiscal year 2023 and \$82,000 of the general fund—federal appropriation are provided solely to implement Substitute House Bill No. 1980 (concurrent services). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

(58) The long-term services and supports trust commission established in RCW 50B.04.030 must submit the results of the following activities, including any legislative recommendations, to the governor and appropriate legislative committees no later than January 1, 2023:

(a) The commission shall develop options for allowing persons who become qualified individuals and subsequently move outside of Washington to access benefits in another state if they meet the minimum assistance requirements to become an eligible beneficiary. The commission must include consideration of options for conducting eligibility determinations for qualified individuals who subsequently move outside of Washington, alternative forms of benefits for out-of-state eligible beneficiaries, methods of cross-state coordination on long-term services and supports providers, and timing implications of extending benefits to out-of-state eligible beneficiaries with respect to short-term program implementation and long-term collaboration with other states establishing similar programs.

(b) The commission shall develop options for requiring the ongoing verification of the maintenance of long-term care insurance coverage by persons who have received an exemption under RCW 50B.04.085, including consideration of procedures that minimize administrative burden, minimize negative impact on long-term services and supports trust account solvency, and incentivize maintenance of coverage.

(c) The commission shall develop options for providing workers who have received exemptions based on having private long-term care insurance pursuant to RCW 50B.04.085 an opportunity to rescind their exemption and permanently reenter the long-term services and supports trust program.

Sec. 1205. 2022 c 297 s 205 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES—ECONOMIC SERVICES PROGRAM

General Fund—State Appropriation (FY 2022)	\$393,972,000
General Fund—State Appropriation (FY 2023)	((\$511,507,000))
	<u>\$552,937,000</u>
General Fund—Federal Appropriation	((\$1,658,341,000))
	<u>\$1,759,106,000</u>
General Fund—Private/Local Appropriation	\$5,274,000
Domestic Violence Prevention Account—State Appropriation	\$2,404,000
Coronavirus State Fiscal Recovery Fund—Federal Appropriation	((\$345,399,000))
	<u>\$355,870,000</u>
TOTAL APPROPRIATION	((\$2,916,897,000))
	<u>\$3,069,563,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) (a) ~~(\$122,583,000)~~ \$129,548,000 of the general fund—state appropriation for fiscal year 2022, and ~~(\$860,217,000)~~ \$855,217,000 of the general fund—federal appropriation are provided solely for all components of the WorkFirst program. Within the amounts provided for the WorkFirst program, the department may provide assistance using state-only funds for families eligible for temporary assistance for needy families. The department must create a WorkFirst budget structure that allows for transparent tracking of budget units and subunits of expenditures where these units and subunits are mutually exclusive from other department budget units. The budget structure must include budget units for the following: Cash assistance, child care, WorkFirst activities, and administration of the program. Within these budget units, the department must develop program index codes for specific activities and develop allotments and track expenditures using these codes. The department shall report to the office of financial management and the relevant fiscal and policy committees of the legislature prior to adopting a structure change.

(b) ~~(\$366,071,000)~~ \$394,373,000 of the amounts in (a) of this subsection is for assistance to clients, including grants, diversion cash assistance, and additional diversion emergency assistance including but not limited to assistance authorized under RCW 74.08A.210. The department may use state funds to provide support to working families that are eligible for temporary assistance for needy families but otherwise not receiving cash assistance. Of the amounts provided in this subsection (1) (b):

(i) \$7,776,000 of the general fund—state appropriation for fiscal year 2022, \$9,729,000 of the general fund—state appropriation for fiscal year 2023, and \$27,226,000 of the general fund—federal appropriation are provided solely for the department to increase the temporary assistance for needy family grant standard by 15 percent, effective July 1, 2021.

(ii) \$10,744,000 of the general fund—federal appropriation of the amounts in (a) of this subsection are provided solely for the department to provide cash assistance to households who have exceeded the 60 month time limit in the temporary assistance for needy families program, pursuant to RCW 74.08A.010(5), through June 30, 2022. Because funding for this specific purpose is provided only through fiscal year 2022, pursuant to section 4 of Second Substitute Senate Bill No. 5214, the bill takes effect 90 days after final adjournment of the legislative session in which it is enacted.

(iii) \$9,950,000 of the general fund—state appropriation for fiscal year 2023 and \$2,126,000 of the general fund—federal appropriation are provided solely for the department to provide cash assistance to households who have exceeded the 60 month time limit in the temporary assistance for needy families program, pursuant to RCW 74.08A.010(5), through June 30, 2023.

(iv) \$217,000 of the general fund—state appropriation for fiscal year 2022 and \$863,000 of the general fund—federal appropriation are provided solely for costs in state fiscal year 2022 that are associated with the temporary suspension of the mid-certification review and extension of the eligibility review between November 2020 and June 2021 for the temporary assistance for needy families program.

(v) \$50,000 of the general fund—federal appropriation is provided solely to increase the monthly payment standard for households with nine or more assistance unit members that are receiving temporary assistance for needy families or state family assistance benefits, effective July 1, 2022.

(c) ~~(\$176,446,000)~~ \$161,855,000 of the amounts in (a) of this subsection is for WorkFirst job search, education and training activities, barrier removal services, limited English proficiency services, and tribal assistance under RCW 74.08A.040. The department must allocate this funding based on client outcomes and cost effectiveness measures. Within amounts provided in this subsection (1) (c), the department shall implement the working family support program.

(i) \$5,952,000 of the general fund—state appropriation for fiscal year 2022 and \$157,000 of the general fund—federal appropriation of the amounts in (a) of this subsection are provided solely for the WorkFirst services costs associated with the expansion of the 60 month time limit in the temporary assistance for needy families program for households described in RCW 74.08A.010(5).

(ii) \$2,474,000 of the amounts provided in this subsection (1)(c) is for enhanced transportation assistance. The department must prioritize the use of these funds for the recipients most in need of financial assistance to facilitate their return to work. The department must not utilize these funds to supplant repayment arrangements that are currently in place to facilitate the reinstatement of drivers' licenses.

(iii) \$378,000 of the general fund—state appropriation for fiscal year 2022 and \$568,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for WorkFirst services costs associated with the implementation of chapter 320, Laws of 2020 (revising economic assistance programs).

(iv) \$748,000 of the general fund—state appropriation for fiscal year 2022, \$760,000 of the general fund—state appropriation for fiscal year 2023, and \$1,706,000 of the general fund—federal appropriation are provided solely for WorkFirst services costs associated with the implementation of chapter 338, Laws of 2020 (improving access to temporary assistance for needy families).

(v) \$7,230,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the WorkFirst costs associated with the extension of the 60 month time limit through June 30, 2023.

(d) Of the amounts in (a) of this subsection, (~~(\$318,402,000)~~)\$307,083,000 of the general fund—federal appropriation is for the working connections child care program under RCW 43.216.020 within the department of children, youth, and families. The department is the lead agency for and recipient of the federal temporary assistance for needy families grant. A portion of this grant must be used to fund child care subsidies expenditures at the department of children, youth, and families.

(i) The department of social and health services shall work in collaboration with the department of children, youth, and families to determine the appropriate amount of state expenditures for the working connections child care program to claim towards the state's maintenance of effort for the temporary assistance for needy families program. The departments will also collaborate to track the average monthly child care subsidy caseload and expenditures by fund type, including child care development fund, general fund—state appropriation, and temporary assistance for needy families for the purpose of estimating the annual temporary assistance for needy families reimbursement from the department of social and health services to the department of children, youth, and families.

(ii) Effective September 30, 2022, and annually thereafter, the department of children, youth, and families must report to the governor and the appropriate fiscal and policy committees of the legislature the total state contribution for the working connections child care program claimed the previous fiscal year towards the state's maintenance of effort for the temporary assistance for needy families program and the total temporary assistance for needy families reimbursement from the department of social and health services for the previous fiscal year.

(e) Of the amounts in (a) of this subsection, \$68,496,000 of the general fund—federal appropriation is for child welfare services within the department of children, youth, and families.

(f) Of the amounts in (a) of this subsection, (~~(\$122,836,000)~~)\$122,409,000 is for WorkFirst administration and overhead. Of the amounts provided in this subsection (1)(f):

(i) \$399,000 of the general fund—state appropriation for fiscal year 2022 and \$805,000 of the general fund—state appropriation for fiscal year 2023 of the amounts in (a) of this subsection are provided solely for administrative and overhead costs associated with the expansion of the 60 month time limit through June 30, 2023 in the temporary assistance for needy families program for households described in RCW 74.08A.010(5).

(ii) \$43,000 of the general fund—state appropriation in fiscal year 2022 and \$43,000 of the general fund—state appropriation in fiscal year 2023 are provided solely for administrative and overhead costs associated with the implementation of chapter 320, Laws of 2020 (revising economic assistance programs).

(iii) \$1,215,000 of the general fund—federal appropriation is provided solely for administrative and overhead costs associated with the implementation of chapter 338, Laws of 2020 (improving access to temporary assistance for needy families).

(iv) \$512,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for administrative and overhead costs associated with the implementation of Second Substitute Senate Bill No. 5214 (economic assistance programs). The department is directed to use the funding provided in this subsection to make information technology changes necessary to provide the high-unemployment time-limit extension approved under the bill beginning July 1, 2022.

(v) \$489,000 of the general fund—federal appropriation is provided solely for administrative and overhead costs associated with the implementation of Substitute Senate Bill No. 5838 (diaper subsidy/TANF). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(g)(i) The department shall submit quarterly expenditure reports to the governor, the fiscal committees of the legislature, and the legislative WorkFirst poverty reduction oversight task force under RCW 74.08A.341. In addition to these requirements, the department

must detail any fund transfers across budget units identified in (a) through (e) of this subsection. The department shall not initiate any services that require expenditure of state general fund moneys that are not consistent with policies established by the legislature.

(ii) The department may transfer up to ten percent of funding between budget units identified in (b) through (f) of this subsection. The department shall provide notification prior to any transfer to the office of financial management and to the appropriate legislative committees and the legislative-executive WorkFirst poverty reduction oversight task force. The approval of the director of financial management is required prior to any transfer under this subsection.

(h) Each calendar quarter, the department shall provide a maintenance of effort and participation rate tracking report for temporary assistance for needy families to the office of financial management, the appropriate policy and fiscal committees of the legislature, and the legislative-executive WorkFirst poverty reduction oversight task force. The report must detail the following information for temporary assistance for needy families:

(i) An overview of federal rules related to maintenance of effort, excess maintenance of effort, participation rates for temporary assistance for needy families, and the child care development fund as it pertains to maintenance of effort and participation rates;

(ii) Countable maintenance of effort and excess maintenance of effort, by source, provided for the previous federal fiscal year;

(iii) Countable maintenance of effort and excess maintenance of effort, by source, for the current fiscal year, including changes in countable maintenance of effort from the previous year;

(iv) The status of reportable federal participation rate requirements, including any impact of excess maintenance of effort on participation targets;

(v) Potential new sources of maintenance of effort and progress to obtain additional maintenance of effort;

(vi) A two-year projection for meeting federal block grant and contingency fund maintenance of effort, participation targets, and future reportable federal participation rate requirements; and

(vii) Proposed and enacted federal law changes affecting maintenance of effort or the participation rate, what impact these changes have on Washington's temporary assistance for needy families program, and the department's plan to comply with these changes.

(i) In the 2021-2023 fiscal biennium, it is the intent of the legislature to provide appropriations from the state general fund for the purposes of (a) of this subsection if the department does not receive additional federal temporary assistance for needy families contingency funds in each fiscal year as assumed in the budget outlook.

(2) \$2,545,000 of the general fund—state appropriation for fiscal year 2022 and \$2,546,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for naturalization services.

(3) \$2,366,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for employment services for refugees and immigrants, of which \$1,774,000 is provided solely for the department to pass through to statewide refugee and immigrant assistance organizations for limited English proficiency pathway services; and \$2,366,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for employment services for refugees and immigrants, of which \$1,774,000 is provided solely for the department to pass through to statewide refugee and immigrant assistance organizations for limited English proficiency pathway services.

(4) On January 1, 2022, and January 1, 2023, the department must report to the governor and the legislature on all sources of funding available for both refugee and immigrant services and naturalization services during the current fiscal year and the amounts expended to date by service type and funding source. The report must also include the number of clients served and outcome data for the clients.

(5) To ensure expenditures remain within available funds appropriated in this section, the legislature establishes the benefit under the state food assistance program, pursuant to RCW 74.08A.120, to be one hundred percent of the federal supplemental nutrition assistance program benefit amount.

(6) The department shall review clients receiving services through the aged, blind, or disabled assistance program, to determine whether they would benefit from assistance in becoming naturalized citizens, and thus be eligible to receive federal supplemental security income benefits. Those cases shall be given high priority for naturalization funding through the department.

(7) The department shall continue the interagency agreement with the department of veterans' affairs to establish a process for referral of veterans who may be eligible for veterans' services. This agreement must include out-stationing department of veterans' affairs staff in selected community service office locations in King and Pierce counties to facilitate applications for veterans' services.

(8) \$1,500,000 of the general fund—state appropriation for fiscal year 2022 and \$1,500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for operational support of the Washington information network 211 organization.

(9) \$609,000 of the general fund—state appropriation for fiscal year 2022 and \$380,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of section 2, chapter 9, Laws of 2021 (SHB 1151) (public assistance), a state-funded cash benefit program and transitional food assistance program for households with children that are recipients of the supplemental nutrition assistance program of the food

assistance program but are not recipients of the temporary assistance for needy families program.

(10) \$377,000 of the general fund—state appropriation for fiscal year 2022 and \$377,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the consolidated emergency assistance program.

(11) \$77,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the department to conduct a study, jointly with the poverty reduction work group, on the feasibility of implementing a universal basic income pilot program. The study must include research of other universal basic income programs, recommendations for a pilot in Washington, a cost-benefit analysis, operational costs, and an implementation plan that includes a strategy to ensure pilot participants who voluntarily quit a public assistance program to enroll in the universal basic income pilot will not experience gaps in service upon completion of the pilot. The department shall submit recommendations required by this section to the governor and appropriate legislative committees no later than June 1, 2022.

(12) \$251,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for costs in state fiscal year 2022 that are associated with the temporary suspension of mid-certification reviews and extension of the eligibility review between November 2020 and June 2021 for the aged, blind, or disabled program.

(13) \$388,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for costs in fiscal year 2022 that are associated with the temporary suspension of mid-certification reviews and extension of the eligibility review between November 2020 and June 2021 for the food assistance program.

(14) ~~(\$5,399,000)~~ \$487,000 of the general fund—state appropriation for fiscal year 2023 and \$15,870,000 of the coronavirus state fiscal recovery account—federal appropriation is provided solely for the department to increase benefits for the food assistance program to maintain parity with benefits provided under the supplemental nutrition assistance program, for the period of July 1, 2021, through ~~(January 31, 2022)~~ February 28, 2023.

(15) \$340,000,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for the Washington immigrant relief fund, a disaster assistance program to provide grants to eligible persons. Administrative costs may not exceed 10 percent of the funding in this subsection.

(a) A person is eligible for a grant who:

(i) Lives in Washington state;

(ii) Is at least 18 years of age;

(iii) After January 1, 2021, and before June 30, 2023, has been significantly affected by the coronavirus pandemic, such as loss of employment or significant reduction in work hours, contracting the coronavirus, having to self-quarantine as a result of exposure to the coronavirus, caring for a family member who contracted the coronavirus, or being unable to access childcare for children impacted by school or childcare closures; and

(iv) Is not eligible to receive federal economic impact (stimulus) payments or unemployment insurance benefits due to the person's immigration status.

(b) The department may not deny a grant to a person on the basis that another adult in the household is eligible for federal economic impact (stimulus) payments or unemployment insurance benefits or that the person previously received a grant under the program. However, a person may not receive more than three grants.

(c) The department's duty to provide grants is subject to the availability of the amounts specified in this subsection, and the department must prioritize grants to persons who are most in need of financial assistance using factors that include, but are not limited to: (i) Having an income at or below 250 percent of the federal poverty level; (ii) being the primary or sole income earner of household; (iii) experiencing housing instability; and (iv) having contracted or being at high risk of contracting the coronavirus.

(d) The department may contract with one or more entities to administer the program. If the department engages in a competitive contracting process for administration of the program, experience in administering similar programs must be given weight in the selection process to expedite the delivery of benefits to eligible applicants.

(16) \$204,000 of the general fund—state appropriation for fiscal year 2022 and \$22,766,000 of the general fund—federal appropriation (ARPA) are provided solely for the department to provide a one-time or short-term cash benefit to families eligible for pandemic emergency assistance under section 9201 of the American rescue plan act of 2021, P.L. 117-2, and to offer an equivalent benefit to eligible state family assistance or food assistance program recipients.

(17) \$88,000 of the general fund—state appropriation for fiscal year 2022 and \$89,000 of the general fund—federal appropriation are provided solely for the implementation of chapter 90, Laws of 2021 (SSB 5068) (postpartum period/Medicaid).

(18) \$41,000 of the general fund—state appropriation for fiscal year 2022, \$81,000 of the general fund—state appropriation for fiscal year 2023, and \$237,000 of the general fund—federal appropriation are provided solely for implementation of Substitute House Bill No. 1416 (insurers/child support coll.).

(19) \$11,884,000 of the general fund—state appropriation for fiscal year 2022 and \$15,248,000 of the general fund—federal appropriation are provided solely to cover the variance in total child support arrears collected in fiscal year 2022 compared to the total arrears collected in fiscal year 2021.

(20) \$36,860,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to increase the grant standard for the aged, blind, or disabled program to a maximum

of \$417 per month for a one-person grant and \$528 for a two-person grant effective September 1, 2022.

(21) \$513,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to eliminate the mid-certification review for blind or disabled participants in the aged, blind, or disabled program, effective July 1, 2022.

(22) \$195,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to expand the aged, blind, or disabled program's clothing, personal maintenance, and necessary incidentals grant to individuals between the ages of 21 and 64 who are residing in a public mental institution, effective September 1, 2022.

(23) \$207,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to implement House Bill No. 1748 (human trafficking/ABD prog.). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(24) \$560,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to implement a state-funded employment and training program for recipients of the state's food assistance program, effective July 1, 2022.

(25) \$219,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to implement Substitute Senate Bill No. 5785 (transitional food assistance). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(26) \$95,000 of the general fund—state appropriation for fiscal year 2023 and \$61,000 of the general fund—federal appropriation are provided solely to remove the asset limit test for the medicare savings plan program in collaboration with the health care authority, effective January 1, 2023.

(27) \$207,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for system upgrades necessary for the anticipated expansion of medicaid equivalent health care coverage to uninsured adults with income up to 138 percent of the federal poverty level regardless of immigration status in collaboration with the health care authority. Funding is subject to the conditions, limitations, and review requirements of section 701 of this act.

(28) \$8,489,000 of the general fund—state appropriation for fiscal year 2022 and \$19,909,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to contract with nonprofit organizations to provide services to refugees and immigrants that have arrived in Washington state on or after July 1, 2021, and are eligible for federal refugee resettlement services, including those from Afghanistan and Ukraine. The services shall include, but are not limited to, emergency, temporary, and long-term housing and assistance with food, transportation, accessing childhood education services, applying for benefits and immigrant services, education and employment support, and social services navigation.

(29) \$750,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to provide funding to domestic violence services providers in Washington state that receive funding through the domestic violence services program and provide shelter services. The funding to each entity shall be proportionate, based upon bed capacity. This funding shall be in addition to any other funds previously provided to or scheduled to be provided under a contract with the domestic violence services program in the 2021-2023 fiscal biennium.

(30) \$1,000 of the general fund—state appropriation for fiscal year 2023 is for the implementation of Engrossed Second Substitute House Bill No. 2075 (DSHS service requirements).

(31) \$211,000 of the general fund—state appropriation for fiscal year 2022, \$5,727,000 of the general fund—state appropriation for fiscal year 2023, and \$13,762,000 of the general fund—federal appropriation are provided solely for the integrated eligibility and enrollment modernization project to create a comprehensive application and benefit status tracker for multiple programs and to establish a foundational platform. Funding is subject to the conditions, limitations, and review requirements of section 701 of this act.

(32) \$27,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Substitute Senate Bill No. 5729 (hearing deadlines/good cause). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

	<u>\$60,088,000</u>
TOTAL APPROPRIATION	((\$140,379,000))
	<u>\$147,823,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) Within amounts appropriated in this section, the department shall provide to the department of health, where available, the following data for all nutrition assistance programs funded by the United States department of agriculture and administered by the department. The department must provide the report for the preceding federal fiscal year by February 1, 2022, and February 1, 2023. The report must provide:

- (a) The number of people in Washington who are eligible for the program;
- (b) The number of people in Washington who participated in the program;
- (c) The average annual participation rate in the program;
- (d) Participation rates by geographic distribution; and
- (e) The annual federal funding of the program in Washington.

(2) (a) \$3,000 of the general fund—state appropriation for fiscal year 2022, \$5,000 of the general fund—state appropriation for fiscal year 2023, and \$8,000 of the general fund—federal appropriation are provided solely for the implementation of an agreement reached between the governor and the Washington federation of state employees for the language access providers under the provisions of chapter 41.56 RCW for the 2021-2023 fiscal biennium.

(b) \$20,000 of the general fund—state appropriation for fiscal year 2023 and \$11,000 of the general fund—federal appropriation are provided solely for the implementation of an agreement reached between the governor and the Washington federation of state employees for the language access providers under the provisions of chapter 41.56 RCW for fiscal year 2023 as provided in section 938 of this act.

(3) By October 1, 2021, the department must submit a report to the fiscal committees of the legislature detailing shortcomings of the previously funded electronic health records system and contract, the clinical validity of existing software, approaches to mitigate the shortcomings of previously funded system, and a recommended approach to establishing a comprehensive electronic health records system at state facilities in the future.

(4) \$39,000 of the general fund—state appropriation for fiscal year 2022 is provided solely to implement Substitute House Bill No. 1411 (health care workforce).

(5) \$364,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the creation of a program director position and a project manager position tasked

with ensuring an enterprise-wide approach to poverty reduction across Washington. These positions will convene and facilitate the poverty reduction subcommittee, track agency progress on poverty reduction efforts to build a stronger continuum of care, coordinate budget and policy proposals, and ensure that recommendations incorporate data prepared by the poverty reduction technical advisory group.

(6) \$461,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to create a poverty reduction technical advisory group that is tasked with developing a statewide measurement and data framework that can help inform future budget and policy decisions. This group must also track the state's progress towards creating a just and equitable future. This group must collaborate with communities experiencing poverty and the state office of equity to ensure their input is factored into the analysis of data.

(7) \$75,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department, in collaboration with the Washington state health care authority, to study the cost and benefit of adopting available options to expand medicare savings programs and classic medicaid programs, including categorically needy and medically needy, to promote affordable care, premiums, and cost-sharing for medicare enrollees. The cost analysis must identify available federal funding for each option. The department shall consider options that create affordability comparable to affordable care act programs available to adults without medicare, as well as intermediate options that move toward comparability. The study must analyze equity impacts of each option, considering gender, race, and ethnicity. The department shall submit the study and recommendations to the fiscal and health care committees of the legislature, as well as the joint legislative-executive committee on planning for aging and disability issues, by November 1, 2022.

(8) \$75,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to design and conduct a study describing the service experiences and characteristics of persons receiving medicaid-funded long-term services and supports and persons receiving services related to developmental or intellectual disabilities, and associated social and health services expenditures. Where feasible, this analysis shall include service experiences and expenditures of these populations within and across medicaid-funded long-term services and supports, medicaid-funded medical programs, medicaid-funded behavioral health programs, and medicare programs in Washington state. The department analysis shall be developed in consultation with relevant stakeholders, including but not limited to the Washington state health care authority. The department shall submit a final study report to the governor and appropriate committees of the legislature by December 31, 2022.

(9) \$65,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to prepare an annual report in consultation with the department of commerce on the projected demand for permanent supportive housing. This report is to be submitted to the appropriate committees of the legislature by December 1, 2022.

Sec. 1209. 2022 c 297 s 209 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES—PAYMENTS TO OTHER AGENCIES PROGRAM

General Fund—State Appropriation (FY 2022)	\$68,048,000
General Fund—State Appropriation (FY 2023)	((60,750,000))

General Fund—Federal Appropriation	((55,969,000))
	<u>\$5,329,000</u>
TOTAL APPROPRIATION	((184,767,000))
	<u>\$181,493,000</u>

The appropriations in this section are subject to the following conditions and limitations: Within the amounts appropriated in this section, the department must extend master property insurance to all buildings owned by the department valued over \$250,000 and to all locations leased by the department with contents valued over \$250,000.

Sec. 1210. 2022 c 297 s 210 (uncodified) is amended to read as follows:

FOR THE STATE HEALTH CARE AUTHORITY

(1)(a) During the 2021-2023 fiscal biennium, the health care authority shall provide support and data as required by the office of the state actuary in providing the legislature with health care actuarial analysis, including providing any information in the possession of the health care authority or available to the health care authority through contracts with providers, plans, insurers, consultants, or any other entities contracting with the health care authority.

(b) Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the health care authority are subject to technical oversight by the office of the chief information officer.

(2) The health care authority shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The health care authority may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the health care authority receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing

appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) (a) The health care authority, the health benefit exchange, the department of social and health services, the department of health, and the department of children, youth, and families shall work together within existing resources to establish the health and human services enterprise coalition (the coalition). The coalition, led by the health care authority, must be a multi-organization collaborative that provides strategic direction and federal funding guidance for projects that have cross-organizational or enterprise impact, including information technology projects that affect organizations within the coalition. The office of the chief information officer shall maintain a statewide perspective when collaborating with the coalition to ensure that projects are planned for in a manner that ensures the efficient use of state resources, supports the adoption of a cohesive technology and data architecture, and maximizes federal financial participation. The work of the coalition and any project identified as a coalition project is subject to the conditions, limitations, and review provided in section 701 of this act.

(b) The health care authority must submit a report on November 1, 2021, and annually thereafter, to the fiscal committees of the legislature. The report must include, at a minimum:

(i) A list of active coalition projects as of July 1st of the fiscal year. This must include all current and ongoing coalition projects, which coalition agencies are involved in these projects, and the funding being expended on each project, including in-kind funding. For each project, the report must include which federal requirements each coalition project is working to satisfy, and when each project is anticipated to satisfy those requirements; and

(ii) A list of coalition projects that are planned in the current and following fiscal year. This must include which coalition agencies are involved in these projects, including the anticipated in-kind funding by agency, and if a budget request will be submitted for funding. This must reflect all funding required by fiscal year and by fund source and include the budget outlook period.

(4) The appropriations to the health care authority in this act shall be expended for the programs and in the amounts specified in this act. However, after May 1, ~~((2022))~~2023, unless prohibited by this act, the authority may transfer general fund—state appropriations for fiscal year 2022 among programs after approval by the director of the office of financial management. The authority must notify the fiscal committees of the legislature prior to receiving approval from the director of the office of financial management. To the extent that appropriations in sections 211 through 215 of this act are insufficient to fund actual expenditures in excess of caseload forecast and utilization assumptions or for expenses in response to the COVID-19 pandemic, the authority may transfer general fund—state appropriations for fiscal year ~~((2022))~~2023 that are provided solely for a specified purpose. The authority may not transfer funds, including for expenses in response to the COVID-19 pandemic in fiscal year ~~((2022))~~2023, and the director of the office of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the legislature in writing seven days prior to approving any allotment modifications or transfers under this section. The written notification must include a narrative explanation and justification of changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications and transfers.

Sec. 1211. 2022 c 297 s 211 (uncodified) is amended to read as follows:

TOTAL APPROPRIATION.....	(\$20,228,839,000)
	\$21,998,335,000

The appropriations in this section are subject to the following conditions and limitations:

(1) The authority shall not accept or expend any federal funds received under a medicaid transformation waiver under healthier Washington except as described in subsections (2), (3), and (4) of this section until specifically approved and appropriated by the legislature. To ensure compliance with legislative directive budget requirements and terms and conditions of the waiver, the authority shall implement the waiver and reporting requirements with oversight from the office of financial management. The legislature finds that appropriate management of the innovation waiver requires better analytic capability, transparency, consistency, timeliness, accuracy, and lack of redundancy with other established measures and that the patient must be considered first and foremost in the implementation and execution of the demonstration waiver. In order to effectuate these goals, the authority shall: (a) Require the Dr. Robert Bree collaborative and the health technology assessment program to reduce the administrative burden upon providers by only requiring performance measures that are nonduplicative of other nationally established measures. The joint select committee on health care oversight will evaluate the measures chosen by the collaborative and the health technology assessment program for effectiveness and appropriateness; (b) develop a patient satisfaction survey with the goal to gather information about whether it was beneficial for the patient to use the center of excellence location in exchange for additional out-of-pocket savings; (c) ensure patients and health care providers have significant input into the implementation of the demonstration waiver, in order to ensure improved patient health outcomes; and (d) in cooperation with the department of social and health services, consult with and provide notification of work on applications for federal waivers, including details on waiver duration, financial implications, and potential future impacts on the state budget, to the joint select committee on health care oversight prior to submitting waivers for federal approval. The authority shall submit an application to the centers for medicaid and medicare services to extend the duration of the medicaid transformation waiver under healthier Washington as described in subsections (2), (3), and (4) of this section by one year. If not extended, by federal standard, the medicaid transformation demonstration waiver shall not exceed the duration originally granted by the centers for medicare and medicaid services and any programs created or funded by this waiver do not create an entitlement. The demonstration period for the waiver as described in subsections (2), (3), and (4) of this section concludes (~~December 31, 2022~~) June 30, 2023.

(2) (a) No more than (~~(\$78,409,000)~~) \$93,107,000 of the general fund—federal appropriation and no more than (~~(\$66,264,000)~~) \$88,826,000 of the general fund—local appropriation may be expended for transformation through accountable communities of health described in initiative 1 of the medicaid transformation demonstration wavier under healthier Washington, including preventing youth drug use, opioid prevention and treatment, and physical and behavioral health integration. Under this initiative, the authority shall take into account local input regarding community needs. In order to ensure transparency to the appropriate fiscal committees of the legislature, the authority shall provide fiscal staff of the legislature query ability into any database of the fiscal intermediary that authority staff would be authorized to access. The authority shall not increase general fund—state expenditures under this initiative. The director shall also report to the fiscal committees of the legislature all of the expenditures under this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

(b) No more than (~~(\$198,909,000)~~) \$315,678,000 of the general fund—federal appropriation and no more than (~~(\$81,245,000)~~) \$128,939,000 of the general fund—private/local appropriation may be expended for the medicaid quality improvement program. Under federal regulations, the medicaid quality improvement program is authorized and allows states to design quality improvement programs for the medicaid population in ways that support the state's quality goals. Medicaid quality improvement program payments will not count against the medicaid transformation demonstration waiver spending limits and are excluded from the waiver's budget neutrality calculation. Apple health managed care organizations and their partnering providers will receive medicaid quality improvement program payments as they meet designated milestones. Partnering providers and apple health managed care organizations will work together to achieve medicaid quality improvement program goals according to the performance period timelines and reporting deadlines as set forth by the authority. The authority shall only utilize the medicaid quality improvement program to support the transformation waiver and shall not pursue its use for other purposes. Any programs created or funded by the medicaid quality improvement program does not create an entitlement. The authority shall not increase general fund—state, federal, or private/local expenditures under this program. The director shall report to the joint select committee on health care oversight not less than quarterly on financial and health outcomes. The director shall report to the fiscal committees of the legislature all of the expenditures under this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

(3) No more than ~~((\$26,837,000))~~ \$46,739,000 of the general fund—federal appropriation and ~~((\$26,839,000))~~ \$46,742,000 of the general fund—local appropriation may be expended for tailored support for older adults and medicaid alternative care described in initiative 2 of the medicaid transformation demonstration waiver under healthier Washington as well as administrative expenses for initiative 3. The authority shall contract and provide funding to the department of social and health services to administer initiative 2. The director in cooperation with the secretary of the department of social and health services shall report to the office of financial management all of the expenditures of this section and shall provide such fiscal data in the time, manner, and form requested. The authority shall not increase general fund—state expenditures on this initiative.

(4) No more than ~~((\$28,680,000))~~ \$41,915,000 of the general fund—federal appropriation and no more than ~~((\$12,992,000))~~ \$20,310,000 of the general fund—local appropriation may be expended for supported housing and employment services described in initiative 3a and 3b of the medicaid transformation demonstration waiver under healthier Washington. Under this initiative, the authority and the department of social and health services shall ensure that allowable and necessary services are provided to eligible clients as identified by the department or its third party administrator. The authority shall not increase general fund—state expenditures under this initiative. The director shall report to the joint select committee on health care oversight no less than quarterly on financial and health outcomes. The director shall also report to the fiscal committees of the legislature all of the expenditures of this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

(5) The authority shall submit an application to the centers for medicare and medicaid services to renew the 1115 demonstration waiver for an additional five years as described in subsections (2), (3), and (4) of this section. The authority may not accept or expend any federal funds received under an 1115 demonstration waiver except as described in this section unless the legislature has appropriated the federal funding. To ensure compliance with legislative requirements and terms and conditions of the waiver, the authority shall implement the renewal of the 1115 demonstration waiver and reporting requirements with oversight from the office of financial management. The legislature finds that appropriate management of the renewal of the 1115 demonstration waiver (~~((as set forth in subsections (6), (7), and (8) of this section))~~) requires sound, consistent, timely, and transparent oversight and analytic review in addition to lack of redundancy with other established measures. The patient must be considered first and foremost in the implementation and execution of the demonstration waiver. To accomplish these goals, the authority shall develop consistent performance measures that focus on population health and health outcomes. The authority shall limit the number of projects that accountable communities of health may participate in under initiative 1 to a maximum of six and shall seek to develop common performance measures when possible. The joint select committee on health care oversight will evaluate the measures chosen: (a) For effectiveness and appropriateness; and (b) to provide patients and health care providers with significant input into the implementation of the demonstration waiver to promote improved population health and patient health outcomes. In cooperation with the department of social and health services, the authority shall consult with and provide notification of work on applications for federal waivers, including details on waiver duration, financial implications, and potential future impacts on the state budget to the joint select committee on health care oversight prior to submitting these waivers for federal approval. Prior to final approval or acceptance of funds by the authority, the authority shall submit the special terms and conditions as submitted to the centers for medicare and medicaid services and the anticipated budget for the duration of the renewed waiver to the governor, the joint select committee on health care, and the fiscal committees of the legislature. By federal standard any programs created or funded by this waiver do not create an entitlement. The demonstration period for the waiver (~~((as described in subsections (6), (7), and (8) of this section))~~) renewal begins (~~((January))~~) July 1, 2023.

(6) ~~((\$32,432,000 of the general fund federal appropriation and \$40,296,000 of the general fund local appropriation are provided solely for accountable communities of health described in initiative 1 of the 1115 demonstration waiver and this is the maximum amount that may be expended for this purpose. In renewing this initiative, the authority shall consider local input regarding community needs and shall limit total local projects to no more than six. To provide transparency to the appropriate fiscal committees of the legislature, the authority shall provide fiscal staff of the legislature query ability into any database of the fiscal intermediary that authority staff would be authorized to access. The authority shall not supplement the amounts provided in this subsection with any general fund state moneys appropriated in this section or any moneys that may be transferred pursuant to subsection (1) of this section. The director shall report to the fiscal committees of the legislature all expenditures under this subsection and provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.~~

~~((b) \$110,778,000 of the general fund federal appropriation and \$45,248,000 of the general fund private/local appropriation are provided solely for the medicaid quality improvement program and this is the maximum amount that may be expended for this purpose. Medicaid quality improvement program payments do not count against the 1115 demonstration waiver spending limits and are excluded from the waiver's budget neutrality calculation. The authority may provide medicaid quality improvement program payments to apple health managed care organizations and their partnering providers as they meet designated milestones. Partnering providers and apple health managed care organizations must work together to achieve medicaid quality improvement program goals according to the performance period~~

timelines and reporting deadlines as set forth by the authority. The authority may only use the medicaid quality improvement program to support initiatives 1, 2, and 3 as described in the 1115 demonstration waiver and may not pursue its use for other purposes. Any programs created or funded by the medicaid quality improvement program do not constitute an entitlement for clients or providers. The authority shall not supplement the amounts provided in this subsection with any general fund state, general fund federal, or general fund local moneys appropriated in this section or any moneys that may be transferred pursuant to subsection (1) of this section. The director shall report to the joint select committee on health care oversight not less than quarterly on financial and health outcomes. The director shall report to the fiscal committees of the legislature all expenditures under this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

(c) In collaboration with the accountable communities of health, the authority will submit a report to the governor and the joint select committee on health care oversight describing how each of the accountable community of health's work aligns with the community needs assessment no later than December 1, 2022.

(d) Performance measures and payments for accountable communities of health shall reflect accountability measures that demonstrate progress toward transparent, measurable, and meaningful goals that have an impact on improved population health and improved health outcomes, including a path to financial sustainability. While these goals may have variation to account for unique community demographics, measures should be standardized when possible.

~~(7) \$19,902,000 of the general fund federal appropriation and \$19,903,000 of the general fund local appropriation are provided solely for long term support services as described in initiative 2 of the 1115 demonstration waiver as well as administrative expenses for initiative 3 and this is the maximum amount that may be expended for this purpose. The authority shall contract with and provide funding to the department of social and health services to administer initiative 2. The director in cooperation with the secretary of the department of social and health services shall report to the office of financial management all of the expenditures of this section and shall provide such fiscal data in the time, manner, and form requested. The authority shall not supplement the amounts provided in this subsection with any general fund state moneys appropriated in this section or any moneys that may be transferred pursuant to subsection (1) of this section.~~

~~(8) (a) \$13,235,000 of the general fund federal appropriation and \$7,318,000 of the general fund local appropriation are provided solely for supported housing and employment services described in initiative 3a and 3b of the 1115 demonstration waiver and this is the maximum amount that may be expended for this purpose. Under this initiative, the authority and the department of social and health services shall ensure that allowable and necessary services are provided to eligible clients as identified by the department or its third-party administrator. The authority and the department, in consultation with the medicaid forecast work group, shall ensure that reasonable reimbursements are established for services deemed necessary within an identified limit per individual. The authority shall not supplement the amounts provided in this subsection with any general fund state moneys appropriated in this section or any moneys that may be transferred pursuant to subsection (1) of this section. The director shall report to the joint select committee on health care oversight no less than quarterly on financial and health outcomes. The director shall also report to the fiscal committees of the legislature all of the expenditures of this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.~~

~~(b) The authority and the department shall seek additional flexibilities for housing supports through the centers for medicare and medicaid services and shall coordinate with the office of financial management and the department of commerce to ensure that services are not duplicated.~~

~~(c) The director shall report to the joint select committee on health care oversight no less than quarterly on utilization and caseload statistics for both supportive housing and employment services and its progress toward increasing uptake and availability for these services.~~

~~(9)) \$202,000 of the general fund state appropriation for fiscal year 2023 is provided solely for supported employment services and \$208,000 of the general fund state appropriation for fiscal year 2023 is provided solely for supported housing services, similar to the services described in initiatives 3a and 3b of the 1115 demonstration waiver to individuals who are ineligible for medicaid. Under these initiatives, the authority and the department of social and health services shall ensure that allowable and necessary services are provided to eligible clients as identified by the authority or its third-party administrator. Before authorizing services, eligibility for initiative 3a or 3b of the 1115 demonstration waiver must first be determined.~~

~~((10)) (7) The authority shall submit a plan to preserve the waiver that allows for the full cost of stays in institutions for mental diseases to be included in managed care rates by November 1, 2021, to the appropriate committees of the legislature.~~

~~((11)) (8) The authority shall submit a plan to preserve the waiver allowing for full federal financial participation for medical clients in mental health facilities classified as institutions for mental diseases by November 1, 2021, to the appropriate committees of the legislature.~~

~~((12)) (9) Sufficient amounts are appropriated in this subsection to implement the medicaid expansion as defined in the social security act, section 1902(a)(10)(A)(i)(VIII).~~

~~((13))~~ (10) The legislature finds that medicaid payment rates, as calculated by the health care authority pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that the cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

~~((14))~~ (11) Based on quarterly expenditure reports and caseload forecasts, if the health care authority estimates that expenditures for the medical assistance program will exceed the appropriations, the health care authority shall take steps including but not limited to reduction of rates or elimination of optional services to reduce expenditures so that total program costs do not exceed the annual appropriation authority.

~~((15))~~ (12) In determining financial eligibility for medicaid-funded services, the health care authority is authorized to disregard recoveries by Holocaust survivors of insurance proceeds or other assets, as defined in RCW 48.104.030.

~~((16))~~ (13) The legislature affirms that it is in the state's interest for Harborview medical center to remain an economically viable component of the state's health care system.

~~((17))~~ (14) When a person is ineligible for medicaid solely by reason of residence in an institution for mental diseases, the health care authority shall provide the person with the same benefits as he or she would receive if eligible for medicaid, using state-only funds to the extent necessary.

~~((18))~~ (15) \$3,733,000 of the general fund—state appropriation for fiscal year 2022, ~~(\$4,261,000)~~ \$3,785,000 of the general fund—state appropriation for fiscal year 2023, and ~~(\$9,050,000)~~ \$9,553,000 of the general fund—federal appropriation are provided solely for low-income disproportionate share hospital payments.

~~((19))~~ (16) Within the amounts appropriated in this section, the health care authority shall provide disproportionate share hospital payments to hospitals that provide services to children in the children's health program who are not eligible for services under Title XIX or XXI of the federal social security act due to their citizenship status.

~~((20))~~ (17) \$7,000,000 of the general fund—federal appropriation is provided solely for supplemental payments to nursing homes operated by public hospital districts. The public hospital district shall be responsible for providing the required nonfederal match for the supplemental payment, and the payments shall not exceed the maximum allowable under federal rules. It is the legislature's intent that the payments shall be supplemental to and shall not in any way offset or reduce the payments calculated and provided in accordance with part E of chapter 74.46 RCW. It is the legislature's further intent that costs otherwise allowable for rate-setting and settlement against payments under chapter 74.46 RCW shall not be disallowed solely because such costs have been paid by revenues retained by the nursing home from these supplemental payments. The supplemental payments are subject to retrospective interim and final cost settlements based on the nursing homes' as-filed and final medicare cost reports. The timing of the interim and final cost settlements shall be at the health care authority's discretion. During either the interim cost settlement or the final cost settlement, the health care authority shall recoup from the public hospital districts the supplemental payments that exceed the medicaid cost limit and/or the medicare upper payment limit. The health care authority shall apply federal rules for identifying the eligible incurred medicaid costs and the medicare upper payment limit.

~~((21))~~ (18) The health care authority shall continue the inpatient hospital certified public expenditures program for the 2021-2023 fiscal biennium. The program shall apply to all public hospitals, including those owned or operated by the state, except those classified as critical access hospitals or state psychiatric institutions. The health care authority shall submit reports to the governor and legislature by November 1, 2021, and by November 1, 2022, that evaluate whether savings continue to exceed costs for this program. If the certified public expenditures (CPE) program in its current form is no longer cost-effective to maintain, the health care authority shall submit a report to the governor and legislature detailing cost-effective alternative uses of local, state, and federal resources as a replacement for this program. During fiscal year 2022 and fiscal year 2023, hospitals in the program shall be paid and shall retain one hundred percent of the federal portion of the allowable hospital cost for each medicaid inpatient fee-for-service claim payable by medical assistance and one hundred percent of the federal portion of the maximum disproportionate share hospital payment allowable under federal regulations. For the purpose of determining the amount of any state grant under this subsection, payments will include the federal portion of medicaid program supplemental payments received by the hospitals. Inpatient medicaid payments shall be established using an allowable methodology that approximates the cost of claims submitted by the hospitals. Payments made to each hospital in the program in each fiscal year of the biennium shall be compared to a baseline amount. The baseline amount will be determined by the total of (a) the inpatient claim payment amounts that would have been paid during the fiscal year had the hospital not been in the CPE program based on the reimbursement rates developed, implemented, and consistent with policies approved in the 2021-2023 biennial operating appropriations act and in effect on July 1, 2015, (b) one-half of the indigent assistance disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005, and (c) all of the other disproportionate share hospital payment amounts paid to and retained by each hospital during fiscal year 2005 to the extent the same disproportionate share hospital programs exist in the 2019-2021 fiscal biennium. If payments during the fiscal year exceed the hospital's baseline amount, no

additional payments will be made to the hospital except the federal portion of allowable disproportionate share hospital payments for which the hospital can certify allowable match. If payments during the fiscal year are less than the baseline amount, the hospital will be paid a state grant equal to the difference between payments during the fiscal year and the applicable baseline amount. Payment of the state grant shall be made in the applicable fiscal year and distributed in monthly payments. The grants will be recalculated and redistributed as the baseline is updated during the fiscal year. The grant payments are subject to an interim settlement within eleven months after the end of the fiscal year. A final settlement shall be performed. To the extent that either settlement determines that a hospital has received funds in excess of what it would have received as described in this subsection, the hospital must repay the excess amounts to the state when requested. \$425,000 of the general fund—state appropriation for fiscal year 2022 and ~~(\$391,000)~~ \$273,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for state grants for the participating hospitals.

~~((22))~~ (19) The health care authority shall seek public-private partnerships and federal funds that are or may become available to provide on-going support for outreach and education efforts under the federal children's health insurance program reauthorization act of 2009.

~~((23))~~ (20) The health care authority shall target funding for maternity support services towards pregnant women with factors that lead to higher rates of poor birth outcomes, including hypertension, a preterm or low birth weight birth in the most recent previous birth, a cognitive deficit or developmental disability, substance abuse, severe mental illness, unhealthy weight or failure to gain weight, tobacco use, or African American or Native American race. The health care authority shall prioritize evidence-based practices for delivery of maternity support services. To the extent practicable, the health care authority shall develop a mechanism to increase federal funding for maternity support services by leveraging local public funding for those services.

~~((24))~~ (21) The authority shall submit reports to the governor and the legislature by September 15, 2021, and no later than September 15, 2022, that delineate the number of individuals in medicaid managed care, by carrier, age, gender, and eligibility category, receiving preventative services and vaccinations. The reports should include baseline and benchmark information from the previous two fiscal years and should be inclusive of, but not limited to, services recommended under the United States preventative services task force, advisory committee on immunization practices, early and periodic screening, diagnostic, and treatment (EPSDT) guidelines, and other relevant preventative and vaccination medicaid guidelines and requirements.

~~((25))~~ (22) Managed care contracts must incorporate accountability measures that monitor patient health and improved health outcomes, and shall include an expectation that each patient receive a wellness examination that documents the baseline health status and allows for monitoring of health improvements and outcome measures.

~~((26))~~ (23) Sufficient amounts are appropriated in this section for the authority to provide an adult dental benefit.

~~((27))~~ (24) The health care authority shall coordinate with the department of social and health services to provide referrals to the Washington health benefit exchange for clients that will be ineligible for medicaid.

~~((28))~~ (25) To facilitate a single point of entry across public and medical assistance programs, and to maximize the use of federal funding, the health care authority, the department of social and health services, and the health benefit exchange will coordinate efforts to expand HealthPlanfinder access to public assistance and medical eligibility staff. The health care authority shall complete medicaid applications in the HealthPlanfinder for households receiving or applying for medical assistance benefits.

~~((29))~~ (26) \$90,000 of the general fund—state appropriation for fiscal year 2022, \$90,000 of the general fund—state appropriation for fiscal year 2023, and \$180,000 of the general fund—federal appropriation are provided solely to continue operation by a nonprofit organization of a toll-free hotline that assists families to learn about and enroll in the apple health for kids program. By November 15, 2022, the authority shall submit a report to the appropriate committees to the legislature that provides, at a minimum, information about the number of calls received by the nonprofit organization in the previous year, the amount of time spent on each call, comparisons to previous years, where available, and information about what data is collected related to this service.

~~((30))~~ (27) Within the amounts appropriated in this section, the authority shall reimburse for primary care services provided by naturopathic physicians.

~~((31))~~ (28) Within the amounts appropriated in this section, the authority shall continue to provide coverage for pregnant teens that qualify under existing pregnancy medical programs, but whose eligibility for pregnancy related services would otherwise end due to the application of the new modified adjusted gross income eligibility standard.

~~((32))~~ (29) Sufficient amounts are appropriated in this section to remove the mental health visit limit and to provide the shingles vaccine and screening, brief intervention, and referral to treatment benefits that are available in the medicaid alternative benefit plan in the classic medicaid benefit plan.

~~((33))~~ (30) The authority shall use revenue appropriated from the dedicated ~~((marijuana fund))~~ cannabis account for contracts with community health centers under RCW 69.50.540 in lieu of general fund—state payments to community health centers for services provided to medical assistance clients, and it is the intent of the legislature that this policy will be continued in subsequent fiscal biennia.

~~((34))~~ (31) Beginning no later than January 1, 2018, for any service eligible under the medicaid state plan for encounter payments, managed care organizations at the request of a rural health clinic shall pay the full published encounter rate directly to the clinic. At no time will a managed care organization be at risk for or have any right to the supplemental portion of the claim. Payments will be reconciled on at least an annual basis between the managed care organization and the authority, with final review and approval by the authority.

~~((35))~~ (32) Sufficient amounts are appropriated in this section for the authority to provide a medicaid equivalent adult dental benefit to clients enrolled in the medical care service program.

~~((36))~~ (33) During the 2021-2023 fiscal biennium, sufficient amounts are provided in this section for the authority to provide services identical to those services covered by the Washington state family planning waiver program as of August 2018 to individuals who:

(a) Are over nineteen years of age;

(b) Are at or below two hundred and sixty percent of the federal poverty level as established in WAC 182-505-0100;

(c) Are not covered by other public or private insurance; and

(d) Need family planning services and are not currently covered by or eligible for another medical assistance program for family planning.

~~((37))~~ (34) Sufficient amounts are appropriated within this section for the authority to incorporate the expected outcomes and criteria to measure the performance of service coordination organizations as provided in chapter 70.320 RCW into contracts with managed care organizations that provide services to clients. The authority is directed to:

(a) Contract with an external quality improvement organization to annually analyze the performance of managed care organizations providing services to clients under this chapter based on seven performance measures. The analysis required under this subsection must:

(i) Measure managed care performance in four common measures across each managed care organization, including:

(A) At least one common measure must be weighted towards having the potential to impact managed care costs; and

(B) At least one common measure must be weighted towards population health management, as defined by the measure; and

(ii) Measure managed care performance in an additional three quality focus performance measures specific to a managed care organization. Quality focus performance measures chosen by the authority must:

(A) Be chosen from the statewide common measure set;

(B) Reflect specific measures where a managed care organization has poor performance; and

(C) Be substantive and clinically meaningful in promoting health status.

(b) The authority shall set the four common measures to be analyzed across all managed care organizations.

(c) The authority shall set three quality focus performance measures specific to each managed care organization. The authority must determine performance measures for each managed care organization based on the criteria established in (a)(ii) of this subsection.

(d) By September 15, 2021, and annually thereafter, the authority shall notify each managed care organization of the performance measures for the organization for the subsequent plan year.

(e) Two percent of the total plan year funding appropriated to each managed care organization that provides services to clients under chapter 70.320 RCW shall be withheld. At least seventy-five percent of the withhold shall be held contingent on each managed care organization's performance on the seven performance measures identified in this section. Each managed care organization may earn back the annual withhold if the external quality improvement organization finds that the managed care organization:

(i) Made statistically significant improvement in the seven performance measures as compared to the preceding plan year; or

(ii) Scored in the top national medicaid quartile of the performance measures.

(f) The amount of withhold annually paid to each managed care organization shall be proportional to findings of statistically significant improvement or top national medicaid quartile scoring by a managed care organization.

(g) For no more than two of the four quality focus performance measures, the authority may use an alternate methodology to approximate top national medicaid quartile performance where top quartile performance data is unavailable.

(h) For the purposes of this subsection, "external quality improvement organization" means an organization that meets the competence and independence requirements under 42 C.F.R. Sec. 438.354, as it existed on the effective date of this section.

~~((38))~~ (35) (a) The authority shall ensure that appropriate resources are dedicated to implementing the recommendations of the centers for medicare and medicaid services center for program integrity as provided to the authority in the January 2019 Washington focused program integrity review final report. Additionally, the authority shall:

(i) Work to ensure the efficient operations of the managed care plans, including but not limited to, a deconflicting process for audits with and among the managed care plans and the medicaid fraud division at the attorney general's office, to ensure the authority staff perform central audits of cases that appear across multiple managed care plans, versus the audits performed by the individual managed care plans or the fraud division; and

(ii) Remain accountable for operating in an effective and efficient manner, including performing program integrity activities that ensure high value in the medical assistance program in general and in medicaid managed care specifically;

(A) Work with its contracted actuary and the medicaid forecast work group to develop methods and metrics related to managed care program integrity activity that shall be incorporated into annual rate setting; and

(B) Work with the medicaid forecast work group to ensure the results of program integrity activity are incorporated into the rate setting process in a transparent, timely, measurable, quantifiable manner.

(b) The authority shall submit a report to the governor and appropriate committees of the legislature by October 1, 2021, that includes, but is not limited to:

(i) Specific, quantified actions that have been taken, to date, related to the recommendations of the centers for medicare and medicaid services center for program integrity as provided to the authority in the January 2019 Washington focused program integrity review final report; and

(ii) Specific, quantified information regarding the steps taken toward (a) (i), (iii), and (iv) of this subsection.

~~((39))~~ (36) No later than December 31, 2021, the health care authority, in partnership with the department of social and health services as described in section 204(16) of this act, shall submit a waiver request to the federal department of health and human services to authorize presumptive medicaid eligibility determinations for clients preparing for acute care hospital discharge who may need long-term services and supports. The department and the authority shall hold stakeholder discussions, including opportunities for public review and comment, during development of the waiver request. Upon submission of the waiver request, the department and the authority shall submit a report to the governor and the appropriate legislative committees that describes the request and identifies any statutory changes that may be necessary if the federal government approves the request.

~~((40))~~ (37) \$2,786,000 of the general fund—state appropriation for fiscal year 2022, \$3,714,000 of the general fund—state appropriation for fiscal year 2023, and \$11,009,000 of the general fund—federal appropriation are provided solely to maintain and increase access for behavioral health services through increased provider rates. The rate increases are effective October 1, 2021, and must be applied to the following codes for children and adults enrolled in the medicaid program: 90832, 90833, 90834, 90837, H0004, H0036, H2015, H2021, H0023, 90836, 90838, 96156, 96158, 96159, 96164, 96165, 96167, 96168, 96170, 96171, 90845, 90846, 90847, 90849, 90853, 90785, and 90791. The authority may use a substitute code in the event that any of the codes identified in this subsection are discontinued and replaced with an updated code covering the same service. Within the amounts provided in this subsection the authority must:

(a) Implement this rate increase in accordance with the process established in chapter 285, Laws of 2020 (EHB 2584) (behavioral health rates);

(b) Raise the state fee-for-service rates for these codes by up to 15 percent, except that the state medicaid rate may not exceed the published medicare rate or an equivalent relative value unit rate if a published medicare rate is not available;

(c) Require in contracts with managed care organizations that, beginning October 2021, managed care organizations pay no lower than the fee-for-service rate for these codes, and adjust managed care capitation rates accordingly; and

(d) Not duplicate rate increases provided in subsections ~~((41) and (42))~~ (38) and (39) of this section.

~~((41))~~ (38) \$19,664,000 of the general fund—state appropriation for fiscal year 2022, \$26,218,000 of the general fund—state appropriation for fiscal year 2023, and \$77,996,000 of the general fund—federal appropriation are provided solely to maintain and increase access for primary care services for medicaid-enrolled patients through increased provider rates beginning October 1, 2021. - (iii) Behavioral health services;

(iv) Oral health care;

(v) Assessment, treatment, and management of acute or chronic conditions, including but not limited to the cost of laboratory, prescription medications, specialty care, therapies, radiology, and other diagnostics; and

(vi) Outreach and education needed to inform patients and prospective patients that care is available free of charge.

(b) To be eligible for a grant under this subsection, a federally qualified health center, rural health clinic, free clinic, public hospital district, behavioral health provider or facility, behavioral health administrative service organization, or community-based organization must apply for a grant and agree to not:

(i) Bill individuals for any portion of the services provided that involve the use of amounts appropriated in this section; or

(ii) Use the amounts provided in this subsection for services for which other funds are available, such as federal funds from the families first coronavirus response act and the American rescue plan act.

(c) Grants provided under this subsection may be used to provide on-site care, care delivered via telehealth, and referrals to and payments for services provided off-site. Recipients may use funds distributed in this subsection to reimburse other providers or facilities for the cost of care. Only free clinics may use grants provided under this subsection to cover general operating costs, including staffing, supplies, and equipment purchases.

(d) The agency shall employ fund allocation approaches that engage community residents, organizations, and leaders in identifying priorities and implementing projects and initiatives that reflect community values and priorities. At a minimum, this must include consultation with community health boards and organizations that advocate for access to health care for uninsured state residents.

(e) Recipients of the amounts provided in this subsection must submit reports to the authority on the use of grant funds, including data about utilization of services. The authority shall prepare and post on its website an annual report detailing the amount of funds disbursed and aggregating information submitted by recipients.

(f) The authority may retain no more than three percent of the amounts provided in this subsection for administrative costs.

(g) As used in this subsection, "free clinics" mean private, nonprofit, community, or faith-based organizations that provide medical, dental, and mental health services at little or no cost to uninsured and underinsured people through the use of volunteer health professionals, community volunteers, and partnerships with other health providers.

~~((97))~~ (94) \$180,000 of the general fund—state appropriation for fiscal year 2023 and \$187,000 of the general fund—federal appropriation are provided solely for a 10 percent rate increase, effective January 1, 2023, for private duty nursing in medically intensive children's group home settings.

~~((98))~~ (95) \$140,000 of the general fund—state appropriation for fiscal year 2023 and \$266,000 of the general fund—federal appropriation are provided solely for a 10 percent rate increase, effective January 1, 2023, for home health services.

~~((99))~~ (96) (a) \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$150,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to provide a report on psilocybin services wellness and opportunities in consultation with stakeholders as described in this subsection.

(b) The director of the authority, or the director's designee, must chair the stakeholder group.

(c) The stakeholder group must include, but not be limited to, the following members:

- (i) The secretary of the department of health or the secretary's designee;
- (ii) The director of the liquor and cannabis board or the director's designee;
- (iii) The director of the department of agriculture or the director's designee; and
- (iv) As appointed by the director of the authority, or the director's designee:

(A) A military veteran, or representative of an organization that advocates on behalf of military veterans, with knowledge of psilocybin;

(B) Up to two recognized indigenous practitioners with knowledge of the use of psilocybin or other psychedelic compounds in their communities;

(C) An individual with expertise in disability rights advocacy;

(D) A member of the nursing profession with knowledge of psilocybin;

(E) A psychologist with knowledge of psilocybin;

(F) A mental health counselor, marriage and family therapist, or social worker with knowledge of psilocybin;

(G) A physician with knowledge of psilocybin;

(H) A health researcher with expertise in health equity;

(I) A representative of the cannabis industry with knowledge of regulation of cannabis businesses in Washington;

(J) An advocate from the LGBTQIA community with knowledge of the experience of behavioral health issues within that community;

(K) A member of the psychedelics medicine alliance of Washington; and

(L) Up to two members with lived experience of utilizing psilocybin.

(d) The authority must convene the first meeting of the stakeholder group no later than June 30, 2022.

(e) The authority must provide a preliminary brief report to the governor and appropriate committees of the legislature by December 1, 2022, focusing on (f)(i), (ii), and (iii) of this subsection, and a final report by December 1, 2023. The authority may form subcommittees within the stakeholder group and adopt procedures necessary to facilitate its work.

(f) The duties of the authority in consultation with the stakeholder group shall include, but not be limited to, the following activities:

(i) Review the Oregon health authority's proposed rules for the regulation of psilocybin and assess the impact the adoption of substantially similar laws and rules or Senate Bill No. 5660 would have in Washington state, and identify specific areas where a different approach may be necessary or desirable;

(ii) Review systems and procedures established by the liquor and cannabis board to monitor manufacturing, testing, and tracking of cannabis to determine suitability and adaptations required for use with psilocybin if Washington adopts legislation substantially similar to the Oregon psilocybin services act or Senate Bill No. 5660;

(iii) Review the social opportunity program proposed in Senate Bill No. 5660 for the purpose of recommending improvements or enhancements to promote equitable access to a potential legal psilocybin industry within an operable administrative framework;

(iv) Assess functional requirements of Senate Bill No. 5660 that would exceed the expertise and capacity of the department of health and identify opportunities for development or collaboration with other state agencies and entities to meet the requirements; and

(v) Discuss options to integrate licensed behavioral health professionals into the practice of psilocybin therapy under the framework of Senate Bill No. 5660 where appropriate.

(g) The department of health, liquor and cannabis board, and department of agriculture must provide subject matter expertise and support to stakeholder group and any subcommittee meetings of the stakeholder group. For the department of health, subject matter expertise includes an individual or individuals with knowledge and experience with rulemaking, with the regulation of health professionals, and with the regulation of health facilities.

(h) Meetings of the stakeholder group under this section shall be open to participation by members of the public.

(i) Stakeholder group members participating on behalf of an employer, governmental entity, or other organization are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

~~((+100))~~ (97) \$24,600,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for the authority to provide one-time funding to community health centers paid under either APM3 or APM4 that experienced overpayments because of COVID-19 service-related reductions or had funds withheld due to missing targeted benchmarks because of extraordinary community pandemic response needs in calendar year 2020.

~~((+101))~~ (98) \$250,000 of the general fund—state appropriation for fiscal year 2023 and \$250,000 of the general fund—federal appropriation are provided solely for project management and contracting to assist the authority with post-eligibility review planning in anticipation of the end of the COVID-19 public health emergency.

~~((+102))~~ (99) \$40,000 of the general fund—state appropriation for fiscal year 2022, \$40,000 of the general fund—state appropriation for fiscal year 2023, \$80,000 of the general fund—federal appropriation, and \$320,000 of the telebehavioral access account—state appropriation are provided solely for additional staff support for the mental health referral service for children and teens.

~~((+103))~~ (100) (a) \$2,087,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to establish a two-year grant program for reimbursement for services to patients up to age 18 provided by community health workers in primary care clinics whose patients are significantly comprised of pediatric patients enrolled in medical assistance under chapter 74.09 RCW beginning January 1, 2023. Community health workers funded under this subsection may provide outreach, informal counseling, and social supports for health-related social needs. The authority shall seek a state plan amendment or federal demonstration waiver should they determine these services are eligible for federal matching funds. Within the amounts provided within this subsection, the authority will provide an initial report to the governor and appropriate committees of the legislature by January 1, 2024, and a final report by January 1, 2025. The report shall include, but not be limited to, the quantitative impacts of the grant program, how many community health workers are participating in the grant program, how many clinics these community health workers represent, how many clients are being served, and evaluation of any measurable health outcomes identified in the planning period prior to January 2023.

(b) In collaboration with key stakeholders including pediatric primary care clinics and medicaid managed care organizations, the authority shall explore longer term, sustainable reimbursement options for the integration of community health workers in primary care to

address the health-related social needs of families, including approaches to incorporate federal funding.

~~((104))~~ (101) (a) No more than \$156,707,000 of the general fund—federal appropriation and no more than \$60,942,000 of the general fund—local appropriation may be expended for an outpatient directed payment program.

(b) The authority shall:

(i) Design the program to support the state's access and other quality of care goals and to not increase general fund—state expenditures;

(ii) Seek approval from the centers for medicare and medicaid services to create a medicaid outpatient directed payment program for hospital outpatient services provided to medicaid program managed care recipients by University of Washington medical center and harborview medical center;

(iii) Upon approval, direct managed care organizations to make payments to eligible providers at levels required to ensure enrollees have timely access to critical high-quality care as allowed under 42 C.F.R. 438.6(c); and

(iv) Increase medicaid payments for hospital outpatient services provided by University of Washington medical center and harborview medical center to the average payment received from commercial payers.

(c) Any incremental costs incurred by the authority in the development, implementation, and maintenance of this program shall be the responsibility of the participating hospitals.

(d) Participating hospitals shall retain the full amount of payments provided under this program.

(e) Participating hospitals will provide the local funds to fund the required nonfederal contribution.

(f) This program shall be effective as soon as administratively possible.

~~((106))~~ (102) \$16,000 of the general fund—state appropriation for fiscal year 2022, \$31,000 of the general fund—state appropriation for fiscal year 2023, and \$420,000 of the general fund—federal appropriation are provided solely for a technology solution for an authoritative client identifier, or master person index, for state programs within the health and human services coalition to uniformly identify clients across multiple service delivery systems. The coalition will clearly identify all state programs impacted by and all fund sources used in development and implementation of this project. This subsection is subject to the conditions, limitations, and review requirements of section 701 of this act.

~~((107))~~ (103) \$5,000 of the general fund—state appropriation for fiscal year 2022, \$22,000 of the general fund—state appropriation for fiscal year 2023, and \$75,000 of the general fund—federal appropriation are provided solely for implementation of Second Substitute Senate Bill No. 5664 (forensic competency hearings). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

~~((108))~~ (104) (a) \$3,735,000 of the general fund—state appropriation for fiscal year 2023 and \$14,075,000 of the general fund—federal appropriation are provided solely for the authority to provide coverage for all federal food and drug administration-approved HIV antiviral drugs without prior authorization beginning January 1, 2023.

(b) Beginning January 1, 2023, upon initiation or renewal of a contract with the authority to administer a medicaid managed care plan, a managed health care system shall provide coverage without prior authorization for all federal food and drug administration-approved HIV antiviral drugs.

(c) By December 1, 2022, and annually thereafter, the authority must submit to the fiscal committees of the legislature the projected and actual expenditures and percentage of medicaid clients who switch to a new drug class without prior authorization as described in (a) and (b) of this subsection.

~~((109))~~ (105) (a) \$200,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority, in consultation with the office of the insurance commissioner, to complete an analysis of the cost to implement a fertility treatment benefit as described in the department of health's December 2021 mandated benefit sunrise review.

(b) The authority must contract with one or more consultants to:

(i) Obtain utilization and cost data from the state to provide an estimate of aggregate utilization and cost impacts of fertility treatment coverage for medicaid recipients, expressed as total annual cost and as a per member per month cost for plan years 2024 through 2027; and

(ii) Obtain utilization and cost data from the public employees benefits board and school employees benefits board programs to provide an estimate of aggregate utilization and cost impacts of fertility treatment coverage, expressed as total annual cost and as a per member per month cost for plan years 2024 through 2027.

(c) The analysis must include, but is not limited to, a utilization and cost analysis of each of the following services:

(i) Infertility diagnosis;

(ii) Fertility medications;

(iii) Intrauterine insemination;

(iv) In vitro fertilization; and

(v) Egg freezing.

(d) The authority must report the findings of the analysis to the governor and appropriate committees of the legislature by June 30, 2023.

~~((110))~~ (106) (a) \$2,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for one-time grants for eligible clinics to establish behavioral health

integration in primary care clinics for children and adolescents. The authority may award grants of up to \$200,000 per clinic.

(b) Recipients may use grants under this subsection for:

(i) Training to create operational workflows that promote team-based care and evidence-based practices;

(ii) System development to implement universal screening of patients using standardized assessment tools;

(iii) Development of a registry to track patient outcomes;

(iv) Behavioral health professional recruitment and retainment;

(v) Psychiatric supervision recruitment and retainment for consultation services for the behavioral health integration program;

(vi) Partnership development with community mental health centers for referral of patients with higher level needs;

(vii) Information technology infrastructure, including electronic health record adjustments and registry creation; and

(viii) Physical space modifications to accommodate additional staff.

(c) To be eligible for grants under this subsection, clinics must have:

(i) At least 35 percent of their total patients enrolled in medicaid. Priority for funding must be given to clinics with the highest proportion of patients enrolled in medicaid;

(ii) A primary care advocate or proponent of the behavioral health integration program;

(iii) Support for the behavioral health integration program at the highest level of clinic leadership;

(iv) An arrangement for psychiatric consultation and supervision;

(v) A team-based approach to care, including the primary care provider, behavioral health professional, psychiatric consultant, patient, and patient's family; and

(vi) A plan to:

(A) Hire a behavioral health professional to be located within the clinic;

(B) Create a registry that monitors patient engagement and symptom improvement;

(C) Implement universal screening for behavioral health needs;

(D) Provide care coordination with schools, emergency departments, hospitals, and other points of care; and

(E) Ensure closed-loop referrals to specialty behavioral health care when indicated, as well as engagement in specialty treatment as clinically indicated.

~~((111))~~ (107) \$55,000 of the general fund—state appropriation for fiscal year 2023 and \$122,000 of the general fund—federal appropriation are provided solely to implement Second Substitute House Bill No. 1860 (behavioral health discharge). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

~~((112))~~ (108) \$300,000 of the general fund—state appropriation for fiscal year 2022 and \$300,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Bree collaborative to support collaborative learning and targeted technical assistance for quality improvement initiatives.

~~((113))~~ (109) (a) \$500,000 of the general fund—state appropriation for fiscal year 2023 and \$1,500,000 of the general fund—federal appropriation are provided solely for the authority, in consultation with the health and human services enterprise coalition, community-based organizations, health plans, accountable communities of health, and safety net providers, to determine the cost and implementation impacts of a statewide community information exchange (CIE). A CIE platform must serve as a tool for addressing the social determinants of health, defined as nonclinical community and social factors such as housing, food security, transportation, financial strain, and interpersonal safety, that affect health, functioning, and quality-of-life outcomes.

(b) Prior to issuing a request for proposals or beginning this project, the authority must work with stakeholders in (a) of this subsection to determine which platforms already exist within the Washington public and private health care system to determine interoperability needs and fiscal impacts to both the state and impacted providers and organizations that will be using a single statewide community information exchange platform.

(c) This subsection is subject to the conditions, limitations, and review requirements of section 701 of this act.

~~((114))~~ (110) \$226,000 of the general fund—state appropriation for fiscal year 2023, \$1,072,000 of the general fund—private/local appropriation, and \$2,588,000 of the general fund—federal appropriation are provided solely to implement Engrossed Substitute House Bill No. 1866 (supportive housing). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

~~((115))~~ (111) \$8,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for one-time bridge grants to hospitals in financial distress. To qualify for these grants, a hospital must:

(a) Be located in Washington;

(b) Serve individuals enrolled in state and federal medical assistance programs;

(c) Continue to maintain a medicaid population at similar utilization levels as in calendar year 2021;

(d) Be necessary for an adequate provider network for the medicaid program;

(e) Demonstrate a plan for long-term financial sustainability; and

(f) Meet one of the following criteria:

(i) Lack adequate cash-on-hand to remain financially solvent;

(ii) Have experienced financial losses during hospital fiscal year 2021; or

(iii) Be at risk of bankruptcy.

((~~116~~)) (112) The authority shall consider evidence-based recommendations from the Oregon health evidence review commission when making coverage decisions for the treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute-onset neuropsychiatric syndrome.

Sec. 1212. 2022 c 297 s 214 (uncodified) is amended to read as follows:

FOR THE STATE HEALTH CARE AUTHORITY—HEALTH BENEFIT EXCHANGE

General Fund—State Appropriation (FY 2022)	\$4,881,000
General Fund—State Appropriation (FY 2023)	((\$9,547,000))
	<u>\$7,959,000</u>
General Fund—Federal Appropriation	((\$54,032,000))
	<u>\$54,371,000</u>
Health Benefit Exchange Account—State Appropriation	((\$80,860,000))
	<u>\$80,110,000</u>
State Health Care Affordability Account—State Appropriation	((\$55,000,000))
	<u>\$25,000,000</u>
TOTAL APPROPRIATION	((\$204,320,000))
	<u>\$172,321,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) The receipt and use of medicaid funds provided to the health benefit exchange from the health care authority are subject to compliance with state and federal regulations and policies governing the Washington apple health programs, including timely and proper application, eligibility, and enrollment procedures.

(2) (a) By July 15th and January 15th of each year, the authority shall make a payment of one-half the general fund—state appropriation, one-half the health benefit exchange account—state appropriation, and one-half the health care affordability account—state appropriation to the exchange. By July 15, 2021, the authority shall make the payments of the general fund—federal appropriation (CRRSA) and the general fund—federal appropriation (ARPA) to the exchange.

(b) The exchange shall monitor actual to projected revenues and make necessary adjustments in expenditures or carrier assessments to ensure expenditures do not exceed actual revenues.

(c) Payments made from general fund—state appropriation and health benefit exchange account—state appropriation shall be available for expenditure for no longer than the period of the appropriation from which it was made. When the actual cost of materials and services have been fully determined, and in no event later than the lapsing of the appropriation, any unexpended balance of the payment shall be returned to the authority for credit to the fund or account from which it was made, and under no condition shall expenditures exceed actual revenue.

(3) (a) \$146,000 of the general fund—state appropriation for fiscal year 2022 and \$554,000 of the general fund—federal appropriation are provided solely for the exchange, in close consultation with the health and human services enterprise coalition (coalition), to develop a report on the next steps required for information technology solutions for an integrated health and human services eligibility solution. The report must include, but is not limited to a:

(i) Technical approach and architecture;

(ii) Roadmap and implementation plan for modernizing and integrating the information technology eligibility and enrollment system for including, but not limited to, medicaid, basic food, child care assistance, cash assistance, and other health and human service program benefits, beginning with classic medicaid; and

(iii) Discussion of how an integrated health and human services solution would:

(A) Comply with federal requirements;

(B) Maximize efficient use of staff time;

(C) Support accurate and secure client eligibility information;

(D) Improve the client enrollment experience; and

(E) Provide other notable coalition agency impacts.

(b) The exchange, in coordination with the coalition, must submit the report to the governor and appropriate committees of the legislature by January 15, 2022.

(4) \$1,634,000 of the health benefit exchange account—state appropriation and \$592,000 of the general fund—federal appropriation are provided solely for healthplanfinder enhancement activities. These amounts are subject to the conditions, limitations, and review provided in section 701 of this act.

(5) \$1,324,000 of the health benefit exchange account—state appropriation and \$2,740,000 of the general fund—federal appropriation are provided solely for the modernizing healthplanfinder project. These amounts are subject to the conditions, limitations, and review provided in section 701 of this act.

(6) \$250,000 of the general fund—federal appropriation (CRRSA) and \$150,000 of the general fund—federal appropriation (ARPA) are provided solely for pass-through funding to one or more lead navigator organizations to promote access to health services through

outreach and insurance plan enrollment assistance for employees working in a licensed child care facility.

(7) (a) \$1,171,000 of the general fund—federal appropriation (CRRSA) and \$2,595,000 of the general fund—federal appropriation (ARPA) are provided solely for the exchange to implement a health care insurance premium assistance program for employees who work in licensed child care facilities. The general fund—federal appropriation (CRRSA) must be expended by September 30, 2022.

(b) An individual is eligible for the child care premium assistance program for the remainder of the plan year if the individual:

(i) Is an employee working in a licensed child care facility;

(ii) Enrolls in a silver standardized health plan under RCW 43.71.095;

(iii) Prior to January 1, 2024, has income that is less than 300 percent of the federal poverty level;

(iv) Applies for and accepts all federal advance premium tax credits for which he or she may be eligible before receiving any state premium assistance;

(v) Is ineligible for minimum essential coverage through medicare, a federal or state medical assistance program administered by the health care authority under chapter 74.09 RCW, or for premium assistance under RCW 43.71A.020; and

(vi) Meets other eligibility criteria as established by the exchange.

(c) Subject to the availability of amounts provided in this subsection, the exchange shall pay the premium cost for a qualified health plan for an individual who is eligible for the child care premium assistance program under (b) of this subsection.

(d) The exchange may disqualify a participant from the program if the participant:

(i) No longer meets the eligibility criteria in (b) of this subsection;

(ii) Fails, without good cause, to comply with procedural or documentation requirements established by the exchange in accordance with (e) of this subsection;

(iii) Fails, without good cause, to notify the exchange of a change of address in a timely manner;

(iv) Voluntarily withdraws from the program; or

(v) Performs an act, practice, or omission that constitutes fraud, and, as a result, an insurer rescinds the participant's policy for the qualified health plan.

(e) The exchange shall establish:

(i) Procedural requirements for eligibility and continued participation in any premium assistance program under this section, including participant documentation requirements that are necessary to administer the program; and

(ii) Procedural requirements for facilitating payments to and from carriers.

(f) The program must be implemented no later than November 1, 2021.

(g) No later than October 1, 2022, the exchange shall submit a report to the governor and appropriate committees of the legislature on the implementation of the child care premium assistance program including, but not limited to:

(i) The number of individuals participating in the program to date; and

(ii) The actual costs of the program to date, including agency administrative costs.

(h) Within the amounts provided in this subsection, the exchange may create an outreach program to help employees who work in licensed child care facilities enroll in the premium assistance program, beginning for plan year 2023, as established in chapter 246, Laws of 2021 (Engrossed Second Substitute Senate Bill No. 5377) (standardized health plans).

(i) The health care insurance premium assistance program for employees who work in licensed child care facilities is effective through plan year 2023.

(8) \$136,000 of the general fund—state appropriation for fiscal year 2022, \$136,000 of the general fund—state appropriation for fiscal year 2023, \$254,000 of the health benefit exchange account—state appropriation, and \$274,000 of the general fund—federal appropriation are provided solely for pass through funding in the annual amount of \$100,000 for the lead navigator organization in the four regions with the highest concentration of COFA citizens to:

(a) Support a staff position for someone from the COFA community to provide enrollment assistance to the COFA community beyond the scope of the current COFA program; and

(b) Support COFA community led outreach and enrollment activities that help COFA citizens obtain and access health and dental coverage.

(9) \$142,000 of the general fund—state appropriation for fiscal year 2022 and \$538,000 of the general fund—federal appropriation are provided solely for the implementation of Substitute Senate Bill No. 5068 (postpartum period/medicaid) and section 9812 of the American rescue plan act of 2021.

(10) \$8,162,000 of the health benefit exchange account—state appropriation is provided solely to implement Engrossed Second Substitute Senate Bill No. 5377 (standardized health plans).

(11) ~~(\$50,000,000)~~ \$20,000,000 of the state health care affordability account—state appropriation is provided solely for the exchange to administer a premium assistance program, beginning for plan year 2023, as established in ~~((Engrossed Second Substitute Senate Bill No. 5377 (standardized health plans)))~~ RCW 43.71.110, and this is the maximum amount the exchange may expend for this purpose. An individual is eligible for the premium assistance provided if the individual: (a) Has income up to 250 percent of the federal poverty level; and (b) meets other eligibility criteria as established in ~~((section 1(4)(a) of Engrossed Second Substitute Senate Bill No. 5377 (standardized health plans)))~~ RCW 43.71.110.

(12) (a) Within amounts appropriated in this section, the exchange, in close consultation with the authority and the office of the insurance commissioner, shall explore opportunities

to facilitate enrollment of Washington residents who do not qualify for non-emergency medicaid or federal affordability programs in a state-funded program no later than plan year 2024.

(b) If an opportunity to apply to the secretary of health and human services under 42 U.S.C. Sec. 18052 for a waiver is identified or other federal flexibilities are available, the exchange, in collaboration with the office of the insurance commissioner and the authority may develop an application to be submitted by the authority. If an application is submitted, the authority must notify the chairs and ranking minority members of the appropriate policy and fiscal committees of the legislature.

(c) Any application submitted under this subsection must meet all federal public notice and comment requirements under 42 U.S.C. Sec. 18052(a)(4)(B), including public hearings to ensure a meaningful level of public input.

(d) ~~(\$2,891,000)~~ \$1,891,000 of the general fund—state appropriation for fiscal year 2022 and ~~(\$1,000,000)~~ \$700,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for system updates and community-led engagement activities necessary to implement the waiver.

(13) \$733,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for system upgrades necessary for the anticipated expansion of medicaid equivalent health care coverage to uninsured adults with income up to 138 percent of the federal poverty level regardless of immigration status in collaboration with the health care authority.

(14) ~~(\$1,000,000)~~ \$700,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for one-time activities to promote continuous coverage for individuals losing coverage through Washington apple health at the end of the COVID-19 public health emergency.

(15) \$20,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the exchange, in collaboration with the state board of community and technical colleges, the student achievement council, and the council of presidents, to provide educational resources and ongoing assister training to support the operations of a pilot program to help connect students, including those enrolled in state registered apprenticeship programs, with health care coverage.

(16) \$5,000,000 of the state health care affordability account—state appropriation is provided solely to provide premium assistance for ~~((customers))~~ individuals ineligible for federal premium tax credits who meet the eligibility criteria established in subsection (11) (a) of this section, and is contingent upon approval of the ~~((applicable))~~ waiver described in ~~((subsection (12)(b) of this section))~~ RCW 43.71.120.

Sec. 1213. 2022 c 297 s 215 (uncodified) is amended to read as follows:

Dedicated Marijuana Account—State Appropriation	
(FY 2022)	\$28,493,000
Dedicated Marijuana Account—State Appropriation	
(FY 2023)	\$28,493,000
Coronavirus State Fiscal Recovery Fund—Federal	
Appropriation	\$131,000,000
TOTAL APPROPRIATION	(\$4,728,042,000)
	<u>\$4,930,905,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) For the purposes of this section, "behavioral health entities" means managed care organizations and behavioral health administrative services organizations that reimburse providers for behavioral health services.

(2) Within the amounts appropriated in this section, funding is provided for implementation of the settlement agreement under *Trueblood, et al. v. Department of Social and Health Services, et al.*, United States District Court for the Western District of Washington, Cause No. 14-cv-01178-MJP. In addition to amounts provided solely for implementation of the settlement agreement, class members must have access to supports and services funded throughout this section for which they meet eligibility and medical necessity requirements. The authority must include language in contracts that requires regional behavioral health entities to develop and implement plans for improving access to timely and appropriate treatment for individuals with behavioral health needs and current or prior criminal justice involvement who are eligible for services under these contracts.

(3) \$23,271,000 of the general fund—state appropriation for fiscal year 2022, \$30,514,000 of the general fund—state appropriation for fiscal year 2023, and \$11,503,000 of the general

fund—federal appropriation are provided solely to continue the phase-in of the settlement agreement under *Trueblood, et al. v. Department of Social and Health Services, et al.*, United States District Court for the Western District of Washington, Cause No. 14-cv-01178-MJP. The authority, in collaboration with the department of social and health services and the criminal justice training commission, must implement the provisions of the settlement agreement pursuant to the timeline and implementation plan provided for under the settlement agreement. This includes implementing provisions related to competency evaluations, competency restoration, crisis diversion and supports, education and training, and workforce development.

(4) \$10,000,000 of the general fund—state appropriation for fiscal year 2023 and \$219,000 of the general fund—federal appropriation are provided solely to continue diversion grant programs funded through contempt fines pursuant to *Trueblood, et al. v. Department of Social and Health Services, et al.*, United States District Court for the Western District of Washington, Cause No. 14-cv-01178-MJP. The authority must consult with the plaintiffs and court monitor to determine, within the amounts provided, which of the programs will continue to receive funding through this appropriation. The programs shall use this funding to provide assessments, mental health treatment, substance use disorder treatment, case management, employment, and other social services. By June 30, 2023, the authority, in consultation with the plaintiffs and the court monitor, must submit a report to the office of financial management and the appropriate fiscal committees of the legislature which includes: Identification of the programs that receive funding through this subsection; a narrative description of each program model; the number of individuals being served by each program on a monthly basis; metrics or outcomes reported as part of the contracts; and recommendations related to further support of these programs in the 2023-2025 fiscal biennium.

(5) \$12,359,000 of the general fund—state appropriation for fiscal year 2022, \$12,359,000 of the general fund—state appropriation for fiscal year 2023, and \$23,444,000 of the general fund—federal appropriation are provided solely for the authority and behavioral health entities to continue to contract for implementation of high-intensity programs for assertive community treatment (PACT) teams. In determining the proportion of medicaid and nonmedicaid funding provided to behavioral health entities with PACT teams, the authority shall consider the differences between behavioral health entities in the percentages of services and other costs associated with the teams that are not reimbursable under medicaid. The authority may allow behavioral health entities which have nonmedicaid reimbursable costs that are higher than the nonmedicaid allocation they receive under this section to supplement these funds with local dollars or funds received under subsection (7) of this section. The authority and behavioral health entities shall maintain consistency with all essential elements of the PACT evidence-based practice model in programs funded under this section.

(6) \$3,520,000 of the general fund—federal appropriation is provided solely for the authority to maintain a pilot project to incorporate peer bridging staff into behavioral health regional teams that provide transitional services to individuals returning to their communities.

(7) \$95,822,000 of the general fund—state appropriation for fiscal year 2022 and (~~(\$116,633,000)~~) \$119,677,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for persons and services not covered by the medicaid program. To the extent possible, levels of behavioral health entity spending must be maintained in the following priority order: Crisis and commitment services; community inpatient services; and residential care services, including personal care and emergency housing assistance. These amounts must be distributed to behavioral health entities as follows:

(a) \$72,275,000 of the general fund—state appropriation for fiscal year 2022 and \$88,275,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to contract with behavioral health administrative service organizations for behavioral health treatment services not covered under the medicaid program. Within these amounts, behavioral health administrative service organizations must provide a two percent rate increase to providers receiving state funds for nonmedicaid services under this section effective July 1, 2021, and a seven percent rate increase effective January 1, 2023.

(b) \$23,547,000 of the general fund—state appropriation for fiscal year 2022 and (~~(\$28,358,000)~~) \$31,402,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to contract with medicaid managed care organizations for wraparound services to medicaid enrolled individuals that are not covered under the medicaid program and for the state share of costs for exceptional medicaid behavioral health personal care services. Within the amounts provided in this subsection:

(i) Medicaid managed care organizations must provide a two percent rate increase to providers receiving state funding for nonmedicaid services under this section effective July 1, 2021, and a seven percent rate increase effective January 1, 2023.

(ii) The authority shall assure that managed care organizations reimburse the department of social and health services aging and long term support administration for the general fund—state cost of exceptional behavioral health personal care services for medicaid enrolled individuals who require these because of a psychiatric disability. Funding for the federal share of these services is separately appropriated to the department of social and health services.

(c) The authority shall coordinate with the department of social and health services to develop and submit to the centers for medicare and medicaid services an application to provide a 1915(i) state plan home and community-based services benefit. The application shall be developed to allow for the delivery of wraparound supportive behavioral health services

for individuals with mental illnesses who also have a personal care need. The waiver shall be developed to standardize coverage and administration, improve the current benefit design, and clarify roles in administration of the behavioral health personal care services benefit. By December 1, 2021, the authority, in coordination with the department of social and health services, must submit a report to the office of financial management and the appropriate committees of the legislature which provides the following:

(i) A description of the new benefit design developed for the waiver, including a description of the services to be provided and the responsibility for payment under the waiver;

(ii) Estimates of the number of individuals to be served annually under the new waiver and the estimated state and federal fiscal costs for the managed care organizations and the department of social and health services;

(iii) A comparison estimate of the number of individuals to receive behavioral health personal care services annually under the current benefit structure and the estimated state and federal fiscal costs for the managed care organizations and the department of social and health services; and

(iv) A status update on the development and submission of the waiver with an estimated timeline for approval and implementation of the new wraparound services benefit.

(d) The authority must require behavioral health administrative service organizations to submit information related to reimbursements to counties made for involuntary treatment act judicial services and submit a report to the office of financial management and the appropriate committees of the legislature with complete fiscal year 2022 reimbursements by December 1, 2022.

(8) The authority is authorized to continue to contract directly, rather than through contracts with behavioral health entities for children's long-term inpatient facility services.

(9) \$1,204,000 of the general fund—state appropriation for fiscal year 2022 and \$1,204,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting one hundred eighty-day commitment hearings at the state psychiatric hospitals.

(10) Behavioral health entities may use local funds to earn additional federal medicaid match, provided the locally matched rate does not exceed the upper-bound of their federally allowable rate range, and provided that the enhanced funding is used only to provide medicaid state plan or waiver services to medicaid clients. Additionally, behavioral health entities may use a portion of the state funds allocated in accordance with subsection (7) of this section to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

(11) \$2,291,000 of the general fund—state appropriation for fiscal year 2022 and \$2,291,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for mental health services for mentally ill offenders while confined in a county or city jail and for facilitating access to programs that offer mental health services upon release from confinement. The authority must collect information from the behavioral health entities on their plan for using these funds, the numbers of individuals served, and the types of services provided and submit a report to the office of financial management and the appropriate fiscal committees of the legislature by December 1st of each year of the biennium.

(12) Within the amounts appropriated in this section, funding is provided for the authority to develop and phase in intensive mental health services for high needs youth consistent with the settlement agreement in *T.R. v. Dreyfus and Porter*.

(13) The authority must establish minimum and maximum funding levels for all reserves allowed under behavioral health administrative service organization contracts and include contract language that clearly states the requirements and limitations. The authority must monitor and ensure that behavioral health administrative service organization reserves do not exceed maximum levels. The authority must monitor revenue and expenditure reports and must require a behavioral health administrative service organization to submit a corrective action plan on how it will spend its excess reserves within a reasonable period of time, when its reported reserves exceed maximum levels established under the contract. The authority must review and approve such plans and monitor to ensure compliance. If the authority determines that a behavioral health administrative service organization has failed to provide an adequate excess reserve corrective action plan or is not complying with an approved plan, the authority must reduce payments to the entity in accordance with remedial actions provisions included in the contract. These reductions in payments must continue until the authority determines that the entity has come into substantial compliance with an approved excess reserve corrective action plan. By June 30, 2023, the authority must submit to the office of financial management and the appropriate committees of the legislature, the minimum and maximum reserve levels established in contract for each of the behavioral health administrative service organizations for fiscal year 2024.

(14) During the 2021-2023 fiscal biennium, any amounts provided in this section that are used for case management services for pregnant and parenting women must be contracted directly between the authority and pregnant and parenting women case management providers.

(15) Within the amounts appropriated in this section, the authority may contract with the University of Washington and community-based providers for the provision of the parent-child assistance program or other specialized chemical dependency case management providers for

pregnant, post-partum, and parenting women. For all contractors: (a) Service and other outcome data must be provided to the authority by request; and (b) indirect charges for administering the program must not exceed ten percent of the total contract amount.

(16) \$3,500,000 of the general fund—federal appropriation is provided solely for the continued funding of existing county drug and alcohol use prevention programs.

(17) Within the amounts provided in this section, behavioral health entities must provide outpatient chemical dependency treatment for offenders enrolled in the medicaid program who are supervised by the department of corrections pursuant to a term of community supervision. Contracts with behavioral health entities must require that behavioral health entities include in their provider network specialized expertise in the provision of manualized, evidence-based chemical dependency treatment services for offenders. The department of corrections and the authority must develop a memorandum of understanding for department of corrections offenders on active supervision who are medicaid eligible and meet medical necessity for outpatient substance use disorder treatment. The agreement will ensure that treatment services provided are coordinated, do not result in duplication of services, and maintain access and quality of care for the individuals being served. The authority must provide all necessary data, access, and reports to the department of corrections for all department of corrections offenders that receive medicaid paid services.

(18) The criminal justice treatment account—state appropriation is provided solely for treatment and treatment support services for offenders with a substance use disorder pursuant to RCW 71.24.580. The authority must offer counties the option to administer their share of the distributions provided for under RCW 71.24.580(5)(a). If a county is not interested in administering the funds, the authority shall contract with behavioral health entities to administer these funds consistent with the plans approved by local panels pursuant to RCW 71.24.580(5)(b). Funding from the criminal justice treatment account may be used to provide treatment and support services through the conclusion of an individual's treatment plan to individuals participating in a drug court program as of February 24, 2021, if that individual wishes to continue treatment following dismissal of charges they were facing under RCW 69.50.4013(1). Such participation is voluntary and contingent upon substantial compliance with drug court program requirements. The authority must provide a report to the office of financial management and the appropriate committees of the legislature which identifies the distribution of criminal justice treatment account funds by September 30, 2021.

(19) \$6,858,000 of the general fund—state appropriation for fiscal year 2022, \$6,858,000 of the general fund—state appropriation for fiscal year 2023, and \$8,046,000 of the general fund—federal appropriation are provided solely to maintain crisis triage or stabilization centers that were originally funded in the 2017-2019 fiscal biennium. Services in these facilities may include crisis stabilization and intervention, individual counseling, peer support, medication management, education, and referral assistance. The authority shall monitor each center's effectiveness at lowering the rate of state psychiatric hospital admissions.

(20) \$9,795,000 of the general fund—state appropriation for fiscal year 2022, \$10,015,000 of the general fund—state appropriation for fiscal year 2023, and \$15,025,000 of the general fund—federal appropriation are provided solely for the operation of secure withdrawal management and stabilization facilities. The authority may not use any of these amounts for services in facilities that are subject to federal funding restrictions that apply to institutions for mental diseases, unless they have received a waiver that allows for full federal participation in these facilities. Within these amounts, funding is provided to increase the fee for service rate for these facilities up to \$650 per day. The authority must require in contracts with behavioral health entities that, beginning in calendar year 2020, they pay no lower than the fee for service rate. The authority must coordinate with regional behavioral health entities to identify and implement purchasing strategies or regulatory changes that increase access to services for individuals with complex behavioral health needs at secure withdrawal management and stabilization facilities.

(21) \$23,090,000 of the general fund—state appropriation for fiscal year 2022, \$23,090,000 of the general fund—state appropriation for fiscal year 2023, and \$92,444,000 of the general fund—federal appropriation are provided solely to maintain the enhancement of community-based behavioral health services that was initially funded in fiscal year 2019. Twenty percent of the general fund—state appropriation amounts for each regional service area must be contracted to the behavioral health administrative services organizations and used to increase their nonmedicaid funding allocations and the remainder must be provided to the medicaid managed care organizations providing apple health integrated managed care. The medicaid funding is intended to maintain increased rates for behavioral health services provided by licensed and certified community behavioral health agencies as defined by the department of health. For the behavioral health administrative services organizations, this funding must be allocated to each region based upon the population of the region. For managed care organizations, this funding must be provided through the behavioral health portion of the medicaid integrated managed care capitation rates. The authority must require the managed care organizations to provide a report that details the methodology the managed care organization used to distribute this funding to their contracted behavioral health providers. The report submitted by behavioral health administrative service organizations and managed care organizations must identify mechanisms employed to disperse the funding as well as estimated impacts to behavioral health providers in the community. The authority must submit a report to the legislature by December 1st of each year of the biennium, summarizing the information regarding the distribution of the funding provided under this subsection.

(22) \$1,401,000 of the general fund—state appropriation for fiscal year 2022, \$1,401,000 of the general fund—state appropriation for fiscal year 2023, and \$3,210,000 of the general fund—federal appropriation are provided solely for the implementation of intensive behavioral health treatment facilities within the community behavioral health service system pursuant to chapter 324, Laws of 2019 (2SHB 1394).

(23) (a) \$12,878,000 of the dedicated marijuana account—state appropriation for fiscal year 2022 and \$12,878,000 of the dedicated marijuana account—state appropriation for fiscal year 2023 are provided solely for:

(i) A memorandum of understanding with the department of children, youth, and families to provide substance abuse treatment programs;

(ii) A contract with the Washington state institute for public policy to conduct a cost-benefit evaluation of the implementations of chapter 3, Laws of 2013 (Initiative Measure No. 502);

(iii) Designing and administering the Washington state healthy youth survey and the Washington state young adult behavioral health survey;

(iv) Maintaining increased services to pregnant and parenting women provided through the parent child assistance program;

(v) Grants to the office of the superintendent of public instruction for life skills training to children and youth;

(vi) Maintaining increased prevention and treatment service provided by tribes and federally recognized American Indian organization to children and youth;

(vii) Maintaining increased residential treatment services for children and youth;

(viii) Training and technical assistance for the implementation of evidence-based, research based, and promising programs which prevent or reduce substance use disorder;

(ix) Expenditures into the home visiting services account; and

(x) Grants to community-based programs that provide prevention services or activities to youth.

(b) The authority must allocate the amounts provided in (a) of this subsection amongst the specific activities proportionate to the fiscal year 2021 allocation.

(24) (a) \$1,125,000 of the general fund—state appropriation for fiscal year 2022 and \$1,125,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for Spokane behavioral health entities to implement services to reduce utilization and the census at eastern state hospital. Such services must include:

(i) High intensity treatment team for persons who are high utilizers of psychiatric inpatient services, including those with co-occurring disorders and other special needs;

(ii) Crisis outreach and diversion services to stabilize in the community individuals in crisis who are at risk of requiring inpatient care or jail services;

(iii) Mental health services provided in nursing facilities to individuals with dementia, and consultation to facility staff treating those individuals; and

(iv) Services at the sixteen-bed evaluation and treatment facility.

(b) At least annually, the Spokane county behavioral health entities shall assess the effectiveness of these services in reducing utilization at eastern state hospital, identify services that are not optimally effective, and modify those services to improve their effectiveness.

(25) \$1,850,000 of the general fund—state appropriation for fiscal year 2022, \$1,850,000 of the general fund—state appropriation for fiscal year 2023, and \$13,312,000 of the general fund—federal appropriation are provided solely for substance use disorder peer support services included in behavioral health capitation rates in accordance with section 213(5) (ss), chapter 299, Laws of 2018. The authority shall require managed care organizations to provide access to peer support services for individuals with substance use disorders transitioning from emergency departments, inpatient facilities, or receiving treatment as part of hub and spoke networks.

(26) \$1,256,000 of the general fund—state appropriation for fiscal year 2022, \$1,256,000 of the general fund—state appropriation for fiscal year 2023, and \$2,942,000 of the general fund—federal appropriation are provided solely for the authority to maintain an increase in the number of residential beds for pregnant and parenting women originally funded in the 2019-2021 fiscal biennium.

(27) \$1,423,000 of the general fund—state appropriation for fiscal year 2022, \$1,423,000 of the general fund—state appropriation for fiscal year 2023, and \$5,908,000 of the general fund—federal appropriation are provided solely for the authority to continue to implement discharge wraparound services for individuals with complex behavioral health conditions transitioning or being diverted from admission to psychiatric inpatient programs. The authority must coordinate with the department of social and health services in establishing the standards for these programs.

(28) \$350,000 of the general fund—federal appropriation is provided solely to contract with a nationally recognized recovery residence organization and to provide technical assistance to operators of recovery residences seeking certification in accordance with chapter 264, Laws of 2019 (2SHB 1528).

(29) \$500,000 of the general fund—state appropriation for fiscal year 2022, \$500,000 of the general fund—state appropriation for fiscal year 2023, and \$1,000,000 of the general fund—federal appropriation are provided solely for the authority to maintain a memorandum of understanding with the criminal justice training commission to provide funding for community grants pursuant to chapter 378, Laws of 2019 (2SHB 1767).

(30) \$3,396,000 of the general fund—state appropriation for fiscal year 2022, \$3,396,000 of the general fund—state appropriation for fiscal year 2023, and \$16,200,000 of the general fund—federal appropriation are provided solely for support of and to continue to increase clubhouse programs across the state. The authority shall work with the centers for medicare and medicaid services to review opportunities to include clubhouse services as an optional "in lieu of" service in managed care organization contracts in order to maximize federal participation. The authority must provide a report to the office of financial management and the appropriate committees of the legislature on the status of efforts to implement clubhouse programs and receive federal approval for including these services in managed care organization contracts as an optional "in lieu of" service by December 1, 2022.

(31) \$947,000 of the general fund—state appropriation for fiscal year 2022, \$947,000 of the general fund—state appropriation for fiscal year 2023, and \$1,896,000 of the general fund—federal appropriation are provided solely for the authority to implement a statewide plan to implement evidence-based coordinated specialty care programs that provide early identification and intervention for psychosis in behavioral health agencies in accordance with chapter 360, Laws of 2019 (2SSB 5903).

(32) \$708,000 of the general fund—state appropriation for fiscal year 2022, \$708,000 of the general fund—state appropriation for fiscal year 2023, and \$1,598,000 of the general fund—federal appropriation are provided solely for implementing mental health peer respite centers and a pilot project to implement a mental health drop-in center in accordance with chapter 324, Laws of 2019 (2SHB 1394).

(33) \$800,000 of the general fund—state appropriation for fiscal year 2022, \$800,000 of the general fund—state appropriation for fiscal year 2023, and \$1,452,000 of the general fund—federal appropriation are provided solely for the authority to implement the recommendations of the state action alliance for suicide prevention, to include suicide assessments, treatment, and grant management.

(34) \$446,000 of the general fund—state appropriation for fiscal year 2022, \$446,000 of the general fund—state appropriation for fiscal year 2023, and \$178,000 of the general fund—federal appropriation are provided solely for the University of Washington's evidence-based practice institute which supports the identification, evaluation, and implementation of evidence-based or promising practices. The institute must work with the authority to develop a plan to seek private, federal, or other grant funding in order to reduce the need for state general funds. The authority must collect information from the institute on the use of these funds and submit a report to the office of financial management and the appropriate fiscal committees of the legislature by December 1st of each year of the biennium.

(35) As an element of contractual network adequacy requirements and reporting, the authority shall direct managed care organizations to make all reasonable efforts to develop or maintain contracts with provider networks that leverage local, federal, or philanthropic funding to enhance effectiveness of medicaid-funded integrated care services. These networks must promote medicaid clients' access to a system of services that addresses additional social support services and social determinants of health as defined in RCW 43.20.025 in a manner that is integrated with the delivery of behavioral health and medical treatment services.

(36) \$500,000 of the problem gambling account—state appropriation is provided solely for the authority to contract for a problem gambling adult prevalence study. The prevalence study must review both statewide and regional results about beliefs and attitudes toward gambling, gambling behavior and preferences, and awareness of treatment services. The study should also estimate the level of risk for problem gambling and examine correlations with broader behavioral and mental health measures. The health care authority shall submit results of the prevalence study to the problem gambling task force and the legislature by June 30, 2022.

(37) \$9,000,000 of the criminal justice treatment account—state appropriation is provided solely for the authority to maintain funding for new therapeutic courts created or expanded during fiscal year 2021, or to maintain the fiscal year 2021 expansion of services being provided to an already existing therapeutic court that engages in evidence-based practices, to include medication assisted treatment in jail settings pursuant to RCW 71.24.580. Funding provided under this subsection shall not supplant existing funds utilized for this purpose.

(38) In establishing, re-basing, enhancing, or otherwise updating medicaid rates for behavioral health services, the authority and contracted actuaries shall use a transparent process that provides an opportunity for medicaid managed care organizations, behavioral health administrative service organizations, and behavioral health provider agencies, and their representatives, to review and provide data and feedback on proposed rate changes within their region or regions of service operation. The authority and contracted actuaries shall transparently incorporate the information gained from this process and make adjustments allowable under federal law when appropriate.

(39) The authority shall seek input from representatives of the managed care organizations (MCOs), licensed community behavioral health agencies, and behavioral health administrative service organizations to develop specific metrics related to behavioral health outcomes under integrated managed care. These metrics must include, but are not limited to: (a) Revenues and expenditures for community behavioral health programs, including medicaid and nonmedicaid funding; (b) access to services, service denials, and utilization by state plan modality; (c) claims denials and record of timely payment to providers; (d) client demographics; and (e) social and recovery measures and managed care organization performance measures. The authority must work with managed care organizations and behavioral health administrative service organizations to integrate these metrics into an annual reporting

structure designed to evaluate the performance of the behavioral health system in the state over time. The authority must submit a report by June 30, 2023, outlining the specific metrics implemented. Thereafter, the authority shall submit the report for the preceding calendar year to the governor and appropriate committees of the legislature on or before December 30th of each year detailing the implemented metrics and relevant performance outcomes for the prior calendar year.

(40) \$3,377,000 of the general fund—state appropriation for fiscal year 2022 and (~~(\$8,027,000)~~)\$4,952,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to implement pilot programs for intensive outpatient services and partial hospitalization services for certain children and adolescents.

(a) The effective date of the pilot sites is January 1, 2021.

(b) The two pilots must be contracted with a hospital that provides psychiatric inpatient services to children and adolescents in a city with the largest population east of the crest of the Cascade mountains and a hospital that provides psychiatric inpatient services to children and adolescents in a city with the largest population west of the crest of the Cascade mountains.

(c) The authority must establish minimum standards, eligibility criteria, authorization and utilization review processes, and payment methodologies for the pilot programs in contract.

(d) Eligibility for the pilot sites is limited pursuant to the following:

(i) Children and adolescents discharged from an inpatient hospital treatment program who require the level of services offered by the pilot programs in lieu of continued inpatient treatment;

(ii) Children and adolescents who require the level of services offered by the pilot programs in order to avoid inpatient hospitalization; and

(iii) Services may not be offered if there are less costly alternative community based services that can effectively meet the needs of an individual referred to the program.

(e) The authority must collect data on the pilot sites and work with the actuaries responsible for establishing managed care rates for medicaid enrollees to develop and submit a report to the office of financial management and the appropriate committees of the legislature. A preliminary report must be submitted by December 1, 2021, and a final report must be submitted by December 1, 2022. The reports must include the following information:

(i) A narrative description of the services provided at each pilot site and identification of any specific gaps the sites were able to fill in the current continuum of care;

(ii) Clinical outcomes and estimated reductions in psychiatric inpatient costs associated with each of the pilot sites;

(iii) Recommendations for whether either or both of the pilot models should be expanded statewide; whether modifications should be made to the models to better address gaps in the continuum identified through the pilot sites, whether the models could be expanded to community behavioral health providers, and whether statewide implementation should be achieved through a state plan amendment or some other mechanism for leveraging federal medicaid match; and

(iv) Actuarial projections on the statewide need for services related to the pilot sites and estimated costs of adding each of the services to the medicaid behavioral health benefit for children and adolescents and adults.

(f) Of the amounts provided in this subsection, \$2,850,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to expand the number of pilot sites to a third location. The criteria in (c) and (d) of this subsection shall also apply to this pilot site. Data from this pilot site must be incorporated into the final report required in (e) of this subsection.

(41)(a) \$100,000 of the general fund—federal appropriation is provided solely for the authority to convene a task force to examine impacts and changes proposed to the use of criminal background checks in employment in behavioral health settings, with the goal of reducing barriers to developing and retaining a robust behavioral health workforce, while maintaining patient safety measures. The task force membership must include representatives from:

(i) The office of the attorney general;

(ii) The department of health;

(iii) The department of social and health services;

(iv) The office of the governor; and

(v) Others appointed by the authority, including behavioral health employers and those with lived experience.

(b) The task force shall consider any relevant information and recommendations made available by the work group created under Substitute House Bill No. 1411 (health care workforce).

(c) By December 1, 2021, the authority must submit a report of the task force's recommendations to the governor and the appropriate committees of the legislature.

(42) \$6,042,000 of the general fund—state appropriation for fiscal year 2022, \$561,000 of the general fund—state appropriation for fiscal year 2023, and \$35,415,000 of the general fund—federal appropriation (CRSSA) are provided solely to promote the recovery of individuals with substance use disorders through expansion of substance use disorder services. The authority shall implement this funding to promote integrated, whole-person care to individuals with opioid use disorders, stimulant use disorders, and other substance use

disorders. The authority shall use this funding to support evidence-based and promising practices as follows:

(a) \$11,170,000 of the general fund—federal appropriation (CRSSA) is provided solely for treatment services to low-income individuals with substance use disorders who are not eligible for services under the medicaid program and for treatment services that are not covered under the medicaid program. A minimum of \$9,070,000 of this amount must be contracted through behavioral health administrative services organizations. The amounts in this subsection may be used for services including, but not limited to, outpatient treatment, residential treatment, mobile opioid use disorder treatment programs, law enforcement assisted diversion programs, contingency management interventions, modified assertive community treatment, trauma informed care, crisis respite, and for reimbursement of one-time start-up operating costs for opening new beds in withdrawal management treatment programs.

(b) \$2,407,000 of the general fund state—appropriation for fiscal year 2022, \$561,000 of the general fund—state appropriation for fiscal year 2023, and \$3,245,000 of the general fund—federal appropriation (CRSSA) are provided solely for outreach programs that link individuals with substance use disorders to treatment options to include medication for opioid use disorder. The authority must contract for these services with programs that use interdisciplinary teams, which include peer specialists, to engage and facilitate linkage to treatment for individuals in community settings such as homeless encampments, shelters, emergency rooms, harm reduction programs, churches, community service offices, food banks, libraries, legal offices, and other settings where individuals with substance use disorders may be engaged. The services must be coordinated with emergency housing assistance and other services administered by the authority to promote access to a full continuum of treatment and recovery support options.

(c) \$1,535,000 of the general fund—state appropriation for fiscal year 2022 and \$10,417,000 of the general fund—federal appropriation (CRSSA) are provided solely for substance use disorder recovery support services not covered by the medicaid program including, but not limited to, emergency housing, recovery housing vouchers, supported employment, skills training, peer support, peer drop-in centers, and other community supports.

(d) \$1,100,000 of the general fund—state appropriation for fiscal year 2022 and \$1,750,000 of the general fund—federal appropriation (CRSSA) are provided solely for efforts to support the recovery of American Indians and Alaska natives with substance use disorders. This funding may be used for grants to urban Indian organizations, tribal opioid prevention media campaigns, and support for government to government communication, planning, and implementation of opioid use disorder related projects.

(e) \$1,000,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for a public awareness campaign to educate youth and young adults with opioid use disorders about harm reduction, secondary prevention, overdose awareness, fentanyl, and naloxone.

(f) \$7,083,000 of the general fund—federal appropriation (CRSSA) is provided solely for community services grants that support the implementation and evaluation of substance use disorder prevention services.

(g) Up to \$1,750,000 of the general fund—federal appropriation (CRSSA) may be used for the authority's administrative costs associated with services funded in this subsection (42).

(43) \$3,109,000 of the general fund—state appropriation for fiscal year 2022 and \$3,109,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for short-term rental subsidies for individuals with mental health or substance use disorders. This funding may be used for individuals enrolled in the foundational community support program while waiting for a longer term resource for rental support or for individuals transitioning from behavioral health treatment facilities or local jails. Individuals who would otherwise be eligible for the foundational community support program but are not eligible because of their citizenship status may also be served. By December 1, 2021, and December 1, 2022, the authority must submit a report identifying the expenditures and number of individuals receiving short-term rental supports through the agency budget during the prior fiscal year broken out by region, treatment need, and the demographics of those served, including but not limited to age, country of origin within racial/ethnic categories, gender, and immigration status.

(44) Within the amounts provided in this section, sufficient funding is provided for the authority to implement requirements to provide up to five sessions of intake and assessment pursuant to Second Substitute House Bill No. 1325 (behavioral health/youth).

(45) \$19,000,000 of the general fund—federal appropriation (CRSSA) and \$1,600,000 of the general fund—federal appropriation (ARPA) are provided solely to promote the recovery of individuals with mental health disorders through expansion of mental health services. The authority shall implement this funding to promote integrated, whole-person care through evidence based and promising practices as follows:

(a) \$7,303,000 of the general fund—federal appropriation (CRSSA) is provided solely for treatment services to low-income individuals with mental health disorders who are not eligible for services under the medicaid program and for treatment services that are not covered under the medicaid program. A minimum of \$6,150,000 of this amount must be contracted through behavioral health administrative services organizations. The amounts in this subsection may be used for services including, but not limited to, outpatient treatment, residential treatment, law enforcement assisted diversion programs, modified assertive community treatment, and trauma informed care.

(b) \$6,344,000 of the general fund—federal appropriation (CRSSA) is provided solely for mental health recovery support services not covered by the medicaid program including, but not limited to, supportive housing, emergency housing vouchers, supported employment, skills training, peer support, peer drop-in centers, and other community supports.

(c) \$961,000 of the general fund—federal appropriation (CRSSA) is provided solely for efforts to support the recovery of American Indians and Alaska natives with mental health disorders.

(d) \$1,346,000 of the general fund—federal appropriation (CRSSA) is provided solely to enhance crisis services and may be used for crisis respite care.

(e) \$2,307,000 of the general fund—federal appropriation (CRSSA) is provided solely for the expansion of first episode psychosis programs.

(f) Up to \$961,000 of the general fund—federal appropriation (CRSSA) may be used for the authority's administrative costs associated with services funded in this subsection.

(46) The authority must pursue opportunities for shifting state costs to the state's unused allocation of federal institutions for mental disease disproportionate share hospital funding. The authority must submit a report to the office of financial management and the appropriate committees of the legislature by December 1, 2021, which identifies any activities the authority has implemented or identified to shift state costs to the unused federal funds and an analysis of the fiscal impacts for these activities and options.

(47) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to implement one-time behavioral health workforce pilot programs and training support grants pursuant to Engrossed Second Substitute House Bill No. 1504 (workforce education development act). Of these amounts, \$440,000 of the general fund—state appropriation for fiscal year 2022 and \$440,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the three behavioral health workforce pilot programs and \$60,000 of the general fund—state appropriation for fiscal year 2022 and \$60,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for training support grants.

