THOMAS HOEMANN
Secretary of the Senate

BARBARA BAKER
Chief Clerk, House of Representatives

With the Cooperation of the Statute Law Committee
& the Legislative Service Center

The brief descriptions and digest paragraphs contained herein were prepared by the employees of the legislature as a guide to interested persons concerned with the various measures pending before the legislature. Such brief descriptions and digest paragraphs are not propounded in substitution of or supplementary to the official titles and official text of the legislative measures alluded to herein. The brief descriptions and digest paragraphs are not intended to constitute any part of the law, are not in any manner adopted or acted upon by the legislature, and are in no way evidence of the intent of the legislature.

If the only action on a bill for a session is "By resolution, reintroduced and retained in present status." and no action other than "By resolution, reintroduced and retained in present status." occurs in subsequent sessions in the two-year legislative cycle for that bill, the history for those sessions will not be printed in this publication.

Companion bills are shown for original bills only.

The brief description for each bill family shows only once on the original bill unless there is a change in the brief description for a later version of the bill.

HOW TO USE THE "LEGISLATIVE DIGEST AND HISTORY OF BILLS"

The *Legislative Digest and History of Bills* is a joint legislative publication which is published after the final legislative session each year.

During the legislative session, a daily *Legislative Digest* is available. Use the daily *Legislative Digest* to keep up with the new introductions (including substitute bills) and the amendments to the various measures in between publications of the *Legislative Digest and History of Bills*. (A "-S" or "-S2" following the bill number indicates a substitute, e.g., SB 5009-S, HB 1071-S2.) The latest legislative history on the measures is also provided in the *Legislative Digest* publication.

This publication consists of three parts:

- (1) Digest paragraphs and legislative actions on all measures (bills);
- (2) RCW - Bill Table;
- (3) Topical Index; and
- (4) Session Law Chapter to Bill Table

DIGEST PARAGRAPHS AND LEGISLATIVE ACTIONS

This portion consists of the following:

- (1) The summary digest paragraphs and legislative actions on all bills, joint memorials, joint resolutions, concurrent resolutions, and floor resolutions considered by the House or Senate during the legislative session;
- (2) Summary paragraph and legislative actions on gubernatorial appointments submitted to and being considered by the Senate;
- (3) The listing of the bills a member has sponsored along with an indication of prime sponsorship; and
- (4) The special status of legislation reports for the Senate and the House.

The bulk of the *Legislative Digest and History of Bills* is formed by an in-sequence listing of measures. In this listing are included the measure number, the legislative and "by-request" sponsors, the latest digest paragraphs, and the bill histories. This portion of the publication is divided into two sections: Senate measures and House measures. Initiatives, bills, joint memorials, joint resolutions, concurrent resolutions, floor resolutions, and gubernatorial appointments are included as measures.

Reports on the special status of legislation follow the Senate and House digest history portion of the book. The reports are listed as they become available as legislation progresses down the path toward enactment. A full listing of the reports available in a particular *Legislative Digest and History of Bills* is found on the Index Page of the *Legislative Digest and History of Bills* beginning on page one. Several examples of these reports are:

- (1) Senate Bills Introduced by Members
(Prime sponsorship is noted by a bullet (large dot) before the bill number;)
- (2) Senate Bills Introduced by Request;
- (3) Senate Bills Passed by the Senate;
- (4) Senate Bills Passed by the Senate and House;
- (5) Senate Bills Failed to Pass the House;
- (6) Senate Bills Passed Both Houses Showing Executive Action; and
- (7) Governor's Messages on Bills Vetoed or Partially Vetoed
VO - Veto overridden
PV - Partial Veto
V - Veto

Comparable reports are supplied for the House Bills. (See Table of Contents for page numbers.)

RCW - BILL TABLE

The *Legislative Digest and History of Bills* contains a table which lists the statutes being affected by the current bills. This table is widely used by legislative drafters as well as all other attorneys concerned with the legislative process. The "S" found preceding the bill numbers in this table means that the bill being referred to is the substitute version. All first substitutes are noted by an "S" preceding the bill number; second, third, etc., are noted by 2S, 3S, etc.; e.g.,

| | | | |
|-----------|-----|------|-------|
| 38.03.030 | AMD | SHB | 1301* |
| 38.03.040 | AMD | SHB | 1375+ |
| 39.07.060 | REP | 2SSB | 5111 |

The "RCW (Statute Number) to Bill Number Table" lists in code section number order the sections in the Revised Code of Washington (RCW) that are the subject matter of current legislation. The action the bill takes on the section is listed with the following abbreviations: ADD (adding a new section or section to a code chapter or code title), AMD (amending), DECD (decodifying), RECD (recodifying), REMD (reenacting and amending), REEN (reenacting), and REP (repealing). It is especially useful in the closing days of the session to determine whether a code section currently under consideration by the legislature may already have been repealed or amended during the session, in which event the earlier action must be taken in cognizance. In addition to being included in the *Legislative Digest and History of Bills*, an electronic version of this table is available at Washington State Legislative website. The URL to the website is <http://www.leg.wa.gov>, choose Bill Info and then RCW to Bill Table.

The symbols on the table indicate whether the amended section or the new section has passed the legislature or has been signed into law or vetoed by the Governor. A "p" following the bill number means that the legislature has passed the bill. An asterisk ("*") means that executive action or inaction has been recorded upon the bill during the first year of the two-year legislative cycle. A plus sign ("+") means that executive action or inaction has been recorded upon the bill during the second year of the two-year legislative cycle. Generally, the "*" and "+" mean that the Governor has signed the bill into law with or without a partial veto.

TOPICAL INDEX

The Topical Index is at the end of the *Legislative Digest and History of Bills*. The Topical Index entries are entered soon after the bills are introduced on the floor, so that researchers can search the text of the index for measures related to their issue. Various symbols are found in the index which aid in determining the type of measures to which the index entry refers. The table of abbreviated symbols for the Topical Index is found on the page beginning the Topical Index section.

Effective date 7/26/2009.

SB 5002 by Senators Jacobsen and Swecker

Creating the Washington heritage livestock and poultry breed recognition program.

(AS OF SENATE 2ND READING 3/09/09)

Finds that: (1) Preserving genetic diversity of animal species is of high interest to the public;

(2) Historic livestock and poultry breeds retain different and unique genetic attributes including factors that can affect fertility, foraging ability, longevity, maternal instincts, and resistance to diseases and parasites; and

(3) Sufficient mechanisms currently do not exist to support the continued survival of some of the declining breeds.

Establishes a nonregulatory incentive-based program to encourage owners of rare and diminishing species of livestock and poultry to continue rearing these animals.

Establishes procedures to provide recognition to owners of animals as heritage livestock and poultry and thereby increase public awareness of their contribution toward the perpetuation of rare and declining breeds.

Requires the director of the department of archaeology and historic preservation to establish a heritage livestock and poultry breed recognition program.

Expires the program on July 1, 2011.

SB 5004 by Senators Jacobsen, Swecker, Ranker, and Roach

Companion Bill: 2102

Creating a mobile custom farm slaughtering unit loan program.

(SEE ALSO PROPOSED 1ST SUB)

Finds that: (1) The loss of livestock slaughter facilities has significantly impeded local meat production in many regions of the state;

(2) Mobile custom farm slaughtering units, capable of visiting farms and ranches to slaughter animals humanely and inexpensively, can assist in reviving local meat production; and

(3) Establishing a loan program that enables local governments to purchase mobile custom farm slaughtering units for lease to livestock producers, conditioned upon producers' donation of a portion of meat processed by the units to local food banks, will both support Washington's disadvantaged citizens and reinvigorate rural economies.

Establishes the mobile custom farm slaughtering unit loan program within the department of agriculture.

Creates the mobile custom farm slaughtering unit loan account.

Directs the director of agriculture to report to the legislature and the governor on the status of the program on or before December 1, 2010, and annually thereafter.

SB 5004-S by Senate Committee on Agriculture & Rural Economic Development (originally sponsored by Senators Jacobsen, Swecker, Ranker, and Roach)

Promoting local meat production.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that: (1) The loss of livestock slaughter and meat processing facilities inspected by United States department of agriculture personnel has significantly impeded local meat production in many regions of the state;

(2) Promoting United States department of agriculture-inspected mobile slaughtering units, capable of visiting farms and ranches to humanely and inexpensively slaughter livestock, and United States department of agriculture-inspected livestock slaughtering and meat processing facilities that provide cutting and wrapping services can assist in reviving local meat production; and

(3) Clarifying that rural economic development projects seeking funding for these units and facilities are eligible for loans from the rural Washington loan fund will promote local meat production and reinvigorate rural economies.

Requires the director of the department of community, trade, and economic development to consider applications for rural

economic development projects, including proposals to fund mobile slaughtering units and local slaughtering and meat processing facilities that operate in compliance with the federal meat inspection act.

SB 5010 by Senators Kline, Fairley, McCaslin, Kauffman, and Pridemore

Companion Bill: 1039

Establishing a statewide CBRNE response program.

Finds that: (1) The threat of an incident caused by a chemical, biological, radioactive, nuclear, or explosive (CBRNE) agent occurring in the state poses a severe threat to the health, safety, and welfare of the citizens of the state of Washington. In order to mitigate any damage that may be caused by CBRNE incidents, it is necessary that the state have a coordinated and comprehensive plan to respond to these dangerous and deadly incidents; and

(2) The current system of relying almost exclusively on local jurisdictions to respond to CBRNE incidents is inadequate because it stretches the capabilities of local jurisdictions, it lacks uniformity in training, equipment, and response standards, and it hinders the ability of jurisdictions to cooperate in the event of a catastrophic incident. Major portions of the state lack protection from CBRNE incidents because many local jurisdictions simply do not have the capabilities to respond to these incidents.

Establishes a statewide CBRNE response program that relies on a network of regional response teams that operate with standardized training and equipment.

Requires the director of fire protection to establish and maintain a statewide CBRNE response program.

Declares the requirement of the statewide CBRNE response program is subject to appropriation by the legislature.

Creates the policy advisory group and the operations advisory group to assist the director of fire protection in implementing and managing the statewide CBRNE response program.

Creates the statewide CBRNE response account.

Provides that the act is null and void if appropriations are not approved.

SB 5019 by Senators Honeyford and Swecker

Concerning resident curators of state properties.

(SEE ALSO PROPOSED 1ST SUB)

Finds that other states have successfully implemented resident
curator programs that preserve, maintain, and restore historic and
other significant state-owned properties by allowing private parties
to occupy or use the properties, at no cost or reduced rent, in
exchange for the tenant's maintenance, rehabilitation, or
restoration of the property.

Declares that a state agency with statutory authority to lease
state-owned properties to private parties may negotiate a lease at
a rate that is less than fair market value in consideration of the

lessee's occupancy of the property and agreement to restore, maintain, rehabilitate, or otherwise improve the leased property.

SB 5019-S by Senate Committee on Government Operations & Elections (originally sponsored by Senators Honeyford and Swecker)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that other states have successfully implemented resident curator programs that preserve, maintain, and restore historic and other significant state-owned properties by allowing private parties to occupy or use the properties for residential purposes, at no cost or reduced rent, in exchange for the tenant's maintenance, rehabilitation, or restoration of the property.

Authorizes a state agency with statutory authority to lease state-owned properties to private parties to negotiate a lease at a rate that is less than fair market value in consideration of the lessee's occupancy of the property for noncommercial residential purposes and agreement to restore, maintain, rehabilitate, or otherwise improve the leased property.

SB 5049 by Senator Franklin

Studying Washington's fiscal resources, structure, and needs.

Finds that Washington has a unique tax structure that relies heavily on property and sales taxes to fund a host of services for its citizens. Education, health care, transportation projects, the criminal justice system, state parks, and social programs are paid for by state taxes. Many citizens do not fully understand how the budget process works, how all moneys are raised, and why there never seems to be enough revenue. Creating opportunities for citizens to participate in the process can counter negative public perceptions about the budget process.

Declares an intent to establish a committee, made up of ordinary citizens, to study the state's fiscal resources, structure, and needs.

Directs the Washington state institute for public policy to facilitate and staff a group of Washington citizens to become the committee on Washington's finances.

Directs the staff of the office of financial management, the department of revenue, the house of representatives, and the senate to assist the committee on Washington's finances as the committee deems desirable.

Requires the committee to hold meetings in at least four areas outside the central Puget Sound region to receive information and feedback from Washington's citizens. These meetings must be facilitated by the Washington state institute for public policy.

Declares that the purpose of the study is to determine the best ways to identify and fund the necessary services for Washington's citizens.

Requires the committee to present a final report of the findings of the study and the alternatives developed by the committee to the ways and means committee in the senate and the finance committee in the house of representatives by November 30, 2010. Additionally, the findings of the study must be announced to the public via press release and also be made available to the public via the internet.

Expires November 30, 2010.

Creating an energy efficiency worker training program.

Finds that as more requirements are put in place for buildings to be more energy efficient, the more work there will be retrofitting those buildings with solar panels, insulation, and other weatherizing materials. Blue collar, stepping-stone jobs are leaving the economy without being replaced with equivalent jobs.

Creates the Washington energy efficiency worker training program within the department of community, trade, and economic development.

Directs the program to help individuals, including at-risk youth, to prepare for jobs in the energy-efficient building, construction, and retrofit industries; and to provide occupational skills training in the energy-efficient building, construction, and retrofit industries.

SB 5058 by Senator Rockefeller

Creating a pilot vessel amnesty disposal program.

(SEE ALSO PROPOSED 1ST SUB)

Finds that the derelict and abandoned vessel program has
proven highly successful. A vessel generally becomes derelict or
abandoned after a long chain of legal ownership transactions in
which successive owners either lack the inclination or financial
resources to properly maintain the vessel and pass it along in
progressive stages of decline. The result is a decrepit vessel selling
for nominal cost to someone who cannot bring it back to a safe
working condition, or properly dispose of it. The vessel often
becomes derelict or abandoned, resulting in cost to the state for
removal and disposal.

Authorizes the department of natural resources to create a pilot
vessel amnesty disposal program to prevent vessels from
becoming derelict or abandoned and to address this issue when it
is less expensive and poses fewer threats.

Allows the department of natural resources to expend two
hundred thousand dollars, or as much thereof as may be necessary,
from any money appropriated to the department from the derelict
vessel removal account in the omnibus appropriations act for the
biennium ending June 30, 2011, for the purposes of this act.

Expires June 30, 2011.

SB 5061 by Senator Jacobsen

Enhancing natural resource collections at the Washington park arboretum.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that the Washington park arboretum: (1) Is the official arboretum of the state of Washington;

(2) Is a central component of the University of Washington botanic gardens, along with collections around the center for urban horticulture, in the Union Bay natural area, and in the Otis Douglas Hyde herbarium;

(3) Contains a dynamic collection of trees and other woody plants that are hardy in the maritime Pacific Northwest;

(4) Holds one of the most prestigious plant collections in the world;

(5) Displays ninety-five percent of its holdings, whose estimated value is almost eighty-two million dollars; and

(6) Has a duty to serve the public, students at all levels, naturalists, gardeners, and nursery and landscape professionals with its collections, educational programs, interpretation, and recreational opportunities.

Declares an intent to provide additional tools and resources to the University of Washington botanic gardens as it preserves and provides public access to the important educational, recreational, social, and cultural state resources that the arboretum and other botanic garden collections have to offer.

Declares it is the goal of the legislature that the Washington park arboretum's collections, exhibits, and facilities be preserved, maintained, and presented in a manner befitting one of the world's most prestigious plant collections.

Establishes the University of Washington botanic gardens endowed curatorship.

Creates the University of Washington botanic gardens endowed curatorship account.

Requires the state treasurer to release money in the University of Washington botanic gardens endowed curatorship account to the University of Washington board of regents for inclusion in the University of Washington consolidated endowment fund when certain requirements are met.

Directs the department of natural resources' natural heritage program to host a working conference on the future of arboreta and botanic gardens in Washington.

SB 5062 by Senator Jacobsen

Enhancing wildlife viewing opportunities.

Finds that: (1) Nature-based tourism is the fastest growing outdoor activity and the fastest growing segment of the tourism industry. Tourism activities relating to watchable wildlife contribute almost one and one-half billion dollars to Washington state's economy per year, and it is primarily the rural areas of the state in which these activities occur;

(2) There is general agreement that owners of working farms and forest lands provide a significant portion of the key areas for the wildlife which in turn attract the nature-based tourists;

(3) The purchase of a watchable wildlife decal currently offers a valuable opportunity for individuals to voluntarily contribute to the enhancement of the habitat, infrastructure, trails, corridors, and communities that provide wildlife viewing opportunities in this state; and

(4) Additional investments in the department of fish and wildlife's watchable wildlife program are needed; such investments will increase wildlife viewing and other recreational opportunities in the state and benefit Washington's wildlife and rural communities.

Declares an intent to enhance wildlife viewing opportunities in Washington by providing additional tools and resources to the state's watchable wildlife program and landowners who provide the wildlife habitat that supports nature-based tourism.

Directs the department of fish and wildlife to: (1) Under the authority of the director of the department, carry out a watchable wildlife raffle pilot project;

(2) Provide raffle winners with a wildlife viewing tour on department owned or managed lands;

(3) Seek to publicize the raffles and tours, including the tour destinations, to increase public awareness of the department's watchable wildlife program, watchable wildlife decals, and the pilot project; and

(4) Provide the appropriate committees of the legislature with a brief summary of the pilot project and relevant policy recommendations, if any, by December 1, 2011.

Encourages the department of fish and wildlife to use other creative measures to increase the number of individuals who voluntarily purchase watchable wildlife decals.

Expires the watchable wildlife raffle pilot project on January 1, 2012.

SB 5077 by Senators Jacobsen and Kline

Creating the historically Black college fund pilot project.

Finds that: (1) The racial and ethnic diversity of the population of Washington is increasing;

(2) Employers' demand for well-educated and well-trained graduates of all ethnic backgrounds is increasing;

(3) Special efforts should be made to increase the participation of people of color in higher education programs;

(4) Some of Washington's students of color would benefit from an opportunity to study in specialized programs or institutions of higher education located in other states;

(5) The state could benefit by creating pilot projects that study creative, cost-effective ways to meet the postsecondary education needs of Washington's students; and

(6) Historically Black colleges enroll and graduate the majority of African-American professionals and Ph.D. candidates in the United States.

Declares an intent to direct the higher education coordinating board to establish a pilot project that permits a limited number of students to use their state need grant awards to study at Morehouse College, Howard University, Spelman College, Grambling State University, and Tuskegee University.

Creates the historically Black college fund pilot project.

Requires the higher education coordinating board to: (1) Administer the pilot project;

(2) Permit up to one hundred needy Washington residents domiciled in Washington for at least one year before enrollment to use their state need grant awards if the students are enrolled half-time or more in Morehouse College, Howard University, Spelman College, Grambling State University, or Tuskegee University;

(3) Limit participation in the pilot project to no more than a total of one hundred students during the course of the project; and

(4) Report to the governor and appropriate committees of the legislature on the results of the pilot project.

Expires the pilot project on June 30, 2014.

Enhancing natural resource collections at the Washington park arboretum.

Finds that the Washington park arboretum: (1) Is the official arboretum of the state of Washington;

(2) Is a central component of the University of Washington botanic gardens, along with collections in the Union Bay gardens, around the center for urban horticulture, in the Union Bay natural area, and in the Otis Douglas Hyde herbarium;

(3) Contains a dynamic collection of trees and other woody plants that are hardy in the maritime Pacific Northwest;

(4) Holds one of the most prestigious plant collections in the world;

(5) Displays ninety-five percent of its holdings, whose estimated value is almost eighty-two million dollars; and

(6) Has a duty to serve the public, students at all levels, naturalists, gardeners, and nursery and landscape professionals with its collections, educational programs, interpretation, and recreational opportunities.

Declares an intent to provide additional tools and resources to the University of Washington botanic gardens as it preserves and provides public access to the important educational, recreational, social, and cultural state resources that the arboretum and other botanic garden collections have to offer.

Declares it is the goal of the legislature that the Washington park arboretum's collections, exhibits, and facilities be preserved, maintained, and presented in a manner befitting one of the world's most prestigious plant collections.

SB 5097 by Senator Jacobsen

Regarding the institute of forest resources.

Finds that there are many issues facing the forest sector, such as climate change, forest health and fire, carbon accounting, habitat and diversity, timber and water supplies, and the economic health of forest dependent communities.

Requires the head of the college of forest resources of the University of Washington to: (1) Coordinate the existing college of forest resource's cooperatives and centers to promote a more holistic, efficient, and integrated approach to broaden its research program to address the issues facing the forest section; and

(2) Appoint a policy advisory board to advise the head of the college of forest resources of the University of Washington on policies for the institute of forest resources that are consistent with the purposes of the institute.

Requires the institute of forest resources to: (1) Pursue coordinated research and education related to the forest sector and its multiple uses;

(2) Seek to provide a framework to identify, prioritize, fund, and conduct interdisciplinary research critical to the forest sector and to develop integrated, synthesized information and decision support tools to improve understanding of these complex issues for policymakers and others; and

(3) Provide progress reports to the appropriate committees of the legislature by July 1, 2010, and July 1, 2011, on the coordination required by and the implementation of this act.

SB 5128 by Senators Jacobsen and Kline
Addressing natural resource impacts from off-road vehicle use.

Finds that the vast majority of off-road vehicle or ORV users in Washington state are law abiding and conscientious. However, as the population of Washington and the popularity of recreational ORV use have increased, unauthorized ORV use on public and private natural resource lands has resulted in significant natural resource damage.

Declares an intent to take steps to minimize further damage to public and private natural resource lands caused by unauthorized ORV use while also continuing to maximize outdoor recreation opportunities.

SB 5138 by Senators Rockefeller, Ranker, Jacobsen, Shin, Kohl-Welles, Kline, and Pridemore

Creating an integrated climate change response strategy.

