390-16-011 Campaign Financing Reporting

Please consult PDC instruction manuals when completing this report. Reporting requirements are contained in and governed by RCW 42.17A and WAC 390.

Who Must File – Persons, committees, organizations or groups that receive contributions or make expenditures in support of or opposition to: candidates in jurisdictions of 5,000 or more registered voters as of the last general election; statewide ballot issues; or local ballot issues in jurisdictions with 1,000 or more registered voters as of the last general election.

When To File – Within 2 weeks of organizing a committee or first expecting to receive contributions or make expenditures, whichever occurs first. (Committees that organize within three weeks of an election must file within three business days of forming or of expecting to receive contributions or make expenditures.)

Amend the C-1pc form within 10 calendar days of any material change to the registration information furnished previously. See “Sponsor” section below for further instructions.* For single election-year only committees, a material change includes providing or modifying the list of candidates the committee is supporting or opposing.

Continuing political committees using Mini Reporting are required to file a C-1pc annually each January. Reports are considered filed as of the postmark date or date hand-delivered to PDC.

File the initial C-1pc and any necessary amendments with the PDC. Keep copies with of the committee’s records.

Committee Name – Do not use the exact name of another active political committee – no two active committees may have the same name. Do not abbreviate or use acronyms in the committee name.

“Sponsor” of a Political Committee – Sponsor of a political committee includes any person, except a committee authorized by a candidate or by a public official against whom recall charges have been filed to whom any of the following applies:
• the committee receives 80% or more of its contributions either from the person or from the person’s members, officers, employees, or shareholders;
• the person collects contributions for the committee by use of payroll deductions or dues from its members, officers, or employees.

“Person” is defined in RCW 42.17A.005(36).

* A political committee shall include a known sponsor in its name when filing the initial C-1pc. In accordance with WAC 390-16-011A(6), the political committee must amend its registration 60 days before an election in which it participates if the political committee has a different sponsor at that time. See WAC 390-16-011A(6)(a) and (b) for information on calculating the 80% threshold for this amendment. Interim amendments are not required to show changes to a sponsor’s status.

“Officer” of a Political Committee – Officer of a political committee includes the following persons:
• any person designated as an officer on the C-1pc registration statement, and
• any person who alone or in conjunction with other persons makes, directs, or authorizes contribution, expenditure, strategic or policy decisions on behalf of the committee. [WAC 390-05-245]

Persons who perform “Ministerial Functions” for two or more campaigns – A person may perform ministerial functions for a candidate and a political committee without jeopardizing that political committee’s eligibility to make independent expenditures or electioneering communications regarding that candidate as long as:
• the person performs solely ministerial functions for both the candidate and the political committee;
• the person is identified on both the candidate’s and political committee’s registration statements as a person performing ministerial functions for the campaign; and
• the person does not share information from or about one of the campaigns with the other campaign, or does not use information from or about one of the campaigns to assist the other campaign. [See RCW 42.17A.005 (13)(b)(ix) and WAC 390-05-243 for more detailed information.]

“Ministerial functions” means activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. RCW 42.17A.005(33). Also see WAC 390-05-243 for a non-exclusive list of ministerial functions and a definition of administrative office. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills and maintain campaign finance records. However, if a person performs functions for both a candidate and a political committee and those functions for one or both campaigns entail duties beyond those deemed ministerial, any expenditure by the committee benefiting the candidate may be a contribution, rather than an independent expenditure or electioneering communication. [RCW 42.17A.005(33) and WACs 390-05-243 and 390-05-210]

CONTRIBUTIONS OF MORE THAN $100

When an individual gives the campaign more than $100 in the aggregate, that person’s employer must be identified by name, city, state and the person’s occupation must also be disclosed. Once an individual gives more than $100, occupation and employer information will appear on every report showing additional contributions from the individual.

For all candidates – when an individual gives more than $100 in the aggregate from the beginning of the campaign, show occupation and employer information.

For Single Election Political Committees (e.g., ballot issue committees) – when an individual gives more than $100 in the aggregate from the beginning of the campaign, show occupation and employer.

For Continuing Political Committees (e.g., party committees & PACs) – when an individual gives more than $100 in the aggregate from the beginning of the calendar year, show occupation and employer.

PRIMARY/GENERAL ELECTION

Candidates subject to contribution limits must specify in Part 2 of the C-3 form whether a contribution is designated for the primary or the general election. If a contribution is for the primary election, put a “X” in the PRI box; if it counts toward the contributor’s general election limit, put an “X” in the GEN box. If one check is used to make both a primary and a general election contribution, use two separate contributor blocks – one each for the primary and general donations. See instruction manual for example.

Candidates not subject to limits, political committees and continuing political committees – primary and general election designations not required; disregard these boxes.

AGGREGATE TOTAL

The total put in the Aggregate Total column for each contributor will depend on who is filing the report. See below.

Candidates subject to contribution limits: Show the total given for each election. If the contributor is giving a primary election contribution, the Aggregate Total figure is the total of that person’s primary election contributions. If the GEN box is checked, the Aggregate Total is the contributor’s general election total. (Only your campaign records and PDC’s computer records will keep track of the grand total for both elections.)

