**WAC 415-112-150 May I waive my Plan 3 one percent retirement benefit?** (1) **Why would I want to waive my Plan 3 one percent retirement benefit?** Some state retirement systems have provisions that allow members to purchase service credit earned elsewhere. **(4) Will I get service credit for eligible time if it is discovered after I sign a waiver?** If periods of employment, prior to or within the waived time period, are discovered after you sign a waiver, you will not be credited for the service. However, your employer will be billed for employer contributions for any such period.

**(5) May I retract or withdraw my waiver in the future?** No. You irrevocably give up all rights to any retirement benefits when you submit your signed waiver.

**(6) What are my retirement options if I return to work in a (PERS/SERS/TRS) eligible position?** You will be a member of Plan 3 and will begin accumulating service credit from your new date of hire. You will not be entitled to purchase back any of the Plan 3 service credit you waived.

**WAC 415-112-155 If I work concurrently in a TRS position and PERS position, which system will I be in?** (1) If you work concurrently in a TRS and PERS position, your membership status and the nature of your positions will determine the system your employer will report you in. An eligible PERS position and an ineligible TRS or substitute position	Same employer	PERS - For both positions.
	Separate TRS employers	PERS - For the PERS position only. Your TRS service will not be reported unless you have met the eligibility criteria for TRS membership and choose to either: 1. <sup>2/</sup> Means during the same time period.

<sup>3/</sup> EXAMPLE: A TRS Plan 2 member teaches in an eligible position and during the summer, she works for a state agency in an eligible position under PERS. Because the member has established membership in TRS Plan 2 through employment as a teacher, her state agency employer must report her service and compensation from the PERS position to the Department in TRS Plan 2.

EXAMPLE: A TRS Plan 2 member is employed concurrently by School District A in an eligible TRS position and by School District B in an eligible PERS position. Because he is a TRS Plan 2 member, School District B employer must report his service and compensation from the PERS position to the Department in TRS Plan 2. If the member terminates his employment in the TRS position with School District A, School District B will report him in PERS for the PERS position.

**WAC 415-112-255 How do I purchase or restore Plan 1 service credit?** This section applies to Plan 1 members who qualify by this chapter or chapter 41.32 RCW to purchase credit for previous service, or to restore service credit after withdrawing contributions or taking a lump sum payment in lieu of benefits. This section does not apply to service credit for substitute teaching. See WAC 415-112-140.

(1) **Do I qualify to purchase or restore service credit?** In addition to meeting the statutory requirements for the specific type of service you performed:

(a) You must be an active TRS member at the time you apply to purchase or restore service credit;

(b) If purchasing credit for previous service, you must return to TRS service for twenty or more full-time days or the equivalent within a fiscal year after providing that service; and

(c) You must purchase or restore the service credit according to the provisions of this section.

(2) **How do I apply to purchase or restore service credit?** You may apply to purchase service credit by submitting satisfactory proof of your service to the department.

(3) **What are the time limits for paying for service credit?** You must make payment according to this subsection or before retirement, whichever is sooner. You may make payment in full in one payment or make annual installment payments, consistent with the following deadlines:

(a) If you make payment in full in one payment, the entire amount is due no later than the end of the fifth fiscal year after which you return to TRS service. For example, if you return to service in April 2004, the deadline is June 30, 2008.

(b) If you make payment in annual installments:

(i) The first annual installment is due no later than the end of the fifth fiscal year after which you return to TRS service; and

(ii) The final annual installment is due no later than June 30 of the fourth year following the first annual installment. See RCW 41.32.310.

(4) **Does the deadline in subsection (3) of this section change if I separate from service before making full payment?**

(a) If you separate and withdraw your contributions (terminate membership) before making full payment, the deadline for purchasing service credit and for restoring service credit differ as follows:

(i) **Purchasing service credit for a previous period of service.** You must reestablish membership and then make payment in full by the original deadline.

(ii) **Restoring service credit after withdrawal of contributions or receipt of a lump sum payment taken in lieu of benefits.** The time limit will start over each time you reestablish membership if:

(A) You did not make any payments for the service credit and you withdrew from TRS before the first annual installment was due (see subsection (2)(a)(ii)(B) of this section); or

(B) You made at least the initial annual installment and withdrew before the end of the fourth fiscal year after the initial installment.

In cases other than (a)(ii)(A) or (B) of this subsection the original deadlines remain in place.

(b) If you separate, but do not withdraw your contributions, the original deadline applies. You may, however, continue to make payments while you are separated from service.

(5) **What happens if I do not make payment in full by the deadline?**

(a) If you were eligible to purchase or restore service credit and did not begin to do so prior to the deadline, you may purchase or restore the service credit at any time prior to retirement as long as you do not withdraw your contributions. You must pay the full actuarial value of the resulting increase in benefits. See RCW 41.50.165, WAC 415-02-370, and chapter 415-10 WAC.

(b) If you enter into an arrangement to purchase service credit and fail to make the final payment within the time limit established by law:

(i) The arrangement is terminated and all payments you made will be returned to you; and

(ii) You may purchase the service credit at any time prior to retirement as long as you do not withdraw your contributions. You must pay the full actuarial value of the resulting increase in benefits. See RCW 41.50.165, WAC 415-02-370 and chapter 415-10 WAC.

This section does not apply to service credit for substitute teaching. See WAC 415-112-140.

(1) **Do I qualify to purchase or restore service credit?** In addition to meeting the statutory requirements for the specific type of service you performed, you must:

(b) Purchase the service credit according to the provisions of this section.

(2) **How do I apply to purchase or restore service credit?** You may apply to purchase service credit by submitting satisfactory proof of your service to the department.

(3) **What are the time limits for paying for service credit?** You must make payment in full according to this subsection or before retirement, whichever is sooner.

(a) You must make payment in full, in one payment, within five years of returning to TRS service:

(i) To establish service credit for military service or unpaid authorized leave of absence. See RCW 41.32.810, 41.32.865 and 41.32.892.

(ii) To restore service credit after withdrawing contributions. See RCW 41.32.825.

(b) You must make payment in full, in one payment, within two years of returning to TRS service to restore service credit after a lump-sum distribution in lieu of a benefit payment. See RCW 41.32.762 and 41.32.870.

(4) **What are the consequences of separating from service before making full payment?**

(a) If you separate and withdraw your contributions (terminate membership) before making full payment, you must return to membership and make payment in full by the original deadline.

(b) If you separate but do not withdraw your contributions, you may purchase the service credit whether or not you return to service. The original deadline applies.

(5) **What happens if I do not make payment in full by the deadline?** If you were eligible to purchase or restore service credit and did not make payment in full by the deadline, you may purchase or restore the service credit at any time prior to retirement as long as you do not withdraw your contributions. You must pay the full actuarial value of the resulting increase in benefits. See RCW 41.50.165, WAC 415-02-370, and chapter 415-10 WAC.

**WAC 415-112-290 May I purchase Plan 1 service credit for out-of-state teaching?** (1) As a Plan 1 member, you may establish service credit for teaching out-of-state, which includes teaching out of the country, only if:

(a) You were on an official leave of absence granted by your employer when you provided the service; and

(b) You returned to public school service in Washington state.

(2) To establish such service credit, you must submit the following to the department within the time limits set in RCW 41.32.310:

(a) Proof of your out-of-state service;

(b) Proof of your official leave of absence; and

(c) Payment of contributions.

(3) You may establish a maximum of four years of service credit for teaching out-of-state. Except that, you may not qualify for retirement by counting more years of service credit for out-of-state teaching than for Washington state service, unless you established the out-of-state service credit prior to July 2, 1947.

(12/1/10)

**WAC 415-112-292 May I purchase TRS Plan 2 or Plan 3 service credit for public education experience gained by teaching out-of-state or for the federal government?** If you earned service credit for teaching out-of-state or for the federal government, you may be eligible to purchase that public education experience as TRS service credit. The public education claimed must have been covered by a retirement or pension plan and must have been as a teacher, as defined by that retirement or pension plan.

(1) **Do I qualify to purchase TRS service credit for public education experience outside of the state of Washington?** You are eligible to purchase service credit under this section if you meet all the following requirements at the time of purchase:

(a) You are employed in a TRS Plan 2 or Plan 3 eligible position;

(b) You have at least two years of TRS service credit;

(c) You earned the education experience service credit by teaching in a public school in another state within the United States or with the United States federal government;

(d) The service was covered by a state, political subdivision of a state, or federal retirement plan;

(e) You are not receiving a benefit from the other system; and

(f) You are not eligible for an unreduced benefit from the other system.

(2) **Do I qualify to purchase public education experience service credit if I am a substitute teacher?** You may purchase service credit under this section if your employer is currently reporting you as an active substitute teacher and you meet the requirements in subsection (1)(b) through (f) of this section.

(3) **If I purchase TRS service credit for public education experience, how may it be used?** The service credit you purchase under this section will be treated the same as service credit you earn in TRS. It will be used in the calculation of your retirement allowance, to qualify for retirement or early retirement, and to meet the Plan 3 ten-year vesting requirement.

(4) **What is the cost of the service credit?** You must pay the actuarial value of the resulting increase in your retirement allowance. The following formula is used to calculate the cost:

$$\text{Average earnings}^1 \times \text{Years of service credit being purchased} \times \text{Factor 1} = \text{Cost}$$

**EXAMPLE:** Will is an active TRS Plan 2 member, age sixty-one, with seventeen years of service credit. If he was eligible to retire, his annual AFC would be \$50,000. He would like to purchase three years and six months of service credit for his public education experience. The cost is calculated as follows:

$$\$50,000 \times 3.5 \times .2151 = \$37,642.50$$

The cost for Will to purchase his service credit is \$37,642.50. Factor 1 from the actuarial table in WAC 415-02-370(3) is .2151. This is determined by finding the difference between Will's age at the time of purchase (sixty-one) and age sixty-five; the

difference is forty-eight months (four years). From the table, Factor 1 for forty-eight months is .2151.

**(5) How much TRS service credit may I purchase for out-of-state or federal public education experience?** If you meet the requirements in this section, you may purchase up to seven years (eighty-four months) of TRS service credit. You may purchase service credit in one-month increments but may not purchase a partial month of service credit.

**(6) May I purchase some service credit now and some at a later date?** No, you may not purchase some service credit now and some at a later date. You have one opportunity to purchase service credit under this section. You may purchase service credit from more than one retirement system provided you purchase it at the same time.

**(7) How do I purchase the service credit?** To purchase TRS Plan 2 or Plan 3 service credit for out-of-state or federal public education experience, you must do the following:

(a) You must complete an application provided by the department.

(i) You must complete, sign, and forward the application to your former retirement system(s).

(ii) Your former retirement system(s) must verify your service credit according to the instructions on the application.

(iii) If you are purchasing service credit from more than one retirement system, each retirement system must verify your service on a separate application.

(iv) Upon receipt of your properly completed application, the department will bill you for the service credit using the formula in subsection (4) of this section; the department will set a due date for the payment.

