STUDENT RIGHTS AND RESPONSIBILITIES

WAC 132P-33-010 Preamble. Yakima Valley Community College (YVCC) is dedicated not only to learning and the advancement of knowledge but also to the development of civic minded citizens. Sharing goals held in common, the students, faculty, and staff of YVCC are joined in voluntary association in an educational community.

Admission to the college carries with it the expectation that students will conduct themselves as responsible members of the college community, that they will comply with the rules and regulations of the college, maintain high standards of integrity and honesty, respect the rights, privileges and property of other members of the college community and will not interfere with legitimate college affairs.

5. **Disclosure of student records.**
   - The Family Educational Rights and Privacy Act (FERPA) permits a student's education records to be disclosed without consent to persons who meet the strict definition of an "education official" who has a "legitimate educational interest" in their records.
     - (1) **Education official.** Education official is defined as a person employed by the college in either an administrative, supervisory, academic, research, law enforcement or support staff position; persons serving on official committees such as disciplinary or grievance; an outside contractor (e.g., health or medical professional, attorney, auditor) acting as an agent for the college or the Washington state college and university systems.
     - The college may designate a student employee of the college as an education official, with the approval of the vice-president for instruction and student services or designee, according to the following procedure:
       - (a) Supervisor establishes job description identifying specific tasks to be performed by the student employee that require access to personally identifiable confidential information about students, including enrollment records, grades, or other education records;

       - (c) Providing a service or benefit related to a currently enrolled student or a past student for which the college is still maintaining an educational record;

[Ch. 132P-33 WAC p. 4] (10/15/14)
(3) **Education records.** Education records are records, files, and documents containing information directly related to a student or maintained by an educational institution; such as:

(a) Records pertaining to admission, advising, registration, grades and degree information that are maintained by the college;

(c) Information maintained by the college concerning payment of fees;

(d) Financial aid information as maintained by the college;

(e) Information regarding students participating in student government or athletics maintained by the college.

The following student records are not considered education records and are not subject to FERPA protection against unauthorized disclosure:

(i) Employment records when the employment is not connected to student status;

(ii) Sole possession records or private notes held by education officials that are not accessible or released to other personnel; other than a temporary substitute;

(6) **Disclosure exceptions.** In addition to directory information the college will, at its discretion, make disclosures from education records without the student's prior written consent to the following listed parties:

(a) Education officials with a legitimate educational interest;

(b) To officials of another school in which the student seeks or intends to enroll;

(c) To authorized federal, state, or local officials as required by law;

(ii) Financial aid eligibility;

(iii) Reason for an account hold (not to include titles of library materials);

Statements made by college personnel regarding students that are based on that person's personal observations do not require a written release from the student. However, if college personnel provide in either verbal or written form personally identifiable information about a student that is obtained from education records (grades, GPA, etc.,) the person is required to obtain prior written permission from the student. In cases where consent of the student is required for release of education records, the student shall submit a written, signed and dated statement specifying the records to be disclosed, the purpose of the disclosure, and the name of the party to whom the disclosure can be made.

When personally identifiable information is released without prior consent of the student, other than directory information and information released to education officials or
Students have the right to inspect and review their records by submitting a written request to the enrollment services office stating the record he or she wishes to review. Charges may be assessed for reproduced copies of education records.

(b) Students have the right to seek to amend their education records. Students who believe that information contained in their education record is inaccurate, misleading, or in violation of privacy rights, may submit a written request to amend their records to the appropriate education official. The education official(s) will make every effort to settle disputes through informal meetings and discussion with the student. In instances where disputes regarding contents of education records cannot be resolved by the parties concerned, the education official(s) involved shall advise the student of the right to a hearing by the student submitting a written request, appealing the decision of the education official(s), to the registrar or dean of student services or designee. Should the registrar or dean of student services or designee deem that the education records in question are inaccurate or misleading, he or she can ask that the records be amended by the appropriate education official(s). If the education records are held to be accurate, the student shall be granted the opportunity to place within those records a personal statement commenting upon the information contained within.

(c) The student has the right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent.

(d) Each eligible student is afforded the right to file a complaint concerning alleged failures by the college to comply with the requirements of the act. (e) Copies of this policy are available through the associated student body and the enrollment services office.

WAC 132P-33-110 Student publications. They are a means of bringing student concerns to the attention of the faculty and institutional authorities and of formulating opinion on various issues on the campus and in the college community at large. They may also serve as a means of journalistic and/or creative expression.

Student editors and managers of approved student publications are protected from arbitrary suspension and removal. Only for proper and stated causes, as outlined in the statement of purpose or philosophy adopted for each student publication, should editors and managers be subject to removal and then be orderly and prescribed procedures.

