WAC 72-276-050 Public records available. (1) Hours for inspection of records. Public records are available for inspection and copying during normal business hours of the school, Monday through Friday, 8:00 a.m. to noon and 1:00 p.m. to 5:00 p.m., excluding legal holidays and holidays established by the school calendar. Records must be inspected at the offices of the school.

(2) Records index. An index of public records is available for use by members of the public consisting of the records retention schedule according to record series title, manuals and policy statements by one or more of the following classifications: Administration, statewide (outreach) services, academic and residential life.

(3) Organization of records. The school will maintain its records in a reasonably organized manner. The school will take reasonable actions to protect records from damage and disorganization. A requester shall not take records from school offices without the permission of the public records officer or designee.

(4) Making a request for public records. (a) Any person wishing to inspect or copy public records of the school should make the request in writing on the school’s public records request form, or by letter, fax, or
email addressed to the public records officer and including the following information:

- Name of requestor;
- Address of requestor;
- Other contact information, including telephone number and any email address;
- Identification of the public records adequate for the public records officer or designee to locate the records;
- The date and time of day of the request; and
- A verification that the records requested shall not be used for commercial purposes.

(b) If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should indicate and make arrangements to pay for copies of the records or a deposit. Pursuant to WAC 72-276-090, standard photocopies will be provided at fifteen cents per page.

(c) A form is available for use by requestors at the office of the public records officer or online at the school's web site.

(d) The public records officer or designee may accept requests for public records that contain the above information by telephone or in person. If the public records officer or designee accepts such a request, he or she will confirm receipt of the information and the substance of the request in writing.

WAC 72-276-055 Processing of public records requests. (1) Order of processing public records requests. The public records officer or designee will process requests in the order that allows the most requests to be processed in the most efficient manner.

(2) Acknowledging receipt of request. Within five business days of receipt of the request, the public records officer will do one or more of the following:

(a) Make the records available for inspection or copying;
(b) If copies are requested and payment of a deposit for the copies, if any, is made or terms of payment are agreed upon, send the copies to the requestor;
(c) Provide a reasonable estimate of when records will be available;
(d) If the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. Such clarification may be requested and provided by telephone. The public records officer or designee may revise the estimate of when records will be available; or
(e) Deny the request.

(3) If no response is received. If the school does not respond in writing within five business days of receipt of the request for disclosure, the requestor should consider contacting the public records officer or designee to ensure that the school received the request.

(4) Protecting rights of others. In the event that the requested records contain information that may affect rights of others and may be exempt from disclosure, the public records officer may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for the affected persons to seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(5) Records exempt from disclosure. Some requests are exempt from disclosure, in whole or in part. If the school believes that a record is exempt from disclosure and should be withheld, the public records officer will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(6) Inspection of records.

(a) Consistent with other demands, the school shall promptly provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor shall indicate which documents he or she wishes the school to copy.

(b) The requestor must claim or review the assembled records within thirty days of the school's notification to him or her that the records are available for inspection or copying. The school will notify the requestor in writing of this requirement and inform the requestor that he or she should contact the school to make arrangements to claim or review the records. If the requestor or a representative of the requestor fails to claim or review the records within the thirty-day period or make other arrangements, the school may close the request and refile the assembled records. Other public records requests can be processed ahead of a subsequent request by the same person for the same or almost identical records, which can be processed as a new request.

(7) Providing copies of records. After inspection is complete, the public records officer or designee shall make the requested copies or arrange for copying.

(8) Electronic records. The process for requesting electronic public records is the same as for requesting paper public records. When a person requests records in an electronic format, the public records officer will provide the nonexempt records or portions of such records that are reasonably locatable in an electronic format that is used by the school and is generally commercially available, or in a format that is reasonably translatable from the format in which the school keeps the record.

(9) Providing records in installments. When the request is for a large number of records, the public records officer or designee will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within thirty days, the requestor fails to inspect the entire set of records or one or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

(10) Completion of inspection. When the inspection of the requested records is complete and all requested copies are provided, the public records officer or designee will indicate that the school has completed a diligent search for the requested records and made any located nonexempt records available for inspection. Then the public records officer will close the request.

[Ch. 72-276 WAC p. 2] (6/13/16)
(11) Closing withdrawn or abandoned request. When the requestor either withdraws the request or fails to fulfill his or her obligations to inspect the records or pay the deposit or final payment for the requested copies, the public records officer will close the request and indicate to the requestor that the school has closed the request.

(12) Later discovered documents. If, after the school has informed the requestor that it has provided all available records, the school becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

[Statutory Authority: RCW 72.40.022 and 42.56.100. WSR 16-13-067, § 72-276-055, filed 6/13/16, effective 7/14/16.]

WAC 72-276-090 Costs of providing copies of public records. (1) Costs for paper copies. There is no fee for inspecting public records. A requestor may obtain standard black and white photocopies for fifteen cents per page and color copies for twenty-five cents per page.

Before beginning to make the copies, the public records officer or designee may require a deposit of up to ten percent of the estimated costs of copying all the records selected by the requestor. The public records officer or designee may also require the payment of the remainder of the copying costs before providing all the records, or the payment of the costs of copying an installment before providing that installment. The school will not charge sales tax when it makes copies of public records.

(2) Costs for electronic records. The cost of electronic copies of records shall be five dollars for information on a CD-ROM. The cost of scanning existing school paper or other nonelectronic records is ten cents per page. There will be no charge for emailing electronic records to a requestor, unless another cost applies such as a scanning fee.

(3) Costs of mailing. The school may also charge actual costs of mailing, including the cost of the shipping container.

(4) Payment. Payment may be made by cash, check, or money order to the Washington state school for the blind.

WAC 72-276-100 Exemptions. (1) The Public Records Act provides that a number of types of documents are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Requestors should be aware of the following exemptions, outside the Public Records Act, that restrict the availability of some documents held by the school for inspection and copying:

(a) The Family Educational Rights and Privacy Act, 20 U.S.C. Sec. 1232g;

(b) RCW 5.60.060(2), records subject to the attorney-client privilege; and

(c) RCW 42.56.290, attorney work-product involving a controversy.

(2) The school is prohibited by statute from disclosing lists of individuals for commercial purposes.