Candidates not subject to limits: Show the total given since the beginning of the campaign.

Political Committees Organized for One Election Only: Show the total given since the beginning of the campaign.

Continuing Political Committees: Show the total given since the beginning of the calendar year.

### INSTRUCTIONS

**Item No./Description:** As each item to be auctioned is received, assign it a number and a brief description.

**Contributor:** The person or organization that donates an item or service to be auctioned. If the campaign purchases items for auction, state “purchased by committee” under contributor’s name. If auction is held by candidate subject to contribution limits, designate which election (PRI or GEN) contribution is for. Contribution amount is fair market value of item or service and is subject to any applicable contribution limit. Adjust fair market value amount if sold for less than initial fair market value. See No. 2 below.

**Buyer:** The person who buys the item or service being auctioned. If auction is held by candidate subject to contribution limits, designate which election (PRI or GEN) buyer is giving to when purchase price exceeds fair market value amount.

**Fair Market Value:** The retail value of the article. Adjust if amount paid is less than fair market value. See No. 2 below.

**Sale Price:** The amount the buyer paid for the item or service.

**Amount Over Fair Market Value:** The amount the sale price exceeds fair market value. If sale price is less than or equal to the fair market value, leave blank. The amount paid in excess of fair market value is a contribution from the buyer and is subject to any applicable contribution limit.

**Aggregate Total:**

- **Contributor:** Fair market value of the donation plus all previous contributions made during campaign (for candidates subject to contribution limits, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).
- **Buyer:** Amount over fair market value plus all previous contributions made during campaign (for candidates subject to contribution limits, all contributions made for election designated; for continuing political committees, all contributions made during calendar year).

If **Cash is Received:** RCW 42.17A.475 says that a political committee must make all of its monetary contributions by check (or other written instrument). However, individuals, businesses, unions and other entities may use currency to make small contributions. The maximum amount of a currency contribution is periodically adjusted by PDC. See WAC 390-05-400 or contact PDC. If the campaign receives cash contributions, each of which does not exceed the maximum, but is more than $50, prepare a receipt – signed by the donor and either the candidate, treasurer or deputy treasurer – and keep it as part of the campaign records.

The purpose of this report is to highlight receipt of an earmarked contribution. (That is, a contribution given to one candidate or political committee with the understanding, intent or instruction that it be used to benefit another candidate or committee.) This report is filed in addition to any other required reporting of the transaction.

A separate "Special Report E" is filed for each earmarked contribution received by any candidate or political committee.

File this report within two working days of receiving the earmarked contribution. Mail or deliver the original to PDC. Send a copy to the benefiting candidate or committee, also within two working days.

NOTE: Candidates for legislative and statewide executive office are subject to state contribution limits. Earmarked contributions count toward the applicable limit and are attributed to the original source of the contribution (unless another person controlled the choice of recipient). It’s a violation for anyone to accept a contribution in excess of the relevant limit. Verify with the campaign of a legislative or statewide office candidate before accepting a contribution earmarked for the benefit of such a candidate.

WAC 390-16-034 Additional reporting requirements. Pursuant to RCW 42.17A.240, each report required under RCW 42.17A.235 shall disclose, in addition to the name and address of each person who has made one or more contributions in the aggregate amount of more than one hundred dollars, the occupation and the name and address of the person's employer.

WAC 390-16-041  Forms—Summary of total contributions and expenditures.  (1) The official form for reports of contributions and expenditures by candidates and political committees who use the "full" reporting option is designated "C-4," revised 1/12, and includes Schedule A, revised 1/04, Schedule B, revised 1/04, Schedule C, revised 3/93, and Schedule L, revised 1/12.

(2) Copies of these forms are available at the Commission Office, 711 Capitol Way, Room 206, P.O. Box 40908, Olympia, Washington 98504-0908. Any paper attachments shall be on 8-1/2" x 11" white paper.
Please consult PDC instruction manuals when completing this report. Reporting requirements are contained in and governed by RCW 42.17A and WAC 390.

**WHO MUST FILE**

Each candidate and political committee using Full Reporting.

**FILING DATES**

1) **File with C-1 or C-1pc (Registration form)** if you received contributions or made expenditures before registering.

2) **File on the 10th of each month** if contributions or expenditures are over $200 since last C-4 was filed. (These 10th-of-the-month reports are not required if another C-4 must be filed during that month. See #3 below.)

3) For each primary, general and special election in which the candidate or political committee makes an expenditure, file
   - 21 days prior to the election
   - 7 days prior to the election
   - 10th of the first month after the election -- see note below

   (Note: Not required after primary election from candidates who will be in the general election or from continuing political committees.)

4) **File final report** when campaign is finished or committee closes operation. Often, this coincides with the primary or general post-election, 10th-of-the-month report.

All reports are considered filed as of the postmark date or the date hand-delivered to PDC.

**WHERE TO SEND REPORTS**

Send original C-4 reports, along with all schedules and attachments, to PDC. Keep a copy for the campaign’s records.

Candidates for city offices, city ballot issue committees and other political committees who give to city candidates or ballot issue committees should check with city clerk regarding any local filing requirements.

