(a) "Refund" means the return of money received for a license, stamp, tag, or permit purchase. Refunds may be made by license dealers or the Olympia office of the department.

WAC 220-55-001 Definitions. Unless otherwise provided, the following definitions apply to this chapter:

(1) "Blind" means no vision or vision with corrective lenses so defective as to prevent the performance of ordinary activities for which eyesight is essential.

(2) Refunds will be made for the following:

(a) A license purchaser can obtain a refund from a license dealer within sixty minutes after the purchase of the license if a dealer error is made or the dealer issues the wrong license. License dealers can correct dealer errors after sixty minutes, but may not refund license purchases.

(b) A license purchaser can obtain a refund from the Olympia office of the department at any time during the licensing year if an incorrect document has been issued due to a department, a dealer, or licensing system error, as verified by the department.

(c) A license purchaser can obtain a refund from the Olympia office of the department if the purchaser received more than one of the same licenses in the same license year.

(d) A license purchaser can obtain a refund from the Olympia office of the department if the licensee qualifies for a reduced fee license, as verified by the department. The refund amount will be the difference between the license purchased and the reduced fee license.

(4) Except as otherwise provided, refunds will not be made for the following:

(a) The department will not refund any recreational license or permit purchase for which a season or hunt has been scheduled, and the licensee could have participated in the season or hunt, regardless of whether the licensee did in fact participate.

(b) The department will not refund purchases of raffle tickets or special hunt permit applications unless an error has occurred and the error was not caused by the person purchasing the tickets or applications as verified by the department.

(5) Transport tag exchanges will be allowed for the following:

In these instances archery tag holders must request a tag exchange before September 1st, muzzleloader tag holders must request a tag exchange before September 20th, and modern firearm tag holders must request a tag exchange before October 10th, as verified by the department.

(b) The tag was issued in error and the error was not caused by the person applying for the tag, as verified by the department.

(6) Except as otherwise provided, transport tag exchanges will not be allowed for the following: If a special hunt permit application was submitted by the tag holder and that application required a big game transport tag, it is unlawful to exchange the transport tag after the application submission deadline date has passed. This also applies to persons whose primary residence is Washington but who maintain a residence elsewhere.

(2) The primary method of establishing that the purchaser has maintained a permanent place of abode within the state for at least ninety days immediately preceding application for a license and establishing by formal evidence an intent to continue residing in the state is possession of a Washington state driver's license issued at least ninety days prior to application for a resident fishing or hunting license.
