MESSAGE FROM THE HOUSE

April 15, 2019

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5883 with the following amendment(s): 5883-S AMH TR H2649.2

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.44.105 and 2007 c 419 s 13 are each amended to read as follows:

(1)(a) Except as provided in (c) of this subsection, a violation of any of the provisions of this chapter is a traffic infraction, and upon the first finding thereof shall be assessed a basic penalty of not less than fifty dollars; and upon a second finding thereof shall be assessed a basic penalty of not less than seventy-five dollars; and upon a third or subsequent finding shall be assessed a basic penalty of not less than one hundred dollars.

~~((2))~~(b)(i) Except as provided in (c) of this subsection, in addition to the penalties imposed in (a) of this subsection ((1) of this section), any person violating RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 shall be assessed a penalty for each pound overweight, as follows:

~~((A))~~ (A) One pound through four thousand pounds overweight is three cents for each pound;

~~((B))~~ (B) Four thousand one pounds through ten thousand pounds overweight is one hundred twenty dollars plus twelve cents per pound for each additional pound over four thousand pounds overweight;

~~((C))~~ (C) Ten thousand one pounds through fifteen thousand pounds overweight is eight hundred forty dollars plus sixteen cents per pound for each additional pound over ten thousand

pounds overweight;

~~((4))~~ (D) Fifteen thousand one pounds through twenty thousand pounds overweight is one thousand six hundred forty dollars plus twenty cents per pound for each additional pound over fifteen thousand pounds overweight;

~~((5))~~ (E) Twenty thousand one pounds and more is two thousand six hundred forty dollars plus thirty cents per pound for each additional pound over twenty thousand pounds overweight.

(ii) Upon a first violation in any calendar year, the court may suspend the penalty for five hundred pounds of excess weight for each axle on any vehicle or combination of vehicles, not to exceed a two thousand pound suspension. Except as specified in (c) of this subsection, in no case may the basic penalty assessed in (a) of this subsection ~~((1) of this section)~~ or the additional penalty assessed in (b) of this subsection ~~((2) of this section)~~, except as provided for the first violation, be suspended.

~~((3))~~(c)(i) The penalties in (a) and (b) of this subsection are not applicable and a written warning must be issued when a traffic infraction for a violation of RCW 46.44.041 occurs and the following applies:

(A) A vehicle or combination of vehicles carrying farm products, as defined in RCW 7.48.310, from the field where the farm product was grown or harvested, exceeds the gross vehicle weight limits in RCW 46.44.041 by five percent or less; and

(B) The driver of the vehicle has not been issued a traffic infraction or has received no more than one written warning for a violation of RCW 46.44.041 within the calendar year in which the violation occurs.

(ii) The state patrol must track the issuance of written warnings issued for RCW 46.44.041 for the purposes of determining whether a violation of RCW 46.44.041 is the first in a calendar year.

(2) Any person found to have violated any posted limitations of a highway or section of highway shall be assessed a monetary penalty of not less than one hundred ~~((and))~~ fifty dollars, and the court shall in addition thereto upon second violation within a twelve-month period involving the same power unit, suspend the certificate of license registration for not less than thirty days.

~~((4))~~ (3) It is unlawful for the driver of a vehicle to fail or refuse to stop and submit the vehicle and load to a weighing, or to fail or refuse, when directed by an officer upon a weighing of the vehicle to stop the vehicle and otherwise comply with the provisions of this section. It is unlawful for a driver of a commercial motor vehicle as defined in RCW 46.32.005, other than the driver of a bus as defined in RCW 46.32.005(3) or a vehicle with a gross vehicle weight rating or gross combination weight rating of 7,257 kilograms or less (16,000 pounds or less) and not transporting hazardous materials in accordance with RCW 46.32.005(4), to fail or refuse to stop at a weighing station when proper traffic control signs indicate scales are open. However, unladen tow trucks regardless of weight and farm vehicles carrying farm produce with a gross vehicle weight rating or gross combination weight rating of 11,794 kilograms or less (26,000 pounds or less) may fail or refuse to stop at a weighing station when proper traffic control signs indicate scales are open.

Any police officer is authorized to require the driver of any vehicle or combination of vehicles to stop and submit to a weighing either by means of a portable or stationary scale and may require that the vehicle be driven to the nearest public scale. Whenever a police officer, upon weighing a vehicle and load, determines that the weight is unlawful, the officer may require the driver to stop the vehicle in a suitable location and remain standing until such portion of the load is removed as may be necessary to reduce the gross weight of the vehicle to the limit permitted by law. If the vehicle is loaded with grain or other perishable commodities, the driver shall be permitted to proceed

without removing any of the load, unless the gross weight of the vehicle and load exceeds by more than ten percent the limit permitted by this chapter. The owner or operator of the vehicle shall care for all materials unloaded at the risk of the owner or operator.

Any vehicle whose driver or owner represents that the vehicle is disabled or otherwise unable to proceed to a weighing location shall have its load sealed or otherwise marked by any police officer. The owner or driver shall be directed that upon completion of repairs, the vehicle shall submit to weighing with the load and markings and/or seal intact and undisturbed. Failure to report for weighing, appearing for weighing with the seal broken or the markings disturbed, or removal of any cargo prior to weighing is unlawful. Any person so convicted shall be fined one thousand dollars, and in addition the certificate of license registration shall be suspended for not less than thirty days.

~~((5))~~ (4) Any other provision of law to the contrary notwithstanding, district courts having venue have concurrent jurisdiction with the superior courts for the imposition of any penalties authorized under this section.

~~((6))~~ (5) For the purpose of determining additional penalties as provided by subsection ~~((2))~~ (1)(b) of this section, "overweight" means the poundage in excess of the maximum allowable gross weight or axle/axle grouping weight prescribed by RCW 46.44.041, 46.44.042, 46.44.047, 46.44.091, and 46.44.095.

~~((7))~~ (6) The penalties provided in subsection ~~((s))~~ (1)(a) and ~~((2))~~ (b) of this section shall be remitted as provided in chapter 3.62 RCW or RCW 10.82.070. For the purpose of computing the basic penalties and additional penalties to be imposed under subsection ~~((s))~~ (1)(a) and ~~((2))~~ (b) of this section, the convictions shall be on the same vehicle or combination of vehicles within a twelve-month period under the same ownership.

~~((8))~~ (7) Any state patrol officer or any weight control officer who finds any person operating a vehicle or a combination of vehicles in violation of the conditions of a permit issued under RCW 46.44.047, 46.44.090, and 46.44.095 may confiscate the permit and forward it to the state department of transportation which may return it to the permittee or revoke, cancel, or suspend it without refund. The department of transportation shall keep a record of all action taken upon permits so confiscated, and if a permit is returned to the permittee the action taken by the department of transportation shall be endorsed thereon. Any permittee whose permit is suspended or revoked may upon request receive a hearing before the department of transportation or person designated by that department. After the hearing the department of transportation may reinstate any permit or revise its previous action.

Every permit issued as provided for in this chapter shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any law enforcement officer or authorized agent of any authority granting such a permit.

Upon the third finding within a calendar year of a violation of the requirements and conditions of a permit issued under RCW 46.44.095, the permit shall be canceled, and the canceled permit shall be immediately transmitted by the court or the arresting officer to the department of transportation. The vehicle covered by the canceled permit is not eligible for a new permit for a period of thirty days.

~~((9))~~ (8) For the purposes of determining gross weights the actual scale weight taken by the arresting officer is prima facie evidence of the total gross weight.

~~((10))~~ (9) It is a traffic infraction to direct the loading of a vehicle with knowledge that it violates the requirements in RCW 46.44.041, 46.44.042, 46.44.047, 46.44.090, 46.44.091, or 46.44.095 and that it is to be operated on the public highways of

MR. PRESIDENT:

The House receded from its amendment(s) to SUBSTITUTE SENATE BILL NO. 5894. Under suspension of the rules, the bill was returned to second reading for the purposes of amendment(s). The House adopted the following amendment(s): 5894-S AMH ENGR H2748.E, and passed the bill as amended by the House.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 41.16.060 and 1987 c 319 s 2 are each

amended to read as follows:

(1) It ~~((shall be))~~ is the duty of the legislative authority of each municipality, each year as a part of its annual tax levy, to levy and place in the fund a tax of twenty-two and one-half cents per thousand dollars of assessed value against all the taxable property of such municipality: PROVIDED, That if a report by a qualified actuary on the condition of the fund establishes that the whole or any part of said dollar rate is not necessary to maintain the actuarial soundness of the fund, the levy of said twenty-two and one-half cents per thousand dollars of assessed value may be omitted, or the whole or any part of ~~((said))~~ such dollar rate may be levied and used for any other municipal purpose.

(2) It ~~((shall be))~~ is the duty of the legislative authority of each municipality, each year as a part of its annual tax levy and in addition to the city levy limit set forth in RCW 84.52.043, to levy and place in the fund an additional tax of twenty-two and one-half cents per thousand dollars of assessed value against all taxable property of such municipality: PROVIDED, That if a report by a qualified actuary establishes that all or any part of the additional twenty-two and one-half cents per thousand dollars of assessed value levy is unnecessary to meet the estimated demands on the fund under this chapter for the ensuing budget year, the levy of said additional twenty-two and one-half cents per thousand dollars of assessed value may be omitted, or the whole or any part of such dollar rate may be levied and used for any other municipal purpose, subject to subsection (4) of this section: PROVIDED FURTHER, That cities that have annexed to library districts according to RCW 27.12.360 through 27.12.395 and/or fire protection districts according to RCW 52.04.061 through 52.04.081 ~~((shall))~~ may not levy this additional tax to the extent that it causes the combined levies to exceed the statutory or constitutional limits.

(3) The amount of a levy under this section allocated to the pension fund may be reduced in the same proportion as the regular property tax levy of the municipality is reduced by chapter 84.55 RCW.

(4) If a municipality no longer has any beneficiaries receiving benefits under this chapter, the whole or any part of such additional levy under subsection (2) of this section may continue to be levied for the payment of benefits provided under RCW 41.26.150(1) or other municipal purpose until such time that the municipality no longer has any beneficiaries receiving benefits under RCW 41.26.150(1), however the proceeds of the additional levy must be annually expended for payment of benefits provided under RCW 41.26.150(1) prior to being spent for any other purpose."

## MESSAGE FROM THE HOUSE

April 4, 2019

MR. PRESIDENT:

The House passed SUBSTITUTE SENATE BILL NO. 5955 with the following amendment(s): 5955-S AMH ENGR H2469.E

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 13.34.270 and 2004 c 183 s 2 are each amended to read as follows:

(1) Whenever the department of social and health services places a child with a developmental disability in out-of-home care pursuant to RCW 74.13.350, the department shall obtain a judicial determination within one hundred eighty days of the placement that continued placement is in the best interests of the child. If the child's out-of-home placement ends before one hundred eighty days have elapsed, no judicial determination is required.

(2) To obtain the judicial determination, the department shall file a petition alleging that there is located or residing within the county a child who has a developmental disability and that the child has been placed in out-of-home care pursuant to RCW 74.13.350. The petition shall request that the court review the child's placement, make a determination whether continued placement is in the best interests of the child, and take other necessary action as provided in this section. The petition shall contain the name, date of birth, and residence of the child and the names and residences of the child's parent or legal guardian who has agreed to the child's placement in out-of-home care. Reasonable attempts shall be made by the department to ascertain and set forth in the petition the identity, location, and custodial status of any parent who is not a party to the placement agreement and why that parent cannot assume custody of the child.

(3) Upon filing of the petition, the clerk of the court shall schedule the petition for a hearing to be held no later than fourteen calendar days after the petition has been filed. The department shall provide notification of the time, date, and purpose of the hearing to the parent or legal guardian who has agreed to the child's placement in out-of-home care. The department shall also make reasonable attempts to notify any parent who is not a party to the placement agreement, if the parent's identity and location is known. Notification under this section may be given by the most expedient means, including but not limited to, mail, personal service, and telephone.

(4) The court shall appoint a guardian ad litem for the child as provided in RCW 13.34.100, unless the court for good cause finds the appointment unnecessary.

(5) Permanency planning hearings shall be held as provided in this section. At the hearing, the court shall review whether the child's best interests are served by continued out-of-home placement and determine the future legal status of the child.

(a) For children age ten and under, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least nine months and an adoption decree or guardianship order under chapter 11.88 RCW has not previously been entered. The hearing shall take place no later than twelve months following commencement of the child's current placement episode.

(b) For children over age ten, a permanency planning hearing shall be held in all cases where the child has remained in out-of-home care for at least fifteen months and an adoption decree or guardianship order under chapter 11.88 RCW has not previously been entered. The hearing shall take place no later than eighteen

months following commencement of the current placement episode.

(c) No later than ten working days before the permanency planning hearing, the department shall submit a written permanency plan to the court and shall mail a copy of the plan to all parties. The plan shall be directed toward securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as the primary goal and may also identify additional outcomes as alternative goals: Return of the child to the home of the child's parent or legal guardian; adoption; guardianship; or long-term out-of-home care, until the child is age eighteen, with a written agreement between the parties and the child's care provider.

(d) If a goal of long-term out-of-home care has been achieved before the permanency planning hearing, the court shall review the child's status to determine whether the placement and the plan for the child's care remains appropriate. In cases where the primary permanency planning goal has not been achieved, the court shall inquire regarding the reasons why the primary goal has not been achieved and determine what needs to be done to make it possible to achieve the primary goal.

(e) Following the first permanency planning hearing, the court shall hold a further permanency planning hearing in accordance with this section at least once every twelve months until a permanency planning goal is achieved or the voluntary placement agreement is terminated.

(6) Any party to the voluntary placement agreement may terminate the agreement at any time. Upon termination of the agreement, the child shall be returned to the care of the child's parent or legal guardian, unless the child has been taken into custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130. The department shall notify the court upon termination of the voluntary placement agreement and return of the child to the care of the child's parent or legal guardian. Whenever a voluntary placement agreement is terminated, an action under this section shall be dismissed.

(7) When state or federal funds are expended for the care and maintenance of a child with a developmental disability, placed in care as a result of an action under this chapter, the department shall refer the case to the division of child support, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child.

(8) This section does not prevent the department of children, youth, and families from filing a dependency petition if there is reason to believe that the child is a dependent child as defined in RCW 13.34.030. An action filed under this section shall be dismissed upon the filing of a dependency petition regarding a child who is the subject of the action under this section.

(9) For purposes of this section, unless the context clearly requires otherwise, "department" means the department of social and health services.

**Sec. 2.** RCW 13.36.030 and 2010 c 272 s 3 are each amended to read as follows:

(1) Any party to a dependency proceeding under chapter 13.34 RCW may request a guardianship be established for a dependent child by filing a petition in juvenile court under this chapter. All parties to the dependency and the proposed guardian must receive adequate notice of all proceedings under this chapter. Service of the notice and summons may be made under direction of the court by any person eighteen years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or department employee. For purposes of this chapter, a dependent child age twelve years or older is a party to the proceedings. A proposed guardian has the right to intervene in

proceedings under this chapter.

(2) To be designated as a proposed guardian in a petition under this chapter, a person must be age twenty-one or over and must meet the minimum requirements to care for children as established by the department under RCW 74.15.030, including but not limited to licensed foster parents, relatives, and suitable persons.

(3) Every petition filed in proceedings under this chapter shall contain: (a) A statement alleging whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903. If the child is an Indian child as defined under the Indian child welfare act, the provisions of that act shall apply; (b) a statement alleging whether the federal servicemembers civil relief act of 2003, 50 U.S.C. Sec. 501 et seq. applies to the proceeding; and (c) a statement alleging whether the Washington service members' civil relief act, chapter 38.42 RCW, applies to the proceeding.

(4) Every order or decree entered in any proceeding under this chapter shall contain: (a) A finding that the Indian child welfare act does or does not apply. Where there is a finding that the Indian child welfare act does apply, the decree or order must also contain a finding that all notice requirements and evidentiary requirements under the Indian child welfare act have been satisfied; (b) a finding that the federal servicemembers civil relief act of 2003 does or does not apply; and (c) a finding that the Washington service members' civil relief act, chapter 38.42 RCW, does or does not apply.

**Sec. 3.** RCW 18.19.020 and 2011 c 86 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Agency" means (a) an agency or facility operated, licensed, or certified by the state of Washington; (b) a federally recognized Indian tribe located within the state; or (c) a county.

(2) "Agency affiliated counselor" means a person registered under this chapter who is engaged in counseling and employed by an agency. "Agency affiliated counselor" includes juvenile probation counselors who are employees of the juvenile court under RCW 13.04.035 and 13.04.040 and juvenile court employees providing functional family therapy, aggression replacement training, or other evidence-based programs approved by ~~((the juvenile rehabilitation administration of))~~ the department of ~~((social and health services))~~ children, youth, and families.

(3) "Certified adviser" means a person certified under this chapter who is engaged in private practice counseling to the extent authorized in RCW 18.19.200.

(4) "Certified counselor" means a person certified under this chapter who is engaged in private practice counseling to the extent authorized in RCW 18.19.200.

(5) "Client" means an individual who receives or participates in counseling or group counseling.

(6) "Counseling" means employing any therapeutic techniques, including but not limited to social work, mental health counseling, marriage and family therapy, and hypnotherapy, for a fee that offer, assist or attempt to assist an individual or individuals in the amelioration or adjustment of mental, emotional, or behavioral problems, and includes therapeutic techniques to achieve sensitivity and awareness of self and others and the development of human potential. For the purposes of this chapter, nothing may be construed to imply that the practice of hypnotherapy is necessarily limited to counseling.

(7) "Counselor" means an individual, practitioner, therapist, or analyst who engages in the practice of counseling to the public for a fee, including for the purposes of this chapter, hypnotherapists.

(8) "Department" means the department of health.

(9) "Hypnotherapist" means a person registered under this chapter who is practicing hypnosis as a modality.

(10) "Private practice counseling" means the practice of counseling by a certified counselor or certified adviser as specified in RCW 18.19.200.

(11) "Psychotherapy" means the practice of counseling using diagnosis of mental disorders according to the fourth edition of the diagnostic and statistical manual of mental disorders, published in 1994, and the development of treatment plans for counseling based on diagnosis of mental disorders in accordance with established practice standards.

(12) "Secretary" means the secretary of the department or the secretary's designee.

**Sec. 4.** RCW 26.26A.260 and 2018 c 6 s 313 are each amended to read as follows:

The state registrar of vital statistics may release information relating to an acknowledgment of parentage or denial of parentage to a signatory of the acknowledgment or denial, a court, a federal agency, an agency operating a child welfare program under Title IV-E of the social security act, and a child support agency of this or another state.

**Sec. 5.** RCW 26.50.150 and 2017 3rd sp.s. c 6 s 334 are each amended to read as follows:

Any program that provides domestic violence treatment to perpetrators of domestic violence must be certified by the department of ~~((children, youth, and families))~~ social and health services and meet minimum standards for domestic violence treatment purposes. The department of ~~((children, youth, and families))~~ social and health services shall adopt rules for standards of approval of domestic violence perpetrator programs. The treatment must meet the following minimum qualifications:

(1) All treatment must be based upon a full, complete clinical intake including but not limited to: Current and past violence history; a lethality risk assessment; history of treatment from past domestic violence perpetrator treatment programs; a complete diagnostic evaluation; a substance abuse assessment; criminal history; assessment of cultural issues, learning disabilities, literacy, and special language needs; and a treatment plan that adequately and appropriately addresses the treatment needs of the individual.

(2) To facilitate communication necessary for periodic safety checks and case monitoring, the program must require the perpetrator to sign the following releases:

(a) A release for the program to inform the victim and victim's community and legal advocates that the perpetrator is in treatment with the program, and to provide information, for safety purposes, to the victim and victim's community and legal advocates;

(b) A release to prior and current treatment agencies to provide information on the perpetrator to the program; and

(c) A release for the program to provide information on the perpetrator to relevant legal entities including: Lawyers, courts, parole, probation, child protective services, and child welfare services.

(3) Treatment must be for a minimum treatment period defined by the secretary of the department of ~~((children, youth, and families))~~ social and health services by rule. The weekly treatment sessions must be in a group unless there is a documented, clinical reason for another modality. Any other therapies, such as individual, marital, or family therapy, substance abuse evaluations or therapy, medication reviews, or psychiatric interviews, may be concomitant with the weekly group treatment sessions described in this section but not a substitute for it.

(4) The treatment must focus primarily on ending the violence, holding the perpetrator accountable for his or her violence, and

2019 REGULAR SESSION

changing his or her behavior. The treatment must be based on nonvictim-blaming strategies and philosophies and shall include education about the individual, family, and cultural dynamics of domestic violence. If the perpetrator or the victim has a minor child, treatment must specifically include education regarding the effects of domestic violence on children, such as the emotional impacts of domestic violence on children and the long-term consequences that exposure to incidents of domestic violence may have on children.

(5) Satisfactory completion of treatment must be contingent upon the perpetrator meeting specific criteria, defined by rule by the secretary of the department of ~~((children, youth, and families))~~ social and health services, and not just upon the end of a certain period of time or a certain number of sessions.

(6) The program must have policies and procedures for dealing with reoffenses and noncompliance.

(7) All evaluation and treatment services must be provided by, or under the supervision of, qualified personnel.

(8) The secretary of the department of ~~((children, youth, and families))~~ social and health services may adopt rules and establish fees as necessary to implement this section.

(9) The department of ~~((children, youth, and families))~~ social and health services may conduct on-site monitoring visits as part of its plan for certifying domestic violence perpetrator programs and monitoring implementation of the rules adopted by the secretary of the department of ~~((children, youth, and families))~~ social and health services to determine compliance with the minimum qualifications for domestic violence perpetrator programs. The applicant or certified domestic violence perpetrator program shall cooperate fully with the department of ~~((children, youth, and families))~~ social and health services in the monitoring visit and provide all program and management records requested by the department of ~~((children, youth, and families))~~ social and health services to determine the program's compliance with the minimum certification qualifications and rules adopted by the department of ~~((children, youth, and families))~~ social and health services.

**Sec. 6.** RCW 41.04.674 and 2017 3rd sp.s. c 20 s 12 are each amended to read as follows:

(1) The foster parent shared leave pool is created to allow employees to donate leave to be used as shared leave for any employee who is a foster parent needing to care for or preparing to accept a foster child in their home. Participation in the pool shall, at all times, be voluntary on the part of the employee. The department of ~~((social and health services))~~ children, youth, and families, in consultation with the office of financial management, shall administer the foster parent shared leave pool.

(2) Employees, as defined in RCW 41.04.655, may donate leave to the foster parent shared leave pool.

(3) An employee, as defined in RCW 41.04.655, who is also a foster parent licensed pursuant to RCW 74.15.040 may request shared leave from the foster parent shared leave pool.

(4) Shared leave under this section may not be granted unless the pool has a sufficient balance to fund the requested shared leave.

(5) Shared leave paid under this section must not exceed the level of the employee's state monthly salary.

(6) Any leave donated must be removed from the personally accumulated leave balance of the employee donating the leave.

(7) An employee who receives shared leave from the pool is not required to recontribute such leave to the pool, except as otherwise provided in this section.

(8) Leave that may be donated or received by any one employee shall be calculated as in RCW 41.04.665.

(9) As used in this section, "monthly salary" includes monthly

salary and special pay and shift differential, or the monthly equivalent for hourly employees. "Monthly salary" does not include:

- (a) Overtime pay;
- (b) Call back pay;
- (c) Standby pay; or
- (d) Performance bonuses.

(10) The office of financial management, in consultation with the department of ~~((social and health services))~~ children, youth, and families, shall adopt rules and policies governing the donation and use of shared leave from the foster parent shared leave pool, including definitions of pay and allowances and guidelines for agencies to use in recordkeeping concerning shared leave.

(11) Agencies must investigate any alleged abuse of the foster parent shared leave pool and on a finding of wrongdoing, the employee may be required to repay all of the shared leave received from the foster parent shared leave pool.

(12) Higher education institutions shall adopt policies consistent with the needs of the employees under their respective jurisdictions.

**Sec. 7.** RCW 41.37.010 and 2018 c 241 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.

(1) "Accumulated contributions" means the sum of all contributions standing to the credit of a member in the member's individual account, including any amount paid under RCW 41.50.165(2), together with the regular interest thereon.

(2) "Actuarial equivalent" means a benefit of equal value when computed upon the basis of such mortality and other tables as may be adopted by the director.

(3) "Adjustment ratio" means the value of index A divided by index B.

(4) "Annuity" means payments for life derived from accumulated contributions of a member. All annuities shall be paid in monthly installments.

(5)(a) "Average final compensation" means the member's average compensation earnable of the highest consecutive sixty months of service credit months prior to such member's retirement, termination, or death. Periods constituting authorized leaves of absence may not be used in the calculation of average final compensation except under RCW 41.37.290.

(b) In calculating average final compensation under (a) of this subsection, the department of retirement systems shall include:

(i) Any compensation forgone by a member employed by a state agency or institution during the 2009-2011 fiscal biennium as a result of reduced work hours, mandatory or voluntary leave without pay, temporary reduction in pay implemented prior to December 11, 2010, or temporary layoffs if the reduced compensation is an integral part of the employer's expenditure reduction efforts, as certified by the employer; and

(ii) Any compensation forgone by a member employed by the state or a local government employer during the 2011-2013 fiscal biennium as a result of reduced work hours, mandatory leave without pay, temporary layoffs, or reductions to current pay if the reduced compensation is an integral part of the employer's expenditure reduction efforts, as certified by the employer. Reductions to current pay shall not include elimination of previously agreed upon future salary increases.

(6) "Beneficiary" means any person in receipt of a retirement allowance or other benefit provided by this chapter resulting from service rendered to an employer by another person.

(7)(a) "Compensation earnable" for members, means salaries or wages earned by a member during a payroll period for personal services, including overtime payments, and shall include wages

and salaries deferred under provisions established pursuant to sections 403(b), 414(h), and 457 of the United States internal revenue code, but shall exclude nonmoney maintenance compensation and lump sum or other payments for deferred annual sick leave, unused accumulated vacation, unused accumulated annual leave, or any form of severance pay.

(b) "Compensation earnable" for members also includes the following actual or imputed payments, which are not paid for personal services:

(i) Retroactive payments to an individual by an employer on reinstatement of the employee in a position, or payments by an employer to an individual in lieu of reinstatement, which are awarded or granted as the equivalent of the salary or wage which the individual would have earned during a payroll period shall be considered compensation earnable to the extent provided in this subsection, and the individual shall receive the equivalent service credit;

(ii) In any year in which a member serves in the legislature, the member shall have the option of having such member's compensation earnable be the greater of:

(A) The compensation earnable the member would have received had such member not served in the legislature; or

(B) Such member's actual compensation earnable received for nonlegislative public employment and legislative service combined. Any additional contributions to the retirement system required because compensation earnable under (b)(ii)(A) of this subsection is greater than compensation earnable under (b)(ii)(B) of this subsection shall be paid by the member for both member and employer contributions;

(iii) Assault pay only as authorized by RCW 27.04.100, 72.01.045, and 72.09.240;

(iv) Compensation that a member would have received but for a disability occurring in the line of duty only as authorized by RCW 41.37.060;

(v) Compensation that a member receives due to participation in the leave sharing program only as authorized by RCW 41.04.650 through 41.04.670; and

(vi) Compensation that a member receives for being in standby status. For the purposes of this section, a member is in standby status when not being paid for time actually worked and the employer requires the member to be prepared to report immediately for work, if the need arises, although the need may not arise.

(8) "Department" means the department of retirement systems created in chapter 41.50 RCW.

(9) "Director" means the director of the department.

(10) "Eligible position" means any permanent, full-time position included in subsection (19) of this section.

(11) "Employee" or "employed" means a person who is providing services for compensation to an employer, unless the person is free from the employer's direction and control over the performance of work. The department shall adopt rules and interpret this subsection consistent with common law.

(12) "Employer" means the Washington state department of corrections, the Washington state parks and recreation commission, the Washington state gambling commission, the Washington state patrol, the Washington state department of natural resources, the Washington state liquor and cannabis board, the Washington state department of veterans affairs, the Washington state department of children, youth, and families, and the Washington state department of social and health services; any county corrections department; any city corrections department not covered under chapter 41.28 RCW; and any public corrections entity created under RCW 39.34.030 by counties, cities not covered under chapter 41.28 RCW, or both. Except as otherwise specifically provided in this chapter,

"employer" does not include a government contractor. For purposes of this subsection, a "government contractor" is any entity, including a partnership, limited liability company, for-profit or nonprofit corporation, or person, that provides services pursuant to a contract with an employer. The determination whether an employer-employee relationship has been established is not based on the relationship between a government contractor and an employer, but is based solely on the relationship between a government contractor's employee and an employer under this chapter.

(13) "Final compensation" means the annual rate of compensation earnable by a member at the time of termination of employment.

(14) "Index" means, for any calendar year, that year's annual average consumer price index, Seattle, Washington area, for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

(15) "Index A" means the index for the year prior to the determination of a postretirement adjustment.

(16) "Index B" means the index for the year prior to index A.

(17) "Ineligible position" means any position which does not conform with the requirements set forth in subsection (10) of this section.

(18) "Leave of absence" means the period of time a member is authorized by the employer to be absent from service without being separated from membership.

(19) "Member" means any employee employed by an employer on a full-time basis:

(a) Who is in a position that requires completion of a certified criminal justice training course and is authorized by their employer to arrest, conduct criminal investigations, enforce the criminal laws of the state of Washington, and carry a firearm as part of the job;

(b) Whose primary responsibility is to ensure the custody and security of incarcerated or probationary individuals as a corrections officer, probation officer, or jailer;

(c) Who is a limited authority Washington peace officer, as defined in RCW 10.93.020, for an employer;

(d) Whose primary responsibility is to provide nursing care to, or to ensure the custody and safety of, offender, adult probationary, or patient populations; and who is in a position that requires completion of defensive tactics training or de-escalation training; and who is employed by one of the following state institutions or centers operated by the department of social and health services or the department of children, youth, and families:

(i) Juvenile rehabilitation administration institutions, not including community facilities;

(ii) Mental health hospitals;

(iii) Child study and treatment centers; or

(iv) Institutions or residential sites that serve developmentally disabled patients or offenders, except for state-operated living alternatives facilities;

(e) Whose primary responsibility is to provide nursing care to offender and patient populations in institutions and centers operated by the following employers: A city or county corrections department as set forth in subsection (12) of this section, a public corrections entity as set forth in subsection (12) of this section, the Washington state department of corrections, or the Washington state department of veterans affairs; or

(f) Whose primary responsibility is to supervise members eligible under this subsection.

(20) "Membership service" means all service rendered as a member.

(21) "Pension" means payments for life derived from contributions made by the employer. All pensions shall be paid in monthly installments.

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

(22) "Plan" means the Washington public safety employees' retirement system plan 2.

(23) "Regular interest" means such rate as the director may determine.

(24) "Retiree" means any person who has begun accruing a retirement allowance or other benefit provided by this chapter resulting from service rendered to an employer while a member.

(25) "Retirement" means withdrawal from active service with a retirement allowance as provided by this chapter.

(26) "Retirement allowance" means monthly payments to a retiree or beneficiary as provided in this chapter.

(27) "Retirement system" means the Washington public safety employees' retirement system provided for in this chapter.

(28) "Separation from service" occurs when a person has terminated all employment with an employer.

(29) "Service" means periods of employment by a member on or after July 1, 2006, for one or more employers for which compensation earnable is paid. Compensation earnable earned for ninety or more hours in any calendar month shall constitute one service credit month. Compensation earnable earned for at least seventy hours but less than ninety hours in any calendar month shall constitute one-half service credit month of service. Compensation earnable earned for less than seventy hours in any calendar month shall constitute one-quarter service credit month of service. Time spent in standby status, whether compensated or not, is not service.

Any fraction of a year of service shall be taken into account in the computation of such retirement allowance or benefits.

(a) Service in any state elective position shall be deemed to be full-time service.

(b) A member shall receive a total of not more than twelve service credit months of service for such calendar year. If an individual is employed in an eligible position by one or more employers the individual shall receive no more than one service credit month during any calendar month in which multiple service for ninety or more hours is rendered.

(30) "Service credit month" means a month or an accumulation of months of service credit which is equal to one.

(31) "Service credit year" means an accumulation of months of service credit which is equal to one when divided by twelve.

(32) "State actuary" or "actuary" means the person appointed pursuant to RCW 44.44.010(2).

(33) "State elective position" means any position held by any person elected or appointed to statewide office or elected or appointed as a member of the legislature.

(34) "State treasurer" means the treasurer of the state of Washington.

**Sec. 8.** RCW 42.56.230 and 2018 c 109 s 16 are each amended to read as follows:

The following personal information is exempt from public inspection and copying under this chapter:

(1) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, or welfare recipients;

(2)(a) Personal information:

(i) For a child enrolled in licensed child care in any files maintained by the department of children, youth, and families;

(ii) For a child enrolled in a public or nonprofit program serving or pertaining to children, adolescents, or students, including but not limited to early learning or child care services, parks and recreation programs, youth development programs, and after-school programs; ((☞))

(iii) For the family members or guardians of a child who is subject to the exemption under this subsection (2) if the family member or guardian has the same last name as the child or if the

family member or guardian resides at the same address as the child and disclosure of the family member's or guardian's information would result in disclosure of the personal information exempted under (a)(i) and (ii) of this subsection; or

(iv) For substitute caregivers who are licensed or approved to provide overnight care of children by the department of children, youth, and families.

(b) Emergency contact information under this subsection (2) may be provided to appropriate authorities and medical personnel for the purpose of treating the individual during an emergency situation;

(3) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy;

(4) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would: (a) Be prohibited to such persons by RCW 84.08.210, 82.32.330, 84.40.020, 84.40.340, or any ordinance authorized under RCW 35.102.145; or (b) violate the taxpayer's right to privacy or result in unfair competitive disadvantage to the taxpayer;

(5) Credit card numbers, debit card numbers, electronic check numbers, card expiration dates, or bank or other financial information as defined in RCW 9.35.005 including social security numbers, except when disclosure is expressly required by or governed by other law;

(6) Personal and financial information related to a small loan or any system of authorizing a small loan in RCW 31.45.093;

(7)(a) Any record used to prove identity, age, residential address, social security number, or other personal information required to apply for a driver's license or identicard.

(b) Information provided under RCW 46.20.111 that indicates that an applicant declined to register with the selective service system.

(c) Any record pertaining to a vehicle license plate, driver's license, or identicard issued under RCW 46.08.066 that, alone or in combination with any other records, may reveal the identity of an individual, or reveal that an individual is or was, performing an undercover or covert law enforcement, confidential public health work, public assistance fraud, or child support investigative activity. This exemption does not prevent the release of the total number of vehicle license plates, drivers' licenses, or identicards that, under RCW 46.08.066, an agency or department has applied for, been issued, denied, returned, destroyed, lost, and reported for misuse.

(d) Any record pertaining to a vessel registration issued under RCW 88.02.330 that, alone or in combination with any other records, may reveal the identity of an individual, or reveal that an individual is or was, performing an undercover or covert law enforcement activity. This exemption does not prevent the release of the total number of vessel registrations that, under RCW 88.02.330, an agency or department has applied for, been issued, denied, returned, destroyed, lost, and reported for misuse;

(8) All information related to individual claims resolution structured settlement agreements submitted to the board of industrial insurance appeals under RCW 51.04.063, other than final orders from the board of industrial insurance appeals.

Upon request by the legislature, the department of licensing shall provide a report to the legislature containing all of the information in subsection (7)(c) and (d) of this section that is subject to public disclosure;

(9) Voluntarily submitted information contained in a database that is part of or associated with enhanced 911 emergency communications systems, or information contained or used in emergency notification systems as provided under RCW

38.52.575 and 38.52.577; and

(10) Until the person reaches eighteen years of age, information, otherwise disclosable under chapter 29A.08 RCW, that relates to a future voter, except for the purpose of processing and delivering ballots.

**NEW SECTION. Sec. 9.** RCW 43.20A.870 (Children's services—Annual quality assurance report) and 1999 c 372 s 7 & 1997 c 386 s 47 are each repealed.

**NEW SECTION. Sec. 10.** A new section is added to chapter 43.20B RCW to read as follows:

The department is authorized to establish and to recover debts for the department of children, youth, and families under this chapter and under RCW 13.40.220 pursuant to a contract between the department of children, youth, and families and the department that is entered into in compliance with the interlocal cooperation act, chapter 39.34 RCW.

**NEW SECTION. Sec. 11.** A new section is added to chapter 43.216 RCW to read as follows:

The department shall prepare an annual quality assurance report that must, at minimum, include: (1) Performance outcomes regarding health and safety of children in the children's services system; (2) children's length of stay in out-of-home placement from each date of referral; (3) adherence to permanency planning timelines; and (4) the response time on child protective services investigations differentiated by risk level determined at intake.

**Sec. 12.** RCW 43.43.837 and 2017 3rd sp.s. c 6 s 225 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in order to determine the character, competence, and suitability of any applicant or service provider to have unsupervised access, the secretary of the department of social and health services and the secretary of the department of children, youth, and families may require a fingerprint-based background check through both the Washington state patrol and the federal bureau of investigation at any time, but shall require a fingerprint-based background check when the applicant or service provider has resided in the state less than three consecutive years before application, and:

(a) Is an applicant or service provider providing services to children or people with developmental disabilities under RCW 74.15.030;

(b) Is an individual (~~residing~~) sixteen years of age or older who: (i) Is not under the placement and care authority of the department of children, youth, and families; and (ii) resides in an applicant or service provider's home, facility, entity, agency, or business or who is authorized by ((the department of social and health services or)) the department of children, youth, and families to provide services to children ((or people with developmental disabilities)) under RCW 74.15.030; ((or))

(c) Is an individual who is authorized by the department of social and health services to provide services to people with developmental disabilities under RCW 74.15.030; or

(d) Is an applicant or service provider providing in-home services funded by:

(i) Medicaid personal care under RCW 74.09.520;

(ii) Community options program entry system waiver services under RCW 74.39A.030;

(iii) Chore services under RCW 74.39A.110; or

(iv) Other home and community long-term care programs, established pursuant to chapters 74.39 and 74.39A RCW, administered by the department of social and health services.

(2) Long-term care workers, as defined in RCW 74.39A.009, who are hired after January 7, 2012, are subject to background checks under RCW 74.39A.056.

(3) To satisfy the shared background check requirements provided for in RCW 43.216.270 and 43.20A.710, the department of children, youth, and families and the department of social and health services shall share federal fingerprint-based background check results as permitted under the law. The purpose of this provision is to allow both departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. Neither department may share the federal background check results with any other state agency or person.

(4) The secretary of the department of children, youth, and families shall require a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation when the department seeks to approve an applicant or service provider for a foster or adoptive placement of children in accordance with federal and state law. Fees charged by the Washington state patrol and the federal bureau of investigation for fingerprint-based background checks shall be paid by the department of children, youth, and families for applicant and service providers providing foster care as required in RCW 74.15.030.

(5) Any secure facility operated by the department of social and health services or the department of children, youth, and families under chapter 71.09 RCW shall require applicants and service providers to undergo a fingerprint-based background check through the Washington state patrol identification and criminal history section and the federal bureau of investigation.

(6) Service providers and service provider applicants who are required to complete a fingerprint-based background check may be hired for a one hundred twenty-day provisional period as allowed under law or program rules when:

(a) A fingerprint-based background check is pending; and

(b) The applicant or service provider is not disqualified based on the immediate result of the background check.

(7) Fees charged by the Washington state patrol and the federal bureau of investigation for fingerprint-based background checks shall be paid by the applicable department for applicants or service providers providing:

(a) Services to people with a developmental disability under RCW 74.15.030;

(b) In-home services funded by medicaid personal care under RCW 74.09.520;

(c) Community options program entry system waiver services under RCW 74.39A.030;

(d) Chore services under RCW 74.39A.110;

(e) Services under other home and community long-term care programs, established pursuant to chapters 74.39 and 74.39A RCW, administered by the department of social and health services or the department of children, youth, and families; and

(f) Services in, or to residents of, a secure facility under RCW 71.09.115.

(8) Service providers licensed under RCW 74.15.030 must pay fees charged by the Washington state patrol and the federal bureau of investigation for conducting fingerprint-based background checks.

(9) Department of children, youth, and families service providers licensed under RCW 74.15.030 may not pass on the cost of the background check fees to their applicants unless the individual is determined to be disqualified due to the background information.

(10) The department of social and health services and the department of children, youth, and families shall develop rules identifying the financial responsibility of service providers, applicants, and the department for paying the fees charged by law enforcement to roll, print, or scan fingerprints-based for the purpose of a Washington state patrol or federal bureau of

investigation fingerprint-based background check.

(11) For purposes of this section, unless the context plainly indicates otherwise:

(a) "Applicant" means a current or prospective department of social and health services, department of children, youth, and families, or service provider employee, volunteer, student, intern, researcher, contractor, or any other individual who will or may have unsupervised access because of the nature of the work or services he or she provides. "Applicant" includes but is not limited to any individual who will or may have unsupervised access and is:

(i) Applying for a license or certification from the department of social and health services or the department of children, youth, and families;

(ii) Seeking a contract with the department of social and health services, the department of children, youth, and families, or a service provider;

(iii) Applying for employment, promotion, reallocation, or transfer;

(iv) An individual that a department of social and health services or ~~(the)~~ department of children, youth, and families client or guardian of a department of social and health services or department of children, youth, and families client chooses to hire or engage to provide services to himself or herself or another vulnerable adult, juvenile, or child and who might be eligible to receive payment from the department of social and health services or the department of children, youth, and families for services rendered; or

(v) A department of social and health services or department of children, youth, and families applicant who will or may work in a department-covered position.

(b) "Authorized" means the department of social and health services or the department of children, youth, and families grants an applicant, home, or facility permission to:

(i) Conduct licensing, certification, or contracting activities;

(ii) Have unsupervised access to vulnerable adults, juveniles, and children;

(iii) Receive payments from a department of social and health services or department of children, youth, and families program; or

(iv) Work or serve in a department of social and health services or department of children, youth, and families-covered position.

(c) "Secretary" means the secretary of the department of social and health services.

(d) "Secure facility" has the meaning provided in RCW 71.09.020.

(e) "Service provider" means entities, facilities, agencies, businesses, or individuals who are licensed, certified, authorized, or regulated by, receive payment from, or have contracts or agreements with the department of social and health services or the department of children, youth, and families to provide services to vulnerable adults, juveniles, or children. "Service provider" includes individuals whom a department of social and health services or department of children, youth, and families client or guardian of a department of social and health services or department of children, youth, and families client may choose to hire or engage to provide services to himself or herself or another vulnerable adult, juvenile, or child and who might be eligible to receive payment from the department of social and health services or the department of children, youth, and families for services rendered. "Service provider" does not include those certified under chapter 70.96A RCW.

**Sec. 13.** RCW 43.216.390 and 2011 c 295 s 6 are each amended to read as follows:

Upon resignation or termination with or without cause of any

individual working in a child care agency, the child care agency shall report to the department within twenty-four hours if it has knowledge of the following with respect to the individual:

(1) Any charge or conviction for a crime listed in WAC ~~((470-06-0120))~~ 110-06-0120;

(2) Any other charge or conviction for a crime that could be reasonably related to the individual's suitability to provide care for or have unsupervised access to children or care; or

(3) Any negative action as defined in RCW ~~((43.215.010))~~ 43.216.010.

**Sec. 14.** RCW 68.50.105 and 2013 c 295 s 1 are each amended to read as follows:

(1) Reports and records of autopsies or postmortems shall be confidential, except that the following persons may examine and obtain copies of any such report or record: The personal representative of the decedent as defined in RCW 11.02.005, any family member, the attending physician or advanced registered nurse practitioner, the prosecuting attorney or law enforcement agencies having jurisdiction, public health officials, the department of labor and industries in cases in which it has an interest under RCW 68.50.103, or the secretary of the department of ~~(social and health services)~~ children, youth, and families or his or her designee in cases being reviewed under RCW 74.13.640.

(2)(a) Notwithstanding the restrictions contained in this section regarding the dissemination of records and reports of autopsies or postmortems, nor the exemptions referenced under RCW 42.56.240(1), nothing in this chapter prohibits a coroner, medical examiner, or his or her designee, from publicly discussing his or her findings as to any death subject to the jurisdiction of his or her office where actions of a law enforcement officer or corrections officer have been determined to be a proximate cause of the death, except as provided in (b) of this subsection.

(b) A coroner, medical examiner, or his or her designee may not publicly discuss his or her findings outside of formal court or inquest proceedings if there is a pending or active criminal investigation, or a criminal or civil action, concerning a death that has commenced prior to January 1, 2014.

(3) The coroner, the medical examiner, or the attending physician shall, upon request, meet with the family of the decedent to discuss the findings of the autopsy or postmortem. For the purposes of this section, the term "family" means the surviving spouse, state registered domestic partner, or any child, parent, grandparent, grandchild, brother, or sister of the decedent, or any person who was guardian of the decedent at the time of death.

**Sec. 15.** RCW 74.04.790 and 2006 c 95 s 2 are each amended to read as follows:

(1) For purposes of this section only, "assault" means an unauthorized touching of a child protective, child welfare, or adult protective services worker employed by the department of children, youth, and families or the department of social and health services resulting in physical injury to the employee.

(2) In recognition of the hazardous nature of employment in child protective, child welfare, and adult protective services, the legislature hereby provides a supplementary program to reimburse employees of the department, for some of their costs attributable to their being the victims of assault while in the course of discharging their assigned duties. This program shall be limited to the reimbursement provided in this section.

(3) An employee is only entitled to receive the reimbursement provided in this section if the secretary of children, youth, and families, or the secretary's designee, or the secretary of social and health services, or the secretary's designee, finds that each of the

following has occurred:

(a) A person has assaulted the employee while the employee was in the course of performing his or her official duties and, as a result thereof, the employee has sustained demonstrated physical injuries which have required the employee to miss days of work;

(b) The assault cannot be attributable to any extent to the employee's negligence, misconduct, or failure to comply with any rules or conditions of employment; and

(c) The department of labor and industries has approved the employee's workers' compensation application pursuant to chapter 51.32 RCW.

(4) The reimbursement authorized under this section shall be as follows:

(a) The employee's accumulated sick leave days shall not be reduced for the workdays missed;

(b) For each workday missed for which the employee is not eligible to receive compensation under chapter 51.32 RCW, the employee shall receive full pay; and

(c) In respect to workdays missed for which the employee will receive or has received compensation under chapter 51.32 RCW, the employee shall be reimbursed in an amount which, when added to that compensation, will result in the employee receiving full pay for the workdays missed.

(5) Reimbursement under this section may not last longer than three hundred sixty-five consecutive days after the date of the injury.

(6) The employee shall not be entitled to the reimbursement provided in subsection (4) of this section for any workday for which the secretary, or the secretary's designee, finds that the employee has not diligently pursued his or her compensation remedies under chapter 51.32 RCW.

(7) The reimbursement shall only be made for absences which the secretary, or the secretary's designee, believes are justified.

(8) While the employee is receiving reimbursement under this section, he or she shall continue to be classified as a state employee and the reimbursement amount shall be considered as salary or wages.

(9) All reimbursement payments required to be made to employees under this section shall be made by the department. The payments shall be considered as a salary or wage expense and shall be paid by the department in the same manner and from the same appropriations as other salary and wage expenses of the department.

(10) Should the legislature revoke the reimbursement authorized under this section or repeal this section, no affected employee is entitled thereafter to receive the reimbursement as a matter of contractual right.

**Sec. 16.** RCW 74.13.110 and 2017 3rd sp.s. c 20 s 14 are each amended to read as follows:

(1) The ~~((child welfare system))~~ department of children, youth, and families contracted services performance improvement account is created in the state treasury. Moneys in the account may be spent only after appropriation. Moneys in the account may be expended solely ~~((for the following: (a) Foster home licensing; (b))~~ to improve contracted services provided to clients under the agency's program areas, including child welfare, early learning, family support, and adolescents, to support (a) achieving permanency for children; ((e) support and assistance provided to foster parents in order to improve) (b) improving foster home retention and stability of placements; ((d)) (c) improving and increasing placement options for youth in out-of-home care; ((and (e))) (d) preventing out-of-home placement; and (e) achieving additional, measurable department of children, youth, and families outcome goals adopted by the department.

(2) Revenues to the ~~((child welfare system))~~ department of children, youth, and families contracted services performance improvement account consist of: (a) Legislative appropriations; and (b) any other public or private funds appropriated to or deposited in the account.

**Sec. 17.** RCW 74.13.350 and 2011 c 309 s 34 are each amended to read as follows:

(1) It is the intent of the legislature that parents are responsible for the care and support of children with developmental disabilities. The legislature recognizes that, because of the intense support required to care for a child with developmental disabilities, the help of an out-of-home placement may be needed. It is the intent of the legislature that, when the sole reason for the out-of-home placement is the child's developmental disability, such services be offered by the department to these children and their families through a voluntary placement agreement. In these cases, the parents shall retain legal custody of the child.

~~((As used in this section, "voluntary placement agreement" means a written agreement between the department and a child's parent or legal guardian authorizing the department to place the child in a licensed facility.))~~ (2) Under the terms of ~~((this))~~ a voluntary placement agreement, the parent or legal guardian shall retain legal custody and the department shall be responsible for the child's placement and care. The agreement shall at a minimum specify the legal status of the child and the rights and obligations of the parent or legal guardian, the child, and the department while the child is in placement. The agreement must be signed by the child's parent or legal guardian and the department to be in effect, except that an agreement regarding an Indian child shall not be valid unless executed in accordance with RCW 13.38.150. Any party to a voluntary placement agreement may terminate the agreement at any time. Upon termination of the agreement, the child shall be returned to the care of the child's parent or legal guardian unless the child has been taken into custody pursuant to RCW 13.34.050 or 26.44.050, placed in shelter care pursuant to RCW 13.34.060, or placed in foster care pursuant to RCW 13.34.130.

~~((As used in this section, "out of home placement" and "out of home care" mean the placement of a child in a foster family home or group care facility licensed under chapter 74.15 RCW.))~~

(3) Whenever the department places a child in out-of-home care under a voluntary placement pursuant to this section, the department shall have the responsibility for the child's placement and care. The department shall develop a permanency plan of care for the child no later than sixty days from the date that the department assumes responsibility for the child's placement and care. Within the first one hundred eighty days of the placement, the department shall obtain a judicial determination pursuant to RCW 13.04.030(1)(j) and 13.34.270 that the placement is in the best interests of the child. If the child's out-of-home placement ends before one hundred eighty days have elapsed, no judicial determination under RCW 13.04.030(1)(b) is required. The permanency planning hearings shall review whether the child's best interests are served by continued out-of-home placement and determine the future legal status of the child.

