Each certificated employee may cast only one ballot in any election held pursuant to these rules, and the presence of a signature beside the name of an employee desiring to vote shall automatically constitute grounds for challenge to his right to cast a ballot in an election.

[Order 1, § 132T-16-021, filed 4/22/68.]

WAC 132T-16-024 Incorrectly marked ballot. Any voter who incorrectly marks his ballot may obtain a new ballot by returning the incorrectly marked ballot to the chief election officer's inspector. [Order 1, § 132T-16-027, filed 4/22/68.]

WAC 132T-16-030 Folding ballot—Ballot box. Each voter shall fold his ballot so that the manner in which he has marked it cannot be observed and shall then place it in the locked ballot box provided at the designated voting place.

WAC 132T-16-033 Challenged ballot—Procedure. A challenged ballot shall be placed in an envelope bearing no identifying marks. It shall then be placed in another envelope upon which shall be written the name of the employee desiring to cast the ballot, the reasons for which the ballot was challenged, by whom it was challenged and the polling place at which it was challenged, and the envelope shall be sealed and initialed by the election inspectors.

[Order 1, § 132T-16-033, filed 4/22/68.]

WAC 132T-16-039 Election inspectors duties after voting has terminated. When all voting has terminated at a polling place, the election inspectors will bring to the chief election officer at the community college district office the following: (1) Signed voting list of eligible certificated employees, (2) all unused ballots, (3) all challenged ballots, and (4) the sealed ballot box containing all ballots cast.

[Order 1, § 132T-16-039, filed 4/22/68.]

WAC 132T-16-042 Disposition of challenged ballots—Tally sheets—Investigation by chief election officer. The challenged ballots previously placed in separate envelopes shall be placed in a sealed envelope marked "challenged ballots" and sent along with the tally sheet to the chief election officer. The challenged ballots shall not be opened or counted unless the counting of such ballots might affect the results of the election. If the challenged ballots might affect the results of the election, the chief election officer shall conduct an investigation into, or if necessary a formal hearing on, the validity of the challenges made. If he concludes that the challenge was properly made, that ballot shall be excluded from the count. Otherwise, such ballot shall be counted as cast.

[Order 1, § 132T-16-042, filed 4/22/68.]
WAC 132T-16-045 Counting of ballots—Procedure—Certification of results of election—Retention of ballots—Signed voting lists. When ballot boxes from all voting places have been received by the chief election officer’s inspector, he shall open them and thoroughly mix all ballots cast so that it is impossible to identify the polling place from which any particular ballot came. The ballots cast shall be separated into the categories as they have been cast for organizations participating in the election, for no organization, and void ballots which are unintelligible or for an organization not participating in the election. The ballots in these categories shall be counted by the chief election officer with the assistance of such of his election inspectors as shall be necessary in the presence of the inspectors for the organizations participating in the election. After the ballots have been so counted the inspector designated by the organizations to serve at the community college district office shall indicate by his signature upon the tally sheet that he agrees with the count made, or in case of disagreement, he shall write a short statement of his grounds for disagreement with the count. The chief election officer shall certify to the board of trustees the results of the election within forty-eight hours after the polls have been closed. The used ballots, the unused ballots, the challenged ballots, and the signed voting lists of eligible certificated employees shall be kept by the chief election officer or some person designated by him for one year after the election.

WAC 132T-16-048 Contest of election—Time for filing objections—Investigation of objections. Any organization, the name of which appears on the ballot, or any certificated employee may within five days after the certification of the results of an election under the provisions of this part, file objections to the conduct of the election with the chief election officer designated by the board of trustees pursuant to WAC 132T-16-012 of this part. The election officer shall investigate such objections and, if necessary, hold formal hearings thereon. He shall report thereon to the board of trustees. If the board of trustees shall conclude that the conduct objected to may have improperly affected the results of the election, it shall order a new election. Otherwise, it shall overrule the objections and the results of the election shall be considered final. Objections to the conduct of the election which are not filed in accordance with the provisions of this section shall be waived and of no effect.

If more than one organization of certificated employees has participated in an election and a majority of the valid votes cast has not been either for representation by one of the organizations or for no representation, a run-off election shall be held.
