WAC 315-06-120 Payment of prizes—General provisions. (1) The director may designate claim centers for the filing of prize claims, and the location of such centers shall be publicized from time to time by the director.

(2) A claim shall be entered in the name of one claimant, which shall be either a natural person, association, corporation, general or limited partnership, club, trust, estate, society, company, joint stock company, receiver, trustee, or another acting in a fiduciary or representative capacity whether appointed by a court or otherwise. A claim which includes one or more tickets with an address label or stamp on the back of the ticket shall be deemed to have been entered in the name of one claimant: Provided, That if the address label or stamp contains the name of more than one claimant, the prize payment will be made to the one who has signed the ticket and/or claim form or, if there is no signature, to the first claimant listed on the address label or stamp. If there are two or more claimant names written or signed on the ticket, lottery personnel shall return the ticket(s) to claimants and shall request that the claimants sign a notarized statement relinquishing ownership to one claimant. The claimant must submit his or her Social Security number (SSN) or the federal employer's identification number (FEIN) when claiming any prize exceeding six hundred dollars.

(3) A claim may be entered in the name of a claimant other than a natural person only if the claimant is a legal entity and possesses a federal employer's identification number (FEIN) as issued by the Internal Revenue Service, such number is shown on the claim form and the entity's terms

comply with subsection (4) of this section. Groups, family units, organizations, clubs, or other organizations which are not a legal entity, or do not possess a federal employer's identification number, shall designate one natural person or one legal entity in whose name the claim is to be entered.

(4) The terms governing a claimant other than a natural person, i.e., articles of incorporation, trust terms, etc., shall be submitted to the director for approval. Terms not in compliance with lottery statutes or rules shall not be approved. Payment shall not be made to a claimant other than a natural person until the director has approved the terms.

All claimants other than natural persons shall have governing terms which:

(a) Prohibit deletion, amendment, or addition of terms without the director's approval;

(b) State the names of all natural persons who have a direct or indirect right or interest in the claimant, each of their percentage interests and their Social Security numbers;

(c) Acknowledge that the debt collection process mandated by RCW 67.70.255 and WAC 315-06-125 shall be applied to the natural persons who hold interests in the claimant through their Social Security numbers; and

(d) Provide that in the event the claimant ceases to exist prior to the full payout of the prize, the lottery will not make further payment without court order.

(5) The lottery shall not make payment to a claimant other than a natural person unless the terms governing the claimant include those enumerated in subsection (4) of this section.

(6) Unless otherwise provided in the rules for a specific type of game, a claimant shall sign the back of the ticket and/or complete and sign a claim form approved by the director. The claimant shall submit the claim form and/or claimant's ticket to the lottery in accordance with the director's instructions as stated in the game brochure and/or on the back of the ticket or submit a request for reconstruction of an alleged winning ticket and sufficient evidence to enable reconstruction and that the claimant had submitted a claim for the prize, if any, for that ticket. The claimant, by submitting the claim or request for reconstruction, agrees to the following provisions:

(a) The discharge of the state, its officials, officers, employees, and the commission of all further liability upon payment of the prize; and

(b) The authorization to use the claimant's name and, upon written permission, photograph for publicity purposes by the lottery.

(7) A prize must be claimed within the time limits prescribed by the director in the instructions for the conduct of a specific game, but in no case shall a prize be claimed later than one hundred eighty days, except a shared game lottery, after the official end of that instant game or draw game drawing for which that draw game ticket was purchased.

(8) The director may deny awarding a prize to a claimant if:

(a) The ticket was not legally issued initially;

(b) The ticket was stolen from the commission, director, its employees or retailers, or from a lottery retailer; or

(c) The ticket has been altered or forged, or has otherwise been mutilated such that the authenticity of the ticket cannot be reasonably assured by the director.

(9) No natural person or legal entity entitled to a prize may assign the right to payment, except under the following limited circumstances:

(a) That payment of a prize may be made to any court appointed legal representative, including, but not limited to, guardians, executors, administrators, receivers, or other court appointed assignees; and

(b) When payment of all or part of the remainder of an annuity and the right to receive future annual prize payments has been voluntarily assigned to another person, pursuant to an appropriate judicial order that meets the requirements of RCW 67.70.100(2).

