WHEREAS, The Yakima transmitters reach westward only to parts of Skamania and Kittitas counties; and

WHEREAS, The Seattle and Tacoma transmitters reach southward only to the Centralia-Chehalis area; and

WHEREAS, There are approximately 290,000 persons in households in the southwest region of the state without commercial television coverage from Washington state channels; and

WHEREAS, This entire southwest Washington region is dependent upon Portland, Oregon for all of its television coverage, most of its radio coverage, and a good portion of its newspaper market; and

NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives, in its collective wisdom, agrees with the basic effort of providing Clark County and southwest Washington its own commercial television channel for the primary purpose of keeping the region's ever-increasing numbers of Washingtonians informed of our state's news; and

INVOCATION

by

Representative Earl F. Tilly

"This afternoon I have chosen a portion of Scripture that I feel addresses some of the social concerns that we all have; some of the governance concerns and some of our religious concerns. I'll read Psalms 112.

"Praise ye the Lord. Blessed is the man that feareth the Lord, that delighteth greatly in his commandments.

"His seed shall be mighty upon earth: the generation of the upright shall be blessed.

"Wealth and riches shall be in his house: and his righteousness endureth forever.

"Unto the upright there ariseth light in the darkness: he is gracious, and full of compassion, and righteous.

"A good man sheweth favour, and lendeth: he will guide his affairs with discretion.

"Surely he shall not be moved forever: the righteous shall be in everlasting remembrance.

"He shall not be afraid of evil tidings: his heart is fixed, trusting in the Lord.

"He hath dispersed, he hath given to the poor; his righteousness endureth forever; his horn shall be exalted with honour.

"The wicked shall see it, and be grieved; he shall gnash with his teeth, and melt away: the desire of the wicked shall perish."

"Let us pray: Dear Heavenly Father, we thank You today for sending a select group of people to this Legislature to serve their fellow citizens in the decisions of Washington State. Lord, You have blessed each of us in so many ways. Likewise, our state has been blessed by the dedicated members who we are honoring today. Lord help us to be a blessing to others. You have said, Lord, that one of the great commandments is to love your neighbor as yourself. We pray that You grant us the spirit of humbleness to sincerely carry this out. In this special mission that we are commissioned to carry on for Your people, help us to remember Your Son's words to his disciples, that whoever would be great among you, must first be Your servant. Thank You, Lord, for servants past. We pray that patience and understanding and love will continue in each of us current members. Lord help us serve. Amen."

MEDITATION

by

Senator Sam Guess

"It is a great honor for me to be asked to speak today. I feel quite humble to address this memorial service. We pause to pay honor to those former members who have preceded us. I have given much thought that my words would be appropriate.

"Down through the ages men have paid honor to their ancestors: Plato's orations stand out; Washington's farewell address, the Gettysburg address by Lincoln—all come to mind, but we do not live in an era when much oratory is given. Simple statements suffice. In recent years these halls have known the likes of a John McCutcheon, a Perry Woodall, and an Ella Wintler. It was my honor to have heard their inspirational speeches. My memory goes back, especially to 1965, when Senator Lenhart said that, '...inspired speakers were indeed unique; they were creatures of providence, baffling the wit of man to fathom, then passing from our midst with their jobs well done.' Few of us aspire to attain those lofty heights, but all aspire to serve. As we walk the hall above us, on both the wings, and look on the photographs of our predecessors, we know that a common bond of service binds us to them. It is to them this day we pay honor in this service."

MAJORITY recommendation: Do pass with the following amendments:

On page 1, after line 25 insert the following:

*Sec. 2. Section 82.44.120, chapter 15, Laws of 1961 as last amended by section 95, chapter 278, Laws of 1975 1st ex. sess. and RCW 82.44.120 are each amended to read as follows:

Whenever any person has paid a motor vehicle license fee, and together therewith has paid an excise tax imposed under the provisions of this chapter, and the director of ((motor-vehicles)) licensing determines that the payor is entitled to a refund of the entire amount of the license fee as provided by law, then he shall also be entitled to a refund of the entire excise tax collected under the provisions of this chapter. In case the director determines that any person is entitled to a refund of only a part of the license fee so paid, the payor shall be entitled to a refund of the difference, if any, between the excise tax collected and that which should have been collected and the state treasurer shall determine the amount of such refund by reference to the applicable excise tax schedule prepared by the department of revenue ((and the association of county assessors)) in cooperation with the department of licensing.

In case no claim is to be made for the refund of the license fee or any part thereof but claim is made by any person that he has paid an erroneously excessive amount of excise tax, the department of ((motor-vehicles)) licensing shall determine in the manner generally provided in this chapter the amount of such excess, if any, that has been paid and shall certify to the state treasurer that such person is entitled to a refund in such amount.

In any case where due to error, a person has been required to pay an excise tax pursuant to this chapter which amounts to an overpayment of five dollars or more, such person shall be entitled to a refund of the entire amount of such overpayment, regardless of whether or not a refund of the overpayment has been requested. Conversely, if due to error, the department or its agents has failed to charge and collect the full amount of the excise tax due, which underpayment is in the amount of five dollars or more, the department shall charge and collect such additional amount as will constitute full payment of the tax.

~~((No refund of excise tax shall be allowed under the first paragraph of this section unless application for a refund of license fee is filed with the director of motor vehicles within the period provided by law, and no such refund shall be allowed under the second paragraph of this section unless filed with the department of motor vehicles within thirteen months after such claimed excessive excise tax was paid.))~~

Any person authorized by the utilities and transportation commission to operate a motor vehicle for the conveyance of freight or passengers for hire as a common carrier or as a contract carrier, and so operating such vehicle partly within and partly outside of this state during any calendar year, shall be entitled to a refund of that portion of the full excise tax for such vehicle for such year that the mileage actually operated by such vehicle outside the state bears to the total mileage so operated both within and outside of the state: PROVIDED, If only one-half of the full excise fee was paid, the unpaid one-half shall be deducted from the amount of refund so determined: PROVIDED FURTHER, If only a one-half fee was paid, and the vehicle was operated in this state more than fifty percent of the total miles operated, a balance of the tax is due equal to an amount which is the same percentage of the full excise fee as is the percentage of mileage the vehicle was operated in this state minus the one-half fee previously paid, and any balance due, is payable on or before the first day of June of the year in which the amount of the excise fee due the state has been determined, and until any such balance has been paid no identification plate or permit shall be thereafter issued for such vehicle or any other vehicle owned by the same person. Any claim for such refund shall be filed with the department of ~~((motor vehicles))~~ licensing at Olympia not later than December 31st of the calendar year following the year for which refund is claimed and any claim filed after said date shall not be allowed. When a claim is filed the applicant must therewith furnish to the department his affidavit, verified by oath, of the mileage so operated by such vehicle during the preceding year, within the state, outside of the state, and the total of all mileage so operated.

If the department approves the claim it shall notify the state treasurer to that effect, and the treasurer shall make such approved refunds and the other refunds herein provided for from the general fund and shall mail or deliver the same to the person entitled thereto.

Any person making any false statement, in the affidavit herein mentioned, under which he obtains any amount of refund to which he is not entitled under the provisions of this section, shall be guilty of a gross misdemeanor."

~~"(The state treasurer shall turn over to the treasurers of the counties within United States forest reserves, the amount of money belonging to them, received from the federal government from such reserves.) Of the moneys received by the state from the federal government in accordance with Title 16, section 500, United States Code, fifty percent shall be spent by the counties on public schools or public roads in the counties in the United States forest reserve from which such moneys were received. The remaining money shall be spent by the state on public schools in these counties. Where the reserve is situated in more than one county ((the money shall be distributed in proportion to the area of the counties interested, and to that end)), the state treasurer shall determine the proportional area of the counties therein. The state treasurer is authorized and required to obtain the necessary information to enable him to make ((the distribution on such basis)) that determination.~~

~~((County commissioners or the legislative authority of the respective counties to which the money is distributed are authorized and directed annually to distribute not less than fifty percent of said money to each school district within each such county according to the proportional number of annual average full time equivalent students enrolled in each such school district during the immediate preceding school year as certified by the educational service district superintendent.)) The state treasurer shall distribute to the counties, according to the determined proportional area, the money to be spent by the counties on public roads or public schools. The county ((commissioners or county legislature)) legislative authority shall expend ((the balance of)) said money for the benefit of the public roads or public schools of such county, and not otherwise.~~

The state treasurer shall distribute the remaining money to the state general fund for the benefit of public schools of the counties in the forest reserve. If the proportionate share of the remaining money attributed to any county exceeds the state's basic education apportionment to that county for public schools for the previous year, the state treasurer shall disburse the excess to the county."

Ms. Sommers spoke in favor of the amendment.

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Heck.

Mr. Heck: "Representative Sommers, I have a question about the language beginning on line 26 and going through line 36—the end of the first paragraph. Is it your intention that language would in any way, shape or form change the distribution of federal forest reserve fund receipts with respect to the ratio or proportion that a federal forest is located within a county?"

Ms. Sommers: "Representative Heck, the intention here, and I believe the language is that the proportional area or the proportion of distribution shall remain the same. If you look at lines 16 to 20, it speaks precisely to the proportional amount within counties or among counties if there is more than one involved. The lines lower on the page speak to the schools' proportional distribution. There is no intent to change, in any way, the amount of money or the proportion of money going to taxing districts as at present."

The amendment was adopted.

Ms. Sommers moved adoption of the following amendment:

On page 7, after line 33 strike all of section 12 and renumber the remaining sections consecutively.

Representatives Sommers and Newhouse spoke in favor of the amendment, and it was adopted.

On motion of Ms. Sommers, the following amendments were adopted:

On page 9, line 10 after "revenues" insert ", other than receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110."

On page 9, on line 12 after "in" strike "completing" and insert "computing"

On page 11, line 5 after "amendatory act" insert "and as amended, repealed and added to by any other enactment during a regular or extraordinary session of this forty-sixth legislature."

On motion of Mr. Polk, further consideration of Substitute House Bill No. 240 was deferred, and the bill was ordered placed on tomorrow's second reading calendar.

On motion of Mr. Polk, the House advanced to the eighth order of business.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

***NEW SECTION.** Section 1. There is added to chapter 46.04 RCW a new section to read as follows:

'Moped' means any two-wheeled or three-wheeled device having fully operative pedals for propulsion by human power and a motor with a cylinder displacement not exceeding fifty cubic centimeters which produces no more than two gross brake horsepower (developed by a prime mover, as measured by a brake applied to the driving shaft) and is capable of propelling the device at a maximum speed of not more than thirty miles per hour on level ground, and the wheels of which are at least sixteen inches in diameter.

The state commission on equipment may approve of and define as a 'moped' a vehicle which fails to meet these specific criteria, but which is essentially similar in performance and application to vehicles which do meet these specific criteria.

Sec. 2. Section 46.04.330, chapter 12, Laws of 1961 and RCW 46.04.330 are each amended to read as follows:

'Motorcycle' means every motor vehicle having a saddle for the use of the rider and designed to travel on not more than three wheels in contact with the ground, but excluding a farm tractor and a moped.

Sec. 3. Section 28, chapter 154, Laws of 1963 and RCW 46.04.332 are each amended to read as follows:

'Motor-driven cycle' means every motorcycle, including every motor scooter, with a motor which produces not to exceed five brake horsepower (developed by a prime mover, as measured by a brake applied to the driving shaft) (~~(- and every bicycle with motor attached)~~). A motor driven cycle does not include a moped.

Sec. 4. Section 46.04.670, chapter 12, Laws of 1961 and RCW 46.04.670 are each amended to read as follows:

'Vehicle' includes every device capable of being moved upon a public highway and in, upon, or by which any persons or property is or may be transported or drawn upon a public highway, excepting devices moved by human or animal power or used exclusively upon stationary rails or tracks, except that mopeds shall be considered vehicles or motor vehicles for the purposes of chapter 46.12 RCW, but not for the purposes of chapter 46.70 RCW.

NEW SECTION. Sec. 5. There is added to chapter 46.16 RCW a new section to read as follows:

Application for registration of a moped shall be made to the department of licensing in such manner and upon such forms as the department shall prescribe, and shall state the name and address of each owner of the moped to be registered, the vehicle identification number, and such other information as the department may require, and shall be accompanied by a registration fee of three dollars. Upon receipt of the application and the application fee, the moped shall be registered and a registration number assigned, which shall be affixed to the moped in the manner as provided by rules adopted by the department. The registration provided in this section shall be valid for a period of twelve months.

Every owner of a moped in this state shall renew the registration, in such manner as the department shall prescribe, for an additional period of twelve months, upon payment of a renewal fee of three dollars.

Any person acquiring a moped already validly registered must, within fifteen days of the acquisition or purchase of the moped, make application to the department for transfer of the registration, and the application shall be accompanied by a transfer fee of one dollar.

The registration fees provided in this section shall be in lieu of any personal property tax or the vehicle excise tax imposed by chapter 82.44 RCW.

The department shall, at the time the registration number is assigned, make available a decal or other identifying device to be displayed on the moped. A fee of one dollar and fifty cents shall be charged for the decal or other identifying device.

The provisions of RCW 46.01.130 and 46.01.140 shall apply to applications for the issuance of registration numbers or renewals or transfers thereof for mopeds as they do to the issuance of vehicle licenses, the appointment of agents, and the collection of application fees. Except for the fee collected pursuant to RCW 46.01.140, all fees collected under this section shall be deposited in the motor vehicle fund.

Sec. 6. Section 1, chapter 232, Laws of 1967 and RCW 46.20.500 are each amended to read as follows:

No person shall drive a motorcycle, as defined in RCW 46.04.330, or a motor-driven cycle, as defined in RCW 46.04.332 as now or hereafter amended, unless such person has a valid driver's license specially endorsed by the director to enable the holder to drive such vehicles; PROVIDED, That any person sixteen years of age or older, holding a valid driver's license of any class issued by the state of the person's residence, may operate a moped without taking any special examination for the operation of a moped.

Sec. 7. Section 46.44.050, chapter 12, Laws of 1961 as amended by section 12, chapter 64, Laws of 1975-'76 2nd ex. sess. and RCW 46.44.050 are each amended to read as follows:

It shall be unlawful to operate any motor vehicle upon the public highways of this state with a wheelbase between the frontmost axle and the rearmost axle of less than three feet, six inches; PROVIDED, That the minimum wheelbase for mopeds is thirty-eight inches.

For the purposes of this section, wheelbase shall be measured upon a straight line from center to center of the vehicle axles designated.

NEW SECTION. Sec. 8. There is added to chapter 46.61 RCW a new section to read as follows:

(1) No person shall operate a moped upon the highways of this state unless the moped has been assigned a moped registration number and displays a moped permit in accordance with the provisions of section 5 of this 1979 act.

(2) Notwithstanding any other provision of law, a moped may not be operated on a bicycle path or trail, bikeway, equestrian trail, or hiking or recreational trail.

(3) Operation of a moped on a fully controlled limited access highway or on a sidewalk is unlawful.

(4) Removal of any muffling device or pollution control device from a moped is unlawful.

NEW SECTION. Sec. 9. There is added to chapter 46.61 RCW a new section to read as follows:

Mopeds shall comply with those federal motor vehicle safety standards established under the national traffic vehicle safety act of 1966 (15 U.S.C. Sec. 1381, et. seq.) which are applicable to a motor-driven cycle, as that term is defined in such federal standards."

In line 1 of the title, after "mopeds;" strike the remainder of the title and insert "amending section 46.04.330, chapter 12, Laws of 1961 and RCW 46.04.330; amending section 28, chapter 154, Laws of 1963 and RCW 46.04.332; amending section 46.04.670, chapter 12, Laws of 1961 and RCW 46.04.670; amending section 1, chapter 232, Laws of 1967 and RCW 46.20.500; amending section 46.44.050, chapter 12, Laws of 1961 as amended by section 12, chapter 64, Laws of 1975-'76 2nd ex. sess. and RCW 46.44.050; adding a new section to chapter 46.04 RCW; adding a new section to chapter 46.16 RCW; and adding new sections to chapter 46.61 RCW."

MESSAGE FROM THE SECRETARY OF STATE

February 26, 1979

CLERK OF THE HOUSE OF REPRESENTATIVES
LEGISLATURE OF THE STATE OF WASHINGTON
OLYMPIA, WASHINGTON

Dear Sir:

On February 19, 1979, this office certified Initiative 61 to both houses of the state legislature and forwarded copies of the Initiative to each house.

On page 6 of the Initiative, in section 16, subsection D, the words "or other assistance" appear in pencil following the words "equitable compensation." These words were inserted in error. The sponsor had considered inserting that additional language at one time but subsequently reconsidered, and the Initiative, as officially filed in this office on April 24, 1978, does not contain these additional words. The correct text of the Initiative is as appears in the enclosed copy.

We regret any confusion this may have caused the legislature in their consideration of Initiative 61.

Sincerely,
BRUCE K. CHAPMAN,
Secretary of State.

MESSAGES FROM THE GOVERNOR

February 27, 1979

TO THE HONORABLE,
THE SENATE AND THE HOUSE OF REPRESENTATIVES
THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On the 26th day of May 1967, Robert Huson was sentenced by the Superior Court for the State of Washington, in and for the County of King, to a term of life imprisonment for the crime of Murder in the First Degree.

Robert Huson has now served in excess of eleven years at the Washington State Penitentiary at Walla Walla, where his conduct and record have been exemplary. Because of the statutory minimum sentence provided in RCW Chapter 9.95, additional incarceration will be required before he will be eligible for parole pursuant to the authority of the Board of Prison Terms and Paroles.

The Superintendent and Institutional Reviewing Committee have recommended to the Board of Prison Terms and Paroles that the Board recommend on behalf of Robert Huson to have his life sentence commuted to allow him to be considered for parole to an acceptable parole plan. The Board of Prison Terms and Paroles has recommended Robert Huson's commutation.

All information available to me with respect to Robert Huson has been carefully reviewed and the recommendations of public officers who are knowledgeable of his present circumstances have been considered. I have concluded that further incarceration of Robert Huson is not in the best interests of society or of himself, that he is demonstrably rehabilitated, that he will be able to fill a responsible role in the community and will not be a threat to other persons.

On March 1, 1978, by virtue of the authority vested in me by the laws of the State of Washington, I do hereby commute the life sentence of Robert Huson and authorize the Washington State Board of Prison Terms and Paroles to parole Robert Huson subject to the complete control, supervision and authority of said Board, which authority shall include any and all action deemed appropriate by the Board, including the authority to revoke the parole and return Robert Huson to imprisonment.

Respectfully submitted,
DIXY LEE RAY, Governor.

February 27, 1979

TO THE HONORABLE,
SENATE AND THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve,

commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On September 8, 1977, Richard Montgomery was sentenced by the United States District Court for the Western district of Washington to confinement in a Federal Penitentiary for a period of five years with a special two year parole to follow. The conviction concerned a violation of Title 21 United States Code 841 (a)(1) and Title 18 United States Code 2, Possession of Marijuana With Intent to Distribute.

Mr. Montgomery was discharged from parole on December 1, 1977, by action of the United States Department of Justice.

While the Board of Prison Terms and Paroles has the statutory authority to grant a restoration of civil rights to a person convicted of a felony under state law, it does not have such authority where a person is convicted under federal law. However, the Governor does have the authority to restore within this state the civil rights of a person convicted of a felony under federal law.

Richard Montgomery has petitioned my office for the restoration of his civil rights and I have this authority. His petition is supported by his employer, Mr. Bill Lupinacci, of the Pioneer School District No. 402, Shelton, Washington, and by others attesting to his good character and capabilities. He is further supported by his former Federal Probation Officer, Walter D. Myers. I believe this to be an appropriate case for restoration of civil rights.

On February 6, 1978, by virtue of the authority in me vested, do hereby restore to Richard Montgomery all civil rights and privileges forfeited by reason of his conviction.

Respectfully submitted,
DIXY LEE RAY, Governor.

OF THE STATE OF WASHINGTON**

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On December 1, 1972, Alfred C. Boileau was sentenced by the United States District Court for the Western District of Washington to confinement in a federal penitentiary for a period of thirty days for the crime of making a false statement in an official matter; being a violation of 18 U.S.C. 1001 Article VI, Section 3 of the State Constitution disqualifies a person convicted of a felony from voting in the State of Washington.

While the Board of Prison Terms and Paroles has the statutory authority to grant a restoration of civil rights to a person convicted of a felony under state law, it does not have such authority where a person is convicted under federal law. However, the Governor does have the authority to restore, within this state, the civil rights of a person convicted of a felony under federal law.

I am advised that Alfred C. Boileau has conducted himself in a satisfactory and acceptable manner and has given such evidence as to justify the belief that he is trustworthy and reliable and that a restoration of his civil rights is appropriate. In addition, he has established, by presenting himself for office and being elected as Mayor of Cosmopolis, that he has the respect of his peers and the confidence of his friends and neighbors.

On July 15, 1977, by virtue of the authority in me vested, do hereby restore to Alfred C. Boileau all civil rights and privileges forfeited by reason of his conviction.

Respectfully submitted,
DIXY LEE RAY, Governor

**TO THE HONORABLE,
SENATE AND THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON**

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On the 18th day of March 1966, Ronnie Joe Nichols was sentenced by the Superior Court for the State of Washington in and for the county of King under Cause Number 43320 to the term of life imprisonment for the felony offense of Murder in the First Degree.

Ronnie Joe Nichols has now served in excess of eleven years continuously confined within Washington State correctional institutions where his conduct has been outstanding. Because of the statutory minimum sentence provided in RCW 9.95, additional incarceration will be required before he will be eligible for parole pursuant to the authority of the Washington State Board of Prison Terms and Paroles.

The Superintendent of the Washington State Penitentiary has recommended on several occasions that further incarceration is unnecessary for Ronnie Joe Nichols and the Board of Prison Terms and Paroles has reviewed the recommendation of the superintendent several times in the past. The Board now recommends commutation of the life sentence of Ronnie Joe Nichols.

All information available to me with respect to Ronnie Joe Nichols has been carefully reviewed and the recommendations of public officers who are knowledgeable of his present circumstances have been considered. I have concluded that further incarceration of Ronnie Joe Nichols is not in the best interest of society or of himself, that he is demonstrably rehabilitated, that he will be able to fill a responsible role in the community and will not be a threat to other persons.

On May 16, 1978, by virtue of the authority vested in me by the laws of the State of Washington, I do hereby commute the life sentence of Ronnie Joe Nichols and authorize the Board of Prison Terms and Paroles to parole Ronnie Joe Nichols subject to the complete control, supervision and authority of said Board, which authority shall include any and all action deemed appropriate by the Board, including the authority to revoke the parole and return Ronnie Joe Nichols to imprisonment.

Respectfully submitted,
DIXY LEE RAY, Governor.

TO THE HONORABLE,
SENATE AND THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

Byron B. Kent was found guilty of Possession of Amphetamines by the Superior Court of the State of Washington for Yakima County on February 4, 1974, and was given a three year deferred sentence. Mr. Kent satisfactorily performed the terms of his probation and in less than the three years was granted an order of dismissal on April 26, 1976, in the Yakima County Superior Court, which restored his civil rights.

During his probation, but more particularly since the dismissal of the charges against him, Mr. Kent has fully demonstrated his rehabilitation. The record indicates that he is drug and alcohol free, is responsibly employed and community oriented. A substantial cross-section of the citizenry where he lives and works, including some law enforcement people, support his request for pardon.

On September 14, 1977, Byron B. Kent was granted a pardon from the judgment and sentence of Possession of Amphetamines entered on February 4, 1974, by the Superior Court of the State of Washington for Yakima County.

On February 10, 1978, this pardon was amended to further restore Mr. Kent's right to possess and bear arms.

Respectfully submitted,
DIXY LEE RAY, Governor.

TO THE HONORABLE,
SENATE AND THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve,

commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On July 18, 1975, Alice Avery was sentenced to a Federal penitentiary for a term of six months and a three year probationary period by Judge Marshall Neil of the Federal District Court, Eastern District of Washington. The crime was the sale of 23.19 grams of heroin, being a violation of Titles 21 and 18 of the United States Code.

Alice Avery was released from parole status and probation by order of Marshall Neil, United States District Judge on March 1, 1977. This is verified by letter dated March 9, 1977, signed by Gary V. Vargas, United States Probation Officer.

While the Board of Prison Terms and Paroles has the statutory authority to grant a restoration of civil rights to a person convicted of a felony under state law, it does not have such authority where a person is convicted under federal law. The Governor, however, does have the authority to restore within this state the civil rights of a person convicted of a felony under federal law.

It is reported to me by investigation of the Washington State Board of Prison Terms and Paroles that Alice Avery has a responsible position in a Seattle law firm as a legal secretary. She is rearing four children and her conduct strongly indicates she is maintaining a law abiding posture in the community. The Board has recommended restoration of her civil rights and I agree this should be done.

On February 6, 1978, by virtue of the authority vested in me, I do hereby restore to Alice Avery all civil rights and privileges forfeited by reason of her conviction.

Respectfully submitted,
DIXY LEE RAY, Governor.

**TO THE HONORABLE,
SENATE AND THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON**

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On the first day of January, 1977, Gregory Wayne Davis was sentenced by the Superior Court of the State of Washington in and for the County of Kitsap under Cause Number 2995 to a maximum term of five years and a mandatory minimum term of two years for the felony offense of Sale of a Controlled Substance (Heroin) and a Finding of Fact was entered that Gregory Wayne Davis sold the heroin for profit which required the mandatory minimum term of two years under RCW 69.50.410.

The sentencing judge by letter dated July 11, 1977 expressed that the court was favorably impressed with the cooperative attitude of Gregory Wayne Davis and made a recommendation to the Washington State Board of Prison Terms and Paroles that he be considered favorably for an intensive probation program in the community.

The Superintendent of Firlands Correctional Center by letter of March 27, 1978, on the basis of Gregory Wayne Davis' above-average adjustment within the correctional facility, recommended a waiver of the mandatory sentence and further recommended that Gregory Wayne Davis be scheduled for a parole hearing in December of 1978.

By letter of March 3, 1978 the Board of Prison Terms and Paroles recommended that the mandatory minimum term of two years be commuted to give the Board the authority to consider Gregory Wayne Davis for parole.

On May 16, 1978, by virtue of the authority vested in me by the laws of the State of Washington, I do hereby commute the mandatory portion of the five-year sentence of Gregory Wayne Davis and authorize the Board of Prison Terms and Paroles to parole Gregory Wayne Davis subject to the complete control, supervision and authority of said Board, which authority shall include any and all action deemed appropriate by the Board, including the authority to revoke the parole and return Gregory Wayne Davis to imprisonment.

Respectfully submitted,
DIXY LEE RAY, Governor.

TO THE HONORABLE,
THE SENATE AND THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

Trinidad Trevino was found guilty of Illegal Possession of Narcotic Drugs (Marijuana) and committed to a Washington State Correctional Facility on June 13, 1969. The amount of marijuana in possession was less than two grams, but on such date any possession was considered a felony.

Mr. Trevino not only served over one year in prison, but was deported to Mexico. His family continues to reside in the State of Washington.

On November 16, 1977, the Washington State Board of Prison Terms and Paroles granted to Mr. Trevino a Final Discharge and Restoration of Civil Rights. The Board has also recommended a gubernatorial pardon so that Mr. Trevino can rejoin his family in Grandview, Washington.

It does not appear that Trinidad Trevino has in any way violated the law since his satisfactory completion of probation, and his continued deportation seems a punishment far too harsh for the crime involved in 1969. In addition, many supporting letters have been submitted attesting to his continued good conduct. The record merits executive pardon.

On February 2, 1978, Trinidad Trevino was granted a pardon from the judgment and sentence of Illegal Possession of Narcotic Drugs (Cause 2465) entered on June 15, 1969, by the Superior Court of the State of Washington for Adams County.

Respectfully submitted,
DIXY LEE RAY, Governor.

TO THE HONORABLE,
SENATE AND HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On the 3rd day of November, 1967, Katherine Louise Huff was sentenced by the Superior Court for the State of Washington in and for the County of Spokane under Cause Number 18538 to a mandatory term of life imprisonment for the crime of Murder in the First Degree.

Katherine Louise Huff has been continuously confined in excess of ten years since the date of her sentence, and her conduct and record have been exemplary. Katherine Louise Huff has been granted the status of work release for six years and has completed over one hundred social outings in the community successfully. Because of the statutory minimum sentence provided in RCW 9.95, substantial additional incarceration will be required before she will be eligible for parole pursuant to the authority of the Washington State Board of Prison Terms and Paroles.

The Board has interviewed Katherine Louise Huff and has advised that she has demonstrated that her progress in the institution has been outstanding, and the Board recommended that her sentence be commuted and the Board be given the authority to consider her for parole to an acceptable plan.

All information available to me with respect to Katherine Louise Huff has been carefully reviewed, and the recommendations of public officers who are knowledgeable of her present circumstances have been considered. I have concluded that further incarceration of Katherine Louise Huff is not in the best interest of society or of herself, that she is demonstrably rehabilitated, that she will be able to fill a responsible role in the community and will not be a threat to other persons.

On the 16th day of May, 1978, by virtue of the authority vested in me by the laws of the State of Washington, I do hereby commute the life sentence of Katherine Louise Huff and authorize the Board of Prison Terms and Paroles to parole Katherine Louise Huff subject to the complete control, supervision and authority of said Board, which authority shall include

any and all action deemed appropriate by the Board, including the authority to revoke the parole and return Katherine Louise Huff to imprisonment.

SENATE AND HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON**

Ladies and Gentlemen:

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature.

On the 14th day of July, 1967, David Craig Runyan was convicted and sentenced for the felony offense of Unlawful Sale of Narcotics by the Superior Court for the State of Washington in and for the County of Kittitas under Cause Number C-6724 to a maximum term of twenty years.

David Craig Runyan was paroled by the Washington State Board of Prison Terms and Paroles on the 15th day of September, 1969. He was granted a Conditional Discharge from Supervision on the 28th day of September, 1971 and granted a Final Discharge Restoring Civil Rights by the Board of Prison Terms and Paroles on the 8th day of January, 1973. Numerous petitions and letters have been received on behalf of David Craig Runyan urging that his twenty year maximum term be canceled. It appears from the information presented that David Craig Runyan has evolved into the type of person who makes extraordinary contributions to the peace and dignity of the citizens of our state.

On May 16, 1978, by virtue of the authority vested in me by the laws of the State of Washington, I do hereby pardon David Craig Runyan of the crime of Unlawful Sale of Narcotics and do release and discharge David Craig Runyan from any further punishment, penalty or obligation by reason of the conviction of the crime of Unlawful Sale of Narcotics, and do restore all civil rights forfeited by reason of this conviction.

Respectfully submitted,
DIXY LEE RAY, Governor.

(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this end:

(a) The agency may never knowingly record inaccurate information;

(c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment, or to individuals or agencies engaged in legitimate research for educational, scientific, or public purposes. The court may also permit inspection of, or release of information from, records which have been sealed pursuant to section 9(12) of this act. Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

NEW SECTION. Sec. 9. (1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section and section 8 of this act.

(4) Except as otherwise provided in this section and section 8 of this act, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.

(5) Information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) If a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, up to the time the juvenile agrees to enter a diversion agreement, the rules of discovery applicable in adult criminal cases apply to release of information to the prosecutor, the juvenile, and the juvenile's attorney.

(8) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding may be released to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system may be released to the adult corrections system.

(11) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the sealing of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(12) The court shall grant the motion to seal records made pursuant to subsection (11) of this section if it finds that:

(a) Two years have elapsed from the later of: (i) Final discharge of the person from the supervision of any agency charged with supervising juvenile offenders; or (ii) from the entry of a court order relating to the commission of a juvenile offense or a criminal offense;

(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense; and

(c) No proceeding is pending seeking the formation of a diversion agreement with that person.

(13) The person making a motion pursuant to subsection (11) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose files are sought to be sealed.

(14) If the court grants the motion to seal made pursuant to subsection (11) of this section, it shall order sealed the official juvenile court file, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.

(15) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in section 8(8) of this act.

(16) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order.

(17) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(18) The court may grant the motion to destroy records made pursuant to subsection (17) of this section if it finds:

(a) The person making the motion is at least twenty-three years of age;

(b) The person has not subsequently been convicted of a felony;

(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and

(d) The person has never been found guilty of a serious offense.

(19) If the court grants the motion to destroy records made pursuant to subsection (17) of this section, it shall order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(20) The person making the motion pursuant to subsection (17) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

NEW SECTION. Sec. 10. (1) This section governs records not covered by section 9 of this act.

(2) Records covered by this section shall be confidential and shall be released only pursuant to this section and section 8 of this act.

(3) Records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility of supervising the juvenile.

(4) A juvenile, his or her parents, the juvenile's attorney and the juvenile's parent's attorney, shall, upon request, be given access to all records and information collected or retained by a juvenile justice or care agency which pertain to the juvenile except:

(a) If it is determined by the agency that release of this information is likely to cause severe psychological or physical harm to the juvenile or his or her parents the agency may withhold the information subject to other order of the court: PROVIDED, That if the court determines that limited release of the information is appropriate, the court may specify terms and conditions for the release of the information; or

(b) If the information or record has been obtained by a juvenile justice or care agency in connection with the provision of counseling, psychological, psychiatric, or medical services to the juvenile, and the juvenile has a legal right to receive those services without the consent of any person or agency, then the information or record may not be disclosed to the juvenile's parents without the informed consent of the juvenile.

(5) A juvenile or his or her parent denied access to any records following an agency determination under subsection (4) of this section may file a motion in juvenile court requesting access to the records. The court shall grant the motion unless it finds access may not be permitted according to the standards found in subsections (4) (a) and (b) of this section.

(6) The person making a motion under subsection (5) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(7) Subject to the rules of discovery in civil cases, any party to a proceeding seeking a declaration of dependency or a termination of the parent-child relationship and any party's counsel and the guardian ad litem of any party, shall have access to the records of any natural or adoptive child of the parent, subject to the limitations in subsection (4) of this section.

(8) Information concerning a juvenile or a juvenile's family contained in records covered by this section may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

NEW SECTION. Sec. 11. This chapter applies to all juvenile justice or care agency records created on or after July 1, 1978.

NEW SECTION. Sec. 12. Sections 8 through 11 of this act shall constitute a new chapter in Title 13 RCW. RCW 13.04.276 and 13.04.278, each as now or hereafter amended, are decodified and shall be recodified as part of such new chapter.

Sec. 13. Section 14, chapter 291, Laws of 1977 ex. sess. and RCW 13.04.278 are each amended to read as follows:

Notwithstanding any other provision of this chapter, whenever a child is arrested for a violation of any law, including municipal ordinances, regulating the operation of vehicles on the public highways, a copy of the traffic citation and a record of the action taken by the ((juvenile)) court shall be forwarded by the juvenile court to the ((director-of-licenses)) department of licensing in the same manner as provided in RCW ((46-20-280)) 46.20.270.

NEW SECTION. Sec. 14. There is added to chapter 291, Laws of 1977 ex. sess. and chapter 13.04 RCW a new section to read as follows:

Nothing in chapter 13.04, 13.06, 13.30, 13.32, 13.34, or 13.40 RCW may be construed to prevent a juvenile from being found both dependent and an offender if there exists a factual basis for such a finding.

Sec. 15. Section 17, chapter 291, Laws of 1977 ex. sess. and RCW 13.30.020 are each amended to read as follows:

A law enforcement officer may take a juvenile into limited custody subject to the limitations of this chapter if:

(1) A law enforcement agency has been contacted by the parent, guardian, or custodian of the child that ~~((their))~~ the child is absent from ~~((home))~~ custody without ~~((their))~~ consent~~((:));~~ or

(2) If the officer reasonably believes that a juvenile is in circumstances which constitute a substantial ~~((and immediate))~~ danger to the juvenile's physical safety. In no event ~~((shall))~~ may limited custody extend more than twelve hours from the time of the juvenile's initial contact with the law enforcement officer.

NEW SECTION. Sec. 16. There is added to chapter 13.24 RCW a new section to read as follows:

(1) The governor is hereby authorized and directed to execute a compact amending and supplementing the interstate compact on juveniles on behalf of this state with any other state or states legally joining therein in the form substantially as set forth in subsection (2) of this section.

(2) (a) All provisions and procedures of Articles V and VI of the interstate compact on juveniles shall be construed to apply to any juvenile charged with being a delinquent by reason of a violation of any criminal law. Any juvenile charged with being a delinquent by reason of violating any criminal law, shall be returned to the requesting state upon a requisition to the state where the juvenile may be found. A petition in such case shall be filed in a court of competent jurisdiction in the requesting state where the violation of criminal law is alleged to have been committed. The petition may be filed regardless of whether the juvenile has left the state before or after the filing of the petition. The requisition described in Article V of the compact shall be forwarded by the judge of the court in which the petition has been filed.

(b) This amendment provides additional remedies and shall be binding only as among and between those party states which substantially execute the same.

Sec. 17. Section 19, chapter 291, Laws of 1977 ex. sess. and RCW 13.30.040 are each amended to read as follows:

A law enforcement officer acting reasonably and in good faith pursuant to this chapter in releasing a juvenile to a person other than a parent or custodian of such juvenile ~~((shall be))~~ is immune from civil or criminal liability for such action. A person other than a parent or custodian of such juvenile who receives a child pursuant to this chapter and who acts reasonably and in good faith in doing so is immune from civil or criminal liability for the act of receiving such child. Such immunity does not release such person from liability under any other law including the laws regulating licensed child care and prohibiting child abuse.

Sec. 18. Section 24, chapter 291, Laws of 1977 ex. sess. and RCW 13.32.020 are each amended to read as follows:

A child or a child's parent ~~((or)),~~ legal custodian, or legal guardian may file with the juvenile court a petition to approve or disapprove alternative residential placement ~~((as provided in RCW 74.13.031(4)(f) as now or hereafter amended)).~~ The filing of a petition to approve or disapprove such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent ~~((or)),~~ legal custodian, or legal guardian, and confers upon the court a special jurisdiction to approve or disapprove alternative residential placement or its continuation.

Sec. 19. Section 25, chapter 291, Laws of 1977 ex. sess. and RCW 13.32.030 are each amended to read as follows:

The juvenile court shall promptly appoint legal counsel for the child ~~((whether or not the child is the moving party;))~~ and the parent, legal custodian, or legal guardian and schedule a hearing date, ~~((and))~~ notify the child and his or her parent ~~((or)),~~ legal custodian, or legal guardian of the hearing date, the legal consequences of an approval or disapproval of alternative residential placement, and the right of ~~((both))~~ all parties to present evidence at the fact-finding hearing ~~((; and the right of the parent or custodian to be represented by legal counsel at the hearing)).~~

Sec. 20. Section 26, chapter 291, Laws of 1977 ex. sess. and RCW 13.32.040 are each amended to read as follows:

The hearing shall be upon the question of the child's placement. Prior to approving an alternative residential placement, the court shall find by a preponderance of the evidence that the reasons for request of alternative residential placement are not capricious and that there is a conflict between the parent, legal custodian, or legal guardian and the child that cannot be remedied by counseling, crisis intervention, or continued placement in the parental home.

After making such a finding the court may approve the placement in which the child resides or wishes to reside or the court may place the child in such nonsecure licensed care as is deemed appropriate taking into account the interests of the parents, legal custodian, or legal guardian and the best interests of the child.

A court order under this section placing the child outside his or her own home shall specify those parental powers which will be temporarily awarded to the agency charged with supervision of the child and/or to the person with whom the child is placed.

Sec. 21. Section 27, chapter 291, Laws of 1977 ex. sess. and RCW 13.32.050 are each amended to read as follows:

Upon approving an alternative residential placement pursuant to this section, the court shall schedule the matter on the calendar for review within six months, advise the parties of the date thereof, appoint legal counsel to represent the child at the review hearing, and notify the parties of their rights to present evidence at the review hearing and of the right of the parent or custodian to be represented by legal counsel. At each review hearing, the ~~((juvenile))~~ court: (1) Shall approve or disapprove the continuation of the alternative residential placement according to the same standards and limitations as governed the initial approval; (2)

shall determine that such interim services as may be appropriate have been offered the child and his or her family, pursuant to RCW 74.13.031 as now or hereafter amended; and (3) shall, if the court approves the continuation of alternative residential placement, again set the matter on the calendar for further review ((im)) within six months, notifying the parties as before. If the court does not approve the continuation of alternative residential placement, it may hold another review hearing within six months.

Sec. 22. Section 31, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.030 are each amended to read as follows:

(1) 'Child' and 'juvenile' ((shall)) means any individual under the age of eighteen years;

(2) 'Dependent child' ((shall)) means any child:

(a) Who has been abandoned; that is, ((left by his or her parents, guardian, or other custodian without parental care and support)) where the child's parent, guardian, or other custodian has evidenced either by statement or conduct, a settled intent to forego, for an extended period, all parental rights or all parental responsibilities despite an ability to do so; or

(b) Who is abused or neglected as defined in chapter 26.44 RCW; or

(c) Who has no parent, guardian, or custodian willing and capable of adequately caring for the child, such that the child is in circumstances which constitute a danger of substantial damage to the child's psychological or physical development; or

((d)) Any child:

(ii) Who refuses to remain in any nonsecure residential placement ordered by a court pursuant to RCW 13.32.040;

(f) Whose conduct evidences a substantial likelihood of degenerating into serious delinquent behavior if not corrected; or

((g)) Who is in need of custodial treatment in a diagnostic and treatment facility.

Sec. 23. Section 33, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.050 are each amended to read as follows:

The ((juvenile)) court may enter an order directing a law enforcement officer, probation counselor, or child protective services official to take a child into custody if a petition is filed with the juvenile court alleging that the child is dependent and the court finds reasonable grounds to believe the child is dependent and that the child's health, safety, and welfare will be seriously endangered if not taken into custody.

Sec. 24. Section 34, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.060 are each amended to read as follows:

'Shelter care' means temporary physical care in a ((foster-family-home-or-receiving-home)) facility licensed pursuant to RCW 74.15.030 or in a home not required to be licensed pursuant to that section. Whenever a child is taken into such custody pursuant to this section, the supervising agency may authorize routine medical and dental examination and care and all necessary emergency care. In no case ((shall)) may a child who is taken into custody pursuant to RCW 13.34.050 or 26.44.050 be detained in a secure detention facility. No child may be held longer than seventy-two hours, excluding Sundays and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care. The child and his or her parent, guardian, or custodian shall be informed that they have a right to a ((preliminary)) shelter care hearing. The court shall hold a ((preliminary)) shelter care hearing if one is requested.

(2) The juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

(3) At the commencement of the shelter care hearing the court shall advise the parties of their basic rights as provided in RCW 13.34.090 and shall appoint counsel pursuant to RCW 13.34.090 if counsel has not been retained by the parent or guardian ((or)) and if the parent or guardian is indigent, unless the court finds that the right to counsel has been expressly and voluntarily waived.

(4) The court shall take testimony concerning the circumstances for taking the child into custody and the need for shelter care. (5) ((In class A and AA counties the department of social and health services (and in all other counties)) The juvenile court probation counselor⁽³⁾ shall submit a recommendation to the court as to the further need for shelter care, except that such recommendation shall be submitted by the department of social and health services in cases where the petition alleging dependency has been filed by the department of social and health services, unless otherwise ordered by the court.

(6) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or legal custodian (~~(or other suitable person able and willing to provide supervision and care for such child)~~) unless the court finds there is reasonable cause to believe that:

(a) The child has no parent, guardian, or legal custodian (~~(or other suitable person)~~) to provide supervision and care for such child; or

(b) The release of such child would present a serious threat of substantial harm to such child.

~~((If continued shelter care is ordered, the court shall set forth its reasons for continued shelter care.))~~ If the court does not release the child to his or her parent, guardian, or legal custodian, the court shall order continued shelter care or order placement with another suitable person, and the court shall set forth its reasons for the order.

(7) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(8) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. No child (~~shall~~) may be detained for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

Sec. 25. Section 6, chapter 160, Laws of 1913 as amended by section 35, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.070 are each amended to read as follows:

(3) The summons shall advise the parties of the right to counsel.

(4) The judge may endorse upon the summons an order directing any parent, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(5) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to RCW 13.34.050, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take him to the place of shelter designated by the court.

(6) If the person summoned as provided in this section is subject to an order of the court pursuant to subsection (4) or (5) of this section, and if the person fails to abide by the order, he may be proceeded against as for contempt of court. No social file or social study (~~(shall)~~) may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases (~~(shall)~~) may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons (~~(shall)~~) may be admitted who are found by the judge to have a direct interest in the case or in the work of the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. 30. Section 40, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.120 are each amended to read as follows:

(1) To aid the court in its decision on disposition, a social study, consisting of a written evaluation of matters relevant to the disposition of the case, shall be made by the person or agency filing the petition. The study shall include all social records and may also include facts relating to the child's cultural heritage, and shall be made available to the court. The court shall consider the social file and social study at the disposition hearing in addition to evidence produced at the fact-finding hearing.

(2) In addition to the requirements set forth in subsection (1) of this section, a predisposition study to the court in cases of dependency alleged pursuant to RCW 13.34.030(2) (b) or (c) shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific programs, for both the parents and child, that are needed in order to prevent (~~(further)~~) serious harm to the child; the reasons why such programs are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs which have been considered and rejected; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal. This section should include an exploration of the nature of the parent-child attachment and the meaning of separation and loss to both the parents and the child;

(e) A description of the steps that will be taken to minimize harm to the child that may result if separation occurs; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

Sec. 31. Section 41, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.130 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, as now or hereafter amended, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030(2) ((a), (b), or (c)); after consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held pursuant to RCW 13.34.110, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.

(b) Order that the child be (~~placed in foster care~~) removed from his or her home and ordered into the custody, control, and care of a relative or the department of social and health services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to chapter 74.15 RCW. Such an order may be made only if:

(i) There is no parent or guardian available to care for such child; or

(ii) The child is unwilling to reside in the custody of the child's parent ((or)), guardian, or legal custodian; or

(iii) The parent ((or)), guardian, or legal custodian is not willing to take custody of the child; or

(iv) A manifest danger ((would)) exists that the child will suffer ((further)) serious abuse or neglect if the child is not removed from the home.

(2) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties.

(a) The agency plan shall specify what services the parents will ((receive)) be offered in order to enable them to resume custody and what ((actions)) requirements the parents must ((take)) meet in order to resume custody.

(b) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.

(c) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(d) The agency charged with supervising a child in placement shall ((be responsible for assuming that all services are provided)) provide all reasonable services that are available within the agency, or within the community, or those services which the department of social and health services has existing contracts to purchase. It shall report to the court if it is unable to provide such services.

(3) The status of all children found to be dependent shall be reviewed by the court at least every six months at a hearing in which it shall be determined whether court supervision should continue.

(a) A child shall be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section still exists. When a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

(b) If the child is not returned home, the court shall establish in writing:

(i) What services have been provided to or offered to the ((parents)) parties to facilitate reunion;

(ii) The extent to which the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;

(iii) Whether the agency is satisfied with the cooperation given to it by the parents;

(iv) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order ((such)) that reasonable services be offered; and

(v) When return of the child can be expected.

(c) ((If a child is not returned to the child's home, at such review hearing the court shall advise the parents that a petition to seek termination of parental rights may be ordered at the next review hearing.

(d)) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

Sec. 32. Section 46, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.180 are each amended to read as follows:

A petition seeking termination of a parent and child relationship may be filed in juvenile court. Such petition shall conform to the requirements of RCW 13.34.040 as now or hereafter amended and shall allege:

(1) That the child has been found to be a dependent child under RCW 13.34.030(2) (a), (b), or (c); and

(2) That the court has entered a dispositional order pursuant to RCW 13.34.130; and

(3) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under RCW 13.34.030(2) (a) ((or)), (b), or c); and

((2)) That the conditions which led to the removal still persist; and

(3)) (4) That the services ordered under RCW 13.34.130 have been offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been offered or provided; and

(5) That there is little likelihood that ((those)) conditions will be remedied so that the child can be returned to the parent in the near future; and

((4)) (6) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home; (and

(5) That, if the finding of dependency has been pursuant to RCW 13.34.030(2)(b), necessary services have been provided or offered to the parent to facilitate a reunion; and

(6) That the parent has substantially failed to accept such services; and

(7) That if the parent is subject to an order of disposition pursuant to the finding of dependency, the parent has substantially failed to comply with the order))

(7) In lieu of the allegations in subsections (1) through (6) of this section, the petition may allege that the child was found under such circumstances that the identity and whereabouts of the child's parent are unknown and no parent has claimed the child within two months after the child was found.