(SUBSTITUTED FOR - SEE 2ND SUB)

Recognizes that climate change poses a significant threat to Washington's economy, the health and welfare of its population, and its natural resources. Washington's water supply and natural resources are particularly vulnerable to temperature changes and shifts in precipitation patterns and could suffer devastating consequences if adaptive measures are not taken.

Declares it is in the public interest for the state to address the effects of climate change and to be able to plan for future climate change impacts.

Creates an integrated climate change response strategy with prioritized and coordinated climate change preparation and adaptation actions that state and local agencies, public and private businesses, tribes, and individuals can use to plan and prepare for the impacts of climate change through a collaborative process of on-going research, analysis, collection, and distribution of data and information.

Requires the department of ecology to assemble a climate change impacts coordinating team to gather, assess, and distribute relevant science and information on climate change and to assist state agencies, local governments, tribes, public and private businesses, organizations, and the citizens of Washington with climate change preparation and adaptation actions. The team may seek assistance from a science advisory group and the office of Washington state climatologist, and may designate other technical advisory groups that the team feels are necessary to assist it with developing the strategy and actions.

Directs the science advisory group to provide independent, nonrepresentational scientific advice to the team.

Creates the office of Washington state climatologist within the University of Washington.

SB 5138-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Rockefeller, Ranker, Jacobsen, Shin, Kohl-Welles, Kline, and Pridemore)

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the departments of ecology, fish and wildlife, natural resources, and transportation to develop an integrated climate change response strategy to better enable state and local agencies, public and private businesses, nongovernmental organizations, and individuals to prepare for, address, and adapt to the impacts of climate change.

Directs the science advisory group to provide independent, nonrepresentational scientific advice to the department of ecology.

SB 5138-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Rockefeller, Ranker, Jacobsen, Shin, Kohl-Welles, Kline, and Pridemore)

(AS OF SENATE 2ND READING 3/10/09)

Recognizes that climate change poses a significant threat to Washington's economy, the health and welfare of its population, and its natural resources. Washington's water supply and natural resources are particularly vulnerable to temperature changes and shifts in precipitation patterns and could suffer devastating consequences if adaptive measures are not taken.

Declares it is in the public interest for the state to address the effects of climate change and to be able to plan for future climate change impacts.

SB 5140 by Senators Shin, Kastama, McAuliffe, Jacobsen, Pridemore, Keiser, Hatfield, Kohl-Welles, and Kline

Requiring language access services for persons with limited English proficiency in health care and insurance matters.

Finds that: (1) Hundreds of thousands of patients in Washington need interpretation and translation services to understand medical instructions and diagnoses and to communicate clearly with their health care providers;

(2) The health care system in the state is not currently meeting the needs of these patients, largely because of unanswered questions about how to fund needed language services;

(3) Studies document that limited English speakers are less likely to have a regular primary care provider or receive preventative care, and are more likely to experience medical errors, all of which lead to negative health outcomes and higher long-term costs to the health care system;

(4) Language barriers impede informed consent for treatment and surgical procedures, leaving health care organizations and providers vulnerable to potentially costly lawsuits;

(5) According to the 2005 American community survey, four hundred fifty-four thousand Washington residents speak English less than very well;

(6) Medicaid and the state children's health insurance program provide interpretation and translation services. Many private insurers and the Washington basic health plan do not; and

(7) Quality language services lead to better health outcomes and long-term cost savings to the health care system, and the private and public sectors should share the responsibility of covering the cost of these vital services.

Requires the Washington basic health plan to provide interpretation services to limited English proficient enrollees.

Directs all health care service contractors that provide coverage for health care services to provide interpretation services or reimburse clinical health care providers, contract representatives, or administrators that are responsible for billing and claims services for providing interpretation services to limited English proficient enrolled participants.

Directs all health maintenance organizations that provide coverage for health care services to provide interpretation services or reimburse clinical health care providers, contract representatives, or administrators that are responsible for billing and claims services for providing interpretation services to limited English proficient enrolled participants.

Directs, for all disability insurance contracts that provide hospital and medical expenses and health care services, insurers to provide interpretation services or reimburse clinical health care providers, contract representatives, or administrators that are responsible for billing and claims services for providing interpretation services to limited English proficient insured individuals.

Establishes a working group on language access in health care in the department of health.

Requires the insurance commissioner to conduct a study of language issues that affect consumers who purchase health insurance contracts in the state of Washington.

Provides an effective date of January 1, 2011, for sections 4, 5, and 6 of the act.

Provides that section 3 of the act takes effect when funds are appropriated for its implementation.

SB 5142 by Senators Regala, Carrell, and Kline

Improving education and employment opportunities for individuals with criminal convictions.

Declares it is the policy of the state of Washington to encourage and contribute to the rehabilitation of felons and to assist them in the assumption of the responsibilities of citizenship. The legislature recognizes that realistic opportunities for meaningful and profitable employment are an essential ingredient to this goal. Occupations that require a license, permit, certificate, or registration to engage in an occupation should not be foreclosed from individuals with a criminal conviction solely on the basis of the conviction. Further, individuals with criminal convictions should be able to pursue training or educational opportunities with some certainty that they will be able to realize the end goal of obtaining employment in a chosen field. Whenever possible, licensing entities should provide guidance to those individuals as to those crimes or categories of crimes that may prevent the person from attaining a license, and positive steps that may assist the person in obtaining a license despite a criminal conviction.

Requires the director of the department of licensing or the director's designee to, within existing resources, review and recommend changes to the law and policies relating to licenses regulated by the uniform regulation of business and professions act to encourage the employment of individuals with criminal convictions while ensuring the safety of the public.

Requires the director of the department of licensing to, by December 1, 2009, compile and thereafter maintain a guide to assist individuals with criminal convictions in identifying potential avenues of employment.

Expires section 3 of the act on January 1, 2010.

SB 5148 by Senators Kline, Fairley, and McDermott

Changing Washington's vesting laws.

Finds that: (1) The public interest is served when applications for new land use projects are assessed using the laws in effect at that time, not former versions that have been repealed or revised. Washington requires jurisdictions to update their land use and development laws and regulations on a regular basis. The public has an interest in ensuring that projects proposed during the public comment and approval process for these updates follow the new laws, not the version that has been replaced. Local governments have an interest in ensuring that their new laws are followed by all persons, without exemptions for those who were able to file for a permit application during the period of time the new law was proposed, enacted, and subject to appeal. Real estate developers have an interest in ensuring that everyone is required to follow the same laws, without an exemption for those who win a race to the permit counter when a change is proposed. The public has an

interest in meaningfully commenting on large projects to ensure that they fit their community; and

(2) Other states employ a vesting date of the time an application is approved, rather than when it is filed. Many states do so for all projects at all times, not just when changes to the law are proposed. Development in other states has been able to continue in a reasonable fashion. A later vesting date provides reasonable certainty for the development community while providing better protection of the public interest and improving the ability of local governments to comply with the legislature's land use and environmental protection goals and mandates.

Declares an intent to better protect the public interest by setting the vesting date for many projects as the date when permits are issued. The courts should construe this and related laws liberally to effectuate that purpose.

SB 5149 by Senators Kline, Swecker, Rockefeller, Pflug, Fraser, Hargrove, Jarrett, Pridemore, Kohl-Welles, Schoesler, Brandland, and Shin

Creating the geothermal assessment committee.

(SEE ALSO PROPOSED 1ST SUB)

Finds that: (1) The Pacific Northwest has unique geological features that include significant geothermal resources;

(2) Other states and provinces in this region are actively exploring and developing these resources for energy production purposes;

(3) Existing data and analyses of these resources is now largely outdated; and

(4) Advances in technology, increased energy prices, and increased interest in low-carbon energy sources has increased interest by electric utilities and independent power producers in the state's geothermal resources.

Declares an intent to authorize a comprehensive review of the state's geothermal resources and make recommendations regarding policy measures to facilitate environmentally responsible development of these resources for electric generation and concentrated heating purposes.

Creates the geothermal resource assessment committee to conduct a comprehensive assessment of the geothermal resources in the state and their potential for environmentally responsible development for power production purposes.

SB 5149-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Kline, Swecker, Rockefeller, Pflug, Fraser, Hargrove, Jarrett, Pridemore, Kohl-Welles, Schoesler, Brandland, and Shin)(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that: (1) The Pacific Northwest has unique geologic features that include significant geothermal resources;

(2) Other states and provinces in the region are actively exploring and developing geothermal resources to produce electric power and concentrated heating with varied applications;

(3) Existing information and analysis concerning geothermal resources is insufficient; and

(4) Advances in technology, higher energy prices, and concerns regarding use of high-carbon energy sources have raised public and private sector interest in developing the state's geothermal resources.

Authorizes the department of natural resources to conduct an initial assessment of the state's geothermal resources and to make recommendations regarding development of these resources, in an environmentally responsible manner, for electric generation and concentrated heating purposes.

Requires the department of natural resources to secure federal funding, contributions from geothermal energy interests, or other nonstate sources to meet at least two-thirds of the costs necessary to implement the act.

SB 5152 by Senators Kline, Rockefeller, McDermott, and Kohl-Welles

Creating a legislative task force on statutory construction.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that over the past decades, there have been instances in which statutes have been judicially construed differently than may have been intended and that it will be helpful to the judicial and legislative branches if the rules by which statutes are judicially construed are reviewed and better understood by both branches.

Declares an intent to create a broadly representative task force to review the existing rules of statutory construction, identify those rules that are appropriate for codification, and identify those rules that may, if revised, lead to improved comity between the legislative and judicial branches in determining public policy.

Establishes a legislative task force on statutory construction.

Requires the expenses of the task force to be paid jointly by the senate and the house of representatives.

Expires July 1, 2011.

Companion Bill: 1172

Implementing a transfer of development rights program.

(SEE ALSO PROPOSED 1ST SUB)

Finds that a successful transfer of development rights program must consider existing affordable housing and economic development programs and policies in designated receiving areas. Counties, cities, and towns that decide to participate in the regional transfer of development rights program for central Puget Sound are encouraged to adopt comprehensive plan policies and development regulations to implement the program that do not compete or conflict with existing comprehensive plan policies and development regulations that require or encourage affordable housing. Participating cities and towns are also encouraged to use the development of receiving areas to maximize opportunities for economic development that supports creation or retention of jobs that exceed the average county wage. A regional transfer of development rights program in the central Puget Sound should be voluntary, incentive-based, and separate, but compatible with existing local transfer of development rights programs. Additional counties may benefit from participation in a regional transfer of development rights program in the future. Therefore, the regional transfer of development rights program should be established for

the central Puget Sound as the first phase of a program that can be expanded to other counties, replicated in other regions, or expanded statewide in the future.

Requires the department of community, trade, and economic development, subject to funding, to establish a regional transfer of development rights program in central Puget Sound, including King, Kitsap, Snohomish, and Pierce counties and the cities and towns within these counties.

SB 5165-S by Senate Committee on Government Operations & Elections (originally sponsored by Senators Jarrett, Swecker, Marr, Shin, Kilmer, Kline, Sheldon, and Haugen; by request of Department of Community, Trade, and Economic Development)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that a successful transfer of development rights program must consider housing affordable to all economic segments of the population, and economic development programs and policies in designated receiving areas. Counties, cities, and towns that decide to participate in the regional transfer of development rights program for central Puget Sound are encouraged to adopt comprehensive plan policies and development regulations to implement the program that do not compete or conflict with comprehensive plan policies and development regulations that require or encourage affordable housing. -- 2009 REGULAR SESSION --

- Jan 15 First reading, referred to Government Operations & Elections.
 Feb 9 Public hearing in the Senate Committee on Government Operations & Elections at 10:00 AM.

SB 5169 by Senator Hargrove

Companion Bill: 1038

Regarding specialized forest products.

Finds that the specialized forest products work group created pursuant to section 2, chapter 392, Laws of 2007 produced a number of consensus recommendations to the legislature as to how the permitting requirements of chapter 76.48 RCW can be improved. In making recommendations, the work group focused on the goals enumerated in RCW 76.48.010.

Declares an intent to enact those recommendations contained in the report submitted to the legislature from the specialized forest products work group in December 2008 that require statutory modifications.

Declares an intent for the department of natural resources, along with other state and local agencies, to take those administrative actions necessary to execute the recommendations contained in the report that do not require statutory changes.

Modifies specialized forest products permit requirements addressed by chapter 76.48 RCW.

Creates the specialized forest products outreach and education account.

Reorganizes the specialized forest products laws found in chapter 76.48 RCW.

Provides penalties.

-- 2009 REGULAR SESSION --

- Jan 15 First reading, referred to Natural Resources, Ocean & Recreation.

SB 5170 by Senators Rockefeller and Parlette

Repealing chapter 385, Laws of 2005.

Finds that: (1) In the 2005 legislative session, the legislature created a citizen advisory board to improve efficiency, effectiveness, and accountability in state government. The state auditor serves as a nonvoting member of this board. The board is to develop a work plan and timeline for conducting performance audits of state government, and the state auditor is to contract out for these performance audits. That legislation became effective in July 2005. In November 2005, Washington's voters approved Initiative 900, which also separately directs the state auditor to

conduct independent, comprehensive performance audits of state and local government; and

(2) These actions by the legislature and the voters created two separate statutory directives for performance auditing by the state auditor. Both requirements remain in current law and this has resulted in conflicting and redundant statutory directives.

Declares an intent to repeal the citizen advisory board and related statutes enacted in the 2005 legislative session in order to remove these redundancies and conflicts, and to clarify the state auditor's role and authority for conducting performance audits.

SB 5183 by Senators Hobbs, Stevens, McAuliffe, Brandland, Hargrove, Carrell, Pflug, Hewitt, Parlette, Swecker, Shin, Benton, Roach, Haugen, and Holmquist; by request of Attorney General

Companion Bill: 1247

Addressing the viewing of sexually explicit depictions of minors on the internet.

Declares that due to the changing nature of technology, offenders are now able to access child pornography in different ways, including in ways that may not constitute possession of depictions of a minor engaged in sexually explicit conduct, as that term is presently defined. By amending the current statute governing possession of depictions of a minor engaged in sexually explicit conduct, it is the intent of the legislature to ensure that intentional viewing of child pornography over the internet is subject to criminal penalty without limiting the scope of existing prohibitions on the possession of child pornography, including the possession of electronic depictions of a minor engaged in sexually explicit conduct.

Companion Bill: 1248

Evaluating the need for a digital forensic crime lab.

(DIGEST AS ENACTED)

Finds that: (1) There is a growing incidence of crimes committed against Washington residents, especially against children that involve the use of electronic technologies, including computers and the internet. Currently, law enforcement's ability to investigate and prosecute technology-involved crimes and online child sex predators is significantly limited by the lack of computer forensic capabilities; and

(2) In the interest of promoting the safety of our children and communities, providing better investigative tools for law enforcement and prosecutors, and to hold online child sex predators accountable, the legislature directs the Washington state patrol and the office of the attorney general to convene a work

group to study the need for a virtual digital forensic lab in the state of Washington.

SB 5196 by Senators Berkey, Swecker, Kauffman, Hobbs, King, Marr, Sheldon, Haugen, Franklin, Kilmer, Shin, Kohl-Welles, and McDermott

Increasing the personal needs allowance for persons receiving state-financed care.

Finds that: (1) Through the medicaid program, state and federal government fund long-term care, mental health, and medical services for many elderly persons and people with disabilities; and

(2) A significant portion of these individuals' social security benefits is retained by the state to assist with the cost of their care.

Declares an intent to allow these individuals to retain for their own use a reasonable personal needs allowance.

Requires, effective July 1, 2011, and each fiscal year thereafter, the personal needs allowance to be adjusted for economic trends and conditions by increasing the allowance by the percentage cost-of-living adjustment for old-age, survivors, and disability social security benefits as published by the federal social security administration.

SB 5198 by Senators Hobbs, Holmquist, Hatfield, Parlette, Becker, and Honeyford

Companion Bill: 1134

Creating customer rebates and public utility tax credits for light and power businesses and gas companies.

Finds that: (1) Washington's growing population and economy will put a strain on energy supplies and threaten the ability of the state to meet its climate policy goals unless specific steps are taken to reduce demand and utilize energy more efficiently; and

(2) Solar water heaters can provide at least one-half of the hot water needs in the average home and reduce electric or natural gas consumption with free renewable energy from the sun.

Declares an intent to facilitate the installation of solar water heating systems in homes and businesses by providing: (1) A rebate to customers who install solar water heating systems; and

(2) A tax credit to the light and power business based on the amount of solar water heating systems installed by their customers.

Finds that the rebate and tax credit has broad application for the installation of solar water heating systems in urban, rural,

business, and residential locations, as well as in any climate throughout the state.

Expires December 31, 2012.

Companion Bill: 1222

Prohibiting devices in schools that are designed to administer to a person or an animal an electric shock, charge, or impulse.

(SUBSTITUTED FOR - SEE 1ST SUB)

Prohibits a person from carrying onto, or possessing on, public or private elementary or secondary school premises, school-provided transportation, or areas of facilities while being used exclusively by public or private schools, any portable device, object, instrument, or device that is designed, redesigned, used, or intended to be used as a weapon to injure a person or an animal by an electric shock, charge, or impulse.

SB 5263-S by Senate Committee on Judiciary (originally sponsored by Senators Hargrove, Brandland, and Tom)

(DIGEST AS ENACTED)

Prohibits a person from carrying onto, or possessing on, public or private elementary or secondary school premises, school-provided transportation, or areas of facilities while being used exclusively by public or private schools: (1) Any portable device manufactured to function as a weapon and which is commonly known as a stun gun, including a projectile stun gun which projects wired probes that are attached to the device that emit an electrical charge designed to administer to a person or an animal an electric shock, charge, or impulse; or

(2) Any device, object, or instrument that is used or intended to be used as a weapon with the intent to injure a person by an electric shock, charge, or impulse.

Makes an exception to the prohibition if the device is possessed and used solely for the purpose approved by a school for use in a school-authorized event, lecture, or activity conducted on the school premises.

Prohibits a person who is not a commissioned law enforcement officer and who provides school security services under the direction of a school administrator from possessing a device listed in (1) or (2) above unless he or she has successfully completed training in the use of such device that is equivalent to the training received by commissioned law enforcement officers.

SB 5264 by Senators Kohl-Welles, McAuliffe, Shin, Jarrett, and Kilmer; by request of State Board for Community and Technical Colleges

Companion Bill: 1423

Providing for academic employee salary increments for community and technical colleges.

Finds that: (1) The community and technical colleges offer high quality, cost-effective instructional programs to the citizens of the state; and

(2) Academic employee morale and willingness to invest in professional development, and academic employee recruitment and retention, are improved by consistent and predictable salary increases that recognize two-year college academic employees who upgrade their skills and professional experience.

Declares an intent to adjust state appropriations to an amount that, together with academic employee turnover savings, provides for consistent and predictable funding of academic employee salary increments for qualifying academic employees.

SB 5272 by Senators Hatfield, Schoesler, Morton, and Shin
Companion Bill: 1626
Regarding wildlife interactions.

(SEE ALSO PROPOSED 1ST SUB)

Finds that: (1) Healthy wildlife populations are a valuable and treasured public resource to the people of the state of Washington. However, as the human population increases, negative interactions between humans and wildlife will become more frequent;

(2) Interactions between humans and wildlife can have significant financial impacts on the affected landowner;

(3) The commercial agriculture, horticulture, and livestock industries are important components of the state economy that can be negatively impacted by interactions with wildlife. However, other landowners, both commercial and residential, may be faced with wildlife interactions that result in property damage;

(4) It is in the best interests of the state for the department of fish and wildlife to respond quickly to wildlife damage complaints and to work with those affected to prevent and minimize negative interactions while maintaining healthy wildlife populations; and

(5) Negative wildlife interactions can be best reduced by encouraging landowners to contribute, through their land management practices, to healthy wildlife populations and to provide access for related recreation.

Declares an intent to provide a solution where all property owners have a potential avenue to petition the state for some mitigation of the damages caused by wildlife.

Provides that the act applies prospectively only and not retroactively. The act applies only to claims that arise on or after July 1, 2010. Claims under chapter 77.36 RCW that arise before July 1, 2010, must be adjudicated under chapter 77.36 RCW as it existed before July 1, 2010.

Expires section 12 of the act on July 30, 2014.

SB 5272-S by Senate Committee on Natural Resources, Ocean & Recreation (originally sponsored by Senators Hatfield, Schoesler, Morton, and Shin)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that: (1) Healthy wildlife populations are a valuable and treasured public resource to the people of the state of Washington. However, as the human population increases and encroaches on wildlife habitat, interactions between humans and wildlife will become more frequent;

(2) Interactions between humans and wildlife can have significant financial impacts on the affected landowner;

(3) The commercial agriculture, horticulture, and livestock industries are important components of the state economy that can be negatively impacted by interactions with wildlife. However, other landowners, both commercial and residential, may be faced with wildlife interactions that result in property damage;

and to work with those affected to prevent and minimize negative interactions while maintaining healthy wildlife populations; and

(5) Negative wildlife interactions can be best reduced by encouraging landowners to contribute, through their land management practices, to healthy wildlife populations and to provide access for related recreation.

Declares an intent to provide a solution where all property owners have a potential avenue to petition the state for some mitigation of the damages caused by wildlife.

Provides that the act applies prospectively only and not retroactively. The act applies only to claims that arise on or after July 1, 2010. Claims under chapter 77.36 RCW (wildlife damage) that arise before July 1, 2010, must be adjudicated under chapter 77.36 RCW as it existed before July 1, 2010.