*FOR ALL PACS, POLITICAL PARTIES & CAUCUS POLITICAL COMMITTEES*

The question posted near the top of the first page of this form regarding independent expenditures applies to ALL POLITICAL COMMITTEES required to file C-4 reports, except ballot issue committees that neither contribute to candidates nor make independent expenditures regarding them and candidate committees (because they are prohibited from making expenditures that are not directly related to their own campaigns).

All other Political Committees and PACs must indicate whether they made any independent expenditures supporting or opposing one or more candidates for state or local office.

If the response is “yes,” the independent expenditure(s) MUST be itemized on the appropriate schedule (either Schedule A, or Part 3 of Schedule B), showing:

- the date of the expense;
- the name and address of the vendor or recipient of the funds;
- if using Schedule A, an “I” in the Code column;
- the name and office sought of the candidate supported or opposed;
- an indication of support or opposition; and
- a brief description of the expense (e.g., brochure mailed to absentee voters).

WAC 390-16-042 Contingent liabilities—Reporting. A contractual contingent liability (e.g., an additional fee to be paid to a political consultant or other person whose services are used by a candidate who wins the election) is reportable as a debt or obligation on Form C-4, Schedule B, from the time the contract is entered into until the liability is voided, paid or otherwise satisfied.

[Statutory Authority: RCW 42.17.370. 89-20-068, § 390-16-042, filed 10/4/89, effective 11/4/89.]

WAC 390-16-049 Out-of-state political committees—Implementation of RCW 42.17A.250. (1) RCW 42.17A.250 governs campaign reporting in Washington state by committees located outside of Washington. The statute directs that an out-of-state political committee organized for the purpose of supporting or opposing candidates or ballot propositions in another state (and that is not otherwise required to report as an in-state committee) reports the information listed in RCW 42.17A.250 on a C5 form (WAC 390-16-050). The committee begins reporting on a C5 form when it makes an expenditure supporting or opposing a Washington state candidate or political committee.

(2) To file as an out-of-state political committee, all the criteria in (a) and (b) of this subsection must be satisfied:

(a) Out-of-state. First, the committee must be located out-of-state. It must be maintaining its office or headquarters in another U.S. state or the District of Columbia, and has no office, street address or corporate registered agent in Washington state. If there is no office or headquarters in another state or the District of Columbia, and no corporate registered agent in Washington state, the political committee is deemed out-of-state if its treasurer resides in another U.S. state or the District of Columbia.

(b) Organizational purpose and campaign activities. Second, the committee must also be currently organized primarily for engaging in campaign activities in another state. Therefore, to qualify as a current out-of-state committee, the committee must also:

(i) Be currently registered and actively filing campaign disclosure reports in one or more other states and has been so filing for the preceding two years; and

(ii) Have organizational documents showing it was originally formed and is currently organized for the purpose of making expenditures in another state or soliciting contributions for use in another state's election campaigns; and

(iii) Have spent less than twenty percent of its aggregate expenditures for all political campaign activity nationwide at any point in any calendar year to support and/or oppose Washington candidates for state, local and judicial office, Washington ballot measures and/or Washington political committees.

(3) A committee that does not satisfy the criteria in subsection (2) of this section shall file as an in-state committee under chapter 42.17A RCW, including RCW 42.17A.205 through 42.17A.240.

(4) Out-of-state political committees reporting under RCW 42.17A.250 are also subject to reporting pursuant to RCW 42.17A.260 (political advertising independent expenditures) and RCW 42.17A.305 through 42.17A.315 (electioneering communications).

WAC 390-16-050  Forms for contributions and expenditures of out-of-state political committees. The official form for the report required by RCW 42.17A.250 of contributions and expenditures of an out-of-state political committee organized for the purpose of supporting or opposing candidates or ballot propositions in another state that is not otherwise required to report under RCW 42.17A.205 through 42.17A.240 is designated "C-5," revised 6/12. Copies of this form are available at the Commission Office, Room 206, Evergreen Plaza Building, Olympia, Washington 98504-0908. Any paper attachments shall be on 8 1/2" x 11" white paper.

WAC 390-16-049 Out-of-state political committees – Implementation of RCW 42.17A.250

(1) RCW 42.17A.250 governs campaign reporting in Washington State by committees located outside of Washington. The statute directs that an out-of-state political committee organized for the purpose of supporting or opposing candidates or ballot propositions in another state (and that is not otherwise required to report as an in-state committee) reports the information listed in RCW 42.17A.250 on a C5 form (WAC 390-16-050). The committee begins reporting on a C5 form when it makes an expenditure supporting or opposing a Washington state candidate or political committee.

(2) To file as an out-of-state political committee, all the criteria in (a) and (b) below must be satisfied:

(a) Out-of-State. First, the committee must be located out-of-state. It must be maintaining its office or headquarters in another U.S. state or the District of Columbia, and has no office, street address or corporate registered agent in Washington State. If there is no office or headquarters in another state or the District of Columbia, and no corporate registered agent in Washington State, the political committee is deemed out-of-state if its treasurer resides in another U.S. state or the District of Columbia.