Sec. 33. Section 47, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.190 are each amended to read as follows:

After hearings pursuant to RCW 13.34.110, the court may enter an order terminating all parental rights to a child if the court finds that:

(1) (a) The allegations contained in the petition as provided in RCW 13.34.180 (1) through (6) are established by clear, cogent, and convincing evidence; or (b) RCW 13.34.180(3) may be waived because the allegations under RCW 13.34.180 (1), (2), (4), (5), and (6) are established beyond a reasonable doubt; or (c) the allegation under RCW 13.34.180(7) is established beyond a reasonable doubt; and

(2) Such an order is in the best interests of the child.

Sec. 34. Section 49, chapter 291, Laws of 1977 ex. sess. and RCW 13.34.210 are each amended to read as follows:

If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department of social and health services or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption, or in the absence thereof in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within ((two years)) six months after the date of the order and a general guardian of the child has not been appointed by the court, the child shall be returned to the court for entry of further orders for his or her care, custody, and control, and the court shall review the case every six months thereafter until a decree of adoption is entered.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a ~~((child))~~ juvenile shall at the detention hearing be ordered released on the ~~((child's))~~ juvenile's personal recognizance pending further hearing unless the court finds detention is necessary under RCW 13.40.040 as now or hereafter amended.

(1) Proceedings under this chapter shall be commenced in the county where the ~~((child))~~ juvenile resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the ~~((child))~~ juvenile or by the prosecuting attorney of the county where the incident occurred.

(2) If the hearing takes place in the county where an element of the alleged criminal offense occurred, the case and copies of all legal and social documents pertaining thereto ~~((shall))~~ may in the discretion of the court be transferred to the county where the ~~((child))~~ juvenile resides for a disposition hearing. All costs and arrangements for care and transportation of the ~~((child))~~ juvenile in custody shall be the responsibility of the receiving county as of the date of the transfer of the juvenile to such county, unless the counties otherwise agree.

(3) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when:

(a) There is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; or

(b) It appears that venue is incorrect under this section.

Sec. 45. Section 61, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.070 are each amended to read as follows:

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint ~~((for legal sufficiency. The purpose of such screening shall be))~~ to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the ~~((youth))~~ juvenile did commit the offense.

(2) If the requirements of subsections (1) (a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (4), (5) and (6) of this section. If the prosecutor neither files nor diverts the case, he shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(3) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

~~((3))~~ (4) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if ~~((the alleged offender is one or more of the following))~~:

(a) An alleged offender is accused of a class A felony, ~~((an attempt to commit a class A felony,))~~ a class B felony, an attempt to commit a class B felony, assault in the third degree, rape in the third degree, or any other offense listed in RCW 13.40.020(1) (b) or (c); or

(b) An alleged offender ~~((with))~~ is accused of a felony and has a criminal history of at least ~~((*))~~ one class A or class B felony, or two class C ~~((felony offenses, or at least one class C felony offense and at least one misdemeanor or gross misdemeanor))~~ felonies, or at least two gross misdemeanors, or at least ~~((one gross misdemeanor and))~~ two misdemeanors ~~((, or at least three misdemeanors))~~ and one additional misdemeanor or gross misdemeanor, or at least one class C felony and one misdemeanor or gross misdemeanor; or

(c) An alleged offender ~~((accused of violating his or her diversion agreement or who wishes to be prosecuted rather than enter into a diversion agreement or who))~~ has been referred by ~~((the))~~ a diversion unit for prosecution ~~((: PROVIDED, That if the prosecutor elects not to file a charge for which there is probable~~

cause, he shall maintain a record, for one year, of such election and the reasons therefor) or desires prosecution instead of diversion.

~~((4))~~ If it appears that there is probable cause to believe that an offense has been committed by a youth, the prosecutor may file an information with the juvenile court if the alleged offender is an alleged offender accused of a class C felony:

(5) Whenever the alleged offender is an alleged offender listed in subsection (3) of this section, the prosecutor may file an information on any other criminal complaint regardless of whether or not the other offense is listed in subsection (3)(a) of this section. In lieu of filing an information, the prosecutor may file a motion to modify or revoke community supervision if a criminal complaint alleges a violation of a condition of community supervision.

(6) If an alleged offender does not fall within subsection (3) or (4) of this section, the prosecutor shall refer the complaint to the diversionary unit for the formation of a diversion agreement pursuant to RCW 13.40.080.)

(5) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense(s) in combination with the alleged offender's criminal history do not exceed three offenses or violations and do not include any felonies: PROVIDED, That if the alleged offender is charged with a related offense that must or may be filed under subsections (4) and (6) of this section, a case under this subsection may also be filed.

(6) Where a case is legally sufficient and falls into neither subsection (4) nor (5) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history.

(7) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile.

(8) The responsibilities of the prosecutor under subsections (1) through (7) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

Sec. 46. Section 62, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.080 are each amended to read as follows:

(1) A diversion agreement shall be a contract between a ((youth)) juvenile accused of an offense and a diversionary unit whereby the ((youth)) juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it.

(2) A diversion agreement ((may include)) shall be limited to:

(a) ~~((Periods of))~~ Community service not to exceed one hundred fifty hours, ~~((but))~~ not to be performed during school hours if the ((youth)) juvenile is attending school ~~((no community service shall be required during normal school hours));~~

(b) Restitution limited to the amount of actual loss incurred by the victim, and ~~((the youth shall be required to make restitution to the victim unless the youth does not have))~~ to an amount the juvenile has the means ~~((and could not acquire the means to do so))~~ or potential means to pay; and

(c) An informational, educational, or counseling interview, which may be required at a community agency.

~~((c))~~ (3) In assessing periods of community service to be performed and restitution to be paid by a ((youth)) juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall to the extent possible involve members of the community. Such members of the community shall meet with the ((youth)) juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the ((youth)) juvenile in carrying out its terms(;;).

~~((d))~~ (4) A diversion agreement (shall) may not exceed a period of six months for a misdemeanor or gross misdemeanor or one year for a felony and may include a period extending beyond the eighteenth birthday of the divertee. Any restitution assessed during its term (shall) may not exceed an amount which the ((youth)) juvenile could be reasonably expected to pay during this period. If additional time is necessary for the ((youth)) juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months ~~((and~~

~~((e))~~ An informational, educational, or counseling interview may be required at a community agency).

~~((3))~~ (5) The ((youth)) juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

~~((4))~~ (6) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether ~~((said youths))~~ the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No ~~((youth shall))~~ divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the ((youth)) divertee;

(d) The hearing shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the ((diverted-youth)) divertee has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the divertee was diverted:

(i) In juvenile court if the divertee is under eighteen years of age; or

(ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

((5)) (7) The diversion unit shall be responsible for advising a ((youth)) divertee of his or her rights as provided in this chapter.

((6)) (8) The right to counsel shall inure prior to the initial interview for purposes of advising the ((youth)) juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The ((youth)) juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The ((youth)) juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews ((shall)) mean all interviews regarding the diversion agreement process.

The ((youth)) juvenile shall be advised that a diversion agreement shall constitute a part of the ((youth's)) juvenile's criminal history as defined by RCW 13.40.020(6) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the ((youth)) juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

((7)) (9) When a ((youth)) juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The ((youth's)) juvenile's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

((8)) (10) A diversionary unit may refuse to enter into a diversion agreement with a ((youth)) juvenile. It shall immediately refer such ((youth)) juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such ((youth)) juvenile fails to make restitution or perform community service as required by the diversion agreement.

((9)) (11) A diversionary unit may, in instances where it determines that the act or omission of an act for which a ((youth)) juvenile has been referred to it involved no victim, or where it determines that the ((youth)) juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a ((youth)) juvenile without entering into a diversion agreement: PROVIDED, That any ((youth)) juvenile so handled shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the ((youth's)) juvenile's criminal history as defined by RCW 13.40.020(6) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the ((youth)) juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language: PROVIDED FURTHER, That a ((youth)) juvenile determined to be eligible by a diversionary unit for such release shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other ((youth)) juvenile referred to the unit.

(12) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

Sec. 47. Section 64, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.100 are each amended to read as follows:

(1) Upon the filing of an information the alleged offender shall be notified by summons, warrant, or other method approved by the court of the next required court appearance.

(2) If notice is by summons, the clerk of the court shall issue a summons directed to the ((child)) juvenile, if the ((child)) juvenile is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons.

((2)) (3) A copy of the information shall be attached to each summons.

~~((3))~~ (4) The summons shall advise the parties of the right to counsel.

~~((4))~~ (5) The judge may endorse upon the summons an order directing the parents, guardian, or custodian having the custody or control of the ~~((child))~~ juvenile to bring the ~~((child))~~ juvenile to the hearing.

~~((5))~~ (6) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the ~~((child))~~ juvenile needs to be taken into custody pursuant to RCW 13.34.050, as now or hereafter amended, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the ~~((child))~~ juvenile into custody and take the ~~((child))~~ juvenile to the place of detention or shelter designated by the court.

~~((6))~~ If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally at least five court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party's address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail at least ten court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the party's address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.)

(7) Service of summons may be made under the direction of the court by any law enforcement officer or probation counselor.

(8) If the person summoned as herein provided ~~((shall))~~ fails without reasonable cause to appear and abide the order of the court, the person may be proceeded against as for contempt of court.

Sec. 48. Section 65, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.110 are each amended to read as follows:

(1) The prosecutor, respondent, or the court on its own motion may, before a hearing on the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the matter shall be set for a hearing on the question of declining jurisdiction. Unless waived by the court, the parties, and their counsel, a decline hearing shall be held where:

(a) The respondent is sixteen or seventeen years of age and the ~~((petition))~~ information alleges a class A felony or an attempt to commit a class A felony; or

(b) The respondent is seventeen years of age and the ~~((petition))~~ information alleges assault in the second degree, extortion in the first degree, indecent liberties, kidnaping in the second degree, rape in the second degree, or robbery in the second degree.

(2) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions, and arguments presented by the parties and their counsel.

(3) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing.

Sec. 49. Section 66, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.120 are each amended to read as follows:

The court shall hold an adjudicatory hearing on the information, and, after it has announced its findings of fact and its ~~((verdict))~~ decision, shall hold a hearing to consider disposition of the case pursuant to RCW 13.40.150 and 13.40.160, as now or hereafter amended, immediately following the adjudicatory hearing or at a continued hearing within fourteen days unless good cause is shown for a further continuance. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases ~~((shall))~~ may not be heard in conjunction with other business of any other division of the superior court.

Sec. 50. Section 67, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.130 are each amended to read as follows:

(1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.

(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, a hearing date shall be set.

(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its ~~((verdict))~~ decision upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its ~~((verdict))~~ decision.

(5) If the respondent is found not guilty he or she shall be released from detention.

(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing.

(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.

(8) The disposition hearing shall be held within fourteen days after the adjudicatory hearing or plea of guilty unless good cause is shown for further delay, or within twenty-one days if the juvenile is not held in a detention facility, unless good cause is shown for further delay.

(9) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

Sec. 51. Section 68, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.140 are each amended to read as follows:

(1) A ((youth)) juvenile shall be advised of his or her rights when appearing before the court.

(2) A ((youth)) juvenile and his or her parent, guardian, or custodian shall be advised by the court or its representative that the ((youth)) juvenile has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a ((youth;)) juvenile who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the ((youth's)) juvenile's family, in any proceeding where the ((youth)) juvenile may be subject to transfer for criminal prosecution, or in any proceeding where the ((youth)) juvenile may be in danger of confinement ((or partial confinement)). The ability to pay part of the cost of counsel ((shall)) does not preclude assignment. In no case ((shall)) may a ((youth)) juvenile be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The ((youth)) juvenile shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide.

(3) The right to counsel ((shall)) includes the right to the appointment of experts necessary, and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.

(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.

(8) A juvenile shall be accorded the privilege against self-incrimination. An ((extra-judicial)) extra-judicial statement which would be constitutionally inadmissible in a criminal proceeding ((shall)) may not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained ((shall)) may not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the ((child)) juvenile. An ((extra-judicial)) extra-judicial admission or confession made by the ((child)) juvenile out of court is insufficient to support a finding that the ((child)) juvenile committed the acts alleged in the information unless evidence of a corpus delicti is first independently established.

(9) Waiver of any right which a ((child)) juvenile has under this chapter must be an express waiver intelligently made by the ((child)) juvenile after the ((child)) juvenile has been fully informed of the right being waived.

(10) Whenever this chapter refers to waiver or objection by a ((child)) juvenile, the word ((child)) juvenile shall be construed to refer to a ((child)) juvenile who is at least twelve years of age. If a ((child)) juvenile is under twelve years of age, the ((child's)) juvenile's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

Sec. 52. Section 69, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.150 are each amended to read as follows:

(1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) For purposes of disposition:

(a) Violations which are current offenses count as misdemeanors;

(b) Violations may not count as part of the offender's criminal history;

(c) In no event may a disposition for a violation include confinement.

(3) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

(a) Consider the facts supporting the allegations of criminal conduct by the respondent;

(b) Consider information and arguments offered by parties and their counsel;

(c) Consider any predisposition reports;

(d) Afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;

(e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;

(f) Determine the amount of restitution owing to the victim, if any;

(g) Determine whether the respondent is a serious offender or a minor or first offender;

(h) Consider whether or not any of the following mitigating factors exist:

(i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;

- (ii) The respondent acted under strong and immediate provocation;
- (iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;
- (iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and
- (v) There has been at least one year between the respondent's current offense and any prior criminal offense;

(i) Consider whether or not any of the following aggravating factors exist:

(i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;

(ii) The offense was committed in an especially heinous, cruel, or depraved manner;

(iii) The victim or victims were particularly vulnerable;

(iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement; and

(v) The respondent was the leader of a criminal enterprise involving several persons(:);

((f)) (4) The following factors ((shall)) may not be considered in determining the punishment to be imposed:

((f)) (a) The sex of the respondent;

((f)) (b) The race or color of the respondent or the respondent's family;

((f)) (c) The creed or religion of the respondent or the respondent's family;

((f)) (d) The economic or social class of the respondent or the respondent's family; and

((f)) (e) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter(:);

((h)) (5) A court ((shall)) may not commit a ((youth)) juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

Sec. 53. Section 70, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.160 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for ~~((a determinate sentence consisting of))~~ the standard range of disposition for the offense.

If the court ~~((finds that a disposition within the standard range would effectuate a manifest injustice; the court may impose a disposition outside the range but only after it enters reasons upon which it bases))~~ concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(6), as now or hereafter amended, shall be used to determine the range. A disposition ((imposed)) outside ((a)) the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition. A disposition other than a community supervision ~~((shall))~~ may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(6), as now or hereafter amended, shall be used to determine the range. Any disposition other than community supervision may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision may not be appealed under RCW 13.40.230 as now or hereafter amended.

(3) ~~((A juvenile appearing before the court for formal disposition who has))~~ Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement ((and who would otherwise be so entitled shall, if determined to be a first or minor offender, be referred to a diversionary unit under the supervision of which such youth may only be required to perform the term of community service and, where there is a victim, shall be required to make restitution under the limits specified in this chapter)), the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.

(4) Where ~~((the))~~ a respondent is found to have committed an offense ~~((and))~~ which is neither a serious ((offender)) nor a minor or first ((offender, consistent with the purposes of this chapter the court shall: (a)(i) Where the appropriate) offense:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense: PROVIDED, That if the standard range includes a ((period)) term of confinement exceeding thirty days, ((sentence the offender to the department for a term consisting of the appropriate standard range, or (ii) where the appropriate standard range does not include a period of confinement exceeding thirty days, sentence the offender to a determinate term within the appropriate standard range in which case the court shall consider only those)) commitment shall be to the department for the standard range of confinement; or

(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement in which case, if confinement has been imposed, the court shall state either aggravating ((and)) or mitigating factors as set forth in RCW 13.40.150 ((and shall state its reasons for selecting the particular punishment imposed, or (b) shall impose a term of community supervision. If the court sentencing pursuant to subsection (a)(i) or (ii) of this section finds that a disposition within the standard range would effectuate a manifest injustice, it may impose a disposition other than community supervision outside the range but only after it)) as now or hereafter amended.

(c) Only if the court concludes, and enters reasons ((upon which it bases)) for its conclusions, that disposition ((within the standard range)) as provided in subsection (4) (a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(6), as now or hereafter amended, shall be used to determine the range.

(d) A disposition ((so imposed outside the standard range may be appealed as provided in)) pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition ((within the standard range or of community supervision shall)) pursuant to subsection (4)(a) or (b) of this section is not ((be)) appealable under RCW 13.40.230 as now or hereafter amended.

(5) ((A court may require a juvenile offender to serve a period of partial confinement not to exceed thirty days or a period of confinement not to exceed the minimum period of confinement included within the standard range for the offense(s) for which he or she was found guilty, but in no case to exceed thirty days: PROVIDED, That such periods of partial confinement and confinement may be required only of youthful offenders who are: (a) Not sentenced to a sentence within a range established by the legislature; (b) not committed to the department; (c) not first and minor offenders; and (d) are serving terms of community supervision: PROVIDED FURTHER, That all such terms of partial confinement and confinement shall be served in a facility operated by or pursuant to a contract with a county or city:)) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

Sec. 54. Section 73, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.190 are each amended to read as follows:

(1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution((-PROVIDED, That)). The court ((shall)) may not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution. In cases where an offender has been committed to the department for a period of confinement exceeding fifteen weeks, restitution may be waived.

(2) ((When a respondent who has been ordered by a court to pay a fine or restitution, or to perform service for the public good fails to fulfill that order, the court upon the motion of the prosecutor or upon its own motion, shall require the respondent to show cause why the respondent should not be confined in a detention facility for nonfulfillment. The court may issue a summons or a warrant for arrest to compel the respondent's appearance.

(3) The respondent shall have the burden of showing that the nonpayment or nonfulfillment was not a willful refusal and that he or she did not have the means and could not reasonably acquire the means to pay the fine or restitution or to perform the service for the public good. If the court finds that the default was willful, it may order the youth detained in a county facility for one day for each twenty-five dollars of restitution or fine on which the youth willfully defaulted or may order the youth detained in a county facility for one day for each eight hours of community service on which the youth willfully defaulted)) A respondent under obligation to pay restitution may petition the court for modification of the restitution order.

Sec. 55. Section 74, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.200 are each amended to read as follows:

((Consistent with the purposes of this chapter, if the respondent violates a condition of his or her community supervision, community supervision may be revoked or modified and further permissible punishment imposed pursuant to the provisions of this chapter. Such punishment may include a period of confinement and/or partial confinement in a county facility not to exceed thirty days. Community supervision may only be revoked or modified upon the same due process as would be afforded an adult alleged probation violator:))

(1) When a respondent fails to comply with an order of restitution, community supervision, or confinement of less than thirty days, the court upon motion of the prosecutor or its own motion, may modify the order after a hearing on the violation.

(2) The hearing shall afford the respondent the same due process of law as would be afforded an adult probationer. The court may issue a summons or a warrant to compel the respondent's appearance. The state shall have the burden of proving by a preponderance of the evidence the fact of the violation. The respondent shall have the burden of showing that the violation was not a willful refusal to comply with the terms of the order. If a respondent has failed to pay a fine or restitution or to perform community service hours, as required by the court, it shall be the respondent's burden to show that he or she did not have the means and could not reasonably have acquired the means to pay the fine or restitution or perform community service.

(3) (a) If the court finds that a respondent has wilfully violated the terms of an order pursuant to subsections (1) and (2) of this section, it may impose a penalty of up to thirty days confinement.

(b) If the violation of the terms of the order under (a) of this subsection is failure to pay fines, complete community service, or make restitution, the term of confinement imposed under (a) of this subsection shall be assessed at a rate of one day of confinement for each twenty-five dollars or eight hours owed.

Sec. 56. Section 75, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.210 are each amended to read as follows:

(1) The secretary shall, except in the case of a ((youth)) juvenile committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the ((youth)) juvenile was found to be guilty established pursuant to RCW 13.40.030, as now or hereafter amended, set a release or discharge date for each ((youth)) juvenile committed to its custody which shall be within the prescribed range to which a ((youth)) juvenile has been committed. Such dates shall be determined prior to the expiration of sixty percent of a ((youth's)) juvenile's minimum term of confinement included within the prescribed range to which the ((youth)) juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter: PROVIDED, That days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) Following the ((youth's)) juvenile's release pursuant to subsection (1) of this section, the secretary may require the ((youth)) juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months. The secretary shall, for the period of parole, facilitate the ((youth's)) juvenile's reintegration into his or her community and to further this goal may require the ((youth)) juvenile to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address; and (e) refrain from committing new offenses. After termination of the parole period, the ((youth)) juvenile shall be discharged from the department's supervision.

(3) The department may also ((~~revoke or~~)) modify parole for violation thereof. If, after affording a ((youth)) juvenile all of the due process rights to which he or she would be entitled if the ((youth)) juvenile were an adult, the secretary finds that a ((youth)) juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (a) Continued supervision under the same conditions previously imposed; (b) intensified supervision with increased reporting requirements; (c) additional conditions of supervision authorized by this chapter; and (d) imposition of a period of ((~~partial~~)) confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision.

(4) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest such person.

Sec. 57. Section 77, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.230 are each amended to read as follows:

(1) Dispositions reviewed pursuant to RCW 13.40.160, as now or hereafter amended, shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs ((~~shall~~)) may be required, and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor or first offender, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor or first offender, would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly offensive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent ((~~shall~~)) may not be committed or detained for a period of time in excess of the standard range for the offense(s) committed and ((~~shall~~)) may not be detained if a first or minor offender: PROVIDED, That if the order of the disposition court is below the standard range, the respondent shall be committed or detained for no longer than the term set by the disposition court.

(6) ((~~Dispositions imposed by the disposition court shall not be final until either the deadline for appeal pursuant to state law or supreme court rule has passed without an appeal being taken, or the court of appeals has issued its decision on the appeal.~~)) Appeal of a disposition under this section does not affect the finality or appeal of the underlying adjudication of guilt.

Sec. 58. Section 1, chapter 170, Laws of 1975 1st ex. sess. and RCW 13.40.300 are each amended to read as follows:

(1) In no case ~~((shall))~~ may a ~~((delinquent))~~ juvenile offender be committed by the juvenile court to the department of social and health services for placement in a juvenile correctional institution beyond the ~~((child's))~~ juvenile offender's twenty-first birthday. A ~~((delinquent))~~ juvenile ~~((shall))~~ may be under the jurisdiction of the juvenile court or the authority of the department of social and health services beyond the ~~((child's))~~ juvenile's eighteenth birthday only if ~~((the juvenile court has;))~~ prior to the juvenile's eighteenth birthday ~~((, found the juvenile to be delinquent and has extended the jurisdiction))~~:

(a) The juvenile court has committed the juvenile offender to the department of social and health services for a sentence consisting of the standard range of disposition for the offense and the sentence includes a period beyond the juvenile offender's eighteenth birthday; or

(b) The juvenile court has committed the juvenile offender to the department of social and health services for a sentence outside the standard range of disposition for the offense and the sentence includes a period beyond the ~~((child's))~~ juvenile's eighteenth birthday and the court by written order setting forth its reasons ~~((therefor))~~ extends jurisdiction of juvenile court over the juvenile offender for that period; or

(c) Proceedings are pending seeking the adjudication of a juvenile offense or seeking an order of disposition and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile beyond his or her eighteenth birthday.

(2) In no event ~~((shall))~~ may the juvenile court have authority to extend jurisdiction over any ~~((delinquent))~~ juvenile offender beyond the juvenile~~((s))~~ offender's twenty-first birthday.

(3) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

NEW SECTION. Sec. 59. There is added to chapter 291, Laws of 1977 ex. sess. and to chapter 13.40 RCW a new section to read as follows:

The provisions of RCW 10.01.040 apply to chapter 13.40 RCW.

Sec. 60. Section 17, chapter 172, Laws of 1967 as last amended by section 22, chapter 291, Laws of 1977 ex. sess. and RCW 74.13.031 are each amended to read as follows:

The department ~~((shall have))~~ has the duty to provide child welfare services as defined in RCW 74.13-.020, and shall:

(1) Develop, administer, and supervise a plan that establishes, extends aid to, and strengthens services for the protection and care of homeless, dependent children, neglected children, or juvenile offenders.

(2) Investigate complaints of neglect, abuse, or abandonment of children by parents, guardians, custodians, or persons serving in loco parentis, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, guardians, custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. If the investigation reveals that a crime may have been committed, notify the appropriate law enforcement agency.

(3) Offer, on a voluntary basis, crisis intervention to families who are in conflict.

Crisis intervention services (a) shall consist of an interview or series of interviews with the child or his or her family, as needed, conducted within a brief period of time by qualified professional persons, and designed to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or the family; and (b) may include, but are not limited to, the provision of or referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.

Nothing in this section ~~((shall))~~ prohibits an officer of the child welfare services from referring any child who, as a result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive or seriously destructive towards others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, to a community mental health center pursuant to RCW 72.23.070.

(4) Have authority to accept for temporary residential care in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW a child who ~~((has been taken into limited custody pursuant to RCW 13.30.020))~~ is a reported runaway or a child in substantial danger: PROVIDED, That a juvenile ~~((shall))~~ may in no event remain in temporary residential care for a period longer than seventy-two hours from the time of the juvenile's initial contact with the law enforcement officer or the staff of the department of social and health services except as otherwise provided in this section. Upon accepting the child, the staff of the facility shall notify the child's parents or custodian of his or her whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement and shall undertake to make arrangements for the child's return home. If the staff of the department of social and health services is unable to effectuate a reconciliation between the juvenile and the juveniles's parents, legal custodian, or legal guardian, the staff shall inform the parent, legal custodian, or legal guardian of his or her rights under RCW 13.32-.020 as now or hereafter amended.

In every case crisis intervention services shall be provided as needed, and the staff of the temporary facility shall seek to effect the child's return home or alternative living arrangement agreeable to the child and the parent or custodian as soon as practicable.

(a) If, after his or her admission to a temporary residential facility, a child who is absent from home without permission and his or her parent or custodian agrees to the child's return home, the staff of the

facility shall arrange transportation for the juvenile, as soon as practicable, to the county of residence of the parent or custodian, at the latter's expense to the extent of his or her ability to pay.

(b) If the child refuses to return home and if no other living arrangements agreeable to the child and the parent or custodian can be made, the staff of the facility shall arrange transportation for the child to a temporary nonsecure residential facility in the county of residence of the parent or custodian, at the expense of the latter to the extent of his or her ability to pay. If there is no such facility in the county of that residence, the nearest such facility to that residence shall be used.

(c) If a child's legal residence is outside the state of Washington and such child refuses to return home, the provisions of RCW 13.24.010 shall apply.

(d) If the parent or custodian refuses to permit the child to return home, and no other living arrangement agreeable to the child and the parent or custodian can be made, staff of the child welfare services section shall notify the juvenile court to appoint legal counsel for the child and shall file a dependency petition in the juvenile court in the jurisdiction of the residence of the parent or custodian.

(e) If a child and his or her parent or guardian agree to an arrangement for alternative residential placement, such placement may continue as long as there is agreement. During any alternative residential placement, there shall be provided to the child and to his or her family such services as may be appropriate to the particular case, to the end that the child may be reunited with the family as soon as practicable.

(f) If such child and his or her parent or custodian cannot agree to an arrangement for alternative residential placement in the first instance, or cannot agree to the continuation of such placement, the child or his or her parent or custodian may file with the juvenile court a petition to approve or disapprove alternative residential placement pursuant to RCW 13.32.020. ~~((The child shall remain in the placement where he or she is located at the time a petition to approve alternative residential placement is filed until a placement decision is made pursuant to RCW 13.32.040.))~~ If no petition requesting approval or disapproval of alternative residential placement is filed within seventy-two hours of the disagreement, excluding Saturdays, Sundays, and holidays, the child shall be released from any placement in a temporary nonsecure residential placement.

(g) In no event ~~((shall))~~ may alternative residential placement for a child in conflict with his or her family be arranged in a secure detention facility or in a secure institution except as provided in this subsection ~~((and RCW 13.34.140.))~~. A child in conflict with his or her parents may be detained in a secure detention facility operated by a county for a maximum of ~~((seventy-two))~~ forty-eight hours, excluding Saturdays, Sundays, and holidays, if:

(i) The staff of the child welfare services section find that the child taken into limited custody has previously been placed in alternative residential care and has run away from such placement and that it is likely that the child will run away from another and different residential placement; or

(ii) The child refuses to return home and refuses to be placed in alternative residential care.

During such detention, efforts shall be continued to the end that the child may be returned home or other living arrangements agreeable to the child and his or her parent, guardian, or custodian are made. If an agreement concerning living arrangements for the child cannot be reached a petition shall be filed within forty-eight hours, excluding Saturdays, Sundays, and holidays, after initial detention of the child, pursuant to subsection (4)(f) of this section. The hearing on the petition shall be held within ~~((seventy-two))~~ forty-eight hours, excluding Saturdays, Sundays, and holidays, of the initial detention of the child. If the hearing on the petition is not held within these time limits the child shall be released from detention.

(5) Cooperate with other public and voluntary agencies and organizations in the development and coordination of programs and activities in behalf of children including but not limited to contracting with private and public entities to provide basic education and vocational training and crisis intervention services.

(6) Have authority to accept custody of children from parents, guardians, and/or juvenile courts, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and to make payment of maintenance costs if needed.

(7) Have authority to purchase care for children and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

(8) Establish a child welfare and day care advisory committee who shall act as an advisory committee to the state advisory committee and to the secretary in the development of policy on all matters pertaining to child welfare, day care, licensing of child care agencies, and services related thereto.

(9) Notwithstanding any other provision of chapter 13.30 RCW, RCW 74.13.020, and this section, all services to be provided by the department of social and health services under subsections (3) and (4) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Title II of the federal juvenile justice and delinquency prevention act of 1974 (P.L. No. 93-415; 42 U.S.C. 5634 et seq.).

Sec. 61. Section 9, chapter 291, Laws of 1955 as amended by section 1, chapter 172, Laws of 1971 ex. sess. and RCW 26.32.090 are each amended to read as follows:

Upon the filing of a petition for adoption, the court shall cause an investigation of the propriety of the adoption to be made. The court shall appoint an approved agency or any qualified salaried court employee or any other suitable and proper person as next friend of the child to make such investigation. The investigation shall be made without expense to the petitioners. The investigator appointed by the court shall make a report in writing to the court within sixty days from the time of the appointment unless further time be granted by the court. Such report shall be in writing and contain all reasonably available information concerning the

physical and mental condition of the child, the religion of the child, if any, and if unknown, then the report shall designate unknown, the parents of the child, and the home environment, family life, health, facilities and resources of the petitioners, and any other facts and circumstances relating to the propriety and advisability of the adoption. Such report shall also include, where relevant, information on the child's special cultural heritage, including membership in any Indian tribe or band. Any preplacement report on the petitioner required by this chapter to be filed with the court shall be made available to the next friend; the next friend may in his discretion rely on its contents and adopt its recommendations and may incorporate the same in the report of the next friend.

When the object of the adoption proceeding is the petition of a parent to adopt the child of the other spouse, the report of the next friend shall be made within ten days of the date of appointment, unless such time is extended by the court, and in such cases the court may dispense with formal written report and require such information as the court deems necessary in the particular case as to the propriety of the adoption.

'Charter boat' means any vessel from which persons may, for a fee, angle for food fish, and which delivers food fish taken from waters either within or without the territorial boundaries of the state of Washington into state ports.

No vessel may engage in both charter or sports fishing and commercial fishing on the same day. A vessel may be licensed for both charter boat fishing and for commercial fishing at the same time: **PROVIDED,** That the license and delivery permit allowing the the activity not being engaged in shall be deposited with the fisheries patrol officer for that area or an agent designated by the director.

(1) The department shall not acquire, construct, or substantially improve any salmon enhancement facility unless the requirements of this section are met.

(a) The productivity of any salmon propagation facility is very dependent on water quantity and quality. Since there is a limited number of water sources which meet the critical needs of a facility it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development.

(b) Prior to expending any moneys for the construction and development of any particular salmon propagation facility, except for site acquisition and preliminary design, the department shall, with the advice of the advisory council created in subsection (2) of this section, give consideration to the following factors with respect to that facility:

(i) The department's management authority over propagated salmon;

(ii) The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

(iii) Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; and

(iv) Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game.

(2) To aid and advise the department in the performance of its functions as specified by this section with regard to the salmon enhancement program, a salmon advisory council is hereby created. The advisory council shall consist of ten members appointed by the governor; the director of the department of fisheries, who shall be chairman; the director of the department of game, or the director's designee; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the members appointed by the governor, two shall represent troll fishermen; two shall represent gill net fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; two shall represent sportsmen; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries.

The terms of the initial members appointed by the governor expire on December 31, 1979. Thereafter, all members appointed by the governor shall serve terms of two years.

The advisory council shall be convened by the director prior to the decision to expend any funds for construction and development of any salmon propagation facility. The council shall advise the director with regard to the considerations listed in subsection (1)(b) of this section and any other factors the council deems relevant with respect to the proposed facility.

Vacancies shall be filled in the same manner as original appointments. Except for the director of the department of game and legislative members, members shall receive reimbursement through the department of fisheries for travel expenses incurred in the performance of their duties in accordance with RCW 43.03-.050 and 43.03.060 as now existing or hereafter amended.

The director of the department of game, or the director's designee, shall receive reimbursement through the department of game for travel expenses incurred in the performance of his or her duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The legislative members shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120 as now existing or hereafter amended.

The salmon advisory council shall cease to exist on December 31, 1989.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Strike everything after the enacting clause and insert the following:

"Section 1. Section 28A.57.312, chapter 223, Laws of 1969 ex. sess. as last amended by section 5, chapter 43, Laws of 1975 and RCW 28A.57.312 are each amended to read as follows:

The governing board of a school district shall be known as the board of directors of the district.

Unless otherwise specifically provided, as in RCW 29.13.060, members of a board of directors shall be elected by ballot by the registered voters of the school district and shall hold office for a term of four years and until their successors are elected and qualified. Terms of school directors shall be staggered, and insofar as possible, not more than a majority of one shall be elected to full terms at any regular election. In case a member or members of a board of directors are to be elected to fill an unexpired term or terms, the ballot shall specify the term for which each such member is to be elected.

Except for a school district of the first class having ((an enrollment of fifty thousand pupils)) within its boundaries a city with a population of four hundred thousand people or more in class AA counties, which shall have a board of directors of seven members, the board of directors of every school district of the first class or school district of the second class shall consist of five members.

Sec. 2. Section 28A.57.342, chapter 223, Laws of 1969 ex. sess. as last amended by section 8, chapter 43, Laws of 1975 and RCW 28A.57.342 are each amended to read as follows:

Whenever an election shall be held for the purpose of securing the approval of the voters for the formation of a new school district other than a school district of the first class having ((an enrollment of fifty thousand pupils)) within its boundaries a city with a population of four hundred thousand people or more in class AA counties, if requested by one of the boards of directors of the school districts affected, there shall also be submitted to the voters at the same election a proposition to authorize the county committee to divide the school district, if formed, into directors' districts. Such director districts in first class districts, if approved, shall not become effective until the next regular school election at which time a new board of directors shall be elected as provided in RCW 28A.57.355, 28A.57.356, and 28A.57.357, as now or hereafter amended. The board of directors of every school district other than a school district of the first class having ((an enrollment of fifty thousand pupils)) within its boundaries a city with a population of four hundred thousand people or more in class AA counties which is not divided into directors' districts may submit to the voters at any regular school district election a proposition to authorize the county committee to divide the district into directors' districts. If a majority of the votes cast on the proposition shall be affirmative, the county committee shall proceed to divide the district into directors' districts. Such director districts, if approved, shall not become effective until the next regular school election when a new five member board of directors shall be elected, one from each of five director districts from among the residents of the respective director district by the electors of the entire district, two for a term of two years and three for a term of four years, unless such district elects its directors for six years, in which case, one for a term of two years, two for a term of four years, and two for a term of six years.

Vacancies once such a board has been reconstituted shall not be filled unless the number of remaining board members is less than seven, and such vacancies shall be filled in the manner otherwise provided by law.

Each board of directors so constituted shall proceed at once to organize in the manner prescribed by law and thereafter shall have all of the powers and authority conferred by law upon boards of first class districts until the next regular school election and until their successors are elected and qualified. At such election other than districts electing directors for six-year terms as provided in RCW 29.13.060, as now or hereafter amended, five directors shall be elected either at large or by director districts, as the case may be, two for a term of two years and three for a term of four years. Upon the establishment of a new school district of the first class having ((an enrollment of fifty thousand pupils)) within its boundaries a city with a population of four hundred thousand people or more in class AA counties, the directors of the largest former first class district and three directors representative of the other former first class districts selected by a majority of the board members of the former first class districts and two directors representative of former second class districts selected by a majority of the board members of former second class districts shall meet at the call of the educational service district superintendent and shall constitute the board of directors of the new district. Each board of directors so constituted shall proceed at once to organize in the manner prescribed by law and thereafter shall have all the powers and duties conferred by law upon boards of first class districts, until the next regular school election and until their successors are elected and qualified. Such duties shall include establishment of new director districts as provided for in RCW 28A.57.425, as now or hereafter amended. Notwithstanding any other provision of law, any school ((districts)) district of the first class having ((an enrollment of fifty thousand pupils)) within its boundaries a city with a population of four hundred thousand people or more in class AA counties shall be divided into seven director districts. Residents in the particular director district desiring to be a candidate for school director shall file their declarations of candidacy for such director district and for the position of director in that district and shall be voted upon in the primary election by the registered voters of that particular director district: PROVIDED, That if not more than one person files a declaration of candidacy for the position of school director in any director district, no primary election shall be held in that district, and such candidate's name alone shall appear on the ballot for the director district position at the general election. The name of the person who receives the greatest number of votes and the name of the person who receives the next greatest number of votes at the primary for each director district position shall appear on the general election ballot under such position and shall be voted upon by all the registered voters in the school district. Except as provided in RCW 28A.57.435, as now or hereafter amended, every such director so elected in school districts divided into seven director districts shall serve for a term of ((six)) four years as otherwise provided in ((RCW-29-13-060)) section 10 of this amendatory act.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2149, Prime Sponsor: Senator McDermott, providing for bilingual instruction in the common schools. Reported by Committee on Education.

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. This act shall be known and cited as 'The Transitional Bilingual Instruction Act of 1979'. The legislature finds that there are large numbers of children who come from homes where the primary language is other than English. Experience has shown that classes which are taught in English are inadequate to meet the needs of these children. The legislature finds that a bilingual education program can meet the needs of these children. Pursuant to the policy of this state to insure equal

educational opportunity to every child in this state, it is the purpose of this act to provide for the implementation of bilingual education programs in the public schools, and to provide supplemental financial assistance to help local school districts to meet the extra costs of these programs.

NEW SECTION. Sec. 2. As used in this act, unless the context thereof indicates to the contrary:

(1) 'Transitional bilingual instruction' means a system of instruction which uses two languages, one of which is English, as a means of instruction to build upon and expand language skills to enable the pupil to achieve competency in English. Concepts and information are introduced in the primary language and reinforced in the second language: PROVIDED, That the program shall include testing in the subject matter in English.

(2) 'Primary language' means the language most often used by the student for communication in his/her home.

(3) 'Eligible pupil' means any enrollee of the school district whose primary language is other than English and whose English language skills are sufficiently deficient or absent to impair learning when taught only in English, but shall not include pupils who are equally or almost equally competent in English and other languages.

NEW SECTION. Sec. 3. Every school district board of directors shall:

(1) Make available to each eligible pupil bilingual instruction in accord with rules of the superintendent of public instruction: PROVIDED, That such rules shall provide that any school district with a limited number of pupils of the same non-English dominant language shall not be required to activate a new bilingual program but may carry on an alternative instructional program utilizing resources available to the district.

(2) Wherever feasible, ensure that communications to parents emanating from the schools shall be appropriately bilingual for those parents of pupils in the bilingual instruction program.

(3) Annually determine by administration of a test approved by the superintendent of public instruction the number of eligible pupils enrolled in the school district.

(4) Provide in-service training for all teachers, counselors, and other staff, who are involved in bilingual education within the district. Such training shall include appropriate instructional strategies for children of culturally different backgrounds, use of curriculum materials, and bilingual program models.

NEW SECTION. Sec. 4. Every school district board of directors may appoint, maintain, and receive recommendations from an advisory committee of persons including parents whose children are in the bilingual instruction program and bilingual teachers and other staff members.

NEW SECTION. Sec. 5. The superintendent of public instruction shall prepare and issue prior to September, 1979, program development guidelines to assist school districts in preparing their programs. Rules for implementation of this bilingual instruction act shall be promulgated by the superintendent of public instruction in accordance with chapter 34.04 RCW no later than May 15, 1980.

NEW SECTION. Sec. 6. The superintendent of public instruction shall prepare and submit biennially to the governor and the legislature a budget request for bilingual instruction programs. Moneys appropriated by the legislature for the purposes of this act shall be allocated by the superintendent of public instruction to school districts for the sole purpose of operating an approved bilingual instruction program; priorities for funding shall exist for the early elementary grades. No moneys shall be allocated pursuant to this section to fund more than three school years of bilingual instruction for each eligible pupil within a district: PROVIDED, That such moneys may be allocated to fund more than three school years of bilingual instruction for any pupil who fails to demonstrate improvement in English language skills adequate to remove impairment of learning when taught only in English. The superintendent of public instruction shall set standards and approve a test for the measurement of such English language skills. School districts are hereby empowered to accept grants, gifts, donations, devices and other gratuities from private and public sources to aid in accomplishing the purposes of sections 1 through 6 of this act.

NEW SECTION. Sec. 7. Section 3 of this act shall take effect September 1, 1980.

NEW SECTION. Sec. 8. Sections 1 through 6 of this act are added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW.

NEW SECTION. Sec. 10. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.'

POINT OF ORDER

Speaker Berentson: "It seems to me that Speaker Bagnariol has just restated in a different way the same motion he withdrew. We feel that it's necessary for Representative Haley to be here. Frankly, we don't understand the difference, as was suggested, that the Call of the House be dispensed with. I think that infers the same language he uses when he asks that we dispense with further proceedings."

POINT OF ORDER

Speaker Berentson: "He's not speaking to his motion. He evidently feels the necessity to make everyone aware of the fact that he talked about making this motion. I don't see what that has to do with the motion he is making to excuse the absent member. I think he should just keep his remarks to that motion. I don't know what a conversation we had this morning has to do with that motion."

The Speaker (Mr. O'Brien presiding): "Speaker Bagnariol, explain your position on this motion."

Speaker Bagnariol continued his remarks.

POINT OF ORDER

Speaker Berentson: "He's back at it again. We have an agreement that with this type of motion we will get together and decide whether or not we're going to make this type of motion. That didn't occur."

The Speaker (Mr. O'Brien presiding): "Apparently your point is well taken. Anytime a point of order is raised the two speakers are supposed to get together and come to a reasonable conclusion."

Speaker Berentson: "We will be just very happy if Mr. Bagnariol will just sit down and we will vote on his motion, but we don't want to debate. There's not much to talk about with that motion."

The Speaker (Mr. O'Brien presiding): "Will you hold your remarks to the motion, Representative Bagnariol?"

Speaker Bagnariol continued his remarks in favor of the motion.

POINT OF ORDER

Speaker Berentson: "Now listen, you're going to have to put us at ease and we're going to have to come up there and have a talk."

Rule 49 states in part, 'After the 50th day, no member shall speak more than once on the same question without leave of the house, provided, the chairman or chairwoman of the committee or the mover of the question may close the debate except as provided in Rule 53: PROVIDED FURTHER, That no member shall speak more than three minutes without the consent of the House.'"

Ms. Becker spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Van Dyken, the Department of Agriculture, which you referred to as having the responsibility for this specification, did not include this amount that you are describing as needed in their budget. Could you give me any explanation of why they did not submit this request for funds within their budget?"

Mr. Van Dyken: "Representative Zimmerman, I asked that very question of the Department of Agriculture in committee and their answer was that they had submitted the request to the Governor and the Governor reduced that request to \$4,000—\$4,000 to take care of a \$900,000 problem. So what happened was that the Director of the Department of Agriculture did not feel that he should ask for something the Governor asked him not to ask for."

Mr. Zimmerman: "In other words, there is the possibility that a proposal could be forthcoming regarding the 1,717 animals that have been killed? Is that correct?"

Mr. Van Dyken: "Yes, that's correct; however, I asked the Director if he would like it as an appropriation and he replied yes, he would."

Mr. Smith (C) spoke against the amendment.

Mr. Scott demanded the previous question, and the demand was sustained.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be Engrossed Substitute Senate Bill No. 2149 as amended by the House on final passage.

Mr. Chandler spoke in favor of the bill, and Mr. Williams spoke against it.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Patterson.

Mr. Chandler: "The fiscal note is \$4.8 million."

Representatives Dunlap and Heck spoke in favor of the bill, and Mr. Isaacson spoke against it.

POINT OF INQUIRY

Mr. Chandler yielded to question by Ms. Hurley.

Ms. Hurley: "When I go home, Mr. Chandler, people are going to ask me if this is one of the programs that should have been funded by the ten percent above the special levies—the special programs—and those that are not included in basic education?"

Mr. Chandler: "My answer to that is that it's unfair to ask school districts to fund this kind of program out of the special levies because of the concentration of students. There are concentrations of students with this kind of need in particular districts. I think what we're talking about is funding basic education, and then we're talking about allowing districts to fund special programs over and above that. This is not a special program, it's a special requirement for certain districts. I think it's the responsibility of the state to take care of it. If you leave it for special levies, you're probably not answering the mandates of the law."

Ms. Hurley spoke against the bill.

POINT OF INQUIRY

Mr. Heck yielded to question by Mr. Dawson.

Mr. Dawson: "Representative Heck, on page 2, section 3, subsection (1), it states, 'Provided, that such rules shall provide that any school district with a limited number of pupils of the same non-English dominant language...' Would you please clarify what it means by a limited number of people?"

Mr. Heck: "That's a very good question. That language, in one of the two sections in this bill that is different from the House version, was added by the Senate. That is a restriction that has been intended to make the bill tighter. It's an indirect reference really to the federal regulations on this subject, which requires that a limited number is constituted at the level of twenty students. It's intended not to require this program when you have a small number. That language keeps the bill tighter than if we did not have it in."

Representatives Dawson and Taylor spoke against passage of the bill.

Mr. Scott demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2149 as amended by the House, and the bill passed the House by the following vote: Yeas, 74; nays, 22; not voting, 2.

On page 1, after line 24 insert the following:

*Sec. 2. Section 4, chapter 127, Laws of 1972 ex. sess. and RCW 43.83A.040 are each amended to read as follows:

The proceeds from the sale of the bonds deposited in the state and local improvements revolving account of the general fund under the terms of this chapter shall be administered by the state department of ecology subject to legislative appropriation. The department may use or permit the use of any funds derived from the sale of bonds authorized under this chapter to accomplish the purpose for which said bonds are issued by direct expenditures and by grants or loans to public bodies, including grants to public bodies as

matching funds in any case where federal, local or other funds are made available on a matching basis for improvements within the purposes of this chapter.

The department may not use or permit the use of any funds derived from the sale of bonds authorized by this chapter for the support of a solid waste recycling activity or service in a locale if the department determines that the activity or service is reasonably available to persons within that locale from private enterprise.