The dissemination or distribution of materials by persons on the public streets, walks and ways of the campus or off-campus college facility, shall be subject to the laws of the particular city, state of Washington, and the United States.

Permission for the dissemination or distribution of materials in other areas of the college campus, buildings and facilities shall be obtained from the student life coordinator. Persons distributing materials without permission shall be subject to the provisions of the Code of student rights and responsibilities.

WAC 132P-33-140 Commercial and promotional activities. The college may restrict the distribution of any publications where such distribution unreasonably interferes with college operations. Such materials may be distributed from authorized public areas consistent with the maintenance of college property, with the free flow of traffic and persons, and not in the manner that, in itself, limits the orderly operation of college affairs. Any student desiring to distribute such publications shall first register with the office of student life so that reasonable areas and times can be assured and prevent undue interference with the activities of the institution. All publications shall bear identification as to the publishing agency and distributing organization or individual.

In such cases, these procedures shall supplement the student disciplinary procedures in WAC 132P-33-200 through 132P-33-310. WAC 132P-33-420 Supplemental complaint process. The following supplemental procedures shall apply with respect to complaints or other reports of alleged sexual misconduct by a student.

(1) The human resources director or designee, the college's Title IX compliance officer, shall investigate complaints or other reports of alleged sexual misconduct by a student. Investigations will be completed in a timely manner and the results of the investigation shall be referred to the dean of student services or designee for disciplinary action.

(2) Informal dispute resolution shall not be used to resolve sexual misconduct complaints without written permission from both the complainant and the respondent. If the parties elect to mediate a dispute, either party shall be free to discontinue mediation at any time. In no event shall mediation be used to resolve complaints involving allegations of sexual violence.

(3) College personnel will honor requests to keep sexual misconduct complaints confidential to the extent this can be done without unreasonably risking the health, safety and welfare of the complainant or other members of the college community or compromising the college's duty to investigate and process sexual harassment and sexual violence complaints.

(4) The dean of student services or designee, prior to initiating disciplinary action, will make a reasonable effort to contact the complainant to discuss the results of the investigation and possible disciplinary sanctions and/or conditions imposed upon the respondent for the complainant's protection, including disciplinary suspension or dismissal of the respondent. The notice will also inform the complainant of his or her appeal rights. If protective sanctions and/or conditions are imposed, the dean of student services or designee shall make a reasonable effort to contact the complainant to ensure that prompt notice of the protective disciplinary sanctions and/or conditions imposed upon the respondent for the complainant's protection is given.

(a) The dismissal of a sexual misconduct complaint; or

(b) Any disciplinary sanction(s) and conditions imposed against a respondent for a sexual misconduct violation, including a disciplinary warning.

(2) A complainant may appeal a disciplinary decision by filing a notice of appeal with the vice-president of instruction and student services or designee within twenty-one days of service of the notice of the discipline decision provided for in WAC 132P-33-230. The notice of appeal may include a written statement setting forth the grounds of appeal. Failure to file a timely notice of appeal constitutes a waiver of this right and the disciplinary decision shall be deemed final.

(3) If the respondent timely appeals a decision imposing discipline for a sexual misconduct violation, the college shall notify the complainant of the appeal and provide the complainant an opportunity to intervene as a party to the appeal.

(4) Except as otherwise specified in this supplemental procedure, a complainant who timely appeals a disciplinary decision or who intervenes as a party to respondent's appeal of a disciplinary decision shall be afforded the same procedural rights as are offered the respondent.

(5) An appeal by a complainant from the following disciplinary actions involving allegations of sexual misconduct against a student shall be handled as a brief adjudicative proceeding:

(a) Exoneration and dismissal of the proceedings;

(b) A disciplinary warning;

If the student subject to a deferred disciplinary sanction is found in violation of any college rule during the time of disciplinary probation, the deferred disciplinary sanction which may include, but is not limited to, a suspension or a dismissal from the college, shall take effect immediately without further review. (2) The dean of student services or designee shall initiate disciplinary action by serving the respondent with written notice directing him or her to attend a disciplinary meeting. The notice shall briefly describe the factual allegations, the provision(s) of the conduct code the respondent is alleged to have violated, the range of possible sanctions for the alleged violation(s), and specify the time and location of the meeting. At the meeting, the dean of student services or designee will present the allegations to the respondent and the respondent shall be afforded an opportunity to explain what took place. If the respondent fails to attend the meeting the dean of student services or designee may take disciplinary action based upon the available information.