Expires section 12 of the act on July 30, 2014.

| SB 5274 | by Senators Hatfield, Schoesler, Morton, Honeyford, Shin, and Holmquist Companion Bill: 1354 Regarding damage caused by wildlife. Recognizes the importance of the state's commercial livestock industry and the value of healthy wildlife populations, which can damage crops and commercial livestock. Finds that damage prevention is key to maintaining healthy wildlife populations and a thriving commercial livestock industry, and that the state, participants in wildlife recreation, and private landowners and tenants share the responsibility for damage prevention. Declares that a timely and simplified process for resolving claims for damages caused by wildlife for commercial agricultural, horticultural, or commercial livestock products is beneficial to the claimant and the state. Authorizes the director of the department of fish and wildlife or the director's designee to distribute money appropriated to reimburse the owner of commercial livestock that has been killed by predatory wildlife, or injured by predatory wildlife to such a degree that the market value of the commercial livestock has been diminished, if during the current fiscal biennium the department of fish and wildlife has received appropriations from either the state wildlife account or the general fund above the amounts specified in RCW 77.36.070 and 77.36.080 for the reimbursement of damage to commercial livestock. Companion Bill: 1165

Providing for the safe collection and disposal of unwanted drugs from residential sources through a producer provided and funded product stewardship program.

(SEE ALSO PROPOSED 2ND SUB)

Finds that: (1) A convenient, safe, secure, and environmentally sound product stewardship program for the collection, transportation, and disposal of unwanted drugs from residential sources may help to avoid accidental poisonings, decrease illegitimate access to drugs that can lead to abuse, and protect our surface and groundwater; and

(2) Producers of those drugs are the best entity to provide and finance the product stewardship program.

Requires every producer of covered products sold in or into Washington state to participate in a product stewardship program for unwanted products from residential sources.

Requires a producer, group of producers, or stewardship organization operating or intending to operate a product stewardship program to submit a product stewardship plan to the department of ecology before engaging in the collection of unwanted covered products.

Requires the department of ecology to: (1) Determine whether the plan complies with this act. If it approves a plan, the department shall notify the applicant of its approval. If it rejects a plan, the department shall notify the applicant of its decision and its reasons for rejecting the plan;

(2) Send a written warning and a copy of the new chapter created in this act and any rules adopted to implement the new chapter to a producer who is not participating in a product stewardship program approved by the department and whose covered product is being sold in or into the state;

(3) Provide on its web site a list of all producers participating in product stewardship programs it has approved and a list of all producers it has identified as noncompliant;

(4) Send a written warning and a copy of the new chapter created in this act and any rules adopted to implement that chapter to a drug wholesaler known to be selling a product in or into the state from producers who are not participating in a product stewardship program or who are not in compliance;

(5) Annually invite comments from health care facilities, health care practitioners, pharmacists, local governments, and citizens on their satisfaction with the services provided by a product stewardship program; and

(6) Consult with the state board of pharmacy on proposed provisions of a product stewardship plan involving the secure

collection, tracking, and handling of drugs collected under a product stewardship program.

Creates the pharmaceutical product stewardship program account.

Allows the director of the department of ecology to lend money from the state toxics control account to the pharmaceutical product stewardship account if necessary to ensure that money is available in the pharmaceutical product stewardship program account for the initial administration of the product stewardship program for unwanted drugs from residential sources.

Provides penalties.

SB 5279-S by Senate Committee on Health & Long-Term Care (originally sponsored by Senators Kline, Ranker, Rockefeller, Pridemore, Oemig, Regala, Franklin, Murray, Kauffman, Fairley, Kohl-Welles, Haugen, McAuliffe, Pflug, Shin, and McDermott)

(SEE ALSO PROPOSED 2ND SUB)

Requires, beginning January 1, 2013, every producer of legend or nonlegend drugs sold in or into the state to participate in a product stewardship program for unwanted legend and nonlegend drugs from residential sources.

Requires submission of a product stewardship plan to the board of pharmacy before engaging in the collection of unwanted legend or nonlegend drugs.

Requires the department of ecology to consult with the board of pharmacy on any element of the plan.

Authorizes the board of pharmacy to refuse, suspend, or revoke the license of a product stewardship program.

Requires the board of pharmacy to send a written warning and a copy of the act and any rules adopted to implement the act to a producer who is not participating in a product stewardship program approved by the board and whose legend or nonlegend drug is being sold in or into the state.

Authorizes the secretary of the department of health to establish fees for administering the act.

Creates the pharmaceutical product stewardship program account.

Authorizes the director of the department of ecology to lend money from the state toxics control account to ensure that money is available in the pharmaceutical product stewardship program account for the initial administration of the product stewardship program.

Authorizes board of pharmacy, department of ecology, or department of health staff to access any facilities, property, or records of the product stewardship program as necessary to conduct inspections or investigate complaints.

This bill gives the state the authority to require the parent to get help if needed, but reduces the state's ability to require participation as a condition of keeping the grant. If a parent refuses to participate, the Department of Social and Health Services (Department) could seek a volunteer to serve as a protective payee. However, under the interpretation of RCW 74.08.280 to limit liability and as a best practice, the Department would use contracted protective payees resulting in additional cost to the state. |

Companion Bill: 1377

Regarding public facilities district formation and authority.

(SEE ALSO PROPOSED 1ST SUB)

Authorizes the legislative authorities of any contiguous group of towns or cities, or the legislative authorities of any contiguous group of towns or cities and the legislative authority of the county or counties in which those towns or cities are located, to enter into an agreement under chapter 39.34 RCW for the creation and operation of a public facilities district notwithstanding the fact that one or more of those towns, cities, or counties previously have formed one or more public facilities districts within the geographic boundaries of the additional public facilities district.

Authorizes a public facilities district created in section 1 (1)(e) of the act to provide in the agreement providing for its creation and operation, that the district must be governed by a board of directors appointed under section 1 (3)(b) or (c) of the act, or by a board of directors of not more than nine members who are also members of the legislative authorities or governing boards of the governmental entities creating that public facilities district or the public facilities districts, or both, previously formed by those governmental entities.

Prohibits a public facilities district formed under section 1 (1) (e) of the act from imposing a sales and use tax authorized in section 3 (2) of the act at a rate that exceeds two-tenths of one percent minus the rate of the highest tax authorized by section 3 (2) of the act that is imposed by any other public facilities district within its boundaries.

SB 5296-S by Senate Committee on Government Operations & Elections (originally sponsored by Senators Delvin and Hewitt)

Regarding the authority of towns, cities, and counties to form public facilities districts.

Jan 20 First reading, referred to Higher Education & Workforce Development.

| | | |
|--|---|--|
| Feb 3 | Public hearing in the Senate Committee on Higher Education & Workforce Development at 10:00 AM. | I am returning, without my approval as to Section 2, Substitute Senate Bill 5318 entitled: |
| Feb 13 | Executive action taken in the Senate Committee on Higher Education & Workforce Development at 1:30 PM. | "AN ACT Relating to adding additional appropriate locations for the transfer of newborn children." |
| Feb 17 | HEWD - Majority; 1st substitute bill be substituted, do pass. | Section 2 of this bill requires the Department of Social and Health Services to collect and compile information, and to report annually to the Legislature beginning January 1, 2011 regarding the number and medical condition of newborns transferred at appropriate locations and newborns who are abandoned. |
| Mar 6 | Placed on second reading by Rules Committee. | Legislators may well wish to request ad hoc reports from the department on this topic for the next few years to monitor the implementation of this legislation, but it is likely that, over time, the data in the report will not vary much from year to year. Legislative members and staff are likely to be uninterested in reading such a report even as the department must continue to produce it. I do not believe it is necessary to require this reporting requirement in statute. |
| Mar 9 | 1st substitute bill substituted. Rules suspended. Placed on Third Reading. Third reading, passed; yeas, 45; nays, 0; absent, 0; excused, 4. -- IN THE HOUSE -- | For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5318. |
| Mar 11 | First reading, referred to Higher Education. | With the exception of Section 2, Substitute Senate Bill 5318 is approved. |
| Mar 24 | HE - Executive action taken by committee. HE - Majority; do pass. Public hearing and executive action taken in the House Committee on Higher Education at 10:00 AM. | Respectfully submitted, Christine Gregoire Governor |
| Mar 27 | Passed to Rules Committee for second reading. | -- 2009 REGULAR SESSION -- |

-- 2009 REGULAR SESSION --

Jan 20 First reading, referred to Government Operations & Elections.

SB 5329 by Senators Pridemore, Delvin, Kohl-Welles, Shin, Murray, Hatfield, Kline, Fairley, McDermott, and Haugen

Companion Bill: 1406

Creating the companion animal spay/neuter assistance program.

Finds that: (1) Tens of thousands of stray and homeless dogs and cats are handled by Washington's animal care and control agencies and other animal welfare organizations each year, costing millions of dollars;

(2) The most effective and humane way to reduce the number of animals dying in shelters is to reduce animal overpopulation through a targeted, statewide spay and neuter surgery network; and

(3) A companion animal spay/neuter assistance program is necessary to address the problems of companion animal overpopulation. The program should be funded through a fee that is practical, administratively feasible, and targeted at the class of Washington residents that is most responsible for companion animals and their impact on our communities: Owners of cats and dogs.

Establishes the companion animal spay/neuter assistance program to provide for spaying and neutering of companion animals owned by low-income individuals and for spaying and neutering feral and free-roaming cats.

Directs the department of agriculture to administer the program.

Authorizes any private veterinarian, private veterinary practice, animal care and control agency, and nonprofit organization whose services include performing spay and neuter surgeries on companion animals to participate in the program.

Creates the companion animal spay/neuter assistance account.

Authorizes the department of agriculture to accept any donations, grants, bequests, and devises, conditional or otherwise, or money, property, service, or other things of value which may be received from the United States or any agency thereof, any governmental agency, any institution, person, firm, or corporation, public and private, to be held, used, or applied for the purposes of the program.

Provides penalties.

Companion Bill: 1448

Granting tribal authorities limited control over speed limits on nonlimited access state highways within tribal reservation boundaries.

(SEE ALSO PROPOSED 1ST SUB)

Authorizes tribal authorities, within their reservation boundaries, to determine, based on an engineering and traffic investigation, that the maximum speed permitted under RCW 46.61.400 or 46.61.405 is greater or less than is reasonable or safe under the conditions found to exist upon a nonlimited access state highway or part of a nonlimited access state highway.

SB 5331-S by Senate Committee on Transportation (originally sponsored by Senators Kauffman and Swecker)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Authorizes tribal authorities, within their reservation boundaries, to determine, based on an engineering and traffic investigation, that the maximum speed permitted under RCW 46.61.400 or 46.61.405 is greater or less than is reasonable or safe under the conditions found to exist upon a nonlimited access state highway or part of a nonlimited access state highway.

Allows the tribal authority to then determine and declare a reasonable and safe maximum limit.

SB 5332-S by Senate Committee on Transportation (originally sponsored by Senators Haugen, Swecker, and Delvin)

Addressing the administration of the Washington state patrol retirement system.

(AS OF SENATE 2ND READING 3/11/09)

Requires the select committee on pension policy to form a function-specific subcommittee with certain members that shall focus, within the amounts specifically appropriated by the legislature to support its activities, on pension issues affecting Washington state patrol retirement system members.

Requires the department of retirement systems to compute a monthly proportion of any amount specifically appropriated by the legislature to support the activities of the subcommittee, and to include the monthly proportion, plus the costs of the department to administer this requirement, on the bill submitted from the department to the Washington state patrol under section 2(3) of the act.

Requires the Washington state patrol, by means of proportionate payroll deductions, to recoup from members of the Washington state patrol retirement system an amount that is sufficient to fully cover the amounts identified by the department and the administrative costs of the Washington state patrol.

Provides that the act is null and void if appropriations are not approved.

SB 5334 by Senator Jacobsen

Ordering a report on interjurisdictional financing methods.

Finds that: (1) State and local responsibility for environmental and natural resources protection, cleanup and restoration, the selection of means of generating electric current, the selection of transportation modes and plans, water conservation, and storm water and sewerage treatment, often transcend local government boundaries and cover large regions of or even the entire state. The benefits of expenditures for such purposes also accrue across numerous governmental jurisdictions, yet too often it is only the state or one or a few local jurisdictions undertaking responsibility to finance these expenditures;

(2) This burden on the responsible jurisdiction constitutes an inequitable financial disincentive, thus discouraging or delaying needed undertakings, or resulting in suboptimal expenditures of financial and natural resource capital, in each case to the detriment of the health and welfare of the people and the natural resources of the state. This disparity between burdens and benefits can render socially, ecologically, and economically desirable projects financially unfeasible; and

(3) A new concept of public financing, referred to as interjurisdictional financing, would address this lack of connection between financing burdens and expenditure benefits, and bypass institutional barriers to the financing of integrated and beneficial projects.

Requires the state treasurer to provide a report to the fiscal and natural resources policy committees of the senate and house of representatives that analyzes the feasibility of financing state and local environmental protection, cleanup and restoration, the means of generating electric current, transportation modes and plans, water conservation and storm water and sewerage treatment, through the issuance of interjurisdictional financing as described in section 1 of the act.

SB 5344-S by Senate Committee on Environment, Water &
Energy (originally sponsored by Senators Ranker,
Swecker, Rockefeller, Marr, Hargrove, Pridemore, Fraser, Shin,
McDermott, and Kilmer)

Concerning emergency response towing vessels.

(DIGEST AS ENACTED)

Declares that the maritime industry should provide and fully fund at least one year-round emergency response tug at Neah Bay, with necessary logistical and operational support, and that any tug provided by the maritime industry pursuant to the act should meet or exceed technical performance requirements specified in the state's fiscal year 2009 contract for the Neah Bay emergency response tug.

Requires the owner or operator of a covered vessel transiting to or from a Washington port through the Strait of Juan de Fuca, except for transits extending no further west than Race Rocks lights, to establish and fund an emergency response system that provides for an emergency response towing vessel to be stationed at Neah Bay.

Requires an emergency response towing vessel that is a part of the emergency response system required by RCW 88.46.130 to be stationed at Neah Bay and be available to respond to vessel emergencies.

Requires the department of ecology to be authorized to contract with the emergency response towing vessel, at the discretion of the department, in response to a potentially emerging maritime casualty or as a precautionary measure during severe storms.

Requires designated representatives of the owners and operators of all classes of covered vessels to negotiate, given the intent of section 4 of the act, a system to determine the equitable apportionment of costs of the emergency response system required by the act.

Requires the director of the department of ecology, or the director's designee, to initiate discussions with the director's equivalent position in the government for the Canadian province of British Columbia to explore options for Washington and British

Columbia to share the marine response assets required under the act. This requirement expires July 31, 2011.

Authorizes the state oil spill response account to be used for costs associated with the department of ecology's use of the emergency response towing vessel.

VETO MESSAGE ON ESSB 5352

May 13, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 entitled:

"AN ACT Relating to transportation funding and appropriations."

Section 215(2), page 19, Department of Transportation

This proviso requires the Department of Transportation (Department) to offer former property owners the "right of first repurchase" if the property was acquired through condemnation or threat of condemnation, and the property is to be sold as surplus because it is no longer needed for a public purpose. This proviso may hinder the Department's ability to utilize property it currently owns in future acquisition negotiations. It also may have the unintended consequence of restricting the Department's ability to get the best price for surplus property by limiting competition.

Section 215(4), page 20, Department of Transportation

This proviso makes an appropriation of \$2,000,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

Section 217(9), page 22, Department of Transportation

This proviso makes an appropriation of \$12,500,000 from the Water Pollution Account-State subject to passage of Substitute House Bill 1614. Since Substitute House Bill 1614 was not enacted, the appropriation lapses and this section is no longer required.

Section 602, pages 71-72, Department of Transportation

This section would have transportation agencies hire a consultant approved by the Department of Information Services to develop a "consolidated strategy and plan" to achieve cost savings resulting

from holistic virtualization, wide area network optimization, transition to alternative telecommunications systems, and migration to internal voice mail systems. A similar proviso in the omnibus operating budget (Section 143) requires the Department of Information Services to implement some or all of these strategies and to report on the savings to the Office of Financial Management and the fiscal committees of the Legislature.

The transportation budget does not contain funding to hire contractors to develop the plan. Rather than hiring a contractor, the Department can work with the Department of Information Services to learn from its experience with these strategies.

Section 715, pages 87-88, Department of Transportation

This section would give the Legislature the ability to designate property under the jurisdiction of the Department as "unused state-owned real property," and direct the transfer and conveyance of such unused property, provided it is consistent with public interest. The Legislature could then direct the transfer and conveyance of such property to entities listed in statute as eligible recipients such as ports, utilities, other state agencies, cities, or counties. The value of such properties would be determined by the Legislature for "adequate consideration," and would not require fair market value.

While the Legislature may possess the authority to direct the Department in the transfer and conveyance of unused properties, such decisions must be guided by clear criteria. This section does not set forth sufficient safeguards to determine how unused properties would be determined, how properties would be conveyed and transferred, or how values would be assigned to such properties.

For these reasons, I have vetoed Sections 215(2), 215(4), 217(9), 602 and 715.

With the exception of Sections 215(2), 215(4), 217(9), 602 and 715, Engrossed Substitute Senate Bill 5352 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5360-S by Senate Committee on Health & Long-Term Care (originally sponsored by Senators Keiser, Brandland, Franklin, Murray, Brown, Ranker, Fraser, Parlette, and Kohl-Welles)

(DIGEST AS ENACTED)

Establishes the community health care collaborative grant program to further the efforts of community-based coalitions to increase access to appropriate, affordable health care for Washington residents, particularly employed low-income persons and children in school who are uninsured and underinsured.

Directs the Washington state health care authority to: (1) Provide administrative support for the program; and

(2) Endeavor to disburse community health care collaborative grant funds throughout the state, supporting collaborative initiatives of differing sizes and scales, serving at-risk populations.

VETO MESSAGE ON SSB 5360

April 30, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 3, Substitute Senate Bill 5360 entitled:

"AN ACT Relating to community health care collaborative grants."

Section 3 requires the administrator of the Health Care Authority to produce a report every two years. In difficult economic times, producing additional reports will only further strain limited funding and staff time. If legislators or governors require further information on the performance of the grant program, they can simply request such information from the Health Care Authority. For this reason, I have vetoed Section 3 of Substitute Senate Bill 5360.

With the exception of Section 3, Substitute Senate Bill No. 5360 is approved.

Respectfully submitted,
Christine Gregoire
Governor

Companion Bill: 1416

Feeding hungry children through school breakfast and lunch programs and summer food service programs.

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent to: (1) Maintain its current commitment, to the maximum extent possible, to feed hungry low-income students in public schools at no cost to the students;

(2) Ensure that all low-income students in public schools receive a nutritious school breakfast at no charge, and all low-income students in elementary schools receive school lunch at no charge;

(3) Phase in the free provision of school lunches to all low-income students at all grade levels; and

(4) Invest strategically in capacity building and provision of meals to low-income children during the summer months because children continue to need nutritious meals when school is not in operation during the summer.

Directs the legislature to appropriate funds for allocation to school districts sufficient to eliminate the copayment for breakfast for all students qualifying for reduced-price lunch; and in any school that enrolls students in any of grades preschool through six, eliminate the copayment for lunch for all students qualifying for reduced-price lunch in the school.

Directs the superintendent of public instruction to: (1) Provide state support for summer food service programs, to the extent funds are appropriated; and

(2) Conduct two cycles of grant awards per school year, with a fall cycle of grants of up to twenty thousand dollars to build local capacity to provide summer food service programs and a spring cycle of grants of up to five thousand dollars for expenses related to providing outreach and for planning and administrative tasks associated with initiating a new program.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires funds, subject to appropriation, to be allocated to school districts sufficient to eliminate the copayment for breakfast for all students qualifying for reduced-price lunch and to eliminate the copayment for lunch for any students in grades kindergarten through three that qualify for reduced-price lunch.

Directs the superintendent of public instruction: (1) To the extent funds are appropriated, to eliminate the copayment for lunch for any students in grades preschool through five that qualify for reduced-price lunch;

(2) To the extent funds are appropriated, to provide state support for summer food service programs; and

(3) To conduct two cycles of grant awards per school year, with a fall cycle of grants of up to twenty thousand dollars to build local capacity to provide summer food service programs and a spring cycle of grants of up to five thousand dollars for expenses related to providing outreach and for planning and administrative tasks associated with initiating a new program.

SB 5377 by Senators Kilmer, McCaslin, Kastama, Fairley, Swecker, and Marr

Concerning funding for infrastructure that supports dense, affordable development in transit-oriented areas.

(SEE ALSO PROPOSED 1ST SUB)

Creates the residential infrastructure program in the department of community, trade, and economic development to provide loans to eligible jurisdictions and grants to nonprofit organizations for public infrastructure that supports increased capacity for dense, affordable residential development in transit-proximate areas.

Authorizes the department of community, trade, and economic development to provide direct loans to eligible jurisdictions for

projects meeting certain requirements or to provide grants to nonprofit organizations for projects meeting certain requirements.

Requires the department of community, trade, and economic development to: (1) Determine each year the total amount of funding available in loans and grants and to establish the total amount of financial assistance to be appropriated to eligible jurisdiction and nonprofit organization applicants based on the total amount of money appropriated to the program, the quality of applications received, and the best available projections of total revenue likely to be available for the program for the subsequent three years;

(2) Announce to all known interested parties, and through major media throughout the state, a competitive application period of at least ninety days' duration; and

(3) Establish a competitive process for loan and grant awards and review and prioritize proposals in consultation with the public works board and the transportation improvement board or designees selected by those boards to represent them.

Creates the residential infrastructure account.

SB 5383-S by Senate Committee on Natural Resources, Ocean & Recreation (originally sponsored by Senators Morton, Jacobsen, Swecker, Stevens, Hargrove, Schoesler, Pflug, and King)

Regarding wolf-hybrids.

(AS OF SENATE 2ND READING 2/08/10)

Revises the definition of "potentially dangerous wild animal" to include a wolf hybrid.

Allows a person in legal possession of a wolf-hybrid, prior to the effective date of the act, and who is the legal possessor of the animal to keep possession of the animal for the remainder of the animal's life.

Authorizes an animal control authority or a law enforcement officer to: (1) Immediately confiscate a wolf-hybrid under certain circumstances; and

(2) Euthanize a potentially dangerous wild animal only if all known reasonable placement options, including relocation to a wildlife sanctuary, are unavailable.

SB 5385 by Senators Hargrove, Morton, Rockefeller, Hatfield, and Shin

Requiring a review of the embodied energy costs during the design of a public facility.