(4) The department shall provide for periodic administrative reviews as required by federal law. A review may be called at any time by either the department, the parent, or the legal guardian.

(5) Nothing in this section shall prevent the department of children, youth, and families from filing a dependency petition if there is reason to believe that the child is a dependent child as defined in RCW 13.34.030.

(6) The department shall adopt rules providing for the implementation of chapter 386, Laws of 1997 and the transfer of responsibility for out-of-home placements from the dependency

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

process under chapter 13.34 RCW to the process under this chapter.

(7) It is the intent of the legislature that the department undertake voluntary out-of-home placement in cases where the child's developmental disability is such that the parent, guardian, or legal custodian is unable to provide the necessary care for the child, and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home. If the department does not accept a voluntary placement agreement signed by the parent, a petition may be filed and an action pursued under chapter 13.34 RCW. The department shall inform the parent, guardian, or legal custodian in writing of their right to civil action under chapter 13.34 RCW.

(8) Nothing in this section prohibits the department of children, youth, and families from seeking support from parents of a child, including a child with a developmental disability if the child has been placed into care as a result of an action under chapter 13.34 RCW, when state or federal funds are expended for the care and maintenance of that child or when the department receives an application for services from the physical custodian of the child, unless the department of children, youth, and families finds that there is good cause not to pursue collection of child support against the parent or parents.

(9) For the purposes of this section:

(a) Unless the context clearly requires otherwise, "department" means the department of social and health services.

(b) "Out-of-home placement" and "out-of-home care" mean the placement of a child in a foster family home or group care facility licensed under chapter 74.15 RCW.

(c) "Voluntary placement agreement" means a written agreement between the department of social and health services and a child's parent or legal guardian authorizing the department to place the child in a licensed facility.

**NEW SECTION. Sec. 18.** A new section is added to chapter 74.14B RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of children, youth, and families.

(2) "Secretary" means the secretary of the department of children, youth, and families.

**NEW SECTION. Sec. 19.** RCW 74.14C.070 (Appropriations—Transfer of funds from foster care services to family preservation services—Annual report) and 2017 3rd sp.s. c 6 s 512, 2003 c 207 s 3, 1995 c 311 s 11, 1994 c 288 s 3, & 1992 c 214 s 9 are each repealed.

**Sec. 20.** RCW 74.15.030 and 2017 3rd sp.s. c 6 s 409 are each amended to read as follows:

The secretary shall have the power and it shall be the secretary's duty:

(1) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to designate categories of facilities for which separate or different requirements shall be developed as may be appropriate whether because of variations in the ages, sex and other characteristics of persons served, variations in the purposes and services offered or size or structure of the agencies to be licensed hereunder, or because of any other factor relevant thereto;

(2) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements for licensing applicable to each of the various categories of agencies to be licensed.

The minimum requirements shall be limited to:

(a) The size and suitability of a facility and the plan of operation for carrying out the purpose for which an applicant seeks a license;

(b) Obtaining background information and any out-of-state equivalent, to determine whether the applicant or service provider is disqualified and to determine the character, competence, and suitability of an agency, the agency's employees, volunteers, and other persons associated with an agency;

(c) Conducting background checks for those who will or may have unsupervised access to children or expectant mothers; however, a background check is not required if a caregiver approves an activity pursuant to the prudent parent standard contained in RCW 74.13.710;

(d) Obtaining child protective services information or records maintained in the department case management information system. No unfounded allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under this chapter;

(e) Submitting a fingerprint-based background check through the Washington state patrol under chapter 10.97 RCW and through the federal bureau of investigation for:

(i) Agencies and their staff, volunteers, students, and interns when the agency is seeking license or relicensure;

(ii) Foster care and adoption placements; and

(iii) Any adult living in a home where a child may be placed;

(f) If any adult living in the home has not resided in the state of Washington for the preceding five years, the department shall review any child abuse and neglect registries maintained by any state where the adult has resided over the preceding five years;

(g) The cost of fingerprint background check fees will be paid as required in RCW 43.43.837;

(h) National and state background information must be used solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children or expectant mothers;

(i) The number of qualified persons required to render the type of care and treatment for which an agency seeks a license;

(j) The safety, cleanliness, and general adequacy of the premises to provide for the comfort, care and well-being of children or expectant mothers;

(k) The provision of necessary care, including food, clothing, supervision and discipline; physical, mental and social well-being; and educational, recreational and spiritual opportunities for those served;

(l) The financial ability of an agency to comply with minimum requirements established pursuant to this chapter and RCW 74.13.031; and

(m) The maintenance of records pertaining to the admission, progress, health and discharge of persons served;

(3) To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children or expectant mothers prior to authorizing that person to care for children or expectant mothers. However, if a child is placed with a relative under RCW 13.34.065 or 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement;

(4) On reports of alleged child abuse and neglect, to investigate agencies in accordance with chapter 26.44 RCW, including

agencies or facilities operated by the department of social and health services that receive children for care outside their own homes, child day-care centers, and family day-care homes, to determine whether the alleged abuse or neglect has occurred, and whether child protective services or referral to a law enforcement agency is appropriate;

(5) To issue, revoke, or deny licenses to agencies pursuant to this chapter and RCW 74.13.031. Licenses shall specify the category of care which an agency is authorized to render and the ages, sex and number of persons to be served;

(6) To prescribe the procedures and the form and contents of reports necessary for the administration of this chapter and RCW 74.13.031 and to require regular reports from each licensee;

(7) To inspect agencies periodically to determine whether or not there is compliance with this chapter and RCW 74.13.031 and the requirements adopted hereunder;

(8) To review requirements adopted hereunder at least every two years and to adopt appropriate changes after consultation with affected groups for child day-care requirements and with the children's services advisory committee for requirements for other agencies; and

(9) To consult with public and private agencies in order to help them improve their methods and facilities for the care of children or expectant mothers.

**Sec. 21.** RCW 13.50.100 and 2017 3rd sp.s. c 6 s 313 are each amended to read as follows:

(1) This section governs records not covered by RCW 13.50.050, 13.50.260, and 13.50.270.

(2) Records covered by this section shall be confidential and shall be released only pursuant to this section and RCW 13.50.010.

(3) Records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility of supervising the juvenile. Records covered under this section and maintained by the juvenile courts which relate to the official actions of the agency may be entered in the statewide judicial information system. However, truancy records associated with a juvenile who has no other case history, and records of a juvenile's parents who have no other case history, shall be removed from the judicial information system when the juvenile is no longer subject to the compulsory attendance laws in chapter 28A.225 RCW. A county clerk is not liable for unauthorized release of this data by persons or agencies not in his or her employ or otherwise subject to his or her control, nor is the county clerk liable for inaccurate or incomplete information collected from litigants or other persons required to provide identifying data pursuant to this section.

(4) Subject to (a) of this subsection, the department of children, youth, and families may release information retained in the course of conducting child protective services investigations to a family or juvenile court hearing a petition for custody under chapter 26.10 RCW.

(a) Information that may be released shall be limited to information regarding investigations in which: (i) The juvenile was an alleged victim of abandonment or abuse or neglect; or (ii) the petitioner for custody of the juvenile, or any individual aged sixteen or older residing in the petitioner's household, is the subject of a founded or currently pending child protective services investigation made by the department of social and health services or the department of children, youth, and families subsequent to October 1, 1998.

(b) Additional information may only be released with the

written consent of the subject of the investigation and the juvenile alleged to be the victim of abandonment or abuse and neglect, or the parent, custodian, guardian, or personal representative of the juvenile, or by court order obtained with notice to all interested parties.

(5) Any disclosure of records or information by the department of social and health services or the department of children, youth, and families, pursuant to this section shall not be deemed a waiver of any confidentiality or privilege attached to the records or information by operation of any state or federal statute or regulation, and any recipient of such records or information shall maintain it in such a manner as to comply with such state and federal statutes and regulations and to protect against unauthorized disclosure.

(6) A contracting agency or service provider of the department of social and health services or the department of children, youth, and families, that provides counseling, psychological, psychiatric, or medical services may release to the office of the family and children's ombuds information or records relating to services provided to a juvenile who is dependent under chapter 13.34 RCW without the consent of the parent or guardian of the juvenile, or of the juvenile if the juvenile is under the age of thirteen years, unless such release is otherwise specifically prohibited by law.

(7) A juvenile, his or her parents, the juvenile's attorney, and the juvenile's parent's attorney, shall, upon request, be given access to all records and information collected or retained by a juvenile justice or care agency which pertain to the juvenile except:

(a) If it is determined by the agency that release of this information is likely to cause severe psychological or physical harm to the juvenile or his or her parents the agency may withhold the information subject to other order of the court: PROVIDED, That if the court determines that limited release of the information is appropriate, the court may specify terms and conditions for the release of the information; or

(b) If the information or record has been obtained by a juvenile justice or care agency in connection with the provision of counseling, psychological, psychiatric, or medical services to the juvenile, when the services have been sought voluntarily by the juvenile, and the juvenile has a legal right to receive those services without the consent of any person or agency, then the information or record may not be disclosed to the juvenile's parents without the informed consent of the juvenile unless otherwise authorized by law; or

(c) That the department of children, youth, and families or the department of social and health services may delete the name and identifying information regarding persons or organizations who have reported alleged child abuse or neglect.

(8) A juvenile or his or her parent denied access to any records following an agency determination under subsection (7) of this section may file a motion in juvenile court requesting access to the records. The court shall grant the motion unless it finds access may not be permitted according to the standards found in subsection (7)(a) and (b) of this section.

(9) The person making a motion under subsection (8) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(10) Subject to the rules of discovery in civil cases, any party to a proceeding seeking a declaration of dependency or a termination of the parent-child relationship and any party's counsel and the guardian ad litem of any party, shall have access to the records of any natural or adoptive child of the parent, subject to the limitations in subsection (7) of this section. A party denied access to records may request judicial review of the denial.

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

If the party prevails, he or she shall be awarded attorneys' fees, costs, and an amount not less than five dollars and not more than one hundred dollars for each day the records were wrongfully denied.

(11) No unfounded allegation of child abuse or neglect as defined in RCW 26.44.020(1) may be disclosed to a child-placing agency, private adoption agency, or any other licensed provider.

**Sec. 22.** RCW 13.50.010 and 2018 c 58 s 78 are each amended to read as follows:

(1) For purposes of this chapter:

(a) "Good faith effort to pay" means a juvenile offender has either (i) paid the principal amount in full; (ii) made at least eighty percent of the value of full monthly payments within the period from disposition or deferred disposition until the time the amount of restitution owed is under review; or (iii) can show good cause why he or she paid an amount less than eighty percent of the value of full monthly payments;

(b) "Juvenile justice or care agency" means any of the following: Police, diversion units, court, prosecuting attorney, defense attorney, detention center, attorney general, the oversight board for children, youth, and families, the office of the family and children's ombuds, the department of social and health services and its contracting agencies, the department of children, youth, and families and its contracting agencies, schools; persons or public or private agencies having children committed to their custody; and any placement oversight committee created under RCW 72.05.415;

(c) "Official juvenile court file" means the legal file of the juvenile court containing the petition or information, motions, memorandums, briefs, notices of hearing or appearance, service documents, witness and exhibit lists, findings of the court and court orders, agreements, judgments, decrees, notices of appeal, as well as documents prepared by the clerk, including court minutes, letters, warrants, waivers, affidavits, declarations, invoices, and the index to clerk papers;

(d) "Records" means the official juvenile court file, the social file, and records of any other juvenile justice or care agency in the case;

(e) "Social file" means the juvenile court file containing the records and reports of the probation counselor.

(2) Each petition or information filed with the court may include only one juvenile and each petition or information shall be filed under a separate docket number. The social file shall be filed separately from the official juvenile court file.

(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this end:

(a) The agency may never knowingly record inaccurate information. Any information in records maintained by the department of social and health services or the department of children, youth, and families relating to a petition filed pursuant to chapter 13.34 RCW that is found by the court to be false or inaccurate shall be corrected or expunged from such records by the agency;

(b) An agency shall take reasonable steps to assure the security of its records and prevent tampering with them; and

(c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for

an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) The court shall release to the caseload forecast council the records needed for its research and data-gathering functions. Access to caseload forecast data may be permitted by the council for research purposes only if the anonymity of all persons mentioned in the records or information will be preserved.

(10) Juvenile detention facilities shall release records to the caseload forecast council upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual's written permission.

(11) Requirements in this chapter relating to the court's authority to compel disclosure shall not apply to the oversight board for children, youth, and families or the office of the family and children's ombuds.

(12) For the purpose of research only, the administrative office of the courts shall maintain an electronic research copy of all records in the judicial information system related to juveniles. Access to the research copy is restricted to the administrative office of the courts for research purposes as authorized by the supreme court or by state statute. The administrative office of the courts shall maintain the confidentiality of all confidential records and shall preserve the anonymity of all persons identified in the research copy. Data contained in the research copy may be shared with other governmental agencies as authorized by state statute, pursuant to data-sharing and research agreements, and consistent with applicable security and confidentiality requirements. The research copy may not be subject to any records retention schedule and must include records destroyed or removed from the judicial information system pursuant to RCW 13.50.270 and 13.50.100(3).

(13) The court shall release to the Washington state office of public defense records needed to implement the agency's oversight, technical assistance, and other functions as required by RCW 2.70.020. Access to the records used as a basis for oversight, technical assistance, or other agency functions is restricted to the Washington state office of public defense. The Washington state office of public defense shall maintain the confidentiality of all confidential information included in the records.

(14) The court shall release to the Washington state office of civil legal aid records needed to implement the agency's oversight, technical assistance, and other functions as required by RCW 2.53.045. Access to the records used as a basis for oversight, technical assistance, or other agency functions is restricted to the Washington state office of civil legal aid. The Washington state office of civil legal aid shall maintain the confidentiality of all confidential information included in the records, and shall, as soon as possible, destroy any retained notes or records obtained under this section that are not necessary for its functions related to RCW 2.53.045.

(15) For purposes of providing for the educational success of youth in foster care, the department of children, youth, and families may disclose only those confidential child welfare records that pertain to or may assist with meeting the educational needs of current and former foster youth to another state agency or state agency's contracted provider responsible under state law or contract for assisting current and former foster youth to attain educational success. The records retain their confidentiality pursuant to this chapter and federal law and cannot be further disclosed except as allowed under this chapter and federal law.

(16) For the purpose of ensuring the safety and welfare of the youth who are in foster care, the department of children, youth, and families may disclose to the department of commerce and its contracted providers responsible under state law or contract for providing services to youth, only those confidential child welfare records that pertain to ensuring the safety and welfare of the youth who are in foster care who are admitted to crisis residential centers or HOPE centers under contract with the office of homeless youth prevention and protection. Records disclosed under this subsection retain their confidentiality pursuant to this chapter and federal law and may not be further disclosed except as permitted by this chapter and federal law.

(17) For purposes of investigating and preventing child abuse and neglect, and providing for the health care coordination and the well-being of children in foster care, the department of children, youth, and families may disclose only those confidential child welfare records that pertain to or may assist with investigation and prevention of child abuse and neglect, or may assist with providing for the health and well-being of children in foster care to the department of social and health services, the health care authority, or their contracting agencies. For purposes of investigating and preventing child abuse and neglect, and to provide for the coordination of health care and the well-being of children in foster care, the department of social and health services and the health care authority may disclose only those confidential child welfare records that pertain to or may assist with investigation and prevention of child abuse and neglect, or may assist with providing for the health care coordination and the well-being of children in foster care to the department of children, youth, and families, or its contracting agencies. The records retain their confidentiality pursuant to this chapter and federal law and cannot be further disclosed except as allowed under this chapter and federal law.

**Sec. 23.** RCW 28B.117.030 and 2018 c 232 s 4 are each amended to read as follows:

(1) The office shall design and, to the extent funds are appropriated for this purpose, implement, passport to careers with two programmatic pathways: The passport to college promise program and the passport to apprenticeship opportunities program. Both programs offer supplemental scholarship and student assistance for students who were under the care of the state foster care system, tribal foster care system, or federal foster care system, and verified unaccompanied youth or young adults who have experienced homelessness.

(2) The office shall convene and consult with an advisory committee to assist with program design and implementation. The committee shall include but not be limited to former foster care and unaccompanied homeless youth and their advocates; representatives from the state board for community and technical colleges, public and private agencies that assist current and former foster care recipients and unaccompanied youth or young adults experiencing homelessness in their transition to adulthood; student support specialists from public and private colleges and universities; the state workforce training and education coordinating board; the employment security department; and the state apprenticeship council.

(3) To the extent that sufficient funds have been appropriated for this purpose, a student is eligible for assistance under this section if he or she:

(a)(i) Was in the care of the state foster care system, tribal foster care system, or federal foster care system in Washington state at any time before age twenty-one subsequent to the following:

(A) Age fifteen as of July 1, 2018;

(B) Age fourteen as of July 1, 2019; and

(C) Age thirteen as of July 1, 2020; or

(ii) Beginning July 1, 2019, was verified on or after July 1st of the prior academic year as an unaccompanied youth experiencing homelessness, before age twenty-one;

(b) Is a resident student, as defined in RCW 28B.15.012(2), or if unable to establish residency because of homelessness or placement in out-of-state foster care under the interstate compact for the placement of children, has residency determined through verification by the office;

(c) Is enrolled with or will enroll on at least a half-time basis with an institution of higher education or a registered apprenticeship or recognized preapprenticeship in Washington state by the age of twenty-one;

(d) Is making satisfactory academic progress toward the completion of a degree, certificate program, or registered apprenticeship or recognized preapprenticeship, if receiving supplemental scholarship assistance;

(e) Has not earned a bachelor's or professional degree; and

(f) Is not pursuing a degree in theology.

(4) The office shall define a process for verifying unaccompanied homeless status for determining eligibility under subsection (3)(a)(ii) of this section. The office may use a letter from the following persons or entities to provide verification: A high school or school district McKinney-Vento liaison; the director or designated staff member of an emergency shelter, transitional housing program, or homeless youth drop-in center; or other similar professional case manager or school employee. Students who have no formal connection with such a professional may also submit to the office an essay that describes their experience with homelessness and the barriers it created to their academic progress. The office may consider this essay in lieu of a letter of homelessness determination and may interview the student if further information is needed to verify eligibility.

(5) A passport to college promise program is created.

(a) A passport to college promise scholarship under this section:

(i) Shall not exceed resident undergraduate tuition and fees at the highest-priced public institution of higher education in the state; and

(ii) Shall not exceed the student's financial need, when combined with all other public and private grant, scholarship, and waiver assistance the student receives.

(b) An eligible student may receive a passport to college promise scholarship under this section for a maximum of five years after the student first enrolls with an institution of higher education or until the student turns age twenty-six, whichever

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

occurs first. If a student turns age twenty-six during an academic year, and would otherwise be eligible for a scholarship under this section, the student shall continue to be eligible for a scholarship for the remainder of the academic year.

(c) The office, in consultation with and with assistance from the state board for community and technical colleges, shall perform an annual analysis to verify that those institutions of higher education at which students have received a scholarship under this section have awarded the student all available need-based and merit-based grant and scholarship aid for which the student qualifies.

(d) In designing and implementing the passport to college promise student support program under this section, the office, in consultation with and with assistance from the state board for community and technical colleges, shall ensure that a participating college or university:

(i) Has a viable plan for identifying students eligible for assistance under this section, for tracking and enhancing their academic progress, for addressing their unique needs for assistance during school vacations and academic interims, and for linking them to appropriate sources of assistance in their transition to adulthood;

(ii) Receives financial and other incentives for achieving measurable progress in the recruitment, retention, and graduation of eligible students.

(e) To the extent funds are appropriated for this specific purpose, the office shall contract with at least one nongovernmental entity to provide services to support effective program implementation, resulting in increased postsecondary completion rates for passport scholars.

(6) The passport to apprenticeship opportunities program is created. The office shall:

(a) Identify students and applicants who are eligible for services under RCW 28B.117.030 through coordination of certain agencies as detailed in RCW 28B.117.040;

(b) Provide financial assistance through the nongovernmental entity or entities in RCW 28B.117.055 for registered apprenticeship and recognized preapprenticeship entrance requirements and occupational-specific costs that does not exceed the individual's financial need; and

(c) Extend financial assistance to any eligible applicant for a maximum of six years after first enrolling with a registered apprenticeship or recognized preapprenticeship, or until the applicant turns twenty-six, whichever occurs first.

(7) Recipients may utilize passport to college promise or passport to apprenticeship opportunities at different times, but not concurrently. The total award an individual may receive in any combination of the programs shall not exceed the equivalent amount that would have been awarded for the individual to attend a public university for five years with the highest annual tuition and state-mandated fees in the state.

(8) Personally identifiable information shared pursuant to this section retains its confidentiality and may not be further disclosed except as allowed under state and federal law.

**Sec. 24.** RCW 28B.117.040 and 2018 c 232 s 5 are each amended to read as follows:

Effective operation of the passport to careers program requires early and accurate identification of former foster care youth and unaccompanied youth experiencing homelessness so that they can be linked to the financial and other assistance that will help them succeed in college or in a registered apprenticeship or recognized preapprenticeship. To that end:

(1) All institutions of higher education that receive funding for student support services under RCW 28B.117.030 shall include on their applications for admission or on their registration

materials a question asking whether the applicant has been in state, tribal, or federal foster care in Washington state or experienced unaccompanied homelessness under the parameters in ~~((subsection (3)(a) of this section))~~ RCW 28B.117.030(3)(a), as determined by the office, with an explanation that financial and support services may be available. All other institutions of higher education are strongly encouraged to include such a question and explanation. No institution may consider whether an applicant may be eligible for a scholarship or student support services under this chapter when deciding whether the applicant will be granted admission.

(2) With substantial input from the office of the superintendent of public instruction, the department of social and health services and the department of children, youth, and families shall devise and implement procedures for efficiently, promptly, and accurately identifying students and applicants who are eligible for services under RCW 28B.117.030, and for sharing that information with the office, the institutions of higher education, and the nongovernmental entity or entities identified in RCW 28B.77.250, 28B.117.030(5)(e), and 28B.117.055. The procedures shall include appropriate safeguards for consent by the applicant or student before disclosure. This information retains its confidentiality under chapter 13.50 RCW and federal law and may not be further disclosed except as allowed under state and federal law.

(3) Nothing in this chapter allows the sharing of confidential information that is prohibited by state or federal law.

**Sec. 25.** RCW 26.26A.410 and 2018 c 6 s 503 are each amended to read as follows:

(1) The petitioner shall give notice of a proceeding to adjudicate parentage to the following individuals:

(a) The woman who gave birth to the child, unless a court has adjudicated that she is not a parent;

(b) An individual who is a parent of the child under this chapter;

(c) A presumed, acknowledged, or adjudicated parent of the child; and

(d) An individual whose parentage of the child is to be adjudicated.

(2) An individual entitled to notice under subsection (1) of this section has a right to intervene in the proceeding.

(3) Lack of notice required by subsection (1) of this section does not render a judgment void. Lack of notice does not preclude an individual entitled to notice under subsection (1) of this section from bringing a proceeding under RCW 26.26A.450(2).

(4) In cases where the child is dependent or alleged to be dependent under chapter 13.34 RCW, the petitioner shall give notice to the state agency administering the plan under Title IV-E of the social security act.

**NEW SECTION. Sec. 26.** A new section is added to chapter 43.216 RCW to read as follows:

(1) The legislature encourages the child welfare division of the department to incorporate reflective supervision principles and recognizes that the cumulative stress of child welfare work, workload for caseworkers and supervisors, organizational support levels, access to resources, insufficient training, limited direct service time, lack of clear expectations, limited access to technology, and burdensome paperwork contribute to high turnover. Child welfare workers who experience secondary, work-related trauma should be given the necessary support to process intense emotional events and the tools to build resiliency.

(2) The department shall provide a report on the department's current efforts to improve workplace culture to the relevant committees of the legislature in compliance with RCW 43.01.036

by December 1, 2019. The report must include results and activities related to the department's organizational change management initiatives, efforts related to the federal program improvement plan, and the department's existing peer support program.

(3) The department and any external entity responsible for providing child welfare worker training shall provide a report on current child welfare worker training to the relevant committees of the legislature in compliance with RCW 43.01.036 by September 1, 2019, that includes:

(a) A review of the effectiveness of the current course curriculum for supervisors;

(b) An evaluation of the preparedness of new child welfare workers;

(c) An inventory of the trauma-informed trainings for child welfare workers and supervisors;

(d) An inventory of the reflective supervision principles embedded within trainings for child welfare workers and supervisors; and

(e) An inventory of the department's efforts to systemize peer support for child welfare workers and supervisors.

(4) The department shall provide a training improvement plan to the relevant committees of the legislature in compliance with RCW 43.01.036 by January 1, 2020, based on the report required under subsection (3) of this section that describes the recommended frequency of trainings and other recommended improvements to child welfare worker training.

(5) For purposes of this section, "child welfare worker" means an employee of the department whose job includes supporting or providing child welfare services as defined in RCW 74.13.020 or child protective services as defined in RCW 26.44.020.

(6) This section expires July 1, 2021.

**Sec. 27.** RCW 74.14B.010 and 2018 c 58 s 79 are each amended to read as follows:

(1) ~~((Caseworkers employed in children services))~~ Child welfare workers shall meet minimum standards established by the department. Comprehensive training for ~~((caseworkers))~~ child welfare workers shall be completed before such ~~((caseworkers))~~ child welfare workers are assigned to case-carrying responsibilities ~~((without direct supervision))~~ as the sole worker assigned to a particular case. Intermittent, part-time, and standby child welfare workers shall be subject to the same minimum standards and training.

(2) Ongoing specialized training shall be provided for ~~((persons))~~ child welfare workers responsible for investigating child sexual abuse. Training participants shall have the opportunity to practice interview skills and receive feedback from instructors.

(3) The department, the criminal justice training commission, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys shall design and implement statewide training that contains consistent elements for persons engaged in the interviewing of children, including law enforcement, prosecution, and child protective services.

(4) The training required by this section shall: (a) Be based on research-based practices and standards; (b) minimize the trauma of all persons who are interviewed during abuse investigations; (c) provide methods of reducing the number of investigative interviews necessary whenever possible; (d) assure, to the extent possible, that investigative interviews are thorough, objective, and complete; (e) recognize needs of special populations, such as persons with developmental disabilities; (f) recognize the nature and consequences of victimization; (g) require investigative interviews to be conducted in a manner most likely to permit the interviewed persons the maximum emotional comfort under the

circumstances; (h) address record retention and retrieval; ~~((and))~~ (i) address documentation of investigative interviews; and (j) include self-care for child welfare workers.

(5) The identification of domestic violence is critical in ensuring the safety of children in the child welfare system. ~~((As a result))~~ It is also critical for child welfare workers to support victims of domestic violence while victims continue to care for their children, when possible, as domestic violence perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself as provided in RCW 26.44.020. For these reasons, ongoing domestic violence training and consultation shall be provided to ~~((easeworkers))~~ child welfare workers, including how to use the department's practice guide to domestic violence.

(6) By January 1, 2021, the department shall:

(a) Develop and implement an evidence-informed curriculum for supervisors providing support to child welfare workers to better prepare candidates for effective supervisory and leadership roles within the department;

(b) Develop specialized training for child welfare workers that includes simulation and coaching designed to improve clinical and analytical skills;

(c) Based on the report required under section 26(3) of this act, develop and implement training for child welfare workers that incorporates trauma-informed care and reflective supervision principles.

(7) For purposes of this section, "child welfare worker" means an employee of the department whose job includes supporting or providing child welfare services as defined in RCW 74.13.020 or child protective services as defined in RCW 26.44.020.

**NEW SECTION. Sec. 28.** A new section is added to chapter 43.216 RCW to read as follows:

(1) The department shall provide child welfare workers and those supervising child welfare workers with access to:

(a) A critical incident protocol that establishes a process for appropriately responding to traumatic or high stress incidents in a manner that provides employees with proper mental health and stress management support, guidance, and education; and

(b) Peer counseling from someone trained in providing peer counseling and support.

(2) The department shall systematically collect workforce data regarding child welfare workers including staff turnover, workload distribution, exit interviews, and regular staff surveys to assess organizational culture and psychological safety.

(3) The department shall make a concerted effort to increase efficiency through the reduction of paperwork.

(4) The department shall develop a scientifically based method for measuring the direct service time of child welfare workers and contracted resources.

(5) The department shall convene a technical work group to develop a workload model including standardized ratios for supervisors, clerical, and other child welfare worker support staff and child welfare worker caseload ratios by case type.

(a) The technical work group must include:

(i) Two child welfare worker representatives, one from west of the crest of the Cascade mountain range, and one from east of the crest of the Cascade mountain range;

(ii) Fiscal staff from the department;

(iii) Human resources staff from the department; and

(iv) A representative from the office of financial management.

(b) The department shall provide a report to the relevant committees of the legislature in compliance with RCW 43.01.036 by December 1, 2019, that includes a description of the workload model recommended by the technical work group and the steps the department is taking to implement this model.

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

(c) The technical work group established in this section shall continue to meet and provide an annual report to the relevant committees of the legislature in compliance with RCW 43.01.036 by December 1st of each year regarding any recommended modifications to the workload model and steps the department is taking to implement those changes.

(6) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Child welfare worker" means an employee of the department whose job includes supporting or providing child welfare services as defined in RCW 74.13.020 including those providing family assessment response services as defined in RCW 26.44.020 or child protective services as defined in RCW 26.44.020.

(b) "Critical incident" means an incident that is unusual and involves a perceived or actual threat of harm to an individual which includes but is not limited to child fatalities or near fatalities.

**Sec. 29.** RCW 74.13.270 and 2017 3rd sp.s. c 20 s 1 are each amended to read as follows:

(1) The legislature recognizes the need for temporary short-term relief for foster parents who care for children with emotional, mental, or physical ~~((handicaps))~~ disabilities. For purposes of this section, respite care means appropriate, temporary, short-term care for these foster children placed with licensed foster parents. The purpose of this care is to give the foster parents temporary relief from the stresses associated with the care of these foster children. The department shall design a program of respite care that will minimize disruptions to the child and will serve foster parents within these priorities, based on input from foster parents, foster parent associations, and reliable research if available.

(2)(a) For the purposes of this section, and subject to funding appropriated specifically for this purpose, short-term support shall include case aides who provide temporary assistance to foster parents as needed with the overall goal of supporting the parental efforts of the foster parents except that this assistance shall not include overnight assistance. The department shall contract with nonprofit community-based organizations in each region to establish a statewide pool of individuals to provide the support described in this subsection. These individuals shall be ~~((hired by))~~ employees or volunteers with the nonprofit community-based organization and shall have the appropriate training, background checks, and qualifications as determined by the department. Short-term support as described in this subsection shall be available to all licensed foster parents in the state as funding is available and shall be phased in by geographic region. To obtain the assistance of a case aide for this purpose, the foster parent may request the services from the nonprofit community-based organization and the nonprofit community-based organization may offer assistance to licensed foster families. If the requests for the short-term support provided in this subsection exceed the funding available, the nonprofit community-based organization shall have discretion to determine the assignment of case aides. The nonprofit community-based organization shall report all short-term support provided under this subsection to the department.

(b) Subject to funding appropriated specifically for this purpose, the Washington state institute for public policy shall prepare an outcome evaluation of the short-term support described in this subsection. The evaluation will, to the maximum extent possible, assess the impact of the short-term support services described in this subsection on the retention of foster homes and the number of placements a foster child receives while in out-of-home care as well as the return on investment to the

state. The institute shall submit a preliminary report to the appropriate committees of the legislature and the governor by December 1, 2018, that describes the initial implementation of these services and descriptive statistics of the families utilizing these services. A final report shall be submitted to the appropriate committees of the legislature by June 30, ~~((2020))~~ 2021. At no cost to the institute, the department shall provide all data necessary to discharge this duty.

(c) Costs associated with case aides as described in this subsection shall not be included in the forecast.

(d) Pursuant to RCW 41.06.142(3), performance-based contracting under (a) of this subsection is expressly mandated by the legislature and is not subject to the processes set forth in RCW 41.06.142 (1), (4), and (5)."

Correct the title.

and the same are herewith transmitted.

NONA SNELL, Deputy Chief Clerk

#### MOTION

Senator Lovelett moved that the Senate concur in the House amendment(s) to Substitute Senate Bill No. 5955.

Senator Lovelett spoke in favor of the motion.

REPORT OF THE CONFERENCE COMMITTEE

Substitute House Bill No. 1170

April 26, 2019

MR. PRESIDENT:

MR. SPEAKER:

We of your conference committee, to whom was referred Substitute House Bill No. 1170, have had the same under consideration and recommend that all previous amendments not be adopted and that the following striking amendment be adopted:

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 43.43.960 and 2015 c 181 s 2 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this subchapter.

(1) "All risk resources" means those resources regularly provided by fire departments, fire districts, and regional fire protection service authorities required to respond to natural or man-made incidents, including but not limited to:

- (a) Wild land fires;
- (b) Landslides;
- (c) Earthquakes;
- (d) Floods; and
- (e) Contagious diseases.

(2) "Chief" means the chief of the Washington state patrol.

(3) "Fire chief" includes the chief officer of a statutorily authorized fire agency, or the fire chief's authorized representative. Also included are the department of natural resources fire control chief, and the department of natural resources regional managers.

(4) "Jurisdiction" means state, county, city, fire district, regional fire protection service authority, or port district units, or other units covered by this chapter.

(5) "Mobilization" means that all risk resources regularly provided by fire departments, fire districts, and regional fire protection service authorities beyond those available through existing agreements will be requested and, when available, sent in response to an emergency or disaster situation that has exceeded the capabilities of available local resources. During a large scale emergency, mobilization includes the redistribution of regional or statewide risk resources to either direct emergency incident assignments or to assignment in communities where resources are needed. (~~Fire department~~) All risk resources may not be mobilized to assist law enforcement with police activities during a civil protest or demonstration, or other exercise by the people of their constitutionally protected First Amendment rights, or other protected concerted activity, however, fire departments, fire districts, and regional fire protection service authorities are not restricted from providing medical care or aid and firefighting when mobilized for any purpose.

When mobilization is declared and authorized as provided in

this chapter, all risk resources regularly provided by fire departments, fire districts, and regional fire protection service authorities including those of the host fire protection authorities, i.e. incident jurisdiction, shall be deemed as mobilized under this chapter, including those that responded earlier under existing mutual aid or other agreement. All nonhost fire protection authorities providing resources in response to a mobilization declaration shall be eligible for expense reimbursement as provided by this chapter from the time of the mobilization declaration.

This chapter shall not reduce or suspend the authority or responsibility of the department of natural resources under chapter 76.04 RCW.

(6) "Mutual aid" means emergency interagency assistance provided without compensation under an agreement between jurisdictions under chapter 39.34 RCW.

(7) "State fire marshal" means the director of fire protection in the Washington state patrol.

**Sec. 2.** 2015 c 181 s 5 (uncodified) is repealed.

**NEW SECTION. Sec. 3.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2019."

On page 1, line 1 of the title, after "to" strike the remainder of the title and insert "fire service mobilization; reenacting and amending RCW 43.43.960; repealing 2015 c 181 s 5 (uncodified); providing an effective date; and declaring an emergency."

And the bill do pass as recommended by the conference committee.

Signed by Senators Hasegawa, Hunt and Zeiger; Representatives Goodman, Griffey and Springer.

sales tax within ten years of commencing construction.

The measure was read the second time.

#### MOTION

Senator Liias moved that the following committee striking amendment by the Committee on Ways & Means be adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) This section is the tax preference performance statement for the tax preference contained in section 2, chapter . . . , Laws of 2019 (section 2 of this act). This performance statement is only intended to be used for subsequent evaluation of the tax preference. It is not intended to create a private right of action by any party or be used to determine eligibility for preferential tax treatment.

(2) The legislature categorizes this tax preference as one intended to provide tax relief for certain businesses or individuals and to accomplish a general purpose as indicated in RCW 82.32.808(2) (e) and (f).

(3) It is the legislature's specific public policy objective to increase the fiscal stability of multipurpose sports and entertainment arenas in Washington state and thereby strengthen the economic vitality of the communities in which the arenas and practice facilities are located.

(4) To measure the effectiveness of the tax preference in achieving the specific public policy objective described in this act, the joint legislative audit and review committee must evaluate this tax preference. In evaluating the tax preference, the joint legislative audit and review committee may refer to data provided to the department of revenue.

NEW SECTION. Sec. 2. A new section is added to chapter 82.32 RCW to read as follows:

(1) Until October 1, 2019, a qualifying business may apply for a deferral of taxes on an eligible project. Application must be made to the department in a form and manner prescribed by the department. The application must contain information regarding the location of the project, estimated or actual costs of the project, time schedules for completion and operation of the project, and other information required by the department. The department must rule on the application within sixty days.

(2) If the department approves an application for a deferral of taxes under this section, the department must issue a sales and use tax deferral certificate for state and local sales and use taxes due under chapters 82.08, 82.12, 82.14, and 81.104 RCW. This certificate expires on the date the eligible project becomes operationally complete. The certificate may only be used for sales and use tax liability incurred after the date the department issued the certificate.

(3) A recipient of a certificate must notify the department when its eligible project is operationally complete. The department must review the qualifying business's records after the eligible project is operationally complete to ensure the correct amount of taxes has been reported and will be repaid.

(4)(a) For local sales and use taxes, the recipient of the certificate must begin paying deferred sales and use taxes in the first calendar year after the date certified by the department as the date on which the eligible project is operationally complete. The first payment is due on January 1st of the first calendar year after such certified date, with subsequent annual payments due on January 1st of the following seven years. Each payment must equal twelve and one-half percent of the tax due plus interest.

(b) For state sales and use taxes, the recipient of the certificate must repay all deferred state sales and use taxes by June 30, 2023.

(c) The department must assess interest, but not penalties, on the deferred taxes. The interest must be assessed at the rate provided for delinquent taxes under this chapter, retroactively to the date the project was certified to be operationally complete, and will accrue until the deferred taxes are repaid.

(5) The department may authorize an accelerated repayment schedule upon request of the qualifying business.

(6) The debt for taxes due is not extinguished by insolvency or other failure of the qualifying business. Transfer of ownership does not terminate the deferral if the transferee agrees in writing to be bound by the requirements of this section and receives approval from the department. If the department approves the transfer of the deferral to a transferee, such approval not to be unreasonably withheld, conditioned, or delayed, the transferee is solely liable for repayment of the deferred taxes.

(7) If the eligible project is not operationally complete within three calendar years from the date that the department issued the certificate for the project, or if at any time the department finds that the project is not eligible for a deferral under this section, the amount of taxes outstanding for the project is immediately due and payable. If taxes must be repaid under this subsection, the department must assess interest at the rate provided for delinquent taxes under this chapter retroactively to the date of issuance of the certificate, but not penalties, on amounts due under this subsection.

(8) Applications and any other information received by the department under this section are not confidential under RCW 82.32.330. This chapter applies to the administration of this section.

(9) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Eligible project" means a project consisting of either or both (i) a qualifying arena, associated parking structures, plazas, public spaces, and one or more tunnels connecting the arena and parking structures, or (ii) an ice hockey practice facility.

(b) "Ice hockey practice facility" means one or more contiguous structures of up to two hundred thousand square feet located within ten miles of a qualifying arena that (i) contains at least three ice rinks, and (ii) is being developed to attract a professional ice hockey franchise. An "ice hockey practice facility" may include ice rinks, spectator viewing locations, locker rooms, strength and conditioning rooms, administrative offices, retail space, food service facilities, and other amenities related to the operation of a state-of-the-art ice hockey center.

(c) "Operationally complete" means the project is capable of being used for its intended purpose as described in the application.

(d) "Personal property" means tangible personal property with a useful life of one year or more that is used in the operation of the eligible project.

(e) "Project" means the construction of new improvements, the renovation of existing improvements, the acquisition and installation of fixtures that are permanently affixed to and become a physical part of those improvements, personal property, and site preparation. "Project" includes materials used and labor and services rendered in respect to the planning, site preparation, construction, renovation, and installation.

(f) "Qualifying arena" means a multipurpose sports and entertainment facility owned by the largest city in a county with a population of at least one million five hundred thousand that is being redeveloped to attract professional ice hockey and basketball league franchises.

(g) "Qualifying business" means a business entity that exists

for the primary purpose of engaging in commercial activity for profit and has entered into a lease or occupancy agreement with the fee owner of a qualifying arena and/or ice hockey practice facility to engage in the development of an eligible project.

(h) "Site preparation" includes soil testing, site clearing and grading, demolition, or any other related activities that are initiated before construction.

(10) This section expires January 1, 2030.

**NEW SECTION. Sec. 3.** A new section is added to chapter 82.32 RCW to read as follows:

(1) The state treasurer must deposit the repayment of deferred state sales and use taxes due under section 2 of this act into the general fund.

(2) The state treasurer must deposit the repayment of deferred local sales and use taxes due under section 2 of this act into the local sales and use tax account created in RCW 82.14.050.

(3) The state treasurer must deposit any interest assessed and accrued on taxes due pursuant to section 2(4) of this act that is part of any annual repayment as follows:

(a) Interest on state taxes must be deposited into the state general fund.

(b) Interest on local taxes must be deposited into the local sales and use tax account.

(4) In the event that an accelerated repayment schedule is authorized by the department pursuant to section 2(5) of this act, the state treasurer must deposit any amount in excess of taxes due pursuant to section 2(4) of this act into the state general fund and into the local sales and use account, with the respective amounts deposited based on the proportionate shares of the state taxes and local taxes due.

**NEW SECTION. Sec. 4.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 3 of the title, after "construction;" strike the remainder of the title and insert "adding new sections to chapter 82.32 RCW; creating a new section; providing an expiration date; and declaring an emergency."

MOTION

Senator Carlyle moved that the following amendment no. 823 by Senator Carlyle be adopted:

On page 4, line 23, after "(2)" strike "The" and insert "(a) Except as provided in (b) of this subsection (2), the"

On page 4, line 23, after "deposit" insert "half of"

On page 4, after line 25, insert the following:

"(b) The state treasurer must deposit the remaining half of the repayment of deferred local sales and use taxes due under section 2 of this act into the state building construction account for the exclusive purpose of funding the construction or rehabilitation of capital facilities used for youth educational programming related to discovery, experimentation, and critical thinking in the sciences. The capital facility must be located on the same premises as a qualifying arena."

Correct any internal references accordingly.

Senators Carlyle, Rolfes, Frockt, Braun and Conway spoke in favor of adoption of the amendment to the committee striking amendment.

Senator King spoke against adoption of the amendment to the committee striking amendment.

The President declared the question before the Senate to be the adoption of amendment no. 823 by Senator Carlyle on page 4, line 23 to the committee striking amendment.

On motion of Senator Dhingra, the rules were suspended and Engrossed Substitute House Bill No. 1768 was returned to second reading for the purposes of amendment.

MOTION

Senator Dhingra moved that the following striking amendment no. 828 by Senator Dhingra be adopted:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 18.205.010 and 1998 c 243 s 1 are each amended to read as follows:

The legislature recognizes ~~((chemical dependency))~~ substance use disorder professionals as discrete health professionals. ~~((Chemical dependency))~~ Substance use disorder professional certification serves the public interest.

Sec. 2. RCW 18.205.020 and 2008 c 135 s 15 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Certification" means a voluntary process recognizing an individual who qualifies by examination and meets established educational prerequisites, and which protects the title of practice.

~~((("Certified chemical dependency professional" means an individual certified in chemical dependency counseling, under this chapter.~~

~~((3) "Certified chemical dependency professional trainee" means an individual working toward the education and experience requirements for certification as a chemical dependency professional.~~

(13) "Counseling" means employing any therapeutic techniques including, but not limited to, social work, mental health counseling, marriage and family therapy, and hypnotherapy, for a fee, that offer, assist, or attempt to assist an individual or individuals in the amelioration or adjustment of mental, emotional, or behavioral problems, and includes therapeutic techniques to achieve sensitivity and awareness of self and others and the development of human potential. For the purposes of this chapter, nothing may be construed to imply that the practice of hypnotherapy is necessarily limited to counseling.

**Sec. 3.** RCW 18.205.030 and 2008 c 135 s 16 are each amended to read as follows:

No person may represent oneself as a certified ~~((chemical dependency))~~ substance use disorder professional ~~((or))~~, certified ~~((chemical dependency))~~ substance use disorder professional trainee, or co-occurring disorder specialist or use any title or description of services of a certified ~~((chemical dependency))~~ substance use disorder professional ~~((or))~~, certified ~~((chemical dependency))~~ substance use disorder professional trainee, or co-occurring disorder specialist without applying for certification, meeting the required qualifications, and being certified by the department of health, unless otherwise exempted by this chapter.

**Sec. 4.** RCW 18.205.080 and 2018 c 201 s 9007 are each amended to read as follows:

(1) The secretary shall appoint a ~~((chemical dependency))~~ substance use disorder certification advisory committee to further the purposes of this chapter. The committee shall be composed of seven members, one member initially appointed for a term of one year, three for a term of two years, and three for a term of three years. Subsequent appointments shall be for terms of three years. No person may serve as a member of the committee for more than two consecutive terms. Members of the committee shall be residents of this state. The committee shall be composed of four certified ~~((chemical dependency))~~ substance use disorder professionals; one ~~((chemical dependency))~~ substance use disorder treatment program director; one physician licensed under chapter 18.71 or 18.57 RCW who is certified in addiction medicine or a licensed or certified mental health practitioner; and one member of the public who has received ~~((chemical~~

~~dependency))~~ substance use disorder counseling.

(2) The secretary may remove any member of the committee for cause as specified by rule. In the case of a vacancy, the secretary shall appoint a person to serve for the remainder of the unexpired term.

(3) The committee shall meet at the times and places designated by the secretary and shall hold meetings during the year as necessary to provide advice to the director. The committee may elect a chair and a vice chair. A majority of the members currently serving shall constitute a quorum.

(4) Each member of the committee shall be reimbursed for travel expenses as authorized in RCW 43.03.050 and 43.03.060. In addition, members of the committee shall be compensated in accordance with RCW 43.03.240 when engaged in the authorized business of the committee.

(5) The director of the health care authority, or his or her designee, shall serve as an ex officio member of the committee.

(6) The secretary, members of the committee, or individuals acting on their behalf are immune from suit in any action, civil or criminal, based on any certification or disciplinary proceedings or other official acts performed in the course of their duties.

**Sec. 5.** RCW 18.205.090 and 2001 c 251 s 30 are each amended to read as follows:

(1) The secretary shall issue a certificate to any applicant who demonstrates to the secretary's satisfaction that the following requirements have been met:

(a) Completion of an educational program approved by the secretary or successful completion of alternate training that meets established criteria;

(b) Successful completion of an approved examination, based on core competencies of ~~((chemical dependency))~~ substance use disorder counseling; and

(c) Successful completion of an experience requirement that establishes fewer hours of experience for applicants with higher levels of relevant education. In meeting any experience requirement established under this subsection, the secretary may not require more than one thousand five hundred hours of experience in ~~((chemical dependency))~~ substance use disorder counseling for applicants who are licensed under chapter 18.83 RCW or under chapter 18.79 RCW as advanced registered nurse practitioners.

(2) The secretary shall establish by rule what constitutes adequate proof of meeting the criteria.

(3) Applicants are subject to the grounds for denial of a certificate or issuance of a conditional certificate under chapter 18.130 RCW.

(4) Certified ~~((chemical dependency))~~ substance use disorder professionals shall not be required to be registered under chapter 18.19 RCW or licensed under chapter 18.225 RCW.

(5) As of the effective date of this section, a person certified under this chapter holding the title of chemical dependency professional is considered to hold the title of substance use disorder professional until such time as the person's present certification expires or is renewed.

**Sec. 6.** RCW 18.205.095 and 2008 c 135 s 18 are each amended to read as follows:

(1) The secretary shall issue a trainee certificate to any applicant who demonstrates to the satisfaction of the secretary that he or she is working toward the education and experience requirements in RCW 18.205.090.

(2) A trainee certified under this section shall submit to the secretary for approval a declaration, in accordance with rules adopted by the department, that he or she is enrolled in an approved education program and actively pursuing the experience

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

requirements in RCW 18.205.090. This declaration must be updated with the trainee's annual renewal.

(3) A trainee certified under this section may practice only under the supervision of a certified ~~((chemical dependency))~~ substance use disorder professional. The first fifty hours of any face-to-face client contact must be under direct observation. All remaining experience must be under supervision in accordance with rules adopted by the department.

(4) A certified ~~((chemical dependency))~~ substance use disorder professional trainee provides ~~((chemical dependency))~~ substance use disorder assessments, counseling, and case management with a state regulated agency and can provide clinical services to patients consistent with his or her education, training, and experience as approved by his or her supervisor.

(5) A trainee certification may only be renewed four times.

(6) Applicants are subject to denial of a certificate or issuance of a conditional certificate for the reasons set forth in chapter 18.130 RCW.

(7) As of the effective date of this section, a person certified under this chapter holding the title of chemical dependency professional trainee is considered to hold the title of substance use disorder professional trainee until such time as the person's present certification expires or is renewed.

**Sec. 7.** RCW 18.205.100 and 2000 c 171 s 42 are each amended to read as follows:

The secretary may establish by rule the standards and procedures for approval of educational programs and alternative training. The requirements for who may provide approved supervision towards training must be the same for all applicants in the regular or alternative training pathways. The requirements for who may provide approved supervision towards training must allow approved supervision to be provided by a person who meets or exceeds the requirements of a certified substance use disorder professional in the state of Washington and who would be eligible to take the examination required for certification. The secretary may utilize or contract with individuals or organizations having expertise in the profession or in education to assist in the evaluations. The secretary shall establish by rule the standards and procedures for revocation of approval of educational programs. The standards and procedures set shall apply equally to educational programs and training in the United States and in foreign jurisdictions. The secretary may establish a fee for educational program evaluations.

**Sec. 8.** RCW 10.77.079 and 2015 1st sp.s. c 7 s 9 are each amended to read as follows:

(1) If the issue of competency to stand trial is raised by the court or a party under RCW 10.77.060, the prosecutor may continue with the competency process or dismiss the charges without prejudice and refer the defendant for assessment by a mental health professional, ~~((chemical dependency))~~ substance use disorder professional, co-occurring disorder specialist, or developmental disabilities professional to determine the appropriate service needs for the defendant.

(2) This section does not apply to defendants with a current charge or prior conviction for a violent offense or sex offense as defined in RCW 9.94A.030, or a violation of RCW 9A.36.031(1) (d), (f), or (h).

