WAC 352-64-060 What criteria will be used to evaluate my application? State parks will review and evaluate applications based on the applicants ability to achieve any or all of the following criteria. Programs which are designed to:

1. Focus on recreational boating accident and fatality prevention through education and/or enforcement of safe boating laws.
2. Assist in the training of personnel in recreational boating safety education and law enforcement program areas.
3. Assist in the development of statewide recreational boater safety education and information programs including the uniform state waterway marking system.
4. Assist in the development of other programs which promote or enhance safe boating opportunities in Washington state.

WAC 352-64-070 How will projects be selected for funding? (1) Applications will be reviewed by state parks staff and will be evaluated against the criteria in this chapter.

(2) Staff will consult with and consider the recommendations of the boating safety council and will present final recommendations to the director. The director shall make the final decision on funding a project.

(3) No grant expenditures may be made until such approval is received and a contract is signed by the state parks and funding recipient authorized representatives.

(4) Applicants for recreational boating safety program funds whose requests are approved by the director may receive funds (a) on a reimbursement basis after a billing which indicates satisfactory compliance with a contract that has been filed with state parks or (b) through an advance payment upon a written request to and approval by the director.

WAC 352-64-080 What conditions are placed on the use of the funds? The following conditions apply to the use of the funds:

1. Project contract. For every funded project, a contract must be executed by the director and by the funding recipient's authorized representative.
2. Matching contribution. Should a matching contribution be required, recipients of boating safety funds shall meet this requirement through program expenditures, in-kind services, and/or volunteer contributions to the program.
3. Accountability. Recipients of boating safety funds shall maintain accurate accounting records on the expenditure of funds including any matching contribution if such matching contribution is required, provide the director with these records consistent with the agreement or upon request, and permit a state parks representative to audit the use of the funds in accordance with generally accepted audit practices and standards.
4. State parks reserves the right to terminate its participation in any program for failure of the funding recipient to perform according to the requirements of the agreement.
5. Reporting requirements. The funding recipient shall submit reports required by state parks as provided in the project contract.