Finds that research has shown the importance of reducing environmental impacts through building design. The primary focus on building designs has been an attempt to reduce heating and cooling requirements over the course of a building's lifetime. However, what has been overlooked are opportunities to reduce greenhouse gas emissions and other environmental impacts at earlier stages in the building and construction design process. The selection of building materials and products, such as using wood and wood products in the design stage, provides substantial opportunities to reduce lifetime greenhouse gas emissions. A key component of life-cycle cost analysis is the energy expended in the manufacturing and production of the building materials being considered in the construction of public facilities.

Requires the department of general administration, in consultation with affected public agencies, to develop and issue guidelines that must contain provisions that establish a method for calculating the embodied energy used in building materials for construction of a major facility and identify simplified methods to ensure low embodied energy building materials are used in the building design.

Companion Bill: 1403

Addressing the detection of motorcycles and bicycles at vehicle-activated traffic control signals.

Finds that: (1) It is the policy of the state of Washington to provide for the safe and efficient use of public roads and highways by all types of vehicles that are authorized to use these roads and highways;

(2) Many existing vehicle-activated traffic control signals are operated or installed in a manner that does not allow for the routine and reliable detection of motorcycles and bicycles necessary for signal change; and

(3) It is the policy of the legislature that this problem be avoided in all new and substantially upgraded vehicle-activated traffic control signals and that existing vehicle-activated traffic control signals be operated to detect motorcycles and bicycles where currently capable consistent with safe traffic control.

Regulates the adjusting, replacing, and updating of vehicle-activated traffic control signals to ensure detection of motorcycles and bicycles.

Companion Bill: 1115

Concerning animal trapping.

Authorizes the fish and wildlife commission to manage the trapping of wild animals in Washington.

Requires a person to possess a department-issued Washington trapping license in order to lawfully trap wild animals in the state.

Requires the department of fish and wildlife to: (1) Establish a program for training persons in trapping techniques and responsibilities, including the use of trapping devices designed to painlessly capture or instantly kill; and

(2) Cooperate with Washington-based animal shelters, humane organizations, wildlife rehabilitation centers and similar entities providing animal care and rehabilitation services, hunter education groups, and Washington-based trapping organizations in the development and instruction of a curriculum for the training program.

Requires the fish and wildlife commission to: (1) Adopt and maintain a list of body-gripping traps that may be lawfully used;

(2) Adopt specific trap types for specific animal problems that are the most humane effective traps for the targeted animal problem; and

(3) Convene and maintain a trap type advisory panel to provide recommendations and guidance for identifying humane traps to be used for managing animal problems.

Provides penalties.

Jan 21 First reading, referred to Transportation.
 Feb 3 Public hearing in the Senate Committee on Transportation at 3:30 PM.

SB 5393 by Senators Kastama, Haugen, and Fairley

Companion Bill: 2031

Establishing the emergency management, preparedness, and assistance account.

Finds that: (1) Recent events have demonstrated the need for a coordinated, comprehensive all-hazards disaster planning effort; (2) Washington ranks fifteenth in the nation for federally declared disasters with fourteen disasters in the last ten years; and (3) The economic impact from just the 2007 disasters alone is estimated at over five hundred million dollars. In response, Washington state and its local governments have implemented all-hazards emergency management and disaster response plans. However, recent studies have revealed the lack of a secure funding source impedes our ability statewide from fully integrating and coordinating comprehensive disaster preparedness planning.

Declares an intent to strengthen state and local emergency response, mitigation, preparation, and coordination by establishing a stable source of funding. The funding will be dedicated to the development and coordination of state and local government emergency management programs to a recognized baseline standard. The baseline will be determined by a gap analysis of state and local emergency management programs.

Creates the emergency management, preparedness, and assistance account.

Imposes an annual surcharge of one and one-third percent per policy on every homeowner's, mobile homeowner's, manufactured homeowner's, tenant homeowner's, and condominium unit owner's insurance policy, and commercial fire, commercial multiple peril, and business owner's property insurance policy, issued or renewed on or after the effective date of section 3 of the act.

Directs the Washington military department to administer the emergency management, preparedness, and assistance account and to establish rules for its administration in consultation with the emergency management council and the Washington state emergency management association.

Directs the emergency management council to accomplish a baseline assessment of all emergency management programs that

receive federal emergency management performance grant funds within six months after the effective date of section 5 of the act.

Requires the joint legislative audit and review committee to study and review the performance of the programs implemented under the act.

Allows the capital projects advisory review board to develop guidelines to be used by the project review committee for the review and approval of design-build demonstration projects that procure operations and maintenance services.

Directs the project review committee to: (1) Review and approve not more than ten projects using the design-build contracting procedure by certified and noncertified public bodies for projects that have a total project cost between two million and ten million dollars;

(2) Report, in June 2010, to the capital projects advisory review board regarding the committee's review procedure of these projects and its recommendations for further use; and

(3) Review and approve not more than two design-build demonstration projects that include procurement of operations and maintenance services for a period longer than three years.

Allows public bodies to use the design-build procedure for public works projects in which the total project cost is between two million and ten million dollars if certain conditions are met and subject to the process in RCW 39.10.280.

Allows a public body to seek committee approval for a design-build demonstration project that includes procurement of operations and maintenance services for a period longer than three years, subject to the process in RCW 39.10.280.

Requires a public body to establish a time and place for the opening of sealed bids for the percent fee on the estimated maximum allowable construction cost and the fixed amount for the general conditions work specified in the request for proposal.

SB 5403 by Senators Keiser, Hewitt, Honeyford, Franklin, and Kohl-Welles

Companion Bill: 1441

Concerning the contractual relationships between distributors and producers of malt beverages.

(SUBSTITUTED FOR - SEE 1ST SUB)

Recognizes that preservation of three viable, independent tiers of entities involved in the distribution and sale of malt beverages and wine in the state of Washington is necessary to facilitate orderly marketing of alcohol in the state, encourage moderation in the consumption of alcohol by citizens of the state, protect the public interest in limiting consumption of alcohol by minors and in limiting other abusive consumption of alcohol, and facilitate collection of taxes by the state.

SB 5403-S by Senate Committee on Labor, Commerce & Consumer Protection (originally sponsored by Senators Keiser, Hewitt, Honeyford, Franklin, and Kohl-Welles)

Creating a Washington competition council.

Creates the Washington competition council as an advisory council within the office of financial management.

Directs the Washington competition council, in consultation with the office of financial management, to: (1) Conduct an examination of the commercial activities that are being performed by state employees at state agencies to ensure such activities are being accomplished in the most cost-efficient and effective manner;

(2) Review the practices of state agencies that may constitute inappropriate competition with private enterprise; and

(3) Develop proposals for preserving the traditional role of private enterprise and encouraging the expansion of existing, and the creation of new, private enterprise.

Provides that, upon determination by the Washington competition council that outsourcing a commercial activity may result in reduced costs or otherwise provide a measurable benefit to the state and to assure the activity is being accomplished in the most cost-efficient and effective manner, the governor shall direct the appropriate agency to pursue a contract using the competitive contracting process available in RCW 41.06.142.

Requires the director of the office of financial management to determine the amount of the existing appropriation no longer needed by a state agency where all or a portion of the agency's function has been privatized in accordance with the recommendations of the Washington competition council, and reduce allotments accordingly.

SB 5410 by Senators Oemig, Morton, McAuliffe, Tom, and Eide

Regarding the digital learning commons.

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares the digital learning commons is the statewide coordinating entity for online learning in Washington state.

Requires the digital learning commons to: (1) Administer the state online course network;

(2) Ensure high quality education for students who are being educated through online courses provided through the statewide coordinating entity;

(3) Aggregate courses from providers of endorsed online courses;

(4) Incorporate national accreditation standards in its rubrics to endorse courses;

(5) Provide a program that gives local advisors access to the student's online course progress reports in order to monitor the student in areas such as progress, homework, and grades; and

(6) Post on its web site the criteria used to endorse online courses, a list of endorsed courses from providers, with a detailed description of each course, and the evaluations taken of the online courses.

Requires each online teacher for grades seven through twelve to be certified, certificated, or licensed to teach the grade or subjects and meet the federal no child left behind act "highly qualified" standards.

SB 5410-S by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators Oemig, Morton, McAuliffe, Tom, and Eide)

Regarding online learning.

(DIGEST AS ENACTED)

Requires the superintendent of public instruction, in collaboration with the state board of education, to develop and implement: (1) Approval criteria and a process for approving multidistrict online providers;

(2) A process for monitoring and if necessary rescinding the approval of courses or programs offered by an online course provider; and

(3) An appeals process.

Directs the superintendent of public instruction to: (1) Establish an online learning advisory committee within existing resources;

(2) Create an office of online learning;

(3) Develop model policies and procedures, in consultation with the Washington state school directors' association, that may be used by school district boards of directors in the development of certain school district policies and procedures;

(4) Conduct a review of online courses and programs offered to students during the 2008-09 school year; and

(5) Assess the level of funding provided for online course and program enrollment.

Authorizes school districts, beginning with the 2011-2012 school year, to claim state basic education funding for students enrolled in online courses or programs if certain conditions are met.

Requires school district boards of directors to develop policies and procedures for student access to online learning opportunities.

Provides that the act is null and void if appropriations are not approved.

SB 5414 by Senators McAuliffe, King, Oemig, and McDermott

Implementing recommendations of the WASL legislative work group.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that: (1) A statewide student assessment system should improve and inform classroom instruction, support accountability, and provide useful information to all levels of the educational system;

(2) Components of the assessment system should: (a) be instructionally supportive formative assessments, (b) be a state-administered summative achievement assessment that can be used as a check on the educational system in order to guide state expectations for the instruction of children and satisfy legislative demands for accountability, and (c) include classroom-based assessments, which may be formative, summative, or both;

(3) To sustain a strong and viable assessment system, preservice and ongoing training should be provided for teachers and administrators on the effective use of different types of assessments; and

(4) As the statewide data system is developed, data should be collected for all state-required statewide assessments to be used for accountability and to monitor overall student achievement.

Declares an intent to redesign the current statewide system, in accordance with the recommendations of the Washington assessment of student learning legislative work group.

Requires the superintendent of public instruction, in consultation with the state board of education, to begin design and development of an overall assessment system that meets the principles and characteristics described in section 1 of the act.

VETO MESSAGE ON ESSB 5414

April 30, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 4, Engrossed Substitute Senate Bill 5414 entitled:

"AN ACT Relating to statewide assessments and curricula."

Section 4, in part, requires the Office of the Superintendent of Public Instruction, in consultation with the State Board of Education, to develop an implementation plan, including an assessment of the feasibility of implementing the current timelines for students to demonstrate that they have met state mathematics and science standards in high school assessments. These timelines are critical components of our statewide effort to ensure that our students are ready for the 21st century. Now is not the time to indicate any lack of resolve in our commitment to our students by revisiting or adjusting those standards. For these reasons, I have vetoed Section 4 of Engrossed Substitute Senate Bill 5414.

With the exception of Section 4, Engrossed Substitute Senate Bill 5414 is approved.

Respectfully submitted,
Christine Gregoire
Governor

SB 5418 by Senators Jarrett, Rockefeller, Parlette, Swecker, Brandland, Marr, Jacobsen, Kastama, Kilmer,

Murray, Berkey, Haugen, Pridemore, Oemig, Kohl-Welles, McAuliffe, McDermott, and Kline

Companion Bill: 1481

Regarding electric vehicles.

Finds that the development of electric vehicles and an electric vehicle infrastructure is critical to developing new jobs and reducing greenhouse gas emissions.

Recognizes that jobs created to transition to electrified transportation are green jobs.

Defines the terms "electric vehicle" and "electric vehicle infrastructure" and provides preferential tax treatment for the construction of the vehicles and infrastructure.

Requires state and local governments and other entities to implement the use of electric vehicles by modifying zoning and development codes, building permits, transportation policy, and environmental regulations.

VETO MESSAGE ON 2SSB 5433

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 8, 9, 10 and 11, Second Substitute Senate Bill 5433 entitled:

"AN ACT Relating to modifying provisions of local option taxes."

This bill allows local governments flexibility to better use current revenues sources and additional options for transportation funding. Sections 8 through 11 would have given transit agencies the option of asking voters for up to \$20 per vehicle per year to expand local transit capacity and fund transit-related expenses. Local entities currently have authority under a transportation benefit district to impose a vehicle fee that can be used for transportation operating, maintenance and capital investments. In addition, the 2009-11 transportation budget appropriates funds to the Joint Transportation Committee to conduct a study of alternative revenue sources of transportation funding; so dedicating a specific revenue source now is premature and impacts future decision-making flexibility.

For these reasons, I have vetoed Sections 8, 9, 10 and 11 of Second Substitute Senate Bill 5433.

With the exception of Sections 8, 9, 10 and 11, Second Substitute Senate Bill 5433 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

| | -- IN THE HOUSE -- | To the Honorable President and Members, The Senate of the State of Washington |
| Mar 10 | First reading, referred to Commerce & Labor. | Ladies and Gentlemen: |
| Mar 24 | Public hearing in the House Committee on Commerce & Labor at 10:00 AM. | I have approved, except for Sections 4 and 5, Substitute Senate Bill 5436 entitled: |
| Mar 27 | CL - Executive action taken by committee. CL - Majority; do pass. Executive action taken in the House Committee on Commerce & Labor at 8:00 AM. | "AN ACT Relating to payment arrangements involving direct practices." |
| Mar 30 | Passed to Rules Committee for second reading. | Section 4 would subject direct patient-provider primary care practices to the assessments used to fund the Washington State Health Insurance Pool. I am concerned that this requirement would increase the cost of such practices at the very time businesses and individuals are badly in need of more affordable health care options. |
| Mar 31 | Placed on second reading suspension calendar. | Section 5 would require a direct practice to submit its advertising and marketing materials to the Insurance Commissioner for approval at least thirty days prior to use. The bill fails to indicate, however, the criteria against which these materials would be reviewed. This section also duplicates protections existing in current law, imposing needless administrative expenses on both these practices and the Commissioner's Office. |

SB 5441 by Senators Eide, Zarelli, Marr, Honeyford, Hargrove, Morton, Hatfield, Holmquist, Schoesler, Sheldon, Delvin, Shin, Hewitt, Kline, and Benton

Companion Bill: 1610

Creating incentives for the use of biomass in renewable energy production.

(SEE ALSO PROPOSED 1ST SUB)

Finds that: (1) Communities across the state have natural resource-based economies and rely on the use of biomass fuels to generate electricity for use in manufacturing and to serve local residents;

(2) In 2007, citizens of the state authorized a law (chapter 19.285 RCW) requiring electric utilities that serve more than twenty-five thousand customers in Washington to obtain fifteen percent of their electricity from new renewable resources by 2020 and to meet energy conservation goals;

(3) Eight other western states have renewable energy standards, but most of those other laws, unlike chapter 19.285 RCW, allow existing biomass resources to count as renewable energy resources; and

(4) By discriminating against our state's natural assets for producing renewable energy, chapter 19.285 RCW obligates local electric utilities to acquire more expensive renewable resource technologies.

Declares that chapter 19.285 RCW should be amended to preserve our low electricity costs and its economic benefits to urban and rural communities alike, and to promote further development of the low cost, climate-friendly biomass resources that form the foundation of our present and future clean energy economy.

Allows harvesters a credit against the amount of business and occupation tax otherwise due.

Exempts the use or sale of forest derived biomass used to produce electricity, steam, heat, or biofuel from the sales and use tax.

SB 5441-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Eide, Zarelli, Marr, Honeyford, Hargrove, Morton, Hatfield, Holmquist, Schoesler, Sheldon, Delvin, Shin, Hewitt, Kline, and Benton)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Referred to Ways & Means.

SB 5443 by Senators Kastama and Hobbs

Concerning the reporting requirements of state and local tax programs.

Finds that accountability and effectiveness are important aspects of setting tax policy. In order to make policy choices regarding the best use of limited state resources, the legislature needs information on how a tax preference is used. In recent years, the legislature has enacted or extended numerous tax preferences that require the reporting of information to the department of revenue. Although there are many similarities in the requirements, and only two distinct accountability documents, there is a lack of uniformity in the information reported, penalties for failure to file, due dates, filing extensions, and filing requirements. Greater uniformity in the data reported is necessary to adequately compare tax preference programs.

Declares an intent to create two sets of uniform reporting requirements that apply to the existing tax preferences and can be used in future legislation granting additional tax preferences.

Requires the legislative fiscal committees or the department of revenue to study many of the existing tax preferences and report to the legislature at least once. Because chapter 43.136 RCW now requires the joint legislative audit and review committee, with support from the department of revenue, to comprehensively review most tax preferences every ten years and provide a report to the legislature, a number of redundant studies by the legislative fiscal committees and the department of revenue have been eliminated. However, the department of revenue will continue to prepare summary descriptive statistics by category and report the statistics to the legislature each year.

Regarding establishing and meeting graduation and reengagement goals.

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares it is the goal of the state that by 2020: (1) Ninety-five percent of students must graduate from high school in four years; and

(2) Sixty percent of youth who have dropped out of school must be reengaged in education and be college and work ready.

Directs the office of the superintendent of public instruction to establish a state-level building bridges advisory committee.

Requires the state board of education to: (1) Establish annual graduation rate targets for schools and school districts in order to meet the graduation rate goal;

(2) Establish annual targets for youth who have dropped out of school in order to meet the reengagement goal; and

(3) In consultation with the office of the superintendent of public instruction and the building bridges advisory committee, make recommendations to the legislature on a focused assistance program and incentives for school districts to improve their high school graduation rate.

Directs the workforce training and education coordinating board to provide advice to the building bridges advisory committee on how best to reengage older youth who have dropped out of school and help them become college and work ready.

Requires the workforce training and education coordinating board, the state board for community and technical colleges, the employment security department, the department of community, trade, and economic development, the department of health, the department of social and health services, and the family policy council to collaborate with other state agencies and organizations to meet state graduation rate goals and help reduce the dropout rate, in accordance with the act.

SB 5453 by Senators Kastama and Franklin

Defining "principal residence" for the purpose of relocation of a child.

(AS OF SENATE 2ND READING 3/11/09)

Defines "principal residence" for the purpose of relocation of a child.

SB 5453-S by Senate Committee on Human Services & Corrections (originally sponsored by Senators Kastama and Franklin)

(NOT SUBSTITUTED FOR - SEE ORIGINAL BILL)

Clarifies that parents who share custody of their child or children equally pursuant to a parenting plan are each obligated to advise the other parent if there is an intent to relocate.

Recognizes that a different result was created by the court of appeals' decision in *Spring v. Spring* and the purpose of the act is to prevent a similar result in such circumstances by requiring that a notice of intent to relocate be given in all circumstances in which a parent intends to relocate.

Provides that the act is to be applied retroactively to all parenting plans which are in effect as of the effective date of the act.

SB 5456 by Senator Oemig

Creating the office of the citizen advocate.

Declares an intent to establish, in addition to other remedies or rights of appeal of any person under state law, an independent, impartial state office, readily available to the public and accountable to the legislature. The office shall be empowered to investigate the acts of state administrative agencies and to recommend appropriate changes toward the goals of safeguarding the rights of persons and of achieving higher levels of competency, efficiency, and justice in the administration of state laws.

Creates an office within the legislative branch to be known as the citizen advocate.

Requires the office of the citizen advocate to review the powers and duties of the mental health ombudsman, the office of family and children's ombudsman, and the long-term care ombudsman and based on those reviews make certain recommendations to the legislature.

Abolishes the office of the ombudsman for workers of industrial insurance self-insured employers, the office of the education ombudsman, the special education ombudsman program located within the office of the superintendent of public instruction, and the office of the family and children's ombudsman.

Creates the citizen advocate administrative account.

SB 5458 by Senators Marr, Swecker, Haugen, King, and Shin; by request of Office of Financial Management

Companion Bill: 1978

Concerning economic stimulus transportation funding and appropriations.

(SEE ALSO PROPOSED 1ST SUB)

Declares it is the intent of the governor and the legislature to stimulate Washington's lagging economy and reduce the state's unemployment rate by quickly putting people to work on infrastructure projects that will promote safety, relieve traffic congestion, and make long-term investments that will provide benefits into the future.

Adopts the economic stimulus transportation budget.

SB 5458-S by Senate Committee on Transportation (originally sponsored by Senators Marr, Swecker, Haugen, King, and Shin; by request of Office of Financial Management)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that: (1) President Barack Obama and the 111th Congress have enacted the American Recovery and Reinvestment Act of 2009 in an effort to stimulate the American economy, create and save jobs, and speed recovery from one of the deepest economic recessions in recent history. The act includes 492 million dollars in federal transportation funding for Washington state and local highway projects and 179 million dollars for local transit agency improvement projects;

(2) The act includes over 11 billion dollars in new funding for competitive national grant programs for highways of regional significance, ferries, and rail priorities;

(3) Washington state is well positioned to deliver infrastructure projects in one hundred twenty days, as is required for at least half of the state's share of federal stimulus highway funds, and expects to receive additional funds that other states are unable to use in this time frame; and

(4) The state's work to date on projects funded through the "nickel" and "transportation partnership" funding acts means that many regionally significant projects are poised to compete well for nationally available funds.

Declares an intent to revitalize Washington's economy and reduce the state's unemployment rate by quickly putting people to work around the state on projects that promote safety, relieve traffic congestion, and preserve long-term investments that will provide benefits into the future. Such projects will be constructed quickly and will generate a significant number of jobs, thereby strengthening Washington's economy and its families seeking work.

SB 5459 by Senators Hobbs, Pridemore, and McAuliffe

Creating multiple measures to meet high school graduation requirements.

Declares an intent to account for a student's entire high school academic history by implementing an assessment system that evaluates a student's readiness to graduate based on multiple measures. This method recognizes all of the state's graduation requirements, considers the academic impact and benefit of each, and puts all in proper perspective.