(48) \$1,400,000 of the general fund—state appropriation for fiscal year 2022 and \$3,600,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to expand efforts to provide opioid use disorder medication in city, county, regional, and tribal jails. The authority must submit a report to the office of financial management and the appropriate committees of the legislature by December 1, 2021, on the allocation of the fiscal year 2021 funding within this subsection. The authority must provide a report to the office of financial management and the appropriate committees of the legislature by December 1, 2022, on the allocation of the fiscal year 2022 funding and the expenditures and number of individuals served in fiscal year 2021 by location.

(49) \$500,000 of the general fund—federal appropriation is provided solely to establish an emotional support network program for individuals employed as peer specialists. The authority must contract for these services which shall include, but not be limited to, facilitating support groups for peer specialists, support for the recovery journeys of the peer specialists themselves, and targeted support for the secondary trauma inherent in peer work.

(50) \$1,800,000 of the general fund—federal appropriation is provided solely for the authority to contract on a one-time basis with the University of Washington behavioral health institute to continue and enhance its efforts related to training and workforce development. The behavioral health institute shall develop and disseminate model programs and curricula to address the treatment needs of individuals with substance use disorders and cooccurring disorders. The behavioral health institute shall provide consultation and training to behavioral health agencies in order to improve the delivery of evidence-based and promising practices and overall quality of care. Training for providers may include technical assistance related to payment models, integration of peers, team-based care, utilization reviews, care transitions, and the infusion of recovery and resiliency into programming and culture. Additionally, the behavioral health institute shall provide continued access to telehealth training and support, including innovative digital health content. The behavioral health institute shall evaluate behavioral health inequities in Washington and create a center of excellence to address behavioral health inequity, including the need for a more diverse workforce. The behavioral health institute shall offer an annual conference on race, equity, and social justice and create a learning management system to provide access to training for publicly funded behavioral health providers across a range of topics. Specific curricula to be developed within the amounts provided in this subsection must include:

(a) A training for law enforcement officers focused on understanding substance use disorder and the recovery process and options and procedures for diversion from the criminal legal system for individuals with substance use disorder, to be developed in consultation with the criminal justice training commission; and

(b) A curriculum for correctional officers and community corrections officers focused on motivational interviewing, recovery coaching, and trauma informed care, developed in consultation with the department of corrections.

(51) \$300,000 of the general fund—state appropriation for fiscal year 2022 and \$300,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a grant to the north sound behavioral health administrative services organization to provide trauma-informed counseling services to children and youth in Whatcom county schools. The services must be provided by licensed behavioral health professionals who have training in the

provision of trauma-informed care. The behavioral health administrative services organization must request, from the office of the superintendent of public instruction, a listing of the Whatcom county schools that are eligible for high-poverty allocations from the learning assistance program and prioritize services in these schools.

(52) \$200,000 of the general fund—state appropriation for fiscal year 2022 and \$200,000 of the general fund—state appropriation for fiscal year 2023 are provided on a one-time basis solely for the authority to contract with the north sound behavioral health administrative services organization to establish the Whatcom county crisis stabilization center as a pilot project for diversion from the criminal justice system to appropriate community based treatment. The pilot shall allow for police officers to place involuntary holds for up to 12 hours for persons placed at the facility in accordance with RCW 10.31.110. The amounts provided must be used to pay for the cost of services at the site not covered under the medicaid program. The authority must submit a report to the office of financial management and the appropriate committees of the legislature by December 1, 2022, including the following information:

(a) The total number of individuals served in the crisis stabilization center broken out by those served on a voluntary basis versus those served under involuntary treatment holds placed pursuant to RCW 10.31.110;

(b) A summary of the outcomes for each of the groups identified in (a) of this subsection; and

(c) Identification of methods to incentivize or require managed care organizations to implement payment models for crisis stabilization providers that recognize the need for the facilities to operate at full staffing regardless of fluctuations in daily census.

(53) \$1,250,000 of the general fund—state appropriation for fiscal year 2022 and \$1,250,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to contract with the King county behavioral health administrative services organization to maintain children's crisis outreach response system services that were previously funded through the department of children, youth, and families. The authority, in consultation with the behavioral health administrative services organization, medicaid managed care organizations, and the actuaries responsible for developing medicaid managed care rates, must work to maximize federal funding provided for the children's crisis outreach response system program and submit a report to the office of financial management and the appropriate committees of the legislature by December 1, 2021, on the status of these efforts and the associated savings in state funds.

(54) \$881,000 of the general fund—state appropriation for fiscal year 2022 and \$881,000 of the general fund—state for fiscal year 2023 are provided on a one-time basis solely for maintaining and increasing resources for peer support programs and for the authority to contract with an organization to assist with the recruitment of individuals to work as behavioral health peers with a specific focus on black, indigenous, and people of color communities. The authority must submit a preliminary report to the office of financial management and the appropriate committees of the legislature on the status of these efforts by December 1, 2021, and a final report including identification of the number and demographics of individuals recruited into behavioral health peer positions by December 1, 2022.

(55) \$250,000 of the general fund—federal appropriation is provided solely for the authority to provide crisis response training to behavioral health peer specialists. The authority must use these amounts to contract for the development of a specialized 40 hour crisis response training curriculum for behavioral health peer specialists and to conduct a minimum of one statewide training session during fiscal year 2022 and one statewide training session during fiscal year 2023. The training shall focus on preparing behavioral health peer specialists to work with individuals in crisis, including providing peer services in emergency departments, as corresponders with law enforcement, and as part of mobile crisis teams. The training sessions must be offered free of charge to the participants and may be offered either virtually or in person as determined by the authority. By December 1, 2022, the authority must submit a report to the office of financial management and the appropriate committees of the legislature on the peer crisis response curriculum and the number of individuals that received training.

(56) \$500,000 of the general fund—federal appropriation is provided solely for the authority to contract on a one-time basis with the University of Washington alcohol and drug abuse institute to develop policy solutions in response to the public health challenges of high tetrahydrocannabinol potency cannabis. The institute must use this funding to: Conduct individual interviews with stakeholders and experts representing different perspectives, facilitate joint meetings with stakeholders to identify areas of common ground and consensus, and develop recommendations for state policies related to cannabis potency and mitigating detrimental health impacts. The authority must submit the following reports to the office of financial management and the appropriate committees of the legislature:

(a) An initial report must be submitted by December 31, 2021, and shall summarize progress made to date, preliminary policy recommendations, and next steps; and

(b) A final report must be submitted by December 31, 2022, and shall summarize the analysis conducted by the institute, the process and stakeholders involved, an inventory of relevant cannabis policies in other states, and recommendations for policy changes to reduce the negative impacts of high potency cannabis in Washington state.

(57) \$8,197,000 of the general fund—state appropriation for fiscal year 2022, \$8,819,000 of the general fund—state appropriation for fiscal year 2023, and \$38,025,000 of the general fund—federal appropriation are provided solely to continue in the 2021-2023 fiscal biennium

the two percent increase to medicaid reimbursement for community behavioral health providers contracted through managed care organizations that was provided in April 2021. The authority must employ mechanisms such as directed payment or other options allowable under federal medicaid law to assure the funding is used by the managed care organizations for a two percent provider rate increase as intended and verify this pursuant to the process established in chapter 285, Laws of 2020 (EHB 2584). The rate increase shall be implemented to all behavioral health inpatient, residential, and outpatient providers receiving payment for services under this section contracted through the medicaid managed care organizations.

(58) \$17,128,000 of the general fund—state appropriation for fiscal year 2023 and \$32,861,000 of the general fund—federal appropriation are provided solely to implement a 7 percent increase to medicaid reimbursement for community behavioral health providers contracted through managed care organizations to be effective January 1, 2023. The authority must employ mechanisms such as directed payment or other options allowable under federal medicaid law to assure the funding is used by the managed care organizations for a 7 percent provider rate increase as intended and verify this pursuant to the process established in chapter 285, Laws of 2020 (EHB 2584). The rate increase shall be implemented to all behavioral health inpatient, residential, and outpatient providers contracted through the medicaid managed care organizations. Providers receiving rate increases under other subsections of this section must be excluded from the rate increase directed in this subsection.

(59) \$1,307,000 of the general fund—state appropriation for fiscal year 2022, (~~(\$5,217,000)~~) \$1,838,000 of the general fund—state appropriation for fiscal year 2023, and (~~(\$6,524,000)~~) \$3,145,000 of the general fund—federal appropriation are provided solely to increase the number of beds and rates for community children's long-term inpatient program providers. The number of funded beds is increased on a phased in basis to (62 beds by the end of fiscal year 2022 and to 72 beds) 46 beds by the end of fiscal year 2023. The rates are increased ((by two percent effective July 1, 2021, and by an additional 4.5 percent effective January 1, 2023)) from a per diem rate of \$857 to \$1,030 for existing and new beds effective January 1, 2023.

(60) \$117,000 of the general fund—state appropriation for fiscal year 2022, \$251,000 of the general fund—state appropriation for fiscal year 2023, and \$265,000 of the general fund—federal appropriation are provided solely to increase rates for parent child assistance program providers by two percent effective July 1, 2021, and by an additional 4.5 percent effective January 1, 2023.

(61) \$205,000 of the general fund—state appropriation for fiscal year 2022 and \$205,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to contract with the Washington state behavioral health institute to engage consumers, the University of Washington evidence based practice institute, and other stakeholders to review current and emerging data and research and make recommendations regarding best practices for virtual behavioral health services to children from prenatal stages through age 25. This work shall focus on the development of services and supports that deliver clinically-effective outcomes for children and families and identify safeguards for "in-person," "audio-video," and "audio only" modes. The review conducted by the institute shall include the collection and analysis of data about clinical efficacy of behavioral health services and supports through virtual modes and methods for determining and maximizing the health benefits of the different modes. The authority shall submit data required for this research to the behavioral health institute in accordance with federal and state laws regarding client protected information. The department shall submit the following reports to the office of financial management and the appropriate committees of the legislature:

(a) A preliminary report on the 2022 workplan by December 31, 2021;

(b) An initial report with recommendations for standards of care and best practices for behavioral health services by June 30, 2022; and

(c) A final report with additional refined recommendations and a research agenda and proposed budget for fiscal year 2024 and beyond by December 31, 2022.

(62) The authority must claim the enhanced federal medical assistance participation rate for home and community-based services offered under section 9817 of the American rescue plan act of 2021 (ARPA). Appropriations made that constitute supplementation of home and community-based services as defined in section 9817 of ARPA are listed in LEAP omnibus document HCBS-2021.

(63) \$150,000 of the general fund—federal appropriation is provided solely for training of behavioral health consumer advocates. Beginning in July 2022, the authority must enter into a memorandum of understanding with the department of commerce to provide support for training of behavioral health consumer advocates pursuant to Engrossed Second Substitute House Bill No. 1086 (behavioral health consumers).

(64) \$5,000,000 of the general fund—federal appropriation is provided solely for the authority to maintain funding for grants to law enforcement assisted diversion programs outside of King county established pursuant to chapter 314, Laws of 2019 (SSB 5380). By December 1, 2023, the authority, in coordination with the law enforcement assisted diversion national support bureau, must collect information and submit a report to the office of financial management and the appropriate committees of the legislature on the grant program including a description of the program model or models used and the number, demographic information, and measurable outcomes of the individuals served with the funding provided under this subsection.

(65) \$250,000 of the general fund—state appropriation for fiscal year 2022 and \$250,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to contract with a statewide mental health nonprofit organization that provides free community and school-based mental health education and support programs for consumers and families. The contractor must use this funding to provide access to programs tailored to peers living with mental illness as well as family members of people with mental illness and the community at large. Services provided by the contracted program shall include education, support, and assistance to reduce isolation and help consumers and families understand the services available in their communities.

(66) \$13,374,000 of the general fund—state appropriation for fiscal year 2022, \$15,474,000 of the general fund—state appropriation for fiscal year 2023, and \$13,743,000 of the general fund—federal appropriation are provided solely for increasing local behavioral health mobile crisis response team capacity and ensuring each region has at least one adult and one children and youth mobile crisis team that is able to respond to calls coming into the 988 crisis hotline.

(a) In prioritizing this funding, the health care authority shall assure that a minimum of six new children and youth mobile crisis teams are created and that there is one children and youth mobile crisis team in each region by the end of fiscal year 2022.

(b) In implementing funding for adult and youth mobile crisis response teams, the authority must establish standards in contracts with managed care organizations and behavioral health administrative services organizations for the services provided by these teams.

(c) Of these amounts, \$3,000,000 of the general fund—state appropriation for fiscal year 2023 and \$1,012,000 of the general fund—federal appropriation are provided solely to increase capacity for mobile crisis services in King county. These amounts must supplement and not supplant funding to the county previously allocated by the authority under this subsection.

(67) ~~(\$37,628,000)~~ \$38,835,000 of the general fund—state appropriation for fiscal year 2022, ~~(\$44,606,000)~~ \$48,600,000 of the general fund—federal appropriation are provided solely for the authority to contract with community hospitals or freestanding evaluation and treatment centers to provide long-term inpatient care beds as defined in RCW 71.24.025. Within these amounts, the authority must meet the requirements for reimbursing counties for the judicial services for patients being served in these settings in accordance with RCW 71.05.730. The authority must coordinate with the department of social and health services in developing the contract requirements, selecting contractors, and establishing processes for identifying patients that will be admitted to these facilities. Of the amounts in this subsection, sufficient amounts are provided in fiscal year 2022 and fiscal year 2023 for the authority to reimburse community hospitals and nonhospital residential treatment centers serving clients in long-term inpatient care beds as defined in RCW 71.24.025 as follows:

(a) For a hospital licensed under chapter 70.41 RCW that requires a hospital specific medicaid inpatient psychiatric per diem payment rate for long-term civil commitment patients because the hospital has completed a medicare cost report, the authority shall analyze the most recent medicare cost report of the hospital after a minimum of 200 medicaid inpatient psychiatric days. The authority shall establish the inpatient psychiatric per diem payment rate for long-term civil commitment patients for the hospital at 100 percent of the allowable cost of care, based on the most recent medicare cost report of the hospital.

(b) For a hospital licensed under chapter 70.41 RCW that has not completed a medicare cost report with more than 200 medicaid inpatient psychiatric days, the authority shall establish the medicaid inpatient psychiatric per diem payment rate for long-term civil commitment patients for the hospital at the higher of the hospital's current medicaid inpatient psychiatric rate; or the annually updated statewide average of the medicaid inpatient psychiatric per diem payment rate of all acute care hospitals licensed under chapter 70.41 RCW providing long-term civil commitment services.

(c) For a hospital licensed under chapter 71.12 RCW and currently providing long-term civil commitment services, the authority shall establish the medicaid inpatient psychiatric per diem payment rate at \$940 plus adjustments that may be needed to capture costs associated with long-term psychiatric patients that are not allowable on the medicare cost report or reimbursed separately. The hospital may provide the authority with supplemental data to be considered and used to make appropriate adjustments to the medicaid inpatient psychiatric per diem payment rate of the hospital. Adjustment of costs may include:

(i) Costs associated with professional services and fees not accounted for in the hospital's medicare cost report or reimbursed separately;

(ii) Costs associated with the hospital providing the long-term psychiatric patient access to involuntary treatment court services that are not reimbursed separately; and

(iii) Other costs associated with caring for long-term psychiatric patients that are not reimbursed separately.

(d) For a hospital licensed under chapter 71.12 RCW that requires an initial medicaid inpatient psychiatric per diem payment rate for long-term civil commitment services because it has not yet completed a medicare cost report, the authority shall establish the medicaid inpatient psychiatric per diem payment rate at the higher of:

(i) The hospital's current medicaid inpatient psychiatric rate; or

(ii) The annually updated statewide average of the medicaid long-term inpatient psychiatric per diem payment rate of all freestanding psychiatric hospitals licensed under chapter 71.12 RCW providing long-term civil commitment services.

(e) For nonhospital residential treatment centers certified to provide long-term inpatient care beds as defined in RCW 71.24.025, the authority shall increase the fiscal year 2021 rate by three percent each year of the biennium.

(f) Beginning in fiscal year 2023, provider payments for vacant bed days shall not exceed six percent of their annual contracted bed days.

(g) The legislature intends to recognize the additional costs associated with student teaching related to long-term civil commitment patients to be provided in a new teaching hospital expected to open during the 2023-2025 fiscal biennium.

(h) The authority, in coordination with the department of social and health services, the office of the governor, the office of financial management, and representatives from medicaid managed care organizations, behavioral health administrative service organizations, and community providers, must develop and implement a plan to continue the expansion of civil community long-term inpatient capacity. The plan shall identify gaps and barriers in the current array of community long-term inpatient beds in serving higher need individuals including those committed to a state hospital pursuant to the dismissal of criminal charges and a civil evaluation ordered under RCW 10.77.086 or 10.77.088. The plan shall identify strategies to overcome these barriers including, but not limited to, potential rate enhancements for high needs clients. The authority must submit its implementation plan to the office of financial management and the appropriate fiscal committees of the legislature by December 1, 2021, and submit a status update on the implementation plan by October 15, 2022.

(68) (a) \$31,000,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided on a one-time basis solely for the authority to provide assistance payments to behavioral health providers serving medicaid and state-funded clients. In prioritizing the allocation of this funding, the authority must take the following into account:

(i) The differential impact the pandemic has had on different types of providers;

(ii) Other state and federal relief funds providers have received or are eligible to apply for; and

(iii) Equitable distribution of assistance including consideration of geographic location and providers serving members of historically disadvantaged communities.

(b) To be eligible for assistance, the behavioral health providers must:

(i) Have experienced lost revenue or increased expenses that are a result of the COVID-19 public health emergency;

(ii) Self-attest that the lost revenue or expenses are not funded by any other government or private entity;

(iii) Agree to operate in accordance with the requirements of applicable federal, state, and local public health guidance and directives; and

(iv) Agree to comply with federal guidance on the use of coronavirus state and local fiscal recovery funds.

(c) Provider assistance is subject to the availability of amounts provided in this subsection.

(69) (a) \$375,000 of the general fund—state appropriation for fiscal year 2022 and \$375,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a one-time grant to Island county to fund a pilot program to improve behavioral health outcomes for young people in rural communities. In administering the pilot program, Island county shall coordinate with school districts, community groups, and health care providers to increase access to behavioral health programs for children and youth aged birth to 24 years of age. The grant funds shall be used to coordinate and expand behavioral health services. The grant funding must not be used to supplant funding from existing programs. No more than 10 percent of the funds may be used for administrative costs incurred by Island county in administering the program. Services that may be provided with the grant funding include, but are not limited to:

(i) Support for children and youth with significant behavioral health needs to address learning loss caused by COVID-19 and remote learning;

(ii) School based behavioral health education, assessment, and brief treatment;

(iii) Screening and referral of children and youth to long-term treatment services;

(iv) Behavioral health supports provided by community agencies serving youth year-round;

(v) Expansion of mental health first aid, a program designed to prepare adults who regularly interact with youth for how to help people in both crisis and noncrisis mental health situations;

(vi) Peer support services; and

(vii) Compensation for the incurred costs of clinical supervisors and internships.

(b) The authority, in coordination with Island county, must submit the following reports to the legislature:

(i) By December 1, 2022, a report summarizing how the funding was used and providing the number of children and youth served by the pilot during fiscal year 2022; and

(ii) By December 1, 2023, a report summarizing how the funding was used and providing the number of children and youth served by the pilot during fiscal year 2023.

(70) State general fund appropriations in this section and in sections 219 and 221 of this act are made to address the harms caused to the state and its citizens by the opioid epidemic, and these include appropriations of \$13,466,000 attributable to the settlement in *State v. McKinsey & Co., Inc.*

(71) (~~(\$260,000 of the general fund—state appropriation for fiscal year 2022, \$3,028,000 of the general fund—state appropriation for fiscal year 2023, and \$3,028,000 of the general fund—federal appropriation are provided solely for the authority to contract for a twelve bed children's long-term inpatient program facility specializing in the provision of~~

~~habilitative mental health services for children and youth with intellectual or developmental disabilities who have intensive behavioral health support needs. The authority must provide a report to the office of financial management and the appropriate committees of the legislature providing data on the demand and utilization of this facility by June 30, 2023.~~

~~(72))~~ \$300,000 of the general fund—state appropriation for fiscal year 2022 and \$300,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the authority to continue the University of Washington's project extension for community health care outcomes (ECHO) for:

(a) Telecommunication consultation with local physicians to discuss medications appropriate to patients who have developmental disabilities and behavioral issues; and

(b) Training to both behavioral health and developmental disabilities professionals to support individuals with both developmental disabilities and behavioral health needs.

~~((73)—\$1,991,000))~~ (72) \$2,104,000 of the general fund—federal appropriation and ~~((73)—\$1,147,000))~~ \$1,260,000 of the general fund—local appropriation are provided solely for supported housing and employment services described in initiative 3a and 3b of the 1115 demonstration waiver and this is the maximum amount that may be expended for this purpose. Under this initiative, the authority and the department of social and health services shall ensure that allowable and necessary services are provided to eligible clients as identified by the authority or its providers or third party administrator. The department and the authority in consultation with the medicaid forecast work group, shall ensure that reasonable reimbursements are established for services deemed necessary within an identified limit per individual. The authority shall not increase general fund—state expenditures above appropriated levels for this specific purpose. The secretary in collaboration with the director of the authority shall report to the joint select committee on health care oversight no less than quarterly on financial and health outcomes. The secretary in cooperation with the director shall also report to the fiscal committees of the legislature the expenditures of this subsection and shall provide such fiscal data in the time, manner, and form requested by the legislative fiscal committees.

~~((74))~~ (73) (a) \$150,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the authority to convene a work group to develop a recommended teaching clinic enhancement rate for behavioral health agencies training and supervising students and those seeking their certification or license. This work should include: Developing standards for classifying a behavioral health agency as a teaching clinic; a cost methodology to determine a teaching clinic enhancement rate; and a timeline for implementation. The work group must include representatives from:

(i) The department of health;

(ii) The office of the governor;

(iii) The Washington workforce training and education board;

(iv) The Washington council for behavioral health;

(v) Licensed and certified behavioral health agencies; and

(vi) Higher education institutions.

(b) By October 15, 2021, the health care authority must submit a report of the work group's recommendations to the governor and the appropriate committees of the legislature.

~~((75))~~ (74) \$343,000 of the general fund—state appropriation for fiscal year 2022, \$344,000 of the general fund—state appropriation for fiscal year 2023, and \$687,000 of the general fund—federal appropriation are provided solely for increasing services to pregnant and parenting women provided through the parent child assistance program.

~~((76))~~ (75) \$130,000 of the general fund—state appropriation for fiscal year 2022 and \$130,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for maintaining and increasing the capabilities of a tool to track medication assisted treatment provider capacity.

~~((77))~~ (76) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for grants to support substance use disorder family navigators across the state.

~~((78))~~ (77) \$125,000 of the general fund—state appropriation for fiscal year 2022 and \$125,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for grants to support recovery cafes across the state.

~~((79))~~ (78) \$69,000 of the general fund—state appropriation for fiscal year 2022, \$63,000 of the general fund—state appropriation for fiscal year 2023, and \$198,000 of the general fund—federal appropriation are provided solely for the implementation of Engrossed Second Substitute Senate Bill No. 5071 (civil commitment transition).

~~((80))~~ (79) \$200,000 of the general fund—state appropriation for fiscal year 2022, \$195,000 of the general fund—state appropriation for fiscal year 2023, and \$755,000 of the general fund—federal appropriation are provided solely for a grant program to award funding to fire departments in the state of Washington to implement safe station pilot programs. Programs that combine the safe station approach with fire department mobile integrated health programs such as the community assistance referral and education services program under RCW 35.21.930 are encouraged. Certified substance use disorder peer specialists may be employed in a safe station pilot program if the authority determines that a plan is in place to provide appropriate levels of supervision and technical support. Safe station pilot programs shall collaborate with behavioral health administrative services organizations, local crisis providers, and other stakeholders to develop a streamlined process for referring safe station clients to the appropriate level of care. Funding for pilot programs under this subsection shall be used for new or expanded programs and may not be used to supplant existing funding.

~~((81))~~ (80) \$71,000 of the general fund—state appropriation for fiscal year 2022, \$66,000 of the general fund—state appropriation for fiscal year 2023, and \$136,000 of the general fund—federal appropriation are provided solely for the implementation of Second Substitute Senate Bill No. 5195 (opioid overdose medication).

~~((82))~~ (81) \$150,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the authority to evaluate options for a medicaid waiver to provide respite care for youth with behavioral health challenges while avoiding adverse impacts with respite waivers at the department of social and health services developmental disabilities administration and the department of children, youth, and families.

~~((83))~~ (82) \$2,000,000 of the general fund—federal appropriation is provided solely for grants to law enforcement and other first responders to include a mental health professional on the team of personnel responding to emergencies.

~~((84))~~ (83) \$375,000 of the general fund—state appropriation for fiscal year 2022 and \$375,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a grant to the city of Arlington in partnership with the North County regional fire authority for a mobile integrated health pilot project. The project shall provide mobile integrated health services for residents who cannot navigate resources through typical methods through brief therapeutic intervention, biopsychosocial assessment and referral, and community care coordination.

~~((85))~~ (84) \$26,000 of the general fund—state appropriation for fiscal year 2022, \$26,000 of the general fund—state appropriation for fiscal year 2023, and \$48,000 of the general fund—federal appropriation are provided solely for the implementation of Engrossed Substitute House Bill No. 1196 (audio only telemedicine).

~~((86))~~ (85) \$400,000 of the general fund—state appropriation for fiscal year 2022 and \$400,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Substitute Senate Bill No. 5073 (involuntary commitment).

~~((87))~~ (86) \$349,000 of the general fund—state appropriation for fiscal year 2022, \$1,849,000 of the general fund—state appropriation for fiscal year 2023, and \$942,000 of the general fund—federal appropriation are provided solely for the authority to contract for services at two distinct 16 bed programs in a facility located in Clark county to provide long-term inpatient care beds as defined in RCW 71.24.025. The beds must be used to provide treatment services for individuals who have been involuntarily committed to long-term inpatient treatment pursuant to the dismissal of criminal charges and a civil evaluation ordered under RCW 10.77.086 or 10.77.088. The authority, in coordination with the department of social and health services, must develop and implement a protocol to assess the risk of patients being considered for placement in this facility and determine whether the level of security and treatment services is appropriate to meet the patient's needs. The department must submit a report to the office of financial management and the appropriate committees of the legislature by December 1, 2022, providing a description of the protocol and a status update on progress toward opening the new facility.

~~((88))~~ (87) \$250,000 of the general fund—state appropriation for fiscal year 2022 and \$956,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for wraparound with intensive services for youth ineligible for medicaid as outlined in the settlement agreement under *AGC v. Washington State Health Care Authority*, Thurston county superior court no. 21-2-00479-34.

~~((89))~~ (88) \$38,230,000 of the general fund—state appropriation for fiscal year 2022 and \$18,188,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for claims for services rendered to medicaid eligible clients admitted to institutions of mental disease that were determined to be unallowable for federal reimbursement due to medicaid's institutions for mental disease exclusion rules. Of these amounts, \$20,042,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for belated claims for services that were rendered prior to fiscal year 2022.

~~((90))~~ (89) \$6,010,000 of the general fund—state appropriation for fiscal year 2023 and \$990,000 of the general fund—federal appropriation are provided solely for the authority, in coordination with the department of health, to deploy an opioid awareness campaign and to contract with syringe service programs and other service settings assisting people with substance use disorders to: Prevent and respond to overdoses; provide other harm reduction services and supplies, including but not limited to distributing naloxone, fentanyl, and other drug testing supplies; and for expanding contingency management services. The authority is encouraged to use these funds to leverage federal funding for this purpose to expand buying power. The authority should prioritize funds for naloxone distribution for programs or settings that are least likely to be able to bill medicaid. Of the amounts provided in this subsection, \$1,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to deploy an opioid awareness campaign targeted at youth to increase the awareness of the dangers of fentanyl. Any moneys deposited into the general fund pursuant to section 126(41) of this act from the Purdue Pharma and Sackler family settlement must be used for the purposes of this subsection.

~~((91))~~ (90) \$2,382,000 of the general fund—state appropriation for fiscal year 2023 and \$6,438,000 of the general fund—federal appropriation are provided solely ~~((for a transition to bundled payment arrangement methodology for opioid treatment providers. Within these amounts, providers will receive a rate increase through the new methodology and the))~~ to increase rates for opioid treatment program services provided through medicaid managed care contracts. The authority must direct medicaid managed care organizations, to the extent

allowed under federal medicaid law, to adopt a value based bundled payment methodology in contracts with opioid treatment providers. This increase is effective January 1, 2023.

~~((92))~~ (91) \$2,387,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to support the creation of a bridge period for individuals also enrolled in the foundational community supports initiative who are transitioning from benefits under RCW 74.04.805 due to increased income or other changes in eligibility. The authority, department of social and health services, and department of commerce shall collaborate on this effort.

~~((93))~~ (92) \$1,574,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to contract with a program to provide medical respite care for individuals with behavioral health needs. The program must serve individuals with significant behavioral health needs and medical issues who do not require hospitalization but are unable to provide adequate self-care for their medical conditions. The program must prioritize services to individuals with complex medical and behavioral health issues who are homeless or who were recently discharged from a hospital setting. The services must meet quality standards and best practices developed by the national health care for the homeless council and may include, but are not limited to, medical oversight and health education; care transitions; and discharge planning to and from primary care, inpatient hospital, emergency rooms, and supportive housing. In selecting the contractor, the authority must prioritize projects that demonstrate the active involvement of an established medical provider that is able to leverage federal medicaid funding in the provision of these services. The authority must work with the medicaid managed care organizations to encourage their participation and assist the plans and the contractor in identifying mechanisms for appropriate use of medicaid reimbursement in this setting.

~~((94))~~ (93) \$490,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to create a master leasing incentive program with specific emphasis on *Trueblood* programs. The authority shall also create a toolkit for use by landlords serving special populations. The authority and department of commerce shall collaborate on this effort.

~~((95))~~ (94) \$664,000 of the general fund—state appropriation for fiscal year 2023 and \$154,000 of the general fund—federal appropriation are provided solely for the authority to contract for three regional behavioral health mobile crisis response teams focused on supported housing to prevent individuals with behavioral health conditions at high risk of losing housing from becoming homeless, identify and prioritize serving the most vulnerable people experiencing homelessness, and increase alternative housing options to include short-term alternatives which may temporarily deescalate situations where there is high risk of a household from becoming homeless.

~~((96))~~ (95) \$6,027,000 of the general fund—state appropriation for fiscal year 2023 and \$2,009,000 of the general fund—federal appropriation are provided solely to create and expand access to no barrier, and low-barrier programs using a housing first model designed to assist and stabilize housing supports for adults with behavioral health conditions. Housing supports and services shall be made available with no requirement for treatment for their behavioral health condition and must be individualized to the needs of the individual. The authority and department of commerce shall collaborate on this effort. The authority and department of commerce shall collaborate on this effort and must submit a preliminary report to the office of financial management and the appropriate committees of the legislature by December 31, 2022.

~~((97))~~ (96) \$775,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to create a rental voucher and bridge program and implement strategies to reduce instances where an individual leaves a state operated behavioral or private behavioral health facility directly into homelessness. The authority must prioritize this funding for individuals being discharged from state operated behavioral health facilities.

~~((98))~~ (97) \$200,000 of the general fund—state appropriation for fiscal year 2022, \$200,000 of the general fund—state appropriation for fiscal year 2023, and \$400,000 of the general fund—federal appropriation are provided solely for the authority to contract for a behavioral health comparison rate study. The study must be conducted to examine provider resources involved in developing individual covered behavioral health services and to establish benchmark payment rates that reflect the reasonable and necessary costs associated with the delivery of behavioral health services. The study must include an evaluation of actual medicaid managed care organization payment rates to the benchmark rates and summarize the results of this evaluation. The study must be conducted in a manner so that the benchmark comparison rates are incorporated into a full behavioral health fee schedule that can be used for assessing the costs associated with expansion of services, rate increases, and medicaid managed care plan state directed payments. The authority must provide a preliminary report on the study to the office of financial management and the appropriate committees of the legislature by June 30, 2023.

~~((99))~~ (98) \$382,000 of the general fund—state appropriation for fiscal year 2023 and \$254,000 of the general fund—federal appropriation are provided solely for the authority, in collaboration with the department of social and health services research and data analysis division, to implement community behavioral health service data into the existing executive management information system. Of these amounts, \$288,000 of the general fund—state appropriation for fiscal year 2023 and \$192,000 of the general fund—federal appropriation are provided solely for the authority to reimburse the research and data analysis division for staff costs associated with this project. The data elements shall be incorporated into the monthly executive management information system reports on a phased-in basis, allowing

for elements which are readily available to be incorporated in the initial phase, and elements which require further definition and data collection changes to be incorporated in a later phase. The authority must collaborate with the research and data analysis division to ensure data elements are clearly defined and must include requirements in medicaid managed care organization and behavioral health administrative services organization contracts to provide the data in a consistent and timely manner for inclusion into the system. The community behavioral health executive management system information data elements must include, but are not limited to: Psychiatric inpatient bed days; evaluation and treatment center bed days; long-term involuntary community psychiatric inpatient bed days; children's long-term inpatient bed days; substance use disorder inpatient, residential, withdrawal evaluation and management, and secure withdrawal evaluation and management bed days; crisis triage and stabilization services bed days; mental health residential bed days; mental health and substance use disorder outpatient treatment services; opioid substitution and medication assisted treatment services; program of assertive treatment team services; wraparound with intensive services; mobile outreach crisis services; recovery navigator team services; foundational community supports housing and employment services; projects for assistance in transition from homelessness services; housing and recovery through peer services; other housing services administered by the authority; mental health and substance use disorder peer services; designated crisis responder investigations and outcomes; involuntary commitment hearings and outcomes; pregnant and parenting women case management services; and single bed certifications and no available bed reports. Wherever possible and practical, the data must include historical monthly counts and shall be broken out to distinguish services to medicaid and nonmedicaid individuals and children and adults. The authority and the research and data analysis division must consult with the office of financial management and staff from the fiscal committees of the legislature on the development and implementation of the community behavioral health data elements.

~~((100))~~ (99) \$300,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to contract with a consultant to develop a Washington state behavioral health service delivery guide. The guide must include, but is not limited to, information on the service modalities, facilities, and providers that make up Washington's behavioral health delivery system. The authority must consult with behavioral health stakeholders and is permitted to enter into a data sharing agreement necessary to facilitate the production of the guide. The authority must publish the guide for the public and submit the guide to the office of financial management and the appropriate committees of the legislature by December 1, 2023.

~~((101))~~ (100) \$100,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to conduct a study on involuntary treatment access barriers related to transportation issues. The study must assess: Challenges ambulance companies and emergency responders have in billing medicaid for involuntary transportation services; whether current transportation rates are a barrier to access and if so what type of increase is needed to address this; and the possibility of creating a specialized type of involuntary transportation provider. The authority must also modify the current unavailable detention facilities report to identify whether the reason a bed was not available was due to: Transportation issues; all beds being full at the facility; staffing shortages; inability of facilities with available beds to meet the behavioral needs of the patient; inability of facilities with available beds to meet the medical needs of the patient; or other specified reasons. The authority must submit a report to the office of financial management and the appropriate committees of the legislature with findings and recommendations from the study by December 31, 2022.

~~((102))~~ (101) \$2,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to increase contracts for recovery navigator services established in chapter 311, Laws of 2021 (ESB 5476). These amounts must be allocated to increase funding for recovery navigator services in King, Pierce, and Snohomish counties. These amounts must supplement and not supplant funding allocated, pursuant to section 22(1), chapter 311, Laws of 2021, to the regional behavioral health administrative services organizations serving those counties.

~~((103))~~ (102) \$4,213,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to support efforts by counties and cities to implement local response teams. Of these amounts:

(a) \$2,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to provide a grant to the association of Washington cities to assist cities with the costs of implementing alternative response teams. This funding must be used to reimburse cities for documented costs associated with creating co-responder teams within different alternative diversion models including law enforcement assisted diversion programs, community assistance referral and education programs, and as part of mobile crisis teams. Cities are encouraged to partner with each other to create a regional response model. In awarding these funds, the association must prioritize applicants with demonstrated capacity for facility-based crisis triage and stabilization services. The association and authority must collect and report information regarding the number of facility-based crisis stabilization and triage beds available in the locations receiving funding through this subsection and submit a report to the office of financial management and the appropriate committees of the legislature with this information by December 1, 2022.

(b) \$2,213,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for Whatcom county to establish an alternative response base station. Within these amounts: \$1,477,000 is provided solely for facility renovation and equipment; \$149,000 is

provided solely for acquisition of an alternative response transport vehicle; and \$587,000 is provided solely for operating expenses, including personnel, maintenance, and utility expenses.

~~((104))~~ (103) \$100,000,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for, on a one-time basis, the authority to address behavioral health treatment access issues resulting from workforce shortages and impacts of the COVID-19 public health emergency. This funding must be used to provide one-time assistance payments to nonhospital-based community behavioral health treatment providers receiving payment for medicaid services contracted through the medicaid managed care organizations or behavioral health administrative service organizations. The authority shall begin distributing funding under this subsection as soon as possible, and shall complete the distribution of funds by October 1, 2022. The authority must distribute funding in accordance with the following requirements:

(a) The authority must enter into appropriate agreements with recipients to ensure that this stabilization funding is used for purposes of this subsection. Prior to the receipt of funds, providers must agree to expend these assistance payments by June 30, 2023.

(b) Allocation methodologies must be administratively efficient and based on previous medicaid utilization, modeled after prior nongrant-based allocations, so that funding can be distributed more timely than through grant or application-based allocations. The authority must consider individuals served through medicaid and behavioral health administrative service organizations contracts in its allocation methodology.

(c) Providers must use the funding for immediate workforce retention and recruitment needs or costs incurred due to the COVID-19 public health emergency. Funds may also be used to support other needed investments to help stabilize the community behavioral health workforce including, but not limited to, childcare stipends, student loan repayment, tuition assistance, relocation expenses, or other recruitment efforts to begin adding new staff and rebuilding lost capacity.

(d) By December 1, 2022, the authority must submit an accounting to the office of financial management and the appropriate committees of the legislature that includes a list of all recipients of funding under this subsection and the amount of funding received.

(e) Within the amounts appropriated in this subsection, the authority may utilize up to \$200,000 to conduct a qualitative analysis of how recipients utilized funds for workforce retention and recruitment, which may include hiring a consultant and a survey of selected recipients. The authority must report on the findings of the qualitative analysis to the office of financial management and the appropriate committees of the legislature by December 1, 2023.

~~((105))~~ (104) \$500,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to contract with the University of Washington addictions, drug, and alcohol institute. This funding must be used to develop, refine, and pilot a new, advanced, evidence-based training for law enforcement to improve interactions with individuals who use drugs. The training must be developed so it can be adapted and used statewide to decrease stigmatizing beliefs among law enforcement through positive contact with people who use drugs and improve officer well-being and effectiveness by providing skills and techniques to address the drug overdose epidemic. The institute must develop and refine this training, leveraging prior work, and in partnership with a steering committee that includes people with lived or living experience of substance use disorder and criminal legal involvement, researchers, clinicians, law enforcement officers, and others. The training must complement, but not duplicate, existing curricula already provided by the criminal justice training commission. The institute must pilot the advanced training in a subset of regional law enforcement agencies and evaluate its acceptability and feasibility through participant interviews and pretraining and posttraining ratings of stigmatizing beliefs. The institute must incorporate feedback from the pilot training sessions into a final training program that it must make available to law enforcement agencies across the state.

~~((106))~~ (105) \$300,000 of the general fund—state appropriation for fiscal year 2023 and \$300,000 of the general fund—federal appropriation are provided on a one-time basis solely for the authority to explore the development and implementation of a sustainable, alternative payment model for comprehensive community behavioral health services, including the certified community behavioral health clinic (CCBHC) model. Funding must be used to secure actuarial expertise; conduct research into national data and other state models, including obtaining resources and expertise from the national council for mental well-being CCBHC success center; and engage stakeholders, including representatives of licensed community behavioral health agencies and medicaid managed care organizations, in the process. The authority must provide a preliminary report to the office of financial management and the appropriate committees of the legislature with findings, recommendations, and preliminary cost estimates by December 31, 2022. The study must include:

(a) Overviews of alternate payment models and options and considerations for implementing the certified community behavioral health clinic model within Washington state;

(b) An analysis of the impact of expanding alternate payment models on the state's behavioral health systems;

(c) Relevant federal regulations and options to implement alternate payment models under those regulations;

(d) Options for payment rate designs;

(e) An analysis of the benefits and potential challenges in integrating the CCBHC reimbursement model within an integrated managed care environment;

(f) Actuarial analysis on the costs for implementing alternative payment model options, including opportunities for leveraging federal funding; and

(g) Recommendations to the legislature on a pathway for statewide implementation.

~~((107))~~ (106) \$60,000 of the general fund—state appropriation for fiscal year 2023 is provided on a one-time basis solely for the authority to provide a grant to develop an integrative cultural healing model to be implemented and managed by the Confederated Tribes of the Colville Reservation. For the purposes of this subsection, "integrative cultural healing model" means a behavioral health model developed for and by tribal and urban-based Native American partners in eastern Washington. Grant funds must be used for staff costs for implementing the model; acquisition of cultural tools, materials, and other group facilitation supplies; securing access to outdoor environments in traditional places of gathering foods, medicines, and materials; salaries for training time; and stipends, travel, and mileage reimbursement to support the participation of local elders or knowledge keepers.

~~((108) \$1,135,000 of the general fund state appropriation for fiscal year 2023 and \$568,000 of the general fund federal appropriation are provided solely to develop and operate a 16-bed substance use disorder inpatient facility in Grays Harbor county that specializes in treating pregnant and parenting women using a family preservation model. The authority must contract for these services through behavioral health entities in a manner that allows leveraging of federal medicaid funds to pay for a portion of the costs. The authority must consult with the department of children, youth, and families in the implementation of this funding. The facility must allow families to reside together while a parent is receiving treatment. Of these amounts, \$568,000 may be used for documented startup costs including the recruitment, hiring, and training of staff.~~

~~(109))~~ (107) \$150,000 of the general fund—state appropriation for fiscal year 2023 is provided on a one-time basis solely for the authority to provide a grant to the city of Snoqualmie to pilot behavioral health emergency response and coordination services through a regional behavioral health coordinator. The regional behavioral health coordinator shall be a licensed mental health or substance use disorder professional who works directly with and accompanies law enforcement officers and fire and rescue first responders to help respond to crises involving persons with behavioral health needs. The coordinator shall plan, implement, and coordinate services related to crisis response and social service needs with the city of Snoqualmie, the city of North Bend, the Snoqualmie police and fire departments, and the eastside fire and rescue agency serving North Bend, and local community services, school districts, hospitals, and crisis response systems provided by King county for the region. The coordinator shall support the social services needs identified through police and fire response in the lower Snoqualmie valley and serve as a liaison between law enforcement, first responders, and persons accessing or requesting emergency services with social service needs. The authority shall collect information on the pilot project and, in coordination with the city of Snoqualmie, must submit a report to the office of financial management and the appropriate committees of the legislature by December 31, 2023, summarizing the services provided through the grant funds and identifying recommendations on how to implement effective, integrated, coordinated behavioral health emergency response and community care services. The authority must also provide the report to the criminal justice training commission, the Washington association of sheriffs and police chiefs, and the Washington fire commissioners association.

~~((110))~~ (108) \$50,000 of the general fund—state appropriation for fiscal year 2023 is provided on a one-time basis solely for the authority to conduct a study and provide data regarding challenges to receiving behavioral health services in rural communities. The study by the authority must review timely access to behavioral health services in rural areas including: (a) Designated crisis responder response times; (b) the availability of behavioral health inpatient and outpatient services; (c) wait times for hospital beds; and (d) the availability of adult and youth mobile crisis teams. The study must include recommendations on strategies to improve access to behavioral health services in rural areas in the short-term as the state works to develop and implement the recommendations of the crisis response improvement strategy committee established in chapter 302, Laws of 2021. The authority must submit a report to the office of financial management and the appropriate committees of the legislature with a summary of the data, findings, and recommendations by December 1, 2022.

~~((111))~~ (109) \$250,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the authority to contract for services with a statewide recovery community organization. (25) \$821,000 of the public works administration account—state appropriation is provided solely to expand capacity to investigate and enforce prevailing-wage complaints.

(26) \$794,000 of the public works administration account—state appropriation is provided solely for planning and requirements gathering to make system improvements to the prevailing wage program information technology system. Of the amount in this subsection, \$300,000 is for two permanent information technology developers to maintain the system. This project is subject to the conditions, limitations, and review provided in section 701 of this act.

(27) \$2,500,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to create and administer a grant program intended to modernize the technology and remote learning infrastructure within existing state registered apprenticeship programs as provided in Engrossed Second Substitute Senate Bill No. 5600 (apprenticeship programs). If

the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse. Grant applications must include a plan to sustain the investment over time. Up to five percent of the total amount provided in this subsection can be used to cover administrative expenses.

(28) \$4,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to create and administer a grant program intended to upgrade apprenticeship program equipment to better replicate conditions on the job during the training of apprentices as provided in Engrossed Second Substitute Senate Bill No. 5600 (apprenticeship programs). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse. The grant program is limited to state registered apprenticeship programs. Up to five percent of the total within this subsection can be used to cover administrative expenses.

(29) \$2,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to create and administer a grant program intended to provide wraparound support services to mitigate barriers to beginning or participating in state registered apprenticeship programs as provided in Engrossed Second Substitute Senate Bill No. 5600 (apprenticeship programs). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse. Up to five percent of the amount provided in this subsection may be used to cover administrative expenses.

(30) \$12,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for vouchers to cover the cost of driver's education courses for minors enrolled in a state registered apprenticeship program as provided in Engrossed Second Substitute Senate Bill No. 5600 (apprenticeship programs). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(31) \$205,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to start conducting a four-year retention study of state registered apprentices as provided in Engrossed Second Substitute Senate Bill No. 5600 (apprenticeship programs). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse. The study shall include the collection of data from all apprentices three months into their apprenticeship to understand challenges and barriers they face towards program participation. The aggregate data by trade must be displayed on a publicly available dashboard. Study data must be provided with apprenticeship coordinators to implement an early response to connect apprentices with needed supports. The department shall submit an annual report to the governor and appropriate legislative committees beginning June 30, 2023.

(32) \$100,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to explore requirements needed to create a centralized technical support system for new nontraditional apprenticeship programs to help applicants navigate and start the process.

(33) \$207,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Substitute Senate Bill No. 5814 (child abuse/medical evaluation). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(34) \$191,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Engrossed Second Substitute Senate Bill No. 5600 (apprenticeship programs). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

Sec. 1217. 2022 c 297 s 221 (uncodified) is amended to read as follows:
FOR THE DEPARTMENT OF VETERANS AFFAIRS

(1) The appropriations in this section are subject to the following conditions and limitations:

(a) The department of veterans affairs shall not initiate any services that will require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys that are unrelated to the coronavirus response and not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys that are unrelated to the coronavirus response, those moneys must be spent for services authorized in this act or in any other legislation that provides appropriation authority, and an equal amount of appropriated state moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(b) Each year, there is fluctuation in the revenue collected to support the operation of the state veteran homes. When the department has foreknowledge that revenue will decrease, such as from a loss of census or from the elimination of a program, the legislature expects the department to make reasonable efforts to reduce expenditures in a commensurate manner and to demonstrate that it has made such efforts. In response to any request by the department for general fund—state appropriation to backfill a loss of revenue, the legislature shall consider the department's efforts in reducing its expenditures in light of known or anticipated decreases to revenues.

The appropriations in this section are subject to the following conditions and limitations:

(1) The department of health shall not initiate any services that will require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department of health and the state board of health shall not implement any new or amended rules pertaining to primary and secondary school facilities until the rules and a final cost estimate have been presented to the legislature, and the legislature has formally funded implementation of the rules through the omnibus appropriations act or by statute. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation that provides appropriation authority, and an equal amount of appropriated state moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(2) During the 2021-2023 fiscal biennium, each person subject to RCW 43.70.110(3)(c) is required to pay only one surcharge of up to twenty-five dollars annually for the purposes of RCW 43.70.112, regardless of how many professional licenses the person holds.

(3) In accordance with RCW 43.70.110 and 71.24.037, the department is authorized to adopt license and certification fees in fiscal years 2022 and 2023 to support the costs of the regulatory program. The department's fee schedule shall have differential rates for providers with proof of accreditation from organizations that the department has determined to have substantially equivalent standards to those of the department, including but not limited to the joint commission on accreditation of health care organizations, the commission on accreditation of rehabilitation facilities, and the council on accreditation. To reflect the reduced costs associated with regulation of accredited programs, the department's fees for organizations with such proof of accreditation must reflect the lower costs of licensing for these programs than for other organizations which are not accredited.

(4) Within the amounts appropriated in this section, and in accordance with RCW 70.41.100, the department shall set fees to include the full costs of the performance of inspections pursuant to RCW 70.41.080.

(5) In accordance with RCW 43.70.110 and 71.24.037, the department is authorized to adopt fees for the review and approval of mental health and substance use disorder treatment programs in fiscal years 2022 and 2023 as necessary to support the costs of the regulatory program. The department's fee schedule must have differential rates for providers with proof of accreditation from organizations that the department has determined to have substantially equivalent standards to those of the department, including but not limited to the joint commission on accreditation of health care organizations, the commission on accreditation of rehabilitation facilities, and the council on accreditation. To reflect the reduced costs associated with regulation of accredited programs, the department's fees for organizations with such proof of accreditation must reflect the lower cost of licensing for these programs than for other organizations which are not accredited.

(6) The health care authority, the health benefit exchange, the department of social and health services, the department of health, and the department of children, youth, and families shall work together within existing resources to establish the health and human services enterprise coalition (the coalition). The coalition, led by the health care authority, must be a multi-organization collaborative that provides strategic direction and federal funding guidance for projects that have cross-organizational or enterprise impact, including information technology projects that affect organizations within the coalition. The office of the chief information officer shall maintain a statewide perspective when collaborating with the coalition to ensure that projects are planned for in a manner that ensures the efficient use of state resources, supports the adoption of a cohesive technology and data architecture, and maximizes federal financial participation. The work of the coalition and any project identified as a coalition project is subject to the conditions, limitations, and review provided in section 701 of this act.

Sec. 1219. 2022 c 297 s 223 (uncodified) is amended to read as follows:
FOR THE DEPARTMENT OF CORRECTIONS

The appropriations to the department of corrections in this act shall be expended for the programs and in the amounts specified in this act. However, after May 1, ~~((2022))~~2023, unless prohibited by this act, the department may transfer general fund—state appropriations for fiscal year ~~((2022))~~2023 among programs after approval by the director of the office of financial management. The department of corrections must notify the fiscal committees of the legislature prior to receiving approval from the director of financial management. To the extent that appropriations under this section are insufficient to fund actual expenditures in excess of caseload forecast assumptions or for expenses in response to the COVID-19 pandemic, the department may transfer general fund—state appropriations for fiscal year ~~((2022))~~2023 that are provided solely for a specified purpose. The department may not transfer funds, including for expenses in response to the COVID-19 pandemic in fiscal year ~~((2022))~~2023, and the director of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of the office of financial management shall notify the appropriate fiscal committees of the legislature in writing seven days prior to approving any allotment modifications or transfers under this section. The written notification must include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications or transfers.

(1) ADMINISTRATION AND SUPPORT SERVICES	
General Fund—State Appropriation (FY 2022)	\$79,197,000
General Fund—State Appropriation (FY 2023)	((89,195,000))
	<u>\$89,850,000</u>
General Fund—Federal Appropriation	\$400,000
TOTAL APPROPRIATION	((168,792,000))
	<u>\$169,447,000</u>

The appropriations in this subsection are subject to the following conditions and limitations:

(a) \$1,135,000 of the general fund—state appropriation for fiscal year 2022 and \$1,731,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for expansion of reentry supports and transition services for incarcerated individuals including development and implementation of a coaching model approach to supervision, and staffing must provide expanded reentry and discharge services to include, but not limited to, transition services, preemployment testing, enhanced health care discharge planning, housing voucher assistance, cognitive behavioral interventions, educational programming, and community partnership programs.

(b) Within the amounts provided in (a) of this subsection, \$100,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the department to develop an implementation plan for a community supervision coaching model to begin in fiscal year 2023. The department must solicit input from incarcerated individuals, family members of incarcerated individuals, experts in supervision and reentry, community stakeholder and advocacy groups, and impacted labor organizations. The plan shall propose appropriate policies and procedures for the coaching model, including ongoing training and organizational culture assessments. During development of the plan, the department must consider potential inequities that may arise from any changes or additional requirements of supervision resulting from the model and mitigate those concerns to the greatest extent possible in its final plan. This plan must be submitted to the office of financial management prior to implementation.

(c) Within the amounts provided in (a) of this subsection, \$706,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of the plan to be developed under (b) of this subsection and for the department to submit an initial report to the legislature on the progress of implementation of the coaching supervision model by no later than February 1, 2023.

(d) \$17,000 of the general fund—state appropriation for fiscal year 2022 and \$17,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Engrossed Second Substitute Senate Bill No. 5304 (providing reentry services to persons releasing from state and local institutions).

(f) (i) \$779,000 of the general fund—state appropriation for fiscal year 2022 and \$817,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for increasing access to educational opportunities for incarcerated individuals.

(ii) Of the amounts provided in (f) (i) of this subsection, \$680,000 of the general fund—state appropriation for fiscal year 2022 and \$285,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Second Substitute House Bill No. 1044 (prison to postsecondary ed.).

(g) (~~(\$1,116,000)~~) \$734,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to acquire and implement a sentencing calculation module for the offender management network information system and is subject to the conditions, limitations, and review requirements of section 701 of this act. This project must use one discrete organizational index across all department of corrections programs. Implementation of this sentencing calculation module must result in a reduction of tolling staff within six months of the project implementation date and the department must report this result. In addition, the report must include the budgeted and actual tolling staffing levels by fiscal month in fiscal year 2023 and the count of tolling staff reduced by fiscal month from date of implementation through six months post implementation. The report must be submitted to the senate ways and means and house appropriations committees within 30 calendar days after six months post implementation.

(h) \$609,000 of the general fund—state appropriation for fiscal year 2022 and \$750,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for staff and vendor costs to transform correctional culture in prisons and work releases, and to improve health and safety for all, through additional training. The prison rape elimination act compliance specialists must be among the first staff trained.

(i) \$130,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a human resource consultant to implement Second Substitute Senate Bill No. 5695 (body scanners). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(j) \$70,000 of the general fund—state appropriation for fiscal year 2022 and \$223,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Engrossed Substitute House Bill No. 1956 (incarcerated individuals/PRA). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

(k) \$12,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Second Substitute House Bill No. 1818 (reentry and rehabilitation). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

TOTAL APPROPRIATION	((<u>\$1,328,537,000</u>))
	<u>\$1,346,832,000</u>

The appropriations in this subsection are subject to the following conditions and limitations:

(a) The department may contract for local jail beds statewide to the extent that it is at no net cost to the department. The department shall calculate and report the average cost per offender per day, inclusive of all services, on an annual basis for a facility that is representative of average medium or lower offender costs. The department shall not pay a rate greater than \$85 per day per offender excluding the costs of department of corrections provided services, including evidence-based substance abuse programming, dedicated department of corrections classification staff on-site for individualized case management, transportation of offenders to and from department of corrections facilities, and gender responsive training for jail staff. The capacity provided at local correctional facilities must be for offenders whom the department of corrections defines as close medium or lower security offenders. Programming provided for offenders held in local jurisdictions is included in the rate, and details regarding the type and amount of programming, and any conditions regarding transferring offenders must be negotiated with the department as part of any contract. Local jurisdictions must provide health care to offenders that meets standards set by the department. The local jail must provide all medical care including unexpected emergent care. The department must utilize a screening process to ensure that offenders with existing extraordinary medical/mental health needs are not transferred to local jail facilities. If extraordinary medical conditions develop for an inmate while at a jail facility, the jail may transfer the offender back to the department, subject to terms of the negotiated agreement. Health care costs incurred prior to transfer are the responsibility of the jail.

(b) \$574,000 of the general fund—state appropriation for fiscal year 2022 and \$671,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to maintain the facility, property, and assets at the institution formerly known as the maple lane school in Rochester. Additional funds are provided for a stationary engineer and a custodian.

(c) Funding in this subsection is sufficient for the department to track and report to the legislature on the changes in working conditions and overtime usage as a result of increased funding provided for custody relief and health care delivery by December 1, 2022.

(d) \$39,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for implementation of Engrossed Substitute House Bill No. 1054 (peace officer tactics, equip).

(e) ((~~\$2,000,000~~)) \$1,045,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to acquire and implement a sentencing calculation module for the offender management network information system and is subject to the conditions, limitations, and review requirements of section 701 of this act. This project must use one discrete organizational index across all department of corrections programs. Implementation of this sentencing calculation module must result in a reduction of tolling staff within six months of the project implementation date and the department must report this result. In addition, the report must include the budgeted and actual tolling staffing levels by fiscal month in fiscal year 2023 and the count of tolling staff reduced by fiscal month from date of implementation through six months post implementation. The report must be submitted to the senate ways and means and house appropriations committees within 30 calendar days after six months post implementation.

(f) \$714,000 of the general fund—state appropriation for fiscal year 2022 and \$695,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for dedicated prison rape elimination act compliance specialists. Of the amount provided in this subsection, one compliance specialist staff must be provided at each of the following prisons:

- (i) Monroe correctional center;
- (ii) Larch correctional center;
- (iii) Olympic correctional center;
- (iv) Cedar creek correctional center;
- (v) Washington corrections center for women; and
- (vi) Mission creek corrections center for women.

(g) \$2,750,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for three body scanners, correctional officer staffing, corrections specialist staffing, a drug recovery system, body scanner training, and body scanner installation costs to implement Second Substitute Senate Bill No. 5695 (body scanners). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(h) \$5,962,000 of the general fund—state appropriation for fiscal year 2022 and \$9,106,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to restore graduated reentry reductions made in the 2021-2023 biennial operating budget.

(i) \$28,409,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for expenses incurred in response to the COVID-19 pandemic during fiscal year 2022.

(j) \$1,251,000 of the general fund—state appropriation for fiscal year 2022 and \$1,294,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for reentry investments to include reentry and discharge staffing. The staffing must provide expanded reentry and discharge services to include, but not limited to, transition services, pre-employment testing, enhanced health care discharge planning, cognitive behavioral interventions, educational programming, and community partnership programs.

(k) \$150,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to collaborate with the department of social and health services to conduct a study of the feasibility of placing long-term care individuals under the jurisdiction of the department in nursing home facilities licensed or to be licensed by the department of social and health services to better meet the client's care needs. The department of corrections must provide daily operating costs of prisons where these individuals may be coming from, the fiscal year 2021 daily costs per incarcerated individual assigned to the sage living unit, and the costs associated with electronic home monitoring costs per individual.

(l) \$160,072,000 of the general fund—federal appropriation (CRF) is provided solely for COVID-19 related payroll and benefit expenditures that were incurred between July 1, 2021, and December 31, 2021, for public safety and health employees whose services are presumed to be substantially dedicated to responding to the COVID-19 public health emergency. This funding expires December 31, 2021.

(3) COMMUNITY SUPERVISION

General Fund—State Appropriation (FY 2022)	\$161,098,000
General Fund—State Appropriation (FY 2023)	((\$222,989,000))

Appropriation.	\$500,000,000
TOTAL APPROPRIATION	((<u>\$1,688,013,000</u>))
	<u>\$1,615,490,000</u>

The appropriations in this subsection are subject to the following conditions and limitations:

(1) The department is directed to maximize the use of federal funds. The department must update its budget annually to align expenditures with anticipated changes in projected revenues.

(2) \$30,458,000 of the long-term services and supports trust account—state appropriation is provided solely for implementation of the long-term services and support trust program. Of this amount, \$10,932,833 is ((provided)) for implementation of the long-term services and support trust program information technology project and is subject to the conditions, limitations, and review provided in section 701 of this act.

(3) Within existing resources, the department must reassess its ongoing staffing and funding needs for the paid family medical leave program and submit documentation of the updated need to the governor and appropriate committees of the legislature by September 1, 2021, and annually thereafter.

(4) \$101,000 of the employment service administrative account—state appropriation is provided solely for information technology enhancements necessary for implementation of job title reporting and is subject to the conditions, limitations, and review provided in section 701 of this act.

(5)(a) Within existing resources, the department shall coordinate outreach and education to paid family and medical leave benefit recipients with a statewide family resource, referral, and linkage system that connects families with children prenatal through age five and residing in Washington state to appropriate services and community resources. This coordination shall include but is not limited to placing information about the statewide family resource, referral, and linkage system on the paid family and medical leave program web site and in printed materials, and conducting joint events.

(b) Within existing resources, by December 1, 2021, and each year thereafter, the department shall submit a report to the governor and the appropriate committees of the legislature concerning the ability for the paid family and medical leave program and a statewide family resource, referral, and linkage system to provide integrated services to eligible beneficiaries. The report shall include an analysis of any statutory changes needed to allow information and data to be shared between the statewide family resource, referral, and linkage system and the paid family and medical leave program.

(6) Within existing resources, the department shall report the following to the legislature and the governor by September 30, 2021, and each year thereafter:

(a) An inventory of the department's programs, services, and activities, identifying federal, state, and other funding sources for each;

(b) Federal grants received by the department, segregated by line of business or activity, for the most recent five fiscal years, and the applicable rules;

(c) State funding available to the department, segregated by line of business or activity, for the most recent five fiscal years;

(d) A history of staffing levels by line of business or activity, identifying sources of state or federal funding, for the most recent five fiscal years;

(e) A projected spending plan for the employment services administrative account and the administrative contingency account. The spending plan must include forecasted revenues and estimated expenditures under various economic scenarios.

(7) \$3,264,000 of the employment services administrative account—state appropriation is provided solely for the continuation of the office of agricultural and seasonal workforce services.

(8) \$476,000 of the unemployment compensation administration account—federal appropriation is provided solely for the department to implement chapter 2, Laws of 2021 (unemployment insurance). If the department does not receive adequate funding from the United States department of labor to cover these costs, the department may use funding made available to the state through section 903 (d), (f), and (g) of the social security act (Reed act) in an amount not to exceed the amount provided in this subsection (8).

(9)(a) \$875,000 of the general fund—state appropriation for fiscal year 2022 and \$8,260,000 of the workforce education investment account—state appropriation are provided solely for career connected learning grants as provided in RCW 28C.30.050.

(b) \$3,000,000 of the workforce education investment account—state appropriation is provided solely for career connect learning grants to sector intermediaries. Up to five percent of the amount in this subsection may be used for administrative expenses associated with the sector intermediary grant program.

(10) \$1,222,000 of the employment services administrative account—state appropriation and \$1,500,000 of the family and medical leave insurance account—state appropriation are provided solely for the maintenance and operation of the disaster recovery continuity of operations information technology project.

(11) \$80,000 of the employment services administrative account—state appropriation is provided solely for the department to produce a report on the feasibility of replicating the existing unemployment insurance program to serve individuals not eligible for unemployment

insurance due to immigration status. The study shall identify programmatic differences that would mitigate barriers to access and reduce fear of participation and identify the operational and caseload costs associated with the replication. If using a replica of the unemployment insurance program conflicts with federal law, the study shall assess the operational and caseload costs of similar social net programs that serve individuals regardless of their citizenship status. The departments shall jointly submit recommendations required by this section to the governor and appropriate legislative committees no later than November 5, 2021. The department shall:

(a) Work with the departments of labor and industries, social and health services, and commerce and the office of the governor;

(b) Convene and meet at least three times with a group of eight to ten external stakeholders comprised of representatives from geographically diverse immigrant advocacy groups, labor organizations with a state-wide presence, workers' rights groups, and legal and policy advocacy groups focused on immigration and employment law; and

(c) Hold at least one listening session with community members.

(12) \$31,288,000 of the coronavirus state fiscal recovery fund—federal appropriation, \$2,684,000 of the general fund—federal appropriation (CRF), and (~~(\$13,063,000)~~)\$11,063,000 of the unemployment compensation administration account—federal appropriation are provided solely for the department to address the impacts of COVID-19 on the state unemployment system in order to prevent and detect fraud, promote equitable access to the unemployment insurance system, and ensure the timely payment of unemployment insurance benefits. Of the amounts provided in this subsection:

(a) \$22,346,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for the department to address an anticipated increase in the unemployment insurance appeals caseload.

(b) \$6,223,000 of the unemployment compensation account—federal appropriation is provided solely for the department to ensure adequate security measures are in place to prevent unemployment insurance fraud and cases are investigated in a timely manner.

(c) \$4,465,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for the department to migrate and upgrade the unemployment insurance customer call center phone system to a cloud-based system. Prior to executing a contract, the department shall consult with the office of the chief information officer. The department must ensure that the project plan, timeline with quantifiable deliverables, and budget by fiscal year by fund, to include ongoing costs by fiscal year, are adhered to. The department shall report on the status of the project to the office of financial management and the relevant committees of the legislature by December 1, 2021.

(d) \$4,477,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for the department to process the unemployment insurance claimant backlog and to make program changes that enhance user experience in order to reduce claimant errors.

(e) \$1,417,000 of the general fund—federal appropriation (CRF) is provided solely for the department to contract with the national guard to assist the department with its unemployment insurance claims backlog.

(f) \$1,267,000 of the general fund—federal appropriation (CRF) is provided solely for the department to contract with a vendor to provide fact-finding services related to unemployment insurance claims.

(g) (~~(\$6,840,000)~~)\$4,840,000 of the unemployment compensation administration account—federal appropriation is provided solely for the department to implement the federal United States department of labor equity grant. This grant includes improving the translation of notices sent to claimants as part of their unemployment insurance claims into any of the 10 languages most frequently spoken in the state and other language, demographic, and geographic equity initiatives approved by the grantor. The department must also ensure that letters, alerts, and notices produced manually or by the department's unemployment insurance technology system are written in plainly understood language and evaluated for ease of claimant comprehension before they are approved for use.

(13) \$10,000,000 of the unemployment compensation administration account—federal appropriation is provided solely for the department to make information technology improvements to improve user experience and increase security to prevent unemployment insurance fraud. If the department does not receive adequate funding from the United States department of labor to cover these costs, the department may use funding made available to the state through section 903 (d), (f), and (g) of the social security act (Reed act) in an amount not to exceed the amount provided in this subsection. This subsection is subject to the conditions, limitations, and review provided in section 701 of this act.

(14) Within existing resources, the department shall report to the legislature by September 2, 2021, the following information pertaining to the unemployment insurance program:

(a) The number of full time equivalent employees of the department who were working in the unemployment insurance program, including those who were reassigned internally to the unemployment insurance program, the number of full time equivalent employees that were contracted by the department from other state agencies, and the number of contractors or consultants engaged by the department, on a monthly basis beginning March 1, 2020, through the latest available month;

(b) A projection of full-time equivalent staffing or contractor needs that would be affordable within anticipated base and above-base federal unemployment administrative revenues;

(c) A spending plan for anticipated federal unemployment revenues other than base or above-base revenues, including any proposed additional full-time equivalent staff, consultants, contractors, or other investments related to helping the department reduce the backlog of unemployment insurance claims, appeals, denials, overpayments, and other claimant issues; and

Sec. 1221. 2022 c 297 s 226 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES—GENERAL

(1)(a) The appropriations to the department of children, youth, and families in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of children, youth, and families shall initially be allotted as required by this act. The department shall seek approval from the office of financial management prior to transferring moneys between sections of this act except as expressly provided in this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose. However, after May 1, ~~((2022))2023~~, unless prohibited by this act, the department may transfer general fund—state appropriations for fiscal year ~~((2022))2023~~ among programs after approval by the director of the office of financial management. However, the department may not transfer state appropriations that are provided solely for a specified purpose except as expressly provided in (b) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year 2022 caseload forecasts and utilization assumptions in the foster care, adoption support, child protective services, working connections child care, and the juvenile rehabilitation programs or in response to the COVID-19 pandemic, the department may transfer appropriations that are provided solely for a specified purpose.

(2) The health care authority, the health benefit exchange, the department of social and health services, the department of health, and the department of children, youth, and families shall work together within existing resources to establish the health and human services enterprise coalition (the coalition). The coalition, led by the health care authority, must be a multi-organization collaborative that provides strategic direction and federal funding guidance for projects that have cross-organizational or enterprise impact, including information technology projects that affect organizations within the coalition. The office of the chief information officer shall maintain a statewide perspective when collaborating with the coalition to ensure that projects are planned for in a manner that ensures the efficient use of state resources, supports the adoption of a cohesive technology and data architecture, and maximizes federal financial participation.

(3) Information technology projects or investments and proposed projects or investments impacting time capture, payroll and payment processes and systems, eligibility, case management, and authorization systems within the department are subject to technical oversight by the office of the chief information officer.

Sec. 1222. 2022 c 297 s 227 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES—CHILDREN AND FAMILIES SERVICES PROGRAM

General Fund—State Appropriation (FY 2022)	\$374,129,000
General Fund—State Appropriation (FY 2023)	((456,485,000))
	<u>\$428,061,000</u>
General Fund—Federal Appropriation	((486,218,000))
	<u>\$491,735,000</u>
General Fund—Private/Local Appropriation	\$2,824,000
Coronavirus State Fiscal Recovery Fund—Federal Appropriation	\$5,500,000
TOTAL APPROPRIATION	((1,325,156,000)) <u>\$1,302,249,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$748,000 of the general fund—state appropriation for fiscal year 2022 and \$748,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to contract for the operation of one pediatric interim care center. The center shall provide residential care for up to thirteen children through two years of age. Seventy-five percent of the children served by the center must be in need of special care as a result of substance abuse by their mothers. The center shall also provide on-site training to biological, adoptive, or foster parents. The center shall provide at least three months of consultation and support to the parents accepting placement of children from the center. The center may recruit new and current foster and adoptive parents for infants served by the center. The department shall not require case management as a condition of the contract. No later than December 1, 2021, the department must, in consultation with the health care authority, report to the appropriate legislative committees on potential options to maximize federal funding for the center, including any potential for the center to bill managed care organizations for services provided to medicaid recipients.

(2) \$453,000 of the general fund—state appropriation for fiscal year 2022 and \$722,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the costs of hub home foster and kinship families that provide a foster care delivery model that includes a hub home. Use of the hub home model is intended to support foster parent retention, provide support to biological families, improve child outcomes, and encourage the least restrictive community placements for children in out-of-home care.

(a) \$453,000 of the general fund—state appropriation for fiscal year 2022 and \$572,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the costs of hub home foster and kinship family constellations, and for a contract with an organization with expertise in implementing the hub home model with fidelity to provide technical assistance to hub home families and the department.

(b) \$150,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to support long-term implementation of the hub home model, including integrating the hub home model within the department's current and future service array and multiyear expansion planning. The department shall submit a preliminary report to the governor and appropriate legislative committees by December 1, 2022, and a final report to the governor and appropriate legislative committees by June 30, 2023, that details its progress and plans for long-term implementation of the hub home model.

(3) \$579,000 of the general fund—state appropriation for fiscal year 2022 and \$579,000 of the general fund—state appropriation for fiscal year 2023 and \$110,000 of the general fund—federal appropriation are provided solely for a receiving care center east of the Cascade mountains.

(4) \$1,245,000 of the general fund—state appropriation for fiscal year 2022 and \$1,245,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for services provided through children's advocacy centers.

(5) In fiscal year 2022 and in fiscal year 2023, the department shall provide a tracking report for social service specialists and corresponding social services support staff to the office of financial management, and the appropriate policy and fiscal committees of the legislature. The report shall detail progress toward meeting the targeted 1:18 caseload ratio standard for child and family welfare services caseload-carrying staff and targeted 1:8 caseload ratio standard for child protection services caseload carrying staff. To the extent to which the information is available, the report shall include the following information identified separately for social service specialists doing case management work, supervisory work, and administrative support staff, and identified separately by job duty or program, including but not limited to intake, child protective services investigations, child protective services family assessment response, and child and family welfare services:

(a) Total full time equivalent employee authority, allotments and expenditures by region, office, classification and band, and job duty or program;

(b) Vacancy rates by region, office, and classification and band; and

(c) Average length of employment with the department, and when applicable, the date of exit for staff exiting employment with the department by region, office, classification and band, and job duty or program.

(6) \$94,000 of the general fund—state appropriation for fiscal year 2022 and \$94,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a contract with a child advocacy center in Spokane to provide continuum of care services for children who have experienced abuse or neglect and their families.

(7) (a) \$539,000 of the general fund—state appropriation for fiscal year 2022, \$1,000,000 of the general fund—state appropriation for fiscal year 2023, \$656,000 of the general fund private/local appropriation, and \$252,000 of the general fund—federal appropriation are provided solely for a contract with an educational advocacy provider with expertise in foster care educational outreach. The amounts in this subsection are provided solely for contracted education coordinators to assist foster children in succeeding in K-12 and higher education systems and to assure a focus on education during the department's transition to performance-based contracts. Funding must be prioritized to regions with high numbers of foster care youth, regions where backlogs of youth that have formerly requested educational outreach services exist, or youth with high educational needs. The department is encouraged to use private matching funds to maintain educational advocacy services.

(b) The department shall contract with the office of the superintendent of public instruction, which in turn shall contract with a nongovernmental entity or entities to provide educational advocacy services pursuant to RCW 28A.300.590.

(8) \$375,000 of the general fund—state appropriation for fiscal year 2022, \$375,000 of the general fund—state appropriation for fiscal year 2023, and \$112,000 of the general fund—federal appropriation are provided solely for the department to develop, implement, and expand strategies to improve the capacity, reliability, and effectiveness of contracted visitation services for children in temporary out-of-home care and their parents and siblings. Strategies may include, but are not limited to, increasing mileage reimbursement for providers, offering transportation-only contract options, and mechanisms to reduce the level of parent-child supervision when doing so is in the best interest of the child. The department shall report to the office of financial management and the relevant fiscal and policy committees of the legislature regarding these strategies by November 1, 2022. The report shall include the number and percentage of parents requiring supervised visitation and the number and percentage of parents with unsupervised visitation, prior to reunification.

(9) For purposes of meeting the state's maintenance of effort for the state supplemental payment program, the department of children, youth, and families shall track and report to

the department of social and health services the monthly state supplemental payment amounts attributable to foster care children who meet eligibility requirements specified in the state supplemental payment state plan. Such expenditures must equal at least \$3,100,000 annually and may not be claimed toward any other federal maintenance of effort requirement. Annual state supplemental payment expenditure targets must continue to be established by the department of social and health services. Attributable amounts must be communicated by the department of children, youth, and families to the department of social and health services on a monthly basis.

(10) \$2,230,000 of the general fund—state appropriation for fiscal year 2022, \$2,230,000 of the general fund—state appropriation for fiscal year 2023, and \$156,000 of the general fund—federal appropriation are provided solely to increase the travel reimbursement for in-home service providers.

(11) \$197,000 of the general fund—state appropriation for fiscal year 2022 and \$197,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to conduct biennial inspections and certifications of facilities, both overnight and day shelters, that serve those who are under 18 years old and are homeless.

(12) \$6,195,000 of the general fund—state appropriation for fiscal year 2022, \$6,195,000 of the general fund—state appropriation for fiscal year 2023, and \$1,188,000 of the general fund—federal appropriation are provided solely for the department to operate emergent placement and enhanced emergent placement contracts.

(a) The department shall not include the costs to operate emergent placement contracts in the calculations for family foster home maintenance payments and shall submit as part of the budget submittal documentation required by RCW 43.88.030 any costs associated with increases in the number of emergent placement contract beds after the effective date of this section that cannot be sustained within existing appropriations.

(b) Beginning October 1, 2021, and every quarter thereafter, the department shall publish on its website the rates or fees paid for emergent placement contracts, the number of beds retained, and the number of beds purchased. If the department determines that there is a need to increase the rates or fees paid or the number of beds retained or purchased under this subsection, the secretary shall request authorization from the office of financial management and notify the fiscal committees of the legislature.

(13) Beginning January 1, 2022, and continuing through the 2021-2023 fiscal biennium, the department must provide semi-annual reports to the governor and appropriate legislative committees that includes the number of in-state behavioral rehabilitation services providers and licensed beds, the number of out-of-state behavioral rehabilitation services placements, and a comparison of these numbers to the same metrics expressed as an average over the prior six months. The report shall identify separately beds with the enhanced behavioral rehabilitation services rate. Effective January 1, 2022, and to the extent the information is available, the report will include the same information for emergency placement services beds and enhanced emergency placement services beds.

(14) \$250,000 of the general fund—state appropriation for fiscal year 2022 and \$250,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementing the supportive visitation model that utilizes trained visit navigators to provide a structured and positive visitation experience for children and their parents.

(15) \$600,000 of the general fund—state appropriation for fiscal year 2022 and \$600,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for enhanced adoption placement services for legally free children in state custody, through a partnership with a national nonprofit organization with private matching funds. These funds must supplement, but not supplant, the work of the department to secure permanent adoptive homes for children with high needs.

(16) The department of children, youth, and families shall make foster care maintenance payments to programs where children are placed with a parent in a residential program for substance abuse treatment. These maintenance payments are considered foster care maintenance payments for purposes of forecasting and budgeting at maintenance level as required by RCW 43.88.058.

(17) \$2,000,000 of the general fund—state appropriation for fiscal year 2022 and \$2,000,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to contract with one or more nonprofit, nongovernmental organizations to purchase and deliver concrete goods to low-income families.

(18) \$5,500,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for one-time \$250 per child grants to families on behalf of up to 22,000 children who may be at risk of child welfare system involvement and have experienced economic impacts of the COVID-19 pandemic.

(19) The department is authorized to use the amounts provided in this section for services and maintenance payments to former dependent youth as authorized and directed in the supporting foster youth and families through the pandemic act, P.L. 116-260, division X.

(20) \$387,000 of the general fund—state appropriation for fiscal year 2022, \$393,000 of the general fund—state appropriation for fiscal year 2023, and \$143,000 of the general fund—federal appropriation are provided solely to increase all fees paid to child-placing agencies by 7.5 percent, effective July 1, 2021.

(21)(a) \$739,000 of the general fund—state appropriation for fiscal year 2022, \$702,000 of the general fund—state appropriation for fiscal year 2023, and \$482,000 of the general fund—federal appropriation are provided solely for the department of children, youth, and families to create and implement a new approach to transition planning for young people

preparing to exit the child welfare system and juvenile rehabilitation institutions, pursuant to the recommendations in the *improving stability for youth exiting systems of care* report submitted in January 2020 as required by RCW 43.330.720. The department must engage young people, caregivers, providers, and other stakeholders in the creation and implementation of the approach by:

(i) Providing one statewide adolescent transitions program manager and six adolescent liaisons, one in each region of the department, who are dedicated to supporting the transition planning approaches developed by the department, providing program oversight, and supporting improved outcomes for adolescents during the transition to adulthood; and

(ii) Strengthening the administration and competency of the independent living program and direct independent living services. No later than June 1, 2022, the department must centralize administration of its independent living program and develop a framework for service delivery, including best practice recommendations. The framework must be codesigned with adolescents, caregivers, providers, and stakeholders. No later than June 30, 2022, the department must develop and launch a competitive request for proposal process to solicit bidders to provide independent living services under the new framework.

(b) No later than November 30, 2022, the department must report to the governor and appropriate legislative committees on the implementation of the new approach to transition planning, the new independent living framework, and the state's capacity to provide high-quality transition services, including independent living services, to youth and young adults exiting the child welfare system and juvenile rehabilitation institutions. The report must identify any remaining service gaps that prevent statewide implementation and address the additional resources needed to improve outcomes for young people exiting these systems of care.

(22) \$2,400,000 of the general fund—state appropriation for fiscal year 2022 and \$2,400,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of performance-based contracts for family support and related services pursuant to RCW 74.13B.020.

(23) The appropriations in this section include sufficient funding for continued implementation of chapter 80, Laws of 2018 (2SSB 6453) (kinship caregiver legal support).

(24) The appropriations in this section include sufficient funding to implement chapter 51, Laws of 2020 (SHB 2873) (families in conflict).

(25) \$511,000 of the general fund—state appropriation for fiscal year 2023 and \$153,000 of the general fund—federal appropriation are provided solely to implement Second Substitute House Bill No. 1219 (youth counsel/dependency).

(26) \$219,000 of the general fund—state appropriation for fiscal year 2022, \$208,000 of the general fund—state appropriation for fiscal year 2023, and \$295,000 of the general fund—federal appropriation are provided solely to implement Second Substitute House Bill No. 1061 (child welfare/developmental disability).

(27) \$451,000 of the general fund—state appropriation for fiscal year 2022 and \$662,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to contract with a community organization with expertise in the LifeSet case management model to serve youth and adults currently being served in or exiting the foster care, juvenile justice, and mental health systems to successfully transition to adulthood.

(28) \$326,000 of the general fund—state appropriation for fiscal year 2022, \$326,000 of the general fund—state appropriation for fiscal year 2023, and \$148,000 of the general fund—federal appropriation are provided solely to implement Engrossed Second Substitute House Bill No. 1194 (parent-child visitation).

(29) \$499,000 of the general fund—state appropriation for fiscal year 2022, \$499,000 of the general fund—state appropriation for fiscal year 2023, and \$310,000 of the general fund—federal appropriation are provided solely to expand the family connections program in ~~((two))~~eight areas of the state in which the program is not already established as of the effective date of this section. One expansion site must be located west of the crest of the Cascade mountain range and the other expansion site must be located east of the crest of the Cascade mountain range. The program expansion must follow the family connections program model pursuant to RCW 74.13.715. To operate the ~~((two))~~eight expansion sites, the department must contract with a community-based organization that has experience working with the foster care population and administering the family connections program.

(30) \$25,000 of the general fund—state appropriation for fiscal year 2023 and \$25,000 of the general fund—federal appropriation (ARPA) are provided solely for the department to implement Engrossed Second Substitute House Bill No. 1227 (child abuse allegations).

(31) If the department receives an allocation of federal funding through an unanticipated receipt, the department shall not expend more than what was approved or for another purpose than what was approved by the governor through the unanticipated receipt process pursuant to RCW 43.79.280.

(32) \$1,513,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a new behavioral rehabilitation services facility in Vancouver.

(33) \$449,000 of the general fund—state appropriation for fiscal year 2022, \$1,203,000 of the general fund—state appropriation for fiscal year 2023, and \$353,000 of the general fund—federal appropriation are provided solely for the department to revise and update its policies, procedures, and the state Title IV-E plan to reflect that it is appropriate to only refer child welfare cases to the department of social and health services division of child support enforcement when the court has found a child to have been abandoned by their parent or guardian as defined in RCW 13.34.030.

(34) \$800,000 of the general fund—state appropriation for fiscal year 2023 and \$200,000 of the general fund—federal appropriation are provided solely for the department to contract for a child welfare workload study, which must include an evaluation of workload impacts required by state and federal law and make recommendations for staffing models and system improvements.

(a) The study must consider, but is not limited to, enacted laws and forthcoming legislation related to child welfare such as the keeping families together act, chapter 211, Laws of 2021, and the family first prevention services act.

(b) The study must include, at a minimum, all child welfare case-carrying workers including but not limited to: Child protective services, child welfare case workers, and child welfare licensing staff, including foster care assessment, safety and monitoring, and child protective services licensing.

(c) The study must evaluate the workload impacts related to changes in the application of the federal Indian child welfare act, 25 U.S.C. Secs. 1901-1963 and the Washington state Indian child welfare act, chapter 13.38 RCW as required by *In re Dependency of G.J.A., A.R.A., S.S.A., J.J.A., and V.A.*, 197 Wn.2d 868 (2021) and *In re Dependency of Z.J.G. and M.E.J.G.*, 196 Wn.2d 152 (2020).

(d) The department must establish a steering committee inclusive of members who are familiar with public child welfare practice and who have had substantial experience with similar studies. The steering committee members will be appointed by the agency secretary and must include internal and external members.

(e) A final report must also include recommendations to streamline internal processes; to more equitably allocate staff and contracted resources statewide; to reduce workload through technology; to reduce staff attrition; and to increase direct service time. The report must be submitted to the governor and appropriate fiscal committees of the legislature by June 30, 2023.

(35) Within the amounts provided in this section, sufficient funding is provided for the department to contract with a community organization to administer monthly stipends to young adults who were impacted by the federal moratorium that prohibited states from discharging them from extended foster care due to age through September 30, 2021, and young adults who age out of extended foster care between October 1, 2021, and June 30, 2023. To the extent feasible, the organization must administer the monthly stipends at consistent amounts per young adult each month.

(36) \$200,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to contract for a systems assessment of state and federally funded services and benefits for young adults enrolled in or exiting extended foster care and make recommendations to improve the continuum of supports for the extended foster care population to support successful transitions to independent adulthood.

(a) The systems assessment must include, but is not limited to, the following:

(i) A survey of state and federally funded services and benefits, and the utilization of such services and benefits, including but not limited to economic services, housing programs and payment vouchers, independent living programs, educational supports, and access to postsecondary opportunities, including vocational training and placement programs, legal services, navigation assistance, and peer mentoring. The survey must examine how these services and benefits contribute to a continuum of supports for young adults enrolled in extended foster care and those who have exited since September 2021;

(ii) A young adult needs assessment, including collecting data on young adults enrolled in extended foster care and those who have exited since September 2021. The needs assessment must also gauge young adults' awareness of and ability to access the available services and benefits;

(iii) Identification of gaps or redundancies within the existing array of state and federally funded programs serving the extended foster care population;

(iv) Identification of funding sources or programs that could be used to address any gaps in the array of services and benefits available; and

(v) An assessment of the various data systems currently used or capable of being used to report on the young adult population served by the extended foster care program. The data assessment must include a discussion of any system limitations and recommendations to support future data tracking of outcomes for this population.

(b) The department and contractor must engage with state agencies administering relevant programs, contracted organizations serving the extended foster care population, and young adults currently in extended foster care and those who have exited since September 2021 to conduct the systems assessment. A status update must be submitted to the governor and appropriate fiscal and policy committees of the legislature by November 30, 2022. A final report must be submitted to the governor and appropriate fiscal and policy committees by June 30, 2023.

(37) \$492,000 of the general fund—state appropriation for fiscal year 2023 and \$133,000 of the general fund—federal appropriation are provided solely to implement Substitute House Bill No. 1747 (child relative placements). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

(38) \$3,920,000 of the general fund—state appropriation for fiscal year 2022, \$15,679,000 of the general fund—state appropriation for fiscal year 2023, and \$4,302,000 of the general fund—federal appropriation are provided solely to, effective April 1, 2022, increase the hourly rate for contracted visitation providers, implement standards regarding Indian child welfare act quality enhancement and compliance in visitation contracts, and reimburse visitation providers for mileage travelled between zero and 60 miles. It is the intent of the

legislature that contracted visitation providers use funding provided in this subsection to increase hourly wages for visitation workers.

(39) \$767,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the child welfare housing assistance pilot program authorized in RCW 74.13.802.

Department of Children, Youth, and Families et al.*, United States district court for the western district of Washington, cause no. 2:21-cv-00113-BJR. The department must implement the provisions of the settlement agreement pursuant to the timeline and implementation plan provided for under the settlement agreement. This includes implementing provisions related to monitoring and implementation.

(47) \$200,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a grant to a nonprofit organization in Spokane that has experience administering a family-centered drug treatment and housing program for families experiencing substance use disorder. The amount provided in this subsection is intended to support the existing program while the department works to develop a sustainable model of the program and expand to new regions of the state.

Sec. 1223. 2022 c 297 s 228 (uncodified) is amended to read as follows:
FOR THE DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES—JUVENILE REHABILITATION PROGRAM
General Fund—State Appropriation (FY 2022) \$123,463,000

General Fund—State Appropriation (FY 2023)	(((\$131,424,000))
	<u>\$129,834,000</u>
General Fund—Federal Appropriation.	\$694,000
General Fund—Private/Local Appropriation.	(((\$166,000))
	<u>\$254,000</u>
Washington Auto Theft Prevention Authority Account— State Appropriation.	(((\$196,000))
	<u>\$98,000</u>
TOTAL APPROPRIATION	(((\$255,943,000))
	<u>\$254,343,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$2,841,000 of the general fund—state appropriation for fiscal year 2022 and \$2,841,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for grants to county juvenile courts for the programs identified by the Washington state institute for public policy in its report: "Inventory of Evidence-based, Research-based, and Promising Practices for Prevention and Intervention Services for Children and Juveniles in the Child Welfare, Juvenile Justice, and Mental Health Systems." Additional funding for this purpose is provided through an interagency agreement with the health care authority. County juvenile courts shall apply to the department of children, youth, and families for funding for program-specific participation and the department shall provide grants to the courts consistent with the per-participant treatment costs identified by the institute.

(2) \$1,537,000 of the general fund—state appropriation for fiscal year 2022 and \$1,537,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for expansion of the juvenile justice treatments and therapies in department of children, youth, and families programs identified by the Washington state institute for public policy in its report: "Inventory of Evidence-based, Research-based, and Promising Practices for Prevention and Intervention Services for Children and Juveniles in the Child Welfare, Juvenile Justice, and Mental Health Systems." The department may concentrate delivery of these treatments and therapies at a limited number of programs to deliver the treatments in a cost-effective manner.

(3) (a) \$6,198,000 of the general fund—state appropriation for fiscal year 2022 and \$6,198,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to implement evidence- and research-based programs through community juvenile accountability grants, administration of the grants, and evaluations of programs funded by the grants. In addition to funding provided in this subsection, funding to implement alcohol and substance abuse treatment programs for locally committed offenders is provided through an interagency agreement with the health care authority.

(b) The department of children, youth, and families shall administer a block grant to county juvenile courts for the purpose of serving youth as defined in RCW 13.40.510(4) (a) in the county juvenile justice system. Funds dedicated to the block grant include: Consolidated juvenile service (CJS) funds, community juvenile accountability act (CJAA) grants, chemical dependency/mental health disposition alternative (CDDA), and suspended disposition alternative (SDA). The department of children, youth, and families shall follow the following formula and must prioritize evidence-based programs and disposition alternatives and take into account juvenile courts program-eligible youth in conjunction with the number of youth served in each approved evidence-based program or disposition alternative: (i) Thirty-seven and one-half percent for the at-risk population of youth ten to seventeen years old; (ii) fifteen percent for the assessment of low, moderate, and high-risk youth; (iii) twenty-five percent for evidence-based program participation; (iv) seventeen and one-half percent for minority populations; (v) three percent for the chemical dependency and mental health disposition alternative; and (vi) two percent for the suspended dispositional alternatives. Funding for the special sex offender disposition alternative (SSODA) shall not be included in the block grant, but allocated on the average daily population in juvenile courts. Funding for the evidence-based expansion grants shall be excluded from the block grant formula. Funds may be used for promising practices when approved by the department of children, youth, and families and juvenile courts, through the community juvenile accountability act committee, based on the criteria established in consultation with Washington state institute for public policy and the juvenile courts.

(c) The department of children, youth, and families and the juvenile courts shall establish a block grant funding formula oversight committee with equal representation from the department of children, youth, and families and the juvenile courts. The purpose of this committee is to assess the ongoing implementation of the block grant funding formula, utilizing data-driven decision making and the most current available information. The committee will be co-chaired by the department of children, youth, and families and the juvenile courts, who will also have the ability to change members of the committee as needed to achieve its purpose. The committee may make changes to the formula categories in (d) (ii) of this subsection if it determines the changes will increase statewide service delivery or effectiveness of evidence-based program or disposition alternative resulting in increased cost/benefit savings to the state, including long-term cost/benefit savings. The committee must also consider these outcomes in determining when evidence-based expansion or special sex offender disposition alternative funds should be included in the block grant or left separate.

(d) The juvenile courts and administrative office of the courts must collect and distribute information and provide access to the data systems to the department of children, youth, and families and the Washington state institute for public policy related to program and outcome data. The department of children, youth, and families and the juvenile courts must work collaboratively to develop program outcomes that reinforce the greatest cost/benefit to the state in the implementation of evidence-based practices and disposition alternatives.

(4) \$645,000 of the general fund—state appropriation for fiscal year 2022 and \$645,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for funding of the teamchild project.

(5) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a grant program focused on criminal street gang prevention and intervention. The department of children, youth, and families may award grants under this subsection. The department of children, youth, and families shall give priority to applicants who have demonstrated the greatest problems with criminal street gangs. Applicants composed of, at a minimum, one or more local governmental entities and one or more nonprofit, nongovernmental organizations that have a documented history of creating and administering effective criminal street gang prevention and intervention programs may apply for funding under this subsection. Each entity receiving funds must report to the department of children, youth, and families on the number and types of youth served, the services provided, and the impact of those services on the youth and the community.

(6) The juvenile rehabilitation institutions may use funding appropriated in this subsection to purchase goods, supplies, and services through hospital group purchasing organizations when it is cost-effective to do so.

(7) \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$50,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for grants to county juvenile courts to establish alternative detention facilities similar to the proctor house model in Jefferson county, Washington, that will provide less restrictive confinement alternatives to youth in their local communities. County juvenile courts shall apply to the department of children, youth, and families for funding and each entity receiving funds must report to the department on the number and types of youth serviced, the services provided, and the impact of those services on the youth and the community.

(8) \$432,000 of the general fund—state appropriation for fiscal year 2022 and \$432,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to provide housing services to clients releasing from incarceration into the community.

(9) \$100,000 of the general fund—state appropriation for fiscal year 2022 is provided solely to assess the juvenile court assessment tool. The juvenile rehabilitation program shall contract with the Washington state institute for public policy to review the standardized juvenile court assessment tool to access whether it accurately determines eligibility criteria and properly assigns youth to programs that meet their needs. The institute must work in collaboration with the juvenile block grant proviso committee.

(10)(a) \$773,000 of the general fund—state appropriation for fiscal year 2022 and \$986,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Engrossed Second Substitute House Bill No. 1186 (concerning juvenile rehabilitation community transition services).

(b) Of the amounts provided in (a) of this subsection, \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$105,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for housing vouchers.

(11) \$128,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for implementation of Engrossed Second Substitute House Bill No. 1295 (institutional ed./release).

(12) \$122,000 of the general fund—state appropriation for fiscal year 2022 and \$123,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Engrossed Substitute Senate Bill No. 5118 (supporting successful reentry).

(13) Sufficient funding is provided within this section for implementation of Engrossed Second Substitute Senate Bill No. 5304 (reentry services/state and local institutions).

(14) Within existing resources, the department shall evaluate the Martin hall juvenile detention facility located in Medical Lake as an option for increased capacity needs for the juvenile rehabilitation program.

(15) \$711,000 of the general fund—state appropriation for fiscal year 2022 and \$848,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Substitute House Bill No. 2050 (parent pay/child detention). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

(16)(a) The block grant oversight committee, as defined in RCW 13.40.511, shall work in collaboration with the Washington state institute for public policy, the University of Washington's evidence-based practice institute, and the children and family and early learning divisions of the department of children, youth, and families to develop recommendations for the expansion of community juvenile accountability programs funded through juvenile court block grant funding provided by the juvenile rehabilitation division of the department of children, youth, and families and the juvenile courts. The committee's recommendations shall include consideration of the expansion of:

- (i) Block grant funding to community juvenile programs that provide services to juveniles assessed as low risk;
 - (ii) Block grant funding to community juvenile programs that provide services that are not solely focused on reducing recidivism;
 - (iii) Available block grant funding needed to complete evaluations of programs such that more programs may be evaluated to be classified as evidence-based; and
 - (iv) Classifications used by the Washington state institute for public policy to demonstrate the effectiveness of programs provided by juvenile court.
- (b) The block grant oversight committee must report its findings and recommendations to the appropriate committees of the legislature by November 1, 2022.
- (17) \$100,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the juvenile rehabilitation administration to contract with a peer navigator program that currently mentors and assists with the needs of justice-involved youth and young adults who are from the city of Federal Way and who are currently residing at the Green Hill school. The mentorship program must provide peer coaching and support by aiding in the personal and professional development of incarcerated youth and young adults through life skills, job readiness, youth leadership, and results-based projects.
- (18) \$40,000 of the general fund—state appropriation for fiscal year 2022 and \$156,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for two juvenile education-security staff positions for juvenile rehabilitation's GED education programs. One education-security position must be located at the Echo Glen children's center to assist with the open doors program and one education-security position must be located at the Green Hill school. The goal of the education-security positions is to provide dependable, daily education opportunities for students participating in the GED programs located at the respective institutional facilities. The education-security positions are responsible for providing daily escort to and from the classroom for students attending school and for providing classroom management during the period while students are attending classes.
- (19) \$2,100,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for maintaining staffing levels at juvenile rehabilitation facilities independent from fluctuating caseloads.
- (20) The department of children, youth, and families—juvenile rehabilitation must cease new placements at the Naselle youth camp, with the goal of closing the camp by June 30, 2023. It is the intention of the legislature after the closure to transfer management of the Naselle youth camp land and facilities to the department of natural resources in the 2023-2025 fiscal biennium and develop the facilities into an outdoor school. The department must assist the department of natural resources and the office of the superintendent of public instruction with the proposal on the use of the Naselle youth camp for an outdoor school as needed pursuant to section 310 of this act.
- (21) \$1,000 of the general fund—state appropriation for fiscal year 2023 is for implementation of Senate Bill No. 5657 (juvenile instit./comp sci).

Sec. 1224. 2022 c 297 s 229 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES—EARLY LEARNING PROGRAM

General Fund—State Appropriation (FY 2022)	\$327,631,000
General Fund—State Appropriation (FY 2023)	((\$402,195,000))
	<u>\$406,756,000</u>
General Fund—Federal Appropriation	((\$1,070,579,000))
	<u>\$1,106,032,000</u>
General Fund—Private/Local Appropriation	\$100,000
Education Legacy Trust Account—State Appropriation	\$28,172,000
Home Visiting Services Account—State Appropriation	\$25,579,000
Home Visiting Services Account—Federal Appropriation	\$29,776,000
Washington Opportunity Pathways Account—State Appropriation	\$80,000,000
Workforce Education Investment Account—State Appropriation	\$8,482,000
TOTAL APPROPRIATION	((\$1,972,514,000))
	<u>\$2,012,528,000</u>

The appropriations in this section are subject to the following conditions and limitations:

- (1) (a) \$82,040,000 of the general fund—state appropriation for fiscal year 2022, \$132,776,000 of the general fund—state appropriation for fiscal year 2023, \$24,070,000 of the education legacy trust account—state appropriation, \$80,000,000 of the opportunity pathways account—state appropriation, and \$25,452,000 of the general fund—federal appropriation (CRRSA/GEER) are provided solely for the early childhood education and assistance program. These amounts shall support at least 15,162 slots in fiscal year 2022 and 16,278 slots in fiscal year 2023. Of the total slots in each fiscal year, 100 slots must be reserved for foster children to receive school-year-round enrollment.
- (b) Of the amounts provided in this subsection, \$14,930,000 of the general fund—state appropriation for fiscal year 2023 and \$14,889,000 of the general fund—federal appropriation (CRRSA/GEER) are for a slot rate increase of ten percent beginning July 1, 2021. The funding provided in this subsection is sufficient for the department to increase rates according to

inflation, pursuant to Engrossed Second Substitute Senate Bill No. 5237 (child care & early dev. exp.), beginning in fiscal year 2023 and annually thereafter.

(c) Of the amounts provided in this subsection, \$2,664,000 of the general fund—state appropriation for fiscal year 2023 is provided to convert 777 part day slots to full day slots in fiscal year 2023.

(d) Of the amounts provided in this subsection, \$409,000 of the general fund—state appropriation for fiscal year 2022 and \$859,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a \$54 per slot quality support rate, which will increase by 1.5 percent annually beginning in fiscal year 2024.

(e) Of the amounts provided in this subsection, \$1,358,000 of the general fund—state appropriation for fiscal year 2022 and \$4,612,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to provide early childhood education and assistance program services during summer 2022 to 2,212 (~~(part))~~ school day program slots, including 2,011 slots in an in-person learning program and 201 slots provided other additional services.

(f) The department of children, youth, and families must develop a methodology to identify, at the school district level, the geographic locations of where early childhood education and assistance program slots are needed to meet the entitlement specified in RCW 43.216.556. This methodology must be linked to the caseload forecast produced by the caseload forecast council and must include estimates of the number of slots needed at each school district and the corresponding facility needs required to meet the entitlement in accordance with RCW 43.216.556. This methodology must be included as part of the budget submittal documentation required by RCW 43.88.030.

(2) \$200,000 of the general fund—state appropriation for fiscal year 2022 and \$200,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to develop and provide culturally relevant supports for parents, family, and other caregivers.

(3) The department is the lead agency for and recipient of the federal child care and development fund grant. Amounts within this grant shall be used to fund child care licensing, quality initiatives, agency administration, and other costs associated with child care subsidies.

(4) The legislature recognizes that the federal government has provided substantial additional funding through the coronavirus response and relief supplemental appropriations act, P.L. 116-260, division M. and the American rescue plan act of 2021, P.L. 117-2. The purpose of the additional federal funding is to ensure access to affordable child care and to stabilize and support child care providers from the effects of the COVID-19 pandemic. The legislature intends with the passage of Engrossed Second Substitute Senate Bill No. 5237 (child care & early dev. exp.) to implement these federal purposes by expanding eligibility for subsidized child care, reducing parent copayments, increasing provider base rates to recognize increased costs, and providing other financial support to stabilize the child care sector to remain open or to reopen. The legislature finds that the state lacked the fiscal capacity to make these investments and the additional federal funding has provided the opportunity to supplement state funding to expand and accelerate child care access, affordability, and provider support as the state navigates the COVID-19 pandemic and its aftermath.

(5) \$39,723,000 of the general fund—state appropriation in fiscal year 2022, (~~(\$54,505,000))~~ \$34,062,000 of the general fund—state appropriation in fiscal year 2023, \$8,482,000 of the workforce education investment account—state appropriation, (~~(\$293,375,000))~~ \$242,980,000 of the general fund—federal appropriation, \$59,893,000 of the general fund—federal appropriation (CARES), \$98,723,000 of the general fund—federal appropriation (CRRSA), and \$153,814,000 of the general fund—federal appropriation (ARPA) are provided solely for the working connections child care program under RCW 43.216.135. Of the amounts provided in this subsection:

(a) The department of children, youth, and families shall work in collaboration with the department of social and health services to determine the appropriate amount of state expenditures for the working connections child care program to claim towards the state's maintenance of effort for the temporary assistance for needy families program. The departments will also collaborate to track the average monthly child care subsidy caseload and expenditures by fund type, including child care development fund, general fund—state appropriation, and temporary assistance for needy families for the purpose of estimating the annual temporary assistance for needy families reimbursement from the department of social and health services to the department of children, youth, and families. Effective December 1, 2022, and annually thereafter, the department of children, youth, and families must report to the governor and the appropriate fiscal and policy committees of the legislature the total state contribution for the working connections child care program claimed the previous fiscal year towards the state's maintenance of effort for the temporary assistance for needy families program and the total temporary assistance for needy families reimbursement from the department of social and health services for the previous fiscal year.

(b) \$6,390,000 is for the compensation components of the 2021-2023 collective bargaining agreement covering family child care providers as provided in section 947 of this act. Of the amounts provided in this subsection:

(i) \$4,410,000 is for a 35 cent per hour per child rate increase for family, friends, and neighbor providers (FFNs) beginning July 1, 2022;

(ii) \$854,000 is to increase the rate paid to providers who reach level 3.5 of the state's early achievers quality rating system by two percent beginning July 1, 2021; and

(iii) \$1,126,000 is to increase the nonstandard hour care rate by \$10.00 per child per month beginning July 1, 2021.

(c) \$42,562,000 of the general fund—federal appropriation (ARPA) and \$2,785,000 of the general fund—federal appropriation (CRRSA) are provided solely for the implementation of an agreement reached between the governor and the service employees international union local 925 for a cost of care rate enhancement for family child care providers under the provisions of chapter 41.56 RCW for fiscal year 2023 as provided in section 940 of this act.

(d) \$45,935,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a 16 percent subsidy base rate enhancement for child care centers for fiscal year 2023.

(e) It is the intent of the legislature to continue to rebase child care provider subsidy base rates to the 85th percentile of market in subsequent fiscal biennia.

(f) \$59,893,000 of the general fund—federal appropriation (CARES), \$65,925,000 of the general fund—federal appropriation (CRRSA), and \$99,918,000 of the general fund—federal appropriation (ARPA) are provided solely for enhancements to the working connections child care (~~(connections)~~) program, pursuant to Engrossed Second Substitute Senate Bill No. 5237 (child care & early dev. exp.). Of the amounts provided in this subsection:

(i) \$28,759,000 of the general fund—federal appropriation (CARES), \$11,993,000 of the general fund—federal appropriation (CRRSA), and \$35,979,000 of the general fund—federal appropriation (ARPA) are provided solely for the implementation of reduced household child care monthly copayments. For households at or below 50 percent of the state median income, copayments are capped at \$115 through January 1, 2022, and \$90 from January 1, 2022, through fiscal year 2023. For households at or below 60 percent of the state median income, copayments are capped at \$115 through June 30, 2023.

(ii) \$31,134,000 of the general fund—federal appropriation (CARES), \$40,195,000 of the general fund—federal appropriation (CRRSA), and \$45,476,000 of the general fund—federal appropriation (ARPA) are provided solely to increase subsidy base rates to the 85th percentile of market for child care providers. The state and the representative for family child care providers must enter into bargaining over the implementation of subsidy rate increases, and apply those increases consistent with the terms of this proviso and the agreement reached between the parties.

(iii) \$3,930,000 of the general fund—federal appropriation (CRRSA) and \$4,903,000 of the general fund—federal appropriation (ARPA) are provided solely to waive work requirements for student parents utilizing the working connections child care program.

(iv) \$6,726,000 of the general fund—federal appropriation (CRRSA) and \$10,633,000 of the general fund—federal appropriation (ARPA) are provided solely to expand eligibility for the working connections child care program to households at or below 60 percent of state median income, beginning October 1, 2021.

(v) \$1,549,000 of the general fund—federal appropriation (CRRSA) and \$982,000 of the general fund—federal appropriation (ARPA) are provided solely for the department to implement an infant rate enhancement for child care providers.

(g) \$21,215,000 of the general fund—federal appropriation (CRRSA) is provided solely for enrollment based payments from April 2022 through June 2022.

(h) On July 1, 2021, and July 1, 2022, the department, in collaboration with the department of social and health services, must report to the governor and the appropriate fiscal and policy committees of the legislature on the status of overpayments in the working connections child care program. The report must include the following information for the previous fiscal year:

(i) A summary of the number of overpayments that occurred;

(ii) The reason for each overpayment;

(iii) The total cost of overpayments;

(iv) A comparison to overpayments that occurred in the past two preceding fiscal years; and

(v) Any planned modifications to internal processes that will take place in the coming fiscal year to further reduce the occurrence of overpayments.

(6) Within available amounts, the department in consultation with the office of financial management shall report enrollments and active caseload for the working connections child care program to the governor and the legislative fiscal committees and the legislative-executive WorkFirst poverty reduction oversight task force on an agreed upon schedule. The report shall also identify the number of cases participating in both temporary assistance for needy families and working connections child care. The department must also report on the number of children served through contracted slots.

(7) \$623,000 of the general fund—state appropriation for fiscal year 2022, \$935,000 of the general fund—state appropriation for fiscal year 2023, and \$6,701,000 of the general fund—federal appropriation are provided solely for the seasonal child care program.

(8) \$871,000 of the general fund—state appropriation for fiscal year 2022 and \$871,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department of children, youth, and families to contract with a countywide nonprofit organization with early childhood expertise in Pierce county for a pilot project to prevent child abuse and neglect using nationally recognized models.

(a) The nonprofit organization must continue to implement a countywide resource and referral linkage system for families of children who are prenatal through age five.

(b) The nonprofit organization must offer a voluntary brief newborn home visiting program. The program must meet the diverse needs of Pierce county residents and, therefore,

it must be flexible, culturally appropriate, and culturally responsive. The department, in collaboration with the nonprofit organization, must examine the feasibility of leveraging federal and other fund sources, including federal Title IV-E and medicaid funds, for home visiting provided through the pilot. The department must report its findings to the governor and appropriate legislative committees by September 1, 2022.

(9)(a) \$5,899,000 of the general fund—state appropriation for fiscal year 2022 and \$8,382,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the early childhood intervention prevention services (ECLIPSE) program. The department shall contract for ECLIPSE services to provide therapeutic child care and other specialized treatment services to abused, neglected, at-risk, and/or drug-affected children. The department shall pursue opportunities to leverage other funding to continue and expand ECLIPSE services. Priority for services shall be given to children referred from the department.

(b) Of the amounts provided in this subsection (9), \$1,246,000 of the general fund—state appropriation for fiscal year 2022 and \$3,719,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the expansion of ECLIPSE services, pursuant to Engrossed Second Substitute Senate Bill No. 5237 (child care & early dev. exp.). Funding provided for the expansion of services is intended to serve new geographic areas not currently served by ECLIPSE services.

(10) The department shall place a ten percent administrative overhead cap on any contract entered into with the University of Washington. In a bi-annual report to the governor and the legislature, the department shall report the total amount of funds spent on the quality rating and improvements system and the total amount of funds spent on degree incentives, scholarships, and tuition reimbursements.

(11) \$1,728,000 of the general fund—state appropriation for fiscal year 2022 and \$1,728,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for reducing barriers for low-income providers to participate in the early achievers program.

(12) \$300,000 of the general fund—state appropriation for fiscal year 2022 and \$300,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a contract with a nonprofit entity experienced in the provision of promoting early literacy for children through pediatric office visits.

(13) \$4,000,000 of the education legacy trust account—state appropriation is provided solely for early intervention assessment and services.

(14) The department shall work with state and local law enforcement, federally recognized tribal governments, and tribal law enforcement to develop a process for expediting fingerprinting and data collection necessary to conduct background checks for tribal early learning and child care providers.

(15) \$100,000 of the general fund—state appropriation for fiscal year 2022 and \$100,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of chapter 202, Laws of 2017 (children's mental health).

(16) Within existing resources, the department shall implement chapter 409, Laws of 2019 (early learning access).

(17)(a) \$7,355,000 of the general fund—state appropriation for fiscal year 2022, \$11,126,000 of the general fund—state appropriation for fiscal year 2023, \$11,032,000 of the general fund—federal appropriation (CRRSA), and \$9,632,000 of the general fund—federal appropriation (ARPA) are provided solely for the implementation of Engrossed Second Substitute Senate Bill No. 5237 (child care & early dev. exp.). The legislature intends for the appropriations provided in this subsection to stabilize and support child care providers and early learning contractors and to expand families' access to affordable, quality child care and early learning during and after the COVID-19 public health emergency. Of the amounts provided in this subsection:

(i) \$2,535,000 of the general fund—state appropriation for fiscal year 2022, \$2,535,000 of the general fund—state appropriation for fiscal year 2023, and \$4,604,000 of the general fund—federal appropriation (CRRSA) are provided solely for the implementation of complex needs funds.

(ii) \$966,000 of the general fund—federal appropriation (CRRSA) and \$1,836,000 of the general fund—federal appropriation (ARPA) are provided solely for the implementation of trauma-informed care supports.

(iii) \$180,000 of the general fund—state appropriation for fiscal year 2022 and \$3,200,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to implement dual language rate enhancements.

(iv) \$671,000 of the general fund—state appropriation for fiscal year 2022, \$656,000 of the general fund—state appropriation for fiscal year 2023, and \$3,982,000 of the general fund—federal appropriation (ARPA) are provided solely for the implementation of equity grants.

(v) \$773,000 of the general fund—state appropriation for fiscal year 2022, \$958,000 of the general fund—state appropriation for fiscal year 2023, \$1,500,000 of the general fund—federal appropriation (CRRSA), and \$900,000 of the general fund—federal appropriation (ARPA) are provided solely for infant and early childhood mental health consultation.

(vi) \$365,000 of the general fund—federal appropriation (CRRSA) and \$495,000 of the general fund—federal appropriation (ARPA) are provided solely for the expansion of family, friend, and neighbor child care play and learn groups.

(vii) \$930,000 of the general fund—state appropriation for fiscal year 2022, \$1,075,000 of the general fund—state appropriation for fiscal year 2023, \$3,597,000 of the general fund—federal appropriation (CRRSA), and \$2,419,000 of the general fund—federal appropriation (ARPA) are provided solely for the implementation of trainings, early achievers scholarships, and other professional development activities. Amounts provided in this subsection may be used to contract with a nonprofit organization that provides relationship-based professional development support to family, friend, and neighbor, child care center, and licensed family care providers.

(viii) \$1,585,000 of the general fund—state appropriation for fiscal year 2022 and \$2,196,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to expand the birth-to-three early childhood education and assistance program.

(ix) \$421,000 of the general fund—state appropriation for fiscal year 2022 and \$408,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to collaborate with the department of commerce on technical assistance to employers interested in providing child care to employees.

(b) The state and the representative for family child care providers must enter into bargaining over the implementation of grants and rate increases included in this proviso, and apply those increases consistent with the terms of this proviso and the agreement reached between the parties.