Integration of the management and operation of systems for solid waste disposal with systems of liquid waste disposal holds promise of improved waste disposal efficiency and greater environmental protection and restoration. To encourage the planning for and development of such integration, the legislature may provide for special grant incentives to public bodies which plan for or operate integrated waste disposal management systems.*

On page 1, on line 1 of the title, delete "and"

HOUSE JOINT MEMORIAL NO. 15, by Representatives Erickson, Oliver, Fuller, Granlund, King, Owen, Brown, Gallagher, Heck, Gruger and Grimm:

Requesting a federal constitutional amendment to limit federal expenditures.

The memorial was read the second time.

On motion of Ms. Erickson, Substitute House Joint Memorial No. 15 was substituted for House Joint Memorial No. 15, and the substitute memorial was placed on the calendar for second reading.

Substitute House Joint Memorial No. 15 was read the second time.

Mr. Tilly moved adoption of the following amendment by Representatives Tilly, Oliver, Dunlap, Hurley and Teutsch:

On page 2, line 3 strike "; and" and insert ", and which requires that the federal budget be balanced in the absence of a national emergency; and"

Mr. Tilly spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Tilly yielded to question by Mr. Salatino.

Mr. Salatino: "Representative Tilly, is the handout that has been distributed to the members today an editorial comment by the Wall Street Journal or is it a paid political advertisement?"

Mr. Tilly: "This is an ad purchased by the National Taxpayers' Union, and it appeared in the Wall Street Journal."

Representatives Oliver, Polk, Taylor, Dunlap, Rohrbach, McGinnis and Eberle spoke in favor of the amendment, and Representatives Erickson, Bagnariol, Salatino, Sommers, Hughes and King spoke against it.

POINT OF INQUIRY

Mr. Hughes yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Hughes, thank you for the history that we went through leading up to this point, but speaking specifically to the amendment which requires that the federal budget be balanced in the absence of a national emergency, what is your position on the amendment?"

Mr. Hughes: "Representative Hastings, I think I've already addressed the amendment. I think what we're attempting to do is present the people with a Trojan Horse. Representative Eberle is correct in the whereas and intent part of the memorial. We addressed that as an ample goal down the road, but not immediately, because, as I have stated before in this House, the predominant weight of the economic community has stated very clearly that a balanced budget will not achieve a lid on government expenditures. For that reason I refuse to cast my vote with a deception to the voters of the state of Washington."

Mr. Hastings spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Bagnariol yielded to question by Mr. Warnke.

Mr. Warnke: "Speaker Bagnariol, I know that you and Speaker Berentson visited Washington, D.C., and discussed part of this issue with the federal people. Could you explain to me the inflationary impact that it has had on the federal budget?"

Mr. Bagnariol: "There have been a lot of comments made on the floor of the House, in effect blaming the federal deficit for all of the inflation that is taking place in our country. The facts are there is almost a \$3 trillion gross national product; we've got about a \$29 billion federal deficit projected for fiscal year 1980. That \$29 billion does relate to a very large percentage of the \$3 trillion. Inflation is being caused to a large degree by supply and demand. I don't believe the increased price of gas and oil has much to do with federal spending at this point. I think the argument that a balanced federal budget will automatically curb inflation is not necessarily a good one. We had a \$62 billion deficit in 1976 and that's down to a projected \$29 billion deficit in fiscal year 1980 and during that same period of time, inflation has continued at

the same rate or greater. If the Congress meets a balanced budget, I'm not sure that will necessarily stop inflation. It may be a help. A year ago in January, President Carter presented about a \$60 billion deficit to the Congress. They've reduced that deficit down to \$38 billion in their deliberations and between September and January the deficit went up \$5 billion just because of the interest increase."

Representatives Williams and Addison spoke in favor of the amendment, and Mr. Nelson (D) spoke against it.

POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Whiteside.

Mr. Whiteside: "Representative Polk, I understand the Democratic Research Organization has expressed an opinion on the cost of inflation. Could you please elucidate on that?"

Mr. Polk: "I do happen to have such information that was provided from the Democratic Research Organization of the 94th Congress, which published the statement last August. In short what it says, is that deficits cause inflation. The severity of inflation varies directly with the degree of deficit spending as monetized by the Federal Reserve Open Market Operation. There's no trade-off—that's what they said—either in short run or long run between inflation and unemployment. In point of fact, inflation causes unemployment. I think if you want an unimpeachable source—at least you people on that side of the aisle should agree, that there is a reputable organization—the Democratic Resource Organization of the National 94th Congress—I think we ought to buy that and listen to what they are telling us. It's a wise thing they have said and I, for one, certainly believe them."

Ms. Hurley demanded the previous question, and the demand was sustained.

Mr. Tilly rose to close debate.

POINT OF ORDER

Mr. O'Brien: "According to our rules, Representative Tilly doesn't have the right to close debate."

SPEAKER BERENTSON'S RULING

Speaker Berentson: "A member does not have the right to close debate after the ordering of the previous question."

Speaker Berentson stated the question before the House to be the amendment by Representatives Tilly, Oliver, Dunlap, Hurley and Teutsch to Substitute House Joint Memorial No. 15.

A division was called.

Substitute House Bill No. 20 was read the second time.

MINORITY recommendation: Do not pass. Signed by Representatives Barnes, McDonald, Taylor.

On motion of Mr. Taller, the committee amendments were adopted.

On page 3, beginning on line 9 after "mortgagee" strike everything down to and including "et seq.," on line 12

On page 4, beginning on line 31 after "(3)" strike everything down to and including "each" on line 32 and insert "Six of the members shall be from the private sector and five of these six members shall each have expertise in a different one"

On page 4, line 35 after "estate." strike "Five of the" and insert "The remaining five"

On page 5, beginning on line 4 after "authorities." strike everything down to and including "sector." on line 5

On page 8, beginning on line 11 after "foreclosure" strike everything down to and including "properties" on line 16 and insert "together with the assignments of leases and rentals incidental thereto. Any properties acquired by the commission through such actions shall be sold within three years from the date of acquisition through persons licensed pursuant to chapter 18.85 RCW or at public auction. In preparation for the disposition of the properties, the commission may own, lease, clear, construct, reconstruct, rehabilitate, repair, maintain, manage, operate, assign, or encumber the properties"

On page 9, line 28 after "be" strike "designed" and insert "designated"

On page 10, line 1 after "housing" strike "and land use"

On page 15, following line 11 add a new subsection to read as follows:

"(7) The commission may not have outstanding at any time obligations in excess of two hundred and fifty million dollars, excluding obligations which have been refunded."

Mr. McDonald moved adoption of the following amendment:

On page 3, line 18 strike "eighty" and insert "sixty-five"

Representatives McDonald, Berentson, Isaacson and Dunlap spoke in favor of the amendment, and Representatives Ehlers, Taller and Pruitt spoke against it.

Mr. Ehlers again spoke in opposition to the amendment.

POINT OF ORDER

Mr. Tilly: "Mr. Speaker, after the 50th day a member cannot speak more than once on an issue."

Speaker Bagnariol: "Your point is well taken."

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Charnley.

Mr. Charnley: "Representative Ehlers, I wonder if you would make clear the effect of the amendment which is being proposed by Representative McDonald?"

Mr. Ehlers: "In section 10 it makes it quite clear that forty percent of the total units are going to be what's characterized in the bill, as very low income; also, up to thirty percent is going to go to other deserving people—the handicapped, senior citizens, etc. The bill is targeted at the people who need the help and to tell you otherwise is not responding to reality within the bill. I urge you strongly to defeat this amendment."

Mr. Charnley spoke against the amendment.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Chandler.

Mr. Chandler: "Representative McDonald, the discussion here has concerned itself with the availability of federal funding. I'm not clear, after the statements have been made, exactly what the meaning of that is. Would the adoption of your amendment jeopardize the federal funding in any housing programs?"

Mr. McDonald: "No, in my reading of the bill, the federal money does address itself in the bill, but it's only for that portion of very low income housing. The very low income is defined as fifty percent of median income; therefore, whether we're talking between sixty-five and fifty percent of median income or eighty percent median income and fifty percent of median income, there's no federal money there, and I think that should be made clear. I think everybody should understand that when you do vote on this bill."

A division was called.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative McDonald to Substitute House Bill No. 20, and the amendment was not adopted by the following vote: Yeas, 45; nays, 52; not voting, 1.

A., Newhouse, Nisbet, Oliver, Patterson, Polk, Rohrbach, Rosbach, Sanders, Schmiten, Smith C. RESOLUTION

HOUSE RESOLUTION NO. 79-19, by Representatives Kreidler, Adams, Addison, Amen, Bagnariol, Barnes, Barr, Bauer, Becker, Bender, Berentson, Blair, Bond, Brekke, Brown, Burns, Chandler, Charnley, Clayton, Craswell, Dawson, Deccio, Douthwaite, Dunlap, Eberle, Ehlers, Eng, Erak, Erickson, Fancher, Flanagan, Fuller, Gallagher, Galloway, Garrett, Granlund, Greengo, Grimm, Gruger, Haley, Hastings, Heck, Houchen, Hughes, Hurley, Isaacson, Jovanovich, Keller, King, Knowles, Lux, Martinis, Maxie, May, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson (D), Nelson (G.A.), Newhouse, Nisbet, North, O'Brien, Oliver, Owen, Patterson, Polk, Pruitt, Rohrbach, Rosbach, Salatino, Sanders, Schmitten, Scott, Sherman, Smith (C), Smith (R), Sommers, Sprague, Struthers, Taller, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vrooman, Walk, Warnke, Whiteside, Williams, Wilson, Winsley, Zimmerman.

WHEREAS, The people of Washington State have sustained a great loss with the death of Willi Unsoeld; and

WHEREAS, Willi Unsoeld, as one of the first Americans to climb Mt. Everest, was internationally famous as a mountaineer; and

WHEREAS, For those who knew him, Willi Unsoeld's fame as a mountaineer was overshadowed by his exuberance, high ideals, and ability to teach and motivate others; and

WHEREAS, Willi Unsoeld, through his teachings, philosophy, and personal exuberance and, most importantly, through his example, improved the lives of countless persons; and

WHEREAS, Willi Unsoeld was a citizen-activist who made many contributions to the betterment of government in Washington State, particularly at the local level;

NOW, THEREFORE, BE IT RESOLVED, That in recognition of the many contributions of Willi Unsoeld, the members of the House of Representatives declare their great respect for his achievements as a mountaineer, teacher, and citizen and express their sympathy to the Unsoeld family.

Mr. Kreidler moved adoption of the resolution.

Mr. Kreidler: "It would not be appropriate to just leave the resolution at that, because when you talk about Willi Unsoeld it is not fair to talk about him and be morbid or sad because he was not that kind of an individual. He would probably just give me holy heck if I got up here and tried to talk about him in that frame of reference. In fact, a memorial that is scheduled for this Saturday at The Evergreen State College is not called a memorial, it's called a Potluck Celebration. It's for Willi and for Janey Diepenbroch and it will be this Saturday at noon in the library at The Evergreen State College. It's called a celebration because that's the way Willi lived his life and the way he would want us to remember him.

"I think we should also bear in mind that there are still twenty people up there on the mountain and there are also still the bodies to be recovered of Willi and Janey. I think we should all kind of bear that in mind as we contemplate the great achievements of Willi Unsoeld. I think if we had all known Willi as I had gotten to know Willi—and I only wish I'd known him better—that if Willi had had the opportunity to pick the time and place of his death he would have picked it in the manner in which he went. I'm sure he would have picked it at another period in his life, but of course, none of us, or very few of us, have that opportunity. He went out with the kind of life that he led, living it to the fullest, and that's how I'm going to remember him. I hope you will support this resolution."

Mr. Oliver: "On behalf of the House Constitution Committee, and all of us who have gotten to know the Unsoeld family, it's truly a great loss. Not only was this man a tremendous individual but it's exemplified throughout the members of his family. We will gravely miss him for the mark that he left in this life and the example that he set for his family as is so typified throughout that entire household. We will gravely miss this man."

Mr. Charnley: "As one who has had the honor of knowing Willi a little bit, a gentleman who would run circles around me in the handball court and yet to whom I never felt like I had lost, I would point out to you, as a philosopher once commented, that when a person's physical life ceases on this earth, he really doesn't leave us because what was good and strong about that person continues to everybody who was fortunate enough to have been touched by that person. Willi, you really haven't left us, you have touched so many and what you have left each of us will not only continue through us but we will pass it on. It will always be with us."

On motion of Ms. Hurley, the remarks made concerning Willi Unsoeld were ordered printed in the Journal and transmitted to his family.

The resolution was adopted.

On motion of Mr. King, the House adjourned until 10:00 a.m., Wednesday, March 7, 1979.

MOTION

On motion of Mr. Newhouse, the House refused to concur in the Senate amendments to House Bill No. 18, and asked the Senate to recede therefrom.

SENATE AMENDMENT TO HOUSE BILL

March 2, 1979

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 25 with the following amendment:

On page 1, line 11 after "situated))" strike the remainder of the act and insert "when such person is upon the property of the owner with the express or implied consent of the owner: PROVIDED, That said consent shall not be presumed when the property of the owner is fenced or reasonably posted." and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Knowles moved that the House do concur in the Senate amendment to House Bill No. 25.

Mr. Knowles spoke in favor of the motion.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Knowles, does this new language mean that unless the person has the yard fenced or unless they put up a lot of signs—I don't know what they mean when

they say, 'recently posted. I guess that's 'no trespassing signs,' or 'beware of dog' signs—unless you have some kind of signs you are liable in case your dog bites someone on your property even though they weren't supposed to be there?"

Mr. Knowles: "I think all the sign portion of the amendment has to do with it is to go with that implied or expressed consent. It will create a presumption that expressed or implied consent was not given, if it's properly fenced or recently posted. We heard a lot of testimony from people who had posted their property and then people tore it down, so I think this really takes care of all the concerns."

Representatives Tilly and Eberle spoke against the amendment.

ROLL CALL

The Clerk called the roll on the motion that the House do concur in the Senate amendment to House Bill No. 25, and the motion was carried by the following vote: Yeas, 52; nays, 45; not voting, 1.

House Bill No. 25 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Mr. Martinis moved that the rules be suspended to allow the House to immediately consider Substitute Senate Bill No. 2252.

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, my point of order is that the bill is still in Rules Committee and is not on our calendar and therefore we cannot, by this motion, immediately consider it."

MOTION

Mr. Martinis moved that the rules be suspended and the Rules Committee be relieved of Substitute Senate Bill No. 2252, and that the bill be placed on third reading for immediate consideration.

Mr. Martinis spoke in favor of the motion.

ADMONITION BY SPEAKER BERENTSON

Speaker Berentson: "Representative Martinis, you're not being very brief."

Mr. Polk spoke in favor of the motion.

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, I do not believe that withdrawing a bill from committee is a suspension of the rules. Therefore, at this point I think we would have to determine what vote is necessary for this."

SPEAKER BERENTSON'S RULING

Speaker Berentson: "The rules do state that you can only remove a bill from committee when you are on that order of business, therefore, a suspension would be necessary."

POINT OF ORDER

Mr. Bender: "Do I have the right to ask a question on the subject right now?"

SPEAKER BERENTSON'S RULING

Speaker Berentson: "I would rule that we have heard one speaker on both sides of the issue and that should be sufficient on a motion of this nature."

Mr. Bender: "So you are saying I don't have that right?"

Speaker Berentson: "Representative Bender, you may put your question."

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Bender.

Mr. Bender: "Representative Martinis, I think it's very important for the people of the state of Washington to know why we are in this predicament. Would you please answer that?"

Mr. Martinis: "Well, really we are in this predicament because a certain member on the other side of the aisle was trying to hold this bill hostage—"

POINT OF ORDER

Mr. Polk: "It's also within the House rules that you are not to speak about other members of the House, impugn their motives, or anything else. Mr. Speaker, we do have a House rule about speaking only once after the fiftieth day, and in the last couple of days many members have tried to circumvent that rule by this question and answer procedure. I think if the members want to have that rule then we ought to abide by that rule and not try to avoid it with some questionable parliamentary procedure."

Speaker Berentson stated the question before the House to be the motion by Representative Martinis that the rules be suspended, the Rules Committee be relieved of Substitute Senate Bill No. 2252, and the bill be placed on third reading for immediate consideration.

The motion was carried.

SUBSTITUTE SENATE BILL NO. 2252, by Committee on Transportation (originally sponsored by Senators Henry, Walgren and von Reichbauer—by Governor Ray's request):

Voting yeas: Representatives Adams, Addison, Bagnariol, Barr, Bauer, Becker, Bender, Berentson, Brekke, Brown, Burns, Chandler, Charnley, Clayton, Craswell, Dawson, Deccio, Douthwaite, Dunlap, Eberle, Ehlers, Eng, Erak, Erickson, Fancher, Fuller, Gallagher, Galloway, Garrett, Greengo, Grimm, Gruger, Haley, Hastings, Heck, Houchen, Hughes, Hurley, Isaacson, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, McDonald, Mitchell, Monohon, Nelson D., Nelson G. A., Newhouse, Nisbet, North, O'Brien, Oliver, Owen, Patterson, Polk, Pruitt, Rosbach, Salatino, Sanders, Schmitt, Scott, Sherman, Smith C. (6) 'Review committee' means a standing committee of the senate or the house of representatives which has been designated by the respective body for the purpose of selectively reviewing proposed and existing rules of a designated state agency or agencies.

Sec. 2. Section 3, chapter 237, Laws of 1967 as last amended by section 7, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the appropriate review committee, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the appropriate review committee, or by an association having not less than twenty-five members.

(2) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

((2)) (3) No proceeding ((shall)) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions

for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

((3)) (4) If, after the proposed rule has been published initially in the register, the agency decides to alter the initial text so that the proposed rule is substantially different from the initial text, the agency shall submit the altered text as though for initial publication, and the proposal shall again be subject to the provisions of subsections (1) and (3) of this section.

(5) No rule hereafter adopted is valid unless adopted in ((substantial)) compliance with this section, ((or, if)) unless it is an emergency rule designated as such~~((:))~~ and is adopted in ((substantial)) compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

NEW SECTION. Sec. 3. There is added to chapter 34.04 RCW a new section to read as follows:

(1) Notice of the designation of a standing committee of the legislature as a review committee for the rules of any particular agency shall be communicated by the house making such designation to the affected agency.

(2) Whenever a majority of the members of a review committee determines that a proposed rule is not within the intent of the legislature as expressed in the statute which the rule implements, the review committee shall give the affected agency written notice of its decision. Such notice shall be given at least seven days prior to any hearing scheduled for consideration of or adoption of the proposed rule pursuant to RCW 34.04.025(1)(a)(iii) as now or hereafter amended. Such notice shall include a statement of the review committee's findings and the reasons therefor, and such notice shall also be filed by the review committee with the appropriate review committee in the other house of the legislature.

Sec. 4. Section 3, chapter 234, Laws of 1959 as amended by section 8, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.030 are each amended to read as follows:

((+)) If the agency finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the agency may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The agency's finding and a ((brief)) detailed statement of the reasons for its finding shall be incorporated in the emergency rule or amendment as filed with the office of the code reviser under RCW 34.04.040 and with the appropriate review committees. An emergency rule or amendment ((shall)) may not remain in effect for longer than ninety days after filing. This section does not relieve any agency from compliance with any law requiring that its rules be approved by designated persons or bodies before they become effective.

((2)) ~~The emergency rule published in the register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon its filing with the code reviser in accordance with RCW 34.04.040(2).)~~

NEW SECTION. Sec. 5. There is added to chapter 34.04 RCW a new section to read as follows:

(1) All rules required to be filed pursuant to RCW 34.04.040, and emergency rules adopted pursuant to RCW 34.04.030 as now or hereafter amended, are subject to review by the legislature.

(2) If a review committee finds by a majority vote of its members: (a) That an existing rule is not within the intent of the legislature as expressed by the statute which the rule implements, or (b) that an emergency rule does not meet the requirements of RCW 34.04.030, as now or hereafter amended, for emergency adoption, the agency affected shall be notified of such finding and the reasons therefor. Within thirty days of the receipt of the review committee's notice the agency shall file notice of a hearing on the rule in question with the code reviser and mail notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings as provided in RCW 34.04.025, as now or hereafter amended. The agency's notice shall include the review committee's findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.

(3) The agency shall consider fully all written and oral submissions respecting whether the rule in question is within the intent of the legislature as expressed by the statute which the rule implements.

NEW SECTION. Sec. 6. There is added to chapter 34.04 RCW a new section to read as follows:

(1) Within seven days of an agency hearing held after notification of the agency by a review committee pursuant to section 3 or 5 of this 1979 act, the affected agency shall notify the review committee of its action regarding a proposed or existing rule that the committee found not within the intent of the legislature. If the review committee determines that the agency has failed to provide for the required hearings or notice of its action to the review committee, the committee may file notice of its objections, together with a concise statement of the reasons therefor, with the code reviser within thirty days of such determination.

(2) If the review committee finds, by a majority vote of its members, that the proposed or existing rule in question has not been modified, amended, withdrawn, or repealed by the agency so as to conform with the intent of the legislature, the review committee may, within thirty days from notification by the agency of its action, file with the code reviser notice of its objection together with a concise statement of the reasons therefor. Such notice and statement shall also be provided to the agency by the review committee.

(3) The code reviser shall publish the review committee's notice of objection and statement of the reasons therefor issued pursuant to subsection (1) or (2) of this section in the Washington state register and shall publish in the next supplement and compilation of the Washington Administrative Code a reference to the committee's objection and to the issue of the Washington state register in which the full text thereof appears.

(4) Such notice shall be removed from a rule published in the Washington Administrative Code if a subsequent adjudicatory proceeding determines that the rule is within the intent of the legislature.

(5) In any legal proceeding challenging the validity of a rule for which a review committee notice of objection has been published in the Washington state register the burden of proof shall be on the agency to establish that the rule is within the intent of the legislature.

(6) The legislature may, by concurrent resolution, annul any agency rule. In such concurrent resolution the legislature shall state its objections to the rule. The annulment shall be effective upon the concurrent resolution being filed with the code reviser.

POINT OF INQUIRY

Mr. Ehlers: "Representative Van Dyken, I became very interested in the map you distributed on the back of your amendment. Up in Whatcom County I notice there is a large area which is in black, which I presume to be areas that fit this amendment. Is that correct?"

Mr. Van Dyken: "It is designed to be so. This map was received from the United States Soil Conservation Service in Spokane, indicating the prime soils in the state."

Mr. Ehlers: "Would it be then, by your amendment, that no housing, construction or rent subsidy could be granted in these areas that are in black?"

Mr. Van Dyken: "To the extent that this is a correct graphic portrayal of the prime lands, yes"

Mr. Ehlers: "Your amendment speaks to what may be allocated to new construction; it does not speak to the rental subsidy program. Could this be construed also to include any rent subsidy program either now in effect or in the future?"

Mr. Van Dyken: "Representative Ehlers, the amendment says, 'new construction of residential units.' A person, I presume, would be taking a loan to purchase a piece of newly constructed property and that is where the amendment would apply."

MESSAGE FROM THE GOVERNOR

March 1, 1979

TO THE HONORABLE,
 SENATE AND HOUSE OF REPRESENTATIVES
 OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

In compliance with the provisions of Section II of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve,

commutation, or pardon which has been granted since the adjournment of the First Extraordinary Session of the Forty-fifth Regular Session of the Legislature. The following order was signed by me on April 25, 1978.

**ORDER RELEASING HEINZ JAGER
TO THE CUSTODY OF THE SWISS GOVERNMENT
FOR COMPLETION OF SENTENCE**

Whereas, Heinz Jager is a Swiss National who was sentenced on January 7, 1977 to life imprisonment following his conviction for First Degree Murder in King County Superior Court and such sentence carries a mandatory imprisonment of twenty consecutive years less earned good time (for a total period of incarceration of thirteen years and four months) and may not be released until paroled by the Washington State Board of Prison Terms and Paroles; and

Mr. Jager suffers from a severe mental illness for which there are inadequate treatment facilities at the Washington State Penitentiary at Walla Walla, Washington, where Mr. Jager is currently incarcerated; and

Psychiatrists and mental health professionals at the penitentiary have concluded that Mr. Jager should be released to the Swiss authorities, who are willing and able to treat his mental illnesses and ensure the public's safety by continuing Mr. Jager's confinement; and

The United States Department of Justice, Immigration and Naturalization Service, has entered an order deporting Mr. Jager to Switzerland, which is to take effect upon his release from Washington custody; and

Based on the foregoing, it would appear to be in the best interests of the State of Washington and of the defendant, Heinz Jager, that he be released from the custody of the State of Washington and deported to Switzerland, there to finish serving the life sentence imposed upon him by this state, and not be released from custody prior to the mandatory stipulation of his life sentence, which will be completed on May 6, 1990 if his good time credits are certified.

On April 25, 1978, by virtue of the authority vested in me by the laws of the State of Washington, I do hereby order that Heinz Jager be released to the appropriate United States Government authorities, as soon as reasonably possible, for his deportation to Switzerland, on condition that the Swiss Government requires him to complete the life sentence, with its twenty year mandatory minimum thirteen years and four months counting good time, not before May 6, 1990, as imposed by the State of Washington, subject to the following condition that if Mr. Jager ever returns to the State of Washington he shall immediately be subject to confinement for completion of the judgment and sentence imposed upon him.

The foregoing report is respectfully submitted this first day of March, 1979.

DIXY LEE RAY, Governor.

POINT OF PERSONAL PRIVILEGE

Ms. Sommers: "I've had a book on my desk for the past week, and that vote was so fast I didn't get to quote from this. I thought I'd like to give the body a little better perspective. This is called 'A Distant Mural.' It's a book by Barbara Tuckna. There's a section in here about the House of Commons in England working on some reforms and being very successful. One of the things they were demanding of the King was that the King have annual meetings of Parliament. That was in 1376. Some ideas take a long time, and I hope this one has come."

MESSAGE FROM SECRETARY OF STATE

March 21, 1979

THE HONORABLES,
THE SPEAKERS OF THE HOUSE OF REPRESENTATIVES
THE LEGISLATURE OF THE STATE OF WASHINGTON

Messrs. Speakers:

I, Bruce K. Chapman, Secretary of State of the state of Washington and custodian of the official seal of the State, do hereby certify that I have compared the attached copy of the proclamation of the Governor calling an extraordinary session of the Legislature of the state of Washington to convene on the 21st day of March, 1979, with the original of said proclamation now on file in this office and find the same to be a full, true and correct copy of said original, and the whole thereof, together with all official endorsements thereon.

IN TESTIMONY THEREOF, I have set my hand and affixed the seal of the state of Washington. Done at the Capitol at Olympia on the 21st day of March, 1979.

BRUCE K. CHAPMAN, Secretary of State

PROCLAMATION BY THE GOVERNOR

The regular session of the 1979 Legislature adjourned *sine die* March 8, 1979, pursuant to the mandate of Article II, Section 12 of the Washington State Constitution.

Although the members of the 46th Legislature endeavored to address, and did consider, many important issues in the regular 60-day session, the main concerns of the biennial budget for Fiscal Years 1979-81 remain to be addressed. Accompanying bond bills needed to finance many agencies and programs have yet to be acted upon. Executive and departmental request bills together with other important legislation need attention.

Much of this legislation has already received considerable committee action and study and thus a special session need not be a lengthy one. Accordingly, as I publicly announced March 9, 1979, a special session will be necessary to complete the needed business of the state.

NOW, THEREFORE, I, Dixy Lee Ray, Governor of the State of Washington, by virtue of the authority vested in me by the Constitution, do hereby convene the Legislature of the State of Washington in extraordinary session in the Capitol at Olympia on the twenty-first day of March, A.D., 1979, at the hour of ten o'clock a.m. for the purposes stated herein.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the State of Washington to be affixed at Olympia, this twenty-first day of March, A.D., Nineteen Hundred and Seventy-nine.

(Seal of State of Washington)

Dixy Lee Ray,
GOVERNOR

COMMITTEE FROM SENATE

A special committee from the Senate appeared at the bar of the House and announced the Senate was in session and ready for business.

The report was received and the committee retired.

RESOLUTION

HOUSE RESOLUTION NO. 79-26, by Representatives Polk and King:

BE IT RESOLVED, That the Speakers appoint a committee of four members of the House to notify the Senate that the House of Representatives is now organized and ready for business.

On motion of Mr. Polk, the resolution was adopted.

APPOINTMENT OF COMMITTEE

MOTIONS

On motion of Mr. Polk, the rules were suspended, the second reading considered the third, and Senate Concurrent Resolution No. 115 was placed on final passage.

APPOINTMENT OF COMMITTEE

In accordance with Senate Concurrent Resolution No. 115, Speaker Berentson appointed Representatives Dunlap, Brekke, Erak and Tilly to notify the Governor, along with a committee from the Senate, that the Legislature was now in session.

MESSAGE FROM GOVERNOR

March 21, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

Since the end of the regular session of the 46th Legislature on March 8, I have reviewed the resulting legislation and evaluated the items that need further attention. As promised, I have prepared a list of several bills and issues that require action and are essential to our citizens.

BUDGETS

The two most important bills before you are the Capital Budget (HB 235) and the Operating Budget (HB 236) for the next biennium. Much excellent legislative work has already been done on these complex measures, especially within the House Appropriations Committee and the Senate Ways and Means Committee. These careful reviews will, in general, confirm my recommendations for the appropriate level of services to be provided within available resources for state government programs in the coming biennium; I am confident that final budget determinations are near at hand.

A most important budgetary issue to be resolved during the special session is the state's policy toward full funding of basic education. Once again, I ask your support for my position that 100 percent funding is not only possible but necessary, in the first year of the biennium.

This will meet both the mandate of the court and deliver on our promise to provide tax relief to the property owner.

BOND AUTHORIZATIONS

Also, before you are a number of bills sponsored at my request seeking bond authorizations for various capital improvements. They include funds for such projects as: A new 500-bed medium security adult corrections facility; construction of two group homes and improvements at Rainier School and Lakeland Village; expansion of municipal, industrial and agricultural water supply facilities; renovations of state-owned buildings to provide handicapped access in compliance with federal mandates; salmon hatchery improvements; outdoor recreation improvements; badly needed office space for the Olympia Capital Campus; repairs and improvements of several facilities for higher education, including health and safety improvements at the community colleges and expansions for vocational training programs at five campuses; a training center to serve the statewide needs of our volunteer firemen; and initial funding for the renovation and construction of local jails to meet minimum jail standards. All these requests are essential for the continuation of current programs and services to meet the needs of our growing population.

SENIOR CITIZENS

The quality of life of our senior citizens continues to be an extremely important concern. The legislature is to be commended for its accomplishments in this area during the regular session. There remain, however, three of my proposals that need your priority attention in the special session. These are:

The Senior Citizens Service Act (SB 2237, HB 491)

A reenactment of the Senior Citizen's Service Act, which provides an appropriation of \$13.6 million, should be the cornerstone of our efforts to serve the needs of our growing population of retired persons and to assure an acceptable level of quality in their lives. Reenactment of this legislation will enable us to continue the fine programs that were begun when the Federal Act was first passed in 1976.

Property Tax Exemption (SB 2374, HB 651)

Inflationary pressures on the costs of housing result in increasing property taxes that must be paid directly or indirectly (rents) by our citizens. These increases are especially burdensome to the elderly and others on fixed incomes. This bill is essential to provide the necessary property tax relief to the elderly to help enable them to stay in their homes if they are physically able to do so.

Pension Systems Adjustments (SHB 500, SSB 2240)

Increases in the costs of living have a serious impact on persons on fixed incomes. These bills provide cost of living increases to state employees in those state retirement systems that have lagged in such adjustments.

LOW INCOME CITIZENS

Inflationary pressure on the costs of housing adversely affects not only the retired, but all persons on limited or fixed incomes. To improve this situation for low income citizens, two proposals are before you:

Property Tax Relief (SJR 113, HJR 18)

An amendment to the State's Constitution is needed to provide property tax relief to low income home owners who are not retired. This question must be placed before the voters in the next general election. I urge your passage of this executive request legislation.

Housing Finance Commission (HB 20)

To assist low to moderate income persons to acquire suitable housing, I have proposed the establishment of a Housing Finance Commission. The Commission would be authorized to issue tax free revenue bonds and pass the interest rate savings along to qualified buyers in the form of reduced interest rate mortgages. The right to adequate housing for all our citizens is a proper concern of the state. Let us step up to our responsibilities in this area with the passage of HB 20.

HEALTH

Your special consideration is requested in two areas that will significantly improve the health of our citizens:

Immunization of Children (HB 502, SB 2241)

In recent weeks, there has been an outbreak of measles in an area of King County; outbreaks previously have been reported in Pierce and other counties. It is clear that such outbreaks are preventable if an immunization program is established. Please bring out this bill this session; we owe it to the children, our state's future generation.

Nursing Homes

Maintaining the quality of medical and supportive care provided by nursing homes should be a fundamental element in our program of support for the elderly, the sick and the infirm. I was pleased to receive the bill dealing with certification of nursing assistants that you passed during the regular session. Remaining is a package of bills that I feel need to be resolved in the weeks ahead; the bills concern cost reimbursement, resident care standards, medical care fraud, and patient abuse.

GOVERNMENT

There are numerous issues discussed to date that concern the act and administration of governing. Of those, there are six areas which are of special importance:

The State Energy Office

Numerous audits and studies have shown the present shortcomings of the existing State Energy Office. All agree that it has suffered from weak management and unclear objectives. The need now is not to belabor what has passed, but to correct the weaknesses and prepare for an uncertain energy future. The functions of this office should be preserved and strengthened. I urge you, therefore, to continue to evaluate the need to find a proper organizational home for this office and to consider all alternatives. Whatever the final resolution, I further ask that the administration be provided adequate time, at least in the coming biennium, to make it successful. Constant meddling with the structure or mandates of this office within that time could only frustrate our efforts to strengthen its management and its performance.

Occupational Regulation (SHB 315)

The function of regulating certain occupations is basic to consumer protection in this state. But that power should be exercised in a manner that both protects the public interest and holds down the costs which ultimately pass to the consumer and taxpayer. By adopting a specific analytical review process prior to adding more regulation or licensing of an occupation, we can meet that objective. Your passage of SHB 315 will help assure that the legitimate needs of the consumer are protected rather than limiting entry and constraining competition among private service providers.

State Debt Limitations (SB 2176, HB 501)

One means of promoting fiscal responsibility by the state is to place a limit on the amount of debt service that may be obligated. These measures, which limit the total debt service to seven percent of the mean of general state revenue of the three preceding years, are responsive to the growing demands for limitations on state expenditures. This limitation will maintain and improve the state's bond rating in order to lower interest payments on future state debt.

Personnel Appeals Board

As I stated in the "Report On My Second Year In Office," I believe that creation of a Personnel Appeals Board is necessary for the efficient, consistent, and equitable review of appeals from certain personnel actions. The dual responsibilities of the present Personnel Board makes timely action on appeals cases very difficult, and I urge you to give creation of an Appeals Board special emphasis.

Governmental Liability Limitations (HB 493, SB 2246)

It has become increasingly apparent that there needs to be reform of our laws dealing with liability for certain tortious actions; an indication of this need is the number of bills that have been introduced concerning various aspects of both tort and product liability. As you review these matters and strive towards a doctrine that is reasonable and equitable, bear in mind the inequitable situation in which state and local governments have found themselves recently. A situation exists whereby a governmental unit found responsible for a minute portion of the fault or the damages may be required to pay one hundred percent of the compensation. We continue to seek, for all governmental units, a reasonable limitation on their liability in three areas: Highway design, licensing, and inspections. This is a matter of great importance to all governmental entities in the state and, therefore, to all taxpayers.

Growth Management

As our state continues to grow and develop, the myriad issues related to management of that growth at local levels becomes more important. Thus, as you deal with legislation affecting local governments and their ability to manage and function in a changing environment, I encourage you to bear in mind the observations and recommendations contained in the Report of the Executive Working Group on Growth Management. We must recognize the substantial impact our state's rapid growth is having and assure that all governmental entities have the authority and resources adequately to deal with it. To that end, this administration submitted HB 1119 to give the county governments such authority if they should choose to use it.

The final area that I wish to address is criminal justice. You are to be commended on the efforts and accomplishments made regarding juvenile justice during the regular session. Your passage of SSB 2768, which embodied several earlier bills, will result in more equitable handling of juveniles and improve administration of the Juvenile Justice Act of 1977.

LEGISLATIVE SESSION

In conclusion, I would like to express my gratitude that you have passed SJR 110, which will allow the voters of this state to decide whether regular annual sessions of the legislature are needed and appropriate. I am also confident that during this special session of the 46th Legislature, you can complete your work for 1979 in an efficient and expeditious manner.

Sincerely,
DIXY LEE RAY, Governor.

Mr. Taller: "You amended my amendment to delete \$4 million from the Liquor Control Board relating to point of sales activities. Then my amendment added \$162,000 to the Liquor Control Board for the purpose of additional enforcement people, so we have a plus and a minus: A deletion of \$4 million and an offsetting addition of \$162,000 for the purpose I mentioned."

POINT OF INQUIRY

Mr. Keller: "Representative Taller, I haven't had the chance to talk to you personally, but rumors are rampant, and based on the rumor mill, it's my understanding that the intention of

POINT OF INQUIRY

Mr. Taller yielded to question by Mr. Lux.

Mr. Lux: "Representative Taller, how many other states in the union do this and how many other types of businesses use this type of practice?"

Mr. Taller: "I don't know how many other states, but it is a common practice among businesses to have reduced percentages for absolute dollar figures as part of their computation

practices. This is not unusual. Having worked in the personnel area, I am aware of absolute dollar figures that are given to certain categories of employees."

Mr. Lux: "Does Boeing function this way?"

Mr. Taller: "Boeing has given absolute dollar figures out to certain categories of employees in the past so this is nothing new."

Mr. Lux: "But at the state level you don't have this information?"

Mr. Taller: "I did not research it from that point of view."

Mr. Taller spoke again in favor of the amendment to the amendment.

Representatives Thompson and Douthwaite spoke in favor of the amendment, and Mr. Taller spoke against it.

Mr. King demanded an oral roll call vote, and the demand was sustained.

POINT OF INQUIRY

Mr. Blair yielded to question by Ms. Hurley.

Ms. Hurley: "Representative Blair, your survey saves about \$22.6 million over Representative Thompson's survey, and I've heard it said—not from you, just a rumor—that your proposal does implement the salary survey and I wanted to hear it from you. Does this proposal implement the salary survey?"

Mr. Blair: "Representative Hurley, there is only one survey and it is the same one that is included in all of the proposals. We have a variety of proposals and all of them are based on the same survey by the Department of Personnel and the Higher Education Personnel Board. The results of the survey in all cases is that there is a required 6.4 percent catch-up factor to be implemented in order to bring employees up to the level of the survey. There is, beyond that, a recommendation from the Personnel Board to implement additional increases that are not in themselves a part of the survey, but are what the Board refers to as 'keep-up' recommendations. They don't have the same weight of scientific development that the survey itself does. They are, in effect, a gift, a recommendation by the Board. The basic survey is 6.4 percent for all of those employees who are covered by Department of Personnel and 9% for all of those who are covered by the Higher Education Personnel Board."

Ms. Hurley: "The keep-up was not a direct part of the salary survey itself, that's just something that has been added in for a certain purpose?"

Mr. Blair: "There is nothing in statute that directs that the Legislature will implement a keep-up. We do have, I think, both a statutory and a moral obligation to implement the catch-up."

Ms. Hurley: "And to implement a keep-up also?"

Mr. Blair: "I think every single proposal before us accomplishes that purpose."

POINT OF INQUIRY

Mr. Thompson yielded to question by Ms. Hurley.

Ms. Hurley: "Is there some obligation on the part of all of us? I'm still wavering. What I want to know is what obligation is there that I could accede to implement the keep-up portion of the proposal?"

Mr. Thompson: "Representative Hurley, the way to save money is to not pay for salary increases for state employees. I think we also have an obligation, and I think Representative Blair spoke to that obligation, to provide for what's generally called keep-up, which simply means an acknowledgement of the effect of inflation. The plan that I'm presenting to you provides for a very minimal amount of keep-up—six percent. I don't know of anyone who is projecting inflation through this period who would feel that would exceed inflation. It won't, in fact, come close to it. So this is extremely conservative, niggardly; nevertheless, that's all we're proposing. The difference in cost between the two plans is simply representing the fact that the amendment before you proposes a greater amount of keep-up, more money toward the cost of living effect on state salaries."

Ms. Hurley: "The economists say that we are going to have a recession. We're funding on continued inflation. What happens if there's a recession?"

Mr. Thompson: "If there's a recession, I think the Legislature and the Executive would be called upon to curtail services of government, but people still have to make a living and I would hope we would not deprive them of moneys that would be necessary for that purpose, but rather, we would limit and eliminate some state programs if we have that kind of recessionary condition."

Representatives Ehlers and May spoke in favor of the Thompson amendment, and Mr. Dunlap spoke against it.

The House resumed consideration of the bill on second reading.

On motion of Mr. Thompson, the following amendments by Representatives Thompson and Blair were adopted:

On page 13, section 39, line 18 strike "\$11,364,000" and insert "\$10,951,000"

On page 13, section 39, line 25 strike subsection (2) and insert:

"(2) Not more than \$1,174,000 of this appropriation shall be expended to develop a common payroll/personnel system for higher education: PROVIDED, That the four-year institutions and the community college system: a) establish a common core of data elements, and; b) adopt procedures to maintain commonality of the system that are acceptable to the office of financial management, the house appropriations committee, the senate ways and means committee, the higher education personnel board, and the council for postsecondary education: PROVIDED FURTHER, That the establishment of the common core of data elements does not preclude the introduction of additional data elements at individual institutions."

Mr. Taller moved adoption of the following amendment by Representatives Taller and Douthwaite:

On page 13, section 39, line 32 insert:

"(6) The office of financial management shall institute procedures to abolish positions identified by the department of personnel through the retirement/vacancy program, and shall cause to be reverted the salaries and fringe benefits associated with the abolishment or reclassification of such positions."

Representatives Taller and Douthwaite spoke in favor of the amendment, and it was adopted.

Mr. Blair moved adoption of the following amendment by Representatives Blair and Zimmerman:

On page 13, section 39, line 33 add a new subsection (6) to read as follows:

"(6) Of the law and justice federal funds included for distribution to state agencies, there shall be made available to the Attorney General's Office for the Crime Watch Program \$369,310."

Mr. Zimmerman spoke in favor of the amendment, and Mr. Keller spoke against it.

Mr. Zimmerman spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Warnke.

Mr. Warnke: "Representative Zimmerman, would you describe the Crime Watch Program for me?"

Mr. Zimmerman: "The Crime Watch Program through the Attorney General's Office to local agencies, police, sheriff and neighborhood groups to get their neighborhoods together, and to provide them with the essential information for putting placards on their doors, with a system of marking their television sets and their other valuables so that if someone does break in they have a system of recovering them. It is primarily an emphasis on organizing, through local people and neighborhood groups and is a means of working with other individuals in the neighborhoods to establish the fact that we must look out for each other. It's doing those things we probably should and could do if we were all so motivated. I have seen how the Watch works in our county and in our neighborhood and I feel that this is an emphasis on the part of the police to get people involved in their own neighborhoods to do that which they need to do. It is a program that runs totally for the biennium at about \$369,000, so it's not a huge program."

Representatives Pruitt and Smith (R) spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Keller yielded to question by Mr. Smith (R).

Mr. Smith (R): "Representative Keller, if this amendment was not adopted what would be the status of this funding to the local communities for Crime Watch?"

Mr. Keller: "Representative Smith, let me again reiterate: My opposition is not to the Crime Watch Program, but to the procedures we are establishing here. It is my understanding that the LEAA Committee, in all probability, will provide funds for the Crime Watch Program. My opposition is to line-item this in the budget as a specific; it gives no latitude to the LEAA funding."

The amendment was adopted.

On motion of Mr. Kreidler, the following amendment was adopted:
On page 16, section 41, line 10 after "worth" strike "of the salaries"

Mr. Kreidler moved adoption of the following amendment:

On page 16, section 41, line 12 following "evaluation" insert "and a recommendation for a phased-in implementation plan"

Mr. Kreidler spoke in favor of the amendment, and Mr. Taller spoke against it.

Mr. Kreidler spoke again in favor of the amendment, and Mr. Polk spoke against it.

Mr. King demanded an electric roll call and the demand was sustained.

Ms. Sommers spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Kreidler yielded to question by Ms. Teutsch.

Ms. Teutsch: "In looking at this amendment, it would appear that it would expand the scope of the program. I'm wondering if the \$50,000 would be enough money?"

Mr. Kreidler: "I'm certain that there would be sufficient money. We're talking about expanding a program that was already started several years ago. It has been partly completed and this is going to help complete that study to come up with additional information to complete an analysis of comparable work. There will be ample funds there for this purpose."

Mr. Polk spoke again in opposition to the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Kreidler and Keller to page 16 of Substitute House Bill No. 236, and the amendment was adopted by the following vote: Yeas, 51; nays, 46; not voting, 1.

Voting yea: Representatives Adams, Bagnariol, Bauer, Becker, Bender, Brekke, Brown, Burns, Charnley, Douthwaite, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hughes, Hurley, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Salatino, Scott, Sherman, Smith R., Sommers, Teutsch, Thompson, Valle, Vrooman, Walk, Warnke, Winsley.

Voting nay: Representatives Addison, Amen, Barnes, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Fancher, Flanagan, Fuller, Greengo, Haley, Hastings, Houchen, Isaacson, McDonald, McGinnis, Mitchell, Nelson G. A., Newhouse, Nisbet, Oliver, Patterson, Polk, Rohrbach, Rosbach, Sanders, Schmitt, Smith C. P., Sprague, Struthers, Taller, Taylor, Tilly, Tupper, Van Dyken, Whiteside, Williams, Wilson, Zimmerman.

Not voting: Representative Barr.

Mr. Douthwaite moved adoption of the following amendments by Representatives Douthwaite and Rohrbach:

On page 18, line 21, section 51, strike "\$23,915,000" and insert "\$24,175,000"

On page 19, section 52, following subsection (4) add a new subsection as follows:

"(5) For the office of risk management not more than \$260,000 for insurance to protect the state for all tort claims based on negligence of an amount greater than ten million dollars and less than one hundred million dollars."

Renumber the remaining subsection consecutively.

Representatives Douthwaite and Rohrbach spoke in favor of the amendments.

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Nisbet.

Mr. Nisbet: "Was this matter discussed in your subcommittee?"

Mr. Douthwaite: "No, it was not. I was not the one involved in this. Perhaps the question should be answered by Representative Keller."

Mr. Keller: "No, the subcommittee did not discuss this and it is my understanding that this was an item that was overlooked in their presentation and was brought to us later."

Mr. Nisbet: "Do you feel the committee would have concurred?"

Mr. Keller: "Yes, I think the committee probably would have."

The amendments were adopted.

Mr. Nelson (D) moved adoption of the following amendment by Representatives Nelson (D) and Douthwaite:

On page 19, section 51, after line 19 insert the following subsection:

"(5) The Department of General Administration when feasible shall lease or rent available real estate from any governmental unit, including but not limited to school districts, before leasing or renting the real estate from private persons."

Mr. Nelson (D) spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Nelson (D) yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Nelson, if a department of state government needs some space and there's space available in a public building and that's leased for a period of five years, and down the road whoever had the space decides they need that space, then what happens?"

Mr. Nelson (D): "I think the answer to that, Representative Deccio, is that the lease agreement would take into account the time the agencies would need to use that space. The key word is 'feasible.' If it isn't feasible, if there isn't enough time to meet the needs of the agency requiring the space, or the agency that's giving it up for a period of time, then there wouldn't be an agreement."

Representatives Douthwaite and Nelson (D) spoke in favor of the amendment, and Representatives Newhouse and Dunlap spoke against it.

Mr. Nelson (D) spoke again in favor of the amendment.

