will provide the "fullest assistance" to requestors; create and maintain for use by the public and Seattle College District VI officials an index to public records of the Seattle College District VI; ensure that public records are protected from damage or disorganization; and prevent fulfilling public records requests from causing excessive interference with essential functions of the Seattle College District VI.

[Statutory Authority: RCW 28B.50.140(13) and 42.56.040. WSR 15-02-072, § 132F-168-010, filed 1/6/15, effective 2/6/15; WSR 14-07-091, § 132F-168-010, filed 3/18/14, effective 4/18/14; Order 16, § 132F-168-010, filed 10/4/73.]

WAC 132F-168-020 Purpose. (1) RCW 42.56.070(1) requires each agency to make available for inspection and copying nonexempt "public records" in accordance with published rules. The act defines "public record" to include any "writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained" by the agency. RCW 42.56.070(2) requires each agency to set forth "for informational purposes" every law, in addition to the Public Records Act, that exempts or prohibits the disclosure of public records held by that agency.

(2) The purpose of these rules is to establish the procedures Seattle College District VI will follow in order to provide full access to public records. These rules provide information to persons wishing to request access to public records of the Seattle College District VI and establish processes for both requestors and Seattle College District VI staff that are designed to best assist members of the public in obtaining such access.

(3) The purpose of the act is to provide the public full access to information concerning the conduct of government, mindful of individuals' privacy rights and the desirability of the efficient administration of government. The act and these rules will be interpreted in favor of disclosure. In carrying out its responsibilities under the act, the Seattle College District VI will be guided by the provisions of the act describing its purposes and interpretation.

WAC 132F-168-030 Request for document inspection. (1) Hours for inspection of records. Public records are available for inspection and copying during normal business hours of the Seattle Colleges, Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding legal holidays. Records must be inspected at either the district office or at a field office when those records are stored or maintained at that location. To make arrangements to inspect records at a Seattle College District field office, contact the public records officer to schedule the inspection.

(1/6/15)
(2) Records index. An index of public records is available for use by members of the public, including nonexempt final orders, declaratory orders, interpretive statements, and policy statements, as defined by RCW 42.56.070(5), issued after June 30, 1990, by the board of trustees of the district, the presidents of the colleges, or their designees.

Form. The index shall reference final orders, declaratory orders, interpretive statements, or policy statements by one or more of the following classifications: Date of implementation, organizational unit, or subject matter.

Requests for access to indexes. Information regarding public inspection of indexes, their location, and a schedule for revising and updating these indexes can be obtained by contacting the public records officer.

(3) Organization of records. The Seattle College District VI will maintain its records in a reasonably organized manner. Seattle College District VI will take reasonable actions to protect records from damage and disorganization. A requestor shall not take Seattle College District VI records from Seattle College District VI offices without the permission of the public records officer or designee. A variety of records are available on the Seattle College District VI web site at www.seattlecolleges.edu. Requestors are encouraged to view the documents available on the web site prior to submitting a records request.

(4) Making a request for public records.

(a) Any person wishing to inspect or copy public records of the Seattle College District VI should make the request in writing on the Seattle College District VI request form, or by letter, fax, or e-mail addressed to the public records officer (SCCDPublicRecordsRequest@seattlecolleges.edu) and including the following information:

• Name of requestor;
• Address of requestor;
• Other contact information, including telephone number and any e-mail address;
• Identification of the public records adequate for the public records officer or designee to locate the records; and
• The date and time of day of the request.

(b) If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should so indicate and make arrangements to pay for copies of the records or a deposit. Pursuant to WAC 132F-168-060, standard photocopies will be provided at fifteen cents per page.

(c) The public records officer or designee may accept requests for public records that contain the above information by telephone or in person. If the public records officer or designee accepts such a request, he or she will confirm receipt of the information and the substance of the request in writing.

(5) Consideration of petition for review. The public records officer shall promptly provide the petition and any other relevant information to the appropriate vice-chancellor. That person will immediately consider the petition and either affirm or reverse the denial within two business days following the Seattle College District VI’s receipt of the petition, or within such other time as mutually agreed upon by the Seattle College District VI and the requestor.

(6) Review by the attorney general’s office. Pursuant to RCW 42.56.530, if the Seattle College District VI denies a requestor access to public records because it claims the record is exempt in whole or in part from disclosure, the requestor may request the attorney general’s office to review the matter. The attorney general has adopted rules on such requests in WAC 44-06-160.

WAC 132F-168-050 Exemptions. The Public Records Act provides that a number of types of documents are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Requestors should be aware of the following exemptions, outside the Public Records Act, that restrict the availability of some documents held by Seattle College District VI for inspection and copying:

(1) The Family Educational Rights and Privacy Act, 20 U.S.C. Sec. 1232g; the Uniform Trade Secrets Act, chapter 19.108 RCW; attorney-client privileged communications, RCW 5.60.060(2).

(2) Examination of individual files of Seattle College District students shall be in accordance with the provisions of district policy and procedure 380, student records.

(3) The Seattle College District VI is prohibited by statute from disclosing lists of individuals for commercial purposes.

(4) Pursuant to RCW 42.56.540, the Seattle College District VI reserves the right to seek to enjoin the examination of any specific record, the examination of which the district determines would clearly not be in the public interest and would substantially and irreparably damage any person or would substantially and irreparably damage vital governmental functions.

WAC 132F-168-060 Copying. (1) Costs for paper copies. There is no fee for inspecting public records. A requestor may obtain photocopies for fifteen cents per page. The district reserves the right to use outside vendors for large projects when an outside vendor can provide copies quicker.
or for less cost. The requestor will be required to pay the cost charged by the vendor.

Before beginning to make the copies, the public records officer or designee may require a deposit of up to ten percent of the estimated costs of copying all the records selected by the requestor. The public records officer or designee may also require the payment of the remainder of the copying costs before providing all the records, or the payment of the costs of copying an installment before providing that installment. The Seattle College District VI will not charge sales tax when it makes copies of public records.

(2) Costs for electronic records. The cost of scanning existing Seattle College District VI paper or other nonelectronic records is four cents per page. There will be no charge for e-mailing electronic records to a requestor, unless another cost applies such as a scanning fee. A statement of the factors and the manner used to determine this charge is available from the public records officer.

If the requestor asks that the electronic records be provided on CD or DVD, the requestor will be charged the cost of the CD or DVD. If the electronic records are too large to be e-mailed through the Seattle College District e-mail system, they will be provided on CD or DVD, and the requestor will be charged accordingly.

(3) Costs of mailing. The Seattle College District VI may also charge actual costs of mailing, including the cost of the shipping container.

(4) Payment. Payment may be made by cash, check, or money order to the Seattle College District VI.