(b) Organizational Purpose and Campaign Activities. Second, the committee must also be currently organized primarily for engaging in campaign activities in another state. The political committee may be described in other states as a political committee, political action committee (PAC), group (Alaska) or similar terms to describe a committee. Therefore, to qualify as a current out-of-state committee, the committee must also:

(i) Be currently registered and actively filing campaign disclosure reports in one or more other states and has been so filing for the preceding two years; and,

(ii) Have organizational documents showing it was originally formed and is currently organized for the purpose of making expenditures in another state or soliciting contributions for use in another state's election campaigns; and,

(iii) Have spent less than 20 percent of its aggregate expenditures for all political campaign activity nationwide at any point in any calendar year to support and/or oppose Washington candidates for state, local and judicial office, Washington ballot measures and/or Washington political committees.

(3) A committee that does not satisfy the criteria subsection (2) shall file as an in-state committee under RCW 42.17A, including RCW 42.17A.205 – 42.17A.240.

(4) Out-of-state political committees reporting under RCW 42.17A.250 are also subject to reporting pursuant to RCW 42.17A.260 (political advertising independent expenditures) and 42.17A.305 through 42.17A.315 (electioneering communications).

(4) If a complete application is postmarked or delivered to the commission on or after twenty-nine business days prior to the election, the application shall be approved by the executive director only if one or more of the following factors are present:

**WAC 390-16-205 Expenditures by agents, employees—Reporting.** Expenditures made on behalf of a candidate or political committee by any person, agency, firm, organization, etc. employed or retained for the purpose of organizing, directing, managing or assisting the candidate's or committee's efforts shall be deemed expenditures by the candidate or committee. In accordance with WAC 390-16-037, such expenditures shall be reported by the candidate or committee as if made or incurred by the candidate or committee directly.

Example A: If a campaign committee pays a consultant $5,000 to prepare and mail a political advertising brochure, all costs associated with the project shall be itemized by identifying each service provided, vendor utilized and amount attributable to each.
WAC 390-16-206 Ratings and endorsements. (1) Any person making a measurable expenditure of funds to communicate a rating, evaluation, endorsement or recommendation for or against a candidate or ballot proposition shall report such expenditure including all costs of preparation and distribution in accordance with chapter 42.17A RCW. However, rating, endorsement or recommendation expenditures governed by the following provisions are not reportable: The news media exemptions provided in RCW 42.17A.005 (13)(b)(iv) and (19)(b)(iii), and WAC 390-16-313 (2)(b), and the political advertising exemption in WAC 390-05-290.

(2) A candidate or sponsor of a ballot proposition who, or a political committee which, is the subject of the rating, evaluation, endorsement or recommendation shall not be required to report such expenditure as a contribution unless the candidate, sponsor, committee or an agent thereof advises, counsels or otherwise encourages the person to make the expenditure.

WAC 390-16-207 In-kind contributions—Explanation and reporting. (1) An in-kind contribution occurs when a person provides goods, services or anything of value, other than money or its equivalent, to a candidate or political committee free-of-charge or for less than fair market value, unless the item or service given is not a contribution according to RCW 42.17A.005 or WAC 390-17-405.

(2) An in-kind contribution also occurs when a person makes an expenditure that:

- Supports or opposes a candidate or a ballot measure;
- Meets the definition of contribution in RCW 42.17A.005 or WAC 390-05-210; and
- Is other than a monetary contribution made directly to a candidate or political committee.

For example, an in-kind contribution occurs when a person, after collaborating with a candidate or a candidate’s agent, purchases space in a newspaper for political advertising supporting that candidate or opposing that candidate’s opponent.

(3) An in-kind contribution also occurs when a person makes an electioneering communication that is a contribution as provided in RCW 42.17A.310.

(4) According to RCW 42.17A.430 and WAC 390-16-238, a candidate may not use his or her campaign funds to make a contribution, including an in-kind contribution, to another candidate or a political committee. However, under RCW 42.17A.430, a candidate may use surplus funds as defined in RCW 42.17A.005 to make a contribution to a political party or caucus political committee.

(5) In-kind contributions to recipients who have limits under RCW 42.17A.405 or 42.17A.410.

(a) If a candidate receives in-kind contributions from any person valued at more than $25 in the aggregate for an election, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405 or 42.17A.410.

(b) If a bona fide political party or legislative caucus committee receives in-kind contributions from any person valued at more than $25 in the aggregate during a calendar year, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405.

(c) If an elected official against whom recall charges have been filed or a political committee supporting the recall of an elected official receives in-kind contributions from any person valued at more than $25 in the aggregate during a recall campaign, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limits provided in RCW 42.17A.405 or 42.17A.410.

(6) Political committees that make in-kind contributions. Except as provided for in subsection (5) of this section, a political committee that makes in-kind contributions to a candidate or political committee totaling more than $50 in the aggregate during a reporting period must identify the recipient and the amount of the contribution as part of its C-4 report covering that period.

If the in-kind contribution is in the form of an expenditure that has been obligated, but not yet paid, the identity of the recipient candidate or political committee, along with a good faith estimate of the value of the contribution, must be disclosed in part 3 of Schedule B, in addition to the other information required by the form. When the expense is paid, the recipient’s name and the amount of the contribution must
be disclosed on Schedule A, along with the other information required by the form.

