you received at the time of application.

   (b) Parking placard(s) can be used only when the vehicle in which they are displayed is transporting persons who have or would qualify for the disabled parking privilege.

An organization may receive up to ninety-nine placards, or disabled parking license plates can be issued to vehicles licensed in the name of the organization if used primarily for transporting persons who have or would qualify for the parking privileges. The department may approve exceptions.

(6) Where does a qualifying organization obtain individual with disabilities parking placard(s) or disabled parking license plates? A qualifying organization can obtain disabled parking placard(s) and disabled parking license plates at most Washington vehicle licensing offices.

Note: If the license plate has been reported as stolen or if the department record indicates the vehicle has been stolen, the same number/letter combination will not be issued. This is a law enforcement issue and is for the protection of the public.

(11) How does an organization renew its permanent disabled parking placard(s)? The department will send a renewal notice to the organization before the privilege expires.