POINT OF ORDER

Mr. Polk: "This is Representative Nelson's third speech."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "In accordance with House Rule 49, a member can speak twice on the same subject without leave of the House and the Chairman or Chairwoman may close debate."

Representatives Nelson (D) and Douthwaite spoke again in favor of the amendment, and Representatives Newhouse and Isaacson spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Nelson (D) and Douthwaite to page 19 of Substitute House Bill No. 236, and the amendment was adopted by the following vote: Yeas, 58; nays, 38; not voting, 2.

Voting yea: Representatives Adams, Bagnariol, Bauer, Becker, Bender, Brekke, Brown, Burns, Chandler, Charnley, Douthwaite, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Greengo, Grimm, Gruger, Heck, Hughes, Hurley, Isaacson, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Patterson, Pruitt, Salatino, Scott, Sherman, Smith R., Sommers, Taller, Taylor, Thompson, Tupper, Valle, Vrooman, Walk, Warnke, Wilson, Winsley.

Voting nay: Representatives Addison, Amen, Barnes, Berentson, Blair, Bond, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Fancher, Flanagan, Fuller, Haley, Hastings, Houchen, McDonald, McGinnis, Mitchell, Nelson G. A., Newhouse, Nisbet, Oliver, Polk, Rohrbach, Rosbach, Sanders, Schmitt, Smith C. P., Sprague, Struthers, Teutsch, Tilly, Whiteside, Williams, Zimmerman.

Not voting: Representatives Barr, Van Dyken.

On motion of Mr. Keller, the following amendments by Representatives Keller and Zimmerman were adopted:

On page 20, section 53, line 4 strike "\$3,500,000" and insert "\$3,556,000"

On page 20, section 53, line 5 strike "\$10,069,000" and insert "\$10,013,000"

MOTION

On motion of Mr. King, the House recessed until 1:00 p.m.

AFTERNOON SESSION

The House was called to order at 1:00 p.m. by the Speaker (Mr. O'Brien presiding). The Clerk called the roll and all members were present.

The House resumed consideration of Substitute House Bill No. 236 on second reading.

Mr. Nelson (D) moved adoption of the following amendment by Representatives Nelson (D) and Mitchell:

On page 21, section 57, after line 20 insert the following:

"The appropriation contained in this section shall be subject to the following condition or limitation: The board shall provide a written report to the house institutions and senate social and health services committees by January 1, 1980 indicating how its guidelines for fixing minimum terms and for reconsidering the length of an individual's confinement may be adjusted to reduce institutional population levels to those existing prior to the implementation of the guidelines and thereby reducing costs associated with overcrowding and institutional population growth without additional risk to public safety."

Representatives Nelson (D), Hughes and Becker spoke in favor of the amendment, and Representatives Struthers and Deccio spoke against it.

POINT OF INQUIRY

Mr. Nelson (D) yielded to question by Mr. King.

Mr. King: "The amendment includes the language calling for a reduction of costs, associates with overcrowding and institutional population growth without risk to the public safety. Is that language included in there intended as a policy statement on the part of the Legislature or is it a method of asking for information which would allow us to achieve those goals?"

Mr. Nelson (D): "It is definitely only a method of asking for information. We're only asking for a report; we are not setting policy. We're not asking the Parole Board to change its policy. If you read carefully, it simply asks for a report which would indicate how the Parole Board might change their guidelines to reduce the population, either partially or totally, back to where it was prior to the implementation of those guidelines—and this is the important part—without risking public safety. That is crucial in setting sentences and for finding out how long people stay in our prison systems. I believe the Parole Board has the responsibility to set prison sentences for that purpose. We're asking the Parole Board, in effect, to take a look at its guidelines and justify those guidelines. I think that it is simply that kind of request. If you will look at the budget document you will find that it is replete with those kinds of provisos. Plans have to be presented; reports have to be made by certain dates, because they are very important in tying down how money is spent by state agencies."

Mr. Keller spoke against the amendment, and Mr. Owen spoke in favor of it.

Mr. Newhouse demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (D) to page 21 of Substitute House Bill No. 236, and the amendment was not adopted by the following vote: Yeas, 24; nays, 74; not voting, 0.

Voting yea: Representatives Becker, Brekke, Brown, Burns, Douthwaite, Eng, Galloway, Granlund, Gruger, King, Lux, Maxie, Mitchell, Nelson D., O'Brien, Oliver, Owen, Pruitt, Salatino, Scott, Smith R., Sommers, Thompson, Valle.

Voting nay: Representatives Adams, Addison, Amen, Bagnariol, Barnes, Barr, Bauer, Bender, Berentson, Blair, Bond, Chandler, Charnley, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Ehlers, Erak, Erickson, Fancher, Flanagan, Fuller, Gallagher, Garrett, Greengo, Grimm, Haley, Hastings, Heck, Houchen, Hughes, Hurley, Isaacson, Jovanovich, Keller, Knowles, Kreidler, Martinis, May, McCormick, McDonald, McGinnis, Monohon, Nelson G. A., Newhouse, Nisbet, North, Patterson, Polk, Rohrbach, Rosbach, Sanders, Schmitt, Sherman, Smith C. P., Sprague, Struthers, Taller, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vrooman, Walk, Warnke, Whiteside, Williams, Wilson, Winsley, Zimmerman.

Ms. Maxie moved adoption of the following amendment by Representatives Maxie, Haley and Eng:

On page 23, section 59, following subsection (6) on line 10 add a new subsection as follows:

"(7) It is the intent of the legislature that the department shall increase the monthly trust fund maximums for residents in nursing homes, congregate care facilities, developmentally disabled group homes and foster care homes from a maximum of twenty-five dollars to thirty-two dollars and fifty cents for fiscal year 1980. Thereafter, this amount shall be adjusted annually to reflect cost-of-living increases."

Ms. Maxie spoke in favor of the amendment.

MOTION

On motion of Mr. Salatino, further consideration of the amendment was deferred.

Mr. Struthers moved adoption of the following amendment by Representatives Struthers and Owen:

On page 24, section 60, following line 3 insert a new subsection as follows:

"(7) Not more than \$30,000 shall be expended to evaluate and assess correctional philosophy and policy implementation in the state. The department shall retain three recognized correctional experts who are members of the American Corrections Association who shall examine the policy of the adult corrections program, its implementation and the adequacy of physical facilities. The purpose of such study shall be a report to the legislature and the governor assessing correctional philosophy, implementation of that policy, physical facilities and any need for change in these areas. The duration of such study shall extend not longer than seven days for physical plant inspection and not longer than ten days for evaluation and preparation, excluding printing time. Such study and report shall be completed by July 1, 1979."

Renumber remaining subsection accordingly.

Mr. Struthers spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Struthers yielded to question by Mr. Ehlers.

Mr. Ehlers: "Listening a few minutes ago when you were speaking to another amendment about why policy committee should discuss matters of this sort and whether to put provisos in the budget, I'm just curious about how this differs from that statement you made a few minutes ago regarding another amendment, in terms of why a policy committee shouldn't be examining the necessity of this?"

Mr. Struthers: "This amendment carries an appropriation and I know of no other place to put it."

Mr. Hughes spoke against the amendment, and Mr. Struthers spoke again in favor of it.

The amendment was not adopted.

The House resumed consideration of the amendment by Representatives Maxie, Haley and Eng to page 23.

Mr. Haley spoke in favor of the amendment.

POINT OF INQUIRY

Ms. Maxie yielded to question by Mr. Williams.

Mr. Williams: "Representative Maxie, is this the same subject as House Bill No. 1291, which is currently in our subcommittee on Human Resources?"

Ms. Maxie: "It's a different approach."

Mr. Hughes spoke in favor of the amendment.

Ms. Teutsch moved adoption of the following amendment to the amendment:
Strike the last sentence of the Maxie/Haley/Eng amendment.

Representatives Teutsch, Thompson and Deccio spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Fuller.

Mr. Fuller: "Representative Thompson, I'm puzzled by the effect of this amendment. It says it's going to be paid through the year 1980. Does that mean they get nothing after 1980 if we don't act immediately?"

Mr. Thompson: "I guess your reading of the amendment is correct, Representative Fuller."

Mr. Fuller spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Charnley.

Mr. Charnley: "Representative Thompson, if I understand correctly, what we are doing is that if we do adopt this amendment, we'll be giving this stipend for one year and then we will not be. I'd like to know if that's correct and I'd also like to discuss the situation as far as what we're passing on this whole thing. This is not codified in my understanding. It's in effect for two years and then it's done. If the language that's being struck stays in, there would be a one year cost-of-living increase and then that would be the end of it. Am I correct?"

Mr. Thompson: "I guess my answer would have to be affirmative for you in every respect."

MOTION

Mr. Thompson moved that further consideration of the amendment be deferred.

Mr. Blair spoke in favor of the motion.

POINT OF INQUIRY

Mr. Blair yielded to question by Mr. Thompson.

Mr. Thompson: "Were you speaking in favor of my motion, Representative Blair?"

Mr. Blair: "Yes, I certainly was."

The motion was carried.

Mr. Nelson (D) moved adoption of the following amendment:
On page 23, section 60, line 23 after "by" strike "March" and insert "January"

Mr. Nelson (D) spoke in favor of the amendment.

The amendment was not adopted.

Of this amount, not more than \$2,300,000 shall be expended to fund pilot projects for residential, transitional care, fee-for-service, services for children in the primary grades and case management programs: PROVIDED, That the department conduct an on-going evaluation of each of these projects and submit an interim report by March 1, 1980 to the legislature containing a comparative analysis of the projects, and a final report by December 1, 1980 containing specific options and recommendations for the legislature to consider during the forty-seventh session."

Representatives Valle, Charnley, Hughes, Pruitt, Nelson (D) and Smith (R) spoke in favor of the amendment, and Representatives Polk, Nisbet, McDonald and Williams spoke against it.

Mr. Polk spoke again in opposition to the amendment.

Mr. Taylor demanded the previous question and a division was called.

ROLL CALL

The Clerk called the roll on the demand for the previous question, and the demand was not sustained by the following vote: Yeas, 58; nays, 36; not voting, 4.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Becker, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Erak, Fancher, Flanagan, Fuller, Gallagher, Galloway, Greengo, Haley, Hastings, Houchen, Isaacson, Jovanovich, May, McDonald, Mitchell, Monohon, Nelson G. The House resumed consideration of the amendment to page 25 by Representatives Valle and Hughes.

Representatives Hughes and Lux spoke in favor of the amendment and Mr. Deccio spoke against it.

Ms. Valle closed debate, speaking again in favor of the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Valle and Hughes to page 25 of Substitute House Bill No. 236, and the amendment was not adopted by the following vote: Yeas, 47; nays, 49; not voting, 2.

Representatives Hurley and Bond spoke in favor of the amendment, and Representatives Struthers and Becker spoke against it.

MOTION

On motion of Mr. Warnke, further consideration of the amendment was deferred.

Mr. Ehlers moved adoption of the following amendments by Representatives Ehlers, Grimm, Walk, Erickson, Granlund, Erak, Brown, Gallagher, Dawson, Salatino, Adams, Winsley and Haley:

On page 25, section 62, after line 20 insert a new subsection as follows:

"(5) Up to 241 FTE staff years and \$3,936,000 is provided exclusively as a contingency for the mental health institutions program in the event population levels at the two state mental hospitals exceed the population levels assumed in this budget. It is the intent of the legislature that this appropriation shall not be expended or encumbered without the specific approval of the legislative budget committee."

On page 24, section 62, line 28 strike "83,348,000" and insert "83,434,000" Adjust totals accordingly.

Ms. Becker moved adoption of the following amendment by Representatives Becker and Valle to the Polk/Valle amendment:

Strike "4,243,800" and insert "\$6,394,000"

Adjust totals accordingly, and after "screening." insert: "Not more than \$2,150,000 of the amount in this subsection shall be expended on mental health consultation to schools, day treatment programs and the out-patient treatment of mentally disturbed children."

Representatives Becker, Salatino, Valle and Charnley spoke in favor of the amendment to the amendment, and Representatives Deccio, Polk and Williams spoke against it.

Mr. Dawson demanded the previous question, and the demand was sustained.

The motion was lost.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representatives Polk and Valle to page 25.

Representatives Charnley, Valle, McDonald and Nisbet spoke in favor of the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Polk and Valle to page 25 of Substitute House Bill No. 236, and the amendment was adopted by the following vote: Yeas, 98; nays, 0; not voting, 0.

Voting yea: Representatives Adams, Addison, Amen, Bagnariol, Barnes, Barr, Bauer, Becker, Bender, Berentson, Blair, Bond, Brekke, Brown, Burns, Chandler, Charnley, Clayton, Craswell, Dawson, Deccio, Douthwaite, Dunlap, Eberle, Ehlers, Eng, Erak, Erickson, Fancher, Flanagan, Fuller, Gallagher, Galloway, Garrett, Granlund, Greengo, Grimm, Gruger, Haley, Hastings, Heck, Houchen, Hughes, Hurley, Isaacson, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson D., Nelson G. The House resumed consideration of the amendment to page 23 by Representatives Maxie, Haley and Eng.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment to the amendment by Representative Teutsch.

With the consent of the House, Ms. Teutsch withdrew the amendment to the amendment.

With the consent of the House, Ms. Maxie withdrew the amendment to page 23.

Ms. Maxie moved adoption of the following amendment by Representatives Maxie, Haley, Eng and Teutsch:

On page 23, section 59, following subsection (6) on line 10 add a new subsection as follows:

"(7) It is the intent of the legislature that the department shall increase the monthly trust fund maximums for residents in nursing homes, congregate care facilities, developmentally disabled group homes and foster care homes from a maximum of twenty-five dollars to thirty-two dollars and fifty cents for the 1979-81 biennium."

Representatives Maxie and Haley spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Haley yielded to question by Mr. Nelson (D).

Mr. Nelson (D): Representative Haley, how much has been lost to the cost of living increase over the seven years since we last raised the amount?"

Mr. Haley: "It probably amounts to somewhere between five percent and ten percent per year. I don't really know the exact figure."

POINT OF INQUIRY

Ms. Maxie yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Maxie, I wonder if you could give to the body the cost of this amendment both in state and federal funds? What is the fiscal impact of this amendment?"

Ms. Maxie: "The dollar figure for this new amendment from the state general fund is \$2.2 million and the federal is \$1 million."

POINT OF INQUIRY

Ms. Maxie yielded to question by Mr. Whiteside.

Mr. Whiteside: "Representative Maxie, does the term 'foster care home' include adult foster homes otherwise known as 'adult family homes'?"

Ms. Maxie: "Representative Whiteside, I just checked with staff people in respect to that question, and it's my understanding that, no, it is not included in the sense that this family adult group home is receiving funds in a separate category. It is not included in this."

Mr. Whiteside spoke against the amendment.

POINT OF INQUIRY

Ms. Maxie yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Maxie, in your last amendment on page 29, why is it necessary to increase the administration in this amendment?"

Ms. Maxie: "It's my understanding the administration cost is stationary and is not an increase. I asked that very question."

The amendment was adopted.

Mr. Whiteside moved adoption of the following amendment:

On page 26, section 63, line 3 following "staff" strike ", excluding administrative staff"

Mr. Whiteside spoke in favor of the amendment, and Mr. Thompson spoke against it.

The amendment was not adopted.

On motion of Mr. Thompson, the following amendment by Representatives Thompson and Blair was adopted:

On page 27, section 65, line 10 after "facilities" insert ", excluding administrative staff"

Ms. Becker moved adoption of the following amendments by Representatives Becker and Struthers:

On page 27, section 66, line 15 strike "\$67,860,000" and insert "\$68,985,000"

On page 27, section 66, line 16 strike "\$69,785,000" and insert "\$70,660,000"

On page 27, section 66, line 20 after "following" strike "condition or limitation:" and insert "conditions or limitations: (1)"

On page 27, section 66, after line 23 insert the following subsection:

"(2) Two million dollars, in addition to the \$1.1 million appropriated in section 87, chapter ... (ESSB 2768), Laws of 1979, shall be expended for crisis residential centers. Of the \$3.1 million total appropriated, \$875,000 shall be from federal funds."

Adjust totals accordingly.

Representatives Becker and Struthers spoke in favor of the amendments, and they were adopted.

Mr. Smith (R) moved adoption of the following amendment by Representatives Smith (R), Tilly, Craswell, Granlund, Erak, Schmitt, Fuller, Rosbach, Monohon and Dawson:

On page 30, section 71, after line 4 insert the following language:

"Within the total appropriation of this section, funds shall be provided to carry out the state-operated Delinquency Prevention Services, except that where there are contracting agencies available, the DPS program shall be phased out by staff attrition."

Ms. Becker moved adoption of the following amendment to the amendment:

After "provided" on line 2 of the amendment, strike everything down to and including "attrition" on the last line and insert "to allow delinquency prevention services employees to be Y-rated to perform needed crisis intervention services through the biennium"

Representatives Becker and Ehlers spoke in favor of the amendment to the amendment, and Representatives Smith (R), Tilly, Granlund and Fuller spoke against it.

Ms. Becker spoke again in favor of the amendment to the amendment, and Mr. Schmitt spoke against it.

The amendment to the amendment was not adopted.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representative Smith (R) and others to page 30.

Mr. Smith (R) spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Smith (R) yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Smith, you indicated some time ago that there are a number of counties that don't receive these services and I'm wondering about that portion of the amendment that says, 'except that where there are contracting agencies available...' You indicated that in Kitsap County certain services are provided by the delinquency prevention services. Are there no other contracting agencies available in that area to which the Department of Personnel Services could contract out this program?"

Mr. Smith (R): "Yes, there are. The amendment is worded such that if there is a contracting agency available with which the department could contract, then this program would be phased out on an attrition basis. It so happens that the contracting agency in Kitsap County is also doing this service and works very closely with the people in the juvenile delinquency prevention programs. You might think they would be seeking this additional case load, but to the contrary, that contracting agency has been very, very helpful and very persuasive in urging the continued operation of the juvenile delinquency program. There is no duplication; they simply divide up the case load. One agency gets some of it and the other agency the other."

Mr. Ehlers: "Is there any conflict in this amendment and the Juvenile Justice Act?"

Mr. Smith (R): "That's what I was trying to speak to earlier. The Juvenile Justice Act as amended by the Polk amendment, provides that in AA, A and Class I counties these services shall be contracted for. This amendment doesn't conflict with that in that it would only apply to Class II and below counties."

POINT OF INQUIRY

Mr. Smith (R) yielded to question by Ms. Becker.

Ms. Becker: "Representative Smith, is it your intention that the delinquency prevention service will be phased out at the end of this biennium all over the state?"

Mr. Smith (R): "No, it is not my intention that it be phased out at the end of the biennium. We can't in the budget document direct the Legislature, but it is my intention that it be phased out by attrition. Most of the people who are working in the juvenile delinquency prevention program have been there for fifteen or twenty years and I suspect there would be some turnover, but I'm saying that basically they would continue doing what they have been doing all this time. When they retire or quit, that portion of the program would be turned over to the contracting agencies."

Mr. Tilly spoke in favor of the amendment.

The amendment was adopted.

Ms. McCormick moved adoption of the following amendment by Representatives McCormick and Martinis:

On page 31, section 77, after line 16 insert the following:

"The appropriations contained in this section shall be subject to the following conditions and limitations:

(1) The contingency plans relating to state government actions during energy shortages or actual energy emergencies, as required by RCW 43.21F.050(5), shall be completed and transmitted to the governor and the legislature no later than September 30, 1979.

(2) No less than \$500,000 of the total appropriation shall be used to develop, by contract or other arrangements, a central repository in state government for the collection of energy data, projections and other information as required by RCW 43.21F.050(1), and to prepare analyses of such data and projections as required by RCW 43.21F.050(2).

(3) Criteria and procedures for the evaluation of expenditures made for energy conservation shall be developed no later than September 30, 1979, and thereafter shall be applied as a condition for approval of federal funds by the legislature."

Ms. McCormick spoke in favor of the amendment, and Representatives Nisbet and Williams spoke against it.

POINT OF INQUIRY

Mr. Williams yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "The letter you refer to and the reference of the Legislature taking action — could you explain what action we are required to take or we will lose federal funds?"

Mr. Williams: "Specifically, the letter is from Jack C. Robertson, directed to David Jenkins, March 8, 1979, which says the deadline for the Washington State Legislature to satisfactorily meet mandatory requirements is June 30th, 1979. The action required on the part of the state, which will constitute having satisfactorily met the mandatory lighting and thermal efficiency standards is the enactment of legislation which complies with criteria set out in the State Energy Conservation Plan regulations, section 420.35, subsection (a), for lighting efficiency standards and section 420.35 (b) for thermal efficiency standards.

"I contacted the Governor's office and asked that they list the specific regulations which they expect of this session and Mr. Hanna had none."

Representatives Nelson (D), Martinis and Bagnariol spoke in favor of the amendment, and Representatives Haley, Dunlap, Isaacson and Zimmerman spoke against it.

Mr. Martinis spoke again in favor of the amendment, and Mr. Williams spoke again in opposition to it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives McCormick and Martinis to page 31 of Substitute House Bill No. 236, and the amendment was not adopted by the following vote: Yeas, 49; nays, 48; not voting, 1.

Voting yea: Representatives Adams, Bagnariol, Bauer, Becker, Bender, Brekke, Brown, Burns, Charnley, Douthwaite, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hughes, Hurley, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Salatino, Scott, Sherman, Smith R., Sommers, Thompson, Valle, Vrooman, Walk, Warnke.

Voting nay: Representatives Addison, Amen, Barnes, Barr, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Fancher, Flanagan, Fuller, Greengo, Haley, Hastings, Houchen, Isaacson, McDonald, McGinnis, Mitchell, Nelson G. A., Newhouse, Nisbet, Oliver, Patterson, Polk, Rohrbach, Rosbach, Sanders, Schmitt, Smith C. P., Sprague, Struthers, Taller, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Whiteside, Williams, Wilson, Zimmerman.

Not voting: Representative Winsley.

Mr. Williams moved adoption of the following amendment:

On page 31, beginning on line 13 strike all of section 77 and renumber the remaining sections consecutively.

Representatives Williams and Taller spoke in favor of the amendment, and Mr. Martinis spoke against it.

POINT OF INQUIRY

Mr. Williams yielded to question by Mr. Dawson.

Mr. Dawson: "Representative Williams, was it your purpose to strike the appropriation in this document which is before us and to replace that appropriation in another piece of legislation that is also before this House?"

Mr. Williams: "The amendment would strike the appropriation from this bill and it would put it in Substitute House Bill No. 899."

Representatives Tupper and Bond spoke in favor of the amendment.

POINT OF ORDER

Mr. Ehlers: "I wish the speaker would speak to the amendment and not to what he perceives to be some political advantage in the fall or whatever. I wish he would speak to the issue and not impugn the motives of people on this side of the aisle."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The point is well taken; Representative Bond, hold your remarks to the purpose of why you want to abolish the office."

Mr. Bond continued his remarks in favor of the amendment.

MOTIONS

Mr. Douthwaite moved that the remarks made on the Williams' amendment be transcribed and sent to the Director of the Department of Energy.

On motion of Mr. Dunlap, the motion was amended to include the Governor's office.

The motion as amended was adopted.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representative Williams.

Mr. Nelson (D) spoke in opposition to the amendment, and Mr. Haley spoke in favor of it.

POINT OF PERSONAL PRIVILEGE

Speaker Bagnariol: "It has been referred to by members on the other side of the aisle on this issue a number of times about the use of the words, 'your Governor.' I would like to remind the members that it is 'our Governor.'"

Mr. Haley continued his remarks in favor of the amendment.

Mr. Warnke demanded the previous question and the demand was sustained.

Mr. Dunlap demanded an electric roll call vote on the amendment, and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Williams to page 31 of Substitute House Bill No. 236, and the amendment was not adopted by the following vote: Yeas, 48; nays, 49; not voting, 1.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Fancher, Flanagan, Fuller, Greengo, Haley, Hastings, Houchen, Isaacson, McDonald, McGinnis, Mitchell, Nelson G. A., Newhouse, Nisbet, Oliver, Patterson, Polk,

Rohrbach, Rosbach, Sanders, Schmitt, Smith C. P., Sprague, Struthers, Taller, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Whiteside, Williams, Wilson, Zimmerman.

Voting nay: Representatives Adams, Bagnariol, Bauer, Becker, Bender, Brekke, Brown, Burns, Charnley, Douthwaite, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hughes, Hurley, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Salatino, Scott, Sherman, Smith R., Sommers, Thompson, Valle, Vrooman, Walk, Warnke.

Not voting: Representative Winsley.

POINT OF PERSONAL PRIVILEGE

Mr. Williams: "During the last few days I have been highly critical of the state's Energy Office. I'd like to go on record on the floor of the House that I am not criticizing the current acting director of the Energy Office. I am criticizing a state of affairs. Since this gentleman was appointed as acting director, the Governor has only seen him for five minutes; she has not answered his letters and his alleged contact man is in Europe. I would like the record to show that I am not criticizing the acting director."

Ms. Hurley moved adoption of the following amendments by Representatives Hurley and Owen:

On page 33, section 82, line 11 strike "24,279,000" and insert "24,383,000"

Adjust totals accordingly.

On page 33, after line 32 insert a new subsection:

"(3) Up to \$104,000 of the state general fund appropriation shall be expended for the operation of a marine science interpretive program at Fort Worden State Park."

Representatives Hurley, Owen, Nisbet and Fuller spoke in favor of the amendments, and Mr. Charnley spoke against them.

Mr. Polk demanded a Call of the House, and the demand was sustained.

CALL OF THE HOUSE

The Sergeants at Arms were instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Barr, Haley and Winsley.

MOTION

On motion of Mr. Polk, the absent members were excused, and the House proceeded with business under the Call of the House.

The Speaker (Mr. Amen presiding) declared the House to be at ease.

The Speaker (Mr. Newhouse presiding) called the House to order.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 236, by Committee on Appropriations (originally sponsored by Representatives Thompson and Blair - by Executive request):

Adopting the budget.

The House resumed consideration of the bill on second reading. (For previous action, see Journal, 3rd and 4th Days, ex. sess., March 23, 24, 1979.)

Ms. Hurley moved adoption of the following amendment:

On page 24, section 60, beginning on line 9, insert a new subsection as follows:

"(8) No funds within this section shall be expended for residential sites not already in existence or under construction on the effective date of this act for any convicted felon who is in the custody of the department in a neighborhood or area which is zoned by a local governmental unit for single family residential use."

Ms. Hurley spoke in favor of the amendment.

POINT OF INQUIRY

Ms. Hurley yielded to question by Mr. Struthers.

Mr. Struthers: "Representative Hurley, I wanted to be sure that I'm understanding correctly that if a residential unit is on site, in location and now currently being used, and the department saw fit to expand the bed space by, say, a figure of 15, could that be done?"

Ms. Hurley: "Yes, according to the legal advice we had when this was revised. That is the reason we revised it and it would be accomplished by the revised amendment."

The amendment was adopted.

Ms. Hurley moved adoption of the following amendment by Representatives Hurley, Oliver, Hughes, Barr and Gallagher:

On page 28, section 67, beginning on line 11, insert a new subsection to read as follows:

"(3) No medical assistance funds of this state or any agency, or any subdivision thereof, or the department of social and health services shall be authorized or paid to any person or entity for or in connection with any abortion except when the life of the mother would be endangered if the fetus were carried to term; or except for such medical procedures necessary for the victims of rape or incest, when such rape or incest has been reported promptly to a law enforcement agency or public health service."

Ms. Hurley spoke in favor of the amendment.

POINT OF ORDER

Mr. Blair: "The question before us is the question of whether or not state funds shall be used in the medical assistance program for legal abortions in the state of Washington. The speaker is not addressing that issue, but is addressing the law in the state of Washington that legalizes abortion. The proposed amendment does not affect that law in any way. I would ask the speaker to stay on the issue of funding as contained in this budget."

SPEAKER'S RULING (MR. NEWHOUSE PRESIDING)

The Speaker (Mr. Newhouse presiding): "Representative Blair, the subject matter has pretty largely been opened up by the scope of the amendment and the type of bill to which it is addressed. We will ask, Representative Hurley, that you keep your remarks to the substance of the amendment."

Ms. Hurley continued her remarks in favor of the amendment.

POINT OF ORDER

Mr. Tupper: "Mr. Speaker, it's my understanding that since this amendment is an implied repeal of the medical assistance act of the state of Washington, it is in violation of Flanders vs. Morris, a 1977 case which said that the state cannot abolish or amend existing legislation in an appropriations bill."

SPEAKER'S RULING (MR. NEWHOUSE PRESIDING)

The Speaker (Mr. Newhouse presiding): "Reed's Rule 161 says in part that the question of constitutionality is not for the speaker to determine. Incompatibility, inconsistency and unconstitutionality are always matters for argument. Your point is not well taken."

MOTION

Mr. Oliver moved that further consideration of the amendment be deferred.

Mr. Oliver spoke in favor of the motion.

ROLL CALL

The Clerk called the roll on the motion by Representative Oliver that further consideration of the amendment to page 28, section 67 of Substitute House Bill No. 236 be deferred, and the motion was carried by the following vote: Yeas, 77; nays, 18; not voting, 3.

Voting yea: Representatives Adams, Addison, Amen, Bagnariol, Barnes, Bauer, Becker, Bender, Berentson, Bond, Brown, Clayton, Craswell, Dawson, Deccio, Dunlap, Eberle, Ehlers, Erak, Fancher,

P., Smith R., Sprague, Struthers, Tally, Taylor, Teutsch, Thompson, Tilly, Tupper, Valle, Van Dyken, Vrooman, Walk, Warnke, Whiteside, Williams, Zimmerman.

Voting nay: Representatives Blair, Brekke, Burns, Chandler, Charnley, Douthwaite, Eng, Erickson, Galloway, Gruger, Lux, Monohon, Nelson D., Pruitt, Salatino, Sherman, Sommers, Wilson.

MOTION

On motion of Mr. Dunlap, the House advanced to the eighth order of business.

WHEREAS, The leaders of Israel and Egypt, Prime Minister Menachem Begin and President Anwar Sadat, have dedicated themselves to successfully completing a treaty of peace, despite internal and external pressures that would have deterred lesser men; and

WHEREAS, The President of the United States, Jimmy Carter, has played a significant role in the events that have led to the signing of the Israeli-Egyptian peace treaty; and

WHEREAS, President Carter, Prime Minister Begin and President Sadat have all exhibited great courage and commitment to the cause of peace in the Middle East;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the citizens of the State of Washington pay tribute to President Jimmy Carter, Prime Minister Menachem Begin and President Anwar Sadat for their contributions to the pursuit of peace; and

BE IT FURTHER RESOLVED, That the Chief Clerks of the House of Representatives transmit copies of this resolution to President Jimmy Carter, to the Prime Minister of Israel, and the President of Egypt, through their respective embassies to the United States of America.

Representatives Dunlap and King spoke in favor of the resolution, and it was adopted.

HOUSE RESOLUTION NO. 79-32, by Representatives Douthwaite, Adams, Bauer, Bender, Brekke, Brown, Burns, Charnley, Erak, Gallagher, Granlund, Grimm, Gruger, Hughes, Hurley, Jovanovich, Keller, King, Knowles, Kreidler, Lux, Martinis, Maxie, May, McCormick, McDonald, Monohon, Nelson (D), North, O'Brien, Owen, Pruitt, Salatino, Scott, Smith (R), Sommers, Vrooman, Walk and Warnke:

WHEREAS, Criminal conduct in the United States has become more and more of a menace to society and to individuals deprived of their liberty, their property, and even their lives; and

WHEREAS, Efforts to dramatically bring the consequences of a life of crime to the attention of young people often have fallen short of success; and

WHEREAS, Television station KSTW - Channel 11, Tacoma-Seattle, accepted the challenge to broadcast the program "Scared Straight" on March 22, 1979; and

WHEREAS, This broadcast, filmed at Rahway, New Jersey, state prison, consisted of life-term convicts holding a frank, open confrontation with juvenile offenders, telling these young people in uncensored terms of the degradation and desolation of prison for lifers; and

WHEREAS, KSTW-Television courageously broadcasted this hard-hitting program; and

WHEREAS, Such a broadcast was in the best tradition of journalism and public service; and

WHEREAS, In Washington State, in common with all other states in the Union, the youth crime problem unfortunately continues to exist; and

NOW, THEREFORE, BE IT RESOLVED, That we in the Washington State House of Representatives do hereby request that the Department of Social and Health Services design a "Scared Straight" program for implementation as soon as possible.

Representatives Douthwaite and Struthers spoke in favor of the resolution.

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Blair.

Mr. Blair: "Representative Douthwaite, the resolution calls for DSHS to design a program. Do you mean by that they are to put together a proposal to bring back to the Legislature for funding?"

Mr. Douthwaite: "To design a program, yes. I don't know that any funding is required, however."

Mr. Blair: "How could it possibly not cost funds to implement a program?"

Mr. Douthwaite: "I suspect there are programs existing now in which youthful offenders are attempted to be reached in various ways. The additional thing I am suggesting here is that they transport such people to the penitentiaries to listen and discuss such matters with the convicts and back home again. I don't know that extra money would be required."

Mr. Douthwaite spoke again in favor of the resolution, and it was adopted.

Ms. Hurley spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Oliver yielded to question by Mr. Kreidler.

Mr. Kreidler: "Representative Oliver, in an attempt to clarify the impact of this amendment, perhaps you could answer a couple of questions for me. When a woman presents herself to a doctor's office having a miscarriage, frequently a D&C procedure will be performed as part of the treatment for that woman—an abortion, in other words. Would this be prohibited by this particular amendment, since the woman's health is not being jeopardized at this point?"

SPEAKER'S ADMONITION (MR. NEWHOUSE PRESIDING)

The Speaker (Mr. Newhouse presiding): "Mr. Kreidler, I would request that you state your questions in one. We do not approve of dialogue under the guise of question and answer."

Mr. Kreidler: "Let me continue with the second part of that question then. For a woman who is pregnant and has had the procedure of amniocentesis performed—if it has been determined a congenital disorder exists—would an abortion be possible if this amendment were adopted?"

Mr. Oliver: "The answer to both questions is yes."

Mr. Deccio spoke in favor of the amendment, and Representatives Erickson, Fuller and Nelson (D) spoke against it.

Mr. Warnke demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Hurley and others to page 28 of Substitute House Bill No. 236, and the amendment was not adopted by the following vote: Yeas, 45; nays, 53; not voting, 0.

A., Nisbet, North, O'Brien, Oliver, Owen, Patterson, Polk, Rohrbach, Rosbach, Schmitt, Smith C. P., Sprague, Taylor, Tilly, Van Dyken, Williams, Winsley.

Representative Addison moved adoption of the following amendment by Representatives Addison and Jovanovich:

On page 37, after line 33 insert the following new section:

***NEW SECTION, Sec. ____ FOR THE DEPARTMENT OF TRANSPORTATION**

General Fund Appropriation \$ 10,000,000

The appropriation contained in this section shall be subject to the following condition or limitation: All funds appropriated in this section shall be expended for a fixed span, high level bridge over the Duwamish Waterway: PROVIDED, That this appropriation shall be held in reserve until funds are obtained from county, city, port district, federal and/or other sources to ensure completion of the bridge project: PROVIDED FURTHER, That this appropriation shall be expended only if the necessary funds are obtained from county, city, port district, federal and/or other sources by May 30, 1979."

Representatives Addison, Pruitt and Jovanovich spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Addison yielded to question by Ms. North.

Ms. North: "Representative Addison, in another session of the Legislature before you were here, this Legislature voted to hold \$15 million in urban arterial board funds for the West Seattle Bridge project. Could you tell me the whereabouts of these funds?"

Mr. Addison: "They are slipping fast. The urban arterial board funds are still being held on reserve and they are not in jeopardy by this amendment. They are still being held for the project."

POINT OF INQUIRY

Mr. Addison yielded to question by Mr. Smith (R).

Mr. Smith (R): "Representative Addison, some time ago I heard a lot of debate out here on the floor about the inappropriateness of using general fund money for street projects. Would you answer for me where this money comes from?"

Mr. Addison: "The appropriation is from the general fund to the transportation budget. In so doing it will not detract from the projects currently in the transportation budget. The reason it was done this way is that there is an emergency situation for two reasons: Number one, an emergency when the ship hit the bridge, and number two, as the negotiations began going on, it became apparent in the past week or so that the funds for the high level bridge were just not going to become available unless the four parties came together. That's why it's not done through the transportation budget. It's necessary to bring the county, the port, the city and the state to sweeten the pot, if you will, to get this project done right."

Mr. Smith (R) spoke against adoption of the amendment.

POINT OF PERSONAL PRIVILEGE

Mr. McDonald: "I would like to be excused from this vote for the reason of conflict of interest."

SPEAKER'S RULING (MR. NEWHOUSE PRESIDING)

The Speaker (Mr. Newhouse presiding): "The speaker has reviewed Representative McDonald's conflict of interest and has ruled that Representative McDonald is excused from voting on this issue."

Mr. Owen spoke again in favor of the amendments, and they were adopted.

(2) No more than \$20,000 of these funds shall be used for information and education of volunteers in the enhancement program.

(3) No compensation shall be given to volunteer participants in the program: PROVIDED, That fertilized salmon eggs and other necessary materials shall be furnished at no cost.

(4) The director of fisheries shall establish appropriate rules to accomplish the intent of this section and to assure that funds appropriated are fairly distributed throughout the state."

A., Newhouse, Nisbet, O'Brien, Patterson, Polk, Pruitt, Rohrbach, Rosbach, Salatino, Sanders, Smith C. P., Sprague, Taller, Teutsch, Tupper, Valle, Walk, Warnke, Whiteside, Williams.

Representatives Martinis and Schmittien spoke in favor of the amendment to the amendment, and Mr. Jovanovich spoke against it.

POINT OF INQUIRY

Mr. Jovanovich yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "To try to put this amendment into perspective, Representative Jovanovich, suppose the department has just the number of eggs it needs for its current programs, then how much of that number of eggs, in percents, would the \$300,000 program that you are suggesting take away? Could you give me a rough estimate of what percent of the total eggs the state uses would be required by this experimental volunteer program?"

Mr. Jovanovich: "Representative Nelson, if you look over last year's records and see this, there were over 51 million eggs sold not for enhancement purposes, but for our state resource. I don't think this is even a factor."

Mr. Nelson (D): "Exclude that figure and just look at the number the state uses for its own enhancement programs, and this scientific program, would you say that the volunteer program would take a small percentage of that total number?"

Mr. Jovanovich: "Yes, Representative Nelson, I would say it was a very small percent and I would also say that this program is a state enhancement program. One of the lowest cost programs you could possibly come up with. Representative Schmitt said they have about forty or fifty programs and that is true, but I've seen some of those programs, and a couple of little pans of eggs—it's a pittance. It's a public relations' ploy; it's deplorable. When I think of what could be and what actually is it makes me sick."

Mr. Nelson (D) spoke against the amendment to the amendment.

Mr. Martinis spoke again in favor of the amendment, and Mr. Jovanovich spoke again in opposition to it.

Mr. Deccio demanded the previous question, and the demand was sustained.

The amendment to the amendment was not adopted.

Mr. Martinis moved adoption of the following amendment to the Jovanovich/Granlund amendment:

On line 20 of the amendment after "distributed" strike "throughout the state"

The Speaker (Mr. Amen presiding) stated the question before the House to be the amendment as amended.

Representatives Jovanovich and Addison spoke in favor of the amended amendment.

POINT OF INQUIRY

Mr. Jovanovich yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "In connection with the issue of lending the state's credit, the language in your amendment refers to fertilized salmon eggs and other necessary materials. Will you give me some idea of what materials you are referring to more specifically in that language?"

Mr. Jovanovich: "There are some materials necessary to build egg boxes—plywood. Perhaps they will come up with a better box made out of fiberglass that would greatly reduce the costs of filling these boxes and you would get a lot more mileage out of them. On the matter of the eggs, when the salmon are released into the streams they don't belong to anybody; they belong to everybody. They belong to you and me and anyone else who's lucky enough to catch one."

Representatives Vrooman and Nelson (D) spoke in favor of the amendment as amended, and it was adopted.

Mr. Van Dyken moved adoption of the following amendment by Representatives Van Dyken and Kreidler:

On page 37, section 92, beginning on line 19 following "shall" strike the remaining language down through "participate" on line 21 and insert "through rule and regulation require that beef and dairy cattle of appropriate age and sex be vaccinated for brucellosis: PROVIDED, That the director of agriculture may, after public hearing, exempt certain animals or operations from mandatory brucellosis vaccinations when it has been determined that such exemption does not pose a threat to the spread of brucellosis"

Mr. Van Dyken spoke in favor of the amendment, and Representatives Fancher and Smith (C) spoke against it.

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Mr. May.

Mr. May: "I have received quite a bit of mail and a few phone calls from the dairy people and they are in favor of this, but the cattlemen are opposed to it. Since I don't know too much about either one of them, I'm a little confused. Could you help me out?"

Mr. Van Dyken: "The dairy federation is in favor of this because they are taking severe financial losses through brucellosis. They feel that only when all animals are immunized against the disease—all animals are carriers of it—will they be able to keep it from spreading. The State Farm Bureau is also in favor of this and I believe the State Grange is in favor of it too. A certain segment of the cattle industry, the Cattle Association, is not in favor of this because they would like it to be a voluntary program instead of a mandatory program. Although they did, in a 1976 resolution, recommend these vaccinations, they oppose it being mandatory."

Representatives Flanagan, Zimmerman, Barr, Heck and Houchen spoke against the amendment, and Representative Kreidler spoke in favor of it.

Mr. Deccio demanded the previous question and the demand was sustained.

MOTION

On motion of Mr. Salatino, Speakers Bagnariol and Berentson were excused from the Call of the House.

POINT OF INQUIRY

Mr. Flanagan: "Am I reading this right? It says here that they are leasing this for \$100,000 a year?"

Ms. Teutsch spoke in favor of the amendment, and it was adopted.

POINT OF INQUIRY

Mr. Nelson (G.A.) yielded to question by Ms. Sommers.

Ms. Sommers: "For the clarification of the House, Representative Schmitten's memo states that this proposal would take some money away from only two districts and increase the benefit going to 245 districts. It's certainly not clear how we could do that. How could we take so much money away from two districts and give more money to 245 districts?"

Mr. Nelson (G.A.): "We're just spreading the money differently to those that are in the nine percent and the six percent areas. You're only going to find two districts in the five percent area—Everett and Darringer. We've determined this times the total salaries to all certificated employees in every district and we've divided it by those total number of certificated employees to come up with an average salary. Then we divided that by the mix factor in each district and when you do that you get down to a base salary. We applied these percentage increases to the base salary. We think we're working with the same amount of money and you're going to find that you do get different percentages to these districts in these two plans. In the nine percent district you may be at 8.2 percent and in the 8.5 percent plan you may be at eight. There are completely different mixes going on in the two plans which account for the differences in the amounts of money they will receive increase-wise on the base salary, from district to district."

Representatives Thompson and Gallagher spoke in favor of the amendments.

On page 68, section 156, line 18 strike "136,699,000" and insert "146,410,000"

Mr. Blair spoke in favor of the amendments.

POINT OF INQUIRY

Mr. Blair yielded to question by Mr. Oliver.

Mr. Oliver: "Representative Blair, can you tell me why the line item entry on page 68, line 17 goes from a reduced level of \$28,539,000 down to \$26,250,000 as a result of this additional \$12 million appropriation?"

Mr. Blair: "Yes, I think I can explain that one, Representative Oliver. Unfortunately, the same rules the federal government applies to the state don't apply to federal funding. We are mandated by federal law that we may never reduce the amount of expenditure we put into this program unless there were an actual reduction in pupils. As long as there isn't a decline in the number of pupils we have to at least match what we have done in the past biennium. The federal government has a more respectable policy in regard to funding. Last fall when we were first preparing the budget, when the SPI reported to the Governor, the figure provided by the federal government for the federal level of funding was \$36 million. Just before the Governor had to complete her preparations to send her budget to us, this figure was revised downward. The federal government decided they did not want to put \$36 million in, but would only provide \$28 million. That's the figure that came to us in the Governor's budget. About two months after that, when we were doing our evaluations of the Governor's budget, the federal government once again revised their estimation and now tell us they will only provide \$26 million. We are only trying to reflect the most recent and, we hope, the final reduction in the federal level of funding for this program."

General Fund Appropriation \$155,377,000

The appropriation contained in this section shall be subject to the following conditions and limitations:

(1) In the 1980-81 school year, not more than \$8,439,000 shall be expended for approved transportation equipment.

(2) Not more than \$514,000 shall be expended for regional transportation coordinators.

(3) Not more than \$40,000 shall be expended for driver training.

(4) Reimbursement for transportation for other than to and from school shall be funded in each school year only after to and from transportation has been fully funded: PROVIDED, That such other transportation shall be reimbursable at a rate of seventy-five percent.

(5) Not more than \$105,000 shall be expended for the continued planning, development and evaluation of the regional transportation model by educational service district no. 121; and not more than \$60,000 shall be expended for administrative and organizational services by educational service district no. 121 in the implementation of the regional transportation model: PROVIDED, That regular reports shall be made to the legislative budget committee: PROVIDED FURTHER, That no funds for the implementation of the regional transportation model be expended without the recommendation of the legislative budget committee."

Mr. Nelson (G.A.) moved adoption of the following amendments to the Warnke amendment:

On line 3 of the amendment strike "\$155,377,000" and insert "\$153,122,000"

On line 17 of the amendment strike "seventy-five" and insert "fifty"

Representatives Nelson (G.A.), Flanagan and Chandler spoke in favor of the amendments to the amendment, and Representatives Warnke, Ehlers and Heck spoke against them.

Mr. Ehlers spoke again in opposition to the amendments to the amendment.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Nelson (D)

Mr. Nelson (D): "Representative Ehlers, one of the concerns I have about this amendment is how it affects the possibility of school children in this state to see their government in operation. I have sent letters to schools in my district inviting teachers and students to come down this session and I've only received one response from those teachers, yet I have about three high schools and probably 2,000 children at least in my district. It's a concern of mine that the children in this state get at least one chance in their education program to see their government. I wonder if you could respond as to how the Nelson amendment might affect that?"

Mr. Ehlers: "As opposed to the Pacific Science Center and King Tut, if you wanted to come from Spokane and have the state pick up one hundred percent, that's not true of this. Any field trip would come under the definition of field trip that we would pay—under the Nelson amendment, fifty percent, and the other language calls for seventy-five percent. It still means some expenditure locally."

Mr. Nelson (D) spoke in opposition to the amendment to the amendment.

With the consent of the House, Representative Barr was excused from the Call of the House.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (G.A.) to the Warnke amendment to Substitute House Bill No. 236, and the amendment to the amendment was adopted by the following vote: Yeas, 50; nays, 47; not voting, 1.

POINT OF ORDER

Mr. Ehlers: "I'm not sure what Representative Williams means by 'boondoggle.'"

SPEAKER BAGNARIOL'S RULING

Speaker Bagnariol: "Your point is well taken. I would hope the members would respect that when amendments are offered in this budget they are important to someone and I think referring to a project in this budget as a 'boondoggle' is completely out of line. I would expect your proper apologies might be forthcoming to the sponsors."

Mr. Nisbet spoke again in favor of the amendment to the amendment.

The Clerk called the roll on adoption of the amendment by Representative Nisbet to the Warnke amendment to Substitute House Bill No. 236, and the amendment to the amendment was not adopted by the following vote: Yeas, 45; nays, 52; not voting, 1.

On page 69, section 159, line 8 strike "\$22,872,000" and insert "\$30,422,000"

Representatives Heck, O'Brien, Salatino, May and Bauer spoke in favor of the amendments, and Representatives Nelson (G.A.) and Nelson (D) spoke against them.

POINT OF INQUIRY

Mr. Heck yielded to question by Mr. Tupper.

