Disposition of Sections Formerly Codified in This Chapter

WAC 460-33A-010 Application. (1) The rules contained in these regulations are intended to offer an optional method for the registration of "mortgage paper securities" as defined in WAC 460-33A-015(4). While applications for registration not conforming to the standards contained herein shall be looked upon with disfavor, where good cause is shown, certain rules of this chapter may be modified or waived by the director, if consistent with the spirit of these rules.

(2) The application of these rules does not affect those issuers to which or to whom the debenture company sections of the Securities Act apply.

(3) These rules do not affect the statutory exemptions provided for by, nor will they be applied to, those securities or transactions exempt under RCW 21.20.310 or 21.20.320. These rules are not intended to expand or restrict the definition of "security" as defined in RCW 21.20.005.

(4) The rules contained in this chapter are only applicable to mortgage paper securities, mortgage broker-dealers and mortgage salespersons registering under this chapter.

WAC 460-33A-015 Definitions. As used in this chapter:

(1) "Mortgage broker-dealer" means a person who is defined as a "broker-dealer" in RCW 21.20.005(3)] and who effects transactions in mortgage paper securities registered under the provisions of this chapter.

(2) "General offering circular" means a disclosure document that gives a general description of what is involved in the purchase of mortgage paper securities and the business of offering the mortgage paper securities including a description of the mortgage broker-dealer.

(3) "Mortgage salesperson" means a person other than a mortgage broker-dealer who is defined as a "salesperson" in RCW 21.20.005(2)] and who represents a mortgage broker-dealer in effecting offers or sales of mortgage paper securities registered under the provisions of this chapter.

(4) "Mortgage paper securities" means notes and other debt securities secured by mortgages or trust deeds on real or personal property or by a vendor's interest in a property sales contract or options granting the right to purchase any of the foregoing, including any guarantee of or interest in the foregoing.

(5) "Specific offering circular" means a disclosure document describing the specific mortgage paper securities offering, which is meant to accompany the general offering circular.

(6) "Financial institution" means any bank, trust company, savings bank, national banking association, savings and loan association, building and loan association, mortgage banker, credit union, insurance company, or other similarly
regulated financial institution, or holding company for any of the foregoing.

(7) "Construction loan" means a loan in which twenty-five percent or more of the loan proceeds will be used to fund future improvements to real estate securing the loan.

(8) "Income-producing properties" means real property that produces income on a regular basis.

(9) "Participation agreement" means the agreement entered into by investors in mortgage paper securities that sets forth the rights and responsibilities of the investors as to each other and as to others and that may provide for the delegation of authority and responsibility for the management of the loan underlying the mortgage paper securities, the management of property acquired by the investors through foreclosure, and other assigned duties.

Note: Persons intending to rely upon RCW 21.20.320(5) should consult WAC 460-44A-075.

Reviser's note: WAC 34.05.395 requires the use of underlining and deletion marks to indicate amendments to existing rules, and deems ineffectual changes not filed by the agency in this manner. The bracketed material in the above section does not appear to conform to the statutory requirement.

WAC 460-33A-017 Registration not required. Securities exempt from registration pursuant to RCW 21.20.310 and transactions exempt from registration pursuant to RCW 21.20.320 need not be registered under the rules of this chapter.

Note: Persons intending to rely upon RCW 21.20.320(5) should consult WAC 460-44A-075.

WAC 460-33A-020 Optional registration procedures for mortgage paper securities. An applicant for registration of a mortgage paper securities offering may elect to register the offering under the rules of this chapter in lieu of following the registration procedure for debt securities under the Securities Act of Washington. Registration under this chapter requires the filing of a registration application as prescribed by the director of the department of financial institutions accompanied by the following:

(1) The general offering circular;

(2) A sample specific offering circular;

(3) The mortgage paper escrow and trust agreement;

(4) The participation agreement;

(5) The mortgage paper service agreement;

(6) The mortgage broker-dealer's articles of incorporation and bylaws or articles of organization;

(7) Sample documents to include any note, bond, mortgage, deed of trust, master deed of trust, real or personal property contract, indenture, guaranty, or other such instrument;

