Chapter 250-82 WAC
PUBLIC RECORDS

WAC 250-82-010 Authority and purpose. (1) RCW 42.56.070(1) requires each agency to make available for inspection and copying nonexempt "public records" in accordance with published rules. The act defines "public record" to include any "writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained" by the agency. RCW 42.56.070(2) requires each agency to set forth "for informational purposes" every law, in addition to the Public Records Act, that exempts or prohibits the disclosure of public records held by that agency.

(2) The purpose of these rules is to establish the procedures the Washington higher education coordinating board will follow in order to provide full access to public records. These rules provide information to persons wishing to request access to public records of the Washington higher education coordinating board and establish processes for both requestors and the Washington higher education coordinating board staff that are designed to best assist members of the public in obtaining such access.

(3) The purpose of the act is to provide the public full access to information concerning the conduct of government, mindful of individuals' privacy rights and the desirability of the efficient administration of government. The act and these rules will be interpreted in favor of disclosure. In carrying out its responsibilities under the act, the Washington higher education coordinating board will be guided by the provisions of the act describing its purposes and interpretation.

WAC 250-82-020 Agency description—Contact information—Public records officer. (1) The Washington higher education coordinating board administers all state student financial aid programs. These programs include state and federal student need based aid, merit based aid, workforce incentive aid, and other outreach programs. In addition, the board provides state level policy development, research, analysis, planning, and coordination of various issues confronting higher education. The Washington higher education coordinating board serves as the administrative agency for the state's guaranteed education tuition program, overseen by the GET committee. The Washington higher education coordinating board central office is located at 917 Lakeridge Way SW, P.O. Box 43430, Olympia, WA 98504-3430.

(2) Any person wishing to request access to public records of Washington higher education coordinating board, or seeking assistance in making such a request should contact the public records officer of the Washington higher education coordinating board:

(3) The public records officer will oversee compliance with the act but another Washington higher education coordinating board staff member may process the request. Therefore, these rules will refer to the public records officer "or designee." The public records officer or designee and the Washington higher education coordinating board will provide the "fullest assistance" to requestors; create and maintain for use by the public and Washington higher education coordinating board officials an index to public records of the Washington higher education coordinating board; ensure that public records are protected from damage or disorganization; and prevent fulfilling public records requests from causing excessive interference with essential functions of the Washington higher education coordinating board.

WAC 250-82-030 Availability of public records. (1) Hours for inspection of records. Public records are available for inspection and copying during normal business hours of the Washington higher education coordinating board, Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding legal holidays. Records must be inspected at the offices of the Washington higher education coordinating board.

(2) Records index. An index of public records is available for use by members of the public, including final orders, declaratory orders, interpretive statements, and statements of policy issued after June 30, 1990.

The volume of records maintained by the Washington higher education coordinating board is such that it would be unduly burdensome to develop and maintain an index for all such records. In lieu of an index the following filing system is utilized:

(a) Resolutions by the board are filed by resolution number by year.

[Statutory Authority: RCW 42.56.100. 07-12-026, § 250-82-020, filed 5/30/07, effective 6/30/07.]
(b) The following records are filed by the name of the academic institution:

- Complaints filed by persons claiming loss of tuition or fees as a result of an unfair business practice;
- Records regarding the issuance or denial of authorization for an academic institution to issue one or more degrees, or the waiver or exemption of any requirement of authorization;
- Records regarding the approval or denial of a degree program for an academic institution;
- Records regarding program approval for the use of GI Bill benefits;
- Records regarding the approval or denial of an academic institution to participate in the state need grant program.

(3) **Organization of records.** The Washington higher education coordinating board will maintain its records in a reasonably organized manner. The Washington higher education coordinating board will take reasonable actions to protect records from damage and disorganization. A requestor shall not take records from Washington higher education coordinating board offices without the permission of the public records officer or designee. A variety of records is available on the Washington higher education coordinating board web site at http://www.hecb.wa.gov/. Requestors are encouraged to view the documents available on the web site prior to submitting a records request.

(4) **Making a request for public records.**

(a) Any person wishing to inspect or copy public records of the Washington higher education coordinating board should make the request in writing on the Washington higher education coordinating board's request form, or by letter, fax, or e-mail addressed to the public records officer and including the following information:

- Name of requestor;
- Address of requestor;
- Other contact information, including telephone number and any e-mail address;
- Identification of the public records adequate for the public records officer or designee to locate the records; and
- The date and time of day of the request.

(b) If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should so indicate and make arrangements to pay for copies of the records or a deposit. Pursuant to section 7 of this rule, standard photocopies will be provided at 15 cents per page.

(c) A form is available for use by requestors at the office of the public records officer and on-line at http://www.hecb.wa.gov/.

(d) The public records officer or designee may accept requests for public records that contain the above information by telephone or in person. If the public records officer or designee accepts such a request, he or she will confirm receipt of the information and the substance of the request in writing.

[Statutory Authority: RCW 42.56.100. 07-12-026, § 250-82-030, filed 5/30/07, effective 6/30/07.]

**WAC 250-82-040 Processing of public records requests—General.** (1) **Providing "fullest assistance."**

The Washington higher education coordinating board is charged by statute with adopting rules which provide for how it will "provide full access to public records," "protect records from damage or disorganization," "prevent excessive interference with other essential functions of the agency," provide "fullest assistance" to requestors, and provide the "most timely possible action" on public records requests. The public records officer or designee will process requests in the order allowing the most requests to be processed in the most efficient manner.