(b) You must make payment in full by the due date. If your payment is not received by the due date, your bill will become null and void. You may request a new bill from the department at a later date and it will reflect factors in effect at that time.

(i) You may make direct payment with either a personal or cashier's check. It may be possible to transfer funds from another eligible retirement account to pay your bill. However, DRS cannot accept funds in excess of the cost to make your purchase. You are advised to check with the administrator of your account to see if you can transfer those dollars.

(ii) Your employer may, at its option, pay some or all of the cost of the service credit.

(iii) If you are a Plan 2 member, your payment will be placed in your member account.

(iv) If you are a Plan 3 member, fifty percent of your payment will be placed in your defined contribution account and fifty percent will be placed in the trust fund from which your retirement allowance will be paid.

**(8) Do I need to give up my right to a benefit from my previous retirement system for the service credit I purchase in TRS?** No, you do not need to give up your right to a benefit from your previous retirement system for the service credit you purchase in TRS. At the time you purchase TRS service credit, you only need to prove that you are not currently receiving a benefit from your previous system and that you are not currently eligible for an unreduced benefit. Your previous retirement system will be required to verify this information on your application.

**(9) May I purchase public education experience service credit to add to my TRS service credit and also use out-of-state teaching service credit to qualify for early retirement?** Yes, you may purchase public education experience to add to your TRS service credit and/or use out-of-state teaching to qualify for early retirement. However, you may not use the same out-of-state service for both programs. Please see WAC 415-112-295. For example, if you have seven years of eligible out-of-state service credit, you may purchase five years to increase your TRS service credit and use the remaining two years to qualify for early retirement.

<sup>1</sup>Up to sixty months of service credit will be used in determining your average earnings; for this formula, average earnings is the amount your average final compensation (AFC) would be if you retired on the date of the service credit purchase.

[Statutory Authority: RCW 41.50.050(5), 41.32.065, and 41.32.300. 10-14-112, § 415-112-292, filed 7/7/10, effective 8/7/10.]

**WAC 415-112-295 May I use out-of-state teaching service credit to determine eligibility for retirement?** See RCW 41.32.065.

(1) If you earned service credit in an out-of-state retirement system that covers teachers in public schools and do not purchase that service credit, you may use it to qualify for retirement.

(2) If you use out-of-state service credit to qualify for retirement, your retirement benefit:

(a) Will be based solely on your years of service credit in the Washington teachers' retirement system (TRS); and

(b) Will be actuarially reduced according to the age you would have been eligible to retire if you had not counted your out-of-state service credit.

**Example:** Jane is fifty-eight years old with twenty-four years of TRS Plan 1 service credit. She has one year of service credit in an out-of-state retirement system that covers public school teachers. A TRS Plan 1 member is eligible to retire at age fifty-five with twenty-five years of service credit. Jane may add her twenty-four years of TRS service credit with her one year of out-of-state service credit to qualify for retirement under this provision.

Jane's retirement benefit will be based solely on her twenty-four years of TRS Plan 1 service credit. If she retires at age fifty-eight, her benefit will be reduced by an early retirement factor. The early retirement factor, .8270, is based on the difference between her actual retirement age (age fifty-eight) and the earliest age she could have received an unreduced benefit based on her twenty-four years of TRS service credit (age sixty). Jane's average final compensation (AFC) is \$5,500 and her benefit will be calculated as follows:

$2\% \times \text{years of service credit} \times \text{AFC} \times \text{factor}$

$2\% \times 24 \times \$5,500 \times .8270 = \$2,183.28$

[Statutory Authority: RCW 41.50.050(5), 41.32.065, and 41.32.300. 10-14-112, § 415-112-295, filed 7/7/10, effective 8/7/10. Statutory Authority:

**WAC 415-112-300 What types of service do not qualify for TRS service credit?** Service credit is not earned for service:

- (1) With the National Red Cross organization;
- (2) As a teacher or educational advisor in the Civilian Conservation Corps camps; or
- (3) As a Peace Corps volunteer.

[Statutory Authority: RCW 41.50.050(5) and chapter 41.32 RCW. 05-12-042, § 415-112-300, filed 5/25/05, effective 6/25/05. Statutory Authority: RCW 41.50.050(6) and 41.50.090. 78-03-023 (Order IV), § 415-112-300, filed 2/15/78. Formerly WAC 462-20-060.]

**WAC 415-112-330 How does the department calculate service credit for TRS Plan 1 employees?** For TRS Plan 1 calculations, one year of service credit consists of one hundred eighty days of instruction.

(1) As a TRS Plan 1 member employed by a school district, educational service district, school for the blind, or school for the deaf:

(a) Unless otherwise determined by a contract, bargaining agreement or employer policy:

- (i) A classroom teacher will earn one day of service credit for each seven hours of compensated employment; and
- (ii) A K-12 employee other than a classroom teacher will earn one day of service credit for every eight hours of compensated employment; and

(b) You will earn one full year of service credit for one hundred forty-four or more days of employment during a fiscal year; or a fractional year of service credit for at least twenty days but less than one hundred forty-four days of employment during a fiscal year. The fraction will use days employed as the numerator and one hundred eighty as the denominator.

(2) As a TRS Plan 1 member employed by a community or technical college:

(a) Unless otherwise determined by a contract, bargaining agreement or employer policy, you will earn one day of service credit for eight hours of compensated employment; and

(b) One full year of service credit when you have service for four-fifths of the adopted annual academic calendar; or a fractional year of service credit for at least twenty days but less than four-fifths of the annual academic calendar.

**WAC 415-112-332 How does the department calculate service credit for Plan 2 and 3 members?** (1) How is my service credit calculated? RCW 41.32.010 (26)(b) provides three methods that may be used to calculate service credit for Plan 2 and 3 members:

(a) **Twelve-month method:** If you meet the following conditions, you will receive one service credit month for each

(12/1/10)

month of a twelve-month period (September through August):

(i) You were employed at least nine calendar months starting in September; and

(ii) You earned earnable compensation for at least eight hundred ten hours during September through August.

The twelve service credit months earned under this subsection are credited to you on August 31.

(b) **Partial service credit method:** If you meet the following conditions, you will receive one-half of a service credit month for each month of a twelve-month period (September through August):

(i) You were employed at least nine calendar months starting in September; and

(ii) You earned earnable compensation for at least six hundred thirty hours, but less than eight hundred ten hours during September through August.

The six service credit months earned under this subsection are credited to you on August 31.

(c) **Month-by-month method:** You will receive service credit on a month-by-month basis as follows:

(i) One service credit month for each calendar month in which you earn earnable compensation for ninety or more hours;

(ii) One-half service credit month for each calendar month in which you earn earnable compensation for at least seventy hours but less than ninety hours; and

(iii) A quarter of a service credit month for each calendar month in which you earn earnable compensation for some but less than seventy hours.

(2)(a) **Twelve-month method.** If you qualify, the department will calculate your service credit using the twelve-month method.

**Example.**

Mary is a Plan 3 member who worked nine months, for a total of 840 hours, as shown in the table. Using the twelve-month method, Mary receives one service credit month for each of twelve calendar months, for a total of twelve service credit months. The department will credit Mary with twelve service credit months on August 31. If Mary separates service at the end of May, she will receive nine service credit months. If she separates service at the end of June, she will receive ten service credit months.

(b) **Partial service credit method.** If you do not qualify for the twelve-month method, and you meet the requirements in subsection (1)(b) of this section, the department will calcu-

late your service credit using the partial service credit method.

(c) **Month-by-month.** The month-by-month method will be used if you leave service before the end of the school year or otherwise do not meet the requirements for the twelve-month method or the partial service credit method.

(3) If you are employed by two or more employers, you will receive no more than one service credit month for any calendar month.

**WAC 415-112-335 Calculating service credit for part-time community and technical college employees.** Most community and technical colleges employ academic employees under contracts expressed in terms of a certain number of contact hours, which are usually limited to actual time spent in the classroom. Most academic positions require more time to be spent providing services to the college than are reflected in the contact hours. However, actual hours worked are not submitted by the academic employees nor recorded by the college. This subsection adopts a method for estimating hours of work in order to determine membership eligibility and service credit in plan I and plan II. This estimate is to be used solely for that purpose. The estimate is not a representation by the department of actual hours worked and is not to be used as a basis for calculating other benefits or salary for technical college and community college academic employees.

(1) **Plan I.** In order to estimate the number of days worked by a TRS I technical college or community college faculty academic employee for a particular month, the college will:

(a) Determine the number of working days in the month as defined by the college's adopted academic calendar;

(b) Determine the part-time workload for the employee. The part-time workload is the percentage of the part-time employees' weekly in-class teaching hours to the weekly in-class teaching hours required of a full-time instructor in that employee's discipline at the college; and

(c) Multiply the number of working days in the month by the academic employee's part-time workload.

The resulting number is an estimate of days worked by the academic employee during the month. The college will report this estimate to the department for the sole purpose of determining plan I service credit and/or membership eligibility.

(2) **Plan II.** Determining service credit for plan II requires the college to estimate hours worked rather than days worked. To estimate hours worked, the college uses the steps described in subsection (1) of this section and takes two additional steps:

(a) Determine the number of hours in a full-time work day. In the absence of a definition of the number of hours in a full-time work day in the collective bargaining agreement or elsewhere, the college will use seven hours;

(b) Multiply the estimated days worked as determined in subsection (1) of this section by the number of hours in a full-time work day.

The resulting number is an estimate of hours worked by the academic employee during the month. The college will report

this estimate to the department for the sole purpose of determining plan II service credit and/or membership eligibility.

(3) **Definitions.** "In-class teaching hours" means contact classroom and lab hours in which full-time or part-time academic employees are performing contractually assigned teaching duties. The in-class teaching hours shall not include any duties performed in support of, or in addition to, those contractually assigned in-class teaching hours.

**WAC 415-112-400 Purpose and scope of TRS earnable compensation rules.** WAC 415-112-402 through 415-112-491 provide the department's interpretation of statutes and its administrative practice regarding classification of payments as earnable compensation in all TRS plans. The department has applied and will apply these rules to determine the proper characterization of payments occurring prior to the effective dates of these sections.

**WAC 415-112-402 What is earnable compensation?**

(1) The department determines whether payments to an employee are earnable compensation based on the nature of the payment, **not** the name of the payment. The department considers the reason for the payment and whether the reason brings the payment within the statutory definition of earnable compensation.

(2) Earnable compensation must meet the definition in RCW 41.32.010(10). It must:

(a) Be paid by a TRS employer to an employee as salary or wages for services provided; or

(b) Qualify as earnable compensation under WAC 415-112-471 through 415-112-477, even though it was not paid for services provided. See RCW 41.32.010(10), 41.32.267, 41.32.810 and 41.32.865.

(3) In certain cases you may establish service credit for out-of-state teaching, military service, and professional preparation. However, any compensation you may have received for these periods is excluded from earnable compensation because it is not salary or wages from a TRS employer.

(4) Some types of compensation are defined as earnable compensation in one plan and not in another.