Allows every student the opportunity to graduate with a high school diploma by obtaining a set weighted graduation score, as established by the state board of education, in relation to his or her performance in the entire multiple measures high school assessment system, as calculated under section 2 (2) of the act.

Reducing the administrative cost of state government during the 2007-2009 and 2009-2011 fiscal bienna.

(SUBSTITUTED FOR - SEE 1ST SUB)

Directs the office of financial management to reduce allotments for all agencies for salaries, wages, fringe benefits, personal service contracts, equipment, travel, and training by \$105,450,000 from 2007-09 biennial general fund and related funds appropriations to reflect the elimination of expenditures required by the act as identified in LEAP document BT-2009, a computerized tabulation developed by the legislative evaluation and accountability program committee on January 22, 2009. The general fund allotment reduction shall be placed in unallotted status and remain unexpended.

SB 5460-S by Senate Committee on Ways & Means (originally sponsored by Senators Tom, Zarelli, Prentice, Hewitt, and Kline)

(DIGEST AS ENACTED)

Prohibits, with exceptions, salary or wage increases for: (1) Any position exempt from classification under chapter 41.06 RCW (state civil service law);

(2) Any exempt position under chapter 41.06 RCW; and

(3) Any position under RCW 41.06.500 (managers--rules--goals), 43.03.030 (increase or reduction of appointees' compensation), or 43.03.040 (salaries of certain directors and chief executive officers).

Prohibits, with exceptions, state agencies of the legislative, executive, and judicial branches from: (1) Establishing new staff positions or filling vacant existing staff positions;

(2) Entering into any contracts or other agreements for the acquisition of personal services not related to an emergency or other catastrophic event that requires government action to protect life or public safety; and

(3) Making expenditures for the cost of reimbursement of certain out-of-state travel or certain out-of-state training by state employees.

SB 5486 by Senators Fraser, Carrell, Jacobsen, Swecker,
 Kilmer, and Shin

Companion Bill: 1635

Requiring a comprehensive lakes management strategic plan.

(SEE ALSO PROPOSED 1ST SUB)

Finds that: (1) Freshwater lakes are vital to the state's economy
 and environment, and serve as a source of recreational and scenic
 enjoyment;

(2) Currently more than two hundred lakes, or twenty-five
 percent of the publicly accessible lakes within Washington state,
 have impaired water quality conditions or are at risk for
 impairment; and

(3) Legislative studies a decade ago identified several
 programmatic recommendations to strengthen state and local
 responses to degradation in the health of lakes.

Directs that a comprehensive strategy for lakes protection and
 restoration be developed, portions of which may be implemented
 within current authority and funding, and that the strategy further
 include recommendations for further legislative authorization and
 funding to achieve a comprehensive statewide lakes protection and
 restoration program.

Requires the department of ecology to prepare a
 comprehensive lakes management strategic plan to guide state
 programs that provide technical and financial assistance to other
 state agencies, local governments, special purpose districts, and
 nongovernmental entities for the protection and restoration of the
 state's freshwater lakes.

(DIGEST AS ENACTED)

Allows the department of transportation to authorize bonds in an amount less than the full contract price of a project on highway construction contracts administered by the department with an estimated contract price of two hundred fifty million dollars or more.

Requires the office of financial management, before the secretary of the department of transportation may approve any bond authorized to be less than the full contract price of a project, to review and approve the analysis supporting the amount of the bond set by the department.

Expires June 30, 2016.

VETO MESSAGE ON SSB 5499

May 13, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 2, Substitute Senate Bill 5499 entitled:

"AN ACT Relating to bond amounts for department of transportation highway contracts."

Section 2 of this bill requires the Governor to approve any contracts in which the Washington State Department of Transportation intends to authorize bonds in an amount less than the full contract price of the contract.

Section 1 of the bill requires the Office of Financial Management to approve risk guidelines developed by the Department of Transportation prior to authorizing bonds in an amount less than the full price of the contract. Section 1 also requires the Office of Financial Management to review and approve the decision of the Secretary of Transportation to authorize a bond in an amount less than the full price of the contract prior to proceeding with the contract. Approval from the Office of Financial Management of the risk guidelines, as well as review of pending contracts constitutes sufficient oversight by the Governor's office of highway contract decisions. Requiring subsequent approval from the Governor is redundant and is not a necessary statutory requirement.

For these reasons, I have vetoed Section 2 of Substitute Senate Bill 5499.

With the exception of Section 2, Substitute Senate Bill 5499 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5501 by Senators Keiser, Pflug, Franklin, Parlette, Murray, and Kohl-Welles

Concerning the secure exchange of health information.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that: (1) The inability to securely share critical health information between practitioners inhibits the delivery of safe, efficient care;

(2) Consumers are unable to act as fully informed participants in their care unless they have ready access to their own health information;

(3) The blue ribbon commission on health care costs and access found that the development of a system to provide electronic access to patient information anywhere in the state was a key to improving health care; and

(4) In 2005, the legislature established a health information infrastructure advisory board to develop a strategy for the adoption and use of health information technologies that are consistent with emerging national standards and promote interoperability of health information systems.

Requires the administrator of the state health care authority to designate one or more lead organizations to coordinate development of processes, guidelines, and standards to improve patient access to and control of their own health care information and to implement methods for the secure exchange of clinical data.

Requires the office of financial management to contract with an independent research organization to evaluate implementation of the act's provisions.

SB 5501-S by Senate Committee on Ways & Means (originally sponsored by Senators Keiser, Pflug, Franklin, Parlette, Murray, and Kohl-Welles)

(DIGEST AS ENACTED)

Requires the administrator of the state health care authority to designate one or more lead organizations to coordinate development of processes, guidelines, and standards to: (1) Improve patient access to and control of their own health care information, enabling their active participation in their own health care; and

(2) Implement methods for the secure exchange of clinical data as a means to promote continuity of care, quality of care, patient safety, and efficiency in medical practices.

SB 5502 by Senators Keiser, Pflug, Franklin, Murray, Roach, Marr, Kohl-Welles, and Shin

Establishing the primary care physician conditional tuition waiver program.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that there is a critical shortage of primary care physicians in the state especially in rural areas.

Declares an intent to create incentives for medical school students to choose primary care practice for their medical careers.

Establishes the primary care physician conditional tuition waiver program to be administered by the University of Washington.

Creates the primary care physician conditional tuition waiver account.

Provides that, within funds appropriated to the department of health for this purpose, and with the goal of increasing the number of family medicine residency positions at community health centers, and thereby increasing the number of family medicine physicians working in underserved settings, a family medicine residency training grant program is created.

Creates the family medicine residency training account.

Requires funding for graduate medical education to be directed toward residents in training in family medicine, internal medicine, and pediatrics who plan to pursue primary care following their residency programs.

SB 5502-S by Senate Committee on Higher Education & Workforce Development (originally sponsored by Senators Keiser, Pflug, Franklin, Murray, Roach, Marr, Kohl-Welles, and Shin)

(AS OF SENATE 2ND READING 3/09/09)

Finds that there is a critical shortage of primary care physicians in the state especially in rural areas.

Declares an intent to create incentives for medical school students to choose primary care practice for their medical careers.

Establishes the primary care physician conditional tuition waiver program to be administered by the University of Washington.

Requires the University of Washington to provide medical school students with information about the growth of patient and family-centered primary care medical homes throughout the state as a desirable and important strategy to improve quality of care.

Requires the University of Washington family medicine residency network to make every reasonable effort to work with community physicians to establish additional accredited new sites in underserved Washington to train primary care professionals, including physicians in family medicine, internal medicine, or pediatrics.

Expires July 1, 2019.

Companion Bill: 1636

Protecting lake water quality by reducing phosphorus from lawn fertilizers.

Finds that: (1) Phosphorus loading of surface waters can stimulate the growth of weeds and algae. This growth can have adverse environmental, health, and aesthetic effects;

(2) Lawn fertilizers contribute to phosphorus loading;

(3) Turf fertilizers containing no or very low amounts of phosphorus are readily available; and

(4) While significant reductions of phosphorus from laundry detergent and dishwashing detergent have been achieved, similar progress in reducing phosphorus contributions from turf fertilizer has not been accomplished.

Declares an intent to significantly limit the use of fertilizers containing the plant nutrient phosphorus.

Prohibits a person, under certain conditions, from applying a fertilizer containing the plant nutrient phosphorus to turf.

Prohibits a person from applying a fertilizer to an impervious surface.

Provides penalties.

VETO MESSAGE ON SB 5525

May 11, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Senate Bill 5525 entitled:

"AN ACT Relating to rental vouchers to allow release from state institutions."

This section requires a report from the Department of Corrections to the Legislature on December 1, 2009 regarding the number of rental vouchers issued to offenders and any corresponding sanction history for those offenders receiving vouchers. No funding is included in the budget for this report. I am directing the Department to keep track of information related to this bill.

For this reason, I have vetoed Section 4 of Senate Bill 5525. With the exception of Section 4, Senate Bill 5525 is approved.

Respectfully submitted,
Christine Gregoire
Governor

Companion Bill: 1640

Modifying disclosure requirements for private investment information received by the University of Washington consolidated endowment fund.

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent to clarify provisions governing disclosure of information related to University of Washington endowment investments, and thereby improve the university's ability to maximize the performance of its endowment portfolio.

Requires the University of Washington to disclose the names and commitment amounts of the private funds in which it is invested and the aggregate quarterly performance results for its portfolio of investments in such funds.

Exempts from public disclosure, certain financial and commercial information submitted to or obtained by the University of Washington when the information relates to investments in private funds, to the extent that such information, if revealed, would reasonably be expected to result in loss to the University of

Washington consolidated endowment fund or to result in private loss to the providers of this information.

SB 5526-S by Senate Committee on Higher Education & Workforce Development (originally sponsored by Senators Fairley, Roach, Zarelli, Murray, Kilmer, Shin, and Kohl-Welles; by request of University of Washington)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares an intent to clarify provisions governing disclosure of information related to University of Washington endowment investments, and thereby improve the university's ability to maximize the performance of its endowment portfolio.

Requires the University of Washington to: (1) Disclose the names and commitment amounts of the private funds in which it is invested and the aggregate quarterly performance results for its portfolio of investments in such funds;

(2) Have formal policies addressing conflicts of interest in regard to the private funds in which the endowment is invested; and

(3) Post these policies on their public web site.

Exempts from public disclosure, certain financial and commercial information submitted to or obtained by the University of Washington, other than information the university is required to disclose under section 2 of the act, when the information relates to investments in private funds, to the extent that such information, if revealed, would reasonably be expected to result in loss to the University of Washington consolidated endowment fund or to result in private loss to the providers of this information.

Companion Bill: 1353

Regarding employment opportunities at institutions of higher education.

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent to: (1) Provide faculty and college excellence for Washington citizens by increasing the number of full-time, tenured academic employee positions at community and technical colleges and by enabling academic employees who hold part-time positions to have greater assurance of continuing employment; and

(2) Develop a planning process through which the community and technical colleges and the state board for community and technical colleges suggest a long-term strategic plan and timeline for faculty conversions.

Directs each community and technical college, in close collaboration with the exclusive bargaining representative for faculty, to create a conversion plan to increase the number of full-time tenured faculty positions.

Requires each community and technical college, subject to collective bargaining, to establish a process: (1) Under which part-time and full-time nontenured faculty members, after successful completion of an evaluation period, receive timely notice of and priority consideration, consistent with other institutional and state policies, for academic employment assignments for which they are qualified in their discipline in coming academic terms; and

(2) For ensuring that qualified internal applicants receive priority consideration for attaining a tenure-track position when one becomes available such as prior notification of job openings before they are posted outside of the institution or a job interview for positions where minimum requirements have been met.

VETO MESSAGE ON SB 5542

April 16, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval, Senate Bill 5542 entitled:

"AN ACT Relating to members of the law enforcement officers' and firefighters' retirement system plan 2 who were disabled in the line of duty before January 1, 2001."

This bill is identical to House Bill 1678, which I signed into law on April 15, 2009.

For this reason I have vetoed Senate Bill 5542 in its entirety.

Respectfully submitted,
Christine Gregoire
Governor

SB 5543 by Senators Pridemore, Oemig, Rockefeller, Fairley,

Murray, Kline, Keiser, Shin, Regala, Franklin, McAuliffe, Fraser, Ranker, and Kohl-Welles

Companion Bill: 1469

Establishing the product stewardship recycling act for mercury-containing lights.

(SUBSTITUTED FOR - SEE 1ST SUB)

Creates the product stewardship recycling act for mercury-containing lights.

Finds that: (1) Convenient and environmentally sound product stewardship programs for mercury-containing lights that include collecting, transporting, and recycling mercury-containing lights will help protect Washington's environment and the health of state residents; and

(2) Product producers should finance and provide these programs.

Requires all government, commercial, industrial, and retail facilities and office buildings to recycle their end-of-life mercury-containing general purpose lights.

Requires all residents and other generators to recycle their end-of-life mercury-containing general purpose lights.

Requires every producer of a covered product sold in or into Washington state to participate in a product stewardship program for that product.

Requires a producer, group of producers, or stewardship organization to pay all administrative and operational costs associated with their program.

Directs product stewardship programs to collect, free of charge, unwanted products from covered entities for reuse, recycling, processing, or final disposition.

Authorizes the department of ecology or its designee to inspect, audit, or review audits of processing and disposal facilities used to fulfill the requirements of a product stewardship program.

Prohibits a product stewardship program from using federal or state prison labor for processing unwanted products.

Prohibits, as of the implementation date for the covered product, a producer, wholesaler, retailer, or other person from selling or offering for sale that product to any person in this state unless the producer is participating in a product stewardship program under a plan approved by the department of ecology.

Directs the department of ecology to provide, on its web site, a list of all producers participating in product stewardship programs it has approved and a list of all producers it has identified as noncompliant with the act.

Requires all producers whose products are included in the act to pay the department of ecology ten thousand dollars annually no later than January 1st of each year for each covered product category sold in or into the state.

Creates the product stewardship programs account.

Provides that nothing in the act: (1) Changes or limits the authority of the utilities and transportation commission to regulate collection of solid waste, including curbside collection of residential recyclable materials, nor does the act change or limit the authority of a city or town to provide such service itself or by contract under RCW 81.77.020; and

(2) Changes the requirements of any entity regulated under chapter 70.105 RCW to comply with the requirements under chapter 70.105 RCW.

SB 5543-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Pridemore, Oemig, Rockefeller, Fairley, Murray, Kline, Keiser, Shin, Regala, Franklin, McAuliffe, Fraser, Ranker, and Kohl-Welles)

Reducing the release of mercury into the environment.

(DIGEST AS ENACTED)

Requires all mercury-containing lights collected in the state by product stewardship programs or other collection programs to be recycled.

Requires all persons, residents, government, commercial, industrial, and retail facilities and office buildings to recycle their end-of-life mercury-containing lights.

Requires producers of mercury-containing lights sold in or into the state for residential use to fully finance and participate in a product stewardship program and to pay annual fees to the department of ecology for enforcement and administration costs.

Requires product producers to play a significant role in financing no-cost collection and processing programs for mercury-containing lights.

Prohibits the sale or purchase and delivery of bulk mercury.

Prohibits the use of state or federal prison labor for processing unwanted products.

Requires the department of ecology to publish certain information on its web site regarding product stewardship programs.

Creates the product stewardship programs account.

Prescribes penalties.

SB 5560 by Senators Ranker, Swecker, Brown, Hargrove, Pridemore, Marr, Kilmer, Rockefeller, Kauffman, Haugen, Eide, Hobbs, Kohl-Welles, Jarrett, Fraser, Jacobsen, and Murray

Regarding state agency climate leadership.

(SUBSTITUTED FOR - SEE 2ND SUB)

Finds that: (1) In chapter 14, Laws of 2008, the legislature established greenhouse gas emission reduction limits for Washington state, including a reduction of overall emissions by 2020 to emission levels in 1990, a reduction by 2035 to levels twenty-five percent below 1990 levels, and by 2050 a further reduction below 1990 levels. Based upon estimated 2006 emission levels in Washington, this will require a reduction from present emission levels of over twenty-five percent in the next eleven years;

(2) State government activities are a significant source of emissions; and

(3) State government should meet targets for reducing emissions from its buildings, vehicles, and all operations that demonstrate that these reductions are achievable and cost-effective and will help to promote innovative energy efficiency technologies and practices.

Requires all state agencies to reduce energy consumption and exceed the statewide greenhouse gas emission limits established in RCW 70.235.020.

SB 5560-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Ranker, Swecker, Brown, Hargrove, Pridemore, Marr, Kilmer, Rockefeller, Kauffman, Haugen, Eide, Hobbs, Kohl-Welles, Jarrett, Fraser, Jacobsen, and Murray)

(SUBSTITUTED FOR - SEE 2ND SUB)

Finds that: (1) In chapter 14, Laws of 2008, the legislature established greenhouse gas emission reduction limits for Washington state, including a reduction of overall emissions by 2020 to emission levels in 1990, a reduction by 2035 to levels twenty-five percent below 1990 levels, and by 2050 a further reduction below 1990 levels. Requires all state agencies to: (1) Meet the statewide greenhouse gas emission limits established in RCW 70.235.020; and

(2) Report estimates of emissions for 2005 to the department of ecology, including 2009 levels of emissions, and projected emissions through 2035.

SB 5560-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Ranker, Swecker, Brown, Hargrove, Pridemore, Marr, Kilmer, Rockefeller, Kauffman, Haugen, Eide, Hobbs, Kohl-Welles, Jarrett, Fraser, Jacobsen, and Murray)

(DIGEST AS ENACTED)

Requires all state agencies to: (1) Meet the statewide greenhouse gas emission limits established in RCW 70.235.020;

(2) Report estimates of emissions for 2005 to the department of ecology, including 2009 levels of emissions, and projected emissions through 2035;

(3) Estimate emissions from methodologies recommended by the department of ecology based on actual operation of those agencies;

(4) Report to the department of ecology the actions taken to meet the emission reduction targets under the strategy for the preceding fiscal biennium; and

(5) Cooperate in providing information to the departments of ecology, general administration, and community, trade, and economic development.

Requires the department of ecology to develop an emissions calculator to assist state agencies in estimating aggregate emissions as well as in estimating the relative emissions from different ways in carrying out activities.

Directs the governor to designate a person as the single point of accountability for all energy and climate change initiatives within state agencies and requires all agencies, councils, or work groups with energy or climate change initiatives to coordinate with this designee.

Requires the department of general administration to: (1) Develop strategies to reduce fuel consumption and emissions from all classes of vehicles; and

(2) Develop a separate fleet fuel economy standard for all other classes of vehicles.

Requires the departments of ecology, agriculture, community, trade, and economic development, fish and wildlife, natural resources, and transportation to develop an integrated climate change response strategy and authorizes these departments to consult with qualified nonpartisan experts from the scientific community as needed to assist with developing the strategy.

Provides that the act is null and void if appropriations are not approved.

VETO MESSAGE ON E2SSB 5560

May 15, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 entitled:

"AN ACT Relating to state agency climate leadership."

Sections 3 and 4 require agencies to use battery operated or electric small-scale powered equipment that is not yet available for commercial or heavy duty use, although it is available for home or light duty use. I am directing the Department of General Administration to examine landscaping policies on the Capitol Campus and develop and implement a plan that will reduce the carbon footprint of landscaping within the 2009-11 biennium, including a pilot project to showcase methods for "green landscaping" of the Capitol Campus.

Section 7 addresses energy audits and high performance buildings. On May 8, 2009, I signed Engrossed Second Substitute Senate Bill 5854 which directs the Department of General Administration to conduct energy audits and assign energy benchmarks of state buildings. Engrossed Second Substitute Senate Bill 5854 provides a complete and thorough process to examine state buildings and, therefore, this additional provision is not needed at this time.

For these reasons, I have vetoed Sections 3, 4 and 7 of Engrossed Second Substitute Senate Bill 5560.

With the exception of Sections 3, 4 and 7, Engrossed Second Substitute Senate Bill 5560 is hereby approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5569 by Senators Hobbs and Kastama; by request of Department of Revenue

Companion Bill: 1597

Concerning the administration of state and local tax programs.

(SEE ALSO PROPOSED 1ST SUB)

Improves the administration of state and local tax programs without impacting tax collections by providing greater consistency in numerous tax incentive programs.

Revises provisions relating to the confidentiality and disclosure of tax information.

Amends statutes to improve clarity and consistency, eliminate obsolete provisions, and simplify administration.

Declares an intent to create two sets of uniform reporting requirements that apply to the existing tax preferences and that can be used in future legislation granting additional tax preferences.

Requires the legislative fiscal committees or the department of revenue to study many of the existing tax preferences and report to the legislature at least once. Because chapter 43.136 RCW (termination of tax preferences) now requires the joint legislative audit and review committee, with support from the department of revenue, to comprehensively review most tax preferences every ten years and provide a report to the legislature, a number of redundant studies by the legislative fiscal committees and the department of revenue have been eliminated. However, the department of revenue will continue to prepare summary descriptive statistics by category and report the statistics to the legislature each year.

Provides that certain provisions of the act: (1) That relate to annual surveys and annual reports apply beginning with annual surveys and annual reports due in 2010 and thereafter;

(2) Apply to return or tax information in respect to the tax imposed under chapter 83.100 RCW (estate and transfer tax act) in the possession of the department of revenue on or after a certain date;

(3) Apply both retroactively and prospectively to estates of decedents dying on or after May 17, 2005; and

(4) Apply both prospectively and retroactively beginning with taxes levied for collection in 2002 and thereafter.

SB 5572 by Senators Marr, Kohl-Welles, Zarelli, Roach, Jarrett, Swecker, Kilmer, Kline, Franklin, Rockefeller, Keiser, Benton, McAuliffe, Carrell, Pridemore, Haugen, Kauffman, Fairley, and Eide

Providing collective bargaining for child care center directors and workers.

(SEE ALSO PROPOSED 1ST SUB)

Creates the access to quality child care workforce act.

Finds that, as of 2009, the challenges posed by low wages and lack of training that the legislature identified in enacting the child care career and wage ladder persist, and the availability of quality child care in the state continues to suffer.

