WAC 133-40-010 Purpose. (1) Pursuant to chapter 43.160 RCW, the community economic revitalization board may, in its discretion, make direct loans to political subdivisions of the state of Washington for the purposes of assisting the political subdivisions in financing the cost of public facilities, when such facilities will serve to improve opportunities for the successful maintenance, establishment, or expansion of industrial facilities or will otherwise assist in the creation or retention of long-term economic opportunities, or assist in alleviating unemployment. The board may also make grants for such purposes, when every feasible effort has been made by the board to provide loans and loans are not possible, and when the board finds that unique circumstances exist which require making a grant.

(2) The purpose of this chapter is to prescribe the form and manner in which political subdivisions may make application to the board for financial assistance, and to provide for the consideration and disposition of such applications.

WAC 133-40-020 Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(3) "Public facility costs" means any direct or indirect cost incurred or to be incurred by a political subdivision in financing any public facility, including the cost of acquisition, construction, rehabilitation, alteration, expansion, or improvement of the facilities.

(b) Complete description of the public facility for which financing assistance is sought.

(c) A full and detailed assessment of how the facility or project will improve the opportunities for the successful maintenance, establishment, or expansion of industrial facilities or will otherwise assist in the creation or retention of long-term economic opportunities, or assist in alleviating unemployment.

(d) Specific amount and description of the public facility costs for which the loan and/or grant application is being made.

WAC 133-40-040 Board deliberations. (1) The board will consider and approve, in whole or in part, or disapprove, all applications for loans or grants at such regular or special meetings of the board as it may determine, and the applicant will be notified accordingly. The board is directed to prioritize each proposed project according to relative benefit (RCW 43.160.060(3)). As long as there is more demand for loans or grants than funds available, projects are funded according to priority established in board policy. A responsible official of the applicant political subdivision shall be present during all board deliberations on the application, and shall provide all information regarding the public facility or
application for financial assistance which the board may request.

(2) Applicants will be formally notified in writing regarding any board decision on whether or not to authorize a public facility loan or grant.