(8) The financial statements of the mortgage broker-dealer, including a balance sheet, profit and loss statement, and statement of cash flow as set forth in RCW 21.20.210 (14). Pursuant to RCW 21.20.210 (14)(c), if the estimated proceeds of the mortgage paper securities offering, together with the proceeds from registered offerings during the year preceding the date of filing of the mortgage paper securities offering, exceed one million dollars, said financial statements shall be audited. If such proceeds exceed five million dollars, said financial statements for the previous two fiscal years shall be audited;

(9) The subscription and acknowledgment agreements;

(10) An opinion of counsel, if requested, on the legality and validity of the mortgage paper securities being issued;

(11) An opinion of counsel, if requested, regarding the application of the usury laws to the mortgage paper securities being offered;

(12) Such other information as the director may prescribe or request.

WAC 460-33A-025 Contents of the general offering circular. (1) The general offering circular shall be in a format prescribed by the director and shall include all information required by the format.

(2) The general offering circular shall set forth the minimum suitability standards for investors as provided in WAC 460-33A-031.

(3) The general offering circular must state that purchases of mortgage paper securities may be made only by check payable to the mortgage broker-dealer's escrow account.

(4) The general offering circular shall disclose the risks to investors of holding a high concentration of their investment portfolio in mortgage paper securities.

WAC 460-33A-030 Contents and filing of the specific offering circular. The form and content of the specific offering circular and accompanying exhibits shall be prescribed by the director. In registering mortgage paper securities pursuant to this chapter, the registrant undertakes to furnish the specific offering circulars and required exhibits to the director for review upon request. If such a request is made prior to the distribution of a specific offering circular to prospective investors, the registrant must refrain from such distribution pending review and approval by the director.
WAC 460-33A-031 Minimum investor suitability requirements. (1) In addition to complying with the suitability requirements set forth in RCW 21.20.702., in each purchase, sale, or exchange of mortgage paper securities registered under the rules of this chapter, the mortgage broker-dealer shall have reasonable grounds to believe that either:

(a) The investor is an accredited investor as defined in WAC 460-44A-501; or

(b) The following requirements are satisfied:

(i) The investor has a minimum net worth of either:

(A) Two hundred fifty thousand dollars; or

(B) Seventy thousand dollars provided the investor has a minimum annual income of seventy thousand dollars; and

(ii) The prospective investment by the investor qualifies for one of the following:

(A) The investment in the mortgage paper securities being offered does not exceed twenty percent of the investor's net worth, or joint net worth with that person's spouse: Provided, That the investor's total investment in mortgage paper securities involving any one borrower or the borrower's affiliates may not exceed twenty percent of the investor's net worth, or joint net worth with that person's spouse; or

(B) The investment in the mortgage paper securities being offered does not exceed ten percent of the investor's (including spouse) taxable income for federal tax purposes for the last year: Provided, That the investor's total investment in mortgage paper securities involving any one borrower or the borrower's affiliates may not exceed twenty percent of the investor's net worth, or joint net worth with that person's spouse.

(2) For purposes of subsections (1)(b)(i)(A) and (B) of this section, net worth shall be determined exclusive of home, home furnishings and automobiles.

(3) The mortgage broker-dealer shall document its determination that an investment in mortgage paper securities is suitable for each investor in accordance with WAC 460-33A-115 (1)(f).

WAC 460-33A-035 Limitations on the use of optional registration of this chapter. Unless the director makes a special notation on the permit issued to the mortgage broker-dealer granting permission to offer the following types of securities based upon a showing that the investors will be adequately protected, the following types of securities cannot be offered or sold under the rules of this chapter:

(1) Offerings involving construction loans may not be sold using the rules of this chapter unless the loan to value ratio, as determined utilizing the current value of the property without considering future improvements, is within the limits established by subsection (7) of this section.

(2) Offerings involving the mortgage broker-dealer, its officers, agents, affiliates, and persons controlling the mortgage broker-dealer or affiliates may not be sold as part of the optional registration of the rules of this chapter unless the registration with the director includes a full description of these transactions. An offering "involves" the persons listed where the person is the owner, the borrower, or has an interest in the proceeds other than fees, commissions, or markups.