If a political committee provides equipment, property or anything else of value owned, leased or controlled by it to a candidate or political committee, the contributing committee must attach a statement to its C-4 report showing the name of the candidate or political committee to whom the contribution was made and the date, description and fair market value of the in-kind contribution.

(7) Reporting by recipients. Except as provided in subsection (5) of this section, in-kind contributions from one source are not reportable by the recipient candidate or political committee until the aggregate value of all in-kind contributions received from that source during a reporting period is more than $50. If this threshold is met, the in-kind contributions must be reported in part 1 of Schedule B to the C-4 report covering that reporting period.

(8) Valuing in-kind contributions.

(a) For purposes of determining the value of goods or services provided as in-kind contributions, refer to WAC 390-05-235, Definition—Fair market value.

(b) If an expenditure that constitutes an in-kind contribution is made, the value of the in-kind contribution to a particular candidate or political committee is the portion of the expense that benefits the candidate or political committee.

(9) Application of RCW 42.17A.420—Last-minute contributions.

(a) If an expenditure that constitutes an in-kind contribution is made no later than twenty-two days before a general election and written notice of the in-kind contribution is in the possession of the recipient candidate committee or political committee twenty-two or more days before that general election, the contribution is not subject to the respective $5,000 or $50,000 maximum amounts specified in RCW 42.17A.420.

(b) If an in-kind contribution in the form of personal services donated to a campaign for the duration of the twenty-one days before a general election, and if written notice of the value of this donation is in the possession of the recipient candidate or political committee twenty-two or more days before the election, that in-kind contribution is not subject to the respective $5,000 or $50,000 maximum amounts specified in RCW 42.17A.420.

WAC 390-16-221 Tangible property—Definition. (1) All contributions received by a political committee or candidate are subject to the requirements of RCW 42.17A.430 and 42.17A.445 whether or not the committee converts the contribution to a different form, e.g., the purchase of tangible property from monetary contributions.

(2) For the purpose of this rule, tangible property includes but is not limited to real property and improvements thereto; furniture, office desks, file cabinets, tables and machines, vehicles, printing and duplicating equipment, and computer hardware and software.

WAC 390-16-226 Loans. (1) Only loans which are recorded in a written loan agreement executed at the time of the loan and properly reported may be repaid by a candidate or political committee. Surplus campaign funds under RCW 42.17A.005 and 42.17A.430 may only be used to return a contribution to the candidate if the contribution was properly reported as a loan from the candidate, as described in subsections (2) and (3).

(2) If any person gives or loans the candidate funds in connection with his or her campaign, the funds are not considered personal funds of the candidate. See WAC 390-17-305. Such funds are considered a contribution from the original source of the contribution under chapter 42.17A RCW and, unless the loan meets the exemption provided in RCW 42.17A.465(3) and this subsection, the contribution is subject to the contribution limits provided in chapter 42.17A RCW.

(a) If a candidate or candidate’s own political committee or campaign or authorized committee receives a loan from a commercial lending institution, the loan is exempt from the contribution limits of RCW 42.17A.405 and WAC 390-16-310 only if all the following criteria are met:

(i) The loan is not guaranteed by any other person;

(ii) The loan is made in the regular course of business; and,

(iii) The loan is made on the same terms ordinarily available to the public.

(b) A commercial loan to a candidate’s own committee or campaign or authorized committee is presumed to be guaranteed by the candidate. The presumption is rebuttable by clear, cogent and convincing evidence.

(3) The amount of campaign contributions which may be used to repay a loan made by the candidate to the candidate’s own political committee or campaign, or to repay a commercial loan to a candidate’s own political committee or campaign where the candidate is the borrower or guarantor, is limited to the loan repayment limit in RCW 42.17A.445(3) as adjusted by WAC 390-05-400. For purposes of the loan repayment limit, these loans are aggregated for each primary, general, special or recall election and must be designated accordingly by the candidate at the time the loan is made.

(4) If a candidate makes documented out-of-pocket campaign expenditures on behalf of his or her campaign expecting repayment (not intending to make an in-kind contribution), the campaign committee must repay the candidate within 21 days of the expenditure or the candidate will be deemed to have made a loan to his or her campaign committee which must qualify for repayment under subsections (1) and (2) in order for the candidate to be repaid. Undocumented out-of-pocket campaign expenditures by the candidate are in-kind contributions not eligible for repayment.

WAC 390-16-230 Surplus campaign funds—Use in future. (1) If at any time in the future or after the last day of the election cycle for candidates as defined in RCW 42.17A.005(7) any contribution is received or an expenditure is made from surplus funds for any purpose which would qualify the recipient or person who made the expenditure as a candidate or political committee, it will be presumed the recipient or person who made the expenditure of such funds has initiated a new candidacy or committee. Surplus funds may only be expended for a new candidacy if the candidate is seeking the same office sought at his or her last election. Within fourteen days of the day such contribution is received or expenditure is made, such candidate or political committee shall file (a) a final report for the previous campaign as provided in RCW 42.17A.235 and 42.17A.240 and (b) a statement of organization and initial report for the new campaign as provided by RCW 42.17A.205, 42.17A.235 and 42.17A.240. The surplus funds may be carried forward to the new campaign, reported as one sum and listed as a contribution identified as "funds from previous campaign." All augmentations to and all expenditures made from the retained surplus funds after the last day of the election cycle shall be reported in detail as to source, recipient, purpose, amount and date of each transaction.

