GENERAL PROVISIONS

WAC 181-86-011 Valid certificate required. Persons serving as teachers in the public or private schools or as principals or educational staff associates in public schools and in vocational positions as established by chapter 181-77 WAC shall hold certificates authorized by the professional educator standards board for service in the respective roles as required by statute or rules of the professional educator standards board.

Any certificate issued pursuant to chapter 181-77 or 181-79A WAC or previous standards of the professional educator standards board shall entitle the holder thereof to be employed by a public or nonpublic school for the performance of duties encompassed by the type of certificate as specified in WAC 181-79A-140 if such certification is required by statute or rules of the professional educator standards board, unless such certificate is under suspension or until such certificate expires, lapses, or is revoked or surrendered.

WAC 181-86-013 Good moral character and personal fitness—Definition. As used in this chapter, the terms "good moral character and personal fitness" means character and personal fitness necessary to serve as a certificated employee in schools in the state of Washington, including character and personal fitness to have contact with, to teach, and to perform supervision of children. Good moral character and personal fitness includes, but is not limited to, the following:

(1) No conviction of any felony crime involving:
   (a) The physical neglect of a child under chapter 9A.42 RCW;
   (b) The physical injury or death of a child under chapter 9A.32 or 9A.36 RCW, excepting motor vehicle violations under chapter 46.61 RCW;
   (c) The sexual exploitation of a child under chapter 9.68A RCW;
   (d) Sexual offenses where a child is the victim under chapter 9A.44 RCW;
   (e) The promotion of prostitution under chapter 9A.88 RCW;
   (f) The sale or purchase of a child under RCW 9A.64.-030;
   (g) Provided, That the general classes of felony crimes referenced within this subsection shall include equivalent federal and crimes in other states committed against a child;
   (h) Provided further, That for the purpose of this subsection "child" means a minor as defined by the applicable state or federal law;
   (i) Provided further, That for the purpose of this subsection "conviction" shall include a guilty plea.

(2) No conviction of any crime within the last ten years, including motor vehicle violations, which would materially and substantially impair the individual's worthiness and ability to serve as a professional within the public and private schools of the state. In determining whether a particular conviction would materially and substantially impair the individual's worthiness and ability to practice, the following and any other relevant considerations shall be weighed:
   (a) Age and maturity at the time the criminal act was committed;
   (b) The degree of culpability required for conviction of the crime and any mitigating factors, including motive for commission of the crime;
   (c) The classification of the criminal act and the seriousness of the actual and potential harm to persons or property;
   (d) Criminal history and the likelihood that criminal conduct will be repeated;
   (e) The permissibility of service as a professional educator within the terms of any parole or probation;
   (f) Proximity or remoteness in time of the criminal conviction;
   (g) Any evidence offered which would support good moral character and personal fitness;
   (h) If this subsection is applied to a person certified under the laws of the state of Washington in a suspension or revocation action, the effect on the education profession, including any chilling effect, shall be weighed; and
   (i) In order to establish good moral character and personal fitness despite the criminal conviction, the applicant or certificate holder has the duty to provide available evidence relative to the above considerations. The superintendent of public instruction has the right to gather and present additional evidence which may corroborate or negate that provided by the applicant or certificate holder.

(3) No behavioral problem which endangers the educational welfare or personal safety of students, teachers, or other colleagues within the educational setting.

(4) No practice within the state of Washington within the previous five school years with an expired, lapsed, suspended, surrendered, or revoked certificate in a professional position for which certification is required under the rules of the professional educator standards board.

WAC 181-86-014 Good moral character and personal fitness—Continuing requirement. The good moral character and personal fitness requirement of applicants for certification under the laws of the state of Washington is a continuing requirement for holding a professional educational certificate under regulations of the professional educator standards board.

(2) One or more conclusions of law stating the commission of an act of unprofessional conduct.
(3) An order to not continue or repeat the conduct or lack of good moral character or personal fitness.