(10) In the event that there is a dispute or it appears that a dispute may occur relative to any prize, the director may refrain from making payment of the prize pending a final determination by the director or by a court of competent jurisdiction relative to the same.

(11) A ticket that has been legally issued by a lottery retailer is a bearer instrument until signed. The person who signs the ticket or has possession of an unsigned ticket is considered the bearer of the ticket. Payment of any prize may be made to the bearer, and all liability of the state, its officials, officers, and employees and of the commission, director and employees of the commission terminates upon payment.

(12) All prizes shall be paid within a reasonable time after the claims are validated by the director and a winner is determined. Provided, prizes paid for claims validated pursuant to WAC 315-10-070(2) shall not be paid prior to one hundred eighty-one days after the official end of that instant game.

(13) The date of the first installment payment of each prize to be paid in installment payments shall be the date the claim is validated, or the date the winner makes a choice of payment by annual payments or by single cash payment pursuant to WAC 315-34-057. Subsequent installment payments shall be made as follows:

(a) If the prize was awarded as the result of a drawing conducted by the lottery, installment payments shall be made weekly, monthly, or annually from the date of the drawing in accordance with the type of prize awarded; however, at the director's discretion, the lottery may designate an alternate payment date for regular prize payment; or

(b) If the prize was awarded in a manner other than a drawing conducted by the lottery, installment payments shall be made weekly, monthly, or annually from the date the claim is validated in accordance with the type of prize awarded. However, at the director's discretion, the lottery may designate an alternate payment date for regular prize payment.

(14) The director may, at any time, delay any payment in order to review a change of circumstances relative to the prize awarded, the payee, the claim or any other matter that may have come to his or her attention. All delayed payments shall be brought up to date immediately upon the director's confirmation and continue to be paid on each originally scheduled payment date thereafter.

(15) If any prize is payable for the life of the winner, only a natural person may claim such a prize. Such "win for life" type prizes shall cease upon the death of the winner or the end of a guaranteed payment period (if any), whichever is later.

Win for life prizes may be assigned; and the following conditions apply to such assignments:

(a) The original winner's actual life shall determine when prize payments cease; and

(b) The assignee shall be responsible for notifying the lottery of the original winner's death.

(16) The director's decisions and judgments in respect to the determination of a winning ticket or of any other dispute arising from the payment or awarding of prizes shall be final and binding upon all participants in the lottery.

(17) Each lottery retailer shall pay all prizes authorized to be paid by the lottery retailer by these rules during its normal business hours at the location designated on its license.

(18) In the event a dispute between the director and the claimant occurs as to whether the ticket is a winning ticket, and if the ticket prize is not paid, the director may, solely at his or her option, replace the disputed ticket with an unplayed ticket (or tickets of equivalent sales price from any game). This shall be the sole and exclusive remedy of the claimant.

(1) In the case of a petition for an order or an amended order for the voluntary assignment of a prize, a copy of a petition shall be served on the director of the lottery or designee, in addition to service on the attorney general, no later than ten days before any hearing or entry of any order or amended order. After superior court entry of voluntary assignment of a right to a prize pursuant to an appropriate judicial order or amended order, the director shall make payment to the person designated by a certified copy of the order or amended order which has been served upon the director personally or by certified mail provided that the order contains, in addition to the requirements set forth in RCW 67.70.100(2), the following provisions:

(a) The assignor's name. For an initial assignment, the winner's name as it appears on the prize claim form;

(b) The assignee's name;

(c) The citizenship or resident alien number of the assignee (if a natural person).

(2) The certified copy of the order must be served on the director at least twenty working days prior to the annual payment date to allow for a change in the payee. The director shall not be liable for failure to pay an annual payment to an assignee if service of the order and presentation of the required information for tax withholding purposes described in subsection (3) of this section is not timely made.

