Chapter 392-725 WAC

COLLEGE IN THE HIGH SCHOOL RULES

WAC

392-725-005 Authority. The authority for this chapter is RCW 28A.600.290, which authorizes the superintendent of public instruction to adopt rules governing RCW 28A.600.290, with the state board of community and technical colleges, the student achievement council, and the public baccalaureate institutions to jointly develop rules, and with the association of Washington school principals to be consulted. The rules set forth in this chapter have been jointly developed and agreed upon by the four organizations with the council of presidents representing the public baccalaureate institutions. The rules may be modified only by agreement of the superintendent of public instruction, state board of community and technical colleges, the student achievement council, and an organization representing the interest of the public baccalaureate institutions.

[W Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-005, filed 6/27/16, effective 7/28/16.]

392-725-010 Purpose. The purpose of this chapter is to set forth rules governing the college in the high school program.

[W Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-010, filed 6/27/16, effective 7/28/16.]

392-725-015 Definitions. The following definitions in this section apply throughout this chapter.

1) "College in the high school course" means a dual credit course provided on a high school campus or in a high school environment in which an eligible student is given the opportunity to earn high school credit to be awarded by a district, charter school, or tribal compact school and college credit awarded by the participating institution of higher education by completing a college level course with a passing grade. College in the high school courses may be either academic or career and technical (vocational) education.

2) "Eligible student" means any student who meets the following conditions:

(a) The student meets the definition of an enrolled student pursuant to WAC 392-121-106.

(b) The student under the grade placement policies of the district, charter school, or tribal compact school through which the high school credits will be awarded has been deemed to be a tenth, eleventh, or twelfth grade student.

(c) The student has met the student standards pursuant to WAC 392-725-130 and the general requirements and conditions pursuant to WAC 392-725-225(2).

(3) "Participating institution of higher education" means an institution of higher education that:

(a) A district, charter school, or tribal compact school has contracted with to provide the college in the high school courses;

(b) Meets the definition in RCW 28B.10.016, is authorized or exempt under the requirements of chapter 28B.85 RCW, or is a public tribal college located in Washington as noted in RCW 28A.600.290 (7)(a);

(c) Meets the college in the high school program standards outlined in WAC 392-725-130 through 392-725-150; and

(d) Is accredited by National Alliance of Concurrent Enrollment Partnerships or commits to the annual reporting of evidence requirement outlined in WAC 392-725-120.

4) "National Alliance of Concurrent Enrollment Partnerships" is the professional organization that works to ensure that college in the high school courses are as rigorous as courses offered on the sponsoring college campuses. National Alliance of Concurrent Enrollment Partnerships has defined a set of quality standards that is the basis of their accreditation process.

5) "Council of presidents" is defined throughout this chapter as the organization representing the interest of public baccalaureate institutions, specific to RCW 28A.600.290(6).

(6) "Provisional status" is the status that a college in the high school program may be assigned after the program's evidence of meeting the standards submitted in the annual report was found to be unsatisfactory by the review committee. A program is in provisional status up to six months after the review of the annual report.

(7) "Fees." 

(a) "College in the high school fees" means the per credit fee charged by the participating institution of higher education for the registration for the college course.

(i) The maximum dual credit fee shall not exceed the college in the high school state-funded subsidies allocated in the current Omnibus Appropriations Act.

(ii) The dual credit fee may be less than the college in the high school state-funded subsidies allocation.

(b) "Other associated college in the high school fees" means additional fees required to fully participate in the college in the high school course charged by the participating institution of higher education such as registration fees and fees for consumables.

(6/27/16)
(8) "College in the high school state-funded subsidies" means the amount provided in the Omnibus Appropriations Act that pays the dual credit fee for specific eligible eleventh or twelfth grade students pursuant to RCW 28A.600.290(1)(b)(i) only and for the limited amount provided in WAC 392-725-325(2).

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-015, filed 6/27/16, effective 7/28/16.]