(3) Offerings involving documents reserving the right to subordinate the position of any investor to any mortgage, trust deed or lien created at or after the sale.

(4) Offerings involving pooling or participations involving more than ten investors may not be sold under the optional registration of the rules of this chapter. However, where the amount of the loan is greater than five hundred thousand dollars and the loan is secured by a first lien, the registrant may sell to the number of investors that results from dividing the loan amount by fifty thousand dollars. A husband and wife and their dependents may be counted as one investor.

(5) Offerings in which the real property or other collateral securing the notes or other obligations is not within this state unless the general offering circular contains disclosure of all material facts concerning the relevant laws of the state in which the real property is situated and a risk factor discussing the risks of investing in out-of-state real estate.

(6) Offerings involving notes or other obligations secured by a single mortgage, deed of trust or real estate contract or a single group of mortgages, deeds of trust or real estate contracts that are not identical in their underlying terms, including the right to direct or require foreclosure, rights to and rate of interest, and other incidents of being an investor, and the sale to each investor is not upon the same terms; provided however, an offering may be subject to adjustment for the face or principal amount or percentage interest purchased and for interest earned or accrued.

(7) Offerings in which the aggregate principal amount of the notes or other obligations sold, together with the unpaid principal amount of any encumbrances upon the real property senior thereto, exceed the following percentages of the current market value (as determined by WAC 460-33A-105) of the real property:

(a) Single-family residences - Eighty percent.

(b) Commercial and income-producing properties - Seventy percent.

(c) Unimproved property which has been zoned for commercial or residential development - Fifty percent. For purposes of this section, "unimproved property" includes real property with structures that cannot be legally occupied, do not substantially conform with the appraisal of the property prepared pursuant to WAC 460-33A-105, or otherwise lack the functional attributes or basic amenities customarily found in the type of structures in question.

(d) Other real property - Forty percent.

(8) Offerings involving real estate paper in which a default in any note or other obligation will not be a default in all notes or other obligations concerning a specific loan.

(9) Loans in which investors are required to designate the servicing agent as their attorney-in-fact with respect to documents and instruments, other than those described

appropriate payment.

of the deed of trust or security agreement upon receipt of the

trust or other security instrument pursuant to the provisions

of the deed of trust or security agreement upon receipt of the

appropriate payment.

(5) The participation agreement shall provide that to the

extent the mortgage broker-dealer owns an interest in the

loan, the mortgage broker-dealer, or any successor or

assignee, shall be bound by the terms of the participation

agreement.

(6) The participation agreement shall provide that in the

event a loan is foreclosed and the property that secures the

loan is sold, the excess of the sale proceeds after payment of

expenses and repayment of any funds advanced by the mort-

gage broker-dealer or others shall be distributed to the inver-

tors, including the mortgage broker-dealer to the extent it

owned an interest in the loan and owns an interest in the prop-

erty, in proportion to their respective interests in the loan. The

participation agreement shall not provide for any such excess

to be distributed to the mortgage broker-dealer except to the

extent the mortgage broker-dealer owned an interest in the

loan and owns an interest in the property.

(7) The participation agreement shall not provide for the

payment of late fees, default interest, or other fees and

expenses that are assessed against a borrower who has

defaulted on a loan, but that are not paid prior to foreclosure,

to the mortgage broker-dealer in the event the investors

acquire the real property securing the loan at the foreclosure

sale. The mortgage broker-dealer may, however, be compen-

sated at a reasonable rate for services performed in pursuing

foreclosure and the management or sale of property acquired

by investors through foreclosure.

(8) The participation agreement shall not provide for the

indemnification of the mortgage broker-dealer by the inves-
tors for acts or omissions that constitute a violation of the

Securities Act of Washington, chapter 21.20 RCW, or the

rules adopted thereunder.

WAC 460-33A-036 Participation agreement. (1) In

each sale of mortgage paper securities, the mortgage broker-
dealer shall obtain a signed participation agreement from the

investor prior to the release of funds from escrow.