(18) \$265,000 of the general fund—state appropriation for fiscal year 2022 and \$265,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a statewide family resource and referral linkage system, with coordinated access point of resource navigators who will connect families with children prenatal through age five with services, programs, and community resources through a facilitated referral and linkage process.

(19) (a) \$414,000 of the general fund—federal appropriation (ARPA) is provided solely for the department to establish a pilot project to determine the feasibility of a child care license category for multi-site programs operating under one owner or one entity. The department shall adopt rules to implement the pilot project and may waive or adapt licensing requirements when necessary to allow for the operation of a new license category. Pilot participants must include, at least:

- (i) One governmental agency;
- (ii) One nonprofit organization; and
- (iii) One for-profit private business.

(b) New or existing license child care providers may participate in the pilot. When selecting and approving pilot project locations, the department shall aim to select a mix of rural, urban, and suburban locations. By July 1, 2024, the department shall submit to the relevant committees of the legislature recommendations on whether to permanently implement this license category and what, if any, changes are needed to law to accomplish this.

(20) (a) \$2,771,000 of the home visiting account—state appropriation for fiscal year 2022, \$5,299,000 of the home visiting account—state appropriation for fiscal year 2023, and \$3,000,000 of the general fund—federal appropriation (ARPA) are provided to expand home visiting services, enhance data collection, and support the local implementing agencies providing home visiting services. The department shall:

(i) Contract with local implementing agencies to expand home visiting services by October 1, 2021; and

(ii) Provide semiannual updates to the home visiting advisory committee established in RCW 43.216.130 that includes an updated number of families served in home visiting programs and a status of the home visiting services account balance.

(iii) The home visiting advisory committee established in RCW 43.216.130 shall make recommendations to the department and the legislature by June 1, 2022, containing strategies for supporting home visiting providers and serving additional families. Recommendations should include, but are not limited to, strategies in the 2019 report to the legislature *Opportunities and Considerations for Expanding Home Visiting Services in Washington State*, such as enhancing data system collections and reporting, professional development supports, and rate adjustments to reimburse for the true cost of service delivery.

(b) Of the amounts provided in (a) of this subsection, \$2,528,000 of the home visiting account—state appropriation for fiscal year 2023 and \$3,000,000 of the general fund—federal appropriation (ARPA) are ~~((provided))~~ for additional home visiting services in order to implement Engrossed Second Substitute Senate Bill No. 5237 (child care & early dev. exp.).

(21) The appropriations in this section are sufficient funding to implement section 29 of Substitute Senate Bill No. 5151 (foster care & child care).

(22) (a) \$390,600 of the general fund—federal appropriation (ARPA) and \$9,400,000 of the general fund—federal appropriation (CARES) are provided solely for the department to distribute grants to child care providers to stabilize the child care industry as part of the state's response to the COVID-19 public health emergency. Child care providers are eligible for grants if they are eligible for child care development fund moneys or if they are licensed, regulated, or registered within the state. The funding provided in this subsection must be expended consistent with federal law. Of the amounts provided in this subsection:

(i) ~~(((\$27,342,000))~~ \$14,342,000 of the general fund—federal appropriation (ARPA) is provided solely for the department to administer the grant program, including but not limited to costs related to creating and administering the online grant application, providing

technical assistance and support for applying for and accessing the grants, publicizing the availability of the grants, and processing applications on a rolling basis.

(ii) \$11,718,000 of the general fund—federal appropriation (ARPA) is provided solely for the department to contract with an organization to provide language access support to child care providers during the grant application process, including but not limited to translation services, community-based support related to the grant application process, and other grant application support.

(iii) \$351,540,000 of the general fund—federal appropriation (ARPA) and \$9,400,000 of the general fund—federal appropriation (CARES) are provided solely for child care stabilization grants to eligible child care providers as defined in section 2202 of the American rescue plan act of 2021 (ARPA). In applying for grants, child care providers are expected to meet the certification requirements defined in section 2202(d)(2)(D)(i) of ARPA. To the extent practicable, at least 10 percent of each grant awarded to an eligible child care provider must be used for compensation increases to employees working at a provider's facility. The department must make its best efforts to distribute 75 percent of the funding provided in this subsection by January 1, 2022, with the remaining 25 percent distributed by June 30, 2022. To the extent practicable, the department must prioritize: Providers in child care deserts; providers serving or located in marginalized, low-income communities or communities of color; and providers that help support racial equity across the state. In processing applications, to the extent practicable the department must also prioritize grant applications that include funding for the following purposes:

- (A) Rent or mortgage payments;
- (B) Copayment or tuition waivers for families receiving care, including refunds or credits to families who are not attending but are paying tuition in order to maintain a child's spot in the facility;
- (C) Child care for historically disadvantaged populations;
- (D) Child care during the summer months;
- (E) Child care during nonstandard hours;
- (F) Child care for school-age children;
- (G) Outreach to families who may have stopped attending due to cost;
- (H) Mental health supports for children and employees;
- (I) Broadband access for child care providers that care for school-age children; and
- (J) Personnel costs, including compensation, benefits, health care premium pay, or paid leave.

(iv) \$13,000,000 of the general fund—federal appropriation (ARPA) is provided solely for the department to administer noncompetitive workforce retention grants that will provide a one-time payment to on-site workers at providers meeting the licensing requirements outlined in (a) of this subsection (22) and who previously applied for a child care stabilization grant. The one-time payments will be the same amount for each worker. The department must make its best effort to distribute the funding by October 31, 2022.

(b) Nothing in this subsection changes the department's responsibility to collectively bargain over mandatory subjects consistent with RCW 41.56.028(3) or limits the legislature's authority to make programmatic modifications to licensed child care and early learning programs consistent with legislative reservation of rights under RCW 41.56.028(4)(d).

(23) \$500,000 of the general fund—federal appropriation (CARES) is provided solely for the department to hire two temporary language access coordinators with specialties in Spanish and Somali to address immediate language access needs at the department related to COVID-19 child care relief and recovery in department programs, including but not limited to:

- (a) Translation of department materials;
- (b) Outreach to community organizations serving multilingual children and families regarding department programs;
- (c) Webinars and other technical assistance provided in Spanish and Somali for department programs; and

(d) Other means of increasing language access and equity for early learning providers and caregivers in health and safety, licensing and regulations, and public funding opportunities for programs offered by the department.

(24) \$100,000 of the general fund—state appropriation for fiscal year 2022 and \$30,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to convene a work group that assesses and provides recommendations for creating new infrastructures and funding streams that support youth development. The work group must include representatives from community-based organizations providing youth development programs, including expanded learning, mentoring, school age child care, and wrap around supports and integrated student support. The department must report its findings and recommendations to the governor and legislature by September 1, 2022. The report must include the following recommendations:

- (a) Programmatic changes for breaking down silos and barriers for youth programming between state agencies;
- (b) The appropriate program within the department to develop meaningful youth-level, research-based prevention and promotion outcomes, and to support community-based organizations providing those outcomes;
- (c) The establishment of a state grant program to provide quality youth development opportunities for children and youth ages five through high school graduation; and
- (d) Strategies to increase access to youth development programs for prioritized populations such as children of color, foster children, children experiencing homelessness, and children involved in the justice system.

(25) \$5,548,000 of the general fund—federal appropriation (ARPA) is provided solely for allocations from federal funding as authorized in section 2014, the American rescue plan act of 2021, P.L. 117-2.

(26) (a) The department must provide to the education research and data center, housed at the office of financial management, data on all state-funded early childhood programs. These programs include the early support for infants and toddlers, early childhood education and assistance program (ECEAP), and the working connections and seasonal subsidized childcare programs including license-exempt facilities or family, friend, and neighbor care. The data provided by the department to the education research data center must include information on children who participate in these programs, including their name and date of birth, and dates the child received services at a particular facility.

(b) ECEAP early learning professionals must enter any new qualifications into the department's professional development registry starting in the 2015-16 school year, and every school year thereafter. By October 2017, and every October thereafter, the department must provide updated ECEAP early learning professional data to the education research data center.

(c) The department must request federally funded head start programs to voluntarily provide data to the department and the education research data center that is equivalent to what is being provided for state-funded programs.

(d) The education research and data center must provide an updated report on early childhood program participation and K-12 outcomes to the house of representatives appropriations committee and the senate ways and means committee using available data every March for the previous school year.

(e) The department, in consultation with the department of social and health services, must withhold payment for services to early childhood programs that do not report on the name, date of birth, and the dates a child received services at a particular facility.

(27) Funding in this section is sufficient for the department to collaborate with the department of commerce to jointly convene and facilitate a child care collaborative task force to continue the work of the task force created in chapter 368, Laws of 2019 (2SHB 1344) to establish a true cost of quality of child care. The task force shall report its findings and recommendations to the governor and the appropriate committees of the legislature by November 1, 2022.

(28) \$900,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the department to provide early childhood education and assistance program services during July and August of 2021 to address learning loss and to meet the unique educational and other needs of 468 children whose enrollment was interrupted or delayed due to the COVID-19 public health emergency.

(29) \$260,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to implement an infant and early childhood mental health consultation initiative to support tribal child care and early learning programs. Funding may be used to provide culturally congruent infant and early childhood mental health supports for tribal child care, tribal early childhood education and assistance program, and tribal head start providers. The department must consult with federally recognized tribes which may include round tables through the Indian policy early learning committee.

(30) \$640,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to help expand and support family, friend, or neighbor caregivers with a focus on the provision of play and learn groups. Funding provided in this subsection may be used for the department to:

(a) Fund consistent staffing across the state's six geographic regions to support the needs of family, friend, or neighbor caregivers;

(b) Contract with a statewide child care resource and referral program to sustain and expand the number of facilitated play groups to meet the needs of communities statewide;

(c) Support existing infrastructure for organizations that have developed the three existing play and learn program models so they have capacity to provide training, technical assistance, evaluation, data collection, and other support needed for implementation; and

(d) Provide direct implementation support to community-based organizations that offer play and learn groups.

(31) \$1,267,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to pay the application and fingerprint processing fees on behalf of child care providers to reduce the time involved to complete background checks.

(32) \$900,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the Washington communities for children for costs to complete its work pursuant to a federal preschool development grant that expires at the end of calendar year 2022. Allowable costs are only those incurred from January 2023 through June 2023.

Sec. 1225. 2022 c 297 s 230 (uncodified) is amended to read as follows:

((Salmon Recovery Account—State Appropriation	\$75,000,000))
TOTAL APPROPRIATION	<u>(\$119,245,000)</u> <u>\$19,245,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$125,000 of the general fund—state appropriation for fiscal year 2022 and \$125,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to pass through to the Spokane tribe of Indians for a pilot study of salmon migratory behavior and survival upstream of the Chief Joseph and Grand Coulee dams.

(2) (a) \$375,000 of the general fund—state appropriation for fiscal year 2022 is provided solely to conduct a comprehensive equity review of state grant programs administered by the office. The office may, in consultation with the interested parties identified in (d) of this subsection, contract with a consultant to assist with the community engagement and review necessary to complete this review process.

(b) The purposes of this comprehensive equity review are:

(i) To reduce barriers to historically underserved populations' participation in recreation and conservation office grant programs;

(ii) To redress inequities in existing recreation and conservation office policies and programs; and

(iii) To improve the equitable delivery of resources and benefits in these programs.

(c) In completing the comprehensive equity review required under this section, the office shall:

(i) Identify changes to policy and operational norms and practices in furtherance of the equity review purposes identified in (b) of this subsection;

(ii) Identify new investments and programs that prioritize populations and communities that have been historically underserved by conservation and recreation policies and programs; and

(iii) Include consideration of historic and systemic barriers that may arise due to any of the following factors: Race, ethnicity, religion, income, geography, disability, and educational attainment.

(d) The office must collaborate with: (i) The Washington state commission on African American affairs; (ii) the Washington state commission on Asian Pacific American affairs; (iii) the Washington state commission on Hispanic affairs; (iv) the governor's office of Indian affairs; (v) the governor's committee on disability issues and employment; (vi) the office of equity; (vii) the office of minority and women's business enterprises; (viii) the environmental justice council if established by passage of Engrossed Second Substitute Senate Bill No. 5141; and (ix) other interested parties as appropriate to develop and conduct a community engagement process to inform the review.

(e) The office must complete the comprehensive equity review under this section and submit a final report, containing all of the elements and considerations specified in this section, to the legislature by June 30, 2022.

(3) \$76,000 of the general fund—state appropriation for fiscal year 2022 and \$76,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Second Substitute House Bill No. 1382 (salmon recovery projects).

(4) \$200,000 of the general fund—federal appropriation, \$12,000 of the general fund—private/local appropriation, and \$116,000 of the aquatic lands enhancement account—state appropriation are provided solely for the implementation of Senate Bill No. 5063 (invasive species council expiration).

(5) \$37,000 of the firearms range account—state appropriation is provided solely to the recreation and conservation funding board for administration of the firearms range grant program as described in RCW 79A.25.210.

(6) \$4,355,000 of the recreation resources account—state appropriation is provided solely to the recreation and conservation funding board for administrative and coordinating costs of the recreation and conservation office and the board as described in RCW 79A.25.080(1).

(7) \$1,486,000 of the NOVA program account—state appropriation is provided solely to the recreation and conservation funding board for administration of the nonhighway and off-road vehicle activities program as described in chapter 46.09 RCW.

(8) \$1,809,000 of the general fund—state appropriation for fiscal year 2022 and \$1,809,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a grant to a nonprofit organization with a mission for salmon and steelhead restoration to install near-term solutions to prevent steelhead mortality at the Hood Canal bridge.

(9) \$140,000 of the general fund—state appropriation for fiscal year 2022 and \$140,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the governor's salmon recovery office to coordinate ongoing recovery efforts of southern resident orcas and monitor progress toward implementation of recommendations from the governor's southern resident killer whale task force.

(10) \$175,000 of the youth athletic facility nonappropriated account—state appropriation is provided solely for a task force to consider ways to improve equitable access to K-12 schools' fields and athletic facilities and local parks agency facilities with the goal of increasing physical activity for youth and families. The task force shall be created and managed by the recreation and conservation office. A portion of the funds must be used to inventory K-12 school fields and athletic facilities and park agency facilities, and for joint use agreements for these facilities. The task force participants must represent geographic diversity and must include representatives from the office of the superintendent of public instruction, the Washington association of school administrators, the association of Washington principals, and the Washington recreation and parks association; participants with a background in public health; and stakeholders who represent diverse communities and communities of color. The task force shall consider joint use agreements, partnerships, improved scheduling practices with local parks agencies including facility rental fees, and other strategies, and submit a report with best practices and policy recommendations to the recreation and conservation funding board. A final report from the board must be submitted to the governor's office and legislature no later than February 1, 2022.

(11) \$209,000 of the general fund—state appropriation for fiscal year 2022 and \$209,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to contract for implementation of the Nisqually watershed stewardship plan.

(12) \$30,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the office to facilitate the transfer of management authority over the project known as the beach lake conservation area from the current owner to a tribal government or local public government entity. If the current owner does not accept the offer to transfer management authority, then the office must pursue all legal means to enforce the right of public access consistent with the deed restrictions as set forth in the contract PSAR #15-1045. The amount provided in this subsection is intended to secure daily public access, during daylight hours, with minimal closures to the beach lake conservation area.

(13) \$345,000 of the general fund—state appropriation for fiscal year 2022 and \$345,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the connections program to provide outdoor learning experiences and virtual learning support for vulnerable youth in the Blaine and Mount Baker school districts. Of the amounts provided in this subsection, \$25,000 in each fiscal year is provided solely for an organization in Whatcom county that increases access to environmental education.

(14) \$139,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the governor's salmon recovery office to implement the governor's salmon recovery strategy update by convening the natural resources sub-cabinet on a regular basis and developing biennial statewide work priorities with a recommended budget for salmon recovery pursuant to RCW 77.85.030(4)(e) that align with tribal priorities and regional salmon recovery plans. The office shall submit the biennial implementation plan to the governor's office and the office of financial management no later than October 31, 2022.

(15) \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$150,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the governor's salmon recovery office to provide a grant to the Spokane Tribe of Indians for purposes of forming a Spokane river watershed lead entity pursuant to RCW 77.85.050(1) and developing a habitat restoration strategy to support reintroduction of salmon upstream of Chief Joseph and Grand Coulee dams.

(16) \$100,000 of the general fund—state appropriation for fiscal year 2022 and \$200,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for motorized and nonmotorized boater education and outreach on Lake Union, with a specific goal of preventing boat and airplane conflicts on the lake during peak recreation season, given the provisions of United States coast guard navigation rules that seaplanes must in general keep well clear of other vessels. The office may grant funding to local or federal government agencies or nonprofit organizations. The office must publish a publicly available summary report by June 30, 2023, on funding recipients, uses of the funding, and the successes and failures of programs funded. Funding provided in this subsection may not be used to preclude

or restrict public use of Lake Union, including recreational, commercial, or tribal use of the waters of the state.

~~((17) \$50,000,000 of the salmon recovery account state appropriation is provided solely for the salmon recovery board to provide grants for projects valued at greater than \$5,000,000 each that will benefit salmon recovery.~~

~~(18) \$25,000,000 of the salmon recovery account state appropriation is provided solely for the salmon recovery board to provide grants for watershed projects typically valued at less than \$5,000,000 each that will benefit salmon recovery.~~

(1) \$45,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the implementation of Engrossed Substitute House Bill No. 1054 (peace officer tactics, equip).

(2) \$29,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the implementation of Engrossed Second Substitute House Bill No. 1310 (uses of force by officers).

(3) \$534,000 of the general fund—state appropriation for fiscal year 2022 and \$472,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Second Substitute House Bill No. 1382 (salmon recovery projects).

(4) \$1,777,000 of the general fund—state appropriation for fiscal year 2022 and \$1,777,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to grant to the northwest Indian fisheries commission for hatchery operations that are prioritized to increase prey abundance for southern resident orcas, including \$200,000 per fiscal year for tagging and marking costs, and the remainder to grant to tribes in the following amounts per fiscal year: \$150,000 for the Quinault Indian Nation, \$199,000 for the Tulalip Tribes, \$268,000 for the Quileute Tribe, \$186,000 for the Puyallup Tribe, \$122,000 for the Port Gamble S'Klallam Tribe, \$25,000 for the Muckleshoot Indian Tribe, \$207,000 for the Squaxin Island Tribe, \$142,000 for the Skokomish Indian Tribe, and \$278,000 for the Lummi Nation. It is the intent of the legislature to continue this funding in future biennia.

(5) \$330,000 of the general fund—state appropriation for fiscal year 2022 and \$330,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to provide to the Yakama Nation for hatchery operations that are prioritized to increase prey abundance for southern resident orcas. It is the intent of the legislature to continue this funding in future biennia.

(6) \$175,000 of the general fund—state appropriation for fiscal year 2022 and \$175,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to grant to public utility districts for additional hatchery production that is prioritized to increase prey abundance for southern resident orcas. It is the intent of the legislature to continue this funding in future biennia.

(7) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to the department for hatchery maintenance.

(8) \$3,139,000 of the general fund—state appropriation for fiscal year 2022 and \$467,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to pay for emergency fire suppression costs. These amounts may not be used to fund agency indirect and administrative expenses.

(9) \$503,000 of the general fund—state appropriation for fiscal year 2022, \$503,000 of the general fund—state appropriation for fiscal year 2023, and \$440,000 of the general fund—federal appropriation are provided solely for county assessments.

(10) \$400,000 of the general fund—state appropriation for fiscal year 2022 and \$400,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a state match to support the Puget Sound nearshore partnership between the department and the United States army corps of engineers.

(11) \$555,000 of the general fund—state appropriation for fiscal year 2022 and \$558,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for operating budget impacts from capital budget projects funded in the 2019-2021 and 2021-2023 fiscal biennia.

(12) \$477,000 of the general fund—state appropriation for fiscal year 2022 and \$477,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to develop conflict mitigation strategies for wolf recovery and staff resources in northeast Washington for response to wolf-livestock conflicts. The department must provide focus on minimizing wolf-livestock issues in the Kettle range. The department is discouraged from the use of firearms from helicopters for removing wolves.

(13) \$251,000 of the general fund—state appropriation for fiscal year 2022 and \$251,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for suppression, eradication, and monitoring of northern pike in the Columbia river. The department must work with the Spokane Tribe of Indians, the Confederated Tribes of the Colville Reservation, and the Kalispel Tribe of Indians on identifying appropriate actions to reduce threats to anadromous salmon from invasive northern pike.

(14) \$753,000 of the general fund—state appropriation for fiscal year 2022 and \$753,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for expanded management of pinniped populations on the lower Columbia river and its tributaries with the goal of increasing chinook salmon abundance and prey availability for southern resident orcas.

(15) \$1,262,000 of the general fund—state appropriation for fiscal year 2022 and \$1,262,000 of the general fund—state appropriation for fiscal year 2023 are provided solely

for the costs for the department to maintain shellfish sanitation activities necessary to implement its memorandum of understanding with the department of health to ensure the state is compliant with its federal obligations under the model ordinance of the national shellfish sanitation program.

(16) \$603,000 of the general fund—state appropriation for fiscal year 2022 and \$603,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to create a statewide permittee assistance program as part of hydraulic project approvals, in which department staff collaborate with landowners during construction to help resolve risks of permit noncompliance.

(17) \$470,000 of the general fund—state appropriation for fiscal year 2022 and \$470,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to expand efforts to survey the diets of seals and sea lions in Puget Sound and identify nonlethal management actions to deter them from preying on salmon and steelhead.

(18) \$518,000 of the general fund—state appropriation for fiscal year 2022 and \$519,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to continue to provide policy and scientific support to the department of ecology regarding surface and groundwater management issues as part of implementing chapter 90.94 RCW streamflow restoration.

(19) \$271,000 of the general fund—state appropriation for fiscal year 2022 and \$271,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of chapter 291, Laws of 2019 (southern resident orca whales—protection from vessels), contracts with nonprofit organizations to monitor vessel traffic and educate boaters to be whale wise, and participation in other orca recovery efforts.

(20) Within amounts appropriated in this section, the department, in coordination with statewide law enforcement agencies, must provide a report to the legislature by January, 2022 on the number of cougars reported to the department as harvested by local government law enforcement agencies, training opportunities provided to local law enforcement agencies, and how cougar removals by local enforcement agencies impact the department's cougar management strategies.

(21) \$200,000 of the general fund—state appropriation for fiscal year 2022 and \$200,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to implement priority actions in the state pinto abalone recovery plan. Of the amounts provided, \$85,000 each fiscal year must be used to locate, monitor, and safeguard wild populations of pinto abalone along the strait of Juan de Fuca, outer coast, and San Juan islands and the remaining amounts must be granted to the Puget Sound restoration fund to increase production, diversity, and resilience of out-planted abalone.

(22) \$315,000 of the general fund—state appropriation for fiscal year 2022 and \$315,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to research and monitor the impacts of polychlorinated biphenyls (PCB) on indicator species. The department must coordinate with the department of ecology on implementation of this subsection.

(23) \$125,000 of the general fund—state appropriation for fiscal year 2022 and \$125,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to conduct an evaluation of the forest practices adaptive management program. The evaluation will be carried out generally consistent with the proposal provided to the timber, fish, and wildlife (TFW) policy committee in January 2020 titled *Assessing Changes in Uncertainty During Adaptive Management: A Case Study of the Washington State Forest Practices Habitat Conservation Plan*. To the extent practicable, the evaluation shall satisfy the cooperative monitoring, evaluation, and research five-year peer review process as required in WAC 222-12-045(2)(f), and support other ongoing forest practices adaptive management program evaluation and improvement efforts. The department shall consult with TFW policy caucus participants during the evaluation and provide for public review and comment of the draft report. A progress report shall be delivered to TFW policy participants and appropriate committees of the legislature by December 31, 2022, and a final report by June 30, 2023.

(24) \$1,175,000 of the general fund—state appropriation for fiscal year 2022 and \$1,175,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to restore shrubsteppe habitat and associated wildlife impacted by wildfires.

(a) This funding is intended for the restoration of habitat on public lands as well as private lands by landowners who are willing to participate. The restoration effort must be coordinated with other natural resource agencies and interested stakeholders.

(b) Restoration actions may include: (i) Increasing the availability of native plant materials; (ii) increasing the number of certified and trained personnel for implementation at scale; (iii) support for wildlife-friendly fencing replacement; (iv) support for private landowners/ranchers to defer wildland grazing and allow natural habitat regeneration; and (v) species-specific recovery actions.

(c) The department must submit a progress report to the appropriate committees of the legislature on the investments made under this subsection by December 1, 2022, with a final report submitted by September 1, 2023.

(d) Within the amounts provided in this subsection, \$250,000 must be used by the department to form a collaborative group process representing diverse stakeholders and facilitated by a neutral third-party to develop a long-term strategy for shrubsteppe conservation and fire preparedness, response, and restoration to meet the needs of the state's shrubsteppe wildlife and human communities. The collaborative may serve as providing

expertise and advice to the wildland fire advisory committee administered by the department of natural resources and build from the wildland fire 10-year strategic plan. Components to be addressed by the collaborative include the restoration actions described in (b) of this subsection and on spatial priorities for shrubsteppe conservation, filling gaps in fire coverage, management tools to reduce fire-prone conditions on public and private lands, and identifying and making recommendations on any other threats. Any reports and findings resulting from the collaborative may be included in the report specified in (c) of this subsection.

(25) \$80,000 of the general fund—state appropriation for fiscal year 2022 and \$60,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to contract with the Washington state academy of sciences to provide policymakers with a report on current evidence on pinniped predation of salmon, with an emphasis on Washington's portion of the Salish sea and Washington's outer coast. The academy must provide an independent study that reviews the existing science regarding pinniped predation of salmonids, including what is known about pinniped predation of salmonids, and with what level of certainty; where the knowledge gaps are; where additional research is needed; how the science may inform decisionmakers; and assessment of the scientific and technical aspects of potential management actions. Early in this process, the academy must convene separate meetings with comanagers and scientists to share relevant research and data and provide context for the academy's work.

(26) \$198,000 of the general fund—state appropriation for fiscal year 2022 and \$70,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Second Substitute Senate Bill No. 5253 (pollinator health).

(27) \$21,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the implementation of Substitute Senate Bill No. 5273 (shoreline armoring).

(28) \$44,000 of the general fund—state appropriation for fiscal year 2022 and \$24,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Substitute Senate Bill No. 5381 (fish passage project permits).

(29) \$132,000 of the general fund—state appropriation for fiscal year 2022 and \$48,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Substitute Senate Bill No. 5452 (electric-assisted bicycles).

(30) \$600,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the department to conduct a pilot project to test New Zealand style elk fencing, similar to the style used by the United States Department of Agriculture at the Starkey Experimental Forest and Range, including materials and construction techniques, and determine the cost and effectiveness of the fence design in reducing damage to school property and agricultural lands within the range of the north Cascades elk herd. The department of fish and wildlife shall work with at least one agricultural property owner in Skagit county with property abutting state highway 20 and one school district located in Skagit county with enrollment of less than 650 students that volunteer to build and test the elk fence design and, in compliance with RCW 43.01.036, report back to the natural resources committees of the legislature by November 1, 2022, on the results of the pilot project.

(31) \$155,000 of the general fund—state appropriation for fiscal year 2022 and \$310,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to implement strategies to control against chronic wasting disease in native species of the state.

(32) \$841,000 of the fish, wildlife and conservation account—state appropriation, \$430,000 of the general fund—state appropriation for fiscal year 2022, and \$411,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to work with stakeholders to improve steelhead spawning estimates for improved fishing regulations such that enhanced conservation and equitable fisheries are established.

(33) \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$50,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to assist local jurisdictions in responding to cougar related public safety issues. The funding is available to a local jurisdiction if they have a signed agreement with the department that recognizes cougar management authority is vested in the department and provides criteria to determine if a cougar creates an actionable public safety risk eligible for financial assistance. For the purposes of this subsection, a cougar presence on private property alone does not create an actionable public safety risk.

(34) \$90,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the department to complete the final phase of the Cowlitz river salmon and steelhead hook mortality study. No less than \$60,000 of the amount provided in this subsection is provided for the original contractor of the study to complete their work. A final report shall be provided to the appropriate committees of the legislature by December 31, 2022.

(35) \$130,000 of the general fund—state appropriation for fiscal year 2022 and \$130,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for an external facilitator to seek solutions through a collaborative process using the department's wolf advisory group.

(36) \$200,000 of the general fund—state appropriation for fiscal year 2022 and \$100,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to develop a plan to protect native and hatchery produced steelhead for each river system of Grays harbor, Willapa bay, and coastal Olympic peninsula. The plan must adequately protect those fisheries for healthy runs year-after-year as well as provide reasonable

fishing opportunities. The plan must include active stakeholder input and include an outreach strategy sufficient to keep conservation and angler interests well informed of proposed changes in advance of annual fishing seasons. The plan must be reported to the appropriate committees of the legislature by December 1, 2022.

(37) \$600,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to implement executive order 21-02, archaeological and cultural resources.

(38) \$313,000 of the general fund—state appropriation for fiscal year 2022 and \$408,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to perform forage fish spawning surveys in Puget Sound.

(39) \$294,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to complete rule making related to chapter 77.57 RCW, fishways, flow, and screening.

(40) \$402,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to provide technical assistance and permitting guidance on solar facility proposals with the intent of limiting impacts to threatened and endangered species and critical and sensitive habitat areas, including shrubsteppe.

(41) \$1,297,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to increase technical assistance to local jurisdictions to better integrate salmon recovery plans into growth management comprehensive plans and critical areas ordinances.

~~((43))~~ (42) \$3,802,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to monitor recreational salmon and steelhead harvest in freshwater streams and rivers in Puget Sound and along the Washington coast.

~~((44))~~ (43) \$2,116,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to monitor salmon harvest from the ocean and Puget Sound.

~~((45))~~ (44) \$994,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to monitor salmon harvest from commercial fisheries.

~~((46))~~ (45) \$226,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a marine fisheries compliance liaison to collaborate with other law enforcement partners on commercial and recreational fisheries issues.

~~((47))~~ (46) \$1,283,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for additional law enforcement officers for marine and freshwater fisheries compliance.

~~((48))~~ (47) \$372,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to develop and implement a mobile-based electronic catch record card system for statewide marine and freshwater fisheries.

~~((49))~~ (48) \$852,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to provide additional capacity to the attorney general's office to prosecute environmental crimes. The department must provide an annual report by December 1st of each year, to the appropriate committees of the legislature, on the progress made in prosecuting environmental crimes.

~~((50))~~ (49) \$4,283,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to develop a monitoring and evaluation program for salmon and steelhead hatcheries in western Washington with the goal to improve survival of hatchery fish to adult returns and adaptively manage hatchery programs to better achieve management goals, including rebuilding natural populations for conservation purposes and increasing fishing opportunities.

~~((51))~~ (50) \$2,392,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to conduct fish in/fish out monitoring for the purposes of measuring freshwater systems salmon productivity for purposes of salmon recovery.

~~((52))~~ (51) \$1,040,000 of the general fund—state appropriation for fiscal year 2023 and \$295,000 of the limited fish and wildlife account are provided solely to monitor recreational shellfish harvest in Puget Sound.

~~((53))~~ (52) \$710,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to monitor recreational Dungeness crab harvest along the Washington coast.

~~((54))~~ (53) \$360,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to complete a statewide prioritization of fish passage barriers in collaboration with regional salmon recovery organizations.

~~((55))~~ (54) \$494,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to participate in hydropower licensing efforts for the purposes of mitigating impacts to salmon and other fish and wildlife species as a result of new or renewing federal and nonfederal hydropower facilities.

~~((56))~~ (55) \$90,000 of the general fund—state appropriation for fiscal year 2022 and \$166,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to complete the following activities:

(a) By December 1, 2022, and consistent with RCW, the department must submit a report to the legislature that assesses how to incorporate a net ecological gain standard into state land use, development, and environmental laws and rules to achieve a goal of better statewide performance on endangered species recovery and ecological health. The report must address each environmental, development, or land use law or rule where the existing standard is less protective of ecological integrity than the standard of net ecological gain, including the shoreline management act (chapter 90.58 RCW), the growth management act (chapter 36.70A RCW), construction projects in state waters (chapter 77.55 RCW), and the model toxics control act.

(b) In developing the report under this section, the department must consult with the appropriate local governments, state agencies, federally recognized Indian tribes, and stakeholders with subject matter expertise on environmental, land use, and development laws including but not limited to cities, counties, ports, the department of ecology, and the department of commerce.

(c) The report must include:

(i) Development of a definition, objectives, and goals for the standard of net ecological gain;

(ii) An assessment and comparison analysis of opportunities and challenges, including legal issues and costs on state and local governments to achievement of overall net ecological gain through both:

(A) Implementation of a standard of net ecological gain under different environmental, development, and land use laws; and

(B) An enhanced approach to implementing and monitoring no net loss in existing environmental, development, and land use laws;

(iii) Recommendations on funding, incentives, technical assistance, legal issues, monitoring, and use of scientific data, and other applicable considerations to the integration of needs to assess progress made toward achieving net ecological gain into each environmental, development, and land use law or rule; and

(iv) An assessment of how applying a standard of net ecological gain in the context of each environmental, land use, or development law is likely to achieve substantial additional environmental or social cobenefits.

~~((57))~~ (56) \$70,000 of the general fund—state appropriation for fiscal year 2022 and \$997,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to assess the status of current riparian ecosystems, beginning with areas where sufficient information exists to conduct the assessment. The assessment must include identifying any gaps in vegetated cover relative to a science-based standard for a fully functioning riparian ecosystem and comparing the status and gaps to water temperature impairments, known fish passage barriers, and status of salmonid stocks.

~~((58))~~ (57) \$70,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for removal efforts for invasive bullfrogs and habitat preservation for species threatened by the bullfrogs, including the western pond turtle, Oregon spotted frog, and northern leopard frog.

~~((59))~~ (58) \$95,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for research on shell disease in western pond turtles.

~~((60))~~ (59) \$5,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to address the maintenance backlog associated with providing recreation on lands managed by the department. Allowable uses include, but are not limited to, maintenance, repair, or replacement of trails, toilet facilities, roads, parking lots, campgrounds, picnic sites, water access areas, signs, kiosks, and gates. The department is encouraged to partner with nonprofit organizations in the maintenance of public lands.

~~((61))~~ (60) \$60,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Engrossed Substitute House Bill No. 1753 (climate funding/tribes). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

~~((62))~~ (61) \$39,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Substitute House Bill No. 1735 (peace officers/use of force). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

~~((63))~~ (62) \$16,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Engrossed Second Substitute House Bill No. 1181 (veterans & military suicide). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

~~((65))~~ (63) \$14,400,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to reduce the number of nontribal commercial gillnet fishing licenses on the Columbia river through a voluntary buy-back program.

(a) Until November 30, 2022, the department may pay up to \$25,000 each for licenses that have been inactive since 2019 and up to \$120,000 each for licenses that have been active since 2019. After November 30, 2022, the department may pay up to \$20,000 each for licenses that have been inactive since 2019 and up to \$96,000 each for licenses that have been active since 2019. It is the intent of the legislature that this will be the last appropriation made to buy back licenses for the Columbia river gillnet fishery.

(b) For all licenses purchased, the department shall calculate the reduced impacts to wild and endangered stocks based on the most recent five-year average of harvest and reserve those impacts for conservation through increased wild salmonid escapement or mark-selective fisheries capable of harvesting surplus hatchery-reared salmon where needed to meet federal genetic protection requirements for wild salmon populations in a manner consistent with state-tribal fishery management agreements.

(c) The department must make recommendations to the legislature for any necessary changes in statute, regulations, or program funding levels to transition lower Columbia river mainstem gillnet fisheries to alternative, selective fishing gears, including pound nets or other gears capable of benefitting wild salmon conservation through mark-selective harvest practices. The recommendation must be submitted to the appropriate committees of the legislature by December 1, 2022.

~~((66))~~ (64) \$250,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department, in consultation with the department of ecology, the department of natural resources, the Colville confederated tribes, the Okanogan PUD, and other interested entities to analyze the steps required, including coordination and ownership, associated with the possible removal of Enloe dam and analyze options for sediment removal in order to restore the Similkameen river, minimize impacts downriver, and allow access to over 300 miles of habitat for federally-threatened steelhead and other native salmonids. Any contract required to fulfill this analysis is exempt from the competitive procurement requirements in chapter 39.26 RCW. A report of the department's findings, analysis, and recommendations for funding or further considerations for the Enloe dam removal must be made to the appropriate committees of the legislature by December 1, 2022.

~~((67))~~ (65) \$2,472,000 of the general fund—state appropriation in fiscal year 2022 and \$6,096,000 of the general fund—state appropriation in fiscal year 2023 are provided solely for the department to implement eradication and control measures on European green crabs through coordination and grants with partner organizations. The department must provide quarterly progress reports on the success and challenges of the measures to the appropriate committees of the legislature by December 1, 2022.

~~((68))~~ (66) \$500,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to increase the support of regional fish enhancement groups.

~~((69))~~ (67) \$75,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to install elk fencing in the Skagit river valley to help mitigate crop damage.

~~((70))~~ ~~\$3,000,000 of the salmon recovery account state appropriation for fiscal year 2023 is provided solely for the department to provide grants and coordinate with the tribes of the upper Columbia river to reintroduce Chinook salmon.~~

~~((71))~~ (68) The legislature intends to fund the monitoring items contained in subsections ~~((43) through (45) and (50) through (53))~~ (42) through (44) and (49) through (52) of this section through fiscal year 2025. A brief status report of the data collected and findings from each monitoring item funded in this section is due to the appropriate committees of the legislature by December 1st of each fiscal year through 2025.

~~((73))~~ ~~\$3,510,000~~ (69) \$2,410,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for grants for the following activities:

(a) ~~(\$900,000 for the Lummi Nation to make infrastructure updates at the Skoekum hatchery;~~

~~(b))~~ \$250,000 for the Confederated Tribes of the Colville Reservation to upgrade heating, ventilation, and air conditioning systems at the Colville trout hatchery, and to acquire a hatchery fish transport truck with aquaculture adaptations;

~~((e))~~ (b) \$230,000 for the Yakama Nation to incorporate rearing vessels at the Cle Elum facility and to build circular covers at the lower Yakima facility;

~~((d))~~ (c) \$1,180,000 to the Puyallup Tribe to build an augmentation well at Voights creek hatchery, upgrade the water supply system and alarms at the Clarks creek hatchery, and convert rearing ponds into eight raceways at Diru creek chum hatchery;

~~((e))~~ (d) \$600,000 to the Suquamish Tribe to install an abatement pond at Grovers creek hatchery and replace raceways at Gorst coho raceways; and

~~((f))~~ (e) \$350,000 to the Jamestown S'Klallam Tribe to upgrade water supply systems at Point Whitney and expand shellfish seed production capacity at the shellfish hatchery in Kona.

Sec. 1308. 2022 c 297 s 310 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF NATURAL RESOURCES

The appropriations in this section are subject to the following conditions and limitations:

(1) \$1,857,000 of the general fund—state appropriation for fiscal year 2022 and \$1,857,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to carry out the forest practices adaptive management program pursuant to RCW 76.09.370 and the May 24, 2012, settlement agreement entered into by the department and the department of ecology. Scientific research must be carried out according to the master project schedule and work plan of cooperative monitoring, evaluation, and research priorities adopted by the forest practices board.

(2) \$43,316,000 of the general fund—state appropriation for fiscal year 2022 and \$87,107,000 of the wildfire response, forest restoration, and community resilience account—state appropriation are provided solely for the implementation of Second Substitute House Bill No. 1168 (long-term forest health).

(3) \$873,000 of the general fund—state appropriation for fiscal year 2022 and \$1,816,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Second Substitute House Bill No. 1216 (urban and community forestry).

(4) \$176,000 of the forest development account—state appropriation, \$164,000 of the aquatic lands enhancement account—state appropriation, \$377,000 of the resource management cost account—state appropriation, and \$22,000 of the agricultural college trust management account—state appropriation are provided solely for the implementation of Substitute House Bill No. 1355 (noxious weeds).

(5) \$12,000 of the aquatic lands enhancement account—state appropriation and \$10,000 of the resource management cost account—state appropriation are provided solely for the implementation of Engrossed Second Substitute House Bill No. 1382 (salmon recovery projects).

(6) \$1,000,000 of the general fund—state appropriation for fiscal year 2022 and \$1,000,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the small forest landowner office, in order to restore staffing capacity reduced during the great recession and to support small forest landowners, including assistance related to forest and fish act regulations.

(7) \$1,583,000 of the general fund—state appropriation for fiscal year 2022 and \$1,515,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for deposit into the agricultural college trust management account and are provided solely to manage approximately 70,700 acres of Washington State University's agricultural college trust lands.

(8) \$112,582,000 of the general fund—state appropriation for fiscal year 2022, (((\$20,668,000))\$116,453,000 of the general fund—state appropriation for fiscal year 2023, and \$16,050,000 of the disaster response account—state appropriation are provided solely for emergency response, including fire suppression. The department shall provide a monthly report to the office of financial management and the appropriate fiscal and policy committees of the legislature with an update of fire suppression costs incurred and the number and type of wildfires suppressed.

(9) \$2,823,000 of the general fund—state appropriation for fiscal year 2023 and \$66,000 of the disaster response account—state appropriation are provided solely for indirect and administrative expenses related to fire suppression. It is the intent of the legislature that

the amount of state general fund and disaster response account appropriations to support administrative expenses for fire suppression will be phased in through fiscal year 2025.

(10) \$5,500,000 of the forest and fish support account—state appropriation is provided solely for outcome-based performance contracts with tribes to participate in the implementation of the forest practices program. Contracts awarded may only contain indirect costs set at or below the rate in the contracting tribe's indirect cost agreement with the federal government. Of the amount provided in this subsection, \$500,000 is contingent upon receipts under RCW 82.04.261 exceeding eight million dollars per biennium. If receipts under RCW 82.04.261 are more than eight million dollars but less than eight million five hundred thousand dollars for the biennium, an amount equivalent to the difference between actual receipts and eight million five hundred thousand dollars shall lapse.

(11) Consistent with the recommendations of the *Wildfire Suppression Funding and Costs (18-02)* report of the joint legislative audit and review committee, the department shall submit a report to the governor and legislature by December 1, 2021, and December 1, 2022, describing the previous fire season. At a minimum, the report shall provide information for each wildfire in the state, including its location, impact by type of land ownership, the extent it involved timber or range lands, cause, size, costs, and cost-share with federal agencies and nonstate partners. The report must also be posted on the agency's website.

(12) \$4,206,000 of the aquatic land enhancement account—state appropriation is provided solely for the removal of creosote pilings and debris from the marine environment and to continue monitoring zooplankton and eelgrass beds on state-owned aquatic lands managed by the department. Actions will address recommendations to recover the southern resident orca population and to monitor ocean acidification as well as help implement the Puget Sound action agenda.

(13) \$448,000 of the general fund—state appropriation for fiscal year 2022 and \$448,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to coordinate with the Olympic natural resources center to study emerging ecosystem threats such as Swiss needlecast disease, conduct field trials for long-term ecosystem productivity and T3 watershed experiments, and engage stakeholders through learning-based collaboration. The department may retain up to \$30,000 in one fiscal year to conduct Swiss needlecast surveys.

(14) \$185,000 of the general fund—state appropriation for fiscal year 2022 and \$185,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for compensation to the trust beneficiaries and department for lost revenue from leases to amateur radio operators who use space on the department managed radio towers for their equipment. The department is authorized to lease sites at the rate of up to one hundred dollars per year, per site, per lessee. The legislature makes this appropriation to fulfill the remaining costs of the leases at market rate per RCW 79.13.510.

(15) The appropriations in this section include sufficient funding for the department to review its burn permit fee schedule, and to develop options and recommendations on changes to the fee schedule to meet the requirement in RCW 70A.15.5020. The agency must report on options and recommendations to the office of financial management and the appropriate committees of the legislature by September 1, 2021.

(16) \$569,000 of the model toxics control operating account—state appropriation is provided solely to implement recommendations in the aerial herbicides in forestlands report submitted to the legislature in December 2019 from the aerial herbicide application working group. Specific work will include researching alternatives to chemicals for control of unwanted competing vegetation, compliance monitoring of aerial herbicides application, and updating the pesticide board manual.

(17) \$925,000 of the general fund—state appropriation for fiscal year 2022 and \$779,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to undertake geologic research to understand the geology and hydrology of the Columbia basin with regard to geothermal and groundwater resources. Funding must also be used for outreach and education to industries and regional communities to increase awareness of underground resources, how to access and use them, and the regulatory processes for doing so.

(18) \$77,000 of the general fund—state appropriation for fiscal year 2022, \$90,000 of the general fund—state appropriation for fiscal year 2023, \$82,000 of the forest development account—state appropriation, \$10,000 of the ORV and nonhighway vehicle account—state appropriation, \$19,000 of the aquatic lands enhancement account—state appropriation, \$189,000 of the resource management cost account—state appropriation, \$7,000 of the surface mining reclamation account—state appropriation, \$9,000 of the forest and fish support account—state appropriation, \$43,000 of the forest fire protection assessment nonappropriated account—state appropriation, \$13,000 of the state forest nursery revolving nonappropriated account—state appropriation, \$45,000 of the access road revolving nonappropriated account—state appropriation, \$26,000 of the forest health revolving nonappropriated account—state appropriation, and \$9,000 of the model toxics control operating account—state appropriation are provided solely for the department to move its data center currently located in the natural resources building to the state data center located in the Jefferson building as required by office of the chief information officer policy 184 and RCW 43.105.375. Funding is subject to the conditions, limitations, and review requirements of section 701 of this act.

(19) \$466,000 of the general fund—state appropriation for fiscal year 2022, \$189,000 of the general fund—state appropriation for fiscal year 2023, \$404,000 of the forest development account—state appropriation, \$254,000 of the aquatic lands enhancement account—

state appropriation, \$836,000 of the resource management cost account—state appropriation, \$27,000 of the surface mining reclamation account—state appropriation, \$148,000 of the forest fire protection assessment nonappropriated account—state appropriation, \$62,000 of the state forest nursery revolving nonappropriated account—state appropriation, \$188,000 of the access road revolving nonappropriated account—state appropriation, \$214,000 of the forest health revolving nonappropriated account—state appropriation, and \$16,000 of the natural resources federal lands revolving nonappropriated account—state appropriation are provided solely for the department to replace the NaturE revenue and leasing administration system and integrate with the new One Washington financial system. Funding is subject to the conditions, limitations, and review requirements of section 701 of this act.

(20)(a) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to maintain existing administrative facility infrastructure operated by the six regions of the department.

(b) The department's allocation of this appropriation and existing expenditure authority in certain other funds will be spread equitably across agency funds based on a model of positions by program or activity that utilize existing facility spaces within the agency's operating regions. The remaining costs at each site will remain the burden of existing management fund distribution. Department allocation of funds in this appropriation will be trackable by region and by project code.

(c) This appropriation is provided solely for the maintenance of existing administrative infrastructure, inclusive of ordinary maintenance, preventive maintenance, and maintenance services and inspections, minor repairs, system component replacement, and the delivery of utility and facility services.

(d) The department must provide a comparison of quarterly agency allotments and expenditures relating to this subsection, including a summary of the maintenance work for all regional facilities subject to this section to the office of financial management beginning in October 2021.

(21) \$175,000 of the general fund—state appropriation for fiscal year 2022 and \$175,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to implement a pilot project to evaluate the costs and benefits of marketing and selling specialty forest products including cedar salvage, alder, and other hardwood products. The pilot project must include: Identifying suitable areas for hardwood or cedar sales within the administrative areas of the Olympic and Pacific Cascade regions, preparing and conducting sales, and evaluating the costs and benefits from conducting the sales.

(a) The pilot project must include an evaluation that:

(i) Determines if revenues from the sales are sufficient to cover the costs of preparing and conducting the sales;

(ii) Identifies and evaluates factors impacting the sales, including regulatory constraints, staffing levels, or other limitations;

(iii) Compares the specialty sales to other timber sales that combine the sale of cedar and hardwoods with other species;

(iv) Evaluates the bidder pool for the pilot sales and other factors that impact the costs and revenues received from the sales; and

(v) Evaluates the current and future prices and market trends for cedar salvage and hardwood species.

(b) The department must work with affected stakeholders and report to the appropriate committees of the legislature with the results of the pilot project and make recommendation for any changes to statute by June 30, 2023.

(22) \$112,000 of the general fund—state appropriation for fiscal year 2022 and \$60,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Senate Bill No. 5158 (utility wildland fire cmte.).

(23) \$407,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the department to complete development of a programmatic safe harbor agreement, and the associated environmental analysis and draft enrollment language for inclusion in the forest practices rules. Within the amount provided in this subsection, the department must provide \$182,000 to the department of fish and wildlife to assist in the development of the programmatic safe harbor agreement. The department must provide a report to the appropriate committees of the legislature by December 15, 2021, on the status of the rule making and the resources needed to implement the rule effective October 1, 2022.

(24) Within amounts appropriated in this section, the department on behalf of the forest practices board must provide an update to the natural resource policy committees of the legislature on the progress of its projects, including progress made to address recommendations from the 2021 state auditor's report on the adaptive management program, by December 1, 2021, and December 1, 2022.

(25) \$100,000 of the general fund—state appropriation for fiscal year 2022 and \$150,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to grant to local law enforcement agencies to assist in enforcing vessel registration laws. Funding is also provided for a pilot recycling project with a nonprofit maritime education center that has the capacity to coordinate with a local port and local businesses that can accommodate vessel waste material.

(26) Within amounts appropriated in this section, the department, acting in its capacity as the agency responsible for implementing Washington state's section 10 permit under the endangered species act for aquatic species, and for ensuring maintenance of clean water act

assurances granted by the department of ecology, must report to the legislature by no later than June 30, 2022, on the status of forest practices board activities related to: (a) Permanent water typing rulemaking and associated board manual development and (b) rulemaking and associated board manual development regarding the protection of type N streams.

(27) Within amounts appropriated in this section, the department, in collaboration with motorized and nonmotorized outdoor recreation stakeholders, must submit to the appropriate committees of the legislature recommendations for the use of NOVA account appropriations, by September 30, 2022.

(28) \$2,336,000 of the general fund—state appropriation for fiscal year 2022 and \$1,591,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Second Substitute Senate Bill No. 5141 (environmental justice task force recommendations).

(29) \$36,000 of the general fund—state appropriation for fiscal year 2022 and \$36,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Second Substitute Senate Bill No. 5253 (pollinator health).

(30) \$180,000 of the general fund—state appropriation for fiscal year 2022 and \$4,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Substitute Senate Bill No. 5452 (electric-assisted bicycles).

(31) \$1,765,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to:

(a) Replace the statewide forest practices permit database system. Funding is subject to the conditions, limitations, and review requirements of section 701 of this act; and

(b) Provide a recommendation for ways that the forest products industry could help cover the cost of the new forest practice online system. The recommendation must include proposed changes to the fees that are paid for forest practice applications and notifications, as well as a description and table that illustrates the operating costs of the program and how those costs are covered by fund source including fee revenue. The recommendation must be reported to the fiscal committees of the legislature by December 1, 2021, and may be included as a decision package to the office of financial management for consideration in the governor's proposed 2022 supplemental operating budget.

(32) \$225,000 of the general fund—state appropriation for fiscal year 2022 and \$225,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to implement a pilot project to evaluate the costs and benefits of entering into such stewardship agreements with individual neighboring landowners who would take on the responsibility for protecting small segments of shared boundary with department managed lands. The pilot project must include identifying the legal limits and bounds of such stewardship agreements, identifying suitable areas, preparing and entering into shared stewardship agreements, and evaluating the costs and benefits of these agreements.

(a) The pilot project evaluation must include:

(i) A determination of an appropriate mechanism for the sale of valuable materials from state trust lands harvested under a stewardship agreement;

(ii) Identification of regulatory constraints, staffing levels necessary to administer a statewide program, and other limitations; and

(iii) Identification of legal risk and insurance and indemnification requirements that may be necessary on the part of private individuals entering into these agreements.

(b) The pilot project must include agreements on at least the Teanaway or Klickitat Community Forests and on state trust lands in the vicinity of the town of Darrington, Washington. The department of natural resources must work with affected stakeholders and report to the appropriate committees of the legislature with the results of the pilot project and any recommendations for changes and statewide implementation by July 1, 2023.

(33) \$134,000 of the general fund—state appropriation for fiscal year 2022 and \$134,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to grant non-tribal outcome-based performance participation grants for implementation of the forest practices adaptive management program. Of the amounts provided in this subsection, \$54,000 per fiscal year is provided for grants to the Washington farm forestry association and \$80,000 per fiscal year is provided for grants to the Washington state association of counties.

(34) \$488,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of chapter 316, Laws of 2021 (Engrossed Second Substitute Senate Bill No. 5126) (climate commitment act).

(35) \$3,481,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to collect and refresh statewide lidar data.

(36) Within amounts appropriated in this section, the department must improve performance of the forest practices adaptive management program by implementing recommendations made by the state auditor's office in its January 2021 performance audit of the program.

(37) \$450,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to conduct a targeted analysis of the current and projected impact from drought and opportunities for drought resilience on department owned and managed uplands and agricultural lands.

(38) \$225,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to hire a watershed steward to expedite salmon recovery actions and projects, including education, with a primary focus on agency owned and managed uplands and aquatic lands.

(39)(a) \$5,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a pilot project to improve salmon habitat across the department's aquatic, commercial, industrial, and agricultural lands. Of the amount provided in this subsection:

(i) \$2,000,000 is provided solely to improve nearshore habitat by accelerating restoration of state-owned aquatic lands; and

(ii) \$3,000,000 is provided solely to improve riparian function, including riparian planting and riparian set-asides on state-owned lands.

(b) The department must consult with federally recognized tribes and partner with relevant state agencies and local governments in implementing this pilot.

(c) The department must provide a report on the cost, monitoring, and effectiveness of investments in salmon habitat improvements to the office of financial management and the appropriate committees of the legislature by June 30, 2023.

(40) \$5,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to address the maintenance backlog associated with providing recreation on lands managed by the department. Allowable uses include, but are not limited to, maintenance, repair, or replacement of trails, toilet facilities, roads, campgrounds, picnic sites, water access areas, signs, kiosks, and gates. The department is encouraged to partner with nonprofit organizations in the maintenance of public lands.

(41) \$4,284,000 of the derelict vessel removal account—state appropriation is provided solely for implementation of House Bill No. 1700 (derelict vessel removal). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(42) \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$450,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the purpose of establishing demonstration areas for wildfire ready neighbors, a wildland fire resiliency outreach, assessment, and education program, in portions of Pierce, Mason, and Thurston counties. Wildfire ready neighbor demonstration areas must be located where there is a demonstrated high risk of wildland fire, a mix of suburban and small private forestland ownership, and significant areas of wildland urban interface. Further, demonstration areas must be selected by employing principles of environmental justice and equity, with an effort to select areas for inclusion that have a significant proportion of vulnerable populations and "highly impacted communities" as defined by RCW 19.405.020.

(43) The department, in coordination with the office of the superintendent of public instruction, must provide recommendations on the development of an outdoor school at the site of the Naselle youth camp. The department must consider, at a minimum, the suitability of the current facilities, operating and capital budget needs and estimated costs, any potential transfers of land ownership or management, partnership opportunities, and other potential procedural or operational challenges and proposed solutions. The department must submit a proposal to the appropriate committees of the legislature by December 31, 2022.

~~(44) (\$5,000,000 of the salmon recovery account state appropriation is provided solely for the department to purchase easements under the forestry riparian easement program, pursuant to RCW 76.13.120.~~

~~(45))~~ \$1,149,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the implementation of Second Substitute Senate Bill No. 5619 (kelp & eelgrass conservation). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

~~((46))~~ (45) \$200,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to continue convening the work group pertaining to making improvements to the trust land transfer program. Of the amount provided in this subsection, up to \$75,000 may be used for completing a trust land transfer project in Jefferson county.

~~((47))~~ (46) \$1,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to provide a grant to a nonprofit organization that will offer environmental education and career development skills training in nature for youth and young adults from south King county.

~~((48))~~ (47)(a) \$10,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to purchase state forestland, as described in RCW 79.22.010, to begin a program to benefit counties who have lost revenue from existing state forestlands encumbered by wildlife species listed as endangered or threatened by the federal endangered species act. The department must transfer the appropriated amount into the natural resources real property replacement account in accordance with RCW 79.17.210 to purchase state forestlands.

(b) Of the amounts provided in this subsection:

(i) \$5,000,000 must be used to purchase state forestland for the benefit of Clallam county and Jefferson county; and

(ii) \$5,000,000 must be used to purchase state forestland for the benefit of Pacific county, Skamania county, and Wahkiakum county.

(c) The purchased forestlands shall be owned and managed by the department as state forest transfer lands and shall be placed in trust for the benefit of the counties. The purchase of these state forestlands is not limited to lands within the geographic bounds of the counties listed in this subsection.

(d) The purchase of state forestlands must be made in concurrence with the Washington state association of counties before a transaction is finalized.

(e) The department shall work with the Washington state association of counties to determine if any statutory changes are necessary to address issues regarding beneficiary revenue distribution or any other fiscal matters related to state forestlands. The department

and the Washington state association of counties shall report to the legislature on any needed statutory changes by December 31, 2022.

((+49-)) (48) \$2,000,000 of the salmon recovery account—state appropriation is provided solely for an increase in the Puget Sound corp program to employ work crews statewide to carry out aquatic recreation, natural areas, resource protection, and urban forestry projects.

((+50-)) (49) \$167,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the department to advance research and cooperation with governmental agencies of Finland and Finnish organizations to implement sustainable forestry practices. The department must report to the appropriate committees of the legislature, by June 30, 2023, on how the funding was used, what kinds of research and cooperation were accomplished, and make recommendations for further opportunities for collaboration.

TOTAL APPROPRIATION	((\$275,863,000)) <u>\$284,556,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$103,045,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely to develop a state alternative to the United States department of agriculture farmers to families food box program and provide resources for hunger relief organizations, including organizations that serve BIPOC and other socially disadvantaged communities.

(2) \$5,000,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for the farm-to-school program under RCW 15.64.060.

(3) \$8,000,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for local food system infrastructure and market access grants, prioritized for women, minority, and small business owners.

(4) \$9,000,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for a grant program to improve food supply chain infrastructure and market access for farms, food processors, and food distributors.

(5) (a) \$90,000 of the general fund—state appropriation for fiscal year 2022 and \$90,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to coordinate with the office of equity, the conservation commission, underrepresented farmers and ranchers, organizations that represent historically underrepresented farmers and ranchers, farmworkers, and labor advocates to:

(i) Ensure inclusion of historically underrepresented farmers and ranchers in the agricultural industry;

(ii) Evaluate related boards, commissions, and advisory panels to ensure inclusion of historically underrepresented farmers and ranchers;

(iii) Include historically underrepresented farmers and ranchers in the development, implementation, and enforcement of food and agriculture laws, rules, regulations, policies, and programs; and

(iv) Consider ways to increase engagement in agricultural education and workforce development opportunities by communities who have been historically underrepresented in agriculture.

(b) The department must report to the governor and legislature, in accordance with RCW 43.01.036, by October 31, 2022, on its activities and efforts to include historically underrepresented farmers and ranchers. The report must describe the department's efforts to serve historically underrepresented farmers and ranchers, identify existing gaps and financial barriers to land ownership and obtaining equipment, and must include recommendations to improve outreach to and services for historically underrepresented farmers and ranchers.

(6) \$4,936,000 of the general fund—state appropriation for fiscal year 2022 and (~~(\$938,000)~~) \$4,121,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementing a Japanese beetle monitoring and eradication program in central Washington.

(7) \$6,605,445 of the general fund—state appropriation for fiscal year 2022, \$23,230,905 of the general fund—state appropriation for fiscal year 2023, and \$23,000,000 of the coronavirus state fiscal recovery fund—federal appropriation are provided solely for implementing the emergency food assistance program as defined in RCW 43.23.290.

(8) \$170,000 of the general fund—state appropriation for fiscal year 2022 and \$170,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to continue a shellfish coordinator position. The shellfish coordinator assists the industry with complying with regulatory requirements and will work with regulatory agencies to identify ways to streamline and make more transparent the permit process for establishing and maintaining shellfish operations.

(9) \$194,000 of the general fund—state appropriation for fiscal year 2022, \$194,000 of the general fund—state appropriation for fiscal year 2023, and \$1,134,000 of the general fund—federal appropriation are provided solely for implementing a Vespa mandarinia eradication program.

(10) \$1,042,000 of the northeast Washington wolf-livestock management nonappropriated account—state appropriation is provided solely for the department to conduct the following:

(a) Fund the northeast Washington wolf-livestock management grant program as provided in RCW 16.76.020, at \$432,000. Funds from the grant program must be used only for the deployment of nonlethal deterrence, specifically with the goal to reduce the likelihood of cattle being injured or killed by wolves by deploying proactive, preventative methods that have a good probability of producing effective results. Grant proposals will be assessed partially on this intent. Grantees who use funds for range riders or herd monitoring must deploy this tool in a manner so that targeted areas with cattle are visited daily or near daily. Grantees must collaborate with other entities providing prevention efforts resulting in coordinated wolf-livestock conflict deterrence efforts, both temporally and spatially, therefore providing well-timed and placed preventative coverage on the landscape. The department retains the final decision-making authority over disbursement of funds. Annual reports from grantees will be assessed for how well grant objectives were met and used to decide whether future grant funds will be awarded to past grantees.

(b) Contract with the northeast Washington wolf-cattle collaborative, a nonprofit organization, for \$410,000 for range riders to conduct proactive deterrence activities with the goal to reduce the likelihood of cattle being injured or killed by wolves. The contract must provide that the organization share all relevant information with the department of fish and wildlife in a timely manner to aid in wolf management decisions. Additionally, range riders must document their activities with geo-referenced photo points and provide written description of their efforts to the department of fish and wildlife by December 31, 2021, and December 31, 2022. Work is to be conducted solely on United States forest service grazing allotments and adjoining private lands in the Kettle mountains in Ferry county. This includes an area from the northern boundary of the Colville Confederated Tribes reservation, west of the Columbia river north to state route 20, and then west of United States route 395 to the Canadian border, and from the northern boundary of the Colville Confederated Tribes reservation east of state highway 21 to the Canadian border. Also included are federal grazing allotments and adjoining private lands in the Vulcan mountain area, an area which is north of the Kettle river where it enters the United States at Midway, British Columbia and leaves the United States near Danville, Washington. Of the amount provided in this subsection, \$90,000 may be contracted for range rider deterrence activities in Pend Oreille, Stevens, or Ferry counties.

(c) Within the amounts provided in this subsection, the department must provide \$120,000 in fiscal year 2022 and \$80,000 in fiscal year 2023 to the sheriffs offices of Ferry and Stevens counties for providing a local wildlife specialist to aid the department of fish and wildlife in the management of wolves in northeast Washington.

(11) \$1,400,000 of the model toxics control operating account—state appropriation is provided solely for research grants to assist with development of an integrated pest management plan to find a suitable replacement for imidacloprid to address burrowing shrimp in Willapa bay and Grays harbor and facilitate continued shellfish cultivation on tidelands. In selecting research grant recipients for this purpose, the department must incorporate the advice of the Willapa-Grays harbor working group formed from the settlement agreement with the department of ecology signed on October 15, 2019. Up to eight percent of the total amount provided may be used by the departments of agriculture, commerce, ecology, and natural resources to cover overhead expenses relating to their continued participation in the working group for the 2021-2023 fiscal biennium.

(12) \$323,000 of the general fund—state appropriation for fiscal year 2022 and \$477,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Engrossed Second Substitute Senate Bill No. 5141 (environmental justice task force recommendations).

(13) \$78,000 of the general fund—state appropriation for fiscal year 2022 and \$276,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of Second Substitute Senate Bill No. 5253 (pollinator health).

(14) \$2,000,000 of the general fund—federal appropriation, not to exceed the amount appropriated in section 11, chapter 3, Laws of 2021, that is unobligated at the end of fiscal

year 2021, is provided solely to assist hunger relief organizations to achieve food security and is subject to the same terms and conditions as the appropriation in section 11, chapter 3, Laws of 2021.

(15) \$168,000 of the general fund—state appropriation for fiscal year 2022 and \$168,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department to assist small and midsize farms and small and midsize processors in exploring options to expand capacity for processing meat or meat and poultry for sale and direct marketing efforts. In carrying out this duty, the department must:

(a) Assist farms in complying with federal, state, and local rules and regulations as they apply to direct marketing of meat and poultry products;

(b) Assist in developing infrastructure including, but not limited to, custom meat facilities and slaughter facilities inspected by the United States department of agriculture as appropriate to increase direct marketing opportunities for farms;

(c) Assist processors in complying with federal, state, and local rules and regulations as they apply to processing meat and poultry and the marketing of meat and poultry;

(d) Assist in developing, in consultation with Washington State University extension, training opportunities or apprenticeship opportunities for slaughterers or inspectors;

(e) Provide information on direct marketing opportunities for farms;

(f) Identify and help reduce market barriers facing farms in direct marketing;

(g) Identify and help reduce barriers facing processors in operating slaughter facilities;

(h) Assist in developing and submitting proposals to grant programs to assist farm direct marketing efforts; and

(i) Perform other functions that will assist farms in directly marketing their meat and poultry products.

(16) \$1,832,000 of the general fund—state appropriation for fiscal year 2022 and \$1,832,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the department, in consultation with the state conservation commission, to develop a grant program to provide funding to conservation districts or other entities to provide access to meat and poultry processing and inspection. In addition to other funding needs to provide access to meat and poultry processing and inspection, grant funding may be used to establish a mobile slaughter unit or to provide needed infrastructure to provide for the retail sale of meat or poultry. The department must conduct outreach to gain input from other entities, such as conservation districts, Washington State University and the food policy forum in developing the grant program described in this subsection.

(17) \$156,000 of the general fund—state appropriation for fiscal year 2022 and \$213,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of Second Substitute Senate Bill No. 5192 (electric vehicle equipment).

(18) \$366,000 of the general fund—state appropriation for fiscal year 2022 and \$366,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to support the department's emergency management planning responsibilities related to agricultural systems, radiological preparedness and response, foodborne outbreaks, food security, and other emergency management responsibilities.

(19) \$200,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for rulemaking for a voluntary cannabis certification program that is consistent with the department's existing organics program, as authorized by chapter 317, Laws of 2017 (ESSB 5131).

(20) \$300,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for a grant to a community-based organization in Whatcom county for the food and farm finder program, which connects local food producers with retail and wholesale consumers.

(21) \$81,000 of the general fund—state appropriation for fiscal year 2022 and \$139,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a hemp in food task force and a hemp commission task force.

(a) Of the amounts provided in this subsection, \$75,000 in fiscal year 2022 and \$125,000 in fiscal year 2023 are for a hemp in food task force. The department must appoint task force members representing relevant state agencies, the scientific community, and stakeholder organizations. The department must provide staff support for the task force and contract for relevant scientific expertise. The department must report to the appropriate committees of the legislature with recommendations for the regulation of hemp in food by December 1, 2022.

(b) Of the amounts provided in this subsection, \$6,000 in fiscal year 2022 and \$14,000 in fiscal year 2023 are for a hemp commission task force. The department must appoint task force members representing relevant state agencies, the scientific community, and stakeholder organizations, including the hemp industry. The department must provide staff support for the task force. The department must report to the appropriate committees of the legislature with recommendations for the creation of a commodity commission for hemp by December 1, 2022.

(22) \$790,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of House Bill No. 1859 (cannabis analysis labs). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(23) \$301,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Engrossed Second Substitute House Bill No. 1799 (organic materials management). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

Education Legacy Trust Account—State Appropriation	\$1,608,115,000
Coronavirus State Fiscal Recovery Fund—Federal	
Appropriation	(\$280,875,000)
	<u>\$258,048,000</u>

TOTAL APPROPRIATION..... (~~\$20,346,401,000~~)
\$20,285,236,000

The appropriations in this section are subject to the following conditions and limitations:

(1)(a) Each general fund fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(b) For the 2021-22 and 2022-23 school years, the superintendent shall allocate general apportionment funding to school districts as provided in the funding formulas and salary allocations in sections 504 and 505 of this act, excluding (c) of this subsection.

(c) From July 1, 2021, to August 31, 2021, the superintendent shall allocate general apportionment funding to school districts programs as provided in sections 503 and 504, chapter 357, Laws of 2020, as amended.

(d) The enrollment of any district shall be the annual average number of full-time equivalent students and part-time students as provided in RCW 28A.150.350, enrolled on the fourth day of school in September and on the first school day of each month October through June, including students who are in attendance pursuant to RCW 28A.335.160 and 28A.225.250 who do not reside within the servicing school district. Any school district concluding its basic education program in May must report the enrollment of the last school day held in May in lieu of a June enrollment.

(e)(i) Funding provided in part V of this act is sufficient to provide each full-time equivalent student with the minimum hours of instruction required under RCW 28A.150.220.

(ii) The office of the superintendent of public instruction shall align the agency rules defining a full-time equivalent student with the increase in the minimum instructional hours under RCW 28A.150.220, as amended by the legislature in 2014.

(f) The superintendent shall adopt rules requiring school districts to report full-time equivalent student enrollment as provided in RCW 28A.655.210.

(g) For the 2021-22 and 2022-23 school years, school districts must report to the office of the superintendent of public instruction the monthly actual average district-wide class size across each grade level of kindergarten, first grade, second grade, and third grade classes. The superintendent of public instruction shall report this information to the education and fiscal committees of the house of representatives and the senate by September 30th of each year.

(2) CERTIFICATED INSTRUCTIONAL STAFF ALLOCATIONS

Allocations for certificated instructional staff salaries for the 2021-22 and 2022-23 school years are determined using formula-generated staff units calculated pursuant to this subsection.

(a) Certificated instructional staff units, as defined in RCW 28A.150.410, shall be allocated to reflect the minimum class size allocations, requirements, and school prototypes assumptions as provided in RCW 28A.150.260. The superintendent shall make allocations to school districts based on the district's annual average full-time equivalent student enrollment in each grade.

(b) Additional certificated instructional staff units provided in this subsection (2) that exceed the minimum requirements in RCW 28A.150.260 are enhancements outside the program of basic education, except as otherwise provided in this section.

(c)(i) The superintendent shall base allocations for each level of prototypical school, including those at which more than fifty percent of the students were eligible for free and reduced-price meals in the prior school year, on the following regular education average class size of full-time equivalent students per teacher, except as provided in (c)(ii) of this subsection:

General education class size:

Grade	RCW 28A.150.260	2021-22 School Year	2022-23 School Year
Grade K		17.00	17.00
Grade 1		17.00	17.00
Grade 2		17.00	17.00
Grade 3		17.00	17.00
Grade 4		27.00	27.00
Grades 5-6		27.00	27.00
Grades 7-8		28.53	28.53
Grades 9-12		28.74	28.74

The superintendent shall base allocations for: Laboratory science average class size as provided in RCW 28A.150.260; career and technical education (CTE) class size of 23.0; and skill center program class size of 19. Certificated instructional staff units provided for skills centers that exceed the minimum requirements of RCW 28A.150.260 achieve class size reductions under RCW 28A.400.007 and are part of the state's program of basic education.

(ii) Pursuant to RCW 28A.150.260(4)(a), the assumed teacher planning period, expressed as a percentage of a teacher work day, is 13.42 percent in grades K-6, and 16.67 percent in grades 7-12; and

(iii) Advanced placement and international baccalaureate courses are funded at the same class size assumptions as general education schools in the same grade; and

(d)(i) Funding for teacher librarians, school nurses, social workers, school psychologists, and guidance counselors is allocated based on the school prototypes as provided in RCW 28A.150.260, as amended by Second Substitute House Bill No. 1664 (schools/support funding), and is considered certificated instructional staff, except as provided in (d)(ii) of this subsection.

(ii)(A) For the twenty schools with the lowest overall school score for all students in the 2018-19 school year, as determined by the Washington school improvement framework among elementary schools, middle schools, and other schools not serving students up to twelfth grade, having enrollments greater than one hundred fifty students, in addition to the allocation under (d)(i) of this subsection the superintendent shall allocate additional funding for guidance counselors for each level of prototypical school in the 2021-22 school year as follows:

	Elementary	Middle
Guidance counselors	0.307	0.512

To receive additional allocations under this subsection (2)(d)(ii)(A), a school eligible to receive the allocation must have demonstrated actual staffing for guidance counselors for its prototypical school level that meets or exceeds the staffing for guidance counselors in (d)(i) of this subsection and this subsection (2)(d)(ii)(A) for its prototypical school level. School districts must distribute the additional guidance counselors allocation in this subsection to the schools that generate the allocation. The enhancement within this subsection is not part of the state's program of basic education.

(B) For qualifying high-poverty schools in the 2022-23 school year, at which more than 50 percent of the students were eligible for free and reduced-price meals in the prior school year, in addition to the allocation under (d)(i) of this subsection, the superintendent shall allocate additional funding for guidance counselors for each level of prototypical school as follows:

	Elementary	Middle	High
Guidance counselors	0.333	0.333	0.333

(C) Students in approved career and technical education and skill center programs generate certificated instructional staff units to provide for the services of teacher librarians, school nurses, social workers, school psychologists, and guidance counselors at the following combined rate per 1000 student full-time equivalent enrollment:

	2021-22 School Year	2022-23 School Year
Career and Technical Education	3.07	3.35
Skill Center	3.41	3.69

(3) ADMINISTRATIVE STAFF ALLOCATIONS

(a) Allocations for school building-level certificated administrative staff salaries for the 2021-22 and 2022-23 school years for general education students are determined using the formula generated staff units calculated pursuant to this subsection. The superintendent shall make allocations to school districts based on the district's annual average full-time equivalent enrollment in each grade. The following prototypical school values shall determine the allocation for principals, assistant principals, and other certificated building level administrators:

Prototypical School Building:

Elementary School	1.253
Middle School	1.353
High School	1.880

(b) Students in approved career and technical education and skill center programs generate certificated school building-level administrator staff units at per student rates that are a multiple of the general education rate in (a) of this subsection by the following factors:

Career and Technical Education students.	1.025
Skill Center students.	1.198

(4) CLASSIFIED STAFF ALLOCATIONS

Allocations for classified staff units providing school building-level and district-wide support services for the 2021-22 and 2022-23 school years are determined using the formula-generated staff units provided in RCW 28A.150.260 and pursuant to this subsection, and adjusted based on each district's annual average full-time equivalent student enrollment in each grade.

(5) CENTRAL OFFICE ALLOCATIONS

In addition to classified and administrative staff units allocated in subsections (3) and (4) of this section, classified and administrative staff units are provided for the 2021-22 and 2022-23 school years for the central office administrative costs of operating a school district, at the following rates:

(a) The total central office staff units provided in this subsection (5) are calculated by first multiplying the total number of eligible certificated instructional, certificated administrative, and classified staff units providing school-based or district-wide support services, as identified in RCW 28A.150.260(6)(b) and the increased allocations provided pursuant to subsections (2) and (4) of this section, by 5.3 percent.

(b) Of the central office staff units calculated in (a) of this subsection, 74.53 percent are allocated as classified staff units, as generated in subsection (4) of this section, and 25.48 percent shall be allocated as administrative staff units, as generated in subsection (3) of this section.

(c) Staff units generated as enhancements outside the program of basic education to the minimum requirements of RCW 28A.150.260, and staff units generated by skill center and career-technical students, are excluded from the total central office staff units calculation in (a) of this subsection.

(d) For students in approved career-technical and skill center programs, central office classified units are allocated at the same staff unit per student rate as those generated for general education students of the same grade in this subsection (5), and central office administrative staff units are allocated at staff unit per student rates that exceed the general education rate established for students in the same grade in this subsection (5) by 12.58 percent in the 2021-22 school year and ((12.11))12.04 percent in the 2022-23 school year for career and technical education students, and 17.92 percent in the 2021-22 school year and ((17.42))17.35 percent in the 2022-23 school year for skill center students.

(6) FRINGE BENEFIT ALLOCATIONS

Fringe benefit allocations shall be calculated at a rate of 22.71 percent in the 2021-22 school year and 22.98 percent in the 2022-23 school year for certificated salary allocations provided under subsections (2), (3), and (5) of this section, and a rate of 22.75 percent in the 2021-22 school year and ((22.80))22.94 percent in the 2022-23 school year for classified salary allocations provided under subsections (4) and (5) of this section.

(7) INSURANCE BENEFIT ALLOCATIONS

Insurance benefit allocations shall be calculated at the rates specified in section 506 of this act, based on the number of benefit units determined as follows: Except for nonrepresented employees of educational service districts, the number of calculated benefit units determined below. Calculated benefit units are staff units multiplied by the benefit allocation factors established in the collective bargaining agreement referenced in section 934 of this act. These factors are intended to adjust allocations so that, for the purpose of distributing insurance benefits, full-time equivalent employees may be calculated on the basis of 630 hours of work per year, with no individual employee counted as more than one full-time equivalent. The number of benefit units is determined as follows:

(a) The number of certificated staff units determined in subsections (2), (3), and (5) of this section multiplied by 1.02; and

(b) The number of classified staff units determined in subsections (4) and (5) of this section multiplied by 1.43.

(8) MATERIALS, SUPPLIES, AND OPERATING COSTS (MSOC) ALLOCATIONS

Funding is allocated per annual average full-time equivalent student for the materials, supplies, and operating costs (MSOC) incurred by school districts, consistent with the requirements of RCW 28A.150.260.

(a)(i) MSOC funding for general education students are allocated at the following per student rates:

MSOC RATES/STUDENT FTE

MSOC Component	2021-22 School Year	2022-23 School Year
Technology	\$140.84	\$173.59
Utilities and Insurance	\$382.70	\$403.75

Curriculum and Textbooks	\$151.22	\$159.54
Other Supplies	\$299.50	\$316.73
Library Materials	\$21.54	\$21.97
Instructional Professional Development for Certificated and Classified Staff	\$23.39	\$24.67
Facilities Maintenance	\$189.59	\$200.02
Security and Central Office	\$131.35	\$138.57
TOTAL MSOC/STUDENT FTE	\$1,340.13	\$1,438.84

(ii) For the 2021-22 school year and 2022-23 school year, as part of the budget development, hearing, and review process required by chapter 28A.505 RCW, each school district must disclose: (A) The amount of state funding to be received by the district under (a) and (d) of this subsection (8); (B) the amount the district proposes to spend for materials, supplies, and operating costs; (C) the difference between these two amounts; and (D) if (A) of this subsection (8)(a)(ii) exceeds (B) of this subsection (8)(a)(ii), any proposed use of this difference and how this use will improve student achievement.

(iii) Within the amount provided in (a)(i) of this subsection (8), allocations for MSOC technology in excess of RCW 28A.150.260 are not part of the state's basic education.

(b) Students in approved skill center programs generate per student FTE MSOC allocations of \$1,585.55 for the 2021-22 school year and \$1,672.76 for the 2022-23 school year.

(c) Students in approved exploratory and preparatory career and technical education programs generate per student FTE MSOC allocations of \$1,585.55 for the 2021-22 school year and \$1,672.76 for the 2022-23 school year.

(d) Students in grades 9-12 generate per student FTE MSOC allocations in addition to the allocations provided in (a) through (c) of this subsection at the following rate:

MSOC Component	2021-22 School Year	2022-23 School Year
Technology	\$40.50	\$42.72
Curriculum and Textbooks	\$44.18	\$46.61
Other Supplies	\$86.06	\$90.79
Library Materials	\$5.99	\$6.32
Instructional Professional Development for Certificated and Classified Staff	\$7.36	\$7.77
TOTAL GRADE 9-12 BASIC EDUCATION MSOC/STUDENT FTE	\$184.09	\$194.21

(9) SUBSTITUTE TEACHER ALLOCATIONS

For the 2021-22 and 2022-23 school years, funding for substitute costs for classroom teachers is based on four (4) funded substitute days per classroom teacher unit generated under subsection (2) of this section, at a daily substitute rate of \$151.86.

(10) ALTERNATIVE LEARNING EXPERIENCE PROGRAM FUNDING

(a) Amounts provided in this section from July 1, 2021, to August 31, 2021, are adjusted to reflect provisions of chapter 357, Laws of 2020, as amended (allocation of funding for students enrolled in alternative learning experiences).

(b) The superintendent of public instruction shall require all districts receiving general apportionment funding for alternative learning experience (ALE) programs as defined in WAC 392-121-182 to provide separate financial accounting of expenditures for the ALE programs offered in district or with a provider, including but not limited to private companies and multidistrict cooperatives, as well as accurate, monthly headcount and FTE enrollment claimed for basic education, including separate counts of resident and nonresident students.

(11) DROPOUT REENGAGEMENT PROGRAM

The superintendent shall adopt rules to require students claimed for general apportionment funding based on enrollment in dropout reengagement programs authorized under RCW 28A.175.100 through 28A.175.115 to meet requirements for at least weekly minimum instructional contact, academic counseling, career counseling, or case management contact. Districts must also provide separate financial accounting of expenditures for the programs offered by the district or under contract with a provider, as well as accurate monthly headcount and full-time equivalent enrollment claimed for basic education, including separate enrollment counts of resident and nonresident students.

(12) ALL DAY KINDERGARTEN PROGRAMS

((a)) Funding in this section is sufficient to fund all day kindergarten programs in all schools in the 2021-22 school year and 2022-23 school year, pursuant to RCW 28A.150.220 and 28A.150.315.

(13) ADDITIONAL FUNDING FOR SMALL SCHOOL DISTRICTS AND REMOTE AND NECESSARY PLANTS

For small school districts and remote and necessary school plants within any district which have been judged to be remote and necessary by the superintendent of public instruction, additional staff units are provided to ensure a minimum level of staffing support. Additional administrative and certificated instructional staff units provided to districts in this subsection shall be reduced by the general education staff units, excluding career and technical education and skills center enhancement units, otherwise provided in subsections (2) through (5) of this section on a per district basis.

(a) For districts enrolling not more than twenty-five average annual full-time equivalent students in grades K-8, and for small school plants within any school district which have been judged to be remote and necessary by the superintendent of public instruction and enroll not more than twenty-five average annual full-time equivalent students in grades K-8:

(i) For those enrolling no students in grades 7 and 8, 1.76 certificated instructional staff units and 0.24 certificated administrative staff units for enrollment of not more than five students, plus one-twentieth of a certificated instructional staff unit for each additional student enrolled; and

(ii) For those enrolling students in grades 7 or 8, 1.68 certificated instructional staff units and 0.32 certificated administrative staff units for enrollment of not more than five students, plus one-tenth of a certificated instructional staff unit for each additional student enrolled;

(b) For specified enrollments in districts enrolling more than twenty-five but not more than one hundred average annual full-time equivalent students in grades K-8, and for small school plants within any school district which enroll more than twenty-five average annual full-time equivalent students in grades K-8 and have been judged to be remote and necessary by the superintendent of public instruction:

(i) For enrollment of up to sixty annual average full-time equivalent students in grades K-6, 2.76 certificated instructional staff units and 0.24 certificated administrative staff units; and

(ii) For enrollment of up to twenty annual average full-time equivalent students in grades 7 and 8, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units;

(c) For districts operating no more than two high schools with enrollments of less than three hundred average annual full-time equivalent students, for enrollment in grades 9-12 in each such school, other than alternative schools, except as noted in this subsection:

(i) For remote and necessary schools enrolling students in any grades 9-12 but no more than twenty-five average annual full-time equivalent students in grades K-12, four and one-half certificated instructional staff units and one-quarter of a certificated administrative staff unit;

(ii) For all other small high schools under this subsection, nine certificated instructional staff units and one-half of a certificated administrative staff unit for the first sixty average annual full-time equivalent students, and additional staff units based on a ratio of 0.8732 certificated instructional staff units and 0.1268 certificated administrative staff units per each additional forty-three and one-half average annual full-time equivalent students;

(iii) Districts receiving staff units under this subsection shall add students enrolled in a district alternative high school and any grades nine through twelve alternative learning experience programs with the small high school enrollment for calculations under this subsection;

(d) For each nonhigh school district having an enrollment of more than seventy annual average full-time equivalent students and less than one hundred eighty students, operating a grades K-8 program or a grades 1-8 program, an additional one-half of a certificated instructional staff unit;

(e) For each nonhigh school district having an enrollment of more than fifty annual average full-time equivalent students and less than one hundred eighty students, operating a grades K-6 program or a grades 1-6 program, an additional one-half of a certificated instructional staff unit;

(f)(i) For enrollments generating certificated staff unit allocations under (a) through (e) of this subsection, one classified staff unit for each 2.94 certificated staff units allocated under such subsections;

(ii) For each nonhigh school district with an enrollment of more than fifty annual average full-time equivalent students and less than one hundred eighty students, an additional one-half of a classified staff unit; and

(g) School districts receiving additional staff units to support small student enrollments and remote and necessary plants under this subsection (13) shall generate additional MSOC allocations consistent with the nonemployee related costs (NERC) allocation formula in place for the 2010-11 school year as provided section 502, chapter 37, Laws of 2010 1st sp. sess. (2010 supplemental budget), adjusted annually for inflation.

(14) Any school district board of directors may petition the superintendent of public instruction by submission of a resolution adopted in a public meeting to reduce or delay any portion of its basic education allocation for any school year. The superintendent of public instruction shall approve such reduction or delay if it does not impair the district's financial condition. Any delay shall not be for more than two school years. Any reduction or

delay shall have no impact on levy authority pursuant to RCW 84.52.0531 and local effort assistance pursuant to chapter 28A.500 RCW.

(15) The superintendent may distribute funding for the following programs outside the basic education formula during fiscal years 2022 and 2023 as follows:

(a) \$650,000 of the general fund—state appropriation for fiscal year 2022 and \$650,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for fire protection for school districts located in a fire protection district as now or hereafter established pursuant to chapter 52.04 RCW.

(b) \$436,000 of the general fund—state appropriation for fiscal year 2022 and \$436,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for programs providing skills training for secondary students who are enrolled in extended day school-to-work programs, as approved by the superintendent of public instruction. The funds shall be allocated at a rate not to exceed \$500 per full-time equivalent student enrolled in those programs.

(16) Funding in this section is sufficient to fund a maximum of 1.6 FTE enrollment for skills center students pursuant to chapter 463, Laws of 2007.

(17) Funding in this section is sufficient to fund a maximum of 1.2 FTE enrollment for career launch students pursuant to RCW 28A.700.130. Expenditures for this purpose must come first from the appropriations provided in section 501(5) of this act; funding for career launch enrollment exceeding those appropriations is provided in this section. The office of the superintendent of public instruction shall provide a summary report to the office of the governor and the appropriate committees of the legislature by January 1, 2022. The report must include the total FTE enrollment for career launch students, the FTE enrollment for career launch students that exceeded the appropriations provided in section 501(5) of this act, and the amount expended from this section for those students.

(18) Students participating in running start programs may be funded up to a combined maximum enrollment of 1.2 FTE including school district and institution of higher education enrollment consistent with the running start course requirements provided in chapter 202, Laws of 2015 (dual credit education opportunities). In calculating the combined 1.2 FTE, the office of the superintendent of public instruction may average the participating student's September through June enrollment to account for differences in the start and end dates for courses provided by the high school and higher education institution. Additionally, the office of the superintendent of public instruction, in consultation with the state board for community and technical colleges, the student achievement council, and the education data center, shall annually track and report to the fiscal committees of the legislature on the combined FTE experience of students participating in the running start program, including course load analyses at both the high school and community and technical college system. The office of the superintendent of public instruction must adopt rules to fund the participating student's enrollment in running start courses during the summer term.

(19) If two or more school districts consolidate and each district was receiving additional basic education formula staff units pursuant to subsection (13) of this section, the following apply:

(a) For three school years following consolidation, the number of basic education formula staff units shall not be less than the number of basic education formula staff units received by the districts in the school year prior to the consolidation; and

(b) For the fourth through eighth school years following consolidation, the difference between the basic education formula staff units received by the districts for the school year prior to consolidation and the basic education formula staff units after consolidation pursuant to subsection (13) of this section shall be reduced in increments of twenty percent per year.

(20)(a) Indirect cost charges by a school district to approved career and technical education middle and secondary programs shall not exceed the lesser of five percent or the cap established in federal law of the combined basic education and career and technical education program enhancement allocations of state funds. Middle and secondary career and technical education programs are considered separate programs for funding and financial reporting purposes under this section.

(b) Career and technical education program full-time equivalent enrollment shall be reported on the same monthly basis as the enrollment for students eligible for basic support, and payments shall be adjusted for reported career and technical education program enrollments on the same monthly basis as those adjustments for enrollment for students eligible for basic support.

(21) Funding in this section is sufficient to provide full general apportionment payments to school districts eligible for federal forest revenues as provided in RCW 28A.520.020. For the 2021-2023 biennium, general apportionment payments are not reduced for school districts receiving federal forest revenues.

(22) \$16,211,000 of the general fund—state appropriation for fiscal year 2022 is provided solely to ensure that school districts receive at least \$500 per pupil for COVID-19 relief funding when combined with federal relief dollars. These funds are one-time allocations to school districts and may be used according to the allowable uses defined in section 2001(2)(e) of the American rescue plan act of 2021, P.L. 117-2. Prior to receiving funds, a school district must submit an academic and student well-being recovery plan to the office of the superintendent of public instruction as required in section 12(3), chapter 3, Laws of 2021, and must also report progress on implementing the plan in a manner identified by the superintendent.

(a) The office of the superintendent of public instruction must calculate a relief per pupil amount for each district defined as: The quotient from dividing the total funding allocated to each district from the federal relief funds, as defined in (b) of this subsection, by a school district's total enrollment as defined in (c) of this subsection. A school district with a relief per pupil amount less than \$500 shall receive the difference between \$500 and the relief per pupil amount, multiplied by the school district's total enrollment.

(b) For the purposes of this subsection, federal relief funds allocated to school districts include:

(i) Subgrants authorized under section 18003, the coronavirus aid, relief, and economic security act, P.L. 116-136;

(ii) Subgrants authorized under section 313, the coronavirus response and relief supplemental appropriations act, P.L. 116-260; and

(iii) Subgrants authorized under section 2001, the American rescue plan act of 2021, P.L. 117-2.

(c) For the purposes of this subsection, a school district's total enrollment means the district's 2019-20 school year annual average full-time equivalent student enrollment, excluding full-time equivalent student enrollments for which funds are separately calculated and allocated under RCW 28A.232.020, 28A.600.310(4), 28A.245.020, and 28A.175.110.

(d) For the purposes of this subsection, this subsection applies to state-tribal compact schools established under chapter 28A.715 RCW.

(23) \$14,859,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for enrollment stabilization allocations required in section 1519 of this act.

(24) \$566,000 of the general fund—state appropriation for fiscal year 2022, \$250,000 of the general fund—state appropriation for fiscal year 2023, and \$204,000 of the general fund—federal appropriation (CRRSA/ESSER) are provided solely for an enrollment stabilization allocation for the Washington youth academy national guard youth challenge program. Federal funding is provided in response to the COVID-19 pandemic as authorized in subsection 313(e), the coronavirus response and relief supplemental appropriations act, P.L. 116-260, division M.

(25) (~~(\$280,875,000)~~)\$258,048,000 of the coronavirus state fiscal recovery fund—federal appropriation is provided solely for enrollment stabilization allocations pursuant to Substitute House Bill No. 1590 (enrollment stabilization). If the bill is not enacted by June 30, 2022, the amounts provided in this subsection shall lapse.

(26) (~~(\$145,489,000)~~)\$87,469,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Second Substitute House Bill No. 1664 (schools/support funding). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

Sec. 1503. 2022 c 297 s 505 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—BASIC EDUCATION EMPLOYEE COMPENSATION

(1) The following calculations determine the salaries used in the state allocations for certificated instructional, certificated administrative, and classified staff units as provided in RCW 28A.150.260, and under section 504 of this act: For the 2021-22 school year and the 2022-23 school year salary allocations for certificated instructional staff, certificated administrative staff, and classified staff units are determined for each school district by multiplying the statewide minimum salary allocation for each staff type by the school district's regionalization factor shown in LEAP Document 3.

Statewide Minimum Salary Allocation

Staff Type	2021-22 School Year	2022-23 School Year
Certificated Instructional	\$68,937	\$72,728
Certificated Administrative	\$102,327	\$107,955
Classified	\$49,453	\$52,173

(2) For the purposes of this section, "LEAP Document 3" means the school district regionalization factors for certificated instructional, certificated administrative, and classified staff, as developed by the legislative evaluation and accountability program committee on February 18, 2022, at 6:09 hours.

(3) Incremental fringe benefit factors are applied to salary adjustments at a rate of 22.07 percent for school year 2021-22 and 22.34 percent for school year 2022-23 for certificated instructional and certificated administrative staff and 19.25 percent for school year 2021-22 and (~~(19.30)~~)19.44 percent for the 2022-23 school year for classified staff.

(4) The salary allocations established in this section are for allocation purposes only except as provided in this subsection, and do not entitle an individual staff position to a particular paid salary except as provided in RCW 28A.400.200, as amended by chapter 13, Laws of 2017 3rd sp. sess. (fully funding the program of basic education).

Sec. 1504. 2022 c 297 s 506 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—FOR SCHOOL EMPLOYEE COMPENSATION ADJUSTMENTS

General Fund—State Appropriation (FY 2022)	\$97,080,000
General Fund—State Appropriation (FY 2023)	((\$580,811,000))
	<u>\$572,305,000</u>
Coronavirus State Fiscal Recovery Fund—Federal Appropriation	\$1,720,000
TOTAL APPROPRIATION	((\$679,611,000)) <u>\$671,105,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) The salary increases provided in this section are 2.0 percent for the 2021-22 school year, and 5.5 percent for the 2022-23 school year, the annual inflationary adjustments pursuant to RCW 28A.400.205.

(2) (a) In addition to salary allocations, the appropriations in this section include funding for professional learning as defined in RCW 28A.415.430, 28A.415.432, and 28A.415.434. Funding for this purpose is calculated as the equivalent of three days of salary and benefits for each of the funded full-time equivalent certificated instructional staff units. Nothing in this section entitles an individual certificated instructional staff to any particular number of professional learning days.

(b) Of the funding provided for professional learning in this section, the equivalent of one day of salary and benefits for each of the funded full-time equivalent certificated instructional staff units in the 2021-22 school year must be used to train school district staff on cultural competency, diversity, equity, or inclusion, as required in chapter 197, Laws of 2021.

(3) (a) The appropriations in this section include associated incremental fringe benefit allocations at 22.07 percent for the 2021-22 school year and 22.34 percent for the 2022-23 school year for certificated instructional and certificated administrative staff and 19.25 percent for the 2021-22 school year and 19.30 percent for the 2022-23 school year for classified staff.

(b) The appropriations in this section include the increased or decreased portion of salaries and incremental fringe benefits for all relevant state-funded school programs in part V of this act. Changes for general apportionment (basic education) are based on the salary allocations and methodology in sections 504 and 505 of this act. Changes for special education result from changes in each district's basic education allocation per student. Changes for educational service districts and institutional education programs are determined by the superintendent of public instruction using the methodology for general apportionment salaries and benefits in sections 504 and 505 of this act. Changes for pupil transportation are determined by the superintendent of public instruction pursuant to RCW 28A.160.192, and impact compensation factors in sections 504, 505, and 506 of this act.

(c) The appropriations in this section include no salary adjustments for substitute teachers.

(4) The appropriations in this section are sufficient to fund the collective bargaining agreement referenced in section 934 of this act and reflect the incremental change in cost of allocating rates as follows: For the 2021-22 school year, \$968 per month and for the 2022-23 school year, \$1,026 per month.

(5) When bargaining for funding for school employees health benefits for the 2021-2023 fiscal biennium, any proposal agreed upon must assume the imposition of a twenty-five dollar per month surcharge payment from members who use tobacco products and a surcharge payment of not less than fifty dollars per month from members who cover a spouse or domestic partner where the spouse or domestic partner has chosen not to enroll in another employer-based group health insurance that has benefits and premiums with an actuarial value of not less than ninety-five percent of the actuarial value of the public employees' benefits board plan with the largest enrollment. The surcharge payments shall be collected in addition to the member premium payment.

(6) The rates specified in this section are subject to revision each year by the legislature.

Sec. 1505. 2022 c 297 s 507 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—FOR PUPIL TRANSPORTATION

General Fund—State Appropriation (FY 2022)	\$605,160,000
General Fund—State Appropriation (FY 2023)	((\$672,475,000))
	<u>\$729,427,000</u>
TOTAL APPROPRIATION	((\$1,277,635,000)) <u>\$1,334,587,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) Each general fund fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(2) (a) For the 2021-22 and 2022-23 school years, the superintendent shall allocate funding to school district programs for the transportation of eligible students as provided in RCW 28A.160.192. Funding in this section constitutes full implementation of RCW

28A.160.192, which enhancement is within the program of basic education. Students are considered eligible only if meeting the definitions provided in RCW 28A.160.160.

(b) From July 1, 2021, to August 31, 2021, the superintendent shall allocate funding to school districts programs for the transportation of students as provided in section 506, chapter 357, Laws of 2020, as amended.

(3) Within amounts appropriated in this section, up to \$10,000,000 of the general fund—state appropriation for fiscal year 2022 and up to \$10,000,000 of the general fund—state appropriation for fiscal year 2023 are for a transportation alternate funding grant program based on the alternate funding process established in RCW 28A.160.191. The superintendent of public instruction must include a review of school district efficiency rating, key performance indicators and local school district characteristics such as unique geographic constraints in the grant award process.

(4) A maximum of \$939,000 of the general fund—state appropriation for fiscal year 2022 and a maximum of \$939,000 of the general fund—state appropriation for fiscal year 2023 may be expended for regional transportation coordinators and related activities. The transportation coordinators shall ensure that data submitted by school districts for state transportation funding shall, to the greatest extent practical, reflect the actual transportation activity of each district.

(5) Subject to available funds under this section, school districts may provide student transportation for summer skills center programs.

(6) The office of the superintendent of public instruction shall provide reimbursement funding to a school district for school bus purchases only after the superintendent of public instruction determines that the school bus was purchased from the list established pursuant to RCW 28A.160.195(2) or a comparable competitive bid process based on the lowest price quote based on similar bus categories to those used to establish the list pursuant to RCW 28A.160.195.

(7) The superintendent of public instruction shall base depreciation payments for school district buses on the presales tax five-year average of lowest bids in the appropriate category of bus. In the final year on the depreciation schedule, the depreciation payment shall be based on the lowest bid in the appropriate bus category for that school year.

(8) Funding levels in this section reflect waivers granted by the state board of education for four-day school weeks as allowed under RCW 28A.305.141.

(9) The office of the superintendent of public instruction shall annually disburse payments for bus depreciation in August.

(10) The superintendent must provide student transportation allocations for the 2021-22 school year equal to the greater of allocations provided in the 2019-20 school year or the student transportation allocations calculated under RCW 28A.160.192. These allocations satisfy the formula requirements for transportation allocations under RCW 28A.160.192.

(11) \$29,745,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for transportation emergency allocations required in section 1504(12) of this act.

(12)(a) \$13,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the superintendent to provide transportation safety net funding to school districts with a demonstrated need for additional transportation funding for special passengers. Transportation safety net awards shall only be provided when a school district's allowable transportation expenditures attributable to serving special passengers exceeds the amount allocated under subsection (2)(a) of this section and any excess transportation costs reimbursed by federal, state, tribal, or local child welfare agencies.

(b) To be eligible for additional transportation safety net award funding, the school district must report, in accordance with statewide accounting guidance, the amount of the excess costs and the specific activities or services provided to special passengers that created the excess costs. The office of the superintendent of public instruction must request from school districts an application for transportation safety net funding no later than May 1st. The application must contain the school district's anticipated excess costs through the end of the current school year.

(c) Transportation safety net awards allocated under this subsection are not part of the state's program of basic education.

Sec. 1506. 2022 c 297 s 508 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—SCHOOL FOOD SERVICES

General Fund—State Appropriation (FY 2022)	\$11,667,000
General Fund—State Appropriation (FY 2023)	((\$33,334,000))

	<u>\$788,702,000</u>
TOTAL APPROPRIATION	((\$618,247,000))
	<u>\$860,203,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$11,548,000 of the general fund—state appropriation for fiscal year 2022 and \$11,548,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for state matching money for federal child nutrition programs, and may support the meals for kids program through the following allowable uses:

(a) Elimination of breakfast copays for eligible public school students and lunch copays for eligible public school students in grades pre-kindergarten through twelfth grades who are

eligible for reduced-price lunch as required in Engrossed House Bill No. 1342 (reduced-price lunch copays);

(b) Assistance to school districts and authorized public and private nonprofit organizations for supporting summer food service programs, and initiating new summer food service programs in low-income areas;

(c) Reimbursements to school districts for school breakfasts served to students eligible for free and reduced-price lunch, pursuant to chapter 287, Laws of 2005; and

(d) Assistance to school districts in initiating and expanding school breakfast programs.

(2) The office of the superintendent of public instruction shall report annually to the fiscal committees of the legislature on annual expenditures in subsection (1)(a) through (c) of this section.

(3) The superintendent of public instruction shall provide the department of health with the following data, where available, for all nutrition assistance programs that are funded with the United States department of agriculture and administered by the office of the superintendent of public instruction. The superintendent must provide the report for the preceding federal fiscal year by February 1, 2022, and February 1, 2023. The report must provide:

(a) The number of people in Washington who are eligible for the program;

(b) The number of people in Washington who participated in the program;

(c) The average annual participation rate in the program;

(d) Participation rates by geographic distribution; and

(e) The annual federal funding of the program in Washington.

(4) (a) (~~(\$21,500,000)~~) \$48,167,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for reimbursements to school districts for schools and groups of schools required to participate in the federal community eligibility program under section 1, chapter 7, Laws of 2022 (schools/comm. eligibility) for meals not reimbursed at the federal free meal rate. If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(b) \$119,000 of the general fund—state appropriation for fiscal year 2022 and \$286,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of chapter 271, Laws of 2018 (school meal payment) to increase the number of schools participating in the federal community eligibility program and to support breakfast after the bell programs authorized by the legislature that have adopted the community eligibility provision, and for staff at the office of the superintendent of public instruction to implement section 1, chapter 7, Laws of 2022 (schools/comm. eligibility).

(5) \$14,200,000 of the general fund—federal appropriation (CRRSA) is provided solely for emergency costs for child nutrition programs provided under section 722 of P.L. 116-260, the consolidated appropriations act, 2021, title VII, chapter 3 to school food programs.

(6) (~~(\$18,223,000)~~) \$27,073,000 of the general fund—federal appropriation is provided solely for reimbursement of local education agencies expenditures for the acquisition of unprocessed or minimally processed domestic food products from the United States department of agriculture supply chain assistance funds authorized by the commodity credit corporation charter act of 2021.

(7) \$3,645,000 of the general fund—federal appropriation is provided solely for food assistance purchases of domestic local foods for distribution to schools from the United States department of agriculture local food for schools cooperative agreement program authorized by the commodity credit corporation charter act of 2021.

Sec. 1507. 2022 c 297 s 509 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—FOR SPECIAL EDUCATION PROGRAMS

General Fund—State Appropriation (FY 2022)	\$1,464,854,000
General Fund—State Appropriation (FY 2023)	((\$1,459,576,000))
	<u>\$1,487,468,000</u>
General Fund—Federal Appropriation	\$571,229,000
Education Legacy Trust Account—State Appropriation	\$54,694,000
Elementary and Secondary School Emergency Relief III Account—Federal Appropriation	\$7,000,000
TOTAL APPROPRIATION	(\$3,557,353,000)
	<u>\$3,585,245,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) (a) Funding for special education programs is provided on an excess cost basis, pursuant to RCW 28A.150.390. School districts shall ensure that special education students as a class receive their full share of the general apportionment allocation accruing through sections 504 and 506 of this act. To the extent a school district cannot provide an appropriate education for special education students under chapter 28A.155 RCW through the general apportionment allocation, it shall provide services through the special education excess cost allocation funded in this section.

(b) Funding provided within this section is sufficient for districts to provide school principals and lead special education teachers annual professional development on the best-practices for special education instruction and strategies for implementation. Districts shall annually provide a summary of professional development activities to the office of the superintendent of public instruction.

(2) (a) The superintendent of public instruction shall ensure that:

- (i) Special education students are basic education students first;
 - (ii) As a class, special education students are entitled to the full basic education allocation; and
 - (iii) Special education students are basic education students for the entire school day.
- (b) The superintendent of public instruction shall continue to implement the full cost method of excess cost accounting, as designed by the committee and recommended by the superintendent, pursuant to section 501(1)(k), chapter 372, Laws of 2006.
- (3) Each fiscal year appropriation includes such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.
- (4) (a) For the 2021-22 and 2022-23 school years, the superintendent shall allocate funding to school district programs for special education students as provided in RCW 28A.150.390, except that the calculation of the base allocation also includes allocations provided under section 504 (2) and (4) of this act and RCW 28A.150.415, which enhancement is within the program of basic education.
- (b) From July 1, 2021, to August 31, 2021, the superintendent shall allocate funding to school district programs for special education students as provided in section 507, chapter 357, Laws of 2020, as amended.
- (5) The following applies throughout this section: The definitions for enrollment and enrollment percent are as specified in RCW 28A.150.390(3). Each district's general fund—state funded special education enrollment shall be the lesser of the district's actual enrollment percent or 13.5 percent.
- (6) At the request of any interdistrict cooperative of at least 15 districts in which all excess cost services for special education students of the districts are provided by the cooperative, the maximum enrollment percent shall be calculated in accordance with RCW 28A.150.390(3) (c) and (d), and shall be calculated in the aggregate rather than individual district units. For purposes of this subsection, the average basic education allocation per full-time equivalent student shall be calculated in the aggregate rather than individual district units.
- (7) \$76,334,000 of the general fund—state appropriation for fiscal year 2022, (~~(\$91,192,000)~~) \$106,931,000 of the general fund—state appropriation for fiscal year 2023, and \$29,574,000 of the general fund—federal appropriation are provided solely for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided in subsection (4) of this section. If the federal safety net awards based on the federal eligibility threshold exceed the federal appropriation in this subsection (7) in any fiscal year, the superintendent shall expend all available federal discretionary funds necessary to meet this need. At the conclusion of each school year, the superintendent shall recover safety net funds that were distributed prospectively but for which districts were not subsequently eligible.
- (a) For the 2021-22 and 2022-23 school years, safety net funds shall be awarded by the state safety net oversight committee as provided in section 109(1) chapter 548, Laws of 2009 (education).
- (b) The office of the superintendent of public instruction shall make award determinations for state safety net funding in August of each school year, except that the superintendent of public instruction shall make award determinations for state safety net funding in July of each school year for the Washington state school for the blind and for the center for childhood deafness and hearing loss. Determinations on school district eligibility for state safety net awards shall be based on analysis of actual expenditure data from the current school year.
- (8) A maximum of \$1,250,000 may be expended from the general fund—state appropriations to fund teachers and aides at Seattle children's hospital. This amount is in lieu of money provided through the home and hospital allocation and the special education program.
- (9) The superintendent shall maintain the percentage of federal flow-through to school districts at 85 percent. In addition to other purposes, school districts may use increased federal funds for high-cost students, for purchasing regional special education services from educational service districts, and for staff development activities particularly relating to inclusion issues.
- (10) A school district may carry over from one year to the next year up to 10 percent of the general fund—state funds allocated under this program; however, carryover funds shall be expended in the special education program.
- (11) \$88,000 of the general fund—state appropriation for fiscal year 2022, \$87,000 of the general fund—state appropriation for fiscal year 2023, and \$214,000 of the general fund—federal appropriation are provided solely for a special education family liaison position within the office of the superintendent of public instruction.
- (12) \$5,000,000 of the general fund—state appropriation for fiscal year 2022, \$12,000,000 of the general fund—state appropriation for fiscal year 2023, and \$7,000,000 of the elementary and secondary school emergency relief III account—federal appropriation are provided solely for the office of the superintendent of public instruction to provide an allocation to school districts for extension of transition services for students with disabilities who turned age 21 during the 2019-20 or 2020-21 school years, did not graduate with a regular diploma, and require recovery services on or after July 1, 2021, as determined by the student's individualized education plan team. The extension of these services does not reduce or supplant any other services for which the individual would be eligible. Allocations for this purpose may not exceed the amounts provided in this subsection. The office of the superintendent of public instruction may adopt formulas and procedures to define a per-student amount to be provided to students that meet the criteria, so that allocations do not

exceed amounts provided in this subsection. Amounts provided in this subsection are outside the state's program of basic education.

(13)(a) \$52,704,000 of the general fund—federal appropriation (ARPA) is provided solely for allocations from federal funding as authorized in section 2014, the American rescue plan act of 2021, P.L. 117-2.

(b) \$4,411,000 of the general fund—federal appropriation (ARPA) is provided solely for providing preschool services to qualifying special education students under section 619 of the federal individuals with disabilities education act, pursuant to section 2002, the American rescue plan act of 2021, P.L. 117-2.

(14) \$7,000,000 of the general fund—state appropriation for fiscal year 2022 and \$5,000,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to support professional development in inclusionary practices for classroom teachers. The primary form of support to public school classroom teachers must be for mentors who are experts in best practices for inclusive education, differentiated instruction, and individualized instruction. Funding for mentors must be prioritized to the public schools with the highest percentage of students with individualized education programs aged three through 21 who spend the least amount of time in general education classrooms.

Sec. 1508. 2022 c 297 s 510 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION—FOR EDUCATIONAL SERVICE DISTRICTS

General Fund—State Appropriation (FY 2022)	\$28,636,000
General Fund—State Appropriation (FY 2023)	((\$30,886,000))

(6) \$1,944,000 of the general fund—state appropriation for fiscal year 2022 and \$2,090,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to increase the capacity of institutional education programs to differentiate instruction to meet students' unique educational needs, including students with individualized educational plans. Those needs may include but are not limited to one-on-one instruction, enhanced access to counseling for social emotional needs of the student, and services to identify the proper level of instruction at the time of student entry into the facility. Allocations of amounts for this purpose in a school year must be based on 45 percent of full-time enrollment in institutional education receiving a differentiated instruction amount per pupil equal to the total statewide allocation generated by the distribution formula under RCW 28A.150.260 (4) (a), (5), (6), and (8) and the allocation under RCW 28A.150.415, per the statewide full-time equivalent enrollment in common schools.

(7) \$300,000 of the general fund—state appropriation in fiscal year 2022 and \$300,000 of the general fund—state appropriation in fiscal year 2023 are provided solely to support three student records coordinators to manage the transmission of academic records for each of the long-term juvenile institutions. One coordinator is provided for each of the following: The Issaquah school district for the Echo Glen children's center, the Chehalis school district for Green Hill academic school, and the Naselle-Grays River Valley school district for Naselle youth camp school.

(8) Ten percent of the funds allocated for the institution may be carried over from one year to the next.

(9) \$588,000 of the general fund—state appropriation for fiscal year 2022 and \$897,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for one educational advocate to each institution with enrollments above 40 full-time equivalent students beginning in the 2021-22 school year in addition to any educational advocates supported by federal funding. Educational advocates will provide the following supports to students enrolled in or just released from institutional education programs:

(a) Advocacy for institutional education students to eliminate barriers to educational access and success;

(b) Consultation with juvenile rehabilitation staff to develop educational plans for and with participating youth;

(c) Monitoring educational progress of participating students;

(d) Providing participating students with school and local resources that may assist in educational access and success upon release from institutional education facilities; and

(e) Coaching students and caregivers to advocate for educational needs to be addressed at the school district upon return to the community.

(10) \$49,000 of the general fund—state appropriation for fiscal year 2022 and \$75,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to increase materials, supplies, and operating costs by \$85 per pupil beginning in the 2021-22 school year for technology supports for institutional education programs. This funding is in addition to general education materials, supplies, and operating costs provided to institutional education programs, which exclude formula costs supported by the institutional facilities.

(11) \$100,000 of the general fund—state appropriation for fiscal year 2022 and \$400,000 of the general fund—state appropriation for fiscal year 2023 are provided solely to support instruction in cohorts of students grouped by similar age and academic levels.

Sec. 1511. 2022 c 297 s 513 (uncodified) is amended to read as follows:

	<u>\$1,416,689,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) The general fund—state appropriations in this section are subject to the following conditions and limitations:

(a) The appropriations include such funds as are necessary to complete the school year ending in the fiscal year and for prior fiscal year adjustments.

(b)(i) For the 2021-22 and 2022-23 school years, the superintendent shall allocate funding to school districts for learning assistance programs as provided in RCW 28A.150.260(10)(a), except that the allocation for the additional instructional hours shall be enhanced as provided in this section, which enhancements are within the program of the

basic education. In calculating the allocations, the superintendent shall assume the following averages: (A) Additional instruction of 2.3975 hours per week per funded learning assistance program student for the 2021-22 and 2022-23 school years; (B) additional instruction of 1.1 hours per week per funded learning assistance program student for the 2021-22 and 2022-23 school years in qualifying high-poverty school building; (C) fifteen learning assistance program students per teacher; (D) 36 instructional weeks per year; (E) 900 instructional hours per teacher; and (F) the compensation rates as provided in sections 505 and 506 of this act.