Mr. Tupper: "In the 1977-79 program we set aside \$1.2 million for remediation and \$930,000 for bilingual programs. My concern is that if these two figures, which add up to \$2.1 million, are not correctly backed out of that \$7.5 million SPI request, we may make a duplicate request and I hope you can answer that. I want to make sure we aren't putting in an additional \$2.1 million over what we will need for programs that will be picked up in the new remedial and new bilingual programs."

Mr. Heck: "Your point is extremely well taken, Representative Tupper. It's one I tried, not very successfully, to make in my opening remarks. The current biennium total appropriation for URRD is \$10.5 million and if you back out the traditional remediation and bilingual programs it comes to \$8.4 million for all other programs. What I'm proposing is a restoration of \$7.5 million and, therefore, I am proposing approximately a \$1 million cut in the program."

Representatives Brekke, Douthwaite and Heck spoke in favor of the amendments, and Representatives Nelson (G.A.) and Taylor spoke against them.

ROLL CALL

The Clerk called the roll on adoption of the amendments by Representative Heck and others to Substitute House Bill No. 236, and the amendments were not adopted by the following vote: Yeas, 47; nays, 50; not voting, 1.

Mr. Warnke moved adoption of the following amendment by Representatives Warnke and Heck:

On page 70, after line 33 insert a new section as follows:

"NEW SECTION. Sec. 169. No school district may use funds from any source to contract with independent contractors to perform services including, but not limited to, clerical, maintenance and operation, food and transportation services: PROVIDED, That those contracts for such services which have been entered into prior to January 1, 1979 and renewed thereafter shall not be abrogated by this act: PROVIDED FURTHER, That the legislative budget committee shall report to the legislature in the 1981-83 session regarding the ramifications of subcontracting."

Mr. Warnke spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Warnke yielded to question by Mr. Scott.

Mr. Scott: "Representative Warnke, what happens if a school district contracts out all of their busing, sells all their buses, then when the transportation contract is up and they come back in and that contractor's bid is two or three times higher than it was costing, what does the school district do?"

Mr. Warnke: "If the school district has done away with their trust funds and doesn't have the money to buy equipment, and we have included transportation in basic education, they must provide transportation. They don't have any choice. There are, in the state of Washington, only two companies that I know of that are subcontracting because it takes a great deal of money to buy the equipment. I think it's around \$30,000 for each piece of equipment. That school district would either have to look around for a competitor or would have to pay the price of whatever that bill was to pay for transportation."

Representatives Scott and Ehlers spoke in favor of the amendment, and Representatives Patterson, Taylor and Greengo spoke against it.

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, this amendment would appear to be in a sequence on page 10, section 30, which has to do with state employees' salaries. According to Reed's Rule 154, we could obviously be in the process of 'Filling in Blanks.' We have had in this section a series

of comprehensive amendments beginning with one by Representative Thompson which was defeated, reconsidered, defeated again, followed by an amendment by Representative Blair at a lower figure which was defeated, reconsidered and defeated again. I'd like to site not only Reed's 154, but what happened last session with Mr. O'Brien presiding. The Speaker ruled a similar amendment by Representative Polk out of order because it was above the second amendment considered. So I would suggest to you that any amendment higher than the last amendment, which was defeated, is out of order, and that we can only consider an amendment lower than the last amendment considered."

The Speaker (Mr. O'Brien presiding) declared the House to be at ease.

The Speaker (Mr. O'Brien presiding) called the House to order.

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "We were acting in regard to Reed's Rule 142 on a motion to strike out and insert. On the basis of that rule, it is in order to have subsequent amendments offered, on the basis of striking and inserting different material. This is the case of Representative Thompson's amendment at the present time. He is now striking and inserting new material. This is in order. The Speaker will rule that the amendment is in order."

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, I would point out that these are all striking amendments and they all insert a new total. The total as inserted in Mr. Thompson's amendment first rejected was \$181 million; Mr. Blair's, \$159 million and now we go back to \$167 million. You can call that not filling in the blanks if you will, but common practice in Congress and in this body over the years has been to start with the higher numbers and work down to a level to which you may get a majority of the body. I suggest your ruling is in error."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representative Thompson.

Mr. Thompson spoke in favor of the amendment, and Mr. Taller spoke against it.

Mr. King demanded an oral roll call vote, and the demand was sustained.

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Newhouse, it's my understanding that when the federal government worked out a reciprocity with Mexico in terms of exchanging prisoners, that when that treaty was agreed to it meant that each individual state would have to pass a law that permitted an exchange of prisoners in trade for Mexican nationals who happened to be in our jails. This would permit a trade, reciprocity, and no prisoners would be put in federal institutions in this state. Is that still permitted in this bill or did I miss that?"

Mr. Newhouse: "No, Representative Ehlers, that is in section 4 of this bill and does comply with the federal treaty agreement with Mexico."

Mr. Ehlers: "My understanding then is that those prisoners that we have in state institutions would go to Mexico and the Washington residents who would come into jails would not go into our state institutions, but would go into federal institutions, and that's how we'd save money. Is that correct?"

Mr. Newhouse: "Yes, and also it would treat out citizens better because we understand the Mexican jails are not very desirable places to serve time."

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Rohrbach.

Mr. Rohrbach: "As I read this bill, Representative Newhouse, my understanding is that a number of detention facilities are located in county courthouses and that also is where people go to renew their licenses for concealed weapons. They might very well have that concealed weapon with them when they go to renew the license. Would they be in violation of this law?"

Mr. Newhouse: "As I recall, this would apply to state institutions. The situation you have described has to do with another bill that has not reached the floor."

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Newhouse, we had a similar bill in the House Institutions Committee, that dealt with the problems of bringing contraband weapons onto the grounds and into the state prisons. There was considerable controversy over the language because some of the sport people in this state, hunters, had trouble with the language involving the definition of 'adjacent to'—grounds adjacent to a detention facility. Their problem was that they might be in trouble if they inadvertently wandered onto the grounds adjacent to a prison, innocently hunting, and were picked up because of that. I'm wondering where, in this language, they might be protected?"

Mr. Newhouse: "For the record, the answer to that is that if someone wanders onto prison territory in lawful pursuit—with a shotgun, for instance, hunting—on page 4, section 3, line 25, it says, "This action is not a crime when otherwise authorized by law or when authorized by the person in charge of the detention facility or his designee."

Mr. Douthwaite moved adoption of the following amendment by Representatives Douthwaite and Rohrbach:

On page 1, strike everything after the enacting clause and insert the following:

"Section 1. Section 27, chapter 150, Laws of 1967 and RCW 48.22.030 are each amended to read as follows:

~~((On and after January 1, 1968:)) (1) No new policy or renewal of an existing policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance, or use of a motor vehicle shall be ((delivered or) issued ((for delivery)) in this state with respect to any motor vehicle registered or principally garaged in this state unless underinsured and hit-and-run motorists coverage is provided therein or supplemental thereto, ((in limits for bodily injury or death set forth in RCW 46.29.490:)) for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of ((uninsured)) underinsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom, except that the named insured may be given the right to reject all or part of such coverage, and except that, unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured had rejected the coverage in connection with a policy previously issued to him by the same insurer.~~

(2) Such coverage shall extend to any natural person who is a named insured under the liability coverage of the policy and any family member. "Family member" as used throughout this section means a person related to a named insured by blood, marriage or adoption and who is a resident of the household of a named insured. Coverage shall extend to any other person occupying a motor vehicle covered by the liability or underinsured and hit-and-run motorists coverage of the policy.

(3) The minimum limits of liability of the underinsured and hit-and-run motorists coverage, (hereafter referred to as "the coverage") shall be the liability limits for bodily injury or death set forth in RCW 46.29.490. A named insured shall have the option to purchase higher limits of the coverage up to the limits of liability coverage provided by the same policy to a named insured against damages for bodily injury or death arising out of the ownership, maintenance, or use of a motor vehicle.

(4) "Underinsured motor vehicle" means a motor vehicle with respect to the ownership, maintenance or use of which either no bodily injury liability bond or insurance policy applies at the time of an accident, or with respect to which the sum of the limits of liability under all bodily injury liability bonds and insurance policies available to a covered person after an accident is less than the amount of damages which such person is legally entitled to recover from the owner or operator of the motor vehicle. The policy may, however, define "underinsured motor vehicle" to exclude any of the following motor vehicles:

(a) Any vehicle operated on rails or crawler treads;

(b) Any vehicle which is a farm type tractor or equipment designed mainly for use off public roads while not upon public roads;

(c) Any vehicle while located for use as a residence or premises; or

(d) Any vehicle owned or operated by a person qualified as a self-insurer under RCW 46.29.630, to the extent such self-insurer is liable for and able to pay damages.

(5) "Hit-and-run motor vehicle" means a motor vehicle, the operator or the owner of which cannot be identified or located, and the use of which is a proximate cause of an accident which:

(a) Injures a named insured or family member

(b) Directly or indirectly damages a motor vehicle occupied by a named insured or any family member;

or

(c) Directly or indirectly damages a motor vehicle covered by the motor vehicle liability portion of the policy.

(6) The policy may exclude from the coverage bodily injury or death sustained by any person:

(a) While occupying, or when struck by, any motor vehicle which is owned by or furnished for the regular use of that person and on which underinsured and hit-and-run coverage has specifically been rejected by the named insured; or

(b) While occupying or using a motor vehicle without a reasonable belief that the person is entitled to do so, other than a named insured or family member while occupying or using a motor vehicle covered by the liability coverage of the policy.

(7) (a) The limit of liability under the policy coverage may be defined as the maximum limits of liability for all damages resulting from any one accident regardless of the number of covered persons, claims made, or vehicles or premiums shown on the policy, or vehicles involved in an accident.

(b) The maximum limits of liability shall not be reduced by the sum of the limits of liability under any bodily injury liability bonds and insurance policies applicable at the time of an accident, by any sums paid to any person under any worker's compensation, disability benefits or similar law, or by any sums paid by or on behalf of persons or organizations who may be responsible for the bodily injury or death. Damages recoverable under the coverage because of bodily injury or death of a covered person may be reduced by any such sums paid: PROVIDED HOWEVER, That such reduction shall not occur unless the covered person has been paid the amount of damages which such person is legally entitled to recover from the owner or operator of the underinsured or hit-and-run motor vehicle.

(c) The policy may provide that if an injured person has other similar insurance available to him under other policies, the total limits of liability of all underinsured and hit-and-run motorists coverages shall not exceed the higher of the applicable limits of the respective coverages, and that the company shall be obligated to pay only the proportion that its limit of liability bears to the total of all applicable limits: PROVIDED, That (i) when one or more of the similar insurance coverages available to an injured person does not result from the injured person being either a named insured or family member; and (ii) when the other similar insurance coverage applies because the injured person is either a named insured or family member; then the applicable limits of the respective coverages shall be the coverage available under (c)(i) of this subsection combined with the highest applicable limits of insurance coverage available under (c)(ii) of this subsection.

The policy may also provide, however, that with respect to a motor vehicle not owned by a named insured, the underinsured and hit-and-run motorists coverage shall be excess over any other collectible underinsured and hit-and-run motorists coverage.

(d) There shall be no reduction of medical payments benefits or personal injury protection benefits because of payments made under the underinsured and hit-and-run motorists coverage except to prevent duplicate recovery.

(8) The policy may provide that the coverage shall not apply directly or indirectly to benefit any insurer or self-insurer under any worker's compensation, disability benefits or similar law.

(9) The policy may provide that any judgment for damages arising out of a suit brought without the written consent of the insurer is not binding on the insurer and that any or all disputes under the coverage shall be resolved by arbitration.

(10) The policy may provide that if the insurer makes payment under the coverage and the person to or for whom payment was made has a right to recover damages from another, the insurer shall be subrogated to that right, to the extent allowed by law.

(11) Nothing herein contained shall be construed to prevent any insurer from affording the coverage under terms and conditions more favorable to its insureds than is provided hereunder.

Sec. 2. Section 3, chapter 95, Laws of 1967 ex. sess. and RCW 48.22.040 are each amended to read as follows:

(1) The term "(uninsured) underinsured motor vehicles" with reference to coverage offered under any insurance policy regulated under this chapter shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(2) An insurer's insolvency protection shall be applicable only to accidents occurring during a policy period in which its insured's ((uninsured)) underinsured motorist coverage is in effect where the liability insurer of the tort-feasor becomes insolvent within three years after such an accident. Nothing herein contained shall be construed to prevent any insurer from affording insolvency protection under terms and conditions more favorable to its insureds than is provided hereunder.

(3) In the event of payment to an insured under the coverage required by this chapter and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such insured against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer. Whenever an insurer shall make payment under the coverage required by this section and which payment is occasioned by an insolvency, such insurer's right of recovery or reimbursement shall not include any rights against the insured of said insolvent insurer, but such paying insurer shall have the right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had, if the insured of the insolvent insurer had personally made the payment.

MESSAGES FROM THE GOVERNOR

March 29, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I have the honor to advise that on March 29, 1979, Governor Ray approved the following House Bills, entitled:

HOUSE BILL NO. 25: Relating to liability for dog bites;

SUBSTITUTE HOUSE BILL NO. 486: Relating to second class shorelands;

SUBSTITUTE HOUSE BILL NO. 663: Relating to education.

Sincerely,
H. B. Hanna, Legal Counsel

March 29, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I am pleased to have signed SUBSTITUTE HOUSE BILL NO. 663, creating a statewide program of remediation assistance for public school students who are deficient in basic skills achievement. I feel that this bill, which implements the proposal contained in my Executive Budget, is important to the educational programs of this state because it targets the aid specifically at those pupils who are behind grade level.

There is one aspect of this act, however, that I would like to call to your attention for careful monitoring and possible revision. The act limits remedial programs to small group settings, specifying a maximum of five students per instructional person in each session. Although small group or tutorial approaches may be the best strategy for assisting these students in most cases, I am skeptical of being this specific in the enabling legislation. As a matter of general policy I believe it is better to seek and monitor results, and to leave the specific instructional strategies to the professionals in the field.

It may be desirable in the near future to amend this law.

Sincerely,
DIXY LEE RAY, Governor

March 29, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I am returning herewith, without my approval as to one section, HOUSE BILL NO. 848, entitled:

"AN ACT Relating to state government;"

Section 118 of the bill amends RCW 43.41.130 to change reference to "The director of the office of program planning and fiscal management" to "The director of financial management." Because section 12 of Substitute House Bill No. 96, chapter 111, Laws of 1979,

approved by me on March 26, 1979, made that same change in reference and made other substantive changes in RCW 43.41.130, section 118 of House Bill No. 848 is therefore unnecessary.

With the exception of section 118, which I have vetoed, the remainder of House Bill No. 848 is approved.

Respectfully submitted,
DIXY LEE RAY, Governor

At the request of Representative Barr, the Clerk read the following poem in memory of Evelyn Barr:

GOD KNOWS BEST

Our Father knows what's best for us,
So why should we complain—
We always want the sunshine,
But He knows there must be rain—
We love the sound of laughter
And the merriment of cheer,
But our hearts would lose their tenderness
If we never shed a tear...
Our Father tests us often
With suffering and with sorrow,
He tests us, not to punish us,
But to help us meet tomorrow...
For growing trees are strengthened
When they withstand the storm,
And the sharp cut of the chisel
Gives the marble grace and form...
God never hurts us needlessly,

And He never wastes our pain,
 For every loss He sends to us
 Is followed by rich gain...
 And when we count the blessings
 That God has so freely sent,
 We will find no cause for murmuring
 And no time to lament...
 For Our Father loves His children,
 And to Him all things are plain,
 So He never sends us pleasure
 When the soul's deep need is pain...
 So whenever we are troubled,
 And when everything goes wrong,
 It is just God working in us
 To make our spirit strong.

by Helen Steiner Rice

The House stood one minute in silent prayer in the memory of Evelyn Barr.

Could you enlighten me on how this public source might be applied or is applied?"

Mr. Chandler: "The public source would be the public health department in each county as funded by the state of Washington and the counties together. A student from a private school would be able to go to the public health department and get the shots and I just learned from Representative Taylor that oftentimes when these injections are being provided at the public schools, they notify the private schools and they take advantage of the program at the same time at no cost to the students. So it would apply to both public and private students equally."

It will be aid for the ferry systems to replace the service they had to put on because of the Hood Canal Bridge."

Mr. Martinis: "Absolutely not."

STATEMENT FOR THE JOURNAL

The House of Representatives eliminated money from the budget for "drop-outs" in the URRD funds, and included approximately \$1.5 million for three educational clinics.

I consider it a bad policy to finance such a limited and restricted program in such a small geographic area of the state. It sets a precedent that could be very expensive in years ahead.

Mr. Pruitt: "Representative Tilly, as a prime sponsor, my question is, as we have really concentrated in saying, the purpose is to sing carols and carols are, of course, a Christian celebration, a Christmas celebration. Is it the intent of the sponsors of this that there would also be a celebration of other ethnic groups? Is it exclusively so that Christmas carols can be sung?"

Mr. Tilly: "My answer to that is no. In my opening remarks I mentioned that this would allow other denominations, other religious groups, to celebrate these very important occasions in their beliefs. Religious backgrounds are very important to our culture, and I feel that there shouldn't be prohibition to those. It would help toward a greater understanding for us to be able to learn other people's religious followings. It would help us to walk in other people's moccasins."

Representatives Pruitt and Taylor spoke in favor of the resolution, and Mr. Lux spoke again in opposition to it.

Mr. Tilly closed debate, speaking again in favor of the resolution.

HOUSE BILL NO. 433, by Representatives Barr, Valle and Granlund:

Updating certain powers of the department of ecology.

The bill was read the second time.

Committee on Ecology recommendation: Majority, do pass as amended. (For amendment, see Journal, 46th Day, February 22, 1979)

On motion of Ms. Valle, the committee amendment was adopted.

On motion of Ms. Sommers, the following amendment by Representatives Sommers, Newhouse and Valle was adopted:

On page 2, after line 24 insert the following:

"The enactment of this 1979 act does not extend the eligibility for or increase the amount of exemptions or credits available under chapter 82.34 RCW."

STATEMENT FOR THE JOURNAL

It is the intent of the amendment to page 2, after line 24, that any additional requirements regarding pollution control facilities resulting from passage of HB-433 would not result in additional exemptions or credits under chapter 82.34 RCW.

Our concern is that this tax exemption is being expanded by federal changes in requirements for pollution control. Credits and exemptions are then being granted against the state's tax structure simply because the Department of Ecology is administering federal law and granting permits including federal standards. This bill, which apparently only names the Department of Ecology as responsible for administration, actually affects revenues. Revenue policy, including exemptions and credits, should be made directly, and visibly, by legislative action.

As originally drafted, it was intended that HB-433 not have any significant fiscal impact. This amendment makes it clear that the bill would not have any fiscal impact.

POINT OF INQUIRY

Mr. Schmitten yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Schmitten, you're having a license for those 16 to 69 and I wanted to ask, in terms of the committee's decision there as to why they had not included persons younger than 16 who can dig clams?"

Mr. Schmitten: "You are asking why we didn't license everyone? We considered many things in the subcommittee dealing with persons required to be licensed. We considered children free to 16, which is what the subcommittee decided on. We considered a family license; we considered licensing at 16 to 69, but allowing a half limit for those under 16, but I think the key in our final decision was that we wanted to conform, to make it as easy as possible to administer. We conformed to the current hunting and fishing licenses and also, I guess, there's just some compassion for the family to allow children to go and dig clams free."

Representatives Erickson, Monohon and Erak spoke in favor of the bill.

POINT OF INQUIRY

Ms. Erickson yielded to question by Ms. Teutsch.

Ms. Teutsch: "Would every member of a clam digging party have to have a license?"

MESSAGES FROM THE GOVERNOR

March 30, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I am returning herewith without my approval SUBSTITUTE HOUSE BILL NO. 704 entitled:

"AN ACT Relating to implied consent; and amending section 1, chapter 1, Laws of 1969 as amended by section 4, chapter 287, Laws of 1975 1st ex. sess. and RCW 46.20.308."

I am aware that the original implied consent law in the state emanated from Initiative 242 as passed by an overwhelming majority of the electorate. The current statutory provisions of the law were codified from this initiative. I do not subscribe to any dilution of the law and perceive Substitute House Bill No. 704 to be a potential weakening.

RCW 46.20.308 requires that people submit to a breathalyzer test if they are arrested on either physical control or driving while intoxicated. The sanction used to gain cooperation with the test is the threat of an automatic six months suspension of the individual's driver's license should they refuse. Substitute House Bill No. 704, if enacted, would preclude the license suspension if the person having refused to take the test later enters a plea of guilty. One of the problems with the bill is that it allows a person to keep his license only if he pleads guilty to driving while intoxicated and it does not state at what stage of the criminal proceedings such plea must be entered. Also, there is no provision to allow a person to keep his license if he pleads guilty to physical control. The effect is that a person who has committed a physical control violation may be persuaded into pleading guilty to driving while intoxicated in order to keep his driving privilege. Handing this kind of leverage to the local prosecuting attorney's office is a potentially dangerous practice and could infringe greatly on individual rights.

I must again observe that the passage of Substitute House Bill No. 704 is untimely when the preponderance of automobile accidents indicate that alcohol affected drivers are playing a major role in our growing fatality problem.

For the foregoing reasons, I have determined to veto Substitute House Bill No. 704.

Respectfully submitted,
DIXY LEE RAY, Governor.

March 30, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I am returning herewith without my approval as to one section HOUSE BILL NO. 735, entitled:

"AN ACT Relating to insurance; amending section .12.15, chapter 79, Laws of 1947 as last amended by section 4, chapter 162, Laws of 1973 1st ex. sess. and RCW 48.12.150; amending section 5, chapter 104, Laws of 1969 as amended by section 6, chapter 163, Laws of 1973 1st ex. sess. and RCW 48.18A.050; amending section .23.20, chapter 79, Laws of 1947

and RCW 48.23.200; amending section .23.35, chapter 79, Laws of 1947 as last amended by section 5, chapter 162, Laws of 1973 1st ex. sess and RCW 48.23.350; and adding a new section to chapter 48.23 RCW."

Section 5 of this bill would establish the "Standard Nonforfeiture Law for Individual Deferred Annuities" by enacting a model law adopted by the National Association of Insurance Commissioners. I agree that our current nonforfeiture statutes are in need of some revision. I also realize that there is real value in the adoption of identical laws in many states because the economies achieved thereby can benefit both insurance companies and consumers. However, Section 5 would allow nonforfeiture amounts to be far too low relative to the premiums paid and appears to treat the consumer less favorably than our present statute.

For these reasons, I have vetoed Section 5 of House Bill No. 735.

With the exception of Section 5 which I have vetoed, the remainder of House Bill No. 735 is approved.

Respectfully submitted,
DIXY LEE RAY, Governor.

March 30, 1979

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON

Ladies and Gentlemen:

I am returning herewith without my approval as to fourteen sections, HOUSE BILL NO. 849, entitled:

"AN ACT Relating to state government;"

The purpose of the bill is to change statutory references to the "department of motor vehicles" and its predecessors to the "department of licensing." Several sections of the bill amend RCW sections which have been amended in other bills which made various substantive changes in the law and also make the same name change as House Bill No. 849. The table below sets forth the section of HB 849 vetoed, the RCW section affected, the other bill and its section number also making the name change, the date it was approved by me, and its 1979 session law chapter number.

HB 849	RCW affected	Other bill-§ No.	Chapter No.	Date Approved
§ 6	13.04.278	SSB 2768-§13	155	Mar. 29, 1979
§ 85	21.20.005	HB 795-§ 3	130	Mar. 26, 1979
§ 176	46.65.020	SB 2068-§ 1	62	Mar. 21, 1979
§ 177	46.65.030	SB 2068-§ 2	62	Mar. 21, 1979
§ 179	46.65.060	SB 2068-§ 3	62	Mar. 21, 1979
§ 180	46.65.070	SB 2068-§ 4	62	Mar. 21, 1979
§ 183	46.68.010	SB 2069-§ 1	120	Mar. 26, 1979
§ 226	82.38.020	SSB 2304-§ 2	40	Mar. 16, 1979
§ 227	82.38.075	HB 288-§ 1	48	Mar. 19, 1979
§ 228	82.38.170	SSB 2304-§13	40	Mar. 16, 1979
§ 236	82.44.120	SB 2069-§ 2	120	Mar. 26, 1979
§ 241	82.50.400	SB 2066-§ 1	123	Mar. 26, 1979

The foregoing sections of House Bill No. 849 are therefore unnecessary and have been vetoed.

Sections 178 and 243 of the bill amend RCW 46.65.050 and 82.50.471, respectively. Because section 9(2) of Senate Bill No. 2068, chapter 62, laws of 1979, approved by me on March 21, 1979, and section 5(3) of Senate Bill No. 2066, chapter 123, Laws of 1979, approved by me on March 26, 1979, repealed those sections of the RCW, sections 178 and 243 of House Bill No. 849 are therefore unnecessary.

With the exception of these fourteen sections which I have vetoed, the remainder of House Bill No. 849 is approved.

Respectfully submitted,
DIXY LEE RAY, Governor.

Mr. Polk: "I was referring to this unofficial document you referred to the body, and I find in there that you can only offer reconsideration when there is no business pending. It seems to me, although I wasn't able to find any authority under Reed's Rules or our House Rules for such a ruling, that since you have written it in here, it probably has ancient authority behind it—somewhere in a ruling in the archives. What I'm asking, Mr. Speaker, is what does it mean if there is a motion pending by Representative Taller to defer action and place it for a certain order of business? Does that motion not have to be disposed of first before a motion for reconsideration can be disposed of?"

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The motion to reconsider is a privilege motion. A motion to postpone to a day certain is a fourth ranking subsidiary motion. Due to the fact that the motion to reconsider is a privileged motion, the motion to reconsider outranks the motion to a time certain."

POINT OF INFORMATION

Speaker Berentson: "Mr. Speaker, would you indicate to us which rule that was?"

The Speaker (Mr. O'Brien presiding): "Yes, House Rule A-5."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Representative Owen to reconsider the action.

Mr. Owen spoke in favor of the motion.

POINT OF INQUIRY

Mr. Smith (R) yielded to question by Mr. Martinis.

Mr. Martinis: "Representative Smith, is this amendment to say then that if a diver is off-tract a given distance, a half mile, or a mile, that there is not a presumption that there was a violation of that tract, but a separate violation that he was harvesting geoducks independently and there's no connection to that tract?"

Mr. Smith (R): "No, Representative Martinis, this amendment would say that if a diver was off-tract and was cited for that, he would be cited, etc. If it were said that it is an act of the processors and that the processors knew about it and authorized it, then the processor would lose his license. It would raise a rebuttable presumption that the processor had authorized the diver to go off-tract. The processor would have to prove in a hearing before the Department of Natural Resources to convince the department that he did not authorize the diver and had done everything to avoid the diver or diving company from going off-tract. The department would be the determiner of whether they had met that presumption."

Mr. Martinis spoke against the amendment, and Representatives McDonald, Owen and Smith (R) spoke in favor of it.

Mr. Newhouse demanded the previous question and the demand was sustained.

Speaker Bagnariol spoke in favor of the motion.

POINT OF ORDER

Speaker Berentson: "Mr. Speaker, he started out very well, but I can see he has material on his desk and I can see he's tempted. Mr. Speaker, I plead with you to control the speaker here on the floor and make sure he speaks only to the committee action and stays away from the merits of the resolution, and I think that would involve referring to any other state, and speak only to the committee action."

The Speaker (Mr. O'Brien presiding): "Your point is well taken, Speaker Berentson."

Speaker Bagnariol concluded his remarks in favor of the motion, and Mr. Oliver spoke against it.

POINT OF INQUIRY

Speaker Berentson: "I would call your attention to the clock. It's now two minutes after 5 o'clock and the cutoff time is 5 o'clock on this day."

The Speaker (Mr. O'Brien presiding): "Your point is well taken. The cutoff does say no more consideration of House bills after 5 o'clock except for those bills containing revenue or appropriation-related matters."

POINT OF INQUIRY

Ms. Hurley yielded to question by Mr. Isaacson.

Mr. Isaacson: "Representative Hurley, as I look at the fiscal note, in the first year, it's \$18,000 and the cost is \$137,000 for the project. It would seem to me that if the value of the program was that great and the conveniences were that great, the program should be paid for by those who would profit and benefit from that. I'm wondering why the fee wasn't assessed so that the program would pay for itself?"

Ms. Hurley: "We felt that higher fees would maybe cut down the usage. We have used a very low percentage figure. We figured that thirty percent of the campers in the state would use this and already we have decided that it would probably be more than that, which would bring up the revenue on that \$3.00. In Oregon, when they put this into effect, they planned on a thirty percent usage system and it went to forty percent the first year. I want to call your attention to the benefits that will be longlasting, the five entrance stations can be used other times of the year also."

Mr. Isaacson: "It is such a convenience for the people who would like to use it, and since there are such a limited number of spaces, it would seem to me the fee should be high enough the program would pay for itself and then those who would want to take benefit of the program would be willing to pay that fee. The question is, of course, why you didn't set the fee so that it would be a self-sustaining program?"

Ms. Hurley: "The reasons we didn't set the fee for that is because there will be permanent benefits that we didn't think those fees should have to pay for. We didn't want the fee to be so high that people would be discouraged; most of them are families with children and they probably can't afford a higher fee. The first year set-up cost wouldn't be incurred again. I think you'll find it more nearly covers the cost during the second year."

Mr. Zimmerman spoke in favor of the bill.

POINT OF INQUIRY

Ms. Hurley yielded to question by Mr. Rohrbach.

Mr. Rohrbach: "Representative Hurley, would this fee be in addition to any campsite fee that would be charged to the camper?"

Ms. Hurley: "Yes, it would be and it would at first be applied to fifteen parks, but I think the reevaluation of the program in 1981 might indicate that there would be others included too."

Representatives Rohrbach and Craswell spoke against the bill, and Representatives Fuller and Hurley spoke in favor of it.

"Section 1. Section 294, page 187, Laws of 1854 as last amended by section 7, chapter 13, Laws of 1965 and RCW 5.60.060 are each amended to read as follows:

(1) A husband shall not be examined for or against his wife, without the consent of the wife, nor a wife for or against her husband without the consent of the husband; nor can either during marriage or afterward, be without the consent of the other, examined as to any communication made by one to the other during marriage. But this exception shall not apply to a civil action or proceeding by one against the other, nor to a criminal action or proceeding for a crime committed by one against the other, nor to a criminal action or proceeding for a crime committed by said husband or wife against any child of whom said husband or wife is the parent or guardian, nor to a proceeding under chapter 71.05 RCW: PROVIDED, That the spouse of a person sought to be detained under chapter 71.05 RCW may not be compelled to testify and shall be so informed by the court prior to being called as a witness.

(2) An attorney or counselor shall not, without the consent of his client, be examined as to any communication made by the client to him, or his advice given thereon in the course of professional employment.

(3) A clergyman or priest shall not, without the consent of a person making the confession, be examined as to any confession made to him in his professional character, in the course of discipline enjoined by the church to which he belongs.

(4) A regular physician or surgeon shall not, without the consent of his patient, be examined in a civil action as to any information acquired in attending such patient, which was necessary to enable him to prescribe or act for the patient, but this exception shall not apply in any judicial proceeding regarding a child's injuries, neglect or sexual abuse, or the cause thereof.

(5) A public officer shall not be examined as a witness as to communications made to him in official confidence, when the public interest would suffer by the disclosure.

Sec. 2. Section 9, chapter 117, Laws of 1973 1st ex. sess. as amended by section 8, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.090 are each amended to read as follows:

(1) If at any time during the pendency of an action and prior to judgment, the court finds following a report as provided in RCW 10.77.060, as now or hereafter amended, that the defendant is incompetent, the court shall order the proceedings against him be stayed, except as provided in subsection (5) of this section, and, if the defendant is charged with a felony, may commit the defendant to the custody of the secretary, who shall place such defendant in an appropriate facility of the department for evaluation and treatment, or the court may alternatively order the defendant to undergo evaluation and treatment at some other facility, or under the guidance and control of some other person, until he has regained the competency necessary to understand the proceedings against him and assist in his own defense, but in any event, for no longer than a period of ninety days. A copy of the report shall be sent to the facility. On or before expiration of the initial ninety day period of commitment the court shall conduct a hearing, at which it shall determine whether or not the defendant is incompetent. If the defendant is charged with a crime which is not a felony, the court may stay or dismiss proceedings and detain the defendant for sufficient time to allow the county mental health professional to evaluate the defendant and commence proceedings under chapter 71.05 RCW if appropriate; and subsections (2) and (3) of this section shall not be applicable: PROVIDED, That, upon order of the court, the prosecutor may directly petition for twenty-one days of involuntary treatment under chapter 71.05 RCW notwithstanding other provisions of law to the contrary.

(2) If the court finds by a preponderance of the evidence that the defendant is incompetent, the court shall have the option of extending the order of commitment or alternative treatment for an additional ninety day period, but it must at the time of extension set a date for a prompt hearing to determine the defendant's competency before the expiration of the second ninety day period. The defendant, his attorney, the prosecutor, or the judge shall have the right to demand that the hearing on or before the expiration of the second

ninety day period be before a jury. If no demand is made, the hearing shall be before the court. The court or jury shall determine whether or not the defendant has become competent.

(3) At the hearing upon the expiration of the second ninety day period if the jury or court, as the case may be, finds that the defendant is incompetent, the charges shall be dismissed without prejudice, and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order the release of the defendant: PROVIDED, That the criminal charges shall not be dismissed if at the end of the second ninety day period the court or jury finds that the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, and that there is a substantial probability that the defendant will regain competency within a reasonable period of time. In the event that the court or jury makes such a finding, the court may extend the period of commitment for an additional six months. At the end of said six month period, if the defendant remains incompetent, the charges shall be dismissed without prejudice and either civil commitment proceedings shall be instituted, if appropriate, or the court shall order release of the defendant.

(4) The fact that the defendant is unfit to proceed does not preclude any pretrial proceedings which do not require the personal participation of the defendant.

(5) A defendant receiving medication for either physical or mental problems shall not be prohibited from standing trial, if the medication either enables him to understand the proceedings against him and to assist in his own defense, or does not disable him from so understanding and assisting in his own defense.

(6) At or before the conclusion of any commitment period provided for by this section, the facility providing evaluation and treatment shall provide to the court a written report of examination which meets the requirements of RCW 10.77.060(3).

Sec. 3. Section 11, chapter 117, Laws of 1973 1st ex. sess. as amended by section 10, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.110 are each amended to read as follows:

If a defendant is acquitted of a felony by reason of insanity, and it is found that he is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct his final discharge. If it is found that ((the)) such defendant is a substantial danger to himself or others and in need of control by the court or other persons or institutions, the court shall order his hospitalization, or any appropriate alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter. If it is found that ((the)) such defendant is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, but that he is in need of control by the court or other persons or institutions, the court shall direct his conditional release. If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant's release or order the defendant's continued custody only for a reasonable time to allow the county-designated mental-health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate.

The mental health professional shall also designate, at the time of the summons, from a list provided by the court, an attorney who will be appointed, if any is to be appointed, and state the name, business address, and telephone number of this attorney in the summons.

(1) Whenever any person is detained for evaluation and treatment pursuant to this chapter, both he and, if possible, a responsible member of his immediate family, guardian, or conservator, if any, shall be advised as soon as possible in writing or orally, by the officer or person taking him into custody or by personnel of the evaluation and treatment facility where he is detained that unless he is released or voluntarily admits himself for treatment within seventy-two hours of the initial detention:

(a) That a judicial hearing in a superior court, either by a judge or court commissioner thereof, shall be held not more than seventy-two hours after the initial detention to determine whether there is probable cause to detain him after the seventy-two hours have expired for up to an additional ~~((fourteen))~~ twenty-one days without further automatic hearing for the reason that he is a mentally ill person whose mental disorder presents a likelihood of serious harm to others or himself or that he is gravely disabled;

(b) That he has a right to communicate immediately with an attorney; he has a right to have an attorney appointed to represent him before and at the probable cause hearing if he is indigent; and he has the right to be told the name and address of the attorney the mental health professional has designated pursuant to this chapter;

(c) That he has the right to remain silent and that any statement he makes may be used against him;

(d) That he has the right to present evidence and to cross-examine witnesses who testify against him at the probable cause hearing; and

(e) That he has the right to refuse medication beginning twenty-four hours prior to the probable cause hearing.

(2) When proceedings are initiated under RCW 71.05.150 (2), (3), or (4)(b), no later than twelve hours after such person is admitted to the evaluation and treatment facility the personnel of the evaluation and treatment facility or the designated mental health professional shall serve on such person a copy of the petition for initial detention and the name, business address, and phone number of the designated attorney and shall forthwith commence service of a copy of the petition for initial detention on said designated attorney.

(3) The judicial hearing described in subsection (1) of this section is hereby authorized, and shall be held according to the provisions of subsection (1) of this section and rules promulgated by the supreme court.

Sec. 12. Section 26, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 4, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.210 are each amended to read as follows:

Each person involuntarily admitted to an evaluation and treatment facility shall, within twenty-four hours of his admission, be examined and evaluated by a licensed physician and a mental health professional as defined in this chapter, and shall receive such treatment and care as his condition requires including treatment on an outpatient basis for the period that he is detained, except that, beginning twenty-four hours prior to a court proceeding, the individual may refuse all but emergency life-saving treatment, and the individual shall be informed at an appropriate time of his right to such refusal of treatment. Such person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his professional designee, the person presents a likelihood of serious harm to himself or others, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

An evaluation and treatment center admitting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated county mental health professional and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than ~~((fourteen))~~ twenty-one days.

Sec. 13. Section 28, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 5, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.230 are each amended to read as follows:

A person detained for seventy-two hour evaluation and treatment may be detained for not more than ~~((fourteen))~~ twenty-one additional days of either involuntary intensive treatment or of a less restrictive alternative to involuntary intensive treatment if the following conditions are met:

(1) The professional staff of the agency or facility providing evaluation services has analyzed the person's condition and finds that said condition is caused by mental disorder and either results in a likelihood of serious harm to the person detained or to others, or results in the detained person being gravely disabled and are prepared to testify those conditions are met; and

(2) The person has been advised of the need for voluntary treatment and the professional staff of the facility has evidence that he has not in good faith volunteered; and

(3) The facility providing intensive treatment is certified to provide such treatment by the department of social and health services; and

(4) The professional staff of the agency or facility or the mental health professional designated by the county has filed a petition for ((fourteen)) twenty-one day involuntary detention or a less restrictive alternative with the court. The petition must be signed either by two physicians or by one physician and a mental health professional who have examined the person. If involuntary detention is sought the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled and that there are no less restrictive alternatives to detention in the best interest of such person or others. If an involuntary less restrictive alternative is sought, the petition shall state facts that support the finding that such person, as a result of mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled and shall set forth the less restrictive alternative proposed by the facility; and

(5) A copy of the petition has been served on the detained person, his attorney and his guardian or conservator, if any, prior to the probable cause hearing; and

(6) The court at the time the petition was filed and before the probable cause hearing has appointed counsel to represent such person if no other counsel has appeared; and

(7) The court has ordered a ((fourteen)) twenty-one day involuntary treatment after a probable cause hearing has been held pursuant to RCW 71.05.240.

Sec. 14. Section 29, chapter 142, Laws of 1973 1st ex. sess. as amended by section 16, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.240 are each amended to read as follows:

If a petition is filed for ((fourteen)) twenty-one day involuntary treatment, the court shall hold a probable cause hearing within seventy-two hours of the initial detention of such person as determined in RCW 71.05.180, as now or hereafter amended. If requested by the detained person or his attorney, the hearing may be postponed for a period not to exceed forty-eight hours. The hearing may also be continued subject to the conditions set forth in RCW 71.05.210 or subject to the petitioner's showing of good cause for a period not to exceed twenty-four hours.

At the conclusion of the probable cause hearing, if the court finds by a preponderance of the evidence that such person, as the result of mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled, and, after considering less restrictive alternatives to involuntary detention and treatment, finds that no such alternatives are in the best interests of such person or others, the court shall order that such person be detained for involuntary treatment not to exceed ((fourteen)) twenty-one days in a facility certified to provide treatment by the department of social and health services. If the court finds that such person, as the result of a mental disorder, presents a likelihood of serious harm to others or himself, or is gravely disabled, but that treatment in a less restrictive setting than detention is in the best interest of such person or others, the court shall order an appropriate less restrictive course of treatment for not to exceed ((fourteen)) twenty-one days.

The court shall specifically state to such person and give such person notice in writing that if involuntary treatment beyond the ((fourteen)) twenty-one day period is to be sought, such person will have the right to a full hearing or jury trial as required by RCW 71.05.310.

Sec. 15. Section 30, chapter 142, Laws of 1973 1st ex. sess. as amended by section 17, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.250 are each amended to read as follows:

At the probable cause hearing the detained person shall have the following rights in addition to the rights previously specified:

- (1) To present evidence on his behalf;
- (2) To cross-examine witnesses who testify against him;
- (3) To be proceeded against by the rules of evidence;
- (4) To remain silent;
- (5) To view and copy all petitions and reports in the court file.

The physician-patient privilege shall be deemed waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that it is unreasonable for the petitioner seeking ((fourteen)) twenty-one day involuntary treatment to obtain a sufficient evaluation of the detained person by a psychiatrist or psychologist or other health professional and such waiver is necessary in the opinion of the court to protect either the detained person or the public.

Whenever the physician-patient privilege is deemed waived pursuant to this section, the waiver shall be limited to the introduction of relevant and competent medical records or testimony of an evaluation or treatment facility or its staff, a facility of the department of social and health services or its staff, or a facility certified for ninety-day treatment by the department of social and health services or its staff for the purpose of meeting evaluation requirements contained in chapter 10.77 RCW and chapter 71.12 RCW: PROVIDED HOWEVER, That the physician-patient privilege shall not be waived if the physician specifically identifies himself to the detained person as one who is communicating with that person for treatment only: AND PROVIDED FURTHER, That the privilege shall not extend to incident reports involving the detained person.

The record maker shall not be required to testify in order to introduce medical records of the detained person so long as the requirements of RCW 5.45.020 are met except that portions of the record which contains opinions as to the detained person's mental state must be deleted from such records unless the person making such conclusions is available for cross-examination.

Sec. 16. Section 31, chapter 142, Laws of 1973 1st ex. sess. as amended by section 18, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.260 are each amended to read as follows:

(1) Involuntary treatment ordered at the time of the probable cause hearing shall be for no more than ((fourteen)) twenty-one days, and shall terminate sooner when, in the opinion of the professional person in

charge of the facility or his professional designee, (a) the person no longer constitutes a likelihood of serious harm to himself or others, or (b) no longer is gravely disabled, or (c) is prepared to accept voluntary treatment upon referral, or (d) is to remain in the facility providing intensive treatment on a voluntary basis.

(2) A person who has been detained for ~~((fourteen))~~ twenty-one days of intensive treatment shall be released at the end of the ~~((fourteen))~~ twenty-one days unless one of the following applies: (a) Such person agrees to receive further treatment on a voluntary basis; or (b) such person is a patient to whom RCW 71.05.280 is applicable.

Sec. 17. Section 33, chapter 142, Laws of 1973 1st ex. sess. as amended by section 19, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.280 are each amended to read as follows:

At the expiration of the ~~((fourteen))~~ twenty-one day period of intensive treatment, a person may be confined for further treatment pursuant to RCW 71.05.320 for an additional period, not to exceed ninety days if:

(1) Such person has threatened, attempted, or inflicted physical harm upon ~~((the person of another or))~~ himself or the person or property of another after having been taken into custody for evaluation and treatment, and, as a result of mental disorder presents a likelihood of serious harm to others or himself; or

(2) Such person was taken into custody as a result of conduct in which he attempted or inflicted physical harm upon ~~((the person of another or))~~ himself or the person or property of another, and continues to present, as a result of mental disorder, a likelihood of serious harm to others or himself; or

(3) Such person ~~((is in custody because he))~~ has been determined to be incompetent and criminal charges have been dismissed pursuant to RCW 10.77.090(3), as now or hereafter amended, and has committed acts constituting a felony, and as a result of a mental disorder, presents a substantial likelihood of repeating similar acts. In any proceeding pursuant to this subsection it shall not be necessary to show intent, willfulness, or state of mind as an element of the felony; or

(4) Such person is gravely disabled.

For the purposes of this chapter 'custody' shall mean involuntary detention under the provisions of this chapter or chapter ~~((+0-76))~~ 10.77 RCW, uninterrupted by any period of unconditional release from a facility providing involuntary care and treatment.

Sec. 18. Section 34, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 6, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.290 are each amended to read as follows:

(1) At any time during a person's ~~((fourteen))~~ twenty-one day intensive treatment period, the professional person in charge of a treatment facility or his professional designee or the designated county mental health professional may petition the superior court for an order requiring such person to undergo an additional period of treatment. Such petition must be based on one or more of the grounds set forth in RCW 71.05.280.

(2) The petition shall summarize the facts which support the need for further confinement and shall be supported by affidavits signed by two examining physicians, or by one examining physician and examining mental health professional. The affidavits shall describe in detail the behavior of the detained person which supports the petition and shall explain what, if any, less restrictive treatments which are alternatives to detention are available to such person, and shall state the willingness of the affiant to testify to such facts in subsequent judicial proceedings under this chapter.

(3) If a person has been determined to be incompetent pursuant to RCW 10.77.090(3) as now existing or hereafter amended, then the professional person in charge of the treatment facility or his professional designee or the county designated mental health professional may directly file a petition for ninety day treatment under RCW 71.05.280(3). No petition for initial detention or ~~((fourteen))~~ twenty-one day detention is required before such a petition may be filed.

Sec. 19. Section 37, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 9, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.320 are each amended to read as follows:

(1) If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven and that the best interests of the person or others will not be served by a less restrictive treatment which is an alternative to detention, the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services for a further period of intensive treatment not to exceed ninety days from the date of judgment. An order for treatment less restrictive than involuntary detention may include conditions, and if such conditions are not adhered to, the designated mental health professional may order the person apprehended under the terms and conditions of RCW 71.05.340 as now or hereafter amended.

If the court or jury finds that grounds set forth in RCW 71.05.280 have been proven, but finds that treatment less restrictive than detention will be in the best interest of the person or others, then the court shall remand him to the custody of the department of social and health services or to a facility certified for ninety day treatment by the department of social and health services or to a less restrictive alternative for a further period of less restrictive treatment not to exceed ninety days from the date of judgment.

(2) Said person shall be released from involuntary treatment at the expiration of ninety days unless the superintendent or professional person in charge of the facility in which he is confined, or in the event of a less restrictive alternative, the designated mental health professional, files a new petition for involuntary treatment on the grounds that the committed person;

(a) Has threatened, attempted, or inflicted physical harm upon the person or property of another during the current period of court ordered treatment and, as a result of mental disorder presents a likelihood of serious harm to others; or

(b) Was taken into custody as a result of conduct in which he attempted or inflicted serious physical harm upon the person or property of another, and continues to present, as a result of mental disorder a likelihood of serious harm to others; or

(c) Is in custody pursuant to RCW 71.05.280(3) and as a result of mental disorder presents a substantial likelihood of repeating similar acts; or

(d) Continues to be gravely disabled.

If the conduct required to be proven in subsections (b) and (c) of this section was found by a judge or jury in a prior trial under this chapter, it shall not be necessary to reprove that element. Such new petition for involuntary treatment shall be filed and heard in the superior court of the county of the facility which is filing the new petition for involuntary treatment unless good cause is shown for a change of venue. The cost of the proceedings shall be borne by the state.

The hearing shall be held as provided in RCW 71.05.310, and if the court or jury finds that the grounds for additional confinement as set forth in this subsection are present, the court may order the committed person returned for an additional period of treatment not to exceed one hundred eighty days from the date of judgment. At the end of the one hundred eighty day period of commitment, the committed person shall be released unless a petition for another one hundred eighty day period of continued treatment is filed and heard in the same manner as provided herein above. Successive one hundred eighty day commitments are permissible on the same grounds and pursuant to the same procedures as the original one hundred eighty day commitment. No person committed as herein provided may be detained unless a valid order of commitment is in effect. No order of commitment can exceed one hundred eighty days in length.