(3) Within ten days of the initial disciplinary meeting, and after considering the evidence in the case, including any facts or argument presented by the respondent, the dean of student services or designee shall serve the respondent with a written decision setting forth the facts and conclusions supporting his or her decision, the specific student conduct code provisions found to have been violated, the discipline imposed, if any, and a notice of any appeal rights with an explanation of the consequences of failing to file a timely appeal.

(4) The dean of student services or designee may take any of the following disciplinary actions:

(a) Exonerate the respondent and terminate the proceedings.

(b) Impose a disciplinary sanction(s), as described in WAC 132P-33-200.

(c) Refer the matter directly to the student conduct committee.

In the event of an urgent safety concern, the person reporting the behavior is advised to first contact campus security or 911 local emergency services. If the conduct may be criminal, the student or employee reporting the incident may also report the conduct to law enforcement.

(ii) Notice requirements. The dean of students or designee shall initiate timely notification of the student accused of a violation of the student conduct code. The human resources director or designee shall initiate timely notification of allegations of sexual misconduct (WAC 132P-33-150). The notice shall not be ineffective if presented later due to the student's absence. Such notice shall:

(A) Inform the student that a report has been filed alleging that the student violated specific provisions of the code and the date of the violation;

(ii) Dismiss the case after whatever counseling and advice may be appropriate;

(iii) Provide a warning, verbally cautioning the student that the reported behavior constitutes violation of college rules or regulations or has otherwise failed to meet the college's standards of conduct and that further conduct of the type reported may lead to more serious disciplinary actions in the future;

(iv) In the case of a sexual misconduct allegation, that the complainant may also appeal any disciplinary sanction by requesting a formal hearing;

(v) Impose disciplinary sanctions as listed in WAC 132P-33-200 subject to the student's right of appeal described below; or

(vi) Refer the matter to the student conduct committee for a recommendation to the vice-president for instruction and student services or designee as to appropriate action.

(c) Disciplinary action taken by or at the recommendation of the dean of student services or designee is final twenty-one days after notice is sent unless the student exercises the right of appeal as provided for in these rules.

(d) This process does not preclude and may occur concurrently with a Title IX sexual harassment investigation (WAC 132P-33-150). In cases of sexual misconduct, both the complainant and the accused may appeal disciplinary sanctions.

[Statutory Authority: RCW 28B.50.140. WSR 14-21-099, § 132P-33-460, filed 10/15/14, effective 1/5/15.]

The respondent may appeal a disciplinary action by filing a written notice of appeal with the vice-president of instruction and student services within twenty-one days of service of the dean of student services or designee decision. (1) The notice of appeal must include a brief statement explaining why the respondent is seeking review.
(2) The parties to an appeal shall be the respondent and the dean of student services or designee.

(3) A respondent, who timely appeals a disciplinary action or whose case is referred to the student conduct committee, has a right to a prompt, fair, and impartial hearing as provided for in these procedures.

(4) On appeal, the college bears the burden of establishing the evidentiary facts underlying the imposition of a disciplinary sanction by a preponderance of the evidence.

(5) Imposition of disciplinary action for violation of the student conduct code shall be stayed pending appeal, unless respondent has been summarily suspended.

(6) The student conduct committee shall hear appeals from:

(a) The imposition of disciplinary suspensions in excess of ten instructional days;

(b) Dismissals; and

(c) Discipline cases referred to the committee by the vice-president for instruction and student services, the dean of student services, or the president.

(7) Student conduct appeals from the imposition of the following disciplinary sanctions shall be reviewed through a brief adjudicative proceeding:

(a) Suspensions of ten instructional days or less;

(b) Disciplinary probation;

(c) Written reprimands; and

(d) Any conditions or terms imposed in conjunction with one of the foregoing disciplinary actions.

(8) Except as provided elsewhere in these rules, disciplinary warnings and dismissals of disciplinary actions are final action and are not subject to appeal.

WAC 132P-33-490 Appeal student conduct committee. (1) Proceedings of the student conduct committee shall be governed by the Administrative Procedure Act, chapter 34.05 RCW, and by the Model rules of procedure, chapter 10-08 WAC. To the extent there is a conflict between these rules and chapter 10-08 WAC, these rules shall control.

(2) The dean of student services or designee shall serve all parties with written notice of the hearing not less than seven days in advance of the hearing date, as further specified in RCW 34.05.434 and WAC 10-08-040 and 10-08-045. The dean of student services or designee may shorten this notice period if both parties agree, and also may continue the hearing to a later time for good cause shown. If the dean of student services or designee imposed the appealed sanction the vice-president of instruction and student services will designate another administrator to facilitate the process.