(ii) From July 1, 2021, to August 31, 2021, the superintendent shall allocate funding to school districts for learning assistance programs as provided in section 515, chapter 357, Laws of 2020, as amended.

(c) A school district's funded students for the learning assistance program shall be the sum of the district's full-time equivalent enrollment in grades K-12 for the prior school year multiplied by the district's percentage of October headcount enrollment in grades K-12 eligible for free or reduced-price lunch in the prior school year. The prior school year's October headcount enrollment for free and reduced-price lunch shall be as reported in the comprehensive education data and research system.

(2) Allocations made pursuant to subsection (1) of this section shall be adjusted to reflect ineligible applications identified through the annual income verification process required by the national school lunch program, as recommended in the report of the state auditor on the learning assistance program dated February, 2010.

(3) The general fund—federal appropriation in this section is provided for Title I Part A allocations of the every student succeeds act of 2016.

(4) A school district may carry over from one year to the next up to 10 percent of the general fund—state funds allocated under this program; however, carryover funds shall be expended for the learning assistance program.

(5) Within existing resources, during the 2021-22 and 2022-23 school years, school districts are authorized to use funds allocated for the learning assistance program to also provide assistance to high school students who have not passed the state assessment in science.

(6) In addition to funding allocated under RCW 28A.150.260(10), the superintendent must allocate the following additional learning assistance program amounts to school districts from the coronavirus state fiscal recovery fund—federal appropriation:

(a) High poverty-based allocations in the 2022-23 school year for schools not eligible in the 2022-23 school year that were eligible for high poverty allocation in the previous school year.

(b) Allocations necessary to increase a school district's allocations under RCW 28A.150.260(10)(a)(i) up to an amount that would be generated based on the district's percentage of October headcount in grades K-12 eligible for free or reduced-price lunch in the 2019-20 school year if greater than the percentage allowed under RCW 28A.150.260(10)(a)(i).

(e) \$55,000 of the general fund—state appropriation for fiscal year 2022 and \$55,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for maintaining and implementing the data sharing agreement between the office, the department of children, youth, and families, and the contractors to support targeted service delivery, program evaluation, and statewide education outcomes measurement for students served under this section.

(7)(a) \$1,200,000 of the general fund—state appropriation for fiscal year 2022 and \$1,200,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of chapter 157, Laws of 2016 (homeless students).

(b) \$36,000 of the general fund—state appropriation for fiscal year 2022 and \$36,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for chapter 212, Laws of 2014 (homeless student educational outcomes).

(8) \$375,000 of the general fund—state appropriation for fiscal year 2022 and \$375,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a nonviolence and ethical leadership training and professional development program provided by the institute for community leadership.

(9)(a) \$1,425,000 of the general fund—state appropriation for fiscal year 2022 and \$1,425,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for dual language grants to grow capacity for high quality dual language learning. Grant funding may be used for new and existing dual language programs, heritage language programs for immigrant and refugee students, and indigenous language programs for native students.

(b) Each grant recipient must convene an advisory board to guide the development and continuous improvement of its dual language program, including but not limited to: Determining which schools and languages will be prioritized; conducting outreach to the community; and addressing enrollment considerations and the hiring of staff. At least half the members of the board must be parents of English learner students or current or former English learner students. The other members of the board must represent teachers, students, school leaders, governing board members, youth, and community-based organizations that support English learners.

(10)(a) \$4,940,000 of the general fund—state appropriation for fiscal year 2022 and \$4,940,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Washington state achievers scholarship and Washington higher education readiness program. The funds shall be used to: Support community involvement officers that recruit, train, and match community volunteer mentors with students selected as achievers scholars; and to identify and reduce barriers to college for low-income and underserved middle and high school students. The office may require the recipient of these funds to report the impacts of the recipient's efforts in alignment with the measures of the Washington school improvement framework.

(b) \$1,454,000 of the general fund—state appropriation for fiscal year 2022 and \$1,454,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for contracting with a college scholarship organization with expertise in conducting outreach to students concerning eligibility for the Washington college bound scholarship consistent with chapter 405, Laws of 2007. The office may require the recipient of these funds to report

the impacts of the recipient's efforts in alignment with the measures of the Washington school improvement framework.

(c) \$362,000 of the general fund—state appropriation for fiscal year 2022 and \$362,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for implementation of chapter 180, Laws of 2017 (Washington Aim program).

(11)(a) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Washington state leadership and assistance for science education reform (LASER) regional partnership activities, including instructional material purchases, teacher and principal professional development, and school and community engagement events. The office may require the recipient of these funds to report the impacts of the recipient's efforts in alignment with the measures of the Washington school improvement framework.

(b)(i) \$3,000,000 of the general fund—state appropriation for fiscal year 2022 and \$3,000,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for a statewide information technology academy program. This public-private partnership will provide educational software, as well as information technology certification and software training opportunities for students and staff in public schools for the 2021-22 and 2022-23 school years only. The office must evaluate other options that may be available in the state for a future public-private partnership to deliver similar services to students and staff of public schools at no cost to the state.

(ii) The office must require the recipient of these funds to report the impacts of the recipient's efforts in alignment with the measures of the Washington school improvement framework. The report must include the number of students served disaggregated by gender, race, ethnicity, and free-and-reduced lunch eligibility as well as the number of industry certificates attained by type of certificate.

(c) \$50,000 of the general fund—state appropriation for fiscal year 2022 and \$50,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for grants of \$2,500 to provide twenty middle and high school teachers each year with professional development training for implementing integrated math, science, technology, and engineering programs in their schools.

The office of the superintendent of public instruction must use the computer science learning standards adopted pursuant to chapter 3, Laws of 2015 (computer science) in implementing the grant, to the extent possible. Additionally, grants provided for the purpose of introducing students to computer science are intended to support innovative ways to introduce and engage students from historically underrepresented groups, including girls, low-income students, and minority students, to computer science and to inspire them to enter computer science careers. The office of the superintendent of public instruction may award up to \$500,000 each year, without a matching requirement, to districts with greater than fifty percent of students eligible for free and reduced-price meals. All other awards must be equally matched by private sources for the program, including gifts, grants, or endowments.

(e) \$750,000 of the general fund—state appropriation for fiscal year 2022 and \$750,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to contract with a qualified 501(c)(3) nonprofit community-based organization physically located in Washington state that has at least 18 years of experience collaborating with the office and school districts statewide to integrate the state learning standards in English language arts, mathematics, and science with FieldSTEM outdoor field studies and project-based and work-based learning opportunities aligned with the environmental, natural resource, and agricultural sectors. The office may require the recipient of these funds to report the impacts of the recipient's efforts in alignment with the measures of the Washington school improvement framework.

(f) \$62,000 of the general fund—state appropriation for fiscal year 2022 and \$62,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for competitive grants to school districts to increase the capacity of high schools to offer AP computer science courses. In making grant allocations, the office of the superintendent of public instruction must give priority to schools and districts in rural areas, with substantial enrollment of low-income students, and that do not offer AP computer science. School districts may apply to receive either or both of the following grants:

(i) A grant to establish partnerships to support computer science professionals from private industry serving on a voluntary basis as coinstructors along with a certificated teacher, including via synchronous video, for AP computer science courses; or

(ii) A grant to purchase or upgrade technology and curriculum needed for AP computer science, as well as provide opportunities for professional development for classroom teachers to have the requisite knowledge and skills to teach AP computer science.

(g) \$100,000 of the general fund—state appropriation for fiscal year 2022 and \$100,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Mobius science center to expand mobile outreach of science, technology, engineering, and mathematics (STEM) education to students in rural, tribal, and low-income communities.

(12) \$85,000 of the general fund—state appropriation for fiscal year 2022 and \$85,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the centrum program at Fort Worden state park.

(13) (a) \$788,000 of the general fund—state appropriation for fiscal year 2022 and \$750,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for contracts with Washington state based nonprofit organizations that provide a career-integrated one-to-one mentoring program for disadvantaged high school students facing academic and personal challenges with the goal of keeping them on track for graduation and post-high school success. The mentoring must include a focus on college readiness, career exploration and social-emotional learning. An applicant requesting funding for these dollars must successfully demonstrate to the department that it currently provides a career-integrated one-to-one volunteer mentoring program and has been mentoring high school youth for at least twenty years in the state prior to application.

(b) Of the amounts provided in this subsection, \$38,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the office to contract with a Washington-based nonprofit organization that provides one-to-one mentoring through a volunteer-supported network for disadvantaged youth facing academic and personal challenges to provide supportive services for youth who are experiencing mental and behavioral health crises due to the pandemic. Funding may also be used to assist youth mentors, and for staff who provide services to youth and their families and are experiencing secondary trauma. The organization must be affiliated with a national volunteer-supported mentoring network and have been providing one-to-one volunteer mentoring programs for at least 20 years in the state.

(14) \$250,000 of the general fund—state appropriation for fiscal year 2022 and \$250,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office to contract with an organization to create an after-school and summer learning program in the city of Federal Way. The program shall provide comprehensive, culturally competent academic support and cultural enrichment for primarily latinx, spanish-speaking, low-income sixth, seventh, and eighth grade students. The department must contract with an organization with over forty years of experience that serves the latino community in Seattle and King county and has previously established an after-school and summer learning program.

(15) \$850,000 of the general fund—state appropriation for fiscal year 2022 and \$850,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to create and administer a grant program for districts to reduce associated student body fees or participation fees for students who are eligible to participate in the federal free and reduced-price meals program. The office must distribute grants for the 2021-22 school year to school districts by August 10, 2021, and grants for the 2022-23 school year by August 1, 2022.

(a) Grant awards must be prioritized in the following order:

(i) High schools implementing the United States department of agriculture community eligibility provision;

(ii) High schools with the highest percentage of students in grades nine through twelve eligible to participate in the federal free and reduced-price meals program; and

(iii) High schools located in school districts enrolling 5,000 or fewer students.

(b) High schools that do not comply with the data collection and reporting requirements in RCW 28A.320.540 are not eligible for grant funding.

(c) The office of the superintendent of public instruction shall award grants that are the lesser of the cost of the high school's associated student body card multiplied by the number of students eligible for the free or reduced-price meals program that purchased a student body card in either 2018-19 or 2019-20 school year, whichever is higher, or \$10,000.

(d) The office may award additional funding if:

(i) The appropriations provided are greater than the total amount of funding requested at the end of the application cycle; and

(ii) The applicant shows a demonstrated need for additional support.

(16) \$250,000 of the general fund—state appropriation for fiscal year 2022 and \$250,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the south Kitsap school district to codevelop a pilot strategy to increase completion rates for the free application for federal student aid (FAFSA).

(17) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to contract with a Washington-based nonprofit organization to promote equitable access in science, technology, engineering, and math education for historically underserved students and communities. The nonprofit shall provide a system of science educational programming specifically for migrant and bilingual students, including teacher professional development, culturally responsive classroom resources that are aligned with Washington state science and environmental and sustainability learning standards, and implementation support. At least 50 percent of the funding provided in this subsection must serve schools and school districts in eastern Washington. The nonprofit organization must have experience developing and implementing science and environmental science programming and resources for migrant and bilingual students.

(18) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to contract with a nonprofit organization serving opportunity youth in Pierce, King and Snohomish counties. The organization must

assist traditionally underrepresented students on nontraditional educational pathways by providing mentorship and technical assistance in navigating higher education and financial aid. The office may require the recipient of these funds to report the impacts of the efforts in alignment with the measures of the Washington school improvement framework.

(19) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to administer a grants program for school districts to acquire and use research-based, social emotional learning curricula in accordance with the state social emotional learning standards. The office must prioritize school districts that do not have existing research based social emotional learning programs and that are also eligible for high-poverty allocations from the learning assistance program.

(20) \$250,000 of the general fund—state appropriation for fiscal year 2022 and \$250,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office to contract with a nonprofit organization that specializes in using e-sports to engage students in seven career clusters to bring team-based, career related e-sports programs to each high school in the Battle Ground, Evergreen, and Vancouver school districts. Any funding remaining may be used for e-sports programs in the middle schools of the three school districts.

(21) \$1,399,000 of the general fund—state appropriation for fiscal year 2022 and \$1,399,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for school districts to support youth who are truant under chapter 28A.225 RCW or at risk of becoming truant, and for costs associated with filing or serving petitions under RCW 28A.225.030.

(22) The general fund—state appropriations in this section for fiscal year 2022 have been reduced by \$24,000 to reflect global compensation savings. The office of financial management, in consultation with the office of the superintendent of public instruction, shall adjust allotments from the appropriations in this section, including allotments of amounts provided solely for a specific purpose, to reflect the reduction to the overall appropriation.

(23) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office to contract with an organization that works with educators to secure salmon eggs, offer learning opportunities as the fry develop, and assist when students release their fry into local creeks and lakes. Funding may only be used for new programs located in elementary schools that are eligible for high-poverty allocations from the learning assistance program. Of the amounts provided in this subsection, the office may use no more than \$35,000 each fiscal year for office administration costs related to the contract.

(24) \$9,850,000 of the general fund—state appropriation for fiscal year 2022 and \$9,850,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the office of the superintendent of public instruction to administer the technology grant program established under Engrossed Second Substitute House Bill No. 1365 (schools/computers & devices).

(25) \$199,000 of the general fund—state appropriation for fiscal year 2022 and \$247,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the media literacy and digital citizenship grant program created in Engrossed Second Substitute House Bill No. 1365 (schools/computers & devices). Total grant awards may not exceed \$150,000. Of the amounts provided in this subsection, \$50,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for two regional conferences.

(26) \$70,000 of the general fund—state appropriation for fiscal year 2022 is provided solely for the southwest boys & girls club to provide community mentoring, academic intervention, and culturally specific supports through the "be great-graduate initiative" for a cohort of White Center youth identified as high risk.

(27) \$236,000 of the general fund—state appropriation for fiscal year 2022 and \$14,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for grants to support teachers with costs associated with becoming certified, endorsed, or licensed in computer science including, but not limited to, professional development, training, licensure exams, courses in pedagogy, and courses in computer science content. Entities eligible for these funds include, but are not limited to, individual teachers, local education agencies, approved professional learning providers, and institutions of higher education located in Washington state.

(28) \$300,000 of the general fund—state appropriation for fiscal year 2022 and \$450,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Highline school district to contract with an organization to offer pre-apprenticeship opportunities for at least two cohorts of students each year in south King county during the summer months of 2021, 2022, and 2023. Students from the Highline school district and neighboring school districts in south King county are eligible for the program.

(29) \$255,000 of the general fund—state appropriation for fiscal year 2022 and \$255,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the continuation of the math improvement pilot program. The entirety of the funds appropriated for fiscal year 2022 must be disbursed by the office to the recipients of the grants no later than August 1, 2021, and the entirety of the funds appropriated for fiscal year 2023 must be disbursed by the office to the recipients of the grants no later than August 1, 2022. Of the amounts provided in the subsection:

(a) \$85,000 of the general fund—state appropriation for fiscal year 2022 and \$85,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Spokane school district.

(b) \$85,000 of the general fund—state appropriation for fiscal year 2022 and \$85,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Chehalis school district.

(c) \$85,000 of the general fund—state appropriation for fiscal year 2022 and \$85,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Bremerton school district.

(30) Within existing resources, the office shall develop recommendation to the legislature to merge the grant programs and specific appropriations of pass-through funding for certain activities or entities in this section into a competitive grant funding process in future biennia. A competitive process must allocate funding using the following five separate categories:

(a) Student supports and safety. Programs under this category will support the mental, social-emotional, and physical safety of students;

(b) Educator growth and development. Programs under this category will support the recruitment and retention of educators, and support their continual professional growth;

(c) Curricula development, dissemination, and supports. Programs under this category will support the development, implementation, and continuous improvement of curricula and other programs specific to state learning standards and content areas;

(d) Eliminating inequitable student outcomes. Programs under this category will increase outcomes for specific student groups, including students experiencing homelessness or foster care; and

(e) Graduation success and preparation for postsecondary pathways. Programs under this category will increase access to graduation pathways aligned with students' postsecondary goals and support for each student to graduate ready to achieve those goals. These may include dual credit programs; dropout prevention, intervention, and reengagement programs; core plus programs; and other high demand career and technical education programs.

(31) \$500,000 of the general fund—state appropriation for fiscal year 2022 and \$500,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the south Kitsap school district for the controls programmer apprenticeship program.

(32) \$800,000 of the general fund—state appropriation for fiscal year 2022 and \$5,300,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for transitional support grants to school districts to support schools that incur costs transitioning from Native American school mascots, logos, or team names under section 3 of Substitute House Bill No. 1356 (Native American names, etc.).

(33) \$10,000,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office to administer an outdoor learning grant program to develop and support outdoor educational experiences for students in Washington public schools. The office must award grants to eligible school districts and outdoor education program providers starting in the 2022-23 school year. The office may consult with the Washington recreation and conservation office on outdoor learning program grants. Of the amounts provided in this subsection:

(a) \$195,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office to implement Second Substitute House Bill No. 2078 (outdoor learning grant prg.). If the bill is not enacted by June 30, 2022, the amount provided in this subsection shall lapse.

(b) \$3,903,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the outdoor learning grant program, which consists of two types of grants:

(i) Allocation-based grants for school districts to develop or support outdoor educational experiences; and

(ii) Competitive grants for outdoor education providers that are designed to support existing capacity and to increase future capacity for outdoor learning experiences.

(c) \$5,902,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the outdoor education experiences program. The office must prioritize providing the program to fifth and sixth grade students in high poverty schools, expanding to other fifth and sixth grade students subject to available funds.

(34) \$250,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for an education and workforce pathway pilot program at the northwest career and technical academy. The pilot program will oversee a pathway including high schools, skills centers, community and technical colleges, and employers that results in students earning a high school diploma and an associate in technical arts degree, while maintaining summer employment.

(35) \$150,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office of the superintendent of public instruction to administer grants to school districts for a plant-based school meals pilot program. Grant recipients may use the funding for food supplies, delivery costs, equipment purchases, education, and other expenditures to increase access to plant-based school meals. Grant awards to school districts may not exceed \$10,000 per district.

(36) \$148,000 of the general fund—state appropriation for fiscal year 2023 is provided solely to provide before and after-school programming to low-income elementary school students in the Tukwila school district. Funding in this subsection may be distributed to the

Tukwila school district or to local before or after-school program providers that provide child care for low-income elementary school students in the school district.

(37) \$250,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the Tacoma school district to identify specific career-relevant coursework and facility needs for the development of a comprehensive maritime-focused career and technical education program in the south Puget Sound area. Funding must be used by the district to engage with the maritime industry in and around the port of Tacoma to conduct a workforce training gap analysis. The district must also coordinate with the office, the state board of education, and the workforce training board to create the relevant curriculum and identify facility needs to establish a new marine trades program.

(38) \$250,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office to contract with an organization to expand the senior support initiative that helps high school seniors in the Tacoma school district navigate their postsecondary pathway options. The organization may provide support to Tacoma school district seniors through academic supports, financial aid and scholarships, college entry and communication, workforce entry and apprenticeships, housing, child care, and other basic needs. The organization must be a foundation focused on students that coordinates the efforts of parents, youth, community, and policymakers across multiple sectors to address equity gaps facing children and youth in the Tacoma school district.

(39) \$250,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office to contract with a nonprofit organization to develop and provide a Latino youth-on-youth gang violence prevention program for students. The program must target Latino students ages 11 through 17 who are either involved in or at risk of becoming involved in a gang or in gang activities. Eligible students must be enrolled in either the Moses Lake or Federal Way school districts. The nonprofit organization must have at least 15 years of experience serving Latino communities and promoting advocacy and must provide kindergarten through 12th grade social emotional learning, mental health wraparound services, and parent engagement programs in Washington.

(40) (a) \$500,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office to administer a pilot program to subsidize eligible dual or concurrent enrollment course costs for students who qualify for free or reduced-price meals and are participating in dual enrollment courses offered by one of three community colleges designated by the office and the state board of community and technical colleges. Eligible dual enrollment course programs include the running start and college in the high school programs. One of the community colleges must be located in a county with a population greater than 125,000 but less than 150,000.

(b) The office must subsidize the course costs by transmitting to each of the three institutions of higher education \$1,000 per full-time equivalent student during the 2022-23 academic year. For eligible students who qualify for free or reduced-price meals and are enrolled in running start courses, the pilot program must subsidize:

(i) Any student-voted fees, technology fees, course fees, laboratory fees, or other fees required for enrollment, up to 17 credits per quarter, that were not waived by the institution of higher education under RCW 28A.600.310; and

(ii) Textbooks and other course materials required by the institution of higher education.

(c) Any funds remaining after the office subsidizes the costs included in (b) of this subsection may be used to subsidize waived fees or transportation costs for eligible students who qualify for free or reduced-price meals and are enrolled in running start courses.

(d) The office must submit a preliminary report to the legislature by June 30, 2023, on the results of the pilot program. It is the intent of the legislature to provide funding for a final report due to the legislature by August 31, 2023.

(41) \$468,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for the office to contract with a nonprofit organization to establish a workforce pilot program with the Vancouver school district that provides targeted training to expand the school district's candidate pool for school bus drivers and paraeducators. The nonprofit organization must be based in Vancouver, Washington and must have experience assisting individuals in becoming economically self-sufficient by providing resources, training, and job placement opportunities. 	<u>\$77,209,000</u>

The appropriations in this section are subject to the following conditions and limitations:

(1) \$3,893,000 of the general fund—state appropriation for fiscal year 2022 and (~~(\$3,983,000)~~) \$4,189,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the implementation of the college affordability program as set forth in RCW 28B.15.066.

(2) Funding provided in this section is sufficient for The Evergreen State College to continue operations of the Longhouse Center and the Northwest Indian applied research institute.

(3) Within amounts appropriated in this section, the college is encouraged to increase the number of tenure-track positions created and hired.

(4) \$2,760,000 of the general fund—state appropriation for fiscal year 2022 and (~~(\$3,560,000)~~) \$3,393,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Washington state institute for public policy to initiate, sponsor, conduct, and publish research that is directly useful to policymakers and manage reviews and evaluations of technical and scientific topics as they relate to major long-term issues facing the state. Within the amounts provided in this subsection (4):

(a) \$1,391,000 of the amounts in fiscal year 2022 and \$1,399,000 of the amounts in fiscal year 2023 are provided for administration and core operations.

(b) \$828,000 of the amounts in fiscal year 2022 and (~~(\$937,000)~~) \$863,000 of the amounts in fiscal year 2023 are provided solely for ongoing and continuing studies on the Washington state institute for public policy's work plan.

(c) \$60,000 of the amounts in fiscal year 2022 are provided solely to the Washington state institute for public policy for the continued work and research on behalf of the domestic violence risk assessment work group.

(d) \$25,000 of the amounts in fiscal year 2022 and \$40,000 of the amounts in fiscal year 2023 are provided solely to the Washington state institute for public policy for the continued work and research on behalf of the Washington state criminal sentencing task force established in section 944 of this act.

(e)(i) \$14,000 of the amounts in fiscal year 2022 and \$76,000 of the amounts in fiscal year 2023 are provided solely for the Washington state institute for public policy to study net nanny and similar fictitious victim sting operations. The study must:

(A) Describe the current research on net nanny-type sting operations, including any evidence of their effectiveness in deterring or reducing crime, their costs, and the potential advantages or drawbacks of their use in crime prevention; and

(B) Compare the characteristics of individuals convicted under net nanny stings with individuals convicted of child sex offenses through other avenues.

(ii) The Washington state patrol shall provide the Washington state institute for public policy with the data necessary to conduct the analysis in (e)(i)(B) of this subsection. A net nanny sting operation is a collaborative operation that includes local, state, and federal law enforcement that targets the arrest and prosecution of individuals involved in child abuse and exploitation using the internet by using a fictitious victim. By June 30, 2023, the institute must submit results from the study to the appropriate committees of the legislature.

(f) \$124,000 of the general fund—state appropriation for fiscal year 2022 and \$76,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Washington state institute for public policy to study legal financial obligations as defined in RCW 9.94A.030.

(i) The study should explore the following topics:

(A) The amount of legal and financial obligations imposed over the last three years;

(B) The total amounts outstanding and the total amounts collected annually, including annual collection rates; including all restitution, costs, fees, fines, penalty assessments, and interest, disaggregated;

(C) Statutes which allow for the imposition of legal and financial obligations;

(D) The percentage of the judicial branch's budget which has been supported by legal and financial obligations since the system's inception;

(E) The programs funded by legal financial obligations; and

(F) How other states fund their court system including but not limited to whether they use legal financial obligations to provide support.

(ii) The study should recommend to the legislature potential methods and processes to delink court related funding and other county and local funding from the collection of legal financial obligations and to provide such funding through other means.

(iii) The Washington state institute for public policy may solicit input for the study from interested parties to include but not be limited to the Washington state association of counties, the Washington state association of county officials, the Washington state association of prosecuting attorneys, superior court judges, civil legal aid, civil rights attorneys, disability rights advocates, crime victim advocates, persons formerly incarcerated, advocates for persons who are currently or formerly incarcerated, academic researchers, persons with expertise analyzing data on legal financial obligations, the Washington state minority and justice commission, and the administrative office of the courts.

(iv) An initial report is due to the legislature by December 1, 2021, with a supplemental and final report due to the legislature by December 1, 2022.

(g) \$7,000 of the general fund—state appropriation for fiscal year 2022 and \$68,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the institute to review available research literature to investigate and describe any relationship between early substance abuse of cannabis, opioids, or cocaine and mental health disorders in young adults; and any relationship between nutrition and mental health disorders in young adults. The institute shall report its findings to the legislature no later than December 1, 2022.

(h) (i) \$102,000 of the amounts in fiscal year 2022 and \$73,000 of the amounts in fiscal year 2023 are provided solely for the Washington state institute for public policy to partner with a context expert to conduct a wilderness therapy research review. The University of Washington evidence-based practice institute and Washington State University impact center must assist the institute in identifying a content expert. For the review, the institute must:

(A) Identify wilderness therapy program models related to behavioral health which have a treatment approach which is well defined or definable and have a strong evidence base to be added to reporting guides for being identified as an evidence-based practice for mental health, including identification of target populations for these programs;

(B) Identify wilderness/adventure program models available for prevention services which are cost beneficial; and

(C) Assess the interest and likelihood of support for programs of this nature among relevant interest groups, such as state prevention coalitions and tribes, if such programs were listed as approved cost beneficial prevention programs by the division of behavioral health and recovery and the Washington state health care authority.

(ii) The institute must submit to the appropriate committees of the legislature a report on (h) (i) (A) and (B) of this subsection by June 30, 2022, and a report on (h) (i) (C) of this subsection by December 1, 2022.

(i) \$15,000 of the amounts in fiscal year 2022 and (~~(\$286,000)~~) \$233,000 of the amounts in fiscal year 2023 are provided solely for implementation of Engrossed Second Substitute Senate Bill No. 5304 (reentry services/state and local institutions).

(j) \$48,000 of the amounts in fiscal year 2022 and \$89,000 of the amounts in fiscal year 2023 are provided solely for implementation of Engrossed Second Substitute Senate Bill No. 5194 (equity and access in higher education).

(k) (i) \$75,000 of the general fund—state appropriation for fiscal year 2022 and \$75,000 of the general fund—state appropriation for fiscal year 2023 are provided solely for the Washington state institute for public policy to conduct a cost-benefit analysis for an exclusive or partial American steel requirement for future contracts and subcontracts authorized in the capital budget. The cost-benefit analysis must, to the extent feasible:

(A) Compare existing types and uses of steel to America made steel alternatives, including evaluation of quality;

(B) Examine benefits to Washington workers and the Washington economy;

(C) Examine lifecycle and embodied carbon greenhouse gas emissions;

(D) Identify requirements for purchasing American steel that minimize costs and maximize benefits; and

(E) Evaluate American steel requirements or preferences in other states.

(ii) The institute may solicit input for the analysis from representatives of interested parties to include, but not be limited to, the construction and manufacturing sectors, organized labor in the construction and manufacturing sectors, cities, counties, American steel manufacturing companies, environmental advocacy organizations, and appropriate state agencies.

(iii) The institute must submit a final report to the appropriate committees of the legislature by December 1, 2022.

(l) \$47,000 of the general fund—state appropriation for fiscal year 2023 is provided solely for implementation of Second Substitute House Bill No. 1044 (prison to postsecondary ed.).

(m) \$71,000 of the amounts in fiscal year 2022 and \$91,000 of the amounts in fiscal year 2023 are provided solely for implementation of chapter 314, Laws of 2021 (Engrossed Second Substitute Senate Bill No. 5141) (env. justice task force recs).

(n) \$125,000 of the amounts in fiscal year 2023 is provided solely for an evaluation of student participation in transitional kindergarten programs across the state. By December 31, 2023, the institute shall report the results of its evaluation to the appropriate legislative committees; the governor; the office of the superintendent of public instruction; and the department of children, youth, and families. It is the intent of the legislature to provide funding in the 2023-2025 fiscal biennium budget for the institute to complete the report by December 31, 2023. For the evaluation, to the extent data is available, the institute shall collect data regarding:

(i) The number of districts providing transitional kindergarten programs, including the number of classrooms and students in the program per district;

(ii) The number of children participating in transitional kindergarten programs across the state, disaggregated by demographic information such as race, gender, and income level;

(iii) The number of children participating in transitional kindergarten programs that attended prekindergarten previous to transitional kindergarten;

(iv) The number of children participating in transitional kindergarten who received early learning services through the early childhood education and assistance program;

(v) The number of children participating in transitional kindergarten with an individualized education plan;

(vi) An analysis of how school districts select and prioritize children for enrollment in transitional kindergarten;

(vii) The differences in teacher preparation, certification, and classroom instruction for transitional kindergarten compared to the early childhood education and assistance program;

(viii) The identification of why school districts offer transitional kindergarten, the early childhood education and assistance program, and other early learning programs such as traditional or developmental prekindergarten, and the funding sources used; and

(ix) The use of transitional kindergarten in other states in comparison to Washington state, and any outcome data available.

(o) (i) \$62,000 of the amounts for fiscal year 2023 is provided solely for a comprehensive study to assess specific needs of farmworkers in the state in order to help policymakers determine whether those needs are being met by state administered programs, policies, and statutes. The institute must consult with farmworker advocacy organizations, state agencies administering programs and policies impacting farmworkers, and nonprofit organizations that work directly with farmworkers.

(ii) As part of its information gathering, the institute must hear from farmworkers, either directly or through the nonprofit organizations, regarding farmworkers' experiences and working conditions. These personal, real-life experiences from farmworkers must be based on informal interviews or surveys conducted by Latino nonprofit organizations that have well-established connections and relationships with farmworkers.

(iii) The study must focus on needs related to health and safety in the workplace, payment of wages, and preventing harassment and discrimination of, and retaliation against, farmworkers for asserting their rights regarding health and safety standards, wage and hour laws, and access to services.

(iv) The study must include:

(A) An examination of how the relevant state agencies coordinate with each other and federal agencies in administrating and enforcing the various laws, policies, and programs, and of the agencies' education and outreach to farmworkers regarding farmworkers' rights and protections;

(B) A review of available data from, and research of, programs that are intended to increase health and safety outcomes for farmworkers and that are intended to provide farmworkers access to services and benefits; and

(C) Options on ways to improve agency coordination and the effectiveness of reviewed programs.

(v) It is the intent of the legislature to provide funding in the 2023-2025 fiscal biennium budget for the institute to complete the report by June 30, 2025, with a preliminary report submitted by December 1, 2023.

(p) (~~(\$116,000)~~) \$76,000 of the amounts in fiscal year 2023 is provided solely for the Washington state institute for public policy to undertake a study on the nature and scope of the underground economy and to recommend what policy changes, if any, are needed to address the underground economy in the construction industry, including whether greater cohesion and transparency among state agencies is needed. The report must address the extent of and projected costs to the state and workers of the underground economy. The legislature expects the institute (must) to submit a report to the appropriate committees of the legislature by (December 1, 2022) September 30, 2023.

(q) Notwithstanding other provisions in this subsection, the board of directors for the Washington state institute for public policy may adjust due dates for projects included on the institute's 2021-23 work plan as necessary to efficiently manage workload.

(5) \$2,636,000 of the workforce education investment account—state appropriation is provided solely for institution operating costs, including compensation and central services, in recognition that these costs exceed estimated increases in undergraduate operating fee revenue as a result of RCW 28B.15.067.

(6) \$670,000 of the workforce education investment account—state appropriation is provided solely to maintain enrollment capacity in psychology programs.

(7) \$600,000 of the workforce education investment account—state appropriation is provided solely to increase student success by maintaining support for a student precollege immersion program and The Evergreen first-year experience.

Sec. 1704. 2022 c 297 s 713 (uncodified) is amended to read as follows:

FOR THE OFFICE OF FINANCIAL MANAGEMENT—CORONAVIRUS RELIEF FUNDS
 General Fund—Federal Appropriation. ((~~\$5,711,000~~))
\$6,211,000
 TOTAL APPROPRIATION.....((~~\$5,711,000~~))

\$6,211,000

The appropriation in this section is subject to the following conditions and limitations: The entire general fund—federal appropriation (CRF) is provided solely to the office of financial management for allocation to state agencies for costs eligible to be paid from the coronavirus relief fund created by section 5001, the coronavirus aid, relief, and economic security act, P.L. 116-136, division A and where funding is provided elsewhere in this act for those costs using a funding source other than the coronavirus relief fund. For any agency receiving an allocation under this section, the office must place an equal amount of the agency's state or other federal source appropriation authority in unallotted reserve status, and those amounts may not be expended. In determining the use of amounts appropriated in this section, the office of financial management shall prioritize the preservation of state general fund moneys and federal state fiscal recovery fund moneys. The office must report on the use of the amounts appropriated in this section to the fiscal committees of the legislature monthly until all coronavirus relief fund moneys are expended or the unexpended moneys returned to the federal government, whichever is earlier.

Sec. 1705. 2022 c 297 s 714 (uncodified) is amended to read as follows:

**PART XIX
MISCELLANEOUS
SUPPLEMENTAL**

Sec. 1901. RCW 70A.65.030 and 2022 c 182 s 104 and 2022 c 181 s 13 are each reenacted and amended to read as follows:

(1) Each year or biennium, as appropriate, when allocating funds from the carbon emissions reduction account created in RCW 70A.65.240, the climate commitment account created in RCW 70A.65.260, the natural climate solutions account created in RCW 70A.65.270, the climate investment account created in RCW 70A.65.250, the air quality and health disparities improvement account created in RCW 70A.65.280, the climate transit programs account created in RCW 46.68.500, or the climate active transportation account created in RCW 46.68.490, or administering grants or programs funded by the accounts, agencies shall conduct an environmental justice assessment consistent with the requirements of RCW 70A.02.060 and establish a minimum of not less than 35 percent and a goal of 40 percent of total investments that provide direct and meaningful benefits to vulnerable populations within the boundaries of overburdened communities through: (a) The direct reduction of environmental burdens in overburdened communities; (b) the reduction of disproportionate, cumulative risk from environmental burdens, including those associated with climate change; (c) the support of community led project development, planning, and participation costs; or (d) meeting a community need identified by the community that is consistent with the intent of this chapter or RCW 70A.02.010.

(2) The allocation of funding under subsection (1) of this section must adhere to the following principles, additional to the requirements of RCW 70A.02.080: (a) Benefits and programs should be directed to areas and targeted to vulnerable populations and overburdened communities to reduce statewide disparities; (b) investments and benefits should be made roughly proportional to the health disparities that a specific community experiences, with a goal of eliminating the disparities; (c) investments and programs should focus on creating environmental benefits, including eliminating health burdens, creating community and population resilience, and raising the quality of life of those in the community; and (d) efforts should be made to balance investments and benefits across the state and within counties, local jurisdictions, and unincorporated areas as appropriate to reduce disparities by location and to ensure efforts contribute to a reduction in disparities that exist based on race or ethnicity, socioeconomic status, or other factors.

(3) ~~((State))~~ Except as provided in subsection (4) of this section, state agencies allocating funds or administering grants or programs from the carbon emissions reduction account created in RCW 70A.65.240, the climate commitment account created in RCW 70A.65.260, the natural climate solutions account created in RCW 70A.65.270, the climate investment account created in RCW 70A.65.250, the air quality and health disparities improvement account created in RCW 70A.65.280, the climate transit programs account created in RCW 46.68.500, or the climate active transportation account created in RCW 46.68.490, must:

(a) Report annually to the environmental justice council created in RCW 70A.02.110 regarding progress toward meeting environmental justice and environmental health goals;

(b) Consider recommendations by the environmental justice council; and

(c)(i) If the agency is not a covered agency subject to the requirements of chapter 70A.02 RCW, create and adopt a community engagement plan to describe how it will engage with overburdened communities and vulnerable populations in allocating funds or administering grants or programs from the climate investment account.

(ii) The plan must include methods for outreach and communication with those who face barriers, language or otherwise, to participation.

(4) During the 2021-2023 fiscal biennium, the requirements of subsection (3)(c) of this section for agencies other than covered agencies to create and adopt community engagement plans apply only to executive branch agencies and institutions of higher education, as defined in RCW 28B.10.016, receiving total appropriations of more than \$2,000,000 for the 2021-2023 fiscal biennium from the accounts listed in subsection (1) of this section.

Sec. 1902. RCW 74.46.561 and 2022 c 297 s 966 are each amended to read as follows:

(1) The legislature adopts a new system for establishing nursing home payment rates beginning July 1, 2016. Any payments to nursing homes for services provided after June 30, 2016, must be based on the new system. The new system must be designed in such a manner as to decrease administrative complexity associated with the payment methodology, reward nursing homes providing care for high acuity residents, incentivize quality care for residents of nursing homes, and establish minimum staffing standards for direct care.

(2) The new system must be based primarily on industry-wide costs, and have three main components: Direct care, indirect care, and capital.

(3) The direct care component must include the direct care and therapy care components of the previous system, along with food, laundry, and dietary services. Direct care must be paid at a fixed rate, based on one hundred percent or greater of statewide case mix neutral median costs, but for fiscal year 2023 shall be capped so that a nursing home provider's direct care rate does not exceed ~~((165))~~ one hundred eighteen percent of its base year's direct care allowable costs except if the provider is below the minimum staffing standard established in RCW 74.42.360(2), except during fiscal year 2023 when the direct care must not exceed one hundred sixty-five percent of the base year's direct care allowable costs except if the provider is below the minimum staffing standards established in RCW 74.42.360(2). The legislature intends to remove the cap on direct care rates by June 30, 2027. Direct care must be performance-adjusted for acuity every six months, using case mix principles. Direct care must be regionally adjusted using countywide wage index information available through the United States department of labor's bureau of labor statistics. There is no minimum occupancy for direct care. The direct care component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(4) The indirect care component must include the elements of administrative expenses, maintenance costs, and housekeeping services from the previous system. A minimum occupancy assumption of ninety percent must be applied to indirect care, except during fiscal year 2023 when the minimum occupancy assumption must be 75 percent. Indirect care must be paid at a fixed rate, based on ninety percent or greater of statewide median costs. The indirect care component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(5) The capital component must use a fair market rental system to set a price per bed. The capital component must be adjusted for the age of the facility, and must use a minimum occupancy assumption of ninety percent.

(a) Beginning July 1, 2016, the fair rental rate allocation for each facility must be determined by multiplying the allowable nursing home square footage in (c) of this subsection by the RSMeans rental rate in (d) of this subsection and by the number of licensed beds yielding the gross unadjusted building value. An equipment allowance of ten percent must be added to the unadjusted building value. The sum of the unadjusted building value and equipment allowance must then be reduced by the average age of the facility as determined by (e) of this subsection using a depreciation rate of one and one-half percent. The depreciated building and equipment plus land valued at ten percent of the gross unadjusted building value before depreciation must then be multiplied by the rental rate at seven and one-half percent to yield an allowable fair rental value for the land, building, and equipment.

(b) The fair rental value determined in (a) of this subsection must be divided by the greater of the actual total facility census from the prior full calendar year or imputed census based on the number of licensed beds at ninety percent occupancy.

(c) For the rate year beginning July 1, 2016, all facilities must be reimbursed using four hundred square feet. For the rate year beginning July 1, 2017, allowable nursing facility square footage must be determined using the total nursing facility square footage as reported on the medicaid cost reports submitted to the department in compliance with this chapter. The maximum allowable square feet per bed may not exceed four hundred fifty.

(d) Each facility must be paid at eighty-three percent or greater of the median nursing facility RSMeans construction index value per square foot. The department may use updated RSMeans construction index information when more recent square footage data becomes available. The statewide value per square foot must be indexed based on facility zip code by multiplying the statewide value per square foot times the appropriate zip code based index. For the purpose of implementing this section, the value per square foot effective July 1, 2016, must be set so that the weighted average fair rental value rate is not less than ten dollars and eighty cents per patient day. The capital component rate allocations calculated in accordance with this section must be adjusted to the extent necessary to comply with RCW 74.46.421.

(e) The average age is the actual facility age reduced for significant renovations. Significant renovations are defined as those renovations that exceed two thousand dollars per bed in a calendar year as reported on the annual cost report submitted in accordance with this chapter. For the rate beginning July 1, 2016, the department shall use renovation data back to 1994 as submitted on facility cost reports. Beginning July 1, 2016, facility ages must be reduced in future years if the value of the renovation completed in any year exceeds two thousand dollars times the number of licensed beds. The cost of the renovation must be

divided by the accumulated depreciation per bed in the year of the renovation to determine the equivalent number of new replacement beds. The new age for the facility is a weighted average with the replacement bed equivalents reflecting an age of zero and the existing licensed beds, minus the new bed equivalents, reflecting their age in the year of the renovation. At no time may the depreciated age be less than zero or greater than forty-four years.

(f) A nursing facility's capital component rate allocation must be rebased annually, effective July 1, 2016, in accordance with this section and this chapter.

(g) For the purposes of this subsection (5), "RSMeans" means building construction costs data as published by Gordian.

(6) A quality incentive must be offered as a rate enhancement beginning July 1, 2016.

(a) An enhancement no larger than five percent and no less than one percent of the statewide average daily rate must be paid to facilities that meet or exceed the standard established for the quality incentive. All providers must have the opportunity to earn the full quality incentive payment.

(b) The quality incentive component must be determined by calculating an overall facility quality score composed of four to six quality measures. For fiscal year 2017 there shall be four quality measures, and for fiscal year 2018 there shall be six quality measures. Initially, the quality incentive component must be based on minimum data set quality measures for the percentage of long-stay residents who self-report moderate to severe pain, the percentage of high-risk long-stay residents with pressure ulcers, the percentage of long-stay residents experiencing one or more falls with major injury, and the percentage of long-stay residents with a urinary tract infection. Quality measures must be reviewed on an annual basis by a stakeholder work group established by the department. Upon review, quality measures may be added or changed. The department may risk adjust individual quality measures as it deems appropriate.

(c) The facility quality score must be point based, using at a minimum the facility's most recent available three-quarter average centers for medicare and medicaid services quality data. Point thresholds for each quality measure must be established using the corresponding statistical values for the quality measure point determinants of eighty quality measure points, sixty quality measure points, forty quality measure points, and twenty quality measure points, identified in the most recent available five-star quality rating system technical user's guide published by the centers for medicare and medicaid services.

(d) Facilities meeting or exceeding the highest performance threshold (top level) for a quality measure receive twenty-five points. Facilities meeting the second highest performance threshold receive twenty points. Facilities meeting the third level of performance threshold receive fifteen points. Facilities in the bottom performance threshold level receive no points. Points from all quality measures must then be summed into a single aggregate quality score for each facility.

(e) Facilities receiving an aggregate quality score of eighty percent of the overall available total score or higher must be placed in the highest tier (tier V), facilities receiving an aggregate score of between seventy and seventy-nine percent of the overall available total score must be placed in the second highest tier (tier IV), facilities receiving an aggregate score of between sixty and sixty-nine percent of the overall available total score must be placed in the third highest tier (tier III), facilities receiving an aggregate score of between fifty and fifty-nine percent of the overall available total score must be placed in the fourth highest tier (tier II), and facilities receiving less than fifty percent of the overall available total score must be placed in the lowest tier (tier I).

(f) The tier system must be used to determine the amount of each facility's per patient day quality incentive component. The per patient day quality incentive component for tier IV is seventy-five percent of the per patient day quality incentive component for tier V, the per patient day quality incentive component for tier III is fifty percent of the per patient day quality incentive component for tier V, and the per patient day quality incentive component for tier II is twenty-five percent of the per patient day quality incentive component for tier V. Facilities in tier I receive no quality incentive component.

(g) Tier system payments must be set in a manner that ensures that the entire biennial appropriation for the quality incentive program is allocated.

(h) Facilities with insufficient three-quarter average centers for medicare and medicaid services quality data must be assigned to the tier corresponding to their five-star quality rating. Facilities with a five-star quality rating must be assigned to the highest tier (tier V) and facilities with a one-star quality rating must be assigned to the lowest tier (tier I). The use of a facility's five-star quality rating shall only occur in the case of insufficient centers for medicare and medicaid services minimum data set information.

(i) The quality incentive rates must be adjusted semiannually on July 1 and January 1 of each year using, at a minimum, the most recent available three-quarter average centers for medicare and medicaid services quality data.

(j) Beginning July 1, 2017, the percentage of short-stay residents who newly received an antipsychotic medication must be added as a quality measure. The department must determine the quality incentive thresholds for this quality measure in a manner consistent with those outlined in (b) through (h) of this subsection using the centers for medicare and medicaid services quality data.

(k) Beginning July 1, 2017, the percentage of direct care staff turnover must be added as a quality measure using the centers for medicare and medicaid services' payroll-based journal and nursing home facility payroll data. Turnover is defined as an employee departure. The department must determine the quality incentive thresholds for this quality measure using data from the centers for medicare and medicaid services' payroll-based journal, unless such

data is not available, in which case the department shall use direct care staffing turnover data from the most recent medicaid cost report.

(7) Reimbursement of the safety net assessment imposed by chapter 74.48 RCW and paid in relation to medicaid residents must be continued.

(8)(a) The direct care and indirect care components must be rebased in even-numbered years, beginning with rates paid on July 1, 2016. Rates paid on July 1, 2016, must be based on the 2014 calendar year cost report. On a percentage basis, after rebasing, the department must confirm that the statewide average daily rate has increased at least as much as the average rate of inflation, as determined by the skilled nursing facility market basket index published by the centers for medicare and medicaid services, or a comparable index. If after rebasing, the percentage increase to the statewide average daily rate is less than the average rate of inflation for the same time period, the department is authorized to increase rates by the difference between the percentage increase after rebasing and the average rate of inflation.

(b) It is the intention of the legislature that direct and indirect care rates paid in fiscal year 2022 will be rebased using the calendar year 2019 cost reports. For fiscal year 2021, in addition to the rates generated by (a) of this subsection, an additional adjustment is provided as established in this subsection (8)(b). Beginning May 1, 2020, and through June 30, 2021, the calendar year costs must be adjusted for inflation by a twenty-four month consumer price index, based on the most recently available monthly index for all urban consumers, as published by the bureau of labor statistics. It is also the intent of the legislature that, starting in fiscal year 2022, a facility-specific rate add-on equal to the inflation adjustment that facilities received solely in fiscal year 2021, must be added to the rate.

(c) To determine the necessity of regular inflationary adjustments to the nursing facility rates, by December 1, 2020, the department shall provide the appropriate policy and fiscal committees of the legislature with a report that provides a review of rates paid in 2017, 2018, and 2019 in comparison to costs incurred by nursing facilities.

(9) The direct care component provided in subsection (3) of this section is subject to the reconciliation and settlement process provided in RCW 74.46.022(6). Beginning July 1, 2016, pursuant to rules established by the department, funds that are received through the reconciliation and settlement process provided in RCW 74.46.022(6) must be used for technical assistance, specialized training, or an increase to the quality enhancement established in subsection (6) of this section. The legislature intends to review the utility of maintaining the reconciliation and settlement process under a price-based payment methodology, and may discontinue the reconciliation and settlement process after the 2017-2019 fiscal biennium.

(10) Compared to the rate in effect June 30, 2016, including all cost components and rate add-ons, no facility may receive a rate reduction of more than one percent on July 1, 2016, more than two percent on July 1, 2017, or more than five percent on July 1, 2018. To ensure that the appropriation for nursing homes remains cost neutral, the department is authorized to cap the rate increase for facilities in fiscal years 2017, 2018, and 2019.

NEW SECTION. Sec. 1903. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 1904. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 63, after line 9, insert the following:

"(74) (a) \$500,000,000 of the encampment cleanup account-state appropriation is provided solely for the department to provide grants to local governments for costs associated with responding to and preventing encampments, and other activities to address and prevent homelessness. The department must provide grants to counties who enact an ordinance as described in (b) of this subsection. Counties must subgrant with any cities within the county that enact an ordinance as described in (b) of this subsection. In making subgrants, counties must distribute funds based on the city's relative share of unsheltered homeless individuals living in the county.

(b) A local government is eligible to receive a grant under (a) of this subsection if it enacts an ordinance making it unlawful for any person to camp for the purposes of habitation on public property within 500 feet of:

(i) Public or private elementary or secondary schools;

(ii) School walk areas, as determined under rules promulgated by the superintendent of public instruction pursuant to RCW 28A.150.290;

(iii) Child day care centers, as defined in RCW 43.216.010;

(iv) Public parks, as defined in RCW 69.50.435; and

(v) County courthouses.

(c) A local government must submit a copy of the ordinance enacted pursuant to (b) of this subsection to the department in order to receive grant funding.

(d) Grantees must first use funding awarded under (a) of this subsection for actions to enforce an ordinance as described in (b) of this subsection, including, but not limited to, costs to clear garbage, debris, or hazardous materials, and costs to prevent future encampments from forming in areas protected under the enacted ordinance. Grantees may also use funding for other activities to address and prevent homelessness, including providing housing

and supportive services for homeless individuals and families.

(e) The department must distribute funds awarded under (a) of this subsection to eligible counties on a first-come, first-served basis.

(f) Of the amounts provided in this subsection, \$2,000,000 of the encampment cleanup account-state appropriation is provided solely for the department to administer the program and create and maintain a data dashboard with performance metrics regarding encampment sites addressed by grantees. The dashboard must allow for viewing data at a statewide level and by county. The dashboard must include the following metrics:

(i) The number and location of encampment sites;

(ii) The number of individuals living in an encampment site who received an offer of shelter before a local government took action to close the site; and

(iii) Total expenditures, by fund source and by type of expenditure, for closing encampment sites.

The Washington rescue plan transition account is created in the state treasury. Moneys in the account may be spent only after appropriation. Revenues to the account consist of moneys directed by the legislature to the account. Allowable uses of moneys in the account include responding to the impacts of the COVID-19 pandemic including those related to education, human services, health care, and the economy. In addition, the legislature may appropriate from the account to continue activities begun with, or augmented with, COVID-19 related federal funding. During the 2021-2023 fiscal biennium, the legislature

may direct the state treasurer to make transfers of moneys in the Washington rescue plan transition account to the general fund."

(6) (a) "Employee" for the public employees' benefits board program includes all employees of the state, whether or not covered by civil service; elected and appointed officials of the executive branch of government, including full-time members of boards, commissions, or committees; justices of the supreme court and judges of the court of appeals and the superior courts; and members of the state legislature. Pursuant to contractual agreement with the authority, "employee" may also include: (i) Employees of a county, municipality, or other political subdivision of the state and members of the legislative authority of any county, city, or town who are elected to office after February 20, 1970, if the legislative authority of the county, municipality, or other political subdivision of the state submits application materials to the authority to provide any of its insurance programs by contract with the

authority, as provided in RCW 41.04.205 and 41.05.021(1)(g); (ii) employees of employee organizations representing state civil service employees, at the option of each such employee organization; (iii) through December 31, 2019, employees of a school district if the authority agrees to provide any of the school districts' insurance programs by contract with the authority as provided in RCW 28A.400.350; (iv) employees of a tribal government, if the governing body of the tribal government seeks and receives the approval of the authority to provide any of its insurance programs by contract with the authority, as provided in RCW 41.05.021(1) (f) and (g); (v) employees of the Washington health benefit exchange if the governing board of the exchange established in RCW 43.71.020 seeks and receives approval of the authority to provide any of its insurance programs by contract with the authority, as provided in RCW 41.05.021(1) (g) and (n); and (vi) through December 31, 2019, employees of a charter school established under chapter 28A.710 RCW. "Employee" does not include: Adult family home providers; unpaid volunteers; patients of state hospitals; inmates; employees of the Washington state convention and trade center as provided in RCW 41.05.110; students of institutions of higher education as determined by their institution; and any others not expressly defined as employees under this chapter or by the authority under this chapter.

(b) Effective January 1, 2020, "school employee" for the school employees' benefits board program includes:

(i) All employees of school districts and charter schools established under chapter 28A.710 RCW;

(ii) Represented employees of educational service districts; and

(iii) Effective January 1, 2024, all employees of educational service districts.

(7) "Employee group" means employees of a similar employment type, such as administrative, represented classified, nonrepresented classified excluding such employees in educational service districts until December 31, 2023, confidential, represented certificated, or nonrepresented certificated excluding such employees in educational service districts until December 31, 2023, within a school employees' benefits board organization.

(8) (a) "Employer" for the public employees' benefits board program means the state of Washington.

(b) "Employer" for the school employees' benefits board program means school districts and educational service districts and charter schools established under chapter 28A.710 RCW.

(9) "Employer group" means those counties, municipalities, political subdivisions, the Washington health benefit exchange, tribal governments, employee organizations representing state civil service employees, and through December 31, 2019, school districts, charter schools, and through December 31, 2023, educational service districts obtaining employee benefits through a contractual agreement with the authority to participate in benefit

plans developed by the public employees' benefits board.

(10) (a) "Employing agency" for the public employees' benefits board program means a division, department, or separate agency of state government, including an institution of higher education; a county, municipality, or other political subdivision; and a tribal government covered by this chapter.

(b) "Employing agency" for the school employees' benefits board program means school districts, educational service districts, and charter schools.

(11) "Faculty" means an academic employee of an institution of higher education whose workload is not defined by work hours but whose appointment, workload, and duties directly serve the institution's academic mission, as determined under the authority of its enabling statutes, its governing body, and any applicable collective bargaining agreement.

(12) "Flexible benefit plan" means a benefit plan that allows employees and school employees to choose the level of health care coverage provided and the amount of employee or school employee contributions from among a range of choices offered by the authority.

(13) "Insuring entity" means an insurer as defined in chapter 48.01 RCW, a health care service contractor as defined in chapter 48.44 RCW, or a health maintenance organization as defined in chapter 48.46 RCW.

(14) "Medical flexible spending arrangement" means a benefit plan whereby state and school employees may reduce their salary before taxes to pay for medical expenses not reimbursed by insurance as provided in the salary reduction plan under this chapter pursuant to 26 U.S.C. Sec. 125 or other sections of the internal revenue code.

(15) "Participant" means an individual who fulfills the eligibility and enrollment requirements under the salary reduction plan.

(16) "Plan year" means the time period established by the authority.

(17) "Premium payment plan" means a benefit plan whereby public employees may pay their share of group health plan premiums with pretax dollars as provided in the salary reduction plan under this chapter pursuant to 26 U.S.C. Sec. 125 or other sections of the internal revenue code.

(18) "Public employee" has the same meaning as employee and school employee.

(19) "Retired or disabled school employee" means:

(a) Persons who separated from employment with a school district or educational service district and are receiving a retirement allowance under chapter 41.32 or 41.40 RCW as of September 30, 1993;

(b) Persons who separate from employment with a school district, educational service district, or charter school on or after October 1, 1993, and immediately upon separation receive a retirement allowance under chapter 41.32, 41.35, or 41.40 RCW;

(c) Persons who separate from employment with a school district, educational service district, or charter school due to a total and permanent disability, and are eligible

to receive a deferred retirement allowance under chapter 41.32, 41.35, or 41.40 RCW.

(20) "Salary" means a state or school employee's monthly salary or wages.

(21) "Salary reduction plan" means a benefit plan whereby public employees may agree to a reduction of salary on a pretax basis to participate in the dependent care assistance program, medical flexible spending arrangement, or premium payment plan offered pursuant to 26 U.S.C. Sec. 125 or other sections of the internal revenue code.

(22) "School employees' benefits board organization" means a public school district or educational service district or charter school established under chapter 28A.710 RCW that is required to participate in benefit plans provided by the school employees' benefits board.

(a) RCW 41.32.010(17) on or after July 1, 1996; or

(b) RCW 41.35.010 on or after September 1, 2000; or

(c) RCW 41.40.010 on or after March 1, 2002;

and who are at least age fifty-five and have at least ten years of service under the teachers' retirement system plan 3 as defined in RCW 41.32.010(33), the Washington school employees' retirement system plan 3 as defined in RCW 41.35.010, or the public employees' retirement system plan 3 as defined in RCW 41.40.010.

(26) "State purchased health care" or "health care" means medical and health care, pharmaceuticals, and medical equipment purchased with state and federal funds by the department of social and health services, the department of health, the basic health plan, the state health care authority, the department of labor and industries, the department of corrections, the department of veterans affairs, and local school districts.

(27) "Tribal government" means an Indian tribal government as defined in section 3(32) of the employee retirement income security act of 1974, as amended, or an agency or instrumentality of the tribal government, that has government offices principally located in this state.

Sec. 1. RCW 41.05.065 and 2018 c 260 s 12 are each amended to read as follows:

(1) The public employees' benefits board shall study all matters connected with the provision of health care coverage, life insurance, liability insurance, accidental death and dismemberment insurance, and disability income insurance or any of, or a combination of, the enumerated types of insurance for employees and their dependents

on the best basis possible with relation both to the welfare of the employees and to the state. However, liability insurance shall not be made available to dependents.

(2) The public employees' benefits board shall develop employee benefit plans that include comprehensive health care benefits for employees. In developing these plans, the public employees' benefits board shall consider the following elements:

(a) Methods of maximizing cost containment while ensuring access to quality health care;

(b) Development of provider arrangements that encourage cost containment and ensure access to quality care, including but not limited to prepaid delivery systems and prospective payment methods;

(c) Wellness incentives that focus on proven strategies, such as smoking cessation, injury and accident prevention, reduction of alcohol misuse, appropriate weight reduction, exercise, automobile and motorcycle safety, blood cholesterol reduction, and nutrition education;

(d) Utilization review procedures including, but not limited to a cost-efficient method for prior authorization of services, hospital inpatient length of stay review, requirements for use of outpatient surgeries and second opinions for surgeries, review of invoices or claims submitted by service providers, and performance audit of providers;

(e) Effective coordination of benefits; and

(f) Minimum standards for insuring entities.

(3) To maintain the comprehensive nature of employee health care benefits, benefits provided to employees shall be substantially equivalent to the state employees' health benefit plan in effect on January 1, 1993. Nothing in this subsection shall prohibit changes or increases in employee point-of-service payments or employee premium payments for benefits or the administration of a high deductible health plan in conjunction with a health savings account. The public employees' benefits board may establish employee eligibility criteria which are not substantially equivalent to employee eligibility criteria in effect on January 1, 1993.

(4) Except if bargained for under chapter 41.80 RCW, the public employees' benefits board shall design benefits and determine the terms and conditions of employee and retired or disabled school employee participation and coverage, including establishment of eligibility criteria subject to the requirements of this chapter. Employer groups obtaining benefits through contractual agreement with the authority for employees defined in RCW 41.05.011(6)(a) (i) through (vi) may contractually agree with the authority to benefits eligibility criteria which differs from that determined by the public employees' benefits board. The eligibility criteria established by the public employees' benefits board shall be no more restrictive than the following:

(a) Except as provided in (b) through (e) of this subsection, an employee is eligible for benefits from the date of employment if the employing agency anticipates he or she

will work an average of at least eighty hours per month and for at least eight hours in each month for more than six consecutive months. An employee determined ineligible for benefits at the beginning of his or her employment shall become eligible in the following circumstances:

(i) An employee who works an average of at least eighty hours per month and for at least eight hours in each month and whose anticipated duration of employment is revised from less than or equal to six consecutive months to more than six consecutive months becomes eligible when the revision is made.

(ii) An employee who works an average of at least eighty hours per month over a period of six consecutive months and for at least eight hours in each of those six consecutive months becomes eligible at the first of the month following the six-month averaging period.

(b) A seasonal employee is eligible for benefits from the date of employment if the employing agency anticipates that he or she will work an average of at least eighty hours per month and for at least eight hours in each month of the season. A seasonal employee determined ineligible at the beginning of his or her employment who works an average of at least eighty hours per month over a period of six consecutive months and at least eight hours in each of those six consecutive months becomes eligible at the first of the month following the six-month averaging period. A benefits-eligible seasonal employee who works a season of less than nine months shall not be eligible for the employer contribution during the off season unless the seasonal employee is an employee of the legislature whose seasonal qualification is through working during the regular legislative session, but may continue enrollment in benefits during the off season by self-paying for the benefits. A benefits-eligible seasonal employee who works a season of nine months or more, or during the 2023-25 fiscal biennium who works for the legislature during regular legislative sessions, is eligible for the employer contribution through the off season following each season worked.

(c) Faculty are eligible as follows:

(i) Faculty who the employing agency anticipates will work half-time or more for the entire instructional year or equivalent nine-month period are eligible for benefits from the date of employment. Eligibility shall continue until the beginning of the first full month of the next instructional year, unless the employment relationship is terminated, in which case eligibility shall cease the first month following the notice of termination or the effective date of the termination, whichever is later.

(ii) Faculty who the employing agency anticipates will not work for the entire instructional year or equivalent nine-month period are eligible for benefits at the beginning of the second consecutive quarter or semester of employment in which he or she is anticipated to work, or has actually worked, half-time or more. Such an employee shall continue to receive uninterrupted employer contributions for benefits if the

employee works at least half-time in a quarter or semester. Faculty who the employing agency anticipates will not work for the entire instructional year or equivalent nine-month period, but who actually work half-time or more throughout the entire instructional year, are eligible for summer or off-quarter or off-semester coverage. Faculty who have met the criteria of this subsection (4)(c)(ii), who work at least two quarters or two semesters of the academic year with an average academic year workload of half-time or more for three quarters or two semesters of the academic year, and who have worked an average of half-time or more in each of the two preceding academic years shall continue to receive uninterrupted employer contributions for benefits if he or she works at least half-time in a quarter or semester or works two quarters or two semesters of the academic year with an average academic workload each academic year of half-time or more for three quarters or two semesters. Eligibility under this section ceases immediately if this criteria is not met.

(iii) Faculty may establish or maintain eligibility for benefits by working for more than one institution of higher education. When faculty work for more than one institution of higher education, those institutions shall prorate the employer contribution costs, or if eligibility is reached through one institution, that institution will pay the full employer contribution. Faculty working for more than one institution must alert his or her employers to his or her potential eligibility in order to establish eligibility.

(iv) The employing agency must provide written notice to faculty who are potentially eligible for benefits under this subsection (4)(c) of their potential eligibility.

(v) To be eligible for maintenance of benefits through averaging under (c)(ii) of this subsection, faculty must provide written notification to his or her employing agency or agencies of his or her potential eligibility.

(vi) For the purposes of this subsection (4)(c):

(A) "Academic year" means summer, fall, winter, and spring quarters or summer, fall, and spring semesters;

(B) "Half-time" means one-half of the full-time academic workload as determined by each institution; except that for community and technical college faculty, half-time academic workload is calculated according to RCW 28B.50.489.

(d) A legislator is eligible for benefits on the date his or her term begins. All other elected and full-time appointed officials of the legislative and executive branches of state government are eligible for benefits on the date his or her term begins or they take the oath of office, whichever occurs first.

(e) A justice of the supreme court and judges of the court of appeals and the superior courts become eligible for benefits on the date he or she takes the oath of office.

(f) Except as provided in (c)(i) and (ii) of this subsection, eligibility ceases for any employee the first of the month following termination of the employment relationship.

(g) In determining eligibility under this section, the employing agency may disregard training hours, standby hours, or temporary changes in work hours as determined by the authority under this section.

(h) Insurance coverage for all eligible employees begins on the first day of the month following the date when eligibility for benefits is established. If the date eligibility is established is the first working day of a month, insurance coverage begins on that date.

(i) Eligibility for an employee whose work circumstances are described by more than one of the eligibility categories in (a) through (e) of this subsection shall be determined solely by the criteria of the category that most closely describes the employee's work circumstances.

(j) Except for an employee eligible for benefits under (b) or (c)(ii) of this subsection, an employee who has established eligibility for benefits under this section shall remain eligible for benefits each month in which he or she is in pay status for eight or more hours, if (i) he or she remains in a benefits-eligible position and (ii) leave from the benefits-eligible position is approved by the employing agency. A benefits-eligible seasonal employee is eligible for the employer contribution in any month of his or her season in which he or she is in pay status eight or more hours during that month. Eligibility ends if these conditions are not met, the employment relationship is terminated, or the employee voluntarily transfers to a noneligible position.

(k) For the purposes of this subsection, the public employees' benefits board shall define "benefits-eligible position."

(5) The public employees' benefits board may authorize premium contributions for an employee and the employee's dependents in a manner that encourages the use of cost-efficient managed health care systems.

(6)(a) For any open enrollment period following August 24, 2011, the public employees' benefits board shall offer a health savings account option for employees that conforms to section 223, Part VII of subchapter B of chapter 1 of the internal revenue code of 1986. The public employees' benefits board shall comply with all applicable federal standards related to the establishment of health savings accounts.

(b) By November 30, 2015, and each year thereafter, the authority shall submit a report to the relevant legislative policy and fiscal committees that includes the following:

(i) Public employees' benefits board health plan cost and service utilization trends for the previous three years, in total and for each health plan offered to employees;

(ii) For each health plan offered to employees, the number and percentage of employees and dependents enrolled in the plan, and the age and gender demographics of enrollees in each plan;

(iii) Any impact of enrollment in alternatives to the most comprehensive plan, including the high deductible health plan with a health savings account, upon the cost of health benefits for those employees who have chosen to remain enrolled in the most comprehensive plan.

(7) Notwithstanding any other provision of this chapter, for any open enrollment period following August 24, 2011, the public employees' benefits board shall offer a high deductible health plan in conjunction with a health savings account developed under subsection (6) of this section.

(8) Employees shall choose participation in one of the health care benefit plans developed by the public employees' benefits board and may be permitted to waive coverage under terms and conditions established by the public employees' benefits board.

(9) The public employees' benefits board shall review plans proposed by insuring entities that desire to offer property insurance and/or accident and casualty insurance to state employees through payroll deduction. The public employees' benefits board may approve any such plan for payroll deduction by insuring entities holding a valid certificate of authority in the state of Washington and which the public employees' benefits board determines to be in the best interests of employees and the state. The public employees' benefits board shall adopt rules setting forth criteria by which it shall evaluate the plans.

(10) Before January 1, 1998, the public employees' benefits board shall make available one or more fully insured long-term care insurance plans that comply with the requirements of chapter 48.84 RCW. Such programs shall be made available to eligible employees, retired employees, and retired school employees as well as eligible dependents which, for the purpose of this section, includes the parents of the employee or retiree and the parents of the spouse of the employee or retiree. Employees of local governments, political subdivisions, and tribal governments not otherwise enrolled in the public employees' benefits board sponsored medical programs may enroll under terms and conditions established by the director, if it does not jeopardize the financial viability of the public employees' benefits board's long-term care offering.

(a) Participation of eligible employees or retired employees and retired school employees in any long-term care insurance plan made available by the public employees' benefits board is voluntary and shall not be subject to binding arbitration under chapter 41.56 RCW. Participation is subject to reasonable underwriting guidelines and eligibility rules established by the public employees' benefits board and the health care authority.

(b) The employee, retired employee, and retired school employee are solely responsible for the payment of the premium rates developed by the health care authority. The health care authority is authorized to charge a reasonable administrative fee in addition to the premium charged by the long-term care insurer, which shall include the health care

authority's cost of administration, marketing, and consumer education materials prepared by the health care authority and the office of the insurance commissioner.

(c) To the extent administratively possible, the state shall establish an automatic payroll or pension deduction system for the payment of the long-term care insurance premiums.

(d) The public employees' benefits board and the health care authority shall establish a technical advisory committee to provide advice in the development of the benefit design and establishment of underwriting guidelines and eligibility rules. The committee shall also advise the public employees' benefits board and authority on effective and cost-effective ways to market and distribute the long-term care product. The technical advisory committee shall be comprised, at a minimum, of representatives of the office of the insurance commissioner, providers of long-term care services, licensed insurance agents with expertise in long-term care insurance, employees, retired employees, retired school employees, and other interested parties determined to be appropriate by the public employees' benefits board.

(e) The health care authority shall offer employees, retired employees, and retired school employees the option of purchasing long-term care insurance through licensed agents or brokers appointed by the long-term care insurer. The authority, in consultation with the public employees' benefits board, shall establish marketing procedures and may consider all premium components as a part of the contract negotiations with the long-term care insurer.

(f) In developing the long-term care insurance benefit designs, the public employees' benefits board shall include an alternative plan of care benefit, including adult day services, as approved by the office of the insurance commissioner.

(g) The health care authority, with the cooperation of the office of the insurance commissioner, shall develop a consumer education program for the eligible employees, retired employees, and retired school employees designed to provide education on the potential need for long-term care, methods of financing long-term care, and the availability of long-term care insurance products including the products offered by the public employees' benefits board.

(11) The public employees' benefits board may establish penalties to be imposed by the authority when the eligibility determinations of an employing agency fail to comply with the criteria under this chapter."

Correct the title.

POINT OF ORDER

Representative Stonier requested a scope and object ruling on amendment (527) to the striking amendment (517) to ENGROSSED SUBSTITUTE SENATE BILL NO. 5187.

SPEAKER'S RULING

"The bill before us is the operating budget bill. It makes appropriations for the 2023-2025 biennium for the operation of state government and its various agencies and institutions.

The scope and object of a budget bill does not extend to permanent changes in substantive law. One of the factors to be considered in determining whether a provision is substantive law is whether it affects statutory rights or obligations.

Amendment (527) modifies the definition of "seasonal employee" under chapter 45.01 RCW. It has the effect of qualifying an additional class of individuals for year-round coverage and employer contributions under the Public Employees' Benefits Board program.

The Speaker therefore finds and rules that the amendment is outside the scope and object of the bill.

The point of order is well taken."

Representative Ormsby moved the adoption of amendment (543) to the striking amendment (517):

On page 1279, at the beginning of line 30, strike "\$1,803,000,000" and insert "\$1,860,470,000"

On page 1279, line 30, after "year 2023" strike "\$1,803,000,000" and insert "\$1,860,470,000"

With the consent of the House, amendment (543) was withdrawn.

Representative Ormsby spoke in favor of the adoption of the striking amendment as amended.

Representative Stokesbary spoke against the adoption of the striking amendment as amended.

Division was demanded and the demand was sustained. The Speaker (Representative Orwall presiding) divided the House. The result was 57 - YEAS; 40 - NAYS.

The striking amendment (517), as amended, was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill, as amended by the House, was placed on final passage.

Representatives Gregerson, Macri, Bergquist and Fitzgibbon spoke in favor of the passage of the bill.

Representatives Stokesbary, Chambers, Corry and Wilcox spoke against the passage of the bill.

The Speaker (Representative Orwall presiding) stated the question before the House to be the final passage of Engrossed Substitute Senate Bill No. 5187, as amended by the House.

INTRODUCTION & FIRST READING

E2SSB 5199 by Senate Committee on Ways & Means (originally sponsored by Mullet, Conway, Dozier, Holy, Keiser, Lovelett, Nguyen, Shewmake and Valdez)

AN ACT Relating to tax relief for newspaper publishers; amending RCW 82.04.260, 35.102.150, 82.04.460, and 82.08.806; adding a new section to chapter 82.04 RCW; creating new sections; providing an effective date; and providing an expiration date.

Referred to Committee on Finance.

SSB 5218 by Senate Committee on Ways & Means (originally sponsored by Padden, Mullet and Torres)

AN ACT Relating to providing a sales and use tax exemption for mobility enhancing equipment for use by or for a complex needs patient; adding a new section to chapter 82.08 RCW; adding a new section to chapter 82.12 RCW; and creating new sections.

Referred to Committee on Finance.

E2SSB 5258 by Senate Committee on Ways & Means (originally sponsored by Shewmake, Gildon, Billig, Lias, Lovick, Nguyen, Nobles, Randall and Wellman)

AN ACT Relating to increasing the supply and affordability of condominium units and townhouses as an option for homeownership; amending RCW 64.35.105, 64.50.010, 64.50.020, 64.50.040, 64.90.250, 64.90.605, 64.90.645, 82.45.010, 82.45.010, 82.45.230, 82.02.060, 58.17.060, and 64.55.160; reenacting and amending RCW 64.38.010; adding a new section to chapter 82.45 RCW; creating new sections; providing effective dates; and providing expiration dates.

Referred to Committee on Appropriations.

SB 5277 by Senators Wilson, L., Dozier, Lovelett, Lovick, Muzzall, Shewmake, Torres, Wagoner and Warnick

AN ACT Relating to extending tax preferences for dairy, fruit and vegetable, and seafood processors; amending RCW 82.04.4268, 82.04.4266, 82.04.4269, and 82.04.260; creating a new section; and providing expiration dates.

Referred to Committee on Finance.

ESSB 5293 by Senate Committee on Ways & Means (originally sponsored by Rolfes, Robinson, Kuderer, Nobles and Van De Wege)

AN ACT Relating to accounts; amending RCW 43.41.450, 41.06.280, 41.06.285, 82.25.015, 41.05.120, 28A.505.130,

70A.65.250, 43.84.092, and 43.84.092; reenacting and amending RCW 43.79.567; reenacting RCW 43.330.365; adding new sections to chapter 43.79 RCW; adding a new section to chapter 38.52 RCW; providing effective dates; providing an expiration date; and declaring an emergency.

Referred to Committee on Appropriations.

There being no objection, the bills listed on the day's introduction sheet under the fourth order of business were referred to the committees so designated.

There being no objection, the House advanced to the fifth order of business.

REPORTS OF STANDING COMMITTEES

March 31, 2023

HB 1850

Prime Sponsor, Representative Macri:
Concerning the hospital safety net program.
Reported by Committee on Appropriations

MAJORITY recommendation: The substitute bill be substituted therefor and the substitute bill do pass. Signed by Representatives Ormsby, Chair; Bergquist, Vice Chair; Gregerson, Vice Chair; Macri, Vice Chair; Stokesbary, Ranking Minority Member; Corry, Assistant Ranking Minority Member; Berg; Chandler; Chopp; Connors; Davis; Dye; Fitzgibbon; Hansen; Harris; Lekanoff; Pollet; Riccelli; Rude; Ryu; Sandlin; Schmick; Senn; Simmons; Slatter; Steele; Stonier and Tharinger.

MINORITY recommendation: Without recommendation. Signed by Representatives Chambers, Assistant Ranking Minority Member; and Couture.

Referred to Committee on Rules for second reading

March 30, 2023

SB 5031

Prime Sponsor, Senator Wellman:
Concerning safety net award distributions.
Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 28A.150.392 and 2019 c 387 s 2 are each amended to read as follows:

(1)(a) To the extent necessary, funds shall be made available for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided through the special education funding formula under RCW 28A.150.390.

(b) If the federal safety net awards based on the federal eligibility threshold exceed the federal appropriation in any fiscal year, then the superintendent shall expend all available federal discretionary funds necessary to meet this need.

(2) Safety net funds shall be awarded by the state safety net oversight committee subject to the following conditions and limitations:

(a) The committee shall award additional funds for districts that can convincingly demonstrate that all legitimate expenditures for special education exceed all available revenues from state funding formulas.

(b) In the determination of need, the committee shall consider additional available revenues from federal sources.

(c) Differences in program costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(d) In the determination of need, the committee shall require that districts demonstrate that they are maximizing their eligibility for all state revenues related to services for students eligible for special education and all federal revenues from federal impact aid, medicaid, and the individuals with disabilities education act-Part B and appropriate special projects. Awards associated with (e) and (f) of this subsection shall not exceed the total of a district's specific determination of need.

(e) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education. Differences in costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(f) Using criteria developed by the committee, the committee shall then consider extraordinary costs associated with communities that draw a larger number of families with children in need of special education services, which may include consideration of proximity to group homes, military bases, and regional hospitals. Safety net awards under this subsection (2) (f) shall be adjusted to reflect amounts awarded under (e) of this subsection.

(g) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education served in residential schools as defined in RCW ((28A.190.020)) 28A.190.005, programs for juveniles under the department of corrections, and programs for juveniles operated by city and county jails to the extent they are providing a secondary program of education.

(h) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(i) Safety net awards shall be adjusted based on the percent of potential medicaid eligible students billed as calculated by the superintendent of public instruction in accordance with chapter 318, Laws of 1999.

(j) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(3) The superintendent of public instruction shall adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. By December 1, 2018, the

superintendent shall review and revise the rules to achieve full and complete implementation of the requirements of this subsection and subsection (4) of this section including revisions to rules that provide additional flexibility to access community impact awards. Before revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature. In adopting and revising the rules, the superintendent shall ensure the application process to access safety net funding is streamlined, timelines for submission are not in conflict, feedback to school districts is timely and provides sufficient information to allow school districts to understand how to correct any deficiencies in a safety net application, and that there is consistency between awards approved by school district and by application period. The office of the superintendent of public instruction shall also provide technical assistance to school districts in preparing and submitting special education safety net applications.

(4) On an annual basis, the superintendent shall survey districts regarding their satisfaction with the safety net process and consider feedback from districts to improve the safety net process. Each year by December 1st, the superintendent shall prepare and submit a report to the office of financial management and the appropriate policy and fiscal committees of the legislature that summarizes the survey results and those changes made to the safety net process as a result of the school district feedback.

(5) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) One staff member from the office of the superintendent of public instruction;

(b) Staff of the office of the state auditor who shall be nonvoting members of the committee; and

(c) One or more representatives from school districts or educational service districts knowledgeable of special education programs and funding.

(6) Beginning in the 2023-24 school year, the office of the superintendent of public instruction must distribute safety net awards to school districts on a quarterly basis if the following criteria are met:

(a) The safety net award is provided for a high-need student that receives special education services from an approved nonpublic agency located outside of the state of Washington;

(b) The school district successfully applied for and received a safety net award for the high-need student in a prior school year and the student's placement has not changed since that safety net award was granted;

(c) The safety net award is provided to a school district with fewer than 3,000 annual full-time equivalent enrolled students; and

(d) The school district meets all other safety net award eligibility requirements as determined by the safety net oversight committee.

(7) Beginning in the 2019-20 school year, a high-need student is eligible for safety

net awards from state funding under subsection (2) (e) and (g) of this section if the student's individualized education program costs exceed two and three-tenths times the average per-pupil expenditure as defined in Title 20 U.S.C. Sec. 7801, the every student succeeds act of 2015."

SB 5104 Prime Sponsor, Senator Salomon: Surveying Puget Sound marine shoreline habitat. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Environment & Energy.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that marine nearshore habitat in Puget Sound is important for the recovery of threatened and endangered species of salmon, orcas, and marine birds. Critical nearshore components include forage fish spawning

habitat, submerged aquatic vegetation, benthic substrate, adjacent upland vegetation, and the geomorphic processes that support a healthy ecosystem and food web. Establishing and regularly updating a publicly available baseline survey and map of general shoreline conditions, including the presence, location, and condition of nearshore development, is a critical tool for regulatory planning and restoration and mitigation opportunity identification by state agencies, local jurisdictions, tribal governments, and nongovernmental organizations.

NEW SECTION. **Sec. 2.** A new section is added to chapter 43.21A RCW to read as follows:

(1) The department must conduct and maintain a baseline survey of Puget Sound marine shorelines that utilizes new technology to capture georeferenced oblique aerial and 360 degree on-the-water imagery. Nothing in this section creates a requirement for the department to perform change analysis. However, the software used must have the capacity for change analysis review. These identified technologies are intended to be a minimum requirement and the department may utilize and incorporate additional tools and technologies as they become available. The survey must document and map existing general shoreline conditions, structures, and structure conditions. This information must be available to the public and incorporated into state geographic information system mapping with visual personally identifiable information removed from on-the-water imagery prior to posting.

(2) The initial marine oblique aerial and on-the-water imagery must be completed and publicly available by December 31, 2024, and updated on a regular two-year cycle thereafter. The survey to document and map existing shoreline conditions, structures, and structure conditions must be completed and publicly available by June 30, 2025, and updated on a regular two-year cycle thereafter.

(3) For the purposes of this section, "Puget Sound" means Puget Sound and related inland salt waters of the state of Washington inside the boundary line between Washington and British Columbia, the Strait of Juan de Fuca, Hood Canal, and the San Juan Islands.

NEW SECTION. **Sec. 3.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

E2SSB 5144 Prime Sponsor, Ways & Means: Providing for responsible environmental management of batteries. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Environment & Energy.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. INTENT. The legislature finds that:

(1) It is in the public interest of the citizens of Washington to encourage the recovery and reuse of materials, such as metals, that replace the output of mining and other extractive industries.

(2) Without a dedicated battery stewardship program, battery user confusion regarding proper disposal options will continue to persist.

(3) Ensuring the proper handling, recycling, and end-of-life management of used batteries prevents the release of toxic materials into the environment and removes materials from the waste stream that, if mishandled, may present safety concerns to workers, such as by igniting fires at solid waste handling facilities. For this reason, batteries should not be placed into commingled recycling containers or disposed of via traditional garbage collection containers.

(4) Jurisdictions around the world have successfully implemented battery stewardship laws that have helped address the challenges posed by the end-of-life management of batteries. Because it is difficult for customers to differentiate between types and chemistries of batteries, it is the best practice for battery stewardship programs to collect all battery types and chemistries. Furthermore, it is appropriate for larger batteries used in emerging market sectors such as electric vehicles, solar power arrays, and data centers, to be managed to ensure environmentally positive outcomes similar to those achieved by a battery stewardship program, both because of the potential economic value of large batteries used for these purposes and the anticipated profusion of these larger batteries as these market sectors mature.

NEW SECTION. Sec. 2. DEFINITIONS. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) (a) "Battery-containing product" means a product that contains or is packaged with rechargeable or primary batteries that are covered batteries.

(b) A "battery-containing product" does not include a covered electronic product

under an approved plan implemented under chapter 70A.500 RCW.

(2) "Battery management hierarchy" means a management system of covered batteries prioritized in descending order as follows:

(a) Waste prevention and reduction;

(b) Reuse, when reuse is appropriate;

(c) Recycling, as defined in this chapter; and

(d) Other means of end-of-life management, which may only be utilized after demonstrating to the department that it is not feasible to manage the batteries under the higher priority options in (a) through (c) of this subsection.

(3) "Battery stewardship organization" means a producer that directly implements a battery stewardship plan required under this chapter or a nonprofit organization designated by a producer or group of producers to implement a battery stewardship plan required under this chapter.

(4) "Collection rate" means a percentage, by weight, that a battery stewardship organization collects that is calculated by dividing the total weight of primary and rechargeable batteries collected during the previous calendar year by the average annual weight of primary and rechargeable batteries that were estimated to have been sold in the state by all producers participating in an approved battery stewardship plan during the previous three calendar years.

(5) (a) "Covered battery" means a portable battery or, beginning January 1, 2029, a medium format battery.

(b) "Covered battery" does not include:

(i) A battery contained within a medical device, as specified in Title 21 U.S.C. Sec. 321(h) as it existed as of the effective date of this section, that is not designed and marketed for sale or resale principally to consumers for personal use;

(ii) A battery that contains an electrolyte as a free liquid;

(iii) A lead acid battery weighing greater than 11 pounds;

(iv) A battery subject to the provisions of RCW 70A.205.505 through 70A.205.530; and

(v) A battery in a battery-containing product that is not intended or designed to be easily removable from the battery-containing product.

(6) "Department" means the department of ecology.

(7) "Easily removable" means designed by the manufacturer to be removable by the user of the product with no more than commonly used household tools.

(8) "Environmentally sound management practices" means practices that: (a) Comply with all applicable laws and rules to protect workers, public health, and the environment; (b) provide for adequate recordkeeping, tracking, and documenting of the fate of materials within the state and beyond; and (c) include comprehensive liability coverage for the battery stewardship organization, including environmental liability coverage that is commercially practicable.

(9) "Final disposition" means the final processing of a collected battery to produce usable end products, at the point where the battery has been reduced to its constituent parts, reusable portions made available for

use, and any residues handled as wastes in accordance with applicable law.

(10) "Large format battery" means:

(a) A rechargeable battery that weighs more than 25 pounds or has a rating of more than 2,000 watt-hours; or

(b) A primary battery that weighs more than 25 pounds.

(11) "Medium format battery" means the following primary or rechargeable covered batteries:

(a) For rechargeable batteries, a battery weighing more than 11 pounds or has a rating of more than 300 watt-hours, or both, and no more than 25 pounds and has a rating of no more than 2,000 watt-hours;

(b) For primary batteries, a battery weighing more than 4.4 pounds but not more than 25 pounds.

(12) "Portable battery" means the following primary or rechargeable covered batteries:

(a) For rechargeable batteries, a battery weighing no more than 11 pounds and has a rating of no more than 300 watt-hours;

(b) For primary batteries, a battery weighing no more than 4.4 pounds.

(13) "Primary battery" means a battery that is not capable of being recharged.

(14)(a) "Producer" means the following person responsible for compliance with requirements under this chapter for a covered battery or battery-containing product sold, offered for sale, or distributed in or into this state:

(i) For covered batteries:

(A) If the battery is sold under the brand of the battery manufacturer, the producer is the person that manufactures the battery;

(B) If the battery is sold under a retail brand or under a brand owned by a person other than the manufacturer, the producer is the brand owner;

(C) If there is no person to which (a)(i)(A) or (B) of this subsection applies, the producer is the person that is the licensee of a brand or trademark under which the battery is used in a commercial enterprise, sold, offered for sale, or distributed in or into this state, whether or not the trademark is registered in this state;

(D) If there is no person described in (a)(i)(A) through (C) of this subsection within the United States, the producer is the person who is the importer of record for the battery into the United States for use in a commercial enterprise that sells, offers for sale, or distributes the battery in this state;

(E) If there is no person described in (a)(i)(A) through (D) of this subsection with a commercial presence within the state, the producer is the person who first sells, offers for sale, or distributes the battery in or into this state.

(ii) For covered battery-containing products:

(A) If the battery-containing product is sold under the brand of the product manufacturer, the producer is the person that manufactures the product;

(B) If the battery-containing product is sold under a retail brand or under a brand owned by a person other than the

manufacturer, the producer is the brand owner;

(C) If there is no person to which (a)(ii)(A) or (B) of this subsection applies, the producer is the person that is the licensee of a brand or trademark under which the product is used in a commercial enterprise, sold, offered for sale, or distributed in or into this state, whether or not the trademark is registered in this state;

(D) If there is no person described in (a)(ii)(A) through (C) of this subsection within the United States, the producer is the person who is the importer of record for the product into the United States for use in a commercial enterprise that sells, offers for sale, or distributes the product in this state;

(E) If there is no person described in (a)(ii)(A) through (D) of this subsection with a commercial presence within the state, the producer is the person who first sells, offers for sale, or distributes the product in or into this state;

(F) A producer does not include any person who only manufactures, sells, offers for sale, distributes, or imports into the state a battery-containing product if the only batteries used by the battery-containing product are supplied by a producer that has joined a registered battery stewardship organization as the producer for that covered battery under this chapter. Such a producer of covered batteries that are included in a battery-containing product must provide written certification of that membership to both the producer of the covered battery-containing product and the battery stewardship organization of which the battery producer is a member.

(b) A person is the "producer" of a covered battery or covered battery-containing product sold, offered for sale, or distributed in or into this state, as defined in (a) of this subsection, except where another party has contractually accepted responsibility as a responsible producer and has joined a registered battery stewardship organization as the producer for that covered battery or covered battery-containing product under this chapter.

(15) "Program" means a program implemented by a battery stewardship organization consistent with an approved battery stewardship plan.

(16) "Rechargeable battery" means a battery that contains one or more voltaic or galvanic cells, electrically connected to produce electric energy, designed to be recharged.

(17) "Recycling" means transforming or remanufacturing waste materials into usable or marketable materials for use other than:

(a) Combustion;

(b) Incineration;

(c) Energy generation;

(d) Fuel production; or

(e) Beneficial reuse in the construction and operation of a solid waste landfill, including use of alternative daily cover.

(18) "Recycling efficiency rate" means the ratio of the weight of covered battery components and materials recycled by a program operator from covered batteries to

the weight of those covered batteries collected by the program operator.

(19) "Retailer" means a person who sells covered batteries or battery-containing products in or into this state or offers or otherwise makes available covered batteries or battery-containing products to a customer, including other businesses, for use by the customer in this state.

(20) "Urban area" means an area delineated by the United States census bureau, based on a minimum threshold of 2,000 housing units or 5,000 people, as of January 1, 2023.

NEW SECTION. Sec. 3. REQUIREMENT THAT PRODUCERS IMPLEMENT A STEWARDSHIP PLAN. Beginning January 1, 2027:

(1) Each producer selling, making available for sale, or distributing covered batteries or battery-containing products in or into the state of Washington shall participate in an approved Washington state battery stewardship plan through participation in and appropriate funding of a battery stewardship organization; and

(2) A producer that does not participate in a battery stewardship organization and battery stewardship plan may not sell covered batteries or battery-containing products covered by this chapter in or into Washington.

NEW SECTION. Sec. 4. ROLE OF RETAILERS. (1) Beginning July 1, 2027, for portable batteries, and July 1, 2029, for medium format batteries, a retailer may not sell, offer for sale, distribute, or otherwise make available for sale a covered battery or battery-containing product unless the producer of the covered battery or battery-containing product certifies to the retailer that the producer participates in a battery stewardship organization whose plan has been approved by the department.

(2) A retailer is in compliance with the requirements of subsection (1) of this section and is not subject to penalties under section 12 of this act as long as the website made available by the department under section 11 of this act lists, as of the date a product is made available for retail sale, a producer or brand of covered battery or battery-containing product sold by the retailer as being a participant in an approved plan or the implementer of an approved plan.

(3) Retailers of covered batteries or battery-containing products are not required to make retail locations available to serve as collection sites for a stewardship program operated by a battery stewardship organization. Retailers that serve as a collection site must comply with the requirements for collection sites, consistent with section 8 of this act.

(4) A retailer may not sell, offer for sale, distribute, or otherwise make available for sale covered batteries, unless those batteries are marked consistent with the requirements of section 14 of this act. A producer of a battery-containing product containing a covered battery must certify to the retailers of their product that the battery contained in the battery-containing

product is marked consistent with the requirements of section 14 of this act. A retailer may rely on this certification for purposes of compliance under this subsection.

(5) A retailer selling or offering covered batteries or battery-containing products for sale in Washington may provide information, provided to the retailer by the battery stewardship organization, regarding available end-of-life management options for covered batteries collected by the battery stewardship organization. The information that a battery stewardship organization must make available to retailers for voluntary use by retailers must include, but is not limited to, in-store signage, written materials, and other promotional materials that retailers may use to inform customers of the available end-of-life management options for covered batteries collected by the battery stewardship organization.

(6) Retailers, producers, or battery stewardship organizations may not charge a specific point-of-sale fee to consumers to cover the administrative or operational costs of the battery stewardship organization or the battery stewardship program.

NEW SECTION. Sec. 5. STEWARDSHIP PLAN COMPONENTS. (1) By July 1, 2026, or within six months of the adoption of rules under section 11 of this act, whichever comes later, each battery stewardship organization must submit a plan for covered portable batteries to the department for approval. Within 24 months of the date of the initial adoption of rules under this chapter by the department, each battery stewardship organization must submit a plan for covered medium format batteries to the department for approval. A battery stewardship organization may submit a plan at any time to the department for review and approval. The department must review and may approve a plan based on whether it contains and adequately addresses the following components:

(a) Lists and provides contact information for each producer, battery brand, and battery-containing product brand covered in the plan;

(b) Proposes performance goals, consistent with section 6 of this act, including establishing performance goals for each of the next three upcoming calendar years of program implementation;

(c) Describes how the battery stewardship organization will make retailers aware of their obligation to sell only covered batteries and battery-containing products of producers participating in an approved plan;

(d) Describes the education and communications strategy being implemented to effectively promote participation in the approved covered battery stewardship program and provide the information necessary for effective participation of consumers, retailers, and others;

(e) Describes how the battery stewardship organization will make available to retailers, for voluntary use, in-store signage, written materials, and other promotional materials that retailers may use

to inform customers of the available end-of-life management options for covered batteries collected by the battery stewardship organization;

(f) Lists promotional activities to be undertaken, and the identification of consumer awareness goals and strategies that the program will employ to achieve these goals after the program begins to be implemented;

(g) Includes collection site safety training procedures related to covered battery collection activities at collection sites, including appropriate protocols to reduce risks of spills or fires and response protocols in the event of a spill or fire, and a protocol for safe management of damaged batteries that are returned to collection sites;

(h) Describes the method to establish and administer a means for fully funding the program in a manner that equitably distributes the program's costs among the producers that are part of the battery stewardship organization. For producers that elect to meet the requirements of this chapter individually, without joining a battery stewardship organization, the plan must describe the proposed method to establish and administer a means for fully funding the program;

(i) Describes the financing methods used to implement the plan, consistent with section 7 of this act, including how producer fees and fee modulation will incorporate design for recycling and resource conservation as objectives, and a template reimbursement agreement, developed in consultation with local governments and other program stakeholders;

(j) Describes how the program will collect all covered battery chemistries and brands on a free, continuous, convenient, visible, and accessible basis, and consistent with the requirements of section 8 of this act, including a description of how the statewide convenience standard will be met and a list of collection sites, including the address and latitude and longitude of collection sites;

(k) Describes the criteria to be used in the program to determine whether an entity may serve as a collection site for discarded batteries under the program;

(l) Establishes collection goals for each of the first three years of implementation of the battery stewardship plan that are based on the estimated total weight of primary and rechargeable covered batteries that have been sold in the state in the previous three calendar years by the producers participating in the battery stewardship plan;

(m) Identifies proposed brokers, transporters, processors, and facilities to be used by the program for the final disposition of batteries and how collected batteries will be managed in:

(i) An environmentally sound and socially just manner at facilities operating with human health and environmental protection standards that are broadly equivalent to or better than those required in the United States and other countries that are members of the battery stewardship organization for economic cooperation and development; and

(ii) A manner consistent with the battery management hierarchy, including how each proposed facility used for the final disposition of batteries will recycle or otherwise manage batteries;

(n) Details how the program will achieve a recycling efficiency rate, calculated consistent with section 10 of this act, of at least 60 percent for rechargeable batteries and at least 70 percent for primary batteries;

(o) Proposes goals for increasing public awareness of the program, including subgoals applicable to public awareness of the program in vulnerable populations and overburdened communities identified by the department under chapter 70A.02 RCW, and describes how the public education and outreach components of the program under section 9 of this act will be implemented; and

(p) Specifies procedures to be employed by a local government seeking to coordinate with a battery stewardship organization pursuant to section 8(4)(c) of this act.

(2) If required by the department, a battery stewardship organization must submit a new plan to the department for approval:

(a) If there are significant changes to the methods of collection, transport, or end-of-life management of covered batteries under section 8 of this act that are not provided for in the plan. The department may, by rule, identify the types of significant changes that require a new plan to be submitted to the department for approval. For purposes of this subsection, adding or removing a processor or transporter under the plan is not considered a significant change that requires a plan resubmittal;

(b) To address the novel inclusion of medium format batteries or large format batteries as covered batteries under the plan; and

(c) No less than every five years.

(3) If required by the department, a battery stewardship organization must provide plan amendments to the department for approval:

(a) When proposing changes to the performance goals under section 6 of this act based on the up-to-date experience of the program;

(b) When there is a change to the method of financing plan implementation under section 7 of this act. This does not include changes to the fees or fee structure established in the plan; or

(c) When adding or removing a processor or transporter, as part of a quarterly update submitted to the department.

(4) As part of a quarterly update, a battery stewardship organization must notify the department after a producer begins or ceases to participate in a battery stewardship organization. The quarterly update submitted to the department must also include a current list of the producers and brands participating in the plan.

(5) No earlier than five years after the initial approval of a plan, the department may require a battery stewardship organization to submit a revised plan, which may include improvements to the collection site network or increased expenditures

dedicated to education and outreach if the approved plan has not met the performance goals under section 6 of this act.

NEW SECTION. Sec. 6. STEWARDSHIP PROGRAM COMPONENTS—PERFORMANCE GOALS. (1) Each battery stewardship plan must include performance goals that measure, on an annual basis, the achievements of the program. Performance goals must take into consideration technical feasibility and economic practicality in achieving continuous, meaningful progress in improving:

(a) The rate of battery collection for recycling in Washington;

(b) The recycling efficiency of the program; and

(c) Public awareness of the program.

(2) The performance goals established in each battery stewardship plan must include, but are not limited to:

(a) Target collection rates;

(b) Target recycling efficiency rates of at least 60 percent for rechargeable batteries and at least 70 percent for primary batteries; and

(c) Goals for public awareness, convenience, and accessibility that meet or exceed the minimum requirements established in section 8 of this act.

NEW SECTION. Sec. 7. STEWARDSHIP PROGRAM COMPONENTS—FUNDING. (1) Each battery stewardship organization must ensure adequate funding is available to fully implement approved battery stewardship plans, including the implementation of aspects of the plan addressing:

(a) Battery collection, transporting, and processing;

(b) Education and outreach;

(c) Program evaluation; and

(d) Payment of the administrative fees to the department under section 11 of this act.

(2) A battery stewardship organization implementing a battery stewardship plan on behalf of producers must develop, and continually improve over the years of program implementation, a system to collect charges from participating producers to cover the costs of plan implementation in an environmentally sound and socially just manner that encourages the use of design attributes that reduce the environmental impacts of covered batteries, such as through the use of eco-modulated fees. Examples of fee structures that meet the requirements of this subsection include using eco-modulated fees to:

(a) Encourage designs intended to facilitate reuse and recycling;

(b) Encourage the use of recycled content;

(c) Discourage the use of problematic materials that increase system costs of managing covered batteries; and

(d) Encourage other design attributes that reduce the environmental impacts of covered batteries.

(3)(a) Except for costs incurred by a local government or local government facility exercising the authority specified in section 8(4)(c) of this act, each battery

stewardship organization is responsible for all costs of participating covered battery collection, transportation, processing, education, administration, agency reimbursement, recycling, and end-of-life management in accordance with the battery management hierarchy and environmentally sound management practices.

(b) Each battery stewardship organization must meet the collection goals as specified in section 5 of this act.

(c) A battery stewardship organization is not authorized to reduce or cease collection, education and outreach, or other activities implemented under an approved plan based on achievement of program performance goals.

(4)(a) Except for costs incurred by a local government or local government facility exercising the authority granted by section 8(4)(c) of this act, a battery stewardship organization must reimburse local governments for demonstrable costs, as defined by rules adopted by the department, incurred as a result of a local government facility or solid waste handling facility serving as a collection site for a program including, but not limited to, associated labor costs and other costs associated with accessibility and collection site standards such as storage.

(b) Except as to the costs of containers and other materials and services requirements addressed by a local government or local government facility exercising the authority granted by section 8(4)(c) of this act, a battery stewardship organization shall at a minimum provide collection sites with appropriate containers for covered batteries subject to its program, training, signage, safety guidance, and educational materials, at no cost to the collection sites.

(c) A battery stewardship organization must include in its battery stewardship plan a template of the service agreement and any other forms, contracts, or other documents for use in distribution of reimbursements. The service agreement template must be developed with local government input. The entities seeking or receiving reimbursement from the battery stewardship organization are not required to use the template agreement included in the program plan and are not limited to the terms of the template agreement included in the program plan.

NEW SECTION. Sec. 8. STEWARDSHIP PROGRAM COMPONENTS—COLLECTION AND MANAGEMENT REQUIREMENTS. (1) Battery stewardship organizations implementing a battery stewardship plan must provide for the collection of all covered batteries, including all chemistries and brands of covered batteries, on a free, continuous, convenient, visible, and accessible basis to any person, business, government agency, or nonprofit organization. Except as provided in subsection (2)(b) of this section, each battery stewardship plan must allow any person, business, government agency, or nonprofit organization to discard each chemistry and brand of covered battery at each collection site that counts towards the

satisfaction of the collection site criteria in subsection (3) of this section.

(2)(a) Except for local government collection described in subsection (4)(c) of this section, for each collection site utilized by the program, each battery stewardship organization must provide suitable collection containers for covered batteries that are segregated from other solid waste or make mutually agreeable alternative arrangements for the collection of batteries at the site. The location of collection containers at each collection site used by the program must be within view of a responsible person and must be accompanied by signage made available to the collection site by the battery stewardship organization that informs customers regarding the end-of-life management options for batteries provided by the collection site under this chapter. Each collection site must adhere to the operations manual and other safety information provided to the collection site by the battery stewardship organization.

(b) Medium format batteries may only be collected at household hazardous waste collection sites or other sites that are staffed by persons who are certified to handle and ship hazardous materials under federal regulations adopted by the United States department of transportation pipeline and hazardous materials safety administration.

(c)(i) Damaged and defective batteries are intended to be collected at collection sites staffed by persons trained to handle and ship those batteries.

(ii) Each battery stewardship organization must provide for collection of damaged and defective batteries in each county of the state, either through collection sites or collection events with qualified staff as specified in (c)(i) of this subsection. Collection events should be provided periodically throughout the year where practicable, but must be provided at least once per year at a minimum, in each county in which there are not permanent collection sites providing for the collection of damaged and defective batteries.

(iii) As used in this subsection, "damaged and defective batteries" means batteries that have been damaged or identified by the manufacturer as being defective for safety reasons, that have the potential of producing a dangerous evolution of heat, fire, or short circuit, as referred to in 49 C.F.R. Sec. 173.185(f) as of January 1, 2023, or as updated by the department by rule to maintain consistency with federal standards.

(3)(a) Each battery stewardship organization implementing a battery stewardship plan shall ensure statewide collection opportunities for all covered batteries. Battery stewardship organizations shall coordinate activities with other program operators, including covered battery collection and recycle programs and electronic waste recyclers, with regard to the proper management or recycling of collected covered batteries, for purposes of providing the efficient delivery of services and avoiding unnecessary duplication of

effort and expense. Statewide collection opportunities must be determined by geographic information modeling that considers permanent collection sites. A program may rely, in part, on collection events to supplement the permanent collection services required in (a) and (b) of this subsection. However, only permanent collection services specified in (a) and (b) of this subsection qualify towards the satisfaction of the requirements of this subsection.

(b) For portable batteries, each battery stewardship organization must provide statewide collection opportunities that include, but are not limited to, the provision of:

(i) At least one permanent collection site for portable batteries within a 15 mile radius for at least 95 percent of Washington residents;

(ii) The establishment of collection sites that are accessible and convenient to overburdened communities identified by the department under chapter 70A.02 RCW, in an amount that is roughly proportional to the number and population of overburdened communities identified by the department under chapter 70A.02 RCW relative to the population or size of the state as a whole;

(iii) At least one permanent collection site for portable batteries in addition to those required in (b)(i) of this subsection for every 30,000 residents of each urban area in this state. For the purposes of compliance with this subsection (3)(b)(iii), a battery stewardship organization and the department may rely upon new or updated designations of urban locations by the United States census bureau that are determined by the department to be similar to the definition of urban areas in section 2 of this act;

(iv) Collection opportunities for portable batteries at special locations where batteries are often spent and replaced, such as supervised locations at parks with stores and campgrounds; and

(v) Service to areas without a permanent collection site, including service to island and geographically isolated communities without a permanent collection site.

(c) For medium format batteries, a battery stewardship organization must provide statewide collection opportunities that include, but are not limited to, the provision of:

(i) At least 25 permanent collection sites in Washington;

(ii) Reasonable geographic dispersion of collection sites throughout the state;

(iii) A collection site in each county of at least 200,000 persons, as determined by the most recent population estimate of the office of financial management;

(iv) The establishment of collection sites that are accessible to public transit and that are convenient to overburdened communities identified by the department under chapter 70A.02 RCW; and

(v) Service to areas without a permanent collection site, including service to island and geographically isolated communities. A battery stewardship organization must ensure that there is a collection site or annual collection event in each county of the

state. Collection events should be provided periodically throughout the year where practicable, but must be provided at least once per year at a minimum in each county in which there are not permanent collection sites providing for the collection of damaged and defective batteries.

(4) (a) Battery stewardship programs must use existing public and private waste collection services and facilities, including battery collection sites that are established through other battery collection services, transporters, consolidators, processors, and retailers, where cost-effective, mutually agreeable, and otherwise practicable.

(b) (i) Battery stewardship programs must use as a collection site for covered batteries any retailer, wholesaler, municipality, solid waste management facility, or other entity that meets the criteria for collection sites in the approved plan, upon the submission of a request by the entity to the battery stewardship organization to serve as a collection site.

(ii) Battery stewardship programs must use as a site for a collection event for covered batteries any retailer, wholesaler, municipality, solid waste management facility, or other entity that meets the criteria for collection events in the approved plan, upon the submission of a request by the entity to the battery stewardship organization to serve as a site for a collection event. A signed agreement between a battery stewardship organization and the entity requesting to hold a collection event must be established at least 60 days prior to any collection of covered batteries under a stewardship program. All costs associated with collection events initiated by an entity other than a battery stewardship organization are the sole responsibility of the entity unless otherwise agreed upon by a battery stewardship organization. A collection event under this subsection (4) (b) (ii) must allow any person to discard each chemistry and brand of covered battery at the collection event.

(c) (i) A local government facility may collect batteries at its own expense through a collection site or temporary collection event that is not a collection site or event under the program implemented by a battery stewardship organization. A local government facility that collects covered batteries under this subsection must, in accordance with procedures set forth in battery stewardship organization plans approved by the department:

(A) Notify battery stewardship organizations of the local government facility's decision to operate a collection site that is not a collection site under a program established under this chapter;

(B) Collect each chemistry and brand of covered battery at its collection site or sites;

(C) Collect, sort, and package collected materials in a manner that meets the standards established in a battery stewardship organization plan approved by the department;

(D) Either provide the collected batteries to the battery stewardship organization in lawful transportation containers for it to transfer the collected batteries at a processing facility the battery stewardship organization has approved, or transport to, or arrange for the transportation of collected batteries for processing at a facility that a battery stewardship organization has approved under a plan approved by the department.

(ii) A local government facility that collects materials at a collection site or temporary collection event operating outside of a battery stewardship program must also report, to a battery stewardship organization, information necessary for the battery stewardship organization to fulfill its reporting obligations under section 10 of this act. A battery stewardship organization may count materials collected by a local government facility under this subsection (4) (c) towards the achievement of performance requirements established in section 6 of this act.

(d) A battery stewardship organization may suspend or terminate a collection site or service that does not adhere to the collection site criteria in the approved plan or that poses an immediate health and safety concern.

(5) (a) Stewardship programs are not required to provide for the collection of battery-containing products.

(b) Stewardship programs are not required to provide for the collection of batteries that:

(i) Are not easily removable from the product other than by the manufacturer; and

(ii) Remain contained in a battery-containing product at the time of delivery to a collection site.

(c) Stewardship programs are required to provide for the collection of loose batteries.

(d) Stewardship programs are not required to provide for the collection of batteries still contained in covered electronic products under chapter 70A.500 RCW.

(6) Batteries collected by the program must be managed consistent with the battery management hierarchy. Lower priority end-of-life battery management options on the battery management hierarchy may be used by a program only when a battery stewardship organization documents to the department that all higher priority battery management options on the battery management hierarchy are not technologically feasible or economically practical.

NEW SECTION. Sec. 9. STEWARDSHIP PROGRAM COMPONENTS—EDUCATION AND OUTREACH REQUIREMENTS. (1) Each battery stewardship organization must carry out promotional activities in support of plan implementation including, but not limited to, the development:

(a) And maintenance of a website;

(b) And distribution of periodic press releases and articles;

(c) And placement of advertisements for use on social media or other relevant media platforms;

(d) Of promotional materials about the program and the restriction on the disposal of covered batteries in section 15 of this act to be used by retailers, government agencies, and nonprofit organizations;

(e) And distribution of collection site safety training procedures that are in compliance with state law to collection sites to help ensure proper management of covered batteries at collection sites; and

(f) And implementation of outreach and educational resources targeted to overburdened communities and vulnerable populations identified by the department under chapter 70A.02 RCW that are conceptually, linguistically, and culturally accurate for the communities served and reach the state's diverse ethnic populations, including through meaningful consultation with communities that bear disproportionately higher levels of adverse environmental and social justice impacts.

(2) Each battery stewardship organization must provide:

(a) Consumer-focused educational promotional materials to each collection site used by the program and accessible by customers of retailers that sell covered batteries or battery-containing products; and

(b) Safety information related to covered battery collection activities to the operator of each collection site, including appropriate protocols to reduce risks of spills or fires and response protocols in the event of a spill or fire.

(3) (a) Each battery stewardship organization must provide educational materials to the operator of each collection site for the management of recalled batteries, which are not intended to be part of collection as provided under section 8 of this act, to help facilitate transportation and processing of recalled batteries.

(b) A battery stewardship organization may seek reimbursement from the producer of the recalled battery for expenses incurred in the collection, transportation, or processing of those batteries.

(4) Upon request by a retailer, the battery stewardship organization must provide the retailer educational materials describing collection opportunities for batteries.

(5) If multiple battery stewardship organizations are implementing plans approved by the department, the battery stewardship organizations must coordinate in carrying out their education and outreach responsibilities under this section and must include in their annual reports to the department under section 10 of this act a summary of their coordinated education and outreach efforts.

(6) During the first year of program implementation and every five years thereafter, each battery stewardship organization must carry out a survey of public awareness regarding the requirements of the program established under this chapter, including the provisions of section 15 of this act. Each battery stewardship organization must share the results of the public awareness surveys with the department.

NEW SECTION. **Sec. 10.** REPORTING REQUIREMENTS. (1) By June 1, 2028, and each June 1st thereafter, each battery stewardship organization must submit an annual report to the department covering the preceding calendar year of battery stewardship plan implementation. The report must include:

(a) An independent financial assessment of a program implemented by the battery stewardship organization, including a breakdown of the program's expenses, such as collection, recycling, education, and overhead, when required by the department;

(b) A summary financial statement documenting the financing of a battery stewardship organization's program and an analysis of program costs and expenditures, including an analysis of the program's expenses, such as collection, transportation, recycling, education, and administrative overhead. The summary financial statement must be sufficiently detailed to provide transparency that funds collected from producers as a result of their activities in Washington are spent on program implementation in Washington. Battery stewardship organizations implementing similar battery stewardship programs in multiple states may submit a financial statement including all covered states, as long as the statement breaks out financial information pertinent to Washington;

(c) The weight, by chemistry, of covered batteries collected under the program;

(d) The weight of materials recycled from covered batteries collected under the program, in total, and by method of battery recycling;

(e) A calculation of the recycling efficiency rates, as measured consistent with subsection (2) of this section;

(f) For each facility used for the final disposition of batteries, a description of how the facility recycled or otherwise disposed of batteries and battery components;

(g) The weight and chemistry of batteries sent to each facility used for the final disposition of batteries. The information in this subsection (1)(g) may be approximated for program operations in Washington based on extrapolations of national or regional data for programs in operation in multiple states;

(h) The collection rate achieved under the program, including a description of how this collection rate was calculated;

(i) The estimated aggregate sales, by weight and chemistry, of batteries and batteries contained in or with battery-containing products sold in Washington by participating producers for each of the previous three calendar years;

(j) A description of the manner in which the collected batteries were managed and recycled, including a discussion of best available technologies and the recycling efficiency rate;

(k) A description of education and outreach efforts supporting plan implementation including, but not limited to, a summary of education and outreach provided to consumers, collection sites, manufacturers, distributors, and retailers

by the program operator for the purpose of promoting the collection and recycling of covered batteries, a description of how that education and outreach met the requirements of section 9 of this act, samples of education and outreach materials, a summary of coordinated education and outreach efforts with any other battery stewardship organizations implementing a plan approved by the department, and a summary of any changes made during the previous calendar year to education and outreach activities;

(l) A list of all collection sites and accompanying latitude and longitude data and an address for each listed site, and an up-to-date map indicating the location of all collection sites used to implement the program, with links to appropriate websites where there are existing websites associated with a site;

(m) A description of methods used to collect, transport, and recycle covered batteries by the battery stewardship organization;

(n) A summary on progress made towards the program performance goals established under section 6 of this act, and an explanation of why performance goals were not met, if applicable; and

(o) An evaluation of the effectiveness of education and outreach activities.

(2) The weight of batteries or recovered resources from those batteries must only be counted once and may not be counted by more than one battery stewardship organization.

(3) In addition to the requirements of subsection (1) of this section, with respect to each facility used in the processing or disposition of batteries collected under the program, the battery stewardship organization must report:

(a) Whether the facility is located domestically, in an organization for economic cooperation and development country, or in a country that meets organization for economic cooperation and development operating standards; and

(b) What facilities processed the batteries, including a summary of any violations of environmental or labor laws and regulations over the previous three years at each facility.

