WAC 196-09-050 Brief adjudicative proceedings. (1) The board will conduct brief adjudicative proceedings as provided for in RCW 34.05.482 through 34.05.494 of the Administrative Procedure Act. Brief adjudicative proceedings may be used whenever a statement of charges, notice of intent to issue a cease and desist order, or temporary cease and desist order alleges violations of chapter 18.43 RCW, chapter 18.210 RCW, chapter 18.235 RCW, administrative rules in Title 196 WAC or any statutes or rules that specifically govern the defined practices of engineering, land surveying and on-site wastewater treatment system designs. Brief adjudicative proceedings may also be used in place of formal adjudicative hearings whenever the board issues a statement of charges, notice of intent to issue a cease and desist order, or temporary cease and desist order alleging that an applicant or licensee's conduct, act(s), or condition(s) constitute unlicensed practice or unprofessional conduct as that term is defined under chapter 18.235 RCW, the Uniform Regulation of Business and Professions Act.

(2) Brief adjudicative proceedings may be used to determine the following issues, including, but not limited to:
(a) Whether an applicant has satisfied terms for reinstatement of a license after a period of license restriction, suspension, or revocation;
(b) Whether an applicant is eligible to sit for a professional licensing examination;
(c) Whether a sanction proposed by the board is appropriate based on the stipulated facts;
(d) Whether an applicant meets minimum requirements for an initial or renewal application;
(e) Whether an applicant has failed the professional licensing examination;
(f) Whether a licensee has sufficient continuing education credits when the licensee submits a renewal application;
(g) Whether an applicant or licensee failed to cooperate in an investigation by the board;
(h) Whether an application or license was convicted of a crime that disqualifies the applicant or licensee from holding the specific license sought or held;
(i) Whether an applicant or licensee has defaulted on educational loans;
(j) Whether an applicant or licensee has violated the terms of a final order issued by the board or the board's designee;
(k) Whether a person has engaged in false, deceptive or misleading advertising; or
(l) Whether a person has engaged in unlicensed practice.
(3) In addition to the situations enumerated in subsection (2) of this section, the board may conduct brief adjudicative proceedings instead of formal adjudicative hearings whenever the parties have stipulated to the facts and the only issues presented are issues of law, or whenever issues of fact exist but witness testimony is unnecessary to prove or disprove the relevant facts.

WAC 196-09-100 Investigative cost reimbursement. The reimbursement of investigative costs may be ordered by the board if the adjudicative process has resulted in a finding by the board that identifies conduct which is considered misconduct or malpractice and has resulted in the suspension or revocation of the license to practice. Costs subject to reimbursement are those expenses paid by the board during the investigation process, such as expert or consultant witness contracts.

WAC 196-09-110 Cooperation with board investigation. In the course of an investigation and request by the board under its authority in chapter 18.43 RCW, a licensee or registrant must provide any papers, records, or documents in their possession or accessible to them that pertain to the allegations in a complaint or investigation, and a written explanation addressing such complaint/investigation or other information requested by the board. A facility related to a complaint or investigation shall be made accessible by the licensee during regular business hours.

WAC 196-09-120 Meetings and officers. All meetings of the board are held in accordance with the Open Public Meetings Act, chapter 42.30 RCW. The Washington state board of registration for professional engineers and land surveyors shall hold its annual meeting in the third week of June each year. All other meetings of the board are held at such times and places as the board may deem necessary.

At the annual meeting the board shall elect a chair and vice-chair to hold office for one year commencing July 9. Any resignation from the position of chair shall be filled for the remainder of the term by the vice-chair.

(b) Exclude him or herself from the board vote on the specific contract, sale, lease, purchase or grant; and

EXAMPLE:  
The board is composed of licensed professional engineers (PE) and professional land surveyors (PLS). A licensed PE member of the board is employed by a company, which conducts forensic evaluations for the purpose of determining whether an engineering design was properly performed. The board is in the process of selecting a contractor to conduct an evaluation of said engineering design for the board's use during disciplinary activities. The company that employs the PE member of the board has responded to the board’s RFP.

The PE member of the board may use his general expertise regarding the performance of forensic evaluations to educate the board as to the general elements of such review. The member is prohibited from participating in the board's discussion, decision and vote for selecting a contractor.

(b) Exclude him or herself from the board vote on the specific transaction; and

(2) The prohibition against discussion and voting set forth in sections (a) and (c) may not prohibit the member of the board from using his or her general expertise to educate and provide general information on the subject area to the other members.

(3)(a) "Transaction" involving the board means a proceeding, application, submission, request for a ruling or other determination, contract, claim, case, or other similar matter that the member in question believes, or has reason to believe:  
(i) Is, or will be, the subject of board action; or  
(ii) Is one to which the board is or will be a party; or  
(iii) Is one in which the board has a direct and substantial proprietary interest.

(b) "Transaction" involving the board does not include the following: Preparation, consideration, or enactment of legislation, including appropriation of moneys in a budget, or the performance of legislative duties by a member; or a claim, case, lawsuit, or similar matter if the member did not participate in the underlying transaction involving the board that is the basis for the claim, case, or lawsuit. Rule making is not a "transaction" as described in this subsection.
