**WAC 223-08-087 Commencing an appeal—Temporary suspension or discontinuance.** Any county appealing under RCW 76.09.050(8) or any person aggrieved appealing under RCW 76.09.220(8) may seek a temporary suspension of the department's approval, in whole or in part, pending such appeal. Any operator, timber owner, or forest land owner appealing under RCW 76.09.080 may seek temporary discontinuance of the stop work order, in whole or in part, pending such appeal. The following procedure shall apply:

- (1) The appellant shall file with the appeals board a motion, supported by affidavit setting forth specific facts supporting a temporary suspension or discontinuance. Such motion may be filed with the notice commencing the appeal or at any time thereafter prior to the final decision of the appeal by the appeals board.
- (2) Upon receipt of said motion, the presiding officer shall schedule a hearing and serve notice of such hearing on all parties to the appeal. Before or after the commencement of said hearing the presiding officer may order the hearing of the merits to be consolidated with said hearing.
- (3) After hearing, the presiding officer shall temporarily suspend the department's approval, or temporarily discontinue the stop work order in whole or in part, or shall decline

to suspend or discontinue. Such action shall be based solely on the record and hearing argument, and shall be embodied in a written order. Orders issued under this subsection shall remain effective until the final decision of the appeals board unless sooner dissolved for good cause shown.

(4) In emergency situations, a temporary suspension or discontinuance in whole or in part may be granted by the presiding officer without a hearing, only if it clearly appears from specific facts shown by affidavit that immediate and irreparable injury, loss, or damage will result to the moving party before any adverse party can be heard in opposition. A temporary suspension or discontinuance granted without a hearing shall be embodied in a written order and shall expire by its terms within such time after entry, not to exceed fourteen days, as provided therein unless within the time so fixed the order, for good cause shown, is extended for a like period or unless the party against whom the order is directed consents that it may be extended for a longer period. The reasons for the extension shall be entered of record. On two days' notice to the party who obtained the temporary suspension or discontinuance without notice or on such shorter notice to that party as the presiding officer may prescribe, the adverse party may appear and move its dissolution or modification and in that event the presiding officer shall proceed to hear and determine such motion as expeditiously as the ends of justice require.

(5) Every order temporarily suspending the department's approval of an application, or temporarily discontinuing a stop work order, whether issued before or after hearing, shall set forth the reasons for its issuance and shall describe in reasonable detail the scope of suspension or discontinuance and shall be filed at the principal office of the appeals board and shall be binding upon all parties to the appeal, their officers, agents, servants, employees, and attorneys and upon those persons in active concert of participation with them who receive actual notice of the order.

(6) Except as otherwise provided by statute, no temporary suspension or discontinuance shall issue except upon the giving of security by the moving party, in such sum as the presiding officer deems proper, for payment of such costs and damages as may be incurred or suffered by any party who is found to have wrongfully obtained the suspension or discontinuance. No such security shall be required of the United States or of an officer or agency thereof. Pursuant to RCW 4.92.080 no security shall be required of the state of Washington, municipal corporations, or political subdivisions of the state of Washington.