(3) The committee chair is authorized to conduct prehearing conferences and/or to make prehearing decisions concerning the extent and form of any discovery, issuance of protective decisions, and similar procedural matters.

(4) Upon request filed at least five days before the hearing by any party or at the direction of the committee chair or dean of student services or designee, the parties shall exchange, no later than the third day prior to the hearing, lists of potential witnesses and copies of potential exhibits that they reasonably expect to present to the committee. Failure to participate in good faith in such a requested exchange may be cause for exclusion from the hearing of any witness or exhibit not disclosed, absent a showing of good cause for such failure.

(5) The committee chair may provide to the committee members in advance of the hearing copies of:

(a) The notification of imposition of discipline (or referral to the committee); and

(b) The notice of appeal (or any response to referral) by the respondent. If doing so, however, the chair or dean of student services or designee should remind the members that these "pleadings" are not evidence of any facts they may allege.

(6) The parties may agree before the hearing to designate specific exhibits as admissible without objection and, if they do so, whether the committee chair may provide copies of these admissible exhibits to the committee members before the hearing.

(7) The dean of student services or designee, upon request, shall provide reasonable assistance to the respondent in obtaining relevant and admissible evidence that is within the college's control.

(8) Communications between committee members and other hearing participants regarding any issue in the proceeding, other than procedural communications that are necessary to maintain an orderly process, are generally prohibited without notice and opportunity for all parties to participate, and any improper "ex parte" communication shall be placed on the record, as further provided in RCW 34.05.455.

(9) Each party may be accompanied at the hearing by a nonattorney assistant of his/her choice. A respondent may elect to be represented by an attorney at his or her own cost,
but will be deemed to have waived that right unless, at least four business days before the hearing, written notice of the attorney's identity and participation is filed with the committee chair with a copy to the student dean of student services or designee. The committee will ordinarily be advised by an assistant attorney general. If the respondent is represented by an attorney, the dean of student services or designee may also be represented by a second, appropriately screened assistant attorney general.

[Statutory Authority: RCW 28B.50.140. WSR 14-21-099, § 132P-33-490, filed 10/15/14, effective 1/5/15.]

   (b) Serve a decision of default in accordance with RCW 34.05.440.

(2) The hearing will ordinarily be closed to the public. However, if all parties agree on the record that some or all of the proceedings be open, the chair shall determine any extent to which the hearing will be open. If any person disrupts the proceedings, the chair may exclude that person from the hearing room.

(3) The chair or dean of student services or designee shall cause the hearing to be recorded by a method that he/she selects, in accordance with RCW 34.05.449. That recording, or a copy, shall be made available to any party upon request. The chair or dean of student services or designee shall assure maintenance of the record of the proceeding that is required by RCW 34.05.476, which shall also be available upon request for inspection and copying by any party. Other recording shall also be permitted, in accordance with WAC 10-08-190.

(2) Within twenty days following the later of the conclusion of the hearing or the committee's receipt of closing arguments, the committee shall issue an initial recommendation to the vice-president for instruction and student services or designee in accordance with RCW 34.05.461 and WAC 10-08-210. The initial decision shall include findings on all material issues of fact and conclusions on all material issues of law, including which, if any, provisions of the student conduct code were violated. Any findings based substantially on the credibility of evidence or the demeanor of witnesses shall be identified.

(3) The vice-president for instruction and student services or designee's initial order shall also include a determination on appropriate discipline, if any. If the matter was referred to the committee by the dean of student services or designee, the committee shall identify and impose disciplinary sanction(s) or conditions, if any, as authorized in the student conduct code. If the matter is an appeal by the respondent, the committee may affirm, reverse, or modify the disciplinary sanction and/or conditions imposed by the dean of student services or designee and/or impose additional disciplinary sanction(s) or conditions as authorized herein.

(4) The vice-president for instruction and student services or designee shall cause copies of the initial decision to be served on the parties and their legal counsel or record. The committee chair shall also promptly transmit a copy of the decision and the record of the committee's proceedings to the president.

Failure to file a timely appeal constitutes a waiver of the right and the initial decision shall be deemed final.

(2) The notice of appeal must identify the specific procedural concerns that are challenged and must contain argument why the appeal should be granted.

(3) The president shall provide a written decision to all parties within forty-five days after receipt of the notice of appeal. The president's decision shall be final and shall include a notice of any rights to request reconsideration and/or judicial review.

(4) The president may at his or her discretion, suspend any disciplinary action pending review of the merits of the findings, conclusions, and disciplinary actions imposed.