Sec. 20. Section 39, chapter 142, Laws of 1973 1st ex. sess. as amended by section 24, chapter 145, Laws of 1974 ex. sess. and RCW 71.05.340 are each amended to read as follows:

(1) When in the opinion of the superintendent or the professional person in charge of the hospital or facility providing involuntary treatment, the committed person can be appropriately served by outpatient care prior to the expiration of the period of commitment, then such outpatient care may be required as a condition for early release for a period which, when added to the inpatient treatment period, shall not exceed the period of commitment. If the hospital or facility designated to provide outpatient care is other than the facility providing involuntary treatment, the outpatient facility so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated county mental health professional in the county in which the patient is to receive outpatient treatment, and to the court of original commitment.

(2) The hospital or facility designated to provide outpatient care or the secretary may modify the conditions for continued release when such modification is in the best interest of the person. Notification of such changes shall be sent to all persons receiving a copy of the original conditions.

(3) If the hospital or facility designated to provide outpatient care, the designated county mental health professional or the secretary determines that a conditionally released person is failing to adhere to the terms and conditions of his release, (~~and because of that failure has become a substantial danger to himself or other persons;~~) then, upon notification by the hospital or facility designated to provide outpatient care, or on his own motion, the designated county mental health professional or the secretary may order that the conditionally released person be apprehended and taken into custody and temporarily detained in an evaluation and treatment facility in or near the county in which he is receiving outpatient treatment until such time, not exceeding five days, as a hearing can be scheduled to determine whether or not the person should be returned to the hospital or facility from which he had been conditionally released. The designated county mental health professional or the secretary may modify or rescind such order at any time prior to commencement of the court hearing. The court that originally ordered commitment shall be notified within two judicial days of a person's detention under the provisions of this section, and the designated county mental health professional or the secretary shall file his petition and order of apprehension and detention with the court and serve them upon the person detained. His attorney, if any, and his guardian or conservator, if any, shall receive a copy of such papers as soon as possible. Such person shall have the same rights with respect to notice, hearing, and counsel as for an involuntary treatment proceeding, except as specifically set forth in this section and except that there shall be no right to jury trial. The issues to be determined shall be whether the conditionally released person did or did not adhere to the terms and conditions of his release; and, if he failed to adhere to such terms and conditions, whether the conditions of release should be modified or the person should be returned to the facility. Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or shall be returned for involuntary treatment on an inpatient basis subject to release at the end of the period for which he was committed for involuntary treatment, or otherwise in accordance with the provisions of this chapter. Such hearing may be waived by the person and his counsel and his guardian or conservator, if any, but shall not be waivable unless all such persons agree to waive, and upon such waiver the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

(4) The proceedings set forth in subsection (3) of this section may be initiated by the designated county mental health professional or the secretary on the same basis set forth therein without requiring or ordering the apprehension and detention of the conditionally released person, in which case the court hearing shall take place in not less than fifteen days from the date of service of the petition upon the conditionally released person.

Upon expiration of the period of commitment, or when the person is released from outpatient care, notice in writing to the court which committed the person for treatment shall be provided.

Sec. 21. Section 44, chapter 142, Laws of 1973 1st ex. sess. as last amended by section 10, chapter 199, Laws of 1975 1st ex. sess. and RCW 71.05.390 are each amended to read as follows:

The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services to either voluntary or involuntary recipients of services at public or private agencies shall be confidential.

Information and records may be disclosed only:

(1) In communications between qualified professional persons to meet the requirements of this chapter, in the provision of services or appropriate referrals, or in the course of guardianship proceedings. The consent of the patient, or his guardian, must be obtained before information or records may be disclosed by a professional person employed by a facility to a professional person, not employed by the facility, who does not have the medical responsibility for the patient's care or who is not a designated county mental health professional or who is not involved in providing services under the community mental health services act, chapter 71.24 RCW;

(2) When the communications regard the special needs of a patient and the necessary circumstances giving rise to such needs and the disclosure is made by a facility providing outpatient services to the operator of a care facility in which the patient resides;

(3) When the person receiving services, or his guardian, designates persons to whom information or records may be released, or if the person is a minor, when his parents make such designation;

~~((3))~~ (4) To the extent necessary for a recipient to make a claim, or for a claim to be made on behalf of a recipient for aid, insurance, or medical assistance to which he may be entitled;

~~((4))~~ (5) For program evaluation and/or research: PROVIDED, That the secretary of social and health services adopts rules for the conduct of such evaluation and/or research. Such rules shall include, but need not be limited to, the requirement that all evaluators and researchers must sign an oath of confidentiality substantially as follows:

'As a condition of conducting evaluation or research concerning persons who have received services from (fill in the facility, agency, or person) I,, agree not to divulge, publish, or otherwise make known to unauthorized persons or the public any information obtained in the course of such evaluation or research regarding persons who have received services such that the person who received such services is identifiable.

I recognize that unauthorized release of confidential information may subject me to civil liability under the provisions of state law.

/s/

~~((5))~~ (6) To the courts as necessary to the administration of this chapter.

~~((6))~~ (7) To law enforcement officers or public health officers necessary to carry out the responsibilities of their office: PROVIDED, That

(a) Only the fact and date of admission, the fact and date of discharge, and the last known address shall be disclosed upon request; and

(b) The law enforcement and public health officers shall be obligated to keep such information confidential in accordance with this chapter; and

(c) Additional information shall be disclosed only after giving notice to said person and his counsel and upon a showing of clear, cogent and convincing evidence that such information is necessary and that appropriate safeguards for strict confidentiality are and will be maintained: PROVIDED HOWEVER, That in the event the said person has escaped from custody, said notice prior to disclosure is not necessary and that the facility from which the person escaped shall include an evaluation as to whether the person is of danger to persons or property and has a propensity toward violence.

~~((7))~~ (8) To the attorney of the detained person.

The fact of admission, as well as all records, files, evidence, findings, or orders made, prepared, collected, or maintained pursuant to this chapter shall not be admissible as evidence in any legal proceeding outside this chapter without the written consent of the person who was the subject of the proceeding. The records and files maintained in any court proceeding pursuant to this chapter shall be confidential and available subsequent to such proceedings only to the person who was the subject of the proceeding or his attorney. In addition, the court may order the subsequent release or use of such records or files only upon good cause shown if the court finds that appropriate safeguards for strict confidentiality are and will be maintained.

NEW SECTION. Sec. 22. There is added to chapter 72.23 RCW a new section to read as follows:

The department is directed to establish at each state hospital a procedure, including the necessary resources, to provide temporary residential observation and evaluation of persons who request treatment, unless admitted under RCW 72.23.070. It is the intent of the legislature that temporary observation and evaluation as described in this section be provided in all cases except where an alternative such as: (1) Delivery to treatment outside the hospital, or (2) no need for treatment is clearly indicated.

NEW SECTION. Sec. 23. There is appropriated from the general fund to the department of social and health services for the biennium ending June 30th 1981, the sum of four million dollars, or so much thereof as shall be necessary, to carry out the purposes of this act.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Ehlers.

Mr. Ehlers: "Does this relate to just the extracurricular activities and/or field trips or does it apply to all transportation?"

Mr. Chandler: "This amendment brings the transportation bill—Substitute House Bill No. 557—into compliance with the budget where we decided that extracurricular transportation would be funded at the level of fifty percent. I might point out that there was some debate and some question while we were on the budget and some confusion as to what extracurricular was and what we were funding. I'd like to call your attention to page 5, lines 25 through 29, where it says, 'For trips originating at and returning to a learning center...' What that means is that trips from the school to a point—for instance, the State Legislature, or any other place where the students are going to do this that is basic to their education—we are going to fund at one hundred percent. That is a field trip. Extracurricular activities do not qualify as basic education or basic to the basic education, and we are funding that at fifty percent. That's all this amendment affects. It does not apply to the previous section I mentioned."

Mr. Ehlers spoke against the amendment, and Mr. Heck spoke in favor of it.

The amendment was adopted.

The bill was ordered engrossed.

On motion of Mr. King, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 557 was placed on final passage.

THIRD READING

SUBSTITUTE SENATE BILL NO. 2058, as amended by the House, by Committee on Natural Resources (originally sponsored by Senators Peterson, Donohue, Benitz and Conner - by Department of Natural Resources request):

Regulating leasing of public lands.

The bill was read the third time and placed on final passage.

Mr. Schmitt spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Schmitt yielded to question by Mr. Dawson.

Mr. Dawson: "Representative Schmitt, in the event that Substitute Senate Bill No. 2058 should pass, could you briefly describe the differences in the manner in which uplands are appraised, assessed, and rental fees are established as compared to the manner in which marine lands are appraised and rental fees established?"

Mr. Schmitt: "This bill exclusively deals with the assessment of uplands. Those are assessed from the fair market of the rental return rate. They are initially bidded at that position and after that point it's through negotiation. The difference is the statute explicitly takes out what are called harbor areas. Harbor areas stand alone. Their rent assessment is through the process originally as fair market except every five years they are reassessed and that's very important to those that have harbor areas. This bill does not speak to those statutes, they stand alone."

POINT OF INQUIRY

Mr. Schmitt yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Schmitt, we had another bill that dealt with housing, public financing of housing. Do you see this bill as in any way directly related to the fact that the state could be going into the housing business and, therefore, public lands would be very much available as a means of getting a larger return for the state, maximizing its income by the building of public housing on public lands?"

Mr. Schmitt: "Very simply stated, no. It was not the intent of the legislation to ease state lands for public housing or was it ever brought up during the committee hearings. I don't see that purpose. It would be this one feature, in residential leases it would extend from fifteen years to ninety-nine years, allowing more people to take advantage of house terms, say every

thirty-five years. The lending institutions could therefore loan on those homes to owner number 2 or possibly to owner number 3. That is the only area in which this would potentially help a person owning a home on state leased land."

POINT OF INQUIRY

Mr. Burns yielded to question by Mr. Addison.

Mr. Addison: "Representative Burns, for the purpose of establishing legislative intent, we have certain limited resources, and that's been debated on the floor today as to how much it's going to be. I don't want to get into that, but to establish the intent of the bill, is it your intent that those families meeting the minimum requirements under the various sections of the bill be served first by the Housing Commission?"

Mr. Burns: "I think those families would be served along with the other families who qualify, Representative Addison."

Mr. Addison: "Perhaps I can clarify my question. If there's a continuum of families within a certain section of the bill — and it is generally the income level that determines need in the bill — on that spectrum, it would be my hope that those who fall in the bottom twenty-five percent of the income level would be served first before those families in the top ten percent of the income level have access to the loan provided through this bill. Is that your intent?"

Mr. Burns: "That would be a desirable goal, Representative Addison, but the intent, as I have expressed, would be that individuals would qualify on an individual basis through mortgage firms supported by the money coming from the Commission itself. If they were within that lower twenty-five percent and they qualified, then, yes, they would be served, but not to the exception of others who qualify."

Mr. Jovanovich spoke in favor of the bill, and Ms. Teutsch spoke against it.

Mr. King demanded the previous question, and a division was called.

SECOND READING

HOUSE BILL NO. 227, by Representatives Heck, Chandler, Sommers, Bauer, Ehlers, Bender, Scott and Charnley:

Changing limitations on amount of excess funds levied for school district maintenance and operations.

The bill was read the second time.

On motion of Mr. Heck, Substitute House Bill No. 227 was substituted for House Bill No. 227, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 227 was read the second time.

On motion of Mr. Heck, the following amendment by Representatives Heck and Chandler was adopted:

On page 3, line 20 strike subsection (4) and insert the following:

"(4) Any school district whose average salary for certificated or classified personnel respectively is below statewide average salary level for certificated or classified personnel during the preceding school year, may collect and expend property taxes authorized by this section, or under RCW 84.52.052, for the purpose of increasing such district's average salary for certificated or classified personnel up to but not to exceed the statewide average salary for certificated or classified personnel for the preceding school year. 'Salary,' for purposes of this subsection, shall mean average salary for classified personnel of a school district and base salary for certificated personnel of a school district, as defined in the biennial appropriations act of the legislature."

The Clerk read the following amendment by Representative Chandler:

On page 3, beginning on line 20 strike everything through line 32.

Renumber the remaining subsections.

With the consent of the House, Mr. Chandler withdrew the amendment.

Ms. Sommers moved adoption of the following amendment by Representatives Sommers, Taller, Galloway, Whiteside and Schmitten:

On page 4, line 33 strike "seven" and insert "six"

Representatives Sommers and Taller spoke in favor of the amendment, and Representatives Chandler and Taylor spoke against it.

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Salatino.

Mr. Salatino: "Representative Sommers, you mentioned that we passed, in the budget, a forty-seven percent increase in school funding. Are these new dollars and are we seeing by the appropriation at this place on the House floor, an increase in school districts around the state, of 47% in the budget?"

Ms. Sommers: "Part of that is inflation, but a great deal is additional funding. \$700 million to move to full funding and then all those other additions—the addition in transportation money—we went from \$90 to \$153—the significant addition in handicapped money, the addition of funds for remedial, for bilingual, and so on. Part of the 47% increase is, of course, inflation, probably 14% to 15%, but the rest is increased funding and significantly enriched programs for those districts."

Mr. Chandler yielded to question by Mr. Salatino.

Mr. Salatino: "Representative Chandler, I guess the point where I'm confused on the 47% increase that the House dealt with, is how much of these dollars is simply a transfer from the phase—in that we're talking about to fund basic education, phased in from diminishing of local moneys to the state picking up the rest of those dollars?"

Mr. Chandler: "In terms of apportionment, the total increase, if you use the concept of 85% of funding, and projected that through the 1979–80 school year, the actual increase would be 3.9%. The rest of the money is replacement money that's being raised in the local districts now and is being assumed by the state. There are some increases in handicapped education and a couple of minor areas, but in total there is very little increase in the amount of money the school districts will be getting. I might also point out that even where there is an increase—for example, in handicapped—the grandfather districts do not benefit in that because they are already lidded at 104% and all you do when you put out more state money is deflate local levy money and their capacity is not increased by a single dime."

Mr. Heck spoke against the amendment.

The amendment was not adopted.

Speaker Berentson called on Mr. Newhouse to preside.

On motion of Mr. Heck, the following amendment by Representatives Heck and Chandler was adopted:

On page 4, line 31 after "allocation" strike all the material down to and including "1980" on line 1 on page 5, and insert "and the state allocation, exclusive of federal funds, for the programs referenced in subsection (2)(c) of this section is equal to but does not exceed one hundred and four percent for the 1978–79 school year and one hundred and seven percent thereafter of the previous school year's comparable dollars per annual average full time equivalent student: PROVIDED FURTHER, That for the 1979–80 school year"

Mr. Polk moved adoption of the following amendment by Representatives Polk, Dunlap, Patterson and Vrooman:

On page 5, line 3 following "least" strike "four percent, or three hundred" and insert "two percent, or one hundred fifty"

Representatives Polk and Ehlers spoke in favor of the amendment, and Mr. Heck spoke against it.

Mr. Polk spoke again in favor of the amendment, and Mr. Heck again opposed it.

The House resumed consideration of Substitute House Bill No. 227 on second reading.

MOTION FOR RECONSIDERATION

Mr. Clayton, having voted on the prevailing side, moved that the House reconsider the vote by which the amendment to page 5, line 31 by Representative Polk and others failed to pass the House.

Mr. Polk spoke in favor of the motion.

POINT OF ORDER

Mr. Heck: "The motion is to reconsider and he's speaking to the merits of the issue."

Speaker Berentson: "Representative Polk, would you like to continue."

Mr. Polk concluded his remarks in favor of the motion.

ROLL CALL

Not voting: Representatives Barr, Ehlers, Knowles, Kreidler.

Speaker Berentson declared the question before the House to be the amendment by Representatives Polk, Dunlap, Patterson and Vrooman.

Mr. Polk spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Knowles.

Mr. Knowles: "It's been rather vague about the number of school districts being impacted, and you made reference about the city of Spokane and in particular, reference to West Valley School District in Spokane, which has an enrollment of approximately 900 and is decreasing. Would this impact them at the present time or in the future?"

Mr. Polk: "My understanding is that it is one of the districts that would be impacted."

Mr. Knowles: "Immediately?"

Mr. Polk: "I'm not sure, but I believe it would be impacted this year."

POINT OF INQUIRY

Mr. Salatino yielded to question by Mr. Knowles.

Mr. Knowles: "Representative Salatino, somehow I have the indication that you made a similar survey. Would you agree with that answer?"

Mr. Salatino: "The information I received this afternoon is that there are only three school districts that are affected by this particular amendment and the information we looked into was that no school districts in the Spokane area were directly affected."

Mr. Taylor spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Taylor yielded to question by Mr. Knowles.

Mr. Knowles: "I believe Representative Polk answered my question that it would definitely affect that particular district immediately. Are you disputing that?"

Mr. Taylor: "When you say 'immediately,' Representative Knowles, I guess I don't know what you mean, because immediately means tomorrow."

Mr. Knowles: "I would mean the next time a levy lid goes into effect."

Mr. Taylor: "It's very likely that next fall if the present projection at the 150 level stands, yes, we could be affected, however, you turn that around and the enrollment may go up, but at the present time I would have to say yes."

Representatives Sommers and Heck spoke against the amendment, and Representatives Polk and Ehlers spoke in favor of it.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representative Polk and others to page 5 of Substitute House Bill No. 227, and the amendment was not adopted by the following vote: Yeas, 44; nays, 52; not voting, 1.

Voting yea: Representatives Addison, Amen, Barnes, Berentson, Blair, Bond, Chandler, Charnley, Dawson, Dunlap, Eberle, Ehlers, Fancher, Fuller, Greengo, Haley, Hastings, Houchen, Isaacson, McDonald, McGinnis, Mitchell, Nelson G. A., Nisbet, Oliver, Patterson, Polk, Rohrbach, Rosbach, Sanders, Schmitt, Smith C. P., Sprague, Struthers, Taller, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vrooman, Williams, Wilson, Winsley.

Voting nay: Representatives Adams, Bagnariol, Bauer, Becker, Bender, Brekke, Brown, Burns, Clayton, Craswell, Deccio, Douthwaite, Eng, Erak, Erickson, Flanagan, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hughes, Hurley, Jovanovich, Keller, King, Knowles, Lux, Martinis, Maxie, May, McCormick, Monohon, Nelson D., Newhouse, North, O'Brien, Owen, Pruitt, Salatino, Scott, Sherman, Smith R., Sommers, Thompson, Valle, Walk, Warnke, Whiteside, Zimmerman.

Not voting: Representatives Barr, Kreidler.

Mr. Thompson moved adoption of the following amendments:

On page 2, line 21 strike "average" and insert "((average))"

On page 2, line 23 after "district" insert "beyond the increases authorized in the biennial appropriations act"

Mr. Thompson spoke in favor of the amendments.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Chandler.

Mr. Chandler: "Representative Thompson, the language that concerns me is in your amendment on page 2, line 23. I don't have any reason to vote against this amendment unless my suspicions are correct that this could perhaps be interpreted that absent language in the budget restricts the use of funds other than what's appropriated for salary purposes. In the absence of that language in the budget, then you could, under the language of your amendment, use a levy to increase salaries and fringe benefits. Further, I still don't understand the necessity of referencing the budget act when it's already very clear that the restriction is on salary and fringe benefits, period, whether on the budget or not.

Mr. Thompson: "I think it's important and much more workable to relate this bill to whatever we do in the budget act in any given budget. We changed our methodology this session over what we did two years ago, and very probably we will be tuning this up every time we meet and refining our policy with regard to what salary administration in the K-12 area gets. The language in this bill would simply acknowledge that the control over what happens there is what we decide biennially in the budget."

Mr. Chandler: "Representative Thompson, what I'm after is a yes or no. If, for some reason, the Senate does not include, and the Legislature does not eventually adopt, budget language which restricts salaries to only those funds which are appropriated for that, we should

strike that language somehow out of the budget, would that, under the terms of your amendment, mean that special levies could be used to increase salaries?"

Mr. Thompson: "No, it would not. This act would be controlling over the budget bill."

Mr. Chandler spoke against the amendments.

MOTION

Mr. Dunlap moved that the question be divided and the two amendments be considered separately.

MOTION

On motion of Mr. Polk, the House adjourned until 11:00 a.m., Friday, April 6, 1979.

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 2023, Prime Sponsor: Senator Donohue, creating a personnel appeals board and setting out its powers and duties. Reported by Committee on State Government.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Section 1. (1) There is hereby created a 'personnel appeals board,' hereinafter in this chapter referred to as the 'board,' which shall consist of three members to be appointed by the governor, subject to confirmation by the senate: PROVIDED, That no member appointed when the legislature is not in session shall continue to be a member of the board after the thirtieth day of the next legislative session unless his appointment shall have been approved by the senate. The first board shall be appointed within thirty days after the effective date of this amendatory act for terms of two, four and six years. Each odd-numbered year thereafter the governor shall appoint a member for a six-year term. In case of a vacancy, it shall be filled by appointment by the governor for the unexpired term in which said vacancy exists. Persons appointed to the board shall be qualified by experience and training in the field of administrative procedures and merit principles. Such members:

(a) Shall not hold any other employment with the state;

(b) Shall not during the terms to which they are appointed be or become candidates for public office, hold any other public office or trust, engage in any occupation or business which interferes, or is inconsistent, with their duties as members of the board, serve on or under any committee of any political party, and shall not have been officers of a political party for a period of one year immediately prior to their appointment; and

(c) Shall not for a period of one year after the termination of their membership on the board, act in a representative capacity before the board on any matter.

(2) Unless the context clearly indicates otherwise, the following definitions shall apply to this chapter:

(a) 'Agency' or 'institution' means any agency as defined in RCW 41.06.020 and any institution of higher education as defined in RCW 28B.16.020;

(b) For appeals filed on or after July 1, 1979, under section 9 of this 1979 act, 'board' or 'personnel appeals board' means the personnel appeals board created by section 1 of this 1979 act;

(c) For purposes of sections 8 through 14 of this 1979 act for appeals filed before July 1, 1979, under RCW 41.06.170, as it existed prior to or after the effective date of this act, 'board' or 'personnel appeals board' means the state personnel board created by RCW 41.06.110;

(d) For purposes of sections 8 through 14 of this 1979 act for appeals filed before July 1, 1979, under RCW 28B.16.120, as it existed prior to or after the effective date of this act, 'board' or 'personnel appeals board' means the higher education personnel board created by RCW 28B.16.060.

NEW SECTION. Sec. 2. Any member of the board may be removed for inefficiency, malfeasance or misfeasance in office, upon specific written charges filed by the governor, who shall transmit such written charges to the member accused and to the chief justice of the supreme court. The chief justice shall thereupon designate a tribunal composed of three judges of the superior court to hear and adjudicate the charges. Such tribunal shall fix the time of the hearing, which shall be public, and the procedure for the hearing, and the decision of such tribunal shall be final and not subject to review by the supreme court. Removal of any member of the board by the tribunal shall disqualify such member for reappointment.

NEW SECTION. Sec. 3. The board shall operate on either a part time or a full time basis, as determined by the governor. If it is determined that the board shall operate on a full time basis, each member of the board shall receive an annual salary to be determined by the governor. If it is determined that the board shall operate on a part time basis, each member of the board shall receive compensation on the basis of seventy-five dollars for each day spent in performance of his duties, but such compensation shall not exceed twelve thousand dollars in a fiscal year. Each board member shall receive reimbursement for travel expenses incurred in the discharge of his duties in accordance with RCW 43.03.050 and 43.03.060, as now or hereafter amended.

NEW SECTION. Sec. 4. The board shall, as soon as practicable after the initial appointment of the members thereof, meet and elect from among its members a chairman, and shall at least biennially thereafter meet and elect such a chairman.

NEW SECTION. Sec. 5. The board may appoint and discharge an executive secretary. The executive secretary may appoint and discharge a clerk, and such other clerical, professional and technical assistants as may be necessary.

NEW SECTION. Sec. 6. The principal office of the board shall be at the state capital, but it may sit or hold hearings at any other place in the state. A majority of the board shall constitute a quorum for making orders or decisions, promulgating rules and regulations necessary for the conduct of its powers and duties, or transacting other official business, and may act though one position on the board be vacant. One or more

members may hold hearings and take testimony to be reported for action by the board when authorized by rule or order of the board. The board shall perform all the powers and duties specified in this chapter or as otherwise provided by law.

NEW SECTION. Sec. 7. The board shall maintain at its principal office a journal which shall contain all official actions of the board, with the exception of findings and decisions, together with the vote of each member on such actions. The journal shall be available for public inspection at the principal office of the board at all reasonable times.

NEW SECTION. Sec. 8. The board may appoint one or more hearings examiners to preside over, conduct and make recommended decisions, including findings of fact and conclusions of law in all cases of employee appeals to the board. The hearings examiner shall conduct hearings in the same manner and shall have the same authority as provided in hearings by the board. The recommended decisions shall be forthwith served upon the parties and transmitted to the board together with the record of the evidence. Within thirty days of service of the recommended decision, any party adversely affected may file exceptions, and thereafter all parties may present written and oral argument to the board, which shall consider the whole record or such portions thereof as may be cited by the parties.

NEW SECTION. Sec. 9. The board shall have jurisdiction to decide the following types of appeals filed on or after July 1, 1979:

(1) Appeals of employees under the jurisdiction of the higher education personnel board pursuant to RCW 28B.16.120, as now or hereafter amended; and

(2) Appeals of employees under the jurisdiction of the state personnel board pursuant to RCW 41.06.170, as now or hereafter amended.

NEW SECTION. Sec. 10. (1) In all appeals over which the board has jurisdiction involving reduction, dismissal, suspension or demotion, the board shall set the case for hearing and the final decision, including an appeal to the board from the hearing examiner, if any, shall be rendered within ninety days from the date the appeal was first received: PROVIDED, That an extension may be permitted if agreed to by the employee and the employing agency. The board shall furnish the agency or institution of higher education with a copy of the appeal in advance of the hearing.

(2) In all appeals over which the board has jurisdiction which are made pursuant to RCW 28B.16.120(3) or 41.06.170(3), each as now or hereafter amended, the decision of the board shall be final, and not appealable to court.

NEW SECTION. Sec. 11. Hearings on such appeals shall be open to the public, except for cases in which the board determines there is substantial reason for not having an open hearing, or in cases where the employee so requests, and shall be informal with technical rules of evidence not applying to the proceedings except the rules of privilege recognized by law. Both the employee and his appointing agency shall be notified reasonably in advance of the hearing and may select representatives of their choosing, present and cross-examine witnesses and give evidence before the board. Members of the board or the executive secretary may, and shall at the request of either party, issue subpoenas and subpoenas duces tecum. All testimony shall be on oath administered by a member of the board. The board shall certify to the superior court the facts of any refusals to obey a subpoena, take the oath, or testify. The court shall summarily hear the evidence on such refusal and if the evidence warrants punish such refusal in the same manner and to the same extent as for contempt committed before, or in connection with the proceedings of, the court. The board shall prepare an official record of the hearing, including all testimony, recorded manually or by mechanical device, and exhibits; but it shall not be required to transcribe such record unless requested by the employee, who shall be furnished with a complete transcript upon payment of a reasonable charge therefor. Payment of the cost of a transcript used on appeal shall await determination of the appeal, and shall be made by the employing agency if the employee prevails.

NEW SECTION. Sec. 12. Within thirty days after the conclusion of the hearing the board shall make and fully record in its permanent records, findings of fact, conclusions of law when the construction of a rule, regulation or statute is in question, reasons for the action taken and its order based thereon, which shall be final, subject to action by the court on appeal as hereinafter provided, at the same time sending a copy of the findings, conclusions and order by registered mail to the employing agency and to the employee at his address as given at the hearing or to a representative designated by him to receive the same.

NEW SECTION. Sec. 13. (1) Within thirty days after the recording of the order and the mailing thereof, the employee may appeal the decision and order of the board on appeals made pursuant to RCW 28B.16.120(2) and 41.06.170(2), each as now or hereafter amended, to the superior court of Thurston county or of the county in which the employing agency is located, on one or more of the grounds that the order was:

(a) Founded on or contained error of law, which shall specifically include error in construction or application of any pertinent rules or regulations;

(b) Contrary to a preponderance of the evidence as disclosed by the entire record with respect to any specified finding or findings of fact;

(c) Materially affected by unlawful procedure;

(d) Based on violation of any constitutional provision; or

(e) Arbitrary or capricious.

(2) Such grounds shall be stated in a written notice of appeal filed with the court, with copies thereof served on a member of the board or the executive secretary and on the employing agency, all within the time stated.

(3) Within thirty days after service of such notice, or within such further time as the court may allow, the board shall transmit to the court a certified transcript, with exhibits, of the hearing; but by stipulation between the employing agency and the employee the transcript may be shortened, and either party unreasonably refusing to stipulate to such limitation may be ordered by the court to pay the additional cost involved. The court may require or permit subsequent corrections or additions to the transcript.

NEW SECTION. Sec. 14. (1) The court shall review the hearing without a jury on the basis of the transcript and exhibits, except that in case of alleged irregularities in procedure before the board not shown by the transcript the court may order testimony to be given thereon. The court shall upon request by either party hear oral argument and receive written briefs.

(2) The court may affirm the order of the board, remand the matter for further proceedings before the board, or reverse or modify the order if it finds that the employee's objection thereto is well taken on any of the grounds stated. Appeal shall be available to the employee to the supreme court or the court of appeals from the order of the superior court as in other civil cases.

Sec. 15. Section 6, chapter 36, Laws of 1969 ex. sess. as amended by section 73, chapter 34, Laws of 1975-'76 2nd ex. sess. and RCW 28B.16.060 are each amended to read as follows:

(1) There is hereby created a state higher education personnel board composed of three members appointed by the governor, subject to confirmation by the senate: PROVIDED, That no member appointed when the legislature was not in session shall continue to be a member of the board after the thirtieth day of the next legislative session unless his appointment shall have been approved by the senate. The first such board shall be appointed within thirty days after the effective date of this chapter for terms of two, four, and six years. Each odd-numbered year thereafter the governor shall appoint a member for a six-year term. Persons so appointed shall have clearly demonstrated an interest and belief in the merit principle, shall not hold any other employment with the state, shall not have been an officer of a political party for a period of one year immediately prior to such appointment, and shall not be or become a candidate for partisan elective public office during the term to which they are appointed.

The members of the board may receive any number of daily payments for official meetings of the board actually attended. Members of the board shall also be reimbursed for travel expenses incurred in the discharge of their official duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

(3) At its first meeting following the appointment of all of its members, and annually thereafter, the board shall elect a chairman and vice chairman from among its members to serve one year. The presence of at least two members of the board shall constitute a quorum to transact business. A written public record shall be kept by the board of all actions of the board.

(4) The board shall appoint a personnel director who shall be the chief staff officer for the board. In preparing matters for consideration by the board and in coordinating the implementation of the board's rules and regulations, the personnel director shall work in conjunction with the campus personnel officers and their staffs at each institution of higher education, and in the case of community colleges, with the state board for community college education. When necessary, the personnel director may request the creation of task forces drawn from the four-year institutions of higher education, and representatives of the various state community colleges through the state board for community college education, for the accomplishment of any projects undertaken by the board. What do you anticipate the legislature's role might be in your opinion?"

Mr. Grimm: "The idea of the Committee on Higher Education was not that we would have veto authority over recommendations or changes that would be submitted in the reports from the college. What it will do is provide us with an opportunity to take affirmative action if there is something that we sufficiently believe is not in the best interest of the students of the state, or if, conversely, they come back to us and recommend changes to provide them with greater opportunity for greater authority to meet the needs we have directed for them. We could then take affirmative action to solve that problem. It would just give us an opportunity to monitor on a continuing basis."

(b) Like notice must also be so delivered or mailed to each mortgagee, pledgee, or other person shown by the policy to have an interest in any loss which may occur thereunder.

(2) The mailing of any such notice shall be effected by depositing it in a sealed envelope, directed to the addressee at his last address as known to the insurer or as shown by the insurer's records, with proper pre-paid postage affixed, in a letter depository of the United States post office. (4) The portion of any premium paid to the insurer on account of the policy, unearned because of the cancellation and in amount as computed on the pro rata basis, must be actually paid to the insured or other person entitled thereto as shown by the policy or by any endorsement thereon, or be mailed to the insured or such person as soon as ~~((practicable following such cancellation))~~ possible but no later than thirty days after the date of notice of cancellation to the insured. Any such payment may be made by cash, or by check, bank draft, or money order.

(5) This section shall not apply to contracts of life or disability insurance without provision for cancellation prior to the date to which premiums have been paid.

Sec. 4. Section 19, chapter 241, Laws of 1969 ex. sess. and RCW 48.18.291 are each amended to read as follows:

(1) No contract of insurance predicated upon the use of a private passenger automobile shall be terminated by cancellation by the insurer until at least twenty days after mailing written notice of cancellation to the named insured at the latest address filed with the insurer by or on behalf of the named insured, accompanied by the reason therefor: PROVIDED, That where cancellation is for nonpayment of premium, or is within the first thirty days after the contract has been in effect, at least ten days notice of cancellation, accompanied by the reason therefor, shall be given: PROVIDED HOWEVER, That in case of a contract evidenced by a written binder which has been delivered to the insured, if such binder contains a clearly stated expiration date, no additional notice of cancellation or nonrenewal shall be required.

(2) (a) No notice of cancellation by the insurer as to a contract of insurance to which subsection (1) applies shall be valid if sent more than sixty days after the ~~((policy))~~ contract has been in effect unless:

(i) The named insured fails to discharge when due any of his obligations in connection with the payment of premium for the policy or any installment thereof, whether payable directly to the insurer or to its agent or indirectly under any premium finance plan or extension of credit.

(ii) The driver's license of the named insured, or of any other operator who customarily operates an automobile insured under the policy, has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period or the one hundred eighty days immediately preceding the effective date of the renewal policy.

(b) Modification by the insurer of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars shall not be deemed a cancellation of the coverage or of the policy.

(3) The substance of subsections (1) and (2)(a) of this section must be set forth in each contract of insurance subject to the provisions of subsection (1) above, and may be in the form of an attached endorsement.

(4) No notice of cancellation of a policy which can be canceled only pursuant to subsection (2) shall be effective unless the reason therefor accompanies or is included in the notice of cancellation (~~(, or unless the notice of cancellation shall state or be accompanied by a statement that upon written request of the named insured, mailed or delivered to the insurer not less than five days prior to the effective date of cancellation, the insurer will specify the reason for such cancellation).~~).

Sec. 5. Section 20, chapter 241, Laws of 1969 ex. sess. as amended by section 3, chapter 152, Laws of 1973 1st ex. sess. and RCW 48.18.292 are each amended to read as follows:

(1) Each insurer shall be required to renew any contract of insurance subject to RCW 48.18.291 unless one of the following situations exists:

(a) The insurer gives the named insured at least twenty days' notice in writing as provided for in RCW 48.18.291(1), that it proposes to refuse to renew the insurance contract upon its expiration date; and sets forth therein the actual reason for refusing to renew; or

(b) At least twenty days prior to its expiration date, the insurer has communicated its willingness to renew in writing to the named insured, and has included therein a statement of the amount of the premium or portion thereof required to be paid by the insured to renew the policy and the date by which such payment must be made, and the insured fails to discharge when due his obligation in connection with the payment of such premium or portion thereof; or

(c) The insured's agent or broker has procured other coverage acceptable to the insured (~~(at least twenty days)~~) prior to the expiration of the policy period.

(2) Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

(3) 'Renewal' or 'to renew' means the issuance and delivery by an insurer of a ((policy)) contract of insurance replacing at the end of the ((policy)) contract period a ((policy)) contract of insurance previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the term of a ((policy)) contract beyond its policy period or term: PROVIDED, HOWEVER, That any ((policy)) contract of insurance with a policy period or term of six months or less whether or not made continuous for successive terms upon the payment of additional premiums shall for the purpose of RCW 48.18.291 through 48.18.297 be considered as if written for a policy period or term of six months: PROVIDED, FURTHER, That any policy written for a term longer than one year or any policy with no fixed expiration date, shall, for the purpose of RCW 48.18.291 through 48.18.297, be considered as if written for successive policy periods or terms of one year.

(4) On and after January 1, 1980, no policy of insurance subject to RCW 48.18.291 shall be issued for a policy period or term of less than six months.

(5) No insurer shall refuse to renew the liability and/or collision coverage of an automobile insurance policy on the basis that an insured covered by the policy of the insurer has submitted one or more claims under the comprehensive, road service, or towing coverage of the policy. Nothing in this subsection shall prohibit the nonrenewal of comprehensive, road service, or towing coverage on the basis of one or more claims submitted by an insured.

Sec. 6. Section .18.30, chapter 79, Laws of 1947 amended by section 16, chapter 303, Laws of 1955 and RCW 48.18.300 are each amended to read as follows:

(1) Cancellation by the insured of any policy which by its terms is cancellable at the insured's option or of any binder based on such policy may be effected by written notice thereof to the insurer or surrender of the policy or binder for cancellation prior to or on the effective date of such cancellation. In event the policy or binder has been lost or destroyed and cannot be so surrendered, the insurer may in lieu of such surrender accept and in good faith rely upon the insured's written statement setting forth the fact of such loss or destruction.

(2) As soon as ((practicable following such cancellation)) possible, but no later than thirty days after the receipt of the notice of cancellation from the policyholder, the insurer shall pay to the insured or to the person entitled thereto as shown by the insurer's records, any unearned portion of any premium paid on the policy as computed on the customary short rate or as otherwise specified in the policy: PROVIDED, That the refund of any unearned portion of any premium paid on a contract of dwelling fire insurance, homeowners' insurance, or insurance predicated upon the use of a private passenger automobile (as defined in RCW 48.18.297 and excluding contracts of insurance and policies enumerated in RCW 48.18.296) shall be computed on a pro rata basis and the insurer shall refund not less than ninety percent of any unearned portion not exceeding one hundred dollars, plus ninety-five percent of any unearned portion over one hundred dollars but not exceeding five hundred dollars, and not less than ninety-seven percent of the amount of any unearned portion in excess of five hundred dollars. If the amount of any refund is less than two dollars, no refund need be made. If no premium has been paid on the policy, the insured shall be liable to the insurer for premium for the period during which the policy was in force.

(3) The surrender of a policy to the insurer for any cause by any person named therein as having an interest insured thereunder shall create a presumption that such surrender is concurred in by all persons so named.

(4) This section shall not apply to life insurance policies or to annuity contracts.

Sec. 7. Section .24.16, chapter 79, Laws of 1947 as amended by section 23, chapter 303, Laws of 1955 and RCW 48.24.160 are each amended to read as follows:

There shall be a provision that any sum becoming due by reason of the death of the individual insured shall be payable to the beneficiary designated by such individual, subject to the provisions of the policy in the

event there is no designated beneficiary, as to all or any part of such sum, living at the death of the individual insured and subject to any right reserved by the insurer in the policy and set forth in the certificate to pay at its option a part of such sum not exceeding ((five hundred)) one thousand dollars to any person appearing to the insurer to be equitably entitled thereto by reason of having incurred funeral or other expenses incident to the last illness or death of the individual insured.

NEW SECTION. Sec. 8. There is added to chapter 48.30 RCW a new section to read as follows:

Notwithstanding the provisions of RCW 48.30.140, 48.30.150, and 48.30.155, the commissioner may permit an agent or broker to enter into reasonable arrangements with insureds and prospective insureds in situations where services are provided beyond the scope of services customarily provided in connection with the solicitation and procurement of insurance, so that an overall charge to an insured or prospective insured is reasonable taking into account receipt of commissions and fees and their relation, proportionally, to the value of the total work performed.

Such arrangements, when prior authorization from the commissioner is obtained, shall not constitute violations subject to RCW 48.30.160."

The department shall have the duty to provide child welfare services as defined in RCW 74.13.020, and shall:

(1) Develop, administer, ((and)) supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of homeless, runaway, dependent, or neglected children, in cooperation with public and private agencies and organizations in the development and coordination of programs and activities in behalf of children, including but not limited to contracting with private and public entities.

(2) Develop a recruiting plan for recruiting an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, sibling groups, handicapped and emotionally disturbed, and annually submit the plan for review to the house and senate committees on social and health services. The plan shall include a section entitled 'Foster Home Turn-Over, Causes and Recommendations.'

(3) Investigate complaints of neglect, abuse, or abandonment of children by parents, legal custodians, or persons serving in loco parentis, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. If the investigation reveals that a crime may have been committed, the department shall notify the appropriate law enforcement agency.

((3)) (4) Offer, on a voluntary basis, crisis intervention to families who are in conflict. If the department contracts with private or public entities to provide crisis intervention services, such private and public entities shall provide, prior to entering into the contract, a written rationale for the service model or models to be offered by the agency, which shall include a description of the type of service or services to be offered, a service impact statement describing the anticipated effects of the types of services to be provided, and any evidence available to justify the service impact statement.

((Crisis intervention services (a) shall consist of an interview or series of interviews with the child or his or her family, as needed, conducted within a brief period of time by qualified professional persons, and designed to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or the family; and (b) may include, but are not limited to, the provision of or referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.

Nothing in this section shall prohibit an officer of the child welfare services from referring any child who, as a result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive or seriously destructive towards others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, to a community mental health center pursuant to RCW 72.23.070.

(4) Have authority to accept for temporary residential care in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW a child who has been taken into limited custody pursuant to RCW 13.30.020-PROVIDED, That a juvenile shall in no event remain in temporary residential care for a period longer than seventy-two hours from the time of the juvenile's initial contact with the law enforcement officer except as otherwise provided in this section. In every case crisis intervention services shall be provided as needed and the staff of the temporary facility shall seek to effect the child's return home or alternative living arrangement agreeable to the child and the parent or custodian as soon as practicable:

(a) If, after his or her admission to a temporary residential facility, a child who is absent from home without permission and his or her parent or custodian agrees to the child's return home, the staff of the facility shall arrange transportation for the juvenile, as soon as practicable, to the county of residence of the parent or custodian, at the latter's expense to the extent of his or her ability to pay:

(b) If the child refuses to return home and if no other living arrangements agreeable to the child and the parent or custodian can be made, the staff of the facility shall arrange transportation for the child to a temporary nonsecure residential facility in the county of residence of the parent or custodian, at the expense of the latter to the extent of his or her ability to pay. If there is no such facility in the county of that residence, the nearest such facility to that residence shall be used:

(c) If a child's legal residence is outside the state of Washington and such child refuses to return home, the provisions of RCW 13.24.010 shall apply:

(d) If the parent or custodian refuses to permit the child to return home, and no other living arrangement agreeable to the child and the parent or custodian can be made, staff of the child welfare services section shall notify the juvenile court to appoint legal counsel for the child and shall file a dependency petition in the juvenile court in the jurisdiction of the residence of the parent or custodian:

(e) If a child and his or her parent or guardian agree to an arrangement for alternative residential placement, such placement may continue as long as there is agreement. During any alternative residential placement, there shall be provided to the child and to his or her family such services as may be appropriate to the particular case, to the end that the child may be reunited with the family as soon as practicable:

(f) If such child and his or her parent or custodian cannot agree to an arrangement for alternative residential placement in the first instance, or cannot agree to the continuation of such placement, the child or his or her parent or custodian may file with the juvenile court a petition to approve alternative residential placement pursuant to RCW 13.32.020. The child shall remain in the placement where he or she is located at the time a petition to approve alternative residential placement is filed until a placement decision is made pursuant to RCW 13.32.040:

(g) In no event shall alternative residential placement for a child in conflict with his or her family be arranged in a secure detention facility or in a secure institution except as provided in this subsection and RCW 13.34.140. A child in conflict with his or her parents may be detained in a secure detention facility operated by a county for a maximum of seventy-two hours if:

(ii) The child refuses to return home and refuses to be placed in alternative residential care.

During such detention, efforts shall be continued to the end that the child may be returned home or other living arrangements agreeable to the child and his or her parent, guardian, or custodian are made. The hearing on the petition shall be held within seventy-two hours, excluding Sundays and holidays, of the initial detention of the child. If the hearing on the petition is not held within these time limits the child shall be released from detention:

The secretary may for such purposes, contract with any public agency or licensed child placing agency and/or adoptive parent and is authorized to accept funds from other sources including federal, private, and other public funding sources to carry out such purposes.

The secretary shall actively seek, where consistent with the policies and programs of the department, and shall make maximum use of, such federal funds as are or may be made available to the department for the purpose of supporting the adoption of hard to place children. The secretary may, if permitted by federal law, deposit federal funds for adoption support, aid to adoptions, or subsidized adoption in the ~~((adoption support account of the))~~ general fund and may use such funds, subject to such limitations as may be imposed by federal or state law, to carry out the program of adoption support authorized by RCW 26.32.115 and 74.13.100 through 74.13.145.

~~((The secretary may also deposit in such account and disburse therefrom all gifts and grants from any nonfederal source, including public and private foundations, which may be used for the program of adoption support authorized by RCW 26.32.115 and 74.13.100 through 74.13.145.))~~

Sec. 7. Section 4, chapter 63, Laws of 1971 ex. sess. and RCW 74.13.109 are each amended to read as follows:

The secretary shall issue rules and regulations to assist in the administration of the program of adoption support authorized by RCW 26.32.115 and 74.13.100 through 74.13.145.

Disbursements from the ~~((adoption support account))~~ appropriations available from the general fund shall be made pursuant to such rules and regulations and pursuant to agreements conforming thereto to be made by the secretary with parents for the purpose of supporting the adoption of children in, or likely to be placed in, foster homes or child caring institutions who are found by the secretary to be difficult to place in adoption because of physical or other reasons; including, but not limited to, physical or mental handicap, emotional disturbance, ethnic background, language, race, color, age, or sibling grouping.

Such agreements shall meet the following criteria:

(1) The child whose adoption is to be supported pursuant to such agreement shall be or have been a child hard to place in adoption.

(2) Such agreement must relate to a child who was or is residing in a foster home or child-caring institution or a child who, in the judgment of the secretary, is both eligible for, and likely to be placed in, either a foster home or a child-caring institution.

(3) Such agreement shall provide that adoption support shall not continue beyond the time that the adopted child reaches twenty-one years of age, becomes emancipated, dies, or otherwise ceases to need support, provided that if the secretary shall find that continuing dependency of such child after such child reaches twenty-one years of age warrants the continuation of support pursuant to RCW 26.32.115 and 74.13.100 through 74.13.145 the secretary may do so, subject to all the provisions of RCW 26.32.115 and 74.13.100 through 74.13.145, including annual review of the amount of such support.

(4) Any prospective parent who is to be a party to such agreement shall be a person who, while having the character, judgment, sense of responsibility, and disposition which make him or her suitable as an adoptive parent of such child, lacks the financial means fully to care for such hard to place child.

Sec. 8. Section 11, chapter 63, Laws of 1971 ex. sess. and RCW 74.13.130 are each amended to read as follows:

If the secretary determines that a prospective adoptive parent or parents cannot, because of limited financial means, pay the cost or the full cost of an adoption proceeding for the adoption of a hard to place child who would be eligible for support under RCW 26.32.115 and 74.13.100 through 74.13.145, the secretary may authorize the payment from the ~~((adoption support account))~~ appropriations available from the general fund of all or part a reasonable attorney's fee to be determined by the superior court hearing the adoption and court costs. The clerk of the court shall furnish the secretary with a certified copy of the decree of adoption containing the finding as to such attorney's fee.

In evaluating any such prospective parent's ability to pay the secretary may use the same criteria for evaluating ability to pay which are to be used by him in waiving, reducing, or deferring fees pursuant to RCW 74.13.103 plus the burdens likely to be assumed by such parent even after adoption support is provided pursuant to RCW 26.32.115 and 74.13.100 through 74.13.145.