(5) An employer must report all of an employee's earnable compensation to the department. An employer must report compensation for the month in which it was earned. Compensation is earned when the service is provided, rather than when payment is made.

**Example:** A member is paid in July for work performed during June. The employer must report the compensation to the department as "June earnings."

[Statutory Authority: RCW 41.50.050(5), 41.32.010(10). 05-12-042, § 415-112-402, filed 5/25/05, effective 6/25/05.]

**WAC 415-112-412 Are nonmoney payments from my employer earnable compensation? (1) Nonmoney maintenance compensation, as defined in this section:**

(a) Is earnable compensation to the extent authorized by this section, for Plan 1 members; and

(b) Is **not** earnable compensation for Plan 2 and 3 members.

(2) Nonmoney maintenance compensation is compensation legally provided to you in a form other than money. For example, nonmoney maintenance compensation may include the provision of materials such as living quarters, food, board, equipment, clothing, laundry, transportation, fuel, and utilities. To be considered nonmoney maintenance compensation, the materials must be provided for your personal use and/or the personal use of your dependents, not for a business use. The materials are **not** nonmoney maintenance compensation if:

(a) You use them solely in connection with your employer's business; or

(b) They are provided in lieu of reimbursement for your business expenses.

(3) To prove that the provision of materials constitutes nonmoney maintenance compensation:

(a) Your employer must substantiate by adequate records or other sufficient corroborating evidence that the materials were provided to you for your personal use as payment for your services to the employer.

(b) Your employer must substantiate that the fair market value of the materials provided is includable in your taxable income for federal income tax purposes.

(c) You may provide corroborating evidence to the department. Written documentation prepared at or near the time the materials were provided is generally preferred.

(d) In the absence of clear proof, the department will presume that employer-provided materials were not nonmoney maintenance compensation.

(4) If you are a member of TRS Plan 1, your employer must report nonmoney maintenance compensation to the department as earnable compensation. The amount reported as earnable compensation is the fair market value of materials legally provided by your employer. To substantiate the value of nonmoney maintenance compensation:

(a) Your employer must establish and regularly update a written schedule reflecting the monthly fair market value of the materials provided. Typically, the fair market value would be the cost of the item if it were acquired in a purchase

or lease transaction. Your employer must be able to substantiate the accuracy of this schedule with adequate records.

(b) If you pay any amount to your employer in order to own or use the materials, your employer must report as earnable compensation the amount by which the fair market value exceeds the amount of your payment.

[Statutory Authority: RCW 41.50.050(5), 41.32.010(10), 05-12-042, § 415-112-412, filed 5/25/05, effective 6/25/05. **WAC 415-112-413 Vehicles—Does the value of my use of an employer vehicle qualify as earnable compensation? (1) TRS Plan 1 members:**

(a) Use of an employer vehicle for business purposes does not qualify as compensation earnable. If your employer's established policy prohibits the use of an employer vehicle for nonbusiness uses, all use of the vehicle will be deemed business use.

(b) Use of an employer vehicle for nonbusiness purposes qualifies as compensation earnable if:

(i) Your employer reports the value of this use as compensation earnable on a monthly basis. Monthly compensation earnable is the lesser of the following:

(A) Fair Market Lease Value x Percentage of Personal Use; or

(B) Miles of Personal Use x IRS Mileage Rate. The IRS Mileage Rate is the mileage rate adopted by the Internal Revenue Service for use by taxpayers in computing the value of the use of a vehicle; and

(ii) Your employer reports your personal use of the vehicle to the IRS as taxable income under IRC Section 61 and Treas. Reg. Section 1.61-21; or

(iii) Your employer maintains monthly records of your personal use.

These records must contain:

(A) Your employer's authorization of your personal use;

(B) The distance normally commuted each day during the month, if you use the vehicle to commute;

(C) The dates, mileage, and itinerary of each personal trip other than a commute trip; and

(D) Your total mileage for the month.

(E) The ratio of personal mileage to total mileage, expressed as a percent.

(c) The department presumes that your use of an employer vehicle is solely for business purposes.

(2) **TRS Plan 2 and Plan 3 members.** If you are a member of TRS Plan 2 or Plan 3, you are not entitled to count any of the value of an employer-provided vehicle as earnable compensation.

[Statutory Authority: RCW 41.50.050(5), 41.32.010(10), IRC Section 61, 02-03-120, § 415-112-413, filed 1/23/02, effective 3/1/02. **WAC 415-112-41301 Are vehicle allowances earnable compensation? (1)(a) Plan 1.** Vehicle allowances may

be earnable compensation for Plan 1 members according to this section.

(b) **Plans 2 and 3.** Vehicle allowances are **not** earnable compensation for members of Plans 2 and 3. Subsections (2) through (5) of this section apply to Plan 1 members only.

(2) For TRS Plan 1:

(a) A vehicle allowance is not earnable compensation if it is received in lieu of expenses you incur or expect to incur in using your own vehicle for business purposes.

(b) A vehicle allowance qualifies as earnable compensation to the extent that it exceeds your actual expenses. For instance, if you receive both a vehicle allowance and separate reimbursement for vehicle expenses each time you use a privately owned vehicle for business purposes, the vehicle allowance is earnable compensation.

(3) To prove that your vehicle allowance exceeded your actual expenses, your employer must maintain ongoing monthly records, documenting:

(a) The dates, if any, on which you used a privately owned vehicle in performing services for your employer;

(b) The miles you drove the vehicle on each of these trips;

(c) Your itinerary for each of these trips; and

(d) The amount of the allowance LESS the actual expenses, using IRS methodology. Under the IRS methodology, your actual expenses are the miles you drove multiplied by the IRS rate.

(i) The miles you drove are the number of miles you drove a privately owned vehicle for business purposes during the month.

(ii) "IRS rate" means the Internal Revenue Service mileage rate for use by taxpayers computing the value of the use of a vehicle.

(4) If a vehicle allowance exceeds your actual expenses, your employer must report the excess, calculated in subsection (3)(d) of this section.

(5) If any part of a vehicle allowance is included in the calculation of your retirement allowance, your employer will be billed for excess compensation under RCW 41.50.150.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10), 05-12-108, § 415-112-41301, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050, 99-14-008, § 415-112-41301, filed 6/24/99, effective 7/25/99; 95-22-006, § 415-112-41301, filed 10/18/95, effective 11/18/95.]

**WAC 415-112-415 Are cash-outs for annual leave and personal leave included in earnable compensation and/or average final compensation? (1)(a) Plan 1.** Under RCW 41.32.010 (10)(a), cash-outs for up to two hundred forty hours of unused annual leave are included in earnable compensation<sup>1</sup> for Plan 1 members according to this section.

(b) **Plans 2 and 3.** Under RCW 41.32.010 (10)(b), cash-outs for unused annual leave and personal leave are not earnable compensation in Plans 2 and 3, and are **not** includable in average final compensation. Subsections (2) through (4) of this section apply to Plan 1 members only.

(2) For Plan 1 members, cash-outs for unused annual leave and personal leave may be included in average final compensation only if the leave was earned during the two fiscal years used to calculate your average final compensation under WAC 415-112-430.

(3) The department determines when your cashed-out leave was earned as follows:

(a) You accrue annual leave and personal leave at a prescribed rate, often a certain number of hours per month. Your accrued leave is stored until you use it.

(b) Except as provided in (c) of this subsection, the department applies a "first-in-first-out (FIFO)" methodology to determine what personal leave and annual leave you have used.

**Example:** John has accrued ten days of annual leave. He earned five days in 2000 and five days in 2001. In 2002, John uses five days of annual leave. He is deemed to have used the five days earned in 2000. The five days earned in 2001 remain unused.

(c) If the employer has a different methodology in place, the department will use the employer's methodology, rather than the FIFO methodology; provided that:

(i) The employer's methodology was clearly documented by a collective bargaining agreement, regulation, charter provision, ordinance, or other comparable written policy statement; and

(ii) The employer's methodology was applied consistently to all employees for all purposes.

(4) For purposes of determining average final compensation and excess compensation, the department will consider the hours of leave in the form in which the leave was earned. If an employer converts one form of leave to another form of leave, the department will disregard the conversion and bill the employer for the amount converted if it meets the definition of excess compensation in RCW 41.50.150.

<sup>1</sup>In certain cases, an employee may cash out personal leave and/or more than two hundred forty hours of annual leave. Although this cash-out is not earnable compensation, it may be used in the calculation of the employee's retirement allowance and the employer will be billed for the excess compensation. See WAC 415-02-140.

**WAC 415-112-417 Are cash-outs for sick leave included in earnable compensation and/or average final compensation?** Cash-outs for unused sick leave are not earnable compensation in TRS Plans 1, 2, or 3, and are not includable in average final compensation.

**WAC 415-112-430 How is average final compensation calculated?** (1) **Plan 1.** Except as provided in subsection (2) of this section, to calculate average final compensation for a member of TRS Plan 1, the department will:

(a) Determine the two consecutive fiscal years in which the member's total earnable compensation is the highest.

(b) Divide the total earnable compensation for this period by twenty-four to determine the member's average monthly compensation during this period.

(2) **Plan 1 alternative.** Certain members of TRS who have taught in an extended school year program may use an alternate two-year period for the calculation of average final compensation. An alternate period may be used only if a TRS member has rendered service under contract in an extended school year program at any time during the member's career, and under such contract, the member rendered some service in the extended school year program after June 30. The following process is used to determine whether the alternate period is advantageous to the member:

(a) If a member rendered contracted service in an extended school year program after June 30, the department will identify the last day of required service in the district's official calendar for the extended school year.

(b) The alternate period is a two-year period ending on the last day of service in the official calendar.

(c) The department will total the member's compensation for services rendered during the alternate period.

(d) The department will repeat steps (a) through (c) of this subsection for all alternate periods.

(e) To calculate the member's average final compensation, the department will use the member's highest two-year period, as calculated in either subsection (1)(a) or (2)(c) of this section.

(3) **Plans 2 and 3.** To calculate average final compensation for a member of TRS Plans 2 or 3, the department will:

(a) Determine the sixty consecutive service creditable months in which the member's total earnable compensation is the highest.

(b) Divide the total earnable compensation for this period by sixty to determine the member's average monthly compensation during this period.

**WAC 415-112-432 Do I qualify for the alternate computation of earnable compensation in RCW 41.32.345?** RCW 41.32.345 provides an optional method of computing earnable compensation for part-time TRS Plan 1 members. This method is intended to ensure that a TRS Plan 1 member who earns a fractional year of service credit will receive benefits proportional to benefits received by a member who earns a full year of service credit.

(1) To be eligible for the alternate calculation, you must meet the requirements in subsection (2) or (3) of this section for:

(a) Each fiscal year for two consecutive fiscal years; or

(b) Each of the two twelve-month periods contained in an alternate period, provided that you meet the qualifications for using an alternate period for the calculation of your AFC under WAC 415-112-430(2).