(4) If a battery stewardship organization has disposed of covered batteries through energy recovery, incineration, or landfilling during the preceding calendar year of program implementation, the annual report must specify the steps that the battery stewardship organization will take to make the recycling of covered batteries cost-effective, where possible, or to otherwise increase battery recycling rates achieved by the battery stewardship organization.

(5) A producer or battery stewardship organization that submits information or records to the department under this chapter may request that the information or records be made available only for the confidential use of the department, the director of the department, or the appropriate division of the department. The director of the department must consider the request and if this action is not detrimental to the public interest and is otherwise in accordance with the policies and purposes of chapter 43.21A

RCW, the director must grant the request for the information to remain confidential as authorized in RCW 43.21A.160.

NEW SECTION. **Sec. 11. FEE AND DEPARTMENT OF ECOLOGY ROLE.** (1) The department must adopt rules as necessary for the purpose of implementing, administering, and enforcing this chapter. The department must by rule establish fees, to be paid annually by a battery stewardship organization, that are adequate to cover the department's full costs of implementing, administering, and enforcing this chapter and allocates costs between battery stewardship organizations, if applicable. If the department adopts rules that require producers of certain large format batteries or other battery categories addressed in section 16 of this act to participate in a battery stewardship organization regulated by the department, the department may establish fees to be paid annually by a battery stewardship organization that are adequate to cover the department's full costs of implementing, administering, and enforcing the requirements of this chapter applicable to those batteries. All fees must be based on costs related to implementing, administering, and enforcing this chapter, not to exceed expenses incurred by the department for these activities.

(2) The responsibilities of the department in implementing, administering, and enforcing this chapter include, but are not limited to:

(a) Reviewing submitted stewardship plans and plan amendments and making determinations as to whether to approve the plan or plan amendment;

(i) The department must provide a letter of approval for the plan or plan amendment if it provides for the establishment of a stewardship program that meets the requirements of sections 3 through 9 of this act;

(ii) If a plan or plan amendment is rejected, the department must provide the reasons for rejecting the plan to the battery stewardship organization. The battery stewardship organization must submit a new plan within 60 days after receipt of the letter of disapproval; and

(iii) When a plan or an amendment to an approved plan is submitted under this section, the department shall make the proposed plan or amendment available for public review and comment for at least 30 days;

(b) Reviewing annual reports submitted under section 10 of this act within 90 days of submission to ensure compliance with that section;

(c) (i) Maintaining a website that lists producers and their brands that are participating in an approved plan, and that makes available to the public each plan, plan amendment, and annual report received by the department under this chapter;

(ii) Upon the date the first plan is approved, the department must post on its website a list of producers and their brands for which the department has approved a plan. The department must update the list of producers and brands participating under an

approved program plan based on information provided to the department from battery stewardship organizations; and

(d) Providing technical assistance to producers and retailers related to the requirements of this chapter and issuing orders or imposing civil penalties authorized under section 12 of this act where the technical assistance efforts do not lead to compliance by a producer or retailer.

(3) Beginning January 1, 2032, and every five years thereafter, after consultation with battery stewardship organizations, the department may by rule increase the minimum recycling efficiency rates established in section 6 of this act based on the most economically and technically feasible processes and methodology available.

NEW SECTION. Sec. 12. PENALTIES AND CIVIL ACTION PROVISIONS. (1)(a) A battery stewardship organization implementing an approved plan may bring a civil action or actions to recover costs, damages, and fees, as specified in this section, from a producer who sells or otherwise makes available in Washington covered batteries, battery-containing products, or large format batteries not included in an approved plan in violation of the requirements of this chapter. An action under this section may be brought against one or more defendants. An action may only be brought against a defendant producer when the stewardship program incurs costs in Washington, including reasonable incremental administrative and program promotional costs, in excess of \$1,000 to collect, transport, and recycle or otherwise dispose of the covered batteries, battery-containing products, or large format batteries of a nonparticipating producer.

(b) A battery stewardship organization may bring a civil action against a producer of a recalled battery to recover costs associated with handling a recalled battery.

(c) A battery stewardship organization implementing an approved stewardship plan may bring a civil action against another battery stewardship organization that under performs on its battery collection obligations under this chapter by failing to collect and provide for the end-of-life management of batteries in an amount roughly equivalent to costs imposed on the plaintiff battery stewardship organization by virtue of the failures of the defendants, plus legal fees and expenses.

(d) The remedies provided in this subsection are in addition to the enforcement authority of the department and do not limit and are not limited by a decision by the department to impose a civil penalty or issue an order under subsection (2) of this section. The department is not required to audit, participate in, or provide assistance to a battery stewardship organization pursuing a civil action authorized under this subsection.

(2)(a) The department may administratively impose a civil penalty on a person who violates this chapter in an amount of up to \$1,000 per violation per day.

(b) The department may administratively impose a civil penalty of up to \$10,000 per violation per day on a person for repeated violations of this chapter or failure to comply with an order issued under (c) of this subsection.

(c) Whenever on the basis of any information the department determines that a person has violated or is in violation of this chapter, the department may issue an order requiring compliance. A person who fails to take corrective action as specified in a compliance order is liable for a civil penalty as provided in (b) of this subsection, without receiving a written warning prescribed in (e) of this subsection.

(d) A person who is issued an order or incurs a penalty under this section may appeal the order or penalty to the pollution control hearings board established by chapter 43.21B RCW.

(e) Prior to imposing penalties under this section, the department must provide a producer, retailer, or battery stewardship organization with a written warning for the first violation by the producer, retailer, or battery stewardship organization of the requirements of this chapter. The written warning must inform a producer, retailer, or battery stewardship organization that it must participate in an approved plan or otherwise come into compliance with the requirements of this chapter within 30 days of the notice. A producer, retailer, or battery stewardship organization that violates a provision of this chapter after the initial written warning may be assessed a penalty as provided in this subsection.

(3) Penalties levied under subsection (2) of this section must be deposited in the model toxics control operating account created in RCW 70A.305.180.

(4) No penalty may be assessed on an individual or resident for the improper disposal of covered batteries as described in section 15 of this act in a noncommercial or residential setting.

NEW SECTION. Sec. 13. RESPONSIBLE BATTERY MANAGEMENT ACCOUNT. The responsible battery management account is created in the custody of the state treasurer. All receipts from fees paid under this chapter must be deposited in the account. Only the director of the department or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. Moneys in the account may be used solely by the department for administering, implementing, and enforcing the requirements of this chapter. Funds in the account may not be diverted for any purpose or activity other than those specified in this section.

NEW SECTION. Sec. 14. MARKING REQUIREMENTS FOR BATTERIES. (1) Beginning January 1, 2028, a producer or retailer may only sell, distribute, or offer for sale in or into Washington a large format battery, covered battery, or battery-containing product that contains a battery that is

designed or intended to be easily removable from the product, if the battery is:

(a) Marked with an identification of the producer of the battery, unless the battery is less than one-half inch in diameter or does not contain a surface whose length exceeds one-half inch; and

(b) Beginning January 1, 2030, marked with proper labeling to ensure proper collection and recycling, by identifying the chemistry of the battery and including an indication that the battery should not be disposed of as household waste.

(2) A producer shall certify to its customers, or to the retailer if the retailer is not the customer, that the requirements of this section have been met, as provided in section 4 of this act.

(3) The department may amend, by rule, the requirements of subsection (1) of this section to maintain consistency with the labeling requirements or voluntary standards for batteries established in federal law.

NEW SECTION. Sec. 15. GENERAL BATTERY DISPOSAL AND COLLECTION REQUIREMENTS. Effective July 1, 2027, for portable batteries and July 1, 2029, for medium format batteries, or the first date on which an approved plan begins to be implemented under this chapter by a battery stewardship organization, whichever comes first:

(1) All persons must dispose of unwanted covered batteries through one of the following disposal options:

(a) Disposal using the collection sites established by or included in the programs created by this chapter;

(b) For covered batteries generated by persons that are regulated generators of covered batteries under federal or state hazardous or solid waste laws, disposal in a manner consistent with the requirements of those laws; or

(c) Disposal using local government collection facilities that collect batteries consistent with section 8(4)(c) of this act.

(2)(a) A fee may not be charged at the time unwanted covered batteries are delivered or collected for management.

(b) All covered batteries may only be collected, transported, and processed in a manner that meets the standards established for a battery stewardship organization in a plan approved by the department, unless the batteries are being managed as described in subsection (1)(b) of this section.

(3) A person may not place covered batteries in waste containers for disposal at incinerators, waste to energy facilities, or landfills.

(4) A person may not place covered batteries in or on a container for mixed recyclables unless there is a separate location or compartment for the covered battery that complies with local government collection standards or guidelines.

(5) An owner or operator of a solid waste facility may not be found in violation of this section if the facility has posted in a conspicuous location a sign stating that covered batteries must be managed through collection sites established by a battery stewardship organization and are not accepted for disposal.

(6) A solid waste collector may not be found in violation of this section for a covered battery placed in a disposal container by the generator of the covered battery.

NEW SECTION. Sec. 16. DEPARTMENT ASSESSMENT OF LARGE FORMAT BATTERIES, MEDICAL DEVICES, LEAD ACID BATTERIES, AND BATTERY-CONTAINING PRODUCTS AND THEIR BATTERIES. (1) By July 1, 2027, the department must complete an assessment of the opportunities and challenges associated with the end-of-life management of batteries that are not covered batteries, including:

(a) Large format batteries;

(b) Lead acid batteries that are greater than 11 pounds or are subject to the provisions of RCW 70A.205.505 through 70A.205.530;

(c) Batteries contained in medical devices, as specified in Title 21 U.S.C. Sec. 360c as it existed as of the effective date of this section that are not designed and marketed for sale or resale principally to consumers for personal use; and

(d) Batteries not intended or designed to be easily removed by a customer that are contained in battery-containing products, including medical devices, and in electronic products that are not covered electronic products managed under an approved plan implemented under chapter 70A.500 RCW.

(2) The department must consult with the department of commerce and interested stakeholders in completing the assessment, including consultation with overburdened communities and vulnerable populations identified by the department under chapter 70A.02 RCW. The assessment must identify any needed adjustments to the stewardship program requirements established in this chapter that are necessary to maximize public health, safety, and environmental benefits, such as battery reuse.

(3) The assessment must consider:

(a) The different categories and uses of batteries and battery-containing products listed in subsection (1) of this section;

(b) The current economic value and reuse or recycling potential of large format batteries or large format battery components and a summary of studies examining the environmental and equity implications of displacing demand for new rare earth materials, critical materials, and other conflict materials through the reuse and recycling of batteries;

(c) The current methods by which unwanted batteries and battery-containing products listed in subsection (1) of this section are managed in Washington and nearby states and provinces;

(d) Challenges posed by the potential collection, management, and transport of batteries and battery-containing products listed in subsection (1) of this section, including challenges associated with removing batteries that were not intended or designed to be easily removable from products, other than by the manufacturer; and

(e) Which criteria of this chapter should apply to batteries and battery-containing products listed in subsection (1) of this

section in a manner that is identical or analogous to the requirements applicable to covered batteries.

(4) By October 1, 2027, the department must submit a report to the appropriate committees of the legislature containing the findings of the assessment required in this section.

NEW SECTION. Sec. 17. DEPARTMENT OF ECOLOGY RECOMMENDATIONS FOR MANAGEMENT OF ELECTRIC VEHICLE BATTERIES. (1) By November 30, 2023, the department of ecology must submit a report to the appropriate committees of the legislature on preliminary policy recommendations for the collection and management of electric vehicle batteries. By April 30, 2024, the department of ecology must report to the appropriate committees of the legislature on final policy recommendations for the collection and management of electric vehicle batteries.

(2) In developing the recommendations under subsection (1) of this section, the department of ecology must:

(a) Solicit input from representatives of automotive wrecking and salvage yards, solid waste collection and processing companies, local governments, environmental organizations, electric vehicle manufacturers, and any other interested parties; and

(b) Examine best practices in other states and jurisdictions.

NEW SECTION. Sec. 18. ANTITRUST. Producers or battery stewardship organizations acting on behalf of producers that prepare, submit, and implement a battery stewardship program pursuant to this chapter and who are thereby subject to regulation by the department are granted immunity from state laws relating to antitrust, restraint of trade, unfair trade practices, and other regulation of trade and commerce, for the limited purpose of planning, reporting, and operating a battery stewardship program, including:

(1) The creation, implementation, or management of a battery stewardship organization and any battery stewardship plan regardless of whether it is submitted, denied, or approved;

(2) The determination of the cost and structure of a battery stewardship plan; and

(3) The types or quantities of batteries being recycled or otherwise managed pursuant to this chapter.

NEW SECTION. Sec. 19. AUTHORITY OF THE UTILITIES AND TRANSPORTATION COMMISSION. Nothing in this chapter changes or limits the authority of the Washington utilities and transportation commission to regulate collection of solid waste, including curbside collection of residential recyclable materials, nor does this chapter change or limit the authority of a city or town to provide the service itself or by contract under RCW 81.77.020.

Sec. 20. RCW 43.21B.110 and 2022 c 180 s 812 are each amended to read as follows:

(1) The hearings board shall only have jurisdiction to hear and decide appeals from the following decisions of the department, the director, local conservation districts, the air pollution control boards or authorities as established pursuant to chapter 70A.15 RCW, local health departments, the department of natural resources, the department of fish and wildlife, the parks and recreation commission, and authorized public entities described in chapter 79.100 RCW:

(a) Civil penalties imposed pursuant to RCW 18.104.155, 70A.15.3160, 70A.300.090, 70A.20.050, 70A.530.040, 70A.350.070, 70A.515.060, 70A.245.040, 70A.245.050, 70A.245.070, 70A.245.080, 70A.65.200, 70A.455.090, section 12 of this act, 76.09.170, 77.55.440, 78.44.250, 88.46.090, 90.03.600, 90.46.270, 90.48.144, 90.56.310, 90.56.330, and 90.64.102.

(b) Orders issued pursuant to RCW 18.104.043, 18.104.060, 43.27A.190, 70A.15.2520, 70A.15.3010, 70A.300.120, 70A.350.070, 70A.245.020, 70A.65.200, section 12 of this act, 86.16.020, 88.46.070, 90.14.130, 90.46.250, 90.48.120, and 90.56.330.

(c) Except as provided in RCW 90.03.210(2), the issuance, modification, or termination of any permit, certificate, or license by the department or any air authority in the exercise of its jurisdiction, including the issuance or termination of a waste disposal permit, the denial of an application for a waste disposal permit, the modification of the conditions or the terms of a waste disposal permit, or a decision to approve or deny an application for a solid waste permit exemption under RCW 70A.205.260.

(d) Decisions of local health departments regarding the grant or denial of solid waste permits pursuant to chapter 70A.205 RCW.

(e) Decisions of local health departments regarding the issuance and enforcement of permits to use or dispose of biosolids under RCW 70A.226.090.

(f) Decisions of the department regarding waste-derived fertilizer or micronutrient fertilizer under RCW 15.54.820, and decisions of the department regarding waste-derived soil amendments under RCW 70A.205.145.

(g) Decisions of local conservation districts related to the denial of approval or denial of certification of a dairy nutrient management plan; conditions contained in a plan; application of any dairy nutrient management practices, standards, methods, and technologies to a particular dairy farm; and failure to adhere to the plan review and approval timelines in RCW 90.64.026.

(h) Any other decision by the department or an air authority which pursuant to law must be decided as an adjudicative proceeding under chapter 34.05 RCW.

(i) Decisions of the department of natural resources, the department of fish and wildlife, and the department that are reviewable under chapter 76.09 RCW, and the department of natural resources' appeals of county, city, or town objections under RCW 76.09.050(7).

(j) Forest health hazard orders issued by the commissioner of public lands under RCW 76.06.180.

(k) Decisions of the department of fish and wildlife to issue, deny, condition, or modify a hydraulic project approval permit under chapter 77.55 RCW, to issue a stop work order, to issue a notice to comply, to issue a civil penalty, or to issue a notice of intent to disapprove applications.

(l) Decisions of the department of natural resources that are reviewable under RCW 78.44.270.

(m) Decisions of an authorized public entity under RCW 79.100.010 to take temporary possession or custody of a vessel or to contest the amount of reimbursement owed that are reviewable by the hearings board under RCW 79.100.120.

(n) Decisions of the department of ecology that are appealable under RCW 70A.245.020 to set recycled minimum postconsumer content for covered products or to temporarily exclude types of covered products in plastic containers from minimum postconsumer recycled content requirements.

(o) Orders by the department of ecology under RCW 70A.455.080.

(2) The following hearings shall not be conducted by the hearings board:

(a) Hearings required by law to be conducted by the shorelines hearings board pursuant to chapter 90.58 RCW.

(b) Hearings conducted by the department pursuant to RCW 70A.15.3010, 70A.15.3070, 70A.15.3080, 70A.15.3090, 70A.15.3100, 70A.15.3110, and 90.44.180.

(c) Appeals of decisions by the department under RCW 90.03.110 and 90.44.220.

(d) Hearings conducted by the department to adopt, modify, or repeal rules.

(3) Review of rules and regulations adopted by the hearings board shall be subject to review in accordance with the provisions of the administrative procedure act, chapter 34.05 RCW.

Sec. 21. RCW 43.21B.300 and 2022 c 180 s 813 are each amended to read as follows:

(1) Any civil penalty provided in RCW 18.104.155, 70A.15.3160, 70A.205.280, 70A.300.090, 70A.20.050, 70A.245.040, 70A.245.050, 70A.245.070, 70A.245.080, 70A.65.200, 70A.455.090, section 12 of this act, 88.46.090, 90.03.600, 90.46.270, 90.48.144, 90.56.310, 90.56.330, and 90.64.102 and chapter 70A.355 RCW shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the penalty from the department or the local air authority, describing the violation with reasonable particularity. For penalties issued by local air authorities, within 30 days after the notice is received, the person incurring the penalty may apply in writing to the authority for the remission or mitigation of the penalty. Upon receipt of the application, the authority may remit or mitigate the penalty upon whatever terms the authority in its discretion deems proper. The authority may ascertain the facts regarding all such applications in such reasonable manner and

under such rules as it may deem proper and shall remit or mitigate the penalty only upon a demonstration of extraordinary circumstances such as the presence of information or factors not considered in setting the original penalty.

(2) Any penalty imposed under this section may be appealed to the pollution control hearings board in accordance with this chapter if the appeal is filed with the hearings board and served on the department or authority 30 days after the date of receipt by the person penalized of the notice imposing the penalty or 30 days after the date of receipt of the notice of disposition by a local air authority of the application for relief from penalty.

(3) A penalty shall become due and payable on the later of:

(a) (~~Thirty~~) 30 days after receipt of the notice imposing the penalty;

(b) (~~Thirty~~) 30 days after receipt of the notice of disposition by a local air authority on application for relief from penalty, if such an application is made; or

(c) (~~Thirty~~) 30 days after receipt of the notice of decision of the hearings board if the penalty is appealed.

(4) If the amount of any penalty is not paid to the department within 30 days after it becomes due and payable, the attorney general, upon request of the department, shall bring an action in the name of the state of Washington in the superior court of Thurston county, or of any county in which the violator does business, to recover the penalty. If the amount of the penalty is not paid to the authority within 30 days after it becomes due and payable, the authority may bring an action to recover the penalty in the superior court of the county of the authority's main office or of any county in which the violator does business. In these actions, the procedures and rules of evidence shall be the same as in an ordinary civil action.

(5) All penalties recovered shall be paid into the state treasury and credited to the general fund except those penalties imposed pursuant to RCW 18.104.155, which shall be credited to the reclamation account as provided in RCW 18.104.155(7), RCW 70A.15.3160, the disposition of which shall be governed by that provision, RCW 70A.245.040 and 70A.245.050, which shall be credited to the recycling enhancement account created in RCW 70A.245.100, RCW 70A.300.090 and section 12 of this act, which shall be credited to the model toxics control operating account created in RCW 70A.305.180, RCW 70A.65.200, which shall be credited to the climate investment account created in RCW 70A.65.250, RCW 90.56.330, which shall be credited to the coastal protection fund created by RCW 90.48.390, and RCW 70A.355.070, which shall be credited to the underground storage tank account created by RCW 70A.355.090.

NEW SECTION. **Sec. 22.** A new section is added to chapter 82.04 RCW to read as follows:

(1) This chapter does not apply to the receipts of a battery stewardship organization formed under chapter 70A.---

RCW (the new chapter created in section 23 of this act) from charges to participating producers under a battery stewardship program as provided in section 7 of this act.

(2) This section is not subject to the requirements of RCW 82.32.805 and 82.32.808 and is not subject to an expiration date.

(3) The definitions in section 2 of this act apply throughout this section unless the context clearly requires otherwise.

NEW SECTION. Sec. 23. CODIFICATION. Sections 1 through 16, 18, and 19 of this act constitute a new chapter in Title 70A RCW.

NEW SECTION. Sec. 24. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

SSB 5189

Prime Sponsor, Health & Long Term Care: Establishing behavioral health support specialists. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that a behavioral health support specialist is a new member of the workforce in Washington state trained in the competencies developed by the University of Washington behavioral health support specialist clinical training program. The behavioral health support specialist clinical training program is characterized by brief, evidence-based interventions delivered to the intensity and expected duration of the behavioral health problem. The approach features routine outcome monitoring and regular, outcome-focused supervision. Use of behavioral health support specialists in Washington is expected to improve access to behavioral health services and ease workforce shortages while helping behavioral health professionals work at the top of their scope of practice.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adult" means a person 18 years of age or older.

(2) "Applicant" means a person who completes the required application, pays the required fee, is at least 18 years of age, and meets any background check requirements and uniform disciplinary act requirements.

(3) "Behavioral health" is a term that encompasses mental health, substance use, and co-occurring disorders.

(4) "Behavioral health support specialist" means a person certified to deliver brief, evidence-based interventions with a scope of practice that includes behavioral health under the supervision of a Washington state credentialed provider who has the ability to assess, diagnose, and treat identifiable mental and behavioral health conditions as part of their scope of practice. A behavioral health support specialist does not have within their scope of practice the ability to make diagnoses but does track and monitor treatment response and outcomes using measurement-based care.

(5) "Department" means the department of health.

(6) "Registered apprenticeship" means an apprenticeship program approved by the Washington state apprenticeship and training council according to chapter 49.04 RCW.

(7) "Secretary" means the secretary of health or the secretary's designee.

NEW SECTION. Sec. 3. The department shall collaborate with the University of Washington department of psychiatry and behavioral sciences and consult with other stakeholders to develop rules to implement this chapter by January 1, 2025, which shall be consistent with the University of Washington behavioral health support specialist clinical training program guidelines, and shall include appropriate standards for approval of educational programs for behavioral health support specialists, which shall include a practicum component and may be integrated into a bachelor's degree program or structured as a postbaccalaureate continuing education program or registered apprenticeship in combination with an approved bachelor's degree or postbaccalaureate certificate.

NEW SECTION. Sec. 4. A person may not represent themselves as a behavioral health support specialist without being certified by the department.

NEW SECTION. Sec. 5. Nothing in this chapter shall be construed to prohibit or restrict delivery of behavioral health interventions by an individual otherwise regulated under this title and performing services within their authorized scope of practice.

NEW SECTION. Sec. 6. In addition to any other authority provided by law, the secretary has the authority to:

(1) Adopt rules under chapter 34.05 RCW necessary to implement this chapter. Any rules adopted shall be in consultation with the University of Washington;

(2) Establish all certification, examination, and renewal fees in accordance with RCW 43.70.250;

(3) Establish forms and procedures necessary to administer this chapter;

(4) Issue certifications to applicants who have met the education, which may include registered apprenticeships, practicum, and examination requirements for certification and to deny a certification to applicants who do not meet the requirements;

(5) Develop, administer, and supervise the grading and taking of an examination for applicants for certification;

(6) Adopt rules requiring completion of 20 hours of continuing education every two years after initial certification for certification renewal;

(7) Maintain the official record of all applicants and certification holders; and

(8) Establish by rule the procedures for an appeal of an examination failure.

NEW SECTION. Sec. 7. The uniform disciplinary act, chapter 18.130 RCW, governs uncertified practice, the issuance and denial of certification, and the discipline of persons certified under this chapter. The secretary shall be the disciplinary authority under this chapter.

NEW SECTION. Sec. 8. The secretary shall issue a certification to any applicant who demonstrates to the satisfaction of the secretary that the applicant meets the following requirements:

(1) Graduation from a bachelor's degree program;

(2) Successful completion of a behavioral health support specialist program that is approved to meet standards consistent with the University of Washington behavioral health support specialist clinical training program guidelines, including a supervised clinical practicum with demonstrated clinical skills in core competencies; and

(3) Successful completion of an approved jurisprudential examination.

NEW SECTION. Sec. 9. (1) The date and location of examinations shall be established by the secretary. Applicants who have been found by the secretary to meet the other requirements for certification shall be scheduled for the next examination following the filing of the application. The secretary shall establish by rule the examination application deadline.

(2) The secretary or the secretary's designee shall examine each applicant, by means determined to be most effective, on subjects appropriate to the scope of practice, as applicable. Such examinations shall be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

(3) The examination papers, all grading of the papers, and the grading of any practical work shall be preserved for a

period of not less than one year after the secretary has made and published the decisions. All examinations shall be conducted using fair and wholly impartial methods.

(4) The secretary may approve an examination prepared or administered by a private testing agency or association of licensing agencies for use by an applicant in meeting the certification requirements.

NEW SECTION. Sec. 10. Applications for certification shall be submitted on forms provided by the secretary. The secretary may require any information and documentation which reasonably relates to the need to determine whether the applicant meets the criteria for certification provided for in this chapter and chapter 18.130 RCW. Each applicant shall pay a fee determined by the secretary under RCW 43.70.250. The fee shall accompany the application.

NEW SECTION. Sec. 11. The health care authority shall take any steps which are necessary and proper to ensure that the services of behavioral health support specialists are covered under the state medicaid program by January 1, 2025.

NEW SECTION. Sec. 12. A new section is added to chapter 48.43 RCW to read as follows:

By July 1, 2025, every carrier shall provide access to services provided by behavioral health support specialists in a manner sufficient to meet the network access standards set forth in rules established by the office of the insurance commissioner.

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.185.010 and 1991 c 356 s 1 are each amended to read as follows:

The legislature finds that current economic conditions, federal housing policies and declining resources at the federal, state, and local level adversely affect the ability of low and very low-income persons to obtain safe, decent, and affordable housing.

The legislature further finds that members of over ~~((one hundred twenty thousand households live in housing units which are overcrowded, lack plumbing, are otherwise threatening to health and safety, and have rents and utility payments which exceed thirty percent of their income))~~ 150,000 households pay more than 50 percent of their income for rent and housing costs.

The legislature further finds that minorities, rural households, and migrant farmworkers require housing assistance at a rate which significantly exceeds their proportion of the general population.

The legislature further finds that one of the most dramatic housing needs is that of persons needing special housing-related services, such as ~~((the mentally ill))~~ individuals with mental illness, recovering alcoholics, frail elderly persons, families with members who have disabilities, and single parents. These services include medical assistance, counseling, chore services, and child care.

The legislature further finds that ~~((housing assistance programs in the past have often failed to help those in greatest need))~~ state investments in affordable housing, as enabled by the legislature in 1986, have exceeded \$1,800,000,000 to provide over 55,000 units of safe and affordable housing to low-income individuals.

~~((The legislature declares that it is in the public interest to establish a continuously renewable resource known as the housing trust fund and housing assistance program to assist low and very low-income citizens in meeting their basic housing needs, and that the needs of very low-income citizens should be given priority and that whenever feasible, assistance should be in the form of loans.))~~

Sec. 2. RCW 43.185.030 and 2016 sp.s. c 36 s 936 are each amended to read as follows:

There is hereby created in the state treasury an account to be known as the Washington housing trust fund. The housing

trust fund shall include revenue from the sources established by this chapter, appropriations by the legislature, private contributions, repayment of loans, and all other sources. ~~((During the 2015-2017 fiscal biennium, the legislature may transfer from the Washington housing trust fund to the home security fund account and to the state general fund such amounts as reflect the excess balance in the fund.))~~

Sec. 3. RCW 43.185.050 and 2021 c 332 s 7032 and 2021 c 130 s 5 are each reenacted and amended to read as follows:

(1) The department must use moneys from the housing trust fund and other legislative appropriations to finance in whole or in part any loan~~((s))~~ or grant projects that will provide affordable housing for persons and families with special housing needs and ~~((with incomes at or below fifty percent of the median family income for the county or standard metropolitan statistical area where the project is located))~~ who are low-income households.

(2) At least thirty percent of these moneys used in any given funding cycle must be for the benefit of projects located in rural areas of the state as defined by the department. If the department determines that it has not received an adequate number of suitable applications for rural projects during any given funding cycle, the department may allocate unused moneys for projects in nonrural areas of the state.

~~((2))~~ (3) The department must prioritize allocating at least, but not limited to, 10 percent of these moneys used in any given funding cycle to organizations that serve and are substantially governed by individuals disproportionately impacted by homelessness, including black, indigenous, and other people of color and, lesbian, gay, bisexual, queer, transgender, and other gender-diverse individuals.

(4) Activities eligible for assistance from the housing trust fund and other legislative appropriations include, but are not limited to:

(a) New construction, rehabilitation, or acquisition of low and very low-income housing units;

(b) ~~((Rent subsidies;~~

~~(c) Matching funds for social services directly related to providing housing for special-need tenants in assisted projects;~~

~~(d) Technical))~~ Preconstruction technical assistance, design and finance services and consultation, and administrative costs for eligible nonprofit community or neighborhood-based organizations;

~~((e))~~ (c) Administrative costs for housing assistance groups or organizations when such grant or loan will substantially increase the recipient's access to housing funds other than those available under this chapter;

~~((f))~~ (d) Shelters ~~((and related services))~~ for the homeless, including emergency shelters and overnight youth shelters;

~~((g) Mortgage subsidies, including temporary rental and mortgage payment subsidies to prevent homelessness;~~

~~(h) Mortgage insurance guarantee or payments for eligible projects;~~

~~(i) Down payment or closing cost assistance for eligible first-time home buyers;~~

~~(j))~~ (e) Down payment or closing costs assistance for low-income first-time home buyers;

(f) Acquisition of housing units for the purpose of preservation as low-income ~~((or very low-income))~~ housing;

~~((k))~~ (g) Projects making affordable housing projects more accessible to ~~((families))~~ low-income households with members who have disabilities; and

~~((l))~~ (h) Remodeling and improvements as required to meet building code, licensing requirements, or legal operations to residential properties owned and operated by an entity eligible under RCW 43.185A.040, which were transferred as described in RCW 82.45.010(3)(t) by the parent of a child with developmental disabilities.

~~((3) Preference must be given for projects that include an early learning facility, as defined in RCW 43.31.565.~~

~~(4))~~ (5) (a) Legislative appropriations from capital bond proceeds may be used ~~((only))~~ for the costs of projects authorized under subsection ~~((2)(a), (i), and (j))~~ (4) of this section, ~~((and not for the administrative costs of the department,))~~ except ~~((that during the 2021-2023 fiscal biennium, the))~~ for costs of subsection (4)(c) of this section.

(b) The department may use up to three percent of the appropriations from capital bond proceeds or other new appropriations for affordable housing investments for administrative costs associated with application, distribution, and project development activities of the affordable housing ~~((assistance))~~ program.

(c) Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.

~~((5))~~ (6) (a) Moneys received from repayment of housing trust fund loans ~~((from appropriations from capital bond proceeds))~~ or other affordable housing appropriations may be used for all activities necessary for the proper functioning of the affordable housing ~~((assistance))~~ program ~~((except for activities authorized under subsection (2)(b) and (c) of this section)),~~ including, but not limited to, providing preservation funding, as provided in section 12 of this act, and preconstruction technical assistance as provided in RCW 43.185.080 (as recodified by this act).

~~((6) Administrative costs associated with application, distribution, and project development activities of the department may not exceed three percent of the annual funds available for the housing assistance program. Reappropriations must not be included in the calculation of the annual funds available for determining the administrative costs.~~

~~(7))~~ (b) Administrative costs associated with compliance and monitoring activities of the department may not exceed ~~((one-quarter))~~ four-tenths of one percent annually of the contracted amount of state investment

in ~~((the housing assistance program))~~ affordable housing programs.

Sec. 4. RCW 43.185.070 and 2019 c 325 s 5013 are each amended to read as follows:

(1) During each calendar year in which funds from the housing trust fund or other legislative appropriations are available for use by the department for the affordable housing (assistance) program, the department must announce to all known interested parties, and ~~((through major media throughout the state))~~ on its website, a grant and loan application period of at least ~~((ninety))~~ 60 days' duration. This announcement must be made as often as the director deems appropriate for proper utilization of resources. The department must then promptly grant as many applications as will utilize available funds less appropriate administrative costs of the department as provided in RCW 43.185.050 (as recodified by this act).

(2) In awarding funds under this chapter, the department must:

(a) Provide for a geographic distribution on a statewide basis; and

(b) ~~((Until June 30, 2013, consider))~~ Consider the total cost and per-unit cost of each project for which an application is submitted for funding ~~((under RCW 43.185.050(2) (a) and (j))~~), as compared to similar housing projects constructed or renovated within the same geographic area.

(3) ~~((The department, with advice and input from the affordable housing advisory board established in RCW 43.185B.020, or a subcommittee of the affordable housing advisory board, must report recommendations for awarding funds in a cost-effective manner. The report must include an implementation plan, timeline, and any other items the department identifies as important to consider to the legislature by December 1, 2012.~~

(4) ~~The department must give first priority to applications for projects and activities which utilize existing privately owned housing stock including privately owned housing stock purchased by nonprofit public development authorities and public housing authorities as created in chapter 35.82 RCW. As used in this subsection, privately owned housing stock includes housing that is acquired by a federal agency through a default on the mortgage by the private owner. Such projects and activities must be evaluated under subsection (5) of this section. Second priority must be given to activities and projects which utilize existing publicly owned housing stock.)~~ All projects and activities must be evaluated by some or all of the criteria under subsection ~~((5))~~ (6) of this section, and similar projects and activities shall be evaluated under the same criteria.

(4) The department must use a separate application form for applications to provide homeownership opportunities and evaluate homeownership project applications as allowed under chapter 43.185A RCW.

(5) The department must collaborate with public entities that finance affordable housing, including the housing finance commission, cities, and counties, in

conducting joint application reviews and coordinate funding decisions in a timely manner.

(6) The department must give preference for applications based on some or all of the criteria under this subsection, and similar projects and activities must be evaluated under the same criteria:

(a) The degree of leveraging of other funds that will occur;

(b) The degree of commitment from programs to provide necessary habilitation and support services for projects focusing on special needs populations;

(c) Recipient contributions to total project costs, including allied contributions from other sources such as professional, craft and trade services, and lender interest rate subsidies;

(d) Local government project contributions in the form of infrastructure improvements, and others;

(e) Projects that encourage ownership, management, and other project-related responsibility opportunities;

(f) Projects that demonstrate a strong probability of serving the original target group or income level for a period of at least ~~((twenty-five))~~ 40 years;

(g) The applicant has the demonstrated ability, stability and resources to implement the project;

(h) Projects which demonstrate serving the greatest need;

(i) Projects that provide housing for persons and families with the lowest incomes;

(j) Projects serving special needs populations which ~~((are under))~~ fulfill statutory mandates to develop community housing;

(k) Project location and access to employment centers in the region or area;

(l) Projects that provide employment and training opportunities for disadvantaged youth under a youthbuild or youthbuild-type program as defined in RCW 50.72.020;

(m) Project location and access to available public transportation services; ~~((and))~~

(n) Projects involving collaborative partnerships between local school districts and either public housing authorities or nonprofit housing providers, that help children of low-income families succeed in school. To receive this preference, the local school district must provide an opportunity for community members to offer input on the proposed project at the first scheduled school board meeting following submission of the grant application to the department;

(o) The degree of funding that has already been committed to the project by nonstate entities;

(p) Projects that demonstrate a strong readiness to proceed to construction; and

(q) Projects that include a licensed early learning facility.

(7) Once the department has determined the prioritization of applications, the department must award funding projects at a sufficient level to complete the financing package necessary for an applicant to move forward with the affordable housing project.

(8) The department may not establish a maximum per-applicant award.

Sec. 5. RCW 43.185.074 and 1987 c 513 s 11 are each amended to read as follows:

The director shall designate grant and loan applications for approval and for funding under the revenue from remittances made pursuant to RCW ~~((18.85.310. These applications shall then be reviewed for final approval by the broker's trust account board created by RCW 18.85.500.~~

~~The director shall submit to the broker's trust account board within any fiscal year only such applications which in their aggregate total funding requirements do not exceed the revenue to the housing trust fund [fund] from remittances made pursuant to RCW 18.85.310 for the previous fiscal year)) 18.85.285.~~

Sec. 6. RCW 43.185.080 and 1991 c 356 s 6 are each amended to read as follows:

(1) The department may use moneys from the housing trust fund and other legislative appropriations, ~~((but not appropriations from capital bond proceeds,))~~ to provide preconstruction technical assistance to eligible recipients seeking to construct, rehabilitate, or finance housing-related services for very low and low-income persons. The department shall emphasize providing preconstruction technical assistance services to rural areas and small cities and towns, to nonprofits serving marginalized communities without a history of receiving housing trust fund or other affordable housing investments, and to other nonprofit community organizations led by and for black, indigenous, and persons of color. The department may contract with private and nonprofit organizations to provide this technical assistance. The department may contract for any of the following services:

(a) Financial planning and packaging for housing projects, including alternative ownership programs, such as limited equity partnerships and syndications;

(b) Project design, architectural planning, and siting;

(c) Compliance with planning requirements;

(d) Securing matching resources for project development;

(e) Maximizing local government contributions to project development in the form of land donations, infrastructure improvements, waivers of development fees, locally and state-managed funds, zoning variances, or creative local planning;

(f) Coordination with local planning, economic development, and environmental, social service, and recreational activities;

(g) Construction and materials management; and

(h) Project maintenance and management.

(2) The department shall publish requests for proposals which specify contract performance standards, award criteria, and contractor requirements. In evaluating proposals, the department shall consider the ability of the contractor to provide technical assistance to low and very low-income persons and to persons with special housing needs.

Sec. 7. RCW 43.185A.010 and 2013 c 145 s 4 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Affordable housing" means residential housing for rental occupancy which, as long as the same is occupied by low-income households, requires payment of monthly housing costs, including utilities other than telephone, of no more than thirty percent of the ~~((family's))~~ household's income. The department must adopt policies for residential homeownership housing, occupied by low-income households, which specify the percentage of family income that may be spent on monthly housing costs, including utilities other than telephone, to qualify as affordable housing.

(2) "Contracted amount" ~~((has the same meaning as provided in RCW 43.185.020))~~ means the aggregate amount of all state funding for which the department has monitoring and compliance responsibility.

(3) "Department" means the department of commerce.

(4) "Director" means the director of the department of commerce.

(5) "First-time home buyer" means ~~((an individual or his or her spouse or domestic partner who have not owned a home during the three-year period prior to purchase of a home))~~;

(a) An individual or the individual's spouse who has had no ownership in a principal residence during the three-year period ending on the date of purchase of the property;

(b) A single parent who has only owned a home with a former spouse while married;

(c) An individual who is a displaced homemaker as defined in 24 C.F.R. Sec. 93.2 as it exists on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section, and has only owned a home with a spouse;

(d) An individual who has only owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; or

(e) An individual who has only owned a property that is determined by a licensed building inspector as being uninhabitable.

(6) "Low-income household" means a single person, family or unrelated persons living together whose adjusted income is less than eighty percent of the median family income, adjusted for household size, for the county where the project is located.

Sec. 8. RCW 43.185A.020 and 1995 c 399 s 103 are each amended to read as follows:

The affordable housing program is created in the department for the purpose of developing and preserving affordable housing and coordinating public and private resources targeted to meet the affordable housing needs of low-income households in the state of Washington. The program shall be developed and administered by the department with advice and input from the affordable housing advisory board established in RCW 43.185B.020.

Sec. 9. RCW 43.185A.060 and 1991 c 356 s 15 are each amended to read as follows:

The department shall adopt policies to ensure that the state's interest will be protected upon either the sale or change of use of projects financed in whole or in part under RCW ~~((43.185A.030(2) (a), (b), (c), (d), and (e)))~~ 43.185.050(4) (as recodified by this act). These policies may include, but are not limited to: (1) Requiring payment to the state of a share of the appreciation in the project in proportion to the state's contribution to the project; (2) requiring a lump-sum repayment of the loan or grant upon the sale or change of use of the project; or (3) requiring a deferred payment of principal or principal and interest on loans after a specified time period. The policies must require projects to remain as affordable housing for a minimum of 40 years except for projects that provide homes for low-income first-time home buyers, which must remain affordable for a minimum of 25 years.

Sec. 10. RCW 43.185A.070 and 1991 c 356 s 16 are each amended to read as follows:

~~(The)~~ (1) To the extent funds are appropriated for this purpose, the director shall monitor the activities of recipients of grants and loans under this chapter to determine compliance with the terms and conditions set forth in its application or stated by the department in connection with the grant or loan.

(2) Personally identifiable information of occupants or prospective tenants of affordable housing or the street address of the residential real property occupied or applied for by tenants or prospective tenants of affordable housing, obtained by the department of commerce during monitoring activities or contract administration are exempt from inspection and copying under section 11 of this act.

NEW SECTION. Sec. 11. A new section is added to chapter 42.56 RCW to read as follows:

Information obtained by the department of commerce under chapter 43.185A RCW during monitoring activities or contract administration that reveals the name or other personal information of occupants or prospective tenants of affordable housing, or the street address of the residential real property occupied or applied for by tenants or prospective tenants of affordable housing, is exempt from disclosure under this chapter.

NEW SECTION. Sec. 12. A new section is added to chapter 43.185A RCW to read as follows:

(1) In order to maintain the long-term viability of affordable housing, using funding from the housing trust fund account established under RCW 43.185.030 (as recodified by this act) or from other legislative appropriations, the department may make competitive grant or loan awards to projects in need of major building

improvements, preservation repairs, or system replacements.

(2) The department must solicit and review applications and evaluate projects based on the following criteria:

(a) The age of the property, with priority given to buildings that are more than 15 years old;

(b) The population served, with priority given to projects serving persons or families with the lowest incomes;

(c) The degree to which the applicant demonstrates that the improvements will result in a reduction of operating or utility costs, or both;

(d) The potential for additional years added to the affordability commitment period of the property; and

(e) Other criteria that the department considers necessary to achieve the purpose of the housing trust fund program.

(3) The department must require an award recipient to submit a property capital needs assessment, in a form acceptable to the department, prior to contract execution.

NEW SECTION. Sec. 13. A new section is added to chapter 43.185A RCW to read as follows:

(1) The department must report on its website on an annual basis, for each funding cycle:

(a) The number of homeownership and multifamily rental projects funded;

(b) The percentage of funding allocated to homeownership and multifamily rental projects; and

(c) For both homeownership and multifamily rental projects, the total number of households being served at up to 80 percent of the area median income, up to 50 percent of the area median income, and up to 30 percent of the area median income.

(2) All housing trust fund loan or grant recipients, except for those receiving preservation awards under section 12 of this act, must provide certified final development cost reports to the department in a form acceptable to the department. The department must use the certified final development cost reports data as part of its cost containment policy and to report to the legislature. Beginning December 1, 2023, and continuing every odd-numbered year, the department must provide the appropriate committees of the legislature with a report of its final cost data for each project funded through the housing trust fund. Such cost data must, at a minimum, include:

(a) Total development cost per unit for each project completed within the past two complete fiscal years; and

(b) Descriptive statistics such as average and median per unit costs, regional cost variation, and other costs that the department deems necessary to improve cost controls and enhance understanding of development costs.

(3) The department must coordinate with the housing finance commission to identify relevant development costs data and ensure that the measures are consistent across relevant agencies.

Sec. 14. RCW 18.85.311 and 2008 c 23 s 38 are each amended to read as follows:

Remittances received by the state treasurer pursuant to RCW 18.85.285 shall be divided between the housing trust fund created by RCW 43.185.030 (as recodified by this act), which shall receive seventy-five percent and the real estate education program account created by RCW 18.85.321, which shall receive twenty-five percent.

Sec. 15. RCW 31.04.025 and 2015 c 229 s 20 are each amended to read as follows:

(1) Each loan made to a resident of this state by a licensee, or persons subject to this chapter, is subject to the authority and restrictions of this chapter.

(2) This chapter does not apply to the following:

(a) Any person doing business under, and as permitted by, any law of this state or of the United States relating to banks, savings banks, trust companies, savings and loan or building and loan associations, or credit unions;

(b) Entities making loans under chapter 19.60 RCW (pawnbroking);

(c) Entities conducting transactions under chapter 63.14 RCW (retail installment sales of goods and services), unless credit is extended to purchase merchandise certificates, coupons, open or closed loop stored value, or other similar items issued and redeemable by a retail seller other than the retail seller extending the credit;

(d) Entities making loans under chapter 31.45 RCW (check cashers and sellers);

(e) Any person making a loan primarily for business, commercial, or agricultural purposes unless the loan is secured by a lien on the borrower's primary dwelling;

(f) Any person selling property owned by that person who provides financing for the sale when the property does not contain a dwelling and when the property serves as security for the financing. This exemption is available for five or fewer transactions in a calendar year. This exemption is not available to individuals subject to the federal S.A.F.E. act or any person in the business of constructing or acting as a contractor for the construction of residential dwellings;

(g) Any person making loans made to government or government agencies or instrumentalities or making loans to organizations as defined in the federal truth in lending act;

(h) Entities making loans under chapter ~~((43.185))~~43.185A RCW (housing trust fund);

(i) Entities making loans under programs of the United States department of agriculture, department of housing and urban development, or other federal government program that provides funding or access to funding for single-family housing developments or grants to low-income individuals for the purchase or repair of single-family housing;

(j) Nonprofit housing organizations making loans, or loans made, under housing programs that are funded in whole or in part by federal or state programs if the primary purpose of the programs is to assist low-income borrowers with purchasing or

repairing housing or the development of housing for low-income Washington state residents;

(k) Entities making loans which are not residential mortgage loans under a credit card plan;

(l) Individuals employed by a licensed residential mortgage loan servicing company engaging in activities related to servicing, unless licensing is required by federal law or regulation; and

(m) Entities licensed under chapter 18.44 RCW that process payments on seller-financed loans secured by liens on real or personal property.

(3) The director may, at his or her discretion, waive applicability of the consumer loan company licensing provisions of this chapter to other persons, not including individuals subject to the S.A.F.E. act, making or servicing loans when the director determines it necessary to facilitate commerce and protect consumers.

(4) The burden of proving the application for an exemption or exception from a definition, or a preemption of a provision of this chapter, is upon the person claiming the exemption, exception, or preemption.

(5) The director may adopt rules interpreting this section.

Sec. 16. RCW 39.35D.080 and 2005 c 12 s 12 are each amended to read as follows:

Except as provided in this section, affordable housing projects funded out of the state capital budget are exempt from the provisions of this chapter. On or before July 1, 2008, the department of ~~((community, trade, and economic development))~~commerce shall identify, implement, and apply a sustainable building program for affordable housing projects that receive housing trust fund (under chapter ~~((43.185))~~43.185A RCW) funding in a state capital budget. The department of ~~((community, trade, and economic development))~~commerce shall not develop its own sustainable building standard, but shall work with stakeholders to adopt an existing sustainable building standard or criteria appropriate for affordable housing. Any application of the program to affordable housing, including any monitoring to track the performance of either sustainable features or energy standards or both, is the responsibility of the department of ~~((community, trade, and economic development))~~commerce. Beginning in 2009 and ending in 2016, the department of ~~((community, trade, and economic development))~~commerce shall report to the department as required under RCW 39.35D.030 (3) (b).

Sec. 17. RCW 43.63A.680 and 1993 c 478 s 19 are each amended to read as follows:

(1) The department may develop and administer a home-matching program for the purpose of providing grants and technical assistance to eligible organizations to operate local home-matching programs. For purposes of this section, "eligible organizations" are those organizations eligible to receive assistance through the Washington housing trust fund, chapter ~~((43.185))~~43.185A RCW.

(2) The department may select up to five eligible organizations for the purpose of implementing a local home-matching program. The local home-matching programs are designed to facilitate: (a) Intergenerational homesharing involving older homeowners sharing homes with younger persons; (b) homesharing arrangements that involve an exchange of services such as cooking, housework, gardening, or babysitting for room and board or some financial consideration such as rent; and (c) the more efficient use of available housing.

(3) In selecting local pilot programs under this section, the department shall consider:

(a) The eligible organization's ability, stability, and resources to implement the local home-matching program;

(b) The eligible organization's efforts to coordinate other support services needed by the individual or family participating in the local home-matching program; and

(c) Other factors the department deems appropriate.

(4) The eligible organizations shall establish criteria for participation in the local home-matching program. The eligible organization shall make a determination of eligibility regarding the individuals' or families' participation in the local home-matching program. The determination shall include, but is not limited to a verification of the individual's or family's history of making rent payments in a consistent and timely manner.

Sec. 18. RCW 43.79.201 and 2016 sp.s. c 36 s 930 are each amended to read as follows:

(1) The charitable, educational, penal and reformatory institutions account is hereby created, in the state treasury, into which account there shall be deposited all moneys arising from the sale, lease or transfer of the land granted by the United States government to the state for charitable, educational, penal and reformatory institutions by section 17 of the enabling act, or otherwise set apart for such institutions, except all moneys arising from the sale, lease, or transfer of that certain one hundred thousand acres of such land assigned for the support of the University of Washington by chapter 91, Laws of 1903 and section 9, chapter 122, Laws of 1893.

(2) If feasible, not less than one-half of all income to the charitable, educational, penal, and reformatory institutions account shall be appropriated for the purpose of providing housing, including repair and renovation of state institutions, for persons with mental illness or developmental disabilities, or youth who are blind, deaf, or otherwise disabled. If moneys are appropriated for community-based housing, the moneys shall be appropriated to the department of commerce for the housing assistance program under chapter ~~((43-185))~~ 43.185A RCW. During the 2015-2017 fiscal biennium, the legislature may transfer from the charitable, educational, penal and reformatory

institutions account to the state general fund such amounts as reflect excess fund balance of the account.

Sec. 19. RCW 43.185C.200 and 2007 c 483 s 604 are each amended to read as follows:

(1) The department of ~~((community, trade, and economic development))~~ commerce shall establish a pilot program to provide grants to eligible organizations, as described in RCW ~~((43.185.060))~~ 43.185A.040, to provide transitional housing assistance to offenders who are reentering the community and are in need of housing.

(2) There shall be a minimum of two pilot programs established in two counties. The pilot programs shall be selected through a request for proposal process and in consultation with the department of corrections. The department shall select the pilot sites by January 1, 2008.

(3) The pilot program shall:

(a) Be operated in collaboration with the community justice center existing in the location of the pilot site;

(b) Offer transitional supportive housing that includes individual support and mentoring available on an ongoing basis, life skills training, and close working relationships with community justice centers and community corrections officers. Supportive housing services can be provided directly by the housing operator, or in partnership with community-based organizations;

(c) In providing assistance, give priority to offenders who are designated as high risk or high needs as well as those determined not to have a viable release plan by the department of corrections;

(d) Optimize available funding by utilizing cost-effective community-based shared housing arrangements or other noninstitutional living arrangements; and

(e) Provide housing assistance for a period of time not to exceed twelve months for a participating offender.

(4) The department may also use up to twenty percent of the funding appropriated in the operating budget for this section to support the development of additional supportive housing resources for offenders who are reentering the community.

(5) The department shall:

(a) Collaborate with the department of corrections in developing criteria to determine who will qualify for housing assistance; and

(b) Gather data, and report to the legislature by November 1, 2008, on the number of offenders seeking housing, the number of offenders eligible for housing, the number of offenders who receive the housing, and the number of offenders who commit new crimes while residing in the housing to the extent information is available.

(6) The department of corrections shall collaborate with organizations receiving grant funds to:

(a) Help identify appropriate housing solutions in the community for offenders;

(b) Where possible, facilitate an offender's application for housing prior to discharge;

(c) Identify enhancements to training provided to offenders prior to discharge that may assist an offender in effectively transitioning to the community;

(d) Maintain communication between the organization receiving grant funds, the housing provider, and corrections staff supervising the offender; and

(e) Assist the offender in accessing resources and services available through the department of corrections and a community justice center.

(7) The state, department of (~~community, trade, and economic development~~) commerce, department of corrections, local governments, local housing authorities, eligible organizations as described in RCW ((43.185.060)) 43.185A.040, and their employees are not liable for civil damages arising from the criminal conduct of an offender solely due to the placement of an offender in housing provided under this section or the provision of housing assistance.

(8) Nothing in this section allows placement of an offender into housing without an analysis of the risk the offender may pose to that particular community or other residents.

Sec. 20. RCW 43.185C.210 and 2020 c 155 s 1 are each amended to read as follows:

(1) The transitional housing operating and rent program is created in the department to assist individuals and families who are homeless or who are at risk of becoming homeless to secure and retain safe, decent, and affordable housing. The department shall provide grants to eligible organizations, as described in RCW ((43.185.060)) 43.185A.040, to provide assistance to program participants. The eligible organizations must use grant moneys for:

(a) Rental assistance, which includes security or utility deposits, first and last month's rent assistance, and eligible moving expenses to be determined by the department;

(b) Case management services designed to assist program participants to secure and retain immediate housing and to transition into permanent housing and greater levels of self-sufficiency;

(c) Operating expenses of transitional housing facilities that serve homeless families with children; and

(d) Administrative costs of the eligible organization, which must not exceed limits prescribed by the department.

(2) Eligible to receive assistance through the transitional housing operating and rent program are:

(a) Families with children who are homeless or who are at risk of becoming homeless and who have household incomes at or below fifty percent of the median household income for their county;

(b) Families with children who are homeless or who are at risk of becoming homeless and who are receiving services under chapter 13.34 RCW;

(c) Individuals or families without children who are homeless or at risk of becoming homeless and who have household incomes at or below thirty percent of the median household income for their county;

(d) Individuals or families who are homeless or who are at risk of becoming homeless and who have a household with an adult member who has a mental health or chemical dependency disorder; and

(e) Individuals or families who are homeless or who are at risk of becoming homeless and who have a household with an adult member who is an offender released from confinement within the past eighteen months.

(3) All program participants must be willing to create and actively participate in a housing stability plan for achieving permanent housing and greater levels of self-sufficiency.

(4) Data on all program participants must be entered into and tracked through the Washington homeless client management information system as described in RCW 43.185C.180. For eligible organizations serving victims of domestic violence or sexual assault, compliance with this subsection must be accomplished in accordance with 42 U.S.C. Sec. 11383(a)(8).

(5) The department may develop rules, requirements, procedures, and guidelines as necessary to implement and operate the transitional housing operating and rent program.

(6) The department shall produce an annual transitional housing operating and rent program report that must be included in the department's homeless housing strategic plan as described in RCW 43.185C.040. The report must include performance measures to be determined by the department that address, at a minimum, the following issue areas:

(a) The success of the program in helping program participants transition into permanent affordable housing and achieve self-sufficiency or increase their levels of self-sufficiency, which shall be defined by the department based upon the costs of living, including housing costs, needed to support: (i) One adult individual; and (ii) two adult individuals and one preschool-aged child and one school-aged child;

(b) The financial performance of the program related to efficient program administration by the department and program operation by selected eligible organizations, including an analysis of the costs per program participant served;

(c) The quality, completeness, and timeliness of the information on program participants provided to the Washington homeless client management information system database; and

(d) The satisfaction of program participants in the assistance provided through the program.

Sec. 21. RCW 47.12.063 and 2022 c 186 s 710 are each amended to read as follows:

(1) It is the intent of the legislature to continue the department's policy giving priority consideration to abutting property owners in agricultural areas when disposing

of property through its surplus property program under this section.

(2) Whenever the department determines that any real property owned by the state of Washington and under the jurisdiction of the department is no longer required for transportation purposes and that it is in the public interest to do so, the department may sell the property or exchange it in full or part consideration for land or building improvements or for construction of highway improvements at fair market value to any person through the solicitation of written bids through public advertising in the manner prescribed under RCW 47.28.050 or in the manner prescribed under RCW 47.12.283.

(3) The department may forego the processes prescribed by RCW 47.28.050 and 47.12.283 and sell the real property to any of the following entities or persons at fair market value:

(a) Any other state agency;

(b) The city or county in which the property is situated;

(c) Any other municipal corporation;

(d) Regional transit authorities created under chapter 81.112 RCW;

(e) The former owner of the property from whom the state acquired title;

(f) In the case of residentially improved property, a tenant of the department who has resided thereon for not less than six months and who is not delinquent in paying rent to the state;

(g) Any abutting private owner but only after each other abutting private owner (if any), as shown in the records of the county assessor, is notified in writing of the proposed sale. If more than one abutting private owner requests in writing the right to purchase the property within 15 days after receiving notice of the proposed sale, the property shall be sold at public auction in the manner provided in RCW 47.12.283;

(h) To any other owner of real property required for transportation purposes;

(i) In the case of property suitable for residential use, any nonprofit organization dedicated to providing affordable housing to very low-income, low-income, and moderate-income households as defined in RCW 43.63A.510 and is eligible to receive assistance through the Washington housing trust fund created in chapter ~~((43.185))~~ 43.185A RCW;

(j) During the 2021-2023 fiscal biennium, any nonprofit organization that identifies real property to be sold or conveyed as a substitute for real property owned by the nonprofit within the city of Seattle to be redeveloped for the purpose of affordable housing; or

(k) A federally recognized Indian tribe within whose reservation boundary the property is located.

(4) When selling real property pursuant to RCW 47.12.283, the department may withhold or withdraw the property from an auction when requested by one of the entities or persons listed in subsection (3) of this section and only after the receipt of a nonrefundable deposit equal to 10 percent of the fair market value of the real property or \$5,000, whichever is less. This subsection does not prohibit the department from exercising its discretion to withhold

or withdraw the real property from an auction if the department determines that the property is no longer surplus or chooses to sell the property through one of the other means listed in subsection (2) of this section. If a transaction under this subsection is not completed within 60 days, the real property must be put back up for sale.

(5) Sales to purchasers may, at the department's option, be for cash, by real estate contract, or exchange of land or highway improvements. Transactions involving the construction of improvements must be conducted pursuant to chapter 47.28 RCW and Title 39 RCW, as applicable, and must comply with all other applicable laws and rules.

(6) Conveyances made pursuant to this section shall be by deed executed by the secretary of transportation and shall be duly acknowledged.

(7) Unless otherwise provided, all moneys received pursuant to the provisions of this section less any real estate broker commissions paid pursuant to RCW 47.12.320 shall be deposited in the motor vehicle fund.

(8) The department may not enter into equal value exchanges or property acquisitions for building improvements without first consulting with the office of financial management and the joint transportation committee.

Sec. 22. RCW 59.24.060 and 1995 c 399 s 159 are each amended to read as follows:

The department of ~~((community, trade, and economic development))~~ commerce may receive such gifts, grants, or endowments from public or private sources, as may be made from time to time, in trust or otherwise, to be used by the department of ~~((community, trade, and economic development))~~ commerce for its programs, including the rental security deposit guarantee program. Funds from the housing trust fund, chapter ~~((43.185))~~ 43.185A RCW, up to one hundred thousand dollars, may be used for the rental security deposit guarantee program by the department of ~~((community, trade, and economic development))~~ commerce, local governments, and nonprofit organizations, provided all the requirements of this chapter and chapter ~~((43.185))~~ 43.185A RCW are met.

Sec. 23. RCW 82.14.400 and 2020 c 139 s 24 are each amended to read as follows:

(1) Upon the joint request of a metropolitan park district, a city with a population of more than one hundred fifty thousand, and a county legislative authority in a county with a national park and a population of more than five hundred thousand and less than one million five hundred thousand, the county must submit an authorizing proposition to the county voters, fixing and imposing a sales and use tax in accordance with this chapter for the purposes designated in subsection (4) of this section and identified in the joint request. Such proposition must be placed on a ballot for a special or general election to be held no later than one year after the date of the joint request.

(2) The proposition is approved if it receives the votes of a majority of those voting on the proposition.

(3) The tax authorized in this section is in addition to any other taxes authorized by law and must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county. The rate of tax must equal no more than one-tenth of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

(4) Moneys received from any tax imposed under this section must be used solely for the purpose of providing funds for:

(a) Costs associated with financing, design, acquisition, construction, equipping, operating, maintaining, remodeling, repairing, reequipping, or improvement of zoo, aquarium, and wildlife preservation and display facilities that are currently accredited by the American zoo and aquarium association; or

(b) Those costs associated with (a) of this subsection and costs related to parks located within a county described in subsection (1) of this section.

(5) The department must perform the collection of such taxes on behalf of the county at no cost to the county. In lieu of the charge for the administration and collection of local sales and use taxes under RCW 82.14.050 from which the county is exempt under this subsection (5), a percentage of the tax revenues authorized by this section equal to one-half of the maximum percentage provided in RCW 82.14.050 must be transferred annually to the department of commerce, or its successor agency, from the funds allocated under subsection (6)(b) of this section for a period of twelve years from the first date of distribution of funds under subsection (6)(b) of this section. The department of commerce, or its successor agency, must use funds transferred to it pursuant to this subsection (5) to provide, operate, and maintain community-based housing under chapter ~~((43.185))~~ 43.185A RCW for individuals with mental illness.

(6) If the joint request and the authorizing proposition include provisions for funding those costs included within subsection (4)(b) of this section, the tax revenues authorized by this section must be allocated annually as follows:

(a) Fifty percent to the zoo and aquarium advisory authority; and

(b) Fifty percent to be distributed on a per capita basis as set out in the most recent population figures for unincorporated and incorporated areas only within that county, as determined by the office of financial management, solely for parks, as follows: To any metropolitan park district, to cities and towns not contained within a metropolitan park district, and the remainder to the county. Moneys received under this subsection (6)(b) by a county may not be used to replace or supplant existing per capita funding.

(7) Funds must be distributed annually by the county treasurer to the county, and cities and towns located within the county,

in the manner set out in subsection (6)(b) of this section.

(8) Prior to expenditure of any funds received by the county under subsection (6)(b) of this section, the county must establish a process which considers needs throughout the unincorporated areas of the county in consultation with community advisory councils established by ordinance.

(9) By December 31, 2005, and thereafter, the county or any city with a population greater than eighty thousand must provide at least one dollar match for every two dollars received under this section.

(10) Properties subject to a memorandum of agreement between the federal bureau of land management, the advisory council on historic preservation, and the Washington state historic preservation officer have priority for funding from money received under subsection (6)(b) of this section for implementation of the stipulations in the memorandum of agreement.

(a) At least one hundred thousand dollars of the first four years of allocations under subsection (6)(b) of this section, to be matched by the county or city with one dollar for every two dollars received, must be used to implement the stipulations of the memorandum of agreement and for other historical, archaeological, architectural, and cultural preservation and improvements related to the properties.

(b) The amount in (a) of this subsection must come equally from the allocations to the county and to the city in which the properties are located, unless otherwise agreed to by the county and the city.

(c) The amount in (a) of this subsection may not be construed to displace or be offered in lieu of any lease payment from a county or city to the state for the properties in question.

Sec. 24. RCW 82.45.100 and 2010 1st sp.s. c 23 s 211 are each amended to read as follows:

(1) Payment of the tax imposed under this chapter is due and payable immediately at the time of sale, and if not paid within one month thereafter will bear interest from the time of sale until the date of payment.

(a) Interest imposed before January 1, 1999, is computed at the rate of one percent per month.

(b) Interest imposed after December 31, 1998, is computed on a monthly basis at the rate as computed under RCW 82.32.050(2). The rate so computed must be adjusted on the first day of January of each year for use in computing interest for that calendar year. The department must provide written notification to the county treasurers of the variable rate on or before December 1st of the year preceding the calendar year in which the rate applies.

(2) In addition to the interest described in subsection (1) of this section, if the payment of any tax is not received by the county treasurer or the department of revenue, as the case may be, within one month of the date due, there is assessed a penalty of five percent of the amount of the tax; if the tax is not received within two months of the date due, there will be

assessed a total penalty of ten percent of the amount of the tax; and if the tax is not received within three months of the date due, there will be assessed a total penalty of twenty percent of the amount of the tax. The payment of the penalty described in this subsection is collectible from the seller only, and RCW 82.45.070 does not apply to the penalties described in this subsection.

(3) If the tax imposed under this chapter is not received by the due date, the transferee is personally liable for the tax, along with any interest as provided in subsection (1) of this section, unless an instrument evidencing the sale is recorded in the official real property records of the county in which the property conveyed is located.

(4) If upon examination of any affidavits or from other information obtained by the department or its agents it appears that all or a portion of the tax is unpaid, the department must assess against the taxpayer the additional amount found to be due plus interest and penalties as provided in subsections (1) and (2) of this section. The department must notify the taxpayer by mail, or electronically as provided in RCW 82.32.135, of the additional amount and the same becomes due and must be paid within thirty days from the date of the notice, or within such further time as the department may provide.

(5) No assessment or refund may be made by the department more than four years after the date of sale except upon a showing of:

(a) Fraud or misrepresentation of a material fact by the taxpayer;

(b) A failure by the taxpayer to record documentation of a sale or otherwise report the sale to the county treasurer; or

(c) A failure of the transferor or transferee to report the sale under RCW 82.45.090(2).

(6) Penalties collected on taxes due under this chapter under subsection (2) of this section and RCW 82.32.090 (2) through (8) must be deposited in the housing trust fund as described in chapter ~~((43.185))~~ 43.185A RCW.

Sec. 25. RCW 43.185B.020 and 2022 c 266 s 53 and 2022 c 165 s 8 are each reenacted and amended to read as follows:

(1) The department shall establish the affordable housing advisory board to consist of ~~((23))~~ 25 members.

(a) The following ~~((20))~~ 22 members shall be appointed by the governor:

(i) Two representatives of the residential construction industry;

(ii) Two representatives of the home mortgage lending profession;

(iii) One representative of the real estate sales profession;

(iv) One representative of the apartment management and operation industry;

(v) One representative of the for-profit housing development industry;

(vi) One representative of for-profit rental housing owners;

(vii) One representative of the nonprofit housing development industry;

(viii) One representative of homeless shelter operators;

(ix) One representative of lower-income persons;

(x) One representative of special needs populations;

(xi) One representative of public housing authorities as created under chapter 35.82 RCW;

(xii) Two representatives of the Washington association of counties, one representative shall be from a county that is located east of the crest of the Cascade mountains;

(xiii) Two representatives of the association of Washington cities, one representative shall be from a city that is located east of the crest of the Cascade mountains;

(xiv) One representative to serve as chair of the affordable housing advisory board;

(xv) One representative of organizations that operate site-based permanent supportive housing and deliver onsite supportive housing services; ~~((and))~~

(xvi) One representative at large; ~~((and~~ ~~(xvi)))~~ (xvii) One representative from a unit owners' association as defined in RCW 64.34.020 or 64.90.010; and

(xviii) One representative from an interlocal housing collaboration as established under chapter 39.34 RCW.

(b) The following three members shall serve as ex officio, nonvoting members:

(i) The director or the director's designee;

(ii) The executive director of the Washington state housing finance commission or the executive director's designee; and

(iii) The secretary of social and health services or the secretary's designee.

(2)(a) The members of the affordable housing advisory board appointed by the governor shall be appointed for four-year terms, except that the chair shall be appointed to serve a two-year term. The terms of five of the initial appointees shall be for two years from the date of appointment and the terms of six of the initial appointees shall be for three years from the date of appointment. The governor shall designate the appointees who will serve the two-year and three-year terms. The members of the advisory board shall serve without compensation, but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(b) The governor, when making appointments to the affordable housing advisory board, shall make appointments that reflect the cultural diversity of the state of Washington.

(3) The affordable housing advisory board shall serve as the department's principal advisory body on housing and housing-related issues, and replaces the department's existing boards and task forces on housing and housing-related issues.

(4) The affordable housing advisory board shall meet regularly and may appoint technical advisory committees, which may include members of the affordable housing advisory board, as needed to address specific issues and concerns.

(5) The department, in conjunction with the Washington state housing finance commission and the department of social and

health services, shall supply such information and assistance as are deemed necessary for the advisory board to carry out its duties under this section.

(6) The department shall provide administrative and clerical assistance to the affordable housing advisory board.

Referred to Committee on Rules for second reading

March 31, 2023

SB 5324

Prime Sponsor, Senator Conway: Concerning the defense community compatibility account. Reported by Committee on Capital Budget

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.330.515 and 2019 c 404 s 1 are each amended to read as follows:

(1) The defense community compatibility account is created in the state treasury. Revenues to the account consist of appropriations by the legislature, private contributions, and all other sources deposited in the account.

(2)(a) Expenditures from the account may only be used for grants to local governments, federally recognized Indian tribes, or entities who have entered into an agreement with a military installation in the state under the United States department of defense readiness and environmental protection integration program for purposes of the programs established in subsection (3) of this section, including administrative expenses. (~~Priority must be given for grant applications accompanied by express support from nonprofit community or neighborhood-based organizations, public development authorities, federally recognized Indian tribes in the state, or other community partners.~~) Only the director or the director's designee(✓) may authorize expenditures. In order for the director or the director's designee to authorize an expenditure for the purpose identified in subsection (3) of this section, both (~~federal~~) nonstate and applicant funds must be committed to the same purposes or project as the state expenditure.

(3) of this section, including administrative expenses. (~~Priority must be given for grant applications accompanied by express support from nonprofit community or neighborhood-based organizations, public development authorities, federally recognized Indian tribes in the state, or other community partners.~~) Only the director or the director's designee(✓) may authorize expenditures. In order for the director or the director's designee to authorize an expenditure for the purpose identified in subsection (3) of this section, both (~~federal~~) nonstate and applicant funds must be committed to the same purposes or project as the state expenditure.

(b) An applicant must submit an application to the department in order to be eligible for funding under this subsection, and the department may not expend money on a project for which an applicant has not applied to the department to carry out the project.

(3)(a) The department may expend moneys from the account to provide state funds for capital projects identified by applicants to address incompatible development connected to Washington state military installations. For purposes of this section, "incompatible development" includes land development and military operations that impact the economy, environment, or quality of life opportunities for local communities.

(b) The department must evaluate and rank applications using objective criteria such as a community cost-benefit analysis, must consider recommendations from a citizens advisory commission comprised of representatives of community stakeholders impacted by military installations or their operations, must hold public hearings at least ninety days prior to any funding decision, and may consider the degree to which each project is compatible with the criteria established in the United States department of defense's readiness and environmental protection integration program. When ranking applications, the department must give priority to grant applications:

(i) That have secured federal or other nonstate funding for the project;

(ii) That leverage a higher proportion of federal or other nonstate funding;

(iii) In which the federal grant requires state match in a timely manner; or

(iv) Accompanied by express support from nonprofit community or neighborhood-based organizations, public development authorities, federally recognized Indian tribes in the state, or other community partners.

(c) Eligible projects may include:

(i) Acquisition of real property or real property interests to eliminate an existing incompatible use;

(ii) Projects to jointly assist in the recovery or protection of endangered species dependent on military installation property for habitat;

(iii) Projects ~~((or programs))~~ to increase the availability of housing affordable to enlisted military personnel and nonmilitary residents in the local community;

(iv) Projects to retrofit existing uses to increase their compatibility with existing or future military operations;

(v) Projects to enable local communities heavily dependent on a nearby military installation to diversify the local economy so as to reduce the economic dependence on the military base;

(vi) Projects that aid communities to replace jobs lost in the event of a reduction of the military presence; and

(vii) Projects that improve or enhance aspects of the local economy, environment, or quality of life impacted by the presence of military activities.

(4) The department may adopt rules to implement this section.

Sec. 2. RCW 43.330.520 and 2021 c 332 s 7039 are each amended to read as follows:

(1) The department must produce a biennial report identifying a list of projects to address incompatible developments near military installations.

(a) The list must include a description of each project, the estimated cost of the project, the amount of recommended state funding, and the amount of any federal or local funds documented to be available to be used for the project.

(b) Projects on the list must be prioritized with consideration given to:

(i) The recommendations of the recent United States department of defense base realignment and closure (BRAC) processes, joint land use studies, or other federally initiated land use processes; and

(ii) Whether a branch of the United States armed forces has identified the project as increasing the viability of military installations for current or future missions.

(c) The department may consult with the commanders of United States military installations in Washington to understand impacts and identify the viability of community identified projects to reduce incompatibility.

(2) The department must submit the report to appropriate committees of the house of representatives and the senate, including the joint committee on veterans' and military affairs and the house of representatives capital budget committee, by ~~((January 1, 2020))~~ November 1, 2024, and every two years thereafter.

~~((3) For the 2021-2023 fiscal biennium, the department shall develop the report in subsection (2) of this section by November 1, 2022, rather than by January 1, 2022-))"~~

SSB 5396

Prime Sponsor, Health & Long Term Care:
Concerning cost sharing for diagnostic and supplemental breast examinations. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Health Care & Wellness.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) In 1989 the legislature enacted Substitute House Bill No. 1074 requiring disability insurers, group disability insurers, health care service contractors, health maintenance organizations, and plans offered to public employees that provide benefits for hospital or medical care to provide benefits for screening and diagnostic mammography services.

(2) In 2010 the United States congress enacted the patient protection and affordable care act, which required coverage of certain preventative care services including screening mammograms with no cost sharing.

(3) In 2013 the Washington state office of the insurance commissioner adopted rules establishing the essential health benefits

benchmark plan, which listed diagnostic and screening mammogram services as state benefit requirements under preventative and wellness services.

(4) In 2018 the legislature enacted Senate Bill No. 5912 which directed the office of the insurance commissioner to clarify that the existing mandates for mammography included coverage for tomosynthesis, also known as three-dimensional mammography, under the same terms and conditions allowed for mammography.

(5) The legislature intends to establish that the requirements for coverage of mammography services predated the affordable care act and are already included in the state's essential health benefits benchmark plan. Furthermore, the legislature intends to prohibit cost sharing for certain types of breast examinations.

NEW SECTION. Sec. 2. A new section is added to chapter 48.43 RCW to read as follows:

(1) Except as provided in subsection (2) of this section, for nongrandfathered health plans issued or renewed on or after January 1, 2024, that include coverage of supplemental breast examinations and diagnostic breast examinations, health carriers may not impose cost sharing for such examinations.

(2) For a health plan that provides coverage of supplemental breast examinations and diagnostic breast examinations and is offered as a qualifying health plan for a health savings account, the health carrier shall establish the plan's cost sharing for the coverage of the services described in this section at the minimum level necessary to preserve the enrollee's ability to claim tax exempt contributions from their health savings account under internal revenue service laws and regulations.

(3) For purposes of this section:

(a) "Diagnostic breast examination" means a medically necessary and appropriate examination of the breast, including an examination using diagnostic mammography, digital breast tomosynthesis, also called three dimensional mammography, breast magnetic resonance imaging, or breast ultrasound, that is used to evaluate an abnormality:

(i) Seen or suspected from a screening examination for breast cancer; or

(ii) Detected by another means of examination.

(b) "Supplemental breast examination" means a medically necessary and appropriate examination of the breast, including an examination using breast magnetic resonance imaging or breast ultrasound, that is: (i) Used to screen for breast cancer when there is no abnormality seen or suspected; and

(ii) Based on personal or family medical history, or additional factors that may increase the individual's risk of breast cancer.

Sec. 3. RCW 48.20.393 and 1994 sp.s. c 9 s 728 are each amended to read as follows:

Each disability insurance policy issued or renewed after January 1, 1990, that

provides coverage for hospital or medical expenses shall provide coverage for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

This section shall not be construed to prevent the application of standard policy provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits ((such as deductible or copayment provisions)). This section does not limit the authority of an insurer to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits.

Sec. 4. RCW 48.21.225 and 1994 sp.s. c 9 s 731 are each amended to read as follows:

Each group disability insurance policy issued or renewed after January 1, 1990, that provides coverage for hospital or medical expenses shall provide coverage for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

This section shall not be construed to prevent the application of standard policy provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits ((such as deductible or copayment provisions)). This section does not limit the authority of an insurer to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits.

Sec. 5. RCW 48.44.325 and 1994 sp.s. c 9 s 734 are each amended to read as follows:

Each health care service contract issued or renewed after January 1, 1990, that provides benefits for hospital or medical care shall provide benefits for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

This section shall not be construed to prevent the application of standard contract provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits ((such as deductible or copayment provisions)). This section does not limit

the authority of a contractor to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits.

Sec. 6. RCW 48.46.275 and 1994 sp.s. c 9 s 735 are each amended to read as follows:

Each health maintenance agreement issued or renewed after January 1, 1990, that provides benefits for hospital or medical care shall provide benefits for screening or diagnostic mammography services, provided that such services are delivered upon the recommendation of the patient's physician or advanced registered nurse practitioner as authorized by the nursing care quality assurance commission pursuant to chapter 18.79 RCW or physician assistant pursuant to chapter 18.71A RCW.

All services must be provided by the health maintenance organization or rendered upon referral by the health maintenance organization. This section shall not be construed to prevent the application of standard agreement provisions, other than the cost-sharing prohibition provided in section 2 of this act, that are applicable to other benefits ((such as deductible or copayment provisions)). This section does not limit the authority of a health maintenance organization to negotiate rates and contract with specific providers for the delivery of mammography services. This section shall not apply to medicare supplement policies or supplemental contracts covering a specified disease or other limited benefits."

2SSB 5048 Prime Sponsor, Ways & Means: Eliminating college in the high school fees. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Postsecondary Education & Workforce.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.10 RCW to read as follows:

(1) Beginning on September 1, 2023, institutions of higher education must provide enrollment and registration in college in the high school courses in which a student is eligible to receive college credit available at no cost for students in the ninth, 10th, 11th, or 12th grade at public high schools.

(2) Beginning with the 2023-2025 omnibus operating appropriation act, the legislature must pass an omnibus operating appropriations act that appropriates to the state board of community and technical colleges and each of the public four-year institutions of higher education state funding for college in high school courses administered at public secondary schools.

(3) State appropriations for the college in the high school program to the institutions of higher education shall be calculated as follows: The total college in the high school courses administered in the prior academic year, funded at \$300 per student up to a maximum rate of:

(a) \$6,000 per college in the high school course administered by a state university as defined in RCW 28B.10.016;

(b) \$5,000 per college in the high school course administered by a regional university or the state college; or

(c) \$3,500 per college in the high school course administered by a community or technical college.

(4) Beginning with fiscal year 2025 the rate per college in the high school course administered must be adjusted annually for inflation as measured by the consumer price index.

(5) State appropriations must be based on the total number of college in the high school courses administered by an institution of higher education for the academic year immediately prior to the current fiscal year. The state appropriation is based on course administration data submitted annually by October 15th to the office of financial management and legislative fiscal staff.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Community or technical college" has the same meaning as provided for under RCW 28B.50.030.

(b) "Course" means a class taught under a contract between an institution of higher education and a single high school teacher on an articulated subject in which the student is eligible to receive college credit.

(c) "High school" means a public school, as defined in RCW 28A.150.010, that serves students in any of grades nine through 12.

(d) "Institutions of higher education" has the same meaning as provided for under RCW 28B.10.016.

(e) "College in the high school" is the program created under RCW 28A.600.287.

Sec. 2. RCW 28A.600.287 and 2021 c 71 s 1 are each amended to read as follows:

(1) College in the high school is a dual credit program located on a high school campus or in a high school environment in which a high school student is able to earn both high school and college credit by completing college level courses with a passing grade. A college in the high school program must meet the accreditation requirements in RCW 28B.10.035 and the requirements in this section.

(2) A college in the high school program may include both academic and career and technical education.

(3) Ninth, 10th, 11th, and 12th grade students, and students who have not yet received a high school diploma or its equivalent and are eligible to be in the ninth, 10th, 11th, or 12th grades, may participate in a college in the high school program.

(4) A college in the high school program must be governed by a local contract between an institution of higher education and a school district, charter school, or state-tribal compact school, in compliance with the rules adopted by the superintendent of public instruction under this section. The local contract must include the qualifications for students to enroll in a program course.

(5) ~~((a))~~ An institution of higher education may charge tuition fees per credit to each student enrolled in a program course as established in this subsection (5).

(b) (i) ~~The maximum per college credit tuition fee for a program course is \$65 per college credit adjusted for inflation using the implicit price deflator for that fiscal year, using fiscal year 2021 as the base, as compiled by the bureau of labor statistics, United States department of labor for the state of Washington.~~

(ii) ~~Annually by July 1st, the office of the superintendent of public instruction must calculate the maximum per college credit tuition fee and post the fee on its website.~~

(c) ~~The funds received by an institution of higher education under this subsection (5) are not tuition or operating fees and may be retained by the institution of higher education.~~

(6) Enrollment information on persons registered under this section must be maintained by the institution of higher education separately from other enrollment information and may not be included in official enrollment reports, nor may such persons be considered in any enrollment statistics that would affect higher education budgetary determinations.

(7) (6) Each school district, charter school, and state-tribal compact school must award high school credit to a student enrolled in a program course if the student successfully completes the course. If no comparable course is offered by the school district, charter school, or state-tribal compact school, the chief administrator shall determine how many credits to award for the successful completion of the program course. The determination must be made in writing before the student enrolls in the program course. The awarded credit must be applied toward graduation requirements and subject area requirements. Evidence of

successful completion of each program course must be included in the student's high school records and transcript.

~~((8) An))~~ (7) Each institution of higher education ((must award)) offering college in the high school must:

(a) Award college credit to a student enrolled in a program course ((if the student successfully completes the course. The awarded college credit must be applied toward general education requirements or degree requirements at the institution of higher education. Evidence of successful completion of each program course must be included in the student's college transcript)) and provide evidence of completion of each program course on the student's college transcript;

(b) Grant undergraduate college credit as appropriate and applicable to the student's degree requirements; and

(c) Provide course equivalencies for college in the high school courses and policy for awarding credit on the institution's website.

~~((9))~~ (8) (a) A high school that offers a college in the high school program must provide general information about the program to all students in grades eight through 12 and to the parents and guardians of those students.

(b) A high school that offers a college in the high school program must include the following information about program courses in a notification to parents and guardians of students in grades eight through 12, including by email and in beginning of the year packets, and in the high school catalogue or equivalent:

(i) ~~There is no fee for students to enroll in a program course ((to earn only high school credit. Fees apply for students who choose to enroll in a program course to earn both high school and college credit;~~

(ii) ~~A description and breakdown of the fees charged to students to earn college credit;~~

(iii) ~~A description of fee payment and financial assistance options available to students; and~~

(iv)) for high school credit or for students to enroll in a program course for both high school and college credit; and

(ii) A notification that ((paying fee)) enrolling in a program course for college credit automatically starts an official college transcript with the institution of higher education offering the program course regardless of student performance in the program course, and that college credit earned upon successful completion of a program course may count only as elective credit if transferred to another institution of higher education.

~~((10))~~ (9) Full-time and part-time faculty at institutions of higher education, including adjunct faculty, are eligible to teach program courses.

~~((11) Students enrolled in a program course may pay college in the high school fees with advanced college tuition payment program tuition units at a rate set by the advanced college tuition payment program governing body under chapter 28B.95 RCW.~~

(12) (10) The superintendent of public instruction shall adopt rules for the

administration of this section. The rules must be jointly developed by the superintendent of public instruction, the state board for community and technical colleges, the student achievement council, and the public baccalaureate institutions. The association of Washington school principals must be consulted during the rules development. The rules must outline quality and eligibility standards that are informed by nationally recognized standards or models. In addition, the rules must encourage the maximum use of the program and may not narrow or limit the enrollment options.

(13) The definitions in this subsection apply throughout this section ~~((-))~~, unless the context clearly requires otherwise:

(a) "Charter school" means a school established under chapter 28A.710 RCW.

(b) "High school" means a public school, as defined in RCW 28A.150.010, that serves students in any of grades nine through 12.

(c) "Institution of higher education" has the same meaning as in RCW 28B.10.016, and also means a public tribal college located in Washington and accredited by the northwest commission on colleges and universities or another accrediting association recognized by the United States department of education.

(d) "Program course" means a college course offered in a high school under a college in the high school program.

(e) "State-tribal compact school" means a school established under chapter 28A.715 RCW.

Sec. 3. RCW 28B.76.730 and 2021 c 71 s 6 are each amended to read as follows:

(1) The legislature recognizes that dual credit programs reduce both the cost and time of attendance to obtain a postsecondary degree. The legislature intends to reduce barriers and increase access to postsecondary educational opportunities for low-income students by removing the financial barriers for dual enrollment programs for students.

(2) The office, in consultation with the institutions of higher education and the office of the superintendent of public instruction, shall create the Washington dual enrollment scholarship pilot program. The office shall administer the Washington dual enrollment scholarship pilot program and may adopt rules as necessary.

(3) Eligible students are those who meet the following requirements:

(a) Qualify for the free or reduced-price lunch program;

(b) Are enrolled in one or more dual credit programs, as defined in RCW 28B.15.821, such as ~~((college in the high school and))~~ running start; and

(c) Have at least a 2.0 grade point average.

(4) Subject to availability of amounts appropriated for this specific purpose, beginning with the 2019-20 academic year, the office may award scholarships to eligible students. The scholarship award must be as follows ~~((-))~~

~~((-))~~ for eligible students enrolled in running start:

~~((i))~~ (a) Mandatory fees, as defined in RCW 28A.600.310(2), prorated based on credit load;

~~((ii))~~ (b) Course fees or laboratory fees as determined appropriate by college or university policies to pay for specified course related costs;

~~((iii))~~ (c) A textbook voucher to be used at the institution of higher education's bookstore where the student is enrolled. For every credit per quarter the student is enrolled, the student shall receive a textbook voucher for ten dollars, up to a maximum of fifteen credits per quarter, or the equivalent, per year; and

~~((iv))~~ (d) Apprenticeship materials as determined appropriate by the college or university to pay for specific course-related material costs, which may include occupation-specific tools, work clothes, rain gear, or boots.

~~((b) An eligible student enrolled in a college in the high school program may receive a scholarship for tuition fees as set forth under RCW 28A.600.287-))~~

(5) The Washington dual enrollment scholarship pilot program must apply after the fee waivers for low-income students under RCW 28A.600.310 ~~((and subsidies under RCW 28A.600.290))~~ are provided for.

NEW SECTION. Sec. 4. RCW 28A.600.290 (College in the high school program—Funding) and 2021 c 71 s 2, 2015 c 202 s 3, 2012 c 229 s 801, & 2009 c 450 s 3 are each repealed.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

2SSB 5103 Prime Sponsor, Ways & Means: Concerning payment to acute care hospitals for difficult to discharge medicad patients. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Health Care & Wellness.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.09.520 and 2022 c 255 s 4 are each amended to read as follows:

(1) The term "medical assistance" may include the following care and services subject to rules adopted by the authority or department: (a) Inpatient hospital services; (b) outpatient hospital services; (c) other laboratory and X-ray services; (d) nursing facility services; (e) physicians' services, which shall include prescribed medication and instruction on birth control devices; (f) medical care, or any other type of remedial care as may be established by the secretary or director; (g) home health care services; (h) private duty nursing services; (i) dental services; (j) physical and occupational therapy and related services; (k) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in diseases of the eye or by an optometrist, whichever the individual may select; (l) personal care services, as provided in this section; (m) hospice services; (n) other diagnostic, screening, preventive, and rehabilitative services; and (o) like services when furnished to a child by a school district in a manner consistent with the requirements of this chapter. For the purposes of this section, neither the authority nor the department may cut off any prescription medications, oxygen supplies, respiratory services, or other life-sustaining medical services or supplies.

"Medical assistance," notwithstanding any other provision of law, shall not include routine foot care, or dental services delivered by any health care provider, that are not mandated by Title XIX of the social security act unless there is a specific appropriation for these services.

(2) The department shall adopt, amend, or rescind such administrative rules as are necessary to ensure that Title XIX personal

care services are provided to eligible persons in conformance with federal regulations.

(a) These administrative rules shall include financial eligibility indexed according to the requirements of the social security act providing for medicaid eligibility.

(b) The rules shall require clients be assessed as having a medical condition requiring assistance with personal care tasks. Plans of care for clients requiring health-related consultation for assessment and service planning may be reviewed by a nurse.

(c) The department shall determine by rule which clients have a health-related assessment or service planning need requiring registered nurse consultation or review. This definition may include clients that meet indicators or protocols for review, consultation, or visit.

(3) The department shall design and implement a means to assess the level of functional disability of persons eligible for personal care services under this section. The personal care services benefit shall be provided to the extent funding is available according to the assessed level of functional disability. Any reductions in services made necessary for funding reasons should be accomplished in a manner that assures that priority for maintaining services is given to persons with the greatest need as determined by the assessment of functional disability.

(4) Effective July 1, 1989, the authority shall offer hospice services in accordance with available funds.

(5) For Title XIX personal care services administered by the department, the department shall contract with area agencies on aging or may contract with a federally recognized Indian tribe under RCW 74.39A.090(3):

(a) To provide case management services to individuals receiving Title XIX personal care services in their own home; and

(b) To reassess and reauthorize Title XIX personal care services or other home and community services as defined in RCW 74.39A.009 in home or in other settings for individuals consistent with the intent of this section:

(i) Who have been initially authorized by the department to receive Title XIX personal care services or other home and community services as defined in RCW 74.39A.009; and

(ii) Who, at the time of reassessment and reauthorization, are receiving such services in their own home.

(6) In the event that an area agency on aging or federally recognized Indian tribe is unwilling to enter into or satisfactorily fulfill a contract or an individual consumer's need for case management services will be met through an alternative delivery system, the department is authorized to:

(a) Obtain the services through competitive bid; and

(b) Provide the services directly until a qualified contractor can be found.

(7) Subject to the availability of amounts appropriated for this specific purpose, the authority may offer medicare

part D prescription drug copayment coverage to full benefit dual eligible beneficiaries.

(8) Effective January 1, 2016, the authority shall require universal screening and provider payment for autism and developmental delays as recommended by the bright futures guidelines of the American academy of pediatrics, as they existed on August 27, 2015. This requirement is subject to the availability of funds.

(9) Subject to the availability of amounts appropriated for this specific purpose, effective January 1, 2018, the authority shall require provider payment for annual depression screening for youth ages twelve through eighteen as recommended by the bright futures guidelines of the American academy of pediatrics, as they existed on January 1, 2017. Providers may include, but are not limited to, primary care providers, public health nurses, and other providers in a clinical setting. This requirement is subject to the availability of funds appropriated for this specific purpose.

(10) Subject to the availability of amounts appropriated for this specific purpose, effective January 1, 2018, the authority shall require provider payment for maternal depression screening for mothers of children ages birth to six months. This requirement is subject to the availability of funds appropriated for this specific purpose.

(11) Subject to the availability of amounts appropriated for this specific purpose, the authority shall:

(a) Allow otherwise eligible reimbursement for the following related to mental health assessment and diagnosis of children from birth through five years of age:

(i) Up to five sessions for purposes of intake and assessment, if necessary;

(ii) Assessments in home or community settings, including reimbursement for provider travel; and

(b) Require providers to use the current version of the DC:0-5 diagnostic classification system for mental health assessment and diagnosis of children from birth through five years of age.

(12)(a) The authority shall require or provide payment to the hospital for any day of a hospital stay in which an adult or child patient enrolled in medical assistance, including home and community services or with a medicaid managed care organization, under this chapter:

(i) Does not meet the criteria for acute inpatient level of care as defined by the authority;

(ii) Meets the criteria for discharge, as defined by the authority or department, to any appropriate placement including, but not limited to:

(A) A nursing home licensed under chapter 18.51 RCW;

(B) An assisted living facility licensed under chapter 18.20 RCW;

(C) An adult family home licensed under chapter 70.128 RCW; or

(D) A setting in which residential services are provided or funded by the developmental disabilities administration of

the department, including supported living as defined in RCW 71A.10.020; and

(iii) Is not discharged from the hospital because placement in the appropriate location described in (a)(ii) of this subsection is not available.

(b) The authority shall adopt rules identifying which services are included in the payment described in (a) of this subsection and which services may be billed separately, including specific revenue codes or services required on the inpatient claim.

(c) Allowable medically necessary services performed during a stay described in (a) of this subsection shall be billed by and paid to the hospital separately. Such services may include but are not limited to hemodialysis, laboratory charges, and x-rays.

(d) Pharmacy services and pharmaceuticals shall be billed by and paid to the hospital separately.

(e) The requirements of this subsection do not alter requirements for billing or payment for inpatient care.

(f) The authority shall adopt, amend, or rescind such administrative rules as necessary to facilitate calculation and payment of the amounts described in this subsection, including for clients of medicaid managed care organizations.

(g) The authority shall adopt rules requiring medicaid managed care organizations to establish specific and uniform administrative and review processes for payment under this subsection.

(h) For patients meeting the criteria in (a)(ii)(A) of this subsection, hospitals must utilize swing beds or skilled nursing beds to the extent the services are available within their facility and the associated reimbursement methodology prior to the billing under the methodology in (a) of this subsection, if the hospital determines that such swing bed or skilled nursing bed placement is appropriate for the patient's care needs, the patient is appropriate for the existing patient mix, and appropriate staffing is available."

Prime Sponsor, Senator Frame: Concerning assisted outpatient treatment. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Civil Rights & Judiciary.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 71.05.148 and 2022 c 210 s 3 are each amended to read as follows:

(1) A person is in need of assisted outpatient treatment if the court finds by clear, cogent, and convincing evidence pursuant to a petition filed under this section that:

(a) The person has a behavioral health disorder;

(b) Based on a clinical determination and in view of the person's treatment history and current behavior, at least one of the following is true:

(i) The person is unlikely to survive safely in the community without supervision and the person's condition is substantially deteriorating; or

(ii) The person is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or a likelihood of serious harm to the person or to others;

(c) The person has a history of lack of compliance with treatment for his or her behavioral health disorder that has:

(i) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating hospitalization of the person, or the person's receipt of services in a forensic or other mental health unit of a state correctional facility or local correctional facility, provided that the 36-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred within the 36-month period;

(ii) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating emergency medical care or hospitalization for behavioral health-related medical conditions including overdose, infected abscesses, sepsis, endocarditis, or other maladies, or a significant factor in behavior which resulted in the person's incarceration in a state or local correctional facility; or

(iii) Resulted in one or more violent acts, threats, or attempts to cause serious physical harm to the person or another within the 48 months prior to the filing of the petition, provided that the 48-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred during the 48-month period;

(d) Participation in an assisted outpatient treatment program would be the least restrictive alternative necessary to ensure the person's recovery and stability; and

(e) The person will benefit from assisted outpatient treatment.

(2) The following individuals may directly file a petition for less restrictive alternative treatment on the basis that a person is in need of assisted outpatient treatment:

(a) The director of a hospital where the person is hospitalized or the director's designee;

(b) The director of a behavioral health service provider providing behavioral health care or residential services to the person or the director's designee;

(c) The person's treating mental health professional or substance use disorder professional or one who has evaluated the person;

(d) A designated crisis responder;

(e) A release planner from a corrections facility; or

(f) An emergency room physician.

(3) A court order for less restrictive alternative treatment on the basis that the person is in need of assisted outpatient treatment may be effective for up to 18 months, unless the person is currently detained for inpatient treatment for 14 days or more under RCW 71.05.240 or 71.05.320, in which case the order may be effective for 90 days if the person is currently detained for 14 days of treatment, or 180 days if the person is currently detained for 90 or 180 days of treatment. The petitioner must personally interview the person, unless the person refuses an interview, to determine whether the person will voluntarily receive appropriate treatment.

(4) The petitioner must allege specific facts based on personal observation, evaluation, or investigation, and must consider the reliability or credibility of any person providing information material to the petition.

(5) The petition must include:

(a) A statement of the circumstances under which the person's condition was made known and the basis for the opinion, from personal observation or investigation, that the person is in need of assisted outpatient treatment. The petitioner must state which specific facts come from personal observation and specify what other sources of information the petitioner has relied upon to form this belief;

(b) A declaration from a physician, physician assistant, advanced registered nurse practitioner, ~~((or))~~ the person's treating mental health professional or substance use disorder professional, or in the case of a person enrolled in treatment in a behavioral health agency, the person's behavioral health case manager, who has examined the person no more than 10 days prior to the submission of the petition and who is willing to testify in support of the petition, or who alternatively has made appropriate attempts to examine the person within the same period but has not been successful in obtaining the person's cooperation, and who is willing to testify to the reasons they believe that the person meets the criteria for assisted outpatient treatment ~~((If the declaration is provided by the person's treating mental health professional or substance use disorder professional, it must be cosigned by a supervising physician, physician assistant, or advanced registered nurse practitioner who certifies that they have reviewed the declaration))~~;

(c) The declarations of additional witnesses, if any, supporting the petition for assisted outpatient treatment;

(d) The name of an agency, provider, or facility that agrees to provide less restrictive alternative treatment if the petition is granted by the court; and

(e) If the person is detained in a state hospital, inpatient treatment facility, jail, or correctional facility at the time the petition is filed, the anticipated release date of the person and any other details needed to facilitate successful reentry and transition into the community.

(6)(a) Upon receipt of a petition meeting all requirements of this section, the court shall fix a date for a hearing:

(i) No sooner than three days or later than seven days after the date of service or as stipulated by the parties or, upon a showing of good cause, no later than 30 days after the date of service; or

(ii) If the respondent is hospitalized at the time of filing of the petition, before discharge of the respondent and in sufficient time to arrange for a continuous transition from inpatient treatment to assisted outpatient treatment.

(b) A copy of the petition and notice of hearing shall be served, in the same manner as a summons, on the petitioner, the respondent, the qualified professional whose affidavit accompanied the petition, a current provider, if any, and a surrogate decision maker or agent under chapter 71.32 RCW, if any.

(c) If the respondent has a surrogate decision maker or agent under chapter 71.32 RCW who wishes to provide testimony at the hearing, the court shall afford the surrogate decision maker or agent an opportunity to testify.

(d) The respondent shall be represented by counsel at all stages of the proceedings.

(e) If the respondent fails to appear at the hearing after notice, the court may conduct the hearing in the respondent's absence; provided that the respondent's counsel is present.

(f) If the respondent has refused to be examined by the qualified professional whose affidavit accompanied the petition, the court may order a mental examination of the respondent. The examination of the respondent may be performed by the qualified professional whose affidavit accompanied the petition. If the examination is performed by another qualified professional, the examining qualified professional shall be authorized to consult with the qualified professional whose affidavit accompanied the petition.

(g) If the respondent has refused to be examined by a qualified professional and the court finds reasonable grounds to believe that the allegations of the petition are true, the court may issue a written order directing a peace officer who has completed crisis intervention training to detain and transport the respondent to a provider for examination by a qualified professional. A respondent detained pursuant to this subsection shall be detained no longer than necessary to complete the examination and in no event longer than 24 hours.

(7) If the petition involves a person whom the petitioner or behavioral health administrative services organization knows, or has reason to know, is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the behavioral health administrative services organization shall notify the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

(8) A petition for assisted outpatient treatment filed under this section shall be adjudicated under RCW 71.05.240.

(9) ~~((After January 1, 2023, a))~~ A petition for assisted outpatient treatment must be filed on forms developed by the administrative office of the courts.

Sec. 2. RCW 71.05.365 and 2022 c 210 s 19 are each amended to read as follows:

When a person has been involuntarily committed for treatment to a hospital for a period of 90 or 180 days, and the superintendent or professional person in charge of the hospital determines that the person no longer requires active psychiatric treatment at an inpatient level of care, the behavioral health administrative services organization, managed care organization, or agency providing oversight of long-term care or developmental disability services that is responsible for resource management services for the person must work with the hospital to develop an individualized discharge plan ~~((, including whether a petition should be filed for less restrictive alternative treatment on the basis that the person is in need of assisted outpatient treatment,))~~ and arrange for a transition to the community in accordance with the person's individualized discharge plan within 14 days of the determination.

Sec. 3. RCW 71.05.590 and 2022 c 210 s 23 are each amended to read as follows:

(1) ~~((Either an))~~ An agency or facility designated to monitor or provide less restrictive alternative treatment services under a ~~((less restrictive alternative))~~ court order or conditional release, or a designated crisis responder, may take action to enforce, modify, or revoke ~~((a))~~ the less restrictive alternative treatment order or conditional release ~~((order. The))~~ if the agency, facility, or designated crisis responder ~~((must determine))~~ determines that:

(a) The person is failing to adhere to the terms and conditions of the order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to

the circumstances and consistent with the interests of the individual and the public in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be directed to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist the entity requesting the hearing and issue an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To detain the person for up to 12 hours for evaluation at an agency, facility providing services under the court order, triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility with available space, or an approved substance use disorder treatment program with available space. The purpose of the evaluation is to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when, based on clinical judgment, temporary detention is appropriate. The agency, facility, or designated crisis responder may request assistance from a peace officer for the purposes of temporary detention under this subsection (2)(d). This subsection does not limit the ability or obligation of the agency, facility, or designated crisis responder to pursue revocation procedures under subsection (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (5) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient

treatment except as provided under subsection (5) of this section, but may take actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(5)(a) A designated crisis responder or the secretary of the department of social and health services may, upon their own motion or upon request of the facility or agency designated to provide outpatient care, cause a person to be detained in an evaluation and treatment facility, available secure withdrawal management and stabilization facility with adequate space, or available approved substance use disorder treatment program with adequate space in or near the county in which he or she is receiving outpatient treatment for the purpose of a hearing for revocation of a less restrictive alternative treatment order or conditional release order under this chapter. The designated crisis responder or secretary of the department of social and health services shall file a petition for revocation within 24 hours and serve the person, their guardian, if any, and their attorney. A hearing for revocation of a less restrictive alternative treatment order or conditional release order may be scheduled without detention of the person.

(b) A person detained under this subsection (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the order for less restrictive alternative treatment or conditional release should be revoked, modified, or retained. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may withdraw its petition for revocation at any time before the court hearing.

(c) A person detained under this subsection (5) has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the order or conditional release; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm;

and, if any of the above conditions apply, whether it is appropriate for the court to reinstate or modify the person's less restrictive alternative treatment order or conditional release (~~(order)~~) or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order or conditional release (~~(order)~~) was based on a petition under RCW 71.05.148, 71.05.160, or 71.05.230. The person must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.05.320 or the person accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release (~~(order)~~) was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the order must be converted to days of inpatient treatment. A court may not detain a person for inpatient treatment to a secure withdrawal management and stabilization facility or approved substance use disorder treatment program under this subsection unless there is a facility or program available with adequate space for the person.

(6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

Sec. 4. RCW 71.05.590 and 2022 c 210 s 24 are each amended to read as follows:

(1) (~~Either an~~) An agency or facility designated to monitor or provide less restrictive alternative treatment services under a (~~less restrictive alternative~~) court order or conditional release, or a designated crisis responder, may take action to enforce, modify, or revoke ((a)) the less restrictive alternative treatment order or conditional release (~~(order. The)~~) if the agency, facility, or designated crisis responder (~~must determine~~) determines that:

(a) The person is failing to adhere to the terms and conditions of the order;

(b) Substantial deterioration in the person's functioning has occurred;

(c) There is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further evaluation, intervention, or treatment; or

(d) The person poses a likelihood of serious harm.

(2) Actions taken under this section must include a flexible range of responses of varying levels of intensity appropriate to the circumstances and consistent with the interests of the individual and the public

in personal autonomy, safety, recovery, and compliance. Available actions may include, but are not limited to, any of the following:

(a) To counsel or advise the person as to their rights and responsibilities under the court order, and to offer incentives to motivate compliance;

(b) To increase the intensity of outpatient services provided to the person by increasing the frequency of contacts with the provider, referring the person for an assessment for assertive community services, or by other means;

(c) To request a court hearing for review and modification of the court order. The request must be directed to the court with jurisdiction over the order and specify the circumstances that give rise to the request and what modification is being sought. The county prosecutor shall assist (~~(the)~~) the entity requesting the hearing and issue an appropriate summons to the person. This subsection does not limit the inherent authority of a treatment provider to alter conditions of treatment for clinical reasons, and is intended to be used only when court intervention is necessary or advisable to secure the person's compliance and prevent decompensation or deterioration;

(d) To detain the person for up to 12 hours for evaluation at an agency, facility providing services under the court order, triage facility, crisis stabilization unit, emergency department, evaluation and treatment facility, secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program. The purpose of the evaluation is to determine whether modification, revocation, or commitment proceedings are necessary and appropriate to stabilize the person and prevent decompensation, deterioration, or physical harm. Temporary detention for evaluation under this subsection is intended to occur only following a pattern of noncompliance or the failure of reasonable attempts at outreach and engagement, and may occur only when, based on clinical judgment, temporary detention is appropriate. The agency, facility, or designated crisis responder may request assistance from a peace officer for the purposes of temporary detention under this subsection (2)(d). This subsection does not limit the ability or obligation of the agency, facility, or designated crisis responder to pursue revocation procedures under subsection (5) of this section in appropriate circumstances; and

(e) To initiate revocation procedures under subsection (5) of this section.

(3) A court may supervise a person on an order for less restrictive alternative treatment or a conditional release. While the person is under the order, the court may:

(a) Require appearance in court for periodic reviews; and

(b) Modify the order after considering input from the agency or facility designated to provide or facilitate services. The court may not remand the person into inpatient treatment except as provided under subsection (5) of this section, but may take

actions under subsection (2)(a) through (d) of this section.

(4) The facility or agency designated to provide outpatient treatment shall notify the secretary of the department of social and health services or designated crisis responder when a person fails to adhere to terms and conditions of court ordered treatment or experiences substantial deterioration in his or her condition and, as a result, presents an increased likelihood of serious harm.

(5)(a) A designated crisis responder or the secretary of the department of social and health services may, upon their own motion or upon request of the facility or agency designated to provide outpatient care, cause a person to be detained in an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in or near the county in which he or she is receiving outpatient treatment for the purpose of a hearing for revocation of a less restrictive alternative treatment order or conditional release (~~order~~) under this chapter. The designated crisis responder or secretary of the department of social and health services shall file a petition for revocation within 24 hours and serve the person, their guardian, if any, and their attorney. A hearing for revocation of a less restrictive alternative treatment order or conditional release (~~order~~) may be scheduled without detention of the person.

(b) A person detained under this subsection (5) must be held until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the order for less restrictive alternative treatment or conditional release should be revoked, modified, or retained. If the person is not detained, the hearing must be scheduled within five days of service on the person. The designated crisis responder or the secretary of the department of social and health services may withdraw its petition for revocation at any time before the court hearing.

(c) A person detained under this subsection (5) has the same rights with respect to notice, hearing, and counsel as in any involuntary treatment proceeding, except as specifically set forth in this section. There is no right to jury trial. The venue for proceedings is the county where the petition is filed. Notice of the filing must be provided to the court that originally ordered commitment, if different from the court where the petition for revocation is filed, within two judicial days of the person's detention.

(d) The issues for the court to determine are whether: (i) The person adhered to the terms and conditions of the order or conditional release; (ii) substantial deterioration in the person's functioning has occurred; (iii) there is evidence of substantial decompensation with a reasonable probability that the decompensation can be reversed by further inpatient treatment; or (iv) there is a likelihood of serious harm; and, if any of the above conditions apply, whether it is appropriate for the court to reinstate or modify the person's less

restrictive alternative treatment order or conditional release (~~order~~) or order the person's detention for inpatient treatment. The person may waive the court hearing and allow the court to enter a stipulated order upon the agreement of all parties. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order or conditional release (~~order~~) was based on a petition under RCW 71.05.148, 71.05.160, or 71.05.230. The person must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.05.320 or the person accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release (~~order~~) was based on a petition under RCW 71.05.290 or 71.05.320, the number of days remaining on the order must be converted to days of inpatient treatment.

(6) In determining whether or not to take action under this section the designated crisis responder, agency, or facility must consider the factors specified under RCW 71.05.212 and the court must consider the factors specified under RCW 71.05.245 as they apply to the question of whether to enforce, modify, or revoke a court order for involuntary treatment.

Sec. 5. RCW 71.34.020 and 2021 c 264 s 26 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Admission" or "admit" means a decision by a physician, physician assistant, or psychiatric advanced registered nurse practitioner that a minor should be examined or treated as a patient in a hospital.

(2) "Adolescent" means a minor thirteen years of age or older.

(3) "Alcoholism" means a disease, characterized by a dependency on alcoholic beverages, loss of control over the amount and circumstances of use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning.

(4) "Antipsychotic medications" means that class of drugs primarily used to treat serious manifestations of mental illness associated with thought disorders, which includes, but is not limited to, atypical antipsychotic medications.

(5) "Approved substance use disorder treatment program" means a program for minors with substance use disorders provided by a treatment program licensed or certified by the department of health as meeting standards adopted under chapter 71.24 RCW.

(6) "Attending staff" means any person on the staff of a public or private agency having responsibility for the care and treatment of a minor patient.

(7) "Authority" means the Washington state health care authority.

(8) "Behavioral health administrative services organization" has the same meaning as provided in RCW 71.24.025.

(9) "Behavioral health disorder" means either a mental disorder as defined in this section, a substance use disorder as defined in this section, or a co-occurring mental disorder and substance use disorder.

(10) "Child psychiatrist" means a person having a license as a physician and surgeon in this state, who has had graduate training in child psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and who is board eligible or board certified in child psychiatry.

(11) "Children's mental health specialist" means:

(a) A mental health professional who has completed a minimum of one hundred actual hours, not quarter or semester hours, of specialized training devoted to the study of child development and the treatment of children; and

(b) A mental health professional who has the equivalent of one year of full-time experience in the treatment of children under the supervision of a children's mental health specialist.

(12) "Commitment" means a determination by a judge or court commissioner, made after a commitment hearing, that the minor is in need of inpatient diagnosis, evaluation, or treatment or that the minor is in need of less restrictive alternative treatment.

(13) "Conditional release" means a revocable modification of a commitment, which may be revoked upon violation of any of its terms.

(14) "Co-occurring disorder specialist" means an individual possessing an enhancement granted by the department of health under chapter 18.205 RCW that certifies the individual to provide substance use disorder counseling subject to the practice limitations under RCW 18.205.105.

(15) "Crisis stabilization unit" means a short-term facility or a portion of a facility licensed or certified by the department of health under RCW 71.24.035, such as a residential treatment facility or a hospital, which has been designed to assess, diagnose, and treat individuals experiencing an acute crisis without the use of long-term hospitalization.

(16) "Custody" means involuntary detention under the provisions of this chapter or chapter 10.77 RCW, uninterrupted by any period of unconditional release from commitment from a facility providing involuntary care and treatment.

(17) "Department" means the department of social and health services.

(18) "Designated crisis responder" has the same meaning as provided in RCW 71.05.020.

(19) "Detention" or "detain" means the lawful confinement of a person, under the provisions of this chapter.

(20) "Developmental disabilities professional" means a person who has specialized training and three years of experience in directly treating or working with persons with developmental disabilities and is a psychiatrist, physician assistant

working with a supervising psychiatrist, psychologist, psychiatric advanced registered nurse practitioner, or social worker, and such other developmental disabilities professionals as may be defined by rules adopted by the secretary of the department.

(21) "Developmental disability" has the same meaning as defined in RCW 71A.10.020.

(22) "Director" means the director of the authority.

(23) "Discharge" means the termination of hospital medical authority. The commitment may remain in place, be terminated, or be amended by court order.

(24) "Evaluation and treatment facility" means a public or private facility or unit that is licensed or certified by the department of health to provide emergency, inpatient, residential, or outpatient mental health evaluation and treatment services for minors. A physically separate and separately operated portion of a state hospital may be designated as an evaluation and treatment facility for minors. A facility which is part of or operated by the state or federal agency does not require licensure or certification. No correctional institution or facility, juvenile court detention facility, or jail may be an evaluation and treatment facility within the meaning of this chapter.

(25) "Evaluation and treatment program" means the total system of services and facilities coordinated and approved by a county or combination of counties for the evaluation and treatment of minors under this chapter.

(26) "Gravely disabled minor" means a minor who, as a result of a behavioral health disorder, (a) is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety, or (b) manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

(27) "Habilitative services" means those services provided by program personnel to assist minors in acquiring and maintaining life skills and in raising their levels of physical, behavioral, social, and vocational functioning. Habilitative services include education, training for employment, and therapy.

(28) "Hearing" means any proceeding conducted in open court that conforms to the requirements of RCW 71.34.910.

(29) "History of one or more violent acts" refers to the period of time five years prior to the filing of a petition under this chapter, excluding any time spent, but not any violent acts committed, in a mental health facility, a long-term substance use disorder treatment facility, or in confinement as a result of a criminal conviction.

(30) "Individualized service plan" means a plan prepared by a developmental disabilities professional with other professionals as a team, for a person with developmental disabilities, which states:

(a) The nature of the person's specific problems, prior charged criminal behavior, and habilitation needs;

(b) The conditions and strategies necessary to achieve the purposes of habilitation;

(c) The intermediate and long-range goals of the habilitation program, with a projected timetable for the attainment;

(d) The rationale for using this plan of habilitation to achieve those intermediate and long-range goals;

(e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual discharge or release, and a projected possible date for discharge or release; and

(g) The type of residence immediately anticipated for the person and possible future types of residences.

