**WAC 314-60-085** Processing public records requests. (1) The public records officer will process requests in the order allowing the most requests to be processed in the most efficient manner.

(2) Acknowledging receipt of request. Within five business days of receipt of the request, the public records officer will do one or more of the following:

(b) If copies are requested and payment of a deposit for copies, if any, is made or terms of payment agreed upon, send the copies to the requestor;

(c) Provide a reasonable estimate of when records will be available; or

(d) If the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. Such clarification may be requested and provided by telephone. The public records officer may revise the estimate of when records will be available; or

(e) Deny the request.

(3) Protecting the rights of others. If the requested records contain information that may affect rights of others and may be exempt from disclosure, the public records officer may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for those other persons to contact the requestor and ask him or her to revise the request, or, if necessary, seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(4) Records exempt from disclosure. Some records are exempt from disclosure, in whole or in part. If the LCB believes that a record is exempt from disclosure and should be withheld, the public records officer will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(5) Inspection of records.

(3/13/09)
(a) Consistent with other demands, the LCB shall promptly provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor shall indicate which documents he or she wishes the agency to copy.

(b) The requestor must claim or review the assembled records within thirty days of the LCB’s notification to him or her that the records are available for inspection or copying. The agency will notify the requestor in writing of this requirement and inform the requestor that he or she should contact the agency to make arrangements to claim or review the records. If the requestor or a representative of the requestor fails to claim or review the records within the thirty-day period or make other arrangements, the LCB may close the request and refile the assembled records. Other public records requests can be processed ahead of a subsequent request by the same person for the same or almost identical records, which can be processed as a new request.

(6) Providing copies of records. After inspection is complete, the public records officer shall make the requested copies or arrange for copying.

(7) Providing records in installments. When the request is for a large number of records, the public records officer will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within thirty days, the requestor fails to inspect the entire set of records or one or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

(8) Completion of inspection. When the inspection of the requested records is complete and all requested copies are provided, the public records officer will indicate that the LCB has completed a diligent search for the requested records and made any located nonexempt records available for inspection.

(9) Closing withdrawn or abandoned request. When the requestor either withdraws the request or fails to fulfill his or her obligations to inspect the records or pay the deposit or final payment for the requested copies, the public records officer will close the request and indicate to the requestor that the LCB has closed the request.

(10) Later discovered documents. If, after the LCB has informed the requestor that it has provided all available records, the LCB becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

WAC 314-60-087 Processing public records requests—Electronic records. (1) Requesting electronic records. The process for requesting electronic public records is the same as for requesting paper public records.

Costs for providing electronic records are governed by WAC 314-60-090.

(3) Customized access to data bases. With the consent of the requestor, the agency may provide customized access under RCW 43.105.280 if the record is not reasonably locatable or not reasonably translatable into the format requested. The LCB may charge a fee consistent with RCW 43.105.280 for such customized access.