(2) Service for a single employer. If you work for one and only one employer during the twelve-month period, you must satisfy the requirements of (a), (b), and (c) of this subsection.

(a) Written contract.

(i) If you work for a school district or educational service district, you must be under a part-time contract from the first teaching day to the last teaching day of the school's official calendar.

(ii) If you work for a community or technical college, school for the blind, or school for the deaf, you must be under part-time contracts for at least three of the four academic quarters (summer, fall, winter, or spring).

(b) Instructional position. You must spend more than seventy-five percent of your total hours of service as a classroom instructor (including office hours), a librarian, a psychologist, a social worker, a nurse, a physical therapist, an occupational therapist, a speech language pathologist or audiologist, or a counselor.

(c) Number of days. During the twelve-month period, you must be employed at least twenty days or the equivalent, but less than eighty percent of the days in your employer's official calendar. For purposes of this calculation, the department considers that the official calendar of a school district or educational service district has one hundred eighty days.

(3) Service for two or more employers. If you work for more than one employer during the twelve-month period, you must satisfy the requirements of (a), (b), and (c) of this subsection.

(a) Written contracts. You must be employed only under part-time contracts with a school district, educational service district, community or technical college, school for the deaf, or school for the blind for the equivalent of three of the four academic quarters (summer, fall, winter, or spring).

**Example 1.** Susan is employed part time with School District B from September 1 through December 31. She is employed with School District C from January 1 through June 20. Susan meets the "written contract" requirement of this subsection because she is under contract for the equivalent of three academic quarters (fall, winter, and spring).

**Example 2.** Bill is employed with School District B from September 1 through December 31. He is employed with Community College C for winter and spring quarters. Bill meets the "written contract" requirement of this subsection because he is under contract for the equivalent of three academic quarters (fall, winter, and spring).

(b) Instructional position. You must spend more than seventy-five percent of your total hours of service as a classroom instructor (including office hours), a librarian, a psychologist, a social worker, a nurse, a physical therapist, an occupational therapist, a speech language pathologist or audiologist, or a counselor.

(c) Number of days. During the twelve-month period, you must be employed at least twenty days or the equivalent, but less than eighty percent of the days in your employers' official calendars, as illustrated in the example. For purposes of this calculation, the department considers that the official calendar of a school district or educational service district has one hundred eighty days. The number of days in the official calendars of community and technical colleges may vary.

**Example:**

Sue worked for 10 days at School District A, which is considered to have 180 days in its official calendar. She worked for 90 days at Community College B, which has 150 days in its official calendar. She worked 5.6% (10/180) of School District A's official calendar plus 60% (90/150) of Community College B's official calendar for a total of 65.6%.

(4) The department may consider additional information to determine if you meet the requirements in this section. Upon the department's request, employers must provide, without limitation, the following information:

(a) For school district employees, the salary schedule and related workload provisions, if any, adopted pursuant to RCW 28A.405.200 by the school district; and

(b) Documentation indicating:

(i) Whether your position is included on the employing district's salary schedule, in workload provisions, or in a collective bargaining agreement;

(ii) Whether your position has duties, responsibilities, workload requirements, or methods of pay similar to those of positions found in the district's schedule, workload provisions, or collective bargaining agreement;

(iii) When your position was created, and how long you held the position;

(iv) Whether you have previously retired under the provisions of chapter 41.32 RCW.

[Statutory Authority: RCW 41.32.345, 06-18-006, § 415-112-432, filed 8/24/06, effective 9/24/06.]

**WAC 415-112-434 How is my earnable compensation adjusted if I meet the requirements in WAC 415-112-432 for two consecutive fiscal years?** If you meet the requirements in WAC 415-112-432 for each fiscal year for two consecutive fiscal years, you may choose to have your annual earnable compensation computed according to this section rather than WAC 415-112-430.

(1) The department will determine the number of hours you would have worked if you were employed on a regular full-time basis by multiplying the hours per day reported under (a) of this subsection, by the number of days reported under (b) of this subsection. For each contracted position you occupied during the fiscal year, your employer must provide written verification of:

(a) The number of hours in the employer's school day.

(i) Unless otherwise determined by a contract, bargaining agreement or employer policy, the department considers there are seven hours in a school day.

(ii) If you were employed in more than one position to meet the requirements in WAC 415-112-432, the department will average the number of hours reported by your employers; and

(b) The number of days in the employer's official calendar under a regular full-time contract:

(i) For K-12 teachers, the department will count only days identified in contracts adopted pursuant to RCW 28A.405.200. Days worked pursuant to supplemental contracts authorized by RCW 28A.405.240 and 28A.400.200(4) are not considered days required under a "regular full-time contract."

(ii) If you were employed in more than one position to meet the requirements in WAC 415-112-432, the department will average the number of days reported by your employers.

(2) The department will calculate your average hourly rate by dividing the compensation reported under (b) of this subsection, by the hours reported under (a) of this subsection. Your employer(s) must provide the following written information:

(a) Total hours you worked during the fiscal year under all employment contracts with the employer; and

(b) Total earnable compensation you earned during the fiscal year under all employment contracts with the employer.

(3) To determine your adjusted earnable compensation for each fiscal year, the department will multiply your average hourly wage determined in subsection (2) of this section, by the number of hours in an official calendar, as determined by subsection (1) of this section. The product is the compensation you would have received in the same position if employed on a regular full-time basis.

[Statutory Authority: RCW 41.32.345. 06-18-006, § 415-112-434, filed 8/24/06, effective 9/24/06.]

**WAC 415-112-435 How is earnable compensation adjusted for TRS Plan 1 members in extended school year programs?** If you meet the requirements in WAC 415-112-432 for each year in an alternate period as defined in WAC 415-112-430, you may choose to have your annual earnable compensation computed according to this section rather than WAC 415-112-430. If you meet the requirements in WAC 415-112-432 for both, an alternate period and two consecutive fiscal years, you may also have your earnable compensation calculated by fiscal years under WAC 415-112-434.

(1) For purposes of this section, the "alternate period" in WAC 415-112-430 (1)(b) will be divided into two consecutive twelve-month periods and each will be referred to as an "alternate year." Annual earnable compensation will be determined for each alternate year.

(2) The department will determine the number of hours you would have worked if you were employed on a regular full-time basis by multiplying the hours per day reported under (a) of this subsection, by the number of days reported under (b) of this subsection. For each contracted position you occupied during the alternate year, your employer must provide written verification of:

(a) The number of hours in the employer's school day.

(i) Unless otherwise determined by a contract, bargaining agreement or employer policy, the department considers there are seven hours in a school day.

(ii) If you were employed in more than one position to meet the requirements in WAC 415-112-432, the department will average the number of hours reported by your employers.

(b) The number of days in the employer's official calendar under a regular full-time contract:

(i) For K-12 teachers, the department will count only days identified in contracts adopted pursuant to RCW 28A.405.200. Days worked pursuant to supplemental contracts authorized by RCW 28A.405.240 and 28A.400.200(4) are not considered days required under a "regular full-time contract."

(12/1/10)

(ii) If you were employed in more than one position to meet the requirements in WAC 415-112-432, the department will average the number of days reported by your employers.

(3) The department will calculate your average hourly rate by dividing the compensation reported under (b) of this subsection, by the hours reported under (a) of this subsection. Your employer(s) must provide the following written information regarding your employment:

(a) Total hours you worked during the alternate year under all employment contracts with the employer; and

(b) Total earnable compensation you earned during the alternate year under all employment contracts with the employer.

(4) To determine your adjusted earnable compensation for the alternate year, the department will multiply your average hourly wage determined in subsection (3) of this section, by the number of hours in the official calendar, as determined by subsection (2) of this section. The product is the compensation you would have received in the same position if employed on a regular full-time basis.

**WAC 415-112-440 May I withdraw my employee contributions?** (1) You may withdraw TRS contributions only upon termination of employment.

(2) You may not withdraw TRS contributions during any period in which you remain employed. For example:

(a) A teacher is considered to remain employed during the summer break that is often included in a school's official calendar. This is true whether the teacher is employed by the same employer or by different employers before and after the summer break.

(b) A teacher is considered to remain employed during a period of official leave from a Washington public school employer.

**WAC 415-112-4601 Are contract salary payments earnable compensation?** (1) **Base contract.** Payments authorized under a base contract may be earnable compensation.

(a) Payments made to classroom teachers for the provision of educational services are earnable compensation.

(b) Payments made to administrators and principals for the provision of administrative services are earnable compensation.

(c) Even though salaries are derived from a salary schedule that incorporates experience and educational attainment, to the extent that the salaries are paid for services provided, they are earnable compensation. Both experience and educational attainment are deemed to increase the quality of the service performed. See RCW 28A.405.200.

(d) Payments pursuant to the base contract that are not made in exchange for services performed are not earnable compensation.

(2) **Supplemental contract.** Payments authorized under a supplemental time, responsibility or incentives (TRI) con-

tract may be earnable compensation. RCW 28A.400.200 allows the use of supplemental TRI contracts to compensate an employee for additional time, additional responsibility, or the achievement of stated incentives.

(a) Payments authorized by a supplemental contract for services requiring additional time are earnable compensation. Examples include payments for the provision of educational services during evening or summer school.

(b) Payments authorized by a supplemental contract for services requiring additional responsibility within the regularly scheduled working day are earnable compensation. Examples include payments linked to over enrollment or additional duties.

(c) Payments authorized by a supplemental contract for the achievement of stated incentives are earnable compensation. Examples include meeting performance goals specified by the employer.

(3) **Longevity or educational attainment.** Payments for longevity or educational attainment must be analyzed to determine whether they are paid for services provided. Salaries for all teachers and most administrators are determined by looking at the individual's teaching experience and educational attainment.

(a) A member who receives a salary increase based upon longevity or educational attainment receives a higher salary without working more hours. The higher salary indicates a higher level of service due to greater experience or more education. The payment is therefore a payment for additional service and is earnable compensation.

(b) Simply attaching the label "longevity" to a payment does not guarantee that it will be earnable compensation. If a payment described as a longevity payment is actually based upon some other criteria, such as retirement or notification of intent to retire, the payment may not be reportable.

**WAC 415-112-4603 Are performance bonuses earnable compensation?** Bonuses for meeting certain performance goals or working under unusual conditions, such as over enrollment, are earnable compensation because they are paid for services provided.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-4603, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 97-03-016, § 415-112-4603, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-4604 Is compensation applied toward cafeteria plans earnable compensation?** Compensation you receive and apply toward a benefit plan under I.R.C. Section 125 may be earnable compensation. If you have an absolute right to receive cash or deferred cash payments instead of

the fringe benefit, the payment is earnable compensation. If you have no cash option, the value of the fringe benefit is not earnable compensation. Also see WAC 415-112-480.

**WAC 415-112-4607 Are retroactive salary increases earnable compensation?** (1) A retroactive salary increase occurs when your rate of pay is increased and made retroactive to a prior date. You receive a lump sum payment for the increased amount earned during the earlier period.