(31) (a) "Inpatient treatment" means twenty-four-hour-per-day mental health care provided within a general hospital, psychiatric hospital, residential treatment facility licensed or certified by the department of health as an evaluation and treatment facility for minors, secure withdrawal management and stabilization facility for minors, or approved substance use disorder treatment program for minors.

(b) For purposes of family-initiated treatment under RCW 71.34.600 through 71.34.670, "inpatient treatment" has the meaning included in (a) of this subsection and any other residential treatment facility licensed under chapter 71.12 RCW.

(32) "Intoxicated minor" means a minor whose mental or physical functioning is substantially impaired as a result of the use of alcohol or other psychoactive chemicals.

(33) "Judicial commitment" means a commitment by a court pursuant to the provisions of this chapter.

(34) "Kinship caregiver" has the same meaning as in RCW 74.13.031(19)(a).

(35) "Legal counsel" means attorneys and staff employed by county prosecutor offices or the state attorney general acting in their capacity as legal representatives of public behavioral health service providers under RCW 71.05.130.

(36) "Less restrictive alternative" or "less restrictive setting" means outpatient treatment provided to a minor as a program of individualized treatment in a less restrictive setting than inpatient treatment (~~that~~). This term includes the services described in RCW 71.34.755, including residential treatment, and treatment pursuant to an assisted outpatient treatment order under RCW 71.34.815.

(37) "Licensed physician" means a person licensed to practice medicine or osteopathic medicine and surgery in the state of Washington.

(38) "Likelihood of serious harm" means:

(a) A substantial risk that: (i) Physical harm will be inflicted by a minor upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself; (ii) physical harm

will be inflicted by a minor upon another individual, as evidenced by behavior which has caused such harm or which places another person or persons in reasonable fear of sustaining such harm; or (iii) physical harm will be inflicted by a minor upon the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others; or

(b) The minor has threatened the physical safety of another and has a history of one or more violent acts.

(39) "Managed care organization" has the same meaning as provided in RCW 71.24.025.

(40) "Medical clearance" means a physician or other health care provider has determined that a person is medically stable and ready for referral to the designated crisis responder.

(41) "Medical necessity" for inpatient care means a requested service which is reasonably calculated to: (a) Diagnose, correct, cure, or alleviate a mental disorder or substance use disorder; or (b) prevent the progression of a mental disorder or substance use disorder that endangers life or causes suffering and pain, or results in illness or infirmity or threatens to cause or aggravate a disability, or causes physical deformity or malfunction, and there is no adequate less restrictive alternative available.

(42) "Mental disorder" means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions. The presence of alcohol abuse, drug abuse, juvenile criminal history, antisocial behavior, or intellectual disabilities alone is insufficient to justify a finding of "mental disorder" within the meaning of this section.

(43) "Mental health professional" means a psychiatrist, psychiatric advanced registered nurse practitioner, physician assistant working with a supervising psychiatrist, psychologist, psychiatric nurse, social worker, and such other mental health professionals as defined by rules adopted by the secretary of the department of health under this chapter.

(44) "Minor" means any person under the age of eighteen years.

(45) "Outpatient treatment" means any of the nonresidential services mandated under chapter 71.24 RCW and provided by licensed or certified behavioral health agencies as identified by RCW 71.24.025.

(46) (a) "Parent" has the same meaning as defined in RCW 26.26A.010, including either parent if custody is shared under a joint custody agreement, or a person or agency judicially appointed as legal guardian or custodian of the child.

(b) For purposes of family-initiated treatment under RCW 71.34.600 through 71.34.670, "parent" also includes a person to whom a parent defined in (a) of this subsection has given a signed authorization to make health care decisions for the adolescent, a stepparent who is involved in caring for the adolescent, a kinship caregiver who is involved in caring for the adolescent, or another relative who is responsible for the health care of the adolescent, who may be required to provide a

declaration under penalty of perjury stating that he or she is a relative responsible for the health care of the adolescent pursuant to chapter 5.50 RCW. If a dispute arises between individuals authorized to act as a parent for the purpose of RCW 71.34.600 through 71.34.670, the disagreement must be resolved according to the priority established under RCW 7.70.065(2)(a).

(47) "Peace officer" means a law enforcement official of a public agency or governmental unit, and includes persons specifically given peace officer powers by any state law, local ordinance, or judicial order of appointment.

(48) "Physician assistant" means a person licensed as a physician assistant under chapter 18.71A RCW.

(49) "Private agency" means any person, partnership, corporation, or association that is not a public agency, whether or not financed in whole or in part by public funds, that constitutes an evaluation and treatment facility or private institution, or hospital, or approved substance use disorder treatment program, that is conducted for, or includes a distinct unit, floor, or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders.

(50) "Professional person in charge" or "professional person" means a physician, other mental health professional, or other person empowered by an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program with authority to make admission and discharge decisions on behalf of that facility.

(51) "Psychiatric nurse" means a registered nurse who has experience in the direct treatment of persons who have a mental illness or who are emotionally disturbed, such experience gained under the supervision of a mental health professional.

(52) "Psychiatrist" means a person having a license as a physician in this state who has completed residency training in psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and is board eligible or board certified in psychiatry.

(53) "Psychologist" means a person licensed as a psychologist under chapter 18.83 RCW.

(54) "Public agency" means any evaluation and treatment facility or institution, or hospital, or approved substance use disorder treatment program that is conducted for, or includes a distinct unit, floor, or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders if the agency is operated directly by federal, state, county, or municipal government, or a combination of such governments.

(55) "Release" means legal termination of the commitment under the provisions of this chapter.

(56) "Resource management services" has the meaning given in chapter 71.24 RCW.

(57) "Responsible other" means the minor, the minor's parent or estate, or any other

person legally responsible for support of the minor.

(58) "Secretary" means the secretary of the department or secretary's designee.

(59) "Secure withdrawal management and stabilization facility" means a facility operated by either a public or private agency or by the program of an agency which provides care to voluntary individuals and individuals involuntarily detained and committed under this chapter for whom there is a likelihood of serious harm or who are gravely disabled due to the presence of a substance use disorder. Secure withdrawal management and stabilization facilities must:

(a) Provide the following services:

(i) Assessment and treatment, provided by certified substance use disorder professionals or co-occurring disorder specialists;

(ii) Clinical stabilization services;

(iii) Acute or subacute detoxification services for intoxicated individuals; and

(iv) Discharge assistance provided by certified substance use disorder professionals or co-occurring disorder specialists, including facilitating transitions to appropriate voluntary or involuntary inpatient services or to less restrictive alternatives as appropriate for the individual;

(b) Include security measures sufficient to protect the patients, staff, and community; and

(c) Be licensed or certified as such by the department of health.

(60) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

(61) "Start of initial detention" means the time of arrival of the minor at the first evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program offering inpatient treatment if the minor is being involuntarily detained at the time. With regard to voluntary patients, "start of initial detention" means the time at which the minor gives notice of intent to leave under the provisions of this chapter.

(62) "Store and forward technology" means use of an asynchronous transmission of a person's medical information from a mental health service provider to the designated crisis responder which results in medical diagnosis, consultation, or treatment.

(63) "Substance use disorder" means a cluster of cognitive, behavioral, and physiological symptoms indicating that an individual continues using the substance despite significant substance-related problems. The diagnosis of a substance use disorder is based on a pathological pattern of behaviors related to the use of the substances.

(64) "Substance use disorder professional" means a person certified as a substance use disorder professional by the department of health under chapter 18.205 RCW.

(65) "Therapeutic court personnel" means the staff of a mental health court or other therapeutic court which has jurisdiction

over defendants who are dually diagnosed with mental disorders, including court personnel, probation officers, a court monitor, prosecuting attorney, or defense counsel acting within the scope of therapeutic court duties.

(66) "Treatment records" include registration and all other records concerning persons who are receiving or who at any time have received services for mental illness, which are maintained by the department, the department of health, the authority, behavioral health organizations and their staffs, and by treatment facilities. Treatment records include mental health information contained in a medical bill including but not limited to mental health drugs, a mental health diagnosis, provider name, and dates of service stemming from a medical service. Treatment records do not include notes or records maintained for personal use by a person providing treatment services for the department, the department of health, the authority, behavioral health organizations, or a treatment facility if the notes or records are not available to others.

(67) "Triage facility" means a short-term facility or a portion of a facility licensed or certified by the department of health under RCW 71.24.035, which is designed as a facility to assess and stabilize an individual or determine the need for involuntary commitment of an individual, and must meet department of health residential treatment facility standards. A triage facility may be structured as a voluntary or involuntary placement facility.

(68) "Video" means the delivery of behavioral health services through the use of interactive audio and video technology, permitting real-time communication between a person and a designated crisis responder, for the purpose of evaluation. "Video" does not include the use of audio-only telephone, facsimile, email, or store and forward technology.

(69) "Violent act" means behavior that resulted in homicide, attempted suicide, injury, or substantial loss or damage to property.

(70) "In need of assisted outpatient treatment" refers to a minor who meets the criteria for assisted outpatient treatment established under RCW 71.34.815.

Sec. 6. RCW 71.34.020 and 2021 c 264 s 28 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Admission" or "admit" means a decision by a physician, physician assistant, or psychiatric advanced registered nurse practitioner that a minor should be examined or treated as a patient in a hospital.

(2) "Adolescent" means a minor thirteen years of age or older.

(8) "Behavioral health administrative services organization" has the same meaning as provided in RCW 71.24.025.

(9) "Behavioral health disorder" means either a mental disorder as defined in this section, a substance use disorder as defined in this section, or a co-occurring mental disorder and substance use disorder.

(10) "Child psychiatrist" means a person having a license as a physician and surgeon in this state, who has had graduate training in child psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and who is board eligible or board certified in child psychiatry.

(11) "Children's mental health specialist" means:

(a) A mental health professional who has completed a minimum of one hundred actual hours, not quarter or semester hours, of specialized training devoted to the study of child development and the treatment of children; and

(b) A mental health professional who has the equivalent of one year of full-time experience in the treatment of children under the supervision of a children's mental health specialist.

(12) "Commitment" means a determination by a judge or court commissioner, made after a commitment hearing, that the minor is in need of inpatient diagnosis, evaluation, or treatment or that the minor is in need of less restrictive alternative treatment.

(13) "Conditional release" means a revocable modification of a commitment, which may be revoked upon violation of any of its terms.

(14) "Co-occurring disorder specialist" means an individual possessing an enhancement granted by the department of health under chapter 18.205 RCW that certifies the individual to provide substance use disorder counseling subject to the practice limitations under RCW 18.205.105.

(15) "Crisis stabilization unit" means a short-term facility or a portion of a facility licensed or certified by the department of health under RCW 71.24.035, such as a residential treatment facility or a hospital, which has been designed to assess, diagnose, and treat individuals

experiencing an acute crisis without the use of long-term hospitalization.

(16) "Custody" means involuntary detention under the provisions of this chapter or chapter 10.77 RCW, uninterrupted by any period of unconditional release from commitment from a facility providing involuntary care and treatment.

(17) "Department" means the department of social and health services.

(18) "Designated crisis responder" has the same meaning as provided in RCW 71.05.020.

(19) "Detention" or "detain" means the lawful confinement of a person, under the provisions of this chapter.

(20) "Developmental disabilities professional" means a person who has specialized training and three years of experience in directly treating or working with persons with developmental disabilities and is a psychiatrist, physician assistant working with a supervising psychiatrist, psychologist, psychiatric advanced registered nurse practitioner, or social worker, and such other developmental disabilities professionals as may be defined by rules adopted by the secretary of the department.

(21) "Developmental disability" has the same meaning as defined in RCW 71A.10.020.

(22) "Director" means the director of the authority.

(23) "Discharge" means the termination of hospital medical authority. The commitment may remain in place, be terminated, or be amended by court order.

(24) "Evaluation and treatment facility" means a public or private facility or unit that is licensed or certified by the department of health to provide emergency, inpatient, residential, or outpatient mental health evaluation and treatment services for minors. A physically separate and separately operated portion of a state hospital may be designated as an evaluation and treatment facility for minors. A facility which is part of or operated by the state or federal agency does not require licensure or certification. No correctional institution or facility, juvenile court detention facility, or jail may be an evaluation and treatment facility within the meaning of this chapter.

(25) "Evaluation and treatment program" means the total system of services and facilities coordinated and approved by a county or combination of counties for the evaluation and treatment of minors under this chapter.

(26) "Gravely disabled minor" means a minor who, as a result of a behavioral health disorder, (a) is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety, or (b) manifests severe deterioration from safe behavior evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

(27) "Habilitative services" means those services provided by program personnel to assist minors in acquiring and maintaining life skills and in raising their levels of physical, behavioral, social, and vocational

functioning. Habilitative services include education, training for employment, and therapy.

(28) "Hearing" means any proceeding conducted in open court that conforms to the requirements of RCW 71.34.910.

(29) "History of one or more violent acts" refers to the period of time five years prior to the filing of a petition under this chapter, excluding any time spent, but not any violent acts committed, in a mental health facility, a long-term substance use disorder treatment facility, or in confinement as a result of a criminal conviction.

(30) "Individualized service plan" means a plan prepared by a developmental disabilities professional with other professionals as a team, for a person with developmental disabilities, which states:

(a) The nature of the person's specific problems, prior charged criminal behavior, and habilitation needs;

(b) The conditions and strategies necessary to achieve the purposes of habilitation;

(c) The intermediate and long-range goals of the habilitation program, with a projected timetable for the attainment;

(d) The rationale for using this plan of habilitation to achieve those intermediate and long-range goals;

(e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual discharge or release, and a projected possible date for discharge or release; and

(g) The type of residence immediately anticipated for the person and possible future types of residences.

(31) (a) "Inpatient treatment" means twenty-four-hour-per-day mental health care provided within a general hospital, psychiatric hospital, residential treatment facility licensed or certified by the department of health as an evaluation and treatment facility for minors, secure withdrawal management and stabilization facility for minors, or approved substance use disorder treatment program for minors.

(b) For purposes of family-initiated treatment under RCW 71.34.600 through 71.34.670, "inpatient treatment" has the meaning included in (a) of this subsection and any other residential treatment facility licensed under chapter 71.12 RCW.

(32) "Intoxicated minor" means a minor whose mental or physical functioning is substantially impaired as a result of the use of alcohol or other psychoactive chemicals.

(33) "Judicial commitment" means a commitment by a court pursuant to the provisions of this chapter.

(34) "Kinship caregiver" has the same meaning as in RCW 74.13.031(19)(a).

(36) "Less restrictive alternative" or "less restrictive setting" means outpatient treatment provided to a minor as a program of individualized treatment in a less restrictive setting than inpatient treatment (~~that~~). This term includes the services described in RCW 71.34.755, including residential treatment, and treatment pursuant to an assisted outpatient treatment order under RCW 71.34.815.

(37) "Licensed physician" means a person licensed to practice medicine or osteopathic medicine and surgery in the state of Washington.

(38) "Likelihood of serious harm" means:

(a) A substantial risk that: (i) Physical harm will be inflicted by a minor upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself; (ii) physical harm will be inflicted by a minor upon another individual, as evidenced by behavior which has caused harm, substantial pain, or which places another person or persons in reasonable fear of harm to themselves or others; or (iii) physical harm will be inflicted by a minor upon the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others; or

(b) The minor has threatened the physical safety of another and has a history of one or more violent acts.

(39) "Managed care organization" has the same meaning as provided in RCW 71.24.025.

(40) "Medical clearance" means a physician or other health care provider has determined that a person is medically stable and ready for referral to the designated crisis responder.

(41) "Medical necessity" for inpatient care means a requested service which is reasonably calculated to: (a) Diagnose, correct, cure, or alleviate a mental disorder or substance use disorder; or (b) prevent the progression of a mental disorder or substance use disorder that endangers life or causes suffering and pain, or results in illness or infirmity or threatens to cause or aggravate a disability, or causes physical deformity or malfunction, and there is no adequate less restrictive alternative available.

(42) "Mental disorder" means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions. The presence of alcohol abuse, drug abuse, juvenile criminal history, antisocial behavior, or intellectual disabilities alone is insufficient to justify a finding of "mental disorder" within the meaning of this section.

(43) "Mental health professional" means a psychiatrist, psychiatric advanced registered nurse practitioner, physician assistant working with a supervising psychiatrist, psychologist, psychiatric nurse, social worker, and such other mental health professionals as defined by rules adopted by the secretary of the department of health under this chapter.

(44) "Minor" means any person under the age of eighteen years.

(45) "Outpatient treatment" means any of the nonresidential services mandated under

chapter 71.24 RCW and provided by licensed or certified behavioral health agencies as identified by RCW 71.24.025.

(46)(a) "Parent" has the same meaning as defined in RCW 26.26A.010, including either parent if custody is shared under a joint custody agreement, or a person or agency judicially appointed as legal guardian or custodian of the child.

(b) For purposes of family-initiated treatment under RCW 71.34.600 through 71.34.670, "parent" also includes a person to whom a parent defined in (a) of this subsection has given a signed authorization to make health care decisions for the adolescent, a stepparent who is involved in caring for the adolescent, a kinship caregiver who is involved in caring for the adolescent, or another relative who is responsible for the health care of the adolescent, who may be required to provide a declaration under penalty of perjury stating that he or she is a relative responsible for the health care of the adolescent pursuant to chapter 5.50 RCW. If a dispute arises between individuals authorized to act as a parent for the purpose of RCW 71.34.600 through 71.34.670, the disagreement must be resolved according to the priority established under RCW 7.70.065(2)(a).

(47) "Peace officer" means a law enforcement official of a public agency or governmental unit, and includes persons specifically given peace officer powers by any state law, local ordinance, or judicial order of appointment.

(48) "Physician assistant" means a person licensed as a physician assistant under chapter 18.71A RCW.

(49) "Private agency" means any person, partnership, corporation, or association that is not a public agency, whether or not financed in whole or in part by public funds, that constitutes an evaluation and treatment facility or private institution, or hospital, or approved substance use disorder treatment program, that is conducted for, or includes a distinct unit, floor, or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders.

(50) "Professional person in charge" or "professional person" means a physician, other mental health professional, or other person empowered by an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program with authority to make admission and discharge decisions on behalf of that facility.

(51) "Psychiatric nurse" means a registered nurse who has experience in the direct treatment of persons who have a mental illness or who are emotionally disturbed, such experience gained under the supervision of a mental health professional.

(52) "Psychiatrist" means a person having a license as a physician in this state who has completed residency training in psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and is board eligible or board certified in psychiatry.

(53) "Psychologist" means a person licensed as a psychologist under chapter 18.83 RCW.

(54) "Public agency" means any evaluation and treatment facility or institution, or hospital, or approved substance use disorder treatment program that is conducted for, or includes a distinct unit, floor, or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders if the agency is operated directly by federal, state, county, or municipal government, or a combination of such governments.

(55) "Release" means legal termination of the commitment under the provisions of this chapter.

(56) "Resource management services" has the meaning given in chapter 71.24 RCW.

(57) "Responsible other" means the minor, the minor's parent or estate, or any other person legally responsible for support of the minor.

(58) "Secretary" means the secretary of the department or secretary's designee.

(59) "Secure withdrawal management and stabilization facility" means a facility operated by either a public or private agency or by the program of an agency which provides care to voluntary individuals and individuals involuntarily detained and committed under this chapter for whom there is a likelihood of serious harm or who are gravely disabled due to the presence of a substance use disorder. Secure withdrawal management and stabilization facilities must:

(a) Provide the following services:

(i) Assessment and treatment, provided by certified substance use disorder professionals or co-occurring disorder specialists;

(ii) Clinical stabilization services;

(iii) Acute or subacute detoxification services for intoxicated individuals; and

(iv) Discharge assistance provided by certified substance use disorder professionals or co-occurring disorder specialists, including facilitating transitions to appropriate voluntary or involuntary inpatient services or to less restrictive alternatives as appropriate for the individual;

(b) Include security measures sufficient to protect the patients, staff, and community; and

(c) Be licensed or certified as such by the department of health.

(60) "Severe deterioration from safe behavior" means that a person will, if not treated, suffer or continue to suffer severe and abnormal mental, emotional, or physical distress, and this distress is associated with significant impairment of judgment, reason, or behavior.

(61) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

(62) "Start of initial detention" means the time of arrival of the minor at the first evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program

offering inpatient treatment if the minor is being involuntarily detained at the time. With regard to voluntary patients, "start of initial detention" means the time at which the minor gives notice of intent to leave under the provisions of this chapter.

(63) "Store and forward technology" means use of an asynchronous transmission of a person's medical information from a mental health service provider to the designated crisis responder which results in medical diagnosis, consultation, or treatment.

(64) "Substance use disorder" means a cluster of cognitive, behavioral, and physiological symptoms indicating that an individual continues using the substance despite significant substance-related problems. The diagnosis of a substance use disorder is based on a pathological pattern of behaviors related to the use of the substances.

(65) "Substance use disorder professional" means a person certified as a substance use disorder professional by the department of health under chapter 18.205 RCW.

(66) "Therapeutic court personnel" means the staff of a mental health court or other therapeutic court which has jurisdiction over defendants who are dually diagnosed with mental disorders, including court personnel, probation officers, a court monitor, prosecuting attorney, or defense counsel acting within the scope of therapeutic court duties.

(67) "Treatment records" include registration and all other records concerning persons who are receiving or who at any time have received services for mental illness, which are maintained by the department, the department of health, the authority, behavioral health organizations and their staffs, and by treatment facilities. Treatment records include mental health information contained in a medical bill including but not limited to mental health drugs, a mental health diagnosis, provider name, and dates of service stemming from a medical service. Treatment records do not include notes or records maintained for personal use by a person providing treatment services for the department, the department of health, the authority, behavioral health organizations, or a treatment facility if the notes or records are not available to others.

(68) "Triage facility" means a short-term facility or a portion of a facility licensed or certified by the department of health under RCW 71.24.035, which is designed as a facility to assess and stabilize an individual or determine the need for involuntary commitment of an individual, and must meet department of health residential treatment facility standards. A triage facility may be structured as a voluntary or involuntary placement facility.

(69) "Video" means the delivery of behavioral health services through the use of interactive audio and video technology, permitting real-time communication between a person and a designated crisis responder, for the purpose of evaluation. "Video" does not include the use of audio-only telephone, facsimile, email, or store and forward technology.

(70) "Violent act" means behavior that resulted in homicide, attempted suicide, injury, or substantial loss or damage to property.

(71) "In need of assisted outpatient treatment" refers to a minor who meets the criteria for assisted outpatient treatment established under RCW 71.34.815.

Sec. 7. RCW 71.34.740 and 2020 c 302 s 92 are each amended to read as follows:

(1) A ~~((commitment))~~ hearing shall be held within ~~((one hundred twenty))~~ 120 hours of the minor's admission, excluding Saturday, Sunday, and holidays, or if the hearing is held on a petition filed under RCW 71.34.815, the hearing shall be held at a time scheduled under that section, unless a continuance is ordered under RCW 71.34.735.

(2) The ~~((commitment))~~ hearing shall be conducted at the superior court or an appropriate place at the facility in which the minor is being detained.

(3) At the ~~((commitment))~~ hearing, the evidence in support of the petition shall be presented by the county prosecutor.

(4) The minor shall be present at the ~~((commitment))~~ hearing unless the minor, with the assistance of the minor's attorney, waives the right to be present at the hearing.

(5) If the parents are opposed to the petition, they may be represented at the hearing and shall be entitled to court-appointed counsel if they are indigent.

(6) At the ~~((commitment))~~ hearing, the minor shall have the following rights:

(a) To be represented by an attorney;

(b) To present evidence on his or her own behalf;

(c) To question persons testifying in support of the petition.

(7) If the ~~((hearing))~~ petition is ~~((for commitment))~~ for mental health treatment, the court at the time of the ~~((commitment))~~ hearing and before an order ~~((of commitment))~~ making findings is entered shall inform the minor both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.34.730 will result in the loss of his or her firearm rights if the minor is subsequently ~~((detained for))~~ ordered to receive involuntary treatment under this section.

(8) If the minor has received medication within ~~((twenty-four))~~ 24 hours of the hearing, the court shall be informed of that fact and of the probable effects of the medication.

(9) For a ~~((fourteen-day))~~ 14-day commitment, the court must find by a preponderance of the evidence that:

(a) The minor has a behavioral health disorder and presents a likelihood of serious harm or is gravely disabled;

(b) The minor is in need of evaluation and treatment of the type provided by the inpatient evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program to which continued inpatient care is sought or is in need of less restrictive alternative

treatment found to be in the best interests of the minor or others;

(c) The minor is unwilling or unable in good faith to consent to voluntary treatment; and

(d) If commitment is for a substance use disorder, there is an available secure withdrawal management and stabilization facility or approved substance use disorder treatment program with adequate space for the minor.

(10) ~~(a)~~ If the court finds that the minor meets the criteria for a ~~((fourteen-day))~~ 14-day commitment, the court shall either authorize commitment of the minor for inpatient treatment or for less restrictive alternative treatment upon such conditions as are necessary. If the court determines that the minor does not meet the criteria for a ~~((fourteen-day))~~ 14-day commitment, the minor shall be released.

(b) If the court finds by clear, cogent, and convincing evidence that the minor is in need of assisted outpatient treatment pursuant to a petition filed under RCW 71.34.815, the court shall order an appropriate less restrictive course of treatment for up to 18 months.

(11) (a) Nothing in this section prohibits the professional person in charge of the facility from releasing the minor at any time, when, in the opinion of the professional person in charge of the facility, further inpatient treatment is no longer necessary. The release may be subject to reasonable conditions if appropriate.

(b) Whenever a minor is released under this section, the professional person in charge shall within three days, notify the court in writing of the release.

(12) A minor who has been committed for fourteen days shall be released at the end of that period unless a petition for ~~((one hundred eighty-day))~~ 180-day commitment is pending before the court.

Sec. 8. RCW 71.34.740 and 2020 c 302 s 93 are each amended to read as follows:

(1) A ~~((commitment))~~ hearing shall be held within ~~((one hundred twenty))~~ 120 hours of the minor's admission, excluding Saturday, Sunday, and holidays, or if the hearing is held on a petition filed under RCW 71.34.815, the hearing shall be held at a time scheduled under that section, unless a continuance is ordered under RCW 71.34.735.

(2) The ~~((commitment))~~ hearing shall be conducted at the superior court or an appropriate place at the facility in which the minor is being detained.

(3) At the ~~((commitment))~~ hearing, the evidence in support of the petition shall be presented by the county prosecutor.

(4) The minor shall be present at the ~~((commitment))~~ hearing unless the minor, with the assistance of the minor's attorney, waives the right to be present at the hearing.

(5) If the parents are opposed to the petition, they may be represented at the hearing and shall be entitled to court-appointed counsel if they are indigent.

(6) At the ~~((commitment))~~ hearing, the minor shall have the following rights:

(a) To be represented by an attorney;
 (b) To present evidence on his or her own behalf;
 (c) To question persons testifying in support of the petition.

(7) If the ~~((hearing))~~ petition is for ~~((commitment for))~~ mental health treatment, the court at the time of the ~~((commitment))~~ hearing and before an order ~~((of commitment))~~ making findings is entered shall inform the minor both orally and in writing that the failure to make a good faith effort to seek voluntary treatment as provided in RCW 71.34.730 will result in the loss of his or her firearm rights if the minor is subsequently ~~((detained for))~~ ordered to receive involuntary treatment under this section.

(8) If the minor has received medication within ~~((twenty-four))~~ 24 hours of the hearing, the court shall be informed of that fact and of the probable effects of the medication.

(9) For a ~~((fourteen-day))~~ 14-day commitment, the court must find by a preponderance of the evidence that:

(a) The minor has a behavioral health disorder and presents a likelihood of serious harm or is gravely disabled;

(b) The minor is in need of evaluation and treatment of the type provided by the inpatient evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program to which continued inpatient care is sought or is in need of less restrictive alternative treatment found to be in the best interests of the minor or others; and

(c) The minor is unwilling or unable in good faith to consent to voluntary treatment.

(10) (a) If the court finds that the minor meets the criteria for a ~~((fourteen-day))~~ 14-day commitment, the court shall either authorize commitment of the minor for inpatient treatment or for less restrictive alternative treatment upon such conditions as are necessary. If the court determines that the minor does not meet the criteria for a ~~((fourteen-day))~~ 14-day commitment, the minor shall be released.

(b) If the court finds by clear, cogent, and convincing evidence that the minor is in need of assisted outpatient treatment pursuant to a petition filed under RCW 71.34.815, the court shall order an appropriate less restrictive course of treatment for up to 18 months.

(11) (a) Nothing in this section prohibits the professional person in charge of the facility from releasing the minor at any time, when, in the opinion of the professional person in charge of the facility, further inpatient treatment is no longer necessary. The release may be subject to reasonable conditions if appropriate.

(b) Whenever a minor is released under this section, the professional person in charge shall within three days, notify the court in writing of the release.

(12) A minor who has been committed for fourteen days shall be released at the end of that period unless a petition for ~~((one hundred eighty-day))~~ 180-day commitment is pending before the court.

Sec. 9. RCW 71.34.780 and 2020 c 302 s 97 are each amended to read as follows:

(1) An agency or facility designated to monitor or provide less restrictive alternative treatment services to a minor under a court order or conditional release may take a range of actions to enforce the terms of the order or conditional release in the event the minor is not adhering to the terms or is experiencing substantial deterioration, decompensation, or a likelihood of serious harm. Such actions may include:

(a) Counseling the minor and offering incentives for compliance;

(b) Increasing the intensity of services;
(c) Petitioning the court to review the minor's compliance and optionally modify the terms of the order or conditional release while the minor remains in outpatient treatment;

(d) To request assistance from a peace officer for temporarily detaining the minor for up to 12 hours for evaluation at a crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, facility providing services under a court order, or emergency department to determine if revocation or enforcement proceedings under this section are necessary and appropriate to stabilize the minor, if there has been a pattern of noncompliance or failure of reasonable attempts at outreach and engagement; or

(e) Initiation of revocation proceedings under subsection (2) of this section.

(2) If the professional person in charge of an outpatient treatment program, a designated crisis responder, or the director or secretary, as appropriate, determines that a minor is failing to adhere to the conditions of ~~((the))~~ a court order for less restrictive alternative treatment or the conditions ~~((for the))~~ of a conditional release, or that substantial deterioration in the minor's functioning has occurred, the designated crisis responder, or the director or secretary, as appropriate, may order that the minor be taken into custody and transported to an inpatient evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program. A secure withdrawal management and stabilization facility or approved substance use disorder treatment program that has adequate space for the minor must be available.

~~((2))~~ (3) (a) The designated crisis responder, director, or secretary, as appropriate, shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The designated crisis responder or the director or secretary, as appropriate, may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(b) If the minor is involuntarily detained for revocation at an evaluation and treatment facility, secure withdrawal

management and stabilization facility, or approved substance use disorder treatment program in a different county from where the minor was initially detained, the facility or program may file the order of apprehension, serve it on the minor and notify the minor's parents and the minor's attorney at the request of the designated crisis responder.

~~((3))~~(4) A petition for revocation of less restrictive alternative treatment shall be filed by the designated crisis responder or the director, secretary, or facility, as appropriate, with the court in the county where the minor is detained. The court shall conduct the hearing in that county. A petition for revocation of conditional release must be filed in the county where the minor is detained. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or, subject to subsection ~~((4))~~(5) of this section, whether the ~~(minor)~~ court should ~~(be returned to)~~ order the minor's detention for inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be ~~(returned to)~~ detained for inpatient treatment. If the minor is ~~(returned to)~~ detained for inpatient treatment, RCW 71.34.760 regarding the director's placement responsibility shall apply. The hearing may be waived by the minor and the minor ~~(returned to)~~ detained for inpatient treatment or returned to less restrictive alternative treatment or conditional release on the same or modified conditions. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order was based on a petition under RCW 71.34.740 or 71.34.815. The minor must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.34.750 or the minor accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release was based on a petition under RCW 71.34.750, the number of days remaining on the less restrictive alternative treatment order or conditional release must be converted to days of inpatient treatment.

~~((4))~~(5) A court may not order the ~~(return)~~ placement of a minor to inpatient treatment in a secure withdrawal management and stabilization facility or approved substance use disorder treatment program unless there is a secure withdrawal

management and stabilization facility or approved substance use disorder treatment program available with adequate space for the minor.

Sec. 10. RCW 71.34.780 and 2020 c 302 s 98 are each amended to read as follows:

(1) An agency or facility designated to monitor or provide less restrictive alternative treatment services to a minor under a court order or conditional release may take a range of actions to enforce the terms of the order or conditional release in the event the minor is not adhering to the terms or is experiencing substantial deterioration, decompensation, or a likelihood of serious harm. Such actions may include:

(a) Counseling the minor and offering incentives for compliance;

(b) Increasing the intensity of services;

(c) Petitioning the court to review the minor's compliance and optionally modify the terms of the order or conditional release while the minor remains in outpatient treatment;

(d) To request assistance from a peace officer for temporarily detaining the minor for up to 12 hours for evaluation at a crisis stabilization unit, evaluation and treatment facility, secure withdrawal management and stabilization facility, facility providing services under a court order, or emergency department to determine if revocation or enforcement proceedings under this section are necessary and appropriate to stabilize the minor, if there has been a pattern of noncompliance or failure of reasonable attempts at outreach and engagement; or

(e) Initiation of revocation proceedings under subsection (2) of this section.

(2) If the professional person in charge of an outpatient treatment program, a designated crisis responder, or the director or secretary, as appropriate, determines that a minor is failing to adhere to the conditions of ~~(the)~~ a court order for less restrictive alternative treatment or the conditions ~~(for the)~~ of conditional release, or that substantial deterioration in the minor's functioning has occurred, the designated crisis responder, or the director or secretary, as appropriate, may order that the minor be taken into custody and transported to an inpatient evaluation and treatment facility, a secure withdrawal management and stabilization facility, or an approved substance use disorder treatment program.

~~((2))~~(3)(a) The designated crisis responder, director, or secretary, as appropriate, shall file the order of apprehension and detention and serve it upon the minor and notify the minor's parent and the minor's attorney, if any, of the detention within two days of return. At the time of service the minor shall be informed of the right to a hearing and to representation by an attorney. The designated crisis responder or the director or secretary, as appropriate, may modify or rescind the order of apprehension and detention at any time prior to the hearing.

(b) If the minor is involuntarily detained for revocation at an evaluation and treatment facility, secure withdrawal management and stabilization facility, or approved substance use disorder treatment program in a different county from where the minor was initially detained, the facility or program may file the order of apprehension, serve it on the minor and notify the minor's parents and the minor's attorney at the request of the designated crisis responder.

~~((3))~~(4) A petition for revocation of less restrictive alternative treatment shall be filed by the designated crisis responder or the director, secretary, or facility, as appropriate, with the court in the county where the minor is detained. The court shall conduct the hearing in that county. A petition for revocation of conditional release must be filed in the county where the minor is detained. A petition shall describe the behavior of the minor indicating violation of the conditions or deterioration of routine functioning and a dispositional recommendation. The hearing shall be held within seven days of the minor's return. The issues to be determined are whether the minor did or did not adhere to the conditions of the less restrictive alternative treatment or conditional release, or whether the minor's routine functioning has substantially deteriorated, and, if so, whether the conditions of less restrictive alternative treatment or conditional release should be modified or whether the ~~(minor)~~court should ~~((be returned to))~~order the minor's detention for inpatient treatment. Pursuant to the determination of the court, the minor shall be returned to less restrictive alternative treatment or conditional release on the same or modified conditions or shall be ~~((returned to))~~detained for inpatient treatment. If the minor is ~~((returned to))~~detained for inpatient treatment, RCW 71.34.760 regarding the director's placement responsibility shall apply. The hearing may be waived by the minor and the minor ~~((returned to))~~detained for inpatient treatment or returned to less restrictive alternative treatment or conditional release on the same or modified conditions. If the court orders detention for inpatient treatment, the treatment period must be for 14 days from the revocation hearing if the less restrictive alternative treatment order was based on a petition under RCW 71.34.740 or 71.34.815. The minor must return to less restrictive alternative treatment under the order at the end of the 14-day period unless a petition for further treatment is filed under RCW 71.34.750 or the minor accepts voluntary treatment. If the court orders detention for inpatient treatment and the less restrictive alternative treatment order or conditional release was based on a petition under RCW 71.34.750, the number of days remaining on the less restrictive alternative treatment order or conditional release must be converted to days of inpatient treatment.

Sec. 11. RCW 71.34.815 and 2022 c 210 s 4 are each amended to read as follows:

(1) An adolescent is in need of assisted outpatient treatment if the court finds by clear, cogent, and convincing evidence in response to a petition filed under this section that:

(a) The adolescent has a behavioral health disorder;

(b) Based on a clinical determination and in view of the adolescent's treatment history and current behavior, at least one of the following is true:

(i) The adolescent is unlikely to survive safely in the community without supervision and the adolescent's condition is substantially deteriorating; or

(ii) The adolescent is in need of assisted outpatient treatment in order to prevent a relapse or deterioration that would be likely to result in grave disability or a likelihood of serious harm to the adolescent or to others;

(c) The adolescent has a history of lack of compliance with treatment for his or her behavioral health disorder that has:

(i) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating hospitalization of the adolescent, or the adolescent's receipt of services in a forensic or other mental health unit of a state ~~((correctional))~~juvenile rehabilitation facility or local ~~((correctional))~~juvenile detention facility, provided that the 36-month period shall be extended by the length of any hospitalization or incarceration of the adolescent that occurred within the 36-month period;

(ii) At least twice within the 36 months prior to the filing of the petition been a significant factor in necessitating emergency medical care or hospitalization for behavioral health-related medical conditions including overdose, infected abscesses, sepsis, endocarditis, or other maladies, or a significant factor in behavior which resulted in the adolescent's incarceration in a state or local correctional facility; or

(iii) Resulted in one or more violent acts, threats, or attempts to cause serious physical harm to the adolescent or another within the 48 months prior to the filing of the petition, provided that the 48-month period shall be extended by the length of any hospitalization or incarceration of the person that occurred during the 48-month period;

(d) Participation in an assisted outpatient treatment program would be the least restrictive alternative necessary to ensure the adolescent's recovery and stability; and

(e) The adolescent will benefit from assisted outpatient treatment.

(2) The following individuals may directly file a petition for less restrictive alternative treatment on the basis that an adolescent is in need of assisted outpatient treatment:

(a) The director of a hospital where the adolescent is hospitalized or the director's designee;

(b) The director of a behavioral health service provider providing behavioral health

care or residential services to the adolescent or the director's designee;

(c) The adolescent's treating mental health professional or substance use disorder professional or one who has evaluated the person;

(d) A designated crisis responder;

(e) A release planner from a juvenile detention or rehabilitation facility; or

(f) An emergency room physician.

(3) A court order for less restrictive alternative treatment on the basis that the adolescent is in need of assisted outpatient treatment may be effective for up to 18 months, unless the adolescent is currently detained for inpatient treatment for 14 days or more under RCW 71.34.740 or 71.34.750, in which case the order may be effective for 180 days. The petitioner must personally interview the adolescent, unless the adolescent refuses an interview, to determine whether the adolescent will voluntarily receive appropriate treatment.

(4) The petitioner must allege specific facts based on personal observation, evaluation, or investigation, and must consider the reliability or credibility of any person providing information material to the petition.

(5) The petition must include:

(a) A statement of the circumstances under which the adolescent's condition was made known and the basis for the opinion, from personal observation or investigation, that the adolescent is in need of assisted outpatient treatment. The petitioner must state which specific facts come from personal observation and specify what other sources of information the petitioner has relied upon to form this belief;

(b) A declaration from a physician, physician assistant, or advanced registered nurse practitioner, ~~((or))~~ the adolescent's treating mental health professional or substance use disorder professional, or in the case of a person enrolled in treatment in a behavioral health agency, the person's behavioral health case manager, who has examined the adolescent no more than 10 days prior to the submission of the petition and who is willing to testify in support of the petition, or who alternatively has made appropriate attempts to examine the adolescent within the same period but has not been successful in obtaining the adolescent's cooperation, and who is willing to testify to the reasons they believe that the adolescent meets the criteria for assisted outpatient treatment ~~((If the declaration is provided by the adolescent's treating mental health professional or substance use disorder professional, it must be cosigned by a supervising physician, physician assistant, or advanced registered nurse practitioner who certifies that they have reviewed the declaration))~~;

(c) The declarations of additional witnesses, if any, supporting the petition for assisted outpatient treatment;

(d) The name of an agency, provider, or facility that agrees to provide less restrictive alternative treatment if the petition is granted by the court; and

(e) If the adolescent is detained in a state hospital, inpatient treatment facility, or juvenile detention or

rehabilitation facility at the time the petition is filed, the anticipated release date of the adolescent and any other details needed to facilitate successful reentry and transition into the community.

(6) (a) Upon receipt of a petition meeting all requirements of this section, the court shall fix a date for a hearing:

(i) No sooner than three days or later than seven days after the date of service or as stipulated by the parties or, upon a showing of good cause, no later than 30 days after the date of service; or

(ii) If the adolescent is hospitalized at the time of filing of the petition, before discharge of the adolescent and in sufficient time to arrange for a continuous transition from inpatient treatment to assisted outpatient treatment.

(b) A copy of the petition and notice of hearing shall be served, in the same manner as a summons, on the petitioner, the adolescent, the qualified professional whose affidavit accompanied the petition, a current provider, if any, and a surrogate decision maker or agent under chapter 71.32 RCW, if any.

(c) If the adolescent has a surrogate decision maker or agent under chapter 71.32 RCW who wishes to provide testimony at the hearing, the court shall afford the surrogate decision maker or agent an opportunity to testify.

(d) The adolescent shall be represented by counsel at all stages of the proceedings.

(e) If the adolescent fails to appear at the hearing after notice, the court may conduct the hearing in the adolescent's absence; provided that the adolescent's counsel is present.

(f) If the adolescent has refused to be examined by the qualified professional whose affidavit accompanied the petition, the court may order a mental examination of the adolescent. The examination of the adolescent may be performed by the qualified professional whose affidavit accompanied the petition. If the examination is performed by another qualified professional, the examining qualified professional shall be authorized to consult with the qualified professional whose affidavit accompanied the petition.

(g) If the adolescent has refused to be examined by a qualified professional and the court finds reasonable grounds to believe that the allegations of the petition are true, the court may issue a written order directing a peace officer who has completed crisis intervention training to detain and transport the adolescent to a provider for examination by a qualified professional. An adolescent detained pursuant to this subsection shall be detained no longer than necessary to complete the examination and in no event longer than 24 hours. All papers in the court file must be provided to the adolescent's designated attorney.

(7) If the petition involves an adolescent whom the petitioner or behavioral health administrative services organization knows, or has reason to know, is an American Indian or Alaska Native who receives medical or behavioral health services from a tribe within this state, the behavioral health administrative services organization shall

notify the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

(8) A petition for assisted outpatient treatment filed under this section shall be adjudicated under RCW 71.34.740.

(9) ~~((After January 1, 2023, a))~~ A petition for assisted outpatient treatment must be filed on forms developed by the administrative office of the courts.

NEW SECTION. **Sec. 12.** Sections 3, 7, and 9 of this act expire July 1, 2026.

NEW SECTION. **Sec. 13.** Sections 4, 8, and 10 of this act take effect July 1, 2026.

Sec. 14. 2021 c 264 s 29 (uncodified) is amended to read as follows:

(1) Sections 64 and 81, chapter 302, Laws of 2020 ~~((and, until July 1, 2022, section 27, chapter 264, Laws of 2021 and, beginning July 1, 2022)),~~ section 28, chapter 264, Laws of 2021, and section 6, chapter . . . , Laws of 2023 (section 6 of this act) take effect when the average wait time for children's long-term inpatient placement admission is 30 days or less for two consecutive quarters.

(2) The health care authority must provide written notice of the effective date of sections 64 and 81, chapter 302, Laws of 2020 ~~((and))~~, section((s—27—and)) 28, chapter 264, Laws of 2021, and section 6, chapter . . . , Laws of 2023 (section 6 of this act) to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the authority.

NEW SECTION. **Sec. 15.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

SB 5131

Prime Sponsor, Senator Wilson, C.:
Concerning money received by the department of corrections on behalf of inmates from family or other outside sources

for the purchase of commissary items.
Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 72.09.480 and 2015 c 238 s 1 are each amended to read as follows:

(1) Unless the context clearly requires otherwise, the definitions in this section apply to this section.

(a) "Cost of incarceration" means the cost of providing an inmate with shelter, food, clothing, transportation, supervision, and other services and supplies as may be necessary for the maintenance and support of the inmate while in the custody of the department, based on the average per inmate costs established by the department and the office of financial management.

(b) "Minimum term of confinement" means the minimum amount of time an inmate will be confined in the custody of the department, considering the sentence imposed and adjusted for the total potential earned early release time available to the inmate.

(c) "Program" means any series of courses or classes necessary to achieve a proficiency standard, certificate, or postsecondary degree.

(2) When an inmate, except as provided in subsections (4) ~~((and—(8)))~~ through (10) of this section, receives any funds in addition to his or her wages or gratuities, except settlements or awards resulting from legal action, the additional funds shall be subject to the following deductions and the priorities established in chapter 72.11 RCW:

(a) Five percent to the crime victims' compensation account provided in RCW 7.68.045;

(b) Ten percent to a department personal inmate savings account;

(c) Twenty percent for payment of legal financial obligations for all inmates who have legal financial obligations owing in any Washington state superior court;

(d) Twenty percent for any child support owed under a support order;

(e) Twenty percent to the department to contribute to the cost of incarceration; and

(f) Twenty percent for payment of any civil judgment for assault for all inmates who are subject to a civil judgment for assault in any Washington state court or federal court.

(3) When an inmate, except as provided in subsection ~~((+9))~~ (10) of this section, receives any funds from a settlement or award resulting from a legal action, the additional funds shall be subject to the deductions in RCW 72.09.111(1)(a) and the priorities established in chapter 72.11 RCW.

(4) When an inmate who is subject to a child support order receives funds from an inheritance, the deduction required under subsection (2)(e) and (f) of this section shall only apply after the child support obligation has been paid in full.

(5) The amount deducted from an inmate's funds under subsection (2) of this section shall not exceed the department's total cost

of incarceration for the inmate incurred during the inmate's minimum or actual term of confinement, whichever is longer.

(6) (a) The deductions required under subsection (2) of this section shall not apply to funds received by the department from an offender or from a third party on behalf of an offender for payment of education or vocational programs or postsecondary education degree programs as provided in RCW 72.09.460 and 72.09.465.

(b) The deductions required under subsection (2) of this section shall not apply to funds received by the department from a third party, including but not limited to a nonprofit entity on behalf of the department's education, vocation, or postsecondary education degree programs.

(7) The deductions required under subsection (2) of this section shall not apply to any money received by the department, on behalf of an inmate, from family or other outside sources for the payment of postage expenses. Money received under this subsection may only be used for the payment of postage expenses and may not be transferred to any other account or purpose. Money that remains unused in the inmate's postage fund at the time of release shall be subject to the deductions outlined in subsection (2) of this section.

(8) The deductions required under subsection (2) of this section do not apply to any money received by the department on behalf of an inmate from family or other outside sources for the payment of certain medical expenses. Money received under this subsection may only be used for the payment of medical expenses associated with the purchase of eyeglasses, over-the-counter medications, and offender copayments. Funds received specifically for these purposes may not be transferred to any other account or purpose. Money that remains unused in the inmate's medical fund at the time of release is subject to deductions under subsection (2) of this section.

(9) The deductions required under subsection (2) of this section do not apply to any money received by the department on behalf of an inmate from family or other outside sources for the purchase of commissary items. Money received under this subsection may only be used for the purchase of items on the facility commissary list. The amount received by each inmate under this subsection may not exceed the monthly allowance for commissary purchases as allowed by the department. Funds received specifically for these purposes may not be transferred to any other fund, account, or purpose. Money that remains unused in the inmate's commissary fund at the time of release is subject to deductions under subsection (2) of this section.

(10) Inmates sentenced to life imprisonment without possibility of release or sentenced to death under chapter 10.95 RCW receives funds, deductions are required under subsection (2) of this section, with the exception of a personal inmate savings account under subsection (2)(b) of this section.

~~((10))~~ (11) The secretary of the department of corrections, or his or her designee, may exempt an inmate from a

personal inmate savings account under subsection (2)(b) of this section if the inmate's earliest release date is beyond the inmate's life expectancy.

~~((11))~~ (12) The interest earned on an inmate savings account created as a result of the plan in section 4, chapter 325, Laws of 1999 shall be exempt from the mandatory deductions under this section and RCW 72.09.111.

~~((12))~~ (13) Nothing in this section shall limit the authority of the department of social and health services division of child support, the county clerk, or a restitution recipient from taking collection action against an inmate's moneys, assets, or property pursuant to chapter 9.94A, 26.23, 74.20, or 74.20A RCW including, but not limited to, the collection of moneys received by the inmate from settlements or awards resulting from legal action.

NEW SECTION. Sec. 2. A new section is added to chapter 72.09 RCW to read as follows:

The department shall allow any person who is an immediate family member of one or more inmates to send money for commissary purchases to such inmates without requiring approval from the superintendent of the applicable facility or facilities."

Prime Sponsor, Ways & Means: Concerning reentry services and supports. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Community Safety, Justice, & Reentry.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that successful rehabilitation and reentry has a positive impact on reduced recidivism rates and increased community safety. The legislature further finds that the success of individuals releasing from confinement in correctional institutions can be increased through access to supportive services, medical assistance, and other necessities. The legislature recognizes that the mortality rate in the first 72 hours following release from confinement is on average 18 times higher than the general population. The legislature further finds that access to basic human needs like food, medication, clothing, transportation, and shelter are necessary supports for most individuals exiting confinement. Therefore, the legislature resolves to enhance

recovery, reduce recidivism, and improve public safety by providing increased access to supportive services and assistance following release from confinement.

Sec. 2. RCW 72.02.100 and 2022 c 29 s 2 are each amended to read as follows:

(1) Any person serving a sentence for a term of confinement in a state correctional facility for convicted felons, pursuant to court commitment, who is thereafter released upon an order of parole of the indeterminate sentence review board, or who is discharged from custody upon expiration of sentence, or who is ordered discharged from custody by a court of appropriate jurisdiction, shall be entitled to retain his or her earnings from labor or employment while in confinement and shall be supplied by the superintendent of the state correctional facility with suitable and presentable clothing, the sum of no less than \$40 for subsistence, and transportation by the least expensive method of public transportation not to exceed the cost of \$100 to his or her place of residence or the place designated in his or her parole plan, or to the place from which committed if such person is being discharged on expiration of sentence, or discharged from custody by a court of appropriate jurisdiction: PROVIDED, That up to ~~((60 additional dollars))~~ an additional \$60 may be made available to the parolee for necessary personal and living expenses upon application to and approval by such person's community corrections officer. If in the opinion of the superintendent suitable arrangements have been made to provide the person to be released with suitable clothing and/or the expenses of transportation, the superintendent may consent to such arrangement. If the superintendent has reasonable cause to believe that the person to be released has ample funds, with the exception of earnings from labor or employment while in confinement, to assume the expenses of clothing, transportation, or the expenses for which payments made pursuant to this section or RCW 72.02.110 or any one or more of such expenses, the person released shall be required to assume such expenses.

(2)(a) The department of corrections may provide temporary housing assistance for a person being released from any state correctional facility through the use of rental vouchers, for a period not to exceed six months, if the department finds that such assistance will support the person's release into the community by preventing housing instability or homelessness. The department's authority to provide vouchers under this section is independent of its authority under RCW 9.94A.729; however, a person may not receive a combined total of rental vouchers in excess of six months for each release from a state correctional facility.

(b) The department shall establish policies for prioritizing funds available for housing vouchers under this section for persons at risk of releasing homeless or becoming homeless without assistance while taking into account risk to reoffend.

Sec. 3. RCW 72.09.270 and 2021 c 200 s 3 are each amended to read as follows:

(1) The department of corrections shall develop an individual reentry plan as defined in RCW 72.09.015 for every incarcerated individual who is committed to the jurisdiction of the department except:

(a) Incarcerated individuals who are sentenced to life without the possibility of release or sentenced to death under chapter 10.95 RCW; and

(b) Incarcerated individuals who are subject to the provisions of 8 U.S.C. Sec. 1227.

(2) The individual reentry plan may be one document, or may be a series of individual plans that combine to meet the requirements of this section.

(3) In developing individual reentry plans, the department shall assess all incarcerated individuals using standardized and comprehensive tools to identify the criminogenic risks, programmatic needs, and educational and vocational skill levels for each incarcerated individual. The assessment tool should take into account demographic biases, such as culture, age, and gender, as well as the needs of the incarcerated individual, including any learning disabilities, substance abuse or mental health issues, and social or behavior challenges.

(4)(a) The initial assessment shall be conducted as early as sentencing, but, whenever possible, no later than forty-five days of being sentenced to the jurisdiction of the department of corrections.

(b) The incarcerated individual's individual reentry plan shall be developed as soon as possible after the initial assessment is conducted, but, whenever possible, no later than sixty days after completion of the assessment, and shall be periodically reviewed and updated as appropriate.

(5) The individual reentry plan shall, at a minimum, include:

(a) A plan to maintain contact with the incarcerated individual's children and family, if appropriate. The plan should determine whether parenting classes, or other services, are appropriate to facilitate successful reunification with the incarcerated individual's children and family;

(b) An individualized portfolio for each incarcerated individual that includes the incarcerated individual's education achievements, certifications, employment, work experience, skills, and any training received prior to and during incarceration; and

(c) A plan for the incarcerated individual during the period of incarceration through reentry into the community that addresses the needs of the incarcerated individual including education, employment, substance abuse treatment, mental health treatment, family reunification, and other areas which are needed to facilitate a successful reintegration into the community.

(6)(a) ~~((Prior to))~~ Within one year prior to the release or discharge of any incarcerated individual, the department shall develop an individual discharge plan

and provide reentry linkage case management services as follows:

(i) Evaluate the incarcerated individual's behavioral health and physical health needs and, to the extent possible, connect the incarcerated individual with ((existing services and resources that meet those needs)) relevant services, treatment programs, medication-assisted treatment, tribal and urban health clinics, and behavioral health services, and other resources based on the individual's evaluated needs;

(ii) Assist the incarcerated individual with obtaining identification upon release;

(iii) Assist the incarcerated individual with submitting applications for applicable state and federal government assistance and benefits programs on behalf of the incarcerated individual;

(iv) Prepare a 90-day supply of any necessary prescribed medications to be provided upon release, through a combination of a 30-day supply of in-hand medications and 60-day supply of prescriptions, when clinically appropriate, to ensure continuity of care and that medications are readily available for the incarcerated individual upon release; and

((+ii)) (v) Connect the incarcerated individual with a community justice center and/or community transition coordination network in the area in which the incarcerated individual will be residing once released from the correctional system if one exists.

(b) If the department recommends partial confinement in an incarcerated individual's individual reentry plan, the department shall maximize the period of partial confinement for the incarcerated individual as allowed pursuant to RCW 9.94A.728 to facilitate the incarcerated individual's transition to the community.

(7) The department shall establish mechanisms for sharing information from individual reentry plans to those persons involved with the incarcerated individual's treatment, programming, and reentry, when deemed appropriate. When feasible, this information shall be shared electronically.

(8) (a) In determining the county of discharge for an incarcerated individual released to community custody, the department may approve a residence location that is not in the incarcerated individual's county of origin if the department determines that the residence location would be appropriate based on any court-ordered condition of the incarcerated individual's sentence, victim safety concerns, and factors that increase opportunities for successful reentry and long-term support including, but not limited to, location of family or other sponsoring persons or organizations that will support the incarcerated individual, ability to complete an educational program that the incarcerated individual is enrolled in, availability of appropriate programming or treatment, and access to housing, employment, and prosocial influences on the person in the community.

(b) In implementing the provisions of this subsection, the department shall approve residence locations in a manner that

will not cause any one county to be disproportionately impacted.

(c) If the incarcerated individual is not returned to his or her county of origin, the department shall provide the law and justice council of the county in which the incarcerated individual is placed with a written explanation.

(d) (i) For purposes of this section, except as provided in (d) (ii) of this subsection, the incarcerated individual's county of origin means the county of the incarcerated individual's residence at the time of the incarcerated individual's first felony conviction in Washington state.

(ii) If the incarcerated individual is a homeless person as defined in RCW 43.185C.010, or the incarcerated individual's residence is unknown, then the incarcerated individual's county of origin means the county of the incarcerated individual's first felony conviction in Washington state.

(9) Nothing in this section creates a vested right in programming, education, or other services.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

Prime Sponsor, Ways & Means: Concerning
Washington state manufacturing. Reported
by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting
clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature
finds and declares that:

(1) In 2021, Washington state set an aspirational goal in statute to double manufacturing jobs, firms, and the participation of women and minorities in the ownership of manufacturing firms. To create and maintain unity around the state manufacturing growth target, chapter 64, Laws of 2021 sought to foster a partnership between business and labor. It established a manufacturing council with membership that was intentionally balanced equally between business and labor and represented the geographic and demographic diversity of the state. The manufacturing council was tasked with advising the department of commerce on policy recommendations to strengthen the manufacturing sector by 2030 and submitting reports to the legislature every two years containing those recommendations.

(2) The legislature intends for an independent assessment of growth opportunities in clean manufacturing to be considered by the manufacturing council. Furthermore, the legislature intends that a state industrial strategy that incorporates any input from the independent assessment not be published in any form or considered the state strategy until there is consensus of the manufacturing council on the recommendations and policies to be included in that strategy.

(3) Washington state, with its strong climate commitments, highly skilled workforce, and existing world-class manufacturing base is well positioned to be a global leader in clean manufacturing.

(4) A strong state and domestic manufacturing sector can provide stable, high-wage jobs and is a prerequisite to achieving Washington state's statutory commitment to net zero greenhouse gas emissions by 2050.

(5) All Washingtonians deserve the opportunity of a high-road manufacturing career. In building the Washington manufacturing workforce pipeline, the state should fully leverage the transferable skills of our existing manufacturing workforce and develop a comprehensive, in-state pipeline with wraparound services and equitable opportunities to ensure that every Washingtonian has a fair shake at a manufacturing career and intergenerational well-being and career growth opportunities.

(6) A holistic and coordinated state industrial strategy that seeks simultaneously to transform and revitalize Washington state's manufacturing base is

vital to prevent the leakage of jobs and carbon pollution.

(7) Washington has demonstrated a deep commitment to growing manufacturing. In 2021, the legislature set a goal of doubling the state's manufacturing base over 10 years. In 2022, the legislature created tax incentives and updated siting and permitting practices to accelerate the in-state production of clean energy product manufacturing. Developing a statewide industrial strategy is an important complement to accelerate progress and maximize the benefit of new tax incentives and siting and permitting practices.

(8) The bipartisan infrastructure act and inflation reduction act present a once in a generation opportunity to rapidly transform and grow Washington's manufacturing base in a way that advances the state's climate goals. The state has an important role to play in ensuring that Washington fully leverages federal funding opportunities and that the benefits are shared equitably.

(9) Washington must take steps to ensure that the transformation and growth of the state's manufacturing base simultaneously addresses and does not contribute to the disproportionate burden of pollution on overburdened communities.

NEW SECTION. **Sec. 2.** (1) The department of commerce must perform an independent assessment of opportunities for Washington to capture new and emerging industries that align with statewide greenhouse gas reduction limits and strengthen its existing manufacturing base. By October 1, 2024, and in compliance with RCW 43.01.036, the department of commerce shall submit the independent assessment to the appropriate committees of the legislature, and shall submit the assessment to the state manufacturing council established in RCW 43.330.762.

(2) By June 1, 2025, the department of commerce must develop a proactive state industrial strategy that seeks to strengthen and transform Washington's existing manufacturing base and capture new and emerging industries. The strategy should be informed by the independent assessment required by subsection (1) of this section. The manufacturing council convened pursuant to RCW 43.330.762 shall advise and consult on the development of the strategy.

(3) The independent assessment must include, but is not limited to:

(a) Assessing how the transition to net-zero emissions by 2050 will impact the potential futures of manufacturing in Washington, including identifying specific opportunities for Washington to actively seek investment in new and emerging industries and to transform and strengthen the state's existing manufacturing base to meet the needs of a net-zero economy, taking into account the Washington's existing key sectors, job quality, and regional diversity;

(b) Assessing the needs of Washington's existing manufacturers, including supply chain challenges and resources required to meet the statutory greenhouse gas emissions reductions in RCW 70A.45.020;

(c) Identifying opportunities to build and maximize the environmental and economic benefits of a circular economy for both new and existing industries in building out and strengthening Washington's manufacturing base;

(d) Identifying what is required to attract new private investment and transform and strengthen Washington's existing manufacturing base, including needs related to:

(i) Transportation and port infrastructure;

(ii) Supply chains;

(iii) Workforce; and

(iv) Energy;

(e) Identifying opportunities to support minority and women-owned firms and small and medium-sized firms in capturing new and emerging industries;

(f) Identifying existing and potential future gaps in the state's manufacturing sector that inhibit in-state manufacturers from producing the necessary goods, services, and infrastructure to transition to the net-zero economy and attract new investment in the state to accelerate the in-state production of clean energy product manufacturing; and

(g) Evaluating opportunities for the state's use of public ownership investment in developed and emerging manufacturing industries to address the existing and potential future gaps identified in (f) of this subsection. This evaluation shall provide recommendations on the highest and best uses of public resources as part of the state industrial strategy as provided in subsection (2) of this section.

(4) The workforce assessment referenced in subsection (3)(d)(iii) of this section should: (a) Catalogue and examine how to maximize the use of the existing manufacturing workforce's transferable skills; (b) address any remaining skills gaps and identify opportunities to build a manufacturing workforce pipeline that ensures all current and future Washingtonians have fair access to a manufacturing career by sector; and (c) ensure equitable and accessible pathways and advancement opportunities in manufacturing by sector.

(5) The energy assessment referenced in subsection (3)(d)(iv) of this section should include the quantity, price, and location of electricity necessary to decarbonize and grow Washington's existing manufacturing base and capture new and emerging industries.

(6) The independent assessment will not replace but may inform the work of the manufacturing council created in RCW 43.330.762 to advise and consult on the department of commerce's recommendations to achieve the goals established in RCW 43.330.760.

NEW SECTION. Sec. 3. (1) The department of commerce must appoint an industrial policy advisor to ensure that Washington state fully leverages available federal funding for manufacturing to meet the state's economic development goals in RCW 43.330.760 and the statutory greenhouse

gas emissions reductions in RCW 70A.45.020 and guide the implementation of the state industrial strategy created pursuant to section 2 of this act.

(2) The industrial policy advisor must:

(a) Track federal and other funding opportunities to transform and strengthen existing Washington manufacturers and promote the growth of new and emerging industries;

(b) Alert Washington manufacturers to relevant federal and other funding opportunities;

(c) Support Washington manufacturers in applying for federal and other funding opportunities and in completing required reporting;

(d) Work to ensure that Washington's pursuit of its goals in RCW 43.330.760 and 70A.45.020 are aligned and mutually reinforcing;

(e) Foster interagency and coordination and collaboration, including with the department of commerce sector leads, on manufacturing-related policymaking and activities, including both climate and economic development manufacturing-related policymaking;

(f) Coordinate with the workforce innovation sector lead, particularly with respect to building the manufacturing workforce pipeline; and

(g) Provide quarterly reports to the manufacturing council created in RCW 43.330.762.

(3) The industry policy advisor may also:

(a) Form expert committees with industry representatives to develop sector-specific strategies for attracting new investment and transforming and strengthening existing manufacturing consistent with the industrial strategy created pursuant to section 2 of this act;

(b) Assist local governments with economic plans to attract new investment and transform and strengthen existing manufacturing consistent with the industrial strategy created pursuant to section 2 of this act; and

(c) Support communities negatively impacted by the closure or relocation of manufacturing facilities by supporting efforts to attract new investment consistent with the industrial strategy created pursuant to section 2 of this act and facilitate the movement of existing skilled manufacturing workers into new industrial sectors.

NEW SECTION. Sec. 4. This act may be known and cited as the Washington clean manufacturing leadership act.

NEW SECTION. Sec. 5. Section 2 of this act is added to chapter 43.330 RCW and codified with the subchapter heading of "MANUFACTURING AND RESEARCH AND DEVELOPMENT SECTOR PROMOTION."

SB 5282 Prime Sponsor, Senator Valdez: Authorizing
vehicle dealers to file a report of sale.
Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.12.650 and 2016 c 86 s 1 are each amended to read as follows:

(1) **Releasing interest.** An owner releasing interest in a vehicle shall:

(a) Sign the release of interest section provided on the certificate of title or on a release of interest document or form approved by the department;

(b) Give the certificate of title or most recent evidence of ownership to the person gaining the interest in the vehicle;

(c) Give the person gaining interest in the vehicle an odometer disclosure statement if one is required; and

(d) Report the vehicle sold as provided in subsection (2) of this section.

(2) **Report of sale.** An owner shall notify the department, county auditor or other agent, or subagent appointed by the director in writing within five business days after a vehicle is or has been:

(a) Sold;

(b) Given as a gift to another person;

(c) Traded, either privately or to a dealership;

(d) Donated to charity;

(e) Turned over to an insurance company or wrecking yard; or

(f) Disposed of.

(3) **Report of sale properly filed.** A report of sale is properly filed if it is received by the department, county auditor or other agent, or subagent appointed by the director within five business days after the date of sale or transfer and it includes:

(a) The date of sale or transfer;

(b) The owner's full name and complete, current address;

(c) The full name and complete, current address of the person acquiring the vehicle, including street name and number, and apartment number if applicable, or post office box number, city or town, and postal code;

(d) The vehicle identification number and license plate number;

(e) A date or stamp by the department showing it was received on or before the fifth business day after the date of sale or transfer; and

(f) Payment of the fees required under RCW 46.17.050.

(4) **Report of sale - administration.** (a) The department shall:

(i) Provide or approve reports of sale forms;

(ii) Provide a system enabling an owner to submit reports of sale electronically;

(iii) Immediately update the department's vehicle record when a report of sale has been filed;

(iv) Provide instructions on release of interest forms that allow the seller of a vehicle to release their interest in a vehicle at the same time a financial institution, as defined in RCW 30A.22.040, releases its lien on the vehicle; and

(v) Send a report to the department of revenue that lists vehicles for which a report of sale has been received but no transfer of ownership has taken place. The department shall send the report once each quarter.

(b) A report of sale is not proof of a completed vehicle transfer for purposes of the collection of expenses related to towing, storage, and auction of an abandoned vehicle in situations where there is no evidence indicating the buyer knew of or was a party to acceptance of the vehicle transfer. A contract signed by the prior owner and the new owner, a certificate of title, a receipt, a purchase order or wholesale order, or other legal proof or record of acceptance of the vehicle by the new owner may be provided to establish legal responsibility for the abandoned vehicle.

(5) **Report of sale - licensed dealers.** A vehicle dealer as defined in RCW 46.70.011 may, but is not required to, file a report of sale on behalf of an owner who trades in, sells, or otherwise transfers ownership of a vehicle to the dealer. A vehicle dealer who files on behalf of an owner shall collect and remit the fees required under RCW 46.17.050 from the owner in addition to any other fees charged to or owed by the customer.

(6)(a) **Transferring ownership.** A person who has recently acquired a vehicle by purchase, exchange, gift, lease, inheritance, or legal action shall apply to the department, county auditor or other agent, or subagent appointed by the director for a new certificate of title within ~~(fifteen)~~15 days of delivery of the vehicle. A secured party who has possession of the certificate of title shall either:

(i) Apply for a new certificate of title on behalf of the owner and pay the fee required under RCW 46.17.100; or

(ii) Provide all required documents to the owner, as long as the transfer was not a breach of its security agreement, to allow the owner to apply for a new certificate of title.

(b) Compliance with this subsection does not affect the rights of the secured party.

~~((+6))~~ **(7) Certificate of title delivered to secured party.** The certificate of title must be kept by or delivered to the person who becomes the secured party when a security interest is reserved or created at the time of the transfer of ownership. The parties must comply with RCW 46.12.675.

~~((+7))~~ **(8) Penalty for late transfer.** A person who has recently acquired a motor vehicle by purchase, exchange, gift, lease, inheritance, or legal action who does not apply for a new certificate of title within ~~((fifteen))~~ **15** calendar days of delivery of the vehicle is charged a penalty, as described in RCW 46.17.140, when applying for a new certificate of title. It is a misdemeanor to fail or neglect to apply for a transfer of ownership within ~~((forty-five))~~ **45** days after delivery of the vehicle. The misdemeanor is a single continuing offense for each day that passes regardless of the number of days that have elapsed following the ~~((forty-five-day))~~ **45-day** time period.

~~((+8))~~ **(9) Penalty for late transfer - exceptions.** The penalty is not charged if the delay in application is due to at least one of the following:

(a) The department requests additional supporting documents;

(b) The department, county auditor or other agent, or subagent fails to perform or is neglectful;

(c) The owner is prevented from applying due to an illness or extended hospitalization;

(d) The legal owner fails or neglects to release interest;

(e) The owner did not know of the filing of a report of sale by the previous owner and signs an affidavit to the fact; or

(f) The department finds other conditions exist that adequately explain the delay.

~~((+9))~~ **(10) Review and issue.** The department shall review applications for certificates of title and issue certificates of title when it has determined that all applicable provisions of law have been complied with.

~~((+10))~~ **(11) Rules.** The department may adopt rules as necessary to implement this section."

Prime Sponsor, Ways & Means: Concerning consolidating local permit review processes.
Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 36.70B.140 and 1995 c 347 s 418 are each amended to read as follows:

(1) A local government by ordinance or resolution may exclude the following project permits from the provisions of RCW 36.70B.060 through 36.70B.090 and 36.70B.110 through 36.70B.130: Landmark designations, street vacations, or other approvals relating to the use of public areas or facilities, or other project permits, whether administrative or quasi-judicial, that the local government by ordinance or resolution has determined present special circumstances that warrant a review process or time periods for approval which are different from that provided in RCW 36.70B.060 through 36.70B.090 and 36.70B.110 through 36.70B.130.

(2) A local government by ordinance or resolution also may exclude the following project permits from the provisions of RCW 36.70B.060 and 36.70B.110 through 36.70B.130: Lot line or boundary adjustments and building and other construction permits, or similar administrative approvals, categorically exempt from environmental review under chapter 43.21C RCW, or for which environmental review has been completed in connection with other project permits.

(3) A local government must exclude project permits for interior alterations from site plan review, provided that the interior alterations do not result in the following:

(a) Additional sleeping quarters or bedrooms;

(b) Nonconformity with federal emergency management agency substantial improvement thresholds; or

(c) Increase the total square footage or valuation of the structure thereby requiring upgraded fire access or fire suppression systems.

(4) Nothing in this section exempts interior alterations from otherwise

applicable building, plumbing, mechanical, or electrical codes.

(5) For purposes of this section, "interior alterations" include construction activities that do not modify the existing site layout or its current use and involve no exterior work adding to the building footprint.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70B RCW to read as follows:

(1) Subject to the availability of funds appropriated for this specific purpose, the department of commerce must establish a consolidated permit review grant program. The department may award grants to any local government that provides, by ordinance, resolution, or other action, a commitment to the following building permit review consolidation requirements:

(a) Issuing final decisions on residential permit applications within 45 business days or 90 calendar days.

(i) To achieve permit review within the stated time periods, a local government must provide consolidated review for building permit applications. This may include an initial technical peer review of the application for conformity with the requirements of RCW 36.70B.070 by all departments, divisions, and sections of the local government with jurisdiction over the project.

(ii) A local government may contract with a third-party business to conduct the consolidated permit review or as additional inspection staff. Any funds expended for such a contract may be eligible for reimbursement under this act.

(iii) Local governments are authorized to use grant funds to contract outside assistance to audit their development regulations to identify and correct barriers to housing development.

(b) Establishing an application fee structure that would allow the jurisdiction to continue providing consolidated permit review within 45 business days or 90 calendar days.

(i) A local government may consult with local building associations to develop a reasonable fee system.

(ii) A local government must determine, no later than August 1, 2023, the specific fee structure needed to provide permit review within the time periods specified in this subsection (1)(b).

(2) A jurisdiction that is awarded a grant under this section must provide a quarterly report to the department of commerce. The report must include the average and maximum time for permit review during the jurisdiction's participation in the grant program.

(3) If a jurisdiction is unable to successfully meet the terms and conditions of the grant, the jurisdiction must enter a 90-day probationary period. If the jurisdiction is not able to meet the requirements of this section by the end of the probationary period, the jurisdiction is no longer eligible to receive grants under this section.

(4) For the purposes of this section, "residential permit" means a permit issued by a city or county that satisfies the conditions of RCW 19.27.015(5) and is within the scope of the international residential code, as adopted in accordance with chapter 19.27 RCW.

NEW SECTION. Sec. 3. A new section is added to chapter 36.70B RCW to read as follows:

(1) Subject to the availability of funds appropriated for this specific purpose, the department of commerce must establish a grant program for local governments to update their permit review process from paper filing systems to software systems capable of processing digital permit applications, virtual inspections, electronic review, and with capacity for video storage.

(2) The department of commerce may only provide a grant under this section to a city if the city allows for the development of at least two units per lot on all lots zoned predominantly for residential use within its jurisdiction.

NEW SECTION. Sec. 4. A new section is added to chapter 36.70B RCW to read as follows:

(1) Subject to the availability of amounts appropriated for this specific purpose, the department of commerce must convene a digital permitting process work group to examine potential license and permitting software for local governments to encourage streamlined and efficient permit review.

(2) The department of commerce, in consultation with the association of Washington cities and Washington state association of counties, shall appoint members to the work group representing groups including but not limited to:

- (a) Cities and counties;
- (b) Building industries; and
- (c) Building officials.

(3) The department of commerce must convene the first meeting of the work group by August 1, 2023. The department must submit a final report to the governor and the appropriate committees of the legislature by August 1, 2024. The final report must:

(a) Evaluate the existing need for digital permitting systems, including impacts on existing digital permitting systems that are already in place;

(b) Review barriers preventing local jurisdictions from accessing or adopting digital permitting systems;

(c) Evaluate the benefits and costs associated with a statewide permitting software system; and

(d) Provide budgetary, administrative policy, and legislative recommendations to increase the adoption of or establish a statewide system of digital permit review.

Sec. 5. RCW 36.70B.020 and 1995 c 347 s 402 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Closed record appeal" means an administrative appeal on the record to a local government body or officer, including the legislative body, following an open record hearing on a project permit application when the appeal is on the record with no or limited new evidence or information allowed to be submitted and only appeal argument allowed.

(2) "Local government" means a county, city, or town.

(3) "Open record hearing" means a hearing, conducted by a single hearing body or officer authorized by the local government to conduct such hearings, that creates the local government's record through testimony and submission of evidence and information, under procedures prescribed by the local government by ordinance or resolution. An open record hearing may be held prior to a local government's decision on a project permit to be known as an "open record predecision hearing." An open record hearing may be held on an appeal, to be known as an "open record appeal hearing," if no open record predecision hearing has been held on the project permit.

(4) "Project permit" or "project permit application" means any land use or environmental permit or license required from a local government for a project action, including but not limited to (~~building permits,~~) subdivisions, binding site plans, planned unit developments, conditional uses, shoreline substantial development permits, site plan review, permits or approvals required by critical area ordinances, site-specific rezones (~~authorized by a comprehensive plan or subarea plan~~) which do not require a comprehensive plan amendment, but excluding the adoption or amendment of a comprehensive plan, subarea plan, or development regulations except as otherwise specifically included in this subsection.

(5) "Public meeting" means an informal meeting, hearing, workshop, or other public gathering of people to obtain comments from the public or other agencies on a proposed project permit prior to the local government's decision. A public meeting may include, but is not limited to, a design review or architectural control board meeting, a special review district or community council meeting, or a scoping meeting on a draft environmental impact statement. A public meeting does not include an open record hearing. The proceedings at a public meeting may be recorded and a report or recommendation may be included in the local government's project permit application file.

Sec. 6. RCW 36.70B.070 and 1995 c 347 s 408 are each amended to read as follows:

(1) (a) Within (~~twenty-eight~~) 28 days after receiving a project permit application, a local government planning pursuant to RCW 36.70A.040 shall (~~mail or~~) provide (~~in person~~) a written determination to the applicant (~~, stating~~).

(b) The written determination must state either:

~~((a))~~ (i) That the application is complete; or

~~((b))~~ (ii) That the application is incomplete and that the procedural submission requirements of the local government have not been met. The determination shall outline what is necessary to make the application procedurally complete.

(c) The number of days shall be calculated by counting every calendar day.

(d) To the extent known by the local government, the local government shall identify other agencies of local, state, or federal governments that may have jurisdiction over some aspect of the application.

(2) A project permit application is complete for purposes of this section when it meets the procedural submission requirements of the local government (~~and is sufficient for continued processing even though additional information may be required or project modifications may be undertaken subsequently~~), as outlined on the project permit application. Additional information or studies may be required or project modifications may be undertaken subsequent to the procedural review of the application by the local government. The determination of completeness shall not preclude the local government from requesting additional information or studies either at the time of the notice of completeness or subsequently if new information is required or substantial changes in the proposed action occur. However, if the procedural submission requirements, as outlined on the project permit application have been provided, the need for additional information or studies may not preclude a completeness determination.

(3) The determination of completeness may include or be combined with the following (~~as optional information~~):

(a) A preliminary determination of those development regulations that will be used for project mitigation;

(b) A preliminary determination of consistency, as provided under RCW 36.70B.040; (~~or~~)

(c) Other information the local government chooses to include; or

(d) The notice of application pursuant to the requirements in RCW 36.70B.110.

(4) (a) An application shall be deemed procedurally complete on the 29th day after receiving a project permit application under this section if the local government does not provide a written determination to the applicant that the application is procedurally incomplete as provided in subsection (1)(b)(ii) of this section. When the local government does not provide a written determination, they may still seek additional information or studies as provided for in subsection (2) of this section.

(b) Within (~~fourteen~~) 14 days after an applicant has submitted to a local government additional information identified by the local government as being necessary for a complete application, the local

government shall notify the applicant whether the application is complete or what additional information is necessary.

(c) The notice of application shall be provided within 14 days after the determination of completeness pursuant to RCW 36.70B.110.

Sec. 7. RCW 36.70B.080 and 2004 c 191 s 2 are each amended to read as follows:

(1)(a) Development regulations adopted pursuant to RCW 36.70A.040 must establish and implement time periods for local government actions for each type of project permit application and provide timely and predictable procedures to determine whether a completed project permit application meets the requirements of those development regulations. The time periods for local government actions for each type of complete project permit application or project type should not exceed ~~((one hundred twenty days, unless the local government makes written findings that a specified amount of additional time is needed to process specific complete project permit applications or project types))~~ those specified in this section.

~~((The))~~(b) For project permits submitted after January 1, 2025, the development regulations must, for each type of permit application, specify the contents of a completed project permit application necessary for the complete compliance with the time periods and procedures.

~~((2))~~(c) A jurisdiction may exclude certain permit types and timelines for processing project permit applications as provided for in RCW 36.70B.140.

(d) The time periods for local government action to issue a final decision for each type of complete project permit application or project type subject to this chapter should not exceed the following time periods unless modified by the local government pursuant to this section or RCW 36.70B.140:

(i) For project permits which do not require public notice under RCW 36.70B.110, a local government must issue a final decision within 65 days of the determination of completeness under RCW 36.70B.070;

(ii) For project permits which require public notice under RCW 36.70B.110, a local government must issue a final decision within 100 days of the determination of completeness under RCW 36.70B.070; and

(iii) For project permits which require public notice under RCW 36.70B.110 and a public hearing, a local government must issue a final decision within 170 days of the determination of completeness under RCW 36.70B.070.

(e) A jurisdiction may modify the provisions in (d) of this subsection to add permit types not identified, change the permit names or types in each category, address how consolidated review time periods may be different than permits submitted individually, and provide for how projects of a certain size or type may be differentiated. Unless otherwise provided for the consolidated review of more than one permit, the time period for a final decision shall be the longest of the permit time

periods identified in (d) of this subsection or as amended by a local government.

(f) If a local government does not adopt an ordinance or resolution modifying the provisions in (d) of this subsection, the time periods in (d) of this subsection apply.

(g) The number of days an application is in review with the county or city shall be calculated from the day completeness is determined under RCW 36.70B.070 to the date a final decision is issued on the project permit application. The number of days shall be calculated by counting every calendar day and the following time periods:

(i) Any period between the day that the county or city has notified the applicant, in writing, that additional information is required to further process the application and the day when responsive information is resubmitted by the applicant;

(ii) Any period after an applicant informs the local government, in writing, that they would like to temporarily suspend review of the project permit application until the time that the applicant notifies the local government, in writing, that they would like to resume the application. A local government may set conditions for the temporary suspension of a permit application; and

(iii) Any period after an administrative appeal is filed until the administrative appeal is resolved and any additional time period provided by the administrative appeal has expired.

(h) The time periods for a local government to process a permit shall start over if an applicant proposes a change in use that adds or removes commercial or residential elements from the original application that would make the application fail to meet the determination of procedural completeness for the new use, as required by the local government under RCW 36.70B.070.

(i) If, at any time, an applicant informs the local government, in writing, that the applicant would like to temporarily suspend the review of the project for more than 60 days, or if an applicant is not responsive for more than 60 consecutive days after the county or city has notified the applicant, in writing, that additional information is required to further process the application, an additional 30 days may be added to the time periods for local government action to issue a final decision for each type of project that is subject to this chapter. Any written notice from the local government to the applicant that additional information is required to further process the application must include a notice that nonresponsiveness for 60 consecutive days may result in 30 days being added to the time for review. For the purposes of this subsection, "nonresponsiveness" means that an applicant is not making demonstrable progress on providing additional requested information to the local government, or that there is no ongoing communication from the applicant to the local government on the applicant's ability or willingness to provide the additional information.

(j) Annual amendments to the comprehensive plan are not subject to the requirements of this section.

(k) A county's or city's adoption of a resolution or ordinance to implement this subsection shall not be subject to appeal under chapter 36.70A RCW unless the resolution or ordinance modifies the time periods provided in (d) of this subsection by providing for a review period of more than 170 days for any project permit.

(l)(i) When permit time periods provided for in (d) of this subsection, as may be amended by a local government, and as may be extended as provided for in (i) of this subsection, are not met, a portion of the permit fee must be refunded to the applicant as provided in this subsection. A local government may provide for the collection of only 80 percent of a permit fee initially, and for the collection of the remaining balance if the permitting time periods are met. The portion of the fee refunded for missing time periods shall be:

(A) 10 percent if the final decision of the project permit application was made after the applicable deadline but the period from the passage of the deadline to the time of issuance of the final decision did not exceed 20 percent of the original time period; or

(B) 20 percent if the period from the passage of the deadline to the time of the issuance of the final decision exceeded 20 percent of the original time period.

(ii) Except as provided in RCW 36.70B.160, the provisions in this subsection (1)(l) are not applicable to cities and counties which have implemented at least three of the options in RCW 36.70B.160(1) (a) through (j) at the time an application is deemed procedurally complete.

(2)(a) Counties subject to the requirements of RCW 36.70A.215 and the cities within those counties that have populations of at least ((twenty thousand))20,000 must, for each type of permit application, identify the total number of project permit applications for which decisions are issued according to the provisions of this chapter. For each type of project permit application identified, these counties and cities must establish and implement a deadline for issuing a notice of final decision as required by subsection (1) of this section and minimum requirements for applications to be deemed complete under RCW 36.70B.070 as required by subsection (1) of this section.

(b) Counties and cities subject to the requirements of this subsection also must prepare an annual performance report((s)) that ((include, at a minimum, the following information for each type of project permit application identified in accordance with the requirements of (a) of this subsection:

(i) Total number of complete applications received during the year;

(ii) Number of complete applications received during the year for which a notice of final decision was issued before the deadline established under this subsection;

(iii) Number of applications received during the year for which a notice of final decision was issued after the deadline established under this subsection;

(iv) Number of applications received during the year for which an extension of

time was mutually agreed upon by the applicant and the county or city;

(v) Variance of actual performance, excluding applications for which mutually agreed time extensions have occurred, to the deadline established under this subsection during the year; and

(vi) The mean processing time and the number standard deviation from the mean.

(c) Counties and cities subject to the requirements of this subsection must:

(i) Provide notice of and access to the annual performance reports through the county's or city's website; and

(ii) Post electronic facsimiles of the annual performance reports through the county's or city's website. Postings on a county's or city's website indicating that the reports are available by contacting the appropriate county or city department or official do not comply with the requirements of this subsection.

If a county or city subject to the requirements of this subsection does not maintain a website, notice of the reports must be given by reasonable methods, including but not limited to those methods specified in RCW 36.70B.110(4).

(3))includes information outlining time periods for certain permit types associated with housing. The report must provide:

(i) Permit time periods for certain permit processes in the county or city in relation to those established under this section, including whether the county or city has established shorter time periods than those provided in this section;

(ii) The total number of decisions issued during the year for the following permit types: Preliminary subdivisions, final subdivisions, binding site plans, permit processes associated with the approval of multifamily housing, and construction plan review for each of these permit types when submitted separately;

(iii) The total number of decisions for each permit type which included consolidated project permit review, such as concurrent review of a rezone or construction plans;

(iv) The total number of days from a submittal to a decision being issued. This shall be calculated from the day completeness is determined under RCW 36.70B.070 to the date a decision is issued on the application. The number of days shall be calculated by counting every calendar day;

(v) The total number of days the application was in review with the county or city. This shall be calculated from the day completeness is determined under RCW 36.70B.070 to the date a final decision is issued on the application. The number of days shall be calculated by counting every calendar day. The days the application is in review with the county or city does not include time periods between where the county or city has notified the applicant, in writing, that additional information is required to further process the application and when that information is submitted by the applicant. Time periods shall also be stopped when an applicant informs the local government, in writing, that they would like to temporarily suspend review of the project permit application; and

(vi) The total number of days the permit is the responsibility of the applicant, including days the county or city is waiting for additional information.

(c) Counties and cities subject to the requirements of this subsection must:

(i) Post the annual performance report through the county's or city's website; and

(ii) Submit the annual performance report to the department of commerce by March 1st each year.

(d) No later than July 1st each year, the department of commerce shall publish a report which includes the annual performance report data for each county and city subject to the requirements of this subsection and a list of those counties and cities whose time periods are shorter than those provided for in this section.

The annual report must also include key metrics and findings from the information collected.

(e) The initial annual report required under this subsection must be submitted to the department of commerce by March 1, 2025, and must include information from permitting in 2024.

(3) Nothing in this section prohibits a county or city from extending a deadline for issuing a decision for a specific project permit application for any reasonable period of time mutually agreed upon by the applicant and the local government.

((4) The department of community, trade, and economic development shall work with the counties and cities to review the potential implementation costs of the requirements of subsection (2) of this section. The department, in cooperation with the local governments, shall prepare a report summarizing the projected costs, together with recommendations for state funding assistance for implementation costs, and provide the report to the governor and appropriate committees of the senate and house of representatives by January 1, 2005-))

Sec. 8. RCW 36.70B.160 and 1995 c 347 s 420 are each amended to read as follows:

(1) Each local government is encouraged to adopt further project review and code provisions to provide prompt, coordinated review and ensure accountability to applicants and the public((, including expedited review for project permit applications for projects that are consistent with adopted development regulations and within the capacity of systemwide infrastructure improvements))by:

(a) Expediting review for project permit applications for projects that are consistent with adopted development regulations;

(b) Imposing reasonable fees, consistent with RCW 82.02.020, on applicants for permits or other governmental approvals to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW. The fees imposed may not include a fee for the cost of processing administrative appeals. Nothing in this subsection limits the

ability of a county or city to impose a fee for the processing of administrative appeals as otherwise authorized by law;

(c) Entering into an interlocal agreement with another jurisdiction to share permitting staff and resources;

(d) Maintaining and budgeting for on-call permitting assistance for when permit volumes or staffing levels change rapidly;

(e) Having new positions budgeted that are contingent on increased permit revenue;

(f) Adopting development regulations which only require public hearings for permit applications that are required to have a public hearing by statute;

(g) Adopting development regulations which make preapplication meetings optional rather than a requirement of permit application submittal;

(h) Adopting development regulations which make housing types an outright permitted use in all zones where the housing type is permitted;

(i) Adopting a program to allow for outside professionals with appropriate professional licenses to certify components of applications consistent with their license; or

(j) Meeting with the applicant to attempt to resolve outstanding issues during the review process. The meeting must be scheduled within 14 days of a second request for corrections during permit review. If the meeting cannot resolve the issues and a local government proceeds with a third request for additional information or corrections, the local government must approve or deny the application upon receiving the additional information or corrections.

(2)(a) After January 1, 2026, a county or city must adopt additional measures under subsection (1) of this section at the time of its next comprehensive plan update under RCW 36.70A.130 if it meets the following conditions:

(i) The county or city has adopted at least three project review and code provisions under subsection (1) of this section more than five years prior; and

(ii) The county or city is not meeting the permitting deadlines established in RCW 36.70B.080 at least half of the time over the period since its most recent comprehensive plan update under RCW 36.70A.130.

(b) A city or county that is required to adopt new measures under (a) of this subsection but fails to do so becomes subject to the provisions of RCW 36.70B.080(1)(1), notwithstanding RCW 36.70B.080(1)(1)(ii).

((2))((3)) (3) Nothing in this chapter is intended or shall be construed to prevent a local government from requiring a preapplication conference or a public meeting by rule, ordinance, or resolution.

((3))((4)) (4) Each local government shall adopt procedures to monitor and enforce permit decisions and conditions.

((4))((5)) (5) Nothing in this chapter modifies any independent statutory authority for a government agency to appeal a project permit issued by a local government.

NEW SECTION. Sec. 9. A new section is added to chapter 36.70B RCW to read as follows:

(1) The department of commerce shall develop and provide technical assistance and guidance to counties and cities in setting fee structures under RCW 36.70B.160(1) to ensure that the fees are reasonable and sufficient to recover true costs. The guidance must include information on how to utilize growth factors or other measures to reflect cost increases over time.

(2) When providing technical assistance under subsection (1) of this section, the department of commerce must prioritize local governments that have implemented at least three of the options in RCW 36.70B.160(1).

Sec. 10. RCW 36.70B.110 and 1997 c 429 s 48 and 1997 c 396 s 1 are each reenacted and amended to read as follows:

(1) Not later than April 1, 1996, a local government planning under RCW 36.70A.040 shall provide a notice of application to the public and the departments and agencies with jurisdiction as provided in this section. If a local government has made a threshold determination under chapter 43.21C RCW concurrently with the notice of application, the notice of application may be combined with the threshold determination and the scoping notice for a determination of significance. Nothing in this section prevents a determination of significance and scoping notice from being issued prior to the notice of application. Nothing in this section or this chapter prevents a lead agency, when it is a project proponent or is funding a project, from conducting its review under chapter 43.21C RCW or from allowing appeals of procedural determinations prior to submitting a project permit ((application)).

(2) The notice of application shall be provided within ((fourteen))14 days after the determination of completeness as provided in RCW 36.70B.070 and, except as limited by the provisions of subsection (4) (b) of this section, ((shall))must include the following in whatever sequence or format the local government deems appropriate:

(a) The date of application, the date of the notice of completion for the application, and the date of the notice of application;

(b) A description of the proposed project action and a list of the project permits included in the application and, if applicable, a list of any studies requested under RCW 36.70B.070 ((or 36.70B.090));

(c) The identification of other permits not included in the application to the extent known by the local government;

(d) The identification of existing environmental documents that evaluate the proposed project, and, if not otherwise stated on the document providing the notice of application, such as a city land use bulletin, the location where the application and any studies can be reviewed;

(e) A statement of the public comment period, which shall be not less than fourteen nor more than thirty days following the date of notice of application, and statements of the right of any person to

comment on the application, receive notice of and participate in any hearings, request a copy of the decision once made, and any appeal rights. A local government may accept public comments at any time prior to the closing of the record of an open record predecision hearing, if any, or, if no open record predecision hearing is provided, prior to the decision on the project permit;

(f) The date, time, place, and type of hearing, if applicable and scheduled at the date of notice of the application;

(g) A statement of the preliminary determination, if one has been made at the time of notice, of those development regulations that will be used for project mitigation and of consistency as provided in RCW 36.70B.030(2) and 36.70B.040; and

(h) Any other information determined appropriate by the local government.

(3) If an open record predecision hearing is required for the requested project permits, the notice of application shall be provided at least fifteen days prior to the open record hearing.

(4) A local government shall use reasonable methods to give the notice of application to the public and agencies with jurisdiction and may use its existing notice procedures. A local government may use different types of notice for different categories of project permits or types of project actions. If a local government by resolution or ordinance does not specify its method of public notice, the local government shall use the methods provided for in (a) and (b) of this subsection. Examples of reasonable methods to inform the public are:

(a) Posting the property for site-specific proposals;

(b) Publishing notice, including at least the project location, description, type of permit(s) required, comment period dates, and location where the notice of application required by subsection (2) of this section and the complete application may be reviewed, in the newspaper of general circulation in the general area where the proposal is located or in a local land use newsletter published by the local government;

(c) Notifying public or private groups with known interest in a certain proposal or in the type of proposal being considered;

(d) Notifying the news media;

(e) Placing notices in appropriate regional or neighborhood newspapers or trade journals;

(f) Publishing notice in agency newsletters or sending notice to agency mailing lists, either general lists or lists for specific proposals or subject areas; and

(g) Mailing to neighboring property owners.

(5) A notice of application shall not be required for project permits that are categorically exempt under chapter 43.21C RCW, unless an open record predecision hearing is required or an open record appeal hearing is allowed on the project permit decision.

(6) A local government shall integrate the permit procedures in this section with ((its)) environmental review under chapter 43.21C RCW as follows:

(a) Except for a threshold determination and except as otherwise expressly allowed in this section, the local government may not issue a decision or a recommendation on a project permit until the expiration of the public comment period on the notice of application.

(b) If an open record predecision hearing is required, the local government shall issue its threshold determination at least fifteen days prior to the open record predecision hearing.

(c) Comments shall be as specific as possible.

(d) A local government is not required to provide for administrative appeals of its threshold determination. If provided, an administrative appeal (~~(shall)~~)must be filed within fourteen days after notice that the determination has been made and is appealable. Except as otherwise expressly provided in this section, the appeal hearing on a threshold determination (~~(of nonsignificance shall)~~)must be consolidated with any open record hearing on the project permit.

(7) At the request of the applicant, a local government may combine any hearing on a project permit with any hearing that may be held by another local, state, regional, federal, or other agency, if:

(a) The hearing is held within the geographic boundary of the local government; and

(b) (~~The joint hearing can be held within the time periods specified in RCW 36.70B.090 or the~~)The applicant agrees to the schedule in the event that additional time is needed in order to combine the hearings. All agencies of the state of Washington, including municipal corporations and counties participating in a combined hearing, are hereby authorized to issue joint hearing notices and develop a joint format, select a mutually acceptable hearing body or officer, and take such other actions as may be necessary to hold joint hearings consistent with each of their respective statutory obligations.

(8) All state and local agencies shall cooperate to the fullest extent possible with the local government in holding a joint hearing if requested to do so, as long as:

(a) The agency is not expressly prohibited by statute from doing so;

(b) Sufficient notice of the hearing is given to meet each of the agencies' adopted notice requirements as set forth in statute, ordinance, or rule; and

(c) The agency has received the necessary information about the proposed project from the applicant to hold its hearing at the same time as the local government hearing.

(9) A local government is not required to provide for administrative appeals. If provided, an administrative appeal of the project decision and of any environmental determination issued at the same time as the project decision, shall be filed within fourteen days after the notice of the decision or after other notice that the decision has been made and is appealable. The local government shall extend the appeal period for an additional seven days, if state or local rules adopted pursuant to chapter 43.21C RCW allow public comment on a

determination of nonsignificance issued as part of the appealable project permit decision.

(10) The applicant for a project permit is deemed to be a participant in any comment period, open record hearing, or closed record appeal.

(11) Each local government planning under RCW 36.70A.040 shall adopt procedures for administrative interpretation of its development regulations.

NEW SECTION. **Sec. 11.** The department of commerce shall develop a template for counties and cities subject to the requirements in RCW 36.70B.080, which will be utilized for reporting data.

NEW SECTION. **Sec. 12.** The department of commerce shall develop a plan to provide local governments with appropriately trained staff to provide temporary support or hard to find expertise for timely processing of residential housing permit applications. The plan shall include consideration of how local governments can be provided with staff that have experience with providing substitute staff support or that possess expertise in permitting policies and regulations in the local government's geographic area or with jurisdictions of the local government's size or population. The plan and a proposal for implementation shall be presented to the legislature by December 1, 2023.

NEW SECTION. **Sec. 13.** Section 7 of this act takes effect January 1, 2025."

Referred to Committee on Rules for second reading

April 4, 2023

E2SSB 5311 Prime Sponsor, Ways & Means: Concerning special education funding formula. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that students receiving special education services are entitled, under both federal and state law, to a free appropriate public education that enables their full participation.

The legislature also finds that a cap or enrollment limit on the number of students receiving special education services that generate state special education funding is

not consistent with the state's duty to provide a free appropriate public education. An enrollment limit that fails to provide equity for all students with disabilities affects all students in public schools.

The legislature further finds that school districts pay for special education services with local funding, creating an inequitable situation for school districts and students. The legislature supports a system of funding that does not require school districts to generate local funding to meet their obligation to provide special education services.

The legislature finds that along with reliable and sufficient state funding, receiving special education services in the least restrictive environment possible is crucial to student success. A recent large-scale study found that students who spend at least 80 percent of their day in a general education setting improved their reading scores by 24 points and math scores by 18 points compared to peers with similar disabilities in less inclusive settings.

The legislature finds that the documented prevalence of disabilities amongst children, particularly amongst vulnerable populations and communities with disparately poor health outcomes and access to health services, indicates that the state should improve access to evaluations for disabilities.

The legislature finds that special education is fully part of the state's statutory program of basic education that is deemed by the legislature to implement Article IX, section 1 of the state Constitution.

The legislature, therefore, intends to fully fund special education services by removing the 13.5 percent cap, eliminating the cap entirely in the 2027-28 school year, and increasing the tiered special education multipliers for elementary and secondary students, thereby giving every school district a funding increase.

The legislature intends to require a comprehensive study of funding and services for students with disabilities completed prior to the 2025 legislative session to understand if the state is appropriately identifying students with disabilities, identify funding and service gaps, and ensure that funding provided by the state to school districts, charter schools, and other entities for services are being used to meet the needs of students with disabilities.

Sec. 2. RCW 28A.150.390 and 2020 c 90 s 3 are each amended to read as follows:

(1) The superintendent of public instruction shall submit to each regular session of the legislature during an odd-numbered year a programmed budget request for special education programs for students with disabilities. Funding for programs operated by local school districts shall be on an excess cost basis from appropriations provided by the legislature for special education programs for students with disabilities and shall take account of state funds accruing through RCW 28A.150.260 (4)(a), (5), (6), and (8) and 28A.150.415.

(2) The excess cost allocation to school districts shall be based on the following:

(a) A district's annual average headcount enrollment of students ages three and four and those five year olds not yet enrolled in kindergarten who are eligible for and receiving special education, multiplied by the district's base allocation per full-time equivalent student, multiplied by 1.15;

(b)(i) Subject to the limitation in (b)(ii) of this subsection (2), a district's annual average enrollment of resident students who are eligible for and receiving special education, excluding students ages three and four and those five year olds not yet enrolled in kindergarten, multiplied by the district's base allocation per full-time equivalent student, multiplied by the special education cost multiplier rate of:

(A) ~~((In the 2019-20 school year, 0.995 for students eligible for and receiving special education.~~

~~(B) Beginning in the 2020-21 school year, either:~~

~~(I) 1.0075 for)) For students eligible for and receiving special education and reported to be in the general education setting for ((eighty)) 80 percent or more of the school day(, or~~
~~(II) 0.995 for):~~

(I) In the 2023-24 school year, 1.035;

(II) In the 2024-25 school year, 1.04;

(III) In the 2025-26 school year, 1.043;

(IV) Beginning in the 2026-27 school year, 1.059; or

(B) For students eligible for and receiving special education and reported to be in the general education setting for less than ((eighty)) 80 percent of the school day:

(I) In the 2023-24 school year, 1.02;

(II) In the 2024-25 school year, 1.025;

(III) In the 2025-26 school year, 1.028;

(IV) Beginning in the 2026-27 school year, 1.043.

(ii) ~~((If)) Through the 2026-27 school year, if the enrollment percent exceeds ((thirteen and five-tenths percent)) the funded enrollment limit, the excess cost allocation calculated under (b)(i) of this subsection must be adjusted by multiplying the allocation by ((thirteen and five-tenths percent)) the funded enrollment limit divided by the enrollment percent.~~

(3) As used in this section:

(a) "Base allocation" means the total state allocation to all schools in the district generated by the distribution formula under RCW 28A.150.260 (4)(a), (5), (6), and (8) and the allocation under RCW 28A.150.415, to be divided by the district's full-time equivalent enrollment.

(b) "Basic education enrollment" means enrollment of resident students including nonresident students enrolled under RCW 28A.225.225 and students from nonhigh districts enrolled under RCW 28A.225.210 and excluding students residing in another district enrolled as part of an interdistrict cooperative program under RCW 28A.225.250.

(c) "Enrollment percent" means the district's resident annual average enrollment of students who are eligible for and receiving special education, excluding students ages three and four and those five year olds not yet enrolled in kindergarten and students enrolled in institutional

education programs, as a percent of the district's annual average full-time equivalent basic education enrollment.

(d) "Funded enrollment limit" means:

(i) Through the 2022-23 school year, 13.5 percent;

(ii) In the 2023-24 school year, 14 percent;

(iii) In the 2024-25 school year, 14.5 percent;

(iv) In the 2025-26 and 2026-27 school years, 15 percent;

(v) Beginning in the 2027-28 school year, all students eligible for and receiving special education must generate excess cost allocations under this section.

Sec. 3. RCW 28A.150.392 and 2019 c 387 s 2 are each amended to read as follows:

(1)(a) To the extent necessary, funds shall be made available for safety net awards for districts with demonstrated needs for special education funding beyond the amounts provided through the special education funding formula under RCW 28A.150.390.

(b) If the federal safety net awards based on the federal eligibility threshold exceed the federal appropriation in any fiscal year, then the superintendent shall expend all available federal discretionary funds necessary to meet this need.

(2) Safety net funds shall be awarded by the state safety net oversight committee subject to the following conditions and limitations:

(a) The committee shall award additional funds for districts that can convincingly demonstrate that all legitimate expenditures for special education exceed all available revenues from state funding formulas.

(b) In the determination of need, the committee shall consider additional available revenues from federal sources.

(c) Differences in program costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(d) In the determination of need, the committee shall require that districts demonstrate that they are maximizing their eligibility for all state revenues related to services for students eligible for special education and all federal revenues from federal impact aid, medicaid, and the individuals with disabilities education act-Part B and appropriate special projects. Awards associated with (e) and (f) of this subsection shall not exceed the total of a district's specific determination of need.

(e) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education. Differences in costs attributable to district philosophy, service delivery choice, or accounting practices are not a legitimate basis for safety net awards.

(f) Using criteria developed by the committee, the committee shall then consider extraordinary costs associated with communities that draw a larger number of families with children in need of special education services, which may include consideration of proximity to group homes,

military bases, and regional hospitals. Safety net awards under this subsection (2)(f) shall be adjusted to reflect amounts awarded under (e) of this subsection.

(g) The committee shall then consider the extraordinary high cost needs of one or more individual students eligible for and receiving special education served in residential schools as defined in RCW ((28A.190.020)) 28A.190.005, programs for juveniles under the department of corrections, and programs for juveniles operated by city and county jails to the extent they are providing a secondary program of education.

(h) The maximum allowable indirect cost for calculating safety net eligibility may not exceed the federal restricted indirect cost rate for the district plus one percent.

(i) Safety net awards shall be adjusted based on the percent of potential medicaid eligible students billed as calculated by the superintendent of public instruction in accordance with chapter 318, Laws of 1999.

(j) Safety net awards must be adjusted for any audit findings or exceptions related to special education funding.

(3) The superintendent of public instruction shall adopt such rules and procedures as are necessary to administer the special education funding and safety net award process. By December 1, 2018, the superintendent shall review and revise the rules to achieve full and complete implementation of the requirements of this subsection and subsection (4) of this section including revisions to rules that provide additional flexibility to access community impact awards. Before revising any standards, procedures, or rules, the superintendent shall consult with the office of financial management and the fiscal committees of the legislature. In adopting and revising the rules, the superintendent shall ensure the application process to access safety net funding is streamlined, timelines for submission are not in conflict, feedback to school districts is timely and provides sufficient information to allow school districts to understand how to correct any deficiencies in a safety net application, and that there is consistency between awards approved by school district and by application period. The office of the superintendent of public instruction shall also provide technical assistance to school districts in preparing and submitting special education safety net applications.

(4) On an annual basis, the superintendent shall survey districts regarding their satisfaction with the safety net process and consider feedback from districts to improve the safety net process. Each year by December 1st, the superintendent shall prepare and submit a report to the office of financial management and the appropriate policy and fiscal committees of the legislature that summarizes the survey results and those changes made to the safety net process as a result of the school district feedback.

(5) The safety net oversight committee appointed by the superintendent of public instruction shall consist of:

(a) One staff member from the office of the superintendent of public instruction;

(b) Staff of the office of the state auditor who shall be nonvoting members of the committee; and

(c) One or more representatives from school districts or educational service districts knowledgeable of special education programs and funding.

(6) Beginning in the ~~((2019-20))~~ 2023-24 school year, a high-need student is eligible for safety net awards from state funding under subsection (2)(e) and (g) of this section if the student's individualized education program costs exceed two and ~~((three))~~ two-tenths times the average per-pupil expenditure as defined in Title 20 U.S.C. Sec. 7801, the every student succeeds act of 2015.

NEW SECTION. **Sec. 4.** A new section is added to chapter 28A.150 RCW to read as follows:

Beginning July 1, 2025:

(1) It is the policy of the state that for purposes of state funding allocations, students eligible for and receiving special education generate the full basic education allocation under RCW 28A.150.260 and, as a class, are to receive the benefits of this allocation for the entire school day, as defined in RCW 28A.150.203, whether the student is placed in the general education setting or another setting.

(2) The superintendent of public instruction must maintain a full cost method of excess cost accounting to account for expenditures beyond amounts provided through the special education funding formula under RCW 28A.150.390. This method of accounting must shift the following portions of a school district's general apportionment revenue for students eligible for and receiving special education to the school district's special education program for expenditure.

(a) A percentage of a school district's base allocation as defined in RCW 28A.150.390(3) for students eligible for and receiving special education based on their percentage of time served in a special education setting;

(b) To the extent that state special education expenditures in the previous year exceeded state funding provided for that year under RCW 28A.150.390, 28A.150.392, and methods for redirecting general apportionment revenue based on the students' percentage of time served in a special education setting, up to 50 percent of the school district's base allocation as defined in RCW 28A.150.390(3) for students eligible for and receiving special education combining portions under (a) of this subsection.

(3) Unless otherwise prohibited by law, nothing in this section prohibits school districts from using other funding and state allocations above the amounts provided under RCW 28A.150.390 and subsection (2) of this section to serve students eligible for and receiving special education.

(4) The legislature must review any findings and recommendations from the report and audit required under section 6 of this act and adjust formulas in this section as appropriate.

NEW SECTION. **Sec. 5.** A new section is added to chapter 28A.155 RCW to read as follows:

(1) The superintendent of public instruction shall annually review data from local education agencies, including the percentage of students receiving special education services, to ensure there is not a disproportionate identification of students, as defined by the superintendent of public instruction in accordance with federal requirements of the individuals with disabilities education act, 20 U.S.C. Sec. 1400.

(2) The office of the superintendent of public instruction shall provide technical assistance to school districts experiencing issues related to disproportionality and will make available professional development opportunities statewide to support local education agencies, schools, and community partners in promoting inclusionary teaching practices within a multitiered system of supports framework to help safeguard against over-identification and other issues related to disproportionality.

NEW SECTION. **Sec. 6.** (1) The joint legislative audit and review committee and the state auditor must collaborate to conduct a performance audit of the state's system of providing special education services to students with disabilities. The joint legislative audit and review committee and the state auditor may divide responsibility for the work and reporting required in this section as appropriate, and contract with qualified third-party researchers or higher education institutions to perform any aspect of the report and audit. The report and audit must address:

(a) The prevalence of disabilities and whether the provisions and funding for evaluating students and providing services reflects the prevalence of disabilities, including whether any populations are disparately underevaluated or underserved;

(b) The degree to which changes in funding formulas intended to encourage increased inclusion are successful and whether the state and school districts are utilizing best practices to improve inclusion;

(c) Whether the changes in evaluation timelines or increases in the funded enrollment limit have resulted in funding for students who do not have disabilities or in excess of districts' costs to serve students with disabilities;

(d) Whether districts are appropriately accounting for and reporting use of basic education allocations for students with disabilities, including if statutory expectations for use of funds are being met;

(e) The amount of funding from levies or other local sources that school districts continue to utilize under current accounting methodologies in order to meet obligations to provide free and appropriate public education to students with disabilities, the degree to which funding shortfalls will continue following planned increases in multipliers, proposed changes to accounting methodologies, and the elimination of a cap on the percent of students for whom the

state provides funding; and, options for additional changes to funding formulas to eliminate shortfalls in state funding for special education; and

(f) How the state may improve recruitment and retention of certificated educators, instructional aides, or paraeducators and professionals serving students with disabilities.

(2) To develop the appropriate scope, define study questions, and select one or more contractors to complete the performance audit and report, the joint legislative audit and review committee and state auditor shall consult with the office of the superintendent of public instruction, the office of the education ombuds, organizations representing and serving students with disabilities, the Washington state special education advisory council, and labor organizations representing educators providing educational services to students with disabilities in developing study questions and choosing appropriate contractors. To address the study questions, the joint legislative audit and review committee and the state auditor may conduct the audit at a sample of school districts as needed.

(3) The performance audit required by this section must include charter schools to the same extent as school districts.

(4) Upon request, the office of financial management and any state or local agency must provide the joint legislative audit and review committee and the state auditor with education records necessary to conduct the performance audit required under this section. The joint legislative audit and review committee and the state auditor shall be considered authorized representatives of relevant state education authorities, including the superintendent of public instruction and the department of children, youth, and families, for the purpose of accessing records for this evaluation. The office of financial management and any state or local agency must provide records within four months from the date of an initial request. The office of financial management or agencies contributing data to the education research and data center must notify the joint legislative audit and review committee and the state auditor's office in writing if they determine a request does not comply with the federal educational rights and privacy act, no later than 21 days after the initial request.

(5) Prior to the 2024 legislative session, the joint legislative audit and review committee and the state auditor must identify a lead agency for each element of the report and audit defined in subsection (1)(a) through (f) of this section and any aspects of the study that are being conducted by contractors. These designations must be provided to the governor and the committees of the legislature with jurisdiction over fiscal matters and special education by December 31, 2023.

(6) The joint legislative audit and review committee and the state auditor must, in accordance with RCW 43.01.036, report the study's findings and recommendations to the governor and the committees of the legislature with jurisdiction over fiscal

matters and special education by November 30, 2024.

(7) This section expires August 1, 2025.

NEW SECTION. **Sec. 7.** Sections 2 and 3 of this act take effect September 1, 2023.

NEW SECTION. **Sec. 8.** Section 4 of this act takes effect July 1, 2025.

NEW SECTION. **Sec. 9.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void.

Signed by Representatives Ormsby, Chair; Bergquist, Vice Chair; Gregerson, Vice Chair; Macri, Vice Chair; Stokesbary, Ranking Minority Member; Chambers, Assistant Ranking Minority Member; Corry, Assistant Ranking Minority Member; Berg; Chandler; Chopp; Connors; Couture; Davis; Dye; Fitzgibbon; Hansen; Harris; Lekanoff; Pollet; Riccelli; Rude; Ryu; Sandlin; Schmick; Senn; Simmons; Springer; Steele; Stonier and Tharinger.

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Education.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1)(a) The legislature finds that the federal individuals with disabilities education act, Title 20 U.S.C. Sec. 1400 et seq. establishes duties for the state education agency, which is the office of the superintendent of public instruction in Washington, with respect to students with disabilities who are placed in a private school or facility by a school district or other public agency as a means of providing special education and related services.

(b) Since 2006, the federal implementing regulations of the federal individuals with disabilities education act have required that the office of the superintendent of public instruction ensure that a student with a disability who is placed in a private school or facility by a school district or other public agency:

(i) Is provided special education and related services in conformance with an individualized education program that meets the requirements of federal law and at no cost to the student's parents;

(ii) Is provided an education that meets the standards that apply to education provided by a school district or other public agency; and

(iii) Has all of the rights of a student with a disability who is served by a school district or other public agency.