**Sec. 9.** RCW 13.40.020 and 2018 c 82 s 3 are each amended to read as follows:

For the purposes of this chapter:

(1) "Assessment" means an individualized examination of a child to determine the child's psychosocial needs and problems, including the type and extent of any mental health, substance abuse, or co-occurring mental health and substance abuse

disorders, and recommendations for treatment. "Assessment" includes, but is not limited to, drug and alcohol evaluations, psychological and psychiatric evaluations, records review, clinical interview, and administration of a formal test or instrument;

(2) "Community-based rehabilitation" means one or more of the following: Employment; attendance of information classes; literacy classes; counseling, outpatient substance abuse treatment programs, outpatient mental health programs, anger management classes, education or outpatient treatment programs to prevent animal cruelty, or other services including, when appropriate, restorative justice programs; or attendance at school or other educational programs appropriate for the juvenile as determined by the school district. Placement in community-based rehabilitation programs is subject to available funds;

(3) "Community-based sanctions" may include one or more of the following:

(a) A fine, not to exceed five hundred dollars;

(b) Community restitution not to exceed one hundred fifty hours of community restitution;

(4) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender as punishment for committing an offense. Community restitution may be performed through public or private organizations or through work crews;

(5) "Community supervision" means an order of disposition by the court of an adjudicated youth not committed to the department or an order granting a deferred disposition. A community supervision order for a single offense may be for a period of up to two years for a sex offense as defined by RCW 9.94A.030 and up to one year for other offenses. As a mandatory condition of any term of community supervision, the court shall order the juvenile to refrain from committing new offenses. As a mandatory condition of community supervision, the court shall order the juvenile to comply with the mandatory school attendance provisions of chapter 28A.225 RCW and to inform the school of the existence of this requirement. Community supervision is an individualized program comprised of one or more of the following:

(a) Community-based sanctions;

(b) Community-based rehabilitation;

(c) Monitoring and reporting requirements;

(d) Posting of a probation bond;

(e) Residential treatment, where substance abuse, mental health, and/or co-occurring disorders have been identified in an assessment by a qualified mental health professional, psychologist, psychiatrist, co-occurring disorder specialist, or ~~((chemical dependency))~~ substance use disorder professional and a funded bed is available. If a child agrees to voluntary placement in a state-funded long-term evaluation and treatment facility, the case must follow the existing placement procedure including consideration of less restrictive treatment options and medical necessity.

(i) A court may order residential treatment after consideration and findings regarding whether:

(A) The referral is necessary to rehabilitate the child;

(B) The referral is necessary to protect the public or the child;

(C) The referral is in the child's best interest;

(D) The child has been given the opportunity to engage in less restrictive treatment and has been unable or unwilling to comply; and

(E) Inpatient treatment is the least restrictive action consistent with the child's needs and circumstances.

(ii) In any case where a court orders a child to inpatient treatment under this section, the court must hold a review hearing

no later than sixty days after the youth begins inpatient treatment, and every thirty days thereafter, as long as the youth is in inpatient treatment;

(6) "Confinement" means physical custody by the department of children, youth, and families in a facility operated by or pursuant to a contract with the state, or physical custody in a detention facility operated by or pursuant to a contract with any county. The county may operate or contract with vendors to operate county detention facilities. The department may operate or contract to operate detention facilities for juveniles committed to the department. Pretrial confinement or confinement of less than thirty-one days imposed as part of a disposition or modification order may be served consecutively or intermittently, in the discretion of the court;

(7) "Court," when used without further qualification, means the juvenile court judge(s) or commissioner(s);

(8) "Criminal history" includes all criminal complaints against the respondent for which, prior to the commission of a current offense:

(a) The allegations were found correct by a court. If a respondent is convicted of two or more charges arising out of the same course of conduct, only the highest charge from among these shall count as an offense for the purposes of this chapter; or

(b) The criminal complaint was diverted by a prosecutor pursuant to the provisions of this chapter on agreement of the respondent and after an advisement to the respondent that the criminal complaint would be considered as part of the respondent's criminal history. A successfully completed deferred adjudication that was entered before July 1, 1998, or a deferred disposition shall not be considered part of the respondent's criminal history;

(9) "Department" means the department of children, youth, and families;

(10) "Detention facility" means a county facility, paid for by the county, for the physical confinement of a juvenile alleged to have committed an offense or an adjudicated offender subject to a disposition or modification order. "Detention facility" includes county group homes, inpatient substance abuse programs, juvenile basic training camps, and electronic monitoring;

(11) "Diversion unit" means any probation counselor who enters into a diversion agreement with an alleged youthful offender, or any other person, community accountability board, youth court under the supervision of the juvenile court, or other entity with whom the juvenile court administrator has contracted to arrange and supervise such agreements pursuant to RCW 13.40.080, or any person, community accountability board, or other entity specially funded by the legislature to arrange and supervise diversion agreements in accordance with the requirements of this chapter. For purposes of this subsection, "community accountability board" means a board comprised of members of the local community in which the juvenile offender resides. The superior court shall appoint the members. The boards shall consist of at least three and not more than seven members. If possible, the board should include a variety of representatives from the community, such as a law enforcement officer, teacher or school administrator, high school student, parent, and business owner, and should represent the cultural diversity of the local community;

(12) "Foster care" means temporary physical care in a foster family home or group care facility as defined in RCW 74.15.020 and licensed by the department, or other legally authorized care;

(13) "Institution" means a juvenile facility established pursuant to chapters 72.05 and 72.16 through 72.20 RCW;

(14) "Intensive supervision program" means a parole program that requires intensive supervision and monitoring, offers an array of individualized treatment and transitional services, and

emphasizes community involvement and support in order to reduce the likelihood a juvenile offender will commit further offenses;

(15) "Juvenile," "youth," and "child" mean any individual who is under the chronological age of eighteen years and who has not been previously transferred to adult court pursuant to RCW 13.40.110, unless the individual was convicted of a lesser charge or acquitted of the charge for which he or she was previously transferred pursuant to RCW 13.40.110 or who is not otherwise under adult court jurisdiction;

(16) "Juvenile offender" means any juvenile who has been found by the juvenile court to have committed an offense, including a person eighteen years of age or older over whom jurisdiction has been extended under RCW 13.40.300;

(17) "Labor" means the period of time before a birth during which contractions are of sufficient frequency, intensity, and duration to bring about effacement and progressive dilation of the cervix;

(18) "Local sanctions" means one or more of the following: (a) 0-30 days of confinement; (b) 0-12 months of community supervision; (c) 0-150 hours of community restitution; or (d) \$0-\$500 fine;

(19) "Manifest injustice" means a disposition that would either impose an excessive penalty on the juvenile or would impose a serious, and clear danger to society in light of the purposes of this chapter;

(20) "Monitoring and reporting requirements" means one or more of the following: Curfews; requirements to remain at home, school, work, or court-ordered treatment programs during specified hours; restrictions from leaving or entering specified geographical areas; requirements to report to the probation officer as directed and to remain under the probation officer's supervision; and other conditions or limitations as the court may require which may not include confinement;

(21) "Offense" means an act designated a violation or a crime if committed by an adult under the law of this state, under any ordinance of any city or county of this state, under any federal law, or under the law of another state if the act occurred in that state;

(22) "Physical restraint" means the use of any bodily force or physical intervention to control a juvenile offender or limit a juvenile offender's freedom of movement in a way that does not involve a mechanical restraint. Physical restraint does not include momentary periods of minimal physical restriction by direct person-to-person contact, without the aid of mechanical restraint, accomplished with limited force and designed to:

(a) Prevent a juvenile offender from completing an act that would result in potential bodily harm to self or others or damage property;

(b) Remove a disruptive juvenile offender who is unwilling to leave the area voluntarily; or

(c) Guide a juvenile offender from one location to another;

(23) "Postpartum recovery" means (a) the entire period a woman or youth is in the hospital, birthing center, or clinic after giving birth and (b) an additional time period, if any, a treating physician determines is necessary for healing after the youth leaves the hospital, birthing center, or clinic;

(24) "Probation bond" means a bond, posted with sufficient security by a surety justified and approved by the court, to secure the offender's appearance at required court proceedings and compliance with court-ordered community supervision or conditions of release ordered pursuant to RCW 13.40.040 or 13.40.050. It also means a deposit of cash or posting of other collateral in lieu of a bond if approved by the court;

(25) "Respondent" means a juvenile who is alleged or proven to have committed an offense;

(26) "Restitution" means financial reimbursement by the offender to the victim, and shall be limited to easily ascertainable damages for injury to or loss of property, actual expenses incurred for medical treatment for physical injury to persons, lost wages resulting from physical injury, and costs of the victim's counseling reasonably related to the offense. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses. Nothing in this chapter shall limit or replace civil remedies or defenses available to the victim or offender;

(27) "Restorative justice" means practices, policies, and programs informed by and sensitive to the needs of crime victims that are designed to encourage offenders to accept responsibility for repairing the harm caused by their offense by providing safe and supportive opportunities for voluntary participation and communication between the victim, the offender, their families, and relevant community members;

(28) "Restraints" means anything used to control the movement of a person's body or limbs and includes:

(a) Physical restraint; or

(b) Mechanical device including but not limited to: Metal handcuffs, plastic ties, ankle restraints, leather cuffs, other hospital-type restraints, tasers, or batons;

(29) "Screening" means a process that is designed to identify a child who is at risk of having mental health, substance abuse, or co-occurring mental health and substance abuse disorders that warrant immediate attention, intervention, or more comprehensive assessment. A screening may be undertaken with or without the administration of a formal instrument;

(30) "Secretary" means the secretary of the department;

(31) "Services" means services which provide alternatives to incarceration for those juveniles who have pleaded or been adjudicated guilty of an offense or have signed a diversion agreement pursuant to this chapter;

(32) "Sex offense" means an offense defined as a sex offense in RCW 9.94A.030;

(33) "Sexual motivation" means that one of the purposes for which the respondent committed the offense was for the purpose of his or her sexual gratification;

(34) "Surety" means an entity licensed under state insurance laws or by the state department of licensing, to write corporate, property, or probation bonds within the state, and justified and approved by the superior court of the county having jurisdiction of the case;

(35) "Transportation" means the conveying, by any means, of an incarcerated pregnant youth from the institution or detention facility to another location from the moment she leaves the institution or detention facility to the time of arrival at the other location, and includes the escorting of the pregnant incarcerated youth from the institution or detention facility to a transport vehicle and from the vehicle to the other location;

(36) "Violation" means an act or omission, which if committed by an adult, must be proven beyond a reasonable doubt, and is punishable by sanctions which do not include incarceration;

(37) "Violent offense" means a violent offense as defined in RCW 9.94A.030;

(38) "Youth court" means a diversion unit under the supervision of the juvenile court.

**Sec. 10.** RCW 13.40.042 and 2014 c 128 s 4 are each amended to read as follows:

(1) When a police officer has reasonable cause to believe that a juvenile has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 10.77.092, and the officer believes that the juvenile suffers from a mental disorder, and the local prosecutor has entered into an agreement with law

enforcement regarding the detention of juveniles who may have a mental disorder or may be suffering from chemical dependency, the arresting officer, instead of taking the juvenile to the local juvenile detention facility, may take the juvenile to:

(a) An evaluation and treatment facility as defined in RCW 71.34.020 if the juvenile suffers from a mental disorder and the facility has been identified as an alternative location by agreement of the prosecutor, law enforcement, and the mental health provider;

(b) A facility or program identified by agreement of the prosecutor and law enforcement; or

(c) A location already identified and in use by law enforcement for the purpose of a behavioral health diversion.

(2) For the purposes of this section, an "alternative location" means a facility or program that has the capacity to evaluate a youth and, if determined to be appropriate, develop a behavioral health intervention plan and initiate treatment.

(3) If a juvenile is taken to any location described in subsection (1)(a) or (b) of this section, the juvenile may be held for up to twelve hours and must be examined by a mental health or ~~((chemical dependency))~~ substance use disorder professional within three hours of arrival.

(4) The authority provided pursuant to this section is in addition to existing authority under RCW 10.31.110 and 10.31.120.

(vii) An advanced social worker or independent clinical social worker licensed under chapter 18.225 RCW; and

(viii) A social worker associate—advanced or social worker associate—independent clinical licensed under chapter 18.225 RCW.

(b) The requirements in (a) of this subsection apply to a person holding a retired active license for one of the professions in (a) of this subsection.

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (10)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(d) Beginning July 1, 2017, the training required by this subsection must be on the model list developed under subsection (6) of this section. Nothing in this subsection (1)(d) affects the validity of training completed prior to July 1, 2017.

(2)(a) Except as provided in (b) of this subsection, a professional listed in subsection (1)(a) of this section must complete the first training required by this section by the end of the first full continuing education reporting period after January 1, 2014, or during the first full continuing education reporting period after initial licensure or certification, whichever occurs later.

(b) A professional listed in subsection (1)(a) of this section applying for initial licensure may delay completion of the first training required by this section for six years after initial licensure if he or she can demonstrate successful completion of the training required in subsection (1) of this section no more than six years prior to the application for initial licensure.

(3) The hours spent completing training in suicide assessment, treatment, and management under this section count toward meeting any applicable continuing education or continuing competency requirements for each profession.

(4)(a) A disciplining authority may, by rule, specify minimum training and experience that is sufficient to exempt an individual professional from the training requirements in subsections (1) and (5) of this section. Nothing in this subsection (4)(a) allows a disciplining authority to provide blanket exemptions to broad categories or specialties within a profession.

(b) A disciplining authority may exempt a professional from

2019 REGULAR SESSION

the training requirements of subsections (1) and (5) of this section if the professional has only brief or limited patient contact.

(5)(a) Each of the following professionals credentialed under Title 18 RCW shall complete a one-time training in suicide assessment, treatment, and management that is approved by the relevant disciplining authority:

- (i) A chiropractor licensed under chapter 18.25 RCW;
- (ii) A naturopath licensed under chapter 18.36A RCW;
- (iii) A licensed practical nurse, registered nurse, or advanced registered nurse practitioner, other than a certified registered nurse anesthetist, licensed under chapter 18.79 RCW;
- (iv) An osteopathic physician and surgeon licensed under chapter 18.57 RCW, other than a holder of a postgraduate osteopathic medicine and surgery license issued under RCW 18.57.035;
- (v) An osteopathic physician assistant licensed under chapter 18.57A RCW;
- (vi) A physical therapist or physical therapist assistant licensed under chapter 18.74 RCW;
- (vii) A physician licensed under chapter 18.71 RCW, other than a resident holding a limited license issued under RCW 18.71.095(3);
- (viii) A physician assistant licensed under chapter 18.71A RCW;
- (ix) A pharmacist licensed under chapter 18.64 RCW; and
- (x) A person holding a retired active license for one of the professions listed in (a)(i) through (ix) of this subsection.

(b)(i) A professional listed in (a)(i) through (viii) of this subsection or a person holding a retired active license for one of the professions listed in (a)(i) through (viii) of this subsection must complete the one-time training by the end of the first full continuing education reporting period after January 1, 2016, or during the first full continuing education reporting period after initial licensure, whichever is later. Training completed between June 12, 2014, and January 1, 2016, that meets the requirements of this section, other than the timing requirements of this subsection (5)(b), must be accepted by the disciplining authority as meeting the one-time training requirement of this subsection (5).

(ii) A licensed pharmacist or a person holding a retired active pharmacist license must complete the one-time training by the end of the first full continuing education reporting period after January 1, 2017, or during the first full continuing education reporting period after initial licensure, whichever is later.

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (10)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(d) Beginning July 1, 2017, the training required by this subsection must be on the model list developed under subsection (6) of this section. Nothing in this subsection (5)(d) affects the validity of training completed prior to July 1, 2017.

(6)(a) The secretary and the disciplining authorities shall work collaboratively to develop a model list of training programs in suicide assessment, treatment, and management.

(b) The secretary and the disciplining authorities shall update the list at least once every two years.

(c) By June 30, 2016, the department shall adopt rules establishing minimum standards for the training programs included on the model list. The minimum standards must require that six-hour trainings include content specific to veterans and the assessment of issues related to imminent harm via lethal means or self-injurious behaviors and that three-hour trainings for

pharmacists include content related to the assessment of issues related to imminent harm via lethal means. When adopting the rules required under this subsection (6)(c), the department shall:

(i) Consult with the affected disciplining authorities, public and private institutions of higher education, educators, experts in suicide assessment, treatment, and management, the Washington department of veterans affairs, and affected professional associations; and

(ii) Consider standards related to the best practices registry of the American foundation for suicide prevention and the suicide prevention resource center.

(d) Beginning January 1, 2017:

(i) The model list must include only trainings that meet the minimum standards established in the rules adopted under (c) of this subsection and any three-hour trainings that met the requirements of this section on or before July 24, 2015;

(ii) The model list must include six-hour trainings in suicide assessment, treatment, and management, and three-hour trainings that include only screening and referral elements; and

(iii) A person or entity providing the training required in this section may petition the department for inclusion on the model list. The department shall add the training to the list only if the department determines that the training meets the minimum standards established in the rules adopted under (c) of this subsection.

(7) The department shall provide the health profession training standards created in this section to the professional educator standards board as a model in meeting the requirements of RCW 28A.410.226 and provide technical assistance, as requested, in the review and evaluation of educator training programs. The educator training programs approved by the professional educator standards board may be included in the department's model list.

(8) Nothing in this section may be interpreted to expand or limit the scope of practice of any profession regulated under chapter 18.130 RCW.

(9) The secretary and the disciplining authorities affected by this section shall adopt any rules necessary to implement this section.

(10) For purposes of this section:

(a) "Disciplining authority" has the same meaning as in RCW 18.130.020.

(b) "Training in suicide assessment, treatment, and management" means empirically supported training approved by the appropriate disciplining authority that contains the following elements: Suicide assessment, including screening and referral, suicide treatment, and suicide management. However, the disciplining authority may approve training that includes only screening and referral elements if appropriate for the profession in question based on the profession's scope of practice. The board of occupational therapy may also approve training that includes only screening and referral elements if appropriate for occupational therapy practitioners based on practice setting.

(11) A state or local government employee is exempt from the requirements of this section if he or she receives a total of at least six hours of training in suicide assessment, treatment, and management from his or her employer every six years. For purposes of this subsection, the training may be provided in one six-hour block or may be spread among shorter training sessions at the employer's discretion.

(12) An employee of a community mental health agency licensed under chapter 71.24 RCW or a chemical dependency program certified under chapter 70.96A RCW is exempt from the requirements of this section if he or she receives a total of at least six hours of training in suicide assessment, treatment, and management from his or her employer every six years. For

purposes of this subsection, the training may be provided in one six-hour block or may be spread among shorter training sessions at the employer's discretion.

**Sec. 13.** RCW 43.70.442 and 2017 c 262 s 4 are each amended to read as follows:

(1)(a) Each of the following professionals certified or licensed under Title 18 RCW shall, at least once every six years, complete training in suicide assessment, treatment, and management that is approved, in rule, by the relevant disciplining authority:

(i) An adviser or counselor certified under chapter 18.19 RCW;

(ii) A ~~((chemical dependency))~~ substance use disorder professional licensed under chapter 18.205 RCW;

(iii) A marriage and family therapist licensed under chapter 18.225 RCW;

(iv) A mental health counselor licensed under chapter 18.225 RCW;

(v) An occupational therapy practitioner licensed under chapter 18.59 RCW;

(vi) A psychologist licensed under chapter 18.83 RCW;

(vii) An advanced social worker or independent clinical social worker licensed under chapter 18.225 RCW; and

(viii) A social worker associate—advanced or social worker associate—independent clinical licensed under chapter 18.225 RCW.

(b) The requirements in (a) of this subsection apply to a person holding a retired active license for one of the professions in (a) of this subsection.

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (10)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(d) Beginning July 1, 2017, the training required by this subsection must be on the model list developed under subsection (6) of this section. Nothing in this subsection (1)(d) affects the validity of training completed prior to July 1, 2017.

(2)(a) Except as provided in (b) of this subsection, a professional listed in subsection (1)(a) of this section must complete the first training required by this section by the end of the first full continuing education reporting period after January 1, 2014, or during the first full continuing education reporting period after initial licensure or certification, whichever occurs later.

(b) A professional listed in subsection (1)(a) of this section applying for initial licensure may delay completion of the first training required by this section for six years after initial licensure if he or she can demonstrate successful completion of the training required in subsection (1) of this section no more than six years prior to the application for initial licensure.

(3) The hours spent completing training in suicide assessment, treatment, and management under this section count toward meeting any applicable continuing education or continuing competency requirements for each profession.

(4)(a) A disciplining authority may, by rule, specify minimum training and experience that is sufficient to exempt an individual professional from the training requirements in subsections (1) and (5) of this section. Nothing in this subsection (4)(a) allows a disciplining authority to provide blanket exemptions to broad categories or specialties within a profession.

(b) A disciplining authority may exempt a professional from the training requirements of subsections (1) and (5) of this section if the professional has only brief or limited patient contact.

(5)(a) Each of the following professionals credentialed under

Title 18 RCW shall complete a one-time training in suicide assessment, treatment, and management that is approved by the relevant disciplining authority:

(i) A chiropractor licensed under chapter 18.25 RCW;

(ii) A naturopath licensed under chapter 18.36A RCW;

(iii) A licensed practical nurse, registered nurse, or advanced registered nurse practitioner, other than a certified registered nurse anesthetist, licensed under chapter 18.79 RCW;

(iv) An osteopathic physician and surgeon licensed under chapter 18.57 RCW, other than a holder of a postgraduate osteopathic medicine and surgery license issued under RCW 18.57.035;

(v) An osteopathic physician assistant licensed under chapter 18.57A RCW;

(vi) A physical therapist or physical therapist assistant licensed under chapter 18.74 RCW;

(vii) A physician licensed under chapter 18.71 RCW, other than a resident holding a limited license issued under RCW 18.71.095(3);

(viii) A physician assistant licensed under chapter 18.71A RCW;

(ix) A pharmacist licensed under chapter 18.64 RCW;

(x) A dentist licensed under chapter 18.32 RCW;

(xi) A dental hygienist licensed under chapter 18.29 RCW; and

(xii) A person holding a retired active license for one of the professions listed in (a)(i) through (xi) of this subsection.

(b)(i) A professional listed in (a)(i) through (viii) of this subsection or a person holding a retired active license for one of the professions listed in (a)(i) through (viii) of this subsection must complete the one-time training by the end of the first full continuing education reporting period after January 1, 2016, or during the first full continuing education reporting period after initial licensure, whichever is later. Training completed between June 12, 2014, and January 1, 2016, that meets the requirements of this section, other than the timing requirements of this subsection (5)(b), must be accepted by the disciplining authority as meeting the one-time training requirement of this subsection (5).

(ii) A licensed pharmacist or a person holding a retired active pharmacist license must complete the one-time training by the end of the first full continuing education reporting period after January 1, 2017, or during the first full continuing education reporting period after initial licensure, whichever is later.

(iii) A licensed dentist, a licensed dental hygienist, or a person holding a retired active license as a dentist shall complete the one-time training by the end of the full continuing education reporting period after August 1, 2020, or during the first full continuing education reporting period after initial licensure, whichever is later. Training completed between July 23, 2017, and August 1, 2020, that meets the requirements of this section, other than the timing requirements of this subsection (5)(b)(iii), must be accepted by the disciplining authority as meeting the one-time training requirement of this subsection (5).

(c) The training required by this subsection must be at least six hours in length, unless a disciplining authority has determined, under subsection (10)(b) of this section, that training that includes only screening and referral elements is appropriate for the profession in question, in which case the training must be at least three hours in length.

(d) Beginning July 1, 2017, the training required by this subsection must be on the model list developed under subsection (6) of this section. Nothing in this subsection (5)(d) affects the validity of training completed prior to July 1, 2017.

(6)(a) The secretary and the disciplining authorities shall work collaboratively to develop a model list of training programs in suicide assessment, treatment, and management.

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

(b) The secretary and the disciplining authorities shall update the list at least once every two years.

(c) By June 30, 2016, the department shall adopt rules establishing minimum standards for the training programs included on the model list. The minimum standards must require that six-hour trainings include content specific to veterans and the assessment of issues related to imminent harm via lethal means or self-injurious behaviors and that three-hour trainings for pharmacists or dentists include content related to the assessment of issues related to imminent harm via lethal means. (ii) Consider standards related to the best practices registry of the American foundation for suicide prevention and the suicide prevention resource center.

(d) Beginning January 1, 2017:

(i) The model list must include only trainings that meet the minimum standards established in the rules adopted under (c) of this subsection and any three-hour trainings that met the requirements of this section on or before July 24, 2015;

(ii) The model list must include six-hour trainings in suicide assessment, treatment, and management, and three-hour trainings that include only screening and referral elements; and

(iii) A person or entity providing the training required in this section may petition the department for inclusion on the model list. The department shall add the training to the list only if the department determines that the training meets the minimum standards established in the rules adopted under (c) of this subsection.

(7) The department shall provide the health profession training standards created in this section to the professional educator standards board as a model in meeting the requirements of RCW 28A.410.226 and provide technical assistance, as requested, in the review and evaluation of educator training programs. The educator training programs approved by the professional educator standards board may be included in the department's model list.

(8) Nothing in this section may be interpreted to expand or limit the scope of practice of any profession regulated under chapter 18.130 RCW.

(9) The secretary and the disciplining authorities affected by this section shall adopt any rules necessary to implement this section.

(10) For purposes of this section:

(a) "Disciplining authority" has the same meaning as in RCW 18.130.020.

(b) "Training in suicide assessment, treatment, and management" means empirically supported training approved by the appropriate disciplining authority that contains the following elements: Suicide assessment, including screening and referral, suicide treatment, and suicide management. However, the disciplining authority may approve training that includes only screening and referral elements if appropriate for the profession in question based on the profession's scope of practice. failure to provide for his or her essential human needs of health or safety; or

(b) Manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

~~((14))~~ (15) "History of one or more violent acts" refers to the period of time ten years before the filing of a petition under this chapter or chapter 71.05 RCW, excluding any time spent, but not any violent acts committed, in a mental health facility or a long-term alcoholism or drug treatment facility, or in confinement as a result of a criminal conviction.

~~((17))~~ (16) "Licensed physician" means a person licensed to practice medicine or osteopathic medicine and surgery in the state of Washington.

~~((18))~~ (17) "Likelihood of serious harm" means:

(a) A substantial risk that:

(i) Physical harm will be inflicted by an individual upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself;

(ii) Physical harm will be inflicted by an individual upon another, as evidenced by behavior that has caused such harm or that places another person or persons in reasonable fear of sustaining such harm; or

(iii) Physical harm will be inflicted by an individual upon the property of others, as evidenced by behavior that has caused substantial loss or damage to the property of others; or

(b) The individual has threatened the physical safety of another and has a history of one or more violent acts.

~~((19))~~ (18) "Mental disorder" means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions.

~~((20))~~ (19) "Mental health professional" means a psychiatrist, psychologist, psychiatric nurse, or social worker, and such other mental health professionals as may be defined by rules adopted by the secretary under the authority of chapter 71.05 RCW.

~~((21))~~ (20) "Professional person" means a mental health professional and also means a physician, registered nurse, and such others as may be defined in rules adopted by the secretary pursuant to the provisions of this chapter.

~~((22))~~ (21) "Psychiatrist" means a person having a license as a physician and surgeon in this state who has in addition completed three years of graduate training in psychiatry in a program approved by the American medical association or the American osteopathic association and is certified or eligible to be certified by the American board of psychiatry and neurology.

~~((23))~~ (22) "Psychologist" means a person who has been licensed as a psychologist under chapter 18.83 RCW.

~~((24))~~ (23) "Registration records" include all the records of the department, behavioral health organizations, treatment facilities, and other persons providing services to the department, county departments, or facilities which identify individuals who are receiving or who at any time have received services for mental illness.

~~((25))~~ (24) "Release" means legal termination of the commitment under chapter 71.05 RCW.

~~((26))~~ (25) "Resident" means a person admitted to an enhanced services facility.

~~((27))~~ (26) "Secretary" means the secretary of the department or the secretary's designee.

~~((28))~~ (27) "Significant change" means:

(a) A deterioration in a resident's physical, mental, or psychosocial condition that has caused or is likely to cause clinical complications or life-threatening conditions; or

(b) An improvement in the resident's physical, mental, or

psychosocial condition that may make the resident eligible for release or for treatment in a less intensive or less secure setting.

~~((29))~~ (28) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

(29) "Substance use disorder professional" means a person certified as a substance use disorder professional by the department of health under chapter 18.205 RCW.

(30) "Treatment" means the broad range of emergency, detoxification, residential, inpatient, and outpatient services and care, including diagnostic evaluation, mental health or chemical dependency education and counseling, medical, psychiatric, psychological, and social service care, vocational rehabilitation, and career counseling, which may be extended to persons with mental disorders, chemical dependency disorders, or both, and their families.

(31) "Treatment records" include registration and all other records concerning individuals who are receiving or who at any time have received services for mental illness, which are maintained by the department, by behavioral health organizations and their staffs, and by treatment facilities. "Treatment records" do not include notes or records maintained for personal use by an individual providing treatment services for the department, behavioral health organizations, or a treatment facility if the notes or records are not available to others.

(32) "Violent act" means behavior that resulted in homicide, attempted suicide, nonfatal injuries, or substantial damage to property.

**Sec. 15.** RCW 70.97.030 and 2005 c 504 s 405 are each amended to read as follows:

A person, eighteen years old or older, may be admitted to an enhanced services facility if he or she meets the criteria in subsections (1) through (3) of this section:

(1) The person requires: (a) Daily care by or under the supervision of a mental health professional, ~~((chemical dependency))~~ substance use disorder professional, or nurse; or (b) assistance with three or more activities of daily living; and

(2) The person has: (a) A mental disorder, chemical dependency disorder, or both; (b) an organic or traumatic brain injury; or (c) a cognitive impairment that results in symptoms or behaviors requiring supervision and facility services; ~~((and was not found))~~ and

~~((20))~~ (19) "Drug addiction" means a disease, characterized by a dependency on psychoactive chemicals, loss of control over the amount and circumstances of use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning;

~~((21))~~ (20) "Evaluation and treatment facility" means any facility which can provide directly, or by direct arrangement with other public or private agencies, emergency evaluation and treatment, outpatient care, and timely and appropriate inpatient care to persons suffering from a mental disorder, and which is licensed or certified as such by the department. The authority may certify single beds as temporary evaluation and treatment beds under RCW 71.05.745. A physically separate and separately operated portion of a state hospital may be designated as an evaluation and treatment facility. A facility which is part of, or operated by, the department of social and health services or any federal agency will not require certification. No correctional institution or facility, or jail, shall be an evaluation and treatment facility within the meaning of this chapter;

~~((22))~~ (21) "Gravely disabled" means a condition in which a person, as a result of a mental disorder, or as a result of the use of alcohol or other psychoactive chemicals: (a) Is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety; or (b) manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety;

~~((23))~~ (22) "Habilitative services" means those services provided by program personnel to assist persons in acquiring and maintaining life skills and in raising their levels of physical, mental, social, and vocational functioning. Habilitative services include education, training for employment, and therapy. The habilitative process shall be undertaken with recognition of the risk to the public safety presented by the person being assisted as manifested by prior charged criminal conduct;

~~((24))~~ (23) "Hearing" means any proceeding conducted in open court. For purposes of this chapter, at any hearing the petitioner, the respondent, the witnesses, and the presiding judicial officer may be present and participate either in person or by video, as determined by the court. The term "video" as used herein shall include any functional equivalent. At any hearing conducted by video, the technology used must permit the judicial officer, counsel, all parties, and the witnesses to be able to see, hear, and speak, when authorized, during the hearing; to allow attorneys to use exhibits or other materials during the hearing; and to allow respondent's counsel to be in the same location as the respondent unless otherwise requested by the respondent or the respondent's counsel. Witnesses in a proceeding may also appear in court through other means, including telephonically, pursuant to the requirements of superior court civil rule 43. Notwithstanding the foregoing, the court, upon its own motion or upon a motion for good cause by any party, may require all parties and witnesses to participate in the hearing in person rather than by video. In ruling on any such motion, the court may allow in-person or video testimony; and the court may consider, among other things, whether the respondent's alleged mental illness affects the respondent's ability to perceive or participate in the

proceeding by video;

((25)) (24) "History of one or more violent acts" refers to the period of time ten years prior to the filing of a petition under this chapter, excluding any time spent, but not any violent acts committed, in a mental health facility, a long-term alcoholism or drug treatment facility, or in confinement as a result of a criminal conviction;

((26)) (25) "Imminent" means the state or condition of being likely to occur at any moment or near at hand, rather than distant or remote;

((27)) (26) "Individualized service plan" means a plan prepared by a developmental disabilities professional with other professionals as a team, for a person with developmental disabilities, which shall state:

(a) The nature of the person's specific problems, prior charged criminal behavior, and habilitation needs;

(b) The conditions and strategies necessary to achieve the purposes of habilitation;

(c) The intermediate and long-range goals of the habilitation program, with a projected timetable for the attainment;

(d) The rationale for using this plan of habilitation to achieve those intermediate and long-range goals;

(e) The staff responsible for carrying out the plan;

(f) Where relevant in light of past criminal behavior and due consideration for public safety, the criteria for proposed movement to less-restrictive settings, criteria for proposed eventual discharge or release, and a projected possible date for discharge or release; and

(g) The type of residence immediately anticipated for the person and possible future types of residences;

((28)) (27) "Information related to mental health services" means all information and records compiled, obtained, or maintained in the course of providing services to either voluntary or involuntary recipients of services by a mental health service provider. This may include documents of legal proceedings under this chapter or chapter 71.34 or 10.77 RCW, or somatic health care information;

((29)) (28) "Intoxicated person" means a person whose mental or physical functioning is substantially impaired as a result of the use of alcohol or other psychoactive chemicals;

((30)) (29) "In need of assisted outpatient behavioral health treatment" means that a person, as a result of a mental disorder or substance use disorder: (a) Has been committed by a court to detention for involuntary behavioral health treatment during the preceding thirty-six months; (b) is unlikely to voluntarily participate in outpatient treatment without an order for less restrictive alternative treatment, based on a history of nonadherence with treatment or in view of the person's current behavior; (c) is likely to benefit from less restrictive alternative treatment; and (d) requires less restrictive alternative treatment to prevent a relapse, decompensation, or deterioration that is likely to result in the person presenting a likelihood of serious harm or the person becoming gravely disabled within a reasonably short period of time;

((31)) (30) "Judicial commitment" means a commitment by a court pursuant to the provisions of this chapter;

((32)) (31) "Legal counsel" means attorneys and staff employed by county prosecutor offices or the state attorney general acting in their capacity as legal representatives of public mental health and substance use disorder service providers under RCW 71.05.130;

((33)) (32) "Less restrictive alternative treatment" means a program of individualized treatment in a less restrictive setting than inpatient treatment that includes the services described in RCW 71.05.585;

((34)) (33) "Licensed physician" means a person licensed to

practice medicine or osteopathic medicine and surgery in the state of Washington;

((35)) (34) "Likelihood of serious harm" means:

(a) A substantial risk that: (i) Physical harm will be inflicted by a person upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself; (ii) physical harm will be inflicted by a person upon another, as evidenced by behavior which has caused such harm or which places another person or persons in reasonable fear of sustaining such harm; or (iii) physical harm will be inflicted by a person upon the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others; or

(b) The person has threatened the physical safety of another and has a history of one or more violent acts;

((36)) (35) "Medical clearance" means a physician or other health care provider has determined that a person is medically stable and ready for referral to the designated crisis responder;

((37)) (36) "Mental disorder" means any organic, mental, or emotional impairment which has substantial adverse effects on a person's cognitive or volitional functions;

((38)) (37) "Mental health professional" means a psychiatrist, psychologist, physician assistant working with a supervising psychiatrist, psychiatric advanced registered nurse practitioner, psychiatric nurse, or social worker, and such other mental health professionals as may be defined by rules adopted by the secretary pursuant to the provisions of this chapter;

((39)) (38) "Mental health service provider" means a public or private agency that provides mental health services to persons with mental disorders or substance use disorders as defined under this section and receives funding from public sources. This includes, but is not limited to, hospitals licensed under chapter 70.41 RCW, evaluation and treatment facilities as defined in this section, community mental health service delivery systems or behavioral health programs as defined in RCW 71.24.025, facilities conducting competency evaluations and restoration under chapter 10.77 RCW, approved substance use disorder treatment programs as defined in this section, secure detoxification facilities as defined in this section, and correctional facilities operated by state and local governments;

((40)) (39) "Peace officer" means a law enforcement official of a public agency or governmental unit, and includes persons specifically given peace officer powers by any state law, local ordinance, or judicial order of appointment;

((41)) (40) "Physician assistant" means a person licensed as a physician assistant under chapter 18.57A or 18.71A RCW;

((42)) (41) "Private agency" means any person, partnership, corporation, or association that is not a public agency, whether or not financed in whole or in part by public funds, which constitutes an evaluation and treatment facility or private institution, or hospital, or approved substance use disorder treatment program, which is conducted for, or includes a department or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders;

((43)) (42) "Professional person" means a mental health professional, (~~chemical dependency~~) substance use disorder professional, or designated crisis responder and shall also mean a physician, physician assistant, psychiatric advanced registered nurse practitioner, registered nurse, and such others as may be defined by rules adopted by the secretary pursuant to the provisions of this chapter;

((44)) (43) "Psychiatric advanced registered nurse practitioner" means a person who is licensed as an advanced registered nurse practitioner pursuant to chapter 18.79 RCW; and who is board certified in advanced practice psychiatric and mental health nursing;

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

~~((45))~~ (44) "Psychiatrist" means a person having a license as a physician and surgeon in this state who has in addition completed three years of graduate training in psychiatry in a program approved by the American medical association or the American osteopathic association and is certified or eligible to be certified by the American board of psychiatry and neurology;

~~((46))~~ (45) "Psychologist" means a person who has been licensed as a psychologist pursuant to chapter 18.83 RCW;

~~((47))~~ (46) "Public agency" means any evaluation and treatment facility or institution, secure detoxification facility, approved substance use disorder treatment program, or hospital which is conducted for, or includes a department or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders, if the agency is operated directly by federal, state, county, or municipal government, or a combination of such governments;

~~((48))~~ (47) "Release" means legal termination of the commitment under the provisions of this chapter;

~~((49))~~ (48) "Resource management services" has the meaning given in chapter 71.24 RCW;

~~((50))~~ (49) "Secretary" means the secretary of the department of health, or his or her designee;

~~((51))~~ (50) "Secure detoxification facility" means a facility operated by either a public or private agency or by the program of an agency that:

(a) Provides for intoxicated persons:

(i) Evaluation and assessment, provided by certified ~~((chemical dependency))~~ substance use disorder professionals or co-occurring disorder specialists;

(ii) Acute or subacute detoxification services; and

(iii) Discharge assistance provided by certified ~~((chemical dependency))~~ substance use disorder professionals or co-occurring disorder specialists, including facilitating transitions to appropriate voluntary or involuntary inpatient services or to less restrictive alternatives as appropriate for the individual;

(b) Includes security measures sufficient to protect the patients, staff, and community; and

(c) Is licensed or certified as such by the department of health;

~~((52))~~ (51) "Serious violent offense" has the same meaning as provided in RCW 9.94A.030;

~~((53))~~ (52) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010;

~~((54))~~ (53) "Substance use disorder" means a cluster of cognitive, behavioral, and physiological symptoms indicating that an individual continues using the substance despite significant substance-related problems. The diagnosis of a substance use disorder is based on a pathological pattern of behaviors related to the use of the substances;

(54) "Substance use disorder professional" means a person certified as a substance use disorder professional by the department of health under chapter 18.205 RCW;

(55) "Therapeutic court personnel" means the staff of a mental health court or other therapeutic court which has jurisdiction over defendants who are dually diagnosed with mental disorders, including court personnel, probation officers, a court monitor, prosecuting attorney, or defense counsel acting within the scope of therapeutic court duties;

(56) "Treatment records" include registration and all other records concerning persons who are receiving or who at any time have received services for mental illness, which are maintained by the department of social and health services, the department, the authority, behavioral health organizations and their staffs, and

by treatment facilities. Treatment records include mental health information contained in a medical bill including but not limited to mental health drugs, a mental health diagnosis, provider name, and dates of service stemming from a medical service. Treatment records do not include notes or records maintained for personal use by a person providing treatment services for the department of social and health services, the department, the authority, behavioral health organizations, or a treatment facility if the notes or records are not available to others;

(57) "Triage facility" means a short-term facility or a portion of a facility licensed or certified by the department under RCW 71.24.035, which is designed as a facility to assess and stabilize an individual or determine the need for involuntary commitment of an individual, and must meet department residential treatment facility standards. A triage facility may be structured as a voluntary or involuntary placement facility;

(58) "Violent act" means behavior that resulted in homicide, attempted suicide, nonfatal injuries, or substantial damage to property;

(59) "Co-occurring disorder specialist" means an individual possessing an enhancement granted by the department of health under chapter 18.205 RCW that certifies the individual to provide substance use disorder counseling subject to the practice limitations under section 25 of this act.

**Sec. 17.** RCW 71.34.020 and 2018 c 201 s 5002 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Alcoholism" means a disease, characterized by a dependency on alcoholic beverages, loss of control over the amount and circumstances of use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning.

(2) "Approved substance use disorder treatment program" means a program for minors with substance use disorders provided by a treatment program licensed or certified by the department of health as meeting standards adopted under chapter 71.24 RCW.

(3) "Authority" means the Washington state health care authority.

(4) "Chemical dependency" means:

(a) Alcoholism;

(b) Drug addiction; or

(c) Dependence on alcohol and one or more other psychoactive chemicals, as the context requires.

~~((5)) ("Chemical dependency professional" means a person certified as a chemical dependency professional by the department of health under chapter 18.205 RCW.~~

~~((6))~~ "Child psychiatrist" means a person having a license as a physician and surgeon in this state, who has had graduate training in child psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and who is board eligible or board certified in child psychiatry.

~~((7))~~ (6) "Children's mental health specialist" means:

(a) A mental health professional who has completed a minimum of one hundred actual hours, not quarter or semester hours, of specialized training devoted to the study of child development and the treatment of children; and

(b) A mental health professional who has the equivalent of one year of full-time experience in the treatment of children under the supervision of a children's mental health specialist.

~~((8))~~ (7) "Commitment" means a determination by a judge or court commissioner, made after a commitment hearing, that the minor is in need of inpatient diagnosis, evaluation, or treatment

or that the minor is in need of less restrictive alternative treatment.

~~((9))~~ (8) "Department" means the department of social and health services.

~~((10))~~ (9) "Designated crisis responder" means a person designated by a behavioral health organization to perform the duties specified in this chapter.

~~((11))~~ (10) "Director" means the director of the authority.

~~((12))~~ (11) "Drug addiction" means a disease, characterized by a dependency on psychoactive chemicals, loss of control over the amount and circumstances of use, symptoms of tolerance, physiological or psychological withdrawal, or both, if use is reduced or discontinued, and impairment of health or disruption of social or economic functioning.

~~((13))~~ (12) "Evaluation and treatment facility" means a public or private facility or unit that is licensed or certified by the department of health to provide emergency, inpatient, residential, or outpatient mental health evaluation and treatment services for minors. A physically separate and separately-operated portion of a state hospital may be designated as an evaluation and treatment facility for minors. A facility which is part of or operated by the state or federal agency does not require licensure or certification. No correctional institution or facility, juvenile court detention facility, or jail may be an evaluation and treatment facility within the meaning of this chapter.

~~((14))~~ (13) "Evaluation and treatment program" means the total system of services and facilities coordinated and approved by a county or combination of counties for the evaluation and treatment of minors under this chapter.

~~((15))~~ (14) "Gravely disabled minor" means a minor who, as a result of a mental disorder, or as a result of the use of alcohol or other psychoactive chemicals, is in danger of serious physical harm resulting from a failure to provide for his or her essential human needs of health or safety, or manifests severe deterioration in routine functioning evidenced by repeated and escalating loss of cognitive or volitional control over his or her actions and is not receiving such care as is essential for his or her health or safety.

~~((16))~~ (15) "Inpatient treatment" means twenty-four-hour-per-day mental health care provided within a general hospital, psychiatric hospital, residential treatment facility licensed or certified by the department of health as an evaluation and treatment facility for minors, secure detoxification facility for minors, or approved substance use disorder treatment program for minors.

~~((17))~~ (16) "Intoxicated minor" means a minor whose mental or physical functioning is substantially impaired as a result of the use of alcohol or other psychoactive chemicals.

~~((18))~~ (17) "Less restrictive alternative" or "less restrictive setting" means outpatient treatment provided to a minor who is not residing in a facility providing inpatient treatment as defined in this chapter.

~~((19))~~ (18) "Likelihood of serious harm" means either:

(a) A substantial risk that physical harm will be inflicted by an individual upon his or her own person, as evidenced by threats or attempts to commit suicide or inflict physical harm on oneself; (b) a substantial risk that physical harm will be inflicted by an individual upon another, as evidenced by behavior which has caused such harm or which places another person or persons in reasonable fear of sustaining such harm; or (c) a substantial risk that physical harm will be inflicted by an individual upon the property of others, as evidenced by behavior which has caused substantial loss or damage to the property of others.

~~((20))~~ (19) "Medical necessity" for inpatient care means a requested service which is reasonably calculated to: (a) Diagnose, correct, cure, or alleviate a mental disorder or substance use disorder; or (b) prevent the progression of a substance use disorder that endangers life or causes suffering and pain, or results

in illness or infirmity or threatens to cause or aggravate a handicap, or causes physical deformity or malfunction, and there is no adequate less restrictive alternative available.

~~((21))~~ (20) "Mental disorder" means any organic, mental, or emotional impairment that has substantial adverse effects on an individual's cognitive or volitional functions. The presence of alcohol abuse, drug abuse, juvenile criminal history, antisocial behavior, or intellectual disabilities alone is insufficient to justify a finding of "mental disorder" within the meaning of this section.

~~((22))~~ (21) "Mental health professional" means a psychiatrist, psychiatric advanced registered nurse practitioner, physician assistant working with a supervising psychiatrist, psychologist, psychiatric nurse, or social worker, and such other mental health professionals as may be defined by rules adopted by the secretary of the department of health under this chapter.

~~((23))~~ (22) "Minor" means any person under the age of eighteen years.

~~((24))~~ (23) "Outpatient treatment" means any of the nonresidential services mandated under chapter 71.24 RCW and provided by licensed or certified service providers as identified by RCW 71.24.025.

~~((25))~~ (24) "Parent" means:

(a) A biological or adoptive parent who has legal custody of the child, including either parent if custody is shared under a joint custody agreement; or

(b) A person or agency judicially appointed as legal guardian or custodian of the child.

~~((26))~~ (25) "Private agency" means any person, partnership, corporation, or association that is not a public agency, whether or not financed in whole or in part by public funds, that constitutes an evaluation and treatment facility or private institution, or hospital, or approved substance use disorder treatment program, that is conducted for, or includes a distinct unit, floor, or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders.

~~((27))~~ (26) "Physician assistant" means a person licensed as a physician assistant under chapter 18.57A or 18.71A RCW.

~~((28))~~ (27) "Professional person in charge" or "professional person" means a physician, other mental health professional, or other person empowered by an evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program with authority to make admission and discharge decisions on behalf of that facility.

~~((29))~~ (28) "Psychiatric nurse" means a registered nurse who has experience in the direct treatment of persons who have a mental illness or who are emotionally disturbed, such experience gained under the supervision of a mental health professional.

~~((30))~~ (29) "Psychiatrist" means a person having a license as a physician in this state who has completed residency training in psychiatry in a program approved by the American Medical Association or the American Osteopathic Association, and is board eligible or board certified in psychiatry.

~~((31))~~ (30) "Psychologist" means a person licensed as a psychologist under chapter 18.83 RCW.

~~((32))~~ (31) "Public agency" means any evaluation and treatment facility or institution, or hospital, or approved substance use disorder treatment program that is conducted for, or includes a distinct unit, floor, or ward conducted for, the care and treatment of persons with mental illness, substance use disorders, or both mental illness and substance use disorders if the agency is operated directly by federal, state, county, or municipal government, or a combination of such governments.

~~((33))~~ (32) "Responsible other" means the minor, the minor's parent or estate, or any other person legally responsible for support of the minor.

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

~~((34))~~ (33) "Secretary" means the secretary of the department or secretary's designee.

~~((35))~~ (34) "Secure detoxification facility" means a facility operated by either a public or private agency or by the program of an agency that:

(a) Provides for intoxicated minors:

(i) Evaluation and assessment, provided by certified ~~((chemical dependency))~~ substance use disorder professionals or co-occurring disorder specialists;

(ii) Acute or subacute detoxification services; and

(iii) Discharge assistance provided by certified ~~((chemical dependency))~~ substance use disorder professionals or co-occurring disorder specialists, including facilitating transitions to appropriate voluntary or involuntary inpatient services or to less restrictive alternatives as appropriate for the minor;

(b) Includes security measures sufficient to protect the patients, staff, and community; and

(c) Is licensed or certified as such by the department of health.

~~((36))~~ (35) "Social worker" means a person with a master's or further advanced degree from a social work educational program accredited and approved as provided in RCW 18.320.010.

~~((37))~~ (36) "Start of initial detention" means the time of arrival of the minor at the first evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program offering inpatient treatment if the minor is being involuntarily detained at the time. With regard to voluntary patients, "start of initial detention" means the time at which the minor gives notice of intent to leave under the provisions of this chapter.

~~((38))~~ (37) "Substance use disorder" means a cluster of cognitive, behavioral, and physiological symptoms indicating that an individual continues using the substance despite significant substance-related problems. The diagnosis of a substance use disorder is based on a pathological pattern of behaviors related to the use of the substances.

(38) "Co-occurring disorder specialist" means an individual possessing an enhancement granted by the department of health under chapter 18.205 RCW that certifies the individual to provide substance use disorder counseling subject to the practice limitations under section 25 of this act.

(39) "Substance use disorder professional" means a person certified as a substance use disorder professional by the department of health under chapter 18.205 RCW.

**Sec. 18.** RCW 71.34.720 and 2018 c 201 s 5017 are each amended to read as follows:

(1) Each minor approved by the facility for inpatient admission shall be examined and evaluated by a children's mental health specialist, for minors admitted as a result of a mental disorder, or by a ~~((chemical dependency))~~ substance use disorder professional or co-occurring disorder specialist, for minors admitted as a result of a substance use disorder, as to the child's mental condition and by a physician, physician assistant, or psychiatric advanced registered nurse practitioner as to the child's physical condition within twenty-four hours of admission. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) If, after examination and evaluation, the children's mental health specialist or substance use disorder specialist and the physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the minor, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment program or, if detained to a secure detoxification facility or approved substance use disorder treatment program, would be

better served in an evaluation and treatment facility, then the minor shall be referred to the more appropriate placement; however a minor may only be referred to a secure detoxification facility or approved substance use disorder treatment program if there is a secure detoxification facility or approved substance use disorder treatment program available and that has adequate space for the minor.