WAC 181-86-070 Grounds for issuance of suspension order. The superintendent of public instruction may issue a suspension order whenever the superintendent of public instruction determines one or more of the following:

(1) That the certificate holder has admitted the commission of an act of unprofessional conduct or lack of good moral character or personal fitness.
(2) That the certificate holder has committed an act of unprofessional conduct but the violation and the consequence were not serious and the interest of the state in protecting the health, safety, and general welfare of students, colleagues, and other affected persons is adequately served by a reprimand.

WAC 181-86-050 Grounds for issuance of denial of application for certification or endorsement order. The superintendent of public instruction shall issue a denial of application for certification or endorsement order if the applicant is not eligible for one or more of the following:

(1) Certification.
(2) Reissuance of a certificate.
(3) Reinstatement of a certificate.
(4) An endorsement.

WAC 181-86-065 Grounds for issuance of a reprimand. The superintendent of public instruction may issue a reprimand order whenever the superintendent of public instruction determines one or more of the following:

(1) That the certificate holder has admitted the commission of an act of unprofessional conduct or lack of good moral character or personal fitness and has presented to the superintendent of public instruction an agreed order to not continue or repeat the conduct described in the findings of fact.
(2) That the certificate holder has committed an act of unprofessional conduct but the evidence is probably insufficient to meet the clear and convincing proof standard for suspension or revocation.

WAC 181-86-040 Revocation order—Definition. As used in this chapter, the term "revocation order" means an official document issued by the superintendent of public instruction which contains:

(2) The certificate holder has committed an act of unprofessional conduct or lacks good moral character but the superintendent of public instruction has determined that a suspension as applied to the particular certificate holder will probably deter subsequent unprofessional or other conduct which evidences lack of good moral character or personal fitness by such certificate holder, and believes the interest of the state in protecting the health, safety, and general welfare of students, colleagues, and other affected persons is adequately served by a suspension. Such order may contain a requirement that the certificate holder fulfill certain conditions precedent to resuming professional practice and certain conditions subsequent to resuming practice.

(3) The certificate holder lacks personal fitness but the superintendent of public instruction has determined the deficiency is correctable through remedial action and believes the interest of the state in protecting the health, safety, and general welfare of students, colleagues, and other affected persons is adequately served by a suspension. Such order may contain a requirement that the certificate holder fulfill certain conditions precedent to resuming professional practice and certain conditions subsequent to resuming practice.

(4) Provided, That suspension shall never be appropriate if the certificate holder has committed a felony crime under WAC 181-86-013(1).

[Statutory Authority: RCW 28A.410.210. WSR 06-14-010, § 181-86-070, filed 6/22/06, effective 7/23/06. WSR 06-02-051, recodified as § 181-86-070, filed 12/29/05, effective 1/1/06. (2) The certificate holder has not committed a felony crime under WAC 181-86-013(1) but the superintendent of public instruction has determined the certificate holder has committed an act of unprofessional conduct or lacks good moral character or personal fitness and revocation is appropriate.

[Statutory Authority: RCW 28A.410.210. WSR 06-14-010, § 181-86-075, filed 6/22/06, effective 7/23/06. WSR 06-02-051, recodified as § 181-86-075, filed 12/29/05, effective 1/1/06. The superintendent of public instruction shall appoint a nine-member admissions and professional conduct advisory committee. Prior to making appointments to such committee, the superintendent of public instruction shall consult with one or more officers within recognized professional associations regarding possible appointments. [WSR 06-02-051, recodified as § 181-86-085, filed 12/29/05, effective 1/1/06. Statutory Authority: RCW 28A.70.005. WSR 90-02-076, § 180-86-085, filed 1/2/90, effective 2/2/90.]

WAC 181-86-090 Admissions and professional conduct advisory committee—Operational procedures. The following shall govern the operational procedures of the admissions and professional conduct advisory committee:

1. Meetings of the advisory committee shall be open to the public except when it is considering the admission or professional conduct of a particular certificate holder unless such affected certificate holder requests the meeting to be open to the public.
2. Each member of the advisory committee shall have one vote.
WAC 181-86-095 Admissions and professional conduct advisory committee—Duties. The duties of the admissions and professional conduct advisory committee are as follows:

(1) To advise the superintendent of public instruction and the professional educator standards board on matters related to good moral character, personal fitness, and unprofessional conduct regarding education practitioners.

