WAC 286-04-080 Federal overlay and requirements.

At times through the years, the committee's grant programs have been closely interrelated with certain federal grant programs. For example, see WAC 286-40-010, Land and Water Conservation Fund. The result of this interrelationship is that there are many federal requirements imposed on the committee and its applicants over which the committee has no control.

Many of these requirements may be found in the Land and Water Conservation Fund Grants Manual (National Park Service). In addition, most of the federal requirements are restated or clarified in the manuals.

(a) Clearly states the question the declaratory order is to answer; and

(2) The director may conduct an independent investigation in order to fully develop the relevant facts.

(3) The director will present the petition to the committee at the first meeting when it is practical to do so and will provide the petitioner with at least five days notice of the time and place of such meeting. Such notice may be waived by the petitioner.

(4) The petitioner may present additional material and/or argument at any time prior to the issuance of the declaratory order.
