WAC 468-305-100 General Provisions

Note: This is the ONLY payment method available on the SR 167 HOT lanes pilot project. Single occupancy vehicles must pay by an interior Good To Go!™ Pass and may receive a traffic infraction for failure to pay using the Pass.

(2) Photo toll payments: This payment method uses a photograph of a license plate to assess the toll. The photo toll may be paid by toll account; a Customer-Initiated Payment; by individual payment online, mail, fax, over the phone or in person at a customer service center; or in response to a Pay By Mail toll bill.

(3) Manual payment: This payment method is available only on the Tacoma Narrows Bridge. It requires payment at a tollbooth using cash, a credit card or branded debit card. This option also requires you to stop your vehicle at the tollbooth facility to pay.

WAC 468-305-110 Why should I use a Good To Go!™ Pass? Paying your toll by Good To Go!™ Pass is quick and simple, and offers you the lowest toll rate. This method reads a Good To Go!™ Pass (transponder device) installed in your vehicle as you drive through the toll facility and automatically debits your toll from your toll account.

WAC 468-305-120 What is a photo toll? When a vehicle crosses a toll facility and does not pay electronically using a Good To Go!™ Pass (transponder) or with cash where accepted, an image of the vehicle's license plate will be captured and the toll will be charged. This is called a "photo toll." The photo toll may be paid:

(1) Automatically if you have a valid toll account linked to your license plate;
(2) By Customer-Initiated Payment; or
(3) In response to a Pay By Mail toll bill.

WAC 468-305-122 What is a Pay By Plate? A customer may pay the photo toll by establishing a Good To Go!™ toll account and registering the vehicle license plate(s). Each time an image of the license plate is captured it will be linked to your account and the photo toll will be debited from your account. This is called "Pay By Plate."

WAC 468-305-124 What is a Customer-Initiated Payment? When a vehicle is detected through the photo toll system, the customer may initiate payment prior to the issuance of a toll bill. The Customer-Initiated Payment may be made ten days in advance or up to three days after the photo toll is incurred. The customer must provide the vehicle license plate information in order to process the payment.

47.56.070, 47.56.403, 47.56.785, 47.56.795. 11-07-039, § 468-305-122, filed 3/14/11, effective 12/3/11 at 12:00 a.m. per WSR 11-24-042.

WAC 468-305-130 What is a Pay By Mail toll bill? If the photo toll is unpaid after three days, a toll bill may be sent to the registered owner of the vehicle. The toll bill may contain one or more photo toll transactions.

47.56.070, 47.56.403, 47.56.785, 47.56.795. 11-07-039, § 468-305-130, filed 3/14/11, effective 12/3/11 at 12:00 a.m. per WSR 11-24-042.

WAC 468-305-132 What information will be included in a Pay By Mail toll bill? Pay By Mail toll bills will include the following information:

(1) Registered owner's name and current known address;
(2) Details of the toll charges and fees assessed; and payments, if any;
(3) A request for payment within fifteen days of the toll bill invoice date;
(4) A warning of the potential consequences for not paying the toll bill and tolls;
(5) Information on how to dispute the toll bill;
(6) Contact information for the CSC, including the website address; and
(7) Information about establishing a toll account.

WAC 468-305-135 What happens if I don't pay my Pay By Mail toll bill? If you do not pay the toll bill by the payment request date, you will be sent a subsequent toll bill that will include a reprocessing fee and may include any additional photo toll transactions which may have occurred since the issuance of the previous toll bill.

If you fail to pay any toll listed on the toll bill within eighty days from the date of the toll transaction, you have committed a toll violation for which a notice of civil penalty may be issued.

WAC 468-305-140 How do I dispute a toll charge? A customer may dispute the toll charges to a toll account or in a toll bill by completing a Toll Dispute Form which is available online or at the customer service center. A toll may be dismissed or adjusted if the customer provides documentation that the vehicle was stolen or sold at the time of the transaction or that the toll bill contained an error in the vehicle identification, or vehicle registration information as to the proper registered owner of the vehicle.

A Good To Go!™ customer with an account in good standing at the time of the transaction but who failed to update their vehicle information may be entitled to an adjustment.

(a) The vehicle license plate images associated with the NOCP(s);
(b) The vehicle registration information from department of licensing;
(c) The Pay By Mail toll bill(s); and
(d) Any other documentary or oral evidence pertaining to the toll violation.
(2) Other evidence.

WAC 468-305-550 What is the burden of proof at the hearing or for the written dispute and waiver of hearing? The burden of proof is upon WSDOT to establish the toll violation occurred. Legible photographic evidence that the vehicle listed in the notice of civil penalty used the toll facility at the respective time, date and location, and was assessed a toll violation occurred. Legible photographic evidence that the vehicle constitutes prima facie evidence of the toll violation. It is not a defense to a toll violation and notice of civil penalty:
(1) That a person other than the registered owner was driving the vehicle when using the toll facility; or
(2) That the person did not know to pay a toll.

WAC 468-305-560 What is the final order? The decision provided by the administrative law judge (ALJ) in response to an administrative hearing or written dispute and waiver of hearing to contest an NOCP is a final order.

After consideration of the evidence and argument as presented in either the Written Dispute and Waiver of Hearing Form, or at the administrative hearing, the administrative law judge will determine whether the toll violation was committed. When the evidence does not support the toll violation, a final order will dismiss the notice of civil penalty. When it has been established that the violation was committed, a final order affirming the toll violation and civil penalty will be issued.

WAC 468-305-562 Can I appeal a final order? (1) Administrative hearing. The final order from an in-person administrative hearing may be appealed to the superior court.
(2) Written Dispute and Waiver of Hearing Form. No appeal is available from the final order issued in response to a Written Dispute and Waiver of Hearing Form.

WAC 468-305-570 When is payment due if I am found to have committed the toll violation? If you have been issued a final order finding the toll violation was committed your payment of the NOCP is due within ten days of issuance. If you do not pay the violation a hold will be placed on your vehicle registration and the unpaid penalty will be transferred to a collections agency to collect payment.

WAC 468-305-572 Will interest be charged if an NOCP is not paid? Simple interest will begin accruing after the NOCP due date. Interest is calculated at one percent simple interest per month thereafter.

WAC 468-305-580 How do I find out if I have a lien on my vehicle registration and how can I get it released? You can check with the department of licensing to find out if there is a hold on your vehicle registration renewal. To release the hold, you must pay your civil penalty to either WSDOT toll enforcement office or the collection agency as appropriate.

WAC 468-305-582 How do I pay amounts forwarded to a collection agency? Once an unpaid civil penalty has been forwarded to a collection agency, you must contact the collection agency and pay them directly the civil penalty and fees owed.