Declares an intent to address these problems by creating the possibility for a new relationship between child care center directors and workers and the state. Child care center directors and workers are to be given the opportunity to work collectively to improve standards in their profession and to expand opportunities for educational advancement to ensure continuous quality improvement in the delivery of early learning services.

Declares an intent to create a new type of collective bargaining for these directors and workers whereby they can come together and bargain with the state over matters within the state's purview to improve the quality of child care for the state's families. Unlike traditional collective bargaining, this new approach will afford these directors and workers the opportunity to bargain with the state only over the state's support for child care centers, a matter of common concern to both directors and workers.

Provides that all child care center directors and workers will equally be able to maintain full membership in the organization that represents them in their efforts to improve the quality of child care they provide to the state's children. This new bargaining relationship does not intrude in any manner upon those relationships governed by the national labor relations act (29 U.S.C. Sec. 151 et seq.) Child care center directors and workers do not forfeit their rights under the national labor relations act by becoming members of an organization that represents them in their dealings with the state. Under the national labor relations act, an organization that represents child care center directors and workers in bargaining with the state under the act is precluded from representing workers seeking to engage in traditional collective bargaining with their employer over specific terms and conditions of employment at individual child care centers.

Provides that the act is not intended to create any unfunded mandates or financial obligations on child care centers covered by the act.

SB 5572-S by Senate Committee on Ways & Means (originally sponsored by Senators Marr, Kohl-Welles, Zarelli, Roach, Jarrett, Swecker, Kilmer, Kline, Franklin, Rockefeller, Keiser, Benton, McAuliffe, Carrell, Pridemore, Haugen, Kauffman, Fairley, and Eide)

Protecting consumer data in motor vehicles.

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires a manufacturer of a motor vehicle sold or leased in this state, that is equipped with one or more recording devices, to disclose in the owner's manual: (1) That the motor vehicle is equipped with one or more recording devices;

(2) The type of data recorded; and

(3) Whether the recording device or devices have the ability to transmit information to a central communications system or other external device.

Prohibits an insurer from refusing to renew a motor vehicle insurance policy solely because a motor vehicle owner refuses to provide access to recorded data from a recording device.

Prohibits an insurer or agent from reducing coverage, increasing the insured's premium, applying a surcharge, refusing to apply a discount other than a discount that is based on data recorded by a recording device, or, when there are multiple insurers available, failing to place the motor vehicle owner with the most favorably priced insurer, solely because a motor vehicle owner refuses to allow an insurer access to data from a recording device.

SB 5574-S by Senate Committee on Labor, Commerce & Consumer Protection (originally sponsored by Senators Kauffman, Kline, Tom, Hargrove, Oemig, Regala, Fairley, McAuliffe, McDermott, Fraser, Shin, Keiser, and Kohl-Welles)

(DIGEST AS ENACTED)

Requires a manufacturer of a motor vehicle sold or leased in this state, that is equipped with one or more recording devices, to:

- (1) Disclose certain information in the owner's manual; and
- (2) Ensure by licensing agreement or other means that a tool or tools are available that are capable of accessing and retrieving the information stored in a recording device.

Prohibits, with exceptions, information recorded or transmitted by a recording device from being retrieved, downloaded, scanned, read, or otherwise accessed by a person other than the owner of the motor vehicle in which the recording device is installed.

Prohibits information that can be associated with an individual and that is recorded or transmitted by a recording device from being sold to a third party unless the owner of the information explicitly grants permission for the sale.

SB 5583 by Senators Marr, Honeyford, Rockefeller, Morton, Fraser, Sheldon, and Shin; by request of Department of Ecology

Companion Bill: 1494

Improving the effectiveness of water bank and exchange provisions.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that: (1) Many watershed groups and programs have proposed or considered the establishment of water banks to meet vital instream and out-of-stream needs within a watershed or region; and

(2) Water banks and exchanges can: Provide critical tools to make water supplies available when and where needed during times of drought; improve stream flows and preserve instream values during fish critical periods; reduce water transaction costs, time, and risk to purchasers; facilitate fair and efficient reallocation of water from one beneficial use to another; provide banked water supplies to offset impacts related to future development and the issuance of new water rights; and facilitate water agreements that protect upstream community values while retaining flexibility to meet critical downstream water needs in times of scarcity.

Declares an intent to: (1) Provide clear authority for water banks throughout the state;

(2) Improve the effectiveness of water bank and exchange provisions; and

(3) Use the interlocal cooperation act to establish watershed management partnerships for water banking purposes.

SB 5583-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Marr, Honeyford, Rockefeller, Morton, Fraser, Sheldon, and Shin; by request of Department of Ecology)

SB 5607 by Senators McAuliffe, Pridemore, Kauffman, Hargrove, Regala, Franklin, Shin, Kline, Keiser, and Kohl-Welles

Attaining a world class K-12 educational system.

Declares that the purpose of the act is to establish a new funding system for the state's public schools. Over the next six years the state will provide adequate resources for school districts to maintain educational programs that give all students the opportunity to meet the state's educational standards. The new system will be more transparent and will allow greater flexibility to districts to determine which educational programs best meet the

needs of their students. Districts will have more flexibility in spending state funds but will be held accountable to meet designated performance outcomes for all of their students. School districts and schools that do not meet designated performance outcomes will receive progressive levels of support and assistance with less flexibility as they work to improve their student outcomes.

Creates the permanent commission for quality education in Washington to oversee the new system and make recommendations to the legislature each year on the funding needed to meet the state's definition of basic education and to review and update the definition of basic education as needed.

Directs the office of the superintendent of public instruction to provide staff and maintain web pages for the commission.

Creates the full funding of basic education account.

VETO MESSAGE ON SSB 5608

April 30, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning, without my approval as to Section 5, Substitute Senate Bill 5608 entitled:

"AN ACT Relating to genetic counselors; amending RCW 18.130.040."

Section 5 provides for an advisory committee on genetic counseling to be established under the Secretary of Health. In difficult economic times, we need fewer not more advisory committees, boards and commissions absorbing limited funding and staff time. For this reason, I have vetoed Section 5 of Substitute Senate Bill 5608.

With the exception of Section 5, Substitute Senate Bill 5608 is approved.

Respectfully submitted,
Christine Gregoire
Governor

Companion Bill: 1183

Concerning legal representation of children in dependency proceedings.

Finds that attorneys for children have different skills and obligations than guardians ad litem and court-appointed special advocates, especially in forming a confidential and privileged relationship with a child to provide legal counsel to the child on issues such as placement options, visitation rights, educational rights, and access to services while in care and services available to the child upon aging out of care. Thus, it is in the best interest of a child who is age twelve or older for the court to consider whether an attorney should be appointed to advocate for the child's position and legal rights.

Companion Bill: 1418

Establishing a statewide dropout reengagement system.

Declares an intent to: (1) Provide a statutory framework to support a statewide dropout reengagement system for older youth; and

(2) Encourage school districts, community and technical colleges, and community-based organizations to participate in this system and provide appropriate instruction and services to reengage older students and help them make progress toward a meaningful credential and career skills.

Creates a statewide dropout reengagement system to provide appropriate educational opportunities and access to services for students aged sixteen to twenty-one who have dropped out of high school or are not accumulating sufficient credits to reasonably complete a high school diploma in a public school before the age of twenty-one.

Directs the office of the superintendent of public instruction to: (1) Develop statewide model contracts and interlocal agreements for the dropout reengagement system; and

(2) Allocate the basic education allocation generated under RCW 28A.150.260 and the student achievement fund allocation under RCW 28A.505.220 for each annual average full-time equivalent eligible student enrolled in a dropout reengagement program.

Requires every educational service district board to oversee the dropout reengagement system in its district and fulfill the responsibilities described in statewide model contracts and interlocal agreements.

Regarding energy efficiency in buildings.

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares that it is the intent of the legislature that financial and technical assistance programs be expanded to direct state and federal funds, as well as electric and natural gas utility funding, toward greater achievement of energy efficiency improvements. To this end, the legislature establishes a policy goal of assisting in weatherizing twenty thousand homes and businesses in the state in each of the next five years. The legislature also intends to attain this goal in part through supporting programs that rely on community organizations and that there be maximum family-wage job creation in fields related to energy efficiency.

VETO MESSAGE ON E2SSB 5649

May 7, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 403, Engrossed Second Substitute Senate Bill 5649 entitled:

"AN ACT Relating to achieving greater energy efficiency in buildings."

Section 403 of the bill requires the Governor to designate a single point of accountability for all energy and climate change initiatives within state agencies. This language duplicates the requirements contained in Substitute Senate Bill 5921, Section 4(1). I signed Substitute Senate Bill 5921 on May 4, 2009. As a result, this provision is not needed and I have vetoed Section 403 of Engrossed Second Substitute Senate Bill 5649.

Some stakeholders have expressed concerns regarding Section 202 of Engrossed Second Substitute Senate Bill 5649. Section 202 of the bill establishes new employment and reporting requirements for the state's existing low income weatherization program. It will be important to implement these new requirements in a manner that allows the local community action agencies and their funding sponsors to comply efficiently and effectively with the new requirements. To that end, I will direct the Department of Commerce to prepare administrative rules immediately to address the interpretation of the new requirements.

With the exception of Section 403, Engrossed Second Substitute Senate Bill 5649 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5671 by Senators Berkey, Franklin, Shin, and Haugen; by request of Insurance Commissioner

Companion Bill: 1563

Requiring annuities sold in Washington to be suitable to the age and financial situation of the purchaser.

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that consumers rely heavily on the insurance producers and insurers selling annuities for accurate, descriptive information when purchasing annuities and may be easily misled about the risks and benefits of the product being purchased.

Requires an annuity sold in Washington to be suitable to the age and financial situation of the owner. Purchasers are entitled to a clear written description of the annuity at the time of solicitation on a summary disclosure form adopted by rule of the insurance commissioner. Prior to issuing an annuity, the insurer must obtain sufficient information from the purchaser to verify the suitability of the proposed sale and to enable the prospective owner to make an informed purchase.

SB 5671-S by Senate Committee on Financial Institutions, Housing & Insurance (originally sponsored by Senators Berkey, Franklin, Shin, and Haugen; by request of Insurance Commissioner)

Determining the suitability of annuities sold in Washington.

(DIGEST AS ENACTED)

Permits and sets standards for producers and insurers selling annuity products issued after the effective date of the act that ensure consumers purchase annuities suitable to their financial and insurance needs and life circumstances.

Requires the insurance commissioner to notify the appropriate committees of the house of representatives and senate if there are changes regarding the registration of annuities under the securities act of 1933 that affect the application of section 2(5) of the act.

Jan 29 First reading, referred to Transportation.

Feb 18 Public hearing in the Senate Committee on Transportation at 1:30 PM.

SB 5690 by Senators Swecker and Jacobsen

Companion Bill: 1665

Assisting small forest landowners to keep their land in active working forestry.

Finds that: (1) The total acreage of forest land owned and managed by small forest landowners is diminishing at an alarming rate;

(2) The loss of forest land has a direct negative impact on fish, wildlife, water quality, water resources, and the ecology of the state's watersheds and near shore marine environments;

(3) Current forest practices regulations have resulted in an unanticipated disproportionate economic impact on small forest landowners; and

(4) The forest and fish law, adopted in 1999, envisioned a path by which small forest landowners could satisfy environmental protections by implementing forest practices that differ from the default forest practices rules. Lewis county, together with a nonprofit partner, has developed an alternate approach for the small forest landowners living within its jurisdiction to satisfy the environmental safeguards of the current forest practices rules in a document entitled the "Family Forest Habitat Conservation Plan." This plan details alternate harvest restrictions that are specifically tailored to the unique local geography of Lewis county and are designed to be the equivalent of the environmental protections of the default forest practices rules while providing a lower administrative burden to small forest landowners.

Declares an intent to reaffirm the legislature's commitment to assisting small forest landowners to keep their land in active working forestry and to recognize that the alternate harvest restrictions developed by Lewis county in the family forest habitat conservation plan represents the commitment to science and to the protection of aquatic life originally envisioned in alternate harvest restrictions.

VETO MESSAGE ON SSB 5734

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 2, Substitute Senate Bill 5734 entitled:

"AN ACT Relating to tuition fees."

Section 2 of Substitute Senate Bill 5734 is identical to Section 3 in Engrossed Substitute House Bill 2344 that I signed yesterday. Signing two bills with identical sections may cause confusion, so I am vetoing this iteration of the performance audit requirement.

For this reason, I have vetoed Section 2 of Substitute Senate Bill 5734.

With the exception of Section 2, Substitute Senate Bill 5734 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

Welles, Regala, McAuliffe, and Kline; by request of Governor Gregoire

Companion Bill: 1819

Reducing greenhouse gas emissions.

(SUBSTITUTED FOR - SEE 2ND SUB)

Reduces greenhouse gas emissions.

SB 5735-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Rockefeller, Hargrove, Jacobsen, Ranker, Fraser, Keiser, Jarrett, Franklin, Shin, Kohl-Welles, Regala, McAuliffe, and Kline; by request of Governor Gregoire)

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the state to adhere to certain policies when presenting its position on any regional or national emissions reduction program that relies on a multisector, market-based approach to regulating greenhouse gas emissions.

Requires the department of ecology to: (1) Design voluntary annual statewide emissions targets beginning with calendar year 2009;

(2) Design a voluntary Washington emissions reduction registry, whose sole purpose is to assist persons in achieving recognition for emissions reductions;

(3) Establish criteria for recognizing voluntary offset credits for offset projects that may be used to report equivalent emissions reductions under section 4 of the act or that may be projects sponsored in this state that may be offered in emerging carbon markets where state recognition will enhance the market value of the projects;

(4) Present the state's policy on forestry offset projects established under section 7 of the act as the state's position when developing the criteria for forestry offset projects within any other regional or national emissions reduction program;

(5) In consultation with the forest practices board, the department of natural resources, and the forest carbon working group, develop the state's policy for forestry offset projects within Washington; and

(6) In consultation with Washington State University and the department of agriculture, reestablish the agriculture carbon working group to develop recommendations for agricultural offset projects within Washington.

Authorizes the director of the department of ecology to monitor and discuss with representatives of other jurisdictions within the western climate initiative the formation of an organization, including a nonprofit corporation to carry out certain administrative functions.

Creates the voluntary climate emissions reduction incentives account.

SB 5735-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Rockefeller, Hargrove, Jacobsen, Ranker, Fraser, Keiser, Jarrett, Franklin, Shin, Kohl-Welles, Regala, McAuliffe, and Kline; by request of Governor Gregoire)

(AS OF SENATE 2ND READING 3/11/09)

Requires the state to adhere to certain policies when presenting its position on any regional or national emissions reduction program that relies on a multisector, market-based approach to regulating greenhouse gas emissions.

Requires the department of ecology to: (1) Recommend a greenhouse gas emissions reduction program that sets statewide and sector emission caps for persons that annually emit at or above twenty-five thousand metric tons of carbon dioxide equivalents;

(2) Report to the legislature on alternative strategies the state may implement to meet the requirements in RCW 70.235.020 (greenhouse gas emissions reductions--reporting requirements);

(3) Recommend criteria for issuing and accepting offset credits for offset projects that may be used to meet a person's compliance obligation in a state, regional, or national emissions reduction program;

SB 5735 by Senators Rockefeller, Hargrove, Jacobsen, Ranker, Fraser, Keiser, Jarrett, Franklin, Shin, Kohl-

(4) Present the state's policy on forestry offset projects established under section 6 of the act as the state's position when developing the criteria for forestry offset projects within any other regional or national cap and trade emissions reduction program; and

(5) In consultation with the forest practices board, the department of natural resources, and the forest carbon working group, develop the state's policy for forestry offset projects within Washington and deliver to the legislature by December 1, 2010, legislation to implement a financial incentives program for forestry and forest products.

Authorizes the director of the department of ecology to continue discussions with other jurisdictions in the western climate initiative.

Requires the governor to direct the department of ecology, in collaboration with the states of Oregon and California, to develop a multistate electric vehicle infrastructure initiative.

Requires certain regional transportation planning organizations, in collaboration with representatives from the departments of ecology, transportation, and community, trade, and economic development, local governments, and the office of regulatory affairs, to seek federal or private funding for the planning for, deployment of, or regulations concerning electric vehicle infrastructure.

Creates the emissions reduction assistance account.

Provides that the act shall be in effect only to the extent that funds are specifically appropriated for the purposes of the act.

(3) Immediately commence work on this issue, hold meetings until June 30, 2009, and report its findings and recommendations to the appropriate committees of the legislature by July 1, 2009.

Expires December 31, 2009.

-- 2009 REGULAR SESSION --

Feb 2 First reading, referred to Higher Education & Workforce Development.

SB 5785 by Senators Kline, Rockefeller, Jacobsen, Murray, Franklin, Keiser, and Shin

Companion Bill: 1625

Concerning for hire vehicles and for hire vehicle operators.

Finds that taxicab, limousine, and other for hire vehicle operators are at significant risk of injury due to work-related accidents or work-related crimes that may not be covered by standard vehicle insurance policies. Since most taxicab, limousine, and other for hire vehicle business operations are independent small business franchises, their owners or operators may opt out of industrial insurance coverage without full consideration for the risk of financial exposure due to such action. As a result, health care may be provided to them at public expense or not at all, and erroneous claims may be made by health care providers for insurance coverage, against the state department of labor and industries, private businesses, or the taxicab associations in which certain municipalities require participation. For hire vehicle operators do not enjoy the benefit of the broad public policy embodied in Title 51 RCW that mandates industrial insurance protection for workers.

Declares that all taxicab, limousine, and other for hire vehicle businesses, defined in the act as urban transportation business operations, and all for hire vehicle operators are subject to mandatory industrial insurance coverage under Title 51 RCW.

SB 5809 by Senator Hargrove

Creating a temporary workforce employment and training program.

(SUBSTITUTED FOR - SEE 2ND SUB)

Creates an employment and training trust fund to provide state funding for employment and training services.

SB 5809-S by Senate Committee on Labor, Commerce & Consumer Protection (originally sponsored by Senator Hargrove)

Revising unemployment compensation and workforce training provisions.

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares that: (1) The purpose of the act is to: (a) reduce the amount paid by employers in the state to the unemployment compensation fund by one-tenth of one percent of taxable wages; and (b) establish a separate fund for workforce training grants for dislocated workers. This fund shall consist of contributions of one-tenth of one percent of taxable wages; and

(2) It is the intent of the legislature that the act not result in any net increase in employer tax rates.

SB 5809-S2 by Senate Committee on Ways & Means (originally sponsored by Senator Hargrove)

(DIGEST AS ENACTED)

Declares that individuals who are eligible for services under the workforce investment act adult and dislocated worker programs, or are receiving or have exhausted entitlement to unemployment compensation benefits be provided the opportunity to enroll in training programs to prepare for a high-demand occupation.

Requires funds appropriated in the 2009-2011 operating budget for the purposes of the act, subject to the availability of

funds through March 1, 2011, to be distributed by the employment security department to workforce development councils as a match to American recovery and reinvestment act formula funds or local workforce investment act funds that workforce development councils provide specifically for the education and training of eligible individuals in high-demand occupations for the purposes identified in section 5(2) of the act.

VETO MESSAGE ON E2SSB 5809

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5809 entitled:

"AN ACT Relating to workforce employment and training."

I am vetoing Section 4 of this bill. The policy intent of the bill can be accomplished without the Legislature directing how the Governor's discretionary Workforce Investment Act 10% fund is used. Although federal law does not prohibit the state Legislature from directing the Workforce Investment Act 10% funds, the approach taken by this bill would set an undesirable precedent.

For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate Bill 5809.

With the exception of Section 4, Engrossed Second Substitute Senate Bill 5809 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5831 by Senators Parlette, Haugen, Schoesler, Morton, and Hatfield

Companion Bill: 1896

Creating the Washington state essential worker pilot program.

Finds that: (1) Washington's combination of excellent wages, working conditions, and services have attracted workers from other states and countries to work in our agricultural, construction, retail, restaurant, and hospitality industries;

(2) A controversy exists because some of these workers may lack employment eligibility;

(3) Considerable controversy has occurred over eligibility for government services; and

(4) The federal government is encouraging employers to conduct background investigations or use other systems to verify the identity of workers after hiring them, but these steps are not required by federal law, take several weeks to accomplish, and are not feasible for many employers.

Declares an intent for our state to proactively work with the federal government to establish a program to provide an adequate, legal, and stable workforce for employers in Washington.

Requires the employment security department, on behalf of the state, to petition the United States congress to create a new classification of nonimmigrant visa.

Establishes the Washington state essential worker pilot program.

Directs the employment security department to immediately begin work to establish the parameters of the program and to implement the program.

Requires employers to provide housing to essential workers while they are employed.

Requires the employment security department to offer training programs for essential workers, including but not limited to basic English language and civics training.

SB 5846-S by Senate Committee on Transportation (originally sponsored by Senators Tom, Kohl-Welles, and McDermott)

Concerning requirements, exemptions, and penalties for covering vehicular loads of dirt, sand, or gravel.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires a vehicle with a model year of 2011 or later that has a gross vehicle weight rating of 16,001 pounds or more, and is designed primarily to haul loads of materials, such as dirt, sand, or gravel, to be equipped with a permanently affixed manual or automated load covering device, and requires any person operating the vehicle on a public highway with a load of dirt, sand, or gravel to engage the load covering device.

Exempts a person operating a vehicle on public highways from this requirement when operating the vehicle: (1) In response to emergency conditions, including flooding or natural disaster;

(2) On a public highway that is closed for repair or emergency purposes; or

(3) For the purpose of dropping sand or de-icer on the roadway pursuant to instruction from a state or local authority.

Provides that, if a violation occurs in the course of the person's employment, the person's employer is liable for a monetary penalty of one thousand dollars. However, the employer is not liable if, prior to the violation, the employer installed a permanently affixed load covering device to the vehicle and the person failed to engage the load covering device when hauling loads of dirt, sand, or gravel on a public highway.