Sec. 9. Section 1, chapter 332, Laws of 1959 as amended by section 7, chapter 207, Laws of 1971 ex. sess. and RCW 76.04.510 are each amended to read as follows:

~~((There is created a general contingency forest fire suppression account which shall be a separate account in the general fund. The account is))~~ Biennial general fund appropriations to the department of natural resources normally provide funds for the purpose of paying the emergency fire costs and expenses incurred and/or approved by the department in forest fire suppression or in reacting to any potential forest fire situation. When a determination is made that the fire started in the course of or as a result of a participating landowner operation, moneys expended from ~~((this account))~~ such appropriations in the suppression of such fire shall be recovered from the landowner contingency forest fire suppression account. The department shall transmit to the state treasurer for deposit in the general ~~((contingency forest fire suppression account))~~ fund any such moneys ~~((paid out of said account))~~ which are later recovered ~~((and said))~~. Moneys

recovered during the biennium in which they are expended may be spent for purposes set forth ((herein)) in this section during the ((current)) same biennium, without reappropriation. ((Interfund loans to and from this account)) Loans between the general fund and the landowner contingency forest fire suppression account are authorized for emergency fire suppression. Such loans shall not exceed the amount appropriated for emergency forest fire suppression costs and shall bear interest at the then current rate of interest as determined by the state treasurer.

Sec. 10. Section 8, chapter 207, Laws of 1971 ex. sess. as amended by section 4, chapter 24, Laws of 1973 1st ex. sess. and RCW 76.04.515 are each amended to read as follows:

There is created a landowner contingency forest fire suppression account which shall be a separate account in the general fund. This account shall be for the purpose of paying emergency fire costs incurred or approved by the department in the suppression of forest fires. When a determination is made that the fire was started by other than a participating landowner operation, moneys expended from this account in the suppression of such fire shall be recovered from ((the general contingency forest)) such general fund appropriations as may be available for emergency fire suppression ((account)) costs. Moneys spent from this account shall be by appropriation. The department shall transmit to the state treasurer for deposit in the landowner contingency forest fire suppression account any moneys paid out of said account which are later recovered, less reasonable costs of recovery, which moneys may be expended for purposes set forth herein during the current biennium, without reappropriation.

This account shall be established and renewed by a special forest fire suppression account assessment paid by participating forest landowners at rates to be established by the department, but not to exceed five cents per acre per year for such period of years as may be necessary to establish and thereafter reestablish a balance in said account of one million dollars. The assessments with respect to forest lands in western and eastern Washington may differ to equitably distribute the assessment based on emergency fire suppression cost experience necessitated by participating landowner operations. Amounts assessed for this account shall be a lien upon the forest lands with respect to which the assessment is made, and may be collected as directed by the department in the same manner as forest patrol assessments. This account shall be held by the state treasurer who is authorized to invest so much of said account as is not necessary to meet current needs. Any interest earned on moneys from said account shall be deposited in and remain a part of the account, and shall be computed as part of the same in determining the balance thereof. Interfund loans to and from this account are authorized at the then current rate of interest as determined by the state treasurer, provided that the effect of the loan is considered for purposes of determining the assessments. Payment of emergency costs from this account shall in no way restrict the right of the department to recover costs pursuant to RCW 76.04.390 as now or hereafter amended, or other laws.

When the department determines that a forest fire was started in the course of or as a result of a participating landowner operation, it shall notify the forest fire advisory board of such determination. Such determination shall be final, unless, within ninety days of such notification, the forest fire advisory board or any interested party, serves a request for a hearing before the department. Such hearing shall constitute a contested case under chapter 34.04 RCW and any appeal therefrom shall be to the superior court of Thurston county.

Sec. 11. Section 9, chapter 233, Laws of 1951 and RCW 76.06.110 are each amended to read as follows:

All moneys collected under the provisions of RCW 76.06.070, together with such moneys as may be ((appropriated by the legislature for the purposes of this chapter;)) contributed by the federal government or by any owner or agent, shall be deposited ((by the supervisor in the forest insect and disease control)) in the state general fund((; and the moneys therein hereby are made available to the board)) for the purposes of this chapter.

((All unexpended balances remaining in said fund shall continue to be available for the purposes of this chapter and shall not revert to the state general fund;))

Any additional revenue earmarked for the purposes of this chapter which was not anticipated in the budget adopted by the legislature may be deposited in the general fund and allotted as unanticipated receipts pursuant to RCW 43.79.270 through 43.79.282 as now existing or hereafter amended.

Sec. 12. Section 3, chapter 116, Laws of 1947 as last amended by section 1, chapter 12, Laws of 1963 and RCW 76.40.030 are each amended to read as follows:

(1) Before any person may engage in log patrol activities he must have an existing license from the state therefor. Before any license is issued the applicant must apply to the department of natural resources on a form to be prescribed by said department. The application must contain the name and address of the applicant or applicants, the name, type, and size of equipment to be used, and the mailing address of the principal place of business at which address process may be served upon the applicant. Before any license may be issued the applicant must execute and file with said department, to be approved by it, a surety bond running to the state in the sum of five thousand dollars, conditioned that the applicant will comply with all the requirements of the laws of the state governing such activities, and will account for all stray logs taken into possession. Each application shall be accompanied by a remittance of one hundred dollars for each boat or truck to be used or operated in such activities by the licensee or agent. All licenses shall expire on June 30th following the date of issuance. The department shall issue each applicant a license and shall also issue distinctive stickers or other suitable devices for each piece of equipment listed in the application identifying it as engaged in log patrol activities. A fee of four dollars shall be paid for each pair of such stickers or devices used.

Mr. Jovanovich yielded to question by Mr. Smith (R).

Mr. Smith (R): "Representative Jovanovich, is this mandatory upon the judge or mandatory upon the director?"

Mr. Jovanovich: "I really don't believe the director should have any authority to punish people. I think the judge in a court of law should be doing the punishing."

Mr. Smith (R) spoke against the amendment.

POINT OF INQUIRY

Mr. Schmitten yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Schmitten, I'm concerned about the possibility of causing someone to lose his employment through mandatory action from the judge. Would you give me some background? If this law is existing law now, have there been people who have lost their licenses through this? What are the facts presently?"

Mr. Schmitten: "There have been cases where the judge has taken a license, but it is very minimal. I think we see, in the next proviso, where the director may prohibit the issuance of the license. I think that's more important. That gives him the latitude to work and review the issues and if there are extenuating circumstances or litigations, at that point he could determine whether it should be revoked or not."

Mr. Douthwaite spoke in favor of the amendment, and Representatives McDonald, Martinis and Smith (R) spoke against it.

Mr. Jovanovich spoke again in favor of the amendment.

The amendment was not adopted.

SUBSTITUTE SENATE BILL NO. 2957:

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representative Patterson and others to page 3.

Mr. Rohrbach moved adoption of the following amendment by Representatives Rohrbach, Barnes and Craswell to the Patterson amendment:

On page 1, line 15, subsection (a) after "preference" insert "and who may purchase the property at the same price for which the department originally paid at the time of purchase or at fair market value, whichever is less"

Mr. Rohrbach spoke in favor of the amendment to the amendment, and Mr. Patterson spoke against it.

POINT OF INQUIRY

Mr. Rohrbach yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Rohrbach, reading this amendment that you have, I'm curious if, in fact, the property under discussion had been added to by the state—an addition put on the structure—I would believe that this is no exclusion to the fact that an addition having been made to the property, that this would mean that the taxpayers in the state would, in fact, have to sell back to the original owner the property, including the improvements, that the department had originally purchased when it was their land. Is that correct?"

Mr. Rohrbach: "Representative Ehlers, as I understand it, I suppose you are technically correct; however, most changes in the property would be detrimental to it. I can hardly stretch my imagination to imagine a case where there would be an improvement to it."

Mr. Ehlers spoke against the amendment to the amendment, and Representatives Jovanovich, Taylor and Rohrbach spoke in favor of it.

POINT OF INQUIRY

Mr. Rohrbach yielded to question by Ms. North.

Ms. North: "Would you clear a point for me? There's an RCW which says that in the case of purchased highway property it first would be offered to a public body for sale and then, I think, to the previous owner and then at auction. Would your amendment change that?"

Mr. Rohrbach: "Representative North, my amendment is to an amendment by Representative Patterson, and his amendment would specify that the former owner of the property would have first preference. My amendment is to his amendment, and my amendment does not change that. Perhaps Representative Patterson would like to answer that."

Mr. Patterson: "Representative North, this bill is clarifying the procedures that the Department of Transportation uses in selling surplus property after the highway has been completed. As you well know, there are certain properties that become available and they offer them for sale. The present law is not very clear and the purpose of this bill is to try to delineate the procedure that will be followed in the agency and in the preferences that will be offered. Until this amendment that I've put on, there would be no preference. All of them would be on an equal footing. In other words, the former owner of the property, the state agency that might want to buy the property, the municipal corporation, adjacent property owners, would all be in the same category and all four or five of them might want to bid on that property. So then the procedure would be that the Department would put it up to auction and it would go to the highest bidder, so long as it shall be no less than the appraised fair market value. This just clarifies the procedure which they are referring to and all I'm trying to do is to add a preference for the former owner."

Ms. North spoke against the amendment to the amendment, and Mr. Jovanovich spoke again in favor of it.

The amendment to the amendment was adopted.

The amendment by Representative Patterson and others as amended was adopted.

On motion of Mr. Patterson, the following amendment to the title was adopted:

On page 1, line 1 of the title after "transportation;" insert "amending section 1, chapter 78, Laws of 1977 1st ex. sess. and RCW 47.12.063;"

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 3033, Prime Sponsor: Senator Gaspard, changing the laws concerning irrigation districts. Reported by Committee on Agriculture.

MAJORITY recommendation: Do pass with the following amendment:
Strike everything after the enacting clause and insert:

***NEW SECTION.** Section 1. The legislature finds that a significant potential exists for the development of the hydroelectric generation capabilities of present and future irrigation systems serving irrigation districts. The legislature also finds that the development of such hydroelectric generation capabilities is beneficial to the present and future electrical needs of the citizens of the state of Washington, furthers a state purpose and policy, and is in the public interest. The legislature further finds that it is necessary to revise and add to the authority of irrigation districts to obtain the most favorable interest rates possible in the financing of irrigation district projects which serve the agricultural community and hydroelectric facilities. It is the intent of the legislature to provide irrigation districts with the authority to develop these hydroelectric generation capabilities in connection with irrigation facilities. Further, it is the intent of the legislature that the development of hydroelectric generation capabilities pursuant to this 1979 act not become the sole purpose or function of irrigation districts in existence on the effective date of this 1979 act, nor become a major function of irrigation districts created after that date. Nothing herein shall authorize an irrigation district to sell electric power or energy to any municipal corporation not engaged in the distribution of electric power or energy.

Sec. 2. Section 2, chapter 138, Laws of 1923 as last amended by section 1, chapter 206, Laws of 1967 and RCW 87.03.015 are each amended to read as follows:

until ratified by a majority vote of the electors of the district at an election therein, called, held and canvassed for that purpose in the same manner as that provided by law for district bond elections.

(2) To construct, repair, purchase, maintain or lease a system for the sale or lease of water to the owners of irrigated lands within the district for domestic purposes.

(3) To construct, repair, purchase, lease, acquire, operate and maintain a system of drains, sanitary sewers, and sewage disposal or treatment plants as herein provided.

(4) To assume, as principal or guarantor, any indebtedness to the United States under the federal reclamation laws, on account of district lands.

(5) To maintain, repair, construct and reconstruct ditches, laterals, pipe lines and other water conduits used or to be used in carrying water for irrigation of lands located within the boundaries of a city or town or for the domestic use of the residents of a city or town where the owners of land within such city or town shall use such ((irrigation)) works to carry water to the boundaries of such city or town for irrigation, domestic or other purposes within such city or town, and to charge to such city or town the pro rata proportion of the cost of such maintenance, repair, construction and reconstruction work in proportion to the benefits received by the lands served and located within the boundaries of such city or town, and if such cost is not paid, then and in that event said irrigation district shall have the right to prevent further water deliveries through such ((irrigation)) works to the lands located within the boundaries of such city or town until such charges have been paid.

(8) To acquire from a water district wholly within the irrigation district's boundaries, by a conveyance without cost, the water district's water system and to operate the same to provide water for the domestic use of the irrigation district residents. As a part of its acceptance of the conveyance the irrigation district must agree to relieve the water district of responsibility for maintenance and repair of the system. Any such water district is authorized to make such a conveyance if all indebtedness of the water district, except local improvement district bonds, has been paid and the conveyance has been approved by a majority of the water district's electors voting at a general or special election.

This section shall not be construed as in any manner abridging any other powers of an irrigation district conferred by law.

Sec. 3, Section 11, page 677, Laws of 1889-90 as last amended by section 5, chapter 129, Laws of 1921 and RCW 87.03.115 are each amended to read as follows:

All records of the board shall be open to the inspection of any electors during business hours. The board shall have the power, and it shall be its duty, to adopt a seal of the district, to manage and conduct the business and affairs of the district, to make and execute all necessary contracts, to employ and appoint such agents, officers and employees as may be necessary and prescribe their duties, and to establish equitable bylaws, rules and regulations for the government and management of the district, and for the equitable distribution of water to the lands within the district, upon the basis of the beneficial use thereof, and generally to perform all such acts as shall be necessary to fully carry out the provisions of this chapter ((, including the acquisition, construction and operation and maintenance of drainage works and wasteways)): PROVIDED, That all water, the right to the use of which is acquired by the district under any contract with the United States shall be distributed and apportioned by the district in accordance with the acts of congress, and rules and regulations of the secretary of the interior until full reimbursement has been made to the United States, and in accordance with the provisions of said contract in relation thereto. The bylaws, rules and regulations must be printed in convenient form for distribution in the district. All leases, contracts, or other form of holding any interest in any state or other public lands shall be, and the same are

hereby declared to be title to and evidence of title to lands and for all purposes within this act, shall be treated as the private property of the lessee or owner of the contractual or possessory interest: **PROVIDED**, That nothing in this section shall be construed to affect the title of the state or other public ownership, nor shall any lien for such assessment attach to the fee simple title of the state or other public ownership. The board of directors shall have authority to develop and to sell, lease, or rent the use of: (1) Water ((or power)) derived from the operation of the district ((irrigation or drainage works for delivery to occupants of public or other lands situated within or adjacent to the district, or to municipal corporations, at such prices and on such terms as it deems best)) water facilities to such municipal and quasi municipal entities, the state of Washington, and state entities and agencies, public and private corporations and individuals located within and outside the boundaries of the district and on such terms and conditions as the board of directors shall determine; and (2) power derived from hydroelectric facilities authorized by RCW 87.03.015(1) as now or hereafter amended, to such municipal or quasi municipal corporations and cooperatives authorized to engage in the business of distributing electricity, electrical companies subject to the jurisdiction of the utilities and transportation commission, and other irrigation districts and on such terms and conditions as the board of directors shall determine: PROVIDED, No water ((or power)) shall be furnished for use outside of said district until all demands and requirements for water ((and power)) for use in said district are furnished and supplied by said district: AND PROVIDED FURTHER, That as soon as any public lands situated within the limits of the district shall be acquired by any private person, or held under any title of private ownership, the owner thereof shall be entitled to receive his proportion of water as in case of other land owners, upon payment by him of such sums as shall be determined by the board, and at the time to be fixed by the board, which sums shall be such equitable amount as such lands should pay having regard to placing said lands on the basis of equality with other lands in the district as to benefits received, and giving credit if equitable for any sums paid as water rent by the occupant of said lands prior to the vesting of private ownership, and such lands shall also become subject to all taxes and assessments of the district thereafter imposed.

NEW SECTION. Sec. 4. There is added to chapter 87.03 RCW a new section to read as follows:

For the purpose of developing hydroelectric generation capabilities in connection with irrigation facilities, the board of directors of an irrigation district shall have the power, in accordance with procedures provided in this chapter, to acquire, either by purchase or condemnation, or other legal means, all lands, waters, water rights, and other property located within or outside the boundaries of the district necessary for the construction, use, supply, maintenance, repair, or improvement of hydroelectric facilities to the extent authorized by RCW 87.03.015(1), as now or hereafter amended.

Irrigation districts are prohibited from condemning: (1) Any hydroelectric power plants, hydroelectric power sites, power lines or other power facilities or any lands, water rights, or other property of municipal and quasi municipal corporations, cooperatives authorized to engage in the business of distributing electricity, and electrical companies subject to the jurisdiction of the utilities and transportation commission; and (2) water rights held by private individual landowners where such waters are being put to beneficial use.

Sec. 5. Section 37, page 690, Laws of 1889-90 as last amended by section 7, chapter 171, Laws of 1939 and RCW 87.03.445 are each amended to read as follows:

The cost and expense of purchasing and acquiring property, and construction, reconstruction, extension and betterment of the works and improvements herein provided for, and the expenses incidental thereto, and indebtedness to the United States for district lands assumed by the district, and for the carrying out of the purposes of this chapter, may be paid for by the board of directors out of the funds received from bond sales as well as other district funds.

For the purpose of defraying the costs and expenses of the organization of the district, and of the care, operation, management, maintenance, repair and improvement of the district and its irrigation water, domestic water, ~~((electrical)) electric power, drainage, or ((telephone system and appliances)) sewer facilities~~ or of any portion thereof, or for the payment of any indebtedness due the United States or the state of Washington, or for the payment of district bonds, the board may either fix rates or tolls and charges, and collect the same from all persons for whom district service is made available for irrigation water, domestic water, electric ~~((energy)) power, drainage or sewerage~~, and other purposes, or ~~((they)) it may provide for the payment of said costs and expenses by a levy of assessment therefor, or by both said rates or tolls and charges and assessment ((; if by the latter method, such levy))~~.

If the assessment method is utilized, the levy of assessments shall be made on the completion and equalization of the assessment roll each year, and the board shall have the same powers and functions for the purpose of said levy as possessed by it in case of levy to pay bonds of the district. The procedure for the collection of assessments by such levy shall in all respects conform with the provisions of this chapter, relating to the collection of assessments for the payment of principal and interest of bonds herein provided for, and shall be made at the same time.

If the rates or tolls and charges method is adopted in whole or in part, the secretary shall deliver to the board of directors, within the time for filing the assessment roll, a schedule containing the names of the ~~((persons to whom the toll is to be charged or to whom the property is assessed, the description)) owners or reputed owners, as shown on the rolls of the county treasurer as of the first Tuesday in November of each year such a schedule is filed of the various parcels of land against which rates or tolls and charges are to be levied, the description of each such parcel of land and the amount to be charged against each parcel for irrigation water, domestic water, electric power, drainage, sewerage and other ((public-uses) district costs and expenses. Said schedule of rates or tolls and charges shall be equalized pursuant to the same notice, in the same manner, at the same time and with the same legal effect as in the case of assessments. Such~~

schedule of rates or tolls and charges for a given year shall be filed with the proper county treasurer within the same time as that provided by law for the filing of the annual assessment roll, and the county treasurer shall collect and receipt for the payment of said rates or tolls and charges and credit them to the proper funds of the district. The board may designate the time and manner of making such collections and shall require the same to be paid in advance of delivery of water and other service ((and may accept short-term interest bearing notes with or without collateral in their discretion for any portion of such charges. The board may also base such charges upon the quantity of water to be delivered and may fix a minimum charge to be paid by each acre of land within the district which shall represent the delivery of a stated quantity of water in acre feet with the graduated charge for each additional acre-foot of water delivered)). All tolls and charges levied shall also at once become and constitute an assessment upon and against the lands for which they are levied, with the same force and effect, and the same manner of enforcement, and with the same rate of interest from date of delinquency, in case of nonpayment, as other district assessments.

As an alternative method of imposing, collecting, and enforcing such rates or tolls and charges, the board may also base such rates or tolls and charges upon the quantity of irrigation water, domestic water, or electric power delivered, or drainage or sewage disposed of, and may fix a minimum rate or toll and charge to be paid by each parcel of land or use within the district for the delivery or disposal of a stated quantity of each such service with a graduated charge for additional quantities of such services delivered or disposed of. If the board elects to utilize this alternative method of imposing, collecting, and enforcing such rates or tolls and charges, there shall be no requirement that the schedule referred to in the preceding paragraph be prepared, be filed with the board of directors by the secretary, be equalized, or be filed with a county treasurer. The board shall enforce collection of such rates or tolls and charges against property to which and its owners to whom the service is available, such rates or tolls and charges being deemed charges against the property to which the service is available. The board may provide by resolution that where such rates or tolls and charges are delinquent for any specified period of time, the district shall certify the delinquencies to the treasurer of the county in which the real property is located, and the charges and any penalties added thereto and interest thereon at the rate not to exceed twelve percent per annum fixed by resolution shall be a lien against the property to which the service was available, subject only to the lien for general taxes. The district may, at any time after such rates or tolls and charges and penalties provided for herein are delinquent for a period of one year, bring suit in foreclosure by civil action in the superior court of the county in which the real property is situated. The court may allow, in addition to the costs and disbursements provided by statute, such attorney's fees as it may adjudge reasonable. The action shall be in rem against the property, and in addition may be brought in the name of the district against an individual, or against all of those who are delinquent, in one action, and the rules of the court shall control as in other civil actions. The board may in the same year use the assessment method for part of the lands in the district and the rates or tolls and charges method for the remaining lands in the district in such proportion as it may deem advisable for the best interest of the district.

((All tolls and charges levied shall also at once become and constitute an assessment upon and against the lands for which they are levied, with the same force and effect, and the same manner of enforcement, and with the same rate of interest from date of delinquency, in case of nonpayment, as other district assessments:))

The procedures herein provided for the collection and enforcement of rates, tolls and charges also shall be applicable and available to the districts board of directors for the collection and enforcement of charges for water imposed by contract entered into or administered by the district's board of directors.

Sec. 6. Section 2, chapter 31, Laws of 1933 and RCW 87.03.450 are each amended to read as follows:

All income derived from the sale, delivery and distribution of electrical energy, shall be deposited with the county treasurer of the county in which the office of the board of directors of the district is located, and shall be apportioned to such fund or funds of the district authorized by law, as the board of directors shall deem advisable(~~(-PROVIDED-That such income, or any part of the same, may, upon a favorable vote of the electors of the district at an election therein called, held and canvassed for that purpose, in the same manner as that provided by law for district bond elections, be pledged, in addition to income from district assessments)), including, but not limited to the payment of district bonds or any portion of the same ((on the face of which the substance of such pledge must be endorsed:)) for which such revenues have been pledged and thereafter said income, or such portion thereof so pledged, shall be placed by the county treasurer to the credit of the fund from which said bonds are required to be paid until the same or the portion thereof secured by such pledge are fully paid.~~

Sec. 7. Section 11, chapter 162, Laws of 1917 as last amended by section 1, chapter 70, Laws of 1970 ex. sess. and RCW 87.03.485 are each amended to read as follows:

In the event that the said board shall approve said petition, the board shall fix a time and place for the hearing thereof and shall publish a notice once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date and shall mail such a notice on or before the second publication date by first class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed. Such notice must be published in a newspaper of general circulation in each county in which any portion of the land proposed to be included in such local improvement district lies. Such notice shall state that the lands within said described boundaries are proposed to be organized as a local improvement district, stating generally the nature of the proposed improvement; that bonds for such local improvement district are proposed to be issued as the bonds of the irrigation district, or that a contract is proposed to be entered into between

the district and the United States or the state of Washington, or both, that the lands within said local improvement district are to be assessed for such improvement, that such bonds or contract will be a primary obligation of such local improvement district and a general obligation of the irrigation district and stating a time and place of hearing thereon. At the time and place of hearing named in said notice, all persons interested may appear before the board and show cause for or against the formation of the proposed improvement district and the issuance of bonds or the entering into of a contract as aforesaid. Upon the hearing the board shall determine as to the establishment of the proposed local improvement district. Any landowner whose lands can be served or will be benefited by the proposed improvement, may make application to the board at the time of hearing to include such land and the board of directors in such cases shall, at its discretion, include such lands within such district. The board of directors may exclude any land specified in said notice from said district provided, that in the judgment of the board, the inclusion thereof will not be practicable.

As an alternative plan and subject to all of the provisions of this chapter, the board of directors may initiate the organization of a local improvement district as herein provided. To so organize a local improvement district the board shall adopt and record in its minutes a resolution specifying the lands proposed to be included in such local improvement district or by describing the exterior boundaries of such proposed district or by both. Said resolution shall state generally the plan, character and extent of the proposed improvements, that the land proposed to be included in such improvement district will be assessed for such improvements; that coupon bonds of the irrigation district will be issued or a contract entered into as hereinabove in this section provided to meet the cost thereof and that such bonds or contract will be a primary obligation of such local improvement district and a general obligation of the irrigation district. Said resolution shall fix a time and place of hearing thereon and shall state that unless a majority of the holders of title or of evidence of title to lands within the proposed local improvement district file their written protest at or before said hearing, consent to the improvement will be implied.

A notice containing a copy of said resolution must be published once a week for two consecutive weeks preceding the date of such hearing and the last publication shall not be more than seven days before such date, and shall be mailed on or before the second publication date by first class mail, postage prepaid, to each owner or reputed owner of real property within the proposed local improvement district, as shown on the rolls of the county treasurer as of a date not more than twenty days immediately prior to the date such notice was mailed, and the hearing thereon shall not be held in less than twenty days from the adoption of such resolution. Such notice must be published in one newspaper, of general circulation, in each county in which any portion of the land proposed to be included in such local improvement district lies. Said hearing shall be held and all subsequent proceedings conducted in accordance with the provisions of this act relating to the organization of local improvement districts initiated upon petition.

Sec. 10. Section 3, chapter 57, Laws of 1949 as amended by section 3, chapter 74, Laws of 1973 and RCW 87.28.030 are each amended to read as follows:

The board of directors of the issuing district shall have authority and is required to create a special fund ~~((to be designated revenue bond fund))~~ or funds to be carried in said county treasurer's office for the account of the district for the sole purpose of paying the interest and principal of such bonds ~~((into which special fund said))~~. Sec. 13. Section 8, chapter 57, Laws of 1949 and RCW 87.28.100 are each amended to read as follows:

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*Section 1. Section 2, chapter 218, Laws of 1973 1st ex. sess. as last amended by section 1, chapter 76, Laws of 1977 ex. sess. and by section 1, chapter 326, Laws of 1977 ex. sess. and RCW 9.46.020 are each reenacted and amended to read as follows:

(1) 'Amusement game' means a game played for entertainment in which:

- (a) The contestant actively participates;
- (b) The outcome depends in a material degree upon the skill of the contestant;
- (c) Only merchandise prizes are awarded;
- (d) The outcome is not in the control of the operator;
- (e) The wagers are placed, the winners are determined, and a distribution of prizes or property is made

in the presence of all persons placing wagers at such game; and

(f) Said game is conducted or operated by any agricultural fair, person, association, or organization in such manner and at such locations as may be authorized by rules and regulations adopted by the commission pursuant to this chapter as now or hereafter amended.

Cake walks as commonly known and fish ponds as commonly known shall be treated as amusement games for all purposes under this chapter.

The legislature hereby authorizes the wagering on the outcome of the roll of dice or the flipping of or matching of coins on the premises of an establishment engaged in the business of selling food or beverages for consumption on the premises to determine which of the participants will pay for certain items of food or beverages served or sold by such establishment and therein consumed. Such establishments are hereby authorized to possess dice and dice cups on their premises, but only for use in such limited wagering. Persons engaged in such limited form of wagering shall not be subject to the criminal or civil penalties otherwise provided for in this chapter: PROVIDED, That minors shall be barred from engaging in the wagering activities allowed by this 1977 amendatory act.

(2) 'Bingo' means a game in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game.

(3) 'Bona fide charitable or nonprofit organization' means: (a) any organization duly existing under the provisions of chapters 24.12, 24.20, or 24.28 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.03 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (b) any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to

members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(4) 'Bookmaking' means accepting bets as a business, rather than in a casual or personal fashion, upon the outcome of future contingent events.

(5) 'Commercial stimulant'. An activity is operated as a commercial stimulant, for the purposes of this chapter, only when it is an incidental activity operated in connection with, and incidental to, an established business, with the primary purpose of increasing the volume of sales of food or drink for consumption on that business premises, or increasing patronage of a bowling business at an established bowling center. The commission may by rule establish guidelines and criteria for applying this definition to its applicants and licensees for gambling activities authorized by this chapter as commercial stimulants.

(6) 'Commission' means the Washington state gambling commission created in RCW 9.46.040.

(7) 'Contest of chance' means any contest, game, gaming scheme, or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that skill of the contestants may also be a factor therein.

(8) 'Fishing derby' means a fishing contest, with or without the payment or giving of an entry fee or other consideration by some or all of the contestants wherein prizes are awarded for the species, size, weight, or quality of fish caught in a bona fide fishing or recreational event.

(9) 'Gambling'. A person engages in gambling if he stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his control or influence, upon an agreement or understanding that he or someone else will receive something of value in the event of a certain outcome. Gambling does not include fishing derbies as defined by this chapter, parimutuel betting as authorized by chapter 67.16 RCW, bona fide business transactions valid under the law of contracts, including, but not limited to, contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including, but not limited to, contracts of indemnity or guarantee and life, health or accident insurance. (~~In addition, a contest of chance which is specifically excluded from the definition of lottery under subsection (14) of this section shall not constitute gambling.~~)

(10) 'Gambling device' means: (a) Any device or mechanism the operation of which a right to money, credits, deposits or other things of value may be created, in return for a consideration, as the result of the operation of an element of chance; (b) any device or mechanism which, when operated for a consideration, does not return the same value or thing of value for the same consideration upon each operation thereof; (c) any device, mechanism, furniture, fixture, construction or installation designed primarily for use in connection with professional gambling; and (d) any subassembly or essential part designed or intended for use in connection with any such device, mechanism, furniture, fixture, construction or installation. But in the application of this definition, a pinball machine or similar mechanical amusement device which confers only an immediate and unrecorded right of replay on players thereof, which does not contain any mechanism which varies the chance of winning free games or the number of free games which may be won or a mechanism or a chute for dispensing coins or a facsimile thereof, and which prohibits multiple winnings depending upon the number of coins inserted and requires the playing of five balls individually upon the insertion of a nickel or dime, as the case may be, to complete any one operation thereof, shall not be deemed a gambling device: PROVIDED FURTHER, That owning, possessing, buying, selling, renting, leasing, financing, holding a security interest in, storing, repairing and transporting such pinball machines or similar mechanical amusement devices shall not be deemed engaging in professional gambling for the purposes of this chapter and shall not be a violation of this chapter: PROVIDED FURTHER, That any fee for the purchase or rental of any such pinball machines or similar amusement devices shall have no relation to the use to which such machines are put but be based only upon the market value of any such machine, regardless of the location of or type of premises where used, and any fee for the storing, repairing and transporting thereof shall have no relation to the use to which such machines are put, but be commensurate with the cost of labor and other expenses incurred in any such storing, repairing and transporting.

(11) 'Gambling information' means any wager made in the course of and any information intended to be used for professional gambling. In the application of this definition information as to wagers, betting odds and changes in betting odds shall be presumed to be intended for use in professional gambling: PROVIDED, HOWEVER, That this subsection shall not apply to newspapers of general circulation or commercial radio and television stations licensed by the federal communications commission.

(12) 'Gambling premises' means any building, room, enclosure, vehicle, vessel or other place used or intended to be used for professional gambling. In the application of this definition, any place where a gambling device is found, shall be presumed to be intended to be used for professional gambling.

(13) 'Gambling record' means any record, receipt, ticket, certificate, token, slip or notation given, made, used or intended to be used in connection with professional gambling.

(14) 'Lottery' means a scheme for the distribution of money or property by chance, among persons who have paid or agreed to pay a valuable consideration for the chance.

((For the purpose of this chapter, the following activities do not constitute 'valuable consideration' as an element of a lottery:

- (b) Filling out and returning a coupon or entry blank or facsimile which is received through the mail or published in a bona fide newspaper or magazine, or in a program sold in conjunction with and at a regularly scheduled sporting event, or the purchase of such a newspaper, magazine or program;

(i) The payment of an admission fee to gain admission to any agricultural fair authorized under chapters 15-76 or 36-37 RCW where (i) the scheme is conducted for promotional or advertising purposes, not including the promotion or advertisement of the scheme itself, and (ii) the person or organization conducting the scheme receives no portion of the admission fee either directly or indirectly and receives no other money for conducting the scheme either directly or indirectly, other than what might be received indirectly as a result of the success of the promotional or advertising aspect of the scheme:

As used in this chapter, member ((means)) and bona fide member each mean a ((member-of)) person accepted for membership in an organization eligible to be licensed by the commission under this chapter ((; or a member of an organization which is an auxiliary of such an eligible organization, or a member of an organization of which the eligible organization is an auxiliary, or a member of an organization which is affiliated with the eligible organization by being with it auxiliary to another organization)) upon application, with such action being recorded in the official minutes of a regular meeting or who has held full and regular membership status in the organization for a period of not less than twelve consecutive months prior to participating in the management or operation of any gambling activity. (b) Members of a bona fide auxiliary to a principal organization may be considered members of the principal organization for the purpose of a gambling activity conducted by the principal organization. Members of the principal organization may also be considered members of its auxiliary for the purpose of a gambling activity conducted by the auxiliary.

No person shall be a member of any organization if that person's primary purpose for membership is to become, or continue to be, a participant in, or an operator or manager of, any gambling activity or activities.

(16) 'Player' means a natural person who engages, on equal terms with the other participants, and solely as a contestant or bettor, in any form of gambling in which no person may receive or become entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of a particular gambling activity. A natural person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor, and supplying cards or other equipment used therein. If a person having substantial proprietary or other authoritative control over any premises shall permit said premises to be used with the person's knowledge for the purpose of conducting gambling activity other than gambling activities as set forth in RCW 9.46.030 as now or hereafter amended, and acting other than as a player, and said person permits such to occur or continue or makes no effort to prevent its occurrence or continuation, he shall be considered as being engaged in professional gambling: PROVIDED, That the proprietor of a bowling establishment who awards prizes obtained from player contributions, to players successfully knocking down pins upon the contingency of identifiable pins being placed in a specified position or combination of positions, as designated by the posted rules of the bowling establishment, where the proprietor does not participate in the proceeds of the 'prize fund' shall not be construed to be engaging in 'professional gambling' within the meaning of this chapter: PROVIDED, FURTHER, That the books and records of the games shall be open to public inspection.

(18) 'Punch boards' and 'pull-tabs' shall be given their usual and ordinary meaning as of July 16, 1973, except that such definition may be revised by the commission pursuant to rules and regulations promulgated pursuant to this chapter.

(d) No organization or corporation, or person collects or obtains any money or thing of value from, or charges or imposes any fee upon, any person which either enables him to play or results in or from his playing in excess of one dollar per half hour of playing time by that person collected in advance: PROVIDED, That a fee may also be charged for entry into a tournament for prizes, which fee shall not exceed twenty-five dollars, including all separate fees which might be paid by a player for various phases or events of the tournament: PROVIDED FURTHER, That this item (d) shall not apply to the membership fee in any bona fide charitable or nonprofit organization; and

winnings, do not exceed ((five)) ten thousand dollars during the total calendar days of such fund raising event in the calendar year; (b) such activities shall not include any mechanical gambling or lottery device activated by the insertion of a coin or by the insertion of any object purchased by any person taking a chance by gambling in respect to the device; (c) only bona fide members of the organization who are not paid for such service shall participate in the management or operation of the activities, and all income therefrom, after deducting the cost of prizes and other expenses, shall be devoted solely to the lawful purposes of the organization; and (d) such organization shall notify the appropriate local law enforcement agency of the time and place where such activities shall be conducted. (3) Bona fide charitable or bona fide nonprofit organizations organized primarily for purposes other than the conduct of such activities are hereby authorized to conduct bingo, raffles, and amusement games, without obtaining a license to do so from the commission but only when:

(1) Every insurer shall make an experience-premium study on their records which collects data for at least the previous three years on premiums, losses, and reserves. This study is required only of insurers doing

business with municipalities of the state and is limited to their experience with municipalities. The studies shall be made on a municipality by municipality basis.

(2) The data required under subsection (1) of this section and yearly supplements to the data shall be filed with the insurance commissioner at times determined by the commissioner. At the same time, the insurer shall send a copy of the data collected on an insured municipality to the insured municipality. The insurance commissioner shall compile such data and present it to the next session of the legislature.

This data may be made public, but the specific municipality to which the data refers shall only be available to the insurance commissioner, the legislature, and the specific municipality to which the data refers.

(3) As used in this section, 'municipality' means each unit of local government, including cities and towns, counties, and special districts."

POINT OF ORDER

Mr. Eberle: "Representative Zimmerman, Senator Lee and I have discussed this bill and the House bill, and we agreed that we would amend both bills with the same language so whichever passed would say the same thing."

MOTION

On motion of Mr. Zimmerman, further consideration of Substitute Senate Bill No. 3022 was deferred, and the bill was ordered placed on the second reading calendar following Engrossed Senate Bill No. 2474.

SUBSTITUTE SENATE BILL NO. 2284, by Committee on Natural Resources (originally sponsored by Senator Peterson):

Mr. Martinis moved adoption of the following amendment by Representatives Martinis, McDonald, Dawson, Sommers, Schmitt and Nelson (G.A.):

On page 2, line 36 after "area" insert "unless the reappraisal is conducted by an independent member of the appraiser's institute using local comparable land values"

Representatives Martinis, Dawson and McDonald spoke in favor of the amendment, and Representatives Smith (R) and Newhouse spoke against it.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Chandler.

Mr. Chandler: "Representative Martinis, in the language of your amendment it states, '...unless the reappraisal is conducted by an independent member of the appraiser's institute.' Can you tell me what the appraiser's institute is? What do you mean by that language?"

Mr. Martinis: "The MAI is the national organization of a nationally recognized institute of appraisers. These people are the appraisers the courts use in condemnation suits, and lots of times, when they are trying to arrive at a fair market value between individuals for the sale of land. These are the people they contact. A public body can either hire them or a private individual can. These are the people you see in condemnation suits. The property owners hire an MAI and so do the public bodies. This is the highest level of credibility in the appraisal field. Basically, these are industrial appraisals."

Mr. Chandler: "I understand your answer, but my concern is that there are two groups of appraisers, one being the MAI's and the other, the Society of Real Estate Appraisers. My hope is that either group would be included in this amendment, but you use the word 'institute' which indicates we would be excluding this group. Oftentimes they belong to both, but sometimes they don't and I don't think we want to have language that would exclude them. Perhaps we can establish some intent here that we are not excluding the society."

Mr. Martinis: "The intent, Representative Chandler, is not to slight the Real Estate Appraisers, but the MAI, in court actions, is the accepted group, and especially for industrial land appraisals. The bulk of this type of appraising would be for industrial use. Recreation is industrial use. It's the MAI's that come in. Generally, like on a highway condemnation suit, where there's a lot of residential property, and this sort of thing, it's not necessarily industrial, then the Real Estate Appraisers are usually brought in. When it comes to industrial appraisals, you'll find the bulk of them will be by an MAI."

On motion of Mr. Chandler, further consideration of Substitute Senate Bill No. 2284 was deferred, and the bill was ordered placed at the bottom of today's second reading consent calendar.

Substitute House Bill No. 958 was read the second time.

Mr. Isaacson spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Isaacson yielded to question by Mr. Nelson (D).

Mr. Nelson (D): Representative Isaacson, I think I understand your intent, but I'm not sure if the amendment really says what you want it to. It says that you are extending the definition of tailing to include in situ leaching of ore bodies or ore stock piles. It seems to me we have a little confusion there and we are saying that leaching is equivalent to tailing. I'm wondering if perhaps that language might be clarified?"

Mr. Isaacson: "In fact, the wording is that it was unclear, but shall not include in situ leaching of ore bodies or ore stock piles. This does not include those materials that are leached at the surface."

Mr. Nelson (D): "But if you read it carefully, it says that tailing is equal to leaching or should not include leaching, and what you really want to say is that tailing does not include ore bodies or ore stock piles from which leaching might occur. Isn't that true?"

Mr. Isaacson: "I see your point. That would be acceptable if the body so desires; otherwise, I would leave it as is."

MOTION

On motion of Mr. Polk, further consideration of Engrossed Substitute Senate Bill No. 2197 was deferred, and the bill was ordered placed on the calendar following Substitute Senate Bill No. 3022.

Mr. Ehlers spoke in favor of the amendment, and Mr. Polk spoke against it.

Mr. Ehlers spoke again in favor of the committee amendment.

The amendment was not adopted.

On motion of Mr. Ehlers, the remaining committee amendments were adopted.

With the consent of the House, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2474 as amended by the House was placed on final passage.

Mr. Ehlers spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Ehlers, the second section of this bill deals with the adoption of statewide thermal efficiency in lighting code standards. The question is, the State Energy Office has been in a position of defending itself for not promulgating these standards quickly enough so that we do not lose federal moneys that come to pay for various energy projects. I wonder if you could tell me whether it's clear that the June 30, 1980 deadline is a reasonable deadline and if we use that deadline, is there still going to be federal funds coming in?"

Mr. Ehlers: "It's my understanding that there is some question about the timing in the federal regulations, whether or not they have put their act together yet. It seems as though, according to the representative from the Governor's Office and from the Energy Committee in the Senate, there should be sufficient time and there is \$1.6 million in funds that will come to the state in this area if we pass this bill."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2474 as amended by the House, and the bill passed the House by the following vote: Yeas, 97; nays, 1; not voting, 0.

A., Newhouse, Nisbet, North, O'Brien, Oliver, Owen, Patterson, Polk, Pruitt, Rohrbach, Rosbach, Salatino, Sanders, Schmitten, Scott, Sherman, Smith C. With the consent of the House, the rules were suspended, the second reading considered the third, and Substitute Senate Bill No. 3022 as amended by the House was placed on final passage.

Representatives Eberle and Charnley spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Eberle yielded to question by Ms. North.

Ms. North: "Representative Eberle, you have an amendment that would seem to empty the sheriff's quarters faster if we pass this bill. In other words, it sounds like it was cluttered with materials that were found. Does this also apply to cities?"

Mr. Eberle: "Yes, Representative North, this applies to all law enforcement agencies."

Ms. North spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3022 as amended by the House and the bill passed the House by the following vote: Yeas, 98; nays, 0; not voting, 0.

POINT OF INQUIRY

Mr. Charnley yielded to question by Mr. Whiteside.

Mr. Whiteside: "Representative Charnley, there is considerable concern on the part of the contesters that Engrossed Substitute Senate Bill No. 2161 and Engrossed Substitute Senate Bill No. 2177 would allow the local governments to first work out their bid limits and then work up to the figures covered under the Division of Labor. My question is: Is it the intent of this bill to allow this doubling up?"

Mr. Charnley: "The answer is absolutely not."

POINT OF INQUIRY

Ms. North yielded to question by Mr. Ehlers.

Mr. Ehlers: "Does this exempt cities below a certain size? That's my understanding. What does it do to a city of 5,000 or below?"

Ms. North: "Representative Ehlers, it leaves the bid limit at \$15,000. This bill is very much in the interest of the small cities for that bid limit because it does leave it at \$15,000 rather than attempting to bring it down to \$10,000 as they have done in the first class cities."

Mr. Ehlers: "I need a little more explanation of what it does to small cities or large cities."

Ms. North: "It does allow the small cities to have a small work roster, something they haven't had previously. A small work roster would allow the cities to assemble a list of contractors and from that list they could select the contractor to do the work without going through the bidding process."

Mr. Charnley spoke in favor of passage of the bill.

Sec. 29. Section 3, chapter 148, Laws of 1973 and RCW 11.86.020 are each amended to read as follows:

A beneficiary may disclaim any interest in whole or in part, or with reference to specific parts, shares or assets thereof, ~~((by filing a disclaimer in court))~~ in the manner provided in RCW 11.86.030 and 11.86.040. A guardian, executor, administrator, attorney in fact under a durable power of attorney under chapter 11.94 RCW, or other personal representative of the estate of a minor, incompetent or deceased beneficiary, if he deems it in the best interests of those interested in the estate of such beneficiary and of those who take the beneficiary's interest by virtue of the disclaimer and not detrimental to the best interests of the beneficiary, with or without an order of the probate court, may ~~((execute and file a disclaimer))~~ disclaim on behalf of the beneficiary within the time and in the manner in which the beneficiary himself could disclaim if he were living, of legal age and competent. A beneficiary likewise may ~~((execute and file a disclaimer))~~ disclaim by agent or attorney so empowered.

Sec. 30. Section 4, chapter 148, Laws of 1973 and RCW 11.86.030 are each amended to read as follows:

Such disclaimer shall be filed and received as provided in RCW 11.86.040 at any time after the creation of the interest, but in all events ~~((within the later of six months from June 7, 1973 or six))~~ by nine months after (1) the beneficiary attains the age of twenty-one, (2) the death of the person by whom the interest was created or from whom it is or, but for the disclaimer would be received, or, (3) if the disclaimant is not finally ascertained as a beneficiary or his interest has not become indefeasibly fixed both in quality and quantity as of the death of such person, then such disclaimer shall be filed and received not later than ((six)) nine months after the event which causes or, but for the disclaimer, would cause him so to become finally

ascertained and his interest to become indefeasibly fixed both in quality and quantity, whichever occurrence is latest.

Sec. 31. Section 5, chapter 148, Laws of 1973 and RCW 11.86.040 are each amended to read as follows:

Such disclaimer shall be effective upon (1) a copy thereof being filed with the clerk of the court of which the estate of the person by whom the interest was created or from whom it would have been received is, or has been, administered or, if no probate administration has been commenced, then with the clerk of the court of any county provided by law as the place for probate administration of the estate of such person, where it shall be indexed under the name of the decedent in the probate index upon payment of a fee of two dollars~~((A copy of the disclaimer shall be delivered or mailed by certified or registered mail, return receipt requested to the representative, trustee or other person having legal title to, or possession of, the property in which the interest disclaimed exists, and))~~; and (2) receipt of the disclaimer by the transferor of the interest, his legal representative, or the holder of the legal title to the property to which the interest relates, or, if the transferor is dead and there is no legal representative or holder of legal title, by the person having possession of the property. No such representative~~((, trustee))~~ or person shall be liable for any otherwise proper distribution or other disposition made without actual knowledge of the disclaimer, or in reliance upon the disclaimer and without actual knowledge that said disclaimer is barred as provided in RCW 11.86.060. If an interest in or relating to real estate is disclaimed, the original of the disclaimer, or a copy of the disclaimer certified as true and complete by the clerk of the court wherein the same has been filed, shall be recorded in the office of the auditor in the county or counties where the real estate is situated and shall constitute notice to all persons only from and after the time of such recording.

Sec. 32. Section 6, chapter 148, Laws of 1973 and RCW 11.86.050 are each amended to read as follows:

Unless the person by whom the interest was created or from whom it would have been received has otherwise provided by will or other appropriate instrument with reference to the possibility of a disclaimer by the beneficiary, the interest disclaimed shall descend, be distributed or otherwise be disposed of in the same manner as if the disclaimant had died immediately preceding the ~~((death or other event which causes him to become finally ascertained as a beneficiary and his interest to become indefeasibly fixed both in quality and quantity))~~ event giving rise to the commencement of the nine month period under RCW 11.86.030 in which the disclaimer must be filed, and ~~((in any case,))~~ the disclaimer shall relate for all purposes to such date, whether filed before or after such ~~((death or other))~~ event. However, one disclaiming an interest ~~((in)), including a nonresiduary ((gift, devise or bequest)) interest, shall not be ((excluded)) precluded, unless his disclaimer so provides, from ((sharing in a gift, devise or bequest of the residue even though, through lapse, such residue includes the assets disclaimed)) receiving or enjoying the benefit of the disclaimed interest or any portion of it by virtue of a residuary bequest or devise, or otherwise. An interest of any nature in or to the estate of an intestate may be declined, refused or disclaimed as herein provided without ever vesting in the disclaimant.~~

Sec. 33. Section 7, chapter 148, Laws of 1973 and RCW 11.86.060 are each amended to read as follows:

The right to disclaim otherwise conferred by this chapter shall be barred if the beneficiary is insolvent at the time of the event giving rise to the commencement of the ~~((six months))~~ nine month period under RCW 11.86.030 within which the disclaimer must be filed. Any voluntary assignment or transfer of, or contract to assign or transfer, an interest in real or personal property, or written waiver of the right to disclaim the succession to an interest in real or personal property, by any beneficiary, or any sale or other disposition of an interest in real or personal property pursuant to judicial process, made before he has filed a disclaimer, as provided in RCW 11.86.040, bars the right otherwise conferred on such beneficiary to disclaim as to such interest.