(3) The admitting facility shall take reasonable steps to notify immediately the minor's parent of the admission.

(4) During the initial seventy-two hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor's condition or treatment and so indicates in the minor's clinical record, and notifies the minor's parents of this determination. In no event may the minor be denied the opportunity to consult an attorney.

(5) If the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed seventy-two hours from the time of provisional acceptance. The computation of such seventy-two hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed seventy-two hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

(6) Within twelve hours of the admission, the facility shall advise the minor of his or her rights as set forth in this chapter.

**Sec. 19.** RCW 71.34.720 and 2018 c 201 s 5018 are each amended to read as follows:

(1) Each minor approved by the facility for inpatient admission shall be examined and evaluated by a children's mental health specialist, for minors admitted as a result of a mental disorder, or by a ~~((chemical dependency))~~ substance use disorder professional or co-occurring disorder specialist, for minors admitted as a result of a substance use disorder, as to the child's mental condition and by a physician, physician assistant, or psychiatric advanced registered nurse practitioner as to the child's physical condition within twenty-four hours of admission. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) If, after examination and evaluation, the children's mental health specialist or substance use disorder specialist and the physician, physician assistant, or psychiatric advanced registered nurse practitioner determine that the initial needs of the minor, if detained to an evaluation and treatment facility, would be better served by placement in a substance use disorder treatment program or, if detained to a secure detoxification facility or approved substance use disorder treatment program, would be better served in an evaluation and treatment facility, then the minor shall be referred to the more appropriate placement.

(3) The admitting facility shall take reasonable steps to notify immediately the minor's parent of the admission.

(4) During the initial seventy-two hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to the minor's condition or treatment and so indicates in the minor's clinical record, and notifies the minor's parents of this determination. In no event may the minor be denied the opportunity to consult an attorney.

(5) If the evaluation and treatment facility, secure detoxification facility, or approved substance use disorder treatment program admits the minor, it may detain the minor for

evaluation and treatment for a period not to exceed seventy-two hours from the time of provisional acceptance. The computation of such seventy-two hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed seventy-two hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

(6) Within twelve hours of the admission, the facility shall advise the minor of his or her rights as set forth in this chapter.

**Sec. 20.** RCW 71.34.760 and 2018 c 201 s 5019 are each amended to read as follows:

(1) If a minor is committed for one hundred eighty-day inpatient treatment and is to be placed in a state-supported program, the director shall accept immediately and place the minor in a state-funded long-term evaluation and treatment facility or state-funded approved substance use disorder treatment program.

(2) The director's placement authority shall be exercised through a designated placement committee appointed by the director and composed of children's mental health specialists and ~~((chemical dependency))~~ substance use disorder professionals, including at least one child psychiatrist who represents the state-funded, long-term, evaluation and treatment facility for minors and one ~~((chemical dependency))~~ substance use disorder professional who represents the state-funded approved substance use disorder treatment program. The responsibility of the placement committee will be to:

(a) Make the long-term placement of the minor in the most appropriate, available state-funded evaluation and treatment facility or approved substance use disorder treatment program, having carefully considered factors including the treatment needs of the minor, the most appropriate facility able to respond to the minor's identified treatment needs, the geographic proximity of the facility to the minor's family, the immediate availability of bed space, and the probable impact of the placement on other residents of the facility;

(b) Approve or deny requests from treatment facilities for transfer of a minor to another facility;

(c) Receive and monitor reports required under this section;

(d) Receive and monitor reports of all discharges.

(3) The director may authorize transfer of minors among treatment facilities if the transfer is in the best interests of the minor or due to treatment priorities.

(4) The responsible state-funded evaluation and treatment facility or approved substance use disorder treatment program shall submit a report to the authority's designated placement committee within ninety days of admission and no less than every one hundred eighty days thereafter, setting forth such facts as the authority requires, including the minor's individual treatment plan and progress, recommendations for future treatment, and possible less restrictive treatment.

**Sec. 21.** RCW 18.130.175 and 2006 c 99 s 7 are each amended to read as follows:

(1) In lieu of disciplinary action under RCW 18.130.160 and if the disciplining authority determines that the unprofessional conduct may be the result of substance abuse, the disciplining authority may refer the license holder to a voluntary substance abuse monitoring program approved by the disciplining authority.

The cost of the treatment shall be the responsibility of the license holder, but the responsibility does not preclude payment by an employer, existing insurance coverage, or other sources. Primary alcoholism or other drug addiction treatment shall be provided by approved treatment programs under RCW 70.96A.020 or by any other provider approved by the entity or the

commission. However, nothing shall prohibit the disciplining authority from approving additional services and programs as an adjunct to primary alcoholism or other drug addiction treatment. The disciplining authority may also approve the use of out-of-state programs. Referral of the license holder to the program shall be done only with the consent of the license holder. Referral to the program may also include probationary conditions for a designated period of time. If the license holder does not consent to be referred to the program or does not successfully complete the program, the disciplining authority may take appropriate action under RCW 18.130.160 which includes suspension of the license unless or until the disciplining authority, in consultation with the director of the voluntary substance abuse monitoring program, determines the license holder is able to practice safely. The secretary shall adopt uniform rules for the evaluation by the ~~((disciplinary disciplining disciplining was not found))~~ disciplining authority of a relapse or program violation on the part of a license holder in the substance abuse monitoring program. The evaluation shall encourage program participation with additional conditions, in lieu of disciplinary action, when the ~~((disciplinary disciplining disciplining was not found))~~ disciplining authority determines that the license holder is able to continue to practice with reasonable skill and safety.

(2) In addition to approving substance abuse monitoring programs that may receive referrals from the disciplining authority, the disciplining authority may establish by rule requirements for participation of license holders who are not being investigated or monitored by the disciplining authority for substance abuse. License holders voluntarily participating in the approved programs without being referred by the disciplining authority shall not be subject to disciplinary action under RCW 18.130.160 for their substance abuse, and shall not have their participation made known to the disciplining authority, if they meet the requirements of this section and the program in which they are participating.

(3) The license holder shall sign a waiver allowing the program to release information to the disciplining authority if the licensee does not comply with the requirements of this section or is unable to practice with reasonable skill or safety. The substance abuse program shall report to the disciplining authority any license holder who fails to comply with the requirements of this section or the program or who, in the opinion of the program, is unable to practice with reasonable skill or safety. License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program's requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) The treatment and pretreatment records of license holders referred to or voluntarily participating in approved programs shall be confidential, shall be exempt from chapter 42.56 RCW, and shall not be subject to discovery by subpoena or admissible as evidence except for monitoring records reported to the disciplining authority for cause as defined in subsection (3) of this section. Monitoring records relating to license holders referred to the program by the disciplining authority or relating to license holders reported to the disciplining authority by the program for cause, shall be released to the disciplining authority at the request of the disciplining authority. Records held by the disciplining authority under this section shall be exempt from chapter 42.56 RCW and shall not be subject to discovery by subpoena except by the license holder.

(5) "Substance abuse," as used in this section, means the impairment, as determined by the disciplining authority, of a license holder's professional services by an addiction to, a dependency on, or the use of alcohol, legend drugs, or controlled

substances.

(6) This section does not affect an employer's right or ability to make employment-related decisions regarding a license holder. This section does not restrict the authority of the disciplining authority to take disciplinary action for any other unprofessional conduct.

(7) A person who, in good faith, reports information or takes action in connection with this section is immune from civil liability for reporting information or taking the action.

(a) The immunity from civil liability provided by this section shall be liberally construed to accomplish the purposes of this section and the persons entitled to immunity shall include:

- (i) An approved monitoring treatment program;
- (ii) The professional association operating the program;
- (iii) Members, employees, or agents of the program or association;

(iv) Persons reporting a license holder as being possibly impaired or providing information about the license holder's impairment; and

(v) Professionals supervising or monitoring the course of the impaired license holder's treatment or rehabilitation.

(b) The courts are strongly encouraged to impose sanctions on clients and their attorneys whose allegations under this subsection are not made in good faith and are without either reasonable objective, substantive grounds, or both.

(c) The immunity provided in this section is in addition to any other immunity provided by law.

(8) In the case of a person who is applying to be a substance use disorder professional or substance use disorder professional trainee certified under chapter 18.205 RCW, if the person is:

(a) Less than one year in recovery from a substance use disorder, the duration of time that the person may be required to participate in the voluntary substance abuse monitoring program may not exceed the amount of time necessary for the person to achieve one year in recovery; or

(b) At least one year in recovery from a substance use disorder, the person may not be required to participate in the substance abuse monitoring program.

**Sec. 22.** RCW 43.43.842 and 2014 c 88 s 1 are each amended to read as follows:

(1)(a) The secretary of social and health services and the secretary of health shall adopt additional requirements for the licensure or relicensure of agencies, facilities, and licensed individuals who provide care and treatment to vulnerable adults, including nursing pools registered under chapter 18.52C RCW. These additional requirements shall ensure that any person associated with a licensed agency or facility having unsupervised access with a vulnerable adult shall not be the respondent in an active protective order under RCW 74.34.130, nor have been: (i) Convicted of a crime against persons as defined in RCW 43.43.830, except as provided in this section; (ii) convicted of crimes relating to financial exploitation as defined in RCW 43.43.830, except as provided in this section; or (iii) found in any disciplinary board final decision to have abused a vulnerable adult under RCW 43.43.830.

(b) A person associated with a licensed agency or facility who has unsupervised access with a vulnerable adult shall make the disclosures specified in RCW 43.43.834(2). The person shall make the disclosures in writing, sign, and swear to the contents under penalty of perjury. The person shall, in the disclosures, specify all crimes against children or other persons, all crimes relating to financial exploitation, and all crimes relating to drugs as defined in RCW 43.43.830, committed by the person.

(2) The rules adopted under this section shall permit the licensee to consider the criminal history of an applicant for

employment in a licensed facility when the applicant has one or more convictions for a past offense and:

(a) The offense was simple assault, assault in the fourth degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(b) The offense was prostitution, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(c) The offense was theft in the third degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(d) The offense was theft in the second degree, or the same offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment;

(e) The offense was forgery, or the same offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment;

(f) The department of social and health services reviewed the employee's otherwise disqualifying criminal history through the department of social and health services' background assessment review team process conducted in 2002, and determined that such employee could remain in a position covered by this section; or

(g) The otherwise disqualifying conviction or disposition has been the subject of a pardon, annulment, or other equivalent procedure.

The offenses set forth in (a) through (g) of this subsection do not automatically disqualify an applicant from employment by a licensee. Nothing in this section may be construed to require the employment of any person against a licensee's judgment.

(3) The rules adopted pursuant to subsection (2) of this section may not allow a licensee to automatically deny an applicant with a conviction for an offense set forth in subsection (2) of this section for a position as a substance use disorder professional or substance use disorder professional trainee certified under chapter 18.205 RCW if:

(a) At least one year has passed between the applicant's most recent conviction for an offense set forth in subsection (2) of this section and the date of application for employment;

(b) The offense was committed as a result of the applicant's substance use or untreated mental health symptoms; and

(c) The applicant is at least one year in recovery from a substance use disorder, whether through abstinence or stability on medication-assisted therapy, or in recovery from a mental health disorder.

(4) In consultation with law enforcement personnel, the secretary of social and health services and the secretary of health shall investigate, or cause to be investigated, the conviction record and the protection proceeding record information under this chapter of the staff of each agency or facility under their respective jurisdictions seeking licensure or relicensure. An individual responding to a criminal background inquiry request from his or her employer or potential employer shall disclose the information about his or her criminal history under penalty of perjury. The secretaries shall use the information solely for the purpose of determining eligibility for licensure or relicensure. Criminal justice agencies shall provide the secretaries such information as they may have and that the secretaries may require for such purpose.

**NEW SECTION. Sec. 23.** A new section is added to chapter 18.205 RCW to read as follows:

The department may not automatically deny an applicant for

certification under this chapter for a position as a substance use disorder professional or substance use disorder professional trainee based on a conviction history consisting of convictions for simple assault, assault in the fourth degree, prostitution, theft in the third degree, theft in the second degree, or forgery, the same offenses as they may be renamed, or substantially equivalent offenses committed in other states or jurisdictions if:

(1) At least one year has passed between the applicant's most recent conviction for an offense set forth in this section and the date of application for employment;

(2) The offense was committed as a result of the person's substance use or untreated mental health symptoms; and

(3) The applicant is at least one year in recovery from a substance use disorder, whether through abstinence or stability on medication-assisted therapy, or in recovery from mental health challenges.

**Sec. 24.** RCW 18.130.055 and 2016 c 81 s 12 are each amended to read as follows:

(1) The disciplining authority may deny an application for licensure or grant a license with conditions if the applicant:

(a) Has had his or her license to practice any health care profession suspended, revoked, or restricted, by competent authority in any state, federal, or foreign jurisdiction;

(b) Has committed any act defined as unprofessional conduct for a license holder under RCW 18.130.180, except as provided in RCW 9.97.020;

(c) Has been convicted or is subject to current prosecution or pending charges of a crime involving moral turpitude or a crime identified in RCW 43.43.830, except as provided in RCW 9.97.020 and section 23 of this act. For purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the prosecution or sentence has been deferred or suspended. At the request of an applicant for an original license whose conviction is under appeal, the disciplining authority may defer decision upon the application during the pendency of such a prosecution or appeal;

(d) Fails to prove that he or she is qualified in accordance with the provisions of this chapter, the chapters identified in RCW 18.130.040(2), or the rules adopted by the disciplining authority; or

(e) Is not able to practice with reasonable skill and safety to consumers by reason of any mental or physical condition.

(i) The disciplining authority may require the applicant, at his or her own expense, to submit to a mental, physical, or psychological examination by one or more licensed health professionals designated by the disciplining authority. The disciplining authority shall provide written notice of its requirement for a mental or physical examination that includes a statement of the specific conduct, event, or circumstances justifying an examination and a statement of the nature, purpose, scope, and content of the intended examination. If the applicant fails to submit to the examination or provide the results of the examination or any required waivers, the disciplining authority may deny the application.

(ii) An applicant governed by this chapter is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining health professional's testimony or examination reports by the disciplining authority on the grounds that the testimony or reports constitute privileged communications.

(2) The provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to a decision to deny a license under this section.

(3) The disciplining authority shall give written notice to the applicant of the decision to deny a license or grant a license with conditions in response to an application for a license. The notice must state the grounds and factual basis for the action and be served upon the applicant.

(4) A license applicant who is aggrieved by the decision to deny the license or grant the license with conditions has the right to an adjudicative proceeding. The application for adjudicative proceeding must be in writing, state the basis for contesting the adverse action, include a copy of the adverse notice, and be served on and received by the department within twenty-eight days of the decision. The license applicant has the burden to establish, by a preponderance of evidence, that the license applicant is qualified in accordance with the provisions of this chapter, the chapters identified in RCW 18.130.040(2), and the rules adopted by the disciplining authority.

**NEW SECTION. Sec. 25.** A new section is added to chapter 18.205 RCW to read as follows:

(1) The department shall develop training standards for the creation of a co-occurring disorder specialist enhancement which may be added to the license or registration held by one of the following:

(a) Psychologists licensed under chapter 18.83 RCW;

(b) Independent clinical social workers licensed under chapter 18.225 RCW;

(c) Marriage and family therapists licensed under chapter 18.225 RCW;

(d) Mental health counselors licensed under chapter 18.225 RCW; and

(e) An agency affiliated counselor under chapter 18.19 RCW with a master's degree or further advanced degree in counseling or one of the social sciences from an accredited college or university who has at least two years of experience, experience gained under the supervision of a mental health professional recognized by the department or attested to by the licensed behavioral health agency, in direct treatment of persons with mental illness or emotional disturbance.

(2) To obtain the co-occurring disorder specialist enhancement, the applicant must meet training standards and experience requirements. The training standards must be designed with consideration of the practices of the health professions listed in subsection (1) of this section and consisting of sixty hours of instruction consisting of (a) thirty hours in understanding the disease pattern of addiction and the pharmacology of alcohol and other drugs; and (b) thirty hours in understanding addiction placement, continuing care, and discharge criteria, including the American society of addiction medicine criteria; treatment planning specific to substance abuse; relapse prevention; and confidentiality issues specific to substance use disorder treatment.

(3) In developing the training standards, the department shall consult with the examining board of psychology established in chapter 18.83 RCW, the Washington state mental health counselors, marriage and family therapists, and social workers advisory committee established in chapter 18.225 RCW, the substance use disorder certification advisory committee established in chapter 18.205 RCW, and educational institutions in Washington state that train psychologists, marriage and family therapists, mental health counselors, independent clinical social workers, and substance use disorder professionals.

(4) The department shall approve educational programs that meet the training standards, and must not limit its approval to university-based courses.

(5) The secretary shall issue a co-occurring disorder specialist enhancement to any applicant who demonstrates to the secretary's satisfaction that the following requirements have been met:

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

- (a) Completion of the training standards;
- (b) Successful completion of an approved examination based on core competencies of substance use disorder counseling;
- (c) Successful completion of an experience requirement of:
  - (i) Eighty hours of supervised experience for an applicant listed under subsection (1) of this section with fewer than five years of experience; or
  - (ii) Forty hours of supervised experience for an applicant listed under subsection (1) of this section with five or more years of experience; and
- (d) Payment of any fees that may be established by the department.
- (6) An applicant for the co-occurring disorder specialist enhancement may receive supervised experience from any person who meets or exceeds the requirements of a certified substance use disorder professional in the state of Washington and who would be eligible to take the examination required for substance use disorder professional certification.
- (7) A person who has obtained a co-occurring disorder specialist enhancement may provide substance use disorder counseling services which are equal in scope with those provided by substance use disorder professionals under this chapter, subject to the following limitations:
  - (a) A co-occurring disorder specialist may only provide substance use disorder counseling services if the co-occurring disorder specialist is employed by:
    - (i) An agency that provides counseling services;
    - (ii) A federally qualified health center; or
    - (iii) A hospital;
  - (b) Following an initial intake or assessment, a co-occurring disorder specialist may provide substance use disorder treatment only to clients diagnosed with a substance use disorder and a mental health disorder;
  - (c) Prior to providing substance use disorder treatment to a client assessed to be in need of 2.1 or higher level of care according to American society of addiction medicine criteria, a co-occurring disorder specialist must make a reasonable effort to refer and connect the client to the appropriate care setting, as indicated by the client's American society of addiction medicine level of care; and
  - (d) A co-occurring disorder specialist must comply with rules promulgated by the department under subsection (11) of this section.
- (8) The secretary shall establish by rule what constitutes adequate proof of meeting the criteria.
- (9) Applicants are subject to the grounds for denial of a certificate or issuance of a conditional certificate under chapter 18.130 RCW.
- (10) The department may adopt a fee to defray the cost of regulatory activities related to the issuance of co-occurring disorder specialist enhancements and any related disciplinary activities.
- (11) The department shall adopt rules regarding the role of co-occurring disorder specialists across the American society of addiction medicine continuum of care.
- (12) Any increase in fees necessary to cover the cost of regulating co-occurring disorder professionals who receive an enhancement under this section must be borne by persons licensed as psychologists under chapter 18.83 RCW, independent clinical social workers under chapter 18.225 RCW, marriage and family therapists under chapter 18.225 RCW, or mental health counselors under chapter 18.225 RCW. The cost of regulating co-occurring disorder specialists who receive an enhancement under this section may not be borne by substance use disorder professionals or substance use disorder professional trainees

certified under this chapter and may not be included in the calculation of fees for substance use disorder professionals or substance use disorder professional trainees certified under this chapter.

**NEW SECTION. Sec. 26.** A new section is added to chapter 18.205 RCW to read as follows:

(1) Beginning July 1, 2020, subject to the availability of amounts appropriated for this specific purpose, the department shall contract with an educational program to offer the training developed under section 25 of this act. The contracted educational program shall offer the training at a reduced cost to health care providers identified in section 25 of this act. The training must be (a) available online on an ongoing basis and (b) offered in person at least four times per calendar year.

(2) Beginning July 1, 2020, subject to the availability of amounts appropriated for this specific purpose, the department shall contract with an entity to provide a telephonic consultation service to assist health care providers who have been issued a substance use disorder professional certification pursuant to RCW 18.205.090 or a co-occurring disorder specialist enhancement under section 25 of this act with the diagnosis and treatment of patients with co-occurring behavioral health disorders.

(3) The department shall identify supervisors who are trained and available to supervise persons seeking to meet the supervised experience requirements established under section 25 of this act.

(4) This section expires July 1, 2025.

**NEW SECTION. Sec. 27.** A new section is added to chapter 18.83 RCW to read as follows:

The department shall reduce the total number of supervised experience hours required under RCW 18.83.070 by three months for any applicant for a license under this chapter who has practiced as a certified chemical dependency professional for three years in the previous ten years.

**NEW SECTION. Sec. 28.** A new section is added to chapter 18.225 RCW to read as follows:

The department shall reduce the total number of supervised experience hours required under RCW 18.225.090 by ten percent for any applicant for a license under this chapter who has practiced as a certified chemical dependency professional for three years in the previous ten years.

**NEW SECTION. Sec. 29.** The department of health must amend its rules, including WAC 246-341-0515, to allow persons with a co-occurring disorder specialist enhancement under chapter 18.205 RCW to provide substance use disorder counseling services that are equal in scope with the scope and practice of a substance use disorder professional under chapter 18.205 RCW, subject to the practice limitations under section 25 of this act.

**NEW SECTION. Sec. 30.** A new section is added to chapter 18.205 RCW to read as follows:

(1) The department, in collaboration with the behavioral health institute at the University of Washington, the research and data analysis division at the department of social and health services, and the division of behavioral health and recovery at the health care authority, must conduct a review and analysis regarding the effects of the co-occurring disorder specialist enhancement created by this act on increasing the number of providers qualified to provide substance use disorder services and improving outcomes for persons with a substance use disorder.

(2) The review and analysis shall assess:

(a) The effects of the availability of the co-occurring disorder

specialist enhancement on:

(i) Increasing the number of providers qualified to provide substance use disorder services; and

(ii) Improving outcomes for persons with a substance use disorder;

(b) The number of co-occurring disorder specialist enhancements that have been issued;

(c) The settings in which co-occurring disorder specialists are working;

(d) The geographic distribution of co-occurring disorder specialists;

(e) Any change in the number of certified substance use disorder professionals and substance use disorder professional trainees;

(f) Any change in the number of people receiving treatment at the appropriate level of care, including:

(i) The number of American society of addiction medicine assessments made by co-occurring disorder specialists;

(ii) The assessed level of care for clients according to American society of addiction medicine criteria;

(iii) Co-occurring mental health diagnoses for clients receiving services from a co-occurring disorder specialist;

(iv) The number of referrals made by co-occurring disorder specialists, by American society of addiction medicine level; and

(v) The number of successful placements made by co-occurring disorder specialists; and

(g) Any other factors relevant to assessing the effects of the availability of the co-occurring disorder specialist enhancement on the behavioral health workforce and the provision of appropriate services to clients.

(3) The agencies listed in subsection (1) of this section must develop the tools necessary to conduct the review and analysis required by this section.

(4) By December 1, 2022, the department shall submit a preliminary report of the findings of its review and analysis and any recommendations for improving the qualifications for an enhancement or the practice of those who have been issued an enhancement, and a final report by December 1, 2024.

**NEW SECTION. Sec. 31.** The department of health shall conduct a sunrise review under chapter 18.120 RCW to evaluate the need for creation of a bachelor's level behavioral health professional credential that includes competencies related to the treatment of both substance use and mental health disorders appropriate to the bachelor's level of education, allows for reimbursement of services in all appropriate settings where persons with behavioral health disorders are treated, and is designed to facilitate work in conjunction with master's level clinicians in a fashion that enables all professionals to work at the top of their scope of license.

**NEW SECTION. Sec. 32.** (1) Section 13 of this act takes effect August 1, 2020.

(2) Section 19 of this act takes effect July 1, 2026.

**NEW SECTION. Sec. 33.** (1) Section 12 of this act expires August 1, 2020.

(2) Section 18 of this act expires July 1, 2026."

#### MOTION

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

On motion of Senator Liias, the Senate advanced to the sixth order of business.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 1102, by House Committee on Capital Budget (originally sponsored by Tharinger)

Concerning the capital budget.

The measure was read the second time.

MOTION

Senator Frockt moved that the following committee striking amendment by the Committee on Ways & Means be not adopted:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) A capital budget is hereby adopted and, subject to the provisions set forth in this act, the several dollar amounts hereinafter specified, or so much thereof as shall be sufficient to accomplish the purposes designated, are hereby appropriated and authorized to be incurred for capital projects during the period beginning with the effective date of this section and ending June 30, 2021, out of the several funds specified in this act.

(2) The definitions in this subsection apply throughout this act unless the context clearly requires otherwise.

(a) "Fiscal year 2020" or "FY 2020" means the period beginning July 1, 2019, and ending June 30, 2020.

(b) "Fiscal year 2021" or "FY 2021" means the period beginning July 1, 2020, and ending June 30, 2021.

(c) "Lapse" or "revert" means the amount shall return to an unappropriated status.

(d) "Provided solely" means the specified amount may be spent only for the specified purpose.

(3) Unless otherwise specifically authorized in this act, any portion of an amount provided solely for a specified purpose that is not expended subject to the specified conditions and limitations to fulfill the specified purpose shall lapse.

(4) The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts. "Prior biennia" typically refers to the immediate prior biennium for reappropriations, but may refer to multiple biennia in the case of specific projects. A "future biennia" amount is an estimate of what may be appropriated for the project or program in the 2021-2023 biennium and the following three biennia; an amount of zero does not necessarily constitute legislative intent to not provide funding for the project or program in the future.

(5) "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 2019, from the 2017-2019 biennial appropriations for each project.

**NEW SECTION. Sec. 1028. FOR THE DEPARTMENT OF COMMERCE**

2019-21 Housing Trust Fund Program (40000036)

The appropriations in this section are subject to the following conditions and limitations:

(1) \$154,000,000 of the state taxable building construction account—state appropriation and \$21,000,000 of the state building construction account—state appropriation are provided solely for production and preservation of affordable housing. Of the amounts in this subsection:

(a) \$17,000,000 of the appropriation in this section is provided solely for competitive grant awards for high quality affordable housing projects that will quickly move people from homelessness into secure housing and are significantly less expensive to construct than traditional housing. These funds must be awarded to projects with a total project development cost per housing unit of less than \$125,000, excluding the value of land, off-site infrastructure costs, and any capitalized reserves, and with a commitment by the applicant to maintain the housing units for at least a twenty-five year period.

(b) \$35,000,000 of the appropriation is provided solely for housing projects that provide supportive housing and case-management services to persons with behavioral or chronic mental illness. When evaluating applications for this population, the department must prioritize low-income supportive housing unit proposals that show:

(i) Evidence that the application was developed in collaboration with one or more behavioral health regions;

(ii) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in the applicant's region;

(iii) A commitment by the applicant to provide, directly or through a formal partnership, necessary treatment and supportive services to the tenants and maintain the beds or housing units for at least a forty-year period;

(iv) Readiness to begin structural modifications or construction resulting in a fast project completion; and

(v) Program requirements that adhere to the key elements of permanent supportive housing programs including choice in housing and living arrangements, functional separation of housing and services, community integration, rights of tenancy, and voluntary recovery-focused services.

(c) \$10,000,000 of the appropriation in this section is provided solely for housing that serves people with developmental disabilities.

(d) \$10,000,000 of the appropriation in this section is provided solely for housing that serves people who are employed as farmworkers.

(e) \$12,500,000 of the appropriation in this section is provided solely for a state match or state matches on private contributions that fund the production and preservation of affordable housing. Awards must be made using a competitive process.

(f) The state building construction account—state appropriation in this section is provided solely for the following list of housing projects:

Bellwether Housing (Seattle)	\$1,000,000
Crosswalk Teen Shelter and Transitional Housing Project (Spokane)	\$1,000,000
Ethiopian Community Affordable Housing (Seattle)	\$3,000,000
FUSION Emergency Housing for Homeless Families (Federal Way)	\$1,500,000
Highland Village (Airway Heights)	\$3,500,000

Seattle Indian Health Board - Low Income Housing (Seattle)	\$1,000,000
Tenny Creek Assisted Living (Vancouver)	\$1,000,000
Veterans Supportive Housing (Yakima)	\$2,500,000

(2) In evaluating projects in this section, the department must give preference for applications based on some or all of the criteria in RCW 43.185.070(5).

(3) The department must strive to allocate all of the amounts appropriated in this section within the 2019-2021 fiscal biennium in the manner prescribed in subsection (1) of this section. However, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may allocate funds to projects serving other low-income and special needs populations, provided those projects are located in an area with an identified need for the type of housing proposed.

(4)(a) The department, in cooperation with the housing finance commission, must develop and implement a process for the collection of certified final development cost data from each grant or loan recipient under this section. The department must use this data as part of its cost containment policy.

(b) Beginning December 1, 2019, and continuing annually, the department must provide the legislature with a report of its final cost data for each project under this section. Such cost data must, at a minimum, include total development cost per unit for each project completed within the past year, descriptive statistics such as average and median per unit costs, regional cost variation, and other costs that the department deems necessary to improve cost

**NEW SECTION. Sec. 1034. FOR THE DEPARTMENT OF COMMERCE**

Clean Energy Transition 4 (40000042)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are provided solely for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state. Priority must be given to projects that benefit vulnerable populations, including communities with high environmental or energy burden.

(2) In soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:

(a) Ensure that competitive processes, rather than sole source contracting processes, are used to select all projects, except as otherwise noted in this section; and

(b) Conduct due diligence activities associated with the use of public funds including, but not limited to, oversight of the project selection process, project monitoring, and ensuring that all applications and contracts fully comply with all applicable laws including disclosure and conflict of interest statutes.

(3)(a) Pursuant to chapter 42.52 RCW, the ethics in public service act, the department must require a project applicant to identify in application materials any state of Washington employees or former state employees employed by the firm or on the firm's governing board during the past twenty-four months. Application materials must identify the individual by name, the agency previously or currently employing the individual, job title or position held, and separation date. If it is determined by the department that a conflict of interest exists, the applicant may be disqualified from further consideration for award of funding.

(b) If the department finds, after due notice and examination, that there is a violation of chapter 42.52 RCW, or any similar statute involving a grantee who received funding under this section, either in procuring or performing under the grant, the department in its sole discretion may terminate the funding grant by written notice. If the grant is terminated, the department is entitled to pursue all available remedies under law to address the violation.

(4) The requirements in subsections (2) and (3) of this section must be specified in funding agreements issued by the department.

(5) \$5,143,000 of the state building construction account—state appropriation is provided solely for grid modernization grants for projects that: Advance clean and renewable energy technologies and transmission and distribution control systems; support integration of renewable energy sources, deployment of distributed energy resources, and sustainable microgrids; and increase utility customer options for energy sources, energy efficiency, energy equipment, and utility services.

(a) Projects must be implemented by public and private electrical utilities that serve retail customers in the state. Eligible utilities may partner with other public and private sector research organizations and businesses in applying for funding.

(b) The department shall develop a grant application process to competitively select projects for grant awards, to include scoring conducted by a group of qualified experts with application of criteria specified by the department. In development of the application criteria, the department shall, to the extent possible, allow smaller utilities or consortia of small utilities to apply for funding.

(c) Applications for grants must disclose all sources of public funds invested in a project.

(6)(a) \$4,000,000 of the state building construction account—state appropriation is provided solely for competitive grants for strategic research and development for new and emerging clean energy technologies. These grants will be used to match federal

or other nonstate funds to research, develop, and demonstrate clean energy technologies.

(b) The department shall consult and coordinate with the University of Washington, Washington State University, the Pacific Northwest national laboratory and other clean energy organizations to design the grant program. Clean energy organizations who compete for grants from the program may not participate in the design of the grant program. Criteria for the grant program must include life cycle cost analysis for projects that are part of the competitive process.

(c) The program may include, but is not limited to: Solar technologies, advanced bioenergy and biofuels, development of new earth abundant materials or lightweight materials, advanced energy storage, battery components recycling, and new renewable energy and energy efficiency technologies.

(7)(a) \$2,857,000 of the state building construction account—state appropriation is provided solely as grants to nonprofit lenders to create a revolving loan fund to support the widespread use of proven energy efficiency and renewable energy technologies now inhibited by lack of access to capital.

(b) The department shall provide grant funds to one or more competitively selected nonprofit lenders that will provide matching private capital and will administer the loan fund. The department must select the loan fund administrator or administrators through a competitive process, with scoring conducted by a group of qualified experts, applying criteria specified by the department.

(c) The department must establish guidelines that specify applicant eligibility, the screening process, and evaluation and selection criteria. The guidelines must be used by the nonprofit lenders.

(8) \$5,000,000 of the state building construction account—state appropriation is provided solely for the Washington maritime innovation center. The center must be used to support technology acceleration and incubation, and act as a focal point for maritime sustainability, including, but not limited to, supporting technology development for maritime decarbonization and electrification.

(9) \$8,000,000 of the state building construction account—state appropriation is provided solely for scientific instruments to help accelerate research in energy storage for the electric grid at a new facility at the Pacific Northwest national laboratory. The state funds are contingent on securing federal funds for the new facility, and are provided as a match to the federal funding. The instruments purchased with this appropriation will support collaborations with the University of Washington and Washington State University.

Richland School District	\$800,000
Lake Quinalt School District	\$360,000

(3) The department of commerce must assist the department of children, youth, and families in developing a methodology to identify, at the school district level, the geographic locations of where early childhood education and assistance program slots are

needed to meet the entitlement specified in RCW 43.216.556. This methodology must be linked to the caseload forecast produced by the caseload forecast council and must include estimates of the number of slots needed at each school district and the corresponding facility needs required to meet the entitlement in accordance with RCW 43.216.556. This methodology must be included as part of the budget submittal documentation required by RCW 43.88.030.

(4) When prioritizing areas with the highest unmet need for early childhood education and assistance program slots, the department of commerce must first consider those areas at risk of not meeting the entitlement in accordance with RCW 43.216.556.

(5) The department of commerce must track the number of slots being renovated separately from the number of slots being constructed and, within these categories, must track the number of slots separately by program for the working connections child care program and the early childhood education and assistance program.

Energy Efficiency and Solar Grants Program (40000049)

The appropriation in this section is subject to the following conditions and limitations:

(1)(a) \$1,666,000 for fiscal year 2020 and \$5,000,000 for fiscal year 2021 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts and state agencies for operational cost savings improvements to facilities and related projects that result in energy and operational cost savings.

(b) At least twenty percent of each competitive grant round must be awarded in small cities or towns with a population of five thousand or fewer residents.

(c) In each competitive round, the higher the leverage ratio of nonstate funding sources to state grant and the higher the energy savings, the higher the project ranking.

(d) For school district applicants, priority consideration must be given to school districts that demonstrate improved health and safety through reduced exposure to polychlorinated biphenyl. Priority consideration must be given to applicants that have not

received grant awards for this purpose in prior biennia.

(2) \$3,333,000 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for projects that involve the purchase and installation of solar energy systems, including solar modules and inverters, with a preference for products manufactured in Washington.

(3) \$5,000,000 is provided solely for efficiency and environmental performance improvements to minor works and stand-alone projects at state-owned facilities that repair or replace existing building systems including, but not limited to, HVAC, lighting, insulation, windows, and other mechanical systems. Eligibility for this funding is dependent on an analysis using the office of financial management's life-cycle cost tool that compares project design alternatives for initial and long-term cost-effectiveness. Assuming a reasonable return on investment, the department shall provide grants in the amount required to improve the project's energy efficiency compared to the original project request. Prior to awarding funds, the department shall submit to the office of financial management a list of all proposed awards for review and approval.

(4) The department shall develop metrics that indicate the performance of energy efficiency efforts and provide a report of the metrics, including at a minimum the current energy used by the building, the energy use after efficiencies are completed and cost of energy saved.

**NEW SECTION. Sec. 1040. FOR THE DEPARTMENT OF COMMERCE**

2019-21 Behavioral Health Capacity Grants (40000114)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations in this section are provided solely for the department of commerce, in collaboration with the department of social and health services and the health care authority, to issue grants to community hospitals or other community providers to expand and establish new capacity for behavioral health services in communities. Amounts provided in this section may be used for construction and equipment costs associated with the establishment of the facilities. Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services. The department shall establish criteria for the issuance of the grants, which must include:

(a) Evidence that the application was developed in collaboration with one or more behavioral health regions;

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) A commitment by applicants to serve persons who are publicly funded and persons detained under the involuntary

treatment act under chapter 71.05 RCW;

(d) A commitment by the applicant to maintain the beds or facility for at least a ten-year period;

(e) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;

(f) A detailed estimate of the costs associated with opening the beds; and

(g) If applicable, the applicant's commitment to work with local courts and prosecutors to ensure that prosecutors and courts in the area served by the hospital or facility will be available to conduct involuntary commitment hearings and proceedings under chapter 71.05 RCW.

(2) In awarding funding for projects in subsection (3) of this section, the department, in consultation with the department of social and health services, the health care authority, and behavioral health regions, must strive for geographic distribution and allocate funding based on population and service needs of an area. The department must consider current services available, anticipated services available based on projects underway, and the service delivery needs of an area.

(3) \$101,500,000 is provided solely for a competitive process for each category listed and is subject to the criteria in subsections (1) and (2) of this section:

(a) \$5,000,000 is provided solely for at least two enhanced service facilities for long-term placement of geriatric or traumatic brain injury patients and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(b) \$10,000,000 is provided solely for at least four intensive behavioral health treatment facilities for long-term placement of behavioral health patients with complex needs and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(c) \$2,000,000 is provided solely for at least one facility with secure detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(d) \$2,000,000 is provided solely for one or more facilities to add at least sixteen crisis triage and/or stabilization beds in the Spokane region that will address both urban and rural needs and are not subject to federal funding restrictions that apply to institutions of mental diseases, consistent with the settlement agreement in *A.B., by and through Trueblood, et al., v. DSHS, et al.*;

(e) \$7,500,000 is provided solely for at least five mental health drop-in centers that are not subject to federal funding restrictions that apply to institutions of mental diseases. No more than one mental health drop-in center should be funded in each of the nine regions;

(f) \$15,000,000 is provided solely for at least two enhanced adult residential care facilities for long-term placement of dementia patients that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(g) \$21,300,000 is provided solely for the department to provide grants to community hospitals, freestanding evaluation and treatment providers, or freestanding psychiatric hospitals to develop capacity for beds to serve individuals on ninety-day or one hundred eighty-day civil commitments as an alternative to treatment in the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, and the department of health and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the department of social and health services;

(iv) The provider has demonstrated to the department of health and the health care authority that it is able to meet the applicable licensing and certification requirements for the facility that will be used to provide services; and

(v) The health care authority has confirmed that it intends to contract with the facility for operating costs within funds provided in the omnibus operating appropriations act for these purposes.

(h) \$39,562,000 is provided solely for the following list of projects and is subject to the criteria in subsection (1) of this section:

Detox/Inpatient SUD Building (Centralia)	\$750,000
Evergreen RC Addiction Treatment Facility for Mothers (Everett)	\$2,000,000
HealthPoint Behavioral Health Expansion (Auburn)	\$1,030,000
Issaquah Opportunity Center (Issaquah)	\$3,000,000
Maple Street Clinic Behavioral Health Expansion (Spokane)	\$411,000
Multicare - Auburn Campus	\$15,000,000
Peninsula Community Health Services Behavioral Health Expansion (Bremerton)	\$1,700,000
Providence Everett	\$4,200,000
Regional Stabilization Campus (Sedro-Woolley)	\$6,600,000
Sea Mar Community Health Centers Seattle BH (Seattle)	\$371,000
Tri-County Sub-Acute Detox and Crisis Center (Oak Harbor)	\$2,300,000
Virginia Mason - Yakima Valley Memorial Hospital	\$2,200,000

(i) \$10,000,000 of the community behavioral health account—state appropriation is provided solely for competitive community behavioral health grants to address regional needs.

(4) \$5,000,000 is provided solely for a behavioral health permanent supportive housing pilot. The department must work with the department of health and the health care authority to develop criteria for applicants. These must include:

(a) Evidence that the application was developed in collaboration with one or more behavioral health regions;

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) A commitment by applicants to serve persons who are publicly funded;

(d) A commitment by the applicant to maintain the beds or facility for at least a twenty-year period;

(e) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;

(f) A detailed estimate of the costs associated with opening the beds; and

(g) Program requirements that adhere to the key elements of permanent supportive housing programs including choice in housing and living arrangements, functional separation of housing and services, community integration, rights of tenancy, and voluntary recovery-focused services.

(5) The department of commerce shall notify all applicants that they may be required to have a construction review performed by the department of health.

(6) To accommodate the emergent need for behavioral health services, the department of health and the department of commerce, in collaboration with the health care authority and the

department of social and health services, shall establish a concurrent and expedited process to assist grant applicants in meeting any applicable regulatory requirements necessary to operate enhanced services facilities, intensive behavioral health treatment facilities, secure detoxification facilities, crisis stabilization units, mental health drop-in centers, community hospitals or freestanding psychiatric hospitals, enhanced adult residential care facilities, and evaluation and treatment facilities.

(7) If Substitute Senate Bill No. 5537 (behavioral health facilities) is not enacted by June 30, 2019, and ratified by the people by December 5, 2019, then the community behavioral health account appropriation provided in this section shall lapse.

**NEW SECTION. Sec. 1041. FOR THE DEPARTMENT OF COMMERCE**

2020 Local and Community Projects (40000116)

The appropriation in this section is subject to the following conditions and limitations:

(1) The department shall not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) \$615,000 of the appropriation in this section is provided solely for replacement and repair of dock facilities available for public use at Van Riper marina, without requiring matching resources, and provided that a grant and lease term of thirty years is offered to the recipient from the state.

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for design and construction documents, and finalization of the predesign, for the replacement of the Newhouse building with option C outlined in the phase I predesign options submitted by the department. This funding will establish the final budget on the

project.

(2) The complete and final predesign, started in the 2017-2019 biennium, must be submitted to the legislative fiscal committees by August 31, 2019.

(3) The design must assume:

(a) Replacement of the Newhouse building located on the west block of opportunity site six;

(b) A building with at least 26,000 gross square feet with a facade similar to the American neoclassical style of the existing legislative buildings;

(c) Member offices of at least similar size as member offices in the Cherberg and existing Newhouse buildings; and

(d) Space for at least ninety senate staff.

(4) The design must evaluate as an option the addition of the legislative support services staff in areas of the building separate from the areas for member offices and senate staff.

(5) The design must evaluate options for temporary office space to be used during the construction of the building.

(6) The core management team must report on predesign and design at least monthly to the vice chair and assistant ranking member for capital budget of the senate ways and means committee.

(7) The schematic design must also be submitted to the legislative fiscal committees by June 30, 2020.

Legislative Building Skylights (92000027)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for restoration of the legislative chamber skylights.

(2) The funding is to replace the skylight openings that are located above the house of representatives and senate chambers in the legislative building with safety glass to allow as much natural light as possible into the chambers. The replacement glass must be of a quality that will provide for a reasonable assurance of safety in the event of a catastrophic event such as an earthquake.

(3) The skylight restoration project must include work on at least the following:

(a) The bronze ceiling laylight to include at least:

(i) Reducing the number of light fixtures from forty to twenty;

(ii) Utilizing energy efficient LED fixtures with a high level of light output;

(iii) Restoring the 20 laylight bronze panels;

(iv) Replacing the existing security camera;

(v) Replacing the smoke detector with a smoke sampling system connected to the existing fire alarm system;

(vi) Removing and replacing the insulation panels; and

(vii) Replacing the current speaker cluster at the center of the laylight;

(b) The skylight attic, to include at least:

(i) Painting conduit, pipes, structure, walls, and railing with a highly reflective white paint; and

(ii) Addressing the heat gain from the skylight above;

(c) The roof and skylight system, to include at least modifying

the existing roof system for the new skylights; and

(d) The chambers' acoustics.

(4) The project must use a design-build process and be completed in the 2019-2021 biennium while also ensuring stakeholder work with:

(a) The city of Olympia building department;

(b) The department of archaeology and historic preservation; and

Insurance Commissioner Office Building Predesign (92000029)

The appropriation in this section is subject to the following conditions and limitations: The appropriation in this section is provided solely for a predesign study to determine space needs and cost estimates to construct a building on the capitol campus to house the office of the insurance commissioner and the state auditor's office.

(1) In determining the program space required, the predesign must consider:

(a) The necessary program space required to support the office of the insurance commissioner, to include detail on current space usage by facility compared to proposed space usage;

(b) The necessary program space required to support the state auditor's office, to include detail on current space usage by facility

compared to proposed space usage; and

(c) Parking impacts of new office space construction.

(2) The study must consider, at a minimum:

(a) The potential to fund design and construction of the building from sources other than state general obligation bonds;

(b) The financial cost analysis of current facility leases compared to the cost of a financial contract for the new building, to include operating budget cost impacts by fund source by fiscal year; and

(c) The following opportunity sites for the building, detailed in the 2017 state capitol development site study:

(i) Site 1, the general administration building;

(ii) Site 12, the professional arts building;

(iii) Site 7, the old IBM building; and

(iv) Site 6B, the visitor center;

(3) The building must be a:

(a) High performance building and meet net-zero-ready standards, with an energy use intensity of no greater than thirty-five;

(b) Building construction that must be procured using a performance-based method such as design-build and must include an energy performance guarantee comparing actual performance data with the energy design target; and

(c) Design that includes cross-laminated timber products.

(4) The predesign study must result in:

(a) A preliminary report being submitted to the fiscal committees of the legislature by February 28, 2020; and

(b) A final report being submitted to the fiscal committees of the legislature by June 30, 2020.

2019-21 Drinking Water System Repairs and Consolidation (40000027)

The appropriation in this section is subject to the following conditions and limitations: The appropriation is provided solely for grants to well-managed, publicly-owned group A water utilities for the repair and consolidation of group A and B water systems under the following conditions:

(1) A grant can be provided when a water system has been voluntarily transferred to a publicly owned water utility within the last three years. The grant may be used for repair and consolidation costs.

(2) The grant applicant must provide the department of health with an accounting of rehabilitation costs and the value of the system. The grant must be used primarily to cover project design and construction costs, and only in limited cases to cover the cost of system acquisitions, as determined by the department of health in evaluating grant applications.

(3) Grants must primarily be used to cover project construction costs that customers benefiting from the project cannot afford to repay through loans, as determined by the department of health and the publicly owned utility receiving the grant to complete the project.

(4) Applicants must provide a plan demonstrating that project completion will occur within three years of the grant contract execution.

(5) Each grant must be less than twenty-five percent of the total appropriation.

(6) The primary purpose of this appropriation is to fund water system repair and consolidation construction costs. However, the department may use up to \$75,000 under this section for grants for feasibility review of water system repair and consolidation projects that would meet the objectives of this section and RCW 70.119A.190.

Reduce Air Pollution from Transit/Sch. Buses/State-Owned Vehicles (40000109)

The reappropriation in this section is subject to the following conditions and limitations:

(1) The reappropriation is provided solely for the department of ecology to enter into and administer grants to scrap and replace old, high-polluting diesel school buses, transit buses, and other vehicles, with low-emission and zero-emission vehicles.

(2) All expenditures from this reappropriation must be spent on projects that will reduce air pollution, improve public health for thousands of Washington residents, help prevent violations of federal air quality standards, reduce operating costs, and improve transportation reliability for public fleet operators.

(3) Up to \$12,000,000 of the reappropriation is for scrapping and replacing pre-2001, high polluting school buses across the state with diesel or alternate fueled (propane, compressed natural gas, zero emission, etc.) school buses that meet current federal emissions standards.

(4) \$5,000,000 of the reappropriation is for the department to fund electric vehicle charging station infrastructure at state facilities for state-owned vehicles through an agreement with the department of enterprise services. The agreement must contain a requirement to provide a report to the legislative fiscal committees by December 31, 2019, to include:

(a) The list of state facilities that will be impacted, and for each state facility:

(i) How many state-owned vehicles will benefit from the infrastructure; and

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

- (ii) The date when the work will be completed at each state facility;
  - (b) The total statewide count of charging stations that will be available from these funds;
  - (c) The list of state agencies that will be impacted;
  - (d) The amount of funding used for new installation compared to the amount of funding used to upgrade electrical equipment to accommodate charging station installation;
  - (e) The methodology for how the funding was distributed; and
  - (f) The amount of funding state agencies anticipate to spend in operating budget dollars, as applicable, due to this project.
- (5) Up to \$4,400,000 is for the Northwest seaport alliance for construction of shore power electrification infrastructure of Terminal 5.

(6) \$1,200,000 is for the Northwest seaport alliance for a clean truck fund managed by a certified community development alliance.

(7) The remainder of the appropriation is for scrapping and replacing pre-2007 diesel, high-polluting transit buses across the state with new electric, zero-emission buses.

Healthy Housing Remediation Program (40000149)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for the department to establish and administer a program to provide grants to persons intending to remediate contaminated real property for development of affordable housing, as defined in RCW 43.185A.010. The grants may only be used for:

(a) Integrated planning to fund studies and other activities necessary to facilitate the acquisition, remediation, and adaptive reuse of known or suspected contaminated real property for affordable housing development, including:

(i) The activities specified under RCW 70.105D.070(4)(e)(iv); and

(ii) Entry into development agreements pursuant to RCW 36.70B.170 through 36.70B.190 to accelerate the development of the contaminated real property into affordable housing; and

(b) Remediation of contaminated real property for affordable housing development.

(2) When prioritizing grants under this section, the department must consult with the department of commerce and consider at a minimum:

(a) The ability of the project to expedite the cleanup and reuse of the contaminated real property for affordable housing development;

(b) The extent to which the project leverages other public or private funding for the cleanup and reuse of the contaminated real property for affordable housing development;

(c) The suitability of the real property for affordable housing based on the threat posed by the contamination to human health;

(d) Whether the work to be funded under the grant is ready to proceed and be completed; and

(e) The distribution of grants throughout the state and among public and private entities.

(3) Any remediation of contaminated real property funded under this section must be performed:

(a) Under an agreed order or consent decree issued under chapter 70.105D RCW; and

(b) In accordance with the rules established under chapter 70.105D RCW.

(4) Prior to a grant recipient conveying any interest in the real property or entering into any leases, the real property must be restricted to affordable housing use for a period of no less than thirty years.

(a) The department may require a grant recipient to record an interest in the land in accordance with RCW 64.04.130 or use other means deemed by the department to be no less protective of the affordable housing use and interests of the department.