(2) For candidates as defined in RCW 42.17A.005(7), if at any time after the last day of the election cycle, any contribution is received or expenditure is made from such surplus funds for any purpose which would qualify the recipient or person who made the expenditure as a candidate or authorized committee, it will be presumed the recipient or person who made the expenditure of such funds has initiated a new candidacy or committee. Surplus funds may only be expended for a new candidacy if the candidate is seeking the same office sought at his or her last election. Within fourteen days of the day such contribution is received or expenditure is made, such candidate or authorized committee shall file (a) a final report for the previous campaign as provided in RCW 42.17A.235 and 42.17A.240 and (b) a statement of organization and initial report for the new campaign as provided by RCW 42.17A.205, 42.17A.235 and 42.17A.240. The surplus funds may be carried forward to the new campaign, reported as one sum and listed as a contribution identified as "funds from previous campaign." "Funds from previous campaign" carried forward by a candidate to his or her new campaign are not subject to contribution limits set forth in RCW 42.17A.405.

(3) A political committee formed to support or oppose a particular ballot proposition or particular candidates which retains surplus funds to use in support or opposition of other candidates or of other ballot propositions has become a continuing political committee and must thereafter register and report in accordance with chapter 42.17A RCW.

WAC 390-16-232 Same office last sought. A candidate is considered to be seeking the "same office last sought," as that term is used in RCW 42.17A.430, when the candidate seeks:

(1) The identical office last sought; or

(2) A different position or seat of the same office last sought within the same jurisdiction; or

(3) The same office, whether a different seat or position, in a revised district or political subdivision whenever the boundaries of a district or political subdivision are officially altered through redistricting, consolidation or other official procedure.

WAC 390-16-234 Transfers of surplus and nonsurplus campaign funds. (1) One candidate may reimburse another for the former's proportionate share of documented and properly reported joint campaign expenses without the transaction constituting a "transfer" within the meaning of RCW 42.17A.430.

(2) Candidate surplus funds may be transferred without limit to a bona fide political party or to a caucus political committee.

(3) Except as provided in subsections (1) and (2) of this section, no candidate or candidate's authorized committee may transfer surplus or nonsurplus funds to any other candidate or political committee.

WAC 390-16-238 Personal use of contributions—Standard. (1) Except as specifically allowed by chapter 42.17A RCW, any expenditure of a candidate's campaign funds that is not directly related to the candidate's election campaign is a personal use of campaign funds prohibited under RCW 42.17A.445.

(2) An expenditure of a candidate's campaign funds shall be considered personal use if it fulfills or pays for any commitment, obligation or expense that would exist irrespective of the candidate's election campaign.

(3) If an activity or expenditure is both personal and campaign related, the campaign may pay no more than the fair market value of its share of the activity or expenditure. For example, if a candidate uses a personal vehicle for campaign purposes, the campaign may reimburse the candidate for:

(a) The prorated share of documented gasoline, maintenance and insurance costs directly related to the campaign's usage of the vehicle; or

(b) The standard mileage rate established by the Internal Revenue Service for those documented miles directly related to the campaign's usage.

(4) Examples of expenditures presumed to be for personal use include, but are not limited to:
(a) Mortgage, rent, utility or maintenance expenses for personal living accommodations;
(b) Clothing purchases and maintenance expenses not related to the campaign;
(c) Automobile expenses not related to the campaign;
(d) Travel expenses not related to the campaign;
(e) Household food items;
(f) Restaurant expenses except for in-person fund-raising or campaign organizational activities;
(g) Tuition payments not related to the campaign;
(h) Admission to sporting events, concerts, theaters, or other forms of entertainment unless the event is primarily related to the candidate's campaign;
(i) Country club membership fees, dues and payments;
(j) Health club or recreational facility membership fees, dues and payments;
(k) Social, civic, fraternal, or professional membership dues, fees and payments unless the expenditure occurs during an election year and membership is required to gain access to the organization's mailing list for campaign purposes or other facilities for the candidate's campaign;
(l) Home or business internet service provider costs;
(m) Home or business newspaper and periodical subscriptions;
(n) Greeting cards to persons who would customarily receive such cards (e.g., family, friends and business associates).

WAC 390-16-240 Earmarked contributions—Definition and use. (1) Earmarked contributions, as that term is used in RCW 42.17A.270 and 42.17A.460, means any contribution given to an intermediary or conduit, either a political committee, candidate or third party, with a designation, instruction, or encumbrance, whether direct or indirect, express or implied, oral or written, which is intended to result in or which does result in all or any part of the contribution being made to or for the promotion of a certain candidate, state official, or ballot proposition.
(2) For purposes of RCW 42.17A.405 and 42.17A.410, an earmarked contribution is deemed to be for the promotion of, and attributable to any limit applicable to the candidate, authorized committee, bona fide political party, caucus of the state legislature or political committee designated by the original contributor.
(3) If an earmarked contribution is given to an intermediary or conduit to be spent on behalf of a candidate and the entire amount given is not used for this purpose, the remainder of the contribution shall be given to the designated candidate unless its use is redesignated by the original contributor. If the conduit or intermediary exercise any direction or control over the use of the remainder of the contribution, then the amount of the remainder shall be considered a contribution from the original contributor and the conduit or intermediary to the recipient.
(4) The intermediary or conduit receiving the earmarked contribution shall notify the candidate or political committee for whose use or benefit the contribution is designated within two working days after receipt of the contribution.
(5) If an earmarked contribution is refused by the designated recipient candidate or political committee, the earmarked contribution must be returned by the intermediary or conduit to the original contributor within five working days of refusal.

