WAC 132S-50-010 Purpose. Columbia Basin College exists as a facility which must provide for the needs of a community as expressed in the geographical boundaries of Benton and Franklin counties. Beyond its initial charge of education and training of people, there rests an additional responsibility to provide maximum use of its physical facilities for institutional and community use. It shall be the policy of Columbia Basin College to offer its physical facilities for group use on a priority basis as follows:

(1) Instructional activities.[3:]
(2) Student activities.[3:]
(3) Community activities.

Each group must abide by rules and regulations of use which shall be determined by the administration. Instructional and student groups must make an application in advance of the intended date of use to avoid scheduling conflicts. Community groups must make application for facility use and should make such application at least thirty days prior to the intended date of use.

Reviser's note: RCW 34.05.390 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 132S-50-020 Regulations regarding use of college facilities. The specific use of school facilities shall be governed by the regulations consistent with the intent of the policy. Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching, research or public service programs. These regulations shall be as follows:

(1) Requests for facility use must be submitted by means of a facility use form to the business office of Columbia Basin College.
(2) A Columbia Basin College employee must be assigned to the building during the scheduled time the facility is to be used.
(3) The administration reserves the right to deny or cancel any application for use when such use, or meeting, may in any way be prejudicial to the best interest of the school or for which satisfactory sponsorship is not provided. Review of such action may be carried to the board of trustees. The college may deny or cancel use of its facilities to any individual, group or organization if the requested use would:

(1) Interfere or conflict with the college's instructional, student services, or support programs;
(2) Interfere with the free flow of pedestrian or vehicular traffic on campus;
(3) Involve illegal activity;
(4) Create a hazard or result in damage to college facilities; or
(5) Create undue stress on college resources[.]
(4) Applications for college facility use which may be considered a major policy decision not fully covered by this existing policy statement may be referred directly to the administration for disposition. Any individual or group granted permission to use college facilities shall agree in advance to abide by all college rules and regulations. The college reserves the right to deny use of college facilities to any individual or group whose past conduct indicates a likelihood that college rules and regulations will not be obeyed. The college may also deny use to a requesting individual or organization which has used the facilities in the past and has damaged college property, left college buildings and grounds in excessive disorder, or failed to cooperate with college staff regarding use of the facilities.

WAC 132S-50-024 Commercial activities. The primary mission of institutions of higher education is the creation and dissemination of knowledge. Institutions of higher education must be mindful that in providing goods and services for fees, they may be competing with local private businesses. To promote the mission of Columbia Basin College, it is often necessary to engage in commercial activities that provide goods and services that meet special needs of students, faculty, staff and members of the public who participate in college activities and events. The college shall comply with chapter 28B.63 RCW, which establishes standards for colleges to follow in conducting commercial activities.

Columbia Basin College may engage in the providing of goods, services, or facilities for a fee only when such are directly and substantially related to the education mission of the college. Fees charged for goods, services, and facilities shall reflect their full direct and indirect costs, including overhead, and shall take into account the price of such items in the private marketplace.

In general, the facilities of the college shall not be rented to or used by, private or commercial organizations or associations, nor shall the facilities be rented to persons or organizations conducting programs for private gain. Columbia Basin [Community] College facilities will not be used for commercial solicitation, advertising, or promotional activities except when such activities clearly serve educational objectives, including but not limited to, display of books of interest to the academic or career oriented community or the display or demonstration of technical or research equipment, extracurricular programs, including food services, athletic and recreational programs, and performing arts programs, and when such commercial activities are related to educational objectives and are conducted under the sponsorship or at the request of a college department or of the vice-president of administration or designee[s]. Provided, That such solicitation does not interfere with, or operate to the detriment of, the conduct of college affairs or the free flow of pedestrian or vehicular traffic.

The base rate for facilities will be adjusted periodically only as allowed by law. The college reserves the right to make pricing changes without prior written notice, except that such price changes shall not apply to facility use agreements already approved in writing by the administration.

WAC 132S-50-025 Commercial activities defined. For the purposes of this chapter, the term "commercial activities" does not include handbills, leaflets, or newspapers distributed free of charge by any Columbia Basin College student or students or by members of recognized Columbia Basin College student organizations or by Columbia Basin College personnel that are distributed in a manner that does not unreasonably interfere with the ingress and egress of persons or the free flow of vehicular or pedestrian traffic, nor does it include commercial items sold through the college bookstore or any other facility at the direction of the vice-president of administration.

(2) Permission for the posting, display or distribution of handbills, leaflets, newspapers, posters and similar related matter on college facilities must be obtained from the vice-president of administration or designee. Permission for such posting or display will be given only if such material meets the following criteria:

(c) Each of such handbills, leaflets, newspapers and related matter must bear identification as to the publishing agency and distributing organization or individual, as well as the date when posted materials will be removed from the property.
(3) Students/college employees

Handbills, leaflets, newspapers and similar related matter may be sold or distributed free of charge by any Columbia Basin College student or students or by members of recognized Columbia Basin College student organizations or by Columbia Basin College employees on or in Columbia Basin College facilities at locations specifically designated by the director of student programs; provided such distribution or sale meets the criteria listed above (1a-c) [(2)(a)-(c)].
(4) Nonstudents persons and organizations not connected with the college may not distribute handbills, leaflets, newspapers and similar materials.