**Example:** John's salary is \$2000 per month. On April 10, his salary is increased to \$2200 per month. The increase is made retroactive to January 1. On April 25, he receives a lump sum payment of \$600, i.e., the \$200 increase for January, February, and March. In April he also receives a paycheck at the new rate of \$2200.

(2) A lump sum payment received pursuant to certain retroactive salary increases is earnable compensation. See subsection (3) of this section. The payment will be deemed to be earned in the period in which the work was done.

**Example:** When the \$600 payment is reported to the department, John will receive an additional \$200 of earnable compensation for each of January, February, and March.

(3) To qualify as earnable compensation, the retroactive salary increase must be made pursuant to:

(a) An order or conciliation agreement of a court or administrative agency charged with enforcing federal, state, or local statutes, ordinances, or regulations protecting employment rights;

(b) A bona fide settlement of a claim before a court or administrative agency for a retroactive salary increase;

(c) A collective bargaining agreement; or

(d) A legislative enactment.

**WAC 415-112-4608 Is severance pay earnable compensation?** (1) **Severance pay earned over time.**

(a) **Plan 1.** Severance pay must be earned over time in the same manner as annual leave or sick leave in order to be deferred compensation for services previously provided and to be reportable in Plan 1. Severance pay is earned over time if the employment contract(s) entered into at the beginning of the period of employment specify that a certain amount of severance pay will be earned in the coming year in consideration for services provided.

**Example:** Mr. Jones is a TRS Plan 1 member employed as a school administrator. Since the beginning of his term of employment with the district, his contract has specified that he will earn one week of severance pay for every year of his employment. The earned severance pay will be paid at the time of his separation. His severance pay is

earnable compensation. When Mr. Jones retires, the two weeks severance pay that he earned during his two highest paid years (i.e., one week per year for two years) will be included in his TRS Plan 1 retirement calculation.

(b) **Plans 2 and 3.** All forms of severance pay are excluded from earnable compensation for Plans 2 and 3 by RCW 41.32.010(10).

(2) **Severance pay that is not earned over time.** Severance pay that is not earned over time is not earned for services provided and is not earnable compensation for Plan 1, 2 or 3.

**Example:** A school administrator and a school district negotiate a termination agreement. In the agreement, the school district agrees to pay the administrator a lump sum payment equal to two months salary as severance pay. The severance payment was not accrued over time in exchange for services provided, and therefore is not earnable compensation.

**WAC 415-112-4609 Are payroll deductions earnable compensation?** Amounts withheld from your salary or wages are earnable compensation. Examples include:

- (1) Your employee contributions to TRS (compare WAC 415-112-480 regarding employer contributions);
- (2) Amounts withheld for federal income tax purposes; and
- (3) Other authorized voluntary deductions, such as the deferred compensation plan or 403(b) plan deferrals.

**WAC 415-112-471 Is compensation reported for legislative leave?** If you take a leave without pay to serve in the legislature, you are entitled to service and earnable compensation credit according to this section.

(1) **Plan 1.** The salary you would have earned in the position from which you took leave of absence is earnable compensation if you serve at least five years in the legislature. Employer contributions are not required on this imputed payment. Employee contributions are required.

(2) **Plans 2 and 3.** You may choose between:

- (a) The earnable compensation you would have earned had you not served in the legislature; or
- (b) The actual earnable compensation received for service plus the legislative earnable compensation.

If you select option (a), you are responsible for paying the additional employer and employee contributions to the extent the earnable compensation reported is higher than it would have been under (b) of this subsection.

(12/1/10)

**WAC 415-112-473 Is paid leave, which is not earned over time, earnable compensation?** If paid leave is not based upon earned leave accumulated over time, the payment is not for services previously provided and is generally not earnable compensation. Exceptions identified in RCW 41.32.267, 41.32.810 and 41.32.865 are reportable, and contributions are due on these payments to the extent they meet both of the following conditions:

(1) The compensation reported is equal to the salary for the position from which you are on leave; and

(2) The payment is received from your employer, not from a third party. Except as provided in WAC 415-112-475, if you receive payment from your employer but your employer is reimbursed for the payment by a third party, the payment is not earnable compensation.

[Statutory Authority: RCW 41.50.050(5), 41.32.267, 41.32.810, 41.32.865. 05-12-108, § 415-112-473, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 00-10-015, § 415-112-473, filed 4/21/00, effective 5/22/00; 97-03-016, § 415-112-473, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-474 Is compensation from shared leave earnable compensation?** If you receive leave through the leave sharing program created by RCW 41.04.660, the compensation you receive from your employer for that leave is earnable compensation.

[Statutory Authority: RCW 41.50.050(5), 41.04.660. 06-18-006, § 415-112-474, filed 8/24/06, effective 9/24/06.]

**WAC 415-112-475 Is the pay I receive from my employer when I am on union leave earnable compensation?** If you take an authorized leave of absence to serve as an elected official of a labor organization and you receive payment from your employer during your leave, the payments may be earnable compensation, even if the union reimburses your employer. To qualify as earnable compensation, the payments must meet the specific conditions in RCW 41.32.267 (Plan 1), RCW 41.32.810 (Plan 2), or RCW 41.32.865 (Plan 3).

[Statutory Authority: RCW 41.50.050(5), 41.32.267, 41.32.810, 41.32.865. 05-12-108, § 415-112-475, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 00-10-015, § 415-112-475, filed 4/21/00, effective 5/22/00; 97-03-016, § 415-112-475, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-477 Are payments for reinstatement or payment instead of reinstatement earnable compensation?** (1) When you receive payments upon reinstatement or instead of reinstatement, such payments are earnable compensation to the extent they are equivalent to the salary you would have earned by working in your position. RCW 41.32.010 defines these payments as earnable compensation even though they are not payments for services you provided to your employer. The payment will be prorated over the entire period that you were suspended, terminated, or otherwise absent from work.

(2) For purposes of subsection (1) of this section, "reinstatement" means that the employee is entitled to return to full employment rights by action of:

- (a) The employer;
- (b) A school district; or
- (c) A court of law.

**WAC 415-112-480 Are fringe benefits earnable compensation?** Fringe benefits provided by an employer are not a salary or wage, and are not earnable compensation. Fringe benefits include, but are not limited to:

- (1) Employer retirement contributions;
- (2) Any type of insurance such as medical, dental or life insurance; and any employer contribution to meet the premium or charge for the insurance; or
- (3) Any employer payments into a private fund to provide health or welfare benefits for you or your dependents, with the exception of compensation paid pursuant to a bona fide cafeteria plan, flexible benefit plan or similar arrangement as described in WAC 415-112-4604.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-480, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050(5) and chapter 41.32 RCW. 03-06-042, § 415-112-480, filed 2/27/03, effective 4/1/03. **WAC 415-112-482 Are disability insurance or workers' compensation payments earnable compensation?** (1) Disability insurance payments are not earnable compensation, whether the payments come directly from the employer or from an insurance company.

- (2) Workers' compensation payments are not earnable compensation.

**Example:** Susan, an employee on unpaid disability leave, submits her workers' compensation payments to her employer. The employer then issues Susan a check for the same amount through the payroll system. Even though the payment may have the appearance of compensation from the employer, it is not a payment for services provided and it is not earnable compensation.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-482, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 97-03-016, § 415-112-482, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-485 Are payments that are outside my employer's legal authority earnable compensation?** Payments made by an employer that are outside the employer's legal authority are not earnable compensation.

**Example:** School districts are prohibited by RCW 28A.400.220 from increasing an employee's salary instead of providing a fringe benefit. If a district increased a person's salary instead of providing a district car, the teacher's increased salary payments would not be earnable compensation.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-485, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 97-03-016, § 415-112-485, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-487 Are optional payments considered earnable compensation?** If you receive an additional payment only on the condition of taking an action other than

[Ch. 415-112 WAC—p. 24]

providing service to your employer, the payment is not earnable compensation.

**Example:** An employer offers to make a contribution to Joe's deferred compensation plan only if Joe agrees to have a portion of his salary deferred. Because Joe does not have a right to receive the contribution based solely on providing service, the payment is not earnable compensation.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-487, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 97-03-016, § 415-112-487, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-489 Are reimbursements for business expenses earnable compensation?** Reimbursements are not earnable compensation. Typical reimbursement payments include mileage reimbursements for use of a private car on employer business, or meal and lodging reimbursements for business trips.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-489, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 97-03-016, § 415-112-489, filed 1/6/97, effective 2/6/97.]

**WAC 415-112-490 Is a retirement bonus or incentive earnable compensation?** A payment made as an incentive to retire or terminate is not a payment for services provided, and is not earnable compensation.

**Example:** A collective bargaining agreement authorizes a school district to pay employees a higher salary during the last two years of employment if the employee gives written notice of his or her intent to retire. Because the payment is in exchange for the agreement to retire and not for services, the payment is not earnable compensation.

[Statutory Authority: RCW 41.50.050(5) and 41.32.010(10). 05-12-108, § 415-112-490, filed 5/27/05, effective 6/27/05. Statutory Authority: RCW 41.50.050. 97-03-016, § 415-112-490, filed 1/6/97, effective 2/6/97.]

(1) At age sixty-five with the following amounts of service credit to retire with an unreduced defined benefit:

(a) Ten years of service credit; or

**WAC 415-112-504 What are the benefit options for Plan 1 members?** Upon retirement from Plan 1 for service under RCW 41.32.480 or disability under RCW 41.32.550 (1)(c), you must choose to have your retirement allowance paid to you by one of the options described in this section. You may also select an optional supplemental cost-of-living (COLA) adjustment.

(1) **May I withdraw any of my contributions?** You may withdraw some or all of your accumulated contributions as follows:

(a) If you retire according to the provisions of RCW 41.32.498, you may withdraw some or all of your accumulated contributions at the time of retirement. Your monthly retirement allowance will be actuarially reduced according to the amount you withdraw.

(b) If you terminate service due to a disability under the conditions of RCW 41.32.550 (1)(a), you may withdraw all your accumulated contributions in a lump sum payment. You will receive no monthly retirement allowance.

(2) **Which option will pay my beneficiary a monthly allowance after my death?** Options described in subsection (3)(c) through (e) of this section include a survivor feature. The person you name at the time of retirement to receive a monthly allowance after your death is referred to as your "survivor beneficiary." Upon your death your survivor beneficiary will be entitled to receive a monthly allowance for the duration of his or her life. Your monthly retirement allowance will be actuarially reduced to offset the cost of the sur-

vivor feature. The factors used to determine the amount of the reduction are in WAC 415-02-380.

(3) **What are my benefit options?**

(a) **Maximum benefit allowance (no survivor feature).** The department will pay you the maximum benefit allowed by statute. Under this option you will receive a monthly retirement allowance throughout your lifetime. Your monthly allowance will cease upon your death, and any remaining balance of accumulated contributions will be:

(i) Retained by the retirement fund if you retired for service under RCW 41.32.497 or 41.32.498; or

(ii) Paid according to subsection (9) of this section if you retired because of disability and were receiving a monthly retirement allowance under RCW 41.32.550 (1)(c).