WAC 392-725-050 Interlocal agreement requirement. Prior to the start of the college in the high school course(s), an interlocal agreement between the district, charter school, or tribal compact school and the participating institution of higher education must be developed and in place. The agreement shall be for no more than one school year, meet the district, charter school, or tribal compact school’s board policies and the policies of the institution of higher education regarding contracting agreements, and address the following requirements:

1. List of college in the high school courses.
2. College in the high school student standards pursuant to WAC 392-725-130 will be met.
3. College in the high school curriculum and assessment standards pursuant to WAC 392-725-140 will be met.
4. College in the high school faculty standards pursuant to WAC 392-725-150 will be met.
5. College in the high school evaluation standards pursuant to WAC 392-725-160 will be met.
6. Award of high school credits pursuant to WAC 392-725-200 will be met.
7. District, charter school, or tribal compact school’s responsibilities for offering college in the high school course.
8. Institution of higher education’s dual credit fee amount per college credit and a description and amount of other associated college in the high school fees.
9. Course materials including, but not limited to, textbooks for each college in the high school course and which party will be responsible to provide.
10. For any compensation paid to the instructor by the participating institution of higher education for work performed beyond the district, charter school, or tribal compact school contract, explanation of how the compensation will be calculated and provided and details of what duties the compensation represents.
11. Method and collection of dual credit fee and other associated college in the high school fees.
12. Districts, charter schools, tribal compact schools, and institutions of higher education shall as necessary assure compliance with their respective duties under federal and state law.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-050, filed 6/27/16, effective 7/28/16.]

WAC 392-725-120 Demonstration and reporting of evidence of required college in the high school standards. (1) Participating institutions of higher education shall provide evidence that they meet the most recent National Alliance of Concurrent Enrollment Partnerships student standards, curriculum and assessment standards, faculty standards and evaluation standards unless recommended differently in WAC 392-725-130 through 392-725-160. National Alliance of Concurrent Enrollment Partnerships accreditation is recommended.

(2) As a condition of eligibility pursuant to WAC 392-725-015(3), after the college in the high school course concludes, institutions of higher education shall provide an annual report consisting of evidence that the required standards were met, consistent with the evidence National Alliance of Concurrent Enrollment Partnerships requires to meet standards. The annual report shall be submitted no later than July 1st for review by the college in the high school standards report review committee. Participating institutions of higher education that are accredited by the National Alliance of Concurrent Enrollment Partnerships for the current year of enrollment will be exempt from this requirement.

(3) The office of superintendent of public instruction shall convene a college in the high school standards report review committee. This review committee will consist of a representative of the state board of community and technical colleges, a representative of the council of presidents, a representative of the student achievement council, and a representative from the office of superintendent of public instruction. Additional members may be included at the discretion of college in the high school standards report review committee.

(4) The review committee will no later than August 15th advise the institution of higher education whether the required standards have been met.

(5) If the review committee finds that the institution of higher education’s evidence of meeting the required standards is not satisfactory, the institution of higher education will have no more than six months to provide satisfactory evidence. During this period, the program will be under provisional status until evidence shows the program has met the standards.

(6) If after review of the additional evidence, the review committee deems that the standards are not being met, then the institution of higher education may not offer the college in the high school program for the following school year.

(7) The review committee will review the National Alliance of Concurrent Enrollment Partnerships standards every three years and update the college in the high school standards in WAC 392-725-130 through 392-725-160 as informed by the current National Alliance of Concurrent Enrollment Partnerships standards and feedback from participating school districts, charter schools, tribal compact schools, and institutions of higher education.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-120, filed 6/27/16, effective 7/28/16.]

WAC 392-725-130 College in the high school student standards. (1) Participating institutions of higher education shall:

(a) Ensure students meet the course prerequisites of the institution of higher education.

(b) Officially register or admit students as degree-seeking, nondegree-seeking, or nonmatriculated students of the institution of higher education and record courses administered through college in the high school program on official institution of higher education transcripts.
(c) Provide students and high schools with a comprehensive publication that outlines the rights and responsibilities of enrolled students.