(2) The participation agreement shall address the follow-
ing:

(a) The rights of investors to interest on the loan and

other amounts derived from the loan and the property secur-
ing the loan;

(b) The rights and responsibilities of investors to contrib-

ute additional funds;

(c) Any restrictions on transfer;

(d) Any rights of first refusal;

(e) The intended tax treatment of an investment in mort-

gage paper securities and income derived therefrom;

(f) The nature and extent of the authority of the mort-

gage broker-dealer to negotiate any loan modifications or

workouts with borrowers, or to seek or negotiate the sale or

lease of real property acquired by investors through fore-

closure of their lien; and

(g) The requirements for amending the participation

agreement.

(3) The participation agreement shall provide that the

following actions may not be taken on behalf of the investors

without the consent of investors holding a majority percent-

age of the unpaid amount of notes or other obligations:

(a) Consenting to the sale or transfer by the borrower of

the collateral securing the loan, or the substitution of a new

borrower;

(b) Approving any modification to the loan that

decreases the rate of interest payable to the investors;

(c) Deferring or forgiving the payment of any principal,

interest, or other amounts due in connection with the loan;

(d) Making any agreements concerning the release, sub-

stitution, or exchange of any collateral, or any portion of the

collateral, for the loan;

(e) Entering into any agreement to reduce the principal

amount of the loan (except for actual payments of principal);

(f) Making any concession with respect to compliance

with any material obligations imposed by the instruments

evidencing or securing the loan; or

(g) Extending or renewing the loan.

(4) The participation agreement shall provide that to the

extent the mortgage broker-dealer owns an interest in the

loan, the mortgage broker-dealer, or any successor or

assignee, shall be bound by the terms of the participation

agreement.

(5) The participation agreement shall provide that inves-
tors holding interests representing at least ten percent of the

unpaid amount of the loan, or that hold interests representing

at least ten percent of the property acquired by investors

through foreclosure, may call a meeting of the investors in

the loan.

(6) The participation agreement shall provide that in the

event a loan is foreclosed and the property that secures the

loan is sold, the excess of the sale proceeds after payment of

expenses and repayment of any funds advanced by the mort-

gage broker-dealer or others shall be distributed to the inver-
tors, including the mortgage broker-dealer to the extent it

owned an interest in the loan and owns an interest in the prop-

erty, in proportion to their respective interests in the loan. The

participation agreement shall not provide for any such excess

to be distributed to the mortgage broker-dealer except to the

extent the mortgage broker-dealer owned an interest in the

loan and owns an interest in the property.

(7) The participation agreement shall not provide for the

payment of late fees, default interest, or other fees and

expenses that are assessed against a borrower who has

defaulted on a loan, but that are not paid prior to foreclosure,

to the mortgage broker-dealer in the event the investors

acquire the real property securing the loan at the foreclosure

sale. The mortgage broker-dealer may, however, be compen-

sated at a reasonable rate for services performed in pursuing

foreclosure and the management or sale of property acquired

by investors through foreclosure.

(8) The participation agreement shall not provide for the

indemnification of the mortgage broker-dealer by the inves-
tors for acts or omissions that constitute a violation of the

Securities Act of Washington, chapter 21.20 RCW, or the

rules adopted thereunder.

WAC 460-33A-037 Disclosure requirements in the

real property acquired by owners of mortgage paper securi-

(c) The investors, excluding the mortgage broker-dealer and its affiliates, holding a majority percentage interest in the unpaid amount of the notes or other obligations may direct the mortgage broker-dealer to obtain an appraisal or a new appraisal that is dated within twelve months of the mortgage broker-dealer's recommendation. The costs of such an appraisal shall be the responsibility of the mortgage paper security investors unless the mortgage broker-dealer agrees to pay for the appraisal.

(6) The disclosure document required in this section shall be sent to all the investors holding an interest in the property subject to the purchase and sale agreement at their last known addresses at least ten days prior to the closing date of the sale.

WAC 460-33A-038 Real estate broker's opinion of value in the sale of real estate owned property.