(b) Any grant recipient who refuses, without sufficient cause, to comply with this subsection shall be subject to enforcement pursuant to any agreement or chapter 70.105D RCW for the repayment, with interest, of funds provided under this section.

 2019-21 Water Irrigation Efficiencies Program (40000009)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for technical assistance and grants to conservation districts for the purpose of implementing water conservation measures and irrigation efficiencies. The state conservation commission shall give preference to projects located in the sixteen fish critical basins, other water-short or drought impacted basins, and basins with significant water resource and instream flow issues. Projects that are not within the basins described in this subsection are also eligible to receive funding.

(2) Conservation districts statewide are eligible for grants listed in subsection (1) of this section. A conservation district receiving funds shall manage each grant to ensure that a portion of the water saved by the water conservation measure or irrigation efficiency will be placed as a purchase or a lease in the trust water rights program to enhance instream flows. The proportion of saved water placed in the trust water rights program must be equal to the percentage of the public investment in the conservation measure or irrigation efficiency. The percentage of the public investment may not exceed eighty-five percent of the total cost of the conservation measure or irrigation efficiency.

(3) Up to \$300,000 of the appropriation in this section may be allocated for the purchase and installation of flow meters that are implemented in cooperation with the Washington state department of fish and wildlife fish screening program authorized under RCW 77.57.070.

State Forest Land Replacement (40000032)

The appropriation in this section is subject to the following conditions and limitations:

(1)(a) The appropriation is provided solely to the department to transfer from state forestland status to natural resources conservation area status certain state forestlands in counties with:

- (i) A population of twenty-five thousand or fewer; and
- (ii) Risks of timber harvest deferrals greater than thirty years due to the presence of wildlife species listed as endangered or threatened under the federal endangered species act.

(b) This appropriation must be used equally for the transfer of qualifying state forestlands in the qualifying counties.

(2) Property transferred under this section must be appraised and transferred at fair market value, without consideration of management or regulatory encumbrances associated with wildlife species listed under the federal endangered species act. The value of the timber and other valuable materials transferred must be distributed as provided in RCW 79.64.110. The value of the land

2019 REGULAR SESSION

transferred must be deposited in the park land trust revolving account and be used solely to buy replacement state forestland, consistent with RCW 79.22.060.

(3) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Transfer agreements for properties identified in subsection (1) of this section must include terms that restrict the use of the property to the intended purpose.

(4) The department and applicable counties shall work in good faith to carry out the intent of this section. The department will identify eligible properties for transfer, consistent with subsections (1) and (2) of this section, in consultation with the applicable counties, and will not execute any property transfers that are not in the statewide interest of either the state forest trust or the natural resources conservation area program.

Appropriation:

State Building Construction Account—State	\$6,000,000
Prior Biennia (Expenditures)	\$0
Future Biennia (Projected Costs)	\$24,000,000
<b>TOTAL</b>	<b>\$30,000,000</b>

**NEW SECTION. Sec. 3278. FOR THE DEPARTMENT OF NATURAL RESOURCES**

Trust Land Transfer Program (40000034)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for the department of natural resources to transfer from trust status certain trust lands of statewide significance deemed appropriate for state parks, fish and wildlife habitats, natural area preserves, natural resources conservation areas, department of natural resources community forest open spaces, or recreation purposes. The approved property for transfer is identified in the LEAP capital document No. 2019-304S, developed March 27, 2019.

(2) Property transferred under this section must be appraised and transferred at fair market value. By September 30, 2019, the department must deposit in the common school construction account the portion of the appropriation in this section that represents the estimated value of the timber on the transferred properties. This transfer must be made in the same manner as timber revenues from other common school trust lands. No deduction may be made for the resource management cost account under RCW 79.64.040. The portion of the appropriation in this section that represents the value of the land transferred must be deposited in the natural resources real property replacement account.

(3) All reasonable costs incurred by the department to implement this section are authorized to be paid out of the appropriations. Authorized costs include the actual cost of appraisals, staff time, environmental reviews, surveys, and other similar costs, and may not exceed one and nine-tenths percent of the appropriation.

(4) By June 30, 2020, land within the common school trust shall be exchanged for land of equal value held for other trust beneficiaries of the property identified in subsection (1) of this section.

(5) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Fee transfer agreements for properties identified in subsection (1) of this section must include terms that perpetually restrict the use of the property to the intended purpose. Transfer agreements may include provisions for receiving agencies to request alternative uses of the property,

provided the alternative uses are compatible with the originally intended public purpose and the department and legislature approves such uses.

(6) The department shall work in good faith to carry out the intent of this section.

(7) By June 30, 2021, the state treasurer shall transfer to the common school construction account any unexpended balance of the appropriation in this section.

**NEW SECTION. Sec. 4005. FOR THE DEPARTMENT OF TRANSPORTATION**

Aviation Revitalization Loans (92000003)

The reappropriation in this section is subject to the following conditions and limitations:

(1)(a) The department of transportation must convene a community aviation revitalization board to exercise the powers granted under this section.

(b) The board must consist of a representative from the department of transportation's aviation division, the public works board, and a nonlegislative member of the community economic revitalization board. The board must also consist of the following members appointed by the secretary of transportation: One port district official, one county official, one city official, one representative of airport managers, and one representative of a general aviation pilots organization within Washington that has an active membership and established location, chapter, or appointed representative within Washington. The appointive members must initially be appointed to terms as follows: Two members for two-year terms, and three members for three-year terms which must include the chair. Thereafter, each succeeding term must be for three years. The chair of the board must be selected by the secretary of transportation. The members of the board must elect one of their members to serve as vice chair.

(c) Management services, including fiscal and contract services, must be provided by the department of transportation to assist the board in implementing this section.

(d) If a vacancy occurs by death, resignation, or otherwise of appointive members of the board, the secretary of transportation must fill the vacancy for the unexpired term. Members of the board may be removed for malfeasance or misfeasance in office, upon specific written charges by the secretary of transportation, under chapter 34.05 RCW.

(e) A member appointed by the secretary of transportation may not be absent from more than fifty percent of the regularly scheduled meetings in any one calendar year. Any member who exceeds this absence limitation is deemed to have withdrawn

from the office and may be replaced by the secretary of transportation.

(f) A majority of members currently appointed constitutes a quorum.

(g) The board must meet three times a year or as deemed necessary by the department of transportation.

(h) Staff support to the board must be provided by the department of transportation as needed.

(2) In addition to other applicable provisions of law pertaining to conflicts of interest of public officials, any community aviation revitalization board member, appointive or otherwise, may not participate in any decision on any board contract in which the board member has any interests, direct or indirect, with any firm, partnership, corporation, or association that would be the recipient of any aid under this section. If such participation occurs, the board must void the transaction and the involved member is subject to further sanctions as provided by law. The board must adopt a code of ethics for its members, which must be designed to protect the state and its citizens from any unethical conduct by the board.

(3) The community aviation revitalization board may:

(a) Adopt bylaws for the regulation of its affairs and the conduct of its business;

(b) Adopt an official seal and alter the seal at its pleasure;

(c) Utilize the services of other governmental agencies;

(d) Accept from any federal agency loans or grants for the planning or financing of any project and enter into an agreement with the agency respecting the loans or grants;

(e) Conduct examinations and investigations and take testimony at public hearings of any matter material for its information that will assist in determinations related to the exercise of the board's lawful powers;

(f) Accept any gifts, grants, loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions that are not in conflict with this section;

(g) Enter into agreements or other transactions with and accept grants and the cooperation of any governmental agency in furtherance of this section;

(h) Adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of this section; and

(i) Perform all acts and things necessary or convenient to carry out the powers expressly granted or implied under this section.

(4)(a) The community aviation revitalization board may make direct loans to airport sponsors of public use airports in the state for the purpose of airport improvements that primarily support general aviation activities. The board may provide loans for the purpose of airport improvements only if the state is receiving commensurate public benefit, which must include, as a condition of the loan, a commitment to provide public access to the airport for a period of time equivalent to one and one-half times the term of the loan. For purposes of this subsection, "public use airports" means all public use airports not listed as having more than seventy-five thousand annual commercial air service passenger enplanements as published by the federal aviation administration.

(b) An application for loan funds under this section must be made in the form and manner as the board may prescribe. When evaluating loan applications, the board must prioritize applications that provide conclusive justification that completion of the loan application project will create revenue generating opportunities. The board is not limited to, but must also use, the following expected outcome conditions when evaluating loan applications:

(i) A specific private development or expansion is ready to occur and will occur only if the aviation facility improvement is made;

(ii) The loan application project results in the creation of jobs

or private sector capital investment as determined by the board;

(iii) The loan application project improves opportunities for the successful maintenance, operation, or expansion of an airport or adjacent airport business park;

(iv) The loan application project results in the creation or retention of long-term economic opportunities; and

(v) The loan application project results in leveraging additional federal funding for an airport.

(c)(i) If the board chooses to require a local match, the board must develop guidelines for local participation and allowable match and activities.

(ii) An application must:

(A) Be supported by the port district, city, or county in which the project is located; or

(B) Clearly identify the source of funds intended to repay the loan.

(5) The public use general aviation airport loan program, when authorized by the community aviation revitalization board, is subject to the following conditions:

(a) The moneys in the public use general aviation airport loan revolving account created in section 7027 of this act must be used only to fulfill commitments arising from loans authorized in this section and section 6011 of this act. The total outstanding amount that the board must disburse at any time pursuant to this section must not exceed the moneys available from the account.

(b) On contracts made for public use general aviation airport loans, the board must determine the interest rate that loans must bear. The interest rate must not exceed the amount needed to cover the administrative expenses of the board and the loan program. The board may provide reasonable terms and conditions for the repayment of loans, with the repayment of a loan to begin no later than three years after the award date of the loan. The loans must not exceed twenty years in duration.

(c) The repayment of any loan made from the public use general aviation airport loan revolving account under the contracts for aviation loans must be paid into the public use general aviation airport loan revolving account.

(6) All receipts from moneys collected under this section must be deposited into the public use general aviation airport loan revolving account created in section 7027 of this act.

**FOR THE DEPARTMENT OF COMMERCE**

2018 Local and Community Projects (40000005)

The appropriations in this section are subject to the following conditions and limitations:

(1) The department shall not expend the appropriations in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

(2) Prior to receiving funds, project recipients must

demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(8) \$26,000 of the appropriation in this section is provided solely for implementation of the Spanaway lake management plan.

(9) \$750,000 of the appropriation in this section is provided solely for the planning, development, acquisition, and other activities pursuing open space conservation strategies for the historic Federal Way Weyerhaeuser campus. The grant recipient must be a regional nonprofit nature conservancy that works to conserve keystone properties selected by the city of Federal Way.

(10)(a) \$900,000 of the appropriation in this section is provided solely for an Interbay public development advisory committee. It is the intent of the legislature to examine current and future needs of a state entity that performs an essential public function on state-owned property located in one of the state's designated manufacturing industrial centers. The legislature further intends to explore the potential future uses of this state-owned property in the event that the state entity determines that it must relocate in order to protect its ability to perform its essential public function.

(b) The Interbay public development advisory committee is created to make recommendations regarding the highest public benefit and future economic development uses for the Washington army national guard armory facility in the city of Seattle, pier 91 property, located at the descriptions referred to in the quit claim deeds for two parcels of land, 24.75 acres total, dated January 8, 1971, and December 22, 2009.

(c) The Interbay advisory committee consists of seven persons appointed as follows:

(i) One person appointed by the speaker of the house of representatives;

(ii) One person appointed by the president of the senate; and

(iii) Five persons appointed by the governor, who must collectively have experience in forming public-private partnerships to develop workforce housing or affordable housing; knowledge of project financing options for public-private partnerships related to housing; architectural design and

development experience related to industrial lands and mixed-use zoning to include housing; and experience leading public processes to engage communities and other stakeholders in public discussions regarding economic development decisions.

(d) The Interbay public development advisory committee must:

(i) Work in collaboration with the military department to determine the needs of the military department if it is relocated from the land described in subsection (1) of this section, including identifying:

- (A) Current uses;
- (B) Future needs of the units currently at this location;
- (C) Potential suitable publicly owned sites in Washington for relocation of current units; and
- (D) The costs associated with acquisition, construction, and relocation to another site or sites for these units;

(ii) Explore the future economic development opportunities if the land described in subsection (1) of this section is vacated by the military department, and make recommendations, including identifying:

- (A) Suitable and unsuitable future uses for the land;
- (B) Environmental issues and associated costs;
- (C) Current public infrastructure availability, future public infrastructure plans by local or regional entities, and potential public infrastructure needs;
- (D) Transportation corridors in the immediate area and any potential right-of-way needs; and
- (E) Existing zoning regulations for the land and potential future zoning needs to evaluate workforce housing, affordable housing, and other commercial and industrial development compatible with the Ballard-Interbay manufacturing industrial center designation;

(iii) Explore the potential funding sources and partners as well as any needed transactions, and make recommendations, including:

- (A) Any potential private partners or investors;
- (B) Necessary real estate transactions;
- (C) Federal funding opportunities; and
- (D) State and local funding sources, including any tax-related programs; and

(iv) Conduct at least three public meetings at a location within the Ballard-Interbay manufacturing industrial center, where a quorum of the Interbay public development advisory committee members are present, at which members of the public are invited to present to the Interbay advisory committee regarding the future uses of the site and potential issues such as industrial land use, commercial development, residential zoning, and public infrastructure needs(~~;~~ and

~~(v) Provide a report to the legislature and office of the governor with recommendations for each area described in this subsection (10)(d) by June 29, 2019. The Interbay advisory committee's recommendations must include recommendations regarding the structure, composition, and scope of authority of any subsequent state public development authority that may be established to implement the recommendations of the Interbay advisory committee created in this section).~~

~~(e) ((The Interbay advisory committee created in this section terminates June 30, 2019.~~

~~(f))~~ (f)) Nothing in this section authorizes the solicitation of interest or bids for work related to the purposes of this section.

~~((g))~~ (g)) The department of commerce shall provide staff support to the Interbay advisory committee. The department may contract with outside consultants to provide any needed expertise.

~~((h))~~ (g)) Legislative members of the Interbay advisory committee are reimbursed for travel in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are

participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(11) \$2,000,000 of the appropriation in this section is provided solely to the city of Lakewood for the purchase of property within the federally designated north clear zone at joint base Lewis-McChord. Once acquired, the property must be zoned for use compatible with the mission and activity of McChord airfield. The city may lease or resell the acquired property for fair market value, but any such lease or sale must include restrictions or covenants ensuring that the use of the property is safely compatible with the mission and activity of McChord airfield. If the city subsequently resells, rezones, develops, or leases the property for commercial or industrial uses contrary to the allowed uses in the north clear zone, the city must repay to the state the amount spent on the purchase of the property in its entirety within ten years.

(12) \$250,000 of the appropriation in this section is provided solely for a grant to the Federal Way chamber of commerce for two economic development projects focused in the south Puget Sound area. The amounts in this section must be used for a business retention and expansion program to conduct economic research in collaboration with stakeholders, develop data-driven economic strategies, and produce a written evaluation; and a tourism enhancement program to develop and inventory the Federal Way area tourism sector, analyze data regarding visitation, and produce a written evaluation.

(13) \$400,000 of the appropriation in this section is provided solely for the Northshore athletic field which shall be named "Andy Hill Sports Complex."

(14) \$1,177,000 of the appropriation in this section is provided solely for the Harmony sports complex infrastructure and safety improvements in Vancouver and is contingent upon the facility being open to the public.

(15) \$250,000 of the appropriation in this section is provided solely for the Asia Pacific cultural center in Tacoma. It is the intent of the legislature that beyond the 2017-2019 fiscal biennium no state funding is provided to the Asia Pacific cultural center in Tacoma.

Aviation Revitalization Loans (92000003)

The appropriation in this section is subject to the following conditions and limitations:

(1) This appropriation is provided solely for deposit into the public use general aviation airport loan revolving account created in section (~~(7028)~~) 7027 of this act for direct loans to political subdivisions of the state and privately owned airports for the purpose of improvements at public use airports that primarily support general aviation activities.

(2) The department must convene a community aviation revitalization board to develop criteria for selecting loan recipients, to develop a process for evaluating applications, and to make decisions. The board must consist of the capital budget chair and ranking minority member of the capital budget committee of the house of representatives and the senate ways and means committee, and a representative from both the department of transportation's aviation division and the department of commerce. The board must also consist of the following members appointed by the secretary of transportation: One port district official, one county official, one city official, one representative of airport managers, and one representative of pilots. The chair of the board must be selected by the secretary of transportation. The members of the board must elect one of their members to serve as vice chair. The director of commerce and the secretary of transportation must serve as nonvoting advisory members of the board.

(3) The board may provide loans to privately owned airports for the purpose of airport improvements only if the state is receiving commensurate public benefit, such as guaranteed long-term public access to the airport as a condition of the loan. For purposes of this subsection, "public use airports that primarily support general aviation activities" means all public use airports not listed as having more than fifty thousand annual commercial air service passenger enplanements as published by the federal aviation administration.

(4) An application for loan funds under this section must be made in the form and manner as the board may prescribe. When evaluating loan applications, the board must prioritize applications that provide conclusive justification that completion of the loan application project will create revenue-generating opportunities. The board is not limited to, but must also use, the following expected outcome conditions when evaluating loan applications:

- (a) A specific private development or expansion is ready to occur and will occur only if the aviation facility improvement is made;
- (b) The loan application project results in the creation of jobs or private sector capital investment as determined by the board;
- (c) The loan application project improves opportunities for the

successful maintenance, operation, or expansion of an airport or adjacent airport business park;

(d) The loan application project results in the creation or retention of long-term economic opportunities; and

(e) The loan application project results in leveraging additional federal funding for an airport.

(5) The repayment of any loan made from the public use general aviation airport loan revolving account under the contracts for aviation loans must be paid into the public use general aviation airport loan revolving account.

Energy Efficiency and Solar Grants (30000882)

The appropriations in this section are subject to the following

conditions and limitations:

(1)(a) \$3,675,000 for fiscal year 2018 and \$3,675,000 for fiscal year 2019 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for operational cost savings improvements to facilities and related projects that result in energy and operational cost savings.

(b) At least twenty percent of each competitive grant round must be awarded to small cities or towns with a population of five thousand or fewer residents.

(c) In each competitive round, the higher the leverage ratio of nonstate funding sources to state grant and the higher the energy savings, the higher the project ranking.

(d) For school district applicants, priority consideration must be given to school districts that demonstrate improved health and safety through: (i) Reduced exposure to polychlorinated biphenyl; or (ii) replacing outdated heating systems that use oil or propane as fuel sources as identified by the Washington State University extension energy program. Priority consideration must be given to applicants that have not received grant awards for this purpose in prior biennia.

(2) \$1,750,000 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for projects that involve the purchase and installation of solar energy systems, including solar modules and inverters, with a preference for products manufactured in Washington.

(3) \$1,400,000 is provided solely for energy efficiency improvements to minor works and stand-alone projects at state-owned facilities that repair or replace existing building systems including, but not limited to HVAC, lighting, insulation, windows, and other mechanical systems. Eligibility for this funding is dependent on an analysis using the office of financial management's life-cycle cost tool that compares project design alternatives for initial and long-term cost-effectiveness. Assuming a reasonable return on investment, the ~~((cost))~~ department shall provide grants in the amount required to improve the project's energy efficiency compared to the original project request ~~((will be added to the project appropriation after construction bids are received))~~. Prior to awarding funds, the department of commerce shall ((coordinate with)) submit to the office of financial management ((to develop a process for project submittal, review, approval criteria, tracking project budget adjustments, and performance measures)) a list of all proposed awards for review and approval.

(4) \$500,000 is provided solely for resource conservation managers in the department of enterprise services to coordinate with state agencies and school districts to assess and adjust existing building systems and operations to optimize the efficiency in use of energy and other resources in state-owned facilities. The department of commerce will oversee an interagency agreement with the department of enterprise services to fund the resource conservation managers.

(5) The department shall develop metrics that indicate the performance of energy efficiency efforts and provide a report of the metrics, including at a minimum the current energy used by the building, the energy use after efficiencies are completed, and cost of energy saved. ~~((The report must include these metrics from other states.))~~

**Sec. 6017.** 2018 c 298 s 1007 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF COMMERCE**  
Behavioral Health Community Capacity (40000018)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for the department of commerce, in collaboration with the department of social and health services and the health care authority, to issue grants to community hospitals or other community entities to expand and establish new capacity for behavioral health services in communities. Amounts provided in this section may be used for construction and equipment costs associated with establishment of the facilities, and consideration must be given to programs that incorporate outreach and treatment for youth dealing with mental health or social isolation issues. Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services. The department shall establish criteria for the issuance of the grants, which must include:

(a) Evidence that the application was developed in collaboration with one or more behavioral health organizations, as defined in RCW 71.24.025, or entities that assume the responsibilities of behavioral health organizations in regions in which the health care authority is purchasing medical and behavioral health services through fully integrated contracts pursuant to RCW 71.24.380;

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) A commitment by applicants to serve persons who are publicly funded and persons detained under the involuntary treatment act under chapter 71.05 RCW;

(d) A commitment by the applicant to maintain the beds or facility for at least a ten-year period;

(e) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;

(f) A detailed estimate of the costs associated with opening the beds; and

(g) The applicant's commitment to work with local courts and prosecutors to ensure that prosecutors and courts in the area served by the hospital or facility will be available to conduct involuntary commitment hearings and proceedings under chapter 71.05 RCW.

(2) In awarding funding for projects in subsection (3), the department, in consultation with the department of social and health services, the health care authority, and behavioral health organizations, must strive for geographic distribution and allocate funding based on population and service needs of an area. The department must consider current services available, anticipated

services available based on projects underway, and the service delivery needs of an area.

(3) \$49,600,000 is provided solely for a competitive process for each category listed and is subject to the criteria in subsections (1) and (2) of this section:

(a) \$4,600,000 is provided solely for at least two enhanced service facilities for long-term placement of patients discharged or diverted from the state psychiatric hospitals and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(b) \$4,000,000 is provided solely for at least two facilities with secure detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(c) \$2,000,000 is provided solely for at least one facility with acute detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(d) \$12,700,000 is provided solely for crisis diversion or stabilization facilities that are not subject to federal funding restrictions that apply to institutions of mental diseases. At least two of the facilities must be located in King county and one must be located in Pierce county. The facility in Pierce county shall receive no less than \$3,200,000;

(e) \$12,700,000 is provided solely for the department to provide grants to community hospitals or freestanding evaluation and treatment providers to develop capacity for beds to serve individuals on ninety or one hundred eighty day civil commitments as an alternative to treatment in the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, and the department of health, and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the department of social and health services;

(iv) The provider has demonstrated to the department of health and the department of social and health services that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(v) The department of social and health services has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes;

(f) \$6,600,000 is provided solely for the department to provide grants to community providers to develop psychiatric residential treatment beds to serve individuals being diverted or transitioned from the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, the department of health, and the local behavioral health organization jurisdiction for which a proposal has been submitted and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the behavioral health organization in the region or the entity that assumes the responsibilities of the behavioral health organization pursuant to RCW 71.24.380;

(iv) The provider has demonstrated to the department of health and the department of social and health services that it is able to

meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(v) The behavioral health organization or the entity that assumes the responsibilities of the behavioral health organization pursuant to RCW 71.24.380 has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes;

(g) \$5,000,000 is provided solely for grants to community providers to increase behavioral health services and capacity for children and minor youth, including but not limited to, services for substance use disorder treatment, sexual assault and traumatic stress, anxiety, or depression, and interventions for children exhibiting aggressive or depressive behaviors. In awarding funds for projects in this subsection, the department, in consultation with the department of social and health services and the health care authority must review projects based on the following criteria:

- (i) The funding must be used to increase capacity related to serving children and minor youth with behavioral health needs;
- (ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases; and
- (iii) The provider has demonstrated to the department of health, department of social and health services, and health care authority that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(h) \$2,000,000 is provided solely for competitive community behavioral health grants.

(4) \$35,276,000 is provided solely for the following list of projects and is subject to the criteria in subsection (1) of this section:

North Sound Behavioral Health Organization Denny Youth Center	\$5,000,000
North Sound Behavioral Health Organization Substance Use Disorder Intensive Treatment	\$5,000,000
North Sound Stabilization Campus (Sedro-Woolley)	\$1,550,000
Bellingham Mental Health Triage	\$5,000,000
Bellingham Acute Detox	\$2,000,000
SWWA Diversion Crisis and Involuntary Treatment	\$3,000,000
Daybreak Center for Adolescent Recovery	\$3,000,000
Nexus Youth and Families	\$500,000
Valley City Recovery Place	\$2,000,000
Geriatric Diversion	\$500,000
Skagit Triage Expansion (Mount Vernon)	\$326,000
Spokane Jail Diversion	\$2,400,000
Tri-county Detox and Crisis Center	\$4,000,000
Toppenish Hospital	( <del>\$1,000,000</del> ) \$500,000

(5) \$3,000,000 is provided solely for the Evergreen treatment services building purchase, contingent on matching funds.

(6)(a) \$3,000,000 is provided solely for a grant to a joint venture between MultiCare-Franciscan to provide community based behavioral health services. Funding provided in this subsection is subject to the criteria in subsection (1) of this section. The department of commerce may not release funding for this project unless MultiCare-Franciscan enters into a memorandum of understanding with the department of social and health services by October 31, 2018, to collaborate on development and implementation of strategies to expand the behavioral health workforce in the region. At a minimum, the agreement must include strategies for increasing recruitment of health professionals required to staff psychiatric inpatient facilities, including psychiatrists, psychologists, nurses and other health care professionals. The agreement must also identify opportunities for coordination between the parties to expand

access to clinical skill development and training opportunities in the region and strategies for collaborative service delivery between the parties when possible. To objectively evaluate the efficacy of the strategies implemented to achieve the desired outcomes of the agreement, performance measures and targets must be established to include:

(b) MultiCare-Franciscan and the department of social and health services must work collaboratively to decrease vacancy rates for hard-to-recruit health care professionals employed by each facility. The parties must develop strategies to attract more qualified health care professionals to the area and ensure comparable exposure to the benefits of working for each organization. The parties must measure the success of these strategies by the decrease in vacancy rate for health care professionals necessary to provide safe, quality inpatient psychiatric care in MultiCare-Franciscan and department facilities following the first year as the baseline of the partnership/consortium and with updated goals for each subsequent year. MultiCare-Franciscan and the department of social and health services must work to increase the competency and skills of health care professionals across both facilities by establishing organized joint- and cross-training programs. The parties must measure the success of this strategy by the number of health care professionals in total and by discipline complete cross-training activities and by the number and hours of cross-training opportunities offered under the agreement.

(7) The department of commerce shall notify all applicants that they may be required to have a construction review performed by the department of health.

(8) To accommodate the emergent need for behavioral health services, the department of health and the department of commerce, in collaboration with the health care authority and the department of social and health services, shall establish a concurrent and expedited process to assist grant applicants in meeting any applicable regulatory requirements necessary to operate inpatient psychiatric beds, free-standing evaluation and treatment facilities, enhanced services facilities, triage facilities, crisis stabilization facilities, detox, or secure detox.

**PART 7  
MISCELLANEOUS PROVISIONS**

NEW SECTION. Sec. 7001. RCW 43.88.031 requires the disclosure of the estimated debt service costs associated with new capital bond appropriations. The estimated debt service costs for the appropriations contained in this act are forty-nine million, six hundred thirteen thousand dollars for the 2019-2021 biennium, three hundred six million, nine hundred ninety four thousand dollars for the 2021-2023 biennium, and four hundred twenty-eight million, eight hundred ninety thousand dollars for the 2023-2025 biennium.

NEW SECTION. Sec. 7002. ACQUISITION OF PROPERTIES AND FACILITIES THROUGH FINANCIAL CONTRACTS. (1) The following agencies may enter into financial contracts, paid from any funds of an agency, appropriated or nonappropriated, for the purposes indicated and in not more than the principal amounts indicated, plus financing expenses and required reserves pursuant to chapter 39.94 RCW. When securing properties under this section, agencies shall use

2019 REGULAR SESSION

the most economical financial contract option available, including long-term leases, lease-purchase agreements, lease-development with option to purchase agreements or financial contracts using certificates of participation. Expenditures made by an agency for one of the indicated purposes before the issue date of the authorized financial contract and any certificates of participation therein are intended to be reimbursed from proceeds of the financial contract and any certificates of participation therein to the extent provided in the agency's financing plan approved by the state finance committee.

(2) Those noninstructional facilities of higher education institutions authorized in this section to enter into financial contracts are not eligible for state funded maintenance and operations. Instructional space that is available for regularly scheduled classes for academic transfer, basic skills, and workforce training programs may be eligible for state funded maintenance and operations.

(3) Western Washington University: Enter into a financing contract for up to \$9,950,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to construct a consolidated academic support services facility. The university must not increase administrative support rates to pay debt service for this financing contract.

(4) Department of fish and wildlife: Enter into a financing contract for up to \$3,099,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase automated salmon marking trailers.

(5) Department of natural resources: Enter into a financing contract for up to \$1,800,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to remodel spaces within agency-owned commercial buildings that will benefit the common school trust.

(6) Department of social and health services: Enter into a financing contract for up to \$3,600,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase the King county secure community transition center.

(7) Office of the secretary of state: Enter into a financing contract for up to \$103,143,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to construct the library-archives building. The financial contract is provided solely for implementation of Substitute House Bill No. 2015 (library-archives building). If the bill is not enacted by June 30, 2019, the amounts provided in this subsection shall lapse.

(8) Washington state patrol: Enter into a financing contract for up to \$7,450,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to construct a replacement for the fire training academy burn building.

(9) Community and technical colleges:

(a) Enter into a financing contract on behalf of Columbia Basin Community College for up to \$27,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to construct a student recreation center.

(b) Enter into a financing contract on behalf of Pierce College Puyallup for up to \$2,831,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase land and construct parking.

(c) Enter into a financing contract on behalf of Walla Walla Community College for up to \$1,500,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build a student activity center on the Clarkston campus.

(d) Enter into a financing contract on behalf of Walla Walla Community College for up to \$6,500,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build a student recreation center.

(e) Enter into a financing contract on behalf of Wenatchee

Valley College for up to \$4,500,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW for the Wells Hall replacement project.

(f) Enter into a financing contract on behalf of Yakima Valley Community College for up to \$22,700,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to build additional instructional and lab classroom space.

(g) Enter into a financing contract on behalf of Everett Community College for up to \$10,000,000 plus financing expenses and required reserves pursuant to chapter 39.94 RCW to purchase one or more properties adjacent to the campus.

**NEW SECTION. Sec. 7003.** (1) To ensure that major construction projects are carried out in accordance with legislative and executive intent, agencies must complete a predesign for state construction projects with a total anticipated cost in excess of \$5,000,000, or \$10,000,000 for higher education institutions. "Total anticipated cost" means the sum of the anticipated cost of the predesign, design, and construction phases of the project.

(2) Appropriations for design may not be expended or encumbered until the office of financial management has reviewed and approved the agency's predesign.

(3) The predesign must explore at least three project alternatives. These alternatives must be both distinctly different and viable solutions to the issue being addressed. The chosen alternative should be the most reasonable and cost-effective solution. The predesign document must include, but not be limited to, program, site, and cost analysis, and an analysis of the life-cycle costs of the alternatives explored, in accordance with the predesign manual adopted by the office of financial management.

(4) The office of financial management may make an exception to the predesign requirements in this section after notifying the legislative fiscal committees and waiting ten days for comment by the legislature regarding the proposed exception.

**NEW SECTION. Sec. 7004.** Agencies administering construction projects with a total anticipated cost in excess of \$5,000,000, or \$10,000,000 for higher education institutions, must submit progress reports to the office of financial management and to the fiscal committees of the house of representatives and senate. "Total anticipated cost" means the sum of the anticipated cost of the predesign, design, and construction phases of the project. Reports must be submitted on July 1st and December 31st of each year in a format determined by the office of financial management. After the project is completed, agencies must also submit a closeout report that identifies the total project cost and any unspent appropriations.

**NEW SECTION. Sec. 7005.** (1) Allotments for appropriations in this act shall be provided in accordance with the capital project review requirements adopted by the office of financial management and in compliance with RCW 43.88.110. Projects that will be employing alternative public works construction procedures under chapter 39.10 RCW are subject to the allotment procedures defined in this section and RCW 43.88.110.

(2) Each project is defined as proposed in the legislative budget notes or in the governor's budget document.

**NEW SECTION. Sec. 7006.** (1) The office of financial management may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond

that intended in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes that govern the grants.

(2) The office of financial management may find that an amount is in excess of the amount required for the completion of a project only if: (a) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (b) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

(3) For the purposes of this section, the intent is that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

(4) A report of any transfer effected under this section, except emergency projects or any transfer under \$250,000, shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

**NEW SECTION. Sec. 7007.** (1) It is expected that projects be ready to proceed in a timely manner depending on the type or phase of the project or program that is the subject of the appropriation in this act. Except for major projects that customarily may take more than two biennia to complete from predesign to the end of construction, or large infrastructure grant or loan programs supporting projects that often take more than two biennia to complete, the legislature generally does not intend to reappropriate funds more than once, particularly for smaller grant programs, local/community projects, and minor works.

(2) Agencies shall expedite the expenditure of reappropriations and appropriations in this act in order to: (a) Rehabilitate infrastructure resources; (b) accelerate environmental rehabilitation and restoration projects for the improvement of the state's natural environment; (c) reduce additional costs associated with acquisition and construction inflationary pressures; and (d) provide additional employment opportunities associated with capital expenditures.

(3) To the extent feasible, agencies are directed to accelerate expenditure rates at their current level of permanent employees and shall use contracted design and construction services wherever necessary to meet the goals of this section.

**NEW SECTION. Sec. 7008.** (1) Any building project that receives over \$10,000,000 in funding from the capital budget must be built to sustainable standards. "Sustainable building" means a building that integrates and optimizes all major high-performance building attributes, including energy efficiency, durability, life-cycle performance, and occupant productivity. The following design and construction attributes must be integrated into the building project:

(a) Employ integrated design principles: Use a collaborative, integrated planning and design process that initiates and maintains an integrated project team in all stages of a project's planning and delivery. Establish performance goals for siting, energy, water, materials, and indoor environmental quality along

with other comprehensive design goals and ensures incorporation of these goals throughout the design and life-cycle of the building. Consider all stages of the building's life-cycle, including deconstruction.

(b) Commissioning: Employ commissioning practices tailored to the size and complexity of the building and its system components in order to verify performance of building components and systems and help ensure that design requirements are met. This should include an experienced commissioning provider, inclusion of commissioning requirements in construction documents, a commissioning plan, verification of the installation and performance of systems to be commissioned, and a commissioning report.

(c) Optimize energy performance: Establish a whole building performance target that takes into account the intended use, occupancy, operations, plug loads, other energy demands, and design to earn the ENERGY STAR targets for new construction and major renovation where applicable. For new construction target low energy use index. For major renovations, target reducing energy use by fifty percent below prerenovations baseline.

(d) On-site renewable energy: Meet at least thirty percent of the hot water demand through the installation of solar hot water heaters, when life-cycle cost effective. Implement renewable energy generation projects on agency property for agency use, when life-cycle cost effective.

(e) Measurement and verification: Where appropriate, install building level electricity meters in new major construction and renovation projects to track and continuously optimize performance. Include equivalent meters for natural gas and steam, where natural gas and steam are used. Where appropriate, install dashboards inside buildings to display and incentivize occupants on energy use.

(f) Benchmarking: Compare performance data from the first year of operation with the energy design target. Verify that the building performance meets or exceeds the design target. For other building and space types, use an equivalent benchmarking tool.

**NEW SECTION. Sec. 7009.** State agencies, including institutions of higher education, shall allot and report full-time equivalent staff for capital projects in a manner comparable to staff reporting for operating expenditures.

**NEW SECTION. Sec. 7010** Executive Order No. 05-05, archaeological and cultural resources, was issued effective November 10, 2005. Agencies shall comply with the requirements set forth in this executive order.

**NEW SECTION. Sec. 7011. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE.** (1) One-half of one percent of moneys appropriated in this act for original construction of school plant facilities is provided solely for the purposes of RCW 28A.335.210.

(2) One-half of one percent of moneys appropriated in this act for original construction or any major renovation or remodel work exceeding \$200,000 by colleges or universities is provided solely for the purposes of RCW 28B.10.027.

(3) One-half of one percent of moneys appropriated in this act for original construction of any public building by a state agency identified in RCW 43.17.200 is provided solely for the purposes of RCW 43.17.200.

(4) At least eighty percent of the moneys spent by the Washington state arts commission during the 2019-2021 biennium for the purposes of RCW 28A.335.210, 28B.10.027, and 43.17.200 must be expended solely for direct acquisition of works of art. Art allocations not expended within the ensuing two

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

biennia shall lapse. The commission may use up to \$200,000 of this amount to conserve or maintain existing pieces in the state art collection.

**NEW SECTION. Sec. 7012.** To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

**NEW SECTION. Sec. 7013.** If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate ways and means committee and the house of representatives capital budget committee.

**NEW SECTION. Sec. 7014.** (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

**NEW SECTION. Sec. 7015. NONTAXABLE AND TAXABLE BOND PROCEEDS.** Portions of the appropriation authority granted by this act from the state building construction account, or any other account receiving bond proceeds, may be transferred to the state taxable building construction account as deemed necessary by the state finance committee to comply with the federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds. Portions of the general obligation bond proceeds authorized by chapter 3, Laws of 2018, (House Bill No. 1080, the general obligation bond bill) for deposit into the state taxable building construction account that are in excess of amounts required to comply with the federal internal revenue service rules and regulations shall be deposited into the state building construction account. The state treasurer shall submit written notification to the director of financial management if it is determined that a shift of appropriation authority between the state building construction account, or any other account receiving bond proceeds, and the state taxable building construction account is necessary, or that a shift of appropriation authority from the state taxable building construction account to the state building construction account may be made.

**Sec. 7016.** RCW 28B.20.725 and 2018 c 2 s 7019 are each amended to read as follows:

The board is hereby empowered:

(1) To reserve the right to issue bonds later on a parity with any bonds being issued;

(2) To authorize the investing of moneys in the bond retirement fund and any reserve account therein;

(3) To authorize the transfer of money from the University of Washington building account to the bond retirement fund when necessary to prevent a default in the payments required to be made out of such fund;

(4) To create a reserve account or accounts in the bond

retirement fund to secure the payment of the principal of and interest on any bonds;

(5) To authorize the transfer to the University of Washington building account of any money on deposit in the bond retirement fund in excess of debt service for a period of three years from the date of such transfer on all outstanding bonds payable out of such fund. However, during the 2015-2017 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2015-2017 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2017-2019 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2017-2019 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2019-2021 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2019-2021 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.

**Sec. 7017.** RCW 28B.30.750 and 2018 c 2 s 7020 are each amended to read as follows:

The board is hereby empowered:

(1) To reserve the right to issue bonds later on a parity with any bonds being issued;

(2) To authorize the investing of moneys in the bond retirement fund and any reserve account therein;

(3) To authorize the transfer of money from the Washington State University building account to the bond retirement fund when necessary to prevent a default in the payments required to be made out of such fund;

(4) To create a reserve account or accounts in the bond retirement fund to secure the payment of the principal of and interest on any bonds;

(5) To authorize the transfer to the Washington State University building account of any money on deposit in the bond retirement fund in excess of debt service for a period of three years from the date of such transfer on all outstanding bonds payable out of such fund. However, during the 2015-2017 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2015-2017 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2017-2019 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2017-2019 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2019-2021 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2019-2021 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.

**NEW SECTION. Sec. 7018.** (1) Minor works project lists are single line appropriations that include multiple projects of a similar nature and that are valued between \$25,000 and \$1,000,000 each, with the exception of higher education minor works projects that may be valued up to \$2,000,000. Funds appropriated in this act for minor works may not be initially allotted until agencies submit project lists to the office of financial management for review and approval.

(2) Revisions to the project lists, including the addition of

projects and the transfer of funds between projects, are allowed but must be submitted to the office of financial management, the house of representatives capital budget committee, and the senate ways and means committee for review and comment, and must include an explanation of variances from prior lists. Any project list revisions must be approved by the office of financial management before funds may be expended from the minor works appropriation.

(3)(a) All minor works projects should be completed within two years of the appropriation with the funding provided.

(b) Agencies are prohibited from including projects on their minor works lists that are a phase of a larger project, and that if combined over a continuous period of time, would exceed \$1,000,000, or \$2,000,000 for higher education minor works projects.

(c) Minor works appropriations may not be used for the following: Studies, except for technical or engineering reviews or designs that lead directly to and support a project on the same minor works list; planning; design outside the scope of work on a minor works list; movable, temporary, and traditionally funded operating equipment not in compliance with the equipment criteria established by the office of financial management; software not dedicated to control of a specialized system; moving expenses; land or facility acquisition; rolling stock; computers; or to supplement funding for projects with funding shortfalls unless expressly authorized. The office of financial management may make an exception to the limitations described in this subsection (3)(c) for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the legislature regarding the proposed exception.

(d) Minor works preservation projects may include program improvements of no more than twenty-five percent of the individual minor works preservation project cost.

(e) Improvements for accessibility in compliance with the Americans with disabilities act may be included in any of the minor works categories.

**NEW SECTION. Sec. 7019. FOR THE STATE TREASURER—TRANSFERS**

(1) Public Works Assistance Account: For transfer to the water pollution control revolving account, up to \$6,000,000 for fiscal year 2020 and up to \$6,000,000 for fiscal year 2021  
\$12,000,000

(2) Public Works Assistance Account: For transfer to the drinking water assistance account, up to \$5,500,000 for fiscal year 2020 and up to \$5,500,000 for fiscal year 2021  
\$11,000,000

**NEW SECTION. Sec. 7020.** To the extent that any appropriation authorizes expenditures of state funds from the state building construction account, or from any other capital project account in the state treasury, for a capital project or program that is specified to be funded with proceeds from the sale of bonds, the legislature declares that any such expenditures for that project or program made prior to the issue date of the applicable bonds are intended to be reimbursed from proceeds of those bonds in a maximum amount equal to the amount of such appropriation.

**NEW SECTION. Sec. 7021.** The department of enterprise services, in consultation with the office of financial management, is granted the authority to sell the property known as the Tacoma Rhodes complex for no less than fair market value. The price must cover appraisal costs, all debt service, all closing costs, and the cost of outstanding liabilities necessary to keep the department whole. The property consists of the Broadway building, market building, and parking garage. The terms and conditions of the sale must meet the business needs of the state tenants.

**Sec. 7022.** RCW 43.88D.010 and 2018 c 298 s 7013 are each amended to read as follows:

(1) By October 1st of each even-numbered year, the office of financial management shall complete an objective analysis and scoring of all capital budget projects proposed by the public four-year institutions of higher education and submit the results of the scoring process to the legislative fiscal committees and the four-year institutions. Each project must be reviewed and scored within one of the following categories, according to the project's principal purpose. Each project may be scored in only one category. The categories are:

(a) Access-related projects to accommodate enrollment growth at all campuses, at existing or new university centers, or through distance learning. Growth projects should provide significant additional student capacity. Proposed projects must demonstrate that they are based on solid enrollment demand projections, more cost-effectively provide enrollment access than alternatives such as university centers and distance learning, and make cost-effective use of existing and proposed new space;

(b) Projects that replace failing permanent buildings. Facilities that cannot be economically renovated are considered replacement projects. New space may be programmed for the same or a different use than the space being replaced and may include additions to improve access and enhance the relationship of program or support space;

(c) Projects that renovate facilities to restore building life and upgrade space to meet current program requirements. Renovation projects should represent a complete renovation of a total facility or an isolated wing of a facility. A reasonable renovation project should cost between sixty to eighty percent of current replacement value and restore the renovated area to at least twenty-five years of useful life. New space may be programmed for the same or a different use than the space being renovated and may include additions to improve access and enhance the relationship of program or support space;

(d) Major stand-alone campus infrastructure projects;

(e) Projects that promote economic growth and innovation through expanded research activity. The acquisition and installation of specialized equipment is authorized under this category; and

(f) Other project categories as determined by the office of financial management in consultation with the legislative fiscal committees.

(2) The office of financial management, in consultation with the legislative fiscal committees, shall establish a scoring system and process for each four-year project category that is based on the framework used in the community and technical college system of prioritization. Staff from the state board for community and technical colleges and the four-year institutions shall provide technical assistance on the development of a scoring system and process.

(3) The office of financial management shall consult with the legislative fiscal committees in the scoring of four-year institution project proposals, and may also solicit participation by independent experts.

(a) For each four-year project category, the scoring system must, at a minimum, include an evaluation of enrollment trends, reasonableness of cost, the ability of the project to enhance specific strategic master plan goals, age and condition of the facility if applicable, and impact on space utilization.

(b) Each four-year project category may include projects at the predesign, design, or construction funding phase.

(c) To the extent possible, the objective analysis and scoring system of all capital budget projects shall occur within the context of any and all performance agreements between the office of financial management and the governing board of a public, four-

2019 REGULAR SESSION

year institution of higher education that aligns goals, priorities, desired outcomes, flexibility, institutional mission, accountability, and levels of resources.

(4) In evaluating and scoring four-year institution projects, the office of financial management shall take into consideration project schedules that result in realistic, balanced, and predictable expenditure patterns over the ensuing three biennia.

(5) The office of financial management shall distribute common definitions, the scoring system, and other information required for the project proposal and scoring process as part of its biennial budget instructions. The office of financial management, in consultation with the legislative fiscal committees, shall develop common definitions that four-year institutions must use in developing their project proposals and lists under this section.

(6) In developing any scoring system for capital projects proposed by the four-year institutions, the office of financial management:

(a) Shall be provided with all required information by the four-year institutions as deemed necessary by the office of financial management;

(b) May utilize independent services to verify, sample, or evaluate information provided to the office of financial management by the four-year institutions; and

(c) Shall have full access to all data maintained by the joint legislative audit and review committee concerning the condition of higher education facilities.

(7) By August 1st of each even-numbered year each public four-year higher education institution shall prepare and submit prioritized lists of the individual projects proposed by the institution for the ensuing six-year period in each category. The lists must be submitted to the office of financial management and the legislative fiscal committees. The four-year institutions may aggregate minor works project proposals by primary purpose for ranking purposes. Proposed minor works projects must be prioritized within the aggregated proposal, and supporting documentation, including project descriptions and cost estimates, must be provided to the office of financial management and the legislative fiscal committees.

(8) For the 2017-2019 fiscal biennium and the 2019-2021 fiscal biennium, pursuant to subsection (1) of this section, by November 1, ~~((2018))~~ 2020, the office of financial management must score higher education capital project criteria with a rating scale that assesses how well a particular project satisfies those criteria. The office of financial management may not use a rating scale that weighs the importance of those criteria.

(9) For the 2017-2019 fiscal biennium and the 2019-2021 fiscal biennium, pursuant to subsection (6)(a) of this section and in lieu of the requirements of subsection (7) of this section, by August 15, ~~((2018))~~ 2020, the institutions of higher education shall prepare and submit or resubmit to the office of financial management and the legislative fiscal committees:

(a) Individual project proposals developed pursuant to subsection (1) of this section;

(b) Individual project proposals scored in prior biennia pursuant to subsection (1) of this section; and

(c) A prioritized list of up to five project proposals submitted pursuant to (a) and (b) of this subsection.

**Sec. 7023.** RCW 28B.77.070 and 2018 c 298 s 7014 are each amended to read as follows:

(1) The council shall identify budget priorities and levels of funding for higher education, including the two and four-year institutions of higher education and state financial aid programs. It is the intent of the legislature for the council to make budget recommendations for allocations for major policy changes in accordance with priorities set forth in the ten-year plan, but the

legislature does not intend for the council to review and make recommendations on individual institutional budgets. It is the intent of the legislature that recommendations from the council prioritize funding needs for the overall system of higher education in accordance with priorities set forth in the ten-year plan. It is also the intent of the legislature that the council's recommendations take into consideration the total per-student funding at similar public institutions of higher education in the global challenge states.

(2) By December of each odd-numbered year, the council shall outline the council's fiscal priorities under the ten-year plan that it must distribute to the institutions, the state board for community and technical colleges, the office of financial management, and the joint higher education committee.

(a) Capital budget outlines for the two-year institutions shall be submitted to the office of financial management by August 15th of each even-numbered year, and shall include the prioritized ranking of the capital projects being requested, a description of each capital project, and the amount and fund source being requested.

(b) Capital budget outlines for the four-year institutions must be submitted to the office of financial management by August 15th of each even-numbered year, and must include: The institutions' priority ranking of the project; the capital budget category within which the project will be submitted to the office of financial management in accordance with RCW 43.88D.010; a description of each capital project; and the amount and fund source being requested.

(c) The office of financial management shall reference these reporting requirements in its budget instructions.

(3) The council shall submit recommendations on the operating budget priorities to support the ten-year plan to the office of financial management by October 1st each year, and to the legislature by January 1st each year.

(4)(a) The office of financial management shall develop one prioritized list of capital projects for the legislature to consider that includes all of the projects requested by the four-year institutions of higher education that were scored by the office of financial management pursuant to chapter 43.88D RCW, including projects that were previously scored but not funded. The prioritized list of capital projects shall be based on the following priorities in the following order:

(i) Office of financial management scores pursuant to chapter 43.88D RCW;

(ii) Preserving assets;

(iii) Degree production; and

(iv) Maximizing efficient use of instructional space.

(b) The office of financial management shall include all of the capital projects requested by the four-year institutions of higher education, except for the minor works projects, in the prioritized list of capital projects provided to the legislature.

(c) The form of the prioritized list for capital projects requested by the four-year institutions of higher education shall be provided as one list, ranked in priority order with the highest priority project ranked number "1" through the lowest priority project numbered last. The ranking for the prioritized list of capital projects may not:

(i) Include subpriorities;

(ii) Be organized by category;

(iii) Assume any state bond or building account biennial funding level to prioritize the list; or

(iv) Assume any specific share of projects by institution in the priority list.

(5) Institutions and the state board for community and technical colleges shall submit any supplemental capital budget requests

and revisions to the office of financial management by November 1st and to the legislature by January 1st.

(6) For the 2017-2019 fiscal biennium and the 2019-2021 fiscal biennium, pursuant to subsection (4) of this section, the office of financial management may, but is not obligated to, develop one prioritized list of capital projects for the legislature to consider that includes all of the projects requested by the four-year institutions of higher education that were scored by the office of financial management pursuant to chapter 43.88D RCW, including projects that were previously scored but not funded.

**NEW SECTION. Sec. 7024.** (1) The department of natural resources must conduct an asset valuation of state lands and state forestlands held in trust and managed by the department. The analysis required in subsections (3) and (4) of this section may be provided through contracted services.