(b) **Option one: Standard allowance for service retirement (no survivor feature).** The department will pay you a monthly retirement allowance throughout your lifetime. Your monthly allowance will cease upon your death, and any remaining balance of accumulated contributions will be paid according to subsection (9) of this section.

(i) This benefit option has a lower monthly allowance than the **maximum benefit allowance** in (a) of this subsection because, with this option, any remaining accumulated contributions will be paid to your beneficiaries upon your death.

(ii) If you are retiring because of disability under RCW 41.32.550 (1)(c), you will not benefit from this option because your beneficiaries will receive any remaining accumulated contributions under the maximum benefit allowance in (a) of this subsection.

(c) **Option two: Joint and whole allowance.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to the gross monthly retirement allowance you were receiving.

(d) **Option three: Joint and one-half allowance.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to one-half of the gross monthly retirement allowance you were receiving.

(e) **Option four: Joint and two-thirds allowance** (available to members retiring on or after January 1, 1996). The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to two-thirds (66.667%) of the gross monthly retirement allowance you were receiving.

(4) **Do I need my spouse's consent on the option I choose?** If you are married, you must provide your spouse's notarized signature indicating consent to the retirement option you select. If you do not provide spousal consent, the department will pay you a monthly retirement allowance based on option three (joint and one-half allowance) and record your spouse as the survivor beneficiary as required by RCW 41.32.530(2). If your survivor beneficiary has been designated by a dissolution order according to subsection (5) of this section, which was filed with the department at least thirty days before your retirement date, spousal consent is not required.

(5) **Can a dissolution order require that a former spouse be designated as a survivor beneficiary?** Yes. A dissolution order may require that a former spouse be designated as a survivor beneficiary. The department is required to pay survivor benefits to a former spouse pursuant to a dissolution order that complies with RCW 41.50.790.

(6) **What is the supplemental COLA option?** In addition to choosing a retirement benefit option described in subsection (3) of this section, you may choose a supplemental annual COLA. If you select this option, your monthly retirement allowance will be actuarially reduced to offset the cost of this benefit.

(7) **What happens if I choose a benefit option with a survivor feature and my survivor beneficiary dies before I do?** Your monthly retirement allowance will increase, provided you submit proof of your survivor beneficiary's death to the department. The increase will begin accruing the first day of the month following the death.

(a) **Members who retire on or after January 1, 1996:** Your increased monthly allowance will be:

(i) The amount you would have received had you chosen the maximum benefit at the time of retirement;

(ii) Minus any reduction in the maximum allowance resulting from a withdrawal of contributions;

(iii) Plus any COLAs you received prior to your survivor beneficiary's death, based on your original option selection.

**Example:**

Lucinda retires from TRS Plan 1 in 1996. Lucinda withdraws some of her contributions, which actuarially reduces her maximum monthly allowance from \$2,000 to \$1,963.86. She chooses a benefit option with a survivor feature, and names Garth, her husband, as her survivor beneficiary. As a result, Lucinda's monthly allowance is further reduced from \$1,963.86 to \$1,846.03. Garth dies in January 2001. Lucinda's monthly allowance will increase to \$1,963.86, the amount she would have received had she chosen the maximum benefit option (after reduction for her withdrawals). The total amount of the COLAs she received (based on her prior monthly allowance) will be added to the \$1,963.86.

(b) **Members who retired before January 1, 1996:** Your monthly retirement allowance will be adjusted according to the provisions of RCW 41.32.530(3).

(8) **May I change my benefit option after retirement?** Your choice of a benefit option is irrevocable with the following three exceptions:

(a) **Return to membership.** If you retire and then return to membership, you may choose a different retirement option upon your subsequent retirement. See RCW 41.32.044.

(b) **Postretirement marriage option.** If you select the maximum benefit option or the standard allowance option at the time of retirement and marry after retirement, you may select a benefit option with a survivor feature and name your current spouse as survivor beneficiary, provided that:

(i) Your benefit is not subject to a property division obligation pursuant to a dissolution order. See WAC 415-02-500;

(ii) The selection is made during a one-year window, on or after the date of the first anniversary and before the second anniversary of your postretirement marriage;

(iii) You provide a copy of your certified marriage certificate to the department;

(iv) You provide proof of your current spouse's birth date; and

(v) You exercise this option one time only.

(c) **Removal of a nonspouse survivor option.** If you select a benefit option with a survivor feature and name a nonspouse as survivor beneficiary at the time of retirement, you may remove that survivor beneficiary designation and have your benefit adjusted to a standard allowance. You may exercise this option one time only.

(9) **Who will receive the balance of my accumulated contributions, if any, after my death?**

(a) If you do not have a survivor beneficiary at the time of your death, and you die before the total of the annuity payments paid equals the amount of your accumulated contributions at the time of retirement, the balance will be paid according to this subsection.

(i) Except as provided in (a)(ii) of this subsection, any remaining balance will be paid to the person or entity (i.e., trust, organization, or estate) you have nominated by written designation, executed and filed with the department.

(ii) If you retired for service and chose the maximum benefit option, any remaining balance will be retained by the retirement fund.

(b) If you have a survivor beneficiary at the time of your death, and your survivor beneficiary dies before the total of the retirement allowance paid equals the amount of your accumulated contributions at the time of retirement, the balance will be paid to the person or entity (i.e., trust, organization, or estate) your survivor beneficiary has nominated by written designation, executed and filed with the department.

(10) For more information, see RCW 41.32.530 and 41.32.550.

**WAC 415-112-505 What are the benefit options for Plan 2 and 3 members?** Upon retirement for service under RCW 41.32.765 or 41.32.875, or disability under RCW 415-112-790 or 415-112-880, you must choose to have the defined benefit portion of your retirement allowance paid to you by one of the options described in this section.

(1) **Which option will pay my beneficiary a monthly allowance after my death?** Options described in subsection (2)(c) and (d) of this section include a survivor feature. The person you name at the time of retirement to receive a monthly allowance after your death is referred to as your "survivor beneficiary." Upon your death your survivor beneficiary will be entitled to receive a monthly allowance for the duration of his or her life. Your monthly retirement allowance will be actuarially reduced to offset the cost of the survivor feature. The factors used to determine the amount of the reduction are in WAC 415-02-380.

(2) **What are my benefit options?**

(a) **Option one: Standard allowance for service retirement (no survivor feature).** The department will pay you a monthly retirement allowance throughout your lifetime. Your monthly allowance will cease upon your death.

(b) **Option two: Joint and whole allowance.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance

equal to the gross monthly retirement allowance you were receiving.

(c) **Option three: Joint and one-half allowance.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to one-half of the gross monthly retirement allowance you were receiving.

(d) **Option four: Joint and two-thirds allowance** (available to members retiring on or after January 1, 1996). The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to two-thirds (66.667%) of the gross monthly retirement allowance you were receiving.

(3) **Do I need my spouse's consent on the option I choose?** If you are married, you must submit your spouse's notarized signature indicating consent to the retirement option you selected. If you do not provide spousal consent, the department will pay you a monthly retirement allowance based on option three (joint and one-half allowance) and record your spouse as the survivor beneficiary as required by RCW 41.32.785(2) and 41.32.851(2). If your survivor beneficiary has been designated by a dissolution order under RCW 41.50.790, which was filed with the department at least thirty days before your retirement date, spousal consent is not required.

(4) **Can a dissolution order require that a former spouse be designated as a survivor beneficiary?** Yes. A dissolution order may require that a former spouse be designated as a survivor beneficiary. The department is required to pay survivor benefits to a former spouse pursuant to a dissolution order that complies with RCW 41.50.790.

(5) **What happens if I choose a benefit option with a survivor feature and my survivor beneficiary dies before I do?** Your monthly retirement allowance will increase, provided you submit proof of your survivor beneficiary's death to the department. The increase will begin accruing the first day of the month following the death.

(a) **Members who retire on or after January 1, 1996:** Your increased monthly allowance will be:

- (i) The amount you would have received had you chosen the standard allowance option; plus
- (ii) Any cost-of-living adjustments (COLAs) you received prior to your survivor beneficiary's death, based on your original option selection.

**Example:**

Agnes retires from TRS Plan 2 in 1996. She chooses a benefit option with a survivor feature and names Beatrice, her daughter, as her survivor beneficiary. As a result, Agnes' monthly allowance is reduced from \$2,000 (standard allowance) to \$1,750. Beatrice dies in 2001. Agnes' monthly allowance will increase to \$2,191.05, which equals the amount she would have received had she chosen the standard allowance option, plus the COLAs she has received (based on her prior monthly allowance).

Year	Standard Allowance	Survivor Option plus COLAs	COLA incr. (3% max)	\$ Increase
1998		1,785.00	.03	53.55
1999		1,838.55	.025	45.96
2000		1,884.51	.03	56.54
2001	2,000.00	1,941.05	—	—
			Total COLAs	191.05
Original Monthly Allowance \$2000		+ Total COLAs + \$191.05	= New Monthly Allowance = \$2,191.05*	

\* In the future, Agnes' COLA will be based on her increased monthly allowance.

(b) **Members who retired before January 1, 1996:** Your monthly retirement allowance will be adjusted according to the provisions of RCW 41.32.785(3).

(6) **May I change my benefit option after retirement?** Your choice of a benefit option is irrevocable with the following three exceptions:

(a) **Return to membership.** If you retire and then return to membership, you may choose a different retirement option upon your subsequent retirement. See RCW 41.32.044.

(b) **Postretirement marriage option.** If you select the standard allowance option at the time of retirement and marry after retirement, you may select a benefit option with a survivor feature and name your current spouse as survivor beneficiary, provided that:

- (i) Your benefit is not subject to a property division obligation pursuant to a dissolution order. See WAC 415-02-500;
- (ii) The selection is made during a one-year window, on or after the date of the first anniversary and before the second anniversary of your postretirement marriage;
- (iii) You provide a copy of your certified marriage certificate to the department;
- (iv) You provide proof of your current spouse's birth date; and
- (v) You exercise this option one time only.

(c) **Removal of a nonspouse survivor option.** If you select a benefit option with a survivor feature and name a nonspouse as survivor beneficiary at the time of retirement, you may remove that survivor beneficiary designation and have your benefit adjusted to a standard allowance. You may exercise this option one time only.

(7) **Who will receive the balance of my accumulated contributions, if any, after my death?**

(a) **Plan 2:**

(i) If you do not have a survivor beneficiary at the time of your death, and you die before the total of the retirement allowance paid equals the amount of your accumulated contributions at the time of retirement, the balance will be paid:

(A) To the person or entity (i.e., trust, organization, or estate) you have nominated by written designation, executed and filed with the department.

(B) If you have not designated a beneficiary, or if your designated beneficiary is no longer living, then to your surviving spouse.

(C) If not paid according to (a)(i)(A) or (B) of this subsection, then to your estate.