Eliminates the six-inch freeboard exception on January 1, 2014.

Requires the office of crime victims advocacy to supply the medical quality assurance commission, the examining board of psychology, and the mental health counselors, marriage and family therapists, and social workers advisory committee with

information on methods of recognizing victims of human trafficking, what services are available for these victims, and where to report potential trafficking violations.

Provides that the act is null and void if appropriations are not approved.

VETO MESSAGE ON E2SSB 5850

May 14, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Second Substitute Senate Bill 5850 entitled:

"AN ACT Relating to protecting workers from human trafficking violations."

Section 4 applies the Consumer Protection Act, chapter 19.86 RCW, to violations of this law. The Consumer Protection Act is ill suited to responding to these types of issues. Employment activities are already well regulated by the Department of Labor and Industries. Violations of this law would be better directed to the statutes administered by that agency.

For these reasons, I have vetoed Section 4 of Engrossed Second Substitute Senate Bill 5850. With the exception of Section 4, Engrossed Second Substitute Senate Bill 5850 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5854 by Senators Kilmer, Pridemore, Ranker, Rockefeller, Marr, Fraser, Kohl-Welles, Kline, Murray, and Keiser

Reducing climate pollution in the built environment.

(SUBSTITUTED FOR - SEE 2ND SUB)

Reduces climate pollution in the built environment.

Requires the department of community, trade, and economic development to develop and implement a strategic plan for enhancing energy efficiency in and reducing greenhouse gas emissions from homes, buildings, districts, and neighborhoods.

Directs the department of community, trade, and economic development and the state building code council to convene a work group to inform the initial development of the strategic plan.

Requires the state energy code to be designed to accelerate construction of increasingly energy efficient homes and buildings that help achieve the broader goal of building zero fossil-fuel greenhouse gas emission homes and buildings by the year 2031.

Requires the state building code council to adopt state energy codes that require homes and buildings constructed from 2016 through 2031 to meet certain energy efficiency targets, using the adopted 2006 Washington state energy code as a baseline.

Provides a public utility tax exemption on gross income from sales of electricity, natural gas, or manufactured gas made to a person for the operation of a qualified building. This exemption expires January 1, 2013.

SB 5854-S by Senate Committee on Environment, Water & Energy (originally sponsored by Senators Kilmer, Pridemore, Ranker, Rockefeller, Marr, Fraser, Kohl-Welles, Kline, Murray, and Keiser)

SB 5854-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Kilmer, Pridemore, Ranker, Rockefeller, Marr, Fraser, Kohl-Welles, Kline, Murray, and Keiser)

(DIGEST AS ENACTED)

Requires the department of community, trade, and economic development to develop and implement a strategic plan for

enhancing energy efficiency in and reducing greenhouse gas emissions from homes, building, districts, and neighborhoods.

Directs the department and the state building code council to convene a work group to inform the initial development of the strategic plan.

Requires the state energy code to be designed to accelerate construction of increasingly energy efficient homes and buildings that help achieve the broader goal of building zero fossil-fuel greenhouse gas emission homes and buildings by the year 2031.

Requires the state building code council to adopt state energy codes from 2013 through 2031 that incrementally move towards achieving seventy percent reduction in annual net energy consumption.

Requires qualifying utilities to: (1) Maintain records of the energy consumption data of all nonresidential and qualifying public agency buildings to which they provide service;

(2) Create an energy benchmark for each reporting public facility using a portfolio manager;

(3) Report the environmental protection agency national energy performance rating for each reporting public facility included in the technical requirements for this rating to the department of general administration; and

(4) Link all portfolio manager accounts to the state portfolio manager master account to facilitate public reporting.

Requires the department of community, trade, and economic development to recommend to the legislature a methodology to determine an energy performance score for residential buildings and an implementation strategy to use such information to improve the energy efficiency of the state's existing housing supply.

Requires the department of general administration to:(1) Establish a state portfolio manager master account;

(2) Select a standardized portfolio manager report for reporting public facilities;

(3) Make the standard report of each reporting public facility available to the public through the portfolio manager web site;

(4) Develop a technical assistance program to facilitate the implementation of a preliminary audit and the investment grade energy audit and design the program to utilize audit services provided by utilities or energy services contracting companies when possible; and

(5) Conduct a review of facilities not covered by the national energy performance rating, and based on this review, develop a portfolio of additional facilities that require preliminary energy audits.

Provides that sections 3, 5, 7, and 8 of the act shall be in effect only during fiscal periods in which specific appropriations are provided referencing the act or chapter number and the relevant section number.

SB 5881 by Senators McAuliffe, Hargrove, Regala, Jarrett, and King

Changing provisions involving truancy.

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares an intent to encourage and support the development and expansion of community truancy boards and other diversion programs which are effective in promoting school attendance and preventing the need for more intrusive intervention by the court.

SB 5881-S by Senate Committee on Human Services & Corrections (originally sponsored by Senators McAuliffe, Hargrove, Regala, Jarrett, and King)

(DIGEST AS ENACTED)

Finds that utilization of community truancy boards, or other diversion units that fulfill a similar function, is the preferred means of intervention when preliminary methods of notice and parent conferences and taking appropriate steps to eliminate or reduce

unexcused absences have not been effective in securing the child's attendance at school.

Encourages and supports the development and expansion of community truancy boards and other diversion programs which are effective in promoting school attendance and preventing the need for more intrusive intervention by the court.

Addresses: (1) Providing school district and court notices in a language in which the parent or guardian is fluent;

(2) Including information in truancy petitions regarding parental and student fluency in English;

(3) Timelines for a truancy board to meet with the child, parent, and school district representative;

(4) Assisting children in special education programs or children diagnosed with mental or emotional disorders;

(5) Length of detention; and

(6) Parameters regarding service of an arrest warrant.

SB 5882 by Senators Kauffman, McAuliffe, Regala, Shin, and Kline

Ordering an evaluation of recommendations made by the racial disproportionality advisory committee.

(SUBSTITUTED FOR - SEE 1ST SUB)

Directs the Washington state institute for public policy to: (1) Evaluate the use of structured decision-making practices by the children's administration in the department of social and health services to determine its impact on reducing the disproportionality of African-American, Native American, and latino children referred to the department of social and health services; and

(2) Evaluate the use of the family team decision-making model by the department of social and health services to determine whether the model reduces disproportionality in the placement and length of stay of children of color.

Expects the evaluation to be supported partly through state dollars and partly through private funding.

SB 5882-S by Senate Committee on Human Services & Corrections (originally sponsored by Senators Kauffman, McAuliffe, Regala, Shin, and Kline)

Remediating racial disproportionality in child welfare practices.

(DIGEST AS ENACTED)

Requires the Washington state institute for public policy, within amounts appropriated for this specific purpose or within funding made available by private grant or contribution, to: (1) Evaluate the department of social and health services' use of structured decision-making practices and implementation of the family team decision-making model to determine whether and how those child protection and child welfare efforts result in reducing disproportionate representation of African-American, Native American, and Latino children in the state's child welfare system; and

(2) Analyze the points in the system at which current data reflect the greatest levels of disproportionality.

SB 5895 by Senators Tom, Kohl-Welles, Fraser, and McDermott

Addressing residential real property construction improvements through consumer education, warranty protections, legal remedies, municipal liability, third-party inspections, contractor registration requirements, worker certification standards, and bonding requirements.

(SUBSTITUTED FOR - SEE 2ND SUB)

Finds that: (1) There is inadequate protection for consumers in the area of residential construction; and

(2) A significant amount of the problems in the construction of new residential real property, or the substantial remodel of existing residential real property, pertain to water intrusion and unstable foundations and develop from poor installation of roofing, siding, framing, foundations, doors, and windows.

Declares an intent to: (1) Modify the common law implied warranty of habitability to provide that this warranty may not be contractually disclaimed, waived, modified, or limited; and

(2) Establish a worker certification requirement for those doing construction work in the areas of roofing, siding, framing, foundations, doors, and windows.

Creates the office of consumer education for home construction in the office of the attorney general to be the primary point of contact for consumers in matters related to residential construction.

Requires a construction professional involved in the construction of new residential real property, or the substantial remodel of existing residential real property, to warrant that the work and any part thereof, will be suitable for the ordinary uses of real property of its type.

Requires any person applying for a building permit for construction of a residential building or substantial remodel to submit building enclosure design documents to the appropriate building department prior to the start of construction or substantial remodel.

Requires a registered contractor, by or against whom a petition in bankruptcy has been filed, to notify the department of labor and industries of the proceedings in bankruptcy, including the identity and location of the court in which the proceedings are pending, within ten days of the filing.

SB 5895-S by Senate Committee on Labor, Commerce & Consumer Protection (originally sponsored by Senators Tom, Kohl-Welles, Fraser, and McDermott)

SB 5895-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Tom, Kohl-Welles, Fraser, and McDermott)

Addressing residential real property construction improvements through warranty protections, legal remedies, third-party inspections, contractor registration requirements, worker certification standards, and bonding requirements. (REVISED FOR ENGROSSED: Addressing residential real property construction improvements through consumer education, warranty protections, legal remedies, third-party inspections, contractor registration requirements, worker certification standards, and bonding requirements.)

(AS OF SENATE 2ND READING 3/11/09)

Creates the office of consumer education for home construction in the office of the attorney general. The office shall: (1) Examine issues involved in establishing a recovery fund to provide compensation to residential real property homeowners through a claim filing process;

(2) Consult with appropriate agencies and representatives from organizations involved in the area of residential construction; and

(3) Make recommendations to the legislature on the creation of a recovery fund by December 1, 2010.

Creates the home construction board within the office of consumer education for home construction to administer a residential real property homeowner and construction professional early resolution mediation program.

Creates implied statutory warranties.

Requires third-party inspections for new residential construction and substantial remodels.

Requires applicants for contractor registration to provide additional information.

Directs the department of labor and industries to establish worker certification requirements in the areas of foundations, framing, siding, roofing, windows, and doors.

Increases bonding requirements for registered contractors.

SB 5896 by Senators Pflug, Kastama, Zarelli, Delvin, and Shin
Establishing the Washington innovation grant authority.

Establishes the Washington innovation grant authority to act as a financial conduit to provide access to needed capital for those who have previously received life sciences discovery fund support or other technology development grants and are in need of additional funds to transfer their research and technology to the commercial marketplace.

Establishes a Washington innovation grant authority account for the receipt of funds from any source.

Allows a business and occupation tax credit in an amount equal to the amount of contributions made to the Washington innovation grant authority account.

- Feb 12 Public hearing in the Senate Committee on Economic Development and Trade & Innovation at 10:00 AM.

SB 5897 by Senators Pflug, Kastama, Zarelli, and Delvin
Creating the technology discovery fund.

Declares that promoting the development of new technologies is a fundamental purpose of state government.

Declares it to be a clear public purpose and governmental function to promote technological advances through commercialization of new discoveries at the state's research institutions.

Finds that public support for and promotion and commercialization of new research will benefit the state and its residents through contributions to scientific knowledge and economic development, and this research will lead to breakthroughs and improvements that might not otherwise be discovered due to lack of existing market incentives.

Establishes a technology discovery fund authority with the power to contract to receive funding from a variety of sources, and to disburse those funds consistent with the purpose of the act. The technology discovery fund is intended to promote the best available research and commercialization activities through diverse Washington institutions and to build upon existing

research strengths in order to spread economic benefits across the state.

Provides a business and occupation tax exemption on income received by the technology discovery fund authority.

-- 2009 REGULAR SESSION --

- Feb 5 First reading, referred to Economic Development, Trade & Innovation.

SB 5898 by Senators Pflug, Keiser, and Zarelli
Creating a health care council.

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent to: (1) Preserve medical coverage for eligible enrollees in state-funded medical assistance programs while transforming the model of delivery, the financing mechanism, and the accessibility of such programs; and

(2) Fund only the most critical publicly funded medical assistance programs within the boundaries of current revenue projections.

Finds that it is necessary to temporarily adjust the state share of spending on other health benefit programs, including the state employee, school employee, and retiree benefits to better reflect the difficult budget choices being made in every department and agency of state government while allowing the flexibility of state employees to select different benefit designs that would present no additional financial burden.

Creates the Washington state apple health community care council as an emergency working group within the department of social and health services to work to preserve critical publicly funded medical assistance programs that provide medical coverage to families and adults while providing a solution for a single entry way for all medical programs available to the low-income populations in Washington state.

SB 5898-S by Senate Committee on Health & Long-Term Care (originally sponsored by Senators Pflug, Keiser, and Zarelli)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

SB 5902 by Senators Pridemore, Fraser, McAuliffe, Kline,
 Kohl-Welles, and McDermott

Companion Bill: 1739

Promoting accessible communities for persons with disabilities.

(SUBSTITUTED FOR - SEE 1ST SUB)

Promotes accessible communities for persons with disabilities.
 Finds that more than nine hundred thousand Washington state
 residents with disabilities continue to face barriers to full
 participation that could be easily eliminated.

Creates the accessible communities account. Two hundred
 dollars from each penalty imposed under RCW 46.16.381(7), (8),
 (9), and (11) (special parking for persons with disabilities) must
 be deposited into the account.

SB 5902-S by Senate Committee on Ways & Means (originally
 sponsored by Senators Pridemore, Fraser,
 McAuliffe, Kline, Kohl-Welles, and McDermott)

(DIGEST AS ENACTED)

Adds a two hundred dollar assessment to certain parking
 infractions related to parking places for persons with physical
 disabilities.

Requires the governor's committee on disability issues and
 employment to: (1) Determine eligibility of accessible community
 advisory committees for reimbursement or grant funding;

(2) Solicit proposals from active accessible community
 advisory committees for projects to improve disability awareness
 and access for persons with disabilities;

(3) Select projects for funding from money available in the
 accessible communities account; and

(4) Establish an accessible communities web site.

Authorizes counties to expand the scope of certain advisory
 committees to that of an accessible community advisory
 committee or to create an accessible community advisory
 committee.

SB 5913-S by Senate Committee on Health & Long-Term Care (originally sponsored by Senators Pflug, Keiser, and Shin)

(DIGEST AS ENACTED)

Requires the University of Washington to provide an annual accounting of the use of funds transferred from the department of health with regard to online access to the university's health sciences library.

VETO MESSAGE ON SSB 5913

May 19, 2009

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 1, Substitute Senate Bill 5913 entitled:

"AN ACT Relating to online access to the University of Washington health sciences library by certain health care providers; and amending RCW 43.70.110 and 43.70.112."

I fully support the intent of this legislation, including its clarification that the existing surcharge to health care professionals should be assessed only once per year, regardless of the number of licenses a professional holds. Unfortunately, Section 1 also

requires the Department of Health (Department) to create an ongoing, annual advisory group. Establishing new advisory groups in statute is contrary to our recent efforts to reduce the number of boards, commissions and advisory groups across all of state government. There are other, more efficient ways to keep interested parties informed and engaged on emerging issues.

Given the importance of this to many, I ask that Department pursue all available options to address the surcharge issue administratively. I also recommend that Department convene stakeholders to solicit feedback about the program and provide recommendations.

For these reasons, I have vetoed Section 1 of Substitute Senate Bill 5913.

With the exception of Section 1, Substitute Senate Bill 5913 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 5914 by Senators Rockefeller, McAuliffe, Schoesler, and Shin; by request of Superintendent of Public Instruction

Companion Bill: 2041

Concerning student transportation funding.

Finds that: (1) The current student transportation funding formula is outdated and does not adequately address the costs incurred by school districts in transporting students; and

(2) An appropriate new formula based on reliable data from a uniform reporting system used by all districts, providing incentives for efficient use of state resources, and maintaining local school district control over operational decisions within the transportation program has been developed under a contract with the office of financial management.

Declares an intent to respond to the findings of the 2006 pupil transportation funding study by the joint legislative audit and review committee by providing additional payments to districts to mitigate funding discrepancies identified by the study, until such time as the new funding formula can be implemented in a thoughtful and deliberative manner no later than the 2011-12 school year.

Requires the superintendent of public instruction to: (1) Ensure that the allocation formula results in adequate appropriation for low enrollment districts, nonhigh districts, districts involved in cooperative transportation agreements, and cooperative special transportation services operated by educational service districts;

(2) Encourage efficient use of state resources by providing a linear programming process that compares school district transportation operations; and

(3) Implement the new distribution formula for allocating state funds to school districts for transportation of students to and from school, beginning with the 2011-12 school year.

Authorizing the department of information services to engage in high-speed internet adoption, deployment, and digital inclusion activities. (REVISED FOR ENGROSSED: Regarding broadband adoption and deployment.)

(AS OF SENATE 2ND READING 3/12/09)

Declares it is essential that the legislature authorize a broadband programs management structure and an advisory council capable of developing and ensuring the implementation of statewide broadband strategies.

Provides that the authority for overseeing broadband adoption and deployment efforts in the state is vested in the department of information services.

Authorizes the department of information services to apply for and oversee implementation of federally funded or mandated broadband programs and to adopt rules to administer the programs. The department is the single eligible entity in the state to receive a grant under the federal broadband data improvement act and funding received by the department under the federal broadband data improvement act must be used in accordance with the requirements of that act and, subject to those requirements, may be distributed by the department on a competitive basis to other entities in the state to achieve the purposes of that act.

Requires the department of information services to reconvene the high-speed internet work group previously established by chapter 262, Laws of 2008. The work group is renamed the advisory council on digital inclusion and is an advisory group to the department of information services.

Provides that the act is null and void if appropriations are not approved.

(3) Submit a request to the federal department of health and human services to amend the current family planning waiver program.

VETO MESSAGE ON 2SSB 5945

May 18, 2009

To the Honorable President and Members,
The Senate of the State of Washington

I have approved, except for Section 3, Second Substitute Senate Bill 5945 entitled:

"AN ACT Relating to creating the Washington health partnership plan."

Section 3 creates the Washington health partnership advisory group and requires me to convene quarterly meetings of the group from October 2009 through June 2010. Creating in statute a new advisory group, even one of limited duration, is contrary to our recent effort to reduce the number of such groups across all of state government. I will emphasize to the relevant state agencies the importance of keeping all interested parties up to date on our state's health care reform efforts, and if appropriate will convene the type of meeting called for in this section without the need to create this group in statute.

With the exception of Section 3, Second Substitute Senate Bill 5945 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

Companion Bill: 2147

Closing the achievement gap in order to provide all students an excellent and equitable education.

(SUBSTITUTED FOR - SEE 2ND SUB)

Establishes the achievement gap advisory committee within the office of the superintendent of public instruction to advise the superintendent of public instruction, the professional educator standards board, and the state board of education on effective measures to close the achievement gap, to foster public accountability for achieving excellence and equity in public education, and to promote a greater sense of urgency and priority for doing so.

SB 5973-S by Senate Committee on Early Learning & K-12 Education (originally sponsored by Senators Kauffman, McAuliffe, Oemig, Shin, Hobbs, Kohl-Welles, and Kline)

Closing the achievement gap in K-12 schools.

(SUBSTITUTED FOR - SEE 2ND SUB)

Requires the superintendent of public instruction to disaggregate all student data related reports by at least the following subgroups of students: White, Black, Hispanic, American Indian/Alaskan Native, Asian, Pacific Islander/Hawaiian Native, low income, transitional bilingual, migrant, special education, and students covered by section 504 of the federal rehabilitation act of 1973, as amended (29 U.S.C. Sec. 794).

Requires the professional educator standards board to convene a working group with expertise in a wide array of cultures and cultural contexts to identify a list of model standards for cultural competency and make recommendations to the education committees of the legislature on the strengths and weaknesses of those standards.

Requires the office of the superintendent of public instruction to provide guidance to school districts where data indicates significant achievement gaps among subgroups of students and for large numbers of those students.

Requires the center for improvement of student learning to work in collaboration with the commissions on Asian-American affairs, Hispanic affairs, and Asian-Pacific American affairs and representatives from the five achievement gap study groups commissioned in 2008 to review the challenges and solutions addressed by the five achievement gap study groups' reports and develop a plan for implementation of strategies intended to address the achievement gap.

SB 5973-S2 by Senate Committee on Ways & Means (originally sponsored by Senators Kauffman, McAuliffe, Oemig, Shin, Hobbs, Kohl-Welles, and Kline)

(DIGEST AS ENACTED)

Requires disaggregation of all student data-related reports required of the superintendent of public instruction under Title 28A RCW (common school provisions) by certain subgroups of students.

Creates an achievement gap oversight and accountability committee to synthesize the findings and recommendations from the 2008 achievement gap studies into an implementation plan, and

to recommend policies and strategies to the superintendent of public instruction, the professional educator standards board, and the state board of education to close the achievement gap.

Requires the professional educator standards board, in consultation and collaboration with the committee, to identify a list of model standards for cultural competency and make recommendations to the education committees of the legislature on the strengths and weaknesses of those standards.

Requires the office of the superintendent of public instruction to identify school districts that have the most significant achievement gaps among subgroups of students and for large numbers of those students, and districts that should receive priority for assistance in advancing cultural competency skills in their workforce.

Requires the superintendent of public instruction to take all actions necessary to secure federal funds to support enhancing data collection and data system capacity in order to monitor progress in closing the achievement gap and to support other innovations and model programs that align education reform and address disproportionalities in the public school system.

Regarding educator training to enhance skills of students with dyslexia.
(SUBSTITUTED FOR - SEE 1ST SUB)
- Declares that, since 2005, the legislature has provided funding for five pilot projects to implement research-based, multisensory literacy intervention for students with dyslexia.
Finds that the students receiving intervention support through the dyslexia pilot projects have made substantial and steady academic gains.
Requires the office of the superintendent of public instruction, to the extent funds are appropriated for this specific purpose, to develop an educator training program to enhance the reading, writing, and spelling skills of students with dyslexia by implementing the findings of the dyslexia pilot program.
Requires each educational service district to report to the office of the superintendent of public instruction the number of individuals who participate in the training offered by the educational service district.