(c) Since 2006, the federal implementing regulations of the federal individuals with disabilities education act have required that the office of the superintendent of public instruction, in implementing the requirements described in (b) of this subsection (1):

(i) Monitor compliance through procedures such as written reports, on-site visits, and parent questionnaires;

(ii) Disseminate copies of applicable standards to each private school and facility to which a school district or other public agency placed a student with a disability; and

(iii) Provide an opportunity for those private schools and facilities to participate in the development and revision of state standards that apply to them.

(2) The legislature acknowledges that it has not codified the requirements described in subsection (1) of this section into state statute. Therefore, the legislature intends to codify the duty and authority of the superintendent of public instruction to establish standards for approving, monitoring, and investigating education centers, which are private schools and facilities that contract with school districts to provide special education and related services to students with disabilities placed in the education center by a school district. The legislature also intends to codify the requirement that these standards must ensure that any students with disabilities placed in an education center by a school district have the same rights, protections, and access to special education and related services that they would have if served by a school district.

Sec. 2. RCW 28A.155.090 and 2007 c 115 s 11 are each amended to read as follows:

The superintendent of public instruction shall have the duty and authority, through the administrative section or unit for the education of children with disabling conditions, to:

(1) Assist school districts in the formation of programs to meet the needs of children with disabilities;

(2) Develop interdistrict cooperation programs for children with disabilities as authorized in RCW 28A.225.250;

(3) Provide, upon request, to parents or guardians of children with disabilities, information as to the special education programs for students with disabilities offered within the state;

(4) Assist, upon request, the parent or guardian of any child with disabilities in the placement of any child with disabilities who is eligible for but not receiving special educational services for children with disabilities;

(5) Approve school district and agency programs as being eligible for special excess cost financial aid to students with disabilities;

(6) Establish standards for approving, monitoring, and investigating education centers, as defined in RCW 28A.205.010, that contract with school districts under RCW 28A.155.060 to provide special education and related services to children with

disabilities placed in the education center by a school district. The standards must ensure that any children with disabilities placed in the education center by a school district have the same rights, protections, and access to special education and related services that they would have if served by a school district;

(7) Consistent with the provisions of RCW 28A.150.390, 28A.160.030, and 28A.155.010 through 28A.155.160, and part B of the federal individuals with disabilities education improvement act, administer administrative hearings and other procedures to ensure procedural safeguards of children with disabilities; and

~~((7))~~ (8) Promulgate such rules as are necessary to implement part B of the federal individuals with disabilities education improvement act or other federal law providing for special education services for children with disabilities and the several provisions of RCW 28A.150.390, 28A.160.030, and 28A.155.010 through 28A.155.160 and to ensure appropriate access to and participation in the general education curriculum and participation in statewide assessments for all students with disabilities.

Sec. 3. RCW 28A.205.010 and 2006 c 263 s 408 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) ~~((As used in this chapter, unless the context thereof shall clearly indicate to the contrary:))~~

"Education center" means ~~((any private school operated on a profit or nonprofit basis which))~~ a private in-state school or facility operated on a profit or nonprofit basis, or any out-of-state school or facility, that contracts with a school district to provide special education and related services to students with disabilities placed in the education center by the school district and that does the following:

Such certification may be withdrawn if the superintendent finds that a center fails to provide adequate instruction in basic academic skills. No education center certified by the superintendent of public instruction pursuant to this section shall be deemed a common school under RCW 28A.150.020 or a private school for the purposes of RCW 28A.195.010 through 28A.195.050).~~

NEW SECTION. Sec. 4. A new section is added to chapter 28A.205 RCW to read as follows:

(1) The office of the superintendent of public instruction may approve an applicant as an education center only after a determination that:

(a) The applicant meets the definition of an education center under RCW 28A.205.010; and

(b) The students of the applicant have made educational gains that are a direct result of the applicant's educational program, where the determination is based on the actual educational performance of the students, after considering each student's background.

(2) The office of the superintendent of public instruction may suspend, revoke, or refuse to renew approval of an education center if the education center fails to provide adequate instruction in basic academic skills, fails to adhere to federal laws, especially civil rights laws, fails to comply with health and safety requirements, or fails to comply with provisions of its contract with a school district.

(3) The office of the superintendent of public instruction must prohibit approved education centers from charging tuition or fees to students placed in the education center by a school district.

(4) The office of the superintendent of public instruction must encourage school districts to cooperate with education centers.

(5) An education center approved by the office of the superintendent of public instruction under this section is not a common school under RCW 28A.150.020.

(6) The approval of an education center that is a private school in Washington approved by the state board of education under chapter 28A.195 RCW is limited to the program of special education and related services provided to students with disabilities placed in the education center by the school district.

Sec. 5. RCW 28A.155.060 and 2007 c 115 s 6 are each amended to read as follows:

(1) For the purpose of carrying out the provisions of RCW 28A.155.020 through 28A.155.050, the board of directors of every school district shall be authorized to contract with (~~agencies approved by the superintendent of public instruction for operating special education programs for students with disabilities. Approval standards for such agencies shall conform substantially with those of special education programs in the common schools~~) education centers approved under subsection (2) of this section to provide special education and related services to students with disabilities placed in the education center by the school district.

(2)(a) The office of the superintendent of public instruction must create an application process to approve education centers to contract with school districts to provide special education and related services to students with disabilities placed in the education center by a school district. Education centers may be approved for a period of up to three years.

(b) To qualify for approval, an education center must, at a minimum, meet the following requirements:

(i) Acknowledge that it can meet all contract elements established in subsection (3)(a) of this section;

(ii)(A) For an education center operating as a school, either obtain approval by the state board of education under chapter 28A.195 RCW to operate as a private school in Washington or obtain approval by the state education agency of the state in which the education center is located; and (B) for education centers that operate a program of education within a nonschool facility, comply with facility licensing requirements of the state in which the education center is located;

(iii) Employ or contract with: At least one licensed teacher with a special education endorsement; other licensed teachers; and related services staff who meet the licensing requirements for their profession;

(iv) Meet applicable fire codes of the local or state fire marshal and applicable health and safety standards;

(v) Demonstrate through audits that it is financially stable and has accounting systems that allow for separation of school district funds, including financial safeguards in place to track revenues and expenditures associated with contracted placements to ensure that funds are used to provide special education services to students;

(vi) Demonstrate that it has procedures in place that address staff hiring and contracting, including checking personal and

professional references for employees, conducting criminal background checks in accordance with RCW 28A.400.303, and scheduling regular staff evaluations that address staff competencies;

(vii) Demonstrate that staff of the education center are regularly trained on the following topics:

(A) Constitutional and civil rights of children in schools;

(B) Child and adolescent development;

(C) Trauma-informed approaches to working with youth;

(D) Recognizing and responding to youth mental health issues;

(E) Educational rights of students with disabilities, the relationship of disability to behavior, and best practices for interacting with students with disabilities;

(F) Cultural competency, diversity, equity, and inclusion, including best practices for interacting with students from particular backgrounds, including English learner, LGBTQ, immigrant, female, and nonbinary students. The terms "cultural competency," "diversity," "equity," and "inclusion" have the same meanings as in RCW 28A.415.443;

(G) De-escalation techniques when working with youth or groups of youth;

(H) Student isolation and restraint requirements under RCW 28A.600.485;

(I) The federal family educational rights and privacy act (Title 20 U.S.C. Sec. 1232g) requirements including limits on access to and dissemination of student records for noneducational purposes; and

(J) Restorative justice principles and practices; and

(viii) Maintain a policy of nondiscrimination and provide procedural safeguards for students eligible for special education services and their families.

(c) Before approving an application under this subsection, the office of the superintendent of public instruction must conduct an on-site visit to ensure that an education center's facilities, staffing levels, and procedural safeguards are sufficient to provide a safe and appropriate learning environment for students with disabilities placed in the education center by a school district.

(d) The office of the superintendent of public instruction may suspend, revoke, or refuse to renew its approval of an education center if the education center:

(i) Fails to maintain approval standards or fails to comply with all school district contract elements established in subsection (3)(a) of this section;

(ii) Violates the rights of students with disabilities placed in the education center by a school district; or

(iii) Refuses to implement any corrective actions ordered by the office of the superintendent of public instruction.

(e) The office of the superintendent of public instruction must use the data collected to produce the report required under section 7 of this act to identify issues of noncompliance with approval standards and contract elements established in subsection (3)(a) of this section.

(f) The office of the superintendent of public instruction must notify the state

board of education if any education center that is also a private school approved by the state board of education under chapter 28A.195 RCW is investigated for noncompliance, is directed to complete corrective action, or fails to maintain approval under this subsection. The state board of education must notify the office of the superintendent of public instruction of any unresolved concerns, deficiencies, or deviations related to an education center that is also a private school approved by the state board of education under chapter 28A.195 RCW.

(g)(i) The office of the superintendent of public instruction must develop and publish on its website a complaint process for individuals to report noncompliance or violations of student rights at education centers.

(ii) The office of the superintendent of public instruction must use the complaint process to identify and address patterns of misconduct at education centers, including issuing corrective action or revoking approval under this subsection.

(3)(a) A school district that chooses to contract with an education center as authorized under subsection (1) of this section must enter into a written contract with the education center to establish the responsibilities of the school district and the education center and set forth the rights of students with disabilities placed in the education center by the school district as a means of providing special education and related services. The contract must include, at a minimum, the following elements:

(i) The names of the parties involved and the name of the student or students with disabilities placed in the education center by the school district;

(ii) The locations and settings of the services to be provided;

(iii) A description of the services to be provided, including access to state learning standards adopted under RCW 28A.655.070;

(iv) The total contract cost and applicable charge and reimbursement systems, including billing and payment procedures;

(v) Acknowledgment that the education center is responsible for full reimbursement to the school district of any overpayments determined to have been made by the school district;

(vi) Acknowledgment that the education center has a list of each qualified staff member providing special education and related services and a copy of the license or credential that qualifies each staff member to provide those services;

(vii) Acknowledgment that the school district and education center have clearly established their respective responsibilities and processes for data collection and reporting for students;

(viii) Acknowledgment that the education center must comply with student isolation and restraint requirements under RCW 28A.600.485;

(ix) Acknowledgment that the education center must notify the school district and the office of the superintendent of public instruction of any program, staffing, or facility changes that may affect the

agency's ability to provide contracted services;

(x) Acknowledgment that the education center must comply with all relevant Washington state and federal laws that are applicable to the school district; and

(xi) Acknowledgment that the school district must provide the office of the superintendent of public instruction with the opportunity to review the contract and related documentation upon request.

(b) A school district contracting with an education center must conduct an annual on-site visit to ensure that an education center's facilities, staffing levels, and procedural safeguards are sufficient to provide a safe and appropriate learning environment and meet the unique needs of the students with disabilities placed in the education center by the school district.

(c) A school district contracting with an education center must remain responsible for ensuring that the students with disabilities placed in the education center by the school district are:

(i) Provided a free appropriate public education in accordance with the federal individuals with disabilities education act, Title 20 U.S.C. Sec. 1400 et seq. and this chapter;

(ii) Provided with special education and related services at no cost to the student's parents and in conformance with an individualized education program as required by law, including evaluations and individualized education program team meetings that meet all applicable requirements;

(iii) Provided with an opportunity to participate in Washington state and school district assessments and an opportunity to fulfill the requirements to receive a Washington state diploma; and

(iv) Provided at least the minimum instructional hours and days required under RCW 28A.150.220.

(d) A school district contracting with an education center must report to the office of the superintendent of public instruction and the office of the state auditor any concerns the school district has about overbilling by an education center.

(e) A school district must provide the following documents to the parents or guardians of the student being served by an education center:

(i) A summary of the school district and education center's responsibilities and processes for reporting incidents of student isolation and restraint under RCW 28A.600.485; and

(ii) A copy of the complaint process published under subsection (2)(g) of this section.

(4) For the purpose of this section, "education center" means an education center, as defined in RCW 28A.205.010, approved by the office of the superintendent of public instruction under subsection (2) of this section.

Sec. 6. RCW 28A.155.210 and 2013 c 202 s 3 are each amended to read as follows:

A ((school that is required to develop an)) student's individualized education

program ((as required by federal law)) must include ((within the plan)) procedures for notification of a parent or guardian regarding the use of restraint or isolation under RCW 28A.600.485. If a student is served by an education center under RCW 28A.155.060, the student's individualized education program must also specify any additional procedures required to ensure the education center fully complies with RCW 28A.600.485.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.155 RCW to read as follows:

(1) Beginning December 1, 2023, and in compliance with RCW 43.01.036, the office of the superintendent of public instruction must annually submit a report to the education committees of the legislature regarding student placements at education centers under RCW 28A.155.060. A summary of the report, including a link to the full report content, must also be posted on the office of the superintendent of public instruction's website. The report must include:

(a) The academic progress of students receiving special education services from education centers, using the results of the two most recent state assessments;

(b) The graduation rates of students who have received special education services from education centers;

(c) The rate at which students receiving special education services from education centers return to their resident school districts;

(d) Data on student restraint and isolation incidents, discipline, and attendance at education centers; and

(e) Any corrective action or change in an education center's approval status, as ordered by the office of the superintendent of public instruction.

(2) The data published under subsection (1) of this section must be disaggregated by education center when it is possible to do so without disclosing, directly or indirectly, a student's personally identifiable information as protected under the federal family educational rights and privacy act (Title 20 U.S.C. Sec. 1232g).

NEW SECTION. Sec. 8. The following acts or parts of acts are each repealed:

(1) RCW 28A.205.020 (Common school dropouts—Reimbursement) and 1999 c 348 s 3, 1997 c 265 s 7, 1993 c 211 s 2, 1990 c 33 s 181, 1979 ex.s. c 174 s 1, & 1977 ex.s. c 341 s 2;

Referred to Committee on Rules for second reading

April 4, 2023

SB 5316 Prime Sponsor, Senator Wilson, C.:
Concerning background check and licensing fees for programs administered by the department of children, youth, and families.
Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.43.837 and 2022 c 297 s 954 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in order to determine the character, competence, and suitability of any applicant or service provider to have unsupervised access, the secretary of the department of social and health services and the secretary of the department of children, youth, and families may require a fingerprint-based background check through both the Washington state patrol and the federal bureau of investigation at any time, but shall require a fingerprint-based background check when the applicant or service provider has resided in the state less than three consecutive years before application, and:

(a) Is an applicant or service provider providing services to children or people with developmental disabilities under RCW 74.15.030;

(b) Is an individual sixteen years of age or older who: (i) Is not under the placement and care authority of the department of children, youth, and families; and (ii) resides in an applicant or service provider's home, facility, entity, agency, or business or who is authorized by the department of children, youth, and families

to provide services to children under RCW 74.15.030;

(c) Is an individual who is authorized by the department of social and health services to provide services to people with developmental disabilities under RCW 74.15.030; or

(d) Is an applicant or service provider providing in-home services funded by:

(i) Medicaid personal care under RCW 74.09.520;

(ii) Community options program entry system waiver services under RCW 74.39A.030;

(iii) Chore services under RCW 74.39A.110; or

(iv) Other home and community long-term care programs, established pursuant to chapters 74.39 and 74.39A RCW, administered by the department of social and health services.

(2) Long-term care workers, as defined in RCW 74.39A.009, who are hired after January 7, 2012, are subject to background checks under RCW 74.39A.056.

(3) To satisfy the shared background check requirements provided for in RCW 43.216.270 and 43.20A.710, the department of children, youth, and families and the department of social and health services shall share federal fingerprint-based background check results as permitted under the law. The purpose of this provision is to allow both departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. Neither department may share the federal background check results with any other state agency or person.

(4) The secretary of the department of children, youth, and families shall require a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation when the department seeks to approve an applicant or service provider for a foster or adoptive placement of children in accordance with federal and state law. Fees charged by the Washington state patrol and the federal bureau of investigation for fingerprint-based background checks shall be paid by the department of children, youth, and families for ~~((applicant))~~ foster care and child care applicants and service providers ~~((providing foster care as required in RCW 74.15.030))~~.

(5) Any secure facility operated by the department of social and health services or the department of children, youth, and families under chapter 71.09 RCW shall require applicants and service providers to undergo a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation.

(6) Service providers and service provider applicants, except for those long-term care workers exempted in subsection (2) of this section, who are required to complete a fingerprint-based background check may be hired for a one hundred twenty-day provisional period as allowed under law or program rules when:

(a) A fingerprint-based background check is pending; and

(b) The applicant or service provider is not disqualified based on the immediate result of the background check.

(7) Fees charged by the Washington state patrol and the federal bureau of investigation for fingerprint-based background checks shall be paid by the applicable department for applicants or service providers providing:

(a) Services to people with a developmental disability under RCW 74.15.030;

(b) In-home services funded by medicaid personal care under RCW 74.09.520;

(c) Community options program entry system waiver services under RCW 74.39A.030;

(d) Chore services under RCW 74.39A.110;

(e) Services under other home and community long-term care programs, established pursuant to chapters 74.39 and 74.39A RCW, administered by the department of social and health services or the department of children, youth, and families; and

(f) Services in, or to residents of, a secure facility under RCW 71.09.115 (~~and~~

~~(g) For fiscal year 2023, applicants for child care and early learning services to children under RCW 43.216.270).~~

~~(8) ((Service providers licensed under RCW 74.15.030 must pay fees charged by the Washington state patrol and the federal bureau of investigation for conducting fingerprint-based background checks.~~

~~(9) Department of children, youth, and families service providers licensed under RCW 74.15.030 may not pass on the cost of the background check fees to their applicants unless the individual is determined to be disqualified due to the background information.~~

~~(10))~~ The department of social and health services and the department of children, youth, and families shall develop rules identifying the financial responsibility of service providers, applicants, and the department for paying the fees charged by law enforcement to roll, print, or scan fingerprints-based for the purpose of a Washington state patrol or federal bureau of investigation fingerprint-based background check.

~~((11))~~ (9) For purposes of this section, unless the context plainly indicates otherwise:

(a) "Applicant" means a current or prospective department of social and health services, department of children, youth, and families, or service provider employee, volunteer, student, intern, researcher, contractor, or any other individual who will or may have unsupervised access because of the nature of the work or services he or she provides. "Applicant" includes but is not limited to any individual who will or may have unsupervised access and is:

(i) Applying for a license or certification from the department of social and health services or the department of children, youth, and families;

(ii) Seeking a contract with the department of social and health services, the department of children, youth, and families, or a service provider;

(iii) Applying for employment, promotion, reallocation, or transfer;

(iv) An individual that a department of social and health services or department of children, youth, and families client or guardian of a department of social and health services or department of children, youth, and families client chooses to hire or engage to provide services to himself or herself or another vulnerable adult, juvenile, or child and who might be eligible to receive payment from the department of social and health services or the department of children, youth, and families for services rendered; or

(v) A department of social and health services or department of children, youth, and families applicant who will or may work in a department-covered position.

(b) "Authorized" means the department of social and health services or the department of children, youth, and families grants an applicant, home, or facility permission to:

(i) Conduct licensing, certification, or contracting activities;

(ii) Have unsupervised access to vulnerable adults, juveniles, and children;

(iii) Receive payments from a department of social and health services or department of children, youth, and families program; or

(iv) Work or serve in a department of social and health services or department of children, youth, and families-covered position.

(c) "Secretary" means the secretary of the department of social and health services.

(d) "Secure facility" has the meaning provided in RCW 71.09.020.

(e) "Service provider" means entities, facilities, agencies, businesses, or individuals who are licensed, certified, authorized, or regulated by, receive payment from, or have contracts or agreements with the department of social and health services or the department of children, youth, and families to provide services to vulnerable adults, juveniles, or children. "Service provider" includes individuals whom a department of social and health services or department of children, youth, and families client or guardian of a department of social and health services or department of children, youth, and families client may choose to hire or engage to provide services to himself or herself or another vulnerable adult, juvenile, or child and who might be eligible to receive payment from the department of social and health services or the department of children, youth, and families for services rendered.

Sec. 2. RCW 43.216.270 and 2022 c 297 s 960 are each amended to read as follows:

(1)(a) In determining whether an individual is of appropriate character, suitability, and competence to provide child care and early learning services to children, the department may consider the history of past involvement of child protective services or law enforcement agencies with the individual for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of a child. No report of child abuse or neglect that has been destroyed or expunged under RCW

26.44.031 may be used for such purposes. No unfounded or inconclusive allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a provider licensed under this chapter.

(b) The department may not deny or delay a license to provide child care and early learning services under this chapter to an individual solely because of a founded finding of physical abuse or negligent treatment or maltreatment involving the individual revealed in the background check process or solely because the individual's child was found by a court to be dependent as a result of a finding that the individual abused or neglected their child pursuant to RCW 13.34.030(6)(b) when that founded finding or court finding is accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident.

(2) In order to determine the suitability of individuals newly applying for an agency license, new licensees, their new employees, and other persons who newly have unsupervised access to children in child care, shall be fingerprinted.

(a) The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history record check.

(b) ~~((i))~~ All individuals applying for first-time agency licenses, all new employees, and other persons who have not been previously qualified by the department to have unsupervised access to children in child care must be fingerprinted and obtain a criminal history record check pursuant to this section.

~~((ii) Except during fiscal year 2023, persons required to be fingerprinted and obtain a criminal history record check pursuant to this section must pay for the cost of this check as follows: The fee established by the Washington state patrol for the criminal background history check, including the cost of obtaining the fingerprints; and a fee paid to the department for the cost of administering the individual-based/portable background check clearance registry. The fee paid to the department must be deposited into the individual-based/portable background check clearance account established in RCW 43.216.273. The licensee may, but need not, pay these costs on behalf of a prospective employee or reimburse the prospective employee for these costs. The licensee and the prospective employee may share these costs.)~~

(c) The secretary shall use the fingerprint criminal history record check information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children.

(d) Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose.

(e) No later than July 1, 2013, all agency licensees holding licenses prior to July 1, 2012, persons who were employees

before July 1, 2012, and persons who have been qualified by the department before July 1, 2012, to have unsupervised access to children in child care, must submit a new background application to the department. ~~((The department must require persons submitting a new background application pursuant to this subsection (2)(e) to pay a fee to the department for the cost of administering the individual-based/portable background check clearance registry. This fee must be paid into the individual-based/portable background check clearance account established in RCW 43.216.273. The licensee may, but need not, pay these costs on behalf of a prospective employee or reimburse the prospective employee for these costs. The licensee and the prospective employee may share these costs.))~~

(f) The department shall issue a background check clearance card or certificate to the applicant if after the completion of a background check the department concludes the applicant is qualified for unsupervised access to children in child care. The background check clearance card or certificate is valid for ~~((three))~~ five years from the date of issuance. A valid card or certificate must be accepted by a potential employer as proof that the applicant has successfully completed a background check as required under this chapter. For purposes of renewal of the background clearance card or certificate, all agency licensees holding a license, persons who are employees, and persons who have been previously qualified by the department, must submit a new background application to the department on a date to be determined by the department. ~~((Except during fiscal year 2023, fee requirements applicable to this section also apply to background clearance renewal applications.))~~

(g) The original applicant for an agency license, licensees, their employees, and other persons who have unsupervised access to children in child care shall submit a new background check application to the department, on a form and by a date as determined by the department.

(h) ~~((The payment requirements applicable to (a) through (g) of this subsection do not apply to persons who:~~

~~(i) Provide regularly scheduled care for a child or children in the home of the provider or in the home of the child or children for periods of less than twenty-four hours or, if necessary due to the nature of the parent's work, for periods equal to or greater than twenty-four hours;~~

~~(ii) Receive child care subsidies; and~~

~~(iii) Are exempt from licensing under this chapter.~~

~~((i))~~ The applicant and agency shall maintain on-site for inspection a copy of the background check clearance card or certificate.

~~((j))~~ (i) Individuals who have been issued a background check clearance card or certificate shall report nonconviction and conviction information to the department within twenty-four hours of the event constituting the nonconviction or conviction information.

~~((*)~~) (j) The department shall investigate and conduct a redetermination of an applicant's or licensee's background clearance if the department receives a complaint or information from individuals, a law enforcement agency, or other federal, state, or local government agency. Subject to the requirements contained in RCW 43.216.325 and 43.216.327 and based on a determination that an individual lacks the appropriate character, suitability, or competence to provide child care or early learning services to children, the department may: (i) Invalidate the background card or certificate; or (ii) suspend, modify, or revoke any license authorized by this chapter.

(3) To satisfy the shared background check requirements of the department of children, youth, and families, the office of the superintendent of public instruction, and the department of social and health services, each department shall share federal fingerprint-based background check results as permitted under the law. The purpose of this provision is to allow these departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. These departments may not share the federal background check results with any other state agency or person.

(4) Individuals who have completed a fingerprint background check as required by the office of the superintendent of public instruction, consistent with RCW 28A.400.303, and have been continuously employed by the same school district or educational service district, can meet the requirements in subsection (2) of this section by providing a true and accurate copy of their Washington state patrol and federal bureau of investigation background check report results to the department or if the school district or the educational service district provides an affidavit to the department that the individual has been authorized to work by the school district or educational service district after completing a record check consistent with RCW 28A.400.303. The department may require that additional background checks be completed that do not require additional fingerprinting ~~((and, except during fiscal year 2023, may charge a fee for these additional background checks))~~.

Sec. 3. RCW 43.216.271 and 2021 c 304 s 12 are each amended to read as follows:

~~((Subject to appropriation, the))~~ The department shall maintain an individual-based or portable background check clearance registry. Any individual seeking a child care license or employment in any child care facility or outdoor nature-based child care program licensed or regulated under current law shall submit a background application on a form prescribed by the department in rule.

NEW SECTION. Sec. 4. The following acts or parts of acts are each repealed:

(1) RCW 43.216.272 (Fee for developing and administering individual-based/portable background check clearance registry) and

2017 3rd sp.s. c 6 s 208 & 2011 c 295 s 4; and

(2) RCW 43.216.273 (Individual-based/portable background check clearance account) and 2017 3rd sp.s. c 6 s 209 & 2011 c 295 s 5.

NEW SECTION. Sec. 5. 2021 c 304 s 34 (uncodified) is repealed.

NEW SECTION. Sec. 6. Section 5 of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

NEW SECTION. Sec. 7. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

SB 5369 Prime Sponsor, Senator Billig: Reassessing standards for polychlorinated biphenyls in consumer products. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Environment & Energy.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature finds that polychlorinated biphenyls, or PCBs, are a hazardous chemical class that have been identified as carcinogenic, a developmental toxicant, toxic to aquatic organisms, and persistent and bioaccumulative. According to the United States environmental protection agency, PCBs are probable human carcinogens and may have serious and potential effects on the immune system, reproductive system, nervous system, and endocrine system.

(2) Humans and other organisms can be exposed to PCBs in a number of ways. PCBs can be released into the environment from hazardous waste sites, illegal dumping, or disposal of PCB wastes or PCB-containing products in areas or landfills not designed to handle hazardous waste, leaks, or releases from electrical transformers containing PCBs, and wastewater discharges. Once PCBs are released, the chemicals do not readily break down in the environment and can cycle for long periods between air, water, and soil. PCBs can accumulate in leaves and above-ground parts of plants and food crops, and they are also taken up into the bodies of small organisms and fish, resulting in potential exposure for people and organisms that ingest the fish.

(3) In 1979, the United States banned the production of PCBs under the toxic substances control act. However, the United States environmental protection agency's regulations implementing the toxic substances control act for PCBs allow some inadvertent generation of PCBs to occur in excluded manufacturing processes. These manufacturing by-product PCBs have been identified in wastewater, sediments, and air in numerous locations and have been positively identified in the testing of new products.

(4) The legislature finds that the state has done much to address PCB contamination, including cleanup, permitting, stormwater management, and fish advisories. In addition, the United States environmental protection agency, Washington state, and the Spokane tribe of Indians have established PCB water quality standards to protect human health and the environment. These standards are critical for addressing release and

exposure from legacy and nonlegacy PCBs. However, the standards cannot be achieved with currently available water treatment technology if the waste stream continues to include new sources of PCBs allowable under the toxic substances control act at levels measured in products such as paints, inks, and pigments that are billions of times higher than applicable water quality standards. While the United States environmental protection agency has restored a human health criteria standard of seven parts per quadrillion in Washington waters, the toxic substances control act limit for PCBs in products is an annual average of 25 parts per million, with a maximum 50 parts per million adjusted total PCBs. Therefore, the legislature finds that nonlegacy PCB contamination may most effectively be managed upstream at the product and process source as opposed to downstream facilities at the end of the product life cycle. The toxic substances control act standard for inadvertent PCBs does not reflect current science on limits needed to protect human health and the environment and is overdue for revision.

(5) While previous industry analysis of toxic substances control act rule making has asserted negative impacts and infeasibility in disallowing by-product PCBs, the legislature finds that safer, feasible, and available alternatives to PCB-containing paints and printing inks now exist, as determined by the department in its June 2022 *Safer Products for Washington* report. Moreover, since safer and available products and processes to produce paints and printing inks do exist, the legislature finds that use of manufacturing processes resulting in products with PCB by-products is not inadvertent, but intentional, and constitutes a use of the chemical within the product.

(6) Therefore, the legislature intends to direct the department to petition the United States environmental protection agency to reassess its PCB regulations under the toxic substances control act and to prohibit the use of chlorine-based pigment manufacturing processes, which result in the generation of PCBs.

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of ecology.

(2) "Manufacturer" means any person, firm, association, partnership, corporation, governmental entity, organization, or joint venture that produces a product or is an importer or domestic distributor of a product sold or offered for sale in or into the state.

(3) "Paint and printing ink" includes, but is not limited to, building paint for indoor and outdoor use, spray paint, children's paint, road paint, and printing inks used in paper and packaging.

(4) "PCBs" or "polychlorinated biphenyls" means chemical forms that consist of two benzene rings joined together and containing

one to 10 chlorine atoms attached to the benzene rings.

(5) "Retail establishment" includes any person, corporation, partnership, business, facility, vendor, organization, or individual that sells or provides merchandise, goods, or materials directly to a customer.

NEW SECTION. Sec. 3. (1) The department must petition the United States environmental protection agency to reassess its regulations on excluded manufacturing processes from prohibitions on manufacturing, processing, distribution in commerce, and use of PCBs and PCB items under 40 C.F.R. Sec. 761.3 for the purpose of eliminating or reducing the presence of PCBs in consumer products.

(2) In petitioning the United States environmental protection agency, the department must include legislative findings under this chapter and information on:

(a) Health effects of PCBs;

(b) Release and exposure of PCBs including, but not limited to, concentrations of PCBs measured in consumer products and in state waters, soils, and fish tissue;

(c) Safer alternatives for consumer products that contain PCBs, including the availability and feasibility of alternatives; and

(d) Other relevant data or findings as determined by the department.

(3) The department is not required to generate new data and may use previously compiled data and findings developed in the performance of duties under this chapter.

(4) The department may consult with the department of health and other relevant state agencies in developing the petition under this section.

(5) To the extent practicable, the department must seek completion of the petition review by January 1, 2025.

NEW SECTION. Sec. 4. (1) (a) (i) Beginning January 1, 2025, a manufacturer or wholesaler may not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this state any paint or printing ink that contains chlorine-based pigments.

(ii) Beginning January 1, 2026, a retail establishment may not knowingly sell or knowingly offer for sale for use in this state any paint or printing ink that contains chlorine-based pigments.

(b) (i) Beginning no later than 12 months after the adoption of rules under subsection (3) of this section, a manufacturer or wholesaler may not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this state a product identified under subsection (3) of this section.

(ii) Beginning no later than 24 months after the adoption of rules under subsection (3) of this section, a retail establishment may not knowingly sell or knowingly offer for sale any paint or printing ink that contains chlorine-based pigments.

(2) Upon a demand by the department, a person must demonstrate to the department that a product is in compliance with the requirements of subsection (1) of this

section through the submission to the department of:

(a) Testing data indicating that a chlorine-based manufacturing process was not used in the manufacture of the pigments contained in the paint, printing ink, or other product; or

(b) Information pertaining to pigment manufacturing processes demonstrating that chlorine was not used in the manufacturing of pigments contained in the paint, printing ink, or other product.

(3) The department may, by rule, identify products that, as a result of the inclusion of pigments in the product, contain PCBs that were inadvertently generated in the making of the pigment. The department may require products identified under this subsection to demonstrate the absence of chlorine-based pigments in a product in a manner consistent with subsection (2) of this section. The department must initiate a rule-making process under this subsection by October 1, 2023.

(4) The prohibitions in subsection (1) of this section do not apply to:

(a) Paint manufactured, reused, or recycled from paint collected under chapter 70A.515 RCW; or

(b) The sale of any previously owned products containing inadvertently generated PCBs made in casual or isolated sales as defined in RCW 82.04.040, or by a nonprofit organization.

(5)(a) The department may exempt a product or category of product from the prohibitions in subsection (1) of this section upon determining that a product or category of product is not capable of being manufactured in a manner that does not rely on the inclusion of chlorine-based pigments, and upon determining that allowing for the continued manufacture of product or category of product containing a chlorine-based pigment would not result in meaningful impacts to human health, the environment, or the ability of entities regulated under chapter 90.48 RCW to comply with water quality standards.

(b) The department may, in its discretion, extend the compliance deadline in subsection (1) of this section for a product or category of product for which a person annually demonstrates to the department by October 1st of a given year that the prohibition is not technically feasible for the person to comply with.

(6) The department may not administer or enforce the requirements of this section if:

(a) A court of competent jurisdiction determines that federal regulations preempt the requirements; or

(b) The requirement does not align with any regulation established by the United States environmental protection agency adopted after the effective date of this section.

(7) If the requirements of this section are determined by a court of competent jurisdiction to be preempted by federal regulations, the department is directed to adopt a rule, within 18 months of the determination of preemption, to establish a reporting requirement for the use of chlorine-based pigment manufacturing processes or the PCB content of any

combination of paints, printing inks, or products identified by the department under subsection (3) of this section.

NEW SECTION.

Sec. 5. (1) The department may adopt rules to implement, administer, and enforce the requirements of this chapter.

(2) The department may impose a civil penalty for a violation of any requirement of this chapter in an amount not to exceed \$5,000 for each violation in the case of a first offense. Persons who are repeat violators are subject to a civil penalty not to exceed \$10,000 for each repeat offense. The department must issue at least one notice of violation by certified mail prior to assessing a penalty and the department may only impose a penalty on a manufacturer or retail establishment that has not met the requirements of this chapter 60 days following the date the written notification of the violation was sent. The department may not collect a penalty from a retail establishment for a product that the retail establishment demonstrates to the department was in the possession of the retail establishment as of the effective date of the restrictions on manufacture, sale, and distribution under section 4(1) (a)(i) or (b)(i) of this act.

(3) Any penalty provided for in this section, and any order issued by the department under this chapter, may be appealed to the pollution control hearings board.

(4) All penalties collected under this chapter must be deposited in the model toxics control operating account created in RCW 70A.305.180.

Sec. 6. RCW 43.21B.110 and 2022 c 180 s 812 are each amended to read as follows:

(1) The hearings board shall only have jurisdiction to hear and decide appeals from the following decisions of the department, the director, local conservation districts, the air pollution control boards or authorities as established pursuant to chapter 70A.15 RCW, local health departments, the department of natural resources, the department of fish and wildlife, the parks and recreation commission, and authorized public entities described in chapter 79.100 RCW:

(a) Civil penalties imposed pursuant to RCW 18.104.155, 70A.15.3160, 70A.300.090, 70A.20.050, 70A.530.040, 70A.350.070, 70A.515.060, 70A.245.040, 70A.245.050, 70A.245.070, 70A.245.080, 70A.65.200, 70A.455.090, section 5 of this act, 76.09.170, 77.55.440, 78.44.250, 88.46.090, 90.03.600, 90.46.270, 90.48.144, 90.56.310, 90.56.330, and 90.64.102.

(b) Orders issued pursuant to RCW 18.104.043, 18.104.060, 43.27A.190, 70A.15.2520, 70A.15.3010, 70A.300.120, 70A.350.070, 70A.245.020, 70A.65.200, 86.16.020, 88.46.070, 90.14.130, 90.46.250, 90.48.120, and 90.56.330.

(c) Except as provided in RCW 90.03.210(2), the issuance, modification, or termination of any permit, certificate, or license by the department or any air authority in the exercise of its

jurisdiction, including the issuance or termination of a waste disposal permit, the denial of an application for a waste disposal permit, the modification of the conditions or the terms of a waste disposal permit, or a decision to approve or deny an application for a solid waste permit exemption under RCW 70A.205.260.

(d) Decisions of local health departments regarding the grant or denial of solid waste permits pursuant to chapter 70A.205 RCW.

(e) Decisions of local health departments regarding the issuance and enforcement of permits to use or dispose of biosolids under RCW 70A.226.090.

(f) Decisions of the department regarding waste-derived fertilizer or micronutrient fertilizer under RCW 15.54.820, and decisions of the department regarding waste-derived soil amendments under RCW 70A.205.145.

(g) Decisions of local conservation districts related to the denial of approval or denial of certification of a dairy nutrient management plan; conditions contained in a plan; application of any dairy nutrient management practices, standards, methods, and technologies to a particular dairy farm; and failure to adhere to the plan review and approval timelines in RCW 90.64.026.

(h) Any other decision by the department or an air authority which pursuant to law must be decided as an adjudicative proceeding under chapter 34.05 RCW.

(i) Decisions of the department of natural resources, the department of fish and wildlife, and the department that are reviewable under chapter 76.09 RCW, and the department of natural resources' appeals of county, city, or town objections under RCW 76.09.050(7).

(j) Forest health hazard orders issued by the commissioner of public lands under RCW 76.06.180.

(k) Decisions of the department of fish and wildlife to issue, deny, condition, or modify a hydraulic project approval permit under chapter 77.55 RCW, to issue a stop work order, to issue a notice to comply, to issue a civil penalty, or to issue a notice of intent to disapprove applications.

(l) Decisions of the department of natural resources that are reviewable under RCW 78.44.270.

(m) Decisions of an authorized public entity under RCW 79.100.010 to take temporary possession or custody of a vessel or to contest the amount of reimbursement owed that are reviewable by the hearings board under RCW 79.100.120.

(n) Decisions of the department of ecology that are appealable under RCW 70A.245.020 to set recycled minimum postconsumer content for covered products or to temporarily exclude types of covered products in plastic containers from minimum postconsumer recycled content requirements.

(o) Orders by the department of ecology under RCW 70A.455.080.

(2) The following hearings shall not be conducted by the hearings board:

(a) Hearings required by law to be conducted by the shorelines hearings board pursuant to chapter 90.58 RCW.

(b) Hearings conducted by the department pursuant to RCW 70A.15.3010, 70A.15.3070, 70A.15.3080, 70A.15.3090, 70A.15.3100, 70A.15.3110, and 90.44.180.

(c) Appeals of decisions by the department under RCW 90.03.110 and 90.44.220.

(d) Hearings conducted by the department to adopt, modify, or repeal rules.

(3) Review of rules and regulations adopted by the hearings board shall be subject to review in accordance with the provisions of the administrative procedure act, chapter 34.05 RCW.

NEW SECTION. **Sec. 7.** Sections 1 through 5 of this act constitute a new chapter in Title 70A RCW.

NEW SECTION. **Sec. 8.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

ESSB 5371

Prime Sponsor, Agriculture, Water, Natural Resources & Parks: Protecting southern resident orcas from vessels. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Agriculture and Natural Resources.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) It is the intent of the legislature to support the recovery of endangered southern resident orcas by reducing underwater noise and disturbance from vessels, which is one of the three main threats to the population's recovery, along with availability of their preferred prey, Chinook salmon, and contaminants in their food and environment. In particular, the legislature intends to protect southern resident orcas from those boaters who intentionally harass, chase, and torment the whales.

(2) The legislature further finds that the state has a compelling interest in protecting the iconic southern resident orca from extinction by acting to implement recovery activities and adaptively managing the southern resident orca recovery effort

using best available science. Studies conducted by the national oceanic and atmospheric administration have indicated that southern resident orcas significantly reduced their foraging behavior when moving vessels were observed within 1,000 yards, and even up to 1,640 yards, of the whale.

(3) In 2019, the governor's southern resident orca task force produced 49 recommendations to address the three major threats to the population's recovery. While many investments have been made and implementation is ongoing, increased and sustained efforts are needed to advance salmon recovery, address water quality and contaminants in the environment, and reduce underwater noise and physical disturbance of orcas as they attempt to forage, communicate, and rest.

(4) The legislature finds that the threats to orcas are interrelated and they are inexorably linked with salmon recovery. Salmon face a diverse array of threats throughout their life cycle including the threat posed by pinnipeds, such as seals and sea lions, which are protected under federal law, but nevertheless pose a significant threat to salmon and orca recovery through ongoing and excessive predation. Salmon also face fish passage barriers, stormwater runoff, and spills from wastewater treatment plants, among other threats. It is in the best interest of all the people of Washington, including federally recognized tribes and private landowners, to increase the population of salmon and to ensure the survivability of salmon against all threats.

(5) The legislature directed the department of fish and wildlife to produce a report on the effectiveness of regulations designed to address underwater noise and disturbance from commercial whale watching and recreational vessels. The legislature received the first of three mandated reports in November of 2022, and it contained an assessment of the most recent science demonstrating the negative impact of vessels on southern resident orca foraging behavior and foraging success.

(6) While it takes time to see results from efforts to increase prey availability and reduce contaminants, reducing noise and disturbance from vessels can provide immediate support for the southern resident orcas by increasing their likelihood of successful foraging.

Sec. 2. RCW 77.15.740 and 2019 c 291 s 1 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, it is unlawful for a person to:

(a) Cause a vessel or other object to approach, in any manner, within ~~((three hundred))~~ 1,000 yards of a southern resident orca ~~((whale))~~;

(b) Position a vessel to be in the path of a southern resident orca ~~((whale))~~ at any point located within ~~((four hundred))~~ 1,000 yards of the whale. This includes intercepting a southern resident orca ~~((whale))~~ by positioning a vessel so that the prevailing wind or water current carries the vessel into the path of the whale at any

point located within ~~((four hundred))~~ 1,000 yards of the whale;

(c) Position a vessel behind a southern resident orca ~~((whale))~~ at any point located within ~~((four hundred))~~ 1,000 yards;

(d) Fail to disengage the transmission of a vessel that is within ~~((three hundred))~~ 400 yards of a southern resident orca ~~((whale))~~;

(e) Cause a vessel or other object to exceed a speed greater than seven knots over ground at any point located within ~~((one-half nautical mile (one thousand thirteen yards))~~) 1,000 yards of a southern resident orca ~~((whale))~~; or

(f) Feed a southern resident orca ~~((whale))~~.

(2) A person is exempt from subsection (1) of this section if that person is:

(a) Operating a federal government vessel in the course of official duties, or operating a state, tribal, or local government vessel when engaged in official duties involving law enforcement, search and rescue, or public safety;

(b) Operating a vessel in conjunction with a vessel traffic service as a vessel traffic service user established under 33 C.F.R. and following a traffic separation scheme, or complying with a vessel traffic service or captain of the port measure ~~((or))~~ or direction, or complying with the rules of the road or taking actions to ensure safety. This also includes ~~((support vessels escorting ships in the traffic lanes))~~ vessel transits departing the lanes for safety reasons or to approach or depart a dock or anchorage area, including support vessels escorting or assisting vessels, such as tug boats;

(c) Engaging in an activity, including scientific research or oil spill response, pursuant to the conditions of a permit or other authorization from the national marine fisheries service ~~((and))~~ or the department;

(d) Lawfully engaging in a treaty Indian or commercial fishery that is actively setting, retrieving, or closely tending fishing gear. Commercial fishing vessels in transit are not exempt from subsection (1) of this section;

(e) Conducting vessel operations necessary to avoid an imminent and serious threat to a person, vessel, or the environment, including when necessary for overall safety of navigation and to comply with state and federal navigation requirements; or

(f) Engaging in rescue or clean-up efforts of a beached southern resident orca ~~((whale))~~ overseen, coordinated, or authorized by a volunteer stranding network.

(3) For the purpose of this section, "vessel" includes aircraft while on the surface of the water, and every description of watercraft on the water that is used or capable of being used as a means of transportation on the water. However, "vessel" does not include inner tubes, air mattresses, sailboards, and small rafts, or flotation devices or toys customarily used by swimmers.

(4)(a) A violation of this section is a natural resource infraction punishable under chapter 7.84 RCW and carries a fine of five hundred dollars, not including statutory assessments added pursuant to RCW 3.62.090.

(b) A person who qualifies for an exemption under subsection (2) of this section may offer that exemption as an affirmative defense, which that person must prove by a preponderance of the evidence.

~~((5) The enforcement actions required of the department from this section are subject to the availability of amounts appropriated for this specific purpose)(c) The department may choose to offer educational materials in lieu of issuing an infraction, at the officer's discretion.~~

~~(d) An officer may not issue an infraction to the operator of a vessel that is within 400 yards of a southern resident orca who has immediately disengaged the transmission of the vessel pursuant to subsection (1)(d) of this section and waits for the whale to leave the vicinity.~~

~~(5) The department must post signs at public boat launches and marinas that provide information regarding the vessel setbacks and speed limits required by this section. However, the requirements of this section apply whether or not a sign is present and the absence of a sign is not a defense to any violation of this section.~~

~~(6) The department shall conduct outreach and education regarding regulations and best practices for recreational boating in waters inhabited by southern resident orcas, including best practices for avoiding or minimizing encounters closer than 1,000 yards from a southern resident orca consistent with the recommendations of the work group established in section 5 of this act. This may include the advancement and proliferation of tools for notifying boaters of southern resident orca presence, identifying orca ecotypes, and estimating distance on the water.~~

NEW SECTION. Sec. 3. A new section is added to chapter 77.15 RCW to read as follows:

(1) It is unlawful for an operator of a motorized commercial whale watching vessel licensed under RCW 77.65.615 to:

(a) Approach, in any manner, within 1,000 yards of a southern resident orca;

(b) Position a vessel to be in the path of a southern resident orca at any point located within 1,000 yards of the whale. This includes intercepting a southern resident orca by positioning a vessel so that the prevailing wind or water current carries the vessel into the path of the whale at any point located within 1,000 yards of the whale;

(c) Fail to disengage the transmission of a vessel that is within 400 yards of a southern resident orca; or

(d) Cause a vessel or other object to exceed a speed greater than seven knots over ground at any point located within 1,000 yards of a southern resident orca.

(2) If an operator of a motorized commercial whale watching vessel enters within 1,000 yards of a group of southern resident orcas, after taking reasonable measures to determine whether the whales were southern resident orcas, and then identifies the whales as southern resident orcas, the operator must:

(a) Immediately safely reposition the vessel to be 1,000 yards or farther from the southern resident orcas;

(b) Immediately after repositioning the vessel, report the location of the southern resident orca or orcas to the WhaleReport application for the whale report alert system, or to a successor transboundary notification system designated by the department that is adopted by the international shipping community in the Salish Sea; and

(c) Accurately log the incident, including measures taken to determine whether the whales were southern resident orcas, and submit the log to the department within 24 hours of the incident.

NEW SECTION. Sec. 4. A new section is added to chapter 77.12 RCW to read as follows:

If the population of southern resident orcas reaches a threshold of 70 individuals or fewer, the department must provide a report to the legislature within one year of the threshold being met, consistent with RCW 43.01.036, that includes a study of how mandatory 1,000-yard setbacks for all vessels has been enforced and identifies gaps and solutions to support any improvements, the use of data science with respect to southern resident orca pod health, and evidence-based plans to address southern resident orca pod health.

NEW SECTION. Sec. 5. (1) The department of fish and wildlife must convene a diverse work group including, but not limited to, representatives from nongovernmental organizations, recreational boaters, the commercial whale watching industry, commercial fishers, ports and marinas, relevant government entities, tribes, and the southern resident orca research community to inform the development of outreach and education strategies to implement RCW 77.15.740(4). A report summarizing the work of the work group and the department of fish and wildlife's outreach strategies must be included in the 2024 adaptive management report identified in RCW 77.65.620(5). The department of fish and wildlife must conduct intensive outreach and education in fiscal year 2024 and the first half of 2025 to implement the work group outreach recommendations.

(2) In coordination with the work group established in this section, the department of fish and wildlife must conduct education and outreach regarding compliance with the 1,000-yard setback from southern resident orcas established in RCW 77.15.740.

(3) The department of fish and wildlife must assess and report on the effectiveness of the mandatory 1,000-yard setback and recommendations for any further legislative action needed to protect southern resident orcas from the effects of vessels in the 2024 adaptive management report identified in RCW 77.65.620(5).

(4) This section expires June 30, 2025.

Sec. 6. RCW 77.65.615 and 2021 c 284 s 1 are each amended to read as follows:

(1) A commercial whale watching business license is required for commercial whale watching businesses. The annual fee for a commercial whale watching business license is ~~((two hundred dollars))~~ \$200 in addition to the annual application fee of ~~((seventy-five dollars))~~ \$70.

(2) The annual ~~((fees))~~ application for a commercial whale watching business license as described in subsection (1) of this section must ~~((include fees for))~~ list each motorized or sailing vessel ~~((or vessels as follows:~~

~~((a) One to twenty-four passengers, three hundred twenty-five dollars;~~

~~((b) Twenty-five to fifty passengers, five hundred twenty-five dollars;~~

~~((c) Fifty-one to one hundred passengers, eight hundred twenty-five dollars;~~

~~((d) One hundred one to one hundred fifty passengers, one thousand eight hundred twenty-five dollars; and~~

~~((e) One hundred fifty-one passengers or greater, two thousand dollars)) to be covered under the business license.~~

(3) The holder of a commercial whale watching business license for motorized or sailing vessels required under subsection (2) of this section may ~~((substitute the vessel designated))~~ designate an additional vessel on the license ~~((, or designate a vessel if none has previously been designated,))~~ if the license holder ~~((:~~

~~((a) Surrenders the previously issued license to the department;~~

~~((b) Submits))~~ submits to the department an application that identifies the ~~((currently designated vessel, the))~~ vessel proposed to be designated ~~((,))~~ and any other information required by the department ~~((, and~~

~~((c) Pays to the department a fee of thirty-five dollars and an application fee of one hundred five dollars)).~~

(4) ~~((Unless the business license holder owns all vessels identified on the application described in subsection (3) (b) of this section, the department may not change the vessel designation on the license more than once per calendar year.~~

~~((5))~~ A commercial whale watching operator license is required for commercial whale watching operators. A person may operate a motorized or sailing commercial whale watching vessel designated on a commercial whale watching business license only if:

(a) The person holds a commercial whale watching operator license issued by the director; and

(b) The person is designated as an operator on the underlying commercial whale watching business license.

~~((6))~~ (5) No individual may hold more than one commercial whale watching operator license. An individual who holds an operator license may be designated as an operator on an unlimited number of commercial whale watching business licenses.

~~((7))~~ (6) The annual application fee for a commercial whale watching operator license is ~~((one hundred dollars in addition to an annual application fee of seventy-five dollars))~~ \$25.

(7) A paddle tour business license is required for businesses conducting paddle tours. The annual fee for a paddle tour

business license is \$200 in addition to the annual application fee of \$70.

(8) A person may conduct ~~((commercial whale watching via))~~ guided ~~((kayak))~~ paddle tours only if:

(a) The person holds a ~~((kayak))~~ paddle guide license issued by the director; and

(b) The person is designated as a ~~((kayak))~~ guide on the underlying ~~((commercial whale watching))~~ paddle tour business license.

(9) No individual may hold more than one ~~((kayak))~~ paddle guide license. An individual who holds a ~~((kayak))~~ paddle guide license may be designated on an unlimited number of ~~((commercial whale watching))~~ paddle tour business licenses.

(10) The annual application fee for a ~~((kayak))~~ paddle guide license is \$25 ~~((in addition to an annual application fee of \$25)).~~

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Commercial whale watching" means the act of taking, or offering to take, passengers aboard a motorized or sailing vessel ~~((or guided kayak tour in order))~~ to view marine mammals in their natural habitat for a fee.

(b) "Commercial whale watching business" means a business that engages in the activity of commercial whale watching.

(c) "Commercial whale watching business license" means a department-issued license to operate a commercial whale watching business.

(d) "Commercial whale watching license" means a commercial whale watching business license ~~((,))~~ or a commercial whale watching operator license ~~((, or a kayak guide license))~~ as defined in this section.

(e) "Commercial whale watching operator" means a person who operates a motorized or sailing vessel engaged in the business of whale watching.

(f) "Commercial whale watching operator license" means a department-issued license to operate a commercial motorized or sailing vessel on behalf of a commercial whale watching business.

(g) "Commercial whale watching vessel" means any vessel that is being used as a means of transportation for individuals to engage in commercial whale watching.

(h) "~~((kayak))~~ Paddle guide" means a person who conducts guided ~~((kayak))~~ tours on behalf of a ~~((commercial whale watching))~~ paddle tour business.

(i) "~~((kayak))~~ Paddle guide license" means a department-issued license to conduct commercial guided ~~((kayak))~~ paddle tours on behalf of a ~~((commercial whale watching))~~ paddle tour business.

(j) "Paddle tour business" means a business that conducts paddle tours.

(k) "Paddle tour" means the act of guiding or offering to take people aboard nonmotorized or human-powered vessels, such as kayaks or paddle boards, on a trip, tour, or guided lesson that involves viewing marine mammals in their natural habitat for a fee.

(12) The residency and business requirements of RCW 77.65.040 (2) and (3) do not apply to Canadian individuals or

corporations applying for and holding Washington commercial whale watching licenses defined in this section.

(13) The license and application fees in this section ~~((are waived for calendar years 2021 and 2022))~~ may be waived for organizations whose relevant commercial whale watching or marine paddle tour activities are solely for bona fide nonprofit educational purposes.

Sec. 7. RCW 77.15.815 and 2019 c 291 s 4 are each amended to read as follows:

(1) This section applies only to persons and activities defined in RCW 77.65.615, including commercial whale watching and paddle tours.

(2) A person is guilty of unlawfully engaging in commercial whale watching in the second degree if the person conducts commercial whale watching activities and:

(a) Does not have and possess all licenses and permits required under this title; or

(b) Violates any department rule regarding ~~((the operation of a))~~ commercial whale watching ~~((vessel near a southern resident orca whale)).~~

~~((2))~~(3) A person is guilty of engaging in commercial whale watching in the first degree if the person commits the act described in subsection ~~((1))~~(2) of this section and the violation occurs within ~~((one year of the date of a prior conviction under this section))~~ five years of any of the following:

(a) The date of a prior conviction under this section;

(b) The date of a finding of guilt or plea of guilty pursuant to an amended information, criminal complaint or citation, or infraction for any violation that was originally charged as a violation of this section, regardless of whether the imposition of the sentence is deferred or the penalty is suspended; or

(c) The date of any disposition of a case arising from an act originally charged as a violation of this section, whereby the offender enters into a disposition that continues or defers the case for dismissal upon the successful completion of specific terms or conditions.

~~((3))~~(4) (a) Unlawful commercial whale watching in the second degree is a misdemeanor.

(b) Unlawful commercial whale watching in the first degree is a gross misdemeanor. ~~((Upon conviction))~~ In addition to the appropriate criminal penalties, the director shall ~~((deny applications submitted by the person for a commercial whale watching license or alternate operator license for two years from the date of conviction))~~ revoke any operator license, business license, or both, and order a suspension of the person's privilege to engage in commercial whale watching for two years.

(5) A person is guilty of unlawfully engaging in a paddle tour in the second degree if the person conducts paddle tour activities and:

(a) Does not have and possess all licenses and permits required under this title; or

(b) Violates any department rule regarding the operation of paddle tours in marine waters.

(6) A person is guilty of unlawfully engaging in a paddle tour in the first degree if the person commits an act described in subsection (5) of this section and the violation occurs within five years of the date of any of the following:

(a) The date of a prior conviction under this section;

(b) The date of a finding of guilt or plea of guilty pursuant to an amended information, criminal complaint or citation, or infraction for any violation that was originally charged as a violation of this section, regardless of whether the imposition of sentence is deferred or the penalty is suspended; or

(c) The date of any disposition of a case arising from an act originally charged as a violation of this section, whereby the offender enters into a disposition that continues or defers the case for dismissal upon the successful completion of specific terms and conditions.

(7) (a) Unlawful engagement in a paddle tour in the second degree is a misdemeanor.

(b) Unlawful engagement in a paddle tour in the first degree is a gross misdemeanor. In addition to appropriate criminal penalties, the director shall revoke any paddle guide license, business license, or both, and order a suspension of the person's privilege to conduct paddle tours in marine waters for two years."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 36.22 RCW to read as follows:

(1) A surcharge of \$183 per instrument shall be charged by the county auditor for each document recorded, which will be in addition to any other charge authorized by law. The following are exempt from this surcharge:

(a) Assignments or substitutions of previously recorded deeds of trust;

(b) Documents recording a birth, marriage, divorce, or death;

(c) Any recorded documents otherwise exempted from a recording fee or additional surcharges under state law;

(d) Marriage licenses issued by the county auditor; and

(e) Documents recording a federal, state, county, city, or water-sewer district, or wage lien or satisfaction of lien.

(2) Funds collected pursuant to this section must be distributed and used as follows:

(a) One percent of the total funds collected shall be retained by the county auditor for its fee collection activities;

(b) 30 percent of the total funds collected shall be retained by the county and used by the county as provided in subsection (3) of this section;

(c) 54.1 percent of the total funds collected shall be transmitted to the state treasurer to be deposited in the home security fund account created in RCW 43.185C.060 and shall be used by the department of commerce as provided in subsection (4) of this section;

(d) 13.1 percent of the total funds collected shall be transmitted to the state treasurer to be deposited in the affordable housing for all account created in RCW 43.185C.190 and shall be used by the department of commerce as provided in subsection (5) of this section;

(e) 1.8 percent of the total funds collected shall be transmitted to the state treasurer to be deposited in the landlord mitigation program account created in RCW 43.31.615 and shall be used by the department of commerce as provided in subsection (6) of this section.

(3) The county shall use their portion of the collected funds as follows:

(a) Up to 10 percent for the county's administration and local distribution of the funds collected from the surcharge in this section, and administrative costs related to the county's homeless housing plan;

(b) At least 75 percent will be retained and used by the county to accomplish the purposes of its local homeless housing plan pursuant to chapter 484, Laws of 2005. For each city in the county that elects as authorized in RCW 43.185C.080 to operate its own local homeless housing program, a percentage of the surcharge assessed under this subsection equal to the percentage of the city's local portion of the real estate excise tax collected by the county shall be transmitted at least quarterly to the city treasurer, without any deduction for county administrative costs, for use by the city for program costs which directly contribute to the goals of the city's local homeless housing plan; of the funds received by the city, it may use up to 10 percent for administrative costs for its homeless housing program;

(c) At least 15 percent will be retained and used by the county for eligible housing activities, as described in this subsection, that serve extremely low and very low-income households in the county and the cities within a county according to an interlocal agreement between the county and the cities within the county consistent with countywide and local housing needs and policies. A priority must be given to eligible housing activities that serve extremely low-income households with incomes at or below 30 percent of the area median income. Eligible housing activities to be funded are limited to:

(i) Acquisition, construction, or rehabilitation of housing projects or units within housing projects that are affordable to very low-income households with incomes at or below 50 percent of the area median income, including units for homeownership, rental units, seasonal and permanent farmworker housing units, units reserved for victims of human trafficking and their families, and single room occupancy units;

(ii) Supporting building operation and maintenance costs of housing projects or units within housing projects eligible to receive housing trust funds, that are affordable to very low-income households with incomes at or below 50 percent of the area median income, and that require a supplement to rent income to cover ongoing operating expenses;

(iii) Rental assistance vouchers for housing units that are affordable to very low-income households with incomes at or below 50 percent of the area median income, including rental housing vouchers for victims of human trafficking and their families, to be administered by a local public housing authority or other local organization that has an existing rental assistance voucher program, consistent with or similar to the United States department of housing and urban development's section 8 rental assistance voucher program standards; and

(iv) Operating costs for emergency shelters and licensed overnight youth shelters.

(4) The department of commerce shall use the funds from the document recording fee or other fund sources deposited in the home security fund account as follows, except that the department of commerce shall provide counties with the right of first refusal to receive grant funds distributed under (b) of this subsection (4). If a county refuses the funds or does not respond within a time frame established by the department, the department shall make good faith efforts to identify one or more suitable alternative grantees operating within that county. The alternative grantee shall distribute the funds in a manner that is in compliance with this chapter. Funding provided through the office of homeless youth prevention and protection programs created in RCW 43.330.705 is exempt from the county first refusal requirement.

(a) Up to 10 percent for administration of the programs established in chapter 43.185C RCW and in conformance with this subsection (4), including the costs of creating and implementing strategic plans,

collecting and evaluating data, measuring and reporting performance, providing technical assistance to local governments, providing training to entities delivering services, and developing and maintaining stakeholder relationships;

(b) At least 90 percent for homelessness assistance grant programs administered by the department, including but not limited to: Temporary rental assistance; eviction prevention rental assistance per RCW 43.185C.185; emergency shelter and transitional housing operations and maintenance; outreach; diversion; HOPE and crisis residential centers; young adult housing; homeless services and case management for adult, family, youth, and young adult homeless populations and those at risk of homelessness; project-based vouchers for nonprofit housing providers or public housing authorities; tenant-based rent assistance; housing services; rapid rehousing; emergency housing; acquisition; operations; maintenance; and service costs for permanent supportive housing as defined in RCW 36.70A.030 for individuals with disabilities. Grantees may also use these funds in partnership with permanent supportive housing programs administered by the office of apple health and homes created in RCW 43.330.181. Priority for use must be given to purposes intended to house persons who are chronically homeless or to maintain housing for individuals with disabilities and prior experiences of homelessness, including families with children.

(5) The department of commerce shall use the funds from the document recording fee or other fund sources deposited in the affordable housing for all account as follows:

(a) Up to 10 percent for program administration and technical assistance necessary for the delivery programs and activities under this subsection (5);

(b) At least 90 percent for the following:

(i) Grants for building operation and maintenance costs of housing projects, or units within housing projects, that are in the state's housing trust fund portfolio, are affordable to extremely low-income households with incomes at or below 30 percent of the area median income, and require a supplement to rent income to cover ongoing operating expenses;

(ii) Grants to support the building operations, maintenance, and supportive service costs for permanent supportive housing projects, or units within housing projects, that have received or will receive funding from the housing trust fund or other public capital funding programs. The supported projects or units must be dedicated as permanent supportive housing as defined in RCW 36.70A.030, be occupied by extremely low-income households with incomes at or below 30 percent of the area median income, and require a supplement to rent income to cover ongoing property operations, maintenance, and supportive services expenses.

(6) The department of commerce shall use the funds from the document recording fee or other fund sources deposited in the landlord mitigation program account to administer the

landlord mitigation program as established in RCW 43.31.605. The department of commerce may use up to 10 percent of these funds for program administration and the development and maintenance of a database necessary to administer the program.

Sec. 2. RCW 43.185C.010 and 2019 c 124 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Administrator" means the individual who has the daily administrative responsibility of a crisis residential center.

(2) "Child in need of services petition" means a petition filed in juvenile court by a parent, child, or the department of children, youth, and families seeking adjudication of placement of the child.

(3) "Community action agency" means a nonprofit private or public organization established under the economic opportunity act of 1964.

(4) "Crisis residential center" means a secure or semi-secure facility established pursuant to chapter 74.13 RCW.

(5) "Department" means the department of commerce.

(6) "Director" means the director of the department of commerce.

(7) "Home security fund account" means the state treasury account receiving (~~the state's portion of~~) income from revenue (~~from the sources established by RCW 36.22.179 and 36.22.1791~~) under section 1(2)(c) of this act, and all other sources directed to the homeless housing and assistance program.

(8) "Homeless housing grant program" means the vehicle by which competitive grants are awarded by the department, utilizing moneys from the home security fund account, to local governments for programs directly related to housing homeless individuals and families, addressing the root causes of homelessness, preventing homelessness, collecting data on homeless individuals, and other efforts directly related to housing homeless persons.

(9) "Homeless housing plan" means the five-year plan developed by the county or other local government to address housing for homeless persons.

(10) "Homeless housing program" means the program authorized under this chapter as administered by the department at the state level and by the local government or its designated subcontractor at the local level.

(11) "Homeless housing strategic plan" means the five-year plan developed by the department, in consultation with the interagency council on homelessness, the affordable housing advisory board, and the state advisory council on homelessness.

(12) "Homeless person" means an individual living outside or in a building not meant for human habitation or which they have no legal right to occupy, in an emergency shelter, or in a temporary housing program which may include a transitional and supportive housing program if habitation time limits exist. This definition includes

substance abusers, people with mental illness, and sex offenders who are homeless.

(13) "HOPE center" means an agency licensed by the secretary of the department of children, youth, and families to provide temporary residential placement and other services to street youth. A street youth may remain in a HOPE center for thirty days while services are arranged and permanent placement is coordinated. No street youth may stay longer than thirty days unless approved by the department and any additional days approved by the department must be based on the unavailability of a long-term placement option. A street youth whose parent wants him or her returned to home may remain in a HOPE center until his or her parent arranges return of the youth, not longer. All other street youth must have court approval under chapter 13.34 or 13.32A RCW to remain in a HOPE center up to thirty days.

(14) "Housing authority" means any of the public corporations created by chapter 35.82 RCW.

(15) "Housing continuum" means the progression of individuals along a housing-focused continuum with homelessness at one end and homeownership at the other.

(16) "Interagency council on homelessness" means a committee appointed by the governor and consisting of, at least, policy level representatives of the following entities: (a) The department of commerce; (b) the department of corrections; (c) the department of children, youth, and families; (d) the department of veterans affairs; and (e) the department of health.

(17) "Local government" means a county government in the state of Washington or a city government, if the legislative authority of the city affirmatively elects to accept the responsibility for housing homeless persons within its borders.

(18) "Local homeless housing task force" means a voluntary local committee created to advise a local government on the creation of a local homeless housing plan and participate in a local homeless housing program. It must include a representative of the county, a representative of the largest city located within the county, at least one homeless or formerly homeless person, such other members as may be required to maintain eligibility for federal funding related to housing programs and services and if feasible, a representative of a private nonprofit organization with experience in low-income housing.

(19) "Long-term private or public housing" means subsidized and unsubsidized rental or owner-occupied housing in which there is no established time limit for habitation of less than two years.

(20) "Performance measurement" means the process of comparing specific measures of success against ultimate and interim goals.

(21) "Secure facility" means a crisis residential center, or portion thereof, that has locking doors, locking windows, or a secured perimeter, designed and operated to prevent a child from leaving without permission of the facility staff.

(22) "Semi-secure facility" means any facility including, but not limited to, crisis residential centers or specialized

foster family homes, operated in a manner to reasonably assure that youth placed there will not run away. Pursuant to rules established by the facility administrator, the facility administrator shall establish reasonable hours for residents to come and go from the facility such that no residents are free to come and go at all hours of the day and night. To prevent residents from taking unreasonable actions, the facility administrator, where appropriate, may condition a resident's leaving the facility upon the resident being accompanied by the administrator or the administrator's designee and the resident may be required to notify the administrator or the administrator's designee of any intent to leave, his or her intended destination, and the probable time of his or her return to the center.

(23) "Staff secure facility" means a structured group care facility licensed under rules adopted by the department of children, youth, and families with a ratio of at least one adult staff member to every two children.

(24) "Street outreach services" means a program that provides services and resources either directly or through referral to street youth and unaccompanied young adults as defined in RCW 43.330.702. Services including crisis intervention, emergency supplies, case management, and referrals may be provided through community-based outreach or drop-in centers.

(25) "Washington homeless census" means an annual statewide census conducted as a collaborative effort by towns, cities, counties, community-based organizations, and state agencies, with the technical support and coordination of the department, to count and collect data on all homeless individuals in Washington.

(26) "Washington homeless client management information system" means a database of information about homeless individuals in the state used to coordinate resources to assist homeless clients to obtain and retain housing and reach greater levels of self-sufficiency or economic independence when appropriate, depending upon their individual situations.

Sec. 3. RCW 43.185C.045 and 2021 c 214 s 3 are each amended to read as follows:

(1) By December 1st of each year, the department must provide an update on the state's homeless housing strategic plan and its activities for the prior fiscal year. The report must include, but not be limited to, the following information:

(a) An assessment of the current condition of homelessness in Washington state and the state's performance in meeting the goals in the state homeless housing strategic plan;

(b) A report on the results of the annual homeless point-in-time census conducted statewide under RCW 43.185C.030;

(c) The amount of federal, state, local, and private funds spent on homelessness assistance, categorized by funding source and the following major assistance types:

(i) Emergency shelter;

(ii) Homelessness prevention and rapid rehousing;

(iii) Permanent housing;

(iv) Permanent supportive housing;

(v) Transitional housing;

(vi) Services only; and

(vii) Any other activity in which more than five hundred thousand dollars of category funds were expended;

(d) A report on the expenditures, performance, and outcomes of state funds distributed through the consolidated homeless grant program, including the grant recipient, award amount expended, use of the funds, counties served, and households served;

(e) A report on state and local homelessness document recording fee expenditure by county, including the total amount of fee spending, percentage of total spending from fees, and number of people served by major assistance type, ~~(, and amount of expenditures for private rental housing payments required in RCW 36.22.179))~~;

(f) A report on the expenditures, performance, and outcomes of the essential needs and housing support program meeting the requirements of RCW 43.185C.220;

(g) A report on the expenditures, performance, and outcomes of the independent youth housing program meeting the requirements of RCW 43.63A.311;

(h) A county-level report on the expenditures, performance, and outcomes of the eviction prevention rental assistance program under RCW 43.185C.185. The report must include, but is not limited to:

(i) The number of adults without minor children served in each county;

(ii) The number of households with adults and minor children served in each county; and

(iii) The number of unaccompanied youth and young adults who are being served in each county; and

(i) A county-level report on the expenditures, performance, and outcomes of the rapid rehousing, project-based vouchers, and housing acquisition programs under ~~((RCW 36.22.176))~~ section 1 of this act. The report must include, but is not limited to:

(i) The number of persons who are unsheltered receiving shelter through a project-based voucher in each county;

(ii) The number of units acquired or built via rapid rehousing and housing acquisition in each county; and

(iii) The number of adults without minor children, households with adults and minor children, unaccompanied youth, and young adults who are being served by the programs under ~~((RCW 36.22.176))~~ section 1 of this act in each county.

(2) The report required in subsection (1) of this section must be posted to the department's website and may include links to updated or revised information contained in the report.

(3) Any local government receiving state funds for homelessness assistance or state or local homelessness document recording fees under ~~((RCW 36.22.178, 36.22.179, or 36.22.1791))~~ section 1 of this act must provide an annual report on the current condition of homelessness in its

jurisdiction, its performance in meeting the goals in its local homeless housing plan, and any significant changes made to the plan. The annual report must be posted on the department's website. Along with each local government annual report, the department must produce and post information on the local government's homelessness spending from all sources by project during the prior state fiscal year in a format similar to the department's report under subsection (1)(c) of this section. If a local government fails to report or provides an inadequate or incomplete report, the department must take corrective action, which may include withholding state funding for homelessness assistance to the local government to enable the department to use such funds to contract with other public or nonprofit entities to provide homelessness assistance within the jurisdiction.

Sec. 4. RCW 43.185C.060 and 2021 c 334 s 980 and 2021 c 214 s 4 are each reenacted and amended to read as follows:

(1) The home security fund account is created in the state treasury, subject to appropriation. ~~((The state's portion of the surcharge established in RCW 36.22.179 and 36.22.1791 and 36.22.176 must be deposited in the account.))~~ Expenditures from the account may be used only for ~~((homeless housing))~~ programs as described in this chapter ~~((, including the eviction prevention rental assistance program established in RCW 43.185C.185))~~.

(2)(a) By December 15, 2021, the department, in consultation with stakeholder groups specified in RCW 43.185C.185(2)(c), must create a set of performance metrics for each county receiving funding under ~~((RCW 36.22.176))~~ section 1(4)(b) of this act. The metrics must target actions within a county's control that will prevent and reduce homelessness, such as increasing the number of permanent supportive housing units and increasing or maintaining an adequate number of noncongregate shelter beds.

(b)(i) Beginning July 1, 2023, and by July 1st every two years thereafter, the department must award funds ~~((for project-based vouchers for nonprofit housing providers and related services, rapid rehousing, and housing acquisition under RCW 36.22.176))~~ under section 1(4)(b) of this act to eligible grantees in a manner that ~~((15))~~ 15 percent of funding is distributed as a performance-based allocation based on performance metrics created under (a) of this subsection, in addition to any base allocation of funding for the county.

(ii) Any county that demonstrates that it has met or exceeded the majority of the target actions to prevent and reduce homelessness over the previous two years must receive the remaining 15 percent performance-based allocation. Any county that fails to meet or exceed the majority of target actions to prevent and reduce homelessness must enter into a corrective action plan with the department. To receive its performance-based allocation, a county must agree to undertake the corrective actions outlined in the corrective action plan and any reporting and monitoring deemed

necessary by the department. Any county that fails to meet or exceed the majority of targets for two consecutive years after entering into a corrective action plan may be subject to a reduction in the performance-based portion of the funds received in (b)(i) of this subsection, at the discretion of the department in consultation with stakeholder groups specified in RCW 43.185C.185(2)(c). Performance-based allocations unspent due to lack of compliance with a corrective action plan created under this subsection (2)(b) may be distributed to other counties that have met or exceeded their target actions.

(3) The department must distinguish allotments from the account made to carry out the activities in RCW 43.330.167, 43.330.700 through 43.330.715, 43.330.911, 43.185C.010, and 43.185C.250 through 43.185C.320(, and 36.22.179(1)(b)).

~~(4) ((The office of financial management must secure an independent expenditure review of state funds received under RCW 36.22.179(1)(b) on a biennial basis. The purpose of the review is to assess the consistency in achieving policy priorities within the private market rental housing segment for housing persons experiencing homelessness. The independent reviewer must notify the department and the office of financial management of its findings. The first biennial expenditure review, for the 2017-2019 fiscal biennium, is due February 1, 2020. Independent reviews conducted thereafter are due February 1st of each even-numbered year.~~

~~(5))~~ During the 2019-2021 and 2021-2023 fiscal biennia, expenditures from the account may also be used for shelter capacity grants.

Sec. 5. RCW 43.185C.070 and 2005 c 484 s 11 are each amended to read as follows:

(1) During each calendar year in which moneys from the ~~((homeless housing))~~ home security fund account are available for use by the department for the homeless housing grant program, the department shall announce to all Washington counties, participating cities, and through major media throughout the state, a grant application period of at least ninety days' duration. This announcement will be made as often as the director deems appropriate for proper utilization of resources. The department shall then promptly grant as many applications as will utilize available funds, less appropriate administrative costs of the department as described in ~~((RCW 36.22.179))~~ section 1(4)(a) of this act.

(2) The department will develop, with advice and input from the affordable housing advisory board established in RCW 43.185B.020, criteria to evaluate grant applications.

(3) The department may approve applications only if they are consistent with the local and state homeless housing program strategic plans. The department may give preference to applications based on some or all of the following criteria:

(a) The total homeless population in the applicant local government service area, as

reported by the most recent annual Washington homeless census;

(b) Current local expenditures to provide housing for the homeless and to address the underlying causes of homelessness as described in RCW 43.185C.005;

(c) Local government and private contributions pledged to the program in the form of matching funds, property, infrastructure improvements, and other contributions; and the degree of leveraging of other funds from local government or private sources for the program for which funds are being requested, to include recipient contributions to total project costs, including allied contributions from other sources such as professional, craft and trade services, and lender interest rate subsidies;

(d) Construction projects or rehabilitation that will serve homeless individuals or families for a period of at least twenty-five years;

(e) Projects which demonstrate serving homeless populations with the greatest needs, including projects that serve special needs populations;

(f) The degree to which the applicant project represents a collaboration between local governments, nonprofit community-based organizations, local and state agencies, and the private sector, especially through its integration with the coordinated and comprehensive plan for homeless families with children required under RCW 43.63A.650;

(g) The cooperation of the local government in the annual Washington homeless census project;

(h) The commitment of the local government and any subcontracting local governments, nonprofit organizations, and for-profit entities to employ a diverse workforce;

(i) The extent, if any, that the local homeless population is disproportionate to the revenues collected under this chapter and ~~((RCW 36.22.178 and 36.22.179))~~ section 1 of this act; and

(j) Other elements shown by the applicant to be directly related to the goal and the department's state strategic plan.

Sec. 6. RCW 43.185C.080 and 2005 c 484 s 12 are each amended to read as follows:

(1) Only a local government is eligible to receive a homeless housing grant from the ~~((homeless housing))~~ home security fund account. Any city may assert responsibility for homeless housing within its borders if it so chooses, by forwarding a resolution to the legislative authority of the county stating its intention and its commitment to operate a separate homeless housing program. The city shall then receive a percentage of the surcharge assessed under ~~((RCW 36.22.179))~~ section 1(2)(b) of this act equal to the percentage of the city's local portion of the real estate excise tax collected by the county. A participating city may also then apply separately for homeless housing program grants. A city choosing to operate a separate homeless housing program shall be responsible for complying with all of the same requirements as counties and shall adopt a local homeless

housing plan meeting the requirements of this chapter for county local plans. However, the city may by resolution of its legislative authority accept the county's homeless housing task force as its own and based on that task force's recommendations adopt a homeless housing plan specific to the city.

(2) Local governments applying for homeless housing funds may subcontract with any other local government, housing authority, community action agency or other nonprofit organization for the execution of programs contributing to the overall goal of ending homelessness within a defined service area. All subcontracts shall be consistent with the local homeless housing plan adopted by the legislative authority of the local government, time limited, and filed with the department and shall have specific performance terms. While a local government has the authority to subcontract with other entities, the local government continues to maintain the ultimate responsibility for the homeless housing program within its borders.

(3) A county may decline to participate in the program authorized in this chapter by forwarding to the department a resolution adopted by the county legislative authority stating the intention not to participate. A copy of the resolution shall also be transmitted to the county auditor and treasurer. If such a resolution is adopted, all of the funds otherwise due to the county under RCW 43.185C.060 shall be remitted monthly to the state treasurer for deposit in the ~~((homeless housing))~~ home security fund account, without any reduction by the county for collecting or administering the funds. Upon receipt of the resolution, the department shall promptly begin to identify and contract with one or more entities eligible under this section to create and execute a local homeless housing plan for the county meeting the requirements of this chapter. The department shall expend all of the funds received from the county under this subsection to carry out the purposes of chapter 484, Laws of 2005 in the county, provided that the department may retain six percent of these funds to offset the cost of managing the county's program.

(4) A resolution by the county declining to participate in the program shall have no effect on the ability of each city in the county to assert its right to manage its own program under this chapter, and the county shall monthly transmit to the city the funds due under this chapter.

Sec. 7. RCW 43.185C.185 and 2021 c 214 s 2 are each amended to read as follows:

(1) The eviction prevention rental assistance program is created in the department to prevent evictions by providing resources to households most likely to become homeless or suffer severe health consequences, or both, after an eviction, while promoting equity by prioritizing households, including communities of color, disproportionately impacted by public health emergencies and by homelessness and housing instability. The department must provide grants to eligible organizations, as described in RCW 43.185.060, to provide

assistance to program participants. The eligible organizations must use grant moneys for:

(a) Rental assistance, including rental arrears and future rent if needed to stabilize the applicant's housing and prevent their eviction;

(b) Utility assistance for households if needed to prevent an eviction; and

(c) Administrative costs of the eligible organization, which must not exceed limits prescribed by the department.

(2) Households eligible to receive assistance through the eviction prevention rental assistance program are those:

(a) With incomes at or below 80 percent of the county area median income;

(b) Who are families with children, living in doubled up situations, young adults, senior citizens, and others at risk of homelessness or significant physical or behavioral health complications from homelessness; and

(c) That meet any other eligibility requirements as established by the department after consultation with stakeholder groups, including persons at risk of homelessness due to unpaid rent, representatives of communities of color, homeless service providers, landlord representatives, local governments that administer homelessness assistance, a statewide association representing cities, a statewide association representing counties, a representative of homeless youth and young adults, and affordable housing advocates.

(3) A landlord may assist an eligible household in applying for assistance through the eviction prevention rental assistance program or may apply for assistance on an eligible household's behalf.

(4)(a) Eligible grantees must actively work with organizations rooted in communities of color to assist and serve marginalized populations within their communities.

(b) At least 10 percent of the grant total must be subgranted to organizations that serve and are substantially governed by marginalized populations to pay the costs associated with program outreach, assistance completing applications for assistance, rent assistance payments, activities that directly support the goal of improving access to rent assistance for people of color, and related costs. Upon request by an eligible grantee or the county or city in which it exists, the department must provide a list of organizations that serve and are substantially governed by marginalized populations, if known.

(c) An eligible grantee may request an exemption from the department from the requirements under (b) of this subsection. The department must consult with the stakeholder group established under subsection (2)(c) of this section before granting an exemption. An eligible grantee may request an exemption only if the eligible grantee:

(i) Is unable to subgrant with an organization that serves and is substantially governed by marginalized populations; or

(ii) Provides the department with a plan to spend 10 percent of the grant total in a

manner that the department determines will improve racial equity for historically underserved communities more effectively than a subgrant.

(5) The department must ensure equity by developing performance measures and benchmarks that promote both equitable program access and equitable program outcomes. Performance measures and benchmarks must be developed by the department in consultation with stakeholder groups, including persons at risk of homelessness due to unpaid rent, representatives of communities of color, homeless service providers, landlord representatives, local governments that administer homelessness assistance, a statewide association representing cities, a statewide association representing counties, a representative of homeless youth and young adults, and affordable housing advocates. Performance measures and benchmarks must also ensure that the race and ethnicity of households served under the program are proportional to the numbers of people at risk of homelessness in each county for each of the following groups:

- (a) Black or African American;
- (b) American Indian and Alaska Native;
- (c) Native Hawaiian or other Pacific Islander;
- (d) Hispanic or Latinx;
- (e) Asian;
- (f) Other multiracial.

(6) The department may develop additional rules, requirements, procedures, and guidelines as necessary to implement and operate the eviction prevention rental assistance program.

(7)(a) The department must award funds under this section to eligible grantees in a manner that is proportional to the amount of revenue collected under ~~((RCW 36.22.176))~~ section 1 of this act from the county being served by the grantee.

(b) The department must provide counties with the right of first refusal to receive grant funds distributed under this subsection. If a county refuses the funds or does not respond within a time frame established by the department, the department must identify an alternative grantee. The alternative grantee must distribute the funds in a manner that is in compliance with this chapter.

Sec. 8. RCW 43.185C.190 and 2021 c 334 s 981 and 2021 c 214 s 5 are each reenacted and amended to read as follows:

The affordable housing for all account is created in the state treasury, subject to appropriation. ~~((The state's portion of the surcharges established in RCW 36.22.178 and 36.22.176 shall be deposited in the account.))~~ Expenditures from the account may only be used for ~~((affordable housing programs, including operations, maintenance, and services as described in RCW 36.22.176(1)(a))~~ allowable uses as described in section 1(5) of this act. During the 2021-2023 fiscal biennium, expenditures from the account may be used for operations, maintenance, and services for permanent supportive housing as defined in RCW 36.70A.030. It is the intent of the

legislature to continue this policy in future biennia.

Sec. 9. RCW 36.18.010 and 2022 c 141 s 2 are each amended to read as follows:

Except as otherwise ordered by the court pursuant to RCW 4.24.130, county auditors or recording officers shall collect the following fees for their official services:

(1) For recording instruments, for the first page eight and one-half by ~~((fourteen))~~ 14 inches or less, five dollars; for each additional page eight and one-half by ~~((fourteen))~~ 14 inches or less, one dollar. The fee for recording multiple transactions contained in one instrument will be calculated for each transaction requiring separate indexing as required under RCW 65.04.050 as follows: The fee for each title or transaction is the same fee as the first page of any additional recorded document; the fee for additional pages is the same fee as for any additional pages for any recorded document; the fee for the additional pages may be collected only once and may not be collected for each title or transaction;

(2) For preparing and certifying copies, for the first page eight and one-half by ~~((fourteen))~~ 14 inches or less, three dollars; for each additional page eight and one-half by ~~((fourteen))~~ 14 inches or less, one dollar;

(3) For preparing noncertified copies, for each page eight and one-half by ~~((fourteen))~~ 14 inches or less, one dollar;

(4) For administering an oath or taking an affidavit, with or without seal, two dollars;

(5) For issuing a marriage license, eight dollars, (this fee includes taking necessary affidavits, filing returns, indexing, and transmittal of a record of the marriage to the state registrar of vital statistics) plus an additional five dollar fee for use and support of the prevention of child abuse and neglect activities to be transmitted monthly to the state treasurer and deposited in the state general fund plus an additional ten dollar fee to be transmitted monthly to the state treasurer and deposited in the state general fund. The legislature intends to appropriate an amount at least equal to the revenue generated by this fee for the purposes of the displaced homemaker act, chapter 28B.04 RCW;

(6) For searching records per hour, eight dollars;

(7) For recording plats, fifty cents for each lot except cemetery plats for which the charge shall be twenty-five cents per lot; also one dollar for each acknowledgment, dedication, and description: PROVIDED, That there shall be a minimum fee of twenty-five dollars per plat;

(8) For recording of miscellaneous records not listed above, for the first page eight and one-half by ~~((fourteen))~~ 14 inches or less, five dollars; for each additional page eight and one-half by ~~((fourteen))~~ 14 inches or less, one dollar;

(9) For modernization and improvement of the recording and indexing system, a surcharge as provided in RCW 36.22.170;

(10) For recording an emergency nonstandard document as provided in RCW 65.04.047, ~~((fifty dollars))~~ \$50, in addition to all other applicable recording fees;

(11) For recording instruments, a three dollar surcharge to be deposited into the Washington state library operations account created in RCW 43.07.129;

(12) For recording instruments, a two dollar surcharge to be deposited into the Washington state library-archives building account created in RCW 43.07.410 until the financing contract entered into by the secretary of state for the Washington state library-archives building is paid in full;

~~(13) ((For recording instruments, a surcharge as provided in RCW 36.22.178; and~~

~~(14)) For recording instruments, ((except for documents recording a birth, marriage, divorce, or death or any documents otherwise exempted from a recording fee under state law, a) the surcharge as provided in ((RCW 36.22.179)) section 1 of this act.~~

American society of home inspectors certified inspector; a private inspector certified by the national association of housing and redevelopment officials, the American association of code enforcement, or other comparable professional association as approved by the local municipality; a municipal code enforcement officer; a Washington licensed structural engineer; or a Washington licensed architect.

(27) "Reasonable attorneys' fees," where authorized in this chapter, means an amount to be determined including the following factors: The time and labor required, the novelty and difficulty of the questions involved, the skill requisite to perform the legal service properly, the fee customarily charged in the locality for similar legal services, the amount involved and the results obtained, and the experience, reputation and ability of the lawyer or lawyers performing the services.

(28) "Reasonable manner," with respect to disposing of a deceased tenant's personal property, means to dispose of the property by donation to a not-for-profit charitable organization, by removal of the property by a trash hauler or recycler, or by any other method that is reasonable under the circumstances.

(29) "Rent" or "rental amount" means recurring and periodic charges identified in the rental agreement for the use and occupancy of the premises, which may include charges for utilities. Except as provided in RCW 59.18.283(3), these terms do not include nonrecurring charges for costs incurred due to late payment, damages, deposits, legal costs, or other fees, including attorneys' fees.

(30) "Rental agreement" or "lease" means all agreements which establish or modify the terms, conditions, rules, regulations, or any other provisions concerning the use and occupancy of a dwelling unit.

(31) "Service member" means an active member of the United States armed forces, a member of a military reserve component, or a member of the national guard who is either stationed in or a resident of Washington state.

(32) A "single-family residence" is a structure maintained and used as a single dwelling unit. Notwithstanding that a dwelling unit shares one or more walls with another dwelling unit, it shall be deemed a single-family residence if it has direct access to a street and shares neither heating facilities nor hot water equipment, nor any other essential facility or service, with any other dwelling unit.

(33) "Subsidized housing" refers to rental housing for very low-income or low-income households that is a dwelling unit operated directly by a public housing authority or its affiliate, or that is insured, financed, or assisted in whole or in part through one of the following sources:

(a) A federal program or state housing program administered by the department of commerce or the Washington state housing finance commission;

(b) A federal housing program administered by a city or county government;

(c) An affordable housing levy authorized under RCW 84.52.105; or

(d) The surcharges authorized in (~~RCW 36.22.178 and 36.22.179~~) section 1 of this act and any of the surcharges authorized in chapter 43.185C RCW.

(34) A "tenant" is any person who is entitled to occupy a dwelling unit primarily for living or dwelling purposes under a rental agreement.

(35) "Tenant representative" means:

(a) A personal representative of a deceased tenant's estate if known to the landlord;

(b) If the landlord has no knowledge that a personal representative has been appointed for the deceased tenant's estate, a person claiming to be a successor of the deceased tenant who has provided the landlord with proof of death and an affidavit made by the person that meets the requirements of RCW 11.62.010(2);

(c) In the absence of a personal representative under (a) of this subsection or a person claiming to be a successor under (b) of this subsection, a designated person; or

(d) In the absence of a personal representative under (a) of this subsection, a person claiming to be a successor under (b) of this subsection, or a designated person under (c) of this subsection, any person who provides the landlord with reasonable evidence that he or she is a successor of the deceased tenant as defined in RCW 11.62.005. The landlord has no obligation to identify all of the deceased tenant's successors.

(36) "Tenant screening" means using a consumer report or other information about a prospective tenant in deciding whether to make or accept an offer for residential rental property to or from a prospective tenant.

(37) "Tenant screening report" means a consumer report as defined in RCW 19.182.010 and any other information collected by a tenant screening service.

(38) "Transitional housing" means housing units owned, operated, or managed by a nonprofit organization or governmental entity in which supportive services are provided to individuals and families that were formerly homeless, with the intent to stabilize them and move them to permanent housing within a period of not more than twenty-four months, or longer if the program is limited to tenants within a specified age range or the program is intended for tenants in need of time to complete and transition from educational or training or service programs.

Sec. 11. RCW 84.36.560 and 2020 c 273 s 1 are each amended to read as follows:

(1) The real and personal property owned or used by a nonprofit entity in providing rental housing for qualifying households or used to provide space for the placement of a mobile home for a qualifying household within a mobile home park is exempt from taxation if:

(a) The benefit of the exemption inures to the nonprofit entity;

(b) At least seventy-five percent of the occupied dwelling units in the rental housing or lots in a mobile home park are occupied by a qualifying household; and

(c) The rental housing or lots in a mobile home park were insured, financed, or assisted in whole or in part through one or more of the following sources:

(i) A federal or state housing program administered by the department of commerce;

(ii) A federal housing program administered by a city or county government;

(iii) An affordable housing levy authorized under RCW 84.52.105;

(iv) The surcharges authorized by (~~RCW 36.22.178 and 36.22.179~~) section 1 of this act and any of the surcharges authorized in chapter 43.185C RCW; or

(v) The Washington state housing finance commission, provided that the financing is for a mobile home park cooperative or a manufactured housing cooperative, as defined in RCW 59.20.030, or a nonprofit entity.

(2) If less than seventy-five percent of the occupied dwelling units within the rental housing or lots in the mobile home park are occupied by qualifying households, the rental housing or mobile home park is eligible for a partial exemption on the real property and a total exemption of the housing's or park's personal property as follows:

(a) A partial exemption is allowed for each dwelling unit in the rental housing or for each lot in a mobile home park occupied by a qualifying household.

(b) The amount of exemption must be calculated by multiplying the assessed value of the property reasonably necessary to provide the rental housing or to operate the mobile home park by a fraction. The numerator of the fraction is the number of dwelling units or lots occupied by qualifying households as of December 31st of the first assessment year in which the rental housing or mobile home park becomes operational or on January 1st of each subsequent assessment year for which the exemption is claimed. The denominator of the fraction is the total number of dwelling units or lots occupied as of December 31st of the first assessment year the rental housing or mobile home park becomes operational and January 1st of each subsequent assessment year for which exemption is claimed.

(3) If a currently exempt rental housing unit or mobile home lot in a mobile home park was occupied by a qualifying household at the time the exemption was granted and the income of the household subsequently rises above the threshold set in subsection (7)(e) of this section but remains at or below eighty percent of the median income, the exemption will continue as long as the housing continues to meet the certification requirements listed in subsection (1) of this section. For purposes of this section, median income, as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located, shall be adjusted for family size. However, if a dwelling unit or a lot becomes vacant and is subsequently re-rented, the income of the new household must be at or

below the threshold set in subsection (7)(e) of this section to remain exempt from property tax.

(4) If at the time of initial application the property is unoccupied, or subsequent to the initial application the property is unoccupied because of renovations, and the property is not currently being used for the exempt purpose authorized by this section but will be used for the exempt purpose within two assessment years, the property shall be eligible for a property tax exemption for the assessment year in which the claim for exemption is submitted under the following conditions:

(a) A commitment for financing to acquire, construct, renovate, or otherwise convert the property to provide housing for qualifying households has been obtained, in whole or in part, by the nonprofit entity claiming the exemption from one or more of the sources listed in subsection (1)(c) of this section;

(b) The nonprofit entity has manifested its intent in writing to construct, remodel, or otherwise convert the property to housing for qualifying households; and

(c) Only the portion of property that will be used to provide housing or lots for qualifying households shall be exempt under this section.

(5) To be exempt under this section, the property must be used exclusively for the purposes for which the exemption is granted, except as provided in RCW 84.36.805.

(6) The nonprofit entity qualifying for a property tax exemption under this section may agree to make payments to the city, county, or other political subdivision for improvements, services, and facilities furnished by the city, county, or political subdivision for the benefit of the rental housing. However, these payments shall not exceed the amount last levied as the annual tax of the city, county, or political subdivision upon the property prior to exemption.

(7) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Group home" means a single-family dwelling financed, in whole or in part, by one or more of the sources listed in subsection (1)(c) of this section. The residents of a group home shall not be considered to jointly constitute a household, but each resident shall be considered to be a separate household occupying a separate dwelling unit. The individual incomes of the residents shall not be aggregated for purposes of this exemption;

(b) "Mobile home lot" or "mobile home park" means the same as these terms are defined in RCW 59.20.030;

(c) "Occupied dwelling unit" means a living unit that is occupied by an individual or household as of December 31st of the first assessment year the rental housing becomes operational or is occupied by an individual or household on January 1st of each subsequent assessment year in which the claim for exemption is submitted. If the housing facility is comprised of three or fewer dwelling units and there are any unoccupied units on January 1st, the

department shall base the amount of the exemption upon the number of occupied dwelling units as of December 31st of the first assessment year the rental housing becomes operational and on May 1st of each subsequent assessment year in which the claim for exemption is submitted;

(d) "Rental housing" means a residential housing facility or group home that is occupied but not owned by qualifying households;

(e)(i) "Qualifying household" means a single person, family, or unrelated persons living together whose income is at or below fifty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located and in effect as of January 1st of the year the application for exemption is submitted;

(ii) Beginning July 1, 2021, "qualifying household" means a single person, family, or unrelated persons living together whose income is at or below sixty percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the rental housing or mobile home park is located and in effect as of January 1st of the year the application for exemption is submitted; and

(f) "Nonprofit entity" means a:

(i) Nonprofit as defined in RCW 84.36.800 that is exempt from income tax under section 501(c) of the federal internal revenue code;

(ii) Limited partnership where a nonprofit as defined in RCW 84.36.800 that is exempt from income tax under section 501(c) of the federal internal revenue code, a public corporation established under RCW 35.21.660, 35.21.670, or 35.21.730, a housing authority created under RCW 35.82.030 or 35.82.300, or a housing authority meeting the definition in RCW 35.82.210(2)(a) is a general partner;

(iii) Limited liability company where a nonprofit as defined in RCW 84.36.800 that is exempt from income tax under section 501(c) of the federal internal revenue code, a public corporation established under RCW 35.21.660, 35.21.670, or 35.21.730, a housing authority established under RCW 35.82.030 or 35.82.300, or a housing authority meeting the definition in RCW 35.82.210(2)(a) is a managing member; or

(iv) Mobile home park cooperative or a manufactured housing cooperative, as defined in RCW 59.20.030.

Sec. 12. RCW 84.36.675 and 2022 c 93 s 2 are each amended to read as follows:

(1) The real property owned by a limited equity cooperative that provides owned housing for low-income households is exempt from property taxation if:

(a) The benefit of the exemption inures to the limited equity cooperative and its members;

(b) At least 85 percent of the occupied dwelling units in the limited equity cooperative is occupied by members of the limited equity cooperative determined as of

January 1st of each assessment year for which the exemption is claimed;

(c) At least 95 percent of the property for which the exemption is sought is used for dwelling units or other noncommercial uses available for use by the members of the limited equity cooperative; and

(d) The housing was insured, financed, or assisted, in whole or in part, through one or more of the following sources:

(i) A federal or state housing program administered by the department of commerce;

(ii) A federal or state housing program administered by the federal department of housing and urban development;

(iii) A federal housing program administered by a city or county government;

(iv) An affordable housing levy authorized under RCW 84.52.105;

(v) The surcharges authorized by ((RCW 36.22.178 and 36.22.179)) section 1 of this act and any of the surcharges authorized in chapter 43.185C RCW; or

(vi) The Washington state housing finance commission.

(2) If less than 100 percent of the dwelling units within the limited equity cooperative is occupied by low-income households, the limited equity cooperative is eligible for a partial exemption on the real property. The amount of exemption must be calculated by multiplying the assessed value of the property owned by the limited equity cooperative by a fraction. The numerator of the fraction is the number of dwelling units occupied by low-income households as of January 1st of each assessment year for which the exemption is claimed, and the denominator of the fraction is the total number of dwelling units as of such date.

(3) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Cooperative" has the meaning provided in RCW 64.90.010.

(b)(i) "Limited equity cooperative" means a cooperative subject to the Washington uniform common interest ownership act under chapter 64.90 RCW that owns the real property for which an exemption is sought under this section and for which, following the completion of the development or redevelopment of such real property:

(A) Members are prevented from selling their ownership interests other than to a median-income household; and

(B) Members are prevented from selling their ownership interests for a sales price that exceeds the sum of:

(I) The sales price they paid for their ownership interest;

(II) The cost of permanent improvements they made to the dwelling unit during their ownership;

(III) Any special assessments they paid to the limited equity cooperative during their ownership to the extent utilized to make permanent improvements to the building or buildings in which the dwelling units are located; and

(IV) A three percent annual noncompounded return on the above amounts.

(ii) For the purposes of this subsection (3)(b), "sales price" is the total consideration paid or contracted to be paid

to the seller or to another for the seller's benefit.

(c) "Low-income household" means a single person, family, or unrelated persons living together whose income is at or below 80 percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the housing is located and in effect as of January 1st of the year in which the determination is to be made as to whether the single person, family, or unrelated persons living together qualify as a low-income household.

(d) "Median-income household" means a single person, family, or unrelated persons living together whose income is at or below 100 percent of the median income adjusted for family size as most recently determined by the federal department of housing and urban development for the county in which the housing is located and in effect as of January 1st of the year in which the determination is to be made as to whether the single person, family, or unrelated persons living together qualify as a median-income household.

(e) "Members" of a limited equity cooperative means individuals or entities that have an ownership interest in the limited equity cooperative that entitles them to occupy and sell a dwelling unit in the limited equity cooperative.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that defendants referred for services related to competency to stand trial requiring admission into a psychiatric facility are currently facing unprecedented wait times in jail for admission. The situation has been exacerbated by closure of forensic beds and workforce shortages related to COVID-19, and treatment capacity limits related to social distancing requirements. Moreover, a backlog of criminal prosecutions that were held back during the first two years of the pandemic due to capacity limitations in courts, prosecuting attorneys offices, and jails, are now being filed, causing a surge in demand for competency services which exceeds the state's capacity to make a timely response. In partial consequence, as of January 2023, wait times for admission to western state hospital for competency services, directed to be completed within seven days by order of the United States district court for western Washington, have risen to over ten months, while wait times for admission to eastern state hospital for

the same services have risen to over five months. The state's forensic bed capacity forecast model indicates that if the state continues to receive competency referrals from local superior, district, and municipal courts at the same volume, the state will rapidly fall farther behind.

The legislature further finds that historical investments and policy changes have been made in behavioral health services over the past five years, designed to both increase capacity to provide competency to stand trial services and to reduce the need for them by creating opportunities for diversion, prevention, and improved community health. New construction at western state hospital is expected to result in the opening of 58 forensic psychiatric beds in the first quarter of 2023, while emergency community hospital contracts are expected to allow for the discharge or transfer of over 50 civil conversion patients occupying forensic state hospital beds over the same period. Sixteen beds for civil conversion patients will open at Maple Lane school in the first quarter of 2023, with 30 additional beds for patients acquitted by reason of insanity expected to open by late 2023 or early 2024. Over a longer time period, 350 forensic beds are planned to open within a new forensic hospital on western state hospital campus between 2027 and 2029. Policy and budget changes have increased capacity for assisted outpatient treatment, 988 crisis response, use of medication for opioid use disorders in jails and community settings, reentry services, and mental health advance directives, and created new behavioral health facility types, supportive housing, and supportive employment services. Forensic navigator services, outpatient competency restoration programs, and other specialty forensic services are now available and continuing to be deployed in phase two *Trueblood* settlement regions.

The legislature further finds that despite these investments there is a need for everyone to come together to find solutions to both reduce demand for forensic services and to increase their supply. The state needs collaboration from local governments and other entities to identify any and all facilities that can be used to provide services to patients connected to the forensic system, to reduce the flow of competency referrals coming from municipal, district, and superior courts, and to improve availability and effectiveness of behavioral health services provided outside the criminal justice system.

Sec. 2. RCW 10.77.010 and 2022 c 288 s 1 are each reenacted and amended to read as follows:

As used in this chapter:

(1) "Admission" means acceptance based on medical necessity, of a person as a patient.

(2) "Authority" means the Washington state health care authority.

(3) "Clinical intervention specialist" means a licensed professional with prescribing authority who is employed by or contracted with the department to provide direct services, enhanced oversight and

monitoring of the behavioral health status of in-custody defendants who have been referred for evaluation or restoration services related to competency to stand trial and who coordinate treatment options with forensic navigators, the department, and jail health services.

~~((4))~~ (4) "Commitment" means the determination by a court that a person should be detained for a period of either evaluation or treatment, or both, in an inpatient or a less-restrictive setting.

~~((12))~~ (13) "Discharge" means the termination of hospital medical authority. The commitment may remain in place, be terminated, or be amended by court order.

~~((13))~~ (14) "Furlough" means an authorized leave of absence for a resident of a state institution operated by the department designated for the custody, care, and treatment of the criminally insane, consistent with an order of conditional release from the court under this chapter, without any requirement that the resident be accompanied by, or be in the custody of, any law enforcement or institutional staff, while on such unescorted leave.

~~((14))~~ (15) "Genuine doubt as to competency" means that there is reasonable cause to believe, based upon actual interactions with or observations of the defendant or information provided by counsel, that a defendant is incompetent to stand trial.

(16) "Habilitative services" means those services provided by program personnel to assist persons in acquiring and maintaining life skills and in raising their levels of

physical, mental, social, and vocational functioning. Habilitative services include education, training for employment, and therapy. The habilitative process shall be undertaken with recognition of the risk to the public safety presented by the person being assisted as manifested by prior charged criminal conduct.

((+15-)) (17) "History of one or more violent acts" means violent acts committed during: (a) The ten-year period of time prior to the filing of criminal charges; plus (b) the amount of time equal to time spent during the ten-year period in a mental health facility or in confinement as a result of a criminal conviction.

((+16-)) (18) "Immediate family member" means a spouse, child, stepchild, parent, stepparent, grandparent, sibling, or domestic partner.

((+17-)) (19) "Incompetency" means a person lacks the capacity to understand the nature of the proceedings against him or her or to assist in his or her own defense as a result of mental disease or defect.

((+18-)) (20) "Indigent" means any person who is financially unable to obtain counsel or other necessary expert or professional services without causing substantial hardship to the person or his or her family.

((+19-)) (21) "Individualized service plan" means a plan prepared by a developmental disabilities professional with other professionals as a team, for an individual with developmental disabilities, which shall state:

(a) The nature of the person's specific problems, prior charged criminal behavior, and habilitation needs;

(b) The conditions and strategies necessary to achieve the purposes of habilitation;

(c) The intermediate and long-range goals of the habilitation program, with a projected timetable for the attainment;

(d) The rationale for using this plan of habilitation to achieve those intermediate and long-range goals;

(e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual release, and a projected possible date for release; and

(g) The type of residence immediately anticipated for the person and possible future types of residences.

((+20-)) (22) "Professional person" means:

(a) A psychiatrist licensed as a physician and surgeon in this state who has, in addition, completed three years of graduate training in psychiatry in a program approved by the American medical association or the American osteopathic association and is certified or eligible to be certified by the American board of psychiatry and neurology or the American osteopathic board of neurology and psychiatry;

((+21-)) (23) "Release" means legal termination of the court-ordered commitment under the provisions of this chapter.

((+22-)) (24) "Secretary" means the secretary of the department of social and health services or his or her designee.

((+23-)) (25) "Treatment" means any currently standardized medical or mental health procedure including medication.

((+24-)) (26) "Treatment records" include registration and all other records concerning persons who are receiving or who at any time have received services for mental illness, which are maintained by the department, by behavioral health administrative services organizations and their staffs, by managed care organizations and their staffs, and by treatment facilities. Treatment records do not include notes or records maintained for personal use by a person providing treatment services for the department, behavioral health administrative services organizations, managed care organizations, or a treatment facility if the notes or records are not available to others.

((+25-)) (27) "Violent act" means behavior that: (a) (i) Resulted in; (ii) if completed as intended would have resulted in; or (iii) was threatened to be carried out by a person who had the intent and opportunity to carry out the threat and would have resulted in, homicide, nonfatal injuries, or substantial damage to property; or (b) recklessly creates an immediate risk of serious physical injury to another person. As used in this subsection, "nonfatal injuries" means physical pain or injury, illness, or an impairment of physical condition. "Nonfatal injuries" shall be construed to be consistent with the definition of "bodily injury," as defined in RCW 9A.04.110.

Sec. 3. RCW 10.77.060 and 2022 c 288 s 2 are each amended to read as follows:

(1) (a) Whenever a defendant has pleaded not guilty by reason of insanity, ~~((or there is reason to doubt his or her competency,))~~ the court on its own motion or on the motion of any party shall either appoint or request the secretary to designate a qualified expert or professional person, who shall be approved by the prosecuting attorney, to evaluate and report upon the mental condition of the defendant.

(b) (i) Whenever there is a doubt as to competency, the court on its own motion or on the motion of any party shall first review the allegations of incompetency. The court shall make a determination of whether sufficient facts have been provided to form a genuine doubt as to competency based on information provided by counsel, judicial colloquy, or direct observation of the defendant. If a genuine doubt as to competency exists, the court shall either appoint or request the secretary to designate a qualified expert or professional person, who shall be approved by the prosecuting attorney, to evaluate and report upon the mental condition of the defendant.

((ii)) Nothing in this subsection (1)(b) is intended to require a waiver of attorney-client privilege. Defense counsel may meet the requirements under this subsection (1)(b) by filing a declaration stating that they have reason to believe that a competency evaluation is necessary, and stating the basis on which the defendant is believed to be incompetent, without further detail required.

((c)) The signed order of the court shall serve as authority for the evaluator to be given access to all records held by any mental health, medical, long-term services or supports, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. If the court is advised by any party that the defendant may have a developmental disability, the evaluation must be performed by a developmental disabilities professional and the evaluator shall have access to records of the developmental disabilities administration of the department. If the court is advised by any party that the defendant may have dementia or another relevant neurocognitive disorder, the evaluator shall have access to records of the aging and long-term support administration of the department.

((+e))(d) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant to a hospital or secure mental health facility for a period of commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

((+d))(e) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if: (i) The defendant is charged with murder in the first or second degree; (ii) the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation; or (iii) the court finds that an evaluation outside the jail setting is necessary for the health, safety, or welfare of the defendant. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation.

((+e))(f) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

((+f))(g) When a defendant is ordered to be evaluated under this subsection (1), or when a party or the court determines at first appearance that an order for evaluation under this subsection will be requested or ordered if charges are pursued, the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the evaluator regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

((h)) If the defendant ordered to be evaluated under this subsection (1) is charged with a serious traffic offense under RCW 9.94A.030, or a felony version of a serious traffic offense, the prosecutor may make a motion to modify the defendant's conditions of release to include a condition prohibiting the defendant from driving during the pendency of the competency evaluation period.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the evaluation shall include the following:

(a) A description of the nature of the evaluation;

(b) A diagnosis or description of the current mental status of the defendant;

(c) If the defendant suffers from a mental disease or defect, or has a developmental disability, an opinion as to competency;

(d) If the defendant suffers from an intellectual or developmental disability, traumatic brain injury, or dementia, an opinion as to restorability;

(e) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control

by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)((+d)) (e) unless the evaluator or court determines that the defendant is competent to stand trial;

((+e))(f) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

((+f))(g) An opinion as to whether the defendant should be evaluated by a designated crisis responder under chapter 71.05 RCW.

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

(5) In the event that a person remains in jail more than 21 days after service on the department of a court order to transport the person to a facility designated by the department for inpatient competency restoration treatment, upon the request of any party and with notice to all parties, the department shall perform a competency to stand trial status check to determine if the circumstances of the person have changed such that the court should authorize an updated competency evaluation. The status update shall be provided to the parties and the court. Status updates may be provided at reasonable intervals.

(6) If a finding of the competency evaluation under this section or under RCW 10.77.084 is that the individual is not competent due to an intellectual or developmental disability, dementia, or traumatic brain injury, the evaluator shall notify the department, which shall refer the individual to the developmental disabilities administration or the aging and long-term support administration of the department for review of eligibility for services. Information about availability of services must be provided to the forensic navigator.

(7) If the expert or professional person appointed to perform a competency evaluation in the community is not able to complete the evaluation after two attempts at scheduling with the defendant, the department shall submit a report to the court and parties and include a date and time for another evaluation which must be at least four weeks later. The court shall provide notice to the defendant of the date and time of the evaluation. If the defendant fails to appear at that appointment, the court shall issue a warrant for the failure to appear and recall the order for competency evaluation.

Sec. 4. RCW 10.77.068 and 2022 c 288 s 3 are each amended to read as follows:

(1)(a) The legislature establishes a performance target of seven days or fewer to extend an offer of admission to a defendant in pretrial custody for inpatient competency evaluation or inpatient competency

restoration services, when access to the services is legally authorized.

(b) The legislature establishes a performance target of 14 days or fewer for the following services related to competency to stand trial, when access to the services is legally authorized:

(i) To complete a competency evaluation in jail and distribute the evaluation report; and

(ii) To extend an offer of admission to a defendant ordered to be committed to ~~((a state hospital))~~ the department for placement in a facility operated by or contracted by the department following dismissal of charges based on incompetency to stand trial under RCW 10.77.086.

(c) The legislature establishes a performance target of 21 days or fewer to complete a competency evaluation in the community and distribute the evaluation report.

(2)(a) A maximum time limit of seven days as measured from the department's receipt of the court order, or a maximum time limit of 14 days as measured from signature of the court order, whichever is shorter, is established to complete the services specified in subsection (1)(a) of this section, subject to the limitations under subsection (9) of this section.

(b) A maximum time limit of 14 days as measured from the department's receipt of the court order, or a maximum time limit of 21 days as measured from signature of the court order, whichever is shorter, is established to complete the services specified in subsection (1)(b) of this section, subject to the limitations under subsection (9) of this section.

(3) The legislature recognizes that these targets may not be achievable in all cases, but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy and quality of competency services.

(4) It shall be a defense to an allegation that the department has exceeded the maximum time limits for completion of competency services described in subsection (2) of this section if the department can demonstrate by a preponderance of the evidence that the reason for exceeding the maximum time limits was outside of the department's control including, but not limited to, the following circumstances:

(a) Despite a timely request, the department has not received necessary medical information regarding the current medical status of a defendant;

(b) The individual circumstances of the defendant make accurate completion of an evaluation of competency to stand trial dependent upon review of mental health, substance use disorder, or medical history information which is in the custody of a third party and cannot be immediately obtained by the department, provided that completion shall not be postponed for procurement of information which is merely supplementary;

(c) Additional time is needed for the defendant to no longer show active signs and symptoms of impairment related to substance

use so that an accurate evaluation may be completed;

(d) The defendant is medically unavailable for competency evaluation or admission to a facility for competency restoration;

(e) Completion of the referral requires additional time to accommodate the availability or participation of counsel, court personnel, interpreters, or the defendant;

(f) The defendant asserts legal rights that result in a delay in the provision of competency services; or

(g) An unusual spike in the receipt of evaluation referrals or in the number of defendants requiring restoration services has occurred, causing temporary delays until the unexpected excess demand for competency services can be resolved.