(2) Participating institutions of higher education, not accredited by the National Alliance of Concurrent Enrollment Partnerships for the current year of enrollment, shall provide evidence of meeting the required student standards of this section.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-130, filed 6/27/16, effective 7/28/16.]

WAC 392-725-140 College in the high school curriculum and assessment standards. (1) Participating institutions of higher education shall require that:

(a) College in the high school courses are catalogued courses with the same departmental designations, course descriptions, numbers, titles, and credits as sections offered on campus.

(b) College in the high school courses reflect the pedagogical, theoretical and philosophical orientation of the participating institution of higher education departments.

(c) Faculty site visits ensure that courses offered through the college in the high school program are the same as the courses offered on campus.

(d) Students are held to the same standards of achievement as those expected of students in on-campus sections.

(e) Students are held to the same grading standards as those expected of students in on-campus sections.

(2) Participating institutions of higher education are recommended to ensure students are assessed using the same methods (examples: Papers, portfolios, quizzes, labs, etc.) as students in on-campus sections. Participating institutions of higher education, not accredited by National Alliance of Concurrent Enrollment Partnerships for the current year of enrollment, shall provide evidence of meeting the required curriculum and assessment standards of this section.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-140, filed 6/27/16, effective 7/28/16.]

WAC 392-725-150 College in the high school faculty standards. (1) Participating institutions of higher education shall require that:

(a) Instructors providing the college in the high school instruction in the high school classroom must be approved by the participating institution of higher education's respective academic department and meet the same institution's requirements for teaching the college course at the institution of higher education campus.

(b) New instructors are provided with discipline-specific training and orientation regarding, but not limited to, course curriculum, assessment criteria, pedagogy, course philosophy and administrative responsibilities and procedures prior to the instructor teaching the college in the high school course.

(c) Procedures address instructor noncompliance with the institution of higher education's expectations for courses offered through the institution.

(d) Noncompliance issues will be addressed in consultation with the district, charter school, or tribal compact school.

(2) Participating institutions of higher education are recommended to provide annual discipline-specific professional development activities and ongoing collegial interaction to address course content, course delivery, assessment, evaluation, and/or research and development in the field. Participating institutions of higher education, not accredited by National Alliance of Concurrent Enrollment Partnerships for the current year of enrollment, shall provide the evidence of meeting the required faculty standards of this section.

(3) Any compensation paid to the instructor by the institution of higher education must be for work performed beyond their contract with the district, charter school, or tribal compact school.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-150, filed 6/27/16, effective 7/28/16.]

WAC 392-725-160 College in the high school evaluation standards. (1) Participating institutions of higher education shall:

(a) Conduct an end-of-term student course evaluation for each college in the high school course section offered through the institution of higher education.

(b) Conduct surveys of participating high school instructors, principals, and guidance counselors at least once every three years. Surveys shall include the following as outlined in the most current National Alliance of Concurrent Enrollment Partnerships survey guide:

(i) National Alliance of Concurrent Enrollment Partnerships essential questions (additional questions may be used);

(ii) One follow-up contact with nonrespondents within the methodology; and

(iii) Collaboration of a qualified institutional evaluator or researcher in the development of the survey and data analysis.

(2) Participating institutions of higher education are recommended to conduct an annual survey of alumni who are one year out of high school and who are four years out of high school, at least once every three years. Surveys shall include the following as outlined in the most current National Alliance of Concurrent Enrollment Partnerships survey guide:

(a) National Alliance of Concurrent Enrollment Partnerships essential questions (additional questions may be used);

(b) One follow-up contact with nonrespondents within the methodology; and

(c) Collaboration of a qualified institutional evaluator or researcher in the development of the survey and data analysis.

(3) Participating institutions of higher education, not accredited by National Alliance of Concurrent Enrollment Partnerships for the current year of enrollment, shall provide the evidence of meeting the evaluation required standards of this section.

