WAC 480-123-030 Contents of petition for eligible telecommunications carriers. (1) Petitions for designation as an ETC must contain:

(a) A description of the area or areas for which designation is sought;
(b) A statement that the carrier will offer the services supported by federal universal service support mechanisms throughout the area for which it seeks designation, either using its own facilities or a combination of its own facilities and resale of another carrier's services (including the services offered by another ETC);
(c) A description of how it will provide each supported service;
(d) A substantive plan of the investments to be made with initial federal support during the first two years in which support is received and a substantive description of how those expenditures will benefit customers;
(e) A statement that the carrier will advertise the availability of services supported by federal universal service mechanisms, including advertisement of applicable telephone assistance programs, such as Lifeline, that is reasonably calculated to reach low-income consumers not receiving discounts;
(f) For wireless petitioners, a map in .shp format of proposed service areas (exchanges) with existing and planned locations of cell sites and shading to indicate where the carrier provides and plans to provide commercial mobile radio service signals;
(g) Information that demonstrates its ability to remain functional in emergency situations including a description of how it complies with WAC 480-120-411 or, for a wireless carrier, information that demonstrates it has at least four hours of back up battery power at each cell site, back up generators at each microwave hub, and at least five hours back up battery power and back up generators at each switch; and
(h) Information that demonstrates that it will comply with the applicable consumer protection and service quality standards of chapter 480-120 WAC or, for a wireless carrier, a commitment to comply with the Cellular Telecommunica-
...

WAC 480-123-040 Approval of petitions for eligible telecommunications carriers. The commission will approve a petition for designation as an ETC if the petition meets the requirements of WAC 480-123-030, the designation will advance some or all of the purposes of universal service found in 47 U.S.C. § 254, and the designation is in the public interest.

[Statutory Authority: RCW 80.01.040, 80.04.160, 80.36.600, and 80.36.610. 06-14-051 (Docket No. UT-053021, General Order No. R-534), § 480-123-040, filed 6/28/06, effective 7/29/06.]

WAC 480-123-050 Revocation of eligible telecommunications carrier designation. Subject to notice and an opportunity to be heard, the commission may decline to grant annual certification, and may revoke, suspend, or modify a designation granted previously if it determines that the ETC has failed to comply with the requirements of section 47 U.S.C. Sec. 214(e)(1) or any other conditions imposed by the commission.

[Statutory Authority: RCW 80.01.040, 80.04.160, 80.36.600, and 80.36.610. 06-14-051 (Docket No. UT-053021, General Order No. R-534), § 480-123-050, filed 6/28/06, effective 7/29/06.]

WAC 480-123-060 Annual certification of eligible telecommunications carriers. (1) Each ETC seeking certification of the ETC's use of federal high-cost funds pursuant to 47 C.F.R. §§ 54.307, 54.313, or 54.314 must request certification by July 31 each year. The ETC must certify that it will use federal high-cost universal service fund support only for the provision, maintenance, and upgrading of the facilities and services for which the support is intended. The certification must be submitted by a company officer in the manner required by RCW 9A.72.085.

(2) The commission will certify an ETC's use of federal high-cost universal service fund support pursuant to 47 C.F.R. §§ 54.307, 54.313, or 54.314 only if the ETC complies with the requirements in WAC 480-123-070, and the ETC demonstrates that it will use federal high-cost funds only for the provision, maintenance, and upgrading of facilities and services for which the support is intended through the requirements of WAC 480-123-080.

[Statutory Authority: RCW 80.01.040, 80.04.160, 80.36.600, and 80.36.610. 06-14-051 (Docket No. UT-053021, General Order No. R-534), § 480-123-060, filed 6/28/06, effective 7/29/06.]

WAC 480-123-070 Annual certifications and reports. Not later than July 31 of each year, every ETC that receives federal support from any category in the federal high-cost fund must certify or report as described in this section. The certifications and reports are for activity related to Washington state in the period January 1 through December 31 of the previous year. A company officer must submit the certifications in the manner required by RCW 9A.72.085.

(1) Report on use of federal funds and benefits to customers.

(a) For an ETC that receives support based only on factors other than the ETC's investment and expenses, the report must provide a substantive description of investments made and expenses paid with support from the federal high-cost fund.

(b) Every ETC must provide a substantive description of the benefits to consumers that resulted from the investments and expenses reported pursuant to (a) of this subsection.

(2) Local service outage report. ETCs not subject to WAC 480-120-412 and 480-120-439(5) are required to report local service outages pursuant to this subsection. The report must include detailed information on every local service outage thirty minutes or longer in duration experienced by the ETC. The report must include:

(a) The date and time of onset and duration of the outage;
(b) A brief description of the outage and its resolution;
(c) The particular services affected, including whether a public safety answering point (PSAP) was affected;
(d) The geographic areas affected by the outage;
(e) Steps taken to prevent a similar situation in the future; and
(f) The estimated number of customers affected.

(3) Report on failure to provide service. ETCs not subject to WAC 480-120-439 are required to report failures to provide service pursuant to this subsection. The report must include detailed information on the number of requests for service from applicants within its designated service areas that were unfulfilled for the reporting period. The ETC must also describe in detail how it attempted to provide service to those applicants.

(4) Report on complaints per one thousand handsets or lines. The report must provide separate totals for the number of complaints that the ETC's customers made to the Federal Communications Commission, or the consumer protection division of the office of the attorney general of Washington. The report must also generally describe the nature of the complaints and outcome of the carrier's efforts to resolve the complaints.

(5) Certification of compliance with applicable service quality standards. Certify that it met substantially the applicable service quality standard found in WAC 480-123-030 (1)(h).

(6) Certification of ability to function in emergency situations. Certify that it had the ability to function in emergency situations based on continued adherence to the standards found in WAC 480-123-030 (1)(g).

(7) Advertising certification, including advertisement on Indian reservations. Certify it has publicized the availability of its applicable telephone assistance programs, such as Lifeline, in a manner reasonably designed to reach those likely to qualify for service, including residents of federally recognized Indian reservations within the ETC's designated...
service area. Such publicity should include advertisements likely to reach those who are not current customers of the ETC within its designated service area.

[Statutory Authority: RCW 80.01.040, 80.04.160, 80.36.600, and 80.36.610. 06-14-051 (Docket No. UT-053021, General Order No. R-534), § 480-123-070, filed 6/28/06, effective 7/29/06.]

**WAC 480-123-080 Annual plan for universal service support expenditures.** (1) Not later than July 31 of each year, every ETC that receives federal support from any category in the federal high-cost fund must report on:

(a) The planned use of federal support related to Washington state that will be received during the period October 1 of the current year through the following September; or

(b) The planned investment and expenses related to Washington state which the ETC expects to use as the basis to request federal support from any category in the federal high-cost fund.

(2) The report must include a substantive plan of the investments and expenditures to be made with federal support and a substantive description of how those investments and expenditures will benefit customers.

(3) As part of the filing required by this section to be submitted in 2007, and at least once every three years thereafter, a wireless ETC must submit a map in .shp format that shows the general location where it provides commercial mobile radio service signals.

[Statutory Authority: RCW 80.01.040, 80.04.160, 80.36.600, and 80.36.610. 06-14-051 (Docket No. UT-053021, General Order No. R-534), § 480-123-080, filed 6/28/06, effective 7/29/06.]