(ii) If you have a survivor beneficiary at the time of your death, and your survivor beneficiary dies before the total of the retirement allowance paid equals the amount of your

Year	Standard Allowance	Survivor Option plus COLAs	COLA incr. (3% max)	\$ Increase
1996	2,000.00	1,750.00		0.00
1997		1,750.00	.02	35.00

accumulated contributions at the time of retirement, the balance will be paid:

(A) To the person or entity (i.e., trust, organization, or estate) your survivor beneficiary has nominated by written designation, executed and filed with the department.

(B) If your survivor beneficiary has not designated a beneficiary, or if the designated beneficiary is no longer living, then to your survivor beneficiary's spouse.

(C) If not paid according to (a)(ii)(A) or (B) of this subsection, then to your survivor beneficiary's estate.

(b) **Plan 3:** The defined benefit stops upon your death or upon the death of your survivor beneficiary, if applicable. As a Plan 3 member, you do not contribute to the defined benefit portion of your retirement allowance. The defined contribution portion of your benefit will be distributed according to WAC 415-111-310.

[Ch. 415-112 WAC—p. 28]

(2) Meet the age and service requirements in WAC 415-112-500 for Plan 1, WAC 415-112-501 for Plan 2, or WAC 415-112-502 for Plan 3;

(3) Has applied for retirement, the accrual date has been determined under WAC 415-112-520, RCW 41.32.795, or 41.32.855, and the benefit begins to accrue.

**Example:** Judy is eligible for retirement on July 1st. She submits an application on June 1st with a July 1st retirement date. Her last day of employment is June 30th and she does not have an agreement to return to work.

Judy's retirement date (accrual date) is July 1st and the benefit begins to accrue. The first retirement payment will be paid at the end of July. Judy entered "retiree status" effective July 1st.

**WAC 415-112-520 When do my monthly retirement payments begin?** (1) The department will issue your first retirement allowance payment at the end of the month in which you retire.

(2) If your accrual date is prior to the date your application is approved, you will receive a lump sum payment of the amount that has accrued prior to your first payment. Thereafter, you will receive the calculated monthly benefit.

**WAC 415-112-523 How does the department calculate my retirement allowance?** (1) When you apply for retirement, you will begin to receive a provisional retirement allowance.

(a) The department will calculate the provisional allowance based on:

(12/1/10)

(i) The data for service credit and earnable compensation in the department's system at the time it is calculated;

(ii) Projections of your salary for periods that have not yet been reported by your employer.

(b) The department will pay you the provisional allowance until your actual retirement allowance has been calculated.

(2) To compute your actual allowance, the department must receive a final compensation report from your employer.

The department may also require any of the following from your employer:

(a) Cash-out information (Plan 1 only).

(b) Earnings history.

(c) Copies of your employment contract(s).

(d) Copies of your employer's compensation policies.

(3) The department will make a final calculation of your actual retirement allowance by making a final determination of your service credit and average final compensation and by applying the correct formula to these values. Your actual retirement allowance may be higher or lower than your provisional allowance.

(4) If the amount of your actual allowance is different from your provisional allowance, the department will make the necessary adjustments.

(a) If you were underpaid, the department will pay you a lump sum payment equal to the difference of the total provisional payments you received and the total you would have received based on your actual allowance.

(b) If you were overpaid, the department will recover the overpayment either through a lump sum payment, monthly installment payments, or through an actuarial reduction of your actual allowance.

**WAC 415-112-525 How soon can I return to work as a retiree?** (1) If you return to work sooner than one full calendar month after your accrual date, your retirement allowance will be reduced by 5.5% for every seven hours worked during the month until you separate from all employment for one full calendar month. See RCW 41.32.570 (TRS Plan 1), 41.32.802 (TRS Plan 2), or 41.32.862 (TRS Plan 3).

#### Example 1:

Dave's last day of work is September 15th. He has no agreement to return to work. His accrual date is October 1st. If Dave wants to return to work after he retires, he will need to wait until at least November 1st to avoid receiving the daily percentage reduction in his retirement allowance.

#### Example 2:

Brian's last day of work is September 15th. He has no agreement to return to work. His accrual date is October 1st. Brian subsequently is asked to work for five seven-hour work days between October 10th and October 17th. On November 1st, Brian's retirement allowance will be reduced by five and one-half percent for every seven hours worked during October. (RCW 41.32.570.) On December 1st, he will qualify for his full retirement benefit. Brian will also qualify to return to

(12/1/10)

work under the work limits described in WAC 415-112-540(2).

#### Example 3:

Joe's last day of work is September 15th. He has no agreement to return to work. His accrual date is October 1st. Joe then returns to work on October 10th and continues working. Joe's retirement benefit will be reduced by 5.5% for each seven hours he works. Joe's benefit reduction will accrue up to one hundred forty hours per month. If he stops working, his full retirement benefit will resume after he remains separated for one full calendar month. Any benefit reduction over one hundred percent will be applied to Joe's allowance in subsequent months.

(2) If you have a written agreement to return to work before your accrual date, and in fact return to work, you have not entered retirement status. See WAC 415-112-515. In this case, you are not a retiree, and the 5.5% reduction in subsection (1) of this section does not apply.

#### Example 4:

Teri's last day of work is September 15th. Her accrual date would ordinarily be on October 1st. However, on September 18th, Teri signed an agreement to work for one day in October. Teri signed the agreement prior to her accrual date. Under WAC 415-112-515 she is not a retiree, and not eligible for her retirement benefits. In addition, the 5.5% reduction does not apply. Teri's accrual date will now be November 1st, as long as she did not have any other agreements to work.

**WAC 415-112-541 How will returning to work affect my TRS Plan 1 monthly pension?** This section implements RCW 41.32.570, which limits employment for TRS Plan 1 retirees with public educational institutions to fifteen hundred hours regardless of the nature of service.

(1) You may return to any type of service with a public education institution for up to fifteen hundred hours per fiscal year as defined in RCW 41.32.010(12) without affecting your TRS Plan 1 monthly pension under RCW 41.32.570, provided you have been retired from service for one full calendar month (see WAC 415-112-520 and 415-112-525 for more information).

(a) Your employer must notify the department when you return to work. Your employer must report hours and compensation.

(b) If you are a TRS Plan 1 retiree and you work more than fifteen hundred hours during a fiscal year, the department will suspend your monthly pension. The pension is sus-

pending until the first of the next fiscal year or termination of your employment, whichever comes first.

(c) The TRS Plan 1 limits will be applied to retirees from both TRS Plan 1 and a Plan 2 or 3 in another pension plan.

(d) The TRS Plan 1 limits will be applied to retirees from both TRS Plan 1 and PERS Plan 1.

(e) If you are a TRS Plan 1 retiree working for a public education institution as a bona fide independent contractor as determined under WAC 415-02-110, you are not considered an employee of the institution and are not subject to the work limitations.

(2) If the department suspends your benefit because of your reemployment, the department will reinstate the original amount of your pension, less deductions to recover any overpayment, effective the day following your termination of employment, or at the beginning of the next fiscal year, whichever comes first.

(3) You must repay any monthly pension payment that you receive in excess of the amounts allowed under this section.

(4) You may choose to return to membership if you are employed by a public education institution and are otherwise eligible. Membership will be prospective from the month in which you opt into membership.

(5) Defined terms used. Definitions for the following term used in this section may be found in the section listed.

**WAC 415-112-542 How will returning to work affect my TRS Plan 2 or Plan 3 monthly retirement allowance?**

This section implements RCW 41.32.802 and 41.32.862, which limit employment for TRS Plan 2 or Plan 3 retirees employed in an eligible position to eight hundred sixty-seven hours per calendar year.

(1) You may return to any eligible position for up to eight hundred sixty-seven hours per calendar year without affecting your monthly retirement allowance.

(a) Your employer must notify the department when you return to work and report hours and compensation.

(b) Your monthly retirement benefit is suspended effective the day after the day in which you exceed the work limit, unless you are also a member of any Plan 1, in which case the Plan 1 limits will apply.

(c) Your monthly retirement benefit is reinstated at the beginning of the next calendar year or the first day of the month following your termination from employment whichever comes first.

(d) You may choose to return to membership if you are employed by a public school and are otherwise eligible. Membership will be prospective from the month in which you opt into membership.

(e) If you are a TRS Plan 2 or Plan 3 retiree working as a bona fide independent contractor as determined under WAC 415-02-110, you are not considered an employee and are not subject to the work limitations.

(f) If you are working as an on-call substitute teacher you are working in an ineligible position and not subject to the work limitations of RCW 41.32.802 and 41.32.862.

(2) You must repay any monthly pension payment that you receive in excess of the amounts allowed under this section.

(3) Defined terms used. Definitions for the following terms used in this section may be found in the sections listed.

**WAC 415-112-544 How does the department calculate the retirement allowance of a TRS Plan 2 or Plan 3 member who retires, reenters TRS membership, and then retires again?** This rule establishes a method to actuarially recompute your defined benefit retirement allowance if you are a Plan 2 or Plan 3 member who retires, reenters TRS membership causing your retirement allowance to stop, and then retires again.

(1) **If you previously retired before age sixty-five**, the department will:

(a) Recompute your retirement allowance pursuant to RCW 41.32.760 (Plan 2) or 41.32.840 (Plan 3) using:

(i) Your total years of career service, including service earned prior to your initial retirement and service earned after reentering membership; and

(ii) Any increase in your average final compensation resulting from your reentry into membership; and

(b) Actuarially reduce your retirement allowance:

(i) Based on the present value of the retirement allowance payments you received during your initial retirement;

(ii) To reflect the difference in the number of years between your current age and the attainment of age sixty-five, if applicable; and

(iii) To offset the cost of your benefit option if it includes a survivor feature. See WAC 415-112-505.

(2) **If you previously retired at or after age sixty-five**, the department will recompute your retirement allowance pursuant to RCW 41.32.760 (Plan 2) or 41.32.840 (Plan 3) and include any additional service credit you earned and any increase in your average final compensation resulting from your reentry into membership. The department will actuarially reduce your retirement allowance to offset the cost of your benefit option if it includes a survivor feature. See WAC 415-112-505.

(3) Under no circumstances will you receive a retirement allowance creditable to a month during which you earned service credit.

**WAC 415-112-546 If I have retired from another retirement system or am eligible to retire, am I excluded from participating in TRS?** (1) If you have retired from another retirement system authorized by the laws of this state, you cannot participate in TRS membership unless:

- (a) You established membership in TRS prior to March 19, 1976;
- (b) You accrued less than fifteen years of service credit in the other retirement system; or
- (c) You are a LEOFF Plan 2 retiree returning to work in a TRS eligible position and choose to participate in TRS membership. See WAC 415-104-111.

(2) If you are **eligible to retire** from another retirement system listed in RCW 41.50.030, you cannot participate in TRS membership unless:

- (a) You established membership in TRS prior to March 19, 1976;
- (b) You accrued less than fifteen years of service credit in the other retirement system; or
- (c) You are a dual member as described in RCW 41.54-.010.