(2) To review informal appeals conducted pursuant to WAC 181-86-140 and provide recommendations to the review officer on the content of the written decision.

WAC 181-86-100 Reprisal or certificate suspension or revocation—Initiation of proceedings. The initiation of reprisal, suspension, or revocation proceedings by the superintendent of public instruction shall commence as a result of the following:

(1) Whenever the superintendent of public instruction or the designated administrative officer of the superintendent of public instruction having responsibility for certification becomes aware from whatever source that a certificate holder has had a professional license revoked or suspended by a licensing agency, has voluntarily surrendered a license or has been arrested, charged, or convicted for any felony offense included within WAC 181-86-013(1), the superintendent of public instruction or the designated administrative officer shall cause an investigation.

(2) In all other cases, the initiation of investigative proceedings shall commence only upon receipt of a written complaint from a school district or educational service district superintendent or the chief administrative officer of an approved private school or the chief administrative officer of a charter school. Such written complaint shall state the grounds and summarize the factual basis upon which a determination has been made that an investigation by the superintendent of public instruction is warranted. The superintendent of public instruction shall provide the affected certificate holder with a copy of such written complaint and a copy of WAC 181-86-180.

WAC 181-86-105 Duty of educational service district superintendent to investigate complaints. Each educational service district superintendent shall cause to be investigated all written and signed complaints, from whatever source, that allege that a certificated education professional within his or her educational service district is not of good moral character or personal fitness or has committed an act of unprofessional conduct. If the educational service district superintendent investigates and determines the facts are reliable and further investigation by the superintendent of public instruction is warranted, the educational service district superintendent shall forward the written complaint and the results of his or her investigation to the superintendent of public instruction: Provided, That if the educational service district superintendent, after consultation with the assistant attorney general assigned to his or her educational service district, determines that the substance of the complaint would not constitute grounds for reprisal, suspension, or revocation if true, then such educational service district superintendent need not investigate the complaint: Provided further, That if the educational service district superintendent receives a written assurance from the superintendent of public instruction, a district superintendent, or a chief administrative officer of an approved private school that such official is investigating or will investigate the same or a substantially similar complaint, the educational service district superintendent shall be deemed to have caused an investigation in compliance with this section.

WAC 181-86-110 Duty of ESD superintendent, district superintendent and private school administrator to file complaints. When an educational service district superintendent, a district superintendent, chief administrative officer of a charter school, or the chief administrative officer of an approved private school possesses sufficient reliable information to believe that a certificated employee within such district or approved private school is not of good moral character or personally fit or has committed an act of unprofessional conduct, such superintendent or chief administrative officer, within a reasonable period of time of making such determination, shall file a written complaint with the superintendent of public instruction: Provided, That if an educational service district, charter school, or school district is considering action to discharge an employee of such district, the educational service district, charter school, or school district superintendent need not file such complaint until ten calendar days after making the final decision to serve or not serve formal notice of discharge.

WAC 181-86-115 Investigative priorities—Levels of acts or omissions of misconduct. (1) The superintendent of public instruction or designee shall prioritize the investigation of alleged certificated individual misconduct, lack of fitness or unprofessional conduct in the following descending order:

