WAC 172-66-010  Purpose. The board of trustees of
Eastern Washington State College hereby declares that it
does approve the sale of beer on the premises of Eastern
Washington State College, and reserves the right to subse-
quently adopt rules and regulations governing the same. In
order to implement the required legal procedures precedent to
obtaining authorization to sell beer on campus, the following
rules contained within this chapter are promulgated.
[Order 73-3, § 172-66-010, filed 1/30/73.]

WAC 172-66-020  Initial procedures. The board of
trustees hereby delegates to the president of the college or his
designee the responsibility for investigating and establishing
a program to implement the board's policy of permitting beer
to be sold on campus. Such program, which may be imple-
mented only with board approval, shall include but not be
limited to the following requisite procedures:
(1) A determination by the president as to whether beer
to be sold on campus shall be accomplished through a private
contractor, or through a division or agency of the college.
(2) If a private contractor is to be the operator of any con-
cession on the campus that does sell beer in any manner per-
mitted by the state liquor board, a determination as to what
shall be the nature of such concessionaire-college agreement
and the monetary arrangement between the college and the
concessionaire.
(3) A determination as to whether a concessionaire or the
college will be an applicant to the state liquor board for a beer
retailer's license, as permitted at chapter 66.24 RCW.
(4) Designation of the type of liquor license to be
requested by the concessionaire, if selected, or the college,
since the type of license dictates whether beer may be sold in
draft, bottle only, or whether unpasteurized beer may be sold
on campus.
