(1) The investment is suitable for the purchaser upon the basis of the facts disclosed by the purchaser as to the purchaser's other security holdings, the purchaser's other mortgage paper security holdings, and the purchaser's financial situation and needs.

(2) The purchaser qualifies for at least one of the following:

(a) The purchaser's investment in the mortgage paper securities being offered does not exceed twenty percent of the purchaser's net worth, or joint net worth with that person's spouse: Provided, That the purchaser's total investment in

mortgage paper securities involving any one borrower or his affiliates may not exceed twenty percent of the purchaser's net worth, or joint net worth with that person's spouse;

WAC 460-33A-035 Limitations on the use of optional registration of this chapter. Unless the director makes a special notation on the permit issued to the mortgage broker-dealer granting permission to offer the following types of securities based upon a showing that the investors will be adequately protected, the following types of securities cannot be offered or sold under the rules of this chapter:

(1) Offerings involving construction loans may not be sold using the rules of this chapter unless the loan to value ratio, as determined utilizing the current value of the property without considering future improvements, is within the limits established by subsection (7) of this section.

(2) Offerings involving the mortgage broker-dealer, its officers, agents, affiliates, and persons controlling the mortgage broker-dealer or affiliates may not be sold as part of the optional registration of the rules of this chapter unless the registration with the director includes a full description of these transactions. An offering "involves" the persons listed where the person is the owner, the borrower, or has an interest in the proceeds other than fees, commissions, or mark-ups.

(3) Offerings involving documents reserving the right to subordinate the position of any investor to any mortgage, trust deed or lien created at or after the sale.

(4) Offerings involving pooling or participations involving more than ten investors may not be sold under the optional registration of the rules of this chapter. However, where only first liens are involved and the note amount equals or exceeds one hundred thousand dollars, the registrant may sell to up to twenty five investors. A husband and wife and their dependents may be counted as one investor.

(5) Offerings in which the real property or other collateral securing the notes, bonds or obligations is not within this

state unless the general offering circular contains disclosure of all material facts concerning the relevant laws of the state in which the real property is situated and a risk factor discussing the risks of investing in out-of-state real estate.

(6) Offerings involving notes, bonds, or obligations secured by a single mortgage, deed of trust or real estate contract or a single group of mortgages, deeds of trust or real estate contracts that are not identical in their underlying terms, including the right to direct or require foreclosure, rights to and rate of interest, and other incidents of being a lender, and the sale to each purchaser or investor is not upon the same terms; provided however, an offering may be subject to adjustment for the face or principal amount or percentage interest purchased and for interest earned or accrued.

(7) Offerings in which the aggregate principal amount of the notes, bonds or obligations sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, exceed the following percentages of the current market value (as determined by WAC 460-33A-105) of the real property:

(a) Single-family residences - Eighty percent.

(b) Commercial and income-producing properties - seventy percent.

(c) Unimproved property which has been zoned for commercial or residential development - Fifty percent. For purposes of this section, "unimproved property" includes real property with structures that cannot be legally occupied, do not substantially conform with the appraisal of the property prepared pursuant to WAC 460-33A-105, or otherwise lack the functional attributes or basic amenities customarily found in the type of structures in question.

(d) Other real property - Forty percent.

(8) Offerings involving real estate paper in which a default in any note, bond or obligation will not be a default in all notes, bonds or obligations concerning a specific loan.

(9) Offerings in which the following actions may be taken on behalf of the investors without the consent of investors holding a majority percentage of the unpaid dollar amount of notes, bonds, or obligations:

(a) Consenting to the sale or transfer by the borrower of the collateral securing the loan, or the substitution of a new borrower;

(b) Approving any modification to the loan which decreases the rate of interest payable to the investors;

(c) Deferring or forgiving the payment of any principal or interest;

(d) Making any agreements concerning the release, substitution, or exchange of any collateral, or any portion of the collateral, for the loan;

(e) Entering into any agreement to reduce the principal amount of the loan (except for actual payments of principal);

(f) Making any concession with respect to compliance with any material obligations imposed by the instruments evidencing or securing the loan; or

(g) Extending or renewing the loan.

(10) Loans in which investors are required to designate the servicing agent as their attorney-in-fact with respect to documents and instruments, other than those described below, which would otherwise require signing or other action by the investors:

(a) Escrow instructions concerning the closing and collection of the loan;

(b) Instruments necessary to substitute investors; and

(c) Partial or full satisfaction or release of the deed of trust or other security instrument pursuant to the provisions of the deed of trust or security agreement upon receipt of the appropriate payment.

(11) Offerings in which the investors holding a majority percentage of the unpaid dollar amount of any loan may not remove the servicing agent.

(12) A registrant requesting a modification under this section must request it in writing and must provide satisfactory evidence that the interest of the public will be adequately protected.

[Statutory Authority: RCW 21.20.450. 01-23-002, § 460-33A-035, filed 11/7/01, effective 12/8/01. Statutory Authority: RCW 21.20.045. 92-18-009, § 460-33A-035, filed 8/21/92, effective 9/21/92. WAC 460-33A-037 Disclosure requirements in the sale of real estate owned property. The following apply to real property acquired by owners of mortgage paper securities through foreclosure or otherwise in settlement of the note or bond which is the subject of the mortgage paper security (real estate owned or REO):

(a) A real estate broker's opinion of value dated within twelve months of the recommendation is obtained pursuant to WAC 460-33A-038;

(b) In offering the mortgage paper securities to the current owners, the loan-to-value ratio was established by relying on the tax assessment valuation pursuant to WAC 460-33A-105(6). In this instance, the specific offering circular required by subsection (1) of this section may use the current tax assessment valuation; or

The mortgage broker-dealer may not require investors to consent to this waiver prior to issuing its recommendation to sell REO.

(3) Regardless of whether an appraisal is required or furnished pursuant to subsection (2) of this section, investors holding a majority percentage interest in the unpaid dollar amount of the notes, bonds or obligations may direct the mortgage broker-dealer to obtain an appraisal or a new appraisal that is dated within twelve months of the mortgage broker-dealer's recommendation. The costs of such an appraisal shall be the responsibility of the mortgage paper security investors unless the mortgage broker-dealer agrees to pay for the appraisal.

(i) The right of investors holding a majority percentage of the interest in the property to remove the mortgage broker-dealer as the servicing agent in accordance with WAC 460-33A-035(11).

(5) If the terms of the purchase and sale agreement include seller financing, the disclosure document required in this section shall disclose the following in addition to the disclosure required under subsection (4) of this section:

(a) A loan application completed by the prospective buyer;

(b) The credit report of the prospective buyer;

(c) The financial statements of the prospective buyer, if available;

(d) A comparison of the loan terms in the original offering with those proposed in the purchase and sale agreement; and

(6) The disclosure document required in this section shall be sent to all the investors holding an interest in the property subject to the purchase and sale agreement at least ten days prior to the closing date of the sale.