(a) Level I. Level I actions shall have the highest investigative priority and are those allegations, if proven true, for which permanent mandatory revocation shall be the appropriate disciplinary action. They include the following convic-
tions for which permanent revocation of a certificate is mandatory under RCW 28A.410.090:
  (i) Physical neglect of a child under chapter 9A.42 RCW;
  (ii) The physical injury or death of a child under chapter 9A.32 or 9A.36 RCW (excepting motor vehicle violations under chapter 46.61 RCW);
  (iii) Sexual exploitation of a child under chapter 9.68A RCW;
  (iv) Sexual offenses under chapter 9A.44 RCW where a minor is the victim;
  (v) Promoting prostitution of a minor under chapter 9A.88 RCW;
  (vi) The sale or purchase of a minor child under RCW 9A.64.030; or
  (vii) Violation of similar laws of another jurisdiction.
(b) Level II. Level II actions shall have the next investigative priority and are those allegations, if proven true, for which revocation may be the appropriate disciplinary action. They include, but are not limited to the following:
  (i) Sexual activity with children and/or students;
  (ii) Engaging in acts of violence leading to bodily injury;
  (iii) Selling and/or manufacturing illegal drugs; or
  (iv) Other activity that if convicted would result in a felony conviction.
(c) Level III. Level III actions shall have the next investigative priority and are those allegations, if proven true, for which suspension may be the appropriate disciplinary action. They include, but are not limited to the following:
  (i) Illegal drug possession and/or use;
  (ii) Threats related to persons or property;
  (iii) Alcohol abuse;
  (iv) Reckless conduct where no bodily injury results;
  (v) Engaging in unauthorized corporal punishment;
  (vi) Verbal or physical sexual harassment of students;
  (vii) Engaging in activity that demonstrates poor professional judgment; or
  (viii) Other activity that if convicted would result in a misdemeanor conviction.
(d) Level IV. Level IV actions shall have the next investigative priority and are those allegations, if proven true, for which a reprimand may be the appropriate disciplinary action. They include, but are not limited to the following:
  (i) Practicing with a lapsed or expired certificate, or a certificate not valid for the position;
  (ii) Isolated failure to timely evaluate certificated personnel; or
  (iii) Intentionally hiring a person for a certificated role who does not possess a valid certificate.
(2) All cases shall be monitored periodically to determine if their priority level should change as a result of information uncovered during the investigation.
(3) Notwithstanding any provision of this section to the contrary, the office of professional practices reserves the right to reprioritize the investigation of complaints based upon the efficient use of available resources and/or the relative urgency or lack of urgency in resolving various complaints in the public interest, and the right to recommend forms of discipline appropriate to the offenses committed.

ISSUANCE OF ORDERS

WAC 181-86-120 Issuance of denial order by superintendent of public instruction. Whenever the superintendent of public instruction takes action to deny an application, the superintendent of public instruction, in accordance with the provisions of this chapter, shall issue an order of denial of application for certification or endorsement to the applicant or affected certificate holder and shall provide such person a copy of applicable administrative appeal procedures provided in this chapter.

WAC 181-86-130 Issuance of order for reprimand, suspension, or revocation by superintendent of public instruction. Whenever the superintendent of public instruction takes action to suspend or revoke a certificate or reprimand a certificate holder, the superintendent of public instruction, in accordance with the provisions of this chapter, shall issue an order of reprimand, suspension, or revocation to the affected certificate holder and shall provide such person a copy of applicable administrative appeal procedures provided in this chapter. If the order is to suspend or revoke a certificate and the superintendent of public instruction has knowledge that such certificate holder is employed within the common school system or by an approved private school, the superintendent of public instruction shall advise such employer that an order has been sent to the employee.

WAC 181-86-135 Issuance of final order for lapsing, reprimand, suspension, or revocation by superintendent of public instruction. Final orders for lapsing, reprimand, suspension, and revocation shall be issued by the superintendent of public instruction as follows:
(1) If the certificate holder fails to appeal a proposed order pursuant to this chapter within thirty calendar days following the date of mailing the proposed order, the superintendent of public instruction shall issue a final order of lapsing, reprimand, suspension, or revocation.
(2) If the certificate holder appeals a proposed order pursuant to this chapter, the superintendent of public instruction shall not issue a final order until completion of the informal review process by the superintendent of public instruction.
a certificate, particular endorsement, certificate renewal, or
certificate reinstatement whose application is denied or any
person who is notified that his or her certificate is suspended
or revoked or that a reprimand order has been issued shall
be advised that he or she is entitled to appeal that decision to the
superintendent of public instruction if he or she follows the
procedures established in this chapter: Provided, That the
appeal procedure may not be used to seek reinstatement of a
certificate if that certificate has been revoked in the preceding
twelve months by the superintendent of public instruction.

The appeal procedure to the superintendent of public
instruction consists of two levels, one informal and one for-
mal. The use of the informal level is a condition precedent to
use of the formal level. In addition, RCW 34.05.570 provides
for judicial review of such decisions.
