WAC 352-40-090 Will I have to pay to view or get copies of state parks' public records? The agency does not charge a fee for the inspection of public records.

The agency will charge an amount necessary to recover its costs for producing and mailing copies of records, as provided for by RCW 42.56.120.

A list of copy charges is provided with state parks' "Request for Public Records" form, or you can contact the public records officer for a list of copy and mailing fees. Payment is required prior to receiving copies of records.

Charges totaling less than five dollars will be waived.

WAC 352-40-100 Can my request be denied? (1) Yes, a request can be denied if it is for records that are exempt from disclosure under the provisions of the Public Records Act, chapter 42.56 RCW. State parks may also deny access to records, or parts of records, that are exempt from disclosure by RCW 79A.05.070, 79A.60.220, 5.60.060 (2)(a), 46.52-080, 7.69A.030(4) and 13.50.050(3).

(2) Whenever possible, the agency will make requested records available after exempt information has been deleted or redacted.

(3) Under the provisions of RCW 42.56.070(9), public records requests will also be denied if the purpose of the request is to sell or use the information for commercial purposes.

If a request is denied, the agency will specify in writing the reason for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld.

WAC 352-40-110 What can I do if I object to the agency's denial to inspect or receive a copy of a public record? You have options. You can:

(1) Request an internal administrative review of the denial for access.

(a) Provide state parks' public records officer with your written request for a review of the decision. Include a copy of the denial or refer specifically to the denial statement in your petition.

(b) The public records officer will promptly provide the petition and any other relevant information to the director or designee to conduct a review.

(c) The director or designee will immediately consider the matter and, within two business days of receiving the petition, or within such time as state parks and the requestor mutually agree, either affirm or reverse the denial. If the director or designee has not responded to the requestor by the end of the two business days following denial of access, then the request is deemed denied.

(2) Ask the attorney general to review the matter. Pursuant to RCW 42.56.530, the attorney general will provide a written opinion on whether the record is exempt.

(3) Initiate an action in the superior court where the record is located. Any person may obtain court review of denials of public records requests pursuant to RCW 42.56.550 at the conclusion of two business days after the initial denial.

WAC 352-40-120 How does the agency protect public records? (1) The following guidelines have been put in place to help the agency protect the public records under its care:

(a) You may not remove any public record from the agency premises.

(b) You must have a designated agency employee present while inspecting public records.

(c) You may not mark or deface a public record in any manner during inspection.

(d) You may not dismantle public records that are maintained in a file or jacket or in chronological or other filing order.

(2) Access to file cabinets, shelves, vaults, or other storage areas is restricted to agency personnel unless other arrangements are made with the public records officer or designee.

(3) State parks follows rules established under RCW 40.14.060 regarding destruction of public records. The destruction of records responsive to a public records request will be delayed until the request is resolved.

WAC 352-40-130 How are agency records indexed? Records retention schedules established and maintained under the directives of RCW 40.14.060 serve as an index for the identification and location of agency records.

The records retention schedule indexes records according to the originating program or section, and then the record series title. Each title is further identified by a statement of function or purpose, and the minimum required retention period. With the assistance of the public records officer or designee, the records retention schedule is available to the public for inspection and copying.
A separate index of policy statements as defined in RCW 34.05.010(15) entered after June 30, 1990, is maintained by the agency.

In addition, the agency has a functional index coding system for physical files, commission policy, administrative policy and agency procedures.

Commission meetings minutes are indexed by year, month, and agenda item number. They are also summarized by topic.