(2) **Acknowledging receipt of request.** Within five business days of receipt of the request, the public records officer will do one or more of the following:

(a) Make the records available for inspection or copying;

(b) If copies are requested and payment of a deposit, for the copies, if any, is made or terms of payment are agreed upon, send the copies to the requestor;

(c) Provide a reasonable estimate of when records will be available;

(d) If the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. Such clarification may be requested and provided by telephone. The public records officer or designee may revise the estimate of when records will be available; or

(e) Deny the request.

(3) **Consequences of failure to respond.** If the Washington higher education coordinating board does not respond in writing within five business days of receipt of the request for disclosure, the requestor should consider contacting the public records officer to determine the reason for the failure to respond.

(4) **Protecting rights of others.** In the event that the requested records contain information that may affect rights of others and may be exempt from disclosure, the public records officer may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for those other persons to contact the requestor and ask him or her to revise the request, or, if necessary, seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(5) **Records exempt from disclosure.** Some records are exempt from disclosure, in whole or in part. If the Washington higher education coordinating board believes that a record is exempt from disclosure and should be withheld, the public records officer will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(6) **Inspection of records.**

(a) Consistent with other demands, the Washington higher education coordinating board shall promptly provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor shall indicate which documents he or she wishes the agency to copy.

(b) The requestor must claim or review the assembled records within thirty days of the Washington higher education coordinating board's notification to him or her that the records are available for inspection or copying. The agency will notify the requestor in writing of this requirement and
inform the requestor that he or she should contact the agency to make arrangements to claim or review the records. If the requestor or a representative of the requestor fails to claim or review the records within the thirty-day period or make other arrangements, the Washington higher education coordinating board may close the request and return the assembled records. Other public records requests can be processed ahead of a subsequent request by the same person for the same or almost identical records, which can be processed as a new request.

(7) Providing copies of records. After inspection is complete, the public records officer or designee shall make the requested copies or arrange for copying.

(8) Providing records in installments. When the request is for a large number of records, the public records officer or designee will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within thirty days, the requestor fails to inspect the entire set of records or one or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

(9) Completion of inspection. When the inspection of the requested records is complete and all requested copies are provided, the public records officer or designee will indicate that the Washington higher education coordinating board has completed a diligent search for the requested records and made any located nonexempt records available for inspection.

(10) Closing withdrawn or abandoned request. When the requestor either withdraws the request or fails to fulfill his or her obligations to inspect the records or pay the deposit or final payment for the requested copies, the public records officer will close the request and indicate to the requestor that the Washington higher education coordinating board has closed the request.

(11) Later discovered documents. If, after the Washington higher education coordinating board has informed the requestor that it has provided all available records, the Washington higher education coordinating board becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

WAC 250-82-050 Exemptions. (1) The Public Records Act provides that a number of types of documents are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Requestors should be aware of the following exceptions, outside the Public Records Act, that restrict the availability of some documents held by the Washington higher education coordinating board for inspection and copying:

Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 C.F.R. Part 99)

28B.76.280 Data collection and research — Research advisory group — Privacy protection.

28B.85.020 Board's duties — Rules — Investigations — Interagency agreements for degree and nondegree programs — Information on institutions offering substandard or fraudulent degree programs — Financial disclosure exempt from public disclosure.

(2) The Washington higher education coordinating board is prohibited by statute from disclosing lists of individuals for commercial purposes.

WAC 250-82-060 Costs of providing copies of public records. (1) Costs for paper copies. There is no fee for inspecting public records. A requestor may obtain standard black and white photocopies for fifteen cents per page.

Before beginning to make the copies, the public records officer or designee may require a deposit of up to ten percent of the estimated costs of copying all the records selected by the requestor. The public records officer or designee may also require the payment of the remainder of the copying costs before providing all the records, or the payment of the costs of copying an installment before providing that installment. The Washington higher education coordinating board will not charge sales tax when it makes copies of public records.

(2) Costs of mailing. The Washington higher education coordinating board may also charge actual costs of mailing, including the cost of the shipping container.

(3) Payment. Payment may be made by cash, check, or money order to the Washington higher education coordinating board.

WAC 250-82-070 Review of denials of public records. (1) Petition for internal administrative review of denial of access. Any person who objects to the initial denial or partial denial of a records request may petition in writing (including e-mail) to the public records officer for a review of that decision. The petition shall include a copy of or reasonably identify the written statement by the public records officer or designee denying the request.

(2) Consideration of petition for review. The public records officer shall promptly provide the petition and any other relevant information to the deputy director. The deputy will immediately consider the petition and either affirm or reverse the denial within two business days following the Washington higher education coordinating board's receipt of the petition, or within such other time as the Washington higher education coordinating board and the requestor mutually agree to.

(3) Review by the attorney general's office. Pursuant to RCW 42.56.530, if the Washington higher education coordinating board denies a requestor access to public records because it claims the record is exempt in whole or part from disclosure, the requestor may request the attorney general's office to review the matter. The attorney general has adopted rules on such requests in WAC 44-06-160.
(4) **Judicial review.** Any person may obtain court review of denials of public records request pursuant to RCW 42.56.550 at the conclusion of two business days after the initial denial regardless of any internal administrative appeal.