WAC 392-725-200 Prior confirmation of high school credit. As a condition to an eligible student's enrollment in college courses, the eligibility of the college in the high school courses which the student intends to take for the award of high school credit and the amount of such credit shall first be established, as follows:

(1) The district, charter school, or tribal compact school shall establish on a course by course basis the amount of high
school required or elective credit, or combination thereof, that shall be awarded for each college in the high school course successfully completed by the student based upon the conversion rate set forth in WAC 180-51-050.

(2) If a college in the high school course is not comparable to a district, charter school, or tribal compact school course required for high school graduation, the district, charter school, or tribal compact school superintendent shall determine the amount of required high school credit which shall be awarded following consultation with a representative of the institution of higher education designated for that purpose. The difference between the amount of required credit and the amount of credit earned at the conversion rate set forth in WAC 180-51-050 shall be awarded as elective credit.

(3) Within five school days of a student's request for confirmation of credit, the district, charter school, or tribal compact school superintendent or other designated representative shall confirm in writing the amount of high school required or elective credit, or combination thereof, which shall be awarded upon successful completion of the courses.

(4) Upon confirmation by the college in the high school instructor of a student's successful completion of a college in the high school course under this chapter, the district, charter school, or tribal compact school shall record on the student's secondary school records and transcript the high school credit previously confirmed under the section with a notation that the courses were taken at an institution of higher education pursuant to WAC 392-415-070.

(5) Each district, charter school, or tribal compact school and institution of higher education shall independently have and exercise exclusive jurisdiction over academic and discipline matters involving a student's enrollment and participation in courses of, and the receipt of services and benefits from the district, charter school, tribal compact school or the institution of higher education.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-200, filed 6/27/16, effective 7/28/16.]

WAC 392-725-225 College in the high school general requirements. (1) Participating districts, charter schools, or tribal compact schools must provide general information about the college in the high school program to all students in grades nine through twelve and to the parents and guardians of those students.

(2) The enrollment of a student who meets the definition of WAC 392-725-015(2) in the college in the high school program shall be governed as follows:

(a) An eligible student is responsible for enrolling into an institution of higher education on or before the deadline established by the institution of higher education.

(b) An eligible student is entitled to enroll in an institution of higher education for college in the high school program purposes subject to each of the following conditions and limitations:

(i) Enrollment is limited to college level courses.

(ii) Prior confirmation pursuant to WAC 392-725-200 by the district, charter school, or tribal compact school of the amount of high school credit to be awarded for a college in the high school course on or before the deadline for enrollment established by the institution of higher education.

(iii) Acceptance of the student by the institution of higher education subject to enrollment requirements and limitations established by the institution, including a determination that the student is competent to profit from the college level course(s) in which the student seeks to enroll.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-225, filed 6/27/16, effective 7/28/16.]

WAC 392-725-250 Transferability of college credit. (1) College in the high school programs may include both academic and career and technical education. The college credit shall be applied at institutions of higher education toward:

(a) General education requirements; or

(b) Degree requirements.

(2) A college in the high school course has the same transferability as its equivalent course on the college campus.

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-250, filed 6/27/16, effective 7/28/16.]

WAC 392-725-300 Finance. (1) Districts, charter schools, and tribal compact schools claim the college in the high school courses for basic education funding based on the course's average enrolled weekly minutes pursuant to WAC 392-121-122. Courses that qualify for vocational enhanced funding can be claimed pursuant to WAC 392-121-138.

(2) The participating institution of higher education receives college in the high school fees as defined in WAC 392-725-015 (7)(a) and other associated college in the high school fees for eligible students as defined in WAC 392-725-015 (7)(b). The amount and method of collection of these fees shall be outlined in interlocal agreement.

(3) For college in the high school courses that qualify for state funded subsidies as defined in WAC 392-725-015 (8) and based on the per student limitations provided in WAC 392-725-325(2), these subsidies are provided in lieu of college in the high school fees as defined in WAC 392-725-015 (7)(a).

[Statutory Authority: RCW 28A.600.290. WSR 16-14-030, § 392-725-300, filed 6/27/16, effective 7/28/16.]