WAC 390-16-245 Pledges. (1) A pledge shall not be made or redeemed within twenty-one days of an election specified in RCW 42.17A.420 if the amount of the pledge or redemption exceeds the maximum amount provided in RCW 42.17A.420. However, if payment of a pledge is in the possession of the recipient twenty-two or more days before the election, that payment may be deposited into the campaign account within five business days of receipt in accordance with RCW 42.17A.220.
(2) If a pledge is made in an election campaign subject to the contribution limits provided in RCW 42.17A.405 and 42.17A.410:

(b) A pledge made with respect to the general election shall not be made or redeemed after the final day of the applicable election cycle; however, if the payment of a pledge is made on or before the final day of the election cycle, that payment may be deposited into the campaign account within five business days of receipt in accordance with RCW 42.17A.220.
(3) During the time limit specified in RCW 42.17A.560, a state official or a person employed by or acting on behalf of a state official shall not solicit or accept a pledge or the redemption of a pledge for any purpose specified in RCW 42.17A.560.

(2) For purposes of RCW 42.17A.405 and 42.17A.410, two entities shall not be treated as a single entity solely...
because one of the entities is a dues paying member of the other entity.

(3) In addition to paragraph (1) above, two or more entities shall be treated as one entity and share a contribution limit under RCW 42.17A.405 and 42.17A.410 if one of the entities is established, financed, maintained or controlled by the other, as evidenced by any one of the following factors:

(a) Whether one entity owns a controlling interest in the voting stock or securities of another entity; or

(b) Whether one entity has authority or the ability to direct or participate, other than through a vote as a member, in the governance of another entity through provisions of constitution, bylaws, contract or other formal or informal procedure or has authority or the ability to hire, appoint, demote or otherwise control, other than through a vote as a member, the officers or other decision making employees or members of another entity; or

(c) Whether (i) one entity has a common or overlapping membership with another which indicates either a formal or ongoing relationship between the two organizations or the creation of a successor entity and (ii) the entity has an active or significant role in the formation of the other entity and (iii) the entities have similar patterns of contributions or contributors which indicate a formal or ongoing relationship between the entities; or

(d) Whether one entity provides, causes or arranges, funds, services or goods in a significant amount or on an ongoing basis, through direct or indirect means to the other entity, for less than full consideration. Full consideration includes the payment of membership dues.

WAC 390-16-310 Limitations on contributions. The limitations on contributions as provided in RCW 42.17A-.420, 42.17A.405, and 42.17A.410 shall be as follows:

(1) (a) The limitation on contributions in RCW 42.17A.405 or 42.17A.410 shall not apply to a "candidate" as that term is defined in RCW 42.17A.005 when the candidate is contributing to his or her own campaign using his or her own personal funds as defined in WAC 390-17-305.

(b) The limitation on contributions in RCW 42.17A.420, 42.17A.405, or 42.17A.410 shall apply to contributions to the candidate from the candidate's spouse, domestic partner or other immediate family members.

(2) Contributions by a husband and wife are considered separate contributions. Contributions by domestic partners are considered separate contributions.

(3) Emancipated minor children (children under 18 years of age) may make contributions which do not exceed the limitations on contributions and the contribution is properly attributed to the emancipated minor child if:

(a) The decision to contribute is made knowingly and voluntarily by the emancipated minor child;

(b) The funds, goods, or services contributed are owned or controlled exclusively by the emancipated minor child, such as income earned by the child, the proceeds of a trust for which the child is the beneficiary, or a savings account opened and maintained exclusively in the child's name; and

(c) The contribution is not made from the proceeds of a gift, the purpose of which was to provide funds to be contributed, or is not in any other way controlled by another person.

Contributions by emancipated minor children which do not meet these requirements and contributions by unemancipated minor children shall be considered contributions by the child's parents. Fifty percent of the contributions will be attributed to each parent, or in the case of a single custodial parent, the total amount is attributed to that parent.

(4) Contributions from a business organized as a sole proprietorship and contributions from the owner of the sole proprietorship shall be aggregated for purposes of determining the limitations of contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410.

(5) The limitations on contributions shall apply separately to the contributions made by a partnership, limited liability partnership and limited liability corporation from the contributions made by an individual partner or member. However, contributions made from or charged against the capital account of an individual partner, or member of a limited liability partnership or limited liability corporation shall be aggregated with the partner's or member's individual contributions for purposes of determining the limitations on contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410.

(6) The limitations on contributions in RCW 42.17A-.420, 42.17A.405, and 42.17A.410 shall apply separately to the contributions made by an entity (corporation, subsidiary or branch, national union and local unions, collective bargaining organizations and local units, membership organizations and local units and other organizations and their local units) unless the criteria in RCW 42.17A.455 and WAC 390-16-309 are met.