Lifetime cash winners may assign nonguaranteed payments provided that the original winner has properly verified they are still eligible to receive their prize pursuant to WAC 315-36-110(5). The lottery's obligation to issue assigned payments shall terminate upon the death of the original winner.

(3) Payment shall be made payable to the name of the assignee designated in the judicial order and to no other name. Federal income tax withholding shall be deducted from each payment and reported to the Internal Revenue Service. The assignee shall provide its Social Security number, if a natural person, or tax identification number, if a legal entity, to the director at the time the judicial order is served for the purpose of reporting tax withholding to the Internal Revenue Service and for the purpose of applying the debt collection process as described in subsection (5) of this section.

(4) RCW 67.70.100 authorizes the director to charge actual costs for each assignment and deduct such costs from the initial annuity payment made to the assignee. The director has determined the following costs shall be deducted from the initial annuity payment made to each assignee, unless paid pursuant to subsection (e):

(a) Assignment of whole annuity payments (one or more years) resulting in payment only to the assignee during each year of the assignment: \$250; or

(b) Assignment of a portion/percentage of annuity payments resulting in annual payments to one or more assignees and/or the original prize winner: \$300 for the first year of the assignment, plus \$75 for each year thereafter;

(c) Assignment pursuant to an amended order of assignment, resulting in annual payments to the same number of assignees as in the original order: \$250;

(d) Assignment pursuant to an amended order of assignment, resulting in annual payments to one or more assignees in addition to the assignees in the original order of assignment: \$300 for the first year of the amended order of assignment, plus \$75 for each year thereafter;

(e) If payment of the total fees due for costs for processing an order or amended order is received by the lottery together with and at the same time as the required certified copy of the order or amended order, the fees will not be deducted from annual payments;

(f) The director shall review these costs at least biennially from December 1, 1997, and shall recommend adjustments, if necessary, for commission consideration and approval.

(5) The debt collection process mandated by RCW 67.70.255 and WAC 315-06-125 shall be applied to all payments made to any person pursuant to a voluntary assignment. The term person shall have the same meaning as the definition set forth in WAC 315-02-180.

(4) The lottery shall include the debt information submitted by the creditor in its validation and prize payment process. The lottery shall delay payment of a prize, exceeding six hundred dollars, for a period not to exceed two working days, to any individual prize winner or to any other prize winner which has an individual holding a direct or indirect interest in the prize winner, and who owes a debt to a creditor pursuant to the information submitted in subsection (2) of this section. The lottery shall make a reasonable attempt to contact the creditor's designated contact person(s) by phone, followed by written correspondence, including e-mail, to verify the debt. Three phone calls, excluding busy signals, shall constitute a reasonable attempt. The prize shall be paid to the prize winner if the debt is not verified by the submitting creditor within two working days. If the debt is verified, the prize shall be disbursed pursuant to subsection (9) of this section.

(5) It shall be the obligation of the prize winner to provide the lottery with the names, Social Security numbers, and percentage interests of the individuals who collectively hold one hundred percent of the interest in the prize.

(6) Where an individual holds an interest in a prize claimed by another individual, the lottery must be informed of that interest, its percentage and the Social Security number

(SSN) of the nonclaimant individual who holds the interest, prior to the validation and prize payment process described herein; otherwise, the Social Security number of the claimant individual and the full net amount of the prize will be used in completing the processing required under this section.

(7) Where the right to payment to an individual who holds an interest in a prize winner is discretionary with a third party or is contingent, the tax ID number of the prize winner shall be used in completing the processing required under this section, rather than the Social Security number of said individual.

(8) A creditor shall verify the debt by submitting to the lottery at lottery headquarters in Olympia, Washington within the requisite two working day period, a facsimile or photocopy of a judgment or final order which is the basis for the debt.

(9) Prior to disbursement, any verified debts owed to a creditor by the individual winner of any lottery prize exceeding six hundred dollars or by an individual holding more than a six hundred dollar interest in a prize winner shall be set off against the prize owing to the individual or against the proportionate interest of the individual in the prize winner. In the event a prize winner or an individual holding more than a six hundred dollar interest in a prize winner owes debts to more than one creditor, and the total prize to that winner or individual is insufficient to pay all debts, the set off shall be paid to the creditors on a pro rata basis based on the amount of debt owed to each creditor unless priority is established by statute.