(2) The department must describe all trust lands, by trust, including timber lands, agricultural lands, commercial lands, and other lands, and identify revenues from leases or other sources for those lands. The department must briefly describe the income from these trust lands, and potential enhancements to income, including intergenerational income, from the asset bases of these trusts.

(3) The analysis must estimate the current fair market value of these lands for each trust beneficiary, including the separate beneficiaries of state lands as defined in RCW 79.02.010, and the beneficiaries of state forestlands as specified in chapter 79.22 RCW. The estimation of current fair market values must specify the values by the various asset classes including, but not limited to, the following asset classes: Timber lands; irrigated agriculture; dryland agriculture, including grazing lands; commercial real estate; mining; and other income production. The analysis must also estimate the value of ecosystem services and recreation benefits for asset classes that produce these benefits. The legislature encourages the department and its contractors to develop methods and tools to allow tracking of the estimated fair market values over time.

(4) For each of the different asset classes and for each of the various trusts, the analysis must calculate the average annual gross and net income as a percentage of estimated current asset value.

(5) The department must provide a progress report to the legislature by December 1, 2019, which may include any initial recommendations. The final report must be submitted by June 30, 2020, and must include options to:

- (a) Improve the net rates of return on different classes of assets;
- (b) Increase the reliability of, and enhance if possible, revenue for trust beneficiaries; and
- (c) Present and explain factors that either (i) define, (ii) constrict, or (iii) define and constrict the department's management practices and revenue production. The factors to be considered include, but are not limited to, statutory, constitutional, operational, and social factors.

**Sec. 7025.** RCW 43.155.050 and 2017 3rd sp.s. c 10 s 5 and 2017 3rd sp.s. c 1 s 974 are each reenacted and amended to read as follows:

The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the public works assistance account shall be used to make loans and grants and to give financial guarantees to local governments for public works projects. Moneys in the account may also be appropriated or transferred to the water pollution control revolving account and the drinking water assistance account to

provide for state match requirements under federal law. Not more than twenty percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated for preconstruction loans and grants, emergency loans and grants, or loans and grants for capital facility planning under this chapter. Not more than ten percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated as grants for preconstruction, emergency, capital facility planning, and construction projects. During the ~~((2015-2017))~~ 2019-2021 fiscal biennium, the legislature may transfer from the public works assistance account to the general fund, the water pollution control revolving account fund, and the drinking water assistance account such amounts as reflect the excess fund balance of the account. During the ~~((2015-2017 and))~~ 2017-2019 fiscal ~~((biennia))~~ biennium, the legislature may appropriate moneys from the account for activities related to rural economic development, the growth management act, the department of health drinking water system repairs and consolidation program, and the voluntary stewardship program. ~~((During the 2015-2017 fiscal biennium, the legislature may transfer from the public works assistance account to the state general fund such amounts as specified by the legislature.))~~ During the 2017-2019 fiscal biennium, the legislature may direct the state treasurer to make transfers of moneys in the public works assistance account to the education legacy trust account. It is the intent of the legislature that this policy will be continued in subsequent fiscal biennia.

**Sec. 7026.** 2018 c 298 s 1016 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF COMMERCE**  
Local and Community Projects 2016 (92000369)

The appropriation in this section is subject to the following conditions and limitations:

(1) Except as directed otherwise prior to the effective date of this section, the department may not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended, or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is released for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations whose sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) Projects funded in this section must be held by the recipient for a minimum of ten years and used for the same purpose or purposes intended by the legislature as required in RCW 43.63A.125(6).

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) \$2,209,000 of the appropriation in this section is provided solely for the Fairchild air force base protection and community empowerment project, including the purchase of twenty acres of land by Spokane county or the city of Airway Heights for

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

development of affordable housing and the purchase of mobile home parks by Spokane county or the city of Airway Heights in order to reduce the use of the accident potential zone for residential purposes. There shall be no limitations on the sequence of the purchase of mobile home parks. If Spokane county or the city of Airway Heights subsequently rezones, develops, and leases the mobile home park property for commercial or industrial uses contrary to the allowed uses in the accident potential zone, Spokane county or the city of Airway Heights must repay to the state the amount spent on the purchase of mobile home parks in its entirety within ten years. Mobile home parks purchased under the provisions of this subsection may be sold by Spokane county or the city of Airway Heights, provided that the uses of the mobile home park property are not contrary to the allowed uses in the accident potential zone. Any moneys from this sale must be used to purchase other mobile home parks in the Fairchild air force base protection and community empowerment project. The twenty acres of land purchased under this subsection for development as affordable housing may be sold, in whole or in part, by the recipient, provided the property sold is used for affordable housing as required in the Fairchild air force base protection and community empowerment project. Recipients of funds provided under this subsection are not required to demonstrate that the project site is under their control for a minimum of ten years but they must demonstrate that the project site is under their control through ownership or long-term lease. Projects funded under this subsection are not required to meet the provisions of RCW 43.63A.125(6) and subsection (5) of this section.

(8) \$850,000 of the appropriation in this section is provided solely for the White River restoration project. Design solutions for flooding reductions in the lower White River must include a floodplain habitat design that both reduces flood risks and restores salmon habitat by reconnecting the river with its floodplain and a sustainable riparian corridor. Project designs and plans must also identify lands for acquisition needed for floodplain reconnection where pending or existing development eliminates the potential for riparian and aquatic habitat restoration. The city shall work cooperatively with the Muckleshoot Indian Tribe and the Puyallup Tribe of Indians, and develop a plan collaboratively to achieve both flood reduction and habitat restoration.

(9) Up to \$300,000 of the appropriation in this section for the veterans helping veterans: Emergency transition shelter project may be spent on preconstruction or preacquisition activities, including, but not limited to, building inspections, design of necessary renovations, cost estimation, and other activities necessary to identify and select a facility appropriate for the program. The remainder of the appropriation must be used for eventual acquisition and renovations of a facility.

(10) \$2,500,000 of the appropriation in this section is provided solely for the mercy housing and health care center at Sand Point. During the 2015-2017 fiscal biennium, the center may not house any community health care training organization that has been investigated by and has paid settlement fees to the attorney general's office for alleged medicaid fraud.

(11) The Lake Chelan land use plan must be developed without adverse impacts on agricultural operations.

(12) \$1,300,000 of the appropriation in this section is provided solely for phase one of the main street revitalization project in the city of Mountlake Terrace.

(13) \$300,000 of the appropriation in this section is provided solely for the city of Stanwood to acquire property for a new city hall/public safety facility.

(14) Up to 30 percent of the funding for the Kennewick boys

and girls club may be used for land acquisition.

(15) The appropriation is provided solely for the following list of projects:

**Sec. 7027.** 2018 c 298 s 7010 (uncodified) is amended to read

as follows:

The public use general aviation airport loan revolving account is created in the custody of the state treasurer. All receipts from moneys collected under (~~section 4002, chapter 2, Laws of 2018, section 4002 of this act, and sections 1 through 8, chapter . . . (Substitute House Bill No. 1656), Laws of 2018~~) sections 6011 and 4005 of this act must be deposited into the account. Expenditures from the account may be used only for the purposes described in (~~section 4002, chapter 2, Laws of 2018, section 4002 of this act, and sections 1 through 8, chapter . . . (Substitute House Bill No. 1656), Laws of 2018~~) sections 6011 and 4005 of this act. Only the community aviation revitalization board or the board's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**NEW SECTION. Sec. 7028.** PROPERTY TRANSFER SEATTLE CENTRAL. If House Bill No. 1918 (community preservation auth.) is enacted by June 30, 2019, the Seattle Central College must transfer the deed of the property located at 2120 South Jackson Street, Seattle, Washington 98144, to the community preservation and development authority established in the bill. The transfer must be made by no later than June 30, 2021, once the community preservation and development authority has selected board members. The transfer must be at no cost to the community preservation and development authority.

**NEW SECTION. Sec. 7029.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 7030.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "improvements;" strike the remainder of the title and insert "amending RCW 28B.20.725, 28B.30.750, 43.88D.010, and 28B.77.070; amending 2018 c 2 ss 1010, 1019, 2019, 5014, 4002, 3024, 3093, and 1014; 2018 c 298 ss 1004, 2004, 2005, 2008, 2018, 5040, 1007, 1016, and 7010; and 2017 3rd sp.s. c 4 ss 1052 and 3056 (uncodified); reenacting and amending RCW 43.155.050; creating new sections; making appropriations; and declaring an emergency."

Senator Frockt spoke in favor of the motion to not adopt the committee striking amendment.

The President declared the question before the Senate to be the motion to not adopt the committee striking amendment by the Committee on Ways & Means to Substitute House Bill No. 1102.

The motion by Senator Frockt carried and the committee striking amendment was not adopted by voice vote.

**MOTION**

Senator Frockt moved that the following striking amendment no. 829 by Senator Frockt be adopted:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** (1) A capital budget is hereby adopted and, subject to the provisions set forth in this act, the several dollar amounts hereinafter specified, or so much thereof as shall be sufficient to accomplish the purposes designated, are hereby appropriated and authorized to be incurred for capital projects during the period beginning with the effective date of this

section and ending June 30, 2021, out of the several funds specified in this act.

(2) The definitions in this subsection apply throughout this act unless the context clearly requires otherwise.

(a) "Fiscal year 2020" or "FY 2020" means the period beginning July 1, 2019, and ending June 30, 2020.

(b) "Fiscal year 2021" or "FY 2021" means the period beginning July 1, 2020, and ending June 30, 2021.

(c) "Lapse" or "revert" means the amount shall return to an unappropriated status.

(d) "Provided solely" means the specified amount may be spent only for the specified purpose.

(3) Unless otherwise specifically authorized in this act, any portion of an amount provided solely for a specified purpose that is not expended subject to the specified conditions and limitations to fulfill the specified purpose shall lapse.

(4) The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts. "Prior biennia" typically refers to the immediate prior biennium for reappropriations, but may refer to multiple biennia in the case of specific projects. A "future biennia" amount is an estimate of what may be appropriated for the project or program in the 2021-2023 biennium and the following three biennia; an amount of zero does not necessarily constitute legislative intent to not provide funding for the project or program in the future.

(5) "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 2019, from the 2017-2019 biennial appropriations for each project.

**NEW SECTION. Sec. 1029. FOR THE DEPARTMENT OF COMMERCE**

2019-21 Housing Trust Fund Program (40000036)

The appropriations in this section are subject to the following conditions and limitations:

(1) \$129,050,000 of the state taxable building construction account—state appropriation and \$45,950,000 of the state building construction account—state appropriation are provided solely for production and preservation of affordable housing. Of the amounts in this subsection:

(a) \$35,000,000 of the appropriation is provided solely for housing projects that provide supportive housing and case-management services to persons with behavioral or chronic mental illness. When evaluating applications for this population, the department must prioritize low-income supportive housing unit proposals that show:

(i) Evidence that the application was developed in collaboration with one or more health care entities that provide behavioral health care services to individuals eligible for the housing provided under this subsection;

(ii) A commitment by the applicant to provide, directly or through a formal partnership, necessary treatment and supportive services to the tenants and maintain the beds or housing units for at least a forty-year period;

(iii) Readiness to begin structural modifications or construction resulting in a fast project completion;

(iv) Program requirements that adhere to the key elements of permanent supportive housing programs including choice in housing and living arrangements, functional separation of housing and services, community integration, rights of tenancy, and voluntary recovery-focused services; and

(v) To achieve geographic distribution, the department must prioritize projects in rural areas as defined by the department per RCW 43.185.050 and unserved communities with the goal of maximizing the investment and increasing the number of supportive housing units in rural, unserved communities.

(b) \$10,000,000 of the appropriation in this section is provided solely for competitive grant awards for modular housing which includes high quality affordable housing projects that will quickly

move people from homelessness into secure housing and are significantly less expensive to construct than traditional housing. These funds must be awarded to projects with a total project development cost per housing unit of less than \$125,000, excluding the value of land, off-site infrastructure costs, and any capitalized reserves, compliant with the Americans with disabilities act, and with a commitment by the applicant to maintain the housing units for at least a fifty year period.

(c) \$10,000,000 of the appropriation in this section is provided solely for a state match or state matches on private contributions that fund the production and preservation of affordable housing. Awards must be made using a competitive process. If any funding remains unallocated after the first fiscal year during the 2019-2021 fiscal biennium, the department may allocate the remaining funding through its annual competitive process for affordable housing projects that serve and benefit low-income and special needs populations in need of housing.

(d)(i) \$10,000,000 of the appropriation in this section is provided solely for housing preservation grants or loans to be awarded competitively.

(ii) The funds may be provided for major building improvements, preservation, and system replacements, necessary for the existing housing trust fund portfolio to maintain long-term viability. The department must require a capital needs assessment to be provided prior to contract execution. Funds may not be used to add or expand the capacity of the property.

(iii) To allocate preservation funds, the department must review applications and evaluate projects based on the following criteria:

(A) The age of the property, with priority given to buildings that are more than fifteen years old;

(B) The population served, with priority given to projects with at least 50 percent of the housing units being occupied by families and individuals at or below 50 percent area median income;

(C) The degree to which the applicant demonstrates that the improvements will result in a reduction of operating or utilities costs, or both;

(D) The potential for additional years added to the affordability period of the property; and

(E) Other criteria that the department considers necessary to achieve the purpose of this program.

(e)(i) \$7,000,000 of the appropriation in this section is provided solely for loans or grants to design and construct ultra-high energy efficient affordable housing projects.

(ii) To receive funding, a project must provide a life-cycle cost analysis report to the department and must demonstrate energy-saving and renewable energy systems either designed to reach net-zero energy use after housing is fully occupied or designed to achieve the most recent building standard of the passive house institute US as of the effective date of this section.

(iii) The department must consider, at a minimum and in any order, the following factors in assigning a numerical ranking to a project:

(A) Whether the proposed design has demonstrated that the project will achieve either net-zero energy use when fully occupied or will achieve the most recent building standard of the passive house institute US as of the effective date of this section;

(B) The life-cycle cost of the project;

(C) That the project demonstrates a design, use of materials, and construction process that can be replicated by the Washington building industry;

(D) The extent to which the project leverages nonstate funds;

(E) The extent to which the project is ready to proceed to construction;

(F) Whether the project promotes sustainable use of resources

and environmental quality;

(G) Whether the project is being well managed to fund maintenance and capital depreciation;

(H) Reduction of housing and utilities carbon footprint; and

(I) Other criteria that the department considers necessary to achieve the purpose of this program.

(iv) The department must monitor and track the results of the housing projects that receive ultra-high energy efficiency funding under this section.

(f) \$45,950,000 of the appropriation in this section is provided solely for the following list of housing projects:

Bellwether Housing (Seattle)	\$6,000,000
Capitol Hill Housing Broadway (Seattle)	\$6,000,000
Crosswalk Teen Shelter and Transitional Housing Project (Spokane)	\$1,000,000
Ethiopian Community Affordable Housing (Seattle)	\$3,000,000
FUSION Emergency Housing for Homeless Families (Federal Way)	\$3,000,000
Highland Village (Airway Heights)	\$5,500,000
Home At Last (Tacoma)	\$1,500,000
Interfaith Works Shelter (Olympia)	\$3,000,000
NorthHaven Affordable Senior Housing Campus (Seattle)	\$1,000,000
Pateros Gardens (Pateros)	\$1,400,000
Roslyn Housing Project (Roslyn)	\$2,000,000
SCIDpda North Lot (Seattle)	\$9,000,000
Seattle Indian Health Board - Low Income Housing (Seattle)	\$1,000,000
Tenny Creek Assisted Living (Vancouver)	\$1,750,000
THA Arlington Drive (Tacoma)	\$800,000

(g) \$57,050,000 of the appropriation in this section is provided solely for affordable housing projects that serve and benefit low-income and special needs populations in need of housing. Of the amounts appropriated in this subsection, the department must allocate the funds as follows:

(i) \$5,000,000 of the appropriation in this section is provided solely for housing for veterans;

(ii) \$5,000,000 of the appropriation in this section is provided solely for housing that serves people with developmental disabilities;

(iii) \$5,000,000 of the appropriation in this section is provided solely for housing that serves people who are employed as farmworkers; and

(iv)(A) \$5,000,000 of the appropriation in this section is provided solely for housing projects that benefit homeownership.

(B) During the 2019-2021 fiscal biennium, the department must use a separate application form for applications to provide homeownership opportunities and evaluate homeownership project applications as allowed under chapter 43.185A RCW.

(C) In addition to the definition of "first-time home buyer" in RCW 43.185A.010, for the purposes of awarding homeownership projects during the 2019-2021 fiscal biennium "first time home buyer" also includes:

(I) A single parent who has only owned a home with a former spouse while married;

(II) An individual who is a displaced homemaker as defined in 24 C.F.R. Sec. 93.2 as it existed on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section, and has only owned a home with a spouse;

(III) An individual who has only owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations; or

(IV) An individual who has only owned a property that is

discerned by a licensed building inspector as being uninhabitable.

(2) In evaluating projects in this section, the department must give preference for applications based on some or all of the criteria in RCW 43.185.070(5).

(3)(a) The department must strive to allocate all of the amounts appropriated in this section within the 2019-2021 fiscal biennium in the manner prescribed in subsection (1) of this section. However, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may allocate funds to projects serving other low-income and special needs populations, provided those projects are located in an area with an identified need for the type of housing proposed.

(b) By June 30, 2021, the department must report on its web site the following for every previous funding cycle: The number of homeownership and multifamily rental projects funded by housing trust fund moneys; the percentage of housing trust fund investments made to homeownership and multifamily rental projects; and the total number of households being served at up to eighty percent of the area median income, up to fifty percent of the area median income, and up to thirty percent of the area median income, for both homeownership and multifamily rental projects.

(4)(a) The department, in cooperation with the housing finance commission, must develop and implement a process for the collection of certified final development cost data from each grant or loan recipient under this section. The department must use this data as part of its cost containment policy.

(b) Beginning December 1, 2019, and continuing annually, the department must provide the legislature with a report of its final cost data for each project under this section. Such cost data must, at a minimum, include total development cost per unit for each project completed within the past year, descriptive statistics such as average and median per unit costs, regional cost variation, and other costs that the department deems necessary to improve cost controls and enhance understanding of development costs. The department must coordinate with the housing finance commission to identify relevant development costs data and ensure that the measures are consistent across relevant agencies.

(5) The legislature recognizes projects serving households at or below 30 percent of area median income may not generate sufficient income to support long-term operations and services. In evaluating loan terms for projects funded by the housing trust fund program, particularly projects serving at or below 30 percent area median income households, the department must prioritize loan deferral to maintain long-term viability of projects.

**NEW SECTION. Sec. 1035. FOR THE DEPARTMENT OF COMMERCE**

Clean Energy Transition 4 (40000042)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are provided solely for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state. Priority must be given to projects that benefit vulnerable populations, including tribes and communities with high environmental or energy burden.

(2) In soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:

(a) Ensure that competitive processes, rather than sole source contracting processes, are used to select all projects, except as otherwise noted in this section; and

(b) Conduct due diligence activities associated with the use of

public funds including, but not limited to, oversight of the project selection process, project monitoring, and ensuring that all applications and contracts fully comply with all applicable laws including disclosure and conflict of interest statutes.

(3)(a) Pursuant to chapter 42.52 RCW, the ethics in public service act, the department must require a project applicant to identify in application materials any state of Washington employees or former state employees employed by the firm or on the firm's governing board during the past twenty-four months. Application materials must identify the individual by name, the agency previously or currently employing the individual, job title or position held, and separation date. If it is determined by the department that a conflict of interest exists, the applicant may be disqualified from further consideration for award of funding.

(b) If the department finds, after due notice and examination, that there is a violation of chapter 42.52 RCW, or any similar statute involving a grantee who received funding under this section, either in procuring or performing under the grant, the department in its sole discretion may terminate the funding grant by written notice. If the grant is terminated, the department must reserve its right to pursue all available remedies under law to address the violation.

(4) The requirements in subsections (2) and (3) of this section must be specified in funding agreements issued by the department.

(5) \$6,107,000 of the state building construction account—state appropriation is provided solely for grid modernization grants for projects that: Advance clean and renewable energy technologies and transmission and distribution control systems; support integration of renewable energy sources, deployment of distributed energy resources, and sustainable microgrids; and increase utility customer options for energy sources, energy efficiency, energy equipment, and utility services.

(a) Projects must be implemented by public and private electrical utilities that serve retail customers in the state. Priority must be given to: (i) Projects that benefit vulnerable populations, including tribes and communities with high environmental or energy burden; and (ii) projects that have a partner that is a tribe or nonprofit organization that serves community eligible entities. Utilities may partner with other public and private sector research organizations, businesses, tribes, and nonprofit organizations in applying for funding.

(b) The department shall develop a grant application process to competitively select projects for grant awards, to include scoring conducted by a group of qualified experts with application of criteria specified by the department. In development of the application criteria, the department shall, to the extent possible, allow smaller utilities or consortia of small utilities to apply for funding.

(c) Applications for grants must disclose all sources of public funds invested in a project.

(d) \$4,400,000 of the state building construction account—state appropriation is provided solely for providing shore power electrification at terminal five for the northwest seaport alliance. In order to receive this grant, the northwest seaport alliance must demonstrate that they applied to the VW settlement for this project and were denied.

(6)(a) \$8,100,000 of the state building construction account—state appropriation is provided solely for competitive grants for strategic research and development for new and emerging clean energy technologies. These grants will be used to match federal or other nonstate funds to research, develop, and demonstrate clean energy technologies.

(b) The department shall consult and coordinate with the University of Washington, Washington State University, the Pacific Northwest national laboratory and other clean energy

organizations to design the grant program. Clean energy organizations who compete for grants from the program may not participate in the design of the grant program. Criteria for the grant program must include life cycle cost analysis for projects that are part of the competitive process.

(c) The program may include, but is not limited to: Solar technologies, advanced bioenergy and biofuels, development of new earth abundant materials or lightweight materials, advanced energy storage, battery components recycling, and new renewable energy and energy efficiency technologies.

(d) \$1,000,000 of the state building construction account—state appropriation is provided solely for grants that enhance the viability of dairy digester bioenergy projects, energy efficiency, and resource recovery to demonstrate advanced nutrient recovery systems that produce value added biofertilizers, reduce trucking of lagoon water, and improve soil health and air and water quality. Grants shall include at least one project east of the Cascades and one project west of the Cascades. State agencies must promote and demonstrate the use of such recovered biofertilizers through state procurement and contracts.

(7)(a) \$3,000,000 of the state taxable building construction account—state appropriation is provided solely as grants to nonprofit lenders to create a revolving loan fund to support the widespread use of proven energy efficiency and renewable energy technologies by households with high energy burden or environmental health risk now inhibited by lack of access to capital.

(b) The department shall provide grant funds to one or more competitively selected nonprofit lenders that will provide matching private capital and will administer the loan fund. The department must select the loan fund administrator or administrators through a competitive process, with scoring conducted by a group of qualified experts, applying criteria specified by the department.

(c) The department must establish guidelines that specify applicant eligibility, the screening process, and evaluation and selection criteria. The guidelines must be used by the nonprofit lenders.

(8) \$5,000,000 of the state building construction account—state appropriation is provided solely for the Washington Maritime Innovation Center. The center must be used to support technology acceleration and incubation, and act as a focal point for maritime sustainability, including, but not limited to, supporting technology development for maritime decarbonization and electrification.

(9) \$8,300,000 of the state taxable construction account—state appropriation is provided solely for scientific instruments to help accelerate research in grid-scale energy storage at the proposed grid-scale energy storage research, development, and testing facility at the Pacific Northwest national laboratory. The state funds are contingent on securing federal funds for the new facility, and are provided as a match to the federal funding. The instruments will support collaborations with the University of Washington and the Washington State University.

(10) \$593,000 of the state building construction account—state appropriation is provided solely to the port of Grays Harbor for an offshore ocean wave renewable energy demonstration project.

(11) \$1,500,000 of the state building construction account—state appropriation is provided solely to the Port of Skagit for the Guemes ferry dock shore power charging infrastructure.

2019-21 Early Learning Facilities (40000044)

The appropriations in this section are subject to the following conditions and limitations:

(1) \$200,000 of the state building construction account—state appropriation is provided solely for the department of children, youth, and families to provide technical assistance to the department for the early learning facilities grants in this section.

(2) \$6,100,000 of the state building construction account—state appropriation is provided solely for the following list of early learning facility projects in the following amounts:

Proclaim Liberty Early Learning Facility	\$1,000,000
Roosevelt Child Care Center	\$1,500,000
City of Monroe, Boys & Girls Club ECEAP Facility	\$1,000,000
Family Support Center Olympia	\$600,000
Centralia-Chehalis Early Learning Conversion Project	\$2,000,000

(3) \$4,186,000 of the early learning facilities development account—state appropriation in this section is provided solely for the following list of early learning facility projects for school districts, subject to the provisions of RCW 43.31.573 through 43.31.583 and 43.84.092, in the following amounts:

Toppenish School District	\$111,000
Manson School District	\$400,000
Kettle Falls School District	\$395,000
North Thurston School District	\$324,000
Ellensburg School District	\$800,000
Everett School District	\$800,000
Tukwila School District	\$196,000
Richland School District	\$800,000
Lake Quinault School District	\$360,000

(4) The remaining portion of the appropriation in this section is provided solely for early learning facility grants and loans subject to the provisions of RCW 43.31.573 through 43.31.583 and 43.84.092 to provide state assistance for designing, constructing, purchasing, expanding, or modernizing public or private early learning education facilities for eligible organizations.

(5) The department of children, youth, and families must develop methodology to identify, at the school district boundary level, the geographic locations of where early childhood education and assistance program slots are needed to meet the entitlement specified in RCW 43.216.556. This methodology must be linked to the caseload forecast produced by the caseload forecast council and must include estimates of the number of slots needed at each school district. This methodology must inform any early learning facilities needs assessment conducted by the department of commerce and the department of children, youth, and families. This methodology must be included as part of the budget submittal documentation required by RCW 43.88.030.

(6) When prioritizing areas with the highest unmet need for early childhood education and assistance program slots, the committee of early learning experts convened by the department of commerce pursuant to RCW 43.31.581 must first consider those areas at risk of not meeting the entitlement in accordance with RCW 43.216.556.

(7) The department of commerce must track the number of slots being renovated separately from the number of slots being constructed and, within these categories, must track the number of slots separately by program for the working connections child care program and the early childhood education and assistance program.

(8) When prioritizing applications for projects, pursuant to subsection (4) of this section, within the boundaries of a regional transit authority in a county that has received distributions or appropriations under RCW 43.79.520, the department must give

priority to applications for which at least ten percent of the total project cost is supported by those distributions or appropriations.

(9) The department, in consultation with the office of the superintendent of public instruction and the department of children, youth, and families must identify buildings in the inventory and condition of schools database that are no longer included in the inventory of K-12 instructional space for purposes of calculating school construction assistance pursuant to chapter 28A.515 RCW, but that could be repurposed as early learning facilities and made available to eligible organizations. The department must report its findings and the list of buildings identified in this section to the office of financial management and the appropriate fiscal committees of the legislature by January 15, 2020.

2019-21 Energy Efficiency and Solar Grants Program (40000049)

The appropriation in this section is subject to the following conditions and limitations:

(1)(a) \$1,785,000 for fiscal year 2020 and \$1,785,000 for fiscal year 2021 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts and state agencies for operational cost savings improvements to facilities and related projects that result in energy and operational cost savings.

(b) At least twenty percent of each competitive grant round must be awarded in small cities or towns with a population of five thousand or fewer residents.

(c) In each competitive round, the higher the leverage ratio of nonstate funding sources to state grant and the higher the energy savings, the higher the project ranking.

(d) For school district applicants, priority consideration must be given to school districts that demonstrate improved health and safety through reduced exposure to polychlorinated biphenyl.

Priority consideration must be given to applicants that have not received grant awards for this purpose in prior biennia.

(2) \$3,573,000 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for projects that involve the purchase and installation of solar energy systems, including solar modules and inverters, with a preference for products manufactured in Washington.

(3) \$5,357,000 is provided solely for the state efficiency and environmental performance improvements to minor works and stand-alone projects at state-owned facilities that repair or replace existing building systems including, but not limited to, HVAC, lighting, insulation, windows, and other mechanical systems. Eligibility for this funding is dependent on an analysis using the office of financial management's life-cycle cost tool that compares project design alternatives for initial and long-term cost-effectiveness. Assuming a reasonable return on investment, the department shall provide grants in the amount required to improve the project's energy efficiency compared to the original project request. Prior to awarding funds, the department shall submit to the office of financial management a list of all proposed awards for review and approval.

(4) The department shall develop metrics that indicate the performance of energy efficiency efforts.

**NEW SECTION. Sec. 1041. FOR THE DEPARTMENT OF COMMERCE**

2019-21 Behavioral Health Capacity Grants (40000114)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for the department of commerce to issue grants to community hospitals or other community providers to expand and establish new capacity for behavioral health services in communities. The department of commerce must consult an advisory group consisting of representatives from the department of social and health services, the health care authority, one representative from a managed care organization, one representative from an accountable care organization, and one representative from the association of county human services. Amounts provided in this section may be used for construction and equipment costs associated with establishment of the facilities. The department of commerce may approve funding for the acquisition of a facility or land if the project results in increased capacity. Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services.

(2) The department must establish criteria for the issuance of the grants, which must include:

(a) Evidence that the application was developed in collaboration with one or more regional behavioral health entities that administer the purchasing of services;

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) Evidence that the applicant is able to meet applicable licensing and certification requirements in the facility that will be used to provide services;

(d) A commitment by applicants to serve persons who are publicly funded and persons detained under the involuntary treatment act under chapter 71.05 RCW;

(e) A commitment by the applicant to maintain and operate the beds or facility for a time period commensurate to the state investment, but for at least a fifteen-year period;

(f) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;

(g) A detailed estimate of the costs associated with opening the beds;

(h) A financial plan demonstrating the ability to maintain and operate the facility; and

(i) The applicant's commitment to work with local courts and prosecutors to ensure that prosecutors and courts in the area served by the hospital or facility will be available to conduct involuntary commitment hearings and proceedings under chapter 71.05 RCW.

(3) In awarding funding for projects in subsection (5) of this section, the department, in consultation with the advisory group established in subsection (1) of this section, must strive for geographic distribution and allocate funding based on population and service needs of an area. The department must consider current services available, anticipated services available based on projects underway, and the service delivery needs of an area.

(4) The department must prioritize projects that increase capacity in unserved and underserved areas of the state.

(5) \$47,000,000 is provided solely for a competitive process for each category listed and is subject to the criteria in subsections (1), (2), (3), and (4) of this section:

(a) \$4,000,000 is provided solely for at least two enhanced service facilities for long-term placement of patients discharged or diverted from the state psychiatric hospitals and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(b) \$10,000,000 is provided solely for enhanced adult residential care facilities for long-term placements of dementia discharged or diverted from the state psychiatric hospitals and are not subject to federal funding restrictions that apply to institutions of mental diseases;

(c) \$4,000,000 is provided solely for at least two facilities with secure withdrawal management and stabilization treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(d) \$2,000,000 is provided solely for one or more crisis diversion or stabilization facilities to add sixteen beds in the Spokane region that will address both urban and rural needs, consistent with the settlement agreement in *A.B. by and through Trueblood, et al., v. DSHS, et al.* and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(e) \$5,000,000 is provided solely for at least four mental health peer respite centers that are not subject to federal funding restrictions that apply to institutions of mental diseases. No more than one mental health peer respite center should be funded in each of the nine regions;

(f) \$8,000,000 is provided solely for the department to provide grants to community hospitals, freestanding evaluation and treatment providers, or freestanding psychiatric hospitals to develop capacity for beds to serve individuals on ninety-day or

one hundred eighty-day civil commitments as an alternative to treatment in the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, and the department of health and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the health care authority;

(iv) The provider has demonstrated to the department of health and the health care authority that it is able to meet the applicable licensing and certification requirements for the facility that will be used to provide services; and

(v) The health care authority has confirmed that it intends to contract with the facility for operating costs within funds provided in the omnibus operating appropriations act for these purposes.

(g) \$4,000,000 is provided solely for competitive community behavioral health grants to address regional needs;

(h) \$8,000,000 is provided solely for at least four intensive behavioral health treatment facilities for long-term placement of behavioral health patients with complex needs and that are not subject to federal funding restrictions that apply to institutions of mental diseases; and

(i) \$2,000,000 is provided solely for grants to community providers to increase behavioral health services and capacity for children and minor youth including, but not limited to, services for substance use disorder treatment, sexual assault and traumatic stress, anxiety, or depression, and interventions for children exhibiting aggressive or depressive behaviors in facilities that are not subject to federal funding restrictions. Consideration must be given to programs that incorporate outreach and treatment for youth dealing with mental health or social isolation issues.

(6) \$1,000,000 is provided solely for deposit into the revolving fund established in Second Substitute House Bill No. 1528 (recovery support services) for capital improvements. If the bill is not enacted by June 30, 2019, the amount provided in this subsection shall lapse.

(7) \$49,543,000 is provided solely for the following list of projects and is subject to the criteria in subsection (1) of this section:

CHAS Spokane Behavioral Health	\$400,000
Chelan SUD Design	\$206,000
Columbia Valley Community Health Remodel	\$31,000
Colville SUD Facility	\$4,523,000

Virginia Mason Acute Stabilization	\$2,200,000
Yakima Neighborhood Health Services	\$488,000
Yakima Valley Farm Workers Clinic	\$309,000
YVFWC Children's Village	\$1,000,000

(8)(a) \$20,000,000 of the appropriation in this section is provided solely for a contract with MultiCare to provide a mixed-use psychiatric care facility in Auburn. The facility must include twelve to eighteen crisis stabilization beds, sixty commitment beds for short-term stays, and sixty long-term involuntary commitment beds for persons on a ninety-day or one hundred eighty-day civil commitment.

(b) The funding in this subsection is subject to the recipient maintaining and operating the beds for at least thirty years to serve (i) persons who are publicly funded and (ii) persons who are detained under the involuntary treatment act under chapter 71.05 RCW.

(9) \$408,000 is provided solely for the department for the purpose of providing technical assistance for the community behavioral health grants.

(10) The department of commerce must notify all applicants that they may be required to have a construction review performed by the department of health.

(11) To accommodate the emergent need for behavioral health services, the department of health and the department of commerce, in collaboration with the health care authority and the department of social and health services, must establish a concurrent and expedited process to assist grant applicants in meeting any applicable regulatory requirements necessary to operate inpatient psychiatric beds, freestanding evaluation and treatment facilities, enhanced services facilities, triage facilities, crisis stabilization facilities, or secure detoxification/secure withdrawal management and stabilization facilities.

(12) The department must strive to allocate all of the amounts appropriated within subsection (5) of this section in the manner prescribed. However, if upon review of applications, the department determines, in consultation with the advisory group established in subsection (1) of this section, that there are not adequate suitable projects in a category, the department may allocate funds to other behavioral health capacity project categories within subsection (5) of this section, prioritizing projects in unserved areas of the state.

(13) The department must provide a progress report by November 1, 2020. The report must include:

(a) The total number of applications and amount of funding requested;

(b) A list and description of the projects approved for funding including state funding, total project cost, services anticipated to be provided, bed capacity, and anticipated completion date; and

(c) A status report of projects that received funding in prior funding rounds, including details about the project completion and the date the facility began providing services.

**NEW SECTION. Sec. 1042. FOR THE DEPARTMENT OF COMMERCE**

2020 Local and Community Projects (40000116)  
The appropriation in this section is subject to the following

conditions and limitations:

(1) The department shall not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) The appropriation is provided solely for the following list of projects:

Union Gap Library and Community Center	\$2,000,000
Winthrop Library	\$2,000,000
Woodland Community Library	\$515,000
Yale Valley Community Library	\$300,000

(2) The department of commerce must establish a competitive process to solicit proposals for and prioritize projects whose primary objective is to assist libraries operated by governmental units as defined in RCW 27.12.010 in acquiring, constructing, or rehabilitating facilities.

(3) The department of commerce must establish a committee to develop the grant program criteria and review proposals. The committee must be composed of five members as provided in this subsection. The committee must include: (a) A representative from the department of commerce; (b) a representative from the department of archaeology and historic preservation; (c) the state librarian; (d) a representative from a library district; and (e) a representative from a municipal library.

(4) The department of commerce must conduct a statewide solicitation of project applications. The department of commerce must evaluate and rank applications in consultation with the committee established in subsection (3) of this section, using objective criteria. The ranking of projects must prioritize library district facilities listed on a local, state, or federal register of historic places and those located in distressed or rural counties. The evaluation and ranking process must also include an

examination of existing assets that applicants propose to apply to projects. Grant assistance under this section may not exceed fifty percent of the total cost of the project. The nonstate portion of the total project cost may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions.

(5) The department of commerce must submit a prioritized list of recommended projects to the governor and the legislature by October 1, 2020, for inclusion in the department of commerce's 2021-2023 biennial capital budget request. The list must include a description of each project, the amount of recommended state funding, and documentation of nonstate funds to be used for the project. Individual grants may not exceed two million dollars. The total amount of recommended state funding for the projects on a biennial project list must not exceed ten million dollars.

(6) In contracts for grants authorized under this section, the department of commerce must include provisions that require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee must repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued on the date most close in time to the date of authorization of the grant.

2019-21 Drinking Water System Repairs and Consolidation (40000027)	

The appropriation in this section is subject to the following conditions and limitations: The appropriation is provided solely for grants to well-managed, publicly-owned group A water utilities for the repair and consolidation of group A and B water systems under the following conditions:

(1) A grant may be provided when a water system has been voluntarily transferred to a publicly owned water utility within the last three years. The grant may be used for repair and consolidation costs.

(2) The grant applicant must provide the department of health with an accounting of rehabilitation costs and the value of the system. The grant must be used primarily to cover project design and construction costs, and only in limited cases to cover the cost of system acquisitions, as determined by the department of health in evaluating grant applications.

(3) Grants must primarily be used to cover project construction costs that customers benefiting from the project cannot afford to repay through loans, as determined by the department of health and the publicly owned utility receiving the grant to complete the project.

(4) Applicants must provide a plan demonstrating that project completion will occur within three years of the grant contract execution.

(5) Each grant must be less than twenty-five percent of the total appropriation.

(6) The primary purpose of this appropriation is to fund water system repair and consolidation construction costs. However, the department may use up to \$75,000 under this section for grants for feasibility review of water system repair and consolidation projects that would meet the objectives of this section and RCW 70.119A.190.

Healthy Housing Remediation Program (40000149)  
 The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for the department to establish and administer a program to provide grants to persons intending to remediate contaminated real property for development of affordable housing, as defined in RCW 43.185A.010. The grants may only be used for:

(a) Integrated planning to fund studies and other activities necessary to facilitate the acquisition, remediation, and adaptive reuse of known or suspected contaminated real property for affordable housing development, including:

(i) The activities specified under RCW 70.105D.070(4)(e)(iv); and

(ii) Entry into development agreements pursuant to RCW 36.70B.170 through 36.70B.190 to accelerate the development of the contaminated real property into affordable housing; and

(b) Remediation of contaminated real property for affordable housing development.

(2) When prioritizing grants under this section, the department must consult with the department of commerce and consider at a minimum:

(a) The ability of the project to expedite the cleanup and reuse of the contaminated real property for affordable housing development;

(b) The extent to which the project leverages other public or private funding for the cleanup and reuse of the contaminated real property for affordable housing development;

(c) The suitability of the real property for affordable housing based on the threat posed by the contamination to human health;

(d) Whether the work to be funded under the grant is ready to proceed and be completed; and

(e) The distribution of grants throughout the state and among public and private entities.

(3) Any remediation of contaminated real property funded under this section must be performed:

(a) Under an agreed order or consent decree issued under chapter 70.105D RCW; and

(b) In accordance with the rules established under chapter 70.105D RCW.

(4) Prior to a grant recipient conveying any interest in the real property or entering into any leases, the real property must be restricted to affordable housing use for a period of no less than thirty years.

(a) The department may require a grant recipient to record an interest in the land in accordance with RCW 64.04.130 or use other means deemed by the department to be no less protective of the affordable housing use and interests of the department.

(b) Any grant recipient who refuses, without sufficient cause, to comply with this subsection shall be subject to enforcement pursuant to any agreement or chapter 70.105D RCW for the

repayment, with interest, of funds provided under this section.

2019-21 Water Irrigation Efficiencies Program (40000009)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for technical assistance and grants to conservation districts for the purpose of implementing water conservation measures and irrigation efficiencies. The state conservation commission shall give preference to projects located in the sixteen fish critical basins, other water-short or drought impacted basins, and basins with significant water resource and instream flow issues. Projects that are not within the basins described in this subsection are also eligible to receive funding.

(2) Conservation districts statewide are eligible for grants listed in subsection (1) of this section. A conservation district receiving funds shall manage each grant to ensure that a portion of the water saved by the water conservation measure or irrigation efficiency will be placed as a purchase or a lease in the trust water rights program to enhance instream flows. The proportion of saved water placed in the trust water rights program must be equal to the percentage of the public investment in the conservation measure or irrigation efficiency. The percentage of the public investment may not exceed eighty-five percent of the total cost of the conservation measure or irrigation efficiency.

(3) Up to \$300,000 of the appropriation in this section may be allocated for the purchase and installation of flow meters that are implemented in cooperation with the Washington state department of fish and wildlife fish screening program authorized under RCW 77.57.070.

State Forest Land Replacement (40000032)

The appropriation in this section is subject to the following conditions and limitations:

(1)(a) The appropriation is provided solely to the department to transfer from state forestland status to natural resources conservation area status certain state forestlands in counties with:

- (i) A population of twenty-five thousand or fewer; and
- (ii) Risks of timber harvest deferrals greater than thirty years due to the presence of wildlife species listed as endangered or threatened under the federal endangered species act.

(b) This appropriation must be used equally for the transfer of qualifying state forestlands in the qualifying counties.

(2) Property transferred under this section must be appraised and transferred at fair market value, without consideration of management or regulatory encumbrances associated with wildlife species listed under the federal endangered species act. The value of the timber and other valuable materials transferred must be distributed as provided in RCW 79.64.110. The value of the land transferred must be deposited in the park land trust revolving account and be used solely to buy replacement state forestland, consistent with RCW 79.22.060.

(3) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Transfer agreements for properties identified in subsection (1) of this section must include terms that restrict the use of the property to the intended purpose.

(4) The department and applicable counties shall work in good faith to carry out the intent of this section. The department will identify eligible properties for transfer, consistent with subsections (1) and (2) of this section, in consultation with the applicable counties, and will not execute any property transfers that are not in the statewide interest of either the state forest trust or the natural resources conservation area program.

**NEW SECTION. Sec. 3281. FOR THE DEPARTMENT OF NATURAL RESOURCES**

Trust Land Transfer Program (40000034)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation is provided solely for the department of natural resources to transfer from trust status certain trust lands of statewide significance deemed appropriate for state parks, fish and wildlife habitats, natural area preserves, natural resources conservation areas, department of natural resources community forest open spaces, or recreation purposes. The approved property for transfer is identified in the LEAP capital document No. 2019-9H, developed April 27, 2019.

(2) Property transferred under this section must be appraised and transferred at fair market value. By September 30, 2019, the department must deposit in the common school construction account the portion of the appropriation in this section that represents the estimated value of the timber on the transferred properties. This transfer must be made in the same manner as timber revenues from other common school trust lands. No deduction may be made for the resource management cost account under RCW 79.64.040. The portion of the appropriation in this section that represents the value of the land transferred must be deposited in the natural resources real property replacement account.

(3) All reasonable costs incurred by the department to implement this section are authorized to be paid out of the appropriations. Authorized costs include the actual cost of appraisals, staff time, environmental reviews, surveys, and other similar costs, and may not exceed one and nine-tenths percent of the appropriation.

(4) By June 30, 2021, land within the common school trust shall be exchanged for land of equal value held for other trust beneficiaries of the property identified in subsection (1) of this section.

(5) Prior to or concurrent with conveyance of these properties, the department shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section. Fee transfer agreements for properties identified in subsection (1) of this section must include terms that perpetually restrict the use of the property to the intended purpose. Transfer agreements may include provisions for receiving agencies to request alternative uses of the property, provided the alternative uses are compatible with the originally intended public purpose and the department and legislature approves such uses.

(6) The department shall work in good faith to carry out the intent of this section.

(7) By June 30, 2021, the state treasurer shall transfer to the common school construction account any unexpended balance of the appropriation in this section.

School Seismic Safety Assessments (40000047)

The appropriation in this section is subject to the following conditions and limitations:

(1) The department, in consultation with the office of emergency management, the office of the superintendent of public instruction, and the state board of education, shall develop a prioritized seismic risk assessment that includes seismic safety surveys of public facilities that are subject to high seismic risk because of high earthquake hazard and soils that amplify that hazard.

(2) The survey must be a representative sample of public facilities located in high priority areas as determined in the 2017-19 survey of public school seismic safety assessments and tsunami inundation zones as published by the department. The survey must use the results of the 2017-19 survey's findings to prioritize school buildings based on geologic and engineering results.

(3) The seismic safety surveys must be conducted for the following types of public facilities in the following order:

(a) A portion of public school facilities that are routinely used for the instruction of students in kindergarten through twelfth grade and in school districts that have held successful bond elections within the previous three years;

(b) A portion of the remaining public school facilities that are routinely used for the instruction of students in kindergarten through twelfth grade;

(c) Fire stations located within a one-mile radius of a facility described in (a) or (b) of this subsection.

(4) The department must coordinate and maximize survey efforts made under subsection (3)(a), (b), and (c) of this section whenever possible.

(5) The initial phase of the prioritized seismic needs assessment of the facilities specified in subsection (3)(a) and (b) of this section shall include, but is not limited to, the following:

(a) An on-site assessment, under the supervision of licensed geologists, of the seismic site class of the soils at the facilities;

(b) An on-site inspection of the facility buildings, including structural systems using structural plans where available, condition, maintenance, and nonstructural seismic hazards following standardized methods by licensed structural engineers;

(c) An estimate of costs to retrofit a prioritized subset of the facilities specified in subsection (3)(a) and (b) of this section to life safety standards as defined by the American society of civil engineers; and

(d) An estimate of costs to retrofit a prioritized subset of facilities specified in subsection (3)(c) of this section to immediate occupancy standards as defined by the American society of civil engineers.

(6) The department must collect and submit survey data to the superintendent of public instruction in a format compatible with the inventory and condition of schools database. The department must enter into an agreement with the superintendent of public

instruction to make any necessary modifications to the inventory and condition of schools database to receive and report the survey data.

(7) The department must share that data with the school districts where the surveys were conducted, the schools where the surveys were conducted, the governor, and the appropriate legislative committees.

(8) The department and the office of the superintendent of public instruction must provide technical assistance to the school facilities sampled to incorporate survey information into their school safety plans.

(9) The statewide seismic needs assessment specified in this section shall be submitted to the office of financial management and the appropriate committees of the legislature by June 30, 2021.

Forest Hazard Reduction (40000049)

The appropriation in this section is subject to the following conditions and limitations:

(1) \$13,200,000 is provided solely for: Mitigating risk of uncharacteristic wildfire and other disturbances to protect lives, communities, property, ecosystems, and working forests; implementing forest health treatments, prioritized pursuant to chapter 76.06 RCW, on state lands and state forestlands, high-risk private lands, and federal lands, including implementation of the "good neighbor" agreement signed with the United States forest service and the bureau of land management, and "good neighbor" cross boundary competitive grants to forest collaboratives; and increasing the use of prescribed fire through improved trainings, prescribed burn certification programs, and shared stewardship strategies with federal land managers.

(2) \$1,000,000 is provided solely for administering the forest health treatments pursuant to subsection (1) of this section with the following conditions and limitations:

(a) The department must contract with the Washington conservation corps, including veterans, to provide forest health treatments that may include thinning, pruning, and brush disposal, and other wildfire preparedness and fuel modification practices for firewise communities; and

(b) The department must work in conjunction with communities, counties, fire districts, and conservation districts in implementing wildfire preparedness and fuel modification practices for firewise communities.

The appropriation in this section is subject to the following conditions and limitations:

(1) \$261,000 of the appropriation is provided solely for automating the school construction assistance program grant application process, known as the "d-form process," in the inventory and condition of schools database with the following conditions and limitations:

(a) The school facilities and organization division of the office of the superintendent of public instruction, in consultation with the technical advisory committee defined in RCW 28A.525.025, must apply lean management principles and other performance management strategies to the d-form process prior to automating the process to reduce undue administrative burdens on school districts seeking state funding assistance for school construction;

and

(b) The office of the superintendent of public instruction must submit a report to the office of financial management and the appropriate fiscal committees of the legislature on the progress and implementation of automating the d-form process by December 1, 2020.

(2)(a) Within the remaining portion of the appropriation, the school facilities and organization division of the office of the superintendent of public instruction, in consultation with the technical advisory committee and the citizens advisory panel defined in RCW 28A.525.025, must apply lean management principles and other performance strategies to the study and survey process to reduce undue administrative burdens on school districts seeking state funding assistance for school construction.

(b) The office of the superintendent of public instruction must submit a report to the office of financial management and the appropriate fiscal committees of the legislature on policy recommendations to streamline the study and survey process by December 1, 2020.

School District Health and Safety 2019-21 (40000019)

The appropriations in this section are subject to the following conditions and limitations:

(1) \$2,000,000 of the common school construction account—state appropriation is provided solely for emergency repair grants to address unexpected and imminent health and safety hazards at K-12 public schools, including skill centers, that will impact the day-to-day operations of the school facility, and this is the maximum amount that may be spent for this purpose. For emergency repair grants only, an emergency declaration must be signed by the school district board of directors and submitted to the superintendent of public instruction for consideration. The emergency declaration must include a description of the imminent health and safety hazard, the possible cause, the proposed scope of emergency repair work and related cost estimate, and identification of local funding to be applied to the project. Grants of emergency repair moneys must be conditioned upon the written commitment and plan of the school district board of directors to repay the grant with any insurance payments or other judgments that may be awarded, if applicable.

(2) \$3,000,000 of the state building construction account—state appropriation is provided solely for urgent repair grants to address nonrecurring urgent small repair projects at K-12 public schools, excluding skill centers, that could impact the health and safety of students and staff if not completed, and this is the maximum amount that may be spent for this purpose. The office of the superintendent of public instruction, after consulting with maintenance and operations administrators of school districts, shall develop criteria and assurances for providing funding for specific projects through a competitive grant program. The criteria and assurances must include, but are not limited to, the following: (a) Limiting school districts to one grant, not to exceed \$200,000, per three-year period; (b) prioritizing applications based on limited school district financial resources for the project; and (c) requiring any district receiving funding provided in this section to demonstrate a consistent commitment to addressing school facility needs. The grant applications must include a comprehensive description of the health and safety issues to be addressed, a detailed description of the remedy, including a

detailed cost estimate of the repair or replacement work to be performed, and identification of local funding, if any, which will be applied to the project. Grants may be used for, but are not limited to: Repair or replacement of failing building systems; abatement of potentially hazardous materials; and safety-related structural improvements.

