WAC 495B-140-010 Use of college facilities. Bellingham Technical College is an educational institution provided and maintained by the people of the state of Washington. College facilities are reserved primarily for educational use including, but not limited to, instruction, research, public assembly of college groups, student activities and other activities directly related to the educational mission of the college. In keeping with this general purpose, the college believes that facilities should be available for a variety of uses which are of benefit to the general public if such general uses do not interfere with the educational mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

The purpose of the time, place, and manner restrictions set forth in this policy is to establish procedures and reasonable controls for the use of college facilities for both college and noncollege groups. It is intended to balance the college's responsibility to fulfill its mission as a state educational institution of Washington with the interests of college groups and noncollege groups who are interested in using the campus for purposes of constitutionally protected speech, assembly, or expression. The college recognizes that college groups should be accorded the opportunity to utilize the facilities and grounds of the college. The college intends to open its facilities to noncollege groups to a lesser extent as set forth herein.

WAC 495B-140-020 Limitation of use to college activities. (1) When allocating use of college facilities, the highest priority is always given to activities specifically related to the college's mission. No arrangements will be made that may interfere with or operate to the detriment of, the college's own teaching, research, or public service programs. In particular, college buildings, properties, and facilities, including those assigned to student programs, are used primarily for:

(a) The regularly established teaching, research, or public service activities of the college and its departments;

(b) Cultural, educational, or recreational activities of the students, faculty, or staff;

(c) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments;

(d) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation;

(e) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(2) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. The appearance of an invited speaker on campus does not represent an endorsement by the college, its stu-
WAC 495B-140-030 Statement of intentions. The college neither intends nor desires to compete with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college will work cooperatively with local private enterprise to the mutual benefit of all concerned.

WAC 495B-140-035 Additional requirements for noncollege groups. (1) College buildings and rooms may be rented by noncollege groups in accordance with the college's facilities policy. Noncollege groups may otherwise use college facilities as identified in this policy.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(8) The right of peaceful dissent within the college community will be preserved. The college retains the right to take steps to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(9) Interference with free passage of vehicles, cyclists, pedestrians, or other traffic through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits and is not permitted. The event must not create safety hazards or pose unreasonable safety risks to college students, employees, or invitees of the college.

(10) Groups must obey and comply with directions of the designated college administrator or individual in charge of the meeting.

(11) If a college facility abuts a public area or street, and if group activity, although on public property, unreasonably interferes with ingress and egress to college buildings, or creates a disruption for the neighbors bordering the college, the college may choose to impose its own sanctions although remedies might also be available through local law enforcement agencies.

Reasonable charges may be assessed against the sponsoring organization for extraordinary costs including, but not limited to, clean-up, security, or for the repair or replacement of damaged property.

(17) All fire, safety, sanitation, or special regulations specified for the event are to be obeyed. The college cannot and will not provide utility connections or hook-ups.

(18) Subject to the regulations of this policy, both college and noncollege groups may use the campus limited forums for first amendment activities between the hours of 7:00 a.m. and 10:00 p.m. throughout the year except during the following days of the year:

WAC 495B-140-090 Basis of fee assessment.
