**WAC 434-219-155 Ballot materials.** (1) Each county shall print declarations on the return envelopes in the same format and color as prescribed by the secretary of state which must include:

(a) The standard declaration per WAC 434-230-015 printed on the return envelope along with each political party declaration.

(b) Each political party declaration printed with a checkbox for voters to indicate the party declaration to which they subscribe.

(c) One signature line to serve as both the voter's standard ballot declaration and the signature for the voter's political party declaration.

(2) In addition to ballot requirements listed in WAC 434-230-015:

(a) County auditors must issue consolidated ballots that include the political party ballots printed on one side of a single sheet of paper.

(b) Each ballot must specify the election as "Presidential Primary."

(c) A political party checkbox must not be printed on the ballot.

(d) A "Democratic Party" heading within or under a blue shaded bar and a "Republican Party" heading within or under a red shaded bar printed immediately above the associated list of candidates. Other major political parties included in the primary must have similar headings and color.

(e) The ballot lists of candidates for president for each political party shall be printed in the following order:

The major political party that received the highest number of votes from the electors of this state for the office of president of the United States at the last presidential election must appear first. Other major political parties must follow according to the votes cast for their nominees for president at the last presidential election.

(3) In addition to other instructions normally provided to voters, the county auditor shall include an insert. The insert must provide specific instructions on how to mark the ballot so the ballot will be counted in accordance with the political party declaration signed on the return envelope in substantially the same format as provided by the secretary of state.

(4) Provisional, service, overseas, special absentee and electronically delivered ballots must include political party declarations. If the political party declarations are not printed on the return envelopes, both the ballot and political party declaration must be printed on a separate sheet of paper. The voter must be instructed to sign and place the declaration sheet into the ballot return envelope, outside the security envelope. Signatures on both the ballot declaration and the political party declaration are required to count a ballot.

**WAC 434-219-200 Direct recording electronic voting devices (DRE).** Ballots cast on direct recording electronic voting devices must be verified as matching the signed political party declaration.

(1) The voter must sign a standard ballot declaration form and select one political party ballot declaration.

(2) If using DREs, the county auditor must use a method that verifies the voter only casts votes according to the political party declaration marked. DREs may be programmed as

separate ballots. For consolidated ballots, the county auditor must use one of the following methods:

(a) Provide a separate DRE designated for each political party.

(i) Verify the corresponding party ballots were cast on each device.

(ii) If all ballots cast are of the corresponding political party, all ballots shall be tabulated.

(iii) If any ballots were cast of the opposite political party, those ballots shall be referred to the canvassing board for rejection. All remaining ballots of the corresponding political party shall be duplicated and tabulated; or

(b) Provide a single DRE programmed with all political party ballots.

(i) Keep signed political party declarations in order of voting.

(ii) Compare the party declaration to the corresponding party vote on the ballot. If all ballots cast are of the corresponding political party, ballots shall be tabulated.

(iii) If any ballot fails to correspond with the declared party:

(A) Separate each ballot record and place each in a security envelope.

(B) Place the associated political party declaration with the security envelope into an outer mailing envelope.

(C) Process the ballots in the same manner as electronically returned ballots;

(c) Any other method approved by the secretary of state.

(3) The number of DRE votes must be reconciled with the number of signed declarations.

[Statutory Authority: RCW 29A.04.611, WSR 15-24-001, § 434-219-200, filed 11/18/15, effective 12/19/15.]

**WAC 434-219-230 Processing of ballots.** (1) If the voter selected a political party declaration, a notation of the party selected must be made in the voter's registration file.

(2) If the voter fails to submit a marked and signed political party declaration on the return ballot envelope, the auditor shall send at least one notice by either mail or e-mail and advise the voter of the correct procedures for completing the declaration. If a voter submits a marked and signed political party declaration by the day before the primary is certified, the voter's ballot may be counted if all other requirements are met.

Exception: A political party selection on a federal write-in absentee ballot form substitutes for the political party declaration.

(3) The ballot must be sorted according to major party declaration choice before it is removed from the return envelope. Once the ballot is removed from the return envelope and secrecy envelope, it must be inspected and processed consistent with the party declaration.

**WAC 434-219-235 Statewide standards on what is a vote—Presidential primary.** The following standards determine the validity of political party declarations on a presidential primary return envelope and ballot. All standards listed in WAC 434-261-086 apply to ballots.

(1) The first returned marked and signed political party declaration is the determining factor; only a vote on the ballot within the party the voter selected shall be counted. Ballots must be rejected by the county canvassing board for the following reasons:

(a) Political party declarations.

(i) The voter selects both political party declarations.

(ii) The voter fails to provide a marked and signed political party declaration by the day before certification of the primary.

(b) Ballots.

(i) The voter votes for a candidate on the ballot not matching the political party declaration.

(ii) The voter votes for candidates in more than one party.

(2) When the voter modifies a party name or wording of a selected political party declaration, the party checkbox is considered unmarked and the voter must be contacted per WAC 434-219-230. Such alterations may include:

(a) Modification of a party name or wording of a selected political party declaration.

(b) A strike through a party name or wording of a selected party declaration without also making another choice.

(3) When a voter makes a correction to a political party selection, the canvassing board shall consider the voter's intent.

(a) If the voter strikes through a party name or wording of a party declaration, it is considered a correction only when the voter clearly selects another party declaration. Corrections may be resolved in the same manner as marks made on a ballot according to WAC 434-261-086 (1)(c), (d), and (e).

(b) If the voter does not mark inside a party checkbox, a mark or written instruction made outside the party checkbox may still indicate a choice when one declaration is clearly selected. Voter intent issues for marks made outside the party checkbox may be resolved in the same manner as marks made on a ballot according to WAC 434-261-086 (1)(b) and (e).

Exception: One mark that strikes through a party name or wording of the party declaration does not indicate a selection.
