Chapter 132D-125 WAC
STUDENT EDUCATION RECORDS

WAC 132D-125-010 Purpose. This chapter replaces chapters 132D-130 and 132D-280 (Family Educational Rights and Privacy Act) WAC.

1. Generally, students have the right to review and copy their education records. Students also have the right to challenge the content of, the release of, or denial of access to their education records.

2. The college normally will not permit access to or release of the student's education records to the public without authorization by the student, though some exceptions exist. Please see below for a complete description of the policy.

3. The college may release directory information concerning a student unless the student requests in writing that directory information not be released.

   (c) Records concerning a student which are created or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his or her professional or paraprofessional capacity, or assisting in that capacity, and which are created, maintained, or used only in connection with the provision of treatment to the student and are not available to anyone other than persons providing such treatment, except that such records may be personally reviewed by a physician or other appropriate professional of the student's choice.
