~~The court may not deviate on that basis if the deviation will result in insufficient funds in the household receiving the support to meet the basic needs of the child or if the child is receiving temporary assistance for needy families. When determining the amount of the deviation, the court shall consider evidence concerning the increased expenses to a parent making support transfer payments resulting from the significant amount of time spent with that parent and shall consider the decreased expenses, if any, to the party receiving the support resulting from the significant amount of time the child spends with the parent making the support transfer payment.)"~~

On page 23, after line 27, insert the following:

"NEW SECTION. Sec. 7. A new section is added to chapter 26.19 RCW to read as follows:

(1) The court shall make an adjustment to the standard calculation for a shared residential schedule subject to the provisions in this section.

(2) An adjustment to the standard calculation based on the residential schedule may be made if there is a court order or findings made by an administrative law judge regarding the number of overnights the child or children spend with the obligor parent, and the number of overnights allocated to the obligor is equivalent to at least fourteen percent of annual overnights. The number of overnights in the court order or administrative law judge's findings must be used to calculate the residential adjustment. The findings made by an administrative law judge may be based upon a written agreement between the parents or upon sworn testimony provided by a party at the administrative hearing for child support.

(3) The adjustment must be based on the table in section 8 of this act and the formula set forth in the worksheet for calculating residential credit.

(4) An adjustment may not be made to the standard calculation based on the shared residential schedule if:

(a) The adjustment would result in insufficient funds in the household receiving the support transfer payment to meet the basic needs of the child;

(b) The obligee's net income before receiving the support transfer payment is at or below one hundred twenty-five percent of the federal poverty level guidelines for one person; or

(c) The child is receiving temporary assistance for needy families.

(5) To help parties estimate residential credit, the division of child support shall, if feasible and within available resources, create a residential credit calculator available online.

NEW SECTION. Sec. 8. A new section is added to chapter 26.19 RCW to read as follows:

Residential time table. The TOTAL column represents the anticipated total out-of-pocket expenses expressed as a percentage of the basic child support obligation that will be incurred by the parent who will pay child support. The total expenses are the sum of transferred and duplicated expenses. The DUPLICATED column represents the duplicated expenses and reflects the assumption that when there is an equal sharing of residential time, fifty percent of the basic child support obligation will be duplicated. The number of annual overnights column will determine the particular fractions of TOTAL and DUPLICATED to be used in the residential time credit worksheet.

On page 3, after line 4, insert the following:

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows: (1) The office of the superintendent of public instruction shall create a competitive grant process to evaluate and award state-funded grants to school districts to pilot increased identification of homeless students and the capacity of the districts to provide support, which may include education liaisons, for homeless students. The process must complement any similar federal grant program or programs in order to minimize agency overhead and administrative costs for the superintendent of public instruction and school districts. School

districts may access both federal and state funding to identify and support homeless students.

(2) Award criteria for the state grants shall be based on the demonstrated need of the school district and may consider the number or overall percentage, or both, of homeless children and youths enrolled in preschool, elementary, and secondary schools in the school district, and the ability of the local school district to meet these needs. Award criteria shall also be based on the quality of the applications submitted.

(3) Homeless students are defined as students without a fixed, regular, and adequate nighttime residence as set forth in the federal McKinney-Vento homeless education assistance act (P.L. 100-77; 101 Stat. 482).

(4) School districts may not use funds allocated under this section to supplant existing federal, state, or local resources for homeless student supports, which may include education liaisons.

NEW SECTION. Sec. 3 A new section is added to chapter 43.185C RCW to read as follows:

(1) The department, in consultation with the office of the superintendent of public instruction, shall administer a grant program that links homeless students and their families, or unaccompanied homeless students, with stable housing located in the homeless student's school district. The goal of the program is to provide educational stability for homeless students by promoting housing stability.

(2) The department, working with the office of the superintendent of public instruction, shall develop a competitive grant process to make grant awards to school districts partnered with eligible organizations on implementation of the proposal. For the purposes of this subsection, "eligible organization" means any local government, local housing authority, regional support network established under chapter 71.24 RCW, nonprofit community or neighborhood-based organization, federally recognized Indian tribe in the state of Washington, or regional or statewide nonprofit housing assistance organization. Applications for the grant program must include contractual agreements between the housing providers and school districts defining the responsibilities and commitments of each party to identify, house, and support homeless students. In determining which school districts will receive grants, preference must be given to districts with a demonstrated commitment of partnership and history with eligible organizations.

(3) Activities eligible for assistance under this grant program include but are not limited to:

(a) Rental assistance, which includes utilities, security and utility deposits, first and last month's rent, rental application fees, moving expenses, and other eligible expenses to be determined by the department;

(b) Transportation assistance, including gasoline assistance for families with vehicles and bus passes;

(c) Emergency shelter; and

(d) Housing stability case management.

(4) All beneficiaries of funds from the grant program must be from very low-income households. For the purposes of this subsection, "very low-income household" means a family or unrelated persons living together whose adjusted income is less than fifty percent of the median family income, adjusted for household size, for the county where the grant recipient is located.

(5)(a) Grantee school districts, in partnership with eligible organizations, must compile information and report to the department and the office of the superintendent of public instruction the findings of the grantee, the housing stability of the homeless families, and the academic performance of the grantee population.

(b) Data on all program participants must be entered into and tracked through the Washington homeless client management information system as described in RCW 43.185C.180.

(6) Any program review and monitoring under this section may be conducted concurrently with other program reviews and monitoring conducted by the department.

NEW SECTION. Sec. 4. If specific funding for the purposes of sections 2 and 3 of this act, referencing sections 2 and 3 of this act by bill or chapter number and section number, is not provided by June 30, 2015, in the omnibus appropriations act, sections 2 and 3 of this act are null and void."