(5) The department shall provide written notice to the court when it will not be able to meet the maximum time limits under subsection (2) of this section and identify the reasons for the delay and provide a reasonable estimate of the time necessary to complete the competency service. Good cause for an extension for the additional time estimated by the department shall be presumed absent a written response from the court or a party received by the department within seven days.

(6) The department shall:

(a) Develop, document, and implement procedures to monitor the clinical status of defendants admitted to a state hospital for competency services that allow the state hospital to accomplish early discharge for defendants for whom clinical objectives have been achieved or may be achieved before expiration of the commitment period;

(b) Investigate the extent to which patients admitted to a state hospital under this chapter overstay time periods authorized by law and take reasonable steps to limit the time of commitment to authorized periods; and

(c) Establish written standards for the productivity of forensic evaluators and utilize these standards to internally review the performance of forensic evaluators.

(7) Following any quarter in which a state hospital has failed to meet one or more of the performance targets or maximum time limits under subsection (1) or (2) of this section, the department shall report to the executive and the legislature the extent of this deviation and describe any corrective action being taken to improve performance. This report shall be made publicly available. An average may be used to determine timeliness under this subsection.

(8) The department shall report annually to the legislature and the executive on the timeliness of services related to competency to stand trial and the timeliness with which court referrals accompanied by charging documents, discovery, and criminal history information are provided to the department relative to the signature date of the court order. The report must be in a form that is accessible to the public and that breaks down performance by county.

(9) This section does not create any new entitlement or cause of action related to

the timeliness of competency to stand trial services, nor can it form the basis for contempt sanctions under chapter 7.21 RCW or a motion to dismiss criminal charges.

Sec. 5. RCW 10.77.074 and 2019 c 326 s 2 are each amended to read as follows:

(1) Subject to the limitations described in subsection (2) of this section, a court may appoint an impartial forensic navigator employed by or contracted by the department to assist individuals who have been referred for competency evaluation and shall appoint a forensic navigator in circumstances described under section 10 of this act.

(2) A forensic navigator must assist the individual to access services related to diversion and community outpatient competency restoration. The forensic navigator must assist the individual, prosecuting attorney, defense attorney, and the court to understand the options available to the individual and be accountable as an officer of the court for faithful execution of the responsibilities outlined in this section.

(3) The duties of the forensic navigator include, but are not limited to, the following:

(a) To collect relevant information about the individual, including behavioral health services and supports available to the individual that might support placement in outpatient restoration, diversion, or some combination of these;

(b) To meet with, interview, and observe the individual;

(c) To assess the individual for appropriateness for assisted outpatient treatment under chapter 71.05 RCW;

(d) To present information to the court in order to assist the court in understanding the treatment options available to the individual to support the entry of orders for diversion from the forensic mental health system or for community outpatient competency restoration, ((and)) to facilitate that transition; ((and

(e) To provide regular updates to the court and parties of the status of the individual's participation in diversion services and be responsive to inquiries by the parties about treatment status;

(f) When the individual is ordered to receive community outpatient restoration, to provide services to the individual including:

(i) Assisting the individual with attending appointments and classes relating to outpatient competency restoration;

(ii) Coordinating access to housing for the individual;

(iii) Meeting with the individual on a regular basis;

(iv) Providing information to the court concerning the individual's progress and compliance with court-ordered conditions of release, which may include appearing at court hearings to provide information to the court;

(v) Coordinating the individual's access to community case management services and mental health services;

(vi) Assisting the individual with obtaining prescribed medication and

encouraging adherence with prescribed medication;

(vii) Assessing the individual for appropriateness for assisted outpatient treatment under chapter 71.05 RCW and coordinating the initiation of an assisted outpatient treatment order if appropriate as part of a diversion program plan;

(viii) Planning for a coordinated transition of the individual to a case manager in the community behavioral health system;

~~((viii))~~ (ix) Attempting to follow-up with the individual to check whether the meeting with a community-based case manager took place;

~~((ix))~~ (x) When the individual is a high utilizer, attempting to connect the individual with high utilizer services; and

~~((x))~~ (xi) Attempting to check up on the individual at least once per month for up to sixty days after coordinated transition to community behavioral health services, without duplicating the services of the community-based case manager;

(g) If the individual is an American Indian or Alaska Native who receives medical, behavioral health, housing, or other supportive services from a tribe within this state, to notify and coordinate with the tribe and Indian health care provider. Notification shall be made in person or by telephonic or electronic communication to the tribal contact listed in the authority's tribal crisis coordination plan as soon as possible.

(4) Forensic navigators may submit ~~((nonclinical))~~ recommendations to the court regarding treatment and restoration options for the individual, which the court may consider and weigh in conjunction with the recommendations of all of the parties.

(5) Forensic navigators shall be deemed officers of the court for the purpose of immunity from civil liability.

(6) The signed order for competency evaluation from the court shall serve as authority for the forensic navigator to be given access to all records held by a behavioral health, educational, or law enforcement agency or a correctional facility that relates to an individual. Information that is protected by state or federal law, including health information, shall not be entered into the court record without the consent of the individual or their defense attorney.

(7) Admissions made by the individual in the course of receiving services from the forensic navigator may not be used against the individual in the prosecution's case in chief.

(8) A court may not issue an order appointing a forensic navigator unless the department certifies that there is adequate forensic navigator capacity to provide these services at the time the order is issued.

Sec. 6. RCW 10.77.084 and 2016 sp.s. c 29 s 410 are each amended to read as follows:

(1)(a) If at any time during the pendency of an action and prior to judgment the court finds, following a report as provided in RCW 10.77.060, a defendant is incompetent, the

court shall order the proceedings against the defendant be stayed except as provided in subsection (4) of this section. Beginning October 1, 2023, if the defendant is charged with a serious traffic offense under RCW 9.94A.030, or a felony version of a serious traffic offense, the court may order the clerk to transmit an order to the department of licensing for revocation of the defendant's driver's license for a period of one year.

(b) The court may order a defendant who has been found to be incompetent to undergo competency restoration treatment at a facility designated by the department if the defendant is eligible under RCW 10.77.086 or 10.77.088. At the end of each competency restoration period or at any time a professional person determines competency has been, or is unlikely to be, restored, the defendant shall be returned to court for a hearing, except that if the opinion of the professional person is that the defendant remains incompetent and the hearing is held before the expiration of the current competency restoration period, the parties may agree to waive the defendant's presence, to remote participation by the defendant at a hearing, or to presentation of an agreed order in lieu of a hearing. The facility shall promptly notify the court and all parties of the date on which the competency restoration period commences and expires so that a timely hearing date may be scheduled.

(c) The court's order for inpatient restoration, shall specify whether the department has the authority to change the defendant's placement to a step-down facility or outpatient competency restoration program if the department determines that such placement is clinically appropriate given the defendant's progress in restoration services.

(d) If, following notice and hearing or entry of an agreed order under (b) of this subsection, the court finds that competency has been restored, the court shall lift the stay entered under (a) of this subsection. If the court finds that competency has not been restored, the court shall dismiss the proceedings without prejudice, except that the court may order a further period of competency restoration treatment if it finds that further treatment within the time limits established by RCW 10.77.086 or 10.77.088 is likely to restore competency, and a further period of treatment is allowed under RCW 10.77.086 or 10.77.088.

~~((d))~~ (e) If at any time during the proceeding the court finds, following notice and hearing, a defendant is not likely to regain competency, the court shall dismiss the proceedings without prejudice and refer the defendant for civil commitment evaluation or proceedings if appropriate under RCW 10.77.065, 10.77.086, or 10.77.088.

(f) Beginning October 1, 2023, if the court issues an order directing revocation of the defendant's driver's license under (a) of this subsection, and the court subsequently finds that the defendant's competency has been restored, the court shall order the clerk to transmit an order to the department of licensing for reinstatement of the defendant's driver's

license. The court may direct the clerk to transmit an order reinstating the defendant's driver's license before the end of one year for good cause upon the petition of the defendant.

(2) If the defendant is referred for evaluation by a designated crisis responder under this chapter, the designated crisis responder shall provide prompt written notification of the results of the evaluation and whether the person was detained. The notification shall be provided to the court in which the criminal action was pending, the prosecutor, the defense attorney in the criminal action, and the facility that evaluated the defendant for competency.

(3) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(4) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables the defendant to understand the proceedings against him or her and to assist in his or her own defense, or does not disable him or her from so understanding and assisting in his or her own defense.

(5) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of evaluation which meets the requirements of RCW 10.77.060(3). For defendants charged with a felony, the report following the second competency restoration period or first competency restoration period if the defendant's incompetence is determined to be solely due to a developmental disability or the evaluator concludes that the defendant is not likely to regain competency must include an assessment of the defendant's future dangerousness which is evidence-based regarding predictive validity.

Sec. 7. RCW 10.77.086 and 2022 c 288 s 4 are each amended to read as follows:

(1) If the defendant is charged with a felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, but in any event for a period of no longer than 90 days, the court shall commit the defendant to the custody of the secretary for inpatient competency restoration, or may alternatively order the defendant to receive outpatient competency restoration based on a recommendation from a forensic navigator and input from the parties.

(a) To be eligible for an order for outpatient competency restoration, a defendant must be clinically appropriate and be willing to:

(i) Adhere to medications or receive prescribed intramuscular medication;

(ii) Abstain from alcohol and unprescribed drugs; and

(iii) Comply with urinalysis or breathalyzer monitoring if needed.

(b) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration.

(c) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management. The court may order regular urinalysis testing. The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

(d) If a defendant fails to comply with the restrictions of the outpatient restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for outpatient competency restoration, the director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration. The outpatient competency restoration program shall coordinate with the authority, the department, and any law enforcement personnel under (d)(i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency restoration order of the court shall serve as authority for the detention of the

defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or authorize admission of the defendant into jail.

(ii) The department shall notify the court and parties of the defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the conditions of release of the defendant and anticipated release from treatment and issue appropriate orders.

(e) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient competency restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the guidance and control of a professional person identified in the court order.

(2) For a defendant whose highest charge is a class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial competency restoration period is 45 days if the defendant is referred for inpatient competency restoration, or 90 days if the defendant is referred for outpatient competency restoration, provided that if the outpatient competency restoration placement is terminated and the defendant is subsequently admitted to an inpatient facility, the period of inpatient treatment during the first competency restoration period under this subsection shall not exceed 45 days.

(3) If the court determines or the parties agree before the initial competency restoration period or at any subsequent stage of the proceedings that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo an initial or further period of competency restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in subsection (5) of this section.

(4) On or before expiration of the initial competency restoration period the court shall conduct a hearing to determine whether the defendant is now competent to stand trial. If the court finds by a preponderance of the evidence that the defendant is incompetent to stand trial, the court may order an extension of the competency restoration period for an additional period of 90 days, but the court must at the same time set a date for a new hearing to determine the defendant's competency to stand trial before the expiration of this second restoration period. The defendant, the defendant's attorney, and the prosecutor have the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third competency restoration period if the defendant's incompetence has been determined by the secretary to be solely the

result of a developmental disability which is such that competence is not reasonably likely to be regained during an extension.

(5) At the hearing upon the expiration of the second competency restoration period, or at the end of the first competency restoration period if the defendant is ineligible for a second or third competency restoration period under subsection (4) of this section, if the jury or court finds that the defendant is incompetent to stand trial, the court shall dismiss the charges without prejudice and order the defendant to be committed to ~~((a state hospital))~~ the department for placement in a facility operated or contracted by the department for up to 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services and up to 72 hours if the defendant engaged in inpatient competency restoration services starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. However, the court shall not dismiss the charges if the court or jury finds that: (a) The defendant (i) is a substantial danger to other persons; or (ii) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and (b) there is a substantial probability that the defendant will regain competency within a reasonable period of time. If the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

(6) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program and is in addition to reasonable time for transport to or from the facility.

Sec. 8. RCW 10.77.086 and 2022 c 288 s 4 are each amended to read as follows:

(1) If the defendant is charged with a felony that is not a qualifying class C felony and determined to be incompetent, until he or she has regained the competency necessary to understand the proceedings against him or her and assist in his or her own defense, but in any event for a period of no longer than 90 days, the court shall commit the defendant to the custody of the secretary for inpatient competency restoration, or may alternatively order the defendant to receive outpatient competency restoration based on a recommendation from a forensic navigator and input from the parties.

(2) (a) If the defendant is charged with a qualifying class C felony as their highest charge and determined to be incompetent, and the court finds that there is a diversion program available to accept the defendant as recommended by a forensic navigator, the court shall dismiss the proceedings without prejudice and refer the defendant to the recommended diversion program, except that if the court has previously determined that a diversion program under section 10 of this

act is not appropriate, the forensic navigator does not recommend diversion, or the prosecutor objects to the dismissal and provides notice of a motion for an order for competency restoration treatment, then the court shall schedule a hearing within seven days.

(b) (i) At the hearing, the prosecuting attorney must establish that there is a compelling state interest to order competency restoration treatment for the defendant. The court may consider prior criminal history, prior history in treatment, prior history of violence, the quality and severity of the pending charges, and any history that suggests whether competency restoration treatment is likely to be successful, in addition to the factors listed under RCW 10.77.092. If the prosecuting attorney proves by a preponderance of the evidence that there is a compelling state interest in ordering competency restoration treatment, then the court shall issue an order in accordance with (c) of this subsection.

(ii) If the defendant is subject to an order under chapter 71.05 RCW or proceedings under chapter 71.05 RCW have been initiated, there is a rebuttable presumption that there is no compelling state interest in ordering competency restoration treatment. Beginning October 1, 2023, if the defendant is charged with a serious traffic offense under RCW 9.94A.030, or a felony version of a serious traffic offense, the court may order the clerk to transmit an order to the department of licensing for revocation of the defendant's driver's license for a period of one year. The court shall direct the clerk to transmit an order to the department of licensing reinstating the defendant's driver's license if the defendant is subsequently restored to competency and may do so at any time before the end of one year for good cause upon the petition of the defendant.

(c) If a court finds pursuant to (b) of this subsection that there is a compelling state interest in pursuing competency restoration treatment or the court has previously determined that a diversion program under section 10 of this act is not appropriate for the defendant, the court shall order the defendant to receive outpatient competency restoration consistent with the recommendation of the forensic navigator, unless the court finds that an order for outpatient competency restoration is inappropriate considering the health and safety of the defendant and risks to public safety. If the court does not order the defendant to receive outpatient competency restoration, the court shall commit the defendant to the department for placement in a facility operated or contracted by the department for inpatient competency restoration.

(3) (a) To be eligible for an order for outpatient competency restoration, a defendant must be clinically appropriate and be willing to:

(i) Adhere to medications or receive prescribed intramuscular medication;

(ii) Abstain from alcohol and unprescribed drugs; and

(iii) Comply with urinalysis or breathalyzer monitoring if needed.

(b) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration.

(c) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management. The court may order regular urinalysis testing. The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

(d) If a defendant fails to comply with the restrictions of the outpatient restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for outpatient competency restoration, the director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration. The outpatient competency restoration program shall coordinate with the authority, the department, and any law enforcement personnel under (d) (i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency

restoration order of the court shall serve as authority for the detention of the defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or authorize admission of the defendant into jail.

(ii) The department shall notify the court and parties of the defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the conditions of release of the defendant and anticipated release from treatment and issue appropriate orders.

(e) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient competency restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the guidance and control of a professional person identified in the court order.

~~((2-))~~ (4) (a) For a defendant whose highest charge is a class C felony that is not a qualifying class C felony, or a class B felony that is not classified as violent under RCW 9.94A.030, the maximum time allowed for the initial competency restoration period is 45 days if the defendant is referred for inpatient competency restoration, or 90 days if the defendant is referred for outpatient competency restoration, provided that if the outpatient competency restoration placement is terminated and the defendant is subsequently admitted to an inpatient facility, the period of inpatient treatment during the first competency restoration period under this subsection shall not exceed 45 days.

~~((3-))~~ (b) For a defendant whose highest charge is a qualifying class C felony, the maximum time allowed for competency restoration is 45 days if the defendant is referred for inpatient competency restoration, or 90 days if the defendant is referred for outpatient competency restoration. The court may order any combination of inpatient and outpatient competency restoration under this subsection, but the total period of inpatient competency restoration may not exceed 45 days.

(c) For any defendant with a felony charge that is admitted for competency restoration with an accompanying court order for involuntary medication under RCW 10.77.092, and the defendant is found not competent to stand trial following that period of restoration, charges shall be dismissed pursuant to subsection (7) of this section.

(5) If the court determines or the parties agree before the initial competency restoration period or at any subsequent stage of the proceedings that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo an initial or further period of competency

restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in subsection ~~((5-))~~ (7) of this section.

~~((4-0a))~~ (6) For a defendant charged with a felony that is not a qualifying class C felony, on or before expiration of the initial competency restoration period the court shall conduct a hearing to determine whether the defendant is now competent to stand trial. If the court finds by a preponderance of the evidence that the defendant is incompetent to stand trial, the court may order an extension of the competency restoration period for an additional period of 90 days, but the court must at the same time set a date for a new hearing to determine the defendant's competency to stand trial before the expiration of this second restoration period. The defendant, the defendant's attorney, and the prosecutor have the right to demand that the hearing be before a jury. No extension shall be ordered for a second or third competency restoration period if the defendant's incompetence has been determined by the secretary to be solely the result of ~~((a))~~ an intellectual or developmental disability, dementia, or traumatic brain injury which is such that competence is not reasonably likely to be regained during an extension.

~~((5-At))~~ (7) (a) Except as provided in (b) of this subsection, at the hearing upon the expiration of the second competency restoration period, or at the end of the first competency restoration period if the defendant is ineligible for a second or third competency restoration period under subsection (4) or (6) of this section, if the jury or court finds that the defendant is incompetent to stand trial, the court shall dismiss the charges without prejudice and order the defendant to be committed to ~~((a state hospital))~~ the department for placement in a facility operated or contracted by the department for up to 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services, and up to 72 hours if the defendant engaged in inpatient competency restoration services starting from admission to the facility, excluding Saturdays, Sundays, and holidays, for evaluation for the purpose of filing a civil commitment petition under chapter 71.05 RCW. ~~((However,))~~ If at the time the order to dismiss the charges without prejudice is entered by the court the defendant is already in a facility operated or contracted by the department, the 72-hour or 120-hour period shall instead begin upon department receipt of the court order.

(b) For a defendant charged with a felony that is not a qualifying class C felony, the court shall not dismiss the charges if the court or jury finds that: ~~((a-))~~ (i) The defendant ~~((i-))~~ (A) is a substantial danger to other persons; or ~~((i-))~~ (B) presents a substantial likelihood of committing criminal acts jeopardizing public safety or security; and ~~((b-))~~ (ii) there is a substantial probability that the defendant will regain competency within a reasonable

period of time. If the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

~~((6))~~(8) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program and is in addition to reasonable time for transport to or from the facility.

(9) "Qualifying class C felony" means any class C felony offense except: (a) Assault in the third degree under RCW 9A.36.031(1) (d) or (f); (b) felony physical control of a vehicle under RCW 46.61.504(6); (c) felony hit and run resulting in injury under RCW 46.52.020(4) (b); (d) hate crime offense under RCW 9A.36.080; (e) any class C felony offense with a domestic violence designation; (f) any class C felony sex offense as defined in RCW 9.94A.030; and (g) any class C felony offense with a sexual motivation allegation.

Sec. 9. RCW 10.77.088 and 2022 c 288 s 5 are each amended to read as follows:

(1) If the defendant is charged with a nonfelony crime which is a serious offense as identified in RCW 10.77.092 and found by the court to be not competent, then the court:

(a) Shall dismiss the proceedings without prejudice and detain the defendant ~~((for sufficient time to allow the designated crisis responder to evaluate the defendant and consider initial detention proceedings under chapter 71.05 RCW))~~ pursuant to subsection (5) of this section, unless the prosecutor objects to the dismissal and provides notice of a motion for an order for competency restoration treatment, in which case the court shall schedule a hearing within seven days.

(b)(i) At the hearing, the prosecuting attorney must establish that there is a compelling state interest to order competency restoration treatment for the defendant. The court may consider prior criminal history, prior history in treatment, prior history of violence, the quality and severity of the pending charges, any history that suggests whether competency restoration treatment is likely to be successful, in addition to the factors listed under RCW 10.77.092. If the prosecuting attorney proves by a preponderance of the evidence that there is a compelling state interest in ordering competency restoration treatment, then the court shall issue an order in accordance with subsection (2) of this section.

(ii) If the defendant is subject to an order under chapter 71.05 RCW or proceedings under chapter 71.05 RCW have been initiated, there is a rebuttable presumption that there is no compelling state interest in ordering competency restoration treatment. Beginning October 1, 2023, if the defendant is charged with a serious traffic offense under RCW 9.94A.030, the court may order the clerk to transmit an order to the department of licensing for revocation of the defendant's driver's license for a period of one year.

The court shall direct the clerk to transmit an order to the department of licensing reinstating the defendant's driver's license if the defendant is subsequently restored to competency, and may do so at any time before the end of one year for good cause upon the petition of the defendant.

(2)(a) If a court finds pursuant to subsection (1)(b) of this section that there is a compelling state interest in pursuing competency restoration treatment, the court shall ~~((commit the defendant to the custody of the secretary for inpatient competency restoration, or may alternatively))~~ order the defendant to receive outpatient competency restoration ~~((based on a recommendation from a forensic navigator and input from the parties))~~ consistent with the recommendation of the forensic navigator, unless the court finds that an order for outpatient competency restoration is inappropriate considering the health and safety of the defendant and risks to public safety.

~~((a))~~(b) To be eligible for an order for outpatient competency restoration, a defendant must be ~~((clinically appropriate and be))~~ willing to:

(i) Adhere to medications or receive prescribed intramuscular medication;
(ii) Abstain from alcohol and unprescribed drugs; and
(iii) Comply with urinalysis or breathalyzer monitoring if needed.

~~((b))~~(c) If the court orders inpatient competency restoration, the department shall place the defendant in an appropriate facility of the department for competency restoration under subsection (3) of this section.

~~((c))~~(d) If the court orders outpatient competency restoration, the court shall modify conditions of release as needed to authorize the department to place the person in approved housing, which may include access to supported housing, affiliated with a contracted outpatient competency restoration program. The department, in conjunction with the health care authority, must establish rules for conditions of participation in the outpatient competency restoration program, which must include the defendant being subject to medication management. The court may order regular urinalysis testing. The outpatient competency restoration program shall monitor the defendant during the defendant's placement in the program and report any noncompliance or significant changes with respect to the defendant to the department and, if applicable, the forensic navigator.

~~((d))~~(e) If a defendant fails to comply with the restrictions of the outpatient competency restoration program such that restoration is no longer appropriate in that setting or the defendant is no longer clinically appropriate for outpatient competency restoration, the director of the outpatient competency restoration program shall notify the authority and the department of the need to terminate the outpatient competency restoration placement and intent to request placement for the defendant in an appropriate facility of the department for inpatient competency restoration. The outpatient competency

restoration program shall coordinate with the authority, the department, and any law enforcement personnel under ~~((+@+))~~ (e) (i) of this subsection to ensure that the time period between termination and admission into the inpatient facility is as minimal as possible. The time period for inpatient competency restoration shall be reduced by the time period spent in active treatment within the outpatient competency restoration program, excluding time periods in which the defendant was absent from the program and all time from notice of termination of the outpatient competency restoration period through the defendant's admission to the facility. The department shall obtain a placement for the defendant within seven days of the notice of intent to terminate the outpatient competency restoration placement.

(i) The department may authorize a peace officer to detain the defendant into emergency custody for transport to the designated inpatient competency restoration facility. If medical clearance is required by the designated competency restoration facility before admission, the peace officer must transport the defendant to a crisis stabilization unit, evaluation and treatment facility, emergency department of a local hospital, or triage facility for medical clearance once a bed is available at the designated inpatient competency restoration facility. The signed outpatient competency restoration order of the court shall serve as authority for the detention of the defendant under this subsection. This subsection does not preclude voluntary transportation of the defendant to a facility for inpatient competency restoration or for medical clearance, or authorize admission of the defendant into jail.

(ii) The department shall notify the court and parties of the defendant's admission for inpatient competency restoration before the close of the next judicial day. The court shall schedule a hearing within five days to review the conditions of release of the defendant and anticipated release from treatment and issue appropriate orders.

~~((+e))~~ (f) The court may not issue an order for outpatient competency restoration unless the department certifies that there is an available appropriate outpatient restoration program that has adequate space for the person at the time the order is issued or the court places the defendant under the guidance and control of a professional person identified in the court order.

(g) If the court does not order the defendant to receive outpatient competency restoration under (a) of this subsection, the court shall commit the defendant to the department for placement in a facility operated or contracted by the department for inpatient competency restoration.

(3) The placement under subsection (2) of this section shall not exceed 29 days if the defendant is ordered to receive inpatient competency restoration, and shall not exceed 90 days if the defendant is ordered to receive outpatient competency restoration. The court may order any combination of this

subsection, but the total period of inpatient competency restoration may not exceed 29 days.

(4) If the court has determined or the parties agree that the defendant is unlikely to regain competency, the court may dismiss the charges without prejudice without ordering the defendant to undergo competency restoration treatment, in which case the court shall order that the defendant be referred for evaluation for civil commitment in the manner provided in subsection (5) of this section.

(5) (a) If the proceedings are dismissed under RCW 10.77.084 and the defendant was on conditional release at the time of dismissal, the court shall order the designated crisis responder within that county to evaluate the defendant pursuant to chapter 71.05 RCW. The evaluation may be conducted in any location chosen by the professional.

(b) If the defendant was in custody and not on conditional release at the time of dismissal, the defendant shall be detained and sent to an evaluation and treatment facility for up to 120 hours if the defendant has not undergone competency restoration services or has engaged in outpatient competency restoration services and up to 72 hours if the defendant engaged in inpatient competency restoration services, excluding Saturdays, Sundays, and holidays, for evaluation for purposes of filing a petition under chapter 71.05 RCW. The 120-hour or 72-hour period shall commence upon the next nonholiday weekday following the court order and shall run to the end of the last nonholiday weekday within the 120-hour or 72-hour period.

(6) If the defendant is charged with a nonfelony crime that is not a serious offense as defined in RCW 10.77.092 and found by the court to be not competent, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the designated crisis responder to evaluate the defendant and consider initial detention proceedings under chapter 71.05 RCW. The court must give notice to all parties at least 24 hours before the dismissal of any proceeding under this subsection, and provide an opportunity for a hearing on whether to dismiss the proceedings.

(7) If at any time the court dismisses charges under subsections (1) through (6) of this section, the court shall make a finding as to whether the defendant has a history of one or more violent acts. If the court so finds, the defendant is barred from the possession of firearms until a court restores his or her right to possess a firearm under RCW 9.41.047. The court shall state to the defendant and provide written notice that the defendant is barred from the possession of firearms and that the prohibition remains in effect until a court restores his or her right to possess a firearm under RCW 9.41.047.

(8) Any period of competency restoration treatment under this section includes only the time the defendant is actually at the facility or is actively participating in an outpatient competency restoration program

and is in addition to reasonable time for transport to or from the facility.

NEW SECTION. Sec. 10. A new section is added to chapter 10.77 RCW to read as follows:

(1) In counties with a forensic navigator program, a forensic navigator shall:

(a) Meet, interview, and observe all defendants charged with a qualifying class C felony as defined in RCW 10.77.086(9) or a nonfelony who have had two or more competency evaluations in the preceding 24 months on separate charges or cause numbers and determine the defendants' willingness to engage with services under this section; and

(b) Provide a diversion program plan to the parties in each case that includes a recommendation for a diversion program to defense counsel and the prosecuting attorney. Services under a diversion program may include a referral for assisted outpatient treatment under chapter 71.05 RCW.

(2) If the parties agree on the diversion program recommended by the forensic navigator, the prosecutor shall request dismissal of the criminal charges.

(3) If the parties do not agree on the diversion program, the defense may move the court for an order dismissing the criminal charges without prejudice and referring the defendant to the services described in the diversion program. The court shall hold a hearing on this motion within 10 days. The court shall grant the defense motion if it finds by a preponderance of the evidence that the defendant is amenable to the services described in the diversion program and can safely receive services in the community.

(4) Individuals who receive a dismissal of charges and referral to services described in a diversion program shall have a forensic navigator assigned to assist them for up to six months while engaging in the services described in the diversion program. The forensic navigator shall provide monthly status updates to the court and the parties regarding the individual's status in the diversion program.

(5) Forensic navigators shall collaborate with available *Trueblood* settlement diversion programs if they are accessible in the geographic location where criminal charges are currently filed.

Sec. 11. RCW 10.77.092 and 2014 c 10 s 2 are each amended to read as follows:

(1) For purposes of determining whether a court may authorize involuntary medication for the purpose of competency restoration pursuant to RCW 10.77.084 and for maintaining the level of restoration in the jail following the restoration period, a pending charge involving any one or more of the following crimes is a serious offense per se in the context of competency restoration:

(a) Any violent offense, sex offense, (~~serious traffic offense,~~) and most serious offense, as those terms are defined in RCW 9.94A.030;

(b) Any felony offense (~~(, except nonfelony counterfeiting offenses,)~~)

included in crimes against persons in RCW 9.94A.411;

(c) Any felony offense contained in chapter 9.41 RCW (firearms and dangerous weapons);

(d) Any felony or gross misdemeanor offense listed as domestic violence in RCW 10.99.020;

(e) Any felony offense listed as a harassment offense in chapter 9A.46 RCW;

(f) Any violation of chapter 69.50 RCW that is a class B felony; (~~(or)~~)

(g) Any gross misdemeanor violation of RCW 46.61.502 or 46.61.504;

(h) Any gross misdemeanor offense with a sexual motivation allegation; or

(i) Any city or county ordinance or statute that is equivalent to an offense referenced in this subsection.

(2) Anytime the secretary seeks a court order authorizing the involuntary medication for purposes of competency restoration pursuant to RCW 10.77.084, the secretary's petition must also seek authorization to continue involuntary medication for purposes of maintaining the level of restoration in the jail or juvenile detention facility following the restoration period.

(3)(a) In a particular case, a court may determine that a pending charge not otherwise defined as serious by state or federal law or by a city or county ordinance is, nevertheless, a serious offense within the context of competency restoration treatment when the conduct in the charged offense falls within the standards established in (b) of this subsection.

(b) To determine that the particular case is a serious offense within the context of competency restoration, the court must consider the following factors and determine that one or more of the following factors creates a situation in which the offense is serious:

(i) The charge includes an allegation that the defendant actually inflicted bodily or emotional harm on another person or that the defendant created a reasonable apprehension of bodily or emotional harm to another;

(ii) The extent of the impact of the alleged offense on the basic human need for security of the citizens within the jurisdiction;

(iii) The number and nature of related charges pending against the defendant;

(iv) The length of potential confinement if the defendant is convicted; and

(v) The number of potential and actual victims or persons impacted by the defendant's alleged acts.

NEW SECTION. Sec. 12. A new section is added to chapter 10.77 RCW to read as follows:

(1) When an individual has a prescription for an antipsychotic, antidepressant, antiepileptic, or other drug prescribed to the individual to treat a serious mental illness by a state hospital or other state facility or a behavioral health agency or other certified medical provider, and the individual is medically stable on the drug, a jail or juvenile detention facility shall continue prescribing the prescribed drug and

may not require the substitution of a different drug in a given therapeutic class, except under the following circumstances:

(a) The substitution is for a generic version of a name brand drug and the generic version is chemically identical to the name brand drug; or

(b) The drug cannot be prescribed for reasons of drug recall or removal from the market, or medical evidence indicating no therapeutic effect of the drug.

(2) This section includes but is not limited to situations in which the individual returns to a jail or juvenile detention facility directly after undergoing treatment at a state hospital, behavioral health agency, outpatient competency restoration program, or prison.

(3) The department shall establish a program to reimburse jails and juvenile detention facilities for the costs of any drugs the jail or juvenile detention facility does not otherwise have available and must continue prescribing under this section.

NEW SECTION. Sec. 13. A new section is added to chapter 10.77 RCW to read as follows:

(1) Following a competency evaluation under RCW 10.77.060, individuals who are found not competent to stand trial and not restorable due to an intellectual or developmental disability, dementia, or traumatic brain injury, shall not be referred for competency restoration services unless the highest current criminal charge is a violent offense or sex offense as defined in RCW 9.94A.030. A defendant with a prior finding under this subsection may only be referred for competency restoration services if the highest charge under the new proceedings is a violent offense or sex offense as defined in RCW 9.94A.030.

(2) The department shall develop a process for connecting individuals who have been found not competent to stand trial due to an intellectual or developmental disability, dementia, or traumatic brain injury to available wraparound services and supports, which may include residential supports. The process shall include provisions for individuals who are current clients of the department's developmental disabilities administration or aging and long-term support administration and for individuals who are not current clients of the department.

(a) For current clients of the developmental disabilities administration and aging and long-term support administration, the department's assigned case manager shall:

(i) Coordinate with the individual's services providers to determine if the individual can return to the same or like services, or determine appropriate new services. This shall include updating the individual's service plan and identifying and coordinating potential funding for any additional supports to stabilize the individual in any setting funded by the developmental disabilities administration or aging and long-term support administration so that the individual does not lose

existing services, including submitting any exceptions to rule for additional services;

(ii) Conduct a current service eligibility assessment and send referral packets to all service providers for services for which the individual is eligible; and

(iii) Connect with the individual's assigned forensic navigator and determine if the individual is eligible for any diversion, supportive housing, or case management programs as a *Trueblood* class member, and assist the individual to access these services.

(b) For individuals who have not established eligibility for the department's support services, the department shall:

(i) Conduct an eligibility determination for services and send referral packets to service providers for all relevant services for which the individual is eligible. This process must include identifying and coordinating funding for any additional supports that are needed to stabilize the individual in any setting funded by the developmental disabilities administration or aging and long-term support administration, including submitting any necessary exceptions to rule for additional services; and

(ii) Connect with the individual's assigned forensic navigator and determine if the individual is eligible for any diversion, supportive housing, or case management programs as a *Trueblood* class member, if additional specialized services are available to supplement diversion program services, and assist the individual to access these services.

(3) The department shall offer to transition the individual in services either directly from the jail or as soon thereafter as may be practicable, without maintaining the individual at an inpatient facility for longer than is clinically necessary. Nothing in this subsection prohibits the department from returning the individual to their home or to another less restrictive setting if such setting is appropriate, which may include provision of supportive services to help the person maintain stability. The individual is not required to accept developmental disabilities administration, aging and long-term support administration, or other diversionary services as a condition of having the individual's criminal case dismissed without prejudice, provided the individual meets the criteria of subsection (1) of this section.

(4) Subject to the availability of funds appropriated for this specific purpose, the department shall develop a program for individuals who have been involved with the criminal justice system and who have been found under RCW 10.77.084 as incompetent to stand trial and not restorable due to an intellectual or developmental disability, traumatic brain injury, or dementia and who do not meet criteria under other programs in this section. The program must involve wraparound services and housing supports appropriate to the needs of the individual. It is sufficient to meet the criteria for participation in this program if the individual has recently been the subject of criminal charges that were dismissed without

prejudice and was found incompetent to stand trial due to an intellectual or developmental disability, traumatic brain injury, or dementia.

NEW SECTION. Sec. 14. The University of Washington shall implement a pilot project to provide short-term stabilization and transition support for individuals found incompetent to stand trial due to an intellectual or developmental disability who are or have been *Trueblood* class members. The project will be implemented in three phases, beginning December 1, 2023, using an interdisciplinary approach across various settings and overlapping with existing resources, including those available to *Trueblood* class members and services and supports they are eligible to receive from the department of social and health services. The department of social and health services shall collaborate with the University of Washington on this project, including assistance in identifying resources available to class members and determination of eligibility. By November 30, 2026, the University of Washington shall submit a report to the appropriate fiscal and policy committees of the legislature on the pilot project, including the pilot project's outcomes, data analysis, evaluation, and recommendations for improvement. In addition, the University of Washington shall report on the background of current and former *Trueblood* class members with intellectual and developmental disabilities. The department of social and health services shall share data as needed to assist in report development.

NEW SECTION. Sec. 15. Subject to the availability of funds appropriated for this specific purpose, the health care authority shall require the programs it contracts with to increase compensation for staff in outpatient competency restoration programs to provide compensation at competitive levels to improve recruitment and allow for the full implementation of outpatient competency restoration programs.

NEW SECTION. Sec. 16. A new section is added to chapter 10.77 RCW to read as follows:

An outpatient competency restoration program must include access to a prescriber.

NEW SECTION. Sec. 17. A new section is added to chapter 10.77 RCW to read as follows:

Subject to the security and background investigation requirements of the jail, jails shall allow clinical intervention specialists to have access to individuals who are referred to receive services under this chapter and to all records relating to the health or conduct of the individual while incarcerated. Clinical intervention specialists shall support jail health services in providing direct services, enhanced oversight and monitoring of the behavioral health status of participating individuals. Clinical intervention specialists shall work collaboratively with

jail health services to ensure appropriate prescriptions, medication compliance monitoring, and access to supportive behavioral health services to the individuals. Clinical intervention specialists shall coordinate with forensic navigators and the department to assist forensic navigators in making recommendations for appropriate placements, which may include recommendations for participation in an outpatient competency restoration program or a diversion program designed for the needs of the individual. The clinical intervention specialist shall notify the department if a participating individual appears to have stabilized in their behavioral health such that a new competency evaluation is appropriate to reassess the individual's need for competency restoration treatment.

NEW SECTION. Sec. 18. A new section is added to chapter 10.77 RCW to read as follows:

The department shall collect data so that information can be retrieved based on unique individuals, their complete Washington criminal history and referrals for forensic services.

NEW SECTION. Sec. 19. A new section is added to chapter 10.77 RCW to read as follows:

(1) The department shall coordinate with cities, counties, hospitals, and other public and private entities to identify locations that may be commissioned or renovated for use in treating clients committed to the department for competency evaluation, competency restoration, civil conversion, or treatment following acquittal by reason of insanity.

(2) The department may provide capital grants to entities to accomplish the purposes described in subsection (1) of this section subject to provision of funding provided for this specific purpose.

NEW SECTION. Sec. 20. (1) By January 2, 2024, the health care authority shall implement a pilot project in phase one *Trueblood* settlement regions, by creating three behavioral health crisis systems regional coordinator positions in the Pierce, southwest, and Spokane behavioral health administrative services organization regions. The purpose of the pilot project is to support and assist key participants across the various local voluntary, involuntary, and forensic behavioral health systems to better understand the intersection of these systems, their essential role in and across the system, and how to effectively navigate impacted individuals to the best options based on their circumstances and needs, including by increasing the utilization of assisted outpatient treatment, outpatient competency restoration services, and diversion programs for people living with behavioral health conditions who are involved or likely to have involvement with the criminal legal system.

(2) In carrying out this pilot project, the behavioral health crisis systems regional coordinator shall familiarize themselves with key cross-system participants within the region, including but not limited to:

(a) Department of social and health services personnel and contractors, including those implementing the responsibilities outlined in chapter 10.77 RCW and Titles 71, 71A, and 74 RCW;

(b) Health care authority personnel and contractors, including those implementing the responsibilities outlined in chapter 10.77 RCW and Title 71 RCW;

(c) Behavioral health administrative services organization personnel and contractors implementing the functions outlined in RCW 71.24.045;

(d) Managed care organizations, including personnel implementing the responsibilities outlined in chapter 71.24 RCW and Title 74 RCW;

(e) Participants in the criminal legal system, including: Municipal, district, and superior court personnel; prosecutors; defense counsel representing people for whom there is a doubt as to competency; law enforcement agency personnel; and municipal and county jails;

(f) Local governments and tribal governments located within the region; and

(g) Community-based wraparound service providers, including housing and other supports for people involved in the behavioral health or criminal legal systems.

(3) The behavioral health crisis systems regional coordinators shall develop a robust understanding of the local voluntary, involuntary, and forensic behavioral health systems within the county or counties located within the behavioral health administrative services organization's region, including all system actors, policies, procedures, and programs across the state-operated and regional behavioral health, criminal legal, local government, and social services systems. The behavioral health crisis systems regional coordinators shall also:

(a) Identify challenges within these systems and develop strategies for improved coordination and access to services across systems;

(b) Work with local jurisdictions and the behavioral health administrative services organization, including the assisted outpatient treatment program coordinator established in RCW 71.24.045, to establish or improve assisted outpatient treatment programs, including increased utilization of assisted outpatient treatment for expanded populations;

(c) Work with local jurisdictions and the behavioral health administrative services organization to increase utilization of arrest and jail diversion programs;

(d) Work with local jurisdictions and the behavioral health administrative services organization to increase utilization of outpatient competency restoration program services; and

(e) Provide recommendations on statutory and regulatory changes needed to improve coordination and access to services across behavioral health systems to the joint

legislative and executive committee on behavioral health established within the office of financial management in the omnibus appropriations act for the 2023-2025 biennium.

(4) By September 30, 2025, the health care authority shall provide a preliminary report to the appropriate fiscal and policy committees of the legislature on the progress and outcomes of the pilot project, including steps taken to address identified challenges and improve coordination and access to behavioral health services within each region, and steps taken to establish or improve access to, and expanded utilization of, assisted outpatient treatment, arrest and jail diversion program services, and outpatient competency restoration program services within each region. The report shall also include any recommended statutory changes that are needed to facilitate improved coordination and access to services across behavioral health systems. The authority shall submit a final report by September 1, 2026.

(5) The health care authority, the department of social and health services, and regional managed care organizations shall provide the behavioral health crisis systems regional coordinators with any information that supports the systems improvement work of the behavioral health crisis systems regional coordinator.

(6) This section expires June 30, 2027.

Sec. 21. RCW 10.77.065 and 2019 c 325 s 5006 are each amended to read as follows:

(1)(a)(i) The expert conducting the evaluation shall provide his or her report and recommendation to the court in which the criminal proceeding is pending. For a competency evaluation of a defendant who is released from custody, if the evaluation cannot be completed within twenty-one days due to a lack of cooperation by the defendant, the evaluator shall notify the court that he or she is unable to complete the evaluation because of such lack of cooperation.

(ii) A copy of the report and recommendation shall be provided to the designated crisis responder, the prosecuting attorney, the defense attorney, and the professional person at the local correctional facility where the defendant is being held, or if there is no professional person, to the person designated under (a)(iv) of this subsection. Upon request, the evaluator shall also provide copies of any source documents relevant to the evaluation to the designated crisis responder.

(iii) Any facility providing inpatient services related to competency shall discharge the defendant as soon as the facility determines that the defendant is competent to stand trial. Discharge shall not be postponed during the writing and distribution of the evaluation report. Distribution of an evaluation report by a facility providing inpatient services shall ordinarily be accomplished within two working days or less following the final evaluation of the defendant. If the defendant is discharged to the custody of a local correctional facility, the local

correctional facility must continue the medication regimen prescribed by the facility, when clinically appropriate, unless the defendant refuses to cooperate with medication and an involuntary medication order by the court has not been entered.

(iv) If there is no professional person at the local correctional facility, the local correctional facility shall designate a professional person as defined in RCW 71.05.020 or, in cooperation with the behavioral health administrative services organization, a professional person at the behavioral health administrative services organization to receive the report and recommendation.

(v) Upon commencement of a defendant's evaluation in the local correctional facility, the local correctional facility must notify the evaluator of the name of the professional person, or person designated under (a)(iv) of this subsection, to receive the report and recommendation.

(b) If the evaluator concludes, under RCW 10.77.060(3)((~~f~~))(g), the person should be evaluated by a designated crisis responder under chapter 71.05 RCW, the court shall order such evaluation be conducted prior to release from confinement when the person is acquitted or convicted and sentenced to confinement for twenty-four months or less, or when charges are dismissed pursuant to a finding of incompetent to stand trial.

(2) The designated crisis responder shall provide written notification within twenty-four hours of the results of the determination whether to commence proceedings under chapter 71.05 RCW. The notification shall be provided to the persons identified in subsection (1)(a) of this section.

(3) The prosecuting attorney shall provide a copy of the results of any proceedings commenced by the designated crisis responder under subsection (2) of this section to the secretary.

(4) A facility conducting a civil commitment evaluation under RCW 10.77.086((~~4~~))(7) or 10.77.088((~~1~~)(~~e~~)(~~ii~~))(5)(b) that makes a determination to release the person instead of filing a civil commitment petition must provide written notice to the prosecutor and defense attorney at least twenty-four hours prior to release. The notice may be given by email, facsimile, or other means reasonably likely to communicate the information immediately.

(5) The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services under this chapter may also be disclosed to the courts solely to prevent the entry of any evaluation or treatment order that is inconsistent with any order entered under chapter 71.05 RCW.

Sec. 22. RCW 71.05.280 and 2022 c 210 s 15 are each amended to read as follows:

At the expiration of the fourteen-day period of intensive treatment, a person may be committed for further treatment pursuant to RCW 71.05.320 if:

(1) Such person after having been taken into custody for evaluation and treatment

has threatened, attempted, or inflicted: (a) Physical harm upon the person of another or himself or herself, or substantial damage upon the property of another, and (b) as a result of a behavioral health disorder presents a likelihood of serious harm; or

(2) Such person was taken into custody as a result of conduct in which he or she attempted or inflicted physical harm upon the person of another or himself or herself, or substantial damage upon the property of others, and continues to present, as a result of a behavioral health disorder, a likelihood of serious harm; or

(3) Such person has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.086((~~4~~))(7), and has committed acts constituting a felony, and as a result of a behavioral health disorder, presents a substantial likelihood of repeating similar acts.

(a) In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the crime;

(b) For any person subject to commitment under this subsection where the charge underlying the finding of incompetence is for a felony classified as violent under RCW 9.94A.030, the court shall determine whether the acts the person committed constitute a violent offense under RCW 9.94A.030; or

(4) Such person is gravely disabled.

Sec. 23. RCW 71.05.290 and 2022 c 210 s 16 are each amended to read as follows:

(1) At any time during a person's 14-day intensive treatment period, the professional person in charge of a treatment facility or his or her professional designee or the designated crisis responder may petition the superior court for an order requiring such person to undergo an additional period of treatment. Such petition must be based on one or more of the grounds set forth in RCW 71.05.280.

(2)(a)(i) The petition shall summarize the facts which support the need for further commitment and shall be supported by affidavits based on an examination of the patient and signed by:

(A) One physician, physician assistant, or psychiatric advanced registered nurse practitioner; and

(B) One physician, physician assistant, psychiatric advanced registered nurse practitioner, or mental health professional.

(ii) If the petition is for substance use disorder treatment, the petition may be signed by a substance use disorder professional instead of a mental health professional and by an advanced registered nurse practitioner instead of a psychiatric advanced registered nurse practitioner.

(b) The affidavits shall describe in detail the behavior of the detained person which supports the petition and shall explain what, if any, less restrictive treatments which are alternatives to detention are available to such person, and shall state the willingness of the affiant to testify to such facts in subsequent judicial proceedings under this chapter. If less restrictive alternative treatment is sought, the petition shall set forth any

recommendations for less restrictive alternative treatment services.

(3) If a person has been determined to be incompetent pursuant to RCW 10.77.086(~~((4))~~) (7), then the professional person in charge of the treatment facility or his or her professional designee or the designated crisis responder may directly file a petition for 180-day treatment under RCW 71.05.280(3), or for 90-day treatment under RCW 71.05.280 (1), (2), or (4). No petition for initial detention or 14-day detention is required before such a petition may be filed.

Sec. 24. RCW 71.05.300 and 2020 c 302 s 43 are each amended to read as follows:

(1) The petition for ninety day treatment shall be filed with the clerk of the superior court at least three days before expiration of the fourteen-day period of intensive treatment. The clerk shall set a trial setting date as provided in RCW 71.05.310 on the next judicial day after the date of filing the petition and notify the designated crisis responder. The designated crisis responder shall immediately notify the person detained, his or her attorney, if any, and his or her guardian or conservator, if any, the prosecuting attorney, and the behavioral health administrative services organization administrator, and provide a copy of the petition to such persons as soon as possible. The behavioral health administrative services organization administrator or designee may review the petition and may appear and testify at the full hearing on the petition.

(2) The attorney for the detained person shall advise him or her of his or her right to be represented by an attorney, his or her right to a jury trial, and, if the petition is for commitment for mental health treatment, his or her loss of firearm rights if involuntarily committed. If the detained person is not represented by an attorney, or is indigent or is unwilling to retain an attorney, the court shall immediately appoint an attorney to represent him or her. The court shall, if requested, appoint a reasonably available licensed physician, physician assistant, psychiatric advanced registered nurse practitioner, psychologist, psychiatrist, or other professional person, designated by the detained person to examine and testify on behalf of the detained person.

(3) The court may, if requested, also appoint a professional person as defined in RCW 71.05.020 to seek less restrictive alternative courses of treatment and to testify on behalf of the detained person. In the case of a person with a developmental disability who has been determined to be incompetent pursuant to RCW 10.77.086(~~((4))~~) (7), the appointed professional person under this section shall be a developmental disabilities professional.

Sec. 25. RCW 71.05.425 and 2021 c 264 s 19 are each amended to read as follows:

(1)(a) Except as provided in subsection (2) of this section, at the earliest possible date, and in no event later than thirty days before conditional release,

final release, authorized leave under RCW 71.05.325(2), or transfer to a facility other than a state mental hospital, the superintendent shall send written notice of conditional release, release, authorized leave, or transfer of a person committed under RCW 71.05.280(3) or 71.05.320(4)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(~~((4))~~) (7) to the following:

(i) The chief of police of the city, if any, in which the person will reside;

(ii) The sheriff of the county in which the person will reside; and

(iii) The prosecuting attorney of the county in which the criminal charges against the committed person were dismissed.

(b) The same notice as required by (a) of this subsection shall be sent to the following, if such notice has been requested in writing about a specific person committed under RCW 71.05.280(3) or 71.05.320(4)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(~~((4))~~) (7):

(i) The victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(~~((4))~~) (7) preceding commitment under RCW 71.05.280(3) or 71.05.320(4)(c) or the victim's next of kin if the crime was a homicide;

(ii) Any witnesses who testified against the person in any court proceedings;

(iii) Any person specified in writing by the prosecuting attorney. Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the person committed under this chapter; and

(iv) The chief of police of the city, if any, and the sheriff of the county, if any, which had jurisdiction of the person on the date of the applicable offense.

(c) The thirty-day notice requirements contained in this subsection shall not apply to emergency medical transfers.

(d) The existence of the notice requirements in this subsection will not require any extension of the release date in the event the release plan changes after notification.

(2) If a person committed under RCW 71.05.280(3) or 71.05.320(4)(c) following dismissal of a sex, violent, or felony harassment offense pursuant to RCW 10.77.086(~~((4))~~) (7) escapes, the superintendent shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the person escaped and in which the person resided immediately before the person's arrest and the prosecuting attorney of the county in which the criminal charges against the committed person were dismissed. If previously requested, the superintendent shall also notify the witnesses and the victim of the sex, violent, or felony harassment offense that was dismissed pursuant to RCW 10.77.086(~~((4))~~) (7) preceding commitment under RCW 71.05.280(3) or 71.05.320(4) or the victim's next of kin if the crime was a homicide. In addition,

the secretary shall also notify appropriate parties pursuant to RCW 70.02.230(2)(o). If the person is recaptured, the superintendent shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department of social and health services learns of such recapture.

(3) If the victim, the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parent or legal guardian of the child.

(4) The superintendent shall send the notices required by this chapter to the last address provided to the department of social and health services by the requesting party. The requesting party shall furnish the department of social and health services with a current address.

(5) For purposes of this section the following terms have the following meanings:

(a) "Violent offense" means a violent offense under RCW 9.94A.030;

(b) "Sex offense" means a sex offense under RCW 9.94A.030;

(c) "Next of kin" means a person's spouse, state registered domestic partner, parents, siblings, and children;

(d) "Felony harassment offense" means a crime of harassment as defined in RCW 9A.46.060 that is a felony.

Sec. 26. RCW 71.09.025 and 2009 c 409 s 2 are each amended to read as follows:

(1)(a) When it appears that a person may meet the criteria of a sexually violent predator as defined in RCW 71.09.020(~~((16))~~), the agency with jurisdiction shall refer the person in writing to the prosecuting attorney of the county in which an action under this chapter may be filed pursuant to RCW 71.09.030 and the attorney general, three months prior to:

(i) The anticipated release from total confinement of a person who has been convicted of a sexually violent offense;

(ii) The anticipated release from total confinement of a person found to have committed a sexually violent offense as a juvenile;

(iii) Release of a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial pursuant to RCW 10.77.086(~~((4))~~) (7); or

(iv) Release of a person who has been found not guilty by reason of insanity of a sexually violent offense pursuant to RCW 10.77.020(3).

(b) The agency shall provide the prosecuting agency with all relevant information including but not limited to the following information:

(i) A complete copy of the institutional records compiled by the department of corrections relating to the person, and any such out-of-state department of corrections' records, if available;

(ii) A complete copy, if applicable, of any file compiled by the indeterminate sentence review board relating to the person;

(iii) All records relating to the psychological or psychiatric evaluation and/or treatment of the person;

(iv) A current record of all prior arrests and convictions, and full police case reports relating to those arrests and convictions; and

(v) A current mental health evaluation or mental health records review.

(c) The prosecuting agency has the authority, consistent with RCW 72.09.345(~~((3))~~) (4), to obtain all records relating to the person if the prosecuting agency deems such records are necessary to fulfill its duties under this chapter. The prosecuting agency may only disclose such records in the course of performing its duties pursuant to this chapter, unless otherwise authorized by law.

(d) The prosecuting agency has the authority to utilize the inquiry judge procedures of chapter 10.27 RCW prior to the filing of any action under this chapter to seek the issuance of compulsory process for the production of any records necessary for a determination of whether to seek the civil commitment of a person under this chapter. Any records obtained pursuant to this process may only be disclosed by the prosecuting agency in the course of performing its duties pursuant to this chapter, or unless otherwise authorized by law.

(2) The agency, its employees, and officials shall be immune from liability for any good-faith conduct under this section.

(3) As used in this section, "agency with jurisdiction" means that agency with the authority to direct the release of a person serving a sentence or term of confinement and includes the department of corrections, the indeterminate sentence review board, and the department of social and health services.

Sec. 27. RCW 71.09.030 and 2009 c 409 s 3 are each amended to read as follows:

(1) A petition may be filed alleging that a person is a sexually violent predator and stating sufficient facts to support such allegation when it appears that: (a) A person who at any time previously has been convicted of a sexually violent offense is about to be released from total confinement; (b) a person found to have committed a sexually violent offense as a juvenile is about to be released from total confinement; (c) a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial is about to be released, or has been released, pursuant to RCW 10.77.086(~~((4))~~) (7); (d) a person who has been found not guilty by reason of insanity of a sexually violent offense is about to be released, or has been released, pursuant to RCW 10.77.020(3), 10.77.110 (1) or (3), or 10.77.150; or (e) a person who at any time previously has been convicted of a sexually violent offense and has since been released from total confinement and has committed a recent overt act.

(2) The petition may be filed by:

(a) The prosecuting attorney of a county in which:

(i) The person has been charged or convicted with a sexually violent offense;

(ii) A recent overt act occurred involving a person covered under subsection (1)(e) of this section; or

(iii) The person committed a recent overt act, or was charged or convicted of a criminal offense that would qualify as a recent overt act, if the only sexually violent offense charge or conviction occurred in a jurisdiction other than Washington; or

(b) The attorney general, if requested by the county prosecuting attorney identified in (a) of this subsection. If the county prosecuting attorney requests that the attorney general file and prosecute a case under this chapter, then the county shall charge the attorney general only the fees, including filing and jury fees, that would be charged and paid by the county prosecuting attorney, if the county prosecuting attorney retained the case.

Sec. 28. RCW 71.09.060 and 2009 c 409 s 6 are each amended to read as follows:

(1) The court or jury shall determine whether, beyond a reasonable doubt, the person is a sexually violent predator. In determining whether or not the person would be likely to engage in predatory acts of sexual violence if not confined in a secure facility, the fact finder may consider only placement conditions and voluntary treatment options that would exist for the person if unconditionally released from detention on the sexually violent predator petition. The community protection program under RCW 71A.12.230 may not be considered as a placement condition or treatment option available to the person if unconditionally released from detention on a sexually violent predator petition. When the determination is made by a jury, the verdict must be unanimous.

If, on the date that the petition is filed, the person was living in the community after release from custody, the state must also prove beyond a reasonable doubt that the person had committed a recent overt act. If the state alleges that the prior sexually violent offense that forms the basis for the petition for commitment was an act that was sexually motivated as provided in RCW 71.09.020(~~((15)-(e))~~) (18)(c), the state must prove beyond a reasonable doubt that the alleged sexually violent act was sexually motivated as defined in RCW 9.94A.030.

If the court or jury determines that the person is a sexually violent predator, the person shall be committed to the custody of the department of social and health services for placement in a secure facility operated by the department of social and health services for control, care, and treatment until such time as: (a) The person's condition has so changed that the person no longer meets the definition of a sexually violent predator; or (b) conditional release to a less restrictive alternative as set forth in RCW 71.09.092 is in the best interest of the person and conditions can be imposed that would adequately protect the community.

If the court or unanimous jury decides that the state has not met its burden of proving that the person is a sexually violent predator, the court shall direct the person's release.

If the jury is unable to reach a unanimous verdict, the court shall declare a mistrial and set a retrial within forty-five days of the date of the mistrial unless the prosecuting agency earlier moves to dismiss the petition. The retrial may be continued upon the request of either party accompanied by a showing of good cause, or by the court on its own motion in the due administration of justice provided that the respondent will not be substantially prejudiced. In no event may the person be released from confinement prior to retrial or dismissal of the case.

(2) If the person charged with a sexually violent offense has been found incompetent to stand trial, and is about to be or has been released pursuant to RCW 10.77.086(~~((4))~~) (7), and his or her commitment is sought pursuant to subsection (1) of this section, the court shall first hear evidence and determine whether the person did commit the act or acts charged if the court did not enter a finding prior to dismissal under RCW 10.77.086(~~((4))~~) (7) that the person committed the act or acts charged. The hearing on this issue must comply with all the procedures specified in this section. In addition, the rules of evidence applicable in criminal cases shall apply, and all constitutional rights available to defendants at criminal trials, other than the right not to be tried while incompetent, shall apply. After hearing evidence on this issue, the court shall make specific findings on whether the person did commit the act or acts charged, the extent to which the person's incompetence or developmental disability affected the outcome of the hearing, including its effect on the person's ability to consult with and assist counsel and to testify on his or her own behalf, the extent to which the evidence could be reconstructed without the assistance of the person, and the strength of the prosecution's case. If, after the conclusion of the hearing on this issue, the court finds, beyond a reasonable doubt, that the person did commit the act or acts charged, it shall enter a final order, appealable by the person, on that issue, and may proceed to consider whether the person should be committed pursuant to this section.

(3) Except as otherwise provided in this chapter, the state shall comply with RCW 10.77.220 while confining the person. During all court proceedings where the person is present, the person shall be detained in a secure facility. If the proceedings last more than one day, the person may be held in the county jail for the duration of the proceedings, except the person may be returned to the department's custody on weekends and court holidays if the court deems such a transfer feasible. The county shall be entitled to reimbursement for the cost of housing and transporting the person pursuant to rules adopted by the secretary. The department shall not place the person, even temporarily, in a facility on the grounds of any state mental facility or

regional habilitation center because these institutions are insufficiently secure for this population.

(4) A court has jurisdiction to order a less restrictive alternative placement only after a hearing ordered pursuant to RCW 71.09.090 following initial commitment under this section and in accord with the provisions of this chapter.

NEW SECTION. Sec. 29. Sections 6, 7, and 9 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately.

NEW SECTION. Sec. 30. (1) Section 7 of this act expires when section 8 of this act takes effect.

(2) The department of social and health services shall provide written notice of the expiration date of section 7 of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the department.

NEW SECTION. Sec. 31. Section 13 of this act takes effect December 1, 2023.

NEW SECTION. Sec. 32. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 51.08.142 and 2020 c 234 s 1 are each amended to read as follows:

(1) Except as provided in ~~((subsection))~~ subsections (2) and (3) of this section, the department shall adopt a rule pursuant to chapter 34.05 RCW that claims based on mental conditions or mental disabilities caused by stress do not fall within the definition of occupational disease in RCW 51.08.140.

(2)(a) Except as provided in (b) and (c) of this subsection, the rule adopted under subsection (1) of this section shall not apply to occupational disease claims resulting from posttraumatic stress disorders of firefighters as defined in RCW 41.26.030(17) (a), (b), (c), and (h) and firefighters, including supervisors, employed on a full-time, fully compensated basis as a firefighter of a private sector employer's fire department that includes over fifty such firefighters, and law enforcement officers as defined in RCW 41.26.030(19) (b), (c), and (e), and public safety telecommunicators who receive calls for assistance and dispatch emergency services.

(b) For firefighters as defined in RCW 41.26.030(17) (a), (b), (c), and (h) and firefighters, including supervisors, employed on a full-time, fully compensated basis as a firefighter of a private sector employer's fire department that includes over fifty such firefighters, and law enforcement officers as defined in RCW 41.26.030(19) (b), (c), and (e) hired after June 7, 2018, and public safety telecommunicators hired after June 11, 2020, (a) of this subsection only applies if the firefighter or law enforcement officer or public safety telecommunicator, as a condition of employment, has submitted to a psychological examination administered by a psychiatrist licensed in the state of Washington under chapter 18.71 RCW or a psychologist licensed in the state of Washington under chapter 18.83 RCW that ruled out the presence of posttraumatic stress disorder from preemployment exposures. If the employer does not provide the psychological examination, (a) of this subsection applies.

(c) Posttraumatic stress disorder for purposes of ~~((this subsection))~~ subsections (2) and (3) of this section is not considered an occupational disease if the disorder is directly attributed to

disciplinary action, work evaluation, job transfer, layoff, demotion, termination, or similar action taken in good faith by an employer.

(d) "Public safety telecommunicators" means individuals who receive and respond to telephone or other electronic requests for emergency assistance, such as law enforcement, fire, and medical services, and dispatch appropriate emergency responders.

(3)(a) Except as provided in this subsection, the rule adopted under subsection (1) of this section shall not apply to occupational disease claims resulting from posttraumatic stress disorders of direct care registered nurses as defined in section 2 of this act.

(b) The limitation in subsection (2)(c) of this section also applies to this subsection (3).

(c) This subsection (3) applies only to a direct care registered nurse who has posttraumatic stress disorder that develops or manifests itself after the individual has been employed on a fully compensated basis as a direct care registered nurse in Washington state for at least 90 consecutive days.

NEW SECTION. Sec. 2. A new section is added to chapter 51.32 RCW to read as follows:

(1) In the case of direct care registered nurses covered under this title who are employed on a fully compensated basis, there exists a prima facie presumption that posttraumatic stress disorder is an occupational disease under RCW 51.08.140. This section applies only to a direct care registered nurse who has posttraumatic stress disorder that develops or manifests itself after the individual has been employed on a fully compensated basis as a direct care registered nurse in Washington state for at least 90 consecutive days.

(2) The presumption may be rebutted by a preponderance of the evidence.

(3) The presumption extends to a claimant following termination of employment for a period of three calendar months for each year the claimant was a direct care registered nurse employed on a fully compensated basis, but may not extend more than 60 months following the last date of employment.

(4)(a) When a determination involving the presumption established under this section is appealed to the board of industrial insurance appeals and the final decision allows the claim for benefits, the board of industrial insurance appeals shall order that all reasonable costs of the appeal, including attorneys' fees and witness fees, be paid to the claimant or his or her beneficiary by the opposing party.

(b) When determination involving the presumption established under this section is appealed to any court and the final decision allows the claim for benefits, the court shall order that all reasonable costs of the appeal, including attorneys' fees and witness fees, be paid to the claimant or his or her beneficiary by the opposing party.

(c) When reasonable costs of the appeal must be paid by the department under this

section in a state fund case, the costs shall be paid from the accident fund and charged to the costs of the claim.

(5) For purposes of this section, "direct care registered nurse" means an individual licensed as a nurse under chapter 18.79 RCW who provides direct care to patients.

NEW SECTION. Sec. 3. This act takes effect January 1, 2024."

Prime Sponsor, Senator King: Concerning parking at rest areas. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 47.38.020 and 2019 c 436 s 1 are each amended to read as follows:

(1) Except where specifically authorized by the department, it is unlawful for any person or persons to stop, stand, or park any vehicle, including but not limited to trailers, campers, and motorcycles, for more than eight hours within a ~~((twenty-four))~~ 24 hour period, or for any person or persons to camp or to maintain a camp, tent, or other sleeping accommodation or facility, in any safety rest area within the limits of the right-of-way of interstate highways or other state highways or in other areas of state or interstate highways as designated in RCW 47.12.250. The department may also designate zones within a safety rest area with shorter parking time limits for the purposes of maximum efficiency and safety. Commercial vehicles may park up to an hour beyond federally mandated rest periods.

(2) Except where specifically authorized by the department, it is unlawful for any person or persons to stop, stand, or park any disabled vehicle, including but not limited to trailers, campers, and motorcycles, in any safety rest area for more than ~~((forty-eight))~~ 48 hours, after which time the vehicle is subject to mandatory impoundment under RCW 46.55.080(1).

(3) The department shall post appropriate signage ~~((consistent with RCW 46.55.070(1)))~~ at all safety rest areas regarding the

parking time limits in this section. The signage shall be posted near each entrance and on the property in a clearly conspicuous and visible location to all who park on such property, and shall clearly indicate:

(a) When a vehicle may be impounded as an unauthorized vehicle; and

(b) A phone number for contacting the law enforcement agency or the department to locate the impounded vehicle.

(4) The Washington state patrol shall enforce this section consistent with RCW 46.55.080(1), and to the maximum extent practicable."

SB 5497 Prime Sponsor, Senator Wilson, L.:
Concerning medicaid expenditures. Reported
by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** (1) The legislature intends to ensure that the medicaid program is operating under sound fiscal stewardship. This requires dedicated program integrity efforts focused on paying the right dollar amount to the right provider for the right reason. Strengthening program integrity efforts helps to ensure that every medicaid dollar stretches as far as possible for those insured through medicaid.

(2) The legislature finds that the health care authority is responsible for overseeing all of Washington's medicaid programs, including those administered by other state agencies. Effective oversight by the health care authority will advance the legislature's objective of ensuring that the right services are delivered to the right person at the right time with measurable outcomes.

Sec. 2. RCW 74.04.050 and 2011 1st sp.s. c 15 s 64 are each amended to read as follows:

(1) The department is designated as the single state agency to administer the following public assistance programs:

(a) Temporary assistance (~~(to~~ ~~{for})~~) for needy families;

(b) Child welfare services; and

(c) Any other programs of public assistance for which provision for federal grants or funds may from time to time be made, except as otherwise provided by law.

(2) The authority is hereby designated as the single state agency to administer the medical services programs established under chapter 74.09 RCW, including the state children's health insurance program, Titles XIX and XXI of the federal social security act of 1935, as amended. As the state's medicaid agency, the authority is responsible for providing reasonable oversight of all medicaid program integrity activities required by federal regulation. The authority shall establish and maintain effective internal control over any state agency that receives medicaid funding in compliance with federal regulation.

(3) The department and the authority are hereby empowered and authorized to cooperate in the administration of such federal laws, consistent with the public assistance laws of this state, as may be necessary to qualify for federal funds.

(4) The state hereby accepts and assents to all the present provisions of the federal law under which federal grants or funds, goods, commodities, and services are extended to the state for the support of programs referenced in this section, and to such additional legislation as may subsequently be enacted as is not inconsistent with the purposes of this title, authorizing public welfare and assistance activities. The provisions of this title shall be so administered as to conform with federal requirements with respect to eligibility for the receipt of federal grants or funds.

(5) The department and the authority shall periodically make application for federal grants or funds and submit such plans, reports and data, as are required by any act of congress as a condition precedent to the receipt of federal funds for such assistance. The department and the authority shall make and enforce such rules and regulations as shall be necessary to insure compliance with the terms and conditions of such federal grants or funds.

NEW SECTION. **Sec. 3.** A new section is added to chapter 74.09 RCW to read as follows:

(1) The authority shall provide administrative oversight for all funds received under the medical assistance program, as codified in Title XIX of the federal social health security act, the state children's health insurance program, as codified in Title XXI of the federal social security act, and any other federal medicaid funding to ensure that:

(a) All funds are spent according to federal and state laws and regulations;

(b) Delivery of services aligns with federal statutes and regulations;

(c) Corrective action plans are put in place if expenditures or services do not align with federal requirements; and

(d) Sound fiscal stewardship of medicaid funding in all agencies where medicaid funding is provided.

(2) The authority shall develop a strategic plan and performance measures for medicaid program integrity. The strategic plan must include stated strategic goals, agreed-upon objectives, performance

measures, and a system to monitor progress and hold responsible parties accountable. In developing the strategic plan, the authority shall create a management information and reporting strategy with performance measures and management reports.

(3) The authority shall oversee the medicaid program resources of any state agency expending medicaid funding, including but not limited to:

(a) Regularly reviewing delegated work;

(b) Jointly reviewing required reports on terminated or sanctioned providers, compliance data, and application data;

(c) Requiring assurances that operational functions have been implemented;

(d) Reviewing audits performed on the sister state agency; and

(e) Assisting with risk assessments, setting goals, and developing policies and procedures.

(4) The authority shall develop and maintain a single, statewide medicaid fraud and abuse prevention plan consistent with the national medicaid fraud and abuse initiative or current federal best practice as recognized by the centers for medicare and medicaid services.

(5) The authority must follow best practices for identifying improper medicaid spending when implementing its program integrity activities, including but not limited to:

(a) Conducting risk assessments or evaluating leads with established risk factors;

(b) Relying on data analytics to generate leads;

(c) Conducting a preliminary review of incoming leads, which includes analyzing data about the lead and may include reviewing records such as billing histories;

(d) Determining the credibility of all allegations of potential fraud prior to referral to the state's medicaid fraud control unit;

(e) Analyzing all leads under review by the state's managed care organizations;

(f) Working with federally recognized experts that help state integrity programs improve their data analytics and identify potential fraud across medicare and medicaid such as unified program integrity contractors; and

(g) Maintaining a current fraud and abuse detection system.

NEW SECTION. Sec. 4. A new section is added to chapter 74.09 RCW to read as follows:

(1) Beginning January 1, 2024, the authority's contracts with managed care organizations must clearly detail each party's requirements for maintaining program integrity and the consequences the managed care organizations face if they do not meet the requirements. The contract must ensure the penalties are adequate to ensure compliance.

(2) The authority shall follow leading program integrity practices as recommended by the centers for medicare and medicaid services, including but not limited to:

(a) Monthly reporting and quarterly meetings with managed care organizations to

discuss program integrity issues and findings as well as trends in fraud and other improper payments;

(b) Financial penalties for failure to fulfill program integrity requirements, including liquidated damages and sanctions;

(c) Directly auditing providers and:

(i) Recovering overpayments from the providers; or

(ii) Assessing liquidated damages against the managed care organizations;

(d) Ensuring recoveries and liquidated damages resulting from overpayments are properly accounted for and applied to managed care encounters to ensure accurate future rate setting; and

(e) Ensuring all contracts with managed care organizations are updated as appropriate to reflect program integrity requirements."

Prime Sponsor, Ways & Means: Ensuring access to substance use disorder treatment. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Community Safety, Justice, & Reentry.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 9.94A.733 and 2021 c 266 s 1 are each amended to read as follows:

(1)(a) Except as provided in (b) of this subsection, an offender may not participate in the graduated reentry program under this subsection unless he or she has served at

least six months in total confinement in a state correctional facility.

(i) An offender subject to (a) of this subsection may serve no more than the final five months of the offender's term of confinement in partial confinement as home detention as part of the graduated reentry program developed by the department.

(ii) Home detention under (a) of this subsection may not be imposed for individuals subject to a deportation order, civil commitment, or the interstate compact for adult offender supervision under RCW 9.94A.745.

(b) For offenders who meet the requirements of (b)(iii) of this subsection, an offender may not participate in the graduated reentry program unless he or she has served at least four months in total confinement in a state correctional facility.

(i) An offender under this subsection (1)(b) may serve no more than the final 18 months of the offender's term of confinement in partial confinement as home detention as part of the graduated reentry program developed by the department.

(ii) Home detention under this subsection (1)(b) may not be imposed for individuals subject to a deportation order or subject to the jurisdiction of the indeterminate sentence review board.

(iii) Home detention under this subsection (1)(b) may not be imposed for offenders currently serving a term of confinement for the following offenses:

(A) Any sex offense;

(B) Any violent offense; or

(C) Any crime against a person offense in accordance with the categorization of crimes against persons outlined in RCW 9.94A.411(2).

(2) The secretary of the department may transfer an offender from a department correctional facility to home detention in the community if it is determined that the graduated reentry program is an appropriate placement and must assist the offender's transition from confinement to the community.

(3) The department and its officers, agents, and employees are not liable for the acts of offenders participating in the graduated reentry program unless the department or its officers, agents, and employees acted with willful and wanton disregard.

(4)(a) All offenders placed on home detention as part of the graduated reentry program must provide an approved residence and living arrangement prior to transfer to home detention.

(b) The department may not transfer an offender to participate in the graduated reentry program until the department has conducted a comprehensive assessment for substance use disorder. If the offender is assessed to have a substance use disorder, the department shall assist the offender in enrolling in substance use disorder treatment services at the level deemed appropriate by the assessment. Offenders transferred to participate in the graduated reentry program must begin receiving substance use disorder treatment services as soon as practicable after transfer to avoid

any delays in treatment. Substance use disorder treatment services shall include, as deemed necessary by the assessment, access to medication-assisted treatment and counseling programs. Upon transfer to the graduated reentry program, when clinically appropriate, individuals must be provided with access to self-administered fentanyl testing supplies and medications designed to reverse the effects of opioid overdose.

(5) While in the community on home detention as part of the graduated reentry program, the department must:

(a) Require the offender to be placed on electronic home monitoring;

(b) Require the offender to participate in programming and treatment that the department shall assign based on an offender's assessed need; and

(c) Assign a community corrections officer who will monitor the offender's compliance with conditions of partial confinement and programming requirements.

(6) The department retains the authority to return any offender serving partial confinement in the graduated reentry program to total confinement for any reason including, but not limited to, the offender's noncompliance with any sentence requirement.

(7) The department may issue rental vouchers for a period not to exceed six months for those transferring to partial confinement under this section if an approved address cannot be obtained without the assistance of a voucher.

(8) In the selection of offenders to participate in the graduated reentry program, and in setting, modifying, and enforcing the requirements of the graduated reentry program, the department is deemed to be performing a quasi-judicial function.

(9) The department shall publish a monthly report on its website with the number of offenders who were transferred during the month to home detention as part of the graduated reentry program. The department shall submit an annual report by December 1st to the appropriate committees of the legislature with the number of offenders who were transferred to home detention as part of the graduated reentry program during the prior year.

(10)(a) Beginning July 1, 2023, the following data must be collected and posted to the department's website on a monthly basis:

(i) The number of offenders who were transferred to the graduated reentry program who were assessed to have a substance use disorder during the prior calendar month; and

(ii) The number of offenders in the graduated reentry program who received during the prior 12 months:

(A) Outpatient substance use disorder treatment;

(B) Inpatient substance use disorder treatment; and

(C) Both outpatient and inpatient substance use disorder treatment.

(b) Beginning July 1, 2023, the health care authority must report monthly to the department on the number of offenders in the graduated reentry program who received substance use disorder outpatient treatment,

while in the community, during the prior 12 months.

(11) The department must share data with the health care authority on offenders participating in the graduated reentry program.

SSB 5504 Prime Sponsor, Transportation: Addressing open motor vehicle safety recalls. Reported by Committee on Transportation

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. This act requires an official motor vehicle inspection facility or licensed private inspection facility to provide written notice to the owner of a motor vehicle being inspected for all open safety recalls applicable to the motor vehicle at the time the motor vehicle is inspected. The recall notice must include a description of each open safety recall and a statement that each open safety recall may be repaired by certain motor vehicle dealers at no cost to the owner, except in certain circumstances. This act requires the department of licensing to provide written notice to the owner of a motor vehicle, at the time a vehicle is registered or upon mailing a motor vehicle's registration renewal notice, of all open safety recalls applicable to the motor vehicle. The recall notice is to include a statement that each open safety recall may be repaired by certain motor vehicle dealers at no cost to the owner, except in certain circumstances.

Nothing in this act may alter the liability of any motor vehicle manufacturer or motor vehicle dealer approved by a manufacturer to repair an open safety recall.

NEW SECTION. Sec. 2. A new section is added to chapter 46.32 RCW to read as follows:

(1) During a motor vehicle inspection, an official inspection facility, or licensed private inspection facility, shall check

information made available by the national highway traffic safety administration to determine whether the motor vehicle being inspected is subject to an open safety recall. If the vehicle is subject to one or more open safety recalls, the official inspection facility or licensed private inspection facility, shall provide the owner of the motor vehicle, at the time of inspection, written notice of all open safety recalls applicable to the motor vehicle. The recall notice must include the following:

(a) A description of each open safety recall; and

(b) A statement that each open safety recall may be repaired by a motor vehicle dealer approved by the manufacturer of the motor vehicle at no cost to the owner of the motor vehicle, except as provided in 49 U.S.C. Sec. 30120.

(2) Nothing in this section alters the liability of any motor vehicle manufacturer or motor vehicle dealer approved by the manufacturer to repair an open safety recall.

(3) (a) The chief of the Washington state patrol and the chief of the Washington state patrol's designees, for the purposes of discharging their duties pursuant to this act are not liable for any act or omission related to the provision of an open safety recall notice and are immune from any related civil suit or action.

(b) For the purposes of discharging their duties pursuant to this act, a private inspection facility or its owner and employees are not liable to any person for any act or omission related to the open safety recall notice provided pursuant to this section, except for cases of gross negligence.

(4) For the purposes of this section, "open safety recall" means a safety-related recall, for which notification by a manufacturer is required to be provided under 49 U.S.C. Secs. 30118 and 30119, that necessitates repairs or modifications to a motor vehicle by an authorized motor vehicle dealer. "Open safety recall" does not include: Recalls related to defects or failures to comply with requirements relating to labeling or notification in a motor vehicle's owner's manual; or recalls where the remedy is for the manufacturer to repurchase the motor vehicle or otherwise provide financial compensation to the owner of the motor vehicle.

NEW SECTION. Sec. 3. A new section is added to chapter 46.16A RCW to read as follows:

(1) (a) The department shall, before issuing a motor vehicle registration or mailing a motor vehicle registration renewal notice, check information made available by the national highway traffic safety administration to determine whether the motor vehicle is subject to an open safety recall. For a vehicle that is subject to one or more open safety recalls, the department shall provide the owner of the motor vehicle written notice of all open safety recalls applicable to the motor vehicle. The recall notice must be provided at the time the

vehicle is registered as well as be included in any registration renewal notices sent to consumers by the department. The renewal notice must include a statement that the vehicle has one or more open safety recalls that may be repaired by a motor vehicle dealer approved by the manufacturer of the motor vehicle at no cost to the owner of the motor vehicle, except as provided in 49 U.S.C. Sec. 30120.

(b) The department shall include as part of any reminder notices sent to consumers before the expiration of their registration a notice that their vehicle has one or more open safety recalls and that each open safety recall may be repaired by a motor vehicle dealer approved by the manufacturer of the motor vehicle at no cost to the owner of the motor vehicle, except as provided in 49 U.S.C. Sec. 30120.

(2) Nothing in this section alters the liability of any motor vehicle manufacturer or motor vehicle dealer approved by the manufacturer to repair an open safety recall.

(3) The director and director's designees including, pursuant to RCW 46.01.140, county auditors, agents, and subagents, for the purposes of discharging their duties pursuant to this act are not liable for any act or omission related to the provision of an open safety recall notice and are immune from any related civil suit or action, consistent with RCW 46.01.310.

(4) For the purposes of this section, "open safety recall" means a safety-related recall, for which notification by a manufacturer is required to be provided under 49 U.S.C. Secs. 30118 and 30119, that necessitates repairs or modifications to a motor vehicle by an authorized motor vehicle dealer. "Open safety recall" does not include: Recalls related to defects or failures to comply with requirements relating to labeling or notification in a motor vehicle's owner's manual; or recalls where the remedy is for the manufacturer to repurchase the motor vehicle or otherwise provide financial compensation to the owner of the motor vehicle.

SSB 5523 Prime Sponsor, Higher Education & Workforce Development: Addressing the forensic pathologist shortage. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** Forensic pathologists are medically trained doctors who perform autopsies. For the last decade, there has been a persistent shortage in forensic pathologists both locally and nationally and this problem has only grown worse. It is the intent of the legislature to incentivize people to enter the profession by alleviating the student loan burden for medically trained forensic pathologists.

Sec. 2. RCW 28B.115.020 and 2022 c 276 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Approved nursing program" means a nursing educational program that leads to a degree or licensure in nursing that is approved by the nursing care quality assurance commission under RCW 18.79.070 and is located at an institution of higher education that is authorized to participate in state financial aid programs under chapter 28B.92 RCW.

(2) "Council" means the Washington state forensic investigations council created in chapter 43.103 RCW.

(3) "Credentialed health care profession" means a health care profession regulated by a disciplining authority in the state of Washington under RCW 18.130.040 or by the pharmacy quality assurance commission under

chapter 18.64 RCW and designated by the department in RCW 28B.115.070 as a profession having shortages of credentialed health care professionals in the state.

~~((3))~~ (4) "Credentialed health care professional" means a person regulated by a disciplining authority in the state of Washington to practice a health care profession under RCW 18.130.040 or by the pharmacy quality assurance commission under chapter 18.64 RCW.

~~((4))~~ (5) "Department" means the state department of health.

~~((5))~~ (6) "Eligible education and training programs" means education and training programs approved by the department that lead to eligibility for a credential as a credentialed health care professional.

~~((6))~~ (7) "Eligible expenses" means reasonable expenses associated with the costs of acquiring an education such as tuition, books, equipment, fees, room and board, and other expenses determined by the office.

~~((7))~~ (8) "Eligible student" means a student who has been accepted into an eligible education or training program and has a declared intention to serve in a health professional shortage area upon completion of the education or training program.

~~((8))~~ (9) "Forgiven" or "to forgive" or "forgiveness" means to render health care services in a health professional shortage area, an underserved behavioral health area, or as a nurse educator in the state of Washington in lieu of monetary repayment.

~~((9))~~ (10) "Health professional shortage areas" means those areas where credentialed health care professionals are in short supply as a result of geographic maldistribution or as the result of a short supply of credentialed health care professionals in specialty health care areas and where vacancies exist in serious numbers that jeopardize patient care and pose a threat to the public health and safety. The department shall determine health professional shortage areas as provided for in RCW 28B.115.070. In making health professional shortage area designations in the state the department may be guided by applicable federal standards for "health manpower shortage areas," and "medically underserved areas," and "medically underserved populations."

~~((10))~~ (11) "Identified shortage areas" means those areas where qualified forensic pathologists are in short supply because of geographic maldistribution or where vacancies exist that may compromise death investigations. The council, with assistance from the department, shall determine shortage areas.

(12) "Loan repayment" means a loan that is paid in full or in part if the participant:

(a) Renders health care services in a health professional shortage area or an underserved behavioral health area as defined by the department; ~~((e*))~~

(b) Teaches as a nurse educator for an approved nursing program; or

(c) Renders services as a qualified board-certified forensic pathologist as determined by the department.

~~((11))~~ (13) "Nonshortage rural area" means a nonurban area of the state of Washington that has not been designated as a rural physician shortage area. The department shall identify the nonshortage rural areas of the state.

~~((12))~~ (14) "Nurse educator" means an individual with an advanced nursing degree beyond a bachelor's degree that teaches nursing curriculum and is a faculty member for an approved nursing program.

~~((13))~~ (15) "Office" means the office of student financial assistance.

~~((14))~~ (16) "Participant" means:

(a) A credentialed health care professional who has received a loan repayment award and has commenced practice as a credentialed health care provider in a designated health professional shortage area or an underserved behavioral health area;

(b) A nurse educator teaching in an approved nursing program; ~~((e*))~~

(c) An eligible student who has received a scholarship under this program; or

(d) A board-certified forensic pathologist who has commenced working in or is committed to working in identified shortage areas in the state of Washington for the pathologist's required service obligation.

~~((15))~~ (17) "Required service obligation" means an obligation by the participant to:

(a) Provide health care services in a health professional shortage area or an underserved behavioral health area for a period to be established as provided for in this chapter; ~~((e*))~~

(b) Teach as a nurse educator for a period to be established as provided for in this chapter; or

(c) Provide services as a board-certified forensic pathologist in identified shortage areas as determined by the council.

~~((16))~~ (18) "Rural physician shortage area" means rural geographic areas where primary care physicians are in short supply as a result of geographic maldistributions and where their limited numbers jeopardize patient care and pose a threat to public health and safety. The department shall designate rural physician shortage areas.

~~((17))~~ (19) "Satisfied" means paid-in-full.

~~((18))~~ (20) "Scholarship" means a loan that is forgiven in whole or in part if the recipient renders health care services in a health professional shortage area or an underserved behavioral health area.

~~((19))~~ (21) "Sponsoring community" means a rural hospital or hospitals as authorized in chapter 70.41 RCW, a rural health care facility or facilities as authorized in chapter 70.175 RCW, or a city or county government or governments.

~~((20))~~ (22) "Underserved behavioral health area" means a geographic area, population, or facility that has a shortage of health care professionals providing behavioral health services, as determined by the department.

Sec. 3. RCW 28B.115.030 and 2022 c 276 s 2 are each amended to read as follows:

The Washington health corps is the state's initiative to encourage health care professionals to work in underserved communities. In exchange for service, the health care professional receives assistance with higher education, in the form of loan repayment or a conditional scholarship. The Washington health corps consists of the health professional loan repayment and scholarship program, the behavioral health loan repayment program, ~~((and))~~ the nurse educator loan repayment program, and the forensic pathology loan repayment program.

(1) The health professional loan repayment and scholarship program is established for credentialed health professionals and residents serving in health professional shortage areas.

(2) The behavioral health loan repayment program is established for credentialed health professionals serving in underserved behavioral health areas.

(3) The nurse educator loan repayment program is established for nurse educators teaching for approved nursing programs.

(4) The forensic pathology loan repayment program is established for board-certified forensic pathologists providing services for counties in identified shortage areas.

(5) The office is the administrator of the programs under the Washington health corps. In administering the programs, the office shall:

(a)(i) Select credentialed health care professionals and residents to participate in the loan repayment portion and in the scholarship portion of the health professional loan repayment and scholarship program;

(ii) Select credentialed health care participants to participate in the behavioral health loan repayment program; ~~((and))~~

(iii) Select nurse educators to participate in the nurse educator loan repayment program; and

(iv) Select board-certified forensic pathologists to participate in the forensic pathology loan repayment program;

(b) Adopt rules and develop guidelines to administer the programs;

(c) Collect and manage repayments from participants who do not meet their service obligations under this chapter;

(d) Publicize the program, particularly to maximize participation among individuals in shortage and underserved areas and among populations expected to experience the greatest growth in the workforce;

(e) Solicit and accept grants and donations from public and private sources for the programs;

(f) Use a competitive procurement to contract with a fund-raiser to solicit and accept grants and donations from private sources for the programs. The fund-raiser shall be paid on a contingency fee basis on a sliding scale but must not exceed ~~((fifteen))~~ 15 percent of the total amount raised for the programs each year. The fund-raiser shall not be a registered state lobbyist; and

(g) Develop criteria for a contract for service in lieu of the service obligation where appropriate, that may be a combination of service and payment.

Sec. 4. RCW 28B.115.040 and 2019 c 302 s 4 are each amended to read as follows:

(1) The department may provide technical assistance to rural communities desiring to become sponsoring communities for the purposes of identification of prospective students for the health professional loan repayment and scholarship program, assisting prospective students to apply to an eligible education and training program, making formal agreements with prospective students to provide credentialed health care services in the community, forming agreements between rural communities in a service area to share credentialed health care professionals, and fulfilling any matching requirements.

(2) The department, in consultation with the council and other pertinent stakeholders, may provide technical assistance to counties desiring to become sponsoring communities for the purposes of identification of prospective students for the forensic pathology loan repayment program, assisting prospective students to apply to an eligible education and training program, making formal agreements with prospective students to provide services as a board-certified forensic pathologist, forming agreements between rural and underserved counties in a service area to share credentialed forensic pathology professionals, and fulfilling any matching requirements.

(3) From the amounts appropriated to the department, the department shall enter into a contract for a two-year marketing plan with the Washington association of coroners and medical examiners for the sole purpose of marketing Washington state to potential board-certified forensic pathologists. The marketing plan must include, but is not limited to, a focus on rural and underserved counties. Payment for administrative expenses may not exceed two percent of the appropriated funds.

Sec. 5. RCW 28B.115.050 and 2022 c 276 s 3 are each amended to read as follows:

The office shall establish a planning committee to assist it in developing criteria for the selection of participants for the Washington health corps program. The office shall include on the planning committee representatives of the department, the department of social and health services, appropriate representatives from health care facilities, provider groups, consumers, the state board for community and technical colleges, the superintendent of public instruction, institutions of higher education, representatives from the behavioral health and public health fields, the council, and other appropriate public and private agencies and organizations. The criteria may require that some of the participants meet the definition of financial need under RCW 28B.92.030.

Sec. 6. RCW 28B.115.070 and 2022 c 276 s 4 are each amended to read as follows:

(1) After June 1, 1992, the department, in consultation with the office and the department of social and health services, shall:

(a) Determine eligible credentialed health care professions for the purposes of the health professional loan repayment and scholarship program and the behavioral health loan repayment program authorized by this chapter. Eligibility shall be based upon an assessment that determines that there is a shortage or insufficient availability of a credentialed profession so as to jeopardize patient care and pose a threat to the public health and safety. The department shall consider the relative degree of shortages among professions when determining eligibility. The department may add or remove professions from eligibility based upon the determination that a profession is no longer in shortage. Should a profession no longer be eligible, participants or eligible students who have received scholarships shall be eligible to continue to receive scholarships or loan repayments until they are no longer eligible or until their service obligation has been completed;

(b) Determine health professional shortage areas for each of the eligible credentialed health care professions; and

(c) Determine underserved behavioral health areas for each of the eligible credentialed health care professions.

(2) The office, in consultation with the department, shall determine selection criteria for nurse educators and approved nursing programs.

(3) The office, in consultation with the department and the council, shall determine selection criteria for board-certified forensic pathologists.

Sec. 7. RCW 28B.115.080 and 2022 c 276 s 5 are each amended to read as follows:

(1) After June 1, 1992, the office, in consultation with the department and the department of social and health services, shall:

~~((1-))~~ (a) Establish the annual award amount for each credentialed health care profession which shall be based upon an assessment of reasonable annual eligible expenses involved in training and education for each credentialed health care profession for both the health professional loan repayment and scholarship program and the behavioral health loan repayment program. The annual award amount may be established at a level less than annual eligible expenses. The annual award amount shall be established by the office for each eligible health profession. The awards shall not be paid for more than a maximum of five years per individual;

~~((2-))~~ (b) Determine any scholarship awards for prospective physicians in such a manner to require the recipients declare an interest in serving in rural areas of the state of Washington. Preference for scholarships shall be given to students who reside in a rural physician shortage area or a nonshortage rural area of the state prior to admission to the eligible education and training program in medicine. Highest preference shall be given to students seeking admission who are recommended by sponsoring communities and who declare the intent of serving as a physician in a rural

area. The office may require the sponsoring community located in a nonshortage rural area to financially contribute to the eligible expenses of a medical student if the student will serve in the nonshortage rural area;

~~((3-))~~ (c) Establish the required service obligation for each credentialed health care profession, which shall be no less than three years or no more than five years, for the health professional loan repayment and scholarship program and the behavioral health loan repayment program. The required service obligation may be based upon the amount of the scholarship or loan repayment award such that higher awards involve longer service obligations on behalf of the participant;

~~((4-))~~ (d) Establish the annual award amount and the required service obligation for nurse educators participating in the nurse educator loan repayment program. The annual award amount shall be based upon an assessment of reasonable annual eligible expenses involved in training and education. The awards shall not be paid for more than a maximum of five years per individual. The required service obligation shall be no less than three years or no more than five years. The required service obligation may be based upon the amount of the loan repayment award such that higher awards involve longer service obligations on behalf of the participant;

~~((5-))~~ (e) Determine eligible education and training programs for purposes of the scholarship portion of the health professional loan repayment and scholarship program; and

~~((6-))~~ (f) Honor loan repayment and scholarship contract terms negotiated between the office and participants prior to May 21, 1991, concerning loan repayment and scholarship award amounts and service obligations authorized under this chapter or chapter 70.180 RCW.

(2) The department and the council, with the office, shall establish the annual loan repayment amount for each eligible board-certified forensic pathologist, based upon an assessment of reasonable eligible expenses involved in training and education up to \$25,000 annually. The awards may not be paid for more than a total of four years per participant. The required service obligation must be four years. The annual award amount shall be established by the office.

Sec. 8. RCW 28B.115.110 and 2022 c 276 s 7 are each amended to read as follows:

Participants in the Washington health corps who are awarded loan repayments shall receive payment for the purpose of repaying educational loans secured while attending a program of health professional training which led to a credential as a credentialed health professional in the state of Washington.

(1) Participants shall agree to meet the required service obligation.

(2) Repayment shall be limited to eligible educational and living expenses as determined by the office and shall include principal and interest.

(3) Loans from both government and private sources may be repaid by the program. Participants shall agree to allow the office access to loan records and to acquire information from lenders necessary to verify eligibility and to determine payments. Loans may not be renegotiated with lenders to accelerate repayment.

(4) Repayment of loans established pursuant to the Washington health corps shall begin no later than ~~((ninety))~~ 90 days after the individual has become a participant. Payments shall be made quarterly, or more frequently if deemed appropriate by the office, to the participant until the loan is repaid or the participant becomes ineligible due to discontinued service in a health professional shortage area, an underserved behavioral health area, ~~((or))~~ as a nurse educator at an approved nursing program after the required service obligation when eligibility discontinues, or as a board-certified forensic pathologist in an identified shortage area, whichever comes first.

(5) Should the participant discontinue service in a health professional shortage area, an underserved behavioral health area, ~~((or))~~ as a nurse educator at an approved nursing program, or as a board-certified forensic pathologist in an identified shortage area, payments against the loans of the participants shall cease to be effective on the date that the participant discontinues service.

(6) Except for circumstances beyond their control, participants who serve less than the required service obligation shall be obligated to repay to the program an amount equal to the unsatisfied portion of the service obligation, or the total amount paid by the program on their behalf, whichever is less. This amount is due and payable immediately. Participants who are unable to pay the full amount due shall enter into a payment arrangement with the office, including an arrangement for payment of interest. The maximum period for repayment is ~~((ten))~~ 10 years. The office shall determine the applicability of this subsection. The interest rate shall be determined by the office and be established by rule.

(7) The office is responsible for the collection of payments made on behalf of participants from the participants who discontinue service before completion of the required service obligation. The office shall exercise due diligence in such collection, maintaining all necessary records to ensure that the maximum amount of payment made on behalf of the participant is recovered. Collection under this section shall be pursued using the full extent of the law, including wage garnishment if necessary.

(8) The office shall not be held responsible for any outstanding payments on principal and interest to any lenders once a participant's eligibility expires.

(9) The office shall temporarily or, in special circumstances, permanently defer the requirements of this section for eligible students as defined in RCW 28B.10.017.

(10) The office shall establish an appeal process by rule.

Sec. 9. RCW 28B.115.130 and 2022 c 276 s 8 are each amended to read as follows:

(1) Any funds appropriated by the legislature for the health professional loan repayment and scholarship program ~~((and))~~, the nurse educator loan repayment program, the forensic pathology loan repayment program, or any other public or private funds intended for loan repayments or scholarships under these programs shall be placed in the account created by this section.

(2) The health professional loan repayment and scholarship program fund is created in custody of the state treasurer. All receipts from the program shall be deposited into the fund. Only the office, or its designee, may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION.

Sec. 10. (1) The department of health shall contract with the Washington association of coroners and medical examiners to: Conduct a study of the critical shortage of board-certified forensic pathologists and recommend to the legislature what steps the state can take to foster a robust forensic pathology community. The study must cover issues related to Conrad 30 J-1 visa waivers and measures to encourage enrollment in the University of Washington and Washington State University forensic pathology residency programs. This study must also include recommendations on how to create two new forensic pathology fellow slots, one in conjunction with the University of Washington and one in conjunction with Washington State University. The Washington association of coroners and medical examiners shall directly report its findings and recommendations to the governor and the appropriate committees of the legislature by October 1, 2024.

(2) This section expires August 1, 2025.

Sec. 11. RCW 68.50.104 and 2021 c 127 s 8 are each amended to read as follows:

(1) The cost of autopsy shall be borne by the county in which the autopsy is performed, except when requested by the department of labor and industries, in which case, the department shall bear the cost of such autopsy.

(2)(a) Except as provided in (b) of this subsection, when the county bears the cost of an autopsy, it shall be reimbursed from the death investigations account, established by RCW 43.79.445, as follows:

(i) Up to ~~((forty))~~ 40 percent of the cost of contracting for the services of a pathologist to perform an autopsy;

(ii) Up to 30 percent of the salary of pathologists who are primarily engaged in performing autopsies and are (A) county coroners or county medical examiners, or (B) employees of a county coroner or county medical examiner; ~~((and))~~

(iii) (~~One hundred~~) 100 percent of the cost of autopsies conducted under RCW 70.54.450; and

(iv) Up to 40 percent of the cost of transportation of remains to and from facilities accredited pursuant to RCW 36.24.210 for the purpose of autopsy services.

(b) When the county bears the cost of an autopsy of a child under the age of three whose death was sudden and unexplained, the county shall be reimbursed for the expenses of the autopsy when the death scene investigation and the autopsy have been conducted under RCW 43.103.100 (4) and (5), and the autopsy has been done at a facility designed for the performance of autopsies.

(3) Payments from the account shall be made pursuant to biennial appropriation: PROVIDED, That no county may reduce funds appropriated for this purpose below 1983 budgeted levels.

(4) Where the county coroner's office or county medical examiner's office is not accredited pursuant to RCW 36.24.210, or a coroner, medical examiner, or other medicolegal investigative employee is not certified as required by RCW 36.24.205 and 43.101.480, the state treasurer's office shall withhold 25 percent of autopsy reimbursement funds until accreditation under RCW 36.24.210 or compliance with RCW 36.24.205 and 43.101.480 is achieved."

Prime Sponsor, Ways & Means: Providing enhanced payment to low volume, small rural hospitals. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that promoting a financially viable health care system in all parts of the state is a critical interest. The federal centers for medicare and medicaid services has recognized the crucial role hospitals play in providing care in rural areas by creating the sole community hospital program, which allows certain small rural hospitals to receive enhanced payments for medicare services. The state of Washington has created a similar program based on the federal criteria. The legislature further finds that some small, rural, low volume hospitals provide vital services to the communities they serve, but are not eligible for the federal or state programs. The legislature therefore finds that creating a similar reimbursement system for the state's medicaid program for small, rural, low volume hospitals will promote the long-term financial viability of the rural health care system in those communities.

Sec. 2. RCW 74.09.5225 and 2017 c 198 s 1 are each amended to read as follows:

(1) Payments for recipients eligible for medical assistance programs under this chapter for services provided by hospitals, regardless of the beneficiary's managed care enrollment status, shall be made based on allowable costs incurred during the year, when services are provided by a rural hospital certified by the centers for medicare and medicaid services as a critical access hospital, unless the critical access hospital is participating in the Washington rural health access preservation pilot described in subsection (2)(b) of this section. Any additional payments made by the authority for the healthy options program shall be no more than the additional amounts per service paid under this section for other medical assistance programs.

(2)(a) Beginning on July 24, 2005, except as provided in (b) of this subsection, a moratorium shall be placed on additional hospital participation in critical access hospital payments under this section. However, rural hospitals that applied for certification to the centers for medicare and medicaid services prior to January 1, 2005, but have not yet completed the process or have not yet been approved for certification, remain eligible for medical assistance payments under this section.

(b)(i) The purpose of the Washington rural health access preservation pilot is to develop an alternative service and payment system to the critical access hospital authorized under section 1820 of the social security act to sustain essential services in rural communities.

(ii) For the purposes of state law, any rural hospital approved by the department of health for participation in critical access hospital payments under this section that participates in the Washington rural health access preservation pilot identified by the state office of rural health and ceases to participate in critical access hospital

payments may renew participation in critical access hospital associated payment methodologies under this section at any time.

(iii) The Washington rural health access preservation pilot is subject to the following requirements:

(A) In the pilot formation or development, the department of health, health care authority, and Washington state hospital association will identify goals for the pilot project before any hospital joins the pilot project;

(B) Participation in the pilot is optional and no hospital may be required to join the pilot;

(C) Before a hospital enters the pilot program, the health care authority must provide information to the hospital regarding how the hospital could end its participation in the pilot if the pilot is not working in its community;

(D) Payments for services delivered by public health care service districts participating in the Washington rural health access preservation pilot to recipients eligible for medical assistance programs under this chapter must be based on an alternative, value-based payment methodology established by the authority. Subject to the availability of amounts appropriated for this specific purpose, the payment methodology must provide sufficient funding to sustain essential services in the areas served, including but not limited to emergency and primary care services. The methodology must adjust payment amounts based on measures of quality and value, rather than volume. As part of the pilot, the health care authority shall encourage additional payers to use the adopted payment methodology for services delivered by the pilot participants to individuals insured by those payers;

(E) The department of health, health care authority, and Washington state hospital association will report interim progress to the legislature no later than December 1, 2018, and will report on the results of the pilot no later than six months following the conclusion of the pilot. The reports will describe any policy changes identified during the course of the pilot that would support small critical access hospitals; and

(F) Funds appropriated for the Washington rural health access preservation pilot will be used to help participating hospitals transition to a new payment methodology and will not extend beyond the anticipated three-year pilot period.

(3)(a) Beginning January 1, 2015, payments for recipients eligible for medical assistance programs under this chapter for services provided by a hospital, regardless of the beneficiary's managed care enrollment status, shall be increased to one hundred twenty-five percent of the hospital's fee-for-service rates, when services are provided by a rural hospital that:

(i) Was certified by the centers for medicare and medicaid services as a sole community hospital as of January 1, 2013;

(ii) Had a level III adult trauma service designation from the department of health as of January 1, 2014;

(iii) Had less than one hundred fifty acute care licensed beds in fiscal year 2011; and

(iv) Is owned and operated by the state or a political subdivision.

(b) The enhanced payment rates under this subsection shall be considered the hospital's medicaid payment rate for purposes of any other state or private programs that pay hospitals according to medicaid payment rates.

(c) Hospitals participating in the certified public expenditures program may not receive the increased reimbursement rates provided in this subsection (3) for inpatient services.

(4) Beginning July 1, 2024, through December 31, 2028, payments for recipients eligible for medical assistance programs under this chapter for acute care services provided by a hospital, regardless of the beneficiary's managed care enrollment status, shall be increased to 120 percent of the hospital's fee-for-service rate for inpatient services and 200 percent of the hospital's fee-for-service rate for outpatient services, when services are provided by a hospital that:

(a) Is not currently designated as a critical access hospital, and does not meet current federal eligibility requirements for designation as a critical access hospital;

(b) Has medicaid inpatient days greater than 50 percent of all hospital inpatient days as reported on the hospital's most recently filed medicare cost report with the state; and

(c) Is located on the land of a federally recognized Indian tribe.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2023.

NEW SECTION. Sec. 4. (1) This act expires on the date that the federal centers for medicare and medicaid services approves the hospital safety net program as required by RCW 74.60.150(1)(a), including section 4(3)(e), chapter . . . (Substitute House Bill No. 1850 (hospital safety net assessment)), Laws of 2023.

(2) The health care authority must provide written notice of the expiration date of this act to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the authority.

NEW SECTION. Sec. 5. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2023, in the omnibus appropriations act, this act is null and void."

E2SSB 5536 Prime Sponsor, Ways & Means: Concerning controlled substances, counterfeit substances, and legend drug possession and treatment. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Community Safety, Justice, & Reentry.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that substance use disorder is a treatable brain disease from which people can and do recover. When individuals in active addiction are provided with access to quality outreach, treatment, and recovery support services, recovery is not only possible, but probable. Solutions to the addiction crisis must not only address criminal legal responses, but must be data-driven and evidence-based, and must represent public health best practices, working directly with people who use drugs to prevent overdose and infectious disease transmission, and improve the physical, mental, and social well-being of those served. The state must follow principles of harm reduction, comprising practical strategies aimed at reducing negative consequences associated with drug use, including safer use of supplies as well as care settings, staffing, and interactions that are person-centered, supportive, and welcoming.

The legislature recognizes that substance use disorder is commonly treated in a variety of settings, including primary care, addiction medicine, mental health agencies, and substance use disorder treatment providers. Because medications such as buprenorphine and methadone are the clinical best practice for the treatment of opioid

use disorder, individuals seeking treatment for addiction to heroin, fentanyl, and other opioids frequently seek recovery via primary care, addiction medicine, and opioid treatment programs.

The legislature finds that the recommendations of the substance use recovery services advisory committee reflect diligent work by individuals with a range of professional and personal experience, who brought that experience to the committee, and whose expertise is reflected in the recommendations.

Part I - Prohibiting Knowing Possession of a Controlled Substance, Counterfeit Substance, or Legend Drug

Sec. 2. RCW 69.50.4011 and 2003 c 53 s 332 are each amended to read as follows:

(1) Except as authorized by this chapter, it is unlawful for any person to ~~((create, deliver, or possess a counterfeit substance))~~:

(a) Create or deliver a counterfeit substance;

(b) Knowingly possess a counterfeit substance; or

(c) Knowingly possess and use a counterfeit substance in a public place by injection, inhalation, ingestion, or any other means.

(2) Any person who violates subsection (1)(a) of this section with respect to:

(a) A counterfeit substance classified in Schedule I or II which is a narcotic drug, or flunitrazepam classified in Schedule IV, is guilty of a class B felony and upon conviction may be imprisoned for not more than ~~((ten))~~ 10 years, fined not more than ~~((twenty-five thousand dollars))~~ \$25,000, or both;

(b) A counterfeit substance which is methamphetamine, is guilty of a class B felony and upon conviction may be imprisoned for not more than ~~((ten))~~ 10 years, fined not more than ~~((twenty-five thousand dollars))~~ \$25,000, or both;

(c) Any other counterfeit substance classified in Schedule I, II, or III, is guilty of a class C felony punishable according to chapter 9A.20 RCW;

(d) A counterfeit substance classified in Schedule IV, except flunitrazepam, is guilty of a class C felony punishable according to chapter 9A.20 RCW;

(e) A counterfeit substance classified in Schedule V, is guilty of a class C felony punishable according to chapter 9A.20 RCW.

(3)(a) A violation of subsection (1)(b) or (c) of this section is a misdemeanor. The prosecutor is encouraged to divert such cases for assessment, treatment, or other services through the recovery navigator program established under RCW 71.24.115 or a comparable program including, but not limited to, arrest and jail alternative programs established under RCW 36.28A.450 and law enforcement assisted diversion programs established under RCW 71.24.589.

(b) In lieu of jail booking and referral to the prosecutor, law enforcement is encouraged to offer a referral to assessment and services available under RCW 10.31.110 or other program or entity responsible for

receiving referrals in lieu of legal system involvement, which may include, but are not limited to, arrest and jail alternative programs established under RCW 36.28A.450, law enforcement assisted diversion programs established under RCW 71.24.589, and the recovery navigator program established under RCW 71.24.115.

(c) Upon arraignment for a violation of subsection (1)(b) or (c) of this section, the court shall determine whether the defendant has been advised by the defendant's counsel about the pretrial diversion opportunity described in section 10 of this act.

(d) For the purposes of this section, "public place" has the same meaning as defined in RCW 66.04.010, but the exclusions in RCW 66.04.011 do not apply.

Sec. 3. RCW 69.50.4013 and 2022 c 16 s 86 are each amended to read as follows:

(1) ~~((It))~~ Except as otherwise authorized by this chapter, it is unlawful for any person to:

(a) Knowingly possess a controlled substance unless the substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of his or her professional practice (~~(, or except as otherwise authorized by this chapter))~~; or

(b) Knowingly possess and use a controlled substance in a public place by injection, inhalation, ingestion, or any other means, unless the substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of his or her professional practice.

(2)(a) Except as provided in RCW 69.50.4014 or 69.50.445, ~~((any person who violates this section is guilty of a class C felony punishable under chapter 9A.20 RCW))~~ a violation of subsection (1)(a) or (b) of this section is a misdemeanor. The prosecutor is encouraged to divert such cases for assessment, treatment, or other services through the recovery navigator program established under RCW 71.24.115 or a comparable program including, but not limited to, arrest and jail alternative programs established under RCW 36.28A.450 and law enforcement assisted diversion programs established under RCW 71.24.589.

(b) In lieu of jail booking and referral to the prosecutor, law enforcement is encouraged to offer a referral to assessment and services available under RCW 10.31.110 or other program or entity responsible for receiving referrals in lieu of legal system involvement, which may include, but are not limited to, arrest and jail alternative programs established under RCW 36.28A.450, law enforcement assisted diversion programs established under RCW 71.24.589, and the recovery navigator program established under RCW 71.24.115.

(c) Upon arraignment for a violation of subsection (1)(a) or (b) of this section, the court shall determine whether the defendant has been advised by the defendant's counsel about the pretrial diversion opportunity described in section 10 of this act.

(3)(a) The possession, by a person ~~((twenty-one))~~²¹ years of age or older, of useable cannabis, cannabis concentrates, or cannabis-infused products in amounts that do not exceed those set forth in RCW 69.50.360(3) is not a violation of this section, this chapter, or any other provision of Washington state law.

(b) The possession of cannabis, useable cannabis, cannabis concentrates, and cannabis-infused products being physically transported or delivered within the state, in amounts not exceeding those that may be established under RCW 69.50.385(3), by a licensed employee of a common carrier when performing the duties authorized in accordance with RCW 69.50.382 and 69.50.385, is not a violation of this section, this chapter, or any other provision of Washington state law.

(4)(a) The delivery by a person ~~((twenty-one))~~²¹ years of age or older to one or more persons ~~((twenty-one))~~²¹ years of age or older, during a single ~~((twenty-four))~~²⁴ hour period, for noncommercial purposes and not conditioned upon or done in connection with the provision or receipt of financial consideration, of any of the following cannabis products, is not a violation of this section, this chapter, or any other provisions of Washington state law:

(i) One-half ounce of useable cannabis;

(ii) Eight ounces of cannabis-infused product in solid form;

(iii) ~~((Thirty-six))~~³⁶ ounces of cannabis-infused product in liquid form; or

(iv) Three and one-half grams of cannabis concentrates.

(b) The act of delivering cannabis or a cannabis product as authorized under this subsection (4) must meet one of the following requirements:

(i) The delivery must be done in a location outside of the view of general public and in a nonpublic place; or

(ii) The cannabis or cannabis product must be in the original packaging as purchased from the cannabis retailer.

(5) No person under ~~((twenty-one))~~²¹ years of age may ~~((possess,))~~ manufacture, sell, ~~((or))~~ distribute, or knowingly possess cannabis, cannabis-infused products, or cannabis concentrates, regardless of THC concentration. This does not include qualifying patients with a valid authorization.

(6) The possession by a qualifying patient or designated provider of cannabis concentrates, useable cannabis, cannabis-infused products, or plants in accordance with chapter 69.51A RCW is not a violation of this section, this chapter, or any other provision of Washington state law.

(7) For the purposes of this section, "public place" has the same meaning as defined in RCW 66.04.010, but the exclusions in RCW 66.04.011 do not apply.

Sec. 4. RCW 69.50.4014 and 2022 c 16 s 88 are each amended to read as follows:

(1) Except as provided in RCW 69.50.401(2)(c) or as otherwise authorized by this chapter, any person found guilty of knowing possession of ~~((forty))~~⁴⁰ grams or less of cannabis is guilty of a misdemeanor.

The prosecutor is encouraged to divert such cases for assessment, treatment, or other services through the recovery navigator program established under RCW 71.24.115 or a comparable program including, but not limited to, arrest and jail alternative programs established under RCW 36.28A.450 and law enforcement assisted diversion programs established under RCW 71.24.589.

(2) In lieu of jail booking and referral to the prosecutor, law enforcement is encouraged to offer a referral to assessment and services available under RCW 10.31.110 or other program or entity responsible for receiving referrals in lieu of legal system involvement, which may include, but are not limited to, arrest and jail alternative programs established under RCW 36.28A.450, law enforcement assisted diversion programs established under RCW 71.24.589, and the recovery navigator program established under RCW 71.24.115.

(3) Upon arraignment for violation of this section, the court shall determine whether the defendant has been advised by the defendant's counsel about the pretrial diversion opportunity described in section 10 of this act.

Sec. 5. RCW 69.41.030 and 2020 c 80 s 41 are each amended to read as follows:
