1. A request should be made in writing upon a form prescribed by the college which shall be available at its human resources office.    a. Make the requested document available; or
   b. Advise the requestor as to the estimated date of availability of the requested record(s); or

This charge is the amount necessary to reimburse the college for its actual costs incident to such copying. If a particular request for copies requires the use of any equipment not readily available, the college will provide copies at a rate sufficient to cover any additional cost. All fees must be paid by money order, cashier's check or cash either in advance or at the time of tender of the records.

WAC 132X-10-100 Exemptions. (1) The college reserves the right to determine that a public record requested in accordance with the procedures outlined in WAC 132X-10-080 is exempt under the provisions of chapter 42.56 RCW including, but not limited to, RCW 42.56.110.

(2) In addition, pursuant to RCW 42.56.070, the college reserves the right to lawfully strike out information in public records it discloses, in cases when disclosure of such details would constitute personal information as defined in RCW 42.56.230 or would constitute an invasion of privacy as defined in RCW 42.56.050 and referenced in RCW 42.56.230(2). The public records officer and/or his/her designee will reflect the relevant RCWs supporting such strikeouts either on the document at the point of striking out or in a strikeout log enclosed with or part of the transmittal letter accompanying the records.

(3) All denials of requests for public records will be accompanied by a written statement specifying the RCW exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

(4) The release or disclosure of student educational records is governed by federal regulation (FERPA). Separate and different procedures are established by the college for student educational records.

WAC 132X-10-110 Review of denials of public records requests. (1) Any person who objects to the denial of a request for a public record may petition for prompt review of such decision by tendering a written request for review. The written request shall specifically refer to the written statement by the public records officer and/or his/her designee which constituted or accompanied the denial.

(2) Immediately after receiving a written request for review of a decision denying a public record, the public records officer and/or his/her designee shall refer it to the president. The president or his/her designee shall consider the college's obligation to comply with the intent of chapter 42.56 RCW, the exemptions provided in chapter 42.56 RCW including, but not limited to, RCW 42.56.070, 42.56.320, 42.56.510 and other pertinent statutes, along with statutory provisions which require the college to protect public records from damage or disorganization, prevent excessive interference with essential college functions, and prevent any unreasonable invasion of personal privacy by deleting identifying details. In any case, the request shall be returned with a final decision, within five business days following the original denial.

(3) Administrative remedies shall not be considered exhausted until the college has returned the petition with a decision or until the close of the fifth business day following denial of inspection, whichever occurs first.
Whenever the college concludes that a public record is exempt from disclosure and denies inspection and copying, the requestor may request a review of the matter by the office of the attorney general. A written request for review by the attorney general's office, along with a copy of the request and the college's written denial should be sent directly to the office of attorney general in Olympia, Washington. The office of the attorney general will conduct a prompt and independent review of the request and the college's denial and provide a written opinion as to whether the record requested is exempt from disclosure. This review is not binding upon the college or the requestor.

WAC 132X-10-120 Protection of public records.
Requests for public records shall be to the public records officer and/or his/her designees in the human resources office. Public records and a facility for their inspection will be provided by the public records officer and/or his/her designees. Such records shall not be removed from the place designated for their inspection. Copies shall be made at South Puget Sound Community College.