(3) \$1,000,000 of the state building construction account—state appropriation is provided solely for equal access grants for facility repairs and alterations at K-12 public schools, including skills centers, to improve compliance with the Americans with disabilities act and individuals with disabilities education act, and this is the maximum amount that may be spent for this purpose. The superintendent of public instruction shall develop criteria and assurances for providing funding for specific projects through a competitive grant program. The criteria and assurances must include, but are not limited to, the following: (a) Limiting districts to one grant, not to exceed \$100,000, per three-year period; (b) prioritizing applications based on limited school district financial resources for the project; and (c) requiring recipient districts to demonstrate a consistent commitment to addressing school facility needs. The grant applications must include a description of the Americans with disabilities act or individuals with disabilities education act compliance deficiency, a comprehensive description of the facility accessibility issues to be addressed, a detailed description of the remedy including a detailed cost estimate of the repair or replacement work to be performed, and identification of local funding, if any, which will be applied to the project. Priority for grant funding must be given to school districts that demonstrate a lack of capital resources to address the compliance deficiencies outlined in the grant application.

(4) The superintendent of public instruction must notify the office of financial management, the legislative evaluation and accountability program committee, the house capital budget committee, and the senate ways and means committee as projects described in subsection (1) of this section are approved for funding.

Healthy Kids / Healthy Schools 2019-21 (40000021)

The appropriation in this section is subject to the following conditions and limitations:

(1) \$250,000 of the common school construction account—state appropriation is provided solely for Washington Green Schools for planning and developing green stormwater infrastructure on public school properties that have been identified as needing to reduce stormwater runoff. The office must identify infrastructure project locations based on GIS mapping and must prioritize schools with high percentages of enrollments eligible for the free and reduced price meal program to provide equity of opportunity in high need communities. It is the intent of the legislature that these projects be used to engage students and be completed in conjunction with K-12 STEM education curriculum developed to meet next generation climate standards.

(2) The office of the superintendent of public instruction, after consulting with maintenance and operations administrators of school districts and the department of health, shall develop or use

its previously developed criteria for providing funding for specific projects that are consistent with the healthiest next generation priorities. The criteria must include, but are not limited to, the following:

(a) Districts or schools may apply for grants but no single district may receive more than \$200,000 of the appropriation;

(b) Any district receiving funding provided in this section must demonstrate a consistent commitment to addressing school facilities' needs; and

(c) Applicants with a high percentage of students who are eligible and enrolled in the free and reduced-price meals program must be prioritized.

(3) The remaining portion of the appropriation may be used:

(a) For water bottle filling stations, which may include replacement of lead-contaminated drinking water fixtures.

(b) To purchase equipment or make repairs related to improving children's physical health which may include, but is not limited to: Fitness playground equipment, covered play areas, and physical education equipment or related structures or renovation.

(c) To purchase equipment or make repairs related to improving children's nutrition which may include, but is not limited to: Garden related structures and greenhouses to provide students access to fresh produce, and kitchen equipment or upgrades.

2019-21 Small District Modernization Grants (92000139)

The appropriation in this section is subject to the following conditions and limitations:

(1) The legislature finds that small school districts with total enrollments of one thousand students or less may have school facilities with significant building systems deficiencies and low property values, and that raising enough funds to participate in the school construction assistance program to replace or modernize their school facilities would present an extraordinary tax burden on property owners or would exceed allowable debt.

(2) \$200,000 of the appropriation is provided solely for the office of the superintendent of public instruction to administer the grant program and provide technical assistance to small school districts seeking grants funded in this section.

(3) \$1,000,000 of the appropriation is provided solely for planning grants for small school districts interested in seeking modernization grants in subsection (4) of this section. The superintendent may prioritize planning grants for school districts with the most serious building deficiencies and the most limited financial capacity. Planning grants may not exceed \$50,000 per district.

(4) The remaining portion of the appropriation is provided solely for modernization grants for small school districts with significant building system deficiencies and limited financial capacity with the following conditions:

(a) The superintendent of public instruction must appoint an advisory committee whose members have experience in financing and managing school facilities in small school districts to assist the office in designing the grant application process, developing the prioritization criteria, and evaluating the grant applications. Advisory committee members may not be involved in developing projects or applying for grants funded in this section.

(b) In addition to prioritization criteria developed by the office of the superintendent of public instruction and the advisory

committee pursuant to (4)(a) of this section, the office and the advisory committee must also prioritize projects that: (i) Improve student health, safety, and academic performance for the largest number of students; (ii) provide the most available school district resources, including in-kind resources; and (iii) make use of mass-timber products, including cross-laminated timber, or aggregates and concretes materials.

(c) The superintendent must submit a list of small school district modernization projects, as prioritized by the advisory committee, to the legislature by January 15, 2020. The list must include: (i) A description of the project; (ii) the proposed state funding level, not to exceed \$5,000,000; (iii) estimated total project costs; and (iv) local funding resources. The appropriated funds in this subsection may be awarded only after the legislature approves the list.

(5) For projects in this section that are also eligible for funding through the school construction assistance program, the office of the superintendent of public instruction must expedite and streamline the administrative requirements, timelines, and matching requirements for the funds provided in this section to be used promptly. Funds provided in this section plus state funds provided in the school construction assistance program grant must not exceed total project costs minus available local resources.

(2) \$10,500,000 of the appropriation in this section is provided solely for classroom additions at Madison middle school in Seattle public schools.

(3) \$3,100,000 of the appropriation in this section is provided solely for heating and ventilation upgrades at North Beach elementary school in Seattle public schools.

(4) The remaining portion of the appropriation is provided solely for competitive grants for modular classrooms made with mass timber products, including cross-laminated timber, for the purpose of replacing portables in school districts with space challenges due to unavailable land for new school facilities to accommodate enrollment growth or with an overdependent use of portables to provide classroom space. The grants are subject to the following conditions and limitations:

(b) The office of the superintendent of public instruction must prioritize projects based on the following criteria in the following order:

(i) School districts with high ratios of portable classrooms to permanent classrooms;

(ii) School districts with low acreage of land available for new construction;

(iii) Projects that achieve lowest cost per classroom with highest percentage of mass timber products in the overall construction of the project; and

(iv) Projects that demonstrate multistory application of mass timber products.

Infrastructure Master Plan (40000021)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for the development of an innovative integrated infrastructure master plan at The Evergreen State College. The plan must detail a capital improvement strategy to transition the Olympia campus legacy infrastructure to a world-class set of integrated systems that supply highly reliable and optimized services for power, heat, clean water, wastewater, storm water, and solid waste.

(2) The infrastructure master plan may be developed by a consultant team selected through a design competition between private sector construction management firms experienced in performance contracting with the following conditions:

(a) No more than four firms may be selected to compete, and no more than three honoraria may be awarded to the unsuccessful competitors; and

(b) Criteria for selecting the consultant team may include, but is not limited to, the ability to create a plan that is affordable; creates greater resiliency, adaptability, and continuous improvement; and greater environmental performance.

(5) Any improvements to infrastructure from the infrastructure master plan must be maintained and operated by the staff of The Evergreen State College.

**FOR THE DEPARTMENT OF COMMERCE**

2018 Local and Community Projects (40000005)

The appropriations in this section are subject to the following conditions and limitations:

- (1) The department shall not expend the appropriations in this section unless and until the nonstate share of project costs have been either expended or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is for design costs only.
- (2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction activities or appropriations in which the sole purpose is to purchase real property that does not include a construction or renovation component.
- (3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.
- (4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.
- (5) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.
- (6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(8) \$26,000 of the appropriation in this section is provided solely for implementation of the Spanaway lake management plan.

(9) (~~(\$750,000)~~) \$1,250,000 of the appropriation in this section is provided solely for the planning, development, acquisition, and other activities pursuing open space conservation strategies for the historic Federal Way Weyerhaeuser campus. The grant recipient must be a regional nonprofit nature conservancy that works to conserve keystone properties selected by the city of Federal Way.

(10)(a) \$900,000 of the appropriation in this section is provided solely for an Interbay public development advisory committee. It is the intent of the legislature to examine current and future needs of a state entity that performs an essential public function on state-owned property located in one of the state's designated manufacturing industrial centers. The legislature further intends to explore the potential future uses of this state-owned property in the event that the state entity determines that it must relocate in order to protect its ability to perform its essential public function.

(b) The Interbay public development advisory committee is created to make recommendations regarding the highest public benefit and future economic development uses for the Washington army national guard armory facility in the city of Seattle, pier 91 property, located at the descriptions referred to in the quit claim deeds for two parcels of land, 24.75 acres total, dated January 8, 1971, and December 22, 2009.

(c) The Interbay advisory committee consists of seven persons appointed as follows:

(i) One person appointed by the speaker of the house of representatives;

(ii) One person appointed by the president of the senate; and

(iii) Five persons appointed by the governor, who must collectively have experience in forming public-private partnerships to develop workforce housing or affordable housing; knowledge of project financing options for public-private partnerships related to housing; architectural design and development experience related to industrial lands and mixed-use zoning to include housing; and experience leading public processes to engage communities and other stakeholders in public discussions regarding economic development decisions.

(d) The Interbay public development advisory committee must:

(i) Work in collaboration with the military department to determine the needs of the military department if it is relocated from the land described in subsection (1) of this section, including identifying:

(A) Current uses;

(B) Future needs of the units currently at this location;

(C) Potential suitable publicly owned sites in Washington for relocation of current units; and

(D) The costs associated with acquisition, construction, and relocation to another site or sites for these units;

(ii) Explore the future economic development opportunities if the land described in subsection (1) of this section is vacated by the military department, and make recommendations, including identifying:

(A) Suitable and unsuitable future uses for the land;

(B) Environmental issues and associated costs;

(C) Current public infrastructure availability, future public infrastructure plans by local or regional entities, and potential public infrastructure needs;

(D) Transportation corridors in the immediate area and any potential right-of-way needs; and

(E) Existing zoning regulations for the land and potential future zoning needs to evaluate workforce housing, affordable housing, and other commercial and industrial development compatible with the Ballard-Interbay manufacturing industrial center designation;

(iii) Explore the potential funding sources and partners as well as any needed transactions, and make recommendations, including:

(A) Any potential private partners or investors;

(B) Necessary real estate transactions;

(C) Federal funding opportunities; and

(D) State and local funding sources, including any tax-related programs; and

(iv) Conduct at least three public meetings at a location within the Ballard-Interbay manufacturing industrial center, where a quorum of the Interbay public development advisory committee members are present, at which members of the public are invited to present to the Interbay advisory committee regarding the future uses of the site and potential issues such as industrial land use, commercial development, residential zoning, and public infrastructure needs(~~and~~

~~(v) Provide a report to the legislature and office of the governor with recommendations for each area described in this subsection (10)(d) by June 29, 2019. The Interbay advisory committee's recommendations must include recommendations regarding the structure, composition, and scope of authority of any subsequent state public development authority that may be established to implement the recommendations of the Interbay advisory committee created in this section).~~

~~(e) ((The Interbay advisory committee created in this section terminates June 30, 2019.~~

~~(f))~~ Nothing in this section authorizes the solicitation of interest or bids for work related to the purposes of this section.

~~((g))~~ (f) The department of commerce shall provide staff support to the Interbay advisory committee. The department may contract with outside consultants to provide any needed expertise.

~~((h))~~ (g) Legislative members of the Interbay advisory committee are reimbursed for travel in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

(11) \$2,000,000 of the appropriation in this section is provided solely to the city of Lakewood for the purchase of property within the federally designated north clear zone at joint base Lewis-McChord. Once acquired, the property must be zoned for use compatible with the mission and activity of McChord airfield. The city may lease or resell the acquired property for fair market value, but any such lease or sale must include restrictions or covenants ensuring that the use of the property is safely compatible with the mission and activity of McChord airfield. If the city subsequently resells, rezones, develops, or leases the property for commercial or industrial uses contrary to the allowed uses in the north clear zone, the city must repay to the state the amount spent on the purchase of the property in its entirety within ten years.

(12) \$250,000 of the appropriation in this section is provided solely for a grant to the Federal Way chamber of commerce for two economic development projects focused in the south Puget Sound area. The amounts in this section must be used for a business retention and expansion program to conduct economic research in collaboration with stakeholders, develop data-driven economic strategies, and produce a written evaluation; and a

tourism enhancement program to develop and inventory the Federal Way area tourism sector, analyze data regarding visitation, and produce a written evaluation.

(13) \$400,000 of the appropriation in this section is provided solely for the Northshore athletic field which shall be named "Andy Hill Sports Complex."

(14) \$1,177,000 of the appropriation in this section is provided solely for the Harmony sports complex infrastructure and safety improvements in Vancouver and is contingent upon the facility being open to the public.

(15) \$250,000 of the appropriation in this section is provided solely for the Asia Pacific cultural center in Tacoma. It is the intent of the legislature that beyond the 2017-2019 fiscal biennium no state funding is provided to the Asia Pacific cultural center in Tacoma.

**Sec. 6004.** 2018 c 298 s 1007 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF COMMERCE**

Behavioral Health Community Capacity (40000018)

The appropriation in this section is subject to the following conditions and limitations:

(1) The appropriation in this section is provided solely for the department of commerce, in collaboration with the department of social and health services and the health care authority, to issue grants to community hospitals or other community entities to expand and establish new capacity for behavioral health services in communities. Amounts provided in this section may be used for construction and equipment costs associated with establishment of the facilities, and consideration must be given to programs that incorporate outreach and treatment for youth dealing with mental health or social isolation issues. The department of commerce may approve funding for the acquisition of a facility or land if the project results in increased capacity. Amounts provided in this section may not be used for operating costs associated with the treatment of patients using these services. The department shall establish criteria for the issuance of the grants, which must include:

(a) Evidence that the application was developed in collaboration with one or more behavioral health organizations, as defined in RCW 71.24.025, or entities that assume the responsibilities of behavioral health organizations in regions in which the health care authority is purchasing medical and behavioral health services through fully integrated contracts pursuant to RCW 71.24.380;

(b) Evidence that the applicant has assessed and would meet gaps in geographical behavioral health services needs in their region;

(c) A commitment by applicants to serve persons who are publicly funded and persons detained under the involuntary treatment act under chapter 71.05 RCW;

(d) A commitment by the applicant to maintain the beds or facility for at least a ten-year period;

(e) The date upon which structural modifications or construction would begin and the anticipated date of completion of the project;

(f) A detailed estimate of the costs associated with opening the beds; and

(g) The applicant's commitment to work with local courts and

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

prosecutors to ensure that prosecutors and courts in the area served by the hospital or facility will be available to conduct involuntary commitment hearings and proceedings under chapter 71.05 RCW.

(2) In awarding funding for projects in subsection (3), the department, in consultation with the department of social and health services, the health care authority, and behavioral health organizations, must strive for geographic distribution and allocate funding based on population and service needs of an area. The department must consider current services available, anticipated services available based on projects underway, and the service delivery needs of an area.

(3) \$49,600,000 is provided solely for a competitive process for each category listed and is subject to the criteria in subsections (1) and (2) of this section:

(a) \$4,600,000 is provided solely for at least two enhanced service facilities for long-term placement of patients discharged or diverted from the state psychiatric hospitals and that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(b) \$4,000,000 is provided solely for at least two facilities with secure detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(c) \$2,000,000 is provided solely for at least one facility with acute detox treatment beds that are not subject to federal funding restrictions that apply to institutions of mental diseases;

(d) \$12,700,000 is provided solely for crisis diversion or stabilization facilities that are not subject to federal funding restrictions that apply to institutions of mental diseases. At least two of the facilities must be located in King county and one must be located in Pierce county. The facility in Pierce county shall receive no less than \$3,200,000;

(e) \$12,700,000 is provided solely for the department to provide grants to community hospitals or freestanding evaluation and treatment providers to develop capacity for beds to serve individuals on ninety or one hundred eighty day civil commitments as an alternative to treatment in the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, and the department of health, and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the department of social and health services;

(iv) The provider has demonstrated to the department of health and the department of social and health services that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(v) The department of social and health services has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes;

(f) \$6,600,000 is provided solely for the department to provide grants to community providers to develop psychiatric residential treatment beds to serve individuals being diverted or transitioned from the state hospitals. In awarding this funding, the department must coordinate with the department of social and health services, the health care authority, the department of health, and the local behavioral health organization jurisdiction for which a proposal has been submitted and must only select facilities that meet the following conditions:

(i) The funding must be used to increase capacity related to

serving individuals who will be transitioned from or diverted from the state hospitals;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases;

(iii) The provider has submitted a proposal for operating the facility to the behavioral health organization in the region or the entity that assumes the responsibilities of the behavioral health organization pursuant to RCW 71.24.380;

(iv) The provider has demonstrated to the department of health and the department of social and health services that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(v) The behavioral health organization or the entity that assumes the responsibilities of the behavioral health organization pursuant to RCW 71.24.380 has confirmed that it intends to contract with the facility for operating costs within funds provided in the operating budget for these purposes;

(g) \$5,000,000 is provided solely for grants to community providers to increase behavioral health services and capacity for children and minor youth, including but not limited to, services for substance use disorder treatment, sexual assault and traumatic stress, anxiety, or depression, and interventions for children exhibiting aggressive or depressive behaviors. In awarding funds for projects in this subsection, the department, in consultation with the department of social and health services and the health care authority must review projects based on the following criteria:

(i) The funding must be used to increase capacity related to serving children and minor youth with behavioral health needs;

(ii) The facility is not subject to federal funding restrictions that apply to institutions of mental diseases; and

(iii) The provider has demonstrated to the department of health, department of social and health services, and health care authority that it is able to meet applicable licensing and certification requirements in the facility that will be used to provide services; and

(h) \$2,000,000 is provided solely for competitive community behavioral health grants.

(4) (~~(\$35,276,000)~~) \$34,776,000 is provided solely for the following list of projects and is subject to the criteria in subsection (1) of this section:

North Sound Behavioral Health Organization Denny Youth Center	\$5,000,000
North Sound Behavioral Health Organization Substance Use Disorder Intensive Treatment	\$5,000,000
North Sound Stabilization Campus (Sedro-Woolley)	\$1,550,000

Tri-county Detox and Crisis Center	\$4,000,000
Toppenish Hospital	<del>(\$1,000,000)</del> <u>\$500,000</u>

(5) \$3,000,000 is provided solely for the Evergreen treatment services building purchase, contingent on matching funds.

(6)(a) \$3,000,000 is provided solely for a grant to a joint venture between MultiCare-Franciscan to provide community based behavioral health services. Funding provided in this subsection is subject to the criteria in subsection (1) of this

section. The department of commerce may not release funding for this project unless MultiCare-Franciscan enters into a memorandum of understanding with the department of social and health services by October 31, 2018, to collaborate on development and implementation of strategies to expand the behavioral health workforce in the region. At a minimum, the agreement must include strategies for increasing recruitment of health professionals required to staff psychiatric inpatient facilities, including psychiatrists, psychologists, nurses and other health care professionals. The agreement must also identify opportunities for coordination between the parties to expand access to clinical skill development and training opportunities in the region and strategies for collaborative service delivery between the parties when possible. To objectively evaluate the efficacy of the strategies implemented to achieve the desired outcomes of the agreement, performance measures and targets must be established to include:

(b) MultiCare-Franciscan and the department of social and health services must work collaboratively to decrease vacancy rates for hard-to-recruit health care professionals employed by each facility. The parties must develop strategies to attract more qualified health care professionals to the area and ensure comparable exposure to the benefits of working for each organization. The parties must measure the success of these strategies by the decrease in vacancy rate for health care professionals necessary to provide safe, quality inpatient psychiatric care in MultiCare-Franciscan and department facilities following the first year as the baseline of the partnership/consortium and with updated goals for each subsequent year. MultiCare-Franciscan and the department of social and health services must work to increase the competency and skills of health care professionals across both facilities by establishing organized joint- and cross-training programs. The parties must measure the success of this strategy by the number of health care professionals in total and by discipline complete cross-training activities and by the number and hours of cross-training opportunities offered under the agreement.

(7) The department of commerce shall notify all applicants that they may be required to have a construction review performed by the department of health.

(8) To accommodate the emergent need for behavioral health services, the department of health and the department of commerce, in collaboration with the health care authority and the department of social and health services, shall establish a concurrent and expedited process to assist grant applicants in meeting any applicable regulatory requirements necessary to operate inpatient psychiatric beds, free-standing evaluation and treatment facilities, enhanced services facilities, triage facilities, crisis stabilization facilities, detox, or secure detox.

(9) The department must strive to allocate all of the amounts appropriated within subsection (3) of this section in the manner prescribed. However, if upon review of applications, the department determines that there are not adequate suitable projects in a category, the department may allocate funds to other behavioral health capacity project categories within subsection (3) of this section, prioritizing projects in unserved areas of the state.

as follows:

**FOR THE DEPARTMENT OF COMMERCE**

2017-19 Housing Trust Fund Program (30000872)

The appropriations in this section are subject to the following conditions and limitations:

(1) ~~(\$58,000,000)~~ \$83,500,000 of the state taxable building construction account—state appropriation, ~~(\$44,131,000)~~ \$19,631,000 of the state building construction account—state appropriation, and \$8,658,000 of the Washington housing trust account—state appropriation are provided solely for affordable housing and preservation of affordable housing. Of the amounts in this subsection:

(a) \$24,370,000 is provided solely for housing projects that provide supportive housing and case-management services to persons with chronic mental illness. The department must prioritize low-income supportive housing unit proposals that provide services or include a partner community behavioral health treatment provider;

(b) \$10,000,000 is provided solely for housing preservation grants or loans to be awarded competitively. The grants may be provided for major building improvements, preservation, and system replacements, necessary for the existing housing trust fund portfolio to maintain long-term viability. The department must require that a capital needs assessment is performed to estimate the cost of the preservation project at contract execution. Funds may not be used to add or expand the capacity of the property. To receive grants, housing projects must meet the following requirements:

(i) The property is more than fifteen years old;

(ii) At least 50 percent of the housing units are occupied by families and individuals at or below 30 percent area median income.

(iii) The improvements will result in reduction of operating or utilities costs, or both; and

(iv) Other criteria that the department considers necessary to achieve the purpose of this program.

(c) \$5,000,000 is provided solely for housing projects that benefit people at or below 80 percent of the area median income who have been displaced by a natural disaster declared by the governor, including people who have been displaced within the last two biennia.

(d) \$1,000,000 of the Washington housing trust account—state appropriation is provided solely for the department to work with the communities of concern commission to focus on creating capital assets that will help reduce poverty and build stronger and more sustainable communities using the communities' cultural understanding and vision. The funding must be used for predevelopment costs for capital projects identified by the commission and for other activities to assist communities in developing capacity to create community-owned capital assets.

(e) \$1,000,000 of the Washington housing trust account—state appropriation ~~(is)~~ and \$1,500,000 of the state taxable building construction account—state appropriation are provided solely for ~~(a nonprofit, public development authority, local government, or housing authority to)~~ the purchase of the three south annex properties. The state board for community and technical colleges must transfer the three south annex properties located at ((4531)) 1530 Broadway, 1534 Broadway, and 909 East Pine street ((owned by the state board of community and technical colleges. The property must be used to provide services and housing for homeless youth and young adults)) to one or more nonprofits or public development authorities selected by the department, if the selected entities agree to use the properties to provide services and housing for homeless youth or young adults for a minimum of twenty-five years. The transfer agreement between the state board for community and technical colleges and the selected entities

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

must specify a mutually agreed transfer date and require the selected entities to cover any closing costs with a total purchase price of nine million dollars for all three properties.

(f) ~~(\$26,006,000)~~ \$25,506,000 is provided solely for the following list of housing projects:

- (i) ~~((Cross Laminated Timber))~~ Spokane Housing  
 Predesign \$500,000
- (ii) El Centro de la Raza \$737,000
- (iii) Highland Village Preservation \$1,500,000
- (iv) King County Modular Housing Project \$1,500,000
- (v) Nisqually Tribal Housing \$1,250,000
- (vi) Othello Homesight Community Center \$3,000,000
- (vii) Parkview Apartments Affordable Housing \$100,000
- (viii) Supported Housing and Employment (Longview) \$129,000

(ix) ~~(\$2,500,000)~~ \$2,000,000 is provided solely for ~~((grants to purchase low-income mobile home parks. Up to \$2,500,000 is for the Firs Mobile Home Park. If the Firs Mobile Home Park is not purchased, the amount provided in this subsection shall lapse.))~~ homeownership assistance for low-income households displaced from their manufactured/mobile homes due the closure or conversion of a mobile home park or manufactured housing community in south King County. \$1,500,000 of this amount in this subsection is provided solely for low-income residents displaced from the Firs Mobile Home Park located in SeaTac.

(x) \$6,000,000 is provided solely for grants for high quality low-income housing projects that will quickly move people from homelessness into secure housing, and are significantly less expensive to construct than traditional housing. It is the intent of the legislature that these grants serve projects with a total project development cost per housing unit of less than \$125,000, excluding the value of land, and with a commitment by the applicant to maintain the housing units for at least a twenty-five year period. Amounts provided that are subject to this subsection must be used to plan, predesign, design, provide technical assistance and financial services, purchase land for, and build innovative low-income housing units. \$3,000,000 of the appropriation that is subject to this subsection is provided solely for innovative affordable housing in Shelton and \$3,000,000 of the appropriation that is subject to this subsection is provided solely for innovative affordable housing for veterans in Orting. Mental health and substance abuse counseling services must be offered to residents of housing projects supported by appropriations in this subsection. \$500,000 of the appropriation for housing units in Shelton can be released for purchase of land, planning, or predesign services before the project is fully funded. \$500,000 of the appropriation for housing units in Orting can be released for purchase of land, planning, or predesign services before the project is fully funded.

(xi) \$7,290,000 is provided solely for grants to the following organizations using innovative methods to address homelessness: \$4,290,000 for THA Arlington drive youth campus in Tacoma and \$3,000,000 for a King county housing project.

(xii) \$1,500,000 is provided solely for Valley Cities modular housing project in Auburn.

(g) Of the amounts appropriated remaining after (a) through (f) of this subsection, the department must allocate the funds as follows:

- (i) 10 percent is provided solely for housing projects that benefit veterans;
- (ii) 10 percent is provided solely for housing projects that benefit homeownership;
- (iii) 5 percent is provided solely for housing projects that benefit people with developmental disabilities;
- (iv) The remaining amount is provided solely for projects that

serve low-income and special needs populations in need of housing, including, but not limited to, homeless families with children, homeless youth, farmworkers, and seniors.

(2) In evaluating projects in this section, the department must give preference for applications based on some or all of the criteria in RCW 43.185.070(5).

(3) The department must strive to allocate all of the amounts appropriated in this section within the 2017-2019 fiscal biennium in the manner prescribed in subsection (1) of this section. However, if upon review of applications the department determines there are not adequate suitable projects in a category, the department may allocate funds to projects serving other low-income and special needs populations, provided those projects are located in an area with an identified need for the type of housing proposed.

**Sec. 6006.** 2018 c 2 s 1013 (uncodified) is amended to read as follows:

**FOR THE DEPARTMENT OF COMMERCE**

Clean Energy Funds 3 (30000881)

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are provided solely for projects that provide a benefit to the public through development, demonstration, and deployment of clean energy technologies that save energy and reduce energy costs, reduce harmful air emissions, or increase energy independence for the state.

(2) In soliciting and evaluating proposals, awarding contracts, and monitoring projects under this section, the department must:

(a) Ensure that competitive processes, rather than sole source contracting processes, are used to select all projects, except as otherwise noted in this section; and

(b) Conduct due diligence activities associated with the use of public funds including, but not limited to, oversight of the project selection process, project monitoring and ensuring that all applications and contracts fully comply with all applicable laws including disclosure and conflict of interest statutes.

(3)(a) Pursuant to chapter 42.52 RCW, the ethics in public service act, the department must require a project applicant to identify in application materials any state of Washington employees or former state employees employed by the firm or on the firm's governing board during the past twenty-four months. Application materials must identify the individual by name, the agency previously or currently employing the individual, job title or position held, and separation date. If it is determined by the department that a conflict of interest exists, the applicant may be disqualified from further consideration for award of funding.

(b) If the department finds, after due notice and examination, that there is a violation of chapter 42.52 RCW, or any similar statute involving a grantee who received funding under this section, either in procuring or performing under the grant, the department in its sole discretion may terminate the funding grant by written notice. If the grant is terminated, the department must

reserve its right to pursue all available remedies under law to address the violation.

(4) The requirements in subsections (2) and (3) of this section must be specified in funding agreements issued by the department.

(5) \$11,000,000 of the state building construction account, is provided solely for grid modernization grants for projects that advance clean and renewable energy technologies, and transmission and distribution control systems; that support integration of renewable energy sources, deployment of distributed energy resources, and sustainable microgrids; and that increase utility customer options for energy sources, energy efficiency, energy equipment, and utility services.

(a) Projects must be implemented by public and private electrical utilities that serve retail customers in the state. Eligible utilities may partner with other public and private sector research organizations and businesses in applying for funding.

(b) The department shall develop a grant application process to competitively select projects for grant awards, to include scoring conducted by a group of qualified experts with application of criteria specified by the department. In development of the application criteria, the department shall, to the extent possible, allow smaller utilities or consortia of small utilities to apply for funding.

(c) Applications for grants must disclose all sources of public funds invested in a project.

(6) \$7,900,000 of the state building construction account and \$3,100,000 of the energy efficiency account are provided solely for grants to demonstrate new approaches to electrification of transportation systems.

(a) Projects must be implemented by local governments, or by public and private electrical utilities that serve retail customers in the state. Eligible parties may partner with other public and private sector research organizations and businesses in applying for funding. The department of commerce must coordinate with other electrification programs, including projects the department of transportation is developing and projects funded by the Volkswagen consent decree, to determine the most effective distribution of the systems.

(b) Priorities must be given to eligible technologies that reduce the top two hundred hours of demand and the demand side.

(c) Eligible technologies for these projects include, but are not limited to:

(i) Electric vehicle and transportation system charging and open source control infrastructure, including inductive charging systems;

(ii) Electric vehicle sharing in low-income, multi-unit housing communities in urban areas;

(iii) Grid-related vehicle electrification, connecting vehicle fleets to grid operations, including school and transit buses;

(iv) Electric vehicle fleet management tools with open source software;

(v) Maritime electrification, such as electric ferries, water taxis, and shore power infrastructure.

(7)(a) \$8,600,000 of the state building construction account is provided solely for strategic research and development for new and emerging clean energy technologies, as needed to match federal or other nonstate funds to research, develop, and demonstrate clean energy technologies.

(b) The department shall consult and coordinate with the University of Washington, Washington State University, the Pacific Northwest national laboratory and other clean energy organizations to design the grant program unless the organization prefers to compete for the grants. If the organization prefers to receive grants from the program they may not participate in the consultant process determining how the grant process is

structured. The program shall offer matching funds for competitively selected clean energy projects, including but not limited to: Solar technologies, advanced bioenergy and biofuels, development of new earth abundant materials or lightweight materials, advanced energy storage, battery components recycling, and new renewable energy and energy efficiency technologies. Criteria for the grant program must include life cycle cost analysis for projects that are part of the competitive process.

(c) \$750,000 of this subsection (7) is provided solely for the state efficiency and environmental program.

(8) \$8,000,000 of the state taxable construction account is provided solely for scientific instruments to help accelerate research in advanced materials at the proposed science laboratories infrastructure facility at the Pacific Northwest national laboratory. These state funds are contingent on securing federal funds for the new facility, and are provided as match to the federal funding. The instruments will support researchers at the bioproducts sciences and engineering laboratory, the joint center for deployment research in earth abundant materials, the center for advanced materials and clean energy technology, and other energy and materials collaborations with the University of Washington and Washington State University.

(9) \$1,600,000 of the state building construction account and \$2,400,000 of the energy efficiency account are provided solely for grants to be awarded in competitive rounds for the deployment of solar projects located in Washington state.

(a) Priority must be given to distribution side projects that reduce peak electricity demand.

(b) Projects must be capable of generating ~~((at least five hundred))~~ more than one hundred kilowatts of direct current generating capacity.

(c) Except as provided in (d) of this subsection, grants shall not exceed \$200,000 per megawatt of direct current generating capacity and total grant funds per project shall not exceed \$1,000,000 per applicant. Applicants may not use other state grants.

(d) At least ((25)) 35 percent of the total allocation of a project ((shall be provided solely for projects that provide direct benefits to low income residents or communities. The department must attempt to prioritize an equal geographic distribution)) must be for community solar projects that provide solar electricity to low-income households, low-income tribal housing programs, affordable housing providers, and nonprofit organizations providing services to low-income communities. The provisions of (c) of this subsection do not apply to projects funded under this subsection (9)(d).

(e) Priority must be given to major components made in Washington.

(f) The department must attempt to prioritize an equitable geographic distribution and a diversity of project sizes.

(10) \$2,400,000 of the state building construction account is provided solely for the first phase of a project which, when fully deployed, will reduce emissions of greenhouse gases by a minimum of seven hundred fifty thousand tons per year, increase energy efficiency, and protect or create aluminum manufacturing jobs located in ~~((a))~~ Whatcom county ~~((with a population of less than three hundred thousand)).~~

(11) \$1,100,000 of the state building construction account—state appropriation is provided solely for a grant to the public utility district no. 1 of Klickitat county for the remediation, survey, and evaluation of a closed-loop pump storage hydropower project at the John Day pool.

**FOR THE DEPARTMENT OF COMMERCE**  
 Energy Efficiency and Solar Grants (30000882)

The appropriations in this section are subject to the following conditions and limitations:

(1)(a) \$3,675,000 for fiscal year 2018 and \$3,675,000 for fiscal year 2019 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for operational cost savings improvements to facilities and related projects that result in energy and operational cost savings.

(b) At least twenty percent of each competitive grant round must be awarded to small cities or towns with a population of five thousand or fewer residents.

(c) In each competitive round, the higher the leverage ratio of nonstate funding sources to state grant and the higher the energy savings, the higher the project ranking.

(d) For school district applicants, priority consideration must be given to school districts that demonstrate improved health and safety through: (i) Reduced exposure to polychlorinated biphenyl; or (ii) replacing outdated heating systems that use oil or propane as fuel sources as identified by the Washington State University extension energy program. Priority consideration must be given to applicants that have not received grant awards for this purpose in prior biennia.

(2) \$1,750,000 is provided solely for grants to be awarded in competitive rounds to local agencies, public higher education institutions, school districts, and state agencies for projects that involve the purchase and installation of solar energy systems, including solar modules and inverters, with a preference for products manufactured in Washington.

(3) \$1,400,000 is provided solely for energy efficiency improvements to minor works and stand-alone projects at state-owned facilities that repair or replace existing building systems including, but not limited to HVAC, lighting, insulation, windows, and other mechanical systems. Eligibility for this funding is dependent on an analysis using the office of financial management's life-cycle cost tool that compares project design alternatives for initial and long-term cost-effectiveness. Assuming a reasonable return on investment, the ~~((cost))~~ department shall provide grants in the amount required to improve the project's energy efficiency compared to the original project request ((will be added to the project appropriation after construction bids are received)). Prior to awarding funds, the department of commerce shall ((coordinate with)) submit to the office of financial management ((to develop a process for project submittal, review, approval criteria, tracking project budget adjustments, and performance measures)) a list of all proposed awards for review and approval.

(4) \$500,000 is provided solely for resource conservation managers in the department of enterprise services to coordinate with state agencies and school districts to assess and adjust existing building systems and operations to optimize the efficiency in use of energy and other resources in state-owned facilities. The department of commerce will oversee an interagency agreement with the department of enterprise services to fund the resource conservation managers.

(5) The department shall develop metrics that indicate the performance of energy efficiency efforts and provide a report of the metrics, including at a minimum the current energy used by the building, the energy use after efficiencies are completed, and cost of energy saved. The report must include these metrics from other states.

**FOR THE DEPARTMENT OF COMMERCE**  
 Local and Community Projects 2016 (92000369)

The appropriation in this section is subject to the following conditions and limitations:

(1) Except as directed otherwise prior to the effective date of this section, the department may not expend the appropriation in this section unless and until the nonstate share of project costs have been either expended, or firmly committed, or both, in an amount sufficient to complete the project or a distinct phase of the project that is useable to the public for the purpose intended by the legislature. This requirement does not apply to projects where a share of the appropriation is released for design costs only.

(2) Prior to receiving funds, project recipients must demonstrate that the project site is under control for a minimum of ten years, either through ownership or a long-term lease. This requirement does not apply to appropriations for preconstruction

activities or appropriations whose sole purpose is to purchase real property that does not include a construction or renovation component.

(3) Projects funded in this section may be required to comply with Washington's high performance building standards as required by chapter 39.35D RCW.

(4) Project funds are available on a reimbursement basis only, and shall not be advanced under any circumstances.

(5) Projects funded in this section must be held by the recipient for a minimum of ten years and used for the same purpose or purposes intended by the legislature as required in RCW 43.63A.125(6).

(6) Projects funded in this section, including those that are owned and operated by nonprofit organizations, are generally required to pay state prevailing wages.

(7) \$2,209,000 of the appropriation in this section is provided solely for the Fairchild air force base protection and community empowerment project, including the purchase of twenty acres of land by Spokane county or the city of Airway Heights for development of affordable housing and the purchase of mobile home parks by Spokane county or the city of Airway Heights in order to reduce the use of the accident potential zone for residential purposes. There shall be no limitations on the sequence of the purchase of mobile home parks. If Spokane county or the city of Airway Heights subsequently rezones, develops, and leases the mobile home park property for commercial or industrial uses contrary to the allowed uses in the accident potential zone, Spokane county or the city of Airway Heights must repay to the state the amount spent on the purchase of mobile home parks in its entirety within ten years. Mobile home parks purchased under the provisions of this subsection may be sold by Spokane county or the city of Airway Heights, provided that the uses of the mobile home park property are not contrary to the allowed uses in the accident potential zone. Any moneys from this sale must be used to purchase other mobile home parks in the Fairchild air force base protection and community empowerment project. The twenty acres of land purchased under this subsection for development as affordable housing may be sold, in whole or in part, by the recipient, provided the property sold is used for affordable housing as required in the Fairchild air force base protection and community empowerment project. Recipients of funds provided under this subsection are not required to demonstrate that the project site is under their control for a minimum of ten years but they must demonstrate that the project site is under their control through ownership or long-term lease. Projects funded under this subsection are not required to meet the provisions of RCW 43.63A.125(6) and subsection (5) of this section.

(8) \$850,000 of the appropriation in this section is provided solely for the White River restoration project. Design solutions for flooding reductions in the lower White River must include a floodplain habitat design that both reduces flood risks and restores salmon habitat by reconnecting the river with its floodplain and a sustainable riparian corridor. Project designs and plans must also identify lands for acquisition needed for floodplain reconnection where pending or existing development eliminates the potential for riparian and aquatic habitat restoration. The city shall work cooperatively with the Muckleshoot Indian Tribe and the Puyallup Tribe of Indians, and develop a plan collaboratively to achieve both flood reduction and habitat restoration.

(9) Up to \$300,000 of the appropriation in this section for the veterans helping veterans: Emergency transition shelter project may be spent on preconstruction or preacquisition activities, including, but not limited to, building inspections, design of necessary renovations, cost estimation, and other activities

necessary to identify and select a facility appropriate for the program. The remainder of the appropriation must be used for eventual acquisition and renovations of a facility.

(10) \$2,500,000 of the appropriation in this section is provided solely for the mercy housing and health care center at Sand Point. During the 2015-2017 fiscal biennium, the center may not house any community health care training organization that has been investigated by and has paid settlement fees to the attorney general's office for alleged medicaid fraud.

(11) The Lake Chelan land use plan must be developed without adverse impacts on agricultural operations.

(12) \$1,300,000 of the appropriation in this section is provided solely for phase one of the main street revitalization project in the city of Mountlake Terrace.

(13) \$300,000 of the appropriation in this section is provided solely for the city of Stanwood to acquire property for a new city hall/public safety facility.

(14) Up to 30 percent of the funding for the Kennewick boys and girls club may be used for land acquisition.

(15) The appropriation is provided solely for the following list of projects:

**FOR THE DEPARTMENT OF TRANSPORTATION**

Aviation Revitalization Loans (92000003)

The appropriation in this section is subject to the following conditions and limitations:

~~((1) This appropriation is provided solely for deposit into the public use general aviation airport loan revolving account created in section 7028 of this act for direct loans to political subdivisions of the state and privately owned airports for the purpose of improvements at public use airports that primarily support general aviation activities.~~

~~(2) The department must convene a community aviation revitalization board to develop criteria for selecting loan recipients, to develop a process for evaluating applications, and to make decisions. The board must consist of the capital budget chair and ranking minority member of the capital budget committee of the house of representatives and the senate ways and means committee, and a representative from both the department of transportation's aviation division and the department of commerce. The board must also consist of the following members appointed by the secretary of transportation: One port district official, one county official, one city official, one representative of airport managers, and one representative of pilots. The chair of the board must be selected by the secretary of transportation. The members of the board must elect one of their members to serve as vice chair. The director of commerce and the secretary of transportation must serve as nonvoting advisory members of the board.~~

~~(3) The board may provide loans to privately owned airports for the purpose of airport improvements only if the state is receiving commensurate public benefit, such as guaranteed long-term public access to the airport as a condition of the loan. For purposes of this subsection, "public use airports that primarily support general aviation activities" means all public use airports not listed as having more than fifty thousand annual commercial air service passenger enplanements as published by the federal aviation administration.~~

~~(4) An application for loan funds under this section must be made in the form and manner as the board may prescribe. When evaluating loan applications, the board must prioritize applications that provide conclusive justification that completion of the loan application project will create revenue-generating opportunities. The board is not limited to, but must also use, the following expected outcome conditions when evaluating loan~~

~~applications:~~

~~(a) A specific private development or expansion is ready to occur and will occur only if the aviation facility improvement is made;~~

~~(b) The loan application project results in the creation of jobs or private sector capital investment as determined by the board;~~

~~(c) The loan application project improves opportunities for the successful maintenance, operation, or expansion of an airport or adjacent airport business park;~~

~~(d) The loan application project results in the creation or retention of long-term economic opportunities; and~~

~~(e) The loan application project results in leveraging additional federal funding for an airport.~~

~~(5) The repayment of any loan made from the public use general aviation airport loan revolving account under the contracts for aviation loans must be paid into the public use general aviation airport loan revolving account.) (1)(a) The department of transportation must convene a community aviation revitalization board to exercise the powers granted under this section.~~

(b) The board must consist of a representative from the department of transportation's aviation division, the public works board, and a nonlegislative member of the community economic revitalization board. The board must also consist of the following members appointed by the secretary of transportation: One port district official, one county official, one city official, one representative of airport managers, and one representative of a general aviation pilots organization within Washington that has an active membership and established location, chapter, or appointed representative within Washington. The appointive members must initially be appointed to terms as follows: Two members for two-year terms, and three members for three-year terms which must include the chair. Thereafter, each succeeding term must be for three years. The chair of the board must be selected by the secretary of transportation. The members of the board must elect one of their members to serve as vice chair.

(c) Management services, including fiscal and contract services, must be provided by the department of transportation to assist the board in implementing this section.

(d) If a vacancy occurs by death, resignation, or otherwise of appointive members of the board, the secretary of transportation must fill the vacancy for the unexpired term. Members of the board may be removed for malfeasance or misfeasance in office, upon specific written charges by the secretary of transportation, under chapter 34.05 RCW.

(e) A member appointed by the secretary of transportation may not be absent from more than fifty percent of the regularly scheduled meetings in any one calendar year. Any member who exceeds this absence limitation is deemed to have withdrawn from the office and may be replaced by the secretary of transportation.

(f) A majority of members currently appointed constitutes a quorum.

(g) The board must meet three times a year or as deemed necessary by the department of transportation.

(h) Staff support to the board must be provided by the department of transportation as needed.

(2) In addition to other applicable provisions of law pertaining to conflicts of interest of public officials, any community aviation revitalization board member, appointive or otherwise, may not participate in any decision on any board contract in which the board member has any interests, direct or indirect, with any firm, partnership, corporation, or association that would be the recipient of any aid under this section. If such participation occurs, the board must void the transaction and the involved member is subject to further sanctions as provided by law. The

2019 REGULAR SESSION

board must adopt a code of ethics for its members, which must be designed to protect the state and its citizens from any unethical conduct by the board.

(3) The community aviation revitalization board may:

(a) Adopt bylaws for the regulation of its affairs and the conduct of its business;

(b) Adopt an official seal and alter the seal at its pleasure;

(c) Utilize the services of other governmental agencies;

(d) Accept from any federal agency loans or grants for the planning or financing of any project and enter into an agreement with the agency respecting the loans or grants;

(e) Conduct examinations and investigations and take testimony at public hearings of any matter material for its information that will assist in determinations related to the exercise of the board's lawful powers;

(f) Accept any gifts, grants, loans of funds, property, or financial or other aid in any form from any other source on any terms and conditions that are not in conflict with this section;

(g) Enter into agreements or other transactions with and accept grants and the cooperation of any governmental agency in furtherance of this section;

(h) Adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of this section; and

(i) Perform all acts and things necessary or convenient to carry out the powers expressly granted or implied under this section.

(4)(a) The community aviation revitalization board may make direct loans to airport sponsors of public use airports in the state for the purpose of airport improvements that primarily support general aviation activities. The board may provide loans for the purpose of airport improvements only if the state is receiving commensurate public benefit, which must include, as a condition of the loan, a commitment to provide public access to the airport for a period of time equivalent to one and one-half times the term of the loan. For purposes of this subsection, "public use airports" means all public use airports not listed as having more than seventy-five thousand annual commercial air service passenger enplanements as published by the federal aviation administration.

(b) An application for loan funds under this section must be made in the form and manner as the board may prescribe. When evaluating loan applications, the board must prioritize applications that provide conclusive justification that completion of the loan application project will create revenue generating opportunities. The board is not limited to, but must also use, the following expected outcome conditions when evaluating loan applications:

(i) A specific private development or expansion is ready to occur and will occur only if the aviation facility improvement is made;

(ii) The loan application project results in the creation of jobs or private sector capital investment as determined by the board;

(iii) The loan application project improves opportunities for the successful maintenance, operation, or expansion of an airport or adjacent airport business park;

(iv) The loan application project results in the creation or retention of long-term economic opportunities; and

(v) The loan application project results in leveraging additional federal funding for an airport.

(c)(i) If the board chooses to require a local match, the board must develop guidelines for local participation and allowable match and activities.

(ii) An application must:

(A) Be supported by the port district, city, or county in which the project is located; or

(B) Clearly identify the source of funds intended to repay the loan.

(5) The public use general aviation airport loan program, when authorized by the community aviation revitalization board, is subject to the following conditions:

(a) The moneys in the public use general aviation airport loan revolving account created in section 7037 of this act must be used only to fulfill commitments arising from loans authorized in this section. The total outstanding amount that the board must disburse at any time pursuant to this section must not exceed the moneys available from the account.

(b) On contracts made for public use general aviation airport loans, the board must determine the interest rate that loans must bear. The interest rate must not exceed the amount needed to cover the administrative expenses of the board and the loan program. The board may provide reasonable terms and conditions for the repayment of loans, with the repayment of a loan to begin no later than three years after the award date of the loan. The loans must not exceed twenty years in duration.

(c) The repayment of any loan made from the public use general aviation airport loan revolving account under the contracts for aviation loans must be paid into the public use general aviation airport loan revolving account.

(6) All receipts from moneys collected under this section must be deposited into the public use general aviation airport loan revolving account created in section 7037 of this act.

**NEW SECTION. Sec. 7003.** (1) To ensure that major construction projects are carried out in accordance with legislative and executive intent, agencies must complete a predesign for state construction projects with a total anticipated cost in excess of \$5,000,000, or \$10,000,000 for higher education institutions. "Total anticipated cost" means the sum of the anticipated cost of the predesign, design, and construction phases of the project.

(2) Appropriations for design may not be expended or encumbered until the office of financial management has reviewed and approved the agency's predesign.

(3) The predesign must explore at least three project alternatives. These alternatives must be both distinctly different and viable solutions to the issue being addressed. The chosen alternative should be the most reasonable and cost-effective solution. The predesign document must include, but not be limited to, program, site, and cost analysis, and an analysis of the life-cycle costs of the alternatives explored, in accordance with the predesign manual adopted by the office of financial management.

(4) The office of financial management may make an exception to the predesign requirements in this section after notifying the legislative fiscal committees and waiting ten days for comment by the legislature regarding the proposed exception.

**NEW SECTION. Sec. 7004.** (1) The legislature finds that use of life-cycle cost analysis will aid public entities, architects, engineers, and contractors in making design and construction decisions that positively impact both the initial construction cost and the ongoing operating and maintenance cost of a project. To ensure that the total cost of a project is accounted for and the most reasonable and cost efficient design is used, agencies shall

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

develop life-cycle costs for any construction project over \$10,000,000. The life-cycle costs must represent the present value sum of capital costs, installation costs, operating costs, and maintenance costs over the life expectancy of the project. The legislature further finds the most effective approach to the life-cycle cost analysis is to integrate it into the early part of the design process.

(2) Agencies must develop a minimum of three project alternatives for use in the life-cycle cost analysis. These alternatives must be both distinctly different and viable solutions to the issue being addressed. The chosen alternative must be the most reasonable and cost-effective solution. A brief description of each project alternative and why it was chosen must be included in the life-cycle cost analysis section of the predesign.

(3) The office of financial management shall: (a) Make available a life-cycle cost model to be used for analysis; (b) in consultation with the department of enterprise services, provide assistance in using the life-cycle cost model; and (c) update the life-cycle cost model annually including assumptions for inflation rates, discount rates, and energy rates.

(4) Agencies shall consider architectural and engineering firms' and general contractors' experience using life-cycle costs, operating costs, and energy efficiency measures when selecting an architectural and engineering firm, or when selecting contractors using alternative contracting methods.

**NEW SECTION. Sec. 7005.** Agencies administering construction projects with a total anticipated cost in excess of \$5,000,000, or \$10,000,000 for higher education institutions, must submit progress reports to the office of financial management and to the fiscal committees of the house of representatives and senate. "Total anticipated cost" means the sum of the anticipated cost of the predesign, design, and construction phases of the project. Reports must be submitted on July 1st and December 31st of each year in a format determined by the office of financial management. After the project is completed, agencies must also submit a closeout report that identifies the total project cost and any unspent appropriations.