Sec. 34. Section 8, chapter 148, Laws of 1973 and RCW 11.86.070 are each amended to read as follows:

The right to disclaim granted by RCW 11.86.020 exists regardless of any limitation imposed on the interest of the disclaimant in the nature of an express or implied spendthrift provision or similar restriction. A disclaimer, when filed and received as provided in RCW 11.86.040, or a written waiver of the right to disclaim, shall be binding upon the disclaimant or beneficiary so waiving and all parties thereafter claiming by, through or under him, except that a beneficiary so waiving may thereafter transfer, assign or release his interest if such is not prohibited by an express or implied spendthrift provision.

NEW SECTION. Sec. 35. There is added to chapter 11.86 RCW a new section to read as follows:

If a beneficiary disclaims an interest under this chapter more than nine months after the date of death of the transferor of the interest, there shall be no recalculation of the inheritance tax with respect to the deceased transferor.

NEW SECTION. Sec. 36. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions; shall take effect immediately; and shall be effective with respect to persons dying after the effective date of this act.

NEW SECTION. Sec. 37. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 38. The following acts or parts of acts are each hereby repealed:

(b) Will to the extent not so expended:

(3) The department may require any person to make a return, render under oath such statements, or keep such records as the department may reasonably require to show whether such person is liable to tax under this chapter.

(4) The donor shall file with the department one copy of any corrected federal gift tax return setting forth the total amount of federal gift tax thereon, as finally determined by the federal government. A copy of the original federal gift tax return must be included with the corrected federal gift tax return when the latter is filed with the department.

(5) If by agreement of the donor and the federal government or by final determination in federal courts the value of any gift is increased above or decreased below the value originally reported for federal gift tax purposes, the corrected valuation shall be used for state gift tax purposes.

NEW SECTION. Sec. 9. (1) For purposes of this chapter, if a person disclaims an interest under chapter 11.86 RCW, this chapter shall apply with respect to the interest disclaimed as if the interest had never been transferred to the person.

(2) A person making a disclaimer shall provide the department with a copy of the disclaimer.

NEW SECTION. Sec. 10. (1) The exercise or nonexercise by an employee of an election or option whereby a payment will become payable to any beneficiary at or after the employee's death shall not be considered a transfer for gift tax purposes if the election or option is provided under:

NEW SECTION. Sec. 11. There shall be no exemption or tax credit allowed where the donor was not a resident of a territory or state of the United States, the District of Columbia, or the Commonwealth of Puerto Rico and the property transferred is real property or tangible or intangible personal property, including certificates of stock, bonds, bills, notes, bank deposits, and other written evidence of intangible property which is physically situated within the state of Washington, or where the domicile of the debtor is in the state of Washington.

NEW SECTION. Sec. 12. (1) If the department determines that (a) a tax return of a donor is incorrect or (b) a donor has failed to file a return required under this chapter, the department shall send to the donor or his representative a computation letter in which the department sets forth its computation of the tax due and the method by which the tax is computed.

(2) At any time more than thirty days after the date of mailing the computation letter, the department may send its determination letter to the donor (and a copy to his representative, if any) in which the department sets forth its computation of tax due and the method by which the tax was computed, which letter may incorporate by reference the computation letter and any intervening letters from the department to the donor or his representative.

(3) If the donor disagrees with the statement of the tax due as set forth in the determination letter the donor may commence an action in the superior court within sixty days of the date of receipt of the determination letter (unless that sixty days is extended by written agreement) in the county in which the donor resides if a resident of this state or in Thurston county if not a resident of this state against the department in order to determine the tax liability and the amount thereof. Failure to commence the action within this period shall prohibit the donor from contesting the tax liability or the amount thereof in any subsequent proceeding of any nature or kind. The civil rules for superior court apply to these actions.

(4) If the donor fails to commence the action in superior court within the periods allowed in subsection (3) of this section, the amount set forth in the determination letter shall be conclusively presumed insofar as the donor is concerned to be the correct tax liability of the donor.

(5) The donor may waive the restrictions provided in this section on the assessment and collection of the whole or any part of the tax imposed by this chapter.

(6) At any time more than sixty days after the department has sent the determination letter to the donor but only within the time limit specified in section 15 of this act for sending a determination letter to the donor, the department may elect to enforce payment of the tax against the donee by sending its determination letter to the donee.

If the donee disagrees with the statement of the tax due as set forth in the determination letter the donee may commence an action in the superior court within sixty days of the date of the donee's receipt of the determination letter (unless that sixty days is extended by written agreement) in the county in which the donee resides if a resident of this state, or in Thurston county if not a resident of this state, against the department in order to determine the tax liability and the amount thereof. Failure to commence the action in superior court within this period shall prohibit the donee from contesting the tax liability or the amount thereof in any subsequent proceeding of any nature or kind. The civil rules for superior court apply to these actions.

(7) If the donee fails to commence the action within the periods allowed in subsection (6) of this section, the amount set forth in the determination letter shall be conclusively presumed, insofar as the donee is concerned, to be the correct tax liability of the donee.

(8) The donee may waive the restrictions provided in this section on the assessment and collection of the whole or any part of the tax imposed by this chapter.

(9) The burden of proving the date of receipt of the determination letter by either the donor or the donee shall be on the department.

NEW SECTION. Sec. 13. If the gift tax imposed by this chapter is not paid in full, the appeal period provided in section 12(3) of this act and, if applicable, section 12(6) of this act has expired, and the amount of the tax liability is fixed, the department may file in the office of the clerk of the superior court of any county a notice of lien of tax against the donor and, if the department has elected to proceed against the donee under section 12(6) of this act, a notice of lien of tax against the donee; and thereupon the clerk shall enter in the judgment docket the name of the donor and, if applicable, the name of the donee, the amount of the tax due including interest to the date for which the lien is claimed and the date when the lien is filed. The lien shall have the same effect as a personal judgment and may be collected in the same manner as other judgments. Upon payment of the judgment in whole or in part the department shall satisfy the judgment to the extent so paid.

NEW SECTION. Sec. 14. Interest shall accrue upon any unpaid gift tax owed for the calendar year at the annual interest rate of eight percent, which interest shall commence on April 16 of the year following the year for which the gift tax liability was incurred. A., Newhouse, Nisbet, North, O'Brien, Oliver, Owen, Patterson, Polk, Pruitt, Rohrbach, Rosbach, Salatino, Sanders, Schmitten, Scott, Sherman, Smith C. SUBSTITUTE SENATE BILL NO. 2284, by Committee on Natural Resources (originally sponsored by Senator Peterson):

Providing for leasing of harbor areas.

The House resumed consideration of the bill on second reading. (For previous action, see yesterday's Journal)

With the consent of the House, Mr. Martinis withdrew the amendment he had offered yesterday, and moved adoption of the following amendment by Representatives Martinis, McDonald, Dawson, Sommers, Nelson (G.A.) and Schmitten:

On page 2, line 36 after "area" insert "unless the reappraisal is conducted by an independent fee appraiser who is a member of the Appraisal Institute and designated M.A.I. or a member of the Society of Real Estate Appraisers who is designated S.R.P.A. or S.R.E.A. and who uses local comparable land values"

On motion of Mr. Salatino, the rules were suspended, the second reading considered the third, and Substitute Senate Bill No. 2284 as amended by the House was placed on final passage.

Mr. Schmitten spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Schmitten yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "With the amendment we've adopted, Representative Schmitten, could the increase be more than 106%?"

Mr. Schmitten: "No, not during the period from when the bill is enacted until July 1, 1982."

Mr. Nelson (D): "But beyond that it could increase?"

Mr. Schmitten: "Yes."

POINT OF INQUIRY

Mr. Schmitten yielded to question by Mr. Lux.

Mr. Lux: "Representative Schmitten, is there any other area in the Department of Natural Resources where they limit this on the sale of logs or anything like that, or the sale of property? Do they limit it to 106% of the appraisal from year to year or from time to time?"

Mr. Schmitten: "I think it's important to understand that this limit is for a very short period of time. There is a need to standardize the procedure to find a common ground at which to assess these leases, and that's what we're doing. To my knowledge there are no other areas in which there is a ceiling set. This ceiling is set to establish a study and to find some common ground."

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "In rereading this amendment and the bill, where the amendment fits, I'm concerned that the amendment will allow an increase in moorage fees and I'm looking for someone to tell me why it wouldn't. It simply says that if the reappraisal is conducted by these professional groups other than the state, that then there can be an increase over the 106% per year. I wonder if you could answer that for me?"

Ms. Sommers: "It is my interpretation of the amendment that there could be an increase in excess of 106% but the amendment did prioritize that it must be very fairly and carefully and professionally appraised."

Mr. Nelson (D) spoke against passage of the bill, and Representatives Dawson, Martinis and Schmitten spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 2284 as amended by the House, and the bill passed the House by the following vote: Yeas, 85; nays, 13; not voting, 0.

Voting yea: Representatives Adams, Addison, Amen, Bagnariol, Barnes, Barr, Bauer, Becker, Bender, Berentson, Bond, Brown, Burns, Chandler, Charnley, Clayton, Craswell, Dawson, Deccio, Douthwaite, Dunlap, Eberle, Erak, Fancher, Flanagan, Fuller, Gallagher, Galloway, Garrett, Granlund, Greengo, Grimm, Gruger, Haley, Hastings, Heck, Houchen, Hurley, Isaacson, Jovanovich, Keller, King, Knowles, Kreidler, Martinis, May, McCormick, McDonald, McGinnis, Mitchell, Monohon, Nelson G. A., Nisbet, O'Brien, Oliver, Owen, Patterson, Polk, Pruitt, Rohrbach, Rosbach, Salatino, Sanders, Schmitten, Scott, Smith C. STATEMENT FOR JOURNAL

I would like to change my vote from "Nay" to "Aye" on the first amendment to Substitute House Bill No. 235, page 8, line 18 offered by Representative Taller.

I was against building office building number three and voted "Nay" rather than "Aye" for the striking amendment.

BOB WILLIAMS, 18th District

Ms. Fancher moved adoption of the following amendment:

On page 20, beginning on line 42 strike subsection (2).

Representatives Fancher and Chandler spoke in favor of the amendment, and Representatives Salatino and Grimm spoke against it.

POINT OF ORDER

Mr. Nelson (G.A.): "Mr. Speaker, I think every member on this floor has the right to submit an amendment without anyone else challenging his sincerity and interest in that amendment. I think that's beyond the necessity of the person who is speaking. If he wants to speak to the amendment, that's fine. I don't think it's necessary to insult any motives of members."

Speaker Berentson: "Representative Grimm, will you hold your remarks to the merits of the amendment."

Mr. Grimm concluded his remarks in opposition to the amendment, and Mr. Keller also spoke against it.

Mr. Patterson demanded an electric roll call vote on the amendment, and the demand was sustained.

Representatives Ehlers and Owen spoke against the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Fancher to Substitute House Bill No. 235, and the amendment was adopted by the following vote: Yeas, 50; nays, 46; not voting, 2.

Voting yea: Representatives Amen, Barnes, Barr, Bender, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Deccio, Dunlap, Eng, Fancher, Flanagan, Fuller, Greengo, Gruger, Hastings, Houchen, Hurley, McDonald, McGinnis, Mitchell, Nelson D., Nelson G. POINT OF INQUIRY

Mr. Blair: "Representative Zimmerman, did you have a list of recommended projects from the Parks and Recreation Commission? If so, how many, and did the committee recommend to fund all those others on the list, or did you prioritize within the recommendations of the commission?"

Mr. Zimmerman: "Representative Blair, we had a long list that was probably one of the longest single lists of projects offered—approximately one hundred. We took each one of them from prioritization in an attempt to follow priorities. We also did not fund all that were on the list. We did include several that were asked for in the priorities they had given to us."

	Reappropriation	Appropriation
General Fund - ORA	-0-	\$813,500

Project Costs Through 6/30/79	Estimated Costs 7/1/81 and Thereafter	Estimated Total Costs	Estimated Completion Date
\$452,187	-0-	\$1,265,687	6/81*

Representatives McDonald and Hurley spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Bauer.

Mr. Bauer: "Representative Zimmerman, would your remarks be applicable to this amendment as they were to the Erak amendment?"

Mr. Zimmerman: "Not precisely. We did take a different priority in striking the Mercer Slough from the parks' projects. We struck it on the basis that it did describe what we felt were wetlands, slough, as Representative Hurley mentioned. We looked upon it as an area that was within the city of Bellevue. We were aware that there are twenty-eight developed parks there and about sixteen undeveloped parks in approximately eight hundred acres. I would say that this project is high on the priority list of the Parks Department. It has, of course, the elements of access that have been referred to as far as the major highways. In other words, we did not follow the priorities of the Parks Department."

Ms. Teutsch spoke in favor of the amendment, and Mr. Keller spoke against it.

Mr. McDonald spoke again in favor of the amendment.

Mr. Nisbet spoke in favor of the amendment, and Representatives Granlund and Dawson spoke against it.

POINT OF INQUIRY

Mr. Nisbet yielded to question by Mr. Struthers.

Mr. Struthers: "Representative Nisbet, are there state-owned facilities in the area that could take care of the laundry problems?"

Mr. Nisbet: "Yes, there are a number of state-owned laundry facilities that are at the present time only operating an eight-hour shift. For those of you who are aware of what the main problems are that we are having in energy, you know that if you bring a laundry up to temperature and to the operating condition, it is probably the most expensive phase, energy-wise, of a laundry's operation. By increasing from eight to sixteen hours, two shifts, the cost of operating a laundry for not only the Department of Veterans' Affairs, but for the other facilities, it would be a considerable savings. The Western State laundry as mentioned, at \$44,000, could do this at a considerable savings probably to both DSHS and the veterans."

Representatives Struthers, Dunlap and Deccio spoke in favor of the amendment, and Representatives Granlund and Valle spoke against it.

Mr. Nisbet spoke again in favor of the amendment.

ROLL CALL

Mr. Williams moved adoption of the following amendment:

Beginning on page 58 strike subsections (21), (22), (23), (24), (25), (26), (27), (28), (29), (30), (31), (32), (33), (34), (35), (36), (37), (38), (39), (40), (41), and (42), and renumber the remaining subsections consecutively.

Representatives Williams, Struthers and Isaacson spoke in favor of the amendment, and Representatives Thompson, Teutsch, Tilly, Heck and King spoke against it.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. McGinnis.

Mr. McGinnis: "Representative Thompson, I think an important question for all of us, in dedicating these funds to design, is whether or not the State Board of Community Colleges have, in fact, prioritized the use of this money and whether or not, we, as members of the House, can logically anticipate that the designs that are carried out will be passable priority items in the next biennium. Has this type of work been done? In your committee, do you feel fairly certain that will be the logical use of the money and we won't just waste it on design?"

Mr. Thompson: "I'm certain it won't be wasted. It's been correctly stated, however, that this priority list is for this session of the Legislature. It will be subject to review again prior to the next session of the Legislature. There may be some reordering of that list, but the Board will take under consideration the length of time that an individual college district has waited for construction money for their projects, and that will be a weighing factor in the favor of those projects in relation to others and they will be higher as a result of it. I'm certain that over time they will all be funded and a great many of them, I would anticipate, will be funded within the next session of the Legislature. That will depend upon the availability of funds at that time, however, and on the attitude of the Legislature toward community college capital development generally."

Mr. McGinnis spoke in opposition to the amendment, and Mr. Rohrbach spoke in favor of it.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Thompson, do you think the state has the leaky-roof problem resolved yet? This budget document is full of appropriations to repair leaky roofs. I'm familiar with the leaky-roof situation in the Bellevue Community College. The college was built seven or eight years ago and the roof has leaked several years and we are now having to appropriate several thousand dollars to replace it. I would really be disgruntled if I had built a home and the roof started leaking within twenty years. Most contractors will guarantee a roof on a home for that time and I'm wondering why we can't design roofs and build them for state buildings that will last twenty years?"

Mr. Thompson: "Representative Sanders, I have a feeling that question should be addressed to Representative Polk, but I'll attempt to respond to it anyway. We have provided funds within this budget for specific roof problems that have been identified for us. I believe there are six in number and they are funded to be repaired. The Appropriations Committee, however, removed an item that would create an emergency roof repair fund of some \$800,000. The committee felt that was excessive and unwarranted, but the specific problems that have been identified are funded within this budget. This does not have relationship to the amendment in question, however."

Mr. Sanders spoke in favor of the amendment.

Mr. Patterson demanded the previous question and the demand was sustained.

Mr. Isaacson spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Grimm yielded to question by Mr. Van Dyken.

Mr. Van Dyken: "Representative Grimm, in considering the capital budget for the University of Washington and other universities, what is the effect of increasing the square footage on each campus going to be on the future operating budgets? I understand that the capital projects in this budget for the University of Washington are 84,000 square feet of additional space and designating an additional 61,000 square feet of additional space. Can you tell me what impact that would have on the square footage allotment in future operating budgets that this Legislature would have to pay for?"

Mr. Grimm: "Representative Van Dyken, we do not appropriate funds on a square foot-age basis; we do it on a student basis and what level, like first two years, second two years, and then on a gradual level depending on the profession of school they are in. There is no direct mathematical addition or deduction through the amount of money that would go in. I think what you are asking is, are we adding a program or adding square footage, will that mean more students, and will that in itself increase appropriations in the future. In this program, according to data from the University of Washington, I don't think that's true. In biological sciences, the students are there and it would add, in this particular building, about 62,000 square feet for student space, but the program is already there and being funded now and I don't think you're going to have a very dramatic increase in the number of students. It's simply upgrading the facilities."

Mr. Oliver demanded the previous question, and the demand was sustained.

POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Barnes.

Mr. Barnes: "Representative O'Brien, I have served on the Facilities Committee, which has helped create the plans you describe and I think they are good. Although I've resisted this amendment before, this time I intend to go with you because I do believe, as you've pointed

out, we do have a beautiful building and we have never gone through the intended process of putting some tasteful art in it. However, your amendment says 'beautification and murals' and we have discussed the possibility of tapestries, rather than murals because of the sound conditioning requirements. I wonder if this amendment could be read to intend other things besides paintings on the walls?"

Mr. O'Brien: "That's one reason why we use the word 'beautification,' and we wanted to use the word 'mural' too because beautification would take care of tapestries and other types of paintings."

ROLL CALL

POINT OF ORDER

Mr. Patterson: "The amendment on page 39 with the language and the detail, raises a question as to whether or not this is appropriate language to be placed in a budget bill and should it not be the contents of a separate bill."

Mr. Greengo: "Representative Nelson, it's not clear from the wording of your amendment whether or not putting more than one prisoner in a cell would be prohibited."

Mr. Nelson (D): "There's clearly no prohibition. The cells at Walla Walla were not designed for four people, but now they have four people and this amendment does not prohibit putting more people in. It is our intent that it shall be designed for that and it seems to me that distinction is a valid one."

On page 81, line 13 add a new subsection as follows:

Representatives O'Brien and Tupper spoke in favor of the amendment.

POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Tilly.

Mr. Tilly: "Representative O'Brien, I voted for this the first time, but I thought maybe for clarification, beauty is determined by our individual eyes, and I am wondering, is it your intent in this to mainly be in the historical motif? Will it be that kind of art that you are intending?"

Mr. O'Brien: "The final decision, of course, hasn't been made at all. Only suggestions about different types of motifs and art that might go up, including tapestries, that have been favored by some members of the committee. We haven't made a final decision at all. Also in the rotunda, if you'll look at some of the vacant spots that need art work, that project hasn't been completed either. It will be up to the Facilities Committee to make the final decisions."

Ms. Hurley spoke in favor of the amendment.

Mr. Newhouse demanded the previous question, and the demand was sustained.

POINT OF ORDER

Mr. Van Dyken: "With due circumspection, I ask whether Representative O'Brien's motion is not out of order according to Rule 68, which states that a motion to reconsider shall be to place the original question before the House in the exact position it occupied before it was voted upon. This being a different motion, I ask whether it is out of order."

SPEAKER BAGNARIOL'S RULING

Speaker Bagnariol: "That point is not in order after debate has ensued on the issue. The question before the House is the amendment by Representative O'Brien."

ROLL CALL

Sec. 2. Section 2, chapter 46, Laws of 1973 as last amended by section 4, chapter 359, Laws of 1977 ex. sess. and RCW 28A.41.130 are each amended to read as follows:

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with the following revenues, excluding excess property tax levies, will constitute a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days, except that for kindergartens one full school year may be ninety days as provided by RCW 28A.58.180:

(1) The receipts from the one percent tax on real estate transactions pursuant to chapter 28A.45 RCW; and

(2) One hundred percent of the receipts from public utility district funds distributed to school districts pursuant to RCW 54.28.090; and

(3) One hundred percent of the receipts from federal forest revenues distributed to school districts pursuant to RCW 36.33.110; and

(4) One hundred percent of such other available revenues as the superintendent of public instruction may deem appropriate for consideration in computing state equalization support.

Basic education shall be considered to be fully funded by those amounts of dollars appropriated by the legislature pursuant to RCW 28A.41.130 and 28A.41.140, each as now or hereafter amended, to fund those program requirements identified in RCW 28A.58.754, as now or hereafter amended, in accordance with the formula and ratios provided in RCW 28A.41.140, as now or hereafter amended.

Operation of a program approved by the state board of education, for the purposes of this section, shall include a finding that the ratio of students per classroom teacher in grades kindergarten through three is not greater than the ratio of students per classroom teacher in grades four and above for such district: PROVIDED, That for the purposes of this section, 'classroom teacher' shall be defined as an instructional employee possessing ((at least a provisional certificate, but not necessarily employed as a certificated employee;)) a valid teaching certificate or permit issued by the superintendent of public instruction whose primary duty is the daily educational instruction of students: PROVIDED FURTHER, That the state board of education shall adopt rules and regulations to insure compliance with the student/teacher ratio provisions of this section, and such rules and regulations shall allow for exemptions for those special programs and/or school districts which may be deemed unable to practically meet the student/teacher ratio requirements of this section by virtue of a small number of students: PROVIDED, FURTHER, That these rules and regulations shall provide that any district that has a ratio of no greater than twenty-five students per classroom teacher in grades kindergarten through three shall be in conformance with ((this section)) the foregoing student/teacher ratio requirements.

If a school district's basic education program fails to meet the basic education program requirements enumerated in RCW 28A.41.130, 28A.41.140 and 28A.58.754, each as now or hereafter amended, or established by rule pursuant thereto, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, That for the school years 1978 through 1981 the state board of education may waive this requirement in the event of levy failure: PROVIDED FURTHER, That the state board of education may waive this requirement in the event of substantial lack of classroom space: PROVIDED FURTHER, That effective July 1, 1979, those school districts which have been found by the state board of education to be out of compliance with the basic education program requirements enumerated in RCW 28A.58.754 during the 1978 and 1979 school year shall be deemed to be in compliance if such districts would have been in compliance had those basic education program requirements enumerated in section 1 of this amendatory act been in effect during the time for which the district was found out of compliance.

Sec. 3. Section 14, chapter 244, Laws of 1969 ex. sess. as last amended by section 12, chapter 151, Laws of 1979 and RCW 28A.41.140 are each amended to read as follows:

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have

the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

- (1) Certificated staff and their related costs;
- (2) Classified staff and their related costs;
- (3) Nonsalary costs; ~~((and))~~
- (4) Extraordinary costs of remote and necessary schools and small high schools; and
- (5) The attendance of students pursuant to RCW 28A.58.075 and 28A.58.245, each as now or hereafter amended, who do not reside within the servicing school district.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous ~~((biennium))~~ school year shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in RCW 28A.58.754. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of financial management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, educational staff associate, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute: ~~((PROVIDED, FURTHER, That the hiring of such noncertificated persons shall be subject to disapproval by the superintendent of public instruction. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances))~~. Each annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall ((be) require) at least twenty-five hours per week. Direct classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. ((Classified staff shall include those persons employed by a school district other than certificated staff as defined in this section in a capacity for which certification is not required.)) Up to two hundred minutes per week may be deducted from the twenty-five contact hour requirement, at the discretion of the school district board of directors, to accommodate authorized teacher/parent-guardian conferences, recess, passing time between classes, and informal instructional activity.

Sec. 4. Section 28A.58.190, chapter 223, Laws of 1969 ex. sess. as amended by section 14, chapter 359, Laws of 1977 ex. sess. and RCW 28A.58.190 are each amended to read as follows:

Except as otherwise provided by law, it is the general policy of the state that the common schools shall be open to the admission of all persons ~~((between the ages of))~~ who are five years of age and less than twenty-one years residing in that school district. Except as otherwise provided by law, the state board of education is hereby authorized to adopt rules in accordance with chapter 34.04 RCW which establish uniform entry qualifications, including but not limited to birth date requirements, for admission to kindergarten and first grade programs of the common schools. Such rules may provide for exceptions based upon the ability, or the need, or both, of an individual student.

Sec. 5. Section 19, chapter 359, Laws of 1977 ex. sess. and RCW 28A.58.760 are each amended to read as follows:

(1) It is the intended purpose of this section to guarantee that the certificated teaching and administrative staff in each common school district be held accountable for the proper and efficient conduct of classroom teaching in their school which will ~~((meet the individual and collective needs of the particular students enrolled therein))~~ provide students with the opportunity to achieve those skills which are generally recognized as requisite to learning.

(2) In conformance with the other provisions of Title 28A RCW, it shall be the responsibility of the certificated teaching and administrative staff in each common school to:

(a) Implement the district's prescribed curriculum and enforce, within their area of responsibility, the rules and regulations of the school district, the state superintendent of public instruction, and the state board of education, taking into due consideration individual differences among students, and maintain and render appropriate records and reports pertaining thereto.

(g) Evaluate each student's educational growth and development and make periodic reports thereon to parents, guardians, or custodians and to school administrators.

Failure to carry out such requirements as set forth in subsection (2) (a) through (g) above shall constitute sufficient cause for discharge of any member of such teaching or administrative staff.

Sec. 6. Section 28A.41.170, chapter 223, Laws of 1969 ex. sess. as last amended by section 1, chapter 78, Laws of 1973 1st ex. sess. and RCW 28A.41.170 are each amended to read as follows:

The superintendent of public instruction shall have the power and duty to make such rules and regulations as are necessary for the proper administration of this chapter not inconsistent with the provisions thereof, and in addition to require such reports as may be necessary to carry out his duties under this chapter: PROVIDED, That the superintendent of public instruction shall have the authority to make rules and regulations allowing school districts to receive state ((apportionment)) basic education moneys as provided in RCW 28A.41.130 when said districts are unable to fulfill the requirement(s) of a full school year of one hundred eighty days or the total program hour offering requirements imposed by RCW 28A.58.754 due to an unforeseen emergency caused by fire, flood, explosion, storm, earthquake, epidemic, riot, insurrection, community disaster, or act of God; PROVIDED FURTHER, That the superintendent of public instruction shall make every effort to reduce the amount of paperwork required in administration of this chapter; to simplify the application, monitoring and evaluation processes used; to eliminate all duplicative requests for information from local school districts; and to make every effort to integrate and standardize information requests for other state education acts and federal aid to education acts administered by the superintendent of public instruction so as to reduce paperwork requirements and duplicative information requests.

MOTION

On motion of Mr. Polk, the House advanced to the seventh order of business.

THIRD READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 235, by Committee on Appropriations (originally sponsored by Representatives Blair and Thompson - by Governor Ray request):

Adopting the capital budget.

The bill was read the third time and placed on final passage.

Representatives Blair and Becker spoke in favor of passage of the bill, and Representative Taller spoke against it.

POINT OF INQUIRY

Mr. Blair yielded to question by Mr. Lux.

Mr. Lux: "Representative Blair, apparently they are working on a revised sheet of the amount of bonding that's in this budget and apparently what's on the sheet now does not reflect the jail bonds, which are about \$106 million, as I recall. That would bring it up to about \$400 million. Is that true? How many millions of dollars of bonds are in this capital budget?"

Mr. Blair: "You're not going to like my answer, but it's going to have to be none—zero—there's no bonds in the capital budget. The capital budget is an appropriations act and the bonds are separate bills that will be voted on individually by this legislative body. The total bonds that could be voted on are somewhere in the range from \$300 to \$400 million. That's if you include the jail bonds. By the way, there's no money in this appropriations act for that jail construction. The process does look confusing on the face of it, in that we have the appropriations money in one bill and then authorize the bonds in another act, but a good deal of that is because of legal requirements by bond counsel who will not authorize the sale of bonds, in fact can't market them, without a specific legislative enactment for each one indicating that the Legislature is supporting and will back up these bonds. Without both the passage of the appropriations bill itself and the individual passage of the bond bills, no money can be spent. In other words, two legislative actions are required so that the bonds can be sold to produce the money that's appropriated."

Mr. Lux: "What is the interest that we will be paying on these bonds? I understand that these are tax exempt bonds, is that true?"

Mr. Blair: "Not to us, to the persons who purchase the bonds. It qualifies under federal law which we have no control over, and it's exempt from federal income tax, I believe. Yes, generally speaking that is true that the income derived from these bonds is federally tax-exempt to the individual who buys the bonds. That's why we are able to sell bonds at a much lower interest rate than a private corporation. It's the only thing that really makes them attractive to someone who wants to buy them."

Mr. Lux: "What is the interest rate at the present time?"

Mr. Blair: "I have no idea. It varies from day to day, literally from hour to hour. The State Finance Committee is following that very carefully, but it's running today from six and a half to seven percent."

Representatives Lux and Deccio spoke against the bill, and Mr. Nelson (G.A.) spoke in favor of it.

Speaker Bagnariol demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 235, and the bill failed to pass the House by the following vote: Yeas, 32; nays, 66; not voting, 0.

Voting yea: Representatives Adams, Bagnariol, Bauer, Becker, Blair, Brekke, Burns, Chandler, Charnley, Galloway, Grimm, Heck, Keller, King, Knowles, Martinis, Maxie, Nelson D., Nelson G. A., North, O'Brien, Patterson, Salatino, Sherman, Smith R., Sommers, Thompson, Valle, Walk, Warnke, Winsley, Zimmerman.

Voting nay: Representatives Addison, Amen, Barnes, Barr, Bender, Berentson, Bond, Brown, Clayton, Craswell, Dawson, Deccio, Douthwaite, Dunlap, Eberle, Ehlers, Eng, Erak, Erickson, Fancher, Flanagan, Fuller, Gallagher, Garrett, Granlund, Greengo, Gruger, Haley, Hastings, Houchen, Hughes, Hurley, Isaacson, Jovanovich, Kreidler, Lux, May, McCormick, McDonald, McGinnis, Mitchell, Monohon, Newhouse, Nisbet, Oliver, Owen, Polk, Pruitt, Rohrbach, Rosbach, Sanders, Schmitt, Scott, Smith C. P., Sprague, Struthers, Taller, Taylor, Teutsch, Tilly, Tupper, Van Dyken, Vrooman, Whiteside, Williams, Wilson.

Engrossed Substitute House Bill No. 235, having failed to receive the constitutional majority, was declared lost.

Speaker Berentson declared the House to be at ease until 1:30 p.m.

Speaker Berentson called the House to order.

MOTION FOR RECONSIDERATION

Mr. Polk moved that the rules be suspended, and the House immediately reconsider the vote by which Engrossed Substitute House Bill No. 235 failed to pass the House.

NOTICE OF RECONSIDERATION

Mr. Ehlers served notice that he would, on the next working day, move for reconsideration of the vote by which Engrossed Substitute House Bill No. 235 failed to pass the House.

Mr. Polk spoke in favor of the motion to immediately reconsider.

POINT OF ORDER

Mr. O'Brien: "Mr. Speaker, I'd like to know how you're going to rule. Rule 68 states, 'Notice of a motion for reconsideration on the final passage of bills may be made only on the day the vote to be reconsidered was taken. An affirmative or negative vote on the final passage of bills may be reconsidered only on the next working day after such vote has been taken.' Mr. Polk did not serve notice."

Speaker Berentson: "The motion, Representative O'Brien, is to suspend the rules."

Speaker Bagnariol spoke against the motion.

POINT OF INFORMATION

Mr. Polk: "Mr. Speaker, if this vote fails, I'm inquiring about your ruling as to the propriety of the notice given by Representative Ehlers that he would move tomorrow to reconsider the motion which failed. If the House refuses to reconsider today, will it actually be able to reconsider tomorrow?"

Speaker Berentson: "Should your motion fail, Representative Polk, the motion by Representative Ehlers to reconsider tomorrow would in order at that point. The question now is the motion by Representative Polk to suspend the rules and immediately reconsider the vote by which the bill failed."

SENATE AMENDMENTS TO HOUSE BILL

April 11, 1979

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 29 with the following amendments:

Strike everything after the enacting clause and insert the following:

*Section 1. Section 1, chapter 234, Laws of 1959 as amended by section 1, chapter 237, Laws of 1967 and RCW 34.04.010 are each amended to read as follows:

((For the purpose of this chapter:)) The definitions set forth in this section shall apply throughout this chapter, unless the context clearly requires otherwise.

(1) 'Agency' means any state board, commission, department, or officer, authorized by law to make rules or to adjudicate contested cases, except those in the legislative or judicial branches.

(2) 'Rule' means any agency order, directive, or regulation of general applicability (a) the violation of which subjects a person to a penalty or administrative sanction; (b) which establishes, alters, or revokes any procedure, practice, or requirement relating to agency hearings; (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law; (d) which establishes, alters, or revokes any qualifications or standards for the issuance, suspension, or revocation of licenses to pursue any commercial activity, trade, or profession; or (e) which establishes, alters, or revokes any mandatory standards for any product or material which must be met before distribution or sale. The term includes the amendment or repeal of a prior rule, but does not include (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, (ii) declaratory rulings issued pursuant to RCW 34.04.080, as now or hereafter amended, or (iii) speed restrictions for motor vehicles established by the state highway commission.

(3) 'Contested case' means a proceeding before an agency in which an opportunity for a hearing before such agency is required by law or constitutional right prior or subsequent to the determination by the agency of the legal rights, duties, or privileges of specific parties. Contested cases shall also include all cases of licensing and rate making in which an application for a license or rate change is denied except as limited by RCW 66.08.150, or a license is revoked, suspended, or modified, or in which the granting of an application is contested by a person having standing to contest under the law or agency rules.

(4) 'License' includes the whole or part of any agency permit, certificate, approval, registration, charter, or any form of permission required by law, including agency rule, to engage in any activity, but does not include a license required solely for revenue purposes.

(5) 'Licensing' includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal, or modification of a license.

(6) 'Rules review committee' or 'committee' means either of the administrative rules review committees created pursuant to section 4 of this 1979 act for the purpose of selectively reviewing existing and proposed rules of state agencies.

Sec. 2. Section 3, chapter 237, Laws of 1967 as last amended by section 7, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committees, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the rules review committees, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or

adopt the proposed rule, if there are no substantial changes, without refileing the notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

~~((2))~~ (4) No proceeding ~~((staff))~~ may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

~~((3))~~ (5) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, ~~((or, if))~~ unless it is an emergency rule designated as such ~~((;))~~ and is adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

Sec. 3. Section 3, chapter 234, Laws of 1959 as amended by section 8, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.030 are each amended to read as follows:

~~((H))~~ If the agency finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the agency may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The agency's finding and a ~~((brief))~~ concise statement of the reasons for its finding shall be incorporated in the emergency rule or amendment as filed with the office of the code reviser under RCW 34.04.040 and with the rules review committees. An emergency rule or amendment ~~((staff))~~ may not remain in effect for longer than ninety days after filing. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

~~((2))~~ The emergency rule published in the register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon its filing with the code reviser in accordance with RCW 34.04.040(2):)

NEW SECTION. Sec. 4. There is added to chapter 34.04 RCW a new section to read as follows:

(1) In each house of the legislature there shall be a rules review committee. Each committee shall be bipartisan and shall consist of four members from each house of the state legislature. The members of the senate committee shall be appointed by the president of the senate, and the members of the house committee shall be appointed by the speaker of the house. Not more than two members from each house shall be from the same political party. Each appointment to a committee shall be subject to approval by the caucus to which the appointed member belongs.

(2) The initial members of each committee shall be appointed as soon as possible after the effective date of this 1979 act, and shall serve until the next regular session of the legislature convenes. Thereafter members shall be appointed as soon as possible after the legislature convenes in regular session, and their terms shall extend until the legislature next convenes in regular session or until such members no longer serve in the legislature, whichever occurs first. Members may be reappointed to a committee.

(3) The president of the senate shall appoint the chairperson of the senate committee from among committee membership. The speaker of the house shall appoint the chairperson of the house committee from among committee membership. Such appointments shall be made in January of each year as soon as possible after a legislative session convenes. If no session is convened, such appointments shall be made as soon as possible after the second Monday in January of each year.

(4) Vacancies on the committee shall be filled as soon as possible from the same political party as original appointments.

(5) Whenever the committees meet jointly pursuant to sections 5 through 7 of this 1979 act, the chairperson of the senate rules review committee shall preside over such joint meetings in odd-numbered years, and the chairperson of the house rules review committee shall preside over such joint meetings in even-numbered years.

(6) The committees shall adopt rules governing the conduct of their business, not in conflict with joint rules of the legislature or rules of the house and senate.

NEW SECTION. Sec. 5. There is added to chapter 34.04 RCW a new section to read as follows:

Whenever a majority of the members of each review committee, meeting jointly, determine that a proposed rule is not within the intent of the legislature as expressed in the statute which the rule implements, the review committees shall give the affected agency written notice of their decision. The notice shall be given at least seven days prior to any hearing scheduled for consideration of or adoption of the proposed rule pursuant to RCW 34.04.025(1)(a)(iii) as now or hereafter amended. The notice shall include a statement of the review committees' joint findings and the reasons therefor.

NEW SECTION. Sec. 6. There is added to chapter 34.04 RCW a new section to read as follows:

(1) All rules required to be filed pursuant to RCW 34.04.040, and emergency rules adopted pursuant to RCW 34.04.030 as now or hereafter amended, are subject to selective review by the legislature.

(2) If each rules review committee finds by a majority vote of its members in a joint meeting: (a) That an existing rule is not within the intent of the legislature as expressed by the statute which the rule implements, or (b) that the rule has not been adopted in accordance with all applicable provisions of law, the agency affected shall be notified of such finding and the reasons therefor. Within thirty days of the receipt of the rules review committees' notice the agency shall file notice of a hearing on the rule in question with the code reviser and mail notice to all persons who have made timely request of the agency for advance notice of

its rule-making proceedings as provided in RCW 34.04.025, as now or hereafter amended. The agency's notice shall include the rules review committees' findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.

(3) The agency shall consider fully all written and oral submissions respecting whether the rule in question is within the intent of the legislature as expressed by the statute which the rule implements and whether the rule was adopted in accordance with all applicable provisions of law.

NEW SECTION. Sec. 7. There is added to chapter 34.04 RCW a new section to read as follows:

(1) Within seven days of an agency hearing held after notification of the agency by the rules review committees pursuant to section 5 or 6 of this 1979 act, the affected agency shall notify the committees of its action regarding a proposed or existing rule to which the committees objected. If the rules review committees determine, by a majority vote of their members in a joint meeting, that the agency has failed to provide for the required hearings or notice of its action to the committees, the committees may file notice of their objections, together with a concise statement of the reasons therefor, with the code reviser within thirty days of such determination.

(2) If the rules review committees find, by a majority vote of their members in a joint meeting, that the proposed or existing rule in question has not been modified, amended, withdrawn, or repealed by the agency so as to conform with the intent of the legislature, the rules review committees may, within thirty days from notification by the agency of its action, file with the code reviser notice of their objections together with a concise statement of the reasons therefor. Such notice and statement shall also be provided to the agency by the rules review committees.

(3) The code reviser shall publish the rules review committees' notice of objection and statement of the reasons therefor issued pursuant to subsection (1) or (2) of this section in the Washington state register and shall publish in the next supplement and compilation of the Washington Administrative Code a reference to the committees' objection and to the issue of the Washington state register in which the full text thereof appears.

(4) Such notice shall be removed from a rule published in the Washington Administrative Code if a subsequent adjudicatory proceeding determines that the rule is within the intent of the legislature or was adopted in accordance with all applicable laws, whichever was the objection of the rules review committees.

NEW SECTION. Sec. 8. There is added to chapter 34.04 RCW a new section to read as follows:

(1) The committees may recommend to the legislature that the original enabling legislation serving as authority for the promulgation of any rule reviewed by the committees be amended or repealed in such manner as the committees deem advisable.

(2) The creation of the rules review committees does not preclude any standing committee of the legislature from conducting studies of agency rules, holding hearings on rules, providing staff assistance to the rules review committees, referring questionable rules to the rules review committees, or making recommendations to the legislature that the original enabling legislation for an agency be amended or repealed.

(3) The rules review committees shall report on their activities, including findings and recommendations with respect to rule-making procedures of state agencies and institutions of higher education, thirty days prior to the convening of the regular session of the legislature in 1981.

NEW SECTION. Sec. 9. There is added to chapter 34.04 RCW a new section to read as follows:

It is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of nonconformance required by sections 6(2) and 7(2) of this 1979 act in no way serves to establish a presumption as to the legality or constitutionality of a rule in any subsequent judicial proceedings interpreting such rules.

Sec. 10. Section 2, chapter 57, Laws of 1971 ex. sess. as amended by section 42, chapter 169, Laws of 1977 ex. sess. and RCW 28B.19.020 are each amended to read as follows:

The various state community colleges are sometimes referred to in this chapter as 'community colleges.'

(2) 'Rule' means any order, directive, or regulation of any institution of higher education which affects the relationship of the general public with the institution, or the relationship of particular segments of the particular educational community such as students, faculty, or other employees, with the institution or with each other, (a) the violation of which subjects a person to a penalty or administrative sanction; or (b) which establishes, alters, or revokes any procedures, practice, or requirement relating to institutional hearings; or (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law. The term includes the amendment or repeal of a prior rule but does not include rules, regulations, orders, statements, or policies relating primarily to the following: Standards for admission; academic advancement, academic credits, graduation and the granting of degrees; tuition and fees, scholarships, financial aids, and similar academic matters; employment relationships; fiscal processes; or matters concerning only the internal management of an institution and not affecting private rights or procedures available to the general public; and such matters need not be established by rule adopted under this chapter unless otherwise required by law.

(3) 'Contested case' means a formal or informal proceeding before an institution of higher education, division, department, office, or designated official or representative thereof in which an opportunity for hearing is required by law, constitutional rights, or institutional policy, prior or subsequent to the determination by the institution of the legal rights, duties, or privileges of specific parties.

(4) 'Rules review committee' or 'committee' means either of the administrative rules review committees created pursuant to section 4 of this 1979 act for the purpose of selectively reviewing existing and proposed rules of institutions of higher education.

(1) Prior to the adoption, amendment, or repeal of any rule adopted under this chapter, each institution, college, division, department, or official thereof exercising rule-making authority delegated by the governing board or the president, shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committees, and mail the notice to all persons who have made timely request of the institution or related board for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Provide notice to the campus or standard newspaper of the institution involved and to a newspaper of general circulation in the area at least seven days prior to the date of the rule-making proceeding. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the institution's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The institution shall consider fully all written and oral statements respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refileing the notice required by this section.

((2)) (4) No proceeding ((shall)) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

((3)) (5) No rule adopted under this chapter is valid unless adopted in substantial compliance with this section, ((or, if)) unless it is an emergency rule designated as such((;)) and is adopted in substantial compliance with RCW 28B.19.040, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 28B.19.040, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

((4)) (6) When twenty days notice of intended action to adopt, amend, or repeal a rule has not been filed with the code reviser, as required by subsection ((2)) (4) of this section, the code reviser ((shall)) may not publish such rule, and such rule ((shall)) may not be effective for any purpose.

Sec. 12. Section 4, chapter 57, Laws of 1971 ex. sess. as last amended by section 11, chapter 240, Laws of 1977 ex. sess. and RCW 28B.19.040 are each amended to read as follows:

If the institution of higher education finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and the observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the institution may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The institution's finding and a ((brief)) concise statement of the reasons for its finding shall accompany the emergency rule or amendment as filed with the code reviser and with the appropriate review committee. An emergency rule or amendment ((shall)) may not remain in effect for longer than ninety days after filing.

Emergency rules ((shall)) become effective upon filing with the code reviser unless an effective date is specified in the rule. ((The emergency rule published in the state register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon such filing.))

REMONSTRANCE TO THE HOUSE OF REPRESENTATIVES

WHEREAS, The Legislature is presently considering appropriating money for the establishment and operation of a Marine Science Interpretive Center to be located on the pier and attached building at Fort Worden State Park; and

WHEREAS, Notwithstanding this pending legislation, the Washington State Parks and Recreation Commission has expressed its intention of entering into a long-term contract with a private boating club for the use of the proposed site and the contract would be entered into prior to adjournment of the Legislature and enactment of the budget bill providing for the Marine Science Interpretive Center; and

WHEREAS, Under the proposed contract with the boating club, the pier and attached building would be used to locate a three-ton crane and for the storage of boats and supplies, and this use would be incompatible with the use of the site for a Marine Science Interpretive Center; and

WHEREAS, The Marine Science Interpretive Center would be a better use of the pier and related building as it would be for the benefit of all citizens of the state and not just for the enjoyment of one special interest group;

NOW, THEREFORE, I hereby call to the attention of the House members the fact that the Washington State Parks and Recreation Commission, by entering into its proposed contract with the boating club, could well defeat the purpose of pending legislation before it becomes clear whether that legislation will be passed or defeated, and that entering into the proposed contract under these circumstances constitutes a degree of bureaucratic arrogance and manipulation of the Legislature rarely witnessed in the past. I urge that members of the House take note of this effort to defeat legislative purpose and to carry out the wishes of a special interest group to the detriment of the general public.

MARGARET HURLEY, 3rd District.

POINT OF PERSONAL PRIVILEGE

Ms. Hurley: "Mr. Speaker, and ladies and gentlemen of the House, I'd like to explain the remonstrance that was just read and I'm sure was very well understood by all of you. A remonstrance is a document which calls to the attention of the Legislature an action which is offensive or intended to defeat the legislative process, or in some way would defeat the legislative process. This is only the third remonstrance that I can remember in this House of Representatives, but I did want to tell you exactly what has happened.

"You probably remember we adopted an item in the operating budget for \$104 million for sort of a people-type interpretive center for children, and schools and all the travelers and campers who go to Fort Worden. I didn't have any special interest in it at all. This interpretive center has been discussed for a number of years but no money has ever funded this. It turns out, in all honesty, that a contract has been proposed for a few years also, where this special interest group who wants to use this building and this dock at Fort Worden for a special purpose and a special group. I believe that the interpretive center is a higher and better interest and I call to mind that I think it is indeed bureaucratic arrogance to call a commission meeting on Monday in Spokane, my hometown, and sign a contract with a special interest group for the purpose of making this building and this dock something else while pending in this Legislature—and already passed by the House—is \$104 million in the operating budget and \$32,000 in the capital budget for that specific building. It has been said that this is not site specific, but I don't know what could be more site specific than \$32,000 to renovate the building that already exists there.

"I really do believe that this is something that should be called to this Legislature's attention, in that it is indeed arrogant to hurry up this plan and sign a contract when we are still talking on both of these budgets. I have every assurance that the item will remain there because it's such a neat, neat thing. This is not voted upon, I guess, as I told you before. I don't believe there's any response to my point of personal privilege, it's just to call to your attention some of these things that do happen around here that shouldn't happen, and I hope will never happen again."

Ms. Sommers: "I would certainly consult very soon and recommend to my Co-Chairperson that we schedule an early hearing on this. I don't know why that couldn't be done.
