Statutory Authority: RCW 41.05.050.

WAC 415-200-030  Plan 3 external administrators.
The employee retirement benefits board may obtain external investment management services to assist with the provision of self-direct investment options. External administrator and investment management services will be obtained through competitive procurement processes to ensure the teachers' retirement system Plan 3, school employees' retirement system Plan 3 and the public employees' retirement system Plan 3 members receive quality services and competitive pricing. The department of retirement systems may select external administrators to assist with the administration of the defined contribution portion of Plan 3 systems.

WAC 415-200-040  Self-directed investment—Expenses paid by members. RCW 41.34.060 allows members of the teachers' retirement system plan 3 and school employees' retirement system plan 3 to elect to self-direct their investments. Members electing to self-direct their investments must pay the expenses caused by the self-directed investment program.

(1) Assessment of member expenses for self-directed investment. Each month, the third-party administrator will allocate self-directed investment expenses to each participating member. The expenses allocated to members shall include:
(a) External third party administrator costs;
(b) External investment manager and consultant costs; and
(c) State investment board investment management operating expenses, in the case of investment options provided through the state investment board.

Each category of expense shall be expressed in terms of basis points. A basis point is equal to one-hundredth of one percent. The administrator will determine the participating member's monthly fee by multiplying the average monthly value of each participating member's self-directed account assets by the basis points for each expense category.

(2) Adoption of expense charge. The expense charges used to calculate self-directed investment fees for participating members shall be established in a memorandum of understanding, interagency agreement, and/or contract. Each expense charge shall be reviewed and approved at a regularly scheduled meeting of the employee retirement benefits board, with opportunity for public testimony. No expense charge may be included in a memorandum of understanding, interagency agreement, and/or contract until such charge has been approved by the employee retirement benefits board. No expense charge which has been approved may be changed unless such change has been approved by the board.

WAC 415-200-050  Recusal of board members—Beneficial interest in transaction. (1) When a member of the board is beneficially interested, directly or indirectly, in a contract, sale, lease, purchase or grant that may be made by, through, or is under the supervision of the board, in whole or in part, or when the member accepts, directly or indirectly, any compensation, gratuity, or reward from any other person beneficially interested in such contract, sale, lease, purchase or grant, the member shall:
(a) Recuse him or herself from the board discussion regarding the specific contract, sale, lease, purchase or grant;
(b) Recuse him or herself from the board vote on the specific contract, sale, lease, purchase or grant; and
(c) Refrain from attempting to influence the remaining board members in their discussion and vote regarding the specific contract, sale, lease, purchase or grant.

(2) The prohibition against discussion set forth in subsection (1) of this section shall not prohibit the member of the board from using his or her general expertise to educate and provide general information on the subject area to the other members.

(3) Under subsection (1) of this section, "any other person" has a beneficial interest in a contract, sale, lease, purchase or grant when the other person bids or otherwise seeks to be awarded the contract, sale, lease, purchase or grant.

Example: The board is composed in part of individuals who are employed by companies which provide investment options to retirement plans. The board is in the process of selecting investment options for the defined contribution portion of the Teachers' Retirement System Plan 3. A company which employs one of the board members has bid [Ch. 415-200 WAC—p. 1]
on the contract. The board member who is employed by the bidding company may use his general expertise to educate and provide general information to the board regarding investments and defined contribution retirement plans in general. The member is prohibited from participating in the board discussion and analysis implementing the criteria for selecting an investment company, and is prohibited from participating in the board vote to select the company.

Example:

The board has a contract with an investment company to provide investment options for the defined contribution portion of Teachers’ Retirement System Plan 3 (TRS Plan 3). The board's contract with the investment company is almost expired, and the board must seek proposals from investment companies for the next contract period. The board issues a request for proposal to various investment companies, including Investment Company "A." Approximately one year ago, a board member worked for Investment Company "A" and received compensation from that company. The board member subsequently retired. The board member is not required to recuse herself from selecting the investment company for TRS Plan 3. Investment Company "A" did not have a beneficial interest in the board's contract until it bid on the contract. Therefore, Investment Company "A" was not beneficially interested in the contract when the board member received the compensation. However, if the board member received compensation from Investment Company "A" after it bid on the contract, the board member would be required to disclose the fact that she received the compensation from the bidder, and to recuse herself from the board's specific discussion and the vote awarding the contract.

WAC 415-200-060 Recusal of board members—Beneficial interest in entity engaged in transaction with the board. (1) When a member of the board either owns a beneficial interest in or is an officer, agent, employee or member of an entity or individual which is engaged in a transaction involving the board, the member shall:

(a) Recuse him or herself from the board discussion regarding the specific transaction;
(b) Recuse him or herself from the board vote on the specific transaction; and
(c) Refrain from attempting to influence the remaining board members in their discussion and vote regarding the specific transaction.

(2) The prohibition against discussion and voting set forth in subsection (1)(a) and (c) of this section shall not prohibit the member of the board from using his or her general expertise to educate and provide general information on the subject area to the other members.

WAC 415-200-070 Recusal of board members—Disclosure of reason for recusal. If recusal occurs pursuant to WAC 415-200-050 or 415-200-060, the member of the board...
shall disclose to the public the reasons for his or her recusal from any board action whenever recusal occurs. The board staff shall record each recusal and the basis for the recusal.

[Statutory Authority: RCW 41.50.086, 98-01-109, § 415-200-070, filed 12/17/97, effective 1/17/98.]