**NEW SECTION. Sec. 7006.** (1) Allotments for appropriations in this act shall be provided in accordance with the capital project review requirements adopted by the office of financial management and in compliance with RCW 43.88.110. Projects that will be employing alternative public works construction procedures under chapter 39.10 RCW are subject to the allotment procedures defined in this section and RCW 43.88.110.

(2) Each project is defined as proposed in the legislative budget notes or in the governor's budget document.

**NEW SECTION. Sec. 7007.** (1) The office of financial management may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes that govern the grants. However, the office of financial management may transfer funds from the emergency repair pool to supplement the western state hospital wards renovations for

forensic services project in section 2035 of this act if bids exceed the project appropriation.

(2) The office of financial management may find that an amount is in excess of the amount required for the completion of a project only if: (a) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (b) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

(3) For the purposes of this section, the intent is that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

(4) A report of any transfer effected under this section, except emergency projects or any transfer under \$250,000, shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer. However, the office of financial management may effect one or more transfers to supplement the western state hospital wards renovations for forensic services project in section 2035 of this act without waiting thirty days for fiscal committee response.

**NEW SECTION. Sec. 7008.** (1) It is expected that projects be ready to proceed in a timely manner depending on the type or phase of the project or program that is the subject of the appropriation in this act. Except for major projects that customarily may take more than two biennia to complete from predesign to the end of construction, or large infrastructure grant or loan programs supporting projects that often take more than two biennia to complete, the legislature generally does not intend to reappropriate funds more than once, particularly for smaller grant programs, local/community projects, and minor works.

(2) Agencies shall expedite the expenditure of reappropriations and appropriations in this act in order to: (a) Rehabilitate infrastructure resources; (b) accelerate environmental rehabilitation and restoration projects for the improvement of the state's natural environment; (c) reduce additional costs associated with acquisition and construction inflationary pressures; and (d) provide additional employment opportunities associated with capital expenditures.

(3) To the extent feasible, agencies are directed to accelerate expenditure rates at their current level of permanent employees and shall use contracted design and construction services wherever necessary to meet the goals of this section.

**NEW SECTION. Sec. 7009.** (1) Any building project that receives over \$10,000,000 in funding from the capital budget must be built to sustainable standards. "Sustainable building" means a building that integrates and optimizes all major high-performance building attributes, including energy efficiency, durability, life-cycle performance, and occupant productivity. The following design and construction attributes must be integrated into the building project:

(a) Employ integrated design principles: Use a collaborative, integrated planning and design process that initiates and maintains an integrated project team in all stages of a project's planning and delivery. Establish performance goals for siting, energy, water, materials, and indoor environmental quality along with other comprehensive design goals and ensures incorporation of these goals throughout the design and life-cycle of the building. Consider all stages of the building's life-cycle, including

deconstruction.

(b) Commissioning: Employ commissioning practices tailored to the size and complexity of the building and its system components in order to verify performance of building components and systems and help ensure that design requirements are met. This should include an experienced commissioning provider, inclusion of commissioning requirements in construction documents, a commissioning plan, verification of the installation and performance of systems to be commissioned, and a commissioning report.

(c) Optimize energy performance: Establish a whole building performance target that takes into account the intended use, occupancy, operations, plug loads, other energy demands, and design to earn the ENERGY STAR targets for new construction and major renovation where applicable. For new construction target low energy use index. For major renovations, target reducing energy use by fifty percent below prerenovations baseline.

(d) On-site renewable energy: Meet at least thirty percent of the hot water demand through the installation of solar hot water heaters, when life-cycle cost effective. Implement renewable energy generation projects on agency property for agency use, when life-cycle cost effective.

(e) Measurement and verification: Where appropriate, install building level electricity meters in new major construction and renovation projects to track and continuously optimize performance. Include equivalent meters for natural gas and steam, where natural gas and steam are used. Where appropriate, install dashboards inside buildings to display and incentivize occupants on energy use.

(f) Benchmarking: Compare performance data from the first year of operation with the energy design target. Verify that the building performance meets or exceeds the design target. For other building and space types, use an equivalent benchmarking tool.

**NEW SECTION. Sec. 7010.** State agencies, including institutions of higher education, shall allot and report full-time equivalent staff for capital projects in a manner comparable to staff reporting for operating expenditures.

**NEW SECTION. Sec. 7011.** Executive Order No. 05-05, archaeological and cultural resources, was issued effective November 10, 2005. Agencies shall comply with the requirements set forth in this executive order.

**NEW SECTION. Sec. 7012. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE.** (1) One-half of one percent of moneys appropriated in this act for original construction of school plant facilities is provided solely for the purposes of RCW 28A.335.210.

(2) One-half of one percent of moneys appropriated in this act for original construction or any major renovation or remodel work exceeding \$200,000 by colleges or universities is provided solely for the purposes of RCW 28B.10.027.

(3) One-half of one percent of moneys appropriated in this act for original construction of any public building by a state agency identified in RCW 43.17.200 is provided solely for the purposes of RCW 43.17.200.

(4) At least eighty percent of the moneys spent by the Washington state arts commission during the 2019-2021 biennium for the purposes of RCW 28A.335.210, 28B.10.027, and 43.17.200 must be expended solely for direct acquisition of works of art. Art allocations not expended within the ensuing two biennia will lapse. The commission may use up to \$200,000 of this amount to conserve or maintain existing pieces in the state art collection.

**NEW SECTION. Sec. 7013.** To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

**NEW SECTION. Sec. 7014.** If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate ways and means committee and the house of representatives capital budget committee.

**NEW SECTION. Sec. 7015.** (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

**NEW SECTION. Sec. 7016. NONTAXABLE AND TAXABLE BOND PROCEEDS.** Portions of the appropriation authority granted by this act from the state building construction account, or any other account receiving bond proceeds, may be transferred to the state taxable building construction account as deemed necessary by the state finance committee to comply with the federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds. Portions of the general obligation bond proceeds authorized by chapter . . . , Laws of 2019, (Substitute House Bill No. 1101, the general obligation bond bill) for deposit into the state taxable building construction account that are in excess of amounts required to comply with the federal internal revenue service rules and regulations shall be deposited into the state building construction account. The state treasurer shall submit written notification to the director of financial management if it is determined that a shift of appropriation authority between the state building construction account, or any other account receiving bond proceeds, and the state taxable building construction account is necessary, or that a shift of appropriation authority from the state taxable building construction account to the state building construction account may be made.

**NEW SECTION. Sec. 7017.** (1) Minor works project lists are single line appropriations that include multiple projects of a similar nature and that are valued between \$25,000 and \$1,000,000 each, with the exception of higher education minor works projects that may be valued up to \$2,000,000. Funds appropriated in this act for minor works may not be initially allotted until agencies submit project lists to the office of financial management for review and approval.

(2) Revisions to the project lists, including the addition of projects and the transfer of funds between projects, are allowed but must be submitted to the office of financial management, the house of representatives capital budget committee, and the senate ways and means committee for review and comment, and must include an explanation of variances from prior lists. Any project list revisions must be approved by the office of financial management before funds may be expended from the minor

works appropriation.

(3)(a) All minor works projects should be completed within two years of the appropriation with the funding provided.

(b) Agencies are prohibited from including projects on their minor works lists that are a phase of a larger project, and that if combined over a continuous period of time, would exceed \$1,000,000, or \$2,000,000 for higher education minor works projects.

(c) Minor works appropriations may not be used for the following: Studies, except for technical or engineering reviews or designs that lead directly to and support a project on the same minor works list; planning; design outside the scope of work on a minor works list; movable, temporary, and traditionally funded operating equipment not in compliance with the equipment criteria established by the office of financial management; software not dedicated to control of a specialized system; moving expenses; land or facility acquisition; rolling stock; computers; or to supplement funding for projects with funding shortfalls unless expressly authorized. The office of financial management may make an exception to the limitations described in this subsection (3)(c) for exigent circumstances after notifying the legislative fiscal committees and waiting ten days for comments by the legislature regarding the proposed exception.

(d) Minor works preservation projects may include program improvements of no more than twenty-five percent of the individual minor works preservation project cost.

(e) Improvements for accessibility in compliance with the Americans with disabilities act may be included in any of the minor works categories.

**NEW SECTION. Sec. 7018. FOR THE STATE TREASURER—TRANSFERS**

(1) Public Works Assistance Account: For transfer to the water pollution control revolving account, up to \$6,000,000 for fiscal year 2020 and up to \$6,000,000 for fiscal year 2021  
\$12,000,000

(2) Public Works Assistance Account: For transfer to the drinking water assistance account, up to \$5,500,000 for fiscal year 2020 and up to \$5,500,000 for fiscal year 2021  
\$11,000,000

(3)(a) Public Works Assistance Account: For transfer to the statewide broadband account, \$10,775,000 for fiscal year 2020 and \$10,775,000 for fiscal year 2021  
\$21,550,000

(b) The transfer identified in this subsection is contingent upon the enactment of chapter . . . , Laws of 2019 (Second Substitute Senate Bill No. 5511, broadband service) by June 30, 2019.

(4) State Building Construction Account: For transfer to the advanced environmental mitigation revolving account, for fiscal year 2020  
\$9,000,000

(5)(a) Local Toxics Control Account: For transfer to the cleanup settlement account as repayment of the loan provided in section 7038, chapter 3, Laws of 2015 3rd sp. sess. (capital budget), in an amount not to exceed the actual amount of the total remaining principal and interest of the loan, \$8,000,000 for fiscal year 2020 and \$8,000,000 for fiscal year 2021  
\$16,000,000

(b) If Engrossed Substitute Senate Bill No. 5993 is enacted by June 30, 2019, then the treasurer must make this transfer from the model toxics control stormwater account, rather than the local toxics control account.

**NEW SECTION. Sec. 7019.** The department of ecology, in consultation with the department of revenue and the department of transportation, must review its enforcement of the application of the hazardous substance tax to aviation fuels, and develop and submit recommendations to the appropriate legislative committees before the 2020 legislative session regarding application of state and local taxes, including specifically the

hazardous substance tax under chapter 82.21 RCW, to aviation fuels in light of federal restrictions on the proceeds of such taxes.

**NEW SECTION. Sec. 7020.** To the extent that any appropriation authorizes expenditures of state funds from the state building construction account, or from any other capital project account in the state treasury, for a capital project or program that is specified to be funded with proceeds from the sale of bonds, the legislature declares that any such expenditures for that project or program made prior to the issue date of the applicable bonds are intended to be reimbursed from proceeds of those bonds in a maximum amount equal to the amount of such appropriation.

**NEW SECTION. Sec. 7021.** (1) The department of enterprise services, in consultation with the office of financial management, is granted the authority to sell the real property known as the Tacoma Rhodes complex. The property consists of the Broadway building, Market building, and parking garage.

(2) The department may negotiate a sale with the city of Tacoma for less than fair market value, but the purchase price must cover appraisal costs, all debt service, all closing costs, all financing contracts, and the cost of outstanding liabilities necessary to keep the department whole.

(3) If the department and the city of Tacoma are unable to negotiate agreed upon terms and execute a purchase and sale agreement by December 31, 2019, the department may sell the property to any purchaser for no less than fair market value.

(4) The terms and conditions of the sale must meet the business needs of the state tenants.

(5) Any sale proceeds remaining after the department has satisfied all of the obligations, including appraisal costs, all debt service, all closing costs, all financing contracts, and the cost of outstanding liabilities, must be deposited into the Thurston county capital facilities account.

**NEW SECTION. Sec. 7022.** (1) The department of natural resources must conduct an asset valuation of state lands and state forestlands held in trust and managed by the department. The analysis required in subsections (3) and (4) of this section may be provided through contracted services.

(2) The department must describe all trust lands, by trust, including timber lands, agricultural lands, commercial lands, and other lands, and identify revenues from leases or other sources for those lands. The department must briefly describe the income from these trust lands, and potential enhancements to income, including intergenerational income, from the asset bases of these trusts.

(3) The analysis must estimate the current fair market value of these lands for each trust beneficiary, including the separate beneficiaries of state lands as defined in RCW 79.02.010, and the beneficiaries of state forestlands as specified in chapter 79.22 RCW. The estimation of current fair market values must specify the values by the various asset classes including, but not limited to, the following asset classes: Timber lands; irrigated agriculture; dryland agriculture, including grazing lands; commercial real estate; mining; and other income production. The analysis must also estimate the value of ecosystem services and recreation benefits for asset classes that produce these benefits. The legislature encourages the department and its contractors to develop methods and tools to allow tracking of the estimated fair market values over time.

(4) For each of the different asset classes and for each of the various trusts, the analysis must calculate the average annual gross and net income as a percentage of estimated current asset value.

(5) The department must provide a progress report to the legislature by December 1, 2019, which may include any initial

recommendations. The final report must be submitted by June 30, 2020, and must include options to:

(a) Improve the net rates of return on different classes of assets;  
 (b) Increase the reliability of, and enhance if possible, revenue for trust beneficiaries; and

(c) Present and explain factors that either (i) define, (ii) constrict, or (iii) define and constrict the department's management practices and revenue production. The factors to be considered include, but are not limited to, statutory, constitutional, operational, and social factors.

**Sec. 7023.** RCW 28B.15.210 and 2017 3rd sp. s. c 1 s 952 are each amended to read as follows:

Within thirty-five days from the date of collection thereof, all building fees at the University of Washington, including building fees to be charged students registering in the schools of medicine and dentistry, shall be paid into the state treasury and credited as follows:

One-half or such larger portion as may be necessary to prevent a default in the payments required to be made out of the bond retirement fund to the "University of Washington bond retirement fund" and the remainder thereof to the "University of Washington building account." The sum so credited to the University of Washington building account shall be used exclusively for the purpose of erecting, altering, maintaining, equipping, or furnishing buildings, and for certificates of participation under chapter 39.94 RCW, except for any sums transferred as authorized in RCW 28B.20.725(3). The sum so credited to the University of Washington bond retirement fund shall be used for the payment of principal of and interest on bonds outstanding as provided by chapter 28B.20 RCW except for any sums transferred as authorized in RCW 28B.20.725(5). ~~((During the 2015-2017 biennium, sums credited to the University of Washington building account shall also be used for routine facility maintenance, utility costs, and facility condition assessments.))~~ During the 2017-2019 biennium, sums credited to the University of Washington building account ~~((shall))~~ may also be used for routine facility maintenance, utility costs, and facility condition assessments. During the 2019-2021 biennium, sums credited to the University of Washington building account may also be used for routine facility maintenance, utility costs, and facility condition assessments.

**Sec. 7024.** RCW 28B.15.310 and 2017 3rd sp. s. c 1 s 953 are each amended to read as follows:

Within thirty-five days from the date of collection thereof, all building fees shall be paid and credited as follows: To the Washington State University bond retirement fund, one-half or such larger portion as may be necessary to prevent a default in the payments required to be made out of such bond retirement fund; and the remainder thereof to the Washington State University building account.

The sum so credited to the Washington State University building account shall be expended by the board of regents for buildings, equipment, or maintenance on the campus of Washington State University as may be deemed most advisable and for the best interests of the university, and for certificates of participation under chapter 39.94 RCW, except for any sums transferred as authorized by law. ~~((During the 2015-2017 biennium, sums credited to the Washington State University building account shall also be used for routine facility maintenance, utility costs, and facility condition assessments.))~~ During the 2017-2019 biennium, sums credited to the Washington State University building account ~~((shall))~~ may also be used for routine facility maintenance, utility costs, and facility condition assessments. During the 2019-2021 biennium, sums

credited to the Washington State University building account may also be used for routine facility maintenance, utility costs, and facility condition assessments. Expenditures so made shall be accounted for in accordance with existing law and shall not be expended until appropriated by the legislature.

The sum so credited to the Washington State University bond retirement fund shall be used to pay and secure the payment of the principal of and interest on building bonds issued by the university, except for any sums which may be transferred out of such fund as authorized by law.

**Sec. 7025.** RCW 28B.20.725 and 2018 c 2 s 7019 are each amended to read as follows:

The board is hereby empowered:

- (1) To reserve the right to issue bonds later on a parity with any bonds being issued;
- (2) To authorize the investing of moneys in the bond retirement fund and any reserve account therein;
- (3) To authorize the transfer of money from the University of Washington building account to the bond retirement fund when necessary to prevent a default in the payments required to be made out of such fund;
- (4) To create a reserve account or accounts in the bond retirement fund to secure the payment of the principal of and interest on any bonds;
- (5) To authorize the transfer to the University of Washington building account of any money on deposit in the bond retirement fund in excess of debt service for a period of three years from the date of such transfer on all outstanding bonds payable out of such fund. ~~((However, during the 2015-2017 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2015-2017 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.))~~ However, during the 2017-2019 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2017-2019 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2019-2021 fiscal biennium, the legislature may transfer to the University of Washington building account moneys that are in excess of the debt service due within the 2019-2021 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.

**Sec. 7026.** RCW 28B.30.750 and 2018 c 2 s 7020 are each amended to read as follows:

The board is hereby empowered:

- (1) To reserve the right to issue bonds later on a parity with any bonds being issued;

~~service due within the 2015-2017 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.)~~ However, during the 2017-2019 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2017-2019 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund. However, during the 2019-2021 fiscal biennium, the legislature may transfer to the Washington State University building account moneys that are in excess of the debt service due within the 2019-2021 fiscal biennium from the date of such transfer on all outstanding bonds payable out of the bond retirement fund.

**Sec. 7027.** RCW 28B.35.370 and 2017 3rd sp.s. c 1 s 954 are each amended to read as follows:

Within thirty-five days from the date of collection thereof all building fees of each regional university and The Evergreen State College shall be paid into the state treasury and these together with such normal school fund revenues as provided in RCW 28B.35.751 as are received by the state treasury shall be credited as follows:

(1) On or before June 30th of each year the board of trustees of each regional university and The Evergreen State College, if issuing bonds payable out of its building fees and above described normal school fund revenues, shall certify to the state treasurer the amounts required in the ensuing twelve months to pay and secure the payment of the principal of and interest on such bonds. The amounts so certified by each regional university and The Evergreen State College shall be a prior lien and charge against all building fees and above described normal school fund revenues of such institution. The state treasurer shall thereupon deposit the amounts so certified in the Eastern Washington University capital projects account, the Central Washington University capital projects account, the Western Washington University capital projects account, or The Evergreen State College capital projects account respectively, which accounts are hereby created in the state treasury. The amounts deposited in the respective capital projects accounts shall be used to pay and secure the payment of the principal of and interest on the building bonds issued by such regional universities and The Evergreen State College as authorized by law. If in any twelve-month period it shall appear that the amount certified by any such board of trustees is insufficient to pay and secure the payment of the principal of and interest on the outstanding building and above described normal school fund revenue bonds of its institution, the state treasurer shall notify the board of trustees and such board shall adjust its certificate so that all requirements of moneys to pay and secure the payment of the principal of and interest on all such bonds then outstanding shall be fully met at all times.

(2) All normal school fund revenue pursuant to RCW 28B.35.751 shall be deposited in the Eastern Washington University capital projects account, the Central Washington University capital projects account, the Western Washington University capital projects account, or The Evergreen State College capital projects account respectively, which accounts are hereby created in the state treasury. The sums deposited in the respective capital projects accounts shall be appropriated and expended to pay and secure the payment of the principal of and interest on bonds payable out of the building fees and normal school revenue and for the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances in relation thereto except for any sums transferred therefrom as authorized by law. ~~((However, during the 2015-2017 biennium,~~

~~sums in the respective capital accounts shall also be used for routine facility maintenance, utility costs, and facility condition assessments. However,))~~ During the 2017-2019 biennium, sums in the respective capital accounts ((shall)) may also be used for routine facility maintenance, utility costs, and facility condition assessments. During the 2019-2021 biennium, sums in the respective capital accounts may also be used for routine facility maintenance, utility costs, and facility condition assessments.

(3) Funds available in the respective capital projects accounts may also be used for certificates of participation under chapter 39.94 RCW.

**Sec. 7028.** RCW 28B.50.360 and 2017 3rd sp.s. c 1 s 955 are each amended to read as follows:

Within thirty-five days from the date of start of each quarter all collected building fees of each such community and technical college shall be paid into the state treasury, and shall be credited as follows:

(1) On or before June 30th of each year the college board, if issuing bonds payable out of building fees, shall certify to the state treasurer the amounts required in the ensuing twelve-month period to pay and secure the payment of the principal of and interest on such bonds. The state treasurer shall thereupon deposit the amounts so certified in the community and technical college capital projects account. Such amounts of the funds deposited in the community and technical college capital projects account as are necessary to pay and secure the payment of the principal of and interest on the building bonds issued by the college board as authorized by this chapter shall be devoted to that purpose. If in any twelve-month period it shall appear that the amount certified by the college board is insufficient to pay and secure the payment of the principal of and interest on the outstanding building bonds, the state treasurer shall notify the college board and such board shall adjust its certificate so that all requirements of moneys to pay and secure the payment of the principal and interest on all such bonds then outstanding shall be fully met at all times.

(2) The community and technical college capital projects account is hereby created in the state treasury. The sums deposited in the capital projects account shall be appropriated and expended to pay and secure the payment of the principal of and interest on bonds payable out of the building fees and for the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community and technical colleges in the name of the state of Washington, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances in relation thereto, engineering and architectural services provided by the department of enterprise services, and for the payment of principal of and interest on any bonds issued for such purposes. ~~((However, during the 2015-2017 biennium, sums in the capital projects account shall also be used for routine facility maintenance and utility costs. However,))~~ During the 2017-2019 biennium, sums in the capital projects account ((shall)) may also be used for routine facility maintenance and utility costs. During the 2019-2021 biennium, sums in the capital projects account may also be used for routine facility maintenance and utility costs.

(3) Funds available in the community and technical college capital projects account may also be used for certificates of participation under chapter 39.94 RCW.

**Sec. 7029.** RCW 28B.77.070 and 2018 c 298 s 7014 are each amended to read as follows:

(1) The council shall identify budget priorities and levels of funding for higher education, including the two and four-year institutions of higher education and state financial aid programs.

It is the intent of the legislature for the council to make budget recommendations for allocations for major policy changes in accordance with priorities set forth in the ten-year plan, but the legislature does not intend for the council to review and make recommendations on individual institutional budgets. It is the intent of the legislature that recommendations from the council prioritize funding needs for the overall system of higher education in accordance with priorities set forth in the ten-year plan. It is also the intent of the legislature that the council's recommendations take into consideration the total per-student funding at similar public institutions of higher education in the global challenge states.

(2) By December of each odd-numbered year, the council shall outline the council's fiscal priorities under the ten-year plan that it must distribute to the institutions, the state board for community and technical colleges, the office of financial management, and the joint higher education committee.

(a) Capital budget outlines for the two-year institutions shall be submitted to the office of financial management by August 15th of each even-numbered year, and shall include the prioritized ranking of the capital projects being requested, a description of each capital project, and the amount and fund source being requested.

(b) Capital budget outlines for the four-year institutions must be submitted to the office of financial management by August 15th of each even-numbered year, and must include: The institutions' priority ranking of the project; the capital budget category within which the project will be submitted to the office of financial management in accordance with RCW 43.88D.010; a description of each capital project; and the amount and fund source being requested.

(c) The office of financial management shall reference these reporting requirements in its budget instructions.

(3) The council shall submit recommendations on the operating budget priorities to support the ten-year plan to the office of financial management by October 1st each year, and to the legislature by January 1st each year.

(4)(a) The office of financial management shall develop one prioritized list of capital projects for the legislature to consider that includes all of the projects requested by the four-year institutions of higher education that were scored by the office of financial management pursuant to chapter 43.88D RCW, including projects that were previously scored but not funded. The prioritized list of capital projects shall be based on the following priorities in the following order:

(i) Office of financial management scores pursuant to chapter 43.88D RCW;

(ii) Preserving assets;

(iii) Degree production; and

(iv) Maximizing efficient use of instructional space.

(b) The office of financial management shall include all of the capital projects requested by the four-year institutions of higher education, except for the minor works projects, in the prioritized list of capital projects provided to the legislature.

(c) The form of the prioritized list for capital projects requested by the four-year institutions of higher education shall be provided as one list, ranked in priority order with the highest priority project ranked number "1" through the lowest priority project numbered last. The ranking for the prioritized list of capital projects may not:

(i) Include subpriorities;

(ii) Be organized by category;

(iii) Assume any state bond or building account biennial funding level to prioritize the list; or

(iv) Assume any specific share of projects by institution in the priority list.

(5) Institutions and the state board for community and technical colleges shall submit any supplemental capital budget requests and revisions to the office of financial management by November 1st and to the legislature by January 1st.

(6) For the 2017-2019 fiscal biennium and the 2019-2021 fiscal biennium, pursuant to subsection (4) of this section, the office of financial management may, but is not obligated to, develop one prioritized list of capital projects for the legislature to consider that includes all of the projects requested by the four-year institutions of higher education that were scored by the office of financial management pursuant to chapter 43.88D RCW, including projects that were previously scored but not funded.

**Sec. 7030.** RCW 43.63A.125 and 2011 1st sp.s. c 48 s 7027 are each amended to read as follows:

(1) The department shall establish the building communities fund program. Under the program, capital and technical assistance grants may be made to nonprofit organizations for acquiring, constructing, or rehabilitating facilities used for the delivery of nonresidential community services, including social service centers and multipurpose community centers, including those serving a distinct or ethnic population. Such facilities must be located in a distressed community or serve a substantial number of low-income or disadvantaged persons.

(2) The department shall establish a competitive process to solicit, evaluate, and rank applications for the building communities fund program as follows:

(a) The department shall conduct a statewide solicitation of project applications from nonprofit organizations.

(b) The department shall evaluate and rank applications in consultation with a citizen advisory committee using objective criteria. To be considered qualified, applicants must demonstrate that the proposed project:

(i) Will increase the range, efficiency, or quality of the services provided to citizens;

(ii) Will be located in a distressed community or will serve a substantial number of low-income or disadvantaged persons;

(iii) Will offer three or more distinct activities that meet a single community service objective or offer a diverse set of activities that meet multiple community service objectives, including but not limited to: Providing social services; expanding employment opportunities for or increasing the employability of community residents; or offering educational or recreational opportunities separate from the public school system or private schools, as long as recreation is not the sole purpose of the facility;

(iv) Reflects a long-term vision for the development of the community, shared by residents, businesses, leaders, and partners;

(v) Requires state funding to accomplish a discrete, usable phase of the project;

(vi) Is ready to proceed and will make timely use of the funds;

(vii) Is sponsored by one or more entities that have the organizational and financial capacity to fulfill the terms of the grant agreement and to maintain the project into the future;

(viii) Fills an unmet need for community services;

(ix) Will achieve its stated objectives; and

(x) Is a community priority as shown through tangible commitments of existing or future assets made to the project by community residents, leaders, businesses, and government partners.

(c) The evaluation and ranking process shall also include an examination of existing assets that applicants may apply to projects. Grant assistance under this section shall not exceed twenty-five percent of the total cost of the project, except, under exceptional circumstances, the department may reduce the amount of nonstate match required. However, during the 2019-

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

2021 biennium, the legislature may waive the match required for the projects specified in section 1009 of this act. No more than ten percent of the total granted amount may be awarded to qualified eligible projects that meet the definition of exceptional circumstances defined in this subsection. For purposes of this subsection, exceptional circumstances include but are not limited to: Natural disasters affecting projects; emergencies beyond an applicant's control, such as a fire or an unanticipated loss of a lease where services are currently provided; or a delay that could result in a threat to public health or safety. The nonstate portion of the total project cost may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions.

(d) The department may not set a monetary limit to funding requests.

(3) The department shall submit biennially to the governor and the legislature in the department's capital budget request a ranked list of the qualified eligible projects for which applications were received. The list must include a description of each project, its total cost, and the amount of state funding requested. The appropriate fiscal committees of the legislature shall use this list to determine building communities fund projects that may receive funding in the capital budget. The total amount of state capital funding available for all projects on the biennial list shall be determined by the capital budget beginning with the 2009-2011 biennium and thereafter. In addition, if cash funds have been appropriated, up to three million dollars may be used for technical assistance grants. The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects.

(4) In addition to the list of ranked qualified eligible projects, the department shall submit to the appropriate fiscal committees of the legislature a summary report that describes the solicitation and evaluation processes, including but not limited to the number of applications received, the total amount of funding requested, issues encountered, if any, and any recommendations for process improvements.

(5) After the legislature has approved a specific list of projects in law, the department shall develop and manage appropriate contracts with the selected applicants; monitor project expenditures and grantee performance; report project and contract information; and exercise due diligence and other contract management responsibilities as required.

(6) In contracts for grants authorized under this section the department shall include provisions which require that capital improvements shall be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities shall be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

**Sec. 7031.** RCW 43.83.020 and 2015 1st sp.s. c 4 s 33 are each amended to read as follows:

(1) The state building construction account is hereby established in the state treasury and shall be used exclusively for the purposes of carrying out the provisions of the capital appropriation acts.

(2) During the ~~((2003-2005))~~ 2019-2021 fiscal biennium, the legislature may ~~((transfer))~~ direct the state treasurer to make transfers of moneys from the state building construction account to the ~~((conservation assistance))~~ advanced environmental mitigation revolving account ~~((such amounts as reflect the excess fund balance of the account)).~~

**Sec. 7032.** RCW 43.88D.010 and 2018 c 298 s 7013 are each amended to read as follows:

(1) By October 1st of each even-numbered year, the office of financial management shall complete an objective analysis and scoring of all capital budget projects proposed by the public four-year institutions of higher education and submit the results of the scoring process to the legislative fiscal committees and the four-year institutions. Each project must be reviewed and scored within one of the following categories, according to the project's principal purpose. Each project may be scored in only one category. The categories are:

(a) Access-related projects to accommodate enrollment growth at all campuses, at existing or new university centers, or through distance learning. Growth projects should provide significant additional student capacity. Proposed projects must demonstrate that they are based on solid enrollment demand projections, more cost-effectively provide enrollment access than alternatives such as university centers and distance learning, and make cost-effective use of existing and proposed new space;

(b) Projects that replace failing permanent buildings. Facilities that cannot be economically renovated are considered replacement projects. New space may be programmed for the same or a different use than the space being replaced and may include additions to improve access and enhance the relationship of program or support space;

(c) Projects that renovate facilities to restore building life and upgrade space to meet current program requirements. Renovation projects should represent a complete renovation of a total facility or an isolated wing of a facility. A reasonable renovation project should cost between sixty to eighty percent of current replacement value and restore the renovated area to at least twenty-five years of useful life. New space may be programmed for the same or a different use than the space being renovated and may include additions to improve access and enhance the relationship of program or support space;

(d) Major stand-alone campus infrastructure projects;

(e) Projects that promote economic growth and innovation through expanded research activity. The acquisition and installation of specialized equipment is authorized under this category; and

(f) Other project categories as determined by the office of financial management in consultation with the legislative fiscal committees.

(2) The office of financial management, in consultation with the legislative fiscal committees, shall establish a scoring system and process for each four-year project category that is based on the framework used in the community and technical college system of prioritization. Staff from the state board for community and technical colleges and the four-year institutions shall provide technical assistance on the development of a scoring system and process.

(3) The office of financial management shall consult with the legislative fiscal committees in the scoring of four-year institution project proposals, and may also solicit participation by independent experts.

(a) For each four-year project category, the scoring system must, at a minimum, include an evaluation of enrollment trends, reasonableness of cost, the ability of the project to enhance specific strategic master plan goals, age and condition of the facility if applicable, and impact on space utilization.

(b) Each four-year project category may include projects at the redesign, design, or construction funding phase.

(c) To the extent possible, the objective analysis and scoring system of all capital budget projects shall occur within the context of any and all performance agreements between the office of

financial management and the governing board of a public, four-year institution of higher education that aligns goals, priorities, desired outcomes, flexibility, institutional mission, accountability, and levels of resources.

(4) In evaluating and scoring four-year institution projects, the office of financial management shall take into consideration project schedules that result in realistic, balanced, and predictable expenditure patterns over the ensuing three biennia.

(5) The office of financial management shall distribute common definitions, the scoring system, and other information required for the project proposal and scoring process as part of its biennial budget instructions. The office of financial management, in consultation with the legislative fiscal committees, shall develop common definitions that four-year institutions must use in developing their project proposals and lists under this section.

(6) In developing any scoring system for capital projects proposed by the four-year institutions, the office of financial management:

(a) Shall be provided with all required information by the four-year institutions as deemed necessary by the office of financial management;

(b) May utilize independent services to verify, sample, or evaluate information provided to the office of financial management by the four-year institutions; and

(c) Shall have full access to all data maintained by the joint legislative audit and review committee concerning the condition of higher education facilities.

(7) By August 1st of each even-numbered year each public four-year higher education institution shall prepare and submit prioritized lists of the individual projects proposed by the institution for the ensuing six-year period in each category. The lists must be submitted to the office of financial management and the legislative fiscal committees. The four-year institutions may aggregate minor works project proposals by primary purpose for ranking purposes. Proposed minor works projects must be prioritized within the aggregated proposal, and supporting documentation, including project descriptions and cost estimates, must be provided to the office of financial management and the legislative fiscal committees.

(8) For the 2017-2019 fiscal biennium and the 2019-2021 fiscal biennium, pursuant to subsection (1) of this section, by November 1, ~~((2018))~~ 2020, the office of financial management must score higher education capital project criteria with a rating scale that assesses how well a particular project satisfies those criteria. The office of financial management may not use a rating scale that weighs the importance of those criteria.

(9) For the 2017-2019 fiscal biennium and the 2019-2021 fiscal biennium, pursuant to subsection (6)(a) of this section and in lieu of the requirements of subsection (7) of this section, by August 15, ~~((2018))~~ 2020, the institutions of higher education shall prepare and submit or resubmit to the office of financial management and the legislative fiscal committees:

(a) Individual project proposals developed pursuant to subsection (1) of this section;

(b) Individual project proposals scored in prior biennia pursuant to subsection (1) of this section; and

(c) A prioritized list of up to five project proposals submitted pursuant to (a) and (b) of this subsection.

**Sec. 7033.** RCW 43.155.050 and 2017 3rd sp.s. c 10 s 5 and 2017 3rd sp.s. c 1 s 974 are each reenacted and amended to read as follows:

The public works assistance account is hereby established in the state treasury. Money may be placed in the public works assistance account from the proceeds of bonds when authorized by the legislature or from any other lawful source. Money in the

public works assistance account shall be used to make loans and grants and to give financial guarantees to local governments for public works projects. Moneys in the account may also be appropriated or transferred to the water pollution control revolving account fund was not found and the drinking water assistance account to provide for state match requirements under federal law. Not more than twenty percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated for preconstruction loans and grants, emergency loans and grants, or loans and grants for capital facility planning under this chapter. Not more than ten percent of the biennial capital budget appropriation to the public works board from this account may be expended or obligated as grants for preconstruction, emergency, capital facility planning, and construction projects. ~~((During the 2015-2017 fiscal biennium, the legislature may transfer from the public works assistance account to the general fund, the water pollution control revolving account [fund], and the drinking water assistance account such amounts as reflect the excess fund balance of the account.))~~ During the ~~((2015-2017 and))~~ 2017-2019 and 2019-2021 fiscal biennia, the legislature may appropriate moneys from the account for activities related to rural economic development, the growth management act, the aviation revitalization loan program, the community economic revitalization board broadband program, and the voluntary stewardship program. During the 2015-2017 fiscal biennium, the legislature may transfer from the public works assistance account to the state general fund such amounts as specified by the legislature. During the 2017-2019 fiscal biennium, the legislature may direct the state treasurer to make transfers of moneys in the public works assistance account to the education legacy trust account. It is the intent of the legislature that this policy will be continued in subsequent fiscal biennia. If chapter . . . Laws of 2019 (Second Substitute Senate Bill No. 5511, broadband service) is enacted by June 30, 2019, then during the 2019-2021 fiscal biennium, the legislature may direct the state treasurer to make transfers of moneys in the public works assistance account to the statewide broadband account.

**Sec. 7034.** RCW 70.148.020 and 2016 sp.s. c 35 s 6013 and 2016 c 161 s 15 are each reenacted and amended to read as follows:

(1) The pollution liability insurance program trust account is established in the custody of the state treasurer. All funds appropriated for this chapter and all premiums collected for reinsurance shall be deposited in the account. Except as provided in chapter 70.340 RCW, expenditures from the account shall be used exclusively for the purposes of this chapter including payment of costs of administering the pollution liability insurance and underground storage tank community assistance programs. Expenditures for payment of administrative and operating costs of the agency are subject to the allotment procedures under chapter 43.88 RCW and may be made only after appropriation by statute. No appropriation is required for other expenditures from the account.

(2) Each calendar quarter, the director shall report to the insurance commissioner the loss and surplus reserves required for the calendar quarter. The director shall notify the department of revenue of this amount by the fifteenth day of each calendar quarter.

(3) ~~((During the 2015-2017 fiscal biennium, the legislature may transfer from the pollution liability insurance program trust account to the underground storage tank revolving account such amounts as reflect the excess fund balance of the account.))~~ During the 2019-2021 fiscal biennium, the legislature may make appropriations from the pollution liability insurance program trust account for the leaking tank model remedies activity.

(4) This section expires July 1, 2030.

**Sec. 7035.** RCW 90.94.090 and 2018 c 1 s 301 are each amended to read as follows:

(1) A joint legislative task force on water resource mitigation is established to review the treatment of surface water and groundwater appropriations as they relate to instream flows and fish habitat, to develop and recommend a mitigation sequencing process and scoring system to address such appropriations, and to review the Washington supreme court decision in *Foster v. Department of Ecology*, 184 Wn.2d 465, 362 P.3d 959 (2015).

(2) The task force must consist of the following members:

(a) Two members from each of the two largest caucuses of the senate, appointed by the president of the senate;

(b) Two members from each of the two largest caucuses of the house of representatives, appointed by the speaker of the house of representatives;

(c) A representative from the department, appointed by the director of the department;

(d) A representative from the department of fish and wildlife, appointed by the director of the department of fish and wildlife;

(e) A representative from the department of agriculture, appointed by the director of the department of agriculture;

(f) One representative from each of the following groups, appointed by the consensus of the cochair of the task force:

(i) An organization representing the farming industry in Washington;

(ii) An organization representing Washington cities;

(iii) Two representatives from an environmental advocacy organization or organizations;

(iv) An organization representing municipal water purveyors;

(v) An organization representing business interests;

(vi) Representatives of two federally recognized Indian tribes, one invited by recommendation of the Northwest Indian fisheries commission, and one invited by recommendation of the Columbia river intertribal fish commission.

(3) If a member has not been designated for a position set forth in subsection (2) of this section, that position may not be counted for purposes of determining a quorum.

(4) One cochair of the task force must be a member of the majority caucus of one chamber of the legislature, and one cochair must be a member of the minority caucus of the other chamber of the legislature, as those caucuses existed as of January 19, 2018.

~~((4))~~ (5) The first meeting of the task force must occur by June 30, 2018.

~~((5))~~ (6) Staff support for the task force must be provided by the office of program research and senate committee services. The department and the department of fish and wildlife shall cooperate with the task force and provide information as the cochairs reasonably request.

~~((6))~~ (7) Within existing appropriations, the expenses of the operations of the task force, including the expenses associated with the task force's meetings, must be paid jointly and in equal amounts by the senate and the house of representatives. Task force expenditures are subject to approval by the house executive rules committee and the senate facility and operations committee. Legislative members of the task force are reimbursed for travel expenses in accordance with RCW 44.04.120. Nonlegislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other nonlegislative members is subject to chapter 43.03 RCW.

~~((7))~~ (8)(a) By November 15, 2019, the joint legislative task force must make recommendations to the legislature in

compliance with RCW 43.01.036. The task force may update its November 15, 2019, recommendations by November 15, 2020, if a majority of the members of the task force determine that such an update is appropriate based on additional information developed as a result of the pilot projects established under subsection (9) of this section.

(b) Recommendations of the joint legislative task force must be made by a sixty percent majority of the appointed members of the task force. The representatives of the departments of fish and wildlife, ecology, and agriculture are not eligible to vote on the recommendations. Minority recommendations that achieve the support of at least five of the ~~((named))~~ appointed voting members of the task force may also be submitted to the legislature.

~~((8))~~ (9) The department shall issue permit decisions for up to five water resource mitigation pilot projects. It is the intent of the legislature to use the pilot projects to inform the legislative task force process while also enabling the processing of water right applications that address water supply needs. The department is authorized to issue permits in reliance upon water resource mitigation of impacts to instream flows and closed surface water bodies under the following mitigation sequence:

(a) Avoiding impacts by: (i) Complying with mitigation required by adopted rules that set forth minimum flows, levels, or closures; or (ii) making the water diversion or withdrawal subject to the applicable minimum flows or levels; or

(b) Where avoidance of impacts is not reasonably attainable, minimizing impacts by providing permanent new or existing trust water rights or through other types of replacement water supply resulting in no net annual increase in the quantity of water diverted or withdrawn from the stream or surface water body and no net detrimental impacts to fish and related aquatic resources; or

(c) Where avoidance and minimization are not reasonably attainable, compensating for impacts by providing net ecological benefits to fish and related aquatic resources in the water resource inventory area through in-kind or out-of-kind mitigation or a combination thereof, that improves the function and productivity of affected fish populations and related aquatic habitat. Out-of-kind mitigation may include instream or out-of-stream measures that improve or enhance existing water quality, riparian habitat, or other instream functions and values for which minimum instream flows or closures were established in that watershed.

~~((9))~~ (10) The department must monitor the implementation of the pilot projects, including all mitigation associated with each pilot project, approved under this section at least annually through December 31, 2028.

~~((10))~~ (11) The pilot projects eligible for processing under this section, based on criteria as of January 19, 2018, include:

(a) A city operating a group A water system in Kitsap county and water resource inventory area 15, with a population between 13,000 and 14,000;

(b) A city operating a group A water system in Pierce county and water resource inventory area 10, with a population between 9,500 and 10,500;

(c) A city operating a group A water system in Thurston county and water resource inventory area 11, with a population between 8,500 and 9,500;

(d) A nonprofit mutual water system operating a group A water system in Pierce county and water resource inventory area 12, with between 10,500 and 11,500 service connections; and

(e) An irrigation district located in Whatcom county and water resource inventory area 1, solely for the purpose of processing changes of water rights from surface water to groundwater, and implementing flow augmentation to benefit instream flows.

~~((41))~~ (12) Water right applicants eligible to be processed under this pilot project authority must elect to be included in the pilot project review by notifying the department by July 1, 2018. Once an applicant notifies the department of its intent to be processed under this pilot project authority, subsection ~~((8))~~ (9) of this section applies to final decisions issued by the department, even if such a final decision is issued after the expiration of this section.

~~((42))~~ (13) By November 15, 2018, the department must furnish the task force with information on conceptual mitigation plans for each water resource mitigation pilot project application. By November 15, 2019, the department must provide the task force with an update on the mitigation plans based on additional information developed after November 15, 2018.

~~((43))~~ (14) To ensure that the processing of pilot project applications can inform the task force process in a timely manner, the department must expedite processing of applications for water resource mitigation pilot projects. The applicant for each pilot project must reimburse the department for the department's costs of processing the applicant's application.

~~((44))~~ (15) The water resource mitigation pilot project authority granted to the department does not affect or modify any other procedural requirements of chapter 90.03, 90.44, or 90.54 RCW that apply to the processing of such applications.

~~((45))~~ (16) The joint legislative task force expires December 31, ~~(2019)~~ 2020. During the period from November 16, 2019, through December 31, 2020, the work of the task force is limited to:

(a) A review of any additional information that may be developed after November 15, 2019, as a result of the pilot projects established under subsection (9) of this section; and

(b) An update of the task force's November 15, 2019, recommendations under subsection (8) of this section.

~~((46))~~ (17) This section expires January 1, 2029.

**NEW SECTION. Sec. 7036.** The joint legislative task force created in 2018 c 298 s 7011 (uncodified) is hereby reauthorized through June 30, 2021, subject to the requirements that studies and selection of scientists or organizations to implement the studies must be made by a sixty percent majority of the members of the task force and that if a member has not been designated for a position set forth in subsection (2) of 2018 c 298 s 7011 (uncodified), that position may not be counted for purposes of determining a quorum.

**Sec. 7037.** 2018 c 298 s 7010 (uncodified) is amended to read as follows:

The public use general aviation airport loan revolving account is created in the custody of the state treasurer. All receipts from moneys collected under ~~((section 4002, chapter 2, Laws of 2018, section 4002 of this act, and sections 1 through 8, chapter . . . (Substitute House Bill No. 1656), Laws of 2018))~~ sections 6023 and 4005 of this act must be deposited into the account. Expenditures from the account may be used only for the purposes described in ~~((section 4002, chapter 2, Laws of 2018, section 4002 of this act, and sections 1 through 8, chapter . . . (Substitute House Bill No. 1656), Laws of 2018))~~ sections 6023 and 4005 of this act. Only the community aviation revitalization board or the board's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

**NEW SECTION. Sec. 70.38** UNIVERSITY OF WASHINGTON TRANSFER TO SEATTLE. By June 30, 2020, the University of Washington must transfer the deed of the property and general purpose facility, King County parcel number 308500-2100, located at 2901 27th Avenue South, Seattle, to the

city of Seattle for the purposes of developing affordable housing for households at or below eighty percent of the area median income and providing health care services in partnership with a public hospital system. The University of Washington may reserve easements in the transferred property at no cost to the university. The transfer shall count toward the obligation to build affordable housing under the university's institutional campus master plan agreement. Liabilities existing on the property at the time of transfer will transfer with the property. When the deed is transferred to the city, any existing leases of the property expire. The transfer must be at no cost to the city.

**NEW SECTION. Sec. 7039.** PROPERTY TRANSFER SEATTLE CENTRAL. If House Bill No. 1918 (community preservation auth.) is enacted by June 30, 2019, the Seattle Central College must transfer the deed of the property located at 2120 South Jackson Street, Seattle, Washington 98144, to the community preservation and development authority established in the bill. The transfer must be made by no later than June 30, 2021, once the community preservation and development authority has selected board members. The transfer must be at no cost to the community preservation and development authority.

#### MOTION

On motion of Senator Frockt, the rules were suspended and Substitute House Bill No. 1101 was returned to second reading for the purposes of amendment by voice vote.

The vote by which the striking amendment by the Committee on Ways & Means to Substitute House Bill No. 1101 was adopted on April 8, 2019 was reconsidered.

The committee striking amendment by the Committee on Ways & Means was not adopted on reconsideration.

#### MOTION

Senator Frockt moved that the following striking amendment no. 830 by Senator Frockt be adopted:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION. Sec. 1.** For the purpose of providing funds to finance the projects described and authorized by the legislature in the omnibus capital and operating appropriations acts for the 2017-2019 and 2019-2021 fiscal biennia, and all costs incidental thereto, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of three billion two hundred million nine hundred twenty-six thousand dollars, or as much thereof as may be required, to finance these projects and all costs incidental thereto. Bonds authorized in this section may be sold at such price as the state finance committee shall determine. No bonds authorized in this section may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds.

**NEW SECTION. Sec. 2.** (1) The proceeds from the sale of bonds authorized in section 1 of this act shall be deposited in the state building construction account created by RCW 43.83.020. The proceeds shall be transferred as follows:

(a) Three billion twenty-four million two hundred ninety-two thousand dollars to remain in the state building construction account created by RCW 43.83.020;

(b) One hundred seventy-six million six hundred thirty-four thousand dollars to the state taxable building construction account. All receipts from taxable bonds issued are to be deposited into the account. If the state finance committee deems it necessary or advantageous to issue more than the amount specified in this subsection (1)(b) as taxable bonds in order to comply with federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds or in order to reduce the total financing costs for bonds issued, the proceeds of such additional taxable bonds shall be transferred to the state taxable building construction account in lieu of any transfer otherwise provided by this section. If the state finance committee determines that a portion of the amount specified in this

subsection (1)(b) as taxable bonds may be issued as nontaxable bonds in compliance with federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds, then such bond proceeds shall be transferred to the state building construction account in lieu of the transfer to the state taxable building construction account otherwise provided by this subsection (1)(b). The state treasurer shall submit written notice to the director of financial management if it is determined that any such additional transfer to the state taxable building construction account is necessary or that a transfer from the state taxable building construction account to the state building construction account may be made. Moneys in the account may be spent only after appropriation.

(2)(a) The treasurer shall transfer bond proceeds deposited in the state building construction account into the outdoor recreation account created by RCW 79A.25.060, the habitat conservation account created by RCW 79A.15.020, the farm and forest account created by RCW 79A.15.130, and the early learning facilities development account created by RCW 43.31.569, at various times and in various amounts necessary to support authorized expenditures from those accounts.

(b) The treasurer shall transfer bond proceeds deposited in the state taxable building construction account into the early learning facilities revolving account created by RCW 43.31.569, at various times and in various amounts necessary to support authorized expenditures from that account.

(3) These proceeds shall be used exclusively for the purposes specified in this section and for the payment of expenses incurred in the issuance and sale of the bonds issued for the purposes of this section, and shall be administered by the office of financial management subject to legislative appropriation.

**NEW SECTION. Sec. 3.** (1) The debt-limit general fund bond retirement account shall be used for the payment of the principal of and interest on the bonds authorized in section 1 of this act.

(2) The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount needed in the ensuing twelve months to meet the bond retirement and interest requirements on the bonds authorized in section 1 of this act.

(3) On each date on which any interest or principal and interest payment is due on bonds issued for the purposes of section 2 (1) and (2) of this act the state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the debt-limit general fund bond retirement account an amount equal to the amount certified by the state finance committee to be due on the payment date.

**NEW SECTION. Sec. 4.** (1) Bonds issued under section 1 of this act shall state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay the principal and interest as the same shall become due.

(2) The owner and holder of each of the bonds or the trustee for the owner and holder of any of the bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

**NEW SECTION. Sec. 5.** The legislature may provide additional means for raising moneys for the payment of the principal of and interest on the bonds authorized in section 1 of this act, and sections 2 and 3 of this act shall not be deemed to provide an exclusive method for the payment.

**NEW SECTION. Sec. 6.** Sections 1 through 5 of this act are

ONE HUNDRED FOURTH DAY, APRIL 27, 2019

2019 REGULAR SESSION

each added to chapter 43.100A RCW.

**NEW SECTION. Sec. 7.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION. Sec. 8.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 2 of the title, after "accounts;" strike the remainder of the title and insert "adding new sections to chapter 43.100A RCW; and declaring an emergency."

Senators Frockt and Honeyford spoke in favor of adoption of the striking amendment.

The President declared the question before the Senate to be the adoption of striking amendment no. 830 by Senator Frockt to Substitute House Bill No. 1101.