WAC 390-16-312 Handling contributions of uncertain origin. No contribution shall be deposited by any candidate or treasurer who believes, from the face of the contribution instrument or for any other reason, the contribution was made in a fictitious name, by one person through an agent, relative, political committee, or any other person so as to conceal the source of the contribution or to exceed the contribution limits provided in RCW 42.17A.420, 42.17A.405, or 42.17A.410. The candidate or treasurer shall return such contributions within ten calendar days to the original contributor if his or her identity is known. Otherwise, the contribution instrument shall be endorsed and made payable to "Washington state treasurer" and the contribution sent to the public disclosure commission for deposit in the state's general fund.

WAC 390-16-313 Independent expenditure—Definition and application. (1) "Independent expenditure," as that term is used in chapter 42.17A RCW, except RCW 42.17A-255, means an "expenditure" as defined in RCW 42.17A.005 that has each of the following elements:

(a) It is made in support of or in opposition to a candidate for public office, except federal elective office or precinct committee officer, by a person who is not (i) a candidate for that office, (ii) an authorized committee of that candidate for that office, (iii) a person who has received the candidate's encouragement or approval to make the expenditure, if the expenditure pays in whole or in part for any political advertising supporting that candidate or promoting the defeat of any other candidate or candidates for that office, or (iv) a person with whom the candidate has collaborated for the purpose of making the expenditure, if the expenditure pays in whole or in part for any political advertising supporting that candidate or promoting the defeat of any other candidate or candidates for that office;

(b) The expenditure pays in whole or in part for any political advertising that either specifically names the candidate supported or opposed, or clearly and beyond any doubt identifies the candidate without using the candidate's name;

(c) The expenditure, alone or in conjunction with another expenditure or other expenditures of the same person in support of or opposition to that candidate, has a value equal to or greater than the amount specified for independent expenditures in WAC 390-05-400. A series of expenditures, each of which is under the applicable amount in WAC 390-05-400, constitutes one independent expenditure if their cumulative value is equal to or greater than the amount specified in WAC 390-05-400; and

(d) The expenditure is not a contribution as defined in RCW 42.17A.005 and clarified by WAC 390-05-210.

(2) Exempt Activities. The following activities are not considered independent expenditures for purposes of RCW 42.17A.255, 42.17A.630, or 42.17A.320:

(a) Ordinary home hospitality;

(b) A news item, feature, commentary, or editorial in a regularly scheduled news medium that is of primary interest to the general public, that is in a news medium controlled by a person whose business is that news medium, and that is not controlled by a candidate or a political committee;

(c) An internal political communication primarily limited to (i) the members of or contributors to a political party organization or political committee, (ii) the officers, management staff or stockholders of a corporation or similar enterprise, or (iii) the members of a labor organization or other membership organization;

(d) Messages in the form of reader boards, banners, or yard or window signs displayed on a person's own property or the property occupied by a person. However, a facility used for such political advertising for which a rental charge is normally made shall be reported as an in-kind contribution at its fair market value and counts towards any applicable contribution limit of the person providing the facility; or

(e) The rendering of personal services of the sort commonly performed by volunteer campaign workers or incidental expenses personally incurred by volunteer campaign workers not in excess of fifty dollars personally paid by the worker.

WAC 390-16-320 Candidates in small political subdivisions—Reporting. (1) According to RCW 42.17A.200 and 42.17A.135(7), a candidate for election in any political subdivision must report pursuant to chapter 42.17A RCW and Title 390 WAC if the candidate receives five thousand dollars or more in contributions or expects to receive five thousand dollars or more in contributions during an election cycle.

(2) It is presumed the candidate "expects to receive" five thousand dollars or more when any one of the following first occurs:

(a) The candidate or candidate's authorized committee receives at least five thousand dollars in aggregate contributions, including contributions from the candidate;

(b) The candidate is seeking the same office last sought, the candidate's election is in the current calendar year, and his or her campaign contributions in the previous election for the same office were five thousand dollars or more in the aggregate;

(c) The contributions received on or before March 31 of the election year total one thousand two hundred fifty dollars or more;

(d) The contributions received on or before June 30 of the election year total two thousand five hundred dollars or more;

(e) The contributions received on or before September 30 of the election year total three thousand seven hundred fifty dollars or more; or

(f) The candidate otherwise anticipates that five thousand dollars or more will be received during the election cycle.

(3) Surplus funds carried over from a candidate's previous campaign are not contributions to the candidate's new campaign and do not count toward the five thousand dollar reporting threshold.

(4) A candidate or candidate's authorized committee that receives, or expects to receive, five thousand dollars or more shall:

(a) Within two weeks of the date the reporting obligation begins under subsection (1) or (2) of this section, file:

(i) A candidate registration, PDC form C1;

(ii) A personal financial affairs statement, PDC form F1 and, if relevant, the F1 Supplement; and

(iii) Contribution and expenditure reports, PDC forms C3 and C4 with appropriate attachments and schedules; and

(b) Otherwise comply with the campaign finance reporting and other provisions of chapter 42.17A RCW and Title 390 WAC.
