WAC 480-15-610 Advertising. (1) Carriers must include the commission-issued permit number, name or trade name as recorded at the commission, physical address and telephone number in any advertising for household goods moving services. Advertising includes, but is not limited to:
(a) Advertisements in telephone books, newspapers, correspondence, cards, or any other written document.
(b) Signs, posters or similar displays.
(c) Web sites or other online advertising.
(2) Advertisements may not be misleading, false or deceptive.
(3) Radio or television advertising need not contain the carrier's permit number if the carrier provides its permit number, physical address, and telephone number to the person selling the advertisement and it is recorded in the advertising contract.
(4) Carriers may advertise services provided as an agent of, or connecting carrier to, another household goods carrier if they include the name and permit number of the other household goods carrier in their advertising.
(5) No person may falsify a permit number or use a false or inaccurate permit number in connection with any advertisement, solicitation or any form of identification as an authorized household goods carrier.
(6) Carriers may not advertise services or rates and charges that conflict with those in the tariff.

WAC 480-15-620 Information household goods carriers must provide to customers. (1) Carriers must give each customer a copy of the commission publication, "Consumer Guide to Moving in Washington State" at the time the carrier gives the customer a written estimate.
(2) The language contained in the publication is prescribed by the commission and may not be changed by the carrier.
(3) The commission will provide carriers the prescribed language but will not provide copies of the publication. Carriers are responsible for making sufficient copies for their needs.
(4) Carriers may access the prescribed language through the commission's web site at www.utc.wa.gov or by contacting the commission at 360-664-1222.

Part 5.2 - Estimates

WAC 480-15-630 Estimates. Every carrier is required to provide a written estimate to every customer prior to moving a shipment of household goods and must issue a written supplemental estimate when required by commission rule or tariff. The carrier must provide estimates by following the requirements set in the commission-published tariff covering household goods movers. The initial estimate may be a binding or nonbinding estimate.
(1) A binding estimate is the promise of a guaranteed cost of a move from the carrier to the customer. The carrier is bound to charge only the amount of the estimate and no more.
(2) A nonbinding estimate is an estimate of the amount the carrier will charge to move a customer's household goods. The customer may pay charges in excess of the estimate.
(3) A supplemental estimate is in addition to any other estimate. A supplemental estimate is required if the circum-
stances surrounding the move change in a way that causes rates or charges to increase. The customer must accept and sign the supplemental estimate prior to additional work being performed.

(4) A carrier may provide the hourly rate it charges and the amount of time it believes it will take to make the move. A carrier may provide the rate per unit of weight it charges and the total weight it believes a shipment weighs. However, the carrier must provide a written binding or nonbinding estimate before making the move.

(5) A carrier may not conduct a move until it has visually inspected the goods to be shipped, unless the customer completes a web site calculation or hard-copy calculation sheet as described in subsection (6) of this section, and the carrier has provided a written binding or nonbinding estimate to the customer.

(6) A carrier may provide an estimate based on a customer-completed web site calculation or customer completed hard-copy calculation sheet if:

(a) The estimate contains all of the elements required by the tariff.
(b) The customer electronically "signs" the information provided on the web site by entering the customer's name and the date the information was filled out on the screen. The date must be present and must be entered by the customer.
(c) The carrier provides the customer with a current copy of the commission publication, "Consumer Guide to Moving in Washington State."
(d) The estimate discloses at the web site or on the hard-copy calculation sheet that:
   (i) The estimate is not binding.
   (ii) The cost of the move may exceed the estimate.
   (iii) The customer will be required to pay up to one hundred ten percent of the estimate upon delivery. Carriers must allow customers at least thirty days from the date of delivery to pay amounts in excess of the one hundred ten percent.
   (iv) The customer is not required to pay more than one hundred twenty-five percent of the estimate regardless of the total cost unless the carrier issues and the customer accepts a supplemental estimate.

(7) The carrier must complete the estimates as required by the tariff.

(8) All written estimates must be signed and dated by both the carrier and customer prior to the move. If the carrier completes the estimate on the day of the move, the carrier may not charge the customer for travel time to the point of origin or the time spent completing the estimate.

WAC 480-15-660 Supplemental estimates. (1) Carriers must provide a written supplemental estimate if the circumstances surrounding the move change in any way to cause the rates or charges to increase.

(2) When providing a supplemental estimate, a carrier may not apply a higher rate to the articles and services identified in the original estimate. A carrier may choose to use a higher rate for new services or additional articles not included in the original estimate.

(3) The carrier must complete the supplemental estimate as required by tariff.

(4) The carrier and the customer must sign the supplemental estimate prior to the additional work being performed.

Part 5.3 - Bills of Lading

WAC 480-15-710 Bill of lading. (1) A bill of lading is a shipping document issued by the household goods carrier, signed by both the customer and the household goods carrier that establishes a legal contract with terms and conditions for a shipment of household goods.

(2) The carrier must issue a bill of lading for each shipment of household goods it transports and must give the customer a completed copy of the bill of lading used for the customer's shipment.

(3) The carrier must include the information in a bill of lading as described in the commission's tariff.

(4) The carrier must keep the bill of lading and all associated documents for three years from the date the move was completed.