VETO MESSAGE ON ESB 6033

May 7, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 4, Engrossed Senate Bill 6033 entitled:

"AN ACT Relating to creating the prevent or reduce owner-occupied foreclosure program."

Section 4 of this bill requires the Washington State Housing Finance Commission to establish an oversight committee to prevent or reduce owner-occupied home foreclosures. The committee is tasked with developing criteria for the success of the program, periodically evaluating the effectiveness of the program, developing and maintaining an inventory of state and federal housing assistance programs directed to stabilize owner-occupied homes and coordinating all state efforts related to prevention or reduction of owner-occupied foreclosures. These tasks are all important.

The Washington State Housing Finance Commission and Department of Financial Institutions, however, already have the authority to consult with stakeholders on these topics. Therefore I am vetoing Section 4 of this bill and ask that the directors of the Washington Housing Finance Commission and the Department of Financial Institutions exercise their authority to seek input from stakeholders when establishing the program.

For this reason, I have vetoed Section 4 of Engrossed Senate Bill 6033. With the exception of Section 4, Engrossed Senate Bill 6033 is approved.

Respectfully submitted,
Christine Gregoire
Governor

Companion Bill: 2261

Concerning the state's education system.

(AS OF SENATE 2ND READING 3/09/09)

Finds ample evidence of a need for continuing to refine the program of basic education that is funded by the state and delivered by school districts.

Declares an intent to: (1) Continue to review, evaluate, and revise the definition and funding of basic education in order to continue to fulfill the state obligation under Article IX of the state Constitution to define and fund a program of basic education for children residing in the state and attending public schools;

(2) Continue to strengthen and modify the structure of the entire K-12 educational system, including nonbasic education programmatic elements, in order to build the capacity to anticipate and support potential future enhancements to basic education as the educational needs of our citizens continue to evolve;

(3) Build upon the previous efforts of the legislature and the work of the basic education task force, the state board of education, the professional educator standards board, and others;

(4) Fulfill the state's obligation under Article IX to establish a general and uniform system of public schools and build upon the actions previously taken by the legislature to address the inequities that exist in the current system;

(5) Begin a schedule for implementation of a redefined program of basic education and the resources necessary to support it, beginning in the 2011-12 school year; and

(6) Continue to review and revise the formulas and schedules and make additional revisions, including revisions for technical purposes and consistency in the event of mathematical or other technical errors.

Declares that when the system has the capacity to fully implement these reforms and enhancements they will be included in a definition and funding of basic education.

Declares that it is the intent of the legislature to maintain an active and ongoing role in monitoring and overseeing the development and implementation of the new basic education funding formula and redefinition of basic education.

SB 6109 by Senators Haugen, Rockefeller, Kilmer, Sheldon, King, and Swecker

Concerning ferries.

(SEE ALSO PROPOSED 2ND SUB)

Introduced by title and introductory section only.

SB 6109-S by Senate Committee on Transportation (originally sponsored by Senators Haugen, Rockefeller, Kilmer, Sheldon, King, and Swecker)

(SEE ALSO PROPOSED 2ND SUB)

Declares that it is the intent of the legislature that: (1) Final recommendations from the joint transportation committee ferry study, submitted to the legislature during the 2009 regular legislative session, be enacted by the legislature and implemented by the department of transportation as soon as practicable in order to benefit from the efficiencies and cost savings identified in the recommendations; and

(2) The act, the 2009-2011 omnibus transportation appropriations act, and subsequent transportation appropriations acts serve as vehicles for enacting these recommendations in order to maximize the utilization of existing capacity and to make the most efficient use of existing assets and tax dollars.

Declares an intent to make various additional policy changes aimed at further efficiencies and cost savings.

Requires the department of transportation to prioritize vessel preservation and acquisition funding requests over vessel improvement funding requests.

Requires the office of financial management, instead of the marine employees' commission, to complete salary surveys as required in RCW 47.64.220.

Requires the transportation commission to: (1) Ensure that ferry fare changes cover the forecasted cost of fuel;

(2) Before increasing the ferry fare component of fares, ensure that Washington state ferries has considered operational changes that will reduce fuel consumption; and

(3) Before raising ferry fares, give first consideration to raising fare revenues through increased ridership.

Modifies the composition and duties of the ferry advisory councils.

SB 6109-S2 by Senate Committee on Transportation (originally sponsored by Senators Haugen, Rockefeller, Kilmer, Sheldon, King, and Swecker)

Concerning the Washington state ferries system.

(DIGEST OF PROPOSED 2ND SUBSTITUTE)

Declares that it is the intent of the legislature that: (1) Final recommendations from the joint transportation committee ferry study, submitted to the legislature during the 2009 regular legislative session, be enacted by the legislature and implemented by the department of transportation as soon as practicable in order to benefit from the efficiencies and cost savings identified in the recommendations; and

(2) The act, the 2009-2011 omnibus transportation appropriations act, and subsequent transportation appropriations acts serve as vehicles for enacting these recommendations in order to maximize the utilization of existing capacity and to make the most efficient use of existing assets and tax dollars.

Makes various additional policy changes aimed at further efficiencies and cost savings.

Requires the department of transportation to prioritize vessel preservation and acquisition funding requests over vessel improvement funding requests.

Requires signs to be displayed at each terminal and on each vessel that inform the public that assaults on state employees will be prosecuted to the full extent of the law.

Abolishes the marine employees' commission and transfers its powers, duties, and functions to the public employment relations commission.

Repeals statutes relating to Washington state ferries providing passenger-only ferry service; construction of vessels that have already been built; and exhausted bond authorities.

VETO MESSAGE ON SSB 6122

May 8, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 1, Substitute Senate Bill 6122 entitled:

"AN ACT Relating to reducing costs of the elections division of the office of the secretary of state."

Section 1 of Substitute Senate Bill 6122 exempts the Elections Division from being required to use the State Printer for printing Voter Pamphlets. The State Printer provides consolidated and centralized print services on behalf of the State. Preserving that centralized capability brings important cost savings and efficiencies to State agencies. If the State Printer is not able to meet the price available to the Office of the Secretary of State from other printers, however, I will direct the State Printer to allow the Office of the Secretary of State to print the Voter Pamphlet elsewhere.

For this reason, I have vetoed Section 1 of Substitute Senate Bill 6122. With the exception of Section 1, Substitute Senate Bill 6122 is approved.

Respectfully submitted,
Christine Gregoire
Governor

SB 6124 by Senator Hobbs

Including manufactured/mobile home parks in the regional transfer of development rights program.

Finds that: (1) A successful transfer of development rights program must consider housing affordable to all economic segments of the population in designated sending areas;

(2) Manufactured/mobile home parks have a long history as areas that provide housing opportunities for all economic segments of the population;

(3) The number of manufactured/mobile home parks is shrinking due to development pressures that threaten to eliminate this housing option; and

(4) The inclusion of manufactured/mobile home parks in the regional transfer of development rights program will assist in slowing the conversion of these areas.

Requires counties to use as a criteria to guide the designation of sending areas for participation in the regional transfer of development rights program that the land is in current use as a manufactured/mobile home park as defined in chapter 59.20 RCW.

Providing for the supervision of offenders sentenced to community

(DIGEST AS ENACTED)

Provides for the supervision of offenders sentenced to
community custody regardless of risk classification if the offender
has a current conviction for a serious violent offense.

VETO MESSAGE ON SSB 6162

May 6, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Section 3, Substitute Senate Bill 6162
entitled:

"AN ACT Relating to criminal justice: Providing for the
supervision of offenders sentenced to community
custody regardless of risk classification if the offender
has a current conviction for a serious violent offense as
defined in RCW 9.94A.030."

Substitute Senate Bill 6162 corrects an error in Engrossed Second
Substitute Senate Bill 5288 by ensuring that all serious violent
offenders are sentenced to community custody regardless of risk
level. I have vetoed the emergency clause in ESSB 5288, and so I
am also vetoing the emergency clause in Section 3 of SSB 6162 as
it is not necessary.

For this reason, I have vetoed Section 3 of Substitute Senate Bill
6162. With the exception of Section 3, Substitute Senate Bill 6162
is approved.

Respectfully submitted,
Christine Gregoire
Governor

Concerning the nursing facility medicaid payment system.

(SEE ALSO PROPOSED 1ST SUB)

Finds that the current statute governing the nursing facility
medicaid payment system is overly complex in contrast to
Washington state's statutes governing reimbursement systems for
hospitals, physicians, boarding homes, and other vendors, and that
this complexity has made it difficult to focus on systemic
improvements in the nursing facility medicaid payment system and
in other long-term care policies.

Declares an intent to simplify the existing nursing facility
medicaid payment system so that it is fair and predictable.
Effective July 1, 2009, the essential structure of this simplified
nursing facility medicaid payment system must be described in
statute, and the details of the system must be described in rules
adopted by the department of social and health services.

SB 6163-S by Senate Committee on Ways & Means (originally
sponsored by Senators Keiser and Tom)

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that the current statute governing the nursing facility
medicaid payment system is overly complex in contrast to
Washington state's statutes governing reimbursement systems for
hospitals, physicians, boarding homes, and other vendors, and that
this complexity has made it difficult to focus on systemic
improvements in the nursing facility medicaid payment system and
in other long-term care policies.

Declares an intent to simplify the existing nursing facility
medicaid payment system so that it is fair, predictable, transparent,
and accountable. Effective July 1, 2009, the essential structure of
this simplified nursing facility medicaid payment system must be

described in statute, and the details of the system must be described in rules adopted by the department of social and health services.

Requires the department of social and health services to adopt comprehensive rules to describe and administer the nursing facility medicaid payment system, to be effective July 1, 2009.

SB 6166 by Senators Hargrove, Ranker, Rockefeller, Jacobsen, and Morton

Concerning the sale of timber from state trust lands.

(DIGEST AS ENACTED)

Increases the maximum amount of timber that can be sold by the department of natural resources through its contract harvesting program.

Requires the department of natural resources to: (1) Set the final appraised value for the purposes of an auction based on the current market prices for the valuable material in question; and

(2) Consider requests from timber purchasers when the purchasers request timber sales extensions or other flexible options in the execution of a timber sale contract designed to avoid a contract default.

Directs the department of natural resources, to the extent possible under current law consistent with its responsibility to the trust beneficiaries, to consider requests from purchasers for timber sale extensions and to provide flexibility in timber sale contract administration to help mitigate against the potential for contract default.

Expires January 1, 2014.

VETO MESSAGE ON ESB 6166

May 8, 2009

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I am approving, except for Section 6, Engrossed Senate Bill 6166 entitled:

"AN ACT Relating to the sale of timber from state trust lands."

Section 6 requires the Department of Natural Resources to prepare a report for which no funding was provided in the budget. In these challenging economic times, state agencies are already struggling to meet their existing obligations. This requirement places a large, unfunded burden upon the agency. For this reason, I have vetoed Section 6 of Engrossed Senate Bill 6166.

With the exception of Section 6 of Engrossed Senate Bill 6166 is approved.

Respectfully submitted,
 Christine Gregoire
 Governor

Concerning crimes against property.

(DIGEST AS ENACTED)

Raises the monetary threshold amounts differentiating the various degrees of property crimes in the state.

Creates an organized retail crime task force to: (1) Examine the impact of raising these values on the retail industry, the district and municipal courts, and the county and city offices of the prosecuting attorney;

(2) Examine the best methods for apportionment and sharing of costs for prosecution when multiple jurisdictions are involved; and

(3) Identify any policies or procedures which would enhance the successful investigation and prosecution of property crimes in Washington state.

Requires the sentencing guidelines commission to review the monetary threshold amounts differentiating the various degrees of property crimes in Washington state to determine whether such amounts should be modified.

Requires the court or the prosecuting attorney, before a sentence is imposed upon a defendant convicted of a crime against property, to check existing judicial information systems to determine the criminal history of the defendant.

SB 6168 by Senators Tom and Prentice

Reducing costs in state elementary and secondary education programs.

(DIGEST AS ENACTED)

Reduces costs in state elementary and secondary education programs.

VETO MESSAGE ON SB 6168

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I have approved, except for Sections 3, 4 and 8, Senate Bill 6168 entitled:

"AN ACT Relating to reducing costs in state elementary and secondary education programs."

Sections 3 and 4 refer to the availability of funds as the determinate for whether these important programs are implemented. Because all programs are dependent on legislative appropriations, the addition of this language has no substantive effect. I am concerned, however, that future budget writers might erroneously conclude that these programs are in a different status than other programs and consider not funding them solely because of the addition of this new language. As a result, I have vetoed Sections 3 and 4 of Senate Bill 6168.

Section 8 of Senate Bill 6168 amends RCW 28A.625.020, Office of Superintendent of Public Instruction annual recognition program. RCW 28A.625.020 is also repealed by Section 20(6) of Senate Bill 5889 which I signed earlier today. Therefore, I am not approving Section 8 of Senate Bill 6168 to correct a potential double amendment and conflicting policy.

For these reasons, I have vetoed Sections 3, 4 and 8 of Senate Bill 6168.

With the exception of Sections 3, 4 and 8, Senate Bill 6168 is approved.

Respectfully submitted,
Christine O. Gregoire
Governor

Enhancing tax collection tools for the department of revenue in order to promote fairness and administrative efficiency.

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the department of revenue: (1) If it has issued a warrant under RCW 82.32.210 for the collection of unpaid taxes from a limited liability business entity and that business entity has been terminated, dissolved, or abandoned, or is insolvent, to pursue collection of the entity's unpaid taxes, including penalties and interest on those taxes, against any or all of the responsible individuals; and

(2) To issue a notice and order to withhold and deliver to any financial institution in the form of a listing of all or a portion of the unsatisfied tax warrants filed under chapter 82.32 RCW with the clerk of the superior court of a county of the state, except tax warrants subject to a payment agreement, which is not in default, between the department and the taxpayer.

Directs the department of revenue to: (1) Work with interested financial institutions to develop policies regarding the frequency of service under section 201(3) of the act and under what circumstances a notice and order to withhold and deliver will contain only a partial list of unsatisfied tax warrants eligible to be included in the notice; and

(2) Develop a policy regarding the information to be contained in a notice and order to withhold and deliver to ensure that financial institutions can accurately match their records with the names of tax debtors.

(DIGEST AS PASSED LEGISLATURE)

Requires the department of social and health services to begin the selection of, and negotiation of contracts with, intensive resource home providers in selected pilot sites when specific funds have been appropriated by the legislature for implementation of the intensive resource home pilot.

VETO MESSAGE ON SB 6181

May 19, 2009

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval, Senate Bill 6181 entitled:

"AN ACT Relating to the intensive resource home pilot."

This bill would extend for budget purposes the suspension of the intensive resource home pilot program created in 2008 and suspended in December of that year. However, Senate Bill 6181 amends RCW 74.13.800 which was repealed by section 97 of Second Substitute Senate Bill 2106 which I signed into law today. Therefore, the suspension is no longer necessary.

For this reason I have vetoed Senate Bill 6181 in its entirety.

Respectfully submitted,
Christine O. Gregoire
Governor

SB 6184 by Senators McCaslin and Fairley

Concerning agency review of initiative measures.

Requires the secretary of state to also submit a copy of a proposed initiative measure to the attorney general's office and the office of financial management.

Requires the attorney general's office to: (1) Draft an informal opinion letter, as to the legal effect of the initiative as proposed; and

(2) Transmit the letter to the initiative sponsor and the chairpersons and ranking minority members of the judiciary committees of the senate and the house of representatives within fifteen working days of the attorney general's receipt of the measure.

Requires the office of financial management to: (1) Prepare a fiscal note; and

(2) Send the fiscal note to the initiative sponsor and the chairpersons and ranking minority members of the ways and means committees of the senate and the house of representatives within fifteen working days of the office's receipt of the measure.

Increases the amount of time the code reviser's office has to review the proposal and recommend to the sponsor any revision or alteration as may be deemed necessary and appropriate.

Increases the time the sponsor has to file the measure with the secretary of state.

SB 6185 by Senator Hatfield

Companion Bill: 2379

Preserving the maritime heritage of the state of Washington.

Requires the Washington state historical society to: (1) After consultation with maritime heritage stakeholders, establish a competitive grant program and process to solicit proposals for a maritime historic vessel restoration and preservation program for funding from the maritime historic restoration and preservation account established in RCW 88.02.053; and

(2) Establish policies for funding of emergent needs as identified by the United States coast guard.

Authorizes the Washington state historical society to establish a level of reserves that will be held to meet such emergent needs.

Prohibits the Washington state historical society from signing contracts or otherwise financially obligating funds until the legislature has appropriated funds specifically for the program.

Revises the annual amount of excise tax for a historic vessel as defined in RCW 88.02.010 to one-quarter of one percent of fair market value, as determined under chapter 82.49 RCW (watercraft excise tax), or five dollars, whichever is greater.

Provides that a historic vessel registered under RCW 88.02.050 may only be used for participation in club activities, exhibitions, tours, parades, and occasional pleasure boating.

 Companion Bill: 2845

Privatizing the sale of liquor.

(SEE ALSO PROPOSED 1ST SUB)

Declares an intent to privatize the retail and distribution of liquor to result in a system that is more efficient than public sector retail and distribution.

Finds that: (1) The present system of state control includes a markup amount at distribution that generates revenue for the state and local governments; and

(2) This markup will be eliminated when liquor sales and distribution are privatized.

Declares an intent that the privatization of liquor sales and distribution not result in revenue losses to state or local governments as compared to projected revenues assumed under state control, not including any separate licenses or franchises.

Directs the liquor control board and the department of revenue, with assistance from legislative staff and the office of financial management, to present a report to the legislature no later than December 1, 2010, on a recommended method and rates of liquor taxation that would generate the same future projected revenue for the state and local jurisdictions as under the current state control system.

Companion Bill: 3109

Allowing local governments to create golf cart zones.

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the legislative authority of a city or county to create a golf cart zone surrounding a golf course to permit the incidental operation of golf carts upon a street or highway of this state having a speed limit of twenty-five miles per hour or less.

SB 6207-S by Senate Committee on Transportation (originally sponsored by Senator Haugen)

(DIGEST AS ENACTED)

Authorizes the legislative authority of a city or county to create a golf cart zone to permit the incidental operation of golf carts upon a street or highway of this state having a speed limit of twenty-five miles per hour or less.

VETO MESSAGE ON SSB 6207

March 25, 2010

To the Honorable President and Members,
 The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Section 7, Substitute Senate Bill 6207 entitled:

"AN ACT Relating to allowing local governments to create golf cart zones."

This bill authorizes local jurisdictions to allow the use of golf carts on public roads that have speed limits of 25 miles per hour or less, under certain restrictions. The bill contains some important safety precautions, including requiring local jurisdictions to post signs identifying golf cart zones, and requiring that golf carts have seatbelts and proper lighting. Section 7 would exempt passengers under age 16 from the state's seatbelt and child restraint requirements. I believe it is important these passenger safety provisions apply to the use of vehicles transporting a child on a public road.

For this reason, I have vetoed Section 7 of Substitute Senate Bill 6207.

With the exception of Section 7 of Substitute Senate Bill 6207 is approved.

Respectfully submitted,
 Christine Gregoire
 Governor

SB 6237 by Senators Jacobsen and Swecker; by request of Commissioner of Public Lands

Companion Bill: 2480

Adopting policy recommendations developed by the sustainable recreation work group.

(SEE ALSO PROPOSED 1ST SUB)

Adopts certain policy recommendations developed by the sustainable recreation work group that are capable of being implemented in the near term and that may provide near-term benefits to sustainable recreation or additional information that may be used to improve recreational activities in Washington.

Requires the department of natural resources to: (1) Convey the responsibility to construct, operate, or maintain recreation facilities to a concessionaire; and

(2) Initiate two private concessionaire pilot projects to better understand how private concessionaires could be compatible with the department's tradition of providing primitive, relatively dispersed recreation experiences and whether allowing concessionaires access to well-suited campgrounds could improve the quality of service provided while reducing management costs to the department.

Requires the department of natural resources, the department of fish and wildlife, and the state parks and recreation commission to formally explore how the three agencies can develop and implement a multiagency pass that would allow the holder to access any fee-based recreational lands managed by any one of the agencies in lieu of paying a separate access fee to an individual agency.

SB 6249 by Senators Franklin, Kauffman, McAuliffe,

McDermott, Regala, Keiser, Kilmer, Hatfield, Fraser, Shin, Kohl-Welles, and Kline

Concerning kids at hope.

Finds that: (1) Every child is unique. They have different interests, talents, skills, and personalities and come from homes with different cultures, socio-economic levels, and education levels;

(2) Too often children are labeled in a negative context because of these differences;

(3) The legislature needs to redesign the negative labels, especially those labels that the state uses for children; and

(4) Instead of negative labels such as "at risk," "in poverty," "from poverty," and "disadvantaged," a positive characterization should be used.

VETO MESSAGE ON E2SSB 6267

April 1, 2010

To the Honorable President and Members,
The Senate of the State of Washington

Ladies and Gentlemen:

I am returning herewith, without my approval as to Sections 9, 10, 14 and 15, Engrossed Second Substitute Senate Bill 6267 entitled:

"AN ACT Relating to water right processing improvements."

This bill provides applicants and the Department of Ecology with tools that can be used, when appropriate, to expedite the processing of water right applications.

Sections 9 and 10 define the original location of a well associated with a water right claim as the area located within a one-quarter mile radius of the current well or wells. The original location of a well is used to determine when a replacement well requires a formal change to the water right.

The specific definitions in Sections 9 and 10 would reduce the Department of Ecology's flexibility and impair its current discretion to decide when a replacement well warrants formal review and approval. Such flexibility and discretion is needed when the impacts of a replacement well will depend on the circumstances. Sections 14 and 15 provide expiration and effective dates for Sections 9 and 10, respectively.

For these reasons, I have vetoed Sections 9, 10, 14 and 15 of Engrossed Second Substitute Senate Bill 6267.

With the exception of Sections 9, 10, 14 and 15, Engrossed Second Substitute Senate Bill 6267 is approved.

Respectfully submitted,
Christine Gregoire
Governor