The following play options may be selected by the player for Daily Game:

(b) Six-way box. A play in which winning is achieved only when the three digits selected by the player contains three unique digits and those three digits are contained in any combination of the winning digits drawn for the day selected. For example, if the winning digits are "123," only box plays of "123," "132," "213," "231," "312," and "321" will be winners.

(c) Three-way box. A play in which winning is achieved only when the three digits selected by the player contains two identical digits and one unique digit and those three digits are contained in the winning digits drawn for the day selected. For example, if the winning digits are "122," only box plays of "122," "212," and "221" will be winners.

(d) Front-pair. A play in which winning is achieved only when the player selects two digits and those two digits match in exact order the first two winning digits drawn for the day selected. [Statutory Authority: Chapter 67.70 RCW. 05-11-050, § 315-38-010, filed 5/13/05, effective 6/13/05. Statutory Authority: RCW 67.70.040. 02-15-122, § 315-38-010, filed 7/19/02, effective 8/19/02.]

WAC 315-38-020 Definitions. Words and terms set forth below, when used herein, shall have the following meaning unless otherwise indicated:

(1) Annual/annuitized/annuity option: The manner in which the Mega Millions jackpot prize may be paid in twenty-six annual installments. In order to allow for the efficient purchase of securities, the first installment may be of a different value from the second through the twenty-sixth installment. The second through the twenty-sixth installments shall be of equal value.

(2) Authorized claim center: Any Mega Millions agent or retailer, or party lottery office, in the state where the winning official Mega Millions ticket was purchased.

(3) Cash option: The manner in which the Mega Millions jackpot prize may be paid in a single payment. The cash option amount shall be the proceeds of the sale of investments purchased to fund the particular winner's share of the annuitized jackpot prize. At the director's discretion, an initial payment of a portion of the cash option prize may be paid to the winner at the time the prize is claimed.

(4) Claimant: Any person or entity submitting a claim form within the required time period to collect a prize for an official Mega Millions ticket. A claimant may be the purchaser, the person or entity named on a signed official Mega Millions ticket, the bearer of an unsigned official Mega Millions ticket, or any other person or entity who may seek entitlement to a Mega Millions prize payment in accordance with the Mega Millions rules and party lottery governing laws, policies and rules. No claimant may assert rights different from the rights acquired by the original purchaser at the time of purchase.

(5) Director(s): The chief officers of the party lotteries or any other persons to whom the directors' authority is lawfully delegated.

(6) Multistate agreement: The amended and restated multistate agreement regarding the Mega Millions game, or any subsequent amended agreement, signed by the party lotteries and including the Mega Millions official game rules, finance and operations procedures for Mega Millions, and on-line drawing procedures for Mega Millions.

(7) Official Mega Millions ticket: A game ticket, produced on official paper stock by a Mega Millions agent or retailer in an authorized manner, bearing player or computer selected numbers, game name, drawing date, amount of wager, and validation data.

(8) Party lottery or lotteries: One or more of the state lotteries established and operated pursuant to the laws of California, Georgia, Illinois, Maryland, Massachusetts, Michigan, New Jersey, New York, Ohio, Texas, Virginia, Washington state or any other state lottery authorized to become a member of Mega Millions.

(9) Parimutuel: Total amount of sales allocated to pay prize claimants at the designated prize level, divided among the number of winning official Mega Millions tickets at the designated prize level.

(10) Prize fund: That portion of Mega Millions gross sales in the party lottery states set aside for the payment of prizes. The prize fund for any drawing is expected to be fifty percent of sales, but may be higher or lower based upon the number of winners at each set prize level, as well as the funding required to meet the advertised jackpot.

(11) Purchaser(s): Player(s) of Mega Millions who purchase tickets in accordance with Mega Millions rules and party lottery governing laws, policies, and rules.

(12) Quick-pick, auto-pick or easy pick: A player option in which Mega Millions number selections are determined at random by computer software.