(3) If you are **receiving a disability allowance** from another retirement system listed in RCW 41.50.030, you cannot participate in TRS membership unless you are a LEOFF Plan 2 retiree returning to work in a TRS eligible position and choose to participate in TRS membership. See WAC 415-104-111.

(4) **Defined terms used.** Definitions for the following terms used in this section are:

**WAC 415-112-555 What is the TRS Plan 1 minimum allowance?** RCW 41.32.4851 entitles certain TRS Plan 1 retirees and beneficiaries to a minimum monthly allowance. Subsection (3) of this section provides the amount of the minimum allowance and explains how it may be adjusted.

(1) **Do I qualify for the minimum allowance?** Except as provided in subsection (2) of this section:

- (a) You qualify if your current monthly allowance, excluding any amount you receive for an additional

(optional) annuity based on extra contributions, is less than the minimum allowance calculated under subsection (3) of this section, and:

- (i) You have twenty-five or more years of TRS Plan 1 service credit and have been retired at least twenty years; or
  - (ii) You have twenty or more years of TRS Plan 1 service credit and have been retired at least twenty-five years.
- (b) You qualify if you are a TRS Plan 1 member's survivor beneficiary under WAC 415-112-504 and your current monthly allowance is less than the minimum allowance calculated under subsection (3) of this section, provided:
- (i) The member had twenty-five or more years of TRS Plan 1 service credit and retired at least twenty years ago; or
  - (ii) The member had twenty or more years of TRS Plan 1 service credit and retired at least twenty-five years ago.

(2) **Do I qualify if I am receiving a temporary disability benefit?** You do not qualify to receive the minimum allowance provided by this rule if you are currently receiving a temporary disability benefit under RCW 41.32.540.

(3) **How much is the minimum allowance in RCW 41.32.4851, and how is it adjusted?**

(a) **Minimum allowance.** The minimum allowance prior to July 1, 2006, was \$1000. On July 1, 2006, and each July 1 thereafter, the minimum allowance increases by three percent, rounded to the nearest cent.

(b) **Adjustment.** The minimum allowance in (a) of this subsection will be adjusted each July by the same factors that were otherwise used in the calculation of your monthly allowance, including, but not limited to:

- (i) Annuity withdrawal;
- (ii) Early retirement;
- (iii) Automatic cost-of-living (COLA) increases chosen at retirement;
- (iv) Joint survivor option chosen at retirement;
- (v) Survivor percentage. See Example 2 in this subsection.

Example 1: Bob retired in August 1986 with twenty-five years of service credit. Bob chose benefit option three, so that his wife, Betty, would receive a monthly allowance equal to 50% of his allowance after his death. In August 2006, Bob became eligible for the minimum allowance, calculated as follows:

Minimum allowance in August 2006 =		\$1,030.00
<b>Minimum allowance, actuarially reduced for benefit option three</b>	\$1,030 x 0.87 (benefit option factor based on the difference in age between Bob and Betty) =	<b>\$896.10</b>

Example 2: When Bob died in August 2009, Betty's allowance was calculated using the minimum allowance in effect on the date of Bob's death. The minimum allowance was adjusted by the same factors used to calculate Bob's allowance at retirement and also by the survivor percentage (50%) chosen when Bob retired.

Minimum allowance in August 2009	(includes a 3% per year increase)	\$1,125.51
Actuarially reduced for benefit option three =	\$1,125.51 x 0.87 =	\$979.19
<b>Betty's adjusted minimum allowance</b>	(50% of the allowance Bob was receiving)	<b>\$489.60</b>

The tables, schedules, and factors the department currently uses to calculate benefits are located in WAC 415-02-300 through 415-02-380. However, factors have changed over time, and your minimum allowance will be adjusted using the same factors that were used to calculate your current monthly allowance.

(4) **If the minimum allowance is less than my current monthly allowance, will my monthly allowance be reduced?** The department will compare the amount of the minimum allowance calculated under subsection (3) of this section with your current monthly allowance. You will always receive the higher of the two benefits.

**(5) If I qualify for the minimum allowance, when will I begin to receive it?**

(a) If your eligibility is based on meeting the requirements of subsection (1)(a)(i) or (b)(i) of this section, and:

(i) You were eligible on July 1, 2004, you began receiving the minimum allowance in effect at that time, in lieu of your regular monthly allowance, in July 2004.

(ii) You become eligible after July 1, 2004, you will begin receiving the minimum allowance, in lieu of your regular monthly allowance, the month in which you qualify.

(b) If your eligibility is based on meeting the requirements of subsection (1)(a)(ii) or (b)(ii) of this section, and:

(i) You were eligible on July 1, 2006, you began receiving the minimum allowance in effect at that time, in lieu of your regular monthly allowance, in July 2006.

(ii) You become eligible after July 1, 2006, you will begin receiving the minimum allowance, in lieu of your regular monthly allowance, the month in which you qualify.

**(6) Will I receive cost-of-living adjustments (COLAs)?** You will not receive the uniform COLA (based on your years of service credit) while you are receiving the minimum allowance.

**(7) How long will I continue to receive the minimum allowance?** You will receive the minimum allowance calculated under subsection (3) of this section for your lifetime or until your regular retirement allowance, plus COLAs and other eligible adjustments, exceeds your minimum allowance. At that time you will automatically start receiving the higher benefit.

Example:

	<b>Regular Allowance (including COLAs and other eligible adjustments)</b>	<b>Adjusted Minimum Allowance</b>	<b>Actual Amount Paid</b>
July 1, 2006	\$882.38 (allowance + COLAs)	<b>\$896.10</b> (\$1,030 x .87)	\$896.10
July 1, 2007	\$914.63 (\$882.38 + COLA)	<b>\$922.98</b> (\$1,060.90 x .87)	\$922.98
July 1, 2008	\$946.88 (\$914.63 + COLA)	<b>\$950.67</b> (\$1,092.73 x .87)	\$950.67
July 1, 2009	\$979.13 (\$946.88 + COLA)	<b>\$979.19</b> (\$1,125.51 x .87)	\$979.19
July 1, 2010	<b>\$1,011.38</b> (\$979.13 + COLA)	\$1,008.57 (\$1,159.28 x .87)	\$1,011.38 (reverts to regular allowance including COLAs)

(2) The department must receive proof that the beneficiary stands in the necessary relationship to the member, and that either:

(a) The member had provided over half of the beneficiary's financial support continuously prior to death and at the time of the member's death; or

(b) The beneficiary otherwise meets the definition of beneficiary set forth in 26 U.S.C. 152.

**WAC 415-112-705 How do I designate a beneficiary, and who will receive a distribution if I die before retirement?** This section applies to the designation of beneficiaries for Plan 1 and Plan 2 members' defined benefit and Plan 3 members' defined contribution accounts. RCW 41.32.895 governs the defined benefit portion of Plan 3.

(1) You may designate or change a beneficiary by submitting a *beneficiary designation form* to the department. Your designation will become effective upon the department's receipt of the form, only if it is completed properly and signed by you and a witness.

(2) You may name one or more of the following as a beneficiary or beneficiaries:

(a) An organization or person, including unborn or later adopted children. However, unborn or later adopted children must be specifically designated as beneficiaries on the form. You must indicate the date of birth for any living person you name as a beneficiary.

(b) Your estate.

(c) An existing trust, or a trust to be established at a later date or under your last will. If you designate a trust that is not in existence at the time of your death, or is not created under your last will, the designation will be invalid. Before making distribution to any trust the department must receive:

(i) A copy of the entire trust document;

(ii) The name, address, telephone number of the current trustee; and

(iii) The tax identification number.

(3) You may name contingent beneficiaries in addition to primary beneficiaries.

(4) You may change your beneficiary designation at any time.

(5) A change in marital status may invalidate your prior designation.

(6) Your named beneficiary may not necessarily receive a distribution if you die prior to retirement. (See example three.) Distribution is governed by:

(a) RCW 41.32.520 for Plan 1 members;

(b) RCW 41.32.805 for Plan 2 members; and

(c) RCW 41.34.070 for Plan 3 members.

(7) If your surviving spouse is eligible to receive a benefit under RCW 41.32.520 (1)(b) or 41.32.805(2), but your spouse dies before requesting a distribution, your minor chil-

dren and your spouse's minor children may elect to receive either:

(a) Your accumulated contributions; or

(b) A monthly benefit, share and share alike, until each child reaches the age of majority. See example four.

#### Examples:

##### EXAMPLE ONE.

##### Facts

John, a member, completes a beneficiary designation form.

In the place on the form reserved for persons, he names his daughter Ann. He checks the box to indicate that Ann is a primary beneficiary.

In the place on the form reserved for trust/organizational beneficiaries, he lists the "Barbara Trust." His daughter Barbara is the trust beneficiary. He checks the box to indicate that the trust is a primary beneficiary.

##### Result

At John's death, Ann and the Barbara Trust are the primary beneficiaries. The department will require the name of the trustee, the tax identification number, a copy of the entire trust and other information specified in this rule before distribution to the trust. Distribution is governed by RCW 41.32.520 for Plan 1 members, RCW 41.32.805 for Plan 2 members, and RCW 41.34.070 for Plan 3 members.

##### EXAMPLE TWO.

##### Facts

John, a member, completes a beneficiary designation form.

In the place on the form reserved for persons, he names his daughter Ann. He checks the box to indicate that Ann is a primary beneficiary.

In the place on the form reserved for trust/organizational beneficiaries, he lists his daughter Barbara personally; i.e., no trust name is provided. John checks the corresponding box to indicate a primary beneficiary designation. At John's death, the department learns that John has created no trusts.

##### Result

Because John has created no trust, the designation of the Barbara Trust is void. Barbara, personally, will not be a beneficiary.

##### EXAMPLE THREE.

##### Facts

When she became a TRS 1 member, Joan was unmarried and named her mother as her beneficiary. Joan later married, but did not complete a new beneficiary form before she died with four years of service.

##### Result

Unless required to do otherwise by a court order, the department will comply with RCW 41.32.520(1) and pay Joan's surviving spouse the accumulated contributions in her

retirement account. In this case, Joan's mother will not receive a distribution.

**EXAMPLE FOUR.**

**Facts**

John is a TRS Plan 2 member with eleven years of service. He and his wife Mary have a total of three minor children. They have one child together, and each has one child from a previous marriage.

John and Mary were in a skydiving accident. John died instantly making Mary eligible for a benefit under RCW 41.32.805(2). However, Mary died the following week before requesting a distribution from the department.

**Result**

Since Mary died before requesting a distribution of John's account, John and Mary's three minor children are eligible and opt to receive a monthly benefit, share and share alike, until each child reaches the age of majority.

**WAC 415-112-715 Who gets the balance of my monthly retirement allowance if I die partway through a month?** If you have entered retirement status and die partway through a month, a prorated portion of the defined benefit retirement allowance payable for the month of your death will be paid to the beneficiary named on the form in effect at the time of your death, if that person or entity survives your death. If your named beneficiary has died or is no longer in existence, the prorated amount will be paid to your estate.
