(ii) Require the person subject to the assessment to give adequate assurance or security for its payment.

(c) Subsequent to the first sale, no affected units shall be transported, carried, shipped, sold, marketed, or otherwise handled or disposed of until every due and payable assessment herein provided for has been paid and the receipt issued. The foregoing shall include all affected units shipped or sold, both inside and outside the state.

(2) Collections. Any moneys collected or received by the board pursuant to the provisions of the marketing order during or with respect to any season or year, may be refunded on a pro rata basis at the close of such season or year or at the close of such longer period as the board determines to be reasonably adapted to effectuate the declared policies of this act and the purposes of this marketing order, to all persons from whom such moneys were collected or received or may be carried over into and used with respect to the next succeeding season, year, or period whenever the board finds that the same will tend to effectuate such policies and purposes.
The marketing order shall be terminated if the director finds that fifty-one percent by numbers and fifty-one percent by volume of production of the affected producers favor or assent such dissolution. The director may ascertain without compliance with RCW 15.65.050 through 15.65.130 of the act whether such termination is so assented to or favored whenever twenty percent by numbers and twenty percent by volume of production of the affected producers file written application with the director for such termination. The termination shall not, however, become effective until the expiration of the marketing season.

WAC 16-555-070 Effective time. The marketing order for strawberries shall become effective on and after June 15, 1985.

WAC 16-555-080 Separability. WAC 16-555-041 Time—Place—Method for payment and collection of assessments. Effective with the growing season of 1985, the following procedure is established for the reporting and paying of assessments levied pursuant to RCW 15.65.410 and WAC 16-555-040:

(1) All first handlers of strawberries for resale or for processing shall withhold the amount of the assessment from their remittance to growers and transmit same to the commission. Where the first handler does not remit proceeds to the producer, the first handler shall include in his/her bill for services the assessment due and upon payment by the producer shall remit same to the commission. All such assessments accumulated will be due and payable to the commission on or before September 30 of each year, a report listing the name, address, pounds handled or purchased, and amount deducted or collected for each producer on forms provided by the commission.

(2) All growers selling strawberries other than to first handlers for resale or processing, whether selling direct or through brokers, and including all sales at retail, including u-pick, shall pay the assessment directly to the commission, on or before September 30 of each year.

(3) All growers having strawberries in cold storage that are not sold on September 15 of each year, shall compute the assessment due on such berries and pay same to the commission by September 30 of each year.

(4) Any assessments paid after the above deadlines shall be accompanied by a penalty fee of ten percent as provided in RCW 15.65.440 of the act.

WAC 16-555-050 Obligations of the board. Obligations incurred by the board or employee or agent thereof pertaining to their performance or nonperformance or misperformance of any matters or things authorized, required, or permitted them by the act or this marketing order, and any other liabilities or claims against them or any of them shall be enforced in the same manner as if the whole organization under the order were a corporation. No liability for the debts or actions of the board, employee, or agent incurred in their official capacity under this marketing order shall exist either against the board, officers, employees, and/or agents in their individual capacity, nor against the state of Washington or any subdivision or instrumentality thereof nor against any other organization, administrator, or board (employee or agent thereof) established pursuant to this act or the assets thereof. The board, and its agents and employees, shall not be held responsible individually in any way whatsoever to any person for errors in judgment, mistakes, or other acts, either of commission or omission, as principal, agent, person, or employee, except for their own individual acts of dishonesty or crime. No such person or employee shall be held responsible individually for any act or omission of any other board, member of the board, or other person. The liability of the members of the board shall be several and not joint and no member shall be liable for the default of any other member.

[Statutory Authority: Chapter 15.65 RCW. 85-11-030 (Order 1856), § 16-555-040, filed 5/14/85.]

Penalties. Any due and payable assessment herein levied in such specified amount as may be determined by the board pursuant to the provisions of the act and the marketing order, shall constitute a personal debt of every person so assessed or who otherwise owes the same, and the same shall be due and payable to the board when payment is called for by it. In the event any person fails to pay the board the full amount of such assessment or such other sum on or before the date due, the board may, and is hereby authorized to, add to such unpaid assessment or sum an amount not exceeding ten percent of the same to defray the cost of enforcing the collection of the same. In the event of failure of such person or persons to pay any such due and payable assessment or other such sum, the board may bring a civil action against such person or persons in a state court of competent jurisdiction for the collection thereof, together with the above specified ten percent thereon, and such action shall be tried and judgment rendered as in any other cause of action for debt due and payable.