(13) Total prize liability: For any one Mega Millions drawing, total prize liability is calculated as all lower tier prizes won, plus the total sales for that drawing multiplied by 31.8% (allocation to the jackpot prize pool). The California state lottery's sales and prizes are excluded for purposes of this calculation.

(14) Subscription/season ticket: An extended, multi-draw purchase option, which may be offered in Washington state at the discretion of the director of the Washington state lottery, wherein the same set(s) of numbers may be played for a specified number of consecutive drawings (for example, 26, 52 or 104), effective on a future date. Subscription/season tickets are distinguished from multidraw tickets which are effective for specified future drawings and are sold at the retailer level.

(15) Mega Millions agent, sales agent or retailer: A location in one of the states which are party lotteries and which is licensed or contracted and equipped by its respective state lottery to sell official Mega Millions tickets.

WAC 315-38-090 Jackpot prize payments. (1) Prior to each drawing, the directors shall determine the estimated annuitized jackpot prize amount to be advertised. The advertised jackpot prize amount shall be the basis for determining the amount to be awarded for each Mega Millions panel matching all five of the five Mega Millions winning numbers drawn for Field 1 and the one Mega Millions winning number drawn for Field 2. No annuitized jackpot prize, when there is only one jackpot prize winning ticket, shall be less than \$12 million.

(2) If, in any Mega Millions drawing, there are no Mega Millions panels that qualify for the jackpot prize category, the portion of the prize fund allocated to such jackpot prize category shall remain in the jackpot prize category and be added to the amount allocated for the jackpot prize category in the next consecutive Mega Millions drawing.

(3) If the annuitized jackpot prize divided by the number of Mega Millions panels matching all five of the five Mega Millions winning numbers for Field 1 and the one Mega Millions winning number for Field 2, is equal to or greater than \$1,000,000, the jackpot prize(s) will be paid under the annuity option unless a cash option was selected by the winner(s), as follows:

(a) **Cash option:** After a player has claimed a jackpot prize or a share of a jackpot prize, and after the claim has been validated (including a debt check pursuant to WAC 315-06-125), the player may elect to be paid a one-time single cash option payment as defined by WAC 315-38-020(3), provided:

(i) The player must elect this cash option within sixty days of the validation of his or her prize, by following the procedure required by the lottery;

(ii) If the federal tax code is interpreted by federal authorities to require that this cash option be exercised within sixty days of the drawing for the prize, then (a)(i) of this subsection will not apply and instead, the player must elect this cash option within sixty days of the date of the drawing for the prize;

(iii) The player's choice of payment method as designated by signing the appropriate lottery form is final and may not be changed by the player at a later date;

(iv) Cash option jackpot prizes shall be paid in a single payment in accordance with the internal validation procedures and settlement procedures pursuant to the multistate agreement and the Washington state lottery. At the director's discretion, an initial payment of a portion of the cash option prize may be paid to the winner at the time the prize is claimed.

(b) **Annuity:** A player who chooses not to elect the cash option or who does not elect the cash option within the sixty-day limit will be paid his or her prize in twenty-six annual installment payments. The initial payment shall be paid in accordance with the internal validation procedures and settlement procedures established by the multistate agreement and the Washington state lottery. The subsequent twenty-five payments shall be paid annually to coincide with the month of the federal auction date at which the bonds were pur-

chased. All such payments shall be made within seven days of the anniversary of the actual auction date. This date of payment of the subsequent payments is subject to the discretion of the director of the Washington state lottery, acting in the best interest of the lottery.

(4) In the event multiple Mega Millions panels match all five of the five Mega Millions winning numbers for Field 1 and the one Mega Millions winning number for Field 2, and the annuitized Mega Millions jackpot prize divided by the number of winning game panels is less than \$1,000,000, each Mega Millions jackpot prize winner shall be paid an amount equal to the "cash equivalent grand/jackpot prize," as defined by the multistate agreement, divided equally by the number of jackpot prize winners. Each such jackpot prize winner will be paid in a single cash payment.
